Testimony on HB 33
Supporting the DD Workforce

I am the parent of a child with DD. She has been in the system for about 22 years. I have noticed over the past 4, or so, years, the huge turnover amongst DSPs. This results in substandard and inconsistent care for my daughter. I believe this turnover is due to wage rates that have been frozen. It is time to give agencies more funding for DSPs so the most vulnerable of us can afford proper care
