rehabilitation tax credit certificates; 406

(2) Criteria for reviewing, evaluating, and approving 407
applications for certificates within the limitations under 408
division (D) of this section, criteria for assuring that the 409
certificates issued encompass a mixture of high and low 410
qualified rehabilitation expenditures, and criteria for issuing 411
certificates under division (C) (3) (b) of this section; 412

(3) Eligibility requirements for obtaining a certificate 413
under this section; 414

(4) The form of rehabilitation tax credit certificates; 415

(5) Reporting requirements and monitoring procedures; 416

(6) Procedures and criteria for conducting cost-benefit 417
analyses of historic buildings that are the subjects of 418
applications filed under this section. The purpose of a cost- 419
benefit analysis shall be to determine whether rehabilitation of 420
the historic building will result in a net revenue gain in state 421
and local taxes once the building is used. 422

(7) Any other rules necessary to implement and administer 423
this section. 424

(C) The director shall review the applications with the assistance of the state historic preservation officer and determine whether all of the following criteria are met:

(1) That the building that is the subject of the application is an historic building and the applicant is the owner or qualified lessee of the building;

(2) That the rehabilitation will satisfy standards prescribed by the United States secretary of the interior under 16 U.S.C. 470, et seq., as amended, and 36 C.F.R. 67.7 or a successor to that section;

(3) That receiving a rehabilitation tax credit certificate under this section is a major factor in:

(a) The applicant's decision to rehabilitate the historic building; or

(b) To increase the level of investment in such rehabilitation.

(4) The historic building that is the subject of the application is not, and will not upon completion of the rehabilitation project be, part of a qualified low-income housing project allocated a tax credit pursuant to section 42 of the Internal Revenue Code.

An applicant shall demonstrate to the satisfaction of the state historic preservation officer and director that the rehabilitation will satisfy the standards described in division (C) (2) of this section before the applicant begins the physical rehabilitation of the historic building.

(D) (1) If the director determines that an application meets the criteria in division (C) of this section, the director

shall conduct a cost-benefit analysis for the historic building 453
that is the subject of the application to determine whether 454
rehabilitation of the historic building will result in a net 455
revenue gain in state and local taxes once the building is used. 456
The director shall consider the results of the cost-benefit 457
analysis in determining whether to approve the application. The 458
director shall also consider the potential economic impact and 459
the regional distributive balance of the credits throughout the 460
state. The director shall not consider whether the historic 461
building is located in or will benefit an economically 462
distressed area, including by weighting preference based on the 463
poverty rate in the jurisdiction or census tract in which the 464
building is located. The director may approve an application 465
only after completion of the cost-benefit analysis. 466

(2) A rehabilitation tax credit certificate shall not be 467
issued for an amount greater than the estimated amount furnished 468
by the applicant on the application for such certificate and 469
approved by the director. The director shall not approve more 470
than a total of one hundred twenty million dollars of 471
rehabilitation tax credits for each of fiscal years 2023 and 472
2024, and sixty million dollars of rehabilitation tax credits 473
for each fiscal year thereafter but the director may reallocate 474
unused tax credits from a prior fiscal year for new applicants 475
and such reallocated credits shall not apply toward the dollar 476
limit of this division. 477

(3) For rehabilitations with a rehabilitation period not 478
exceeding twenty-four months as provided in division (A) (8) (a) 479
of this section, a rehabilitation tax credit certificate shall 480
not be issued before the rehabilitation of the historic building 481
is completed. 482

(4) For rehabilitations with a rehabilitation period not exceeding sixty months as provided in division (A) (8) (b) of this section, a rehabilitation tax credit certificate shall not be issued before a stage of rehabilitation is completed. After all stages of rehabilitation are completed, if the director cannot determine that the criteria in division (C) of this section are satisfied for all stages of rehabilitations, the director shall certify this finding to the tax commissioner, and any rehabilitation tax credits received by the applicant shall be repaid by the applicant and may be collected by assessment as unpaid tax by the commissioner.

(5) The director shall require the applicant to provide a third-party cost certification by a certified public accountant of the actual costs attributed to the rehabilitation of the historic building when qualified rehabilitation expenditures exceed two hundred thousand dollars.

If an applicant whose application is approved for receipt of a rehabilitation tax credit certificate fails to provide to the director sufficient evidence of reviewable progress, including a viable financial plan, copies of final construction drawings, and evidence that the applicant has obtained all historic approvals within twelve months after the date the applicant received notification of approval, and if the applicant fails to provide evidence to the director that the applicant has secured and closed on financing for the rehabilitation within eighteen months after receiving notification of approval, the director may rescind the approval of the application. The director shall notify the applicant if the approval has been rescinded. Credits that would have been available to an applicant whose approval was rescinded shall be available for other qualified applicants. Nothing in this

division prohibits an applicant whose approval has been 514
rescinded from submitting a new application for a rehabilitation 515
tax credit certificate. 516

(6) The director may approve the application of, and issue 517
a rehabilitation tax credit certificate to, the owner of a 518
catalytic project, provided the application otherwise meets the 519
criteria described in divisions (C) and (D) of this section. The 520
director may not approve more than one application for a 521
rehabilitation tax credit certificate under division (D) (6) of 522
this section during each state fiscal biennium. The director 523
shall not approve an application for a rehabilitation tax credit 524
certificate under division (D) (6) of this section during the 525
state fiscal biennium beginning July 1, 2017, or during any 526
state fiscal biennium thereafter. The director shall consider 527
the following criteria in determining whether to approve an 528
application for a certificate under division (D) (6) of this 529
section: 530

(a) Whether the historic building is a catalytic project; 531

(b) The effect issuance of the certificate would have on 532
the availability of credits for other applicants that qualify 533
for a credit certificate within the credit dollar limit 534
described in division (D) (2) of this section; 535

(c) The number of jobs, if any, the catalytic project will 536
create. 537

(7) (a) The owner or qualified lessee of a historic 538
building may apply for a rehabilitation tax credit certificate 539
under both divisions (B) and (D) (6) of this section. In such a 540
case, the director shall consider each application at the time 541
the application is submitted. 542

(b) The director shall not issue more than one certificate 543
under this section with respect to the same qualified 544
rehabilitation expenditures. 545

(8) The director shall give consideration for tax credits 546
awarded under this section to rehabilitations of historic 547
buildings used as a theater before, and intended to be used as a 548
theater after, the rehabilitation. In determining whether to 549
approve an application for such a rehabilitation, the director 550
shall consider the extent to which the rehabilitation will 551
increase attendance at the theater and increase the theater's 552
gross revenue. 553

(9) The director shall rescind the approval of any 554
application if the building that is the subject of the 555
application is part of a qualified low-income housing project 556
allocated a tax credit pursuant to section 42 of the Internal 557
Revenue Code at any time before the building's rehabilitation is 558
complete. 559

(E) Issuance of a certificate represents a finding by the 560
director of the matters described in divisions (C) (1), (2), and 561
(3) of this section only; issuance of a certificate does not 562
represent a verification or certification by the director of the 563
amount of qualified rehabilitation expenditures for which a tax 564
credit may be claimed under section 5725.151, 5725.34, 5726.52, 565
5729.17, 5733.47, or 5747.76 of the Revised Code. The amount of 566
qualified rehabilitation expenditures for which a tax credit may 567
be claimed is subject to inspection and examination by the tax 568
commissioner or employees of the commissioner under section 569
5703.19 of the Revised Code and any other applicable law. Upon 570
the issuance of a certificate, the director shall certify to the 571
tax commissioner, in the form and manner requested by the tax 572

commissioner, the name of the applicant, the amount of qualified 573
rehabilitation expenditures shown on the certificate, and any 574
other information required by the rules adopted under this 575
section. 576

(F) (1) On or before the first day of August each year, the 577
director and tax commissioner jointly shall submit to the 578
president of the senate and the speaker of the house of 579
representatives a report on the tax credit program established 580
under this section and sections 5725.151, 5725.34, 5726.52, 581
5729.17, 5733.47, and 5747.76 of the Revised Code. The report 582
shall present an overview of the program and shall include 583
information on the number of rehabilitation tax credit 584
certificates issued under this section during the preceding 585
fiscal year, an update on the status of each historic building 586
for which an application was approved under this section, the 587
dollar amount of the tax credits granted under sections 588
5725.151, 5725.34, 5726.52, 5729.17, 5733.47, and 5747.76 of the 589
Revised Code, and any other information the director and 590
commissioner consider relevant to the topics addressed in the 591
report. 592

(2) On or before December 1, 2015, the director and tax 593
commissioner jointly shall submit to the president of the senate 594
and the speaker of the house of representatives a comprehensive 595
report that includes the information required by division (F) (1) 596
of this section and a detailed analysis of the effectiveness of 597
issuing tax credits for rehabilitating historic buildings. The 598
report shall be prepared with the assistance of an economic 599
research organization jointly chosen by the director and 600
commissioner. 601

(G) There is hereby created in the state treasury the 602

historic rehabilitation tax credit operating fund. The director 603
is authorized to charge reasonable application and other fees in 604
connection with the administration of tax credits authorized by 605
this section and sections 5725.151, 5725.34, 5726.52, 5729.17, 606
5733.47, and 5747.76 of the Revised Code. Any such fees 607
collected shall be credited to the fund and used to pay 608
reasonable costs incurred by the department of development in 609
administering this section and sections 5725.151, 5725.34, 610
5726.52, 5729.17, 5733.47, and 5747.76 of the Revised Code. 611

The Ohio historic preservation office is authorized to 612
charge reasonable fees in connection with its review and 613
approval of applications under this section. Any such fees 614
collected shall be credited to the fund and used to pay 615
administrative costs incurred by the Ohio historic preservation 616
office pursuant to this section. 617

(H) Notwithstanding sections 5725.151, 5725.34, 5726.52, 618
5729.17, 5733.47, and 5747.76 of the Revised Code, the 619
certificate owner of a tax credit certificate issued under 620
division (D) (6) of this section may claim a tax credit equal to 621
twenty-five per cent of the dollar amount indicated on the 622
certificate for a total credit of not more than twenty-five 623
million dollars. The credit claimed by such a certificate owner 624
for any calendar year, tax year, or taxable year under section 625
5725.151, 5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the 626
Revised Code shall not exceed five million dollars. If the 627
certificate owner is eligible for more than five million dollars 628
in total credits, the certificate owner may carry forward the 629
balance of the credit in excess of the amount claimed for that 630
year for not more than five ensuing calendar years, tax years, 631
or taxable years. If the credit claimed in any calendar year, 632
tax year, or taxable year exceeds the tax otherwise due, the 633

excess shall be refunded to the taxpayer. 634

(I) Notwithstanding sections 5725.151, 5725.34, 5726.52, 635
5729.17, 5733.47, and 5747.76 of the Revised Code, the following 636

September 13, 2022, and before July 1, 2024: 638

(1) The certificate holder may claim a tax credit equal to 639
thirty-five per cent of the dollar amount indicated on the tax 640
credit certificate if any county, township, or municipal 641
corporation within which the project is located has a population 642
of less than three hundred thousand according to the 2020 643
decennial census. The tax credit equals twenty-five per cent of 644
the dollar amount indicated on the certificate if the project is 645
not located within such a county, township, or municipal 646
corporation. 647

(2) The total tax credit claimed under section 5725.151, 648
5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the Revised 649
Code for any one project shall not exceed ten million dollars 650
for any calendar year, tax year, or taxable year. 651

(3) If the credit claimed in any calendar year, tax year, 652
or taxable year exceeds the tax otherwise due, the excess shall 653
be refunded to the taxpayer, subject to division (I)(2) of this 654
section. 655

(J) The director of development, in consultation with the 656
director of budget and management, shall develop and adopt a 657
system of tracking any information necessary to anticipate the 658
impact of credits issued under this section on tax revenues for 659
current and future fiscal years. Such information may include 660
the number of applications approved, the estimated 661
rehabilitation expenditures and rehabilitation period associated 662

with such applications, the number and amount of tax credit 663
certificates issued, and any other information the director of 664
budget and management requires for the purposes of this 665
division. 666

(K) For purposes of this section and Chapter 122:19-1 of 667
the Ohio Administrative Code, a tax credit certificate issued 668
under this section is effective on the date that all historic 669

section, upon request by any person, a public office or person 1211
responsible for public records shall make copies of the 1212
requested public record available to the requester at cost and 1213
within a reasonable period of time. If a public record contains 1214
information that is exempt from the duty to permit public 1215
inspection or to copy the public record, the public office or 1216
the person responsible for the public record shall make 1217
available all of the information within the public record that 1218
is not exempt. When making that public record available for 1219
public inspection or copying that public record, the public 1220
office or the person responsible for the public record shall 1221
notify the requester of any redaction or make the redaction 1222
plainly visible. A redaction shall be deemed a denial of a 1223
request to inspect or copy the redacted information, except if 1224
federal or state law authorizes or requires a public office to 1225
make the redaction. When the auditor of state receives a request 1226
to inspect or to make a copy of a record that was provided to 1227
the auditor of state for purposes of an audit, but the original 1228
public office has asserted to the auditor of state that the 1229
record is not a public record, the auditor of state may handle 1230
the requests by directing the requestor to the original public 1231
office that provided the record to the auditor of state. 1232

(2) To facilitate broader access to public records, a 1233
public office or the person responsible for public records shall 1234
organize and maintain public records in a manner that they can 1235
be made available for inspection or copying in accordance with 1236
division (B) of this section. A public office also shall have 1237
available a copy of its current records retention schedule at a 1238
location readily available to the public. If a requester makes 1239
an ambiguous or overly broad request or has difficulty in making 1240
a request for copies or inspection of public records under this 1241

section such that the public office or the person responsible 1242
for the requested public record cannot reasonably identify what 1243
public records are being requested, the public office or the 1244
person responsible for the requested public record may deny the 1245
request but shall provide the requester with an opportunity to 1246
revise the request by informing the requester of the manner in 1247
which records are maintained by the public office and accessed 1248
in the ordinary course of the public office's or person's 1249
duties. 1250

(3) If a request is ultimately denied, in part or in 1251
whole, the public office or the person responsible for the 1252
requested public record shall provide the requester with an 1253
explanation, including legal authority, setting forth why the 1254
request was denied. If the initial request was provided in 1255
writing, the explanation also shall be provided to the requester 1256
in writing. The explanation shall not preclude the public office 1257
or the person responsible for the requested public record from 1258
relying upon additional reasons or legal authority in defending 1259
an action commenced under division (C) of this section. 1260

(4) Unless specifically required or authorized by state or 1261
federal law or in accordance with division (B) of this section, 1262
no public office or person responsible for public records may 1263
limit or condition the availability of public records by 1264
requiring disclosure of the requester's identity or the intended 1265
use of the requested public record. Any requirement that the 1266
requester disclose the requester's identity or the intended use 1267
of the requested public record constitutes a denial of the 1268
request. 1269

(5) A public office or person responsible for public 1270
records may ask a requester to make the request in writing, may 1271

ask for the requester's identity, and may inquire about the 1272
intended use of the information requested, but may do so only 1273
after disclosing to the requester that a written request is not 1274
mandatory, that the requester may decline to reveal the 1275
requester's identity or the intended use, and when a written 1276
request or disclosure of the identity or intended use would 1277
benefit the requester by enhancing the ability of the public 1278
office or person responsible for public records to identify, 1279
locate, or deliver the public records sought by the requester. 1280

(6) If any person requests a copy of a public record in 1281
accordance with division (B) of this section, the public office 1282
or person responsible for the public record may require the 1283
requester to pay in advance the cost involved in providing the 1284
copy of the public record in accordance with the choice made by 1285
the requester under this division. The public office or the 1286
person responsible for the public record shall permit the 1287
requester to choose to have the public record duplicated upon 1288
paper, upon the same medium upon which the public office or 1289
person responsible for the public record keeps it, or upon any 1290
other medium upon which the public office or person responsible 1291
for the public record determines that it reasonably can be 1292
duplicated as an integral part of the normal operations of the 1293
public office or person responsible for the public record. When 1294
the requester makes a choice under this division, the public 1295
office or person responsible for the public record shall provide 1296
a copy of it in accordance with the choice made by the 1297
requester. Nothing in this section requires a public office or 1298
person responsible for the public record to allow the requester 1299
of a copy of the public record to make the copies of the public 1300
record. 1301

(7) (a) Upon a request made in accordance with division (B) 1302

of this section and subject to division (B) (6) of this section, 1303
a public office or person responsible for public records shall 1304
transmit a copy of a public record to any person by United 1305
States mail or by any other means of delivery or transmission 1306
within a reasonable period of time after receiving the request 1307
for the copy. The public office or person responsible for the 1308
public record may require the person making the request to pay 1309
in advance the cost of postage if the copy is transmitted by 1310
United States mail or the cost of delivery if the copy is 1311
transmitted other than by United States mail, and to pay in 1312
advance the costs incurred for other supplies used in the 1313
mailing, delivery, or transmission. 1314

(b) Any public office may adopt a policy and procedures 1315
that it will follow in transmitting, within a reasonable period 1316
of time after receiving a request, copies of public records by 1317
United States mail or by any other means of delivery or 1318
transmission pursuant to division (B) (7) of this section. A 1319
public office that adopts a policy and procedures under division 1320
(B) (7) of this section shall comply with them in performing its 1321
duties under that division. 1322

(c) In any policy and procedures adopted under division 1323
(B) (7) of this section: 1324

(i) A public office may limit the number of records 1325
requested by a person that the office will physically deliver by 1326
United States mail or by another delivery service to ten per 1327
month, unless the person certifies to the office in writing that 1328
the person does not intend to use or forward the requested 1329
records, or the information contained in them, for commercial 1330
purposes; 1331

(ii) A public office that chooses to provide some or all 1332

of its public records on a web site that is fully accessible to 1333
and searchable by members of the public at all times, other than 1334
during acts of God outside the public office's control or 1335
maintenance, and that charges no fee to search, access, 1336
download, or otherwise receive records provided on the web site, 1337
may limit to ten per month the number of records requested by a 1338
person that the office will deliver in a digital format, unless 1339
the requested records are not provided on the web site and 1340
unless the person certifies to the office in writing that the 1341
person does not intend to use or forward the requested records, 1342
or the information contained in them, for commercial purposes. 1343

(iii) For purposes of division (B) (7) of this section, 1344
"commercial" shall be narrowly construed and does not include 1345
reporting or gathering news, reporting or gathering information 1346
to assist citizen oversight or understanding of the operation or 1347
activities of government, or nonprofit educational research. 1348

(8) A public office or person responsible for public 1349

criminal investigation or prosecution or concerning what would 1353
be a criminal investigation or prosecution if the subject of the 1354
investigation or prosecution were an adult, unless the request 1355
to inspect or to obtain a copy of the record is for the purpose 1356
of acquiring information that is subject to release as a public 1357
record under this section and the judge who imposed the sentence 1358
or made the adjudication with respect to the person, or the 1359
judge's successor in office, finds that the information sought 1360
in the public record is necessary to support what appears to be 1361
a justiciable claim of the person. 1362

(9) (a) Upon written request made and signed by a 1363
journalist, a public office, or person responsible for public 1364
records, having custody of the records of the agency employing a 1365
specified designated public service worker shall disclose to the 1366
journalist the address of the actual personal residence of the 1367
designated public service worker and, if the designated public 1368
service worker's spouse, former spouse, or child is employed by 1369
a public office, the name and address of the employer of the 1370
designated public service worker's spouse, former spouse, or 1371
child. The request shall include the journalist's name and title 1372
and the name and address of the journalist's employer and shall 1373
state that disclosure of the information sought would be in the 1374
public interest. 1375

(b) Division (B) (9) (a) of this section also applies to 1376
journalist requests for: 1377

(i) Customer information maintained by a municipally owned 1378
or operated public utility, other than social security numbers 1379
and any private financial information such as credit reports, 1380
payment methods, credit card numbers, and bank account 1381
information; 1382

(ii) Information about minors involved in a school vehicle 1383
accident as provided in division (A) (1) (gg) of this section, 1384
other than personal information as defined in section 149.45 of 1385
the Revised Code. 1386

(c) As used in division (B) (9) of this section, 1387
"journalist" means a person engaged in, connected with, or 1388
employed by any news medium, including a newspaper, magazine, 1389
press association, news agency, or wire service, a radio or 1390
television station, or a similar medium, for the purpose of 1391
gathering, processing, transmitting, compiling, editing, or 1392

disseminating information for the general public. 1393

(10) Upon a request made by a victim, victim's attorney, 1394
or victim's representative, as that term is used in section 1395
2930.02 of the Revised Code, a public office or person 1396
responsible for public records shall transmit a copy of a 1397
depiction of the victim as described in division (A) (1) (ii) of 1398
this section to the victim, victim's attorney, or victim's 1399
representative. 1400

(C) (1) If a person allegedly is aggrieved by the failure 1401
of a public office or the person responsible for public records 1402
to promptly prepare a public record and to make it available to 1403
the person for inspection in accordance with division (B) of 1404
this section or by any other failure of a public office or the 1405
person responsible for public records to comply with an 1406
obligation in accordance with division (B) of this section, the 1407
person allegedly aggrieved may do only one of the following, and 1408
not both: 1409

(a) File a complaint with the clerk of the court of claims 1410
or the clerk of the court of common pleas under section 2743.75 1411
of the Revised Code; 1412

(b) Commence a mandamus action to obtain a judgment that 1413
orders the public office or the person responsible for the 1414
public record to comply with division (B) of this section, that 1415
awards court costs and reasonable attorney's fees to the person 1416
that instituted the mandamus action, and, if applicable, that 1417
includes an order fixing statutory damages under division (C) (2) 1418
of this section. The mandamus action may be commenced in the 1419
court of common pleas of the county in which division (B) of 1420
this section allegedly was not complied with, in the supreme 1421
court pursuant to its original jurisdiction under Section 2 of 1422

Article IV, Ohio Constitution, or in the court of appeals for 1423
the appellate district in which division (B) of this section 1424
allegedly was not complied with pursuant to its original 1425
jurisdiction under Section 3 of Article IV, Ohio Constitution. 1426

(2) If a requester transmits a written request by hand 1427
delivery, electronic submission, or certified mail to inspect or 1428
receive copies of any public record in a manner that fairly 1429
describes the public record or class of public records to the 1430
public office or person responsible for the requested public 1431
records, except as otherwise provided in this section, the 1432
requester shall be entitled to recover the amount of statutory 1433
damages set forth in this division if a court determines that 1434
the public office or the person responsible for public records 1435
failed to comply with an obligation in accordance with division 1436
(B) of this section. 1437

The amount of statutory damages shall be fixed at one 1438
hundred dollars for each business day during which the public 1439
office or person responsible for the requested public records 1440
failed to comply with an obligation in accordance with division 1441
(B) of this section, beginning with the day on which the 1442
requester files a mandamus action to recover statutory damages, 1443
up to a maximum of one thousand dollars. The award of statutory 1444
damages shall not be construed as a penalty, but as compensation 1445
for injury arising from lost use of the requested information. 1446
The existence of this injury shall be conclusively presumed. The 1447
award of statutory damages shall be in addition to all other 1448
remedies authorized by this section. 1449

The court may reduce an award of statutory damages or not 1450
award statutory damages if the court determines both of the 1451
following: 1452

(a) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section;

(b) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(3) In a mandamus action filed under division (C) (1) of this section, the following apply:

(a) (i) If the court orders the public office or the person responsible for the public record to comply with division (B) of this section, the court shall determine and award to the relator all court costs, which shall be construed as remedial and not punitive.

(ii) If the court makes a determination described in division (C) (3) (b) (iii) of this section, the court shall determine and award to the relator all court costs, which shall be construed as remedial and not punitive.

(b) If the court renders a judgment that orders the public office or the person responsible for the public record to comply with division (B) of this section or if the court determines any of the following, the court may award reasonable attorney's fees to the relator, subject to division (C) (4) of this section:

(i) The public office or the person responsible for the public records failed to respond affirmatively or negatively to the public records request in accordance with the time allowed under division (B) of this section.

(ii) The public office or the person responsible for the public records promised to permit the relator to inspect or receive copies of the public records requested within a specified period of time but failed to fulfill that promise within that specified period of time.

(iii) The public office or the person responsible for the public records acted in bad faith when the office or person voluntarily made the public records available to the relator for the first time after the relator commenced the mandamus action, but before the court issued any order concluding whether or not the public office or person was required to comply with division (B) of this section. No discovery may be conducted on the issue of the alleged bad faith of the public office or person responsible for the public records. This division shall not be construed as creating a presumption that the public office or the person responsible for the public records acted in bad faith when the office or person voluntarily made the public records available to the relator for the first time after the relator commenced the mandamus action, but before the court issued any order described in this division.

(c) The court shall not award attorney's fees to the

relator if the court determines both of the following: 1512

(i) That, based on the ordinary application of statutory 1513
law and case law as it existed at the time of the conduct or 1514
threatened conduct of the public office or person responsible 1515
for the requested public records that allegedly constitutes a 1516
failure to comply with an obligation in accordance with division 1517
(B) of this section and that was the basis of the mandamus 1518
action, a well-informed public office or person responsible for 1519
the requested public records reasonably would believe that the 1520
conduct or threatened conduct of the public office or person 1521
responsible for the requested public records did not constitute 1522
a failure to comply with an obligation in accordance with 1523
division (B) of this section; 1524

(ii) That a well-informed public office or person 1525
responsible for the requested public records reasonably would 1526
believe that the conduct or threatened conduct of the public 1527
office or person responsible for the requested public records 1528
would serve the public policy that underlies the authority that 1529
is asserted as permitting that conduct or threatened conduct. 1530

(4) All of the following apply to any award of reasonable 1531
attorney's fees awarded under division (C) (3) (b) of this 1532
section: 1533

(a) The fees shall be construed as remedial and not 1534
punitive. 1535

(b) The fees awarded shall not exceed the total of the 1536
reasonable attorney's fees incurred before the public record was 1537
made available to the relator and the fees described in division 1538
(C) (4) (c) of this section. 1539

(c) Reasonable attorney's fees shall include reasonable 1540

fees incurred to produce proof of the reasonableness and amount 1541
of the fees and to otherwise litigate entitlement to the fees. 1542

(d) The court may reduce the amount of fees awarded if the 1543
court determines that, given the factual circumstances involved 1544
with the specific public records request, an alternative means 1545
should have been pursued to more effectively and efficiently 1546
resolve the dispute that was subject to the mandamus action 1547
filed under division (C) (1) of this section. 1548

(5) If the court does not issue a writ of mandamus under 1549
division (C) of this section and the court determines at that 1550
time that the bringing of the mandamus action was frivolous 1551
conduct as defined in division (A) of section 2323.51 of the 1552
Revised Code, the court may award to the public office all court 1553
costs, expenses, and reasonable attorney's fees, as determined 1554
by the court. 1555

(D) Chapter 1347. of the Revised Code does not limit the 1556
provisions of this section. 1557

(E) (1) To ensure that all employees of public offices are 1558
appropriately educated about a public office's obligations under 1559
division (B) of this section, all elected officials or their 1560
appropriate designees shall attend training approved by the 1561
attorney general as provided in section 109.43 of the Revised 1562
Code. A future official may satisfy the requirements of this 1563
division by attending the training before taking office, 1564
provided that the future official may not send a designee in the 1565
future official's place. 1566

(2) All public offices shall adopt a public records policy 1567
in compliance with this section for responding to public records 1568
requests. In adopting a public records policy under this 1569

division, a public office may obtain guidance from the model 1570
public records policy developed and provided to the public 1571
office by the attorney general under section 109.43 of the 1572
Revised Code. Except as otherwise provided in this section, the 1573
policy may not limit the number of public records that the 1574
public office will make available to a single person, may not 1575
limit the number of public records that it will make available 1576
during a fixed period of time, and may not establish a fixed 1577
period of time before it will respond to a request for 1578
inspection or copying of public records, unless that period is 1579
less than eight hours. 1580

The public office shall distribute the public records 1581
policy adopted by the public office under this division to the 1582
employee of the public office who is the records custodian or 1583
records manager or otherwise has custody of the records of that 1584
office. The public office shall require that employee to 1585
acknowledge receipt of the copy of the public records policy. 1586
The public office shall create a poster that describes its 1587
public records policy and shall post the poster in a conspicuous 1588
place in the public office and in all locations where the public 1589
office has branch offices. The public office may post its public 1590
records policy on the internet web site of the public office if 1591
the public office maintains an internet web site. A public 1592
office that has established a manual or handbook of its general 1593
policies and procedures for all employees of the public office 1594
shall include the public records policy of the public office in 1595
the manual or handbook. 1596

(F) (1) The bureau of motor vehicles may adopt rules 1597
pursuant to Chapter 119. of the Revised Code to reasonably limit 1598
the number of bulk commercial special extraction requests made 1599
by a person for the same records or for updated records during a 1600

calendar year. The rules may include provisions for charges to 1601
be made for bulk commercial special extraction requests for the 1602
actual cost of the bureau, plus special extraction costs, plus 1603
ten per cent. The bureau may charge for expenses for redacting 1604

(2) As used in division (F)(1) of this section: 1606

(a) "Actual cost" means the cost of depleted supplies, 1607
records storage media costs, actual mailing and alternative 1608
delivery costs, or other transmitting costs, and any direct 1609
equipment operating and maintenance costs, including actual 1610
costs paid to private contractors for copying services. 1611

(b) "Bulk commercial special extraction request" means a 1612
request for copies of a record for information in a format other 1613
than the format already available, or information that cannot be 1614
extracted without examination of all items in a records series, 1615
class of records, or database by a person who intends to use or 1616
forward the copies for surveys, marketing, solicitation, or 1617
resale for commercial purposes. "Bulk commercial special 1618
extraction request" does not include a request by a person who 1619
gives assurance to the bureau that the person making the request 1620
does not intend to use or forward the requested copies for 1621
surveys, marketing, solicitation, or resale for commercial 1622
purposes. 1623

(c) "Commercial" means profit-seeking production, buying, 1624
or selling of any good, service, or other product. 1625

(d) "Special extraction costs" means the cost of the time 1626
spent by the lowest paid employee competent to perform the task, 1627
the actual amount paid to outside private contractors employed 1628
by the bureau, or the actual cost incurred to create computer 1629

programs to make the special extraction. "Special extraction 1630
costs" include any charges paid to a public agency for computer 1631
or records services. 1632

(3) For purposes of divisions (F) (1) and (2) of this 1633
section, "surveys, marketing, solicitation, or resale for 1634
commercial purposes" shall be narrowly construed and does not 1635
include reporting or gathering news, reporting or gathering 1636
information to assist citizen oversight or understanding of the 1637
operation or activities of government, or nonprofit educational 1638
research. 1639

(G) A request by a defendant, counsel of a defendant, or 1640
any agent of a defendant in a criminal action that public 1641
records related to that action be made available under this 1642
section shall be considered a demand for discovery pursuant to 1643
the Criminal Rules, except to the extent that the Criminal Rules 1644
plainly indicate a contrary intent. The defendant, counsel of 1645
the defendant, or agent of the defendant making a request under 1646
this division shall serve a copy of the request on the 1647
prosecuting attorney, director of law, or other chief legal 1648
officer responsible for prosecuting the action. 1649

(H) (1) Any portion of a body-worn camera or dashboard 1650
camera recording described in divisions (A) (17) (b) to (h) of 1651
this section may be released by consent of the subject of the 1652
recording or a representative of that person, as specified in 1653
those divisions, only if either of the following applies: 1654

(a) The recording will not be used in connection with any 1655
probable or pending criminal proceedings; 1656

(b) The recording has been used in connection with a 1657
criminal proceeding that was dismissed or for which a judgment 1658

has been entered pursuant to Rule 32 of the Rules of Criminal Procedure, and will not be used again in connection with any probable or pending criminal proceedings.

(2) If a public office denies a request to release a restricted portion of a body-worn camera or dashboard camera recording, as defined in division (A)(17) of this section, any person may file a mandamus action pursuant to this section or a complaint with the clerk of the court of claims pursuant to section 2743.75 of the Revised Code, requesting the court to order the release of all or portions of the recording. If the court considering the request determines that the filing articulates by clear and convincing evidence that the public interest in the recording substantially outweighs privacy interests and other interests asserted to deny release, the court shall order the public office to release the recording.

Sec. 319.28. (A) Except as otherwise provided in division (B) of this section, on or before the first Monday of August, annually, the county auditor shall compile and make up a general tax list of real and public utility property in the county, either in tabular form and alphabetical order, or, with the consent of the county treasurer, by listing all parcels in a permanent parcel number sequence to which a separate alphabetical index is keyed, containing the names of the several persons, companies, firms, partnerships, associations, and corporations in whose names real property has been listed in each township, municipal corporation, special district, or separate school district, or part of either in the auditor's county, placing separately, in appropriate columns opposite each name, the description of each tract, lot, or parcel of real estate, the value of each tract, lot, or parcel, the value of the improvements thereon, and of the names of the several public

utilities whose property, subject to taxation on the general tax list and duplicate, has been apportioned by the department of taxation to the county, and the amount so apportioned to each township, municipal corporation, special district, or separate school district or part of either in the auditor's county, as shown by the certificates of apportionment of public utility property. If the name of the owner of any tract, lot, or parcel of real estate is unknown to the auditor, "unknown" shall be entered in the column of names opposite said tract, lot, or parcel. Such lists shall be prepared in duplicate. On or before the first Monday of September in each year, the auditor shall correct such lists in accordance with the additions and deductions ordered by the tax commissioner and by the county board of revision, and shall certify and on the first day of October deliver one copy thereof to the county treasurer. The copies prepared by the auditor shall constitute the auditor's general tax list and treasurer's general duplicate of real and public utility property for the current year.

duplicate of real and public utility property, and to instead 1721
insert the individual's initials on any such record, and on the 1722
general tax list and duplicate of real and public utility 1723
property as the name of the individual that appears on the deed. 1724

(2) Upon receiving an affidavit described in division (B) 1725
(1) of this section, the county auditor shall act within five 1726
business days in accordance with the request to remove the 1727
individual's name from any record made available to the general 1728
public on the internet or a publicly accessible database, and 1729
from the general tax list and duplicate of real and public 1730
utility property and insert the individual's initials on any 1731
such record and on the general tax list and duplicate of real 1732
and public utility property, if practicable. If the removal and 1733
insertion is not practicable, the county auditor shall verbally 1734
or in writing within five business days after receiving the 1735
affidavit explain to the individual why the removal and 1736
insertion is impracticable. 1737

(C) The county auditor shall keep confidential information 1738

intended to result in the development of a new community, it 2034
shall reject the petition thereby terminating the proceedings 2035

convenience, and welfare, and will be consistent with the 2045
development of a new community and will not jeopardize the plan 2046

of the new community. 2047

(2) If the territory to be added or deleted from a new 2048
community district meets the criteria described in either 2049
division (F) (3) or (4) of section 349.01 of the Revised Code, 2050
and the original petition was not filed with the legislative 2051

commissioners shall follow the same procedure as required by 2087
this section in relation to the original petition for the 2088
establishment of the proposed new community when adopting such a 2089
resolution. 2090

(C) If all or any part of the new community district is 2091
annexed to one or more existing municipal corporations, their 2092
legislative authorities may appoint persons to replace any 2093
appointed citizen member of the board of trustees. The number of 2094
such trustees to be replaced by the municipal corporation shall 2095
be the number, rounded to the lowest integer, bearing the 2096
proportionate relationship to the number of existing appointed 2097
citizen members as the acreage of the new community district 2098
within such municipal corporation bears to the total acreage of 2099
the new community district. If any such municipal corporation 2100
chooses to replace an appointed citizen member, it shall do so 2101
by ordinance, the term of the trustee being replaced shall 2102
terminate thirty days from the date of passage of such 2103

chapter may be dissolved only on the vote of a majority of the 2111
voters of the new community district at a special election 2112
called by the board of trustees on the question of dissolution. 2113
Such an election may be called only after the board has 2114
determined that the new community development program has been 2115
completed, when no community authority bonds or notes are 2116
outstanding, and other legal indebtedness of the authority has 2117

the time of dissolution shall be transferred to the municipal 2149
corporation and county or township, as provided in a resolution, 2150

(B) For the purposes of providing revenue for police, fire, and emergency medical services and of paying the costs of administering the fee, the legislative authority of a qualifying township may, by resolution, impose a fee upon the sale of admission to any qualifying event venue in the township. 2298
2299
2300
2301
2302

(C) The resolution shall state that the fee does not apply to amounts paid for admission to any of the following: 2303

2308

(3) Events or activities wherein the charge for admission is ten dollars or less. 2309
2310

(D) The rate of a fee imposed under this section shall 2311
equal a fixed amount per admission, but shall not exceed one 2312
dollar per admission. Every person receiving any payment for a 2313
sale on which a fee is imposed under this section shall collect 2314
the amount of the fee from the person making the admission 2315

manner and at the times prescribed by the regulations adopted by 2317
the board of township trustees. 2318

(E) The resolution shall state that the fee shall be 2319
referred to as a "protect and serve charge." Before adopting the 2320
resolution, the board of township trustees shall conduct two 2321
public hearings on the resolution, the second hearing to be not 2322
less than three nor more than ten days after the first. Notice 2323
of the date, time, and place of such hearings shall be given by 2324

resolution is subject to a referendum in the same manner, except 2332
as to the form of the petition, as provided in division (H) of 2333

shall go into effect unless approved by a majority of those 2339
voting upon it. 2340

(F) The legislative authority of a qualifying township 2341
imposing a fee pursuant to this section shall establish all 2342
regulations necessary to provide for the administration of the 2343
fee. The regulations shall provide, after deducting the real and 2344
actual costs of administering the fee, that the revenue be used 2345
exclusively for providing police, fire, and emergency medical 2346
services within the township. 2347

(G) A fee imposed pursuant to this section continues in 2348
effect until repealed by resolution adopted by the board of 2349
township trustees. 2350

Sec. 504.02. (A) After certification of a resolution as 2351
provided in division (A) of section 504.01 of the Revised Code, 2352
the board of elections shall submit the question of whether to 2353
adopt a limited home rule government to the electors of the 2354
unincorporated area of the township, and the ballot language 2355
shall be substantially as follows: 2356

"Shall the township of _____ (name) adopt a limited 2357
home rule government, under which government the board of 2358
township trustees, by resolution, may exercise limited powers of 2359
local self-government and limited police powers? 2360

_____ For adoption of a limited home rule government 2361

_____ Against adoption of a limited home rule government" 2362

(B) (1) At least forty-five days before the election on 2363
this question, the board of township trustees shall have notice 2364
of the election and a description of the proposed limited home 2365
rule government published ~~in a newspaper of general circulation~~ 2366

township.	2378
(2) If a board of elections operates and maintains a web	2379
site, notice of the election and a description of the proposed	2380
limited home rule government shall be posted on that web site	2381
for at least thirty days before the election on this question.	2382
(C) If a majority of the votes cast on the proposition of	2383
adopting a limited home rule government is in the affirmative,	2384
that government is adopted and becomes the government of the	2385
township on the first day of January immediately following the	2386
election.	2387
Sec. 504.03. (A) (1) If a limited home rule government is	2388
adopted pursuant to section 504.02 of the Revised Code, it shall	2389
remain in effect for at least three years except as otherwise	2390
provided in division (B) of this section. At the end of that	2391
period, if the board of township trustees determines that that	2392
government is not in the best interests of the township, it may	2393
adopt a resolution causing the board of elections to submit to	2394
the electors of the unincorporated area of the township the	2395
question of whether the township should continue the limited	2396
home rule government. The question shall be voted upon at the	2397
next general election occurring at least ninety days after the	2398

certification of the resolution to the board of elections. After 2399
certification of the resolution, the board of elections shall 2400
submit the question to the electors of the unincorporated area 2401
of the township, and the ballot language shall be substantially 2402

limited home rule government under which it is operating? 2405

(2) (a) At least forty-five days before the election on the 2408
question of continuing the limited home rule government, the 2409
board of township trustees shall have notice of the election 2410
published ~~in a newspaper of general circulation in the township~~ 2411

township 2420

The board shall have the notice posted in five conspicuous 2421
places in the unincorporated area of the township. 2422

(b) If a board of elections operates and maintains a web 2423
site, notice of the election shall be posted on that web site 2424
for at least thirty days before the election on the question of 2425
continuing the limited home rule government. 2426

(B) The electors of a township that has adopted a limited home rule government may propose at any time by initiative petition, in accordance with section 504.14 of the Revised Code, a resolution submitting to the electors in the unincorporated area of the township, in an election, the question set forth in division (A) (1) of this section.

(C) If a majority of the votes cast under division (A) or (B) of this section on the proposition of continuing the limited home rule government is in the negative, that government is terminated effective on the first day of January immediately following the election, and a limited home rule government shall not be adopted in the unincorporated area of the township pursuant to section 504.02 of the Revised Code for at least three years after that date.

(D) If a limited home rule government is terminated under this section, the board of township trustees immediately shall adopt a resolution repealing all resolutions adopted pursuant to this chapter that are not authorized by any other section of the Revised Code outside this chapter, effective on the first day of January immediately following the election described in division (A) or (B) of this section. However, no resolution adopted under this division shall affect or impair the obligations of the township under any security issued or contracts entered into by the township in connection with the financing of any water supply facility or sewer improvement under sections 504.18 to 504.20 of the Revised Code or the authority of the township to collect or enforce any assessments or other revenues constituting security for or source of payments of debt service charges of those securities.

(E) Upon the termination of a limited home rule government

under this section, if the township had converted its board of 2457
township trustees to a five-member board before September 26, 2458
2003, the current board member who received the lowest number of 2459
votes of the current board members who were elected at the most 2460
recent election for township trustees, and the current board 2461
member who received the lowest number of votes of the current 2462
board members who were elected at the second most recent 2463
election for township trustees, shall cease to be township 2464
trustees on the date that the limited home rule government 2465
terminates. Their offices likewise shall cease to exist at that 2466
time, and the board shall continue as a three-member board as 2467
provided in section 505.01 of the Revised Code. 2468

Sec. 504.12. No resolution and no section or numbered or 2469
lettered division of a section shall be revised or amended 2470
unless the new resolution contains the entire resolution, 2471
section, or division as revised or amended, and the resolution, 2472
section, or division so amended shall be repealed. This 2473
requirement does not prevent the amendment of a resolution by 2474
the addition of a new section, or division, and in this case the 2475
full text of the former resolution need not be set forth, nor 2476
does this section prevent repeals by implication. Except in the 2477
case of a codification or recodification of resolutions, a 2478
separate vote shall be taken on each resolution proposed to be 2479
amended. Resolutions that have been introduced and have received 2480
their first reading or their first and second readings, but have 2481
not been voted on for passage, may be amended or revised by a 2482
majority vote of the members of the board of township trustees, 2483
and the amended or revised resolution need not receive 2484
additional readings. 2485

The board of township trustees of a limited home rule 2486
township may revise, codify, and publish in book form the 2487

resolutions of the township in the manner provided in section 2488
504.123 of the Revised Code. Resolutions adopted by the board 2489
shall be published in the manner provided by sections 504.121, 2490
504.122, 504.124, and 504.125, ~~and 504.126~~ of the Revised Code. 2491

The procedures provided in this section and sections 2492
504.121 to ~~504.126~~ 504.125 of the Revised Code apply only to 2493
resolutions adopted pursuant to a township's limited home rule 2494
powers as authorized by this chapter. 2495

Sec. 504.121. (A) A succinct summary of each resolution, 2496
of all notices to bidders for the construction of public 2497
improvements and notices of the sale of bonds, and of all 2498
statements, orders, proclamations, notices, and reports required 2499
by law or resolution to be published, shall be published ~~in~~ 2500
using at least one of the following methods: 2501

(1) In the print or digital edition of a newspaper of 2502
general circulation in the township; 2503

(2) On the official public notice web site established 2504
under section 125.182 of the Revised Code; 2505

(3) On the web site and social media account of the 2506
township. ~~Proof-~~ 2507

Proof of the publication ~~and required circulation of any~~ 2508
~~newspaper used as a medium of publication as provided by this~~ 2509
~~section~~ shall be made by affidavit of the proprietor of the 2510
newspaper or operator of the official public notice web site, as 2511
applicable, and shall be filed with the fiscal officer of the 2512
township. If publication is made by posting on the township web 2513
site or social media account, the township fiscal officer shall 2514
cause proof of the publication to be created, and maintain the 2515
proof. 2516

(B) The publication shall contain notice that the complete 2517
text of each such resolution may be obtained or viewed at the 2518
office of the fiscal officer of the township and may be viewed 2519
at any other location designated by the board of township 2520
trustees. The township law director or the county prosecuting 2521
attorney, as applicable, shall review the summary of a 2522
resolution published under this section before forwarding it to 2523
the fiscal officer for publication, to ensure the summary is 2524
legally accurate and sufficient. 2525

(C) Upon publication of a summary of a resolution in 2526
accordance with this section, the fiscal officer of the township 2527
shall supply a copy of the complete text of each such resolution 2528
to any person, upon request, and may charge a reasonable fee, 2529
set by the board of township trustees, for each copy supplied. 2530
The fiscal officer of the township shall post a copy of the text 2531
at the fiscal officer's office and at every other location 2532
designated by the board of township trustees. 2533

Sec. 504.122. The publication required in section 504.121 2534
of the Revised Code shall be for the following times: 2535

~~in section 7.16 of the Revised Code;~~ 2538

(B) Notices, not less than two nor more than four 2539
consecutive weeks ~~or as provided in section 7.16 of the Revised~~ 2540
~~Code;~~ 2541

(C) All other matters shall be published once. 2542

Sec. 504.123. When resolutions are revised, codified, 2543
rearranged, published in book form, and certified as correct by 2544
the fiscal officer of the township and the township 2545

administrator, such publication shall be a sufficient 2546
publication, and the resolutions so published, under appropriate 2547
titles, chapters, and sections, shall be held the same in law as 2548
though they had been published in ~~a newspaper~~ accordance with 2549
section 731.21 of the Revised Code. A new resolution so 2550
published in book form, a summary of which has not been 2551
published as required by sections 504.121 and 504.122 of the 2552
Revised Code, and which contains entirely new matter, shall be 2553
published as required by such sections. If such revision or 2554
codification is made by a township and contains new matter, it 2555
shall be a sufficient publication of such codification, 2556
including the new matter, to publish, in the manner required by 2557
such sections, a notice of the enactment of such codifying 2558
resolution, containing the title of the resolution and a summary 2559
of the new matters covered by it. Such revision and codification 2560
may be made under appropriate titles, chapters, and sections and 2561
in one resolution containing one or more subjects. 2562

Except as provided by this section, a succinct summary of 2563
all resolutions, including emergency resolutions, shall be 2564
published in accordance with section 504.121 of the Revised 2565
Code. 2566

Sec. 504.124. Immediately after the expiration of the 2567
period of publication of summaries of resolutions required by 2568
section 504.122 of the Revised Code, the fiscal officer of the 2569
township shall enter on the record of resolutions, in a blank to 2570
be left for such purpose under the recorded resolution, a 2571
certificate stating in which ~~newspaper~~ manner and on what dates 2572
such publication was made, and shall sign the fiscal officer's 2573
name thereto officially. Such certificate shall be prima-facie 2574
evidence that legal publication of the summary of the resolution 2575
was made. 2576

Sec. ~~504.126~~ 504.125. It is a sufficient defense to any 2577
suit or prosecution under a resolution, to show that no 2578
publication or posting was made as required by sections 504.121 2579
to ~~504.125~~ 504.124 of the Revised Code. 2580

Sec. 504.21. (A) The board of township trustees of a 2581
township that has adopted a limited home rule government may, 2582
for the unincorporated territory in the township, adopt, amend, 2583
and rescind rules establishing technically feasible and 2584
economically reasonable standards to achieve a level of 2585
management and conservation practices that will abate wind or 2586
water erosion of the soil or abate the degradation of the waters 2587
of the state by soil sediment in conjunction with land grading, 2588
excavating, filling, or other soil disturbing activities on land 2589
used or being developed in the township for nonfarm commercial, 2590
industrial, residential, or other nonfarm purposes, and 2591

those management and conservation practices. The rules shall be 2593
designed to implement the applicable areawide waste treatment 2594
management plan prepared under section 208 of the "Federal Water 2595
Pollution Control Act," 86 Stat. 816 (1972), 33 U.S.C.A. 1228, 2596
as amended, and to implement phase II of the storm water program 2597
of the national pollutant discharge elimination system 2598
established in 40 C.F.R. Part 122. The rules to implement phase 2599
II of the storm water program of the national pollutant 2600
discharge elimination system shall not be inconsistent with, 2601
more stringent than, or broader in scope than the rules or 2602
regulations adopted by the environmental protection agency under 2603
40 C.F.R. Part 122. The rules adopted under this section shall 2604
not apply inside the limits of municipal corporations, to lands 2605
being used in a strip mine operation as defined in section 2606
1513.01 of the Revised Code, or to land being used in a surface 2607

mine operation as defined in section 1514.01 of the Revised Code. 2608
2609

The rules adopted under this section may require persons 2610
to file plans governing erosion control, sediment control, and 2611
water management before clearing, grading, excavating, filling, 2612
or otherwise wholly or partially disturbing one or more 2613
contiguous acres of land owned by one person or operated as one 2614
development unit for the construction of nonfarm buildings, 2615
structures, utilities, recreational areas, or other similar 2616
nonfarm uses. If the rules require plans to be filed, the rules 2617
shall do all of the following: 2618

(1) Designate the board itself, its employees, or another 2619
agency or official to review and approve or disapprove the 2620
plans; 2621

(2) Establish procedures and criteria for the review and 2622
approval or disapproval of the plans; 2623

(3) Require the designated entity to issue a permit to a 2624
person for the clearing, grading, excavating, filling, or other 2625
project for which plans are approved and to deny a permit to a 2626
person whose plans have been disapproved; 2627

(4) Establish procedures for the issuance of the permits; 2628

(5) Establish procedures under which a person may appeal 2629
the denial of a permit. 2630

Areas of less than one contiguous acre shall not be exempt 2631
from compliance with other provisions of this section or rules 2632
adopted under this section. The rules adopted under this section 2633
may impose reasonable filing fees for plan review, permit 2634
processing, and field inspections. 2635

No permit or plan shall be required for a public highway, 2636
transportation, or drainage improvement or maintenance project 2637
undertaken by a government agency or political subdivision in 2638
accordance with a statement of its standard sediment control 2639
policies that is approved by the board or the chief of the 2640
division of soil and water resources in the department of 2641
natural resources. 2642

(B) Rules or amendments may be adopted under this section 2643
only after public hearings at not fewer than two regular 2644
sessions of the board of township trustees. The board shall 2645
~~cause to be published, in a newspaper of general circulation in~~ 2646
~~the township,~~publish notice of the public hearings, including 2647
time, date, and place, once a week for two weeks immediately 2648
preceding the hearings, ~~or as provided in section 7.16 of the~~ 2649
~~Revised Code~~using at least one of the following methods: 2650

(1) In the print or digital edition of a newspaper of 2651
general circulation in the township; 2652

(2) On the official public notice web site established 2653
under section 125.182 of the Revised Code; 2654

(3) On the web site and social media account of the 2655
township. The 2656

The proposed rules or amendments shall be made available 2657
by the board to the public at the board office or other location 2658
indicated in the notice. The rules or amendments shall take 2659
effect on the thirty-first day following the date of their 2660
adoption. 2661

(C) The board of township trustees may employ personnel to 2662
assist in the administration of this section and the rules 2663
adopted under it. The board also, if the action does not 2664

conflict with the rules, may delegate duties to review sediment 2665
control and water management plans to its employees, and may 2666
enter into agreements with one or more political subdivisions, 2667
other township officials, or other government agencies, in any 2668
combination, in order to obtain reviews and comments on plans 2669
governing erosion control, sediment control, and water 2670
management or to obtain other services for the administration of 2671
the rules adopted under this section. 2672

(D) The board of township trustees or any duly authorized 2673
representative of the board may, upon identification to the 2674
owner or person in charge, enter any land upon obtaining 2675
agreement with the owner, tenant, or manager of the land in 2676
order to determine whether there is compliance with the rules 2677
adopted under this section. If the board or its duly authorized 2678
representative is unable to obtain such an agreement, the board 2679
or representative may apply for, and a judge of the court of 2680
common pleas for the county where the land is located may issue, 2681
an appropriate inspection warrant as necessary to achieve the 2682
purposes of this section. 2683

(E) (1) If the board of township trustees or its duly 2684
authorized representative determines that a violation of the 2685
rules adopted under this section exists, the board or 2686
representative may issue an immediate stop work order if the 2687
violator failed to obtain any federal, state, or local permit 2688
necessary for sediment and erosion control, earth movement, 2689
clearing, or cut and fill activity. In addition, if the board or 2690
representative determines such a rule violation exists, 2691
regardless of whether or not the violator has obtained the 2692
proper permits, the board or representative may authorize the 2693
issuance of a notice of violation. If, after a period of not 2694
less than thirty days has elapsed following the issuance of the 2695

notice of violation, the violation continues, the board or its 2696
duly authorized representative shall issue a second notice of 2697
violation. Except as provided in division (E) (3) of this 2698
section, if, after a period of not less than fifteen days has 2699
elapsed following the issuance of the second notice of 2700
violation, the violation continues, the board or its duly 2701
authorized representative may issue a stop work order after 2702
first obtaining the written approval of the prosecuting attorney 2703
of the county in which the township is located if, in the 2704
opinion of the prosecuting attorney, the violation is egregious. 2705

Once a stop work order is issued, the board or its duly 2706
authorized representative shall request, in writing, the 2707
prosecuting attorney to seek an injunction or other appropriate 2708
relief in the court of common pleas to abate excessive erosion 2709
or sedimentation and secure compliance with the rules adopted 2710
under this section. If the prosecuting attorney seeks an 2711
injunction or other appropriate relief, then, in granting 2712
relief, the court of common pleas may order the construction of 2713
sediment control improvements or implementation of other control 2714
measures and may assess a civil fine of not less than one 2715
hundred or more than five hundred dollars. Each day of violation 2716
of a rule or stop work order issued under this section shall be 2717
considered a separate violation subject to a civil fine. 2718

(2) The person to whom a stop work order is issued under 2719
this section may appeal the order to the court of common pleas 2720
of the county in which it was issued, seeking any equitable or 2721
other appropriate relief from that order. 2722

(3) No stop work order shall be issued under this section 2723
against any public highway, transportation, or drainage 2724
improvement or maintenance project undertaken by a government 2725

agency or political subdivision in accordance with a statement 2726
of its standard sediment control policies that is approved by 2727
the board or the chief of the division of soil and water 2728
resources in the department of natural resources. 2729

(F) No person shall violate any rule adopted or order 2730
issued under this section. Notwithstanding division (E) of this 2731
section, if the board of township trustees determines that a 2732
violation of any rule adopted or administrative order issued 2733
under this section exists, the board may request, in writing, 2734
the prosecuting attorney of the county in which the township is 2735
located, to seek an injunction or other appropriate relief in 2736
the court of common pleas to abate excessive erosion or 2737
sedimentation and secure compliance with the rules or order. In 2738
granting relief, the court of common pleas may order the 2739
construction of sediment control improvements or implementation 2740
of other control measures and may assess a civil fine of not 2741
less than one hundred or more than five hundred dollars. Each 2742
day of violation of a rule adopted or administrative order 2743
issued under this section shall be considered a separate 2744
violation subject to a civil fine. 2745

Sec. 505.07. Notwithstanding any contrary provision in 2746
another section of the Revised Code, section 519.12 of the 2747
Revised Code, or any vote of the electors on a petition for 2748

the Revised Code and also may include township approval of a 2754
development plan for any property involved in the action as 2755
provided in the decree or court-approved settlement agreement, 2756

provided that the court makes specific findings of fact that 2757
notice has been properly made pursuant to this section and the 2758
consent decree or court-approved settlement agreement is fair 2759
and reasonable. 2760

If the subject of the consent decree or court-approved 2761

the proposed change in zoning or permitted use, in a newspaper 2791
of general circulation in the township. 2792

Sec. 505.10. (A) The board of township trustees may 2793
accept, on behalf of the township, the donation by bequest, 2794
devise, deed of gift, or otherwise, of any real or personal 2795
property for any township use. When the township has property, 2796
including motor vehicles, road machinery, equipment, and tools, 2797

use, is obsolete, or is unfit for the use for which it was 2799
acquired, the board may sell and convey that property or 2800
otherwise dispose of it in accordance with this section. Except 2801
as otherwise provided in sections 505.08, 505.101, and 505.102 2802
of the Revised Code, the sale or other disposition of unneeded, 2803
obsolete, or unfit-for-use property shall be made in accordance 2804
with one of the following: 2805

(1) If the fair market value of property to be sold is, in 2806
the opinion of the board, in excess of two thousand five hundred 2807
dollars, the sale shall be by public auction or by sealed bid to 2808
the highest bidder. The board shall publish notice of the time, 2809
place, and manner of the sale once a week for two weeks ~~in using~~ 2810
at least one of the following methods: 2811

(a) In the print or digital edition of a newspaper 2812
published, or of general circulation, in the township, ~~and;~~ 2813

(b) On the official public notice web site established 2814
under section 125.182 of the Revised Code; 2815

(c) On the web site and social media account of the 2816
township. 2817

The board shall post a typewritten or printed notice of 2818
the time, place, and manner of the sale in the office of the 2819
board for at least ten days prior to the sale. The board may 2820
also cause notice to be inserted in trade papers or other 2821
publications designated by it or to be distributed by electronic 2822
means, including posting the notice on the board's internet web 2823
site. ~~If the board posts the notice on its web site, it may~~ 2824
~~eliminate the second notice otherwise required to be published~~ 2825
~~in a newspaper published or of general circulation in the~~ 2826
~~township, provided that the first notice published in such~~ 2827
~~newspaper meets all of the following requirements:~~ 2828

~~(a) It is published at least two weeks before the sale of~~ 2829
~~the property.~~ 2830

~~(b) It includes a statement that the notice is posted on~~ 2831
~~the board's internet web site.~~ 2832

~~(c) It includes the internet address of the board's~~ 2833
~~internet web site.~~ 2834

~~(d) It includes instructions describing how the notice may~~ 2835
~~be accessed on the board's internet web site.~~ 2836

If the board conducts the sale of the property by sealed 2837
bid, the form of the bid shall be as prescribed by the board, 2838
and each bid shall contain the name of the person submitting it. 2839
Bids received shall be opened and tabulated at the time stated 2840
in the published and posted notices. The property shall be sold 2841
to the highest bidder, except that the board may reject all bids 2842
and hold another sale, by public auction or sealed bid, in the 2843
manner prescribed by this section. 2844

(2) If the fair market value of property to be sold is, in 2845
the opinion of the board, two thousand five hundred dollars or 2846
less, the board may do either of the following: 2847

(a) Sell the property by private sale, without 2848
advertisement or public notification; 2849

(b) Donate the property to an eligible nonprofit 2850
organization that is located in this state and is exempt from 2851
federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). 2852

Before donating property, the nonprofit organization shall 2853
provide the board evidence that the organization is located in 2854
this state and is exempt from federal income taxation pursuant 2855
to 26 U.S.C. 501(a) and (c)(3). 2856

(3) If the board finds, by resolution, that the township 2857
has motor vehicles, road machinery, equipment, or tools that are 2858
not needed or are unfit for public use, and the board wishes to 2859
sell the motor vehicles, road machinery, equipment, or tools to 2860
the person or firm from which it proposes to purchase other 2861
motor vehicles, road machinery, equipment, or tools, the board 2862
may offer to sell the motor vehicles, road machinery, equipment, 2863
or tools to that person or firm, and to have the selling price 2864
credited to the person or firm against the purchase price of 2865
other motor vehicles, road machinery, equipment, or tools. 2866

(4) If the board advertises for bids for the sale of new 2867
motor vehicles, road machinery, equipment, or tools to the 2868
township, it may include in the same advertisement a notice of 2869
the willingness of the board to accept bids for the purchase of 2870
township-owned motor vehicles, road machinery, equipment, or 2871
tools that are obsolete or not needed for public use, and to 2872
have the amount of those bids subtracted from the selling price 2873

of the new motor vehicles, road machinery, equipment, or tools, 2874
as a means of determining the lowest responsible bidder. 2875

(5) When a township has title to real property, the board 2876
of township trustees, by resolution, may authorize the transfer 2877
and conveyance of that property to any other political 2878
subdivision of the state upon such terms as are agreed to 2879
between the board and the legislative authority of that 2880
political subdivision. 2881

(6) When a township has title to real property and the 2882
board of township trustees wishes to sell or otherwise transfer 2883
the property, the board, upon a unanimous vote of its members 2884
and by resolution, may authorize the transfer and conveyance of 2885
that real property to any person upon whatever terms are agreed 2886
to between the board and that person. 2887

(7) If the board of township trustees determines that 2888
township personal property is not needed for public use, or is 2889
obsolete or unfit for the use for which it was acquired, and 2890
that the property has no value, the board may discard or salvage 2891
that property. 2892

(B) When the board has offered property at public auction 2893
under this section and has not received an acceptable offer, the 2894
board, by resolution, may enter into a contract, without 2895
advertising or bidding, for the sale of that property. The 2896
resolution shall specify a minimum acceptable price and the 2897
minimum acceptable terms for the contract. The minimum 2898
acceptable price shall not be lower than the minimum price 2899
established for the public auction. 2900

(C) Members of the board shall consult with the Ohio 2901
ethics commission and comply with the provisions of Chapters 2902

102. and 2921. of the Revised Code, with respect to any sale or 2903
donation under division (A)(2) of this section to a nonprofit 2904
organization of which a township trustee, any member of the 2905
township trustee's family, or any business associate of the 2906
township trustee is a trustee, officer, board member, or 2907
employee. 2908

(D) Notwithstanding anything to the contrary in division 2909
(A) or (B) of this section and regardless of the property's 2910
value, the board may sell personal property, including motor 2911
vehicles, road machinery, equipment, tools, or supplies, that is 2912
not needed for public use, is obsolete, or is unfit for the use 2913
for which it was acquired, by internet auction. The board shall 2914
adopt, during each calendar year, a resolution expressing its 2915
intent to sell that property by internet auction. The resolution 2916
shall include a description of how the auctions will be 2917
conducted and shall specify the number of days for bidding on 2918
the property, which shall be no less than ten days, including 2919
Saturdays, Sundays, and legal holidays. The resolution shall 2920
indicate whether the township will conduct the auction or the 2921
board will contract with a representative to conduct the auction 2922
and shall establish the general terms and conditions of sale. If 2923
a representative is known when the resolution is adopted, the 2924
resolution shall provide contact information such as the 2925
representative's name, address, and telephone number. 2926

After adoption of the resolution, the board shall publish, ~~2927
in a newspaper of general circulation in the township,~~ notice of 2928
its intent to sell unneeded, obsolete, or unfit-for-use township 2929
personal property by internet auction, using at least one of the 2930
following methods: 2931

(1) In the print or digital edition of a newspaper of 2932

<u>general circulation in the township;</u>	2933
<u>(2) On the official public notice web site established</u>	2934

<u>The</u> notice shall include a summary of the information	2938
provided in the resolution and shall be published at least	2939
twice. A similar notice also shall be posted continually	2940
throughout the calendar year in a conspicuous place in the	2941
board's office. The board may also cause notice to be inserted	2942
in trade papers or other publications designated by it or to be	2943
distributed by electronic means, including posting the notice on	2944
the board's internet web site. If the board posts the notice on	2945
its web site, it may eliminate the second notice otherwise	2946
required to be published in a newspaper of general circulation	2947
in the township, provided that the first notice published in	2948
such newspaper meets all of the following requirements:	2949
(1) It is published at least two weeks before the internet	2950
auction begins.	2951
(2) It includes a statement that the notice is posted on	2952
the board's internet web site.	2953
(3) It includes the internet address of the board's	2954
internet web site.	2955
(4) It includes instructions describing how the notice may	2956
be accessed on the board's internet web site.	2957
When property is to be sold by internet auction, the board	2958
or its representative may establish a minimum price that will be	2959
accepted for specific items and may establish any other terms	2960

and conditions for the particular sale, including requirements 2961
for pick-up or delivery, method of payment, and sales tax. This 2962
type of information shall be provided on the internet at the 2963
time of the auction and may be provided before that time upon 2964
request, after the terms and conditions have been determined by 2965
the board or its representative. 2966

Sec. 505.17. (A) Except in a township or portion of a 2967
township that is within the limits of a municipal corporation, 2968
the board of township trustees may make regulations and orders 2969
as are necessary to control passenger car, motorcycle, and 2970
internal combustion engine noise, as permitted under section 2971
4513.221 of the Revised Code, and all vehicle parking in the 2972
township. This authorization includes, among other powers, the 2973
power to regulate parking on established roadways proximate to 2974
buildings on private property as necessary to provide access to 2975
the property by public safety vehicles and equipment, if the 2976
property is used for commercial purposes, the public is 2977
permitted to use the parking area, and accommodation for more 2978
than ten motor vehicles is provided, and the power to authorize 2979
the issuance of orders limiting or prohibiting parking on any 2980
township street or highway during a snow emergency declared 2981
pursuant to a snow-emergency authorization adopted under this 2982
division. All such regulations and orders shall be subject to 2983
the limitations, restrictions, and exceptions in sections 2984
4511.01 to 4511.76 and 4513.02 to 4513.37 of the Revised Code. 2985

A board of township trustees may adopt a general snow- 2986
emergency authorization, which becomes effective under division 2987
(B) (1) of this section, allowing the president of the board or 2988
some other person specified in the authorization to issue an 2989
order declaring a snow emergency and limiting or prohibiting 2990
parking on any township street or highway during the snow 2991

emergency. Any such order becomes effective under division (B) 2992
(2) of this section. Each general snow-emergency authorization 2993
adopted under this division shall specify the weather conditions 2994
under which a snow emergency may be declared in that township. 2995

(B) (1) All regulations and orders, including any snow- 2996
emergency authorization established by the board under this 2997
section, except for an order declaring a snow emergency as 2998
provided in division (B) (2) of this section, shall be posted by 2999
the township fiscal officer in five conspicuous public places in 3000
the township for thirty days before becoming effective, and 3001
shall be published ~~in a newspaper of general circulation in the~~ 3002
~~township~~ for three consecutive weeks ~~or as provided in section~~ 3003
~~7.16 of the Revised Code~~ using at least one of the following 3004
methods: 3005

general circulation in the township; 3007

(b) On the official public notice web site established 3008
under section 125.182 of the Revised Code; 3009

(c) On the web site and social media account of the 3010
township. ~~In~~ 3011

In addition to these requirements, no general snow- 3012
emergency authorization shall become effective until permanent 3013
signs giving notice that parking is limited or prohibited during 3014
a snow emergency are properly posted, in accordance with any 3015
applicable standards adopted by the department of 3016
transportation, along streets or highways specified in the 3017
authorization. 3018

(2) Pursuant to the adoption of a snow-emergency 3019
authorization under this section, an order declaring a snow 3020

emergency becomes effective two hours after the president of the 3021
board or the other person specified in the general snow- 3022
emergency authorization makes an announcement of a snow 3023
emergency to the local news media. The president or other 3024
specified person shall request the local news media to announce 3025
that a snow emergency has been declared, the time the 3026
declaration will go into effect, and whether the snow emergency 3027
will remain in effect for a specified period of time or 3028
indefinitely until canceled by a subsequent announcement to the 3029
local news media by the president or other specified person. 3030

(C) Such regulations and orders may be enforced where 3031
traffic control devices conforming to section 4511.09 of the 3032
Revised Code are prominently displayed. Parking regulations 3033
authorized by this section do not apply to any state highway 3034
unless the parking regulations are approved by the director of 3035
transportation. 3036

(D) A board of township trustees or its designated agent 3037
may order into storage any vehicle parked in violation of a 3038
township parking regulation or order, if the violation is not 3039
one that is required to be handled pursuant to Chapter 4521. of 3040
the Revised Code. The owner or any lienholder of a vehicle 3041
ordered into storage may claim the vehicle upon presentation of 3042
proof of ownership, which may be evidenced by a certificate of 3043
title to the vehicle, and payment of all expenses, charges, and 3044
fines incurred as a result of the parking violation and removal 3045
and storage of the vehicle. 3046

(E) Whoever violates any regulation or order adopted 3047
pursuant to this section is guilty of a minor misdemeanor, 3048
unless the township has enacted a regulation pursuant to 3049
division (A) of section 4521.02 of the Revised Code, that 3050

specifies that the violation shall not be considered a criminal 3051
offense and shall be handled pursuant to Chapter 4521. of the 3052
Revised Code. Fines levied and collected under this section 3053
shall be paid into the township general revenue fund. 3054

Sec. 505.26. The board of township trustees may purchase, 3055
appropriate, construct, enlarge, improve, rebuild, repair, 3056
furnish, and equip a township hall, a township park, public 3057
library buildings, and bridges and viaducts over streets, 3058
streams, railroads, or other places where an overhead roadway or 3059
footway is necessary, and such board may acquire sites by lease 3060
or otherwise for any of such improvements, including lands and 3061
buildings for recreational purposes. 3062

The board of township trustees, not for purposes of 3063
recreation, but for the purposes of protecting and preserving 3064
the natural, scenic, open, or wooded condition of land, water, 3065
or wetlands against modification or encroachment resulting from 3066
occupation, development, or other use, may acquire, other than 3067
by appropriation, an ownership interest in land, water, or 3068
wetlands, and may restore and maintain land, water, or wetlands 3069
in which it has such an interest. 3070

If sufficient space for township offices is not available, 3071
the board of township trustees may purchase, lease, or 3072
construct, and furnish, equip, and maintain office space. When 3073
such offices are to be provided by construction, a site upon 3074
which to erect such offices may be acquired by purchase, lease 3075
for twenty-five years or longer, or otherwise. The cost of 3076
providing such office space shall be paid out of funds in the 3077
township treasury. If sufficient funds are not available the 3078
board shall proceed as provided in sections ~~511.01 to 511.03~~ and 3079
511.04 of the Revised Code. 3080

Sec. 505.264. (A) As used in this section, "energy	3081
conservation measure" means an installation or modification of	3082
an installation in, or remodeling of, an existing building, to	3083
reduce energy consumption. It includes the following:	3084
(1) Insulation of the building structure and of systems	3085
within the building;	3086
(2) Storm windows and doors, multiglazed windows and	3087
doors, heat-absorbing or heat-reflective glazed and coated	3088
window and door systems, additional glazing, reductions in glass	3089
area, and other window and door system modifications that reduce	3090
energy consumption;	3091
(3) Automatic energy control systems;	3092
(4) Heating, ventilating, or air conditioning system	3093
modifications or replacements;	3094
(5) Caulking and weatherstripping;	3095
(6) Replacement or modification of lighting fixtures to	3096
increase the energy efficiency of the system without increasing	3097
the overall illumination of a facility, unless an increase in	3098
illumination is necessary to conform to the applicable state or	3099
local building code for the proposed lighting system;	3100
(7) Energy recovery systems;	3101
(8) Cogeneration systems that produce steam or forms of	3102
energy such as heat, as well as electricity, for use primarily	3103
within a building or complex of buildings;	3104
(9) Any other modification, installation, or remodeling	3105
approved by the board of township trustees as an energy	3106
conservation measure.	3107

(B) For the purpose of evaluating township buildings for energy conservation measures, a township may contract with an architect, professional engineer, energy services company, contractor, or other person experienced in the design and implementation of energy conservation measures for a report that analyzes the buildings' energy needs and presents recommendations for building installations, modifications of existing installations, or building remodeling that would significantly reduce energy consumption in the buildings owned by that township. The report shall include estimates of all costs of the installations, modifications, or remodeling, including costs of design, engineering, installation, maintenance, and repairs, and estimates of the amounts by which energy consumption could be reduced.

(C) A township desiring to implement energy conservation measures may proceed under either of the following methods:

(1) Using a report or any part of a report prepared under division (B) of this section, advertise for bids and comply with the bidding procedures set forth in sections 307.86 to 307.92 of the Revised Code;

(2) Request proposals from at least three vendors for the implementation of energy conservation measures. ~~Prior to~~ Before sending any installer of energy conservation measures a copy of any such request, the township shall advertise its intent to request proposals for the installation of energy conservation measures ~~in a newspaper of general circulation in the township once a week for two consecutive weeks or as provided in section 7.16 of the Revised Code~~ using at least one of the following methods:

(a) In the print or digital edition of a newspaper of

general circulation in the township; 3138

(b) On the official public notice web site established 3139
under section 125.182 of the Revised Code; 3140

(c) On the web site and social media account of the 3141
township. The 3142

The notice shall state that the township intends to 3143
request proposals for the installation of energy conservation 3144
measures; indicate the date, which shall be at least ten days 3145
after the second publication, on which the request for proposals 3146
will be mailed to installers of energy conservation measures; 3147
and state that any installer of energy conservation measures 3148
interested in receiving the request for proposal shall submit 3149
written notice to the township not later than noon of the day on 3150
which the request for proposal will be mailed. 3151

Upon receiving the proposals, the township shall analyze 3152
them and select the proposal or proposals most likely to result 3153
in the greatest energy savings considering the cost of the 3154
project and the township's ability to pay for the improvements 3155
with current revenues or by financing the improvements. The 3156
awarding of a contract to install energy conservation measures 3157
under division (C) (2) of this section shall be conditioned upon 3158
a finding by the township that the amount of money spent on 3159
energy savings measures is not likely to exceed the amount of 3160
money the township would save in energy and operating costs over 3161
ten years or a lesser period as determined by the township or, 3162
in the case of contracts for cogeneration systems, over five 3163
years or a lesser period as determined by the township. Nothing 3164
in this section prohibits a township from rejecting all 3165
proposals or from selecting more than one proposal. 3166

(D) A board of township trustees may enter into an 3167
installment payment contract for the purchase and installation 3168
of energy conservation measures. Any provisions of those 3169
installment payment contracts that deal with interest charges 3170
and financing terms shall not be subject to the competitive 3171
bidding procedures of section 307.86 of the Revised Code. Unless 3172
otherwise approved by a resolution of the board, an installment 3173
payment contract entered into by a board of township trustees 3174
under this section shall require the board to contract in 3175
accordance with the procedures set forth in section 307.86 of 3176
the Revised Code for the installation, modification, or 3177
remodeling of energy conservation measures pursuant to this 3178
section. 3179

(E) The board may issue securities of the township 3180
specifying the terms of the purchase and securing the deferred 3181
payments, payable at the times provided and bearing interest at 3182
a rate not exceeding the rate determined as provided in section 3183
9.95 of the Revised Code. The maximum maturity of the securities 3184
shall be as provided in division (B) (7) (g) of section 133.20 of 3185
the Revised Code. The securities may contain an option for 3186
prepayment and shall not be subject to Chapter 133. of the 3187
Revised Code. Revenues derived from local taxes or otherwise, 3188
for the purpose of conserving energy or for defraying the 3189
current operating expenses of the township, may be applied to 3190
the payment of interest and the retirement of the securities. 3191
The securities may be sold at private sale or given to the 3192
contractor under the installment payment contract authorized by 3193
division (D) of this section. 3194

(F) Debt incurred under this section shall not be included 3195
in the calculation of the net indebtedness of a township under 3196
section 133.09 of the Revised Code. 3197

Sec. 505.28. The board of township trustees may create a waste disposal district under sections 505.27 to 505.33 of the Revised Code, by a unanimous vote of the board and give notice thereof by ~~a publication in~~ using at least one of the following methods:

(A) In the print or digital edition of a newspaper of general circulation in the township;

trustees, provided that written or oral notice of the change 3283
shall be given to all persons who have received or requested 3284
specifications not later than ninety-six hours prior to the 3285

original time and date fixed for the opening. The board may 3286
reject all the bids or accept the lowest and best bid, provided 3287
that the successful bidder meets the requirements of section 3288
153.54 of the Revised Code when the contract is for the 3289
construction, demolition, alteration, repair, or reconstruction 3290
of an improvement. 3291

(B) The boards of township trustees of any two or more 3292

Revised Code, and may prorate the expense of the joint action on 3299
any terms that are mutually agreed upon. 3300

(C) The board of township trustees of any township may, by 3301
resolution, whenever it is expedient and necessary to guard 3302
against the occurrence of fires or to protect the property and 3303
lives of the citizens against damages resulting from their 3304
occurrence, create a fire district of any portions of the 3305
township that it considers necessary. The board may purchase, 3306
lease, lease with an option to purchase, or otherwise provide 3307
any fire apparatus, mechanical resuscitators, underwater rescue 3308

protection for the fire district as provided in section 9.60 of 3312
the Revised Code. The fire district so created shall be given a 3313
separate name by which it shall be known. 3314

Additional unincorporated territory of the township may be 3315

added to a fire district upon the board's adoption of a 3316
resolution authorizing the addition. A municipal corporation, or 3317
a portion of a municipal corporation, that is within or 3318
adjoining the township may be added to a fire district upon the 3319
board's adoption of a resolution authorizing the addition and 3320
the municipal legislative authority's adoption of a resolution 3321
or ordinance requesting the addition of the municipal 3322
corporation or a portion of the municipal corporation to the 3323
fire district. 3324

If the township fire district imposes a tax, additional 3325
unincorporated territory of the township or a municipal 3326
corporation or a portion of a municipal corporation that is 3327
within or adjoining the township shall become part of the fire 3328
district only after all of the following have occurred: 3329

(1) Adoption by the board of township trustees of a 3330
resolution approving the expansion of the territorial limits of 3331
the district and, if the resolution proposes to add a municipal 3332
corporation or a portion of a municipal corporation, adoption by 3333
the municipal legislative authority of a resolution or ordinance 3334
requesting the addition of the municipal corporation or a 3335
portion of the municipal corporation to the district; 3336

(2) Adoption by the board of township trustees of a 3337
resolution recommending the extension of the tax to the 3338
additional territory; 3339

(3) The board requests and obtains from the county auditor 3340
the information required for a tax levy under section 5705.03 of 3341
the Revised Code, in the manner prescribed in that section, 3342
except that the levy's annual collections shall be estimated 3343
assuming that the additional territory has been added to the 3344
fire district. 3345

(4) Approval of the tax by the electors of the territory 3346
proposed for addition to the district. 3347

Each resolution of the board adopted under division (C) (2) 3348
of this section shall state the name of the fire district, a 3349
description of the territory to be added, the rate, expressed in 3350
mills for each one dollar of taxable value, the estimated 3351
effective rate, expressed in dollars for each one hundred 3352
thousand dollars of the county auditor's appraised value, and 3353
termination date of the tax, which shall be the rate, estimated 3354
effective rate, and termination date of the tax currently in 3355
effect in the fire district. 3356

The board of trustees shall certify each resolution 3357
adopted under division (C) (2) of this section and the county 3358
auditor's certification under division (C) (3) of this section to 3359
the board of elections in accordance with section 5705.19 of the 3360
Revised Code. The election required under division (C) (4) of 3361
this section shall be held, canvassed, and certified in the 3362
manner provided for the submission of tax levies under section 3363
5705.25 of the Revised Code, except that the question appearing 3364
on the ballot shall read: 3365

"Shall the territory within _____ 3366
(description of the proposed territory to be added) be added to 3367
_____ (name) fire district, and a property 3368
tax, that the county auditor estimates will collect \$_____ 3369
annually, at a rate not exceeding _____ mills for each \$1 of 3370
taxable value, which amounts to \$_____ (here insert 3371
estimated effective rate) for each \$100,000 of the county 3372
auditor's appraised value, be in effect for _____ (here 3373
insert the number of years the tax is to be in effect or "a 3374
continuing period of time," as applicable)?" 3375

If the question is approved by at least a majority of the electors voting on it, the joinder shall be effective as of the first day of July of the year following approval, and on that date, the township fire district tax shall be extended to the taxable property within the territory that has been added. If the territory that has been added is a municipal corporation or portion thereof and if it had adopted a tax levy for fire purposes, the levy is terminated on the effective date of the joinder in the area of the municipal corporation added to the district.

Any municipal corporation may withdraw from a township fire district created under division (C) of this section by the adoption by the municipal legislative authority of a resolution or ordinance ordering withdrawal. On the first day of July of the year following the adoption of the resolution or ordinance of withdrawal, the withdrawing municipal corporation or the portion thereof ceases to be a part of the district, and the power of the fire district to levy a tax upon taxable property in the withdrawing municipal corporation or the portion thereof terminates, except that the fire district shall continue to levy and collect taxes for the payment of indebtedness within the territory of the fire district as it was composed at the time the indebtedness was incurred.

Upon the withdrawal of any municipal corporation from a township fire district created under division (C) of this section, the county auditor shall ascertain, apportion, and order a division of the funds on hand, moneys and taxes in the process of collection except for taxes levied for the payment of indebtedness, credits, and real and personal property, either in money or in kind, on the basis of the valuation of the respective tax duplicates of the withdrawing municipal

corporation and the remaining territory of the fire district. 3407

A board of township trustees may remove unincorporated 3408
territory of the township from the fire district upon the 3409
adoption of a resolution authorizing the removal. On the first 3410
day of July of the year following the adoption of the 3411
resolution, the unincorporated township territory described in 3412
the resolution ceases to be a part of the district, and the 3413
power of the fire district to levy a tax upon taxable property 3414
in that territory terminates, except that the fire district 3415
shall continue to levy and collect taxes for the payment of 3416
indebtedness within the territory of the fire district as it was 3417
composed at the time the indebtedness was incurred. 3418

As used in this section, "the county auditor's appraised 3419
value" and "estimated effective rate" have the same meanings as 3420
in section 5705.01 of the Revised Code. 3421

(D) The board of township trustees of any township, the 3422
board of fire district trustees of a fire district created under 3423

provided in section 133.20 of the Revised Code. The board of 3430
township trustees, board of fire district trustees, or 3431
legislative authority may also construct any buildings necessary 3432
to house fire equipment and issue securities for that purpose 3433
with maximum maturities as provided in section 133.20 of the 3434
Revised Code. 3435

The board of township trustees, board of fire district 3436

trustees, or legislative authority may issue the securities of 3437
the township, fire district, or municipal corporation, signed by 3438
the board or designated officer of the municipal corporation and 3439
attested by the signature of the township fiscal officer, fire 3440
district clerk, or municipal clerk, covering any deferred 3441
payments and payable at the times provided, which securities 3442
shall bear interest not to exceed the rate determined as 3443
provided in section 9.95 of the Revised Code, and shall not be 3444
subject to Chapter 133. of the Revised Code. The legislation 3445
authorizing the issuance of the securities shall provide for 3446
levying and collecting annually by taxation, amounts sufficient 3447
to pay the interest on and principal of the securities. The 3448
securities shall be offered for sale on the open market or given 3449
to the vendor or contractor if no sale is made. 3450

Section 505.40 of the Revised Code does not apply to any 3451
securities issued, or any lease with an option to purchase 3452
entered into, in accordance with this division. 3453

appointees of the fire department, fire district, or joint fire 3458
district governed by the board that includes personal injury 3459
liability coverage as to the civil liability of those officers, 3460
employees, and appointees for false arrest, detention, or 3461
imprisonment, malicious prosecution, libel, slander, defamation 3462
or other violation of the right of privacy, wrongful entry or 3463
eviction, or other invasion of the right of private occupancy, 3464
arising out of the performance of their duties. 3465

When a board of township trustees cannot, by deed of gift 3466

or by purchase and upon terms it considers reasonable, procure 3467
land for a township fire station that is needed in order to 3468
respond in reasonable time to a fire or medical emergency, the 3469
board may appropriate land for that purpose under sections 3470
163.01 to 163.22 of the Revised Code. If it is necessary to 3471
acquire additional adjacent land for enlarging or improving the 3472
fire station, the board may purchase, appropriate, or accept a 3473
deed of gift for the land for these purposes. 3474

(F) As used in this division, "emergency medical service 3475
organization" has the same meaning as in section 4766.01 of the 3476

A board of township trustees, by adoption of an 3478
appropriate resolution, may choose to have the state board of 3479
emergency medical, fire, and transportation services license any 3480
emergency medical service organization it operates. If the board 3481
adopts such a resolution, Chapter 4766. of the Revised Code, 3482
except for sections 4766.06 and 4766.99 of the Revised Code, 3483
applies to the organization. All rules adopted under the 3484
applicable sections of that chapter also apply to the 3485
organization. A board of township trustees, by adoption of an 3486
appropriate resolution, may remove its emergency medical service 3487
organization from the jurisdiction of the state board of 3488
emergency medical, fire, and transportation services. 3489

(B) On the official public notice web site established 3685
under section 125.182 of the Revised Code; 3686

(C) On the web site and social media account of the 3687
township. 3688

Sec. 505.82. (A) If a board of township trustees by a 3689
unanimous vote or, in the event of the unavoidable absence of 3690
one trustee, by an affirmative vote of two trustees adopts a 3691
resolution declaring that an emergency exists that threatens 3692
life or property within the unincorporated territory of the 3693
township or that such an emergency is imminent, including an 3694
emergency due to a natural disaster, civil unrest, cyber attack, 3695
or the derailment of a train, the board may exercise the powers 3696
described in divisions (A) (1) and (2) and (B) of this section 3697
during the emergency for a period of time not exceeding six 3698
months following the adoption of the resolution. The resolution 3699
shall state the specific time period for which the emergency 3700
powers are in effect. 3701

(1) If an owner of an undedicated road or stream bank in 3702
the unincorporated territory of the township has not provided 3703
for the removal of snow, ice, debris, or other obstructions from 3704
the road or bank, the board may provide for that removal. Prior 3705
to providing for the removal, the board shall give, or make a 3706
good faith attempt to give, oral notice to the owner or owners 3707
of the road or bank of the board's intent to clear the road or 3708
bank and to impose a service charge for doing so. The board 3709
shall establish just and equitable service charges for the 3710
removal to be paid, except as provided in division (B) of this 3711

bank, the board, except as provided in division (B) of this 3718
section, shall allocate the service charges among the owners on 3719
an equitable basis. The board shall notify, in writing, each 3720
owner of the road or bank of the amount of the service charges 3721
and shall certify the charges to the county auditor. The service 3722
charges shall constitute a lien upon the property. The auditor 3723
shall place the service charges on a special duplicate to be 3724
collected as other taxes and returned to the township general 3725
fund. 3726

(2) The board may contract for the immediate acquisition, 3727
replacement, or repair of equipment needed for the emergency 3728
situation, without following the competitive bidding 3729
requirements of section 5549.21 or any other section of the 3730
Revised Code. 3731

(B) In lieu of collecting service charges from owners for 3732
the removal of snow or ice from an undedicated road by the board 3733
of township trustees as provided in division (A) (1) of this 3734
section, the board may enter into a contract with a developer 3735
whereby the developer agrees to pay the service charges for the 3736
snow and ice removal instead of the owners. 3737

(C) The removal of snow, ice, debris, or other 3738
obstructions from an undedicated road by a board of township 3739
trustees acting pursuant to a resolution adopted under division 3740
(A) of this section does not constitute approval or acceptance 3741
of the undedicated road. 3742

(D) As used in this section, "undedicated road" means a 3743
road that has not been approved and accepted by the board of 3744
county commissioners and is not a part of the state, county, or 3745
township road systems as provided in section 5535.01 of the 3746
Revised Code. 3747

(E) Nothing in this section shall be construed to waive 3748
the requirement under section 1547.82 of the Revised Code that 3749
approval of plans be obtained from the director of natural 3750
resources or the director's representative prior to modifying or 3751

days after mailing notice to the parties in interest if no party	3811
in interest requested a hearing. The order may dismiss the	3812
matter or direct the removal, repair, or securance of the	3813
building or other structure. At any time, a party in interest	3814

land fails to abate, control, or remove the vegetation, garbage, 3927
refuse, or other debris, or no agreement for its abatement, 3928
control, or removal is entered into under division (D) of this 3929
section, the board of township trustees shall provide for the 3930
abatement, control, or removal and may employ the necessary 3931

manner to any holders of liens of record on the land. If a 3985
notice sent by certified mail is refused or unclaimed, or if an 3986

when agreed to by the municipal corporation to which annexation	5031
is proposed and the township in which the territory to be	5032
annexed is located;	5033

(9) Any periods of time during which no annexations will occur and any areas that will not be annexed during the period when agreed to by the municipal corporation and township affected by the annexation moratorium;

(10) Agreements by a municipal corporation and a township, or by a municipal corporation and a county, with landowners or developers of land that is to be annexed, or with both such landowners and land developers, concerning the provision of public services, facilities, and permanent improvements. Any person or other private entity described in division (C) (10) of this section that enters into an agreement with a municipal corporation and a township, or with a municipal corporation and a county, pursuant to this division shall be considered to be a party to the agreement.

(11) The application of tax abatement statutes within the territory covered by the cooperative economic development agreement;

(12) Changing township boundaries under Chapter 503. of the Revised Code to exclude newly annexed territory from the original township and providing services to that territory;

(13) The earmarking by a municipal corporation for its general revenue fund of a portion of the utility charges it collects in territory located outside the municipal corporation but located within the territory covered by a cooperative economic development agreement, but only if the cooperative economic development agreement does not cover any matters relating to annexation;

(14) Payments in lieu of taxes, if any, to be paid to a township by a municipal corporation. These payments may be in

addition to or in lieu of other payments required by law to be 5063
made to the township by that municipal corporation; 5064

(15) Any other matter pertaining to the annexation or 5065
development of territory, whether the territory is owned by a 5066
governmental entity or a person or private entity; 5067

(16) Agreements by one or more cities as defined under 5068
section 703.01 of the Revised Code, and one or more townships 5069
located in a county having a population of at least one hundred 5070
sixty thousand but not more than one hundred eighty thousand as 5071
determined by the most recent federal decennial census published 5072
by the United States census bureau before the execution of the 5073
cooperative economic development agreement and having a county 5074
planning commission operating pursuant to section 713.22 of the 5075
Revised Code as of the last day of the year to which such census 5076
applies, all of which shall be contiguous, subjecting all or 5077
part of the territory that is subject to the cooperative 5078
economic development agreement that qualifies as a megaproject 5079
supporting site to the substance of ordinances, resolutions, or 5080
other regulations of one or more of the political subdivisions 5081
party to the agreement related to the permitting, engineering, 5082
and construction of public and private improvements and other 5083
regulatory and proprietary matters determined to be for a public 5084
purpose under building codes, subdivision and other regulations 5085
as contemplated in Chapter 711. of the Revised Code, and 5086
regulations concerning construction and maintenance of new roads 5087
and streets, but excluding regulations related to zoning, public 5088
water infrastructure and services, public sanitary sewer 5089
infrastructure and services, bridges, existing roads and 5090
streets, stormwater management, floodplain management, or soil 5091
erosion control. Such regulations shall apply within the 5092
designated territory and shall prevail over regulations that 5093

would otherwise be applicable, as specified in the agreements, 5094
including regulations of a political subdivision that is not 5095
party to the cooperative economic development agreement. A 5096
county wherein a political subdivision that is party to the 5097
cooperative economic development agreement is located, or a 5098
county contiguous to a political subdivision that is party to 5099
the cooperative economic development agreement, may become a 5100
party to any of the agreements under this division upon the 5101
written consent of the legislative authority of each city and 5102
the board of township trustees of each township that is a party 5103
to the cooperative economic development agreement. An agreement 5104
under this division is effective upon written approval of the 5105
legislative authority of each city, the board of township 5106
trustees of each township, and, as applicable, the board of 5107
county commissioners of each county that is party to the 5108
agreement. The political subdivision whose regulations the 5109
designated territory is subject to shall be responsible for 5110
administering and processing the regulations within the 5111
designated territory and may be compensated for such services as 5112
specified in the agreement. All public improvements that are 5113
constructed pursuant to such regulations shall be required to be 5114
owned and maintained by one or more of the parties to the 5115
cooperative economic development agreement as specified in any 5116
agreement permitted under this division and shall not be 5117
required, without its consent, to be owned or maintained by any 5118
political subdivision whose regulations have been superseded, 5119
and that political subdivision shall not, without its consent, 5120
have any obligations or liabilities relating thereto. 5121

Before executing a cooperative economic development 5122
agreement that includes any agreements under this division, a 5123
township that is party to the proposed cooperative economic 5124

development agreement shall deliver, by certified mail, written 5125
notice to the clerk of the board of commissioners of the county 5126
in which affected property is located and to the proposed other 5127
party or parties to the cooperative economic development 5128
agreement indicating its intent to include, within the proposed 5129
cooperative economic development agreement, agreements that are 5130
permissible under this division. The notice shall identify which 5131
ordinances, resolutions, or other regulations are to be 5132
addressed in the permissible agreements and the territory to 5133
which the agreements will apply. The township and the county 5134
have ninety days from the clerk's receipt of the notice to 5135
negotiate their own agreement concerning procedures to achieve 5136
the efficient administration of those county regulations over 5137
which the regulations of another political subdivision would 5138
prevail under the agreements permitted under this division 5139
including, without limitation, definitive timing requirements 5140
for completing related administrative actions. The township and 5141
county may, by mutual agreement, extend the ninety-day period 5142
for up to an additional thirty days. 5143

The notice may include an election by the township to 5144
require the county to process and review all applications 5145
related to the permitting, engineering, and construction of 5146
public and private improvements that must be filed, processed, 5147
and approved by the county, its engineer, agencies, or 5148
departments in accordance with the same timing requirements as 5149
would apply to the processing and approval of similar 5150
applications if they were instead permitted to be filed under 5151
similar regulations adopted by the city that is a party to the 5152
cooperative economic development agreement. This election shall 5153
be binding upon the county regardless of whether the township 5154
and the county enter into an agreement as provided in this 5155

division, unless otherwise provided in such an agreement. If the 5156
election is made and is not otherwise altered in an agreement 5157
between the township and the county, and an application requires 5158
review by any committee, commission, or board of the county, 5159
then the application shall be placed on the agenda of the first 5160
regular meeting of such committee, commission, or board that 5161
occurs on or after the date that is fifteen days after the date 5162
the application was filed, and if no decision on the application 5163
is made at the initial meeting of the relevant committee, 5164
commission, or board, the application shall be considered at 5165
subsequent meetings of the relevant committee, commission, or 5166
board not less frequently than once every thirty days thereafter 5167
until the relevant committee, commission, or board issues a 5168
decision on the application. The timing requirements of this 5169
division apply to the exclusion of those that are provided 5170
elsewhere in the Revised Code or in county regulations. 5171

If an agreement between the township and county is not 5172
duly executed by both the township and the county before the 5173
expiration of the ninety-day period, as may be extended, then 5174
the parties to the cooperative economic development agreement 5175
may approve and execute any agreements permitted under this 5176
division. If an agreement between the township and county is 5177
duly executed by both the township and the county within that 5178
period, then during all times while the agreement between the 5179
township and county remains effective the agreements 5180
contemplated in this division shall not be included in a 5181
cooperative economic development agreement. Should an agreement 5182
between the township and county later terminate or expire, then 5183
the agreements contemplated in this division may be included in 5184
a cooperative economic agreement without the requirement to 5185
again follow the procedures contained in this division. 5186

~~As used in division (C) (2) of this section, "improvement" includes, but is not limited to, sewers, roadways, public utilities, and the acquisition of land.~~ 5187
5188
5189

As used in division (C) (16) of this section, "megaproject supporting site" means real property that satisfies all of the following: 5190
5191
5192

(a) It is subject to a cooperative economic development agreement that becomes effective not later than June 30, 2025. Amendments to or modifications of a cooperative economic development agreement effective by that date, including amendments to include or modifications of agreements permitted under division (C) (16) of this section, are permitted, even if made after that date, without affecting compliance with this division. 5193
5194
5195
5196
5197
5198
5199
5200

(b) It is no greater than six hundred acres in size. 5201

(c) It is zoned by the applicable governmental authority to allow for the development, operation, and construction of one thousand or more residential dwelling units in addition to nonresidential uses. 5202
5203
5204
5205

(d) Any portion of the real property's perimeter boundary is located within five miles of real property on which a megaproject, as defined in section 122.17 of the Revised Code, is located, is under construction, or is planned to be constructed, as such megaproject real property is identified in a fully executed agreement with the tax credit authority as contemplated in division (D) of section 122.17 of the Revised Code. 5206
5207
5208
5209
5210
5211
5212
5213

(D) Cooperative economic development agreements shall not be in derogation of the powers granted to municipal corporations 5214
5215

by Article XVIII, Ohio Constitution, or any other provisions of 5216
the Ohio Constitution or of a municipal charter, nor shall 5217
municipal corporations and townships, or municipal corporations 5218
and counties, agree to share proceeds of any tax levy, although 5219
such proceeds may be used to make payments authorized in a 5220
cooperative economic development agreement. 5221

(E) If any party to a cooperative economic development 5222
agreement believes any other party has failed to perform its 5223
part of any provision of the agreement, including the failure to 5224
make any payment of moneys due under the agreement, the 5225
complaining party shall give notice to the other party clearly 5226
stating what breach the complaining party believes has occurred. 5227
The party receiving the notice has ninety days from the receipt 5228
of that notice to cure the breach. If the breach has not been 5229
cured within that ninety-day period, the complaining party may 5230
sue for the recovery of the money due under the agreement, sue 5231
for specific enforcement of the agreement, or terminate the 5232
agreement by giving notice of termination to all other parties. 5233

(F) In order to assist economic development or to provide 5234
appropriate state functions and services to any part of the 5235
state, the state or any state agency may become a party to a 5236
cooperative economic development agreement upon the approval of 5237
the governor and the written consent of the legislative 5238
authority or governing board of each government entity that is a 5239
party to the agreement and upon the approval of each person or 5240
private entity described in division (C)(10) of this section 5241
that is party to the agreement. 5242

(G) A cooperative economic development agreement entered 5243
into under this section is in addition to any other agreements 5244
authorized by law between municipal corporations and counties or 5245

between municipal corporations and townships. 5246

(H) The powers and authorizations provided for under this 5247
section and under any cooperative economic development agreement 5248
entered into pursuant to this section shall be liberally 5249
construed to allow parties to enter into cooperative economic 5250
development agreements and to carry out such an agreement by 5251
providing government improvements and facilities and services 5252
including road and bridge improvements and regulations, by 5253
promoting and supporting economic development, by creating and 5254
preserving employment opportunities, and by allowing for the 5255
sharing by counties and townships in the benefits of economic 5256
development even if the economic development does not occur in 5257
an unincorporated area. 5258

(I) Nothing in this section expands or diminishes the 5259
exception of public utilities from certain regulations. 5260

Sec. 755.13. (A) The authority to supervise and maintain 5261
parks, playgrounds, playfields, gymnasiums, public baths, 5262
swimming pools, or indoor recreation centers, may be vested in 5263
any existing body or board, or in a recreation board, as the 5264
legislative authority of the municipal corporation, the board of 5265
township trustees, or the board of county commissioners 5266
determines. The local authorities of any such municipal 5267
corporation, township, or county may equip, develop, operate, 5268
and maintain such facilities as authorized by sections 755.12 to 5269
755.18 of the Revised Code. Such local authorities may, for the 5270
purpose of carrying out such sections, employ play leaders, 5271
recreation directors, supervisors, superintendents, or any other 5272
officers or employees, and may procure and pay all or any part 5273
of the cost of a policy or policies insuring such officers or 5274
employees against liability on account of damage or injury to 5275

persons or property arising from the performance of their 5276
official duties. 5277

(B) The board of township trustees may expend funds from 5278
the township general fund, or revenue derived from property 5279
taxes levied for parks and recreational purposes, for the public 5280
purpose of presenting community events that are open to the 5281
public at such parks, playgrounds, playfields, gymnasiums, 5282
public baths, swimming pools, or indoor recreation centers. 5283

(C) The board of county commissioners may adopt rules for 5284
the preservation of good order within parks, playfields, and 5285
reservations of land under its jurisdiction and on adjacent 5286
highways, rivers, riverbanks, and lakes, and the preservation of 5287
property and natural life therein. Such rules shall be published 5288
in a newspaper of general circulation within the county once a 5289
week for two consecutive weeks, or as provided in section 7.16 5290
of the Revised Code, before taking effect. In counties in which 5291
no newspaper is generally circulated, notice shall be 5292
accomplished by posting copies in not less than five of the most 5293
public places in the district, as determined by the board of 5294
county commissioners, for a period of not less than fifteen days 5295
before the rules take effect. The rules shall be enforced by a 5296
"law enforcement officer" as defined in section 2901.01 of the 5297
Revised Code. No person shall violate a rule adopted under this 5298
division. Whoever violates a rule adopted under this division 5299
shall be fined not more than one hundred dollars. If the 5300
offender has previously been convicted of a violation of the 5301
rule, the offender shall be fined not more than five hundred 5302
dollars. All fines collected for any violation of any rule 5303
adopted under this division shall be paid into the general fund 5304
of the county treasury. 5305

(D) (1) Except as provided in division (D) (2) of this 5306
section, the controlling authority of each sports and recreation 5307
location shall do all of the following: 5308

(a) Require the placement of an automated external 5309
defibrillator in each sports and recreation location, under the 5310
authority's control, at any time that the location is hosting an 5311
organized youth sport activity; 5312

(b) Require that a sufficient number of the staff persons 5313
of each sports and recreation location successfully complete an 5314

Code; 5317

(c) Adopt an emergency action plan for the use of 5318
automated external defibrillators and may use the model plan 5319
developed by the department of health under section 3701.851 of 5320

(2) Division (D) (1) of this section does not apply to a 5322
~~township or village~~ if the population of the ~~township or village~~ 5323
is less than five thousand, and does not apply to a township if 5324

Sec. 971.12. (A) If either owner fails to build or 5335
maintain in good repair the portion of a partition fence 5336
assigned to the owner under section 971.09 of the Revised Code, 5337
the board of township trustees, upon the application of the 5338
aggrieved owner, shall award the contract to the lowest 5339

the vendor against the purchase of the other machinery, 5930
equipment, or tools. If the purchase price of the other 5931
machinery, equipment, or tools alone exceeds the amount 5932
specified in section 9.17 of the Revised Code, the board may 5933
give notice to the competitive bidders of its willingness to 5934
accept offers for the purchase of the old machinery, equipment, 5935
or tools, and those offers shall be subtracted from the selling 5936

price of the other machinery, equipment, or tools as bid, in 5937
determining the lowest responsible bidder. Notice of the 5938
willingness of the board to accept offers for the purchase of 5939
the old machinery, equipment, or tools shall be made as a part 5940
of the advertisement for bids. 5941

Sec. 5571.011. If a person through whose land a public 5942
road has been established which is under the jurisdiction of a 5943
board of township trustees, desires to turn or change or 5944
relocate such road or any part thereof through any part of the 5945
person's land, the person may file a petition with such board of 5946
township trustees setting forth briefly the particular change 5947
desired. Upon receipt of such petition, the board of township 5948
trustees shall give notice by publication once, not later than 5949
two weeks ~~prior to~~ before the date which such board shall fix 5950
for a hearing on such petition, ~~in using at least one of the~~ 5951
following methods: 5952

(A) In the print or digital edition of a newspaper of 5953
general circulation in said township, ~~stating;~~ 5954

(B) On the official public notice web site established 5955
under section 125.182 of the Revised Code; 5956

(C) On the web site and social media account of the 5957
township. 5958

The notice shall state that such petition has been filed 5959
and setting forth the change desired in such road and the date 5960
and place of such hearing. 5961

Upon receipt of such a petition the board of township 5962
trustees shall cause a competent engineer to make a survey of 5963
the ground over which the road is proposed to be changed, and to 5964
make a report in writing, together with a plat and survey of the 5965

proposed change and the engineer's opinion as to its advantage 5966
or disadvantage. The report of such engineer shall be filed with 5967
the board prior to the hearing of such petition. 5968

At the hearing had on the petition the board of township 5969
trustees may hear evidence for or against changing the road, and 5970
if the board is satisfied that the proposed change will not 5971
cause serious injury or disadvantage to the public, it may make 5972
a finding of such fact in its journal and authorize the 5973
petitioner to change such road in conformity with the prayer of 5974
the petition. The board may grant the change as prayed for in 5975
the petition, or it may order such change of the route of such 5976
road as will, in its judgment, be for the best interest of the 5977
public. 5978

Upon receiving satisfactory evidence that the road has 5979
been changed as authorized by it, and opened to the legal width 5980
and improved as required by it, the board of township trustees 5981
shall declare such new road a public highway and cause a record 5982
thereof to be made and at the same time vacate so much of the 5983
old road as is rendered unnecessary by the new road. The person 5984
petitioning for such change shall in all cases pay all costs and 5985
expenses in connection with the proceeding, as found and 5986
determined by the board, and the expense of making such change, 5987
including the cost of relocation of any conduits, cables, wires, 5988
towers, poles or other equipment or appliances of any public 5989
utility, located on, over or under such road. The petitioner 5990
shall, on the filing of the petition for such change, give bond 5991
to the satisfaction of the board in such amount as it determines 5992
to secure payment of the costs of the proceeding and to cover 5993
the expense of making the change asked for by the petition. 5994

Sec. 5571.20. (A) Except as otherwise provided in division 5995

(D) of this section, a board of township trustees by resolution 5996
may place a graveled or unimproved township road under its 5997
jurisdiction that is not passable year-round or any portion of 5998
such a road on nonmaintained status. Prior to adopting a 5999
resolution that places a road on nonmaintained status, the board 6000
shall hold at least two public hearings to allow for public 6001
comment on the proposed resolution. The board, at special or 6002
regular meetings, shall publicize the times and places of the 6003
hearings by causing a notice to be published ~~in a newspaper of~~ 6004
~~general circulation in the county in which the road is located~~ 6005
at least ten days prior to the date of the first meeting using 6006
at least one of the following methods: 6007

(1) In the print or digital edition of a newspaper of 6008
general circulation in the county in which the road is located; 6009

(2) On the official public notice web site established 6010
under section 125.182 of the Revised Code; 6011

(3) On the web site and social media account of the 6012
township. If- 6013

If the township maintains a web site on the internet, the 6014
same notice also shall be posted on the web site at least ten 6015
days prior to the date of the first meeting. Upon adoption of 6016
such a resolution, the board is not required to cause the road 6017
to be dragged at any time, or to cut, destroy, or remove any 6018
brush, weeds, briers, bushes, or thistles upon or along the 6019
road, or to remove snow from the road, or to maintain or repair 6020
the road in any manner. The board, in its discretion, may cause 6021
any of these actions to be performed on or to a road that it has 6022
placed on nonmaintained status. 6023

(B) Prior to adopting a resolution under division (A) of 6024

this section, the board shall request the county engineer to 6025
issue an advisory opinion regarding the consequences of placing 6026
the road on nonmaintained status, including any impact such 6027
action would have on adjoining property owners. A board may 6028
adopt a resolution under division (A) of this section only after 6029
the county engineer issues the advisory opinion and the county 6030
engineer, in the advisory opinion, finds that placing the road 6031
on nonmaintained status will not unduly adversely affect the 6032
flow of motor vehicle traffic on that road or on any adjacent 6033
road. 6034

(C) (1) A board may terminate the nonmaintained status of a 6035
township road by adopting a resolution to that effect. If the 6036
owner of land adjoining a road that has been placed on 6037
nonmaintained status requests the board to terminate the 6038
nonmaintained status of the road, the board, in its resolution 6039
that terminates that nonmaintained status, may require the owner 6040
to pay the costs of upgrading the road to locally adopted 6041
township standards. 6042

(2) If the owner of land adjoining a road that has been 6043
placed on nonmaintained status upgrades the road to the 6044
standards most recently certified by the county engineer for the 6045
road, the board shall terminate the nonmaintained status of the 6046
road and then shall maintain and repair the road according to 6047
such standards. However, division (C) (2) of this section does 6048
not apply to a road or portion of a road that, prior to being 6049
placed on nonmaintained status, was not certified by the board 6050
of township trustees to the director of transportation in 6051
accordance with division (E) of section 4501.04 of the Revised 6052
Code as mileage in the township used by and maintained for the 6053
public. 6054

(3) The owner of land adjoining a road that was placed on 6055
nonmaintained status prior to April 7, 2009, or land owner of 6056
land whose only access to such a road is by easement may 6057
petition the board for review of the nonmaintained status of the 6058
road if the road provides the exclusive means for obtaining 6059
access to the land. Upon receipt of a petition, the board shall 6060
review the status of the road and shall terminate the 6061
nonmaintained status if the board finds that the road provides 6062
such exclusive means for obtaining access to the land. After 6063
completing the review, the board shall adopt a resolution either 6064
retaining or terminating the nonmaintained status of the road. 6065
If the board terminates the nonmaintained status of a road under 6066
division (C) (3) of this section, the board shall not require the 6067
owner to pay the costs of upgrading, maintaining, or repairing 6068
the road. However, division (C) (3) of this section does not 6069
apply to a road or portion of a road that, prior to being placed 6070
on nonmaintained status, was not certified by the board of 6071
township trustees to the director in accordance with division 6072
(E) of section 4501.04 of the Revised Code as mileage in the 6073
township used by and maintained for the public. 6074

(D) A graveled or unimproved road may not be placed on 6075
nonmaintained status if the road is the exclusive means for 6076
obtaining access to land that adjoins that road and the road is 6077
passable year-round. 6078

(E) For purposes of this section, a road is passable year- 6079
round if a four-wheeled, two-wheel drive passenger motor vehicle 6080
can be driven on the road year-round, apart from seasonal 6081
conditions caused by weather-related events. 6082

Sec. 5573.02. Upon the completion of the surveys, plans, 6083
profiles, cross sections, estimates, and specifications for a 6084

road improvement by the county engineer, the engineer shall 6085
transmit to the board of township trustees copies of the same. 6086
Except in cases of reconstruction or repair of roads, where no 6087
land or property is taken, the board shall then ~~cause to be~~ 6088
~~published in a newspaper of general circulation within the~~ 6089
~~township~~publish, once a week for two consecutive weeks ~~or as~~ 6090
~~provided in section 7.16 of the Revised Code~~, a notice using at 6091
least one of the following methods: 6092

(A) In the print or digital edition of a newspaper of 6093
general circulation within the township; 6094

(B) On the official public notice web site established 6095
under section 125.182 of the Revised Code; 6096

(C) On the web site and social media account of the 6097
township. 6098

The notice shall state that such improvement is to be made 6099
and that copies of the surveys, plans, profiles, cross sections, 6100
estimates, and specifications for it are on file with the board 6101
for the inspection and examination of all persons interested. 6102

In the event that land or property is to be taken for such 6103
improvement, proceedings shall be had in accordance with 6104
sections 163.01 to 163.22 of the Revised Code. 6105

Sec. 5573.10. As soon as all questions of compensation and 6106
damages have been determined for any road improvement, the 6107
county engineer shall make, upon actual view, an estimated 6108
assessment, upon the real estate to be charged, of such part of 6109
the compensation, damages, and costs of such improvement as is 6110
to be specially assessed. Such assessment shall be according to 6111
the benefits which will result to the real estate. In making 6112
such assessment the engineer may take into consideration any 6113

previous special assessment made upon such real estate for road 6114
improvements. 6115

The schedule for such assessments shall be filed with the 6116
board of township trustees for the inspection of the persons 6117
interested. Before adopting the estimated assessment, the board 6118
shall publish a notice once each week for two consecutive weeks, 6119
~~in~~ using at least one of the following methods: 6120

(A) In the print or digital edition of a newspaper of 6121
general circulation within such township ~~or as provided in~~ 6122
~~section 7.16 of the Revised Code,;~~ 6123

(B) On the official public notice web site established 6124
under section 125.182 of the Revised Code; 6125

(C) On the web site and social media account of the 6126
township. 6127

The notice shall state that such assessment has been made 6128
and is on file with the board, and the date when objections will 6129
be heard to such assessment. 6130

If any owner of property affected desires to make 6131
objections, the owner may file objections to such assessments, 6132
in writing, with the board, before the time of such hearing. If 6133
any objections are filed the board shall hear them and act as an 6134
equalizing board, and may change assessments if, in its opinion, 6135
any changes are necessary to make them just and equitable. The 6136
board shall approve and confirm assessments as reported by the 6137
engineer or modified by the board. Such assessments, when 6138
approved and confirmed, shall be a lien on the land chargeable 6139
therewith. 6140

Sec. 5575.01. (A) In the maintenance and repair of roads, 6141
the board of township trustees may proceed either by contract or 6142

force account, but, unless the exemption specified in division 6143
(C) of this section applies, if the board wishes to proceed by 6144
force account, it first shall cause the county engineer to 6145
complete the force account assessment form developed by the 6146
auditor of state under section 117.16 of the Revised Code. 6147
Except as otherwise provided in sections 505.08 and 505.101 of 6148
the Revised Code, when the board proceeds by contract, the 6149
contract shall, if the amount involved exceeds one hundred five 6150
thousand dollars, be let by the board to the lowest responsible 6151
bidder after advertisement for bids once, not later than two 6152
weeks, prior to the date fixed for the letting of the contract, 6153
~~in~~ using at least one of the following methods: 6154

(1) In the print or digital edition of a newspaper of 6155
general circulation within the township; 6156

(2) On the official public notice web site established 6157
under section 125.182 of the Revised Code; 6158

(3) On the web site and social media account of the 6159
township. ~~If~~ 6160

If the amount involved is one hundred five thousand 6161
dollars or less, a contract may be let without competitive 6162
bidding, or the work may be done by force account. Such a 6163
contract shall be performed under the supervision of a member of 6164
the board or the township road superintendent. 6165

(B) Before undertaking the construction or reconstruction 6166
of a township road, the board shall cause to be made by the 6167
county engineer an estimate of the cost of the work, which 6168
estimate shall include labor, material, freight, fuel, hauling, 6169
use of machinery and equipment, and all other items of cost. If 6170
the board finds it in the best interest of the public, it may, 6171

in lieu of constructing the road by contract, proceed to 6172
construct the road by force account. Except as otherwise 6173
provided under sections 505.08 and 505.101 of the Revised Code, 6174
where the total estimated cost of the work exceeds thirty-five 6175
thousand dollars per mile, the board shall invite and receive 6176
competitive bids for furnishing all the labor, materials, and 6177
equipment and doing the work, as provided in section 5575.02 of 6178
the Revised Code, and shall consider and reject them before 6179
ordering the work done by force account. When such bids are 6180
received, considered, and rejected, and the work is done by 6181
force account, the work shall be performed in compliance with 6182
the plans and specifications upon which the bids were based. 6183

(C) Force account assessment forms are not required under 6184
division (A) of this section for road maintenance or repair 6185
projects or under division (B) of this section for road 6186
construction or reconstruction projects of less than one-third 6187
of the applicable force account limit. 6188

(D) On the first day of July of every year beginning in 6189
2024, the threshold amounts established in divisions (A) and (B) 6190
of this section shall increase by an amount not to exceed the 6191
lesser of five per cent, or the percentage amount of any 6192
increase in the department of transportation's construction cost 6193
index as annualized and totaled for the prior calendar year. The 6194
director of transportation shall notify each appropriate county 6195
engineer of the increased amount. 6196

(E) All force account work under this section shall be 6197
done under the direction of a member of the board or the 6198
township road superintendent. 6199

Sec. 5575.02. After the board of township trustees has 6200
decided to proceed with a road improvement, it shall advertise 6201

for bids once, not later than two weeks prior to the date fixed 6202
for the letting of contracts, ~~in~~ using at least one of the 6203
following methods: 6204

(A) In the print or digital edition of a newspaper of 6205
general circulation within the township; 6206

(B) On the official public notice web site established 6207
under section 125.182 of the Revised Code; 6208

(C) On the web site and social media account of the 6209
township. Such 6210

Such notice shall state that copies of the surveys, plans, 6211
profiles, cross sections, and specifications for such 6212
improvement are on file with the board, and the time within 6213
which bids will be received. The board may let the work as a 6214
whole or in convenient sections, as it determines. The contract 6215
shall be awarded to the lowest and best bidder who meets the 6216
requirements of section 153.54 of the Revised Code, and shall be 6217
let upon the basis of lump sum bids, unless the board orders 6218
that it be let upon the basis of unit price bids, in which event 6219
it shall be let upon such basis. 6220

The board is not required to provide notice of the project 6221
cost estimate when advertising for bids under this section. 6222

Sec. 5579.05. (A) Upon receiving written information that 6223
noxious weeds, wild parsnip, wild carrot, oxeye daisy, wild 6224
mustard, or other harmful weeds are growing on land in a 6225
township, other than land owned or managed by the department of 6226
natural resources, or park land owned or managed by the state or 6227
a political subdivision, the board of township trustees shall 6228
notify the owner, lessee, agent, or tenant having charge of the 6229
land of the receipt of the information and of the obligations 6230

imposed by this section. Within five days after the notification 6231
is given, the person notified shall cut or destroy the weeds or 6232
show the board why there is no need for doing so. 6233

If the person in charge of the land is a resident of the 6234
township or a nonresident whose address is known, the notice 6235
shall be sent to ~~his~~ the resident's or nonresident's address by 6236
certified mail. If the person's address is unknown, it is 6237
sufficient to publish the notice once ~~in~~ using at least one of 6238
the following methods: 6239

(1) In the print or digital edition of a newspaper of 6240
general circulation in the county; 6241

(2) On the official public notice web site established 6242
under section 125.182 of the Revised Code; 6243

(3) On the web site and social media account of the 6244
township. 6245

(B) Upon receiving information that wild parsnip, wild 6246
carrot, oxeye daisy, wild mustard, or noxious weeds are growing 6247
in a township on land owned or managed by the department of 6248
natural resources, or on park land owned or managed by the state 6249
or a political subdivision, the board of township trustees shall 6250
notify the county extension agent for the county in which the 6251
township is located of the receipt of the information. Within 6252
five days after the notification is given, the extension agent 6253
shall meet in committee with a person designated for this 6254
purpose by the governing authority of the land and, if the land 6255
is within a soil and water conservation district, with a 6256
supervisor of the district designated by the district 6257
supervisors, to consider ways to deal with the problem, and 6258
shall, within such five days, report the committee's findings 6259

and recommendations to the board of township trustees. 6260

This section and sections 5579.06 and 5579.07 of the 6261
Revised Code do not apply to persons subject to section 4959.11 6262
of the Revised Code. 6263

Sec. 6101.16. When it is determined to let the work 6264
relating to the improvements for which a conservancy district 6265
was established by contract, contracts in ~~amounts to exceed~~ 6266
~~fifty thousand dollars~~ excess of the amount specified in section 6267
9.17 of the Revised Code shall be advertised after notice 6268
calling for bids has been published once a week for two 6269
consecutive weeks or as provided in section 7.16 of the Revised 6270
Code, with the last publication to occur at least eight days 6271
prior to the date on which bids will be accepted, in a newspaper 6272
of general circulation within the conservancy district where the 6273
work is to be done. If the bids are for a contract for the 6274
construction, demolition, alteration, repair, or reconstruction 6275
of an improvement, the board of directors of the conservancy 6276
district may let the contract to the lowest responsive and most 6277
responsible bidder who meets the requirements of section 153.54 6278
of the Revised Code. If the bids are for a contract for any 6279
other work relating to the improvements for which a conservancy 6280
district was established, the board of directors of the district 6281
may let the contract to the lowest responsive and most 6282
responsible bidder who gives a good and approved bond, with 6283
ample security, conditioned on the carrying out of the contract. 6284
The contract shall be in writing and shall be accompanied by or 6285
refer to plans and specifications for the work to be done 6286
prepared by the chief engineer. The plans and specifications 6287
shall at all times be made and considered a part of the 6288
contract. The contract shall be approved by the board and signed 6289
by the president of the board and by the contractor and shall be 6290

executed in duplicate. In case of sudden emergency when it is 6291
necessary in order to protect the district, the advertising of 6292
contracts may be waived upon the consent of the board, with the 6293
approval of the court or a judge of the court of common pleas of 6294
the county in which the office of the district is located. 6295

No project subject to this section shall be divided into 6296
component parts, separate projects, or separate items of work in 6297
order to avoid the requirements of this section. 6298

Sec. 6101.44. The moneys of every conservancy district 6299
shall be administered through the following funds: 6300

(A) The preliminary fund, consisting of the proceeds of 6301
the preliminary assessment levied under authority of section 6302
6101.45 of the Revised Code, any advances of assessments 6303
obtained or notes issued in accordance with section 6101.46 of 6304
the Revised Code, and any contribution or appropriation by the 6305
state under authority of section 6101.45 of the Revised Code, 6306
which shall be used for the payment of expenses incurred for the 6307
purposes for which such preliminary assessments and 6308
contributions are authorized; 6309

(B) The improvement fund, consisting of the proceeds of 6310
all special assessments the collection of which has not been 6311
anticipated in the issuance of bonds or notes and the proceeds 6312
of all bonds and notes, other than bonds to retire notes, issued 6313
under section 6101.50 of the Revised Code, which shall be used 6314
for defraying expenditures incurred in the execution of the 6315
official plan and the acquisition or construction of properties, 6316
works, and improvements of the district, including the cost of 6317
preparing the official plan and the appraisal, the entire cost 6318
of construction and superintendence, with all charges incidental 6319
thereto, and the cost of administration during the period of 6320

construction and may also be used for defraying preliminary 6321
expenses in accordance with section 6101.46 of the Revised Code 6322
and repayment to the preliminary fund, in the manner and to the 6323
extent provided by this section, of expenditures from it; 6324

(C) The bond retirement fund, consisting of the proceeds 6325
of all special assessments the collection of which has been 6326
anticipated in the issuance of bonds or notes together with all 6327
other receipts pledged for the retirement of bonds or notes or 6328
the payment of interest on the bonds or notes, which shall be 6329
used only for those purposes; 6330

(D) The maintenance fund, consisting of the proceeds of 6331
maintenance assessments levied annually in accordance with 6332
section 6101.53 of the Revised Code, earnings from the operation 6333
of the works of the district, rents, incomes, royalties, or 6334
other revenues received from the use of the conservancy 6335
district's lands, and all receipts not otherwise assigned by law 6336
or by order of the board of directors of the conservancy 6337
district, which shall be used for the payment of operation, 6338
maintenance, and other current preservation, or any other 6339
expense of the district. Additionally, the board of directors of 6340
a conservancy district that includes all or parts of more than 6341
sixteen counties may use any surplus money in the maintenance 6342
fund other than proceeds derived from the levy of maintenance 6343
assessments under section 6101.53 of the Revised Code to provide 6344
financial support to a charitable trust or a social welfare 6345
trust, as defined in section 6101.47 of the Revised Code. 6346

Before levying any assessment to pay the cost of an 6347
improvement, the board of directors shall determine the amount 6348
expended and to be expended from the preliminary fund for 6349
surveys and plans, appraisals, hearings, administration, court 6350

costs, and other incidentals that equitably should be repaid to 6351
the preliminary fund. The amount may be all or any portion of 6352
the preliminary expenses for the improvement. When specified by 6353
resolution of the board of directors, the amount shall be 6354
included in the costs to be paid from the assessments upon 6355
benefited property, and shall be transferred from the 6356
improvement fund to the preliminary fund. 6357

The board may establish separate or special funds of each 6358
class for each or any designated purpose for which the district 6359
is incorporated. Any surplus moneys in any fund of the district 6360
may be transferred to any other such fund by the board with the 6361
approval of the court, but no transfer shall be made from the 6362
bond retirement fund prior to the final maturity of the bonds 6363
