hold any hearing in connection with an order canceling or 2767
suspending a motor vehicle driver's or commercial driver's license 2768
pursuant to section 2903.06, 2903.08, 2921.331, 4549.02, 4549.021, 2769
or 5743.99 or any provision of Chapter 2925., 4509., 4510., or 2770
4511. of the Revised Code or in connection with an out-of-service 2771
order issued under Chapter 4506. of the Revised Code. 2772

(B) Notwithstanding section 119.07 of the Revised Code, the 2773
registrar is not required to ~~use registered mail, return receipt~~ 2774

connection with an order canceling or suspending a motor vehicle 2776
driver's or commercial driver's license or a notification to a 2777
person to surrender a certificate of registration and registration 2778
plates. 2779

Sec. 119.07. Except when a statute prescribes a notice and 2780
the persons to whom it shall be given, in all cases in which 2781
section 119.06 of the Revised Code requires an agency to afford an 2782
opportunity for a hearing prior to the issuance of an order, the 2783
agency shall give notice to the party informing the party of the 2784
party's right to a hearing. Notice shall be ~~given by registered~~ 2785
~~mail, return receipt requested,~~ served in accordance with section 2786
119.05 of the Revised Code and shall include the charges or other 2787
reasons for the proposed action, the law or rule directly 2788
involved, and a statement informing the party that the party is 2789
entitled to a hearing if the party requests it within thirty days 2790
of the time of ~~mailing the notice~~ service. The notice shall also 2791
inform the party that at the hearing the party may appear in 2792
person, by the party's attorney, or by such other representative 2793
as is permitted to practice before the agency, or may present the 2794

party's position, arguments, or contentions in writing and that at 2795
the hearing the party may present evidence and examine witnesses 2796
appearing for and against the party. A copy of the notice shall be 2797
~~mailed~~ provided to attorneys or other representatives of record 2798
representing the party. This paragraph does not apply to 2799
situations in which such section provides for a hearing only when 2800
it is requested by the party. 2801

When a statute specifically permits the suspension of a 2802
license without a prior hearing, notice of the agency's order 2803
shall be ~~sent to~~ served on the party ~~by registered mail, return~~ 2804
~~receipt requested,~~ in accordance with section 119.05 of the 2805
Revised Code not later than the business day next succeeding such 2806
order. The notice shall state the reasons for the agency's action, 2807
cite the law or rule directly involved, and state that the party 2808
will be afforded a hearing if the party requests it within thirty 2809
days of the ~~time of mailing the~~ date on which notice is served. A 2810
copy of the notice shall be ~~mailed~~ provided to attorneys or other 2811
representatives of record representing the party. 2812

Whenever a party requests a hearing in accordance with this 2813
section and section 119.06 of the Revised Code, the agency shall 2814
immediately set the date, time, and place for the hearing and 2815
~~forthwith notify~~ serve the party ~~thereof~~ with notice of the 2816
hearing. The date set for the hearing shall be within ~~fifteen~~ 2817
sixty days, but not earlier than seven days, after the party has 2818
requested a hearing, unless otherwise agreed to by both the agency 2819
and the party. 2820

~~When any notice sent by registered mail, as required by~~ 2821
~~sections 119.01 to 119.13 of the Revised Code, is returned because~~ 2822
~~the party fails to claim the notice, the agency shall send the~~ 2823
~~notice by ordinary mail to the party at the party's last known~~ 2824
~~address and shall obtain a certificate of mailing. Service by~~ 2825
~~ordinary mail is complete when the certificate of mailing is~~ 2826

~~obtained unless the notice is returned showing failure of
delivery.~~ 2827
2828

~~If any notice sent by registered or ordinary mail is returned
for failure of delivery, the agency either shall make personal
delivery of the notice by an employee or agent of the agency or
shall cause a summary of the substantive provisions of the notice
to be published once a week for three consecutive weeks in a
newspaper of general circulation in the county where the last
known address of the party is located. When notice is given by
publication, a proof of publication affidavit, with the first
publication of the notice set forth in the affidavit, shall be
mailed by ordinary mail to the party at the party's last known
address and the notice shall be deemed received as of the date of
the last publication. An employee or agent of the agency may make
personal delivery of the notice upon a party at any time.~~ 2829

~~Refusal of delivery by personal service or by mail is not

of delivery occurs only when a mailed notice is returned by the
postal authorities marked undeliverable, address or addressee
unknown, or forwarding address unknown or expired. A party's last
known address is the mailing address of the party appearing in the
records of the agency.~~ 2842

2848

The failure of an agency to ~~give~~ serve the notices for any 2849
hearing required by sections 119.01 to 119.13 of the Revised Code 2850
in the manner provided in ~~this~~ section 119.05 of the Revised Code 2851
shall invalidate any order entered pursuant to the hearing. 2852

Sec. 119.09. As used in this section "stenographic record" 2853
means a record provided by stenographic means or by the use of 2854
audio electronic recording devices, as the agency determines. 2855

For the purpose of conducting any adjudication hearing 2856
required by sections 119.01 to 119.13 of the Revised Code, the 2857

agency may require the attendance of such witnesses and the 2858
production of such books, records, and papers as it desires, and 2859
it may take the depositions of witnesses residing within or 2860
without the state in the same manner as is prescribed by law for 2861
the taking of depositions in civil actions in the court of common 2862
pleas, and for that purpose the agency may, and upon the request 2863
of any party receiving notice of the hearing as required by 2864
section 119.07 of the Revised Code shall, issue a subpoena for any 2865
witness or a subpoena duces tecum to compel the production of any 2866
books, records, or papers, directed to the sheriff of the county 2867
where such witness resides or is found, which shall be served and 2868
returned in the same manner as a subpoena in a criminal case is 2869
served and returned. The sheriff shall be paid the same fees for 2870
services as are allowed in the court of common pleas in criminal 2871
cases. Witnesses shall be paid the fees and mileage provided for 2872
under section 119.094 of the Revised Code. Fees and mileage shall 2873
be paid from the fund in the state treasury for the use of the 2874
agency in the same manner as other expenses of the agency are 2875
paid. 2876

An agency may postpone or continue any adjudication hearing 2877
upon the application of any party or upon its own motion. 2878

In any case of disobedience or neglect of any subpoena served 2879
on any person or the refusal of any witness to testify to any 2880
matter regarding which the witness may lawfully be interrogated, 2881
the court of common pleas of any county where such disobedience, 2882
neglect, or refusal occurs or any judge thereof, on application by 2883
the agency shall compel obedience by attachment proceedings for 2884
contempt, as in the case of disobedience of the requirements of a 2885
subpoena issued from such court, or a refusal to testify therein. 2886

At any adjudication hearing required by sections 119.01 to 2887
119.13 of the Revised Code, the record of which may be the basis 2888
of an appeal to court, a stenographic record of the testimony and 2889

other evidence submitted shall be taken at the expense of the 2890
agency. Such record shall include all of the testimony and other 2891
evidence, and rulings on the admissibility thereof presented at 2892
the hearing. This paragraph does not require a stenographic record 2893
at every adjudication hearing. In any situation where an 2894
adjudication hearing is required by sections 119.01 to 119.13 of 2895
the Revised Code, if an adjudication order is made without a 2896
stenographic record of the hearing, the agency shall, on request 2897
of the party, afford a hearing or rehearing for the purpose of 2898
making such a record which may be the basis of an appeal to court. 2899
The rules of an agency may specify the situations in which a 2900
stenographic record will be made only on request of the party; 2901
otherwise such a record shall be made at every adjudication 2902
hearing from which an appeal to court might be taken. 2903

The agency shall pass upon the admissibility of evidence, but 2904
a party may at the time make objection to the rulings of the 2905
agency thereon, and if the agency refuses to admit evidence, the 2906
party offering the same shall make a proffer thereof, and such 2907
proffer shall be made a part of the record of such hearing. 2908

In any adjudication hearing required by sections 119.01 to 2909
119.13 of the Revised Code, the agency may call any party to 2910
testify under oath as upon cross-examination. 2911

The agency, or any one delegated by it to conduct an 2912
adjudication hearing, may administer oaths or affirmations. 2913

In any adjudication hearing required by sections 119.01 to 2914
119.13 of the Revised Code, the agency may appoint a referee or 2915
examiner to conduct the hearing. The referee or examiner shall 2916
have the same powers and authority in conducting the hearing as is 2917
granted to the agency. Such referee or examiner shall have been 2918
admitted to the practice of law in the state and be possessed of 2919
such additional qualifications as the agency requires. The referee 2920
or examiner shall submit to the agency a written report setting 2921

forth the referee's or examiner's findings of fact and conclusions 2922
of law and a recommendation of the action to be taken by the 2923
agency. A copy of such written report and recommendation of the 2924
referee or examiner shall within five days of the date ~~of filing~~ 2925
~~thereof it is submitted to the agency~~, be served upon the party or 2926
the party's attorney or other representative of record, ~~by~~ 2927
~~certified mail in accordance with section 119.05 of the Revised~~ 2928
~~Code~~. The party may, within ten days of ~~receipt of such copy~~ 2929
~~service~~ of such written report and recommendation, file with the 2930
agency written objections to the report and recommendation, which 2931
objections shall be considered by the agency before approving, 2932
modifying, or disapproving the recommendation. The agency may 2933
grant extensions of time to the party within which to file such 2934
objections. No recommendation of the referee or examiner shall be 2935
approved, modified, or disapproved by the agency until after ten 2936
days after service of such report and recommendation ~~as provided~~ 2937
~~in this section~~. The agency may order additional testimony to be 2938
taken or permit the introduction of further documentary evidence. 2939
The recommendation of the referee or examiner may be approved, 2940
modified, or disapproved by the agency, and the order of the 2941
agency based on such report, recommendation, transcript of 2942
testimony and evidence, or objections of the parties, and 2943
additional testimony and evidence shall have the same effect as if 2944
such hearing had been conducted by the agency. No such 2945
recommendation shall be final until confirmed and approved by the 2946
agency as indicated by the order entered on its record of 2947
proceedings, and if the agency modifies or disapproves the 2948
recommendations of the referee or examiner it shall include in the 2949
record of its proceedings the reasons for such modification or 2950
disapproval. 2951

After such order is entered on its journal, the agency shall, 2952
in accordance with section 119.05 of the Revised Code, serve ~~by~~ 2953
~~certified mail, return receipt requested, upon~~ the party affected 2954

thereby, a certified copy of the order and a statement of the time 2955
and method by which an appeal may be perfected. A copy of such 2956
order shall be ~~mailed~~ provided to the attorneys or other 2957
representatives of record representing the party. 2958

Sec. 119.092. (A) As used in this section: 2959

(1) "Eligible party" means a party to an adjudication hearing 2960
other than the following: 2961

(a) The agency; 2962

(b) An individual whose net worth exceeded one million 2963
dollars at the time ~~he~~ the individual received notification of the 2964
hearing; 2965

(c) A sole owner of an unincorporated business that had, or a 2966
partnership, corporation, association, or organization that had, a 2967
net worth exceeding five million dollars at the time the party 2968
received notification of the hearing, except that an organization 2969
that is described in subsection 501(c)(3) and is tax exempt under 2970
subsection 501(a) of the Internal Revenue Code, shall not be 2971
excluded as an eligible party under this division because of its 2972
net worth; 2973

(d) A sole owner of an unincorporated business that employed, 2974
or a partnership, corporation, association, or organization that 2975
employed, more than five hundred persons at the time the party 2976
received notification of the hearing. 2977

(2) "Fees" means reasonable attorney's fees, in an amount not 2978
to exceed seventy-five dollars per hour or a higher hourly fee 2979
that the agency establishes by rule and that is applicable under 2980
the circumstances. 2981

(3) "Internal Revenue Code" means the "Internal Revenue Code 2982
of 1954," 68A Stat. 3, 26 U.S.C. 1, as amended. 2983

(4) "Prevailing eligible party" means an eligible party that 2984

prevails after an adjudication hearing, as reflected in an order 2985
entered in the journal of the agency. 2986

(B)(1) Except as provided in divisions (B)(2) and (F) of this 2987
section, if an agency conducts an adjudication hearing under this 2988
chapter, the prevailing eligible party is entitled, upon filing a 2989
motion in accordance with this division, to compensation for fees 2990
incurred by that party in connection with the hearing. A 2991
prevailing eligible party that desires an award of compensation 2992
for fees shall file a motion requesting the award with the agency 2993
within thirty days after the date that the order of the agency is 2994
entered in its journal. The motion shall do all of the following: 2995

(a) Identify the party; 2996

(b) Indicate that the party is the prevailing eligible party 2997
and is entitled to receive an award of compensation for fees; 2998

(c) Include a statement that the agency's position in 2999
initiating the matter in controversy was not substantially 3000
justified; 3001

(d) Indicate the amount sought as an award; 3002

(e) Itemize all fees sought in the requested award. This 3003
itemization shall include a statement from any attorney who 3004
represented the prevailing eligible party, that indicates the fees 3005
charged, the actual time expended, and the rate at which the fees 3006
were calculated. 3007

(2) Upon the filing of a motion under this section, the 3008
request for the award shall be reviewed by the referee or examiner 3009
who conducted the adjudication hearing or, if none, by the agency 3010
involved. In the review, the referee, examiner, or agency shall 3011
determine whether the fees incurred by the prevailing eligible 3012
party exceeded one hundred dollars, whether the position of the 3013
agency in initiating the matter in controversy was substantially 3014
justified, whether special circumstances make an award unjust, and 3015

whether the prevailing eligible party engaged in conduct during 3016
the course of the hearing that unduly and unreasonably protracted 3017
the final resolution of the matter in controversy. The referee, 3018
examiner, or agency shall issue a determination, in writing, on 3019
the motion of the prevailing eligible party, which determination 3020
shall include a statement indicating whether an award has been 3021
granted, the findings and conclusions underlying it, the reasons 3022
or bases for the findings and conclusions, and, if an award has 3023
been granted, its amount. The determination shall be entered in 3024
the record of the prevailing eligible party's case, and a copy of 3025
it ~~mailed to~~ served on the prevailing eligible party in accordance 3026
with section 119.05 of the Revised Code. 3027

With respect to a motion under this section, the agency 3028
involved, through any representative it designates, has the burden 3029
of proving that its position in initiating the matter in 3030
controversy was substantially justified, that special 3031
circumstances make an award unjust, or that the prevailing 3032
eligible party engaged in conduct during the course of the hearing 3033
that unduly and unreasonably protracted the final resolution of 3034
the matter in controversy. A referee, examiner, or agency 3035
considering a motion under this section may deny an award 3036
entirely, or reduce the amount of an award that otherwise would be 3037
payable, to a prevailing eligible party only as follows: 3038

(a) If the determination is that the agency has sustained its 3039
burden of proof that its position in initiating the matter in 3040
controversy was substantially justified or that special 3041
circumstances make an award unjust, the motion shall be denied; 3042

(b) If the determination is that the agency has sustained its 3043
burden of proof that the prevailing eligible party engaged in 3044
conduct during the course of the hearing that unduly and 3045
unreasonably protracted the final resolution of the matter in 3046
controversy, the referee, examiner, or agency may reduce the 3047

amount of an award, or deny an award, to that party to the extent 3048
of that conduct; 3049

(c) If the determination is that the fees of the prevailing 3050
eligible party were not in excess of one hundred dollars, the 3051
referee, agency, or examiner shall deny the motion. 3052

(3) For purposes of this section, decisions by referees or 3053
examiners upon motions are final and are not subject to review and 3054
approval by an agency. These decisions constitute final 3055
determinations of the agency for purposes of appeals under 3056
division (C) of this section. 3057

(C) A prevailing eligible party that files a motion for an 3058
award of compensation for fees under this section and that is 3059
denied an award or receives a reduced award may appeal the 3060
determination of the referee, examiner, or agency to the same 3061
court, as determined under section 119.12 of the Revised Code, as 3062
the party could have appealed the adjudication order of the agency 3063
had the party been adversely affected by it. An agency may appeal 3064
the grant of an award to this same court if a referee or examiner 3065
made the final determination pursuant to division (B)(3) of this 3066
section. Notices of appeal shall be filed in the manner and within 3067
the period specified in section 119.12 of the Revised Code. 3068

Upon the filing of an appeal under this division, the agency 3069
shall prepare and certify to the court involved a complete record 3070
of the case, and the court shall conduct a hearing on the appeal. 3071
The agency and the court shall do so in accordance with the 3072
procedures established in section 119.12 of the Revised Code for 3073
appeals pursuant to that section, unless otherwise provided in 3074
this division. 3075

The court hearing an appeal under this division may modify 3076
the determination of the referee, examiner, or agency with respect 3077
to the motion for compensation for fees only if the court finds 3078

that the failure to grant an award, or the calculation of the amount of an award, involved an abuse of discretion. The judgment of the court is final and not appealable, and a copy of it shall be certified to the agency involved and the prevailing eligible party.

(D) Compensation for fees awarded to a prevailing eligible party under this section may be paid by an agency from any funds available to it for payment of such compensation. If an agency does not pay compensation from such funds or no such funds are available, upon the filing of a referee's, examiner's, agency's, or court's determination or judgment in favor of the prevailing eligible party with the clerk of the court of claims, the determination or judgment awarding compensation for fees shall be treated as if it were a judgment under Chapter 2743. of the Revised Code and be payable in accordance with the procedures specified in section 2743.19 of the Revised Code, except that interest shall not be paid in relation to the award.

(E) Each agency that is required to pay compensation for fees to a prevailing eligible party pursuant to this section during any fiscal year shall prepare a report for that year. The report shall be completed no later than the first day of October of the fiscal year following the fiscal year covered by the report, and copies of it shall be filed with the general assembly. It shall contain the following information for the covered fiscal year:

(1) The total amount and total number of the awards of compensation for fees required to be paid by the agency;

(2) The amount and nature of each individual award that the agency was required to pay;

(3) Any other relevant information that may aid the general assembly in evaluating the scope and impact of awards of compensation for fees.

(F) The provisions of this section do not apply when any of 3110
the following circumstances are involved: 3111

(1) An adjudication hearing was conducted for the purpose of 3112
establishing or fixing a rate; 3113

(2) An adjudication hearing was conducted for the purpose of 3114
determining the eligibility or entitlement of any individual to 3115
benefits; 3116

(3) A prevailing eligible party was represented in an 3117
adjudication hearing by an attorney who was paid pursuant to an 3118
appropriation by the federal or state government or a local 3119
government; 3120

(4) An adjudication hearing was conducted by the state 3121
personnel board of review pursuant to authority conferred by 3122
section 124.03 of the Revised Code, or by the state employment 3123
relations board pursuant to authority conferred by Chapter 4117. 3124
of the Revised Code. 3125

Sec. 119.12. (A)(1) Except as provided in division (A)(2) or 3126
(3) of this section, any party adversely affected by any order of 3127
an agency issued pursuant to an adjudication denying an applicant 3128
admission to an examination, or denying the issuance or renewal of 3129
a license or registration of a licensee, or revoking or suspending 3130
a license, or allowing the payment of a forfeiture under section 3131
4301.252 of the Revised Code may appeal from the order of the 3132
agency to the court of common pleas of the county in which the 3133
place of business of the licensee is located or the county in 3134
which the licensee is a resident. 3135

(2) An appeal from an order described in division (A)(1) of 3136
this section issued by any of the following agencies shall be made 3137
to the court of common pleas of Franklin county: 3138

(a) The liquor control commission; 3139

(b) The Ohio casino control commission 7 <u>i</u>	3140
<u>(c)</u> The state medical board;	3141
(e) <u>(d)</u> The state chiropractic board;	3142
(d) <u>(e)</u> The board of nursing;	3143
(e) <u>(f)</u> The bureau of workers' compensation regarding	3144
participation in the health partnership program created in	3145
sections 4121.44 and 4121.441 of the Revised Code.	3146
(3) If any party appealing from an order described in	3147
division (A)(1) of this section is not a resident of and has no	3148
place of business in this state, the party may appeal to the court	3149
of common pleas of Franklin county.	3150
(B) Any party adversely affected by any order of an agency	3151
issued pursuant to any other adjudication may appeal to the court	3152
of common pleas of Franklin county, except that appeals from	3153
orders of the fire marshal issued under Chapter 3737. of the	3154
Revised Code may be to the court of common pleas of the county in	3155
which the building of the aggrieved person is located and except	3156
that appeals under division (B) of section 124.34 of the Revised	3157
Code from a decision of the state personnel board of review or a	3158
municipal or civil service township civil service commission shall	3159
be taken to the court of common pleas of the county in which the	3160
appointing authority is located or, in the case of an appeal by	3161
the department of rehabilitation and correction, to the court of	3162
common pleas of Franklin county.	3163
(C) This section does not apply to appeals from the	3164
department of taxation.	3165
(D) Any party desiring to appeal shall file a notice of	3166
appeal with the agency setting forth the order appealed from and	3167
stating that the agency's order is not supported by reliable,	3168
probative, and substantial evidence and is not in accordance with	3169

law. The notice of appeal may, but need not, set forth the 3170
specific grounds of the party's appeal beyond the statement that 3171
the agency's order is not supported by reliable, probative, and 3172
substantial evidence and is not in accordance with law. The notice 3173
of appeal shall also be filed by the appellant with the court. In 3174
filing a notice of appeal with the agency or court, the notice 3175
that is filed may be either the original notice or a copy of the 3176
original notice. Unless otherwise provided by law relating to a 3177
particular agency, notices of appeal shall be filed within fifteen 3178
days after the ~~mailing~~ service of the notice of the agency's order 3179
as provided in ~~this~~ section 119.05 of the Revised Code. For 3180
purposes of this paragraph, an order includes a determination 3181
appealed pursuant to division (C) of section 119.092 of the 3182
Revised Code. The amendments made to this paragraph by Sub. H.B. 3183
215 of the 128th general assembly are procedural, and this 3184
paragraph as amended by those amendments shall be applied 3185
retrospectively to all appeals pursuant to this paragraph filed 3186
before September 13, 2010, but not earlier than May 7, 2009, which 3187
was the date the supreme court of Ohio released its opinion and 3188
judgment in *Medcorp, Inc. v. Ohio Dep't. of Job and Family Servs.* 3189
(2009), 121 Ohio St.3d 622. 3190

(E) The filing of a notice of appeal shall not automatically 3191
operate as a suspension of the order of an agency. If it appears 3192
to the court that an unusual hardship to the appellant will result 3193
from the execution of the agency's order pending determination of 3194
the appeal, the court may grant a suspension and fix its terms. If 3195
an appeal is taken from the judgment of the court and the court 3196
has previously granted a suspension of the agency's order as 3197
provided in this section, the suspension of the agency's order 3198
shall not be vacated and shall be given full force and effect 3199
until the matter is finally adjudicated. No renewal of a license 3200
or permit shall be denied by reason of the suspended order during 3201
the period of the appeal from the decision of the court of common 3202

pleas. In the case of an appeal from the Ohio casino control 3203
commission, the state medical board, or the state chiropractic 3204
board, the court may grant a suspension and fix its terms if it 3205
appears to the court that an unusual hardship to the appellant 3206
will result from the execution of the agency's order pending 3207
determination of the appeal and the health, safety, and welfare of 3208
the public will not be threatened by suspension of the order. This 3209
provision shall not be construed to limit the factors the court 3210
may consider in determining whether to suspend an order of any 3211
other agency pending determination of an appeal. 3212

(F) The final order of adjudication may apply to any renewal 3213
of a license or permit which has been granted during the period of 3214
the appeal. 3215

(G) Notwithstanding any other provision of this section, any 3216
order issued by a court of common pleas or a court of appeals 3217
suspending the effect of an order of the liquor control commission 3218
issued pursuant to Chapter 4301. or 4303. of the Revised Code that 3219
suspends, revokes, or cancels a permit issued under Chapter 4303. 3220
of the Revised Code or that allows the payment of a forfeiture 3221
under section 4301.252 of the Revised Code shall terminate not 3222
more than six months after the date of the filing of the record of 3223
the liquor control commission with the clerk of the court of 3224
common pleas and shall not be extended. The court of common pleas, 3225
or the court of appeals on appeal, shall render a judgment in that 3226
matter within six months after the date of the filing of the 3227
record of the liquor control commission with the clerk of the 3228
court of common pleas. A court of appeals shall not issue an order 3229
suspending the effect of an order of the liquor control commission 3230
that extends beyond six months after the date on which the record 3231
of the liquor control commission is filed with a court of common 3232
pleas. 3233

(H) Notwithstanding any other provision of this section, any 3234

order issued by a court of common pleas or a court of appeals 3235
suspending the effect of an order of the Ohio casino control 3236
commission issued under Chapter 3772. of the Revised Code that 3237
limits, conditions, restricts, suspends, revokes, denies, not 3238
renews, fines, or otherwise penalizes an applicant, licensee, or 3239
person excluded or ejected from a casino facility in accordance 3240
with section 3772.031 of the Revised Code shall terminate not more 3241
than six months after the date of the filing of the record of the 3242
Ohio casino control commission with the clerk of the court of 3243
common pleas and shall not be extended. The court of common pleas, 3244
or the court of appeals on appeal, shall render a judgment in that 3245
matter within six months after the date of the filing of the 3246
record of the Ohio casino control commission with the clerk of the 3247
court of common pleas. A court of appeals shall not issue an order 3248
suspending the effect of an order of the Ohio casino control 3249
commission that extends beyond six months after the date on which 3250
the record of the Ohio casino control commission is filed with the 3251
clerk of a court of common pleas. 3252

(I) Notwithstanding any other provision of this section, any 3253
order issued by a court of common pleas suspending the effect of 3254
an order of the state medical board or state chiropractic board 3255
that limits, revokes, suspends, places on probation, or refuses to 3256
register or reinstate a certificate issued by the board or 3257
reprimands the holder of the certificate shall terminate not more 3258
than fifteen months after the date of the filing of a notice of 3259
appeal in the court of common pleas, or upon the rendering of a 3260
final decision or order in the appeal by the court of common 3261
pleas, whichever occurs first. 3262

~~(I)~~(J) Within thirty days after receipt of a notice of appeal 3263
from an order in any case in which a hearing is required by 3264
sections 119.01 to 119.13 of the Revised Code, the agency shall 3265
prepare and certify to the court a complete record of the 3266

proceedings in the case. Failure of the agency to comply within 3267
the time allowed, upon motion, shall cause the court to enter a 3268
finding in favor of the party adversely affected. Additional time, 3269
however, may be granted by the court, not to exceed thirty days, 3270
when it is shown that the agency has made substantial effort to 3271
comply. The record shall be prepared and transcribed, and the 3272
expense of it shall be taxed as a part of the costs on the appeal. 3273
The appellant shall provide security for costs satisfactory to the 3274
court of common pleas. Upon demand by any interested party, the 3275
agency shall furnish at the cost of the party requesting it a copy 3276
of the stenographic report of testimony offered and evidence 3277
submitted at any hearing and a copy of the complete record. 3278

~~(J)~~(K) Notwithstanding any other provision of this section, 3279
any party desiring to appeal an order or decision of the state 3280
personnel board of review shall, at the time of filing a notice of 3281
appeal with the board, provide a security deposit in an amount and 3282
manner prescribed in rules that the board shall adopt in 3283
accordance with this chapter. In addition, the board is not 3284
required to prepare or transcribe the record of any of its 3285
proceedings unless the appellant has provided the deposit 3286
described above. The failure of the board to prepare or transcribe 3287
a record for an appellant who has not provided a security deposit 3288
shall not cause a court to enter a finding adverse to the board. 3289

~~(K)~~(L) Unless otherwise provided by law, in the hearing of 3290
the appeal, the court is confined to the record as certified to it 3291
by the agency. Unless otherwise provided by law, the court may 3292
grant a request for the admission of additional evidence when 3293
satisfied that the additional evidence is newly discovered and 3294
could not with reasonable diligence have been ascertained prior to 3295
the hearing before the agency. 3296

~~(L)~~(M) The court shall conduct a hearing on the appeal and 3297
shall give preference to all proceedings under sections 119.01 to 3298

119.13 of the Revised Code, over all other civil cases, 3299
irrespective of the position of the proceedings on the calendar of 3300
the court. An appeal from an order of the state medical board 3301
issued pursuant to division (G) of either section 4730.25 or 3302
4731.22 of the Revised Code, the state chiropractic board issued 3303
pursuant to section 4734.37 of the Revised Code, the liquor 3304
control commission issued pursuant to Chapter 4301. or 4303. of 3305
the Revised Code, or the Ohio casino control commission issued 3306
pursuant to Chapter 3772. of the Revised Code shall be set down 3307
for hearing at the earliest possible time and takes precedence 3308
over all other actions. The hearing in the court of common pleas 3309
shall proceed as in the trial of a civil action, and the court 3310
shall determine the rights of the parties in accordance with the 3311
laws applicable to a civil action. At the hearing, counsel may be 3312
heard on oral argument, briefs may be submitted, and evidence may 3313
be introduced if the court has granted a request for the 3314
presentation of additional evidence. 3315

~~(M)~~(N) The court may affirm the order of the agency 3316
complained of in the appeal if it finds, upon consideration of the 3317
entire record and any additional evidence the court has admitted, 3318
that the order is supported by reliable, probative, and 3319
substantial evidence and is in accordance with law. In the absence 3320
of this finding, it may reverse, vacate, or modify the order or 3321
make such other ruling as is supported by reliable, probative, and 3322
substantial evidence and is in accordance with law. The court 3323
shall award compensation for fees in accordance with section 3324
2335.39 of the Revised Code to a prevailing party, other than an 3325
agency, in an appeal filed pursuant to this section. 3326

~~(N)~~(O) The judgment of the court shall be final and 3327
conclusive unless reversed, vacated, or modified on appeal. These 3328
appeals may be taken either by the party or the agency, shall 3329
proceed as in the case of appeals in civil actions, and shall be 3330

pursuant to the Rules of Appellate Procedure and, to the extent 3331
not in conflict with those rules, Chapter 2505. of the Revised 3332
Code. An appeal by the agency shall be taken on questions of law 3333
relating to the constitutionality, construction, or interpretation 3334
of statutes and rules of the agency, and, in the appeal, the court 3335
may also review and determine the correctness of the judgment of 3336
the court of common pleas that the order of the agency is not 3337
supported by any reliable, probative, and substantial evidence in 3338
the entire record. 3339

The court shall certify its judgment to the agency or take 3340
any other action necessary to give its judgment effect. 3341

The county, upon receipt of an itemized bill from the state public 3553
defender pursuant to this division, shall pay the state public 3554
defender one hundred per cent of the amount identified as legal 3555
fees and expenses in the itemized bill. 3556

pursuant to this chapter, or in a civil action that is based upon 3607
alleged violations of the constitution or statutes of the United 3608
States, including section 1983 of Title 42 of the United States 3609

responsibilities derived pursuant to this chapter, if the state 3612
public defender determines, in good faith, that the defendant in 3613
the civil action or proceeding did not act manifestly outside the 3614
scope of the defendant's employment or official responsibilities, 3615
with malicious purpose, in bad faith, or in a wanton or reckless 3616
manner. If the state public defender elects not to contract 3617
pursuant to this division for private legal counsel in a civil 3618

109.07, 109.361 to 109.366, and 120.03 of the Revised Code, the 3620
attorney general shall represent or provide for the representation 3621
of the Ohio public defender commission, the state public defender, 3622

(ii) Upon receipt of a request for an award of legal fees, 3659

of legal fees, court costs, or expenses, the director shall make 3686
application for a transfer of appropriations out of the emergency 3687
purposes account or any other appropriation for emergencies or 3688

sufficient available balance in the state public defender's 3705
appropriations, the private legal counsel shall request the 3706

amount equal to the portion of the award that exceeds the 3708

sufficient available balance in the state public defender's 3709
appropriations, and no payment in that amount shall be made until 3710
the appropriation has been made. The private legal counsel shall 3711
make the request during the current biennium and during each 3712
succeeding biennium until a sufficient appropriation is made. 3713

(b) An award of legal fees, court costs, and expenses 3714
pursuant to division (E) of this section is subject to the 3715
following limitations: 3716

legal counsel in connection with the defense of the Ohio public 3730
defender commission, the state public defender, an assistant state 3731
public defender, an employee, or an attorney in a specified civil 3732

(c) If, pursuant to division (E)(2)(a) of this section, the 3734
attorney general denies a request for an award of legal fees, 3735
court costs, or expenses to private legal counsel because of the 3736
application of a limitation specified in division (E)(2)(b) of 3737
this section, the attorney general shall notify the private legal 3738
counsel in writing of the denial and of the limitation applied. 3739

(d) If, pursuant to division (E)(2)(c) of this section, a private legal counsel receives a denial of an award notification or if a private legal counsel refuses to approve a document under division (E)(2)(a)(ii) of this section because of the proposed application of a limitation specified in division (E)(2)(b) of this section, the private legal counsel may commence a civil action against the attorney general in the court of claims to prove the private legal counsel's entitlement to the award sought, to prove that division (E)(2)(b) of this section does not prohibit or otherwise limit the award sought, and to recover a judgment for the amount of the award sought. section, a county council shall comply with the policies, 4337
procedures, and activities prescribed by the rules or interagency 4338
agreements of a state department participating on the cabinet 4339
council whenever the county council performs a function subject to 4340
those rules or agreements. 4341

(b) On application of a county council, the cabinet council 4342
may grant an exemption from any rules or interagency agreements of 4343

necessary for the council to implement an alternative program or 4345
approach for service delivery to families and children. The 4346
application shall describe the proposed program or approach and 4347
specify the rules or interagency agreements from which an 4348

exemption is effective only while the program or approach is being 4352

educational service centers; or the county's juvenile court. Any 4366
of the foregoing public entities, other than the board of county 4367
commissioners, may decline to serve as the council's 4368
administrative agent. 4369

A county council's administrative agent shall serve as the 4370
council's appointing authority for any employees of the council. 4371
The council shall file an annual budget with its administrative 4372

board of county commissioners, unless the board is serving as the 4374
council's administrative agent. The council's administrative agent 4375
shall ensure that all expenditures are handled in accordance with 4376

The administrative agent of a county council shall send 4380
notice of a member's absence if a member listed in division (B)(1) 4381
of this section has been absent from either three consecutive 4382
meetings of the county council or a county council subcommittee, 4383
or from one-quarter of such meetings in a calendar year, whichever 4384

commissioners that establishes the county council and, for the 4386
members listed in divisions (B)(1)(b), (c), (e), and (l) of this 4387
section, to the governing board overseeing the respective entity; 4388
for the member listed in division (B)(1)(f) of this section, to 4389

superintendent; for the member listed in division (B)(1)(i) of 4393
this section, to the mayor of the municipal corporation; for the 4394

member listed in division (B)(1)(k) of this section, to the 4395
director of youth services; and for the member listed in division 4396
(B)(1)(n) of this section, to that member's board of trustees. 4397

The administrative agent for a county council may do any of 4398
the following on behalf of the council: 4399

(i) Enter into agreements or administer contracts with public 4400
or private entities to fulfill specific council business. Such 4401
agreements and contracts are exempt from the competitive bidding 4402
requirements of section 307.86 of the Revised Code if they have 4403
been approved by the county council and they are for the purchase 4404
of ~~family and child welfare or child protection services or other~~ 4405
~~social or job and family~~ services for families and children. The 4406
approval of the county council is not required to exempt 4407
agreements or contracts entered into under section 5139.34, 4408
5139.41, or 5139.43 of the Revised Code from the competitive 4409
bidding requirements of section 307.86 of the Revised Code. 4410

(ii) As determined by the council, provide financial 4411
stipends, reimbursements, or both, to family representatives for 4412
expenses related to council activity; 4413

(iii) Receive by gift, grant, devise, or bequest any moneys, 4414
lands, or other property for the purposes for which the council is 4415
established. The agent shall hold, apply, and dispose of the 4416
moneys, lands, or other property according to the terms of the 4417
gift, grant, devise, or bequest. Any interest or earnings shall be 4418
treated in the same manner and are subject to the same terms as 4419
the gift, grant, devise, or bequest from which it accrues. 4420

(b)(i) If the county council designates the board of county 4421
commissioners as its administrative agent, the board may, by 4422
resolution, delegate any of its powers and duties as 4423
administrative agent to an executive committee the board 4424
establishes from the membership of the county council. The board 4425

shall name to the executive committee at least the individuals 4426
described in divisions (B)(1)(b) to (h) of this section and may 4427
appoint the president of the board or another individual as the 4428
chair of the executive committee. The executive committee must 4429
include at least one family county council representative who does 4430
not have a family member employed by an agency represented on the 4431
council. 4432

(ii) The executive committee may, with the approval of the 4433
board, hire an executive director to assist the county council in 4434
administering its powers and duties. The executive director shall 4435
serve in the unclassified civil service at the pleasure of the 4436
executive committee. The executive director may, with the approval 4437
of the executive committee, hire other employees as necessary to 4438
properly conduct the county council's business. 4439

(iii) The board may require the executive committee to submit 4440
an annual budget to the board for approval and may amend or repeal 4441
the resolution that delegated to the executive committee its 4442
authority as the county council's administrative agent. 4443

(6) Two or more county councils may enter into an agreement 4444
to administer their county councils jointly by creating a regional 4445
family and children first council. A regional council possesses 4446
the same duties and authority possessed by a county council, 4447
except that the duties and authority apply regionally rather than 4448
to individual counties. Prior to entering into an agreement to 4449
create a regional council, the members of each county council to 4450
be part of the regional council shall meet to determine whether 4451
all or part of the members of each county council will serve as 4452
members of the regional council. 4453

(7) A board of county commissioners may approve a resolution 4454
by a majority vote of the board's members that requires the county 4455
council to submit a statement to the board each time the council 4456
proposes to enter into an agreement, adopt a plan, or make a 4457

decision, other than a decision pursuant to section 121.38 of the Revised Code, that requires the expenditure of funds for two or more families. The statement shall describe the proposed agreement, plan, or decision.

Not later than fifteen days after the board receives the statement, it shall, by resolution approved by a majority of its members, approve or disapprove the agreement, plan, or decision. Failure of the board to pass a resolution during that time period shall be considered approval of the agreement, plan, or decision.

An agreement, plan, or decision for which a statement is required to be submitted to the board shall be implemented only if it is approved by the board.

(C) Each county shall develop a county service coordination mechanism. The county service coordination mechanism shall serve as the guiding document for coordination of services in the county. For children who also receive services under the ~~help me grow program~~ early intervention program, the main provider of service coordination mechanism shall be ~~consistent with rules adopted by the department of health under~~ an early intervention service coordinator to ensure compliance with section ~~3701.61~~ 5123.02 of the Revised Code. All family service coordination plans shall be developed in accordance with the county service coordination mechanism. The mechanism shall be developed and approved with the participation of the county entities representing child welfare; developmental disabilities; alcohol, drug addiction, and mental health services; health; juvenile judges; education; the county family and children first council; and the county early intervention collaborative established pursuant to the federal early intervention program operated under the "Individuals with Disabilities Education Act of 2004." The county shall establish an implementation schedule for the mechanism. The cabinet council may monitor the implementation and

administration of each county's service coordination mechanism. 4490

Each mechanism shall include all of the following: 4491

(1) A procedure for an agency, including a juvenile court, or 4492
a family voluntarily seeking service coordination, to refer the 4493
child and family to the county council for service coordination in 4494
accordance with the mechanism; 4495

(2) A procedure ensuring that a family and all appropriate 4496
staff from involved agencies, including a representative from the 4497
appropriate school district, are notified of and invited to 4498
participate in all family service coordination plan meetings; 4499

(3) A procedure that permits a family to initiate a meeting 4500
to develop or review the family's service coordination plan and 4501
allows the family to invite a family advocate, mentor, or support 4502
person of the family's choice to participate in any such meeting; 4503

(4) A procedure for ensuring that a family service 4504
coordination plan meeting is conducted for each child who receives 4505
service coordination under the mechanism and for whom an emergency 4506
out-of-home placement has been made or for whom a nonemergency 4507
out-of-home placement is being considered. The meeting shall be 4508
conducted within ten days of an emergency out-of-home placement. 4509
The meeting shall be conducted before a nonemergency out-of-home 4510
placement. The family service coordination plan shall outline how 4511
the county council members will jointly pay for services, where 4512
applicable, and provide services in the least restrictive 4513
environment. 4514

(5) A procedure for monitoring the progress and tracking the 4515
outcomes of each service coordination plan requested in the county 4516
including monitoring and tracking children in out-of-home 4517
placements to assure continued progress, appropriateness of 4518
placement, and continuity of care after discharge from placement 4519
with appropriate arrangements for housing, treatment, and 4520

education; 4521

(6) A procedure for protecting the confidentiality of all 4522
personal family information disclosed during service coordination 4523
meetings or contained in the comprehensive family service 4524
coordination plan; 4525

(7) A procedure for assessing the needs and strengths of any 4526
child or family that has been referred to the council for service 4527
coordination, including a child whose parent or custodian is 4528
voluntarily seeking services, and for ensuring that parents and 4529
custodians are afforded the opportunity to participate; 4530

(8) A procedure for development of a family service 4531
coordination plan described in division (D) of this section; 4532

(9) A local dispute resolution process to serve as the 4533
process that must be used first to resolve disputes among the 4534
agencies represented on the county council concerning the 4535
provision of services to children, including children who are 4536
abused, neglected, dependent, unruly, alleged unruly, or 4537
delinquent children and under the jurisdiction of the juvenile 4538
court and children whose parents or custodians are voluntarily 4539
seeking services. The local dispute resolution process shall 4540
comply with sections 121.38, 121.381, and 121.382 of the Revised 4541
Code. The local dispute resolution process shall be used to 4542
resolve disputes between a child's parents or custodians and the 4543
county council regarding service coordination. The county council 4544
shall inform the parents or custodians of their right to use the 4545
dispute resolution process. Parents or custodians shall use 4546
existing local agency grievance procedures to address disputes not 4547
involving service coordination. The dispute resolution process is 4548
in addition to and does not replace other rights or procedures 4549
that parents or custodians may have under other sections of the 4550
Revised Code. 4551

The cabinet council shall adopt rules in accordance with 4552
Chapter 119. of the Revised Code establishing an administrative 4553
review process to address problems that arise concerning the 4554
operation of a local dispute resolution process. 4555

Nothing in division (C)(4) of this section shall be 4556
interpreted as overriding or affecting decisions of a juvenile 4557
court or public children services agency regarding an out-of-home 4558
placement, long-term placement, or emergency out-of-home 4559
placement. 4560

this section. 5009

An application shall not propose to include both home-based 5010
employees and employees who are not home-based employees in the 5011
computation of Ohio employee payroll for the purposes of the same 5012
tax credit agreement, except that a qualifying work-from-home 5013
employee shall not be considered to be a home-based employee 5014
unless so designated by the applicant. If a taxpayer or potential 5015
taxpayer employs both home-based employees and employees who are 5016
not home-based employees in a project, the taxpayer shall submit 5017
separate applications for separate tax credit agreements for the 5018
project, one of which shall include home-based employees in the 5019
computation of Ohio employee payroll and one of which shall 5020
include all other employees in the computation of Ohio employee 5021
payroll. 5022

The director of development shall prescribe the form of the 5023
application. After receipt of an application, the authority may 5024
enter into an agreement with the taxpayer for a credit under this 5025
section if it determines all of the following: 5026

(a) The taxpayer's project will increase payroll; 5027

(b) The taxpayer's project is economically sound and will 5028
benefit the people of this state by increasing opportunities for 5029
employment and strengthening the economy of this state; 5030

(c) Receiving the tax credit is a major factor in the 5031
taxpayer's decision to go forward with the project. 5032

(2)(a) A taxpayer that chooses to begin the project prior to 5033
receiving the determination of the authority may, upon submitting 5034
the taxpayer's application to the authority, request that the 5035
chief investment officer of the nonprofit corporation formed under 5036
section 187.01 of the Revised Code and the director review the 5037

taxpayer's application and recommend to the authority that the 5038
taxpayer's application be considered. As soon as possible after 5039
receiving such a request, the chief investment officer and the 5040
director shall review the taxpayer's application and, if they 5041
determine that the application warrants consideration by the 5042
authority, make that recommendation to the authority not later 5043
than six months after the application is received by the 5044
authority. 5045

(b) The authority shall consider any taxpayer's application 5046
for which it receives a recommendation under division (C)(2)(a) of 5047
this section. If the authority determines that the taxpayer does 5048
not meet all of the criteria set forth in division (C)(1) of this 5049
section, the authority and the department of development shall 5050
proceed in accordance with rules adopted by the director pursuant 5051
to division (I) of this section. 5052

(D) An agreement under this section shall include all of the 5053
following: 5054

(1) A detailed description of the project that is the subject 5055
of the agreement; 5056

(2)(a) The term of the tax credit, which, except as provided 5057
in division (D)(2)(b) or (C) of this section, shall not exceed 5058
fifteen years, and the first taxable year, or first calendar year 5059
that includes a tax period, for which the credit may be claimed; 5060

(b) If the tax credit is computed on the basis of home-based 5061
employees, the term of the credit shall expire on or before the 5062
last day of the taxable or calendar year ending before the 5063
beginning of the seventh year after September 6, 2012, the 5064
effective date of H.B. 327 of the 129th general assembly. 5065

(c) If the taxpayer is a megaproject operator or a 5066
megaproject supplier that meets the requirements described in 5067
division (A)(13)(b) of this section, the term of the tax credit 5068

shall not exceed thirty years. 5069

(3) A requirement that the taxpayer shall maintain operations 5070
at the project location for at least the greater of seven years or 5071
the term of the credit plus three years; 5072

(4) The percentage, as determined by the tax credit 5073
authority, of excess payroll that will be allowed as the amount of 5074
the credit for each taxable year or for each calendar year that 5075
includes a tax period; 5076

(5) The pay increase factor to be applied to the taxpayer's 5077
baseline payroll; 5078

(6) A requirement that the taxpayer annually shall report to 5079
the director of development full-time equivalent employees, 5080
payroll, Ohio employee payroll, investment, the provision of 5081
health care benefits and tuition reimbursement if required in the 5082
agreement, and other information the director needs to perform the 5083
director's duties under this section; 5084

(7) A requirement that the director of development annually 5085
review the information reported under division (D)(6) of this 5086
section and verify compliance with the agreement; if the taxpayer 5087
is in compliance, a requirement that the director issue a 5088
certificate to the taxpayer stating that the information has been 5089
verified and identifying the amount of the credit that may be 5090
claimed for the taxable or calendar year. If the taxpayer is a 5091
megaproject supplier, the director shall issue such a certificate 5092
to the megaproject supplier and to any megaproject operator (a) to 5093
which the megaproject supplier directly sells tangible personal 5094
property and (b) that is authorized to claim the credit pursuant 5095
to division (D)(10) of this section. 5096

(8) A provision providing that the taxpayer may not relocate 5097
a substantial number of employment positions from elsewhere in 5098
this state to the project location unless the director of 5099

development determines that the legislative authority of the 5100
county, township, or municipal corporation from which the 5101
employment positions would be relocated has been notified by the 5102
taxpayer of the relocation. 5103

For purposes of this section, the movement of an employment 5104
position from one political subdivision to another political 5105
subdivision shall be considered a relocation of an employment 5106
position unless the employment position in the first political 5107
subdivision is replaced. The movement of a qualifying 5108
work-from-home employee to a different residence located in this 5109
state or to the project location shall not be considered a 5110
relocation of an employment position. 5111

(9) If the tax credit is computed on the basis of home-based 5112
employees, that the tax credit may not be claimed by the taxpayer 5113
until the taxable year or tax period in which the taxpayer employs 5114
at least two hundred employees more than the number of employees 5115
the taxpayer employed on June 30, 2011; 5116

(10) If the taxpayer is a megaproject supplier, the 5117
percentage of the annual tax credit certified under division 5118
(D)(7) of this section, up to one hundred per cent, that may be 5119
claimed by each megaproject operator to which the megaproject 5120
supplier directly sells tangible personal property, rather than by 5121
that megaproject supplier, on the condition that the megaproject 5122
operator continues to qualify as a megaproject operator; 5123

(11) If the taxpayer is a megaproject operator or megaproject 5124
supplier, a requirement that the taxpayer meet and maintain 5125
compliance with all thresholds and requirements to which the 5126
taxpayer agreed, pursuant to division (A)(11) or (13) of this 5127
section, respectively, as a condition of the operator's project 5128
qualifying as a megaproject or the supplier qualifying as a 5129
megaproject supplier until the end of the last year for which the 5130
taxpayer qualifies for the credit authorized under this section. 5131

In each year that a megaproject operator or megaproject supplier 5132
is subject to an agreement with the tax credit authority under 5133
this section and meets the requirements of this division, the 5134
director of development shall issue a certificate to the 5135
megaproject operator or megaproject supplier stating that the 5136
megaproject operator or megaproject supplier continues to meet 5137
those requirements. 5138

(12) If the taxpayer is a megaproject operator, a requirement 5139
that the megaproject operator submit, in a form acceptable to the 5140
director of development, an economic impact report with respect to 5141
each megaproject for which the megaproject operator is designated, 5142
summarizing all of the following for the reporting year: 5143

(a) The aggregate amount of purchases made by the megaproject 5144
operator for such megaproject from megaproject suppliers; 5145

(b) The aggregate amount of purchases made by the megaproject 5146
operator for such megaproject from suppliers other than 5147
megaproject suppliers; 5148

(c) A summary of the construction activity for any facilities 5149
at the site of the megaproject in that year; 5150

(d) The aggregate amount expended by the megaproject operator 5151
on research and development at the site of the megaproject in that 5152
year; 5153

(e) The number of employees working at the site of the 5154
megaproject and the counties in which those employees reside; 5155

(f) A summary of the supply chain activity in support of the 5156
megaproject, including a list of the twenty-five suppliers with a 5157
physical presence in Ohio from which the megaproject operator made 5158
the most purchases in that year. 5159

The economic impact report shall be due on or before the 5160
first day of July of each year, beginning in the year specified in 5161

the agreement with the tax credit authority. The information 5162
required in the report shall be certified as true and correct by 5163
an officer of the megaproject operator. If there is more than one 5164
megaproject operator designated for a single megaproject, all of 5165
the megaproject operators designated for the megaproject may 5166
jointly submit a single report. Any information contained in the 5167
report is a public record for purposes of section 149.43 of the 5168
Revised Code and shall be published on the department of 5169
development's web site. 5170

(E)(1) If a taxpayer fails to meet or comply with any 5171
condition or requirement set forth in a tax credit agreement, the 5172
tax credit authority may amend the agreement to reduce the 5173
percentage or term of the tax credit. The reduction of the 5174
percentage or term may take effect in the current taxable or 5175
calendar year. 5176

(2) If the tax credit authority determines that a taxpayer 5177
that is a megaproject operator of a megaproject described in 5178
division (A)(11)(a)(ii) of this section is not fully compliant 5179
with the requirements of the agreement, the authority may impose a 5180
recoupment payment on the taxpayer in accordance with the 5181
following: 5182

(a) If, on the metric evaluation date, the taxpayer fails to 5183
substantially meet the capital investment, full-time equivalent 5184
employee, or payroll requirements included in the agreement, an 5185
amount determined at the discretion of the authority, not to 5186
exceed the sum of the following for all years prior to the metric 5187
evaluation date: (i) the amount of taxes that would have been 5188
imposed under Chapters 5739. and 5741. of the Revised Code in the 5189
absence of the agreement, and (ii) the amount of taxes that would 5190
have been imposed under Chapter 5751. of the Revised Code on 5191
receipts realized from sales to the taxpayer in the absence of the 5192
agreement; 5193

(b) If the taxpayer fails to substantially maintain the 5194
capital investment, full-time equivalent employee, or payroll 5195
requirements included in the agreement in any year after the 5196
metric evaluation date, an amount determined at the discretion of 5197
the authority, not to exceed the sum of the following for the 5198
calendar year in which taxpayer failed to meet the requirements: 5199
(i) the amount of taxes that would have been imposed under 5200
Chapters 5739. and 5741. of the Revised Code in the absence of the 5201
agreement, and (ii) the amount of taxes that would have been 5202
imposed under Chapter 5751. of the Revised Code on receipts 5203
realized from sales to the taxpayer in the absence of the 5204
agreement. 5205

(3) The tax credit authority may, subject to any requirements 5206
of the tax credit agreement, take into consideration the 5207
taxpayer's prior performance and any market conditions impacting 5208
the taxpayer when determining the amount of the recoupment payment 5209
described in division (E)(2) of this section. 5210

(F) Projects that consist solely of point-of-final-purchase 5211
retail facilities are not eligible for a tax credit under this 5212
section. If a project consists of both point-of-final-purchase 5213
retail facilities and nonretail facilities, only the portion of 5214
the project consisting of the nonretail facilities is eligible for 5215
a tax credit and only the excess payroll from the nonretail 5216
facilities shall be considered when computing the amount of the 5217
tax credit. If a warehouse facility is part of a 5218
point-of-final-purchase retail facility and supplies only that 5219
facility, the warehouse facility is not eligible for a tax credit. 5220
Catalog distribution centers are not considered 5221
point-of-final-purchase retail facilities for the purposes of this 5222
division, and are eligible for tax credits under this section. 5223

(G) Financial statements and other information submitted to 5224
the department of development or the tax credit authority by an 5225

applicant or recipient of a tax credit under this section, and any 5226
information taken for any purpose from such statements or 5227
information, are not public records subject to section 149.43 of 5228
the Revised Code. However, the chairperson of the authority may 5229
make use of the statements and other information for purposes of 5230
issuing public reports or in connection with court proceedings 5231
concerning tax credit agreements under this section. Upon the 5232
request of the tax commissioner or, if the applicant or recipient 5233
is an insurance company, upon the request of the superintendent of 5234
insurance, the chairperson of the authority shall provide to the 5235
commissioner or superintendent any statement or information 5236
submitted by an applicant or recipient of a tax credit in 5237
connection with the credit. The commissioner or superintendent 5238
shall preserve the confidentiality of the statement or 5239
information. 5240

(H) A taxpayer claiming a credit under this section shall 5241
submit to the tax commissioner or, if the taxpayer is an insurance 5242
company, to the superintendent of insurance, a copy of the 5243
director of development's certificate of verification under 5244
division (D)(7) of this section with the taxpayer's tax report or 5245
return for the taxable year or for the calendar year that includes 5246
the tax period. Failure to submit a copy of the certificate with 5247
the report or return does not invalidate a claim for a credit if 5248
the taxpayer submits a copy of the certificate to the commissioner 5249
or superintendent within the time prescribed by section 5703.0510 5250
of the Revised Code or within thirty days after the commissioner 5251
or superintendent requests it. 5252

(I) The director of development, after consultation with the 5253
tax commissioner and the superintendent of insurance and in 5254
accordance with Chapter 119. of the Revised Code, shall adopt 5255
rules necessary to implement this section, including rules that 5256
establish a procedure to be followed by the tax credit authority 5257

and the department of development in the event the authority 5258
considers a taxpayer's application for which it receives a 5259
recommendation under division (C)(2)(a) of this section but does 5260
not approve it. The rules may provide for recipients of tax 5261
credits under this section to be charged fees to cover 5262
administrative costs of the tax credit program. For the purposes 5263
of these rules, a qualifying work-from-home employee shall be 5264
considered to be an employee employed at the applicant's project 5265
location. The fees collected shall be credited to the tax 5266
incentives operating fund created in section 122.174 of the 5267
Revised Code. At the time the director gives public notice under 5268
division (A) of section 119.03 of the Revised Code of the adoption 5269
of the rules, the director shall submit copies of the proposed 5270
rules to the chairpersons of the standing committees on economic 5271
development in the senate and the house of representatives. 5272

(J) For the purposes of this section, a taxpayer may include 5273
a partnership, a corporation that has made an election under 5274
subchapter S of chapter one of subtitle A of the Internal Revenue 5275
Code, or any other business entity through which income flows as a 5276
distributive share to its owners. A partnership, S-corporation, or 5277
other such business entity may elect to pass the credit received 5278
under this section through to the persons to whom the income or 5279
profit of the partnership, S-corporation, or other entity is 5280
distributed. The election shall be made on the annual report 5281
required under division (D)(6) of this section. The election 5282
applies to and is irrevocable for the credit for which the report 5283
is submitted. If the election is made, the credit shall be 5284
apportioned among those persons in the same proportions as those 5285
in which the income or profit is distributed. 5286

(K)(1) If the director of development determines that a 5287
taxpayer who has received a credit under this section is not 5288
complying with the requirements of the agreement, the director 5289

shall notify the tax credit authority of the noncompliance. After 5290
receiving such a notice, and after giving the taxpayer an 5291
opportunity to explain the noncompliance, the tax credit authority 5292
may require the taxpayer to refund to this state a portion of the 5293
credit in accordance with the following: 5294

(a) If the taxpayer fails to comply with the requirement 5295
under division (D)(3) of this section, an amount determined in 5296
accordance with the following: 5297

(i) If the taxpayer maintained operations at the project 5298
location for a period less than or equal to the term of the 5299
credit, an amount not exceeding one hundred per cent of the sum of 5300
any credits allowed and received under this section; 5301

(ii) If the taxpayer maintained operations at the project 5302
location for a period longer than the term of the credit, but less 5303
than the greater of seven years or the term of the credit plus 5304
three years, an amount not exceeding seventy-five per cent of the 5305
sum of any credits allowed and received under this section. 5306

(b) If, on the metric evaluation date, the taxpayer fails to 5307
substantially meet the job creation, payroll, or investment 5308
requirements included in the agreement, an amount determined at 5309
the discretion of the authority; 5310

(c) If the taxpayer fails to substantially maintain the 5311
number of new full-time equivalent employees or amount of payroll 5312
required under the agreement at any time during the term of the 5313
agreement after the metric evaluation date, an amount determined 5314
at the discretion of the authority. 5315

(2) If a taxpayer files for bankruptcy and fails as described 5316
in division (K)(1)(a), (b), or (c) of this section, the director 5317
may immediately commence an action to recoup an amount not 5318
exceeding one hundred per cent of the sum of any credits received 5319
by the taxpayer under this section. 5320

(3) In determining the portion of the tax credit to be 5321
refunded to this state, the tax credit authority shall consider 5322
the effect of market conditions on the taxpayer's project and 5323
whether the taxpayer continues to maintain other operations in 5324
this state. After making the determination, the authority shall 5325
certify the amount to be refunded to the tax commissioner or 5326
superintendent of insurance, as appropriate. If the amount is 5327
certified to the commissioner, the commissioner shall make an 5328
assessment for that amount against the taxpayer under Chapter 5329
5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the 5330
amount is certified to the superintendent, the superintendent 5331
shall make an assessment for that amount against the taxpayer 5332
under Chapter 5725. or 5729. of the Revised Code. The time 5333
limitations on assessments under those chapters do not apply to an 5334
assessment under this division, but the commissioner or 5335
superintendent, as appropriate, shall make the assessment within 5336
one year after the date the authority certifies to the 5337
commissioner or superintendent the amount to be refunded. Within 5338
ninety days after certifying the amount to be refunded, if 5339
circumstances have changed, the authority may adjust the amount to 5340
be refunded and certify the adjusted amount to the commissioner or 5341
superintendent. The authority may only adjust the amount to be 5342
refunded one time and only if the amount initially certified by 5343
the authority has not been repaid, in whole or in part, by the 5344
taxpayer or certified to the attorney general for collection under 5345
section 131.02 of the Revised Code. 5346

(L) On or before the first day of August each year, the 5347
director of development shall submit a report to the governor, the 5348
president of the senate, and the speaker of the house of 5349
representatives on the tax credit program under this section. The 5350
report shall include information on the number of agreements that 5351
were entered into under this section during the preceding calendar 5352
year, a description of the project that is the subject of each 5353

such agreement, and an update on the status of projects under 5354
agreements entered into before the preceding calendar year. 5355

(M) There is hereby created the tax credit authority, which 5356
consists of the director of development and four other members 5357
appointed as follows: the governor, the president of the senate, 5358
and the speaker of the house of representatives each shall appoint 5359
one member who shall be a specialist in economic development; the 5360
governor also shall appoint a member who is a specialist in 5361
taxation. Terms of office shall be for four years. Each member 5362
shall serve on the authority until the end of the term for which 5363
the member was appointed. Vacancies shall be filled in the same 5364
manner provided for original appointments. Any member appointed to 5365
fill a vacancy occurring prior to the expiration of the term for 5366
which the member's predecessor was appointed shall hold office for 5367
the remainder of that term. Members may be reappointed to the 5368
authority. Members of the authority shall receive their necessary 5369
and actual expenses while engaged in the business of the 5370
authority. The director of development shall serve as chairperson 5371
of the authority, and the members annually shall elect a 5372
vice-chairperson from among themselves. Three members of the 5373
authority constitute a quorum to transact and vote on the business 5374
of the authority. The majority vote of the membership of the 5375
authority is necessary to approve any such business, including the 5376
election of the vice-chairperson. 5377

The director of development may appoint a professional 5378
employee of the department of development to serve as the 5379
director's substitute at a meeting of the authority. The director 5380
shall make the appointment in writing. In the absence of the 5381
director from a meeting of the authority, the appointed substitute 5382
shall serve as chairperson. In the absence of both the director 5383
and the director's substitute from a meeting, the vice-chairperson 5384
shall serve as chairperson. 5385

(N) For purposes of the credits granted by this section 5386
against the taxes imposed under sections 5725.18 and 5729.03 of 5387
the Revised Code, "taxable year" means the period covered by the 5388
taxpayer's annual statement to the superintendent of insurance. 5389

(O) On or before the first day of March of each of the five 5390
calendar years beginning with 2014, each taxpayer subject to an 5391
agreement with the tax credit authority under this section on the 5392
basis of home-based employees shall report the number of 5393
home-based employees and other employees employed by the taxpayer 5394
in this state to the department of development. 5395

(P) On or before the first day of January of 2019, the 5396
director of development shall submit a report to the governor, the 5397
president of the senate, and the speaker of the house of 5398
representatives on the effect of agreements entered into under 5399
this section in which the taxpayer included home-based employees 5400
in the computation of income tax revenue, as that term was defined 5401
in this section prior to the amendment of this section by H.B. 64 5402
of the 131st general assembly. The report shall include 5403
information on the number of such agreements that were entered 5404
into in the preceding six years, a description of the projects 5405
that were the subjects of such agreements, and an analysis of 5406
nationwide home-based employment trends, including the number of 5407
home-based jobs created from July 1, 2011, through June 30, 2017, 5408
and a description of any home-based employment tax incentives 5409
provided by other states during that time. 5410

(Q) The director of development may require any agreement 5411
entered into under this section for a tax credit computed on the 5412
basis of home-based employees to contain a provision that the 5413
taxpayer makes available health care benefits and tuition 5414
reimbursement to all employees. 5415

(R) Original agreements approved by the tax credit authority 5416
under this section in 2014 or 2015 before September 29, 2015, may 5417

be revised at the request of the taxpayer to conform with the 5418
amendments to this section and sections 5733.0610, 5736.50, 5419
5747.058, and 5751.50 of the Revised Code by H.B. 64 of the 131st 5420
general assembly, upon mutual agreement of the taxpayer and the 5421
department of development, and approval by the tax credit 5422
authority. 5423

(S)(1) As used in division (S) of this section: 5424

(a) "Eligible agreement" means an agreement approved by the 5425
tax credit authority under this section on or before December 31, 5426
2013. 5427

(b) "Income tax revenue" has the same meaning as under this 5428
section as it existed before September 29, 2015, the effective 5429
date of the amendment of this section by H.B. 64 of the 131st 5430
general assembly. 5431

(2) In calendar year 2016 and thereafter, the tax credit 5432
authority shall annually determine a withholding adjustment factor 5433
to be used in the computation of income tax revenue for eligible 5434
agreements. The withholding adjustment factor shall be a numerical 5435
percentage that equals the percentage that employer income tax 5436
withholding rates have been increased or decreased as a result of 5437
changes in the income tax rates prescribed by section 5747.02 of 5438
the Revised Code by amendment of that section taking effect on or 5439
after June 29, 2013. 5440

(3) Except as provided in division (S)(4) of this section, 5441
for reporting periods ending in 2015 and thereafter for taxpayers 5442
subject to eligible agreements, the tax credit authority shall 5443
adjust the income tax revenue reported on the taxpayer's annual 5444
report by multiplying the withholding adjustment factor by the 5445
taxpayer's income tax revenue and doing one of the following: 5446

(a) If the income tax rates prescribed by section 5747.02 of 5447
the Revised Code have decreased by amendment of that section 5448

taking effect on or after June 29, 2013, add the product to the 5449
taxpayer's income tax revenue. 5450

(b) If the income tax rates prescribed by section 5747.02 of 5451
the Revised Code have increased by amendment of that section 5452
taking effect on or after June 29, 2013, subtract the product from 5453
the taxpayer's income tax revenue. 5454

(4) Division (S)(3) of this section shall not apply unless 5455
all of the following apply for the reporting period with respect 5456
to the eligible agreement: 5457

(a) The taxpayer has achieved one hundred per cent of the new 5458
employment commitment identified in the agreement. 5459

(b) If applicable, the taxpayer has achieved one hundred per 5460
cent of the new payroll commitment identified in the agreement. 5461

(c) If applicable, the taxpayer has achieved one hundred per 5462
cent of the investment commitment identified in the agreement. 5463

(5) Failure by a taxpayer to have achieved any of the 5464
applicable commitments described in divisions (S)(4)(a) to (c) of 5465
this section in a reporting period does not disqualify the 5466
taxpayer for the adjustment under division (S) of this section for 5467
an ensuing reporting period. 5468

(T) For reporting periods ending in calendar year 2020 or 5469
thereafter, any taxpayer may include qualifying work-from-home 5470
employees in its report required under division (D)(6) of this 5471
section, and the compensation of such employees shall qualify as 5472
Ohio employee payroll under division (A)(3)(a) of this section, 5473
even if the taxpayer's application to the tax credit authority to 5474
enter into an agreement for a tax credit under this section was 5475
approved before September 29, 2017, the effective date of the 5476
amendment of this section by H.B. 49 of the 132nd general 5477
assembly. 5478

(U) The director of development ~~services~~ shall notify the tax commissioner if the director determines that a megaproject operator or megaproject supplier is not in compliance with the agreement pursuant to a review conducted under division (D)(11) of this section.

(V) Beginning in 2025 and in each fifth calendar year thereafter, the tax commissioner shall adjust the following amounts in September of that year:

(1) The fixed-asset investment threshold described in division (A)(11)(c)(i) of this section and the Ohio employee payroll threshold described in division (A)(11)(c)(ii) of this section by completing the following calculations:

(a) Determine the percentage increase in the gross domestic product deflator determined by the bureau of economic analysis of the United States department of commerce from the first day of January of the fifth preceding calendar year to the last day of December of the preceding calendar year;

(b) Multiply that percentage increase by the fixed-asset investment threshold and the Ohio employee payroll threshold for the current year;

(c) Add the resulting products to the corresponding fixed-asset investment threshold and Ohio employee payroll threshold for the current year;

(d) Round the resulting fixed-asset investment sum to the nearest multiple of ten million dollars and the Ohio employee payroll sum to the nearest multiple of one million dollars.

(2) The fixed-asset investment threshold described in division (A)(13)(b)(i) of this section and the Ohio employee payroll threshold described in division (A)(13)(b)(ii) of this section by completing the calculations described in divisions (V)(1)(a) to (c) of this section and rounding the resulting

fixed-asset investment sum to the nearest multiple of one million 5510
dollars and the Ohio employee payroll sum to the nearest multiple 5511
of one hundred thousand dollars. 5512

The commissioner shall certify the amount of the adjustments 5513
under divisions (V)(1) and (2) of this section to the director of 5514
development ~~services~~ and to the tax credit authority not later 5515
than the first day of December of the year the commissioner 5516
computes the adjustment. Each certified amount applies to the 5517
ensuing calendar year and each calendar year thereafter until the 5518
tax commissioner makes a new adjustment. The tax commissioner 5519
shall not calculate a new adjustment in any year in which the 5520
resulting amount from the adjustment would be less than the 5521
corresponding amount for the current year. 5522

(3) "Full-time equivalent employees" means the quotient 5569
obtained by dividing the total number of hours for which employees 5570

are counted for a credit under section 122.17 of the Revised Code. 5573

(4) "Ohio employee payroll" has the same meaning as in 5574
section 122.17 of the Revised Code. 5575

(5) "Manufacturer" has the same meaning as in section 5576

(6) "Project site" means an integrated complex of facilities 5578
in this state, as specified by the tax credit authority under this 5579
section, within a fifteen-mile radius where a taxpayer is 5580
primarily operating as an eligible business. 5581

(7) "Related member" has the same meaning as in section 5582
5733.042 of the Revised Code as that section existed on the 5583
effective date of its amendment by Am. Sub. H.B. 215 of the 122nd 5584
general assembly, September 29, 1997. 5585

(8) "Taxable year" includes, in the case of a domestic or 5586
foreign insurance company, the calendar year ending on the 5587
thirty-first day of December preceding the day the superintendent 5588
of insurance is required to certify to the treasurer of state 5589

subzones for which a permit has been granted and remains active. 5596

(B) The tax credit authority created under section 122.17 of 5597
the Revised Code may grant a nonrefundable tax credit to an 5598
eligible business under this section for the purpose of fostering 5599
job retention in this state. Upon application by an eligible 5600
business and upon consideration of the determination of the 5601

director of budget and management, tax commissioner, and the 5602
superintendent of insurance in the case of an insurance company, 5603
the recommendation and determination of the director of 5604
development under division (C)(1) of this section, and a review of 5605
the criteria described in division (C)(2) of this section, the tax 5606
credit authority may grant the credit against the tax imposed by 5607
section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 5747.02, or 5608
5751.02 of the Revised Code. 5609

The credit authorized in this section may be granted for a 5610
period up to fifteen taxable years or, in the case of the tax 5611
levied by section 5736.02 or 5751.02 of the Revised Code, for a 5612
period of up to fifteen calendar years. The credit amount for a 5613
taxable year or a calendar year that includes the tax period for 5614
which a credit may be claimed equals the Ohio employee payroll for 5615
that year multiplied by the percentage specified in the agreement 5616
with the tax credit authority. The credit shall be claimed in the 5617
order required under section 5725.98, 5726.98, 5729.98, 5733.98, 5618
5747.98, or 5751.98 of the Revised Code. In determining the 5619
percentage and term of the credit, the tax credit authority shall 5620
consider both the number of full-time equivalent employees and the 5621
value of the capital investment project. The credit amount may not 5622
be based on the Ohio employee payroll for a calendar year before 5623
the calendar year in which the tax credit authority specifies the 5624
tax credit is to begin, and the credit shall be claimed only for 5625
the taxable years or tax periods specified in the eligible 5626
business' agreement with the tax credit authority. In no event 5627
shall the credit be claimed for a taxable year or tax period 5628
terminating before the date specified in the agreement. 5629

If a credit allowed under this section for a taxable year or 5630
tax period exceeds the taxpayer's tax liability for that year or 5631
period, the excess may be carried forward for the three succeeding 5632
taxable or calendar years, but the amount of any excess credit 5633

allowed in any taxable year or tax period shall be deducted from 5634
the balance carried forward to the succeeding year or period. 5635

(C)(1) A taxpayer that proposes a capital investment project 5636
to retain jobs in this state may apply to the tax credit authority 5637
to enter into an agreement for a tax credit under this section. 5638
The director of development shall prescribe the form of the 5639
application. After receipt of an application, the authority shall 5640
forward copies of the application to the director of budget and 5641
management, the tax commissioner, and the superintendent of 5642
insurance in the case of an insurance company, each of whom shall 5643
review the application to determine the economic impact the 5644
proposed project would have on the state and the affected 5645
political subdivisions and shall submit a summary of their 5646
determinations to the authority. The authority shall also forward 5647
a copy of the application to the director of development, who 5648
shall review the application to determine the economic impact the 5649
proposed project would have on the state and the affected 5650
political subdivisions and shall submit a summary of the 5651
director's determinations and recommendations to the authority. 5652

(2) The director of development, in reviewing applications 5653
and making recommendations to the tax credit authority, and the 5654
authority, in selecting taxpayers with which to enter into an 5655
agreement under division (D) of this section, shall give priority 5656
to applications that meet one or more of the following criteria, 5657
with greater priority given to applications that meet more of the 5658
criteria: 5659

(a) Within the preceding five years, the applicant has not 5660
received a credit under this section or section 122.17 of the 5661
Revised Code for a project at the same project site as that 5662
proposed in the application. 5663

(b) The applicant is not currently receiving a credit under 5664
this section or section 122.17 of the Revised Code. 5665

(c) The applicant has operated at the project site for at least the preceding ten years. 5666
5667

(d) The project involves a significant upgrade of the project site, rather than only routine maintenance of existing facilities, such as an increase in capacity of a facility, new product development, or technology upgrades or other facility modernization. 5668
5669
5670
5671
5672

(e) The applicant intends to use machinery, equipment, and materials supplied by Ohio businesses in the project when possible. 5673
5674
5675

(D) Upon review and consideration of the determinations, recommendations, and criteria described in division (C) of this section, the tax credit authority may enter into an agreement with the taxpayer for a credit under this section if the authority determines all of the following: 5676
5677
5678
5679
5680

(1) The taxpayer's capital investment project will result in the retention of employment in this state. 5681
5682

(2) The taxpayer is economically sound and has the ability to complete the proposed capital investment project. 5683
5684

(3) The taxpayer intends to and has the ability to maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years. 5685
5686
5687

(4) Receiving the credit is a major factor in the taxpayer's decision to begin, continue with, or complete the project. 5688
5689

(E) An agreement under this section shall include all of the following: 5690
5691

(1) A detailed description of the project that is the subject of the agreement, including the amount of the investment, the period over which the investment has been or is being made, the number of full-time equivalent employees at the project site, and 5692
5693
5694
5695

the anticipated Ohio employee payroll to be generated. 5696

(2) The term of the credit, the percentage of the tax credit, 5697
the maximum annual value of tax credits that may be allowed each 5698
year, and the first year for which the credit may be claimed. 5699

(3) A requirement that the taxpayer maintain operations at 5700
the project site for at least the greater of (a) the term of the 5701
credit plus three years, or (b) seven years. 5702

(4)(a) If the taxpayer is engaged at the project site 5703
primarily in significant corporate administrative functions, a 5704
requirement that the taxpayer either retain at least five hundred 5705
full-time equivalent employees at the project site and within this 5706
state for the entire term of the credit, maintain an annual Ohio 5707
employee payroll of at least thirty-five million dollars for the 5708
entire term of the credit, or remain located in a foreign trade 5709
zone for the entire term of the credit; 5710

(b) If the taxpayer is engaged at the project site primarily 5711
as a manufacturer, a requirement that the taxpayer maintain at 5712
least the number of full-time equivalent employees specified in 5713
the agreement pursuant to division (E)(1) of this section at the 5714
project site and within this state for the entire term of the 5715
credit. 5716

(5) A requirement that the taxpayer annually report to the 5717
director of development full-time equivalent employees, Ohio 5718
employee payroll, capital investment, and other information the 5719
director needs to perform the director's duties under this 5720
section. 5721

(6) A requirement that the director of development annually 5722
review the annual reports of the taxpayer to verify the 5723
information reported under division (E)(5) of this section and 5724
compliance with the agreement. Upon verification, the director 5725
shall issue a certificate to the taxpayer stating that the 5726

information has been verified and identifying the amount of the 5727
credit for the taxable year or calendar year that includes the tax 5728
period. In determining the number of full-time equivalent 5729
employees, no position shall be counted that is filled by an 5730
employee who is included in the calculation of a tax credit under 5731
section 122.17 of the Revised Code. 5732

(7) A provision providing that the taxpayer may not relocate 5733
a substantial number of employment positions from elsewhere in 5734
this state to the project site unless the director of development 5735
determines that the taxpayer notified the legislative authority of 5736
the county, township, or municipal corporation from which the 5737
employment positions would be relocated. 5738

For purposes of this section, the movement of an employment 5739
position from one political subdivision to another political 5740
subdivision shall be considered a relocation of an employment 5741
position unless the movement is confined to the project site. The 5742
transfer of an employment position from one political subdivision 5743
to another political subdivision shall not be considered a 5744
relocation of an employment position if the employment position in 5745
the first political subdivision is replaced by another employment 5746
position. 5747

(8) A waiver by the taxpayer of any limitations periods 5748
relating to assessments or adjustments resulting from the 5749
taxpayer's failure to comply with the agreement. 5750

(F) If a taxpayer fails to meet or comply with any condition 5751
or requirement set forth in a tax credit agreement, the tax credit 5752
authority may amend the agreement to reduce the percentage or term 5753
of the credit. The reduction of the percentage or term may take 5754
effect in the current taxable or calendar year. 5755

(G) Financial statements and other information submitted to 5756
the department of development or the tax credit authority by an 5757

applicant for or recipient of a tax credit under this section, and 5758
any information taken for any purpose from such statements or 5759
information, are not public records subject to section 149.43 of 5760
the Revised Code. However, the chairperson of the authority may 5761
make use of the statements and other information for purposes of 5762
issuing public reports or in connection with court proceedings 5763
concerning tax credit agreements under this section. Upon the 5764
request of the tax commissioner, or the superintendent of 5765
insurance in the case of an insurance company, the chairperson of 5766
the authority shall provide to the commissioner or superintendent 5767
any statement or other information submitted by an applicant for 5768
or recipient of a tax credit in connection with the credit. The 5769
commissioner or superintendent shall preserve the confidentiality 5770
of the statement or other information. 5771

(H) A taxpayer claiming a tax credit under this section shall 5772
submit to the tax commissioner or, in the case of an insurance 5773
company, to the superintendent of insurance, a copy of the 5774
director of development's certificate of verification under 5775
division (E)(6) of this section with the taxpayer's tax report or 5776
return for the taxable year or for the calendar year that includes 5777
the tax period. Failure to submit a copy of the certificate with 5778
the report or return does not invalidate a claim for a credit if 5779
the taxpayer submits a copy of the certificate to the commissioner 5780
or superintendent within the time prescribed by section 5703.0510 5781
of the Revised Code or within thirty days after the commissioner 5782
or superintendent requests it. 5783

(I) For the purposes of this section, a taxpayer may include 5784
a partnership, a corporation that has made an election under 5785
subchapter S of chapter one of subtitle A of the Internal Revenue 5786
Code, or any other business entity through which income flows as a 5787
distributive share to its owners. A partnership, S-corporation, or 5788
other such business entity may elect to pass the credit received 5789

under this section through to the persons to whom the income or 5790
profit of the partnership, S-corporation, or other entity is 5791
distributed. The election shall be made on the annual report 5792
required under division (E)(5) of this section. The election 5793
applies to and is irrevocable for the credit for which the report 5794
is submitted. If the election is made, the credit shall be 5795
apportioned among those persons in the same proportions as those 5796
in which the income or profit is distributed. 5797

(J)(1) If the director of development determines that a 5798
taxpayer that received a certificate under division (E)(6) of this 5799
section is not complying with the requirements of the agreement, 5800
the director shall notify the tax credit authority of the 5801
noncompliance. After receiving such a notice, and after giving the 5802
taxpayer an opportunity to explain the noncompliance, the 5803
authority may terminate the agreement and require the taxpayer, or 5804
any related member or members that claimed the tax credit under 5805
division (N) of this section, to refund to the state all or a 5806
portion of the credit claimed in previous years, as follows: 5807

(a) If the taxpayer fails to comply with the requirement 5808
under division (E)(3) of this section, an amount determined in 5809
accordance with the following: 5810

(i) If the taxpayer maintained operations at the project site 5811
for less than or equal to the term of the credit, an amount not to 5812
exceed one hundred per cent of the sum of any tax credits allowed 5813
and received under this section. 5814

(ii) If the taxpayer maintained operations at the project 5815
site longer than the term of the credit, but less than the greater 5816
of seven years or the term of the credit plus three years, the 5817
amount required to be refunded shall not exceed seventy-five per 5818
cent of the sum of any tax credits allowed and received under this 5819
section. 5820

(b) If the taxpayer fails to substantially, satisfy the 5821
employment, payroll, or location requirements required under the 5822
agreement, as prescribed under division (E)(4)(a) or (b), as 5823
applicable to the taxpayer, at any time during the term of the 5824
agreement or during the post-term reporting period, an amount 5825
determined at the discretion of the authority. 5826

(2) If a taxpayer files for bankruptcy and fails as described 5827
in division (J)(1)(a) or (b) of this section, the director may 5828
immediately commence an action to recoup an amount not exceeding 5829
one hundred per cent of the sum of any credits received by the 5830
taxpayer under this section. 5831

(3) In determining the portion of the credit to be refunded 5832
to this state, the authority shall consider the effect of market 5833
conditions on the taxpayer's project and whether the taxpayer 5834
continues to maintain other operations in this state. After making 5835
the determination, the authority shall certify the amount to be 5836
refunded to the tax commissioner or the superintendent of 5837
insurance. If the taxpayer, or any related member or members who 5838
claimed the tax credit under division (N) of this section, is not 5839
an insurance company, the commissioner shall make an assessment 5840
for that amount against the taxpayer under Chapter 5726., 5733., 5841
5736., 5747., or 5751. of the Revised Code. If the taxpayer, or 5842
any related member or members that claimed the tax credit under 5843
division (N) of this section, is an insurance company, the 5844
superintendent of insurance shall make an assessment under section 5845
5725.222 or 5729.102 of the Revised Code. The time limitations on 5846
assessments under those chapters and sections do not apply to an 5847
assessment under this division, but the commissioner or 5848
superintendent shall make the assessment within one year after the 5849
date the authority certifies to the commissioner or superintendent 5850
the amount to be refunded. Within ninety days after certifying the 5851
amount to be refunded, if circumstances have changed, the 5852

authority may adjust the amount to be refunded and certify the 5853
adjusted amount to the commissioner or superintendent. The 5854
authority may only adjust the amount to be refunded one time and 5855
only if the amount initially certified by the authority has not 5856
been repaid, in whole or in part, by the taxpayer or certified to 5857
the attorney general for collection under section 131.02 of the 5858
Revised Code. 5859

(K) The director of development, after consultation with the 5860
tax commissioner and the superintendent of insurance and in 5861
accordance with Chapter 119. of the Revised Code, shall adopt 5862
rules necessary to implement this section. The rules may provide 5863
for recipients of tax credits under this section to be charged 5864
fees to cover administrative costs of the tax credit program. The 5865
fees collected shall be credited to the tax incentives operating 5866
fund created in section 122.174 of the Revised Code. At the time 5867
the director gives public notice under division (A) of section 5868
119.03 of the Revised Code of the adoption of the rules, the 5869
director shall submit copies of the proposed rules to the 5870
chairpersons of the standing committees on economic development in 5871
the senate and the house of representatives. 5872

(L) On or before the first day of August of each year, the 5873
director of development shall submit a report to the governor, the 5874
president of the senate, and the speaker of the house of 5875
representatives on the tax credit program under this section. The 5876
report shall include information on the number of agreements that 5877
were entered into under this section during the preceding calendar 5878
year, a description of the project that is the subject of each 5879
such agreement, and an update on the status of projects under 5880
agreements entered into before the preceding calendar year. 5881

(M) The aggregate amount of nonrefundable tax credits issued 5882
under this section during any calendar year for capital investment 5883
projects reviewed and approved by the tax credit authority may not 5884

exceed the following amounts: 5885

(1) For 2010, thirteen million dollars; 5886

application submitted under division (B) of this section or the 6282

(D) of this section, whichever is least, is less than or equal to 6284
three hundred thousand dollars, no credit is allowed; 6285

(b) If the total budgeted eligible expenditures stated in the 6286
application submitted under division (B) of this section or the 6287
actual eligible expenditures as finally determined under division 6288
(D) of this section, whichever is least, is greater than three 6289
hundred thousand dollars, the credit equals thirty per cent of the 6290
least of such budgeted or actual eligible expenditure amounts. 6291

(2) Except as provided in division (C)(4) of this section, if 6292
the director of development approves a production company's 6293
application for a credit, the director shall issue a tax credit 6294
certificate to the company. The director in consultation with the 6295
tax commissioner shall prescribe the form and manner of issuing 6296

number to each tax credit certificate and shall record the 6298
certificate in a register devised and maintained by the director 6299

credit may be claimed is subject to inspection and examination by 6309

Once the eligible expenditures are finally determined under 6312
section 5703.19 of the Revised Code and division (D) of this 6313
section, the credit amount is not subject to adjustment unless the 6314
director determines an error was committed in the computation of 6315
the credit amount. 6316

(4) No tax credit certificate may be issued before the 6317
completion of the tax credit-eligible production. Not more than 6318
~~forty~~ seventy-five million dollars of tax credit may be allowed 6319
per fiscal year provided that, for any fiscal year in which the 6320
amount of tax credits allowed under this section is less than that 6321
maximum annual amount, the amount not allowed for that fiscal year 6322
shall be added to the maximum annual amount that may be allowed 6323
for the following fiscal year. 6324

(5) The director shall review and approve applications for 6325
tax credits in two rounds each fiscal year. The first round of 6326
credits shall be awarded not later than the last day of July of 6327
the fiscal year, and the second round of credits shall be awarded 6328
not later than the last day of the ensuing January. The amount of 6329
credits awarded in the first round of applications each fiscal 6330
year shall not exceed ~~twenty~~ thirty-seven and one-half million 6331
dollars plus any credit allotment that was not awarded in the 6332
preceding fiscal year and carried over under division (C)(4) of 6333
this section. For each round, the director shall rank applications 6334
on the basis of the extent of positive economic impact each tax 6335
credit-eligible production is likely to have in this state and the 6336
effect on developing a permanent workforce in motion picture or 6337
theatrical production industries in the state. For the purpose of 6338
such ranking, the director shall give priority to tax-credit 6339
eligible productions that are television series or miniseries due 6340
to the long-term commitment typically associated with such 6341

productions. The economic impact ranking shall be based on the 6342
production company's total expenditures in this state directly 6343
associated with the tax credit-eligible production. The effect on 6344
developing a permanent workforce in the motion picture or 6345
theatrical production industries shall be evaluated first by the 6346

(ii) A parent, as listed on the fetal death certificate, of a stillborn child;

(iii) A legal guardian of ~~and reside~~ a newly adopted child who resides in the same household as ~~a newly adopted~~ that child.

(b) Employees may elect to receive five thousand dollars for adoption expenses in lieu of receiving the paid leave benefit provided under this section. Such payment may be requested upon placement of the child in the employee's home. If the child is already residing in the home, payment may be requested at the time the adoption is approved.

(3) The average number of regular hours worked, which shall include all hours of holiday pay and other types of paid leave, during the three-month period immediately preceding the day parental leave of absence begins shall be used to determine eligibility and benefits under this section for part-time employees, but such benefits shall not exceed forty hours per week. If an employee has not worked for a three-month period, the number of hours for which the employee has been scheduled to work

per week during the employee's period of employment shall be used 6869
to determine eligibility and benefits under this section. 6870

(C) Parental leave granted under this section shall not 6871
exceed ~~six~~ twelve consecutive weeks, which shall include four 6872
~~weeks or one hundred sixty~~ eighty hours of paid leave for 6873
permanent full-time employees and a prorated number of hours of 6874
paid leave for permanent part-time employees. Parental leave shall 6875
be taken within one year of the birth of the child, delivery of 6876
the stillborn child, or placement of the child for adoption. ~~All~~ 6877
~~employees granted parental leave shall serve a waiting period of~~ 6878
~~fourteen days that begins on the day parental leave begins and~~ 6879
~~during which they shall not receive paid leave under this section.~~ 6880
~~Employees may choose to work during the waiting period.~~ During the 6881
~~remaining four weeks of the~~ leave period, employees shall receive 6882
paid leave equal to seventy per cent of their base rate of pay. 6883
All of the following apply to employees granted parental leave: 6884

(1) They remain eligible to receive all employer-paid 6885
benefits and continue to accrue all other forms of paid leave as 6886
if they were in active pay status. 6887

(2) They are ineligible to receive overtime pay, and no 6888
portion of their parental leave shall be included in calculating 6889
their overtime pay. 6890

(3) They are ineligible to receive holiday pay. A holiday 6891
occurring during the leave period shall be counted as one day of 6892
parental leave and be paid as such. 6893

(D) Employees receiving parental leave may utilize available 6894
sick leave, personal leave, vacation leave, or compensatory time 6895
balances in order to ~~be paid during the fourteen day waiting~~ 6896
~~period and to~~ supplement the seventy per cent of their base rate 6897
of pay received during the ~~remaining part of their~~ parental leave 6898
period, in an amount sufficient to give them up to one hundred per 6899

cent of their pay for time on parental leave. 6900

Use of parental leave does not affect an employee's 6901
eligibility for other forms of paid leave granted under this 6902
chapter and does not prohibit an employee from taking leave under 6903
the "Family and Medical Leave Act of 1993," 107 Stat. 6, 29 6904
U.S.C.A. 2601, except that parental leave shall be included in any 6905
leave time provided under that act. An employee may not receive 6906
parental leave under this section after exhausting leave under the 6907
Family and Medical Leave Act of 1993 for the birth of the child, 6908
delivery of the stillborn child, or placement of the child for 6909
adoption. 6910

(E) Employees receiving disability leave benefits under 6911
section 124.385 of the Revised Code prior to becoming eligible for 6912
parental leave shall continue to receive disability leave benefits 6913
for the duration of their disabling condition or as otherwise 6914
provided under the disability leave benefits program. If an 6915
employee is receiving disability leave benefits because of 6916
pregnancy and these benefits expire prior to the expiration date 6917
of any benefits the employee would have been entitled to receive 6918
under this section, the employee shall receive parental leave for 6919
such additional time ~~without being required to serve an additional~~ 6920
~~waiting period if the parental leave is contiguous to the~~ 6921
~~disability leave.~~ 6922

Sec. 124.14. (A)(1) The director of administrative services 6923
shall establish, and may modify or rescind, a job classification 6924
plan for all positions, offices, and employments in the service of 6925
the state. The director shall group jobs within a classification 6926
so that the positions are similar enough in duties and 6927
responsibilities to be described by the same title, to have the 6928
same pay assigned with equity, and to have the same qualifications 6929
for selection applied. The director shall assign a classification 6930

title to each classification within the classification plan. 6931
However, the director shall consider in establishing 6932
classifications, including classifications with parenthetical 6933
titles, and assigning pay ranges such factors as duties performed 6934
only on one shift, special skills in short supply in the labor 6935
market, recruitment problems, separation rates, comparative salary 6936
rates, the amount of training required, and other conditions 6937
affecting employment. The director shall describe the duties and 6938
responsibilities of the class, establish the qualifications for 6939
being employed in each position in the class, and file with the 6940
secretary of state a copy of specifications for all of the 6941
classifications. The director shall file new, additional, or 6942
revised specifications with the secretary of state before they are 6943
used. 6944

The director shall assign each classification, either on a 6945
statewide basis or in particular counties or state institutions, 6946
to a pay range established under section 124.15 or section 124.152 6947
of the Revised Code. The director may assign a classification to a 6948
pay range on a temporary basis for a period of six months. The 6949
director may establish experimental classification plans for some 6950
or all employees paid directly by warrant of the director of 6951
budget and management. Any such experimental classification plan 6952
shall include specifications for each classification within the 6953
plan and shall specifically address compensation ranges, and 6954
methods for advancing within the ranges, for the classifications, 6955
which may be assigned to pay ranges other than the pay ranges 6956
established under section 124.15 or 124.152 of the Revised Code. 6957

(2) The director of administrative services may reassign to a 6958
proper classification those positions that have been assigned to 6959
an improper classification. If the compensation of an employee in 6960
such a reassigned position exceeds the maximum rate of pay for the 6961
employee's new classification, the employee shall be placed in pay 6962

step X and shall not receive an increase in compensation until the maximum rate of pay for that classification exceeds the employee's compensation.

(3) The director may reassign an exempt employee, as defined in section 124.152 of the Revised Code, to a bargaining unit classification if the director determines that the bargaining unit classification is the proper classification for that employee. Notwithstanding Chapter 4117. of the Revised Code or instruments and contracts negotiated under it, these placements are at the director's discretion.

(4) The director shall assign related classifications, which form a career progression, to a classification series. The director shall assign each classification in the classification plan a five-digit number, the first four digits of which shall denote the classification series to which the classification is assigned. When a career progression encompasses more than ten classifications, the director shall identify the additional classifications belonging to a classification series. The additional classifications shall be part of the classification series, notwithstanding the fact that the first four digits of the number assigned to the additional classifications do not correspond to the first four digits of the numbers assigned to other classifications in the classification series.

(B) Division (A) of this section and sections 124.15 and 124.152 of the Revised Code do not apply to the following persons, positions, offices, and employments:

(1) Elected officials;

(2) Legislative employees, employees of the legislative service commission, employees in the office of the governor, employees who are in the unclassified civil service and exempt from collective bargaining coverage in the office of the secretary

of state, auditor of state, treasurer of state, and attorney 6994
general, and employees of the supreme court; 6995

(3) Any position for which the authority to determine 6996
compensation is given by law to another individual or entity; 6997

(4) Employees of the bureau of workers' compensation whose 6998
compensation the administrator of workers' compensation 6999
establishes under division (B) of section 4121.121 of the Revised 7000
Code. 7001

(C) The director may employ a consulting agency to aid and 7002
assist the director in carrying out this section. 7003

(D)(1) When the director proposes to modify a classification 7004
or the assignment of classes to appropriate pay ranges, the 7005
director shall notify the appointing authorities of the affected 7006
employees before implementing the modification. The director's 7007
notice shall include the effective date of the modification. The 7008
appointing authorities shall notify the affected employees 7009
regarding the modification. 7010

(2) When the director proposes to reclassify any employee in 7011
the service of the state so that the employee is adversely 7012
affected, the director shall give to the employee affected and to 7013
the employee's appointing authority a written notice setting forth 7014
the proposed new classification, pay range, and salary. Upon the 7015
request of any classified employee in the service of the state who 7016
is not serving in a probationary period, the director shall 7017
perform a job audit to review the classification of the employee's 7018
position to determine whether the position is properly classified. 7019
The director shall give to the employee affected and to the 7020
employee's appointing authority a written notice of the director's 7021
determination whether or not to reclassify the position or to 7022
reassign the employee to another classification. An employee or 7023
appointing authority desiring a hearing shall file a written 7024

request for the hearing with the state personnel board of review 7025
within thirty days after receiving the notice. The board shall set 7026
the matter for a hearing and notify the employee and appointing 7027
authority of the time and place of the hearing. The employee, the 7028
appointing authority, or any authorized representative of the 7029
employee who wishes to submit facts for the consideration of the 7030
board shall be afforded reasonable opportunity to do so. After the 7031
hearing, the board shall consider anew the reclassification and 7032
may order the reclassification of the employee and require the 7033
director to assign the employee to such appropriate classification 7034
as the facts and evidence warrant. As provided in division (A)(1) 7035
of section 124.03 of the Revised Code, the board may determine the 7036
most appropriate classification for the position of any employee 7037
coming before the board, with or without a job audit. The board 7038
shall disallow any reclassification or reassignment classification 7039
of any employee when it finds that changes have been made in the 7040
duties and responsibilities of any particular employee for 7041
political, religious, or other unjust reasons. 7042

(E)(1) Employees of each county department of job and family 7043
services shall be paid a salary or wage established by the board 7044
of county commissioners. The provisions of section 124.18 of the 7045
Revised Code concerning the standard work week apply to employees 7046
of county departments of job and family services. A board of 7047
county commissioners may do either of the following: 7048

(a) Notwithstanding any other section of the Revised Code, 7049
supplement the sick leave, vacation leave, personal leave, and 7050
other benefits of any employee of the county department of job and 7051
family services of that county, if the employee is eligible for 7052
the supplement under a written policy providing for the 7053
supplement; 7054

(b) Notwithstanding any other section of the Revised Code, 7055
establish alternative schedules of sick leave, vacation leave, 7056

personal leave, or other benefits for employees not inconsistent 7057
with the provisions of a collective bargaining agreement covering 7058
the affected employees. 7059

(2) Division (E)(1) of this section does not apply to 7060
employees for whom the state employment relations board 7061
establishes appropriate bargaining units pursuant to section 7062
4117.06 of the Revised Code, except in either of the following 7063
situations: 7064

(a) The employees for whom the state employment relations 7065
board establishes appropriate bargaining units elect no 7066
representative in a board-conducted representation election. 7067

(b) After the state employment relations board establishes 7068
appropriate bargaining units for such employees, all employee 7069
organizations withdraw from a representation election. 7070

(F)(1) Notwithstanding any contrary provision of sections 7071
124.01 to 124.64 of the Revised Code, the board of trustees of 7072
each state university or college, as defined in section 3345.12 of 7073
the Revised Code, shall carry out all matters of governance 7074
involving the officers and employees of the university or college, 7075
including, but not limited to, the powers, duties, and functions 7076
of the department of administrative services and the director of 7077
administrative services specified in this chapter. Officers and 7078
employees of a state university or college shall have the right of 7079
appeal to the state personnel board of review as provided in this 7080
chapter. 7081

(2) Each board of trustees shall adopt rules ~~under section~~ 7082
~~111.15 of the Revised Code~~ to carry out the matters of governance 7083
described in division (F)(1) of this section. Until the board of 7084
trustees adopts those rules, a state university or college shall 7085
continue to operate pursuant to the applicable rules adopted by 7086
the director of administrative services under this chapter. 7087

(G)(1) Each board of county commissioners may, by a 7088
resolution adopted by a majority of its members, establish a 7089
county personnel department to exercise the powers, duties, and 7090
functions specified in division (G) of this section. As used in 7091
division (G) of this section, "county personnel department" means 7092
a county personnel department established by a board of county 7093
commissioners under division (G)(1) of this section. 7094

(2)(a) Each board of county commissioners, by a resolution 7095
adopted by a majority of its members, may designate the county 7096
personnel department of the county to exercise the powers, duties, 7097
and functions specified in sections 124.01 to 124.64 and Chapter 7098
325. of the Revised Code with regard to employees in the service 7099
of the county, except for the powers and duties of the state 7100
personnel board of review, which powers and duties shall not be 7101
construed as having been modified or diminished in any manner by 7102
division (G)(2) of this section, with respect to the employees for 7103
whom the board of county commissioners is the appointing authority 7104
or co-appointing authority. 7105

(b) Nothing in division (G)(2) of this section shall be 7106
construed to limit the right of any employee who possesses the 7107
right of appeal to the state personnel board of review to continue 7108
to possess that right of appeal. 7109

(c) Any board of county commissioners that has established a 7110
county personnel department may contract with the department of 7111
administrative services, in accordance with division (H) of this 7112
section, another political subdivision, or an appropriate public 7113
or private entity to provide competitive testing services or other 7114
appropriate services. 7115

(3) After the county personnel department of a county has 7116
been established as described in division (G)(2) of this section, 7117
any elected official, board, agency, or other appointing authority 7118
of that county, upon written notification to the county personnel 7119

department, may elect to use the services and facilities of the 7120
county personnel department. Upon receipt of the notification by 7121
the county personnel department, the county personnel department 7122
shall exercise the powers, duties, and functions as described in 7123
division (G)(2) of this section with respect to the employees of 7124
that elected official, board, agency, or other appointing 7125
authority. 7126

(4) Each board of county commissioners, by a resolution 7127
adopted by a majority of its members, may disband the county 7128
personnel department. 7129

(5) Any elected official, board, agency, or appointing 7130
authority of a county may end its involvement with a county 7131
personnel department upon actual receipt by the department of a 7132
certified copy of the notification that contains the decision to 7133
no longer participate. 7134

(6) A county personnel department, in carrying out its 7135
duties, shall adhere to merit system principles with regard to 7136
employees of county departments of job and family services, child 7137
support enforcement agencies, and public child welfare agencies so 7138
that there is no threatened loss of federal funding for these 7139
agencies, and the county is financially liable to the state for 7140
any loss of federal funds due to the action or inaction of the 7141
county personnel department. 7142

(H) County agencies may contract with the department of 7143
administrative services for any human resources services, 7144
including, but not limited to, establishment and modification of 7145
job classification plans, competitive testing services, and 7146
periodic audits and reviews of the county's uniform application of 7147
the powers, duties, and functions specified in sections 124.01 to 7148
124.64 and Chapter 325. of the Revised Code with regard to 7149
employees in the service of the county. Nothing in this division 7150
modifies the powers and duties of the state personnel board of 7151

review with respect to employees in the service of the county. 7152
Nothing in this division limits the right of any employee who 7153
possesses the right of appeal to the state personnel board of 7154
review to continue to possess that right of appeal. 7155

(I) The director of administrative services shall establish 7156
the rate and method of compensation for all employees who are paid 7157
directly by warrant of the director of budget and management and 7158
who are serving in positions that the director of administrative 7159
services has determined impracticable to include in the state job 7160
classification plan. This division does not apply to elected 7161
officials, legislative employees, employees of the legislative 7162
service commission, employees who are in the unclassified civil 7163
service and exempt from collective bargaining coverage in the 7164
office of the secretary of state, auditor of state, treasurer of 7165
state, and attorney general, employees of the courts, employees of 7166
the bureau of workers' compensation whose compensation the 7167
administrator of workers' compensation establishes under division 7168
(B) of section 4121.121 of the Revised Code, or employees of an 7169
appointing authority authorized by law to fix the compensation of 7170
those employees. 7171

(J) The director of administrative services shall set the 7172
rate of compensation for all intermittent, seasonal, temporary, 7173
emergency, and casual employees in the service of the state who 7174
are not considered public employees under section 4117.01 of the 7175
Revised Code. Those employees are not entitled to receive employee 7176
benefits, unless otherwise required by law. This rate of 7177
compensation shall be equitable in terms of the rate of employees 7178
serving in the same or similar classifications. This division does 7179
not apply to elected officials, legislative employees, employees 7180
of the legislative service commission, employees who are in the 7181
unclassified civil service and exempt from collective bargaining 7182
coverage in the office of the secretary of state, auditor of 7183

state, treasurer of state, and attorney general, employees of the courts, employees of the bureau of workers' compensation whose compensation the administrator establishes under division (B) of section 4121.121 of the Revised Code, or employees of an appointing authority authorized by law to fix the compensation of those employees.

(B) The pay schedule of all employees shall be on a biweekly basis, with amounts computed on an hourly basis. 7300
7301

(C) Part-time employees shall be compensated on an hourly basis for time worked, at the rates shown in division (A) of this section or in section 124.152 of the Revised Code. 7302
7303
7304

(D) The salary and wage rates in division (A) of this section or in section 124.152 of the Revised Code represent base rates of compensation and may be augmented by the provisions of section 124.181 of the Revised Code. In those cases where lodging, meals, laundry, or other personal services are furnished an employee in the service of the state, the actual costs or fair market value of the personal services shall be paid by the employee in such amounts and manner as determined by the director of administrative 7305

7310
7311
7312

services and approved by the director of budget and management, 7313
and those personal services shall not be considered as a part of 7314
the employee's compensation. An appointing authority that appoints 7315
employees in the service of the state, with the approval of the 7316
director of administrative services and the director of budget and 7317
management, may establish payments to employees for uniforms, 7318
tools, equipment, and other requirements of the department and 7319
payments for the maintenance of them. 7320

The director of administrative services may review collective 7321
bargaining agreements entered into under Chapter 4117. of the 7322
Revised Code that cover employees in the service of the state and 7323
determine whether certain benefits or payments provided to the 7324
employees covered by those agreements should also be provided to 7325
employees in the service of the state who are exempt from 7326
collective bargaining coverage and are paid in accordance with 7327
section 124.152 of the Revised Code or are listed in division 7328
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 7329
the review, the director of administrative services, with the 7330
approval of the director of budget and management, may provide to 7331
some or all of these employees any payment or benefit, except for 7332
salary, contained in such a collective bargaining agreement even 7333
if it is similar to a payment or benefit already provided by law 7334
to some or all of these employees. Any payment or benefit so 7335
provided shall not exceed the highest level for that payment or 7336
benefit specified in such a collective bargaining agreement. The 7337
director of administrative services shall not provide, and the 7338
director of budget and management shall not approve, any payment 7339
or benefit to such an employee under this division unless the 7340
payment or benefit is provided pursuant to a collective bargaining 7341
agreement to a state employee who is in a position with similar 7342
duties as, is supervised by, or is employed by the same appointing 7343
authority as, the employee to whom the benefit or payment is to be 7344
provided. 7345

As used in this division, "payment or benefit already 7346
provided by law" includes, but is not limited to, bereavement, 7347
personal, vacation, administrative, and sick leave, disability 7348
benefits, holiday pay, and pay supplements provided under the 7349
Revised Code, but does not include wages or salary. 7350

(E) New employees paid in accordance with schedule B of 7351
division (A) of this section or schedule E-1 of section 124.152 of 7352
the Revised Code shall be employed at the minimum rate established 7353
for the range unless otherwise provided. Employees with 7354
qualifications that are beyond the minimum normally required for 7355
the position and that are determined by the director to be 7356
exceptional may be employed in, or may be transferred or promoted 7357
to, a position at an advanced step of the range. Further, in time 7358
of a serious labor market condition when it is relatively 7359
impossible to recruit employees at the minimum rate for a 7360
particular classification, the entrance rate may be set at an 7361
advanced step in the range by the director of administrative 7362
services. This rate may be limited to geographical regions of the 7363
state. Appointments made to an advanced step under the provision 7364
regarding exceptional qualifications shall not affect the step 7365
assignment of employees already serving. However, anytime the 7366
hiring rate of an entire classification is advanced to a higher 7367
step, all incumbents of that classification being paid at a step 7368
lower than that being used for hiring, shall be advanced beginning 7369
at the start of the first pay period thereafter to the new hiring 7370
rate, and any time accrued at the lower step will be used to 7371
calculate advancement to a succeeding step. If the hiring rate of 7372
a classification is increased for only a geographical region of 7373
the state, only incumbents who work in that geographical region 7374
shall be advanced to a higher step. When an employee in the 7375
unclassified service changes from one state position to another or 7376
is appointed to a position in the classified service, or if an 7377
employee in the classified service is appointed to a position in 7378

the unclassified service, the employee's salary or wage in the new 7379
position shall be determined in the same manner as if the employee 7380
were an employee in the classified service. When an employee in 7381
the unclassified service who is not eligible for step increases is 7382
appointed to a classification in the classified service under 7383
which step increases are provided, future step increases shall be 7384
based on the date on which the employee last received a pay 7385
increase. If the employee has not received an increase during the 7386
previous year, the date of the appointment to the classified 7387
service shall be used to determine the employee's annual step 7388
advancement eligibility date. In reassigning any employee to a 7389
classification resulting in a pay range increase or to a new pay 7390
range as a result of a promotion, an increase pay range 7391
adjustment, or other classification change resulting in a pay 7392
range increase, the director shall assign such employee to the 7393
step in the new pay range that will provide an increase of 7394
approximately four per cent if the new pay range can accommodate 7395
the increase. When an employee is being assigned to a 7396
classification or new pay range as the result of a class plan 7397
change, if the employee has completed a probationary period, the 7398
employee shall be placed in a step no lower than step two of the 7399
new pay range. If the employee has not completed a probationary 7400
period, the employee may be placed in step one of the new pay 7401
range. Such new salary or wage shall become effective on such date 7402
as the director determines. 7403

(F) If employment conditions and the urgency of the work 7404
require such action, the director of administrative services may, 7405
upon the application of a department head, authorize payment at 7406
any rate established within the range for the class of work, for 7407
work of a casual or intermittent nature or on a project basis. 7408
Payment at such rates shall not be made to the same individual for 7409
more than three calendar months in any one calendar year. Any such 7410
action shall be subject to the approval of the director of budget 7411

and management as to the availability of funds. This section and 7412
sections 124.14 and 124.152 of the Revised Code do not repeal any 7413
authority of any department or public official to contract with or 7414
fix the compensation of professional persons who may be employed 7415
temporarily for work of a casual nature or for work on a project 7416
basis. 7417

(G)(1) Except as provided in divisions (G)(2) and (3) of this 7418
section, each state employee paid in accordance with schedule B of 7419
this section or schedule E-1 of section 124.152 of the Revised 7420
Code shall be eligible for advancement to succeeding steps in the 7421
range for the employee's class or grade according to the schedule 7422
established in this division. Beginning on the first day of the 7423
pay period within which the employee completes the prescribed 7424
probationary period in the employee's classification with the 7425
state, each employee shall receive an automatic salary adjustment 7426
equivalent to the next higher step within the pay range for the 7427
employee's class or grade. 7428

Except as provided in divisions (G)(2) and (3) of this 7429
section, each employee paid in accordance with schedule E-1 of 7430
section 124.152 of the Revised Code shall be eligible to advance 7431
to the next higher step until the employee reaches the top step in 7432
the range for the employee's class or grade, if the employee has 7433
maintained satisfactory performance in accordance with criteria 7434
established by the employee's appointing authority. Those step 7435
advancements shall not occur more frequently than once in any 7436
twelve-month period. 7437

When an employee is promoted, the step entry date shall be 7438
set to account for a probationary period. When an employee is 7439
reassigned to a higher pay range, the step entry date shall be set 7440
to allow an employee who is not at the highest step of the range 7441
to receive a step advancement one year from the reassignment date. 7442
Step advancement shall not be affected by demotion. A promoted 7443

employee shall advance to the next higher step of the pay range on 7444
the first day of the pay period in which the required probationary 7445
period is completed. Step advancement shall become effective at 7446
the beginning of the pay period within which the employee attains 7447
the necessary length of service. Time spent on authorized leave of 7448
absence shall be counted for this purpose. 7449

If determined to be in the best interest of the state 7450
service, the director of administrative services may, either 7451
statewide or in selected agencies, adjust the dates on which 7452
annual step advancements are received by employees paid in 7453
accordance with schedule E-1 of section 124.152 of the Revised 7454
Code. 7455

(2)(a) There shall be a moratorium on annual step 7456
advancements under division (G)(1) of this section beginning June 7457
21, 2009, through June 20, 2011. Step advancements shall resume 7458
with the pay period beginning June 21, 2011. Upon the resumption 7459
of step advancements, there shall be no retroactive step 7460
advancements for the period the moratorium was in effect. The 7461
moratorium shall not affect an employee's performance evaluation 7462
schedule. 7463

An employee who begins a probationary period before June 21, 7464
2009, shall advance to the next step in the employee's pay range 7465
at the end of probation, and then become subject to the 7466
moratorium. An employee who is hired, promoted, or reassigned to a 7467
higher pay range between June 21, 2009, through June 20, 2011, 7468
shall not advance to the next step in the employee's pay range 7469
until the next anniversary of the employee's date of hire, 7470
promotion, or reassignment that occurs on or after June 21, 2011. 7471

(b) The moratorium under division (G)(2)(a) of this section 7472
shall apply to the employees of the secretary of state, the 7473
auditor of state, the treasurer of state, and the attorney 7474
general, who are subject to this section unless the secretary of 7475

state, the auditor of state, the treasurer of state, or the 7476
attorney general decides to exempt the office's employees from the 7477
moratorium and so notifies the director of administrative services 7478
in writing on or before July 1, 2009. 7479

(3) Employees in intermittent positions shall be employed at 7480
the minimum rate established for the pay range for their 7481
classification and are not eligible for step advancements. 7482

(H) Employees in appointive managerial or professional 7483
positions paid in accordance with schedule C of this section or 7484
schedule E-2 of section 124.152 of the Revised Code may be 7485
appointed at any rate within the appropriate pay range. This rate 7486
of pay may be adjusted higher or lower within the respective pay 7487
range at any time the appointing authority so desires as long as 7488
the adjustment is based on the employee's ability to successfully 7489
administer those duties assigned to the employee. Salary 7490
adjustments shall not be made more frequently than once in any 7491
six-month period under this provision to incumbents holding the 7492
same position and classification. 7493

(I) When an employee is assigned to duty outside this state, 7494
the employee may be compensated, upon request of the department 7495
head and with the approval of the director of administrative 7496
services, at a rate not to exceed fifty per cent in excess of the 7497
employee's current base rate for the period of time spent on that 7498
duty. 7499

(J) Unless compensation for members of a board or commission 7500
is otherwise specifically provided by law, the director of 7501
administrative services shall establish the rate and method of 7502
payment for members of boards and commissions pursuant to the pay 7503
schedules listed in section 124.152 of the Revised Code. 7504

(K) Regular full-time employees in positions assigned to 7505
classes within the instruction and education administration series 7506

under the job classification plans of the director of 7507
administrative services, except certificated employees on the 7508
instructional staff of ~~the state school for the blind or the state~~ 7509
~~school for the deaf~~ Ohio deaf and blind education services, whose 7510
positions are scheduled to work on the basis of an academic year 7511
rather than a full calendar year, shall be paid according to the 7512
pay range assigned by the applicable job classification plan, but 7513
only during those pay periods included in the academic year of the 7514
school where the employee is located. 7515

(1) Part-time or substitute teachers or those whose period of 7516
employment is other than the full academic year shall be 7517
compensated for the actual time worked at the rate established by 7518
this section. 7519

(2) Employees governed by this division are exempt from 7520
sections 124.13 and 124.19 of the Revised Code. 7521

(3) Length of service for the purpose of determining 7522
eligibility for step advancements as provided by division (G) of 7523
this section and for the purpose of determining eligibility for 7524
longevity pay supplements as provided by division (E) of section 7525
124.181 of the Revised Code shall be computed on the basis of one 7526
full year of service for the completion of each academic year. 7527

(L) The superintendent of ~~the state school for the deaf and~~ 7528
~~the superintendent of the state school for the blind~~ Ohio deaf and 7529
blind education services shall, subject to the approval of the 7530
superintendent of public instruction, carry out both of the 7531
following: 7532

(1) Annually, between the first day of April and the last day 7533
of June, establish for the ensuing fiscal year a schedule of 7534
hourly rates for the compensation of each certificated employee on 7535
the instructional staff of that superintendent's respective school 7536
constructed as follows: 7537

(a) Determine for each level of training, experience, and other professional qualification for which an hourly rate is set forth in the current schedule, the per cent that rate is of the rate set forth in such schedule for a teacher with a bachelor's degree and no experience. If there is more than one such rate for such a teacher, the lowest rate shall be used to make the computation.

(b) Determine which six city, local, and exempted village school districts with territory in Franklin county have in effect on, or have adopted by, the first day of April for the school year that begins on the ensuing first day of July, teacher salary schedules with the highest minimum salaries for a teacher with a bachelor's degree and no experience;

(c) Divide the sum of such six highest minimum salaries by ten thousand five hundred sixty;

(d) Multiply each per cent determined in division (L)(1)(a) of this section by the quotient obtained in division (L)(1)(c) of this section;

(e) One hundred five per cent of each product thus obtained shall be the hourly rate for the corresponding level of training, experience, or other professional qualification in the schedule for the ensuing fiscal year.

(2) Annually, assign each certificated employee on the instructional staff of the superintendent's respective school to an hourly rate on the schedule that is commensurate with the employee's training, experience, and other professional qualifications.

If an employee is employed on the basis of an academic year, the employee's annual salary shall be calculated by multiplying the employee's assigned hourly rate times one thousand seven hundred sixty. If an employee is not employed on the basis of an

academic year, the employee's annual salary shall be calculated in 7569
accordance with the following formula: 7570

(a) Multiply the number of days the employee is required to 7571
work pursuant to the employee's contract by eight; 7572

(b) Multiply the product of division (L)(2)(a) of this 7573
section by the employee's assigned hourly rate. 7574

Each employee shall be paid an annual salary in biweekly 7575
installments. The amount of each installment shall be calculated 7576
by dividing the employee's annual salary by the number of biweekly 7577
installments to be paid during the year. 7578

Sections 124.13 and 124.19 of the Revised Code do not apply 7579
to an employee who is paid under this division. 7580

As used in this division, "academic year" means the number of 7581
days in each school year that the schools are required to be open 7582

deemed to have completed one year of service. An employee paid 7585
under this division is eligible to receive a pay supplement under 7586
division (L)(1), (2), or (3) of section 124.181 of the Revised 7587
Code for which the employee qualifies, but is not eligible to 7588
receive a pay supplement under division (L)(4) or (5) of that 7589
section. An employee paid under this division is eligible to 7590
receive a pay supplement under division (L)(6) of section 124.181 7591
of the Revised Code for which the employee qualifies, except that 7592
the supplement is not limited to a maximum of five per cent of the 7593
employee's regular base salary in a calendar year. 7594

(M) Division (A) of this section does not apply to "exempt 7595
employees," as defined in section 124.152 of the Revised Code, who 7596
are paid under that section. 7597

Notwithstanding any other provisions of this chapter, when an 7598
employee transfers between bargaining units or transfers out of or 7599

into a bargaining unit, the director of administrative services 7600
shall establish the employee's compensation and adjust the maximum 7601
leave accrual schedule as the director deems equitable. 7602

Sec. 124.387. (A) As used in this section, "stillborn" has 7603
the same meaning as in section 124.136 of the Revised Code. 7604

whose salary or wage is paid directly by warrant of the director 7606
of budget and management shall be granted three days of 7607
bereavement leave with pay ~~upon~~ due to the death of a member of 7608
the employee's immediate family. 7609

parent of a miscarried or stillborn child. An employee using 7613
bereavement leave based on a miscarriage shall provide appropriate 7614
medical documentation of the miscarriage. An employee using 7615
bereavement leave based on a stillbirth shall provide a copy of 7616
the fetal death certificate. 7617

within one of the following time periods: 7619

(1) Not more than five calendar days after the immediate 7620
family member's death; 7621

(2) Not more than five days before or five days after the 7622
date of the immediate family member's funeral. 7623

(E) An employee who takes bereavement leave granted under 7624
this section on the basis of a stillbirth is ineligible for 7625
parental leave or benefits under section 124.136 of the Revised 7626
Code based on the same stillbirth. 7627

under section 149.43 of the Revised Code until after the award of 7907
the contract. 7908

(D) As provided in the request for proposals, and under rules 7909
the director shall adopt, discussions may be conducted with 7910

Sec. 125.09. (A) Pursuant to sections 125.07, 125.071, and 7935

125.072 of the Revised Code, the department of administrative 7936
services may prescribe such conditions under which competitive 7937
sealed bids, competitive sealed proposals, and bids in reverse 7938

considers necessary; provided, that all such conditions and terms 7940
shall be reasonable and shall not unreasonably restrict 7941
competition, and bidders may bid and offerors may propose upon all 7942
or any item of the products, ~~supplies,~~ or services listed in such 7943
notice. Those bidders and offerors claiming the preference 7944
outlined in this chapter shall designate in their bid or offer 7945
~~either that~~ whether the product ~~or supply~~ is ~~produced or~~ mined, 7946
excavated, produced, manufactured, raised, or grown in the United 7947
States and is either ~~an~~ a Buy Ohio product or that the product, 7948
~~supply,~~ or service is provided by a bidder or offeror that 7949
qualifies as having a significant ~~Ohio~~ economic presence in the 7950

offeror is a certified veteran-friendly business enterprise under 7953
section 122.925 of the Revised Code. 7954

(B) ~~The department may require that each bidder or offeror~~ 7955
~~provide sufficient information about the energy efficiency or~~ 7956
~~energy usage of the bidder's or offeror's product, supply, or~~ 7957
~~service.~~ 7958

~~(C)~~ The director of administrative services shall, by rule 7959
adopted pursuant to Chapter 119. of the Revised Code, prescribe 7960
criteria and procedures for use by all state agencies in giving 7961
preference under this section as required by division (B) of 7962
section 125.11 of the Revised Code. The rules shall extend to: 7963

(1) Criteria for determining that a product is ~~produced or~~ 7964
mined, excavated, produced, manufactured, raised, or grown in the 7965
United States rather than in another country or territory; 7966

(2) Criteria for determining that a product is ~~produced or~~ 7967

~~mined in a Buy Ohio product;~~ 7968

(3) Information to be submitted by bidders or offerors as to 7969
the nature of a product and the location where it is ~~produced or~~ 7970
mined, excavated, produced, manufactured, raised, or grown; 7971

(4) Criteria and procedures to be used by the director to 7972
qualify bidders or offerors located in states bordering Ohio who 7973
might otherwise be excluded from being awarded a contract by 7974
operation of this section and section 125.11 of the Revised Code. 7975
The criteria and procedures shall recognize the level and 7976
regularity of interstate commerce between Ohio and the border 7977
states and provide that the non-Ohio businesses may qualify for 7978
award of a contract as long as they are located in a state that 7979
imposes no greater restrictions than are contained in this section 7980
and section 125.11 of the Revised Code upon persons located in 7981
Ohio selling products or services to agencies of that state. The 7982
criteria and procedures shall also provide that a non-Ohio 7983
business shall not bid on a contract for state printing in this 7984
state if the business is located in a state that excludes Ohio 7985
businesses from bidding on state printing contracts in that state. 7986

(5) Criteria and procedures to be used to qualify bidders and 7987
offerors whose manufactured products, except for mined products, 7988
are produced in other states or in North America, but the bidders 7989
or offerors have a significant Ohio economic presence in terms of 7990
the number of employees or capital investment a bidder or offeror 7991
has in this state. Bidders and offerors with a significant Ohio 7992
economic presence shall qualify for award of a contract on the 7993
same basis as if their products were produced in this state or as 7994
if the bidder or offeror was domiciled in this state. 7995

(6) Criteria and procedures for the director to grant waivers 7996
of the requirements of division (B) of section 125.11 of the 7997
Revised Code on a contract-by-contract basis where compliance with 7998
those requirements would ~~result in the state agency paying an~~ 7999

~~excessive price for the product or acquiring a disproportionately~~ 8000
~~inferior product not be in the best interest of the state or is~~ 8001
~~otherwise prohibited;~~ 8002

(7) Criteria for applying a preference to bids and offers 8003
received from a certified veteran-friendly business enterprise; 8004

(8) Such other requirements or procedures reasonably 8005
necessary to implement the system of preferences established 8006
pursuant to division (B) of section 125.11 of the Revised Code. 8007

In adopting the rules required under this division, the 8008
director shall, to the maximum extent possible, conform to the 8009
requirements of the federal "Buy ~~America~~ American Act," ~~47 Stat.~~ 8010
~~1520, (1933),~~ 41 U.S.C.A. ~~10a-10d~~ U.S.C. 8301-8305, as amended, 8011
and to the regulations adopted thereunder. 8012

Sec. 125.10. (A) The department of administrative services 8013

by a performance bond or other financial assurance acceptable to 8016
the director of administrative services, in the sum and with the 8017
sureties it prescribes, payable to the state, and conditioned that 8018
the person submitting the bid or proposal, if that person's bid or 8019
proposal is accepted, will faithfully execute the terms of the 8020
contract and promptly make deliveries of the supplies purchased. 8021

(B) A sealed copy of each competitive sealed bid or 8022
competitive sealed proposal shall be filed with the department 8023
prior to the time specified in the notice for opening of the bids 8024
or proposals. All competitive sealed bids and competitive sealed 8025
proposals shall be ~~publicly~~ opened in the ~~office of~~ standardized 8026
system of electronic procurement by the department at the time 8027
specified in the notice. ~~A representative of the auditor of state~~ 8028
~~shall be present at the opening of all competitive sealed bids and~~ 8029

125.072 of the Revised Code or pursuant to competitive sealed 8036
bidding, including contracts awarded under section 125.081 of the 8037
Revised Code, shall be awarded to the lowest responsive and 8038
responsible bidder in accordance with section 9.312 of the Revised 8039
Code. ~~When the contract is for meat products as defined in section 8040
918.01 of the Revised Code or poultry products as defined in 8041
section 918.21 of the Revised Code, only those bids received from 8042
vendors under inspection of the United States department of 8043
agriculture or who are licensed by the Ohio department of 8044

administrative services may accept or reject any or all bids in 8046
whole or by items, except that when the contract is for services 8047

to sections 125.60 to 125.6012 or 4115.31 to 4115.35 of the 8049
Revised Code, the contract shall be awarded to that agency and 8050
contracts awarded pursuant to a competitive sealed proposal shall 8051
be awarded to the offeror determined to be the most advantageous 8052
to this state. 8053~~

section, the department of administrative services or the state 8055
agency responsible for evaluating a contract for the purchase of 8056
products or services shall evaluate the bids and offers received 8057

States ~~and, if a product is produced or mined in this state, or in~~ 8062

~~a state bordering Ohio, whether the bid or offer was received from
a Buy Ohio supplier, and whether the bid or offer was received

offer products that have been or that will be produced or mined in
the United States. From among the remaining bids, the department
or other state agency shall select the lowest responsive and
responsible bid, in accordance with section 9.312 of the Revised
Code, from among the bids that offer products that have been

the amount of qualified rehabilitation expenditures the applicant 9495
estimates will be paid or incurred and shall indicate whether the 9496
historic building was used as a theater before, and is intended to 9497
be used as a theater after, the rehabilitation. The director may 9498
require applicants to furnish documentation of such estimates. 9499

The director, after consultation with the tax commissioner 9500
and in accordance with Chapter 119. of the Revised Code, shall 9501
adopt rules that establish all of the following: 9502

(1) Forms and procedures by which applicants may apply for 9503
rehabilitation tax credit certificates; 9504

(2) Criteria for reviewing, evaluating, and approving 9505
applications for certificates within the limitations under 9506
division (D) of this section, criteria for assuring that the 9507
certificates issued encompass a mixture of high and low qualified 9508
rehabilitation expenditures, and criteria for issuing certificates 9509
under division (C)(3)(b) of this section; 9510

(3) Eligibility requirements for obtaining a certificate 9511
under this section; 9512

(4) The form of rehabilitation tax credit certificates; 9513

(5) Reporting requirements and monitoring procedures; 9514

(6) Procedures and criteria for conducting cost-benefit 9515
analyses of historic buildings that are the subjects of 9516
applications filed under this section. The purpose of a 9517
cost-benefit analysis shall be to determine whether rehabilitation 9518
of the historic building will result in a net revenue gain in 9519
state and local taxes once the building is used. 9520

(7) Any other rules necessary to implement and administer 9521
this section. 9522

(C) The director shall review the applications with the 9523
assistance of the state historic preservation officer and 9524
determine whether all of the following criteria are met: 9525

(1) That the building that is the subject of the application 9526
is an historic building and the applicant is the owner or 9527
qualified lessee of the building; 9528

(2) That the rehabilitation will satisfy standards prescribed 9529

by the United States secretary of the interior under 16 U.S.C. 9530
470, et seq., as amended, and 36 C.F.R. 67.7 or a successor to 9531
that section; 9532

(3) That receiving a rehabilitation tax credit certificate 9533
under this section is a major factor in: 9534

(a) The applicant's decision to rehabilitate the historic 9535
building; or 9536

(b) To increase the level of investment in such 9537
rehabilitation. 9538

(4) The historic building that is the subject of the 9539
application is not, and will not upon completion of the 9540
rehabilitation project be, part of a qualified low-income housing 9541
project allocated a tax credit pursuant to section 42 of the 9542
Internal Revenue Code. 9543

An applicant shall demonstrate to the satisfaction of the 9544
state historic preservation officer and director that the 9545
rehabilitation will satisfy the standards described in division 9546
(C)(2) of this section before the applicant begins the physical 9547
rehabilitation of the historic building. 9548

(D)(1) If the director determines that an application meets 9549
the criteria in division (C) of this section, the director shall 9550
conduct a cost-benefit analysis for the historic building that is 9551
the subject of the application to determine whether rehabilitation 9552
of the historic building will result in a net revenue gain in 9553
state and local taxes once the building is used. The director 9554
shall consider the results of the cost-benefit analysis in 9555
determining whether to approve the application. The director shall 9556
also consider the potential economic impact and the regional 9557
distributive balance of the credits throughout the state. The 9558
director may approve an application only after completion of the 9559
cost-benefit analysis. 9560

(2) A rehabilitation tax credit certificate shall not be 9561
issued for an amount greater than the estimated amount furnished 9562
by the applicant on the application for such certificate and 9563
approved by the director. The director shall not approve more than 9564
a total of one hundred twenty million dollars of rehabilitation 9565
tax credits for each of fiscal years 2023 ~~and~~, 2024, and 2025, and 9566
sixty million dollars of rehabilitation tax credits for each 9567
fiscal year thereafter but the director may reallocate unused tax 9568
credits from a prior fiscal year for new applicants and such 9569
reallocated credits shall not apply toward the dollar limit of 9570
this division. 9571

(3) For rehabilitations with a rehabilitation period not 9572
exceeding twenty-four months as provided in division (A)(8)(a) of 9573
this section, a rehabilitation tax credit certificate shall not be 9574
issued before the rehabilitation of the historic building is 9575
completed. 9576

(4) For rehabilitations with a rehabilitation period not 9577
exceeding sixty months as provided in division (A)(8)(b) of this 9578
section, a rehabilitation tax credit certificate shall not be 9579
issued before a stage of rehabilitation is completed. After all 9580
stages of rehabilitation are completed, if the director cannot 9581
determine that the criteria in division (C) of this section are 9582
satisfied for all stages of rehabilitations, the director shall 9583
certify this finding to the tax commissioner, and any 9584
rehabilitation tax credits received by the applicant shall be 9585
repaid by the applicant and may be collected by assessment as 9586
unpaid tax by the commissioner. 9587

(5) The director shall require the applicant to provide a 9588
third-party cost certification by a certified public accountant of 9589
the actual costs attributed to the rehabilitation of the historic 9590
building when qualified rehabilitation expenditures exceed two 9591
hundred thousand dollars. 9592

If an applicant whose application is approved for receipt of a rehabilitation tax credit certificate fails to provide to the director sufficient evidence of reviewable progress, including a viable financial plan, copies of final construction drawings, and evidence that the applicant has obtained all historic approvals within twelve months after the date the applicant received notification of approval, and if the applicant fails to provide evidence to the director that the applicant has secured and closed on financing for the rehabilitation within eighteen months after receiving notification of approval, the director may rescind the approval of the application. The director shall notify the applicant if the approval has been rescinded. Credits that would have been available to an applicant whose approval was rescinded shall be available for other qualified applicants. Nothing in this division prohibits an applicant whose approval has been rescinded from submitting a new application for a rehabilitation tax credit certificate.

(6) The director may approve the application of, and issue a rehabilitation tax credit certificate to, the owner of a catalytic project, provided the application otherwise meets the criteria described in divisions (C) and (D) of this section. The director may not approve more than one application for a rehabilitation tax credit certificate under division (D)(6) of this section during each state fiscal biennium. The director shall not approve an application for a rehabilitation tax credit certificate under division (D)(6) of this section during the state fiscal biennium beginning July 1, 2017, or during any state fiscal biennium thereafter. The director shall consider the following criteria in determining whether to approve an application for a certificate under division (D)(6) of this section:

- (a) Whether the historic building is a catalytic project;
- (b) The effect issuance of the certificate would have on the

availability of credits for other applicants that qualify for a 9625
credit certificate within the credit dollar limit described in 9626
division (D)(2) of this section; 9627

(c) The number of jobs, if any, the catalytic project will 9628
create. 9629

(7)(a) The owner or qualified lessee of a historic building 9630
may apply for a rehabilitation tax credit certificate under both 9631
divisions (B) and (D)(6) of this section. In such a case, the 9632
director shall consider each application at the time the 9633
application is submitted. 9634

(b) The director shall not issue more than one certificate 9635
under this section with respect to the same qualified 9636
rehabilitation expenditures. 9637

(8) The director shall give consideration for tax credits 9638
awarded under this section to rehabilitations of historic 9639
buildings used as a theater before, and intended to be used as a 9640
theater after, the rehabilitation. In determining whether to 9641
approve an application for such a rehabilitation, the director 9642
shall consider the extent to which the rehabilitation will 9643
increase attendance at the theater and increase the theater's 9644
gross revenue. 9645

(9) The director shall rescind the approval of any 9646
application if the building that is the subject of the application 9647
is part of a qualified low-income housing project allocated a tax 9648
credit pursuant to section 42 of the Internal Revenue Code at any 9649
time before the building's rehabilitation is complete. 9650

(E) Issuance of a certificate represents a finding by the 9651
director of the matters described in divisions (C)(1), (2), and 9652
(3) of this section only; issuance of a certificate does not 9653
represent a verification or certification by the director of the 9654
amount of qualified rehabilitation expenditures for which a tax 9655

credit may be claimed under section 5725.151, 5725.34, 5726.52, 9656
5729.17, 5733.47, or 5747.76 of the Revised Code. The amount of 9657
qualified rehabilitation expenditures for which a tax credit may 9658
be claimed is subject to inspection and examination by the tax 9659
commissioner or employees of the commissioner under section 9660
5703.19 of the Revised Code and any other applicable law. Upon the 9661
issuance of a certificate, the director shall certify to the tax 9662
commissioner, in the form and manner requested by the tax 9663
commissioner, the name of the applicant, the amount of qualified 9664
rehabilitation expenditures shown on the certificate, and any 9665
other information required by the rules adopted under this 9666
section. 9667

(F)(1) On or before the first day of August each year, the 9668
director and tax commissioner jointly shall submit to the 9669
president of the senate and the speaker of the house of 9670
representatives a report on the tax credit program established 9671
under this section and sections 5725.151, 5725.34, 5726.52, 9672
5729.17, 5733.47, and 5747.76 of the Revised Code. The report 9673
shall present an overview of the program and shall include 9674
information on the number of rehabilitation tax credit 9675
certificates issued under this section during the preceding fiscal 9676
year, an update on the status of each historic building for which 9677
an application was approved under this section, the dollar amount 9678
of the tax credits granted under sections 5725.151, 5725.34, 9679
5726.52, 5729.17, 5733.47, and 5747.76 of the Revised Code, and 9680
any other information the director and commissioner consider 9681
relevant to the topics addressed in the report. 9682

(2) On or before December 1, 2015, the director and tax 9683
commissioner jointly shall submit to the president of the senate 9684
and the speaker of the house of representatives a comprehensive 9685
report that includes the information required by division (F)(1) 9686
of this section and a detailed analysis of the effectiveness of 9687

issuing tax credits for rehabilitating historic buildings. The 9688
report shall be prepared with the assistance of an economic 9689
research organization jointly chosen by the director and 9690
commissioner. 9691

(G) There is hereby created in the state treasury the 9692
historic rehabilitation tax credit operating fund. The director is 9693

this section and sections 5725.151, 5725.34, 5726.52, 5729.17, 9696
5733.47, and 5747.76 of the Revised Code. Any such fees collected 9697
shall be credited to the fund and used to pay reasonable costs 9698
incurred by the department of development in administering this 9699
section and sections 5725.151, 5725.34, 5726.52, 5729.17, 5733.47, 9700

reasonable fees in connection with its review and approval of 9703
applications under this section. Any such fees collected shall be 9704
credited to the fund and used to pay administrative costs incurred 9705
by the Ohio historic preservation office pursuant to this section. 9706

(H) Notwithstanding sections 5725.151, 5725.34, 5726.52, 9707
5729.17, 5733.47, and 5747.76 of the Revised Code, the certificate 9708
owner of a tax credit certificate issued under division (D)(6) of 9709
this section may claim a tax credit equal to twenty-five per cent 9710
of the dollar amount indicated on the certificate for a total 9711
credit of not more than twenty-five million dollars. The credit 9712
claimed by such a certificate owner for any calendar year, tax 9713
year, or taxable year under section 5725.151, 5725.34, 5726.52, 9714
5729.17, 5733.47, or 5747.76 of the Revised Code shall not exceed 9715
five million dollars. If the certificate owner is eligible for 9716
more than five million dollars in total credits, the certificate 9717
owner may carry forward the balance of the credit in excess of the 9718
amount claimed for that year for not more than five ensuing 9719

calendar years, tax years, or taxable years. If the credit claimed 9720
in any calendar year, tax year, or taxable year exceeds the tax 9721
otherwise due, the excess shall be refunded to the taxpayer. 9722

(I) Notwithstanding sections 5725.151, 5725.34, 5726.52, 9723

for any one project shall not exceed ten million dollars for any 9738
calendar year, tax year, or taxable year. 9739

refunded to the taxpayer, subject to division (I)(2) of this 9742
section. 9743

(J) The director of development, in consultation with the 9744
director of budget and management, shall develop and adopt a 9745
system of tracking any information necessary to anticipate the 9746
impact of credits issued under this section on tax revenues for 9747
current and future fiscal years. Such information may include the 9748
number of applications approved, the estimated rehabilitation 9749
expenditures and rehabilitation period associated with such 9750

applications, the number and amount of tax credit certificates 9751

requester may decline to reveal the requester's identity or the 10318

(ii) A public office that chooses to provide some or all of its public records on a web site that is fully accessible to and searchable by members of the public at all times, other than during acts of God outside the public office's control or maintenance, and that charges no fee to search, access, download, or otherwise receive records provided on the web site, may limit to ten per month the number of records requested by a person that the office will deliver in a digital format, unless the requested records are not provided on the web site and unless the person certifies to the office in writing that the person does not intend to use or forward the requested records, or the information contained in them, for commercial purposes.

(iii) For purposes of division (B)(7) of this section, "commercial" shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

(8) A public office or person responsible for public records is not required to permit a person who is incarcerated pursuant to a criminal conviction or a juvenile adjudication to inspect or to obtain a copy of any public record concerning a criminal investigation or prosecution or concerning what would be a criminal investigation or prosecution if the subject of the investigation or prosecution were an adult, unless the request to inspect or to obtain a copy of the record is for the purpose of acquiring information that is subject to release as a public record under this section and the judge who imposed the sentence

or made the adjudication with respect to the person, or the judge's successor in office, finds that the information sought in the public record is necessary to support what appears to be a justiciable claim of the person.

(9)(a) Upon written request made and signed by a journalist, a public office, or person responsible for public records, having custody of the records of the agency employing a specified designated public service worker shall disclose to the journalist the address of the actual personal residence of the designated public service worker and, if the designated public service worker's spouse, former spouse, or child is employed by a public office, the name and address of the employer of the designated public service worker's spouse, former spouse, or child. The request shall include the journalist's name and title and the name and address of the journalist's employer and shall state that disclosure of the information sought would be in the public interest.

(b) Division (B)(9)(a) of this section also applies to journalist requests for:

(i) Customer information maintained by a municipally owned or operated public utility, other than social security numbers and any private financial information such as credit reports, payment methods, credit card numbers, and bank account information;

(ii) Information about minors involved in a school vehicle accident as provided in division (A)(1)(gg) of this section, other than personal information as defined in section 149.45 of the Revised Code.

(c) As used in division (B)(9) of this section, "journalist" means a person engaged in, connected with, or employed by any news medium, including a newspaper, magazine, press association, news agency, or wire service, a radio or television station, or a

similar medium, for the purpose of gathering, processing, 10430
transmitting, compiling, editing, or disseminating information for 10431
the general public. 10432

(10) Upon a request made by a victim, victim's attorney, or 10433
victim's representative, as that term is used in section 2930.02 10434
of the Revised Code, a public office or person responsible for 10435
public records shall transmit a copy of a depiction of the victim 10436
as described in division (A)(1)(ii) of this section to the victim, 10437
victim's attorney, or victim's representative. 10438

(C)(1) If a person allegedly is aggrieved by the failure of a 10439
public office or the person responsible for public records to 10440
promptly prepare a public record and to make it available to the 10441
person for inspection in accordance with division (B) of this 10442
section or by any other failure of a public office or the person 10443
responsible for public records to comply with an obligation in 10444
accordance with division (B) of this section, the person allegedly 10445
aggrieved may do only one of the following, and not both: 10446

(a) File a complaint with the clerk of the court of claims or 10447
the clerk of the court of common pleas under section 2743.75 of 10448
the Revised Code; 10449

(b) Commence a mandamus action to obtain a judgment that 10450
orders the public office or the person responsible for the public 10451
record to comply with division (B) of this section, that awards 10452
court costs and reasonable attorney's fees to the person that 10453
instituted the mandamus action, and, if applicable, that includes 10454
an order fixing statutory damages under division (C)(2) of this 10455
section. The mandamus action may be commenced in the court of 10456
common pleas of the county in which division (B) of this section 10457
allegedly was not complied with, in the supreme court pursuant to 10458
its original jurisdiction under Section 2 of Article IV, Ohio 10459
Constitution, or in the court of appeals for the appellate 10460
district in which division (B) of this section allegedly was not 10461

complied with pursuant to its original jurisdiction under Section 10462
3 of Article IV, Ohio Constitution. 10463

(2) If a requester transmits a written request by hand 10464
delivery, electronic submission, or certified mail to inspect or 10465
receive copies of any public record in a manner that fairly 10466
describes the public record or class of public records to the 10467
public office or person responsible for the requested public 10468
records, except as otherwise provided in this section, the 10469
requester shall be entitled to recover the amount of statutory 10470
damages set forth in this division if a court determines that the 10471
public office or the person responsible for public records failed 10472
to comply with an obligation in accordance with division (B) of 10473
this section. 10474

The amount of statutory damages shall be fixed at one hundred 10475
dollars for each business day during which the public office or 10476
person responsible for the requested public records failed to 10477
comply with an obligation in accordance with division (B) of this 10478
section, beginning with the day on which the requester files a 10479
mandamus action to recover statutory damages, up to a maximum of 10480
one thousand dollars. The award of statutory damages shall not be 10481
construed as a penalty, but as compensation for injury arising 10482
from lost use of the requested information. The existence of this 10483
injury shall be conclusively presumed. The award of statutory 10484
damages shall be in addition to all other remedies authorized by 10485
this section. 10486

The court may reduce an award of statutory damages or not 10487
award statutory damages if the court determines both of the 10488
following: 10489

(a) That, based on the ordinary application of statutory law 10490
and case law as it existed at the time of the conduct or 10491
threatened conduct of the public office or person responsible for 10492
the requested public records that allegedly constitutes a failure 10493

to comply with an obligation in accordance with division (B) of 10494
this section and that was the basis of the mandamus action, a 10495
well-informed public office or person responsible for the 10496
requested public records reasonably would believe that the conduct 10497
or threatened conduct of the public office or person responsible 10498
for the requested public records did not constitute a failure to 10499
comply with an obligation in accordance with division (B) of this 10500
section; 10501

(b) That a well-informed public office or person responsible 10502
for the requested public records reasonably would believe that the 10503
conduct or threatened conduct of the public office or person 10504
responsible for the requested public records would serve the 10505
public policy that underlies the authority that is asserted as 10506
permitting that conduct or threatened conduct. 10507

(3) In a mandamus action filed under division (C)(1) of this 10508
section, the following apply: 10509

(a)(i) If the court orders the public office or the person 10510
responsible for the public record to comply with division (B) of 10511
this section, the court shall determine and award to the relator 10512
all court costs, which shall be construed as remedial and not 10513
punitive. 10514

(ii) If the court makes a determination described in division 10515
(C)(3)(b)(iii) of this section, the court shall determine and 10516
award to the relator all court costs, which shall be construed as 10517
remedial and not punitive. 10518

(b) If the court renders a judgment that orders the public 10519
office or the person responsible for the public record to comply 10520
with division (B) of this section or if the court determines any 10521
of the following, the court may award reasonable attorney's fees 10522
to the relator, subject to division (C)(4) of this section: 10523

(i) The public office or the person responsible for the 10524

public records failed to respond affirmatively or negatively to 10525
the public records request in accordance with the time allowed 10526
under division (B) of this section. 10527

(ii) The public office or the person responsible for the 10528
public records promised to permit the relator to inspect or 10529
receive copies of the public records requested within a specified 10530
period of time but failed to fulfill that promise within that 10531
specified period of time. 10532

(iii) The public office or the person responsible for the 10533
public records acted in bad faith when the office or person 10534
voluntarily made the public records available to the relator for 10535
the first time after the relator commenced the mandamus action, 10536
but before the court issued any order concluding whether or not 10537
the public office or person was required to comply with division 10538
(B) of this section. No discovery may be conducted on the issue of 10539
the alleged bad faith of the public office or person responsible 10540
for the public records. This division shall not be construed as 10541
creating a presumption that the public office or the person 10542
responsible for the public records acted in bad faith when the 10543
office or person voluntarily made the public records available to 10544
the relator for the first time after the relator commenced the 10545
mandamus action, but before the court issued any order described 10546
in this division. 10547

(c) The court shall not award attorney's fees to the relator 10548
if the court determines both of the following: 10549

(i) That, based on the ordinary application of statutory law 10550
and case law as it existed at the time of the conduct or 10551
threatened conduct of the public office or person responsible for 10552
the requested public records that allegedly constitutes a failure 10553
to comply with an obligation in accordance with division (B) of 10554
this section and that was the basis of the mandamus action, a 10555
well-informed public office or person responsible for the 10556

requested public records reasonably would believe that the conduct 10557
or threatened conduct of the public office or person responsible 10558
for the requested public records did not constitute a failure to 10559
comply with an obligation in accordance with division (B) of this 10560
section; 10561

(ii) That a well-informed public office or person responsible 10562
for the requested public records reasonably would believe that the 10563
conduct or threatened conduct of the public office or person 10564
responsible for the requested public records would serve the 10565
public policy that underlies the authority that is asserted as 10566
permitting that conduct or threatened conduct. 10567

(4) All of the following apply to any award of reasonable 10568
attorney's fees awarded under division (C)(3)(b) of this section: 10569

(a) The fees shall be construed as remedial and not punitive. 10570

(b) The fees awarded shall not exceed the total of the 10571
reasonable attorney's fees incurred before the public record was 10572
made available to the relator and the fees described in division 10573
(C)(4)(c) of this section. 10574

(c) Reasonable attorney's fees shall include reasonable fees 10575
incurred to produce proof of the reasonableness and amount of the 10576
fees and to otherwise litigate entitlement to the fees. 10577

(d) The court may reduce the amount of fees awarded if the 10578
court determines that, given the factual circumstances involved 10579
with the specific public records request, an alternative means 10580
should have been pursued to more effectively and efficiently 10581
resolve the dispute that was subject to the mandamus action filed 10582
under division (C)(1) of this section. 10583

(5) If the court does not issue a writ of mandamus under 10584
division (C) of this section and the court determines at that time 10585
that the bringing of the mandamus action was frivolous conduct as 10586
defined in division (A) of section 2323.51 of the Revised Code, 10587

the court may award to the public office all court costs, 10588
expenses, and reasonable attorney's fees, as determined by the 10589
court. 10590

(D) Chapter 1347. of the Revised Code does not limit the 10591
provisions of this section. 10592

(E)(1) To ensure that all employees of public offices are 10593
appropriately educated about a public office's obligations under 10594
division (B) of this section, all elected officials or their 10595
appropriate designees shall attend training approved by the 10596
attorney general as provided in section 109.43 of the Revised 10597
Code. A future official may satisfy the requirements of this 10598
division by attending the training before taking office, provided 10599
that the future official may not send a designee in the future 10600
official's place. 10601

(2) All public offices shall adopt a public records policy in 10602
compliance with this section for responding to public records 10603
requests. In adopting a public records policy under this division, 10604
a public office may obtain guidance from the model public records 10605
policy developed and provided to the public office by the attorney 10606
general under section 109.43 of the Revised Code. Except as 10607
otherwise provided in this section, the policy may not limit the 10608
number of public records that the public office will make 10609
available to a single person, may not limit the number of public 10610
records that it will make available during a fixed period of time, 10611
and may not establish a fixed period of time before it will 10612
respond to a request for inspection or copying of public records, 10613
unless that period is less than eight hours. 10614

The public office shall distribute the public records policy 10615
adopted by the public office under this division to the employee 10616
of the public office who is the records custodian or records 10617
manager or otherwise has custody of the records of that office. 10618
The public office shall require that employee to acknowledge 10619

receipt of the copy of the public records policy. The public 10620
office shall create a poster that describes its public records 10621
policy and shall post the poster in a conspicuous place in the 10622
public office and in all locations where the public office has 10623
branch offices. The public office may post its public records 10624
policy on the internet web site of the public office if the public 10625
office maintains an internet web site. A public office that has 10626
established a manual or handbook of its general policies and 10627
procedures for all employees of the public office shall include 10628
the public records policy of the public office in the manual or 10629
handbook. 10630

(F)(1) The bureau of motor vehicles may adopt rules pursuant 10631
to Chapter 119. of the Revised Code to reasonably limit the number 10632
of bulk commercial special extraction requests made by a person 10633
for the same records or for updated records during a calendar 10634
year. The rules may include provisions for charges to be made for 10635
bulk commercial special extraction requests for the actual cost of 10636
the bureau, plus special extraction costs, plus ten per cent. The 10637
bureau may charge for expenses for redacting information, the 10638
release of which is prohibited by law. 10639

(2) As used in division (F)(1) of this section: 10640

(a) "Actual cost" means the cost of depleted supplies, 10641
records storage media costs, actual mailing and alternative 10642
delivery costs, or other transmitting costs, and any direct 10643
equipment operating and maintenance costs, including actual costs 10644
paid to private contractors for copying services. 10645

(b) "Bulk commercial special extraction request" means a 10646
request for copies of a record for information in a format other 10647
than the format already available, or information that cannot be 10648
extracted without examination of all items in a records series, 10649
class of records, or database by a person who intends to use or 10650
forward the copies for surveys, marketing, solicitation, or resale 10651

for commercial purposes. "Bulk commercial special extraction request" does not include a request by a person who gives assurance to the bureau that the person making the request does not intend to use or forward the requested copies for surveys, marketing, solicitation, or resale for commercial purposes.

(c) "Commercial" means profit-seeking production, buying, or selling of any good, service, or other product.

(d) "Special extraction costs" means the cost of the time spent by the lowest paid employee competent to perform the task, the actual amount paid to outside private contractors employed by the bureau, or the actual cost incurred to create computer programs to make the special extraction. "Special extraction costs" include any charges paid to a public agency for computer or records services.

(3) For purposes of divisions (F)(1) and (2) of this section, "surveys, marketing, solicitation, or resale for commercial purposes" shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

(G) A request by a defendant, counsel of a defendant, or any agent of a defendant in a criminal action that public records related to that action be made available under this section shall be considered a demand for discovery pursuant to the Criminal Rules, except to the extent that the Criminal Rules plainly indicate a contrary intent. The defendant, counsel of the defendant, or agent of the defendant making a request under this division shall serve a copy of the request on the prosecuting attorney, director of law, or other chief legal officer responsible for prosecuting the action.

(H)(1) Any portion of a body-worn camera or dashboard camera

recording described in divisions (A)(17)(b) to (h) of this section 10683
may be released by consent of the subject of the recording or a 10684
representative of that person, as specified in those divisions, 10685
only if either of the following applies: 10686

(a) The recording will not be used in connection with any 10687
probable or pending criminal proceedings; 10688

(b) The recording has been used in connection with a criminal 10689
proceeding that was dismissed or for which a judgment has been 10690
entered pursuant to Rule 32 of the Rules of Criminal Procedure, 10691
and will not be used again in connection with any probable or 10692
pending criminal proceedings. 10693

(2) If a public office denies a request to release a 10694
restricted portion of a body-worn camera or dashboard camera 10695
recording, as defined in division (A)(17) of this section, any 10696
person may file a mandamus action pursuant to this section or a 10697
complaint with the clerk of the court of claims pursuant to 10698
section 2743.75 of the Revised Code, requesting the court to order 10699
the release of all or portions of the recording. If the court 10700
considering the request determines that the filing articulates by 10701
clear and convincing evidence that the public interest in the 10702
recording substantially outweighs privacy interests and other 10703
interests asserted to deny release, the court shall order the 10704
public office to release the recording. 10705

Sec. 153.17. (A) When in the opinion of the owner referred to 10706
in section 153.01 of the Revised Code, the work under any contract 10707
made under any law of the state is neglected by the contractor or 10708
such work is not prosecuted with the diligence and force specified 10709
or intended in the contract, such owner may make requisition upon 10710
the contractor for such additional specific force or materials to 10711
be brought into the work under such contract or to remove improper 10712
materials from the grounds as in their judgment the contract and 10713

its faithful fulfillment requires. 10714

Not less than five days' notice in writing of such action 10715
shall be served upon the contractor or the contractor's agent in 10716
charge of the work. If the contractor fails to comply with such 10717
requisition within fifteen days, such owner with the written 10718
consent of the Ohio facilities construction commission, may employ 10719
upon the work the additional force, or supply the special 10720
materials or such part of either as is considered proper, and may 10721
remove improper materials from the grounds. 10722

(B) When the original contractor has defaulted on a contract 10723
and the surety has declined to take over the project, the owner 10724
may contract with one or more takeover contractors to complete 10725
work that was not finished because of the default of the original 10726
contractor. The owner may enter into a contract with a takeover 10727
contractor without competitive bidding or controlling board 10728
approval. ~~Upon execution of a takeover contract, the owner shall~~ 10729
~~notify the director of budget and management.~~ 10730

When the owner has taken over a project after a default has 10731
occurred, any moneys that the owner receives from the surety as a 10732
settlement for completion of the project shall be deposited in the 10733
original fund from which the capital appropriation for the project 10734
was made. The executive director, without controlling board 10735
approval, may authorize specified additional uses for the moneys 10736
related to completion of the project and may increase the 10737
appropriation authority in the appropriation line item used to 10738
fund the project by an amount equal to the moneys received from 10739
the surety. 10740

Sec. 153.54. (A) Except with respect to a contract described 10741
in section 9.334 or 153.693 of the Revised Code, each person 10742
bidding for a contract with the state or any political 10743
subdivision, district, institution, or other agency thereof, 10744

excluding therefrom the department of transportation, for any 10745
public improvement shall file with the bid, a bid guaranty in the 10746
form of either: 10747

(1) A bond in accordance with division (B) of this section 10748
for the full amount of the bid; 10749

(2) A certified check, cashier's check, or letter of credit 10750
pursuant to Chapter 1305. of the Revised Code, in accordance with 10751
division (C) of this section. Any such letter of credit is 10752
revocable only at the option of the beneficiary state, political 10753
subdivision, district, institution, or agency. The amount of the 10754
certified check, cashier's check, or letter of credit shall be 10755
equal to ten per cent of the bid. 10756

(B) A bid guaranty filed pursuant to division (A)(1) of this 10757
section shall be conditioned to: 10758

(1) Provide that, if the bid is accepted, the bidder, after 10759
the awarding or the recommendation for the award of the contract, 10760
whichever the contracting authority designates, will enter into a 10761
proper contract in accordance with the bid, plans, details, and 10762
specifications. If for any reason, other than as authorized by 10763
section 9.31 of the Revised Code or division (G) of this section, 10764
the bidder fails to enter into the contract, and the contracting 10765
authority awards the contract to the next lowest bidder, the 10766
bidder and the surety on the bidder's bond are liable to the 10767
state, political subdivision, district, institution, or agency for 10768
the difference between the bid and that of the next lowest bidder, 10769
or for a penal sum not to exceed ten per cent of the amount of the 10770
bond, whichever is less. If the state, political subdivision, 10771
district, institution, or agency does not award the contract to 10772
the next lowest bidder but resubmits the project for bidding, the 10773
bidder failing to enter into the contract and the surety on the 10774
bidder's bond, except as provided in division (G) of this section, 10775
are liable to the state, political subdivision, district, 10776

institution, or agency for a penal sum not to exceed ten per cent 10777
of the amount of the bid or the costs in connection with the 10778
resubmission of printing new contract documents, required 10779
advertising, and printing and mailing notices to prospective 10780
bidders, whichever is less. 10781

(2) Indemnify the state, political subdivision, district, 10782
institution, or agency against all damage suffered by failure to 10783
perform the contract according to its provisions and in accordance 10784
with the plans, details, and specifications therefor and to pay 10785
all lawful claims of subcontractors, material suppliers, and 10786
laborers for labor performed or material furnished in carrying 10787
forward, performing, or completing the contract; and agree and 10788
assent that this undertaking is for the benefit of any 10789
subcontractor, material supplier, or laborer having a just claim, 10790
as well as for the state, political subdivision, district, 10791
institution, or agency. 10792

(C)(1) A bid guaranty filed pursuant to division (A)(2) of 10793
this section shall be conditioned to provide that if the bid is 10794
accepted, the bidder, after the awarding or the recommendation for 10795
the award of the contract, whichever the contracting authority 10796
designates, will enter into a proper contract in accordance with 10797
the bid, plans, details, specifications, and bills of material. If 10798
for any reason, other than as authorized by section 9.31 of the 10799
Revised Code or division (G) of this section, the bidder fails to 10800
enter into the contract, and the contracting authority awards the 10801
contract to the next lowest bidder, the bidder is liable to the 10802
state, political subdivision, district, institution, or agency for 10803
the difference between the bidder's bid and that of the next 10804
lowest bidder, or for a penal sum not to exceed ten per cent of 10805
the amount of the bid, whichever is less. If the state, political 10806
subdivision, district, institution, or agency does not award the 10807
contract to the next lowest bidder but resubmits the project for 10808

bidding, the bidder failing to enter into the contract, except as 10809
provided in division (G) of this section, is liable to the state, 10810
political subdivision, district, institution, or agency for a 10811
penal sum not to exceed ten per cent of the amount of the bid or 10812
the costs in connection with the resubmission, of printing new 10813
contract documents, required advertising, and printing and mailing 10814
notices to prospective bidders, whichever is less. 10815

If the bidder enters into the contract, the bidder, at the 10816
time the contract is entered to, shall file a bond for the amount 10817
of the contract to indemnify the state, political subdivision, 10818
district, institution, or agency against all damage suffered by 10819
failure to perform the contract according to its provisions and in 10820
accordance with the plans, details, and specifications and to pay 10821
all lawful claims of subcontractors, material suppliers, and 10822
laborers for labor performed or material furnished in carrying 10823
forward, performing, or completing the contract; and agree and 10824

services as defined in section 5101.60 of the Revised Code. 11243

(ii) A county department of job and family services and an 11244
area agency on aging have jointly documented in writing that, 11245
unless the individual is enrolled in home and community-based 11246

(B) Each month, each area agency on aging shall identify 11249
individuals residing in the area that the agency serves who are 11250

the PASSPORT program regardless of the unified waiting list 11265
established under section 173.55 of the Revised Code, unless the 11266
enrollment would cause the component to exceed any limit on the 11267
number of individuals who may be enrolled in the component as set 11268
by the United States secretary of health and human services in the 11269
PASSPORT waiver. 11270

Sec. 173.522. (A) The department of aging shall create and 11271
administer the state-funded component of the PASSPORT program. The 11272
state-funded component shall not be administered as part of the 11273

and have had one or more applications for enrollment in the 11283
medicaid-funded component of the PASSPORT program ~~(or, if the~~ 11284

~~and support medicaid waiver component)~~ pending and the department 11292
or the department's designee must have determined that the 11293
individual meets the nonfinancial eligibility requirements of the 11294

~~under division (C) of section 173.52 of the Revised Code, the~~ 11301
~~unified long term services and support medicaid waiver component).~~ 11302

medicaid-funded component of the assisted living program. In 11324
creating the medicaid-funded component, the department of medicaid 11325

(B) Unless the medicaid-funded component of the assisted 11327
living program is terminated under division (C) of this section, 11328
all of the following apply: 11329

(1) The department of aging shall administer the 11330

component of the assisted living program should continue to 11347
operate as a separate medicaid waiver component or be terminated. 11348
If the departments determine that the medicaid funded component of 11349
the assisted living program should be terminated, the 11350
medicaid funded component shall cease to exist on a date the 11351
departments shall specify. 11352~~

Sec. 173.542. (A) ~~Unless the medicaid funded component of the 11353

physician's determination. 11371

(c) The individual has been hospitalized and a physician has 11372

meaning of section 704(b) of the Internal Revenue Code, and 11687

interest, including its interest in the credits, to one or more 11697
equity owners, and each assignee shall be able to claim the credit 11698
so long as its interest is acquired prior to the filing of its tax 11699
return or amended return claiming the credit and the assignee's 11700
annual credit allocation is identified in the report required by 11701
division (I) of this section. 11702

the seller under the contract at the time of the conveyance, but 12252

of title would bring in the open market and under the then 12257
existing and prevailing market conditions in a sale between a 12258
willing seller and a willing buyer, both conversant with the 12259
property and with prevailing general price levels. No person shall 12260
willfully falsify the value of property conveyed. 12261

(D) The auditor shall indorse each conveyance on its face to indicate the amount of the conveyance fee and compliance with this section and if the property is residential rental property include a statement that the grantee shall file with the county auditor the information required under division (A) or (C) of section 5323.02 of the Revised Code. The auditor shall retain the original copy of the statement of value, forward to the tax commissioner one copy on which shall be noted the most recent assessed value of the property, and furnish one copy to the grantee or the grantee's representative.

(E) In order to achieve uniform administration and collection of the transfer fee required by division (G)(3) of section 319.54 of the Revised Code, the tax commissioner shall adopt and promulgate rules for the administration and enforcement of the levy and collection of such fee.

municipal corporation. 12517

(b)(i) For an individual who is a resident of a municipal 12518
corporation other than a qualified municipal corporation, income 12519
reduced by exempt income to the extent otherwise included in 12520
income, then reduced as provided in division (A)(2) of this 12521
section, and further reduced by any pre-2017 net operating loss 12522
carryforward available to the individual for the municipal 12523
corporation. 12524

(ii) For an individual who is a resident of a qualified 12525
municipal corporation, Ohio adjusted gross income reduced by 12526
income exempted, and increased by deductions excluded, by the 12527
qualified municipal corporation from the qualified municipal 12528
corporation's tax. If a qualified municipal corporation, on or 12529
before December 31, 2013, exempts income earned by individuals who 12530
are not residents of the qualified municipal corporation and net 12531
profit of persons that are not wholly located within the qualified 12532
municipal corporation, such individual or person shall have no 12533

municipal taxable income for the purposes of the tax levied by the 12534

qualified municipal corporation from the requirements of section 12536
718.03 of the Revised Code. 12537

the Revised Code, then reduced as provided in division (A)(2) of 12542
this section, and further reduced by any pre-2017 net operating 12543
loss carryforward available to the individual for the municipal 12544
corporation. 12545

(2) In computing the municipal taxable income of a taxpayer 12546
who is an individual, the taxpayer may subtract, as provided in 12547
division (A)(1)(b)(i) or (c) of this section, the amount of the 12548
individual's employee business expenses reported on the 12549
individual's form 2106 that the individual deducted for federal 12550
income tax purposes for the taxable year, subject to the 12551
limitation imposed by section 67 of the Internal Revenue Code. For 12552
the municipal corporation in which the taxpayer is a resident, the 12553
taxpayer may deduct all such expenses allowed for federal income 12554
tax purposes. For a municipal corporation in which the taxpayer is 12555
not a resident, the taxpayer may deduct such expenses only to the 12556
extent the expenses are related to the taxpayer's performance of 12557
personal services in that nonresident municipal corporation. 12558

(B) "Income" means the following: 12559

(1)(a) For residents, all income, salaries, qualifying wages, 12560

share of the net profit of pass-through entities owned directly or 12563
indirectly by the resident and any net profit of the resident, 12564
except as provided in division (D)(5) of this section. 12565

taxable year and the resident's distributive share of any net 12568
operating loss generated in the same taxable year and attributable 12569
to the resident's ownership interest in a pass-through entity 12570
shall be allowed as a deduction, for that taxable year and the 12571
following five taxable years, against any other net profit of the 12572
resident or the resident's distributive share of any net profit 12573
attributable to the resident's ownership interest in a 12574
pass-through entity until fully utilized, subject to division 12575
(B)(1)(d) of this section; 12576

(ii) The resident's distributive share of the net profit of 12577
each pass-through entity owned directly or indirectly by the 12578
resident shall be calculated without regard to any net operating 12579
loss that is carried forward by that entity from a prior taxable 12580
year and applied to reduce the entity's net profit for the current 12581
taxable year. 12582

(c) Division (B)(1)(b) of this section does not apply with 12583
respect to any net profit or net operating loss attributable to an 12584
ownership interest in an S corporation unless shareholders' 12585

to tax in the municipal corporation as provided in division 12587
(C)(14)(b) or (c) of this section. 12588

(d) Any amount of a net operating loss used to reduce a 12589
taxpayer's net profit for a taxable year shall reduce the amount 12590
of net operating loss that may be carried forward to any 12591
subsequent year for use by that taxpayer. In no event shall the 12592
cumulative deductions for all taxable years with respect to a 12593
taxpayer's net operating loss exceed the original amount of that 12594
net operating loss available to that taxpayer. 12595

(2) In the case of nonresidents, all income, salaries, 12596

qualifying wages, commissions, and other compensation from 12597
whatever source earned or received by the nonresident for work 12598
done, services performed or rendered, or activities conducted in 12599
the municipal corporation, including any net profit of the 12600
nonresident, but excluding the nonresident's distributive share of 12601
the net profit or loss of only pass-through entities owned 12602
directly or indirectly by the nonresident. 12603

(3) For taxpayers that are not individuals, net profit of the 12604
taxpayer; 12605

(4) Lottery, sweepstakes, gambling and sports winnings, 12606

and claimed against such winnings. 12611

116th general assembly, may continue to tax that type of income if 12620
a majority of the electors of the municipal corporation voting on 12621
the question of whether to permit the taxation of that type of 12622
intangible income after 1988 voted in favor thereof at an election 12623
held on November 8, 1988. 12624

(3) Social security benefits, railroad retirement benefits, 12625

plan, disability payments received from private industry or local, 12629
state, or federal governments or from charitable, religious or 12630
educational organizations, and the proceeds of sickness, accident, 12631

supplemental unemployment compensation described in section 12634
3402(o)(2) of the Internal Revenue Code. 12635

(4) The income of religious, fraternal, charitable, 12636

to the extent that such compensation does not exceed one thousand 12642
dollars for the taxable year. Such compensation in excess of one 12643
thousand dollars for the taxable year may be subject to taxation 12644
by a municipal corporation. A municipal corporation shall not 12645
require the payer of such compensation to withhold any tax from 12646
that compensation. 12647

(6) Dues, contributions, and similar payments received by 12648
charitable, religious, educational, or literary organizations or 12649

(8) Compensation for personal injuries or for damages to 12652
property from insurance proceeds or otherwise, excluding 12653
compensation paid for lost salaries or wages or compensation from 12654
punitive damages; 12655

(9) Income of a public utility when that public utility is 12656
subject to the tax levied under section 5727.24 or 5727.30 of the 12657
Revised Code. Division (C)(9) of this section does not apply for 12658

for air force operations, unless the person is subject to taxation 12674
because of residence or domicile. If the compensation is subject 12675
to taxation because of residence or domicile, tax on such income 12676
shall be payable only to the municipal corporation of residence or 12677
domicile. 12678

question at an election held on November 4, 2003, the municipal 12689

corporation may continue after 2002 to tax an S corporation 12690
shareholder's distributive share of net profits of an S 12691
corporation. 12692

(c) If, on December 6, 2002, a municipal corporation was 12693
imposing, assessing, and collecting a tax on an S corporation 12694

(2) of section 5733.05 of the Revised Code if the S corporation 12698
were a corporation subject to taxes imposed under Chapter 5733. of 12699
the Revised Code, the municipal corporation may continue to impose 12700
the tax on such distributive shares to the extent such shares 12701
would be so allocated or apportioned to this state only until 12702
December 31, 2004, unless a majority of the electors of the 12703
municipal corporation voting on the question of continuing to tax 12704
such shares after that date voted in favor of that question at an 12705
election held November 2, 2004. If a majority of those electors 12706
voted in favor of the question, the municipal corporation may 12707
continue after December 31, 2004, to impose the tax on such 12708
distributive shares only to the extent such shares would be so 12709

of this section. The municipal corporation shall specify by 12716
resolution or ordinance that the tax applies to the distributive 12717
share of a shareholder of an S corporation in the hands of the 12718
shareholder of the S corporation. 12719

qualifying wages are not subject to withholding for the municipal 12727
corporation under either of those divisions. 12728

(b) The exemption provided in division (C)(16)(a) of this 12729
section does not apply with respect to the municipal corporation 12730
in which the employee resided at the time the employee earned the 12731
qualifying wages. 12732

(c) The exemption provided in division (C)(16)(a) of this 12733
section does not apply to qualifying wages that an employer elects 12734
to withhold under division (D)(2) of section 718.011 of the 12735
Revised Code. 12736

(d) The exemption provided in division (C)(16)(a) of this 12737
section does not apply to qualifying wages if both of the 12738
following conditions apply: 12739

(i) For qualifying wages described in division (B)(1) of 12740
section 718.011 of the Revised Code, the employee's employer 12741
withholds and remits tax on the qualifying wages to the municipal 12742

applies shall be treated as earned or received at the individual's 12770
base of operation. If the individual does not have a base of 12771
operation, the compensation shall be treated as earned or received 12772
where the individual is domiciled. 12773

(d) For purposes of division (C)(17) of this section, "base 12774

subdivision, if the property on which services are performed is 12784
annexed to a municipal corporation pursuant to section 709.023 of 12785
the Revised Code on or after March 27, 2013, unless the person is 12786
subject to such taxation because of residence. If the compensation 12787
is subject to taxation because of residence, municipal income tax 12788
shall be payable only to the municipal corporation of residence. 12789

deducted from net profit to the extent necessary to reduce 12831
municipal taxable income to zero, with any remaining unused 12832
portion of the net operating loss carried forward to not more than 12833
five consecutive taxable years following the taxable year in which 12834
the loss was incurred, but in no case for more years than 12835
necessary for the deduction to be fully utilized. 12836

(b) No person shall use the deduction allowed by division 12837
(D)(3) of this section to offset qualifying wages. 12838

(c)(i) For taxable years beginning in 2018, 2019, 2020, 2021, 12839

2016, the full amount allowed by division (D)(3) of this section 12847
without regard to the limitation of division 12848
~~(D)(3)(b)(i)~~(D)(3)(c)(i) of this section. 12849

(d) Any pre-2017 net operating loss carryforward deduction 12850
that is available may be utilized before a taxpayer may deduct any 12851
amount pursuant to division (D)(3) of this section. 12852

(e) Nothing in division (D)(3)(c)(i) of this section 12853
precludes a person from carrying forward, for use with respect to 12854
any return filed for a taxable year beginning after 2018, any 12855
amount of net operating loss that was not fully utilized by 12856
operation of division (D)(3)(c)(i) of this section. To the extent 12857
that an amount of net operating loss that was not fully utilized 12858
in one or more taxable years by operation of division (D)(3)(c)(i) 12859
of this section is carried forward for use with respect to a 12860
return filed for a taxable year beginning in 2019, 2020, 2021, or 12861
2022, the limitation described in division (D)(3)(c)(i) of this 12862

division (D)(2) of this section, net profit of a disregarded 12865
entity shall not be taxable as against that disregarded entity, 12866

C corporation, and shall not be treated as the net profit or 12873
income of any owner of the partnership. 12874

A publicly traded partnership that is treated as a 12875
partnership for federal income tax purposes and that is subject to 12876

this state may elect to be treated as a C corporation for 12878
municipal income tax purposes. The publicly traded partnership 12879
shall make the election in every municipal corporation in which 12880
the partnership is subject to taxation on its net profits. The 12881
election shall be made on the annual tax return filed in each such 12882
municipal corporation. The publicly traded partnership shall not 12883
be required to file the election with any municipal corporation in 12884

or business or assets held for the production of income. 12898

(2) Add an amount equal to five per cent of intangible income 12899
deducted under division (E)(1) of this section, but excluding that 12900

exchange, or other disposition of property described in section 12902
1221 of the Internal Revenue Code; 12903

(3) Add any losses allowed as a deduction in the computation 12904

section 1221 or 1231 of the Internal Revenue Code; 12907

(4)(a) Except as provided in division (E)(4)(b) of this section, deduct income and gain included in federal taxable income to the extent the income and gain directly relate to the sale, exchange, or other disposition of an asset described in section 1221 or 1231 of the Internal Revenue Code;

(b) Division (E)(4)(a) of this section does not apply to the extent the income or gain is income or gain described in section 1245 or 1250 of the Internal Revenue Code.

application shall set forth the reasons for the request. The 14002
director, with the approval of the advisory council on amusement 14003
ride safety, may waive or modify the application of a rule to any 14004
amusement ride if the public safety is secure. Any authorization 14005
by the director under this division shall be in writing and shall 14006
set forth the conditions under which the waiver or modification is 14007
authorized, and the department shall retain separate records of 14008

qualifications for inspectors established by rules adopted under 14015
division (B) of this section and are not owners, or employees of 14016
owners, of any amusement ride subject to inspection under this 14017
chapter. When employing a new chief inspector or an additional 14018
inspector after November 6, 2019, the director shall give 14019
preference to the following: 14020

inspect amusement rides, the director shall seek the advice of the 14036
advisory council on amusement ride safety on whether to contract 14037
with those persons. The advice shall not be binding upon the 14038
director. After having received the advice of the council, the 14039

The go kart inspection fee is in addition to the inspection 14064

The director shall adopt rules in accordance with Chapter 14066
119. of the Revised Code establishing an annual fee that is less 14067
than one hundred five dollars for an inspection and reinspection 14068
of an inflatable ride. In adopting the rules, the director shall 14069
ensure that the fee reasonably reflects the costs of inspection 14070

and reinspection of an inflatable ride. If the director issues a permit for an inflatable ride for a time period of less than one year, the director shall charge a prorated fee for the permit equal to one-twelfth of the annual permit fee multiplied by the number of full months for which the permit is issued.

The fees for an expedited inspection, failure to cancel a scheduled inspection, and failure to have an amusement ride ready for inspection do not apply to go karts.

As used in division (E)(1) of this section, "expedited inspection" means an inspection of an amusement ride by the department not later than ten days after the owner of the amusement ride files an application for a permit under this section.

(2) All fees and fines collected by the department under this chapter shall be deposited in the state treasury to the credit of the amusement ride inspection fund, which is hereby created, and shall be used only for the purpose of administering and enforcing section 1711.11 of the Revised Code and this chapter.

If a reinspection is conducted at the request of the chief officer of a fair, festival, or event where the ride is operating, the reinspection fee shall be charged to the fair, festival, or event.

(4) The rules adopted under division (B) of this section shall define "roller coaster," "aerial lifts," "go karts," and

"other rides" for purposes of determining the fees under division 14102
(E) of this section. The rules shall define "other rides" to 14103
include go kart tracks. 14104

(F) A reinspection of an amusement ride shall take place if 14105
an accident occurs, if the owner of the ride or the chief officer 14106
of the fair, festival, or event where the ride is operating 14107
requests a reinspection, if the chief inspector determines 14108
reinspection is necessary in accordance with section 993.042 of 14109
the Revised Code, or if the reinspection is required by division 14110
(F) of section 993.07 of the Revised Code. 14111

amusement ride, the department may inspect the ride during each 14113
scheduled event, as listed in the schedule of events provided to 14114
the department by the owner pursuant to division (C) of section 14115
993.07 of the Revised Code, at which the ride is operated in this 14116
state. These supplemental inspections are in addition to any other 14117
inspection or reinspection of the ride as may be required under 14118
this chapter or rules adopted under it, and the owner of the 14119
temporary amusement ride is not required to pay an inspection or 14120
reinspection fee for this supplemental inspection unless the 14121
supplemental inspection is being conducted pursuant to division 14122
(B)(2) of this section or rules adopted under that division. 14123
Nothing in this division shall be construed to prohibit the owner 14124
of a temporary amusement ride having a valid permit to operate in 14125
this state from operating the ride at a scheduled event before the 14126
department conducts a supplemental inspection. 14127

(H) The department may annually conduct a midseason 14128
operational inspection of every amusement ride upon which it 14129
conducts an annual inspection pursuant to division (A) of this 14130
section. The midseason operational inspection is in addition to 14131
any other inspection or reinspection of the amusement ride as may 14132
be required pursuant to this chapter. The owner of an amusement 14133

ride shall submit to the department, at the time determined by the 14134
department, the midseason operational inspection fee specified in 14135
division (E) of this section. The director, in accordance with 14136
Chapter 119. of the Revised Code, shall adopt rules specifying the 14137

subject of the request. 14193

(E) Nothing in this section prohibits the superintendent of 14194
financial institutions from conditionally approving a person to 14195

serve as an organizer, incorporator, director, executive officer, 14196
or person who exercises control, ~~directly or indirectly, controls~~ 14197
~~a bank, or to otherwise have a substantial interest in or~~ 14198
~~participate in the management of a bank,~~ subject to receiving 14199
satisfactory results of the criminal records check. If the 14200
superintendent does not receive the results within ninety days 14201
after the criminal records check was requested, the superintendent 14202
may extend the conditional approval for not more than ninety days. 14203

Sec. 1321.37. (A) Application for an original or renewal 14204
license to make short-term loans shall be in writing, under oath, 14205
and in the form prescribed by the superintendent of financial 14206
institutions, and shall contain the name and address of the 14207
applicant, the location where the business of making loans is to 14208
be conducted, and any further information as the superintendent 14209
requires. At the time of making an application for an original 14210
license, the applicant shall pay to the superintendent a 14211
nonrefundable investigation fee of two hundred dollars. No 14212
investigation fee or any portion thereof shall be refunded after 14213
an original license has been issued. The application for an 14214
original or renewal license shall be accompanied by an original or 14215
renewal license fee, for each business location of one thousand 14216
dollars, except that applications for original licenses issued on 14217
or after the first day of July for any year shall be accompanied 14218
by an original license fee of five hundred dollars, and except 14219
that an application for an original or renewal license, for a 14220
nonprofit corporation that is incorporated under Chapter 1702. of 14221
the Revised Code, shall be accompanied by an original or renewal 14222
license fee, for each business location, that is one-half of the 14223
fee otherwise required. All fees paid to the superintendent 14224
pursuant to this division shall be deposited into the state 14225
treasury to the credit of the consumer finance fund. 14226

(B) Upon the filing of an application for an original license 14227

and, with respect to an application filed for a renewal license, 14228
on a schedule determined by the superintendent by rule adopted 14229
pursuant to section 1321.43 of the Revised Code, and the payment 14230
of fees in accordance with division (A) of this section, the 14231
superintendent shall investigate the facts concerning the 14232
applicant and the requirements provided by this division. The 14233
superintendent shall request the superintendent of the bureau of 14234
criminal identification and investigation, or a vendor approved by 14235
the bureau, to conduct a criminal records check based on the 14236
applicant's fingerprints in accordance with section 109.572 of the 14237
Revised Code. Notwithstanding division ~~(K)~~(L) of section 121.08 of 14238
the Revised Code, the superintendent of financial institutions 14239
shall request that criminal record information from the federal 14240
bureau of investigation be obtained as part of the criminal 14241
records check. The superintendent of financial institutions shall 14242
conduct a civil records check. The superintendent shall approve an 14243
application and issue an original or renewal license to the 14244
applicant if the superintendent finds all of the following: 14245

(1) The financial responsibility, experience, and general 14246
fitness of the applicant are such as to warrant the belief that 14247
the business of making loans will be operated lawfully, honestly, 14248
and fairly under sections 1321.35 to 1321.48 of the Revised Code 14249
and within the purposes of those sections; that the applicant has 14250
fully complied with those sections and any rule or order adopted 14251
or issued pursuant to section 1321.43 of the Revised Code; and 14252
that the applicant is qualified to engage in the business of 14253
making loans under sections 1321.35 to 1321.48 of the Revised 14254
Code. 14255

(2) The applicant is financially sound and has a net worth of 14256
not less than one hundred thousand dollars, or in the case of a 14257
nonprofit corporation that is incorporated under Chapter 1702. of 14258
the Revised Code, a net worth of not less than fifty thousand 14259

dollars. The applicant's net worth shall be computed according to 14260
generally accepted accounting principles. 14261

(3) The applicant has never had revoked a license to make 14262
loans under sections 1321.35 to 1321.48 of the Revised Code, under 14263
former sections 1315.35 to 1315.44 of the Revised Code, or to do 14264
business under sections 1315.21 to 1315.30 of the Revised Code. 14265

(4) Neither the applicant nor any senior officer, or partner 14266
of the applicant, has pleaded guilty to or been convicted of a 14267
disqualifying offense as determined in accordance with section 14268
9.79 of the Revised Code. 14269

(5) Neither the applicant nor any senior officer, or partner 14270
of the applicant, has been subject to any adverse judgment for 14271
conversion, embezzlement, misappropriation of funds, fraud, 14272
misfeasance or malfeasance, or breach of fiduciary duty, or if the 14273
applicant or any of those other persons has been subject to such a 14274
judgment, the applicant has proven to the superintendent, by a 14275
preponderance of the evidence, that the applicant's or other 14276
person's activities and employment record since the judgment show 14277
that the applicant or other person is honest and truthful and 14278
there is no basis in fact for believing that the applicant or 14279
other person will be subject to such a judgment again. 14280

(C) If the superintendent finds that the applicant does not 14281
meet the requirements of division (B) of this section, or the 14282
superintendent finds that the applicant knowingly or repeatedly 14283
contracts with or employs persons to directly engage in lending 14284
activities who have been convicted of a felony crime listed in 14285
division (B)(5) of this section, the superintendent shall issue an 14286
order denying the application for an original or renewal license 14287
and giving the applicant an opportunity for a hearing on the 14288
denial in accordance with Chapter 119. of the Revised Code. The 14289
superintendent shall notify the applicant of the denial, the 14290
grounds for the denial, and the applicant's opportunity for a 14291

hearing. If the application is denied, the superintendent shall 14292
return the annual license fee but shall retain the investigation 14293
fee. 14294

(D) No person licensed under sections 1321.35 to 1321.48 of 14295
the Revised Code shall conduct business in this state unless the 14296
licensee has obtained and maintains in effect at all times a 14297
corporate surety bond issued by a bonding company or insurance 14298
company authorized to do business in this state. The bond shall be 14299
in favor of the superintendent and in the penal sum of at least 14300
one hundred thousand dollars, or in the case of a nonprofit 14301
corporation that is incorporated under Chapter 1702. of the 14302
Revised Code, in the amount of fifty thousand dollars. The term of 14303
the bond shall coincide with the term of the license. The licensee 14304
shall file a copy of the bond with the superintendent. The bond 14305
shall be for the exclusive benefit of any borrower injured by a 14306
violation by a licensee or any employee of a licensee, of any 14307
provision of sections 1321.35 to 1321.48 of the Revised Code. 14308

Sec. 1321.53. (A)(1) An application for a certificate of 14309
registration under sections 1321.51 to 1321.60 of the Revised Code 14310
shall contain an undertaking by the applicant to abide by those 14311
sections. The application shall be in writing, under oath, and in 14312
the form prescribed by the division of financial institutions, and 14313
shall contain any information that the division may require. 14314
Applicants that are foreign corporations shall obtain and maintain 14315
a license pursuant to Chapter 1703. of the Revised Code before a 14316
certificate is issued or renewed. 14317

(2) Upon the filing of the application and the payment by the 14318
applicant of a nonrefundable two-hundred-dollar investigation fee 14319
and a nonrefundable three-hundred-dollar annual registration fee, 14320
the division shall investigate the relevant facts. If the 14321
application involves investigation outside this state, the 14322

applicant may be required by the division to advance sufficient 14323
funds to pay any of the actual expenses of such investigation, 14324
when it appears that these expenses will exceed two hundred 14325
dollars. An itemized statement of any of these expenses which the 14326
applicant is required to pay shall be furnished to the applicant 14327
by the division. No certificate shall be issued unless all the 14328
required fees have been submitted to the division. 14329

(3) The investigation undertaken upon application shall 14330
include both a civil and criminal records check of the applicant 14331
including any individual whose identity is required to be 14332
disclosed in the application. Where the applicant is a business 14333
entity the superintendent shall have the authority to require a 14334
civil and criminal background check of those persons that in the 14335
determination of the superintendent have the authority to direct 14336
and control the operations of the applicant. 14337

(4)(a) Notwithstanding division ~~(K)~~(L) of section 121.08 of 14338
the Revised Code, the superintendent of financial institutions 14339
shall obtain a criminal history records check and, as part of that 14340
records check, request that criminal record information from the 14341
federal bureau of investigation be obtained. To fulfill this 14342
requirement, the superintendent shall request the superintendent 14343
of the bureau of criminal identification and investigation, or a 14344
vendor approved by the bureau, to conduct a criminal records check 14345
based on the applicant's fingerprints or, if the fingerprints are 14346
unreadable, based on the applicant's social security number, in 14347
accordance with section 109.572 of the Revised Code. 14348

(b) Any fee required under division (C)(3) of section 109.572 14349
of the Revised Code shall be paid by the applicant. 14350

(5) If an application for a certificate of registration does 14351
not contain all of the information required under division (A) of 14352
this section, and if such information is not submitted to the 14353
division within ninety days after the superintendent requests the 14354

information in writing, including by electronic transmission or 14355
facsimile, the superintendent may consider the application 14356
withdrawn. 14357

(6) If the division finds that the financial responsibility, 14358
experience, and general fitness of the applicant command the 14359
confidence of the public and warrant the belief that the business 14360
will be operated honestly and fairly in compliance with the 14361
purposes of sections 1321.51 to 1321.60 of the Revised Code and 14362
the rules adopted thereunder, and that the applicant has the 14363
applicable net worth and assets required by division (B) of this 14364
section, the division shall thereupon issue a certificate of 14365
registration to the applicant. The superintendent shall not use a 14366
credit score as the sole basis for a registration denial. 14367

(a)(i) Certificates of registration issued on or after July 14368
1, 2010, shall annually expire on the thirty-first day of 14369
December, unless renewed by the filing of a renewal application 14370
and payment of a three-hundred-dollar nonrefundable annual 14371
registration fee and any assessment as determined by the 14372
superintendent pursuant to division (A)(6)(a)(ii) of this section 14373
on or before the last day of December of each year. No other fee 14374
or assessment shall be required of a registrant by the state or 14375
any political subdivision of this state. 14376

(ii) If the renewal fees billed by the superintendent 14377
pursuant to division (A)(6)(a)(i) of this section are less than 14378
the estimated expenditures of the consumer finance section of the 14379
division of financial institutions, as determined by the 14380
superintendent, for the following fiscal year, the superintendent 14381
may assess each registrant at a rate sufficient to equal in the 14382
aggregate the difference between the renewal fees billed and the 14383
estimated expenditures. Each registrant shall pay the assessed 14384
amount to the superintendent prior to the last day of June. In no 14385
case shall the assessment exceed ten cents per each one hundred 14386

dollars of interest (excluding charge-off recoveries), points, 14387
loan origination charges, and credit line charges collected by 14388
that registrant during the previous calendar year. If such an 14389
assessment is imposed, it shall not be less than two hundred fifty 14390
dollars per registrant and shall not exceed thirty thousand 14391
dollars less the total renewal fees paid pursuant to division 14392
(A)(6)(a)(i) of this section by each registrant. 14393

(b) Registrants shall timely file renewal applications on 14394
forms prescribed by the division and provide any further 14395
information that the division may require. If a renewal 14396
application does not contain all of the information required under 14397
this section, and if that information is not submitted to the 14398
division within ninety days after the superintendent requests the 14399
information in writing, including by electronic transmission or 14400
facsimile, the superintendent may consider the application 14401
withdrawn. 14402

(c) Renewal shall not be granted if the applicant's 14403
certificate of registration is subject to an order of suspension, 14404
revocation, or an unpaid and past due fine imposed by the 14405
superintendent. 14406

(d) If the division finds the applicant does not meet the 14407
conditions set forth in this section, it shall issue a notice of 14408
intent to deny the application, and forthwith notify the applicant 14409
of the denial, the grounds for the denial, and the applicant's 14410
reasonable opportunity to be heard on the action in accordance 14411
with Chapter 119. of the Revised Code. 14412

(7) If there is a change of five per cent or more in the 14413
ownership of a registrant, the division may make any investigation 14414
necessary to determine whether any fact or condition exists that, 14415
if it had existed at the time of the original application for a 14416
certificate of registration, the fact or condition would have 14417
warranted the division to deny the application under division 14418

(A)(6) of this section. If such a fact or condition is found, the 14419
division may, in accordance with Chapter 119. of the Revised Code, 14420
revoke the registrant's certificate. 14421

(B) Each registrant that engages in lending under sections 14422
1321.51 to 1321.60 of the Revised Code shall maintain both of the 14423
following: 14424

(1) A net worth of at least fifty thousand dollars; 14425

(2) For each certificate of registration, assets of at least 14426
fifty thousand dollars either in use or readily available for use 14427
in the conduct of the business. 14428

(C) Not more than one place of business shall be maintained 14429
under the same certificate, but the division may issue additional 14430
certificates to the same registrant upon compliance with sections 14431
1321.51 to 1321.60 of the Revised Code, governing the issuance of 14432
a single certificate. No change in the place of business of a 14433
registrant to a location outside the original municipal 14434
corporation shall be permitted under the same certificate without 14435
the approval of a new application, the payment of the registration 14436
fee and, if required by the superintendent, the payment of an 14437
investigation fee of two hundred dollars. When a registrant wishes 14438
to change its place of business within the same municipal 14439
corporation, it shall give written notice of the change in advance 14440
to the division, which shall provide a certificate for the new 14441
address without cost. If a registrant changes its name, prior to 14442
making loans under the new name it shall give written notice of 14443
the change to the division, which shall provide a certificate in 14444
the new name without cost. Sections 1321.51 to 1321.60 of the 14445
Revised Code do not limit the loans of any registrant to residents 14446
of the community in which the registrant's place of business is 14447
situated. Each certificate shall be kept conspicuously posted in 14448
the place of business of the registrant and is not transferable or 14449
assignable. 14450

(D) Sections 1321.51 to 1321.60 of the Revised Code do not 14451
apply to any of the following: 14452

(1) Entities chartered and lawfully doing business under the 14453
authority of any law of this state, another state, or the United 14454
States as a bank, savings bank, trust company, savings and loan 14455
association, or credit union, or a subsidiary of any such entity, 14456
which subsidiary is regulated by a federal banking agency and is 14457
owned and controlled by such a depository institution; 14458

(2) Life, property, or casualty insurance companies licensed 14459
to do business in this state; 14460

(3) Any person that is a lender making a loan pursuant to 14461
sections 1321.01 to 1321.19 or sections 1321.62 to 1321.701 of the 14462
Revised Code or a business loan as described in division (B)(6) of 14463
section 1343.01 of the Revised Code; 14464

(4) Any political subdivision, or any governmental or other 14465
public entity, corporation, instrumentality, or agency, in or of 14466
the United States or any state of the United States, or any entity 14467
described in division (B)(3) of section 1343.01 of the Revised 14468
Code; 14469

(5) A college or university, or controlled entity of a 14470
college or university, as those terms are defined in section 14471
1713.05 of the Revised Code. 14472

(E) No person engaged in the business of selling tangible 14473
goods or services related to tangible goods may receive or retain 14474
a certificate under sections 1321.51 to 1321.60 of the Revised 14475
Code for such place of business. 14476

Sec. 1321.64. (A) An application for a license shall contain 14477
an undertaking by the applicant to abide by those sections. The 14478
application shall be in writing, under oath, and in the form 14479
prescribed by the superintendent of financial institutions, and 14480

shall contain any information that the superintendent may require. 14481
Applicants that are foreign corporations shall obtain and maintain 14482
a license pursuant to Chapter 1703. of the Revised Code before a 14483
license is issued or renewed. 14484

(B) Upon the filing of the application and the payment by the 14485
applicant of a nonrefundable investigation fee of two hundred 14486
dollars, a nonrefundable annual registration fee of three hundred 14487
dollars, and any additional fee required by the NMLSR, the 14488
division of financial institutions shall investigate the relevant 14489
facts. If the application involves investigation outside this 14490
state, the applicant may be required by the division to advance 14491
sufficient funds to pay any of the actual expenses of the 14492
investigation when it appears that these expenses will exceed two 14493
hundred dollars. An itemized statement of any of these expenses 14494
which the applicant is required to pay shall be furnished to the 14495
applicant by the division. A license shall not be issued unless 14496
all the required fees have been submitted to the division. 14497

(C)(1) The investigation undertaken upon receipt of an 14498
application shall include both a civil and criminal records check 14499
of any control person. 14500

(2)(a) Notwithstanding division ~~(K)~~(L) of section 121.08 of 14501
the Revised Code, the superintendent shall obtain a criminal 14502
records check on each control person and, as part of that records 14503
check, request that criminal records information from the federal 14504
bureau of investigation be obtained. To fulfill this requirement, 14505
the superintendent shall do either of the following: 14506

(i) Request the superintendent of the bureau of criminal 14507
identification and investigation, or a vendor approved by the 14508
bureau, to conduct a criminal records check based on the control 14509
person's fingerprints or, if the fingerprints are unreadable, 14510
based on the control person's social security number, in 14511

accordance with section 109.572 of the Revised Code; 14512

(ii) Authorize the NMLSR to request a criminal records check 14513
of the control person. 14514

(b) Any fee required under division (C)(3) of section 109.572 14515
of the Revised Code or by the NMLSR shall be paid by the 14516
applicant. 14517

(D) If an application for a license does not contain all of 14518
the information required under division (A) of this section, and 14519
if such information is not submitted to the division or to the 14520
NMLSR within ninety days after the superintendent or the NMLSR 14521
requests the information in writing, including by electronic 14522
transmission or facsimile, the superintendent may consider the 14523
application withdrawn. 14524

(E) If the superintendent of financial institutions finds 14525
that the financial responsibility, experience, and general fitness 14526
of the applicant command the confidence of the public and warrant 14527
the belief that the business will be operated honestly and fairly 14528
in compliance with the purposes of sections 1321.62 to 1321.702 of 14529
the Revised Code and the rules adopted thereunder, and that the 14530
applicant has the requisite net worth and assets required under 14531
section 1321.65 of the Revised Code, the superintendent shall 14532
issue a license to the applicant. The license shall be valid until 14533
the thirty-first day of December of the year in which it is 14534
issued. A person may be licensed under both sections 1321.51 to 14535
1321.60 and sections 1321.62 to 1321.702 of the Revised Code. 14536

(F) If the superintendent finds that the applicant does not 14537
meet the conditions set forth in this section, the superintendent 14538
shall issue a notice of intent to deny the application, and 14539
promptly notify the applicant of the denial, the grounds for the 14540
denial, and the applicant's reasonable opportunity to be heard on 14541
the action in accordance with Chapter 119. of the Revised Code. 14542

Sec. 1346.03. Any information provided to the attorney 14543
general by the department of taxation in accordance with division 14544
~~(C)(5)~~ (C)(2) of section 5703.21 of the Revised Code shall not be 14545
disclosed publicly by the attorney general except when it is 14546
necessary to facilitate compliance with and enforcement of section 14547
1346.01 or 1346.02 of the Revised Code. 14548

Sec. 1349.09. (A) As used in this section: 14549

(1) "Operator" means any business, entity, or person that 14550

(2) "Child" or "children" means any consumer or consumers of 14556
an online web site, online service, online product, or online 14557

<u>complete.</u>	14587
<u>(D) In determining whether an operator's online web site,</u>	14588
<u>online service, online product, or online feature targets a child</u>	14589
<u>or is reasonably anticipated to be accessed by a child, the</u>	14590

more than five per cent of the amount of the restitution otherwise 18661

restitution payments. 18663

The victim, victim's estate, or victim's attorney, if 18664

enforcement agency that arrested the defendant or alleged juvenile 19534
offender if any officer of that agency was a victim of the 19535
offense, and to any member of the victim's immediate family who 19536
requests notification. If the notice given under this division to 19537
the victim is based on an offense committed prior to March 22, 19538
2013, and if the prosecutor or custodial agency has not previously 19539
successfully provided any notice to the victim under this division 19540
or division (B) or (C) of this section with respect to that 19541
offense and the offender who committed it, the notice also shall 19542
inform the victim that the victim may request that the victim not 19543
be provided any further notices with respect to that offense and 19544
the offender who committed it and shall describe the procedure for 19545
making that request. If the notice given under this division to 19546
the victim pertains to a hearing regarding a grant of a parole to 19547
the defendant, the notice also shall inform the victim that the 19548
victim, a member of the victim's immediate family, or the victim's 19549
representative may request a victim conference, as described in 19550
division (E) of this section, and shall provide an explanation of 19551
a victim conference. 19552

The prosecutor or custodial agency may give the notices to 19553
which this division applies by any reasonable means, including 19554
regular mail, telephone, and electronic mail. If the prosecutor or 19555
custodial agency attempts to provide notice to a victim under this 19556
division but the attempt is unsuccessful because the prosecutor or 19557
custodial agency is unable to locate the victim, is unable to 19558
provide the notice by its chosen method because it cannot 19559

determine the mailing address, telephone number, or electronic 19560
mail address at which to provide the notice, or, if the notice is 19561
sent by mail, the notice is returned, the prosecutor or custodial 19562
agency shall make another attempt to provide the notice to the 19563
victim. If the second attempt is unsuccessful, the prosecutor or 19564
custodial agency shall make at least one more attempt to provide 19565
the notice. If the notice is based on an offense committed prior 19566
to March 22, 2013, in each attempt to provide the notice to the 19567
victim, the notice shall include the opt-out information described 19568
in the preceding paragraph. The prosecutor or custodial agency, in 19569
accordance with division (D)(2) of this section, shall keep a 19570
record of all attempts to provide the notice, and of all notices 19571
provided, under this division. 19572

Division (D)(1) of this section, and the notice-related 19573
provisions of divisions (E)(2) and (K) of section 2929.20, 19574
division (H) of section 2967.12, division (E)(1)(b) of section 19575
2967.19, division (A)(3)(b) of section 2967.26, division (D)(1) of 19576
section 2967.28, and division (A)(2) of section 5149.101 of the 19577
Revised Code enacted in the act in which division (D)(1) of this 19578
section was enacted, shall be known as "Roberta's Law." 19579

(2) Each prosecutor and custodial agency that attempts to 19580
give any notice to which division (D)(1) of this section applies 19581
shall keep a record of all attempts to give the notice. The record 19582
shall indicate the person who was to be the recipient of the 19583
notice, the date on which the attempt was made, the manner in 19584
which the attempt was made, and the person who made the attempt. 19585
If the attempt is successful and the notice is given, the record 19586
shall indicate that fact. The record shall be kept in a manner 19587
that allows public inspection of attempts and notices given to 19588
persons other than victims without revealing the names, addresses, 19589
or other identifying information relating to victims. The record 19590
of attempts and notices given to victims is not a public record, 19591

but the prosecutor or custodial agency shall provide upon request 19592
a copy of that record to a prosecuting attorney, judge, law 19593
enforcement agency, or member of the general assembly. The record 19594
of attempts and notices given to persons other than victims is a 19595
public record. A record kept under this division may be indexed by 19596
offender name, or in any other manner determined by the prosecutor 19597
or the custodial agency. Each prosecutor or custodial agency that 19598
is required to keep a record under this division shall determine 19599
the procedures for keeping the record and the manner in which it 19600
is to be kept, subject to the requirements of this division. 19601

(E) The adult parole authority shall adopt rules under 19602
Chapter 119. of the Revised Code providing for a victim 19603
conference, upon request of the victim, a member of the victim's 19604
immediate family, or the victim's representative, prior to a 19605
parole hearing in the case of a prisoner who is incarcerated for 19606
the commission of aggravated murder, murder, or an offense of 19607
violence that is a felony of the first, second, or third degree or 19608

(3) A specification of the number of persons specified in 19615
division (E)(1) of this section who may be present at any single 19616

(F) The department may limit the number of persons specified 19619
in division (E)(1) of this section who may be present at any 19620
single victim conference, provided that the department shall not 19621
limit the number of persons who may be present at any single 19622

conference to fewer than three. If the department limits the 19623
number of persons who may be present at any single victim 19624
conference, the department shall permit and schedule, upon request 19625
of the victim, a member of the victim's immediate family, or the 19626
victim's representative, multiple victim conferences for the 19627
persons specified in division (E)(1) of this section. 19628

(G) Communications during a victim conference held pursuant 19629
to division (E) of this section and the rules adopted by the adult 19630
parole authority under that division shall be confidential and are 19631
not public records under section 149.43 of the Revised Code. 19632

(H) As used in this section, "victim's immediate family" has 19633
the same meaning as in section 2967.12 of the Revised Code. 19634

or the commitment of the alleged juvenile offender is ordered, the 19644
prosecutor in the case shall notify the victim of the date on 19645

The prosecutor also shall notify the victim of the name of the 19651
custodial agency of the defendant or alleged juvenile offender and 19652

offered by the office of victims' services pursuant to section 19656
5120.60 of the Revised Code. If the custodial agency is the 19657
department of youth services, the prosecutor shall notify the 19658

5139.55 of the Revised Code and the victim's right pursuant to 19661
section 5139.56 of the Revised Code to submit a written request to 19662
the release authority to be notified of actions the release 19663

victim shall keep the custodial agency informed of the victim's 19665
current address and telephone number. 19666

2151.38 of the Revised Code and of the victim's right to make a 19674
statement under those sections. The court shall notify the victim 19675
of its ruling in each of those hearings and on each of those 19676

division (A)(3) or (B) of section 2971.03 of the Revised Code, 19679
upon the request of the victim of the crime or in accordance with 19680
division (D) of this section, the prosecutor promptly shall notify 19681
the victim of any hearing to be conducted pursuant to section 19682
2971.05 of the Revised Code to determine whether to modify the 19683
requirement that the offender serve the entire prison term in a 19684
state correctional facility in accordance with division (C) of 19685

that section, whether to continue, revise, or revoke any existing 19686
modification of that requirement, or whether to terminate the 19687
prison term in accordance with division (D) of that section. The 19688
court shall notify the victim of any order issued at the 19689
conclusion of the hearing. 19690

(C) Upon the victim's request made at any time before the 19691
particular notice would be due or in accordance with division (D) 19692

(D)(1) If a defendant is incarcerated for the commission of aggravated murder, murder, or an offense of violence that is a felony of the first, second, or third degree or is under a sentence of life imprisonment or if an alleged juvenile offender has been charged with the commission of an act that would be

aggravated murder, murder, or an offense of violence that is a 19749
felony of the first, second, or third degree or be subject to a 19750
sentence of life imprisonment if committed by an adult, except as 19751
otherwise provided in this division, the notices described in 19752
divisions (B) and (C) of this section shall be given regardless of 19753
whether the victim has requested the notification. The notices 19754
described in divisions (B) and (C) of this section shall not be 19755
given under this division to a victim if the victim has requested 19756
pursuant to division (B)(2) of section 2930.03 of the Revised Code 19757
that the victim not be provided the notice. Regardless of whether 19758
the victim has requested that the notices described in division 19759

agency shall give notice similar to those notices to the 19761
prosecutor in the case, to the sentencing court, to the law 19762

offender if any officer of that agency was a victim of the 19764
offense, and to any member of the victim's immediate family who 19765
requests notification. If the notice given under this division to 19766
the victim is based on an offense committed prior to March 22, 19767
2013, and if the prosecutor or custodial agency has not previously 19768
successfully provided any notice to the victim under this division 19769
or division (B) or (C) of this section with respect to that 19770
offense and the offender who committed it, the notice also shall 19771
inform the victim that the victim may request that the victim not 19772
be provided any further notices with respect to that offense and 19773
the offender who committed it and shall describe the procedure for 19774
making that request. If the notice given under this division to 19775
the victim pertains to a hearing regarding a grant of a parole to 19776
the defendant, the notice also shall inform the victim that the 19777
victim, a member of the victim's immediate family, or the victim's 19778
representative may request a victim conference, as described in 19779
division (E) of this section, and shall provide an explanation of 19780
a victim conference. 19781

The prosecutor or custodial agency may give the notices to 19782
which this division applies by any reasonable means, including 19783
regular mail, telephone, and electronic mail. If the prosecutor or 19784
custodial agency attempts to provide notice to a victim under this 19785
division but the attempt is unsuccessful because the prosecutor or 19786
custodial agency is unable to locate the victim, is unable to 19787
provide the notice by its chosen method because it cannot 19788
determine the mailing address, telephone number, or electronic 19789
mail address at which to provide the notice, or, if the notice is 19790
sent by mail, the notice is returned, the prosecutor or custodial 19791
agency shall make another attempt to provide the notice to the 19792
victim. If the second attempt is unsuccessful, the prosecutor or 19793
custodial agency shall make at least one more attempt to provide 19794
the notice. If the notice is based on an offense committed prior 19795
to March 22, 2013, in each attempt to provide the notice to the 19796
victim, the notice shall include the opt-out information described 19797
in the preceding paragraph. The prosecutor or custodial agency, in 19798
accordance with division (D)(2) of this section, shall keep a 19799
record of all attempts to provide the notice, and of all notices 19800
provided, under this division. 19801

provisions of divisions (E)(2) and (K) of section 2929.20, 19803

section 2967.28, and division (A)(2) of section 5149.101 of the 19806
Revised Code enacted in the act in which division (D)(1) of this 19807
section was enacted, shall be known as "Roberta's Law." 19808

(2) Each prosecutor and custodial agency that attempts to 19809
give any notice to which division (D)(1) of this section applies 19810

shall indicate the person who was to be the recipient of the 19812
notice, the date on which the attempt was made, the manner in 19813

which the attempt was made, and the person who made the attempt. 19814
If the attempt is successful and the notice is given, the record 19815
shall indicate that fact. The record shall be kept in a manner 19816
that allows public inspection of attempts and notices given to 19817
persons other than victims without revealing the names, addresses, 19818
or other identifying information relating to victims. The record 19819
of attempts and notices given to victims is not a public record, 19820
but the prosecutor or custodial agency shall provide upon request 19821
a copy of that record to a prosecuting attorney, judge, law 19822
enforcement agency, or member of the general assembly. The record 19823
of attempts and notices given to persons other than victims is a 19824
public record. A record kept under this division may be indexed by 19825
offender name, or in any other manner determined by the prosecutor 19826
or the custodial agency. Each prosecutor or custodial agency that 19827
is required to keep a record under this division shall determine 19828
the procedures for keeping the record and the manner in which it 19829
is to be kept, subject to the requirements of this division. 19830

immediate family, or the victim's representative, prior to a 19834
parole hearing in the case of a prisoner who is incarcerated for 19835
the commission of aggravated murder, murder, or an offense of 19836

division (E)(1) of this section who may be present at any single 19845

division (F) of this section. 19847

(F) The department may limit the number of persons specified 19848
in division (E)(1) of this section who may be present at any 19849
single victim conference, provided that the department shall not 19850
limit the number of persons who may be present at any single 19851
conference to fewer than three. If the department limits the 19852
number of persons who may be present at any single victim 19853
conference, the department shall permit and schedule, upon request 19854
of the victim, a member of the victim's immediate family, or the 19855
victim's representative, multiple victim conferences for the 19856
persons specified in division (E)(1) of this section. 19857

to division (E) of this section and the rules adopted by the adult 19859
parole authority under that division shall be confidential and are 19860
not public records under section 149.43 of the Revised Code. 19861

Additional information: 20767

4. If the child's parent, guardian, or custodian acts to terminate the caretaker authorization affidavit by delivering a written notice of negation, reversal, or disapproval of an action or decision of yours or removes the child from your home and if you believe that the termination or removal is not in the best interest of the child, you may, within fourteen days, file a complaint in the juvenile court to seek custody. If the person bringing the action knows that a particular man is not or, based upon the facts and circumstances present, could not be the natural father of the child, the person bringing the action shall not allege in the action that the man is the natural father of the child and shall not make the man a party to the action.

(B) If an action is brought pursuant to sections 3111.01 to 3111.18 of the Revised Code and the child to whom the action pertains is or was being provided support by a caretaker, the department of job and family services, a county department of job and family services, or another public agency, the caretaker, department, county department, or agency may intervene for purposes of collecting or recovering the support.

alleged father to pay support to the natural mother or the 20915
~~guardian or legal custodian~~ caretaker of the child. The order 20916
shall remain in effect until the court issues a judgment in the 20917
action pursuant to section 3111.13 of the Revised Code that 20918
determines the existence or nonexistence of a father and child 20919
relationship. If the court, in its judgment, determines that the 20920
alleged father is not the natural father of the child, the court 20921
shall order the person to whom the temporary support was paid 20922
under the order to repay the alleged father all amounts paid for 20923
support under the temporary order. 20924

Sec. 3111.15. (A) If the existence of the father and child 20925
relationship is declared or if paternity or a duty of support has 20926
been adjudicated under sections 3111.01 to 3111.18 of the Revised 20927
Code or under prior law, the obligation of the father may be 20928

has furnished or may furnish the reasonable expenses of pregnancy, 20931
confinement, education, support, or funeral, or by any other 20932
person, including a private agency, to the extent that any of them 20933
may furnish, has furnished, or is furnishing these expenses. 20934

(B) The court may order support payments to be made to the 20935
mother, the clerk of the court, the caretaker, or a person or 20936
agency designated to administer them for the benefit of the child 20937
under the supervision of the court. 20938

(C) Willful failure to obey the judgment or order of the 20939
court is a civil contempt of the court. 20940

determine whether it is completed correctly. The office shall make 20996
the examination no later than five days after the acknowledgment 20997
is filed. If the acknowledgment is completed correctly, the office 20998
shall comply with division (B) of this section. ~~If the~~ 20999
~~acknowledgment is not completed correctly, the office shall return~~ 21000

~~If the person or entity returns the acknowledgment in a timely manner, the office shall examine the acknowledgment again to determine whether it has been correctly completed. that the department provide a new acknowledgment of paternity form 21035
and a notice describing the errors to the parties who filed it. 21036

(2) Notwithstanding any provision of section 121.95 of the 21037
Revised Code to the contrary, a regulatory restriction contained 21038
in a rule adopted under division (C)(1) of this section is not 21039

or guardian of a student enrolled in the school who is not 22370
participating in a state scholarship program may submit notice to 22371
the chief administrative officer of the school that the parent or 22372

guardian does not wish to have the student take the assessments 22373
prescribed for the student's grade level under division (A) of 22374
section 3301.0710 of the Revised Code. If a parent or guardian 22375
submits an opt-out notice, the school shall not administer the 22376
assessments to that student. This option does not apply to any 22377

superintendent of public instruction a request for a waiver from 22389
administering the elementary assessments prescribed by division 22390

norm-referenced achievement assessments that measure reading and 22414
math skills. 22415

(3) Any chartered nonpublic school that is not subject to 22416

will administer the specified assessments in the same manner as 22425
public schools are required to do under this section and rules 22426
adopted by the department. 22427

(4) The department of education shall furnish the assessments 22428

which questions will be needed for reuse on a future assessment 22568
and those questions shall not be public records and shall be 22569
redacted from the assessment prior to its release as a public 22570

the 2017-2018 school year, not less than forty per cent of the 22613
questions on each assessment that are used to compute a student's 22614
score shall be a public record. The department shall determine 22615
which questions will be needed for reuse on a future assessment 22616

procedures it adopts, annually prepare a statewide report for all 22996

school districts and the general public that includes the profile 22997

of this section. Copies of the report shall be sent to each school 22999
district. 23000

(2) The state board shall, in accordance with the procedures 23001

prohibiting tampering with data. 23039

(L)(1) In accordance with division (L)(2) of this section and 23040
the rules adopted under division (L)(10) of this section, the 23041
department of education may sanction any school district that 23042
reports incomplete or inaccurate data, reports data that does not 23043
conform to data requirements and descriptions published by the 23044
department, fails to report data in a timely manner, or otherwise 23045
does not make a good faith effort to report data as required by 23046
this section. 23047

under this division, the department shall take the following 23049
sequential actions: 23050

(a) Notify the district in writing that the department has 23051
determined that data has not been reported as required under this 23052
section and require the district to review its data submission and 23053
submit corrected data by a deadline established by the department. 23054
The department also may require the district to develop a 23055
corrective action plan, which shall include provisions for the 23056
district to provide mandatory staff training on data reporting 23057
procedures. 23058

(b) Withhold up to ten per cent of the total amount of state funds due to the district for the current fiscal year and, if not previously required under division (L)(2)(a) of this section, require the district to develop a corrective action plan in accordance with that division;

(viii) If the district is issued a report card under section 3302.03 of the Revised Code and incomplete or inaccurate data

submitted by the district likely caused the district to receive a 23089
higher performance rating than it deserved under that section, 23090
issue a revised report card for the district; 23091

(ix) Any other action designed to correct the district's data 23092

(3) Any time the department takes an action against a school 23094
district under division (L)(2) of this section, the department 23095
shall make a report of the circumstances that prompted the action. 23096
The department shall send a copy of the report to the district 23097
superintendent or chief administrator and maintain a copy of the 23098
report in its files. 23099

(4) If any action taken under division (L)(2) of this section 23100
resolves a school district's data reporting problems to the 23101
department's satisfaction, the department shall not take any 23102
further actions described by that division. If the department 23103
withheld funds from the district under that division, the 23104

conduct an audit of a school district's data reporting practices 23114
any time the department has reason to believe the district has not 23115
made a good faith effort to report data as required by this 23116
section. If any audit conducted by an outside entity under 23117
division (L)(2)(d)(i) or (5) of this section confirms that a 23118
district has not made a good faith effort to report data as 23119
required by this section, the district shall reimburse the 23120

department for the full cost of the audit. The department may 23121
withhold state funds due to the district for this purpose. 23122

(6) Prior to issuing a revised report card for a school 23123
district under division (L)(2)(d)(viii) of this section, the 23124
department may hold a hearing to provide the district with an 23125
opportunity to demonstrate that it made a good faith effort to 23126
report data as required by this section. The hearing shall be 23127
conducted by a referee appointed by the department. Based on the 23128
information provided in the hearing, the referee shall recommend 23129
whether the department should issue a revised report card for the 23130
district. If the referee affirms the department's contention that 23131
the district did not make a good faith effort to report data as 23132
required by this section, the district shall bear the full cost of 23133
conducting the hearing and of issuing any revised report card. 23134

(7) If the department determines that any inaccurate data 23135
reported under this section caused a school district to receive 23136
excess state funds in any fiscal year, the district shall 23137
reimburse the department an amount equal to the excess funds, in 23138
accordance with a payment schedule determined by the department. 23139
The department may withhold state funds due to the district for 23140
this purpose. 23141

(8) Any school district that has funds withheld under 23142
division (L)(2) of this section may appeal the withholding in 23143
accordance with Chapter 119. of the Revised Code. 23144

(9) In all cases of a disagreement between the department and 23145
a school district regarding the appropriateness of an action taken 23146
under division (L)(2) of this section, the burden of proof shall 23147
be on the district to demonstrate that it made a good faith effort 23148
to report data as required by this section. 23149

(10) The state board of education shall adopt rules under 23150
Chapter 119. of the Revised Code to implement division (L) of this 23151

section. 23152

(M) No information technology center or school district shall 23153
acquire, change, or update its student administration software 23154
package to manage and report data required to be reported to the 23155
department unless it converts to a student software package that 23156
is certified by the department. 23157

(N) The state board of education, in accordance with sections 23158
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 23159
license as defined under division (A) of section 3319.31 of the 23160
Revised Code that has been issued to any school district employee 23161
found to have willfully reported erroneous, inaccurate, or 23162
incomplete data to the education management information system. 23163

(O) No person shall release or maintain any information about 23164
any student in violation of this section. Whoever violates this 23165
division is guilty of a misdemeanor of the fourth degree. 23166

(P) The department shall disaggregate the data collected 23167
under division (B)(1)(n) of this section according to the race and 23168
socioeconomic status of the students assessed. 23169

(Q) If the department cannot compile any of the information 23170
required by division (I) of section 3302.03 of the Revised Code 23171
based upon the data collected under this section, the department 23172
shall develop a plan and a reasonable timeline for the collection 23173
of any data necessary to comply with that division. 23174

Sec. 3301.0731. As used in this section, "English learner" 23175
has the same meaning as in 20 U.S.C. 7801. 23176

The state board of education shall adopt rules regarding the 23177
identification, instruction, assessment, and reclassification of 23178
English learners. The rules shall conform to the department of 23179
education's plan, as approved by the United States secretary of 23180
education, to comply with the "Elementary and Secondary Education 23181

Act of 1965," 20 U.S.C. 6311 to 6339. 23182

Sec. 3302.03. Not later than the thirty-first day of July of 23183
each year, the department of education shall submit preliminary 23184
report card data for overall academic performance and for each 23185

Annually, not later than the fifteenth day of September or 23188
the preceding Friday when that day falls on a Saturday or Sunday, 23189
the department shall assign a letter grade or performance rating 23190
for overall academic performance and for each separate performance 23191
measure for each school district, and each school building in a 23192
district, in accordance with this section. The state board of 23193
education shall adopt rules pursuant to Chapter 119. of the 23194
Revised Code to implement this section. The state board's rules 23195
shall establish performance criteria for each letter grade or 23196
performance rating and prescribe a method by which the department 23197
assigns each letter grade or performance rating. For a school 23198
building to which any of the performance measures do not apply, 23199
due to grade levels served by the building, the department shall 23200
designate the performance measures that are applicable to the 23201
building and that must be calculated separately and used to 23202
calculate the building's overall grade or performance rating. The 23203
department shall issue annual report cards reflecting the 23204

building. Grades shall be awarded as a percentage of the total	23217
possible points on the performance index system as adopted by the	23218
state board. In adopting benchmarks for assigning letter grades	23219
under division (A)(1)(b) of this section, the state board shall	23220
designate ninety per cent or higher for an "A," at least seventy	23221
per cent but not more than eighty per cent for a "C," and less	23222
than fifty per cent for an "F."	23223
(c) The extent to which the school district or building meets	23224
each of the applicable performance indicators established by the	23225
state board under section 3302.02 of the Revised Code and the	23226
percentage of applicable performance indicators that have been	23227
achieved. In adopting benchmarks for assigning letter grades under	23228
division (A)(1)(c) of this section, the state board shall	23229
designate ninety per cent or higher for an "A."	23230
(d) The four- and five-year adjusted cohort graduation rates.	23231

department shall designate a four-year adjusted cohort graduation	23234
rate of ninety-three per cent or higher for an "A" and a five-year	23235
cohort graduation rate of ninety-five per cent or higher for an	23236
"A."	23237
(e) The overall score under the value-added progress	23238
dimension of a school district or building, for which the	23239
department shall use up to three years of value-added data as	23240

be as follows:	23242
(i) A score that is at least one standard error of measure	23243

above the mean score shall be designated as an "A." 23244

(ii) A score that is less than one standard error of measure 23245
above but greater than one standard error of measure below the 23246
mean score shall be designated as a "B." 23247

(iii) A score that is less than or equal to one standard 23248
error of measure below the mean score but greater than two 23249
standard errors of measure below the mean score shall be 23250
designated as a "C." 23251

errors of measure below the mean score but is greater than three 23253
standard errors of measure below the mean score shall be 23254
designated as a "D." 23255

(v) A score that is less than or equal to three standard 23256

graded performance measure in this division and divisions (B) and 23260
(C) of this section, whether as an overall measure or as a measure 23261
of separate subgroups, the grades for the measure shall be 23262
calculated in the same manner as prescribed in division (A)(1)(e) 23263
of this section. 23264

(f) The value-added progress dimension score for a school 23265
district or building disaggregated for each of the following 23266
subgroups: students identified as gifted, students with 23267
disabilities, and students whose performance places them in the 23268
lowest quintile for achievement on a statewide basis. Each 23269
subgroup shall be a separate graded measure. 23270

(2) Not later than April 30, 2013, the state board of 23271
education shall adopt a resolution describing the performance 23272
measures, benchmarks, and grading system for the 2012-2013 school 23273
year and, not later than June 30, 2013, shall adopt rules in 23274

accordance with Chapter 119. of the Revised Code that prescribe 23275
the methods by which the performance measures under division 23276
(A)(1) of this section shall be assessed and assigned a letter 23277
grade, including performance benchmarks for each letter grade. 23278

At least forty-five days prior to the state board's adoption 23279
of rules to prescribe the methods by which the performance 23280
measures under division (A)(1) of this section shall be assessed 23281
and assigned a letter grade, the department shall conduct a public 23282
presentation before the standing committees of the house of 23283
representatives and the senate that consider education legislation 23284
describing such methods, including performance benchmarks. 23285

(b) Performance index score for a school district or 23292
building. Grades shall be awarded as a percentage of the total 23293
possible points on the performance index system as created by the 23294
department. In adopting benchmarks for assigning letter grades 23295
under division (B)(1)(b) of this section, the state board shall 23296
designate ninety per cent or higher for an "A," at least seventy 23297
per cent but not more than eighty per cent for a "C," and less 23298

(c) The extent to which the school district or building meets 23300
each of the applicable performance indicators established by the 23301
state board under section 3302.03 of the Revised Code and the 23302

achieved. In adopting benchmarks for assigning letter grades under 23304
division (B)(1)(c) of this section, the state board shall 23305

designate ninety per cent or higher for an "A." 23306

(d) The four- and five-year adjusted cohort graduation rates; 23307

(e) The overall score under the value-added progress 23308
dimension of a school district or building, for which the 23309
department shall use up to three years of value-added data as 23310

(f) The value-added progress dimension score for a school 23312
district or building disaggregated for each of the following 23313
subgroups: students identified as gifted in superior cognitive 23314
ability and specific academic ability fields under Chapter 3324. 23315
of the Revised Code, students with disabilities, and students 23316
whose performance places them in the lowest quintile for 23317
achievement on a statewide basis. Each subgroup shall be a 23318
separate graded measure. 23319

(g) Whether a school district or building is making progress 23320
in improving literacy in grades kindergarten through three, as 23321
determined using a method prescribed by the state board. The state 23322
board shall adopt rules to prescribe benchmarks and standards for 23323
assigning grades to districts and buildings for purposes of 23324
division (B)(1)(g) of this section. In adopting benchmarks for 23325
assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of 23326
this section, the state board shall determine progress made based 23327
on the reduction in the total percentage of students scoring below 23328
grade level, or below proficient, compared from year to year on 23329
the reading and writing diagnostic assessments administered under 23330
section 3301.0715 of the Revised Code and the third grade English 23331

Revised Code. 23340

(h) For a high mobility school district or building, an 23341
additional value-added progress dimension score. For this measure, 23342
the department shall use value-added data from the most recent 23343
school year available and shall use assessment scores for only 23344
those students to whom the district or building has administered 23345
the assessments prescribed by section 3301.0710 of the Revised 23346
Code for each of the two most recent consecutive school years. 23347

As used in this division, "high mobility school district or 23348
building" means a school district or building where at least 23349
twenty-five per cent of its total enrollment is made up of 23350
students who have attended that school district or building for 23351
less than one year. 23352

(2) In addition to the graded measures in division (B)(1) of 23353
this section, the department shall include on a school district's 23354
or building's report card all of the following without an assigned 23355

percentage of those students who received a score of three or 23359
better on advanced placement examinations; 23360

(b) The number of a district's or building's students who 23361
have earned at least three college credits through dual enrollment 23362
or advanced standing programs, such as the post-secondary 23363
enrollment options program under Chapter 3365. of the Revised Code 23364
and state-approved career-technical courses offered through dual 23365
enrollment or statewide articulation, that appear on a student's 23366
transcript or other official document, either of which is issued 23367
by the institution of higher education from which the student 23368

earned the college credit. The credits earned that are reported 23369
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 23370
include any that are remedial or developmental and shall include 23371
those that count toward the curriculum requirements established 23372
for completion of a degree. 23373

(c) The percentage of students enrolled in a district or 23374
building who have taken a national standardized test used for 23375
college admission determinations and the percentage of those 23376

3313.61 of the Revised Code. 23389

(3) Not later than December 31, 2013, the state board shall 23390
adopt rules in accordance with Chapter 119. of the Revised Code 23391
that prescribe the methods by which the performance measures under 23392
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 23393
and assigned a letter grade, including performance benchmarks for 23394
each grade. 23395

At least forty-five days prior to the state board's adoption 23396
of rules to prescribe the methods by which the performance 23397
measures under division (B)(1) of this section shall be assessed 23398
and assigned a letter grade, the department shall conduct a public 23399

presentation before the standing committees of the house of 23400
representatives and the senate that consider education legislation 23401
describing such methods, including performance benchmarks. 23402

(4) There shall not be an overall letter grade for a school 23403
district or building for the 2013-2014, 2014-2015, 2015-2016, and 23404

for each of the performance measures prescribed in division (C)(1) 23409
of this section. The graded measures are as follows: 23410

(a) Annual measurable objectives. For the 2017-2018 school 23411
year, the department shall not include any subgroup data in the 23412
annual measurable objectives that includes data from fewer than 23413
twenty-five students. For the 2018-2019 school year, the 23414
department shall not include any subgroup data in the annual 23415
measurable objectives that includes data from fewer than twenty 23416
students. Beginning with the 2019-2020 school year, the department 23417
shall not include any subgroup data in the annual measurable 23418
objectives that includes data from fewer than fifteen students. 23419

(b) Performance index score for a school district or 23420

under division (C)(1)(b) of this section, the state board shall 23424
designate ninety per cent or higher for an "A," at least seventy 23425
per cent but not more than eighty per cent for a "C," and less 23426
than fifty per cent for an "F." 23427

(c) The extent to which the school district or building meets 23428
each of the applicable performance indicators established by the 23429
state board under section 3302.03 of the Revised Code and the 23430

adopted by the state board, of a school district or building, for 23438
which the department shall use up to three years of value-added 23439
data as available. 23440

In adopting benchmarks for assigning letter grades for 23441
overall score on value-added progress dimension under division 23442
(C)(1)(e) of this section, the state board shall prohibit the 23443

section, the state board may adopt a student academic progress 23449
measure to be used instead of the value-added progress dimension. 23450
If the state board adopts such a measure, it also shall prescribe 23451
a method for assigning letter grades for the new measure that is 23452
comparable to the method prescribed in division (A)(1)(e) of this 23453

of the Revised Code, students with disabilities, and students 23459
whose performance places them in the lowest quintile for 23460
achievement on a statewide basis, as determined by a method 23461

prescribed by the state board. Each subgroup shall be a separate 23462
graded measure. 23463

The state board may adopt student academic progress measures 23464
to be used instead of the value-added progress dimension. If the 23465
state board adopts such measures, it also shall prescribe a method 23466
for assigning letter grades for the new measures that is 23467
comparable to the method prescribed in division (A)(1)(e) of this 23468
section. 23469

(g) Whether a school district or building is making progress 23470
in improving literacy in grades kindergarten through three, as 23471
determined using a method prescribed by the state board. The state 23472
board shall adopt rules to prescribe benchmarks and standards for 23473
assigning grades to a district or building for purposes of 23474
division (C)(1)(g) of this section. The state board shall 23475
designate for a "C" grade a value that is not lower than the 23476
statewide average value for this measure. No grade shall be issued 23477
under division (C)(1)(g) of this section for a district or 23478
building in which less than five per cent of students have scored 23479
below grade level on the kindergarten diagnostic assessment under 23480
division (B)(1) of section 3313.608 of the Revised Code. 23481

(h) For a high mobility school district or building, an 23482
additional value-added progress dimension score. For this measure, 23483
the department shall use value-added data from the most recent 23484
school year available and shall use assessment scores for only 23485
those students to whom the district or building has administered 23486
the assessments prescribed by section 3301.0710 of the Revised 23487
Code for each of the two most recent consecutive school years. 23488

As used in this division, "high mobility school district or 23489
building" means a school district or building where at least 23490
twenty-five per cent of its total enrollment is made up of 23491
students who have attended that school district or building for 23492
less than one year. 23493

(2) In addition to the graded measures in division (C)(1) of 23494
this section, the department shall include on a school district's 23495
or building's report card all of the following without an assigned 23496
letter grade: 23497

(a) The percentage of students enrolled in a district or 23498
building who have taken a national standardized test used for 23499
college admission determinations and the percentage of those 23500

with the standards adopted under division (F) of section 3345.061 23502
of the Revised Code; 23503

(b) The percentage of students enrolled in a district or 23504
building participating in advanced placement classes and the 23505
percentage of those students who received a score of three or 23506
better on advanced placement examinations; 23507

(c) The percentage of a district's or building's students who 23508
have earned at least three college credits through advanced 23509
standing programs, such as the college credit plus program under 23510
Chapter 3365. of the Revised Code and state-approved 23511
career-technical courses offered through dual enrollment or 23512
statewide articulation, that appear on a student's college 23513
transcript issued by the institution of higher education from 23514
which the student earned the college credit. The credits earned 23515
that are reported under divisions (B)(2)(b) and (C)(2)(c) of this 23516
section shall not include any that are remedial or developmental 23517
and shall include those that count toward the curriculum 23518
requirements established for completion of a degree. 23519

(d) The percentage of the district's or building's students 23520
who receive an honor's diploma under division (B) of section 23521
3313.61 of the Revised Code; 23522

(e) The percentage of the district's or building's students 23523
who receive industry-recognized credentials as approved under 23524

(h) Whether the school district or building has implemented a positive behavior intervention and supports framework in compliance with the requirements of section 3319.46 of the Revised Code, notated as a "yes" or "no" answer.	23533 23534 23535 23536
(3) The state board shall adopt rules pursuant to Chapter 119. of the Revised Code that establish a method to assign an overall grade for a school district or school building for the 2017-2018 school year and each school year thereafter. The rules shall group the performance measures in divisions (C)(1) and (2) of this section into the following components:	23537 23538 23539 23540 23541 23542
(a) Gap closing, which shall include the performance measure in division (C)(1)(a) of this section;	23543 23544
(b) Achievement, which shall include the performance measures in divisions (C)(1)(b) and (c) of this section;	23545 23546
(c) Progress, which shall include the performance measures in divisions (C)(1)(e) and (f) of this section;	23547 23548
(d) Graduation, which shall include the performance measure in division (C)(1)(d) of this section;	23549 23550
(e) Kindergarten through third-grade literacy, which shall include the performance measure in division (C)(1)(g) of this section;	23551 23552 23553
(f) Prepared for success, which shall include the performance	23554

measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 23555
this section. The state board shall develop a method to determine 23556
a grade for the component in division (C)(3)(f) of this section 23557
using the performance measures in divisions (C)(2)(a), (b), (c), 23558
(d), (e), and (f) of this section. When available, the state board 23559
may incorporate the performance measure under division (C)(2)(g) 23560
of this section into the component under division (C)(3)(f) of 23561
this section. When determining the overall grade for the prepared 23562
for success component prescribed by division (C)(3)(f) of this 23563
section, no individual student shall be counted in more than one 23564
performance measure. However, if a student qualifies for more than 23565
one performance measure in the component, the state board may, in 23566
its method to determine a grade for the component, specify an 23567
additional weight for such a student that is not greater than or 23568
equal to 1.0. In determining the overall score under division 23569
(C)(3)(f) of this section, the state board shall ensure that the 23570
pool of students included in the performance measures aggregated 23571
under that division are all of the students included in the four- 23572
and five-year adjusted graduation cohort. 23573

In the rules adopted under division (C)(3) of this section, 23574
the state board shall adopt a method for determining a grade for 23575
each component in divisions (C)(3)(a) to (f) of this section. The 23576
state board also shall establish a method to assign an overall 23577
grade of "A," "B," "C," "D," or "F" using the grades assigned for 23578
each component. The method the state board adopts for assigning an 23579
overall grade shall give equal weight to the components in 23580
divisions (C)(3)(b) and (c) of this section. 23581

At least forty-five days prior to the state board's adoption 23582
of rules to prescribe the methods for calculating the overall 23583
grade for the report card, as required by this division, the 23584
department shall conduct a public presentation before the standing 23585
committees of the house of representatives and the senate that 23586

consider education legislation describing the format for the 23587
report card, weights that will be assigned to the components of 23588
the overall grade, and the method for calculating the overall 23589
grade. 23590

(D) For the 2021-2022 school year and each school year 23591
thereafter, all of the following apply: 23592

(1) The department shall include on a school district's or 23593
building's report card all of the following performance measures 23594
without an assigned performance rating: 23595

(a) Whether the district or building meets the gifted 23596
performance indicator under division (A)(2) of section 3302.02 of 23597
the Revised Code and the extent to which the district or building 23598
meets gifted indicator performance benchmarks; 23599

(b) The extent to which the district or building meets the 23600
chronic absenteeism indicator under division (A)(3) of section 23601
3302.02 of the Revised Code; 23602

(c) Performance index score percentage for a district or 23603
building, which shall be calculated by dividing the district's or 23604
building's performance index score according to the performance 23605
index system created by the department by the maximum performance 23606
index score for a district or building. The maximum performance 23607
index score shall be as follows: 23608

(i) For a building, the average of the highest two per cent 23609
of performance index scores achieved by a building for the school 23610
year for which a report card is issued; 23611

(ii) For a district, the average of the highest two per cent 23612
of performance index scores achieved by a district for the school 23613
year for which a report card is issued. 23614

(d) The overall score under the value-added progress 23615
dimension of a district or building, for which the department 23616

shall use three consecutive years of value-added data. In using 23617
three years of value-added data to calculate the measure 23618
prescribed under division (D)(1)(d) of this section, the 23619
department shall assign a weight of fifty per cent to the most 23620
recent year's data and a weight of twenty-five per cent to the 23621
data of each of the other years. However, if three consecutive 23622
years of value-added data is not available, the department shall 23623
use prior years of value-added data to calculate the measure, as 23624
follows: 23625

(i) If two consecutive years of value-added data is not 23626
available, the department shall use one year of value-added data 23627
to calculate the measure. 23628

(ii) If two consecutive years of value-added data is 23629
available, the department shall use two consecutive years of 23630
value-added data to calculate the measure. In using two years of 23631
value-added data to calculate the measure, the department shall 23632
assign a weight of sixty-seven per cent to the most recent year's 23633
data and a weight of thirty-three per cent to the data of the 23634
other year. 23635

(e) The four-year adjusted cohort graduation rate. 23636

(f) The five-year adjusted cohort graduation rate. 23637

(g) The percentage of students in the district or building 23638
who score proficient or higher on the reading segment of the third 23639
grade English language arts assessment under section 3301.0710 of 23640
the Revised Code. 23641

To the extent possible, the department shall include the 23642
results of the summer administration of the third grade reading 23643
assessment under section 3301.0710 of the Revised Code in the 23644
performance measures prescribed under divisions (D)(1)(g) and (h) 23645
of this section. 23646

(h) Whether a district or building is making progress in 23647

improving literacy in grades kindergarten through three, as 23648
determined using a method prescribed by the department. The method 23649
shall determine progress made based on the reduction in the total 23650
percentage of students scoring below grade level, or below 23651
proficient, compared from year to year on the reading segments of 23652
the diagnostic assessments administered under section 3301.0715 of 23653
the Revised Code, including the kindergarten readiness assessment, 23654
and the third grade English language arts assessment under section 23655
3301.0710 of the Revised Code, as applicable. The method shall not 23656
include a deduction for students who did not pass the third grade 23657
English language arts assessment under section 3301.0710 of the 23658
Revised Code and were not on a reading improvement and monitoring 23659
plan. 23660

The performance measure prescribed under division (D)(1)(h) 23661
of this section shall not be included on the report card of a 23662
district or building in which less than ten per cent of students 23663

(i) The percentage of students in a district or building who 23667
are promoted to the fourth grade and not subject to retention 23668
under division (A)(2) of section 3313.608 of the Revised Code; 23669

(j) A post-secondary readiness measure. This measure shall be 23670
calculated by dividing the number of students included in the 23671
four-year adjusted graduation rate cohort who demonstrate 23672
post-secondary readiness by the total number of students included 23673
in the denominator of the four-year adjusted graduation rate 23674
cohort. Demonstration of post-secondary readiness shall include a 23675
student doing any of the following: 23676

(i) Attaining a remediation-free score, in accordance with 23677
standards adopted under division (F) of section 3345.061 of the 23678

performance ratings of "one star," "two stars," "three stars," 23889
"four stars," or "five stars," as described in division (F) of 23890

this section, for a district or building for the individual 23891
components prescribed under division (D)(3) of this section. The 23892
department also shall assign an overall performance rating for a 23893
district or building in accordance with division (D)(3)(g) of this 23894
section. The method shall use the performance measures prescribed 23895
under division (D)(1) of this section to calculate performance 23896
ratings for components. The method may report data under division 23897
(D)(2) of this section with corresponding components, but shall 23898
not use the data to calculate performance ratings for that 23899
component. The performance measures and reported data shall be 23900
grouped together into components as follows: 23901

(a) Gap closing. In addition to other criteria determined 23902
appropriate by the department, performance ratings for the gap 23903
closing component shall reflect whether each of the following 23904
performance measures are met or not met: 23905

(i) The gifted performance indicator as described in division 23906
(D)(1)(a) of this section; 23907

(vi) The subgroup progress targets in both mathematics and 23915
English language arts. 23916

Achievement and progress targets under division (D)(3)(a) of 23917
this section shall be calculated individually, and districts and 23918
buildings shall receive a status of met or not met on each 23919
measure. The department shall not require a subgroup of a district 23920

or building to meet both the achievement and progress targets at 23921
the same time to receive a status of met. 23922

The department shall not include any subgroup data in this 23923
measure that includes data from fewer than fifteen students. Any 23924
penalty for failing to meet the required assessment participation 23925
rate must be partially in proportion to how close the district or 23926
building was to meeting the rate requirement. 23927

(b) Achievement, which shall include the performance measure 23928
in division (D)(1)(c) of this section and the reported data in 23929
division (D)(2)(a) of this section. Performance ratings for the 23930
achievement component shall be awarded as a percentage of the 23931
maximum performance index score described in division (D)(1)(c) of 23932
this section. 23933

(c) Progress, which shall include the performance measure in 23934
division (D)(1)(d) of this section and the reported data in 23935
divisions (D)(2)(b) and (c) of this section; 23936

(d) Graduation, which shall include the performance measures 23937
in divisions (D)(1)(e) and (f) of this section and the reported 23938
data in divisions (D)(2)(d) and (j) of this section. The four-year 23939
adjusted cohort graduation rate shall be assigned a weight of 23940
sixty per cent and the five-year adjusted cohort graduation rate 23941
shall be assigned a weight of forty per cent; 23942

(e) Early literacy, which shall include the performance 23943
measures in divisions (D)(1)(g), (h), and (i) of this section and 23944
the reported data in divisions (D)(2)(e) and (k) of this section. 23945

If the measure prescribed under division (D)(1)(h) of this 23946
section is included in a report card, performance ratings for the 23947
early literacy component shall give a weight of forty per cent to 23948
the measure prescribed under division (D)(1)(g) of this section, a 23949
weight of thirty-five per cent to the measure prescribed under 23950
division (D)(1)(i) of this section, and a weight of twenty-five 23951

per cent to the measure prescribed under division (D)(1)(h) of 23952
this section. 23953

If the measure prescribed under division (D)(1)(h) of this 23954
section is not included in a report card of a district or 23955
building, performance ratings for the early literacy component 23956
shall give a weight of sixty per cent to the measure prescribed 23957
under division (D)(1)(g) of this section and a weight of forty per 23958
cent to the measure prescribed under division (D)(1)(i) of this 23959
section. 23960

(f) College, career, workforce, and military readiness, which 23961
shall include the performance measure in division (D)(1)(j) of 23962
this section and the reported data in division (D)(2)(f) of this 23963
section. 23964

For the 2021-2022, 2022-2023, and 2023-2024 school years, the 23965
department only shall report the data for, and not assign a 23966
performance rating to, the college, career, workforce, and 23967
military readiness component. The reported data shall include the 23968
percentage of students who demonstrate post-secondary readiness 23969
using any of the options described in division (D)(1)(j) of this 23970
section. 23971

The department shall analyze the data included in the 23972
performance measure prescribed in division (D)(1)(j) of this 23973
section for the 2021-2022, 2022-2023, and 2023-2024 school years. 23974
Using that data, the department shall develop and propose rules 23975
for a method to assign a performance rating to the college, 23976
career, workforce, and military readiness component based on that 23977
measure. The method to assign a performance rating shall not 23978
include a tiered structure or per student bonuses. The rules shall 23979
specify that a district or building shall not receive lower than a 23980
performance rating of three stars for the component if the 23981
district's or building's performance on the component meets or 23982
exceeds a level of improvement set by the department. 23983

Notwithstanding division (D)(4)(b) of this section, more than half 23984
of the total districts and buildings may earn a performance rating 23985
of three stars on this component to account for the districts and 23986
buildings that earned a performance rating of three stars because 23987
they met or exceeded the level of improvement set by the 23988
department. 23989

The department shall submit the rules to the joint committee 23990
on agency rule review. The committee shall conduct at least one 23991
public hearing on the proposed rules and approve or disapprove the 23992
rules. If the committee approves the rules, the state board shall 23993
adopt the rules in accordance with Chapter 119. of the Revised 23994
Code. If the rules are adopted, the department shall assign a 23995
performance rating to the college, career, workforce, and military 23996
readiness component under the rules beginning with the 2024-2025 23997
school year, and for each school year thereafter. If the committee 23998
disapproves the rules, the component shall be included in the 23999
report card only as reported data for the 2024-2025 school year, 24000
and each school year thereafter. 24001

(g)(i) Except as provided for in division (D)(3)(g)(ii) of 24002
this section, beginning with the 2022-2023 school year, under the 24003
state board's method prescribed under rules adopted in division 24004
(D)(4) of this section, the department shall use the performance 24005
ratings assigned for the components prescribed in divisions 24006
(D)(3)(a) to (e) of this section to determine and assign an 24007
overall performance rating of "one star," "one and one-half 24008
stars," "two stars," "two and one-half stars," "three stars," 24009
"three and one-half stars," "four stars," "four and one-half 24010
stars," or "five stars" for a district or building. The method 24011
shall give equal weight to the components in divisions (D)(3)(b) 24012
and (c) of this section. The method shall give equal weight to the 24013
components in divisions (D)(3)(a), (d), and (e) of this section. 24014
The individual weights of each of the components prescribed in 24015

divisions (D)(3)(a), (d), and (e) of this section shall be equal 24016
to one-half of the weight given to the component prescribed in 24017
division (D)(3)(b) of this section. 24018

(ii) If the joint committee on agency rule review approves 24019
the department's rules regarding the college, career, workforce, 24020
and military readiness component as described in division 24021
(D)(3)(f) of this section, for the 2024-2025 school year, and each 24022
school year thereafter, the state board's method shall use the 24023
components in divisions (D)(3)(a), (b), (c), (d), (e), and (f) of 24024
this section to calculate the overall performance rating. The 24025
method shall give equal weight to the components in divisions 24026
(D)(3)(b) and (c) of this section. The method shall give equal 24027
weight to the components prescribed in divisions (D)(3)(a), (d), 24028
(e), and (f) of this section. The individual weights of each of 24029

department's rules regarding the college, career, workforce, and 24034
military readiness component as described in division (D)(3)(f) of 24035
this section, division (D)(3)(g)(ii) of this section does not 24036

the department to assign performance ratings under division (D)(3) 24042
of this section. 24043

(b) In establishing the performance criteria, benchmarks, and 24044
rating system, the state board shall consult with stakeholder 24045
groups and advocates that represent parents, community members, 24046
students, business leaders, and educators from different school 24047

typology regions. The state board shall use data from prior school 24048
years and simulations to ensure that there is meaningful 24049
differentiation among districts and buildings across all 24050
performance ratings and that, except as permitted in division 24051
(D)(3)(f) of this section, more than half of all districts or 24052
buildings do not earn the same performance rating in any component 24053
or overall performance rating. 24054

(c) The state board shall adopt the rules prescribed by 24055
division (D)(4) of this section not later than March 31, 2022. 24056
However, the department shall notify districts and buildings of 24057
the changes to the report card prescribed in law not later than 24058
one week after ~~the effective date of this amendment~~ September 30, 24059

(d) Prior to adopting or updating rules under division (D)(4) 24061
of this section, the president of the state board and the 24062
department shall conduct a public presentation before the standing 24063
committees of the house of representatives and the senate that 24064
consider primary and secondary education legislation describing 24065
the format for the report card and the performance criteria, 24066
benchmarks, and rating system, including the method to assign 24067
performance ratings under division (D)(3) of this section. 24068

(E) On or after July 1, 2015, the state board may develop a 24069
measure of student academic progress for high school students 24070
using only data from assessments in English language arts and 24071
mathematics. If the state board develops this measure, each school 24072
district and applicable school building shall be assigned a 24073
separate letter grade for it not sooner than the 2017-2018 school 24074
year. The district's or building's grade for that measure shall 24075
not be included in determining the district's or building's 24076
overall letter grade. 24077

(F)(1) The letter grades assigned to a school district or 24078

(3) For performance ratings for each component under divisions (D)(3)(a) to (f) of this section, the state board shall include a description of each component and performance rating. The description shall include component-specific context to each performance rating earned, estimated comparisons to other school districts and buildings if appropriate, and any other information determined by the state board. The descriptions shall be not longer than twenty-five words in length when possible. determine the data to be used for this graphic, which shall	24120
include at least the three most recent years of data.	24121
(c) A description regarding the weights that are assigned to	24122
each component and used to determine an overall performance	24123
rating, as prescribed under division (D)(3)(g) of this section,	24124
which shall be included in the presentation of the overall	24125
performance rating on each report card.	24126

In disaggregating specific academic ability fields for gifted students, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field as well.	24151 24152 24153 24154 24155 24156 24157 24158 24159

additional education and fiscal performance data it deems 24180
valuable. 24181

(I) The department shall include on each report card a list 24182
of additional information collected by the department that is 24183
available regarding the district or building for which the report 24184
card is issued. When available, such additional information shall 24185
include student mobility data disaggregated by race and 24186
socioeconomic status, college enrollment data, and the reports 24187

for the district under this section or section 3302.033 of the 24203
Revised Code. 24204

(b) The department shall not combine data from any conversion 24205

in a dropout prevention and recovery program that is operated by 24208
the school, as described in division (A)(4)(a) of section 3314.35 24209

the school endorse each other's programs may elect to have data 24220
regarding the academic performance of students enrolled in the 24221
community school combined with comparable data from the schools of 24222
the district for the purpose of determining the performance of the 24223
district as a whole on the district report card. Any district that 24224
so elects shall annually file a copy of the lease or agreement 24225
with the department. 24226

(3) Any municipal school district, as defined in section 24227
3311.71 of the Revised Code, that sponsors a community school 24228

territory whereby the district and the community school endorse 24231
each other's programs, may exercise either or both of the 24232
following elections: 24233

hours or days of learning opportunities, each community school 25577
shall offer not less than nine hundred twenty hours of learning 25578
opportunities during the school year. 25579

under division (H)(3) of this section, the department shall waive 25581
the number of hours or days of learning opportunities not offered 25582
to a student because the community school was closed during the 25583
school year due to disease epidemic, hazardous weather conditions, 25584
law enforcement emergencies, inoperability of school buses or 25585

other equipment necessary to the school's operation, damage to a 25586
school building, or other temporary circumstances due to utility 25587
failure rendering the school building unfit for school use, so 25588
long as the school was actually open for instruction with students 25589
in attendance during that school year for not less than the 25590
minimum number of hours required by this chapter. The department 25591
shall treat the school as if it were open for instruction with 25592

contract between the school and the school's sponsor as required 25608
by division (A)(23) of section 3314.03 of the Revised Code; 25609

(b) The school is in compliance with division (A) of section 25610
3314.22 of the Revised Code, relative to such student. 25611

(2) In accordance with policies adopted by the superintendent 25612
of public instruction, in consultation with the auditor of state, 25613
the department shall reduce the amounts otherwise payable under 25614
section 3317.022 of the Revised Code to any community school that 25615
includes in its program the provision of computer hardware and 25616

software materials to any student, if such hardware and software 25617
materials have not been delivered, installed, and activated for 25618
each such student in a timely manner or other educational 25619
materials or services have not been provided according to the 25620
contract between the individual community school and its sponsor. 25621

The superintendent of public instruction and the auditor of 25622

jointly make recommendations to the general assembly for 25627
legislative changes that may be required to assure fiscal and 25628
academic accountability for such schools. 25629

(K)(1) If the department determines that a review of a 25630
community school's enrollment is necessary, such review shall be 25631
completed and written notice of the findings shall be provided to 25632
the governing authority of the community school and its sponsor 25633
within ninety days of the end of the community school's fiscal 25634
year, unless extended for a period not to exceed thirty additional 25635
days for one of the following reasons: 25636

(a) The department and the community school mutually agree to 25637
the extension. 25638

(b) Delays in data submission caused by either a community 25639
school or its sponsor. 25640

unless the teacher completed the training while employed by a 29779
different district under division (C)(1) of this section. 29780

(D) Any professional development training completed by a 29781

count toward the number of instructional hours in approved 29784
professional development training required under division (C) of 29785
this section. 29786

(E) Nothing in this section shall prohibit a school district 29787
from requiring employees who are not subject to this section from 29788
completing professional development training approved under 29789
division (B) of this section. 29790

Sec. 3319.088. As used in this section, "educational 29791
assistant" means any nonteaching employee in a school district who 29792
directly assists a teacher as defined in section 3319.09 of the 29793
Revised Code, by performing duties for which a license issued 29794
pursuant to sections 3319.22 to 3319.30 of the Revised Code is not 29795
required. 29796

(A) The state board of education shall issue educational aide 29797
permits and educational paraprofessional licenses for educational 29798

assistants and shall adopt rules for the issuance and renewal of 29799
such permits and licenses which shall be consistent with the 29800
provisions of this section. Educational aide permits and 29801
educational paraprofessional licenses may be of several types and 29802
the rules shall prescribe the minimum qualifications of education 29803
and health for the service to be authorized under each type. The 29804
prescribed minimum qualifications may require special training or 29805
educational courses designed to qualify a person to perform 29806
effectively the duties authorized under an educational aide permit 29807
or educational paraprofessional license. 29808

(B)(1) Any application for a permit or license, or a renewal 29809
or duplicate of a permit or license, under this section shall be 29810
accompanied by the payment of a fee in the amount established 29811
under division (A) of section 3319.51 of the Revised Code. Any 29812
fees received under this division shall be paid into the state 29813
treasury to the credit of the state board of education licensure 29814
fund established under division (B) of section 3319.51 of the 29815
Revised Code. 29816

(2) Any person applying for or holding a permit or license 29817
pursuant to this section is subject to sections 3123.41 to 3123.50 29818
of the Revised Code and any applicable rules adopted under section 29819
3123.63 of the Revised Code and sections 3319.31 and 3319.311 of 29820
the Revised Code. 29821

(C) Educational assistants shall at all times while in the 29822
performance of their duties be under the supervision and direction 29823
of a teacher as defined in section 3319.09 of the Revised Code. 29824
Educational assistants may assist a teacher to whom assigned in 29825
the supervision of pupils, in assisting with instructional tasks, 29826
and in the performance of duties which, in the judgment of the 29827
teacher to whom the assistant is assigned, may be performed by a 29828
person not licensed pursuant to sections 3319.22 to 3319.30 of the 29829
Revised Code and for which a teaching license, issued pursuant to 29830

sections 3319.22 to 3319.30 of the Revised Code is not required. 29831
The duties of an educational assistant shall not include the 29832
assignment of grades to pupils. The duties of an educational 29833
assistant need not be performed in the physical presence of the 29834
teacher to whom assigned, but the activity of an educational 29835
assistant shall at all times be under the direction of the teacher 29836
to whom assigned. The assignment of an educational assistant need 29837
not be limited to assisting a single teacher. In the event an 29838
educational assistant is assigned to assist more than one teacher 29839
the assignments shall be clearly delineated and so arranged that 29840
the educational assistant shall never be subject to simultaneous 29841
supervision or direction by more than one teacher. 29842

Educational assistants assigned to supervise children shall, 29843
when the teacher to whom assigned is not physically present, 29844
maintain the degree of control and discipline that would be 29845
maintained by the teacher. 29846

Educational assistants may not be used in place of classroom 29847
teachers or other employees and any payment of compensation by 29848
boards of education to educational assistants for such services is 29849
prohibited. The ratio between the number of licensed teachers and 29850
the pupils in a school district may not be decreased by 29851
utilization of educational assistants and no grouping, or other 29852
organization of pupils, for utilization of educational assistants 29853
shall be established which is inconsistent with sound educational 29854
practices and procedures. A school district may employ up to one 29855
full time equivalent educational assistant for each six full time 29856
equivalent licensed employees of the district. Educational 29857
assistants shall not be counted as licensed employees for purposes 29858
of state support in the school foundation program and no grouping 29859
or regrouping of pupils with educational assistants may be counted 29860
as a class or unit for school foundation program purposes. Neither 29861
special courses required by the regulations of the state board of 29862

education, prescribing minimum qualifications of education for an 29863
educational assistant, nor years of service as an educational 29864
assistant shall be counted in any way toward qualifying for a 29865
teacher license, for a teacher contract of any type, or for 29866
determining placement on a salary schedule in a school district as 29867
a teacher. 29868

(D) Educational assistants employed by a board of education 29869
shall have all rights, benefits, and legal protection available to 29870
other nonteaching employees in the school district, except that 29871
provisions of Chapter 124. of the Revised Code shall not apply to 29872
any person employed as an educational assistant, and shall be 29873
members of the school employees retirement system. Educational 29874
assistants shall be compensated according to a salary plan adopted 29875
annually by the board. 29876

Except as provided in this section nonteaching employees 29877
shall not serve as educational assistants without first obtaining 29878
an appropriate educational aide permit or educational 29879
paraprofessional license from the state board of education. A 29880
nonteaching employee who is the holder of a valid educational aide 29881
permit or educational paraprofessional license shall neither 29882
render nor be required to render services inconsistent with the 29883
type of services authorized by the permit or license held. No 29884
person shall receive compensation from a board of education for 29885
services rendered as an educational assistant in violation of this 29886
provision. 29887

Nonteaching employees whose functions are solely 29888
secretarial-clerical and who do not perform any other duties as 29889
educational assistants, even though they assist a teacher and work 29890
under the direction of a teacher shall not be required to hold a 29891
permit or license issued pursuant to this section. ~~Students~~ 29892
~~preparing to become licensed teachers or educational assistants~~ 29893
~~shall not be required to hold an educational aide permit or~~ 29894

~~paraprofessional license for such periods of time as such students
are assigned, as part of their training program, to work with a
teacher in a school district. Such students shall not be
compensated for such services.~~

Following the determination of the assignment and general job
description of an educational assistant and subject to supervision
by the teacher's immediate administrative officer, a teacher to
whom an educational assistant is assigned shall make all final
determinations of the duties to be assigned to such assistant.
Teachers shall not be required to hold a license designated for
being a supervisor or administrator in order to perform the
necessary supervision of educational assistants.

(E) No person who is, or who has been employed as an
educational assistant shall divulge, except to the teacher to whom
assigned, or the administrator of the school in the absence of the
teacher to whom assigned, or when required to testify in a court
or proceedings, any personal information concerning any pupil in
the school district which was obtained or obtainable by the
educational assistant while so employed. Violation of this
provision is grounds for disciplinary action or dismissal, or
both.

(F) Notwithstanding anything to the contrary in this section,
the superintendent of a school district may allow an employee who
does not hold a permit or license issued under this section to
work as a substitute for an educational assistant who is absent on
account of illness or on a leave of absence, or to fill a
temporary position created by an emergency, provided that the
superintendent believes the employee's application materials
indicate that the employee is qualified to obtain a permit or
license under this section.

An employee shall begin work as a substitute under this
division not earlier than on the date on which the employee files

an application with the state board for a permit or license under 29927
this section. An employee shall cease working as a substitute 29928
under this division on the earliest of the following: 29929

(1) The date on which the employee files a valid permit or 29930
license issued under this section with the superintendent; 29931

(2) The date on which the employee is denied a permit or 29932
license under this section; 29933

(3) Sixty days following the date on which the employee began 29934
work as a substitute under this division. 29935

The superintendent shall ensure that an employee assigned to 29936
work as a substitute under division (F) of this section has 29937
undergone a criminal records check in accordance with section 29938
3319.391 of the Revised Code. 29939

Sec. 3319.0812. (A) The state board of education shall adopt 29940
rules in accordance with Chapter 119. of the Revised Code, 29941
establishing the standards and requirements for obtaining a 29942
pre-service teacher permit. The permit shall be required for an 29943
individual who is enrolled in an educator preparation program in 29944
order to participate in any student classroom teaching or other 29945
training experience that involves students in any of grades 29946
pre-kindergarten through twelve in a public or chartered nonpublic 29947
school and that is required for completion of the program. 29948

(B) Notwithstanding section 3319.226 of the Revised Code, a 29949
school district or school may employ an individual who holds a 29950
permit issued under this section as a substitute teacher. The 29951
individual may teach for up to the equivalent of one full 29952
semester, subject to the approval of the employing district board 29953
of education or school governing authority and may be compensated 29954
for that service. The district superintendent or chief 29955
administrator of the school may request that the board or 29956

governing authority approve one or more additional subsequent 29957
semester-long periods of teaching for the individual. 29958

(C) A pre-service teacher permit shall be valid for three 29959
years. The department of education, on a case-by-case basis, may 29960
extend the permit's duration as needed to enable the permit holder 29961
to complete the educator preparation program in which the permit 29962
holder is enrolled. 29963

(D) An individual applying for a pre-service teacher permit 29964
shall be subject to a criminal records check as prescribed by 29965
section 3319.39 of the Revised Code. In the manner prescribed by 29966
the department, the individual shall submit the criminal records 29967
check to the department. The department shall use the information 29968
submitted to enroll the individual in the retained applicant 29969
fingerprint database, established under section 109.5721 of the 29970
Revised Code, in the same manner as any teacher licensed under 29971
section 3319.22 to 3319.31 of the Revised Code. 29972

If the department receives notification of the arrest or 29973
conviction of an individual under division (D) of this section, 29974
the department shall promptly notify the applicable educator 29975
preparation program and any school district or school in which the 29976
pre-service teacher has been employed or assigned as part of the 29977
program and may take any action authorized under sections 3319.31 29978
and 3319.311 of the Revised Code that it considers to be 29979
appropriate. Upon receiving notification from the department of an 29980
arrest or conviction of an individual under division (D) of this 29981
section, the educator preparation program shall provide to the 29982
department a list of all school districts and schools to which the 29983
pre-service teacher has been assigned as a part of the program. 29984

Sec. 3319.22. (A)(1) The state board of education shall issue 29985
the following educator licenses: 29986

years and shall be renewable for reasons specified by rules 29988
adopted by the state board pursuant to division (A)(3) of this 29989
section. The state board, on a case-by-case basis, may extend the 29990
license's duration as necessary to enable the license holder to 29991
complete the Ohio teacher residency program established under 29992
section 3319.223 of the Revised Code; 29993

(b) A professional educator license, which shall be valid for 29994
five years and shall be renewable; 29995

licensed to teach grades pre-kindergarten through five, grades 30002
four through nine, or grades seven through twelve. The changes to 30003
the grade band specifications under this amendment shall not apply 30004
to a person who holds a license under division (A)(1) of this 30005
section prior to November 2, 2018. Further, the changes to the 30006

intervention specialist, including a gifted intervention 30013
specialist, or to any other license that does not align to the 30014
grade band specifications. 30015

(2) The state board may issue any additional educator 30016
licenses of categories, types, and levels the board elects to 30017
provide. 30018

(3) The state board shall adopt rules establishing the standards and requirements for obtaining each educator license issued under this section. The rules shall also include the reasons for which a resident educator license may be renewed under division (A)(1)(a) of this section.

(B) The rules adopted under this section shall require at least the following standards and qualifications for the educator licenses described in division (A)(1) of this section:

section 119.03 and division (A)(1) of section 119.04 of the 30093
Revised Code. Instead, the effective date of such rules, or the 30094
amendment or rescission of such rules, shall be the date 30095
prescribed by section 3333.048 of the Revised Code. 30096

(2) Notwithstanding the authority to adopt, amend, or rescind 30097
emergency rules in division (G) of section 119.03 of the Revised 30098
Code, this authority shall not apply to the state board of 30099
education with regard to rules for educator licenses. 30100

(F)(1) The rules adopted under this section establishing 30101
standards requiring additional coursework for the renewal of any 30102
educator license shall require a school district and a chartered 30103
nonpublic school to establish local professional development 30104
committees. In a nonpublic school, the chief administrative 30105
officer shall establish the committees in any manner acceptable to 30106
such officer. The committees established under this division shall 30107
determine whether coursework that a district or chartered 30108
nonpublic school teacher proposes to complete meets the 30109
requirement of the rules. The department of education shall 30110

provide technical assistance and support to committees as the 30111
committees incorporate the professional development standards 30112
adopted by the state board of education pursuant to section 30113
3319.61 of the Revised Code into their review of coursework that 30114
is appropriate for license renewal. The rules shall establish a 30115
procedure by which a teacher may appeal the decision of a local 30116
professional development committee. 30117

(2) In any school district in which there is no exclusive 30118
representative established under Chapter 4117. of the Revised 30119
Code, the professional development committees shall be established 30120
as described in division (F)(2) of this section. 30121

Not later than the effective date of the rules adopted under 30122
this section, the board of education of each school district shall 30123
establish the structure for one or more local professional 30124
development committees to be operated by such school district. The 30125
committee structure so established by a district board shall 30126
remain in effect unless within thirty days prior to an anniversary 30127
of the date upon which the current committee structure was 30128
established, the board provides notice to all affected district 30129
employees that the committee structure is to be modified. 30130
Professional development committees may have a district-level or 30131
building-level scope of operations, and may be established with 30132
regard to particular grade or age levels for which an educator 30133
license is designated. 30134

Each professional development committee shall consist of at 30135
least three classroom teachers employed by the district, one 30136
principal employed by the district, and one other employee of the 30137
district appointed by the district superintendent. For committees 30138
with a building-level scope, the teacher and principal members 30139
shall be assigned to that building, and the teacher members shall 30140
be elected by majority vote of the classroom teachers assigned to 30141
that building. For committees with a district-level scope, the 30142

teacher members shall be elected by majority vote of the classroom 30143
teachers of the district, and the principal member shall be 30144
elected by a majority vote of the principals of the district, 30145
unless there are two or fewer principals employed by the district, 30146
in which case the one or two principals employed shall serve on 30147
the committee. If a committee has a particular grade or age level 30148
scope, the teacher members shall be licensed to teach such grade 30149
or age levels, and shall be elected by majority vote of the 30150
classroom teachers holding such a license and the principal shall 30151
be elected by all principals serving in buildings where any such 30152
teachers serve. The district superintendent shall appoint a 30153
replacement to fill any vacancy that occurs on a professional 30154
development committee, except in the case of vacancies among the 30155
elected classroom teacher members, which shall be filled by vote 30156
of the remaining members of the committee so selected. 30157

Terms of office on professional development committees shall 30158
be prescribed by the district board establishing the committees. 30159
The conduct of elections for members of professional development 30160
committees shall be prescribed by the district board establishing 30161
the committees. A professional development committee may include 30162
additional members, except that the majority of members on each 30163
such committee shall be classroom teachers employed by the 30164
district. Any member appointed to fill a vacancy occurring prior 30165
to the expiration date of the term for which a predecessor was 30166

term. 30168

The initial meeting of any professional development 30169
committee, upon election and appointment of all committee members, 30170
shall be called by a member designated by the district 30171
superintendent. At this initial meeting, the committee shall 30172
select a chairperson and such other officers the committee deems 30173
necessary, and shall adopt rules for the conduct of its meetings. 30174

Thereafter, the committee shall meet at the call of the 30175
chairperson or upon the filing of a petition with the district 30176
superintendent signed by a majority of the committee members 30177
calling for the committee to meet. 30178

(3) In the case of a school district in which an exclusive 30179
representative has been established pursuant to Chapter 4117. of 30180
the Revised Code, professional development committees shall be 30181
established in accordance with any collective bargaining agreement 30182
in effect in the district that includes provisions for such 30183
committees. 30184

If the collective bargaining agreement does not specify a 30185
different method for the selection of teacher members of the 30186
committees, the exclusive representative of the district's 30187
teachers shall select the teacher members. 30188

If the collective bargaining agreement does not specify a 30189
different structure for the committees, the board of education of 30190
the school district shall establish the structure, including the 30191
number of committees and the number of teacher and administrative 30192
members on each committee; the specific administrative members to 30193
be part of each committee; whether the scope of the committees 30194
will be district levels, building levels, or by type of grade or 30195
age levels for which educator licenses are designated; the lengths 30196
of terms for members; the manner of filling vacancies on the 30197
committees; and the frequency and time and place of meetings. 30198
However, in all cases, except as provided in division (F)(4) of 30199
this section, there shall be a majority of teacher members of any 30200
professional development committee, there shall be at least five 30201
total members of any professional development committee, and the 30202

the case of vacancies among teacher members, unless the collective 30204
bargaining agreement specifies a different method of selecting 30205
such replacements. 30206

(4) Whenever an administrator's coursework plan is being 30207
discussed or voted upon, the local professional development 30208
committee shall, at the request of one of its administrative 30209
members, cause a majority of the committee to consist of 30210
administrative members by reducing the number of teacher members 30211
voting on the plan. 30212

(G)(1) The department of education, educational service 30213
centers, county boards of developmental disabilities, college and 30214
university departments of education, head start programs, and the 30215
Ohio education computer network may establish local professional 30216
development committees to determine whether the coursework 30217
proposed by their employees who are licensed or certificated under 30218
this section or section 3319.222 of the Revised Code, or under the 30219
former version of either section as it existed prior to October 30220
16, 2009, meet the requirements of the rules adopted under this 30221
section. They may establish local professional development 30222
committees on their own or in collaboration with a school district 30223
or other agency having authority to establish them. 30224

Local professional development committees established by 30225
county boards of developmental disabilities shall be structured in 30226
a manner comparable to the structures prescribed for school 30227
districts in divisions (F)(2) and (3) of this section, as shall 30228
the committees established by any other entity specified in 30229
division (G)(1) of this section that provides educational services 30230
by employing or contracting for services of classroom teachers 30231
licensed or certificated under this section or section 3319.222 of 30232
the Revised Code, or under the former version of either section as 30233
it existed prior to October 16, 2009. All other entities specified 30234
in division (G)(1) of this section shall structure their 30235
committees in accordance with guidelines which shall be issued by 30236
the state board. 30237

(2) Educational service centers may establish local 30238

professional development committees to serve educators who are not 30239
employed in schools in this state, including pupil services 30240
personnel who are licensed under this section. Local professional 30241
development committees shall be structured in a manner comparable 30242
to the structures prescribed for school districts in divisions 30243
(F)(2) and (3) of this section. 30244

These committees may agree to review the coursework, 30245
continuing education units, or other equivalent activities related 30246
to classroom teaching or the area of licensure that is proposed by 30247
an individual who satisfies both of the following conditions: 30248

(a) The individual is licensed or certificated under this 30249
section or under the former version of this section as it existed 30250
prior to October 16, 2009. 30251

(b) The individual is not currently employed as an educator 30252
or is not currently employed by an entity that operates a local 30253
professional development committee under this section. 30254

Any committee that agrees to work with such an individual 30255
shall work to determine whether the proposed coursework, 30256
continuing education units, or other equivalent activities meet 30257
the requirements of the rules adopted by the state board under 30258
this section. 30259

(3) Any public agency that is not specified in division 30260
(G)(1) or (2) of this section but provides educational services 30261
and employs or contracts for services of classroom teachers 30262
licensed or certificated under this section or section 3319.222 of 30263
the Revised Code, or under the former version of either section as 30264
it existed prior to October 16, 2009, may establish a local 30265
professional development committee, subject to the approval of the 30266
department of education. The committee shall be structured in 30267
accordance with guidelines issued by the state board. 30268

(H) Not later than July 1, 2016, the state board, in 30269

accordance with Chapter 119. of the Revised Code, shall adopt 30270
rules pursuant to division (A)(3) of this section that do both of 30271
the following: 30272

(1) Exempt consistently high-performing teachers from the 30273
requirement to complete any additional coursework for the renewal 30274
of an educator license issued under this section or section 30275
3319.26 of the Revised Code. The rules also shall specify that 30276
such teachers are exempt from any requirements prescribed by 30277
professional development committees established under divisions 30278

license endorsement in computer technology and a passing score on 30286
a content examination in the area of computer science, to teach 30287
computer science courses. 30288

(B) A school district may employ an individual, for the 30289
purpose of teaching computer science courses, who holds a valid 30290
educator license ~~in any of grades kindergarten through twelve,~~ 30291
provided the individual meets the requirements established by 30292
rules of the state board of education to qualify for a 30293
supplemental teaching license for teaching computer science. The 30294
rules shall require an applicant for a supplemental teaching 30295
license to pass a content examination in the area of computer 30296
science. The rules also shall permit an individual, after at least 30297
two years of successfully teaching computer science courses under 30298
the supplemental teaching license, to advance to a standard 30299
educator license in computer science by completing a pedagogy 30300

course applicable to the grade levels in which the individual is 30301
teaching. However, the rules may exempt an individual teaching 30302
computer science from the requirement to complete a pedagogy 30303
course if the individual previously completed a pedagogy course 30304
applicable to the grade levels in which the individual is 30305
teaching. 30306

(C) In order for an individual to teach advanced placement 30307
computer science courses, a school district shall require the 30308
individual to also complete a professional development program 30309
endorsed or provided by the organization that creates and 30310
administers national advanced placement examinations. For this 30311
purpose, the individual may complete the program at any time 30312
during the calendar year. 30313

(D) Notwithstanding section 3301.012 of the Revised Code, as 30314
used in this section, "computer science courses" means any courses 30315
that are reported in the education management information system 30316
established under section 3301.0714 of the Revised Code as 30317
computer science courses and which are aligned to computer science 30318
standards adopted by the state board of education. 30319

(E) The state board of education shall adopt rules to create 30320
a computer science teaching license for industry professionals to 30321
teach computer science to specific grades. The holder of a 30322
computer science teaching license for industry professionals shall 30323
be limited to teaching forty hours in a week in the subject area 30324
of computer science, as defined in section 3322.01 of the Revised 30325
