Supporting the DD Workforce

I am a DSP. I feel this as a "Calling" on my life, to provide respect and care to the ones I work with.

Because of the low pay, I must work 70 hours a week to be able to provide for myself. If I had children at home, or a husband, or a pet, I would not be able to do my job, because of the hours I must work to get by. I would love to have a dog!
