BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 1751.85, 1753.09, 3901.21, 3923.86, 3963.01, 3963.02, 3963.03, and 4715.30 of the Revised Code be amended to read as follows:

(2) For dental care coverage, include the following statement:

"IMPORTANT: If you opt to receive dental care services that are not covered benefits under this plan, a participating dental care provider may charge you his or her normal fee for such services. The explanation shall be communicated in a manner and format similar to how the health

insuring corporation provides an enrollee with information on coverage levels and out-of-pocket expenses that may be incurred by the enrollee under the policy, contract, or agreement when purchasing out-of-network vision care services ~~or~~, vision care materials, or dental care services.

(C) A pattern of continuous or repeated violations of this section is an unfair and deceptive act or practice in the business of insurance under sections 3901.19 to 3901.26 of the Revised Code.

Sec. 1753.09. (A) Except as provided in division (D) of this section, prior to terminating the participation of a provider on the basis of the participating provider's failure to meet the health insuring corporation's standards for quality or utilization in the delivery of health care services, a health insuring corporation shall give the participating provider notice of the reason or reasons for its decision to terminate the provider's participation and an opportunity to take corrective action. The health insuring corporation shall develop a performance improvement plan in conjunction with the participating provider. If after being afforded the opportunity to comply with the performance improvement plan, the participating provider fails to do so, the health insuring corporation may terminate the participation of the provider.

(B)(1) A participating provider whose participation has been terminated under division (A) of this section may appeal the termination to the appropriate medical director of the health insuring corporation. The medical director shall give the participating provider an opportunity to discuss with the medical director the reason or reasons for the termination.

(2) If a satisfactory resolution of a participating

provider's appeal cannot be reached under division (B)(1) of this section, the participating provider may appeal the termination to a panel composed of participating providers who have comparable or higher levels of education and training than the participating provider making the appeal. A representative of the participating provider's specialty shall be a member of the panel, if possible. This panel shall hold a hearing, and shall render its recommendation in the appeal within thirty days after holding the hearing. The recommendation shall be presented to the medical director and to the participating provider.

(3) The medical director shall review and consider the panel's recommendation before making a decision. The decision rendered by the medical director shall be final.

(C) A provider's status as a participating provider shall remain in effect during the appeal process set forth in division (B) of this section unless the termination was based on any of the reasons listed in division (D) of this section.

(D) Notwithstanding division (A) of this section, a provider's participation may be immediately terminated if the participating provider's conduct presents an imminent risk of harm to an enrollee or enrollees; or if there has occurred unacceptable quality of care, fraud, patient abuse, loss of clinical privileges, loss of professional liability coverage, incompetence, or loss of authority to practice in the participating provider's field; or if a governmental action has impaired the participating provider's ability to practice.

(E) Divisions (A) to (D) of this section apply only to providers who are natural persons.

(F)(1) Nothing in this section prohibits a health insuring

corporation from rejecting a provider's application for participation, or from terminating a participating provider's contract, if the health insuring corporation determines that the health care needs of its enrollees are being met and no need exists for the provider's or participating provider's services.

(2) Nothing in this section shall be construed as prohibiting a health insuring corporation from terminating a participating provider who does not meet the terms and conditions of the participating provider's contract.

(3) Nothing in this section shall be construed as prohibiting a health insuring corporation from terminating a participating provider's contract pursuant to any provision of the contract described in division ~~(F)(2)~~ (G)(2) of section 3963.02 of the Revised Code, except that, notwithstanding any provision of a contract described in that division, this section applies to the termination of a participating provider's contract for any of the causes described in divisions (A), (D), and (F)(1) and (2) of this section.

(G) The superintendent of insurance may adopt rules as necessary to implement and enforce sections 1753.06, 1753.07, and 1753.09 of the Revised Code. Such rules shall be adopted in accordance with Chapter 119. of the Revised Code.

Sec. 3901.21. The following are hereby defined as unfair and deceptive acts or practices in the business of insurance:

(A) Making, issuing, circulating, or causing or permitting to be made, issued, or circulated, or preparing with intent to so use, any estimate, illustration, circular, or statement misrepresenting the terms of any policy issued or to be issued or the benefits or advantages promised thereby or the dividends

or share of the surplus to be received thereon, or making any false or misleading statements as to the dividends or share of surplus previously paid on similar policies, or making any misleading representation or any misrepresentation as to the financial condition of any insurer as shown by the last preceding verified statement made by it to the insurance department of this state, or as to the legal reserve system upon which any life insurer operates, or using any name or title of any policy or class of policies misrepresenting the true nature thereof, or making any misrepresentation or incomplete comparison to any person for the purpose of inducing or tending to induce such person to purchase, amend, lapse, forfeit, change, or surrender insurance.

Any written statement concerning the premiums for a policy which refers to the net cost after credit for an assumed dividend, without an accurate written statement of the gross premiums, cash values, and dividends based on the insurer's current dividend scale, which are used to compute the net cost for such policy, and a prominent warning that the rate of dividend is not guaranteed, is a misrepresentation for the purposes of this division.

(B) Making, publishing, disseminating, circulating, or placing before the public or causing, directly or indirectly, to be made, published, disseminated, circulated, or placed before the public, in a newspaper, magazine, or other publication, or in the form of a notice, circular, pamphlet, letter, or poster, or over any radio station, or in any other way, or preparing with intent to so use, an advertisement, announcement, or statement containing any assertion, representation, or statement, with respect to the business of insurance or with respect to any person in the conduct of the person's insurance

business, which is untrue, deceptive, or misleading.

(C) Making, publishing, disseminating, or circulating, directly or indirectly, or aiding, abetting, or encouraging the making, publishing, disseminating, or circulating, or preparing with intent to so use, any statement, pamphlet, circular, article, or literature, which is false as to the financial condition of an insurer and which is calculated to injure any person engaged in the business of insurance.

(D) Filing with any supervisory or other public official, or making, publishing, disseminating, circulating, or delivering to any person, or placing before the public, or causing directly or indirectly to be made, published, disseminated, circulated, delivered to any person, or placed before the public, any false statement of financial condition of an insurer.

Making any false entry in any book, report, or statement of any insurer with intent to deceive any agent or examiner lawfully appointed to examine into its condition or into any of its affairs, or any public official to whom such insurer is required by law to report, or who has authority by law to examine into its condition or into any of its affairs, or, with like intent, willfully omitting to make a true entry of any material fact pertaining to the business of such insurer in any book, report, or statement of such insurer, or mutilating, destroying, suppressing, withholding, or concealing any of its records.

(E) Issuing or delivering or permitting agents, officers, or employees to issue or deliver agency company stock or other capital stock or benefit certificates or shares in any common-law corporation or securities or any special or advisory board contracts or other contracts of any kind promising returns and

profits as an inducement to insurance.

(F) Except as provided in section 3901.213 of the Revised Code, making or permitting any unfair discrimination among individuals of the same class and equal expectation of life in the rates charged for any contract of life insurance or of life annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such contract.

(G)(1) Except as otherwise expressly provided by law, including as provided in section 3901.213 of the Revised Code, knowingly permitting or offering to make or making any contract of life insurance, life annuity or accident and health insurance, or agreement as to such contract other than as plainly expressed in the contract issued thereon, or paying or allowing, or giving or offering to pay, allow, or give, directly or indirectly, as inducement to such insurance, or annuity, any rebate of premiums payable on the contract, or any special favor or advantage in the dividends or other benefits thereon, or any valuable consideration or inducement whatever not specified in the contract; or giving, or selling, or purchasing, or offering to give, sell, or purchase, as inducement to such insurance or annuity or in connection therewith, any stocks, bonds, or other securities, or other obligations of any insurance company or other corporation, association, or partnership, or any dividends or profits accrued thereon, or anything of value whatsoever not specified in the contract.

(2) An insurer, producer, or representative of either shall not offer or provide insurance as an inducement to the purchase of another policy of insurance and shall not use the words "free" or "no cost," or words of similar import, to such effect in an advertisement.

(H) Making, issuing, circulating, or causing or permitting to be made, issued, or circulated, or preparing with intent to so use, any statement to the effect that a policy of life insurance is, is the equivalent of, or represents shares of capital stock or any rights or options to subscribe for or otherwise acquire any such shares in the life insurance company issuing that policy or any other company.

(I) Making, issuing, circulating, or causing or permitting to be made, issued or circulated, or preparing with intent to so issue, any statement to the effect that payments to a policyholder of the principal amounts of a pure endowment are other than payments of a specific benefit for which specific premiums have been paid.

(J) Making, issuing, circulating, or causing or permitting to be made, issued, or circulated, or preparing with intent to so use, any statement to the effect that any insurance company was required to change a policy form or related material to comply with Title XXXIX of the Revised Code or any regulation of the superintendent of insurance, for the purpose of inducing or intending to induce any policyholder or prospective policyholder to purchase, amend, lapse, forfeit, change, or surrender insurance.

(K) Aiding or abetting another to violate this section.

(L) Refusing to issue any policy of insurance, or canceling or declining to renew such policy because of the sex or marital status of the applicant, prospective insured, insured, or policyholder.

(M) Making or permitting any unfair discrimination between individuals of the same class and of essentially the same hazard

in the amount of premium, policy fees, or rates charged for any policy or contract of insurance, other than life insurance, or in the benefits payable thereunder, or in underwriting standards and practices or eligibility requirements, or in any of the terms or conditions of such contract, or in any other manner whatever.

(N) Refusing to make available disability income insurance solely because the applicant's principal occupation is that of managing a household.

(O) Refusing, when offering maternity benefits under any individual or group sickness and accident insurance policy, to make maternity benefits available to the policyholder for the individual or individuals to be covered under any comparable policy to be issued for delivery in this state, including family members if the policy otherwise provides coverage for family members. Nothing in this division shall be construed to prohibit an insurer from imposing a reasonable waiting period for such benefits under an individual sickness and accident insurance policy issued to an individual who is not a federally eligible individual or a nonemployer-related group sickness and accident insurance policy, but in no event shall such waiting period exceed two hundred seventy days.

For purposes of division (O) of this section, "federally eligible individual" means an eligible individual as defined in 45 C.F.R. 148.103.

(P) Using, or permitting to be used, a pattern settlement as the basis of any offer of settlement. As used in this division, "pattern settlement" means a method by which liability is routinely imputed to a claimant without an investigation of the particular occurrence upon which the claim is based and by

using a predetermined formula for the assignment of liability arising out of occurrences of a similar nature. Nothing in this division shall be construed to prohibit an insurer from determining a claimant's liability by applying formulas or guidelines to the facts and circumstances disclosed by the insurer's investigation of the particular occurrence upon which a claim is based.

(Q) Refusing to insure, or refusing to continue to insure, or limiting the amount, extent, or kind of life or sickness and accident insurance or annuity coverage available to an individual, or charging an individual a different rate for the same coverage solely because of blindness or partial blindness. With respect to all other conditions, including the underlying cause of blindness or partial blindness, persons who are blind or partially blind shall be subject to the same standards of sound actuarial principles or actual or reasonably anticipated actuarial experience as are sighted persons. Refusal to insure includes, but is not limited to, denial by an insurer of disability insurance coverage on the grounds that the policy defines "disability" as being presumed in the event that the eyesight of the insured is lost. However, an insurer may exclude from coverage disabilities consisting solely of blindness or partial blindness when such conditions existed at the time the policy was issued. To the extent that the provisions of this division may appear to conflict with any provision of section 3999.16 of the Revised Code, this division applies.

(R)(1) Directly or indirectly offering to sell, selling, or delivering, issuing for delivery, renewing, or using or otherwise marketing any policy of insurance or insurance product in connection with or in any way related to the grant of a student loan guaranteed in whole or in part by an agency or

commission of this state or the United States, except insurance that is required under federal or state law as a condition for obtaining such a loan and the premium for which is included in the fees and charges applicable to the loan; or, in the case of an insurer or insurance agent, knowingly permitting any lender making such loans to engage in such acts or practices in connection with the insurer's or agent's insurance business.

(2) Except in the case of a violation of division (G) of this section, division (R)(1) of this section does not apply to either of the following:

(a) Acts or practices of an insurer, its agents, representatives, or employees in connection with the grant of a guaranteed student loan to its insured or the insured's spouse or dependent children where such acts or practices take place more than ninety days after the effective date of the insurance;

(b) Acts or practices of an insurer, its agents, representatives, or employees in connection with the solicitation, processing, or issuance of an insurance policy or product covering the student loan borrower or the borrower's spouse or dependent children, where such acts or practices take place more than one hundred eighty days after the date on which the borrower is notified that the student loan was approved.

(S) Denying coverage, under any health insurance or health care policy, contract, or plan providing family coverage, to any natural or adopted child of the named insured or subscriber solely on the basis that the child does not reside in the household of the named insured or subscriber.

(T)(1) Using any underwriting standard or engaging in any other act or practice that, directly or indirectly, due solely

to any health status-related factor in relation to one or more individuals, does either of the following:

(a) Terminates or fails to renew an existing individual policy, contract, or plan of health benefits, or a health benefit plan issued to an employer, for which an individual would otherwise be eligible;

(b) With respect to a health benefit plan issued to an employer, excludes or causes the exclusion of an individual from coverage under an existing employer-provided policy, contract, or plan of health benefits.

(W) Failing to comply with section 3923.23, 3923.231, 3923.232, 3923.233, or 3923.234 of the Revised Code by engaging in any unfair, discriminatory reimbursement practice.

(2) Nothing in division (Y)(1) of this section shall be construed to prohibit an insurer from inquiring as to, or from underwriting or rating a risk on the basis of, a person's physical or mental condition, even if the condition has been caused by domestic violence, provided that all of the following apply:

(a) The insurer routinely considers the condition in underwriting or in rating risks, and does so in the same manner for a victim of domestic violence as for an insured or applicant who is not a victim of domestic violence;

(b) The insurer does not refuse to issue any policy or contract of life or health insurance or cancel or refuse to renew any policy or contract of life insurance, solely on the basis of the condition, except where such refusal to issue, cancellation, or refusal to renew is based on sound actuarial principles or is related to actual or reasonably anticipated experience;

(c) The insurer does not consider a person's status as being or as having been a victim of domestic violence, in itself, to be a physical or mental condition;

(d) The underwriting or rating of a risk on the basis of the condition is not used to evade the intent of division (Y)(1)

of this section, or of any other provision of the Revised Code.

(3)(a) Nothing in division (Y)(1) of this section shall be construed to prohibit an insurer from refusing to issue a policy or contract of life insurance insuring the life of a person who is or has been a victim of domestic violence if the person who committed the act of domestic violence is the applicant for the insurance or would be the owner of the insurance policy or contract.

(b) Nothing in division (Y)(2) of this section shall be construed to permit an insurer to cancel or refuse to renew any policy or contract of health insurance in violation of the "Health Insurance Portability and Accountability Act of 1996," 110 Stat. 1955, 42 U.S.C.A. 300gg-41(b), as amended, or in a manner that violates or is inconsistent with any provision of the Revised Code that implements the "Health Insurance Portability and Accountability Act of 1996."

(C) No contracting entity shall require, as a condition of contracting with the contracting entity, that a participating provider waive or forgo any right or benefit expressly conferred upon a participating provider by state or federal law. However, this division does not prohibit a contracting entity from restricting a participating provider's scope of practice for the services to be provided under the contract.

(2) If the health care contract provides for termination for cause by either party, the health care contract shall state the reasons that may be used for termination for cause, which terms shall be reasonable. Once the contracting entity and the participating provider have signed the health care contract, it is presumed that the reasons stated in the health care contract for termination for cause by either party are reasonable. Subject to division ~~(F)(3)~~ (G)(3) of this section, the health care contract shall state the time by which the parties must provide notice of termination for cause and to whom the parties shall give the notice.

(3) Nothing in divisions ~~(F)(1)~~ (G)(1) and (2) of this

section shall be construed as prohibiting any health insuring corporation from terminating a participating provider's contract for any of the causes described in divisions (A), (D), and (F)(1) and (2) of section 1753.09 of the Revised Code. (4) Subject to sections 3963.01 to 3963.11 of the Revised Code, nothing in this section prohibits the termination of a health care contract without cause if the health care contract otherwise provides for termination without cause.

(5) Nothing in division ~~(F)~~ (G) of this section shall be construed to expand the regulatory authority of the superintendent to vision care providers or dental care providers.

~~(G)(1)~~ (H)(1) Disputes among parties to a health care contract that only concern the enforcement of the contract rights conferred by section 3963.02, divisions (A) and (D) of section 3963.03, and section 3963.04 of the Revised Code are subject to a mutually agreed upon arbitration mechanism that is binding on all parties. The arbitrator may award reasonable attorney's fees and costs for arbitration relating to the enforcement of this section to the prevailing party.

(2) The arbitrator shall make the arbitrator's decision in an arbitration proceeding having due regard for any applicable rules, bulletins, rulings, or decisions issued by the department of insurance or any court concerning the enforcement of the

contract rights conferred by section 3963.02, divisions (A) and (D) of section 3963.03, and section 3963.04 of the Revised Code.

(3) A party shall not simultaneously maintain an arbitration proceeding as described in division ~~(G)(1)~~ (H)(1) of this section and pursue a complaint with the superintendent of insurance to investigate the subject matter of the arbitration proceeding. However, if a complaint is filed with the department of insurance, the superintendent may choose to investigate the complaint or, after reviewing the complaint, advise the complainant to proceed with arbitration to resolve the complaint. The superintendent may request to receive a copy of the results of the arbitration. If the superintendent of insurance notifies an insurer or a health insuring corporation in writing that the superintendent has initiated a market conduct examination into the specific subject matter of the arbitration proceeding pending against that insurer or health insuring corporation, the arbitration proceeding shall be stayed at the request of the insurer or health insuring corporation pending the outcome of the market conduct investigation by the superintendent.

Upon request, a contracting entity shall provide a participating provider with the fee schedule for any other procedure codes requested and a written fee schedule, that shall not be required more frequently than twice per year excluding when it is provided in connection with any change to the schedule. This requirement may be satisfied by providing a clearly understandable, readily available mechanism, such as a specific web site address, that allows a participating provider to determine the effect of procedure codes on payment or compensation before a service is provided or a claim is submitted.

(iii) The effect, if any, on payment or compensation if more than one procedure code applies to the service also shall be stated. This requirement may be satisfied by providing a clearly understandable, readily available mechanism, such as a specific web site address, that allows a participating provider to determine the effect of procedure codes on payment or compensation before a service is provided or a claim is submitted.

(b) If the contracting entity is unable to include the information described in divisions (A)(1)(a)(ii) and (iii) of this section, the contracting entity shall include both of the following types of information instead:

(i) The methodology used to calculate any fee schedule, such as relative value unit system and conversion factor or percentage of billed charges. If applicable, the methodology disclosure shall include the name of any relative value unit

(ii) The identity of any internal processing edits, including the publisher, product name, version, and version update of any editing software.

(c) If the contracting entity is not the payer and is unable to include the information described in division (A)(1)(a) or (b) of this section, then the contracting entity shall provide by telephone a readily available mechanism, such as a specific web site address, that allows the participating provider to obtain that information from the payer.

A contracting entity may satisfy this requirement by providing a clearly understandable, readily available mechanism, such as a specific web site address or an appendix, that allows a participating provider to determine the procedures for the internal mechanism to resolve those disputes.

(6) A list of addenda, if any, to the contract.

(B)(1) Each contracting entity shall include a summary disclosure form with a health care contract that includes all of the information specified in division (A) of this section. The information in the summary disclosure form shall refer to the location in the health care contract, whether a page number, section of the contract, appendix, or other identifiable location, that specifies the provisions in the contract to which the information in the form refers.

(2) The summary disclosure form shall include all of the following statements:

(a) That the form is a guide to the health care contract and that the terms and conditions of the health care contract constitute the contract rights of the parties;

(b) That reading the form is not a substitute for reading the entire health care contract;

(c) That by signing the health care contract, the participating provider will be bound by the contract's terms and conditions;

(d) That the terms and conditions of the health care contract may be amended pursuant to section 3963.04 of the Revised Code and the participating provider is encouraged to carefully read any proposed amendments sent after execution of the contract;

(e) That nothing in the summary disclosure form creates any additional rights or causes of action in favor of either party.

(3) No contracting entity that includes any information in the summary disclosure form with the reasonable belief that the information is truthful or accurate shall be subject to a civil

action for damages or to binding arbitration based on the summary disclosure form. Division (B)(3) of this section does not impair or affect any power of the department of insurance to enforce any applicable law.

(4) The summary disclosure form described in divisions (B)(1) and (2) of this section shall be in substantially the following form:

The physical examination may be conducted by any individual authorized by the Revised Code to do so, including a physician assistant, a clinical nurse specialist, a certified nurse practitioner, or a certified nurse-midwife. Any written documentation of the physical examination shall be completed by the individual who conducted the examination.

Failure to comply with an order for an examination shall be grounds for refusal of a license or certificate or summary suspension of a license or certificate under division (E) of this section.

(E) If a license or certificate holder has failed to comply with an order under division (D) of this section, the board may apply to the court of common pleas of the county in which the holder resides for an order temporarily suspending the holder's license or certificate, without a prior hearing being afforded by the board, until the board conducts an adjudication hearing pursuant to Chapter 119. of the Revised Code. If the court temporarily suspends a holder's license or certificate, the board shall give written notice of the suspension personally or by certified mail to the license or certificate holder. Such notice shall inform the license or certificate holder of the right to a hearing pursuant to Chapter 119. of the Revised Code.

(F) Any holder of a certificate or license issued under this chapter who has pleaded guilty to, has been convicted of, or has had a judicial finding of eligibility for intervention in lieu of conviction entered against the holder in this state for aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated

burglary, or who has pleaded guilty to, has been convicted of, or has had a judicial finding of eligibility for treatment or intervention in lieu of conviction entered against the holder in another jurisdiction for any substantially equivalent criminal offense, is automatically suspended from practice under this chapter in this state and any certificate or license issued to the holder under this chapter is automatically suspended, as of the date of the guilty plea, conviction, or judicial finding, whether the proceedings are brought in this state or another jurisdiction. Continued practice by an individual after the suspension of the individual's certificate or license under this division shall be considered practicing without a certificate or license. The board shall notify the suspended individual of the suspension of the individual's certificate or license under this division by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose certificate or license is suspended under this division fails to make a timely request for an adjudicatory hearing, the board shall enter a final order revoking the individual's certificate or license.

(G) If the supervisory investigative panel determines both of the following, the panel may recommend that the board suspend an individual's certificate or license without a prior hearing:

(1) That there is clear and convincing evidence that an individual has violated division (A) of this section;

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of those allegations and by an affirmative vote of not fewer than four dentist members of the

board and seven of its members in total, excluding any member on the supervisory investigative panel, may suspend a certificate or license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency or any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

(H) Sanctions shall not be imposed under division (A)(13) of this section against any certificate or license holder who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and

consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person who holds a certificate or license issued pursuant to this chapter to the extent allowed by this chapter and the rules of the board.

(I) In no event shall the board consider or raise during a hearing required by Chapter 119. of the Revised Code the circumstances of, or the fact that the board has received, one or more complaints about a person unless the one or more complaints are the subject of the hearing or resulted in the board taking an action authorized by this section against the person on a prior occasion.

(J) The board may share any information it receives pursuant to an investigation under division (D) of section 4715.03 of the Revised Code, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state dental board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with

respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state dental board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

(K) The board shall not refuse to issue a license or certificate to an applicant for either of the following reasons unless the refusal is in accordance with section 9.79 of the Revised Code:

(1) A conviction or plea of guilty to an offense;

(2) A judicial finding of eligibility for treatment or intervention in lieu of a conviction.

Section 2. That existing sections 1751.85, 1753.09, 3901.21, 3923.86, 3963.01, 3963.02, 3963.03, and 4715.30 of the Revised Code are hereby repealed.

Section 3. The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that amendments are to be harmonized if reasonably capable of simultaneous operation, finds that the following sections, presented in this act as composites of the sections as amended by the acts indicated, are the resulting version of the sections in effect prior to the effective date of the sections as presented in this act:
