

Josh Welhner
Senate Medicaid Committee
Interested Party Testimony
May 11, 2023

Chair Romanchuk, Vice Chair Wilson, Ranking Member Ingram, Members of the Senate Medicaid Committee thank you for the opportunity to provide Interested Party Testimony on HB 33.

My name is Josh Welhener. I am a Transition Coordinator for the Greene County Board of Developmental Disabilities. I work with dozens of families that have children with developmental disabilities that are medically fragile. Proper nursing care is vital to not just their health but also their health and safety, community inclusion, mental health, and so much more. Please increase the funding so these families can receive the support they need.
