Proposing to enact Section 2t of Article VIII of the Constitution of the State of Ohio to permit the issuance of additional general obligation bonds to fund public infrastructure capital improvements.

Be it resolved by the General Assembly of the State of Ohio, three-fifths of the members elected to each house concurring herein, that there shall be submitted to the electors of the state, in the manner prescribed by law at the special election to be held on May 6, 2025, a proposal to enact Section 2t of Article VIII of the Constitution of the State of Ohio to read as follows:

ARTICLE VIII

Section 2t. (A) In addition to the authorizations otherwise contained in Article VIII of the Ohio Constitution, the General Assembly may provide by law, in accordance with and subject to the limitations of this section, for the issuance of bonds and other obligations of the state for the purpose of financing or assisting in the financing of the cost of public infrastructure capital improvements of municipal corporations, counties, townships, and other governmental entities as designated by law. As used in this section, public infrastructure capital improvements shall be limited to roads and bridges, waste water treatment systems, water supply systems, solid waste

disposal facilities, and storm water and sanitary collection, storage, and treatment facilities, including real property, interests in real property, facilities, and equipment related to or incidental thereto, and shall include, without limitation, the cost of acquisition, construction, reconstruction, expansion, improvement, planning, and equipping.

It is hereby determined that such public infrastructure capital improvements are necessary to preserve and expand the public capital infrastructure of such municipal corporations, counties, townships, and other governmental entities, ensure the public health, safety, and welfare, create and preserve jobs, enhance employment opportunities, and improve the economic welfare of the people of this state.

(B) Not more than two billion five hundred million dollars principal amount of state general obligations may be issued under this section for public infrastructure capital improvements. Not more than two hundred fifty million dollars principal amount of those obligations may be issued in each of the ten fiscal years of issuance, plus in each case the principal amount of those obligations that in any prior fiscal year could have been but were not issued within those fiscal year limits. No obligations may be issued pursuant to this section until all of the state infrastructure obligations authorized under Section 2s of Article VIII, Ohio Constitution have been issued.

(C) Each issue of obligations issued under this section shall mature in not more than thirty years from the date of issuance, or, if issued to retire or refund other obligations, within that number of years from the date the debt being retired or refunded was originally issued. If state general obligations are issued as notes in anticipation of the issuance of bonds, provision shall be made by law for the establishment and maintenance, during the period in which the notes are outstanding, of a special fund or funds into which shall be paid, from the sources authorized for the payment of such bonds, the amount that would have been sufficient, if bonds maturing during the permitted period of years had been issued without such prior issuance of notes, to pay the principal that would have been payable on such bonds during such period. Such fund or funds shall be used solely for the payment of principal of such notes or bonds in anticipation of which such notes have been issued. Obligations issued under this section to retire or refund obligations previously issued under this section or Section 2k, 2m, 2p, or 2s of Article VIII, Ohio Constitution shall not be counted against the fiscal year or total issuance limitations provided in this section or Section 2k, 2m, 2p, or 2s as applicable.

(D) The obligations issued under this section are general obligations of the state. The full faith and credit, revenue, and taxing power of the state shall be pledged to the payment of the principal of and premium and interest and other accreted amounts on outstanding obligations as they become due (hereinafter called debt service), and bond retirement fund provisions shall be made for payment of that debt service. Provision shall be made by law for the

sufficiency and appropriation, for purposes of paying debt service, of excises, taxes, and revenues so pledged or committed to debt service, and for covenants to continue the levy, collection, and application of sufficient excises, taxes, and revenues to the extent needed for that purpose. Notwithstanding Section 22 of Article II, Ohio Constitution, no further act of appropriation shall be necessary for that purpose. The obligations and the provision for the payment of debt service, and repayment by governmental entities of any loans made under this section, are not subject to Sections 5, 6, and 11 of Article XII, Ohio Constitution. Moneys referred to in Section 5a of Article XII, Ohio Constitution may not be pledged to the payment of that debt service.

(E) The state may participate in any public infrastructure capital improvement under this section with municipal corporations, counties, townships, or other governmental entities as designated by law, or any one or more of them. Such participation may be by grants, loans, or contributions to them for any such capital improvements. The entire proceeds of the infrastructure obligations shall be used for public infrastructure capital improvements of municipal corporations, counties, townships, and other governmental entities, except to the extent that the General Assembly provides by law that the state may reasonably be compensated from such moneys for planning, financial management, or administrative services performed in relation to the issuance of infrastructure obligations.

(F) Obligations issued under authority of this section, the transfer thereof, and the interest, interest equivalent, and other income and accreted amounts therefrom, including any profit made on the sale, exchange, or other disposition thereof, shall at all times be free from taxation within the state.

(G) This section shall otherwise be implemented in the manner and to the extent provided by law by the General Assembly, including provision for the procedure for incurring and issuing obligations, separately or in combination with other obligations, and refunding, retiring, and evidencing obligations, and provision for the use to the extent practicable of Ohio products, materials, services, and labor in the making of any project financed, in whole or in part, under this section.

(H) The powers and authority granted or confirmed by and under, and the determinations in, this section are independent of, in addition to, and not in derogation of or a limitation on, powers, authority, determinations, or confirmations under laws or under other provisions of the Ohio Constitution and do not impair any previously adopted provisions of the Ohio Constitution or any law previously enacted by the General Assembly or by a local public agency.

EFFECTIVE DATE

If adopted by a majority of the electors voting on this proposal, Section 2t of Article VIII of the Constitution of the State of Ohio enacted by

this proposal shall take effect immediately.

To urge the United States Congress to enact the Great Lakes Restoration Initiative Act of 2024.

WHEREAS, On February 6, 2024, a group of bipartisan U.S. Senators introduced the Great Lakes Restoration Initiative Act of 2024, which reauthorizes the Great Lakes Restoration Initiative (GLRI) for five years, from 2027 to 2031, and provides funding in the amount of \$500 million per year; and

WHEREAS, The Great Lakes are a critical resource for our nation, supporting the economy and a way of life in Ohio and the other seven states within the Great Lakes region. The Great Lakes hold 21 percent of the world's surface freshwater and 84 percent of the United States' surface freshwater. This globally significant freshwater resource provides drinking water for more than 30 million people and directly supports 1.3 million jobs, generating \$82 billion in wages; and

WHEREAS, The GLRI has provided crucial funding to support long overdue work to protect and restore the Great Lakes. In partnership with the states, local governments, and other organizations, the federal government has invested more than \$3 billion and supported over 7,000 projects since 2010. These projects have cleaned up toxic pollution, reduced runoff from cities and farms, combatted invasive species, and restored fish and wildlife habitats; and

WHEREAS, The GLRI has made a significant difference and represents a sound investment in both the environment and the economies of the Great Lakes region. A 2018 study calculated that for every federal dollar invested in Great Lakes restoration there is an additional \$3.35 created in economic activity; and

WHEREAS, Far more work needs to be done. Toxic algal blooms and hotspots contaminating water supplies along Lake Erie, invasive species threatening native species and Ohio industries, and contaminated sediments restricting recreational opportunities pose substantial limitations and threats to habitats for fish and wildlife and the use of the Great Lakes. These problems require a collaborative effort; now therefore be it

RESOLVED, That we, the members of the 135th General Assembly of the State of Ohio, in adopting this resolution, urge the United States Congress to enact the Great Lakes Restoration Initiative Act of 2024, which reauthorizes the Great Lakes Restoration Initiative for five years, from 2027 to 2031; and be it further

RESOLVED, That the Clerk of the House of Representatives transmit duly authenticated copies of this resolution to the President Pro Tempore and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Ohio Congressional delegation, and the news media of Ohio.

To condemn the People's Republic of China for its role in the global drug trade, especially in its capacity as the largest point of origin of fentanyl smuggled to the United States.

WHEREAS, The People's Republic of China (PRC) has adopted a permissive and indifferent attitude toward rampant money laundering and drug trafficking taking place within its borders; and

WHEREAS, According to the U.S.-China Economic and Security Review Commission, "the DEA [Drug Enforcement Administration] reported [in 2020 that] it informally asked its Chinese counterparts for assistance with the [Xianbing] Gan investigation but did not receive Chinese support despite multiple requests"; and

WHEREAS, The Los Zheng cartel continues to operate in the PRC and Mexico and, according to intelligence professionals, maintains "the largest presence in Mexico for trafficking fentanyl and methamphetamines," but its leaders based in Shanghai have not been apprehended by PRC officials; and

WHEREAS, Admiral Craig Faller has testified to the U.S. Congress that the PRC is "at least tacitly supporting" money laundering activity associated with the global drug trade; and

WHEREAS, John Tobon, the Chief of the Homeland Security Investigations office in Honolulu, claimed, "The amount of money coming out of China via the underground banking system is so significant that it would be virtually impossible for a government that has as much control of their people as the government of China to not be aware of how it's happening"; and

WHEREAS, The PRC has been slow to respond to U.S. requests for access to investigate potential sites of illegal chemical production, often allowing operations to escape detection; and

WHEREAS, According to the Congressional Research Service, "On August 5, 2022, in response to House Speaker Nancy Pelosi's visit to Taiwan, the PRC's Ministry of Foreign Affairs announced the PRC's formal suspension of U.S.-China cooperation in five areas, including counternarcotics"; and

WHEREAS, The PRC has implemented economic incentives that encourage the production and distribution of fentanyl, along with its analogues and precursors; and

WHEREAS, The "New and High Technology Enterprise" designation

by the PRC has allowed companies like Yuancheng and 5A Pharmatech Co., which distribute fentanyl, to enjoy financial incentives and preferential tax policies; and

WHEREAS, Yuancheng also has been a beneficiary of economic programs and initiatives sponsored by the PRC's Ministry of Science and Technology, including the Torch Program, the Spark Program, and the Innovation Fund; and

WHEREAS, In the PRC, fentanyl receives a 10% value-added tax rebate, and several fentanyl analogues and precursors receive 13% rebates. Higher rebate rates increase the incentive to export that product; and

WHEREAS, To the extent that the PRC is involved directly in enabling the global drug trade, the PRC does so as a means of facilitating destabilization and division in the United States and across the region more broadly; now therefore be it

RESOLVED, That we, the members of the 135th General Assembly of the State of Ohio, condemn the PRC's campaign of attempting to destabilize and divide the United States and the broader region through its tolerance and facilitation of the global drug trade; and be it further

RESOLVED, That the Clerk of the House of Representatives transmit duly authenticated copies of this resolution to the members of Ohio's Congressional delegation, Secretary of State Antony Blinken, and the news media of Ohio.

That municipal corporation shall remain ineligible to receive any homeland security funding from the state until the director certifies that the ordinance, policy, directive, rule, or resolution has been repealed.

(D)(1) If a state or local employee states disagreement with, or a critical opinion of, the USA Patriot Act, any federal ~~immigration or~~ terrorism policy, or any executive order of the president of the United States pertaining to homeland security, the statement of disagreement with or critical opinion of the act or order is not sufficient to qualify for purposes of this section as unreasonable noncompliance with a request for assistance of the type

(2) Any municipal corporation's ordinance, policy, directive, rule, or resolution that states disagreement with, or a critical opinion of, any state or federal ~~immigration or~~ terrorism policy, the USA Patriot Act, or any executive order of the president of the United States pertaining to homeland security is not sufficient to qualify as a "material hindrance or prevention" of local employees from cooperating with federal ~~immigration services and~~ terrorism investigations or from complying with the USA Patriot Act or any executive order of the president of the United States pertaining to homeland security for purposes of divisions (B), (C), and (D) of this section.

(E) As used in this section, "USA Patriot Act" means the "Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA Patriot Act) Act of 2001," Pub. L. No. 107-056, 115 Stat. 272, as amended.

(B) A law enforcement agency shall do all of the following:

(2) Except as otherwise provided in division (C)(3) of this section, whenever a person who is not a United States citizen or national applies to a state or local governmental entity for a state or local public benefit, the state or local governmental entity shall verify whether the person is ineligible for the benefit under section 411 of the "Personal Responsibility and Work Opportunity Reconciliation Act of 1996," 8 U.S.C. 1621, using the systematic alien verification for entitlements (SAVE) program, or its successor program, operated by the United States department of homeland security or its successor agency.

(3) Division (C)(2) of this section does not apply when a person applies for a state or local public benefit described in division (b) of section 411 of the "Personal Responsibility and Work Opportunity Reconciliation Act of 1996," 8 U.S.C. 1621, or for a state or local public benefit for which the Revised Code affirmatively provides eligibility for persons described in division (a) of that section.

(D) No state or local government agency or political subdivision shall adopt an ordinance, policy, directive, rule, or resolution that prohibits or otherwise restricts a public official or employee from doing any of the following:

(3) Maintaining information about a person's citizenship or immigration status;

(4) Sending information to, or requesting or receiving information from, a federal, state, or local government agency or employee concerning a person's citizenship or immigration status or for the purpose of determining a person's citizenship or immigration status;

(5) Complying with any request by a federal agency engaged in the enforcement of federal immigration law for information, access, or assistance, regardless of whether the federal agency has obtained a warrant to

compel the state or local government agency or political subdivision to comply with the request, unless federal law prohibits the state or local government agency or political subdivision from complying with the request.

Sec. 9.632. (A) Each law enforcement agency and each state or local governmental entity that administers a state or local public benefit shall notify its officers and employees of the requirements of sections 9.63 and 9.631 of the Revised Code.

(B)(1) A resident of this state who believes that a county, township, or municipal corporation or the law enforcement agency that serves the county, township, or municipal corporation is not complying with the requirements of section 9.631 of the Revised Code may file a complaint with the director of public safety. Upon receiving the complaint, the director shall investigate whether the county, township, municipal corporation, or law enforcement agency is complying with the requirements of that section and shall submit a report of the director's findings to the treasurer of state, to the tax commissioner, to the speaker and minority leader of the house of representatives, and to the president and minority leader of the senate.

(2) If the director determines that a county, township, municipal corporation, or law enforcement agency originally reported as failing to comply with the requirements of section 9.631 of the Revised Code is in compliance with those requirements, the director promptly shall issue an addendum to the director's original report concerning that county, township, municipal corporation, or law enforcement agency to the persons who received the original report.

(C) If the director of public safety determines that a county, township, or municipal corporation or the law enforcement agency that serves the county, township, or municipal corporation is not in compliance with the requirements of section 9.631 of the Revised Code, then the county, township, or municipal corporation is ineligible to receive homeland security funding and any local government fund distributions from the state until the director of public safety certifies in an addendum issued under division (B) (2) of this section that the county, township, municipal corporation, or law enforcement agency is in compliance with the requirements of that section.

Sec. 9.633. (A) A person who has suffered a personal injury, death, or property loss, the person's legal representative, or the administrator of the person's estate may file a complaint seeking the removal of a public officer in the legislative or executive branch of government of a county, township, or municipal corporation if all of the following apply:

time of the offense has been convicted of the offense.

(3) The county, township, or municipal corporation or the law enforcement agency that serves the county, township, or municipal corporation was not in compliance with the requirements of section 9.631 of the Revised Code at the time of the offense.

(5) The public officer did any of the following:

(a) In the case of a member of the legislative authority of the county, township, or municipal corporation, voted in favor of a resolution, ordinance, order, rule, or policy that caused the county, township, or municipal corporation or the law enforcement agency that serves the county, township, or municipal corporation not to comply with the requirements of section 9.631 of the Revised Code;

(b) Issued or adopted an order, rule, or policy that caused the county, township, or municipal corporation or the law enforcement agency that serves the county, township, or municipal corporation not to comply with the requirements of that section;

(c) Enforced or otherwise implemented a resolution, ordinance, order, rule, or policy that caused the county, township, or municipal corporation or the law enforcement agency that serves the county, township, or municipal corporation not to comply with the requirements of that section.

(B) A person who files a complaint under this section shall file the complaint in the court of common pleas of the county in which the public officer resides. The prosecuting attorney of the county shall prosecute the removal, except that if the prosecuting attorney is the subject of the complaint, the attorney general shall appoint a special prosecutor to prosecute the removal. The court shall hold a hearing on the complaint not later than thirty days after it is filed. Not later than ten days before the hearing, the court shall cause a copy of the complaint and a notice of the hearing to be served on the public officer and on the prosecutor. The court may suspend the officer pending the hearing.

(C)(1) A judge shall try the case, unless the public officer demands a jury trial under division (C)(2) of this section. If the judge determines that all of the elements described in division (A) of this section are true, the judge shall order that the public officer be removed from office and shall file a full, detailed statement of the reasons for the removal with the clerk of the court. The proceedings and the findings of the judge shall be matters of public record.

(2) If the public officer demands a jury trial, a jury composed of twelve persons who satisfy the qualifications of a juror specified in section 2313.17 of the Revised Code shall hear the case. If nine or more members of the jury find that all of the elements described in division (A) of this section are true, the jury shall return a finding for the removal of the public officer, the judge shall order that the public officer be removed from office, and the finding and order shall be filed with the clerk of the court and made a matter of public record. If less than nine members of the jury find that all of the elements described in division (A) of this section are true, the jury shall return a finding that the complaint be dismissed, and the judge shall order that the complaint be dismissed.

(D)(1) The court of appeals may review the decision of the court of common pleas on appeal on questions of law. Not later than twenty days after the court of common pleas enters its decision, a party who seeks to appeal the decision shall request a hearing in the court of appeals in order to show good cause why the court of appeals should grant leave to appeal. The court of appeals shall hold the hearing not later than ten days after the hearing is requested and shall notify the public officer and the prosecutor of the hearing. If the court of appeals refuses to grant leave to appeal, the decision shall be final.

(2) If the court of appeals grants leave to appeal, the appellant shall file the transcript of the record and the notice of appeal in the court of appeals not later than ten days after the court of appeals grants leave to appeal. The court of appeals shall hear the case not later than thirty days after the filing of the notice of appeal. The decision of the court of appeals in passing upon the merits of the case in the appellate proceedings shall be final.

(E) The court of common pleas and the court of appeals may subpoena witnesses and compel their attendance in the same manner as in civil cases. The sheriff of the county in which a witness resides shall serve process upon the witness. The witness fees and other fees in connection with the removal proceedings shall be the same as in civil cases, and the county shall pay the expenses incurred in the proceedings out of its general fund.

Sec. 9.634. (A) The general assembly finds that all of the following are true:

(1) Sanctuary policies that restrict, obstruct, or discourage

cooperation with federal immigration authorities are prohibited by such federal laws as Section 642 of the "Omnibus Consolidated Appropriations Act of 1996," 8 U.S.C. 1373, which states that "a Federal, State, or local government entity or official may not prohibit, or in any way restrict, any government entity or official from sending to, or receiving from, the Immigration and Naturalization Service information regarding the citizenship or immigration status, lawful or unlawful, of any individual."

(2) On January 25, 2017, the then President of the United States issued an executive order, "Enhancing Public Safety in the Interior of the United States," that addresses sanctuary jurisdictions. The order states that it is the policy of the executive branch of the federal government to ensure that Section 642 of the "Omnibus Consolidated Appropriations Act of 1996," 8 U.S.C. 1373, is enforced to the fullest extent of the law and that the United States Attorney General and Secretary of Homeland Security must ensure that jurisdictions that willfully refuse to comply with that law are ineligible for federal grants, except as the attorney general or the secretary deem necessary for law enforcement purposes.

(3) In *Arizona v. United States*, 567 U.S. 387 (2012), the Supreme Court of the United States ruled that the United States Congress has the exclusive authority to legislate on immigration matters, that states may not augment the penalties for violating federal immigration laws, that "consultation between federal and state officials is an important feature of the immigration system," and that "Congress has encouraged the sharing of information about possible immigration violations."

(B) The general assembly declares all of the following:

(1) Given the supremacy of all federal laws pertaining to immigration, including Section 274 of the "Immigration and Nationality Act," 8 U.S.C. 1324, as amended, which prohibits knowingly harboring persons who are unlawfully present in the United States, it is inappropriate and contrary to the public safety and welfare of this state for any public official to encourage, endorse, or otherwise support any public or private organization that seeks to offer so-called "sanctuary protection" to persons who are unlawfully present in the United States.

(2) Policies that direct state or local employees not to cooperate with federal immigration authorities or that protect persons who are unlawfully present in the United States are contrary to federal law, the interests of this state, and the safety and welfare of the people of this state.

(3) The provisions of this act are necessary to ensure consistency and fairness in the enforcement of the laws of this state.

(4) The subject of this act is a matter of statewide concern."

(a) The gross amount of all traffic camera fines collected by a local authority during the preceding fiscal year, as reported under division (B)(1) of this section, if such a report is required; plus

(b) The residual adjustment computed for the local authority under division (B)(4) of this section, if such an adjustment applies.

(7) "Local government fund payments" or "LGF payments" means the payments a local authority would receive under sections ~~5747.502~~5747.503, 5747.51, and 5747.53, and division (C) of section 5747.50 of the Revised Code, as applicable, if not for the reductions required by divisions (C) ~~and (D)~~, and (E) of this section.

(8) "Residual adjustment" means the most recent LGF adjustment computed for a local authority under division (B)(2) or (3) of this section minus the sum of the reductions applied after that computation under division (C) of this section to the local authority's LGF payments.

(10) "Qualifying village" has the same meaning as in section 5747.503 of the Revised Code.

(2) Annually, on or before the tenth day of August, the commissioner shall compute a local government fund adjustment for each local authority that files a report under division (B)(1) of this section or with respect to which a residual adjustment applies. Subject to ~~division-divisions~~ (B)(3) and (K) of this section, the LGF adjustment shall be used by the commissioner to determine the amount of the reductions required under division (C) of this section for each of the next twelve months, starting with the month in which the LGF adjustment is computed. After those twelve months, the LGF adjustment ceases to apply and, if an LGF adjustment continues to be required, the amount of the reductions required under division (C) of this section shall be determined based on an updated LGF adjustment computed under this division.

(3) Upon receipt of a report described by division (B)(1) of this section that is not timely filed, the commissioner shall do both of the following:

(a) If one or more payments to the local authority has been withheld under division (D) of this section because of the local authority's failure to file the report, notify the county auditor and county treasurer of the appropriate county that the report has been received and that, subject to ~~division-divisions~~ (C) and (F) of this section, payments to the local authority from the undivided local government fund are to resume.

(b) Compute the local authority's LGF adjustment using the information in the report. An LGF adjustment computed under this division shall be used by the commissioner to determine the amount of the reductions required under division (C) of this section starting with the next required reduction. The LGF adjustment ceases to apply on the thirty-first day of the ensuing July, following which, if an LGF adjustment continues to be required, the amount of the reductions required under division (C) of this section shall be determined based on an updated LGF adjustment computed under division (B)(2) of this section.

(4) Annually, on or before the tenth day of August, the commissioner shall compute a residual adjustment for each local authority whose LGF adjustment for the preceding year exceeds the amount by which the local authority's LGF payments were reduced during that year under division (C) of this section. The residual adjustment shall be used to compute the LGF adjustment for the ensuing year under division (B)(2) of this section.

(C) ~~The Subject to division (K) of this section,~~ the commissioner shall do the following, as applicable, respecting any local authority to which an LGF adjustment computed under division (B) of this section applies:

If one-twelfth of the LGF adjustment exceeds the amount of money the municipal corporation would otherwise receive under division (C) of section 5747.50 of the Revised Code, the commissioner also shall reduce payments to the appropriate county undivided local government fund under division (B) of section 5747.50 of the Revised Code by an amount equal to the lesser of (a) one-twelfth of the excess, or (b) the amount of the payment the municipal corporation would otherwise receive from the fund under section 5747.51 or 5747.53 of the Revised Code.

(2) If the local authority is a township or qualifying village, reduce the supplemental payments to the appropriate county undivided local government fund under section 5747.503 of the Revised Code by the lesser of one-twelfth of the LGF adjustment, or the amount of money the township or qualifying village would otherwise receive under that section. If one-twelfth of the LGF adjustment exceeds the amount of money the township or qualifying village would otherwise receive under section 5747.503 of the Revised Code, the commissioner also shall reduce payments to the appropriate county undivided local government fund under division (B) of section 5747.50 of the Revised Code by an amount equal to the lesser of (a) one-twelfth of the excess, or (b) the amount of the payment the township or qualifying village would otherwise receive from the fund under section 5747.51 or 5747.53 of the Revised Code.

(3) If the local authority is a county, reduce payments to the appropriate county undivided local government fund under division (B) of section 5747.50 of the Revised Code by an amount equal to the lesser of (a) one-twelfth of the LGF adjustment, or (b) the amount of the payment the county would otherwise receive from the fund under section 5747.51 or 5747.53 of the Revised Code.

(4) For any local authority, on or before the tenth day of each month a reduction is made under division (C)(1), (2), or (3) of this section, make a payment to the local authority in an amount equal to the lesser of (a) one-twelfth of the gross amount of traffic camera fines the local authority collected in the preceding fiscal year for violations that occurred within a school zone, as indicated on the report filed by the local authority pursuant to division (B)(1) of this section, or (b) the amount by which the local authority's LGF payments were reduced that month pursuant to division (C) (1), (2), or (3) of this section. Payments received by a local authority under this division shall be used by the local authority for school safety purposes.

(D) ~~Upon~~ Subject to division (K) of this section, upon discovery, based on information in the commissioner's possession, that a local authority required to file a report under division (B)(1) of this section has failed to do so, the commissioner shall do the following, as applicable:

(1) If the local authority is a municipal corporation with a population

of one thousand or more, cease providing for payments to the municipal corporation under section 5747.50 of the Revised Code beginning with the next required payment and until such time as the report is received by the commissioner;

(2) If the local authority is a township or qualifying village, reduce the supplemental payments to the appropriate county undivided local government fund under section 5747.503 of the Revised Code by an amount equal to the amount of such payments the local authority would otherwise receive under that section, beginning with the next required payment and until such time as the report is received by the commissioner;

(3) For any local authority, reduce payments to the appropriate county undivided local government fund under division (B) of section 5747.50 of the Revised Code by an amount equal to the amount of such payments the local authority would otherwise receive under section 5747.51 or 5747.53 of the Revised Code, beginning with the next required payment and until such time as the report is received by the commissioner;

(4) For any local authority, notify the county auditor and county treasurer that such payments are to cease until the commissioner notifies the auditor and treasurer under division (E) of this section that the payments are to resume.

(E) The commissioner shall notify the county auditor and county treasurer on or before the day the commissioner first reduces a county undivided local government fund payment to that county under division (C) of this section. The notice shall include the full amount of the reduction, a list of the local authorities to which the reduction applies, and the amount of reduction attributed to each such local authority. The commissioner shall send an updated notice to the county auditor and county treasurer any time the amount the reduction attributed to any local authority changes.

(F) Upon receiving notification from the director of public safety that a local authority is not in compliance with the requirements of section 9.631 of the Revised Code and, pursuant to section 9.632 of the Revised Code, is ineligible to receive local government fund payments, the commissioner shall do the following, as applicable:

(1) If the local authority is a municipal corporation with a population of one thousand or more, cease providing for payments to the municipal corporation under section 5747.50 of the Revised Code beginning with the next required payment and until such time as the director notifies the commissioner that the local authority is no longer ineligible to receive local government fund payments:

(2) If the local authority is a township or qualifying village, reduce the supplemental payments to the appropriate county undivided local government fund under section 5747.503 of the Revised Code by an amount

equal to the amount of such payments the local authority would otherwise receive under that section, beginning with the next required payment and until such time as the director notifies the commissioner that the local authority is no longer ineligible to receive local government fund payments;

(3) For any local authority, reduce payments to the appropriate county undivided local government fund under division (B) of section 5747.50 of the Revised Code by an amount equal to the amount of such payments the local authority would otherwise receive under section 5747.51 or 5747.53 of the Revised Code, beginning with the next required payment and until such time as the director notifies the commissioner that the local authority is no longer ineligible to receive local government fund payments;

(4) For any local authority, notify the county auditor and county treasurer that all local government fund payments to the local authority are to cease beginning with the next required payment and until the commissioner notifies the auditor and treasurer that the payments are to resume.

(G) If the commissioner, pursuant to division (F)(4) of this section, directs a county auditor and county treasurer to cease all local government fund payments to a local authority, the commissioner shall notify that county auditor and county treasurer when the local authority is no longer ineligible to receive local government fund payments under section 9.632 of the Revised Code and, subject to divisions (C) and (D) of this section, that payments to the local authority from the undivided local government fund are to resume.

(H) A county treasurer that receives a notice from the commissioner under ~~this division or~~ division (B)(3)(a) ~~or~~ (D)(4), (E), (F)(4), or (G) of this section shall reduce, cease, or resume payments from the undivided local government fund to the local authority that is the subject of the notice as specified by the commissioner in the notice. Unless otherwise specified in the notice, the payments shall be reduced, ceased, or resumed beginning with the next required payment.

(F)-(I) There is hereby created in the state treasury the Ohio highway and transportation safety fund. On or before the tenth day of each month, the commissioner shall deposit in the fund an amount equal to the total amount by which payments to local authorities were reduced or ceased under division (C) or (D) of this section minus the total amount of payments made under division (C)(4) of this section. The amount deposited with respect to a local authority shall be credited to an account to be created in the fund for the transportation district in which that local authority is located. If the local authority is located within more than one transportation district, the amount credited to the account of each such transportation district shall be prorated on the basis of the number of centerline miles of public roads and highways in both the local authority and the respective districts. Amounts credited to a

transportation district's account shall be used by the department of transportation and the district deputy director exclusively to enhance public safety on public roads and highways within that transportation district.

(J) On or before the tenth day of each month, the commissioner shall deposit amounts withheld from a local authority under divisions (F)(1), (2), and (3) of this section to the general revenue fund.

(K) If division (F) of this section and division (C) or (D) of this section apply at the same time to the same local authority, the commissioner shall proceed as described in divisions (F) and (J) and not under divisions (C), (D), and (I) of this section until division (F) of this section no longer applies."

(b) A unanimous quorum of the public body determines, by a roll call vote, that the executive session is necessary to protect the interests of the applicant or the possible investment or expenditure of public funds to be made in

connection with the economic development project.

If a public body holds an executive session to consider any of the matters listed in divisions (G)(2) to (8) of this section, the motion and vote to hold that executive session shall state which one or more of the approved matters listed in those divisions are to be considered at the executive session.

(I)(1) Any person may bring an action to enforce this section. An action under division (I)(1) of this section shall be brought within two years after the date of the alleged violation or threatened violation. Upon proof of a violation or threatened violation of this section in an action brought by any person, the court of common pleas shall issue an injunction to compel the members of the public body to comply with its provisions.

(2)(a) If the court of common pleas issues an injunction pursuant to division (I)(1) of this section, the court shall order the public body that it enjoins to pay a civil forfeiture of five hundred dollars to the party that sought the injunction and shall award to that party all court costs and, subject to reduction as described in division (I)(2) of this section, reasonable attorney's fees. The court, in its discretion, may reduce an award of attorney's fees to the party that sought the injunction or not award attorney's fees to that party if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of violation or threatened violation that was the basis of the injunction, a well-informed public body reasonably would believe that the public body was not violating or threatening to violate this section;

(ii) That a well-informed public body reasonably would believe that the conduct or threatened conduct that was the basis of the injunction would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(b) If the court of common pleas does not issue an injunction pursuant to division (I)(1) of this section and the court determines at that time that the

bringing of the action was frivolous conduct, as defined in division (A) of section 2323.51 of the Revised Code, the court shall award to the public body all court costs and reasonable attorney's fees, as determined by the court.

(3) Irreparable harm and prejudice to the party that sought the injunction shall be conclusively and irrebuttably presumed upon proof of a violation or threatened violation of this section.

(4) A member of a public body who knowingly violates an injunction issued pursuant to division (I)(1) of this section may be removed from office by an action brought in the court of common pleas for that purpose by the prosecuting attorney or the attorney general.

(J)(1) Pursuant to division (C) of section 5901.09 of the Revised Code, a veterans service commission shall hold an executive session for one or more of the following purposes unless an applicant requests a public hearing:

(2) A veterans service commission shall not exclude an applicant for, recipient of, or former recipient of financial assistance under sections 5901.01 to 5901.15 of the Revised Code, and shall not exclude representatives selected by the applicant, recipient, or former recipient, from a meeting that the commission conducts as an executive session that pertains to the applicant's, recipient's, or former recipient's application for financial assistance.

(3) A veterans service commission shall vote on the grant or denial of financial assistance under sections 5901.01 to 5901.15 of the Revised Code only in an open meeting of the commission. (C) In the case of recovery under division (B)(2)(a) or (b) of this section, the recovery mechanism payable by sale-for-resale or wholesale telecommunications customers shall provide for recovery limited to any

public way fee not included in established rates and prices for those customers and to the pro rata share of the public way fee applicable to the portion of the facilities that are sold, leased, or rented to the customers and are located in the public way. The recovery shall be in a nondiscriminatory and competitively neutral manner and prorated on a per-line or per-line equivalent basis among all retail, sale-for-resale, and wholesale telecommunications customers subject to the recovery.

(D)(1) Notwithstanding any other provision of law or any agreement establishing price caps, rate freezes, or rate increase moratoria, a public utility subject to the rate-making jurisdiction of the commission may file an application with the commission for, and the commission by order shall authorize, such accounting authority as may be reasonably necessary to classify any cost described in division (D)(2) of this section as a regulatory asset for the purpose of recovering that cost.

(2) A cost eligible for recovery under this division (D) of this section shall be only such cost as meets both of the following:

(a) The cost is directly incurred by the public utility as a result of local municipal corporation regulation of its occupancy or use of a public way or an appropriate allocation and assignment of costs related to implementation of this section, excluding any cost arising from a public way fee levied upon and payable by the public utility.

(b) The cost is incurred by the public utility both after January 1, 2002, and after the test year of the public utility's most recent rate proceeding or the initial effective date of rates in effect but not established through a proceeding for an increase in rates.

(3) If the commission determines, upon an application under division (D)(1) of this section or its own initiative, that classification of a cost described in division (D)(2) of this section as a regulatory asset is not practical or that deferred recovery of that cost would impose a hardship on the public utility or its customers, the commission shall establish a charge and collection mechanism to permit the public utility full recovery of that cost. A hardship shall be presumed for any public utility with less than fifteen thousand bundled sales service customers in this state and for any public utility for which the annualized aggregate amount of additional cost that otherwise may be eligible for such classification exceeds the greater of five hundred thousand dollars or fifteen per cent of the total costs that are described in division (D)(2)(a) of this section and were considered by the commission for the purpose of establishing rates in the public utility's most recent rate increase proceeding or the rate increase proceeding of the public utility's predecessor, whichever is later.

(E) Any application submitted to the commission under divisions (B) to (D) of

this section shall be processed by the commission as an application not for an increase in rates under section 4909.18 of the Revised Code. The application shall include such information as the commission reasonably requires. The commission shall conclude its consideration of the application and issue a final order not later than one hundred twenty days after the date that the application was submitted to the commission. A final order regarding a recovery mechanism authorized pursuant to this section shall provide for such retroactive adjustment as the commission determines appropriate.

(F) A public utility shall not be required to waive any rights under this section as a condition of occupancy or use of a public way.

(G) The commission may issue such rules as it considers necessary to carry out this section.

Sec. 5103.0310. (C) If, at the time of September 30, 2021, the institution or association has not obtained a report required under division (A) or (B) of this section for the person, subcontractor, intern, or volunteer, the institution or association shall obtain the report.

(D) The institution or association may refuse to employ the person or engage the subcontractor, intern, or volunteer based solely on the results of the search described in division (A)(1) or (B) of this section or the findings of the summary report described in division (B)(1)(a) of section 5103.18 of the Revised Code.

(E) Each voting member appointed to the board shall serve a term of three years, each term ending on the same day of the same month of the year as did the term which it succeeds. Each member shall hold office from the date of appointment until the end of the term for which the member was appointed. Vacancies shall be filled in the same manner as the original appointment. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of such term. Each member shall continue in office subsequent to the expiration date of the member's term until the member's successor takes office, or until a period of sixty days has elapsed, whichever occurs first. Members may be reappointed to an unlimited number of successive terms.

(F) Any voting member of the board may be removed by the member's appointing authority for misconduct, incompetency, or neglect of duty.

After line 6263, insert:

"Sec. 5709.73. (A) As used in this section and section 5709.74 of the Revised Code:

(1) "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined in section 1.14 of the Revised Code.

(2) "Further improvements" or "improvements" means the increase in the assessed value of real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of a resolution adopted under this section were it not for the exemption granted by that resolution. For purposes of division (B) of this section, "improvements" do not include any property used or to be used for residential purposes. For this purpose, "property that is used or to be used for residential purposes" means property that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the property as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code.

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Incentive district" has the same meaning as in section 5709.40 of the Revised Code, except that a blighted area is in the unincorporated area of a township.

(5) "Overlay" has the same meaning as in section 5709.40 of the Revised Code, except that the overlay is delineated by the board of township trustees.

(6) "Project" and "public infrastructure improvement" have the same meanings as in section 5709.40 of the Revised Code.

(7) "Urban township" has the same meaning as in section 504.01 of the Revised Code.

(8) "Nonperforming parcel" means a parcel to which all of the following apply:

(a) The parcel is exempted from taxation under division (B) of this section or has been included in a district created under division (C) of this section.

(b) The parcel's owner is required to make payments in lieu of taxes in accordance with section 5709.74 of the Revised Code.

(c) No such payments have been remitted to the county treasurer since the inception of the exemption or district.

(B) A board of township trustees may adopt a resolution that declares to be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. Except for a resolution adopted by the board of an urban township, the resolution shall be adopted by a unanimous vote of the board. Except as otherwise provided under division (D) of this section or section 5709.51 of the Revised Code, the resolution may exempt from real property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption.

(C)(1) A board of township trustees may adopt a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (C)(2) of this section, exempt from taxation as provided in this section. Except for a resolution adopted by the board of an urban township, the resolution shall be adopted by a unanimous vote of the board. A board of township trustees of a township that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, may not adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the township that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the township for the preceding tax year. The district shall be located within the unincorporated area of the township and shall not include any territory that is included within a district created under division (B) of section 5709.78 of the Revised Code. The resolution shall delineate the boundary of the proposed district and specifically identify each parcel within the district. A proposed district may not include any parcel, other than a nonperforming parcel, that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. On and after the effective date of the district, a nonperforming parcel within the district is no longer exempted from taxation under division (B) of this section or included within an incentive district under any previous resolution, and the parcel's owner is no longer required to make payments in lieu of taxes under such a previous resolution in accordance with section 5709.74 of the Revised Code. Any exemption application filed with the tax commissioner under section 5715.27 of the Revised Code under the second resolution shall identify the nonperforming parcels included in the second district, the original resolution under which the nonperforming parcels were originally exempted, and the value history of

each nonperforming parcel since the enactment of the original resolution. A resolution may create more than one such district, and more than one resolution may be adopted under division (C)(1) of this section.

(2)(a) Not later than thirty days prior to adopting a resolution under division (C)(1) of this section, if the township intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the board shall conduct a public hearing on the proposed resolution. Not later than thirty days prior to the public hearing, the board shall give notice of the public hearing and the proposed resolution by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed resolution. The notice shall include a map of the proposed incentive district on which the board of township trustees shall have delineated an overlay. The notice shall inform the property owner of the owner's right to exclude the owner's property from the incentive district if both of the following conditions are met:

- (i) The owner's entire parcel of property will not be located within the overlay.
- (ii) The owner has submitted a statement to the board of county commissioners of the county in which the parcel is located indicating the owner's intent to seek a tax exemption for improvements to the owner's parcel under division (A) or (B) of section 5709.78 of the Revised Code within the next five years.

When both of the preceding conditions are met, the owner may exclude the owner's property from the incentive district by submitting a written response in accordance with division (C)(2)(b) of this section. The notice also shall include information detailing the required contents of the response, the address to which the response may be mailed, and the deadline for submitting the response.

(b) Any owner of real property located within the boundaries of an incentive district proposed under division (C)(1) of this section who meets the conditions specified in divisions (C)(2)(a)(i) and (ii) of this section may exclude the property from the proposed incentive district by submitting a written response to the board not later than forty-five days after the postmark date on the notice required under division (C)(2)(a) of this section. The response shall include a copy of the statement submitted under division (C)(2)(a)(ii) of this section. The response shall be sent by first class mail or delivered in person at a public hearing held by the board under division (C)(2)(a) of this section. The response shall conform to any content requirements that may be established by the board and included in the notice provided under division (C)(2)(a) of this section. In the response, property owners may identify a parcel by street address, by the manner in which it is identified in

the resolution, or by other means allowing the identity of the parcel to be ascertained.

(c) Before adopting a resolution under division (C)(1) of this section, the board shall amend the resolution to exclude any parcel for which a written response has been submitted under division (C)(2)(b) of this section. A township shall not apply for exemptions from taxation under section 5709.911 of the Revised Code for any such parcel, and service payments may not be required from the owner of the parcel. Improvements to a parcel excluded from an incentive district under this division may be exempted from taxation under division (B) of this section pursuant to a resolution adopted under that division or under any other section of the Revised Code under which the parcel qualifies.

(3)(a) A resolution adopted under division (C)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The resolution also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the resolution. The project identified may, but need not be, the project under division (C)(3)(b) of this section that places real property in use for commercial or industrial purposes.

A resolution adopted under division (C)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and, except as provided in division (F) of this section, no service payment provided for in section 5709.74 of the Revised Code and received by the township under the resolution shall be used for police or fire equipment.

(b) A resolution adopted under division (C)(1) of this section may authorize the use of service payments provided for in section 5709.74 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the resolution also designates public infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The resolution shall designate the parcels within the district that are eligible for housing renovations. The resolution shall state separately the amount or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the purpose of housing renovations.

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (E) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five per cent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (D) of this section.

(D) Improvements with respect to a parcel may be exempted from taxation under division (B) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (C) of this section, for up to ten years or, with the approval of the board of education of the city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvements exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting a resolution under this section declaring improvements to be a public purpose that is subject to approval by a board of education under this division, the board of township trustees shall deliver to the board of education a notice stating its intent to adopt a resolution making that declaration. The notice regarding improvements with respect to a parcel under division (B) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The notice regarding improvements made under division (C) of this section to parcels within an incentive district shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the board of township trustees and the board of education negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the

eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvements in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation.

The board of education shall certify its resolution to the board of township trustees not later than fourteen days prior to the date the board of township trustees intends to adopt the resolution as indicated in the notice. If the board of education and the board of township trustees negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for the number of years specified in the resolution or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the resolution. In either case, if the board of education and the board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board of education fails to certify a resolution to the board of township trustees within the time prescribed by this section, the board of township trustees thereupon may adopt the resolution and may declare the improvements a public purpose for up to thirty years or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the resolution. The board of township trustees may adopt the resolution at any time after the board of education certifies its resolution approving the exemption to the board of township trustees, or, if the board of education approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board of education and the board of township trustees. If a mutually acceptable compensation agreement is negotiated between the board of township trustees and the board of education, including agreements for payments in lieu of taxes under section 5709.74 of the Revised Code, the board of township trustees shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (D) of this section. If a board of education has adopted a resolution allowing a board of township trustees to deliver the notice required under division (D) of this section fewer than forty-five business days prior to adoption of the resolution by the board of township trustees, the board of township trustees shall deliver the notice to the board of education not later

than the number of days prior to the adoption as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of township trustees. If the board of education rescinds the resolution, it shall certify notice of the rescission to the board of township trustees.

If the board of township trustees is not required by division (D) of this section to notify the board of education of the board of township trustees' intent to declare improvements to be a public purpose, the board of township trustees shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt the resolution making that declaration, unless the board of education has adopted a resolution under that section waiving its right to receive the notice.

Nothing in this division prohibits the board of township trustees from amending the resolution under section 5709.51 of the Revised Code to extend the term of the exemption.

(E)(1) If a proposed resolution under division (C)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of township trustees shall deliver to the board of county commissioners of the county within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The notice shall include a copy of the proposed resolution, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the board of township trustees intends to adopt the resolution.

(2) The board of county commissioners, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of county commissioners objects, the board may negotiate a mutually acceptable compensation agreement with the board of township trustees. In no case shall the compensation provided to the board of county commissioners exceed the property taxes foregone due to the exemption. If the board of county commissioners objects, and the board of county commissioners and board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution adopted under division (C)(1) of this section shall provide to the board of county commissioners compensation in the eleventh

and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the county or, if the board of county commissioner's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the county, on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of county commissioners shall certify its resolution to the board of township trustees not later than thirty days after receipt of the notice.

(3) If the board of county commissioners does not object or fails to certify its resolution objecting to an exemption within thirty days after receipt of the notice, the board of township trustees may adopt its resolution, and no compensation shall be provided to the board of county commissioners. If the board of county commissioners timely certifies its resolution objecting to the trustees' resolution, the board of township trustees may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees, or, if no compensation agreement is negotiated, at any time after the board of township trustees agrees in the proposed resolution to provide compensation to the board of county commissioners of fifty per cent of the taxes that would be payable to the county in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(F) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to a resolution creating an incentive district under division (C)(1) of this section that is adopted on or after January 1, 2006, or a later date as specified in this division, shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.74 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (C) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 or 5705.222 of the Revised Code for community developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or families;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program;

(13) A tax levied by a township under section 505.39, 505.51, or division (I), (J), (U), or (JJ) of section 5705.19 of the Revised Code for the purpose of funding fire, police, emergency medical, or ambulance services as described in those sections. Division (F)(13) of this section applies only to incentive districts created by a resolution adopted on or after March 22, 2019, the effective date of the amendment of this section by H.B. 500 of the 132nd general assembly, and only if that resolution specifies that division (F) of this section shall apply to such a tax.

(G) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with

the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the resolution. In lieu of stating a specific year, the resolution may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the resolution. With respect to the exemption of improvements to parcels under division (B) of this section, the resolution may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division and section 5709.51 of the Revised Code, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the public infrastructure improvements and housing renovations are paid in full from the township public improvement tax increment equivalent fund established under section 5709.75 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the resolution, if the board of township trustees and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement and the board of education has approved the term of the exemption under division (D) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. The board of township trustees may, by majority vote, adopt a resolution permitting the township to enter into such agreements as the board finds necessary or appropriate to provide for the construction or undertaking of public infrastructure improvements and housing renovations. Any exemption shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions. If an exemption status changes during a tax year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) The board of township trustees may issue the notes of the township to finance all costs pertaining to the construction or undertaking of public infrastructure improvements and housing renovations made pursuant to this section. The notes shall be signed by the board and attested by the signature of the township fiscal officer, shall bear interest not to exceed the rate provided in section 9.95 of the Revised Code, and are not subject to Chapter 133. of the Revised Code. The resolution authorizing the issuance of the notes shall pledge the funds of the township public improvement tax increment equivalent fund established pursuant to section 5709.75 of the Revised Code

to pay the interest on and principal of the notes. The notes, which may contain a clause permitting prepayment at the option of the board, shall be offered for sale on the open market or given to the vendor or contractor if no sale is made.

(I) The township, not later than fifteen days after the adoption of a resolution under this section, shall submit to the director of development a copy of the resolution. On or before the thirty-first day of March of each year, the township shall submit a status report to the director. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that the exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the fund created under section 5709.75 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with the expenditures; and a quantitative summary of changes in private investment resulting from each project.

(J) Nothing in this section shall be construed to prohibit a board of township trustees from declaring to be a public purpose improvements with respect to more than one parcel.

If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

(K) A board of township trustees that adopted a resolution under this section prior to July 21, 1994, may amend that resolution to include any additional public infrastructure improvement. A board of township trustees that seeks by the amendment to utilize money from its township public improvement tax increment equivalent fund for land acquisition in aid of industry, commerce, distribution, or research, demolition on private property, or stormwater and flood remediation projects may do so provided that the board currently is a party to a hold-harmless agreement with the board of education of the city, local, or exempted village school district within the territory of which are located the parcels that are subject to an exemption. For the purposes of this division, a "hold-harmless agreement" means an agreement under which the board of township trustees agrees to compensate the school district for one hundred per cent of the tax revenue that the school district would have received from further improvements to parcels designated in the resolution were it not for the exemption granted by the resolution.

(L)(L)(1) Notwithstanding the limitation prescribed by division (D) of this section on the number of years that improvements to a parcel or parcels may be exempted from taxation, and subject to division (L)(3) of this section, a

board of trustees of a township with a population of fifteen thousand or more may amend a resolution originally adopted under this section before December 31, 1994, to extend the exemption of improvements to the parcel or parcels included in such resolution for an additional period not to exceed fifteen years. The amendment shall not increase the percentage of improvements to the parcel or parcels exempted from taxation.

(2) Notwithstanding the limitations prescribed by divisions (C) and (D) of this section on the life of an incentive district and the number of years that improvements to a parcel or parcels within an incentive district may be exempted from taxation, and subject to division (L)(3) of this section, a board of township trustees may amend a resolution originally adopted under division (C) of this section before January 1, 2006, to extend the life of an incentive district created by that resolution. The extension shall be for a period not to exceed fifteen years and shall not increase the percentage of the value of improvements exempted from taxation.

(3) Before adopting an amendment authorized under this division (L)(1) or (2) of this section, the board of township trustees shall provide notice of the amendment to each board of education of the city, local, or exempted village school district in which the exempted parcels or incentive district are located, in the same manner as provided under division (D) of this section, and shall obtain the approval of each such board of education of the city, local, or exempted village school district within which the exempted parcels are located in the manner required under that division (D) of this section, except that (1)(a) the board of education may approve the exemption on the condition that the board of township trustees and the board of education negotiate an agreement providing for compensation to the school district equal in value to the amount of taxes the district forgoes in each year the exemption is extended pursuant to this division or any other mutually agreeable compensation and (2)(b) if the board of education fails to certify a resolution approving the amendment to the board of township trustees within the time prescribed by division (D) of this section, the board of township trustees shall not adopt the amendment authorized under this division.

No approval under this division (L)(3) of this section shall be required for an amendment authorized under division (L)(2) of this section if the amendment provides for compensation to the city, local, or exempted village school district in which the incentive district is located equal in value to the amount of taxes that would be payable to the school district if the improvements exempted from taxation had not been exempted for the additional period. Approval is also not required for an amendment authorized under either division (L)(1) or (2) of this section from a board of education that has adopted a resolution waiving its right to approve exemptions from taxation pursuant to division (D) of this section. If the board of education has adopted

such a resolution, the board of township trustees shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt an the amendment authorized under this division unless the board of education has adopted a resolution under that section waiving its right to receive the notice. Not later than fourteen days before adopting an amendment authorized under this division (L)(1) or (2) of this section, the board of township trustees shall deliver a notice identical to a notice required under section 5709.83 of the Revised Code to the board of county commissioners of each county in which the exempted parcels or incentive district are located.

Sec. 5713.30. As used in sections 5713.31 to 5713.37 and 5715.01 of the Revised Code:

(A) "Land devoted exclusively to agricultural use" means:

(1) Tracts, lots, or parcels of land totaling not less than ten acres to which, during the three calendar years prior to the year in which application is filed under section 5713.31 of the Revised Code, and through the last day of May of such year, one or more of the following apply:

(a) The tracts, lots, or parcels of land were devoted exclusively to commercial animal or poultry husbandry, aquaculture, algaculture meaning the farming of algae, apiculture, the cultivation of hemp by a person issued a hemp cultivation license under section 928.02 of the Revised Code, the production for a commercial purpose of timber, field crops, tobacco, fruits, vegetables, nursery stock, ornamental trees, sod, or flowers, or the growth of timber for a noncommercial purpose, if the land on which the timber is grown is contiguous to or part of a parcel of land under common ownership that is otherwise devoted exclusively to agricultural use.

(b) The tracts, lots, or parcels of land were devoted exclusively to biodiesel production, biomass energy production, electric or heat energy production, or biologically derived methane gas production if the land on which the production facility is located is contiguous to or part of a parcel of land under common ownership or leasehold that is otherwise devoted exclusively to agricultural use, provided that (i) at least fifty per cent of the feedstock used in the production is agricultural feedstock, (ii) at least twenty per cent of the agricultural feedstock used in the production is derived from parcels of land under common ownership or leasehold, and (iii) none of the feedstock used in the production consists of human waste. As used in this division, "agricultural feedstock" means manure and food waste, and "human waste" includes sludge as defined in section 6111.01 of the Revised Code.

(3) Tracts, lots, or parcels of land, or portions thereof that, during the previous three consecutive calendar years have been designated as land devoted exclusively to agricultural use, but such land has been lying idle or fallow for up to one year and no action has occurred to such land that is either inconsistent with the return of it to agricultural production or converts the land devoted exclusively to agricultural use as defined in this section. Such land shall remain designated as land devoted exclusively to agricultural use provided that beyond one year, but less than three years, the landowner proves good cause as determined by the board of revision.

(4) Tracts, lots, or parcels of land, or portions thereof that, during the previous three consecutive calendar years have been designated as land devoted exclusively to agricultural use, but such land has been lying idle or fallow because of dredged material being stored or deposited on such land pursuant to a contract between the land's owner and the department of natural resources or the United States army corps of engineers and no action has occurred to the land that is either inconsistent with the return of it to agricultural production or converts the land devoted exclusively to agricultural use. conservation practices.

Notwithstanding any other provision of law to the contrary, the existence of agritourism on a tract, lot, or parcel of land that otherwise meets the definition of "land devoted exclusively to agricultural use" as defined in this division does not disqualify that tract, lot, or parcel from valuation under sections 5713.30 to 5713.37 and 5715.01 of the Revised Code.

The construction or installation of an energy facility, as defined in section 5727.01 of the Revised Code, on a portion of a tract, lot, or parcel of land devoted exclusively to agricultural use shall not cause the remaining portion of the tract, lot, or parcel to be regarded as a conversion of land devoted exclusively to agricultural use if the remaining portion of the tract, lot, or parcel continues to be devoted exclusively to agricultural use.

(C) "Tax savings" means the difference between the dollar amount of real property taxes levied in any year on land valued and assessed in accordance with its current agricultural use value and the dollar amount of real property taxes that would have been levied upon such land if it had been valued and assessed for such year in accordance with Section 2 of Article XII, Ohio Constitution.

fee tail, or life estate or a buyer on a land installment contract.

(K) "Dredged material" means material that is excavated or dredged from waters of this state. "Dredged material" does not include material resulting from normal farming, silviculture, and ranching activities, such as plowing, cultivating, seeding, and harvesting, for production of food, fiber, and forest products.

(L) "Agritourism" has the same meaning as in section 901.80 of the Revised Code.

(M) "Eligible conservation land" means either of the following:

(1) A tract, lot, or parcel devoted to and qualified for payments or other compensation under a land retirement or conservation program under an agreement with an agency of the federal government;

Sec. 5713.31. (A) At any time after the first Monday in January and prior to the first Monday in March of any year, an owner of agricultural land may file an application with the county auditor of the county in which such land is located, requesting the auditor to value the land for real property tax purposes at the current value such land has for agricultural use, in accordance with section 5715.01 of the Revised Code and the rules adopted by the commissioner for the valuation of such land. An owner's first application with respect to the owner's land shall be in the form of an initial application. Each application filed in ensuing consecutive years after the initial application by that owner shall be in the form of a renewal application. The commissioner shall prescribe the form of the initial and the renewal application, but the renewal application shall require no more information than is necessary to establish the applicant's continued eligibility to have the applicant's land valued for agricultural use, for all lots, parcels, or tracts of land, or portions thereof, within a county, that have been valued at the current value of such land for agricultural use in the preceding tax year. If, on the first day of January of the tax year, any portion of the applicant's agricultural land is eligible conservation land or is used for a conservation practice or devoted to a land retirement or conservation program under an agreement with an agency of the federal government, the applicant shall so indicate on the initial or renewal application.

(B) On or before the second Tuesday after the first Monday in March, the auditor shall determine whether the current owner of any lot, parcel, or tract of land or portion thereof contained in the preceding tax year's agricultural land tax list failed to file an initial or renewal application, as appropriate, for the current tax year with respect to such lot, parcel, or tract or portion thereof. The auditor shall forthwith notify each owner who failed to file an application

that unless application is filed with the auditor prior to the first Monday of April of the current year, the land will be valued for real property tax purposes in the current tax year at its true value in money and that the recoupment required by sections 5713.34 and 5713.35 of the Revised Code will be placed on the current year's tax list and duplicate for collection. The auditor shall send that notice either by certified mail or, if the auditor has record of an internet identifier of record associated with the owner, by ordinary mail and by that internet identifier of record.

(C) Each initial application shall be accompanied by a fee of twenty-five dollars. Application fees shall be paid into the county treasury to the credit of the real estate assessment fund created under section 325.31 of the Revised Code.

(D) Upon receipt of an application and payment of the required fee the auditor shall determine whether the information contained therein is correct and the application complete.

(E) If the auditor determines the information is incorrect or the application is incomplete, the auditor shall return the application to the applicant with an enumeration of the items which are incorrect or incomplete. The auditor shall return the application or a copy of the application either by certified mail or, if the auditor has record of an internet identifier of record associated with the applicant, by ordinary mail and by that internet identifier of record. An applicant may file an amended application, without charge, within fifteen days of the receipt of the returned application.

(F) If the auditor determines the application or amended application is complete and the information therein is correct, the auditor shall, prior to the first Monday in August, view or cause to be viewed the land described in the application and determine whether the land is land devoted exclusively to agricultural use.

(G) If the auditor determines, which determination shall be made as of the first Monday of August, annually, that the land is land devoted exclusively to agricultural use, the auditor shall appraise it for real property tax purposes in accordance with section 5715.01 of the Revised Code and the rules adopted by the commissioner for the valuation of land devoted exclusively to agricultural use and such appraised value shall be the value used by the auditor in determining the taxable value of such land for the current tax year under section 5713.03 of the Revised Code and as shown on the general tax list compiled under section 319.28 of the Revised Code.

(H) The auditor shall enter on the real property record required under section 5713.03 of the Revised Code for the tract, lot, or parcel of land so appraised, in addition to the other information required to be recorded thereon, its value as land devoted exclusively to agricultural use based on the values determined

by the commissioner for each soil type present in the tract, lot, or parcel. Subject to division (A)(1) of section 5713.34 of the Revised Code, tracts, lots, or parcels of land or portions thereof that were eligible conservation land or were used for a conservation practice or devoted to a land retirement or conservation program under an agreement with an agency of the federal government on the first day of January of the tax year shall be valued at the lowest valued of all soil types listed in the commissioner's annual publication of the per-acre agricultural use values for each soil type in the state.

(I) As used in this section, "internet identifier of record" has the same meaning as in section 9.312 of the Revised Code.

Sec. 5713.34. (A)(1) Upon the conversion of all or any portion of a tract, lot, or parcel of land devoted exclusively to agricultural use a portion of the tax savings upon such converted land shall be recouped as provided for by Section 36, Article II, Ohio Constitution by levying a charge on such land in an amount equal to the amount of the tax savings on the converted land during the three tax years immediately preceding the year in which the conversion occurs. If the auditor discovers that agricultural land valued at the lowest valued soil type, pursuant to section 5713.31 of the Revised Code, because of its use for a conservation practice or devotion to a land retirement or conservation program designation as eligible conservation land ceases to be used or devoted to such purposes meet that criteria sooner than thirty-six months after the initial certification, the auditor shall levy a charge on such agricultural land in an amount equal to the reduction in taxes resulting from the land's valuation at the lowest valued soil type, rather than valuation at its actual soil type, in all preceding years the land was so valued, not to exceed the most recent three years. The charges levied under this section shall constitute a lien of the state upon such converted land as of the first day of January of the tax year in which the charge is levied and shall continue until discharged as provided by law.

(2) Upon the conversion of an adequately described portion of a tract, lot, or parcel of land, the county auditor shall divide any numbered permanent parcel into economic units and value each unit individually for the purpose of levying the charge under division (A)(1) of this section against only the converted portion.

(3) A charge shall not be levied under this section for the conversion of a portion of a tract, lot, or parcel of land devoted exclusively to agricultural use if the conversion is incident to the construction or installation of an energy facility, as defined in section 5727.01 of the Revised Code, and if the remaining portion of the tract, lot, or parcel continues to be devoted exclusively to agricultural use.

(B) Except as otherwise provided in division (C) or (D) of this section, a

public entity that acquires by any means and converts land devoted exclusively to agricultural use and a private entity granted the power of eminent domain that acquires by any means and converts land devoted exclusively to agricultural use shall pay the charge levied by division (A) of this section and shall not, directly or indirectly, transfer the charge to the person from whom the land is acquired. A person injured by a violation of this division may recover, in a civil action, any damages resulting from the violation.

If all or any portion of a tract, lot, or parcel of such land is later developed or otherwise converted to a purpose other than one of the purposes enumerated under division (E)(1) of this section, the charge levied by division (A)(1) of this section shall be levied against such developed or converted land as otherwise required by that division.

The county auditor of the county in which the land is located shall determine annually whether all or any portion of a tract, lot, or parcel of land formerly converted to a purpose enumerated under division (E)(1) of this section has been developed in such a way or converted to such a purpose as to require the charge levied by division (A)(1) of this section to be levied against the land so developed or converted.

(D) Division (B) of this section does not apply to a public entity that acquires by means other than eminent domain and converts land devoted exclusively to agricultural use to use for public, active or passive, outdoor education, recreation, or similar open space uses when either of the following conditions applies:

a park district created under Chapter 1545. of the Revised Code, the land is located outside the boundaries of any city, local, exempted village, or joint vocational school district that is wholly or partially located within the boundaries of the public entity that so acquired and converted the land.

(C) For the purpose of the proper administration of this chapter, and to prevent the evasion of the tax, it is presumed that all sales made in this state are subject to the tax until the contrary is established.

(D) The tax collected by the vendor from the consumer under this chapter is not part of the price, but is a tax collection for the benefit of the state, and of counties levying an additional sales tax pursuant to section 5739.021 or 5739.026 of the Revised Code and of transit authorities levying an additional sales tax pursuant to section 5739.023 of the Revised Code. Except for the discount authorized under section 5739.12 of the Revised Code and the effects of any rounding pursuant to section 5703.055 of the Revised Code, no person other than the state or such a county or transit authority shall derive any benefit from the collection or payment of the tax levied by this section or section 5739.021, 5739.023, or 5739.026 of the Revised Code.

Sec. 5739.03. (A) Except as provided in section 5739.05 or section 5739.051 of the Revised Code, the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code shall be paid by the consumer to the vendor, and each vendor shall collect from the consumer, as a trustee for the state of Ohio, the full and exact amount of the tax payable on each taxable sale, in the manner and at the times provided as follows:

(1) If the price is, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, paid in currency passed from hand to hand by the consumer or the consumer's agent to the vendor or the vendor's agent, the vendor or the vendor's agent shall collect the tax with and at the same time as the price;

(2) If the price is otherwise paid or to be paid, the vendor or the vendor's agent shall, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, charge the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code to the account of the consumer, which amount shall be collected by the vendor from the consumer in addition to the price. Such sale shall be reported on and the amount of the tax applicable thereto shall be remitted with the return for the period in which the sale is made, and the amount of the tax shall become a legal charge in favor of the vendor and against the consumer.

(B)(1)(a) If any sale is claimed to be exempt under division (E) of section

5739.01 of the Revised Code or under section 5739.02 of the Revised Code, with the exception of divisions (B)(1) to (11), (28), (48), (55), (59), or (66) of section 5739.02 of the Revised Code, the consumer must provide to the vendor, and the vendor must obtain from the consumer, a certificate specifying the reason that the sale is not legally subject to the tax. The certificate shall be in such form, and shall be provided either in a hard copy form or electronic form, as the tax commissioner prescribes.

(b) A vendor that obtains a fully completed exemption certificate from a consumer is relieved of liability for collecting and remitting tax on any sale covered by that certificate. If it is determined the exemption was improperly claimed, the consumer shall be liable for any tax due on that sale under section 5739.02, 5739.021, 5739.023, or 5739.026 or Chapter 5741. of the Revised Code. Relief under this division from liability does not apply to any of the following:

(i) A vendor that fraudulently fails to collect tax;

(ii) A vendor that solicits consumers to participate in the unlawful claim of an exemption;

(iii) A vendor that accepts an exemption certificate from a consumer that claims an exemption based on who purchases or who sells property or a service, when the subject of the transaction sought to be covered by the exemption certificate is actually received by the consumer at a location operated by the vendor in this state, and this state has posted to its web site an exemption certificate form that clearly and affirmatively indicates that the claimed exemption is not available in this state;

(iv) A vendor that accepts an exemption certificate from a consumer who claims a multiple points of use exemption under division (D) of section 5739.033 of the Revised Code, if the item purchased is tangible personal property, other than prewritten computer software.

(2) The vendor shall maintain records, including exemption certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(3) The tax commissioner may establish an identification system whereby the commissioner issues an identification number to a consumer that is exempt from payment of the tax. The consumer must present the number to the vendor, if any sale is claimed to be exempt as provided in this section.

(4) If no certificate is provided or obtained within ninety days after the date on which such sale is consummated, it shall be presumed that the tax applies. Failure to have so provided or obtained a certificate shall not preclude a vendor, within one hundred twenty days after the tax commissioner gives written notice of intent to levy an assessment, from either establishing that the

sale is not subject to the tax, or obtaining, in good faith, a fully completed exemption certificate.

(5) Certificates need not be obtained nor provided where the identity of the consumer is such that the transaction is never subject to the tax imposed or where the item of tangible personal property sold or the service provided is never subject to the tax imposed, regardless of use, or when the sale is in interstate commerce.

(6) If a transaction is claimed to be exempt under division (B)(13) of section 5739.02 of the Revised Code, the contractor shall obtain certification of the claimed exemption from the contractee. This certification shall be in addition to an exemption certificate provided by the contractor to the vendor. A contractee that provides a certification under this division shall be deemed to be the consumer of all items purchased by the contractor under the claim of exemption, if it is subsequently determined that the exemption is not properly claimed. The certification shall be in such form as the tax commissioner prescribes.

(7) If a transaction is claimed to be exempt under division (B)(13) of section 5739.02 of the Revised Code, the person that leases a sports facility, as defined in section 307.696 of the Revised Code, wholly owned by a county may provide and sign, on behalf of the county, an exemption certificate required under this section for that exemption.

(C) As used in this division, "contractee" means a person who seeks to enter or enters into a contract or agreement with a contractor or vendor for the construction of real property or for the sale and installation onto real property of tangible personal property.

Any contractor or vendor may request from any contractee a certification of what portion of the property to be transferred under such contract or agreement is to be incorporated into the realty and what portion will retain its status as tangible personal property after installation is completed. The contractor or vendor shall request the certification by certified mail delivered to the contractee, return receipt requested. Upon receipt of such request and prior to entering into the contract or agreement, the contractee shall provide to the contractor or vendor a certification sufficiently detailed to enable the contractor or vendor to ascertain the resulting classification of all materials purchased or fabricated by the contractor or vendor and transferred to the contractee. This requirement applies to a contractee regardless of whether the contractee holds a direct payment permit under section 5739.031 of the Revised Code or provides to the contractor or vendor an exemption certificate as provided under this section.

For the purposes of the taxes levied by this chapter and Chapter 5741. of the Revised Code, the contractor or vendor may in good faith rely on the

contractee's certification. Notwithstanding division (B) of section 5739.01 of the Revised Code, if the tax commissioner determines that certain property certified by the contractee as tangible personal property pursuant to this division is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the contractor or vendor shall be excused from any liability on those materials.

If a contractee fails to provide such certification upon the request of the contractor or vendor, the contractor or vendor shall comply with the provisions of this chapter and Chapter 5741. of the Revised Code without the certification. If the tax commissioner determines that such compliance has been performed in good faith and that certain property treated as tangible personal property by the contractor or vendor is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the construction contractor or vendor shall be excused from any liability on those materials.

This division does not apply to any contract or agreement where the tax commissioner determines as a fact that a certification under this division was made solely on the decision or advice of the contractor or vendor.

(D) Notwithstanding division (B) of section 5739.01 of the Revised Code, whenever the total rate of tax imposed under this chapter is increased after the date after a construction contract is entered into, the contractee shall reimburse the construction contractor for any additional tax paid on tangible property consumed or services received pursuant to the contract.

(E) A vendor who files a petition for reassessment contesting the assessment of tax on sales for which the vendor obtained no valid exemption certificates and for which the vendor failed to establish that the sales were properly not subject to the tax during the one-hundred-twenty-day period allowed under division (B) of this section, may present to the tax commissioner additional evidence to prove that the sales were properly subject to a claim of exception or exemption. The vendor shall file such evidence within ninety days of the receipt by the vendor of the notice of assessment, except that, upon application and for reasonable cause, the period for submitting such evidence shall be extended thirty days.

The commissioner shall consider such additional evidence in reaching the final determination on the assessment and petition for reassessment.

(F) Whenever a vendor refunds the price, minus any separately stated delivery charge, of an item of tangible personal property on which the tax imposed under this chapter has been paid, the vendor shall also refund the amount of tax paid, minus the amount of tax attributable to the delivery charge.

Sec. 5741.01. As used in this chapter:

(A) "Person" includes individuals, receivers, assignees, trustees in bankruptcy, estates, firms, partnerships, associations, joint-stock companies, joint ventures, clubs, societies, corporations, business trusts, governments, and combinations of individuals of any form.

(B) "Storage" means and includes any keeping or retention in this state for use or other consumption in this state.

(C) "Use" means and includes the exercise of any right or power incidental to the ownership of the thing used. A thing is also "used" in this state if its consumer gives or otherwise distributes it, without charge, to recipients in this state.

(D) "Purchase" means acquired or received for a consideration, whether such acquisition or receipt was effected by a transfer of title, or of possession, or of both, or a license to use or consume; whether such transfer was absolute or conditional, and by whatever means the transfer was effected; and whether the consideration was money, credit, barter, or exchange. Purchase includes production, even though the article produced was used, stored, or consumed by the producer. The transfer of copyrighted motion picture films for exhibition purposes is not a purchase, except such films as are used solely for advertising purposes.

(E) "Seller" means the person from whom a purchase is made, and includes every person engaged in this state or elsewhere in the business of selling tangible personal property or providing a service for storage, use, or other consumption or benefit in this state; and when, in the opinion of the tax commissioner, it is necessary for the efficient administration of this chapter, to regard any salesperson, representative, peddler, or canvasser as the agent of a dealer, distributor, supervisor, or employer under whom the person operates, or from whom the person obtains tangible personal property, sold by the person for storage, use, or other consumption in this state, irrespective of whether or not the person is making such sales on the person's own behalf, or on behalf of such dealer, distributor, supervisor, or employer, the commissioner may regard the person as such agent, and may regard such dealer, distributor, supervisor, or employer as the seller. A

Except as provided in sections 5741.071 and 5747.072 of the Revised Code, a marketplace facilitator shall be treated as the "seller" with respect to all sales facilitated by the marketplace facilitator on behalf of one or more marketplace sellers on and after the first day of the first month that begins at least thirty days after the marketplace facilitator first has substantial nexus with this state. Otherwise, "seller" does not include any person to the extent the person provides a communications medium, such as, but not limited to, newspapers, magazines, radio, television, or cable television, by means of which sellers

solicit purchases of their goods or services.

(F) "Consumer" means any person who has purchased tangible personal property or has been provided a service for storage, use, or other consumption or benefit in this state. "Consumer" does not include a person who receives, without charge, tangible personal property or a service.

A person who performs a facility management or similar service contract for a contractee is a consumer of all tangible personal property and services purchased for use in connection with the performance of such contract, regardless of whether title to any such property vests in the contractee. The purchase of such property and services is not subject to the exception for resale under division (E) of section 5739.01 of the Revised Code.

(G)(1) "Price," except as provided in divisions (G)(2) to (6) of this section, has the same meaning as in division (H)(1) of section 5739.01 of the Revised Code.

(2) In the case of watercraft, outboard motors, or new motor vehicles, "price" has the same meaning as in divisions (H)(2) and (3) of section 5739.01 of the Revised Code.

(3) In the case of a nonresident business consumer that purchases and uses tangible personal property outside this state and subsequently temporarily stores, uses, or otherwise consumes such tangible personal property in the conduct of business in this state, the consumer or the tax commissioner may determine the price based on the value of the temporary storage, use, or other consumption, in lieu of determining the price pursuant to division (G)(1) of this section. A price determination made by the consumer is subject to review and redetermination by the commissioner.

(4) In the case of tangible personal property held in this state as inventory for sale or lease, and that is temporarily stored, used, or otherwise consumed in a taxable manner, the price is the value of the temporary use. A price determination made by the consumer is subject to review and redetermination by the commissioner.

(5) In the case of tangible personal property originally purchased and used by the consumer outside this state, and that becomes permanently stored, used, or otherwise consumed in this state more than six months after its acquisition by the consumer, the consumer or the commissioner may determine the price based on the current value of such tangible personal property, in lieu of determining the price pursuant to division (G)(1) of this section. A price determination made by the consumer is subject to review and redetermination by the commissioner.

(6) If a consumer produces tangible personal property for sale and removes that property from inventory for the consumer's own use, the price is the

produced cost of that tangible personal property.

(H) "Nexus with this state" means that the seller engages in continuous and widespread solicitation of purchases from residents of this state or otherwise purposefully directs its business activities at residents of this state.

(I)(1) "Substantial nexus with this state" means that the seller has sufficient contact with this state, in accordance with Section 8 of Article I of the Constitution of the United States, to allow the state to require the seller to collect and remit use tax on sales of tangible personal property or services made to consumers in this state.

(2) "Substantial nexus with this state" is presumed to exist when the seller does any of the following:

(a) Uses an office, distribution facility, warehouse, storage facility, or similar place of business within this state, whether operated by the seller or any other person, other than a common carrier acting in its capacity as a common carrier.

(b) Regularly uses employees, agents, representatives, solicitors, installers, repairers, salespersons, or other persons in this state for the purpose of conducting the business of the seller or either to engage in a business with the same or a similar industry classification as the seller selling a similar product or line of products as the seller, or to use trademarks, service marks, or trade names in this state that are the same or substantially similar to those used by the seller.

(c) Uses any person, other than a common carrier acting in its capacity as a common carrier, in this state for any of the following purposes:

(i) Receiving or processing orders of the seller's goods or services;

(ii) Using that person's employees or facilities in this state to advertise, promote, or facilitate sales by the seller to customers;

(iii) Delivering, installing, assembling, or performing maintenance services for the seller's customers;

(iv) Facilitating the seller's delivery of tangible personal property to customers in this state by allowing the seller's customers to pick up property sold by the seller at an office, distribution facility, warehouse, storage facility, or similar place of business.

(d) Makes regular deliveries of tangible personal property into this state by means other than common carrier.

(e) Has an affiliated person that has substantial nexus with this state.

(f) Owns tangible personal property that is rented or leased to a consumer in

this state, or offers tangible personal property, on approval, to consumers in this state.

(g) Has gross receipts in excess of one hundred thousand dollars in the current or preceding calendar year from the sale of tangible personal property for storage, use, or consumption in this state or from providing services the benefit of which is realized in this state.

(h) Engages, in the current or preceding calendar year, in two hundred or more separate transactions selling tangible personal property for storage, use, or consumption in this state or providing services the benefit of which is realized in this state.

(3) A seller presumed to have substantial nexus with this state under divisions (I)(2)(a) to (f), (g), and (h) of this section may rebut that presumption by demonstrating that activities described in any of those divisions that are conducted by a person in this state on the seller's behalf are not significantly associated with the seller's ability to establish or maintain a market in this state for the seller's sales.

(4) A marketplace facilitator is presumed to have substantial nexus with this state if either of the following apply in the current or preceding calendar year:

(a) The aggregate gross receipts derived from sales of tangible personal property for storage, use, or consumption in this state or services the benefit of which is realized in this state, including sales made by the marketplace facilitator on its own behalf and sales facilitated by the marketplace facilitator on behalf of one or more marketplace sellers, exceed one hundred thousand dollars;

(b) The marketplace facilitator engages in on its own behalf, or facilitates on behalf of one or more marketplace sellers, two hundred or more separate transactions selling tangible personal property for storage, use, or consumption in this state or services the benefit of which is realized in this state.

(5) A seller that does not have substantial nexus with this state, and any affiliated person of the seller, before selling or leasing tangible personal property or services to a state agency, shall register with the tax commissioner in the same manner as a seller described in division (A)(1) of section 5741.17 of the Revised Code.

(6) As used in division (I) of this section:

(a) "Affiliated person" means any person that is a member of the same controlled group of corporations as the seller or any other person that, notwithstanding the form of organization, bears the same ownership relationship to the seller as a corporation that is a member of the same

controlled group of corporations.

(b) "Controlled group of corporations" has the same meaning as in section 1563(a) of the Internal Revenue Code.

(c) "State agency" has the same meaning as in section 1.60 of the Revised Code.

(J) "Fiscal officer" means, with respect to a regional transit authority, the secretary-treasurer thereof, and with respect to a county which is a transit authority, the fiscal officer of the county transit board appointed pursuant to section 306.03 of the Revised Code or, if the board of county commissioners operates the county transit system, the county auditor.

(K) "Territory of the transit authority" means all of the area included within the territorial boundaries of a transit authority as they from time to time exist. Such territorial boundaries must at all times include all the area of a single county or all the area of the most populous county which is a part of such transit authority. County population shall be measured by the most recent census taken by the United States census bureau.

(L) "Transit authority" means a regional transit authority created pursuant to section 306.31 of the Revised Code or a county in which a county transit system is created pursuant to section 306.01 of the Revised Code. For the purposes of this chapter, a transit authority must extend to at least the entire area of a single county. A transit authority which includes territory in more than one county must include all the area of the most populous county which is a part of such transit authority. County population shall be measured by the most recent census taken by the United States census bureau.

(M) "Providing a service" has the same meaning as in section 5739.01 of the Revised Code.

(Q) "Marketplace facilitator" means a person that owns, operates, or controls a physical or electronic marketplace through which retail sales or delivery network services, or both, are facilitated on behalf of one or more marketplace sellers, or an affiliate of such a person. "Marketplace facilitator" does not include a person that provides advertising services, including tangible personal property or services listed for sale, if the advertising service platform or forum does not engage directly or indirectly through one or more affiliated persons in the activities described in division (T)(2) of this section.

(R) "Marketplace seller" means a person on behalf of which a marketplace facilitator facilitates the sale of tangible personal property for storage, use, or consumption in this state or services the benefit of which are realized in this state, regardless of whether or not the person has a substantial nexus with this state.

(S) "Electronic marketplace" includes digital distribution services, digital distribution platforms, online portals, application stores, computer software applications, in-app purchase mechanisms, or other digital products.

(T) A sale is "facilitated" by a marketplace facilitator on behalf of a marketplace seller if it satisfies divisions (T)(1), (2), and (3) of this section:

(1) The marketplace facilitator, directly or indirectly, does any of the following:

(a) Lists, makes available, or advertises the tangible personal property or services that are the subject of the sale in a physical or electronic marketplace owned, operated, or controlled by the marketplace facilitator;

(b) Transmits or otherwise communicates an offer or acceptance of the sale between the marketplace seller and the purchaser in a shop, store, booth, catalog, internet site, or other similar forum;

(d) Provides virtual currency that consumers are allowed or required to use to purchase the tangible personal property or services that are the subject of the sale.

(3) The subject of the sale is tangible personal property or services other than lodging by a hotel that is or is to be furnished to transient guests.

(U) "Delivery network company," "delivery network services," and "local merchant" have the same meanings as in section 5739.01 of the Revised Code.

Sec. 5741.072. (A) If all of the following conditions are met, a delivery network company that facilitates delivery network services may request a waiver from the requirement in division (E) of section 5741.01 of the Revised Code that a marketplace facilitator be treated as the seller of goods sold by marketplace sellers through the marketplace facilitator:

(1) The delivery network company is current on all taxes, fees, and charges administered by the department of taxation that are not subject to a bona fide dispute.

(2) The delivery network company has not, within the twelve months preceding the request for waiver, requested that a previously granted waiver be canceled or had a previously granted waiver revoked by the commissioner.

(3) The delivery network company has not violated division (B) of section 5739.30 of the Revised Code.

A waiver granted under this section does not affect the delivery network company's status as the seller of its delivery network services.

(B) A delivery network company that requests a waiver pursuant to this section shall make the request to the tax commissioner on a form prescribed by the commissioner. A waiver that is not affirmatively granted or denied by the commissioner within thirty days of the date it was filed with the commissioner is automatically granted. A waiver that is granted by the

commissioner or granted automatically is effective on and after the first day of the first month that begins at least thirty days after the commissioner grants the waiver or the waiver is automatically granted. The waiver is valid until the first day of the first month that begins at least sixty days after it is revoked by the commissioner or canceled by the delivery network company.

(C)(1) When a waiver is granted pursuant to division (B) of this section, the commissioner shall notify the delivery network company, which shall then notify each local merchant operating on the delivery network company's physical or electronic marketplace that the local merchant shall be considered a vendor pursuant to division (C) of section 5739.01 of the Revised Code or a seller pursuant to division (E) of section 5741.01 of the Revised Code, as applicable, with respect to the local products sold by the seller through the delivery network company's physical or electronic marketplace.

(2) A delivery network company that has been granted a waiver under this section may cancel the waiver by sending notice to the commissioner. The commissioner may revoke a waiver if the commissioner determines that any of the conditions described in divisions (A)(1) to (3) of this section are no longer met by the delivery network company. The commissioner shall notify the delivery network company upon revoking a waiver. A delivery network for which a waiver has been canceled or revoked shall promptly notify each local merchant operating on the delivery network company's physical or electronic marketplace that its waiver has been canceled or revoked.

(D) Notwithstanding section 5703.21 of the Revised Code, the commissioner may divulge information related to the status of a waiver granted to a delivery network company if requested by a local merchant operating on the delivery network company's physical or electronic marketplace.

(E) The commissioner may adopt any rules necessary to administer this section.

The refundable credits for taxes paid by a qualifying pass-through entity granted under division (I) of section 5747.08 of the Revised Code;

The refundable credit under section 5747.80 of the Revised Code for losses on loans made to the Ohio venture capital program under sections 150.01 to 150.10 of the Revised Code;

The refundable credit for rehabilitating a historic building under section 5747.76 of the Revised Code;

The refundable credit under section 5747.39 of the Revised Code for taxes levied under section 5747.38 of the Revised Code paid by an electing pass-through entity.

(B) For any credit, except the refundable credits enumerated in this section and the credit granted under division (H) of section 5747.08 of the Revised Code, the amount of the credit for a taxable year shall not exceed the taxpayer's aggregate amount of tax due under section 5747.02 of the Revised Code, after allowing for any other credit that precedes it in the order required under this section. Any excess amount of a particular credit may be carried forward if authorized under the section creating that credit. Nothing in this chapter shall be construed to allow a taxpayer to claim, directly or indirectly, a credit more than once for a taxable year.

Sec. 5751.033. For the purposes of this chapter, gross receipts shall be situated to this state as follows:

(A) Gross rents and royalties from real property located in this state shall be situated to this state.

(B) Gross rents and royalties from tangible personal property shall be situated to this state to the extent the tangible personal property is located or used in this state.

(C) Gross receipts from the sale of electricity and electric transmission and distribution services shall be situated to this state in the manner provided under section 5733.059 of the Revised Code.

(D) Gross receipts from the sale of real property located in this state shall be situated to this state.

(E) Gross Except as otherwise provided in division (M) of this section, gross

receipts from the sale of tangible personal property shall be situated to this state if the property is received in this state by the purchaser. In the case of delivery of tangible personal property by motor carrier or by other means of transportation, the place at which such property is ultimately received after all transportation has been completed shall be considered the place where the purchaser receives the property. For purposes of this section, the phrase "delivery of tangible personal property by motor carrier or by other means of transportation" includes the situation in which a purchaser accepts the property in this state and then transports the property directly or by other means to a location outside this state. Direct delivery in this state, other than for purposes of transportation, to a person or firm designated by a purchaser constitutes delivery to the purchaser in this state, and direct delivery outside this state to a person or firm designated by a purchaser does not constitute delivery to the purchaser in this state, regardless of where title passes or other conditions of sale.

(F) Gross receipts from the sale, exchange, disposition, or other grant of the right to use trademarks, trade names, patents, copyrights, and similar intellectual property shall be situated to this state to the extent that the receipts are based on the amount of use of the property in this state. If the receipts are not based on the amount of use of the property, but rather on the right to use the property, and the payor has the right to use the property in this state, then the receipts from the sale, exchange, disposition, or other grant of the right to use such property shall be situated to this state to the extent the receipts are based on the right to use the property in this state.

(G) Gross receipts from the sale of transportation services by a motor carrier shall be situated to this state in proportion to the mileage traveled by the carrier during the tax period on roadways, waterways, airways, and railways in this state to the mileage traveled by the carrier during the tax period on roadways, waterways, airways, and railways everywhere. With prior written approval of the tax commissioner, a motor carrier may use an alternative situsing procedure for transportation services.

(H) Gross receipts from dividends, interest, and other sources of income from financial instruments described in divisions (F)(4), (5), (6), (7), (8), (9), (10), (11), and (13) of section 5733.056 of the Revised Code shall be situated to this state in accordance with the situsing provisions set forth in those divisions. When applying the provisions of divisions (F)(6), (8), and (13) of section 5733.056 of the Revised Code, "gross receipts" shall be substituted for "net gains" wherever "net gains" appears in those divisions. Nothing in this division limits or modifies the exclusions enumerated in divisions (E) and (F) (2) of section 5751.01 of the Revised Code. The tax commissioner may promulgate rules to further specify the manner in which to situs gross receipts subject to this division.

(I) Gross receipts from the sale of all other services, and all other gross receipts not otherwise situated under this section, shall be situated to this state in the proportion that the purchaser's benefit in this state with respect to what was purchased bears to the purchaser's benefit everywhere with respect to what was purchased. The physical location where the purchaser ultimately uses or receives the benefit of what was purchased shall be paramount in determining the proportion of the benefit in this state to the benefit everywhere. If a taxpayer's records do not allow the taxpayer to determine that location, the taxpayer may use an alternative method to situs gross receipts under this division if the alternative method is reasonable, is consistently and uniformly applied, and is supported by the taxpayer's records as the records exist when the service is provided or within a reasonable period of time thereafter.

(J) If the siting provisions of divisions (A) to (H) of this section do not fairly represent the extent of a person's activity in this state, the person may request, or the tax commissioner may require or permit, an alternative method. Such request by a person must be made within the applicable statute of limitations set forth in this chapter.

(K) The tax commissioner may adopt rules to provide additional guidance to the application of this section, and provide alternative methods of siting gross receipts that apply to all persons, or subset of persons, that are engaged in similar business or trade activities.

(L) As used in this section, "motor carrier" has the same meaning as in section 4923.01 of the Revised Code.

(M) Gross receipts from the sale or lease of a motor vehicle, as defined in section 4517.01 of the Revised Code, by a motor vehicle dealer licensed under Chapter 4517. of the Revised Code or the law of another state, shall only be situated to this state if the motor vehicle is issued a certificate of title evidencing the owner's or lessee's address in this state."
