**Ohio Senate Transportation Committee**  
**June 14, 2023**

Chair Kunze, Vice Chair Reineke, Ranking Member Antonio, and members of the Senate Transportation Committee, thank you for the opportunity to provide sponsor testimony on S.B. 107, which would create a specialty license plate for members of the Porsche Club.

The Porsche Club of America was founded in 1955. Since its founding, it has grown to 147 regional chapters throughout the United States and Canada, and has 5 chapters servicing the State of Ohio.

Creating this specialty license will allow the Porsche Club to continue its mission of promoting standards of fellowship and courtesy amongst Porsche drivers.

Thank you for allowing me to testify on this bill. I welcome any questions that you may have.
