

Chantia Wilcher
Testimony on HB 33
Supporting the DD Workforce

Hello My name is Chantia Wilcher, and I am submitting a testimony on this issue because I am a Ohioan who works with people with developmental disabilities. I have worked in the health field for almost 10 years as a DSP and HHA. I feel that the workforce crisis will get worse unless something beneficial is done about this matter. Thank you for including me in this survey.
