On retail installment contracts providing for principal balances less than, nor not in multiples of one hundred dollars, or for installment payments extending for a period less than or greater than one year, said finance charge shall be computed proportionately. In addition to the base finance charge, the retail seller may charge and contract for a service charge of fifty cents per month for the first fifty dollar unit or fraction thereof, of the principal balance for each month of the term of the installment contract; and an additional service charge of twenty-five cents per month for each of the next five fifty dollar units or fraction thereof, of the principal balance for each month of the term of the installment contract. This paragraph applies only to retail installment contracts with a principal balance of seven hundred dollars or less.

If the contract contains a provision allowing final scheduled installment that is more than two times the average of all prior scheduled installments, the contract must allow the buyer to refinance the contract under terms no less favorable than those of the original contract after making the refund credit required by section 1317.09 of the Revised Code. Sec. 4505.08. (A) When the clerk of a court of common pleas issues a physical certificate of title, the clerk shall issue the certificate of title on a form and in a manner prescribed by the registrar of motor vehicles. A clerk may retain digital images of documents used as evidence for issuance of a certificate of title. Certified printouts of documents retained as digital images shall have the same evidentiary value as the original physical documents. The record of the issuance of the certificate of title shall be maintained in the automated title processing system. The clerk shall sign and affix the clerk's seal to the original certificate of title and, if there are no liens on the motor vehicle, shall deliver the certificate to the applicant or the selling dealer. The automated title processing system shall contain all active records and an index of the active records, a record and index of all inactive titles for ten years, and a record and index of all inactive titles for manufactured and mobile homes for thirty years. If the clerk provides a written copy of any information contained in the database, the copy shall be considered the original for purposes of the clerk certifying the record of the information for use in any legal proceeding.

(B)(1) If the clerk issues a certificate of title for a motor vehicle that was last previously registered in another state, the clerk shall record verbatim, where practicable, in the space on the title described in division (B)

(19) of section 4505.07 of the Revised Code, the words that appear as a notation to the vehicle on the title issued by the previous state. These notations may include, but are not limited to, words to the effect that the vehicle was considered or was categorized by the state in which it was last previously registered to be a law enforcement vehicle or a taxicab or was once in a flood.

(2) If the clerk, while issuing a certificate of title for a motor vehicle that was last previously registered in another state, receives information from the automated title processing system indicating that a title to the vehicle previously was issued by this state and that the previous title contained notations that appeared in the space described in division (B)(19) or (20) of section 4505.07 of the Revised Code, the clerk shall enter the notations that appeared on the previous certificate of title issued by this state on the new certificate of title in the space described in division (B)(19) or (20) of section 4505.07 of the Revised Code, irrespective of whether the notations appear on the certificate of title issued by the state in which the vehicle was last previously registered.

(3) If the clerk, while issuing a certificate of title for a motor vehicle that was last previously registered in another state, receives information from the automated title processing system indicating that the vehicle was previously issued a title by this state and that the previous title bore the notation "REBUILT SALVAGE" as required by division (E) of section 4505.11 of the Revised Code, or the previous title to the vehicle issued by this state was a salvage certificate of title, the clerk shall cause the certificate of title the clerk issues to bear the notation "REBUILT SALVAGE" in the location prescribed by the registrar pursuant to that division.

(4) If the clerk, while issuing a certificate of title for a motor vehicle that was last previously registered in another state, receives information from the automated title processing system indicating that the vehicle was previously issued a title by this state and that the previous title included the notation "REPLICA" in accordance with section 4505.072 of the Revised Code, or the previous title to the vehicle issued by another state indicates that the vehicle is a replica motor vehicle, the clerk shall cause the certificate of title the clerk issues to display the notation "REPLICA" in the location prescribed by the registrar pursuant to that section.

(C) When the clerk issues a certificate of title for a motor vehicle that was last previously registered in this state and was a law enforcement vehicle or a taxicab or was once in a flood, the clerk shall record that information in the space on the title described in division (B)(20) of section 4505.07 of the Revised Code. (F) Except as provided in section 4505.021 of the Revised Code, the clerk shall issue a physical certificate of title to an applicant unless the applicant specifically requests the clerk not to issue a physical certificate of title and instead to issue an electronic certificate of title. The fact that a physical certificate of title is not issued for a motor vehicle does not affect ownership of the vehicle. In that case, when the clerk completes the process of entering certificate of title application information into the automated title processing system, the effect of the completion of the process is the same as if the clerk actually issued a physical certificate of title for the motor vehicle.

(G) An electronic motor vehicle dealer who applies for a certificate of title on behalf of a customer who purchases a motor vehicle from the dealer may print a non-negotiable evidence of ownership for the customer if the customer so requests. The authorization to print the non-negotiable evidence of ownership shall come from the clerk with whom the dealer makes application for the certificate of title for the customer, but the printing by the dealer does not create an agency relationship of any kind between the dealer and the clerk.

(H) The owner of a motor vehicle may apply at any time to a clerk of a court of common pleas for a non-negotiable evidence of ownership for the motor vehicle.

(I) In accordance with rules adopted by the registrar, a clerk may issue a certificate of title applied for by an agent of a licensed motor vehicle dealer when that agent has a properly executed power of attorney from the dealer.

(2) Division (C) of this section does not apply to premises upon which home schooling is conducted. Division (C) of this section also does

not apply to a school administrator, teacher, or employee who possesses an object that is indistinguishable from a firearm for legitimate school purposes during the course of employment, a student who uses an object that is indistinguishable from a firearm under the direction of a school administrator, teacher, or employee, or any other person who with the express prior approval of a school administrator possesses an object that is indistinguishable from a firearm for a legitimate purpose, including the use of the object in a ceremonial activity, a play, reenactment, or other dramatic presentation, school safety training, or a ROTC activity or another similar use of the object.

(b) The person leaves the handgun in a motor vehicle.

(c) The handgun does not leave the motor vehicle.

(E)(1) Whoever violates division (A) or (B) of this section is guilty of illegal conveyance or possession of a deadly weapon or dangerous ordnance in a school safety zone. Except as otherwise provided in this division, illegal conveyance or possession of a deadly weapon or dangerous ordnance in a school safety zone is a felony of the fifth degree. If the offender previously has been convicted of a violation of this section, illegal conveyance or possession of a deadly weapon or dangerous ordnance in a school safety zone is a felony of the fourth degree.

(2) Whoever violates division (C) of this section is guilty of illegal possession of an object indistinguishable from a firearm in a school safety zone. Except as otherwise provided in this division, illegal possession of an object indistinguishable from a firearm in a school safety zone is a misdemeanor of the first degree. (F)(1) In addition to any other penalty imposed upon a person who is convicted of or pleads guilty to a violation of this section and subject to division (F)(2) of this section, if the offender has not attained nineteen years of age, regardless of whether the offender is attending or is enrolled in a school operated by a board of education or for which the director of education and workforce prescribes minimum standards under section 3301.07 of the Revised Code, the court shall impose upon the offender a class four suspension of the offender's probationary driver's license, restricted license, driver's license, commercial driver's license, temporary instruction permit, or probationary commercial driver's license that then is in effect from the range specified in division (A)(4) of section 4510.02 of the Revised Code and shall deny the offender the issuance of any permit or license of that type during the period of the suspension.

If the offender is not a resident of this state, the court shall impose a class four suspension of the nonresident operating privilege of the offender from the range specified in division (A)(4) of section 4510.02 of the Revised Code.

(2) If the offender shows good cause why the court should not suspend one of the types of licenses, permits, or privileges specified in division (F)(1) of this section or deny the issuance of one of the temporary instruction permits specified in that division, the court in its discretion may choose not to impose the suspension, revocation, or denial required in that division, but the court, in its discretion, instead may require the offender to perform community service for a number of hours determined by the court.

(G) As used in this section, "object that is indistinguishable from a

firearm" means an object made, constructed, or altered so that, to a reasonable person without specialized training in firearms, the object appears to be a firearm.

Sec. 2923.17. (A) No person shall knowingly acquire, have, carry, or use any dangerous ordnance.

(B) No person shall manufacture or process an explosive at any location in this state unless the person first has been issued a license, certificate of registration, or permit to do so from a fire official of a political subdivision of this state or from the office of the fire marshal.

(D) Whoever violates division (A) of this section is guilty of unlawful possession of dangerous ordnance, a felony of the fifth degree.

(E) Whoever violates division (B) of this section is guilty of illegally manufacturing or processing explosives, a felony of the second degree.

Sec. 2923.50. (A) For purposes of this section:

"Violent felony offense" has the same meaning as in section 2923.132 of the Revised Code.

"Law-abiding citizen" means a person who is not otherwise precluded under state law from possessing a firearm and shall not be construed to include anyone who is not legally present in the United States or this state.

"Law enforcement officer" has the same meaning as in section 9.69 of the Revised Code.

"Material aid or support" includes voluntarily giving or allowing others to make use of lodging, communications equipment or services including social media accounts, facilities, weapons, personnel, transportation, clothing, or other physical assets. "Material aid or support" does not include giving or allowing the use of medicine or other materials necessary to treat physical injuries, nor shall the term include any assistance provided to help persons escape a serious, present risk of life-threatening injury.

"Political subdivision" means a county, township, municipal corporation, or any other body corporate and politic responsible for governmental activities in a geographic area smaller than that of the state.

"Public office" includes any state agency, public institution, political subdivision, or other organized body, office, agency, institution, or entity established by the laws of this state for the exercise of any function of government.

"Public officer" includes all officers, employees, or duly authorized representatives or agents of a public office.

(B) No public office, public officer, or employee of the state or a political subdivision shall enforce, attempt to enforce, or participate in any

way in the enforcement of any federal acts, executive orders, administrative orders, rules, regulations, statutes, or ordinances regarding firearms, firearm accessories, or ammunition.

(C) No public office, public officer, or employee of the state or a political subdivision shall accede to a request from another to give material aid or support to the efforts of the other in the enforcement of or implementation of any federal acts, laws, executive orders, rules, regulations, or ordinances regarding firearms, firearm accessories, or ammunition.

(D) Sovereign immunity shall not be an affirmative defense in any action pursuant to this section.

(E)(1) Notwithstanding anything to the contrary in Chapters 2743. and 2744. of the Revised Code, if the state or a political subdivision employs a law enforcement officer who knowingly violates division (B) or (C) of this section, the state or political subdivision shall be liable to the injured party in an action at law, suit in equity, or other proper proceeding for redress, and subject to a twenty-five-thousand-dollar civil penalty per occurrence.

(2) Any person injured under this division shall have standing to pursue an action for injunctive relief in the court of common pleas of the county in which the action allegedly occurred or in the court of common pleas of Franklin county with respect to the actions of such officer. The court shall hold a hearing on the motion for temporary restraining order and preliminary injunction within thirty days of service of the petition. In such actions, notwithstanding anything to the contrary in Chapters 2743. and 2744. of the Revised Code, the court may award the prevailing party, other than the state of Ohio or any political subdivision of the state, reasonable attorney's fees and costs.

(F)(1) If the state or any political subdivision of the state knowingly employs an individual who is acting as or previously acted as an official, agent, employee, or deputy of the government of the United States, or otherwise acting under the color of federal law within the borders of this state, and who knowingly does either of the following after the effective date of this section, the state or political subdivision shall be subject to a civil penalty of twenty-five thousand dollars per employee hired by the state or political subdivision who violates the applicable provision:

(a) Enforces, attempts to enforce, or participates in any way in the enforcement or implementation of any federal acts, laws, executive orders, rules, regulations, statutes, or ordinances regarding firearms, firearm accessories, or ammunition;

(b) Gives material aid or support to the efforts of another in the enforcement or implementation of any federal acts, laws, executive orders, administrative orders, rules, regulations, statutes, or ordinances regarding firearms, firearm accessories, or ammunition.

(2) Any person residing or conducting business in the state or a political subdivision of the state who believes that a law enforcement officer of the state or of the political subdivision of the state has taken action as described in division (F)(1) of this section shall have standing to pursue an action for injunctive relief in the court of common pleas of the county in which the action allegedly occurred, or in the court of common pleas of Franklin county, with respect to the actions of such law enforcement officer. The court shall hold a hearing on the motion for temporary restraining order and preliminary injunction within thirty days of service of the petition. In such actions, the court may award the prevailing party, other than the state of Ohio or any political subdivision of the state, reasonable attorney's fees and costs.

(G) Nothing in this section shall be construed to prohibit public officers or employees of the state or a political subdivision of the state from requesting or accepting aid from federal officials in an effort to enforce laws of the state or of a political subdivision for either of the following:

(1) Referring firearm cases to any United States attorney for potential prosecution if such case is a violent felony offense and if that prosecution would entail prosecution of violations substantially similar to those found in Chapters 2901. to 2911. of the Revised Code involving the use of a weapon, provided that such weapons violations are merely ancillary to that prosecution.

(2) Participating with federal law enforcement to enforce laws of the state or a political subdivision in any national integrated ballistic information network investigation or lead, or distributing such leads, whether or not through a crime gun intelligence center.

(H) It shall not be considered a violation of this section to provide material aid to federal officials who are in pursuit of a suspect when there is a demonstrable criminal nexus with another state or country and such suspect is either not a citizen of this state or is not present in this state.

(I) It shall not be considered a violation of this section to provide material aid to federal prosecutions for either of the following:

(1) Felony crimes against a person when such prosecution includes weapons violations substantially similar to those found in sections 2923.11 to 2923.25 of the Revised Code, so long as such weapons violations are merely ancillary to such prosecution;

(2) Class A or class B felony violations, as designated under federal law, substantially similar to those found in Chapter 2925. of the Revised Code when such prosecution includes weapons violations substantially similar to those found in sections 2923.11 to 2923.25 of the Revised Code, so long as such weapons violations are merely ancillary to such prosecution.

(J) Nothing in this section shall be construed to prohibit a public officer or employee of the state or a political subdivision from participating in an inter-jurisdictional task force for the purpose of enforcing laws not related to firearms, firearm accessories, or ammunition.

(K)(1) As specified in section 1.50 of the Revised Code, if any provision of a section of the Revised Code or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the section or related sections which can be given effect without the invalid provision or application, and to this end the provisions are severable.

(2) Section 2923.50 of the Revised Code shall be strictly construed against the state and shall be liberally construed in favor of the rights of law-abiding citizens.

(L) The general assembly of the state of Ohio finds and declares that:

(1) The general assembly of the state of Ohio is firmly resolved to support and defend the Constitution of the United States against every aggression, whether foreign or domestic, and is duty-bound to oppose every infraction of those principles that constitute the basis of the union of the states because only a faithful observance of those principles can secure the union's existence and the public happiness.

(2) Acting through the Constitution of the United States, the people of the several states created the federal government to be their agent in the exercise of a few defined powers, while reserving for the state governments the power to legislate on matters concerning the lives, liberties, and properties of citizens in the ordinary course of affairs.

(3) The limitation of the federal government's power is affirmed under the Tenth Amendment to the United States Constitution, which defines the total scope of federal powers as being those which have been delegated by the people of the several states to the federal government, and all powers not delegated to the federal government in the Constitution of the United States are reserved to the states respectively or the people themselves.

(4) If the federal government assumes powers that the people did not grant it in the Constitution of the United States, its acts are unauthoritative and of no force.

(5) The several states of the United States respect the proper role of the federal government but reject the proposition that such respect requires unlimited submission. If the federal government, created by a compact among the states, were the exclusive or final judge of the extent of the powers granted to it by the states through the Constitution of the United States, the federal government's discretion, and not the Constitution of the United States, would necessarily become the measure of those powers. To the

contrary, as in all other cases of compacts among powers having no common judge, each party has an equal right to judge for itself as to whether infractions of the compact have occurred, as well as to determine the mode and measure of redress. Although the several states have granted supremacy to laws and treaties made under the powers granted in the Constitution of the United States, such supremacy does not extend to various federal statutes, executive orders, administrative orders, court orders, rules, regulations, or other actions that collect data or restrict or prohibit the manufacture, ownership, and use of firearms, firearm accessories, or ammunition exclusively within the borders of Ohio; such statutes, executive orders, administrative orders, court orders, rules, regulations, and other actions exceed the powers granted to the federal government except to the extent they are necessary and proper for governing and regulating the United States armed forces or for organizing, arming, and disciplining militia forces actively employed in the service of the United States armed forces.

(6) The people of the several states have given congress the power "to regulate commerce with foreign nations, and among the several states," but "regulating commerce" does not include the power to limit citizens' right to keep and bear arms in defense of their families, neighbors, persons, or property nor to dictate what sort of arms and accessories law-abiding citizens may buy, sell, exchange, or otherwise possess within the borders of this state.

(7) The people of the several states also have granted congress the power "to lay and collect taxes, duties, imports, and excises, to pay the debts, and provide for the common defense and general welfare of the United States" and "to make all laws which shall be necessary and proper for carrying into execution the powers vested by the Constitution of the United States in the government of the United States, or in any department or office thereof." These constitutional provisions merely identify the means by which the federal government may execute its limited powers and shall not be construed to grant unlimited power because to do so would be to destroy the carefully constructed equilibrium between the federal and state governments. Consequently, the general assembly rejects any claim that the taxing and spending powers of congress may be used to diminish in any way the right of the people to keep and bear arms.

(8) The general assembly of the state of Ohio finds that the federal excise tax rate on arms and ammunition in effect before January 1, 2021, which funds programs under the Wildlife Restoration Act, does not have a chilling effect on the purchase or ownership of such arms and ammunition.

(9) The people of Ohio have vested the general assembly with the authority to regulate the manufacture, possession, exchange, and use of firearms within the borders of this state, subject only to the limits imposed by the Second Amendment to the United States Constitution and the Constitution of Ohio.

(10) The general assembly of the state of Ohio strongly promotes responsible gun ownership, including parental supervision of minors in the proper use, storage, and ownership of all firearms; the prompt reporting of stolen firearms; and the proper enforcement of all state gun laws. The general assembly of the state of Ohio hereby condemns any unlawful transfer of firearms and the use of any firearm in any criminal or unlawful activity."
