education and transfer coursework and degrees to any other state 32203
institution of higher education without unnecessary duplication or 32204
institutional barriers. The purpose of this requirement is to 32205
allow students to attain their highest educational aspirations in 32206
the most efficient and effective manner for the students and the 32207
state. These policies and procedures shall require state 32208

classification system for state institutions of higher education 32214
so that the transfer of students and the transfer and articulation 32215
of equivalent courses or specified learning modules or units 32216
completed by students are not inhibited by inconsistent judgment 32217
about the application of transfer credits. Coursework completed 32218
within such a system at one state institution of higher education 32219

and transferred to another institution shall be applied to the 32220
student's degree objective in the same manner as equivalent 32221

(4) Develop a system of transfer policies that ensure that 32234
graduates with associate degrees which include completion of 32235
approved transfer modules shall be admitted to a state institution 32236
of higher education, shall be able to compete for admission to 32237
specific programs on the same basis as students native to the 32238
institution, and shall have priority over out-of-state associate 32239
degree graduates and transfer students. To assist a student in 32240

marketing agenda that includes materials and interactive 32246
technology to inform the citizens of Ohio about the availability 32247
of transfer options at state institutions of higher education and 32248
to encourage adults to return to colleges and universities for 32249
additional education; 32250

(6) Study, in consultation with the state board of career 32251

to state institutions of higher education for graduates who have 32255

certificate of registration from the state board of career 32257
colleges and schools under Chapter 3332. of the Revised Code. 32258

(C) All provisions of the existing articulation and transfer 32259

transferred and applied to a bachelor degree program in an 32266
equivalent field at any other state institution of higher 32267
education without unnecessary duplication or institutional 32268
barriers. The policies and procedures shall ensure that each 32269
transferred associate degree applies to the student's degree 32270
objective in the same manner as equivalent coursework completed by 32271
the student at the receiving institution. 32272

When updating and implementing the policies and procedures 32273
pursuant to this division, the chancellor shall seek input from 32274
faculty and academic leaders in each academic field or discipline. 32275

program provide notification of the program's requirements to each 34419
owner of a motor vehicle that is required to be inspected under 34420
the program. The contract shall require the notification to be 34421
provided not later than sixty days prior to the date by which the 34422
owner of the motor vehicle is required to have the motor vehicle 34423
inspected. The director of environmental protection and the vendor 34424
shall jointly agree on the content of the notice. However, the 34425
notice shall include at a minimum the locations of all inspection 34426
facilities within a specified distance of the address that is 34427
listed on the owner's motor vehicle registration; 34428

director may continue to implement and enforce rules pertaining to 34453
the motor vehicle inspection and maintenance program previously 34454
implemented under former section 3704.14 of the Revised Code as 34455
that section existed prior to its repeal and reenactment by Am. 34456

in any three-hundred-sixty-five-day period. Inspection fees that 34480
are charged by a contractor conducting emissions inspections under 34481
a motor vehicle inspection and maintenance program shall be 34482

registrar or sub-registrar until a satisfactory death, fetal 34527

permit from a local registrar or sub-registrar, the registrar or 34544
sub-registrar shall charge a fee of three dollars for the issuance 34545
of the burial permit. Two dollars and fifty cents of each fee 34546
collected for a burial permit shall be paid into the state 34547

required by this section if the total cost of the burial will be 34560
paid by an agency or instrumentality of the United States, the 34561

state or a state agency, or a political subdivision of the state. 34562

The director of commerce may by rule adopted in accordance 34563

the fee required to be paid to the credit of the division of real 34566
estate and professional licensing for the use of the division and 34567
the Ohio cemetery dispute resolution commission, if the director 34568
determines that the total amount of funds the fee is generating at 34569
the amount required by this section exceeds the amount of funds 34570
the division of real estate and professional licensing and the 34571
commission need to carry out their powers and duties prescribed in 34572
Chapter 4767. of the Revised Code. 34573

created in section 3734.061 of the Revised Code; ~~i~~ 35574

(3) An additional two dollars and ~~eighty-five~~ eighty-one 35575
cents per ton through June 30, ~~2024~~ 2026, the proceeds of which 35576
shall be deposited in the state treasury to the credit of the 35577
environmental protection fund created in section 3745.015 of the 35578
Revised Code; 35579

(4) An additional twenty-five cents per ton through June 30, 35580
~~2024~~ 2026, the proceeds of which shall be deposited in the state 35581
treasury to the credit of the soil and water conservation district 35582
assistance fund created in section 940.15 of the Revised Code; 35583

(5) An additional eight cents per ton through June 30, 2026, 35584
the proceeds of which shall be deposited in the state treasury to 35585

the credit of the national priority list remedial support fund 35586
created in section 3734.579 of the Revised Code. 35587

In the case of solid wastes that are taken to a solid waste 35588
transfer facility located in this state prior to being transported 35589
for disposal at a solid waste disposal facility located in this 35590
state or outside of this state, the fees levied under this 35591
division shall be collected by the owner or operator of the 35592
transfer facility as a trustee for the state. The amount of fees 35593
required to be collected under this division at such a transfer 35594
facility shall equal the total tonnage of solid wastes received at 35595
the facility multiplied by the fees levied under this division. In 35596
the case of solid wastes that are not taken to a solid waste 35597
transfer facility located in this state prior to being transported 35598
to a solid waste disposal facility, the fees shall be collected by 35599
the owner or operator of the solid waste disposal facility as a 35600
trustee for the state. The amount of fees required to be collected 35601
under this division at such a disposal facility shall equal the 35602
total tonnage of solid wastes received at the facility that was 35603
not previously taken to a solid waste transfer facility located in 35604
this state multiplied by the fees levied under this division. Fees 35605
levied under this division do not apply to materials separated 35606
from a mixed waste stream for recycling by a generator or 35607
materials removed from the solid waste stream through recycling, 35608
as "recycling" is defined in rules adopted under section 3734.02 35609
of the Revised Code. 35610

The owner or operator of a solid waste transfer facility or 35611
disposal facility, as applicable, shall prepare and file with the 35612
director of environmental protection each month a return 35613
indicating the total tonnage of solid wastes received at the 35614
facility during that month and the total amount of the fees 35615
required to be collected under this division during that month. In 35616
addition, the owner or operator of a solid waste disposal facility 35617

shall indicate on the return the total tonnage of solid wastes 35618
received from transfer facilities located in this state during 35619
that month for which the fees were required to be collected by the 35620
transfer facilities. The monthly returns shall be filed on a form 35621
prescribed by the director. Not later than thirty days after the 35622
last day of the month to which a return applies, the owner or 35623
operator shall mail to the director the return for that month 35624
together with the fees required to be collected under this 35625
division during that month as indicated on the return or may 35626
submit the return and fees electronically in a manner approved by 35627
the director. If the return is filed and the amount of the fees 35628
due is paid in a timely manner as required in this division, the 35629
owner or operator may retain a discount of three-fourths of one 35630
per cent of the total amount of the fees that are required to be 35631
paid as indicated on the return. 35632

The owner or operator may request an extension of not more 35633
than thirty days for filing the return and remitting the fees, 35634
provided that the owner or operator has submitted such a request 35635
in writing to the director together with a detailed description of 35636
why the extension is requested, the director has received the 35637
request not later than the day on which the return is required to 35638
be filed, and the director has approved the request. If the fees 35639
are not remitted within thirty days after the last day of the 35640
month to which the return applies or are not remitted by the last 35641
day of an extension approved by the director, the owner or 35642
operator shall not retain the three-fourths of one per cent 35643
discount and shall pay an additional ten per cent of the amount of 35644
the fees for each month that they are late. For purposes of 35645
calculating the late fee, the first month in which fees are late 35646
begins on the first day after the deadline has passed for timely 35647
submitting the return and fees, and one additional month shall be 35648
counted every thirty days thereafter. 35649

The owner or operator of a solid waste facility may request a refund or credit of fees levied under this division and remitted to the director that have not been paid to the owner or operator. Such a request shall be made only if the fees have not been collected by the owner or operator, have become a debt that has become worthless or uncollectable for a period of six months or more, and may be claimed as a deduction, including a deduction claimed if the owner or operator keeps accounts on an accrual basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted under it. Prior to making a request for a refund or credit, an owner or operator shall make reasonable efforts to collect the applicable fees. A request for a refund or credit shall not include any costs resulting from those efforts to collect unpaid fees.

A request for a refund or credit of fees shall be made in writing, on a form prescribed by the director, and shall be supported by evidence that may be required in rules adopted by the director under this chapter. After reviewing the request, and if the request and evidence submitted with the request indicate that a refund or credit is warranted, the director shall grant a refund to the owner or operator or shall permit a credit to be taken by the owner or operator on a subsequent monthly return submitted by the owner or operator. The amount of a refund or credit shall not exceed an amount that is equal to ninety days' worth of fees owed to an owner or operator by a particular debtor of the owner or operator. A refund or credit shall not be granted by the director to an owner or operator more than once in any twelve-month period for fees owed to the owner or operator by a particular debtor.

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written

explanation of the reason for the submittal. 35682

For purposes of computing the fees levied under this division 35683
or division (B) of this section, any solid waste transfer or 35684
disposal facility that does not use scales as a means of 35685
determining gate receipts shall use a conversion factor of three 35686
cubic yards per ton of solid waste or one cubic yard per ton for 35687
baled waste, as applicable. 35688

The fees levied under this division and divisions (B) and (C) 35689
of this section are in addition to all other applicable fees and 35690
taxes and shall be paid by the customer or a political subdivision 35691
to the owner or operator of a solid waste transfer or disposal 35692
facility. In the alternative, the fees shall be paid by a customer 35693
or political subdivision to a transporter of waste who 35694
subsequently transfers the fees to the owner or operator of such a 35695
facility. The fees shall be paid notwithstanding the existence of 35696
any provision in a contract that the customer or a political 35697
subdivision may have with the owner or operator or with a 35698
transporter of waste to the facility that would not require or 35699
allow such payment regardless of whether the contract was entered 35700
prior to or after October 16, 2009. For those purposes, "customer" 35701
means a person who contracts with, or utilizes the solid waste 35702
services of, the owner or operator of a solid waste transfer or 35703
disposal facility or a transporter of solid waste to such a 35704
facility. 35705

(B) For the purposes specified in division (G) of this 35706
section, the solid waste management policy committee of a county 35707
or joint solid waste management district may levy fees upon the 35708
following activities: 35709

(1) The disposal at a solid waste disposal facility located 35710
in the district of solid wastes generated within the district; 35711

(2) The disposal at a solid waste disposal facility within 35712

the district of solid wastes generated outside the boundaries of 35713
the district, but inside this state; 35714

(3) The disposal at a solid waste disposal facility within 35715
the district of solid wastes generated outside the boundaries of 35716
this state. 35717

The solid waste management plan of the county or joint 35718
district approved under section 3734.521 or 3734.55 of the Revised 35719
Code and any amendments to it, or the resolution adopted under 35720
this division, as appropriate, shall establish the rates of the 35721
fees levied under divisions (B)(1), (2), and (3) of this section, 35722
if any, and shall specify whether the fees are levied on the basis 35723
of tons or cubic yards as the unit of measurement. A solid waste 35724
management district that levies fees under this division on the 35725
basis of cubic yards shall do so in accordance with division (A) 35726
of this section. 35727

The fee levied under division (B)(1) of this section shall be 35728
not less than one dollar per ton nor more than two dollars per 35729
ton, the fee levied under division (B)(2) of this section shall be 35730
not less than two dollars per ton nor more than four dollars per 35731
ton, and the fee levied under division (B)(3) of this section 35732
shall be not more than the fee levied under division (B)(1) of 35733
this section. 35734

Prior to the approval of the solid waste management plan of a 35735
district under section 3734.55 of the Revised Code, the solid 35736
waste management policy committee of a district may levy fees 35737
under this division by adopting a resolution establishing the 35738
proposed amount of the fees. Upon adopting the resolution, the 35739
committee shall deliver a copy of the resolution to the board of 35740
county commissioners of each county forming the district and to 35741
the legislative authority of each municipal corporation and 35742
township under the jurisdiction of the district and shall prepare 35743
and publish the resolution and a notice of the time and location 35744

where a public hearing on the fees will be held. Upon adopting the 35745
resolution, the committee shall deliver written notice of the 35746
adoption of the resolution; of the amount of the proposed fees; 35747
and of the date, time, and location of the public hearing to the 35748
director and to the fifty industrial, commercial, or institutional 35749
generators of solid wastes within the district that generate the 35750
largest quantities of solid wastes, as determined by the 35751
committee, and to their local trade associations. The committee 35752
shall make good faith efforts to identify those generators within 35753
the district and their local trade associations, but the 35754
nonprovision of notice under this division to a particular 35755
generator or local trade association does not invalidate the 35756
proceedings under this division. The publication shall occur at 35757
least thirty days before the hearing. After the hearing, the 35758
committee may make such revisions to the proposed fees as it 35759
considers appropriate and thereafter, by resolution, shall adopt 35760
the revised fee schedule. Upon adopting the revised fee schedule, 35761
the committee shall deliver a copy of the resolution doing so to 35762
the board of county commissioners of each county forming the 35763
district and to the legislative authority of each municipal 35764
corporation and township under the jurisdiction of the district. 35765
Within sixty days after the delivery of a copy of the resolution 35766
adopting the proposed revised fees by the policy committee, each 35767
such board and legislative authority, by ordinance or resolution, 35768
shall approve or disapprove the revised fees and deliver a copy of 35769
the ordinance or resolution to the committee. If any such board or 35770
legislative authority fails to adopt and deliver to the policy 35771
committee an ordinance or resolution approving or disapproving the 35772
revised fees within sixty days after the policy committee 35773
delivered its resolution adopting the proposed revised fees, it 35774
shall be conclusively presumed that the board or legislative 35775
authority has approved the proposed revised fees. The committee 35776
shall determine if the resolution has been ratified in the same 35777

manner in which it determines if a draft solid waste management 35778
plan has been ratified under division (B) of section 3734.55 of 35779
the Revised Code. 35780

The committee may amend the schedule of fees levied pursuant 35781
to a resolution adopted and ratified under this division by 35782
adopting a resolution establishing the proposed amount of the 35783
amended fees. The committee may repeal the fees levied pursuant to 35784
such a resolution by adopting a resolution proposing to repeal 35785
them. Upon adopting such a resolution, the committee shall proceed 35786
to obtain ratification of the resolution in accordance with this 35787
division. 35788

Not later than fourteen days after declaring the new fees to 35789
be ratified or the fees to be repealed under this division, the 35790
committee shall notify by certified mail the owner or operator of 35791
each solid waste disposal facility that is required to collect the 35792
fees of the ratification and the amount of the fees or of the 35793
repeal of the fees. Collection of any fees shall commence or 35794
collection of repealed fees shall cease on the first day of the 35795
second month following the month in which notification is sent to 35796
the owner or operator. 35797

Fees levied under this division also may be established, 35798
amended, or repealed by a solid waste management policy committee 35799
through the adoption of a new district solid waste management 35800
plan, the adoption of an amended plan, or the amendment of the 35801
plan or amended plan in accordance with sections 3734.55 and 35802
3734.56 of the Revised Code or the adoption or amendment of a 35803
district plan in connection with a change in district composition 35804
under section 3734.521 of the Revised Code. 35805

Not later than fourteen days after the director issues an 35806
order approving a district's solid waste management plan, amended 35807
plan, or amendment to a plan or amended plan that establishes, 35808
amends, or repeals a schedule of fees levied by the district, the 35809

committee shall notify by certified mail the owner or operator of 35810
each solid waste disposal facility that is required to collect the 35811
fees of the approval of the plan or amended plan, or the amendment 35812
to the plan, as appropriate, and the amount of the fees, if any. 35813
In the case of an initial or amended plan approved under section 35814
3734.521 of the Revised Code in connection with a change in 35815
district composition, other than one involving the withdrawal of a 35816
county from a joint district, the committee, within fourteen days 35817
after the change takes effect pursuant to division (G) of that 35818
section, shall notify by certified mail the owner or operator of 35819
each solid waste disposal facility that is required to collect the 35820
fees that the change has taken effect and of the amount of the 35821
fees, if any. Collection of any fees shall commence or collection 35822
of repealed fees shall cease on the first day of the second month 35823
following the month in which notification is sent to the owner or 35824
operator. 35825

If, in the case of a change in district composition involving 35826
the withdrawal of a county from a joint district, the director 35827
completes the actions required under division (G)(1) or (3) of 35828
section 3734.521 of the Revised Code, as appropriate, forty-five 35829
days or more before the beginning of a calendar year, the policy 35830
committee of each of the districts resulting from the change that 35831
obtained the director's approval of an initial or amended plan in 35832
connection with the change, within fourteen days after the 35833
director's completion of the required actions, shall notify by 35834
certified mail the owner or operator of each solid waste disposal 35835
facility that is required to collect the district's fees that the 35836
change is to take effect on the first day of January immediately 35837
following the issuance of the notice and of the amount of the fees 35838
or amended fees levied under divisions (B)(1) to (3) of this 35839
section pursuant to the district's initial or amended plan as so 35840
approved or, if appropriate, the repeal of the district's fees by 35841
that initial or amended plan. Collection of any fees set forth in 35842

such a plan or amended plan shall commence on the first day of 35843
January immediately following the issuance of the notice. If such 35844
an initial or amended plan repeals a schedule of fees, collection 35845
of the fees shall cease on that first day of January. 35846

If, in the case of a change in district composition involving 35847
the withdrawal of a county from a joint district, the director 35848
completes the actions required under division (G)(1) or (3) of 35849
section 3734.521 of the Revised Code, as appropriate, less than 35850
forty-five days before the beginning of a calendar year, the 35851
director, on behalf of each of the districts resulting from the 35852
change that obtained the director's approval of an initial or 35853
amended plan in connection with the change proceedings, shall 35854
notify by certified mail the owner or operator of each solid waste 35855
disposal facility that is required to collect the district's fees 35856
that the change is to take effect on the first day of January 35857
immediately following the mailing of the notice and of the amount 35858
of the fees or amended fees levied under divisions (B)(1) to (3) 35859
of this section pursuant to the district's initial or amended plan 35860
as so approved or, if appropriate, the repeal of the district's 35861
fees by that initial or amended plan. Collection of any fees set 35862
forth in such a plan or amended plan shall commence on the first 35863
day of the second month following the month in which notification 35864
is sent to the owner or operator. If such an initial or amended 35865
plan repeals a schedule of fees, collection of the fees shall 35866
cease on the first day of the second month following the month in 35867
which notification is sent to the owner or operator. 35868

If the schedule of fees that a solid waste management 35869
district is levying under divisions (B)(1) to (3) of this section 35870
is amended or repealed, the fees in effect immediately prior to 35871
the amendment or repeal shall continue to be collected until 35872
collection of the amended fees commences or collection of the 35873
repealed fees ceases, as applicable, as specified in this 35874

division. In the case of a change in district composition, money 35875
so received from the collection of the fees of the former 35876
districts shall be divided among the resulting districts in 35877
accordance with division (B) of section 343.012 of the Revised 35878
Code and the agreements entered into under division (B) of section 35879
343.01 of the Revised Code to establish the former and resulting 35880
districts and any amendments to those agreements. 35881

For the purposes of the provisions of division (B) of this 35882
section establishing the times when newly established or amended 35883
fees levied by a district are required to commence and the 35884
collection of fees that have been amended or repealed is required 35885
to cease, "fees" or "schedule of fees" includes, in addition to 35886
fees levied under divisions (B)(1) to (3) of this section, those 35887
levied under section 3734.573 or 3734.574 of the Revised Code. 35888

(C) For the purposes of defraying the added costs to a 35889
municipal corporation or township of maintaining roads and other 35890
public facilities and of providing emergency and other public 35891
services, and compensating a municipal corporation or township for 35892
reductions in real property tax revenues due to reductions in real 35893
property valuations resulting from the location and operation of a 35894
solid waste disposal facility within the municipal corporation or 35895
township, a municipal corporation or township in which such a 35896
solid waste disposal facility is located may levy a fee of not 35897
more than twenty-five cents per ton on the disposal of solid 35898
wastes at a solid waste disposal facility located within the 35899
boundaries of the municipal corporation or township regardless of 35900
where the wastes were generated. 35901

The legislative authority of a municipal corporation or 35902
township may levy fees under this division by enacting an 35903
ordinance or adopting a resolution establishing the amount of the 35904
fees. Upon so doing the legislative authority shall mail a 35905
certified copy of the ordinance or resolution to the board of 35906

county commissioners or directors of the county or joint solid waste management district in which the municipal corporation or township is located or, if a regional solid waste management authority has been formed under section 343.011 of the Revised Code, to the board of trustees of that regional authority, the owner or operator of each solid waste disposal facility in the municipal corporation or township that is required to collect the fee by the ordinance or resolution, and the director of environmental protection. Although the fees levied under this division are levied on the basis of tons as the unit of measurement, the legislative authority, in its ordinance or resolution levying the fees under this division, may direct that the fees be levied on the basis of cubic yards as the unit of measurement based upon a conversion factor of three cubic yards per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or adopting a resolution under this division, the legislative authority shall so notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fee. Collection of any fee levied on or after March 24, 1992, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

(D)(1) The fees levied under divisions (A), (B), and (C) of this section do not apply to the disposal of solid wastes that:

(a) Are disposed of at a facility owned by the generator of the wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated;

(b) Are generated from the combustion of coal, or from the combustion of primarily coal, regardless of whether the disposal facility is located on the premises where the wastes are

generated; 35939

(c) Are asbestos or asbestos-containing materials or products 35940
disposed of at a construction and demolition debris facility that 35941
is licensed under Chapter 3714. of the Revised Code or at a solid 35942
waste facility that is licensed under this chapter. 35943

(2) Except as provided in section 3734.571 of the Revised 35944
Code, any fees levied under division (B)(1) of this section apply 35945
to solid wastes originating outside the boundaries of a county or 35946
joint district that are covered by an agreement for the joint use 35947
of solid waste facilities entered into under section 343.02 of the 35948
Revised Code by the board of county commissioners or board of 35949
directors of the county or joint district where the wastes are 35950
generated and disposed of. 35951

(3) When solid wastes, other than solid wastes that consist 35952
of scrap tires, are burned in a disposal facility that is an 35953
incinerator or energy recovery facility, the fees levied under 35954
divisions (A), (B), and (C) of this section shall be levied upon 35955
the disposal of the fly ash and bottom ash remaining after burning 35956
of the solid wastes and shall be collected by the owner or 35957
operator of the sanitary landfill where the ash is disposed of. 35958

(4) When solid wastes are delivered to a solid waste transfer 35959
facility, the fees levied under divisions (B) and (C) of this 35960
section shall be levied upon the disposal of solid wastes 35961
transported off the premises of the transfer facility for disposal 35962
and shall be collected by the owner or operator of the solid waste 35963
disposal facility where the wastes are disposed of. 35964

(5) The fees levied under divisions (A), (B), and (C) of this 35965
section do not apply to sewage sludge that is generated by a waste 35966
water treatment facility holding a national pollutant discharge 35967
elimination system permit and that is disposed of through 35968
incineration, land application, or composting or at another 35969

resource recovery or disposal facility that is not a landfill. 35970

(6) The fees levied under divisions (A), (B), and (C) of this 35971
section do not apply to solid wastes delivered to a solid waste 35972
composting facility for processing. When any unprocessed solid 35973
waste or compost product is transported off the premises of a 35974
composting facility and disposed of at a landfill, the fees levied 35975
under divisions (A), (B), and (C) of this section shall be 35976
collected by the owner or operator of the landfill where the 35977
unprocessed waste or compost product is disposed of. 35978

(7) When solid wastes that consist of scrap tires are 35979
processed at a scrap tire recovery facility, the fees levied under 35980
divisions (A), (B), and (C) of this section shall be levied upon 35981
the disposal of the fly ash and bottom ash or other solid wastes 35982
remaining after the processing of the scrap tires and shall be 35983
collected by the owner or operator of the solid waste disposal 35984
facility where the ash or other solid wastes are disposed of. 35985

(8) The director of environmental protection may issue an 35986
order exempting from the fees levied under this section solid 35987
wastes, including, but not limited to, scrap tires, that are 35988
generated, transferred, or disposed of as a result of a contract 35989
providing for the expenditure of public funds entered into by the 35990
administrator or regional administrator of the United States 35991
environmental protection agency, the director of environmental 35992
protection, or the director of administrative services on behalf 35993
of the director of environmental protection for the purpose of 35994
remediating conditions at a hazardous waste facility, solid waste 35995
facility, or other location at which the administrator or regional 35996
administrator or the director of environmental protection has 35997
reason to believe that there is a substantial threat to public 35998
health or safety or the environment or that the conditions are 35999
causing or contributing to air or water pollution or soil 36000
contamination. An order issued by the director of environmental 36001

protection under division (D)(8) of this section shall include a 36002

were stored, disposed of, or processed or any additional solid 36426
wastes or construction and demolition debris removed in accordance 36427
with this division, and the administrative and legal expenses 36428
incurred by the director in connection with the removal operation. 36429
The director shall keep an itemized record of those costs. Upon 36430
completion of the actions for which the costs were incurred, the 36431
director ~~shall~~ may record the costs at the office of the county 36432
recorder of the county in which the accumulation of scrap tires 36433
~~was,~~ additional solid wastes, and construction and demolition 36434
debris were located. The costs so recorded constitute a lien on 36435
the property on which the accumulation of scrap tires ~~was,~~ 36436
additional solid wastes, and construction and demolition debris 36437
were located until discharged. Upon the written request of the 36438
director, the attorney general shall bring a civil action against 36439
the person responsible for the accumulation of the scrap tires 36440

that were the subject of the removal operation to recover the 36441
costs for which the person is liable under this division. Any 36442
money so received or recovered shall be credited to the scrap tire 36443
management fund created in section 3734.82 of the Revised Code. 36444

If, in a civil action brought under this division, an owner 36445
of real property is ordered to pay to the director the costs of a 36446
removal action that removed an accumulation of scrap tires from 36447
the person's land or if a lien is placed on the person's land for 36448
the costs of such a removal action, and, in either case, if the 36449
landowner was not the person responsible for causing the 36450
accumulation of scrap tires so removed, the landowner may bring a 36451
civil action against the person who was responsible for causing 36452
the accumulation to recover the amount of the removal costs that 36453
the court ordered the landowner to pay to the director or the 36454
amount of the removal costs certified to the county recorder as a 36455
lien on the landowner's property, whichever is applicable. If the 36456
landowner prevails in the civil action against the person who was 36457
responsible for causing the accumulation of scrap tires, the 36458
court, as it considers appropriate, may award to the landowner the 36459
reasonable attorney's fees incurred by the landowner for bringing 36460
the action, court costs, and other reasonable expenses incurred by 36461
the landowner in connection with the civil action. A landowner 36462
shall bring such a civil action within two years after making the 36463
final payment of the removal costs to the director pursuant to the 36464
judgment rendered against the landowner in the civil action 36465
brought under this division upon the director's request or within 36466
two years after the director certified the costs of the removal 36467
action to the county recorder, as appropriate. A person who, at 36468
the time that a removal action was conducted under this division, 36469
owned the land on which the removal action was performed may bring 36470
an action under this division to recover the costs of the removal 36471
action from the person responsible for causing the accumulation of 36472
scrap tires so removed regardless of whether the person owns the 36473

land at the time of bringing the action. 36474

Subject to the limitations set forth in division (G) of 36475
section 3734.82 of the Revised Code, the director may use moneys 36476
in the scrap tire management fund for conducting removal actions 36477
under this division. Any moneys recovered under this division 36478

In designating such areas, the fire marshal shall take into 36681

releases of petroleum from underground storage tank systems. The 36744
fire marshal may adopt, amend, or rescind such rules as the fire 36745

the fire marshal or an assistant fire marshal finds that a release 36753
of petroleum is suspected, the fire marshal shall take such action 36754
as the fire marshal considers necessary to ensure that a suspected 36755
release is confirmed or disproved and, if the occurrence of a 36756
release is confirmed, to correct the release. These actions may 36757
include one or more of the following: 36758

of the county in which a suspected release is located or in which 36770
the release occurred, to obtain the corrective action necessary to 36771
protect human health and the environment. In granting any such 36772
relief, the court shall ensure that the terms of the temporary 36773
restraining order or injunction are sufficient to provide 36774
comprehensive corrective action to protect human health and the 36775
environment. 36776

(3) Entry onto premises and undertaking corrective action 36777
with respect to a release of petroleum if, in the fire marshal's 36778
judgment, such action is necessary to protect human health and the 36779
environment. Any corrective action undertaken by the fire marshal 36780
or assistant fire marshal under division (A)(3) of this section 36781
shall be consistent with the requirements of sections 9003 and 36782

(B) The fire marshal shall adopt, and may amend and rescind, such rules as the fire marshal considers necessary to establish standards for corrective actions for suspected and confirmed releases of petroleum and standards for the recovery of costs incurred for undertaking corrective or enforcement actions with respect to such releases. The rules also shall include requirements for financial responsibility for the cost of corrective actions for and compensation of bodily injury and property damage incurred by third parties that are caused by releases of petroleum. Rules regarding financial responsibility shall, without limitation, require responsible persons to provide evidence that the parties guaranteeing payment of the deductible amount established under division (E) or (F) of section 3737.91 of the Revised Code are, at a minimum, secondarily liable for all corrective action and third-party liability costs incurred within the scope of the deductible amount. (C)(1) No person shall violate or fail to comply with a rule adopted under division (A) of section 3737.88 of the Revised Code or division (B) of this section, and no person shall violate or fail to comply with the terms of any order issued under division (A) of section 3737.88 of the Revised Code or division (A)(1) of this section.

(2) Whoever violates division (C)(1) of this section or division (F) of section 3737.881 of the Revised Code shall pay a

civil penalty of not more than ten thousand dollars for each day 36815
that the violation continues. The fire marshal may, by order, 36816
assess a civil penalty under this division, or the fire marshal 36817
may request the attorney general to bring a civil action for 36818
imposition of the civil penalty in the court of common pleas of 36819
the county in which the violation occurred. If the fire marshal 36820
determines that a responsible person is in violation of division 36821
(C)(1) of this section or division (F) of section 3737.881 of the 36822
Revised Code, the fire marshal may request the attorney general to 36823
bring a civil action for appropriate relief, including a temporary 36824
restraining order or preliminary or permanent injunction, in the 36825
court of common pleas of the county in which the underground 36826
storage tank or, in the case of a violation of division (F)(3) of 36827
section 3737.881 of the Revised Code, the training program that is 36828

(F) of section 3737.881 of the Revised Code has occurred or is 36832
occurring. 36833

Any action brought by the attorney general under this 36834
division is a civil action, governed by the Rules of Civil 36835

not apply to emissions from any electric generating unit 37079
designated as a Phase I unit under Title IV of the federal Clean 37080
Air Act prior to calendar year 2000. Those fees shall be assessed 37081
on the emissions from such a generating unit commencing in 37082
calendar year 2001 based upon the total actual emissions from the 37083
generating unit during calendar year 2000 and shall continue to be 37084

assessed each subsequent calendar year based on the total actual 37085
emissions from the generating unit during the preceding calendar 37086
year. 37087

variance pursuant to division (H), of section 3704.03 of the 37100
Revised Code; and who is not required to apply for and obtain a 37101
Title V permit under section 3704.03 of the Revised Code shall pay 37102
a single fee based upon the sum of the actual annual emissions 37103
from the facility of the regulated pollutants particulate matter, 37104
sulfur dioxide, nitrogen oxides, organic compounds, and lead in 37105
accordance with the following schedule: 37106

conditions that lower the facility's potential to emit air 37118
contaminants below the major source thresholds established in 37119
rules adopted under section 3704.036 of the Revised Code. 37120

(b) Beginning January 1, 2000, through June 30, ~~2024~~ 2026, 37121

pay an annual fee based on the sum of the actual annual emissions 37123
from the facility of particulate matter, sulfur dioxide, nitrogen 37124
dioxide, organic compounds, and lead in accordance with the 37125
following schedule: 37126

of the actual emissions of those regulated pollutants during the 37147
preceding calendar year. For the purpose of division (D) of this 37148

section, emissions of air contaminants may be calculated using 37149
engineering calculations, emission factors, material balance 37150
calculations, or performance testing procedures, as authorized by 37151
the director. The director, by rule, may require persons who are 37152
required to pay the fees assessed under division (D) of this 37153

(E)(1) Consistent with the need to cover the reasonable costs 37155
of the Title V permit program, the director annually shall 37156
increase the fees prescribed in division (B) of this section by 37157

most recent calendar year ending before the beginning of a year 37159
exceeds the consumer price index for calendar year 1989. Upon 37160
calculating an increase in fees authorized by division (E)(1) of 37161
this section, the director shall compile revised fee schedules for 37162
the purposes of division (B) of this section and shall make the 37163
revised schedules available to persons required to pay the fees 37164

United States department of labor as of the close of the 37169
twelve-month period ending on the thirty-first day of August of 37170
that year. 37171

(b) If the 1989 consumer price index is revised, the director 37172
shall use the revision of the consumer price index that is most 37173
consistent with that for calendar year 1989. 37174

(F) Each person who is issued a permit to install pursuant to 37175
rules adopted under division (F) of section 3704.03 of the Revised 37176

calculate the amount of the annual sludge fee or regarding whether 38043
the sewage sludge qualifies for the exceptional quality sludge 38044
discount established in division (Y)(2)(b) of this section. The 38045
director may consider the objections and adjust the amount of the 38046
fee to ensure that it is accurate. 38047

If the director does not adjust the amount of the annual 38048
sludge fee in response to a person's objections, the person may 38049
appeal the director's determination in accordance with Chapter 38050
119. of the Revised Code. 38051

Not later than the first day of June, the director shall 38052
notify the objecting person regarding whether the director has 38053

found the objections to be valid and the reasons for the finding. 38054
If the director finds the objections to be valid and adjusts the 38055
amount of the annual sludge fee accordingly, the director shall 38056
issue with the notification a new invoice to the person 38057
identifying the amount of the annual sludge fee assessed and 38058
stating the first day of July as the deadline for payment. 38059

Not later than the first day of July, any person who is 38060

that date shall pay an additional amount that equals ten per cent 38063
of the required annual sludge fee. 38064

division (Y) of this section to the treasurer of state for deposit 38066

of administering and enforcing provisions in Chapter 6111. of the 38069
Revised Code and rules adopted under it that govern the use, 38070
storage, treatment, or disposal of sewage sludge. 38071

(7) Beginning in fiscal year 2001, and every two years 38072
thereafter, the director shall review the total amount of moneys 38073
generated by the annual sludge fees to determine if that amount 38074
exceeded six hundred thousand dollars in either of the two 38075
preceding fiscal years. If the total amount of moneys in the fund 38076
exceeded six hundred thousand dollars in either fiscal year, the 38077
director, after review of the fee structure and consultation with 38078
affected persons, shall issue an order reducing the amount of the 38079
fees levied under division (Y) of this section so that the 38080
estimated amount of moneys resulting from the fees will not exceed 38081
six hundred thousand dollars in any fiscal year. 38082

If, upon review of the fees under division (Y)(7) of this 38083
section and after the fees have been reduced, the director 38084
determines that the total amount of moneys collected and 38085

accumulated is less than six hundred thousand dollars, the 38086
director, after review of the fee structure and consultation with 38087
affected persons, may issue an order increasing the amount of the 38088
fees levied under division (Y) of this section so that the 38089
estimated amount of moneys resulting from the fees will be 38090
approximately six hundred thousand dollars. Fees shall never be 38091
increased to an amount exceeding the amount specified in division 38092
(Y)(7) of this section. 38093

Notwithstanding section 119.06 of the Revised Code, the 38094
director may issue an order under division (Y)(7) of this section 38095
without the necessity to hold an adjudicatory hearing in 38096
connection with the order. The issuance of an order under this 38097
division is not an act or action for purposes of section 3745.04 38098

(B) Pursuant to Section 6 of Article XV, Ohio Constitution, 38326
there is hereby established in the state treasury the lottery 38327

transferred to the lottery profits education fund, and the 38335
director of budget and management may transfer the excess to the 38336
lottery profits education fund in connection with the statewide 38337

general assembly, or as provided in applicable bond proceedings 38353
for the payment of debt service on obligations issued to pay costs 38354
of capital facilities, including those for a system of common 38355
schools throughout the state pursuant to section 2n of Article 38356
VIII, Ohio Constitution. When determining the availability of 38357
money in the lottery profits education fund, the director of 38358

the approval of the office of internal audit in the office of 38415
budget and management. At the end of each fiscal year, the 38416

under this division, and all associated work papers, are 38423

director shall transfer that amount directly from the state 38433
lottery fund or from the lottery profits education fund to the 38434
bond service fund defined in those sections. The provisions of 38435
this division are subject to any prior pledges or obligation of 38436
those amounts to the payment of bond service charges as defined in 38437
division (C) of section 3318.21 of the Revised Code, as referred 38438
to in division (B) of this section. 38439

the commission shall publish a revised exclusion list that does 38836

(10) Maintain sufficient funds and other supplies to conduct sports gaming at all times;	38886 38887
(11) Maintain daily records showing the sports gaming proprietor's sports gaming receipts and timely file with the commission any additional reports required by rule or by other provisions of the Revised Code;	38888 38889 38890 38891
(12) Withhold all required amounts from patrons' sports gaming winnings;	38892 38893
(13) Submit to the commission, each fiscal year, an audit of the sports gaming proprietor's financial transactions and the	38894 38895

condition of the sports gaming proprietor's total operations 38896
prepared by a certified public accountant in accordance with 38897
generally accepted accounting principles and applicable state and 38898
federal laws; 38899

(14) Submit to the commission, at least once every three 38900
years, an audit of the sports gaming proprietor's information 38901
technology systems and security protocols prepared by a qualified, 38902
independent, and capable third party, as determined by, and in a 38903
manner approved by, the commission; 38904

(15) Promptly provide anonymized sports gaming data to a 38905
sports governing body or a state university that submits a valid 38906
request for the data under division (B)(13) or (14) of section 38907
3775.02 of the Revised Code. 38908

(B) A sports gaming proprietor immediately shall report to 38909
the commission any information in the sports gaming proprietor's 38910
possession related to any of the following: 38911

(1) Any wager in violation of this chapter or rules adopted 38912
under this chapter or of federal law; 38913

(2) Abnormal sports gaming activity or patterns that may 38914
indicate a concern regarding the integrity of a sporting event; 38915

(3) Suspicious wagering activities; 38916

(4) Any conduct that corrupts a wagering outcome of a 38917
sporting event for purposes of financial gain; 38918

(5) Any criminal or disciplinary proceedings commenced 38919
against the sports gaming proprietor by any person other than the 38920
commission in connection with the sports gaming proprietor's 38921
operations. 38922

(C) A sports gaming proprietor may manage risk associated 38923
with wagers by rejecting or pooling one or more wagers or by 38924
laying off one or more wagers with another sports gaming 38925

proprietor. 38926

(D) A sports gaming proprietor may employ a system that 38927
offsets loss or manages risk in the operation of sports gaming 38928
under this chapter through the use of a liquidity pool in another 38929
jurisdiction in which the sports gaming proprietor or an affiliate 38930
or other third party also holds licensure, provided that at all 38931
times adequate protections are maintained to ensure sufficient 38932
funds are available to pay patrons. 38933

(E) A sports gaming proprietor may provide promotional gaming 38934
credits to patrons, subject to oversight by the commission. 38935
Promotional gaming credits described as free or risk-free shall 38936
not require a person to incur any loss, deposit any funds, or risk 38937
the person's own money to use or withdraw winnings from the wager. 38938
Promotional gaming credits shall not restrict a person from 38939
withdrawing the person's own funds or withdrawing any winnings 38940
from wagers placed using the person's own funds. Any advertisement 38941
or promotion that violates this division is considered false, 38942
misleading, or deceptive to a reasonable consumer for the purposes 38943
of division (B)(10)(e) of section 3775.02 of the Revised Code. In 38944
addition to penalties or fines that may be imposed under section 38945
3775.02 of the Revised Code and the rules adopted thereunder, the 38946
commission may restrict or prohibit a sports gaming proprietor 38947
from providing promotional gaming credits to patrons if the 38948
commission determines that the sports gaming proprietor offered a 38949
promotional gaming credit in violation of this division. 38950

(F) If a sports gaming patron does not claim a winning wager 38951
from a sports gaming proprietor within one year from the last day 38952
on which the sporting event is held, the sports gaming 38953
proprietor's obligation to pay the winnings shall expire, and the 38954
sports gaming proprietor shall remit the winnings to the 38955
commission, which shall deposit them in the sports gaming revenue 38956
fund. 38957

(G) A sports gaming proprietor is not liable under the laws 38958
of this state to any party, including a patron, for disclosing 38959
information as required under this chapter or for refusing to 38960
disclose information that is not required by law to be disclosed. 38961

(H)(1) A sports gaming proprietor shall maintain the 38962
confidentiality of any information provided to the sports gaming 38963
proprietor by a sports governing body that the sports governing 38964
body designates as confidential, except as otherwise required by 38965
law or by order of the commission. The sports gaming proprietor 38966
shall not use such confidential information for business or 38967
marketing purposes, except with the express written approval of 38968
the sports governing body. 38969

(2) A sports governing body shall maintain the 38970
confidentiality of any information provided to the sports 38971
governing body by a sports gaming proprietor that the sports 38972
gaming proprietor designates as confidential, except as otherwise 38973
required by law or by order of the commission. The sports 38974
governing body shall not use such confidential information for 38975
business or marketing purposes, except with the express written 38976
approval of the sports gaming proprietor. 38977

Sec. 3781.10. (A)(1) The board of building standards shall 38978
formulate and adopt rules governing the erection, construction, 38979
repair, alteration, and maintenance of all buildings or classes of 38980
buildings specified in section 3781.06 of the Revised Code, 38981
including land area incidental to those buildings, the 38982
construction of industrialized units, the installation of 38983
equipment, and the standards or requirements for materials used in 38984
connection with those buildings. The board shall incorporate those 38985
rules into separate residential and nonresidential building codes. 38986
The standards shall relate to the conservation of energy and the 38987
safety and sanitation of those buildings. 38988

(2) The rules governing nonresidential buildings are the 38989
lawful minimum requirements specified for those buildings and 38990
industrialized units, except that no rule other than as provided 38991
in division (C) of section 3781.108 of the Revised Code that 38992
specifies a higher requirement than is imposed by any section of 38993
the Revised Code is enforceable. The rules governing residential 38994
buildings are uniform requirements for residential buildings in 38995
any area with a building department certified to enforce the state 38996
residential building code. In no case shall any local code or 38997
regulation differ from the state residential building code unless 38998
that code or regulation addresses subject matter not addressed by 38999
the state residential building code or is adopted pursuant to 39000
section 3781.01 of the Revised Code. 39001

(3) The rules adopted pursuant to this section are complete, 39002
lawful alternatives to any requirements specified for buildings or 39003
industrialized units in any section of the Revised Code. Except as 39004
otherwise provided in division (I) of this section, the board 39005
shall, on its own motion or on application made under sections 39006
3781.12 and 3781.13 of the Revised Code, formulate, propose, 39007
adopt, modify, amend, or repeal the rules to the extent necessary 39008
or desirable to effectuate the purposes of sections 3781.06 to 39009
3781.18 of the Revised Code. 39010

(B) The board shall report to the general assembly proposals 39011
for amendments to existing statutes relating to the purposes 39012
declared in section 3781.06 of the Revised Code that public health 39013
and safety and the development of the arts require and shall 39014
recommend any additional legislation to assist in carrying out 39015
fully, in statutory form, the purposes declared in that section. 39016
The board shall prepare and submit to the general assembly a 39017
summary report of the number, nature, and disposition of the 39018
petitions filed under sections 3781.13 and 3781.14 of the Revised 39019
Code. 39020

(C) On its own motion or on application made under sections 39021
3781.12 and 3781.13 of the Revised Code, and after thorough 39022
testing and evaluation, the board shall determine by rule that any 39023
particular fixture, device, material, process of manufacture, 39024
manufactured unit or component, method of manufacture, system, or 39025
method of construction complies with performance standards adopted 39026
pursuant to section 3781.11 of the Revised Code. The board shall 39027
make its determination with regard to adaptability for safe and 39028
sanitary erection, use, or construction, to that described in any 39029
section of the Revised Code, wherever the use of a fixture, 39030
device, material, method of manufacture, system, or method of 39031
construction described in that section of the Revised Code is 39032
permitted by law. The board shall amend or annul any rule or issue 39033
an authorization for the use of a new material or manufactured 39034
unit on any like application. No department, officer, board, or 39035
commission of the state other than the board of building standards 39036
or the board of building appeals shall permit the use of any 39037
fixture, device, material, method of manufacture, newly designed 39038
product, system, or method of construction at variance with what 39039
is described in any rule the board of building standards adopts or 39040
issues or that is authorized by any section of the Revised Code. 39041
Nothing in this section shall be construed as requiring approval, 39042
by rule, of plans for an industrialized unit that conforms with 39043
the rules the board of building standards adopts pursuant to 39044
section 3781.11 of the Revised Code. 39045

(D) The board shall recommend rules, codes, and standards to 39046
help carry out the purposes of section 3781.06 of the Revised Code 39047
and to help secure uniformity of state administrative rulings and 39048
local legislation and administrative action to the bureau of 39049
workers' compensation, the director of commerce, any other 39050
department, officer, board, or commission of the state, and to 39051
legislative authorities and building departments of counties, 39052
townships, and municipal corporations, and shall recommend that 39053

they audit those recommended rules, codes, and standards by any 39054
appropriate action that they are allowed pursuant to law or the 39055
constitution. 39056

(E)(1) The board shall certify municipal, township, and 39057
county building departments, the personnel of those building 39058
departments, persons described in division (E)(7) of this section, 39059
and employees of individuals, firms, the state, or corporations 39060
described in division (E)(7) of this section to exercise 39061
enforcement authority, to accept and approve plans and 39062
specifications, and to make inspections, pursuant to sections 39063
3781.03, 3791.04, and 4104.43 of the Revised Code. 39064

(2) The board shall certify departments, personnel, and 39065
persons to enforce the state residential building code, to enforce 39066
the nonresidential building code, or to enforce both the 39067
residential and the nonresidential building codes. Any department, 39068
personnel, or person may enforce only the type of building code 39069
for which certified. 39070

(3) The board shall not require a building department, its 39071
personnel, or any persons that it employs to be certified for 39072
residential building code enforcement if that building department 39073
does not enforce the state residential building code. The board 39074
shall specify, in rules adopted pursuant to Chapter 119. of the 39075
Revised Code, the requirements for certification for residential 39076
and nonresidential building code enforcement, which shall be 39077
consistent with this division. The requirements for residential 39078
and nonresidential certification may differ. Except as otherwise 39079
provided in this division, the requirements shall include, but are 39080
not limited to, the satisfactory completion of an initial 39081
examination and, to remain certified, the completion of a 39082
specified number of hours of continuing building code education 39083
within each three-year period following the date of certification 39084
which shall be not less than thirty hours. The rules shall provide 39085

that continuing education credits and certification issued by the 39086
council of American building officials, national model code 39087
organizations, and agencies or entities the board recognizes are 39088
acceptable for purposes of this division. The rules shall specify 39089
requirements that are consistent with the provisions of section 39090
5903.12 of the Revised Code relating to active duty military 39091
service and are compatible, to the extent possible, with 39092
requirements the council of American building officials and 39093
national model code organizations establish. 39094

(4) The board shall establish and collect a certification and 39095
renewal fee for building department personnel, and persons and 39096
employees of persons, firms, or corporations as described in this 39097
section, who are certified pursuant to this division. 39098

(5) Any individual certified pursuant to this division shall 39099
complete the number of hours of continuing building code education 39100
that the board requires or, for failure to do so, forfeit 39101
certification. 39102

(6) This division does not require or authorize the board to 39103
certify personnel of municipal, township, and county building 39104
departments, and persons and employees of persons, firms, or 39105
corporations as described in this section, whose responsibilities 39106
do not include the exercise of enforcement authority, the approval 39107
of plans and specifications, or making inspections under the state 39108
residential and nonresidential building codes. 39109

(7) Enforcement authority for approval of plans and 39110
specifications and enforcement authority for inspections may be 39111
exercised, and plans and specifications may be approved and 39112
inspections may be made on behalf of a municipal corporation, 39113
township, or county, by any of the following who the board of 39114
building standards certifies: 39115

(a) Officers or employees of the municipal corporation, 39116

township, or county;	39117
(b) Persons, or employees of persons, firms, or corporations,	39118
pursuant to a contract to furnish architectural, engineering, or	39119
other services to the municipal corporation, township, or county;	39120
(c) Officers or employees of, and persons under contract	39121
with, a municipal corporation, township, county, health district,	39122
or other political subdivision, pursuant to a contract to furnish	39123
architectural, engineering, or other services;	39124
(d) Officers or employees of the division of industrial	39125
compliance in the department of commerce pursuant to a contract	39126
authorized by division (B) of section 121.083 of the Revised Code.	39127
(8) Municipal, township, and county building departments have	39128
jurisdiction within the meaning of sections 3781.03, 3791.04, and	39129
4104.43 of the Revised Code, only with respect to the types of	39130
buildings and subject matters for which they are certified under	39131
this section.	39132
(9) A certified municipal, township, or county building	39133
department may exercise enforcement authority, accept and approve	39134
plans and specifications, and make inspections pursuant to	39135
sections 3781.03, 3791.04, and 4104.43 of the Revised Code for a	39136
park district created pursuant to Chapter 1545. of the Revised	39137
Code upon the approval, by resolution, of the board of park	39138
commissioners of the park district requesting the department to	39139
exercise that authority and conduct those activities, as	39140
applicable.	39141
(10) Certification shall be granted upon application by the	39142
municipal corporation, the board of township trustees, or the	39143
board of county commissioners and approval of that application by	39144
the board of building standards. The application shall set forth:	39145
(a) Whether the certification is requested for residential or	39146
nonresidential buildings, or both;	39147

(b) The number and qualifications of the staff composing the building department;	39148 39149
(c) The names, addresses, and qualifications of persons, firms, or corporations contracting to furnish work or services pursuant to division (E)(7)(b) of this section;	39150 39151 39152
(d) The names of any other municipal corporation, township, county, health district, or political subdivision under contract to furnish work or services pursuant to division (E)(7) of this section;	39153 39154 39155 39156
(e) The proposed budget for the operation of the building department.	39157 39158
(11) The board of building standards shall adopt rules governing all of the following:	39159 39160
(a) The certification of building department personnel and persons and employees of persons, firms, or corporations exercising authority pursuant to division (E)(7) of this section. The rules shall disqualify any employee of the department or person who contracts for services with the department from performing services for the department when that employee or person would have to pass upon, inspect, or otherwise exercise authority over any labor, material, or equipment the employee or person furnishes for the construction, alteration, or maintenance of a building or the preparation of working drawings or specifications for work within the jurisdictional area of the department. The department shall provide other similarly qualified personnel to enforce the residential and nonresidential building codes as they pertain to that work.	39161 39162 39163 39164 39165 39166 39167 39168 39169 39170 39171 39172 39173 39174
(b) The minimum services to be provided by a certified building department.	39175 39176
(12) The board of building standards may revoke or suspend certification to enforce the residential and nonresidential	39177 39178

building codes, on petition to the board by any person affected by 39179
that enforcement or approval of plans, or by the board on its own 39180
motion. Hearings shall be held and appeals permitted on any 39181
proceedings for certification or revocation or suspension of 39182
certification in the same manner as provided in section 3781.101 39183
of the Revised Code for other proceedings of the board of building 39184
standards. 39185

(13) Upon certification, and until that authority is revoked, 39186
any county or township building department shall enforce the 39187
residential and nonresidential building codes for which it is 39188
certified without regard to limitation upon the authority of 39189
boards of county commissioners under Chapter 307. of the Revised 39190
Code or boards of township trustees under Chapter 505. of the 39191
Revised Code. 39192

(F) In addition to hearings sections 3781.06 to 3781.18 and 39193
3791.04 of the Revised Code require, the board of building 39194
standards shall make investigations and tests, and require from 39195
other state departments, officers, boards, and commissions 39196
information the board considers necessary or desirable to assist 39197
it in the discharge of any duty or the exercise of any power 39198
mentioned in this section or in sections 3781.06 to 3781.18, 39199
3791.04, and 4104.43 of the Revised Code. 39200

(G) The board shall adopt rules and establish reasonable fees 39201
for the review of all applications submitted where the applicant 39202
applies for authority to use a new material, assembly, or product 39203
of a manufacturing process. The fee shall bear some reasonable 39204
relationship to the cost of the review or testing of the 39205
materials, assembly, or products and for the notification of 39206
approval or disapproval as provided in section 3781.12 of the 39207
Revised Code. 39208

(H) The residential construction advisory committee shall 39209
provide the board with a proposal for a state residential building 39210

code that the committee recommends pursuant to division (D)(1) of 39211
section 4740.14 of the Revised Code. Upon receiving a 39212
recommendation from the committee that is acceptable to the board, 39213
the board shall adopt rules establishing that code as the state 39214
residential building code. 39215

(I)(1) The committee may provide the board with proposed 39216
rules to update or amend the state residential building code that 39217
the committee recommends pursuant to division (E) of section 39218
4740.14 of the Revised Code. 39219

(2) If the board receives a proposed rule to update or amend 39220
the state residential building code as provided in division (I)(1) 39221
of this section, the board either may accept or reject the 39222
proposed rule for incorporation into the residential building 39223
code. If the board does not act to either accept or reject the 39224
proposed rule within ninety days after receiving the proposed rule 39225
from the committee as described in division (I)(1) of this 39226
section, the proposed rule shall become part of the residential 39227
building code. 39228

(J) The board shall cooperate with the director of job and 39229
family services when the director promulgates rules pursuant to 39230
section 5104.05 of the Revised Code regarding safety and 39231
sanitation in type A family day-care homes. 39232

(K) The board shall adopt rules to implement the requirements 39233
of section 3781.108 of the Revised Code. 39234

(L) The board shall establish a grant program to assist 39235
building departments certified by the board pursuant to division 39236
(E) of this section in the recruitment, training, and retention of 39237
qualified personnel. 39238

Sec. 3781.102. (A) Any county or municipal building 39239
department certified pursuant to division (E) of section 3781.10 39240

of the Revised Code as of September 14, 1970, and that, as of that 39241
date, was inspecting single-family, two-family, and three-family 39242
residences, and any township building department certified 39243
pursuant to division (E) of section 3781.10 of the Revised Code, 39244
is hereby declared to be certified to inspect single-family, 39245
two-family, and three-family residences containing industrialized 39246
units, and shall inspect the buildings or classes of buildings 39247
subject to division (E) of section 3781.10 of the Revised Code. 39248

(B) Each board of county commissioners may adopt, by 39249
resolution, rules establishing standards and providing for the 39250
licensing of electrical and heating, ventilating, and air 39251
conditioning contractors who are not required to hold a valid and 39252
unexpired license pursuant to Chapter 4740. of the Revised Code. 39253

Rules adopted by a board of county commissioners pursuant to 39254
this division may be enforced within the unincorporated areas of 39255
the county and within any municipal corporation where the 39256
legislative authority of the municipal corporation has contracted 39257
with the board for the enforcement of the county rules within the 39258
municipal corporation pursuant to section 307.15 of the Revised 39259
Code. The rules shall not conflict with rules adopted by the board 39260
of building standards pursuant to section 3781.10 of the Revised 39261
Code or by the department of commerce pursuant to Chapter 3703. of 39262
the Revised Code. This division does not impair or restrict the 39263
power of municipal corporations under Section 3 of Article XVIII, 39264
Ohio Constitution, to adopt rules concerning the erection, 39265
construction, repair, alteration, and maintenance of buildings and 39266
structures or of establishing standards and providing for the 39267
licensing of specialty contractors pursuant to section 715.27 of 39268
the Revised Code. 39269

A board of county commissioners, pursuant to this division, 39270
may require all electrical contractors and heating, ventilating, 39271

and air conditioning contractors, other than those who hold a 39272
valid and unexpired license issued pursuant to Chapter 4740. of 39273
the Revised Code, to successfully complete an examination, test, 39274
or demonstration of technical skills, and may impose a fee and 39275
additional requirements for a license to engage in their 39276
respective occupations within the jurisdiction of the board's 39277
rules under this division. 39278

(C) No board of county commissioners shall require any 39279
specialty contractor who holds a valid and unexpired license 39280
issued pursuant to Chapter 4740. of the Revised Code to 39281
successfully complete an examination, test, or demonstration of 39282
technical skills in order to engage in the type of contracting for 39283
which the license is held, within the unincorporated areas of the 39284
county and within any municipal corporation whose legislative 39285
authority has contracted with the board for the enforcement of 39286
county regulations within the municipal corporation, pursuant to 39287
section 307.15 of the Revised Code. 39288

(D) A board may impose a fee for registration of a specialty 39289
contractor who holds a valid and unexpired license issued pursuant 39290
to Chapter 4740. of the Revised Code before that specialty 39291
contractor may engage in the type of contracting for which the 39292
license is held within the unincorporated areas of the county and 39293
within any municipal corporation whose legislative authority has 39294
contracted with the board for the enforcement of county 39295
regulations within the municipal corporation, pursuant to section 39296
307.15 of the Revised Code, provided that the fee is the same for 39297
all specialty contractors who wish to engage in that type of 39298
contracting. If a board imposes such a fee, the board immediately 39299
shall permit a specialty contractor who presents proof of holding 39300
a valid and unexpired license and pays the required fee to engage 39301
in the type of contracting for which the license is held within 39302
the unincorporated areas of the county and within any municipal 39303

corporation whose legislative authority has contracted with the 39304
board for the enforcement of county regulations within the 39305
municipal corporation, pursuant to section 307.15 of the Revised 39306
Code. 39307

(E) The political subdivision associated with each municipal, 39308

govern the settlement of disputes between an exclusive 40823
representative and a public employer concerning the termination or 40824
modification of an existing collective bargaining agreement or 40825
negotiation of a successor agreement, or the negotiation of an 40826

date of the existing agreement or, in the event the existing 40835
collective bargaining agreement does not contain an expiration 40836

(2) In the case of initial negotiations between a public 40847

If the settlement procedures specified in divisions (B), (C), 40854
and (D) of this section govern the parties, where those procedures 40855
refer to the expiration of a collective bargaining agreement, it 40856
means the expiration of the sixty-day period to negotiate a 40857
collective bargaining agreement referred to in this subdivision, 40858
or in the case of initial negotiations, it means the ninety-day 40859
period referred to in this subdivision. 40860

(3) The parties shall continue in full force and effect all 40861
the terms and conditions of any existing collective bargaining 40862

(4) Upon receipt of the notice, the parties shall enter into 40867
collective bargaining. 40868

arbitrator, the recommendations of the fact finder, if there are 40883
recommendations, either as a single package or on each issue 40884

of three residents within the jurisdiction of the public employer. 40887

representative shall select one member. The two members selected 40889
shall select the third member who shall chair the council. If the 40890
two members cannot agree upon a third member within five days 40891
after their appointments, the board shall appoint the third 40892
member. Once appointed, the council shall make a final settlement 40893
of the issues submitted to it pursuant to division (G) of this 40894
section. 40895

by the parties. 40897

collective bargaining agreement, the parties are unable to reach 40899

an agreement, any party may request the state employment relations board to intervene. The request shall set forth the names and addresses of the parties, the issues involved, and, if applicable, the expiration date of any agreement.

The board shall intervene and investigate the dispute to determine whether the parties have engaged in collective bargaining.

If an impasse exists or forty-five days before the expiration date of the collective bargaining agreement if one exists, the board shall appoint a mediator to assist the parties in the collective bargaining process.

(3) Any time after the appointment of a mediator, either party may request the appointment of a fact-finding panel. Within fifteen days after receipt of a request for a fact-finding panel, the board shall appoint a fact-finding panel of not more than three members who have been selected by the parties in accordance with rules established by the board, from a list of qualified persons maintained by the board.

(a) The fact-finding panel shall, in accordance with rules and procedures established by the board that include the regulation of costs and expenses of fact-finding, gather facts and make recommendations for the resolution of the matter. The board shall by its rules require each party to specify in writing the unresolved issues and its position on each issue to the fact-finding panel. The fact-finding panel shall make final recommendations as to all the unresolved issues.

(b) The board may continue mediation, order the parties to engage in collective bargaining until the expiration date of the agreement, or both.

(4) The following guidelines apply to fact-finding:

(a) The fact-finding panel may establish times and place of

hearings which shall be, where feasible, in the jurisdiction of 40931
the state. 40932

(b) The fact-finding panel shall conduct the hearing pursuant 40933
to rules established by the board. 40934

(c) Upon request of the fact-finding panel, the board shall 40935
issue subpoenas for hearings conducted by the panel. 40936

(d) The fact-finding panel may administer oaths. 40937

(e) The board shall prescribe guidelines for the fact-finding 40938
panel to follow in making findings. In making its recommendations, 40939
the fact-finding panel shall take into consideration the factors 40940
listed in divisions (G)(7)(a) to (f) of this section. 40941

(f) The fact-finding panel may attempt mediation at any time 40942
during the fact-finding process. From the time of appointment 40943
until the fact-finding panel makes a final recommendation, it 40944
shall not discuss the recommendations for settlement of the 40945
dispute with parties other than the direct parties to the dispute. 40946

(5) The fact-finding panel, acting by a majority of its 40947
members, shall transmit its findings of fact and recommendations 40948
on the unresolved issues to the public employer and employee 40949
organization involved and to the board no later than fourteen days 40950
after the appointment of the fact-finding panel, unless the 40951
parties mutually agree to an extension. The parties shall share 40952
the cost of the fact-finding panel in a manner agreed to by the 40953
parties. 40954

(6)(a) Not later than seven days after the findings and 40955
recommendations are sent, the legislative body, by a three-fifths 40956
vote of its total membership, and in the case of the public 40957
employee organization, the membership, by a three-fifths vote of 40958
the total membership, may reject the recommendations; if neither 40959
rejects the recommendations, the recommendations shall be deemed 40960
agreed upon as the final resolution of the issues submitted and a 40961

collective bargaining agreement shall be executed between the 40962
parties, including the fact-finding panel's recommendations, 40963
except as otherwise modified by the parties by mutual agreement. 40964
If either the legislative body or the public employee organization 40965
rejects the recommendations, the board shall publicize the 40966
findings of fact and recommendations of the fact-finding panel. 40967
The board shall adopt rules governing the procedures and methods 40968
for public employees to vote on the recommendations of the 40969
fact-finding panel. 40970

(b) As used in division (C)(6)(a) of this section, 40971
"legislative body" means the controlling board when the state or 40972
any of its agencies, authorities, commissions, boards, or other 40973
branch of public employment is party to the fact-finding process. 40974

(D) If the parties are unable to reach agreement within seven 40975
days after the publication of findings and recommendations from 40976
the fact-finding panel or the collective bargaining agreement, if 40977
one exists, has expired, then the: 40978

(1) Public employees, who are members of a police or fire 40979
department, members of the state highway patrol, deputy sheriffs, 40980
dispatchers employed by a police, fire, or sheriff's department or 40981

to dispatch police, fire, sheriff's department, or emergency 40984
medical or rescue personnel and units, an exclusive nurse's unit, 40985
employees of ~~the state school for the deaf or the state school for~~ 40986
~~the blind~~ Ohio deaf and blind education services, employees of any 40987
public employee retirement system, corrections officers, guards at 40988
penal or mental institutions, special police officers appointed in 40989
accordance with sections 5119.08 and 5123.13 of the Revised Code, 40990
psychiatric attendants employed at mental health forensic 40991
facilities, youth leaders employed at juvenile correctional 40992
facilities, or members of a law enforcement security force that is 40993

established and maintained exclusively by a board of county 40994
commissioners and whose members are employed by that board, shall 40995
submit the matter to a final offer settlement procedure pursuant 40996
to a board order issued forthwith to the parties to settle by a 40997
conciliator selected by the parties. The parties shall request 40998
from the board a list of five qualified conciliators and the 40999
parties shall select a single conciliator from the list by 41000
alternate striking of names. If the parties cannot agree upon a 41001
conciliator within five days after the board order, the board 41002
shall on the sixth day after its order appoint a conciliator from 41003
a list of qualified persons maintained by the board or shall 41004
request a list of qualified conciliators from the American 41005
arbitration association and appoint therefrom. 41006

(2) Public employees other than those listed in division 41007
(D)(1) of this section have the right to strike under Chapter 41008
4117. of the Revised Code provided that the employee organization 41009
representing the employees has given a ten-day prior written 41010
notice of an intent to strike to the public employer and to the 41011
board, and further provided that the strike is for full, 41012
consecutive work days and the beginning date of the strike is at 41013
least ten work days after the ending date of the most recent prior 41014
strike involving the same bargaining unit; however, the board, at 41015
its discretion, may attempt mediation at any time. 41016

(E) Nothing in this section shall be construed to prohibit 41017
the parties, at any time, from voluntarily agreeing to submit any 41018
or all of the issues in dispute to any other alternative dispute 41019
settlement procedure. An agreement or statutory requirement to 41020
arbitrate or to settle a dispute pursuant to a final offer 41021
settlement procedure and the award issued in accordance with the 41022
agreement or statutory requirement is enforceable in the same 41023
manner as specified in division (B) of section 4117.09 of the 41024
Revised Code. 41025

(4) Upon the request by the conciliator, the board shall issue subpoenas for the hearing.

(5) The conciliator may administer oaths.

(6) The conciliator shall hear testimony from the parties and provide for a written record to be made of all statements at the hearing. The board shall submit for inclusion in the record and for consideration by the conciliator the written report and recommendation of the fact-finders.

(7) After hearing, the conciliator shall resolve the dispute 41057
between the parties by selecting, on an issue-by-issue basis, from 41058
between each of the party's final settlement offers, taking into 41059
consideration the following: 41060

(a) Past collectively bargained agreements, if any, between 41061
the parties; 41062

(b) Comparison of the issues submitted to final offer 41063
settlement relative to the employees in the bargaining unit 41064
involved with those issues related to other public and private 41065

peculiar to the area and classification involved; 41067

the public employer to finance and administer the issues proposed, 41069
and the effect of the adjustments on the normal standard of public 41070
service; 41071

section, which are normally or traditionally taken into 41075
consideration in the determination of the issues submitted to 41076
final offer settlement through voluntary collective bargaining, 41077
mediation, fact-finding, or other impasse resolution procedures in 41078
the public service or in private employment. 41079

(8) Final offer settlement awards made under Chapter 4117. of 41080
the Revised Code are subject to Chapter 2711. of the Revised Code. 41081

(9) If more than one conciliator is used, the determination 41082
must be by majority vote. 41083

(10) The conciliator shall make written findings of fact and 41084
promulgate a written opinion and order upon the issues presented 41085
to the conciliator, and upon the record made before the 41086

conciliator and shall mail or otherwise deliver a true copy 41087
thereof to the parties and the board. 41088

(11) Increases in rates of compensation and other matters 41089
with cost implications awarded by the conciliator may be effective 41090
only at the start of the fiscal year next commencing after the 41091
date of the final offer settlement award; provided that if a new 41092
fiscal year has commenced since the issuance of the board order to 41093
submit to a final offer settlement procedure, the awarded 41094
increases may be retroactive to the commencement of the new fiscal 41095

(2) Any nonprofit organization which becomes subject to this 41309
chapter after January 1, 1972, may elect to become liable for 41310

contributions for a period subsequent to January 1, 1972, may 41325
change to a reimbursable basis by filing with the director, not 41326

year, a written notice of election to become liable for payments 41328
in lieu of contributions. The election shall not be terminable by 41329
the organization during that calendar year and the next calendar 41330

end of the year for any excess or shortage of the amount of such 41369

election to make payments in lieu of contributions effective for 41498
the quarter following such failure and the termination shall 41499
continue for not less than the remainder of that calendar year and 41500
the next calendar year, beginning with the quarter in which the 41501
termination becomes effective; except that the director may extend 41502
for good cause the applicable filing, ~~deposit, or adjustment~~ 41503
period by not more than thirty days. 41504

(D)(1) Two or more nonprofit organizations that have become 41505
liable for payments in lieu of contributions, in accordance with 41506
division (A) of this section, may file a joint application to the 41507
director for the establishment of the group account for the 41508
purpose of sharing the cost of benefits paid that are attributable 41509
to service in the employ of those employers. Notwithstanding 41510
division (E) of section 4141.242 of the Revised Code, hospitals 41511
operated by this state or a political subdivision may participate 41512
in a group account with nonprofit organizations under the 41513
procedures set forth in this section. Each application shall 41514
identify and authorize a group representative to act as the 41515
group's agent for the purposes of this division. 41516

(2) Upon the director's approval of the application, the 41517
director shall establish a group account for the employers 41518
effective as of the beginning of the calendar quarter in which the 41519
director receives the application and shall notify the group's 41520
representative of the effective date of the account. The account 41521
shall remain in effect for not less than two years and thereafter 41522
until terminated by the director or upon application by the group. 41523

(3) Upon establishment of the account, each member of the 41524
group shall be liable, in the event that the group representative 41525

fails to pay any bill issued to it pursuant to division (B) of 41526
this section, for payments in lieu of contributions with respect 41527
to each calendar quarter in the amount that bears the same ratio 41528
to the total benefits paid in the quarter that are attributable to 41529
service performed in the employ of all members of the group as the 41530
total wages paid for service in employment by the member in the 41531
quarter bear to the total wages paid during the quarter for 41532
service performed in the employ of all members of the group. 41533

(4) The director shall adopt regulations as considered 41534
necessary with respect to the following: applications for 41535
establishment, bonding, maintenance, and termination of group 41536
accounts that are authorized by this section; addition of new 41537
members to and withdrawal of active members from such accounts; 41538
and the determination of the amounts that are payable under this 41539
division by the group representative and in the event of default 41540
in payment by the group representative, members of the group, and 41541
the time and manner of payments. 41542

Sec. 4141.28. 41543

BENEFITS 41544

(A) FILINGS 41545

Applications for determination of benefit rights and claims 41546
for benefits shall be filed with the director of job and family 41547
services. Such applications and claims also may be filed with an 41548
employee of another state or federal agency charged with the duty 41549
of accepting applications and claims for unemployment benefits or 41550
with an employee of the unemployment insurance commission of 41551
Canada. 41552

When an unemployed individual files an application for 41553
determination of benefit rights, the director shall furnish the 41554
individual with an explanation of the individual's appeal rights. 41555
The explanation shall describe clearly the different levels of 41556

appeal and explain where and when each appeal must be filed. 41557

(B) APPLICATION FOR DETERMINATION OF BENEFIT RIGHTS 41558

In filing an application, an individual shall furnish the 41559
director with the name and address of the individual's most recent 41560
separating employer and the individual's statement of the reason 41561
for separation from the employer. The director shall promptly 41562
notify the individual's most recent separating employer of the 41563
filing and request the reason for the individual's unemployment, 41564
unless that notice is not necessary under conditions the director 41565
establishes by rule. The director may request from the individual 41566
or any employer information necessary for the determination of the 41567
individual's right to benefits. The employer shall provide the 41568
information requested within ten working days after the request is 41569
sent. If necessary to ensure prompt determination and payment of 41570
benefits, the director shall base the determination on the 41571
information that is available. 41572

An individual filing an application for determination of 41573
benefit rights shall disclose, at the time of filing, whether or 41574
not the individual owes child support obligations. 41575

An individual filing an application for determination of 41576
benefit rights shall furnish proof of identity at the time of 41577
filing in the manner prescribed by the director. The director 41578
shall adopt rules to prescribe the manner in which an applicant 41579
shall furnish proof of identity. 41580

(C) MASS LAYOFFS 41581

An employer who lays off or separates within any seven-day 41582
period fifty or more individuals because of lack of work shall 41583
furnish notice to the director of the dates of layoff or 41584
separation and the approximate number of individuals being laid 41585
off or separated. The notice shall be furnished at least three 41586
working days prior to the date of the first day of such layoff or 41587

separation. In addition, at the time of the layoff or separation 41588
the employer shall furnish to the individual and to the director 41589
information necessary to determine the individual's eligibility 41590
for unemployment compensation. 41591

(D) DETERMINATION OF BENEFIT RIGHTS 41592

The director shall promptly examine any application for 41593
determination of benefit rights. On the basis of the information 41594
available to the director under this chapter, the director shall 41595
determine whether or not the application is valid, and if valid, 41596
the date on which the benefit year shall commence and the weekly 41597
benefit amount. The director shall promptly notify the applicant, 41598
employers in the applicant's base period, and any other interested 41599
parties of the determination and the reasons for it. In addition, 41600
the determination issued to the claimant shall include the total 41601
amount of benefits payable. The determination issued to each 41602
chargeable base period employer shall include the total amount of 41603
benefits that may be charged to the employer's account. 41604

(E) CLAIM FOR BENEFITS 41605

The director shall examine the first claim and any additional 41606
claim for benefits. On the basis of the information available, the 41607
director shall determine whether the claimant's most recent 41608
separation and, to the extent necessary, prior separations from 41609
work, allow the claimant to qualify for benefits. Written notice 41610
of the determination granting or denying benefits shall be sent to 41611
the claimant, the most recent separating employer, and any other 41612
employer involved in the determination, except that written notice 41613
is not required to be sent to the claimant if the reason for 41614
separation is lack of work and the claim is allowed. 41615

If the director identifies an eligibility issue, the director 41616
shall immediately send notice to the claimant of the issue 41617
identified, specify the week or weeks involved, and identify what 41618

the claimant must do to address the issue or who the claimant may 41619
contact for more information. The claimant has a minimum of five 41620
business days after the notice is sent to respond to the 41621
information included in the notice, and after the time allowed as 41622
determined by the director, the director shall make a 41623
determination. The claimant's response may include a request for a 41624
fact-finding interview when the eligibility issue is raised by an 41625
informant or source other than the claimant, or when the 41626
eligibility issue, if determined adversely, disqualifies the 41627
claimant for the duration of the claimant's period of 41628
unemployment. 41629

When the determination of a continued claim for benefits 41630
results in a disallowed claim, the director shall notify the 41631
claimant of the disallowance and the reasons for it. 41632

(F) ELIGIBILITY NOTICE 41633

Any base period or subsequent employer of a claimant who has 41634
knowledge of specific facts affecting the claimant's right to 41635
receive benefits for any week may notify the director in writing 41636
of those facts. The director shall prescribe a form for such 41637
eligibility notice, but failure to use the form shall not preclude 41638
the director's examination of any notice. 41639

To be considered valid, an eligibility notice must: contain 41640
in writing, a statement that identifies either a source who has 41641
firsthand knowledge of the information or an informant who can 41642
identify the source; provide specific and detailed information 41643
that may potentially disqualify the claimant; provide the name and 41644
address of the source or the informant; and appear to the director 41645
to be reliable and credible. 41646

An eligibility notice is timely filed if received or 41647
postmarked prior to or within forty-five calendar days after the 41648
end of the week with respect to which a claim for benefits is 41649

filed by the claimant. An employer who timely files a valid 41650
eligibility notice shall be an interested party to the claim for 41651
benefits which is the subject of the notice. 41652

The director shall consider the information contained in the 41653
eligibility notice, together with other available information. 41654
After giving the claimant notice and an opportunity to respond, 41655
the director shall make a determination and inform the notifying 41656
employer, the claimant, and other interested parties of the 41657
determination. 41658

(G) CORRECTED DETERMINATION 41659

If the director finds within the fifty-two calendar weeks 41660
beginning with the Sunday of the week during which an application 41661
for benefit rights was filed or within the benefit year that a 41662
determination made by the director was erroneous due to an error 41663
in an employer's report or any typographical or clerical error in 41664
the director's determination, or as shown by correct remuneration 41665
information received by the director, the director shall issue a 41666
corrected determination to all interested parties. The corrected 41667
determination shall take precedence over and void the prior 41668
determination of the director. The director shall not issue a 41669
corrected determination when the commission or a court has 41670
jurisdiction with respect to that determination. 41671

(H) EFFECT OF COMMISSION DECISIONS 41672

In making determinations, the director shall follow decisions 41673
of the unemployment compensation review commission which have 41674
become final with respect to claimants similarly situated. 41675

(I) PROMPT PAYMENTS 41676

If benefits are allowed by the director, a hearing officer, 41677
the commission, or a court, the director shall pay benefits 41678
promptly, notwithstanding any further appeal, provided that if 41679
benefits are denied on appeal, of which the parties have notice 41680

and an opportunity to be heard, the director shall withhold 41681
payment of benefits pending a decision on any further appeal. 41682

Sec. 4141.31. (A) Benefits otherwise payable for any week 41683
shall be reduced by the amount of remuneration or other payments a 41684
claimant receives with respect to such week as follows: 41685

(1) Remuneration in lieu of notice; 41686

(2) Compensation for wage loss under division (B) of section 41687
4123.56 of the Revised Code or a similar provision under the 41688
workers' compensation law of any state or the United States; 41689

(3) Payments in the form of retirement, or pension allowances 41690
as provided under section 4141.312 of the Revised Code; 41691

(4) Except as otherwise provided in division (D) of this 41692
section, remuneration in the form of separation or termination pay 41693
paid to an employee at the time of the employee's separation from 41694
employment; 41695

(5) ~~Vacation pay or allowance~~ Amounts payable under the law, 41696
terms of a labor-management contract or agreement, or other 41697
contract of hire, which payments are allocated to designated 41698
weeks, for either of the following: 41699

(a) Vacation pay or allowance; 41700

(b) Holiday pay or allowance. 41701

(6) Bonuses payable under the law, terms of a 41702
labor-management contract or agreement, or other contract of hire; 41703

(7) The determinable value of cost savings days. 41704

If payments under this division are paid with respect to a 41705
month then the amount of remuneration deemed to be received with 41706
respect to any week during such month shall be computed by 41707
multiplying such monthly amount by twelve and dividing the product 41708
by fifty-two. If there is no designation of the period with 41709

respect to which payments to an individual are made under this 41710
section then an amount equal to such individual's normal weekly 41711
wage shall be attributed to and deemed paid with respect to the 41712
first and each succeeding week following the individual's 41713
separation or termination from the employment of the employer 41714
making the payment until such amount so paid is exhausted. 41715

If benefits for any week, when reduced as provided in this 41716
division, result in an amount not a multiple of one dollar, such 41717
benefits shall be rounded to the next lower multiple of one 41718
dollar. 41719

Any payment allocated by the employer or the director of job 41720
and family services to weeks under division (A)(1), (4), or (5) of 41721
this section shall be deemed to be remuneration for the purposes 41722
of establishing a qualifying week and a benefit year under 41723
divisions (O)(1) and (R) of section 4141.01 of the Revised Code. 41724

(B) Benefits payable for any week shall not be reduced by the 41725
amount of remuneration a claimant receives with respect to such 41726
week in the form of drill or reserve pay received by a member of 41727
the Ohio national guard or the armed forces reserve for attendance 41728
at a regularly scheduled drill or meeting. 41729

(C) No benefits shall be paid for any week with respect to 41730
which or a part of which an individual has received or is seeking 41731
unemployment benefits under an unemployment compensation law of 41732
any other state or of the United States, provided the 41733
disqualifications shall not apply if the appropriate agency of 41734
such other state or of the United States finally determines that 41735
an individual is not entitled to such unemployment benefits. A law 41736
of the United States providing any payment of any type and in any 41737
amounts for periods of unemployment due to lack of work shall be 41738
considered an unemployment compensation law of the United States. 41739

(D) Benefits payable for any week shall not be reduced by the 41740

amount of military severance, disability, or separation pay paid 41741
to an individual who is a former member of the armed forces of the 41742
United States. 41743

(E) Remuneration for personal services includes cost savings 41744
days, as defined in division (DD) of section 4141.01 of the 41745
Revised Code, for which employees continue to accrue employee 41746
benefits that have a determinable value. Any unemployment 41747
compensation benefits that may be payable as a result of cost 41748
savings days shall be reduced as provided in division (A)(6) of 41749
this section. 41750

Sec. 4141.43. (A) The Except as provided in division (B) of 41751
this section, the director of job and family services may 41752
~~cooperate with the industrial commission, the bureau of workers'~~ 41753
~~compensation, the United States internal revenue service, the~~ 41754
~~United States employment service, and other similar departments~~ 41755
~~and agencies, as determined by the director, in the exchange or~~ 41756
~~disclosure of information as to wages, employment, payrolls,~~ 41757
~~unemployment, and other information. The director may employ,~~ 41758
~~jointly with one or more of such agencies or departments,~~ 41759
~~auditors, examiners, inspectors, and other employees necessary for~~ 41760
~~the administration of this chapter and employment and training~~ 41761
~~services for workers in the state.~~ 41762

~~(B) The director may make the state's record relating to the~~ 41763
~~administration of this chapter available to the railroad~~ 41764
~~retirement board and may furnish the board at the board's expense~~ 41765
~~such copies thereof as the board deems necessary for its purposes~~ 41766
adopt rules to allow for the disclosure of information otherwise 41767
protected from disclosure under section 4141.21 of the Revised 41768
Code that conform to requirements of federal law governing such 41769
disclosure as follows: 41770

(1) To a federal or state public official, or an agent or 41771

contractor of such an official, for use in the performance of 41772
official duties, including research related to the administration 41773
of those duties; 41774

(2) Pursuant to an order of a judge of a court of record; 41775

(3) Pursuant to a subpoena issued by a local, state, or 41776
federal government official, other than a clerk of court on behalf 41777
of a litigant; 41778

(4) To a prosecuting authority, law enforcement officer, or 41779
law enforcement agency if the director determines that providing 41780
the information is in the best interests of the public and does 41781
not interfere with the efficient administration of the department 41782
of job and family services; 41783

(5) To a consumer reporting agency; 41784

(6) Pursuant to a requirement of federal law. 41785

(B) Information otherwise protected from disclosure under 41786
section 4141.21 of the Revised Code shall not be disclosed for the 41787
purpose of solicitation of contributions or expenditures to or on 41788
behalf of a candidate for public or political office or to a 41789
political party. 41790

(C) The director may afford reasonable cooperation with every 41791
agency of the United States charged with the administration of any 41792
unemployment compensation law. 41793

(D) The director may enter into arrangements with the 41794
appropriate agencies of other states or of the United States or 41795
Canada whereby individuals performing services in this and other 41796
states for a single employer under circumstances not specifically 41797
provided for in division (B) of section 4141.01 of the Revised 41798
Code or in similar provisions in the unemployment compensation 41799
laws of such other states shall be deemed to be engaged in 41800
employment performed entirely within this state or within one of 41801

such other states or within Canada, and whereby potential rights 41802
to benefits accumulated under the unemployment compensation laws 41803
of several states or under such a law of the United States, or 41804
both, or of Canada may constitute the basis for the payment of 41805
benefits through a single appropriate agency under terms that the 41806
director finds will be fair and reasonable as to all affected 41807
interests and will not result in any substantial loss to the 41808
unemployment compensation fund. 41809

(E) The director may enter into agreements with the 41810
appropriate agencies of other states or of the United States or 41811
Canada: 41812

(1) Whereby services or wages upon the basis of which an 41813
individual may become entitled to benefits under the unemployment 41814
compensation law of another state or of the United States or 41815
Canada shall be deemed to be employment or wages for employment by 41816
employers for the purposes of qualifying claimants for benefits 41817
under this chapter, and the director may estimate the number of 41818
weeks of employment represented by the wages reported to the 41819
director for such claimants by such other agency, provided such 41820
other state agency or agency of the United States or Canada has 41821
agreed to reimburse the unemployment compensation fund for such 41822
portion of benefits paid under this chapter upon the basis of such 41823
services or wages as the director finds will be fair and 41824
reasonable as to all affected interests; 41825

(2) Whereby the director will reimburse other state or 41826
federal or Canadian agencies charged with the administration of 41827
unemployment compensation laws with such reasonable portion of 41828
benefits, paid under the law of such other states or of the United 41829
States or of Canada upon the basis of employment or wages for 41830
employment by employers, as the director finds will be fair and 41831
reasonable as to all affected interests. Reimbursements so payable 41832
shall be deemed to be benefits for the purpose of section 4141.09 41833

and division (A) of section 4141.30 of the Revised Code. However, 41834
no reimbursement so payable shall be charged against any 41835
employer's account for the purposes of section 4141.24 of the 41836
Revised Code if the employer's account, under the same or similar 41837
circumstances, with respect to benefits charged under the 41838
provisions of this chapter, other than this section, would not be 41839
charged or, if the claimant at the time the claimant files the 41840
combined wage claim cannot establish benefit rights under this 41841
chapter. This noncharging shall not be applicable to a nonprofit 41842
organization that has elected to make payments in lieu of 41843
contributions under section 4141.241 of the Revised Code, except 41844
as provided in division (D)(2) of section 4141.24 of the Revised 41845
Code. The director may make to other state or federal or Canadian 41846
agencies and receive from such other state or federal or Canadian 41847
agencies reimbursements from or to the unemployment compensation 41848
fund, in accordance with arrangements pursuant to this section. 41849

(3) Notwithstanding division (B)(2)(f) of section 4141.01 of 41850
the Revised Code, the director may enter into agreements with 41851
other states whereby services performed for a crew leader, as 41852
defined in division (BB) of section 4141.01 of the Revised Code, 41853
may be covered in the state in which the crew leader either: 41854

(a) Has the crew leader's place of business or from which the 41855
crew leader's business is operated or controlled; 41856

(b) Resides if the crew leader has no place of business in 41857
any state. 41858

(F) The director may apply for an advance to the unemployment 41859
compensation fund and do all things necessary or required to 41860
obtain such advance and arrange for the repayment of such advance 41861
in accordance with Title XII of the "Social Security Act" as 41862
amended. 41863

(G) The director may enter into reciprocal agreements or 41864

arrangements with the appropriate agencies of other states in 41865
regard to services on vessels engaged in interstate or foreign 41866
commerce whereby such services for a single employer, wherever 41867
performed, shall be deemed performed within this state or within 41868
such other states. 41869

(H) The director shall participate in any arrangements for 41870
the payment of compensation on the basis of combining an 41871
individual's wages and employment, covered under this chapter, 41872
with the individual's wages and employment covered under the 41873
unemployment compensation laws of other states which are approved 41874
by the United States secretary of labor in consultation with the 41875
state unemployment compensation agencies as reasonably calculated 41876
to assure the prompt and full payment of compensation in such 41877
situations and which include provisions for: 41878

(1) Applying the base period of a single state law to a claim 41879
involving the combining of an individual's wages and employment 41880
covered under two or more state unemployment compensation laws, 41881
and 41882

(2) Avoiding the duplicate use of wages and employment by 41883
reason of such combining. 41884

~~(I)~~(I)(1) The director shall cooperate with the United States 41885
department of labor to the fullest extent consistent with this 41886
chapter, and shall take such action, through the adoption of 41887
appropriate rules, regulations, and administrative methods and 41888
standards, as may be necessary to secure to this state and its 41889
citizens all advantages available under the provisions of the 41890
"Social Security Act" that relate to unemployment compensation, 41891
the "Federal Unemployment Tax Act," (1970) 84 Stat. 713, 26 41892
U.S.C.A. 3301 to 3311, the "Wagner-Peyser Act," (1933) 48 Stat. 41893
113, 29 U.S.C.A. 49, the "Federal-State Extended Unemployment 41894
Compensation Act of 1970," 84 Stat. 596, 26 U.S.C.A. 3306, and the 41895
"Workforce Innovation and Opportunity Act," 29 U.S.C.A. 3101 et 41896

seq. 41897

(2) Nothing in division (I)(1) of this section requires the 41898
director to participate in, nor precludes the director from 41899
ceasing to participate in, any voluntary, optional, special, or 41900
emergency program offered by the federal government, including 41901
programs offered under any of the federal acts listed in division 41902
(I)(1) of this section, the "Coronavirus Aid, Relief, and Economic 41903
Security Act," 15 U.S.C. 9023, or any other federal program 41904
enacted to address exceptional unemployment conditions. 41905

(J) The director may disclose wage information furnished to 41906
or maintained by the director under Chapter 4141. of the Revised 41907
Code to a consumer reporting agency as defined by the "Fair Credit 41908
Reporting Act," 84 Stat. 1128, 15 U.S.C.A. 1681a, as amended, for 41909
the purpose of verifying an individual's income under a written 41910
agreement that requires all of the following: 41911

(1) A written statement of informed consent from the 41912
individual whose information is to be disclosed; 41913

(2) A written statement confirming that the consumer 41914
reporting agency and any other entity to which the information is 41915
disclosed or released will safeguard the information from illegal 41916
or unauthorized disclosure; 41917

(3) A written statement confirming that the consumer 41918
reporting agency will pay to the bureau all costs associated with 41919
the disclosure. 41920

The director shall prescribe a manner and format in which 41921
this information may be provided. 41922

~~(K) The director shall adopt rules defining the requirements~~ 41923
~~of the release of individual income verification information~~ 41924
~~specified in division (J) of this section, which shall include all~~ 41925
~~terms and conditions necessary to meet the requirements of federal~~ 41926

41929

~~(L)~~ The director shall disclose information furnished to or 41930

Revenue Code," 26 U.S.C.A. 3304. 41934

Sec. 4301.441. Any information provided to a state agency by 41935
the department of taxation in accordance with ~~division (C)(11) of~~ 41936
section 5703.21 of the Revised Code for the purpose of verifying a 41937
permit holder's gallonage or noncompliance with taxes levied under 41938
this chapter or Chapter 4305. of the Revised Code shall not be 41939
disclosed publicly by that agency, except for purposes of 41940
enforcement, to deny the renewal of a liquor permit, or to report 41941
such information to the alcohol and tobacco tax and trade bureau 41942
in the United States department of the treasury. 41943

Sec. 4303.041. (A) An A-3a permit may be issued to a 41944
distiller that manufactures less than one hundred thousand gallons 41945
of spirituous liquor per year. An A-3a permit holder may sell to a 41946
personal consumer, in sealed containers for consumption off the 41947
premises where manufactured, spirituous liquor that the permit 41948
holder manufactures, but sales to the personal consumer may occur 41949
only by an in-person transaction at the permit premises. The A-3a 41950
permit holder shall not ship, send, or use an H permit holder to 41951
deliver spirituous liquor to the personal consumer. 41952

"Distiller" means a person in this state who mashes, 41953
ferments, distills, and ages spirituous liquor. 41954

~~(B)(1)~~(B) Except as otherwise provided in this section, no 41955
A-3a permit shall be issued unless the sale of spirituous liquor 41956
by the glass for consumption on the premises or by the package for 41957

consumption off the premises is authorized in the election 41958
precinct in which the A-3a permit is proposed to be located. 41959

~~(2) Division (B)(1) of this section does not prohibit the 41960
issuance of an A-3a permit to an applicant for such a permit who 41961
has filed an application with the division of liquor control 41962
before March 22, 2012. 41963~~

(C)(1) An A-3a permit holder may offer for sale tasting 41964
samples of spirituous liquor. The A-3a permit holder shall not 41965
serve more than four tasting samples of spirituous liquor per 41966
person per day. A tasting sample shall not exceed a quarter ounce. 41967
Tasting samples shall be only for the purpose of allowing a 41968
purchaser to determine, by tasting only, the quality and character 41969
of the spirituous liquor. The tasting samples shall be offered for 41970
sale in accordance with rules adopted by the division of liquor 41971
control. 41972

(2) An A-3a permit holder shall sell not more than three 41973
liters of spirituous liquor per day from the permit premises to 41974
the same personal consumer. 41975

(D) An A-3a permit holder may sell spirituous liquor in 41976
sealed containers for consumption off the premises where 41977
manufactured as an independent contractor under agreement, by 41978
virtue of the permit, with the division of liquor control. The 41979
price at which the A-3a permit holder shall sell each spirituous 41980
liquor product to a personal consumer is to be determined by the 41981
division of liquor control. For an A-3a permit holder to purchase 41982
and then offer spirituous liquor for retail sale, the spirituous 41983
liquor need not first leave the physical possession of the A-3a 41984
permit holder to be so registered. The spirituous liquor that the 41985
A-3a permit holder buys from the division of liquor control shall 41986
be maintained in a separate area of the permit premises for sale 41987
to personal consumers. The A-3a permit holder shall sell such 41988
spirituous liquor in sealed containers for consumption off the 41989

premises where manufactured as an independent contractor by virtue 41990
of the permit issued by the division of liquor control, but the 41991
permit holder shall not be compensated as provided in division 41992
(A)(1) of section 4301.17 of the Revised Code. Each A-3a permit 41993
holder shall be subject to audit by the division of liquor 41994
control. Each A-3a permit holder shall execute and file with the 41995
division a surety bond, in an amount established by the division, 41996
that is conditioned on the faithful performance of the permit 41997
holder's duties as prescribed by the division. 41998

~~(D)~~(E) The fee for the A-3a permit is two dollars per 41999
fifty-gallon barrel. 42000

~~(E)~~(F) The holder of an A-3a permit may also exercise the 42001
same privileges as the holder of an A-3 permit. 42002

Sec. 4303.271. (A) Except as provided in divisions (B) and 42003
(D) of this section, the holder of a permit issued under sections 42004
4303.02 to 4303.232 of the Revised Code, who files an application 42005
for the renewal of the same class of permit for the same premises, 42006
shall be entitled to the renewal of the permit. The division of 42007
liquor control shall renew the permit unless the division rejects 42008
for good cause any renewal application, subject to the right of 42009
the applicant to appeal the rejection to the liquor control 42010
commission. 42011

(B) The legislative authority of the municipal corporation, 42012
the board of township trustees, or the board of county 42013
commissioners of the county in which a permit premises is located 42014
may object to the renewal of a permit issued under sections 42015
4303.11 to 4303.183 of the Revised Code for any of the reasons 42016
contained in division (A) of section 4303.292 of the Revised Code. 42017
Any objection shall be made no later than thirty days prior to the 42018
expiration of the permit, and the division shall accept the 42019
objection if it is postmarked no later than thirty days prior to 42020

the expiration of the permit. The objection shall be made by a 42021
resolution specifying the reasons for objecting to the renewal and 42022
requesting a hearing, but no objection shall be based upon 42023
noncompliance of the permit premises with local zoning regulations 42024
that prohibit the sale of beer or intoxicating liquor in an area 42025
zoned for commercial or industrial uses, for a permit premises 42026
that would otherwise qualify for a proper permit issued by the 42027
division. The resolution shall be accompanied by a statement by 42028
the chief legal officer of the political subdivision that, in the 42029
chief legal officer's opinion, the objection is based upon 42030
substantial legal grounds within the meaning and intent of 42031
division (A) of section 4303.292 of the Revised Code. 42032

Upon receipt of a resolution of a legislative authority or 42033
board objecting to the renewal of a permit and a statement from 42034
the chief legal officer, the division shall set a time for the 42035
hearing and send by certified mail to the permit holder, at the 42036
permit holder's usual place of business, a copy of the resolution 42037
and notice of the hearing. The division shall then hold a hearing 42038
in the central office of the division, except that, upon written 42039
request of the legislative authority or board, the hearing shall 42040
be held in the county seat of the county in which the permit 42041
premises is located, to determine whether the renewal shall be 42042
denied for any of the reasons contained in division (A) of section 42043
4303.292 of the Revised Code. Only the reasons for refusal 42044
contained in division (A) of section 4303.292 of the Revised Code 42045
and specified in the resolution of objection shall be considered 42046
at the hearing. 42047

The permit holder and the objecting legislative authority or 42048
board shall be parties to the proceedings under this section and 42049
shall have the right to be present, to be represented by counsel, 42050
to offer evidence, to require the attendance of witnesses, and to 42051
cross-examine witnesses at the hearing. 42052

(C) An application for renewal of a permit shall be filed 42053
with the division at least fifteen days prior to the expiration of 42054
an existing permit, and the existing permit shall continue in 42055
effect as provided in section 119.06 of the Revised Code until the 42056
application is approved or rejected by the division. Any holder of 42057
a permit, which has expired through failure to be renewed as 42058
provided in this section, shall obtain a renewal of the permit, 42059
upon filing an application for renewal with the division, at any 42060
time within thirty days from the date of the expired permit. A 42061
penalty of ten per cent of the permit fee shall be paid by the 42062
permit holder if the application for renewal is not filed at least 42063
fifteen days prior to the expiration of the permit. 42064

(D)(1) Annually, the tax commissioner shall examine the 42065
department of taxation's records for the horse-racing, alcoholic 42066
beverage, motor fuel, petroleum activity, sales or use, cigarette, 42067
other tobacco products, employer withholding, commercial activity, 42068
and gross casino revenue tax and gross receipts taxes levied 42069
pursuant to section 5739.101 of the Revised Code for each holder 42070
of a permit issued under sections 4303.02 to 4303.232 of the 42071
Revised Code to determine if the permit holder is delinquent in 42072
filing any returns, submitting any information required by the 42073
commissioner, or remitting any payments with respect to those 42074
taxes or any fees, charges, penalties, or interest related to 42075
those taxes. 42076

If any delinquency or liability exists, the commissioner 42077
shall send a notice of that fact ~~by certified mail, return receipt~~ 42078
~~requested, to the permit holder in the manner provided in section~~ 42079
5703.37 of the Revised Code. The notice shall specify, in as much 42080
detail as is possible, the periods for which returns have not been 42081
filed and the nature and amount of unpaid assessments and other 42082
liabilities and shall be sent on or before the first day of the 42083
third month preceding the month in which the permit expires. The 42084

commissioner also shall notify the division of liquor control of 42085
the delinquency or liability, identifying the permit holder by 42086
name and permit number. 42087

(2)(a) Except as provided in division (D)(4) of this section, 42088
the division of liquor control shall not renew the permit of any 42089
permit holder the tax commissioner has identified as being 42090
delinquent in filing any returns, providing any information, or 42091
remitting any payments with respect to the taxes listed in 42092
division (D)(1) of this section as of the first day of the sixth 42093
month preceding the month in which the permit expires, or of any 42094
permit holder the commissioner has identified as having been 42095
assessed by the department on or before the first day of the third 42096
month preceding the month in which the permit expires, until the 42097
division is notified by the commissioner that the delinquency, 42098
liability, or assessment has been resolved. 42099

(b)(i) Within ninety days after the date on which the permit 42100
expires, any permit holder whose permit is not renewed under this 42101
division may file an appeal with the liquor control commission. 42102
The commission shall notify the tax commissioner regarding the 42103
filing of any such appeal. During the period in which the appeal 42104
is pending, the permit shall not be renewed by the division. The 42105
permit shall be reinstated if the permit holder and the 42106
commissioner or the attorney general demonstrate to the liquor 42107
control commission that the commissioner's notification of a 42108
delinquency or assessment was in error or that the issue of the 42109
delinquency or assessment has been resolved. 42110

(ii) A permit holder who has filed an appeal under division 42111
(D)(2)(b)(i) of this section may file a motion to withdraw the 42112
appeal. The division of liquor control may renew a permit holder's 42113
permit if the permit holder has withdrawn such an appeal and the 42114
division receives written certification from the tax commissioner 42115
that the permit holder's delinquency or assessment has been 42116

resolved. 42117

(3) A permit holder notified of delinquency or liability 42118
under this section may protest the notification to the tax 42119
commissioner on the basis that no return or information is 42120
delinquent and no tax, fee, charge, penalty, or interest is 42121
outstanding. The commissioner shall expeditiously consider any 42122
evidence submitted by the permit holder and, if it is determined 42123
that the notification was in error, immediately shall inform the 42124
division of liquor control that the renewal application may be 42125
granted. The renewal shall not be denied if the delinquency or 42126
unreported liability is the subject of a bona fide dispute as to 42127
the validity of the delinquency or unreported liability and is the 42128
subject of an assessment and of an appeal properly filed by the 42129
permit holder. 42130

(4) If the commissioner concludes that under the 42131
circumstances the permit holder's delinquency or liability has 42132
been conditionally resolved, the commissioner shall allow the 42133
permit to be renewed, conditioned upon the permit holder's 42134
continuing performance in satisfying the delinquency and 42135
liability. The conditional nature of the renewal shall be 42136
specified in the notification given to the division of liquor 42137
control under division (D)(1) of this section. Upon receipt of 42138
notice of the resolution, the division shall issue a conditional 42139
renewal. If the taxpayer defaults on any agreement to pay the 42140
delinquency or liability or fails to keep subsequent tax or fee 42141
payments current, the liquor control commission, upon request and 42142
proof of the default or failure to keep subsequent tax or fee 42143
payments current, shall indefinitely suspend the permit holder's 42144
permit until all taxes or fees and interest due are paid. 42145

(5) The commissioner may adopt rules to assist in 42146
administering the duties imposed by this section. 42147

physician, a registered nurse, or a qualified technician, chemist, 44250
or phlebotomist of the person's own choosing as provided in 44251
division (D) of section 4511.19 of the Revised Code for tests 44252
administered under that section, and the failure to obtain such a 44253
test has the same effect as in that division. 44254

person's commercial driver's license or permit to a peace officer 44256
when required to do so by this section. 44257

the driver should not be disqualified from operating a commercial 44294
motor vehicle. If a request for such a hearing is not made within 44295
thirty days of the mailing of the notice, the order of 44296
disqualification is final. The registrar may designate hearing 44297
examiners who, after affording all parties reasonable notice, 44298
shall conduct a hearing to determine whether the disqualification 44299
order is supported by reliable evidence. The registrar shall adopt 44300
rules to implement this division. 44301

certified device may consist of an ignition interlock device, an 45682
ignition blocking device initiated by time or magnetic or 45683
electronic encoding, an activity monitor, or any other device that 45684
reasonably assures compliance with an order granting limited 45685
driving privileges. Ignition interlock devices shall be certified 45686
annually. 45687

The requirements for an immobilizing or disabling device that 45688
is an ignition interlock device shall require that the 45689

manufacturer of the device submit to the department of public safety a certificate from an independent testing laboratory indicating that the device meets or exceeds the standards of the national highway traffic safety administration, as defined in section 4511.19 of the Revised Code, that are in effect at the time of the director's decision regarding certification of the device, shall include provisions for setting a minimum and maximum calibration range, and shall include, but shall not be limited to, specifications that the device complies with all of the following:

- (a) It does not impede the safe operation of the vehicle.
- (b) It has features that make circumvention difficult and that do not interfere with the normal use of the vehicle, and the features are operating and functioning.
- (c) It correlates well with established measures of alcohol impairment.
- (d) It works accurately and reliably in an unsupervised environment.
- (e) It is resistant to tampering and shows evidence of tampering if tampering is attempted.
- (f) It is difficult to circumvent and requires premeditation to do so.
- (g) It minimizes inconvenience to a sober user.
- (h) It requires a proper, deep-lung breath sample or other accurate measure of the concentration by weight of alcohol in the breath.
- (i) It operates reliably over the range of automobile environments.
- (j) It is made by a manufacturer who is covered by product liability insurance.
- (k) Beginning January 1, 2020, it is equipped with a camera.

(3) The director of public safety may adopt, in whole or in part, the guidelines, rules, regulations, studies, or independent laboratory tests performed and relied upon by other states, or their agencies or commissions, in the certification or approval of immobilizing or disabling devices.

(4) The director of public safety shall adopt rules in accordance with Chapter 119. of the Revised Code for the design of a warning label that shall be affixed to each immobilizing or disabling device upon installation. The label shall contain a warning that any person tampering, circumventing, or otherwise misusing the device is subject to a fine, imprisonment, or both and may be subject to civil liability.

(5) The director of public safety shall establish a certificate of installation that a manufacturer of immobilizing or disabling devices shall sign and provide to a person upon the completion of the installation of such a device on the person's motor vehicle. The director also shall adopt rules in accordance with Chapter 119. of the Revised Code that govern procedures for confirming and inspecting the installation of immobilizing or disabling devices.

(B) A court considering the use of a prototype device in a pilot program shall advise the director of public safety, thirty days before the use, of the prototype device and its protocol, methodology, manufacturer, and licensor, lessor, other agent, or owner, and the length of the court's pilot program. A prototype device shall not be used for a violation of section 4510.14 or 4511.19 of the Revised Code, a violation of a municipal OVI ordinance, or in relation to a suspension imposed under section 4511.191 of the Revised Code. A court that uses a prototype device in a pilot program, periodically during the existence of the program and within fourteen days after termination of the program, shall report in writing to the director of public safety regarding

the effectiveness of the prototype device and the program. 45752

(C) If a person has been granted limited or unlimited driving 45753
privileges with a condition of the privileges being that the motor 45754
vehicle that is operated under the privileges must be equipped 45755
with an immobilizing or disabling device, the person may operate a 45756
motor vehicle that is owned by the person's employer only if the 45757
person is required to operate that motor vehicle in the course and 45758
scope of the offender's employment. Such a person may operate that 45759
vehicle without the installation of an immobilizing or disabling 45760
device, provided that the employer has been notified that the 45761
person has limited driving privileges and of the nature of the 45762
restriction and further provided that the person has proof of the 45763
employer's notification in the person's possession while operating 45764
the employer's vehicle for normal business duties. A motor vehicle 45765
owned by a business that is partly or entirely owned or controlled 45766
by a person with limited driving privileges is not a motor vehicle 45767
owned by an employer, for purposes of this division. 45768

Sec. 4510.45. (A)(1) A manufacturer of ignition interlock 45769
devices that desires for its devices to be certified under section 45770
4510.43 of the Revised Code and then to be included on the list of 45771
certified devices that the department of public safety compiles 45772
and makes available to courts pursuant to that section first shall 45773
obtain a license from the department under this section. The 45774
department, in accordance with Chapter 119. of the Revised Code, 45775
shall adopt any rules that are necessary to implement this 45776
licensing requirement. 45777

(2) A manufacturer shall apply to the department for the 45778
license and shall include all information the department may 45779
require by rule. Each application, including an application for 45780
license renewal, shall be accompanied by an application fee of one 45781
hundred dollars, which the department shall deposit into the state 45782

treasury to the credit of the state indigent drivers alcohol 45783
treatment fund created by section 4511.191 of the Revised Code. 45784
Each application also shall be accompanied by a signed agreement, 45785
in a form established by the director, affirming that the 45786
manufacturer agrees to install and monitor all devices produced by 45787
that manufacturer and affirming that the manufacturer agrees to 45788
charge a reduced fee, established by the department, for the 45789
installation and monitoring of a device used by a person who is 45790
deemed to be an indigent offender by the court that granted 45791
limited or unlimited driving privileges to the offender subject to 45792
the condition that the offender use a certified ignition interlock 45793
device. 45794

(3) Upon receipt of a completed application, if the 45795
department finds that a manufacturer has complied with all 45796
application requirements, the department shall issue a license to 45797
the manufacturer. A manufacturer that has been issued a license 45798
under this section is eligible immediately to have the models of 45799
ignition interlock devices it produces certified under section 45800
4510.43 of the Revised Code and then included on the list of 45801
certified devices that the department compiles and makes available 45802
to courts pursuant to that section. 45803

(4)(a) A license issued under this section shall expire 45804
annually on a date selected by the department. The department 45805
shall reject the license application of a manufacturer if any of 45806
the following apply: 45807

(i) The application is not accompanied by the application fee 45808
or the required agreement. 45809

(ii) The department finds that the manufacturer has not 45810
complied with all application requirements. 45811

(iii) The license application is a renewal application and 45812
the manufacturer failed to file the annual report or failed to pay 45813

the fee as required by division (B) of this section. 45814

(iv) The license application is a renewal application and the 45815
manufacturer failed to monitor or report violations as required 45816
under section 4510.46 of the Revised Code. 45817

(b) The department may reject the license application of a 45818
manufacturer if the manufacturer has a history of failing to 45819
properly install immobilizing or disabling devices. 45820

(c) A manufacturer whose license application is rejected by 45821
the department may appeal the decision to the director of public 45822
safety. The director or the director's designee shall hold a 45823
hearing on the matter not more than thirty days from the date of 45824
the manufacturer's appeal. If the director or the director's 45825
designee upholds the denial of the manufacturer's application for 45826
a license, the manufacturer may appeal the decision to the 45827
Franklin county court of common pleas. If the director or the 45828
director's designee reverses the denial of the manufacturer's 45829
application for a license, the director or the director's designee 45830
shall issue a written order directing that the department issue a 45831
license to the manufacturer. 45832

(B) Every manufacturer of ignition interlock devices that is 45833
issued a license under this section shall file an annual report 45834
with the department on a form the department prescribes on or 45835
before a date the department prescribes. The annual report shall 45836
state the amount of net profit the manufacturer earned during a 45837
twelve-month period specified by the department that is 45838
attributable to the sales of that manufacturer's certified 45839
ignition interlock devices to purchasers in this state. Each 45840
manufacturer shall pay a fee equal to five per cent of the amount 45841
of the net profit described in this division. 45842

The department may permit annual reports to be filed via 45843
electronic means. 45844

(C) The department shall deposit all fees it receives from 45845
manufacturers under this section into the state treasury to the 45846
credit of the state indigent drivers alcohol treatment fund 45847
created by section 4511.191 of the Revised Code. All money so 45848
deposited into that fund that is paid by the department of mental 45849
health and addiction services to county indigent drivers alcohol 45850
treatment funds, county juvenile indigent drivers alcohol 45851
treatment funds, and municipal indigent drivers alcohol treatment 45852
funds shall be used only as described in division (H)(3) of 45853
section 4511.191 of the Revised Code. 45854

(D)(1) The director may make an assessment, based on any 45855
information in the director's possession, against any manufacturer 45856
that fails to file an annual report or pay the fee required by 45857
division (B) of this section. The director, in accordance with 45858
Chapter 119. of the Revised Code, shall adopt rules governing 45859
assessments and assessment procedures and related provisions. In 45860
adopting these rules, the director shall incorporate the 45861
provisions of section 5751.09 of the Revised Code to the greatest 45862
extent possible, except that the director is not required to 45863
incorporate any provisions of that section that by their nature 45864
are not applicable, appropriate, or necessary to assessments made 45865
by the director under this section. 45866

(2) A manufacturer may appeal the final determination of the 45867
director regarding an assessment made by the director under this 45868
section. The director, in accordance with Chapter 119. of the 45869
Revised Code, shall adopt rules governing such appeals. In 45870
adopting these rules, the director shall incorporate the 45871
provisions of section 5717.02 of the Revised Code to the greatest 45872
extent possible, except that the director is not required to 45873
incorporate any provisions of that section that by their nature 45874
are not applicable, appropriate, or necessary to appeals of 45875
assessments made by the director under this section. 45876

(E) The director, in accordance with Chapter 119. of the Revised Code, shall adopt a penalty schedule setting forth the monetary penalties to be imposed upon a manufacturer that is issued a license under this section and fails to file an annual report or pay the fee required by division (B) of this section in a timely manner. The penalty amounts shall not exceed the maximum penalty amounts established in section 5751.06 of the Revised Code for similar or equivalent facts or circumstances.

(F)(1) No manufacturer of ignition interlock devices that is required by division (B) of this section to file an annual report with the department or to pay a fee shall fail to do so as required by that division.

(2) No manufacturer of ignition interlock devices that is required by division (B) of this section to file an annual report with the department shall file a report that contains incorrect or erroneous information.

(G) Whoever violates division (F)(2) of this section is guilty of a misdemeanor of the first degree. The department shall remove from the list of certified devices described in division (A)(1) of this section the ignition interlock devices manufactured by a manufacturer that violates division (F)(1) or (2) of this section.

operator or a vehicle occupant for an offense other than a secondary offense.

(2) A law enforcement agency that operates a motor vehicle checkpoint for an express purpose related to a secondary traffic offense shall not issue a ticket, citation, or summons for any secondary traffic offense at such a checkpoint, but may use such a checkpoint operation to conduct a public awareness campaign and distribute information.

trackless trolley shall be deemed to have given consent to a 45941
chemical test or tests of the person's whole blood, blood serum or 45942

section shall be administered at the request of a law enforcement 45951

violation and permitted it to occur on a recurring basis. 48473

(C) Subject to Chapter 119. of the Revised Code, the board 48474

nurse-midwife. Any written documentation of the physical 48511
examination shall be completed by the individual who conducted the 48512
examination. 48513

Failure to comply with an order for an examination shall be 48514
grounds for refusal of a license or certificate or summary 48515
suspension of a license or certificate under division (E) of this 48516
section. 48517

(E) If a license or certificate holder has failed to comply 48518

temporarily suspends a holder's license or certificate, the board 48525
shall give written notice of the suspension personally or by 48526
certified mail to the license or certificate holder. Such notice 48527
shall inform the license or certificate holder of the right to a 48528
hearing pursuant to Chapter 119. of the Revised Code. 48529

(F) Any holder of a certificate or license issued under this 48530

jurisdiction for any substantially equivalent criminal offense, is 48540
automatically suspended from practice under this chapter in this 48541
state and any certificate or license issued to the holder under 48542
this chapter is automatically suspended, as of the date of the 48543
guilty plea, conviction, or judicial finding, whether the 48544
proceedings are brought in this state or another jurisdiction. 48545
Continued practice by an individual after the suspension of the 48546
individual's certificate or license under this division shall be 48547
considered practicing without a certificate or license. The board 48548
shall notify the suspended individual of the suspension of the 48549
individual's certificate or license under this division ~~by~~ 48550
~~certified mail or in person~~ in accordance with ~~section~~ sections 48551
119.05 and 119.07 of the Revised Code. If an individual whose 48552
certificate or license is suspended under this division fails to 48553
make a timely request for an adjudicatory hearing, the board shall 48554
enter a final order revoking the individual's certificate or 48555

license. 48556

(G) If the supervisory investigative panel determines both of 48557
the following, the panel may recommend that the board suspend an 48558

the board. The board, upon review of those allegations and by an 48565
affirmative vote of not fewer than four dentist members of the 48566
board and seven of its members in total, excluding any member on 48567
the supervisory investigative panel, may suspend a certificate or 48568
license without a prior hearing. A telephone conference call may 48569
be utilized for reviewing the allegations and taking the vote on 48570
the summary suspension. 48571

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 48572
~~certified mail or in person~~ in accordance with ~~section~~ sections 48573
119.05 and 119.07 of the Revised Code. The order shall not be 48574
subject to suspension by the court during pendency or any appeal 48575
filed under section 119.12 of the Revised Code. If the individual 48576
subject to the summary suspension requests an adjudicatory hearing 48577
by the board, notwithstanding the time within which a hearing must 48578
be held under section 119.07 of the Revised Code, the date set for 48579
the hearing shall be within fifteen days, but not earlier than 48580
seven days, after the individual requests the hearing, unless 48581
otherwise agreed to by both the board and the individual. 48582

Any summary suspension imposed under this division shall 48583
remain in effect, unless reversed on appeal, until a final 48584
adjudicative order issued by the board pursuant to this section 48585
and Chapter 119. of the Revised Code becomes effective. The board 48586

shall issue its final adjudicative order within seventy-five days 48587
after completion of its hearing. A failure to issue the order 48588
within seventy-five days shall result in dissolution of the 48589
summary suspension order but shall not invalidate any subsequent, 48590
final adjudicative order. 48591

(H) Sanctions shall not be imposed under division (A)(13) of 48592
this section against any certificate or license holder who waives 48593
deductibles and copayments as follows: 48594

(1) In compliance with the health benefit plan that expressly 48595
allows such a practice. Waiver of the deductibles or copayments 48596
shall be made only with the full knowledge and consent of the plan 48597
purchaser, payer, and third-party administrator. Documentation of 48598
the consent shall be made available to the board upon request. 48599

(2) For professional services rendered to any other person 48600
who holds a certificate or license issued pursuant to this chapter 48601
to the extent allowed by this chapter and the rules of the board. 48602

(I) In no event shall the board consider or raise during a 48603
hearing required by Chapter 119. of the Revised Code the 48604
circumstances of, or the fact that the board has received, one or 48605
more complaints about a person unless the one or more complaints 48606
are the subject of the hearing or resulted in the board taking an 48607
action authorized by this section against the person on a prior 48608
occasion. 48609

(J) The board may share any information it receives pursuant 48610
to an investigation under division (D) of section 4715.03 of the 48611

boards, and other governmental agencies that are prosecuting, 48614
adjudicating, or investigating alleged violations of statutes or 48615
administrative rules. An agency or board that receives the 48616
information shall comply with the same requirements regarding 48617

confidentiality as those with which the state dental board must 48618
comply, notwithstanding any conflicting provision of the Revised 48619
Code or procedure of the agency or board that applies when it is 48620
dealing with other information in its possession. In a judicial 48621
proceeding, the information may be admitted into evidence only in 48622
accordance with the Rules of Evidence, but the court shall require 48623
that appropriate measures are taken to ensure that confidentiality 48624
is maintained with respect to any part of the information that 48625
contains names or other identifying information about patients or 48626
complainants whose confidentiality was protected by the state 48627
dental board when the information was in the board's possession. 48628

include sealing its records or deleting specific information from 48630
its records. 48631

Revised Code: 48635

(1) A conviction or plea of guilty to an offense; 48636

(2) A judicial finding of eligibility for treatment or 48637

(4) The licensee or permit holder has committed immoral or unprofessional conduct.

(5) The applicant or licensee knowingly permitted an unlicensed person, other than a person serving an apprenticeship, to engage in the profession or business of embalming or funeral directing under the applicant's or licensee's supervision.

division, "false and deceptive advertising" includes, but is not 48682
limited to, any of the following: 48683

(b) Using any name for the funeral home other than the name 48687
under which the funeral home is licensed; 48688

(c) Using in the funeral home's name the surname of an 48689
individual who is not directly, actively, or presently associated 48690
with the funeral home, unless such surname has been previously and 48691
continuously used by the funeral home. 48692

(B)(1) The board of embalmers and funeral directors shall 48693
refuse to grant or renew, or shall suspend or revoke a license or 48694
permit only in accordance with Chapter 119. of the Revised Code. 48695

(2) The board shall send to the crematory review board 48696
written notice that it proposes to refuse to issue or renew, or 48697
proposes to suspend or revoke, a license to operate a crematory 48698
facility. If, after the conclusion of the adjudicatory hearing on 48699
the matter conducted under division (F) of section 4717.03 of the 48700
Revised Code, the board of embalmers and funeral directors finds 48701
that any of the circumstances described in divisions (A)(1) to (9) 48702
of this section apply to the person named in its proposed action, 48703
the board may issue a final order under division (F) of section 48704
4717.03 of the Revised Code refusing to issue or renew, or 48705
suspending or revoking, the person's license to operate a 48706
crematory facility. 48707

(C) If the board of embalmers and funeral directors 48708
determines that there is clear and convincing evidence that any of 48709

the circumstances described in divisions (A)(1) to (9) of this 48710
section apply to the holder of a license or permit issued under 48711
this chapter and that the licensee's or permit holder's continued 48712
practice presents a danger of immediate and serious harm to the 48713
public, the board may suspend the licensee's license or permit 48714
holder's permit without a prior adjudicatory hearing. The 48715
executive director of the board shall prepare written allegations 48716
for consideration by the board. 48717

The board, after reviewing the written allegations, may 48718
suspend a license or permit without a prior hearing. 48719

Notwithstanding section 121.22 of the Revised Code, the board 48720
may suspend a license or permit under this division by utilizing a 48721
telephone conference call to review the allegations and to take a 48722
vote. 48723

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 48724
~~a delivery system or in person~~ in accordance with ~~section~~ sections 48725
119.05 and 119.07 of the Revised Code. Such an order is not 48726
subject to suspension by the court during the pendency of any 48727
appeal filed under section 119.12 of the Revised Code. If the 48728
licensee or permit holder requests an adjudicatory hearing by the 48729
board, notwithstanding the time within which a hearing must be 48730
held under section 119.07 of the Revised Code, the date set for 48731
the hearing shall be within fifteen days, but not earlier than 48732
seven days, after the licensee or permit holder has requested a 48733
hearing, unless the board and the licensee or permit holder agree 48734
to a different time for holding the hearing. 48735

Upon issuing a written order of suspension to the holder of a 48736
license to operate a crematory facility, the board of embalmers 48737
and funeral directors shall send written notice of the issuance of 48738
the order to the crematory review board. The crematory review 48739
board shall hold an adjudicatory hearing on the order under 48740
division (F) of section 4717.03 of the Revised Code within fifteen 48741

days, but not earlier than seven days, after the issuance of the 48742
order, unless the crematory review board and the licensee agree to 48743
a different time for holding the adjudicatory hearing. 48744

Any summary suspension imposed under this division shall 48745
remain in effect, unless reversed on appeal, until a final 48746
adjudicatory order issued by the board of embalmers and funeral 48747
directors pursuant to this division and Chapter 119. of the 48748
Revised Code, or division (F) of section 4717.03 of the Revised 48749
Code, as applicable, becomes effective. The board of embalmers and 48750
funeral directors shall issue its final adjudicatory order within 48751
sixty days after the completion of its hearing or, in the case of 48752
the summary suspension of a license to operate a crematory 48753
facility, within sixty days after completion of the adjudicatory 48754
hearing by the crematory review board. A failure to issue the 48755
order within that time results in the dissolution of the summary 48756
suspension order, but does not invalidate any subsequent final 48757
adjudicatory order. 48758

(D) If the board of embalmers and funeral directors suspends 48759
or revokes a funeral director's license or a license to operate a 48760
funeral home for any reason identified in division (A) of this 48761
section, the board may file a complaint with the court of common 48762
pleas in the county where the violation occurred requesting 48763
appointment of a receiver and the sequestration of the assets of 48764
the funeral home that held the suspended or revoked license or the 48765
licensed funeral home that employs the funeral director that held 48766
the suspended or revoked license. If the court of common pleas is 48767
satisfied with the application for a receivership, the court may 48768
appoint a receiver. 48769

The board or a receiver may employ and procure whatever 48770
assistance or advice is necessary in the receivership or 48771
liquidation and distribution of the assets of the funeral home, 48772
and, for that purpose, may retain officers or employees of the 48773

funeral home as needed. All expenses of the receivership or 48774
liquidation shall be paid from the assets of the funeral home and 48775
shall be a lien on those assets, and that lien shall be a priority 48776
to any other lien. 48777

(E) Any holder of a license or permit issued under this 48778
chapter who has pleaded guilty to, has been found by a judge or 48779
jury to be guilty of, or has had a judicial finding of eligibility 48780
for treatment in lieu of conviction entered against the individual 48781
in this state for aggravated murder, murder, voluntary 48782
manslaughter, felonious assault, kidnapping, rape, sexual battery, 48783
gross sexual imposition, aggravated arson, aggravated robbery, or 48784
aggravated burglary, or who has pleaded guilty to, has been found 48785
by a judge or jury to be guilty of, or has had a judicial finding 48786
of eligibility for treatment in lieu of conviction entered against 48787
the individual in another jurisdiction for any substantially 48788
equivalent criminal offense, is hereby suspended from practice 48789
under this chapter by operation of law, and any license or permit 48790
issued to the individual under this chapter is hereby suspended by 48791
operation of law as of the date of the guilty plea, verdict or 48792
finding of guilt, or judicial finding of eligibility for treatment 48793
in lieu of conviction, regardless of whether the proceedings are 48794
brought in this state or another jurisdiction. The board shall 48795
notify the suspended individual of the suspension of the 48796
individual's license or permit by the operation of ~~this division~~ 48797
~~by a delivery system or in person~~ law in accordance with ~~section~~ 48798
sections 119.05 and 119.07 of the Revised Code. If an individual 48799
whose license or permit is suspended under this division fails to 48800
make a timely request for an adjudicatory hearing, the board shall 48801
enter a final order revoking the license. 48802

(F) No person whose license or permit has been suspended or 48803
revoked under or by the operation of this section shall knowingly 48804
practice embalming, funeral directing, or cremation, or operate a 48805

funeral home, embalming facility, or crematory facility until the board has reinstated the person's license or permit.

(G) The board shall not refuse to issue a license or permit to an applicant because of a conviction of or plea of guilty to a criminal offense unless the refusal is in accordance with section 9.79 of the Revised Code.

Sec. 4723.281. (A) As used in this section, with regard to offenses committed in Ohio, "aggravated murder," "murder," "voluntary manslaughter," "felonious assault," "kidnapping," "rape," "sexual battery," "gross sexual imposition," "aggravated arson," "aggravated robbery," and "aggravated burglary" mean such offenses as defined in Title XXIX of the Revised Code; with regard to offenses committed in other jurisdictions, the terms mean offenses comparable to offenses defined in Title XXIX of the Revised Code.

(B) When there is clear and convincing evidence that continued practice by an individual licensed under this chapter presents a danger of immediate and serious harm to the public, as determined on consideration of the evidence by the president and the executive director of the board of nursing, the president and director shall impose on the individual a summary suspension without a hearing. An individual serving as president or executive director in the absence of the president or executive director may take any action that this section requires or authorizes the president or executive director to take.

Immediately following the decision to impose a summary suspension, the board shall ~~issue~~ serve a written order of suspension ~~and cause it to be delivered by certified mail or in person~~ in accordance with ~~section~~ sections 119.05 and 119.07 of the Revised Code. The order shall not be subject to suspension by the court during the pendency of any appeal filed under section

119.12 of the Revised Code. If the individual subject to the 48837
suspension requests an adjudication, notwithstanding the time 48838
within which a hearing must be held under section 119.07 of the 48839
Revised Code, the date set for the adjudication shall be within 48840
fifteen days but not earlier than seven days after the individual 48841
makes the request, unless another date is agreed to by both the 48842
individual and the board. The summary suspension shall remain in 48843
effect, unless reversed by the board, until a final adjudication 48844
order issued by the board pursuant to this section and Chapter 48845
119. of the Revised Code becomes effective. 48846

The board shall issue its final adjudication order within 48847
ninety days after completion of the adjudication. If the board 48848
does not issue a final order within the ninety-day period, the 48849
summary suspension shall be void, but any final adjudication order 48850
issued subsequent to the ninety-day period shall not be affected. 48851

(C) The license or certificate issued to an individual under 48852
this chapter is automatically suspended on that individual's 48853
conviction of, plea of guilty to, or judicial finding with regard 48854
to any of the following: aggravated murder, murder, voluntary 48855
manslaughter, felonious assault, kidnapping, rape, sexual battery, 48856
gross sexual imposition, aggravated arson, aggravated robbery, or 48857
aggravated burglary. The suspension shall remain in effect from 48858
the date of the conviction, plea, or finding until an adjudication 48859
is held under Chapter 119. of the Revised Code. If the board has 48860
knowledge that an automatic suspension has occurred, it shall 48861
notify the individual subject to the suspension. If the individual 48862
is notified and either fails to request an adjudication within the 48863
time periods established by Chapter 119. of the Revised Code or 48864
fails to participate in the adjudication, the board shall enter a 48865
final order permanently revoking the person's license or 48866
certificate. 48867

Sec. 4725.24. If the secretary of the state vision 48868
professionals board and the board's supervising member of 48869
investigations determine that there is clear and convincing 48870
evidence that an optometrist has violated division (B) of section 48871
4725.19 of the Revised Code and that the optometrist's continued 48872
practice presents a danger of immediate and serious harm to the 48873
public, they may recommend that the board suspend without a prior 48874
hearing the optometrist's certificate of licensure and any other 48875
certificates held by the optometrist. Written allegations shall be 48876
prepared for consideration by the full board. 48877

The board, upon review of those allegations and by an 48878
affirmative vote of three members other than the secretary and 48879
supervising member may order the suspension without a prior 48880
hearing. A telephone conference call may be utilized for reviewing 48881
the allegations and taking the vote on the summary suspension. 48882

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 48883
~~certified mail or in person~~ in accordance with ~~section~~ sections 48884
119.05 and 119.07 of the Revised Code. The order shall not be 48885
subject to suspension by the court during pendency of any appeal 48886
filed under section 119.12 of the Revised Code. If the individual 48887
subject to the summary suspension requests an adjudicatory hearing 48888
by the board, notwithstanding the time within which a hearing must 48889
be held under section 119.07 of the Revised Code, the date set for 48890
the hearing shall be within fifteen days, but not earlier than 48891
seven days, after the individual requests the hearing, unless 48892
otherwise agreed to by both the board and the individual. 48893

Any summary suspension imposed under this division shall 48894
remain in effect, unless reversed on appeal, until a final 48895
adjudicative order issued by the board pursuant to section 4725.19 48896
of the Revised Code and Chapter 119. of the Revised Code becomes 48897
effective. The board shall issue its final adjudicative order 48898

within sixty days after completion of its hearing. A failure to 48899
issue the order within sixty days shall result in dissolution of 48900
the summary suspension order but shall not invalidate any 48901
subsequent, final adjudicative order. 48902

Sec. 4730.25. (A) The state medical board, by an affirmative 48903
vote of not fewer than six members, may revoke or may refuse to 48904
grant a license to practice as a physician assistant to a person 48905
found by the board to have committed fraud, misrepresentation, or 48906
deception in applying for or securing the license. 48907

(B) Except as provided in division (N) of this section, the 48908
board, by an affirmative vote of not fewer than six members, 48909
shall, to the extent permitted by law, limit, revoke, or suspend 48910
an individual's license to practice as a physician assistant or 48911
prescriber number, refuse to issue a license to an applicant, 48912
refuse to renew a license, refuse to reinstate a license, or 48913
reprimand or place on probation the holder of a license for any of 48914
the following reasons: 48915

(1) Failure to practice in accordance with the supervising 48916
physician's supervision agreement with the physician assistant, 48917
including, if applicable, the policies of the health care facility 48918
in which the supervising physician and physician assistant are 48919
practicing; 48920

(2) Failure to comply with the requirements of this chapter, 48921
Chapter 4731. of the Revised Code, or any rules adopted by the 48922
board; 48923

(3) Violating or attempting to violate, directly or 48924
indirectly, or assisting in or abetting the violation of, or 48925

4731. of the Revised Code, or the rules adopted by the board; 48927

(4) Inability to practice according to acceptable and 48928

prevailing standards of care by reason of mental illness or 48929
physical illness, including physical deterioration that adversely 48930
affects cognitive, motor, or perceptive skills; 48931

(5) Impairment of ability to practice according to acceptable 48932
and prevailing standards of care because of habitual or excessive 48933
use or abuse of drugs, alcohol, or other substances that impair 48934
ability to practice; 48935

(6) Administering drugs for purposes other than those 48936
authorized under this chapter; 48937

(7) Willfully betraying a professional confidence; 48938

(8) Making a false, fraudulent, deceptive, or misleading 48939
statement in soliciting or advertising for employment as a 48940
physician assistant; in connection with any solicitation or 48941
advertisement for patients; in relation to the practice of 48942
medicine as it pertains to physician assistants; or in securing or 48943
attempting to secure a license to practice as a physician 48944
assistant. 48945

As used in this division, "false, fraudulent, deceptive, or 48946
misleading statement" means a statement that includes a 48947
misrepresentation of fact, is likely to mislead or deceive because 48948
of a failure to disclose material facts, is intended or is likely 48949

or includes representations or implications that in reasonable 48951
probability will cause an ordinarily prudent person to 48952
misunderstand or be deceived. 48953

(9) Representing, with the purpose of obtaining compensation 48954
or other advantage personally or for any other person, that an 48955
incurable disease or injury, or other incurable condition, can be 48956
permanently cured; 48957

(10) The obtaining of, or attempting to obtain, money or 48958
anything of value by fraudulent misrepresentations in the course 48959

of practice;	48960

a judicial finding of eligibility for intervention in lieu of	48962
conviction for, a felony;	48963
(12) Commission of an act that constitutes a felony in this	48964
state, regardless of the jurisdiction in which the act was	48965
committed;	48966

a judicial finding of eligibility for intervention in lieu of	48968
conviction for, a misdemeanor committed in the course of practice;	48969
(14) A plea of guilty to, a judicial finding of guilt of, or	48970
a judicial finding of eligibility for intervention in lieu of	48971
conviction for, a misdemeanor involving moral turpitude;	48972
(15) Commission of an act in the course of practice that	48973
constitutes a misdemeanor in this state, regardless of the	48974
jurisdiction in which the act was committed;	48975
(16) Commission of an act involving moral turpitude that	48976
constitutes a misdemeanor in this state, regardless of the	48977
jurisdiction in which the act was committed;	48978
(17) A plea of guilty to, a judicial finding of guilt of, or	48979
a judicial finding of eligibility for intervention in lieu of	48980
conviction for violating any state or federal law regulating the	48981
possession, distribution, or use of any drug, including	48982
trafficking in drugs;	48983
(18) Any of the following actions taken by the state agency	48984
responsible for regulating the practice of physician assistants in	48985
another state, for any reason other than the nonpayment of fees:	48986

license to practice; acceptance of an individual's license	48988

(20) Violation of the conditions placed by the board on a 48996
license to practice as a physician assistant; 48997

(21) Failure to use universal blood and body fluid 48998

the Revised Code; 49000

(22) Failure to cooperate in an investigation conducted by 49001
the board under section 4730.26 of the Revised Code, including 49002
failure to comply with a subpoena or order issued by the board or 49003
failure to answer truthfully a question presented by the board at 49004
a deposition or in written interrogatories, except that failure to 49005
cooperate with an investigation shall not constitute grounds for 49006
discipline under this section if a court of competent jurisdiction 49007
has issued an order that either quashes a subpoena or permits the 49008
individual to withhold the testimony or evidence in issue; 49009

(29) Failure to comply with terms of a consult agreement 49030
entered into with a pharmacist pursuant to section 4729.39 of the 49031
Revised Code. 49032

(C) Disciplinary actions taken by the board under divisions 49033
(A) and (B) of this section shall be taken pursuant to an 49034
adjudication under Chapter 119. of the Revised Code, except that 49035
in lieu of an adjudication, the board may enter into a consent 49036
agreement with a physician assistant or applicant to resolve an 49037
allegation of a violation of this chapter or any rule adopted 49038
under it. A consent agreement, when ratified by an affirmative 49039
vote of not fewer than six members of the board, shall constitute 49040
the findings and order of the board with respect to the matter 49041
addressed in the agreement. If the board refuses to ratify a 49042
consent agreement, the admissions and findings contained in the 49043
consent agreement shall be of no force or effect. 49044

(D) For purposes of divisions (B)(12), (15), and (16) of this 49045
section, the commission of the act may be established by a finding 49046
by the board, pursuant to an adjudication under Chapter 119. of 49047
the Revised Code, that the applicant or license holder committed 49048
the act in question. The board shall have no jurisdiction under 49049
these divisions in cases where the trial court renders a final 49050

judgment in the license holder's favor and that judgment is based 49051
upon an adjudication on the merits. The board shall have 49052
jurisdiction under these divisions in cases where the trial court 49053
issues an order of dismissal upon technical or procedural grounds. 49054

(E) The sealing or expungement of conviction records by any 49055
court shall have no effect upon a prior board order entered under 49056
the provisions of this section or upon the board's jurisdiction to 49057
take action under the provisions of this section if, based upon a 49058
plea of guilty, a judicial finding of guilt, or a judicial finding 49059
of eligibility for intervention in lieu of conviction, the board 49060
issued a notice of opportunity for a hearing prior to the court's 49061
order to seal or expunge the records. The board shall not be 49062
required to seal, destroy, redact, or otherwise modify its records 49063
to reflect the court's sealing or expungement of conviction 49064
records. 49065

(F) For purposes of this division, any individual who holds a 49066
license issued under this chapter, or applies for a license issued 49067
under this chapter, shall be deemed to have given consent to 49068
submit to a mental or physical examination when directed to do so 49069
in writing by the board and to have waived all objections to the 49070
admissibility of testimony or examination reports that constitute 49071
a privileged communication. 49072

(1) In enforcing division (B)(4) of this section, the board, 49073
upon a showing of a possible violation, may compel any individual 49074
who holds a license issued under this chapter or who has applied 49075
for a license pursuant to this chapter to submit to a mental 49076
examination, physical examination, including an HIV test, or both 49077
a mental and physical examination. The expense of the examination 49078
is the responsibility of the individual compelled to be examined. 49079
Failure to submit to a mental or physical examination or consent 49080
to an HIV test ordered by the board constitutes an admission of 49081
the allegations against the individual unless the failure is due 49082

to circumstances beyond the individual's control, and a default 49083
and final order may be entered without the taking of testimony or 49084
presentation of evidence. If the board finds a physician assistant 49085
unable to practice because of the reasons set forth in division 49086
(B)(4) of this section, the board shall require the physician 49087
assistant to submit to care, counseling, or treatment by 49088
physicians approved or designated by the board, as a condition for 49089
an initial, continued, reinstated, or renewed license. An 49090
individual affected under this division shall be afforded an 49091
opportunity to demonstrate to the board the ability to resume 49092
practicing in compliance with acceptable and prevailing standards 49093
of care. 49094

(2) For purposes of division (B)(5) of this section, if the 49095
board has reason to believe that any individual who holds a 49096
license issued under this chapter or any applicant for a license 49097
suffers such impairment, the board may compel the individual to 49098
submit to a mental or physical examination, or both. The expense 49099
of the examination is the responsibility of the individual 49100
compelled to be examined. Any mental or physical examination 49101
required under this division shall be undertaken by a treatment 49102
provider or physician qualified to conduct such examination and 49103
chosen by the board. 49104

Failure to submit to a mental or physical examination ordered 49105
by the board constitutes an admission of the allegations against 49106
the individual unless the failure is due to circumstances beyond 49107
the individual's control, and a default and final order may be 49108
entered without the taking of testimony or presentation of 49109
evidence. If the board determines that the individual's ability to 49110
practice is impaired, the board shall suspend the individual's 49111
license or deny the individual's application and shall require the 49112
individual, as a condition for initial, continued, reinstated, or 49113
renewed licensure, to submit to treatment. 49114

Before being eligible to apply for reinstatement of a license 49115
suspended under this division, the physician assistant shall 49116
demonstrate to the board the ability to resume practice or 49117
prescribing in compliance with acceptable and prevailing standards 49118
of care. The demonstration shall include the following: 49119

(a) Certification from a treatment provider approved under 49120
section 4731.25 of the Revised Code that the individual has 49121
successfully completed any required inpatient treatment; 49122

(b) Evidence of continuing full compliance with an aftercare 49123
contract or consent agreement; 49124

(c) Two written reports indicating that the individual's 49125
ability to practice has been assessed and that the individual has 49126
been found capable of practicing according to acceptable and 49127
prevailing standards of care. The reports shall be made by 49128
individuals or providers approved by the board for making such 49129
assessments and shall describe the basis for their determination. 49130

The board may reinstate a license suspended under this 49131
division after such demonstration and after the individual has 49132
entered into a written consent agreement. 49133

When the impaired physician assistant resumes practice or 49134
prescribing, the board shall require continued monitoring of the 49135
physician assistant. The monitoring shall include compliance with 49136
the written consent agreement entered into before reinstatement or 49137
with conditions imposed by board order after a hearing, and, upon 49138
termination of the consent agreement, submission to the board for 49139
at least two years of annual written progress reports made under 49140
penalty of falsification stating whether the physician assistant 49141
has maintained sobriety. 49142

(G) If the secretary and supervising member determine that 49143
there is clear and convincing evidence that a physician assistant 49144
has violated division (B) of this section and that the 49145

individual's continued practice or prescribing presents a danger 49146
of immediate and serious harm to the public, they may recommend 49147
that the board suspend the individual's license without a prior 49148
hearing. Written allegations shall be prepared for consideration 49149
by the board. 49150

The board, upon review of those allegations and by an 49151
affirmative vote of not fewer than six of its members, excluding 49152
the secretary and supervising member, may suspend a license 49153
without a prior hearing. A telephone conference call may be 49154
utilized for reviewing the allegations and taking the vote on the 49155
summary suspension. 49156

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 49157
~~certified mail or in person~~ in accordance with ~~section~~ sections 49158
119.05 and 119.07 of the Revised Code. The order shall not be 49159
subject to suspension by the court during pendency of any appeal 49160
filed under section 119.12 of the Revised Code. If the physician 49161
assistant requests an adjudicatory hearing by the board, 49162
notwithstanding the time within which a hearing must be held under 49163
section 119.07 of the Revised Code, the date set for the hearing 49164
shall be within fifteen days, but not earlier than seven days, 49165
after the physician assistant requests the hearing, unless 49166
otherwise agreed to by both the board and the license holder. 49167

A summary suspension imposed under this division shall remain 49168
in effect, unless reversed on appeal, until a final adjudicative 49169
order issued by the board pursuant to this section and Chapter 49170
119. of the Revised Code becomes effective. The board shall issue 49171
its final adjudicative order within sixty days after completion of 49172
its hearing. Failure to issue the order within sixty days shall 49173
result in dissolution of the summary suspension order, but shall 49174
not invalidate any subsequent, final adjudicative order. 49175

(H) If the board takes action under division (B)(11), (13), 49176
or (14) of this section, and the judicial finding of guilt, guilty 49177

plea, or judicial finding of eligibility for intervention in lieu 49178
of conviction is overturned on appeal, upon exhaustion of the 49179
criminal appeal, a petition for reconsideration of the order may 49180
be filed with the board along with appropriate court documents. 49181
Upon receipt of a petition and supporting court documents, the 49182
board shall reinstate the individual's license. The board may then 49183
hold an adjudication under Chapter 119. of the Revised Code to 49184
determine whether the individual committed the act in question. 49185
Notice of opportunity for hearing shall be given in accordance 49186
with Chapter 119. of the Revised Code. If the board finds, 49187
pursuant to an adjudication held under this division, that the 49188
individual committed the act, or if no hearing is requested, it 49189
may order any of the sanctions identified under division (B) of 49190
this section. 49191

(I) The license to practice issued to a physician assistant 49192
and the physician assistant's practice in this state are 49193
automatically suspended as of the date the physician assistant 49194
pleads guilty to, is found by a judge or jury to be guilty of, or 49195
is subject to a judicial finding of eligibility for intervention 49196
in lieu of conviction in this state or treatment or intervention 49197
in lieu of conviction in another state for any of the following 49198
criminal offenses in this state or a substantially equivalent 49199
criminal offense in another jurisdiction: aggravated murder, 49200
murder, voluntary manslaughter, felonious assault, kidnapping, 49201
rape, sexual battery, gross sexual imposition, aggravated arson, 49202
aggravated robbery, or aggravated burglary. Continued practice 49203
after the suspension shall be considered practicing without a 49204
license. 49205

The board shall notify the individual subject to the 49206
suspension ~~by certified mail or in person~~ in accordance with 49207
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 49208
individual whose license is suspended under this division fails to 49209

make a timely request for an adjudication under Chapter 119. of 49210
the Revised Code, the board shall enter a final order permanently 49211
revoking the individual's license to practice. 49212

(J) In any instance in which the board is required by Chapter 49213
119. of the Revised Code to give notice of opportunity for hearing 49214
and the individual subject to the notice does not timely request a 49215
hearing in accordance with section 119.07 of the Revised Code, the 49216
board is not required to hold a hearing, but may adopt, by an 49217
affirmative vote of not fewer than six of its members, a final 49218
order that contains the board's findings. In that final order, the 49219
board may order any of the sanctions identified under division (A) 49220
or (B) of this section. 49221

(K) Any action taken by the board under division (B) of this 49222
section resulting in a suspension shall be accompanied by a 49223
written statement of the conditions under which the physician 49224
assistant's license may be reinstated. The board shall adopt rules 49225
in accordance with Chapter 119. of the Revised Code governing 49226
conditions to be imposed for reinstatement. Reinstatement of a 49227
license suspended pursuant to division (B) of this section 49228
requires an affirmative vote of not fewer than six members of the 49229
board. 49230

(L) When the board refuses to grant or issue to an applicant 49231
a license to practice as a physician assistant, revokes an 49232
individual's license, refuses to renew an individual's license, or 49233
refuses to reinstate an individual's license, the board may 49234
specify that its action is permanent. An individual subject to a 49235
permanent action taken by the board is forever thereafter 49236
ineligible to hold the license and the board shall not accept an 49237
application for reinstatement of the license or for issuance of a 49238
new license. 49239

(M) Notwithstanding any other provision of the Revised Code, 49240
all of the following apply: 49241

(1) The surrender of a license issued under this chapter is 49242
not effective unless or until accepted by the board. Reinstatement 49243
of a license surrendered to the board requires an affirmative vote 49244
of not fewer than six members of the board. 49245

(2) An application made under this chapter for a license may 49246
not be withdrawn without approval of the board. 49247

(3) Failure by an individual to renew a license in accordance 49248
with section 4730.14 of the Revised Code shall not remove or limit 49249
the board's jurisdiction to take disciplinary action under this 49250
section against the individual. 49251

(N) The board shall not refuse to issue a license to an 49252
applicant because of a conviction, plea of guilty, judicial 49253
finding of guilt, judicial finding of eligibility for intervention 49254
in lieu of conviction, or the commission of an act that 49255
constitutes a criminal offense, unless the refusal is in 49256
accordance with section 9.79 of the Revised Code. 49257

Sec. 4731.22. (A) The state medical board, by an affirmative 49258
vote of not fewer than six of its members, may limit, revoke, or 49259
suspend a license or certificate to practice or certificate to 49260
recommend, refuse to grant a license or certificate, refuse to 49261
renew a license or certificate, refuse to reinstate a license or 49262
certificate, or reprimand or place on probation the holder of a 49263
license or certificate if the individual applying for or holding 49264
the license or certificate is found by the board to have committed 49265
fraud during the administration of the examination for a license 49266
or certificate to practice or to have committed fraud, 49267
misrepresentation, or deception in applying for, renewing, or 49268
securing any license or certificate to practice or certificate to 49269
recommend issued by the board. 49270

(B) Except as provided in division (P) of this section, the 49271
board, by an affirmative vote of not fewer than six members, 49272

shall, to the extent permitted by law, limit, revoke, or suspend a 49273
license or certificate to practice or certificate to recommend, 49274
refuse to issue a license or certificate, refuse to renew a 49275
license or certificate, refuse to reinstate a license or 49276
certificate, or reprimand or place on probation the holder of a 49277
license or certificate for one or more of the following reasons: 49278

(1) Permitting one's name or one's license or certificate to 49279
practice to be used by a person, group, or corporation when the 49280
individual concerned is not actually directing the treatment 49281
given; 49282

(2) Failure to maintain minimal standards applicable to the 49283
selection or administration of drugs, or failure to employ 49284
acceptable scientific methods in the selection of drugs or other 49285
modalities for treatment of disease; 49286

(3) Except as provided in section 4731.97 of the Revised 49287
Code, selling, giving away, personally furnishing, prescribing, or 49288
administering drugs for other than legal and legitimate 49289
therapeutic purposes or a plea of guilty to, a judicial finding of 49290
guilt of, or a judicial finding of eligibility for intervention in 49291
lieu of conviction of, a violation of any federal or state law 49292
regulating the possession, distribution, or use of any drug; 49293

(4) Willfully betraying a professional confidence. 49294

For purposes of this division, "willfully betraying a 49295
professional confidence" does not include providing any 49296
information, documents, or reports under sections 307.621 to 49297
307.629 of the Revised Code to a child fatality review board; does 49298
not include providing any information, documents, or reports under 49299
sections 307.631 to 307.6410 of the Revised Code to a drug 49300
overdose fatality review committee, a suicide fatality review 49301
committee, or hybrid drug overdose fatality and suicide fatality 49302
review committee; does not include providing any information, 49303

documents, or reports under sections 307.651 to 307.659 of the Revised Code to a domestic violence fatality review board; does not include providing any information, documents, or reports to the director of health pursuant to guidelines established under section 3701.70 of the Revised Code; does not include written notice to a mental health professional under section 4731.62 of the Revised Code; and does not include the making of a report of an employee's use of a drug of abuse, or a report of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by section 2305.33 or 4731.62 of the Revised Code upon a physician who makes a report in accordance with section 2305.33 or notifies a mental health professional in accordance with section 4731.62 of the Revised Code. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(5) Making a false, fraudulent, deceptive, or misleading statement in the solicitation of or advertising for patients; in relation to the practice of medicine and surgery, osteopathic medicine and surgery, podiatric medicine and surgery, or a limited branch of medicine; or in securing or attempting to secure any license or certificate to practice issued by the board.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

- (6) A departure from, or the failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established; 49336
49337
49338
49339
- (7) Representing, with the purpose of obtaining compensation or other advantage as personal gain or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured; 49340
49341
49342
49343
- (8) The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course of practice; 49344
49345
49346
- (9) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony; 49347
49348
49349
- (10) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed; 49350
49351
49352
- (11) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice; 49353
49354
49355
- (12) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed; 49356
49357
49358
- (13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude; 49359
49360
49361
- (14) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed; 49362
49363
49364
- (15) Violation of the conditions of limitation placed by the 49365

board upon a license or certificate to practice; 49366

(16) Failure to pay license renewal fees specified in this 49367
chapter; 49368

(17) Except as authorized in section 4731.31 of the Revised 49369
Code, engaging in the division of fees for referral of patients, 49370
or the receiving of a thing of value in return for a specific 49371
referral of a patient to utilize a particular service or business; 49372

(18) Subject to section 4731.226 of the Revised Code, 49373
violation of any provision of a code of ethics of the American 49374
medical association, the American osteopathic association, the 49375
American podiatric medical association, or any other national 49376
professional organizations that the board specifies by rule. The 49377
state medical board shall obtain and keep on file current copies 49378
of the codes of ethics of the various national professional 49379
organizations. The individual whose license or certificate is 49380
being suspended or revoked shall not be found to have violated any 49381
provision of a code of ethics of an organization not appropriate 49382
to the individual's profession. 49383

For purposes of this division, a "provision of a code of 49384
ethics of a national professional organization" does not include 49385
any provision that would preclude the making of a report by a 49386
physician of an employee's use of a drug of abuse, or of a 49387
condition of an employee other than one involving the use of a 49388
drug of abuse, to the employer of the employee as described in 49389
division (B) of section 2305.33 of the Revised Code. Nothing in 49390
this division affects the immunity from civil liability conferred 49391
by that section upon a physician who makes either type of report 49392
in accordance with division (B) of that section. As used in this 49393
division, "employee," "employer," and "physician" have the same 49394
meanings as in section 2305.33 of the Revised Code. 49395

(19) Inability to practice according to acceptable and 49396

prevailing standards of care by reason of mental illness or 49397
physical illness, including, but not limited to, physical 49398
deterioration that adversely affects cognitive, motor, or 49399
perceptive skills. 49400

In enforcing this division, the board, upon a showing of a 49401
possible violation, may compel any individual authorized to 49402
practice by this chapter or who has submitted an application 49403
pursuant to this chapter to submit to a mental examination, 49404
physical examination, including an HIV test, or both a mental and 49405
a physical examination. The expense of the examination is the 49406
responsibility of the individual compelled to be examined. Failure 49407
to submit to a mental or physical examination or consent to an HIV 49408
test ordered by the board constitutes an admission of the 49409
allegations against the individual unless the failure is due to 49410
circumstances beyond the individual's control, and a default and 49411
final order may be entered without the taking of testimony or 49412
presentation of evidence. If the board finds an individual unable 49413
to practice because of the reasons set forth in this division, the 49414
board shall require the individual to submit to care, counseling, 49415
or treatment by physicians approved or designated by the board, as 49416
a condition for initial, continued, reinstated, or renewed 49417
authority to practice. An individual affected under this division 49418
shall be afforded an opportunity to demonstrate to the board the 49419
ability to resume practice in compliance with acceptable and 49420
prevailing standards under the provisions of the individual's 49421
license or certificate. For the purpose of this division, any 49422
individual who applies for or receives a license or certificate to 49423
practice under this chapter accepts the privilege of practicing in 49424
this state and, by so doing, shall be deemed to have given consent 49425
to submit to a mental or physical examination when directed to do 49426
so in writing by the board, and to have waived all objections to 49427
the admissibility of testimony or examination reports that 49428
constitute a privileged communication. 49429

(20) Except as provided in division (F)(1)(b) of section 49430
4731.282 of the Revised Code or when civil penalties are imposed 49431
under section 4731.225 of the Revised Code, and subject to section 49432
4731.226 of the Revised Code, violating or attempting to violate, 49433
directly or indirectly, or assisting in or abetting the violation 49434
of, or conspiring to violate, any provisions of this chapter or 49435
any rule promulgated by the board. 49436

This division does not apply to a violation or attempted 49437
violation of, assisting in or abetting the violation of, or a 49438
conspiracy to violate, any provision of this chapter or any rule 49439
adopted by the board that would preclude the making of a report by 49440
a physician of an employee's use of a drug of abuse, or of a 49441
condition of an employee other than one involving the use of a 49442
drug of abuse, to the employer of the employee as described in 49443
division (B) of section 2305.33 of the Revised Code. Nothing in 49444
this division affects the immunity from civil liability conferred 49445
by that section upon a physician who makes either type of report 49446
in accordance with division (B) of that section. As used in this 49447
division, "employee," "employer," and "physician" have the same 49448
meanings as in section 2305.33 of the Revised Code. 49449

(21) The violation of section 3701.79 of the Revised Code or 49450
of any abortion rule adopted by the director of health pursuant to 49451
section 3701.341 of the Revised Code; 49452

(22) Any of the following actions taken by an agency 49453
responsible for authorizing, certifying, or regulating an 49454
individual to practice a health care occupation or provide health 49455
care services in this state or another jurisdiction, for any 49456
reason other than the nonpayment of fees: the limitation, 49457
revocation, or suspension of an individual's license to practice; 49458
acceptance of an individual's license surrender; denial of a 49459
license; refusal to renew or reinstate a license; imposition of 49460
probation; or issuance of an order of censure or other reprimand; 49461

(23) The violation of section 2919.12 of the Revised Code or 49462
the performance or inducement of an abortion upon a pregnant woman 49463
with actual knowledge that the conditions specified in division 49464
(B) of section 2317.56 of the Revised Code have not been satisfied 49465
or with a heedless indifference as to whether those conditions 49466
have been satisfied, unless an affirmative defense as specified in 49467
division (H)(2) of that section would apply in a civil action 49468
authorized by division (H)(1) of that section; 49469

(24) The revocation, suspension, restriction, reduction, or 49470
termination of clinical privileges by the United States department 49471
of defense or department of veterans affairs or the termination or 49472
suspension of a certificate of registration to prescribe drugs by 49473
the drug enforcement administration of the United States 49474
department of justice; 49475

(25) Termination or suspension from participation in the 49476
medicare or medicaid programs by the department of health and 49477
human services or other responsible agency; 49478

(26) Impairment of ability to practice according to 49479
acceptable and prevailing standards of care because of habitual or 49480
excessive use or abuse of drugs, alcohol, or other substances that 49481
impair ability to practice. 49482

For the purposes of this division, any individual authorized 49483
to practice by this chapter accepts the privilege of practicing in 49484
this state subject to supervision by the board. By filing an 49485
application for or holding a license or certificate to practice 49486
under this chapter, an individual shall be deemed to have given 49487
consent to submit to a mental or physical examination when ordered 49488
to do so by the board in writing, and to have waived all 49489
objections to the admissibility of testimony or examination 49490
reports that constitute privileged communications. 49491

If it has reason to believe that any individual authorized to 49492

practice by this chapter or any applicant for licensure or 49493
certification to practice suffers such impairment, the board may 49494
compel the individual to submit to a mental or physical 49495
examination, or both. The expense of the examination is the 49496
responsibility of the individual compelled to be examined. Any 49497
mental or physical examination required under this division shall 49498
be undertaken by a treatment provider or physician who is 49499
qualified to conduct the examination and who is chosen by the 49500
board. 49501

Failure to submit to a mental or physical examination ordered 49502
by the board constitutes an admission of the allegations against 49503
the individual unless the failure is due to circumstances beyond 49504
the individual's control, and a default and final order may be 49505
entered without the taking of testimony or presentation of 49506
evidence. If the board determines that the individual's ability to 49507
practice is impaired, the board shall suspend the individual's 49508
license or certificate or deny the individual's application and 49509
shall require the individual, as a condition for initial, 49510
continued, reinstated, or renewed licensure or certification to 49511
practice, to submit to treatment. 49512

Before being eligible to apply for reinstatement of a license 49513
or certificate suspended under this division, the impaired 49514
practitioner shall demonstrate to the board the ability to resume 49515
practice in compliance with acceptable and prevailing standards of 49516
care under the provisions of the practitioner's license or 49517
certificate. The demonstration shall include, but shall not be 49518
limited to, the following: 49519

(a) Certification from a treatment provider approved under 49520
section 4731.25 of the Revised Code that the individual has 49521
successfully completed any required inpatient treatment; 49522

(b) Evidence of continuing full compliance with an aftercare 49523
contract or consent agreement; 49524

(c) Two written reports indicating that the individual's 49525
ability to practice has been assessed and that the individual has 49526
been found capable of practicing according to acceptable and 49527
prevailing standards of care. The reports shall be made by 49528
individuals or providers approved by the board for making the 49529
assessments and shall describe the basis for their determination. 49530

The board may reinstate a license or certificate suspended 49531
under this division after that demonstration and after the 49532
individual has entered into a written consent agreement. 49533

When the impaired practitioner resumes practice, the board 49534
shall require continued monitoring of the individual. The 49535
monitoring shall include, but not be limited to, compliance with 49536
the written consent agreement entered into before reinstatement or 49537
with conditions imposed by board order after a hearing, and, upon 49538
termination of the consent agreement, submission to the board for 49539

of the Revised Code following an abortion or attempted abortion in 49660

(C) Disciplinary actions taken by the board under divisions 49663
(A) and (B) of this section shall be taken pursuant to an 49664
adjudication under Chapter 119. of the Revised Code, except that 49665
in lieu of an adjudication, the board may enter into a consent 49666
agreement with an individual to resolve an allegation of a 49667
violation of this chapter or any rule adopted under it. A consent 49668
agreement, when ratified by an affirmative vote of not fewer than 49669
six members of the board, shall constitute the findings and order 49670
of the board with respect to the matter addressed in the 49671
agreement. If the board refuses to ratify a consent agreement, the 49672
admissions and findings contained in the consent agreement shall 49673
be of no force or effect. 49674

A telephone conference call may be utilized for ratification 49675
of a consent agreement that revokes or suspends an individual's 49676
license or certificate to practice or certificate to recommend. 49677
The telephone conference call shall be considered a special 49678

meeting under division (F) of section 121.22 of the Revised Code. 49679

If the board takes disciplinary action against an individual 49680
under division (B) of this section for a second or subsequent plea 49681
of guilty to, or judicial finding of guilt of, a violation of 49682
section 2919.123 or 2919.124 of the Revised Code, the disciplinary 49683
action shall consist of a suspension of the individual's license 49684
or certificate to practice for a period of at least one year or, 49685
if determined appropriate by the board, a more serious sanction 49686
involving the individual's license or certificate to practice. Any 49687
consent agreement entered into under this division with an 49688
individual that pertains to a second or subsequent plea of guilty 49689
to, or judicial finding of guilt of, a violation of that section 49690
shall provide for a suspension of the individual's license or 49691
certificate to practice for a period of at least one year or, if 49692
determined appropriate by the board, a more serious sanction 49693
involving the individual's license or certificate to practice. 49694

(D) For purposes of divisions (B)(10), (12), and (14) of this 49695
section, the commission of the act may be established by a finding 49696
by the board, pursuant to an adjudication under Chapter 119. of 49697
the Revised Code, that the individual committed the act. The board 49698
does not have jurisdiction under those divisions if the trial 49699
court renders a final judgment in the individual's favor and that 49700
judgment is based upon an adjudication on the merits. The board 49701
has jurisdiction under those divisions if the trial court issues 49702
an order of dismissal upon technical or procedural grounds. 49703

(E) The sealing or expungement of conviction records by any 49704
court shall have no effect upon a prior board order entered under 49705
this section or upon the board's jurisdiction to take action under 49706
this section if, based upon a plea of guilty, a judicial finding 49707
of guilt, or a judicial finding of eligibility for intervention in 49708
lieu of conviction, the board issued a notice of opportunity for a 49709
hearing prior to the court's order to seal or expunge the records. 49710

The board shall not be required to seal, expunge, destroy, redact, 49711
or otherwise modify its records to reflect the court's sealing of 49712
conviction records. 49713

(F)(1) The board shall investigate evidence that appears to 49714
show that a person has violated any provision of this chapter or 49715
any rule adopted under it. Any person may report to the board in a 49716
signed writing any information that the person may have that 49717
appears to show a violation of any provision of this chapter or 49718
any rule adopted under it. In the absence of bad faith, any person 49719
who reports information of that nature or who testifies before the 49720
board in any adjudication conducted under Chapter 119. of the 49721
Revised Code shall not be liable in damages in a civil action as a 49722
result of the report or testimony. Each complaint or allegation of 49723
a violation received by the board shall be assigned a case number 49724
and shall be recorded by the board. 49725

(2) Investigations of alleged violations of this chapter or 49726
any rule adopted under it shall be supervised by the supervising 49727
member elected by the board in accordance with section 4731.02 of 49728
the Revised Code and by the secretary as provided in section 49729
4731.39 of the Revised Code. The president may designate another 49730
member of the board to supervise the investigation in place of the 49731
supervising member. No member of the board who supervises the 49732
investigation of a case shall participate in further adjudication 49733
of the case. 49734

(3) In investigating a possible violation of this chapter or 49735
any rule adopted under this chapter, or in conducting an 49736
inspection under division (E) of section 4731.054 of the Revised 49737
Code, the board may question witnesses, conduct interviews, 49738
administer oaths, order the taking of depositions, inspect and 49739
copy any books, accounts, papers, records, or documents, issue 49740
subpoenas, and compel the attendance of witnesses and production 49741
of books, accounts, papers, records, documents, and testimony, 49742

except that a subpoena for patient record information shall not be 49743
issued without consultation with the attorney general's office and 49744
approval of the secretary and supervising member of the board. 49745

(a) Before issuance of a subpoena for patient record 49746
information, the secretary and supervising member shall determine 49747
whether there is probable cause to believe that the complaint 49748
filed alleges a violation of this chapter or any rule adopted 49749
under it and that the records sought are relevant to the alleged 49750
violation and material to the investigation. The subpoena may 49751
apply only to records that cover a reasonable period of time 49752
surrounding the alleged violation. 49753

(b) On failure to comply with any subpoena issued by the 49754
board and after reasonable notice to the person being subpoenaed, 49755
the board may move for an order compelling the production of 49756
persons or records pursuant to the Rules of Civil Procedure. 49757

(c) A subpoena issued by the board may be served by a 49758
sheriff, the sheriff's deputy, or a board employee or agent 49759
designated by the board. Service of a subpoena issued by the board 49760
may be made by delivering a copy of the subpoena to the person 49761
named therein, reading it to the person, or leaving it at the 49762
person's usual place of residence, usual place of business, or 49763
address on file with the board. When serving a subpoena to an 49764
applicant for or the holder of a license or certificate issued 49765
under this chapter, service of the subpoena may be made by 49766
certified mail, return receipt requested, and the subpoena shall 49767
be deemed served on the date delivery is made or the date the 49768
person refuses to accept delivery. If the person being served 49769
refuses to accept the subpoena or is not located, service may be 49770
made to an attorney who notifies the board that the attorney is 49771
representing the person. 49772

(d) A sheriff's deputy who serves a subpoena shall receive 49773
the same fees as a sheriff. Each witness who appears before the 49774

board in obedience to a subpoena shall receive the fees and 49775
mileage provided for under section 119.094 of the Revised Code. 49776

(4) All hearings, investigations, and inspections of the 49777
board shall be considered civil actions for the purposes of 49778
section 2305.252 of the Revised Code. 49779

(5) A report required to be submitted to the board under this 49780
chapter, a complaint, or information received by the board 49781
pursuant to an investigation or pursuant to an inspection under 49782
division (E) of section 4731.054 of the Revised Code is 49783
confidential and not subject to discovery in any civil action. 49784

The board shall conduct all investigations or inspections and 49785
proceedings in a manner that protects the confidentiality of 49786
patients and persons who file complaints with the board. The board 49787
shall not make public the names or any other identifying 49788
information about patients or complainants unless proper consent 49789
is given or, in the case of a patient, a waiver of the patient 49790
privilege exists under division (B) of section 2317.02 of the 49791
Revised Code, except that consent or a waiver of that nature is 49792
not required if the board possesses reliable and substantial 49793
evidence that no bona fide physician-patient relationship exists. 49794

The board may share any information it receives pursuant to 49795
an investigation or inspection, including patient records and 49796
patient record information, with law enforcement agencies, other 49797
licensing boards, and other governmental agencies that are 49798
prosecuting, adjudicating, or investigating alleged violations of 49799
statutes or administrative rules. An agency or board that receives 49800
the information shall comply with the same requirements regarding 49801
confidentiality as those with which the state medical board must 49802
comply, notwithstanding any conflicting provision of the Revised 49803
Code or procedure of the agency or board that applies when it is 49804
dealing with other information in its possession. In a judicial 49805
proceeding, the information may be admitted into evidence only in 49806

accordance with the Rules of Evidence, but the court shall require 49807
that appropriate measures are taken to ensure that confidentiality 49808
is maintained with respect to any part of the information that 49809
contains names or other identifying information about patients or 49810
complainants whose confidentiality was protected by the state 49811
medical board when the information was in the board's possession. 49812
Measures to ensure confidentiality that may be taken by the court 49813
include sealing its records or deleting specific information from 49814
its records. 49815

(6) On a quarterly basis, the board shall prepare a report 49816
that documents the disposition of all cases during the preceding 49817
three months. The report shall contain the following information 49818
for each case with which the board has completed its activities: 49819

(a) The case number assigned to the complaint or alleged 49820
violation; 49821

(b) The type of license or certificate to practice, if any, 49822
held by the individual against whom the complaint is directed; 49823

(c) A description of the allegations contained in the 49824
complaint; 49825

(d) The disposition of the case. 49826

The report shall state how many cases are still pending and 49827
shall be prepared in a manner that protects the identity of each 49828
person involved in each case. The report shall be a public record 49829
under section 149.43 of the Revised Code. 49830

(G) If the secretary and supervising member determine both of 49831
the following, they may recommend that the board suspend an 49832
individual's license or certificate to practice or certificate to 49833
recommend without a prior hearing: 49834

(1) That there is clear and convincing evidence that an 49835
individual has violated division (B) of this section; 49836

(2) That the individual's continued practice presents a 49837
danger of immediate and serious harm to the public. 49838

Written allegations shall be prepared for consideration by 49839
the board. The board, upon review of those allegations and by an 49840
affirmative vote of not fewer than six of its members, excluding 49841
the secretary and supervising member, may suspend a license or 49842
certificate without a prior hearing. A telephone conference call 49843
may be utilized for reviewing the allegations and taking the vote 49844
on the summary suspension. 49845

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 49846
~~certified mail or in person~~ in accordance with ~~section~~ sections 49847
119.05 and 119.07 of the Revised Code. The order shall not be 49848
subject to suspension by the court during pendency of any appeal 49849
filed under section 119.12 of the Revised Code. If the individual 49850
subject to the summary suspension requests an adjudicatory hearing 49851
by the board, notwithstanding the time within which a hearing must 49852
be held under section 119.07 of the Revised Code, the date set for 49853
the hearing shall be within fifteen days, but not earlier than 49854
seven days, after the individual requests the hearing, unless 49855
otherwise agreed to by both the board and the individual. 49856

Any summary suspension imposed under this division shall 49857
remain in effect, unless reversed on appeal, until a final 49858
adjudicative order issued by the board pursuant to this section 49859
and Chapter 119. of the Revised Code becomes effective. The board 49860
shall issue its final adjudicative order within seventy-five days 49861
after completion of its hearing. A failure to issue the order 49862
within seventy-five days shall result in dissolution of the 49863
summary suspension order but shall not invalidate any subsequent, 49864
final adjudicative order. 49865

(H) If the board takes action under division (B)(9), (11), or 49866
(13) of this section and the judicial finding of guilt, guilty 49867
plea, or judicial finding of eligibility for intervention in lieu 49868

of conviction is overturned on appeal, upon exhaustion of the 49869
criminal appeal, a petition for reconsideration of the order may 49870
be filed with the board along with appropriate court documents. 49871
Upon receipt of a petition of that nature and supporting court 49872
documents, the board shall reinstate the individual's license or 49873
certificate to practice. The board may then hold an adjudication 49874
under Chapter 119. of the Revised Code to determine whether the 49875
individual committed the act in question. Notice of an opportunity 49876
for a hearing shall be given in accordance with Chapter 119. of 49877
the Revised Code. If the board finds, pursuant to an adjudication 49878
held under this division, that the individual committed the act or 49879
if no hearing is requested, the board may order any of the 49880
sanctions identified under division (B) of this section. 49881

(I) The license or certificate to practice issued to an 49882
individual under this chapter and the individual's practice in 49883
this state are automatically suspended as of the date of the 49884
individual's second or subsequent plea of guilty to, or judicial 49885
finding of guilt of, a violation of section 2919.123 or 2919.124 49886
of the Revised Code. In addition, the license or certificate to 49887
practice or certificate to recommend issued to an individual under 49888
this chapter and the individual's practice in this state are 49889
automatically suspended as of the date the individual pleads 49890
guilty to, is found by a judge or jury to be guilty of, or is 49891
subject to a judicial finding of eligibility for intervention in 49892
lieu of conviction in this state or treatment or intervention in 49893
lieu of conviction in another jurisdiction for any of the 49894
following criminal offenses in this state or a substantially 49895
equivalent criminal offense in another jurisdiction: aggravated 49896
murder, murder, voluntary manslaughter, felonious assault, 49897
kidnapping, rape, sexual battery, gross sexual imposition, 49898
aggravated arson, aggravated robbery, or aggravated burglary. 49899
Continued practice after suspension shall be considered practicing 49900
without a license or certificate. 49901

The board shall notify the individual subject to the suspension ~~by certified mail or in person~~ in accordance with ~~section~~ sections 119.05 and 119.07 of the Revised Code. If an individual whose license or certificate is automatically suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall do whichever of the following is applicable:

(1) If the automatic suspension under this division is for a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 or 2919.124 of the Revised Code, the board shall enter an order suspending the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, imposing a more serious sanction involving the individual's license or certificate to practice.

(2) In all circumstances in which division (I)(1) of this section does not apply, enter a final order permanently revoking the individual's license or certificate to practice.

(J) If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's license or certificate to practice may be reinstated. The board shall adopt rules governing conditions to be

imposed for reinstatement. Reinstatement of a license or 49934
certificate suspended pursuant to division (B) of this section 49935
requires an affirmative vote of not fewer than six members of the 49936
board. 49937

(L) When the board refuses to grant or issue a license or 49938
certificate to practice to an applicant, revokes an individual's 49939
license or certificate to practice, refuses to renew an 49940
individual's license or certificate to practice, or refuses to 49941
reinstate an individual's license or certificate to practice, the 49942
board may specify that its action is permanent. An individual 49943
subject to a permanent action taken by the board is forever 49944
thereafter ineligible to hold a license or certificate to practice 49945
and the board shall not accept an application for reinstatement of 49946
the license or certificate or for issuance of a new license or 49947
certificate. 49948

(M) Notwithstanding any other provision of the Revised Code, 49949
all of the following apply: 49950

(1) The surrender of a license or certificate issued under 49951
this chapter shall not be effective unless or until accepted by 49952
the board. A telephone conference call may be utilized for 49953
acceptance of the surrender of an individual's license or 49954
certificate to practice. The telephone conference call shall be 49955
considered a special meeting under division (F) of section 121.22 49956
of the Revised Code. Reinstatement of a license or certificate 49957
surrendered to the board requires an affirmative vote of not fewer 49958
than six members of the board. 49959

(2) An application for a license or certificate made under 49960

ability to walk in order to enable the person to retain a placard 50244
issued under section 4503.44 of the Revised Code for a period of 50245
time longer than that which would be estimated by a similar 50246

section 119.12 of the Revised Code. If the person subject to the 50286
suspension requests an adjudication by the board, notwithstanding 50287
the time within which a hearing must be held under section 119.07 50288
of the Revised Code, the date set for the adjudication shall be 50289
within twenty days, but not earlier than seven days, after the 50290
request, unless otherwise agreed to by both the board and the 50291
person subject to the suspension. 50292

Any summary suspension imposed under this section shall 50293
remain in effect, unless reversed on appeal, until a final 50294
adjudicative order issued by the board pursuant to section 4734.31 50295
and Chapter 119. of the Revised Code becomes effective. The board 50296

suspension order but shall not invalidate any subsequent, final 50300

adjudicative order. 50301

partnership, or corporation, executed by a duly authorized 50567
representative of it, permitting the use of the name of such 50568
existing partnership, association, limited liability company, 50569

distinguishable from a name registered with the division of real 50574
estate and professional licensing by another existing brokerage. 50575
If the superintendent determines that the proposed name is not 50576
clearly distinguishable from any other existing brokerage, the 50577

brokerage with the same or similar name. 50580

(b) The name is not misleading or likely to mislead the 50581
public. 50582

(3) The superintendent may approve the use of more than one 50583

50588

(C) A fee of one hundred thirty-five dollars shall accompany 50589
the application for a real estate broker's license. The initial 50590
licensing period commences at the time the license is issued and 50591

application fee shall be nonrefundable. A fee of one hundred 50598
thirty-five dollars shall be charged by the superintendent for 50599
each successive application made by an applicant. In the case of 50600
issuance of a three-year license, upon passing the examination, or 50601
upon waiver of the examination requirement, if the superintendent 50602
determines it is necessary, the applicant shall submit an 50603
additional fee determined by the superintendent based upon the 50604
number of years remaining in a real estate salesperson's licensing 50605
period. 50606

~~(D) One dollar of each application fee for a real estate 50607
broker's license shall be credited to the real estate education 50608
and research fund, which is hereby created in the state treasury. 50609~~

Such loans shall be made according to rules established by the commission under the procedures of Chapter 119. of the Revised Code, and they shall be repaid to the fund within three years of the time they are made. No more than twenty-five thousand dollars shall be lent from the fund in any one fiscal year.

The governor may appoint a representative from the executive branch to be a member ex officio of the commission for the purpose of advising on research requests or educational projects. The commission shall report to the general assembly on the third Tuesday after the third Monday in January of each year setting forth the total amount contained in the fund and the amount of each research grant that it has authorized and the amount of each research grant requested. A copy of all research reports shall be submitted to the state library of Ohio and the library of the legislative service commission.

(E) If the superintendent, with the consent of the commission, enters into an agreement with a national testing service to administer the real estate broker's examination, pursuant to division (A) of section 4735.07 of the Revised Code, the superintendent may require an applicant to pay the testing

service's examination fee directly to the testing service. If the 50642

A licensee's license is revoked automatically without the taking 50808

the superintendent that the broker has complied with the 50822
requirements of division (G)(1) of this section and requests that 50823
the broker's license as a real estate broker be reactivated; 50824

(b) The superintendent then reactivates the broker's license 50825
as a real estate broker; 50826

(c) The associated real estate salesperson intends to 50827
continue to be associated with that broker and otherwise is in 50828
compliance with this chapter. 50829

Sec. 4735.09. (A) Application for a license as a real estate 50830
salesperson shall be made to the superintendent of real estate on 50831
forms furnished by the superintendent and signed by the applicant. 50832
The application shall be in the form prescribed by the 50833
superintendent and shall contain such information as is required 50834
by this chapter and the rules of the Ohio real estate commission. 50835
The application shall be accompanied by the recommendation of the 50836
real estate broker with whom the applicant is associated or with 50837
whom the applicant intends to be associated, certifying that the 50838
applicant is honest and truthful, and has not been finally 50839
adjudged by a court to have violated any municipal, state, or 50840
federal civil rights laws relevant to the protection of purchasers 50841
or sellers of real estate, which conviction or adjudication the 50842
applicant has not disclosed to the superintendent, and 50843
recommending that the applicant be admitted to the real estate 50844
salesperson examination. 50845

(B) A fee of eighty-one dollars shall accompany the 50846
application, which fee includes the fee for the initial year of 50847
the licensing period, if a license is issued. The initial year of 50848
the licensing period commences at the time the license is issued 50849
and ends on the applicant's first birthday thereafter. The 50850
application fee shall be nonrefundable. A fee of eighty-one 50851
dollars shall be charged by the superintendent for each successive 50852
application made by the applicant. ~~One dollar of each application~~ 50853
~~fee shall be credited to the real estate education and research~~ 50854
~~fund.~~ 50855

(C) There shall be no limit placed on the number of times an 50856
applicant may retake the examination. 50857

(D) The superintendent, with the consent of the commission, 50858
may enter into an agreement with a recognized national testing 50859
service to administer the real estate salesperson's examination 50860
under the superintendent's supervision and control, consistent 50861
with the requirements of this chapter as to the contents of the 50862
examination. 50863

If the superintendent, with the consent of the commission, 50864
enters into an agreement with a national testing service to 50865
administer the real estate salesperson's examination, the 50866
superintendent may require an applicant to pay the testing 50867
service's examination fee directly to the testing service. If the 50868
superintendent requires the payment of the examination fee 50869
directly to the testing service, each applicant shall submit to 50870
the superintendent a processing fee in an amount determined by the 50871
Ohio real estate commission pursuant to division (A)(1) of section 50872
4735.10 of the Revised Code. 50873

(E) The superintendent shall issue a real estate 50874
salesperson's license when satisfied that the applicant has 50875
received a passing score on each portion of the salesperson's 50876
examination as determined by rule by the real estate commission, 50877
except that the superintendent may waive one or more of the 50878
requirements of this section in the case of an applicant who is a 50879
licensed real estate salesperson in another state pursuant to a 50880
reciprocity agreement with the licensing authority of the state 50881
from which the applicant holds a valid real estate salesperson's 50882
license. 50883

(F) No applicant for a salesperson's license shall take the 50884

satisfaction of the superintendent that the applicant: 50886

(1) Is honest and truthful; 50887

(2)(a) Has not been convicted of a disqualifying offense as 50888

determined in accordance with section 9.79 of the Revised Code; 50889

(b) Has not been finally adjudged by a court to have violated 50890
any municipal, state, or federal civil rights laws relevant to the 50891
protection of purchasers or sellers of real estate or, if the 50892
applicant has been so adjudged, at least two years have passed 50893
since the court decision and the superintendent has disregarded 50894
the adjudication because the applicant has proven, by a 50895
preponderance of the evidence, that the applicant is honest and 50896
truthful, and there is no basis in fact for believing that the 50897
applicant again will violate the laws involved. 50898

(3) Has not, during any period in which the applicant was 50899
licensed under this chapter, violated any provision of, or any 50900

(a) Forty hours of instruction in real estate practice; 50912

(b) Forty hours of instruction that includes the subjects of 50913
Ohio real estate law, municipal, state, and federal civil rights 50914
law, new case law on housing discrimination, desegregation issues, 50915
and methods of eliminating the effects of prior discrimination. If 50916
feasible, the instruction in Ohio real estate law shall be taught 50917
by a member of the faculty of an accredited law school. If 50918
feasible, the instruction in municipal, state, and federal civil 50919

rights law, new case law on housing discrimination, desegregation 50920
issues, and methods of eliminating the effects of prior 50921
discrimination shall be taught by a staff member of the Ohio civil 50922
rights commission who is knowledgeable with respect to those 50923
subjects. The requirements of this division do not apply to an 50924
applicant who is admitted to practice before the supreme court. 50925

(c) Twenty hours of instruction in real estate appraisal; 50926

(d) Twenty hours of instruction in real estate finance. 50927

(G)(1) Successful completion of the instruction required by 50928
division (F)(6) of this section shall be determined by the law in 50929
effect on the date the instruction was completed. 50930

(2) Division (F)(6)(c) of this section does not apply to any 50931
new applicant who holds a valid Ohio real estate appraiser license 50932
or certificate issued prior to the date of application for a real 50933
estate salesperson's license. 50934

(H) Only for noncredit course offerings, an institution of 50935
higher education shall obtain approval from the appropriate state 50936
authorizing entity prior to offering a real estate course that is 50937
designed and marketed as satisfying the salesperson license 50938
education requirements of division (F)(6) of this section. The 50939
state authorizing entity may consult with the superintendent in 50940
reviewing the course for compliance with this section. 50941

(I) Any person who has not been licensed as a real estate 50942
salesperson or broker within a four-year period immediately 50943
preceding the person's current application for the salesperson's 50944
examination shall have successfully completed the prelicensure 50945
instruction required by division (F)(6) of this section within a 50946
ten-year period immediately preceding the person's current 50947
application for the salesperson's examination. 50948

(J) Not earlier than the date of issue of a real estate 50949
salesperson's license to a licensee, but not later than twelve 50950

months after the date of issue of a real estate salesperson 50951
license to a licensee, the licensee shall submit proof 50952
satisfactory to the superintendent, on forms made available by the 50953
superintendent, of the completion of twenty hours of instruction 50954
that shall be completed in schools, seminars, and educational 50955
institutions approved by the commission. The instruction shall 50956
include, but is not limited to, current practices relating to 50957
commercial real estate, property management, short sales, and land 50958
contracts; contract law; federal and state programs; economic 50959
conditions; and fiduciary responsibility. Approval of the 50960
curriculum and providers shall be granted according to rules 50961
adopted pursuant to section 4735.10 of the Revised Code and may be 50962
taken through classroom instruction or distance education. 50963

If proof of completion of the required instruction is not 50964
submitted within twelve months of the date a license is issued 50965
under this section, the licensee's license is suspended 50966
automatically without the taking of any action by the 50967
superintendent. The superintendent immediately shall notify the 50968
broker with whom such salesperson is associated of the suspension 50969
of the salesperson's license. A salesperson whose license has been 50970
suspended under this division shall have twelve months after the 50971
date of the suspension of the salesperson's license to submit 50972
proof of successful completion of the instruction required under 50973
this division. No such license shall be reactivated by the 50974
superintendent until it is established, to the satisfaction of the 50975
superintendent, that the requirements of this division have been 50976
met and that the licensee is in compliance with this chapter. A 50977
licensee's license is revoked automatically without the taking of 50978
any action by the superintendent when the licensee fails to submit 50979
the required proof of completion of the education requirements 50980
under division (I) of this section within twelve months of the 50981
date the license is suspended. 50982

(K) Examinations shall be administered with reasonable accommodations in accordance with the requirements of the "Americans with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C. 12189. The contents of an examination shall be consistent with the classroom instructional requirements of division (F)(6) of this section. An applicant who has completed the classroom instructional requirements of division (F)(6) of this section at the time of application shall be examined no later than twelve months after the applicant is notified of the applicant's admission to the examination.

Sec. 4735.12. (A) The real estate recovery fund is hereby created in the state treasury, to be administered by the superintendent of real estate. Amounts collected by the superintendent as prescribed in this section and interest earned on the assets of the fund shall be credited by the treasurer of state to the fund. The amount of money in the fund shall be ascertained by the superintendent as of the first day of July of each year.

The commission, in accordance with rules adopted under division (A)(2)(g) of section 4735.10 of the Revised Code, shall impose a special assessment not to exceed ten dollars per year for each year of a licensing period on each licensee filing a notice of renewal under section 4735.14 of the Revised Code if the amount available in the fund is less than two hundred fifty thousand dollars on the first day of July preceding that filing. The commission shall not impose a special assessment if the amount available in the fund exceeds two hundred fifty thousand dollars on the first day of July preceding that filing.

(B)(1) Any person who obtains a final judgment in any court of competent jurisdiction against any broker or salesperson licensed under this chapter, on the grounds of conduct that is in

violation of this chapter or the rules adopted under it, and that 51014
is associated with an act or transaction that only a licensed real 51015
estate broker or licensed real estate salesperson is authorized to 51016
perform as specified in division (A) or (C) of section 4735.01 of 51017
the Revised Code, may file a verified application, as described in 51018
division (B)(3) of this section, in the court of common pleas of 51019
Franklin county for an order directing payment out of the real 51020
estate recovery fund of the portion of the judgment that remains 51021
unpaid and that represents the actual and direct loss sustained by 51022
the applicant. 51023

(2) Punitive damages, attorney's fees, and interest on a 51024
judgment are not recoverable from the fund. In the discretion of 51025
the superintendent of real estate, court costs may be recovered 51026
from the fund, and, if the superintendent authorizes the recovery 51027
of court costs, the order of the court of common pleas then may 51028
direct their payment from the fund. 51029

(3) The application shall specify the nature of the act or 51030
transaction upon which the underlying judgment was based, the 51031
activities of the applicant in pursuit of remedies available under 51032
law for the collection of judgments, and the actual and direct 51033
losses, attorney's fees, and the court costs sustained or incurred 51034
by the applicant. The applicant shall attach to the application a 51035
copy of each pleading and order in the underlying court action. 51036

(4) The court shall order the superintendent to make such 51037
payments out of the fund when the person seeking the order has 51038
shown all of the following: 51039

(a) The person has obtained a judgment, as provided in this 51040
division; 51041

(b) All appeals from the judgment have been exhausted and the 51042
person has given notice to the superintendent, as required by 51043
division (C) of this section; 51044

(c) The person is not a spouse of the judgment debtor, or the personal representative of such spouse; 51045
51046

(d) The person has diligently pursued the person's remedies against all the judgment debtors and all other persons liable to the person in the transaction for which the person seeks recovery from the fund; 51047
51048
51049
51050

(e) The person is making the person's application not more than one year after termination of all proceedings, including appeals, in connection with the judgment. 51051
51052
51053

(5) Divisions (B)(1) to (4) of this section do not apply to any of the following: 51054
51055

(a) Actions arising from property management accounts maintained in the name of the property owner; 51056
51057

(b) A bonding company when it is not a principal in a real estate transaction; 51058
51059

(c) A person in an action for the payment of a commission or fee for the performance of an act or transaction specified or comprehended in division (A) or (C) of section 4735.01 of the Revised Code; 51060
51061
51062
51063

(d) Losses incurred by investors in real estate if the applicant and the licensee are principals in the investment. 51064
51065

(C) A person who applies to a court of common pleas for an order directing payment out of the fund shall file notice of the application with the superintendent. The superintendent may defend any such action on behalf of the fund and shall have recourse to all appropriate means of defense and review, including examination of witnesses, verification of actual and direct losses, and challenges to the underlying judgment required in division (B)(4)(a) of this section to determine whether the underlying judgment is based on activity only a licensed broker or licensed 51066

51068
51069
51070
51071
51072
51073
51074

salesperson is permitted to perform. The superintendent may move 51075
the court at any time to dismiss the application when it appears 51076
there are no triable issues and the application is without merit. 51077
The motion may be supported by affidavit of any person having 51078
knowledge of the facts and may be made on the basis that the 51079
application, including the judgment referred to in it, does not 51080
form the basis for a meritorious recovery claim; provided, that 51081
the superintendent shall give written notice to the applicant at 51082
least ten days before such motion. The superintendent may, subject 51083
to court approval, compromise a claim based upon the application 51084
of an aggrieved party. The superintendent shall not be bound by 51085
any prior compromise or stipulation of the judgment debtor. 51086

(D) Notwithstanding any other provision of this section, the 51087
liability of the fund shall not exceed forty thousand dollars for 51088
any one licensee. If a licensee's license is reactivated as 51089
provided in division (E) of this section, the liability of the 51090
fund for the licensee under this section shall again be forty 51091
thousand dollars, but only for transactions that occur subsequent 51092
to the time of reactivation. 51093

If the forty-thousand-dollar liability of the fund is 51094
insufficient to pay in full the valid claims of all aggrieved 51095
persons by whom claims have been filed against any one licensee, 51096
the forty thousand dollars shall be distributed among them in the 51097
ratio that their respective claims bear to the aggregate of valid 51098
claims or in such other manner as the court finds equitable. 51099
Distribution of moneys shall be among the persons entitled to 51100
share in it, without regard to the order of priority in which 51101
their respective judgments may have been obtained or their claims 51102
have been filed. Upon petition of the superintendent, the court 51103
may require all claimants and prospective claimants against one 51104
licensee to be joined in one action, to the end that the 51105
respective rights of all such claimants to the fund may be 51106

equitably adjudicated and settled. 51107

(E) If the superintendent pays from the fund any amount in 51108
settlement of a claim or toward satisfaction of a judgment against 51109
a licensed broker or salesperson, the license of the broker or 51110
salesperson shall be automatically suspended upon the date of 51111
payment from the fund. The superintendent shall not reactivate the 51112
suspended license of that broker or salesperson until the broker 51113
or salesperson has repaid in full, plus interest per annum at the 51114
rate specified in division (A) of section 1343.03 of the Revised 51115
Code, the amount paid from the fund on the broker's or 51116
salesperson's account. A discharge in bankruptcy does not relieve 51117
a person from the suspension and requirements for reactivation 51118
provided in this section unless the underlying judgment has been 51119
included in the discharge and has not been reaffirmed by the 51120
debtor. 51121

(F) If, at any time, the money deposited in the fund is 51122
insufficient to satisfy any duly authorized claim or portion of a 51123
claim, the superintendent shall, when sufficient money has been 51124
deposited in the fund, satisfy such unpaid claims or portions, in 51125
the order that such claims or portions were originally filed, plus 51126
accumulated interest per annum at the rate specified in division 51127
(A) of section 1343.03 of the Revised Code. 51128

(G) When, upon the order of the court, the superintendent has 51129
paid from the fund any sum to the judgment creditor, the 51130
superintendent shall be subrogated to all of the rights of the 51131
judgment creditor to the extent of the amount so paid, and the 51132
judgment creditor shall assign all the judgment creditor's right, 51133
title, and interest in the judgment to the superintendent to the 51134
extent of the amount so paid. Any amount and interest so recovered 51135
by the superintendent on the judgment shall be deposited in the 51136
fund. 51137

(H) Nothing contained in this section shall limit the 51138

authority of the superintendent to take disciplinary action 51139
against any licensee under other provisions of this chapter; nor 51140
shall the repayment in full of all obligations to the fund by any 51141
licensee nullify or modify the effect of any other disciplinary 51142
proceeding brought pursuant to this chapter. 51143

(I) The superintendent ~~shall~~ may collect from the fund a 51144
service fee in an amount equivalent to the interest rate specified 51145
in division (A) of section 1343.03 of the Revised Code multiplied 51146
by the annual interest earned on the assets of the fund, to defray 51147
the expenses incurred in the administration of the fund. 51148

Sec. 4735.13. (A) Every real estate broker licensed under 51149
this chapter shall have and maintain a definite place of business 51150
in this state. A post office box address is not a definite place 51151
of business for purposes of this section. The license of a real 51152
estate broker shall be prominently displayed in the office or 51153
place of business of the broker, and no license shall authorize 51154
the licensee to do business except from the location specified in 51155
it. If the broker maintains more than one place of business within 51156
the state, the broker shall apply for and procure a duplicate 51157
license for each branch office maintained by the broker. Each 51158
branch office shall be in the charge of a licensed broker or 51159
salesperson. The branch office license shall be prominently 51160
displayed at the branch office location. 51161

(B) The license of each real estate salesperson shall be 51162
mailed to and remain in the possession of the licensed broker with 51163
whom the salesperson is or is to be associated until the licensee 51164
places the license on inactive or resigned status or until the 51165
salesperson leaves the brokerage or is terminated. The broker 51166
shall keep each salesperson's license in a way that it can, and 51167
shall on request, be made immediately available for public 51168
inspection at the office or place of business of the broker. 51169

Except as provided in divisions (G) and (H) of this section, 51170
immediately upon the salesperson's leaving the association or 51171
termination of the association of a real estate salesperson with 51172
the broker, the broker shall return the salesperson's license to 51173
the superintendent of real estate. 51174

The failure of a broker to return the license of a real 51175
estate salesperson or broker who leaves or who is terminated, via 51176
certified mail return receipt requested, within three business 51177
days of the receipt of a written request from the superintendent 51178
for the return of the license, is prima-facie evidence of 51179
misconduct under division (A)(6) of section 4735.18 of the Revised 51180
Code. 51181

(C) A licensee shall notify the superintendent in writing 51182
within fifteen days of any of the following occurrences: 51183

(1) The licensee is convicted of a felony. 51184

(2) The licensee is convicted of a crime involving moral 51185
turpitude. 51186

(3) The licensee is found to have violated any federal, 51187
state, or municipal civil rights law pertaining to discrimination 51188
in housing. 51189

(4) The licensee is found to have engaged in a discriminatory 51190
practice pertaining to housing accommodations described in 51191
division (H) of section 4112.02 of the Revised Code. 51192

(5) The licensee is the subject of an order by the department 51193
of commerce, the department of insurance, or the department of 51194
agriculture revoking or permanently surrendering any professional 51195
license, certificate, or registration. 51196

(6) The licensee is the subject of an order by any government 51197
agency concerning real estate, financial matters, or the 51198
performance of fiduciary duties with respect to any license, 51199

certificate, or registration. 51200

If a licensee fails to notify the superintendent within the 51201
required time, the superintendent immediately may suspend the 51202
license of the licensee. 51203

Any court that convicts a licensee of a violation of any 51204
municipal civil rights law pertaining to housing discrimination 51205
also shall notify the Ohio civil rights commission within fifteen 51206
days of the conviction. 51207

(D) In case of any change of business location, a broker 51208
shall give notice to the superintendent, on a form prescribed by 51209
the superintendent, within thirty days after the change of 51210
location, whereupon the superintendent shall issue new licenses 51211
for the unexpired period without charge. If a broker changes a 51212
business location without giving the required notice and without 51213
receiving new licenses that action is prima-facie evidence of 51214
misconduct under division (A)(6) of section 4735.18 of the Revised 51215
Code. 51216

(E) If a real estate broker desires to associate with another 51217
real estate broker in the capacity of a real estate salesperson, 51218
the broker shall apply to the superintendent to deposit the 51219
broker's real estate broker's license with the superintendent and 51220
for the issuance of a real estate salesperson's license. The 51221
application shall be made on a form prescribed by the 51222
superintendent and shall be accompanied by the recommendation of 51223
the real estate broker with whom the applicant intends to become 51224
associated and a fee of thirty-four dollars for the real estate 51225
salesperson's license. ~~One dollar of the fee shall be credited to~~ 51226
~~the real estate education and research fund.~~ If the superintendent 51227
is satisfied that the applicant is honest and truthful, has not 51228
been convicted of a disqualifying offense as determined in 51229
accordance with section 9.79 of the Revised Code, and has not been 51230
finally adjudged by a court to have violated any municipal, state, 51231

or federal civil rights laws relevant to the protection of 51232
purchasers or sellers of real estate, and that the association of 51233
the real estate broker and the applicant will be in the public 51234
interest, the superintendent shall grant the application and issue 51235
a real estate salesperson's license to the applicant. Any license 51236
so deposited with the superintendent shall be subject to this 51237
chapter. A broker who intends to deposit the broker's license with 51238
the superintendent, as provided in this section, shall give 51239
written notice of this fact in a format prescribed by the 51240
superintendent to all salespersons associated with the broker when 51241
applying to place the broker's license on deposit. 51242

(F) If a real estate broker desires to become a member or 51243
officer of a partnership, association, limited liability company, 51244
limited liability partnership, or corporation that is or intends 51245
to become a licensed real estate broker, the broker shall notify 51246
the superintendent of the broker's intentions. The notice of 51247
intention shall be on a form prescribed by the superintendent and 51248
shall be accompanied by a fee of thirty-four dollars. ~~One dollar~~ 51249
~~of the fee shall be credited to the real estate education and~~ 51250
~~research fund.~~ 51251

A licensed real estate broker who is a member or officer of a 51252
partnership, association, limited liability company, limited 51253
liability partnership, or corporation shall only act as a real 51254
estate broker for such partnership, association, limited liability 51255
company, limited liability partnership, or corporation. 51256

salesperson's license on deposit with the Ohio real estate 51259
commission. The licensee shall not be required to renew the 51260
license until the renewal date that follows the date of discharge 51261
from the armed forces. Any license deposited with the commission 51262
shall be subject to this chapter. 51263

Any licensee whose license is on deposit under this division 51264
and who fails to meet the continuing education requirements of 51265
section 4735.141 of the Revised Code because the licensee is in 51266
the armed forces shall satisfy the commission that the licensee 51267
has complied with the continuing education requirements within 51268
twelve months of the licensee's first birthday after discharge or 51269
within the amount of time equal to the total number of months the 51270
licensee spent on active duty, whichever is greater. The licensee 51271
shall submit proper documentation of active duty service and the 51272
length of that active duty service to the superintendent. The 51273
extension shall not exceed the total number of months that the 51274
licensee served in active duty. The superintendent shall notify 51275
the licensee of the licensee's obligations under section 4735.141 51276
of the Revised Code at the time the licensee applies for 51277
reactivation of the licensee's license. 51278

(2) If a licensee is a spouse of a member of the armed forces 51279
and the spouse's service resulted in the licensee's absence from 51280
this state, both of the following apply: 51281

(a) The licensee shall not be required to renew the license 51282
until the renewal date that follows the date of the spouse's 51283

the continuing education requirements within twelve months after 51288
the licensee's first birthday after the spouse's discharge or 51289
within the amount of time equal to the total number of months the 51290
licensee's spouse spent on active duty, whichever is greater. The 51291
licensee shall submit proper documentation of the spouse's active 51292
duty service and the length of that active duty service. This 51293

of this section, who holds the license through a reciprocity 51297
agreement with another state, the spouse's service shall have 51298
resulted in the licensee's absence from the licensee's state of 51299
residence for the provisions of that division to apply. 51300

(4) As used in this division, "armed forces" means the armed 51301
forces of the United States or reserve component of the armed 51302
forces of the United States including the Ohio national guard or 51303
the national guard of any other state. 51304

(H) If a licensed real estate salesperson submits an 51305
application to the superintendent to leave the association of one 51306
broker to associate with a different broker, the broker possessing 51307
the licensee's license need not return the salesperson's license 51308
to the superintendent. The superintendent may process the 51309
application regardless of whether the licensee's license is 51310
returned to the superintendent. 51311

Sec. 4735.143. (A) Each person applying for a license 51312
pursuant to section 4735.07 or 4735.09 of the Revised Code shall 51313
submit one complete set of fingerprint impressions directly to the 51314
superintendent of the bureau of criminal identification and 51315
investigation for the purpose of conducting a criminal records 51316
check. The applicant shall provide the fingerprint impressions 51317
using a method the superintendent of the bureau of criminal 51318
identification and investigation prescribes and fill out the form 51319
the superintendent prescribes pursuant to division (C) of section 51320
109.572 of the Revised Code. Upon receiving an application under 51321
this section, the superintendent of real estate and professional 51322
licensing shall request the superintendent of the bureau of 51323
criminal identification and investigation, or a vendor approved by 51324
the bureau, to conduct a criminal records check based on the 51325
applicant's fingerprint impressions in accordance with division 51326

(A)(16) of section 109.572 of the Revised Code. Notwithstanding 51327
division ~~(K)~~(L) of section 121.08 of the Revised Code, the 51328
superintendent of real estate and professional licensing shall 51329
request that criminal record information based on the applicant's 51330
fingerprints be obtained from the federal bureau of investigation 51331
as part of the criminal records check. Any fee required under 51332
division (C)(3) of section 109.572 of the Revised Code shall be 51333
paid by the applicant. 51334

(B) An applicant who disclosed on the application that the 51335
applicant has been convicted of any criminal offense shall only be 51336
permitted to take the examination after the results of the 51337
criminal records check have been received by the superintendent 51338
and the superintendent has made a determination to disregard the 51339
conviction because the applicant has proven to the superintendent, 51340
by a preponderance of the evidence, that the applicant's 51341
activities and employment record since the conviction show that 51342
the applicant is honest, truthful, and of good reputation, and 51343
there is no basis in fact for believing that the applicant again 51344
will violate the laws involved. 51345

(C) Persons who have indicated on the application that they 51346
have not been convicted of any criminal offense, shall, if all 51347
other requirements for licensure have been satisfied, be permitted 51348
to take the real estate examination for which the applicant has 51349
applied prior to the superintendent's receipt of the results of 51350
the criminal records check. If the applicant receives a passing 51351
score on the examination and meets the other requirements for the 51352
license, the superintendent shall issue a provisional license 51353
pending the results of the criminal records check. During this 51354
provisional status, the licensee may perform acts that require a 51355
real estate license. If the results of the criminal records check 51356
subsequently confirm that the licensee has no convictions, the 51357
provisional status shall be removed. If it is determined that the 51358

licensee has been convicted of any criminal offense, the 51359
superintendent may immediately suspend the license of the 51360
licensee. 51361

(D) Any entity offering the prelicensure education required 51362
to obtain a real estate license in this state shall, prior to a 51363
student's enrollment in a class, notify the student of both of the 51364

individual from obtaining a real estate license; 51367

(2) The student's rights under section 9.78 of the Revised 51368
Code to request a determination as to whether such a conviction 51369
will disqualify the student. 51370

Sec. 4735.15. (A) The nonrefundable fees for reactivation or 51371
transfer of a license shall be as follows: 51372

The physical therapy section shall hold a hearing regarding 52995
the alleged violation in the same manner prescribed for an 52996
adjudication hearing under section 119.09 of the Revised Code. If 52997
the physical therapy section, after the hearing, determines a 52998
violation has occurred, the physical therapy section may 52999
discipline the person in the same manner as the physical therapy 53000
section disciplines licensees under section 4755.47 of the Revised 53001
Code. The physical therapy section's determination is an order 53002
that the person may appeal in accordance with section 119.12 of 53003

purpose of collecting that civil penalty. In addition to the civil 53015
penalty assessed pursuant to this section, the person also shall 53016
pay any fee assessed by the attorney general for collection of the 53017
civil penalty. 53018

presents a danger of immediate and serious harm to the public, as 53206

within which a hearing must be held under section 119.07 of the 53219
Revised Code, the date set for the adjudication shall be within 53220
fifteen days but not earlier than seven days after the individual 53221

The committee shall issue its final adjudication order within 53228
ninety days after completion of the adjudication. If the committee 53229
does not issue a final order within the ninety-day period, the 53230
summary suspension shall be void, but any final adjudication order 53231
issued subsequent to the ninety-day period shall not be affected. 53232

(C) The license issued to an individual under this chapter is 53233
automatically suspended on that individual's conviction of, plea 53234

following: aggravated murder, murder, voluntary manslaughter, 53236
felonious assault, kidnapping, rape, sexual battery, gross sexual 53237

the conviction, plea, or finding until an adjudication is held 53240
under Chapter 119. of the Revised Code. If the appropriate 53241
committee has knowledge that an automatic suspension has occurred, 53242
it shall notify the individual subject to the suspension. If the 53243
individual is notified and either fails to request an adjudication 53244
within the time periods established by Chapter 119. of the Revised 53245
Code or fails to participate in the adjudication, the committee 53246
shall enter a final order permanently revoking the person's 53247
license or certificate. 53248

relation to the practice of dietetics; or in securing or 53265
attempting to secure any license or permit issued by the board 53266
under this chapter. 53267

As used in division (A)(2) of this section, "false, 53268
fraudulent, deceptive, or misleading statement" means a statement 53269
that includes a misrepresentation of fact, is likely to mislead or 53270
deceive because of a failure to disclose material facts, is 53271
intended or is likely to create false or unjustified expectations 53272

person to misunderstand or be deceived. 53275

(3) Committing fraud during the administration of the 53276

(4) A plea of guilty to, a judicial finding of guilt of, or a 53280
judicial finding of eligibility for intervention in lieu of 53281

state, regardless of the jurisdiction in which the act was 53284
committed; 53285

(6) A plea of guilty to, a judicial finding of guilt of, or a 53286
judicial finding of eligibility for intervention in lieu of 53287
conviction for, a misdemeanor committed in the course of practice; 53288

(7) Commission of an act in the course of practice that 53289

constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;	53290 53291

to renew or reinstate a license; imposition of probation; or 53320
issuance of an order of censure or other reprimand; 53321

(16) The revocation, suspension, restriction, reduction, or 53322
termination of practice privileges by the United States department 53323

(17) Termination or suspension from participation in the 53325
medicare or medicaid programs by the department of health and 53326
human services or other responsible agency for any act or acts 53327
that also would constitute a violation of division (A)(11), (12), 53328
or (14) of this section; 53329

(18) Impairment of ability to practice according to 53330
acceptable and prevailing standards of care because of habitual or 53331
excessive use or abuse of drugs, alcohol, or other substances that 53332
impair ability to practice; 53333

(19) Failure to cooperate in an investigation conducted by 53334
the board under division (B) of section 4759.05 of the Revised 53335
Code, including failure to comply with a subpoena or order issued 53336
by the board or failure to answer truthfully a question presented 53337
by the board in an investigative interview, an investigative 53338
office conference, at a deposition, or in written interrogatories, 53339
except that failure to cooperate with an investigation shall not 53340
constitute grounds for discipline under this section if a court of 53341
competent jurisdiction has issued an order that either quashes a 53342
subpoena or permits the individual to withhold the testimony or 53343
evidence in issue; 53344

(20) Representing with the purpose of obtaining compensation 53345
or other advantage as personal gain or for any other person, that 53346
an incurable disease or injury, or other incurable condition, can 53347
be permanently cured. 53348

(B) The board shall not refuse to issue a license or limited 53349
permit to an applicant because of a plea of guilty to, a judicial 53350

finding of guilt of, or a judicial finding of eligibility for 53351
intervention in lieu of conviction for an offense unless the 53352
refusal is in accordance with section 9.79 of the Revised Code. 53353

(C) Any action taken by the board under division (A) of this 53354
section resulting in a suspension from practice shall be 53355
accompanied by a written statement of the conditions under which 53356
the individual's license or permit may be reinstated. The board 53357
shall adopt rules governing conditions to be imposed for 53358
reinstatement. Reinstatement of a license or permit suspended 53359
pursuant to division (A) of this section requires an affirmative 53360
vote of not fewer than six members of the board. 53361

(D) When the board refuses to grant or issue a license or 53362
permit to an applicant, revokes an individual's license or permit, 53363
refuses to renew an individual's license or permit, or refuses to 53364
reinstate an individual's license or permit, the board may specify 53365
that its action is permanent. An individual subject to a permanent 53366
action taken by the board is forever thereafter ineligible to hold 53367
a license or permit and the board shall not accept an application 53368
for reinstatement of the license or permit or for issuance of a 53369
new license or permit. 53370

(E) Disciplinary actions taken by the board under division 53371
(A) of this section shall be taken pursuant to an adjudication 53372
under Chapter 119. of the Revised Code, except that in lieu of an 53373
adjudication, the board may enter into a consent agreement with an 53374
individual to resolve an allegation of a violation of this chapter 53375
or any rule adopted under it. A consent agreement, when ratified 53376
by an affirmative vote of not fewer than six members of the board, 53377
shall constitute the findings and order of the board with respect 53378
to the matter addressed in the agreement. If the board refuses to 53379
ratify a consent agreement, the admissions and findings contained 53380
in the consent agreement shall be of no force or effect. 53381

A telephone conference call may be utilized for ratification 53382

of a consent agreement that revokes or suspends an individual's 53383
license or permit. The telephone conference call shall be 53384
considered a special meeting under division (F) of section 121.22 53385
of the Revised Code. 53386

(F) In enforcing division (A)(14) of this section, the board, 53387
upon a showing of a possible violation, may compel any individual 53388
authorized to practice by this chapter or who has submitted an 53389
application pursuant to this chapter to submit to a mental 53390
examination, physical examination, including an HIV test, or both 53391
a mental and a physical examination. The expense of the 53392
examination is the responsibility of the individual compelled to 53393
be examined. Failure to submit to a mental or physical examination 53394
or consent to an HIV test ordered by the board constitutes an 53395
admission of the allegations against the individual unless the 53396
failure is due to circumstances beyond the individual's control, 53397
and a default and final order may be entered without the taking of 53398
testimony or presentation of evidence. If the board finds an 53399
individual unable to practice because of the reasons set forth in 53400
division (A)(14) of this section, the board shall require the 53401
individual to submit to care, counseling, or treatment by 53402
physicians approved or designated by the board, as a condition for 53403
initial, continued, reinstated, or renewed authority to practice. 53404
An individual affected under this division shall be afforded an 53405
opportunity to demonstrate to the board the ability to resume 53406
practice in compliance with acceptable and prevailing standards 53407
under the provisions of the individual's license or permit. For 53408
the purpose of division (A)(14) of this section, any individual 53409
who applies for or receives a license or permit under this chapter 53410
accepts the privilege of practicing in this state and, by so 53411
doing, shall be deemed to have given consent to submit to a mental 53412
or physical examination when directed to do so in writing by the 53413
board, and to have waived all objections to the admissibility of 53414
testimony or examination reports that constitute a privileged 53415

communication. 53416

(G) For the purposes of division (A)(18) of this section, any 53417
individual authorized to practice by this chapter accepts the 53418
privilege of practicing in this state subject to supervision by 53419
the board. By filing an application for or holding a license or 53420
permit under this chapter, an individual shall be deemed to have 53421
given consent to submit to a mental or physical examination when 53422
ordered to do so by the board in writing, and to have waived all 53423
objections to the admissibility of testimony or examination 53424
reports that constitute privileged communications. 53425

If it has reason to believe that any individual authorized to 53426
practice by this chapter or any applicant for a license or permit 53427
suffers such impairment, the board may compel the individual to 53428
submit to a mental or physical examination, or both. The expense 53429
of the examination is the responsibility of the individual 53430
compelled to be examined. Any mental or physical examination 53431
required under this division shall be undertaken by a treatment 53432
provider or physician who is qualified to conduct the examination 53433
and who is chosen by the board. 53434

Failure to submit to a mental or physical examination ordered 53435
by the board constitutes an admission of the allegations against 53436
the individual unless the failure is due to circumstances beyond 53437
the individual's control, and a default and final order may be 53438
entered without the taking of testimony or presentation of 53439
evidence. If the board determines that the individual's ability to 53440
practice is impaired, the board shall suspend the individual's 53441
license or permit or deny the individual's application and shall 53442
require the individual, as a condition for an initial, continued, 53443
reinstated, or renewed license or permit, to submit to treatment. 53444

Before being eligible to apply for reinstatement of a license 53445
or permit suspended under this division, the impaired practitioner 53446
shall demonstrate to the board the ability to resume practice in 53447

compliance with acceptable and prevailing standards of care under 53448
the provisions of the practitioner's license or permit. The 53449
demonstration shall include, but shall not be limited to, the 53450
following: 53451

(1) Certification from a treatment provider approved under 53452
section 4731.25 of the Revised Code that the individual has 53453
successfully completed any required inpatient treatment; 53454

(2) Evidence of continuing full compliance with an aftercare 53455
contract or consent agreement; 53456

(3) Two written reports indicating that the individual's 53457
ability to practice has been assessed and that the individual has 53458
been found capable of practicing according to acceptable and 53459
prevailing standards of care. The reports shall be made by 53460
individuals or providers approved by the board for making the 53461
assessments and shall describe the basis for their determination. 53462

The board may reinstate a license or permit suspended under 53463
this division after that demonstration and after the individual 53464
has entered into a written consent agreement. 53465

When the impaired practitioner resumes practice, the board 53466
shall require continued monitoring of the individual. The 53467
monitoring shall include, but not be limited to, compliance with 53468
the written consent agreement entered into before reinstatement or 53469
with conditions imposed by board order after a hearing, and, upon 53470
termination of the consent agreement, submission to the board for 53471
at least two years of annual written progress reports made under 53472
penalty of perjury stating whether the individual has maintained 53473
sobriety. 53474

(H) If the secretary and supervising member determine both of 53475
the following, they may recommend that the board suspend an 53476
individual's license or permit without a prior hearing: 53477

(1) That there is clear and convincing evidence that an 53478

individual has violated division (A) of this section; 53479

(2) That the individual's continued practice presents a 53480
danger of immediate and serious harm to the public. 53481

Written allegations shall be prepared for consideration by 53482
the board. The board, upon review of those allegations and by an 53483
affirmative vote of not fewer than six of its members, excluding 53484
the secretary and supervising member, may suspend a license or 53485
permit without a prior hearing. A telephone conference call may be 53486
utilized for reviewing the allegations and taking the vote on the 53487
summary suspension. 53488

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 53489
~~certified mail or in person~~ in accordance with ~~section~~ sections 53490
119.05 and 119.07 of the Revised Code. The order shall not be 53491
subject to suspension by the court during pendency of any appeal 53492
filed under section 119.12 of the Revised Code. If the individual 53493
subject to the summary suspension requests an adjudicatory hearing 53494
by the board, notwithstanding the time within which a hearing must 53495
be held under section 119.07 of the Revised Code, the date set for 53496
the hearing shall be within fifteen days, but not earlier than 53497
seven days, after the individual requests the hearing, unless 53498
otherwise agreed to by both the board and the individual. 53499

Any summary suspension imposed under this division shall 53500
remain in effect, unless reversed on appeal, until a final 53501
adjudicative order issued by the board pursuant to this section 53502
and Chapter 119. of the Revised Code becomes effective. The board 53503
shall issue its final adjudicative order within seventy-five days 53504
after completion of its hearing. A failure to issue the order 53505
within seventy-five days shall result in dissolution of the 53506
summary suspension order but shall not invalidate any subsequent, 53507
final adjudicative order. 53508

(I) If the board is required by Chapter 119. of the Revised 53509

Code to give notice of an opportunity for a hearing and if the 53510
individual subject to the notice does not timely request a hearing 53511
in accordance with section 119.07 of the Revised Code, the board 53512
is not required to hold a hearing, but may adopt, by an 53513
affirmative vote of not fewer than six of its members, a final 53514
order that contains the board's findings. In the final order, the 53515
board may order any of the sanctions identified under division (A) 53516
of this section. 53517

(J) For purposes of divisions (A)(5), (7), and (9) of this 53518
section, the commission of the act may be established by a finding 53519
by the board, pursuant to an adjudication under Chapter 119. of 53520
the Revised Code, that the individual committed the act. The board 53521
does not have jurisdiction under those divisions if the trial 53522
court renders a final judgment in the individual's favor and that 53523
judgment is based upon an adjudication on the merits. The board 53524
has jurisdiction under those divisions if the trial court issues 53525
an order of dismissal upon technical or procedural grounds. 53526

(K) The sealing of conviction records by any court shall have 53527
no effect upon a prior board order entered under this section or 53528
upon the board's jurisdiction to take action under this section 53529
if, based upon a plea of guilty, a judicial finding of guilt, or a 53530
judicial finding of eligibility for intervention in lieu of 53531
conviction, the board issued a notice of opportunity for a hearing 53532
prior to the court's order to seal the records. The board shall 53533
not be required to seal, destroy, redact, or otherwise modify its 53534
records to reflect the court's sealing of conviction records. 53535

(L) If the board takes action under division (A)(4), (6), or 53536
(8) of this section, and the judicial finding of guilt, guilty 53537
plea, or judicial finding of eligibility for intervention in lieu 53538
of conviction is overturned on appeal, upon exhaustion of the 53539
criminal appeal, a petition for reconsideration of the order may 53540
be filed with the board along with appropriate court documents. 53541

Upon receipt of a petition for reconsideration and supporting 53542
court documents, the board shall reinstate the individual's 53543
license or permit. The board may then hold an adjudication under 53544
Chapter 119. of the Revised Code to determine whether the 53545
individual committed the act in question. Notice of an opportunity 53546
for a hearing shall be given in accordance with Chapter 119. of 53547
the Revised Code. If the board finds, pursuant to an adjudication 53548
held under this division, that the individual committed the act or 53549
if no hearing is requested, the board may order any of the 53550
sanctions identified under division (A) of this section. 53551

(M) The license or permit issued to an individual under this 53552
chapter and the individual's practice in this state are 53553
automatically suspended as of the date the individual pleads 53554
guilty to, is found by a judge or jury to be guilty of, or is 53555
subject to a judicial finding of eligibility for intervention in 53556
lieu of conviction in this state or treatment or intervention in 53557
lieu of conviction in another jurisdiction for any of the 53558
following criminal offenses in this state or a substantially 53559
equivalent criminal offense in another jurisdiction: aggravated 53560
murder, murder, voluntary manslaughter, felonious assault, 53561
kidnapping, rape, sexual battery, gross sexual imposition, 53562
aggravated arson, aggravated robbery, or aggravated burglary. 53563
Continued practice after suspension shall be considered practicing 53564
without a license or permit. 53565

The board shall ~~notify~~ serve the individual subject to the 53566
suspension ~~by certified mail or in person~~ in accordance with 53567
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 53568
individual whose license or permit is automatically suspended 53569
under this division fails to make a timely request for an 53570
adjudication under Chapter 119. of the Revised Code, the board 53571
shall enter a final order permanently revoking the individual's 53572
license or permit. 53573

(N) Notwithstanding any other provision of the Revised Code, 53574
all of the following apply: 53575

(1) The surrender of a license or permit issued under this 53576
chapter shall not be effective unless or until accepted by the 53577
board. A telephone conference call may be utilized for acceptance 53578
of the surrender of an individual's license or permit. The 53579
telephone conference call shall be considered a special meeting 53580
under division (F) of section 121.22 of the Revised Code. 53581
Reinstatement of a license or permit surrendered to the board 53582
requires an affirmative vote of not fewer than six members of the 53583
board. 53584

(2) An application for a license or permit made under the 53585
provisions of this chapter may not be withdrawn without approval 53586
of the board. 53587

(3) Failure by an individual to renew a license or permit in 53588
accordance with this chapter shall not remove or limit the board's 53589
jurisdiction to take any disciplinary action under this section 53590
against the individual. 53591

(4) At the request of the board, a license or permit holder 53592
shall immediately surrender to the board a license or permit that 53593
the board has suspended, revoked, or permanently revoked. 53594

Sec. 4760.13. (A) The state medical board, by an affirmative 53595
vote of not fewer than six members, may revoke or may refuse to 53596
grant a license to practice as an anesthesiologist assistant to a 53597
person found by the board to have committed fraud, 53598
misrepresentation, or deception in applying for or securing the 53599
license. 53600

(B) The board, by an affirmative vote of not fewer than six 53601
members, shall, except as provided in division (C) of this 53602
section, and to the extent permitted by law, limit, revoke, or 53603

suspend an individual's license to practice as an anesthesiologist 53604
assistant, refuse to issue a license to an applicant, refuse to 53605
renew a license, refuse to reinstate a license, or reprimand or 53606
place on probation the holder of a license for any of the 53607
following reasons: 53608

(1) Permitting the holder's name or license to be used by 53609
another person; 53610

(2) Failure to comply with the requirements of this chapter, 53611
Chapter 4731. of the Revised Code, or any rules adopted by the 53612
board; 53613

(3) Violating or attempting to violate, directly or 53614
indirectly, or assisting in or abetting the violation of, or 53615
conspiring to violate, any provision of this chapter, Chapter 53616
4731. of the Revised Code, or the rules adopted by the board; 53617

(4) A departure from, or failure to conform to, minimal 53618
standards of care of similar practitioners under the same or 53619
similar circumstances whether or not actual injury to the patient 53620
is established; 53621

(5) Inability to practice according to acceptable and 53622
prevailing standards of care by reason of mental illness or 53623
physical illness, including physical deterioration that adversely 53624
affects cognitive, motor, or perceptive skills; 53625

(6) Impairment of ability to practice according to acceptable 53626
and prevailing standards of care because of habitual or excessive 53627
use or abuse of drugs, alcohol, or other substances that impair 53628
ability to practice; 53629

(7) Willfully betraying a professional confidence; 53630

(8) Making a false, fraudulent, deceptive, or misleading 53631
statement in securing or attempting to secure a license to 53632
practice as an anesthesiologist assistant. 53633

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) The obtaining of, or attempting to obtain, money or a thing of value by fraudulent misrepresentations in the course of practice;

(10) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(11) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(12) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(15) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(16) A plea of guilty to, a judicial finding of guilt of, or

a judicial finding of eligibility for intervention in lieu of 53664
conviction for violating any state or federal law regulating the 53665
possession, distribution, or use of any drug, including 53666
trafficking in drugs; 53667

(17) Any of the following actions taken by the state agency 53668
responsible for regulating the practice of anesthesiologist 53669
assistants in another jurisdiction, for any reason other than the 53670
nonpayment of fees: the limitation, revocation, or suspension of 53671
an individual's license to practice; acceptance of an individual's 53672
license surrender; denial of a license; refusal to renew or 53673
reinstate a license; imposition of probation; or issuance of an 53674
order of censure or other reprimand; 53675

(18) Violation of the conditions placed by the board on a 53676
license to practice; 53677

(19) Failure to use universal blood and body fluid 53678
precautions established by rules adopted under section 4731.051 of 53679
the Revised Code; 53680

(20) Failure to cooperate in an investigation conducted by 53681
the board under section 4760.14 of the Revised Code, including 53682
failure to comply with a subpoena or order issued by the board or 53683
failure to answer truthfully a question presented by the board at 53684
a deposition or in written interrogatories, except that failure to 53685
cooperate with an investigation shall not constitute grounds for 53686
discipline under this section if a court of competent jurisdiction 53687
has issued an order that either quashes a subpoena or permits the 53688
individual to withhold the testimony or evidence in issue; 53689

(21) Failure to comply with any code of ethics established by 53690
the national commission for the certification of anesthesiologist 53691
assistants; 53692

(22) Failure to notify the state medical board of the 53693
revocation or failure to maintain certification from the national 53694

commission for certification of anesthesiologist assistants. 53695

(C) The board shall not refuse to issue a certificate to an 53696
applicant because of a plea of guilty to, a judicial finding of 53697
guilt of, or a judicial finding of eligibility for intervention in 53698
lieu of conviction for an offense unless the refusal is in 53699
accordance with section 9.79 of the Revised Code. 53700

(D) Disciplinary actions taken by the board under divisions 53701
(A) and (B) of this section shall be taken pursuant to an 53702
adjudication under Chapter 119. of the Revised Code, except that 53703
in lieu of an adjudication, the board may enter into a consent 53704
agreement with an anesthesiologist assistant or applicant to 53705
resolve an allegation of a violation of this chapter or any rule 53706
adopted under it. A consent agreement, when ratified by an 53707
affirmative vote of not fewer than six members of the board, shall 53708
constitute the findings and order of the board with respect to the 53709
matter addressed in the agreement. If the board refuses to ratify 53710
a consent agreement, the admissions and findings contained in the 53711
consent agreement shall be of no force or effect. 53712

(E) For purposes of divisions (B)(11), (14), and (15) of this 53713
section, the commission of the act may be established by a finding 53714
by the board, pursuant to an adjudication under Chapter 119. of 53715
the Revised Code, that the applicant or license holder committed 53716
the act in question. The board shall have no jurisdiction under 53717
these divisions in cases where the trial court renders a final 53718
judgment in the license holder's favor and that judgment is based 53719
upon an adjudication on the merits. The board shall have 53720
jurisdiction under these divisions in cases where the trial court 53721
issues an order of dismissal on technical or procedural grounds. 53722

(F) The sealing of conviction records by any court shall have 53723
no effect on a prior board order entered under the provisions of 53724
this section or on the board's jurisdiction to take action under 53725
the provisions of this section if, based upon a plea of guilty, a 53726

judicial finding of guilt, or a judicial finding of eligibility 53727
for intervention in lieu of conviction, the board issued a notice 53728
of opportunity for a hearing prior to the court's order to seal 53729
the records. The board shall not be required to seal, destroy, 53730
redact, or otherwise modify its records to reflect the court's 53731
sealing of conviction records. 53732

(G) For purposes of this division, any individual who holds a 53733
license to practice issued under this chapter, or applies for a 53734
license to practice, shall be deemed to have given consent to 53735
submit to a mental or physical examination when directed to do so 53736
in writing by the board and to have waived all objections to the 53737
admissibility of testimony or examination reports that constitute 53738
a privileged communication. 53739

(1) In enforcing division (B)(5) of this section, the board, 53740
on a showing of a possible violation, may compel any individual 53741
who holds a license to practice issued under this chapter or who 53742
has applied for a license to practice pursuant to this chapter to 53743
submit to a mental or physical examination, or both. A physical 53744
examination may include an HIV test. The expense of the 53745
examination is the responsibility of the individual compelled to 53746
be examined. Failure to submit to a mental or physical examination 53747
or consent to an HIV test ordered by the board constitutes an 53748
admission of the allegations against the individual unless the 53749
failure is due to circumstances beyond the individual's control, 53750
and a default and final order may be entered without the taking of 53751
testimony or presentation of evidence. If the board finds an 53752
anesthesiologist assistant unable to practice because of the 53753
reasons set forth in division (B)(5) of this section, the board 53754
shall require the anesthesiologist assistant to submit to care, 53755
counseling, or treatment by physicians approved or designated by 53756
the board, as a condition for an initial, continued, reinstated, 53757
or renewed license to practice. An individual affected by this 53758

division shall be afforded an opportunity to demonstrate to the 53759
board the ability to resume practicing in compliance with 53760
acceptable and prevailing standards of care. 53761

(2) For purposes of division (B)(6) of this section, if the 53762
board has reason to believe that any individual who holds a 53763
license to practice issued under this chapter or any applicant for 53764
a license to practice suffers such impairment, the board may 53765
compel the individual to submit to a mental or physical 53766
examination, or both. The expense of the examination is the 53767
responsibility of the individual compelled to be examined. Any 53768
mental or physical examination required under this division shall 53769
be undertaken by a treatment provider or physician qualified to 53770
conduct such examination and chosen by the board. 53771

Failure to submit to a mental or physical examination ordered 53772
by the board constitutes an admission of the allegations against 53773
the individual unless the failure is due to circumstances beyond 53774
the individual's control, and a default and final order may be 53775
entered without the taking of testimony or presentation of 53776
evidence. If the board determines that the individual's ability to 53777
practice is impaired, the board shall suspend the individual's 53778
license or deny the individual's application and shall require the 53779
individual, as a condition for an initial, continued, reinstated, 53780
or renewed license to practice, to submit to treatment. 53781

Before being eligible to apply for reinstatement of a license 53782
suspended under this division, the anesthesiologist assistant 53783
shall demonstrate to the board the ability to resume practice in 53784
compliance with acceptable and prevailing standards of care. The 53785
demonstration shall include the following: 53786

(a) Certification from a treatment provider approved under 53787
section 4731.25 of the Revised Code that the individual has 53788
successfully completed any required inpatient treatment; 53789

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement; 53790
53791

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination. 53792
53793
53794
53795
53796
53797

The board may reinstate a license suspended under this division after such demonstration and after the individual has entered into a written consent agreement. 53798
53799
53800

When the impaired anesthesiologist assistant resumes practice, the board shall require continued monitoring of the anesthesiologist assistant. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, on termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the anesthesiologist assistant has maintained sobriety. 53801
53802
53803
53804
53805
53806
53807
53808
53809
53810

(H) If the secretary and supervising member determine that there is clear and convincing evidence that an anesthesiologist assistant has violated division (B) of this section and that the individual's continued practice presents a danger of immediate and serious harm to the public, they may recommend that the board suspend the individual's license without a prior hearing. Written allegations shall be prepared for consideration by the board. 53811
53812
53813
53814
53815
53816
53817

The board, on review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license without a prior 53818
53819
53820

hearing. A telephone conference call may be utilized for reviewing 53821
the allegations and taking the vote on the summary suspension. 53822

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 53823
~~certified mail or in person~~ in accordance with ~~section~~ sections 53824
119.05 and 119.07 of the Revised Code. The order shall not be 53825
subject to suspension by the court during pendency of any appeal 53826
filed under section 119.12 of the Revised Code. If the 53827
anesthesiologist assistant requests an adjudicatory hearing by the 53828
board, notwithstanding the time within which a hearing must be 53829
held under section 119.07 of the Revised Code, the date set for 53830
the hearing shall be within fifteen days, but not earlier than 53831
seven days, after the anesthesiologist assistant requests the 53832
hearing, unless otherwise agreed to by both the board and the 53833
license holder. 53834

A summary suspension imposed under this division shall remain 53835
in effect, unless reversed on appeal, until a final adjudicative 53836
order issued by the board pursuant to this section and Chapter 53837
119. of the Revised Code becomes effective. The board shall issue 53838
its final adjudicative order within sixty days after completion of 53839
its hearing. Failure to issue the order within sixty days shall 53840
result in dissolution of the summary suspension order, but shall 53841
not invalidate any subsequent, final adjudicative order. 53842

(I) If the board takes action under division (B)(11), (13), 53843
or (14) of this section, and the judicial finding of guilt, guilty 53844
plea, or judicial finding of eligibility for intervention in lieu 53845
of conviction is overturned on appeal, on exhaustion of the 53846
criminal appeal, a petition for reconsideration of the order may 53847
be filed with the board along with appropriate court documents. On 53848
receipt of a petition and supporting court documents, the board 53849
shall reinstate the license to practice. The board may then hold 53850
an adjudication under Chapter 119. of the Revised Code to 53851
determine whether the individual committed the act in question. 53852

Notice of opportunity for hearing shall be given in accordance 53853
with Chapter 119. of the Revised Code. If the board finds, 53854
pursuant to an adjudication held under this division, that the 53855
individual committed the act, or if no hearing is requested, it 53856
may order any of the sanctions specified in division (B) of this 53857
section. 53858

(J) The license to practice of an anesthesiologist assistant 53859
and the assistant's practice in this state are automatically 53860
suspended as of the date the anesthesiologist assistant pleads 53861
guilty to, is found by a judge or jury to be guilty of, or is 53862
subject to a judicial finding of eligibility for intervention in 53863
lieu of conviction in this state or treatment of intervention in 53864
lieu of conviction in another jurisdiction for any of the 53865
following criminal offenses in this state or a substantially 53866
equivalent criminal offense in another jurisdiction: aggravated 53867
murder, murder, voluntary manslaughter, felonious assault, 53868
kidnapping, rape, sexual battery, gross sexual imposition, 53869
aggravated arson, aggravated robbery, or aggravated burglary. 53870
Continued practice after the suspension shall be considered 53871
practicing without a license. 53872

The board shall ~~notify~~ serve the individual subject to the 53873
suspension ~~by certified mail or in person~~ in accordance with 53874
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 53875
individual whose license is suspended under this division fails to 53876
make a timely request for an adjudication under Chapter 119. of 53877
the Revised Code, the board shall enter a final order permanently 53878
revoking the individual's license to practice. 53879

(K) In any instance in which the board is required by Chapter 53880
119. of the Revised Code to give notice of opportunity for hearing 53881
and the individual subject to the notice does not timely request a 53882
hearing in accordance with section 119.07 of the Revised Code, the 53883
board is not required to hold a hearing, but may adopt, by an 53884

affirmative vote of not fewer than six of its members, a final 53885
order that contains the board's findings. In the final order, the 53886
board may order any of the sanctions identified under division (A) 53887
or (B) of this section. 53888

(L) Any action taken by the board under division (B) of this 53889
section resulting in a suspension shall be accompanied by a 53890
written statement of the conditions under which the 53891
anesthesiologist assistant's license may be reinstated. The board 53892
shall adopt rules in accordance with Chapter 119. of the Revised 53893
Code governing conditions to be imposed for reinstatement. 53894
Reinstatement of a license suspended pursuant to division (B) of 53895
this section requires an affirmative vote of not fewer than six 53896
members of the board. 53897

(M) When the board refuses to grant or issue a license to 53898
practice as an anesthesiologist assistant to an applicant, revokes 53899
an individual's license, refuses to renew an individual's license, 53900
or refuses to reinstate an individual's license, the board may 53901
specify that its action is permanent. An individual subject to a 53902
permanent action taken by the board is forever thereafter 53903
ineligible to hold a license to practice as an anesthesiologist 53904
assistant and the board shall not accept an application for 53905
reinstatement of the license or for issuance of a new license. 53906

(N) Notwithstanding any other provision of the Revised Code, 53907
all of the following apply: 53908

(1) The surrender of a license to practice issued under this 53909
chapter is not effective unless or until accepted by the board. 53910
Reinstatement of a license surrendered to the board requires an 53911
affirmative vote of not fewer than six members of the board. 53912

(2) An application made under this chapter for a license to 53913
practice may not be withdrawn without approval of the board. 53914

(3) Failure by an individual to renew a license to practice 53915

in accordance with section 4760.06 of the Revised Code shall not 53916
remove or limit the board's jurisdiction to take disciplinary 53917
action under this section against the individual. 53918

Sec. 4761.09. (A) The state medical board, by an affirmative 53919
vote of not fewer than six members, shall, except as provided in 53920
division (B) of this section, and to the extent permitted by law, 53921
limit, revoke, or suspend an individual's license or limited 53922
permit, refuse to issue a license or limited permit to an 53923
individual, refuse to renew a license or limited permit, refuse to 53924
reinstate a license or limited permit, or reprimand or place on 53925
probation the holder of a license or limited permit for one or 53926
more of the following reasons: 53927

(1) A plea of guilty to, a judicial finding of guilt of, or a 53928
judicial finding of eligibility for intervention in lieu of 53929
conviction for, a felony; 53930

(2) Commission of an act that constitutes a felony in this 53931
state, regardless of the jurisdiction in which the act was 53932
committed; 53933

(3) A plea of guilty to, a judicial finding of guilt of, or a 53934
judicial finding of eligibility for intervention in lieu of 53935
conviction for, a misdemeanor committed in the course of practice; 53936

(4) Commission of an act in the course of practice that 53937
constitutes a misdemeanor in this state, regardless of the 53938
jurisdiction in which the act was committed; 53939

(5) A plea of guilty to, a judicial finding of guilt of, or a 53940
judicial finding of eligibility for intervention in lieu of 53941
conviction for, a misdemeanor involving moral turpitude; 53942

(6) Commission of an act involving moral turpitude that 53943
constitutes a misdemeanor in this state, regardless of the 53944
jurisdiction in which the act was committed; 53945

(7) Except when civil penalties are imposed under section 53946
4761.091 of the Revised Code, violating or attempting to violate, 53947
directly or indirectly, or assisting in or abetting the violation 53948
of, or conspiring to violate, any provision of this chapter or the 53949
rules adopted by the board; 53950

(8) Making a false, fraudulent, deceptive, or misleading 53951
statement in the solicitation of or advertising for patients; in 53952
relation to the practice of respiratory care; or in securing or 53953
attempting to secure any license or permit issued by the board 53954
under this chapter. 53955

As used in division (A)(8) of this section, "false, 53956
fraudulent, deceptive, or misleading statement" means a statement 53957
that includes a misrepresentation of fact, is likely to mislead or 53958
deceive because of a failure to disclose material facts, is 53959
intended or is likely to create false or unjustified expectations 53960
of favorable results, or includes representations or implications 53961
that in reasonable probability will cause an ordinarily prudent 53962
person to misunderstand or be deceived. 53963

(9) Committing fraud during the administration of the 53964
examination for a license to practice or committing fraud, 53965
misrepresentation, or deception in applying for, renewing, or 53966
securing any license or permit issued by the board; 53967

(10) A departure from, or failure to conform to, minimal 53968
standards of care of similar practitioners under the same or 53969
similar circumstances, whether or not actual injury to a patient 53970
is established; 53971

(11) Violating the standards of ethical conduct adopted by 53972
the board, in the practice of respiratory care; 53973

(12) The obtaining of, or attempting to obtain, money or 53974
anything of value by fraudulent misrepresentations in the course 53975
of practice; 53976

(13) Violation of the conditions of limitation placed by the board upon a license or permit;	53977 53978
(14) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely affects cognitive, motor, or perceptive skills;	53979 53980 53981 53982
(15) Any of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;	53983 53984 53985 53986 53987 53988 53989 53990 53991
(16) The revocation, suspension, restriction, reduction, or termination of practice privileges by the United States department of defense or department of veterans affairs;	53992 53993 53994
(17) Termination or suspension from participation in the medicare or medicaid programs by the department of health and human services or other responsible agency for any act or acts that also would constitute a violation of division (A)(10), (12), or (14) of this section;	53995 53996 53997 53998 53999
(18) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice;	54000 54001 54002 54003
(19) Failure to cooperate in an investigation conducted by the board under division (E) of section 4761.03 of the Revised Code, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented	54004 54005 54006 54007

by the board in an investigative interview, an investigative 54008
office conference, at a deposition, or in written interrogatories, 54009
except that failure to cooperate with an investigation shall not 54010
constitute grounds for discipline under this section if a court of 54011
competent jurisdiction has issued an order that either quashes a 54012
subpoena or permits the individual to withhold the testimony or 54013
evidence in issue; 54014

(20) Practicing in an area of respiratory care for which the 54015
person is clearly untrained or incompetent or practicing in a 54016
manner that conflicts with section 4761.17 of the Revised Code; 54017

(21) Employing, directing, or supervising a person who is not 54018
authorized to practice respiratory care under this chapter in the 54019
performance of respiratory care procedures; 54020

(22) Misrepresenting educational attainments or authorized 54021
functions for the purpose of obtaining some benefit related to the 54022
practice of respiratory care; 54023

(23) Assisting suicide as defined in section 3795.01 of the 54024
Revised Code; 54025

(24) Representing, with the purpose of obtaining compensation 54026
or other advantage as personal gain or for any other person, that 54027
an incurable disease or injury, or other incurable condition, can 54028
be permanently cured. 54029

Disciplinary actions taken by the board under division (A) of 54030
this section shall be taken pursuant to an adjudication under 54031
Chapter 119. of the Revised Code, except that in lieu of an 54032
adjudication, the board may enter into a consent agreement with an 54033
individual to resolve an allegation of a violation of this chapter 54034
or any rule adopted under it. A consent agreement, when ratified 54035
by an affirmative vote of not fewer than six members of the board, 54036
shall constitute the findings and order of the board with respect 54037
to the matter addressed in the agreement. If the board refuses to 54038

ratify a consent agreement, the admissions and findings contained 54039
in the consent agreement shall be of no effect. 54040

A telephone conference call may be utilized for ratification 54041
of a consent agreement that revokes or suspends an individual's 54042
license or permit. The telephone conference call shall be 54043
considered a special meeting under division (F) of section 121.22 54044
of the Revised Code. 54045

(B) The board shall not refuse to issue a license or limited 54046
permit to an applicant because of a plea of guilty to, a judicial 54047
finding of guilt of, or a judicial finding of eligibility for 54048
intervention in lieu of conviction for an offense unless the 54049
refusal is in accordance with section 9.79 of the Revised Code. 54050

(C) Any action taken by the board under division (A) of this 54051
section resulting in a suspension from practice shall be 54052
accompanied by a written statement of the conditions under which 54053
the individual's license or permit may be reinstated. The board 54054
shall adopt rules governing conditions to be imposed for 54055
reinstatement. Reinstatement of a license or permit suspended 54056
pursuant to division (A) of this section requires an affirmative 54057
vote of not fewer than six members of the board. 54058

(D) When the board refuses to grant or issue a license or 54059
permit to an applicant, revokes an individual's license or permit, 54060
refuses to renew an individual's license or permit, or refuses to 54061
reinstatement an individual's license or permit, the board may specify 54062
that its action is permanent. An individual subject to a permanent 54063
action taken by the board is forever thereafter ineligible to hold 54064
a license or permit and the board shall not accept an application 54065
for reinstatement of the license or permit or for issuance of a 54066
new license or permit. 54067

(E) If the board is required by Chapter 119. of the Revised 54068
Code to give notice of an opportunity for a hearing and if the 54069

individual subject to the notice does not timely request a hearing 54070
in accordance with section 119.07 of the Revised Code, the board 54071
is not required to hold a hearing, but may adopt, by an 54072
affirmative vote of not fewer than six of its members, a final 54073
order that contains the board's findings. In the final order, the 54074
board may order any of the sanctions identified under division (A) 54075
of this section. 54076

(F) In enforcing division (A)(14) of this section, the board, 54077
upon a showing of a possible violation, may compel any individual 54078
authorized to practice by this chapter or who has submitted an 54079
application pursuant to this chapter to submit to a mental 54080
examination, physical examination, including an HIV test, or both 54081
a mental and a physical examination. The expense of the 54082
examination is the responsibility of the individual compelled to 54083
be examined. Failure to submit to a mental or physical examination 54084
or consent to an HIV test ordered by the board constitutes an 54085
admission of the allegations against the individual unless the 54086
failure is due to circumstances beyond the individual's control, 54087
and a default and final order may be entered without the taking of 54088
testimony or presentation of evidence. If the board finds an 54089
individual unable to practice because of the reasons set forth in 54090
division (A)(14) of this section, the board shall require the 54091
individual to submit to care, counseling, or treatment by 54092
physicians approved or designated by the board, as a condition for 54093
initial, continued, reinstated, or renewed authority to practice. 54094
An individual affected under this division shall be afforded an 54095
opportunity to demonstrate to the board the ability to resume 54096
practice in compliance with acceptable and prevailing standards 54097
under the provisions of the individual's license or permit. For 54098
the purpose of division (A)(14) of this section, any individual 54099
who applies for or receives a license or permit to practice under 54100
this chapter accepts the privilege of practicing in this state 54101
and, by so doing, shall be deemed to have given consent to submit 54102

to a mental or physical examination when directed to do so in 54103
writing by the board, and to have waived all objections to the 54104
admissibility of testimony or examination reports that constitute 54105
a privileged communication. 54106

(G) For the purposes of division (A)(18) of this section, any 54107
individual authorized to practice by this chapter accepts the 54108
privilege of practicing in this state subject to supervision by 54109
the board. By filing an application for or holding a license or 54110
permit under this chapter, an individual shall be deemed to have 54111
given consent to submit to a mental or physical examination when 54112
ordered to do so by the board in writing, and to have waived all 54113
objections to the admissibility of testimony or examination 54114
reports that constitute privileged communications. 54115

If it has reason to believe that any individual authorized to 54116
practice by this chapter or any applicant for a license or permit 54117
suffers such impairment, the board may compel the individual to 54118
submit to a mental or physical examination, or both. The expense 54119
of the examination is the responsibility of the individual 54120
compelled to be examined. Any mental or physical examination 54121
required under this division shall be undertaken by a treatment 54122
provider or physician who is qualified to conduct the examination 54123
and who is chosen by the board. 54124

Failure to submit to a mental or physical examination ordered 54125
by the board constitutes an admission of the allegations against 54126
the individual unless the failure is due to circumstances beyond 54127
the individual's control, and a default and final order may be 54128
entered without the taking of testimony or presentation of 54129
evidence. If the board determines that the individual's ability to 54130
practice is impaired, the board shall suspend the individual's 54131
license or permit or deny the individual's application and shall 54132
require the individual, as a condition for an initial, continued, 54133
reinstated, or renewed license or permit, to submit to treatment. 54134

Before being eligible to apply for reinstatement of a license 54135
or permit suspended under this division, the impaired practitioner 54136
shall demonstrate to the board the ability to resume practice in 54137
compliance with acceptable and prevailing standards of care under 54138
the provisions of the practitioner's license or permit. The 54139
demonstration shall include, but shall not be limited to, the 54140
following: 54141

(1) Certification from a treatment provider approved under 54142
section 4731.25 of the Revised Code that the individual has 54143
successfully completed any required inpatient treatment; 54144

(2) Evidence of continuing full compliance with an aftercare 54145
contract or consent agreement; 54146

(3) Two written reports indicating that the individual's 54147
ability to practice has been assessed and that the individual has 54148
been found capable of practicing according to acceptable and 54149
prevailing standards of care. The reports shall be made by 54150
individuals or providers approved by the board for making the 54151
assessments and shall describe the basis for their determination. 54152

The board may reinstate a license or permit suspended under 54153
this division after that demonstration and after the individual 54154
has entered into a written consent agreement. 54155

When the impaired practitioner resumes practice, the board 54156
shall require continued monitoring of the individual. The 54157
monitoring shall include, but not be limited to, compliance with 54158
the written consent agreement entered into before reinstatement or 54159
with conditions imposed by board order after a hearing, and, upon 54160
termination of the consent agreement, submission to the board for 54161
at least two years of annual written progress reports made under 54162
penalty of perjury stating whether the individual has maintained 54163
sobriety. 54164

(H) If the secretary and supervising member determine both of 54165

the following, they may recommend that the board suspend an 54166
individual's license or permit without a prior hearing: 54167

(1) That there is clear and convincing evidence that an 54168
individual has violated division (A) of this section; 54169

(2) That the individual's continued practice presents a 54170
danger of immediate and serious harm to the public. 54171

Written allegations shall be prepared for consideration by 54172
the board. The board, upon review of those allegations and by an 54173
affirmative vote of not fewer than six of its members, excluding 54174
the secretary and supervising member, may suspend a license or 54175
permit without a prior hearing. A telephone conference call may be 54176
utilized for reviewing the allegations and taking the vote on the 54177
summary suspension. 54178

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 54179
~~certified mail or in person~~ in accordance with ~~section~~ sections 54180
119.05 and 119.07 of the Revised Code. The order shall not be 54181
subject to suspension by the court during pendency of any appeal 54182
filed under section 119.12 of the Revised Code. If the individual 54183
subject to the summary suspension requests an adjudicatory hearing 54184
by the board, notwithstanding the time within which a hearing must 54185
be held under section 119.07 of the Revised Code, the date set for 54186
the hearing shall be within fifteen days, but not earlier than 54187
seven days, after the individual requests the hearing, unless 54188
otherwise agreed to by both the board and the individual. 54189

Any summary suspension imposed under this division shall 54190
remain in effect, unless reversed on appeal, until a final 54191
adjudicative order issued by the board pursuant to this section 54192
and Chapter 119. of the Revised Code becomes effective. The board 54193
shall issue its final adjudicative order within seventy-five days 54194
after completion of its hearing. A failure to issue the order 54195
within seventy-five days shall result in dissolution of the 54196

summary suspension order but shall not invalidate any subsequent, 54197
final adjudicative order. 54198

(I) For purposes of divisions (A)(2), (4), and (6) of this 54199
section, the commission of the act may be established by a finding 54200
by the board, pursuant to an adjudication under Chapter 119. of 54201
the Revised Code, that the individual committed the act. The board 54202
does not have jurisdiction under those divisions if the trial 54203
court renders a final judgment in the individual's favor and that 54204
judgment is based upon an adjudication on the merits. The board 54205
has jurisdiction under those divisions if the trial court issues 54206
an order of dismissal upon technical or procedural grounds. 54207

(J) The sealing of conviction records by any court shall have 54208
no effect upon a prior board order entered under this section or 54209
upon the board's jurisdiction to take action under this section 54210
if, based upon a plea of guilty, a judicial finding of guilt, or a 54211
judicial finding of eligibility for intervention in lieu of 54212
conviction, the board issued a notice of opportunity for a hearing 54213
prior to the court's order to seal the records. The board shall 54214
not be required to seal, destroy, redact, or otherwise modify its 54215
records to reflect the court's sealing of conviction records. 54216

(K) If the board takes action under division (A)(1), (3), or 54217
(5) of this section, and the judicial finding of guilt, guilty 54218
plea, or judicial finding of eligibility for intervention in lieu 54219
of conviction is overturned on appeal, upon exhaustion of the 54220
criminal appeal, a petition for reconsideration of the order may 54221
be filed with the board along with appropriate court documents. 54222
Upon receipt of a petition for reconsideration and supporting 54223
court documents, the board shall reinstate the individual's 54224
license or permit. The board may then hold an adjudication under 54225
Chapter 119. of the Revised Code to determine whether the 54226
individual committed the act in question. Notice of an opportunity 54227
for a hearing shall be given in accordance with Chapter 119. of 54228

the Revised Code. If the board finds, pursuant to an adjudication 54229
held under this division, that the individual committed the act or 54230
if no hearing is requested, the board may order any of the 54231
sanctions identified under division (A) of this section. 54232

(L) The license or permit issued to an individual under this 54233
chapter and the individual's practice in this state are 54234
automatically suspended as of the date the individual pleads 54235
guilty to, is found by a judge or jury to be guilty of, or is 54236
subject to a judicial finding of eligibility for intervention in 54237
lieu of conviction in this state or treatment or intervention in 54238
lieu of conviction in another jurisdiction for any of the 54239
following criminal offenses in this state or a substantially 54240
equivalent criminal offense in another jurisdiction: aggravated 54241
murder, murder, voluntary manslaughter, felonious assault, 54242
kidnapping, rape, sexual battery, gross sexual imposition, 54243
aggravated arson, aggravated robbery, or aggravated burglary. 54244
Continued practice after suspension shall be considered practicing 54245
without a license or permit. 54246

The board shall ~~notify~~ serve the individual subject to the 54247
suspension ~~by certified mail or in person~~ in accordance with 54248
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 54249
individual whose license or permit is automatically suspended 54250
under this division fails to make a timely request for an 54251
adjudication under Chapter 119. of the Revised Code, the board 54252
shall enter a final order permanently revoking the individual's 54253
license or permit. 54254

(M) Notwithstanding any other provision of the Revised Code, 54255
all of the following apply: 54256

(1) The surrender of a license or permit issued under this 54257
chapter shall not be effective unless or until accepted by the 54258
board. A telephone conference call may be utilized for acceptance 54259
of the surrender of an individual's license or permit. The 54260

telephone conference call shall be considered a special meeting 54261
under division (F) of section 121.22 of the Revised Code. 54262
Reinstatement of a license or permit surrendered to the board 54263
requires an affirmative vote of not fewer than six members of the 54264
board. 54265

(2) An application for a license or permit made under the 54266
provisions of this chapter may not be withdrawn without approval 54267
of the board. 54268

(3) Failure by an individual to renew a license or permit in 54269
accordance with this chapter shall not remove or limit the board's 54270
jurisdiction to take any disciplinary action under this section 54271
against the individual. 54272

(4) At the request of the board, a license or permit holder 54273
shall immediately surrender to the board a license or permit that 54274
the board has suspended, revoked, or permanently revoked. 54275

Sec. 4762.13. (A) The state medical board, by an affirmative 54276
vote of not fewer than six members, may revoke or may refuse to 54277
grant a license to practice as an oriental medicine practitioner 54278
or license to practice as an acupuncturist to a person found by 54279
the board to have committed fraud, misrepresentation, or deception 54280
in applying for or securing the license. 54281

(B) The board, by an affirmative vote of not fewer than six 54282
members, shall, except as provided in division (C) of this 54283
section, and to the extent permitted by law, limit, revoke, or 54284
suspend an individual's license to practice, refuse to issue a 54285

(C) The board shall not refuse to issue a certificate to an applicant because of a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(D) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an oriental medicine practitioner or acupuncturist or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

(E) For purposes of divisions (B)(12), (15), and (16) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or license holder committed the act in question. The board shall have no jurisdiction under

these divisions in cases where the trial court renders a final 54415
judgment in the license holder's favor and that judgment is based 54416
upon an adjudication on the merits. The board shall have 54417
jurisdiction under these divisions in cases where the trial court 54418
issues an order of dismissal upon technical or procedural grounds. 54419

(F) The sealing of conviction records by any court shall have 54420
no effect upon a prior board order entered under the provisions of 54421
this section or upon the board's jurisdiction to take action under 54422
the provisions of this section if, based upon a plea of guilty, a 54423
judicial finding of guilt, or a judicial finding of eligibility 54424
for intervention in lieu of conviction, the board issued a notice 54425
of opportunity for a hearing or entered into a consent agreement 54426
prior to the court's order to seal the records. The board shall 54427
not be required to seal, destroy, redact, or otherwise modify its 54428
records to reflect the court's sealing of conviction records. 54429

(G) For purposes of this division, any individual who holds a 54430
license to practice issued under this chapter, or applies for a 54431
license to practice, shall be deemed to have given consent to 54432
submit to a mental or physical examination when directed to do so 54433
in writing by the board and to have waived all objections to the 54434
admissibility of testimony or examination reports that constitute 54435
a privileged communication. 54436

(1) In enforcing division (B)(5) of this section, the board, 54437
upon a showing of a possible violation, may compel any individual 54438
who holds a license to practice issued under this chapter or who 54439
has applied for a license pursuant to this chapter to submit to a 54440
mental examination, physical examination, including an HIV test, 54441
or both a mental and physical examination. The expense of the 54442
examination is the responsibility of the individual compelled to 54443
be examined. Failure to submit to a mental or physical examination 54444
or consent to an HIV test ordered by the board constitutes an 54445
admission of the allegations against the individual unless the 54446

failure is due to circumstances beyond the individual's control, 54447
and a default and final order may be entered without the taking of 54448
testimony or presentation of evidence. If the board finds an 54449
oriental medicine practitioner or acupuncturist unable to practice 54450
because of the reasons set forth in division (B)(5) of this 54451
section, the board shall require the individual to submit to care, 54452
counseling, or treatment by physicians approved or designated by 54453
the board, as a condition for an initial, continued, reinstated, 54454
or renewed license to practice. An individual affected by this 54455
division shall be afforded an opportunity to demonstrate to the 54456
board the ability to resume practicing in compliance with 54457
acceptable and prevailing standards of care. 54458

(2) For purposes of division (B)(6) of this section, if the 54459
board has reason to believe that any individual who holds a 54460
license to practice issued under this chapter or any applicant for 54461
a license suffers such impairment, the board may compel the 54462
individual to submit to a mental or physical examination, or both. 54463
The expense of the examination is the responsibility of the 54464
individual compelled to be examined. Any mental or physical 54465
examination required under this division shall be undertaken by a 54466
treatment provider or physician qualified to conduct such 54467
examination and chosen by the board. 54468

Failure to submit to a mental or physical examination ordered 54469
by the board constitutes an admission of the allegations against 54470
the individual unless the failure is due to circumstances beyond 54471
the individual's control, and a default and final order may be 54472
entered without the taking of testimony or presentation of 54473
evidence. If the board determines that the individual's ability to 54474
practice is impaired, the board shall suspend the individual's 54475
license or deny the individual's application and shall require the 54476
individual, as a condition for an initial, continued, reinstated, 54477
or renewed license, to submit to treatment. 54478

Before being eligible to apply for reinstatement of a license 54479
suspended under this division, the oriental medicine practitioner 54480
or acupuncturist shall demonstrate to the board the ability to 54481
resume practice in compliance with acceptable and prevailing 54482
standards of care. The demonstration shall include the following: 54483

(a) Certification from a treatment provider approved under 54484
section 4731.25 of the Revised Code that the individual has 54485
successfully completed any required inpatient treatment; 54486

(b) Evidence of continuing full compliance with an aftercare 54487
contract or consent agreement; 54488

(c) Two written reports indicating that the individual's 54489
ability to practice has been assessed and that the individual has 54490
been found capable of practicing according to acceptable and 54491
prevailing standards of care. The reports shall be made by 54492
individuals or providers approved by the board for making such 54493
assessments and shall describe the basis for their determination. 54494

The board may reinstate a license suspended under this 54495
division after such demonstration and after the individual has 54496
entered into a written consent agreement. 54497

When the impaired individual resumes practice, the board 54498
shall require continued monitoring of the individual. The 54499
monitoring shall include monitoring of compliance with the written 54500
consent agreement entered into before reinstatement or with 54501
conditions imposed by board order after a hearing, and, upon 54502
termination of the consent agreement, submission to the board for 54503
at least two years of annual written progress reports made under 54504
penalty of falsification stating whether the individual has 54505
maintained sobriety. 54506

(H) If the secretary and supervising member determine both of 54507
the following, they may recommend that the board suspend an 54508
individual's license to practice without a prior hearing: 54509

(1) That there is clear and convincing evidence that an oriental medicine practitioner or acupuncturist has violated division (B) of this section;

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall ~~issue~~ serve a written order of suspension ~~by certified mail or in person~~ in accordance with ~~section~~ sections 119.05 and 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the oriental medicine practitioner or acupuncturist requests an adjudicatory hearing by the board, notwithstanding the time within which a hearing must be held under section 119.07 of the Revised Code, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the hearing is requested, unless otherwise agreed to by both the board and the license holder.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(I) If the board takes action under division (B)(11), (13), 54541
or (14) of this section, and the judicial finding of guilt, guilty 54542
plea, or judicial finding of eligibility for intervention in lieu 54543
of conviction is overturned on appeal, upon exhaustion of the 54544
criminal appeal, a petition for reconsideration of the order may 54545
be filed with the board along with appropriate court documents. 54546
Upon receipt of a petition and supporting court documents, the 54547
board shall reinstate the license. The board may then hold an 54548
adjudication under Chapter 119. of the Revised Code to determine 54549
whether the individual committed the act in question. Notice of 54550
opportunity for hearing shall be given in accordance with Chapter 54551
119. of the Revised Code. If the board finds, pursuant to an 54552
adjudication held under this division, that the individual 54553
committed the act, or if no hearing is requested, it may order any 54554
of the sanctions specified in division (B) of this section. 54555

(J) The license to practice of an oriental medicine 54556
practitioner or acupuncturist and the practitioner's or 54557
acupuncturist's practice in this state are automatically suspended 54558
as of the date the practitioner or acupuncturist pleads guilty to, 54559
is found by a judge or jury to be guilty of, or is subject to a 54560
judicial finding of eligibility for intervention in lieu of 54561
conviction in this state or treatment or intervention in lieu of 54562
conviction in another jurisdiction for any of the following 54563
criminal offenses in this state or a substantially equivalent 54564
criminal offense in another jurisdiction: aggravated murder, 54565
murder, voluntary manslaughter, felonious assault, kidnapping, 54566
rape, sexual battery, gross sexual imposition, aggravated arson, 54567
aggravated robbery, or aggravated burglary. Continued practice 54568
after the suspension shall be considered practicing without a 54569
license. 54570

The board shall ~~notify~~ serve the individual subject to the 54571
suspension ~~by certified mail or in person~~ in accordance with 54572

~~section~~ sections 119.05 and 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license.

(K) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(L) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(M) When the board refuses to grant or issue a license to an applicant, revokes an individual's license, refuses to renew an individual's license, or refuses to reinstate an individual's license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license to practice as an oriental medicine practitioner or license to practice as an acupuncturist and the board shall not accept an application for reinstatement of the license or for issuance of a new license.

(N) Notwithstanding any other provision of the Revised Code,

all of the following apply: 54605

(1) The surrender of a license to practice as an oriental 54606
medicine practitioner or license to practice as an acupuncturist 54607
issued under this chapter is not effective unless or until 54608
accepted by the board. Reinstatement of a license surrendered to 54609
the board requires an affirmative vote of not fewer than six 54610
members of the board. 54611

(2) An application made under this chapter for a license may 54612
not be withdrawn without approval of the board. 54613

(3) Failure by an individual to renew a license in accordance 54614
with section 4762.06 of the Revised Code shall not remove or limit 54615
the board's jurisdiction to take disciplinary action under this 54616
section against the individual. 54617

Sec. 4763.05. (A)(1)(a) A person shall make application for 54618
an initial state-certified general real estate appraiser 54619
certificate, an initial state-certified residential real estate 54620
appraiser certificate, an initial state-licensed residential real 54621
estate appraiser license, or an initial state-registered real 54622
estate appraiser assistant registration in writing to the 54623
superintendent of real estate on a form the superintendent 54624
prescribes. The application shall include the address of the 54625
applicant's principal place of business and all other addresses at 54626
which the applicant currently engages in the business of 54627
performing real estate appraisals and the address of the 54628
applicant's current residence. The superintendent shall retain the 54629
applicant's current residence address in a separate record which 54630
does not constitute a public record for purposes of section 149.43 54631
of the Revised Code. The application shall indicate whether the 54632
applicant seeks certification as a general real estate appraiser 54633
or as a residential real estate appraiser, licensure as a 54634
residential real estate appraiser, or registration as a real 54635

estate appraiser assistant and be accompanied by the prescribed 54636
examination and certification, registration, or licensure fees set 54637
forth in section 4763.09 of the Revised Code. The application also 54638
shall include a pledge, signed by the applicant, that the 54639
applicant will comply with the standards set forth in this 54640
chapter; and a statement that the applicant understands the types 54641
of misconduct for which disciplinary proceedings may be initiated 54642
against the applicant pursuant to this chapter. 54643

(b) Upon the filing of an application and payment of any 54644
examination and certification, registration, or licensure fees, 54645
the superintendent of real estate shall request the superintendent 54646
of the bureau of criminal identification and investigation, or a 54647
vendor approved by the bureau, to conduct a criminal records check 54648
based on the applicant's fingerprints in accordance with section 54649
109.572 of the Revised Code. Notwithstanding division ~~(K)~~(L) of 54650
section 121.08 of the Revised Code, the superintendent of real 54651
estate shall request that criminal record information from the 54652
federal bureau of investigation be obtained as part of the 54653
criminal records check. Any fee required under division (C)(3) of 54654
section 109.572 of the Revised Code shall be paid by the 54655
applicant. 54656

(2) For purposes of providing funding for the real estate 54657
appraiser recovery fund established by section 4763.16 of the 54658
Revised Code, the real estate appraiser board shall levy an 54659
assessment against each person issued an initial certificate, 54660
registration, or license and against current licensees, 54661
registrants, and certificate holders, as required by board rule. 54662
The assessment is in addition to the application and examination 54663
fees for initial applicants required by division (A)(1) of this 54664
section and the renewal fees required for current certificate 54665
holders, registrants, and licensees. The superintendent of real 54666
estate shall deposit the assessment into the state treasury to the 54667

credit of the real estate appraiser recovery fund. The assessment 54668
for initial certificate holders, registrants, and licensees shall 54669
be paid prior to the issuance of a certificate, registration, or 54670
license, and for current certificate holders, registrants, and 54671
licensees, at the time of renewal. 54672

(B) An applicant for an initial general real estate appraiser 54673
certificate, residential real estate appraiser certificate, or 54674
residential real estate appraiser license shall possess experience 54675
in real estate appraisal as the board prescribes by rule. In 54676
addition to any other information required by the board, the 54677
applicant shall furnish, under oath, a detailed listing of the 54678
appraisal reports or file memoranda for each year for which 54679
experience is claimed and, upon request of the superintendent or 54680
the board, shall make available for examination a sample of the 54681
appraisal reports prepared by the applicant in the course of the 54682
applicant's practice. 54683

(C) An applicant for an initial certificate, registration, or 54684
license shall be at least eighteen years of age, honest, and 54685
truthful and shall present satisfactory evidence to the 54686
superintendent that the applicant has successfully completed any 54687
education requirements the board prescribes by rule. 54688

(D) An applicant for an initial general real estate appraiser 54689
or residential real estate appraiser certificate or residential 54690
real estate appraiser license shall take and successfully complete 54691
a written examination in order to qualify for the certificate or 54692
license. 54693

The board shall prescribe the examination requirements by 54694
rule. 54695

(E)(1) A person who has obtained a residential real estate 54696
appraiser license, a residential real estate appraiser 54697
certificate, or a general real estate appraiser certificate from 54698

another state may apply to obtain a license or certificate issued 54699
under this chapter provided the state that issued the license or 54700
certificate has requirements that meet or exceed the requirements 54701
found in this chapter. The board shall adopt rules relating to 54702
this division. The application for obtaining a license or 54703
certificate under this division may include any of the following: 54704

(a) A pledge, signed by the applicant, that the applicant 54705
will comply with the standards set forth in this chapter; 54706

(b) A statement that the applicant understands the types of 54707
misconduct for which disciplinary proceedings may be initiated 54708
against the applicant pursuant to this chapter; 54709

(c) A consent to service of process. 54710

(2)(a) The board shall recognize on a temporary basis a 54711
certification or license issued in another state and shall 54712
register on a temporary basis an appraiser who is certified or 54713
licensed in another state if all of the following apply: 54714

(i) The temporary registration is to perform an appraisal 54715
assignment that is part of a federally related transaction. 54716

(ii) The appraiser's business in this state is of a temporary 54717
nature. 54718

(iii) The appraiser registers with the board pursuant to this 54719
division. 54720

(b) An appraiser who is certified or licensed in another 54721
state shall register with the board for temporary practice before 54722
performing an appraisal assignment in this state in connection 54723
with a federally related transaction. 54724

(c) The board shall adopt rules relating to registration for 54725
the temporary recognition of certification and licensure of 54726
appraisers from another state. The registration for temporary 54727
recognition of certified or licensed appraisers from another state 54728

shall not authorize completion of more than one appraisal 54729
assignment in this state. The board shall not issue more than two 54730
registrations for temporary practice to any one applicant in any 54731
calendar year. The application for obtaining a registration under 54732
this division may include any of the following: 54733

(i) A pledge, signed by the applicant, that the applicant 54734
will comply with the standards set forth in this chapter; 54735

(ii) A statement that the applicant understands the types of 54736
misconduct for which disciplinary proceedings may be initiated 54737
against the applicant pursuant to this chapter; 54738

(iii) A consent to service of process. 54739

(3) The board may enter into reciprocal agreements with other 54740
states. The board shall prescribe reciprocal agreement 54741
requirements by rule. 54742

(F) The superintendent shall not issue a certificate, 54743
registration, or license to, or recognize on a temporary basis an 54744
appraiser from another state that is a corporation, partnership, 54745
or association. This prohibition shall not be construed to prevent 54746
a certificate holder or licensee from signing an appraisal report 54747
on behalf of a corporation, partnership, or association. 54748

(G) Every person licensed, registered, or certified under 54749
this chapter shall notify the superintendent, on a form provided 54750
by the superintendent, of a change in the address of the 54751
licensee's, registrant's, or certificate holder's principal place 54752
of business or residence within thirty days of the change. If a 54753
licensee's, registrant's, or certificate holder's license, 54754
registration, or certificate is revoked or not renewed, the 54755
licensee, registrant, or certificate holder immediately shall 54756
return the annual and any renewal certificate, registration, or 54757
license to the superintendent. 54758

(H)(1) The superintendent shall not issue a certificate, 54759

registration, or license to any person, or recognize on a 54760
temporary basis an appraiser from another state, who does not meet 54761
applicable minimum criteria for state certification, registration, 54762
or licensure prescribed by federal law or rule. 54763

(2) The superintendent shall not refuse to issue a general 54764
real estate appraiser certificate, residential real estate 54765
appraiser certificate, residential real estate appraiser license, 54766
or real estate appraiser assistant registration to any person 54767
because of a conviction of or plea of guilty to any criminal 54768
offense unless the refusal is in accordance with section 9.79 of 54769
the Revised Code. 54770

Sec. 4763.11. (A) Within ten business days after a person 54771
files a written complaint against a person certified, registered, 54772
or licensed under this chapter with the division of real estate, 54773
the superintendent of real estate shall acknowledge receipt of the 54774
complaint by sending notice to the certificate holder, registrant, 54775
or licensee that includes a copy of the complaint. The 54776
acknowledgement to the complainant and the notice to the 54777
certificate holder, registrant, or licensee may state that an 54778
informal mediation meeting will be held with the complainant, the 54779
certificate holder, registrant, or licensee, and an investigator 54780
from the investigation and audit section of the division, if the 54781
complainant and certificate holder, registrant, or licensee both 54782
file a request for such a meeting within twenty calendar days 54783
after the acknowledgment and notice are mailed. 54784

(B) If the complainant and certificate holder, registrant, or 54785
licensee both file with the division requests for an informal 54786
mediation meeting, the superintendent shall notify the complainant 54787
and certificate holder, registrant, or licensee of the date of the 54788
meeting, by regular mail. If the complainant and certificate 54789
holder, registrant, or licensee reach an accommodation at an 54790

informal mediation meeting, the investigator shall report the 54791
accommodation to the superintendent, the complainant, and the 54792
certificate holder, registrant, or licensee and the complaint file 54793
shall be closed upon the superintendent receiving satisfactory 54794
notice that the accommodation has been fulfilled. 54795

(C) If the complainant and certificate holder, registrant, or 54796
licensee fail to agree to an informal mediation meeting or fail to 54797
reach an accommodation agreement, or fail to fulfill an 54798
accommodation agreement, the superintendent shall assign the 54799
complaint to an investigator for an investigation into the conduct 54800
of the certificate holder, registrant, or licensee against whom 54801
the complaint is filed. 54802

(D) Upon the conclusion of the investigation, the 54803
investigator shall file a written report of the results of the 54804
investigation with the superintendent. The superintendent shall 54805
review the report and determine whether there exists reasonable 54806
and substantial evidence of a violation of division (G) of this 54807
section by the certificate holder, registrant, or licensee. 54808

(1) If the superintendent finds evidence exists showing a 54809
violation of division (G) of this section by a certificate holder, 54810
registrant, or licensee, the superintendent shall notify the 54811
complainant and certificate holder, registrant, or licensee of the 54812
determination. The certificate holder, registrant, or licensee may 54813
enter into a settlement agreement with the superintendent. The 54814
settlement agreement is subject to board approval, and the board 54815
shall prescribe requirements by rule for such settlement 54816
agreements. The certificate holder, registrant, or licensee may 54817
request a hearing pursuant to Chapter 119. of the Revised Code. If 54818
a formal hearing is conducted, the hearing examiner shall file a 54819
report that contains findings of fact and conclusions of law with 54820
the division hearing administrator. The division hearing 54821
administrator shall serve the hearing examiner report on the 54822

superintendent, the assistant attorney general representing the 54823
superintendent in the matter, the board, the complainant and the 54824
certificate holder, licensee, or registrant, and if applicable, 54825
counsel representing the complainant, certificate holder, 54826
licensee, or registrant. Service of the hearing examiner report on 54827
the complainant and on the certificate holder, licensee, or 54828
registrant shall comply with division (K) of this section. Service 54829
of the hearing examiner's report on the superintendent, the 54830
assistant attorney general representing the superintendent in the 54831
matter, and the board shall be by either regular mail or 54832
electronic means. Service of the hearing examiner report on 54833
counsel representing the complainant, certificate holder, 54834
licensee, or registrant shall be by regular mail. 54835

Within ten calendar days of receipt by the assistant attorney 54836
general representing the superintendent of the copy of the hearing 54837
examiner's report served by the division hearing administrator, 54838
the assistant attorney general may file with the board written 54839
objections to the hearing examiner's report, which shall be 54840
considered by the board before approving, modifying, or rejecting 54841
the hearing examiner's report. Within ten calendar days of receipt 54842
by the certificate holder, licensee, or registrant of the copy of 54843
the hearing examiner's report served by the division hearing 54844
administrator, the certificate holder, licensee, or registrant may 54845
file with the board written objections to the hearing examiner's 54846
report, which shall be considered by the board before approving, 54847
modifying, or rejecting the hearing examiner's report. Within ten 54848
calendar days of receipt by the superintendent of the copy of the 54849
hearing examiner's report served by the division hearing 54850
administrator, the superintendent may grant an extension of time 54851
to file written objections to the hearing examiner's report for 54852
good cause shown. 54853

(2) If the superintendent finds, following the conclusion of 54854

the investigation, that evidence does not exist showing a 54855
violation of division (G) of this section by the certificate 54856
holder, registrant, or licensee, the superintendent shall notify 54857
the complainant and certificate holder, registrant, or licensee of 54858
that determination and the basis for the determination. Within 54859
fifteen business days after the superintendent notifies the 54860
complainant and certificate holder, registrant, or licensee that 54861
such evidence does not exist, the complainant may file with the 54862
division a request that the real estate appraiser board review the 54863
determination. If the complainant files such request, the board 54864
shall review the determination at the next regularly scheduled 54865
meeting held at least fifteen business days after the request is 54866
filed but no longer than six months after the request is filed. 54867
The board may hear the testimony of the complainant, certificate 54868
holder, registrant, or licensee at the meeting upon the request of 54869
that party. If the board affirms the determination of the 54870
superintendent, the superintendent shall notify the complainant 54871
and the certificate holder, registrant, or licensee within five 54872
business days thereafter. If the board reverses the determination 54873
of the superintendent, the matter shall be returned to the 54874
superintendent for additional investigation or review. 54875

(E) The board shall review the hearing examiner's report and 54876
the evidence at the next regularly scheduled board meeting held at 54877
least fifteen business days after receipt of the examiner's 54878
report. The board may hear the testimony of the complainant, 54879
certificate holder, registrant, or licensee upon request. If the 54880
complainant is the Ohio civil rights commission, the board shall 54881
review the complaint. 54882

(F) If the board determines that a licensee, registrant, or 54883
certificate holder has violated this chapter for which 54884
disciplinary action may be taken under division (G) of this 54885
section, after review of the hearing examiner's report and the 54886

evidence as provided in division (E) of this section, or after 54887
review of a settlement agreement entered into pursuant to division 54888
(D)(1) of this section, the board shall order the disciplinary 54889
action the board considers appropriate, which may include, but is 54890
not limited to, any of the following: 54891

(1) Reprimand of the certificate holder, registrant, or 54892
licensee; 54893

(2) Imposition of a fine, not exceeding, two thousand five 54894
hundred dollars per violation; 54895

(3) Requirement of the completion of additional education 54896
courses. Any course work imposed pursuant to this section shall 54897
not count toward continuing education requirements or prelicense 54898
or precertification requirements set forth in section 4763.05 of 54899
the Revised Code. 54900

(4) Suspension of the certificate, registration, or license 54901
for a specific period of time; 54902

(5) Revocation or surrender of the certificate, registration, 54903
or license. 54904

The decision and order of the board is final, except that 54905
following the review of the hearing examiner report and the 54906
evidence as provided in division (E) of this section, the decision 54907
and order of the board is subject to review in the manner provided 54908
for in Chapter 119. of the Revised Code and appeal to any court of 54909
common pleas. If the board orders a disciplinary action as 54910
provided in division (F)(2) or (3) of this section, the 54911
superintendent may grant an extension of time to satisfy the 54912
board-ordered disciplinary action for good cause shown. 54913

(G) The board shall take any disciplinary action authorized 54914
by this section against a certificate holder, registrant, or 54915
licensee or an applicant who obtains a certificate, registration, 54916
or license pursuant to this chapter who is found to have committed 54917

any of the following acts, omissions, or violations: 54918

(1) As an applicant, procuring or attempting to procure a 54919
certificate, registration, or license pursuant to section 4763.05, 54920
4763.06, or 4763.07 of the Revised Code by knowingly making a 54921
false statement, submitting false information, refusing to provide 54922
complete information in response to a question in an application 54923
for certification, registration, or licensure, or by any means of 54924
fraud or misrepresentation; 54925

(2) Paying, or attempting to pay, anything of value, other 54926
than the fees or assessments required by this chapter, to any 54927
member or employee of the board for the purpose of procuring a 54928
certificate, registration, or license; 54929

(3) In a criminal proceeding, being convicted of or pleading 54930
guilty or no contest to a felony; a crime involving moral 54931
turpitude; or a crime involving theft, receiving stolen property, 54932
embezzlement, forgery, fraud, passing bad checks, money 54933
laundering, drug trafficking, or any criminal offense involving 54934
money or securities, including a violation of an existing or 54935
former law of this state, any other state, or the United States 54936
that is substantially equivalent to such an offense; 54937

(4) Dishonesty, fraud, or misrepresentation, with the intent 54938
to either benefit the certificate holder, registrant, or licensee 54939
or another person or injure another person; 54940

(5) Violation of any of the standards for the development, 54941
preparation, communication, or reporting of an appraisal report 54942
set forth in this chapter and rules of the board; 54943

(6) Failure or refusal to exercise reasonable diligence in 54944
developing, preparing, or communicating an appraisal report; 54945

(7) Negligence or incompetence in developing, preparing, 54946
communicating, or reporting an appraisal report; 54947

- (8) Violating this chapter or the rules adopted thereunder; 54948
- (9) Accepting an appraisal assignment where the employment is 54949
contingent upon the appraiser preparing or reporting a 54950
predetermined estimate, analysis, or opinion, or where the fee to 54951
be paid for the appraisal is contingent upon the opinion, 54952
conclusion, or valuation attained or upon the consequences 54953
resulting from the appraisal assignment; 54954
- (10) Violating the confidential nature of governmental 54955
records to which the certificate holder, registrant, or licensee 54956
gained access through employment or engagement as an appraiser by 54957
a governmental agency; 54958
- (11) Entry of final judgment against the certificate holder, 54959
registrant, or licensee on the grounds of fraud, deceit, 54960
misrepresentation, or gross negligence in performing any appraisal 54961
of real estate; 54962
- (12) Violating any federal or state civil rights law; 54963
- (13) Having published advertising, whether printed, radio, 54964
display, or of any other nature, which was misleading or 54965
inaccurate in any material particular, or in any way having 54966
misrepresented any appraisal or specialized service; 54967
- (14) Failing to provide copies of records to the 54968
superintendent or failing to maintain records as required by 54969
section 4763.14 of the Revised Code. Failure of a certificate 54970
holder, licensee, or registrant to comply with a subpoena issued 54971
under division (C)(1) of section 4763.03 of the Revised Code is 54972
prima-facie evidence of a violation of division (G)(14) of section 54973
4763.11 of the Revised Code. 54974
- (15) Failing to provide notice to the board as required in 54975
division (I) of this section; 54976
- (16) In the case of a certificate holder acting as a 54977

supervisory appraiser, refusing to sign an appraiser experience log required by rule for a person making application for an initial state-certified general real estate appraiser certificate, state-certified residential real estate appraiser certificate, or state-licensed residential real estate appraiser license, unless there is reasonable and substantial evidence that there is false information contained within the log;

(17) Being sanctioned or disciplined in another jurisdiction as a real estate appraiser;

(18) Failing to provide assistance, whenever possible, to the members and staff of the board or to the division of real estate in the enforcement of this chapter and the rules adopted under it.

(H) The board immediately shall notify the superintendent of real estate of any disciplinary action taken under this section against a certificate holder, registrant, or licensee who also is licensed under Chapter 4735. of the Revised Code, and also shall notify any other federal, state, or local agency and any other public or private association that the board determines is responsible for licensing or otherwise regulating the professional or business activity of the appraiser. Additionally, the board shall notify the complainant and any other party who may have suffered financial loss because of the certificate holder's, registrant's, or licensee's violations, that the complainant or other party may sue for recovery under section 4763.16 of the Revised Code. The notice provided under this division shall specify the conduct for which the certificate holder, registrant, or licensee was disciplined and the disciplinary action taken by the board and the result of that conduct.

(I) A certificate holder, registrant, or licensee shall notify the board within fifteen days of the agency's issuance of an order revoking or permanently surrendering any professional license, certificate, or registration by any public entity other

than the division of real estate. A certificate holder, 55010
registrant, or licensee who is convicted of or pleads guilty or no 55011
contest to a crime as described in division (G)(3) of this section 55012
shall notify the board of the conviction or plea within fifteen 55013
days of the conviction or plea. 55014

(J) If the board determines that a certificate holder, 55015
registrant, or licensee has violated this chapter for which 55016
disciplinary action may be taken under division (G) of this 55017
section as a result of an investigation conducted by the 55018
superintendent upon the superintendent's own motion or upon the 55019
request of the board, the superintendent shall notify the 55020
certificate holder, registrant, or licensee of the certificate 55021
holder's, registrant's, or licensee's right to a hearing pursuant 55022
to Chapter 119. of the Revised Code and, if applicable, to an 55023
appeal of a final determination of such administrative proceedings 55024
to any court of common pleas. 55025

(K) Notwithstanding ~~section~~ sections 119.05 and 119.07 of the 55026
Revised Code, acknowledgment of complaint notices issued under 55027
division (A) of this section and continuance notices associated 55028
with hearings conducted under this section may be sent by regular 55029
mail and a certificate of mailing shall be obtained for the 55030
notices. All other notices issued to a complainant and to a 55031
certificate holder, registrant, licensee, or other party pursuant 55032
to this section shall be mailed via certified mail, return receipt 55033
requested. When any notice is sent by certified mail, return 55034
receipt requested, and is returned because the notice was 55035
unclaimed, then that notice is deemed served if the superintendent 55036
subsequently sends the notice by regular mail and a certificate of 55037
mailing is obtained for the notice. If a notice, whether sent by 55038
certified mail, return receipt requested, or by regular mail with 55039
a certificate of mailing, is returned for failure of delivery, 55040
then the superintendent shall make personal delivery of the notice 55041

by an employee or agent of the department of commerce or shall 55042
cause a summary of the substantive provisions of the notice to be 55043
published once a week for three consecutive weeks in a newspaper 55044
of general circulation in the county where the last known address 55045
of the party is located. When notice is given by publication, a 55046
proof of publication affidavit, with the first publication of the 55047
notice set forth in the affidavit, shall be mailed by regular mail 55048
to the party at the party's last known address. The notice shall 55049
be deemed received as of the date of the last publication of the 55050
summary. An employee or agent of the department of commerce may 55051
make personal delivery of the notice upon the party at any time. 55052
Refusal of delivery by personal service or by mail is not failure 55053
of delivery and service is deemed to be complete. Failure of 55054
delivery occurs only when a mailed notice is returned by the 55055
postal authorities marked undeliverable, address or addressee 55056
unknown, or forwarding address unknown or expired. 55057

Sec. 4763.15. Except for moneys required to be transferred 55058
into the real estate appraiser recovery fund pursuant to section 55059
4763.16 of the Revised Code ~~or as required pursuant to this~~ 55060
~~section,~~ the superintendent of real estate may deposit all fees 55061
collected under this chapter into the state treasury to the credit 55062
of the real estate ~~appraiser~~ operating fund, ~~which is hereby~~ 55063
created under section 4735.211 of the Revised Code. All operating 55064
expenses of the real estate appraiser board and the superintendent 55065
of real estate relating to the administration and enforcement of 55066
this chapter and Chapter 4768. of the Revised Code shall be paid 55067
from ~~this~~ the real estate operating fund. ~~The fund shall be~~ 55068
~~assessed a proportionate share of the administrative cost of the~~ 55069
~~department of commerce in accordance with procedures prescribed by~~ 55070
~~the director of commerce, and the assessment shall be paid from~~ 55071
~~the operating fund to the division of administration fund.~~ 55072

~~If, in any biennium, the director of commerce determines that~~ 55073

~~moneys in the operating fund exceed those necessary to fund the 55074
activities of the board and of the superintendent of real estate 55075
that relate to this chapter and Chapter 4768. of the Revised Code, 55076
the director may pay the excess funds to the real estate appraiser 55077
recovery fund. 55078~~

Sec. 4763.16. (A) The real estate appraiser recovery fund is 55079
hereby created in the state treasury, to be administered by the 55080
superintendent of real estate. The treasurer of state shall credit 55081
to the fund amounts collected by the superintendent as prescribed 55082
in this section and interest earned on the assets of the fund. The 55083
superintendent shall ascertain the balance of the fund as of the 55084
first day of October of each year. If that balance is less than 55085
two hundred thousand dollars at any time, the director of budget 55086
and management, upon the request of the superintendent and 55087
approval of the controlling board, may transfer from the real 55088
estate ~~appraiser~~ operating fund created under section 4735.211 of 55089
the Revised Code to the real estate appraiser recovery fund a sum 55090
as will bring the real estate appraiser recovery fund to that 55091
amount. 55092

(B) When any person obtains a final judgment in any court of 55093
competent jurisdiction against a certificate holder, registrant, 55094
or licensee, based upon conduct that is in violation of this 55095
chapter or the rules adopted under it, which conduct occurred on 55096
or after the date of their certification, registration, or 55097
licensure, and that is associated with an act or transaction of a 55098
certificate holder, registrant, or licensee specified in this 55099
chapter, that person may file a verified complaint, as described 55100
in this division, in the Franklin county court of common pleas for 55101
an order directing payment out of the real estate appraiser 55102
recovery fund of the portion of the judgment that remains unpaid 55103
and that represents the actual and direct loss of the person for 55104
the act or transaction upon which the underlying judgment was 55105

based, and court costs, if awarded in the underlying judgment, 55106
provided that no person shall receive more than ten thousand 55107
dollars from the fund for any one judgment. A bonding or insurance 55108
company or any partnership, corporation, or association that uses 55109
any tool to develop a valuation of real property for purposes of a 55110
loan or that employs, retains, or engages as an independent 55111
contractor a person licensed, registered, or certified as a real 55112
estate appraiser in its usual or occasional operations may not 55113
seek an order directing, and is not eligible for, payment out of 55114
the fund. Punitive or exemplary damages are not recoverable from 55115
the fund. 55116

The complaint shall specify the nature of the act or 55117
transaction upon which the underlying judgment was based, the 55118
activities of the applicant in pursuit of remedies available under 55119
law for the collection of judgments, and the amount of the fee 55120
paid by the applicant to the certificate holder, registrant, or 55121
licensee. The applicant shall attach to the complaint a copy of 55122
each pleading and order in the underlying court action. 55123

The Franklin county court of common pleas shall order the 55124
superintendent to make payments out of the fund when the person 55125
seeking the order has shown all of the following: 55126

(1) The person has obtained a judgment, as provided in this 55127
division; 55128

(2) All appeals from the judgment have been exhausted and the 55129
person has given notice to the superintendent, as required by 55130
division (C) of this section; 55131

(3) The person is not a spouse of the certificate holder, 55132
registrant, or licensee, or the personal representative of the 55133
spouse; 55134

(4) The person has diligently pursued the person's remedies 55135
against all the certificate holders, registrants, licensees, and 55136

all other persons liable to the person in the transaction for 55137
which the person seeks recovery from the fund; 55138

(5) The person is making a complaint not more than one year 55139
after termination of all proceedings, including appeals, in 55140
connection with the judgment. 55141

(C) A person who applies to the Franklin county court of 55142
common pleas for an order directing payment out of the fund shall 55143
file notice of the complaint with the superintendent. The 55144
superintendent shall send notice to the affected certificate 55145
holder, registrant, or licensee, where possible. The 55146
superintendent may defend the action on behalf of the fund and 55147
shall have recourse to all appropriate means of defense and 55148
review, including examination of witnesses. The superintendent may 55149
move the court at any time to dismiss the complaint when it 55150
appears there are no triable issues and the complaint is without 55151
merit. The motion may be supported by affidavit of any person 55152
having knowledge of the facts and may be made on the basis that 55153
the complaint, including the judgment referred to in the 55154
complaint, does not form the basis for a meritorious recovery 55155
claim. The superintendent may, subject to court approval, 55156
compromise a claim based upon the complaint of an aggrieved party. 55157
The superintendent is not bound by any prior compromise or 55158
stipulation of the certificate holder, registrant, or licensee. 55159
Upon petition of the superintendent, the court may require all 55160
claimants and prospective claimants against one certificate 55161
holder, registrant, or licensee to be joined in one action, to the 55162
end that the respective rights of all such claimants to the fund 55163
may be equitably adjudicated and settled. 55164

(D) If the superintendent pays from the fund any amount in 55165
settlement of a claim or toward satisfaction of a judgment against 55166
a certificate holder, registrant, or licensee, the certificate, 55167
registration, or license of the certificate holder, registrant, or 55168

licensee automatically is suspended upon the date of payment from 55169
the fund. No certificate, registration, or license that has been 55170
suspended pursuant to this division shall be reinstated until the 55171
certificate holder, registrant, or licensee has repaid in full, 55172
plus interest per annum at the rate specified in division (A) of 55173
section 1343.03 of the Revised Code, the amount paid from the fund 55174
on the certificate holder's, registrant's, or licensee's account. 55175
A discharge in bankruptcy does not relieve a person from the 55176
suspension and requirements for reinstatement provided in this 55177
section. 55178

prescribed by the board, the superintendent shall forward to the 55620
attorney general the name of the person and the amount of the 55621

If the board finds, or an unlicensed person admits to the 55626

the state treasury to the credit of the ~~home inspectors~~ real 55633
estate operating fund, ~~which is hereby created. Money credited to~~ 55634
~~the fund shall be used solely by the superintendent to pay costs~~ 55635
~~associated with the administration and enforcement of this~~ 55636

Sec. 4764.21. (A) The home inspection recovery fund is hereby 55638
created in the state treasury, to be administered by the 55639
superintendent of real estate and professional licensing. Amounts 55640
collected by the superintendent as prescribed in this section and 55641

the superintendent as of the first day of July each year. 55643

The Ohio home inspector board, in accordance with rules 55644
adopted under division (A)(2) of section 4764.05 of the Revised 55645
Code, shall impose a special assessment not to exceed five dollars 55646
per year for each year of a licensing period on each person 55647
applying for a license under section 4764.07 of the Revised Code 55648
and on each licensee filing a notice of renewal under section 55649
4764.09 of the Revised Code if the amount available in the fund is 55650
less than ~~two hundred and fifty thousand~~ one million dollars on 55651
the first day of July preceding that filing. ~~The board may impose~~ 55652
~~a special assessment not to exceed three dollars per year for each~~ 55653
~~year of a licensing period if the amount available is greater than~~ 55654
~~five hundred thousand dollars, but less than one million dollars~~ 55655
~~on the first day of July preceding that filing.~~ The board shall 55656
not impose a special assessment if the amount available in the 55657
fund equals or exceeds one million dollars on the first day of 55658

July preceding that filing. 55659

(B)(1) Any person who obtains a final judgment in any court 55660
of competent jurisdiction against any home inspector licensed 55661
under this chapter, on the grounds of conduct that is in violation 55662
of this chapter or the rules adopted under it, and that is 55663
associated with an act or transaction that only a licensed home 55664
inspector is authorized to perform as specified in section 4764.02 55665
of the Revised Code, may file an application, as described in 55666
division (B)(3) of this section, in the court of common pleas of 55667
Franklin county for an order directing payment out of the home 55668
inspection recovery fund of the portion of the judgment that 55669
remains unpaid and that represents an actual and direct loss 55670
sustained by the applicant. 55671

(2) Punitive damages, attorney's fees, and interest on a 55672
judgment are not recoverable from the fund. The superintendent may 55673
allow court costs to be recovered from the fund, and, if the 55674
superintendent authorizes the recovery of court costs, the order 55675
of the court of common pleas then may direct their payment from 55676
the fund. 55677

(3) The applicant shall describe in the application the 55678
nature of the act or transaction on which the underlying judgment 55679
was based, the activities of the applicant in pursuit of remedies 55680
available under law for the collection of judgments, and the 55681
actual and direct losses, attorney's fees, and the court costs 55682
sustained or incurred by the applicant. The applicant shall attach 55683
to the application a copy of each pleading and order in the 55684
underlying court action. 55685

(4) The court shall order the superintendent to make payments 55686
out of the fund when the person seeking the order has shown all of 55687
the following: 55688

(a) The person has obtained a judgment, as provided in this 55689

division;	55690
(b) All appeals from the judgment have been exhausted and the person has given notice to the superintendent, as required by division (C) of this section;	55691 55692 55693
(c) The person is not a spouse of the judgment debtor, or the personal representative of the spouse;	55694 55695
(d) The person has diligently pursued the person's remedies against all the judgment debtors and all other persons liable to the person in the transaction for which the person seeks recovery from the fund;	55696 55697 55698 55699
(e) The person is applying not more than one year after termination of all proceedings, including appeals, in connection with the judgment.	55700 55701 55702
(5) Divisions (B)(1) to (4) of this section do not apply to any of the following:	55703 55704
(a) Actions arising from home inspections conducted by an unlicensed individual;	55705 55706
(b) A bonding company when it is not a principal in the real estate transaction;	55707 55708

(d) Losses incurred by investors in real estate if the applicant and the licensee are principals in the investment.	55713 55714
(C) A person who applies to a court of common pleas for an order directing payment out of the fund shall file notice of the application with the superintendent. The superintendent may defend any action on behalf of the fund and shall have recourse to all appropriate means of defense and review, including examination of	55715 55716 55717 55718 55719

witnesses, verification of actual and direct losses, and 55720
challenges to the underlying judgment required in division 55721
(B)(4)(a) of this section to determine whether the underlying 55722
judgment is based on activity only a licensed home inspector is 55723
permitted to perform. The superintendent may move the court at any 55724
time to dismiss the application when it appears there are no 55725
triable issues and the application is without merit. The motion 55726
may be supported by affidavit of any person having knowledge of 55727
the facts and may be made on the basis that the application, 55728
including the judgment referred to in it, does not form the basis 55729
for a meritorious recovery claim; provided, that the 55730
superintendent shall give written notice to the applicant at least 55731
ten days before making the motion. The superintendent may, subject 55732
to court approval, compromise a claim based upon the application 55733
of an aggrieved party. The superintendent shall not be bound by 55734
any prior compromise or stipulation of the judgment debtor. 55735

(D) Notwithstanding any other provision of this section to 55736
the contrary, the liability of the fund shall not exceed forty 55737
thousand dollars for any one licensee. If a licensee's license is 55738
reactivated as provided in division (E) of this section, the 55739
liability of the fund for the licensee under this section shall 55740
again be forty thousand dollars, but only for transactions that 55741
occur subsequent to the time of reactivation. 55742

If the forty-thousand-dollar liability of the fund is 55743
insufficient to pay in full the valid claims of all aggrieved 55744
persons by whom claims have been filed against any one licensee, 55745
the forty thousand dollars shall be distributed among them in the 55746
ratio that their respective claims bear to the aggregate of valid 55747
claims or in any other manner as the court finds equitable. 55748
Distribution of moneys shall be among the persons entitled to 55749
share in it, without regard to the order of priority in which 55750
their respective judgments may have been obtained or their claims 55751

have been filed. Upon petition of the superintendent, the court 55752
may require all claimants and prospective claimants against one 55753
licensee to be joined in one action, to the end that the 55754
respective rights of all the claimants to the fund may be 55755
equitably adjudicated and settled. 55756

(E) If the superintendent pays from the fund any amount in 55757
settlement of a claim or toward satisfaction of a judgment against 55758
a licensed home inspector, the superintendent may suspend the home 55759
inspector's license. The superintendent shall not reactivate the 55760
suspended license of that home inspector until the home inspector 55761
has repaid in full, plus interest per annum at the rate specified 55762
in division (A) of section 1343.03 of the Revised Code, the amount 55763
paid from the fund on the home inspector's account. A discharge in 55764
bankruptcy does not relieve a person from the suspension and 55765
requirements for reactivation provided in this section unless the 55766
underlying judgment has been included in the discharge and has not 55767
been reaffirmed by the debtor. 55768

(F) If, at any time, the money deposited in the fund is 55769
insufficient to satisfy any duly authorized claim or portion of a 55770
claim, the superintendent shall, when sufficient money has been 55771
deposited in the fund, satisfy the unpaid claims or portions, in 55772
the order that the claims or portions were originally filed, plus 55773
accumulated interest per annum at the rate specified in division 55774
(A) of section 1343.03 of the Revised Code. 55775

(G) When, upon the order of the court, the superintendent has 55776
paid from the fund any sum to the judgment creditor, the 55777
superintendent shall be subrogated to all of the rights of the 55778
judgment creditor to the extent of the amount so paid, and the 55779
judgment creditor shall assign all the judgment creditor's right, 55780
title, and interest in the judgment to the superintendent to the 55781
extent of the amount so paid. Any amount and interest so recovered 55782
by the superintendent on the judgment shall be deposited in the 55783

fund. 55784

(H) Nothing contained in this section shall limit the 55785
authority of the superintendent to take disciplinary action 55786
against any licensee under other provisions of this chapter; nor 55787
shall the repayment in full of all obligations to the fund by any 55788
licensee nullify or modify the effect of any other disciplinary 55789
proceeding brought pursuant to this chapter. 55790

(I) The superintendent shall collect from the fund a service 55791
fee in an amount equivalent to the interest rate specified in 55792
division (A) of section 1343.03 of the Revised Code multiplied by 55793
the annual interest earned on the assets of the fund, to defray 55794
the expenses incurred in the administration of the fund. 55795

immediate and serious harm to the public and that the certificate 56205
holder has done any of the following: 56206

(1) Furnished false, fraudulent, or misleading information to 56207

assault, kidnapping, rape, sexual battery, gross sexual 56231
imposition, aggravated arson, aggravated burglary, aggravated 56232
robbery, or a substantially equivalent offense committed in this 56233

(B) If the state board of emergency medical, fire, and 56236
transportation services has knowledge that an automatic suspension 56237
has occurred, it shall ~~notify~~ serve, in accordance with ~~section~~ 56238

Sec. 4766.07. (A) Except as otherwise provided by rule of the 56243
state board of emergency medical, fire, and transportation 56244

organization subject to licensure under this chapter shall possess 56247
a valid permit for each ambulance, ambulette, rotorcraft air 56248

owns or leases that is or will be used by the licensee to perform 56250
the services permitted by the license. Each licensee and license 56251
applicant shall submit the appropriate fee and an application for 56252
a permit for each ambulance, ambulette, rotorcraft air ambulance, 56253

board of emergency medical, fire, and transportation services on 56255

standards set by the board, that the vehicle or aircraft has been 56258
inspected pursuant to division (C) of this section, that the 56259
permit applicant maintains insurance as provided in section 56260
4766.06 of the Revised Code, and that the vehicle or aircraft and 56261
permit applicant meet any other requirements established under 56262
rules adopted by the board. 56263

The state board of emergency medical, fire, and 56264
transportation services may adopt rules in accordance with Chapter 56265
119. of the Revised Code to authorize the temporary use of a 56266
vehicle or aircraft for which a permit is not possessed under this 56267
section in back-up or disaster situations. 56268

(B)(1) ~~Within sixty days after receiving a completed~~ 56269
~~application for a permit, the~~ The board shall issue or deny the 56270
permit application. The board shall deny an application, in 56271
accordance with Chapter 119. of the Revised Code, if it determines 56272

requirements of this chapter and the rules adopted under it that 56274
apply to permits for ambulances, ambulettes, rotorcraft air 56275
ambulances, fixed wing air ambulances, and nontransport vehicles. 56276
The board shall send notice of the denial of an application by 56277
certified mail to the permit applicant. The permit applicant may 56278
request a hearing within ten days after receipt of the notice. If 56279
the board receives a timely request, it shall hold a hearing in 56280
accordance with Chapter 119. of the Revised Code. 56281

(2) If the board issues the vehicle permit for an ambulance, 56282
ambulette, or nontransport vehicle, it also shall issue a decal, 56283
in a form prescribed by rule, to be displayed on the rear window 56284
of the vehicle. The board shall not issue a decal until all of the 56285
requirements for licensure and permit issuance have been met. 56286

(3) If the board issues the aircraft permit for a rotorcraft air ambulance or fixed wing air ambulance, it also shall issue a decal, in a form prescribed by rule, to be displayed on the left fuselage aircraft window in a manner that complies with all applicable federal aviation regulations. The board shall not issue a decal until all of the requirements for licensure and permit issuance have been met.

(C) In addition to any other requirements that the board establishes by rule, a licensee or license applicant applying for an initial vehicle or aircraft permit under division (A) of this section shall submit to the board the vehicle or aircraft for which the permit is sought. Thereafter, a licensee shall annually submit to the board each vehicle or aircraft for which a permit has been issued.

(1) The board shall conduct a physical inspection of an ambulance, ambulette, or nontransport vehicle to determine its roadworthiness and compliance with standard motor vehicle requirements.

(2) The board shall conduct a physical inspection of the medical equipment, communication system, and interior of an ambulance to determine the operational condition and safety of the equipment and the ambulance's interior and to determine whether the ambulance is in compliance with ~~the~~ one of the following:

(a) The federal requirements for ambulance construction that were in effect at the time the ambulance was manufactured, as specified by the general services administration in the various versions of its publication titled "federal specification for the star-of-life ambulance, KKK-A-1822-";

(b) A national standard for ambulance construction approved by the American national standards institute, "ANSI," in effect at the time the ambulance was manufactured.

(3) The board shall conduct a physical inspection of the equipment, communication system, and interior of an ambulance to determine the operational condition and safety of the equipment and the ambulance's interior and to determine whether the ambulance is in compliance with state requirements for ambulance construction. The board shall determine by rule requirements for the equipment, communication system, interior, and construction of an ambulance.

(4) The board shall conduct a physical inspection of the medical equipment, communication system, and interior of a rotorcraft air ambulance or fixed wing air ambulance to determine the operational condition and safety of the equipment and the aircraft's interior.

(5) The board shall issue a certificate to the applicant for each vehicle or aircraft that passes the inspection and may assess a fee for each inspection, as established by the board.

(6) The board shall adopt rules regarding the implementation and coordination of inspections. The rules may permit the board to contract with a third party to conduct the inspections required of the board under this section.

Sec. 4766.11. (A) The state board of emergency medical, fire, and transportation services may investigate alleged violations of this chapter or the rules adopted under it and may investigate any complaints received regarding alleged violations.

In addition to any other remedies available and regardless of whether an adequate remedy at law exists, the board may apply to the court of common pleas in the county where a violation of any provision of this chapter or any rule adopted pursuant thereto is occurring for a temporary or permanent injunction restraining a person from continuing to commit that violation. On a showing that a person has committed a violation, the court shall grant the

injunction. 56349

In conducting an investigation under this section, the board 56350
may issue subpoenas compelling the attendance and testimony of 56351
witnesses and the production of books, records, and other 56352
documents pertaining to the investigation. If a person fails to 56353
obey a subpoena from the board, the board may apply to the court 56354
of common pleas in the county where the investigation is being 56355
conducted for an order compelling the person to comply with the 56356
subpoena. On application by the board, the court shall compel 56357
obedience by attachment proceedings for contempt, as in the case 56358
of disobedience of the requirements of a subpoena from the court 56359
or a refusal to testify therein. 56360

(B) The board may suspend a license issued under this chapter 56361
without a prior hearing if it determines that there is evidence 56362
that the license holder is subject to action under this section 56363
and that there is clear and convincing evidence that continued 56364
operation by the license holder presents a danger of immediate and 56365
serious harm to the public. The chairperson and executive director 56366
of the board shall make a preliminary determination and describe 56367
the evidence on which they made their determination to the board 56368
members. The board by resolution may designate another board 56369
member to act in place of the chairperson or another employee to 56370
act in place of the executive director in the event that the 56371
chairperson or executive director is unavailable or unable to act. 56372
Upon review of the allegations, the board, by the affirmative vote 56373
of a majority of its members, may suspend the license without a 56374
hearing. 56375

Immediately following the decision by the board to suspend a 56376
license under this division, the board shall ~~issue~~ serve a written 56377
order of suspension ~~and cause it to be delivered~~ in accordance 56378
with ~~section~~ sections 119.05 and 119.07 of the Revised Code. If 56379
the license holder subject to the suspension requests an 56380

adjudication hearing by the board, notwithstanding the time within 56381
which a hearing must be held under section 119.07 of the Revised 56382
Code, the date set for the adjudication shall be within fifteen 56383
days but not earlier than seven days after the request unless 56384
another date is agreed to by the license holder and the board. 56385
56386

Any summary suspension imposed under this division remains in 56387
effect, unless reversed by the board, until a final adjudicative 56388
order issued by the board pursuant to this section and Chapter 56389
119. of the Revised Code becomes effective. The board shall issue 56390
its final adjudicative order not less than ninety days after 56391
completion of its adjudication hearing. Failure to issue the order 56392
by that day shall cause the summary suspension order to end, but 56393
such failure shall not affect the validity of any subsequent final 56394
adjudication order. 56395

Sec. 4767.03. (A)(1) The owner or the person responsible for 56396
the operation and maintenance of a cemetery shall apply to the 56397
division of real estate in the department of commerce to register 56398
the cemetery on forms prescribed by the division. With the 56399
application, the applicant shall submit the documentation required 56400
in division (A) of section 4767.04 of the Revised Code and a 56401
registration fee of twenty-five dollars for one cemetery, forty 56402
dollars for two cemeteries, and fifty dollars for three or more 56403
cemeteries, except that no fee shall be required of any political 56404
subdivision. 56405

(2) The director of commerce, by rule adopted in accordance 56406
with Chapter 119. of the Revised Code, may reduce the amount of 56407
the registration fee required by this section in any year if the 56408
director determines that the total amount of funds the fee is 56409
generating at the amount specified by this section exceeds the 56410
amount of funds the division of real estate and the Ohio cemetery 56411

dispute resolution commission created by section 4767.05 of the Revised Code need to carry out their powers and duties under this chapter. If the director so reduces the amount of the registration fee, the director shall reduce it for all owners or other persons required to pay the fee under division (A)(1) of this section and shall require that the reduced fee be paid according to the number of cemeteries owned, operated, or maintained as required under that division. If the director has reduced the fee under division (A)(2) of this section, the director may later raise it up to the amounts specified in division (A)(1) of this section if, in any year, the director determines that the total amount of funds the fee is generating at the reduced amount is insufficient for the division of real estate and the Ohio cemetery dispute resolution commission to carry out their powers and duties under this chapter.

(B) Upon receipt of the completed application form, documentation, and, if required, registration fee, the division of real estate shall issue a certificate of registration to the applicant. The applicant shall display the certificate in a conspicuous place on the premises of the cemetery for which the registration was obtained, except that, if the applicant is the governing body of a political subdivision or person acting on behalf of that governing body, the certificate shall be kept on file and be available for public inspection at the office of the governing body.

(C) Except as otherwise provided in this division, each registration issued pursuant to this section shall expire annually on the thirtieth day of September and shall be renewed by the owner or the person responsible for the operation and maintenance of the cemetery for the continued operation of the cemetery. The renewal fee shall be the same as the initial registration fees prescribed in division (A) of this section.

The registration of a cemetery operated and maintained by a political subdivision shall not expire unless the political subdivision ceases to operate and maintain the cemetery. A political subdivision operating and maintaining a cemetery is not required to renew or update the registration of that cemetery unless there is a change in the information required under division (A) of section 4767.04 of the Revised Code or unless additional land is acquired to increase the size of the cemetery.

(D) All registration and renewal fees collected pursuant to this section shall be paid into the state treasury to the credit of the cemetery registration fund, which is hereby created in the state treasury. The division of real estate in the department of commerce ~~to be used by the division~~ shall use the fund to carry out its powers and duties under this chapter and by the Ohio cemetery dispute resolution commission created by section 4767.05 of the Revised Code.

Sec. 4767.10. (A) ~~The cemetery grant fund is created in the state treasury.~~ The division of real estate in the department of commerce ~~shall deposit into the fund one dollar of each two dollars and fifty cents portion of the burial permit fee received under section 3705.17 of the Revised Code.~~ The division shall use moneys in the fund one dollar of each burial permit fee collected pursuant to section 3705.17 of the Revised Code and paid into the state treasury to the credit of the cemetery registration fund created under section 4767.03 of the Revised Code to advance grants to cemeteries registered with the division to defray the costs of exceptional cemetery maintenance or training cemetery personnel in the maintenance and operation of cemeteries. The division may not provide a grant to a corporation or association that operates a cemetery for profit. ~~In each fiscal year, the division may not advance grants totaling more than eighty per cent of the appropriation to the cemetery grant fund for that fiscal~~

~~year.~~ The division shall advance grants from the cemetery 56476
registration fund in accordance with rules adopted by the Ohio 56477
cemetery dispute resolution commission under Chapter 119. of the 56478
Revised Code. 56479

(B) The director of commerce may increase, by rule adopted 56480
under Chapter 119. of the Revised Code, the amount of total grants 56481
the division may advance in a fiscal year if the director 56482
determines the total amount of funds generated exceeds the amount 56483
of funds the division needs to carry out its powers and duties 56484
under this section. If the director determines the increased 56485
amount depletes the amount of funds the division needs to carry 56486
out its powers and duties under this section, the director may 56487
decrease the amount not below the amount specified in division (A) 56488
of this section. 56489

Sec. 4768.03. The real estate appraiser board shall do all of 56490
the following: 56491

(A) Adopt rules, in accordance with Chapter 119. of the 56492
Revised Code in furtherance of this chapter, including, but not 56493
limited to, all of the following: 56494

under section 4768.06 of the Revised Code, in accordance with 56496
division ~~(K)~~(L) of section 121.08 and division (C) of section 56497
4768.06 of the Revised Code; 56498

(2) The following nonrefundable fees: 56499

(a) The initial appraisal management company license fee, 56500
which shall not exceed two thousand dollars; 56501

(b) The annual renewal fee, which shall not exceed two 56502
thousand dollars; 56503

(c) The late filing fee, which shall not exceed one thousand 56504

dollars, for the renewal of a license under division (C) of 56505

allegation of a violation of this chapter or any rule adopted 56861

consent agreement shall be of no force or effect. 56867

(E) For purposes of divisions (B)(11), (14), and (15) of this 56868

jurisdiction under these divisions in cases where the trial court 56876
issues an order of dismissal on technical or procedural grounds. 56877

(F) The sealing of conviction records by any court shall have 56878
no effect on a prior board order entered under the provisions of 56879

judicial finding of guilt, or a judicial finding of eligibility 56882
for intervention in lieu of conviction, the board issued a notice 56883
of opportunity for a hearing prior to the court's order to seal 56884
the records. The board shall not be required to seal, destroy, 56885
redact, or otherwise modify its records to reflect the court's 56886
sealing of conviction records. 56887

(G) For purposes of this division, any individual who holds a 56888
license to practice as a radiologist assistant issued under this 56889
chapter, or applies for a license, shall be deemed to have given 56890
consent to submit to a mental or physical examination when 56891
directed to do so in writing by the board and to have waived all 56892
objections to the admissibility of testimony or examination 56893
reports that constitute a privileged communication. 56894

(1) In enforcing division (B)(5) of this section, the board, 56895
on a showing of a possible violation, may compel any individual 56896
who holds a license to practice as a radiologist assistant issued 56897
under this chapter or who has applied for a license to submit to a 56898
mental or physical examination, or both. A physical examination 56899
may include an HIV test. The expense of the examination is the 56900
responsibility of the individual compelled to be examined. Failure 56901
to submit to a mental or physical examination or consent to an HIV 56902
test ordered by the board constitutes an admission of the 56903

allegations against the individual unless the failure is due to 56904
circumstances beyond the individual's control, and a default and 56905
final order may be entered without the taking of testimony or 56906
presentation of evidence. If the board finds a radiologist 56907
assistant unable to practice because of the reasons set forth in 56908
division (B)(5) of this section, the board shall require the 56909
radiologist assistant to submit to care, counseling, or treatment 56910
by physicians approved or designated by the board, as a condition 56911
for an initial, continued, reinstated, or renewed license. An 56912
individual affected by this division shall be afforded an 56913
opportunity to demonstrate to the board the ability to resume 56914
practicing in compliance with acceptable and prevailing standards 56915
of care. 56916

(2) For purposes of division (B)(6) of this section, if the 56917
board has reason to believe that any individual who holds a 56918
license to practice as a radiologist assistant issued under this 56919
chapter or any applicant for a license suffers such impairment, 56920
the board may compel the individual to submit to a mental or 56921
physical examination, or both. The expense of the examination is 56922
the responsibility of the individual compelled to be examined. Any 56923
mental or physical examination required under this division shall 56924
be undertaken by a treatment provider or physician qualified to 56925
conduct such examination and chosen by the board. 56926

Failure to submit to a mental or physical examination ordered 56927
by the board constitutes an admission of the allegations against 56928
the individual unless the failure is due to circumstances beyond 56929
the individual's control, and a default and final order may be 56930
entered without the taking of testimony or presentation of 56931
evidence. If the board determines that the individual's ability to 56932
practice is impaired, the board shall suspend the individual's 56933
license or deny the individual's application and shall require the 56934
individual, as a condition for an initial, continued, reinstated, 56935

or renewed license to practice, to submit to treatment. 56936

Before being eligible to apply for reinstatement of a license 56937
suspended under this division, the radiologist assistant shall 56938
demonstrate to the board the ability to resume practice in 56939
compliance with acceptable and prevailing standards of care. The 56940
demonstration shall include the following: 56941

(a) Certification from a treatment provider approved under 56942
section 4731.25 of the Revised Code that the individual has 56943
successfully completed any required inpatient treatment; 56944

(b) Evidence of continuing full compliance with an aftercare 56945
contract or consent agreement; 56946

(c) Two written reports indicating that the individual's 56947
ability to practice has been assessed and that the individual has 56948
been found capable of practicing according to acceptable and 56949
prevailing standards of care. The reports shall be made by 56950
individuals or providers approved by the board for making such 56951
assessments and shall describe the basis for their determination. 56952

The board may reinstate a license suspended under this 56953
division after such demonstration and after the individual has 56954
entered into a written consent agreement. 56955

When the impaired radiologist assistant resumes practice, the 56956
board shall require continued monitoring of the radiologist 56957
assistant. The monitoring shall include monitoring of compliance 56958
with the written consent agreement entered into before 56959
reinstatement or with conditions imposed by board order after a 56960
hearing, and, on termination of the consent agreement, submission 56961
to the board for at least two years of annual written progress 56962
reports made under penalty of falsification stating whether the 56963
radiologist assistant has maintained sobriety. 56964

(H) If the secretary and supervising member determine that 56965
there is clear and convincing evidence that a radiologist 56966

assistant has violated division (B) of this section and that the 56967
individual's continued practice presents a danger of immediate and 56968
serious harm to the public, they may recommend that the board 56969
suspend the individual's license to practice without a prior 56970
hearing. Written allegations shall be prepared for consideration 56971
by the board. 56972

The board, on review of the allegations and by an affirmative 56973
vote of not fewer than six of its members, excluding the secretary 56974
and supervising member, may suspend a license without a prior 56975
hearing. A telephone conference call may be utilized for reviewing 56976
the allegations and taking the vote on the summary suspension. 56977

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 56978
~~certified mail or in person~~ in accordance with ~~section~~ sections 56979
119.05 and 119.07 of the Revised Code. The order shall not be 56980
subject to suspension by the court during pendency of any appeal 56981
filed under section 119.12 of the Revised Code. If the radiologist 56982
assistant requests an adjudicatory hearing by the board, 56983
notwithstanding the time within which a hearing must be held under 56984
section 119.07 of the Revised Code, the date set for the hearing 56985
shall be within fifteen days, but not earlier than seven days, 56986
after the radiologist assistant requests the hearing, unless 56987
otherwise agreed to by both the board and the license holder. 56988

A summary suspension imposed under this division shall remain 56989
in effect, unless reversed on appeal, until a final adjudicative 56990
order issued by the board pursuant to this section and Chapter 56991
119. of the Revised Code becomes effective. The board shall issue 56992
its final adjudicative order within sixty days after completion of 56993
its hearing. Failure to issue the order within sixty days shall 56994
result in dissolution of the summary suspension order, but shall 56995
not invalidate any subsequent, final adjudicative order. 56996

(I) If the board takes action under division (B)(10), (12), 56997
or (13) of this section, and the judicial finding of guilt, guilty 56998

plea, or judicial finding of eligibility for intervention in lieu 56999
of conviction is overturned on appeal, on exhaustion of the 57000
criminal appeal, a petition for reconsideration of the order may 57001
be filed with the board along with appropriate court documents. On 57002
receipt of a petition and supporting court documents, the board 57003
shall reinstate the license to practice as a radiologist 57004
assistant. The board may then hold an adjudication under Chapter 57005
119. of the Revised Code to determine whether the individual 57006
committed the act in question. Notice of opportunity for hearing 57007
shall be given in accordance with Chapter 119. of the Revised 57008
Code. If the board finds, pursuant to an adjudication held under 57009
this division, that the individual committed the act, or if no 57010
hearing is requested, it may order any of the sanctions specified 57011
in division (B) of this section. 57012

(J) The license to practice of a radiologist assistant and 57013
the assistant's practice in this state are automatically suspended 57014
as of the date the radiologist assistant pleads guilty to, is 57015
found by a judge or jury to be guilty of, or is subject to a 57016
judicial finding of eligibility for intervention in lieu of 57017
conviction in this state or treatment of intervention in lieu of 57018
conviction in another jurisdiction for any of the following 57019
criminal offenses in this state or a substantially equivalent 57020
criminal offense in another jurisdiction: aggravated murder, 57021
murder, voluntary manslaughter, felonious assault, kidnapping, 57022
rape, sexual battery, gross sexual imposition, aggravated arson, 57023
aggravated robbery, or aggravated burglary. Continued practice 57024
after the suspension shall be considered practicing without a 57025
license. 57026

The board shall ~~notify~~ serve the individual subject to the 57027
suspension ~~by certified mail or in person~~ in accordance with 57028
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 57029
individual whose license is suspended under this division fails to 57030

make a timely request for an adjudication under Chapter 119. of 57031
the Revised Code, the board shall enter a final order permanently 57032
revoking the individual's license. 57033

(K) In any instance in which the board is required by Chapter 57034
119. of the Revised Code to give notice of opportunity for hearing 57035
and the individual subject to the notice does not timely request a 57036
hearing in accordance with section 119.07 of the Revised Code, the 57037
board is not required to hold a hearing, but may adopt, by an 57038
affirmative vote of not fewer than six of its members, a final 57039
order that contains the board's findings. In the final order, the 57040
board may order any of the sanctions identified under division (A) 57041
or (B) of this section. 57042

(L) Any action taken by the board under division (B) of this 57043
section resulting in a suspension shall be accompanied by a 57044
written statement of the conditions under which the radiologist 57045
assistant's license may be reinstated. The board shall adopt rules 57046
in accordance with Chapter 119. of the Revised Code governing 57047
conditions to be imposed for reinstatement. Reinstatement of a 57048
license suspended pursuant to division (B) of this section 57049
requires an affirmative vote of not fewer than six members of the 57050
board. 57051

(M) When the board refuses to grant or issue a license to 57052
practice as a radiologist assistant to an applicant, revokes an 57053
individual's license, refuses to renew an individual's license, or 57054
refuses to reinstate an individual's license, the board may 57055
specify that its action is permanent. An individual subject to a 57056
permanent action taken by the board is forever thereafter 57057
ineligible to hold a license to practice as a radiologist 57058
assistant and the board shall not accept an application for 57059
reinstatement of the license or for issuance of a new license. 57060

(N) Notwithstanding any other provision of the Revised Code, 57061
all of the following apply: 57062

(1) The surrender of a license to practice as a radiologist 57063
assistant issued under this chapter is not effective unless or 57064
until accepted by the board. Reinstatement of a license 57065
surrendered to the board requires an affirmative vote of not fewer 57066
than six members of the board. 57067

(2) An application made under this chapter for a license to 57068
practice may not be withdrawn without approval of the board. 57069

(3) Failure by an individual to renew a license to practice 57070
in accordance with section 4774.06 of the Revised Code shall not 57071
remove or limit the board's jurisdiction to take disciplinary 57072
action under this section against the individual. 57073

Sec. 4776.01. As used in this chapter: 57074

(A) "License" means an authorization evidenced by a license, 57075
certificate, registration, permit, card, or other authority that 57076
is issued or conferred by a licensing agency to a licensee or to 57077
an applicant for an initial license by which the licensee or 57078
initial license applicant has or claims the privilege to engage in 57079
a profession, occupation, or occupational activity, or, except in 57080
the case of the state dental board, to have control of and operate 57081
certain specific equipment, machinery, or premises, over which the 57082
licensing agency has jurisdiction. 57083

(B) Except as provided in section 4776.20 of the Revised 57084
Code, "licensee" means the person to whom the license is issued by 57085
a licensing agency. "Licensee" includes a person who, for purposes 57086
of section 3796.13 of the Revised Code, has complied with sections 57087
4776.01 to 4776.04 of the Revised Code and has been determined by 57088
the ~~department of commerce or state board of pharmacy~~ division of 57089
marijuana control, as the applicable licensing agency, to meet the 57090
requirements for employment. 57091

(C) Except as provided in section 4776.20 of the Revised 57092

Code, "licensing agency" means any of the following: 57093

4761.06, 4761.061, 4762.06, 4762.061, 4774.06, 4774.061, 4778.07, 57122
or 4778.071 of the Revised Code. "Applicant for a restored 57123

license" does not include a person seeking restoration of a 57124

(F) "Criminal records check" has the same meaning as in 57126
section 109.572 of the Revised Code. 57127

Sec. 4778.14. (A) The state medical board, by an affirmative 57128
vote of not fewer than six members, may revoke or may refuse to 57129
grant a license to practice as a genetic counselor to an 57130
individual found by the board to have committed fraud, 57131
misrepresentation, or deception in applying for or securing the 57132
license. 57133

(B) The board, by an affirmative vote of not fewer than six 57134
members, shall, except as provided in division (C) of this 57135
section, and to the extent permitted by law, limit, revoke, or 57136
suspend an individual's license to practice as a genetic 57137
counselor, refuse to issue a license to an applicant, refuse to 57138
renew a license, refuse to reinstate a license, or reprimand or 57139
place on probation the holder of a license for any of the 57140
following reasons: 57141

(1) Permitting the holder's name or license to be used by 57142
another person; 57143

(2) Failure to comply with the requirements of this chapter, 57144
Chapter 4731. of the Revised Code, or any rules adopted by the 57145
board; 57146

(3) Violating or attempting to violate, directly or 57147

(5) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely affects cognitive, motor, or perceptive skills;	57155 57156 57157 57158
(6) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice;	57159 57160 57161 57162
(7) Willfully betraying a professional confidence;	57163
(8) Making a false, fraudulent, deceptive, or misleading statement in securing or attempting to secure a license to practice as a genetic counselor.	57164 57165 57166
As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.	57167 57168 57169 57170 57171 57172 57173 57174
(9) The obtaining of, or attempting to obtain, money or a thing of value by fraudulent misrepresentations in the course of practice;	57175 57176 57177
(10) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;	57178 57179 57180
(11) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;	57181 57182 57183

(13) A plea of guilty to, a judicial finding of guilt of, or	57187
a judicial finding of eligibility for intervention in lieu of	57188
conviction for, a misdemeanor involving moral turpitude;	57189
(14) Commission of an act in the course of practice that	57190
constitutes a misdemeanor in this state, regardless of the	57191
jurisdiction in which the act was committed;	57192
(15) Commission of an act involving moral turpitude that	57193
constitutes a misdemeanor in this state, regardless of the	57194
jurisdiction in which the act was committed;	57195
(16) A plea of guilty to, a judicial finding of guilt of, or	57196
a judicial finding of eligibility for intervention in lieu of	57197
conviction for violating any state or federal law regulating the	57198
possession, distribution, or use of any drug, including	57199
trafficking in drugs;	57200
(17) Any of the following actions taken by an agency	57201
responsible for authorizing, certifying, or regulating an	57202
individual to practice a health care occupation or provide health	57203
care services in this state or in another jurisdiction, for any	57204
reason other than the nonpayment of fees: the limitation,	57205
revocation, or suspension of an individual's license to practice;	57206
acceptance of an individual's license surrender; denial of a	57207
license; refusal to renew or reinstate a license; imposition of	57208
probation; or issuance of an order of censure or other reprimand;	57209
(18) Violation of the conditions placed by the board on a	57210

failure to comply with a subpoena or order issued by the board or	57214

failure to answer truthfully a question presented by the board at 57215
a deposition or in written interrogatories, except that failure to 57216
cooperate with an investigation shall not constitute grounds for 57217
discipline under this section if a court of competent jurisdiction 57218
has issued an order that either quashes a subpoena or permits the 57219
individual to withhold the testimony or evidence in issue; 57220

(20) Failure to maintain the individual's status as a 57221
certified genetic counselor; 57222

(21) Failure to comply with the code of ethics established by 57223
the national society of genetic counselors. 57224

(C) The board shall not refuse to issue a license to an 57225
applicant because of a plea of guilty to, a judicial finding of 57226
guilt of, or a judicial finding of eligibility for intervention in 57227
lieu of conviction for an offense unless the refusal is in 57228
accordance with section 9.79 of the Revised Code. 57229

(D) Disciplinary actions taken by the board under divisions 57230
(A) and (B) of this section shall be taken pursuant to an 57231
adjudication under Chapter 119. of the Revised Code, except that 57232
in lieu of an adjudication, the board may enter into a consent 57233
agreement with a genetic counselor or applicant to resolve an 57234
allegation of a violation of this chapter or any rule adopted 57235
under it. A consent agreement, when ratified by an affirmative 57236
vote of not fewer than six members of the board, shall constitute 57237
the findings and order of the board with respect to the matter 57238
addressed in the agreement. If the board refuses to ratify a 57239
consent agreement, the admissions and findings contained in the 57240
consent agreement shall be of no force or effect. 57241

A telephone conference call may be utilized for ratification 57242
of a consent agreement that revokes or suspends an individual's 57243
license. The telephone conference call shall be considered a 57244
special meeting under division (F) of section 121.22 of the 57245

Revised Code. 57246

(E) For purposes of divisions (B)(11), (14), and (15) of this 57247
section, the commission of the act may be established by a finding 57248
by the board, pursuant to an adjudication under Chapter 119. of 57249
the Revised Code, that the applicant or license holder committed 57250
the act in question. The board shall have no jurisdiction under 57251
these divisions in cases where the trial court renders a final 57252
judgment in the license holder's favor and that judgment is based 57253
upon an adjudication on the merits. The board shall have 57254
jurisdiction under these divisions in cases where the trial court 57255
issues an order of dismissal on technical or procedural grounds. 57256

(F) The sealing of conviction records by any court shall have 57257
no effect on a prior board order entered under the provisions of 57258
this section or on the board's jurisdiction to take action under 57259
the provisions of this section if, based upon a plea of guilty, a 57260
judicial finding of guilt, or a judicial finding of eligibility 57261
for intervention in lieu of conviction, the board issued a notice 57262
of opportunity for a hearing or took other formal action under 57263
Chapter 119. of the Revised Code prior to the court's order to 57264
seal the records. The board shall not be required to seal, 57265
destroy, redact, or otherwise modify its records to reflect the 57266
court's sealing of conviction records. 57267

(G) For purposes of this division, any individual who holds a 57268
license to practice as a genetic counselor, or applies for a 57269
license, shall be deemed to have given consent to submit to a 57270
mental or physical examination when directed to do so in writing 57271
by the board and to have waived all objections to the 57272
admissibility of testimony or examination reports that constitute 57273
a privileged communication. 57274

(1) In enforcing division (B)(5) of this section, the board, 57275
on a showing of a possible violation, may compel any individual 57276
who holds a license to practice as a genetic counselor or who has 57277

applied for a license to practice as a genetic counselor to submit 57278
to a mental or physical examination, or both. A physical 57279
examination may include an HIV test. The expense of the 57280
examination is the responsibility of the individual compelled to 57281
be examined. Failure to submit to a mental or physical examination 57282
or consent to an HIV test ordered by the board constitutes an 57283
admission of the allegations against the individual unless the 57284
failure is due to circumstances beyond the individual's control, 57285
and a default and final order may be entered without the taking of 57286
testimony or presentation of evidence. If the board finds a 57287
genetic counselor unable to practice because of the reasons set 57288
forth in division (B)(5) of this section, the board shall require 57289
the genetic counselor to submit to care, counseling, or treatment 57290
by physicians approved or designated by the board, as a condition 57291
for an initial, continued, reinstated, or renewed license to 57292
practice. An individual affected by this division shall be 57293
afforded an opportunity to demonstrate to the board the ability to 57294
resume practicing in compliance with acceptable and prevailing 57295
standards of care. 57296

(2) For purposes of division (B)(6) of this section, if the 57297
board has reason to believe that any individual who holds a 57298
license to practice as a genetic counselor or any applicant for a 57299
license suffers such impairment, the board may compel the 57300
individual to submit to a mental or physical examination, or both. 57301
The expense of the examination is the responsibility of the 57302
individual compelled to be examined. Any mental or physical 57303
examination required under this division shall be undertaken by a 57304
treatment provider or physician qualified to conduct such 57305
examination and chosen by the board. 57306

Failure to submit to a mental or physical examination ordered 57307
by the board constitutes an admission of the allegations against 57308
the individual unless the failure is due to circumstances beyond 57309

the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or deny the individual's application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed license, to submit to treatment.

Before being eligible to apply for reinstatement of a license suspended under this division, the genetic counselor shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.

The board may reinstate a license suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired genetic counselor resumes practice, the board shall require continued monitoring of the genetic counselor. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, on

termination of the consent agreement, submission to the board for 57341
at least two years of annual written progress reports made under 57342
penalty of falsification stating whether the genetic counselor has 57343
maintained sobriety. 57344

(H) If the secretary and supervising member determine both of 57345
the following, they may recommend that the board suspend an 57346
individual's license to practice without a prior hearing: 57347

(1) That there is clear and convincing evidence that a 57348
genetic counselor has violated division (B) of this section; 57349

(2) That the individual's continued practice presents a 57350
danger of immediate and serious harm to the public. 57351

Written allegations shall be prepared for consideration by 57352
the board. The board, on review of the allegations and by an 57353
affirmative vote of not fewer than six of its members, excluding 57354
the secretary and supervising member, may suspend a license 57355
without a prior hearing. A telephone conference call may be 57356
utilized for reviewing the allegations and taking the vote on the 57357
summary suspension. 57358

The board shall ~~issue~~ serve a written order of suspension by 57359
~~certified mail or in person~~ in accordance with ~~section~~ sections 57360
119.05 and 119.07 of the Revised Code. The order shall not be 57361
subject to suspension by the court during pendency of any appeal 57362
filed under section 119.12 of the Revised Code. If the genetic 57363
counselor requests an adjudicatory hearing by the board, 57364
notwithstanding the time within which a hearing must be held under 57365
section 119.07 of the Revised Code, the date set for the hearing 57366
shall be within fifteen days, but not earlier than seven days, 57367
after the genetic counselor requests the hearing, unless otherwise 57368
agreed to by both the board and the genetic counselor. 57369

A summary suspension imposed under this division shall remain 57370
in effect, unless reversed on appeal, until a final adjudicative 57371

order issued by the board pursuant to this section and Chapter 57372
119. of the Revised Code becomes effective. The board shall issue 57373
its final adjudicative order within sixty days after completion of 57374
its hearing. Failure to issue the order within sixty days shall 57375
result in dissolution of the summary suspension order, but shall 57376
not invalidate any subsequent, final adjudicative order. 57377

(I) If the board takes action under division (B)(10), (12), 57378
or (13) of this section, and the judicial finding of guilt, guilty 57379
plea, or judicial finding of eligibility for intervention in lieu 57380
of conviction is overturned on appeal, on exhaustion of the 57381
criminal appeal, a petition for reconsideration of the order may 57382
be filed with the board along with appropriate court documents. On 57383
receipt of a petition and supporting court documents, the board 57384
shall reinstate the license to practice as a genetic counselor. 57385
The board may then hold an adjudication under Chapter 119. of the 57386
Revised Code to determine whether the individual committed the act 57387
in question. Notice of opportunity for hearing shall be given in 57388
accordance with Chapter 119. of the Revised Code. If the board 57389
finds, pursuant to an adjudication held under this division, that 57390
the individual committed the act, or if no hearing is requested, 57391
it may order any of the sanctions specified in division (B) of 57392
this section. 57393

(J) The license to practice as a genetic counselor and the 57394
counselor's practice in this state are automatically suspended as 57395
of the date the genetic counselor pleads guilty to, is found by a 57396
judge or jury to be guilty of, or is subject to a judicial finding 57397
of eligibility for intervention in lieu of conviction in this 57398
state or treatment of intervention in lieu of conviction in 57399
another jurisdiction for any of the following criminal offenses in 57400
this state or a substantially equivalent criminal offense in 57401
another jurisdiction: aggravated murder, murder, voluntary 57402
manslaughter, felonious assault, kidnapping, rape, sexual battery, 57403

gross sexual imposition, aggravated arson, aggravated robbery, or 57404
aggravated burglary. Continued practice after the suspension shall 57405
be considered practicing without a license. 57406

The board shall ~~notify~~ serve the individual subject to the 57407
suspension ~~by certified mail or in person~~ in accordance with 57408
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 57409
individual whose license is suspended under this division fails to 57410
make a timely request for an adjudication under Chapter 119. of 57411
the Revised Code, the board shall enter a final order permanently 57412
revoking the individual's license to practice. 57413

(K) In any instance in which the board is required by Chapter 57414
119. of the Revised Code to give notice of opportunity for hearing 57415
and the individual subject to the notice does not timely request a 57416
hearing in accordance with section 119.07 of the Revised Code, the 57417
board is not required to hold a hearing, but may adopt, by an 57418
affirmative vote of not fewer than six of its members, a final 57419
order that contains the board's findings. In the final order, the 57420
board may order any of the sanctions identified under division (A) 57421
or (B) of this section. 57422

(L) Any action taken by the board under division (B) of this 57423
section resulting in a suspension shall be accompanied by a 57424
written statement of the conditions under which the license of the 57425
genetic counselor may be reinstated. The board shall adopt rules 57426
in accordance with Chapter 119. of the Revised Code governing 57427
conditions to be imposed for reinstatement. Reinstatement of a 57428
license suspended pursuant to division (B) of this section 57429
requires an affirmative vote of not fewer than six members of the 57430
board. 57431

(M) When the board refuses to grant or issue a license to 57432
practice as a genetic counselor to an applicant, revokes an 57433
individual's license, refuses to renew an individual's license, or 57434
refuses to reinstate an individual's license, the board may 57435

specify that its action is permanent. An individual subject to a 57436
permanent action taken by the board is forever thereafter 57437
ineligible to hold a license to practice as a genetic counselor 57438
and the board shall not accept an application for reinstatement of 57439
the license or for issuance of a new license. 57440

(N) Notwithstanding any other provision of the Revised Code, 57441
all of the following apply: 57442

(1) The surrender of a license to practice as a genetic 57443
counselor is not effective unless or until accepted by the board. 57444
A telephone conference call may be utilized for acceptance of the 57445
surrender of an individual's license. The telephone conference 57446
call shall be considered a special meeting under division (F) of 57447
section 121.22 of the Revised Code. Reinstatement of a license 57448
surrendered to the board requires an affirmative vote of not fewer 57449
than six members of the board. 57450

(2) An application made under this chapter for a license to 57451
practice may not be withdrawn without approval of the board. 57452

(3) Failure by an individual to renew a license in accordance 57453
with section 4778.06 of the Revised Code shall not remove or limit 57454
the board's jurisdiction to take disciplinary action under this 57455
section against the individual. 57456

Sec. 4779.29. If the Ohio occupational therapy, physical 57457
therapy, and athletic trainers board determines that there is 57458
clear and convincing evidence that an individual licensed under 57459
this chapter is engaging or has engaged in conduct described in 57460
division (A) of section 4779.28 of the Revised Code and that the 57461
license holder's continued practice presents a danger of immediate 57462
and serious harm to the public, the board may suspend the 57463
individual's license without an adjudicatory hearing. A telephone 57464
conference call may be used for reviewing the matter and taking 57465
the vote. 57466

If the board votes to suspend an individual's license, the board shall ~~issue~~ serve a written order of suspension ~~by certified mail or in person~~ in accordance with ~~section~~ sections 119.05 and 119.07 of the Revised Code. The order is not subject to suspension by a court during pendency of any appeal filed under section 119.12 of the Revised Code. If the license holder requests an adjudicatory hearing by the board, notwithstanding the time within which a hearing must be held under section 119.07 of the Revised Code, the date set for the hearing shall be not later than fifteen days, but not earlier than seven days, after the request, unless otherwise agreed to by the board and the license holder.

Any suspension imposed under this section shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to section 119.12 of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. A failure to issue an order within sixty days shall result in the dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

Sec. 4779.35. (A) The Ohio occupational therapy, physical therapy, and athletic trainers board shall appoint an orthotics, prosthetics, and pedorthics advisory council for the purpose of advising the board on issues relating to the practice of orthotics, prosthetics, and pedorthics and the investigation of complaints regarding the practice of orthotics, prosthetics, and pedorthics.

section. If the suspension of admissions is imposed for a 63020
violation that may result in sanctions under division (D)(1) of 63021
this section, the director may impose the suspension before 63022
providing an opportunity for an adjudication under Chapter 119. of 63023

shall be given. The director shall notify the licensee by letter 63034
of the initiation of the proceedings. The letter shall list the 63035
deficiencies of the residential facility and inform the licensee 63036
that no plan of correction will be accepted. The director shall 63037
also send a copy of the letter to the county board of 63038
developmental disabilities. Except in the case of a licensee that 63039
is an ICF/IID, the county board shall send a copy of the letter to 63040
each of the following: 63041

immediate removal of residents from a residential facility 63049
whenever conditions at the facility present an immediate danger of 63050
physical or psychological harm to the residents. 63051

(7) In determining whether a residential facility is being 63052
operated in compliance with a provision of this chapter that 63053
applies to residential facilities or the rules adopted under such 63054
a provision, or whether conditions at a residential facility 63055
present an immediate danger of physical or psychological harm to 63056

the residents, the director may rely on information obtained by a 63057
county board of developmental disabilities or other governmental 63058
agencies. 63059

(8) In proceedings initiated to deny, refuse to renew, or 63060
revoke licenses, the director may deny, refuse to renew, or revoke 63061
a license regardless of whether some or all of the deficiencies 63062
that prompted the proceedings have been corrected at the time of 63063
the hearing. 63064

(E)(1) Except as provided in division (E)(2) of this section, 63065
appeals from proceedings initiated to impose a sanction under 63066
division (D) of this section shall be conducted in accordance with 63067
Chapter 119. of the Revised Code. 63068

(2) Appeals from proceedings initiated to order the 63069
suspension of admissions to a facility shall be conducted in 63070
accordance with Chapter 119. of the Revised Code, unless the order 63071
was issued before providing an opportunity for an adjudication, in 63072
which case all of the following apply: 63073

(a) The licensee may request a hearing not later than ten 63074

accordance with sections 119.05 and 119.07 of the Revised Code. 63076

(b) If a timely request for a hearing that includes the 63077
licensee's current address is made, notwithstanding the time 63078
within which a hearing must be held under section 119.07 of the 63079
Revised Code, the hearing shall commence not later than thirty 63080
days after the department receives the request. 63081

(c) After commencing, the hearing shall continue 63082
uninterrupted, except for Saturdays, Sundays, and legal holidays, 63083
unless other interruptions are agreed to by the licensee and the 63084
director. 63085

(d) If the hearing is conducted by a hearing examiner, the 63086
hearing examiner shall file a report and recommendations not later 63087

and the licensee's attorney, if applicable, not later than five 63096
days after the report is filed. 63097

(f) Not later than five days after the hearing examiner files 63098
the report and recommendations, the licensee may file objections 63099
to the report and recommendations. 63100

(g) Not later than fifteen days after the hearing examiner 63101
files the report and recommendations, the director shall issue an 63102
order approving, modifying, or disapproving the report and 63103
recommendations. 63104

(h) Notwithstanding the pendency of the hearing, the director 63105
shall lift the order for the suspension of admissions when the 63106
director determines that the violation that formed the basis for 63107
the order has been corrected. 63108

(F) Neither a person or government agency whose application 63109
for a license to operate a residential facility is denied nor a 63110
related party of the person or government agency may apply for a 63111
license to operate a residential facility before the date that is 63112
five years after the date of the denial. Neither a licensee whose 63113
residential facility license is revoked nor a related party of the 63114
licensee may apply for a residential facility license before the 63115
date that is five years after the date of the revocation. 63116

(G) In accordance with Chapter 119. of the Revised Code, the 63117

director shall adopt and may amend and rescind rules for licensing 63118
and regulating the operation of residential facilities. The rules 63119
for residential facilities that are ICFs/IID may differ from those 63120
for other residential facilities. The rules shall establish and 63121
specify the following: 63122

(1) Procedures and criteria for issuing and renewing 63123

length of the licensing period that the director must specify for 63125
each license when it is issued or renewed; 63126

(2) Procedures and criteria for denying, refusing to renew, 63127

(H)(1) Before issuing a license, the director shall conduct a 63146
survey of the residential facility for which application is made. 63147

The director shall conduct a survey of each licensed residential facility at least once during the period the license is valid and may conduct additional inspections as needed. A survey includes but is not limited to an on-site examination and evaluation of the residential facility, its personnel, and the services provided there. The director may assign to a county board of developmental disabilities or the department of health the responsibility to conduct any survey or inspection under this section.

(2) In conducting surveys, the director shall be given access to the residential facility; all records, accounts, and any other documents related to the operation of the facility; the licensee; the residents of the facility; and all persons acting on behalf of, under the control of, or in connection with the licensee. circumstance, the licensee may not submit a plan of correction. 63180

(5) After a plan of correction is submitted, the director 63181
shall approve or disapprove the plan. If the plan of correction is 63182
approved, a copy of the approved plan shall be provided, not later 63183
than five business days after it is approved, to any person or 63184
government entity who requests it and made available on the 63185
internet web site maintained by the department of developmental 63186
disabilities. If the plan of correction is not approved and the 63187
director initiates a proceeding to revoke the license, a copy of 63188
the survey report shall be provided to any person or government 63189
entity that requests it and shall be made available on the 63190
internet web site maintained by the department. 63191

(6) The director shall initiate disciplinary action against 63192
any department employee who notifies or causes the notification to 63193
any unauthorized person of an unannounced survey of a residential 63194
facility by an authorized representative of the department. 63195

(I) In addition to any other information which may be 63196
required of applicants for a license pursuant to this section, the 63197
director shall require each applicant to provide a copy of an 63198
approved plan for a proposed residential facility pursuant to 63199
section 5123.042 of the Revised Code. This division does not apply 63200
to renewal of a license or to an applicant for an initial or 63201
modified license who meets the requirements of section 5123.197 of 63202
the Revised Code. 63203

(J)(1) A licensee shall notify the owner of the building in 63204
which the licensee's residential facility is located of any 63205
significant change in the identity of the licensee or management 63206

(2) Pursuant to rules, which shall be adopted in accordance 63209

with Chapter 119. of the Revised Code, the director may require 63210
notification to the department of any significant change in the 63211
ownership of a residential facility or in the identity of the 63212
licensee or management contractor. If the director determines that 63213
a significant change of ownership is proposed, the director shall 63214
consider the proposed change to be an application for development 63215
by a new operator pursuant to section 5123.042 of the Revised Code 63216
and shall advise the applicant within sixty days of the 63217
notification that the current license shall continue in effect or 63218
a new license will be required pursuant to this section. If the 63219
director requires a new license, the director shall permit the 63220
facility to continue to operate under the current license until 63221
the new license is issued, unless the current license is revoked, 63222
refused to be renewed, or terminated in accordance with Chapter 63223
119. of the Revised Code. 63224

(3) A licensee shall transfer to the new licensee or 63225
management contractor all records related to the residents of the 63226
facility following any significant change in the identity of the 63227
licensee or management contractor. 63228

(K) A county board of developmental disabilities and any 63229
interested person may file complaints alleging violations of 63230
statute or department rule relating to residential facilities with 63231
the department. All complaints shall state the facts constituting 63232
the basis of the allegation. The department shall not reveal the 63233
source of any complaint unless the complainant agrees in writing 63234
to waive the right to confidentiality or until so ordered by a 63235
court of competent jurisdiction. 63236

The department shall adopt rules in accordance with Chapter 63237
119. of the Revised Code establishing procedures for the receipt, 63238
referral, investigation, and disposition of complaints filed with 63239
the department under this division. 63240

(L) Before issuing a license under this section to a 63241

residential facility that will accommodate at any time more than 63242
one individual with a developmental disability, the director 63243
shall, by first class mail, notify the following: 63244

(1) If the facility will be located in a municipal 63245
corporation, the clerk of the legislative authority of the 63246
municipal corporation; 63247

(2) If the facility will be located in unincorporated 63248
territory, the clerk of the appropriate board of county 63249
commissioners and the fiscal officer of the appropriate board of 63250
township trustees. 63251

The director shall not issue the license for ten days after 63252

holidays, in order to give the notified local officials time in 63254
which to comment on the proposed issuance. 63255

Any legislative authority of a municipal corporation, board 63256
of county commissioners, or board of township trustees that 63257
receives notice under this division of the proposed issuance of a 63258
license for a residential facility may comment on it in writing to 63259
the director within ten days after the director mailed the notice, 63260
excluding Saturdays, Sundays, and legal holidays. If the director 63261
receives written comments from any notified officials within the 63262
specified time, the director shall make written findings 63263
concerning the comments and the director's decision on the 63264
issuance of the license. If the director does not receive written 63265
comments from any notified local officials within the specified 63266
time, the director shall continue the process for issuance of the 63267
license. 63268

(M) Any person may operate a licensed residential facility 63269
that provides room and board, personal care, habilitation 63270
services, and supervision in a family setting for at least six but 63271
not more than eight individuals with developmental disabilities as 63272

a permitted use in any residential district or zone, including any 63273
single-family residential district or zone, of any political 63274
subdivision. These residential facilities may be required to 63275
comply with area, height, yard, and architectural compatibility 63276
requirements that are uniformly imposed upon all single-family 63277
residences within the district or zone. 63278

(N) Any person may operate a licensed residential facility 63279
that provides room and board, personal care, habilitation 63280
services, and supervision in a family setting for at least nine 63281
but not more than sixteen individuals with developmental 63282
disabilities as a permitted use in any multiple-family residential 63283
district or zone of any political subdivision, except that a 63284
political subdivision that has enacted a zoning ordinance or 63285
resolution establishing planned unit development districts may 63286
exclude these residential facilities from those districts, and a 63287
political subdivision that has enacted a zoning ordinance or 63288
resolution may regulate these residential facilities in 63289
multiple-family residential districts or zones as a conditionally 63290
permitted use or special exception, in either case, under 63291
reasonable and specific standards and conditions set out in the 63292
zoning ordinance or resolution to: 63293

(1) Require the architectural design and site layout of the 63294
residential facility and the location, nature, and height of any 63295
walls, screens, and fences to be compatible with adjoining land 63296
uses and the residential character of the neighborhood; 63297

(2) Require compliance with yard, parking, and sign 63298
regulation; 63299

(3) Limit excessive concentration of these residential 63300
facilities. 63301

(O) This section does not prohibit a political subdivision 63302
from applying to residential facilities nondiscriminatory 63303

regulations requiring compliance with health, fire, and safety 63304
regulations and building standards and regulations. 63305

(P) Divisions (M) and (N) of this section are not applicable 63306
to municipal corporations that had in effect on June 15, 1977, an 63307
ordinance specifically permitting in residential zones licensed 63308
residential facilities by means of permitted uses, conditional 63309
uses, or special exception, so long as such ordinance remains in 63310
effect without any substantive modification. 63311

(Q)(1) The director may issue an interim license to operate a 63312
residential facility to an applicant for a license under this 63313
section if either of the following is the case: 63314

(a) The director determines that an emergency exists 63315
requiring immediate placement of individuals in a residential 63316
facility, that insufficient licensed beds are available, and that 63317
the residential facility is likely to receive a permanent license 63318
under this section within thirty days after issuance of the 63319
interim license. 63320

(b) The director determines that the issuance of an interim 63321
license is necessary to meet a temporary need for a residential 63322
facility. 63323

(2) To be eligible to receive an interim license, an 63324
applicant must meet the same criteria that must be met to receive 63325
a permanent license under this section, except for any differing 63326
procedures and time frames that may apply to issuance of a 63327
permanent license. 63328

(3) An interim license shall be valid for thirty days and may 63329
be renewed by the director for a period not to exceed one hundred 63330
eighty days. 63331

(4) The director shall adopt rules in accordance with Chapter 63332
119. of the Revised Code as the director considers necessary to 63333
administer the issuance of interim licenses. 63334

(R) Notwithstanding rules adopted pursuant to this section 63335
establishing the maximum number of individuals who may be served 63336
in a particular type of residential facility, a residential 63337
facility shall be permitted to serve the same number of 63338
individuals being served by the facility on the effective date of 63339
the rules or the number of individuals for which the facility is 63340
authorized pursuant to a current application for a certificate of 63341
need with a letter of support from the department of developmental 63342
disabilities and which is in the review process prior to April 4, 63343
1986. 63344

This division does not preclude the department from 63345
suspending new admissions to a residential facility pursuant to a 63346
written order issued under section 5124.70 of the Revised Code. 63347

(S) The director may enter at any time, for purposes of 63348
investigation, any home, facility, or other structure that has 63349
been reported to the director or that the director has reasonable 63350
cause to believe is being operated as a residential facility 63351
without a license issued under this section. 63352

The director may petition the court of common pleas of the 63353
county in which an unlicensed residential facility is located for 63354
an order enjoining the person or governmental agency operating the 63355
facility from continuing to operate without a license. The court 63356
may grant the injunction on a showing that the person or 63357
governmental agency named in the petition is operating a 63358
residential facility without a license. The court may grant the 63359
injunction, regardless of whether the residential facility meets 63360
the requirements for receiving a license under this section. 63361
