Dear Selection Committee,

I am currently a sophomore in the John B. and Lillian E. Neff College of Business and Innovation majoring in Professional Sales. It is an honor to apply for the position of Student Trustee to serve the students of The University of Toledo.

One of the biggest life lessons I took away from my parents was the importance of giving back. I truly believe in life it is our duty to help people and leave places better than when we arrived. I live the motto "give more than you take". I believe the position of Student Trustee is an incredible opportunity to give back to a university that has given me so much. My three core values in life are *service, leadership and community*.

- **Service-** My greatest service thus far at UToledo has been with Presidential Ambassadors. I have had the distinct honor to represent the Office of the President to my peers, alumni, donors and community members. During a football game last year, while working in the President's Suite, a couple invited me to sit down and talk with them. They were eager to hear about my journey at UToledo and what my plans for the future were. I was intrigued to hear about their journey and why they love UToledo. They were both alumni and had such a strong passion for UToledo as a whole. After having the privilege of talking with them I really understood why UToledo is special to so many people.
- **Leadership-** My most impactful leadership role was being elected by 200 of my high school classmates to serve as Senior Class President. We all came from different backgrounds and different walks of life but all working together for common goals. I also served on the Western Buckeye Sportsmanship Committee representing Celina City Schools as a leader in front of thousands.
- **Community-** If it was not for community, service and leadership would not be possible. I have had a unique opportunity here at The University of Toledo. I was fortunate to obtain an internship with Rocket Sports Property-LEARFIELD (RSP). Rocket Sports Property handles all the sponsorships at Toledo Athletic Events. In my two years working with RSP, I have been able to connect and network with local businesses and owners, while being an advocate for both UToledo and Team Toledo.

Thank you for your time, reviewing my application and for your consideration. It truly is an honor of a lifetime to have the opportunity to apply for Student Trustee. I am confident I would be a valuable addition to serve on The University of Toledo Board of Trustees. If I can be of any further assistance in answering any additional questions, or to schedule an interview, please feel free to contact me.

Sincerely,

Nathan T. Boley
