shall enter the resulting DNA record into a DNA database. If the 444
DNA analysis is performed by a laboratory under contract with 445
the bureau, the laboratory shall forward the biological evidence 446
to the bureau immediately after the laboratory performs the DNA 447
analysis. A crime laboratory shall perform a DNA analysis of the 448
contents of any sexual assault examination kit forwarded to the 449
crime laboratory pursuant to division (B) (2) (a) or (b) of this 450

the contents of the kit and shall enter the resulting DNA record 452
into a DNA database subject to the applicable DNA index system 453
standards. 454

(ii) Upon the completion of the DNA analysis by the bureau 455

enforcement agency shall secure the contents of the sexual 459
assault examination kit in accordance with division (B) (1) of 460

(e) The failure of any law enforcement agency to comply 462
with any time limit specified in this section shall not create, 463
and shall not be construed as creating, any basis or right to 464
appeal, claim for or right to postconviction relief, or claim 465
for or right to a new trial or any other claim or right to 466
relief by any person. 467

(3) This section applies to sexual assault examination 468

2907.02 of the Revised Code. 481

(4) A governmental evidence-retention entity that 482
possesses biological evidence shall retain the biological 483
evidence in the amount and manner sufficient to develop a DNA 484

governmental evidence-retention entity receives a written 540
request for retention of the evidence from any person to whom 541

harmonized if reasonably capable of simultaneous operation, 592
finds that the composite is the resulting version of the section 593
in effect prior to the effective date of the section as 594
presented in this act. 595
