Testimony on HB 33
Supporting the DD Workforce

My name is Kevin Wilson. I was previously a regional director for a provider company. I have been in the field for 25 years. I left my position and even my career path due to the extreme shortage of workers and qualified workers. I could no longer work in a field where there was such poor quality of services across the board due to extreme staffing shortages. Please vote for an increase. Our most vulnerable need it!
