Testimony on HB 33  
Supporting the DD Workforce

I am a sister/guardian to a person with a developmental disability. My older brother requires full time care. Without the group home, I don't know what else I could do for him. I suffer from multiple medical problems myself, and am unable e-card for him at my home. Our parents have been deceased for over 30 years. Please help to help him, and those like him. They are in such need.
