private child placing agency. 189845

(2) A child who is placed in a planned permanent living 189846
arrangement pursuant to division (A)(5)(b) or (c) of this section 189847
shall be placed in an independent living setting or in a family 189848
setting in which the caregiver has been provided by the agency 189849

that has custody of the child with a notice that addresses the 189850
following: 189851

(a) The caregiver understands that the planned permanent 189852
living arrangement is intended to be permanent in nature and that 189853
the caregiver will provide a stable placement for the child 189854
through the child's emancipation or until the court releases the 189855
child from the custody of the agency, whichever occurs first. 189856

(b) The caregiver is expected to actively participate in the 189857

(3) The department of job and family services shall develop a 189863
model notice to be provided by an agency that has custody of a 189864
child to a caregiver under division (B)(2) of this section. The 189865
agency may modify the model notice to apply to the needs of the 189866
agency. 189867

(C) No order for permanent custody or temporary custody of a 189868
child or the placement of a child in a planned permanent living 189869
arrangement shall be made pursuant to this section unless the 189870
complaint alleging the abuse, neglect, or dependency contains a 189871
prayer requesting permanent custody, temporary custody, or the 189872
placement of the child in a planned permanent living arrangement 189873
as desired, the summons served on the parents of the child 189874
contains as is appropriate a full explanation that the granting of 189875
an order for permanent custody permanently divests them of their 189876
parental rights, a full explanation that an adjudication that the 189877
child is an abused, neglected, or dependent child may result in an 189878
order of temporary custody that will cause the removal of the 189879
child from their legal custody until the court terminates the 189880
order of temporary custody or permanently divests the parents of 189881

their parental rights, or a full explanation that the granting of 189882
an order for a planned permanent living arrangement will result in 189883
the removal of the child from their legal custody if any of the 189884
conditions listed in divisions (A)(5)(a) to (c) of this section 189885
are found to exist, and the summons served on the parents contains 189886
a full explanation of their right to be represented by counsel and 189887
to have counsel appointed pursuant to Chapter 120. of the Revised 189888
Code if they are indigent. 189889

If after making disposition as authorized by division (A)(2) 189890
of this section, a motion is filed that requests permanent custody 189891
of the child, the court may grant permanent custody of the child 189892
to the movant in accordance with section 2151.414 of the Revised 189893
Code. 189894

(D) If the court issues an order for protective supervision 189895
pursuant to division (A)(1) of this section, the court may place 189896
any reasonable restrictions upon the child, the child's parents, 189897
guardian, or custodian, or any other person, including, but not 189898
limited to, any of the following: 189899

(1) Order a party, within forty-eight hours after the 189900
issuance of the order, to vacate the child's home indefinitely or 189901
for a specified period of time; 189902

(2) Order a party, a parent of the child, or a physical 189903
custodian of the child to prevent any particular person from 189904
having contact with the child; 189905

(3) Issue an order restraining or otherwise controlling the 189906
conduct of any person which conduct would not be in the best 189907
interest of the child. 189908

(E) As part of its dispositional order, the court shall 189909
journalize a case plan for the child. The journalized case plan 189910
shall not be changed except as provided in section 2151.412 of the 189911
Revised Code. 189912

(F)(1) The court shall retain jurisdiction over any child for 189913
whom the court issues an order of disposition pursuant to division 189914
(A) of this section or pursuant to section 2151.414 or 2151.415 of 189915
the Revised Code until the child attains the age of eighteen years 189916
if the child does not have a developmental disability or physical 189917
impairment, the child attains the age of twenty-one years if the 189918
child has a developmental disability or physical impairment, or 189919
the child is adopted and a final decree of adoption is issued, 189920
except that the court may retain jurisdiction over the child and 189921
continue any order of disposition under division (A) of this 189922
section or under section 2151.414 or 2151.415 of the Revised Code 189923
for a specified period of time to enable the child to graduate 189924
from high school or vocational school. The court shall make an 189925
entry continuing its jurisdiction under this division in the 189926
journal. 189927

(2) Any public children services agency, any private child 189928
placing agency, the department of job and family services, or any 189929
party, other than any parent whose parental rights with respect to 189930
the child have been terminated pursuant to an order issued under 189931
division (A)(4) of this section, by filing a motion with the 189932
court, may at any time request the court to modify or terminate 189933
any order of disposition issued pursuant to division (A) of this 189934
section or section 2151.414 or 2151.415 of the Revised Code. The 189935
court shall hold a hearing upon the motion as if the hearing were 189936
the original dispositional hearing and shall give all parties to 189937
the action and the guardian ad litem notice of the hearing 189938
pursuant to the Juvenile Rules. If applicable, the court shall 189939
comply with section 2151.42 of the Revised Code. 189940

(G) Any temporary custody order issued pursuant to division 189941
(A) of this section shall terminate one year after the earlier of 189942
the date on which the complaint in the case was filed or the child 189943
was first placed into shelter care, except that, upon the filing 189944

of a motion pursuant to section 2151.415 of the Revised Code, the 189945
temporary custody order shall continue and not terminate until the 189946
court issues a dispositional order under that section. In 189947
resolving the motion, the court shall not order an existing 189948
temporary custody order to continue beyond two years after the 189949
date on which the complaint was filed or the child was first 189950
placed into shelter care, whichever date is earlier, regardless of 189951
whether any extensions have been previously ordered pursuant to 189952
division (D) of section 2151.415 of the Revised Code. 189953

(H)(1) No later than one year after the earlier of the date 189954
the complaint in the case was filed or the child was first placed 189955
in shelter care, a party may ask the court to extend an order for 189956
protective supervision for six months or to terminate the order. A 189957
party requesting extension or termination of the order shall file 189958
a written request for the extension or termination with the court 189959
and give notice of the proposed extension or termination in 189960
writing before the end of the day after the day of filing it to 189961
all parties and the child's guardian ad litem. If a public 189962
children services agency or private child placing agency requests 189963
termination of the order, the agency shall file a written status 189964
report setting out the facts supporting termination of the order 189965
at the time it files the request with the court. If no party 189966
requests extension or termination of the order, the court shall 189967
notify the parties that the court will extend the order for six 189968
months or terminate it and that it may do so without a hearing 189969
unless one of the parties requests a hearing. All parties and the 189970
guardian ad litem shall have seven days from the date a notice is 189971
sent pursuant to this division to object to and request a hearing 189972
on the proposed extension or termination. 189973

(a) If it receives a timely request for a hearing, the court 189974
shall schedule a hearing to be held no later than thirty days 189975
after the request is received by the court. The court shall give 189976

notice of the date, time, and location of the hearing to all 189977
parties and the guardian ad litem. At the hearing, the court shall 189978
determine whether extension or termination of the order is in the 189979
child's best interest. If termination is in the child's best 189980
interest, the court shall terminate the order. If extension is in 189981
the child's best interest, the court shall extend the order for 189982
six months. 189983

(b) If it does not receive a timely request for a hearing, 189984
the court may extend the order for six months or terminate it 189985
without a hearing and shall journalize the order of extension or 189986
termination not later than fourteen days after receiving the 189987
request for extension or termination or after the date the court 189988
notifies the parties that it will extend or terminate the order. 189989
If the court does not extend or terminate the order, it shall 189990
schedule a hearing to be held no later than thirty days after the 189991
expiration of the applicable fourteen-day time period and give 189992
notice of the date, time, and location of the hearing to all 189993
parties and the child's guardian ad litem. At the hearing, the 189994
court shall determine whether extension or termination of the 189995
order is in the child's best interest. If termination is in the 189996
child's best interest, the court shall terminate the order. If 189997
extension is in the child's best interest, the court shall issue 189998
an order extending the order for protective supervision six 189999
months. 190000

(2) If the court grants an extension of the order for 190001
protective supervision pursuant to division (H)(1) of this 190002
section, a party may, prior to termination of the extension, file 190003
with the court a request for an additional extension of six months 190004
or for termination of the order. The court and the parties shall 190005
comply with division (H)(1) of this section with respect to 190006
extending or terminating the order. 190007

(3) If a court grants an extension pursuant to division 190008

(H)(2) of this section, the court shall terminate the order for protective supervision at the end of the extension.

(I) The court shall not issue a dispositional order pursuant to division (A) of this section that removes a child from the child's home unless the court complies with section 2151.419 of the Revised Code and includes in the dispositional order the findings of fact required by that section.

(J) If a motion or application for an order described in division (A)(6) of this section is made, the court shall not issue the order unless, prior to the issuance of the order, it provides to the person all of the following:

(1) Notice and a copy of the motion or application;

(2) The grounds for the motion or application;

(3) An opportunity to present evidence and witnesses at a hearing regarding the motion or application;

(4) An opportunity to be represented by counsel at the hearing.

(K) The jurisdiction of the court shall terminate one year after the date of the award or, if the court takes any further action in the matter subsequent to the award, the date of the latest further action subsequent to the award, if the court awards legal custody of a child to either of the following:

(1) A legal custodian who, at the time of the award of legal custody, resides in a county of this state other than the county in which the court is located;

(2) A legal custodian who resides in the county in which the court is located at the time of the award of legal custody, but moves to a different county of this state prior to one year after the date of the award or, if the court takes any further action in the matter subsequent to the award, one year after the date of the

latest further action subsequent to the award. 190039

The court in the county in which the legal custodian resides 190040

then shall have jurisdiction in the matter. 190041

Sec. 2151.357. (A) If the court orders the records of a 190042

person sealed pursuant to section 2151.356 of the Revised Code, 190043

the person who is subject of the order properly may, and the court 190044

(2) Except as provided in division (C) of this section, 190051

delete all index references to the case and the person so that the 190052

references are permanently irretrievable; 190053

(3) Order that all original records of the case maintained by 190054

any public office or agency, except fingerprints held by a law 190055

enforcement agency, DNA specimens collected pursuant to section 190056

specimens pursuant to section 109.573 of the Revised Code, be 190058

delivered to the court; 190059

(4) Order each public office or agency, upon the delivering 190060

of records to the court under division (A)(3) of this section, to 190061

expunge remaining records of the case that are the subject of the 190062

sealing order that are maintained by that public office or agency, 190063

except fingerprints, DNA specimens, and DNA records described 190064

under division (A)(3) of this section; 190065

(5) Send notice of the order to seal to any public office or 190066

the sealed record including, but not limited to, the bureau of 190068

criminal identification and investigation; 190069

(6) Seal all of the records delivered to the court under 190070
division (A)(3) of this section, in a separate file in which only 190071
sealed records are maintained. 190072

order to seal under section 2151.356 of the Revised Code applies 190074
to every public office or agency that has a record relating to the 190075
case, regardless of whether it receives notice of the hearing on 190076
the sealing of the record or a copy of the order. Except as 190077

of a person whose record has been sealed and the presentation of a 190079
copy of the order and compliance with division (A)(3) of this 190080
section, a public office or agency shall expunge its record 190081
relating to the case, except a record of the adjudication or 190082
arrest or taking into custody that is maintained for compiling 190083
statistical data and that does not contain any reference to the 190084
person who is the subject of the order. 190085

section may maintain a manual or computerized index of the sealed 190087
records and shall make the index available only for the purposes 190088

An order issued under section 2151.356 of the Revised Code to seal the record of an adjudication that an individual is a delinquent child does not revoke the adjudication order of the ~~superintendent of public instruction~~ director of education and workforce to permanently exclude the individual who is the subject of the sealing order. An order to seal the record of an adjudication that an individual is a delinquent child may be presented to a district superintendent as evidence to support the contention that the superintendent should recommend that the permanent exclusion of the individual who is the subject of the sealing order be revoked. Except as otherwise authorized by this division and sections 3301.121 and 3313.662 of the Revised Code, any school employee in possession of or having access to the sealed adjudication records of an individual that were the basis of a permanent exclusion of the individual is subject to division (F) of this section.

- (3) Upon application by the person who is the subject of the 190137
sealed records, by the person that is named in that application; 190138

violation of division (E)(1) of section 4301.69 of the Revised 190140
Code, by any law enforcement officer or any prosecutor, or the 190141
assistants of a law enforcement officer or prosecutor, for the 190142
purpose of determining whether the person is eligible for 190143
diversion under division (E)(2) of section 4301.69 of the Revised 190144
Code; 190145
- (5) At the request of a party in a civil action that is based 190146

the civil action. The party also may copy the records as needed 190149

the civil action and are otherwise confidential and subject to the 190151
provisions of this section; 190152
- (6) By the attorney general or an authorized employee of the 190153

purposes of Chapter 2950. of the Revised Code. 190157
- (F) No officer or employee of the state or any of its 190158
political subdivisions shall knowingly release, disseminate, or 190159
make available for any purpose involving employment, bonding, 190160
licensing, or education to any person or to any department, 190161

agency, or other instrumentality of the state or of any of its 190162
political subdivisions any information or other data concerning 190163
any arrest, taking into custody, complaint, indictment, 190164
information, trial, hearing, adjudication, or correctional 190165
supervision, the records of which have been sealed pursuant to 190166
section 2151.356 of the Revised Code and the release, 190167
dissemination, or making available of which is not expressly 190168
permitted by this section. Whoever violates this division is 190169
guilty of divulging confidential information, a misdemeanor of the 190170
fourth degree. 190171

(G) In any application for employment, license, or other 190172
right or privilege, any appearance as a witness, or any other 190173

because of the arrest or taking into custody or the response. 190179

(H) The judgment rendered by the court under this chapter 190180
shall not impose any of the civil disabilities ordinarily imposed 190181
by conviction of a crime in that the child is not a criminal by 190182
reason of the adjudication, and no child shall be charged with or 190183
convicted of a crime in any court except as provided by this 190184
chapter. The disposition of a child under the judgment rendered or 190185
any evidence given in court shall not operate to disqualify a 190186
child in any future civil service examination, appointment, or 190187
application. Evidence of a judgment rendered and the disposition 190188
of a child under the judgment is not admissible to impeach the 190189
credibility of the child in any action or proceeding. Otherwise, 190190
the disposition of a child under the judgment rendered or any 190191
evidence given in court is admissible as evidence for or against 190192
the child in any action or proceeding in any court in accordance 190193

with the Rules of Evidence and also may be considered by any court 190194
as to the matter of sentence or to the granting of probation, and 190195
a court may consider the judgment rendered and the disposition of 190196
a child under that judgment for purposes of determining whether 190197
the child, for a future criminal conviction or guilty plea, is a 190198
repeat violent offender, as defined in section 2929.01 of the 190199
Revised Code. 190200

Sec. 2151.362. (A)(1) In the manner prescribed by division 190201
(C)(1) or (2) of section 3313.64 of the Revised Code, as 190202
applicable, the court, at the time of making any order that 190203
removes a child from the child's own home or that vests legal or 190204
permanent custody of the child in a person other than the child's 190205
parent or a government agency, shall determine the school district 190206
that is to bear the cost of educating the child. The court shall 190207
make the determination a part of the order that provides for the 190208
child's placement or commitment. That school district shall bear 190209
the cost of educating the child unless and until the department of 190210
education and workforce determines that a different district shall 190211
be responsible for bearing that cost pursuant to division (A)(2) 190212
of this section. The court's order shall state that the 190213
determination of which school district is responsible to bear the 190214
cost of educating the child is subject to re-determination by the 190215
department pursuant to that division. 190216

(2) If, while the child is in the custody of a person other 190217
than the child's parent or a government agency, the department of 190218
education and workforce determines that the place of residence of 190219
the child's parent has changed since the court issued its initial 190220
order, the department may name a different school district to bear 190221
the cost of educating the child. The department shall make this 190222
new determination, and any future determinations, based on 190223
evidence received from the school district currently responsible 190224
to bear the cost of educating the child. If the department finds 190225

that the evidence demonstrates to its satisfaction that the residence of the child's parent has changed since the court issued its initial order under division (A)(1) of this section, or since the department last made a determination under division (A)(2) of this section, the department shall name the district in which the child's parent currently resides or, if the parent's residence is not known, the district in which the parent's last known residence is located. If the department cannot determine any Ohio district in which the parent currently resides or has resided, the school district designated in the initial court order under division (A)(1) of this section, or in the most recent determination made by the department under division (A)(2) of this section, shall continue to bear the cost of educating the child.

(B) Whenever a child is placed in a detention facility established under section 2152.41 of the Revised Code or a juvenile facility established under section 2151.65 of the Revised Code, the facility shall be responsible for coordinating the education of the child. The facility may take any of the following measures in coordinating the education of the child:

(1) If applicable, use the chartered nonpublic school that the facility operates;

(2) Arrange with the school district responsible for bearing the cost of educating the child determined under division (A) of this section, for the facility to educate the child on its own;

(3) Contract with an educational service center for the service center to educate the child;

(4) Contract with the school district in which the facility is located for that school district to educate the child;

(5) If the child is enrolled in an internet- or computer-based community school established under Chapter 3314. of the Revised Code, and provided that the facility possesses the

necessary hardware, software, and internet connectivity, permit 190257
continued instruction of the child by the internet- or 190258
computer-based community school. 190259

If the facility coordinates the education of the child 190260
pursuant to division (B)(1), (2), (3), or (4) of this section, 190261
child's school district as determined by the court or the 190262
department, in the same manner as prescribed in division (A) of 190263
this section, shall pay the cost of educating the child based on 190264
the per capita cost of the educational facility within the 190265
detention home or juvenile facility. 190266

If the facility coordinates the education of the child 190267
pursuant to division (B)(5) of this section, payment for the cost 190268
of educating the child shall be made only as provided in section 190269
3317.022 of the Revised Code. 190270

(C) Whenever a child is placed by the court in a private 190271
institution, school, or residential treatment center or any other 190272
private facility, the state shall pay to the court a subsidy to 190273
help defray the expense of educating the child in an amount equal 190274
to the product of the daily per capita educational cost of the 190275
private facility, as determined pursuant to this section, and the 190276
number of days the child resides at the private facility, provided 190277
that the subsidy shall not exceed twenty-five hundred dollars per 190278
year per child. The daily per capita educational cost of a private 190279
facility shall be determined by dividing the actual program cost 190280
of the private facility or twenty-five hundred dollars, whichever 190281
is less, by three hundred sixty-five days or by three hundred 190282
sixty-six days for years that include February twenty-ninth. The 190283
state shall pay seventy-five per cent of the total subsidy for 190284
each year quarterly to the court. The state may adjust the 190285
remaining twenty-five per cent of the total subsidy to be paid to 190286
the court for each year to an amount that is less than twenty-five 190287
per cent of the total subsidy for that year based upon the 190288

availability of funds appropriated to the department of education 190289
for the purpose of subsidizing courts that place a child in a 190290
private institution, school, or residential treatment center or 190291
any other private facility and shall pay that adjusted amount to 190292

notification under this section, or upon the motion of the 192230
sentencing judge or that judge's successor in office, the judge 192231

justice would be served by suspending the community notification 192233
requirement under this section in relation to the offender. The 192234
judge may dismiss the motion without a hearing but may not issue 192235
an order suspending the community notification requirement without 192236
a hearing. At the hearing, all parties are entitled to be heard, 192237
and the judge shall consider all of the factors set forth in 192238

may suspend the application of this section in relation to the 192245
offender. The order shall contain both of these findings. 192246

The judge promptly shall serve a copy of the order upon the sheriff with whom the offender most recently registered under section 2950.04, 2950.041, or 2950.05 of the Revised Code and upon the bureau of criminal identification and investigation.

(2) A prosecuting attorney, a sentencing judge or that judge's successor in office, and an offender who is subject to the community notification requirement under this section may initially make a motion under division (H)(1) of this section upon the expiration of twenty years after the offender's duty to comply with division (A)(2), (3), or (4) of section 2950.04, division (A)(2), (3), or (4) of section 2950.041 and sections 2950.05 and 2950.06 of the Revised Code begins in relation to the offense for which the offender is subject to community notification. After the initial making of a motion under division (H)(1) of this section, thereafter, the prosecutor, judge, and offender may make a subsequent motion under that division upon the expiration of five years after the judge has entered an order denying the initial motion or the most recent motion made under that division.

school district that maintains records of an individual who has 192460
been permanently excluded under sections 3301.121 and 3313.662 of 192461
the Revised Code is permitted to maintain records regarding a 192462
conviction that was used as the basis for the individual's 192463

permanent exclusion, regardless of a court order to seal or 192464
expunge the record. An order issued under this section to seal or 192465
expunge the record of a conviction does not revoke the 192466
adjudication order of the ~~superintendent of public instruction~~ 192467
director of education and workforce to permanently exclude the 192468
individual who is the subject of the sealing or expungement order. 192469
An order issued under this section to seal or expunge the record 192470
of a conviction of an individual may be presented to a district 192471
superintendent as evidence to support the contention that the 192472
superintendent should recommend that the permanent exclusion of 192473
the individual who is the subject of the sealing or expungement 192474
order be revoked. Except as otherwise authorized by this division 192475
and sections 3301.121 and 3313.662 of the Revised Code, any school 192476
employee in possession of or having access to the sealed or 192477
expunged conviction records of an individual that were the basis 192478
of a permanent exclusion of the individual is subject to division 192479
(J) of this section. 192480

(E) Notwithstanding any provision of this section or section 192481
2953.32 of the Revised Code that requires otherwise, if the 192482
auditor of state or a prosecutor maintains records, reports, or 192483
audits of an individual who has been forever disqualified from 192484
holding public office, employment, or a position of trust in this 192485
state under sections 2921.41 and 2921.43 of the Revised Code, or 192486
has otherwise been convicted of an offense based upon the records, 192487
reports, or audits of the auditor of state, the auditor of state 192488
or prosecutor is permitted to maintain those records to the extent 192489
they were used as the basis for the individual's disqualification 192490
or conviction, and shall not be compelled by court order to seal 192491
or expunge those records. 192492

(F) For purposes of sections 2953.31 and 2953.34 of the 192493
Revised Code, DNA records collected in the DNA database and 192494
fingerprints filed for record by the superintendent of the bureau 192495

of criminal identification and investigation shall not be sealed 192496
or expunged unless the superintendent receives a certified copy of 192497
a final court order establishing that the offender's conviction 192498
has been overturned. For purposes of this section, a court order 192499
is not "final" if time remains for an appeal or application for 192500
discretionary review with respect to the order. 192501

(G) The sealing of a record under this section does not 192502
affect the assessment of points under section 4510.036 of the 192503
Revised Code and does not erase points assessed against a person 192504
as a result of the sealed record. 192505

(H)(1) The court shall send notice of any order to seal 192506
official records issued pursuant to division (B)(3) of section 192507
2953.33 of the Revised Code to the bureau of criminal 192508
identification and investigation and shall send notice of any 192509
order issued pursuant to division (B)(4) of that section to any 192510
public office or agency that the court knows or has reason to 192511
believe may have any record of the case, whether or not it is an 192512
official record, that is the subject of the order. 192513

(2) A person whose official records have been sealed pursuant 192514
to an order issued pursuant to section 2953.33 of the Revised Code 192515
may present a copy of that order and a written request to comply 192516
with it, to a public office or agency that has a record of the 192517
case that is the subject of the order. 192518

(3) An order to seal official records issued pursuant to 192519
section 2953.33 of the Revised Code applies to every public office 192520
or agency that has a record of the case that is the subject of the 192521
order, regardless of whether it receives notice of the hearing on 192522
the application for the order to seal the official records or 192523
receives a copy of the order to seal the official records pursuant 192524
to division (H)(1) or (2) of this section. 192525

(4) Upon receiving a copy of an order to seal official 192526

records pursuant to division (H)(1) or (2) of this section or upon 192527
otherwise becoming aware of an applicable order to seal official 192528
records issued pursuant to section 2953.33 of the Revised Code, a 192529
public office or agency shall comply with the order and, if 192530
applicable, with division (K) of this section, except that it may 192531
maintain a record of the case that is the subject of the order if 192532
the record is maintained for the purpose of compiling statistical 192533

No school district board shall excuse any English learner from taking any particular assessment required to be administered under this section, except as follows:

(a) Any English learner who has been enrolled in United States schools for less than two years and for whom no appropriate accommodations are available based on guidance issued by the department shall not be required to take the assessment prescribed under division (B)(1) of section 3301.0712 of the Revised Code.

(b) Any English learner who has been enrolled in United States schools for less than one full school year shall not be

193749

However, no board shall prohibit an English learner who is 193750
not required to take an assessment under division (C)(3) of this 193751
section from taking the assessment. A board may permit any English 193752
learner to take an assessment required to be administered under 193753
this section with appropriate accommodations, as determined by the 193754
department. For each English learner, each school district shall 193755
annually assess that student's progress in learning English, in 193756
accordance with procedures approved by the department. 193757

(4)(a) The governing authority of a chartered nonpublic 193758
school may excuse an English learner from taking any assessment 193759
administered under this section. 193760

(b) No governing authority shall require an English learner 193761
who has been enrolled in United States schools for less than two 193762
years and for whom no appropriate accommodations are available 193763
based on guidance issued by the department to take the assessment 193764
prescribed under division (B)(1) of section 3301.0712 of the 193765
Revised Code. 193766

(c) No governing authority shall prohibit an English learner 193767
from taking an assessment from which the student was excused under 193768
division (C)(4) of this section. 193769

(D)(1) In the school year next succeeding the school year in 193770
which the assessments prescribed by division (A)(1) or (B)(1) of 193771
section 3301.0710 of the Revised Code or former division (A)(1), 193772
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 193773

student, the board of education of any school district in which 193775
the student is enrolled in that year shall provide to the student 193776
intervention services commensurate with the student's performance, 193777
including any intensive intervention required under section 193778

3313.608 of the Revised Code, in any skill in which the student 193779
failed to demonstrate at least a score at the proficient level on 193780
the assessment. 193781

(2) Following any administration of the assessments 193782
prescribed by division (D) of section 3301.0710 of the Revised 193783
Code to ninth grade students, each school district that has a 193784
three-year average graduation rate of not more than seventy-five 193785
per cent shall determine for each high school in the district 193786
whether the school shall be required to provide intervention 193787
services to any students who took the assessments. In determining 193788
which high schools shall provide intervention services based on 193789
the resources available, the district shall consider each school's 193790
graduation rate and scores on the practice assessments. The 193791
district also shall consider the scores received by ninth grade 193792
students on the English language arts and mathematics assessments 193793
prescribed under division (A)(1)(f) of section 3301.0710 of the 193794
Revised Code in the eighth grade in determining which high schools 193795
shall provide intervention services. 193796

Each high school selected to provide intervention services 193797
under this division shall provide intervention services to any 193798
student whose results indicate that the student is failing to make 193799
satisfactory progress toward being able to attain scores at the 193800
proficient level on the Ohio graduation tests. Intervention 193801
services shall be provided in any skill in which a student 193802
demonstrates unsatisfactory progress and shall be commensurate 193803
with the student's performance. Schools shall provide the 193804
intervention services prior to the end of the school year, during 193805
the summer following the ninth grade, in the next succeeding 193806
school year, or at any combination of those times. 193807

(E) Except as provided in section 3313.608 of the Revised 193808
Code and division (N) of this section, no school district board of 193809
education shall utilize any student's failure to attain a 193810

specified score on an assessment administered under this section 193811
as a factor in any decision to deny the student promotion to a 193812
higher grade level. However, a district board may choose not to 193813
promote to the next grade level any student who does not take an 193814
assessment administered under this section or make up an 193815
assessment as provided by division (C)(2) of this section and who 193816
is not exempt from the requirement to take the assessment under 193817
division (C)(3) of this section. 193818

(F) No person shall be charged a fee for taking any 193819
assessment administered under this section. 193820

(G)(1) Each school district board shall designate one 193821
location for the collection of assessments administered in the 193822
spring under division (B)(1) of this section and those 193823
administered under divisions (B)(2) to (7) of this section. Each 193824
district board shall submit the assessments to the entity with 193825
which the department contracts for the scoring of the assessments 193826
as follows: 193827

(a) If the district's total enrollment in grades kindergarten 193828
through twelve during the first full school week of October was 193829
less than two thousand five hundred, not later than the Friday 193830
after all of the assessments have been administered; 193831

(b) If the district's total enrollment in grades kindergarten 193832
through twelve during the first full school week of October was 193833
two thousand five hundred or more, but less than seven thousand, 193834
not later than the Monday after all of the assessments have been 193835
administered; 193836

(c) If the district's total enrollment in grades kindergarten 193837
through twelve during the first full school week of October was 193838
seven thousand or more, not later than the Tuesday after all of 193839
the assessments have been administered. 193840

However, any assessment that a student takes during the 193841

make-up period described in division (C)(2) of this section shall 193842
be submitted not later than the Friday following the day the 193843
student takes the assessment. 193844

(2) The department or an entity with which the department 193845
contracts for the scoring of the assessment shall send to each 193846
school district board a list of the individual scores of all 193847
persons taking a state achievement assessment as follows: 193848

(a) Except as provided in division (G)(2)(b) or (c) of this 193849
section, within forty-five days after the administration of the 193850
assessments prescribed by sections 3301.0710 and 3301.0712 of the 193851
Revised Code, but in no case shall the scores be returned later 193852
than the thirtieth day of June following the administration; 193853

(b) In the case of the third-grade English language arts 193854
assessment, within forty-five days after the administration of 193855
that assessment, but in no case shall the scores be returned later 193856
than the fifteenth day of June following the administration; 193857

(c) In the case of the writing component of an assessment or 193858
end-of-course examination in the area of English language arts, 193859
except for the third-grade English language arts assessment, the 193860
results may be sent after forty-five days of the administration of 193861
the writing component, but in no case shall the scores be returned 193862
later than the thirtieth day of June following the administration. 193863

(3) For assessments administered under this section by a 193864
joint vocational school district, the department or entity shall 193865
also send to each city, local, or exempted village school district 193866
a list of the individual scores of any students of such city, 193867
local, or exempted village school district who are attending 193868
school in the joint vocational school district. 193869

(4) Beginning with the 2019-2020 school year, a school 193870
district, other public school, or chartered nonpublic school may 193871
administer the third-grade English language arts or mathematics 193872

assessment, or both, in a paper format in any school year for 193873
which the district board of education or school governing body 193874
adopts a resolution indicating that the district or school chooses 193875
to administer the assessment in a paper format. The board or 193876
governing body shall submit a copy of the resolution to the 193877
department of education and workforce not later than the first day 193878
of May prior to the school year for which it will apply. If the 193879
resolution is submitted, the district or school shall administer 193880
the assessment in a paper format to all students in the third 193881
grade, except that any student whose individualized education 193882
program or plan developed under section 504 of the "Rehabilitation 193883
Act of 1973," 87 Stat. 355, 29 U.S.C. 794, as amended, specifies 193884
that taking the assessment in an online format is an appropriate 193885
accommodation for the student may take the assessment in an online 193886

this section shall be released by a district board only in 193889
accordance with section 3319.321 of the Revised Code and the rules 193890
adopted under division (A) of this section. No district board or 193891
its employees shall utilize individual or aggregate results in any 193892
manner that conflicts with rules for the ethical use of 193893
assessments adopted pursuant to division (A) of this section. 193894

(I) Except as provided in division (G) of this section, the 193895
department or an entity with which the department contracts for 193896
the scoring of the assessment shall not release any individual 193897
scores on any assessment administered under this section. The 193898
~~state board~~ department shall adopt rules to ensure the protection 193899
of student confidentiality at all times. The rules may require the 193900
use of the data verification codes assigned to students pursuant 193901
to division (D)(2) of section 3301.0714 of the Revised Code to 193902

education of any cooperative education school district except as 193906
provided under rules adopted pursuant to this division. 193907

(1) In accordance with rules that the ~~state board~~ department 193908
shall adopt, the board of education of any city, exempted village, 193909

section to students of the city, exempted village, or local school 193915
district who are attending school in the cooperative education 193916
school district. 193917

(2) In accordance with rules that the ~~state board~~ department 193918
shall adopt, the board of education of any city, exempted village, 193919
or local school district with territory in a cooperative education 193920
school district established pursuant to section 3311.521 of the 193921

the chief administrative officer of the school that the parent or 193944
guardian does not wish to have the student take the assessments 193945
prescribed for the student's grade level under division (A) of 193946
section 3301.0710 of the Revised Code. If a parent or guardian 193947

subject area of the assessment. 194046

(iii) Take an alternative assessment approved by the 194047
department under section 3313.619 of the Revised Code. 194048

an assessment described by division (A)(1)(b), (c), (d), (e), or 194102
(f) of section 3301.0710 of the Revised Code as a factor in 194103

(A)(1) of section 3301.0710 of the Revised Code shall become 194107
public records pursuant to section 149.43 of the Revised Code on 194108
the thirty-first day of July following the school year that the 194109

(2) The department may field test proposed questions with 194111
samples of students to determine the validity, reliability, or 194112
appropriateness of questions for possible inclusion in a future 194113
year's assessment. The department also may use anchor questions on 194114
assessments to ensure that different versions of the same 194115
assessment are of comparable difficulty. 194116

Field test questions and anchor questions shall not be 194117
considered in computing scores for individual students. Field test 194118

the Revised Code. 194122

(3) Any field test question or anchor question administered 194123
under division (O)(2) of this section shall not be a public 194124
record. Such field test questions and anchor questions shall be 194125

redacted from any assessments which are released as a public 194126
record pursuant to division (O)(1) of this section. 194127

(4) This division applies to the assessments prescribed by 194128
division (A) of section 3301.0710 of the Revised Code. 194129

(a) The first administration of each assessment, as specified 194130
in former section 3301.0712 of the Revised Code, shall be a public 194131
record. 194132

(b) For subsequent administrations of each assessment prior 194133
to the 2011-2012 school year, not less than forty per cent of the 194134
questions on the assessment that are used to compute a student's 194135
score shall be a public record. The department shall determine 194136
which questions will be needed for reuse on a future assessment 194137
and those questions shall not be public records and shall be 194138
redacted from the assessment prior to its release as a public 194139
record. However, for each redacted question, the department shall 194140
inform each city, local, and exempted village school district of 194141
the statewide academic standard adopted ~~by the state board~~ under 194142
section 3301.079 of the Revised Code and the corresponding 194143
benchmark to which the question relates. The preceding sentence 194144
does not apply to field test questions that are redacted under 194145
division (O)(3) of this section. 194146

(c) The administrations of each assessment in the 2011-2012, 194147
2012-2013, and 2013-2014 school years shall not be a public 194148
record. 194149

(5) Each assessment prescribed by division (B)(1) of section 194150

required by this section, the district shall bear the full cost of 195016
conducting the hearing and of issuing any revised report card. 195017

(7) If the department determines that any inaccurate data 195018
reported under this section caused a school district to receive 195019
excess state funds in any fiscal year, the district shall 195020
reimburse the department an amount equal to the excess funds, in 195021
accordance with a payment schedule determined by the department. 195022

division (L)(2) of this section may appeal the withholding in 195026

accordance with Chapter 119. of the Revised Code. 195027

(9) In all cases of a disagreement between the department and 195028
a school district regarding the appropriateness of an action taken 195029
under division (L)(2) of this section, the burden of proof shall 195030
be on the district to demonstrate that it made a good faith effort 195031
to report data as required by this section. 195032

(N) The state board of education, in accordance with sections 195041
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 195042
license as defined under division (A) of section 3319.31 of the 195043
Revised Code that has been issued to any school district employee 195044
found to have willfully reported erroneous, inaccurate, or 195045
incomplete data to the education management information system. 195046

determine whether a data verification code has been assigned to 197878
that student. In the case of a student to whom a data verification 197879
code has been assigned, the independent contractor shall add the 197880
code to the student's data record and remove from the data record 197881
any information that would enable the data verification code to be 197882
matched to personally identifiable student data. In the case of a 197883
student to whom a data verification code has not been assigned, 197884
the independent contractor shall assign a data verification code 197885
to the student, add the data verification code to the student's 197886
data record, and remove from the data record any information that 197887
would enable the data verification code to be matched to 197888
personally identifiable student data. After making the 197889
modifications described in this division, the independent 197890
contractor shall transmit the data to the department and the 197891
chancellor. 197892

(C) That the ~~superintendent~~ department and the chancellor 197893
jointly shall develop procedures for the maintenance of the data 197894

may be conducted using that data. Permitted uses of the data shall 197896
include, but are not limited to, the following: 197897

3333.161, 3333.374, 3333.72, and 3333.82 of the Revised Code. 197908

(D) That the ~~superintendent~~ department and the chancellor, 197909
from time to time, jointly may enter into written agreements with 197910
entities for the use of data in the repository to conduct research 197911
and analysis designed to evaluate the effectiveness of programs or 197912
services, to measure progress against specific strategic planning 197913
goals, or for any other purpose permitted by law that the 197914
~~superintendent~~ department and chancellor consider necessary for 197915
the performance of their duties under the Revised Code. The 197916
agreements may permit the disclosure of personally identifiable 197917
student information to the entity named in the agreement, provided 197918
that disclosure complies with the "Family Educational Rights and 197919
Privacy Act of 1974," 88 Stat. 571, 20 U.S.C. 1232g, as amended, 197920
and regulations promulgated under that act prescribing 197921
requirements for such agreements. ~~The superintendent shall notify~~ 197922
~~the state board of each agreement entered into under this~~ 197923

(G) That all costs related to the initial establishment and 197932
ongoing maintenance of the repository shall be paid from funds 197933

Student level data records collected and maintained for 197947
purposes of administering early childhood programs shall be 197948
assigned a unique student data verification code in accordance 197949
with division (D)(2) of section 3301.0714 of the Revised Code and 197950

section 3301.94 of the Revised Code. The department of education 197952
and workforce may require certain personally identifiable student 197953
data, including student names, to be reported to the department 197954
for purposes of administering early childhood programs but not be 197955
included in the combined data repository. The department and each 197956
school or center providing services through an early childhood 197957
program that receives a student level data record, a data 197958
verification code, or other personally identifiable information 197959

contains a student's name, data verification code, or other 197965
personally identifiable information shall not be a public record 197966
under section 149.43 of the Revised Code. 197967

Any state agency that administers an early childhood program 197968
may use student data contained in the combined data repository to 197969
conduct research and analysis designed to evaluate the 197970
effectiveness of and investments in that program, in compliance 197971
with the Family Educational Rights and Privacy Act and regulations 197972
promulgated under that act. 197973

Sec. 3301.948. Notwithstanding anything in the Revised Code 197974
to the contrary, the department of education and workforce, any 197975
school district, any school, or any third party under contract 197976
with the state, a school district, or a school shall not provide 197977
student names and addresses to any multi-state consortium that 197978
offers summative assessments. 197979

Sec. 3302.01. As used in this chapter: 197980

(A) "Performance index score" means the average of the totals 197981
derived from calculations, for each subject area, of the weighted 197982
proportion of untested students and students scoring at each level 197983
of skill described in division (A)(2) of section 3301.0710 of the 197984
Revised Code on the state achievement assessments, as follows: 197985

language arts, mathematics, science, American history, and 197992
American government. The average also shall include any substitute 197993
examinations approved under division (B)(4) of section 3301.0712 197994

of the Revised Code in the subject areas of science, American history, and American government.

The department of education and workforce shall assign weights such that students who do not take an assessment receive a weight of zero and students who take an assessment receive progressively larger weights dependent upon the level of skill attained on the assessment. The department shall assign additional weights to students who have been permitted to pass over a subject in accordance with a student acceleration policy adopted under section 3324.10 of the Revised Code. If such a student attains the proficient score prescribed under division (A)(2)(c) of section 3301.0710 of the Revised Code or higher on an assessment, the department shall assign the student the weight prescribed for the next higher scoring level. If such a student attains the advanced score, prescribed under division (A)(2)(a) of section 3301.0710 of the Revised Code, on an assessment, the department shall assign to the student an additional proportional weight, ~~as approved by the state board~~. For each school year that such a student's score is included in the performance index score and the student attains the proficient score on an assessment, that additional weight shall be assigned to the student on a subject-by-subject basis.

For students who are gifted in specific academic ability fields, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field.

Code and at least every sixth year thereafter, ~~upon~~ 198080
~~recommendations of the superintendent of public instruction,~~ the 198081
~~state board~~ department of education and workforce shall establish 198082
all of the following: 198083

(1) A set of performance indicators that considered as a unit 198084
will be used as one of the performance categories for the report 198085
cards required by section 3302.03 of the Revised Code. In 198086

establishing these indicators, the ~~superintendent~~ department shall 198087

indicators of student success. 198092

Beginning with the report card issued under section 3302.03 198093
of the Revised Code for the 2021-2022 school year, the performance 198094
indicators prescribed under division (A)(1) of this section 198095
regarding student performance on state assessments shall not 198096
require a school district or building to attain a proficiency 198097
percentage to meet an indicator. Rather, the performance 198098
indicators only shall report proficiency percentages, trends, and 198099
comparisons. 198100

(2) A performance indicator that reflects the level of 198101
identification and services provided to, and the performance of, 198102
students identified as gifted under Chapter 3324. of the Revised 198103
Code. The indicator shall be prescribed by rules adopted under 198104

measured by a performance index score, disaggregated for students 198112
identified as gifted; 198113

(b) Value-added growth measure under section 3302.021 of the 198114
Revised Code, disaggregated for students identified as gifted; 198115

of students in each grade level identified as gifted and 198117

disaggregated by traditionally underrepresented and economically 198118
disadvantaged students; 198119

(d) The level of services provided to students as measured by 198120
the percentage of students provided services in each grade level 198121
and disaggregated by traditionally underrepresented and 198122
economically disadvantaged students. 198123

(3) A performance indicator that measures chronic 198124
absenteeism, as determined by the department of ~~education~~, in a 198125
school district or school building. 198126

Beginning with the report card issued under section 3302.03 198127
of the Revised Code for the 2021-2022 school year, the performance 198128
indicators prescribed in divisions (A)(2) and (3) of this section 198129
shall not be part of the performance indicator unit under division 198130
(A)(1) of this section. 198131

(B) For the 2013-2014 school year, except as otherwise 198132

assessments prescribed by divisions (A) and (B)(1) of section 198135
3301.0710 of the Revised Code, a school district or building shall 198136

cent of the tested students attain a score of proficient or higher 198138
on the assessment. A school district or building shall be 198139
considered to have met the indicator for the assessments 198140
prescribed by division (B)(1) of section 3301.0710 of the Revised 198141
Code and only as administered to eleventh grade students, if at 198142
least eighty-five per cent of the tested students attain a score 198143
of proficient or higher on the assessment. 198144

The ~~state board~~ department shall adopt rules, under Chapter 198145
119. of the Revised Code, to establish proficiency percentages to 198146
meet each indicator that is based on a state assessment, 198147
prescribed under section 3301.0710 or 3301.0712 of the Revised 198148

Code, for the 2014-2015, 2015-2016, 2016-2017, 2017-2018, 198149
2018-2019, 2019-2020, and 2020-2021 school years by the following 198150
dates: 198151

(1) Not later than December 31, 2015, for the 2014-2015 198152
school year; 198153

(2) Not later than July 1, 2016, for the 2015-2016 school 198154
year; 198155

(3) Not later than July 1, 2017, for the 2016-2017, 198156
2017-2018, 2018-2019, 2019-2020, and 2020-2021 school years. 198157

Sec. 3302.021. (A) ~~Not earlier than July 1, 2005, and not~~ 198158
~~later than July 1, 2007, the~~ The department of education and 198159
workforce shall implement a value-added progress dimension for 198160
school districts and buildings and shall incorporate the 198161
value-added progress dimension into the report cards and 198162
performance ratings issued for districts and buildings under 198163
section 3302.03 of the Revised Code. 198164

The ~~state board of education~~ department shall adopt rules, 198165
pursuant to Chapter 119. of the Revised Code, for the 198166
implementation of the value-added progress dimension. The rules 198167
adopted under this division shall specify both of the following: 198168

(1) A scale for describing the levels of academic progress in 198169
reading and mathematics relative to a standard year of academic 198170
growth in those subjects for each of grades three through eight; 198171

(2) That the department shall maintain the confidentiality of 198172
individual student test scores and individual student reports in 198173
accordance with sections 3301.0711, 3301.0714, and 3319.321 of the 198174
Revised Code and federal law. The department may require school 198175
districts to use a unique identifier for each student for this 198176
purpose. Individual student test scores and individual student 198177
reports shall be made available only to a student's classroom 198178

teacher and other appropriate educational personnel and to the 198179
student's parent or guardian. 198180

(B) The department shall explore the feasibility of using the 198181
value-added gain index and effect size to improve differentiation 198182
and interpretation of the measure. If the department determines 198183
that it is feasible, ~~the state board~~ it may update the rules 198184
adopted under division (A) of this section to implement the use of 198185
gain index and effect size. If rules are adopted under division 198186
(A) of this section that use the gain index and effect size, any 198187
prior method used to calculate letter grades or performance 198188
ratings under section 3302.03 of the Revised Code shall no longer 198189
apply. Rather, the ~~state board~~ department shall update its rules 198190
to determine how letter grades or performance ratings for each 198191
level of performance are calculated under section 3302.03 of the 198192
Revised Code using gain index and effect size. 198193

(C) The department shall use a system designed for collecting 198194
necessary data, calculating the value-added progress dimension, 198195
analyzing data, and generating reports, which system has been used 198196
previously by a nonprofit organization led by the Ohio business 198197
community for at least one year in the operation of a pilot 198198
program in cooperation with school districts to collect and report 198199
student achievement data via electronic means and to provide 198200
information to the districts regarding the academic performance of 198201
individual students, grade levels, school buildings, and the 198202
districts as a whole. 198203

(D) The department shall not pay more than two dollars per 198204
student for data analysis and reporting to implement the 198205
value-added progress dimension in the same manner and with the 198206
same services as under the pilot program described by division (B) 198207
of this section. However, nothing in this section shall preclude 198208
the department or any school district from entering into a 198209
contract for the provision of more services at a higher fee per 198210

student. Any data analysis conducted under this section by an 198211
entity under contract with the department shall be completed in 198212
accordance with timelines established by the ~~superintendent of~~ 198213
~~public instruction~~ director of education and workforce. 198214

(E) The department shall share any aggregate student data and 198215
any calculation, analysis, or report utilizing aggregate student 198216
data that is generated under this section with the chancellor of 198217
~~the Ohio board of regents~~ higher education. The department shall 198218
not share individual student test scores and individual student 198219
reports with the chancellor. 198220

Sec. 3302.03. Not later than the thirty-first day of July of 198221
each year, the department of education and workforce shall submit 198222
preliminary report card data for overall academic performance and 198223
for each separate performance measure for each school district, 198224
and each school building, in accordance with this section. 198225

Annually, not later than the fifteenth day of September or 198226
the preceding Friday when that day falls on a Saturday or Sunday, 198227
the department shall assign a letter grade or performance rating 198228
for overall academic performance and for each separate performance 198229
measure for each school district, and each school building in a 198230
district, in accordance with this section. The ~~state board of~~ 198231
~~education~~ department shall adopt rules pursuant to Chapter 119. of 198232
the Revised Code to implement this section. The ~~state board's~~ 198233
department's rules shall establish performance criteria for each 198234
letter grade or performance rating and prescribe a method by which 198235
the department assigns each letter grade or performance rating. 198236
For a school building to which any of the performance measures do 198237
not apply, due to grade levels served by the building, the 198238
department shall designate the performance measures that are 198239
applicable to the building and that must be calculated separately 198240
and used to calculate the building's overall grade or performance 198241

rating. The department shall issue annual report cards reflecting 198242
the performance of each school district, each building within each 198243
district, and for the state as a whole using the performance 198244
measures and letter grade or performance rating system described 198245
in this section. The department shall include on the report card 198246
for each district and each building within each district the most 198247
recent two-year trend data in student achievement for each subject 198248
and each grade. 198249

(A)(1) For the 2012-2013 school year, the department shall 198250
issue grades as described in division (F) of this section for each 198251
of the following performance measures: 198252

(a) Annual measurable objectives; 198253

(b) Performance index score for a school district or 198254
building. Grades shall be awarded as a percentage of the total 198255
possible points on the performance index system as adopted by the 198256
~~state board~~department. In adopting benchmarks for assigning letter 198257
grades under division (A)(1)(b) of this section, the ~~state board~~ 198258
department shall designate ninety per cent or higher for an "A," 198259
at least seventy per cent but not more than eighty per cent for a 198260
"C," and less than fifty per cent for an "F." 198261

section. The ~~state board~~ department also shall establish a method 198621
to assign an overall grade of "A," "B," "C," "D," or "F" using the 198622
grades assigned for each component. The method the ~~state board~~ 198623
department adopts for assigning an overall grade shall give equal 198624
weight to the components in divisions (C)(3)(b) and (c) of this 198625
section. 198626

department shall assign a weight of fifty per cent to the most 198665
recent year's data and a weight of twenty-five per cent to the 198666
data of each of the other years. However, if three consecutive 198667
years of value-added data is not available, the department shall 198668
use prior years of value-added data to calculate the measure, as 198669
follows: 198670

(i) If two consecutive years of value-added data is not 198671
available, the department shall use one year of value-added data 198672
to calculate the measure. 198673

(ii) If two consecutive years of value-added data is 198674
available, the department shall use two consecutive years of 198675
value-added data to calculate the measure. In using two years of 198676

value-added data to calculate the measure, the department shall 198677
assign a weight of sixty-seven per cent to the most recent year's 198678
data and a weight of thirty-three per cent to the data of the 198679
other year. 198680

(e) The four-year adjusted cohort graduation rate. 198681

(f) The five-year adjusted cohort graduation rate. 198682

(g) The percentage of students in the district or building 198683

of this section. 198691

(h) Whether a district or building is making progress in 198692
improving literacy in grades kindergarten through three, as 198693
determined using a method prescribed by the department. The method 198694
shall determine progress made based on the reduction in the total 198695
percentage of students scoring below grade level, or below 198696
proficient, compared from year to year on the reading segments of 198697
the diagnostic assessments administered under section 3301.0715 of 198698
the Revised Code, including the kindergarten readiness assessment, 198699
and the third grade English language arts assessment under section 198700
3301.0710 of the Revised Code, as applicable. The method shall not 198701
include a deduction for students who did not pass the third grade 198702
English language arts assessment under section 3301.0710 of the 198703
Revised Code and were not on a reading improvement and monitoring 198704

under division (A)(2) of section 3313.608 of the Revised Code; 198714

(j) A post-secondary readiness measure. This measure shall be 198715
calculated by dividing the number of students included in the 198716
four-year adjusted graduation rate cohort who demonstrate 198717
post-secondary readiness by the total number of students included 198718
in the denominator of the four-year adjusted graduation rate 198719
cohort. Demonstration of post-secondary readiness shall include a 198720
student doing any of the following: 198721

(i) Attaining a remediation-free score, in accordance with 198722

(3) Except as provided in division (D)(3)(f) of this section, 198931
the department shall use the ~~state board's~~ method prescribed under 198932
rules adopted under division (D)(4) of this section to assign 198933
performance ratings of "one star," "two stars," "three stars," 198934
"four stars," or "five stars," as described in division (F) of 198935
this section, for a district or building for the individual 198936

department also shall assign an overall performance rating for a 198938
district or building in accordance with division (D)(3)(g) of this 198939
section. The method shall use the performance measures prescribed 198940
under division (D)(1) of this section to calculate performance 198941
ratings for components. The method may report data under division 198942
(D)(2) of this section with corresponding components, but shall 198943
not use the data to calculate performance ratings for that 198944
component. The performance measures and reported data shall be 198945
grouped together into components as follows: 198946

(a) Gap closing. In addition to other criteria determined 198947
appropriate by the department, performance ratings for the gap 198948
closing component shall reflect whether each of the following 198949

performance measures are met or not met:	198950
(i) The gifted performance indicator as described in division (D)(1)(a) of this section;	198951 198952
(ii) The chronic absenteeism indicator as described in division (D)(1)(b) of this section;	198953 198954

(vi) The subgroup progress targets in both mathematics and English language arts.	198960 198961
Achievement and progress targets under division (D)(3)(a) of this section shall be calculated individually, and districts and buildings shall receive a status of met or not met on each measure. The department shall not require a subgroup of a district or building to meet both the achievement and progress targets at the same time to receive a status of met.	198962 198963 198964 198965 198966 198967
The department shall not include any subgroup data in this measure that includes data from fewer than fifteen students. Any penalty for failing to meet the required assessment participation rate must be partially in proportion to how close the district or building was to meeting the rate requirement.	198968 198969 198970 198971 198972
(b) Achievement, which shall include the performance measure in division (D)(1)(c) of this section and the reported data in division (D)(2)(a) of this section. Performance ratings for the achievement component shall be awarded as a percentage of the maximum performance index score described in division (D)(1)(c) of this section.	198973 198974 198975 198976 198977 198978
(c) Progress, which shall include the performance measure in	198979

division (D)(1)(d) of this section and the reported data in 198980
divisions (D)(2)(b) and (c) of this section; 198981

(d) Graduation, which shall include the performance measures 198982
in divisions (D)(1)(e) and (f) of this section and the reported 198983
data in divisions (D)(2)(d) and (j) of this section. The four-year 198984
adjusted cohort graduation rate shall be assigned a weight of 198985
sixty per cent and the five-year adjusted cohort graduation rate 198986
shall be assigned a weight of forty per cent; 198987

(e) Early literacy, which shall include the performance 198988
measures in divisions (D)(1)(g), (h), and (i) of this section and 198989
the reported data in divisions (D)(2)(e) and (k) of this section. 198990

If the measure prescribed under division (D)(1)(h) of this 198991
section is included in a report card, performance ratings for the 198992
early literacy component shall give a weight of forty per cent to 198993
the measure prescribed under division (D)(1)(g) of this section, a 198994
weight of thirty-five per cent to the measure prescribed under 198995
division (D)(1)(i) of this section, and a weight of twenty-five 198996
per cent to the measure prescribed under division (D)(1)(h) of 198997
this section. 198998

If the measure prescribed under division (D)(1)(h) of this 198999
section is not included in a report card of a district or 199000
building, performance ratings for the early literacy component 199001
shall give a weight of sixty per cent to the measure prescribed 199002
under division (D)(1)(g) of this section and a weight of forty per 199003
cent to the measure prescribed under division (D)(1)(i) of this 199004
section. 199005

(f) College, career, workforce, and military readiness, which 199006
shall include the performance measure in division (D)(1)(j) of 199007
this section and the reported data in division (D)(2)(f) of this 199008
section. 199009

For the 2021-2022, 2022-2023, and 2023-2024 school years, the 199010

department only shall report the data for, and not assign a performance rating to, the college, career, workforce, and military readiness component. The reported data shall include the percentage of students who demonstrate post-secondary readiness using any of the options described in division (D)(1)(j) of this section.

The department shall analyze the data included in the performance measure prescribed in division (D)(1)(j) of this section for the 2021-2022, 2022-2023, and 2023-2024 school years. Using that data, the department shall develop and propose rules for a method to assign a performance rating to the college, career, workforce, and military readiness component based on that measure. The method to assign a performance rating shall not include a tiered structure or per student bonuses. The rules shall specify that a district or building shall not receive lower than a performance rating of three stars for the component if the district's or building's performance on the component meets or exceeds a level of improvement set by the department. Notwithstanding division (D)(4)(b) of this section, more than half of the total districts and buildings may earn a performance rating of three stars on this component to account for the districts and buildings that earned a performance rating of three stars because they met or exceeded the level of improvement set by the department.

The department shall submit the rules to the joint committee on agency rule review. The committee shall conduct at least one public hearing on the proposed rules and approve or disapprove the rules. If the committee approves the rules, the ~~state board~~ department shall adopt the rules in accordance with Chapter 119. of the Revised Code. If the rules are adopted, the department shall assign a performance rating to the college, career, workforce, and military readiness component under the rules

beginning with the 2024-2025 school year, and for each school year 199043
thereafter. If the committee disapproves the rules, the component 199044
shall be included in the report card only as reported data for the 199045
2024-2025 school year, and each school year thereafter. 199046

(g)(i) Except as provided for in division (D)(3)(g)(ii) of 199047
this section, beginning with the 2022-2023 school year, under the 199048
~~state board's~~ method prescribed under rules adopted in division 199049
(D)(4) of this section, the department shall use the performance 199050
ratings assigned for the components prescribed in divisions 199051
(D)(3)(a) to (e) of this section to determine and assign an 199052
overall performance rating of "one star," "one and one-half 199053
stars," "two stars," "two and one-half stars," "three stars," 199054
"three and one-half stars," "four stars," "four and one-half 199055
stars," or "five stars" for a district or building. The method 199056
shall give equal weight to the components in divisions (D)(3)(b) 199057
and (c) of this section. The method shall give equal weight to the 199058
components in divisions (D)(3)(a), (d), and (e) of this section. 199059
The individual weights of each of the components prescribed in 199060
divisions (D)(3)(a), (d), and (e) of this section shall be equal 199061
to one-half of the weight given to the component prescribed in 199062
division (D)(3)(b) of this section. 199063

(ii) If the joint committee on agency rule review approves 199064
the department's rules regarding the college, career, workforce, 199065
and military readiness component as described in division 199066
(D)(3)(f) of this section, for the 2024-2025 school year, and each 199067
school year thereafter, the ~~state board's~~ department's method 199068
shall use the components in divisions (D)(3)(a), (b), (c), (d), 199069

continue to hold those rights or responsibilities until such time 200506
as both the new academic distress commission appointed under this 200507

renewed, or extended by the district board on or after October 15, 200553
2015, provided that the chief executive officer shall not reduce 200554
any salary or base hourly rate of pay unless such salary or base 200555

contingent on an ongoing review and evaluation by the ~~state~~ 201146
~~superintendent~~ department of the program for which the waiver was 201147
granted. 201148

(E)(1) For the purpose of this section, the department ~~of~~ 201149
~~education~~ shall seek a waiver from the testing requirements 201150
prescribed under the "No Child Left Behind Act of 2001," if 201151
necessary to implement this section. 201152

(2) The department shall create a mechanism for the 201153
comparison of the alternative assessments prescribed under 201154
division (B) of this section and the assessments required under 201155
sections 3301.0710 and 3301.0712 of the Revised Code as it relates 201156
to the evaluation of teachers and student achievement data for the 201157
purpose of state report card ratings. 201158

(F) For purposes of this section, "innovative educational 201159
program or strategy" means a program or strategy using a new idea 201160

Sec. 3302.151. (A) Notwithstanding anything to the contrary 201163
in the Revised Code, a school district that qualifies under 201164
division (D) of this section shall be exempt from all of the 201165
following: 201166

(1) The teacher qualification requirements under the 201167
third-grade reading guarantee, as prescribed under divisions 201168
(B)(3)(c) and (H) of section 3313.608 of the Revised Code. This 201169
exemption does not relieve a teacher from holding a valid Ohio 201170
license in a subject area and grade level determined appropriate 201171
by the board of education of that district. 201172

(2) The mentoring component of the Ohio teacher residency 201173
program established under division (A)(1) of section 3319.223 of 201174
the Revised Code, so long as the district utilizes a local 201175
approach to train and support new teachers; 201176

(3) Any provision of the Revised Code or rule or standard of 201177
the ~~state board~~ department of education and workforce prescribing 201178
a minimum or maximum class size; 201179

(4) Any provision of the Revised Code or rule or standard of 201180
the ~~state board~~ department requiring teachers to be licensed 201181
specifically in the grade level in which they are teaching, except 201182
unless otherwise prescribed by federal law. This exemption does 201183
not apply to special education teachers. Nor does this exemption 201184
relieve a teacher from holding a valid Ohio license in the subject 201185
area in which that teacher is teaching and at least some grade 201186
level determined appropriate by the district board. 201187

(B)(1) Notwithstanding anything to the contrary in the 201188
Revised Code, including sections 3319.30 and 3319.36 of the 201189
Revised Code, the superintendent of a school district that 201190
qualifies under division (D) of this section may employ an 201191
individual who is not licensed as required by sections 3319.22 to 201192
3319.30 of the Revised Code, but who is otherwise qualified based 201193
on experience, to teach classes in the district, so long as the 201194
board of education of the school district approves the 201195
individual's employment and provides mentoring and professional 201196
development opportunities to that individual, as determined 201197
necessary by the board. 201198

(2) As a condition of employment under this section, an individual shall be subject to a criminal records check as prescribed by section 3319.391 of the Revised Code. In the manner prescribed by the ~~department~~ state board of education, the individual shall submit the criminal records check to the ~~department~~ state board and shall register with the ~~department~~ state board during the period in which the individual is employed by the district. The ~~department~~ state board shall use the information submitted to enroll the individual in the retained applicant fingerprint database, established under section 109.5721 of the Revised Code, in the same manner as any teacher licensed under sections 3319.22 to 3319.31 of the Revised Code.

(3) An individual employed pursuant to this division is subject to Chapter 3307. of the Revised Code.

If the ~~department~~ state board receives notification of the arrest or conviction of an individual employed under division (B) of this section, the ~~department~~ state board shall promptly notify the employing district and may take any action authorized under sections 3319.31 and 3319.311 of the Revised Code that it considers appropriate. No district shall employ any individual under division (B) of this section if the district learns that the individual has plead guilty to, has been found guilty by a jury or court of, or has been convicted of any of the offenses listed in division (C) of section 3319.31 of the Revised Code.

(C) Notwithstanding anything to the contrary in the Revised Code, noncompliance with any of the requirements listed in divisions (A) or (B) of this section shall not disqualify a school district that qualifies under division (D) of this section from receiving funds under Chapter 3317. of the Revised Code.

(D) In order for a city, local, or exempted village school district to qualify for the exemptions described in this section, the school district shall meet all of the following benchmarks on

(2) The district received a grade of an "A" for performance 201236
indicators met under division (C)(1)(c) of that section. However, 201237
division (D)(2) of this section shall not apply for the 2021-2022 201238
school year or any school year thereafter. 201239

(3) The district has a four-year adjusted cohort graduation 201240
rate of at least ninety-three per cent and a five-year adjusted 201241
cohort graduation rate of at least ninety-five per cent, as 201242
calculated under division (C)(1)(d) or divisions (D)(1)(e) and 201243
(D)(1)(f) of that section. 201244

(E) A school district that meets the requirements prescribed 201245
by division (D) of this section shall be qualified for the 201246
exemptions prescribed by this section for three school years, 201247
beginning with the school year in which the qualifying report card 201248
is issued. 201249

(F) As used in this section, "license" has the same meaning 201250

information hearing, the board or governing authority shall 201293
conduct an election, by paper ballot, to initiate the process to 201294
become a community learning center. Only parents or guardians of 201295
students enrolled in the school and students enrolled in a 201296
different school operated by a joint vocational school district 201297

nonteaching employees who are assigned to the school may vote in 201299
the election. 201300

The board or governing authority shall distribute the ballots 201301
by mail and shall make copies available at the school and on the 201302
web site of the school. The board or governing authority also may 201303

The school action team shall provide quarterly updates of its 201330
work in a public hearing that complies with the same 201331
specifications prescribed in division (B) of this section. 201332

(F) Upon completion of the audit and review, the school 201333
action team shall present its findings at a public hearing that 201334
complies with the same specifications prescribed in division (B) 201335
of this section. After the school action team presents its 201336

learning center improvement plan that designates appropriate 201338
interventions, which may be based on the recommendations developed 201339
by the department under division (H)(1)(b) of this section. 201340

If there is a federally mandated school improvement planning 201341

to the same individuals described in division (C) of this section. 201347
Ballots shall be distributed and an election shall be conducted in 201348
the same manner as indicated under that division. 201349

The school action team shall submit the plan to the district 201350

employees who are assigned to the school cast ballots by a date 201362
set by the board or governing authority, and of those ballots at 201363
least fifty per cent are in favor of initiating the process. 201364

The board or governing authority shall evaluate the plan and 201365
determine whether to adopt it. The board or governing authority 201366
shall adopt the plan in full or adopt portions of the plan. If the 201367
board or governing authority does not adopt the plan in full, it 201368
shall provide a written explanation of why portions of the plan 201369

that is subject to this section shall report to the department of 202990
education and workforce the results of each assessment 202991
administered to each scholarship student under this section. 202992

Nothing in this section requires a chartered nonpublic school 202993
to administer any achievement assessment, except for an Ohio 202994
graduation test prescribed by division (B)(1) of section 3301.0710 202995
or the college and work ready assessment system prescribed by 202996
division (B) of section 3301.0712 of the Revised Code to any 202997

Sec. 3310.15. (A) The department of education and workforce 203004
annually shall compile the scores attained by scholarship students 203005
to whom an assessment is administered under section 3310.14 of the 203006
Revised Code. The scores shall be aggregated as follows: 203007

(1) By state, which shall include all students awarded a 203008
scholarship under the educational choice scholarship pilot program 203009
and who were required to take an assessment under section 3310.14 203010

(2) By school district, which shall include all scholarship 203012

(7) Economically disadvantaged students. 203031

(C) The department shall post the student performance data 203032
required under divisions (A) and (B) of this section on its web 203033
site and, by the first day of February each year, shall distribute 203034
that data to the parent of each eligible student. In reporting 203035
student performance data under this division, the department shall 203036
not include any data that is statistically unreliable or that 203037
could result in the identification of individual students. For 203038
this purpose, the department shall not report performance data for 203039
any group that contains less than ten students. 203040

(D) The department shall provide the parent of each 203041

of the Revised Code with the average performance of similar 203044
students enrolled in the building operated by the student's 203045
resident district that the scholarship student would otherwise 203046
attend. In calculating the performance of similar students, the 203047
department shall consider age, grade, race and ethnicity, gender, 203048
and socioeconomic status. 203049

Sec. 3310.16. (A) For the 2020-2021 school year and each 203050

(1) The application period shall open on the first day of 203055
February prior to the first day of July of the school year for 203056

which a scholarship is sought. Not later than forty-five days 203057
after an applicant submits to the department of education and 203058
workforce a completed application, the department ~~of education~~ 203059
shall determine whether that applicant is eligible for a 203060
scholarship and notify the applicant whether or not the applicant 203061
is eligible. The department ~~of education~~ shall award a scholarship 203062
to each student with an approved application. However, for any 203063
application submitted after the beginning of the school year, the 203064
department ~~of education~~ shall prorate the amount of the awarded 203065
scholarship based on how much of the school year remains. 203066

(2) In each school year, the department ~~of education~~ shall 203067
accept applications for conditional approval of a scholarship 203068
sought for that year or the next school year. Not later than five 203069
days after receiving an application under this division, the 203070
department ~~of education~~ shall grant conditional approval to an 203071
applicant who is eligible for a scholarship and notify the 203072

later than fourteen days after the application is submitted. 203077

(C) The departments of education and workforce, job and 203078
family services, and taxation shall enter into a data sharing 203079
agreement so that, in administering this section, the department 203080
of education and workforce shall be able to determine, based on 203081
the address provided in a student's application, whether that 203082
student is eligible for an educational choice scholarship under 203083
section 3310.03 of the Revised Code and whether the student meets 203084
the residency requirements for an educational choice scholarship 203085
under section 3310.032 of the Revised Code. 203086

(D) No city, local, or exempted village school district shall 203087
have access to an application submitted under this section. 203088

Sec. 3310.17. (A) The ~~state board~~ department of education and workforce shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing procedures for the administration of the educational choice scholarship pilot program.

(b) A public entity other than a school district.

(2) "Entitled to attend school" means entitled to attend school in a school district under section 3313.64 or 3313.65 of the Revised Code.

(3) "Formula ADM" has the same meaning as in section 3317.02 of the Revised Code.

(4) "Preschool child with a disability" and "individualized education program" have the same meanings as in section 3323.01 of the Revised Code.

(5) "Parent" has the same meaning as in section 3313.64 of

the Revised Code, except that "parent" does not mean a parent 203118
whose custodial rights have been terminated. "Parent" also 203119
includes the custodian of a qualified special education child, 203120
when a court has granted temporary, legal, or permanent custody of 203121
the child to an individual other than either of the natural or 203122
adoptive parents of the child or to a government agency. 203123

(6) "Qualified special education child" is a child for whom 203124
all of the following conditions apply: 203125

(a) The school district in which the child is entitled to 203126
attend school has identified the child as autistic. A child who 203127
has been identified as having a "pervasive developmental disorder 203128
- not otherwise specified (PPD-NOS)" shall be considered to be an 203129
autistic child for purposes of this section. 203130

(b) The school district in which the child is entitled to 203131
attend school has developed an individualized education program 203132
under Chapter 3323. of the Revised Code for the child. 203133

(c) The child either: 203134

(i) Was enrolled in the school district in which the child is 203135
entitled to attend school in any grade from preschool through 203136
twelve in the school year prior to the year in which a scholarship 203137
under this section is first sought for the child; or 203138

(ii) Is eligible to enter school in any grade preschool 203139

entitled to attend school in the school year in which a 203141
scholarship under this section is first sought for the child. 203142

(7) "Registered private provider" means a nonpublic school or 203143
other nonpublic entity that has been approved by the department of 203144
education and workforce to participate in the program established 203145
under this section. 203146

(8) "Special education program" means a school or facility 203147

that provides special education and related services to children 203148
with disabilities. 203149

(B) There is hereby established the autism scholarship 203150

a scholarship under section 3317.022 of the Revised Code to the 203152
parent of each qualified special education child upon application 203153
of that parent pursuant to procedures and deadlines established by 203154
rule of the ~~state board of education~~ department. Each scholarship 203155
shall be used only to pay tuition for the child on whose behalf 203156
the scholarship is awarded to attend a special education program 203157
that implements the child's individualized education program and 203158
that is operated by an alternative public provider or by a 203159
registered private provider, and to pay for other services agreed 203160
to by the provider and the parent of a qualified special education 203161
child that are not included in the individualized education 203162
program but are associated with educating the child. Upon 203163
agreement with the parent of a qualified special education child, 203164
the alternative public provider or the registered private provider 203165
may modify the services provided to the child. The purpose of the 203166
scholarship is to permit the parent of a qualified special 203167
education child the choice to send the child to a special 203168
education program, instead of the one operated by or for the 203169
school district in which the child is entitled to attend school, 203170
to receive the services prescribed in the child's individualized 203171
education program once the individualized education program is 203172
finalized and any other services agreed to by the provider and the 203173
parent of a qualified special education child. The services 203174
provided under the scholarship shall include an educational 203175
component or services designed to assist the child to benefit from 203176
the child's education. 203177

A scholarship under this section shall not be awarded to the 203178
parent of a child while the child's individualized education 203179

program is being developed by the school district in which the 203180
child is entitled to attend school, or while any administrative or 203181
judicial mediation or proceedings with respect to the content of 203182
the child's individualized education program are pending. A 203183
scholarship under this section shall not be used for a child to 203184
attend a public special education program that operates under a 203185
contract, compact, or other bilateral agreement between the school 203186
district in which the child is entitled to attend school and 203187
another school district or other public provider, or for a child 203188
to attend a community school established under Chapter 3314. of 203189
the Revised Code. However, nothing in this section or in any rule 203190
adopted by the ~~state board~~ department shall prohibit a parent 203191
whose child attends a public special education program under a 203192
contract, compact, or other bilateral agreement, or a parent whose 203193
child attends a community school, from applying for and accepting 203194
a scholarship under this section so that the parent may withdraw 203195
the child from that program or community school and use the 203196
scholarship for the child to attend a special education program 203197
for which the parent is required to pay for services for the 203198
child. 203199

Except for development of the child's individualized 203200
education program, the school district in which a qualified 203201
special education child is entitled to attend school and the 203202
child's school district of residence, as defined in section 203203
3323.01 of the Revised Code, if different, are not obligated to 203204
provide the child with a free appropriate public education under 203205
Chapter 3323. of the Revised Code for as long as the child 203206
continues to attend the special education program operated by 203207
either an alternative public provider or a registered private 203208
provider for which a scholarship is awarded under the autism 203209
scholarship program. If at any time, the eligible applicant for 203210
the child decides no longer to accept scholarship payments and 203211
enrolls the child in the special education program of the school 203212

district in which the child is entitled to attend school, that 203213
district shall provide the child with a free appropriate public 203214
education under Chapter 3323. of the Revised Code. 203215

A child attending a special education program with a 203216
scholarship under this section shall continue to be entitled to 203217
transportation to and from that program in the manner prescribed 203218
by law. 203219

that the petition does not contain a sufficient number of valid 204213
signatures and sixty days have passed since the adoption of the 204214
resolution, the resolution shall become effective. 204215

contains a sufficient number of valid signatures, the board shall 204217
submit the question to the qualified electors of the school 204218
district on the day of the next general or primary election held 204219
at least ninety days after but no later than six months after the 204220
board of elections certifies the validity and sufficiency of 204221

sufficiency of signatures on the petition, the board shall submit 204225
the question to the electors at a special election to be held on 204226
the next day specified for special elections in division (D) of 204227
section 3501.01 of the Revised Code that occurs at least ninety 204228
days after the board certifies the validity and sufficiency of 204229
signatures on the petition. The election shall be conducted and 204230
canvassed and the results shall be certified in the same manner as 204231

education that composed the membership of the board of each of the 204274
districts to be dissolved, except that, if an even number of 204275

districts adopting the resolutions, except that, if the new board 204281

as specified in the resolutions. 204283

If the ~~state board~~ department approves the resolutions, the 204284

redemption. 204317

Sec. 3311.217. Upon approval by a majority of the full 204318

district, which agreement may provide for the sharing of use of 204341
any physical facility or equipment owned or used by either 204342
district. Such agreement may further provide that the joint 204343
vocational school district may contribute a portion of its funds 204344
for current operating expenses, regardless of whether such funds 204345
are derived from a tax levy or otherwise, to the technical college 204346
district to be expended by the technical college district for any 204347

board of education may authorize exceptions to school districts 204365
where topography, sparsity of population, and other factors make 204366
compliance impracticable. 204367

The ~~superintendent of public instruction~~ director of 204368
education and workforce is without authority to distribute funds 204369
under Chapter 3317. of the Revised Code to any school district 204370
that does not maintain schools with grades kindergarten through 204371

prohibition against the simultaneous holding of more than one 205081
public office or employment. Members of the board of directors of 205082
an alliance are not disqualified from holding any public office by 205083
reason of that membership, and do not forfeit by reason of that 205084

Code first directly to the holders of the board of education's 205767
notes, or an agent thereof, such amounts as are specified under 205768
the terms of the loan. Such payments shall be made only from and 205769
to the extent of money appropriated by the general assembly for 205770
purposes of such sections. No note or other obligation of the 205771
board of education under the loan constitutes an obligation nor a 205772
debt or a pledge of the faith, credit, or taxing power of the 205773
state, and the holder or owner of such note or obligation has no 205774
right to have taxes levied by the general assembly for the payment 205775
of such note or obligation, and such note or obligation shall 205776
contain a statement to that effect. 205777

(4) Pursuant to the terms of such a loan, a board of 205778

education may issue its notes in anticipation of the collection of 205779
its voted levies for current expenses or its receipt of such state 205780
funds or both. Such notes shall be issued in accordance with 205781
division (E) of section 133.10 of the Revised Code and constitute 205782
Chapter 133. securities to the extent such division and the 205783
otherwise applicable provisions of Chapter 133. of the Revised 205784
Code are not inconsistent with this section, provided that in any 205785
event sections 133.24 and 5705.21 and divisions (A), (B), (C), and 205786
(E)(2) of section 133.10 of the Revised Code do not apply to such 205787
notes. 205788

(5) Notwithstanding section 133.36 or 3313.17, any other 205789
section of the Revised Code, or any other provision of law, a 205790
board of education that has received a loan under this section may 205791
not declare bankruptcy, so long as any portion of such loan 205792
remains unpaid. 205793

(F) Under this section and section 3313.4810, "board of 205794
education" or "district board" includes the financial planning and 205795
supervision commission of a school district under a fiscal 205796
emergency pursuant to Chapter 3316. of the Revised Code where such 205797
commission chooses to exercise the powers and duties otherwise 205798
required of the district board of education under this section and 205799
section 3313.4810 of the Revised Code. 205800

Sec. 3313.484. No loan shall be approved under sections 205801
3313.483 to 3313.4810 of the Revised Code after March 1, 1998. 205802

By the last day of June each year, the department of 205803
education and workforce shall calculate and pay a subsidy to every 205804
school district that during the current fiscal year paid and was 205805
obligated to pay interest on a loan under sections 3313.483 to 205806
3313.4810 of the Revised Code in excess of two per cent simple 205807
interest. The amount of the subsidy shall equal the difference 205808
between the amount of interest the district paid and was obligated 205809

to pay during the year and the interest that the district would 205810
have been obligated to pay if the interest rate on the loan had 205811
been two per cent per year. 205812

Sec. 3313.487. (A) Upon receipt of a copy of a request for a 205813
determination under section 3313.483 of the Revised Code or upon 205814
the issuance of written notification under division (B) of section 205815
3313.489 of the Revised Code, the ~~superintendent of public~~ 205816
~~instruction~~ department of education and workforce shall analyze 205817
the district's financial condition and ascertain what elements of 205818
the district's educational program exceed or fail to meet the 205819
minimum standards of the ~~state board~~ director of education and 205820
workforce and requirements set forth in the Revised Code, and 205821
what, if any, additional revenues or revenue sources may be 205822
available to the district that are not included in its official 205823
certificate or amended certificate of estimated resources. The 205824
~~superintendent~~ director shall make a written report of the 205825
~~superintendent's~~ director's findings to the school district's 205826
board of education, and the auditor of state, ~~and the state board~~ 205827
~~of education~~. The report shall include any recommendations, 205828
including reductions in programs which exceed minimum standards of 205829
the ~~state board of education~~ director or requirements set forth in 205830
the Revised Code, that, if followed, would enable the district to 205831
reduce its expenses while operating an educational program that is 205832
responsive to the educational needs of the school district in 205833
accordance with its adopted school calendar. The ~~superintendent~~ 205834
director may determine that a responsive educational program 205835
requires the inclusion of elements exceeding the minimum standards 205836
of the ~~state board of education~~ director or requirements of the 205837
Revised Code. If, upon completion of the analysis and findings as 205838
provided in this division, the ~~superintendent~~ director determines 205839
that the district will be financially unable to operate its 205840
educational program in accordance with its adopted school calendar 205841

and pay all obligated expenses, the ~~superintendent~~ director shall 205842
notify the auditor of state in writing. Upon receipt of such 205843
notification, the auditor of state shall issue findings pursuant 205844
to section 3313.483 of the Revised Code. 205845

(B) Upon the receipt of the ~~superintendent of public~~ 205846
~~instruction's~~ director of education and workforce's report under 205847
division (A) of this section or a certification from the auditor 205848
of state under section 3313.483 of the Revised Code, the ~~state~~ 205849
~~board of education~~ director may, at any time during the next 205850
ninety days, issue an order making the school district subject to 205851
section 3313.488 of the Revised Code if it finds the school 205852
district is not able to operate an educational program from 205853
existing revenue sources during the current and the ensuing school 205854
year. Such order shall take immediate effect, and such section 205855
shall apply to the school district. ~~Prior to the issuance of any~~ 205856
~~order under this division, the state board of education may~~ 205857
~~request from the superintendent of public instruction a~~ 205858
~~recommendation regarding the matter of the issuance of an order~~ 205859
~~making a school district subject to section 3313.488 of the~~ 205860
~~Revised Code.~~ A board of education may appeal the order on 205861
questions of fact to the court of common pleas of Franklin county. 205862

(C) Notwithstanding division (B) of this section, the ~~state~~ 205863
~~board of education~~ director shall issue an order making a school 205864
district subject to section 3313.488 of the Revised Code if the 205865
district fails to enter into a loan agreement with a commercial 205866
lending institution within forty-five days of the deficit 205867
certification pursuant to section 3313.483 of the Revised Code. If 205868
the ~~state board~~ director issues an order under this division, the 205869
~~superintendent of public instruction~~ director shall apply for a 205870
loan from a commercial lending institution pursuant to section 205871
3313.483 of the Revised Code on behalf of the district. The 205872
~~superintendent~~ director shall have full authority to act on behalf 205873

of the board of education of a school district with respect to the 205874
making of loan agreements, and any loan agreement made by the 205875
~~superintendent~~ director shall be fully binding on the school 205876
district. 205877

(D) This section does not apply to a school district declared 205878
to be under a fiscal emergency pursuant to division (B) of section 205879
3316.03 of the Revised Code. 205880

Sec. 3313.488. (A) Within fifteen days after the date the 205881
~~state board~~ director of education and workforce issues an order 205882
under section 3313.487 of the Revised Code making a school 205883
district subject to this section, the district's board of 205884

incurred by the district during the remainder of the fiscal year, 205891
the outstanding and unpaid expenses at the time the fiscal 205892
statement is prepared and the date or dates by which such expenses 205893
must be paid, and such other information as the ~~superintendent~~ 205894
director requires to enable the ~~superintendent~~ department of 205895
education and workforce to ensure that during the remainder of the 205896
fiscal year, the district will not incur any expenses that will 205897
further impair its ability to operate an instructional program 205898
that meets or exceeds the minimum standards of the ~~state board of~~ 205899
~~education~~director and requirements of the Revised Code during the 205900
current and ensuing fiscal years with the revenue available to it 205901
from existing revenue sources. The fiscal statement shall be 205902
presented in such detail and form as the ~~superintendent~~ department 205903
prescribes. Beginning the tenth day after the fiscal statement is 205904
submitted and for the remainder of the fiscal year, the board 205905

shall not make any expenditure of money, make any employment, 205906
purchase, or rental contract, give any order involving the 205907
expenditure of money, or increase any wage or salary schedule 205908
unless the ~~superintendent of public instruction~~ director has 205909
approved the fiscal statement in writing and the expenditure, 205910
contract, order, or schedule has been approved in writing by the 205911
~~superintendent~~ director as being in conformity with the fiscal 205912
statement. 205913

Any contract or expenditure made, order given, or schedule 205914
adopted or put into effect without the written approval of the 205915
~~superintendent of public instruction~~ director is void, and no 205916
warrant shall be issued in payment of any amount due thereon. 205917

(B) A board of education subject to division (A) of this 205918
section shall prepare a fiscal statement of expenses and 205919
expenditures for the ensuing fiscal year. The fiscal statement 205920
shall be submitted to the ~~superintendent of public instruction~~ 205921
director and shall set forth all revenues to be received by the 205922
district during such year and their source, the expenses to be 205923
incurred by the district during such year, the outstanding and 205924
unpaid expenses on the first day of such fiscal year, the date or 205925
dates by which such expenses must be paid, and such other 205926
information as the ~~superintendent~~ department requires to enable 205927
the ~~superintendent~~ department to ensure that during such year, the 205928
district will not incur any expenses that will further impair its 205929
ability to operate an instructional program that meets or exceeds 205930
the minimum standards of the ~~state board of education~~ director and 205931
requirements of the Revised Code during such year with the revenue 205932
available to it from existing revenue sources. The fiscal 205933
statement shall be presented at the time and in such detail and 205934
form as the ~~superintendent~~ department prescribes. During the 205935

any expenditure of money, make any employment, purchase, or rental 205938

~~public instruction~~ director has approved the fiscal statement 205941
submitted under this division in writing and has approved the 205942
expenditure, contract, order, or schedule in writing as being in 205943
conformity with the fiscal statement. 205944

Any contract or expenditure made, order given, or schedule 205945
adopted or put into effect without the written approval of the 205946
~~superintendent of public instruction~~ director is void, and no 205947
warrant shall be issued in payment of any amount due thereon. 205948

(C) The ~~state board of education~~ department shall examine any 205949
fiscal statement presented to and approved by ~~the superintendent~~ 205950
~~of public instruction~~ it under division (B) of this section and 205951
shall determine whether the data set forth in the fiscal statement 205952
are factual and based upon assumptions that in its judgment are 205953
reasonable expectations consistent with acceptable governmental 205954
budget and accounting practices. If the ~~state board~~ department so 205955
determines and finds that the revenues and expenditures in the 205956
fiscal statement are in balance for the fiscal year and the fiscal 205957
statement will enable the district to operate during such year 205958
without interrupting its school calendar, it shall certify its 205959
determination and finding to the district at least thirty days 205960
prior to the beginning of the fiscal year, and the district shall 205961
thereupon cease to be subject to this section. If the ~~state board~~ 205962
department does not make such a determination and finding, the 205963
board of education and school district are subject to this 205964
division and division (B) of this section in the ensuing fiscal 205965
year and each fiscal year thereafter until the ~~state board~~ 205966
department makes a determination, finding, and certification under 205967
this division. 205968

(D) Any officer, employee, or other person who knowingly 205969

expends or authorizes the expenditure of any public funds or 205970
knowingly authorizes or executes any contract, order, or schedule 205971
contrary to division (A) or (B) of this section or who knowingly 205972
expends or authorizes the expenditure of any public funds on any 205973
such void contract, order, or schedule is jointly and severally 205974
liable in person and upon any official bond that the officer, 205975
employee, or other person has given to such school district to the 205976
extent of any payments on the void claim, not to exceed twenty 205977

the ~~superintendent of public instruction~~ department shall enforce 205979
this liability by civil action brought in any court of appropriate 205980
jurisdiction in the name of and on behalf of the school district. 205981

(E) This section does not apply to a school district declared 205982
to be under a fiscal emergency pursuant to division (B) of section 205983
3316.03 of the Revised Code. 205984

Sec. 3313.489. (A) The ~~superintendent of public instruction~~ 205985
director of education and workforce shall examine each five-year 205986

information, indicates that the district may be financially unable 205990
to operate its instructional program on all days set forth in its 205991
adopted school calendars and pay all obligated expenses during the 205992
current fiscal year. If a board of education has not adopted a 205993
school calendar for the school year beginning on the first day of 205994
July of the current fiscal year at the time an examination is 205995
required under this division, the ~~superintendent~~ director shall 205996
examine the five-year projection and determine whether the 205997
district may be financially unable to pay all obligated expenses 205998
and operate its instructional program for the number of days on 205999
which instruction was held in the preceding fiscal year. 206000

(B) If the ~~superintendent of public instruction~~ director of education and workforce determines pursuant to division (A) of this section that a school district may be financially unable to operate its instructional program on all days required by such division and pay all obligated expenses during the current fiscal year, the ~~superintendent~~ director shall provide written notification of such determination to the president of the district's board of education and the auditor of state.

Code. However, students who enter ninth grade for the first time 206780
on or after July 1, 2015, and who are pursuing a career-technical 206781
instructional track shall not be required to take algebra II or 206782
advanced computer science, and instead may complete a career-based 206783

and workforce as an alternative. 206785

For students who choose to take advanced computer science in 206786
lieu of algebra II under division (C)(3) of this section, the 206787
school shall communicate to those students that some institutions 206788
of higher education may require algebra II for the purpose of 206789
college admission. Also, the parent, guardian, or legal custodian 206790
of each student who chooses to take advanced computer science in 206791
lieu of algebra II shall sign and submit to the school a document 206792
containing a statement acknowledging that not taking algebra II 206793
may have an adverse effect on college admission decisions. 206794

A student may fulfill one unit of mathematics under division 206795
(C)(3) of this section by completing one-half unit of financial 206796
literacy instruction to satisfy the requirement prescribed under 206797
division (C)(9) of this section and one-half unit of a mathematics 206798
course. The one-half unit course in mathematics shall not be in 206799

algebra II, or its equivalent, or a course for which the ~~state~~ 206800

Students who choose to take one unit of advanced computer 206803
science in lieu of algebra II, as described in division (C)(3) of 206804
this section, shall not be permitted to complete one-half unit of 206805
financial literacy instruction to satisfy the mathematics unit 206806
requirements of that division. Instead, those students shall be 206807
required to complete the one-half unit of financial literacy 206808
instruction under division (C)(8) of this section. 206809

(4) Physical education, one-half unit; 206810

(iv) Computer science. 206823

No student shall substitute a computer science course for a 206824
life sciences or biology course under division (C)(5) of this 206825
section. 206826

(6) History and government, one unit, which shall comply with 206827
division (M) of this section and shall include both of the 206828

(b) American government, one-half unit.	206831
(7) Social studies, two units.	206832
Beginning with students who enter ninth grade for the first	206833
time on or after July 1, 2017, the two units of instruction	206834
prescribed by division (C)(7) of this section shall include at	206835
least one-half unit of instruction in the study of world history	206836

One-half unit of instruction under division (C)(8) of this	206846
section may be instruction in financial literacy to satisfy the	206847
requirement under division (C)(9) of this section.	206848
(9)(a) Except as provided in division (C)(9)(b) of this	206849
section, for students who enter ninth grade for the first time on	206850
or after July 1, 2022, financial literacy, one-half unit. Each	206851
student shall elect to complete the one-half unit of instruction	206852
in financial literacy either in lieu of one-half unit of	206853
instruction in mathematics under division (C)(3) of this section	206854
or an elective under division (C)(8) of this section.	206855
(b) A student attending a nonpublic school accredited through	206856
the independent schools association of the central states or any	206857
other chartered nonpublic school shall not be required to complete	206858

the one-half unit of financial literacy instruction prescribed in 206859
division (C)(9)(a) of this section, unless that student is 206860
attending the school under a state scholarship program as defined 206861
in section 3301.0711 of the Revised Code. 206862

The study and instruction of financial literacy required 206863
under division (C)(9) of this section shall align with the 206864
academic content standards for financial literacy and 206865
entrepreneurship adopted under division (A)(2) of section 3301.079 206866
of the Revised Code. In developing the curriculum for the study 206867
and instruction of financial literacy, schools may use available 206868
public-private partnerships and resources and materials that exist 206869
in business, industry, and through the centers for economics 206870
education at institutions of higher education. 206871

Ohioans must be prepared to apply increased knowledge and 206872
skills in the workplace and to adapt their knowledge and skills 206873
quickly to meet the rapidly changing conditions of the 206874
twenty-first century. National studies indicate that all high 206875
school graduates need the same academic foundation, regardless of 206876
the opportunities they pursue after graduation. The goal of Ohio's 206877
system of elementary and secondary education is to prepare all 206878
students for and seamlessly connect all students to success in 206879
life beyond high school graduation, regardless of whether the next 206880
step is entering the workforce, beginning an apprenticeship, 206881
engaging in post-secondary training, serving in the military, or 206882
pursuing a college degree. 206883

The requirements for graduation prescribed in division (C) of 206884
this section are the standard expectation for all students 206885
entering ninth grade for the first time at a public or chartered 206886
nonpublic high school on or after July 1, 2010. A student may 206887
satisfy this expectation through a variety of methods, including, 206888
but not limited to, integrated, applied, career-technical, and 206889
traditional coursework. 206890

Stronger coordination between high schools and institutions 206891
of higher education is necessary to prepare students for more 206892
challenging academic endeavors and to lessen the need for academic 206893
remediation in college, thereby reducing the costs of higher 206894
education for Ohio's students, families, and the state. The ~~state~~ 206895
~~board~~ department and the chancellor of higher education shall 206896
develop policies to ensure that only in rare instances will 206897
students who complete the requirements for graduation prescribed 206898
in division (C) of this section require academic remediation after 206899
high school. 206900

School districts, community schools, and chartered nonpublic 206901
schools shall integrate technology into learning experiences 206902
across the curriculum in order to maximize efficiency, enhance 206903
learning, and prepare students for success in the 206904
technology-driven twenty-first century. Districts and schools 206905
shall use distance and web-based course delivery as a method of 206906
providing or augmenting all instruction required under this 206907
division, including laboratory experience in science. Districts 206908
and schools shall utilize technology access and electronic 206909
learning opportunities provided by the broadcast educational media 206910
commission, chancellor, the Ohio learning network, education 206911
technology centers, public television stations, and other public 206912
and private providers. 206913

(D) Except as provided in division (E) of this section, a 206914
student who enters ninth grade on or after July 1, 2010, and 206915
before July 1, 2016, may qualify for graduation from a public or 206916
chartered nonpublic high school even though the student has not 206917
completed the requirements for graduation prescribed in division 206918
(C) of this section if all of the following conditions are 206919
satisfied: 206920

(1) During the student's third year of attending high school, 206921
as determined by the school, the student and the student's parent, 206922

guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the requirements for graduation prescribed in division (C) of this section and acknowledging that one consequence of not completing those requirements is ineligibility to enroll in most state universities in Ohio without further coursework.

(2) The student and parent, guardian, or custodian fulfill any procedural requirements the school stipulates to ensure the student's and parent's, guardian's, or custodian's informed consent and to facilitate orderly filing of statements under division (D)(1) of this section. Annually, each district or school shall notify the department of the number of students who choose to qualify for graduation under division (D) of this section and the number of students who complete the student's success plan and graduate from high school.

(3) The student and the student's parent, guardian, or custodian and a representative of the student's high school jointly develop a student success plan for the student in the manner described in division (C)(1) of section 3313.6020 of the Revised Code that specifies the student matriculating to a two-year degree program, acquiring a business and industry-recognized credential, or entering an apprenticeship.

(4) The student's high school provides counseling and support for the student related to the plan developed under division (D)(3) of this section during the remainder of the student's high school experience.

(5)(a) Except as provided in division (D)(5)(b) of this section, the student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section.

(b) Beginning with students who enter ninth grade for the

first time on or after July 1, 2014, a student shall be required 206954
to complete successfully, at the minimum, the curriculum 206955
prescribed in division (B) of this section, except as follows: 206956

(i) Mathematics, four units, one unit which shall be one of 206957
the following: 206958

(I) Probability and statistics; 206959

(II) Computer science; 206960

(III) Applied mathematics or quantitative reasoning; 206961

(IV) Any other course approved by the department using 206962
standards established by the superintendent not later than October 206963
1, 2014. 206964

(ii) Elective units, five units; 206965

(iii) Science, three units as prescribed by division (B) of 206966
this section which shall include inquiry-based laboratory 206967
experience that engages students in asking valid scientific 206968
questions and gathering and analyzing information. 206969

(E) Each school district and chartered nonpublic school 206970
retains the authority to require an even more challenging minimum 206971
curriculum for high school graduation than specified in division 206972
(B) or (C) of this section. A school district board of education, 206973
through the adoption of a resolution, or the governing authority 206974
of a chartered nonpublic school may stipulate any of the 206975
following: 206976

(1) A minimum high school curriculum that requires more than 206977
twenty units of academic credit to graduate; 206978

(2) An exception to the district's or school's minimum high 206979
school curriculum that is comparable to the exception provided in 206980
division (D) of this section but with additional requirements, 206981
which may include a requirement that the student successfully 206982
complete more than the minimum curriculum prescribed in division 206983

(B) of this section; 206984

(3) That no exception comparable to that provided in division 206985
(D) of this section is available. 206986

If a school district or chartered nonpublic school requires a 206987
foreign language as an additional graduation requirement under 206988
division (E) of this section, a student may apply one unit of 206989
instruction in computer coding to satisfy one unit of foreign 206990
language. If a student applies more than one computer coding 206991
course to satisfy the foreign language requirement, the courses 206992
shall be sequential and progressively more difficult. 206993

(F) A student enrolled in a dropout prevention and recovery 206994
program, which program has received a waiver from the department, 206995
may qualify for graduation from high school by successfully 206996
completing a competency-based instructional program administered 206997
by the dropout prevention and recovery program in lieu of 206998
completing the requirements for graduation prescribed in division 206999
(C) of this section. The department shall grant a waiver to a 207000
dropout prevention and recovery program, within sixty days after 207001
the program applies for the waiver, if the program meets all of 207002
the following conditions: 207003

(1) The program serves only students not younger than sixteen 207004
years of age and not older than twenty-one years of age. 207005

(2) The program enrolls students who, at the time of their 207006
initial enrollment, either, or both, are at least one grade level 207007
behind their cohort age groups or experience crises that 207008
significantly interfere with their academic progress such that 207009
they are prevented from continuing their traditional programs. 207010

(3) The program requires students to attain at least the 207011
applicable score designated for each of the assessments prescribed 207012
under division (B)(1) of section 3301.0710 of the Revised Code or, 207013
to the extent prescribed by rule of the ~~state board~~ department 207014

under division (D)(5) of section 3301.0712 of the Revised Code, 207015
division (B)(2) of that section. 207016

(4) The program develops a student success plan for the 207017
student in the manner described in division (C)(1) of section 207018
3313.6020 of the Revised Code that specifies the student's 207019
matriculating to a two-year degree program, acquiring a business 207020
and industry-recognized credential, or entering an apprenticeship. 207021

(5) The program provides counseling and support for the 207022
student related to the plan developed under division (F)(4) of 207023
this section during the remainder of the student's high school 207024
experience. 207025

(6) The program requires the student and the student's 207026
parent, guardian, or custodian to sign and file, in accordance 207027
with procedural requirements stipulated by the program, a written 207028
statement asserting the parent's, guardian's, or custodian's 207029
consent to the student's graduating without completing the 207030
requirements for graduation prescribed in division (C) of this 207031
section and acknowledging that one consequence of not completing 207032
those requirements is ineligibility to enroll in most state 207033
universities in Ohio without further coursework. 207034

(7) Prior to receiving the waiver, the program has submitted 207035
to the department an instructional plan that demonstrates how the 207036
academic content standards adopted by the ~~state board~~ department 207037
under section 3301.079 of the Revised Code will be taught and 207038
assessed. 207039

(8) Prior to receiving the waiver, the program has submitted 207040
to the department a policy on career advising that satisfies the 207041
requirements of section 3313.6020 of the Revised Code, with an 207042
emphasis on how every student will receive career advising. 207043

(9) Prior to receiving the waiver, the program has submitted 207044
to the department a written agreement outlining the future 207045

cooperation between the program and any combination of local job 207046
training, postsecondary education, nonprofit, and health and 207047
social service organizations to provide services for students in 207048
the program and their families. 207049

Divisions (F)(8) and (9) of this section apply only to 207050
waivers granted on or after July 1, 2015. 207051

If the department does not act either to grant the waiver or 207052
to reject the program application for the waiver within sixty days 207053
as required under this section, the waiver shall be considered to 207054
be granted. 207055

(G) Every high school may permit students below the ninth 207056
grade to take advanced work. If a high school so permits, it shall 207057
award high school credit for successful completion of the advanced 207058
work and shall count such advanced work toward the graduation 207059
requirements of division (B) or (C) of this section if the 207060
advanced work was both: 207061

(1) Taught by a person who possesses a license or certificate 207062
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 207063
Code that is valid for teaching high school; 207064

(2) Designated by the board of education of the city, local, 207065
or exempted village school district, the board of the cooperative 207066
education school district, or the governing authority of the 207067
chartered nonpublic school as meeting the high school curriculum 207068
requirements. 207069

Each high school shall record on the student's high school 207070
transcript all high school credit awarded under division (G) of 207071
this section. In addition, if the student completed a seventh- or 207072
eighth-grade fine arts course described in division (K) of this 207073
section and the course qualified for high school credit under that 207074
division, the high school shall record that course on the 207075
student's high school transcript. 207076

(H) The department shall make its individual academic career plan available through its Ohio career information system web site for districts and schools to use as a tool for communicating with and providing guidance to students and families in selecting high school courses.

(I) A school district or chartered nonpublic school may integrate academic content in a subject area for which the ~~state board~~ department has adopted standards under section 3301.079 of the Revised Code into a course in a different subject area, including a career-technical education course, in accordance with guidance for integrated coursework developed by the department. Upon successful completion of an integrated course, a student may receive credit for both subject areas that were integrated into the course. Units earned for subject area content delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section.

For purposes of meeting graduation requirements, if an end-of-course examination has been prescribed under section 3301.0712 of the Revised Code for the subject area delivered through integrated instruction, the school district or school may administer the related subject area examinations upon the student's completion of the integrated course.

Nothing in division (I) of this section shall be construed to excuse any school district, chartered nonpublic school, or student from any requirement in the Revised Code related to curriculum, assessments, or the awarding of a high school diploma.

(J)(1) The ~~state board~~ department, in consultation with the chancellor, shall adopt a statewide plan implementing methods for students to earn units of high school credit based on a demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction. ~~The~~

~~state board shall adopt the plan not later than March 31, 2009,~~ 207109
~~and commence phasing in the plan during the 2009-2010 school year.~~ 207110
The plan shall include a standard method for recording 207111
demonstrated proficiency on high school transcripts. Each school 207112
district and community school shall comply with the ~~state board's~~ 207113
department's plan adopted under this division and award units of 207114
high school credit in accordance with the plan. The ~~state board~~ 207115
department may adopt existing methods for earning high school 207116
credit based on a demonstration of subject area competency as 207117
necessary prior to the 2009-2010 school year. 207118

(2) ~~Not later than December 31, 2015, the state board~~ The 207119
department shall update the statewide plan adopted pursuant to 207120
division (J)(1) of this section to also include methods for 207121
students enrolled in seventh and eighth grade to meet curriculum 207122
requirements based on a demonstration of subject area competency, 207123
instead of or in combination with completing hours of classroom 207124
instruction. Beginning with the 2017-2018 school year, each school 207125
district and community school also shall comply with the updated 207126
plan adopted pursuant to this division and permit students 207127
enrolled in seventh and eighth grade to meet curriculum 207128
requirements based on subject area competency in accordance with 207129
the plan. 207130

(3) ~~Not later than December 31, 2017, the~~ The department 207131
shall develop a framework for school districts and community 207132
schools to use in granting units of high school credit to students 207133
who demonstrate subject area competency through work-based 207134
learning experiences, internships, or cooperative education. 207135
Beginning with the 2018-2019 school year, each district and 207136
community school shall comply with the framework. Each district 207137
and community school also shall review any policy it has adopted 207138
regarding the demonstration of subject area competency to identify 207139
ways to incorporate work-based learning experiences, internships, 207140

and cooperative education into the policy in order to increase 207141
student engagement and opportunities to earn units of high school 207142
credit. 207143

(K) This division does not apply to students who qualify for 207144
graduation from high school under division (D) or (F) of this 207145
section, or to students pursuing a career-technical instructional 207146
track as determined by the school district board of education or 207147
the chartered nonpublic school's governing authority. 207148
Nevertheless, the general assembly encourages such students to 207149
consider enrolling in a fine arts course as an elective. 207150

Beginning with students who enter ninth grade for the first 207151
time on or after July 1, 2010, each student enrolled in a public 207152
or chartered nonpublic high school shall complete two semesters or 207153
the equivalent of fine arts to graduate from high school. The 207154
coursework may be completed in any of grades seven to twelve. Each 207155
student who completes a fine arts course in grade seven or eight 207156
may elect to count that course toward the five units of electives 207157
required for graduation under division (C)(8) of this section, if 207158
the course satisfied the requirements of division (G) of this 207159
section. In that case, the high school shall award the student 207160
high school credit for the course and count the course toward the 207161
five units required under division (C)(8) of this section. If the 207162
course in grade seven or eight did not satisfy the requirements of 207163
division (G) of this section, the high school shall not award the 207164
student high school credit for the course but shall count the 207165
course toward the two semesters or the equivalent of fine arts 207166
required by this division. 207167

(L) Notwithstanding anything to the contrary in this section, 207168
the board of education of each school district and the governing 207169
authority of each chartered nonpublic school may adopt a policy to 207170
excuse from the high school physical education requirement each 207171
student who, during high school, has participated in 207172

interscholastic athletics, marching band, show choir, or 207173
cheerleading for at least two full seasons or in the junior 207174
reserve officer training corps for at least two full school years. 207175
If the board or authority adopts such a policy, the board or 207176
authority shall not require the student to complete any physical 207177
education course as a condition to graduate. However, the student 207178
shall be required to complete one-half unit, consisting of at 207179
least sixty hours of instruction, in another course of study. In 207180
the case of a student who has participated in the junior reserve 207181
officer training corps for at least two full school years, credit 207182
received for that participation may be used to satisfy the 207183
requirement to complete one-half unit in another course of study. 207184

(M) It is important that high school students learn and 207185
understand United States history and the governments of both the 207186
United States and the state of Ohio. Therefore, beginning with 207187
students who enter ninth grade for the first time on or after July 207188
1, 2012, the study of American history and American government 207189
required by divisions (B)(6) and (C)(6) of this section shall 207190
include the study of all of the following documents: 207191

(1) The Declaration of Independence; 207192

(2) The Northwest Ordinance; 207193

(3) The Constitution of the United States with emphasis on 207194
the Bill of Rights; 207195

(4) The Ohio Constitution. 207196

The study of each of the documents prescribed in divisions 207197
(M)(1) to (4) of this section shall include study of that document 207198
in its original context. 207199

The study of American history and government required by 207200
divisions (B)(6) and (C)(6) of this section shall include the 207201
historical evidence of the role of documents such as the 207202
Federalist Papers and the Anti-Federalist Papers to firmly 207203

establish the historical background leading to the establishment 207204
of the provisions of the Constitution and Bill of Rights. 207205

(N) A student may apply one unit of instruction in computer 207206
science to satisfy one unit of mathematics or one unit of science 207207
under division (C) of this section as the student chooses, 207208
regardless of the field of certification of the teacher who 207209
teaches the course, so long as that teacher meets the licensure 207210
requirements prescribed by section 3319.236 of the Revised Code 207211
and, prior to teaching the course, completes a professional 207212
development program determined to be appropriate by the district 207213
board. 207214

If a student applies more than one computer science course to 207215
satisfy curriculum requirements under that division, the courses 207216
shall be sequential and progressively more difficult or cover 207217
different subject areas within computer science. 207218

Sec. 3313.605. (A) As used in this section: 207219

(1) "Civic responsibility" means the patriotic and ethical 207220
duties of all citizens to take an active role in society and to 207221
consider the interests and concerns of other individuals in the 207222
community. 207223

(2) "Volunteerism" means nonprofit activity in the United 207224
States, the benefits and limitations of nonprofit activities, and 207225
the presence and function of nonprofit civic and charitable 207226
organizations in the United States. 207227

(3) "Community service" means a service performed through 207228
educational institutions, government agencies, nonprofit 207229
organizations, social service agencies, and philanthropies and 207230
generally designed to provide direct experience with people or 207231
project planning, with the goal of improving the quality of life 207232
for the community. Such activities may include but are not limited 207233

to tutoring, literacy training, neighborhood improvement, 207234
encouraging interracial and multicultural understanding, promoting 207235
ideals of patriotism, increasing environmental safety, assisting 207236
the elderly or disabled, and providing mental health care, 207237

(B) The board of education of each city, local, exempted 207240
village, and joint vocational school district, the governing 207241
authority of each community school established under Chapter 3314. 207242
of the Revised Code, and the governing body of each STEM school 207243
established under Chapter 3326. of the Revised Code may include 207244
community service education in its educational program. A 207245
governing board of an educational service center, upon the request 207246
of a local school district board of education, may provide a 207247
community service education program for the local district 207248
pursuant to this section. If a board, governing authority, or 207249
governing body includes community service education in its 207250
education program, the board, governing authority, or governing 207251
body shall do both of the following: 207252

(1) Establish a community service advisory committee. The 207253
committee shall provide recommendations to the board, governing 207254
authority, or governing body regarding a community service plan 207255
for students and shall oversee and assist in the implementation of 207256
the plan adopted by the board, governing authority, or governing 207257
body under division (B)(2) of this section. Each board, governing 207258
authority, or governing body shall determine the membership and 207259
organization of its advisory committee and may designate an 207260
existing committee established for another purpose to serve as the 207261
community service advisory committee; however, each such committee 207262
shall include two or more students and shall include or consult 207263
with at least one person employed in the field of volunteer 207264

in establishing its plan, the board, governing authority, or 207273
governing body shall consult with and may contract with one or 207274
more local or regional organizations with experience in volunteer 207275
program development and management. Each community service plan 207276
adopted under this division shall be based upon the 207277
recommendations of the advisory committee and shall provide for 207278
all of the following: 207279

(a) Education of students in the value of community service 207280
and its contributions to the history of this state and this 207281
nation; 207282

(b) Identification of opportunities for students to provide 207283
community service; 207284

including strategies for the teaching of community service 207289
education, for the discovery of community service opportunities, 207290
and for the motivation of students to become involved in community 207291
service. 207292

Plans shall be reviewed periodically by the advisory 207293
committee and, if necessary, revised by the board, governing 207294
authority, or governing body at least once every five years. 207295

Plans shall provide for students to perform services under 207296
the plan that will not supplant the hiring of, result in the 207297
displacement of, or impair any existing employment contract of any 207298
particular employee of any private or governmental entity for 207299
which the services are performed. The plan shall provide for any 207300
entity utilizing a student to perform community service under the 207301
plan to verify to the board that the student does not supplant the 207302
hiring of, displace, or impair the employment contract of any 207303
particular employee of the entity. 207304

Upon adoption, a board, governing authority, or governing 207305
body shall submit a copy of its plan to the department of 207306
education and workforce. Each city and exempted village board of 207307
education and each governing board of a service center shall 207308
include a copy of its plan in any course of study adopted under 207309
section 3313.60 of the Revised Code that is required to be 207310
submitted for approval to the ~~state board~~ department for review. A 207311
joint vocational school district board of education shall submit a 207312
copy of its plan to the ~~state board~~ department for review when 207313
required to do so by the ~~state board~~ department. A local board 207314
shall forward its plan to the educational service center governing 207315
board for inclusion in the governing board's course of study. The 207316
department periodically shall review all plans and publish those 207317
plans that could serve as models for other school districts, 207318
educational service centers, community schools, or STEM schools. 207319

(C) Under this section, a board, governing authority, or 207320
governing body may only grant high school credit for a community 207321
service education course if approximately half of the course is 207322
devoted to classroom study of such matters as civic 207323
responsibility, the history of volunteerism, and community service 207324
training and approximately half of the course is devoted to 207325
community service. 207326

Each board, governing authority, or governing body shall 207327

determine which specific activities will serve to fulfill the 207328
required hours of community service. 207329

(D) The ~~superintendent of public instruction~~ department of 207330
education and workforce shall develop guidelines for the 207331
development and implementation of a rubric to evaluate and rate 207332
community service education projects for use by districts, 207333
governing authorities, and governing boards that adopt a community 207334
service education plan. 207335

(E) The ~~state superintendent~~ department shall adopt rules for 207336
granting a student special certification, special recognition on a 207337
diploma, or special notification in the student's record upon the 207338
student's successful completion of an approved community service 207339
project. 207340

The district board, governing authority, or governing body 207341
shall use a rubric developed in accordance with division (D) of 207342
this section to determine whether a community service project 207343
warrants recognition on a student's diploma under this division. 207344

Sec. 3313.608. (A)(1) Beginning with students who enter third 207345
grade in the school year that starts July 1, 2009, and until June 207346

section 3301.0711 of the Revised Code from taking the assessment 207348
described in this section, for any student who does not attain at 207349
least the equivalent level of achievement designated under 207350

the assessment described in this section, no school district shall 207367
promote to fourth grade any student who does not attain at least 207368
the equivalent level of achievement designated under division 207369
(A)(3) of section 3301.0710 of the Revised Code on the assessment 207370

section 3313.611 of the Revised Code that the person qualifies as 208444

diplomas under sections 3313.61, 3313.611, 3313.612, and 3325.08 208449
of the Revised Code. 208450

(1) A person who fulfills the curriculum requirement for a 208451

subject as a condition to receiving a diploma once the person has 208459
passed the ninth grade proficiency test in the same subject, so 208460

long as the person passed the ninth grade proficiency test prior 208461
to September 15, 2008. However, any such person who passes the 208462
Ohio graduation test in any subject prior to passing the ninth 208463

this section. 208484

(b) A person who began ninth grade for the first time prior 208485
to July 1, 2014, shall be eligible to receive a diploma if the 208486
person meets the requirement prescribed by section 3313.618 or 208487

combining the requirement prescribed by section 3313.618 or 208501
3313.619 of the Revised Code and the requirement to attain at 208502
least the applicable scores designated under division (B)(1) of 208503
section 3301.0710 of the Revised Code on the assessments required 208504
by that division. The rules shall ensure that the combined 208505
requirements require a demonstration of mastery that is equivalent 208506
or greater to the expectations of the assessments prescribed by 208507
division (B)(1) of section 3301.0710 of the Revised Code. The 208508
rules shall include the following: 208509

(i) The date by which a person who began ninth grade for the 208510

graduation tests. Each such person must meet the requirement 208521
prescribed by section 3313.618 or 3313.619 of the Revised Code. 208522

(C) This division specifies the curriculum requirement that 208523

shall be completed as a condition toward granting high school diplomas under sections 3313.61, 3313.611, 3313.612, and 3325.08 of the Revised Code.

(1) A person who is under twenty-two years of age when the person fulfills the curriculum requirement for a diploma shall complete the curriculum required by the school district or school issuing the diploma for the first year that the person originally enrolled in high school, except for a person who qualifies for graduation from high school under either division (D) or (F) of section 3313.603 of the Revised Code.

(2) Once a person fulfills the curriculum requirement for a diploma, the person is never required, as a condition of receiving a diploma, to meet any different curriculum requirements that take effect pending the person's passage of proficiency tests or achievement tests or assessments, including changes mandated by section 3313.603 of the Revised Code, the ~~state board~~ department, a school district board of education, or a governing authority of a community school or chartered nonpublic school.

which the child's grandparent resides and the board of education 209520
of the school district in which the child's parent resides enter 209521
into a written agreement specifying that good cause exists for 209522
such attendance, describing the nature of this good cause, and 209523
consenting to such attendance. 209524

In lieu of a consent form signed by a parent, a board of 209525
education may request the grandparent of a child attending school 209526
in the district in which the grandparent resides pursuant to 209527
division (F)(11) of this section to complete any consent form 209528
required by the district, including any authorization required by 209529
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 209530
Code. Upon request, the grandparent shall complete any consent 209531
form required by the district. A school district shall not incur 209532
any liability solely because of its receipt of a consent form from 209533
a grandparent in lieu of a parent. 209534

Division (F)(11) of this section does not create, and shall 209535
not be construed as creating, a new cause of action or substantive 209536
legal right against a school district, a member of a board of 209537
education, or an employee of a school district. This section does 209538
not affect, and shall not be construed as affecting, any 209539
immunities from defenses to tort liability created or recognized 209540
by Chapter 2744. of the Revised Code for a school district, 209541
member, or employee. 209542

(12) A child under the age of twenty-two years is entitled to attend school in a school district other than the district in which the child is entitled to attend school under division (B), (C), or (E) of this section provided that, prior to such attendance in any school year, both of the following occur:

(b) The superintendents of both districts enter into a written agreement that consents to the attendance and specifies that the purpose of such attendance is to protect the student's physical or mental well-being or to deal with other extenuating circumstances deemed appropriate by the superintendents.

While an agreement is in effect under this division for a student who is not receiving special education under Chapter 3323. of the Revised Code and notwithstanding Chapter 3327. of the Revised Code, the board of education of neither school district involved in the agreement is required to provide transportation for the student to and from the school where the student attends.

A student attending a school of a district pursuant to this division shall be allowed to participate in all student activities, including interscholastic athletics, at the school where the student is attending on the same basis as any student who has always attended the schools of that district while of compulsory school age.

(13) All school districts shall comply with the "McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for the education of homeless children. Each city, local, and exempted village school district shall comply with the requirements of that act governing the provision of a free,

appropriate public education, including public preschool, to each 209574
homeless child. 209575

When a child loses permanent housing and becomes a homeless 209576
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 209577
such a homeless person changes temporary living arrangements, the 209578
child's parent or guardian shall have the option of enrolling the 209579
child in either of the following: 209580

(a) The child's school of origin, as defined in 42 U.S.C.A. 209581
11432(g)(3)(C); 209582

(b) The school that is operated by the school district in 209583
which the shelter where the child currently resides is located and 209584
that serves the geographic area in which the shelter is located. 209585

(14) A child under the age of twenty-two years who resides 209586
with a person other than the child's parent is entitled to attend 209587
school in the school district in which that person resides if both 209588
of the following apply: 209589

(a) That person has been appointed, through a military power 209590
of attorney executed under section 574(a) of the "National Defense 209591
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 209592
U.S.C. 1044b, or through a comparable document necessary to 209593
complete a family care plan, as the parent's agent for the care, 209594
custody, and control of the child while the parent is on active 209595
duty as a member of the national guard or a reserve unit of the 209596
armed forces of the United States or because the parent is a 209597
member of the armed forces of the United States and is on a duty 209598
assignment away from the parent's residence. 209599

(b) The military power of attorney or comparable document 209600
includes at least the authority to enroll the child in school. 209601

The entitlement to attend school in the district in which the 209602
parent's agent under the military power of attorney or comparable 209603
document resides applies until the end of the school year in which 209604

the military power of attorney or comparable document expires. 209605

(G) A board of education, after approving admission, may 209606
waive tuition for students who will temporarily reside in the 209607
district and who are either of the following: 209608

(1) Residents or domiciliaries of a foreign nation who 209609
request admission as foreign exchange students; 209610

(2) Residents or domiciliaries of the United States but not 209611
of Ohio who request admission as participants in an exchange 209612
program operated by a student exchange organization. 209613

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 209614
3327.04, and 3327.06 of the Revised Code, a child may attend 209615
school or participate in a special education program in a school 209616
district other than in the district where the child is entitled to 209617
attend school under division (B) of this section. 209618

(I)(1) Notwithstanding anything to the contrary in this 209619
section or section 3313.65 of the Revised Code, a child under 209620
twenty-two years of age may attend school in the school district 209621
in which the child, at the end of the first full week of October 209622
of the school year, was entitled to attend school as otherwise 209623
provided under this section or section 3313.65 of the Revised 209624
Code, if at that time the child was enrolled in the schools of the 209625
district but since that time the child or the child's parent has 209626
relocated to a new address located outside of that school district 209627
and within the same county as the child's or parent's address 209628
immediately prior to the relocation. The child may continue to 209629
attend school in the district, and at the school to which the 209630
child was assigned at the end of the first full week of October of 209631
the current school year, for the balance of the school year. 209632
Division (I)(1) of this section applies only if both of the 209633
following conditions are satisfied: 209634

(a) The board of education of the school district in which 209635

the child was entitled to attend school at the end of the first 209636
full week in October and of the district to which the child or 209637
child's parent has relocated each has adopted a policy to enroll 209638
children described in division (I)(1) of this section. 209639

(b) The child's parent provides written notification of the 209640
relocation outside of the school district to the superintendent of 209641
each of the two school districts. 209642

(2) At the beginning of the school year following the school 209643
year in which the child or the child's parent relocated outside of 209644
the school district as described in division (I)(1) of this 209645
section, the child is not entitled to attend school in the school 209646
district under that division. 209647

(3) Any person or entity owing tuition to the school district 209648
on behalf of the child at the end of the first full week in 209649
October, as provided in division (C) of this section, shall 209650
continue to owe such tuition to the district for the child's 209651
attendance under division (I)(1) of this section for the lesser of 209652
the balance of the school year or the balance of the time that the 209653
child attends school in the district under division (I)(1) of this 209654
section. 209655

(4) A pupil who may attend school in the district under 209656
division (I)(1) of this section shall be entitled to 209657
transportation services pursuant to an agreement between the 209658
district and the district in which the child or child's parent has 209659
relocated unless the districts have not entered into such 209660
agreement, in which case the child shall be entitled to 209661
transportation services in the same manner as a pupil attending 209662
school in the district under interdistrict open enrollment as 209663
described in division (E) of section 3313.981 of the Revised Code, 209664
regardless of whether the district has adopted an open enrollment 209665
policy as described in division (B)(1)(b) or (c) of section 209666
3313.98 of the Revised Code. 209667

(J) This division does not apply to a child receiving special education. 209668
209669

A school district required to pay tuition pursuant to 209670
division (C)(2) or (3) of this section or section 3313.65 of the 209671
Revised Code shall have an amount deducted under division (C) of 209672
section 3317.023 of the Revised Code equal to its own tuition rate 209673
for the same period of attendance. A school district entitled to 209674
receive tuition pursuant to division (C)(2) or (3) of this section 209675
or section 3313.65 of the Revised Code shall have an amount 209676
credited under division (C) of section 3317.023 of the Revised 209677
Code equal to its own tuition rate for the same period of 209678
attendance. If the tuition rate credited to the district of 209679
attendance exceeds the rate deducted from the district required to 209680
pay tuition, the department of education and workforce shall pay 209681
the district of attendance the difference from amounts deducted 209682
from all districts' payments under division (C) of section 209683
3317.023 of the Revised Code but not credited to other school 209684
districts under such division and from appropriations made for 209685

divisions (C)(2) and (3) of this section or section 3313.65 of the 209690
Revised Code during the preceding six calendar months, the 209691
duration of the attendance of those children, the school district 209692
responsible for tuition on behalf of the child, and any other 209693
information that the ~~superintendent~~ director requires. 209694

Upon receipt of the report the ~~superintendent~~ director, 209695
pursuant to division (C) of section 3317.023 of the Revised Code, 209696
shall deduct each district's tuition obligations under divisions 209697
(C)(2) and (3) of this section or section 3313.65 of the Revised 209698
Code and pay to the district of attendance that amount plus any 209699

amount required to be paid by the state. 209700

(K) In the event of a disagreement, the ~~superintendent of~~ 209701
~~public instruction~~ director of education and workforce shall 209702
determine the school district in which the parent resides. 209703

(L) Nothing in this section requires or authorizes, or shall 209704
be construed to require or authorize, the admission to a public 209705
school in this state of a pupil who has been permanently excluded 209706
from public school attendance by the ~~superintendent of public~~ 209707
~~instruction~~ director pursuant to sections 3301.121 and 3313.662 of 209708

in the district in which the child's parent lived before being 209716
called to active duty or ordered to a temporary duty assignment 209717
outside of the district, as long as the child's parent continues 209718
to be a resident of that district, and regardless of where the 209719
child lives as a result of the parent's active duty status or 209720
temporary duty assignment. However, the district is not 209721
responsible for providing transportation for the child if the 209722
child lives outside of the district as a result of the parent's 209723
active duty status or temporary duty assignment. 209724

Sec. 3313.642. (A) Except as provided in division (B) of this 209725

exempted village, or local school district shall not be required 209728
to furnish, free of charge, to the pupils attending the public 209729

required to be furnished without charge pursuant to section 209732
3329.06 of the Revised Code. The board may, however, make 209733

as amended, and the "Child Nutrition Act of 1966," 80 Stat. 885, 209741
42 U.S.C. 1771, as amended, for any materials needed to enable the 209742

withholding the grades and credits of the pupils concerned. 209765

(D) No board of education shall withhold the grades, credits, 209766
official transcripts, diploma, IEPs, or 504 plans of a pupil for 209767
nonpayment of fees for materials used in a course of instruction 209768

been filed at any time in a juvenile court alleging that the pupil 209770
is an abused, neglected, or dependent child or if the pupil has 209771
been adjudicated an abused, neglected, or dependent child. 209772

A board shall require that the grades, credits, official 209773
transcripts, IEPs, or 504 plan of a pupil described in this 209774

department of education and workforce the number of pupils for 209786
whom the board sends transcripts under division (D) of this 209787

(E) The treasurer of any board of education operating a 209910
preschool program pursuant to this section shall keep an account 209911
of all funds used to operate the program in the same manner as the 209912
treasurer would any other funds of the district pursuant to this 209913

chapter. 209914

Sec. 3313.647. As used in this division, "graduate" means a 209915
person who has received a diploma from a district pursuant to 209916
section 3313.61 of the Revised Code. 209917

Pursuant to rules adopted by the ~~state board~~ department of 209918
education and workforce, a city, local, exempted village, or joint 209919
vocational school district may establish a policy guaranteeing a 209920
specific level of competency of certain graduates of the district. 209921
The guarantee policy shall specify that any graduate meeting 209922
specified criteria established by the board is capable of 209923
performing specified functions at a level established in the 209924
policy. Any employer or potential employer of a graduate who is 209925
guaranteed under such a policy may submit a written statement to 209926
the board of education stating the guaranteed graduate of its 209927
district does not meet the level of competency specified in the 209928
district's guarantee policy. Upon receipt of such statement the 209929
board of education shall provide an opportunity for additional 209930
education to the graduate, regardless of the graduate's age or 209931
place of residence, until such individual attains the competency 209932
level specified in the policy. No fee shall be charged to any 209933
person or government entity for such additional education. A 209934
school board may expend school funds for a guarantee program; 209935
however, no student participating in the program shall be included 209936
in the formula ADM of the district as determined under section 209937
3317.03 of the Revised Code or included as a participant in any 209938
other program, if such inclusion would result in additional state 209939
funds to the school district. 209940

The ~~state board of education~~ department shall adopt rules for 209941
the adoption of a policy under this section and for the additional 209942
education program described under this section. 209943

Sec. 3313.6410. This section applies to any school that is 209944
operated by a school district and in which the enrolled students 209945
work primarily on assignments in nonclassroom-based learning 209946
opportunities provided via an internet- or other computer-based 209947
instructional method. 209948

(A) Any school to which this section applies shall withdraw 209949
from the school any student who, for two consecutive school years 209950
of enrollment in the school, has failed to participate in the 209951
spring administration of any assessment prescribed under section 209952
3301.0710 or 3301.0712 of the Revised Code for the student's grade 209953
level and was not excused from the assessment pursuant to division 209954
(C)(1) or (3) of section 3301.0711 of the Revised Code, regardless 209955
of whether a waiver was granted for the student under division (E) 209956
of section 3317.03 of the Revised Code. The school shall report 209957
any such student's data verification code, as assigned pursuant to 209958
section 3301.0714 of the Revised Code, to the department of 209959
education and workforce to be added to the list maintained by the 209960
department under section 3314.26 of the Revised Code. 209961

(B) No school to which this section applies shall receive any 209962
state funds under Chapter 3317. of the Revised Code for any 209963
enrolled student whose data verification code appears on the list 209964
maintained by the department under section 3314.26 of the Revised 209965
Code. Notwithstanding any provision of the Revised Code to the 209966
contrary, the parent of any such student shall pay tuition to the 209967
school district that operates the school in an amount equal to the 209968
state funds the district otherwise would receive for that student, 209969
as determined by the department. A school to which this section 209970
applies may withdraw any student for whom the parent does not pay 209971
tuition as required by this division. 209972

than section 3313.64 of the Revised Code. 210034

(C) A child who does not reside in the school district in which the child's parent resides and for whom a tuition obligation previously has not been established under division (C)(2) of section 3313.64 of the Revised Code shall be admitted to the schools of the district in which the child resides if at least one of the child's parents is in a residential or correctional facility or a juvenile residential placement and the other parent, if living and not in such a facility or placement, is not known to reside in this state.

do not receive special education shall be paid in accordance with 210072
division (J) of section 3313.64 of the Revised Code. 210073

Sec. 3313.66. (A)(1) Except as provided under division (B)(2) 210074
of this section, and subject to section 3313.668 of the Revised 210075
Code, the superintendent of schools of a city, exempted village, 210076
or local school district, or the principal of a public school may 210077
suspend a pupil from school for not more than ten school days. The 210078
board of education of a city, exempted village, or local school 210079
district may adopt a policy granting assistant principals and 210080
other administrators the authority to suspend a pupil from school 210081
for a period of time as specified in the policy of the board of 210082
education, not to exceed ten school days. If at the time an 210083
out-of-school suspension is imposed there are fewer than ten 210084
school days remaining in the school year in which the incident 210085
that gives rise to the suspension takes place, the superintendent 210086
shall not apply any remaining part of the period of the suspension 210087
to the following school year. The superintendent may instead 210088
require the pupil to participate in a community service program or 210089
another alternative consequence for a number of hours equal to the 210090
remaining part of the period of the suspension. The pupil shall be 210091
required to begin the pupil's community service or alternative 210092
consequence during the first full week day of summer break. Each 210093
school district, in its discretion, may develop an appropriate 210094
list of alternative consequences. In the event that a pupil fails 210095
to complete community service or the assigned alternative 210096
consequence, the school district may determine the next course of 210097

action, which shall not include requiring the pupil to serve the 210098
remaining time of the out-of-school suspension at the beginning of 210099
the following school year. 210100

No pupil shall be issued an out-of-school suspension unless 210101
prior to the suspension the superintendent or principal does both 210102
of the following: 210103

(a) Gives the pupil written notice of the intention to 210104
suspend the pupil and the reasons for the intended suspension and, 210105
if the proposed suspension is based on a violation listed in 210106
division (A) of section 3313.662 of the Revised Code and if the 210107
pupil is sixteen years of age or older, includes in the notice a 210108
statement that the superintendent may seek to permanently exclude 210109
the pupil if the pupil is convicted of or adjudicated a delinquent 210110
child for that violation; 210111

(b) Provides the pupil an opportunity to appear at an 210112
informal hearing before the principal, assistant principal, 210113
superintendent, or superintendent's designee and challenge the 210114
reason for the intended suspension or otherwise to explain the 210115
pupil's actions. 210116

(2) If a pupil is issued an in-school suspension, the 210117
superintendent or principal shall ensure the pupil is serving the 210118
suspension in a supervised learning environment. 210119

(3) Each school district board shall adopt a policy 210120
establishing parameters for completing and grading assignments 210121
missed because of a pupil's suspension. 210122

(a) The policy shall provide the pupil an opportunity to do 210123
both of the following: 210124

(i) Complete any classroom assignments missed because of the 210125
suspension; 210126

(ii) Receive at least partial credit for a completed 210127

assignment. 210128

(b) The policy may permit grade reductions on account of the pupil's suspension. 210129
210130

(c) The policy shall prohibit the receipt of a failing grade on a completed assignment solely on account of the pupil's suspension. 210131
210132
210133

(B)(1) Except as provided under division (B)(2), (3), or (4) of this section, and subject to section 3313.668 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district may expel a pupil from school for a period not to exceed the greater of eighty school days or the number of school days remaining in the semester or term in which the incident that gives rise to the expulsion takes place, unless the expulsion is extended pursuant to division (F) of this section. If at the time an expulsion is imposed there are fewer than eighty school days remaining in the school year in which the incident that gives rise to the expulsion takes place, the superintendent may apply any remaining part or all of the period of the expulsion to the following school year. 210134
210135
210136
210137
210138
210139
210140
210141
210142
210143
210144
210145
210146

(2)(a) Unless a pupil is permanently excluded pursuant to section 3313.662 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district shall expel a pupil from school for a period of one year for bringing a firearm to a school operated by the board of education of the district or onto any other property owned or controlled by the board, except that the superintendent may reduce this requirement on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the Revised Code. 210147
210148
210149
210150
210151
210152
210153
210154
210155

(b) The superintendent of schools of a city, exempted village, or local school district may expel a pupil from school for a period of one year for bringing a firearm to an 210156
210157
210158

interscholastic competition, an extracurricular event, or any 210159
other school program or activity that is not located in a school 210160
or on property that is owned or controlled by the district. The 210161
superintendent may reduce this disciplinary action on a 210162
case-by-case basis in accordance with the policy adopted by the 210163
board under section 3313.661 of the Revised Code. 210164

(c) Any expulsion pursuant to division (B)(2) of this section 210165
shall extend, as necessary, into the school year following the 210166
school year in which the incident that gives rise to the expulsion 210167
takes place. As used in this division, "firearm" has the same 210168
meaning as provided pursuant to the "Gun-Free Schools Act," 115 210169
Stat. 1762, 20 U.S.C. 7151. 210170

(3) The board of education of a city, exempted village, or 210171
local school district may adopt a resolution authorizing the 210172
superintendent of schools to expel a pupil from school for a 210173
period not to exceed one year for bringing a knife capable of 210174
causing serious bodily injury to a school operated by the board, 210175
onto any other property owned or controlled by the board, or to an 210176
interscholastic competition, an extracurricular event, or any 210177
other program or activity sponsored by the school district or in 210178
which the district is a participant, or for possessing a firearm 210179
or knife capable of serious bodily injury, at a school, on any 210180
other property owned or controlled by the board, or at an 210181
interscholastic competition, an extracurricular event, or any 210182
other school program or activity, which firearm or knife was 210183
initially brought onto school board property by another person. 210184
The resolution may authorize the superintendent to extend such an 210185
expulsion, as necessary, into the school year following the school 210186
year in which the incident that gives rise to the expulsion takes 210187
place. 210188

(4) The board of education of a city, exempted village, or 210189
local school district may adopt a resolution establishing a policy 210190

under section 3313.661 of the Revised Code that authorizes the superintendent of schools to expel a pupil from school for a period not to exceed one year for committing an act that is a criminal offense when committed by an adult and that results in serious physical harm to persons as defined in division (A)(5) of section 2901.01 of the Revised Code or serious physical harm to property as defined in division (A)(6) of section 2901.01 of the Revised Code while the pupil is at school, on any other property owned or controlled by the board, or at an interscholastic competition, an extracurricular event, or any other school program or activity. Any expulsion under this division shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(5) The board of education of any city, exempted village, or local school district may adopt a resolution establishing a policy under section 3313.661 of the Revised Code that authorizes the superintendent of schools to expel a pupil from school for a period not to exceed one year for making a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat. Any expulsion under this division shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(6) No pupil shall be expelled under division (B)(1), (2), (3), (4), or (5) of this section unless, prior to the pupil's expulsion, the superintendent does both of the following:

(a) Gives the pupil and the pupil's parent, guardian, or custodian written notice of the intention to expel the pupil;

(b) Provides the pupil and the pupil's parent, guardian, custodian, or representative an opportunity to appear in person before the superintendent or the superintendent's designee to challenge the reasons for the intended expulsion or otherwise to

explain the pupil's actions. 210223

The notice required in this division shall include the 210224
reasons for the intended expulsion, notification of the 210225
opportunity of the pupil and the pupil's parent, guardian, 210226
custodian, or representative to appear before the superintendent 210227
or the superintendent's designee to challenge the reasons for the 210228
intended expulsion or otherwise to explain the pupil's action, and 210229
notification of the time and place to appear. The time to appear 210230
shall not be earlier than three nor later than five school days 210231
after the notice is given, unless the superintendent grants an 210232
extension of time at the request of the pupil or the pupil's 210233
parent, guardian, custodian, or representative. If an extension is 210234
granted after giving the original notice, the superintendent shall 210235
notify the pupil and the pupil's parent, guardian, custodian, or 210236
representative of the new time and place to appear. If the 210237
proposed expulsion is based on a violation listed in division (A) 210238
of section 3313.662 of the Revised Code and if the pupil is 210239
sixteen years of age or older, the notice shall include a 210240
statement that the superintendent may seek to permanently exclude 210241
the pupil if the pupil is convicted of or adjudicated a delinquent 210242
child for that violation. 210243

(7) A superintendent of schools of a city, exempted village, 210244
or local school district shall initiate expulsion proceedings 210245
pursuant to this section with respect to any pupil who has 210246
committed an act warranting expulsion under the district's policy 210247
regarding expulsion even if the pupil has withdrawn from school 210248
for any reason after the incident that gives rise to the hearing 210249
but prior to the hearing or decision to impose the expulsion. If, 210250
following the hearing, the pupil would have been expelled for a 210251
period of time had the pupil still been enrolled in the school, 210252
the expulsion shall be imposed for the same length of time as on a 210253
pupil who has not withdrawn from the school. 210254

(C)(1) Subject to division (C)(2) of this section, if a pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either within a classroom or elsewhere on the school premises, the superintendent or a principal or assistant principal may remove a pupil from curricular activities or from the school premises, and a teacher may remove a pupil from curricular activities under the teacher's supervision, without the notice and hearing requirements of division (A) or (B) of this section. As soon as practicable after making such a removal, the teacher shall submit in writing to the principal the reasons for such removal.

(2) A pupil in any of grades pre-kindergarten through three may be removed pursuant to division (C)(1) of this section only for the remainder of the school day and shall be permitted to return to curricular and extracurricular activities on the school day following the day in which the student was removed.

(a) A school district or school that returns a student in any of grades pre-kindergarten through three to curricular and extracurricular activities on the next school day shall not be required to follow division (C)(3) of this section with regard to that student.

(b) A school district shall not initiate a suspension or expulsion proceeding against a student in any of grades pre-kindergarten through three who was removed from a curricular or extracurricular activity under division (C) of this section unless the student has committed an act described in division (B)(1)(a) or (b) of section 3313.668 of the Revised Code.

(3) If a pupil is removed under division (C)(1) or (2) of this section from a curricular activity or from the school premises, written notice of the hearing and of the reason for the removal shall be given to the pupil as soon as practicable prior to the hearing, which shall be held on the next school day after

the initial removal is ordered. The hearing shall be held in 210287
accordance with division (A) of this section unless it is probable 210288
that the pupil may be subject to expulsion, in which case a 210289
hearing in accordance with division (B) of this section shall be 210290
held, except that the hearing shall be held on the next school day 210291
after the date of the initial removal. The individual who ordered, 210292
caused, or requested the removal to be made shall be present at 210293
the hearing. 210294

(4) If the superintendent or the principal reinstates a pupil 210295
in a curricular activity under the teacher's supervision prior to 210296
the hearing following a removal under this division, the teacher, 210297
upon request, shall be given in writing the reasons for such 210298
reinstatement. 210299

(D) The superintendent or principal, within one school day 210300
after the time of a pupil's expulsion or suspension, shall notify 210301
in writing the parent, guardian, or custodian of the pupil of the 210302
expulsion or suspension. In the case of an expulsion, the 210303
superintendent or principal, within one school day after the time 210304
of a pupil's expulsion, also shall notify in writing the treasurer 210305
of the board of education. Each notice shall include the reasons 210306
for the expulsion or suspension, notification of the right of the 210307
pupil or the pupil's parent, guardian, or custodian to appeal the 210308
expulsion or suspension to the board of education or to its 210309
designee, to be represented in all appeal proceedings, to be 210310
granted a hearing before the board or its designee in order to be 210311
heard against the suspension or expulsion, and to request that the 210312
hearing be held in executive session, notification that the 210313
expulsion may be subject to extension pursuant to division (F) of 210314
this section if the pupil is sixteen years of age or older, and 210315
notification that the superintendent may seek the pupil's 210316
permanent exclusion if the suspension or expulsion was based on a 210317
violation listed in division (A) of section 3313.662 of the 210318

Revised Code that was committed when the child was sixteen years 210319
of age or older and if the pupil is convicted of or adjudicated a 210320
delinquent child for that violation. 210321

In accordance with the policy adopted by the board of 210322
education under section 3313.661 of the Revised Code, the notice 210323
provided under this division shall specify the manner and date by 210324
which the pupil or the pupil's parent, guardian, or custodian 210325
shall notify the board of the pupil's, parent's, guardian's, or 210326
custodian's intent to appeal the expulsion or suspension to the 210327
board or its designee. 210328

Any superintendent expelling a pupil under this section for 210329
more than twenty school days or for any period of time if the 210330
expulsion will extend into the following semester or school year 210331
shall, in the notice required under this division, provide the 210332

include the names, addresses, and phone numbers of the appropriate 210338
public and private agencies. 210339

(E) A pupil or the pupil's parent, guardian, or custodian may 210340

This section shall not be construed to require notice and 210364
hearing in accordance with division (A), (B), or (C) of this 210365
section in the case of normal disciplinary procedures in which a 210366
pupil is removed from a curricular activity for a period of less 210367
than one school day and is not subject to suspension or expulsion. 210368

(F)(1) If a pupil is expelled pursuant to division (B) of 210369
this section for committing any violation listed in division (A) 210370

years of age or older at the time of committing the violation, if 210372
a complaint, indictment, or information is filed alleging that the 210373
pupil is a delinquent child based upon the commission of the 210374
violation or the pupil is prosecuted as an adult for the 210375
commission of the violation, and if the resultant juvenile court 210376
or criminal proceeding is pending at the time that the expulsion 210377
terminates, the superintendent of schools that expelled the pupil 210378
may file a motion with the court in which the proceeding is 210379
pending requesting an order extending the expulsion for the lesser 210380

remaining in the school year. Upon the filing of the motion, the 210382

court immediately shall schedule a hearing and give written notice 210383
of the time, date, and location of the hearing to the 210384
superintendent and to the pupil and the pupil's parent, guardian, 210385
or custodian. At the hearing, the court shall determine whether 210386
there is reasonable cause to believe that the pupil committed the 210387
alleged violation that is the basis of the expulsion and, upon 210388
determining that reasonable cause to believe the pupil committed 210389
the violation does exist, shall grant the requested extension. 210390

(2) If a pupil has been convicted of or adjudicated a 210391
delinquent child for a violation listed in division (A) of section 210392

of the time, date, and location of the hearing to the 210407
superintendent of the school district, the pupil, and the pupil's 210408

determine whether there is reasonable cause to believe the pupil's 210410
continued attendance in the public school system may endanger the 210411
health and safety of other pupils or school employees and, upon 210412
making that determination, shall grant the requested extension. 210413

accordance with sections 3301.121 and 3313.662 of the Revised 210421

the expulsion, the board of education of the school district that 210433
expelled the student or any board of education admitting the 210434
student during that expulsion period may provide educational 210435

local, exempted village, or joint vocational school district in 210632
which the pupil desires to attend school may issue to the board of 210633

reasons for the recommendation, that the permanent exclusion of a 210635
pupil be revoked and the pupil be allowed to return to the public 210636

treatment program, a behavioral modification program, or any other 210678
program reasonably designed to meet the educational needs of the 210679
child and the disciplinary requirements of the school. 210680

basis, a plan may include an earlier effective date for such an 210689
admission for any of the reasons for which the superintendent of 210690
the district may reduce the one-year expulsion requirement in 210691
division (B)(2) of section 3313.66 of the Revised Code. 210692

(b) If the superintendent of a school district, a pupil, and 210693
the pupil's parent, guardian, or custodian or a person designated 210694
by the pupil's parent, guardian, or custodian agree upon a 210695
probationary admission plan prepared pursuant to division 210696
(F)(2)(a) of this section, the superintendent of the school 210697

district shall issue to the board of education of the school 210698

board may adopt the recommendation by a majority vote of its 210704
members. If the board adopts the recommendation, the pupil may 210705
attend school under probationary admission within that school 210706
district for a period not to exceed ninety days or any additional 210707

period not to exceed ninety days or to issue a recommendation 210733
pursuant to division (F)(1) of this section that the pupil's 210734
permanent exclusion be revoked and the pupil be allowed to return 210735
to the public schools of this state. 210736

is permitted to attend school under an extension of a probationary 210744
admission plan complies with the probationary admission plan 210745
prepared pursuant to the extension, the pupil or the pupil's 210746
parent, guardian, or custodian may request a revocation of the 210747
pupil's permanent exclusion in the manner described in division 210748
(F)(2)(d) of this section. 210749

manner described in divisions (F)(2)(a) and (b) of this section 210754
and may be terminated as provided in division (F)(2)(c) of this 210755
section. 210756

(g) If the pupil has complied with any probationary admission 210757
plan and the superintendent issues a recommendation that seeks 210758
revocation of the pupil's permanent exclusion pursuant to division 210759
(F)(1) of this section, the pupil's compliance with any 210760
probationary admission plan may be considered along with other 210761

relevant factors in any determination or adjudication conducted 210762
pursuant to division (F)(1) of this section. 210763

(G)(1) Except as provided in division (G)(2) of this section, 210764
any information regarding the permanent exclusion of a pupil shall 210765
be included in the pupil's official records and shall be included 210766
in any records sent to any school district that requests the 210767

(2) When a pupil who has been permanently excluded from 210769
public school attendance reaches the age of twenty-two or when the 210770
permanent exclusion of a pupil has been revoked, all school 210771
districts that maintain records regarding the pupil's permanent 210772

permanent exclusion has been revoked may send a written notice to 210776
the superintendent of any school district maintaining records of 210777
the pupil's permanent exclusion requesting the superintendent to 210778
ensure that the records are removed from the pupil's file and 210779

The board of education or governing body of each school 210923
subject to this section shall adopt a policy that prescribes 210924

If the board or governing authority provides the screenings itself or contracts with another entity for provision of the screenings, the board or governing authority shall protect student privacy by ensuring that each student is screened alone and not in the presence of other students or staff.

(C) Each school year, each board or governing authority electing to require the screening shall provide the parent or guardian of each student subject to the screening with information about the screening program. (D) If the parent or guardian of a student subject to the screening signs and submits to the board or governing authority a written statement indicating that the parent or guardian does not wish to have the student undergo the screening, the board or governing authority shall not require the student to be screened.

(E) The board or governing authority shall notify the parent or guardian of each student screened under this section of any health risks associated with the student's results and shall provide the parent or guardian with information about appropriately addressing the risks. For this purpose, the department of health, in consultation with the department of education and workforce, shall develop a list of documents, pamphlets, or other resources that may be distributed to parents and guardians under this division.

(F) The board or governing authority shall maintain the confidentiality of each student's individual screening results at all times. No board or governing authority shall report a student's individual screening results to any person other than the student's parent or guardian.

(G) In a manner prescribed by rule of the director of health, each board or governing authority electing to require the screening shall report aggregated body mass index and weight status category data collected under this section, and any other demographic data required by the director, to the department of health. In the case of a school district, data shall be aggregated for the district as a whole and not for individual schools within the district, unless the district operates only one school. In the case of a chartered nonpublic school, data shall be aggregated for the school as a whole. The department annually may publish the data reported under this division, aggregated by county. For each county in which a district, community school, STEM school, or chartered nonpublic school has elected not to require the screening for a school year for which data is published, the department shall note that the data for the county in which the district or school is located is incomplete. and all positive reactions and x-ray findings shall be reported 211016
promptly to the county record bureau of tuberculosis cases 211017
provided for in section 339.74 of the Revised Code. Boards shall 211018
waive the required test where a pupil presents a written statement 211019
from the pupil's family physician certifying that such test has 211020
been given and that such pupil is free from tuberculosis in a 211021
communicable stage, or that such test is inadvisable for medical 211022
reasons, or from the pupil's parent or guardian objecting to such 211023
test because of religious convictions. 211024

to be ill or have tuberculosis in a communicable stage or other 211026
communicable disease, the school physician shall promptly send 211027
such pupil, teacher, or other school employee home, with a 211028
statement, in the case of a pupil, to the pupil's parents or 211029
guardian, briefly setting forth the discovered facts, and advising 211030
that the family physician be consulted. School physicians shall 211031
keep accurate card-index records of all examinations, and said 211032

pupil or any teacher or other school employee, after notice from 211037
the board of education, furnishes within two weeks thereafter the 211038
written certificate of any reputable physician that the pupil, 211039
teacher, or other school employee has been examined, in such cases 211040
the service of the school physician shall be dispensed with, and 211041
such certificate shall be furnished by such parent or guardian, as 211042

required by the board of education. Such individual records shall 211043
not be open to the public and shall be solely for the use of the 211044
boards of education and boards of health officer. If any teacher 211045
or other school employee is found to have tuberculosis in a 211046
communicable stage or other communicable disease, the teacher's or 211047
employee's employment shall be discontinued or suspended upon such 211048
terms as to salary as the board deems just until the school 211049
physician has certified to a recovery from such disease. The 211050
methods of making the tuberculin tests and chest x-rays required 211051
by this section shall be such as are approved by the director of 211052
health. 211053

This section shall apply to all elementary and high schools 211054
for which the ~~state board~~ director of education and workforce sets 211055
minimum standards pursuant to section 3301.07 of the Revised Code. 211056

courses shall be required to be certificated by the ~~state~~ 212401
~~department of education~~, or in a combination of such ways. 212402
Exceptions to the minimum enrollment prescribed by this section 212403
may be made by the ~~state board of education~~ department based on 212404
sparsity of population or other factors indicating that 212405
comprehensive educational and career-technical education programs 212406
as required by this section can be provided through an alternate 212407
plan. 212408

(B) If the board of education of a city, local, or exempted 212409
village school district adopts a resolution that specifies the 212410
district's intent not to provide career-technical education to 212411
students enrolled in grades seven and eight for a particular 212412
school year and submits that resolution to the department by the 212413

(4) Notwithstanding divisions (B)(1) and (2) of this section, 213807
a sponsor rated "exemplary" on its most recent evaluation 213808
conducted under section 3314.016 of the Revised Code is permitted 213809
to open up to two new internet- or computer-based community 213810
schools that will primarily serve students enrolled in a dropout 213811
prevention and recovery program each year, not to exceed six new 213812
schools in a five-year period. 213813

(C) Nothing in division (A) or (B) of this section prohibits 213814
an internet- or computer-based community school from increasing 213815
the number of grade levels it offers. 213816

Sec. 3314.015. (A) The department of education and workforce 213817
shall be responsible for the oversight of any and all sponsors of 213818
the community schools established under this chapter and shall 213819
provide technical assistance to schools and sponsors in their 213820
compliance with applicable laws and the terms of the contracts 213821
entered into under section 3314.03 of the Revised Code and in the 213822
development and start-up activities of those schools. In carrying 213823
out its duties under this section, the department shall do all of 213824
the following: 213825

(1) In providing technical assistance to proposing parties, 213826

governing authorities, and sponsors, conduct training sessions and 213827
distribute informational materials; 213828

(2) Approve entities to be sponsors of community schools; 213829

(3) Monitor and evaluate, as required under section 3314.016 213830
of the Revised Code, the effectiveness of any and all sponsors in 213831
their oversight of the schools with which they have contracted; 213832

(4) By December thirty-first of each year, issue a report to 213833
the governor, the speaker of the house of representatives, the 213834
president of the senate, and the chairpersons of the house and 213835
senate committees principally responsible for education matters 213836
regarding the effectiveness of academic programs, operations, and 213837
legal compliance and of the financial condition of all community 213838
schools established under this chapter and on the performance of 213839
community school sponsors; 213840

(5) From time to time, make legislative recommendations to 213841
the general assembly designed to enhance the operation and 213842
performance of community schools. 213843

(B)(1) Except as provided in sections 3314.021 and 3314.027 213844
of the Revised Code, no entity shall enter into a preliminary 213845
agreement under division (C)(2) of section 3314.02 of the Revised 213846
Code or renew an existing contract to sponsor a community school 213847
until it has received approval from the department ~~of education~~ to 213848
sponsor community schools under this chapter and has entered into 213849
a written agreement with the department regarding the manner in 213850
which the entity will conduct such sponsorship. 213851

On and after July 1, 2017, each entity that sponsors a 213852
community school in this state, except for an entity described in 213853
sections 3314.021 and 3314.027 of the Revised Code, shall attain 213854
approval from the department in order to continue sponsoring 213855
schools regardless of whether that entity intends to enter into a 213856
preliminary agreement or renew an existing contract. 213857

All new and renewed agreements between the department and a sponsor shall contain specific language addressing the parameters under which the department can intervene and potentially revoke sponsorship authority in the event that the sponsor is unwilling or unable to fulfill its obligations. Additionally, each agreement shall set forth any territorial restrictions and limits on the number of schools that entity may sponsor, provide for an annual evaluation process, and include a stipulation permitting the department to modify the agreement under the following circumstances:

(a) Poor fiscal management;

(b) Lack of academic progress.

(2) The initial term of a sponsor's agreement with the department shall be for up to five years.

(a) An agreement entered into with the department pursuant to this section may be renewed for a term of up to ten years using the following criteria:

(i) The academic performance of students enrolled in each community school the entity sponsors, as determined by the department pursuant to division (B)(1)(a) of section 3314.016 of the Revised Code;

(ii) The sponsor's adherence to quality practices, as determined by the department pursuant to division (B)(1)(b) of section 3314.016 of the Revised Code;

(iii) The sponsor's compliance with all applicable laws and administrative rules.

(b) Each agreement between the department and a sponsor shall specify that entities with an overall rating of "exemplary" for at least two consecutive years shall not be subject to the limit on the number of community schools the entity may sponsor or any

territorial restrictions on sponsorship, for so long as that 213888
entity continues to be rated "exemplary." 213889

(c) The ~~state board of education~~ department shall adopt in 213890
accordance with Chapter 119. of the Revised Code rules containing 213891
criteria, procedures, and deadlines for processing applications 213892
for approval of sponsors, for oversight of sponsors, for notifying 213893
a sponsor of noncompliance with applicable laws and administrative 213894
rules under division (F) of this section, for revocation of the 213895
approval of sponsors under division (C) of this section, and for 213896
entering into written agreements with sponsors. The rules shall 213897
require an entity to submit evidence of the entity's ability and 213898
willingness to comply with the provisions of division (D) of 213899
section 3314.03 of the Revised Code. The rules also shall require 213900
all entities approved as sponsors to demonstrate a record of 213901
financial responsibility and successful implementation of 213902
educational programs. If an entity seeking approval to sponsor 213903
community schools in this state sponsors or operates schools in 213904
another state, at least one of the schools sponsored or operated 213905
by the entity must be comparable to or better than the performance 213906
of Ohio schools in need of continuous improvement under section 213907
3302.03 of the Revised Code, as determined by the department. 213908

Subject to section 3314.016 of the Revised Code, an entity 213909
that sponsors community schools may enter into preliminary 213910
agreements and sponsor up to one hundred schools, provided each 213911
school and the contract for sponsorship meets the requirements of 213912
this chapter. 213913

(3) The ~~state board of education~~ department shall determine, 213914
pursuant to criteria specified in rules adopted in accordance with 213915
Chapter 119. of the Revised Code, whether the mission proposed to 213916
be specified in the contract of a community school to be sponsored 213917
by a state university board of trustees or the board's designee 213918
under division (C)(1)(e) of section 3314.02 of the Revised Code 213919

complies with the requirements of that division. Such 213920
determination of the ~~state board~~ department is final. 213921

(4) The ~~state board of education~~ department shall determine, 213922
pursuant to criteria specified in rules adopted in accordance with 213923
Chapter 119. of the Revised Code, if any tax-exempt entity under 213924
section 501(c)(3) of the Internal Revenue Code that is proposed to 213925
be a sponsor of a community school is an education-oriented entity 213926
for purpose of satisfying the condition prescribed in division 213927
(C)(1)(f)(iii) of section 3314.02 of the Revised Code. Such 213928
determination of the ~~state board~~ department is final. 213929

(C) If at any time the ~~state board of education~~ department 213930
finds that a sponsor is not in compliance or is no longer willing 213931
to comply with its contract with any community school or with the 213932
department's rules for sponsorship, the ~~state board or designee~~ 213933
department shall conduct a hearing in accordance with Chapter 119. 213934
of the Revised Code on that matter. If after the hearing, the 213935
~~state board or designee~~ department has confirmed the original 213936
finding, ~~the department of education~~ it may revoke the sponsor's 213937
approval to sponsor community schools. In that case, the 213938
department's office of Ohio school sponsorship, established under 213939
section 3314.029 of the Revised Code, may assume the sponsorship 213940
of any schools with which the sponsor has contracted until the 213941
earlier of the expiration of two school years or until a new 213942
sponsor as described in division (C)(1) of section 3314.02 of the 213943
Revised Code is secured by the school's governing authority. The 213944
office of Ohio school sponsorship may extend the term of the 213945
contract in the case of a school for which it has assumed 213946
sponsorship under this division as necessary to accommodate the 213947
term of the department's authorization to sponsor the school 213948
specified in this division. Community schools sponsored under this 213949
division shall not apply to the limit on directly authorized 213950
community schools under division (A)(3) of section 3314.029 of the 213951

Revised Code. However, nothing in this division shall preclude a 213952
community school affected by this division from applying for 213953
sponsorship under that section. 213954

(D) The decision of the department to disapprove an entity 213955
for sponsorship of a community school or to revoke approval for 213956
such sponsorship under division (C) of this section, may be 213957
appealed by the entity in accordance with section 119.12 of the 213958
Revised Code. 213959

(E) The department shall adopt procedures for use by a 213960
community school governing authority and sponsor when the school 213961
permanently closes and ceases operation, which shall include at 213962
least procedures for data reporting to the department, handling of 213963
student records, distribution of assets in accordance with section 213964
3314.074 of the Revised Code, and other matters related to ceasing 213965
operation of the school. 213966

(F)(1) In lieu of revoking a sponsor's authority to sponsor 213967
community schools under division (C) of this section, if the 213968
department finds that a sponsor is not in compliance with 213969
applicable laws and administrative rules, the department shall 213970
declare in a written notice to the sponsor the specific laws or 213971
rules, or both, for which the sponsor is noncompliant. A sponsor 213972
notified under division (F)(1) of this section shall respond to 213973
the department not later than fourteen days after the notification 213974
with a proposed plan to remedy the conditions for which the 213975
sponsor was found to be noncompliant. The department shall approve 213976
or disapprove the plan not later than fourteen days after 213977
receiving it. If the plan is disapproved, the sponsor may submit a 213978
revised plan to the department not later than fourteen days after 213979
receiving notification of disapproval from the department or not 213980
later than sixty days after the date the sponsor received 213981
notification of noncompliance from the department, whichever is 213982
earlier. The department shall approve or disapprove the revised 213983

plan not later than fourteen days after receiving it or not later than sixty days after the date the sponsor received notification of noncompliance from the department, whichever is earlier. A sponsor may continue to make revisions by the deadlines prescribed in division (F)(1) of this section to any revised plan that is disapproved by the department until the sixtieth day after the date the sponsor received notification of noncompliance from the department.

If a plan or a revised plan is approved, the sponsor shall implement it not later than sixty days after the date the sponsor received notification of noncompliance from the department or not later than thirty days after the plan is approved, whichever is later. If a sponsor does not respond to the department or implement an approved compliance plan by the deadlines prescribed by division (F)(1) of this section, or if a sponsor does not receive approval of a compliance plan on or before the sixtieth day after the date the sponsor received notification of noncompliance from the department, the department shall declare in written notice to the sponsor that the sponsor is in probationary status, and may limit the sponsor's ability to sponsor additional schools.

(2) A sponsor that has been placed on probationary status under division (F)(1) of this section may apply to the department for its probationary status to be lifted. The application for a sponsor's probationary status to be lifted shall include evidence, occurring after the initial notification of noncompliance, of the sponsor's compliance with applicable laws and administrative rules. Not later than fourteen days after receiving an application from the sponsor, the department shall decide whether or not to remove the sponsor's probationary status.

(G) In carrying out its duties under this chapter, the department shall not impose requirements on community schools or

their sponsors that are not permitted by law or duly adopted 214016
rules. 214017

(H) This section applies to entities that sponsor conversion 214018
community schools and new start-up schools. 214019

(I) Nothing in divisions (C) to (F) of this section prohibits 214020
the department from taking any action permitted or required under 214021
the written agreement between the department and a sponsoring 214022
entity without a hearing on the matter, in the event that the 214023
sponsor is unwilling or unable to fulfill its obligations. 214024

Sec. 3314.016. This section applies to any entity that 214025
sponsors a community school, regardless of whether section 214026
3314.021 or 3314.027 of the Revised Code exempts the entity from 214027
the requirement to be approved for sponsorship under divisions 214028
(A)(2) and (B)(1) of section 3314.015 of the Revised Code. The 214029
office of Ohio school sponsorship established under section 214030
3314.029 of the Revised Code shall be rated under division (B) of 214031
this section, but divisions (A) and (C) of this section do not 214032
apply to the office. 214033

(A) An entity that sponsors a community school shall be 214034
permitted to enter into contracts under section 3314.03 of the 214035
Revised Code to sponsor additional community schools only if the 214036
entity meets all of the following criteria: 214037

(1) The entity is in compliance with all provisions of this 214038
chapter requiring sponsors of community schools to report data or 214039
information to the department of education and workforce. 214040

(2) The entity is not rated as "ineffective" under division 214041
(B)(6) of this section. 214042

(3) Except as set forth in sections 3314.021 and 3314.027 of 214043
the Revised Code, the entity has received approval from and 214044
entered into an agreement with the department ~~of education~~ 214045

pursuant to section 3314.015 of the Revised Code. 214046

(B)(1) The department shall develop and implement an 214047
evaluation system that annually rates and assigns an overall 214048
rating to each entity that sponsors a community school. The 214049
department, not later than the first day of February of each year, 214050
shall post on the department's web site the framework for the 214051
evaluation system, including technical documentation that the 214052
department intends to use to rate sponsors for the next school 214053
year. The department shall solicit public comment on the 214054
evaluation system for thirty consecutive days. Not later than the 214055
first day of April of each year, the department shall compile and 214056
post on the department's web site all public comments that were 214057
received during the public comment period. The evaluation system 214058
shall be posted on the department's web site by the fifteenth day 214059
of July of each school year. Any changes to the evaluation system 214060
after that date shall take effect the following year. The 214061
evaluation system shall be based on the following components: 214062

(a) Academic performance of students enrolled in community 214063
schools sponsored by the same entity. The academic performance 214064
component shall be derived from the performance measures 214065
prescribed for the state report cards under section 3302.03 or 214066
3314.017 of the Revised Code, and shall be based on the 214067
performance of the schools for the school year for which the 214068
evaluation is conducted. In addition to the academic performance 214069
for a specific school year, the academic performance component 214070
shall also include year-to-year changes in the overall sponsor 214071
portfolio. For a community school for which no graded performance 214072
measures are applicable or available, the department shall use 214073
nonreport card performance measures specified in the contract 214074
between the community school and the sponsor under division (A)(4) 214075
of section 3314.03 of the Revised Code. 214076

(b) Adherence by a sponsor to the quality practices 214077

prescribed by the department under division (B)(3) of this section. For a sponsor that was rated "effective" or "exemplary" on its most recent rating, the department may evaluate that sponsor's adherence to quality practices once over a period of three years. If the department elects to evaluate a sponsor once over a period of three years, the most recent rating for a sponsor's adherence to quality practices shall be used when determining an annual overall rating conducted under this section.

(c) Compliance with all applicable laws and administrative rules by an entity that sponsors a community school.

Under the evaluation system prescribed under division (B)(1) of this section, the department shall not assign an overall rating of "ineffective" or lower to an entity that sponsors a community school solely because that entity received no points on one of the components prescribed under that division.

(2) In calculating an academic performance component, the department shall exclude all community schools that have been in operation for not more than two full school years and all community schools described in division (A)(4)(b) of section 3314.35 of the Revised Code. However, the academic performance of the community schools described in division (A)(4)(b) of section 3314.35 of the Revised Code shall be reported, but shall not be used as a factor when determining a sponsoring entity's rating under this section.

(3) The department, in consultation with entities that sponsor community schools, shall prescribe quality practices for community school sponsors and develop an instrument to measure adherence to those quality practices. The quality practices shall be based on standards developed by the national association of charter school authorizers or any other nationally organized community school organization.

(4)(a) The department may permit peer review of a sponsor's adherence to the quality practices prescribed under division (B)(3) of this section. Peer reviewers shall be limited to individuals employed by sponsors rated "effective" or "exemplary" on the most recent ratings conducted under this section.

(b) The department shall require individuals participating in peer review under division (B)(4)(a) of this section to complete training approved or established by the department.

(c) The department may enter into an agreement with another entity to provide training to individuals conducting peer review of sponsors. Prior to entering into an agreement with an entity, the department shall review and approve of the entity's training program.

(5) The ~~state board~~ director of education and workforce shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing standards for measuring compliance with applicable laws and rules under division (B)(1)(c) of this section.

(6) The department annually shall rate all entities that sponsor community schools as either "exemplary," "effective," "ineffective," or "poor," based on the components prescribed by division (B) of this section, where each component is weighted equally. A separate rating shall be given by the department for each component of the evaluation system.

The department shall publish the ratings between the first day of October and the fifteenth day of November.

Prior to the publication of the final ratings, the department shall designate and provide notice of a period of at least ten business days during which each sponsor may review the information used by the department to determine the sponsor's rating on the components prescribed by division (B)(1) of this section. If the sponsor believes there is an error in the department's evaluation,

the sponsor may request adjustments to the rating of any of those 214140
components based on documentation previously submitted as part of 214141
an evaluation. The sponsor shall provide to the department any 214142
necessary evidence or information to support the requested 214143
adjustments. The department shall review the evidence and 214144
information, determine whether an adjustment is valid, and 214145
promptly notify the sponsor of its determination and reasons. If 214146
any adjustments to the data could result in a change to the rating 214147
on the applicable component or to the overall rating, the 214148
department shall recalculate the ratings prior to publication. 214149

The department shall provide training on an annual basis 214150
regarding the evaluation system prescribed under this section. The 214151
training shall, at a minimum, describe methodology, timelines, and 214152
data required for the evaluation system. The first training 214153
session shall occur not later than March 2, 2016. Beginning in 214154
2018, the training shall be made available to each entity that 214155
sponsors a community school by the fifteenth day of July of each 214156
year and shall include guidance on any changes made to the 214157
evaluation system. 214158

(7)(a) Entities with an overall rating of "exemplary" for the 214159
two most recent years in which the entity was evaluated may take 214160
advantage of the following incentives: 214161

(i) Renewal of the written agreement with the department, not 214162
to exceed ten years, provided that the entity consents to 214163
continued evaluation of adherence to quality practices as 214164
described in division (B)(1)(b) of this section; 214165

(ii) The ability to extend the term of the contract between 214166
the sponsoring entity and the community school beyond the term 214167
described in the written agreement with the department; 214168

(iii) An exemption from the preliminary agreement and 214169
contract adoption and execution deadline requirements prescribed 214170

in division (D) of section 3314.02 of the Revised Code; 214171

(iv) An exemption from the automatic contract expiration 214172
requirement, should a new community school fail to open by the 214173
thirtieth day of September of the calendar year in which the 214174
community school contract is executed; 214175

(v) No limit on the number of community schools the entity 214176
may sponsor; 214177

(vi) No territorial restrictions on sponsorship. 214178

An entity may continue to sponsor any community schools with 214179
which it entered into agreements under division (B)(7)(a)(v) or 214180
(vi) of this section while rated "exemplary," notwithstanding the 214181
fact that the entity later receives a lower overall rating. 214182

(b) Entities with an overall rating of "exemplary" or 214183
"effective" for the three most recent years in which the entity 214184
was evaluated shall be evaluated by the department once every 214185
three years. 214186

(c)(i) Entities that receive an overall rating of 214187
"ineffective" shall be prohibited from sponsoring any new or 214188
additional community schools during the time in which the sponsor 214189
is rated as "ineffective" and shall be subject to a quality 214190
improvement plan based on correcting the deficiencies that led to 214191
the "ineffective" rating, with timelines and benchmarks that have 214192
been established by the department. 214193

(ii) Entities that receive an overall rating of "ineffective" 214194
on their three most recent ratings shall have all sponsorship 214195
authority revoked. Within thirty days after receiving its third 214196
rating of "ineffective," the entity may appeal the revocation of 214197
its sponsorship authority to the ~~superintendent of public~~ 214198
~~instruction~~ director, who shall appoint an independent hearing 214199
officer to conduct a hearing in accordance with Chapter 119. of 214200
the Revised Code. The hearing shall be conducted within thirty 214201

days after receipt of the notice of appeal. Within forty-five days 214202
after the hearing is completed, the ~~state board of education~~ 214203
director shall determine whether the revocation is appropriate 214204
based on the hearing conducted by the independent hearing officer, 214205
and if determined appropriate, the revocation shall be confirmed. 214206

(d) Entities that receive an overall rating of "poor" shall 214207
have all sponsorship authority revoked. Within thirty days after 214208
receiving a rating of "poor," the entity may appeal the revocation 214209
of its sponsorship authority to the ~~superintendent of public~~ 214210
~~instruction~~ director, who shall appoint an independent hearing 214211
officer to conduct a hearing in accordance with Chapter 119. of 214212
the Revised Code. The hearing shall be conducted within thirty 214213
days after receipt of the notice of appeal. Within forty-five days 214214
after the hearing is completed, the ~~state board of education~~ 214215
director shall determine whether the revocation is appropriate 214216
based on the hearing conducted by the independent hearing officer, 214217
and if determined appropriate, the revocation shall be confirmed. 214218

(8) For the 2014-2015 school year and each school year 214219
thereafter, student academic performance prescribed under division 214220
(B)(1)(a) of this section shall include student academic 214221
performance data from community schools that primarily serve 214222
students enrolled in a dropout prevention and recovery program. 214223

(C) If the governing authority of a community school enters 214224
into a contract with a sponsor prior to the date on which the 214225
sponsor is prohibited from sponsoring additional schools under 214226
division (A) of this section and the school has not opened for 214227
operation as of that date, that contract shall be void and the 214228
school shall not open until the governing authority secures a new 214229
sponsor by entering into a contract with the new sponsor under 214230
section 3314.03 of the Revised Code. However, the department's 214231
office of Ohio school sponsorship, established under section 214232
3314.029 of the Revised Code, may assume the sponsorship of the 214233

school until the earlier of the expiration of two school years or 214234
until a new sponsor is secured by the school's governing 214235
authority. A community school sponsored by the department under 214236
this division shall not be included when calculating the maximum 214237
number of directly authorized community schools permitted under 214238
division (A)(3) of section 3314.029 of the Revised Code. 214239

(D) When an entity's authority to sponsor schools is revoked 214240
pursuant to division (B)(7)(c) or (d) of this section, the office 214241
of Ohio school sponsorship shall assume sponsorship of any schools 214242
with which the original sponsor has contracted for the remainder 214243
of that school year. The office may continue sponsoring those 214244
schools until the earlier of: 214245

(1) The expiration of two school years from the time that 214246
sponsorship is revoked; 214247

(2) When a new sponsor is secured by the governing authority 214248
pursuant to division (C)(1) of section 3314.02 of the Revised 214249

The department shall make all such calculations or computations for the school as a whole.

disability, or sex except that: 215943

(a) The governing authority may do either of the following 215944

separate locations. 215951

(b) The governing authority may establish a school that 215952
simultaneously serves a group of students identified as autistic 215953
and a group of students who are not disabled, as authorized in 215954

capacity established for the school has been filled, no student 215956
with any disability shall be denied admission on the basis of that 215957
disability. 215958

(2) That upon admission of any student with a disability, the 215959
community school will comply with all federal and state laws 215960
regarding the education of students with disabilities. 215961

(E) That the school may not limit admission to students on 215962
the basis of intellectual ability, measures of achievement or 215963

enrollment to students as described in division (B) of this 215965
section. 215966

(F) That the community school will admit the number of 215967
students that does not exceed the capacity of the school's 215968
programs, classes, grade levels, or facilities. 215969

(G) That the purpose of single-gender schools that are 215970
established shall be to take advantage of the academic benefits 215971

Sec. 3314.072. The provisions of this section are enacted to 215993

procedures under which the governing authorities of community 215995
schools established under this chapter will be held accountable 215996
for their compliance with the terms of the contracts they enter 215997
into with their school's sponsors and the law relating to the 215998
school's operation. Suspension of the operation of a school 215999
imposed under this section is intended to encourage the governing 216000
authority's compliance with the terms of the school's contract and 216001
the law and is not intended to be an alteration of the terms of 216002

that contract. 216003

(A) If a sponsor of a community school established under this 216004
chapter suspends the operation of that school pursuant to 216005
procedures set forth in this section, the governing authority 216006
shall not operate that school while the suspension is in effect. 216007
Any such suspension shall remain in effect until the sponsor 216008
notifies the governing authority that it is no longer in effect. 216009
The contract of a school of which operation is suspended under 216010
this section also may be subject to termination or nonrenewal 216011
under section 3314.07 of the Revised Code. 216012

(B) If at any time conditions at the school do not comply 216013
with a health and safety standard established by law for school 216014
buildings, the sponsor shall immediately suspend the operation of 216015
the school pursuant to procedures set forth in division (D) of 216016
this section. If the sponsor fails to take action to suspend the 216017
operation of a school to which this division applies, the 216018
department of education and workforce may take such action. 216019

(C)(1) For any of the reasons prescribed in ~~division~~ 216020
divisions (B)(1)(a) to (d) of section 3314.07 of the Revised Code, 216021
the sponsor of a community school established under this chapter 216022
may suspend the operation of the school only if it first issues to 216023
the governing authority notice of the sponsor's intent to suspend 216024
the operation of the contract. Such notice shall explain the 216025
reasons for the sponsor's intent to suspend operation of the 216026
contract and shall provide the school's governing authority with 216027
five business days to submit to the sponsor a proposal to remedy 216028
the conditions cited as reasons for the suspension. 216029

(2) The sponsor shall promptly review any proposed remedy 216030
timely submitted by the governing authority and either approve or 216031
disapprove the remedy. If the sponsor disapproves the remedy 216032
proposed by the governing authority, if the governing authority 216033
fails to submit a proposed remedy in the manner prescribed by the 216034

sponsor, or if the governing authority fails to implement the 216035
remedy as approved by the sponsor, the sponsor may suspend 216036
operation of the school pursuant to procedures set forth in 216037
division (D) of this section. 216038

sponsor of a community school established under this chapter 216040
decides to suspend the operation of a school as permitted in 216041
division (C)(2) of this section, the sponsor shall promptly send 216042
written notice to the governing authority stating that the 216043
operation of the school is immediately suspended, and explaining 216044
the specific reasons for the suspension. The notice shall state 216045
that the governing authority has five business days to submit a 216046
proposed remedy to the conditions cited as reasons for the 216047
suspension or face potential contract termination. 216048

(2) Upon receipt of the notice of suspension prescribed under 216049
division (D)(1) of this section, the governing authority shall 216050
immediately notify the employees of the school and the parents of 216051
the students enrolled in the school of the suspension and the 216052
reasons therefore, and shall cease all school operations on the 216053
next business day. 216054

(E)(1) Beginning with the 2013-2014 school year, if the 216055
sponsor of a community school suspends the operation of that 216056
school pursuant to procedures set forth in this section, the 216057
school's contract with the sponsor under section 3314.03 of the 216058
Revised Code shall become void, if the governing authority of the 216059
school fails to provide a proposal to remedy the conditions cited 216060
by the sponsor as reasons for the suspension, to the satisfaction 216061
of the sponsor, by the thirtieth day of September of the school 216062
year immediately following the school year in which the operation 216063
of school was suspended. 216064

(2) If, prior to ~~the effective date of this amendment~~ 216065
September 29, 2013, the sponsor of a community school has 216066

suspended the operation of the school, the contract with the sponsor under section 3314.03 of the Revised Code shall become void if the governing authority of the school fails to provide by September 30, 2014, a proposal to remedy the conditions cited by the sponsor as reasons for the suspension, to the satisfaction of the sponsor.

adjustments and reductions made in subsequent periodic payments to 216267
community schools as provided under section 3317.022 of the 216268
Revised Code. For purposes of this division: 216269

(1) A student shall be considered enrolled in the community 216270
school for any portion of the school year the student is 216271
participating at a college under Chapter 3365. of the Revised 216272
Code. 216273

(2) A student shall be considered to be enrolled in a 216274
community school for the period of time beginning on the later of 216275
the date on which the school both has received documentation of 216276
the student's enrollment from a parent and the student has 216277
commenced participation in learning opportunities as defined in 216278
the contract with the sponsor, or thirty days prior to the date on 216279
which the student is entered into the education management 216280
information system established under section 3301.0714 of the 216281
Revised Code. For purposes of applying this division and divisions 216282
(H)(3) and (4) of this section to a community school student, 216283

"learning opportunities" shall be defined in the contract, which 216284
shall describe both classroom-based and non-classroom-based 216285
learning opportunities and shall be in compliance with criteria 216286
and documentation requirements for student participation which 216287
shall be established by the department. Any student's instruction 216288
time in non-classroom-based learning opportunities shall be 216289
certified by an employee of the community school. A student's 216290

terminating enrollment of the student. 216294

(b) The community school is provided documentation of a 216295
student's enrollment in another public or private school. 216296

(c) The community school ceases to offer learning 216297
opportunities to the student pursuant to the terms of the contract 216298
with the sponsor or the operation of any provision of this 216299

Except as otherwise specified in this paragraph, beginning in 216301
the 2011-2012 school year, any student who completed the prior 216302
school year in an internet- or computer-based community school 216303
shall be considered to be enrolled in the same school in the 216304
subsequent school year until the student's enrollment has ceased 216305
as specified in division (H)(2) of this section. The department 216306
shall continue paying amounts for the student under section 216307
3317.022 of the Revised Code without interruption at the start of 216308
the subsequent school year. However, if the student without a 216309
legitimate excuse fails to participate in the first seventy-two 216310
consecutive hours of learning opportunities offered to the student 216311
in that subsequent school year, the student shall be considered 216312
not to have re-enrolled in the school for that school year and the 216313
department shall recalculate the payments to the school for that 216314
school year to account for the fact that the student is not 216315

enrolled. 216316

(3) The department shall determine each community school 216317
student's percentage of full-time equivalency based on the 216318
percentage of learning opportunities offered by the community 216319
school to that student, reported either as number of hours or 216320

participating in learning opportunities beyond ten hours within 216325
any period of twenty-four consecutive hours. Whether it reports 216326
hours or days of learning opportunities, each community school 216327
shall offer not less than nine hundred twenty hours of learning 216328
opportunities during the school year. 216329

(4) With respect to the calculation of full-time equivalency 216330
under division (H)(3) of this section, the department shall waive 216331
the number of hours or days of learning opportunities not offered 216332
to a student because the community school was closed during the 216333
school year due to disease epidemic, hazardous weather conditions, 216334
law enforcement emergencies, inoperability of school buses or 216335
other equipment necessary to the school's operation, damage to a 216336
school building, or other temporary circumstances due to utility 216337
failure rendering the school building unfit for school use, so 216338
long as the school was actually open for instruction with students 216339
in attendance during that school year for not less than the 216340
minimum number of hours required by this chapter. The department 216341
shall treat the school as if it were open for instruction with 216342
students in attendance during the hours or days waived under this 216343
division. 216344

(I) The department of education and workforce shall reduce 216345
the amounts paid under section 3317.022 of the Revised Code to 216346
reflect payments made to colleges under section 3365.07 of the 216347

Revised Code. 216348

(J)(1) No student shall be considered enrolled in any 216349
internet- or computer-based community school or, if applicable to 216350
the student, in any community school that is required to provide 216351
the student with a computer pursuant to division (C) of section 216352
3314.22 of the Revised Code, unless both of the following 216353
conditions are satisfied: 216354

(a) The student possesses or has been provided with all 216355
required hardware and software materials and all such materials 216356
are operational so that the student is capable of fully 216357
participating in the learning opportunities specified in the 216358
contract between the school and the school's sponsor as required 216359
by division (A)(23) of section 3314.03 of the Revised Code; 216360

(b) The school is in compliance with division (A) of section 216361

(2) In accordance with policies adopted by the ~~superintendent~~ 216363
~~of public instruction~~ department of education and workforce, in 216364
consultation with the auditor of state, the department shall 216365
reduce the amounts otherwise payable under section 3317.022 of the 216366
Revised Code to any community school that includes in its program 216367
the provision of computer hardware and software materials to any 216368
student, if such hardware and software materials have not been 216369
delivered, installed, and activated for each such student in a 216370
timely manner or other educational materials or services have not 216371
been provided according to the contract between the individual 216372
community school and its sponsor. 216373

The ~~superintendent of public instruction~~ director and the 216374
auditor of state shall jointly establish a method for auditing any 216375
community school to which this division pertains to ensure 216376
compliance with this section. 216377

The ~~superintendent~~ director, auditor of state, and the 216378

governor shall jointly make recommendations to the general 216379
assembly for legislative changes that may be required to assure 216380
fiscal and academic accountability for such schools. 216381

(K)(1) If the department determines that a review of a 216382
community school's enrollment is necessary, such review shall be 216383
completed and written notice of the findings shall be provided to 216384
the governing authority of the community school and its sponsor 216385
within ninety days of the end of the community school's fiscal 216386
year, unless extended for a period not to exceed thirty additional 216387
days for one of the following reasons: 216388

(a) The department and the community school mutually agree to 216389
the extension. 216390

(b) Delays in data submission caused by either a community 216391
school or its sponsor. 216392

(2) If the review results in a finding that additional 216393
funding is owed to the school, such payment shall be made within 216394
thirty days of the written notice. If the review results in a 216395
finding that the community school owes moneys to the state, the 216396
following procedure shall apply: 216397

(a) Within ten business days of the receipt of the notice of 216398
findings, the community school may appeal the department's 216399
determination to the ~~state board of education or its designee~~ 216400
director. 216401

(b) The ~~board or its designee~~ director shall conduct an 216402
informal hearing on the matter within thirty days of receipt of 216403
such an appeal and shall issue a decision within fifteen days of 216404
the conclusion of the hearing. 216405

(c) ~~If the board has enlisted a designee to conduct the~~ 216406
~~hearing, the designee shall certify its decision to the board. The~~ 216407
~~board may accept the decision of the designee or may reject the~~ 216408
~~decision of the designee and issue its own decision on the matter.~~ 216409

~~(d)~~ Any decision made by the ~~board~~ director under this 216410
division is final. 216411

(3) If it is decided that the community school owes moneys to 216412
the state, the department shall deduct such amount from the 216413
school's future payments in accordance with guidelines issued by 216414
the ~~superintendent of public instruction~~ director. 216415

(L) The department shall not pay to a community school under 216416

or more of the assessments required by that section and was not 216425
excused pursuant to division (C)(1) or (3) of that section, unless 216426
the ~~superintendent of public instruction~~ director grants the 216427
student a waiver from the requirement to take the assessment and a 216428
parent is not paying tuition for the student pursuant to section 216429
3314.26 of the Revised Code. The ~~superintendent~~ director may grant 216430
a waiver only for good cause in accordance with rules adopted by 216431
the ~~state board of education~~ department. 216432

(4) Any student who has attained the age of twenty-two years, 216433
except for veterans of the armed services whose attendance was 216434
interrupted before completing the recognized twelve-year course of 216435
the public schools by reason of induction or enlistment in the 216436
armed forces and who apply for enrollment in a community school 216437
not later than four years after termination of war or their 216438

pay to a community school under section 3317.022 of the Revised 216442
Code any amount for that veteran. 216443

Sec. 3314.081. To the extent permitted by federal law, the 216444
department of education and workforce shall include community 216445
schools established under this chapter in its annual allocation of 216446
federal moneys under Title I of the "Elementary and Secondary 216447

section 3317.16 of the Revised Code for excess costs of providing 216451
special education and related services to a student with a 216452
disability who is enrolled in a community school, as calculated 216453
under division (C)(1) of that section, the department shall deduct 216454
the amount of that payment from the amount calculated for payment 216455
to the community school under section 3317.022 of the Revised 216456
Code. 216457

Sec. 3314.087. (A) As used in this section: 216458

Code. 216469

(B) Notwithstanding anything to the contrary in this chapter 216470
or Chapter 3317. of the Revised Code, a student enrolled in a 216471
community school may simultaneously enroll in the career-technical 216472

the proportion of the time the student is enrolled in a 216477
career-technical program of the career-technical planning district 216478
to which the student's resident district belongs and, accordingly, 216479
the department of education and workforce shall calculate funds 216480

"Full-time equivalency" for a community school student, as defined 216491
in division (H) of section 3314.08 of the Revised Code, does not 216492
apply to the student. 216493

Sec. 3314.091. (A) A school district is not required to 216494

agreement. 216515

(B)(1) For the school year that begins on July 1, 2007, a 216516
school district is not required to provide transportation for any 216517
native student enrolled in a community school, if the community 216518
school during the previous school year transported the students 216519
enrolled in the school or arranged for the students' 216520
transportation, even if that arrangement consisted of having 216521
parents transport their children to and from the school, but did 216522
not enter into an agreement to transport or arrange for 216523
transportation for those students under division (A) of this 216524
section, and if the governing authority of the community school by 216525
July 15, 2007, submits written notification to the district board 216526
of education stating that the governing authority is accepting 216527
responsibility for providing or arranging for the transportation 216528

community school. If the governing authority of the community 216540
school has previously accepted responsibility for providing or 216541
arranging for the transportation of a district's native students 216542
to and from the community school, under division (B)(1) or (2) of 216543
this section, and has since relinquished that responsibility under 216544
division (B)(3) of this section, the governing authority shall not 216545
accept that responsibility again unless the district board 216546
consents to the governing authority's acceptance of that 216547
responsibility. 216548

(3) A governing authority's acceptance of responsibility 216549
under division (B)(1) or (2) of this section shall cover an entire 216550
school year, and shall remain in effect for subsequent school 216551
years unless the governing authority submits written notification 216552
to the district board that the governing authority is 216553
relinquishing the responsibility. However, a governing authority 216554
shall not relinquish responsibility for transportation before the 216555
end of a school year, and shall submit the notice relinquishing 216556
responsibility by the thirty-first day of January, in order to 216557
allow the school district reasonable time to prepare 216558

(4)(a) For any school year that begins on or after July 1, 216560
2014, a school district is not required to provide transportation 216561
for any native student enrolled in a community school scheduled to 216562
open for operation in the current school year, if the governing 216563

authority of the community school, by the fifteenth day of April 216564
of the previous school year, submits written notification to the 216565
district board of education stating that the governing authority 216566
is accepting responsibility for providing or arranging for the 216567
transportation of the district's native students to and from the 216568
community school. 216569

(b) The governing authority of a community school that 216570
accepts responsibility for transporting its students under 216571
division (B)(4)(a) of this section shall comply with divisions 216572
(B)(2) and (3) of this section to renew or relinquish that 216573
authority for subsequent school years. 216574

(C)(1) A community school governing authority that enters 216575
into an agreement under division (A) of this section, or that 216576

students transported or for whom transportation is arranged under 216582
this section in accordance with rules adopted by the ~~state board~~ 216583
~~of education~~ department. 216584

(2) The governing authority may provide or arrange 216585
transportation for any other enrolled student who is not eligible 216586
for transportation in accordance with division (C)(1) of this 216587
section and may charge a fee for such service up to the actual 216588
cost of the service. 216589

(3) Notwithstanding anything to the contrary in division 216590
(C)(1) or (2) of this section, a community school governing 216591
authority shall provide or arrange transportation free of any 216592
charge for any disabled student enrolled in the school for whom 216593
the student's individualized education program developed under 216594
Chapter 3323. of the Revised Code specifies transportation. 216595

(D) A community school shall use payments received under 216596
division (H) of section 3317.0212 of the Revised Code solely to 216597
pay the costs of providing or arranging for the transportation of 216598
students who are eligible as specified in section 3327.01 of the 216599
Revised Code and division (C)(1) of this section, which may 216600
include payments to a parent, guardian, or other person in charge 216601
of a child in lieu of transportation. 216602

(E) Except when arranged through payment to a parent, 216603
guardian, or person in charge of a child, transportation provided 216604
or arranged for by a community school pursuant to an agreement 216605
under this section is subject to all provisions of the Revised 216606
Code, and all rules adopted under the Revised Code, pertaining to 216607
the construction, design, equipment, and operation of school buses 216608
and other vehicles transporting students to and from school. The 216609
drivers and mechanics of the vehicles are subject to all 216610
provisions of the Revised Code, and all rules adopted under the 216611
Revised Code, pertaining to drivers and mechanics of such 216612
vehicles. The community school also shall comply with sections 216613
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 216614

Sec. 3314.10. (A)(1) The governing authority of any community 216618
school established under this chapter may employ teachers and 216619
nonteaching employees necessary to carry out its mission and 216620

(B)(1) The board of education of each city, local, and 216723

the period during which the teacher or employee is continuously 216731
employed by the community school. The policy shall also provide 216732
that any teacher or nonteaching employee may return to employment 216733
by the district or service center if the teacher or employee 216734
leaves or is discharged from employment with the community school 216735
for any reason, unless, in the case of a teacher, the board of the 216736
district or service center determines that the teacher was 216737
discharged for a reason for which the board would have sought to 216738

employs, it shall make such reductions in accordance with section 216755
3319.171 of the Revised Code. 216756

salary paid by the community school to the teacher for that time 216775
shall be reported to the department of education and workforce. 216776
The cost of employing a substitute teacher for that time shall be 216777
paid by the community school. The department of education and 216778

established under this chapter or by an operator is arrested, 216793
summoned, or indicted for an alleged violation of an offense 216794
listed in division (C) of section 3319.31 of the Revised Code, if 216795
the person holds a license, or an offense listed in division 216796

not hold a license, the chief administrator of the community 216798
school in which that person works shall suspend that person from 216799
all duties that require the care, custody, or control of a child 216800
during the pendency of the criminal action against the person. If 216801

In no case shall an internet- or computer-based community school provide a stipend or other substitute to an enrolled child or the child's parent in lieu of supplying a computer to the child. The prohibition contained in the preceding sentence is intended to clarify the meaning of this division as it existed prior to September 29, 2005, and is not intended to change that meaning in any way. 217289

computer per child, as long as at least one computer is supplied 217304
to the residence. An internet- or computer-based community school 217305
may supply no computer at all only if the parent has waived the 217306
entitlement prescribed in division (A)(1) of this section in the 217307
manner specified in division (A)(3) of this section. The parent 217308
may amend the decision to accept less than one computer per child 217309

school shall provide any additional computers requested by the 217312
parent up to the number necessary to comply with division (A)(1) 217313
of this section. 217314

(3) The parent of any child enrolled in an internet- or 217315
computer-based community school may waive the entitlement to one 217316

the child in the child's residence with sufficient hardware, 217320
software, programming, and connectivity so that the child may 217321
fully participate in all of the learning opportunities offered to 217322
the child by the school. The parent may amend the decision to 217323
waive the entitlement at any time during the school year and, in 217324
such case, within thirty days after the parent notifies the school 217325
of that decision, the school shall provide any additional 217326

there is any change in the conditions attested to in the waiver. 217329

(4) A copy of a waiver executed under division (A)(3) of this 217330
section shall be retained by the internet- or computer-based 217331

(1) The nonclassroom-based learning opportunities in which the student is required to participate from the student's residence are supplemental in nature or do not constitute a significant portion of the total classroom-based and nonclassroom-based learning opportunities provided to the student by the school;

(2) The student's residence is equipped with a computer

available for the student's use. 217364

Sec. 3314.232. The ~~superintendent of public instruction~~ 217365
department of education and workforce shall establish by rule 217366
adopted in accordance with Chapter 119. of the Revised Code 217367

computer-based community school shall enter into a contract with a 217371
nonpublic school to use or rent any facility space at the 217372
nonpublic school for the provision of instructional services to 217373

school. 217375

(B) If an internet- or computer-based community school has a 217376
contract with a nonpublic school as described in division (A) of 217377
this section, the department of education and workforce shall not 217378
make any payments under section 3317.022 of the Revised Code to 217379
the internet- or computer-based community school for any student 217380
who is enrolled in the internet- or computer-based community 217381
school and receives any instructional services from the internet- 217382
or computer-based community school at the nonpublic school. 217383

Sec. 3314.26. (A) Each internet- or computer-based community 217384
school shall withdraw from the school any student who, for two 217385
consecutive school years of enrollment in the school, has failed 217386
to participate in the spring administration of any assessment 217387
prescribed under section 3301.0710 or 3301.0712 of the Revised 217388
Code for the student's grade level and was not excused from the 217389
assessment pursuant to division (C)(1) or (3) of section 3301.0711 217390

Revised Code. The school shall report any such student's data 217393

verification code, as assigned pursuant to section 3301.0714 of 217394
the Revised Code, to the department of education and workforce. 217395
The department shall maintain a list of all data verification 217396
codes reported under this division and section 3313.6410 of the 217397
Revised Code and provide that list to each internet- or 217398
computer-based community school and to each school to which 217399
section 3313.6410 of the Revised Code applies. 217400

(B) No internet- or computer-based community school shall 217401
receive any state funds under this chapter for any enrolled 217402
student whose data verification code appears on the list 217403
maintained by the department under division (A) of this section. 217404

Notwithstanding any provision of the Revised Code to the 217405
contrary, the parent of any such student shall pay tuition to the 217406
internet- or computer-based community school in an amount equal to 217407
the state funds the school otherwise would receive for that 217408
student, as determined by the department. An internet- or 217409
computer-based community school may withdraw any student for whom 217410
the parent does not pay tuition as required by this division. 217411

Sec. 3314.27. No student enrolled in an internet- or 217412
computer-based community school may participate in more than ten 217413
hours of learning opportunities in any period of twenty-four 217414
consecutive hours. Any time such a student participates in 217415
learning opportunities beyond the limit prescribed in this section 217416
shall not count toward the annual minimum number of hours required 217417
to be provided to that student as prescribed in division 217418
(A)(11)(a) of section 3314.03 of the Revised Code. If any 217419
internet- or computer-based community school requires its students 217420
to participate in learning opportunities on the basis of days 217421
rather than hours, one day shall consist of a minimum of five 217422
hours of such participation. 217423

Each internet- or computer-based community school shall keep 217424

an accurate record of each individual student's participation in 217425
learning opportunities each day. The record shall be kept in such 217426
a manner that the information contained within it easily can be 217427
submitted to the department of education and workforce, upon 217428
request by the department or the auditor of state. 217429

217434

(B) The department of education and workforce shall provide 217435
guidance to internet- or computer-based community schools for 217436
developing and delivering the orientation course. 217437

(C) Each internet- or computer-based community school may, at 217438
the time of a particular student's enrollment in that school, ask 217439
the student's parent or guardian to estimate the length of time 217440
the student will attend the school. Any information collected 217441
pursuant to this division shall be included in an aggregated 217442
format in the school's annual report required by division 217443
(A)(11)(g) of section 3314.03 of the Revised Code. 217444

(D) Each internet- or computer-based community school, on a 217445
periodic basis throughout each school year, shall communicate with 217446
each student's parent, guardian, or custodian regarding the 217447
performance and progress of that student. Each internet- or 217448
computer-based community school also shall provide opportunities 217449
for parent-teacher conferences, shall document the school's 217450
requests for such conferences, and may permit students to 217451
participate in the conferences. Parent-teacher conferences may be 217452
conducted through electronic means. 217453

Sec. 3314.28. (A) Each internet- or computer-based community 217454

school established under this chapter shall submit to the school's sponsor a plan for providing special education and related services to disabled students enrolled in the school in accordance with division (A)(1) or (2) of this section.

administration standards adopted by the department under section 217842
3317.231 of the Revised Code, as applicable. 217843

Sec. 3314.50. No community school shall initiate operation, 217844
on or after ~~the effective date of this amendment~~ February 1, 2016, 217845
unless the governing authority of the school has posted a bond in 217846
the amount of fifty thousand dollars with the auditor of state. 217847
The bond or cash guarantee shall be used, in the event the school 217848
closes, to pay the auditor of state any moneys owed or that become 217849

owed by the school for the costs of audits conducted by the auditor of state or a public accountant under Chapter 117. of the Revised Code.

The department of education and workforce shall notify the auditor of state of the proposed initiation of operations of any community school and shall provide the auditor of state with the certification of the sponsor of the community school of the compliance by the community school with all legal preconditions to the initiation of its operations, including compliance with this section.

In lieu of the bond, the governing authority of the school, the school's sponsor, or an operator that has a contract with the school may deposit with the auditor of state cash in the amount of fifty thousand dollars as guarantee of payment under the provisions of this section. In lieu of a bond or a cash deposit, the school's sponsor or an operator that has a contract with the school may provide a written guarantee of payment, which shall obligate the school's sponsor or the operator that provides the written guarantee to pay the cost of audits of the school under this section up to the amount of fifty thousand dollars. Any such written guarantee shall be binding upon any successor entity that enters into a contract to sponsor or to operate the school, and any such entity, as a condition of its undertaking shall acknowledge and accept such obligation.

In the event that a sponsor or operator has provided a written guarantee under this section, and, subsequent to the provision of the guarantee, the governing authority of the school posts a bond under this section, or the governing authority of the school, a sponsor, or an operator provides a cash deposit of fifty thousand dollars as required, the written guarantee shall cease to be of further effect.

As soon as it is practicable to do so after the filing of a 217881
bond or the deposit of cash, the auditor of state shall deliver 217882
the bond or cash to the treasurer of state, who shall hold it in 217883
trust for the purposes prescribed in this section. The treasurer 217884
of state shall be responsible for the safekeeping of all bonds 217885
filed or cash deposited under this section. The auditor of state 217886
shall notify the department ~~of education~~ when the school's 217887
governing authority has filed the bond, deposited the cash 217888
guarantee, or submitted a written guarantee of payment. 217889

When the auditor of state conducts an audit of a community 217890
school that has closed and is subject to the requirements of this 217891
section, the auditor of state shall certify the amount of 217892
forfeiture to the treasurer of state, who shall assess the bond 217893
for the costs of the audit or shall pay money from the named 217894
insurer or from the school's cash deposit for the costs of the 217895
audit to reimburse the auditor of state or public accountant for 217896
costs incurred in conducting audits of the school. 217897

To the extent that the amount of the bond or the cash deposit 217898
is not needed to cover audit costs, the bond shall be of no 217899
further effect, and any cash balance shall be refunded by the 217900
treasurer of state to the entity which provided the bond. When the 217901
auditor of state conducts an audit of a community school that has 217902
closed and is subject to the requirements of this section, and, as 217903
to which, a written guarantee has been given under this section, 217904
the entity that provided the guarantee shall be solely and fully 217905
liable for any such audit costs, and shall promptly pay the costs 217906
of the audit up to fifty thousand dollars. 217907

No community school that is subject to the provisions of this 217908
section shall maintain or continue its operations absent the 217909
ongoing provision of a bond, a cash deposit, or a written 217910
guarantee as required by this section. 217911

Sec. 3314.51. (A) If the auditor of state or a public 217912
accountant, under section 117.41 of the Revised Code, declares a 217913
community school to be unauditabile, the auditor of state shall 217914
provide written notification of that declaration to the school, 217915
the school's sponsor, and the department of education and 217916
workforce. The auditor of state also shall post the notification 217917
on the auditor of state's web site. 217918

(B) If the community school's current fiscal officer held 217919
that position during the period for which the school is 217920
unauditabile, upon receipt of the notification under division (A) 217921
of this section, the governing authority of the school shall 217922
suspend the fiscal officer until the auditor of state or a public 217923
accountant has completed an audit of the school, except that if 217924
the school has an operator and the operator employs the fiscal 217925
officer, the operator shall suspend the fiscal officer for that 217926
period. Suspension of the fiscal officer may be with or without 217927
pay, as determined by the entity imposing the suspension based on 217928
the circumstances that prompted the auditor of state's 217929
declaration. The entity imposing the suspension shall appoint a 217930
person to assume the duties of the fiscal officer during the 217931
period of the suspension. If the appointee is not licensed as a 217932
treasurer under section 3301.074 of the Revised Code, the 217933
appointee shall be approved by the ~~superintendent of public~~ 217934
~~instruction~~ director of education and workforce before assuming 217935
the duties of the fiscal officer. The state board of education may 217936
take action under section 3319.31 of the Revised Code to suspend, 217937
revoke, or limit the license of a fiscal officer who has been 217938
suspended under this division. 217939

(C) Notwithstanding any provision to the contrary in this 217940
chapter or in any other provision of law, the sponsor of the 217941
community school shall not enter into contracts with any 217942
additional community schools under section 3314.03 of the Revised 217943

Code between ninety days after the date of the declaration under 217944
division (A) of this section and the date the auditor of state or 217945
a public accountant has completed a financial audit of the school. 217946

(D) Not later than forty-five days after receiving the 217947
notification under division (A) of this section, the sponsor of 217948
the community school shall provide a written response to the 217949
auditor of state. The sponsor shall provide a copy of the response 217950
to the community school. The response shall include the following: 217951

(1) An overview of the process the sponsor will use to review 217952
and understand the circumstances that led to the community school 217953
becoming unauditabile; 217954

(2) A plan for providing the auditor of state with the 217955
documentation necessary to complete an audit of the community 217956
school and for ensuring that all financial documents are available 217957
in the future; 217958

(3) The actions the sponsor will take to ensure that the plan 217959
described in division (D)(2) of this section is implemented. 217960

(E) If the community school fails to make reasonable efforts 217961
and continuing progress to bring its accounts, records, files, or 217962
reports into an auditable condition within ninety days after being 217963
declared unauditabile, the auditor of state, in addition to 217964
requesting legal action under sections 117.41 and 117.42 of the 217965
Revised Code, shall notify the school's sponsor and the department 217966
of the school's failure. If the auditor of state or a public 217967
accountant subsequently is able to complete a financial audit of 217968
the school, the auditor of state shall notify the school's sponsor 217969
and the department that the audit has been completed. 217970

(F) Notwithstanding any provision to the contrary in this 217971
chapter or in any other provision of law, upon notification by the 217972
auditor of state under division (E) of this section that the 217973
community school has failed to make reasonable efforts and 217974

continuing progress to bring its accounts, records, files, or 217975
reports into an auditable condition, the department shall 217976
immediately cease all payments to the school under this chapter 217977
and any other provision of law. Upon subsequent notification from 217978
the auditor of state under that division that the auditor of state 217979
or a public accountant was able to complete a financial audit of 217980
the community school, the department shall release all funds 217981
withheld from the school under this section. 217982

Sec. 3315.18. (A) The board of education of each city, 217983
exempted village, local, and joint vocational school district 217984
shall establish a capital and maintenance fund. Each board 217985
annually shall deposit into that fund an amount derived from 217986
revenues received by the district that would otherwise have been 217987
deposited in the general fund that is equal to three per cent of 217988
the statewide average base cost per pupil for the preceding fiscal 217989
year, as defined in section 3317.02 of the Revised Code, or 217990
another percentage if established by the auditor of state under 217991
division (B) of this section, multiplied by the district's student 217992
population for the preceding fiscal year, except that money 217993
received from a permanent improvement levy authorized by section 217994
5705.21 of the Revised Code may replace general revenue moneys in 217995
meeting the requirements of this section. Money in the fund shall 217996
be used solely for acquisition, replacement, enhancement, 217997
maintenance, or repair of permanent improvements, as that term is 217998
defined in section 5705.01 of the Revised Code. Any money in the 217999
fund that is not used in any fiscal year shall carry forward to 218000
the next fiscal year. 218001

(B) The ~~state superintendent of public instruction~~ director 218002
of education and workforce and the auditor of state jointly shall 218003
adopt rules in accordance with Chapter 119. of the Revised Code 218004
defining what constitutes expenditures permitted by division (A) 218005
of this section. The auditor of state may designate a percentage, 218006

other than three per cent, of the statewide average base cost per pupil multiplied by the district's student population that must be deposited into the fund.

(C) Within its capital and maintenance fund, a school district board of education may establish a separate account solely for the purpose of depositing funds transferred from the district's reserve balance account established under former division (H) of section 5705.29 of the Revised Code. After April 10, 2001, a board may deposit all or part of the funds formerly included in such reserve balance account in the separate account established under this section. Funds deposited in this separate account and interest on such funds shall be utilized solely for the purpose of providing the district's portion of the basic project costs of any project undertaken in accordance with Chapter 3318. of the Revised Code.

(D)(1) Notwithstanding division (A) of this section, in any year a district is in fiscal emergency status as declared pursuant to section 3316.03 of the Revised Code, the district may deposit an amount less than required by division (A) of this section, or make no deposit, into the district capital and maintenance fund for that year.

(2) Notwithstanding division (A) of this section, in any fiscal year that a school district is either in fiscal watch status, as declared pursuant to section 3316.03 of the Revised Code, or in fiscal caution status, as declared pursuant to section 3316.031 of the Revised Code, the district may apply to the ~~superintendent of public instruction~~ director of education and workforce for a waiver from the requirements of division (A) of this section, under which the district may be permitted to deposit an amount less than required by that division or permitted to make no deposit into the district capital and maintenance fund for that year. The ~~superintendent~~ director may grant a waiver under

division (D)(2) of this section if the district demonstrates to 218039
the satisfaction of the ~~superintendent~~ director that compliance 218040
with division (A) of this section that year will create an undue 218041
financial hardship on the district. 218042

(3) Notwithstanding division (A) of this section, not more 218043
often than one fiscal year in every three consecutive fiscal 218044
years, any school district that does not satisfy the conditions 218045
for the exemption described in division (D)(1) of this section or 218046
the conditions to apply for the waiver described in division 218047
(D)(2) of this section may apply to the ~~superintendent of public~~ 218048
~~instruction~~ director for a waiver from the requirements of 218049
division (A) of this section, under which the district may be 218050
permitted to deposit an amount less than required by that division 218051
or permitted to make no deposit into the district capital and 218052
maintenance fund for that year. The ~~superintendent~~ director may 218053
grant a waiver under division (D)(3) of this section if the 218054
district demonstrates to the satisfaction of the ~~superintendent~~ 218055
director that compliance with division (A) of this section that 218056
year will necessitate the reduction or elimination of a program 218057
currently offered by the district that is critical to the academic 218058
success of students of the district and that no reasonable 218059
alternatives exist for spending reductions in other areas of 218060
operation within the district that negate the necessity of the 218061
reduction or elimination of that program. 218062

(E) Notwithstanding any provision to the contrary in Chapter 218063
4117. of the Revised Code, the requirements of this section 218064
prevail over any conflicting provisions of agreements between 218065
employee organizations and public employers entered into after 218066
November 21, 1997. 218067

(F) As used in this section, "student population" means the 218068
average, daily, full-time equivalent number of students in 218069
kindergarten through twelfth grade receiving any educational 218070

services from the school district during the first full school week in October, excluding students enrolled in adult education classes, but including all of the following:

(1) Adjacent or other district students enrolled in the district under an open enrollment policy pursuant to section 3313.98 of the Revised Code;

(2) Students receiving services in the district pursuant to a compact, cooperative education agreement, or a contract, but who are entitled to attend school in another district pursuant to section 3313.64 or 3313.65 of the Revised Code;

(3) Students for whom tuition is payable pursuant to sections 3317.081 and 3323.141 of the Revised Code.

The department of education and workforce shall determine a district's student population using data reported to it under section 3317.03 of the Revised Code for the applicable fiscal year.

Sec. 3315.181. As used in this section, "securities" has the same meaning as in section 133.01 of the Revised Code.

Notwithstanding division (A) of section 3315.18 of the Revised Code, the board of education of a city, exempted village, local, or joint vocational school district, in meeting the amount required by that division to be deposited in the district's capital and maintenance fund, may replace general fund revenues with proceeds received from a permanent improvement levy authorized by section 5705.21 of the Revised Code only to the extent the proceeds are available to be used for the acquisition, replacement, enhancement, maintenance, or repair of permanent improvements as defined in section 5705.01 of the Revised Code. In addition, the board may replace general fund revenues with proceeds received from any of the following sources in meeting the

amount required by that division to be deposited in the fund:	218101
(A) Proceeds received from any securities whose use is limited to the acquisition, replacement, enhancement, maintenance, or repair of permanent improvements;	218102 218103 218104
(B) Insurance proceeds received as a result of the damage to or theft or destruction of a permanent improvement to the extent a board of education places the proceeds in a separate fund for the acquisition, replacement, enhancement, maintenance, or repair of permanent improvements;	218105 218106 218107 218108 218109
(C) Proceeds received from the sale of a permanent improvement to the extent the proceeds are paid into a separate fund for the construction or acquisition of permanent improvements;	218110 218111 218112 218113
(D) Proceeds received from a tax levy authorized by section 3318.06 of the Revised Code to the extent the proceeds are available to be used for the maintenance of capital facilities;	218114 218115 218116
(E) Proceeds of certificates of participation issued as part of a lease-purchase agreement entered into under section 3313.375 of the Revised Code;	218117 218118 218119
(F) Proceeds of any school district income tax levied under Chapter 5748. of the Revised Code for permanent improvements, to the extent the proceeds are available for the acquisition, replacement, enhancement, maintenance, or repair of permanent improvements;	218120 218121 218122 218123 218124
(G) Any other revenue source identified by the auditor of state, in consultation with the department of education <u>and workforce</u> , in rules adopted by the auditor of state.	218125 218126 218127
Sec. 3315.33. There is hereby established a fund to be known as the Ohio scholarship fund for teacher trainees for the public purpose of relieving the existing teacher shortage in public	218128 218129 218130

schools, to be administered and expended as prescribed in sections 218131
3315.33 to 3315.35 of the Revised Code. Appropriations by the 218132
general assembly for the purpose of scholarships for teacher 218133
trainees shall be paid into this fund. 218134

Each scholarship for a teacher trainee shall have a maximum 218135
value of five hundred dollars annually and shall be awarded as 218136
follows: 218137

(A) The ~~state board~~ department of education and workforce 218138
shall prescribe standards and requirements which shall be met by 218139
persons who are eligible for such scholarships. Scholarships shall 218140
be allocated among the counties of the state on an equitable basis 218141
by the ~~state board of education~~ department, provided that not less 218142
than three such scholarships shall be available annually to 218143
residents of each county of the state. If, on the first day of 218144
September in each year, the ~~state board of education~~ department 218145
finds that the number of eligible persons recommended from any 218146
county is less than the number of scholarships allocated to that 218147
county, it may reallocate the remaining scholarships among the 218148
counties in which the number of eligible persons exceeds the 218149
number of scholarships allocated. Such reallocation as may affect 218150
a county in one year shall not prejudice in any way the allocation 218151
to it in succeeding years. 218152

(B) In accordance with the requirements of sections 3315.33, 218153
3315.34, and 3315.35 of the Revised Code, the educational service 218154

committee chairperson shall appoint a committee consisting of one 218156
high school principal, one elementary school principal, and one 218157
classroom teacher. This committee shall select and recommend, on 218158
the basis of merit, a number of high school graduates, not to 218159
exceed the number allocated to each county by the ~~state board of~~ 218160
~~education~~ department, who are interested in teaching and whose 218161
work and qualifications are such as to indicate that they possess 218162

the qualities which should be possessed by a successful teacher. 218163
Such persons shall not have previously been enrolled in any 218164
college of education or have majored in education in any college 218165
or university. Such other college training shall be considered in 218166
determining such person's qualifications to become a successful 218167
teacher. 218168

(C) The scholarship fund for teacher trainees shall be 218169
disbursed to scholarship holders upon their application as 218170
approved by the ~~state board of education~~ department upon vouchers 218171
for that purpose. Such scholarships shall be paid in equal 218172
installments at the beginning of each quarter or semester while 218173
college is in session to each person who has been awarded such a 218174
scholarship when the following requirements are met: 218175

(1) Such person shall be a bona fide student in the college 218176
of education or department of teacher training in an Ohio 218177
institution of higher learning. 218178

(2) Such person shall pursue a course of study in elementary 218179
education in said college of education or department of teacher 218180
training approved by the ~~state board of education~~ department of
education and workforce. 218181
218182

Sec. 3315.34. Each person who receives a scholarship shall 218183
execute a promissory note which shall be endorsed by some 218184
responsible citizen, and shall deliver said note to the ~~state~~ 218185
~~board~~ department of education and workforce or to its 218186
representative. Each such note shall be made payable to the 218187
treasurer of state for the amount of the quarterly or semi-annual 218188
payment, and shall bear interest at the rate of five per cent per 218189
annum from the date of the note. The ~~state board of education~~ 218190
department shall hold said note until it has been paid or 218191
cancelled as prescribed in section 3315.35 of the Revised Code. 218192

Each person awarded a scholarship under the terms of sections 218193

3315.33 to 3315.35 of the Revised Code shall be eligible upon the 218194
completion of satisfactory work during the first year, under rules 218195
and regulations promulgated by the ~~state board of education~~ 218196
department, to have the scholarship renewed for a period not to 218197
exceed one additional year. 218198

Sec. 3315.35. At the expiration of each school year of 218199
service as a teacher in the public schools of Ohio by a person who 218200
has benefited from a scholarship granted under sections 3315.33 to 218201
3315.35 of the Revised Code, such person shall submit to the ~~state~~ 218202
~~board~~ department of education and workforce a statement of service 218203
on a form provided for that purpose and certified by the 218204
superintendent of the school district in which the person has 218205
taught. Upon receipt of such statement in proper form, the board 218206
shall cancel the oldest notes given by such person covering the 218207
scholarship for one year and the interest accrued thereon. If for 218208
any reason a recipient of a scholarship ceases or, after 218209
licensure, fails to teach in the public schools of Ohio, except 218210
for death or total disability, or fails to file with the board by 218211
July first of each year a statement concerning the recipient's 218212
previous year's employment and address for the ensuing year, any 218213
and all unpaid or uncanceled notes and interest thereon shall 218214
become due and payable and the board shall transmit all such notes 218215
promptly to the treasurer of state and the treasurer of state 218216
shall enforce collection of the principal amount of any 218217
uncanceled or unpaid notes held by the treasurer of state and the 218218
interest thereon and shall deposit said sums so collected in the 218219
general revenue fund. 218220

Sec. 3316.03. (A) The existence of a fiscal watch shall be 218221
declared by the auditor of state. The auditor of state may make a 218222
determination on the auditor of state's initiative, or upon 218223
receipt of a written request for such a determination, which may 218224

be filed by the governor, the ~~superintendent of public instruction~~ 218225
director of education and workforce, or a majority of the members 218226
of the board of education of the school district. 218227

(1) The auditor of state shall declare a school district to 218228
be in a state of fiscal watch if the auditor of state determines 218229
that both of the following conditions are satisfied with respect 218230
to the school district: 218231

(a) An operating deficit has been certified for the current 218232
fiscal year by the auditor of state, and the certified operating 218233
deficit exceeds eight per cent of the school district's general 218234
fund revenue for the preceding fiscal year; 218235

(b) A majority of the voting electors have not voted in favor 218236
of levying a tax under section 5705.194, 5705.199, or 5705.21 or 218237
Chapter 5748. of the Revised Code that the auditor of state 218238
expects will raise enough additional revenue in the next 218239
succeeding fiscal year that division (A)(1)(a) of this section 218240
will not apply to the district in such next succeeding fiscal 218241
year. 218242

(2) The auditor of state shall declare a school district to 218243
be in a state of fiscal watch if the auditor of state determines 218244
that the school district has outstanding securities issued under 218245
division (A)(4) of section 3316.06 of the Revised Code, and its 218246
financial planning and supervision commission has been terminated 218247
under section 3316.16 of the Revised Code. 218248

(3) The auditor of state shall declare a school district to 218249
be in a state of fiscal watch if both of the following conditions 218250
are satisfied: 218251

(a) The ~~superintendent of public instruction~~ director has 218252
reported to the auditor of state that the ~~superintendent~~ director 218253
has declared the district under section 3316.031 of the Revised 218254

Code to be under a fiscal caution, has found that the district has 218255
not acted reasonably to eliminate or correct practices or 218256
conditions that prompted the declaration, and has determined the 218257
declaration of a state of fiscal watch necessary to prevent 218258
further fiscal decline; 218259

(b) The auditor of state determines that the decision of the 218260
~~superintendent~~ director is reasonable. 218261

If the auditor of state determines that the decision of the 218262
~~superintendent~~ director is not reasonable, the auditor of state 218263
shall provide the ~~superintendent~~ director with a written 218264
explanation of that determination. 218265

(4) The auditor of state may declare a school district to be 218266
in a state of fiscal watch if all of the following conditions are 218267
satisfied: 218268

(a) An operating deficit has been certified for the current 218269
fiscal year by the auditor of state, and the certified operating 218270

(b) A majority of the voting electors have not voted in favor 218274
of levying a tax under section 5705.194, 5705.199, or 5705.21 or 218275
Chapter 5748. of the Revised Code that the auditor of state 218276
expects will raise enough additional revenue in the next 218277
succeeding fiscal year that division (A)(4)(a) of this section 218278
will not apply to the district in the next succeeding fiscal year; 218279

(c) The auditor of state determines that there is no 218280
reasonable cause for the deficit or that the declaration of fiscal 218281
watch is necessary to prevent further fiscal decline in the 218282
district. 218283

(B)(1) The auditor of state shall issue an order declaring a 218284
school district to be in a state of fiscal emergency if the 218285

auditor of state determines that both of the following conditions 218286
are satisfied with respect to the school district: 218287

(a) An operating deficit has been certified for the current 218288
fiscal year by the auditor of state, and the certified operating 218289
deficit exceeds fifteen per cent of the school district's general 218290
fund revenue for the preceding fiscal year. 218291

(b) A majority of the voting electors have not voted in favor 218292
of levying a tax under section 5705.194, 5705.199, or 5705.21 or 218293
Chapter 5748. of the Revised Code that the auditor of state 218294
expects will raise enough additional revenue in the next 218295
succeeding fiscal year that division (B)(1)(a) of this section 218296
will not apply to the district in such next succeeding fiscal 218297
year. 218298

(2) The auditor of state shall issue an order declaring a 218299
school district to be in a state of fiscal emergency if the school 218300
district board fails, pursuant to section 3316.04 of the Revised 218301
Code, to submit a plan acceptable to the ~~state superintendent of~~ 218302
~~public instruction~~ director of education and workforce within one 218303
hundred twenty days of the auditor of state's declaration under 218304
division (A) of this section or an updated plan when one is 218305
required by division (C) of section 3316.04 of the Revised Code; 218306

(3) The auditor of state shall issue an order declaring a 218307
school district to be in a state of fiscal emergency if both of 218308
the following conditions are satisfied: 218309

(a) The ~~superintendent of public instruction~~ director has 218310
reported to the auditor of state that the district is not 218311
materially complying with the provisions of an original or updated 218312
plan as approved by the ~~state superintendent~~ director under 218313
section 3316.04 of the Revised Code, and that the ~~state~~ 218314
~~superintendent~~ director has determined the declaration of a state 218315
of fiscal emergency necessary to prevent further fiscal decline; 218316

(b) The auditor of state finds that the determination of the ~~superintendent~~ director is reasonable. 218317
218318

If the auditor of state determines that the decision of the ~~superintendent~~ director is not reasonable, the auditor of state 218319
shall provide the ~~superintendent~~ director a written explanation of 218320
that determination. 218321
218322

(4) The auditor of state shall issue an order declaring a 218323
school district to be in a state of fiscal emergency if a 218324
declaration of fiscal emergency is required by division (D) of 218325
section 3316.04 of the Revised Code. 218326

(5) The auditor of state may issue an order declaring a 218327
school district to be in a state of fiscal emergency if all of the 218328
following conditions are satisfied: 218329

(a) An operating deficit has been certified for the current 218330
fiscal year by the auditor of state, and the certified operating 218331
deficit exceeds ten per cent, but does not exceed fifteen per 218332
cent, of the school district's general fund revenue for the 218333
preceding fiscal year; 218334

(b) A majority of the voting electors have not voted in favor 218335
of levying a tax under section 5705.194, 5705.199, or 5705.21 or 218336
Chapter 5748. of the Revised Code that the auditor of state 218337
expects will raise enough additional revenue in the next 218338
succeeding fiscal year that division (B)(5)(a) of this section 218339
will not apply to the district in the next succeeding fiscal year; 218340

(c) The auditor of state determines that a declaration of 218341
fiscal emergency is necessary to correct the district's fiscal 218342
problems and to prevent further fiscal decline. 218343

(C) In making the determinations under this section, the 218344
auditor of state may use financial reports required under section 218345
117.43 of the Revised Code; tax budgets, certificates of estimated 218346
resources and amendments thereof, annual appropriating measures 218347

and spending plans, and any other documents or information 218348
prepared pursuant to Chapter 5705. of the Revised Code; and any 218349
other documents, records, or information available to the auditor 218350
of state that indicate the conditions described in divisions (A) 218351
and (B) of this section. 218352

(D) The auditor of state shall certify the action taken under 218353
division (A) or (B) of this section to the board of education of 218354

division (B)(1) of section 3316.05 of the Revised Code, and to the 218357
~~superintendent of public instruction~~ director of education and 218358
workforce. 218359

(E) A determination by the auditor of state under this 218360
section that a fiscal emergency condition does not exist is final 218361
and conclusive and not appealable. A determination by the auditor 218362
of state under this section that a fiscal emergency exists is 218363
final, except that the board of education of the school district 218364
affected by such a determination may appeal the determination of 218365
the existence of a fiscal emergency condition to the court of 218366
appeals having territorial jurisdiction over the school district. 218367
The appeal shall be heard expeditiously by the court of appeals 218368
and for good cause shown shall take precedence over all other 218369
civil matters except earlier matters of the same character. Notice 218370
of such appeal must be filed with the auditor of state and such 218371
court within thirty days after certification by the auditor of 218372
state to the board of education of the school district provided 218373
for in division (D) of this section. In such appeal, 218374
determinations of the auditor of state shall be presumed to be 218375
valid and the board of education shall have the burden of proving, 218376
by clear and convincing evidence, that each of the determinations 218377
made by the auditor of state as to the existence of a fiscal 218378
emergency condition under this section was in error. If the board 218379

of education fails, upon presentation of its case, to prove by 218380
clear and convincing evidence that each such determination by the 218381
auditor of state was in error, the court shall dismiss the appeal. 218382
The board of education and the auditor of state may introduce any 218383
evidence relevant to the existence or nonexistence of such fiscal 218384
emergency conditions. The pendency of any such appeal shall not 218385
affect or impede the operations of this chapter; no restraining 218386
order, temporary injunction, or other similar restraint upon 218387
actions consistent with this chapter shall be imposed by the court 218388
or any court pending determination of such appeal; and all things 218389
may be done under this chapter that may be done regardless of the 218390
pendency of any such appeal. Any action taken or contract executed 218391
pursuant to this chapter during the pendency of such appeal is 218392
valid and enforceable among all parties, notwithstanding the 218393
decision in such appeal. If the court of appeals reverses the 218394
determination of the existence of a fiscal emergency condition by 218395
the auditor of state, the determination no longer has any effect, 218396
and any procedures undertaken as a result of the determination 218397
shall be terminated. 218398

Sec. 3316.031. (A) The ~~state superintendent of public~~ 218399
~~instruction~~ director of education and workforce, in consultation 218400
with the auditor of state, shall develop guidelines for 218401
identifying fiscal practices and budgetary conditions that, if 218402
uncorrected, could result in a future declaration of a fiscal 218403
watch or fiscal emergency within a school district. 218404

The guidelines shall not include a requirement that a school 218405
district submit financial statements according to generally 218406
accepted accounting principles. 218407

(B)(1) If the ~~state superintendent~~ director determines from a 218408
school district's five-year forecast submitted under section 218409
5705.391 of the Revised Code that a district is engaging in any of 218410

those practices or that any of those conditions exist within the 218411
district, after consulting with the district board of education 218412
concerning the practices or conditions, the ~~state superintendent~~ 218413
director may declare the district to be under a fiscal caution. 218414

(2) If the auditor of state finds that a district is engaging 218415
in any of those practices or that any of those conditions exist 218416
within the district, the auditor of state shall report that 218417
finding to the ~~state superintendent~~ director and, after consulting 218418
with the district board of education concerning the practices or 218419
conditions, the ~~state superintendent~~ director may declare the 218420
district to be under a fiscal caution. 218421

(3) Unless the auditor of state has elected to declare a 218422
state of fiscal watch under division (A)(4) of section 3316.03 of 218423
the Revised Code, the ~~state superintendent~~ director shall declare 218424
a school district to be under a fiscal caution if the conditions 218425
described in divisions (A)(4)(a) and (b) of that section are both 218426
satisfied with respect to the school district. 218427

(C) When the ~~state superintendent~~ director declares a 218428
district to be under fiscal caution, the ~~state superintendent~~ 218429
director shall promptly notify the district board of education of 218430
that declaration and shall request the board to provide written 218431
proposals for discontinuing or correcting the fiscal practices or 218432
budgetary conditions that prompted the declaration and for 218433
preventing the district from experiencing further fiscal 218434
difficulties that could result in the district being declared to 218435
be in a state of fiscal watch or fiscal emergency. 218436

(D) The ~~state superintendent~~ director, or a designee, may 218437
visit and inspect any district that is declared to be under a 218438
fiscal caution. The department of education and workforce shall 218439
provide technical assistance to the district board in implementing 218440
proposals to eliminate the practices or budgetary conditions that 218441
prompted the declaration of fiscal caution and may make 218442

recommendations concerning the board's proposals. 218443

(E) If the ~~state superintendent~~ director finds that a school 218444
district declared to be under a fiscal caution has not made 218445
reasonable proposals or otherwise taken action to discontinue or 218446
correct the fiscal practices or budgetary conditions that prompted 218447
the declaration of fiscal caution, and if the ~~state superintendent~~ 218448
director considers it necessary to prevent further fiscal decline, 218449
the ~~state superintendent~~ director may determine that the district 218450
should be in a state of fiscal watch. As provided in division 218451
(A)(3) of section 3316.03 of the Revised Code, the auditor of 218452
state shall declare the district to be in a state of fiscal watch 218453
if the auditor of state finds the ~~superintendent's~~ director's 218454
determination to be reasonable. 218455

Sec. 3316.04. (A) Within sixty days of the auditor's 218456
declaration under division (A) of section 3316.03 of the Revised 218457
Code, the board of education of the school district shall prepare 218458
and submit to the ~~superintendent of public instruction~~ director of 218459
education and workforce a financial plan delineating the steps the 218460
board will take to eliminate the district's current operating 218461
deficit and avoid incurring operating deficits in ensuing years, 218462
including the implementation of spending reductions. The financial 218463
plan also shall evaluate the feasibility of entering into shared 218464
services agreements with other political subdivisions for the 218465
joint exercise of any power, performance of any function, or 218466
rendering of any service, if so authorized by statute. The 218467
~~superintendent of public instruction~~ director shall evaluate the 218468
initial financial plan, and either approve or disapprove it within 218469
thirty calendar days from the date of its submission. If the 218470
initial financial plan is disapproved, the ~~state superintendent~~ 218471
director shall recommend modifications that will render the 218472
financial plan acceptable. No school district board shall 218473
implement a financial plan submitted to the ~~superintendent of~~ 218474

~~public instruction~~ director under this section unless the 218475
~~superintendent~~ director has approved the plan. 218476

(B) Upon request of the board of education of a school 218477
district declared to be in a state of fiscal watch, the auditor of 218478
state and ~~superintendent of public instruction~~ director shall 218479
provide technical assistance to the board in resolving the fiscal 218480
problems that gave rise to the declaration, including assistance 218481
in drafting the board's financial plan. 218482

(C) A financial plan adopted under this section may be 218483
amended at any time with the approval of the ~~superintendent~~ 218484
director. The board of education of the school district shall 218485
submit an updated financial plan to the ~~superintendent~~ director, 218486
for the ~~superintendent's~~ director's approval, every year that the 218487
district is in a state of fiscal watch. The updated plan shall be 218488
submitted in a form acceptable to the ~~superintendent~~ director. The 218489
~~superintendent~~ director shall approve or disapprove each updated 218490
plan no later than the anniversary of the date on which the first 218491
such plan was approved. 218492

(D) A school district that has restructured or refinanced a 218493
loan under section 3316.041 of the Revised Code shall be declared 218494
to be in a state of fiscal emergency if any of the following 218495
occurs: 218496

(1) An operating deficit is certified for the district under 218497
section 3313.483 of the Revised Code for any year prior to the 218498
repayment of the restructured or refinanced loan; 218499

(2) The ~~superintendent~~ director determines, in consultation 218500
with the auditor of state, that the school district is not 218501
satisfactorily complying with the terms of the financial plan 218502
required by this section; 218503

(3) The board of education of the school district fails to 218504
submit an updated plan that is acceptable to the ~~superintendent~~ 218505

director under division (C) of this section. 218506

Sec. 3316.041. (A) Notwithstanding any provision of Chapter 218507
133. or sections 3313.483 to 3313.4810 of the Revised Code, and 218508
subject to the approval of the ~~superintendent of public~~ 218509
~~instruction~~ director of education and workforce, a school district 218510
that is in a state of fiscal watch declared under section 3316.03 218511
of the Revised Code may restructure or refinance loans obtained or 218512
in the process of being obtained under section 3313.483 of the 218513
Revised Code if all of the following requirements are met: 218514

the Revised Code exceeds fifteen per cent of the district's 218517
general revenue fund for the fiscal year preceding the year for 218518
which the certification of the operating deficit is made. 218519

that is not a renewal or replacement levy, or a levy under section 218523
5705.199 of the Revised Code, and that will provide new operating 218524
revenue. 218525

(3) The board of education of the school district has adopted 218526
or amended the financial plan required by section 3316.04 of the 218527
Revised Code to reflect the restructured or refinanced loans, and 218528
sets forth the means by which the district will bring projected 218529
operating revenues and expenditures, and projected debt service 218530
obligations, into balance for the life of any such loan. 218531

(B) Subject to the approval of the ~~superintendent of public~~ 218532

repayment not to exceed ten years, and may alter the frequency and 218536

amount of repayments, interest or other financing charges, and 218537
other terms or agreements under which the loans were originally 218538
contracted, provided the loans received under sections 3313.483 of 218539
the Revised Code are repaid from funds the district would 218540
otherwise receive under Chapter 3317. of the Revised Code, as 218541

state's initiative, may conduct a performance audit of a school 218554
district that is under a fiscal caution under section 3316.031 of 218555

fiscal emergency, in which the auditor of state reviews any 218557
programs or areas of operation in which the auditor of state 218558
believes that greater operational efficiencies or enhanced program 218559
results can be achieved. 218560

The auditor of state, in consultation with the department of 218561
education and workforce and the office of budget and management, 218562
shall determine for which school districts to conduct performance 218563
audits under this section. Priority shall be given to districts in 218564

fiscal watch or fiscal emergency, as determined by the auditor of 218567

state, in consultation with the department and the office of 218568
budget and management. 218569

Code, the board of education of the school district for which the 218578
plan was approved shall revise the district's five-year projection 218579
of revenues and expenditures in accordance with rules adopted 218580
under section 5705.391 of the Revised Code so that the five-year 218581

judgment, or claim for damages resulting from the exercise of or 218694
failure to exercise the powers, duties, and functions granted to 218695
them in regard to their functioning under this chapter, but the 218696
commission, the ~~superintendent of public instruction~~ director, the 218697
auditor of state, and such other persons shall be subject to 218698

district to take the actions enumerated in division (A)(1) of this 218758
section. The plan shall specify the level of fiscal and management 218759
control that the commission will exercise within the school 218760
district during the period of fiscal emergency, and shall 218761
enumerate respectively, the powers and duties of the commission 218762
and the powers and duties of the school board during that period. 218763
The commission may elect to assume any of the powers and duties of 218764

include a proposal to restructure or refinance outstanding debt 218783
obligations incurred by the board under section 3313.483 of the 218784
Revised Code contingent upon the approval, during the period of 218785

section 718.09, 718.10, 5705.194, 5705.21, 5748.02, 5748.08, or 218787
5748.09 of the Revised Code that is not a renewal or replacement 218788

provision of Chapter 133. or sections 3313.483 to 3313.4810 of the 218791
Revised Code, following the required approval of the district 218792

repayment, not to exceed ten years, and may alter the frequency 218796
and amount of repayments, interest or other financing charges, and 218797
other terms of agreements under which the debt originally was 218798
contracted, at the discretion of the commission, provided that any 218799
loans received pursuant to section 3313.483 of the Revised Code 218800
shall be paid from funds the district would otherwise receive 218801
under Chapter 3317. of the Revised Code, as required under 218802
division (E)(3) of section 3313.483 of the Revised Code. The 218803
securities issued for the purpose of restructuring or refinancing 218804
the debt shall be repaid in equal payments and at equal intervals 218805
over the term of the debt and are not eligible to be included in 218806
any subsequent proposal for the purpose of restructuring or 218807
refinancing debt under this section. 218808

(5) An evaluation of the feasibility of entering into shared 218809

(B) Any financial recovery plan may be amended subsequent to 218813
its adoption. Each financial recovery plan shall be updated 218814
annually. 218815

(C) Each school district financial planning and supervision 218816
commission shall submit the financial recovery plan it adopts or 218817
updates under this section to the ~~state superintendent of public~~ 218818

~~instruction~~ director of education and workforce for approval 218819
immediately following its adoption or updating. The ~~state~~ 218820
~~superintendent~~ director shall evaluate the plan and either approve 218821
or disapprove it within thirty calendar days from the date of its 218822
submission. If the plan is disapproved, the ~~state superintendent~~ 218823
director shall recommend modifications that will render it 218824
acceptable. No financial planning and supervision commission shall 218825
implement a financial recovery plan that is adopted or updated on 218826
or after April 10, 2001, unless the ~~state superintendent~~ director 218827
has approved it. 218828

Sec. 3316.061. If any school district financial planning and 218829
supervision commission fails to submit to the ~~state superintendent~~ 218830
~~of public instruction~~ director of education and workforce under 218831
section 3316.06 of the Revised Code a financial recovery plan that 218832
is acceptable to the ~~state superintendent~~ director of education 218833
and workforce, or if the ~~state superintendent~~ director of 218834
education and workforce and the director of budget and management 218835
find that a commission is not materially complying with the 218836
provisions of its financial recovery plan, the ~~state~~ 218837
~~superintendent and the director~~ directors may jointly dissolve the 218838
financial planning and supervision commission and jointly appoint 218839
an individual to act as the fiscal arbitrator of the district. 218840

When a financial planning and supervision commission is 218841
dissolved under this section, the commission ceases to exist and 218842
the appointed fiscal arbitrator becomes the successor to the 218843
commission. A fiscal arbitrator appointed under this section has 218844
all of the rights, powers, and duties given by this chapter to the 218845
commission that the arbitrator succeeds. A reference in any 218846
statute, rule, contract, or other document to a school district 218847
financial planning and supervision commission is deemed to refer 218848
to a fiscal arbitrator appointed under this section. 218849

Business commenced but not completed by a commission when it 218850
is dissolved under this section shall be completed by the 218851
appointed fiscal arbitrator with the same effect as if completed 218852
by the commission. No validation, cure, right, privilege, remedy, 218853
obligation, or liability is lost or impaired by reason of the 218854
dissolution of the commission and appointment of a fiscal 218855
arbitrator, but shall be administered by the arbitrator. 218856

The ~~superintendent of public instruction~~ director of 218857
education and workforce shall issue guidelines establishing the 218858
criteria that the ~~superintendent~~ directors will utilize in 218859
selecting qualified fiscal arbitrators under this section. 218860

Sec. 3316.08. During a school district's fiscal emergency 218861
period, the auditor of state shall determine annually, or at any 218862
other time upon request of the financial planning and supervision 218863
commission, whether the school district will incur an operating 218864
deficit. If the auditor of state determines that a school district 218865
will incur an operating deficit, the auditor of state shall 218866
certify that determination to the ~~superintendent of public~~ 218867
~~instruction~~ director of education and workforce, the financial 218868
planning and supervision commission, and the board of education of 218869
the school district. Upon receiving the auditor of state's 218870
certification, the commission shall adopt a resolution requesting 218871
that the board of education work with the county auditor or tax 218872
commissioner to estimate the amount and rate of a tax levy that is 218873
needed under section 5705.194, ~~5709.199~~ 5705.199, or 5705.21 or 218874
Chapter 5748. of the Revised Code to produce a positive fund 218875
balance not later than the fifth year of the five-year forecast 218876
submitted under section 5705.391 of the Revised Code. 218877

The board of education shall recommend to the commission 218878
whether the board supports or opposes a tax levy under section 218879
5705.194, ~~5709.199~~ 5705.199, or 5705.21 or Chapter 5748. of the 218880

Revised Code and shall provide supporting documentation to the 218881
commission of its recommendation. 218882

After considering the board of education's recommendation and 218883
supporting documentation, the commission shall adopt a resolution 218884
to either submit a ballot question proposing a tax levy or not to 218885
submit such a question. 218886

Except as otherwise provided in this division, the tax shall 218887
be levied in the manner prescribed for a tax levied under section 218888
5705.194, ~~5709.199~~ 5705.199, or 5705.21 or under Chapter 5748. of 218889
the Revised Code. If the commission decides that a tax should be 218890
levied, the tax shall be levied for the purpose of paying current 218891
operating expenses of the school district. The rate of a property 218892
tax levied under section 5705.194, ~~5709.199~~ 5705.199, 5705.21, or 218893
5748.09 of the Revised Code shall be determined by the county 218894

5748.02, 5748.08, or 5748.09 of the Revised Code shall be 218896
determined by the tax commissioner, upon the request of the 218897
commission. The commission, in consultation with the board of 218898
education, shall determine the election at which the question of 218899
the tax shall appear on the ballot, and the commission shall 218900
submit a copy of its resolution to the board of elections not 218901

board of elections conducting the election shall certify the 218903
results of the election to the board of education and to the 218904
financial planning and supervision commission. 218905

fund is hereby created in the state treasury, to consist of such 218907
amounts designated for the purposes of the fund by the general 218908
assembly. The fund shall be used to provide assistance and grants 218909
to school districts to enable them to remain solvent and to pay 218910
unforeseeable expenses of a temporary or emergency nature that 218911

they are unable to pay from existing resources. 218912

(2) There is hereby created within the fund an account known 218913
as the school district shared resource account, which shall 218914
consist of money appropriated to it by the general assembly. The 218915
money in the account shall be used solely for solvency assistance 218916

as the catastrophic expenditures account, which shall consist of 218921

declared under division (B) of section 3316.03 of the Revised Code 218926
to be in a state of fiscal emergency, in the event that all money 218927
in the shared resource account is utilized for solvency 218928
assistance; 218929

(b) Grants to school districts under division (C) of this 218930
section. 218931

(B) Solvency assistance payments under division (A)(2) or 218932
(3)(a) of this section shall be made from the fund by the 218933
~~superintendent of public instruction~~ director of education and 218934
workforce in accordance with rules adopted by the director of 218935
budget and management, after consulting with the ~~superintendent~~ 218936
director, specifying approval criteria and procedures necessary 218937
for administering the fund. 218938

The fund shall be reimbursed for any solvency assistance 218939
amounts paid under division (A)(2) or (3)(a) of this section not 218940
later than the end of the second fiscal year following the fiscal 218941
year in which the solvency assistance payment was made, except 218942

that, upon the approval of the director of budget and management 218943
and the ~~superintendent of public instruction~~ director of education 218944

made by the director of budget and management from the amounts the 218951
school district would otherwise receive pursuant to Chapter 3317. 218952
of the Revised Code, or from any other funds appropriated for the 218953
district by the general assembly. Reimbursements shall be credited 218954
to the respective account from which the solvency assistance paid 218955
to the district was deducted. 218956

(C) The ~~superintendent of public instruction~~ director of 218957
education and workforce may make recommendations, and the 218958
controlling board may grant money from the catastrophic 218959
expenditures account to any school district that suffers an 218960

district's financial resources. The ~~superintendent~~ director of 218962
education and workforce shall make recommendations for the grants 218963
in accordance with rules adopted by the director of budget and 218964
management, after consulting with the ~~superintendent~~ director of 218965

unless the district receives money from this state or a third 218968
party, including an agency of the government of the United States, 218969
specifically for the purpose of compensating the district for 218970
revenue lost or expenses incurred as a result of the unforeseen 218971
catastrophic event. If a school district receives a grant from the 218972
catastrophic expenditures account on the basis of the same 218973
circumstances for which an adjustment or recomputation is 218974
authorized under section 3317.025, 3317.028, 3317.0210, or 218975

3317.0211 of the Revised Code, the department of education and 218976

amount not to exceed the total amount of the grant, and an amount 218978
equal to the reduction shall be transferred, from the funding 218979
source from which the adjustment or recomputation would be paid, 218980
to the catastrophic expenditures account. Any adjustment or 218981

hours school must be open for instruction with pupils in 219036
attendance, for individualized parent-teacher conference and 219037
reporting periods, and for professional meetings of teachers. 219038

A school district shall not be considered to have failed to
comply with this division because schools were open for
instruction but either twelfth grade students were excused from
attendance for up to the equivalent of three school days or only a
portion of the kindergarten students were in attendance for up to
the equivalent of three school days in order to allow for the

increase in the carryover value from the third preceding tax year 220034
to the second preceding tax year. 220035

(3) For a school district located in a county in which a 220036
reappraisal or triennial update occurred in the third preceding 220037
tax year, the recognized valuation equals the district's total 220038

year). 220160

If the result is less than 0.05, the state share percentage 220161

shall be 0.05. 220162

Sec. 3317.019. (A)(1) Subject to division (C) of this 220163
section, for fiscal years 2022 and 2023, the department of 220164

each city, local, and exempted village school district according 220166
to the following formula: 220167

(The district's funding base, as that term is defined in section 220168
3317.02 of the Revised Code) - (the district's payment under 220169
section 3317.022 of the Revised Code - the district's payment for 220170
supplemental targeted assistance under section 3317.0218 of the 220171
Revised Code for the fiscal year for which each payment is 220172
computed) 220173

If the computation made under division (A)(1) of this section 220174
results in a negative number, the district's funding under 220175
division (A)(1) of this section shall be zero. 220176

(2) For fiscal years 2022 and 2023, the department shall pay 220177
temporary transitional transportation aid to that district 220178

prior to September 30, 2021) - (the district's payment under 220187
section 3317.0212 of the Revised Code for the fiscal year for 220188
which the payment is computed) 220189

If the computation made under division (A)(2) of this section 220190
results in a negative number, the district's funding under 220191
division (A)(2) of this section shall be zero. 220192

(B) If a local school district participates in the establishment of a joint vocational school district that begins receiving payments under section 3317.16 of the Revised Code for fiscal year 2022 or fiscal year 2023, but does not receive payments for the fiscal year immediately preceding that fiscal year, the department shall adjust, as necessary, the district's funding base, as that term is defined in section 3317.02 of the Revised Code, according to the amounts received by the district in the immediately preceding fiscal year for career-technical education students who attend the newly established joint vocational school district.

(C)(1) For purposes of division (C) of this section, a district's "decrease threshold" for a fiscal year is the greater of the following:

(a) Twenty;

(b) Ten per cent of the number of the district's students counted under division (A)(1)(b) of section 3317.03 of the Revised Code for the previous fiscal year.

(2) For fiscal years 2022 and 2023, if a district has fewer students counted under division (A)(1)(b) of section 3317.03 of the Revised Code for that fiscal year than for the previous fiscal year and the positive difference between those two student counts is greater than or equal to the district's decrease threshold for that fiscal year, the amount paid to the district under division (A) of this section shall be reduced by the following amount:

The statewide average base cost per pupil X [(the positive difference between the number of the district's students counted under division (A)(1)(b) of section 3317.03 of the Revised Code for that fiscal year and the number of the district's students counted under that division for the previous fiscal year) - the district's decrease threshold for that fiscal year]

At no time, however, shall the amount paid to a district 220224
under division (A) of this section be less than zero. 220225
