5910.021, and 6301.13 of the Revised Code be enacted to read as 966
follows: 967

Sec. 5.2320. The twenty-sixth day of October is designated as 968
"Sudden Unexpected Death in Epilepsy Awareness Day." Sudden 969
unexpected death in epilepsy (SUDEP) is the sudden, unexpected 970
death of someone with epilepsy who was otherwise healthy. 971

Sec. 5.55. The month of April is designated as the "Month of 972
the Military Child." 973

Sec. 9.17. (A) The amount for purposes of a provision of the 974
Revised Code that references this section shall be as follows: 975

(1) Beginning on the effective date of this section through 976
calendar year 2024, seventy-five thousand dollars; 977

(2) For each calendar year thereafter, the amount for the 978
previous calendar year increased by three per cent as determined 979
and published by the director of commerce. 980

Sec. 9.681. (A) As used in this section, "tobacco product" 981
and "alternative nicotine product" have the same meanings as in 982
section 2927.02 of the Revised Code. 983

(B) The regulation of tobacco products and alternative 984
nicotine products is a matter of general statewide concern that 985
requires statewide regulation. The state has adopted a 986
comprehensive plan with respect to all aspects of the giveaway, 987
sale, purchase, distribution, manufacture, use, possession, 988
licensing, taxation, inspection, and marketing of tobacco products 989
and alternative nicotine products. No political subdivision may 990
enact, adopt, renew, maintain, enforce, or continue in existence 991
any charter provision, ordinance, resolution, rule, or other 992
measure that conflicts with or preempts any policy of the state 993

<u>regarding the regulation of tobacco products or alternative</u>	994
<u>nicotine products, including, without limitation, by:</u>	995
<u>(1) Setting or imposing standards, requirements, taxes, fees,</u>	996
<u>assessments, or charges of any kind regarding tobacco products or</u>	997
<u>alternative nicotine products that are the same as or similar to,</u>	998
<u>that conflict with, that are different from, or that are in</u>	999
<u>addition to, any standard, requirement, tax, fee, assessment, or</u>	1000
<u>other charge established or authorized by state law;</u>	1001
<u>(2) Lowering or raising an age requirement provided for in</u>	1002
<u>state law in connection with the giveaway, sale, purchase,</u>	1003
<u>distribution, manufacture, use, possession, licensing, taxation,</u>	1004
<u>inspection, and marketing of tobacco products or alternative</u>	1005
<u>nicotine products;</u>	1006
<u>(3) Prohibiting an employee eighteen years of age or older of</u>	1007
<u>a manufacturer, producer, distributor, wholesaler, or retailer of</u>	1008
<u>tobacco products or alternative nicotine products from selling</u>	1009
<u>tobacco products or alternative nicotine products;</u>	1010
<u>(4) Prohibiting an employee eighteen years of age or older of</u>	1011
<u>a manufacturer, producer, distributor, wholesaler, or retailer of</u>	1012
<u>tobacco products or alternative nicotine products from handling</u>	1013
<u>tobacco products or alternative nicotine products in sealed</u>	1014
<u>containers in connection with manufacturing, storage, warehousing,</u>	1015
<u>placement, stocking, bagging, loading, or unloading.</u>	1016
<u>(C) In addition to any other relief provided, the court shall</u>	1017
<u>award costs and reasonable attorney fees to any person, group, or</u>	1018
<u>entity that prevails in a challenge to an ordinance, resolution,</u>	1019
<u>regulation, local law, or other action as being in conflict with</u>	1020
<u>this section.</u>	1021
<u>(D) The general assembly finds and declares that this section</u>	1022
<u>is part of a statewide and comprehensive legislative enactment</u>	1023
<u>regulating all aspects of the giveaway, sale, purchase,</u>	1024

distribution, manufacture, use, possession, licensing, taxation, 1025
inspection, and marketing of tobacco products and alternative 1026
nicotine products. The general assembly further finds and declares 1027
that the imposition of tobacco product and alternative nicotine 1028
product regulation by any political subdivision is a matter of 1029
statewide concern and would be inconsistent with that statewide, 1030
comprehensive enactment. Therefore, regulation of the giveaway, 1031
sale, purchase, distribution, manufacture, use, possession, 1032
licensing, taxation, inspection, and marketing of tobacco products 1033
and alternative nicotine products is a matter of general statewide 1034
concern that requires uniform statewide regulation. By the 1035
enactment of this section, it is the intent of the general 1036
assembly to preempt political subdivisions from the regulation of 1037
tobacco products and alternative nicotine products. 1038

(E) This section does not prohibit a political subdivision 1039
from levying a tax expressly authorized by state law, including 1040
the taxes authorized under Chapters 5739. and 5741. or sections 1041
5743.021, 5743.024, 5743.026, 5743.321, 5743.323, and 5743.324 of 1042
the Revised Code. 1043

site, as part of the relevant meeting agenda, and shall indicate 1275
in conjunction with the published request that any person is 1276
invited to appear before the joint committee when the agency 1277
appears to offer and make comments to the joint committee 1278
concerning the agency's reliance. 1279

Upon receiving the request, the agency shall designate a 1280
suitable agency officer or employee to appear on behalf of the 1281
agency before the joint committee as directed in the request. The 1282
agency electronically shall notify the joint committee of the 1283
name, title, telephone number, and electronic mail address of the 1284
officer or employee who has been designated to appear before the 1285
joint committee in response to the request. 1286

Upon appearing before the joint committee, the agency's 1287
designee shall address why the agency is relying upon a principle 1288
of law or policy that, notwithstanding section 121.93 of the 1289
Revised Code, has not been supplanted by its restatement in a 1290
rule. The members of the joint committee may question the agency's 1291
designee concerning the agency's reliance. Any person may offer 1292
and make comments to the joint committee concerning the agency's 1293
reliance. 1294

After the appearance has concluded, the joint committee, by 1295
vote of a majority of its members, in writing may recommend to the 1296
agency that it supplant the principle of law or policy that it is 1297
relying upon by its restatement in a rule. The joint committee 1298
shall support its recommendation with a brief rationale of why, 1299
under section 121.93 of the Revised Code, the principle of law or 1300
policy should be supplanted by its restatement in a rule. The 1301
joint committee shall transmit the recommendation electronically 1302
to the agency. 1303

After receiving the recommendation from the joint committee, 1304

the agency shall commence the rule-making process as soon as it is 1305
reasonably feasible to do so, but not later than the date that is 1306
six months after the recommendation was received. The principle of 1307
law or policy as it is restated in a rule does not need to be 1308
wholly congruent with the supplanted principle of law or policy. 1309
The agency lawfully may improve or develop further the supplanted 1310
principle of law or policy as it is restated in a rule. 1311

The agency may continue to rely upon the principle of law or 1312
policy, but only while it is complying with the preceding 1313
paragraph. The agency may not rely upon the principle of law or 1314
policy in advising with regard to or in determining the rights or 1315
liabilities of a person if the agency fails to commence the 1316
rule-making process by the deadline specified in the preceding 1317
paragraph, or if, after commencing the rule-making process, the 1318
agency neglects or abandons the rule-making process before it is 1319
completed. 1320

Sec. 101.353. If the joint committee on agency rule review 1321
becomes aware, such as through its own inquiries or by receiving 1322
complaints from interested parties or stakeholders, that an agency 1323
subject to its jurisdiction is required expressly or impliedly by 1324
a statute to adopt a rule but appears neither to have done so nor 1325
to have commenced the rule-making process, the chairperson of the 1326
joint committee responsible for calling and conducting meetings 1327
under section 101.35 of the Revised Code, in ~~the~~ that 1328
chairperson's sole discretion, may request the agency to appear 1329
before the joint committee to address its apparent dereliction. 1330
The request shall specify the time and place at which a designee 1331
of the agency is to appear before the joint committee to address, 1332
and answer the joint committee's questions concerning, the 1333
agency's apparent dereliction. The request shall identify the 1334
statute that expressly or impliedly requires rule-making and that 1335
apparently has not been complied with. The joint committee shall 1336

transmit the request to the agency electronically. The joint 1337
committee also shall publish the request on its web site, and 1338
shall indicate in conjunction with the published request that any 1339
person is invited to appear before the joint committee when the 1340
agency appears to offer and make comments to the joint committee 1341
concerning the agency's apparent dereliction. 1342

Upon receiving the request, the agency shall designate a 1343
suitable agency officer or employee to appear on behalf of the 1344
agency before the joint committee as directed in the request. The 1345
agency electronically shall notify the joint committee of the 1346
name, title, telephone number, and electronic mail address of the 1347
officer or employee who has been designated to appear before the 1348
joint committee in response to the request. 1349

Upon appearing before the joint committee, the agency's 1350
designee shall address why the agency apparently has neither 1351
adopted a rule nor commenced the rule-making process as expressly 1352
or impliedly required by the statute. The members of the joint 1353
committee may question the agency's designee concerning the 1354
agency's apparent dereliction. Any person may offer and make 1355
comments to the joint committee concerning the agency's apparent 1356
dereliction. 1357

After the appearance has concluded, the joint committee, by 1358
vote of a majority of its members, in writing may advise the 1359
agency to commence rule-making proceedings under the statute, as 1360
soon as it is reasonably feasible for the agency to do so. The 1361
joint committee shall transmit the advisory electronically to the 1362
agency. The joint committee also shall publish the advisory on its 1363
web site. 1364

the following members: 1728

(2) Three members of the house of representatives appointed 1732
by the speaker of the house of representatives, two of whom are 1733
members of the majority party and one of whom is a member of the 1734

(B) The president and speaker shall make the initial 1736

after ~~the effective date of this section~~ June 23, 2021. The 1738
president and speaker shall make subsequent appointments not later 1739

the first regular session of each general assembly. Members of the 1741

in the first regular session of the following general assembly, 1743
until a member no longer serves as a member of the chamber from 1744
which the member was initially appointed, or until a member is 1745
removed by the speaker or president. No committee member shall be 1746
removed during the member's term during a state of emergency as 1747
defined in section 107.42 of the Revised Code, unless an 1748
extraordinary circumstance exists that prevents a member from 1749
serving on the committee. A vacancy on the committee shall be 1750
filled in the same manner as the original appointment. 1751

(C) In odd-numbered years, the president shall designate one 1752
committee member from the senate who is a member of the majority 1753

party as the committee ranking minority member. In even-numbered 1758
years, the speaker shall designate one committee member from the 1759
house who is a member of the majority party as the committee 1760
chairperson, and the president shall designate one committee 1761
member from the senate who is a member of the majority party as 1762

the committee vice-chairperson and one committee member from the 1763
senate who is a member of the minority party as the committee 1764
ranking minority member. 1765

(D) In appointing members from the minority party, and in 1766
designating ranking minority members, the president and speaker 1767
shall consult with the minority leader of their respective houses. 1768

(E) The Ohio health oversight and advisory committee shall 1769
meet at the call of the chairperson. 1770

(F) The executive director and other employees of the joint 1771
medicaid oversight committee shall serve the Ohio health oversight 1772
and advisory committee to enable the committee to successfully and 1773
efficiently perform its duties. 1774

Sec. 103.71. There is hereby created a correctional 1775
institution inspection committee as a subcommittee of the 1776
legislative service commission. The committee shall consist of 1777
eight persons, four of whom shall be members of the senate 1778
appointed by the president of the senate, not more than two of 1779
whom shall be members of the same political party, and four of 1780
whom shall be members of the house of representatives appointed by 1781
the speaker of the house of representatives, not more than two of 1782
whom shall be members of the same political party. Initial 1783
appointments to the committee shall be made within fifteen days 1784
after July 1, 1993, and in the manner prescribed in this section. 1785
Thereafter, appointments to the committee shall be made within 1786
~~fifteen~~ forty-five days after the commencement of the first 1787
regular session of the general assembly and in the manner 1788
prescribed in this section. A vacancy on the committee shall be 1789
filled for the unexpired term in the same manner as the original 1790
appointment. Members of the committee shall serve on the committee 1791
until the appointments are made in the first regular session of 1792
the following general assembly, unless they cease to be members of 1793

the general assembly. 1794

Sec. 106.02. When (A) Subject to division (B) of this 1795
section, when an agency files a proposed rule and rule summary and 1796
fiscal analysis with the joint committee on agency rule review, 1797
the joint committee shall review the proposed rule and rule 1798
summary and fiscal analysis, and an invalidating concurrent 1799
resolution may be adopted, not later than the sixty-fifth day 1800
after the day on which the proposed rule was filed with the joint 1801
committee. If, after filing the original version of a proposed 1802
rule, the agency makes a revision in the proposed rule, the agency 1803
shall file the revised proposed rule and a revised rule summary 1804
and fiscal analysis with the joint committee. If the revised 1805
proposed rule is filed thirty-five or fewer days after the 1806
original version of the proposed rule was filed, the joint 1807
committee shall review the revised proposed rule and revised rule 1808
summary and fiscal analysis, and an invalidating concurrent 1809
resolution may be adopted, not later than the sixty-fifth day 1810
after the original version of the proposed rule was filed. If, 1811
however, the revised proposed rule is filed more than thirty-five 1812
days after the original version of the proposed rule was filed, 1813
the joint committee shall review the revised proposed rule and 1814
revised rule summary and fiscal analysis, and an invalidating 1815
concurrent resolution may be adopted, not later than the thirtieth 1816
day after the revised proposed rule was filed with the joint 1817
committee. 1818

(B) If, after filing a proposed rule and rule summary and 1819
fiscal analysis with the joint committee, an agency determines 1820
that it needs additional time to consider the proposed rule and 1821
possibly file a revised proposed rule, the agency may notify the 1822
joint committee of the agency's intention to file a revised 1823
proposed rule. When the agency notifies the joint committee of its 1824
intention to file a revised proposed rule, the running of the time 1825

within which an invalidating concurrent resolution may be adopted 1826
is tolled. 1827

If, after notifying the joint committee of the agency's 1828
intention to file a revised proposed rule, the agency makes a 1829
revision in the proposed rule, the agency shall file the revised 1830
proposed rule and a revised rule summary and fiscal analysis with 1831
the joint committee. If the revised proposed rule is filed 1832
thirty-five or fewer days after the agency filed the original 1833
version of the proposed rule, the joint committee shall review the 1834
revised proposed rule and revised rule summary and fiscal 1835
analysis, and an invalidating concurrent resolution may be 1836
adopted, not later than the sixty-fifth day after the agency filed 1837
the original version of the proposed rule. If, however, the 1838
revised proposed rule is filed more than thirty-five days after 1839
the agency filed the original version of the proposed rule, the 1840
joint committee shall review the revised proposed rule and revised 1841
rule summary and fiscal analysis, and an invalidating concurrent 1842
resolution may be adopted, not later than the thirtieth day after 1843
the revised proposed rule is filed with the joint committee. 1844

(C) When ~~the~~ an original or revised version of a proposed 1845
rule and rule summary and fiscal analysis is filed with the joint 1846
committee in December or in the following January before the first 1847
day of the legislative session, the joint committee shall review 1848
the proposed rule and rule summary and fiscal analysis, and an 1849
invalidating concurrent resolution may be adopted, as if the 1850
original version of the proposed rule and rule summary and fiscal 1851
analysis had been filed with the joint committee on the first day 1852
of the legislative session in the following January. If, however, 1853
the original version of a proposed rule and rule summary and 1854
fiscal analysis have been pending before the joint committee for 1855
more than thirty-five days, and the proposed rule and rule summary 1856
and fiscal analysis are revised in December or in the following 1857

January before the first day of the legislative session, the joint 1858
committee shall review the revised proposed rule and revised rule 1859
summary and fiscal analysis, and an invalidating concurrent 1860
resolution may be adopted, not later than the thirtieth day after 1861
the first day of the legislative session in the following January. 1862

(D) A revised proposed rule supersedes each earlier version 1863
of the same proposed rule. 1864

(E) The joint committee shall endeavor not to hold its public 1865
hearing on a proposed rule earlier than the forty-first day after 1866
the proposed rule was filed with the joint committee. The 1867
chairperson of the joint committee responsible for calling and 1868
conducting meetings under section 101.35 of the Revised Code may 1869
select a date for the committee's public hearing on a proposed 1870
rule that is earlier than the forty-first day after the proposed 1871
rule was filed. 1872

Sec. 106.031. If an agency, on the basis of its review of a 1873
rule under section 106.03 of the Revised Code, determines that the 1874
rule does not need to be amended or rescinded, proceedings shall 1875
be had as follows: 1876

(A)(1) If, considering only the standard of review specified 1877
in division (A)(7) of section 106.03 of the Revised Code, the rule 1878
has an adverse impact on businesses, the agency shall prepare a 1879
business impact analysis that describes its review of the rule 1880
under that division and that explains why the regulatory intent of 1881
the rule justifies its adverse impact on businesses. If the rule 1882
does not have an adverse impact on businesses, the agency may 1883
proceed under division (B) of this section. 1884

(2) The agency shall transmit a copy of the full text of the 1885
rule and the business impact analysis electronically to the common 1886
sense initiative office. The office shall make the rule and 1887
analysis available to the public on its web site under section 1888

107.62 of the Revised Code. 1889

(3) The agency shall consider any recommendations made by the 1890
office. 1891

(4) Not earlier than the sixteenth business day after 1892
transmitting the rule and analysis to the office, the agency shall 1893
either (a) proceed under divisions (A)(5) and (B) of this section 1894
or (b) commence, under division (B)(1) of section 106.03 of the 1895
Revised Code, the process of rescinding the rule or of amending 1896
the rule to incorporate into the rule features the recommendations 1897
suggest will eliminate or reduce the adverse impact the rule has 1898
on businesses. If the agency determines to amend or rescind the 1899
rule, the agency is not subject to the time limit specified in 1900
division (B)(1) of section 106.03 of the Revised Code. 1901

(5) If the agency receives recommendations from the office, 1902
and determines not to amend or rescind the rule, the agency shall 1903
prepare a memorandum of response that explains why the rule is not 1904
being rescinded or why the recommendations are not being 1905
incorporated into the rule. 1906

(B) The agency shall assign a new review date to the rule. 1907
The review date assigned shall be not later than five years after 1908
the immediately preceding review date pertaining to the rule. If 1909
the agency assigns a review date that exceeds the five-year 1910
maximum, the review date is five years after the immediately 1911
preceding review date. The immediately preceding review date 1912
includes the date of the review of a rule under section 106.032 of 1913
the Revised Code. 1914

~~(C)(1)~~(C) The agency shall file all the following, in 1915
electronic form, with the joint committee on agency rule review, 1916
the secretary of state, and the director of the legislative 1917
service commission: a copy of the rule specifying its new review 1918
date, a complete and accurate rule summary and fiscal analysis, 1919

and, if relevant, a business impact analysis of the rule, any 1920
recommendations received from the common sense initiative office, 1921
and any memorandum of response. 1922

~~(2) Subject to section 106.05 of the Revised Code, the joint 1923
committee does not have jurisdiction to review, and shall reject, 1924
the filing of a rule under division (C)(1) of this section if, at 1925
any time while the rule is in its possession, it discovers that 1926
the rule has an adverse impact on businesses and the agency has 1927
not complied with division (A) of this section. The joint 1928
committee shall electronically return a rule that is rejected to 1929
the agency, together with any documents that were part of the 1930
filing. Such a rejection does not preclude the agency from 1931
refiling the rule under division (C)(1) of this section after 1932
complying with division (A) of this section. When the filing of a 1933
rule is rejected under this division, it is as if the filing had 1934
not been made. 1935~~

(D) The joint committee shall publish notice of the agency's 1936
determination not to amend or rescind the rule in the register of 1937
Ohio for four consecutive weeks after the rule is filed under 1938
division (C) of this section. 1939

(E) During the ninety-day period after a rule is filed under 1940
division (C) of this section, but after the four-week notice 1941
period required by division (D) of this section has ended, the 1942
joint committee may recommend to the senate and house of 1943
representatives the adoption of a concurrent resolution 1944
invalidating the rule if the joint committee finds any of the 1945
following: 1946

(1) The agency improperly applied the standards in division 1947
(A) of section 106.03 of the Revised Code in reviewing the rule 1948
and in determining that the rule did not need amendment or 1949
rescission. 1950

(2) The rule has an adverse impact on businesses, and the agency has failed to demonstrate through a business impact analysis, recommendations from the common sense initiative office, and a memorandum of response that the regulatory intent of the rule justifies its adverse impact on businesses.

(3) If the rule incorporates a text or other material by reference, any of the following applies:

(a) The citation accompanying the incorporation by reference is not such as reasonably would enable a reasonable person to whom the rule applies readily and without charge to find and inspect the incorporated text or other material;

(b) The citation accompanying the incorporation by reference is not such as reasonably would enable the joint committee readily and without charge to find and inspect the incorporated text or other material; or

(c) The rule has been exempted in whole or in part from sections 121.71 to 121.74 of the Revised Code on grounds the incorporated text or other material has one or more of the characteristics described in division (B) of section 121.75 of the Revised Code, but the incorporated text or other material actually does not have any of those characteristics.

(4) If the agency is subject to sections 121.95, 121.951, 121.952, and 121.953 of the Revised Code, the agency has failed to justify the retention of a rule containing a regulatory restriction.

(5) The rule implements a federal law or rule in a manner that is more stringent or burdensome than the federal law or rule requires.

If the agency fails to comply with section 106.03 or 106.031 of the Revised Code, the joint committee shall afford the agency an opportunity to appear before the joint committee to show cause

why the agency has not complied with either or both of those 1982
sections. If the agency appears before the joint committee at the 1983
time scheduled for the agency to show cause, and fails to do so, 1984
the joint committee, by vote of a majority of its members present, 1985
may recommend the adoption of a concurrent resolution invalidating 1986
the rule for the agency's failure to show cause. Or if the agency 1987
fails to appear before the joint committee at the time scheduled 1988
for the agency to show cause, the joint committee, by vote of a 1989
majority of its members present, may recommend adoption of a 1990
concurrent resolution invalidating the rule for the agency's 1991
default. 1992

When the joint committee recommends that a rule be 1993
invalidated, the recommendation does not suspend operation of the 1994
rule, and the rule remains operational pending action by the 1995
senate and house of representatives on the concurrent resolution 1996
embodying the recommendation. If the senate and house of 1997
representatives adopt the concurrent resolution, the rule is 1998
invalid. If, however, the senate and house of representatives do 1999
not adopt the resolution, the rule continues in effect, and shall 2000
next be reviewed according to the new review date assigned to the 2001
rule. 2002

Sec. 106.032. If the chairperson of the joint committee on 2003
agency rule review responsible for calling and conducting meetings 2004
under section 101.35 of the Revised Code becomes aware that an 2005
existing rule has had or is having an unintended or unexpected 2006
effect on businesses that is not reasonably within the express or 2007
implied scope of the statute under which the existing rule 2008
purportedly was adopted, ~~the~~ that chairperson may move that the 2009
joint committee order the agency that is administering the 2010
existing rule to submit the existing rule for review under section 2011
106.031 of the Revised Code, the same as if the agency had made a 2012
determination with regard to the existing rule under division 2013

(B)(2) of section 106.03 of the Revised Code. The joint committee 2014
may adopt the motion by vote of a majority of its members. The 2015
joint committee shall not adopt a motion under this paragraph for 2016
a rule if the joint committee previously has adopted a motion 2017
under this paragraph for the same rule within the immediately 2018
preceding five-year period. 2019

The joint committee shall prepare the order in writing, and 2020
shall transmit the order electronically to the agency. The joint 2021
committee also shall transmit a copy of the order electronically 2022
to the director of the legislative service commission and to the 2023
common sense initiative office. The joint committee shall indicate 2024
in the order the date on which the order is transmitted. The 2025
director shall publish the order in the register of Ohio. 2026

Upon receiving the order, the agency shall comply with the 2027
order as soon as reasonably possible, but shall commence 2028
compliance with the order not later than thirty days after the 2029
date on which the order was transmitted. 2030

When an agency complies with the order, proceedings are to be 2031
had with regard to the existing rule under section 106.031 of the 2032
Revised Code, the same as if the agency had made a determination 2033
with regard to the existing rule under division (B)(2) of section 2034
106.03 of the Revised Code. In addition to the standards of review 2035
stated in division (E) of section 106.031 of the Revised Code, the 2036
joint committee may recommend to the senate and house of 2037
representatives the adoption of a concurrent resolution 2038
invalidating the existing rule if the joint committee finds that 2039
the existing rule has an unintended or unexpected effect on 2040
businesses that is not reasonably within the express or implied 2041
scope of the statute under which the agency purportedly adopted 2042
the existing rule. 2043

Sec. 106.04. When the joint committee on agency rule review 2044
recommends invalidation of a proposed or existing rule under 2045
section 106.021 or 106.031 of the Revised Code, the chairperson of 2046
the joint committee responsible for calling and conducting 2047
meetings under section 101.35 of the Revised Code, or another 2048
member of the joint committee designated by ~~the~~ that chairperson, 2049
shall prepare the recommendation of invalidation in writing. The 2050
recommendation shall identify the proposed or existing rule, the 2051
agency that proposed or submitted the proposed or existing rule, 2052
and the finding that caused the joint committee to make the 2053
recommendation. The recommendation briefly shall explain the 2054
finding. 2055

The chairperson of the joint committee responsible for 2056
calling and conducting meetings under section 101.35 of the 2057
Revised Code shall request the legislative service commission to 2058
prepare a concurrent resolution to invalidate the proposed or 2059
existing rule according to the recommendation. The concurrent 2060
resolution shall state the finding that caused the joint committee 2061
to recommend invalidation of the rule. 2062

Sec. 106.041. The chairperson of the joint committee on 2063
agency rule review responsible for calling and conducting meetings 2064
under section 101.35 of the Revised Code, or another member of the 2065
joint committee designated by ~~the~~ that chairperson, shall submit a 2066
concurrent resolution to invalidate a proposed or existing rule to 2067
the clerk of either house of the general assembly. The 2068
recommendation of invalidation and a copy of the proposed or 2069
existing rule also shall be submitted to the clerk along with the 2070
concurrent resolution. 2071

Sec. 107.03. (A) As used in this section, "transportation 2072
budget" means the biennial budget that primarily includes the 2073

following:	2074
(1) Motor fuel excise tax-related appropriations for the department of transportation, public works commission, and department of development;	2075 2076 2077
(2) Other appropriations that pertain to transportation and infrastructure related to transportation.	2078 2079
(B) The governor shall submit a transportation budget to the general assembly not later than four weeks after the general assembly's organization.	2080 2081 2082
(C) The governor shall submit to the general assembly, not later than four weeks after its organization, a state budget containing a complete financial plan for the ensuing fiscal biennium, excluding items of revenue and expenditure described in section 126.022 of the Revised Code. (D) In years of a new governor's inauguration, only the new governor shall submit a budget to the general assembly. In addition to other things required by law, each of the governor's budgets shall contain:	2090 2091 2092 2093
(1) A general budget summary by function and agency setting forth the proposed total expenses from each and all funds and the anticipated resources for meeting such expenses; such resources to include any available balances in the several funds at the beginning of the biennium and a classification by totals of all revenue receipts estimated to accrue during the biennium under existing law and proposed legislation.	2094 2095 2096 2097 2098 2099 2100

and revenue distribution, merchandise for resale, transfers, and 2105
nonexpense disbursements, obligations, interest on debt, and 2106
retirement of debt, and for the biennium for capital outlay, to 2107
the respective departments, offices, institutions, as defined in 2108
section 121.01 of the Revised Code, and all other public purposes; 2109
and, in comparative form, the actual expenses by source of funds 2110
during each fiscal year of the previous two bienniums for each 2111
such purpose. No alterations shall be made in the requests for the 2112
legislative and judicial branches of the state filed with the 2113
director of budget and management under section 126.02 of the 2114
Revised Code. If any amount of federal money is recommended to be 2115
appropriated or has been expended for a purpose for which state 2116
money also is recommended to be appropriated or has been expended, 2117
the amounts of federal money and state money involved shall be 2118
separately identified. 2119

(3) A detailed estimate of the revenue receipts in each fund 2120

bienniums; 2124

(4) The estimated cash balance in each fund at the beginning 2125

(7) The most recent TANF spending plan prepared by the 2136
department of job and family services under section 5101.806 of 2137
the Revised Code, which shall be submitted to the general assembly 2138

(8) The medicaid caseload and expenditure forecast report 2140
prepared by the office of budget and management, in consultation 2141
with the department of medicaid, under section 126.021 of the 2142
Revised Code. The report shall be submitted to the general 2143
assembly as a supplemental budget document to provide an in-depth 2144
analysis of the governor's budget recommendations for the medicaid 2145
budget as a whole and for each of the major medicaid appropriation 2146
items. The report shall clearly distinguish a proposed policy 2147
change from continuing law or administrative policy and indicate 2148
whether the data used throughout the report is proposed, 2149

appropriations made by the general assembly either directly from 2161
the general revenue fund ~~appropriations made by the general~~ 2162
~~assembly~~ or indirectly from any nongeneral revenue fund supported 2163
by cash transfers from the general revenue fund except for the 2164
following: 2165

(1) Appropriations of money received from the federal 2166

statistics of the United States department of labor or, if that	2175

certified as a peace officer under this section, if the person, 3611
before completion of an approved peace officer basic training 3612
program, failed to disclose any previous criminal conviction of or 3613
plea of guilty to a felony as required under division (E)(1) of 3614
this section. 3615

(F)(1) Regardless of whether the person has been awarded the 3616

person's acquittal of the felony or conviction of a misdemeanor, 3638
or in the dismissal of the felony charge against that person, the 3639
executive director shall reinstate the certificate awarded to the 3640
person under this section. If the person files an appeal from that 3641
person's conviction of the felony and the conviction is upheld by 3642
the highest court to which the appeal is taken or if the person 3643

and the submitted documentation. If the executive director of the 3739
commission is satisfied that emergency circumstances exist for any 3740
peace officer or trooper for whom a request was made under this 3741
division, the executive director may approve the request for that 3742
peace officer or trooper and grant an extension of the time within 3743
which that peace officer or trooper must complete the required 3744

the commission. An extension granted under this division may be 3746

appropriate, and the executive director shall specify in the 3748

appointing authority must complete the required minimum number of 3759
hours of continuing professional training set by the commission, 3760
the appointing authority shall require that peace officer or 3761

training under division (B)(1) of this section so that hours 3784
earned by the peace officer or trooper providing the training in 3785

continuing professional training hours required of another peace 3787
officer or trooper appointed by that law enforcement agency. 3788

the director under the title of the agency adopting the rule and 3935
shall be numbered according to the numbering system devised by the 3936
director. The secretary of state and the director shall preserve 3937
the rules in an accessible manner. Each such rule shall be a 3938
public record open to public inspection and may be transmitted to 3939
any law publishing company that wishes to reproduce it. 3940

businesses, the state board, commission, department, division, or 3958
bureau also shall file the business impact analysis, any 3959
recommendations received from the common sense initiative office, 3960
and the associated memorandum of response, if any, in electronic 3961

form, that is filed under this division. 3963

A proposed rule that is subject to legislative review under 3964
this division may not be adopted and filed in final form under 3965

division (B)(1) of this section unless the proposed rule has been 3966
filed with the joint committee on agency rule review under this 3967
division and the time for the joint committee to review the 3968
proposed rule has expired without recommendation of a concurrent 3969
resolution to invalidate the proposed rule. 3970

If a proposed rule that is subject to legislative review 3971
under this division implements a federal law or rule, the agency 3972
shall provide to the joint committee a citation to the federal law 3973
or rule the proposed rule implements and a statement as to whether 3974

situations where this section provides otherwise. 4566

The following adjudication orders shall be effective without 4567

such agency, to another agency, or to the board of tax appeals, 4577
and also give the appellant a right to a hearing on such appeal. 4578

When a statute permits the suspension of a license without a 4579
prior hearing, any agency issuing an order pursuant to such 4580
statute shall afford the person to whom the order is issued a 4581
hearing upon request. 4582

Whenever an agency claims that a person is required by 4583
statute to obtain a license, it shall afford a hearing upon the 4584
request of a person who claims that the law does not impose such a 4585
requirement. 4586

Every agency shall afford a hearing upon the request of any 4587
person who has been refused admission to an examination where such 4588
examination is a prerequisite to the issuance of a license unless 4589
a hearing was held prior to such refusal. 4590

Unless a hearing was held prior to the refusal to issue the 4591
license, every agency shall afford a hearing upon the request of a 4592
person whose application for a license has been rejected and to 4593
whom the agency has refused to issue a license, whether it is a 4594
renewal or a new license, except that the following are not 4595
required to afford a hearing to a person to whom a new license has 4596
been refused because the person failed a licensing examination: 4597

whose registration has been denied, unless a hearing was held 4604
prior to such denial. 4605

When periodic registration of licenses or renewal of licenses 4606
is required by law, a licensee who has filed an application for 4607
registration or renewal within the time and in the manner provided 4608
by statute or rule of the agency shall not be required to 4609

discontinue a licensed business or profession merely because of 4610
the failure of the agency to act on the licensee's application. 4611
~~Action of an agency rejecting any such~~ An agency's rejection of an 4612
application for registration or renewal shall not be effective 4613
~~prior to fifteen days~~ until the fifteenth day after the notice of 4614
the rejection is mailed to the licensee. 4615

Sec. 119.062. (A) Notwithstanding section 119.06 of the 4616
Revised Code, the registrar of motor vehicles is not required to 4617
hold any hearing in connection with an order canceling or 4618
suspending a motor vehicle driver's or commercial driver's license 4619
pursuant to section 2903.06, 2903.08, 2921.331, 4549.02, 4549.021, 4620
or 5743.99 or any provision of Chapter 2925., 4509., 4510., or 4621
4511. of the Revised Code or in connection with an out-of-service 4622
order issued under Chapter 4506. of the Revised Code. 4623

(B) Notwithstanding section 119.07 of the Revised Code, the 4624

person to surrender a certificate of registration and registration 4629
plates. 4630

Sec. 119.07. Except when a statute prescribes a notice and 4631
the persons to whom it shall be given, in all cases in which 4632
section 119.06 of the Revised Code requires an agency to afford an 4633
opportunity for a hearing prior to the issuance of an order, the 4634
agency shall give notice to the party informing the party of the 4635
party's right to a hearing. Notice shall be ~~given by registered~~ 4636
~~mail, return receipt requested,~~ served in accordance with section 4637
119.05 of the Revised Code and shall include the charges or other 4638
reasons for the proposed action, the law or rule directly 4639
involved, and a statement informing the party that the party is 4640

entitled to a hearing if the party requests it within thirty days 4641
of the time of ~~mailing the notice~~ service. The notice shall also 4642
inform the party that at the hearing the party may appear in 4643
person, by the party's attorney, or by such other representative 4644
as is permitted to practice before the agency, or may present the 4645
party's position, arguments, or contentions in writing and that at 4646
the hearing the party may present evidence and examine witnesses 4647
appearing for and against the party. A copy of the notice shall be 4648
~~mailed~~ provided to attorneys or other representatives of record 4649
representing the party. This paragraph does not apply to 4650
situations in which such section provides for a hearing only when 4651
it is requested by the party. 4652

When a statute specifically permits the suspension of a 4653
license without a prior hearing, notice of the agency's order 4654
shall be ~~sent to~~ served on the party ~~by registered mail, return~~ 4655
~~receipt requested,~~ in accordance with section 119.05 of the 4656
Revised Code not later than the business day next succeeding such 4657
order. The notice shall state the reasons for the agency's action, 4658
cite the law or rule directly involved, and state that the party 4659
will be afforded a hearing if the party requests it within thirty 4660
days of the ~~time of mailing the~~ date on which notice is served. A 4661
copy of the notice shall be ~~mailed~~ provided to attorneys or other 4662
representatives of record representing the party. 4663

Whenever a party requests a hearing in accordance with this 4664
section and section 119.06 of the Revised Code, the agency shall 4665
immediately set the date, time, and place for the hearing and 4666
~~forthwith notify~~ serve the party ~~thereof~~ with notice of the 4667
hearing. The date set for the hearing shall be within fifteen 4668
days, but not earlier than seven days, after the party has 4669
requested a hearing, unless otherwise agreed to by both the agency 4670
and the party. 4671

~~When any notice sent by registered mail, as required by~~ 4672

~~sections 119.01 to 119.13 of the Revised Code, is returned because 4673
the party fails to claim the notice, the agency shall send the 4674
notice by ordinary mail to the party at the party's last known 4675
address and shall obtain a certificate of mailing. Service by 4676
ordinary mail is complete when the certificate of mailing is 4677
obtained unless the notice is returned showing failure of 4678
delivery. 4679~~

~~If any notice sent by registered or ordinary mail is returned 4680
for failure of delivery, the agency either shall make personal 4681
delivery of the notice by an employee or agent of the agency or 4682
shall cause a summary of the substantive provisions of the notice 4683
to be published once a week for three consecutive weeks in a 4684
newspaper of general circulation in the county where the last 4685
known address of the party is located. When notice is given by 4686
publication, a proof of publication affidavit, with the first 4687
publication of the notice set forth in the affidavit, shall be 4688
mailed by ordinary mail to the party at the party's last known 4689
address and the notice shall be deemed received as of the date of 4690
the last publication. An employee or agent of the agency may make 4691
personal delivery of the notice upon a party at any time. 4692~~

~~Refusal of delivery by personal service or by mail is not 4693
failure of delivery and service is deemed to be complete. Failure 4694
of delivery occurs only when a mailed notice is returned by the 4695
postal authorities marked undeliverable, address or addressee 4696
unknown, or forwarding address unknown or expired. A party's last 4697
known address is the mailing address of the party appearing in the 4698
records of the agency. 4699~~

The failure of an agency to ~~give~~ serve the notices for any 4700
hearing required by sections 119.01 to 119.13 of the Revised Code 4701
in the manner provided in ~~this~~ section 119.05 of the Revised Code 4702
shall invalidate any order entered pursuant to the hearing. 4703

Sec. 119.09. As used in this section "stenographic record" 4704
means a record provided by stenographic means or by the use of 4705
audio electronic recording devices, as the agency determines. 4706

For the purpose of conducting any adjudication hearing 4707
required by sections 119.01 to 119.13 of the Revised Code, the 4708
agency may require the attendance of such witnesses and the 4709
production of such books, records, and papers as it desires, and 4710
it may take the depositions of witnesses residing within or 4711
without the state in the same manner as is prescribed by law for 4712
the taking of depositions in civil actions in the court of common 4713
pleas, and for that purpose the agency may, and upon the request 4714
of any party receiving notice of the hearing as required by 4715
section 119.07 of the Revised Code shall, issue a subpoena for any 4716
witness or a subpoena duces tecum to compel the production of any 4717
books, records, or papers, directed to the sheriff of the county 4718
where such witness resides or is found, which shall be served and 4719
returned in the same manner as a subpoena in a criminal case is 4720
served and returned. The sheriff shall be paid the same fees for 4721
services as are allowed in the court of common pleas in criminal 4722
cases. Witnesses shall be paid the fees and mileage provided for 4723
under section 119.094 of the Revised Code. Fees and mileage shall 4724
be paid from the fund in the state treasury for the use of the 4725
agency in the same manner as other expenses of the agency are 4726
paid. 4727

An agency may postpone or continue any adjudication hearing 4728
upon the application of any party or upon its own motion. 4729

In any case of disobedience or neglect of any subpoena served 4730
on any person or the refusal of any witness to testify to any 4731
matter regarding which the witness may lawfully be interrogated, 4732
the court of common pleas of any county where such disobedience, 4733
neglect, or refusal occurs or any judge thereof, on application by 4734

the agency shall compel obedience by attachment proceedings for 4735
contempt, as in the case of disobedience of the requirements of a 4736
subpoena issued from such court, or a refusal to testify therein. 4737

At any adjudication hearing required by sections 119.01 to 4738
119.13 of the Revised Code, the record of which may be the basis 4739
of an appeal to court, a stenographic record of the testimony and 4740
other evidence submitted shall be taken at the expense of the 4741
agency. Such record shall include all of the testimony and other 4742
evidence, and rulings on the admissibility thereof presented at 4743
the hearing. This paragraph does not require a stenographic record 4744
at every adjudication hearing. In any situation where an 4745
adjudication hearing is required by sections 119.01 to 119.13 of 4746
the Revised Code, if an adjudication order is made without a 4747
stenographic record of the hearing, the agency shall, on request 4748
of the party, afford a hearing or rehearing for the purpose of 4749
making such a record which may be the basis of an appeal to court. 4750
The rules of an agency may specify the situations in which a 4751
stenographic record will be made only on request of the party; 4752
otherwise such a record shall be made at every adjudication 4753
hearing from which an appeal to court might be taken. 4754

The agency shall pass upon the admissibility of evidence, but 4755
a party may at the time make objection to the rulings of the 4756
agency thereon, and if the agency refuses to admit evidence, the 4757
party offering the same shall make a proffer thereof, and such 4758
proffer shall be made a part of the record of such hearing. 4759

In any adjudication hearing required by sections 119.01 to 4760
119.13 of the Revised Code, the agency may call any party to 4761
testify under oath as upon cross-examination. 4762

The agency, or any one delegated by it to conduct an 4763
adjudication hearing, may administer oaths or affirmations. 4764

In any adjudication hearing required by sections 119.01 to 4765

119.13 of the Revised Code, the agency may appoint a referee or 4766
examiner to conduct the hearing. The referee or examiner shall 4767
have the same powers and authority in conducting the hearing as is 4768
granted to the agency. Such referee or examiner shall have been 4769
admitted to the practice of law in the state and be possessed of 4770
such additional qualifications as the agency requires. The referee 4771
or examiner shall submit to the agency a written report setting 4772
forth the referee's or examiner's findings of fact and conclusions 4773
of law and a recommendation of the action to be taken by the 4774
agency. A copy of such written report and recommendation of the 4775
referee or examiner shall within five days of the date ~~of filing~~ 4776
~~thereof~~ it is submitted to the agency, be served upon the party or 4777
the party's attorney or other representative of record, ~~by~~ 4778
~~certified mail~~ in accordance with section 119.05 of the Revised 4779
Code. The party may, within ten days of ~~receipt of such copy~~ 4780
service of such written report and recommendation, file with the 4781
agency written objections to the report and recommendation, which 4782
objections shall be considered by the agency before approving, 4783
modifying, or disapproving the recommendation. The agency may 4784
grant extensions of time to the party within which to file such 4785
objections. No recommendation of the referee or examiner shall be 4786
approved, modified, or disapproved by the agency until after ten 4787
days after service of such report and recommendation ~~as provided~~ 4788
~~in this section~~. The agency may order additional testimony to be 4789
taken or permit the introduction of further documentary evidence. 4790
The recommendation of the referee or examiner may be approved, 4791
modified, or disapproved by the agency, and the order of the 4792
agency based on such report, recommendation, transcript of 4793
testimony and evidence, or objections of the parties, and 4794
additional testimony and evidence shall have the same effect as if 4795
such hearing had been conducted by the agency. No such 4796
recommendation shall be final until confirmed and approved by the 4797
agency as indicated by the order entered on its record of 4798

proceedings, and if the agency modifies or disapproves the 4799
recommendations of the referee or examiner it shall include in the 4800
record of its proceedings the reasons for such modification or 4801
disapproval. 4802

After such order is entered on its journal, the agency shall, 4803
in accordance with section 119.05 of the Revised Code, serve ~~by~~ 4804
~~certified mail, return receipt requested, upon~~ the party affected 4805
thereby, a certified copy of the order and a statement of the time 4806
and method by which an appeal may be perfected. A copy of such 4807
order shall be ~~mailed~~ provided to the attorneys or other 4808
representatives of record representing the party. 4809

Sec. 119.092. (A) As used in this section: 4810

(1) "Eligible party" means a party to an adjudication hearing 4811
other than the following: 4812

(a) The agency; 4813

(b) An individual whose net worth exceeded one million 4814
dollars at the time ~~he~~ the individual received notification of the 4815
hearing; 4816

(c) A sole owner of an unincorporated business that had, or a 4817
partnership, corporation, association, or organization that had, a 4818
net worth exceeding five million dollars at the time the party 4819
received notification of the hearing, except that an organization 4820
that is described in subsection 501(c)(3) and is tax exempt under 4821
subsection 501(a) of the Internal Revenue Code, shall not be 4822
excluded as an eligible party under this division because of its 4823
net worth; 4824

(d) A sole owner of an unincorporated business that employed, 4825
or a partnership, corporation, association, or organization that 4826
employed, more than five hundred persons at the time the party 4827
received notification of the hearing. 4828

(2) "Fees" means reasonable attorney's fees, in an amount not 4829
to exceed seventy-five dollars per hour or a higher hourly fee 4830
that the agency establishes by rule and that is applicable under 4831
the circumstances. 4832

(3) "Internal Revenue Code" means the "Internal Revenue Code 4833
of 1954," 68A Stat. 3, 26 U.S.C. 1, as amended. 4834

(4) "Prevailing eligible party" means an eligible party that 4835
prevails after an adjudication hearing, as reflected in an order 4836
entered in the journal of the agency. 4837

(B)(1) Except as provided in divisions (B)(2) and (F) of this 4838
section, if an agency conducts an adjudication hearing under this 4839
chapter, the prevailing eligible party is entitled, upon filing a 4840
motion in accordance with this division, to compensation for fees 4841
incurred by that party in connection with the hearing. A 4842
prevailing eligible party that desires an award of compensation 4843
for fees shall file a motion requesting the award with the agency 4844
within thirty days after the date that the order of the agency is 4845
entered in its journal. The motion shall do all of the following: 4846

(a) Identify the party; 4847

(b) Indicate that the party is the prevailing eligible party 4848
and is entitled to receive an award of compensation for fees; 4849

(c) Include a statement that the agency's position in 4850
initiating the matter in controversy was not substantially 4851
justified; 4852

(d) Indicate the amount sought as an award; 4853

(e) Itemize all fees sought in the requested award. This 4854
itemization shall include a statement from any attorney who 4855
represented the prevailing eligible party, that indicates the fees 4856
charged, the actual time expended, and the rate at which the fees 4857
were calculated. 4858

(2) Upon the filing of a motion under this section, the 4859
request for the award shall be reviewed by the referee or examiner 4860
who conducted the adjudication hearing or, if none, by the agency 4861
involved. In the review, the referee, examiner, or agency shall 4862
determine whether the fees incurred by the prevailing eligible 4863
party exceeded one hundred dollars, whether the position of the 4864
agency in initiating the matter in controversy was substantially 4865
justified, whether special circumstances make an award unjust, and 4866
whether the prevailing eligible party engaged in conduct during 4867
the course of the hearing that unduly and unreasonably protracted 4868
the final resolution of the matter in controversy. The referee, 4869
examiner, or agency shall issue a determination, in writing, on 4870
the motion of the prevailing eligible party, which determination 4871
shall include a statement indicating whether an award has been 4872
granted, the findings and conclusions underlying it, the reasons 4873
or bases for the findings and conclusions, and, if an award has 4874
been granted, its amount. The determination shall be entered in 4875
the record of the prevailing eligible party's case, and a copy of 4876
it ~~mailed to~~ served on the prevailing eligible party in accordance 4877
with section 119.05 of the Revised Code. 4878

With respect to a motion under this section, the agency 4879
involved, through any representative it designates, has the burden 4880
of proving that its position in initiating the matter in 4881
controversy was substantially justified, that special 4882
circumstances make an award unjust, or that the prevailing 4883
eligible party engaged in conduct during the course of the hearing 4884
that unduly and unreasonably protracted the final resolution of 4885
the matter in controversy. A referee, examiner, or agency 4886
considering a motion under this section may deny an award 4887
entirely, or reduce the amount of an award that otherwise would be 4888
payable, to a prevailing eligible party only as follows: 4889

(a) If the determination is that the agency has sustained its 4890

burden of proof that its position in initiating the matter in 4891
controversy was substantially justified or that special 4892
circumstances make an award unjust, the motion shall be denied; 4893

(b) If the determination is that the agency has sustained its 4894
burden of proof that the prevailing eligible party engaged in 4895
conduct during the course of the hearing that unduly and 4896
unreasonably protracted the final resolution of the matter in 4897
controversy, the referee, examiner, or agency may reduce the 4898
amount of an award, or deny an award, to that party to the extent 4899
of that conduct; 4900

(c) If the determination is that the fees of the prevailing 4901
eligible party were not in excess of one hundred dollars, the 4902
referee, agency, or examiner shall deny the motion. 4903

(3) For purposes of this section, decisions by referees or 4904
examiners upon motions are final and are not subject to review and 4905
approval by an agency. These decisions constitute final 4906
determinations of the agency for purposes of appeals under 4907
division (C) of this section. 4908

(C) A prevailing eligible party that files a motion for an 4909
award of compensation for fees under this section and that is 4910
denied an award or receives a reduced award may appeal the 4911
determination of the referee, examiner, or agency to the same 4912
court, as determined under section 119.12 of the Revised Code, as 4913
the party could have appealed the adjudication order of the agency 4914
had the party been adversely affected by it. An agency may appeal 4915
the grant of an award to this same court if a referee or examiner 4916
made the final determination pursuant to division (B)(3) of this 4917
section. Notices of appeal shall be filed in the manner and within 4918
the period specified in section 119.12 of the Revised Code. 4919

Upon the filing of an appeal under this division, the agency 4920
shall prepare and certify to the court involved a complete record 4921

of the case, and the court shall conduct a hearing on the appeal. 4922
The agency and the court shall do so in accordance with the 4923
procedures established in section 119.12 of the Revised Code for 4924
appeals pursuant to that section, unless otherwise provided in 4925
this division. 4926

The court hearing an appeal under this division may modify 4927
the determination of the referee, examiner, or agency with respect 4928
to the motion for compensation for fees only if the court finds 4929
that the failure to grant an award, or the calculation of the 4930
amount of an award, involved an abuse of discretion. The judgment 4931
of the court is final and not appealable, and a copy of it shall 4932
be certified to the agency involved and the prevailing eligible 4933
party. 4934

(D) Compensation for fees awarded to a prevailing eligible 4935
party under this section may be paid by an agency from any funds 4936
available to it for payment of such compensation. If an agency 4937
does not pay compensation from such funds or no such funds are 4938
available, upon the filing of a referee's, examiner's, agency's, 4939
or court's determination or judgment in favor of the prevailing 4940
eligible party with the clerk of the court of claims, the 4941
determination or judgment awarding compensation for fees shall be 4942
treated as if it were a judgment under Chapter 2743. of the 4943
Revised Code and be payable in accordance with the procedures 4944
specified in section 2743.19 of the Revised Code, except that 4945
interest shall not be paid in relation to the award. 4946

(E) Each agency that is required to pay compensation for fees 4947
to a prevailing eligible party pursuant to this section during any 4948
fiscal year shall prepare a report for that year. The report shall 4949
be completed no later than the first day of October of the fiscal 4950
year following the fiscal year covered by the report, and copies 4951
of it shall be filed with the general assembly. It shall contain 4952
the following information for the covered fiscal year: 4953

(1) The total amount and total number of the awards of compensation for fees required to be paid by the agency;	4954 4955
(2) The amount and nature of each individual award that the agency was required to pay;	4956 4957
(3) Any other relevant information that may aid the general assembly in evaluating the scope and impact of awards of compensation for fees.	4958 4959 4960
(F) The provisions of this section do not apply when any of the following circumstances are involved:	4961 4962
(1) An adjudication hearing was conducted for the purpose of establishing or fixing a rate;	4963 4964
(2) An adjudication hearing was conducted for the purpose of determining the eligibility or entitlement of any individual to benefits;	4965 4966 4967
(3) A prevailing eligible party was represented in an adjudication hearing by an attorney who was paid pursuant to an appropriation by the federal or state government or a local government;	4968 4969 4970 4971
(4) An adjudication hearing was conducted by the state personnel board of review pursuant to authority conferred by section 124.03 of the Revised Code, or by the state employment relations board pursuant to authority conferred by Chapter 4117. of the Revised Code.	4972 4973 4974 4975 4976

department of taxation.

(D) Any party desiring to appeal shall file a notice of
appeal with the agency setting forth the order appealed from and
stating that the agency's order is not supported by reliable,

probative, and substantial evidence and is not in accordance with 5045
law. The notice of appeal may, but need not, set forth the 5046
specific grounds of the party's appeal beyond the statement that 5047
the agency's order is not supported by reliable, probative, and 5048
substantial evidence and is not in accordance with law. The notice 5049
of appeal shall also be filed by the appellant with the court. In 5050
filing a notice of appeal with the agency or court, the notice 5051
that is filed may be either the original notice or a copy of the 5052
original notice. Unless otherwise provided by law relating to a 5053
particular agency, notices of appeal shall be filed within fifteen 5054
days after the ~~mailing~~ service of the notice of the agency's order 5055
as provided in ~~this~~ section 119.05 of the Revised Code. For 5056
purposes of this paragraph, an order includes a determination 5057
appealed pursuant to division (C) of section 119.092 of the 5058
Revised Code. The amendments made to this paragraph by Sub. H.B. 5059
215 of the 128th general assembly are procedural, and this 5060
paragraph as amended by those amendments shall be applied 5061

(2009), 121 Ohio St.3d 622. 5066

(E) The filing of a notice of appeal shall not automatically 5067
operate as a suspension of the order of an agency. If it appears 5068
to the court that an unusual hardship to the appellant will result 5069
from the execution of the agency's order pending determination of 5070
the appeal, the court may grant a suspension and fix its terms. If 5071
an appeal is taken from the judgment of the court and the court 5072
has previously granted a suspension of the agency's order as 5073
provided in this section, the suspension of the agency's order 5074
shall not be vacated and shall be given full force and effect 5075
until the matter is finally adjudicated. No renewal of a license 5076
or permit shall be denied by reason of the suspended order during 5077

the period of the appeal from the decision of the court of common 5078
pleas. In the case of an appeal from the Ohio casino control 5079
commission, the state medical board, or the state chiropractic 5080
board, the court may grant a suspension and fix its terms if it 5081
appears to the court that an unusual hardship to the appellant 5082
will result from the execution of the agency's order pending 5083
determination of the appeal and the health, safety, and welfare of 5084
the public will not be threatened by suspension of the order. This 5085
provision shall not be construed to limit the factors the court 5086
may consider in determining whether to suspend an order of any 5087
other agency pending determination of an appeal. 5088

(F) The final order of adjudication may apply to any renewal 5089
of a license or permit which has been granted during the period of 5090
the appeal. 5091

(G) Notwithstanding any other provision of this section, any 5092
order issued by a court of common pleas or a court of appeals 5093
suspending the effect of an order of the liquor control commission 5094
issued pursuant to Chapter 4301. or 4303. of the Revised Code that 5095
suspends, revokes, or cancels a permit issued under Chapter 4303. 5096
of the Revised Code or that allows the payment of a forfeiture 5097
under section 4301.252 of the Revised Code shall terminate not 5098
more than six months after the date of the filing of the record of 5099
the liquor control commission with the clerk of the court of 5100
common pleas and shall not be extended. The court of common pleas, 5101
or the court of appeals on appeal, shall render a judgment in that 5102
matter within six months after the date of the filing of the 5103
record of the liquor control commission with the clerk of the 5104
court of common pleas. A court of appeals shall not issue an order 5105
suspending the effect of an order of the liquor control commission 5106
that extends beyond six months after the date on which the record 5107
of the liquor control commission is filed with a court of common 5108
pleas. 5109

(H) Notwithstanding any other provision of this section, any order issued by a court of common pleas or a court of appeals suspending the effect of an order of the Ohio casino control commission issued under Chapter 3772. of the Revised Code that limits, conditions, restricts, suspends, revokes, denies, not renews, fines, or otherwise penalizes an applicant, licensee, or person excluded or ejected from a casino facility in accordance with section 3772.031 of the Revised Code shall terminate not more than six months after the date of the filing of the record of the Ohio casino control commission with the clerk of the court of common pleas and shall not be extended. The court of common pleas, or the court of appeals on appeal, shall render a judgment in that matter within six months after the date of the filing of the record of the Ohio casino control commission with the clerk of the court of common pleas. A court of appeals shall not issue an order suspending the effect of an order of the Ohio casino control commission that extends beyond six months after the date on which the record of the Ohio casino control commission is filed with the clerk of a court of common pleas.

(I) Notwithstanding any other provision of this section, any order issued by a court of common pleas suspending the effect of an order of the state medical board or state chiropractic board that limits, revokes, suspends, places on probation, or refuses to register or reinstate a certificate issued by the board or reprimands the holder of the certificate shall terminate not more than fifteen months after the date of the filing of a notice of appeal in the court of common pleas, or upon the rendering of a final decision or order in the appeal by the court of common pleas, whichever occurs first.

~~(I)~~(J) Within thirty days after receipt of a notice of appeal from an order in any case in which a hearing is required by sections 119.01 to 119.13 of the Revised Code, the agency shall

prepare and certify to the court a complete record of the 5142
proceedings in the case. Failure of the agency to comply within 5143
the time allowed, upon motion, shall cause the court to enter a 5144
finding in favor of the party adversely affected. Additional time, 5145
however, may be granted by the court, not to exceed thirty days, 5146
when it is shown that the agency has made substantial effort to 5147
comply. The record shall be prepared and transcribed, and the 5148
expense of it shall be taxed as a part of the costs on the appeal. 5149
The appellant shall provide security for costs satisfactory to the 5150
court of common pleas. Upon demand by any interested party, the 5151
agency shall furnish at the cost of the party requesting it a copy 5152
of the stenographic report of testimony offered and evidence 5153
submitted at any hearing and a copy of the complete record. 5154

~~(J)~~(K) Notwithstanding any other provision of this section, 5155
any party desiring to appeal an order or decision of the state 5156
personnel board of review shall, at the time of filing a notice of 5157
appeal with the board, provide a security deposit in an amount and 5158
manner prescribed in rules that the board shall adopt in 5159
accordance with this chapter. In addition, the board is not 5160
required to prepare or transcribe the record of any of its 5161
proceedings unless the appellant has provided the deposit 5162
described above. The failure of the board to prepare or transcribe 5163
a record for an appellant who has not provided a security deposit 5164
shall not cause a court to enter a finding adverse to the board. 5165

~~(K)~~(L) Unless otherwise provided by law, in the hearing of 5166
the appeal, the court is confined to the record as certified to it 5167
by the agency. Unless otherwise provided by law, the court may 5168
grant a request for the admission of additional evidence when 5169
satisfied that the additional evidence is newly discovered and 5170
could not with reasonable diligence have been ascertained prior to 5171
the hearing before the agency. 5172

~~(L)~~(M) The court shall conduct a hearing on the appeal and 5173

shall give preference to all proceedings under sections 119.01 to 5174
119.13 of the Revised Code, over all other civil cases, 5175
irrespective of the position of the proceedings on the calendar of 5176
the court. An appeal from an order of the state medical board 5177
issued pursuant to division (G) of either section 4730.25 or 5178
4731.22 of the Revised Code, the state chiropractic board issued 5179
pursuant to section 4734.37 of the Revised Code, the liquor 5180
control commission issued pursuant to Chapter 4301. or 4303. of 5181
the Revised Code, or the Ohio casino control commission issued 5182
pursuant to Chapter 3772. of the Revised Code shall be set down 5183
for hearing at the earliest possible time and takes precedence 5184
over all other actions. The hearing in the court of common pleas 5185
shall proceed as in the trial of a civil action, and the court 5186
shall determine the rights of the parties in accordance with the 5187
laws applicable to a civil action. At the hearing, counsel may be 5188
heard on oral argument, briefs may be submitted, and evidence may 5189
be introduced if the court has granted a request for the 5190
presentation of additional evidence. 5191

~~(M)~~(N) The court may affirm the order of the agency 5192
complained of in the appeal if it finds, upon consideration of the 5193
entire record and any additional evidence the court has admitted, 5194
that the order is supported by reliable, probative, and 5195
substantial evidence and is in accordance with law. In the absence 5196
of this finding, it may reverse, vacate, or modify the order or 5197
make such other ruling as is supported by reliable, probative, and 5198
substantial evidence and is in accordance with law. The court 5199
shall award compensation for fees in accordance with section 5200
2335.39 of the Revised Code to a prevailing party, other than an 5201
agency, in an appeal filed pursuant to this section. 5202

~~(N)~~(O) The judgment of the court shall be final and 5203
conclusive unless reversed, vacated, or modified on appeal. These 5204
appeals may be taken either by the party or the agency, shall 5205

proceed as in the case of appeals in civil actions, and shall be 5206
pursuant to the Rules of Appellate Procedure and, to the extent 5207
not in conflict with those rules, Chapter 2505. of the Revised 5208
Code. An appeal by the agency shall be taken on questions of law 5209
relating to the constitutionality, construction, or interpretation 5210
of statutes and rules of the agency, and, in the appeal, the court 5211
may also review and determine the correctness of the judgment of 5212
the court of common pleas that the order of the agency is not 5213
supported by any reliable, probative, and substantial evidence in 5214
the entire record. 5215

The court shall certify its judgment to the agency or take 5216
any other action necessary to give its judgment effect. 5217

director of youth services; and for the member listed in division 5962
(B)(1)(n) of this section, to that member's board of trustees. 5963

The administrative agent for a county council may do any of 5964
the following on behalf of the council: 5965

(i) Enter into agreements or administer contracts with public 5966
or private entities to fulfill specific council business. Such 5967
agreements and contracts are exempt from the competitive bidding 5968
requirements of section 307.86 of the Revised Code if they have 5969
been approved by the county council and they are for the purchase 5970
of ~~family and child welfare or child protection services or other~~ 5971

bidding requirements of section 307.86 of the Revised Code. 5976

expenses related to council activity; 5979

(iii) Receive by gift, grant, devise, or bequest any moneys, 5980
lands, or other property for the purposes for which the council is 5981
established. The agent shall hold, apply, and dispose of the 5982
moneys, lands, or other property according to the terms of the 5983

gift, grant, devise, or bequest. Any interest or earnings shall be 5984
treated in the same manner and are subject to the same terms as 5985
the gift, grant, devise, or bequest from which it accrues. 5986

(b)(i) If the county council designates the board of county 5987
commissioners as its administrative agent, the board may, by 5988
resolution, delegate any of its powers and duties as 5989
administrative agent to an executive committee the board 5990
establishes from the membership of the county council. The board 5991
shall name to the executive committee at least the individuals 5992
described in divisions (B)(1)(b) to (h) of this section and may 5993
appoint the president of the board or another individual as the 5994
chair of the executive committee. The executive committee must 5995
include at least one family county council representative who does 5996
not have a family member employed by an agency represented on the 5997
council. 5998

(ii) The executive committee may, with the approval of the 5999
board, hire an executive director to assist the county council in 6000
administering its powers and duties. The executive director shall 6001
serve in the unclassified civil service at the pleasure of the 6002
executive committee. The executive director may, with the approval 6003
of the executive committee, hire other employees as necessary to 6004
properly conduct the county council's business. 6005

(iii) The board may require the executive committee to submit 6006
an annual budget to the board for approval and may amend or repeal 6007
the resolution that delegated to the executive committee its 6008
authority as the county council's administrative agent. 6009

(6) Two or more county councils may enter into an agreement 6010
to administer their county councils jointly by creating a regional 6011
family and children first council. A regional council possesses 6012
the same duties and authority possessed by a county council, 6013
except that the duties and authority apply regionally rather than 6014
to individual counties. Prior to entering into an agreement to 6015

create a regional council, the members of each county council to 6016
be part of the regional council shall meet to determine whether 6017
all or part of the members of each county council will serve as 6018
members of the regional council. 6019

(7) A board of county commissioners may approve a resolution 6020
by a majority vote of the board's members that requires the county 6021
council to submit a statement to the board each time the council 6022
proposes to enter into an agreement, adopt a plan, or make a 6023
decision, other than a decision pursuant to section 121.38 of the 6024
Revised Code, that requires the expenditure of funds for two or 6025
more families. The statement shall describe the proposed 6026
agreement, plan, or decision. 6027

Not later than fifteen days after the board receives the 6028
statement, it shall, by resolution approved by a majority of its 6029
members, approve or disapprove the agreement, plan, or decision. 6030
Failure of the board to pass a resolution during that time period 6031
shall be considered approval of the agreement, plan, or decision. 6032

An agreement, plan, or decision for which a statement is 6033
required to be submitted to the board shall be implemented only if 6034
it is approved by the board. 6035

(C) Each county shall develop a county service coordination 6036
mechanism. The county service coordination mechanism shall serve 6037
as the guiding document for coordination of services in the 6038
county. For children who also receive services under the ~~help-me~~ 6039
~~grow program~~ early intervention program, the main provider of 6040
service coordination ~~mechanism~~ shall be ~~consistent with rules~~ 6041
~~adopted by the department of health under~~ an early intervention 6042
service coordinator to ensure compliance with section ~~3701.61~~ 6043
5123.02 of the Revised Code. All family service coordination plans 6044
shall be developed in accordance with the county service 6045
coordination mechanism. The mechanism shall be developed and 6046
approved with the participation of the county entities 6047

representing child welfare; developmental disabilities; alcohol, 6048
drug addiction, and mental health services; health; juvenile 6049
judges; education; the county family and children first council; 6050
and the county early intervention collaborative established 6051
pursuant to the federal early intervention program operated under 6052
the "Individuals with Disabilities Education Act of 2004." The 6053
county shall establish an implementation schedule for the 6054
mechanism. The cabinet council may monitor the implementation and 6055
administration of each county's service coordination mechanism. 6056

Each mechanism shall include all of the following: 6057

a family voluntarily seeking service coordination, to refer the 6059
child and family to the county council for service coordination in 6060
accordance with the mechanism; 6061

(2) A procedure ensuring that a family and all appropriate 6062
staff from involved agencies, including a representative from the 6063
appropriate school district, are notified of and invited to 6064
participate in all family service coordination plan meetings; 6065

(3) A procedure that permits a family to initiate a meeting 6066
to develop or review the family's service coordination plan and 6067
allows the family to invite a family advocate, mentor, or support 6068
person of the family's choice to participate in any such meeting; 6069

(4) A procedure for ensuring that a family service 6070
coordination plan meeting is conducted for each child who receives 6071
service coordination under the mechanism and for whom an emergency 6072
out-of-home placement has been made or for whom a nonemergency 6073
out-of-home placement is being considered. The meeting shall be 6074
conducted within ten days of an emergency out-of-home placement. 6075
The meeting shall be conducted before a nonemergency out-of-home 6076
placement. The family service coordination plan shall outline how 6077
the county council members will jointly pay for services, where 6078

applicable, and provide services in the least restrictive 6079
environment. 6080

(5) A procedure for monitoring the progress and tracking the 6081
outcomes of each service coordination plan requested in the county 6082
including monitoring and tracking children in out-of-home 6083
placements to assure continued progress, appropriateness of 6084
placement, and continuity of care after discharge from placement 6085
with appropriate arrangements for housing, treatment, and 6086
education; 6087

(6) A procedure for protecting the confidentiality of all 6088
personal family information disclosed during service coordination 6089
meetings or contained in the comprehensive family service 6090
coordination plan; 6091

(7) A procedure for assessing the needs and strengths of any 6092
child or family that has been referred to the council for service 6093
coordination, including a child whose parent or custodian is 6094
voluntarily seeking services, and for ensuring that parents and 6095
custodians are afforded the opportunity to participate; 6096

(8) A procedure for development of a family service 6097
coordination plan described in division (D) of this section; 6098

(9) A local dispute resolution process to serve as the 6099

abused, neglected, dependent, unruly, alleged unruly, or 6103
delinquent children and under the jurisdiction of the juvenile 6104

seeking services. The local dispute resolution process shall 6106
comply with sections 121.38, 121.381, and 121.382 of the Revised 6107
Code. The local dispute resolution process shall be used to 6108
resolve disputes between a child's parents or custodians and the 6109

county council regarding service coordination. The county council 6110
shall inform the parents or custodians of their right to use the 6111
dispute resolution process. Parents or custodians shall use 6112
existing local agency grievance procedures to address disputes not 6113
involving service coordination. The dispute resolution process is 6114
in addition to and does not replace other rights or procedures 6115
that parents or custodians may have under other sections of the 6116
Revised Code. 6117

The cabinet council shall adopt rules in accordance with 6118
Chapter 119. of the Revised Code establishing an administrative 6119
review process to address problems that arise concerning the 6120
operation of a local dispute resolution process. 6121

Nothing in division (C)(4) of this section shall be 6122
interpreted as overriding or affecting decisions of a juvenile 6123
court or public children services agency regarding an out-of-home 6124
placement, long-term placement, or emergency out-of-home 6125
placement. 6126

(D) Each county shall develop a family service coordination 6127

Sec. 121.81. As used in sections 121.81 to ~~121.83~~ 121.82 of 6318

the Revised Code: 6319

(A) "Agency" means a state agency that is required to file 6320
proposed rules for legislative review under division (D) of 6321

(B) "Draft rule" means any newly proposed rule and any 6324
proposed amendment, adoption, or rescission of a rule prior to the 6325
filing of that rule for legislative review under division (D) of 6326
section 111.15 or division (C) of section 119.03 of the Revised 6327
Code and includes a proposed amendment, adoption, or rescission of 6328
a rule in both its original and any revised form. "Draft rule" 6329
does not include an emergency rule adopted under division (B)(2) 6330
of section 111.15 or division (G) of section 119.03 of the Revised 6331
Code, but does include a rule that is proposed to replace an 6332
emergency rule that expires under those divisions. 6333

Sections 121.81 to ~~121.83~~ 121.82 and 121.91 of the Revised 6334
Code are complementary to sections 107.51 to 107.55 and 107.61 to 6335
107.63 of the Revised Code. 6336

Sec. 121.811. The offices of the governor, lieutenant 6337
governor, auditor of state, secretary of state, treasurer of 6338

provisions of sections 106.03 and 106.031 and 121.81 to ~~121.83~~ 6340
121.82 of the Revised Code, but are not required to submit any 6341
document to the common sense initiative office or to prepare any 6342
document that would have been prepared in response to 6343
recommendations of the common sense initiative office, but rather 6344
shall prepare all other documents required under the business 6345
review provisions and submit them directly to the joint committee 6346
on agency rule review along with the proposed or existing rule. 6347
The offices of the governor, lieutenant governor, auditor of 6348
state, secretary of state, treasurer of state, and attorney 6349

general are subject, however, to section 106.05 of the Revised Code. 6350
6351

Sec. 121.93. (A) ~~An~~ Except as provided in division (E) of 6352
this section, an agency shall review its operations to identify 6353
principles of law or policy that have not been stated in a rule 6354
and that the agency is relying upon in conducting adjudications or 6355
other determinations of rights and liabilities or in issuing 6356
writings and other materials, such as instructions, directives, 6357
policy statements, guidelines, handbooks, manuals, advisories, 6358
notices, circulars, advertisements, forms, letters, and opinions. 6359
An agency is not required to identify principles of law or policy 6360
relied upon in issuing internal management rules as defined n 6361
section 111.15 of the Revised Code. The agency shall complete at 6362
least one of the reviews during a governor's term. 6363

Within ~~three~~ six months after the expiration of a governor's 6364
term, the agency electronically shall transmit a report to the 6365
joint committee on agency rule review containing the following: 6366

(1) A statement that the agency has completed one or more of 6367
the reviews, specifying the exact number of reviews completed 6368
during the governor's expired term; 6369

(2) The principles of law or policies identified under this 6370
division; 6371

(3) The agency's considerations regarding the identified 6372
principles of law or policies under division (B) of this section; 6373

(4) Any principles of law or policies for which the agency 6374
determines rulemaking is indicated or for which the agency has 6375
commenced the rule-making process under division (C) of this 6376
section. 6377

The joint committee on agency rule review shall make the 6378
reports available on its web site. 6379

(B) The agency shall determine whether a principle of law or policy thus identified has a general and uniform operation and establishes a legal regulation or standard that would not exist in its absence. If the principle of law or policy has these characteristics, the agency shall determine whether the principle of law or policy should be supplanted by its restatement in a rule to achieve one or more of the following as they are relevant to the principle of law or policy:

(1) Assert the general and uniform operation of the principle of law or policy;

(2) Make the principle of law or policy more readily available to the public;

(3) Make the principle of law or policy more readily available to persons who specifically are affected by the principle of law or policy;

(4) Enable the principle of law or policy to be better known in advance of its application;

(5) Enable greater public participation in improvement and further development of the principle of law or policy;

(6) Enable greater participation by persons specifically affected by the principle of law or policy in the improvement and further development of the principle of law or policy;

(7) Make the principle of law or policy more easily understandable; or

(8) Make the principle of law or policy more readily available to those legally charged with monitoring or reviewing the agency's operations.

If a principle of law or policy aids in the interpretation of an existing rule or statute, the agency shall consider whether the aiding effect clarifies or otherwise resolves an uncertainty in

the existing rule or statute. If the principle of law or policy 6410
can be so characterized, the agency shall consider whether the 6411
principle of law or policy should be supplanted by its restatement 6412
in an interpretive rule. The agency may not presume that a 6413
principle of law or policy that aids in the interpretation of an 6414
existing rule or statute is simply a reiteration of the existing 6415
rule or statute. 6416

(C) If the agency determines, in light of the foregoing 6417
standards, that rulemaking is indicated, the agency shall commence 6418
the rule-making process as soon as it is reasonably feasible to do 6419
so, but not later than the date that is six months after the 6420
determination was made. The principle of law or policy as it is 6421
restated in a rule does not need to be wholly congruent with the 6422
supplanted principle of law or policy. The agency lawfully may 6423
improve or develop further the supplanted principle of law or 6424
policy as it is restated in a rule. 6425

The agency may continue to rely upon the principle of law or 6426
policy, but only while it is complying with the preceding 6427
paragraph. The agency may not rely upon the principle of law or 6428
policy in advising with regard to or in determining the rights or 6429
liabilities of a person if the agency fails to commence the 6430
rule-making process by the deadline specified in the preceding 6431
paragraph, or if, after commencing the rule-making process, the 6432
agency neglects or abandons the rule-making process before it is 6433
completed. 6434

(D) A principle of law or policy that is relied upon directly 6435
or by clear implication from a statute applying to the agency does 6436
not need to be supplanted by rule. 6437

(E) This section does not apply to an agency, commission, or 6438
committee created in the legislative branch of government or to 6439
serve the general assembly including, but not limited to, all of 6440
the following: 6441

- (1) The joint legislative ethics committee; 6442

development to enter into more than one agreement granting a 6725
credit against the tax imposed by section 5733.06 or 5747.02 of 6726
the Revised Code. 6727

(4) For each year for which a taxpayer, partnership, or S 6728
corporation has been granted a credit under an agreement entered 6729
into under this section, the director of development shall issue a 6730
certificate to the taxpayer, partnership, or S corporation 6731
indicating the amount of the credit the taxpayer, the partners of 6732
the partnership, or the shareholders of the S corporation may 6733
claim for that year, not including any amount that may be carried 6734
forward from previous years under section 5733.34 of the Revised 6735
Code. 6736

(D)(1) Each agreement entered into under this section shall 6737
incorporate a commitment by the taxpayer, partnership, or S 6738
corporation not to permit the use of an eligible site to cause the 6739
relocation of employment positions to that site from elsewhere in 6740
this state, except as otherwise provided in division (D)(2) of 6741
this section. The commitment shall be binding on the taxpayer, 6742
partnership, or S corporation for the lesser of five years from 6743
the date the agreement is entered into or the number of years the 6744
taxpayer, partnership, or S corporation is entitled to claim the 6745
tax credit under the agreement. 6746

(2) An eligible site may be the site of employment positions 6747
relocated from elsewhere in this state if the director of 6748
development determines both of the following: 6749

(a) That the site from which the employment positions would be relocated is inadequate to meet market and industry conditions, expansion plans, consolidation plans, or other business considerations affecting the relocating employer;

(b) That the governing body of the county, township, or municipal corporation from which the employment positions would be relocated has been notified of the possible relocation.

For purposes of this section, the movement of an employment position from one political subdivision to another political subdivision shall be considered a relocation of an employment position, but the transfer of an individual employee from one political subdivision to another political subdivision shall not be considered a relocation of an employment position as long as the individual's employment position in the first political subdivision is refilled.

(E) A taxpayer, partnership, or S corporation that has entered into an agreement granting a credit against the tax imposed by section 5733.06 or 5747.02 of the Revised Code that subsequently recovers in a lawsuit or settlement of a lawsuit at least seventy-five per cent of the eligible costs associated with a voluntary action shall not claim any credit amount remaining, including any amounts carried forward from prior years, beginning with the taxable year in which the judgment in the lawsuit is entered or the settlement is finally agreed to.

Any amount of credit that a taxpayer, partnership, or S corporation may not claim by reason of this division shall not be considered to have been granted for the purpose of determining the total amount of credits that may be issued under division (B)(2) of this section.

(F) Each year for which a taxpayer, partnership, or S corporation claims a credit under section 5733.34 of the Revised

Code, the taxpayer, partnership, or S corporation shall report the 6781
following to the director of development: 6782

(1) The status of all cost recovery litigation described in 6783
division (E) of this section to which it was a party during the 6784
previous year; 6785

(2) Confirmation that the covenant not to sue has not been 6786
revoked or has not been voided; 6787

(3) Confirmation that the taxpayer, partnership, or S 6788
corporation has not permitted the eligible site to be used in such 6789
a manner as to cause the relocation of employment positions from 6790
elsewhere in this state in violation of the commitment required 6791
under division (D) of this section; 6792

(4) Any other information the director of development 6793
requires to perform the director's duties under this section. 6794

(G) The director of development shall annually certify, by 6795
the first day of January of each year during the qualifying 6796
period, the eligible areas for the calendar year that includes 6797
that first day of January. 6798

(H) The director of development, in accordance with Chapter 6799
119. of the Revised Code, shall adopt rules necessary to implement 6800
this section, including rules prescribing forms required for 6801
administering this section. 6802

(1) "Payroll" means the total taxable income paid by the 6804
employer during the employer's taxable year, or during the 6805
calendar year that includes the employer's tax period, to each 6806
employee or each home-based employee employed in the project to 6807
the extent such payroll is not used to determine the credit under 6808
section 122.171 of the Revised Code. "Payroll" excludes amounts 6809
paid before the day the taxpayer becomes eligible for the credit 6810

and retirement or other benefits paid or contributed by the 6811
employer to or on behalf of employees. 6812

(2) "Baseline payroll" means Ohio employee payroll, except 6813
that the applicable measurement period is the twelve months 6814
immediately preceding the date the tax credit authority approves 6815
the taxpayer's application or the date the tax credit authority 6816
receives the recommendation described in division (C)(2)(a) of 6817
this section, whichever occurs first, multiplied by the sum of one 6818
plus an annual pay increase factor to be determined by the tax 6819
credit authority. 6820

(3) "Ohio employee payroll" means the amount of compensation 6821
used to determine the withholding obligations in division (A) of 6822

that includes the employer's tax period, to the following: 6825

(a) An employee employed in the project who is a resident of 6826
this state including a qualifying work-from-home employee not 6827
designated as a home-based employee by an applicant under division 6828
(C)(1) of this section; 6829

(b) An employee employed at the project location who is not a 6830
resident and whose compensation is not exempt from the tax imposed 6831
under section 5747.02 of the Revised Code pursuant to a 6832
reciprocity agreement with another state under division (A)(3) of 6833
section 5747.05 of the Revised Code; 6834

(c) A home-based employee employed in the project. 6835

"Ohio employee payroll" excludes any such compensation to the 6836
extent it is used to determine the credit under section 122.171 of 6837
the Revised Code, and excludes amounts paid before the day the 6838
taxpayer becomes eligible for the credit under this section. 6839

(4) "Excess payroll" means Ohio employee payroll minus 6840
baseline payroll. 6841

(5) "Home-based employee" means an employee whose services are performed primarily from the employee's residence in this state exclusively for the benefit of the project and whose rate of pay is at least one hundred thirty-one per cent of the federal minimum wage under 29 U.S.C. 206.

(6) "Full-time equivalent employees" means the quotient obtained by dividing the total number of hours for which employees were compensated for employment in the project by two thousand eighty. "Full-time equivalent employees" excludes hours that are counted for a credit under section 122.171 of the Revised Code.

(7) "Metric evaluation date" means the date by which the taxpayer must meet all of the commitments included in the agreement.

(8) "Qualifying work-from-home employee" means an employee who is a resident of this state and whose services are supervised from the employer's project location and performed primarily from a residence of the employee located in this state.

(9) "Resident" or "resident of this state" means an individual who is a resident as defined in section 5747.01 of the Revised Code.

(10) "Reporting period" means a period corresponding to the annual report required under division (D)(6) of this section.

(11) "Megaproject" means a project in this state that meets all of the following requirements:

(a) At least one of the following applies:

(i) The project requires unique sites, extremely robust utility service, and a technically skilled workforce.

(ii) The megaproject operator of the project has its corporate headquarters in the United States, incurs more than fifty per cent of its research and development expenses in the

United States in the year preceding the date the tax credit 6872
authority approves the project for a credit under this section, 6873
and builds and operates semiconductor wafer manufacturing 6874
factories in this state or intends to do so by the metric 6875
evaluation date applicable to the megaproject operator. 6876

(b) The megaproject operator of the project agrees, in an 6877
agreement with the tax credit authority under division (D) of this 6878
section, that, on and after the metric evaluation date applicable 6879
to the megaproject operator and until the end of the last year for 6880
which the megaproject qualifies for the credit authorized under 6881
this section, the megaproject operator will compensate the 6882
project's employees at an average hourly wage of at least three 6883
hundred per cent of the federal minimum wage under 29 U.S.C. 206, 6884
exclusive of employee benefits, as determined at the time the tax 6885
credit authority approves the project for a credit under this 6886
section. 6887

(c) The megaproject operator agrees, in an agreement with the 6888
tax credit authority under division (D) of this section, to 6889
satisfy either of the following by the metric evaluation date 6890
applicable to the project: 6891

(i) The megaproject operator makes at least one billion 6892
dollars, as adjusted under division (V)(1) of this section, in 6893
fixed-asset investments in the project. 6894

(ii) The megaproject operator creates at least seventy-five 6895
million dollars, as adjusted under division (V)(1) of this 6896
section, in Ohio employee payroll at the project. 6897

(d) The megaproject operator agrees, in an agreement with the 6898
tax credit authority under division (D) of this section, that if 6899
the project satisfies division (A)(11)(c)(ii) of this section, 6900
then, on and after the metric evaluation date and until the end of 6901
the last year for which the megaproject qualifies for the credit 6902

authorized under this section, the megaproject operator will 6903
maintain at least the amount in Ohio employee payroll at the 6904
project required under that division for each year in that period. 6905

(12) "Megaproject operator" means a taxpayer that, separately 6906
or collectively with other taxpayers, undertakes and operates a 6907
megaproject. Such a taxpayer becomes a megaproject operator 6908
effective the first day of the calendar year in which the taxpayer 6909
and the tax credit authority enter into an agreement under 6910
division (D) of this section with respect to the megaproject. More 6911
than one taxpayer may be designated by the tax credit authority as 6912
a megaproject operator for the same megaproject. 6913

(13) "Megaproject supplier" means a supplier in this state 6914
that meets either or both of the following requirements: 6915

(a) The supplier sells tangible personal property directly to 6916
a megaproject operator of a megaproject that satisfies the 6917
criteria described in division (A)(11)(a)(ii) of this section for 6918
use at a megaproject site, provided that such property was subject 6919
to substantial manufacturing, assembly, or processing in this 6920
state at a facility owned or operated by the supplier; 6921

(b) The supplier sells tangible personal property directly to 6922
a megaproject operator for use at a megaproject site, provided 6923
that the supplier agrees, in an agreement with the tax credit 6924
authority under division (D) of this section, to meet all of the 6925
following requirements: 6926

(i) By the metric evaluation date applicable to the supplier, 6927
makes at least one hundred million dollars, as adjusted under 6928
division (V)(2) of this section, in fixed-asset investments in 6929
this state; 6930

(ii) By the metric evaluation date applicable to the 6931
supplier, creates at least ten million dollars, as adjusted under 6932
division (V)(2) of this section, in Ohio employee payroll; 6933

(iii) On and after the metric evaluation date applicable to the supplier, until the end of the last year for which the supplier qualifies for the credit authorized under this section, maintains at least the amount in Ohio employee payroll required under division (A)(13)(b)(ii) of this section for each year in that period.

(B) The tax credit authority may make grants under this section to foster job creation in this state. Such a grant shall take the form of a refundable credit allowed against the tax imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, or 5747.02 or levied under Chapter 5751. of the Revised Code. The credit shall be claimed for the taxable years or tax periods specified in the taxpayer's agreement with the tax credit authority under division (D) of this section. With respect to taxes imposed under section 5726.02, 5733.06, or 5747.02 or Chapter 5751. of the Revised Code, the credit shall be claimed in the order required under section 5726.98, 5733.98, 5747.98, or 5751.98 of the Revised Code. The amount of the credit available for a taxable year or for a calendar year that includes a tax period equals the excess payroll for that year multiplied by the percentage specified in the agreement with the tax credit authority.

(C)(1) A taxpayer or potential taxpayer who proposes a project to create new jobs in this state may apply to the tax credit authority to enter into an agreement for a tax credit under this section.

An application shall not propose to include both home-based employees and employees who are not home-based employees in the computation of Ohio employee payroll for the purposes of the same tax credit agreement, except that a qualifying work-from-home employee shall not be considered to be a home-based employee unless so designated by the applicant. If a taxpayer or potential

taxpayer employs both home-based employees and employees who are 6966
not home-based employees in a project, the taxpayer shall submit 6967
separate applications for separate tax credit agreements for the 6968
project, one of which shall include home-based employees in the 6969
computation of Ohio employee payroll and one of which shall 6970
include all other employees in the computation of Ohio employee 6971
payroll. 6972

The director of development shall prescribe the form of the 6973
application. After receipt of an application, the authority may 6974
enter into an agreement with the taxpayer for a credit under this 6975
section if it determines all of the following: 6976

(a) The taxpayer's project will increase payroll; 6977

(b) The taxpayer's project is economically sound and will 6978
benefit the people of this state by increasing opportunities for 6979
employment and strengthening the economy of this state; 6980

(c) Receiving the tax credit is a major factor in the 6981
taxpayer's decision to go forward with the project. 6982

(2)(a) A taxpayer that chooses to begin the project prior to 6983
receiving the determination of the authority may, upon submitting 6984
the taxpayer's application to the authority, request that the 6985
chief investment officer of the nonprofit corporation formed under 6986
section 187.01 of the Revised Code and the director review the 6987
taxpayer's application and recommend to the authority that the 6988
taxpayer's application be considered. As soon as possible after 6989
receiving such a request, the chief investment officer and the 6990
director shall review the taxpayer's application and, if they 6991
determine that the application warrants consideration by the 6992
authority, make that recommendation to the authority not later 6993
than six months after the application is received by the 6994
authority. 6995

(b) The authority shall consider any taxpayer's application 6996

for which it receives a recommendation under division (C)(2)(a) of 6997
this section. If the authority determines that the taxpayer does 6998
not meet all of the criteria set forth in division (C)(1) of this 6999
section, the authority and the department of development shall 7000
proceed in accordance with rules adopted by the director pursuant 7001
to division (I) of this section. 7002

(D) An agreement under this section shall include all of the 7003
following: 7004

(1) A detailed description of the project that is the subject 7005
of the agreement; 7006

(2)(a) The term of the tax credit, which, except as provided 7007
in division (D)(2)(b) or (C) of this section, shall not exceed 7008
fifteen years, and the first taxable year, or first calendar year 7009
that includes a tax period, for which the credit may be claimed; 7010

(b) If the tax credit is computed on the basis of home-based 7011
employees, the term of the credit shall expire on or before the 7012
last day of the taxable or calendar year ending before the 7013
beginning of the seventh year after September 6, 2012, the 7014
effective date of H.B. 327 of the 129th general assembly. 7015

(c) If the taxpayer is a megaproject operator or a 7016
megaproject supplier that meets the requirements described in 7017
division (A)(13)(b) of this section, the term of the tax credit 7018
shall not exceed thirty years. 7019

(3) A requirement that the taxpayer shall maintain operations 7020
at the project location for at least the greater of seven years or 7021
the term of the credit plus three years; 7022

(4) The percentage, as determined by the tax credit 7023
authority, of excess payroll that will be allowed as the amount of 7024
the credit for each taxable year or for each calendar year that 7025
includes a tax period; 7026

(5) The pay increase factor to be applied to the taxpayer's 7027
baseline payroll; 7028

(6) A requirement that the taxpayer annually shall report to 7029
the director of development full-time equivalent employees, 7030
payroll, Ohio employee payroll, investment, the provision of 7031
health care benefits and tuition reimbursement if required in the 7032
agreement, and other information the director needs to perform the 7033
director's duties under this section; 7034

(7) A requirement that the director of development annually 7035
review the information reported under division (D)(6) of this 7036
section and verify compliance with the agreement; if the taxpayer 7037
is in compliance, a requirement that the director issue a 7038
certificate to the taxpayer stating that the information has been 7039
verified and identifying the amount of the credit that may be 7040
claimed for the taxable or calendar year. If the taxpayer is a 7041
megaproject supplier, the director shall issue such a certificate 7042
to the megaproject supplier and to any megaproject operator (a) to 7043
which the megaproject supplier directly sells tangible personal 7044
property and (b) that is authorized to claim the credit pursuant 7045
to division (D)(10) of this section. 7046

(8) A provision providing that the taxpayer may not relocate 7047
a substantial number of employment positions from elsewhere in 7048
this state to the project location unless the director of 7049
development determines that the legislative authority of the 7050
county, township, or municipal corporation from which the 7051
employment positions would be relocated has been notified by the 7052
taxpayer of the relocation. 7053

For purposes of this section, the movement of an employment 7054
position from one political subdivision to another political 7055
subdivision shall be considered a relocation of an employment 7056
position unless the employment position in the first political 7057
subdivision is replaced. The movement of a qualifying 7058

work-from-home employee to a different residence located in this 7059
state or to the project location shall not be considered a 7060
relocation of an employment position. 7061

(9) If the tax credit is computed on the basis of home-based 7062
employees, that the tax credit may not be claimed by the taxpayer 7063
until the taxable year or tax period in which the taxpayer employs 7064
at least two hundred employees more than the number of employees 7065
the taxpayer employed on June 30, 2011; 7066

(10) If the taxpayer is a megaproject supplier, the 7067
percentage of the annual tax credit certified under division 7068
(D)(7) of this section, up to one hundred per cent, that may be 7069
claimed by each megaproject operator to which the megaproject 7070
supplier directly sells tangible personal property, rather than by 7071
that megaproject supplier, on the condition that the megaproject 7072
operator continues to qualify as a megaproject operator; 7073

(11) If the taxpayer is a megaproject operator or megaproject 7074
supplier, a requirement that the taxpayer meet and maintain 7075
compliance with all thresholds and requirements to which the 7076
taxpayer agreed, pursuant to division (A)(11) or (13) of this 7077
section, respectively, as a condition of the operator's project 7078
qualifying as a megaproject or the supplier qualifying as a 7079
megaproject supplier until the end of the last year for which the 7080
taxpayer qualifies for the credit authorized under this section. 7081
In each year that a megaproject operator or megaproject supplier 7082
is subject to an agreement with the tax credit authority under 7083
this section and meets the requirements of this division, the 7084
director of development shall issue a certificate to the 7085
megaproject operator or megaproject supplier stating that the 7086
megaproject operator or megaproject supplier continues to meet 7087
those requirements. 7088

(12) If the taxpayer is a megaproject operator, a requirement 7089
that the megaproject operator submit, in a form acceptable to the 7090

director of development, an economic impact report with respect to 7091
each megaproject for which the megaproject operator is designated, 7092
summarizing all of the following for the reporting year: 7093

(a) The aggregate amount of purchases made by the megaproject 7094
operator for such megaproject from megaproject suppliers; 7095

(b) The aggregate amount of purchases made by the megaproject 7096
operator for such megaproject from suppliers other than 7097
megaproject suppliers; 7098

(c) A summary of the construction activity for any facilities 7099
at the site of the megaproject in that year; 7100

(d) The aggregate amount expended by the megaproject operator 7101
on research and development at the site of the megaproject in that 7102
year; 7103

(e) The number of employees working at the site of the 7104
megaproject and the counties in which those employees reside; 7105

(f) A summary of the supply chain activity in support of the 7106
megaproject, including a list of the twenty-five suppliers with a 7107
physical presence in Ohio from which the megaproject operator made 7108
the most purchases in that year. 7109

The economic impact report shall be due on or before the 7110
first day of July of each year, beginning in the year specified in 7111
the agreement with the tax credit authority. The information 7112
required in the report shall be certified as true and correct by 7113
an officer of the megaproject operator. If there is more than one 7114
megaproject operator designated for a single megaproject, all of 7115
the megaproject operators designated for the megaproject may 7116
jointly submit a single report. Any information contained in the 7117
report is a public record for purposes of section 149.43 of the 7118
Revised Code and shall be published on the department of 7119
development's web site. 7120

(E)(1) If a taxpayer fails to meet or comply with any 7121
condition or requirement set forth in a tax credit agreement, the 7122
tax credit authority may amend the agreement to reduce the 7123
percentage or term of the tax credit. The reduction of the 7124
percentage or term may take effect in the current taxable or 7125
calendar year. 7126

(2) If the tax credit authority determines that a taxpayer 7127
that is a megaproject operator of a megaproject described in 7128
division (A)(11)(a)(ii) of this section is not fully compliant 7129
with the requirements of the agreement, the authority may impose a 7130
recoupment payment on the taxpayer in accordance with the 7131
following: 7132

(a) If, on the metric evaluation date, the taxpayer fails to 7133
substantially meet the capital investment, full-time equivalent 7134
employee, or payroll requirements included in the agreement, an 7135
amount determined at the discretion of the authority, not to 7136
exceed the sum of the following for all years prior to the metric 7137
evaluation date: (i) the amount of taxes that would have been 7138
imposed under Chapters 5739. and 5741. of the Revised Code in the 7139
absence of the agreement, and (ii) the amount of taxes that would 7140
have been imposed under Chapter 5751. of the Revised Code on 7141
receipts realized from sales to the taxpayer in the absence of the 7142
agreement; 7143

(b) If the taxpayer fails to substantially maintain the 7144
capital investment, full-time equivalent employee, or payroll 7145
requirements included in the agreement in any year after the 7146
metric evaluation date, an amount determined at the discretion of 7147
the authority, not to exceed the sum of the following for the 7148
calendar year in which taxpayer failed to meet the requirements: 7149
(i) the amount of taxes that would have been imposed under 7150
Chapters 5739. and 5741. of the Revised Code in the absence of the 7151
agreement, and (ii) the amount of taxes that would have been 7152

imposed under Chapter 5751. of the Revised Code on receipts 7153
realized from sales to the taxpayer in the absence of the 7154
agreement. 7155

(3) The tax credit authority may, subject to any requirements 7156
of the tax credit agreement, take into consideration the 7157
taxpayer's prior performance and any market conditions impacting 7158
the taxpayer when determining the amount of the recoupment payment 7159
described in division (E)(2) of this section. 7160

(F) Projects that consist solely of point-of-final-purchase 7161
retail facilities are not eligible for a tax credit under this 7162
section. If a project consists of both point-of-final-purchase 7163
retail facilities and nonretail facilities, only the portion of 7164
the project consisting of the nonretail facilities is eligible for 7165
a tax credit and only the excess payroll from the nonretail 7166
facilities shall be considered when computing the amount of the 7167
tax credit. If a warehouse facility is part of a 7168
point-of-final-purchase retail facility and supplies only that 7169
facility, the warehouse facility is not eligible for a tax credit. 7170
Catalog distribution centers are not considered 7171
point-of-final-purchase retail facilities for the purposes of this 7172
division, and are eligible for tax credits under this section. 7173

(G) Financial statements and other information submitted to 7174
the department of development or the tax credit authority by an 7175
applicant or recipient of a tax credit under this section, and any 7176
information taken for any purpose from such statements or 7177
information, are not public records subject to section 149.43 of 7178
the Revised Code. However, the chairperson of the authority may 7179
make use of the statements and other information for purposes of 7180
issuing public reports or in connection with court proceedings 7181
concerning tax credit agreements under this section. Upon the 7182
request of the tax commissioner or, if the applicant or recipient 7183
is an insurance company, upon the request of the superintendent of 7184

insurance, the chairperson of the authority shall provide to the 7185
commissioner or superintendent any statement or information 7186
submitted by an applicant or recipient of a tax credit in 7187
connection with the credit. The commissioner or superintendent 7188
shall preserve the confidentiality of the statement or 7189
information. 7190

(H) A taxpayer claiming a credit under this section shall 7191
submit to the tax commissioner or, if the taxpayer is an insurance 7192
company, to the superintendent of insurance, a copy of the 7193
director of development's certificate of verification under 7194
division (D)(7) of this section with the taxpayer's tax report or 7195
return for the taxable year or for the calendar year that includes 7196
the tax period. Failure to submit a copy of the certificate with 7197
the report or return does not invalidate a claim for a credit if 7198
the taxpayer submits a copy of the certificate to the commissioner 7199
or superintendent within the time prescribed by section 5703.0510 7200
of the Revised Code or within thirty days after the commissioner 7201
or superintendent requests it. 7202

(I) The director of development, after consultation with the 7203
tax commissioner and the superintendent of insurance and in 7204
accordance with Chapter 119. of the Revised Code, shall adopt 7205
rules necessary to implement this section, including rules that 7206
establish a procedure to be followed by the tax credit authority 7207
and the department of development in the event the authority 7208
considers a taxpayer's application for which it receives a 7209
recommendation under division (C)(2)(a) of this section but does 7210
not approve it. The rules may provide for recipients of tax 7211
credits under this section to be charged fees to cover 7212
administrative costs of the tax credit program. For the purposes 7213
of these rules, a qualifying work-from-home employee shall be 7214
considered to be an employee employed at the applicant's project 7215
location. The fees collected shall be credited to the tax 7216

incentives operating fund created in section 122.174 of the Revised Code. At the time the director gives public notice under division (A) of section 119.03 of the Revised Code of the adoption of the rules, the director shall submit copies of the proposed rules to the chairpersons of the standing committees on economic development in the senate and the house of representatives.

(J) For the purposes of this section, a taxpayer may include a partnership, a corporation that has made an election under subchapter S of chapter one of subtitle A of the Internal Revenue Code, or any other business entity through which income flows as a distributive share to its owners. A partnership, S-corporation, or other such business entity may elect to pass the credit received under this section through to the persons to whom the income or profit of the partnership, S-corporation, or other entity is distributed. The election shall be made on the annual report required under division (D)(6) of this section. The election applies to and is irrevocable for the credit for which the report is submitted. If the election is made, the credit shall be apportioned among those persons in the same proportions as those in which the income or profit is distributed.

(K)(1) If the director of development determines that a taxpayer who has received a credit under this section is not complying with the requirements of the agreement, the director shall notify the tax credit authority of the noncompliance. After receiving such a notice, and after giving the taxpayer an opportunity to explain the noncompliance, the tax credit authority may require the taxpayer to refund to this state a portion of the credit in accordance with the following:

(a) If the taxpayer fails to comply with the requirement under division (D)(3) of this section, an amount determined in accordance with the following:

(i) If the taxpayer maintained operations at the project

location for a period less than or equal to the term of the 7249
credit, an amount not exceeding one hundred per cent of the sum of 7250
any credits allowed and received under this section; 7251

(ii) If the taxpayer maintained operations at the project 7252
location for a period longer than the term of the credit, but less 7253
than the greater of seven years or the term of the credit plus 7254
three years, an amount not exceeding seventy-five per cent of the 7255
sum of any credits allowed and received under this section. 7256

(b) If, on the metric evaluation date, the taxpayer fails to 7257
substantially meet the job creation, payroll, or investment 7258
requirements included in the agreement, an amount determined at 7259
the discretion of the authority; 7260

(c) If the taxpayer fails to substantially maintain the 7261
number of new full-time equivalent employees or amount of payroll 7262
required under the agreement at any time during the term of the 7263
agreement after the metric evaluation date, an amount determined 7264
at the discretion of the authority. 7265

(2) If a taxpayer files for bankruptcy and fails as described 7266
in division (K)(1)(a), (b), or (c) of this section, the director 7267
may immediately commence an action to recoup an amount not 7268
exceeding one hundred per cent of the sum of any credits received 7269
by the taxpayer under this section. 7270

(3) In determining the portion of the tax credit to be 7271
refunded to this state, the tax credit authority shall consider 7272
the effect of market conditions on the taxpayer's project and 7273
whether the taxpayer continues to maintain other operations in 7274
this state. After making the determination, the authority shall 7275
certify the amount to be refunded to the tax commissioner or 7276
superintendent of insurance, as appropriate. If the amount is 7277
certified to the commissioner, the commissioner shall make an 7278
assessment for that amount against the taxpayer under Chapter 7279

5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the amount is certified to the superintendent, the superintendent shall make an assessment for that amount against the taxpayer under Chapter 5725. or 5729. of the Revised Code. The time limitations on assessments under those chapters do not apply to an assessment under this division, but the commissioner or superintendent, as appropriate, shall make the assessment within one year after the date the authority certifies to the commissioner or superintendent the amount to be refunded. Within ninety days after certifying the amount to be refunded, if circumstances have changed, the authority may adjust the amount to be refunded and certify the adjusted amount to the commissioner or superintendent. The authority may only adjust the amount to be refunded one time and only if the amount initially certified by the authority has not been repaid, in whole or in part, by the taxpayer or certified to the attorney general for collection under section 131.02 of the Revised Code.

(L) On or before the first day of August each year, the director of development shall submit a report to the governor, the president of the senate, and the speaker of the house of representatives on the tax credit program under this section. The report shall include information on the number of agreements that were entered into under this section during the preceding calendar year, a description of the project that is the subject of each such agreement, and an update on the status of projects under agreements entered into before the preceding calendar year.

(M) There is hereby created the tax credit authority, which consists of the director of development and ~~four~~ six other members appointed as follows: the governor, the president of the senate, and the speaker of the house of representatives each shall appoint one member who shall be a specialist in economic development; the governor also shall appoint each of the following: (i) a member

who is a specialist in taxation, (ii) a member with experience in residential housing mortgage lending, loan servicing, or brokering at an institution insured by the federal deposit insurance corporation; and (iii) a member with experience in development or financing of multifamily housing. Terms of office shall be for four years. Each member shall serve on the authority until the end of the term for which the member was appointed. Vacancies shall be filled in the same manner provided for original appointments. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of that term. Members may be reappointed to the authority. Members of the authority shall receive their necessary and actual expenses while engaged in the business of the authority. The director of development shall serve as chairperson of the authority, and the members annually shall elect a vice-chairperson from among themselves. ~~Three~~ Four members of the authority constitute a quorum to transact and vote on the business of the authority. The majority vote of the membership of the authority is necessary to approve any such business, including the election of the vice-chairperson.

The director of development may appoint a professional employee of the department of development to serve as the director's substitute at a meeting of the authority. The director shall make the appointment in writing. In the absence of the director from a meeting of the authority, the appointed substitute shall serve as chairperson. In the absence of both the director and the director's substitute from a meeting, the vice-chairperson shall serve as chairperson.

(N) For purposes of the credits granted by this section against the taxes imposed under sections 5725.18 and 5729.03 of the Revised Code, "taxable year" means the period covered by the

taxpayer's annual statement to the superintendent of insurance. 7344

(O) On or before the first day of March of each of the five 7345
calendar years beginning with 2014, each taxpayer subject to an 7346
agreement with the tax credit authority under this section on the 7347
basis of home-based employees shall report the number of 7348
home-based employees and other employees employed by the taxpayer 7349
in this state to the department of development. 7350

(P) On or before the first day of January of 2019, the 7351
director of development shall submit a report to the governor, the 7352
president of the senate, and the speaker of the house of 7353
representatives on the effect of agreements entered into under 7354
this section in which the taxpayer included home-based employees 7355
in the computation of income tax revenue, as that term was defined 7356
in this section prior to the amendment of this section by H.B. 64 7357
of the 131st general assembly. The report shall include 7358
information on the number of such agreements that were entered 7359
into in the preceding six years, a description of the projects 7360
that were the subjects of such agreements, and an analysis of 7361
nationwide home-based employment trends, including the number of 7362
home-based jobs created from July 1, 2011, through June 30, 2017, 7363
and a description of any home-based employment tax incentives 7364
provided by other states during that time. 7365

(Q) The director of development may require any agreement 7366
entered into under this section for a tax credit computed on the 7367
basis of home-based employees to contain a provision that the 7368
taxpayer makes available health care benefits and tuition 7369
reimbursement to all employees. 7370

(R) Original agreements approved by the tax credit authority 7371
under this section in 2014 or 2015 before September 29, 2015, may 7372
be revised at the request of the taxpayer to conform with the 7373
amendments to this section and sections 5733.0610, 5736.50, 7374
5747.058, and 5751.50 of the Revised Code by H.B. 64 of the 131st 7375

general assembly, upon mutual agreement of the taxpayer and the 7376
department of development, and approval by the tax credit 7377
authority. 7378

(S)(1) As used in division (S) of this section: 7379

(a) "Eligible agreement" means an agreement approved by the 7380
tax credit authority under this section on or before December 31, 7381
2013. 7382

(b) "Income tax revenue" has the same meaning as under this 7383
section as it existed before September 29, 2015, the effective 7384
date of the amendment of this section by H.B. 64 of the 131st 7385
general assembly. 7386

(2) In calendar year 2016 and thereafter, the tax credit 7387
authority shall annually determine a withholding adjustment factor 7388
to be used in the computation of income tax revenue for eligible 7389
agreements. The withholding adjustment factor shall be a numerical 7390
percentage that equals the percentage that employer income tax 7391
withholding rates have been increased or decreased as a result of 7392
changes in the income tax rates prescribed by section 5747.02 of 7393
the Revised Code by amendment of that section taking effect on or 7394
after June 29, 2013. 7395

(3) Except as provided in division (S)(4) of this section, 7396
for reporting periods ending in 2015 and thereafter for taxpayers 7397
subject to eligible agreements, the tax credit authority shall 7398
adjust the income tax revenue reported on the taxpayer's annual 7399
report by multiplying the withholding adjustment factor by the 7400
taxpayer's income tax revenue and doing one of the following: 7401

(a) If the income tax rates prescribed by section 5747.02 of 7402
the Revised Code have decreased by amendment of that section 7403
taking effect on or after June 29, 2013, add the product to the 7404
taxpayer's income tax revenue. 7405

(b) If the income tax rates prescribed by section 5747.02 of 7406

the Revised Code have increased by amendment of that section 7407
taking effect on or after June 29, 2013, subtract the product from 7408
the taxpayer's income tax revenue. 7409

(4) Division (S)(3) of this section shall not apply unless 7410
all of the following apply for the reporting period with respect 7411
to the eligible agreement: 7412

(a) The taxpayer has achieved one hundred per cent of the new 7413
employment commitment identified in the agreement. 7414

(b) If applicable, the taxpayer has achieved one hundred per 7415
cent of the new payroll commitment identified in the agreement. 7416

(c) If applicable, the taxpayer has achieved one hundred per 7417
cent of the investment commitment identified in the agreement. 7418

(5) Failure by a taxpayer to have achieved any of the 7419
applicable commitments described in divisions (S)(4)(a) to (c) of 7420
this section in a reporting period does not disqualify the 7421
taxpayer for the adjustment under division (S) of this section for 7422
an ensuing reporting period. 7423

(T) For reporting periods ending in calendar year 2020 or 7424
thereafter, any taxpayer may include qualifying work-from-home 7425
employees in its report required under division (D)(6) of this 7426
section, and the compensation of such employees shall qualify as 7427
Ohio employee payroll under division (A)(3)(a) of this section, 7428
even if the taxpayer's application to the tax credit authority to 7429
enter into an agreement for a tax credit under this section was 7430
approved before September 29, 2017, the effective date of the 7431
amendment of this section by H.B. 49 of the 132nd general 7432
assembly. 7433

(U) The director of development ~~services~~ shall notify the tax 7434
commissioner if the director determines that a megaproject 7435
operator or megaproject supplier is not in compliance with the 7436
agreement pursuant to a review conducted under division (D)(11) of 7437

this section. 7438

(V) Beginning in 2025 and in each fifth calendar year 7439
thereafter, the tax commissioner shall adjust the following 7440
amounts in September of that year: 7441

(1) The fixed-asset investment threshold described in 7442
division (A)(11)(c)(i) of this section and the Ohio employee 7443
payroll threshold described in division (A)(11)(c)(ii) of this 7444
section by completing the following calculations: 7445

(a) Determine the percentage increase in the gross domestic 7446
product deflator determined by the bureau of economic analysis of 7447
the United States department of commerce from the first day of 7448
January of the fifth preceding calendar year to the last day of 7449
December of the preceding calendar year; 7450

(b) Multiply that percentage increase by the fixed-asset 7451
investment threshold and the Ohio employee payroll threshold for 7452
the current year; 7453

(c) Add the resulting products to the corresponding 7454
fixed-asset investment threshold and Ohio employee payroll 7455
threshold for the current year; 7456

(d) Round the resulting fixed-asset investment sum to the 7457
nearest multiple of ten million dollars and the Ohio employee 7458
payroll sum to the nearest multiple of one million dollars. 7459

(2) The fixed-asset investment threshold described in 7460
division (A)(13)(b)(i) of this section and the Ohio employee 7461
payroll threshold described in division (A)(13)(b)(ii) of this 7462
section by completing the calculations described in divisions 7463
(V)(1)(a) to (c) of this section and rounding the resulting 7464
fixed-asset investment sum to the nearest multiple of one million 7465
dollars and the Ohio employee payroll sum to the nearest multiple 7466
of one hundred thousand dollars. 7467

The commissioner shall certify the amount of the adjustments 7468
under divisions (V)(1) and (2) of this section to the director of 7469
development ~~services~~ and to the tax credit authority not later 7470
than the first day of December of the year the commissioner 7471
computes the adjustment. Each certified amount applies to the 7472
ensuing calendar year and each calendar year thereafter until the 7473
tax commissioner makes a new adjustment. The tax commissioner 7474
shall not calculate a new adjustment in any year in which the 7475
resulting amount from the adjustment would be less than the 7476
corresponding amount for the current year. 7477

Sec. 122.171. (A) As used in this section: 7478

(1) "Capital investment project" means a plan of investment 7479

obtained by dividing the total number of hours for which employees 7525

section 122.17 of the Revised Code.	7530

(7) "Related member" has the same meaning as in section	7537
5733.042 of the Revised Code as that section existed on the	7538

general assembly, September 29, 1997.	7540
(8) "Taxable year" includes, in the case of a domestic or	7541
foreign insurance company, the calendar year ending on the	7542
thirty-first day of December preceding the day the superintendent	7543

subzones for which a permit has been granted and remains active.	7551
(B) The tax credit authority created under section 122.17 of	7552
the Revised Code may grant a nonrefundable tax credit to an	7553
eligible business under this section for the purpose of fostering	7554
job retention in this state. Upon application by an eligible	7555
business and upon consideration of the determination of the	7556
director of budget and management, tax commissioner, and the	7557
superintendent of insurance in the case of an insurance company,	7558
the recommendation and determination of the director of	7559

development under division (C)(1) of this section, and a review of 7560
the criteria described in division (C)(2) of this section, the tax 7561
credit authority may grant the credit against the tax imposed by 7562
section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 5747.02, or 7563
5751.02 of the Revised Code. 7564

The credit authorized in this section may be granted for a 7565
period up to fifteen taxable years or, in the case of the tax 7566
levied by section 5736.02 or 5751.02 of the Revised Code, for a 7567
period of up to fifteen calendar years. The credit amount for a 7568

5747.98, or 5751.98 of the Revised Code. In determining the 7574
percentage and term of the credit, the tax credit authority shall 7575
consider both the number of full-time equivalent employees and the 7576
value of the capital investment project. The credit amount may not 7577
be based on the Ohio employee payroll for a calendar year before 7578
the calendar year in which the tax credit authority specifies the 7579
tax credit is to begin, and the credit shall be claimed only for 7580
the taxable years or tax periods specified in the eligible 7581
business' agreement with the tax credit authority. In no event 7582
shall the credit be claimed for a taxable year or tax period 7583
terminating before the date specified in the agreement. 7584

If a credit allowed under this section for a taxable year or 7585
tax period exceeds the taxpayer's tax liability for that year or 7586
period, the excess may be carried forward for the three succeeding 7587
taxable or calendar years, but the amount of any excess credit 7588
allowed in any taxable year or tax period shall be deducted from 7589
the balance carried forward to the succeeding year or period. 7590

(C)(1) A taxpayer that proposes a capital investment project 7591

to retain jobs in this state may apply to the tax credit authority 7592

The director of development shall prescribe the form of the 7594
application. After receipt of an application, the authority shall 7595
forward copies of the application to the director of budget and 7596
management, the tax commissioner, and the superintendent of 7597
insurance in the case of an insurance company, each of whom shall 7598
review the application to determine the economic impact the 7599
proposed project would have on the state and the affected 7600
political subdivisions and shall submit a summary of their 7601
determinations to the authority. The authority shall also forward 7602
a copy of the application to the director of development, who 7603
shall review the application to determine the economic impact the 7604
proposed project would have on the state and the affected 7605
political subdivisions and shall submit a summary of the 7606
director's determinations and recommendations to the authority. 7607

(2) The director of development, in reviewing applications 7608
and making recommendations to the tax credit authority, and the 7609
authority, in selecting taxpayers with which to enter into an 7610
agreement under division (D) of this section, shall give priority 7611
to applications that meet one or more of the following criteria, 7612
with greater priority given to applications that meet more of the 7613
criteria: 7614

(a) Within the preceding five years, the applicant has not 7615
received a credit under this section or section 122.17 of the 7616
Revised Code for a project at the same project site as that 7617
proposed in the application. 7618

(b) The applicant is not currently receiving a credit under 7619
this section or section 122.17 of the Revised Code. 7620

(c) The applicant has operated at the project site for at 7621
least the preceding ten years. 7622

(d) The project involves a significant upgrade of the project 7623
site, rather than only routine maintenance of existing facilities, 7624
such as an increase in capacity of a facility, new product 7625
development, or technology upgrades or other facility 7626
modernization. 7627

(e) The applicant intends to use machinery, equipment, and 7628
materials supplied by Ohio businesses in the project when 7629
possible. 7630

(D) Upon review and consideration of the determinations, 7631
recommendations, and criteria described in division (C) of this 7632
section, the tax credit authority may enter into an agreement with 7633
the taxpayer for a credit under this section if the authority 7634
determines all of the following: 7635

(1) The taxpayer's capital investment project will result in 7636
the retention of employment in this state. 7637

(2) The taxpayer is economically sound and has the ability to 7638
complete the proposed capital investment project. 7639

(3) The taxpayer intends to and has the ability to maintain 7640
operations at the project site for at least the greater of (a) the 7641
term of the credit plus three years, or (b) seven years. 7642

(4) Receiving the credit is a major factor in the taxpayer's 7643
decision to begin, continue with, or complete the project. 7644

(E) An agreement under this section shall include all of the 7645
following: 7646

(1) A detailed description of the project that is the subject 7647
of the agreement, including the amount of the investment, the 7648
period over which the investment has been or is being made, the 7649

shall issue a certificate to the taxpayer stating that the 7681
information has been verified and identifying the amount of the 7682
credit for the taxable year or calendar year that includes the tax 7683

period. In determining the number of full-time equivalent 7684
employees, no position shall be counted that is filled by an 7685
employee who is included in the calculation of a tax credit under 7686
section 122.17 of the Revised Code. 7687

(7) A provision providing that the taxpayer may not relocate 7688

determines that the taxpayer notified the legislative authority of 7691
the county, township, or municipal corporation from which the 7692
employment positions would be relocated. 7693

For purposes of this section, the movement of an employment 7694
position from one political subdivision to another political 7695
subdivision shall be considered a relocation of an employment 7696
position unless the movement is confined to the project site. The 7697
transfer of an employment position from one political subdivision 7698
to another political subdivision shall not be considered a 7699
relocation of an employment position if the employment position in 7700
the first political subdivision is replaced by another employment 7701
position. 7702

(8) A waiver by the taxpayer of any limitations periods 7703
relating to assessments or adjustments resulting from the 7704
taxpayer's failure to comply with the agreement. 7705

(F) If a taxpayer fails to meet or comply with any condition 7706
or requirement set forth in a tax credit agreement, the tax credit 7707
authority may amend the agreement to reduce the percentage or term 7708
of the credit. The reduction of the percentage or term may take 7709
effect in the current taxable or calendar year. 7710

(G) Financial statements and other information submitted to 7711
the department of development or the tax credit authority by an 7712
applicant for or recipient of a tax credit under this section, and 7713
any information taken for any purpose from such statements or 7714

information, are not public records subject to section 149.43 of 7715
the Revised Code. However, the chairperson of the authority may 7716
make use of the statements and other information for purposes of 7717
issuing public reports or in connection with court proceedings 7718
concerning tax credit agreements under this section. Upon the 7719
request of the tax commissioner, or the superintendent of 7720
insurance in the case of an insurance company, the chairperson of 7721
the authority shall provide to the commissioner or superintendent 7722
any statement or other information submitted by an applicant for 7723

director of development's certificate of verification under 7730

return for the taxable year or for the calendar year that includes 7732
the tax period. Failure to submit a copy of the certificate with 7733
the report or return does not invalidate a claim for a credit if 7734
the taxpayer submits a copy of the certificate to the commissioner 7735
or superintendent within the time prescribed by section 5703.0510 7736
of the Revised Code or within thirty days after the commissioner 7737

a partnership, a corporation that has made an election under 7740

distributive share to its owners. A partnership, S-corporation, or 7743
other such business entity may elect to pass the credit received 7744
under this section through to the persons to whom the income or 7745
profit of the partnership, S-corporation, or other entity is 7746

distributed. The election shall be made on the annual report 7747
required under division (E)(5) of this section. The election 7748
applies to and is irrevocable for the credit for which the report 7749
is submitted. If the election is made, the credit shall be 7750
apportioned among those persons in the same proportions as those 7751
in which the income or profit is distributed. 7752

(J)(1) If the director of development determines that a 7753
taxpayer that received a certificate under division (E)(6) of this 7754
section is not complying with the requirements of the agreement, 7755
the director shall notify the tax credit authority of the 7756
noncompliance. After receiving such a notice, and after giving the 7757
taxpayer an opportunity to explain the noncompliance, the 7758
authority may terminate the agreement and require the taxpayer, or 7759
any related member or members that claimed the tax credit under 7760
division (N) of this section, to refund to the state all or a 7761
portion of the credit claimed in previous years, as follows: 7762

(a) If the taxpayer fails to comply with the requirement 7763
under division (E)(3) of this section, an amount determined in 7764
accordance with the following: 7765

(i) If the taxpayer maintained operations at the project site 7766
for less than or equal to the term of the credit, an amount not to 7767
exceed one hundred per cent of the sum of any tax credits allowed 7768
and received under this section. 7769

(ii) If the taxpayer maintained operations at the project 7770
site longer than the term of the credit, but less than the greater 7771
of seven years or the term of the credit plus three years, the 7772
amount required to be refunded shall not exceed seventy-five per 7773
cent of the sum of any tax credits allowed and received under this 7774
section. 7775

(b) If the taxpayer fails to substantially, satisfy the 7776
employment, payroll, or location requirements required under the 7777

agreement, as prescribed under division (E)(4)(a) or (b), as 7778
applicable to the taxpayer, at any time during the term of the 7779
agreement or during the post-term reporting period, an amount 7780
determined at the discretion of the authority. 7781

(2) If a taxpayer files for bankruptcy and fails as described 7782
in division (J)(1)(a) or (b) of this section, the director may 7783
immediately commence an action to recoup an amount not exceeding 7784
one hundred per cent of the sum of any credits received by the 7785
taxpayer under this section. 7786

(3) In determining the portion of the credit to be refunded 7787
to this state, the authority shall consider the effect of market 7788
conditions on the taxpayer's project and whether the taxpayer 7789
continues to maintain other operations in this state. After making 7790
the determination, the authority shall certify the amount to be 7791
refunded to the tax commissioner or the superintendent of 7792
insurance. If the taxpayer, or any related member or members who 7793
claimed the tax credit under division (N) of this section, is not 7794
an insurance company, the commissioner shall make an assessment 7795
for that amount against the taxpayer under Chapter 5726., 5733., 7796
5736., 5747., or 5751. of the Revised Code. If the taxpayer, or 7797
any related member or members that claimed the tax credit under 7798
division (N) of this section, is an insurance company, the 7799
superintendent of insurance shall make an assessment under section 7800
5725.222 or 5729.102 of the Revised Code. The time limitations on 7801
assessments under those chapters and sections do not apply to an 7802
assessment under this division, but the commissioner or 7803
superintendent shall make the assessment within one year after the 7804
date the authority certifies to the commissioner or superintendent 7805
the amount to be refunded. Within ninety days after certifying the 7806
amount to be refunded, if circumstances have changed, the 7807
authority may adjust the amount to be refunded and certify the 7808
adjusted amount to the commissioner or superintendent. The 7809

authority may only adjust the amount to be refunded one time and 7810
only if the amount initially certified by the authority has not 7811
been repaid, in whole or in part, by the taxpayer or certified to 7812
the attorney general for collection under section 131.02 of the 7813
Revised Code. 7814

(K) The director of development, after consultation with the 7815
tax commissioner and the superintendent of insurance and in 7816
accordance with Chapter 119. of the Revised Code, shall adopt 7817
rules necessary to implement this section. The rules may provide 7818
for recipients of tax credits under this section to be charged 7819
fees to cover administrative costs of the tax credit program. The 7820
fees collected shall be credited to the tax incentives operating 7821
fund created in section 122.174 of the Revised Code. At the time 7822
the director gives public notice under division (A) of section 7823
119.03 of the Revised Code of the adoption of the rules, the 7824
director shall submit copies of the proposed rules to the 7825
chairpersons of the standing committees on economic development in 7826
the senate and the house of representatives. 7827

(L) On or before the first day of August of each year, the 7828
director of development shall submit a report to the governor, the 7829
president of the senate, and the speaker of the house of 7830
representatives on the tax credit program under this section. The 7831
report shall include information on the number of agreements that 7832
were entered into under this section during the preceding calendar 7833
year, a description of the project that is the subject of each 7834
such agreement, and an update on the status of projects under 7835
agreements entered into before the preceding calendar year. 7836

(M) The aggregate amount of nonrefundable tax credits issued 7837
under this section during any calendar year for capital investment 7838
projects reviewed and approved by the tax credit authority may not 7839
exceed the following amounts: 7840

credit authority before July 1, 2009. 7848

(N) This division applies only to an eligible business that 7849
is part of an affiliated group that includes a diversified savings 7850
and loan holding company or a grandfathered unitary savings and 7851
loan holding company, as those terms are defined in section 7852
5726.01 of the Revised Code. Notwithstanding any contrary 7853
provision of the agreement between such an eligible business and 7854
the tax credit authority, any credit granted under this section 7855

the tax credit authority, may be shared with any member or members 7859
of the affiliated group that includes the eligible business, which 7860
member or members may claim the credit against the taxes imposed 7861

manufacturing machinery and equipment during the qualifying	8082
period, provided that the new manufacturing machinery and	8083
equipment are installed in this state not later than June 30,	8084
2006.	8085

(2)(a) Except as otherwise provided in division (B)(2)(b) of 8086
this section, a grant may be claimed under this section in excess 8087
of one million dollars only if the cost of all manufacturing 8088
machinery and equipment owned in this state by the taxpayer 8089
claiming the grant on the last day of the calendar year exceeds 8090
the cost of all manufacturing machinery and equipment owned in 8091
this state by the taxpayer on the first day of that calendar year. 8092

As used in division (B)(2)(a) of this section, "calendar 8093
year" means the calendar year in which the machinery and equipment 8094
for which the grant is claimed was purchased. 8095

(b) Division (B)(2)(a) of this section does not apply if the 8096
taxpayer claiming the grant applies for and is issued a waiver of 8097
the requirement of that division. A taxpayer may apply to the 8098
director of development for such a waiver in the manner prescribed 8099
by the director, and the director may issue such a waiver if the 8100
director determines that granting the grant is necessary to 8101
increase or retain employees in this state, and that the grant has 8102
not caused relocation of manufacturing machinery and equipment 8103
among counties within this state for the primary purpose of 8104
qualifying for the grant. 8105

(C)(1) Except as otherwise provided in division (C)(2) and 8106
division (I) of this section, the grant amount is equal to seven 8107
and one-half per cent of the excess of the cost of the new 8108
manufacturing machinery and equipment purchased during the 8109
calendar year for use in a county over the county average new 8110
manufacturing machinery and equipment investment for that county. 8111

(2) Subject to division (I) of this section, as used in 8112
division (C)(2) of this section, "county excess" means the 8113
taxpayer's excess cost for a county as computed under division 8114
(C)(1) of this section. 8115

Subject to division (I) of this section, a taxpayer with a 8116

county excess, whose purchases included purchases for use in any 8117
eligible area in the county, the grant amount is equal to thirteen 8118
and one-half per cent of the cost of the new manufacturing 8119
machinery and equipment purchased during the calendar year for use 8120
in the eligible areas in the county, provided that the cost 8121
subject to the thirteen and one-half per cent rate shall not 8122
exceed the county excess. If the county excess is greater than the 8123
cost of the new manufacturing machinery and equipment purchased 8124
during the calendar year for use in eligible areas in the county, 8125
the grant amount also shall include an amount equal to seven and 8126
one-half per cent of the amount of the difference. 8127

(3) If a taxpayer is allowed a grant for purchases of new 8128
manufacturing machinery and equipment in more than one county or 8129
eligible area, it shall aggregate the amount of those grants each 8130
year. 8131

(4) Except as provided in division (J) of this section, the 8132
taxpayer shall claim one-seventh of the grant amount for the 8133
taxable year ending in the calendar year in which the new 8134
manufacturing machinery and equipment is purchased for use in the 8135
county by the taxpayer or partnership. One-seventh of the taxpayer 8136
grant amount is allowed for each of the six ensuing taxable years. 8137
Except for carried-forward amounts, the taxpayer is not allowed 8138
any grant amount remaining if the new manufacturing machinery and 8139
equipment is sold by the taxpayer or partnership or is transferred 8140
by the taxpayer or partnership out of the county before the end of 8141
the seven-year period unless, at the time of the sale or transfer, 8142
the new manufacturing machinery and equipment has been fully 8143
depreciated for federal income tax purposes. 8144

(5)(a) A taxpayer that acquires manufacturing machinery and 8145
equipment as a result of a merger with the taxpayer with whom 8146
commenced the original use in this state of the manufacturing 8147
machinery and equipment, or with a taxpayer that was a partner in 8148

a partnership with whom commenced the original use in this state 8149
of the manufacturing machinery and equipment, is entitled to any 8150
remaining or carried-forward grant amounts to which the taxpayer 8151
was entitled. 8152

(b) A taxpayer that enters into an agreement under division 8153
(C)(3) of section 5709.62 of the Revised Code and that acquires 8154
manufacturing machinery or equipment as a result of purchasing a 8155
large manufacturing facility, as defined in section 5709.61 of the 8156
Revised Code, from another taxpayer with whom commenced the 8157
original use in this state of the manufacturing machinery or 8158
equipment, and that operates the large manufacturing facility so 8159
purchased, is entitled to any remaining or carried-forward grant 8160
amounts to which the other taxpayer who sold the facility would 8161
have been entitled under this section had the other taxpayer not 8162
sold the manufacturing facility or equipment. 8163

(c) New manufacturing machinery and equipment is not 8164
considered sold if a pass-through entity transfers to another 8165
pass-through entity substantially all of its assets as part of a 8166
plan of reorganization under which substantially all gain and loss 8167
is not recognized by the pass-through entity that is transferring 8168
the new manufacturing machinery and equipment to the transferee 8169
and under which the transferee's basis in the new manufacturing 8170
machinery and equipment is determined, in whole or in part, by 8171
reference to the basis of the pass-through entity that transferred 8172
the new manufacturing machinery and equipment to the transferee. 8173

(d) Division (C)(5) of this section applies only if the 8174
acquiring taxpayer or transferee does not sell the new 8175
manufacturing machinery and equipment or transfer the new 8176
manufacturing machinery and equipment out of the county before the 8177
end of the seven-year period to which division (C)(4) of this 8178
section refers. 8179

(e) Division (C)(5)(b) of this section applies only to the 8180

extent that the taxpayer that sold the manufacturing machinery or 8181
equipment, upon request, timely provides to the tax commissioner 8182
any information that the tax commissioner considers to be 8183
necessary to ascertain any remaining or carried-forward amounts to 8184
which the taxpayer that sold the facility would have been entitled 8185
under this section had the taxpayer not sold the manufacturing 8186
machinery or equipment. Nothing in division (C)(5)(b) or (e) of 8187
this section shall be construed to allow a taxpayer to claim any 8188
grant amount with respect to the acquired manufacturing machinery 8189
or equipment that is greater than the amount that would have been 8190
available to the other taxpayer that sold the manufacturing 8191
machinery or equipment had the other taxpayer not sold the 8192
manufacturing machinery or equipment. 8193

(D) The taxpayer shall claim the grant allowed by this 8194
section in the manner provided by section 122.172 of the Revised 8195
Code. Any portion of the grant in excess of the taxpayer's tax 8196
liability for the taxable year shall not be refundable but may be 8197
carried forward for the next three consecutive taxable years. 8198

(E) A taxpayer purchasing new manufacturing machinery and 8199
equipment and intending to claim the grant shall file, with the 8200
director of development, a notice of intent to claim the grant on 8201
a form prescribed by the director of development. The director of 8202
development shall inform the tax commissioner of the notice of 8203
intent to claim the grant. No grant may be claimed under this 8204
section for any manufacturing machinery and equipment with respect 8205
to which a notice was not filed by the date of a timely filed 8206
return, including extensions, for the taxable year that includes 8207
September 30, 2005, but a notice filed on or before such date 8208
under division (E) of section 5733.33 of the Revised Code of the 8209
intent to claim the credit under that section also shall be 8210
considered a notice of the intent to claim a grant under this 8211
section. 8212

the first day of January of each year during the qualifying 8214
period, the eligible areas for the tax grant for the calendar year 8215
that includes that first day of January. The director shall send a 8216
copy of the certification to the tax commissioner. 8217

taxpayer claims the credit under section 5733.31 or 5733.311 of 8219
the Revised Code shall not be considered new manufacturing 8220

tax commissioner may issue an assessment against a person with 8225
respect to a grant claimed under this section for new 8226
manufacturing machinery and equipment described in division 8227
(A)(1)(b) or (2)(b) of this section, if the machinery or equipment 8228
subsequently does not qualify for the grant. 8229

(2) Division (H)(1) of this section shall not apply after the 8230
twenty-fourth month following the last day of the period described 8231
in divisions (A)(1)(b) and (2)(b) of this section. 8232

(I) Notwithstanding any other provision of this section to 8233
the contrary, in the case of a qualifying controlled group, the 8234
grant available under this section to a taxpayer or taxpayers in 8235
the qualifying controlled group shall be computed as if all 8236
corporations in the group were a single corporation. The grant 8237
shall be allocated to such a taxpayer or taxpayers in the group in 8238
any amount elected for the taxable year by the group. The election 8239
shall be revocable and amendable during the period described in 8240
division (B) of section 5733.12 of the Revised Code. 8241

This division applies to all purchases of new manufacturing 8242
machinery and equipment made on or after January 1, 2001, and to 8243

all baseline years used to compute any grant attributable to such purchases; provided, that this division may be applied solely at the election of the qualifying controlled group with respect to all purchases of new manufacturing machinery and equipment made before that date, and to all baseline years used to compute any grant attributable to such purchases. The qualifying controlled group at any time may elect to apply this division to purchases made prior to January 1, 2001, subject to the following:

(1) The election is irrevocable;

(2) The election need not accompany a timely filed report, but the election may accompany a subsequently filed but timely application for refund, a subsequently filed but timely amended report, or a subsequently filed but timely petition for reassessment.

(J) Except as provided in division (B) of section 122.172 of the Revised Code, no grant under this section may be claimed for any taxable year for which a credit is allowed under section 5733.33 of the Revised Code. If the tax imposed by section 5733.06 of the Revised Code for which a grant is allowed under this section has been prorated under division (G)(2) of section 5733.01 of the Revised Code, the grant shall be prorated by the same percentage as the tax.

aggregate number of eligible addresses to which the challenging 9182

provider offers tier two broadband service; 9183

(b) With regard to the planned provision of tier two 9184
broadband service by a challenging provider as described in 9185

address. 9207

Sec. 122.4032. If an application filed during an application 9208

and the authority may grant for good cause shown, an extension 9226
period of not more than fourteen days in which the broadband 9227
provider may resubmit the application. 9228

(B) When revising the application, the broadband provider 9229

nor shall the provider add any new residential addresses to the 9231
eligible project. 9232

(C) The broadband provider shall provide a copy of the 9233
revised application to ~~both~~ the authority ~~and the challenging~~ 9234
~~provider by certified mail or by electronic mail or by uploading~~ 9235
it to the ~~development services agency's~~ department of 9236
development's designated web site for applications. The ~~agency~~ 9237
~~department~~ shall publish the revised application on the ~~agency's~~ 9238
~~department's~~ public web site and provide the application to the 9239
challenging provider by electronic mail or such other means as may 9240

resolution of support from the board of county commissioners in 9432
the county where the eligible project is located; or 9433

(b) If an application's eligible project spans multiple 9434

which a board of township trustees, village, or municipal 9451
corporation submitted a letter of support; 9452

(c) Ten points for letters of support from a local economic 9453

The credit is determined as follows: 10235

application submitted under division (B) of this section or the 10237
actual eligible expenditures as finally determined under division 10238
(D) of this section, whichever is least, is less than or equal to 10239
three hundred thousand dollars, no credit is allowed; 10240

(b) If the total budgeted eligible expenditures stated in the 10241
application submitted under division (B) of this section or the 10242

hundred thousand dollars, the credit equals thirty per cent of the 10245
least of such budgeted or actual eligible expenditure amounts. 10246

(2) Except as provided in division (C)(4) of this section, if 10247
the director of development approves a production company's 10248
application for a credit, the director shall issue a tax credit 10249

certificate to the company. The director in consultation with the 10250
tax commissioner shall prescribe the form and manner of issuing 10251

number to each tax credit certificate and shall record the 10253
certificate in a register devised and maintained by the director 10254

shall certify to the tax commissioner the name of the production 10258
company to which the certificate was issued, the amount of 10259

Once the eligible expenditures are finally determined under 10267
section 5703.19 of the Revised Code and division (D) of this 10268
section, the credit amount is not subject to adjustment unless the 10269
director determines an error was committed in the computation of 10270
the credit amount. 10271

(4) No tax credit certificate may be issued before the 10272
completion of the tax credit-eligible production. Not more than 10273
~~forty~~ fifty million dollars of tax credit may be allowed per 10274
fiscal year ~~provided that, for.~~ Of the fifty million dollar total, 10275
five million dollars shall be reserved for Broadway theatrical 10276
productions, and forty-five million dollars may be allowed for any 10277
tax credit-eligible production. For any fiscal year in which the 10278
amount of tax credits allowed under this section is less than ~~that~~ 10279
~~the~~ maximum annual amount, the amount not allowed for that fiscal 10280
year shall be added to the maximum annual amount that may be 10281

allowed for the following fiscal year. For any fiscal year in 10282
which less than five million dollars of tax credits are allowed 10283
for Broadway theatrical productions, the amount of the five 10284
million dollars not allowed and added to the maximum annual amount 10285
for the following fiscal year shall be reserved for Broadway 10286
theatrical productions in the following fiscal year. 10287

(5) The director shall review and approve applications for 10288
tax credits in two rounds each fiscal year. The first round of 10289
credits shall be awarded not later than the last day of July of 10290
the fiscal year, and the second round of credits shall be awarded 10291
not later than the last day of the ensuing January. The amount of 10292
credits awarded in the first round of applications each fiscal 10293
year shall not exceed ~~twenty~~ twenty-five million dollars, two 10294
million five hundred thousand dollars of which shall be reserved 10295
for Broadway theatrical productions, plus any credit allotment 10296
that was not awarded in the preceding fiscal year and carried over 10297
under division (C)(4) of this section. For each round, the 10298
director shall rank applications on the basis of the extent of 10299
positive economic impact each tax credit-eligible production is 10300
likely to have in this state and the effect on developing a 10301
permanent workforce in motion picture or theatrical production 10302
industries in the state. For the purpose of such ranking, the 10303
director shall give priority to tax-credit eligible productions 10304
that are television series or miniseries due to the long-term 10305
commitment typically associated with such productions. The 10306
economic impact ranking shall be based on the production company's 10307
total expenditures in this state directly associated with the tax 10308
credit-eligible production. The effect on developing a permanent 10309
workforce in the motion picture or theatrical production 10310
industries shall be evaluated first by the number of new jobs 10311
created and second by amount of payroll added with respect to 10312
employees in this state. 10313

The director shall approve productions in the order of their ranking, from those with the greatest positive economic impact and workforce development effect to those with the least positive economic impact and workforce development effect.

(D) A production company whose motion picture or Broadway theatrical production has been certified as a tax credit-eligible production shall engage, at the company's expense, an independent certified public accountant to examine the company's production, postproduction, and advertising and promotion expenditures to identify the expenditures that qualify as eligible expenditures. The certified public accountant shall issue a report to the company and to the director of development certifying the company's eligible expenditures and any other information required by the director. Upon receiving and examining the report, the director may disallow any expenditure the director determines is not an eligible expenditure. If the director disallows an expenditure, the director shall issue a written notice to the production company stating that the expenditure is disallowed and the reason for the disallowance. Upon examination of the report and disallowance of any expenditures, the director shall determine finally the lesser of the total budgeted eligible expenditures stated in the application submitted under division (B) of this section or the actual eligible expenditures for the purpose of computing the amount of the credit.

(E) No credit shall be allowed under section 5726.55, 5733.59, 5747.66, or 5751.54 of the Revised Code unless the director has reviewed the report and made the determination prescribed by division (D) of this section.

(F) This state reserves the right to refuse the use of this state's name in the credits of any tax credit-eligible motion picture production or program of any Broadway theatrical production.

(G)(1) The director of development in consultation with the tax commissioner shall adopt rules for the administration of this section, including rules setting forth and governing the criteria for determining whether a motion picture or Broadway theatrical production is a tax credit-eligible production; activities that constitute the production or postproduction of a motion picture or Broadway theatrical production; reporting sufficient evidence of reviewable progress; expenditures that qualify as eligible expenditures; a schedule and deadlines for applications to be submitted and reviewed; a competitive process for approving credits based on likely economic impact in this state and development of a permanent workforce in motion picture or theatrical production industries in this state; consideration of geographic distribution of credits; and implementation of the program described in division (H) of this section. The rules shall be adopted under Chapter 119. of the Revised Code.

state in which the facilities or equipment involved in the project 10481

maximum annual amount, the amount not approved for that fiscal 10487
year shall be added to the maximum annual amount that may be 10488
approved for the following fiscal year. 10489

If the director rescinds approval of a capital improvement 10490
project under division (E)(2) of this section, the estimated 10491
credit amount attributed to that project shall be added back to 10492
the maximum total annual credit amount for that fiscal year. If 10493
the actual credit amount computed under division (H) of this 10494
section is less than the estimated credit amount approved by the 10495
director, the difference shall be added back to the maximum total 10496
annual credit amount for that fiscal year. 10497

(2) The director shall not approve more than five million 10498
dollars in estimated tax credits per fiscal year for capital 10499

the director. The director may request additional updates from the 10505
production company regarding the progression of the project as 10506

complete or approval of the project is rescinded. The production 10508
company shall respond to each such request within thirty days. 10509

(2) The director may rescind approval of a capital 10510
improvement project if the production company fails to timely 10511
submit evidence of reviewable progress or respond to the 10512
director's request for a project update, as required by division 10513
(E)(1) of this section, or if the director determines that the 10514
progression of the project is significantly behind the schedule 10515
submitted in the tax credit application. The director shall 10516
rescind approval of a project that does not begin within ninety 10517
days after the date the application is approved unless the 10518
production company shows good cause for the delay, meaning that 10519
the project was delayed due to unforeseeable circumstances beyond 10520
the production company's control or due to action or inaction by a 10521
government agency. 10522

(3) The director shall notify the production company upon 10523
rescinding approval of a capital improvement project. Nothing in 10524
this section prohibits the production company from reapplying for 10525
approval of the same capital improvement project. 10526

(F)(1) A production company whose capital improvement project 10527
is approved by the director of development shall engage, at the 10528
company's expense, an independent certified public accountant to 10529

	10546
	10547

(G) After reviewing the report and making the determination 10567
prescribed by division (F) of this section, the director of 10568
development shall issue a tax credit certificate to the production 10569
company. The director, in consultation with the tax commissioner, 10570
shall prescribe the form and manner of issuing certificates. The 10571
director shall assign a unique identifying number to each tax 10572
credit certificate and shall record the certificate in a register 10573
devised and maintained by the director for that purpose. The 10574
certificate shall state the amount of the credit and the amount of 10575
the qualified expenditures upon which the credit is based. Upon 10576
issuance of a certificate, the director shall certify to the tax 10577
commissioner the name of the production company to which the 10578
certificate was issued, the amount of qualified expenditures shown 10579

any credit or portion of a credit for the same taxable year or tax 10617
period for which the transferring production company was 10618
authorized to claim the credit or portion of a credit pursuant to 10619
the certificate. A production company shall make no transfer under 10620
division (I)(1) of this section after the last day of the tax 10621
period or taxable year for which the production company is 10622
required to claim the credit pursuant to the certificate. 10623

A production company may make not more than one transfer 10624

certificate, but pursuant to that transaction, may allocate the 10626

authority to claim a portion of the credit to more than one transferee. A production company may not authorize more than one transferee to claim the same portion of a credit. No transferee may transfer the right to claim the credit to another person. 10627

of the purposes and the exercise by the commission of its powers 10682
are essential public functions and public purposes of the state. 10683
The commission may, in its own name, sue and be sued, enter into 10684
contracts, and perform all the powers and duties given to it by 10685
the Revised Code, but it does not have and shall not exercise the 10686

(2) "Stillborn" means that an infant of at least twenty weeks 10785
of gestation suffered a fetal death. 10786

(B)(1) Each permanent full-time and permanent part-time 10787

eligibility and benefits under this section for part-time 10815
employees, but such benefits shall not exceed forty hours per 10816
week. If an employee has not worked for a three-month period, the 10817

(4) All of the following apply to employees granted parental 10840

leave: 10841

~~(1)~~(a) They remain eligible to receive all employer-paid 10842
benefits and continue to accrue all other forms of paid leave as 10843
if they were in active pay status. 10844

~~(2)~~(b) They are ineligible to receive overtime pay, and no 10845

Use of parental leave does not affect an employee's 10859
eligibility for other forms of paid leave granted under this 10860
chapter and does not prohibit an employee from taking leave under 10861
the "Family and Medical Leave Act of 1993," 107 Stat. 6, 29 10862
U.S.C.A. 2601, except that parental leave shall be included in any 10863
leave time provided under that act. An employee may not receive 10864
parental leave under this section after exhausting leave under the 10865
Family and Medical Leave Act of 1993 for the birth of the child, 10866
delivery of the stillborn child, or placement of the child for 10867
adoption. 10868

parental leave shall continue to receive disability leave benefits 10871

for the duration of their disabling condition or as otherwise 10872
provided under the disability leave benefits program. If an 10873
employee is receiving disability leave benefits because of 10874
pregnancy and these benefits expire prior to the expiration date 10875
of any benefits the employee would have been entitled to receive 10876
under this section, the employee shall receive parental leave for 10877
such additional time ~~without being required to serve an additional~~ 10878
~~waiting period if the parental leave is contiguous to the~~ 10879
~~disability leave.~~ 10880

Sec. 124.14. (A)(1) The director of administrative services 10881
shall establish, and may modify or rescind, a job classification 10882
plan for all positions, offices, and employments in the service of 10883
the state. The director shall group jobs within a classification 10884
so that the positions are similar enough in duties and 10885
responsibilities to be described by the same title, to have the 10886
same pay assigned with equity, and to have the same qualifications 10887
for selection applied. The director shall assign a classification 10888
title to each classification within the classification plan. 10889
However, the director shall consider in establishing 10890
classifications, including classifications with parenthetical 10891
titles, and assigning pay ranges such factors as duties performed 10892
only on one shift, special skills in short supply in the labor 10893
market, recruitment problems, separation rates, comparative salary 10894
rates, the amount of training required, and other conditions 10895
affecting employment. The director shall describe the duties ~~and,~~ 10896
responsibilities, and essential character of the work of the 10897
class~~;~~ establish the essential knowledge, abilities, skills, and 10898
qualifications for being employed in each position in the class~~;~~ 10899
and file with the secretary of state a copy of specifications for 10900
all of the classifications. The director shall state the required 10901
qualifications in terms of experience, training, specific 10902
coursework, or other terms, but shall not state qualifications in 10903

terms of academic degrees unless the degrees are required by a 10904
specific statute or rule. The director shall file new, additional, 10905
or revised specifications with the secretary of state before they 10906
are used. 10907

An appointing authority may request position-specific minimum 10908
qualifications for a position that differ from the minimum 10909
qualifications of the classification specification established by 10910
the director, provided that the requested qualifications are not 10911
stated solely in terms of academic degrees. The director must 10912
approve such a request before it may be implemented. 10913

The director shall assign each classification, either on a 10914
statewide basis or in particular counties or state institutions, 10915
to a pay range established under section 124.15 or section 124.152 10916
of the Revised Code. The director may assign a classification to a 10917
pay range on a temporary basis for a period of six months. The 10918
director may establish experimental classification plans for some 10919
or all employees paid directly by warrant of the director of 10920
budget and management. Any such experimental classification plan 10921
shall include specifications for each classification within the 10922
plan and shall specifically address compensation ranges, and 10923
methods for advancing within the ranges, for the classifications, 10924
which may be assigned to pay ranges other than the pay ranges 10925
established under section 124.15 or 124.152 of the Revised Code. 10926

(2) The director of administrative services may reassign to a 10927
proper classification those positions that have been assigned to 10928
an improper classification. If the compensation of an employee in 10929
such a reassigned position exceeds the maximum rate of pay for the 10930
employee's new classification, the employee shall be placed in pay 10931
step X and shall not receive an increase in compensation until the 10932
maximum rate of pay for that classification exceeds the employee's 10933
compensation. 10934

(3) The director may reassign an exempt employee, as defined 10935

in section 124.152 of the Revised Code, to a bargaining unit 10936
classification if the director determines that the bargaining unit 10937
classification is the proper classification for that employee. 10938
Notwithstanding Chapter 4117. of the Revised Code or instruments 10939
and contracts negotiated under it, these placements are at the 10940
director's discretion. 10941

(4) The director shall assign related classifications, which 10942
form a career progression, to a classification series. The 10943
director shall assign each classification in the classification 10944
plan a five-digit number, the first four digits of which shall 10945
denote the classification series to which the classification is 10946
assigned. When a career progression encompasses more than ten 10947
classifications, the director shall identify the additional 10948
classifications belonging to a classification series. The 10949
additional classifications shall be part of the classification 10950
series, notwithstanding the fact that the first four digits of the 10951
number assigned to the additional classifications do not 10952
correspond to the first four digits of the numbers assigned to 10953
other classifications in the classification series. 10954

(B) Division (A) of this section and sections 124.15 and 10955
124.152 of the Revised Code do not apply to the following persons, 10956
positions, offices, and employments: 10957

(1) Elected officials; 10958

(2) Legislative employees, employees of the legislative 10959
service commission, employees in the office of the governor, 10960
employees who are in the unclassified civil service and exempt 10961
from collective bargaining coverage in the office of the secretary 10962
of state, auditor of state, treasurer of state, and attorney 10963
general, and employees of the supreme court; 10964

(3) Any position for which the authority to determine 10965
compensation is given by law to another individual or entity; 10966

(4) Employees of the bureau of workers' compensation whose 10967
compensation the administrator of workers' compensation 10968
establishes under division (B) of section 4121.121 of the Revised 10969
Code. 10970

(C) The director may employ a consulting agency to aid and 10971
assist the director in carrying out this section. 10972

(D)(1) When the director proposes to modify a classification 10973
or the assignment of classes to appropriate pay ranges, the 10974
director shall notify the appointing authorities of the affected 10975
employees before implementing the modification. The director's 10976
notice shall include the effective date of the modification. The 10977
appointing authorities shall notify the affected employees 10978
regarding the modification. 10979

(2) When the director proposes to reclassify any employee in 10980
the service of the state so that the employee is adversely 10981
affected, the director shall give to the employee affected and to 10982
the employee's appointing authority a written notice setting forth 10983
the proposed new classification, pay range, and salary. Upon the 10984
request of any classified employee in the service of the state who 10985
is not serving in a probationary period, the director shall 10986
perform a job audit to review the classification of the employee's 10987
position to determine whether the position is properly classified. 10988
The director shall give to the employee affected and to the 10989
employee's appointing authority a written notice of the director's 10990
determination whether or not to reclassify the position or to 10991
reassign the employee to another classification. An employee or 10992
appointing authority desiring a hearing shall file a written 10993
request for the hearing with the state personnel board of review 10994
within thirty days after receiving the notice. The board shall set 10995
the matter for a hearing and notify the employee and appointing 10996
authority of the time and place of the hearing. The employee, the 10997
appointing authority, or any authorized representative of the 10998

employee who wishes to submit facts for the consideration of the 110999
board shall be afforded reasonable opportunity to do so. After the 11000
hearing, the board shall consider anew the reclassification and 11001
may order the reclassification of the employee and require the 11002
director to assign the employee to such appropriate classification 11003
as the facts and evidence warrant. As provided in division (A)(1) 11004
of section 124.03 of the Revised Code, the board may determine the 11005
most appropriate classification for the position of any employee 11006
coming before the board, with or without a job audit. The board 11007
shall disallow any reclassification or reassignment classification 11008
of any employee when it finds that changes have been made in the 11009
duties and responsibilities of any particular employee for 11010
political, religious, or other unjust reasons. 11011

(E)(1) Employees of each county department of job and family 11012
services shall be paid a salary or wage established by the board 11013
of county commissioners. The provisions of section 124.18 of the 11014
Revised Code concerning the standard work week apply to employees 11015
of county departments of job and family services. A board of 11016
county commissioners may do either of the following: 11017

(a) Notwithstanding any other section of the Revised Code, 11018
supplement the sick leave, vacation leave, personal leave, and 11019
other benefits of any employee of the county department of job and 11020
family services of that county, if the employee is eligible for 11021
the supplement under a written policy providing for the 11022
supplement; 11023

(b) Notwithstanding any other section of the Revised Code, 11024
establish alternative schedules of sick leave, vacation leave, 11025
personal leave, or other benefits for employees not inconsistent 11026
with the provisions of a collective bargaining agreement covering 11027
the affected employees. 11028

(2) Division (E)(1) of this section does not apply to 11029
employees for whom the state employment relations board 11030

establishes appropriate bargaining units pursuant to section 11031
4117.06 of the Revised Code, except in either of the following 11032
situations: 11033

(a) The employees for whom the state employment relations 11034
board establishes appropriate bargaining units elect no 11035
representative in a board-conducted representation election. 11036

(b) After the state employment relations board establishes 11037
appropriate bargaining units for such employees, all employee 11038
organizations withdraw from a representation election. 11039

(F)(1) Notwithstanding any contrary provision of sections 11040
124.01 to 124.64 of the Revised Code, the board of trustees of 11041
each state university or college, as defined in section 3345.12 of 11042
the Revised Code, shall carry out all matters of governance 11043
involving the officers and employees of the university or college, 11044
including, but not limited to, the powers, duties, and functions 11045
of the department of administrative services and the director of 11046
administrative services specified in this chapter. Officers and 11047
employees of a state university or college shall have the right of 11048
appeal to the state personnel board of review as provided in this 11049
chapter. 11050

(2) Each board of trustees shall adopt rules under section 11051
111.15 of the Revised Code to carry out the matters of governance 11052
described in division (F)(1) of this section. Until the board of 11053
trustees adopts those rules, a state university or college shall 11054
continue to operate pursuant to the applicable rules adopted by 11055
the director of administrative services under this chapter. 11056

(G)(1) Each board of county commissioners may, by a 11057
resolution adopted by a majority of its members, establish a 11058
county personnel department to exercise the powers, duties, and 11059
functions specified in division (G) of this section. As used in 11060

(B) The pay schedule of all employees shall be on a biweekly basis, with amounts computed on an hourly basis. 11269
11270

(C) Part-time employees shall be compensated on an hourly basis for time worked, at the rates shown in division (A) of this section or in section 124.152 of the Revised Code. 11271
11272
11273

(D) The salary and wage rates in division (A) of this section or in section 124.152 of the Revised Code represent base rates of compensation and may be augmented by the provisions of section 124.181 of the Revised Code. In those cases where lodging, meals, laundry, or other personal services are furnished an employee in the service of the state, the actual costs or fair market value of the personal services shall be paid by the employee in such amounts and manner as determined by the director of administrative services and approved by the director of budget and management, and those personal services shall not be considered as a part of the employee's compensation. management, may establish payments to employees for uniforms, 11287
tools, equipment, and other requirements of the department and 11288
payments for the maintenance of them. 11289

The director of administrative services may review collective 11290
bargaining agreements entered into under Chapter 4117. of the 11291
Revised Code that cover employees in the service of the state and 11292
determine whether certain benefits or payments provided to the 11293
employees covered by those agreements should also be provided to 11294
employees in the service of the state who are exempt from 11295
collective bargaining coverage and are paid in accordance with 11296
section 124.152 of the Revised Code or are listed in division 11297
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 11298
the review, the director of administrative services, with the 11299
approval of the director of budget and management, may provide to 11300
some or all of these employees any payment or benefit, except for 11301
salary, contained in such a collective bargaining agreement even 11302
if it is similar to a payment or benefit already provided by law 11303
to some or all of these employees. Any payment or benefit so 11304
provided shall not exceed the highest level for that payment or 11305
benefit specified in such a collective bargaining agreement. The 11306
director of administrative services shall not provide, and the 11307
director of budget and management shall not approve, any payment 11308
or benefit to such an employee under this division unless the 11309
payment or benefit is provided pursuant to a collective bargaining 11310
agreement to a state employee who is in a position with similar 11311
duties as, is supervised by, or is employed by the same appointing 11312
authority as, the employee to whom the benefit or payment is to be 11313
provided. 11314

As used in this division, "payment or benefit already 11315
provided by law" includes, but is not limited to, bereavement, 11316
personal, vacation, administrative, and sick leave, disability 11317
benefits, holiday pay, and pay supplements provided under the 11318

Revised Code, but does not include wages or salary. 11319

(E) New employees paid in accordance with schedule B of 11320
division (A) of this section or schedule E-1 of section 124.152 of 11321
the Revised Code shall be employed at the minimum rate established 11322
for the range unless otherwise provided. Employees with 11323
qualifications that are beyond the minimum normally required for 11324
the position and that are determined by the director to be 11325
exceptional may be employed in, or may be transferred or promoted 11326
to, a position at an advanced step of the range. Further, in time 11327
of a serious labor market condition when it is relatively 11328
impossible to recruit employees at the minimum rate for a 11329
particular classification, the entrance rate may be set at an 11330
advanced step in the range by the director of administrative 11331
services. This rate may be limited to geographical regions of the 11332
state. Appointments made to an advanced step under the provision 11333
regarding exceptional qualifications shall not affect the step 11334
assignment of employees already serving. However, anytime the 11335
hiring rate of an entire classification is advanced to a higher 11336
step, all incumbents of that classification being paid at a step 11337
lower than that being used for hiring, shall be advanced beginning 11338
at the start of the first pay period thereafter to the new hiring 11339
rate, and any time accrued at the lower step will be used to 11340
calculate advancement to a succeeding step. If the hiring rate of 11341
a classification is increased for only a geographical region of 11342
the state, only incumbents who work in that geographical region 11343
shall be advanced to a higher step. When an employee in the 11344
unclassified service changes from one state position to another or 11345
is appointed to a position in the classified service, or if an 11346
employee in the classified service is appointed to a position in 11347
the unclassified service, the employee's salary or wage in the new 11348
position shall be determined in the same manner as if the employee 11349
were an employee in the classified service. When an employee in 11350
the unclassified service who is not eligible for step increases is 11351

appointed to a classification in the classified service under 11352
which step increases are provided, future step increases shall be 11353
based on the date on which the employee last received a pay 11354
increase. If the employee has not received an increase during the 11355
previous year, the date of the appointment to the classified 11356
service shall be used to determine the employee's annual step 11357
advancement eligibility date. In reassigning any employee to a 11358
classification resulting in a pay range increase or to a new pay 11359
range as a result of a promotion, an increase pay range 11360
adjustment, or other classification change resulting in a pay 11361
range increase, the director shall assign such employee to the 11362
step in the new pay range that will provide an increase of 11363
approximately four per cent if the new pay range can accommodate 11364
the increase. When an employee is being assigned to a 11365
classification or new pay range as the result of a class plan 11366
change, if the employee has completed a probationary period, the 11367
employee shall be placed in a step no lower than step two of the 11368
new pay range. If the employee has not completed a probationary 11369
period, the employee may be placed in step one of the new pay 11370
range. Such new salary or wage shall become effective on such date 11371
as the director determines. 11372

(F) If employment conditions and the urgency of the work 11373
require such action, the director of administrative services may, 11374
upon the application of a department head, authorize payment at 11375
any rate established within the range for the class of work, for 11376
work of a casual or intermittent nature or on a project basis. 11377
Payment at such rates shall not be made to the same individual for 11378
more than three calendar months in any one calendar year. Any such 11379
action shall be subject to the approval of the director of budget 11380
and management as to the availability of funds. This section and 11381
sections 124.14 and 124.152 of the Revised Code do not repeal any 11382
authority of any department or public official to contract with or 11383
fix the compensation of professional persons who may be employed 11384

temporarily for work of a casual nature or for work on a project 11385
basis. 11386

(G)(1) Except as provided in divisions (G)(2) and (3) of this 11387
section, each state employee paid in accordance with schedule B of 11388
this section or schedule E-1 of section 124.152 of the Revised 11389
Code shall be eligible for advancement to succeeding steps in the 11390
range for the employee's class or grade according to the schedule 11391
established in this division. Beginning on the first day of the 11392
pay period within which the employee completes the prescribed 11393
probationary period in the employee's classification with the 11394
state, each employee shall receive an automatic salary adjustment 11395
equivalent to the next higher step within the pay range for the 11396
employee's class or grade. 11397

Except as provided in divisions (G)(2) and (3) of this 11398
section, each employee paid in accordance with schedule E-1 of 11399
section 124.152 of the Revised Code shall be eligible to advance 11400
to the next higher step until the employee reaches the top step in 11401
the range for the employee's class or grade, if the employee has 11402
maintained satisfactory performance in accordance with criteria 11403
established by the employee's appointing authority. Those step 11404
advancements shall not occur more frequently than once in any 11405
twelve-month period. 11406

When an employee is promoted, the step entry date shall be 11407
set to account for a probationary period. When an employee is 11408
reassigned to a higher pay range, the step entry date shall be set 11409
to allow an employee who is not at the highest step of the range 11410
to receive a step advancement one year from the reassignment date. 11411
Step advancement shall not be affected by demotion. A promoted 11412
employee shall advance to the next higher step of the pay range on 11413
the first day of the pay period in which the required probationary 11414
period is completed. Step advancement shall become effective at 11415
the beginning of the pay period within which the employee attains 11416

the necessary length of service. Time spent on authorized leave of absence shall be counted for this purpose.

If determined to be in the best interest of the state service, the director of administrative services may, either statewide or in selected agencies, adjust the dates on which annual step advancements are received by employees paid in accordance with schedule E-1 of section 124.152 of the Revised Code.

(2)(a) There shall be a moratorium on annual step advancements under division (G)(1) of this section beginning June 21, 2009, through June 20, 2011. Step advancements shall resume with the pay period beginning June 21, 2011. Upon the resumption of step advancements, there shall be no retroactive step advancements for the period the moratorium was in effect. The moratorium shall not affect an employee's performance evaluation schedule.

An employee who begins a probationary period before June 21, 2009, shall advance to the next step in the employee's pay range at the end of probation, and then become subject to the moratorium. An employee who is hired, promoted, or reassigned to a higher pay range between June 21, 2009, through June 20, 2011, shall not advance to the next step in the employee's pay range until the next anniversary of the employee's date of hire, promotion, or reassignment that occurs on or after June 21, 2011.

(b) The moratorium under division (G)(2)(a) of this section shall apply to the employees of the secretary of state, the auditor of state, the treasurer of state, and the attorney general, who are subject to this section unless the secretary of state, the auditor of state, the treasurer of state, or the attorney general decides to exempt the office's employees from the moratorium and so notifies the director of administrative services in writing on or before July 1, 2009.

(3) Employees in intermittent positions shall be employed at 11449
the minimum rate established for the pay range for their 11450
classification and are not eligible for step advancements. 11451

(H) Employees in appointive managerial or professional 11452
positions paid in accordance with schedule C of this section or 11453
schedule E-2 of section 124.152 of the Revised Code may be 11454
appointed at any rate within the appropriate pay range. This rate 11455
of pay may be adjusted higher or lower within the respective pay 11456
range at any time the appointing authority so desires as long as 11457
the adjustment is based on the employee's ability to successfully 11458
administer those duties assigned to the employee. Salary 11459
adjustments shall not be made more frequently than once in any 11460
six-month period under this provision to incumbents holding the 11461
same position and classification. 11462

(I) When an employee is assigned to duty outside this state, 11463
the employee may be compensated, upon request of the department 11464
head and with the approval of the director of administrative 11465
services, at a rate not to exceed fifty per cent in excess of the 11466
employee's current base rate for the period of time spent on that 11467
duty. 11468

(J) Unless compensation for members of a board or commission 11469
is otherwise specifically provided by law, the director of 11470
administrative services shall establish the rate and method of 11471
payment for members of boards and commissions pursuant to the pay 11472
schedules listed in section 124.152 of the Revised Code. 11473

(K) Regular full-time employees in positions assigned to 11474
classes within the instruction and education administration series 11475
under the job classification plans of the director of 11476
administrative services, except certificated employees on the 11477
instructional staff of ~~the state school for the blind or the state~~ 11478
~~school for the deaf~~ Ohio deaf and blind education services, whose 11479
positions are scheduled to work on the basis of an academic year 11480

rather than a full calendar year, shall be paid according to the 11481
pay range assigned by the applicable job classification plan, but 11482
only during those pay periods included in the academic year of the 11483
school where the employee is located. 11484

(1) Part-time or substitute teachers or those whose period of 11485
employment is other than the full academic year shall be 11486
compensated for the actual time worked at the rate established by 11487
this section. 11488

(2) Employees governed by this division are exempt from 11489
sections 124.13 and 124.19 of the Revised Code. 11490

(3) Length of service for the purpose of determining 11491
eligibility for step advancements as provided by division (G) of 11492
this section and for the purpose of determining eligibility for 11493
longevity pay supplements as provided by division (E) of section 11494
124.181 of the Revised Code shall be computed on the basis of one 11495
full year of service for the completion of each academic year. 11496

(L) The superintendent of ~~the state school for the deaf and~~ 11497
~~the superintendent of the state school for the blind~~ Ohio deaf and 11498
blind education services shall, subject to the approval of the 11499
superintendent of public instruction, carry out both of the 11500
following: 11501

(1) Annually, between the first day of April and the last day 11502
of June, establish for the ensuing fiscal year a schedule of 11503
hourly rates for the compensation of each certificated employee on 11504
the instructional staff of ~~that superintendent's respective school~~ 11505
Ohio deaf and blind education services constructed as follows: 11506

(a) Determine for each level of training, experience, and 11507
other professional qualification for which an hourly rate is set 11508
forth in the current schedule, the per cent that rate is of the 11509
rate set forth in such schedule for a teacher with a bachelor's 11510
degree and no experience. If there is more than one such rate for 11511

such a teacher, the lowest rate shall be used to make the 11512
computation. 11513

(b) Determine which six city, local, and exempted village 11514
school districts with territory in Franklin county have in effect 11515
on, or have adopted by, the first day of April for the school year 11516
that begins on the ensuing first day of July, teacher salary 11517
schedules with the highest minimum salaries for a teacher with a 11518
bachelor's degree and no experience; 11519

(c) Divide the sum of such six highest minimum salaries by 11520
ten thousand five hundred sixty; 11521

(d) Multiply each per cent determined in division (L)(1)(a) 11522
of this section by the quotient obtained in division (L)(1)(c) of 11523
this section; 11524

(e) One hundred five per cent of each product thus obtained 11525
shall be the hourly rate for the corresponding level of training, 11526
experience, or other professional qualification in the schedule 11527
for the ensuing fiscal year. 11528

(2) Annually, assign each certificated employee on the 11529
instructional staff of ~~the superintendent's respective school~~ Ohio 11530
deaf and blind education services to an hourly rate on the 11531
schedule that is commensurate with the employee's training, 11532
experience, and other professional qualifications. 11533

If an employee is employed on the basis of an academic year, 11534
the employee's annual salary shall be calculated by multiplying 11535
the employee's assigned hourly rate times one thousand seven 11536
hundred sixty. If an employee is not employed on the basis of an 11537
academic year, the employee's annual salary shall be calculated in 11538
accordance with the following formula: 11539

(a) Multiply the number of days the employee is required to 11540
work pursuant to the employee's contract by eight; 11541

(b) Multiply the product of division (L)(2)(a) of this section by the employee's assigned hourly rate.

Each employee shall be paid an annual salary in biweekly installments. The amount of each installment shall be calculated by dividing the employee's annual salary by the number of biweekly installments to be paid during the year.

Sections 124.13 and 124.19 of the Revised Code do not apply to an employee who is paid under this division.

As used in this division, "academic year" means the number of days in each school year that the ~~schools~~ state school for the deaf and the state school for the blind are required to be open for instruction with pupils in attendance. Upon completing an academic year, an employee paid under this division shall be deemed to have completed one year of service. An employee paid under this division is eligible to receive a pay supplement under division (L)(1), (2), or (3) of section 124.181 of the Revised Code for which the employee qualifies, but is not eligible to receive a pay supplement under division (L)(4) or (5) of that section. An employee paid under this division is eligible to receive a pay supplement under division (L)(6) of section 124.181 of the Revised Code for which the employee qualifies, except that the supplement is not limited to a maximum of five per cent of the employee's regular base salary in a calendar year.

(M) Division (A) of this section does not apply to "exempt employees," as defined in section 124.152 of the Revised Code, who are paid under that section.

Notwithstanding any other provisions of this chapter, when an employee transfers between bargaining units or transfers out of or into a bargaining unit, the director of administrative services shall establish the employee's compensation and adjust the maximum leave accrual schedule as the director deems equitable.

Sec. 124.34. (A) The tenure of every officer or employee in 11573
the classified service of the state and the counties, civil 11574
service townships, cities, city health districts, general health 11575
districts, and city school districts of the state, holding a 11576
position under this chapter, shall be during good behavior and 11577
efficient service. No officer or employee shall be reduced in pay 11578
or position, fined, suspended, or removed, or have the officer's 11579
or employee's longevity reduced or eliminated, except as provided 11580
in section 124.32 of the Revised Code, and for incompetency, 11581
inefficiency, unsatisfactory performance, dishonesty, drunkenness, 11582
immoral conduct, insubordination, discourteous treatment of the 11583
public, neglect of duty, violation of any policy or work rule of 11584
the officer's or employee's appointing authority, violation of 11585
this chapter or the rules of the director of administrative 11586
services or the commission, any other failure of good behavior, 11587
any other acts of misfeasance, malfeasance, or nonfeasance in 11588
office, or conviction of a felony while employed in the civil 11589
service. The denial of a one-time pay supplement or a bonus to an 11590
officer or employee is not a reduction in pay for purposes of this 11591
section. 11592

This section does not apply to any modifications or 11593
reductions in pay or work week authorized by section 124.392, 11594
124.393, or 124.394 of the Revised Code. 11595

An appointing authority may require an employee who is 11596
suspended to report to work to serve the suspension. An employee 11597
serving a suspension in this manner shall continue to be 11598
compensated at the employee's regular rate of pay for hours 11599
worked. The disciplinary action shall be recorded in the 11600
employee's personnel file in the same manner as other disciplinary 11601
actions and has the same effect as a suspension without pay for 11602
the purpose of recording disciplinary actions. 11603

A finding by the appropriate ethics commission, based upon a preponderance of the evidence, that the facts alleged in a complaint under section 102.06 of the Revised Code constitute a violation of Chapter 102., section 2921.42, or section 2921.43 of the Revised Code may constitute grounds for dismissal. Failure to file a statement or falsely filing a statement required by section 102.02 of the Revised Code may also constitute grounds for dismissal. The tenure of an employee in the career professional service of the department of transportation is subject to section 5501.20 of the Revised Code.

Conviction of a felony while employed in the civil service is a separate basis for reducing in pay or position, suspending, or removing an officer or employee, even if the officer or employee has already been reduced in pay or position, suspended, or removed for the same conduct that is the basis of the felony. An officer or employee may not appeal to the state personnel board of review or the commission any disciplinary action taken by an appointing authority as a result of the officer's or employee's conviction of a felony. If an officer or employee removed under this section is reinstated as a result of an appeal of the removal, any conviction of a felony that occurs during the pendency of the appeal is a basis for further disciplinary action under this section upon the officer's or employee's reinstatement.

A person convicted of a felony while employed in the civil service immediately forfeits the person's status as a classified employee in any public employment on and after the date of the conviction for the felony. If an officer or employee is removed under this section as a result of being convicted of a felony or is subsequently convicted of a felony that involves the same conduct that was the basis for the removal, the officer or employee is barred from receiving any compensation after the removal notwithstanding any modification or disaffirmance of the

removal, unless the conviction for the felony is subsequently 11636
reversed or annulled. 11637

Any person removed for conviction of a felony is entitled to 11638
a cash payment for any accrued but unused sick, personal, and 11639
vacation leave as authorized by law. If subsequently reemployed in 11640
the public sector, the person shall qualify for and accrue these 11641
forms of leave in the manner specified by law for a newly 11642
appointed employee and shall not be credited with prior public 11643
service for the purpose of receiving these forms of leave. 11644

As used in this division, "felony" means any of the 11645
following: 11646

(1) A felony that is an offense of violence as defined in 11647
section 2901.01 of the Revised Code; 11648

in section 2925.01 of the Revised Code; 11650

(3) A felony under the laws of this or any other state or the 11651
United States that is a crime of moral turpitude; 11652

(5) A felony that is a violation of section 2921.05, 2921.32, 11654
or 2921.42 of the Revised Code. 11655

(B) In case of a reduction, a suspension of more than forty 11656
work hours in the case of an employee exempt from the payment of 11657
overtime compensation, a suspension of more than twenty-four work 11658
hours in the case of an employee required to be paid overtime 11659
compensation, a fine of more than forty hours' pay in the case of 11660
an employee exempt from the payment of overtime compensation, a 11661
fine of more than twenty-four hours' pay in the case of an 11662
employee required to be paid overtime compensation, or removal, 11663
except for the reduction or removal of a probationary employee, 11664
the appointing authority shall serve the employee with a copy of 11665

the order of reduction, fine, suspension, or removal, which order shall state the reasons for the action.

Within ten days following the date on which the order is served or, in the case of an employee in the career professional service of the department of transportation, within ten days following the filing of a removal order, the employee, except as otherwise provided in this section, may file an appeal of the order in writing with the state personnel board of review or the commission. For purposes of this section, the date on which an order is served is the date of hand delivery of the order or the date of delivery of the order by certified United States mail, whichever occurs first. If an appeal is filed, the board or commission shall forthwith notify the appointing authority and shall hear, or appoint a trial board to hear, the appeal within thirty days from and after its filing with the board or commission. The board, commission, or trial board may affirm, disaffirm, or modify the judgment of the appointing authority. However, in an appeal of a removal order based upon a violation of a last chance agreement, the board, commission, or trial board may only determine if the employee violated the agreement and thus affirm or disaffirm the judgment of the appointing authority.

In cases of removal or reduction in pay for disciplinary reasons, either the appointing authority or the officer or employee may appeal from the decision of the state personnel board of review or the commission, and any such appeal shall be to the court of common pleas ~~of the county in which the appointing authority is located, or to the court of common pleas of Franklin county, as provided by section 119.12 of the Revised Code~~ in accordance with section 119.12 of the Revised Code.

(C) In the case of the suspension for any period of time, or a fine, demotion, or removal, of a chief of police, a chief of a fire department, or any member of the police or fire department of

a city or civil service township, who is in the classified civil 11698
service, the appointing authority shall furnish the chief or 11699
member with a copy of the order of suspension, fine, demotion, or 11700
removal, which order shall state the reasons for the action. The 11701
order shall be filed with the municipal or civil service township 11702
civil service commission. Within ten days following the filing of 11703
the order, the chief or member may file an appeal, in writing, 11704
with the commission. If an appeal is filed, the commission shall 11705
forthwith notify the appointing authority and shall hear, or 11706
appoint a trial board to hear, the appeal within thirty days from 11707
and after its filing with the commission, and it may affirm, 11708
disaffirm, or modify the judgment of the appointing authority. An 11709
appeal on questions of law and fact may be had from the decision 11710
of the commission to the court of common pleas in the county in 11711
which the city or civil service township is situated. The appeal 11712
shall be taken within thirty days from the finding of the 11713
commission. 11714

(D) A violation of division (A)(7) of section 2907.03 of the 11715
Revised Code is grounds for termination of employment of a 11716
nonteaching employee under this section. 11717

(E) The director shall adopt a rule in accordance with 11718
Chapter 119. of the Revised Code to define the term 11719
"unsatisfactory performance" as it is used in this section with 11720
regard to employees in the service of the state. 11721

(F) As used in this section, "last chance agreement" means an 11722
agreement signed by both an appointing authority and an officer or 11723
employee of the appointing authority that describes the type of 11724
behavior or circumstances that, if it occurs, will automatically 11725
lead to removal of the officer or employee without the right of 11726
appeal to the state personnel board of review or the appropriate 11727
commission. 11728

Sec. 124.387. (A) As used in this section, "stillborn" has 11729

whose salary or wage is paid directly by warrant of the director 11732
of budget and management shall be granted three days of 11733
bereavement leave with pay ~~upon~~ due to the death of a member of 11734
the employee's immediate family. 11735

(C) Except as provided in division (E) of this section, an 11736
employee described in division (B) of this section may use 11737
bereavement leave under this section when the employee is the 11738
parent of a miscarried or stillborn child. An employee using 11739
bereavement leave based on a miscarriage shall provide appropriate 11740
medical documentation of the miscarriage. An employee using 11741
bereavement leave based on a stillbirth shall provide a copy of 11742
the fetal death certificate. 11743

(D) The bereavement leave described in this section begins 11744
within one of the following time periods: 11745

(1) Not more than five calendar days after the immediate 11746
family member's death; 11747

(2) Not more than five days before or five days after the 11748
date of the immediate family member's funeral. 11749

(E) An employee who takes bereavement leave granted under 11750

parental leave or benefits under section 124.136 of the Revised 11752

employee's base rate of pay. 11755

Sec. 124.41. No person shall be eligible to receive an 11756
original appointment to a police department, as a police officer, 11757

physician assistant, a clinical nurse specialist, a certified 11762
nurse practitioner, or a certified nurse-midwife, certifying that 11763
the applicant is free of cardiovascular and pulmonary diseases, 11764
and showing that the applicant meets the physical requirements 11765
necessary to perform the duties of a police officer as established 11766
by the civil service commission having jurisdiction over the 11767

such physical examination shall be paid by the civil service 11773
commission. Except as otherwise provided in this section, no 11774
person is eligible to receive an original appointment when the 11775
person is thirty-five years of age or older, and no person can be 11776
declared disqualified as over age prior to that time. The maximum 11777
age limitation established by this section does not apply to a 11778
city in which an ordinance establishes a different maximum age 11779
limitation for an original appointment to the police department or 11780
to a civil service township in which a resolution adopted by the 11781
board of trustees of the township establishes a different maximum 11782
age limitation for an original appointment to the police 11783
department. 11784

Nothing in this section shall prevent a municipal corporation 11785
or a civil service township from establishing a police cadet 11786
program and employing persons as police cadets at age eighteen for 11787
the purposes of training persons to become police officers. The 11788
board of trustees of a civil service township may establish by 11789
resolution such a cadet program. A person participating in a 11790

municipal or township police cadet program shall not be permitted 11791

would result in the state agency paying a price that is one 11961
hundred twenty per cent or higher than the price that is available 11962
from the foreign supplier. No requesting agency shall proceed with 11963

(A) A state agency may, without competitive selection, make any purchase of supplies or services that cost less than fifty thousand dollars after complying with divisions (A) to (E) of section 125.035 of the Revised Code. The agency may make the purchase directly or may make the purchase from or through the department of administrative services, whichever the agency determines. (C) An agency that has been granted a release and permit

under ~~division (G)~~ of section 125.035 of the Revised Code to make 12005
a purchase may make the purchase without competitive selection if 12006

services approves the purchase. 12013

established by the department of administrative services under 12017
section 125.073 of the Revised Code. 12018

(E) If the department of education or the Ohio education 12019
computer network determines that it can purchase software services 12020
or supplies for specified school districts at a price less than 12021
the price for which the districts could purchase the same software 12022
services or supplies for themselves, the department or network 12023
shall certify that fact to the department of administrative 12024
services and, acting as an agent for the specified school 12025
districts, shall make that purchase without following the 12026
provisions in divisions (A) to (D) of this section. 12027

~~(E)~~(F) When the purchase cost of personal protective 12028

of an applicable first or second requisite procurement program, 12032
the agency shall apply the same preferences in section 125.09 of 12033
the Revised Code when making the purchase. As used in this 12034

required payment date shall be the date on which payment is due 12809
under the terms of a written agreement between the state agency 12810
and the person or, if a specific payment date is not established 12811
by such a written agreement, the required payment date shall be 12812

the amount of the payment due. 12814

(B) If the invoice submitted to the state agency contains a 12815
defect or impropriety, the agency shall send written notification 12816
to the person within fifteen days after receipt of the invoice. 12817

impropriety and any additional information necessary to correct 12819
the defect or impropriety. If the agency sends such written 12820
notification to the person, the required payment date shall be 12821
thirty days after the state agency receives a proper invoice. 12822

(C) In applying this section to claims submitted to the 12823
department of job and family services by providers of equipment, 12824
materials, goods, supplies, or services, the required payment date 12825
shall be the date on which payment is due under the terms of a 12826
written agreement between the department and the provider. If a 12827
specific payment date is not established by a written agreement, 12828
the required payment date shall be thirty days after the 12829
department receives a proper claim. If the department determines 12830
that the claim is improperly executed or that additional evidence 12831

notify the claimant in writing or by telephone within fifteen days 12833
after receipt of the claim. The notice shall state that the claim 12834

is improperly executed and needs correction or that additional 12835
information is necessary to establish the validity of the claim. 12836
If the department makes such notification to the provider, the 12837
required payment date shall be thirty days after the department 12838
receives the corrected claim or such additional information as may 12839
be necessary to establish the validity of the claim. 12840

(D) In applying this section to invoices submitted to the 12841
bureau of workers' compensation for equipment, materials, goods, 12842
supplies, or services provided to employees in connection with an 12843
employee's claim against the state insurance fund, the public 12844
work-relief employees' compensation fund, the coal-workers 12845
pneumoconiosis fund, or the marine industry fund as compensation 12846
for injuries or occupational disease pursuant to Chapter 4123., 12847
4127., or 4131. of the Revised Code, the required payment date 12848
shall be the date on which payment is due under the terms of a 12849
written agreement between the bureau and the provider. If a 12850
specific payment date is not established by a written agreement, 12851
the required payment date shall be thirty days after the bureau 12852
receives a proper invoice for the amount of the payment due or 12853
thirty days after the final adjudication allowing payment of an 12854
award to the employee, whichever is later. Nothing in this section 12855
shall supersede any faster timetable for payments to health care 12856
providers contained in sections 4121.44 and 4123.512 of the 12857
Revised Code. 12858

For purposes of this division, a "proper invoice" includes 12859
the claimant's name, claim number and date of injury, employer's 12860
name, the provider's name and address, the provider's assigned 12861
payee number, a description of the equipment, materials, goods, 12862
supplies, or services provided by the provider to the claimant, 12863
the date provided, and the amount of the charge. If more than one 12864
item of equipment, materials, goods, supplies, or services is 12865
listed by a provider on a single application for payment, each 12866

item shall be considered separately in determining if it is a 12867
proper invoice. 12868

If prior to a final adjudication the bureau determines that 12869
the invoice contains a defect, the bureau shall notify the 12870
provider in writing at least fifteen days prior to what would be 12871
the required payment date if the invoice did not contain a defect. 12872
The notice shall contain a description of the defect and any 12873
additional information necessary to correct the defect. If the 12874
bureau sends a notification to the provider, the required payment 12875
date shall be redetermined in accordance with this division after 12876
the bureau receives a proper invoice. 12877

For purposes of this division, "final adjudication" means the 12878
later of the date of the decision or other action by the bureau, 12879
the industrial commission, or a court allowing payment of the 12880
award to the employee from which there is no further right to 12881
reconsideration or appeal that would require the bureau to 12882
withhold compensation and benefits, or the date on which the 12883
rights to reconsideration or appeal have expired without an 12884
application therefor having been filed or, if later, the date on 12885
which an application for reconsideration or appeal is withdrawn. 12886
If after final adjudication, the administrator of the bureau of 12887
workers' compensation or the industrial commission makes a 12888
modification with respect to former findings or orders, pursuant 12889
to Chapter 4123., 4127., or 4131. of the Revised Code or pursuant 12890
to court order, the adjudication process shall no longer be 12891
considered final for purposes of determining the required payment 12892
date for invoices for equipment, materials, goods, supplies, or 12893
services provided after the date of the modification when the 12894
propriety of the invoices is affected by the modification. 12895

(E) The interest charge on amounts due shall be paid to the 12896
person for the period beginning on the day after the required 12897
payment date and ending on the day that payment of the amount due 12898

is made. The amount of the interest charge that remains unpaid at 12899
the end of any thirty-day period after the required payment date, 12900
including amounts under ten dollars, shall be added to the 12901
principal amount of the debt and thereafter the interest charge 12902
shall accrue on the principal amount of the debt plus the added 12903
interest charge. The interest charge shall be at the rate per 12904
calendar month that equals one-twelfth of the rate per annum 12905
prescribed by section 5703.47 of the Revised Code for the calendar 12906
year that includes the month for which the interest charge 12907
accrues. 12908

(F) No appropriations shall be made for the payment of any 12909
interest charges required by this section. Any state agency 12910
required to pay interest charges under this section shall make the 12911
payments from moneys available for the administration of agency 12912
programs. 12913

If a state agency pays interest charges under this section, 12914
but determines that all or part of the interest charges should 12915
have been paid by another state agency, the state agency that paid 12916
the interest charges may request the attorney general to determine 12917
the amount of the interest charges that each state agency should 12918
have paid under this section. If the attorney general determines 12919
that the state agency that paid the interest charges should have 12920
paid none or only a part of the interest charges, the attorney 12921
general shall notify the state agency that paid the interest 12922
charges, any other state agency that should have paid all or part 12923
of the interest charges, and the director of budget and management 12924
of the attorney general's decision, stating the amount of interest 12925
charges that each state agency should have paid. The director 12926
shall transfer from the appropriate funds of any other state 12927
agency that should have paid all or part of the interest charges 12928
to the appropriate funds of the state agency that paid the 12929
interest charges an amount necessary to implement the attorney 12930

general's decision. 12931

(G) ~~Not later than forty five days after the end of each~~ 12932
~~fiscal year, each state agency shall file with the~~ The director of 12933
budget and management ~~a detailed report concerning the interest~~ 12934

(C) Prior to paying a retirement allowance, the public employees retirement system shall make the following calculations: 15490
15491

(1) Determine an amount equal to the value of the member's accumulated contributions, exclusive of contributions payable under divisions (I)(2)(b) and (c) or (I)(3)(b) and (c) of section 145.332 of the Revised Code but including any contributions made under section 145.483 of the Revised Code that represent member contributions, any contributions used to fund a benefit under 15492

as determined by an actuary appointed by the board; 15501

(2) Determine the amount of a single life annuity that is the 15502

of retirement or, when appropriate, the age at the time of the 15505
member's death; 15506

(3) Multiply the annuity amount determined under division 15507
(C)(2) of this section by the CBBC factor. 15508

(D) The amount determined under division (C)(3) of this 15509
section is the member's CBBC. Except as provided in division (E) 15510
of this section, if the retirement allowance the member would 15511
receive exceeds the member's CBBC, the allowance shall be reduced 15512
to an amount equal to the member's CBBC. 15513

(E) The retirement allowance of a member eligible for age and 15514

more than five per cent of the member's single lifetime allowance 15518
computed under section 145.33 or 145.332 of the Revised Code, 15519
unless during any full month of service earned after January 1, 15520

public employees retirement system participating in the PERS 15524
combined plan, as defined in section 145.196 of the Revised Code, 15525
that was consolidated by the system with the PERS defined benefit 15526
plan under that section. 15527

(B)(1) When a member described in section 145.196 of the Revised Code retires on age and service retirement, the total annual single lifetime allowance for that member shall be an amount adjusted in accordance with division (B)(2) or (C) of this section and determined by multiplying the member's total service credit by the following:

(a) If the member is eligible for age and service retirement under division (A) or (B) of section 145.32 of the Revised Code, one per cent of the member's final average salary for each of the first thirty years of service plus one and one-quarter per cent of the member's final average salary for each subsequent year of service;

(b) If the member is eligible for age and service retirement under division (C) of section 145.32 of the Revised Code, one per cent of the member's final average salary for each of the first thirty-five years of service plus one and one-quarter per cent of the member's final average salary for each subsequent year of service.

(2)(a) For a member eligible to retire under division (A) of section 145.32 of the Revised Code, the member's allowance under division (B)(1) of this section shall be adjusted by the factors of attained age or years of service to provide the greater amount as determined by the following schedule:

Sec. 145.35. (A) As used in this section and sections 145.362 15589
and 145.363 of the Revised Code: 15590

(1) "Examining physician" means a physician appointed by the 15591
public employees retirement board to conduct a medical examination 15592
of a disability benefit applicant or recipient. 15593

(2) "Medical consultant" means a physician appointed by the 15594
board to review a member's application for a disability benefit or 15595
an appeal of a denial or termination of a benefit. 15596

(3) "On-duty illness or injury" means an illness or injury 15597
that occurred during or resulted from performance of duties under 15598
the direct supervision of a public employer. 15599

(B) The public employees retirement system shall provide 15600
disability coverage to each member who has at least five years of 15601
total service credit and disability coverage for on-duty illness 15602
or injury to each member who is a PERS law enforcement officer or 15603
PERS public safety officer, regardless of length of service. 15604

The coverage shall extend only to illness or injury that 15605
occurs before the member's contributing service terminates or, in 15606
the case of illness or injury that results from contributing 15607
service, becomes evident not later than two years after the date 15608
the contributing service ends. The coverage shall not extend to 15609
disability resulting from elective cosmetic surgery other than 15610
reconstructive surgery. 15611

Not later than October 16, 1992, the public employees 15612
retirement board shall give each person who is a member on July 15613
29, 1992, the opportunity to elect disability coverage either 15614
under section 145.36 of the Revised Code or under section 145.361 15615
of the Revised Code. The board shall mail notice of the election, 15616
accompanied by an explanation of the coverage under each of the 15617
Revised Code sections and a form on which the election is to be 15618

made, to each member at the member's last known address. The board 15619
shall also provide the explanation and form to any member on 15620
request. 15621

Regardless of whether the member actually receives notice of 15622
the right to make an election, a member who fails to file a valid 15623
election under this section shall be considered to have elected 15624
disability coverage under section 145.36 of the Revised Code. To 15625
be valid, an election must be made on the form provided by the 15626
retirement board, signed by the member, and filed with the board 15627
not later than one hundred eighty days after the date the notice 15628
was mailed, or, in the case of a form provided at the request of a 15629
member, a date specified by rule of the retirement board. Once 15630
made, an election is irrevocable, but if the member ceases to be a 15631
member of the retirement system, the election is void. If a person 15632
who makes an election under this section also makes an election 15633
under section 3307.62 or 3309.39 of the Revised Code, the election 15634
made for the system that pays a disability benefit to that person 15635
shall govern the benefit. 15636

Disability coverage shall be provided under section 145.361 15637
of the Revised Code for persons who become members after July 29, 15638
1992, and for members who elect under this division to be covered 15639
under section 145.361 of the Revised Code. 15640

The retirement board may adopt rules governing elections made 15641
under this division. 15642

(C) Application for a disability benefit may be made by a 15643
member, by a person acting in the member's behalf, or by the 15644
member's employer, provided the member has disability coverage 15645
under section 145.36 or 145.361 of the Revised Code and is not 15646
receiving a disability benefit under any other Ohio state or 15647
municipal retirement program. Application must be made within two 15648
years from the date the member's contributing service under the 15649
PERS defined benefit plan terminated or the date the member ceased 15650

to make contributions to the PERS defined benefit plan under 15651
section 145.814 of the Revised Code, unless the board's medical 15652
consultant determines that the member's medical records 15653
demonstrate conclusively that at the time the two-year period 15654
expired, the member was physically or mentally incapacitated for 15655
duty and unable to make an application. Application may not be 15656
made by or for any person receiving age and service retirement 15657
benefits under section 145.33, 145.331, 145.332, 145.335, or 15658
145.37 or former section 145.34 of the Revised Code or any person 15659
who, pursuant to section 145.40 of the Revised Code, has been paid 15660
the accumulated contributions standing to the credit of the 15661
person's individual account in the employees' savings fund. The 15662
application shall be made on a form provided by the retirement 15663
board. 15664

(D) The benefit payable to any member who is approved for a 15665
disability benefit shall become effective on the first day of the 15666
month immediately following the later of the following: 15667

(1) The last day for which compensation was paid; 15668

(2) The attainment of eligibility for a disability benefit. 15669

(E) Medical examination of a member who has applied for a 15670
disability benefit shall be conducted by a competent disinterested 15671
examining physician to determine whether the member is mentally or 15672
physically incapacitated for the performance of duty by a 15673
disabling condition either permanent or presumed to be permanent. 15674
The disability must have occurred since last becoming a member or 15675
have increased since last becoming a member to such extent as to 15676
make the disability permanent or presumed to be permanent. A 15677
disability is presumed to be permanent if it is expected to last 15678
for a continuous period of not less than twelve months following 15679
the filing of the application. 15680

The standard used to determine whether a member is 15681

incapacitated for duty is that the member is mentally or 15682
physically incapable of performing the duties of the most recent 15683
public position held by the member. 15684

A member shall receive a disability benefit under section 15685
145.36 or 145.361 of the Revised Code if all of the following 15686
apply: 15687

(1) The board's examining physician determines that the 15688
member qualifies for a disability benefit and the board's medical 15689
consultant concurs with the determination; 15690

(2) The board concurs with the medical consultant's 15691
determination; 15692

(3) The member agrees to medical treatment as specified in 15693
division (F) of this section. 15694

A disability benefit described in this division may be 15695
commenced prior to the board's concurrence with the determination 15696
if the conditions specified in divisions (E)(1) and (3) of this 15697
section are met. 15698

The action of the board shall be final. 15699

(F) The public employees retirement board shall adopt rules 15700
requiring a disability benefit recipient, as a condition of 15701
continuing to receive a disability benefit, to agree in writing to 15702
obtain any medical treatment recommended by the board's medical 15703
consultant and submit medical reports regarding the treatment. If 15704
the board determines that a disability benefit recipient is not 15705
obtaining the medical treatment or the board does not receive a 15706
required medical report, the disability benefit shall be suspended 15707
until the treatment is obtained, the report is received by the 15708
board, or the board's medical consultant certifies that the 15709
treatment is no longer helpful or advisable. Should the 15710
recipient's failure to obtain treatment or submit a medical report 15711
continue for one year, the recipient's right to the disability 15712

benefit shall be terminated as of the effective date of the 15713
original suspension. 15714

The board shall require the recipient of a disability benefit 15715
who is described in section 145.363 of the Revised Code to comply 15716
with that section. 15717

(G) A disability benefit that has been granted a member but 15718
has not commenced shall not be paid if the member continues in or 15719
returns to employment with the same employer in the same position 15720
or in a position with duties similar to those of the position the 15721
member held at the time the benefit was granted. 15722

(H) In the event an employer files an application for a 15723
disability benefit as a result of a member having been separated 15724
from service because the member is considered to be mentally or 15725
physically incapacitated for the performance of the member's 15726
present duty, and the board's medical consultant reports to the 15727
board that the member is physically and mentally capable of 15728
performing service similar to that from which the member was 15729
separated and the board concurs in the report, the board shall so 15730
certify to the employer and the employer shall restore the member 15731
to the member's previous position and salary or to a similar 15732
position and salary. 15733

Sec. 145.361. (A) A member with disability coverage under 15734
this section who is determined by the public employees retirement 15735
board under section 145.35 of the Revised Code to qualify for a 15736
disability benefit shall receive a disability allowance under this 15737
section. The allowance shall be an annual amount equal to the 15738
greater of the following: 15739

(1) Forty-five per cent of the member's final average salary; 15740

(2) The member's total service credit multiplied by two and 15741
two-tenths per cent of the member's final average salary, not 15742

exceeding sixty per cent of the member's final average salary. 15743

(B) Sufficient reserves for payment of the disability 15744
allowance shall be transferred to the annuity and pension reserve 15745
fund from the employers' contribution fund. The accumulated 15746
contributions of the member shall remain in the employees' savings 15747
fund. No part of the allowance paid under this section shall be 15748
charged against the member's accumulated contributions. 15749

(C) A disability allowance paid under this section shall 15750
terminate at the earliest of the following: 15751

(1) The effective date of age and service retirement under 15752
sections 145.32, 145.33, ~~and~~ 145.332, and 145.335, or section 15753
145.37 or former section 145.34 of the Revised Code; 15754

(2) The date the allowance is terminated under section 15755
145.362 of the Revised Code; 15756

(3) The later of the last day of the month in which the 15757
recipient attains the applicable age, or the last day of the month 15758
in which the benefit period ends as follows: 15759

Attained Age at		Benefit Period

member is described in division (C) of section 145.32 or division 15773

(C) of section 145.332 of the Revised Code.	15774

system retirant was a member of such employment. 15817

(4)(a) A PERS retirant who has received a retirement 15818
allowance for less than two months when employment subject to this 15819
section commences shall forfeit the retirement allowance for any 15820
month the PERS retirant is employed prior to the expiration of the 15821
two-month period. Service and contributions for that period shall 15822

retirant's death or termination of the employment. 15825

(b) An other system retirant who has received a retirement 15826

the Revised Code. 15838

(5) On receipt of notice from the Ohio police and fire 15839

retirant was employed at the time of retirement or, less than two 15848
months after the retirement allowance commences, begins providing 15849
services as an independent contractor pursuant to a contract with 15850

(i) The retirant held elective office in this state, or in 15874
any municipal corporation, county, or other political subdivision 15875

(ii) The retirant was elected or appointed to the same office 15877
for the remainder of the term or the term immediately following 15878
the term during which the retirement occurred. 15879

(2) A PERS retirant who is subject to this division is a 15880
member of the public employees retirement system with all the 15881
rights, privileges, and obligations of membership, except that the 15882
membership does not include survivor benefits provided pursuant to 15883
section 145.45 of the Revised Code or, beginning on the ninetieth 15884
day after September 14, 2000, any amount calculated under section 15885
145.401 of the Revised Code. The pension portion of the PERS 15886
retirant's retirement allowance shall be forfeited until the first 15887
day of the first month following termination of the employment. 15888
The annuity portion of the retirement allowance shall accumulate 15889
to the credit of the PERS retirant to be paid in a single payment 15890
after termination of the employment. The retirement allowance 15891
shall resume on the first day of the first month following 15892
termination of the employment. On termination of the employment, 15893
the PERS retirant shall elect to receive either a refund of the 15894
retirant's contributions to the retirement system during the 15895
period of employment subject to this section or a supplemental 15896
retirement allowance based on the retirant's contributions and 15897

service credit for that period of employment. 15898

(3) This division does not apply to any of the following: 15899

(a) A PERS retirant elected to office who, at the time of the 15900
election for the retirant's current term, was not retired but, not 15901
less than ninety days prior to the primary election for the term 15902
or the date on which a primary for the term would have been held, 15903
filed a written declaration of intent to retire before the end of 15904
the term with the director of the board of elections of the county 15905
in which petitions for nomination or election to the office are 15906
filed; 15907

(b) A PERS retirant elected to office who, at the time of the 15908
election for the retirant's current term, was a retirant and had 15909
been retired for not less than ninety days; 15910

(c) A PERS retirant appointed to office who, at the time of 15911
appointment to the retirant's current term, notified the person or 15912
entity making the appointment that the retirant was already 15913
retired or intended to retire before the end of the term. 15914

(D)(1) Except as provided in division (C) of this section, a 15915
PERS retirant or other system retirant subject to this section is 15916
not a member of the public employees retirement system, and, 15917
except as specified in this section does not have any of the 15918
rights, privileges, or obligations of membership. Except as 15919
specified in division (D)(2) of this section, the retirant is not 15920
eligible to receive health, medical, hospital, or surgical 15921
benefits under section 145.58 of the Revised Code for employment 15922
subject to this section. 15923

(2) A PERS retirant subject to this section shall receive 15924
primary health, medical, hospital, or surgical insurance coverage 15925
from the retirant's employer, if the employer provides coverage to 15926
other employees performing comparable work. Neither the employer 15927
nor the PERS retirant may waive the employer's coverage, except 15928

that the PERS retirant may waive the employer's coverage if the 15929
retirant has coverage comparable to that provided by the employer 15930
from a source other than the employer or the public employees 15931
retirement system. If a claim is made, the employer's coverage 15932
shall be the primary coverage and shall pay first. The benefits 15933
provided under section 145.58 of the Revised Code shall pay only 15934
those medical expenses not paid through the employer's coverage or 15935
coverage the PERS retirant receives through a source other than 15936
the retirement system. 15937

(E) If the disability benefit of an other system retirant 15938
employed under this section is terminated, the retirant shall 15939
become a member of the public employees retirement system, 15940
effective on the first day of the month next following the 15941
termination with all the rights, privileges, and obligations of 15942
membership. If such person, after the termination of the 15943
disability benefit, earns two years of service credit under this 15944
system or under the Ohio police and fire pension fund, state 15945
teachers retirement system, school employees retirement system, or 15946
state highway patrol retirement system, the person's prior 15947
contributions as an other system retirant under this section shall 15948
be included in the person's total service credit as a public 15949
employees retirement system member, and the person shall forfeit 15950
all rights and benefits of this section. Not more than one year of 15951
credit may be given for any period of twelve months. 15952

(F) This section does not affect the receipt of benefits by 15953
or eligibility for benefits of any person who on August 20, 1976, 15954
was receiving a disability benefit or service retirement pension 15955
or allowance from a state or municipal retirement system in Ohio 15956
and was a member of any other state or municipal retirement system 15957
of this state. 15958

(G) The public employees retirement board may adopt rules to 15959
carry out this section. 15960

Sec. 145.39. Whenever the limits established by section 415 15961
of the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 15962
U.S.C.A. 415, as amended, are raised, the public employees 15963
retirement board shall increase the amount of the pension, 15964
benefit, or allowance of any person whose pension, benefit, or 15965
allowance payable under section 145.323, 145.33, 145.331, 145.332, 15966
145.335, 145.36, or 145.361 or former section 145.34 of the 15967
Revised Code was limited by the application of section 415. The 15968
amount of the increased pension, benefit, or allowance shall not 15969
exceed the lesser of the amount the person would have received if 15970
the limits established by section 415 had not been applied or the 15971
amount the person is eligible to receive subject to the new limits 15972
established by section 415. 15973

Sec. 145.41. Membership shall cease upon refund of 15974
accumulated contributions, death, or retirement except as provided 15975
in section 145.362 of the Revised Code. A member who separates 15976
from service for any reason other than death or retirement or who 15977
otherwise ceases to be a public employee for any reason other than 15978
death or retirement may leave the member's accumulated 15979
contributions on deposit with the public employees retirement 15980
board and, for the purposes of the public employees retirement 15981
system, be considered on a membership leave of absence. The 15982
member's membership rights shall continue until the member has 15983
withdrawn the member's accumulated contributions, retired on a 15984
retirement allowance as provided in section 145.33, 145.331, ~~or~~ 15985
145.332, or 145.335 of the Revised Code, or died. The account of 15986
such a member shall remain in the employees' savings fund, except 15987
that the account of a member who has less than five calendar years 15988
of contributing service credit or is a member of the state 15989
teachers retirement system or the school employees retirement 15990
system may be transferred to the income fund if by the end of the 15991

fifth calendar year following the calendar year in which the last
contribution was received the member has not died, claimed a
refund of contributions, or requested the retirement board to
continue the member's membership on a leave of absence basis. In
case such a member later requests a refund, the member's account
shall be restored to the employees' savings account and refunded
therefrom. Members on such leaves of absence shall retain all
rights, obligations, and privileges of membership in the public
employees retirement system. A "contributor," as defined in
division (F) of section 145.01 of the Revised Code, who formerly
lost membership through termination of membership leave of absence
and who has not withdrawn the contributor's account shall be
reinstated as a member with all the rights, privileges, and
obligations of membership in the system. In no case shall a member
on leave of absence as provided in this section add to the
member's total number of years of service credit by reason of such
leave of absence, unless such member is eligible to and does make
a payment as provided in section 145.291 of the Revised Code.

Sec. 145.45. Except as provided in division (C)(1) of this
section, in lieu of accepting the payment of the accumulated
account of a member who dies before service retirement, a
beneficiary, as determined in this section or section 145.43 of
the Revised Code, may elect to forfeit the accumulated
contributions and to substitute certain other benefits under
division (A) or (B) of this section.

(A)(1) Except as provided in division (A)(3) of this section,
if a deceased member was eligible for a service retirement benefit
as provided in section 145.33, 145.331, ~~or 145.332,~~ or 145.335 of
the Revised Code, a surviving spouse or other sole dependent
beneficiary may elect to receive a monthly benefit computed as a
joint-life plan under which the spouse or beneficiary receives one
hundred per cent of the actuarial equivalent of the deceased

member's lesser retirement allowance payable for the member's 16024
life, which the member would have received had the member retired 16025
on the last day of the month of death and had the member at that 16026
time selected such a plan. Payment shall begin with the month 16027
subsequent to the member's death, except that a surviving spouse 16028
who is less than sixty-five years old may defer receipt of such 16029
benefit. Upon receipt, the benefit shall be calculated based upon 16030
the spouse's age at the time of first payment, and shall accrue 16031
regular interest during the time of deferral. 16032

(2) Except as provided in division (A)(3) of this section, a 16033
surviving spouse or other sole dependent beneficiary may elect, in 16034
lieu of a monthly payment under division (A)(1) of this section, a 16035
plan of payment consisting of both of the following: 16036

(a) A lump sum in an amount the surviving spouse or other 16037
sole dependent beneficiary designates that constitutes a portion 16038
of the allowance that would be payable under division (A)(1) of 16039
this section; 16040

(b) The remainder of that allowance in monthly payments. 16041

The total amount paid as a lump sum and a monthly benefit 16042
shall be the actuarial equivalent of the amount that would have 16043
been paid had the lump sum not been selected. 16044

The lump sum amount designated by the surviving spouse or 16045
other sole dependent beneficiary under division (A)(2)(a) of this 16046
section shall be not less than six times and not more than 16047
thirty-six times the monthly amount that would be payable to the 16048
surviving spouse or other sole dependent beneficiary under 16049
division (A)(1) of this section and shall not result in a monthly 16050
payment that is less than fifty per cent of that monthly amount. 16051

(3) If the monthly amount of the single lifetime allowance of 16052
a member who dies on or after ~~the effective date of this amendment~~ 16053
March 22, 2019, would be less than fifty dollars, a benefit under 16054

division (A)(1) or (2) of this section shall be the greater of the 16055
 following: 16056

(a) The amount payable under section 145.43 of the Revised 16057
 Code as a refund of the member's accumulated contributions; 16058

(b) An amount equal to the actuarial present value of the 16059
 member's retirement allowance as determined by the public 16060
 employees retirement system. 16061

(B) If a deceased member had, except as provided in division 16062
 (B)(7) of this section, at least one and one-half years of 16063
 contributing service credit, with, except as provided in division 16064
 (B)(7) of this section, at least one-quarter year of contributing 16065
 service credit within the two and one-half years prior to the date 16066
 of death, or was receiving at the time of death a disability 16067
 benefit as provided in section 145.36, 145.361, or 145.37 of the 16068
 Revised Code, qualified survivors who elect to receive monthly 16069
 benefits shall receive the greater of the benefits provided in 16070
 division (B)(1)(a) or (b) and (4) of this section as allocated in 16071
 accordance with division (B)(5) of this section. 16072

eligibility requirements as follows: 16097

(a) A qualified spouse is the surviving spouse of the 16098
deceased member, who is age sixty-two, or regardless of age meets 16099

otherwise receive when qualified by age. 16110

(b) A qualified child is any child of the deceased member who 16111
has never been married and to whom one of the following applies: 16112

by the member's death prior to August 20, 1976, and who is 16119
physically or mentally incompetent on or after August 20, 1976, 16120
shall be paid the monthly benefit for which that person would 16121
otherwise qualify. 16122

(3) "Physically or mentally incompetent" as used in this 16123
section may be determined by a court of jurisdiction, or by a 16124
physician appointed by the retirement board. Incapability of 16125
making a living because of a physically or mentally disabling 16126
condition shall meet the qualifications of this division. 16127

(4) Benefits to a qualified survivor shall terminate upon 16128
ceasing to meet eligibility requirements as provided in this 16129
division, a first marriage, abandonment, adoption, or during 16130
active military service. Benefits to a deceased member's surviving 16131
spouse that were terminated under a former version of this section 16132
that required termination due to remarriage and were not resumed 16133
prior to September 16, 1998, shall resume on the first day of the 16134
month immediately following receipt by the board of an application 16135
on a form provided by the board. 16136

Benefits to a qualified child who is at least eighteen years 16137
of age but under twenty-two years of age that under a former 16138
version of this section never commenced or were terminated due to 16139
a lack of attendance at an institution of learning or training and 16140
not commenced or resumed before April 6, 2017, shall commence or 16141
resume on the first day of the month immediately following receipt 16142
by the board of an application on a form provided by the board if 16143
the application is received on or before the date that is one year 16144
after April 6, 2017. These benefits terminate on the child 16145
attaining twenty-two years of age. 16146

Upon the death of any subsequent spouse who was a member of 16147
the public employees retirement system, state teachers retirement 16148

system, or school employees retirement system, the surviving 16149
spouse of such member may elect to continue receiving benefits 16150
under this division, or to receive survivor's benefits, based upon 16151
the subsequent spouse's membership in one or more of the systems, 16152
for which such surviving spouse is eligible under this section or 16153
section 3307.66 or 3309.45 of the Revised Code. If the surviving 16154
spouse elects to continue receiving benefits under this division, 16155
such election shall not preclude the payment of benefits under 16156
this division to any other qualified survivor. 16157

Benefits shall begin or resume on the first day of the month 16158
following the attainment of eligibility and shall terminate on the 16159

(5)(a) If a benefit is payable under division (B)(1)(a) of 16161
this section, benefits to a qualified spouse shall be paid in the 16162
amount determined for the first qualifying survivor in division 16163
(B)(1)(a) of this section. All other qualifying survivors shall 16164
share equally in the benefit or remaining portion thereof. 16165

(b) All qualifying survivors shall share equally in a benefit 16166
payable under division (B)(1)(b) of this section, except that if 16167
there is a surviving spouse, the surviving spouse shall receive 16168
not less than the amount determined for the first qualifying 16169
survivor in division (B)(1)(a) of this section. 16170

(6) The beneficiary of a member who is also a member of the 16171
state teachers retirement system or of the school employees 16172
retirement system, must forfeit the member's accumulated 16173
contributions in those systems and in the public employees 16174
retirement system, if the beneficiary takes a survivor benefit. 16175
Such benefit shall be exclusively governed by section 145.37 of 16176
the Revised Code. 16177

(7) The following restrictions do not apply if the deceased 16178
member was contributing toward benefits under section 145.332 of 16179

the Revised Code at the time of death: 16180

(a) That the deceased member have had at least one and 16181
one-half years of contributing service credit, with at least 16182
one-quarter year of contributing service within the two and 16183

(b) If the deceased member was killed in the line of duty, 16185
that the deceased member have had ten or more years of Ohio 16186
service credit as described in division (B)(2)(a)(i) of this 16187
section. 16188

For the purposes of division (B)(7)(b) of this section, 16189
"killed in the line of duty," means either that death occurred in 16190
the line of duty or that death occurred as a result of injury 16191
sustained in the line of duty. 16192

(C)(1) Regardless of whether the member is survived by a 16193
spouse or designated beneficiary, if the public employees 16194
retirement system receives notice that a deceased member described 16195
in division (A) or (B) of this section has one or more qualified 16196
children, all persons who are qualified survivors under division 16197
(B) of this section shall receive monthly benefits as provided in 16198
division (B) of this section. 16199

If, after determining the monthly benefits to be paid under 16200
division (B) of this section, the system receives notice that 16201
there is a qualified survivor who was not considered when the 16202
determination was made, the system shall, notwithstanding section 16203
145.561 of the Revised Code, recalculate the monthly benefits with 16204
that qualified survivor included, even if the benefits to 16205
qualified survivors already receiving benefits are reduced as a 16206
result. The benefits shall be calculated as if the qualified 16207
survivor who is the subject of the notice became eligible on the 16208
date the notice was received and shall be paid to qualified 16209
survivors effective on the first day of the first month following 16210

the system's receipt of the notice. 16211

If the retirement system did not receive notice that a 16212
deceased member has one or more qualified children prior to making 16213
payment under section 145.43 of the Revised Code to a beneficiary 16214
as determined by the retirement system, the payment is a full 16215
discharge and release of the system from any future claims under 16216
this section or section 145.43 of the Revised Code. 16217

(2) If benefits under division (C)(1) of this section to all 16218
persons, or to all persons other than a surviving spouse or other 16219
sole beneficiary, terminate, there are no children under the age 16220
of twenty-two years, and the surviving spouse or beneficiary 16221
qualifies for benefits under division (A) of this section, the 16222
surviving spouse or beneficiary may elect to receive benefits 16223
under division (A) of this section. The benefits shall be 16224
effective on the first day of the month immediately following the 16225
termination. 16226

(D) The final average salary used in the calculation of a 16227
benefit payable pursuant to division (A) or (B) of this section to 16228
a survivor or beneficiary of a disability benefit recipient shall 16229
be adjusted for each year between the disability benefit's 16230
effective date and the recipient's date of death by the lesser of 16231
three per cent or the actual average percentage increase in the 16232
consumer price index prepared by the United States bureau of labor 16233
statistics (U.S. city average for urban wage earners and clerical 16234
workers: "all items 1982-84=100"). 16235

(E) If the survivor benefits due and paid under this section 16236
are in a total amount less than the member's accumulated account 16237
that was transferred from the public employees' savings fund to 16238
the survivors' benefit fund, then the difference between the total 16239
amount of the benefits paid shall be paid to the beneficiary under 16240
section 145.43 of the Revised Code. 16241

Sec. 145.46. (A) A retirement allowance calculated under 16242
section 145.33, 145.331, ~~or 145.332,~~ or 145.335 of the Revised 16243
Code shall be paid as provided in this section. 16244

Unless the member is required by division (C) of this section 16245
to select a specified plan of payment, a member may elect a plan 16246
of payment as provided in division (B)(1), (2), or (3) of this 16247
section. An election shall be made at the time the member makes 16248
application for retirement and on a form provided by the public 16249
employees retirement board. A plan of payment elected under this 16250
section shall be effective only if approved by the board, which 16251
shall approve it only if it is certified by an actuary engaged by 16252
the board to be the actuarial equivalent of the retirement 16253
allowance calculated under section 145.33, 145.331, ~~or 145.332,~~ or 16254
145.335 of the Revised Code. 16255

(B) The following plans of payment shall be offered by the 16256
public employees retirement system: 16257

(1) "Joint-life plan," an allowance that consists of the 16258
actuarial equivalent of the member's retirement allowance 16259
determined under section 145.33, 145.331, ~~or 145.332,~~ or 145.335 16260
of the Revised Code in a lesser amount payable for life and 16261
one-half or some other portion equal to ten per cent or more of 16262
the allowance continuing after death to the member's designated 16263
beneficiary for the beneficiary's life. The beneficiary shall be 16264
nominated by written designation filed with the retirement board. 16265
The amount payable to the beneficiary shall not exceed the amount 16266
payable to the member. 16267

(2) "Single-life plan," the member's retirement allowance 16268
determined under section 145.33, 145.331, ~~or 145.332,~~ or 145.335 16269
of the Revised Code; 16270

(3) "Multiple-life plan," an allowance that consists of the 16271
actuarial equivalent of the member's retirement allowance 16272

determined under section 145.33, 145.331, ~~or 145.332,~~ or 145.335 16273
of the Revised Code in a lesser amount payable to the retirant for 16274
life and some portion of the lesser amount continuing after death 16275
to two, three, or four surviving beneficiaries designated at the 16276
time of the member's retirement. Unless required under division 16277

(C) A member shall select a plan of payment as follows: 16282

(1) Subject to division (C)(2) of this section, if the member 16283
is married at the time of retirement, the member shall select a 16284
joint-life plan and receive a plan of payment that consists of the 16285

one-half of such allowance continuing after death to the member's 16289
surviving spouse for the life of the spouse. A married member is 16290
not required to select this plan of payment if the member's spouse 16291
consents in writing to the member's election of a plan of payment 16292
other than described in this division or the board waives the 16293
requirement that the spouse consent; 16294

(2) If prior to the effective date of the member's 16295
retirement, the public employees retirement board receives a copy 16296

(b) If the member is married, the member elects a multiple-life plan and designates the member's current spouse as a beneficiary under that plan unless that spouse consents in writing to not being designated a beneficiary under any plan of payment or the board waives the requirement that the current spouse consent.

(D) An application for retirement shall include an explanation of all of the following:

(1) That, if the member is married, unless the spouse consents to another plan of payment or there is a court order dividing marital property issued under section 3105.171 or 3105.65 of the Revised Code or the laws of another state regarding the division of marital property that provides for payment in a specified amount, the member's retirement allowance will be paid under a joint-life plan and consist of the actuarial equivalent of the member's retirement allowance in a lesser amount payable for life and one-half of the allowance continuing after death to the surviving spouse for the life of the spouse;

The board may waive the requirement of consent if the spouse is incapacitated or cannot be located or for any other reason specified by the board. Consent or waiver is effective only with regard to the spouse who is the subject of the consent or waiver.

(E)(1) Beginning on a date selected by the retirement board,

which shall be not later than July 1, 2004, a member may elect to receive a retirement allowance under a plan of payment consisting of both a lump sum in an amount the member designates that constitutes a portion of the member's retirement allowance under a plan described in division (B) of this section and the remainder as a monthly allowance under that plan.

The total amount paid as a lump sum and a monthly benefit shall be the actuarial equivalent of the amount that would have been paid had the lump sum not been selected.

(2) The lump sum designated by a member shall be not less than six times and not more than thirty-six times the monthly amount that would be payable to the member under the plan of payment elected under division (B) of this section had the lump sum not been elected and shall not result in a monthly allowance that is less than fifty per cent of that monthly amount.

(F) If the retirement allowances, as a single life annuity or payment plan as provided in this section, due and paid are in a total amount less than (1) the accumulated contributions, and (2) other deposits made by the member as provided by this chapter, standing to the credit of the member at the time of retirement, then the difference between the total amount of the allowances paid and the accumulated contributions and other deposits shall be paid to the beneficiary provided under division (D) of section 145.43 of the Revised Code.

(G)(1) The death of a spouse or any designated beneficiary following retirement shall cancel the portion of the plan of payment providing continuing lifetime benefits to the deceased spouse or deceased designated beneficiary. The retirant shall receive the actuarial equivalent of the retirant's single lifetime benefit, as determined by the board, based on the number of remaining beneficiaries, with no change in the amount payable to any remaining beneficiary. with the written consent of the spouse or pursuant to an order of 16372
the court with jurisdiction over the termination of the marriage, 16373

lifetime benefits to that spouse. The retirant shall receive the 16375
actuarial equivalent of the retirant's single lifetime benefit as 16376

remaining beneficiary. The election shall be made on a form 16379
provided by the board and shall be effective the month following 16380

(a) A retirant who is receiving the retirant's retirement 16384
allowance under a single-life plan may elect a new plan of payment 16385
under division (B)(1) of this section based on the actuarial 16386
equivalent of the retirant's single lifetime benefit as determined 16387
by the board. 16388

(b) A retirant who is receiving a retirement allowance 16389
pursuant to a plan of payment providing for payment to a former 16390
spouse pursuant to a court order described in division (C)(2) of 16391
this section may elect a new plan of payment in the form of a 16392
multiple-life plan based on the actuarial equivalent of the 16393
retirant's single lifetime retirement allowance as determined by 16394
the board if the new plan of payment elected does not reduce the 16395
payment to the former spouse. 16396

(2) If the marriage or remarriage occurs on or after June 6, 16397

2005, the election must be made not later than one year after the date of the marriage or remarriage.

The plan elected under this division shall become effective on the date of receipt by the board of an application on a form approved by the board, but any change in the amount of the retirement allowance shall commence on the first day of the month following the effective date of the plan.

(I) Any person who, prior to July 24, 1990, selected an optional plan of payment at retirement that provided for a return to the single life benefit after the designated beneficiary's death shall have the retirant's benefit adjusted to the optional plan equivalent without such provision.

(J) A retirant's receipt of the first month's retirement allowance constitutes the retirant's final acceptance of the plan of payment and may be changed only as provided in this chapter.

receiving notification of approval, the director may rescind the 16761
approval of the application. The director shall notify the 16762
applicant if the approval has been rescinded. Credits that would 16763

have been available to an applicant whose approval was rescinded 16764
shall be available for other qualified applicants. Nothing in this 16765
division prohibits an applicant whose approval has been rescinded 16766
from submitting a new application for a rehabilitation tax credit 16767
certificate. 16768

(6) The director may approve the application of, and issue a 16769
rehabilitation tax credit certificate to, the owner of a catalytic 16770
project, provided the application otherwise meets the criteria 16771
described in divisions (C) and (D) of this section. The director 16772
may not approve more than one application for a rehabilitation tax 16773
credit certificate under division (D)(6) of this section during 16774
each state fiscal biennium. The director shall not approve an 16775

division (D)(6) of this section during the state fiscal biennium 16777
beginning July 1, 2017, or during any state fiscal biennium 16778
thereafter. The director shall consider the following criteria in 16779
determining whether to approve an application for a certificate 16780
under division (D)(6) of this section: 16781

(a) Whether the historic building is a catalytic project; 16782

(b) The effect issuance of the certificate would have on the 16783
availability of credits for other applicants that qualify for a 16784
credit certificate within the credit dollar limit described in 16785
division (D)(2) of this section; 16786

(c) The number of jobs, if any, the catalytic project will 16787
create. 16788

(7)(a) The owner or qualified lessee of a historic building 16789
may apply for a rehabilitation tax credit certificate under both 16790
divisions (B) and (D)(6) of this section. In such a case, the 16791
director shall consider each application at the time the 16792
application is submitted. 16793

(b) The director shall not issue more than one certificate 16794

under this section with respect to the same qualified 16795

(8) The director shall give consideration for tax credits 16797
awarded under this section to rehabilitations of historic 16798
buildings used as a theater before, and intended to be used as a 16799
theater after, the rehabilitation. In determining whether to 16800
approve an application for such a rehabilitation, the director 16801
shall consider the extent to which the rehabilitation will 16802
increase attendance at the theater and increase the theater's 16803
gross revenue. 16804

(9) The director shall rescind the approval of any 16805
application if the building that is the subject of the application 16806
is ~~part of a qualified low income housing project allocated a tax~~ 16807
~~credit pursuant to section 42 of the Internal Revenue Code a~~ 16808
federally subsidized residential rental property, as that term is 16809
defined in section 5713.03 of the Revised Code, at any time before 16810
the building's rehabilitation is complete. 16811

(E) Issuance of a certificate represents a finding by the 16812
director of the matters described in divisions (C)(1), (2), and 16813
(3) of this section only; issuance of a certificate does not 16814
represent a verification or certification by the director of the 16815
amount of qualified rehabilitation expenditures for which a tax 16816
credit may be claimed under section 5725.151, 5725.34, 5726.52, 16817
5729.17, 5733.47, or 5747.76 of the Revised Code. The amount of 16818
qualified rehabilitation expenditures for which a tax credit may 16819
be claimed is subject to inspection and examination by the tax 16820
commissioner or employees of the commissioner under section 16821
5703.19 of the Revised Code and any other applicable law. Upon the 16822
issuance of a certificate, the director shall certify to the tax 16823
commissioner, in the form and manner requested by the tax 16824
commissioner, the name of the applicant, the amount of qualified 16825
rehabilitation expenditures shown on the certificate, and any 16826

other information required by the rules adopted under this 16827
section. 16828

(F)(1) On or before the first day of August each year, the 16829
director and tax commissioner jointly shall submit to the 16830
president of the senate and the speaker of the house of 16831
representatives a report on the tax credit program established 16832

5729.17, 5733.47, and 5747.76 of the Revised Code. The report 16834
shall present an overview of the program and shall include 16835
information on the number of rehabilitation tax credit 16836
certificates issued under this section during the preceding fiscal 16837
year, an update on the status of each historic building for which 16838
an application was approved under this section, the dollar amount 16839
of the tax credits granted under sections 5725.151, 5725.34, 16840
5726.52, 5729.17, 5733.47, and 5747.76 of the Revised Code, and 16841
any other information the director and commissioner consider 16842
relevant to the topics addressed in the report. 16843

(2) On or before December 1, 2015, the director and tax 16844
commissioner jointly shall submit to the president of the senate 16845
and the speaker of the house of representatives a comprehensive 16846
report that includes the information required by division (F)(1) 16847
of this section and a detailed analysis of the effectiveness of 16848
issuing tax credits for rehabilitating historic buildings. The 16849
report shall be prepared with the assistance of an economic 16850
research organization jointly chosen by the director and 16851
commissioner. 16852

5733.47, and 5747.76 of the Revised Code. Any such fees collected 16858

shall be credited to the fund and used to pay reasonable costs 16859
incurred by the department of development in administering this 16860
section and sections 5725.151, 5725.34, 5726.52, 5729.17, 5733.47, 16861

The Ohio historic preservation office is authorized to charge 16863
reasonable fees in connection with its review and approval of 16864

credited to the fund and used to pay administrative costs incurred 16866
by the Ohio historic preservation office pursuant to this section. 16867

amount claimed for that year for not more than five ensuing 16880
calendar years, tax years, or taxable years. If the credit claimed 16881
in any calendar year, tax year, or taxable year exceeds the tax 16882

copies or inspection of public records under this section such 17490
that the public office or the person responsible for the requested 17491
public record cannot reasonably identify what public records are 17492
being requested, the public office or the person responsible for 17493
the requested public record may deny the request but shall provide 17494
the requester with an opportunity to revise the request by 17495
informing the requester of the manner in which records are 17496

including legal authority, setting forth why the request was 17502
denied. If the initial request was provided in writing, the 17503
explanation also shall be provided to the requester in writing. 17504
The explanation shall not preclude the public office or the person 17505
responsible for the requested public record from relying upon 17506
additional reasons or legal authority in defending an action 17507

commenced under division (C) of this section. 17508

(4) Unless specifically required or authorized by state or 17509
federal law or in accordance with division (B) of this section, no 17510

disclosure of the requester's identity or the intended use of the 17513
requested public record. Any requirement that the requester 17514
disclose the requester's identity or the intended use of the 17515
requested public record constitutes a denial of the request. 17516

(5) A public office or person responsible for public records 17517
may ask a requester to make the request in writing, may ask for 17518
the requester's identity, and may inquire about the intended use 17519
of the information requested, but may do so only after disclosing 17520
to the requester that a written request is not mandatory, that the 17521
requester may decline to reveal the requester's identity or the 17522
intended use, and when a written request or disclosure of the 17523
identity or intended use would benefit the requester by enhancing 17524
the ability of the public office or person responsible for public 17525
records to identify, locate, or deliver the public records sought 17526
by the requester. 17527

(6) If any person requests a copy of a public record in 17528
accordance with division (B) of this section, the public office or 17529
person responsible for the public record may require the requester 17530
to pay in advance the cost involved in providing the copy of the 17531
public record in accordance with the choice made by the requester 17532
under this division. The public office or the person responsible 17533
for the public record shall permit the requester to choose to have 17534
the public record duplicated upon paper, upon the same medium upon 17535
which the public office or person responsible for the public 17536
record keeps it, or upon any other medium upon which the public 17537
office or person responsible for the public record determines that 17538
it reasonably can be duplicated as an integral part of the normal 17539

operations of the public office or person responsible for the 17540
public record. When the requester makes a choice under this 17541
division, the public office or person responsible for the public 17542
record shall provide a copy of it in accordance with the choice 17543
made by the requester. Nothing in this section requires a public 17544
office or person responsible for the public record to allow the 17545
requester of a copy of the public record to make the copies of the 17546
public record. 17547

(7)(a) Upon a request made in accordance with division (B) of 17548
this section and subject to division (B)(6) of this section, a 17549
public office or person responsible for public records shall 17550
transmit a copy of a public record to any person by United States 17551
mail or by any other means of delivery or transmission within a 17552
reasonable period of time after receiving the request for the 17553
copy. The public office or person responsible for the public 17554
record may require the person making the request to pay in advance 17555
the cost of postage if the copy is transmitted by United States 17556
mail or the cost of delivery if the copy is transmitted other than 17557
by United States mail, and to pay in advance the costs incurred 17558
for other supplies used in the mailing, delivery, or transmission. 17559

(b) Any public office may adopt a policy and procedures that 17560
it will follow in transmitting, within a reasonable period of time 17561
after receiving a request, copies of public records by United 17562
States mail or by any other means of delivery or transmission 17563
pursuant to division (B)(7) of this section. A public office that 17564
adopts a policy and procedures under division (B)(7) of this 17565
section shall comply with them in performing its duties under that 17566
division. 17567

(B)(7) of this section: 17569

(i) A public office may limit the number of records requested 17570
by a person that the office will physically deliver by United 17571

States mail or by another delivery service to ten per month, 17572
unless the person certifies to the office in writing that the 17573
person does not intend to use or forward the requested records, or 17574
the information contained in them, for commercial purposes; 17575

(ii) A public office that chooses to provide some or all of 17576
its public records on a web site that is fully accessible to and 17577

or otherwise receive records provided on the web site, may limit 17581
to ten per month the number of records requested by a person that 17582
the office will deliver in a digital format, unless the requested 17583
records are not provided on the web site and unless the person 17584
certifies to the office in writing that the person does not intend 17585
to use or forward the requested records, or the information 17586
contained in them, for commercial purposes. 17587

(iii) For purposes of division (B)(7) of this section, 17588
"commercial" shall be narrowly construed and does not include 17589
reporting or gathering news, reporting or gathering information to 17590
assist citizen oversight or understanding of the operation or 17591
activities of government, or nonprofit educational research. 17592

(8) A public office or person responsible for public records 17593
is not required to permit a person who is incarcerated pursuant to 17594
a criminal conviction or a juvenile adjudication to inspect or to 17595
obtain a copy of any public record concerning a criminal 17596
investigation or prosecution or concerning what would be a 17597
criminal investigation or prosecution if the subject of the 17598
investigation or prosecution were an adult, unless the request to 17599
inspect or to obtain a copy of the record is for the purpose of 17600
acquiring information that is subject to release as a public 17601
record under this section and the judge who imposed the sentence 17602
or made the adjudication with respect to the person, or the 17603

judge's successor in office, finds that the information sought in 17604
the public record is necessary to support what appears to be a 17605
justiciable claim of the person. 17606

(9)(a) Upon written request made and signed by a journalist, 17607
a public office, or person responsible for public records, having 17608
custody of the records of the agency employing a specified 17609
designated public service worker shall disclose to the journalist 17610
the address of the actual personal residence of the designated 17611
public service worker and, if the designated public service 17612
worker's spouse, former spouse, or child is employed by a public 17613
office, the name and address of the employer of the designated 17614
public service worker's spouse, former spouse, or child. The 17615
request shall include the journalist's name and title and the name 17616
and address of the journalist's employer and shall state that 17617
disclosure of the information sought would be in the public 17618
interest. 17619

(b) Division (B)(9)(a) of this section also applies to 17620
journalist requests for: 17621

(i) Customer information maintained by a municipally owned or 17622
operated public utility, other than social security numbers and 17623
any private financial information such as credit reports, payment 17624
methods, credit card numbers, and bank account information; 17625

(ii) Information about minors involved in a school vehicle 17626
accident as provided in division (A)(1)(gg) of this section, other 17627
than personal information as defined in section 149.45 of the 17628
Revised Code. 17629

(c) As used in division (B)(9) of this section, "journalist" 17630
means a person engaged in, connected with, or employed by any news 17631
medium, including a newspaper, magazine, press association, news 17632
agency, or wire service, a radio or television station, or a 17633
similar medium, for the purpose of gathering, processing, 17634

transmitting, compiling, editing, or disseminating information for 17635
the general public. 17636

(10) Upon a request made by a victim, victim's attorney, or 17637
victim's representative, as that term is used in section 2930.02 17638
of the Revised Code, a public office or person responsible for 17639
public records shall transmit a copy of a depiction of the victim 17640
as described in division (A)(1)(ii) of this section to the victim, 17641
victim's attorney, or victim's representative. 17642

(C)(1) If a person allegedly is aggrieved by the failure of a 17643
public office or the person responsible for public records to 17644
promptly prepare a public record and to make it available to the 17645
person for inspection in accordance with division (B) of this 17646
section or by any other failure of a public office or the person 17647
responsible for public records to comply with an obligation in 17648
accordance with division (B) of this section, the person allegedly 17649
aggrieved may do only one of the following, and not both: 17650

(a) File a complaint with the clerk of the court of claims or 17651
the clerk of the court of common pleas under section 2743.75 of 17652
the Revised Code; 17653

(b) Commence a mandamus action to obtain a judgment that 17654
orders the public office or the person responsible for the public 17655
record to comply with division (B) of this section, that awards 17656
court costs and reasonable attorney's fees to the person that 17657
instituted the mandamus action, and, if applicable, that includes 17658
an order fixing statutory damages under division (C)(2) of this 17659
section. The mandamus action may be commenced in the court of 17660
common pleas of the county in which division (B) of this section 17661
allegedly was not complied with, in the supreme court pursuant to 17662
its original jurisdiction under Section 2 of Article IV, Ohio 17663
Constitution, or in the court of appeals for the appellate 17664
district in which division (B) of this section allegedly was not 17665
complied with pursuant to its original jurisdiction under Section 17666

3 of Article IV, Ohio Constitution. 17667

(2) If a requester transmits a written request by hand 17668
delivery, electronic submission, or certified mail to inspect or 17669
receive copies of any public record in a manner that fairly 17670
describes the public record or class of public records to the 17671
public office or person responsible for the requested public 17672
records, except as otherwise provided in this section, the 17673
requester shall be entitled to recover the amount of statutory 17674
damages set forth in this division if a court determines that the 17675
public office or the person responsible for public records failed 17676
to comply with an obligation in accordance with division (B) of 17677
this section. 17678

The amount of statutory damages shall be fixed at one hundred 17679
dollars for each business day during which the public office or 17680
person responsible for the requested public records failed to 17681
comply with an obligation in accordance with division (B) of this 17682
section, beginning with the day on which the requester files a 17683
mandamus action to recover statutory damages, up to a maximum of 17684
one thousand dollars. The award of statutory damages shall not be 17685
construed as a penalty, but as compensation for injury arising 17686
from lost use of the requested information. The existence of this 17687
injury shall be conclusively presumed. The award of statutory 17688
damages shall be in addition to all other remedies authorized by 17689
this section. 17690

The court may reduce an award of statutory damages or not 17691
award statutory damages if the court determines both of the 17692
following: 17693

(a) That, based on the ordinary application of statutory law 17694
and case law as it existed at the time of the conduct or 17695
threatened conduct of the public office or person responsible for 17696
the requested public records that allegedly constitutes a failure 17697
to comply with an obligation in accordance with division (B) of 17698

this section and that was the basis of the mandamus action, a 17699
well-informed public office or person responsible for the 17700
requested public records reasonably would believe that the conduct 17701
or threatened conduct of the public office or person responsible 17702
for the requested public records did not constitute a failure to 17703
comply with an obligation in accordance with division (B) of this 17704
section; 17705

(b) That a well-informed public office or person responsible 17706
for the requested public records reasonably would believe that the 17707
conduct or threatened conduct of the public office or person 17708
responsible for the requested public records would serve the 17709
public policy that underlies the authority that is asserted as 17710
permitting that conduct or threatened conduct. 17711

(3) In a mandamus action filed under division (C)(1) of this 17712
section, the following apply: 17713

(a)(i) If the court orders the public office or the person 17714
responsible for the public record to comply with division (B) of 17715
this section, the court shall determine and award to the relator 17716
all court costs, which shall be construed as remedial and not 17717
punitive. 17718

(ii) If the court makes a determination described in division 17719
(C)(3)(b)(iii) of this section, the court shall determine and 17720
award to the relator all court costs, which shall be construed as 17721
remedial and not punitive. 17722

(b) If the court renders a judgment that orders the public 17723
office or the person responsible for the public record to comply 17724
with division (B) of this section or if the court determines any 17725
of the following, the court may award reasonable attorney's fees 17726
to the relator, subject to division (C)(4) of this section: 17727

(i) The public office or the person responsible for the 17728
public records failed to respond affirmatively or negatively to 17729

the public records request in accordance with the time allowed 17730
under division (B) of this section. 17731

(ii) The public office or the person responsible for the 17732
public records promised to permit the relator to inspect or 17733
receive copies of the public records requested within a specified 17734
period of time but failed to fulfill that promise within that 17735
specified period of time. 17736

(iii) The public office or the person responsible for the 17737
public records acted in bad faith when the office or person 17738
voluntarily made the public records available to the relator for 17739
the first time after the relator commenced the mandamus action, 17740
but before the court issued any order concluding whether or not 17741
the public office or person was required to comply with division 17742
(B) of this section. No discovery may be conducted on the issue of 17743
the alleged bad faith of the public office or person responsible 17744
for the public records. This division shall not be construed as 17745
creating a presumption that the public office or the person 17746
responsible for the public records acted in bad faith when the 17747
office or person voluntarily made the public records available to 17748
the relator for the first time after the relator commenced the 17749
mandamus action, but before the court issued any order described 17750
in this division. 17751

(c) The court shall not award attorney's fees to the relator 17752
if the court determines both of the following: 17753

(i) That, based on the ordinary application of statutory law 17754
and case law as it existed at the time of the conduct or 17755
threatened conduct of the public office or person responsible for 17756
the requested public records that allegedly constitutes a failure 17757
to comply with an obligation in accordance with division (B) of 17758
this section and that was the basis of the mandamus action, a 17759
well-informed public office or person responsible for the 17760
requested public records reasonably would believe that the conduct 17761

or threatened conduct of the public office or person responsible 17762
for the requested public records did not constitute a failure to 17763
comply with an obligation in accordance with division (B) of this 17764
section; 17765

(ii) That a well-informed public office or person responsible 17766
for the requested public records reasonably would believe that the 17767
conduct or threatened conduct of the public office or person 17768
responsible for the requested public records would serve the 17769
public policy that underlies the authority that is asserted as 17770
permitting that conduct or threatened conduct. 17771

(4) All of the following apply to any award of reasonable 17772
attorney's fees awarded under division (C)(3)(b) of this section: 17773

(a) The fees shall be construed as remedial and not punitive. 17774

(b) The fees awarded shall not exceed the total of the 17775
reasonable attorney's fees incurred before the public record was 17776
made available to the relator and the fees described in division 17777
(C)(4)(c) of this section. 17778

(c) Reasonable attorney's fees shall include reasonable fees 17779
incurred to produce proof of the reasonableness and amount of the 17780
fees and to otherwise litigate entitlement to the fees. 17781

(d) The court may reduce the amount of fees awarded if the 17782
court determines that, given the factual circumstances involved 17783
with the specific public records request, an alternative means 17784
should have been pursued to more effectively and efficiently 17785
resolve the dispute that was subject to the mandamus action filed 17786
under division (C)(1) of this section. 17787

(5) If the court does not issue a writ of mandamus under 17788
division (C) of this section and the court determines at that time 17789
that the bringing of the mandamus action was frivolous conduct as 17790
defined in division (A) of section 2323.51 of the Revised Code, 17791
the court may award to the public office all court costs, 17792

expenses, and reasonable attorney's fees, as determined by the court. 17793
17794

(D) Chapter 1347. of the Revised Code does not limit the provisions of this section. 17795
17796

(E)(1) To ensure that all employees of public offices are appropriately educated about a public office's obligations under division (B) of this section, all elected officials or their appropriate designees shall attend training approved by the attorney general as provided in section 109.43 of the Revised Code. A future official may satisfy the requirements of this division by attending the training before taking office, provided that the future official may not send a designee in the future official's place. 17797

(2) All public offices shall adopt a public records policy in compliance with this section for responding to public records requests. In adopting a public records policy under this division, a public office may obtain guidance from the model public records policy developed and provided to the public office by the attorney general under section 109.43 of the Revised Code. Except as otherwise provided in this section, the policy may not limit the number of public records that the public office will make available to a single person, may not limit the number of public records that it will make available during a fixed period of time, and may not establish a fixed period of time before it will respond to a request for inspection or copying of public records, unless that period is less than eight hours. 17806

The public office shall distribute the public records policy adopted by the public office under this division to the employee of the public office who is the records custodian or records manager or otherwise has custody of the records of that office. The public office shall require that employee to acknowledge receipt of the copy of the public records policy. The public 17819

public office and in all locations where the public office has 17827
branch offices. The public office may post its public records 17828
policy on the internet web site of the public office if the public 17829
office maintains an internet web site. A public office that has 17830
established a manual or handbook of its general policies and 17831
procedures for all employees of the public office shall include 17832
the public records policy of the public office in the manual or 17833
handbook. 17834

(F)(1) The bureau of motor vehicles may adopt rules pursuant 17835
to Chapter 119. of the Revised Code to reasonably limit the number 17836
of bulk commercial special extraction requests made by a person 17837
for the same records or for updated records during a calendar 17838
year. The rules may include provisions for charges to be made for 17839
bulk commercial special extraction requests for the actual cost of 17840
the bureau, plus special extraction costs, plus ten per cent. The 17841
bureau may charge for expenses for redacting information, the 17842
release of which is prohibited by law. 17843

(2) As used in division (F)(1) of this section: 17844

(a) "Actual cost" means the cost of depleted supplies, 17845
records storage media costs, actual mailing and alternative 17846
delivery costs, or other transmitting costs, and any direct 17847
equipment operating and maintenance costs, including actual costs 17848
paid to private contractors for copying services. 17849

(b) "Bulk commercial special extraction request" means a 17850
request for copies of a record for information in a format other 17851
than the format already available, or information that cannot be 17852
extracted without examination of all items in a records series, 17853
class of records, or database by a person who intends to use or 17854
forward the copies for surveys, marketing, solicitation, or resale 17855
for commercial purposes. "Bulk commercial special extraction 17856

request" does not include a request by a person who gives 17857
assurance to the bureau that the person making the request does 17858
not intend to use or forward the requested copies for surveys, 17859
marketing, solicitation, or resale for commercial purposes. 17860

(c) "Commercial" means profit-seeking production, buying, or 17861

programs to make the special extraction. "Special extraction 17867
costs" include any charges paid to a public agency for computer or 17868
records services. 17869

(3) For purposes of divisions (F)(1) and (2) of this section, 17870

purposes" shall be narrowly construed and does not include 17872

(G) A request by a defendant, counsel of a defendant, or any 17876
agent of a defendant in a criminal action that public records 17877
related to that action be made available under this section shall 17878
be considered a demand for discovery pursuant to the Criminal 17879
Rules, except to the extent that the Criminal Rules plainly 17880
indicate a contrary intent. The defendant, counsel of the 17881
defendant, or agent of the defendant making a request under this 17882
division shall serve a copy of the request on the prosecuting 17883
attorney, director of law, or other chief legal officer 17884
responsible for prosecuting the action. 17885

(H)(1) Any portion of a body-worn camera or dashboard camera 17886
recording described in divisions (A)(17)(b) to (h) of this section 17887

may be released by consent of the subject of the recording or a representative of that person, as specified in those divisions, only if either of the following applies:

(a) The recording will not be used in connection with any probable or pending criminal proceedings;

(b) The recording has been used in connection with a criminal proceeding that was dismissed or for which a judgment has been entered pursuant to Rule 32 of the Rules of Criminal Procedure, and will not be used again in connection with any probable or pending criminal proceedings.

(2) If a public office denies a request to release a restricted portion of a body-worn camera or dashboard camera recording, as defined in division (A)(17) of this section, any person may file a mandamus action pursuant to this section or a complaint with the clerk of the court of claims pursuant to section 2743.75 of the Revised Code, requesting the court to order the release of all or portions of the recording. If the court considering the request determines that the filing articulates by clear and convincing evidence that the public interest in the recording substantially outweighs privacy interests and other interests asserted to deny release, the court shall order the public office to release the recording.

proceedings without necessity for any act of appropriation. The 18333
bond proceedings may provide for the establishment of separate 18334
accounts in the bond service fund and for the application of those 18335

accounts only to debt service on specific obligations, and for 18336
other accounts in the bond service fund within the general 18337
purposes of that fund. 18338

(P) Subject to the bond proceedings pertaining to any 18339

service on the respective obligations and any related financing 18350
costs payable from the applicable bond service fund and not from 18351
the proceeds of refunding or renewal obligations. The issuing 18352
authority shall make or cause to be made supplemental 18353
certifications to the office of budget and management for each 18354
debt service payment date and at such other times during each 18355
fiscal year as may be provided in the bond proceedings or 18356
requested by that office. Debt service, costs of credit 18357
enhancement facilities, and other financing costs shall be set 18358
forth separately in each certification. If and so long as the 18359
moneys to the credit of the bond service fund, together with any 18360
other moneys available for the purpose, are insufficient to meet 18361
in full all payments when due of the amount required as stated in 18362
the certificate or otherwise, the office of budget and management 18363
shall at the times as provided in the bond proceedings, and 18364
consistent with any particular provisions in sections 151.03 to 18365
151.11 and 151.40 of the Revised Code, transfer a sufficient 18366
amount to the bond service fund from the pledged revenues in the 18367

case of obligations issued pursuant to section 151.40 of the Revised Code, and in the case of other obligations from the revenues derived from excises, taxes, and other revenues, including net state lottery proceeds in the case of obligations referred to in section 151.03 of the Revised Code.

Those investments may be sold or exchanged at times as the issuing authority determines, provides for, or authorizes.

(S) The treasurer of state shall have responsibility for keeping records, making reports, and making payments, relating to

executes a contract. The public owners referred to in this section 18557
shall include, in the plans and specifications for the project for 18558

the award is to be made shall be opened at the time and place 18560
named in the advertisement for bids, unless extended by the owner 18561
or its representative or unless, within seventy-two hours prior to 18562

persons who have obtained plans or specifications for the project, 18567
for which the time for opening of bids shall be extended one week, 18568
with no further advertising of bids required. The contractor, upon 18569
request, is entitled to a notice to proceed with the work by the 18570
owner or its representative upon execution of the contract. No 18571
contract to which this section applies shall be entered into if 18572

contracts where the total price of all contracts for the project, 18574
is in excess of ten per cent, in the case of a contract made by 18575
the state or a public board, commission, authority, or 18576
instrumentality of the state, or twenty per cent, in the case of a 18577
contract made by a county, township, municipal corporation, school 18578
district, special purpose district, or other political subdivision 18579
or a public board, commission, authority, or instrumentality of 18580
the political subdivision, above the entire estimate thereof, nor 18581
shall the entire cost of the construction, reconstruction, repair, 18582
painting, decorating, improvement, alteration, addition, or 18583
installation, including changes and estimates of expenses for 18584
architects or engineers, exceed in the aggregate the amount 18585
authorized by law. 18586

The unit or lump sum price stated in the contract shall be 18587

used in determining the amount to be paid and shall constitute 18588
full and final compensation for all the work. 18589

Partial payment to the contractor for work performed under 18590
the lump sum price shall be based on a schedule prepared by the 18591
contractor and approved by the architect or engineer who shall 18592
apportion the lump sum price to the major components entering into 18593
or forming a part of the work under the lump sum price. 18594

Partial payments to the contractor for labor performed under 18595
either a unit or lump sum price contract shall be made at the rate 18596
of ninety-two per cent of the estimates prepared by the contractor 18597
and approved by the architect or engineer. All labor performed 18598
after the job is fifty per cent completed shall be paid for at the 18599
rate of one hundred per cent of the estimates submitted by the 18600
contractor and approved by the architect or engineer. 18601

The amounts and time of payments of any public improvements 18602
contract made by the state or any county, township, municipal 18603
corporation, school district, or other political subdivision, or 18604
any public board, commission, authority, instrumentality, or 18605
special purpose district of or in the state or a political 18606
subdivision or that is authorized by state law, except as provided 18607
in section 5525.19 of the Revised Code, shall be governed by this 18608
section and sections 153.13 and 153.14 of the Revised Code. If the 18609
time for awarding the contract is extended by mutual consent, or 18610
if the owner or its representative fails to issue a timely notice 18611
to proceed as required by this section, the owner or its 18612
representative shall issue a change order authorizing delay costs 18613
to the contractor, which does not invalidate the contract. The 18614
amount of such a change order to the owner shall be determined in 18615
accordance with the provisions of the contract for change orders 18616
or force accounts or, if no such provision is set forth in the 18617
contract, the cost to the owner shall be the contractor's actual 18618
costs including wages, labor costs other than wages, wage taxes, 18619

materials, equipment costs and rentals, insurance, and 18620
subcontracts attributable to the delay, plus a reasonable sum for 18621
overhead. In the event of a dispute between the owner and the 18622
contractor concerning such change order, procedures shall be 18623
commenced under the applicable terms of the contract, or, if the 18624
contract contains no provision for resolving the dispute, it shall 18625
be resolved pursuant to the procedures for arbitration in Chapter 18626
2711. of the Revised Code, except as provided in division (B) of 18627
this section. Nothing in this division shall be construed as a 18628
limitation upon the authority of the director of transportation 18629
granted in Chapter 5525. of the Revised Code. 18630

(B) If a dispute arises between the state and a contractor 18631
concerning the terms of a public improvement contract let by the 18632
state or concerning a breach of the contract, and after 18633
administrative remedies provided for in such contract and any 18634
alternative dispute resolution procedures provided in accordance 18635
with guidelines established by the executive director of the Ohio 18636
facilities construction commission are exhausted, the contractor 18637
may bring an action to the court of claims in accordance with 18638
Chapter 2743. of the Revised Code. The state or the contractor may 18639
request the chief justice of the supreme court to appoint a 18640
referee or panel of referees in accordance with division (C)(3) of 18641
section 2743.03 of the Revised Code. As used in this division, 18642
"dispute" means a disagreement between the state and the 18643
contractor concerning a public improvement contract let by the 18644
state. 18645

Sec. 153.17. (A) When in the opinion of the owner referred to 18646
in section 153.01 of the Revised Code, the work under any contract 18647
made under any law of the state is neglected by the contractor or 18648
such work is not prosecuted with the diligence and force specified 18649
or intended in the contract, such owner may make requisition upon 18650
the contractor for such additional specific force or materials to 18651

be brought into the work under such contract or to remove improper materials from the grounds as in their judgment the contract and its faithful fulfillment requires.

Not less than five days' notice in writing of such action shall be served upon the contractor or the contractor's agent in charge of the work. If the contractor fails to comply with such requisition within fifteen days, such owner with the written consent of the Ohio facilities construction commission, may employ upon the work the additional force, or supply the special materials or such part of either as is considered proper, and may remove improper materials from the grounds.

(B) When the original contractor has defaulted on a contract and the surety has declined to take over the project, the owner may contract with one or more takeover contractors to complete work that was not finished because of the default of the original contractor. The owner may enter into a contract with a takeover contractor without competitive bidding or controlling board approval. ~~Upon execution of a takeover contract, the owner shall notify the director of budget and management.~~

When the owner has taken over a project after a default has occurred, any moneys that the owner receives from the surety as a settlement for completion of the project shall be deposited in the original fund from which the capital appropriation for the project was made. The executive director, without controlling board approval, may authorize specified additional uses for the moneys related to completion of the project and may increase the appropriation authority in the appropriation line item used to fund the project by an amount equal to the moneys received from the surety.

Sec. 153.54. (A) Except with respect to a contract described in section 9.334 or 153.693 of the Revised Code, each person

bidding for a contract with the state or any political 18683
subdivision, district, institution, or other agency thereof, 18684
excluding therefrom the department of transportation, for any 18685
public improvement shall file with the bid, a bid guaranty in the 18686
form of either: 18687

(1) A bond in accordance with division (B) of this section 18688
for the full amount of the bid; 18689

(2) A certified check, cashier's check, or letter of credit 18690
pursuant to Chapter 1305. of the Revised Code, in accordance with 18691
division (C) of this section. Any such letter of credit is 18692
revocable only at the option of the beneficiary state, political 18693
subdivision, district, institution, or agency. The amount of the 18694
certified check, cashier's check, or letter of credit shall be 18695
equal to ten per cent of the bid. 18696

(B) A bid guaranty filed pursuant to division (A)(1) of this 18697
section shall be conditioned to: 18698

(1) Provide that, if the bid is accepted, the bidder, after 18699
the awarding or the recommendation for the award of the contract, 18700
whichever the contracting authority designates, will enter into a 18701
proper contract in accordance with the bid, plans, details, and 18702
specifications. If for any reason, other than as authorized by 18703
section 9.31 of the Revised Code or division (G) of this section, 18704
the bidder fails to enter into the contract, and the contracting 18705
authority awards the contract to the next lowest bidder, the 18706
bidder and the surety on the bidder's bond are liable to the 18707
state, political subdivision, district, institution, or agency for 18708
the difference between the bid and that of the next lowest bidder, 18709
or for a penal sum not to exceed ten per cent of the amount of the 18710
bond, whichever is less. If the state, political subdivision, 18711
district, institution, or agency does not award the contract to 18712
the next lowest bidder but resubmits the project for bidding, the 18713
bidder failing to enter into the contract and the surety on the 18714

bidder's bond, except as provided in division (G) of this section, 18715
are liable to the state, political subdivision, district, 18716
institution, or agency for a penal sum not to exceed ten per cent 18717
of the amount of the bid or the costs in connection with the 18718
resubmission of printing new contract documents, required 18719
advertising, and printing and mailing notices to prospective 18720
bidders, whichever is less. 18721

(2) Indemnify the state, political subdivision, district, 18722
institution, or agency against all damage suffered by failure to 18723
perform the contract according to its provisions and in accordance 18724
with the plans, details, and specifications therefor and to pay 18725
all lawful claims of subcontractors, material suppliers, and 18726
laborers for labor performed or material furnished in carrying 18727
forward, performing, or completing the contract; and agree and 18728
assent that this undertaking is for the benefit of any 18729
subcontractor, material supplier, or laborer having a just claim, 18730
as well as for the state, political subdivision, district, 18731
institution, or agency. 18732

(C)(1) A bid guaranty filed pursuant to division (A)(2) of 18733
this section shall be conditioned to provide that if the bid is 18734
accepted, the bidder, after the awarding or the recommendation for 18735
the award of the contract, whichever the contracting authority 18736
designates, will enter into a proper contract in accordance with 18737
the bid, plans, details, specifications, and bills of material. If 18738
for any reason, other than as authorized by section 9.31 of the 18739
Revised Code or division (G) of this section, the bidder fails to 18740
enter into the contract, and the contracting authority awards the 18741
contract to the next lowest bidder, the bidder is liable to the 18742
state, political subdivision, district, institution, or agency for 18743
the difference between the bidder's bid and that of the next 18744
lowest bidder, or for a penal sum not to exceed ten per cent of 18745
the amount of the bid, whichever is less. If the state, political 18746

subdivision, district, institution, or agency does not award the 18747
contract to the next lowest bidder but resubmits the project for 18748
bidding, the bidder failing to enter into the contract, except as 18749
provided in division (G) of this section, is liable to the state, 18750
political subdivision, district, institution, or agency for a 18751
penal sum not to exceed ten per cent of the amount of the bid or 18752
the costs in connection with the resubmission, of printing new 18753
contract documents, required advertising, and printing and mailing 18754
notices to prospective bidders, whichever is less. 18755

If the bidder enters into the contract, the bidder, at the 18756
time the contract is entered to, shall file a bond for the amount 18757
of the contract to indemnify the state, political subdivision, 18758
district, institution, or agency against all damage suffered by 18759
failure to perform the contract according to its provisions and in 18760
accordance with the plans, details, and specifications and to pay 18761
all lawful claims of subcontractors, material suppliers, and 18762
laborers for labor performed or material furnished in carrying 18763
forward, performing, or completing the contract; and agree and 18764
assent that this undertaking is for the benefit of any 18765
subcontractor, material supplier, or laborer having a just claim, 18766
as well as for the state, political subdivision, district, 18767
institution, or agency. 18768

(2) A construction manager who enters into a contract 18769
pursuant to sections 9.33 to 9.333 of the Revised Code, if 18770
required by the public authority at the time the construction 18771
manager enters into the contract, shall file a letter of credit 18772
pursuant to Chapter 1305. of the Revised Code, bond, certified 18773
check, or cashier's check, for the value of the construction 18774
management contract to indemnify the state, political subdivision, 18775
district, institution, or agency against all damage suffered by 18776
the construction manager's failure to perform the contract 18777
according to its provisions, and shall agree and assent that this 18778

undertaking is for the benefit of the state, political 18779
subdivision, district, institution, or agency. A letter of credit 18780
provided by the construction manager is revocable only at the 18781
option of the beneficiary state, political subdivision, district, 18782
institution, or agency. 18783

(D) Where the state, political subdivision, district, 18784
institution, or agency accepts a bid but the bidder fails or 18785
refuses to enter into a proper contract in accordance with the 18786
bid, plans, details, and specifications within ten days after the 18787
awarding of the contract, the bidder and the surety on any bond, 18788
except as provided in division (G) of this section, are liable for 18789
the amount of the difference between the bidder's bid and that of 18790
the next lowest bidder, but not in excess of the liability 18791
specified in division (B)(1) or (C) of this section. Where the 18792
state, political subdivision, district, institution, or agency 18793
then awards the bid to such next lowest bidder and such next 18794
lowest bidder also fails or refuses to enter into a proper 18795
contract in accordance with the bid, plans, details, and 18796
specifications within ten days after the awarding of the contract, 18797
the liability of such next lowest bidder, except as provided in 18798
division (G) of this section, is the amount of the difference 18799
between the bids of such next lowest bidder and the third lowest 18800
bidder, but not in excess of the liability specified in division 18801
(B)(1) or (C) of this section. Liability on account of an award to 18802
any lowest bidder beyond the third lowest bidder shall be 18803
determined in like manner. 18804

(E) Notwithstanding division (C) of this section, where the 18805
state, political subdivision, district, institution, or agency 18806
resubmits the project for bidding, each bidder whose bid was 18807
accepted but who failed or refused to enter into a proper 18808
contract, except as provided in division (G) of this section, is 18809
liable for an equal share of a penal sum in connection with the 18810

resubmission, of printing new contract documents, required 18811
advertising, and printing and mailing notices to prospective 18812
bidders, but no bidder's liability shall exceed the amount of the 18813
bidder's bid guaranty. 18814

(F) All bid guaranties filed pursuant to this section shall 18815
be payable to the state, political subdivision, district, 18816
institution, or agency, be for the benefit of the state, political 18817
subdivision, district, institution, or agency or any person having 18818
a right of action thereon, and be deposited with, and held by, the 18819
board, officer, or agent contracting on behalf of the state, 18820
political subdivision, district, institution, or agency. All bonds 18821
filed pursuant to this section shall be issued by a surety company 18822
authorized to do business in this state as surety approved by the 18823
board, officer, or agent awarding the contract on behalf of the 18824
state, political subdivision, district, institution, or agency. 18825

(G) A bidder for a contract with the state or any political 18826
subdivision, district, institution, or other agency thereof, 18827
excluding therefrom the Ohio department of transportation, for a 18828
public improvement costing less than one-half million dollars may 18829

other contract with the state or any political subdivision, 18831
district, institution, or other agency thereof, excluding 18832
therefrom the department of transportation, for the public 18833

total amount of all the bidder's current contracts is less than 18836
one-half million dollars, and if the surety certifies in good 18837
faith that the bidder is unable to perform the subsequent contract 18838
because to do so would exceed the bidder's bonding capacity. If a 18839
bid is withdrawn under authority of this division, the contracting 18840
authority may award the contract to the next lowest bidder or 18841

documents, required advertising, and printing and mailing notices 18846
to prospective bidders. 18847

(H) Bid guaranties filed pursuant to division (A) of this 18848
section shall be returned to all unsuccessful bidders immediately 18849
after the contract is executed. The bid guaranty filed pursuant to 18850

assembly under section 154.02 of the Revised Code, the issuing 18865
authority may issue obligations pursuant to this chapter to pay 18866

director of the department may sublease such capital facilities 18882
to, and make other agreements with respect to the use or purchase 18883
thereof with, any such governmental agency, which may include 18884

this chapter, notwithstanding any other provision of law affecting 18893
the leasing, acquisition, or disposition of capital facilities by 18894
the parties. 18895

(C) For purposes of this section, "available receipts" means 18896

donations, and pledges, and receipts therefrom, available for the 18912
payment of bond service charges on such obligations. The issuing 18913
authority may pledge all, or such portion as that authority 18914
determines, of the available receipts to the payment of bond 18915
service charges on obligations issued under this section and under 18916

to such available receipts as authorized by this chapter, which 18920
provisions shall be controlling notwithstanding any other 18921
provision of law pertaining thereto. 18922

(D) The issuing authority may covenant in the bond 18923
proceedings that the state and state agencies shall, so long as 18924
any obligations issued under this section are outstanding, cause 18925
to be charged and collected charges for the treatment or care of 18926

trust fund, which shall be in the custody of the treasurer of 18934
state but shall be separate and apart from and not a part of the 18935

commission or issuing authority or state agencies and required by 18937
the applicable bond proceedings to be deposited, transferred, or 18938

credited to the fund, and all other moneys transferred or 18939
allocated to or received for the purposes of the fund, shall be 18940
deposited with the treasurer of state and credited to such fund, 18941
subject to applicable provisions of the bond proceedings, but 18942
without necessity for any act of appropriation. The mental health 18943
bond service trust fund is a trust fund and is hereby pledged to 18944

pursuant to this section and sections 154.11 and 154.12 of the 18946
Revised Code to the extent provided in the applicable bond 18947

provided for by the treasurer of state in accordance with such 18949
bond proceedings without necessity for any act of appropriation. 18950

(F) There is hereby created in the state treasury the mental 18951
health facilities improvement fund. Subject to the bond 18952
proceedings therefor, all of the proceeds of the sale of 18953
obligations pursuant to this section shall be credited to the 18954
fund, except that any accrued interest shall be credited to the 18955
mental health bond service fund. The mental health facilities 18956
improvement fund may also be comprised of gifts, grants, 18957
appropriated moneys, and other sums and securities received to the 18958
credit of such fund. All investment earnings on the cash balance 18959

other governmental agencies, or a nonprofit corporation 18971
specifically chartered to provide a mental health, substance use, 18972
or mental retardation service when such service fulfills a public 18973

(G) A nonprofit corporation providing a mental retardation 18984
service must obtain written approval from the director of 18985
developmental disabilities before acting in concert with a limited 18986
partnership or limited liability company as described in division 18987
(F)(2) of this section. However, the director may issue one 18988

in the same manner provided for original appointments. Any member 19024
appointed to fill a vacancy occurring prior to the expiration date 19025
of the term for which the member's predecessor was appointed shall 19026
hold office for the remainder of that term, and may be reappointed 19027
for up to two subsequent four year terms. A member shall continue 19028
in office subsequent to the expiration date of the member's term 19029
until the member's successor takes office or until a period of 19030
sixty days has elapsed, whichever occurs first. 19031

The commission shall elect a chairperson, vice-chairperson, 19032
and other officers as it considers advisable. Four voting members 19033
constitute a quorum. Members of the commission shall serve without 19034

compensation but shall be reimbursed for their actual and 19035

however, the governor may remove a director at any time following 19050
the commission's recommendation of such action. Upon the 19051
expiration of a director's term, or in the case of the 19052
resignation, death, or removal of a director, the commission shall 19053
provide such list of the names of three persons to the governor 19054
within thirty days of such expiration, resignation, death, or 19055
removal. Nothing in this section shall prevent the governor, in 19056
the governor's discretion, from rejecting all of the nominees of 19057
the commission and requiring the commission to select three 19058
additional nominees. However, when the governor has requested and 19059
received a second list of three additional names, the governor 19060
shall make the appointment from one of the names on the first list 19061
or the second list. Appointment by the governor is subject to the 19062
advice and consent of the senate. 19063

In the case of the resignation, removal, or death of the 19064

(2) Two of the initial appointments shall be for terms ending 19089
two years after March 29, 1988. The remaining initial appointments 19090
shall be for terms ending three years after March 29, 1988. 19091
Thereafter, terms of office shall be for two years, with each term 19092
ending on the same date of the same month as did the term that it 19093
succeeds. Each member shall hold office from the date of 19094
appointment until the end of the term for which the member is 19095

for the remainder of that term. A member shall continue in office 19100
after the expiration of the member's term until the member's 19101
successor takes office or until a period of sixty days has 19102
elapsed, whichever occurs first. Members of the commission may be 19103
reappointed. No more than two members of the commission may be 19104
members of the same district public works integrating committee. 19105

(3) The Ohio small government capital improvements commission 19106
shall elect one of its appointed members as chairperson and 19107
another as vice-chairperson. Four voting members of the commission 19108
constitute a quorum, and the affirmative vote of four appointed 19109
members is required for any action taken by vote of the 19110
commission. No vacancy in the membership of the commission shall 19111
impair the right of a quorum by an affirmative vote of four 19112
appointed members to exercise all rights and perform all duties of 19113
the commission. Members of the commission shall serve without 19114
compensation, but shall be reimbursed for their actual and 19115

(E) Membership on the Ohio public works commission or the 19132

shall be required, by reason of section 101.26 of the Revised 19135
Code, to resign from or forfeit membership in the general 19136
assembly. 19137

county, municipal, or township public official may serve as a 19139
member of the Ohio public works commission or the Ohio small 19140
government capital improvements commission. 19141

Members of the commissions established by this section do not 19142
have an unlawful interest in a public contract under section 19143

the assisted living program should be terminated, the 20113

Sec. 173.542. (A) ~~Unless the medicaid funded component of the 20116

section 173.54 of the Revised Code, the The department of aging 20118
shall establish a home first component of the assisted living 20119
program under which eligible individuals may be enrolled in the 20120
medicaid-funded component of the assisted living program in 20121
accordance with this section. An individual is eligible for the 20122
assisted living program's home first component if both of the 20123
following apply: 20124~~

the individual has a medical condition that, unless the individual 20130
is enrolled in home and community-based services such as the 20131
assisted living program, will require the individual to be 20132
admitted to a nursing facility within thirty days of the 20133
physician's determination. 20134

(c) The individual has been hospitalized and a physician has 20135

determined and documented in writing that, unless the individual 20136
is enrolled in home and community-based services such as the 20137
assisted living program, the individual is to be transported 20138
directly from the hospital to a nursing facility and admitted. 20139

(d) Both of the following apply: 20140

(i) The individual is the subject of a report made under 20141
section 5101.63 of the Revised Code regarding abuse, neglect, or 20142
exploitation or such a report referred to a county department of 20143
job and family services under section 5126.31 of the Revised Code 20144

program is appropriate for the individual and the individual would 20166
rather participate in the assisted living program than continue or 20167

notify the department of aging. On receipt of the notice from the 20169

enrollment in the medicaid-funded component of the assisted living 20171
program regardless of the unified waiting list established under 20172

cause the component to exceed any limit on the number of 20174
individuals who may participate in the component as set by the 20175
United States secretary of health and human services in the 20176

If the director determines to recapture such a tax credit, 21474

or to use the county recorder's technology fund as a dedicated 23117

proposal and the clerk shall enter it on the journal. At the same 23165
time, the board shall establish a date, not sooner than fifteen or 23166

(E)(1) Except as provided in division (E)(3) of this section, 23169
not later than the fifteenth day of December of any year in which 23170
a proposal is submitted under division (A) of this section, the 23171
board of county commissioners shall approve, reject, or modify the 23172
proposal and notify the county recorder of its action on the 23173
proposal. If the board rejects or modifies the proposal, it shall 23174
make a written finding that the request is for a purpose other 23175
than for a purpose in division (A) of this section, or that the 23176
amount requested is excessive as determined by the board. 23177

(2) A proposal submitted under division (A) of this section 23178
that was approved by the board of county commissioners before, and 23179
is in effect on ~~the effective date of this amendment~~ the effective 23180

that an amount that does not exceed three dollars be credited to 23186
the county recorder's technology fund, in addition to the amount 23187
previously approved by the board of county commissioners in a 23188
proposal described in division (E)(2) of this section. The 23189
proposal may be submitted each year during that time period, but 23190

shall be limited to funding in the following fiscal year. If the 23191
total of the amount under division (E)(2) of this section and the 23192
amount requested under this division does not exceed eight 23193
dollars, the board shall approve the proposal and notify the 23194
county recorder of its approval. 23195

(4) If the total amount of fees provided for in divisions 23196
(B), (E)(2), and (E)(3) of this section is less than eight 23197

the board of county commissioners under division (E)(1) of this 23199
section, as long as the total amount of the fees in divisions (B) 23200

recorder's technology fund is established in the county treasury, 23207
and, beginning on the following first day of January, the fees 23208
approved shall be deposited in that fund. 23209

(F) The acquisition and maintenance of imaging and other 23210

and 5705.38, and by division (D) of section 5705.41 of the Revised 23214
Code. 23215

(G) If the use of the county recorder's technology fund for 23216
the purposes of division (A)(3) of this section includes 23217
associated expenses for personnel, the use of the fund for 23218
personnel shall be strictly confined to personnel directly related 23219
to imaging and other technological equipment, and any compensation 23220
increases for those personnel shall not exceed the average of the 23221
annual aggregate percentage increase or decrease in the 23222

compensation fixed by the board of county commissioners for their 23223
employees, and for the officers in section 325.27 of the Revised 23224
Code. Use of the fund for compensation bonuses, or for recognizing 23225
outstanding employee performance in a manner described in section 23226

Sec. 319.202. Before the county auditor indorses any real 23234
property conveyance or manufactured or mobile home conveyance 23235
presented to the auditor pursuant to section 319.20 of the Revised 23236
Code or registers any manufactured or mobile home conveyance 23237

the grantee's representative shall submit in triplicate, either 23239
electronically or three written copies of, a statement, in the 23240
form prescribed by the tax commissioner, and other information as 23241
the county auditor may require, declaring the value of real 23242
property or manufactured or mobile home conveyed, except that when 23243
the transfer is exempt under division (G)(3) of section 319.54 of 23244
the Revised Code only a statement of the reason for the exemption 23245
shall be required. Each statement submitted under this section 23246
shall contain the information required under divisions (A) and (B) 23247
of this section. 23248

(A) Each statement submitted under this section shall either: 23249

(1) Contain an affirmation by the grantee that the grantor 23250
has been asked by the grantee or the grantee's representative 23251
whether to the best of the grantor's knowledge either the 23252
preceding or the current year's taxes on the real property or the 23253

current or following year's taxes on the manufactured or mobile 23254
home conveyed will be reduced under division (A) of section 23255
323.152 or under section 4503.065 of the Revised Code and that the 23256
grantor indicated that to the best of the grantor's knowledge the 23257
taxes will not be so reduced; or 23258

(2) Be accompanied by a sworn or affirmed instrument stating: 23259

(a) To the best of the grantor's knowledge the real property 23260
or the manufactured or mobile home that is the subject of the 23261
conveyance is eligible for and will receive a reduction in taxes 23262
for or payable in the current year under division (A) of section 23263
323.152 or under section 4503.065 of the Revised Code and that the 23264
reduction or reductions will be reflected in the grantee's taxes; 23265

(b) The estimated amount of such reductions that will be 23266
reflected in the grantee's taxes; 23267

(c) That the grantor and the grantee have considered and 23268
accounted for the total estimated amount of such reductions to the 23269
satisfaction of both the grantee and the grantor. The auditor 23270
shall indorse the instrument, return it to the grantee or the 23271
grantee's representative, and provide a copy of the indorsed 23272
instrument to the grantor or the grantor's representative. 23273

(B) Each statement submitted under this section shall either: 23274

(1) Contain an affirmation by the grantee that the grantor 23275
has been asked by the grantee or the grantee's representative 23276
whether to the best of the grantor's knowledge the real property 23277
conveyed qualified for the current agricultural use valuation 23278
under section 5713.30 of the Revised Code either for the preceding 23279
or the current year and that the grantor indicated that to the 23280
best of the grantor's knowledge the property conveyed was not so 23281
qualified; or 23282

(2) Be accompanied by a sworn or affirmed instrument stating: 23283

(a) To the best of the grantor's knowledge the real property 23284
conveyed was qualified for the current agricultural use valuation 23285
under section 5713.30 of the Revised Code either for the preceding 23286
or the current year; 23287

(b) To the extent that the property will not continue to 23288
qualify for the current agricultural use valuation either for the 23289
current or the succeeding year, that the property will be subject 23290
to a recoupment charge equal to the tax savings in accordance with 23291
section 5713.34 of the Revised Code; 23292

(c) That the grantor and the grantee have considered and 23293
accounted for the total estimated amount of such recoupment, if 23294
any, to the satisfaction of both the grantee and the grantor. The 23295
auditor shall indorse the instrument, forward it to the grantee or 23296
the grantee's representative, and provide a copy of the indorsed 23297
instrument to the grantor or the grantor's representative. 23298

(C) The grantor shall pay the fee required by division (G)(3) 23299
of section 319.54 of the Revised Code; and, in the event the board 23300
of county commissioners of the county has levied a real property 23301
or a manufactured home transfer tax pursuant to Chapter 322. of 23302
the Revised Code, the amount required by the real property or 23303
manufactured home transfer tax so levied. If the conveyance is 23304
exempt from the fee provided for in division (G)(3) of section 23305
319.54 of the Revised Code and the tax, if any, levied pursuant to 23306
Chapter 322. of the Revised Code, the reason for such exemption 23307
shall be shown on the statement. "Value" means, in the case of any 23308
deed or certificate of title not a gift in whole or part, the 23309
amount of the full consideration therefor, paid or to be paid for 23310
the real estate or manufactured or mobile home described in the 23311
deed or title, including the amount of any mortgage or vendor's 23312
lien thereon. If property sold under a land installment contract 23313
is conveyed by the seller under such contract to a third party and 23314
the contract has been of record at least twelve months prior to 23315

the date of conveyance, "value" means the unpaid balance owed to 23316
the seller under the contract at the time of the conveyance, but 23317
the statement shall set forth the amount paid under such contract 23318
prior to the date of conveyance. In the case of a gift in whole or 23319
part, "value" means the estimated price the real estate or 23320
manufactured or mobile home described in the deed or certificate 23321
of title would bring in the open market and under the then 23322
existing and prevailing market conditions in a sale between a 23323
willing seller and a willing buyer, both conversant with the 23324
property and with prevailing general price levels. No person shall 23325
willfully falsify the value of property conveyed. 23326

(D) The auditor shall indorse each conveyance on its face to 23327
indicate the amount of the conveyance fee and compliance with this 23328
section and if the property is residential rental property include 23329
a statement that the grantee shall file with the county auditor 23330
the information required under division (A) or (C) of section 23331
5323.02 of the Revised Code. The auditor shall retain the original 23332
copy of the statement of value, forward to the tax commissioner 23333
one copy on which shall be noted the most recent assessed value of 23334
the property, and furnish one copy to the grantee or the grantee's 23335
representative. 23336

(E) In order to achieve uniform administration and collection 23337
of the transfer fee required by division (G)(3) of section 319.54 23338
of the Revised Code, the tax commissioner shall adopt and 23339
promulgate rules for the administration and enforcement of the 23340
levy and collection of such fee. 23341

(F) As used in this section, "residential rental property" 23342
has the same meaning as in section 5323.01 of the Revised Code. 23343

Sec. 323.25. (A) When taxes charged against an entry on the 23344
tax duplicate, or any part of those taxes, are not paid within 23345
sixty days after delivery of the delinquent land duplicate to the 23346

county treasurer as prescribed by section 5721.011 of the Revised Code, the county treasurer shall enforce the lien for the taxes by civil action in the treasurer's official capacity as treasurer, for the sale of such premises in the same way mortgage liens are enforced or for the transfer of such premises to an electing subdivision pursuant to section 323.28 or 323.78 of the Revised Code, in the court of common pleas of the county, in a municipal court with jurisdiction, or in the county board of revision with jurisdiction pursuant to section 323.66 of the Revised Code. Nothing in this section prohibits the treasurer from instituting such an action before the delinquent tax list or delinquent vacant land tax list that includes the premises has been published pursuant to division (B) of section 5721.03 of the Revised Code if the list is not published within the time prescribed by that division.

(B) After the civil action has been instituted, but before the expiration of the applicable redemption period, any person entitled to redeem the land may do so by tendering to the county treasurer an amount sufficient, as determined by the court or board of revision, to pay the taxes, assessments, penalties, interest, and charges then due and unpaid, and the costs incurred in the civil action, and by demonstrating that the property is in compliance with all applicable zoning regulations, land use restrictions, and building, health, and safety codes.

(C) If the delinquent land duplicate lists minerals or rights to minerals listed pursuant to sections 5713.04, 5713.05, and 5713.06 of the Revised Code, the county treasurer may enforce the lien for taxes against such minerals or rights to minerals by civil action, in the treasurer's official capacity as treasurer, in the manner prescribed by this section, or proceed as provided under section 5721.46 of the Revised Code.

(D) If service by publication is necessary, instead of as

provided by the Rules of Civil Procedure, such publication shall 23379
either be made (1) once a week for three consecutive weeks instead 23380
of as provided by the Rules of Civil Procedure, and the service in 23381
a newspaper of general circulation in the county or (2) once in a 23382
newspaper of general circulation in the county and, beginning one 23383
week thereafter, on a web site of the county or of the court, as 23384
selected by the clerk of the court. Publication on the web site 23385
shall continue until one year after the date a finding is entered 23386
under section 323.28 of the Revised Code with respect to such 23387
property. Any notices published on a web site shall identify the 23388
date the notice is first published on the web site. If proceeding 23389
under division (D)(1) of this section, the second and third 23390
publication of the notice may be abbreviated as authorized under 23391
section 7.16 of the Revised Code. 23392

Service shall be complete, if proceeding under division 23393
(D)(1) of this section, at the expiration of three weeks after the 23394
date of the first publication or, if proceeding under division 23395
(D)(2) of this section, the date that is two weeks after the clerk 23396
causes the notice to be published on the selected web site. If the 23397
prosecuting attorney determines that service upon a defendant may 23398
be obtained ultimately only by publication, the prosecuting 23399
attorney may cause service to be made simultaneously by certified 23400
mail, return receipt requested, ordinary mail, and publication. 23401
The 23402

(E) The county treasurer shall not enforce the lien for taxes 23403
against real property to which any of the following applies: 23404

(A)(1) The real property is the subject of an application for 23405
exemption from taxation under section 5715.27 of the Revised Code 23406
and does not appear on the delinquent land duplicate; 23407

(B)(2) The real property is the subject of a valid delinquent 23408
tax contract under section 323.31 of the Revised Code for which 23409
the county treasurer has not made certification to the county 23410

auditor that the delinquent tax contract has become void in 23411
accordance with that section; 23412

~~(C)~~(3) A tax certificate respecting that property has been 23413
sold under section 5721.32 or 5721.33 of the Revised Code; 23414
provided, however, that nothing in this division shall prohibit 23415
the county treasurer or the county prosecuting attorney from 23416
enforcing the lien of the state and its political subdivisions for 23417
taxes against a certificate parcel with respect to any or all of 23418
such taxes that at the time of enforcement of such lien are not 23419
the subject of a tax certificate. 23420

(F) Upon application of the plaintiff, the court shall 23421
advance such cause on the docket, so that it may be first heard. 23422

The court may order that the proceeding be transferred to the 23423
county board of revision if so authorized under section 323.691 of 23424
the Revised Code. 23425

Sec. 323.69. (A) Upon the completion of the title search 23426
required by section 323.68 of the Revised Code, the prosecuting 23427
attorney, representing the county treasurer, the county land 23428
reutilization corporation, or the certificate holder may file with 23429
the clerk of court a complaint for the foreclosure of each parcel 23430
of abandoned land appearing on the abandoned land list, and for 23431
the equity of redemption on each parcel. The complaint shall name 23432
all parties having any interest of record in the abandoned land 23433
that was discovered in the title search. The prosecuting attorney, 23434
county land reutilization corporation, or certificate holder may 23435
file such a complaint regardless of whether the parcel has 23436
appeared on a delinquent tax list or delinquent vacant land tax 23437
list published pursuant to division (B) of section 5721.03 of the 23438
Revised Code. 23439

(B)(1) In accordance with Civil Rule 4, the clerk of court 23440
promptly shall serve notice of the summons and the complaint filed 23441

under division (A) of this section to the last known address of 23442
the record owner of the abandoned land and to the last known 23443
address of each lienholder or other person having a legal or 23444
equitable ownership interest or security interest of record 23445
identified by the title search. The notice shall inform the 23446
addressee that delinquent taxes stand charged against the 23447
abandoned land; that the land will be sold at public auction or 23448
otherwise disposed of if not redeemed by the owner or other 23449
addressee; that the sale or transfer will occur at a date, time, 23450
and place, and in the manner prescribed in sections 323.65 to 23451
323.79 of the Revised Code; that the owner or other addressee may 23452
redeem the land by paying the total of the impositions against the 23453
land at any time before confirmation of sale or transfer of the 23454
parcel as prescribed in sections 323.65 to 323.79 of the Revised 23455
Code or before the expiration of the alternative redemption 23456
period, as may be applicable to the proceeding; that the case is 23457
being prosecuted by the prosecuting attorney of the county in the 23458
name of the county treasurer for the county in which the abandoned 23459
land is located or by a certificate holder, whichever is 23460
applicable; of the name, address, and telephone number of the 23461
county board of revision before which the action is pending; of 23462
the board case number for the action, which shall be maintained in 23463
the official file and docket of the clerk of court; and that all 23464
subsequent pleadings, petitions, and papers associated with the 23465
case and filed by any interested party must be filed with the 23466
clerk of court and will become part of the case file for the board 23467
of revision. 23468

(2) The notice required by division (B)(1) of this section 23469
also shall inform the addressee that any owner of record may, at 23470
any time on or before the fourteenth day after service of process 23471
is perfected, file a pleading with the clerk of court requesting 23472
that the board transfer the case to a court of competent 23473
jurisdiction to be conducted in accordance with the applicable 23474

laws. 23475

(C) Subject to division (D) of this section, subsequent 23476
pleadings, motions, or papers associated with the case and filed 23477
with the clerk of court shall be served upon all parties of record 23478
in accordance with Civil Rules 4 and 5, except that service by 23479
publication in any case requiring such service shall require that 23480
any such publication shall be advertised in the manner, and for 23481
the time periods and frequency, prescribed in section 5721.18 of 23482
the Revised Code. Any inadvertent noncompliance with those rules 23483
does not serve to defeat or terminate the case, or subject the 23484
case to dismissal, as long as actual notice or service of filed 23485
papers is shown by a preponderance of the evidence or is 23486
acknowledged by the party charged with notice or service, 23487
including by having made an appearance or filing in relation to 23488
the case. The county board of revision may conduct evidentiary 23489
hearings on the sufficiency of process, service of process, or 23490
sufficiency of service of papers in any proceeding arising from a 23491
complaint filed under this section. Other than the notice and 23492
service provisions contained in Civil Rules 4 and 5, the Rules of 23493
Civil Procedure shall not be applicable to the proceedings of the 23494
board. The board of revision may utilize procedures contained in 23495
the Rules of Civil Procedure to the extent that such use 23496
facilitates the needs of the proceedings, such as vacating orders, 23497
correcting clerical mistakes, and providing notice to parties. To 23498
the extent not otherwise provided in sections 323.65 to 323.79 of 23499
the Revised Code, the board may apply the procedures prescribed by 23500
sections 323.25 to 323.28 or Chapters 5721., 5722., and 5723. of 23501
the Revised Code. Board practice shall be in accordance with the 23502
practice and rules, if any, of the board that are promulgated by 23503
the board under section 323.66 of the Revised Code and are not 23504
inconsistent with sections 323.65 to 323.79 of the Revised Code. 23505

(D)(1) A party shall be deemed to be in default of the 23506

proceedings in an action brought under sections 323.65 to 323.79 23507
of the Revised Code if either of the following occurs: 23508

(a) The party fails to appear at any hearing after being 23509
served with notice of the summons and complaint by certified or 23510
ordinary mail. 23511

(b) For a party upon whom notice of summons and complaint is 23512
required by publication as provided under section 5721.18 of the 23513
Revised Code and has been considered ~~served~~ complete pursuant to 23514
that section, the party fails to appear, move, or plead to the 23515
complaint within twenty-eight days after service by publication is 23516
~~completed~~ considered complete. 23517

(2) If a party is deemed to be in default pursuant to 23518
division (D)(1) of this section, no further service of any 23519
subsequent pleadings, papers, or proceedings is required on the 23520
party by the court or any other party. 23521

(E) At any time after a foreclosure action is filed under 23522
this section, the county board of revision may, upon its own 23523
motion, transfer the case to a court pursuant to section 323.691 23524
of the Revised Code if it determines that, given the complexity of 23525
the case or other circumstances, a court would be a more 23526
appropriate forum for the action. 23527

Sec. 340.01. (A) As used in this chapter: 23528

(1) "Addiction," "addiction services," "alcohol and drug 23529
addiction services," ~~"alcoholism,"~~ "alcohol use disorder," 23530
"certifiable services and supports," "community addiction services 23531
provider," "community mental health services provider," "drug 23532
addiction," "gambling addiction services," "included opioid and 23533
co-occurring drug addiction services and recovery supports," 23534
"mental health services," "mental illness," "recovery housing 23535
residence," and "recovery supports" have the same meanings as in 23536

section 5119.01 of the Revised Code. 23537

(2) "Medication-assisted treatment" means alcohol and drug 23538
addiction services that are accompanied by medication approved by 23539
the United States food and drug administration for the treatment 23540
of ~~alcoholism~~ alcohol use disorder or drug addiction, prevention 23541
of relapse ~~of alcoholism or drug addiction~~, or both. 23542

~~(3) "Recovery housing" means housing for individuals 23543
recovering from alcoholism or drug addiction that provides an 23544
alcohol and drug free living environment, peer support, assistance 23545
with obtaining alcohol and drug addiction services, and other 23546
alcoholism and drug addiction recovery assistance. 23547~~

(B) An alcohol, drug addiction, and mental health service 23548
district shall be established in any county or combination of 23549
counties having a population of at least fifty thousand. With the 23550
approval of the director of mental health and addiction services, 23551
any county or combination of counties having a population of less 23552
than fifty thousand may establish such a district. Districts 23553
comprising more than one county shall be known as joint-county 23554
districts. 23555

The board of county commissioners of any county participating 23556
in a joint-county district may submit a resolution requesting 23557
withdrawal from the district together with a comprehensive plan or 23558
plans that are in compliance with rules adopted by the director of 23559
mental health and addiction services under section 5119.22 of the 23560
Revised Code, ~~and that provide for the equitable adjustment and 23561
division of all services, assets, property, debts, and 23562
obligations, if any, of the joint-county district to the board of 23563
alcohol, drug addiction, and mental health services, to the boards 23564
of county commissioners of each county in the district, and to the 23565
director. The plan or plans shall include all of the following: 23566
proposed bylaws for the operation of the newly established 23567
district; a list of potential board members; a list of the 23568~~

behavioral health services available in the newly established 23569
district, including inpatient, outpatient, prevention, and housing 23570
services; equitable adjustment and division of all services, 23571
assets, property, debts, and obligations of the former 23572
joint-county district; a plan ensuring no disruption in behavioral 23573
health services in the newly established district; and provision 23574
for the employment of an executive director of the newly 23575
established district. 23576

The director shall approve the plan not later than one year 23577
after the date the resolution was adopted by the board of county 23578
commissioners. No county participating in a joint-county ~~service~~ 23579
district may withdraw from the district without the consent of the 23580
director of mental health and addiction services nor earlier than 23581
one year after the submission of such resolution unless all of the 23582
participating counties agree to an earlier withdrawal. ~~Any~~ 23583

Any county withdrawing from a joint-county district shall 23584
continue to have levied against its tax list and duplicate any tax 23585
levied by the district during the period in which the county was a 23586
member of the district until such time as the levy expires or is 23587
renewed or replaced. 23588

(C) For any tax levied under section 5705.19 of the Revised 23589
Code by a board of a joint-county district formed on or after ~~the~~ 23590
~~effective date of this amendment~~ April 3, 2023, revenue from the 23591
tax shall only be expended for the benefit of the residents of the 23592
county from which the revenue is derived. For the purpose of this 23593
division, a joint-county district is not formed by virtue of a 23594
county joining or withdrawing from a district or if a joint-county 23595
service district merges with another joint-county district. 23596

Sec. 340.02. (A) For each alcohol, drug addiction, and mental 23597
health service district, there shall be appointed a board of 23598
alcohol, drug addiction, and mental health services ~~consisting.~~ As 23599

~~provided in this section, the board shall consist of eighteen 23600
members or, fifteen members, fourteen members, twelve members, or 23601
nine members. Should the board of alcohol, drug addiction, and 23602
mental health services elect to remain at eighteen members, as 23603
provided under section 340.02 of the Revised Code as it existed 23604
immediately prior to the date of this amendment, the board of 23605
alcohol, drug addiction, and mental health services and the board 23606
of county commissioners shall not be required to take any action. 23607
Should the board of alcohol, drug addiction, and mental health 23608
services elect a recommendation to become a fourteen member board, 23609
that recommendation must be approved by the board of county 23610
commissioners of the county in which the alcohol, drug addiction, 23611
and mental health district is located in order for the transition 23612
to a fourteen member board to occur. Not later than September 30, 23613
2013, each board of alcohol, drug addiction, and mental health 23614
services wishing to become a fourteen member board shall notify 23615
the board of county commissioners of that recommendation. Failure 23616
of the board of county commissioners to take action within thirty 23617
days after receipt of the recommendation shall be deemed agreement 23618
by the board of county commissioners to transition to a 23619
fourteen member board of alcohol, drug addiction, and mental 23620
health services. Should the board of county commissioners reject 23621
the recommendation, the board of county commissioners shall adopt 23622
a resolution stating that rejection within thirty days after 23623
receipt of the recommendation. Upon adoption of the resolution, 23624
the board of county commissioners shall meet with the board of 23625
alcohol, drug addiction, and mental health services to discuss the 23626
matter. After the meeting, the board of county commissioners shall 23627
notify the department of mental health and addiction services of 23628
its election not later than January 1, 2014. In a joint county 23629
district, a majority of the boards of county commissioners must 23630
not reject the recommendation of a joint county board to become a 23631~~

~~fourteen member board in order for the transition to a 23632
fourteen member board to occur. Should the joint county district 23633
have an even number of counties, and the boards of county 23634
commissioners of these counties tie in terms of whether or not to 23635
accept the recommendation of the alcohol, drug addiction, and 23636
mental health services board, the recommendation of the alcohol, 23637
drug addiction, and mental health service board to become a 23638
fourteen member board shall prevail. The election shall be final. 23639
Failure to provide notice of its election to the department on or 23640
before January 1, 2014, shall constitute an election to continue 23641
to operate as an eighteen member board, which election shall also 23642
be final. If an existing board provides timely notice of its 23643
election to transition to operate as a fourteen member board, the 23644
number of board members may decline from eighteen to fourteen by 23645
attrition as current members' terms expire. However, the 23646
composition of the board must reflect the requirements set forth 23647
in this section for fourteen member boards. For all boards, half 23648
of the members shall be interested in mental health services and 23649
half of the members shall be interested in alcohol, drug, or 23650
gambling addiction services. 23651~~

In a single-county district, the size of the board shall be 23652
determined by the board of county commissioners representing the 23653
county that constitutes the district. In a joint-county district, 23654
the size of the board shall be determined jointly by all of the 23655
boards of county commissioners representing the counties that 23656
constitute the district. 23657

The determination of board size shall be made by selecting 23658
one of the options described in division (B) of this section. 23659
After an option is selected and implemented, a subsequent 23660
determination of board size may be made, except that subsequent 23661
determinations shall not occur more frequently than once every 23662
four calendar years. 23663

If a selected option would result in a change in board size, 23664
before the option may be implemented the board of county 23665
commissioners or boards of county commissioners, as the case may 23666
be, shall send a representative to a meeting of the board of 23667
alcohol, drug addiction, and mental health services to solicit 23668
feedback about the matter. After considering any feedback 23669
received, the board or boards of county commissioners may proceed 23670
with implementing the change in board size. If the change results 23671
in a reduction of board members, the reduction shall be 23672
implemented by not filling vacancies as they occur. 23673

To implement a selected option that would result in the 23674
establishment of a new board of alcohol, drug addiction, and 23675
mental health services or in a change in size of an existing 23676
board, the board or boards of county commissioners, as the case 23677
may be, shall adopt a resolution specifying the board size that 23678
has been selected. The board or boards of county commissioners 23679
also shall notify the department of mental health and addiction 23680
services of the board size that has been selected. 23681

(B)(1) In the case of a board of alcohol, drug addiction, and 23682
mental health services that is established on or after the 23683
effective date of this amendment, any of the following options may 23684
be selected for purposes of division (A) of this section: 23685

(a) To establish the board as an eighteen-member board; 23686

(b) To establish the board as a fifteen-member board; 23687

(e) To establish the board as a nine-member board; 23690

by selecting a number of members that is eighteen, fifteen, 23692
fourteen, twelve, or nine, as the case may be. 23693

(2) In the case of a board of alcohol, drug addiction, and mental health services that existed immediately prior to the effective date of this amendment, either of the following options may be selected for purposes of division (A) of this section: 23694

23703
23704

(C) All members shall be residents of the service district. The membership shall, as nearly as possible, reflect the composition of the population of the service district as to race and sex. 23705

23707
23708

(8) A statement that the development will comply with all 24727

Upon the filing of such petition, the organizational board of 24729
commissioners shall determine whether such petition complies with 24730
the requirements of this section as to form and substance. The 24731
board in subsequent proceedings may at any time permit the 24732
petition to be amended in form and substance to conform to the 24733
facts by correcting any errors in the description of the proposed 24734
new community district or in any other particular. 24735

Upon the determination of the organizational board of 24736

commissioners that a sufficient petition has been filed in 24737
accordance with this section, the board shall fix the time and 24738
place of a hearing on the petition for the establishment of the 24739
proposed new community authority. Such hearing shall be held not 24740
less than ninety-five nor more than one hundred fifteen days after 24741
the petition filing date, except that if the petition has been 24742
signed by all proximate ~~cities~~ communities or if the 24743
organizational board of commissioners is the legislative authority 24744
of the only proximate ~~city~~ community for the proposed new 24745
community district, such hearing shall be held not less than 24746
thirty nor more than forty-five days after the petition filing 24747
date. The clerk of the organizational board of commissioners ~~with~~ 24748
~~which the petition was filed~~ shall give notice thereof by 24749
publication once each week for three consecutive weeks, or as 24750
provided in section 7.16 of the Revised Code, in a newspaper of 24751
general circulation in any county of which a portion is within the 24752
proposed new community district. Except where the organizational 24753
board of commissioners is the legislative authority of the only 24754
proximate ~~city~~ community for the proposed new community district, 24755
such clerk shall also give written notice of the date, time, and 24756
place of the hearing and furnish a certified copy of the petition 24757
to the clerk of the legislative authority of each proximate ~~city~~ 24758
community which has not signed such petition. Except where the 24759
organizational board of commissioners is the legislative authority 24760
of the only proximate ~~city~~ community for the proposed new 24761
community district, in the event that the legislative authority of 24762
a proximate ~~city~~ community which did not sign the petition does 24763
not approve by ordinance, resolution, or motion the establishment 24764
of the proposed new community authority and does not deliver such 24765
ordinance, resolution, or motion to the clerk of the 24766
organizational board of commissioners ~~with which the petition was~~ 24767
~~filed~~ within ninety days following the date of the first 24768
publication of the notice of the public hearing, the 24769

organizational board of commissioners shall cancel such public 24770
hearing and terminate the proceedings for the establishment of the 24771
new community authority. 24772

Upon the hearing, if the organizational board of 24773
commissioners determines by resolution that the proposed new 24774
community district will be conducive to the public health, safety, 24775
convenience, and welfare, and is intended to result in the 24776
development of a new community, the board shall by its resolution, 24777
declare the new community authority to be organized and a body 24778
politic and corporate with the corporate name designated in the 24779
resolution, and define the boundary of the new community district. 24780
In addition, the resolution shall provide the method of selecting 24781
the board of trustees of the new community authority and fix the 24782
surety for their bonds in accordance with section 349.04 of the 24783
Revised Code. 24784

If the organizational board of commissioners finds that the 24785
establishment of the district will not be conducive to the public 24786
health, safety, convenience, or welfare, or is not intended to 24787
result in the development of a new community, it shall reject the 24788
petition thereby terminating the proceedings for the establishment 24789
of the new community authority. 24790

~~(B)~~(B)(1) At any time after the creation of a new community 24791
authority, the developer may file an application with the clerk of 24792
the organizational board of commissioners with which the original 24793
petition was filed, setting forth a general description of 24794
territory it desires to add or to delete from such district, that 24795
such change will be conducive to the public health, safety, 24796
convenience, and welfare, and will be consistent with the 24797
development of a new community and will not jeopardize the plan of 24798
the new community. ~~If~~ 24799

(2) If the territory to be added or deleted from a new 24800
community district meets the criteria described in either division 24801

(F)(3) or (4) of section 349.01 of the Revised Code, and the 24802
original petition was not filed with the municipal or township 24803
organizational board of commissioners described in those 24804
divisions, the developer shall also file the application to the 24805
clerk of that municipal or township organizational board of 24806
commissioners. A municipal or township organizational board of 24807
commissioners that receives an application under division (B)(2) 24808
of this section is the acting organizational board of 24809
commissioners for the purposes of division (B)(4) of this section. 24810
Otherwise, the organizational board of commissioners with which 24811
the original petition was filed is the acting organizational board 24812
of commissioners for the purposes of that division. 24813

(3) If the developer is not a municipal corporation, port 24814
authority, or county, all of such an addition to such a district 24815
shall be owned by, or under the control through leases of at least 24816
seventy-five years' duration, options, or contracts to purchase, 24817
of the developer. ~~Upon~~ 24818

(4) Upon the filing of the application, the acting 24819
organizational board of commissioners shall follow the same 24820
procedure as required by this section in relation to the original 24821
petition for the establishment of the proposed new community. The 24822
acting organizational board of commissioners also may determine by 24823
resolution to add territory to such district, provided that the 24824
owner or other person who controls such territory through leases 24825
of at least forty years' duration, options, or contracts to 24826
purchase files a written consent to the addition of such territory 24827
with the clerk of the acting organizational board of 24828
commissioners, and neither the developer ~~does not object nor, if~~ 24829
applicable, the organizational board of commissioners with which 24830
the original petition was filed objects to the addition of such 24831
territory by filing a written objection ~~to the addition of such~~ 24832
~~territory~~ with the clerk of the acting organizational board of 24833

commissioners before the adoption of the resolution adding such 24834
territory to the district. The acting organizational board of 24835
commissioners shall follow the same procedure as required by this 24836
section in relation to the original petition for the establishment 24837
of the proposed new community when adopting such a resolution. 24838

(C) If all or any part of the new community district is 24839
annexed to one or more existing municipal corporations, their 24840
legislative authorities may appoint persons to replace any 24841
appointed citizen member of the board of trustees. The number of 24842
such trustees to be replaced by the municipal corporation shall be 24843
the number, rounded to the lowest integer, bearing the 24844
proportionate relationship to the number of existing appointed 24845
citizen members as the acreage of the new community district 24846
within such municipal corporation bears to the total acreage of 24847
the new community district. If any such municipal corporation 24848
chooses to replace an appointed citizen member, it shall do so by 24849
ordinance, the term of the trustee being replaced shall terminate 24850
thirty days from the date of passage of such ordinance, and the 24851
trustee to be replaced shall be determined by lot. Each newly 24852
appointed member shall assume the term of the member's 24853
predecessor. 24854

Sec. 349.04. The following method of selecting a board of 24855
trustees is deemed to be a compelling state interest. Within ten 24856
days after the new community authority has been established, as 24857
provided in section 349.03 of the Revised Code, an initial board 24858
of trustees shall be appointed as follows: the organizational 24859
board of commissioners shall appoint by resolution at least three, 24860
but not more than six, citizen members of the board of trustees to 24861
represent the interests of present and future residents and 24862
employers of the new community district and one member to serve as 24863
a representative of local government, and the developer shall 24864
appoint a number of members equal to the number of citizen members 24865

to serve as representatives of the developer. 24866

Members shall serve two-year overlapping terms, with two of 24867
each of the initial citizen and developer members appointed to 24868
serve initial one-year terms. The organizational board of 24869
commissioners shall adopt, by further resolution adopted within 24870
one year of such resolution establishing such initial board of 24871
trustees, a method for selection of successor members thereof 24872
which determines the projected total population of the projected 24873
new community and meets the following criteria: 24874

(A) The appointed citizen members shall be replaced by 24875
elected citizen members according to a schedule established by the 24876
organizational board of commissioners calculated to achieve one 24877
such replacement each time the new community district gains a 24878
proportion, having a numerator of one and a denominator of twice 24879
the number of citizen members, of its projected total population 24880
until such time as all of the appointed citizen members are 24881
replaced. 24882

(B) Representatives of the developer shall be replaced by 24883
elected citizen members according to a schedule established by the 24884
organizational board of commissioners calculated to achieve one 24885
such replacement each time the new community district gains a 24886
proportion, having a numerator of one and a denominator equal to 24887
the number of developer members, of its projected total population 24888
until such time as all of the developer's representatives are 24889
replaced. 24890

(C) The representative of local government shall be replaced 24891
by an elected citizen member at the time the new community 24892
district gains three-quarters of its projected total population. 24893

Elected citizen members of the board of trustees shall be 24894
elected by a majority of the residents of the new community 24895
district voting at elections held at the times and in the manner 24896

provided in a resolution of the organizational board of 24897
commissioners. Each citizen member except an appointed citizen 24898
member shall be a qualified elector who resides within the new 24899
community district. The organizational board of commissioners, by 24900
resolution, may adopt an alternative method of selecting or 24901
electing successor members of the board of trustees provided that 24902
if an alternative method of selection is adopted for a new 24903
community authority organized prior to March 22, 2012, the board 24904
of trustees of that authority shall be limited in the collection 24905
of a community development charge, collected pursuant to division 24906
(Q) of section 349.06 of the Revised Code, and the issuance of 24907
bonds or notes, issued pursuant to section 349.08 of the Revised 24908
Code, to the amount or to the extent otherwise permitted for a 24909
board of trustees whose members are not elected by residents of 24910
the new community district. If the alternative method provides for 24911
the election of citizen members, the elections may be held at the 24912
times and in the manner provided in the petition or in a 24913
resolution of the organizational board of commissioners, and the 24914
elected citizen members shall be qualified electors who reside in 24915
the new community district. 24916

Citizen members shall not be employees of or have financial 24917
interest in the developer. If a vacancy occurs in the office of a 24918
member other than a member appointed by the developer, the 24919
organizational board of commissioners may appoint a successor 24920
member for the remainder of the unexpired term. Any appointed 24921
member of the board of trustees may at any time be removed by the 24922
organizational board of commissioners for misfeasance, 24923
nonfeasance, or malfeasance in office. Members appointed by the 24924
developer may also at any time be removed by the developer without 24925
a showing of cause. 24926

Each member of the board of trustees, before entering upon 24927
official duties, shall take and subscribe to an oath before an 24928

officer authorized to administer oaths in Ohio that the member 24929
will honestly and faithfully perform the duties of the member's 24930
office. Such oath shall be filed in the office of the clerk of the 24931
organizational board of commissioners ~~with which the petition was~~ 24932
~~filed~~. Upon taking the oath, the board of trustees shall elect one 24933
of its number as chairperson and another as vice-chairperson, and 24934
shall appoint suitable persons as secretary and treasurer who need 24935
not be members of the board. The treasurer shall be the fiscal 24936
officer of the authority. The board shall adopt by-laws governing 24937
the administration of the affairs of the new community authority. 24938
Each member of the board shall post a bond for the faithful 24939
performance of official duties and give surety therefor in such 24940
amount, but not less than ten thousand dollars, as the resolution 24941
creating such board shall prescribe. 24942

All of the powers of the new community authority shall be 24943
exercised by its board of trustees, but without relief of such 24944
responsibility, such powers may be delegated to committees of the 24945
board or its officers and employees in accordance with its 24946
by-laws. A majority of the board shall constitute a quorum, and a 24947
concurrence of a majority of a quorum in any matter within the 24948
board's duties is sufficient for its determination, provided a 24949
quorum is present when such concurrence is had and a majority of 24950
those members constituting such quorum are trustees not appointed 24951
by the developer. All trustees shall be empowered to vote on all 24952
matters within the authority of the board of trustees, and no vote 24953
by a member appointed by the developer shall be construed to give 24954
rise to civil or criminal liability for conflict of interest on 24955
the part of public officials. 24956

Sec. 349.14. Except as provided in section 349.03 of the 24957
Revised Code, or as otherwise provided in a resolution adopted by 24958
the organizational board of commissioners of a new community 24959
authority, a new community authority organized under this chapter 24960

may be dissolved only on the vote of a majority of the voters of 24961
the new community district at a special election called by the 24962
board of trustees on the question of dissolution. Such an election 24963
may be called only after the board has determined that the new 24964
community development program has been completed, when no 24965
community authority bonds or notes are outstanding, and other 24966
legal indebtedness of the authority has been discharged or 24967
provided for, and only after there has been filed with the board 24968
of trustees a petition requesting such election, signed by a 24969
number of qualified electors residing in the new community 24970
district equal to not less than eight per cent of the total vote 24971
cast for all candidates for governor in the new community district 24972
at the most recent general election at which a governor was 24973
elected. If a majority of the votes cast favor dissolution, the 24974
board of trustees shall, by resolution, declare the authority 24975
dissolved and thereupon the community authority shall be 24976
dissolved. A certified copy of the resolution shall, within 24977
fifteen days after its adoption, be filed with the clerk of the 24978
organizational board of commissioners ~~of the county~~ with which the 24979
original petition for the organization of the new community 24980
authority was filed and with the clerk of any other organizational 24981
board of commissioners where territory of the new community 24982
district was located. 24983

Upon dissolution of a new community authority, the powers 24984
thereof shall cease to exist. Any property of the new community 24985
authority shall vest with a municipal corporation, county, or 24986
township in which that property is located or with the developer 24987
of the new community authority or the developer's designee, all as 24988
provided in a resolution adopted by the organizational board of 24989
commissioners. Any vesting of property in a municipal corporation, 24990
township, or county shall be subject to acceptance of the property 24991
by resolution of the legislative authority of the municipal 24992
corporation, board of township trustees, or board of county 24993

commissioners, as applicable. If the legislative authority of a 24994
municipal corporation, board of township trustees, or board of 24995
county commissioners declines to accept the property, the property 24996
vests with the developer or the developer's designee. Any funds of 24997
the community authority at the time of dissolution shall be 24998
transferred to the municipal corporation and county or township, 24999
as provided in a resolution, in which the new community district 25000
is located in the proportion to the assessed valuation of taxable 25001
real property of the new community authority within such municipal 25002
corporation and township or county as said valuation appears on 25003
the current assessment rolls. 25004

Sec. 503.59. A board of township trustees that has entered 25005
into an agreement with the Ohio air quality development authority 25006
under section 3706.051 of the Revised Code may levy, in accordance 25007
with that agreement, a special assessment upon real property 25008
located in the township specially benefited by an air quality 25009
facility that is the subject of that agreement. 25010

An assessment levied under this section shall be made in any 25011
manner authorized under section 727.01 of the Revised Code and, 25012
except as otherwise provided in this section, in accordance with 25013
the procedures prescribed for special assessments levied by 25014
municipal corporations under Chapter 727. of the Revised Code, 25015
except that where that chapter refers to a municipal corporation, 25016
it shall be deemed to refer to the township and where that chapter 25017
refers to the legislative authority of a municipal corporation, it 25018
shall be deemed to refer to the board of township trustees. All 25019
rights and privileges of an owner of property subject to an 25020
assessment levied under that chapter shall apply to the owner of 25021
property assessed under this section. 25022

No special assessment may be levied under this section unless 25023
the owner of the property to be assessed files a written statement 25024

with the board of township trustees requesting that the assessment 25025
be levied. 25026

Sec. 504.12. No resolution and no section or numbered or 25027
lettered division of a section shall be revised or amended unless 25028
the new resolution contains the entire resolution, section, or 25029
division as revised or amended, and the resolution, section, or 25030
division so amended shall be repealed. This requirement does not 25031
prevent the amendment of a resolution by the addition of a new 25032
section, or division, and in this case the full text of the former 25033
resolution need not be set forth, nor does this section prevent 25034
repeals by implication. Except in the case of a codification or 25035
recodification of resolutions, a separate vote shall be taken on 25036
each resolution proposed to be amended. Resolutions that have been 25037
introduced and have received their first reading or their first 25038
and second readings, but have not been voted on for passage, may 25039
be amended or revised by a majority vote of the members of the 25040
board of township trustees, and the amended or revised resolution 25041
need not receive additional readings. 25042

The board of township trustees of a limited home rule 25043
township may revise, codify, and publish in book form the 25044
resolutions of the township in the ~~same~~ manner ~~as~~ provided in 25045
section ~~731.23~~ 504.123 of the Revised Code ~~for municipal~~ 25046
~~corporations~~. Resolutions adopted by the board shall be published 25047
in the ~~same~~ manner ~~as~~ provided by sections ~~731.21~~ 504.121, ~~731.22~~ 25048
504.122, ~~731.24~~ 504.124, ~~731.25~~ 504.125, and ~~731.26~~ 504.126 of the 25049
Revised Code ~~for municipal corporations, except that they shall be~~ 25050
~~published in a newspaper of general circulation within the~~ 25051
~~township. The fiscal officer of the township shall perform the~~ 25052
~~duties that the clerk of the legislative authority of a municipal~~ 25053
~~corporation is required to perform under those sections.~~ 25054

The procedures provided in this section and sections 504.121 25055

to 504.126 of the Revised Code apply only to resolutions adopted 25056
pursuant to a township's limited home rule powers as authorized by 25057
this chapter. 25058

Sec. 504.121. (A) A succinct summary of each resolution, of 25059
all notices to bidders for the construction of public improvements 25060
and notices of the sale of bonds, and of all statements, orders, 25061
proclamations, notices, and reports required by law or resolution 25062
to be published, shall be published in a newspaper of general 25063
circulation in the township. Proof of the publication and required 25064
circulation of any newspaper used as a medium of publication as 25065
provided by this section shall be made by affidavit of the 25066
proprietor of the newspaper and shall be filed with the fiscal 25067
officer of the township. 25068

(B) The publication shall contain notice that the complete 25069
text of each such resolution may be obtained or viewed at the 25070
office of the fiscal officer of the township and may be viewed at 25071
any other location designated by the board of township trustees. 25072
The township law director or the county prosecuting attorney, as 25073
applicable, shall review the summary of a resolution published 25074
under this section before forwarding it to the fiscal officer for 25075
publication, to ensure the summary is legally accurate and 25076
sufficient. 25077

(C) Upon publication of a summary of a resolution in 25078
accordance with this section, the fiscal officer of the township 25079
shall supply a copy of the complete text of each such resolution 25080
to any person, upon request, and may charge a reasonable fee, set 25081
by the board of township trustees, for each copy supplied. The 25082
fiscal officer of the township shall post a copy of the text at 25083
the fiscal officer's office and at every other location designated 25084
by the board of township trustees. 25085

Sec. 504.122. The publication required in section 504.121 of 25086
the Revised Code shall be for the following times: 25087

(A) Summaries of resolutions, and proclamations of elections, 25088
once a week for two consecutive weeks or as provided in section 25089
7.16 of the Revised Code; 25090

(B) Notices, not less than two nor more than four consecutive 25091
weeks or as provided in section 7.16 of the Revised Code; 25092

(C) All other matters shall be published once. 25093

Sec. 504.123. When resolutions are revised, codified, 25094
rearranged, published in book form, and certified as correct by 25095
the fiscal officer of the township and the township administrator, 25096
such publication shall be a sufficient publication, and the 25097
resolutions so published, under appropriate titles, chapters, and 25098
sections, shall be held the same in law as though they had been 25099
published in a newspaper. A new resolution so published in book 25100
form, a summary of which has not been published as required by 25101
sections 504.121 and 504.122 of the Revised Code, and which 25102
contains entirely new matter, shall be published as required by 25103
such sections. If such revision or codification is made by a 25104
township and contains new matter, it shall be a sufficient 25105
publication of such codification, including the new matter, to 25106
publish, in the manner required by such sections, a notice of the 25107
enactment of such codifying resolution, containing the title of 25108
the resolution and a summary of the new matters covered by it. 25109
Such revision and codification may be made under appropriate 25110
titles, chapters, and sections and in one resolution containing 25111
one or more subjects. 25112

Except as provided by this section, a succinct summary of all 25113
resolutions, including emergency resolutions, shall be published 25114
in accordance with section 504.121 of the Revised Code. 25115

Sec. 504.124. Immediately after the expiration of the period 25116
of publication of summaries of resolutions required by section 25117
504.122 of the Revised Code, the fiscal officer of the township 25118
shall enter on the record of resolutions, in a blank to be left 25119
for such purpose under the recorded resolution, a certificate 25120
stating in which newspaper and on what dates such publication was 25121
made, and shall sign the fiscal officer's name thereto officially. 25122
Such certificate shall be prima-facie evidence that legal 25123
publication of the summary of the resolution was made. 25124

Sec. 504.125. In townships in which no newspaper is generally 25125
circulated, publication of summaries of resolutions, and 25126
publication of all statements, orders, proclamations, notices, and 25127
reports, required by law or resolution to be published, shall be 25128
accomplished by posting copies in not less than five of the most 25129
public places in the township, as determined by the board of 25130
township trustees, for a period of not less than fifteen days 25131
before the effective date thereof. 25132

Where such publication is by posting, the fiscal officer of 25133
the township shall make a certificate as to such posting, and as 25134
to the times when and the places where such posting is done, in 25135
the manner provided in section 504.124 of the Revised Code, and 25136
such certificate shall be prima-facie evidence that the copies 25137
were posted as required. 25138

Sec. 504.126. It is a sufficient defense to any suit or 25139
prosecution under a resolution, to show that no publication or 25140
posting was made as required by sections 504.121 to 504.125 of the 25141
Revised Code. 25142

Sec. 505.08. After adopting by a unanimous vote a resolution 25143
declaring a real and present emergency in connection with the 25144

administration of township services or the execution of duties 25145
assigned by law to any officer of a township, the board of 25146
township trustees may, by resolution, enter into a contract, 25147
without bidding or advertising, for the purchase of services, 25148
materials, equipment, or supplies needed to meet the emergency if 25149
the estimated cost of the contract is less than ~~fifty thousand~~ 25150
~~dollars~~ the amount specified in section 9.17 of the Revised Code. 25151

During the period of the emergency declared by Executive 25152
Order 2020-01D, issued on March 9, 2020, the board of township 25153
trustees may, by resolution, enter into a contract, without 25154
bidding or advertising, for the purchase of personal protective 25155
equipment needed to meet the emergency, regardless of the 25156
estimated cost of the contract. 25157

"Personal protective equipment" means equipment worn to 25158
minimize exposure to hazards that cause workplace injuries and 25159
illnesses. 25160

Sec. 505.37. (A) The board of township trustees may establish 25161
all necessary rules to guard against the occurrence of fires and 25162
to protect the property and lives of the citizens against damage 25163
and accidents, and may, with the approval of the specifications by 25164
the prosecuting attorney or, if the township has adopted limited 25165
home rule government under Chapter 504. of the Revised Code, with 25166
the approval of the specifications by the township's law director, 25167
purchase, lease, lease with an option to purchase, or otherwise 25168
provide any fire apparatus, mechanical resuscitators, underwater 25169
rescue and recovery equipment, or other fire equipment, 25170
appliances, materials, fire hydrants, and water supply for 25171
fire-fighting and fire and rescue purposes that seems advisable to 25172
the board. The board shall provide for the care and maintenance of 25173
such fire equipment, and, for these purposes, may purchase, lease, 25174
lease with an option to purchase, or construct and maintain 25175

necessary buildings, and it may establish and maintain lines of 25176
fire-alarm communications within the limits of the township. The 25177
board may employ one or more persons to maintain and operate such 25178
fire equipment, or it may enter into an agreement with a volunteer 25179
fire company for the use and operation of the equipment. The board 25180
may compensate the members of a volunteer fire company on any 25181
basis and in any amount that it considers equitable. 25182

25183

When the estimated cost to purchase fire apparatus, 25184
mechanical resuscitators, underwater rescue and recovery 25185
equipment, or other fire equipment, appliances, materials, fire 25186
hydrants, buildings, or fire-alarm communications equipment or 25187
services exceeds ~~fifty thousand dollars~~ the amount specified in 25188
section 9.17 of the Revised Code, the contract shall be let by 25189
competitive bidding. No purchase or other transaction subject to 25190
this section shall be divided into component parts in order to 25191
avoid the requirements of this section. When competitive bidding 25192
is required, the board shall advertise once a week for not less 25193
than two consecutive weeks in a newspaper of general circulation 25194
within the township. The board may also cause notice to be 25195
inserted in trade papers or other publications designated by it or 25196
to be distributed by electronic means, including posting the 25197
notice on the board's internet web site. If the board posts the 25198
notice on its web site, it may eliminate the second notice 25199
otherwise required to be published in a newspaper of general 25200
circulation within the township, provided that the first notice 25201
published in such newspaper meets all of the following 25202
requirements: 25203

(1) It is published at least two weeks before the opening of 25204
bids. 25205

(2) It includes a statement that the notice is posted on the 25206

board's internet web site. 25207

(3) It includes the internet address of the board's internet 25208
web site. 25209

(4) It includes instructions describing how the notice may be 25210
accessed on the board's internet web site. 25211

The advertisement shall include the time, date, and place 25212
where the clerk of the township, or the clerk's designee, will 25213
read bids publicly. The time, date, and place of bid openings may 25214
be extended to a later date by the board of township trustees, 25215
provided that written or oral notice of the change shall be given 25216
to all persons who have received or requested specifications not 25217
later than ninety-six hours prior to the original time and date 25218
fixed for the opening. The board may reject all the bids or accept 25219
the lowest and best bid, provided that the successful bidder meets 25220
the requirements of section 153.54 of the Revised Code when the 25221
contract is for the construction, demolition, alteration, repair, 25222
or reconstruction of an improvement. 25223

(B) The boards of township trustees of any two or more 25224
townships, or the legislative authorities of any two or more 25225
political subdivisions, or any combination of these, may, through 25226
joint action, unite in the joint purchase, lease, lease with an 25227
option to purchase, maintenance, use, and operation of fire 25228
equipment described in division (A) of this section, or for any 25229
other purpose designated in sections 505.37 to 505.42 of the 25230
Revised Code, and may prorate the expense of the joint action on 25231
any terms that are mutually agreed upon. 25232

(C) The board of township trustees of any township may, by 25233
resolution, whenever it is expedient and necessary to guard 25234
against the occurrence of fires or to protect the property and 25235
lives of the citizens against damages resulting from their 25236
occurrence, create a fire district of any portions of the township 25237

that it considers necessary. The board may purchase, lease, lease 25238
with an option to purchase, or otherwise provide any fire 25239
apparatus, mechanical resuscitators, underwater rescue and 25240
recovery equipment, or other fire equipment, appliances, 25241
materials, fire hydrants, and water supply for fire-fighting and 25242
fire and rescue purposes, or may contract for the fire protection 25243
for the fire district as provided in section 9.60 of the Revised 25244
Code. The fire district so created shall be given a separate name 25245
by which it shall be known. 25246

Additional unincorporated territory of the township may be 25247
added to a fire district upon the board's adoption of a resolution 25248
authorizing the addition. A municipal corporation, or a portion of 25249
a municipal corporation, that is within or adjoining the township 25250
may be added to a fire district upon the board's adoption of a 25251
resolution authorizing the addition and the municipal legislative 25252
authority's adoption of a resolution or ordinance requesting the 25253
addition of the municipal corporation or a portion of the 25254
municipal corporation to the fire district. 25255

If the township fire district imposes a tax, additional 25256
unincorporated territory of the township or a municipal 25257
corporation or a portion of a municipal corporation that is within 25258
or adjoining the township shall become part of the fire district 25259
only after all of the following have occurred: 25260

(1) Adoption by the board of township trustees of a 25261
resolution approving the expansion of the territorial limits of 25262
the district and, if the resolution proposes to add a municipal 25263
corporation or a portion of a municipal corporation, adoption by 25264
the municipal legislative authority of a resolution or ordinance 25265
requesting the addition of the municipal corporation or a portion 25266
of the municipal corporation to the district; 25267

(2) Adoption by the board of township trustees of a 25268
resolution recommending the extension of the tax to the additional 25269

territory; 25270

(3) The board requests and obtains from the county auditor 25271
the information required for a tax levy under section 5705.03 of 25272
the Revised Code, in the manner prescribed in that section, except 25273
that the levy's annual collections shall be estimated assuming 25274
that the additional territory has been added to the fire district. 25275

(4) Approval of the tax by the electors of the territory 25276
proposed for addition to the district. 25277

Each resolution of the board adopted under division (C)(2) of 25278
this section shall state the name of the fire district, a 25279
description of the territory to be added, the rate, expressed in 25280
mills for each one dollar of taxable value, the estimated 25281
effective rate, expressed in dollars for each one hundred thousand 25282
dollars of the county auditor's appraised value, and termination 25283
date of the tax, which shall be the rate, estimated effective 25284
rate, and termination date of the tax currently in effect in the 25285
fire district. 25286

The board of trustees shall certify each resolution adopted 25287
under division (C)(2) of this section and the county auditor's 25288
certification under division (C)(3) of this section to the board 25289
of elections in accordance with section 5705.19 of the Revised 25290
Code. The election required under division (C)(4) of this section 25291
shall be held, canvassed, and certified in the manner provided for 25292
the submission of tax levies under section 5705.25 of the Revised 25293
Code, except that the question appearing on the ballot shall read: 25294

"Shall the territory within _____ 25295
(description of the proposed territory to be added) be added to 25296
_____ (name) fire district, and a property tax, 25297
that the county auditor estimates will collect \$_____ annually, at 25298
a rate not exceeding _____ mills for each \$1 of taxable value, 25299
which amounts to \$_____ (here insert estimated effective rate) 25300

for each \$100,000 of the county auditor's appraised value, be in 25301
effect for _____ (here insert the number of years the tax is 25302
to be in effect or "a continuing period of time," as applicable)?" 25303

If the question is approved by at least a majority of the 25304
electors voting on it, the joinder shall be effective as of the 25305
first day of July of the year following approval, and on that 25306
date, the township fire district tax shall be extended to the 25307
taxable property within the territory that has been added. If the 25308
territory that has been added is a municipal corporation or 25309
portion thereof and if it had adopted a tax levy for fire 25310
purposes, the levy is terminated on the effective date of the 25311
joinder in the area of the municipal corporation added to the 25312
district. 25313

Any municipal corporation may withdraw from a township fire 25314
district created under division (C) of this section by the 25315
adoption by the municipal legislative authority of a resolution or 25316
ordinance ordering withdrawal. On the first day of July of the 25317
year following the adoption of the resolution or ordinance of 25318
withdrawal, the withdrawing municipal corporation or the portion 25319
thereof ceases to be a part of the district, and the power of the 25320
fire district to levy a tax upon taxable property in the 25321
withdrawing municipal corporation or the portion thereof 25322
terminates, except that the fire district shall continue to levy 25323
and collect taxes for the payment of indebtedness within the 25324
territory of the fire district as it was composed at the time the 25325
indebtedness was incurred. 25326

Upon the withdrawal of any municipal corporation from a 25327
township fire district created under division (C) of this section, 25328
the county auditor shall ascertain, apportion, and order a 25329
division of the funds on hand, moneys and taxes in the process of 25330
collection except for taxes levied for the payment of 25331
indebtedness, credits, and real and personal property, either in 25332

money or in kind, on the basis of the valuation of the respective 25333
tax duplicates of the withdrawing municipal corporation and the 25334
remaining territory of the fire district. 25335

A board of township trustees may remove unincorporated 25336
territory of the township from the fire district upon the adoption 25337
of a resolution authorizing the removal. On the first day of July 25338
of the year following the adoption of the resolution, the 25339
unincorporated township territory described in the resolution 25340
ceases to be a part of the district, and the power of the fire 25341
district to levy a tax upon taxable property in that territory 25342
terminates, except that the fire district shall continue to levy 25343
and collect taxes for the payment of indebtedness within the 25344
territory of the fire district as it was composed at the time the 25345
indebtedness was incurred. 25346

As used in this section, "the county auditor's appraised 25347
value" and "estimated effective rate" have the same meanings as in 25348
section 5705.01 of the Revised Code. 25349

(D) The board of township trustees of any township, the board 25350
of fire district trustees of a fire district created under section 25351
505.371 of the Revised Code, or the legislative authority of any 25352
municipal corporation may purchase, lease, or lease with an option 25353
to purchase the necessary fire equipment described in division (A) 25354
of this section, buildings, and sites for the township, fire 25355
district, or municipal corporation and issue securities for that 25356
purpose with maximum maturities as provided in section 133.20 of 25357
the Revised Code. The board of township trustees, board of fire 25358
district trustees, or legislative authority may also construct any 25359
buildings necessary to house fire equipment and issue securities 25360
for that purpose with maximum maturities as provided in section 25361
133.20 of the Revised Code. 25362

The board of township trustees, board of fire district 25363
trustees, or legislative authority may issue the securities of the 25364

township, fire district, or municipal corporation, signed by the 25365
board or designated officer of the municipal corporation and 25366
attested by the signature of the township fiscal officer, fire 25367
district clerk, or municipal clerk, covering any deferred payments 25368
and payable at the times provided, which securities shall bear 25369
interest not to exceed the rate determined as provided in section 25370
9.95 of the Revised Code, and shall not be subject to Chapter 133. 25371
of the Revised Code. The legislation authorizing the issuance of 25372
the securities shall provide for levying and collecting annually 25373
by taxation, amounts sufficient to pay the interest on and 25374
principal of the securities. The securities shall be offered for 25375
sale on the open market or given to the vendor or contractor if no 25376
sale is made. 25377

Section 505.40 of the Revised Code does not apply to any 25378
securities issued, or any lease with an option to purchase entered 25379
into, in accordance with this division. 25380

(E) A board of township trustees of any township or a board 25381
of fire district trustees of a fire district created under section 25382
505.371 of the Revised Code may purchase a policy or policies of 25383
liability insurance for the officers, employees, and appointees of 25384
the fire department, fire district, or joint fire district 25385
governed by the board that includes personal injury liability 25386
coverage as to the civil liability of those officers, employees, 25387
and appointees for false arrest, detention, or imprisonment, 25388
malicious prosecution, libel, slander, defamation or other 25389
violation of the right of privacy, wrongful entry or eviction, or 25390
other invasion of the right of private occupancy, arising out of 25391
the performance of their duties. 25392

When a board of township trustees cannot, by deed of gift or 25393
by purchase and upon terms it considers reasonable, procure land 25394
for a township fire station that is needed in order to respond in 25395
reasonable time to a fire or medical emergency, the board may 25396

appropriate land for that purpose under sections 163.01 to 163.22 25397
of the Revised Code. If it is necessary to acquire additional 25398
adjacent land for enlarging or improving the fire station, the 25399
board may purchase, appropriate, or accept a deed of gift for the 25400
land for these purposes. 25401

(F) As used in this division, "emergency medical service 25402
organization" has the same meaning as in section 4766.01 of the 25403
Revised Code. 25404

A board of township trustees, by adoption of an appropriate 25405
resolution, may choose to have the state board of emergency 25406
medical, fire, and transportation services license any emergency 25407
medical service organization it operates. If the board adopts such 25408
a resolution, Chapter 4766. of the Revised Code, except for 25409
sections 4766.06 and 4766.99 of the Revised Code, applies to the 25410
organization. All rules adopted under the applicable sections of 25411
that chapter also apply to the organization. A board of township 25412
trustees, by adoption of an appropriate resolution, may remove its 25413
emergency medical service organization from the jurisdiction of 25414
the state board of emergency medical, fire, and transportation 25415
services. 25416

Sec. 505.376. When any expenditure of a fire and ambulance 25417
district, other than for the compensation of district employees, 25418
exceeds ~~fifty thousand dollars~~ the amount specified in section 25419
9.17 of the Revised Code, the contract for the expenditure shall 25420
be in writing and made with the lowest and best bidder after 25421
advertising once a week for not less than two consecutive weeks in 25422
a newspaper of general circulation within the district. The board 25423
of trustees of a fire and ambulance district may also cause notice 25424
to be inserted in trade papers or other publications designated by 25425
it or to be distributed by electronic means, including posting the 25426
notice on the board's internet web site. If the board posts the 25427

notice on its web site, it may eliminate the second notice 25428
otherwise required to be published in a newspaper of general 25429
circulation within the district, provided that the first notice 25430
published in such newspaper meets all of the following 25431
requirements: 25432

(A) It is published at least two weeks before the opening of 25433
bids. 25434

(B) It includes a statement that the notice is posted on the 25435
board's internet web site. 25436

(C) It includes the internet address of the board's internet 25437
web site. 25438

(D) It includes instructions describing how the notice may be 25439
accessed on the board's internet web site. 25440

The bids shall be opened and shall be publicly read by the 25441
clerk of the district, or the clerk's designee, at the time, date, 25442
and place specified in the advertisement to bidders or the 25443
specifications. The time, date, and place of bid openings may be 25444
extended to a later date by the board of trustees of the district, 25445
provided that written or oral notice of the change shall be given 25446
to all persons who have received or requested specifications no 25447
later than ninety-six hours prior to the original time and date 25448
fixed for the opening. 25449

Each bid on any contract shall contain the full name of every 25450
person interested in the bid. If the bid is for a contract for the 25451
construction, demolition, alteration, repair, or reconstruction of 25452
an improvement, it shall meet the requirements of section 153.54 25453
of the Revised Code. If the bid is for any other contract, it 25454
shall be accompanied by a sufficient bond or certified check, 25455
cashier's check, or money order on a solvent bank or savings and 25456
loan association that, if the bid is accepted, a contract will be 25457
entered into and the performance of it will be properly secured. 25458

If the bid for work embraces both labor and material, it shall be 25459
separately stated, with the price of the labor and the material. 25460
The board may reject any and all bids. The contract shall be 25461
between the district and the bidder, and the district shall pay 25462
the contract price in cash. When a bonus is offered for completion 25463
of a contract prior to a specified date, the board may exact a 25464
prorated penalty in like sum for each day of delay beyond the 25465
specified date. When there is reason to believe there is collusion 25466
or combination among bidders, the bids of those concerned shall be 25467
rejected. 25468

No expenditure subject to this section shall be divided into 25469
component parts, separate projects, or separate items of work in 25470
order to avoid the requirements of this section. 25471

Sec. 511.01. If, in a township, a town hall is to be built, 25472
improved, enlarged, or removed at a cost greater than ~~fifty~~ 25473
~~thousand dollars~~ the amount specified in section 9.17 of the 25474
Revised Code, the board of township trustees shall submit the 25475
question to the electors of such township and shall certify their 25476
resolution to the board of elections not later than four p.m. of 25477
the ninetieth day before the day of the election. 25478

Sec. 511.12. The board of township trustees may prepare plans 25479
and specifications and make contracts for the construction and 25480
erection of a memorial building, monument, statue, or memorial, 25481
for the purposes specified and within the amount authorized by 25482
section 511.08 of the Revised Code. If the total estimated cost of 25483
the construction and erection exceeds ~~fifty thousand dollars~~ the 25484
amount specified in section 9.17 of the Revised Code, the contract 25485
shall be let by competitive bidding. If the estimated cost is 25486
~~fifty thousand dollars~~ the amount specified in section 9.17 of the 25487
Revised Code or less, competitive bidding may be required at the 25488
board's discretion. In making contracts under this section, the 25489

board shall be governed as follows: 25490

(A) Contracts for construction when competitive bidding is 25491
required shall be based upon detailed plans, specifications, forms 25492
of bids, and estimates of cost, adopted by the board. 25493

(B) Contracts shall be made in writing upon concurrence of a 25494
majority of the members of the board, and shall be signed by at 25495
least two of the members and by the contractor. If competitive 25496
bidding is required, no contract shall be made or signed until an 25497
advertisement has been placed in a newspaper, published or of 25498
general circulation in the township, at least twice. The board may 25499
also cause notice to be inserted in trade papers or other 25500
publications designated by it or to be distributed by electronic 25501
means, including posting the notice on the board's internet web 25502
site. If the board posts the notice on its web site, it may 25503
eliminate the second notice otherwise required to be published in 25504
a newspaper published or of general circulation in the township, 25505
provided that the first notice published in such newspaper meets 25506
all of the following requirements: 25507

(1) It is published at least two weeks before the opening of 25508
bids. 25509

(2) It includes a statement that the notice is posted on the 25510
board's internet web site. 25511

(3) It includes the internet address of the board's internet 25512
web site. 25513

(4) It includes instructions describing how the notice may be 25514
accessed on the board's internet web site. 25515

(C) No contract shall be let by competitive bidding except to 25516
the lowest and best bidder, who shall meet the requirements of 25517
section 153.54 of the Revised Code. 25518

(D) When, in the opinion of the board, it becomes necessary 25519

in the prosecution of such work to make alterations or 25520
modifications in any contract, the alterations or modifications 25521
shall be made only by order of the board, and that order shall be 25522

Sec. 515.01. The board of township trustees may provide 25532
artificial lights for any road, highway, public place, or building 25533
under its supervision or control, or for any territory within the 25534
township and outside the boundaries of any municipal corporation, 25535
when the board determines that the public safety or welfare 25536
requires that the road, highway, public place, building, or 25537
territory shall be lighted. The lighting may be procured either by 25538
the township installing a lighting system or by contracting with 25539
any person or corporation to furnish lights. 25540

If lights are furnished under contract, the contract may 25541
provide that the equipment employed may be owned by the township 25542
or by the person or corporation supplying the lights. 25543

If the board determines to procure lighting by contract and 25544
the total estimated cost of the contract exceeds ~~fifty thousand~~ 25545

advertisement in three conspicuous places in the township or by 25550

publication of the advertisement once a week, for two consecutive 25551
weeks, in a newspaper of general circulation in the township. Any 25552
such contract for lighting shall be made with the lowest and best 25553

The board may also cause notice to be inserted in trade 25555
papers or other publications designated by it or to be distributed 25556
by electronic means, including posting the notice on the board's 25557
internet web site. If the board posts the notice on its web site, 25558
it may eliminate the second notice otherwise required to be 25559
published in a newspaper of general circulation in the township, 25560
provided that the first notice published in such newspaper meets 25561
all of the following requirements: 25562

(A) It is published at least two weeks before the opening of 25563
bids. 25564

(B) It includes a statement that the notice is posted on the 25565
board's internet web site. 25566

(C) It includes the internet address of the board's internet 25567
web site. 25568

(D) It includes instructions describing how the notice may be 25569
accessed on the board's internet web site. 25570

No lighting contract awarded by the board shall be made to 25571
cover a period of more than twenty years. The cost of installing 25572
and operating any lighting system or any light furnished under 25573
contract shall be paid from the general fund of the township 25574
treasury. 25575

No procurement subject to this section shall be divided into 25576
component parts, separate projects, or separate items of work in 25577
order to avoid the requirements of this section. 25578

Sec. 517.07. Upon application, the board of township trustees 25579
shall sell at a reasonable price the number of lots as public 25580

wants demand for burial purposes. Purchasers of lots or other 25581
interment rights, upon complying with the terms of sale, may 25582
receive deeds for the lots or rights which the board shall execute 25583
~~and which shall be recorded by the.~~ The township fiscal officer 25584
shall record each deed in a book the township keeps for that 25585
purpose or with the county recorder under section 317.08 of the 25586
Revised Code. The expense of recording shall be paid by the person 25587
receiving the deed. Upon the application of a head of a family 25588
living in the township, the board shall, without charge, make and 25589
deliver to the applicant a deed for a suitable lot or right for 25590
the interment of the applicant's family, if, in the opinion of the 25591
board and by reason of the circumstances of the family, the 25592
payment would be oppressive. 25593

The terms of sale and any deed for lots executed after July 25594
24, 1986, for an entombment, including a mausoleum, columbarium, 25595
or other interment right executed on or after September 29, 2015, 25596

(B) The grantee shall notify the board in writing of any 25602
subsequent changes in the name or address of any persons to whom 25603
property would descend. 25604

(C) Any person who receives a township cemetery lot or right 25605
by gift, inheritance, or any other means other than the original 25606
conveyance shall, within one year after receiving the interest, 25607
give written notice of the person's name and address to the board 25608
having control of the cemetery, and shall notify the board of any 25609
subsequent changes in the person's name or address. 25610

The terms of sale and any deed for any lots or rights 25611

executed in compliance with the notification requirements set 25612
forth in divisions (A), (B), and (C) of this section shall state 25613
that the board of township trustees shall have right of reentry to 25614
the cemetery lot or right if the notification requirements are not 25615
met. At least ninety days before establishing reentry, the board 25616
shall publish a notice on the board's internet web site, if 25617
applicable, and shall send a notice by certified mail to the last 25618
known owner at the owner's last known address to inform the owner 25619
that the owner's interest in the lot or right will cease unless 25620
the notification requirements are met. If the owner's address is 25621
unknown and cannot reasonably be obtained, it is sufficient to 25622
publish the notice once in a newspaper of general circulation in 25623
the county. In order to establish reentry, the board shall pass a 25624
resolution stating that the conditions of the sale or of the deed 25625
have not been fulfilled, and that the board reclaims its interest 25626
in the lot or right. 25627

The board may limit the terms of sale or the deed for a 25628
cemetery lot or right by specifying that the owner, a member of 25629

tomb, including a mausoleum, or columbarium, or at least a portion 25631
of the lot, tomb, including a mausoleum, or columbarium, within a 25632
specified time period. The board may specify this time period to 25633
be at least twenty but not more than fifty years, with right of 25634
renewal provided at no cost. At least ninety days before the 25635
termination date for use of the cemetery lot, tomb, including a 25636
mausoleum, or columbarium, the board shall publish a notice on the 25637
board's internet web site, if applicable, and shall send a notice 25638
to the owner to inform the owner that the owner's interest in the 25639
lot or right will cease on the termination date unless the owner 25640
contracts for renewal by that date. The board shall send the 25641
notice by certified mail to the owner if the owner is a resident 25642
of the township or is a nonresident whose address is known. If the 25643
owner's address is unknown and cannot reasonably be obtained, it 25644

is sufficient to publish the notice once in a newspaper of general 25645
circulation in the county. 25646

The terms of sale and any deed for lots or rights conveyed 25647
with a termination date shall state that the board shall have 25648
right of reentry to the lot or right at the end of the specified 25649
time period if the lot, tomb, including a mausoleum, or 25650
columbarium, is not used within this time period or renewed for an 25651
extended period. In order to establish reentry, the board shall 25652
pass a resolution stating that the conditions of the sale or of 25653
the deed have not been fulfilled, and that the board reclaims its 25654
interest in the lot or right. The board shall compensate owners of 25655
unused lots or rights who do not renew the terms of sale or the 25656
deed by offering to pay the owner eighty per cent of the purchase 25657
price or to provide another available lot or right, as applicable, 25658
at no additional cost. The board may repurchase any cemetery lot 25659
or right from its owner at any time at a price that is mutually 25660
agreed upon by the board and the owner. 25661

Sec. 517.271. Notwithstanding section 517.22 of the Revised 25662
Code, the company, association, or religious society that most 25663
recently owned and operated a cemetery currently owned by a board 25664
of township trustees may petition the probate court of the county 25665
in which the cemetery is located to transfer the ownership of the 25666
cemetery to the petitioner. 25667

If the court determines that the petitioner has met all of 25668
the following conditions, the court shall transfer the ownership 25669
of the cemetery to the petitioner and shall order the board and 25670
county recorder to give the petitioner all necessary records and 25671

(C) The petitioner owes no delinquent taxes. 25681

Sec. 519.12. (A)(1) Amendments to the zoning resolution may 25682

passage of a resolution by the board of township trustees, or by 25684
the filing of an application by one or more of the owners or 25685
lessees of property within the area proposed to be changed or 25686
affected by the proposed amendment with the township zoning 25687
commission. The board of township trustees may require that the 25688
owner or lessee of property filing an application to amend the 25689
zoning resolution pay a fee to defray the cost of advertising, 25690
mailing, filing with the county recorder, and other expenses. If 25691
the board of township trustees requires such a fee, it shall be 25692
required generally, for each application. The board of township 25693
trustees, upon the passage of such a resolution, shall certify it 25694
to the township zoning commission. 25695

(2) Upon the adoption of a motion by the township zoning 25696

property within and contiguous to and directly across the street 25713
from the area proposed to be rezoned or redistricted to the 25714
addresses of those owners appearing on the county auditor's 25715
current tax list. The failure of delivery of that notice shall not 25716
invalidate any such amendment. 25717

(C) If the proposed amendment intends to rezone or redistrict 25718
ten or fewer parcels of land as listed on the county auditor's 25719
current tax list, the published and mailed notices shall set forth 25720

duplicates of any of these documents, with the office of the 25938
county recorder or the county or regional planning commission as 25939
required by this section does not invalidate the amendment and is 25940
not grounds for an appeal of any decision of the board of zoning 25941

township trustees in the following manner: 25945

(A) The board may adopt a resolution upon its own initiative. 25946

(B) The board shall adopt a resolution if there is presented 25947
to it a petition, similar in all relevant aspects to that 25948
prescribed in section 519.12 of the Revised Code, signed by a 25949
number of qualified electors residing in the unincorporated area 25950
of such township included in the zoning plan equal to not less 25951
than ~~eight~~ twenty-five per cent of the total vote cast for all 25952

candidates for governor in such area at the most recent general 25953
election at which a governor was elected, requesting that the 25954
question of whether or not the plan of zoning in effect in such 25955
township shall be repealed be submitted to the electors residing 25956
in the unincorporated area of the township included in the zoning 25957
plan at a special election to be held on the day of the next 25958
primary or general election. The resolution adopted by the board 25959
of township trustees to cause such question to be submitted to the 25960
electors shall be certified to the board of elections not later 25961
than ninety days prior to the day of election at which said 25962
question is to be voted upon. In the event a majority of the vote 25963
cast on such question in the township is in favor of repeal of 25964
zoning, then such regulations shall no longer be of any effect. 25965
Not more than one such election shall be held in any two calendar 25966
years. 25967

Sec. 519.26. A final judgment on the merits issued by a court 25968
of competent jurisdiction pursuant to its power of review under 25969
Chapter 2506. of the Revised Code, on claims brought under this 25970
chapter, does not preclude later claims for damages, including 25971
claims brought under 42 U.S.C. 1983, even if the common law 25972
doctrine of res judicata would otherwise bar the claim. 25973

The general assembly intends that this section be construed 25974
to override the federal sixth circuit court of appeals's decision 25975
in the case *Lavon Moore v. Hiram Twp.*, 988 F.3d 353 (6th Cir. 25976
2021). 25977

Sec. 703.21. (A) The surrender of corporate powers by a 25978
village under section 703.20 or 703.201 of the Revised Code does 25979
not affect vested rights or accrued liabilities of the village, or 25980
the power to settle claims, dispose of property, or levy and 25981
collect taxes to pay existing obligations, or to operate its 25982
utilities, including collection of existing rates and charges for 25983

services rendered, until the ownership and operation of each 25984
utility is transferred to another entity. But, after the 25985
presentation of the petition mentioned in section 703.20 of the 25986
Revised Code or receipt of the audit report and notice mentioned 25987
in section 703.201 of the Revised Code, the legislative authority 25988
of the village shall not create any new liability until the result 25989
of the election under section 703.20 of the Revised Code is 25990
declared or the decision of the court of common pleas under 25991
division (C) of section 703.201 of the Revised Code is declared, 25992
or thereafter, if the result, in either case, is for the surrender 25993
of the village's corporate powers, except to the extent such 25994
liability is necessary in connection with the operations of the 25995
village's utilities consistent with prudent utility practice. If 25996
the auditor of state notifies the village that the attorney 25997
general may file a legal action under section 703.201 of the 25998
Revised Code, but the attorney general does not file such an 25999
action, the village shall not create any new liability for thirty 26000
days after receipt of the auditor of state's notice, except to the 26001
extent such liability is necessary in connection with the 26002
operations of the village's utilities consistent with prudent 26003
utility practice. 26004

(B) Due and unpaid taxes may be collected after the surrender 26005
of corporate powers, and all moneys or property remaining after 26006
the surrender belongs to the township or townships located wholly 26007
or partly within the village, subject to the agreements entered 26008
into as provided for in this section for the timely transfer of 26009
real and personal property and subject to the report of an audit 26010
or, at the discretion of the auditor of state, an agreed-upon 26011
procedure audit performed by the auditor of state under section 26012
117.11 of the Revised Code. The auditor of state shall commence 26013
the audit or agreed-upon procedure audit within thirty days after 26014
receipt of the notice of dissolution as provided in division 26015

~~(E)~~(F) of section 117.10 of the Revised Code. Cash balances shall 26016
be transferred at the completion of the audit or agreed-upon 26017
procedure audit performed by the auditor of state. Except as 26018
otherwise provided by agreement of the affected village and 26019
townships, if more than one township is to receive the remaining 26020
money or property, the money and property shall be divided among 26021
the townships in proportion to the amount of territory that each 26022
township has within the village boundaries as compared to the 26023
total territory within the village. 26024

(C)(1) Village real and personal property, other than 26025
electric, water, and sewer utility property, shall be transferred 26026
in a timely manner in accordance with agreements between or among 26027
the affected village and township or townships. If no such 26028
agreements have been reached within sixty days after the 26029
certificate of dissolution is filed with the county recorder, 26030
title to real and personal property other than any electric, 26031
water, and sewer utility property vests by operation of law in the 26032
affected township or townships. If more than one township is 26033
affected, and agreements have not been reached within sixty days 26034
after the certificate of dissolution is filed, title vests by 26035
operation of law in proportion to the amount of territory that 26036
each township has within the village boundaries as compared to the 26037
total territory within the village. 26038

(2) Any agreements entered into under this section regarding 26039
the transfer of real property shall be recorded with the county 26040
recorder of the county in which the affected real property is 26041
situated, along with affidavits stating facts relating to title as 26042
provided for in section 5301.252 of the Revised Code. The county 26043
recorder shall make appropriate notations in the county records to 26044
reflect the conveyance of the village's interest in real property 26045
in accordance with the recorded agreements resulting from the 26046
surrender of corporate powers. The notations shall include a 26047

reference to the county's recorded certificate of dissolution. 26048

In the absence of any agreements and upon the recording of 26049
affidavits relating to title, the county recorder shall make 26050
appropriate notations in the county records to reflect the 26051
conveyance of the village's interest in real property and to 26052
evidence that title vested by operation of law in the township or 26053
townships as otherwise provided for in this section and as a 26054
result of the surrender of corporate powers. The recording of a 26055
certificate of dissolution or a certified copy of it, any 26056
agreements regarding the transfer of real property, and supporting 26057
affidavits serve as sufficient evidence of a transfer of title 26058
from the former village to a township or townships. These 26059
documents shall be recorded in the same manner as a deed of 26060
conveyance, except that the affected township or townships are 26061
exempt from any fees specified under section 317.32 of the Revised 26062
Code. 26063

(3) Cash balances shall be transferred at the completion of 26064
the audit, or, at the discretion of the auditor of state, the 26065
agreed-upon procedure audit performed by the auditor of state. 26066

(D)(1) Electric and water and sewer utility property shall be 26067
transferred by agreement entered into by the village and the 26068
entity that will be taking over the electric and water and sewer 26069
utility property and assets. Cash balances shall be transferred at 26070
the completion of the audit, or, at the discretion of the auditor 26071
of state, the agreed-upon procedure audit performed by the auditor 26072
of state. The provision of utility and other services shall be 26073
uninterrupted during the transition period following the surrender 26074
of corporate powers. 26075

(a) Following the filing of the certificate of dissolution, 26076
if it is determined that a county, or a regional water and sewer 26077
district organized under Chapter 6119. of the Revised Code, is 26078
obligated to assume water and sewer utility property and assets by 26079

default, the board of county commissioners or board of trustees of 26080
the district, as appropriate, may petition the court of common 26081
pleas of the county in which the village was located, for an order 26082
to revise the current user fees, rates, and charges charged, or 26083
assessments levied, by the utility. The board of county 26084
commissioners or board of trustees of the district shall file with 26085
the petition a systems audit of the utility. The systems audit 26086
shall address the financial solvency of the utility; the utility's 26087
debt service obligations and operating revenue stream, including 26088
user fees, rates, charges, and assessments; the utility's 26089
compliance with operating permit requirements; the necessary 26090
system maintenance, upgrades, and operational modifications and 26091
their associated costs for the utility; outstanding, pending, or 26092
potential enforcement actions against the utility; and any other 26093
relevant matters impacting the operational viability and financial 26094
solvency of the utility. 26095

When considering whether to grant the order, the court shall 26096
review the systems audit and any other relevant evidence. The 26097
order of the court shall assure that the operational viability and 26098
financial solvency of the utility is maintained, and that an 26099
unreasonable financial burden is not placed upon the county or 26100
district due to the acquisition of the utility property and 26101
assets. 26102

(b) In the case of a village electric utility, the village 26103
shall be required to take all necessary steps to transfer its 26104
ownership and operation, including continuing with normal 26105
operations and activities, fulfilling its contractual and other 26106
obligations, and transferring its contractual and other 26107
obligations to a successor entity in a timely manner following the 26108
filing of the certificate of dissolution. Such steps shall include 26109
hiring a third-party engineer knowledgeable about the operation of 26110
municipal electric systems to conduct a systems audit of the 26111

electric utility, addressing such items as set forth in division 26112
~~(D)(2)(D)(1)(a)~~ of this section. The systems audit shall commence 26113
not later than sixty days after the filing of the certificate of 26114
dissolution. Such systems audit is a proper expense of the 26115
village's electric utility fund. If the village's electric utility 26116
fund has a balance of zero or a negative fund balance, the 26117
absorbing entity shall pay for the systems audit. During this 26118
period, the village's electric utility shall continue with all 26119
normal operations and activities, shall continue fulfilling its 26120
contractual and other obligations, including with its customers 26121
and users and licensees of its poles, conduits, and rights-of-way, 26122
and shall collect charges for service at the rates in effect on 26123
the date the certificate of dissolution is filed. 26124

(2) The systems audit required under division (D)(1)(a) or 26125
(b) of this section shall not prevent the auditor of state from 26126
conducting the audit, or, at the discretion of the auditor of 26127
state, the agreed-upon procedure audit, required by this section. 26128

(E) As used in divisions (C) and (D) of this section, 26129
"certificate of dissolution" means the certified election results 26130
approving the surrender of corporate powers as recorded by the 26131
county recorder under section 703.20 of the Revised Code. 26132

After the surrender of corporate powers, all resolutions of 26133
the township or townships into which the village's territory was 26134
dissolved shall apply throughout the township's newly included 26135
territory. 26136

Sec. 713.16. A final judgment on the merits issued by a court 26137
of competent jurisdiction pursuant to its power of review under 26138
Chapter 2506. of the Revised Code, on claims brought under this 26139
chapter, does not preclude later claims for damages, including 26140
claims brought under 42 U.S.C. 1983, even if the common law 26141
doctrine of res judicata would otherwise bar the claim. 26142

The general assembly intends that this section be construed 26143
to override the federal sixth circuit court of appeals's decision 26144
in the case *Lavon Moore v. Hiram Twp.*, 988 F.3d 353 (6th Cir. 26145
2021). 26146

Sec. 715.18. Any municipal corporation may establish and 26147
furnish the necessary equipment for a department of purchase, 26148
construction, and repair. Such department shall be under the 26149
management of the director of public service, who shall purchase 26150
all material, supplies, tools, machinery, and equipment, and shall 26151
supervise all construction, alterations, and repairs in each of 26152
the municipal departments whether established by law or ordinance. 26153

No such purchase, construction, alteration, or repair shall 26154
be made except upon requisition by the director, the officer at 26155
the head of the department for which it is to be made or done, or 26156
upon the order of the legislative authority of the municipal 26157
corporation, nor shall any purchase, construction, alteration, or 26158
repair for any of such departments be made or done except on 26159
authority of the legislative authority and under sections 735.05 26160
to 735.09 of the Revised Code, if the cost thereof exceeds ~~ten~~ 26161
~~thousand dollars~~ the amount specified in section 9.17 of the 26162
Revised Code. 26163

Sec. 715.691. (A) As used in this section: 26164

(1) "Contracting party" means a municipal corporation that 26165
has entered into a joint economic development zone contract or any 26166
party succeeding to the municipal corporation, or a township that 26167
entered into a joint economic development zone contract with a 26168
municipal corporation. 26169

(2) "Zone" means a joint economic development zone designated 26170
under this section. 26171

(3) "Substantial amendment" means an amendment to a joint 26172

economic development zone contract that increases the rate of 26173
municipal income tax that may be imposed within the zone, changes 26174
the purposes for which municipal income tax revenue derived from 26175
the zone may be used, or adds new territory to the zone. 26176

(B) This section provides procedures and requirements for 26177
creating and operating a joint economic development zone. This 26178
section applies only if one of the contracting parties to the zone 26179
does not levy a municipal income tax under Chapter 718. of the 26180
Revised Code. 26181

At any time before January 1, 2015, two or more municipal 26182
corporations or one or more townships and one or more municipal 26183
corporations may enter into a contract whereby they agree to share 26184
in the costs of improvements for an area or areas located in one 26185
or more of the contracting parties that they designate as a joint 26186
economic development zone for the purpose of facilitating new or 26187
expanded growth for commercial or economic development in the 26188
state. The contract and zone shall meet the requirements of 26189
divisions (B) to (J) of this section. 26190

(C) The contract shall set forth each contracting party's 26191
contribution to the joint economic development zone. The 26192
contributions may be in any form that the contracting parties 26193
agree to, and may include, but are not limited to, the provision 26194
of services, money, or equipment. The contract may be amended, 26195
renewed, or terminated with the consent of the contracting 26196
parties, subject to division (K) of this section. The contract 26197
shall continue in existence throughout the term it specifies and 26198
shall be binding on the contracting parties and on any entities 26199
succeeding to the contracting parties. If the contract is approved 26200
by the electors of any contracting party under division (F) of 26201
this section or substantially amended after the effective date of 26202
H.B. 289 of the 130th general assembly, June 5, 2014, the 26203
contracting parties shall include within the contract or the 26204

amendment to the contract an economic development plan for the 26205
zone, a schedule for the implementation or provision of any new, 26206
expanded, or additional services, facilities, or improvements 26207
within the zone or in the area surrounding the zone, and any 26208
provisions necessary for the contracting parties to create a joint 26209
economic development review council in compliance with section 26210
715.692 of the Revised Code. 26211

(D) Before the legislative authority of any of the 26212
contracting parties enacts an ordinance or resolution approving a 26213
contract to designate a joint economic development zone, the 26214
legislative authority of each of the contracting parties shall 26215
hold a public hearing concerning the contract and zone. Each 26216
legislative authority shall provide at least thirty days' public 26217
notice of the time and place of the public hearing in a newspaper 26218
of general circulation in the municipal corporation or township. 26219
During the thirty-day period prior to the public hearing, all of 26220
the following documents shall be available for public inspection 26221
in the office of the clerk of the legislative authority of a 26222
municipal corporation that is a contracting party and in the 26223
office of the fiscal officer of a township that is a contracting 26224
party: 26225

(1) A copy of the contract designating the zone; 26226

(2) A description of the area or areas to be included in the 26227
zone, including a map in sufficient detail to denote the specific 26228
boundaries of the area or areas; 26229

(3) An economic development plan for the zone that includes a 26230
schedule for the provision of any new, expanded, or additional 26231
services, facilities, or improvements. 26232

A public hearing held under division (D) of this section 26233
shall allow for public comment and recommendations on the contract 26234
and zone. The contracting parties may include in the contract any 26235

of those recommendations prior to approval of the contract. 26236

(E) After the public hearings required under division (D) of 26237
this section have been held and the economic development plan has 26238
been approved under division (D) of section 715.692 of the Revised 26239
Code, and before January 1, 2015, each contracting party may enact 26240
an ordinance or resolution approving the contract to designate a 26241
joint economic development zone. After each contracting party has 26242
enacted an ordinance or resolution, the clerk of the legislative 26243
authority of a municipal corporation that is a contracting party 26244
and the fiscal officer of a township that is a contracting party 26245
shall file with the board of elections of each county within which 26246
a contracting party is located a copy of the ordinance or 26247
resolution approving the contract and shall direct the board of 26248
elections to submit the ordinance or resolution to the electors of 26249
the contracting party on the day of the next general, primary, or 26250
special election occurring at least ninety days after the 26251
ordinance or resolution is filed with the board of elections. If 26252
any of the contracting parties is a township, however, then only 26253
the township or townships shall submit the resolution to the 26254
electors. The board of elections shall not submit an ordinance or 26255
resolution filed under this division to the electors at any 26256
election occurring on or after January 1, 2015. 26257

(F)(1) If a vote is required to approve a municipal 26258
corporation as a contracting party to a joint economic development 26259
zone under this section, the ballot shall be in the following 26260
form: 26261

"Shall the ordinance of the legislative authority of the 26262
(city or village) of (name of contracting party) approving the 26263
contract with (name of each other contracting party) for the 26264
designation of a joint economic development zone be approved? 26265

26266

	FOR THE ORDINANCE AND CONTRACT		26267
	AGAINST THE ORDINANCE AND CONTRACT	"	26268

26269

(2) If a vote is required to approve a township as a
contracting party to a joint economic development zone under this
section, the ballot shall be in the following form:

26270
26271
26272

"Shall the resolution of the board of township trustees of
the township of (name of contracting party) approving the contract
with (name of each other contracting party) for the designation of
a joint economic development zone be approved?"

26273
26274
26275
26276

26277

	FOR THE ORDINANCE AND CONTRACT		26278
	AGAINST THE ORDINANCE AND CONTRACT	"	26279

26280

If a majority of the electors of each contracting party
voting on the issue vote for the ordinance or resolution and
contract, the ordinance or resolution shall become effective
immediately and the contract shall go into effect immediately or
in accordance with its terms.

26281
26282
26283
26284
26285

(G)(1) A board of directors shall govern each joint economic
development zone created under this section. The members of the
board shall be appointed as provided in the contract. Each of the
contracting parties shall appoint three members to the board.
Terms for each member shall be for two years, each term ending on
the same day of the month of the year as did the term that it
succeeds. A member may be reappointed to the board.

26286
26287
26288
26289
26290
26291
26292

(2) Membership on the board is not the holding of a public

26293

office or employment within the meaning of any section of the Revised Code or any charter provision prohibiting the holding of other public office or employment. Membership on the board is not a direct or indirect interest in a contract or expenditure of money by a municipal corporation, township, county, or other political subdivision with which a member may be affiliated. Notwithstanding any provision of law or a charter to the contrary, no member of the board shall forfeit or be disqualified from holding any public office or employment by reason of membership on the board.

(3) The board is a public body for the purposes of section 121.22 of the Revised Code. Chapter 2744. of the Revised Code applies to the board and the zone.

(H) The contract may grant to the board of directors appointed under division (G) of this section the power to adopt a resolution to levy an income tax within the zone. The income tax shall be used for the purposes of the zone and for the purposes of the contracting parties pursuant to the contract. Not less than fifty per cent of the revenue from the tax shall be used solely to provide the new, expanded, or additional services, facilities, or improvements specified in the economic development plan until all such services, facilities, or improvements have been completed as specified in that plan. The income tax may be levied in the zone based on income earned by persons working within the zone and on the net profits of businesses located in the zone. The income tax is subject to Chapter 718. of the Revised Code, except that a vote shall be required by the electors residing in the zone to approve the rate of income tax unless a majority of the electors residing within the zone, as determined by the total number of votes cast in the zone for the office of governor at the most recent general election for that office, submit a petition to the board requesting that the election provided for in division (H)(1) of

this section not be held. If no electors reside within the zone, 26326
then division (H)(3) of this section applies. The rate of the 26327
income tax shall be no higher than the highest rate being levied 26328
by a municipal corporation that is a party to the contract. 26329

(1) The board of directors may levy an income tax at a rate 26330
that is not higher than the highest rate being levied by a 26331
municipal corporation that is a party to the contract, provided 26332
that the rate of the income tax is first submitted to and approved 26333
by the electors of the zone at the succeeding regular or primary 26334
election, or a special election called by the board, occurring 26335
subsequent to ninety days after a certified copy of the resolution 26336
levying the income tax and calling for the election is filed with 26337
the board of elections. If the voters approve the levy of the 26338
income tax, the income tax shall be in force for the full period 26339
of the contract establishing the zone. No election shall be held 26340
under this section if a majority of the electors residing within 26341
the zone, determined as specified in division (H) of this section, 26342
submit a petition to that effect to the board of directors. Any 26343
increase in the rate of an income tax by the board of directors 26344
shall be approved by a vote of the electors of the zone and shall 26345
be in force for the remaining period of the contract establishing 26346
the zone. 26347

(2) Whenever a zone is located in the territory of more than 26348
one contracting party, a majority vote of the electors in each of 26349
the several portions of the territory of the contracting parties 26350
constituting the zone approving the levy of the tax is required 26351
before it may be imposed under division (H) of this section. 26352

(3) If no electors reside in the zone, no election for the 26353
approval or rejection of an income tax shall be held under this 26354
section, provided that where no electors reside in the zone, the 26355
rate of the income tax shall be no higher than the highest rate 26356
being levied by a municipal corporation that is a party to the 26357

contract. 26358

(4) The board of directors of a zone levying an income tax 26359
shall enter into an agreement with one of the municipal 26360
corporations that is a party to the contract to administer, 26361
collect, and enforce the income tax on behalf of the zone. 26362

(5) The board of directors of a zone shall publish or post 26363
public notice ~~within the zone~~ of any resolution adopted levying an 26364
income tax ~~in the same manner required of municipal corporations~~ 26365
~~under sections 731.21 and 731.25 of the Revised Code~~ in a 26366
newspaper of general circulation within the zone once a week for 26367
two consecutive weeks or as provided in section 7.16 of the 26368
Revised Code, before the resolution takes effect. In zones in 26369
which no newspaper is generally circulated, notice shall be 26370
accomplished by posting copies in not less than five of the most 26371
public places in the district, as determined by the board of 26372
directors, for a period of not less than fifteen days before the 26373
effective date of the resolution. 26374

(I)(1) If for any reason a contracting party reverts to or 26375
has its boundaries changed so that it is classified as a township 26376
that is the entity succeeding to that contracting party, the 26377
township is considered to be a municipal corporation for the 26378
purposes of the contract for the full period of the contract 26379
establishing the joint economic development zone, except that if 26380
that contracting party is administering, collecting, and enforcing 26381
the income tax on behalf of the district as provided in division 26382
(H)(4) of this section, the contract shall be amended to allow one 26383
of the other contracting parties to administer, collect, and 26384
enforce that tax. 26385

(2) Notwithstanding any other section of the Revised Code, if 26386
there is any change in the boundaries of a township so that a 26387
municipal corporation once located within the township is no 26388
longer so located, the township shall remain in existence even 26389

though its remaining unincorporated area contains less than 26390
twenty-two square miles, if the township has been or becomes a 26391
party to a contract creating a joint economic development zone 26392
under this section or the contract creating that joint economic 26393
development zone under this section is terminated or repudiated 26394
for any reason by any party or person. The township shall continue 26395
its existing status in all respects, including having the same 26396
form of government and the same elected board of trustees as its 26397
governing body. The township shall continue to receive all of its 26398
tax levies and sources of income as a township in accordance with 26399
any section of the Revised Code, whether the levies and sources of 26400
income generate millage within the ten-mill limitation or in 26401
excess of the ten-mill limitation. The name of the township may be 26402
changed to the name of the contracting party appearing in the 26403
contract creating a joint economic development zone under this 26404
section, so long as the name does not conflict with any other name 26405
in the state that has been certified by the secretary of state. 26406
The township shall have all of the powers set out in sections 26407
715.79, 715.80, and 715.81 of the Revised Code. 26408

(J) If, after creating and operating a joint economic 26409
development zone under this section, a contracting party that did 26410
not levy a municipal income tax under Chapter 718. of the Revised 26411
Code levies such a tax, the tax shall not apply to the zone for 26412
the full period of the contract establishing the zone if the board 26413
of directors of the zone has levied an income tax as provided in 26414
division (H) of this section. 26415

(K) No substantial amendment may be made to any joint 26416
economic development zone contract after December 31, 2014. 26417

Sec. 715.693. (A) The requirement in division (C) of section 26418
121.22 of the Revised Code that a member of a public body be 26419
present in person at a meeting open to the public in order to be 26420

part of a quorum or to vote does not apply to a board of directors 26421
of a joint economic development zone created under section 715.691 26422
of the Revised Code, or a joint economic development review 26423
council created under section 715.692 of the Revised Code, if the 26424
board or council holds the meeting by interactive video conference 26425
or by teleconference in the following manner: 26426

(1) The board or council establishes a primary meeting 26427
location that is open and accessible to the public. 26428

(2) Meeting-related materials that are available before the 26429
meeting are sent via electronic mail, facsimile, hand-delivery, or 26430
United States postal service to each member. 26431

(3) In the case of an interactive video conference, the board 26432
or council causes a clear video and audio connection to be 26433
established that enables all meeting participants at the primary 26434
meeting location to see and hear each member. 26435

(4) In the case of a teleconference, the board or the council 26436
causes a clear audio connection to be established that enables all 26437
meeting participants at the primary meeting location to hear each 26438
member. 26439

(5) All board or council members have the capability to 26440
receive meeting-related materials that are distributed during a 26441
meeting. 26442

(6) A roll call voice vote is recorded for each vote taken. 26443

(7) The minutes of the board or council meeting identify 26444
which members remotely attended the meeting by interactive video 26445
conference or teleconference. 26446

If the board or council proceeds under this section, use of 26447
an interactive video conference is preferred, but nothing in this 26448
section prohibits the council from conducting its meetings by 26449
teleconference or by a combination of interactive video conference 26450

and teleconference at the same meeting. 26451

(B) A board of directors or a joint economic development review council shall adopt rules necessary to implement this section. At a minimum, the rules shall do all of the following: 26452
26453
26454

(1) Authorize members to remotely attend a meeting by interactive video conference or teleconference, or by a combination thereof, in lieu of attending the meeting in person; 26455
26456
26457

(2) Establish a minimum number of members that must be physically present in person at the primary meeting location if the board or council conducts a meeting by interactive video conference or teleconference; 26458
26459
26460
26461

(3) Require that not more than one member remotely attending a meeting by teleconference is permitted to be physically present at the same remote location; 26462
26463
26464

(4) Establish geographic restrictions for participation in meetings by interactive video conference and by teleconference; 26465
26466

(5) Establish a policy for distributing and circulating meeting-related materials to members, the public, and the media in advance of or during a meeting at which members are permitted to attend by interactive video conference or teleconference; 26467
26468
26469
26470

(6) Establish a method for verifying the identity of a member who remotely attends a meeting by teleconference. 26471
26472

Sec. 715.70. (A) This section and section 715.71 of the Revised Code apply only to: 26473
26474

(1) Municipal corporations and townships within a county that has adopted a charter under Sections 3 and 4 of Article X, Ohio Constitution; 26475
26476
26477

(2) Municipal corporations and townships that have created a joint economic development district comprised entirely of real 26478
26479

property owned by a municipal corporation at the time the district 26480
was created under this section. The real property owned by the 26481
municipal corporation shall include an airport owned by the 26482
municipal corporation and located entirely beyond the municipal 26483
corporation's corporate boundary. 26484

(3) Municipal corporations or townships that are part of or 26485
contiguous to a transportation improvement district created under 26486
Chapter 5540. of the Revised Code and that have created a joint 26487
economic development district under this section or section 715.71 26488
of the Revised Code prior to November 15, 1995; 26489

(4) Municipal corporations that have previously entered into 26490
a contract creating a joint economic development district pursuant 26491
to division (A)(2) of this section, even if the territory to be 26492
included in the district does not meet the requirements of that 26493
division. 26494

(B)(1) One or more municipal corporations and one or more 26495
townships may enter into a contract approved by the legislative 26496
authority of each contracting party pursuant to which they create 26497
as a joint economic development district an area or areas for the 26498
purpose of facilitating economic development to create or preserve 26499
jobs and employment opportunities and to improve the economic 26500
welfare of the people in the state and in the area of the 26501
contracting parties. A municipal corporation described in division 26502
(A)(4) of this section may enter into a contract with other 26503
municipal corporations and townships to create a new joint 26504
economic development district. In a district that includes a 26505
municipal corporation described in division (A)(4) of this 26506
section, the territory of each of the contracting parties shall be 26507
contiguous to the territory of at least one other contracting 26508
party, or contiguous to the territory of a township or municipal 26509
corporation that is contiguous to another contracting party, even 26510
if the intervening township or municipal corporation is not a 26511

contracting party. The area or areas of land to be included in the 26512
district shall not include any parcel of land owned in fee by a 26513
municipal corporation or a township or parcel of land that is 26514
leased to a municipal corporation or a township, unless the 26515
municipal corporation or township is a party to the contract or 26516
unless the municipal corporation or township has given its consent 26517
to have its parcel of land included in the district by the 26518
adoption of a resolution. As used in this division, "parcel of 26519
land" means any parcel of land owned by a municipal corporation or 26520
a township for at least a six-month period within a five-year 26521
period prior to the creation of a district, but "parcel of land" 26522
does not include streets or public ways and sewer, water, and 26523
other utility lines whether owned in fee or otherwise. 26524

The district created shall be located within the territory of 26525
one or more of the participating parties and may consist of all or 26526
a portion of such territory. The boundaries of the district shall 26527
be described in the contract or in an addendum to the contract. 26528

(2) Prior to the public hearing to be held pursuant to 26529
division (D)(2) of this section, the participating parties shall 26530
give a copy of the proposed contract to each municipal corporation 26531
located within one-quarter mile of the proposed joint economic 26532
development district and not otherwise a party to the contract, 26533
and afford the municipal corporation the reasonable opportunity, 26534
for a period of thirty days following receipt of the proposed 26535
contract, to make comments and suggestions to the participating 26536
parties regarding elements contained in the proposed contract. 26537

(3) The district shall not exceed two thousand acres in area. 26538
The territory of the district shall not completely surround 26539
territory that is not included within the boundaries of the 26540
district. 26541

(4) Sections 503.07 to 503.12 of the Revised Code do not 26542
apply to territory included within a district created pursuant to 26543

this section as long as the contract creating the district is in effect, unless the legislative authority of each municipal corporation and the board of township trustees of each township included in the district consent, by ordinance or resolution, to the application of those sections of the Revised Code.

(5) Upon the execution of the contract creating the district by the parties to the contract, a participating municipal corporation or township included within the district shall file a copy of the fully executed contract with the county recorder of each county within which a party to the contract is located, in the miscellaneous records of the county. No annexation proceeding pursuant to Chapter 709. of the Revised Code that proposes the annexation to, merger, or consolidation with a municipal corporation of any unincorporated territory within the district shall be commenced for a period of three years after the contract is filed with the county recorder of each county within which a party to the contract is located unless each board of township trustees whose territory is included, in whole or part, within the district and the territory proposed to be annexed, merged, or consolidated adopts a resolution consenting to the commencement of the proceeding and a copy of the resolution is filed with the legislative authority of each county within which a party to the contract is located or unless the contract is terminated during this period.

The contract entered into between the municipal corporations and townships pursuant to this section may provide for the prohibition of any annexation by the participating municipal corporations of any unincorporated territory within the district beyond the three-year mandatory prohibition of any annexation provided for in division (B)(5) of this section.

(C)(1) After the legislative authority of a municipal corporation and the board of township trustees have adopted an

ordinance and resolution approving a contract to create a joint economic development district pursuant to this section, and after a contract has been signed, the municipal corporations and townships shall jointly file a petition with the legislative authority of each county within which a party to the contract is located.

(a) The petition shall contain all of the following:

(i) A statement that the area or areas of the district ~~is~~ are not greater than two thousand acres and ~~is~~ are located within the territory of one or more of the contracting parties;

(ii) A brief summary of the services to be provided by each party to the contract or a reference to the portion of the contract describing those services;

(iii) A description of the area or areas to be designated as the district;

(iv) The signature of a representative of each of the contracting parties.

(b) The following documents shall be filed with the petition:

(i) A signed copy of the contract, together with copies of district maps and plans related to or part of the contract;

(ii) A certified copy of the ordinances and resolutions of the contracting parties approving the contract;

(iii) A certificate from each of the contracting parties indicating that the public hearings required by division (D)(2) of this section have been held, the date of the hearings, and evidence of publication of the notice of the hearings;

(iv) One or more signed statements of persons who are owners of property located in whole or in part within the area to be designated as the district, requesting that the property be included within the district, provided that those statements shall

represent a majority of the persons owning property located in 26606
whole or in part within the district and persons owning a majority 26607
of the acreage located within the district. A signature may be 26608
withdrawn by the signer up to but not after the time of the public 26609
hearing required by division (D)(2) of this section. 26610

(2) The legislative authority of each county within which a 26611
party to the contract is located shall adopt a resolution 26612
approving the petition for the creation of the district if the 26613
petition and other documents have been filed in accordance with 26614
the requirements of division (C)(1) of this section. If the 26615
petition and other documents do not substantially meet the 26616
requirements of that division, the legislative authority of any 26617
county within which a party to the contract is located may adopt a 26618
resolution disapproving the petition for the creation of the 26619
district. The legislative authority of each county within which a 26620
party to the contract is located shall adopt a resolution 26621
approving or disapproving the petition within thirty days after 26622
the petition was filed. If the legislative authority of each such 26623
county does not adopt the resolution within the thirty-day period, 26624
the petition shall be deemed approved and the contract shall go 26625
into effect immediately after that approval or at such other time 26626
as the contract specifies. 26627

(D)(1) The contract creating the district shall set forth or 26628
provide for the amount or nature of the contribution of each 26629
municipal corporation and township to the development and 26630
operation of the district and may provide for the sharing of the 26631
costs of the operation of and improvements for the district. The 26632
contributions may be in any form to which the contracting 26633
municipal corporations and townships agree and may include but are 26634
not limited to the provision of services, money, real or personal 26635
property, facilities, or equipment. The contract may provide for 26636
the contracting parties to share revenue from taxes levied on 26637

property by one or more of the contracting parties if those 26638
revenues may lawfully be applied to that purpose under the 26639
legislation by which those taxes are levied. The contract shall 26640
provide for new, expanded, or additional services, facilities, or 26641
improvements, including expanded or additional capacity for or 26642
other enhancement of existing services, facilities, or 26643
improvements, provided that those services, facilities, or 26644
improvements, or expanded or additional capacity for or 26645
enhancement of existing services, facilities, or improvements, 26646
required herein have been provided within the two-year period 26647
prior to the execution of the contract. 26648

(2) Before the legislative authority of a municipal 26649
corporation or a board of township trustees passes any ordinance 26650
or resolution approving a contract to create a joint economic 26651
development district pursuant to this section, the legislative 26652
authority of the municipal corporation and the board of township 26653
trustees shall each hold a public hearing concerning the joint 26654
economic development district contract and shall provide thirty 26655
days' public notice of the time and place of the public hearing in 26656
a newspaper of general circulation in the municipal corporation 26657
and the township. The board of township trustees may provide 26658
additional notice to township residents in accordance with section 26659
9.03 of the Revised Code, and any additional notice shall include 26660
the public hearing announcement; a summary of the terms of the 26661
contract; a statement that the entire text of the contract and 26662
district maps and plans are on file for public examination in the 26663
office of the township fiscal officer; and information pertaining 26664
to any tax changes that will or may occur as a result of the 26665
contract. 26666

During the thirty-day period prior to the public hearing, a 26667
copy of the text of the contract together with copies of district 26668
maps and plans related to or part of the contract shall be on 26669

file, for public examination, in the offices of the clerk of the 26670
legislative authority of the municipal corporation and of the 26671
township fiscal officer. The public hearing provided for in 26672
division (D)(2) of this section shall allow for public comment and 26673
recommendations from the public on the proposed contract. The 26674
contracting parties may include in the contract any of those 26675
recommendations prior to the approval of the contract. 26676

(3) Any resolution of the board of township trustees that 26677
approves a contract that creates a joint economic development 26678
district pursuant to this section shall be subject to a referendum 26679
of the electors of the township. When a referendum petition, 26680
signed by ten per cent of the number of electors in the township 26681
who voted for the office of governor at the most recent general 26682
election for the office of governor, is presented to the board of 26683
township trustees within thirty days after the board of township 26684
trustees adopted the resolution, ordering that the resolution be 26685
submitted to the electors of the township for their approval or 26686
rejection, the board of township trustees shall, after ten days 26687
and not later than four p.m. of the ninetieth day before the 26688
election, certify the text of the resolution to the board of 26689
elections. The board of elections shall submit the resolution to 26690
the electors of the township for their approval or rejection at 26691
the next general, primary, or special election occurring 26692
subsequent to ninety days after the certifying of the petition to 26693
the board of elections. 26694

(4) Upon the creation of a district under this section or 26695
section 715.71 of the Revised Code, one of the contracting parties 26696
shall file a copy of the following with the director of 26697
development: 26698

(a) The petition and other documents described in division 26699
(C)(1) of this section, if the district is created under this 26700
section; 26701

(b) The documents described in division (D) of section 715.71 26702
of the Revised Code, if the district is created under this 26703
section. 26704

(E) The district created by the contract shall be governed by 26705
a board of directors that shall be established by or pursuant to 26706
the contract. The board is a public body for the purposes of 26707
section 121.22 of the Revised Code. The provisions of Chapter 26708
2744. of the Revised Code apply to the board and the district. The 26709
members of the board shall be appointed as provided in the 26710
contract from among the elected members of the legislative 26711
authorities and the elected chief executive officers of the 26712
contracting parties, provided that there shall be at least two 26713
members appointed from each of the contracting parties. 26714

(F) The contract shall enumerate the specific powers, duties, 26715
and functions of the board of directors of a district, and the 26716
contract shall provide for the determination of procedures that 26717
are to govern the board of directors. The contract may grant to 26718
the board the power to adopt a resolution to levy an income tax 26719
within the district. The income tax shall be used for the purposes 26720
of the district and for the purposes of the contracting municipal 26721
corporations and townships pursuant to the contract. The income 26722
tax may be levied in the district based on income earned by 26723
persons working or residing within the district and based on the 26724
net profits of businesses located in the district. The income tax 26725
shall follow the provisions of Chapter 718. of the Revised Code, 26726
except that a vote shall be required by the electors residing in 26727
the district to approve the rate of income tax. If no electors 26728
reside within the district, then division (F)(4) of this section 26729
applies. The rate of the income tax shall be no higher than the 26730
highest rate being levied by a municipal corporation that is a 26731
party to the contract. 26732

(1) Within one hundred eighty days after the first meeting of 26733

the board of directors, the board may levy an income tax, provided 26734
that the rate of the income tax is first submitted to and approved 26735
by the electors of the district at the succeeding regular or 26736
primary election, or a special election called by the board, 26737
occurring subsequent to ninety days after a certified copy of the 26738
resolution levying the income tax and calling for the election is 26739
filed with the board of elections. If the voters approve the levy 26740
of the income tax, the income tax shall be in force for the full 26741
period of the contract establishing the district. Any increase in 26742
the rate of an income tax that was first levied within one hundred 26743
eighty days after the first meeting of the board of directors 26744
shall be approved by a vote of the electors of the district, shall 26745
be in force for the remaining period of the contract establishing 26746
the district, and shall not be subject to division (F)(2) of this 26747
section. 26748

(2) Any resolution of the board of directors levying an 26749
income tax that is adopted subsequent to one hundred eighty days 26750
after the first meeting of the board of directors shall be subject 26751
to a referendum as provided in division (F)(2) of this section. 26752
Any resolution of the board of directors levying an income tax 26753
that is adopted subsequent to one hundred eighty days after the 26754
first meeting of the board of directors shall be subject to an 26755
initiative proceeding to amend or repeal the resolution levying 26756
the income tax as provided in division (F)(2) of this section. 26757
When a referendum petition, signed by ten per cent of the number 26758
of electors in the district who voted for the office of governor 26759
at the most recent general election for the office of governor, is 26760
filed with the county auditor of each county within which a party 26761
to the contract is located within thirty days after the resolution 26762
is adopted by the board or when an initiative petition, signed by 26763
ten per cent of the number of electors in the district who voted 26764
for the office of governor at the most recent general election for 26765
the office of governor, is filed with the county auditor of each 26766

such county ordering that a resolution to amend or repeal a prior 26767
resolution levying an income tax be submitted to the electors 26768
within the district for their approval or rejection, the county 26769
auditor of each such county, after ten days and not later than 26770
four p.m. of the ninetieth day before the election, shall certify 26771
the text of the resolution to the board of elections of that 26772
county. The county auditor of each such county shall retain the 26773
petition. The board of elections shall submit the resolution to 26774
such electors, for their approval or rejection, at the next 26775
general, primary, or special election occurring subsequent to 26776
ninety days after the certifying of such petition to the board of 26777
elections. 26778

(3) Whenever a district is located in the territory of more 26779
than one contracting party, a majority vote of the electors, if 26780
any, in each of the several portions of the territory of the 26781
contracting parties constituting the district approving the levy 26782
of the tax is required before it may be imposed pursuant to this 26783
division. 26784

(4) If there are no electors residing in the district, no 26785
election for the approval or rejection of an income tax shall be 26786
held pursuant to this section, provided that where no electors 26787
reside in the district, the maximum rate of the income tax that 26788
may be levied shall not exceed one per cent. 26789

(5) The board of directors of a district levying an income 26790
tax shall enter into an agreement with one of the municipal 26791
corporations that is a party to the contract to administer, 26792
collect, and enforce the income tax on behalf of the district. The 26793
resolution levying the income tax shall provide the same credits, 26794
if any, to residents of the district for income taxes paid to 26795
other such districts or municipal corporations where the residents 26796
work, as credits provided to residents of the municipal 26797
corporation administering the income tax. 26798

(6)(a) The board shall publish or post public notice ~~within~~ 26799
~~the district~~ of any resolution adopted levying an income tax ~~in~~ 26800
~~the same manner required of municipal corporations under sections~~ 26801
~~731.21 and 731.25 of the Revised Code~~ in a newspaper of general 26802
circulation within the district once a week for two consecutive 26803
weeks or as provided in section 7.16 of the Revised Code, before 26804
the resolution takes effect. In districts in which no newspaper is 26805
generally circulated, notice shall be accomplished by posting 26806
copies in not less than five of the most public places in the 26807
district, as determined by the board, for a period of not less 26808
than fifteen days before the effective date of the resolution. 26809

(b) Except as otherwise specified by this division, any 26810
referendum or initiative proceeding within a district shall be 26811
conducted in the same manner as is required for such proceedings 26812
within a municipal corporation pursuant to sections 731.28 to 26813
731.40 of the Revised Code. 26814

(G) Membership on the board of directors does not constitute 26815
the holding of a public office or employment within the meaning of 26816
any section of the Revised Code or any charter provision 26817
prohibiting the holding of other public office or employment, and 26818
shall not constitute an interest, either direct or indirect, in a 26819
contract or expenditure of money by any municipal corporation, 26820
township, county, or other political subdivision with which the 26821
member may be connected. No member of a board of directors shall 26822
be disqualified from holding any public office or employment, nor 26823
shall such member forfeit or be disqualified from holding any such 26824
office or employment, by reason of the member's membership on the 26825
board of directors, notwithstanding any law or charter provision 26826
to the contrary. 26827

(H) The powers and authorizations granted pursuant to this 26828
section or section 715.71 of the Revised Code are in addition to 26829
and not in derogation of all other powers granted to municipal 26830

corporations and townships pursuant to law. When exercising a 26831
power or performing a function or duty under a contract authorized 26832
pursuant to this section or section 715.71 of the Revised Code, a 26833
municipal corporation may exercise all of the powers of a 26834
municipal corporation, and may perform all the functions and 26835
duties of a municipal corporation, within the district, pursuant 26836
to and to the extent consistent with the contract. When exercising 26837
a power or performing a function or duty under a contract 26838
authorized pursuant to this section or section 715.71 of the 26839
Revised Code, a township may exercise all of the powers of a 26840
township, and may perform all the functions and duties of a 26841
township, within the district, pursuant to and to the extent 26842
consistent with the contract. The district board of directors has 26843
no powers except those specifically set forth in the contract as 26844
agreed to by the participating parties. No political subdivision 26845
shall authorize or grant any tax exemption pursuant to Chapter 26846
1728. or section 3735.67, 5709.62, 5709.63, or 5709.632 of the 26847
Revised Code on any property located within the district without 26848
the consent of the contracting parties. The prohibition for any 26849
tax exemption pursuant to this division shall not apply to any 26850
exemption filed, pending, or approved, or for which an agreement 26851
has been entered into, before the effective date of the contract 26852
entered into by the parties. 26853

(I) Municipal corporations and townships may enter into 26854
binding agreements pursuant to a contract authorized under this 26855
section or section 715.71 of the Revised Code with respect to the 26856
substance and administration of zoning and other land use 26857
regulations, building codes, public permanent improvements, and 26858
other regulatory and proprietary matters that are determined, 26859
pursuant to the contract, to be for a public purpose and to be 26860
desirable with respect to the operation of the district or to 26861
facilitate new or expanded economic development in the state or 26862
the district, provided that no contract shall exempt the territory 26863

within the district from the procedures and processes of land use regulation applicable pursuant to municipal corporation, township, and county regulations, including but not limited to procedures and processes concerning zoning.

(J) A contract creating a joint economic development district under this section or section 715.71 of the Revised Code may designate property as a community entertainment district or may be amended to designate property as a community entertainment district as prescribed in division (D) of section 4301.80 of the Revised Code. A joint economic development district contract or amendment designating a community entertainment district shall include all information and documentation described in divisions (B)(1) through (6) of section 4301.80 of the Revised Code. The public notice required under division (D)(2) of this section and division (C) of section 715.71 of the Revised Code shall specify that the contract designates a community entertainment district and describe the location of that district. Except as provided in division (F) of section 4301.80 of the Revised Code, an area designated as a community entertainment district under a joint economic development district contract shall not lose its designation even if the contract is canceled or terminated.

(K) A contract entered into pursuant to this section or section 715.71 of the Revised Code may be amended and it may be renewed, canceled, or terminated as provided in or pursuant to the contract. The contract may be amended to add property owned by one of the contracting parties to the district, or may be amended to delete property from the district whether or not one of the contracting parties owns the deleted property. The contract shall continue in existence throughout its term and shall be binding on the contracting parties and on any entities succeeding to such parties, whether by annexation, merger, or otherwise. The income tax levied by the board pursuant to this section or section 715.71

of the Revised Code shall apply in the entire district throughout 26896
the term of the contract, notwithstanding that all or a portion of 26897
the district becomes subject to annexation, merger, or 26898
incorporation. No township or municipal corporation is divested of 26899
its rights or obligations under the contract because of 26900
annexation, merger, or succession of interests. 26901

(L) After the creation of a joint economic development 26902
district described in division (A)(2) of this section, a municipal 26903
corporation that is a contracting party may cease to own property 26904
included in the district, but such property shall continue to be 26905
included in the district and subject to the terms of the contract. 26906

Sec. 718.01. Any term used in this chapter that is not 26907
otherwise defined in this chapter has the same meaning as when 26908
used in a comparable context in laws of the United States relating 26909
to federal income taxation or in Title LVII of the Revised Code, 26910
unless a different meaning is clearly required. Except as provided 26911
in section 718.81 of the Revised Code, if a term used in this 26912
chapter that is not otherwise defined in this chapter is used in a 26913
comparable context in both the laws of the United States relating 26914
to federal income tax and in Title LVII of the Revised Code and 26915
the use is not consistent, then the use of the term in the laws of 26916
the United States relating to federal income tax shall control 26917
over the use of the term in Title LVII of the Revised Code. 26918

Except as otherwise provided in section 718.81 of the Revised 26919
Code, as used in this chapter: 26920

following five taxable years, against any other net profit of the 26981
resident or the resident's distributive share of any net profit 26982

qualifying wages, commissions, and other compensation from 27006
whatever source earned or received by the nonresident for work 27007
done, services performed or rendered, or activities conducted in 27008
the municipal corporation, including any net profit of the 27009
nonresident, but excluding the nonresident's distributive share of 27010

Sec. 718.02. This section applies to any taxpayer engaged in a business or profession in a municipal corporation that imposes an income tax in accordance with this chapter, unless the taxpayer is an individual who resides in the municipal corporation or the taxpayer is an electric company, combined company, or telephone company that is subject to and required to file reports under

Chapter 5745. of the Revised Code.	27732
(A) Except as otherwise provided in <u>section 718.021 of the Revised Code and</u> division (B) of this section, net profit from a business or profession conducted both within and without the boundaries of a municipal corporation shall be considered as having a taxable situs in the municipal corporation for purposes of municipal income taxation in the same proportion as the average ratio of the following:	27733 27734 27735 27736 27737 27738 27739
(1) The average original cost of the real property and tangible personal property owned or used by the taxpayer in the business or profession in the municipal corporation during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.	27740 27741 27742 27743 27744 27745

(3) Total gross receipts of the business or profession from sales and rentals made and services performed during the taxable period in the municipal corporation to total gross receipts of the business or profession during the same period from sales, rentals, and services, wherever made or performed.	27758 27759 27760 27761 27762

(B)(1) If the apportionment factors described in division (A) 27763
of this section do not fairly represent the extent of a taxpayer's 27764
business activity in a municipal corporation, the taxpayer may 27765
request, or the tax administrator of the municipal corporation may 27766
require, that the taxpayer use, with respect to all or any portion 27767
of the income of the taxpayer, an alternative apportionment method 27768
involving one or more of the following: 27769

(a) Separate accounting; 27770

(b) The exclusion of one or more of the factors; 27771

(c) The inclusion of one or more additional factors that 27772
would provide for a more fair apportionment of the income of the 27773
taxpayer to the municipal corporation; 27774

(d) A modification of one or more of the factors. 27775

(2) A taxpayer request to use an alternative apportionment 27776
method shall be in writing and shall accompany a tax return, 27777
timely filed appeal of an assessment, or timely filed amended tax 27778
return. The taxpayer may use the requested alternative method 27779
unless the tax administrator denies the request in an assessment 27780
issued within the period prescribed by division (A) of section 27781
718.12 of the Revised Code. 27782

(3) A tax administrator may require a taxpayer to use an 27783
alternative apportionment method as described in division (B)(1) 27784
of this section only by issuing an assessment to the taxpayer 27785
within the period prescribed by division (A) of section 718.12 of 27786
the Revised Code. 27787

(4) Nothing in division (B) of this section nullifies or 27788
otherwise affects any alternative apportionment arrangement 27789
approved by a tax administrator or otherwise agreed upon by both 27790
the tax administrator and taxpayer before January 1, 2016. 27791

(C) As used in division (A)(2) of this section, "wages, 27792

salaries, and other compensation" includes only wages, salaries, 27793
or other compensation paid to an employee for services performed 27794
at any of the following locations: 27795

(1) A location that is owned, controlled, or used by, rented 27796
to, or under the possession of one of the following: 27797

(a) The employer; 27798

(b) A vendor, customer, client, or patient of the employer, 27799
or a related member of such a vendor, customer, client, or 27800
patient; 27801

(c) A vendor, customer, client, or patient of a person 27802
described in division (C)(1)(b) of this section, or a related 27803
member of such a vendor, customer, client, or patient. 27804

(2) Any location at which a trial, appeal, hearing, 27805
investigation, inquiry, review, court-martial, or similar 27806
administrative, judicial, or legislative matter or proceeding is 27807
being conducted, provided that the compensation is paid for 27808
services performed for, or on behalf of, the employer or that the 27809
employee's presence at the location directly or indirectly 27810
benefits the employer; 27811

(3) Any other location, if the tax administrator determines 27812
that the employer directed the employee to perform the services at 27813
the other location in lieu of a location described in division 27814
(C)(1) or (2) of this section solely in order to avoid or reduce 27815
the employer's municipal income tax liability. If a tax 27816
administrator makes such a determination, the employer may dispute 27817
the determination by establishing, by a preponderance of the 27818
evidence, that the tax administrator's determination was 27819
unreasonable. 27820

(D) For the purposes of division (A)(3) of this section, and 27821
except as provided in section 718.021 of the Revised Code, 27822
receipts from sales and rentals made and services performed shall 27823

be sitused to a municipal corporation as follows: 27824

(1) Gross receipts from the sale of tangible personal 27825
property shall be sitused to the municipal corporation only if, 27826
regardless of where title passes, the property meets either of the 27827
following criteria: 27828

(a) The property is shipped to or delivered within the 27829
municipal corporation from a stock of goods located within the 27830
municipal corporation. 27831

(b) The property is delivered within the municipal 27832
corporation from a location outside the municipal corporation, 27833
provided the taxpayer is regularly engaged through its own 27834
employees in the solicitation or promotion of sales within such 27835
municipal corporation and the sales result from such solicitation 27836
or promotion. 27837

(2) Gross receipts from the sale of services shall be sitused 27838
to the municipal corporation to the extent that such services are 27839
performed in the municipal corporation. 27840

(3) To the extent included in income, gross receipts from the 27841
sale of real property located in the municipal corporation shall 27842
be sitused to the municipal corporation. 27843

(4) To the extent included in income, gross receipts from 27844
rents and royalties from real property located in the municipal 27845
corporation shall be sitused to the municipal corporation. 27846

(5) Gross receipts from rents and royalties from tangible 27847
personal property shall be sitused to the municipal corporation 27848
based upon the extent to which the tangible personal property is 27849
used in the municipal corporation. 27850

(E) The net profit received by an individual taxpayer from 27851
the rental of real estate owned directly by the individual or by a 27852
disregarded entity owned by the individual shall be subject to tax 27853

only by the municipal corporation in which the property generating 27854
the net profit is located and the municipal corporation in which 27855
the individual taxpayer that receives the net profit resides. 27856

A municipal corporation shall allow such taxpayers to elect 27857
to use separate accounting for the purpose of calculating net 27858
profit sitused under this division to the municipal corporation in 27859
which the property is located. 27860

(F)(1) Except as provided in division (F)(2) of this section, 27861
commissions received by a real estate agent or broker relating to 27862
the sale, purchase, or lease of real estate shall be sitused to 27863
the municipal corporation in which the real estate is located. Net 27864
profit reported by the real estate agent or broker shall be 27865
allocated to a municipal corporation based upon the ratio of the 27866
commissions the agent or broker received from the sale, purchase, 27867
or lease of real estate located in the municipal corporation to 27868
the commissions received from the sale, purchase, or lease of real 27869
estate everywhere in the taxable year. 27870

(2) An individual who is a resident of a municipal 27871
corporation that imposes a municipal income tax shall report the 27872
individual's net profit from all real estate activity on the 27873
individual's annual tax return for that municipal corporation. The 27874
individual may claim a credit for taxes the individual paid on 27875
such net profit to another municipal corporation to the extent 27876
that such a credit is allowed under the municipal income tax 27877
ordinance, or rules of the municipal corporation of residence. 27878

(G) If, in computing a taxpayer's adjusted federal taxable 27879
income, the taxpayer deducted any amount with respect to a stock 27880
option granted to an employee, ~~and if the employee is not required~~ 27881
~~to include in the employee's income any such amount or a portion~~ 27882
~~thereof because it is exempted from taxation under divisions~~ 27883
~~(C)(12) and (R)(1)(d) of section 718.01 of the Revised Code by a~~ 27884
~~municipal corporation to which the taxpayer has apportioned a~~ 27885

~~portion of its net profit,~~ the taxpayer shall add the amount that 27886
is exempt from taxation to the taxpayer's net profit that was 27887
apportioned to that municipal corporation. In no case shall a 27888
taxpayer be required to add to its net profit that was apportioned 27889
to that municipal corporation any amount other than the amount 27890
upon which the employee would be required to pay tax were the 27891
amount related to the stock option not exempted from taxation. 27892

This division applies solely for the purpose of making an 27893
adjustment to the amount of a taxpayer's net profit that was 27894
apportioned to a municipal corporation under this section. 27895

(H) When calculating the ratios described in division (A) of 27896
this section for the purposes of that division or division (B) of 27897
this section, the owner of a disregarded entity shall include in 27898
the owner's ratios the property, payroll, and gross receipts of 27899
such disregarded entity. 27900

Sec. 718.021. (A) As used in this section: 27901

(1) "Qualifying remote employee or owner" means an individual 27902
who is an employee of a taxpayer or who is a partner or member 27903
holding an ownership interest in a taxpayer that is treated as a 27904
partnership for federal income tax purposes, provided that the 27905
individual meets both of the following criteria: 27906

(a) The taxpayer has assigned the individual to a qualifying 27907
reporting location. 27908

(b) The individual is permitted or required to perform 27909
services for the taxpayer at a qualifying remote work location. 27910

(2) "Qualifying remote work location" means a permanent or 27911
temporary location at which an employee or owner chooses or is 27912
required to perform services for the taxpayer, other than a 27913
reporting location of the taxpayer or any other location owned or 27914
controlled by a customer or client of the taxpayer. "Qualifying 27915

remote work location" may include the residence of an employee or 27916
owner and may be located outside of a municipal corporation that 27917
imposes an income tax in accordance with this chapter. An employee 27918
or owner may have more than one qualifying remote work location 27919
during a taxable year. 27920

(3) "Reporting location" means either of the following: 27921

(a) A permanent or temporary place of doing business, such as 27922
an office, warehouse, storefront, construction site, or similar 27923
location, that is owned or controlled directly or indirectly by 27924
the taxpayer; 27925

(b) Any location in this state owned or controlled by a 27926
customer or client of the taxpayer, provided that the taxpayer is 27927
required to withhold taxes under section 718.03 of the Revised 27928
Code on qualifying wages paid to an employee for the performance 27929
of personal services at that location. 27930

(4) "Qualifying reporting location" means one of the 27931
following: 27932

(a) The reporting location in this state at which an employee 27933
or owner performs services for the taxpayer on a regular or 27934
periodic basis during the taxable year; 27935

(b) If no reporting location exists in this state for an 27936
employee or owner under division (A)(4)(a) of this section, the 27937
reporting location in this state at which the employee's or 27938
owner's supervisor regularly or periodically reports during the 27939
taxable year; 27940

(c) If no reporting location exists in this state for an 27941
employee or owner under division (A)(4)(a) or (b) of this section, 27942
the location that the taxpayer otherwise assigns as the employee's 27943
or owner's qualifying reporting location, provided the assignment 27944
is made in good faith and is recorded and maintained in the 27945
taxpayer's business records. A taxpayer may change the qualifying 27946

reporting location designated for an employee or owner under this 27947
division at any time. 27948

(B) A taxpayer may elect to apply the provisions of this 27949
section to the apportionment of its net profit from a business or 27950
profession. For taxpayers that make this election, the provisions 27951
of section 718.02 of the Revised Code apply to such apportionment 27952
except as otherwise provided in this section. 27953

A taxpayer shall make the election allowed under this section 27954
in writing on or with the taxpayer's net profit return or, if 27955
applicable, a timely filed amended net profit return or a timely 27956
filed appeal of an assessment. The election applies to the taxable 27957
year for which that return or appeal is filed and for all 27958
subsequent taxable years, until the taxpayer revokes the election. 27959

The taxpayer shall make the initial election with the tax 27960
administrator of each municipal corporation with which, after 27961
applying the apportionment provisions authorized in this section, 27962
the taxpayer is required to file a net profit tax return for that 27963
taxable year. A taxpayer shall not be required to notify the tax 27964
administrator of a municipal corporation in which a qualifying 27965
remote employee's or owner's qualifying remote work location is 27966
located, unless the taxpayer is otherwise required to file a net 27967
profit return with that municipal corporation due to business 27968
operations that are unrelated to the employee's or owner's 27969
activity at the qualifying remote work location. 27970

After the taxpayer makes the initial election, the election 27971
applies to every municipal corporation in which the taxpayer 27972
conducts business. The taxpayer shall not be required to file a 27973
net profit return with a municipal corporation solely because a 27974
qualifying remote employee's or owner's qualifying remote work 27975
location is located in such municipal corporation. 27976

Nothing in this section prohibits a taxpayer from making a 27977

new election under this section after properly revoking a prior election. 27978
27979

(C) For the purpose of calculating the ratios described in division (A) of section 718.02 of the Revised Code, all of the following apply to a taxpayer that has made the election described in division (B) of this section: 27980
27981
27982
27983

(1) For the purpose of division (A)(1) of section 718.02 of the Revised Code, the average original cost of any tangible personal property used by a qualifying remote employee or owner at that individual's qualifying remote work location shall be situated to that individual's qualifying reporting location. 27984
27985
27986
27987
27988

(2) For the purpose of division (A)(2) of section 718.02 of the Revised Code, any wages, salaries, and other compensation paid during the taxable period to a qualifying remote employee or owner for services performed at that individual's qualifying remote work location shall be situated to that individual's qualifying reporting location. 27989
27990
27991
27992
27993
27994

(3) For the purpose of division (A)(3) of section 718.02 of the Revised Code, and notwithstanding division (D) of that section, any gross receipts of the business or profession from services performed during the taxable period by a qualifying remote employee or owner for services performed at that individual's qualifying remote work location shall be situated to that individual's qualifying reporting location. 27995
27996
27997
27998
27999
28000
28001

(D) Nothing in this section prevents a taxpayer from requesting, or a tax administrator from requiring, that the taxpayer use, with respect to all or a portion of the income of the taxpayer, an alternative apportionment method as described in division (B) of section 718.02 of the Revised Code. However, a tax administrator shall not require an alternative apportionment method in such a manner that it would require a taxpayer to file a 28002
28003
28004
28005
28006
28007
28008

net profit return with a municipal corporation solely because a 28009
qualifying remote employee's or owner's qualifying remote work 28010
location is located in that municipal corporation. 28011

(E) Except as otherwise provided in this section, nothing in 28012
this section is intended to affect the withholding of taxes on 28013
qualifying wages pursuant to sections 718.011 and 718.03 of the 28014
Revised Code. 28015

Sec. 718.05. (A) An annual return with respect to the income 28016
tax levied by a municipal corporation shall be completed and filed 28017
by every taxpayer for any taxable year for which the taxpayer is 28018
liable for the tax. If the total credit allowed against the tax as 28019
described in division (D) of section 718.04 of the Revised Code 28020
for the year is equal to or exceeds the tax imposed by the 28021
municipal corporation, no return shall be required unless the 28022
municipal ordinance or resolution levying the tax requires the 28023
filing of a return in such circumstances. 28024

(B) If an individual is deceased, any return or notice 28025
required of that individual shall be completed and filed by that 28026
decedent's executor, administrator, or other person charged with 28027
the property of that decedent. 28028

(C) If an individual is unable to complete and file a return 28029
or notice required by a municipal corporation in accordance with 28030
this chapter, the return or notice required of that individual 28031
shall be completed and filed by the individual's duly authorized 28032
agent, guardian, conservator, fiduciary, or other person charged 28033
with the care of the person or property of that individual. 28034

(D) Returns or notices required of an estate or a trust shall 28035
be completed and filed by the fiduciary of the estate or trust. 28036

(E) No municipal corporation shall deny spouses the ability 28037
to file a joint return. 28038

(F)(1) Each return required to be filed under this section 28039
shall contain the signature of the taxpayer or the taxpayer's duly 28040
authorized agent and of the person who prepared the return for the 28041
taxpayer, and shall include the taxpayer's social security number 28042
or taxpayer identification number. Each return shall be verified 28043
by a declaration under penalty of perjury. 28044

(2) A tax administrator may require a taxpayer who is an 28045
individual to include, with each annual return, amended return, or 28046
request for refund required under this section, copies of only the 28047
following documents: all of the taxpayer's Internal Revenue 28048
Service form W-2, "Wage and Tax Statements," including all 28049
information reported on the taxpayer's federal W-2, as well as 28050
taxable wages reported or withheld for any municipal corporation; 28051
the taxpayer's Internal Revenue Service form 1040 or, in the case 28052
of a return or request required by a qualified municipal 28053
corporation, Ohio form IT-1040; and, with respect to an amended 28054
tax return or refund request, any other documentation necessary to 28055
support the refund request or the adjustments made in the amended 28056
return. An individual taxpayer who files the annual return 28057
required by this section electronically is not required to provide 28058
paper copies of any of the foregoing to the tax administrator 28059
unless the tax administrator requests such copies after the return 28060
has been filed. 28061

(3) A tax administrator may require a taxpayer that is not an 28062
individual to include, with each annual net profit return, amended 28063
net profit return, or request for refund required under this 28064
section, copies of only the following documents: the taxpayer's 28065
Internal Revenue Service form 1041, form 1065, form 1120, form 28066
1120-REIT, form 1120F, or form 1120S, and, with respect to an 28067
amended tax return or refund request, any other documentation 28068
necessary to support the refund request or the adjustments made in 28069
the amended return. 28070

A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio business gateway or in some other manner shall either mail the documents required under this division to the tax administrator at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio business gateway. The department of taxation shall publish a method of electronically submitting the documents required under this division through the Ohio business gateway on or before January 1, 2016. The department shall transmit all documents submitted electronically under this division to the appropriate tax administrator.

(4) After a taxpayer files a tax return, the tax administrator may request, and the taxpayer shall provide, any information, statements, or documents required by the municipal corporation to determine and verify the taxpayer's municipal income tax liability. The requirements imposed under division (F) of this section apply regardless of whether the taxpayer files on a generic form or on a form prescribed by the tax administrator.

(G)(1)(a) Except as otherwise provided in this chapter, each individual income tax return required to be filed under this section shall be completed and filed as required by the tax administrator on or before the date prescribed for the filing of state individual income tax returns under division (G) of section 5747.08 of the Revised Code. The taxpayer shall complete and file the return or notice on forms prescribed by the tax administrator or on generic forms, together with remittance made payable to the municipal corporation or tax administrator. No remittance is required if the amount shown to be due is ten dollars or less. A municipal corporation shall not require a qualifying employee whose income consists exclusively of exempt income described in division (C)(20)(b) or (c) of section 718.01 of the Revised Code to file a return under this section.

(b) Except as otherwise provided in this chapter, each annual net profit return required to be filed under this section by a taxpayer that is not an individual shall be completed and filed as required by the tax administrator on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year. The taxpayer shall complete and file the return or notice on forms prescribed by the tax administrator or on generic forms, together with remittance made payable to the municipal corporation or tax administrator. No remittance is required if the amount shown to be due is ten dollars or less.

(2)(a) Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return for a taxpayer that is an individual shall be the fifteenth day of the tenth month after the last day of the taxable year to which the return relates. The extended due date of the municipal income tax return for a taxpayer that is not an individual shall be the fifteenth day of the eleventh month after the last day of the taxable year to which the return relates.

(b) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the tax administrator grant the taxpayer a six-month extension of the date for filing the taxpayer's municipal income tax return. If the request is received by the tax administrator on or before the date the municipal income tax return is due, the tax administrator shall grant the taxpayer's requested extension.

(c) An extension of time to file under division (G)(2) of this section is not an extension of the time to pay any tax due unless the tax administrator grants an extension of that date.

(3) If the tax commissioner extends for all taxpayers the

date for filing state income tax returns under division (G) of 28135
section 5747.08 of the Revised Code, a taxpayer shall 28136
automatically receive an extension for the filing of a municipal 28137
income tax return. The extended due date of the municipal income 28138
tax return shall be the same as the extended due date of the state 28139
income tax return. 28140

(4) If the tax administrator considers it necessary in order 28141
to ensure the payment of the tax imposed by the municipal 28142
corporation in accordance with this chapter, the tax administrator 28143
may require taxpayers to file returns and make payments otherwise 28144
than as provided in this section, including taxpayers not 28145
otherwise required to file annual returns. 28146

(5) If a taxpayer receives an extension for the filing of a 28147
municipal income tax return under division (G)(2), (3), or (4) of 28148
this section, the tax administrator shall not make any inquiry or 28149
send any notice to the taxpayer with regard to the return on or 28150
before the date the taxpayer files the return or on or before the 28151
extended due date to file the return, whichever occurs first. 28152

If a tax administrator violates division (G)(5) of this 28153
section, the municipal corporation shall reimburse the taxpayer 28154
for any reasonable costs incurred to respond to such inquiry or 28155
notice, up to one hundred fifty dollars. 28156

Division (G)(5) of this section does not apply to an 28157
extension received under division (G)(2) of this section if the 28158
tax administrator has actual knowledge that the taxpayer failed to 28159
file for a federal extension as required to receive the extension 28160
under division (G)(2)(a) of this section or failed to file for an 28161
extension under division (G)(2)(b) of this section. 28162

(6) To the extent that any provision in this division 28163
conflicts with any provision in section 718.052 of the Revised 28164
Code, the provision in that section prevails. 28165

(H)(1) For taxable years beginning after 2015, a municipal corporation shall not require a taxpayer to remit tax with respect to net profits if the amount due is less than ten dollars.

(2) Except as provided in division (H)(3) of this section, any taxpayer not required to remit tax to a municipal corporation for a taxable year pursuant to division (H)(1) of this section shall file with the municipal corporation an annual net profit return under division (F)(3) of this section.

(3) A municipal corporation shall not require a person to file a net profit return under this section if the person's income consists exclusively of exempt income described in division (C)(20)(a) of section 718.01 of the Revised Code.

(I)(1) If any report, claim, statement, or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under this chapter is delivered after that period or that date by United States mail to the tax administrator or other municipal official with which the report, claim, statement, or other document is required to be filed, or to which the payment is required to be made, the date of the postmark stamped on the cover in which the report, claim, statement, or other document, or payment is mailed shall be deemed to be the date of delivery or the date of payment. "The date of postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.

(2) If a payment under this chapter is made by electronic funds transfer, the payment shall be considered to be made on the date of the timestamp assigned by the first electronic system receiving that payment.

(J) The amounts withheld by an employer, the agent of an employer, or an other payer as described in section 718.03 of the

Revised Code shall be allowed to the recipient of the compensation 28197
as credits against payment of the tax imposed on the recipient by 28198
the municipal corporation, unless the amounts withheld were not 28199
remitted to the municipal corporation and the recipient colluded 28200
with the employer, agent, or other payer in connection with the 28201
failure to remit the amounts withheld. 28202

(K) Each return required by a municipal corporation to be 28203
filed in accordance with this section shall include a box that the 28204
taxpayer may check to authorize another person, including a tax 28205
return preparer who prepared the return, to communicate with the 28206
tax administrator about matters pertaining to the return. The 28207
return or instructions accompanying the return shall indicate that 28208
by checking the box the taxpayer authorizes the tax administrator 28209
to contact the preparer or other person concerning questions that 28210
arise during the examination or other review of the return and 28211
authorizes the preparer or other person only to provide the tax 28212
administrator with information that is missing from the return, to 28213
contact the tax administrator for information about the 28214
examination or other review of the return or the status of the 28215
taxpayer's refund or payments, and to respond to notices about 28216
mathematical errors, offsets, or return preparation that the 28217
taxpayer has received from the tax administrator and has shown to 28218
the preparer or other person. 28219

(L) The tax administrator of a municipal corporation shall 28220
accept for filing a generic form of any income tax return, report, 28221
or document required by the municipal corporation in accordance 28222
with this chapter, provided that the generic form, once completed 28223
and filed, contains all of the information required by ordinance, 28224
resolution, or rules adopted by the municipal corporation or tax 28225
administrator, and provided that the taxpayer or tax return 28226
preparer filing the generic form otherwise complies with the 28227
provisions of this chapter and of the municipal corporation 28228

ordinance or resolution governing the filing of returns, reports, 28229
or documents. 28230

(M) When income tax returns, reports, or other documents 28231
require the signature of a tax return preparer, the tax 28232
administrator shall accept a facsimile of such a signature in lieu 28233
of a manual signature. 28234

(N)(1) As used in this division, "worksite location" has the 28235
same meaning as in section 718.011 of the Revised Code. 28236

(2) A person may notify a tax administrator that the person 28237
does not expect to be a taxpayer with respect to the municipal 28238
corporation for a taxable year if both of the following conditions 28239
apply: 28240

(a) The person was required to file a tax return with the 28241
municipal corporation for the immediately preceding taxable year 28242
because the person performed services at a worksite location 28243
within that municipal corporation. 28244

(b) The person no longer provides services in the municipal 28245
corporation and does not expect to be subject to the municipal 28246
corporation's income tax for the taxable year. 28247

The person shall provide the notice in a signed affidavit 28248
that briefly explains the person's circumstances, including the 28249
location of the previous worksite location and the last date on 28250
which the person performed services or made any sales within the 28251
municipal corporation. The affidavit also shall include the 28252
following statement: "The affiant has no plans to perform any 28253
services within the municipal corporation, make any sales in the 28254
municipal corporation, or otherwise become subject to the tax 28255
levied by the municipal corporation during the taxable year. If 28256
the affiant does become subject to the tax levied by the municipal 28257
corporation for the taxable year, the affiant agrees to be 28258
considered a taxpayer and to properly register as a taxpayer with 28259

the municipal corporation if such a registration is required by 28260
the municipal corporation's resolutions, ordinances, or rules." 28261
The person shall sign the affidavit under penalty of perjury. 28262

(c) If a person submits an affidavit described in division 28263
(N)(2) of this section, the tax administrator shall not require 28264
the person to file any tax return for the taxable year unless the 28265
tax administrator possesses information that conflicts with the 28266
affidavit or if the circumstances described in the affidavit 28267
change. Nothing in division (N) of this section prohibits the tax 28268
administrator from performing an audit of the person. 28269

Sec. ~~718.021~~718.17. (A) As used in this section: 28270

(1) "Nonqualified deferred compensation plan" means a 28271
compensation plan described in section 3121(v)(2)(C) of the 28272
Internal Revenue Code. 28273

(2)(a) Except as provided in division (A)(2)(b) of this 28274
section, "qualifying loss" means the excess, if any, of the total 28275
amount of compensation the payment of which is deferred pursuant 28276
to a nonqualified deferred compensation plan over the total amount 28277
of income the taxpayer has recognized for federal income tax 28278
purposes for all taxable years on a cumulative basis as 28279
compensation with respect to the taxpayer's receipt of money and 28280
property attributable to distributions in connection with the 28281
nonqualified deferred compensation plan. 28282

(b) If, for one or more taxable years, the taxpayer has not 28283
paid to one or more municipal corporations income tax imposed on 28284
the entire amount of compensation the payment of which is deferred 28285
pursuant to a nonqualified deferred compensation plan, then the 28286
"qualifying loss" is the product of the amount resulting from the 28287
calculation described in division (A)(2)(a) of this section 28288
computed without regard to division (A)(2)(b) of this section and 28289
a fraction the numerator of which is the portion of such 28290

compensation on which the taxpayer has paid income tax to one or 28291
more municipal corporations and the denominator of which is the 28292
total amount of compensation the payment of which is deferred 28293
pursuant to a nonqualified deferred compensation plan. 28294

(c) With respect to a nonqualified deferred compensation 28295
plan, the taxpayer sustains a qualifying loss only in the taxable 28296
year in which the taxpayer receives the final distribution of 28297
money and property pursuant to that nonqualified deferred 28298
compensation plan. 28299

(3) "Qualifying tax rate" means the applicable tax rate for 28300
the taxable year for which the taxpayer paid income tax to a 28301
municipal corporation with respect to any portion of the total 28302
amount of compensation the payment of which is deferred pursuant 28303
to a nonqualified deferred compensation plan. If different tax 28304
rates applied for different taxable years, then the "qualifying 28305
tax rate" is a weighted average of those different tax rates. The 28306
weighted average shall be based upon the tax paid to the municipal 28307
corporation each year with respect to the nonqualified deferred 28308
compensation plan. 28309

(B)(1) Except as provided in division (D) of this section, a 28310
refundable credit shall be allowed against the income tax imposed 28311
by a municipal corporation for each qualifying loss sustained by a 28312
taxpayer during the taxable year. The amount of the credit shall 28313
be equal to the product of the qualifying loss and the qualifying 28314
tax rate. 28315

(2) A taxpayer shall claim the credit allowed under this 28316
section from each municipal corporation to which the taxpayer paid 28317
municipal income tax with respect to the nonqualified deferred 28318
compensation plan in one or more taxable years. 28319

(3) If a taxpayer has paid tax to more than one municipal 28320
corporation with respect to the nonqualified deferred compensation 28321

plan, the amount of the credit that a taxpayer may claim from each 28322
municipal corporation shall be calculated on the basis of each 28323
municipal corporation's proportionate share of the total municipal 28324
corporation income tax paid by the taxpayer to all municipal 28325
corporations with respect to the nonqualified deferred 28326
compensation plan. 28327

(4) In no case shall the amount of the credit allowed under 28328
this section exceed the cumulative income tax that a taxpayer has 28329
paid to a municipal corporation for all taxable years with respect 28330
to the nonqualified deferred compensation plan. 28331

(C)(1) For purposes of this section, municipal corporation 28332
income tax that has been withheld with respect to a nonqualified 28333
deferred compensation plan shall be considered to have been paid 28334
by the taxpayer with respect to the nonqualified deferred 28335
compensation plan. 28336

(2) Any municipal income tax that has been refunded or 28337
otherwise credited for the benefit of the taxpayer with respect to 28338
a nonqualified deferred compensation plan shall not be considered 28339
to have been paid to the municipal corporation by the taxpayer. 28340

(D) The credit allowed under this section is allowed only to 28341
the extent the taxpayer's qualifying loss is attributable to: 28342

(1) The insolvency or bankruptcy of the employer who had 28343
established the nonqualified deferred compensation plan; or 28344

(2) The employee's failure or inability to satisfy all of the 28345
employer's terms and conditions necessary to receive the 28346
nonqualified deferred compensation. 28347

Sec. 718.27. (A) As used in this section: 28348

(1) "Applicable law" means this chapter, the resolutions, 28349
ordinances, codes, directives, instructions, and rules adopted by 28350
a municipal corporation provided such resolutions, ordinances, 28351

codes, directives, instructions, and rules impose or directly or 28352
indirectly address the levy, payment, remittance, or filing 28353
requirements of a municipal income tax. 28354

(2) "Income tax," "estimated income tax," and "withholding 28355
tax" means any income tax, estimated income tax, and withholding 28356
tax imposed by a municipal corporation pursuant to applicable law, 28357
including at any time before January 1, 2016. 28358

(3) A "return" includes any tax return, report, 28359
reconciliation, schedule, and other document required to be filed 28360
with a tax administrator or municipal corporation by a taxpayer, 28361
employer, any agent of the employer, or any other payer pursuant 28362
to applicable law, including at any time before January 1, 2016. 28363

(4) "Federal short-term rate" means the rate of the average 28364
market yield on outstanding marketable obligations of the United 28365
States with remaining periods to maturity of three years or less, 28366
as determined under section 1274 of the Internal Revenue Code, for 28367
July of the current year. 28368

(5) "Interest rate as described in division (A) of this 28369
section" means the federal short-term rate, rounded to the nearest 28370
whole number per cent, plus five per cent. The rate shall apply 28371
for the calendar year next following the July of the year in which 28372
the federal short-term rate is determined in accordance with 28373
division (A)(4) of this section. 28374

(6) "Unpaid estimated income tax" means estimated income tax 28375
due but not paid by the date the tax is required to be paid under 28376
applicable law. 28377

(7) "Unpaid income tax" means income tax due but not paid by 28378
the date the income tax is required to be paid under applicable 28379
law. 28380

(8) "Unpaid withholding tax" means withholding tax due but 28381
not paid by the date the withholding tax is required to be paid 28382

under applicable law. 28383

(9) "Withholding tax" includes amounts an employer, any agent 28384
of an employer, or any other payer did not withhold in whole or in 28385
part from an employee's qualifying wages, but that, under 28386
applicable law, the employer, agent, or other payer is required to 28387
withhold from an employee's qualifying wages. 28388

(B)(1) This section applies to the following: 28389

(a) Any return required to be filed under applicable law for 28390
taxable years beginning on or after January 1, 2016; 28391

(b) Income tax, estimated income tax, and withholding tax 28392
required to be paid or remitted to the municipal corporation on or 28393
after January 1, 2016. 28394

(2) This section does not apply to returns required to be 28395
filed or payments required to be made before January 1, 2016, 28396
regardless of the filing or payment date. Returns required to be 28397
filed or payments required to be made before January 1, 2016, but 28398
filed or paid after that date shall be subject to the ordinances 28399
or rules, as adopted before January 1, 2016, of the municipal 28400
corporation to which the return is to be filed or the payment is 28401
to be made. 28402

(C) Each municipal corporation levying a tax on income may 28403
impose on a taxpayer, employer, any agent of the employer, and any 28404
other payer, and must attempt to collect, the interest amounts and 28405
penalties prescribed under division (C) of this section when the 28406
taxpayer, employer, any agent of the employer, or any other payer 28407
for any reason fails, in whole or in part, to make to the 28408
municipal corporation timely and full payment or remittance of 28409
income tax, estimated income tax, or withholding tax or to file 28410
timely with the municipal corporation any return required to be 28411
filed. 28412

(1) Interest shall be imposed at the rate described in 28413

division (A) of this section, per annum, on all unpaid income tax, 28414
unpaid estimated income tax, and unpaid withholding tax. 28415

(2)(a) With respect to unpaid income tax and unpaid estimated 28416
income tax, a municipal corporation may impose a penalty equal to 28417
fifteen per cent of the amount not timely paid. 28418

(b) With respect to any unpaid withholding tax, a municipal 28419
corporation may impose a penalty not exceeding fifty per cent of 28420
the amount not timely paid. 28421

(3) With respect to returns other than estimated income tax 28422
returns, a municipal corporation may impose a penalty ~~of not~~ 28423
exceeding twenty-five dollars for each failure to timely file each 28424
return, regardless of the liability shown thereon ~~for each month,~~ 28425
~~or any fraction thereof, during which the return remains unfiled~~ 28426
~~regardless of the liability shown thereon. The penalty shall not~~ 28427
~~exceed one hundred fifty dollars for each failure, except that a~~ 28428
municipal corporation shall abate or refund the penalty assessed 28429
on a taxpayer's first failure to timely file a return after the 28430
taxpayer files that return. 28431

(D)(1) With respect to the income taxes, estimated income 28432
taxes, withholding taxes, and returns, no municipal corporation 28433
shall impose, seek to collect, or collect any penalty, amount of 28434
interest, charges, or additional fees not described in this 28435
section. 28436

(2) With respect to the income taxes, estimated income taxes, 28437
withholding taxes, and returns not described in division (A) of 28438
this section, nothing in this section requires a municipal 28439
corporation to refund or credit any penalty, amount of interest, 28440
charges, or additional fees that the municipal corporation has 28441
properly imposed or collected before January 1, 2016. 28442

(E) Nothing in this section limits the authority of a 28443
municipal corporation to abate or partially abate penalties or 28444

interest imposed under this section when the tax administrator 28445
determines, in the tax administrator's sole discretion, that such 28446
abatement is appropriate. 28447

(F) By the thirty-first day of October of each year the 28448
municipal corporation shall publish the rate described in division 28449
(A) of this section applicable to the next succeeding calendar 28450
year. 28451

(G) The municipal corporation may impose on the taxpayer, 28452
employer, any agent of the employer, or any other payer the 28453
municipal corporation's post-judgment collection costs and fees, 28454
including attorney's fees. 28455

Sec. 718.80. (A) A taxpayer may elect to be subject to 28456
sections 718.80 to 718.95 of the Revised Code in lieu of the 28457
provisions set forth in the remainder of this chapter. 28458
Notwithstanding any other provision of this chapter, upon the 28459
taxpayer's election, both of the following shall apply: 28460

(1) The tax commissioner shall serve as the sole 28461
administrator of each municipal income tax for which the taxpayer 28462
is liable for the term of the election; 28463

(2) The commissioner shall administer the tax pursuant to 28464
sections 718.80 to 718.95 of the Revised Code and any applicable 28465
provision of Chapter 5703. of the Revised Code. 28466

(B)(1) A taxpayer shall make the initial election on or 28467
before the fifteenth day of the fourth month after the beginning 28468
of the taxpayer's taxable year by providing to the tax 28469
commissioner a list of all municipal corporations in which the 28470
taxpayer conducted business during the previous taxable year, on a 28471
form prescribed by the tax commissioner. 28472

(2) At least quarterly, the tax commissioner shall notify 28473
each municipal corporation that a taxpayer lists in its election 28474

under division (B)(1) of this section that the taxpayer has made 28475
the election. 28476

(3)(a) The election, once made by the taxpayer, applies to 28477
the taxable year in which the election is made and to each 28478
subsequent taxable year until the taxpayer notifies the tax 28479
commissioner of its termination of the election. 28480

(b) A notification of termination shall be made, on a form 28481
prescribed by the tax commissioner, on or before the fifteenth day 28482
of the fourth month of any taxable year. 28483

(c) Upon a timely and valid termination of the election, the 28484
taxpayer is no longer subject to sections 718.80 to 718.95 of the 28485
Revised Code, and is instead subject to the provisions set forth 28486
in the remainder of this chapter. 28487

(d) At least quarterly, the tax commissioner shall notify 28488
each municipal corporation reported on a taxpayer's most recent 28489
return or declaration filed with the commissioner of the 28490
taxpayer's termination of its election. 28491

(4) The tax commissioner shall provide to all municipal 28492
corporations imposing a tax on income on or after January 1, 2018, 28493
a list of taxpayers that are subject to sections 718.80 to 718.95 28494
of the Revised Code, including the taxpayers' names, addresses, 28495
and federal employee identification numbers. The list shall be 28496
made available via the portal created under section 718.841 of the 28497
Revised Code. 28498

(C)(1)(a) On or before the thirty-first day of January each 28499
year, each municipal corporation imposing a tax on income shall 28500
certify to the tax commissioner the rate of the tax in effect on 28501
the first day of January of that year. 28502

(b) If, after the thirty-first day of January of any year, 28503
~~the electors of a municipal corporation approve an increase in~~ 28504
changes the rate of the municipal corporation's tax on income such 28505

that a new rate takes effect within that year, the municipal 28506
corporation shall certify to the tax commissioner the new rate of 28507
tax not less than sixty days before the effective date of the 28508
~~increase~~ new rate, after which effective date the commissioner 28509
shall apply the ~~increased~~ new rate. 28510

(2) A municipal corporation that receives a notification 28511
under division (B)(2) of this section shall submit to the tax 28512
commissioner, on a form prescribed by the commissioner and within 28513
the time prescribed by division (C)(3) of this section, the 28514

affiliated group of corporations included on the taxpayer's 28516

carryforward; 28526

(d) Any overpayments of tax that the taxpayer has elected to 28527
carry forward to a subsequent tax year; 28528

(e) Any other information the municipal corporation deems 28529
relevant in order to effectuate the tax commissioner's efficient 28530
administration of the tax on the municipal corporation's behalf. 28531

(3) A municipal corporation shall submit the information 28532
required under division (C)(2) of this section to the tax 28533
commissioner within ninety days after the taxpayer files its final 28534
return or within fifteen days after the end of the taxable year 28535
for which the taxpayer made the initial election under division 28536

(B)(1) of this section, whichever occurs first. For the purposes 28537
of this section, "final return" means the return filed with the 28538
municipal corporation for the taxable year immediately preceding 28539
the taxable year for which the taxpayer made the election under 28540
division (B)(1) of this section. 28541

(4) If any municipal corporation fails to timely comply with 28542
division (C)(1), (2), or (3) of this section, the tax commissioner 28543
may notify the director of budget and management, who, upon 28544
receiving such notification, shall withhold a portion of each 28545
payment made to the municipal corporation under section 718.83 of 28546
the Revised Code. The commissioner shall specify the percentage of 28547
the payment to be withheld, not to exceed fifty per cent of the 28548
amount of the payment otherwise due to the municipal corporation 28549
under that section. The director shall compute the withholding on 28550
the basis of the tax rate most recently certified to the tax 28551
commissioner until the municipal corporation complies with 28552
divisions (C)(1), (2), and (3) of this section. 28553

If, after any such withholding, the municipal corporation 28554
complies with divisions (C)(1), (2), and (3) of this section, the 28555
tax commissioner shall notify the director of budget and 28556
management, who shall provide payment to the municipal corporation 28557
under section 718.83 of the Revised Code of such amounts withheld 28558
under this division. 28559

(D) The tax commissioner shall enforce and administer 28560
sections 718.80 to 718.95 of the Revised Code. In addition to any 28561
other powers conferred upon the tax commissioner by law, the tax 28562
commissioner may: 28563

(1) Prescribe all forms necessary to administer those 28564
sections; 28565

(2) Adopt such rules as the tax commissioner finds necessary 28566
to carry out those sections; 28567

(3) Appoint and employ such personnel as are necessary to 28568
carry out the duties imposed upon the tax commissioner by those 28569
sections. 28570

(E) No tax administrator shall utilize sections 718.81 to 28571
718.95 of the Revised Code in the administrator's administration 28572
of a municipal income tax, and those sections shall not be applied 28573
to any taxpayer that has not made the election under this section. 28574

(F) Nothing in this chapter shall be construed to make any 28575
section of this chapter, other than sections 718.01 and 718.80 to 28576
718.95 of the Revised Code, applicable to the tax commissioner's 28577
administration of a municipal income tax or to any taxpayer that 28578
has made the election under this section. 28579

(G) The tax commissioner shall not be considered a tax 28580
administrator, as that term is defined in section 718.01 of the 28581
Revised Code. 28582

Sec. 718.82. This section applies to any taxpayer that is 28583
engaged in a business or profession in a municipal corporation and 28584
that has made the election under section 718.80 of the Revised 28585
Code. 28586

(A) Except as otherwise provided in section 718.821 of the 28587
Revised Code and division (B) of this section, net profit from a 28588
business or profession conducted both within and without the 28589
boundaries of a municipal corporation shall be considered as 28590
having a taxable situs in the municipal corporation for purposes 28591
of municipal income taxation in the same proportion as the average 28592
ratio of the following: 28593

(1) The average original cost of the real property and 28594
tangible personal property owned or used by the taxpayer in the 28595
business or profession in the municipal corporation during the 28596
taxable period to the average original cost of all of the real and 28597

tangible personal property owned or used by the taxpayer in the 28598
business or profession during the same period, wherever situated. 28599

As used in the preceding paragraph, tangible personal or real 28600
property shall include property rented or leased by the taxpayer 28601
and the value of such property shall be determined by multiplying 28602
the annual rental thereon by eight; 28603

(2) Wages, salaries, and other compensation paid during the 28604
taxable period to individuals employed in the business or 28605
profession for services performed in the municipal corporation to 28606
wages, salaries, and other compensation paid during the same 28607
period to individuals employed in the business or profession, 28608
wherever the individual's services are performed, excluding 28609
compensation from which taxes are not required to be withheld 28610
under section 718.011 of the Revised Code; 28611

(3) Total gross receipts of the business or profession from 28612
sales and rentals made and services performed during the taxable 28613
period in the municipal corporation to total gross receipts of the 28614
business or profession during the same period from sales, rentals, 28615
and services, wherever made or performed. 28616

(B)(1) If the apportionment factors described in division (A) 28617
of this section do not fairly represent the extent of a taxpayer's 28618
business activity in a municipal corporation, the taxpayer may 28619
request, or the tax commissioner may require, that the taxpayer 28620
use, with respect to all or any portion of the income of the 28621
taxpayer, an alternative apportionment method involving one or 28622
more of the following: 28623

(a) Separate accounting; 28624

(b) The exclusion of one or more of the factors; 28625

(c) The inclusion of one or more additional factors that 28626
would provide for a more fair apportionment of the income of the 28627
taxpayer to the municipal corporation; 28628

(d) A modification of one or more of the factors.	28629
(2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. The taxpayer may use the requested alternative method unless the tax commissioner denies the request in an assessment issued within the period prescribed by division (A) of section 718.90 of the Revised Code.	28630 28631 28632 28633 28634 28635 28636
(3) The tax commissioner may require a taxpayer to use an alternative apportionment method as described in division (B)(1) of this section only by issuing an assessment to the taxpayer within the period prescribed by division (A) of section 718.90 of the Revised Code.	28637 28638 28639 28640 28641
(C) As used in division (A)(2) of this section, "wages, salaries, and other compensation" includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:	28642 28643 28644 28645
(1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:	28646 28647
(a) The employer;	28648
(b) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;	28649 28650 28651
(c) A vendor, customer, client, or patient of a person described in division (C)(1)(b) of this section, or a related member of such a vendor, customer, client, or patient.	28652 28653 28654
(2) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for	28655 28656 28657 28658

services performed for, or on behalf of, the employer or that the 28659
employee's presence at the location directly or indirectly 28660
benefits the employer; 28661

(3) Any other location, if the tax commissioner determines 28662
that the employer directed the employee to perform the services at 28663
the other location in lieu of a location described in division 28664
(C)(1) or (2) of this section solely in order to avoid or reduce 28665
the employer's municipal income tax liability. If the tax 28666
commissioner makes such a determination, the employer may dispute 28667
the determination by establishing, by a preponderance of the 28668
evidence, that the tax commissioner's determination was 28669
unreasonable. 28670

(D) For the purposes of division (A)(3) of this section, and 28671
except as provided in section 718.821 of the Revised Code, 28672
receipts from sales and rentals made and services performed shall 28673
be sitused to a municipal corporation as follows: 28674

(1) Gross receipts from the sale of tangible personal 28675
property shall be sitused to the municipal corporation only if, 28676
regardless of where title passes, the property meets either of the 28677
following criteria: 28678

(a) The property is shipped to or delivered within the 28679
municipal corporation from a stock of goods located within the 28680
municipal corporation. 28681

(b) The property is delivered within the municipal 28682
corporation from a location outside the municipal corporation, 28683
provided the taxpayer is regularly engaged through its own 28684
employees in the solicitation or promotion of sales within such 28685
municipal corporation and the sales result from such solicitation 28686
or promotion. 28687

(2) Gross receipts from the sale of services shall be sitused 28688
to the municipal corporation to the extent that such services are 28689

performed in the municipal corporation. 28690

(3) To the extent included in income, gross receipts from the 28691
sale of real property located in the municipal corporation shall 28692
be sitused to the municipal corporation. 28693

(4) To the extent included in income, gross receipts from 28694
rents and royalties from real property located in the municipal 28695
corporation shall be sitused to the municipal corporation. 28696

(5) Gross receipts from rents and royalties from tangible 28697
personal property shall be sitused to the municipal corporation 28698
based upon the extent to which the tangible personal property is 28699
used in the municipal corporation. 28700

(E) Commissions received by a real estate agent or broker 28701
relating to the sale, purchase, or lease of real estate shall be 28702
sitused to the municipal corporation in which the real estate is 28703
located. Net profit reported by the real estate agent or broker 28704
shall be allocated to a municipal corporation based upon the ratio 28705
of the commissions the agent or broker received from the sale, 28706
purchase, or lease of real estate located in the municipal 28707
corporation to the commissions received from the sale, purchase, 28708
or lease of real estate everywhere in the taxable year. 28709

(F) If, in computing a taxpayer's adjusted federal taxable 28710
income, the taxpayer deducted any amount with respect to a stock 28711
option granted to an employee, ~~and if the employee is not required~~ 28712
~~to include in the employee's income any such amount or a portion~~ 28713
~~thereof because it is exempted from taxation under divisions~~ 28714
~~(C)(12) and (R)(1)(d) of section 718.01 of the Revised Code by a~~ 28715
~~municipal corporation to which the taxpayer has apportioned a~~ 28716
~~portion of its net profit,~~ the taxpayer shall add the amount that 28717
is exempt from taxation to the taxpayer's net profit that was 28718
apportioned to that municipal corporation. In no case shall a 28719
taxpayer be required to add to its net profit that was apportioned 28720

to that municipal corporation any amount other than the amount 28721
upon which the employee would be required to pay tax were the 28722
amount related to the stock option not exempted from taxation. 28723

This division applies solely for the purpose of making an 28724
adjustment to the amount of a taxpayer's net profit that was 28725
apportioned to a municipal corporation under this section. 28726

(G) When calculating the ratios described in division (A) of 28727
this section for the purposes of that division or division (B) of 28728
this section, the owner of a disregarded entity shall include in 28729
the owner's ratios the property, payroll, and gross receipts of 28730
such disregarded entity. 28731

Sec. 718.821. (A) Terms used in this section have the same 28732
meanings as in section 718.021 of the Revised Code. 28733

(B) A taxpayer may elect to apply the provisions of this 28734
section to the apportionment of its net profit from a business or 28735
profession. For taxpayers that make this election, the provisions 28736
of section 718.82 of the Revised Code apply to such apportionment 28737
except as otherwise provided in this section. 28738

A taxpayer shall make the election allowed under this section 28739
by notifying the tax commissioner in writing on or with the 28740
taxpayer's net profit return or, if applicable, a timely filed 28741
amended net profit return or a timely filed appeal of an 28742
assessment. The election applies to the taxable year for which 28743
that return or appeal is filed and for all subsequent taxable 28744
years, until the taxpayer revokes the election. After the taxpayer 28745
makes the initial election, the election applies to every 28746
municipal corporation in which the taxpayer conducts business. 28747

Nothing in this section prohibits a taxpayer from making a 28748
new election under this section after properly revoking a prior 28749
election. 28750

(C) For the purpose of calculating the ratios described in 28751
division (A) of section 718.82 of the Revised Code, all of the 28752
following apply to a taxpayer that has made the election described 28753
in division (B) of this section: 28754

(1) For the purpose of division (A)(1) of section 718.82 of 28755
the Revised Code, the average original cost of any tangible 28756
personal property used by a qualifying remote employee or owner at 28757
that individual's qualifying remote work location shall be sitused 28758
to that individual's qualifying reporting location. 28759

(2) For the purpose of division (A)(2) of section 718.82 of 28760
the Revised Code, any wages, salaries, and other compensation paid 28761
during the taxable period to a qualifying remote employee or owner 28762
for services performed at that individual's qualifying remote work 28763
location shall be sitused to that individual's qualifying 28764
reporting location. 28765

(3) For the purpose of division (A)(3) of section 718.82 of 28766
the Revised Code, and notwithstanding division (D) of that 28767
section, any gross receipts of the business or profession from 28768
services performed during the taxable period by a qualifying 28769
remote employee or owner for services performed at that 28770
individual's qualifying remote work location shall be sitused to 28771
that individual's qualifying reporting location. 28772

(D) Nothing in this section prevents a taxpayer from 28773
requesting, or the tax commissioner from requiring, that the 28774
taxpayer use, with respect to all or a portion of the income of 28775
the taxpayer, an alternative apportionment method as described in 28776
division (B) of section 718.82 of the Revised Code. However, the 28777
commissioner shall not require an alternative apportionment method 28778
in such a manner that it would cause a taxpayer to incur tax 28779
liability in a municipal corporation solely because a qualifying 28780
remote employee's or owner's qualifying remote work location is 28781
located in that municipal corporation. 28782

(E) Except as otherwise provided in this section, nothing in this section is intended to affect the withholding of taxes on qualifying wages pursuant to sections 718.011 and 718.03 of the Revised Code.

Sec. 718.84. (A) Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by sections 718.80 to 718.95 of the Revised Code is confidential, and no person shall disclose such information, except for official purposes, in accordance with a proper judicial order, or as provided in section 4123.271 or 5703.21 of the Revised Code. The tax commissioner may furnish the internal revenue service with copies of returns filed. This section does not prohibit the publication of statistics in a form which does not disclose information with respect to particular taxpayers.

(B) In May and ~~November~~ December of each year, the tax commissioner shall provide each tax administrator with the following information for every taxpayer that ~~filed~~ had municipal taxable income apportionable to the municipal corporation under this chapter on tax returns filed with the commissioner under sections 718.80 to 718.95 of the Revised Code ~~and that had municipal taxable income apportionable to the municipal corporation under this chapter for any prior year in the preceding five or seven months, respectively:~~

(1) The taxpayer's name, address, and federal employer identification number;

(2) The taxpayer's apportionment ratio for, and amount of municipal taxable income apportionable to, the municipal corporation pursuant to section 718.82 of the Revised Code;

(3) The amount of any pre-2017 net operating loss carryforward utilized by the taxpayer;

(4) Whether the taxpayer requested that any overpayment be carried forward to a future taxable year;	28813 28814
(5) The amount of any credit claimed under section 718.94 of the Revised Code.	28815 28816
(C) Not later than thirty days after each distribution made to municipal corporations under section 718.83 of the Revised Code, the tax commissioner shall provide to each municipal corporation a report stating the name and federal identification number of every taxpayer that made estimated payments that are attributable to the municipal corporation and the amount of each such taxpayer's estimated payment.	28817 28818 28819 28820 28821 28822 28823
(D) Not later than the thirty-first day of January of each year, every municipal corporation having taxpayers that have made the election allowed under section 718.80 of the Revised Code shall provide to the tax commissioner, in a format prescribed by the commissioner, the name and mailing address of up to two persons to whom the municipal corporation requests that the commissioner send the information described in divisions (B) and (C) of this section. The commissioner shall not provide such information to any person other than a person who is designated to receive the information under this section and who is employed by the municipal corporation or by a tax administrator, as defined in section 718.01 of the Revised Code, that administers the municipal corporation's income tax, except as may otherwise be provided by law.	28824 28825 28826 28827 28828 28829 28830 28831 28832 28833 28834 28835 28836 28837
(E)(1) The tax commissioner may adopt rules that further govern the terms and conditions under which tax returns filed with the commissioner under this chapter, and any other information gained in the performance of the commissioner's duties prescribed by this chapter, shall be available for inspection by properly authorized officers, employees, or agents of the municipal corporations to which the taxpayer's net profit is apportioned	28838 28839 28840 28841 28842 28843 28844

under section 718.82 of the Revised Code. 28845

(2) As used in this division, "properly authorized officer,
employee, or agent" means an officer, employee, or agent of a
municipal corporation who is authorized by charter or ordinance of
the municipal corporation to view or possess information referred
to in section 718.13 of the Revised Code. 28846
28847
28848
28849
28850

(F)(1) If, upon receiving the information described in 28851
division (B) of section 718.91 of the Revised Code or division (B)
or (C) of this section, a municipal corporation discovers that it 28852
has additional information in its possession that could result in 28853
a change to a taxpayer's tax liability, the municipal corporation 28854
may refer the taxpayer to the tax commissioner for an audit. Such 28855
referral shall be made on a form prescribed by the commissioner 28856
and shall include any information that forms the basis for the 28857
referral. 28858
28859

(2) Upon receipt of a referral under division (F)(1) of this 28860
section, the commissioner shall review the referral and may 28861
conduct an audit of the taxpayer that is the subject of the 28862
referral based on the information in the referral and any other 28863
relevant information available to the commissioner. 28864

(3) Nothing in division (F) of this section shall be 28865
construed as forming the sole basis upon which the commissioner 28866
may conduct an audit of a taxpayer. 28867

(4) Nothing in this chapter shall prohibit a municipal 28868
corporation from filing a writ of mandamus if the municipal 28869
corporation believes that the commissioner has violated the 28870
commissioner's fiduciary duty as the administrator of the tax 28871
levied by the municipal corporation. 28872

Sec. 718.85. (A)(1) For each taxable year, every taxpayer 28873
shall file an annual return. Such return, along with the amount of 28874

tax shown to be due on the return less the amount paid for the 28875
taxable year under section 718.88 of the Revised Code, shall be 28876
submitted to the tax commissioner, on a form and in the manner 28877
prescribed by the commissioner, on or before the fifteenth day of 28878
the fourth month following the end of the taxpayer's taxable year. 28879

(2) The remittance shall be made payable to the treasurer of 28880
state and in the form prescribed by the tax commissioner. If the 28881
amount payable with the tax return is ten dollars or less, no 28882
remittance is required. 28883

(B) The tax commissioner shall immediately forward to the 28884
treasurer of state all amounts the commissioner receives pursuant 28885
to sections 718.80 to 718.95 of the Revised Code. The treasurer 28886
shall credit such amounts to the municipal net profit tax fund 28887
which is hereby created in the state treasury. 28888

(C)(1) Each return required to be filed under this section 28889
shall contain the signature of the taxpayer or the taxpayer's duly 28890
authorized agent and of the person who prepared the return for the 28891
taxpayer, and shall include the taxpayer's identification number. 28892
Each return shall be verified by a declaration under penalty of 28893
perjury. 28894

(2)(a) The tax commissioner may require a taxpayer to 28895
include, with each annual tax return, amended return, or request 28896
for refund filed with the commissioner under sections 718.80 to 28897
718.95 of the Revised Code, copies of any relevant documents or 28898
other information. 28899

(b) A taxpayer that files an annual tax return electronically 28900
through the Ohio business gateway or in another manner as 28901
prescribed by the tax commissioner shall either submit the 28902
documents required under this division electronically as 28903
prescribed at the time of filing or, if electronic submission is 28904
not available, mail the documents to the tax commissioner. The 28905

department of taxation shall publish a method of electronically 28906
submitting the documents required under this division on or before 28907
January 1, 2019. 28908

(3) After a taxpayer files a tax return, the tax commissioner 28909
may request, and the taxpayer shall provide, any information, 28910
statements, or documents required to determine and verify the 28911
taxpayer's municipal income tax. 28912

(D)(1)(a) Any taxpayer that has duly requested an automatic 28913
extension for filing the taxpayer's federal income tax return 28914
shall automatically receive an extension for the filing of a tax 28915
return with the commissioner under this section. The extended due 28916
date of the return shall be the fifteenth day of the ~~tenth~~ 28917
eleventh month after the last day of the taxable year to which the 28918
return relates. 28919

(b) A taxpayer that has not requested or received a six-month 28920
extension for filing the taxpayer's federal income tax return may 28921
request that the commissioner grant the taxpayer a six-month 28922
extension of the date for filing the taxpayer's ~~municipal income~~ 28923
tax return. If the commissioner receives the request on or before 28924
the date the ~~municipal income~~ tax return is due, the commissioner 28925
shall grant the taxpayer's extension request. 28926

(c) An extension of time to file under division (D)(1) of 28927
this section is not an extension of the time to pay any tax due 28928
unless the tax commissioner grants an extension of that date. 28929

(2) If the commissioner considers it necessary in order to 28930
ensure payment of a tax imposed in accordance with section 718.04 28931
of the Revised Code, the commissioner may require taxpayers to 28932
file returns and make payments otherwise than as provided in this 28933
section, including taxpayers not otherwise required to file annual 28934
returns. 28935

(3) If a taxpayer receives an extension for the filing of a 28936

tax return under division (D)(1) or (2) of this section, the 28937
commissioner shall not make any inquiry or send any notice to the 28938
taxpayer with regard to the return on or before the date the 28939
taxpayer files the return or on or before the extended due date to 28940
file the return, whichever occurs first. 28941

Division (D)(3) of this section does not apply to an 28942
extension received under division (D)(1) of this section if the 28943
commissioner has actual knowledge that the taxpayer failed to file 28944
for a federal extension as required to receive the extension under 28945
division (D)(1)(a) of this section or failed to file for an 28946
extension under division (D)(1)(b) of this section. 28947

(E) Each return required to be filed in accordance with this 28948
section shall include a box that the taxpayer may check to 28949
authorize another person, including a tax return preparer who 28950
prepared the return, to communicate with the tax commissioner 28951
about matters pertaining to the return. The return or instructions 28952
accompanying the return shall indicate that by checking the box 28953
the taxpayer authorizes the commissioner to contact the preparer 28954
or other person concerning questions that arise during the 28955
examination or other review of the return and authorizes the 28956
preparer or other person only to provide the commissioner with 28957
information that is missing from the return, to contact the 28958

section.	29759
(B)(1) If the director or the director's authorized	29760
representative determines that a dog is being kept by a high	29761
volume breeder or dog broker in a manner that materially violates	29762
this chapter or rules adopted under it, the director may impound	29763
the dog and order it to be seized by an animal rescue for dogs, an	29764
animal shelter for dogs, a boarding kennel, a veterinarian, a	29765
board of county commissioners, or a humane society with which the	29766
director has entered into a contract or agreement under division	29767
(A) of this section. Upon receiving the order from the director,	29768
the animal rescue for dogs, animal shelter for dogs, boarding	29769
kennel, veterinarian, board of county commissioners, or humane	29770
society shall seize the dog and keep, house, and maintain it.	29771
(2) The director or the director's authorized representative	29772

shall give written notice of the impoundment by posting a notice 29773
on the door of the premises from which the dog was taken or by 29774
otherwise posting the notice in a conspicuous place at the 29775
premises from which the dog was taken. The notice shall provide a 29776
date for an adjudication hearing, which shall take place not later 29777
than five business days after the dog is taken and at which the 29778
director shall determine if the dog should be permanently 29779
relinquished to the custody of the director. 29780

(C) The owner or operator of the applicable high volume 29781
breeder or the person acting as or performing the functions of a 29782
dog broker may appeal the determination made at the adjudication 29783
hearing in accordance with section 119.12 of the Revised Code, 29784
~~except that the appeal may be made only to the environmental~~ 29785
~~division of the Franklin county municipal court.~~ 29786

(D) If, after the final disposition of an adjudication 29787
hearing and any appeals from that adjudication hearing, it is 29788
determined that a dog shall be permanently relinquished to the 29789
custody of the director, the dog may be adopted directly from the 29790
animal rescue for dogs, animal shelter for dogs, boarding kennel, 29791
veterinarian, county dog pound, or humane society where it is 29792
being kept, housed, and maintained, provided that the dog has been 29793
spayed or neutered unless there are medical reasons against 29794
spaying or neutering as determined by a veterinarian. The animal 29795
rescue for dogs, animal shelter for dogs, boarding kennel, 29796
veterinarian, county dog pound, or humane society may charge a 29797
reasonable adoption fee. The fee shall be at least sufficient to 29798
cover the costs of spaying or neutering the dog unless it is 29799
medically contraindicated. Impounded dogs shall be returned to 29800
persons acquitted of any alleged violations. 29801

Sec. 956.15. (A) The director of agriculture shall deny an 29802
application for a license that is submitted under section 956.04 29803

or 956.05 of the Revised Code for either of the following reasons: 29804

(1) The applicant for the license has violated any provision 29805
of this chapter or a rule adopted under it if the violation 29806
materially threatens the health or welfare of a dog. 29807

(2) The applicant has been convicted of or pleaded guilty to 29808
a disqualifying offense as determined in accordance with section 29809
9.79 of the Revised Code. 29810

(B) The director may suspend or revoke a license issued under 29811
this chapter for violation of any provision of this chapter or a 29812
rule adopted or order issued under it if the violation materially 29813
threatens the health and welfare of a dog. 29814

(C) An application or a license shall not be denied, 29815
suspended, or revoked under this section without a written order 29816
of the director stating the findings on which the denial, 29817
suspension, or revocation is based. A copy of the order shall be 29818
sent to the applicant or license holder by certified mail or may 29819
be provided to the applicant or license holder by personal 29820
service. In addition, the person to whom a denial, suspension, or 29821
revocation applies may request an adjudication hearing under 29822
Chapter 119. of the Revised Code. The director shall comply with 29823
such a request. The determination of the director at an 29824
adjudication hearing may be appealed in accordance with section 29825
119.12 of the Revised Code, ~~except that the determination may be~~ 29826
~~appealed only to the environmental division of the Franklin county~~ 29827
~~municipal court.~~ 29828

Sec. 993.04. (A)(1) No person shall operate an amusement ride 29914
within the state without a permit issued by the director of 29915
agriculture under division (A)(2) of this section. The owner of an 29916
amusement ride, whether the ride is a temporary amusement ride or 29917
a permanent amusement ride, who desires to operate the amusement 29918
ride within the state shall, prior to the operation of the 29919
amusement ride and annually thereafter, submit to the department 29920
of agriculture an application for a permit, together with the 29921
appropriate permit and inspection fee, on a form to be furnished 29922
by the department. Prior to issuing any permit the department 29923
shall, within thirty days after the date on which it receives the 29924
application, inspect each amusement ride described in the 29925
application. The owner of an amusement ride shall have the 29926
amusement ride ready for inspection not later than two hours after 29927
the time that is requested by the person for the inspection. 29928

(2) For each amusement ride found to comply with the rules 29929
adopted by the director under division (B) of this section and 29930
division (B) of section 993.08 of the Revised Code, the director 29931
shall issue an annual permit, provided that evidence of liability 29932
insurance coverage for the amusement ride as required by section 29933
993.06 of the Revised Code is on file with the department. 29934

(3) The director shall issue with each permit a decal 29935
indicating that the amusement ride has been issued the permit. The 29936
owner of the amusement ride shall affix the decal on the ride at a 29937
location where the decal is easily visible to the patrons of the 29938
ride. A copy of the permit shall be kept on file at the same 29939
address as the location of the amusement ride identified on the 29940
permit, and shall be made available for inspection, upon 29941
reasonable demand, by any person. An owner may operate an 29942
amusement ride prior to obtaining a permit, provided that the 29943
operation is for the purpose of testing the amusement ride or 29944
training amusement ride operators and other employees of the owner 29945
and the amusement ride is not open to the public. 29946

(B)(1) The director, in accordance with Chapter 119. of the 29947
Revised Code, shall adopt rules providing for both of the 29948
following: 29949

(a) A schedule of fines, with no fine exceeding five thousand 29950
dollars, for violations of this chapter or any rules adopted under 29951
this division; 29952

(b) The classification of amusement rides and rules for the 29953
safe operation and inspection of all amusement rides as are 29954
necessary for amusement ride safety and for the protection of the 29955
general public. The classification of amusement rides must 29956
identify those rides that need more comprehensive inspection and 29957
testing in addition to regular state inspections, taking into 29958
account hidden components integral to the safety of the ride. 29959

(2)(a) Rules adopted by the director for the safe operation 29960
and inspection of amusement rides shall be reasonable and shall be 29961
based upon generally accepted engineering standards and practices. 29962
The rules shall establish a minimum number of inspections to be 29963
conducted on each ride depending on the size, complexity, nature 29964
of the ride, and the number of days the ride is in operation 29965
during the year for which the applicable permit is valid. The 29966
rules also shall require the minimum number of inspectors assigned 29967
to inspect a ride or rides to be reasonable and adequate given the 29968
number, size, complexity, and nature of the ride or rides. 29969

(b) In adopting rules under this section, the director may 29970
adopt by reference, in whole or in part, the national fire code or 29971
the national electrical code (NEC) prepared by the national fire 29972
protection association or the American national standards 29973
institute (ANSI), or any other principles, tests, or standards of 29974
nationally recognized technical or scientific authorities. 29975

(c) In adopting rules under this section, the director shall 29976
adopt, by reference, the following chapters of the American 29977
society for testing and materials (ASTM) international regarding 29978
amusement ride safety standards and any other equivalent national 29979
standard: 29980

(i) ASTM F1193-18; 29981

(ii) ASTM F770-18; 29982

(iii) ASTM F2291-18. 29983

(d) Insofar as is practicable and consistent with this 29984
chapter, rules adopted under this division shall be consistent 29985
with the rules of other states. 29986

(3) The department shall cause this chapter and the rules 29987
adopted in accordance with this division and division (B) of 29988
section 993.08 of the Revised Code to be published in pamphlet 29989
form and a copy to be furnished without charge to each owner of an 29990

amusement ride who holds a current permit or is an applicant 29991
therefor. 29992

(C) With respect to an application for a permit for an 29993
amusement ride, an owner may apply to the director for a waiver or 29994
modification of any rule adopted under division (B) of this 29995
section if there are practical difficulties or unnecessary 29996
hardships for the amusement ride to comply with the rules. Any 29997
application shall set forth the reasons for the request. The 29998
director, with the approval of the advisory council on amusement 29999
ride safety, may waive or modify the application of a rule to any 30000
amusement ride if the public safety is secure. Any authorization 30001
by the director under this division shall be in writing and shall 30002
set forth the conditions under which the waiver or modification is 30003
authorized, and the department shall retain separate records of 30004
all proceedings under this division. 30005

(D)(1) The director shall employ and provide for training of 30006
a chief inspector and additional inspectors and employees as may 30007
be necessary to administer and enforce this chapter. The director 30008
may appoint or contract with other persons to perform inspections 30009
of amusement rides, provided that the persons meet the 30010
qualifications for inspectors established by rules adopted under 30011
division (B) of this section and are not owners, or employees of 30012
owners, of any amusement ride subject to inspection under this 30013
chapter. When employing a new chief inspector or an additional 30014
inspector after November 6, 2019, the director shall give 30015
preference to the following: 30016

(a) An individual holding a level one or higher inspector 30017
certification from either the national association of amusement 30018
ride safety officials (NAARSO), the amusement industry 30019
manufacturers and suppliers (AIMS) international, or another 30020
substantially equivalent organization as determined by the 30021
director; and 30022

(b) An individual who intends, within one year of being hired as an inspector, to complete the requirements for issuance of a level one or higher inspector certification from NAARSO, AIMS International, or another substantially equivalent organization as determined by the director.

(2) No person shall inspect an amusement ride who, within six months prior to the date of inspection, was an employee of the owner of the ride.

(3) Before the director contracts with other persons to inspect amusement rides, the director shall seek the advice of the advisory council on amusement ride safety on whether to contract with those persons. The advice shall not be binding upon the director. After having received the advice of the council, the director may proceed to contract with inspectors in accordance with the procedures specified in division (E)(2) of section 1711.11 of the Revised Code.

(4) With the advice and consent of the advisory council on amusement ride safety, the director may employ a special consultant to conduct an independent investigation of an amusement ride accident. This consultant need not be in the civil service of the state, but shall have qualifications to conduct the investigation acceptable to the council.

(E)(1) Except as otherwise provided in division (E)(1) of this section, the department shall charge the following amusement ride fees:

30061

The director shall adopt rules in accordance with Chapter 119. of the Revised Code establishing an annual fee that is less than one hundred five dollars for an inspection and reinspection of an inflatable ride. In adopting the rules, the director shall ensure that the fee reasonably reflects the costs of inspection and reinspection of an inflatable ride. If the director issues a permit for an inflatable ride for a time period of less than one year, the director shall charge a prorated fee for the permit equal to one-twelfth of the annual permit fee multiplied by the number of full months for which the permit is issued. 30062

30071

The fees for an expedited inspection, failure to cancel a scheduled inspection, and failure to have an amusement ride ready for inspection do not apply to go karts. 30072
30073
30074

As used in division (E)(1) of this section, "expedited inspection" means an inspection of an amusement ride by the department not later than ten days after the owner of the amusement ride files an application for a permit under this section. 30075
30076
30077
30078
30079

(2) All fees and fines collected by the department under this 30080

chapter shall be deposited in the state treasury to the credit of 30081
the amusement ride inspection fund, which is hereby created, and 30082
shall be used only for the purpose of administering and enforcing 30083
section 1711.11 of the Revised Code and this chapter. 30084

(3) The owner of an amusement ride shall be required to pay a 30085
reinspection fee only if the reinspection is required by division 30086
(B)(2) of this section or rules adopted under that division, if 30087
the reinspection was conducted at the owner's request under 30088
division (F) of this section, if the reinspection is required by 30089
division (F) of this section because of an accident, or if the 30090
reinspection is required by division (F) of section 993.07 of the 30091
Revised Code. If a reinspection is conducted at the request of the 30092
chief officer of a fair, festival, or event where the ride is 30093
operating, the reinspection fee shall be charged to the fair, 30094
festival, or event. 30095

(4) The rules adopted under division (B) of this section 30096
shall define "roller coaster," "aerial lifts," "go karts," and 30097
"other rides" for purposes of determining the fees under division 30098
(E) of this section. The rules shall define "other rides" to 30099
include go kart tracks. 30100

(F) A reinspection of an amusement ride shall take place if 30101
an accident occurs, if the owner of the ride or the chief officer 30102
of the fair, festival, or event where the ride is operating 30103
requests a reinspection, if the chief inspector determines 30104
reinspection is necessary in accordance with section 993.042 of 30105
the Revised Code, or if the reinspection is required by division 30106
(F) of section 993.07 of the Revised Code. 30107

(G) As a supplement to its annual inspection of a temporary 30108
amusement ride, the department may inspect the ride during each 30109
scheduled event, as listed in the schedule of events provided to 30110
the department by the owner pursuant to division (C) of section 30111
993.07 of the Revised Code, at which the ride is operated in this 30112

state. These supplemental inspections are in addition to any other 30113
inspection or reinspection of the ride as may be required under 30114
this chapter or rules adopted under it, and the owner of the 30115
temporary amusement ride is not required to pay an inspection or 30116
reinspection fee for this supplemental inspection unless the 30117
supplemental inspection is being conducted pursuant to division 30118
(B)(2) of this section or rules adopted under that division. 30119

Nothing in this division shall be construed to prohibit the owner 30120
of a temporary amusement ride having a valid permit to operate in 30121
this state from operating the ride at a scheduled event before the 30122
department conducts a supplemental inspection. 30123

(H) The department may annually conduct a midseason 30124
operational inspection of every amusement ride upon which it 30125
conducts an annual inspection pursuant to division (A) of this 30126
section. The midseason operational inspection is in addition to 30127
any other inspection or reinspection of the amusement ride as may 30128
be required pursuant to this chapter. The owner of an amusement 30129
ride shall submit to the department, at the time determined by the 30130
department, the midseason operational inspection fee specified in 30131
division (E) of this section. The director, in accordance with 30132
Chapter 119. of the Revised Code, shall adopt rules specifying the 30133
time period during which the department will conduct midseason 30134
operational inspections. 30135

(C) For purposes of determining the percentage of a person controlled by any person, the person's interest shall be aggregated with the interest of any other immediate family member, including the person's spouse, parents, children, siblings, mothers- and fathers-in law, sons- and daughters-in law, brothers- and sisters-in law, and any other person who shares such person's home.

(D) Whenever the approval of the superintendent of financial

Sec. 1317.07. No retail installment contract authorized by 30200
section 1317.03 of the Revised Code that is executed in connection 30201
with any retail installment sale shall evidence any indebtedness 30202
in excess of the time balance fixed in the written instrument in 30203
compliance with section 1317.04 of the Revised Code, but it may 30204

of delinquent charges, as provided for in section 1317.06 of the Revised Code, taxes, and any lawful fee actually paid out, or to be paid out, by the retail seller to any public officer for filing, recording, or releasing any instrument securing the payment of the obligation owed on any retail installment contract. A documentary service charge customarily and presently being paid on May 9, 1949, in a particular business and area may be charged if the charge does not exceed ~~two~~ five hundred ~~fifty~~ dollars per sale.

No retail seller shall use multiple agreements with respect to a single item or related items purchased at the same time, with intent to obtain a higher charge than would otherwise be permitted by Chapter 1317. of the Revised Code or to avoid disclosure of an annual percentage rate, nor by use of such agreements make any charge greater than that which would be permitted by Chapter 1317. of the Revised Code had a single agreement been used.

Sec. 1321.37. (A) Application for an original or renewal license to make short-term loans shall be in writing, under oath, and in the form prescribed by the superintendent of financial institutions, and shall contain the name and address of the applicant, the location where the business of making loans is to be conducted, and any further information as the superintendent requires. At the time of making an application for an original license, the applicant shall pay to the superintendent a nonrefundable investigation fee of two hundred dollars. No investigation fee or any portion thereof shall be refunded after an original license has been issued. The application for an

original or renewal license shall be accompanied by an original or 30237
renewal license fee, for each business location of one thousand 30238
dollars, except that applications for original licenses issued on 30239
or after the first day of July for any year shall be accompanied 30240
by an original license fee of five hundred dollars, and except 30241
that an application for an original or renewal license, for a 30242
nonprofit corporation that is incorporated under Chapter 1702. of 30243
the Revised Code, shall be accompanied by an original or renewal 30244
license fee, for each business location, that is one-half of the 30245
fee otherwise required. All fees paid to the superintendent 30246
pursuant to this division shall be deposited into the state 30247
treasury to the credit of the consumer finance fund. 30248

(B) Upon the filing of an application for an original license 30249
and, with respect to an application filed for a renewal license, 30250
on a schedule determined by the superintendent by rule adopted 30251
pursuant to section 1321.43 of the Revised Code, and the payment 30252
of fees in accordance with division (A) of this section, the 30253
superintendent shall investigate the facts concerning the 30254
applicant and the requirements provided by this division. The 30255
superintendent shall request the superintendent of the bureau of 30256
criminal identification and investigation, or a vendor approved by 30257
the bureau, to conduct a criminal records check based on the 30258
applicant's fingerprints in accordance with section 109.572 of the 30259
Revised Code. Notwithstanding division ~~(K)~~(L) of section 121.08 of 30260
the Revised Code, the superintendent of financial institutions 30261
shall request that criminal record information from the federal 30262
bureau of investigation be obtained as part of the criminal 30263
records check. The superintendent of financial institutions shall 30264
conduct a civil records check. The superintendent shall approve an 30265
application and issue an original or renewal license to the 30266
applicant if the superintendent finds all of the following: 30267

(1) The financial responsibility, experience, and general 30268

fitness of the applicant are such as to warrant the belief that 30269
the business of making loans will be operated lawfully, honestly, 30270
and fairly under sections 1321.35 to 1321.48 of the Revised Code 30271
and within the purposes of those sections; that the applicant has 30272
fully complied with those sections and any rule or order adopted 30273
or issued pursuant to section 1321.43 of the Revised Code; and 30274
that the applicant is qualified to engage in the business of 30275
making loans under sections 1321.35 to 1321.48 of the Revised 30276
Code. 30277

(2) The applicant is financially sound and has a net worth of 30278
not less than one hundred thousand dollars, or in the case of a 30279
nonprofit corporation that is incorporated under Chapter 1702. of 30280
the Revised Code, a net worth of not less than fifty thousand 30281
dollars. The applicant's net worth shall be computed according to 30282
generally accepted accounting principles. 30283

(3) The applicant has never had revoked a license to make 30284
loans under sections 1321.35 to 1321.48 of the Revised Code, under 30285
former sections 1315.35 to 1315.44 of the Revised Code, or to do 30286
business under sections 1315.21 to 1315.30 of the Revised Code. 30287

(4) Neither the applicant nor any senior officer, or partner 30288
of the applicant, has pleaded guilty to or been convicted of a 30289
disqualifying offense as determined in accordance with section 30290
9.79 of the Revised Code. 30291

(5) Neither the applicant nor any senior officer, or partner 30292
of the applicant, has been subject to any adverse judgment for 30293
conversion, embezzlement, misappropriation of funds, fraud, 30294
misfeasance or malfeasance, or breach of fiduciary duty, or if the 30295
applicant or any of those other persons has been subject to such a 30296
judgment, the applicant has proven to the superintendent, by a 30297
preponderance of the evidence, that the applicant's or other 30298
person's activities and employment record since the judgment show 30299
that the applicant or other person is honest and truthful and 30300

there is no basis in fact for believing that the applicant or
other person will be subject to such a judgment again.

(C) If the superintendent finds that the applicant does not
meet the requirements of division (B) of this section, or the
superintendent finds that the applicant knowingly or repeatedly
contracts with or employs persons to directly engage in lending
activities who have been convicted of a felony crime listed in
division (B)(5) of this section, the superintendent shall issue an
order denying the application for an original or renewal license
and giving the applicant an opportunity for a hearing on the
denial in accordance with Chapter 119. of the Revised Code. The
superintendent shall notify the applicant of the denial, the
grounds for the denial, and the applicant's opportunity for a
hearing. If the application is denied, the superintendent shall
return the annual license fee but shall retain the investigation
fee.

(D) No person licensed under sections 1321.35 to 1321.48 of
the Revised Code shall conduct business in this state unless the
licensee has obtained and maintains in effect at all times a
corporate surety bond issued by a bonding company or insurance
company authorized to do business in this state. The bond shall be
in favor of the superintendent and in the penal sum of at least
one hundred thousand dollars, or in the case of a nonprofit
corporation that is incorporated under Chapter 1702. of the
Revised Code, in the amount of fifty thousand dollars. The term of
the bond shall coincide with the term of the license. The licensee
shall file a copy of the bond with the superintendent. The bond
shall be for the exclusive benefit of any borrower injured by a
violation by a licensee or any employee of a licensee, of any
provision of sections 1321.35 to 1321.48 of the Revised Code.

Sec. 1321.53. (A)(1) An application for a certificate of

registration under sections 1321.51 to 1321.60 of the Revised Code 30332
shall contain an undertaking by the applicant to abide by those 30333
sections. The application shall be in writing, under oath, and in 30334
the form prescribed by the division of financial institutions, and 30335
shall contain any information that the division may require. 30336
Applicants that are foreign corporations shall obtain and maintain 30337
a license pursuant to Chapter 1703. of the Revised Code before a 30338
certificate is issued or renewed. 30339

(2) Upon the filing of the application and the payment by the 30340
applicant of a nonrefundable two-hundred-dollar investigation fee 30341
and a nonrefundable three-hundred-dollar annual registration fee, 30342
the division shall investigate the relevant facts. If the 30343
application involves investigation outside this state, the 30344
applicant may be required by the division to advance sufficient 30345
funds to pay any of the actual expenses of such investigation, 30346
when it appears that these expenses will exceed two hundred 30347
dollars. An itemized statement of any of these expenses which the 30348
applicant is required to pay shall be furnished to the applicant 30349
by the division. No certificate shall be issued unless all the 30350
required fees have been submitted to the division. 30351

(3) The investigation undertaken upon application shall 30352
include both a civil and criminal records check of the applicant 30353
including any individual whose identity is required to be 30354
disclosed in the application. Where the applicant is a business 30355
entity the superintendent shall have the authority to require a 30356
civil and criminal background check of those persons that in the 30357
determination of the superintendent have the authority to direct 30358
and control the operations of the applicant. 30359

(4)(a) Notwithstanding division ~~(K)~~(L) of section 121.08 of 30360
the Revised Code, the superintendent of financial institutions 30361
shall obtain a criminal history records check and, as part of that 30362

records check, request that criminal record information from the 30363
federal bureau of investigation be obtained. To fulfill this 30364
requirement, the superintendent shall request the superintendent 30365
of the bureau of criminal identification and investigation, or a 30366
vendor approved by the bureau, to conduct a criminal records check 30367
based on the applicant's fingerprints or, if the fingerprints are 30368
unreadable, based on the applicant's social security number, in 30369
accordance with section 109.572 of the Revised Code. 30370

(b) Any fee required under division (C)(3) of section 109.572 30371
of the Revised Code shall be paid by the applicant. 30372

(5) If an application for a certificate of registration does 30373
not contain all of the information required under division (A) of 30374
this section, and if such information is not submitted to the 30375
division within ninety days after the superintendent requests the 30376
information in writing, including by electronic transmission or 30377
facsimile, the superintendent may consider the application 30378
withdrawn. 30379

(6) If the division finds that the financial responsibility, 30380
experience, and general fitness of the applicant command the 30381
confidence of the public and warrant the belief that the business 30382
will be operated honestly and fairly in compliance with the 30383
purposes of sections 1321.51 to 1321.60 of the Revised Code and 30384
the rules adopted thereunder, and that the applicant has the 30385
applicable net worth and assets required by division (B) of this 30386
section, the division shall thereupon issue a certificate of 30387
registration to the applicant. The superintendent shall not use a 30388
credit score as the sole basis for a registration denial. 30389

(a)(i) Certificates of registration issued on or after July 30390
1, 2010, shall annually expire on the thirty-first day of 30391
December, unless renewed by the filing of a renewal application 30392
and payment of a three-hundred-dollar nonrefundable annual 30393
registration fee and any assessment as determined by the 30394

superintendent pursuant to division (A)(6)(a)(ii) of this section 30395
on or before the last day of December of each year. No other fee 30396
or assessment shall be required of a registrant by the state or 30397
any political subdivision of this state. 30398

(ii) If the renewal fees billed by the superintendent 30399
pursuant to division (A)(6)(a)(i) of this section are less than 30400
the estimated expenditures of the consumer finance section of the 30401
division of financial institutions, as determined by the 30402
superintendent, for the following fiscal year, the superintendent 30403
may assess each registrant at a rate sufficient to equal in the 30404
aggregate the difference between the renewal fees billed and the 30405
estimated expenditures. Each registrant shall pay the assessed 30406
amount to the superintendent prior to the last day of June. In no 30407
case shall the assessment exceed ten cents per each one hundred 30408
dollars of interest (excluding charge-off recoveries), points, 30409
loan origination charges, and credit line charges collected by 30410
that registrant during the previous calendar year. If such an 30411
assessment is imposed, it shall not be less than two hundred fifty 30412
dollars per registrant and shall not exceed thirty thousand 30413
dollars less the total renewal fees paid pursuant to division 30414
(A)(6)(a)(i) of this section by each registrant. 30415

(b) Registrants shall timely file renewal applications on 30416
forms prescribed by the division and provide any further 30417
information that the division may require. If a renewal 30418
application does not contain all of the information required under 30419
this section, and if that information is not submitted to the 30420
division within ninety days after the superintendent requests the 30421
information in writing, including by electronic transmission or 30422
facsimile, the superintendent may consider the application 30423
withdrawn. 30424

(c) Renewal shall not be granted if the applicant's 30425
certificate of registration is subject to an order of suspension, 30426

revocation, or an unpaid and past due fine imposed by the 30427
superintendent. 30428

(d) If the division finds the applicant does not meet the 30429
conditions set forth in this section, it shall issue a notice of 30430
intent to deny the application, and forthwith notify the applicant 30431
of the denial, the grounds for the denial, and the applicant's 30432
reasonable opportunity to be heard on the action in accordance 30433
with Chapter 119. of the Revised Code. 30434

(7) If there is a change of five per cent or more in the 30435
ownership of a registrant, the division may make any investigation 30436
necessary to determine whether any fact or condition exists that, 30437
if it had existed at the time of the original application for a 30438
certificate of registration, the fact or condition would have 30439
warranted the division to deny the application under division 30440
(A)(6) of this section. If such a fact or condition is found, the 30441
division may, in accordance with Chapter 119. of the Revised Code, 30442
revoke the registrant's certificate. 30443

(B) Each registrant that engages in lending under sections 30444
1321.51 to 1321.60 of the Revised Code shall maintain both of the 30445
following: 30446

(1) A net worth of at least fifty thousand dollars; 30447

(2) For each certificate of registration, assets of at least 30448
fifty thousand dollars either in use or readily available for use 30449
in the conduct of the business. 30450

(C) Not more than one place of business shall be maintained 30451
under the same certificate, but the division may issue additional 30452
certificates to the same registrant upon compliance with sections 30453
1321.51 to 1321.60 of the Revised Code, governing the issuance of 30454
a single certificate. No change in the place of business of a 30455
registrant to a location outside the original municipal 30456
corporation shall be permitted under the same certificate without 30457

the approval of a new application, the payment of the registration fee and, if required by the superintendent, the payment of an investigation fee of two hundred dollars. When a registrant wishes to change its place of business within the same municipal corporation, it shall give written notice of the change in advance to the division, which shall provide a certificate for the new address without cost. If a registrant changes its name, prior to making loans under the new name it shall give written notice of the change to the division, which shall provide a certificate in the new name without cost. Sections 1321.51 to 1321.60 of the Revised Code do not limit the loans of any registrant to residents of the community in which the registrant's place of business is situated. Each certificate shall be kept conspicuously posted in the place of business of the registrant and is not transferable or assignable.

(D) Sections 1321.51 to 1321.60 of the Revised Code do not apply to any of the following:

(1) Entities chartered and lawfully doing business under the authority of any law of this state, another state, or the United States as a bank, savings bank, trust company, savings and loan association, or credit union, or a subsidiary of any such entity, which subsidiary is regulated by a federal banking agency and is owned and controlled by such a depository institution;

(2) Life, property, or casualty insurance companies licensed to do business in this state;

(3) Any person that is a lender making a loan pursuant to sections 1321.01 to 1321.19 or sections 1321.62 to 1321.701 of the Revised Code or a business loan as described in division (B)(6) of section 1343.01 of the Revised Code;

(4) Any political subdivision, or any governmental or other public entity, corporation, instrumentality, or agency, in or of

described in division (B)(3) of section 1343.01 of the Revised 30490
Code; 30491

(5) A college or university, or controlled entity of a 30492
college or university, as those terms are defined in section 30493
1713.05 of the Revised Code. 30494

(E) No person engaged in the business of selling tangible 30495
goods or services related to tangible goods may receive or retain 30496
a certificate under sections 1321.51 to 1321.60 of the Revised 30497
Code for such place of business. 30498

Sec. 1321.64. (A) An application for a license shall contain 30499
an undertaking by the applicant to abide by those sections. The 30500
application shall be in writing, under oath, and in the form 30501
prescribed by the superintendent of financial institutions, and 30502
shall contain any information that the superintendent may require. 30503
Applicants that are foreign corporations shall obtain and maintain 30504
a license pursuant to Chapter 1703. of the Revised Code before a 30505
license is issued or renewed. 30506

(B) Upon the filing of the application and the payment by the 30507
applicant of a nonrefundable investigation fee of two hundred 30508
dollars, a nonrefundable annual registration fee of three hundred 30509
dollars, and any additional fee required by the NMLSR, the 30510
division of financial institutions shall investigate the relevant 30511
facts. If the application involves investigation outside this 30512
state, the applicant may be required by the division to advance 30513
sufficient funds to pay any of the actual expenses of the 30514
investigation when it appears that these expenses will exceed two 30515
hundred dollars. An itemized statement of any of these expenses 30516
which the applicant is required to pay shall be furnished to the 30517
applicant by the division. A license shall not be issued unless 30518
all the required fees have been submitted to the division. 30519

(C)(1) The investigation undertaken upon receipt of an application shall include both a civil and criminal records check of any control person.

(2)(a) Notwithstanding division ~~(K)~~(L) of section 121.08 of the Revised Code, the superintendent shall obtain a criminal records check on each control person and, as part of that records check, request that criminal records information from the federal bureau of investigation be obtained. To fulfill this requirement, the superintendent shall do either of the following:

(i) Request the superintendent of the bureau of criminal identification and investigation, or a vendor approved by the bureau, to conduct a criminal records check based on the control person's fingerprints or, if the fingerprints are unreadable, based on the control person's social security number, in accordance with section 109.572 of the Revised Code;

(ii) Authorize the NMLSR to request a criminal records check of the control person.

(b) Any fee required under division (C)(3) of section 109.572 of the Revised Code or by the NMLSR shall be paid by the applicant.

(D) If an application for a license does not contain all of the information required under division (A) of this section, and if such information is not submitted to the division or to the NMLSR within ninety days after the superintendent or the NMLSR requests the information in writing, including by electronic transmission or facsimile, the superintendent may consider the application withdrawn.

(E) If the superintendent of financial institutions finds that the financial responsibility, experience, and general fitness of the applicant command the confidence of the public and warrant the belief that the business will be operated honestly and fairly

in compliance with the purposes of sections 1321.62 to 1321.702 of 30551
the Revised Code and the rules adopted thereunder, and that the 30552
applicant has the requisite net worth and assets required under 30553
section 1321.65 of the Revised Code, the superintendent shall 30554
issue a license to the applicant. The license shall be valid until 30555
the thirty-first day of December of the year in which it is 30556
issued. A person may be licensed under both sections 1321.51 to 30557
1321.60 and sections 1321.62 to 1321.702 of the Revised Code. 30558

(F) If the superintendent finds that the applicant does not 30559
meet the conditions set forth in this section, the superintendent 30560
shall issue a notice of intent to deny the application, and 30561
promptly notify the applicant of the denial, the grounds for the 30562
denial, and the applicant's reasonable opportunity to be heard on 30563
the action in accordance with Chapter 119. of the Revised Code. 30564

Sec. 1346.03. Any information provided to the attorney 30565
general by the department of taxation in accordance with division 30566
~~(C)(5)~~ (C)(2) of section 5703.21 of the Revised Code shall not be 30567
disclosed publicly by the attorney general except when it is 30568
necessary to facilitate compliance with and enforcement of section 30569
1346.01 or 1346.02 of the Revised Code. 30570

Sec. 1349.09. (A) As used in this section: 30571
