Senate Bill 179 Sponsor Testimony

Thank you Vice Chair Reineke, Ranking Member Antonio, and members of the Senate Transportation Committee for the opportunity to provide sponsor testimony on Senate Bill 179, which would create the Hilliard Davidson Wildcats license plate.

This legislation is the result of outreach to my office by the Hilliard Davidson Baseball Club, a non-profit booster group that supports the Hilliard Davidson Baseball Program.

Senate Bill 179 provides a \$30 required contribution to the Hilliard Davidson Baseball Club, in addition to a \$10 administrative BMV fee. This provides the club with a great fundraising opportunity that will help the organization continue with their support of the school district and its baseball program.

The Hilliard Davidson Baseball Club has completed the affidavit for participation and has acquired the 150 needed signatures, as well as a finalized logo. Passing this legislation is the last step needed in the process to create the Hilliard Davidson Wildcats license plate.

Vice Chair Reineke, Ranking Member Antonio, and members of the Senate Transportation Committee, thank you for the opportunity to present Senate Bill 179. I am happy to answer any questions that you might have.
