

SB 297 Proponent Testimony
December 4, 2024

Chairman Manning, Vice chair Reynolds, Ranking Member Hicks-Hudson, and Members of the Committee,

I am writing to you today to speak of my support of why bill 297 should be passed. Anti Semitism is filled with horrible actions, words, and feelings that are said and done to Jewish people just because they are Jews. Seeing what is happening in Israel and the things people are saying at protests, on college campuses makes me feel scared, isolated, and sad. These people shouldn't get away with the rude slurs and actions that they are doing and saying to the Jews. Jews shouldn't have to feel scared and anxious somewhere because of what someone might say to them just from the reasoning of being a Jew. People shouldn't get away for their hateful actions against the Jews.

Thank you for your time
