Supporting the DD Workforce

Hello there. I am a DSP working for Goodwill Columbus and MiSpace Inc . Inflation made my life extremely difficult. Everything went up except my pay check. Working 2 jobs is No longer enough to support my family . I have to work overtime to do so. With my health condition worsening ,I have to work 80 to 100 hours per week to support me and my family. Please please a PAY INCREASE is needed to improve our living conditions and those individuals with disabilities i serve day by day. I work tirelessly (my record with prove it) every day to improve live of individuals with disabilities a serve. Thank you so much.
