Testimony on HB 33
Supporting the DD Workforce

The staffing crisis has made it difficult to maintain as an agency provider. The amount of overtime hours, and the employee taxes are taking a toll of my agency. My workers are overworked and that sacrifice so much to be here for the clients. I fear after 14 years of service, I will have to close my business. The reality is people can make more money working in fast food today, without sacrificing their time, and family.
