"Sec. 5709.58. (A) A board of county commissioners may adopt a resolution declaring a portion, not exceeding fifty per cent, of the value of each parcel of real property conveyed by a county land reutilization corporation exempt from real property taxation for a term not exceeding five years, beginning with the first full tax year after the property is conveyed.

The resolution shall both:

(1) Specify the percentage of the real property's value to be exempted and the term of the exemption;

(2) Require the owner of the real property exempted from taxation to make annual service payments in lieu of taxes to the county treasurer on or before the final dates for payment of real property taxes.

(B) Service payments in lieu of taxes required by a resolution adopted under this section shall be charged and collected in the same manner and in the same amount as the real property taxes that would have been charged and payable against the exempted portion of the real property if not for the exemption.

Service payment receipts shall be distributed at the same time and in the same manner as real property tax payments. The entire amount, however, shall be paid to the county land reutilization corporation that conveyed the real property.

(C) An exemption from taxation under this section commences with

the first full tax year after the real property is conveyed by the county land reutilization corporation, or the first tax year that ends after the effective date of the resolution adopted by the board of county commissioners under division (A) of this section, whichever is later. The exemption ends at the end of the term specified in the resolution, which shall be not later than the end of the fifth full tax year following the conveyance.

(D) A county land reutilization corporation may request, in writing, that the board of county commissioners rescind a resolution adopted under division (A) of this section. Upon receipt of that request, the board of county commissioners shall, by resolution adopted within sixty days after receiving that request, rescind the resolution adopted under division (A) of this section. The rescinding resolution shall specify whether the rescission applies only to real property conveyed after the effective date of the rescinding resolution or if it also rescinds previously granted exemptions. No exemption granted under this section shall be rescinded before the end of the tax year that includes the effective date of the rescinding resolution.

A board of county commissioners that adopts a resolution rescinding tax exemptions under this division shall, at the time the resolution is adopted, notify the county auditor of the rescission. If the rescission applies to previously granted exemptions, such notice shall identify the previously exempted parcels and specify the last tax year to which the exemption applies.

No property owner shall be required to make service payments under division (B) of this section for any tax year for which a tax exemption is rescinded under this division.

Sec. 5709.91. (A) Service payments in lieu of taxes required under sections 725.04, 5709.42, 5709.46, 5709.58, 5709.74, and 5709.79 of the Revised Code, minimum service payment obligations, and service charges in lieu of taxes required under sections 1728.11 and 1728.111 of the Revised Code shall be treated in the same manner as taxes, as defined in section 323.01 of the Revised Code, for all purposes of the lien described in section 323.11 of the Revised Code, including, but not limited to, the priority and enforcement of the lien and the collection of the service payments, minimum service payment obligations, or service charges secured by the lien.

(B) Any covenant or agreement in an instrument whereby a property owner agrees to a minimum service payment obligation shall be a covenant running with the land. Upon the proper recording of the instrument with the county recorder, the covenant is fully binding on behalf of and enforceable by the county, township, or municipal corporation against the property owner and any person acquiring an interest in the land and all successors and assigns. If any such minimum service payment obligation becomes delinquent according to such covenant or agreement, the county, township, or

municipal corporation may enforce the delinquent minimum service payment obligation in the manner provided under division (A) of this section or in the manner otherwise provided in the instrument. A minimum service payment obligation is an insurable interest with respect to title insurance under Chapter 3953. of the Revised Code.

(C) A county, township, or municipal corporation may certify a minimum service payment obligation that is a covenant under division (B) of this section to the county auditor, who shall enter the obligation on the tax list of real property opposite the parcel against which it is charged, and certify the minimum service payment obligation to the county treasurer. An unpaid minimum service payment obligation is a lien on property against which it is charged from the date the obligation is entered on the tax list, and shall be collected in the manner provided for collection of real property taxes. Once the minimum service payment obligation is collected, it shall be paid immediately to the county, township, or municipal corporation.

(D) For the purposes of this section, a "minimum service payment obligation" is an obligation, including a contingent obligation, for a property owner to make a payment to a county, township, or municipal corporation pursuant to an agreement between the property owner and the county, township, or municipal corporation to ensure sufficient funds to finance the expenditures authorized under sections 725.04, 1728.11, 1728.111, 5709.40 to 5709.43, 5709.45 to 5709.47, 5709.73 to 5709.75, or 5709.77 to 5709.81 of the Revised Code. "Minimum service payment obligation" does not include service payments in lieu of taxes required under section 725.04, 5709.42, 5709.46, 5709.74, or 5709.79 of the Revised Code or service charges in lieu of taxes required under section 1728.11 or 1728.111 of the Revised Code.

Sec. 5709.911. (A)(1) A municipal corporation, township, or county that has enacted an ordinance or resolution under section 5709.40, 5709.41, 5709.45, 5709.58, 5709.73, or 5709.78 of the Revised Code or that has entered into an agreement referred to in section 725.02 or 1728.07 of the Revised Code may file an application for exemption under those sections in the same manner as other real property tax exemptions, notwithstanding the indication in division (A) of section 5715.27 of the Revised Code that the owner of the property may file the application. An application for exemption may not be filed by a municipal corporation, township, or county for an exemption of a parcel under section 5709.40, 5709.73, or 5709.78 of the Revised Code if the property owner excludes the property from such exemption as provided in that section.

(2) Except as provided in division (B) of this section, if the application for exemption under section 725.02, 1728.10, 5709.40, 5709.41, 5709.45, 5709.58, 5709.73, or 5709.78 of the Revised Code is filed by a municipal corporation, township, or county and more than one real property

tax exemption applies by law to the property or a portion of the property, both of the following apply:

(a) An exemption granted under section 725.02, 1728.10, 5709.40, 5709.41, 5709.45, 5709.58, 5709.73, or 5709.78 of the Revised Code shall be subordinate to an exemption with respect to the property or portion of the property granted under any other provision of the Revised Code.

(b) Neither service payments in lieu of taxes under section 725.04, 5709.42, 5709.46, 5709.58, 5709.74, or 5709.79 of the Revised Code, nor service charges in lieu of taxes under section 1728.11 or 1728.111 of the Revised Code, shall be required with respect to the property or portion of the property that is exempt from real property taxes under that other provision of the Revised Code during the effective period of the exemption.

(B)(1) If the application for exemption under section 725.02, 1728.10, 5709.40, 5709.41, 5709.45, 5709.58, 5709.73, or 5709.78 of the Revised Code is filed by the owner of the property or by a municipal corporation, township, or county with the owner's written consent attached to the application, and if more than one real property tax exemption applies by law to the property or a portion of the property, no other exemption shall be granted for the portion of the property already exempt under section 725.02, 1728.10, 5709.40, 5709.41, 5709.45, 5709.58, 5709.73, or 5709.78 of the Revised Code unless the municipal corporation, township, or county that enacted the authorizing ordinance or resolution for the earlier exemption provides its duly authorized written consent to the subsequent exemption by means of a duly enacted ordinance or resolution.

(2) If the application for exemption under section 725.02, 1728.10, 5709.40, 5709.41, 5709.45, 5709.58, 5709.73, or 5709.78 of the Revised Code is filed by a municipal corporation, township, or county and approved by the tax commissioner, if the owner of the property subsequently provides written consent to the exemption and the consent is filed with the tax commissioner, and if more than one real property tax exemption applies by law to the property or a portion of the property, no other exemption shall be granted for the portion of the property already exempt under section 725.02, 1728.10, 5709.40, 5709.41, 5709.45, 5709.58, 5709.73, or 5709.78 of the Revised Code unless the municipal corporation, township, or county that enacted the authorizing ordinance or resolution for the earlier exemption provides its duly authorized written consent to the subsequent exemption by means of a duly enacted ordinance or resolution.

(C) After the tax commissioner has approved or partially approved an application for exemption filed by or with the consent of a property owner under the circumstances described in division (B)(1) of this section or if a property owner subsequently provides written consent to an exemption under the circumstances described in division (B)(2) of this section, the municipal

corporation, township, county, or property owner shall file one of the following with the county recorder for the county in which the property is located:

(1) A notice that clearly identifies the property and the owner of the property and states that the property, regardless of future use or ownership, remains liable for any service payments or service charges required by the exemption until the terms of the exemption have been satisfied, unless the municipal corporation, township, or county consents to the subsequent exemption and relinquishes its right to collect the service payments or service charges as provided in division (B)(1) or (2) of this section, as applicable;

(2) An agreement, declaration, or covenant by which the owner of the property subject to the exemption binds the owner and the property, regardless of future use or ownership, to the obligation to make service payments or service charges in lieu of taxes as required by the exemption until the terms of the exemption have been satisfied, unless the municipal corporation, township, or county consents to the subsequent exemption and relinquishes its right to collect the service payments or service charges as provided in division (B)(1) or (2) of this section, as applicable.

The county recorder's office shall charge a fee of fourteen dollars to record the notice, agreement, declaration, or covenant, the proceeds of which shall be retained by the county.

(D) Upon filing of the notice, agreement, declaration, or covenant with the county recorder, the provisions of division (B) of this section are binding on all future owners of the property or portion of the property, regardless of how the property is used. Failure to file a notice, agreement, declaration, or covenant with the county recorder relieves future owners of the property from the obligation to make service payments in lieu of taxes under section 725.04, 5709.42, 5709.46, 5709.58, 5709.74, or 5709.79 of the Revised Code or service charges in lieu of taxes under section 1728.11 or 1728.111 of the Revised Code, if the property or a portion of the property later qualifies for exemption under any other provision of the Revised Code. Failure to file a notice, agreement, declaration, or covenant does not, however, relieve the owner of the property, at the time the application for exemption is filed, from making those payments or charges.

Sec. 5713.083. (A) The owner of property appearing on the exempt list shall notify the county auditor, on a form prescribed by the tax commissioner, if the property ceases to qualify for exemption, except for an exemption authorized under section 5709.58 of the Revised Code. The notification shall be filed with the county auditor on or before the last day of the tax year for which the property ceases to qualify for exemption. Upon receipt of the notification, the county auditor shall return the property to the tax list.

(B) If the county auditor discovers that an owner failed to properly notify the auditor as required under division (A) of this section, the auditor shall impose a charge against the property described in that division equal to the total amount by which taxes were reduced for any of the five preceding tax years that the auditor ascertains the property was not entitled to the exemption and was owned by the current owner. The auditor shall notify the owner, by ordinary mail, of the charge, the owner's right to appeal the charge, and the manner in which the owner may appeal the charge. The owner may appeal the imposition of the charge by filing an exemption application with the tax commissioner under section 5715.27 of the Revised Code. Notwithstanding division (A) of section 5713.081 of the Revised Code, if the tax commissioner determines that the property was entitled to an exemption for one or more tax years for which a charge was imposed under this division, the tax commissioner may order the charge to be removed for those years and may remit any taxes, penalties, and interest paid for those years in the manner prescribed by section 5715.22 of the Revised Code. The charge shall be collected in the same manner as other delinquent taxes."

BILLS FOR THIRD CONSIDERATION

H. J. R. No. 8-Representatives Oelslager, Troy.

Cosponsors: Representatives Abrams, Robb Blasdel, Brennan, Brent, Dell'Aquila, McNally, Miller, J., Pizzulli, Richardson, Russo, Schmidt, Sweeney, Thomas, C., Roemer.

Proposing to enact Section 2t of Article VIII of the Constitution of the State of Ohio to permit the issuance of additional general obligation bonds to fund public infrastructure capital improvements.

Be it resolved by the General Assembly of the State of Ohio, three-fifths of the members elected to each house concurring herein, that there shall be submitted to the electors of the state, in the manner prescribed by law at the special election to be held on May 6, 2025, a proposal to enact Section 2t of Article VIII of the Constitution of the State of Ohio to read as follows:

ARTICLE VIII

Section 2t. (A) In addition to the authorizations otherwise contained in Article VIII of the Ohio Constitution, the General Assembly may provide by law, in accordance with and subject to the limitations of this section, for the issuance of bonds and other obligations of the state for the purpose of financing or assisting in the financing of the cost of public infrastructure capital improvements of municipal corporations, counties, townships, and other governmental entities as designated by law. As used in this section, public infrastructure capital improvements shall be limited to roads and bridges, waste water treatment systems, water supply systems, solid waste disposal facilities, and storm water and sanitary collection, storage, and treatment facilities, including real property, interests in real property, facilities, and equipment related to or incidental thereto, and shall include, without limitation, the cost of acquisition, construction, reconstruction, expansion, improvement, planning, and equipping.

It is hereby determined that such public infrastructure capital improvements are necessary to preserve and expand the public capital infrastructure of such municipal corporations, counties, townships, and other governmental entities.

ensure the public health, safety, and welfare, create and preserve jobs, enhance employment opportunities, and improve the economic welfare of the people of this state.

(B) Not more than two billion five hundred million dollars principal amount of state general obligations may be issued under this section for public infrastructure capital improvements. Not more than two hundred fifty million dollars principal amount of those obligations may be issued in each of the ten fiscal years of issuance, plus in each case the principal amount of those obligations that in any prior fiscal year could have been but were not issued within those fiscal year limits. No obligations may be issued pursuant to this section until all of the state infrastructure obligations authorized under Section 2s of Article VIII, Ohio Constitution have been issued.

(C) Each issue of obligations issued under this section shall mature in not more than thirty years from the date of issuance, or, if issued to retire or refund other obligations, within that number of years from the date the debt being retired or refunded was originally issued. If state general obligations are issued as notes in anticipation of the issuance of bonds, provision shall be made by law for the establishment and maintenance, during the period in which the notes are outstanding, of a special fund or funds into which shall be paid, from the sources authorized for the payment of such bonds, the amount that would have been sufficient, if bonds maturing during the permitted period of years had been issued without such prior issuance of notes, to pay the principal that would have been payable on such bonds during such period. Such fund or funds shall be used solely for the payment of principal of such notes or bonds in anticipation of which such notes have been issued. Obligations issued under this section to retire or refund obligations previously issued under this section or Section 2k, 2m, 2p, or 2s of Article VIII, Ohio Constitution shall not be counted against the fiscal year or total issuance limitations provided in this section or Section 2k, 2m, 2p, or 2s as applicable.

(D) The obligations issued under this section are general obligations of the state. The full faith and credit, revenue, and taxing power of the state shall be pledged to the payment of the principal of and premium and interest and other accreted amounts on outstanding obligations as they become due (hereinafter called debt service), and bond retirement fund provisions shall be made for payment of that debt service. Provision shall be made by law for the sufficiency and appropriation, for purposes of paying debt service, of excises, taxes, and revenues so pledged or committed to debt service, and for covenants to continue the levy, collection, and application of sufficient excises, taxes, and revenues to the extent needed for that purpose. Notwithstanding Section 22 of Article II, Ohio Constitution, no further act of appropriation shall be necessary for that purpose. The obligations and the provision for the payment of debt service, and repayment by governmental

entities of any loans made under this section, are not subject to Sections 5, 6, and 11 of Article XII, Ohio Constitution. Moneys referred to in Section 5a of Article XII, Ohio Constitution may not be pledged to the payment of that debt service.

(E) The state may participate in any public infrastructure capital improvement under this section with municipal corporations, counties, townships, or other governmental entities as designated by law, or any one or more of them. Such participation may be by grants, loans, or contributions to them for any such capital improvements. The entire proceeds of the infrastructure obligations shall be used for public infrastructure capital improvements of municipal corporations, counties, townships, and other governmental entities, except to the extent that the General Assembly provides by law that the state may reasonably be compensated from such moneys for planning, financial management, or administrative services performed in relation to the issuance of infrastructure obligations.

(F) Obligations issued under authority of this section, the transfer thereof, and the interest, interest equivalent, and other income and accreted amounts therefrom, including any profit made on the sale, exchange, or other disposition thereof, shall at all times be free from taxation within the state.

(G) This section shall otherwise be implemented in the manner and to the extent provided by law by the General Assembly, including provision for the procedure for incurring and issuing obligations, separately or in combination with other obligations, and refunding, retiring, and evidencing obligations, and provision for the use to the extent practicable of Ohio products, materials, services, and labor in the making of any project financed, in whole or in part, under this section.

(H) The powers and authority granted or confirmed by and under, and the determinations in, this section are independent of, in addition to, and not in derogation of or a limitation on, powers, authority, determinations, or confirmations under laws or under other provisions of the Ohio Constitution and do not impair any previously adopted provisions of the Ohio Constitution or any law previously enacted by the General Assembly or by a local public agency.
