Trustee Appointment Questionnaire

Name: Sallie C. Schisler

Institution Being Appointed to:

Shawnee State University

1. Are you a graduate of or do any of your dependents attend the institution to which you are being appointed as trustee?

No

2. What is your position on the First Amendment rights of faculty, staff, and students, and how will you balance this with promoting diversity of thought on campus?

All have the right to express themselves, but must be done so with respect and civility. To promote diversity of thought on campus, I would encourage workshops, lectures and small group guided discussions.

3. In your opinion, what are three current significant issues affecting higher education?

Recruitment + Retention

Cost for students.

Offering a curriculum for workforce needs.

4. Do you feel comfortable presenting new or alternative solutions to issues presented to the Board of Trustees ("Board") by the president or other trustees of the institution to which you are being appointed?

Yes. I served on my seminary's board during a merger with another seminary. I felt very comfortable offering both new and alternative solutions to a complicated task.

5. What are some ideas you plan to propose to reduce the overall cost of higher education?

Condense the four year typical time to complete a degree.
Encourage Fund Raising.

6. What thoughts do you have on faculty tenure, post-tenure review, and annual faculty performance reviews?

Faculty tenure is probably on a path toward extinction.
Faculty performance reviews are critical to long term success.

7. What are your thoughts on ways to increase graduation rates at the institution to which you have been appointed?

Shorter paths to graduation.

8. Is higher education in Ohio addressing the current and future workforce needs of our state, and how can the institution you have been appointed to better address these workforce challenges?

By listening to community, area and state constituencies.

9. In your view, who are you ultimately responsible to serve as a trustee of the institution you have been appointed to: the president, Board chairperson, or taxpayers of Ohio?

Tax payers of Ohio.
