

SB 297 Proponent Testimony
December 4, 2024

Chairman Manning, Vice Chair Reynolds, Ranking Member Hicks-Hudson, and Member of the Committee,

I am writing to you today to speak out in support of how horrible antisemitism is. Protests and marches towards antisemitism are a real issue. People around me might support Jews but many people hate Jews. Almost every time I turn on the internet it's another article about someone getting beaten up, assaulted, harassed, and so much worse. We as Jews are in a time where we can be walking down the streets and someone can come and beat us up or threaten us. We need to change this now more than ever so that horrific things like October 7th NEVER happen again.

Thank you for listening.
