

Bobbie Wilson  
Testimony on HB 33  
Supporting the DD Workforce

My name is Bobbie Wilson, I have worked as a DSP for many years. I love my job but am forced to rely on public assistance so I can provide for my own family. With the increase in rent and many other essentials it is almost to the point where I will be forced to find other means of making a living.. Please raise the wages for the DSPs ... These precious gifts deserves to get the care they desperately need.
