Sec. 101.62. (A) As used in sections 101.62 to 101.65 of the Revised Code:

(1) "Individual" means a natural person.

"Least (2) Except as provided in divisions (A)(3) and (4) of this section, "least restrictive regulation," "occupational license," and "occupational licensing board" have the meanings defined in section 4798.01 of the Revised Code.

(3) On and after the effective date of this amendment, "occupational license" means all of the following:

(a) An occupational license as that term is defined in section 4798.01 of the Revised Code;

(b) A certification as that term is defined in section 4798.01 of the Revised Code;

(c) A business license that requires the applicant to satisfy a personal qualification.

(4) On and after the effective date of this amendment, "occupational licensing board" means any board, commission, committee, or council, or any other similar state public body, any administrative department enumerated under section 121.02 of the Revised Code, and any agency, division, or office of state government, that issues an occupational license. "Occupational licensing board" does not include a committee or office created under section 101.34 of the Revised Code.

(5)(a) Except as provided in division (A)(5)(b) of this section, "personal qualification" means criteria related to an applicant's personal background and characteristics including completion of an approved educational program, satisfactory performance on an examination, work experience, other evidence of attainment of requisite skills or knowledge, moral standing, criminal history, and completion of continuing education.

(b) "Personal qualification" does not include a requirement that an owner or controlling persons of a business submit to a criminal records check or meet requirements related to criminal history or moral standing, unless that owner or controlling person is the applicant.

(B) An occupational licensing board shall be triggered to expire at the end of the thirty-first day of December of the sixth year after it became subject to review or was created or last renewed; ~~or on December 31, 2024, whichever is later,~~ and shall expire at the end of the thirtieth day of June of the following year after the board was triggered to expire. The expiration of an occupational licensing board under this section emancipates a person to lawfully engage in the profession, occupation, or occupational activity, which has been previously licensed by that board, without an occupational license, notwithstanding any law of the state that requires a person to possess a license to lawfully engage in that profession, occupation, or occupational activity.

(C) The director of budget and management shall not authorize the expenditure of any moneys for an occupational licensing board on or after the date of its expiration.

(D) The occupational licensing board shall operate after its expiration has been triggered, but not later than the end of the thirtieth day of June of the following year, to provide for the orderly, efficient, and expeditious conclusion of the board's business and operation. The orders, licenses, contracts, and other actions made, taken, granted, or performed by the board continue in effect according to their terms notwithstanding the board's abolition, unless the general assembly provides otherwise by law. The general assembly may provide by law for the temporary or permanent transfer of some or all of an expired or abolished board's functions and personnel to a successor agency, board, or officer.

The expiration or abolition of a board does not cause the termination or dismissal of any claim pending against the board by any person, or any claim pending against any person by the board. Unless the general assembly provides otherwise by law for the substitution of parties, the attorney general shall succeed the board with reference to any pending claim.

(E) An occupational licensing board may be renewed by enactment of a law that continues the statutes creating, empowering, governing, or regulating the board. The amendment of a statute creating, empowering, governing, or regulating a board, between the time the board was last reviewed and the time it is next scheduled to be reviewed does not change the next scheduled review date of the board. The next scheduled review date changes only if the amendment expressly so provides.

(F) When an occupational licensing board performs functions other than licensing or regulating the licensing of an occupational license that expires under this section, the operation of sections 101.62 to 101.65 of the Revised Code shall not cause the board, or the statutes creating, empowering, governing, or regulating the board, to expire. The board and the statutes shall continue to the extent the board and the statutes apply to performing functions other than licensing or regulating the licensing of an occupational license.

The commission may deny a permit to any permit holder that has defaulted in payments to the public, employees, or the horsemen and may deny a permit to any successor purchaser of a track for as long as any of those defaults have not been satisfied by either the seller or purchaser.

The commission shall deny a permit to any permit holder that has defaulted in payments to the state or has defaulted in payments required under section 3769.089 or 3769.0810 of the Revised Code and shall deny a permit to any successor purchaser of a track for as long as those defaults have not been satisfied by either the seller or purchaser.

~~Any violation of this chapter, of any rule of racing adopted by the commission, or of any law or rule with respect to racing in any jurisdiction shall be sufficient reason for a refusal to issue a license, or a suspension or revocation of any license issued, pursuant to this section.~~

~~With respect to the issuance, denial, suspension, or revocation of a license to a participant in horse racing, the action of the commission shall be subject to Chapter 119. of the Revised Code.~~

(B) In determining whether a pre-existing conditions provision applies to a policyholder or dependent, each policy shall credit the time the policyholder or dependent was covered under a previous policy, contract, or plan if the previous coverage was continuous to a date not more than thirty days prior to the effective date of the new coverage, exclusive of any applicable service waiting period under the policy.

(C)(1) Except as otherwise provided in division (C) of this section, an insurer that provides an individual sickness and accident insurance policy to an individual shall renew or continue in force such coverage at the option of the individual.

(2) An insurer may nonrenew or discontinue coverage of an individual in the individual market based only on one or more of the following reasons:

(3) An insurer may cancel or decide not to renew the coverage of a dependent of an individual if the dependent has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage and if the cancellation or nonrenewal is not based, either directly or indirectly, on any health status-related factor in relation to the dependent.

(D)(1) If an insurer decides to discontinue offering a particular type of health insurance coverage offered in the individual market, coverage of such type may be discontinued by the insurer if the insurer does all of the following:

(a) Provides notice to each individual provided coverage of this type in such market of the discontinuation at least ninety days prior to the date of the discontinuation of the coverage;

(b) Offers to each individual provided coverage of this type in such market, the option to purchase any other individual health insurance coverage currently being offered by the insurer for individuals in that market;

(E) Notwithstanding divisions (C) and (D) of this section, an insurer may, at the time of coverage renewal, modify the health insurance coverage for a policy form offered to individuals in the individual market if the modification is consistent with the law of this state and effective on a uniform basis among all individuals with that policy form.

(F) Such policies are subject to sections 2743 and 2747 of the "Health Insurance Portability and Accountability Act of 1996," Pub. L. No. 104-191, 110 Stat. 1955, 42 U.S.C.A. 300gg-43 and 300gg-47, as amended.

(G) Sections 3924.031 and 3924.032 of the Revised Code shall apply to sickness and accident insurance policies offered in the individual market in the same manner as they apply to

health benefit plans offered in the small employer market.

In accordance with 45 C.F.R. 148.102, divisions (C) to (G) of this section also apply to all group sickness and accident insurance policies that are not sold in connection with an employment-related group health plan and that provide more than short-term, limited duration coverage.

In applying divisions (C) to (G) of this section with respect to health insurance coverage that is made available by an insurer in the individual market to individuals only through one or more associations, the term "individual" includes the association of which the individual is a member.

For purposes of this section, any policy issued pursuant to division (C) of section 3923.13 of the Revised Code in connection with a public or private college or university student health insurance program is considered to be issued to a bona fide association.

As used in this section, "bona fide association" has the same meaning as in section 3924.03 of the Revised Code, and "health status-related factor" and "network plan" have the same meanings as in section 3924.031 of the Revised Code.

This section does not apply to any policy that provides coverage for specific diseases or accidents only, or to any hospital indemnity, medicare supplement, long-term care, disability income, one-time-limited-duration policy that is less than twelve months, or other policy that offers only supplemental benefits.

Sec. 3924.01. As used in sections 3924.01 to ~~3924.14~~ 3924.06 of the Revised Code:

(A) "Actuarial certification" means a written statement prepared by a member of the American academy of actuaries, or by any other person acceptable to the superintendent of insurance, that states that, based upon the person's examination, a carrier offering health benefit plans to small employers is in compliance with sections 3924.01 to ~~3924.14~~ 3924.06 of the Revised Code. "Actuarial certification" shall include a review of the appropriate records of, and the actuarial assumptions and methods used by, the carrier relative to establishing premium rates for the health benefit plans.

~~(B) "Adjusted average market premium price" means the average market premium price as determined by the board of directors of the Ohio health reinsurance program either on the basis of the arithmetic mean of all carriers' premium rates for an OHC plan sold to groups with similar case characteristics by all carriers selling OHC plans in the state, or on any other equitable basis determined by the board.~~

~~(C)~~ "Base premium rate" means, as to any health benefit plan that is issued by a carrier and that covers at least two but no more than fifty employees of a small employer, the lowest premium rate for a new or existing business prescribed by the carrier for the same or similar coverage under a plan or arrangement covering any small employer with similar case characteristics.

~~(D)~~ ~~(C)~~ "Carrier" means any sickness and accident insurance company or health insuring corporation authorized to issue health benefit plans in this state or a MEWA. A sickness and accident insurance company that owns or operates a health insuring corporation, either as a separate corporation or as a line of business, shall be considered as a separate carrier from that health insuring

~~(E)~~(D) "Case characteristics" means, with respect to a small employer, the geographic area in which the employees work; the age and sex of the individual employees and their dependents; the appropriate industry classification as determined by the carrier; the number of employees and dependents; and such other objective criteria as may be established by the carrier. "Case characteristics" does not include claims experience, health status, or duration of coverage from the date of issue.

~~(F)~~(E) "Dependent" means the spouse or child of an eligible employee, subject to applicable terms of the health benefits plan covering the employee.

~~(G)~~(F) "Eligible employee" means an employee who works a normal work week of thirty or more hours. "Eligible employee" does not include a temporary or substitute employee, or a seasonal employee who works only part of the calendar year on the basis of natural or suitable times or circumstances.

~~(H)~~(G) "Health benefit plan" means any hospital or medical expense policy or certificate or any health plan provided by a carrier, that is delivered, issued for delivery, renewed, or used in this state on or after the date occurring six months after November 24, 1995. "Health benefit plan" does not include policies covering only accident, credit, dental, disability income, long-term care, hospital indemnity, medicare supplement, specified disease, or vision care; coverage under a one-time-limited-duration policy that is less than twelve months; coverage issued as a supplement to liability insurance; insurance arising out of a workers' compensation or similar law; automobile medical-payment insurance; or insurance under which benefits are payable with or without regard to fault and which is statutorily required to be contained in any liability insurance policy or equivalent self-insurance.

~~(I)~~(H) "Late enrollee" means an eligible employee or dependent who enrolls in a small employer's health benefit plan other than during the first period in which the employee or dependent is eligible to enroll under the plan or during a special enrollment period described in section 2701(f) of the "Health Insurance Portability and Accountability Act of 1996," Pub. L. No. 104-191, 110 Stat. 1955, 42 U.S.C.A. 300gg, as amended.

~~(J)~~(I) "MEWA" means any "multiple employer welfare arrangement" as defined in section 3 of the "Federal Employee Retirement Income Security Act of 1974," 88 Stat. 832, 29 U.S.C.A. 1001, as amended, except for any arrangement which is fully insured as defined in division (b)(6)(D) of section 514 of that act.

~~(K)~~(J) "Midpoint rate" means, for small employers with similar case characteristics and plan designs and as determined by the applicable carrier for a rating period, the arithmetic average of the applicable base premium rate and the corresponding highest premium rate.

~~(L)~~(K) "Pre-existing conditions provision" means a policy provision that excludes or limits coverage for charges or expenses incurred during a specified period following the insured's enrollment date as to a condition for which medical advice, diagnosis, care, or treatment was

recommended or received during a specified period immediately preceding the enrollment date. Genetic information shall not be treated as such a condition in the absence of a diagnosis of the condition related to such information.

For purposes of this division, "enrollment date" means, with respect to an individual covered under a group health benefit plan, the date of enrollment of the individual in the plan or, if earlier, the first day of the waiting period for such enrollment.

~~(M)(L)~~ "Service waiting period" means the period of time after employment begins before an employee is eligible to be covered for benefits under the terms of any applicable health benefit plan offered by the small employer.

~~(N)(1)(M)(1)~~ "Small employer" means, in connection with a group health benefit plan and with respect to a calendar year and a plan year, an employer who employed an average of at least two but no more than fifty eligible employees on business days during the preceding calendar year and who employs at least two employees on the first day of the plan year.

(2) For purposes of division ~~(N)(1)(M)(1)~~ of this section, all persons treated as a single employer under subsection (b), (c), (m), or (o) of section 414 of the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C.A. 1, as amended, shall be considered one employer. In the case of an employer that was not in existence throughout the preceding calendar year, the determination of whether the employer is a small or large employer shall be based on the average number of eligible employees that it is reasonably expected the employer will employ on business days in the current calendar year. Any reference in division ~~(N)(M)~~ of this section to an "employer" includes any predecessor of the employer. Except as otherwise specifically provided, provisions of sections 3924.01 to ~~3924.14~~ 3924.06 of the Revised Code that apply to a small employer that has a health benefit plan shall continue to apply until the plan anniversary following the date the employer no longer meets the requirements of this division.

~~(O) "OHC plan" means an Ohio health care plan, which is the basic, standard, or carrier reimbursement plan for small employers and individuals established in accordance with section 3924.10 of the Revised Code.~~

Sec. 3924.02. (A) An individual or group health benefit plan is subject to sections 3924.01 to ~~3924.14~~ 3924.06 of the Revised Code if it provides health care benefits covering at least two but no more than fifty employees of a small employer, and if it meets either of the following conditions:

(1) Any portion of the premium or benefits is paid by a small employer, or any covered individual is reimbursed, whether through wage adjustments or otherwise, by a small employer for any portion of the premium.

(2) The health benefit plan is treated by the employer or any of the covered individuals as part of a plan or program for purposes of section 106 or 162 of the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C.A. 1, as amended.

(B) Notwithstanding division (A) of this section, divisions (D), (E)(2), (F), and (G) of section 3924.03 of the Revised Code and section 3924.04 of the Revised Code do not apply to health

benefit policies that are not sold to owners of small businesses as an employment benefit plan. Such policies shall clearly state that they are not being sold as an employment benefit plan and that the owner of the business is not responsible, either directly or indirectly, for paying the premium or benefits.

(C) Every health benefit plan offered or delivered by a carrier, other than a health insuring corporation, to a small employer is subject to sections 3923.23, 3923.231, 3923.232, 3923.233, and 3923.234 of the Revised Code and any other provision of the Revised Code that requires the reimbursement, utilization, or consideration of a specific category of a licensed or certified health care practitioner.

(D) Except as expressly provided in sections 3924.01 to ~~3924.14~~ 3924.06 of the Revised Code, no health benefit plan offered to a small employer is subject to any of the following:

(1) Any law that would inhibit any carrier from contracting with providers or groups of providers with respect to health care services or benefits;

(2) Any law that would impose any restriction on the ability to negotiate with providers regarding the level or method of reimbursing care or services provided under the health benefit plan;

(3) Any law that would require any carrier to either include a specific provider or class of provider when contracting for health care services or benefits, or to exclude any class of provider that is generally authorized by statute to provide such care.

Sec. 3924.06. (A) Compliance with the underwriting and rating requirements contained in sections 3924.01 to ~~3924.14~~ 3924.06 of the Revised Code shall be demonstrated through actuarial certification. Carriers offering health benefit plans to small employers shall file annually with the superintendent of insurance an actuarial certification stating that the underwriting and rating methods of the carrier do all of the following:

(1) Comply with accepted actuarial practices;

(2) Are uniformly applied to health benefit plans covering small employers;

(3) Comply with the applicable provisions of sections 3924.01 to ~~3924.14~~ 3924.06 of the Revised Code.

(B) If a carrier has established a separate class of business for one or more small employer health care alliances in accordance with section 1731.09 of the Revised Code, this section shall apply in accordance with section 1731.09 of the Revised Code.

(C) Carriers offering health benefit plans to small employers shall file premium rates with the superintendent in accordance with section 3923.02 of the Revised Code with respect to the carrier's sickness and accident insurance policies sold to small employers and in accordance with section 1751.12 of the Revised Code with respect to the carrier's health insuring corporation policies sold to small employers.

Sec. 3924.73. (A) As used in this section:

(1) "Health care insurer" means any person legally engaged in the business of providing sickness and accident insurance contracts in this state, a health insuring corporation organized under

Chapter 1751. of the Revised Code, or any legal entity that is self-insured and provides health care benefits to its employees or members.

(2) "Small employer" has the same meaning as in section 3924.01 of the Revised Code.

(B)(1) Subject to division (B)(2) of this section, nothing in sections 3924.61 to 3924.74 of the Revised Code shall be construed to limit the rights, privileges, or protections of employees or small employers under sections 3924.01 to ~~3924.14~~ 3924.06 of the Revised Code.

(2) If any account holder enrolls or applies to enroll in a policy or contract offered by a health care insurer providing sickness and accident coverage that is more comprehensive than, and has a deductible amount that is less than, the coverage and deductible amount of the policy under which the account holder currently is enrolled, the health care insurer to which the account holder applies may subject the account holder to the same medical review, waiting periods, and underwriting requirements to which the health care insurer generally subjects other enrollees or applicants, unless the account holder enrolls or applies to enroll during a designated period of open enrollment.

Sec. 4104.07. (A) Except as provided in division (E) of this section, an application for examination as an inspector of boilers and pressure vessels shall be in writing, accompanied by a fee of one hundred ~~fifty~~ dollars, upon a blank to be furnished by the superintendent of industrial compliance. (B) The superintendent shall determine if an applicant meets all the requirements for examination in accordance with rules adopted by the board of building standards under section 4104.02 of the Revised Code. An application shall be rejected which contains any willful falsification, or untruthful statements.

(C) An applicant shall be examined by the superintendent, by a written examination, prescribed by the board, dealing with the construction, installation, operation, maintenance, and repair of boilers and pressure vessels and their appurtenances, and the applicant shall be accepted or rejected on the merits of the applicant's application and examination.

(D) Upon a favorable report by the superintendent of the result of an examination, the superintendent shall immediately issue to the successful applicant a certificate of competency to that effect.

(E) The superintendent shall issue a certificate of competency in accordance with Chapter 4796. of the Revised Code to an applicant if either of the following applies:

(1) The applicant holds a license or certificate in another state.

(2) The applicant has satisfactory work experience, a government certification, or a private certification as described in that chapter as an inspector of boilers and pressure vessels in a state that does not issue that license or certificate.

Sec. 4104.08. (A) The director of commerce may appoint from the holders of certificates of competency provided for in section 4104.07 of the Revised Code, general inspectors of boilers and

pressure vessels.

(B) Any company authorized to insure boilers and pressure vessels against explosion in this state may designate from holders of certificates of competency issued by the superintendent of industrial compliance, or holders of certificates of competency or commissions issued by other states or nations whose examinations for certificates or commissions have been approved by the board of building standards, persons to inspect and stamp boilers and pressure vessels covered by the company's policies, and the superintendent shall issue to such persons commissions authorizing them to act as special inspectors. Special inspectors shall be compensated by the company designating them.

(C) The director shall establish an annual fee to be charged by the superintendent for each certificate of competency or commission the superintendent issues. The director shall not establish an annual fee of more than fifty dollars under this division.

(D) The superintendent shall issue to each general or special inspector a commission to the effect that the holder thereof is authorized to inspect boilers and pressure vessels in this state.

(E) No person shall be authorized to act as a general inspector or a special inspector who is directly or indirectly interested in the manufacture or sale of boilers or pressure vessels.

Sec. 4104.18. (A) The owner or user of a boiler required under section 4104.12 of the Revised Code to be inspected upon installation, and the owner or user of a boiler for which a certificate of inspection has been issued that is replaced with an appropriate certificate of operation, shall pay to the superintendent of industrial compliance an initial certificate of operation fee in the following amount, as applicable:

(1) Fifty dollars for boilers subject to annual inspections under section 4104.11 of the Revised Code;

(2) One hundred dollars for boilers subject to biennial inspection under section 4104.13 of the Revised Code;

(3) One hundred fifty dollars for boilers subject to triennial inspection under section 4104.11 of the Revised Code;

(4) Two hundred fifty dollars for boilers subject to quinquennial inspection under section 4104.13 of the Revised Code.

(B) The owner or user of a boiler required under section 4104.12 of the Revised Code to be inspected upon installation, and the owner or user of a boiler for which a certificate of inspection has been issued that is replaced with an appropriate certificate of operation, shall pay to the superintendent of industrial compliance an annual certificate of operation renewal fee in the following amount, as applicable:

(4) Two hundred fifty dollars for boilers subject to quinquennial inspections under section 4104.13 of the Revised Code.

(C) The fee for complete inspection during construction by a general inspector on boilers and pressure vessels manufactured within the state shall be thirty-five dollars per hour. Boiler and pressure vessel manufacturers other than those located in the state may secure inspection by a general inspector on work during construction, upon application to the superintendent, and upon payment of a fee of thirty-five dollars per hour, plus the necessary traveling and hotel expenses incurred by the inspector.

(D) The application fee for applicants for steam engineer, high pressure boiler operator, or low pressure boiler operator licenses is ~~seventy-five~~ twenty-five dollars. The fee for each original or renewal steam engineer, high pressure boiler operator, or low pressure boiler operator license is fifty dollars.

(E) ~~The~~ Except as otherwise provided in this division, the superintendent of industrial compliance, by rule adopted in accordance with Chapter 119. of the Revised Code, may increase the fees required by this section and may establish fees to pay the costs of the division to fulfill its duties established by this chapter. The fees shall bear some reasonable relationship to the cost of administering and enforcing the provisions of this chapter. The superintendent shall not adopt a rule increasing the application fee for steam engineer, high pressure boiler operator, or low pressure boiler operator licenses.

(F) Any moneys collected under this section shall be paid into the state treasury to the credit of the industrial compliance operating fund created in section 121.084 of the Revised Code.

~~(F)~~ (G) Any person who fails to pay an invoiced renewal fee or an invoiced inspection fee required for any inspection conducted by the division of industrial compliance pursuant to this chapter within forty-five days of the invoice date shall pay a late payment fee equal to twenty-five per cent of the invoiced fee.

~~(G)~~ (H) In addition to the fees assessed in divisions (A), (B), and (C) of this section, the board of building standards shall assess the owner or user a fee of three dollars and twenty-five cents for each certificate of operation or renewal thereof issued under divisions (A) and (B) of this section and for each inspection conducted under division (C) of this section. The board shall adopt rules, in accordance with Chapter 119. of the Revised Code, specifying the manner by which the superintendent shall collect and remit to the board the fees assessed under this division and requiring that remittance of the fees be made at least quarterly.

Sec. 4125.041. A shared employee under a professional employer organization agreement shall not, solely as a result of being a shared employee, be considered an employee of the professional employer organization for purposes of general liability insurance, fidelity bonds, surety bonds, employer liability not otherwise covered by Chapters 4121. and 4123. of the Revised Code,

or liquor liability insurance carried by the professional employer organization, unless the professional employer organization agreement and applicable prearranged employment contract, insurance contract, or bond specifically states otherwise.

A shared employee shall be considered an employee of the professional employer organization for purposes of determining whether a professional employer organization who sponsors a group health benefit plan is a small employer under division ~~(N)(1)~~(M)(1) of section 3924.01 of the Revised Code. A fully insured health benefit plan sponsored by a professional employer organization is not subject to sections 3924.01 to ~~3924.14~~3924.06 of the Revised Code if the professional employer organization is not a small employer for purposes of those sections.

Sec. 4141.131. The director of job and family services may enter into contracts for the sale of real property no longer needed by the director of job and family services for the operations of the director of job and family services under this title. Any costs attributable to the director of job and family services that are associated with the sale of real property under this section shall be paid out of the unemployment compensation special administrative fund established pursuant to section 4141.11 of the Revised Code. ~~The director of job and family services shall submit a report summarizing the use of that fund for the purpose of this section at least annually to the unemployment compensation advisory council as prescribed by the council.~~

The director of administrative services, with the assistance of the attorney general, shall prepare a deed to the real property being sold upon notice from the director of job and family services that a contract for the sale of that property has been executed in accordance with this section. The deed shall state the consideration and any conditions placed upon the sale. The deed shall be executed by the governor in the name of the state, countersigned by the secretary of state, sealed with the great seal of the state, presented in the office of the director of administrative services for recording, and delivered to the buyer upon payment of the balance of the purchase price.

The buyer shall present the deed for recording in the county recorder's office of the county in which the real property is located.

Sec. 4141.25. (A) The director of job and family services shall determine as of each computation date the contribution rate of each contributing employer subject to this chapter for the next succeeding contribution period. The director shall determine a standard rate of contribution or an experience rate for each contributing employer. Once a rate of contribution has been established under this section for a contribution period, except as provided in division (D) of section 4141.26 of the Revised Code, that rate shall remain effective throughout such contribution period. The rate of contribution shall be determined in accordance with the following requirements:

(1) An employer whose experience does not meet the terms of division (A)(2) of this section shall be assigned a standard rate of contribution. Effective for contribution periods beginning on and after January 1, 1998, an employer's standard rate of contribution shall be a rate of two and seven-tenths per cent, except that the rate for employers engaged in the construction industry shall be the average contribution rate computed for the construction industry or a rate of two and seven-tenths

per cent, whichever is greater. The standard rate set forth in this division shall be applicable to a nonprofit organization whose election to make payments in lieu of contributions is voluntarily terminated or canceled by the director under section 4141.241 of the Revised Code, and thereafter pays contributions as required by this section. If such nonprofit organization had been a contributory employer prior to its election to make payments in lieu of contributions, then any prior balance in the contributory account shall become part of the reactivated account.

As used in division (A) of this section, "the average contribution rate computed for the construction industry" means the most recent annual average rate attributable to the construction industry as prescribed by the director.

(2) A contributing employer subject to this chapter shall qualify for an experience rate only if there have been four consecutive quarters, ending on the thirtieth day of June immediately prior to the computation date, throughout which the employer's account was chargeable with benefits. Upon meeting the qualifying requirements provided in division (A)(2) of this section, the director shall calculate the total credits to each employer's account consisting of the contributions other than mutualized contributions including all contributions paid prior to the computation date for all past periods plus:

(a) The contributions owing on the computation date that are paid within thirty days after the computation date, and credited to the employer's account;

(b) All voluntary contributions paid by an employer pursuant to division (B) of section 4141.24 of the Revised Code.

(3) The director also shall determine the benefits which are chargeable to each employer's account and which were paid prior to the computation date with respect to weeks of unemployment ending prior to the computation date. The director then shall determine the positive or negative balance of each employer's account by calculating the excess of such contributions and interest over the benefits chargeable, or the excess of such benefits over such contributions and interest. Any resulting negative balance then shall be subject to adjustment as provided in division (A)(2) of section 4141.24 of the Revised Code after which the positive or negative balance shall be expressed in terms of a percentage of the employer's average annual payroll. If the total standing to the credit of an employer's account exceeds the total charges, as provided in this division, the employer has a positive balance and if such charges exceed such credits the employer has a negative balance. Each employer's contribution rate shall then be determined in accordance with the following schedule:

(a) As provided in division (A)(2) of section 4141.24 of the Revised Code, an amount equal to the sum of that portion of the negative balances of employer accounts which exceeds the applicable limitations as such balances are computed under division (A) of this section as of such date;

(b) An amount equal to the sum of the negative balances remaining in employer accounts which have been closed during the year immediately preceding such computation date pursuant to division (E) of section 4141.24 of the Revised Code;

(2) As of every computation date there shall be credited to the mutualized account provided for in this division:

- (a) The proceeds of the mutualized contributions as provided in this division;
 - (b) Any positive balances remaining in employer accounts which are closed as provided in division (E) of section 4141.24 of the Revised Code;
 - (c) Any benefits improperly paid which are recovered but which cannot be credited to an employer's account;
 - (d) All amounts which may be paid by the federal government under section 903 of the "Social Security Act" to the account of this state in the federal unemployment trust fund;
 - (e) Amounts advanced by the federal government to the account of this state in the federal unemployment trust fund under section 1201 of the "Social Security Act" to the extent such advances have been repaid to or recovered by the federal government;
 - (f) Interest credited to the Ohio unemployment trust fund as deposited with the secretary of the treasury of the United States;
 - (g) Amounts deposited into the unemployment compensation fund for penalties collected pursuant to division (A)(4) of section 4141.35 of the Revised Code.
- (3) Annually, as of the computation date, the director shall determine the total credits and charges made to the mutualized account during the preceding twelve months and the overall condition of the account. The director shall issue an annual statement containing this information and such other information as the director deems pertinent, including a report that the sum of the balances in the mutualized account, employers' accounts, and any subsidiary accounts equal the balance in the state's unemployment trust fund maintained under section 904 of the "Social Security Act."
- (4) As used in this division:
- (a) "Fund as of the computation date" means as of any computation date, the aggregate amount of the unemployment compensation fund, including all contributions owing on the computation date that are paid within thirty days thereafter, all payments in lieu of contributions that are paid within sixty days after the computation date, all reimbursements of the federal share of extended benefits described in section 4141.301 of the Revised Code that are owing on the computation date, and all interest earned by the fund and received on or before the computation date from the federal government.
 - (b) "Minimum safe level" means an amount equal to two standard deviations above the average of the adjusted annual average unemployment compensation benefit payment from 1970 to the most recent calendar year prior to the computation date, as determined by the director pursuant to division (B)(4)(b) of this section. To determine the adjusted annual payment of unemployment compensation benefits, the director first shall multiply the number of weeks compensated during each calendar year beginning with 1970 by the most recent annual average weekly unemployment compensation benefit payment and then compute the average and standard deviation of the resultant products.
 - (c) "Annual average weekly unemployment compensation benefit payment" means the

amount resulting from dividing the unemployment compensation benefits paid from the benefit account maintained within the unemployment compensation fund pursuant to section 4141.09 of the Revised Code, by the number of weeks compensated during the same time period.

(5) If, as of any computation date, the charges to the mutualized account during the entire period subsequent to the computation date, July 1, 1966, made in accordance with division (B)(1) of this section, exceed the credits to such account including mutualized contributions during such period, made in accordance with division (B)(2) of this section, the amount of such excess charges shall be recovered during the next contribution period. To recover such amount, the director shall compute the percentage ratio of such excess charges to the average annual payroll of all employers eligible for an experience rate under division (A) of this section. The percentage so determined shall be computed to the nearest tenth of one per cent and shall be an additional contribution rate to be applied to the wages paid by each employer whose rate is computed under the provisions of division (A) of this section in the contribution period next following such computation date, but such percentage shall not exceed five-tenths of one per cent; however, when there are any excess charges in the mutualized account, as computed in this division, then the mutualized contribution rate shall not be less than one-tenth of one per cent.

(6) If the fund as of the computation date is above or below minimum safe level, the contribution rates provided for in each classification in division (A)(3) of this section for the next contribution period shall be adjusted as follows:

(a) If the fund is thirty per cent or more above minimum safe level, the contribution rates provided in division (A)(3) of this section shall be decreased two-tenths of one per cent.

(b) If the fund is more than fifteen per cent but less than thirty per cent above minimum safe level, the contribution rates provided in division (A)(3) of this section shall be decreased one-tenth of one per cent.

(c) If the fund is more than fifteen per cent but less than thirty per cent below minimum safe level, the contribution rates of all employers shall be increased twenty-five one-thousandths of one per cent plus a per cent increase calculated and rounded pursuant to division (B)(6)(g) of this section.

(d) If the fund is more than thirty per cent but less than forty-five per cent below minimum safe level, the contribution rates of all employers shall be increased seventy-five one-thousandths of one per cent plus a per cent increase calculated and rounded pursuant to division (B)(6)(g) of this section.

(e) If the fund is more than forty-five per cent but less than sixty per cent below minimum safe level, the contribution rates of all employers shall be increased one-eighth of one per cent plus a per cent increase calculated and rounded pursuant to division (B)(6)(g) of this section.

(f) If the fund is sixty per cent or more below minimum safe level, the contribution rates of all employers shall be increased two-tenths of one per cent plus a per cent increase calculated and rounded pursuant to division (B)(6)(g) of this section.

(g) The additional per cent increase in contribution rates required by divisions (B)(6)(c), (d), (e), and (f) of this section that is payable by each individual employer shall be calculated in the following manner. The flat rate increase required by a particular division shall be multiplied by three and the product divided by the average experienced-rated contribution rate for all employers as determined by the director for the most recent calendar year. The resulting quotient shall be multiplied by an individual employer's contribution rate determined pursuant to division (A)(3) of this section. The resulting product shall be rounded to the nearest tenth of one per cent, added to the flat rate increase required by division (B)(6)(c), (d), (e), or (f) of this section, as appropriate, and the total shall be rounded to the nearest tenth of one per cent. As used in division (B)(6)(g) of this section, the "average experienced-rated contribution rate" means the most recent annual average contribution rate reported by the director contained in report RS 203.2 less the mutualized and minimum safe level contribution rates included in such rate.

(h) If any of the increased contribution rates of division (B)(6)(c), (d), (e), or (f) of this section are imposed, the rate shall remain in effect for the calendar year in which it is imposed and for each calendar year thereafter until the director determines as of the computation date for calendar year 1991 and as of the computation date for any calendar year thereafter pursuant to this section, that the level of the unemployment compensation fund equals or exceeds the minimum safe level as defined in division (B)(4)(b) of this section. Nothing in division (B)(6)(h) of this section shall be construed as restricting the imposition of the increased contribution rates provided in divisions (B)(6)(c), (d), (e), and (f) of this section if the fund falls below the percentage of the minimum safe level as specified in those divisions.

(7) The additional contributions required by division (B)(5) of this section shall be credited to the mutualized account. The additional contributions required by division (B)(6) of this section shall be credited fifty per cent to individual employer accounts and fifty per cent to the mutualized account.

(C) If an employer makes a payment of contributions which is less than the full amount required by this section and sections 4141.23, 4141.24, 4141.241, 4141.242, 4141.25, 4141.26, and 4141.27 of the Revised Code, such partial payment shall be applied first against the mutualized contributions required under this chapter. Any remaining partial payment shall be credited to the employer's individual account.

(D) Whenever there are any increases in contributions resulting from an increase in wages subject to contributions as defined in division (G) of section 4141.01 of the Revised Code, or from an increase in the mutualized rate of contributions provided in division (B) of this section, or from a revision of the contribution rate schedule provided in division (A) of this section, except for that portion of the increase attributable to a change in the positive or negative balance in an employer's account, which increases become effective after a contract for the construction of real property, as defined in section 5701.02 of the Revised Code, has been entered into, the contractee upon written notice by a prime contractor shall reimburse the contractor for all increased contributions paid by the

prime contractor or by subcontractors upon wages for services performed under the contract. Upon reimbursement by the contractee to the prime contractor, the prime contractor shall reimburse each subcontractor for the increased contributions.

(E) Effective only for the contribution period beginning on January 1, 1996, and ending on December 31, 1996, mutualized contributions collected or received by the director pursuant to division (B)(5) of this section and amounts credited to the mutualized account pursuant to division (B)(7) of this section shall be deposited into or credited to the unemployment compensation benefit reserve fund that is created under division (F) of this section, except that amounts collected, received, or credited in excess of two hundred million dollars shall be deposited into or credited to the unemployment trust fund established pursuant to section 4141.09 of the Revised Code.

(F) The state unemployment compensation benefit reserve fund is hereby created as a trust fund in the custody of the treasurer of state and shall not be part of the state treasury. The fund shall consist of all moneys collected or received as mutualized contributions pursuant to division (B)(5) of this section and amounts credited to the mutualized account pursuant to division (B)(7) of this section as provided by division (E) of this section. All moneys in the fund shall be used solely to pay unemployment compensation benefits in the event that funds are no longer available for that purpose from the unemployment trust fund established pursuant to section 4141.09 of the Revised Code.

(G) The balance in the unemployment compensation benefit reserve fund remaining at the end of the contribution period beginning January 1, 2000, and any mutualized contribution amounts for the contribution period beginning on January 1, 1996, that may be received after December 31, 2000, shall be deposited into the unemployment trust fund established pursuant to section 4141.09 of the Revised Code. Income earned on moneys in the state unemployment compensation benefit reserve fund shall be available for use by the director only for the purposes described in division (I) of this section, and shall not be used for any other purpose.

(H) The unemployment compensation benefit reserve fund balance shall be added to the unemployment trust fund balance in determining the minimum safe level tax to be imposed pursuant to division (B) of this section and shall be included in the mutualized account balance for the purpose of determining the mutualized contribution rate pursuant to division (B)(5) of this section.

(I) All income earned on moneys in the unemployment compensation benefit reserve fund from the investment of the fund by the treasurer of state shall accrue to the department of job and family services automation administration fund, which is hereby established in the state treasury. Moneys within the automation administration fund shall be used to meet the costs related to automation of the department and the administrative costs related to collecting and accounting for unemployment compensation benefit reserve fund revenue. Any funds remaining in the automation administration fund upon completion of the department's automation projects that are funded by that fund shall be deposited into the unemployment trust fund established pursuant to section 4141.09 of the Revised Code.

~~(J) The director shall prepare and submit monthly reports to the unemployment~~

~~compensation advisory commission with respect to the status of efforts to collect and account for unemployment compensation benefit reserve fund revenue and the costs related to collecting and accounting for that revenue. The director shall obtain approval from the unemployment compensation advisory commission for expenditure of funds from the department of job and family services automation administration fund. Funds may be approved~~ approve funds for expenditure for purposes set forth in division (I) of this section only to the extent that federal or other funds are not available.

(B) A fee of eighty-one dollars shall accompany the application, which fee includes the fee for the initial year of the licensing period, if a license is issued. (3) Has not, during any period in which the applicant was licensed under this chapter, violated any provision of, or any rule adopted pursuant to this chapter, or, if the applicant has violated such provision or rule, has established to the satisfaction of the superintendent that the applicant will not again violate such provision or rule;

(H) Only for noncredit course offerings, an institution of higher education shall obtain approval from the appropriate state authorizing entity prior to offering a real estate course that is designed and marketed as satisfying the salesperson license education requirements of division (F)(6) of this section. If proof of completion of the required instruction is not submitted within twelve months of the date a license is issued under this section, the licensee's license is suspended automatically without the taking of any action by the superintendent. The superintendent immediately shall notify the broker with whom such salesperson is associated of the suspension of the salesperson's license.

A salesperson whose license has been suspended under this division shall have twelve months after the date of the suspension of the salesperson's license to submit proof of successful completion of the instruction required under this division. No such license shall be reactivated by the superintendent until it is established, to the satisfaction of the superintendent, that the requirements of this division have been met and that the licensee is in compliance with this chapter. A licensee's license is revoked automatically without the taking of any action by the superintendent when the licensee fails to submit the required proof of completion of the education requirements under division (I) of this section within twelve months of the date the license is suspended.

(K) Examinations shall be administered with reasonable accommodations in accordance with the requirements of the "Americans with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C. 12189. The superintendent ~~or the~~ chancellor of higher education, ~~or the board~~ may request from the institution any information the superintendent ~~or~~ chancellor, ~~or board~~ considers necessary to perform this review.

Sec. 4738.05. At the time the registrar of motor vehicles grants the application of any person for a license under this chapter, the registrar shall issue to the person a license that shall have provisional status for a period of one hundred eighty days from the date of issuance. At the end of that period and subject to the results of the inspection described in section 4738.071 of the Revised Code of the place of business of the license holder, the license either shall be revoked or shall remain valid and no longer have provisional status. In the case of an individual, the application shall state the applicant's name, birth date, citizenship, current residence, residences for the preceding ten years, current employment, employment for the preceding seven years, experience qualifications, the location of each of the applicant's offices in this state, and any other information that is necessary in order for the director to comply with the requirements of this chapter. transact business; the name of its qualifying agent; the name of the officer or qualifying agent of the corporation who satisfies the requirements of divisions (A)(1) and (F)(1) of this section and the birth date, citizenship, physical description, current residence, residences for the preceding ten years, current employment, employment for the preceding seven years, and experience qualifications of that officer or qualifying agent; and other information that the director requires. The application described in this division shall be accompanied by both of the following:

(1) References from at least five reputable citizens for the applicant or, in the case of a corporation, for each officer or qualifying agent specified in the application as satisfying the requirements of divisions (A)(1) and (F)(1) of this section, each of whom has known the applicant, officer, or qualifying agent for at least five years preceding the application, and none of whom are connected with the applicant, officer, or qualifying agent by blood or marriage;

(2) An examination fee of twenty-five dollars for the applicant or, in the case of a corporation, for each officer or qualifying agent specified in the application as satisfying the requirements of divisions (A)(1) and (F)(1) of this section, and a license fee in the amount the director determines, not to exceed ~~three~~two hundred ~~seventy-five~~ dollars. The license fee shall be refunded if a license is not issued.

(C)(1) Each individual applying for a license and each individual specified by a corporation as an officer or qualifying agent in an application shall submit one complete set of fingerprints directly to the superintendent of the bureau of criminal identification and investigation for the purpose of conducting a criminal records check. The individual shall provide the fingerprints using a method the superintendent prescribes pursuant to division (C)(2) of section 109.572 of the Revised Code and fill out the form the superintendent prescribes pursuant to division (C)(1) of section 109.572 of the Revised Code. An applicant who intends to carry a firearm as defined in section 2923.11 of the Revised Code in the course of business or employment shall so notify the superintendent. This notification is in addition to any other requirement related to carrying a firearm that applies to the applicant. The individual or corporation requesting the criminal records check shall pay the fee the superintendent prescribes.

(2) The superintendent shall conduct the criminal records check as set forth in division (B) of section 109.572 of the Revised Code. If an applicant intends to carry a firearm in the course of business or employment, the superintendent shall make a request to the federal bureau of investigation for any information and review the information the bureau provides pursuant to division (B)(2) of section 109.572 of the Revised Code. The superintendent shall submit all results of the completed investigation to the director of public safety.

(3) If the director determines that the applicant, officer, or qualifying agent meets the requirements of divisions (A)(1)(a), (b), and (d) of this section and that an officer or qualifying agent meets the requirement of division (F)(1) of this section, the director shall notify the applicant,

officer, or agent of the time and place for the examination. If the director determines that an applicant does not meet the requirements of divisions (A)(1)(a), (b), and (d) of this section, the director shall notify the applicant that the applicant's application is refused and refund the license fee. If the director determines that none of the individuals specified in the application of a corporation as satisfying the requirements of divisions (A)(1) and (F)(1) of this section meet the requirements of divisions (A)(1)(a), (b), and (d) and (F)(1) of this section, the director shall notify the corporation that its application is refused and refund the license fee. If the bureau assesses the director a fee for any investigation, the director, in addition to any other fee assessed pursuant to this chapter, may assess the applicant, officer, or qualifying agent, as appropriate, a fee that is equal to the fee assessed by the bureau.

(4)(a) Subject to division (C)(4)(c) of this section, the director shall not adopt, maintain, renew, or enforce any rule, or otherwise preclude in any way, an individual from renewing a license under this chapter due to any past criminal activity or interpretation of moral character. If the director denies an individual a license renewal, the reasons for such denial shall be put in writing.

(b) The director may refuse to issue a license to an applicant because of a conviction or plea of guilty to an offense if the refusal is in accordance with section 9.79 of the Revised Code.

(c) In considering a renewal of an individual's license, the director shall not consider any conviction or plea of guilty prior to the initial licensing. However, the director may consider a conviction or plea of guilty if it occurred after the individual was initially licensed, or after the most recent license renewal.

(d) The director may grant an individual a conditional license that lasts for one year. After the one-year period has expired, the license is no longer considered conditional, and the individual shall be considered fully licensed.

(D) If upon application, investigation, and examination, the director finds that the applicant or, in the case of a corporation, any officer or qualifying agent specified in the application as satisfying the requirements of divisions (A)(1) and (F)(1) of this section, meets the applicable requirements, the director shall issue the applicant or the corporation a class A, B, or C license. The license and identification card shall state the licensee's name, the classification of the license, the location of the licensee's principal place of business in this state, and the expiration date of the license, and, in the case of a corporation, it also shall state the name of each officer or qualifying agent who satisfied the requirements of divisions (A)(1) and (F)(1) of this section.

Licenses issued before the effective date of this amendment expire on the first day of March following the date of initial issue, and on the first day of March of each year every two years thereafter. Licenses issued on or after the effective date of this amendment expire two years after the date of initial issue. Annual renewals—Renewals shall be according to the standard renewal procedures contained in Chapter 4745. of the Revised Code, upon payment of an annual a renewal

fee the director determines, not to exceed ~~two-five~~ hundred ~~seventy-five-fifty~~ dollars. No license shall be renewed if the licensee or, in the case of a corporation, each officer or qualifying agent who qualified the corporation for licensure no longer meets the applicable requirements of this section. No license shall be renewed unless the licensee provides evidence of workers' compensation risk coverage and unemployment compensation insurance coverage, other than for clerical employees and excepting sole proprietors who are exempted therefrom, as provided for in Chapters 4123. and 4141. of the Revised Code, respectively, as well as the licensee's state tax identification number. No reexamination shall be required for renewal of a current license.

For purposes of this chapter, a class A, B, or C license issued to a corporation shall be considered as also having licensed the individuals who qualified the corporation for licensure, for as long as they are associated with the corporation.

For purposes of this division, "sole proprietor" means an individual licensed under this chapter who does not employ any other individual.

(E) The director may issue a duplicate copy of a license issued under this section for the purpose of replacement of a lost, spoliated, or destroyed license, upon payment of a fee the director determines, not exceeding twenty-five dollars. Any change in license classification requires new application and application fees.

(F)(1) In order to qualify a corporation for a class A, B, or C license, an officer or qualifying agent may qualify another corporation for similar licensure, provided that the officer or qualifying agent is actively engaged in the business of both corporations.

(2) Each officer or qualifying agent who qualifies a corporation for class A, B, or C licensure shall surrender any personal license of a similar nature that the officer or qualifying agent possesses.

(3) Upon written notification to the director, completion of an application similar to that for original licensure, surrender of the corporation's current license, and payment of a twenty-five-dollar fee, a corporation's class A, B, or C license may be transferred to another corporation.

(4) Upon written notification to the director, completion of an application similar to that for an individual seeking class A, B, or C licensure, payment of a twenty-five-dollar fee, and, if the individual was the only individual that qualified a corporation for licensure, surrender of the corporation's license, any officer or qualifying agent who qualified a corporation for licensure under this chapter may obtain a similar license in the individual's own name without reexamination. A request by an officer or qualifying agent for an individual license shall not affect a corporation's license unless the individual is the only individual that qualified the corporation for licensure or all the other individuals who qualified the corporation for licensure submit such requests.

(G) If a corporation is for any reason no longer associated with an individual who qualified it for licensure under this chapter, an officer of the corporation shall notify the director of that fact by certified mail, return receipt requested, within ten days after the association terminates. If the notification is so given, the individual was the only individual that qualified the corporation for licensure, and the corporation submits the name of another officer or qualifying agent to qualify the

corporation for the license within thirty days after the association terminates, the corporation may continue to operate in the business of private investigation, the business of security services, or both businesses in this state under that license for ninety days after the association terminates. If the officer or qualifying agent whose name is submitted satisfies the requirements of divisions (A)(1) and (F)(1) of this section, the director shall issue a new license to the corporation within that ninety-day period. The names of more than one individual may be submitted.

Sec. 4763.05. (A)(1)(a) A person shall make application for an initial state-certified general real estate appraiser certificate, an initial state-certified residential real estate appraiser certificate, an initial state-licensed residential real estate appraiser license, or an initial state-registered real estate appraiser assistant registration in writing to the superintendent of real estate on a form the superintendent prescribes. The application shall include the address of the applicant's principal place of business and all other addresses at which the applicant currently engages in the business of performing real estate appraisals and the address of the applicant's current residence. The superintendent shall retain the applicant's current residence address in a separate record which does not constitute a public record for purposes of section 149.43 of the Revised Code. The application shall indicate whether the applicant seeks certification as a general real estate appraiser or as a residential real estate appraiser, licensure as a residential real estate appraiser, or registration as a real estate appraiser assistant and be accompanied by the prescribed examination and certification, registration, or licensure fees set forth in section 4763.09 of the Revised Code. The application also shall include a pledge, signed by the applicant, that the applicant will comply with the standards set forth in this chapter; and a statement that the applicant understands the types of misconduct for which disciplinary proceedings may be initiated against the applicant pursuant to this chapter.

(b) Upon the filing of an application and payment of any examination and certification, registration, or licensure fees, the superintendent of real estate shall request the superintendent of the bureau of criminal identification and investigation, or a vendor approved by the bureau, to conduct a criminal records check based on the applicant's fingerprints in accordance with section 109.572 of the Revised Code. Notwithstanding division (L) of section 121.08 of the Revised Code, the superintendent of real estate shall request that criminal record information from the federal bureau of investigation be obtained as part of the criminal records check. Any fee required under division (C) (3) of section 109.572 of the Revised Code shall be paid by the applicant.

(2) For purposes of providing funding for the real estate appraiser recovery fund established by section 4763.16 of the Revised Code, the real estate appraiser board shall levy an assessment against each person issued an initial certificate, registration, or license and against current licensees, registrants, and certificate holders, as required by board rule. The assessment is in addition to the application and examination fees for initial applicants required by division (A)(1) of this section and the renewal fees required for current certificate holders, registrants, and licensees. The superintendent of real estate shall deposit the assessment into the state treasury to the credit of the real estate appraiser recovery fund. The assessment for initial certificate holders, registrants, and

licensees shall be paid prior to the issuance of a certificate, registration, or license, and for current certificate holders, registrants, and licensees, at the time of renewal.

(B) An applicant for an initial general real estate appraiser certificate, residential real estate appraiser certificate, or residential real estate appraiser license shall possess experience in real estate appraisal as the board prescribes by rule. In addition to any other information required by the board, the applicant shall furnish, under oath, a detailed listing of the appraisal reports or file memoranda for each year for which experience is claimed and, upon request of the superintendent or the board, shall make available for examination a sample of the appraisal reports prepared by the applicant in the course of the applicant's practice.

(C) An applicant for an initial certificate, registration, or license shall be at least eighteen years of age, honest, and truthful and shall present satisfactory evidence to the superintendent that the applicant has successfully completed any education requirements the board prescribes by rule.

(D) An applicant for an initial general real estate appraiser or residential real estate appraiser certificate or residential real estate appraiser license shall take and successfully complete a written examination in order to qualify for the certificate or license.

The board shall prescribe the examination requirements by rule.

(E)(1) The board shall issue a residential real estate appraiser license, a residential real estate appraiser certificate, real estate appraiser assistant registration, or a general real estate appraiser certificate in accordance with Chapter 4796. of the Revised Code to an applicant if either of the following applies:

(a) The applicant holds a certificate, license, or registration in another state.

(b) The applicant has satisfactory work experience, a government certification, or a private certification as described in that chapter as a residential real estate appraiser, real estate appraiser assistant, or general real estate appraiser in a state that does not issue that certificate, license, or registration.

(2)(a) The board shall recognize on a temporary basis a certification or license issued in another state and shall register on a temporary basis an appraiser who is certified or licensed in another state if all of the following apply:

(i) The temporary registration is to perform an appraisal assignment that is part of a federally related transaction.

(ii) The appraiser's business in this state is of a temporary nature.

(iii) The appraiser registers with the board pursuant to this division.

(b) An appraiser who is certified or licensed in another state shall register with the board for temporary practice before performing an appraisal assignment in this state in connection with a federally related transaction.

(c) The board shall adopt rules relating to registration for the temporary recognition of certification and licensure of appraisers from another state. The registration for temporary recognition of certified or licensed appraisers from another state shall not authorize completion of

more than one appraisal assignment in this state. The board shall not issue more than two registrations for temporary practice to any one applicant in any calendar year. The application for obtaining a registration under this division may include any of the following:

(i) A pledge, signed by the applicant, that the applicant will comply with the standards set forth in this chapter;

(ii) A statement that the applicant understands the types of misconduct for which disciplinary proceedings may be initiated against the applicant pursuant to this chapter;

(iii) A consent to service of process.

(d) A nonresident appraiser whose certification or license has been recognized by the board on a temporary basis and who is acting in accordance with this section and the board's rules is not required to obtain a license in accordance with Chapter 4796. of the Revised Code.

(F) The superintendent shall not issue a certificate, registration, or license to, or recognize on a temporary basis an appraiser from another state that is a corporation, partnership, or association. This prohibition shall not be construed to prevent a certificate holder or licensee from signing an appraisal report on behalf of a corporation, partnership, or association.

(G) Every person licensed, registered, or certified under this chapter shall notify the superintendent, on a form provided by the superintendent, of a change in the address of the licensee's, registrant's, or certificate holder's principal place of business or residence within thirty days of the change. If a licensee's, registrant's, or certificate holder's license, registration, or certificate is revoked or not renewed, the licensee, registrant, or certificate holder immediately shall return the ~~annual and any renewal~~ certificate, registration, or license to the superintendent.

(H)(1) The superintendent shall not issue a certificate, registration, or license to any person, or recognize on a temporary basis an appraiser from another state, who does not meet applicable minimum criteria for state certification, registration, or licensure prescribed by federal law or rule.

(2) The superintendent shall not refuse to issue a general real estate appraiser certificate, residential real estate appraiser certificate, residential real estate appraiser license, or real estate appraiser assistant registration to any person because of a conviction of or plea of guilty to any criminal offense unless the refusal is in accordance with section 9.79 of the Revised Code.

Sec. 4763.06. (A) A person licensed, registered, or certified under this chapter may obtain a renewal certificate, registration, or license by filing a renewal application with and paying the renewal fee set forth in section 4763.09 of the Revised Code and any amount assessed pursuant to division (A)(2) of section 4763.05 of the Revised Code to the superintendent of real estate. The renewal application shall include a statement, signed by the certificate holder, registrant, or licensee, that the certificate holder, registrant, or licensee has not, ~~during the immediately preceding twelve-month period,~~ been convicted of or pleaded guilty to any criminal offense described in division (H) (2) of section 4763.05 of the Revised Code since the issuance or renewal of the individual's most recent certificate, registration, or license. The certificate holder, registrant, or licensee shall file the renewal application at least thirty days, but no earlier than one hundred twenty days, prior to

expiration of the certificate holder's, registrant's, or licensee's current certificate, registration, or license. The superintendent shall establish a method by which a certificate holder, registrant, or licensee may electronically file the renewal application and pay the fee and the assessed amount required for renewal.

(B) A certificate holder, registrant, or licensee who fails to renew a certificate, registration, or license prior to its expiration is ineligible to obtain a renewal certificate, registration, or license and shall comply with section 4763.05 of the Revised Code in order to regain certification, registration, or licensure, except that a certificate holder, registrant, or licensee may renew the certificate, registration, or license without having to comply with section 4763.05 of the Revised Code by doing either of the following:

(1) Filing a renewal application and submitting payment of all fees for renewal and payment of the late filing fee set forth in section 4763.09 of the Revised Code within three months after the expiration of the certificate holder's, registrant's, or licensee's certificate, registration, or license;
