to reflect the court's sealing or expungement of conviction 95413
records. 95414

(G) For purposes of this division, any individual who holds a 95415
license to practice as a genetic counselor, or applies for a 95416
license, shall be deemed to have given consent to submit to a 95417
mental or physical examination when directed to do so in writing 95418
by the board and to have waived all objections to the 95419
admissibility of testimony or examination reports that constitute 95420
a privileged communication. 95421

(1) In enforcing division (B)(5) of this section, the board, 95422
on a showing of a possible violation, may compel any individual 95423
who holds a license to practice as a genetic counselor or who has 95424
applied for a license to practice as a genetic counselor to submit 95425
to a mental or physical examination, or both. A physical 95426

examination may include an HIV test. The expense of the 95427
examination is the responsibility of the individual compelled to 95428
be examined. Failure to submit to a mental or physical examination 95429
or consent to an HIV test ordered by the board constitutes an 95430
admission of the allegations against the individual unless the 95431
failure is due to circumstances beyond the individual's control, 95432
and a default and final order may be entered without the taking of 95433
testimony or presentation of evidence. If the board finds a 95434
genetic counselor unable to practice because of the reasons set 95435
forth in division (B)(5) of this section, the board shall require 95436
the genetic counselor to submit to care, counseling, or treatment 95437
by physicians approved or designated by the board, as a condition 95438
for an initial, continued, reinstated, or renewed license to 95439
practice. An individual affected by this division shall be 95440
afforded an opportunity to demonstrate to the board the ability to 95441
resume practicing in compliance with acceptable and prevailing 95442
standards of care. 95443

(2) For purposes of division (B)(6) of this section, if the 95444
board has reason to believe that any individual who holds a 95445
license to practice as a genetic counselor or any applicant for a 95446
license suffers such impairment, the board may compel the 95447
individual to submit to a mental or physical examination, or both. 95448
The expense of the examination is the responsibility of the 95449
individual compelled to be examined. Any mental or physical 95450
examination required under this division shall be undertaken by a 95451
treatment provider or physician qualified to conduct such 95452
examination and chosen by the board. 95453

Failure to submit to a mental or physical examination ordered 95454
by the board constitutes an admission of the allegations against 95455
the individual unless the failure is due to circumstances beyond 95456
the individual's control, and a default and final order may be 95457
entered without the taking of testimony or presentation of 95458

evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or deny the individual's application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed license, to submit to treatment.

Before being eligible to apply for reinstatement of a license suspended under this division, the genetic counselor shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.

The board may reinstate a license suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired genetic counselor resumes practice, the board shall require continued monitoring of the genetic counselor. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, on termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under

penalty of falsification stating whether the genetic counselor has 95490
maintained sobriety. 95491

(H) If the secretary and supervising member determine both of 95492
the following, they may recommend that the board suspend an 95493
individual's license to practice without a prior hearing: 95494

(1) That there is clear and convincing evidence that a 95495
genetic counselor has violated division (B) of this section; 95496

(2) That the individual's continued practice presents a 95497
danger of immediate and serious harm to the public. 95498

Written allegations shall be prepared for consideration by 95499
the board. The board, on review of the allegations and by an 95500
affirmative vote of not fewer than six of its members, excluding 95501
the secretary and supervising member, may suspend a license 95502
without a prior hearing. A telephone conference call may be 95503
utilized for reviewing the allegations and taking the vote on the 95504
summary suspension. 95505

The board shall ~~issue~~ serve a written order of suspension ~~by~~ 95506
~~certified mail or in person~~ in accordance with ~~section~~ sections 95507
119.05 and 119.07 of the Revised Code. The order shall not be 95508
subject to suspension by the court during pendency of any appeal 95509
filed under section 119.12 of the Revised Code. If the genetic 95510
counselor requests an adjudicatory hearing by the board, the date 95511
set for the hearing shall be within fifteen days, but not earlier 95512
than seven days, after the genetic counselor requests the hearing, 95513
unless otherwise agreed to by both the board and the genetic 95514
counselor. 95515

A summary suspension imposed under this division shall remain 95516
in effect, unless reversed on appeal, until a final adjudicative 95517
order issued by the board pursuant to this section and Chapter 95518
119. of the Revised Code becomes effective. The board shall issue 95519
its final adjudicative order within sixty days after completion of 95520

its hearing. Failure to issue the order within sixty days shall 95521
result in dissolution of the summary suspension order, but shall 95522
not invalidate any subsequent, final adjudicative order. 95523

(I) If the board takes action under division (B)(10), (12), 95524
or (13) of this section, and the judicial finding of guilt, guilty 95525
plea, or judicial finding of eligibility for intervention in lieu 95526
of conviction is overturned on appeal, on exhaustion of the 95527
criminal appeal, a petition for reconsideration of the order may 95528
be filed with the board along with appropriate court documents. On 95529
receipt of a petition and supporting court documents, the board 95530
shall reinstate the license to practice as a genetic counselor. 95531
The board may then hold an adjudication under Chapter 119. of the 95532
Revised Code to determine whether the individual committed the act 95533
in question. Notice of opportunity for hearing shall be given in 95534
accordance with Chapter 119. of the Revised Code. If the board 95535
finds, pursuant to an adjudication held under this division, that 95536
the individual committed the act, or if no hearing is requested, 95537
it may order any of the sanctions specified in division (B) of 95538
this section. 95539

(J) The license to practice as a genetic counselor and the 95540
counselor's practice in this state are automatically suspended as 95541
of the date the genetic counselor pleads guilty to, is found by a 95542
judge or jury to be guilty of, or is subject to a judicial finding 95543
of eligibility for intervention in lieu of conviction in this 95544
state or treatment of intervention in lieu of conviction in 95545
another jurisdiction for any of the following criminal offenses in 95546
this state or a substantially equivalent criminal offense in 95547
another jurisdiction: aggravated murder, murder, voluntary 95548
manslaughter, felonious assault, kidnapping, rape, sexual battery, 95549
gross sexual imposition, aggravated arson, aggravated robbery, or 95550
aggravated burglary. Continued practice after the suspension shall 95551
be considered practicing without a license. 95552

The board shall ~~notify~~ serve the individual subject to the 95553
suspension ~~by certified mail or in person~~ in accordance with 95554
~~section~~ sections 119.05 and 119.07 of the Revised Code. If an 95555
individual whose license is suspended under this division fails to 95556
make a timely request for an adjudication under Chapter 119. of 95557
the Revised Code, the board shall enter a final order permanently 95558
revoking the individual's license to practice. 95559

(K) In any instance in which the board is required by Chapter 95560
119. of the Revised Code to give notice of opportunity for hearing 95561
and the individual subject to the notice does not timely request a 95562
hearing in accordance with section 119.07 of the Revised Code, the 95563
board is not required to hold a hearing, but may adopt, by an 95564
affirmative vote of not fewer than six of its members, a final 95565
order that contains the board's findings. In the final order, the 95566
board may order any of the sanctions identified under division (A) 95567
or (B) of this section. 95568

(L) Any action taken by the board under division (B) of this 95569
section resulting in a suspension shall be accompanied by a 95570
written statement of the conditions under which the license of the 95571
genetic counselor may be reinstated. The board shall adopt rules 95572
in accordance with Chapter 119. of the Revised Code governing 95573
conditions to be imposed for reinstatement. Reinstatement of a 95574
license suspended pursuant to division (B) of this section 95575
requires an affirmative vote of not fewer than six members of the 95576
board. 95577

(M) When the board refuses to grant or issue a license to 95578
practice as a genetic counselor to an applicant, revokes an 95579
individual's license, refuses to renew an individual's license, or 95580
refuses to reinstate an individual's license, the board may 95581
specify that its action is permanent. An individual subject to a 95582
permanent action taken by the board is forever thereafter 95583
ineligible to hold a license to practice as a genetic counselor 95584

and the board shall not accept an application for reinstatement of 95585
the license or for issuance of a new license. 95586

(N) Notwithstanding any other provision of the Revised Code, 95587
all of the following apply: 95588

(1) The surrender of a license to practice as a genetic 95589
counselor is not effective unless or until accepted by the board. 95590
A telephone conference call may be utilized for acceptance of the 95591
surrender of an individual's license. The telephone conference 95592
call shall be considered a special meeting under division (F) of 95593
section 121.22 of the Revised Code. Reinstatement of a license 95594
surrendered to the board requires an affirmative vote of not fewer 95595
than six members of the board. 95596

(2) An application made under this chapter for a license to 95597
practice may not be withdrawn without approval of the board. 95598

(3) Failure by an individual to renew a license in accordance 95599
with section 4778.06 of the Revised Code shall not remove or limit 95600
the board's jurisdiction to take disciplinary action under this 95601
section against the individual. 95602

Sec. 4778.18. (A) The state medical board shall investigate 95603
evidence that appears to show that any individual has violated 95604
this chapter or the rules adopted under it. Any person may report 95605
to the board in a signed writing any information the person has 95606
that appears to show a violation of this chapter or rules adopted 95607
under it. In the absence of bad faith, a person who reports such 95608
information or testifies before the board in an adjudication 95609
conducted under Chapter 119. of the Revised Code shall not be 95610
liable for civil damages as a result of reporting the information 95611
or providing testimony. Each complaint or allegation of a 95612
violation received by the board shall be assigned a case number 95613
and be recorded by the board. 95614

(B) Investigations of alleged violations of this chapter or 95615
rules adopted under it shall be supervised by the supervising 95616
member elected by the board in accordance with section 4731.02 of 95617
the Revised Code and by the board's secretary, pursuant to section 95618
4778.20 of the Revised Code. The board's president may designate 95619
another member of the board to supervise the investigation in 95620
place of the supervising member. A member of the board who 95621
supervises the investigation of a case shall not participate in 95622
further adjudication of the case. 95623

(C) In investigating a possible violation of this chapter or 95624
the rules adopted under it, the board may administer oaths, order 95625
the taking of depositions, inspect and copy any books, accounts, 95626
papers, records, or documents, issue subpoenas, and compel the 95627
attendance of witnesses and production of books, accounts, papers, 95628
records, documents, and testimony, except that a subpoena for 95629
patient record information shall not be issued without 95630
consultation with the attorney general's office and approval of 95631
the secretary ~~and supervising member~~ of the board. Before issuance 95632
of a subpoena for patient record information, the secretary ~~and~~ 95633
~~supervising member~~ shall determine whether there is probable cause 95634
to believe that the complaint filed alleges a violation of this 95635
chapter or the rules adopted under it and that the records sought 95636
are relevant to the alleged violation and material to the 95637
investigation. The subpoena may apply only to records that cover a 95638
reasonable period of time surrounding the alleged violation. 95639

On failure to comply with any subpoena issued by the board 95640
and after reasonable notice to the person being subpoenaed, the 95641
board may move for an order compelling the production of persons 95642
or records pursuant to the Rules of Civil Procedure. 95643

A subpoena issued by the board may be served by a sheriff, 95644
the sheriff's deputy, or a board employee designated by the board. 95645
Service of a subpoena issued by the board may be made by 95646

delivering a copy of the subpoena to the person named therein, 95647
reading it to the person, or leaving it at the person's usual 95648
place of residence. When the person being served is a genetic 95649
counselor, service of the subpoena may be made by certified mail, 95650
restricted delivery, return receipt requested, and the subpoena 95651
shall be deemed served on the date delivery is made or the date 95652
the person refuses to accept delivery. 95653

A sheriff's deputy who serves a subpoena shall receive the 95654
same fees as a sheriff. Each witness who appears before the board 95655
in obedience to a subpoena shall receive the fees and mileage 95656
provided for witnesses in civil cases in the courts of common 95657
pleas. 95658

(D) All hearings and investigations of the board shall be 95659
considered civil actions for the purposes of section 2305.252 of 95660
the Revised Code. 95661

(E) Information received by the board pursuant to an 95662
investigation is confidential and not subject to discovery in any 95663
civil action. 95664

The board shall conduct all investigations and proceedings in 95665
a manner that protects the confidentiality of patients and persons 95666
who file complaints with the board. The board shall not make 95667
public the names or any other identifying information about 95668
patients or complainants unless proper consent is given. 95669

The board may share any information it receives pursuant to 95670
an investigation, including patient records and patient record 95671
information, with law enforcement agencies, other licensing 95672
boards, and other governmental agencies that are prosecuting, 95673
adjudicating, or investigating alleged violations of statutes or 95674
administrative rules. An agency or board that receives the 95675
information shall comply with the same requirements regarding 95676
confidentiality as those with which the state medical board must 95677

comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

(F) The state medical board shall develop requirements for and provide appropriate initial training and continuing education for investigators employed by the board to carry out its duties under this chapter. The training and continuing education may include enrollment in courses operated or approved by the Ohio peace officer training commission that the board considers appropriate under conditions set forth in section 109.79 of the Revised Code.

(G) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

(1) The case number assigned to the complaint or alleged violation;

(2) The type of license, if any, held by the individual against whom the complaint is directed;

(3) A description of the allegations contained in the complaint;

(4) The disposition of the case. 95709

The report shall state how many cases are still pending, and 95710
shall be prepared in a manner that protects the identity of each 95711
individual involved in each case. The report is a public record 95712
for purposes of section 149.43 of the Revised Code. 95713

Sec. 4779.29. If the Ohio occupational therapy, physical 95714
therapy, and athletic trainers board determines that there is 95715
clear and convincing evidence that an individual licensed under 95716
this chapter is engaging or has engaged in conduct described in 95717
division (A) of section 4779.28 of the Revised Code and that the 95718
license holder's continued practice presents a danger of immediate 95719
and serious harm to the public, the board may suspend the 95720
individual's license without an adjudicatory hearing. A telephone 95721
conference call may be used for reviewing the matter and taking 95722
the vote. 95723

If the board votes to suspend an individual's license, the 95724
board shall ~~issue~~ serve a written order of suspension ~~by certified~~ 95725
~~mail or in person~~ in accordance with ~~section~~ sections 119.05 and 95726
119.07 of the Revised Code. The order is not subject to suspension 95727
by a court during pendency of any appeal filed under section 95728
119.12 of the Revised Code. If the license holder requests an 95729
adjudicatory hearing by the board, the date set for the hearing 95730
shall be not later than fifteen days, but not earlier than seven 95731
days, after the request, unless otherwise agreed to by the board 95732
and the license holder. 95733

Any suspension imposed under this section shall remain in 95734
effect, unless reversed on appeal, until a final adjudicative 95735
order issued by the board pursuant to section 119.12 of the 95736
Revised Code becomes effective. The board shall issue its final 95737
adjudicative order within sixty days after completion of its 95738
hearing. A failure to issue an order within sixty days shall 95739

result in the dissolution of the summary suspension order, but 95740
shall not invalidate any subsequent, final adjudicative order. 95741

Sec. 4779.35. (A) The Ohio occupational therapy, physical 95742
therapy, and athletic trainers board shall appoint an orthotics, 95743
prosthetics, and pedorthics advisory council for the purpose of 95744
advising the board on issues relating to the practice of 95745
orthotics, prosthetics, and pedorthics and the investigation of 95746
complaints regarding the practice of orthotics, prosthetics, and 95747
pedorthics. 95748

The advisory council shall consist of not more than five 95749
individuals knowledgeable in the area of orthotics, prosthetics, 95750
and pedorthics. A majority of the council members shall be 95751
individuals actively engaged in the practice of orthotics, 95752
prosthetics, and pedorthics who meet the requirements for 95753
licensure under Chapter 4779. of the Revised Code. 95754

The Ohio orthotics and prosthetics association, or its 95755
successor organization, may nominate the names of up to three 95756
qualified individuals for consideration by the board in making 95757
appointments for each vacancy on the council. 95758

(B) ~~Not later than ninety days after January 1, 2018, the~~ 95759
~~board shall make initial appointments to the council.~~ Members 95760
shall serve three-year ~~staggered~~ terms of office in accordance 95761
with rules adopted by the board. ~~Thereafter, terms of office shall~~ 95762
~~be for three years,~~ with each term ending on the same day of the 95763
same month as did the term that it succeeds. A council member 95764
shall continue in office subsequent to the expiration date of the 95765
member's term until a successor is appointed and takes office, or 95766
until a period of ~~sixty~~ ninety days has elapsed, whichever occurs 95767
first. Each council member shall hold office from the date of 95768
appointment until the end of the term for which the member was 95769
appointed. 95770

(C) With approval from the director of administrative services, members may receive an amount fixed under division (J) of section 124.15 of the Revised Code for each day the member is performing the member's official duties and be reimbursed for actual and necessary expenses incurred in performing those duties.

(D) The council shall meet at least ~~four~~ three times per year and at such other times as may be necessary to carry out its responsibilities.

(E) The council shall submit to the board recommendations concerning all of the following:

(1) Requirements for issuing a license to practice orthotics, prosthetics, and pedorthics, including the educational and experience requirements that must be met to receive a license;

(2) Existing and proposed rules pertaining to the practice of orthotics, prosthetics, and pedorthics and the administration and enforcement of this chapter;

(3) Standards for the approval of educational programs required to qualify for licensure and continuing education programs for licensure renewal;

(4) Procedures for the issuance and renewal of licenses;

(5) Fees for the issuance and renewal of a license to practice orthotics, prosthetics, and pedorthics;

(6) Standards of practice and ethical conduct in the practice of orthotics, prosthetics, and pedorthics;

(7) Complaints concerning alleged violation of Chapter 4779. of the Revised Code or grounds for the suspension, revocation, refusal to issue, or issuance of probationary licenses;

(8) The safe and effective practice of orthotics, prosthetics, and pedorthics;

(9) Requirements for issuing a license to practice orthotics,

prosthetics, or orthotics and prosthetics to an applicant with 95801
unique and exceptional qualifications, including standards for 95802
satisfactory evidence for the applicant to be eligible for the 95803
license. 95804

Sec. 4781.121. (A) The division of industrial compliance, 95805
pursuant to section 4781.04 of the Revised Code, may investigate 95806
any person who allegedly has committed a violation. If, after an 95807
investigation the division determines that reasonable evidence 95808
exists that a person has committed a violation, within seven days 95809
after that determination, the division shall ~~send~~ serve a written 95810
notice to that person in the same manner as prescribed in ~~section~~ 95811
sections 119.05 and 119.07 of the Revised Code for licensees, 95812
except that the notice shall specify that a hearing will be held 95813
and specify the date, time, and place of the hearing. 95814

(B) The division of industrial compliance shall hold a 95815
hearing regarding the alleged violation in the same manner 95816
prescribed for an adjudication hearing under section 119.09 of the 95817
Revised Code. If the division, after the hearing, determines that 95818
a violation has occurred, the division may impose a fine not 95819
exceeding one thousand dollars per violation per day. The 95820
division's determination is an order that the person may appeal in 95821
accordance with section 119.12 of the Revised Code. 95822

(C) If the person who allegedly committed a violation fails 95823
to appear for a hearing, the division of industrial compliance may 95824
request the court of common pleas of the county where the alleged 95825
violation occurred to compel the person to appear before the 95826
division for a hearing. 95827

(D) If the division assesses a person a civil penalty for a 95828
violation and the person fails to pay that civil penalty within 95829
the time period prescribed by the division pursuant to section 95830
131.02 of the Revised Code, the division shall forward to the 95831

attorney general the name of the person and the amount of the 95832
civil penalty for the purpose of collecting that civil penalty. In 95833
addition to the civil penalty assessed pursuant to this section, 95834
the person also shall pay any fee assessed by the attorney general 95835
for collection of the civil penalty. 95836

(E) The authority provided to the division of industrial 95837
compliance pursuant to this section, and any fine imposed under 95838
this section, shall be in addition to, and not in lieu of, all 95839
penalties and other remedies provided in this chapter. Any fines 95840
collected pursuant to this section shall be used solely to 95841
administer and enforce this chapter and rules adopted under it. 95842
Any fees collected pursuant to this section shall be transmitted 95843
to the treasurer of state and shall be credited to the industrial 95844
compliance operating fund created in section 121.084 of the 95845
Revised Code and the rules adopted thereunder. The fees shall be 95846
used only for the purpose of administering and enforcing sections 95847
4781.26 to 4781.35 of the Revised Code and the rules adopted 95848
thereunder. 95849

(F) As used in this section, "violation" means a violation of 95850
section 4781.11, 4781.16, 4781.27, or 4781.57 or any rule adopted 95851
pursuant to section 4781.04 of the Revised Code. 95852

Sec. 4781.17. (A) Each person applying for a manufactured 95853
housing dealer's license or manufactured housing broker's license 95854
shall complete and deliver to the department of commerce, division 95855
of real estate, before the first day of April, a separate 95856
application for license for each county in which the business of 95857
selling or brokering manufactured or mobile homes is to be 95858
conducted. The application shall be in the form prescribed by the 95859
division of real estate and accompanied by the fee established by 95860
the division of real estate. The applicant shall sign and swear to 95861

time, the director may withhold state and federal funds for the 101021
certifiable services and supports and allocate those funds 101022
directly to a community mental health services provider or 101023

and supports satisfy the standards. 101025

within the five hundred linear feet radius described in that 101314
division, a letter of support for the location. The department 101315

shall determine whether a letter of support is satisfactory for 101316
purposes of waiving the requirement. 101317

(E)(1) Except as provided in division (E)(2) of this section, 101318
a license to operate an opioid treatment program shall expire two 101319
years from the date of issuance. Licenses may be renewed. 101320

(2) In circumstances in which the director of mental health 101321
and addiction services has concerns regarding compliance of a 101322

treatment program, the department shall notify the provider of 101324
those concerns and stipulate that the provider's license expires 101325

(F) The department shall establish procedures and adopt rules 101327
for licensing, inspection, and supervision of community addiction 101328

rules shall establish standards for the control, storage, 101330
furnishing, use, dispensing, and administering of medications used 101331
in medication-assisted treatment; prescribe minimum standards for 101332
the operation of the opioid treatment program component of the 101333
provider's operations; and comply with federal laws and 101334
regulations. 101335

All rules adopted under this division shall be adopted in 101336
accordance with Chapter 119. of the Revised Code. All actions 101337
taken by the department regarding the licensing of providers to 101338

(G)(1) The department shall inspect all community addiction 101342
services providers licensed to operate an opioid treatment 101343
program. Inspections shall be conducted at least biennially and 101344
may be conducted more frequently. 101345

In addition, the department may inspect any provider or other 101346

person that it reasonably believes to be operating an opioid 101347

(2) When conducting an inspection, the department may do both 101349
of the following: 101350

including an administrator, staff person, patient, or client. 101356

(3) No person or government entity shall interfere with a 101357
state or local government official acting on behalf of the 101358
department while conducting an inspection. 101359

only in a liquid form intended for ingestion. 101363

A community addiction services provider shall not administer 101364
or dispense a medication used in medication-assisted treatment for 101365
pain or other medical reasons. 101366

all laws relating to drug abuse and the rules adopted under this 101376

section. Subject to section 5119.27 of the Revised Code, the department may hold hearings, require the production of relevant matter, compel testimony, issue subpoenas, and make adjudications. Upon failure of a person without lawful excuse to obey a subpoena or to produce relevant matter, the department may apply to a court of common pleas for an order compelling compliance.

(K) The department may refuse to issue, or may withdraw or revoke, a license to operate an opioid treatment program. A license may be refused if a community addiction services provider does not meet the requirements of division (C) of this section. A license may be withdrawn at any time the department determines that the provider no longer meets the requirements for receiving the license. A license may be revoked in accordance with division (L) of this section.

Once a license is issued under this section, the department shall not consider the requirement of division (C)(4) of this section in determining whether to renew, withdraw, or revoke the license or whether to reissue the license as a result of a change in ownership.

(L) If the department finds reasonable cause to believe that a community addiction services provider licensed under this section is in violation of any state or federal law or rule relating to drug abuse, the department may issue an order immediately revoking the license, subject to division (M) of this section. The department shall set a date not more than fifteen days later than the date of the order of revocation for a hearing on the continuation or cancellation of the revocation. For good cause, the department may continue the hearing on application of any interested party. In conducting hearings, the department has all the authority and power set forth in division (J) of this section. Following the hearing, the department shall either confirm or cancel the revocation. The hearing shall be conducted

in accordance with Chapter 119. of the Revised Code, except that 101409
the provider shall not be permitted to operate an opioid treatment 101410
program pending the hearing or pending any appeal from an 101411
adjudication made as a result of the hearing. Notwithstanding any 101412
provision of Chapter 119. of the Revised Code to the contrary, a 101413
court shall not stay or suspend any order of revocation issued by 101414
the department under this division pending judicial appeal. 101415

(M) The department shall not revoke a license to operate an 101416
opioid treatment program unless all clients receiving medication 101417
used in medication-assisted treatment from the community addiction 101418
services provider are provided adequate substitute medication or 101419
treatment. For purposes of this division, the department may 101420
transfer the clients to other providers licensed to operate opioid 101421
treatment programs or replace any or all of the administrators and 101422
staff of the provider with representatives of the department who 101423
shall continue on a provisional basis the opioid treatment 101424
component of the provider's operations. 101425

(N) Each time the department receives an application from a 101426
community addiction services provider for a license to operate an 101427
opioid treatment program, issues or refuses to issue a license, or 101428
withdraws or revokes a license, the department shall notify the 101429
board of alcohol, drug addiction, and mental health services of 101430
each alcohol, drug addiction, and mental health service district 101431
in which the provider operates. 101432

(O) Whenever it appears to the department from files, upon 101433
complaint, or otherwise, that a community addiction services 101434
provider has engaged in any practice declared to be illegal or 101435
prohibited by section 3719.61 of the Revised Code, or any other 101436
state or federal laws or regulations relating to drug abuse, or 101437
when the department believes it to be in the best interest of the 101438
public and necessary for the protection of the citizens of the 101439
state, the department may request criminal proceedings by laying 101440

before the prosecuting attorney of the proper county any evidence 101441
of criminality which may come to its knowledge. 101442

(P) The department shall maintain a current list of community 101443
addiction services providers licensed by the department under this 101444
section and shall provide a copy of the current list to a judge of 101445
a court of common pleas who requests a copy for the use of the 101446
judge under division (H) of section 2925.03 of the Revised Code 101447
and to a board of alcohol, drug addiction, and mental health 101448
services that requests a copy for purposes of division (I)(3) of 101449
section 340.08 of the Revised Code. The list of licensed community 101450

and renewal certification, as well as grounds and procedures for 101468
disciplinary action against operators of recovery housing 101469
residences. 101470

(b) A civil or criminal action regarding the medicaid 105052
program. 105053

With respect to an administrative hearing dealing with the 105054

shall maintain its status as not a public record. 105059

(F) The medicaid director shall adopt rules under section 105060
5164.02 of the Revised Code to implement this section. The rules 105061
shall specify circumstances under which the department or the 105062
department's designee may either approve an applicant's 105063
application or allow an independent provider to maintain an 105064
existing provider agreement even though the applicant or 105065

division (D) of section 109.5721 of the Revised Code. 105072

Sec. 5164.342. (A) As used in this section: 105073

"Applicant" means a person who is under final consideration 105074

for employment with a waiver agency in a full-time, part-time, or 105075

the department of medicaid, other than such a person or government 105093
entity that is certified under the medicare program. "Waiver 105094
agency" does not mean an independent provider as defined in 105095
section 5164.341 of the Revised Code. 105096

(B) This section does not apply to any individual who is 105097
subject to a database review or criminal records check under 105098
section 3740.11 of the Revised Code. If a waiver agency also is a 105099
community-based long-term care provider or community-based 105100
long-term care subcontractor, the waiver agency may provide for 105101
any of its applicants and employees who are not subject to 105102
database reviews and criminal records checks under section 173.38 105103
of the Revised Code to undergo database reviews and criminal 105104
records checks in accordance with that section rather than this 105105

section. 105106

(C) No waiver agency shall employ an applicant or continue to 105107
employ an employee in a position that involves providing home and 105108
community-based services if any of the following apply: 105109

(1) A review of the databases listed in division (E) of this 105110
section reveals any of the following: 105111

of the databases listed in divisions (E)(1) to (5) of this 105113
section; 105114

(b) That there is in the state nurse aide registry 105115

detailing findings by the director of health that the applicant or 105117
employee abused, neglected, or exploited a long-term care facility 105118
or residential care facility resident or misappropriated property 105119
of such a resident; 105120

(c) That the applicant or employee is included in one or more 105121
of the databases, if any, specified in rules authorized by this 105122
section and the rules prohibit the waiver agency from employing an 105123
applicant or continuing to employ an employee included in such a 105124
database in a position that involves providing home and 105125
community-based services. 105126

(2) After the applicant or employee is given the information 105127
and notification required by divisions (F)(2)(a) and (b) of this 105128
section, the applicant or employee fails to do either of the 105129
following: 105130

(a) Access, complete, or forward to the superintendent of the 105131
bureau of criminal identification and investigation the form 105132
prescribed to division (C)(1) of section 109.572 of the Revised 105133
Code or the standard impression sheet prescribed pursuant to 105134
division (C)(2) of that section; 105135

(b) Instruct the superintendent to submit the completed report of the criminal records check required by this section directly to the chief administrator of the waiver agency.

(3) Except as provided in rules authorized by this section, the applicant or employee is found by a criminal records check required by this section to have been convicted of or have pleaded guilty to a disqualifying offense, regardless of the date of the conviction or date of entry of the guilty plea.

(D) At the time of each applicant's initial application for employment in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall inform the applicant of both of the following:

(1) That a review of the databases listed in division (E) of this section will be conducted to determine whether the waiver agency is prohibited by division (C)(1) of this section from employing the applicant in the position;

(2) That, unless the database review reveals that the applicant may not be employed in the position, a criminal records check of the applicant will be conducted and the applicant is required to provide a set of the applicant's fingerprint impressions as part of the criminal records check.

(E) As a condition of employing any applicant in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall conduct a database review of the applicant in accordance with rules authorized by this section. If rules authorized by this section so require, the chief administrator of a waiver agency shall conduct a database review of an employee in accordance with the rules as a condition of continuing to employ the employee in a position that involves providing home and community-based services. A database review shall determine whether the applicant or employee is included in

any of the following: 105167

(1) The excluded parties list system that is maintained by 105168
the United States general services administration pursuant to 105169
subpart 9.4 of the federal acquisition regulation and available at 105170
the federal web site known as the system for award management; 105171

(2) The list of excluded individuals and entities maintained 105172
by the office of inspector general in the United States department 105173
of health and human services pursuant to the "Social Security 105174
Act," sections 1128 and 1156, 42 U.S.C. 1320a-7 and 1320c-5; 105175

(3) The registry of developmental disabilities employees 105176
established under section 5123.52 of the Revised Code; 105177

(4) The internet-based sex offender and child-victim offender 105178
database established under division (A)(11) of section 2950.13 of 105179
the Revised Code; 105180

(5) The internet-based database of inmates established under 105181
section 5120.66 of the Revised Code; 105182

(6) The state nurse aide registry established under section 105183
3721.32 of the Revised Code; 105184

(7) Any other database, if any, specified in rules authorized 105185
by this section. 105186

(F)(1) As a condition of employing any applicant in a 105187
position that involves providing home and community-based 105188
services, the chief administrator of a waiver agency shall require 105189
the applicant to request that the superintendent of the bureau of 105190
criminal identification and investigation conduct a criminal 105191
records check of the applicant. If rules authorized by this 105192
section so require, the chief administrator of a waiver agency 105193
shall require an employee to request that the superintendent 105194
conduct a criminal records check of the employee at times 105195
specified in the rules as a condition of continuing to employ the 105196

employee in a position that involves providing home and 105197
community-based services. However, a criminal records check is not 105198
required for an applicant or employee if the waiver agency is 105199
prohibited by division (C)(1) of this section from employing the 105200
applicant or continuing to employ the employee in a position that 105201
involves providing home and community-based services. If an 105202
applicant or employee for whom a criminal records check request is 105203
required by this section does not present proof of having been a 105204
resident of this state for the five-year period immediately prior 105205
to the date the criminal records check is requested or provide 105206
evidence that within that five-year period the superintendent has 105207
requested information about the applicant or employee from the 105208
federal bureau of investigation in a criminal records check, the 105209
chief administrator shall require the applicant or employee to 105210
request that the superintendent obtain information from the 105211
federal bureau of investigation as part of the criminal records 105212
check. Even if an applicant or employee for whom a criminal 105213
records check request is required by this section presents proof 105214
of having been a resident of this state for the five-year period, 105215
the chief administrator may require the applicant or employee to 105216
request that the superintendent include information from the 105217
federal bureau of investigation in the criminal records check. 105218

(2) The chief administrator shall provide the following to 105219
each applicant and employee for whom a criminal records check is 105220
required by this section: 105221

(a) Information about accessing, completing, and forwarding 105222
to the superintendent of the bureau of criminal identification and 105223
investigation the form prescribed pursuant to division (C)(1) of 105224
section 109.572 of the Revised Code and the standard impression 105225
sheet prescribed pursuant to division (C)(2) of that section; 105226

(b) Written notification that the applicant or employee is to 105227
instruct the superintendent to submit the completed report of the 105228

criminal records check directly to the chief administrator. 105229

(3) A waiver agency shall pay to the bureau of criminal 105230
identification and investigation the fee prescribed pursuant to 105231
division (C)(3) of section 109.572 of the Revised Code for any 105232
criminal records check required by this section. However, a waiver 105233
agency may require an applicant to pay to the bureau the fee for a 105234
criminal records check of the applicant. If the waiver agency pays 105235
the fee for an applicant, it may charge the applicant a fee not 105236
exceeding the amount the waiver agency pays to the bureau under 105237
this section if the waiver agency notifies the applicant at the 105238
time of initial application for employment of the amount of the 105239
fee and that, unless the fee is paid, the applicant will not be 105240
considered for employment. 105241

(G)(1) A waiver agency may employ conditionally an applicant 105242
for whom a criminal records check is required by this section 105243
prior to obtaining the results of the criminal records check if 105244
both of the following apply: 105245

(a) The waiver agency is not prohibited by division (C)(1) of 105246
this section from employing the applicant in a position that 105247
involves providing home and community-based services. 105248

(b) The chief administrator of the waiver agency requires the 105249
applicant to request a criminal records check regarding the 105250
applicant in accordance with division (F)(1) of this section not 105251
later than five business days after the applicant begins 105252
conditional employment. 105253

(2) A waiver agency that employs an applicant conditionally 105254
under division (G)(1) of this section shall terminate the 105255
applicant's employment if the results of the criminal records 105256
check, other than the results of any request for information from 105257
the federal bureau of investigation, are not obtained within the 105258
period ending sixty days after the date the request for the 105259

criminal records check is made. Regardless of when the results of 105260
the criminal records check are obtained, if the results indicate 105261
that the applicant has been convicted of or has pleaded guilty to 105262
a disqualifying offense, the waiver agency shall terminate the 105263
applicant's employment unless circumstances specified in rules 105264
authorized by this section exist that permit the waiver agency to 105265
employ the applicant and the waiver agency chooses to employ the 105266
applicant. 105267

(H) The report of any criminal records check conducted 105268
pursuant to a request made under this section is not a public 105269
record for the purposes of section 149.43 of the Revised Code and 105270
shall not be made available to any person other than the 105271
following: 105272

(1) The applicant or employee who is the subject of the 105273
criminal records check or the representative of the applicant or 105274
employee; 105275

(2) The chief administrator of the waiver agency that 105276
requires the applicant or employee to request the criminal records 105277
check or the administrator's representative; 105278

(3) The medicaid director and the staff of the department who 105279
are involved in the administration of the medicaid program; 105280

(4) The director of aging or the director's designee if the 105281
waiver agency also is a community-based long-term care provider or 105282
community-based long-term care subcontractor; 105283

(5) An individual receiving or deciding whether to receive 105284
home and community-based services from the subject of the criminal 105285
records check; 105286

(6) A court, hearing officer, or other necessary individual 105287
involved in a case or administrative hearing dealing with any of 105288
the following: 105289

(a) A denial of employment of the applicant or employee;	105290
(b) Employment or unemployment benefits of the applicant or employee;	105291 105292
(c) A civil or criminal action regarding the medicaid program;	105293 105294
<u>(d) A denial, suspension, or termination of a provider agreement.</u>	105295 105296
<u>With respect to an administrative hearing dealing with a denial, suspension, or termination of a provider agreement, the report of a criminal records check may be introduced as evidence at the hearing and if admitted, becomes part of the hearing record. Any such report shall be admitted only under seal and shall maintain its status as not a public record.</u>	105297 105298 105299 105300 105301 105302
(I) The medicaid director shall adopt rules under section 5164.02 of the Revised Code to implement this section.	105303 105304
(1) The rules may do the following:	105305
(a) Require employees to undergo database reviews and criminal records checks under this section;	105306 105307
(b) If the rules require employees to undergo database reviews and criminal records checks under this section, exempt one or more classes of employees from the requirements;	105308 105309 105310
(c) For the purpose of division (E)(7) of this section, specify other databases that are to be checked as part of a database review conducted under this section.	105311 105312 105313
(2) The rules shall specify all of the following:	105314
(a) The procedures for conducting a database review under this section;	105315 105316
(b) If the rules require employees to undergo database reviews and criminal records checks under this section, the times	105317 105318

at which the database reviews and criminal records checks are to be conducted;

(c) If the rules specify other databases to be checked as part of a database review, the circumstances under which a waiver agency is prohibited from employing an applicant or continuing to employ an employee who is found by the database review to be included in one or more of those databases;

(d) The circumstances under which a waiver agency may employ an applicant or employee who is found by a criminal records check required by this section to have been convicted of or have pleaded guilty to a disqualifying offense.

(J) The amendments made by H.B. 487 of the 129th general assembly to this section do not preclude the department of medicaid from taking action against a person for failure to comply with former division (H) of this section as that division existed on the day preceding January 1, 2013.

Sec. 5164.35. (A) As used in this section, "owner" means any person having at least five per cent ownership in a medicaid provider.

(B)(1) No medicaid provider shall do any of the following:

(b) Willfully receive payments to which the provider is not entitled;

(c) Willfully receive payments in a greater amount than that to which the provider is entitled;

(d) Falsify any report or document required by state or

federal law, rule, or provider agreement relating to medicaid 105349
payments. 105350

(2) A medicaid provider engages in "deception" for the 105351
purpose of this section when the provider, acting with actual 105352
knowledge of the representation or information involved, acting in 105353
deliberate ignorance of the truth or falsity of the representation 105354
or information involved, or acting in reckless disregard of the 105355
truth or falsity of the representation or information involved, 105356
deceives another or causes another to be deceived by any false or 105357
misleading representation, by withholding information, by 105358

case-mix score for the new nursing facility's peer group, the rate 106458
shall be redetermined to reflect the new nursing facility's actual 106459
semiannual average case-mix score determined under section 106460

specified in division (A)(2)(a) or (b) of this section, as 106582
selected by the nursing facility not later than October 1, 2023. 106583
If the nursing facility does not make a selection by October 1, 106584
2023, the case-mix score specified in division (A)(2)(a) of this 106585
section shall apply. The case-mix score may be either of the 106586

2023, which shall apply to the facility's direct care rate from 106591
January 1, 2024, to June 30, 2025. 106592

(B) For the purpose of determining nursing facilities' rates 106593
for direct care costs, the department shall establish three peer 106594
groups. 106595

(1) Each nursing facility located in any of the following 106596
counties shall be placed in peer group one: Brown, Butler, 106597

(C)(1) The department shall determine a cost per case-mix 106615
unit for each peer group established under division (B) of this 106616
section. The cost per case-mix unit determined under this division 106617
for a peer group shall be used for subsequent years until the 106618
department conducts a rebasing. To determine a peer group's cost 106619
per case-mix unit, the department shall do ~~all~~ both of the 106620
following: 106621

(a) Determine the cost per case-mix unit for each nursing 106622
facility in the peer group for the applicable calendar year by 106623
dividing each facility's desk-reviewed, actual, allowable, per 106624
diem direct care costs for the applicable calendar year by the 106625
facility's annual average case-mix score determined under section 106626
5165.192 of the Revised Code for the applicable calendar year; 106627

(b) Subject to division (C)(2) of this section, identify 106628
which nursing facility in the peer group is at the twenty-fifth 106629
percentile of the cost per case-mix units determined under 106630
division (C)(1)(a) of this section; 106631

~~(c) Calculate the amount that is two per cent above the cost 106632
per case mix unit determined under division (C)(1)(a) of this 106633
section for the nursing facility identified under division 106634
(C)(1)(b) of this section; 106635~~

~~(d) Using the index specified in division (C)(3) of this 106636
section, multiply the rate of inflation for the eighteen month 106637
period beginning on the first day of July of the applicable 106638
calendar year and ending the last day of December of the calendar 106639
year immediately following the applicable calendar year by the 106640
amount calculated under division (C)(1)(c) of this section. 106641~~

(2) In making the identification under division (C)(1)(b) of 106642

this section, the department shall exclude both of the following: 106643

(a) Nursing facilities that participated in the medicaid 106644
program under the same provider for less than twelve months in the 106645
applicable calendar year; 106646

(b) Nursing facilities whose cost per case-mix unit is more 106647
than one standard deviation from the mean cost per case-mix unit 106648
for all nursing facilities in the nursing facility's peer group 106649
for the applicable calendar year. 106650

~~(3) The following index shall be used for the purpose of the 106651
calculation made under division (C)(1)(d) of this section:~~ 106652

~~(a) Except as provided in division (C)(3)(b) of this section, 106653
the employment cost index for total compensation, nursing and 106654
residential care facilities occupational group, published by the 106655
United States bureau of labor statistics;~~ 106656

~~(b) If the United States bureau of labor statistics ceases to 106657
publish the index specified in division (C)(3)(a) of this section, 106658
the index the bureau subsequently publishes that covers nursing 106659
facilities' staff costs.~~ 106660

~~(4) The department shall not redetermine a peer group's cost 106661
per case-mix unit under this division based on additional 106662
information that it receives after the peer group's per case-mix 106663
unit is determined. The department shall redetermine a peer 106664
group's cost per case-mix unit only if it made an error in 106665
determining the peer group's cost per case-mix unit based on 106666
information available to the department at the time of the 106667
original determination. 106668~~

Sec. 5165.192. (A)(1) Except as provided in division (B) of 106669
this section and in accordance with the process specified in rules 106670
authorized by this section, the department of medicaid shall do 106671
all of the following: 106672

(a) Every quarter, determine the following two case-mix scores for each nursing facility: 106673

(i) A quarterly case-mix score that includes each resident who is a medicaid recipient and is not a low ~~resource utilization~~ case-mix resident; 106674

(ii) A quarterly case-mix score that includes each resident regardless of payment source. 106675

(b) Every six months, determine a semiannual average case-mix score for each nursing facility by using the quarterly case-mix scores determined for the nursing facility pursuant to division (A)(1)(a)(i) of this section; 106676

(c) After the end of each calendar year, determine an annual average case-mix score for each nursing facility by using the quarterly case-mix scores determined for the nursing facility pursuant to division (A)(1)(a)(ii) of this section. 106677

(2) When determining case-mix scores under division (A)(1) of this section, the department shall use all of the following: 106678

(a) Data from a resident assessment instrument specified in rules authorized by section 5165.191 of the Revised Code; 106679

(b) Except as provided in rules authorized by this section, the case-mix values established by the United States department of health and human services; 106680

(c) Except as modified in rules authorized by this section, the grouper methodology used on ~~June 30, 1999~~ October 1, 2019, by the United States department of health and human services for prospective payment of skilled nursing facilities under the medicare program. 106681

(B)(1) Subject to division (B)(2) of this section, the department, for one or more months of a calendar quarter, may assign to a nursing facility a case-mix score that is five per 106682

cent less than the nursing facility's case-mix score for the 106703
immediately preceding calendar quarter if any of the following 106704
apply: 106705

(a) The provider does not timely submit complete and accurate 106706
resident assessment data necessary to determine the nursing 106707
facility's case-mix score for the calendar quarter; 106708

(b) The nursing facility was subject to an exception review 106709
under section 5165.193 of the Revised Code for the immediately 106710
preceding calendar quarter; 106711

(c) The nursing facility was assigned a case-mix score for 106712
the immediately preceding calendar quarter. 106713

(2) Before assigning a case-mix score to a nursing facility 106714
due to the submission of incorrect resident assessment data, the 106715
department shall permit the provider to correct the data. The 106716
department may assign the case-mix score if the provider fails to 106717
submit the corrected resident assessment data not later than the 106718
earlier of the forty-fifth day after the end of the calendar 106719
quarter to which the data pertains or the deadline for submission 106720
of such corrections established by regulations adopted by the 106721
United States department of health and human services under Title 106722
XVIII and Title XIX. 106723

(3) If, for more than six months in a calendar year, a 106724
provider is paid a rate determined for a nursing facility using a 106725
case-mix score assigned to the nursing facility under division 106726
(B)(1) of this section, the department may assign the nursing 106727
facility a cost per case-mix unit that is five per cent less than 106728
the nursing facility's actual or assigned cost per case-mix unit 106729
for the immediately preceding calendar year. The department may 106730
use the assigned cost per case-mix unit, instead of determining 106731
the nursing facility's actual cost per case-mix unit in accordance 106732
with section 5165.19 of the Revised Code, to establish the nursing 106733

facility's rate for direct care costs for the fiscal year 106734
immediately following the calendar year for which the cost per 106735
case-mix unit is assigned. 106736

(4) The department shall take action under division (B)(1), 106737
(2), or (3) of this section only in accordance with rules 106738
authorized by this section. The department shall not take an 106739
action that affects rates for prior payment periods except in 106740
accordance with sections 5165.41 and 5165.42 of the Revised Code. 106741

(C) The medicaid director shall adopt rules under section 106742
5165.02 of the Revised Code as necessary to implement this 106743
section. 106744

(1) The rules shall do all of the following: 106745

(a) Specify the process for determining the semiannual and 106746
annual average case-mix scores for nursing facilities; 106747

~~(b) Adjust the case mix values specified in division 106748
(A)(2)(b) of this section to reflect changes in relative wage 106749
differentials that are specific to this state; 106750~~

~~(c) Express all of those case-mix values in numeric terms 106751
that are different from the terms specified by the United States 106752
department of health and human services but that do not alter the 106753
relationship of the case-mix values to one another; 106754~~

~~(d)(c) Modify the grouper methodology specified in division 106755
(A)(2)(c) of this section as follows: 106756~~

~~(i) Establish a different hierarchy for assigning residents 106757
to case mix categories under the methodology; 106758~~

~~(ii) Allow the use of the index maximizer element of the 106759
methodology; 106760~~

~~(iii) Incorporate changes to the methodology the United 106761
States department of health and human services makes after June 106762
30, 1999 October 1, 2019; 106763~~

~~(iv)~~(ii) Make other changes the department determines are necessary. 106764
106765

~~(e)~~(d) Establish procedures under which resident assessment data shall be reviewed for accuracy and providers shall be notified of any data that requires correction; 106766
106767
106768

~~(f)~~(e) Establish procedures for providers to correct resident assessment data and specify a reasonable period of time by which providers shall submit the corrections. The procedures may limit the content of corrections in the manner required by regulations adopted by the United States department of health and human services under Title XVIII and Title XIX. 106769
106770
106771
106772
106773
106774

~~(g)~~(f) Specify when and how the department will assign case-mix scores or costs per case-mix unit to a nursing facility under division (B) of this section if information necessary to calculate the nursing facility's case-mix score is not provided or corrected in accordance with the procedures established by the rules. 106775
106776
106777
106778
106779
106780

(2) Notwithstanding any other provision of this chapter, the rules may provide for the exclusion of case-mix scores assigned to a nursing facility under division (B) of this section from the determination of the nursing facility's semiannual or annual average case-mix score and the cost per case-mix unit for the nursing facility's peer group. 106781

If the facility surrenders licensed or certified beds before the first day of May of the calendar year in which the fiscal year begins, the department shall calculate a nursing facility's occupancy rate by dividing the inpatient days reported on the facility's cost report for the calendar year preceding the fiscal year for which the rate is determined by the product of the number of days in the calendar year and the facility's number of licensed, or if applicable, certified beds on the first day of May of the calendar year in which the fiscal year begins. 106860

~~(c) Subject to division (D)(4) of this section, one or more of the beds that are part of the nursing facility's licensed capacity could not be used for resident care during calendar year 2019 due to causes beyond the reasonable control of the nursing facility's operator, including a force majeure event;~~

~~(i) The renovation involved capital expenditures of at least fifty thousand dollars, excluding expenditures for equipment, staffing, or operational costs.~~

~~(ii) The renovation directly impacted the area of the nursing facility in which the beds that are part of the nursing facility's licensed capacity are located.~~

(3) A nursing facility's licensed occupancy percentage for	106946
the purpose of division (D)(1) of this section shall be determined	106947

of this section by one hundred.	106963
(4) For a nursing facility to be exempt from division (D)(1)	106964
of this section on account of division (D)(2)(c) of this section,	106965
the nursing facility's operator must provide to the department	106966
written documentation of the number of days during calendar year	106967
2019 that one or more of the beds that are part of the nursing	106968
facility's licensed capacity could not be used and the specific	106969
reason why they could not be used.	106970
(5) For a nursing facility to be exempt from division (D)(1)	106971
of this section on account of division (D)(2)(d) of this section,	106972
the nursing facility's operator must provide to the department	106973
written documentation that confirms the renovation and capital	106974

Sec. 5703.37. (A)(1) Except as provided in division (B) of this section, whenever service of a notice or order is required in 109838
109839

the manner provided in this section, a copy of the notice or order shall be served upon the person affected thereby either by personal service, by certified mail, or by a delivery service authorized under section 5703.056 of the Revised Code that notifies the tax commissioner of the date of delivery.

(2) In lieu of serving a copy of a notice or order through one of the means provided in division (A)(1) of this section, the commissioner may serve a notice or order upon the person affected thereby through alternative means as provided in this section, including, but not limited to, delivery by secure electronic mail as provided in division (F) of this section or by ordinary mail. Delivery by such means satisfies the requirements for delivery under this section.

(B)(1)(a) If certified mail is returned because of an undeliverable address, the commissioner shall first utilize reasonable means to ascertain a new last known address, including the use of a change of address service offered by the United States postal service or an authorized delivery service under section 5703.056 of the Revised Code. If, after using reasonable means, the commissioner is unable to ascertain a new last known address, the assessment is final for purposes of section 131.02 of the Revised Code sixty days after the notice or order sent by certified mail is first returned to the commissioner, and the commissioner shall certify the notice or order, if applicable, to the attorney general for collection under section 131.02 of the Revised Code.

(b) Notwithstanding certification to the attorney general under division (B)(1)(a) of this section, once the commissioner or attorney general, or the designee of either, makes an initial contact with the person to whom the notice or order is directed, the person may protest an assessment by filing a petition for reassessment within sixty days after the initial contact. The

certification of an assessment under division (B)(1)(a) of this 109872
section is prima-facie evidence that delivery is complete and that 109873
the notice or order is served. 109874

(2) If mailing of a notice or order by certified mail is 109875
returned for some cause other than an undeliverable address or if 109876
a person does not access an electronic notice or order within the 109877
time provided in division (F) of this section, the commissioner 109878
shall resend the notice or order by ordinary mail. The notice or 109879
order shall show the date the commissioner sends the notice or 109880
order and include the following statement: 109881

"This notice or order is deemed to be served on the addressee 109882
under applicable law ten days from the date this notice or order 109883
was mailed by the commissioner as shown on the notice or order, 109884
and all periods within which an appeal may be filed apply from and 109885
after that date." 109886

Unless the mailing is returned because of an undeliverable 109887
address, the mailing of that information is prima-facie evidence 109888
that delivery of the notice or order was completed ten days after 109889
the commissioner sent the notice or order by ordinary mail and 109890
that the notice or order was served. 109891

If the ordinary mail is subsequently returned because of an 109892
undeliverable address, the commissioner shall proceed under 109893
division (B)(1)(a) of this section. A person may challenge the 109894
presumption of delivery and service under this division in 109895
accordance with division (C) of this section. 109896

(C)(1) A person disputing the presumption of delivery and 109897
service under division (B) of this section bears the burden of 109898
proving by a preponderance of the evidence that the address to 109899
which the notice or order was sent was not an address with which 109900
the person was associated at the time the commissioner originally 109901
mailed the notice or order by certified mail. For the purposes of 109902

this section, a person is associated with an address at the time 109903
the commissioner originally mailed the notice or order if, at that 109904
time, the person was residing, receiving legal documents, or 109905
conducting business at the address; or if, before that time, the 109906
person had conducted business at the address and, when the notice 109907
or order was mailed, the person's agent or the person's affiliate 109908
was conducting business at the address. For the purposes of this 109909
section, a person's affiliate is any other person that, at the 109910
time the notice or order was mailed, owned or controlled at least 109911
twenty per cent, as determined by voting rights, of the 109912
addressee's business. 109913

(2) If the person elects to protest an assessment certified 109914
to the attorney general for collection, the person must do so 109915
within sixty days after the attorney general's initial contact 109916
with the person. The attorney general may enter into a compromise 109917
with the person under sections 131.02 and 5703.06 of the Revised 109918
Code if the person does not file a petition for reassessment with 109919
the commissioner. 109920

(D) Nothing in this section prohibits the commissioner or the 109921
commissioner's designee from delivering a notice or order by 109922
personal service. 109923

(E) Collection actions taken pursuant to section 131.02 of 109924
the Revised Code upon any assessment being challenged under 109925
division (B)(1)(b) of this section shall be stayed upon the 109926
pendency of an appeal under this section. If a petition for 109927
reassessment is filed pursuant to this section on a claim that has 109928
been certified to the attorney general for collection, the claim 109929
shall be uncertified. 109930

~~(F)~~(F)(1) The commissioner may serve a notice or order upon 109931
the person affected by the notice or order or that person's 109932
authorized representative through secure electronic means ~~only~~ 109933
~~with the person's consent~~ associated with the person's or 109934

representative's last known address, but only with the person's 109935
consent. The commissioner must inform the recipient, 109936
electronically or by mail, that a notice or order is available for 109937
electronic review and provide instructions to access and print the 109938
notice or order. The types of electronic notification the 109939
commissioner may use include electronic mail, text message, or any 109940
other form of electronic communication. The recipient's electronic 109941
access of the notice or order satisfies the requirements for 109942
delivery under this section. If the recipient fails to access the 109943
notice or order electronically within ten business days, then the 109944
commissioner shall inform the recipient a second time, 109945
electronically or by mail, that a notice or order is available for 109946
electronic review and provide instructions to access and print the 109947
notice or order. If the recipient fails to access the notice or 109948
order electronically within ten business days of the second 109949
notification, the notice or order shall be served upon the person 109950
through the means provided in division (B)(2) of this section. 109951

(2) The tax commissioner shall establish a system to issue 109952
notification of assessments to taxpayers through secure electronic 109953
means. 109954

(G) As used in this section: 109955

(1) "Last known address" means the address the department has 109956
at the time the document is originally sent by certified mail, or 109957

such as the use of a change of address service offered by the 109959
United States postal service or an authorized delivery service 109960
under section 5703.056 of the Revised Code. For documents sent by 109961
secure electronic means, "last known address" means an electronic 109962
mode of communication that is identified on a form prescribed by 109963
the commissioner for such purpose or that is associated with the 109964
person or the authorized representative of the person on the Ohio 109965
business gateway, as defined in section 718.01 of the Revised 109966

Code, as of the date the notification was sent. 109967

(2) "Undeliverable address" means an address to which the 109968
United States postal service or an authorized delivery service 109969
under section 5703.056 of the Revised Code is not able to deliver 109970
a notice or order, except when the reason for nondelivery is 109971
because the addressee fails to acknowledge or accept the notice or 109972
order. 109973

Sec. 5703.53. (A) An "opinion of the tax commissioner" means 109974
an opinion issued under this section with respect to prospective 109975

from a request for administrative review of an assessment, a claim 109978
for refund, or an application for a pollution control or other 109979
certificate. 109980

(B) If a taxpayer requests in writing an opinion from the tax 109981
commissioner as to whether or how certain property, income, source 109982
of income, or a certain activity or transaction will be taxed, the 109983
commissioner's written response shall be an "opinion of the tax 109984
commissioner" and shall bind the commissioner, in accordance with 109985
divisions (C), (G), and (H) of this section, provided all of the 109986
following conditions are satisfied: 109987

or circumstances relevant to a determination of the taxability of 109989
the property, income, source of income, activity, or transaction, 109990

(2) The request relates to a "tax" as defined in section 109994
5703.50 of the Revised Code. 109995

(3) The commissioner's response is signed by the commissioner 109996

and designated as an "opinion of the tax commissioner." 109997

(C) An opinion of the tax commissioner shall remain in effect 109998
and shall protect the taxpayer for whom the opinion was prepared 109999
and who reasonably relies on it from liability for any taxes, 110000
penalty, or interest otherwise chargeable on the activity or 110001
transaction specifically held by the commissioner's opinion to be 110002
taxable in a particular manner or not to be subject to taxation 110003
for any tax year that may be specified in the opinion, or until 110004

a court issues an opinion establishing or changing relevant case 110023
law with respect to federal statutes or regulations; 110024

(6) The effective date of any change in the taxpayer's 110025
material facts or circumstances; 110026

(7) The effective date of the expiration of the opinion, if specified, in the opinion. 110027
110028

(D) A taxpayer is not relieved of liability for any activity or transaction related to a request for an opinion that contained any misrepresentation or omission of one or more material facts. 110029
110030
110031

(E) If the commissioner provides written advice under this section, the opinion shall include a statement that: 110032

(1) The tax consequences stated in the opinion may be subject to change for any of the reasons stated in division (C) of this section; 110034
110035
110036

(2) It is the duty of the taxpayer to be aware of such changes. 110037

110042

during the first three years of the five-year period. 110342

the department shall immediately notify the district and the 110352
auditor of state of such potential deficit or strong indications 110353
thereof. 110354

Code that has been issued to any school employee found to have 110361
willfully contributed erroneous, inaccurate, or incomplete data 110362
required for the submission of the five-year projection required 110363
by this section. 110364

(C) The department and the auditor of state, in their joint 110365
adoption of rules under division (A) of this section, shall not 110366
require a board of education to submit its five-year projection of 110367
operational revenues and expenditures prior to the thirtieth day 110368
of November of any fiscal year. 110369

that results from those activities. 110428

(8) "Public infrastructure improvement" includes, but is not 110429
limited to, public roads and highways; water and sewer lines; the 110430

continued maintenance of those public roads and highways and water 110431
and sewer lines; environmental remediation; land acquisition, 110432

division (C) of this section. 110451

(b) The parcel's owner is required to make payments in lieu 110452

(c) No such payments have been remitted to the county 110454

(B) The legislative authority of a municipal corporation, by 110456
ordinance, may declare improvements to certain parcels of real 110457
property located in the municipal corporation to be a public 110458
purpose. Improvements with respect to a parcel that is used or to 110459
be used for residential purposes may be declared a public purpose 110460
under this division only if the parcel is located in a blighted 110461

area of an impacted city. For this purpose, "parcel that is used 110462
or to be used for residential purposes" means a parcel that, as 110463
improved, is used or to be used for purposes that would cause the 110464
tax commissioner to classify the parcel as residential property in 110465
accordance with rules adopted by the commissioner under section 110466
5713.041 of the Revised Code. Except as otherwise provided under 110467
division (D) of this section or section 5709.51 of the Revised 110468
Code, not more than seventy-five per cent of an improvement thus 110469
declared to be a public purpose may be exempted from real property 110470
taxation for a period of not more than ten years. The ordinance 110471
shall specify the percentage of the improvement to be exempted 110472
from taxation and the life of the exemption. 110473

An ordinance adopted or amended under this division shall 110474
designate the specific public infrastructure improvements made, to 110475
be made, or in the process of being made by the municipal 110476
corporation that directly benefit, or that once made will directly 110477
benefit, the parcels for which improvements are declared to be a 110478
public purpose. The service payments provided for in section 110479
5709.42 of the Revised Code shall be used to finance the public 110480
infrastructure improvements designated in the ordinance, for the 110481
purpose described in division (D)(1) of this section or as 110482
provided in section 5709.43 of the Revised Code. 110483

(C)(1) The legislative authority of a municipal corporation 110484
may adopt an ordinance creating an incentive district and 110485
declaring improvements to parcels within the district to be a 110486
public purpose and, except as provided in division (C)(2) of this 110487
section, exempt from taxation as provided in this section, but no 110488
legislative authority of a municipal corporation that has a 110489
population that exceeds twenty-five thousand, as shown by the most 110490
recent federal decennial census, shall adopt an ordinance that 110491
creates an incentive district if the sum of the taxable value of 110492
real property in the proposed district for the preceding tax year 110493

and the taxable value of all real property in the municipal corporation that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the municipal corporation for the preceding tax year. The ordinance shall delineate the boundary of the proposed district and specifically identify each parcel within the district. A proposed district may not include any parcel, other than a nonperforming parcel, that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. On and after the effective date of the district, a nonperforming parcel within the district is no longer exempted from taxation under division (B) of this section or included within an incentive district under any previous ordinance, and the parcel's owner is no longer required to make payments in lieu of taxes under such a previous ordinance in accordance with section 5709.42 of the Revised Code. Any exemption application filed with the tax commissioner under section 5715.27 of the Revised Code under the second ordinance shall identify the nonperforming parcels included in the second district, the original ordinance under which the nonperforming parcels were originally exempted, and the value history of each nonperforming parcel since the enactment of the original ordinance. An ordinance may create more than one such district, and more than one ordinance may be adopted under division (C)(1) of this section.

(2)(a) Not later than thirty days prior to adopting an ordinance under division (C)(1) of this section, if the municipal corporation intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the legislative authority of the municipal corporation shall conduct a public hearing on the proposed ordinance. Not later than thirty

days prior to the public hearing, the legislative authority shall 110527
give notice of the public hearing and the proposed ordinance by 110528
first class mail to every real property owner whose property is 110529
located within the boundaries of the proposed incentive district 110530
that is the subject of the proposed ordinance. The notice shall 110531
include a map of the proposed incentive district on which the 110532
legislative authority of the municipal corporation shall have 110533
delineated an overlay. The notice shall inform the property owner 110534
of the owner's right to exclude the owner's property from the 110535
incentive district if the owner's entire parcel of property will 110536
not be located within the overlay, by submitting a written 110537
response in accordance with division (C)(2)(b) of this section. 110538
The notice also shall include information detailing the required 110539
contents of the response, the address to which the response may be 110540
mailed, and the deadline for submitting the response. 110541

(b) Any owner of real property located within the boundaries 110542
of an incentive district proposed under division (C)(1) of this 110543
section whose entire parcel of property is not located within the 110544
overlay may exclude the property from the proposed incentive 110545
district by submitting a written response to the legislative 110546
authority of the municipal corporation not later than forty-five 110547
days after the postmark date on the notice required under division 110548
(C)(2)(a) of this section. The response shall be sent by first 110549
class mail or delivered in person at a public hearing held by the 110550
legislative authority under division (C)(2)(a) of this section. 110551
The response shall conform to any content requirements that may be 110552
established by the municipal corporation and included in the 110553
notice provided under division (C)(2)(a) of this section. In the 110554
response, property owners may identify a parcel by street address, 110555
by the manner in which it is identified in the ordinance, or by 110556
other means allowing the identity of the parcel to be ascertained. 110557

(c) Before adopting an ordinance under division (C)(1) of 110558

this section, the legislative authority of a municipal corporation shall amend the ordinance to exclude any parcel located wholly or partly outside the overlay for which a written response has been submitted under division (C)(2)(b) of this section. A municipal corporation shall not apply for exemptions from taxation under section 5709.911 of the Revised Code for any such parcel, and service payments may not be required from the owner of the parcel. Improvements to a parcel excluded from an incentive district under this division may be exempted from taxation under division (B) of this section pursuant to an ordinance adopted under that division or under any other section of the Revised Code under which the parcel qualifies.

(3)(a) An ordinance adopted under division (C)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The ordinance also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the ordinance. The project identified may, but need not be, the project under division (C)(3)(b) of this section that places real property in use for commercial or industrial purposes. Except as otherwise permitted under that division, the service payments provided for in section 5709.42 of the Revised Code shall be used to finance the designated public infrastructure improvements, for the purpose described in division (D)(1), (E), or (F) of this section, or as provided in section 5709.43 of the Revised Code.

An ordinance adopted under division (C)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and no service

payment provided for in section 5709.42 of the Revised Code and 110591
received by the municipal corporation under the ordinance shall be 110592
used for police or fire equipment. 110593

(b) An ordinance adopted under division (C)(1) of this 110594
section may authorize the use of service payments provided for in 110595
section 5709.42 of the Revised Code for the purpose of housing 110596
renovations within the incentive district, provided that the 110597
ordinance also designates public infrastructure improvements that 110598
benefit or serve the district, and that a project within the 110599
district places real property in use for commercial or industrial 110600
purposes. Service payments may be used to finance or support 110601
loans, deferred loans, and grants to persons for the purpose of 110602
housing renovations within the district. The ordinance shall 110603
designate the parcels within the district that are eligible for 110604
housing renovation. The ordinance shall state separately the 110605
amounts or the percentages of the expected aggregate service 110606
payments that are designated for each public infrastructure 110607
improvement and for the general purpose of housing renovations. 110608

(4) Except with the approval of the board of education of 110609
each city, local, or exempted village school district within the 110610
territory of which the incentive district is or will be located, 110611
and subject to division (E) of this section, the life of an 110612
incentive district shall not exceed ten years, and the percentage 110613
of improvements to be exempted shall not exceed seventy-five per 110614
cent. With approval of the board of education, the life of a 110615
district may be not more than thirty years, and the percentage of 110616
improvements to be exempted may be not more than one hundred per 110617
cent. The approval of a board of education shall be obtained in 110618
the manner provided in division (D) of this section. 110619

(D)(1) If the ordinance declaring improvements to a parcel to 110620
be a public purpose or creating an incentive district specifies 110621
that payments in lieu of taxes provided for in section 5709.42 of 110622

the Revised Code shall be paid to the city, local, or exempted 110623
village, and joint vocational school district in which the parcel 110624
or incentive district is located in the amount of the taxes that 110625
would have been payable to the school district if the improvements 110626
had not been exempted from taxation, the percentage of the 110627
improvement that may be exempted from taxation may exceed 110628
seventy-five per cent, and the exemption may be granted for up to 110629
thirty years, without the approval of the board of education as 110630
otherwise required under division (D)(2) of this section. 110631

(2) Improvements with respect to a parcel may be exempted 110632
from taxation under division (B) of this section, and improvements 110633
to parcels within an incentive district may be exempted from 110634
taxation under division (C) of this section, for up to ten years 110635
or, with the approval under this paragraph of the board of 110636
education of the city, local, or exempted village school district 110637
within which the parcel or district is located, for up to thirty 110638
years. The percentage of the improvement exempted from taxation 110639
may, with such approval, exceed seventy-five per cent, but shall 110640
not exceed one hundred per cent. Not later than forty-five 110641
business days prior to adopting an ordinance under this section 110642
declaring improvements to be a public purpose that is subject to 110643
approval by a board of education under this division, the 110644
legislative authority shall deliver to the board of education a 110645
notice stating its intent to adopt an ordinance making that 110646
declaration. The notice regarding improvements with respect to a 110647
parcel under division (B) of this section shall identify the 110648
parcels for which improvements are to be exempted from taxation, 110649
provide an estimate of the true value in money of the 110650
improvements, specify the period for which the improvements would 110651
be exempted from taxation and the percentage of the improvement 110652
that would be exempted, and indicate the date on which the 110653
legislative authority intends to adopt the ordinance. The notice 110654
regarding improvements to parcels within an incentive district 110655

under division (C) of this section shall delineate the boundaries 110656
of the district, specifically identify each parcel within the 110657
district, identify each anticipated improvement in the district, 110658
provide an estimate of the true value in money of each such 110659
improvement, specify the life of the district and the percentage 110660
of improvements that would be exempted, and indicate the date on 110661
which the legislative authority intends to adopt the ordinance. 110662
The board of education, by resolution adopted by a majority of the 110663
board, may approve the exemption for the period or for the 110664
exemption percentage specified in the notice; may disapprove the 110665
exemption for the number of years in excess of ten, may disapprove 110666
the exemption for the percentage of the improvement to be exempted 110667
in excess of seventy-five per cent, or both; or may approve the 110668
exemption on the condition that the legislative authority and the 110669
board negotiate an agreement providing for compensation to the 110670
school district equal in value to a percentage of the amount of 110671
taxes exempted in the eleventh and subsequent years of the 110672
exemption period or, in the case of exemption percentages in 110673
excess of seventy-five per cent, compensation equal in value to a 110674
percentage of the taxes that would be payable on the portion of 110675
the improvement in excess of seventy-five per cent were that 110676
portion to be subject to taxation, or other mutually agreeable 110677
compensation. If an agreement is negotiated between the 110678
legislative authority and the board to compensate the school 110679
district for all or part of the taxes exempted, including 110680
agreements for payments in lieu of taxes under section 5709.42 of 110681
the Revised Code, the legislative authority shall compensate the 110682
joint vocational school district within which the parcel or 110683
district is located at the same rate and under the same terms 110684
received by the city, local, or exempted village school district. 110685

(3) The board of education shall certify its resolution to 110686
the legislative authority not later than fourteen days prior to 110687
the date the legislative authority intends to adopt the ordinance 110688

as indicated in the notice. If the board of education and the legislative authority negotiate a mutually acceptable compensation agreement, the ordinance may declare the improvements a public purpose for the number of years specified in the ordinance or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the ordinance. In either case, if the board and the legislative authority fail to negotiate a mutually acceptable compensation agreement, the ordinance may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board fails to certify a resolution to the legislative authority within the time prescribed by this division, the legislative authority thereupon may adopt the ordinance and may declare the improvements a public purpose for up to thirty years, or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the ordinance. The legislative authority may adopt the ordinance at any time after the board of education certifies its resolution approving the exemption to the legislative authority, or, if the board approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board and the legislative authority.

(4) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of exemptions by the board is not required under division (D) of this section. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under division (D) of this section fewer than forty-five business days prior to the legislative authority's adoption of the ordinance, the legislative authority shall deliver the notice to the board not later than the number of days prior to such adoption as prescribed by the board

in its resolution. If a board of education adopts a resolution 110722
waiving its right to approve agreements or shortening the 110723
notification period, the board shall certify a copy of the 110724
resolution to the legislative authority. If the board of education 110725
rescinds such a resolution, it shall certify notice of the 110726
rescission to the legislative authority. 110727

(5) If the legislative authority is not required by division 110728
(D) of this section to notify the board of education of the 110729
legislative authority's intent to declare improvements to be a 110730
public purpose, the legislative authority shall comply with the 110731
notice requirements imposed under section 5709.83 of the Revised 110732
Code, unless the board has adopted a resolution under that section 110733
waiving its right to receive such a notice. 110734

(6) Nothing in division (D) of this section prohibits the 110735
legislative authority of a municipal corporation from amending the 110736
ordinance or resolution under section 5709.51 of the Revised Code 110737
to extend the term of the exemption. 110738

(E)(1) If a proposed ordinance under division (C)(1) of this 110739
section exempts improvements with respect to a parcel within an 110740
incentive district for more than ten years, or the percentage of 110741
the improvement exempted from taxation exceeds seventy-five per 110742
cent, not later than forty-five business days prior to adopting 110743
the ordinance the legislative authority of the municipal 110744
corporation shall deliver to the board of county commissioners of 110745
the county within which the incentive district will be located a 110746
notice that states its intent to adopt an ordinance creating an 110747
incentive district. The notice shall include a copy of the 110748
proposed ordinance, identify the parcels for which improvements 110749
are to be exempted from taxation, provide an estimate of the true 110750
value in money of the improvements, specify the period of time for 110751
which the improvements would be exempted from taxation, specify 110752
the percentage of the improvements that would be exempted from 110753

taxation, and indicate the date on which the legislative authority 110754
intends to adopt the ordinance. 110755

(2) The board of county commissioners, by resolution adopted 110756
by a majority of the board, may object to the exemption for the 110757
number of years in excess of ten, may object to the exemption for 110758
the percentage of the improvement to be exempted in excess of 110759
seventy-five per cent, or both. If the board of county 110760
commissioners objects, the board may negotiate a mutually 110761
acceptable compensation agreement with the legislative authority. 110762
In no case shall the compensation provided to the board exceed the 110763
property taxes forgone due to the exemption. If the board of 110764
county commissioners objects, and the board and legislative 110765
authority fail to negotiate a mutually acceptable compensation 110766
agreement, the ordinance adopted under division (C)(1) of this 110767
section shall provide to the board compensation in the eleventh 110768
and subsequent years of the exemption period equal in value to not 110769
more than fifty per cent of the taxes that would be payable to the 110770
county or, if the board's objection includes an objection to an 110771
exemption percentage in excess of seventy-five per cent, 110772
compensation equal in value to not more than fifty per cent of the 110773
taxes that would be payable to the county, on the portion of the 110774
improvement in excess of seventy-five per cent, were that portion 110775
to be subject to taxation. The board of county commissioners shall 110776
certify its resolution to the legislative authority not later than 110777
thirty days after receipt of the notice. 110778

(3) If the board of county commissioners does not object or 110779
fails to certify its resolution objecting to an exemption within 110780
thirty days after receipt of the notice, the legislative authority 110781
may adopt the ordinance, and no compensation shall be provided to 110782
the board of county commissioners. If the board timely certifies 110783
its resolution objecting to the ordinance, the legislative 110784
authority may adopt the ordinance at any time after a mutually 110785

acceptable compensation agreement is agreed to by the board and 110786
the legislative authority, or, if no compensation agreement is 110787
negotiated, at any time after the legislative authority agrees in 110788
the proposed ordinance to provide compensation to the board of 110789
fifty per cent of the taxes that would be payable to the county in 110790
the eleventh and subsequent years of the exemption period or on 110791
the portion of the improvement in excess of seventy-five per cent, 110792
were that portion to be subject to taxation. 110793

(F) Service payments in lieu of taxes that are attributable 110794
to any amount by which the effective tax rate of either a renewal 110795
levy with an increase or a replacement levy exceeds the effective 110796
tax rate of the levy renewed or replaced, or that are attributable 110797
to an additional levy, for a levy authorized by the voters for any 110798
of the following purposes on or after January 1, 2006, and which 110799
are provided pursuant to an ordinance creating an incentive 110800
district under division (C)(1) of this section that is adopted on 110801
or after January 1, 2006, or a later date as specified in this 110802
division, shall be distributed to the appropriate taxing authority 110803
as required under division (C) of section 5709.42 of the Revised 110804
Code in an amount equal to the amount of taxes from that 110805
additional levy or from the increase in the effective tax rate of 110806
such renewal or replacement levy that would have been payable to 110807
that taxing authority from the following levies were it not for 110808
the exemption authorized under division (C) of this section: 110809

(1) A tax levied under division (L) of section 5705.19 or 110810
section 5705.191 or 5705.222 of the Revised Code for community 110811

for county hospitals;	110818
(4) A tax levied by a joint-county district or by a county	110819
under section 5705.19, 5705.191, or 5705.221 of the Revised Code	110820
for alcohol, drug addiction, and mental health services or	110821
facilities;	110822
(5) A tax levied under section 5705.23 of the Revised Code	110823
for library purposes;	110824
(6) A tax levied under section 5705.24 of the Revised Code	110825
for the support of children services and the placement and care of	110826
children;	110827
(7) A tax levied under division (Z) of section 5705.19 of the	110828
Revised Code for the provision and maintenance of zoological park	110829
services and facilities under section 307.76 of the Revised Code;	110830
(8) A tax levied under section 511.27 or division (H) of	110831
section 5705.19 of the Revised Code for the support of township	110832
park districts;	110833
(9) A tax levied under division (A), (F), or (H) of section	110834
5705.19 of the Revised Code for parks and recreational purposes of	110835
a joint recreation district organized pursuant to division (B) of	110836
section 755.14 of the Revised Code;	110837
(10) A tax levied under section 1545.20 or 1545.21 of the	110838
Revised Code for park district purposes;	110839

health and hospitalization; and support of general hospitals;	110843
(12) A tax levied under section 3709.29 of the Revised Code	110844
for a general health district program.	110845
(13) A tax levied by a township under section 505.39,	110846
division (I) of section 5705.19, or division (JJ) of section	110847

5705.19 of the Revised Code to the extent the proceeds are used 110848
for the purposes described in division (I) of that section, for 110849
the purpose of funding fire, emergency medical, and ambulance 110850
services as described in that section and those divisions. 110851
Division (F)(13) of this section applies only if the township 110852
levying the tax provides fire, emergency medical, or ambulance 110853
services in the incentive district, and only to incentive 110854
districts created by an ordinance adopted on or after the 110855
effective date of the amendment of this section by H.B. 69 of the 110856
132nd general assembly, March 23, 2018. The board of township 110857
trustees may, by resolution, waive the application of this 110858
division or negotiate with the municipal corporation that created 110859
the district for a lesser amount of payments in lieu of taxes. 110860

(G) An exemption from taxation granted under this section 110861
commences with the tax year specified in the ordinance so long as 110862
the year specified in the ordinance commences after the effective 110863
date of the ordinance. If the ordinance specifies a year 110864
commencing before the effective date of the resolution or 110865
specifies no year whatsoever, the exemption commences with the tax 110866
year in which an exempted improvement first appears on the tax 110867
list and duplicate of real and public utility property and that 110868
commences after the effective date of the ordinance. In lieu of 110869
stating a specific year, the ordinance may provide that the 110870
exemption commences in the tax year in which the value of an 110871
improvement exceeds a specified amount or in which the 110872
construction of one or more improvements is completed, provided 110873
that such tax year commences after the effective date of the 110874
ordinance. With respect to the exemption of improvements to 110875
parcels under division (B) of this section, the ordinance may 110876
allow for the exemption to commence in different tax years on a 110877
parcel-by-parcel basis, with a separate exemption term specified 110878
for each parcel. 110879

Except as otherwise provided in this division or section 110880
5709.51 of the Revised Code, the exemption ends on the date 110881
specified in the ordinance as the date the improvement ceases to 110882
be a public purpose or the incentive district expires, or ends on 110883
the date on which the public infrastructure improvements and 110884
housing renovations are paid in full from the municipal public 110885
improvement tax increment equivalent fund established under 110886
division (A) of section 5709.43 of the Revised Code, whichever 110887
occurs first. The exemption of an improvement with respect to a 110888
parcel or within an incentive district may end on a later date, as 110889
specified in the ordinance, if the legislative authority and the 110890
board of education of the city, local, or exempted village school 110891
district within which the parcel or district is located have 110892
entered into a compensation agreement under section 5709.82 of the 110893
Revised Code with respect to the improvement, and the board of 110894
education has approved the term of the exemption under division 110895
(D)(2) of this section, but in no case shall the improvement be 110896
exempted from taxation for more than thirty years. Exemptions 110897
shall be claimed and allowed in the same manner as in the case of 110898
other real property exemptions. If an exemption status changes 110899
during a year, the procedure for the apportionment of the taxes 110900
for that year is the same as in the case of other changes in tax 110901
exemption status during the year. 110902

(H) Additional municipal financing of public infrastructure 110903
improvements and housing renovations may be provided by any 110904
methods that the municipal corporation may otherwise use for 110905
financing such improvements or renovations. If the municipal 110906
corporation issues bonds or notes to finance the public 110907
infrastructure improvements and housing renovations and pledges 110908
money from the municipal public improvement tax increment 110909
equivalent fund to pay the interest on and principal of the bonds 110910
or notes, the bonds or notes are not subject to Chapter 133. of 110911
the Revised Code. 110912

(I) The municipal corporation, not later than fifteen days 110913
after the adoption of an ordinance under this section, shall 110914
submit to the director of development a copy of the ordinance. On 110915
or before the thirty-first day of March of each year, the 110916
municipal corporation shall submit a status report to the 110917
director. The report shall indicate, in the manner prescribed by 110918
the director, the progress of the project during each year that an 110919
exemption remains in effect, including a summary of the receipts 110920
from service payments in lieu of taxes; expenditures of money from 110921
the funds created under section 5709.43 of the Revised Code; a 110922
description of the public infrastructure improvements and housing 110923
renovations financed with such expenditures; and a quantitative 110924
summary of changes in employment and private investment resulting 110925
from each project. 110926

(J) Nothing in this section shall be construed to prohibit a 110927
legislative authority from declaring to be a public purpose 110928
improvements with respect to more than one parcel. 110929

(K) If a parcel is located in a new community district in 110930
which the new community authority imposes a community development 110931
charge on the basis of rentals received from leases of real 110932
property as described in division (L)(2) of section 349.01 of the 110933
Revised Code, the parcel may not be exempted from taxation under 110934
this section. 110935

(L)(1) Notwithstanding the limitations on the life of an 110936
incentive district and the number of years that improvements to a 110937
parcel or parcels within an incentive district may be exempted 110938
from taxation prescribed by divisions (C) and (D) of this section, 110939
the legislative authority of a municipal corporation may amend an 110940
ordinance originally adopted under division (C) of this section 110941
before January 1, 2006, to extend the life of an incentive 110942
district created by that ordinance. The extension shall be for a 110943
period not to exceed fifteen years and shall not increase the 110944

percentage of the value of improvements exempted from taxation. 110945

(2) Before adopting an amendment authorized by division 110946
(L)(1) of this section, the legislative authority of the municipal 110947
corporation shall provide notice of the amendment to each board of 110948
education of the city, local, or exempted village school district 110949
in which the incentive district is located, in the same manner as 110950
provided under division (D) of this section, and shall obtain the 110951
approval of each such board in the manner required under that 110952
division, except both of the following apply: 110953

(a) The board of education may approve the exemption on the 110954
condition that the legislative authority and the board negotiate 110955
an agreement providing for mutually agreeable compensation to the 110956
school district. 110957

(b) If the board of education fails to certify a resolution 110958
approving the amendment to the legislative authority within the 110959
time prescribed by division (D) of this section, the legislative 110960
authority shall not adopt the amendment authorized under division 110961
(L) of this section. 110962

(3) No approval otherwise required by division (L)(2) of this 110963
section shall be required from a board of education if either of 110964
the following apply: 110965

(a) The amendment provides for compensation to the city, 110966
local, or exempted village school district in which the incentive 110967
district is located equal in value to the amount of taxes that 110968
would be payable to the school district if the improvements 110969
exempted from taxation had not been exempted for the additional 110970
period. 110971

(b) The board of education has adopted a resolution waiving 110972
its right to approve exemptions from taxation pursuant to division 110973
(D)(4) of this section. If the board has adopted such a 110974
resolution, the municipal corporation shall comply with the notice 110975

requirements imposed by section 5709.83 of the Revised Code before 110976
taking formal action to adopt an amendment authorized under 110977
division (L)(1) of this section unless the board has adopted a 110978
resolution under that section waiving its right to receive that 110979
notice. 110980

(4) Not later than fourteen days before adopting an amendment 110981
authorized by division (L)(1) of this section, the legislative 110982
authority of the municipal corporation shall deliver a notice 110983
identical to a notice required under section 5709.83 of the 110984
Revised Code to the board of county commissioners of each county 110985
in which the incentive district is located. 110986

Sec. 5709.48. (A) As used in this section and sections 110987
5709.481, 5709.49, and 5709.50 of the Revised Code: 110988

(1) "Regional transportation improvement project" has the 110989
same meaning as in section 5595.01 of the Revised Code. 110990

(2) "Improvements" means the increase in the assessed value 110991
of any real property that would first appear on the tax list and 110992
duplicate of real and public utility property after the effective 110993
date of the resolution adopted under this section were it not for 110994
the exemption granted by that resolution. 110995

(B) For the purposes described in division (A) of section 110996
5595.06 of the Revised Code, the governing board of a regional 110997
transportation improvement project that was undertaken pursuant to 110998
section 5595.02 of the Revised Code before March 23, 2018, may, by 110999
resolution, create a transportation financing district and declare 111000
improvements to parcels within the district to be a public purpose 111001
and exempt from taxation. 111002

(C) A transportation financing district ~~may include~~ shall 111003
consist of all territory ~~in more than one county as long as each~~ 111004

exemption status changes during a year, the procedure for the 111183
apportionment of the taxes for that year is the same as in the 111184
case of other changes in tax exemption status during the year. 111185

~~(H)~~(I) The resolution creating a transportation financing 111186
district may be amended at any time by majority vote of the 111187
governing board and with the approval of the director of 111188
development ~~services~~ obtained in the same manner as approval of 111189
the original resolution. Such an amendment may include adding a 111190
parcel to the district that was previously excluded under division 111191
(G) of this section, so long as the governing board and the owner 111192
of the parcel reach an agreement on the use of service payments as 111193
provided under that division. 111194

Sec. 5709.481. (A) The governing board of a regional 111195
transportation improvement project may negotiate and enter into a 111196
voluntary agreement with the owner or owners of any parcel located 111197
in a transportation financing district created by the board 111198
whereby the owner or owners agree to subject the parcel to an 111199
assessment levied by the governing board and the governing board 111200
agrees to use the proceeds of that assessment for the purposes of 111201
~~the project as described in the resolution creating the district~~ 111202
described in division (A) of section 5595.06 of the Revised Code. 111203

(B) The agreement shall specify the amount and duration of 111204
the assessment. The assessment may not be collected after the 111205
dissolution of the associated regional transportation improvement 111206
project under section 5595.13 of the Revised Code. 111207

(C) The governing board shall annually compute the amount of 111208
each assessment imposed by an agreement under this section and 111209
certify the amount to the owner or owners of the parcel and to the 111210
county auditor of the county in which the parcel is located. The 111211
county auditor shall enter the assessment on the tax list of real 111212
property opposite against which it is charged, and certify the 111213
assessment to the county treasurer. The assessment shall be 111214
charged and collected in the same manner as real property taxes 111215
and shall be treated in the same manner as real property taxes for 111216
all purposes of the lien described in section 323.11 of the 111217
Revised Code, including the priority and enforcement of the lien. 111218
Money collected from the assessment shall be paid immediately to 111219
the governing board. The county treasurer shall maintain a record 111220
of all payments of assessments under this section. 111221

(D) The governing board may negotiate and enter into as many 111222
agreements under this section as are necessary or useful in 111223
serving the principal purposes and goals described in the 111224
resolution creating the district. One agreement may impose an 111225

assessment on more than one parcel only if the owner or owners of 111226
all such parcels have approved the agreement. 111227

(E) An agreement may be amended for the purposes of 111228
subjecting additional parcels to the assessment by resolution 111229
adopted by the governing board and approved by the owner or owners 111230
of the additional parcels. An agreement may be rescinded or may be 111231
amended for any purpose other than subjecting additional parcels 111232
to the assessment by resolution adopted by the governing board and 111233
approved by the owner or owners of every parcel that is subject to 111234
the assessment imposed under the agreement. 111235

(F) An agreement under this section is hereby deemed to be a 111236
covenant running with each parcel of land that is subject to the 111237
agreement. The covenant is fully binding on behalf of and 111238
enforceable by the governing board against any person who 111239
subsequently acquires an interest in the land and all of that 111240
person's successors and assigns. No purchase agreement for real 111241
estate or any interest in real estate that is subject to such an 111242
agreement shall be enforceable by the seller or binding upon the 111243
purchaser unless the purchase agreement specifically refers to the 111244
agreement. If a conveyance of such real estate or interest in such 111245
real estate is made pursuant to a purchase agreement that does not 111246
make such a reference, the agreement shall continue to be a 111247
covenant running with the land fully binding on behalf of and 111248
enforceable by the governing board against the person accepting 111249
the conveyance pursuant to the purchase agreement. 111250

Sec. 5709.49. (A) The governing board of a regional 111251
transportation improvement project that has declared an 111252
improvement to be a public purpose under section 5709.48 of the 111253
Revised Code shall require the owner of any parcel located in the 111254
transportation financing district to make annual service payments 111255
in lieu of taxes to the county treasurer on or before the final 111256

dates for payment of real property taxes. Each such payment shall 111257
be charged and collected in the same manner and in the same amount 111258
as the real property taxes that would have been charged and 111259
payable against the improvement if it were not exempt from 111260
taxation. If any reduction in the levies otherwise applicable to 111261
such exempt property is made by the county budget commission under 111262
section 5705.31 of the Revised Code, the amount of the service 111263
payment in lieu of taxes shall be calculated as if such reduction 111264
in levies had not been made. 111265

(B) Moneys collected as service payments in lieu of taxes 111266
from a parcel shall be distributed at the same time and in the 111267
same manner as real property tax payments. If a resolution adopted 111268
under section 5709.48 of the Revised Code specifies that service 111269
payments shall be paid to ~~another subdivision or taxing unit~~ any 111270
city, local, or exempted village, and joint vocational school 111271
district or districts in which the parcel is located, the county 111272
treasurer shall distribute the portion of the service payments to 111273
~~that subdivision or taxing unit~~ the district or districts in an 111274
amount equal to the property tax payments ~~the subdivision or~~ 111275
~~taxing unit~~ each such district would have received from the 111276
portion of the parcel's improvement exempted from taxation had the 111277
improvement not been exempted, or some other amount as directed in 111278
the resolution. The treasurer shall maintain a record of the 111279
service payments in lieu of taxes made from property in each 111280
transportation financing district. 111281

(C) Nothing in this section or section 5709.48 of the Revised 111282
Code affects the taxes levied against that portion of the value of 111283
any parcel of property that is not exempt from taxation. 111284

Sec. 5709.50. (A) The governing board of a regional 111285
transportation improvement project that grants a tax exemption 111286
under section 5709.48 of the Revised Code or enters into one or 111287

more voluntary agreements imposing assessments under section 111288
5709.481 of the Revised Code shall establish a regional 111289
transportation improvement project fund into which shall be 111290
deposited service payments in lieu of taxes distributed under 111291
section 5709.49 of the Revised Code and assessments collected 111292
pursuant to such agreements. Money in the regional transportation 111293
improvement project fund shall be used by the governing board for 111294
the purposes described in ~~the resolution creating the~~ 111295
transportation financing district division (A) of section 5595.06 111296
of the Revised Code and in accordance with the agreements between 111297
the governing board and property owners under division (G) of 111298
section 5709.48 of the Revised Code. Money in the regional 111299
transportation improvement project fund shall be administered by 111300
the governing board in accordance with the requirements of section 111301
5595.08 of the Revised Code and may be invested as provided in 111302
section 5595.09 of the Revised Code. 111303

(B) The regional transportation improvement project fund is 111304
dissolved by operation of law upon the dissolution of the 111305
associated regional transportation improvement project under 111306
section 5595.13 of the Revised Code. Any incidental surplus 111307
remaining in the fund, to the extent unencumbered, shall be 111308
divided and distributed by the county treasurer of the most 111309
populous county in which the district is located as follows: 111310

(1) To the general funds of the subdivisions and taxing units 111311
in which the district is located, an amount equal to the surplus 111312
revenue multiplied by a fraction, the numerator of which is the 111313
amount of service payment revenue deposited to the fund after the 111314
most recent collection of property taxes and payments in lieu of 111315
taxes, and the denominator of which is the total amount deposited 111316
to the fund after the most recent collection of property taxes and 111317
payments in lieu of taxes. This amount shall be divided 111318
proportionally based on the property tax levy revenue foregone by 111319

each such subdivision and taxing unit due to the exemption of 111320
improvements to property within the district at the most recent 111321
collection of service payments in lieu of taxes. The division of 111322
revenue shall account for amounts returned to ~~subdivisions~~ city, 111323
local, or exempted village, and ~~taxing units~~ joint vocational 111324
school districts through compensation ~~agreements~~ arrangements 111325
entered into under division (E) of section 5709.48 of the Revised 111326
Code. The amount distributed to each subdivision or taxing unit 111327
shall be apportioned among its funds as if that amount had been 111328
levied and collected as taxes and distributed in the most recent 111329
settlement of taxes. 111330

(2) To the owners of parcels subject to a special assessment 111331
under section 5709.481 of the Revised Code, all remaining surplus 111332
revenue. This amount shall be divided proportionally based on the 111333
amount of the assessment levied against each such parcel at the 111334
most recent collection of such assessments. Owners of parcels that 111335
are delinquent in paying an assessment imposed by an agreement 111336
under section 5709.481 of the Revised Code may not receive surplus 111337
revenue under this division. The share of surplus revenue that 111338
such owner or owners would have otherwise received shall be 111339
divided proportionally among the owners of nondelinquent parcels. 111340

Sec. 5709.51. (A) The legislative authority of a municipal 111341
corporation, a board of township trustees, or a board of county 111342
commissioners may amend or provide in an ordinance or resolution 111343
adopted in accordance with division (B) of section 5709.40, 111344
section 5709.41, division (B) of section 5709.73, or division (A) 111345
of section 5709.78 of the Revised Code, as applicable, to extend 111346
the exemption from taxation of improvements to the parcel or 111347
parcels designated in the ordinance or resolution for an 111348
additional period of not more than thirty years if all of the 111349
following conditions are met: 111350

(1) ~~The~~ Either (a) the service payments made pursuant to 111351
section 5709.42, 5709.74, or 5709.79 of the Revised Code by the 111352
owner or owners of the parcel or parcels designated in the 111353
ordinance or resolution exceeded one million five hundred thousand 111354
dollars in the calendar year preceding the adoption of the 111355
amendment or (b) the legislative authority of the municipal 111356
corporation, a board of township trustees, or a board of county 111357
commissioners determines that the service payments to be made 111358
pursuant to section 5709.42, 5709.74, or 5709.79 of the Revised 111359
Code by the owner or owners of the parcel or parcels designated in 111360
the ordinance or resolution will exceed one million five hundred 111361
thousand dollars in any future year. 111362

(2) The service payments described in division (A)(1) of this 111363
section did not exceed one million five hundred thousand dollars 111364
in any calendar year before the calendar year immediately 111365
preceding the adoption of the amendment. This condition applies 111366
only to amendments adopted under this section on or after January 1, ~~2021~~ 2024. 111367
111368

(3) The amendment extending or the ordinance or resolution 111369
approving the exemption provides for compensation to the city, 111370
local, or exempted village school district in which the parcel or 111371
parcels are located equal in value to the amount of taxes that 111372
would be payable to the school district if the improvements had 111373
not been exempted from taxation for the additional period. 111374

(B) Not later than fifteen days after adopting or amending an 111375
ordinance or resolution under this section, the legislative 111376
authority of the municipal corporation, board of township 111377
trustees, or board of county commissioners shall send a copy of 111378
the amendment to the director of development ~~services~~. 111379

(C) The amendment to this section by H.B. 33 of the 135th 111380
general assembly applies to any proceedings commenced after the 111381
effective date of that amendment, and, insofar as the amendment 111382

supports the actions taken, also applies to proceedings that, on 111383
that date, are pending, in progress, or completed, notwithstanding 111384
the applicable law previously in effect or any provision to the 111385
contrary in a prior resolution, ordinance, order, advertisement, 111386
notice, or other proceeding. Any proceedings pending or in 111387
progress on the effective date of that amendment, shall be deemed 111388
to have been taken in conformity with that amendment. 111389

Sec. 5709.56. (A) As used in this section: 111390

(1) "Pre-residential development property" means a subdivided 111391
parcel of unimproved real property on which construction of one or 111392

The construction of streets, sidewalks, curbs, or driveways or the 111394
installation of water, sewer, or other utility lines on a 111395
subdivided parcel does not cause construction of a residential 111396
building to commence for purposes of division (A)(1) or (B) of 111397
this section. "Pre-residential development property" does not 111398
include a parcel, any portion of the value of which is exempted 111399
from taxation under section 5709.40, 5709.41, 5709.73, or 5709.78 111400

(a) Except as provided in division (A)(3)(b) of this section, 111406
the nonagricultural taxable value of the original property for the 111407
tax year preceding the tax year the subdivided property first 111408
appears on the tax list as a subdivided parcel multiplied by a 111409
fraction, the numerator of which is the true value in money of the 111410
subdivided parcel for the tax year the subdivided parcel first 111411
appears on the tax list and the denominator of which is the true 111412
value in money of all subdivided parcels subdivided from that 111413

original parcel for that tax year. 111414

(b) If a subdivided parcel exempted under this section is 111415
itself subdivided, the "unexempted value" of the newly subdivided 111416
parcel equals the unexempted value, as defined in division 111417
(A)(3)(a) of this section, of the parcel from which the newly 111418
subdivided parcel was subdivided for the tax year preceding the 111419
tax year the newly subdivided parcel first appears on the tax list 111420
multiplied by a fraction, the numerator of which is the true value 111421
in money of the newly subdivided parcel for the tax year it first 111422
appears on the tax list and the denominator of which is the true 111423
value in money for that year of all newly subdivided parcels 111424
resulting from the most recent subdivision. 111425

(4) "Subdivided parcel" means a parcel resulting from the 111426
subdivision of original property pursuant to a plat subdividing 111427
that property presented to the county auditor under section 111428
5713.18 of the Revised Code. 111429

(5) "Original property" means the parcel from which a 111430
subdivided parcel is subdivided. 111431

(6) "Qualifying owner" means the owner of pre-residential 111432
development property for any portion of a tax year ending on or 111433
after the effective date of this section that includes the date a 111434
plat subdividing land including such property is presented to the 111435
county auditor under section 5713.18 of the Revised Code, or any 111436
other person to which title to the property is transferred, 111437
without consideration, by another qualifying owner. 111438

(7) "Nonagricultural taxable value" means the taxable value 111439
of land as if such land were valued and assessed for a tax year 111440
pursuant to Section 2 of Article XII, Ohio Constitution, and not 111441
in accordance with Section 36 of Article II, Ohio Constitution. 111442

(B) Any increase in taxable value above the unexempted value 111443
of pre-residential development property owned by a qualifying 111444

owner is exempted from taxation beginning with the first tax year 111445
the pre-residential development property appears on the tax list 111446
after a plat subdividing land including that property is presented 111447
to the county auditor under section 5713.18 of the Revised Code 111448
and for each of the seven ensuing tax years, except that the 111449
exemption shall not apply beginning with the tax year that begins 111450
after the tax year in which the earliest of the following occurs: 111451

(1) Construction of a residential building on that property 111452
commences; 111453

(2) Title to the property is transferred for consideration by 111454
a qualifying owner to another person; 111455

(3) Any portion of the value of that property is exempted 111456
from taxation under section 5709.40, 5709.41, 5709.73, or 5709.78 111457
of the Revised Code. 111458

(C) The tax commissioner shall not approve an application for 111459
an exemption authorized under this section unless the applicant 111460
for the exemption certifies that the parcel that is the subject of 111461
the exemption satisfies the requirements of division (A)(1) of 111462
this section for pre-residential development property. 111463

(D)(1) If a parcel subject to the partial exemption 111464
authorized by this section is valued at its current value for 111465
agricultural use under section 5713.31 of the Revised Code, the 111466
county auditor shall regularly inspect the parcel to determine 111467
whether a conversion of land devoted exclusively to agricultural 111468
use, as defined in section 5713.30 of the Revised Code, has 111469
occurred. Nothing in this section shall be construed to limit the 111470
authority of a county auditor to levy any recoupment charge 111471
pursuant to sections 5713.34 and 5713.35 of the Revised Code. 111472

(2) Nothing in this section shall be construed to allow a 111473
parcel that is not land devoted exclusively to agricultural use, 111474
as defined in section 5713.30 of the Revised Code, to be valued at 111475

its current value for agricultural use under section 5713.31 of 111476
the Revised Code. 111477

(3) Nothing in this section shall be construed to authorize a 111478
parcel subject to the partial exemption authorized by this section 111479
to be valued and assessed for taxation in any manner other than in 111480
accordance with Section 36 of Article II or Section 2 of Article 111481
XII, Ohio Constitution, as applicable to the parcel. 111482

Sec. 5709.73. (A) As used in this section and section 5709.74 111483
of the Revised Code: 111484

(1) "Business day" means a day of the week excluding 111485
Saturday, Sunday, and a legal holiday as defined in section 1.14 111486
of the Revised Code. 111487

(2) "Further improvements" or "improvements" means the 111488
increase in the assessed value of real property that would first 111489
appear on the tax list and duplicate of real and public utility 111490
property after the effective date of a resolution adopted under 111491
this section were it not for the exemption granted by that 111492
resolution. For purposes of division (B) of this section, 111493
"improvements" do not include any property used or to be used for 111494
residential purposes. For this purpose, "property that is used or 111495
to be used for residential purposes" means property that, as 111496
improved, is used or to be used for purposes that would cause the 111497
tax commissioner to classify the property as residential property 111498
in accordance with rules adopted by the commissioner under section 111499
5713.041 of the Revised Code. 111500

(3) "Housing renovation" means a project carried out for 111501
residential purposes. 111502

(4) "Incentive district" has the same meaning as in section 111503
5709.40 of the Revised Code, except that a blighted area is in the 111504
unincorporated area of a township. 111505

(5) "Overlay" has the same meaning as in section 5709.40 of the Revised Code, except that the overlay is delineated by the board of township trustees.

(6) "Project" and "public infrastructure improvement" have the same meanings as in section 5709.40 of the Revised Code.

(7) "Urban township" has the same meaning as in section 504.01 of the Revised Code.

(8) "Nonperforming parcel" means a parcel to which all of the following apply:

(a) The parcel is exempted from taxation under division (B) of this section or has been included in a district created under division (C) of this section.

(b) The parcel's owner is required to make payments in lieu of taxes in accordance with section 5709.74 of the Revised Code.

(c) No such payments have been remitted to the county treasurer since the inception of the exemption or district.

(B) A board of township trustees may adopt a resolution that declares to be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. Except for a resolution adopted by the board of an urban township, the resolution shall be adopted by a unanimous vote of the board. Except as otherwise provided under division (D) of this section or section 5709.51 of the Revised Code, the resolution may exempt from real property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption.

(C)(1) A board of township trustees may adopt a resolution 111536
creating an incentive district and declaring improvements to 111537
parcels within the district to be a public purpose and, except as 111538
provided in division (C)(2) of this section, exempt from taxation 111539
as provided in this section. Except for a resolution adopted by 111540
the board of an urban township, the resolution shall be adopted by 111541
a unanimous vote of the board. A board of township trustees of a 111542
township that has a population that exceeds twenty-five thousand, 111543
as shown by the most recent federal decennial census, may not 111544
adopt a resolution that creates an incentive district if the sum 111545
of the taxable value of real property in the proposed district for 111546
the preceding tax year and the taxable value of all real property 111547
in the township that would have been taxable in the preceding year 111548
were it not for the fact that the property was in an existing 111549
incentive district and therefore exempt from taxation exceeds 111550
twenty-five per cent of the taxable value of real property in the 111551
township for the preceding tax year. The district shall be located 111552
within the unincorporated area of the township and shall not 111553
include any territory that is included within a district created 111554
under division (B) of section 5709.78 of the Revised Code. The 111555
resolution shall delineate the boundary of the proposed district 111556
and specifically identify each parcel within the district. A 111557
proposed district may not include any parcel, other than a 111558
nonperforming parcel, that is or has been exempted from taxation 111559
under division (B) of this section or that is or has been within 111560
another district created under this division. On and after the 111561
effective date of the district, a nonperforming parcel within the 111562
district is no longer exempted from taxation under division (B) of 111563
this section or included within an incentive district under any 111564
previous resolution, and the parcel's owner is no longer required 111565
to make payments in lieu of taxes under such a previous resolution 111566
in accordance with section 5709.74 of the Revised Code. Any 111567
exemption application filed with the tax commissioner under 111568

section 5715.27 of the Revised Code under the second resolution 111569
shall identify the nonperforming parcels included in the second 111570
district, the original resolution under which the nonperforming 111571
parcels were originally exempted, and the value history of each 111572
nonperforming parcel since the enactment of the original 111573
resolution. A resolution may create more than one such district, 111574
and more than one resolution may be adopted under division (C)(1) 111575
of this section. 111576

(2)(a) Not later than thirty days prior to adopting a 111577
resolution under division (C)(1) of this section, if the township 111578
intends to apply for exemptions from taxation under section 111579
5709.911 of the Revised Code on behalf of owners of real property 111580
located within the proposed incentive district, the board shall 111581
conduct a public hearing on the proposed resolution. Not later 111582
than thirty days prior to the public hearing, the board shall give 111583
notice of the public hearing and the proposed resolution by first 111584
class mail to every real property owner whose property is located 111585
within the boundaries of the proposed incentive district that is 111586
the subject of the proposed resolution. The notice shall include a 111587
map of the proposed incentive district on which the board of 111588
township trustees shall have delineated an overlay. The notice 111589
shall inform the property owner of the owner's right to exclude 111590
the owner's property from the incentive district if both of the 111591
following conditions are met: 111592

(i) The owner's entire parcel of property will not be located 111593
within the overlay. 111594

(ii) The owner has submitted a statement to the board of 111595
county commissioners of the county in which the parcel is located 111596
indicating the owner's intent to seek a tax exemption for 111597
improvements to the owner's parcel under division (A) or (B) of 111598
section 5709.78 of the Revised Code within the next five years. 111599

When both of the preceding conditions are met, the owner may 111600

exclude the owner's property from the incentive district by 111601
submitting a written response in accordance with division 111602
(C)(2)(b) of this section. The notice also shall include 111603
information detailing the required contents of the response, the 111604
address to which the response may be mailed, and the deadline for 111605
submitting the response. 111606

(b) Any owner of real property located within the boundaries 111607
of an incentive district proposed under division (C)(1) of this 111608
section who meets the conditions specified in divisions 111609
(C)(2)(a)(i) and (ii) of this section may exclude the property 111610
from the proposed incentive district by submitting a written 111611
response to the board not later than forty-five days after the 111612
postmark date on the notice required under division (C)(2)(a) of 111613
this section. The response shall include a copy of the statement 111614
submitted under division (C)(2)(a)(ii) of this section. The 111615
response shall be sent by first class mail or delivered in person 111616
at a public hearing held by the board under division (C)(2)(a) of 111617
this section. The response shall conform to any content 111618
requirements that may be established by the board and included in 111619
the notice provided under division (C)(2)(a) of this section. In 111620
the response, property owners may identify a parcel by street 111621
address, by the manner in which it is identified in the 111622
resolution, or by other means allowing the identity of the parcel 111623
to be ascertained. 111624

(c) Before adopting a resolution under division (C)(1) of 111625
this section, the board shall amend the resolution to exclude any 111626
parcel for which a written response has been submitted under 111627
division (C)(2)(b) of this section. A township shall not apply for 111628
exemptions from taxation under section 5709.911 of the Revised 111629
Code for any such parcel, and service payments may not be required 111630
from the owner of the parcel. Improvements to a parcel excluded 111631
from an incentive district under this division may be exempted 111632

from taxation under division (B) of this section pursuant to a 111633
resolution adopted under that division or under any other section 111634
of the Revised Code under which the parcel qualifies. 111635

(3)(a) A resolution adopted under division (C)(1) of this 111636
section shall specify the life of the incentive district and the 111637
percentage of the improvements to be exempted, shall designate the 111638
public infrastructure improvements made, to be made, or in the 111639
process of being made, that benefit or serve, or, once made, will 111640
benefit or serve parcels in the district. The resolution also 111641
shall identify one or more specific projects being, or to be, 111642
undertaken in the district that place additional demand on the 111643
public infrastructure improvements designated in the resolution. 111644
The project identified may, but need not be, the project under 111645
division (C)(3)(b) of this section that places real property in 111646
use for commercial or industrial purposes. 111647

A resolution adopted under division (C)(1) of this section on 111648
or after March 30, 2006, shall not designate police or fire 111649
equipment as public infrastructure improvements, and, except as 111650
provided in division (F) of this section, no service payment 111651
provided for in section 5709.74 of the Revised Code and received 111652
by the township under the resolution shall be used for police or 111653
fire equipment. 111654

(b) A resolution adopted under division (C)(1) of this 111655
section may authorize the use of service payments provided for in 111656
section 5709.74 of the Revised Code for the purpose of housing 111657
renovations within the incentive district, provided that the 111658
resolution also designates public infrastructure improvements that 111659
benefit or serve the district, and that a project within the 111660
district places real property in use for commercial or industrial 111661
purposes. Service payments may be used to finance or support 111662
loans, deferred loans, and grants to persons for the purpose of 111663
housing renovations within the district. The resolution shall 111664

designate the parcels within the district that are eligible for 111665
housing renovations. The resolution shall state separately the 111666
amount or the percentages of the expected aggregate service 111667
payments that are designated for each public infrastructure 111668
improvement and for the purpose of housing renovations. 111669

(4) Except with the approval of the board of education of 111670
each city, local, or exempted village school district within the 111671
territory of which the incentive district is or will be located, 111672
and subject to division (E) of this section, the life of an 111673
incentive district shall not exceed ten years, and the percentage 111674
of improvements to be exempted shall not exceed seventy-five per 111675
cent. With approval of the board of education, the life of a 111676
district may be not more than thirty years, and the percentage of 111677
improvements to be exempted may be not more than one hundred per 111678
cent. The approval of a board of education shall be obtained in 111679
the manner provided in division (D) of this section. 111680

(D) Improvements with respect to a parcel may be exempted 111681
from taxation under division (B) of this section, and improvements 111682
to parcels within an incentive district may be exempted from 111683
taxation under division (C) of this section, for up to ten years 111684
or, with the approval of the board of education of the city, 111685
local, or exempted village school district within which the parcel 111686
or district is located, for up to thirty years. The percentage of 111687
the improvements exempted from taxation may, with such approval, 111688
exceed seventy-five per cent, but shall not exceed one hundred per 111689
cent. Not later than forty-five business days prior to adopting a 111690
resolution under this section declaring improvements to be a 111691
public purpose that is subject to approval by a board of education 111692
under this division, the board of township trustees shall deliver 111693
to the board of education a notice stating its intent to adopt a 111694
resolution making that declaration. The notice regarding 111695
improvements with respect to a parcel under division (B) of this 111696

section shall identify the parcels for which improvements are to 111697
be exempted from taxation, provide an estimate of the true value 111698
in money of the improvements, specify the period for which the 111699
improvements would be exempted from taxation and the percentage of 111700
the improvements that would be exempted, and indicate the date on 111701
which the board of township trustees intends to adopt the 111702
resolution. The notice regarding improvements made under division 111703
(C) of this section to parcels within an incentive district shall 111704
delineate the boundaries of the district, specifically identify 111705
each parcel within the district, identify each anticipated 111706
improvement in the district, provide an estimate of the true value 111707
in money of each such improvement, specify the life of the 111708
district and the percentage of improvements that would be 111709
exempted, and indicate the date on which the board of township 111710
trustees intends to adopt the resolution. The board of education, 111711
by resolution adopted by a majority of the board, may approve the 111712
exemption for the period or for the exemption percentage specified 111713
in the notice; may disapprove the exemption for the number of 111714
years in excess of ten, may disapprove the exemption for the 111715
percentage of the improvements to be exempted in excess of 111716
seventy-five per cent, or both; or may approve the exemption on 111717
the condition that the board of township trustees and the board of 111718
education negotiate an agreement providing for compensation to the 111719
school district equal in value to a percentage of the amount of 111720
taxes exempted in the eleventh and subsequent years of the 111721
exemption period or, in the case of exemption percentages in 111722
excess of seventy-five per cent, compensation equal in value to a 111723
percentage of the taxes that would be payable on the portion of 111724
the improvements in excess of seventy-five per cent were that 111725
portion to be subject to taxation, or other mutually agreeable 111726
compensation. 111727

The board of education shall certify its resolution to the 111728
board of township trustees not later than fourteen days prior to 111729

the date the board of township trustees intends to adopt the 111730
resolution as indicated in the notice. If the board of education 111731
and the board of township trustees negotiate a mutually acceptable 111732
compensation agreement, the resolution may declare the 111733
improvements a public purpose for the number of years specified in 111734
the resolution or, in the case of exemption percentages in excess 111735
of seventy-five per cent, for the exemption percentage specified 111736
in the resolution. In either case, if the board of education and 111737
the board of township trustees fail to negotiate a mutually 111738
acceptable compensation agreement, the resolution may declare the 111739
improvements a public purpose for not more than ten years, and 111740
shall not exempt more than seventy-five per cent of the 111741
improvements from taxation. If the board of education fails to 111742
certify a resolution to the board of township trustees within the 111743
time prescribed by this section, the board of township trustees 111744
thereupon may adopt the resolution and may declare the 111745
improvements a public purpose for up to thirty years or, in the 111746
case of exemption percentages proposed in excess of seventy-five 111747
per cent, for the exemption percentage specified in the 111748
resolution. The board of township trustees may adopt the 111749
resolution at any time after the board of education certifies its 111750
resolution approving the exemption to the board of township 111751
trustees, or, if the board of education approves the exemption on 111752
the condition that a mutually acceptable compensation agreement be 111753
negotiated, at any time after the compensation agreement is agreed 111754
to by the board of education and the board of township trustees. 111755
If a mutually acceptable compensation agreement is negotiated 111756
between the board of township trustees and the board of education, 111757
including agreements for payments in lieu of taxes under section 111758
5709.74 of the Revised Code, the board of township trustees shall 111759
compensate the joint vocational school district within which the 111760
parcel or district is located at the same rate and under the same 111761
terms received by the city, local, or exempted village school 111762

district. 111763

If a board of education has adopted a resolution waiving its 111764
right to approve exemptions from taxation under this section and 111765
the resolution remains in effect, approval of such exemptions by 111766
the board of education is not required under division (D) of this 111767
section. If a board of education has adopted a resolution allowing 111768
a board of township trustees to deliver the notice required under 111769
division (D) of this section fewer than forty-five business days 111770
prior to adoption of the resolution by the board of township 111771
trustees, the board of township trustees shall deliver the notice 111772
to the board of education not later than the number of days prior 111773
to the adoption as prescribed by the board of education in its 111774
resolution. If a board of education adopts a resolution waiving 111775
its right to approve exemptions or shortening the notification 111776
period, the board of education shall certify a copy of the 111777
resolution to the board of township trustees. If the board of 111778
education rescinds the resolution, it shall certify notice of the 111779
rescission to the board of township trustees. 111780

If the board of township trustees is not required by division 111781
(D) of this section to notify the board of education of the board 111782
of township trustees' intent to declare improvements to be a 111783
public purpose, the board of township trustees shall comply with 111784
the notice requirements imposed under section 5709.83 of the 111785
Revised Code before taking formal action to adopt the resolution 111786
making that declaration, unless the board of education has adopted 111787
a resolution under that section waiving its right to receive the 111788
notice. 111789

Nothing in this division prohibits the board of township 111790
trustees from amending the resolution under section 5709.51 of the 111791
Revised Code to extend the term of the exemption. 111792

(E)(1) If a proposed resolution under division (C)(1) of this 111793
section exempts improvements with respect to a parcel within an 111794

incentive district for more than ten years, or the percentage of 111795
the improvement exempted from taxation exceeds seventy-five per 111796
cent, not later than forty-five business days prior to adopting 111797
the resolution the board of township trustees shall deliver to the 111798
board of county commissioners of the county within which the 111799
incentive district is or will be located a notice that states its 111800
intent to adopt a resolution creating an incentive district. The 111801
notice shall include a copy of the proposed resolution, identify 111802
the parcels for which improvements are to be exempted from 111803
taxation, provide an estimate of the true value in money of the 111804
improvements, specify the period of time for which the 111805
improvements would be exempted from taxation, specify the 111806
percentage of the improvements that would be exempted from 111807
taxation, and indicate the date on which the board of township 111808
trustees intends to adopt the resolution. 111809

(2) The board of county commissioners, by resolution adopted 111810
by a majority of the board, may object to the exemption for the 111811
number of years in excess of ten, may object to the exemption for 111812
the percentage of the improvement to be exempted in excess of 111813
seventy-five per cent, or both. If the board of county 111814
commissioners objects, the board may negotiate a mutually 111815
acceptable compensation agreement with the board of township 111816
trustees. In no case shall the compensation provided to the board 111817
of county commissioners exceed the property taxes foregone due to 111818
the exemption. If the board of county commissioners objects, and 111819
the board of county commissioners and board of township trustees 111820
fail to negotiate a mutually acceptable compensation agreement, 111821
the resolution adopted under division (C)(1) of this section shall 111822
provide to the board of county commissioners compensation in the 111823
eleventh and subsequent years of the exemption period equal in 111824
value to not more than fifty per cent of the taxes that would be 111825
payable to the county or, if the board of county commissioner's 111826
objection includes an objection to an exemption percentage in 111827

excess of seventy-five per cent, compensation equal in value to 111828
not more than fifty per cent of the taxes that would be payable to 111829
the county, on the portion of the improvement in excess of 111830
seventy-five per cent, were that portion to be subject to 111831
taxation. The board of county commissioners shall certify its 111832
resolution to the board of township trustees not later than thirty 111833
days after receipt of the notice. 111834

(3) If the board of county commissioners does not object or 111835
fails to certify its resolution objecting to an exemption within 111836
thirty days after receipt of the notice, the board of township 111837
trustees may adopt its resolution, and no compensation shall be 111838
provided to the board of county commissioners. If the board of 111839
county commissioners timely certifies its resolution objecting to 111840
the trustees' resolution, the board of township trustees may adopt 111841
its resolution at any time after a mutually acceptable 111842
compensation agreement is agreed to by the board of county 111843
commissioners and the board of township trustees, or, if no 111844
compensation agreement is negotiated, at any time after the board 111845
of township trustees agrees in the proposed resolution to provide 111846
compensation to the board of county commissioners of fifty per 111847
cent of the taxes that would be payable to the county in the 111848
eleventh and subsequent years of the exemption period or on the 111849
portion of the improvement in excess of seventy-five per cent, 111850
were that portion to be subject to taxation. 111851

(F) Service payments in lieu of taxes that are attributable 111852
to any amount by which the effective tax rate of either a renewal 111853
levy with an increase or a replacement levy exceeds the effective 111854
tax rate of the levy renewed or replaced, or that are attributable 111855
to an additional levy, for a levy authorized by the voters for any 111856
of the following purposes on or after January 1, 2006, and which 111857
are provided pursuant to a resolution creating an incentive 111858
district under division (C)(1) of this section that is adopted on 111859

or after January 1, 2006, or a later date as specified in this 111860
division, shall be distributed to the appropriate taxing authority 111861
as required under division (C) of section 5709.74 of the Revised 111862
Code in an amount equal to the amount of taxes from that 111863
additional levy or from the increase in the effective tax rate of 111864
such renewal or replacement levy that would have been payable to 111865
that taxing authority from the following levies were it not for 111866
the exemption authorized under division (C) of this section: 111867

(1) A tax levied under division (L) of section 5705.19 or 111868

for county hospitals; 111876

under section 5705.19, 5705.191, or 5705.221 of the Revised Code 111878
for alcohol, drug addiction, and mental health services or 111879
families; 111880

(5) A tax levied under section 5705.23 of the Revised Code 111881
for library purposes; 111882

for the support of children services and the placement and care of 111884
children; 111885

(7) A tax levied under division (Z) of section 5705.19 of the 111886
Revised Code for the provision and maintenance of zoological park 111887

(9) A tax levied under division (A), (F), or (H) of section 111892

health and hospitalization; and support of general hospitals; 111901

(12) A tax levied under section 3709.29 of the Revised Code 111902
for a general health district program; 111903

(13) A tax levied by a township under section 505.39, 505.51, 111904
or division (I), (J), (U), or (JJ) of section 5705.19 of the 111905
Revised Code for the purpose of funding fire, police, emergency 111906
medical, or ambulance services as described in those sections. 111907
Division (F)(13) of this section applies only to incentive 111908
districts created by a resolution adopted on or after March 22, 111909
2019, the effective date of the amendment of this section by H.B. 111910
500 of the 132nd general assembly, and only if that resolution 111911
specifies that division (F) of this section shall apply to such a 111912
tax. 111913

(G) An exemption from taxation granted under this section 111914
commences with the tax year specified in the resolution so long as 111915
the year specified in the resolution commences after the effective 111916
date of the resolution. If the resolution specifies a year 111917
commencing before the effective date of the resolution or 111918
specifies no year whatsoever, the exemption commences with the tax 111919
year in which an exempted improvement first appears on the tax 111920

list and duplicate of real and public utility property and that 111921
commences after the effective date of the resolution. In lieu of 111922
stating a specific year, the resolution may provide that the 111923
exemption commences in the tax year in which the value of an 111924
improvement exceeds a specified amount or in which the 111925
construction of one or more improvements is completed, provided 111926
that such tax year commences after the effective date of the 111927
resolution. With respect to the exemption of improvements to 111928
parcels under division (B) of this section, the resolution may 111929
allow for the exemption to commence in different tax years on a 111930
parcel-by-parcel basis, with a separate exemption term specified 111931
for each parcel. 111932

Except as otherwise provided in this division and section 111933
5709.51 of the Revised Code, the exemption ends on the date 111934
specified in the resolution as the date the improvement ceases to 111935
be a public purpose or the incentive district expires, or ends on 111936
the date on which the public infrastructure improvements and 111937
housing renovations are paid in full from the township public 111938
improvement tax increment equivalent fund established under 111939
section 5709.75 of the Revised Code, whichever occurs first. The 111940
exemption of an improvement with respect to a parcel or within an 111941
incentive district may end on a later date, as specified in the 111942
resolution, if the board of township trustees and the board of 111943
education of the city, local, or exempted village school district 111944
within which the parcel or district is located have entered into a 111945
compensation agreement under section 5709.82 of the Revised Code 111946
with respect to the improvement and the board of education has 111947
approved the term of the exemption under division (D) of this 111948
section, but in no case shall the improvement be exempted from 111949
taxation for more than thirty years. The board of township 111950
trustees may, by majority vote, adopt a resolution permitting the 111951
township to enter into such agreements as the board finds 111952
necessary or appropriate to provide for the construction or 111953

undertaking of public infrastructure improvements and housing 111954
renovations. Any exemption shall be claimed and allowed in the 111955
same or a similar manner as in the case of other real property 111956
exemptions. If an exemption status changes during a tax year, the 111957
procedure for the apportionment of the taxes for that year is the 111958
same as in the case of other changes in tax exemption status 111959
during the year. 111960

(H) The board of township trustees may issue the notes of the 111961
township to finance all costs pertaining to the construction or 111962
undertaking of public infrastructure improvements and housing 111963
renovations made pursuant to this section. The notes shall be 111964
signed by the board and attested by the signature of the township 111965
fiscal officer, shall bear interest not to exceed the rate 111966
provided in section 9.95 of the Revised Code, and are not subject 111967
to Chapter 133. of the Revised Code. The resolution authorizing 111968
the issuance of the notes shall pledge the funds of the township 111969
public improvement tax increment equivalent fund established 111970
pursuant to section 5709.75 of the Revised Code to pay the 111971
interest on and principal of the notes. The notes, which may 111972
contain a clause permitting prepayment at the option of the board, 111973
shall be offered for sale on the open market or given to the 111974
vendor or contractor if no sale is made. 111975

(I) The township, not later than fifteen days after the 111976
adoption of a resolution under this section, shall submit to the 111977
director of development ~~services~~ a copy of the resolution. On or 111978
before the thirty-first day of March of each year, the township 111979
shall submit a status report to the director ~~of development~~ 111980
~~services~~. The report shall indicate, in the manner prescribed by 111981
the director, the progress of the project during each year that 111982
the exemption remains in effect, including a summary of the 111983
receipts from service payments in lieu of taxes; expenditures of 111984
money from the fund created under section 5709.75 of the Revised 111985

Code; a description of the public infrastructure improvements and 111986
housing renovations financed with the expenditures; and a 111987
quantitative summary of changes in private investment resulting 111988
from each project. 111989

(J) Nothing in this section shall be construed to prohibit a 111990
board of township trustees from declaring to be a public purpose 111991
improvements with respect to more than one parcel. 111992

If a parcel is located in a new community district in which 111993
the new community authority imposes a community development charge 111994
on the basis of rentals received from leases of real property as 111995
described in division (L)(2) of section 349.01 of the Revised 111996
Code, the parcel may not be exempted from taxation under this 111997
section. 111998

(K) A board of township trustees that adopted a resolution 111999
under this section prior to July 21, 1994, may amend that 112000
resolution to include any additional public infrastructure 112001
improvement. A board of township trustees that seeks by the 112002
amendment to utilize money from its township public improvement 112003
tax increment equivalent fund for land acquisition in aid of 112004
industry, commerce, distribution, or research, demolition on 112005
private property, or stormwater and flood remediation projects may 112006
do so provided that the board currently is a party to a 112007
hold-harmless agreement with the board of education of the city, 112008
local, or exempted village school district within the territory of 112009
which are located the parcels that are subject to an exemption. 112010
For the purposes of this division, a "hold-harmless agreement" 112011
means an agreement under which the board of township trustees 112012
agrees to compensate the school district for one hundred per cent 112013
of the tax revenue that the school district would have received 112014
from further improvements to parcels designated in the resolution 112015
were it not for the exemption granted by the resolution. 112016

(L) Notwithstanding the limitation prescribed by division (D) 112017

of this section on the number of years that improvements to a 112018
parcel or parcels may be exempted from taxation, a board of 112019
trustees of a township with a population of fifteen thousand or 112020
more may amend a resolution originally adopted under this section 112021
before December 31, 1994, to extend the exemption of improvements 112022
to the parcel or parcels included in such resolution for an 112023
additional period not to exceed fifteen years. The amendment shall 112024
not increase the percentage of improvements to the parcel or 112025
parcels exempted from taxation. Before adopting an amendment 112026
authorized under this division, the board of township trustees 112027
shall obtain the approval of each board of education of the city, 112028
local, or exempted village school district within which the 112029
exempted parcels are located in the manner required under division 112030
(D) of this section, except that (1) the board of education may 112031
approve the exemption on the condition that the board of township 112032
trustees and the board of education negotiate an agreement 112033
providing for compensation to the school district equal in value 112034
to the amount of taxes the district forgoes in each year the 112035
exemption is extended pursuant to this division or any other 112036
mutually agreeable compensation and (2) if the board of education 112037
fails to certify a resolution approving the amendment to the board 112038
of township trustees within the time prescribed by division (D) of 112039
this section, the board of township trustees shall not adopt the 112040
amendment authorized under this division. 112041

No approval under this division shall be required from a 112042
board of education that has adopted a resolution waiving its right 112043
to approve exemptions from taxation pursuant to division (D) of 112044
this section. If the board of education has adopted such a 112045
resolution, the board of township trustees shall comply with the 112046
notice requirements imposed under section 5709.83 of the Revised 112047
Code before taking formal action to adopt an amendment authorized 112048
under this division unless the board of education has adopted a 112049
resolution under that section waiving its right to receive the 112050

notice. Not later than fourteen days before adopting an amendment 112051
authorized under this division, the board of township trustees 112052
shall deliver a notice identical to a notice required under 112053
section 5709.83 of the Revised Code to the board of county 112054
commissioners of each county in which the exempted parcels are 112055
located. 112056

Sec. 5709.78. (A) A board of county commissioners may, by 112057
resolution, declare improvements to certain parcels of real 112058
property located in the unincorporated territory of the county to 112059
be a public purpose. Except as otherwise provided under division 112060
(C) of this section or section 5709.51 of the Revised Code, not 112061
more than seventy-five per cent of an improvement thus declared to 112062
be a public purpose may be exempted from real property taxation, 112063
for a period of not more than ten years. The resolution shall 112064
specify the percentage of the improvement to be exempted and the 112065
life of the exemption. 112066

A resolution adopted under this division shall designate the 112067
specific public infrastructure improvements made, to be made, or 112068
in the process of being made by the county that directly benefit, 112069
or that once made will directly benefit, the parcels for which 112070
improvements are declared to be a public purpose. The service 112071
payments provided for in section 5709.79 of the Revised Code shall 112072
be used to finance the public infrastructure improvements 112073
designated in the resolution, or as provided in section 5709.80 of 112074
the Revised Code. 112075

(B)(1) A board of county commissioners may adopt a resolution 112076
creating an incentive district and declaring improvements to 112077
parcels within the district to be a public purpose and, except as 112078
provided in division (B)(2) of this section, exempt from taxation 112079
as provided in this section, but no board of county commissioners 112080
of a county that has a population that exceeds twenty-five 112081

thousand, as shown by the most recent federal decennial census, 112082
shall adopt a resolution that creates an incentive district if the 112083
sum of the taxable value of real property in the proposed district 112084
for the preceding tax year and the taxable value of all real 112085
property in the county that would have been taxable in the 112086
preceding year were it not for the fact that the property was in 112087
an existing incentive district and therefore exempt from taxation 112088
exceeds twenty-five per cent of the taxable value of real property 112089
in the county for the preceding tax year. The district shall be 112090
located within the unincorporated territory of the county and 112091
shall not include any territory that is included within a district 112092
created under division (C) of section 5709.73 of the Revised Code. 112093
The resolution shall delineate the boundary of the proposed 112094
district and specifically identify each parcel within the 112095
district. A proposed district may not include any parcel that is 112096
or has been exempted from taxation under division (A) of this 112097
section or that is or has been within another district created 112098
under this division. A resolution may create more than one such 112099
district, and more than one resolution may be adopted under 112100
division (B)(1) of this section. 112101

(2)(a) Not later than thirty days prior to adopting a 112102
resolution under division (B)(1) of this section, if the county 112103
intends to apply for exemptions from taxation under section 112104
5709.911 of the Revised Code on behalf of owners of real property 112105
located within the proposed incentive district, the board of 112106
county commissioners shall conduct a public hearing on the 112107
proposed resolution. Not later than thirty days prior to the 112108
public hearing, the board shall give notice of the public hearing 112109
and the proposed resolution by first class mail to every real 112110
property owner whose property is located within the boundaries of 112111
the proposed incentive district that is the subject of the 112112
proposed resolution. The board also shall provide the notice by 112113
first class mail to the clerk of each township in which the 112114

proposed incentive district will be located. The notice shall 112115
include a map of the proposed incentive district on which the 112116
board of county commissioners shall have delineated an overlay. 112117
The notice shall inform property owners of the owner's right to 112118
exclude the owner's property from the incentive district if both 112119
of the following conditions are met: 112120

(i) The owner's entire parcel of property will not be located 112121
within the overlay. 112122

(ii) The owner has submitted a statement to the board of 112123
township trustees of the township in which the parcel is located 112124
indicating the owner's intent to seek a tax exemption for 112125
improvements to the owner's parcel under section 5709.41 or 112126
division (B) or (C) of section 5709.73 of the Revised Code within 112127
the next five years. 112128

When both of the preceding conditions are met, the owner may 112129
exclude the owner's property from the incentive district by 112130
submitting a written response in accordance with division 112131
(B)(2)(b) of this section. The notice also shall include 112132
information detailing the required contents of the response, the 112133
address to which the response may be mailed, and the deadline for 112134
submitting the response. 112135

(b) Any owner of real property located within the boundaries 112136
of an incentive district proposed under division (B) (1) of this 112137
section who meets the conditions specified in divisions 112138
(B)(2)(a)(i) and (ii) of this section may exclude the property 112139
from the proposed incentive district by submitting a written 112140
response to the board not later than forty-five days after the 112141
postmark date on the notice required under division (B)(2)(a) of 112142
this section. The response shall include a copy of the statement 112143
submitted under division (B)(2)(a)(ii) of this section. The 112144
response shall be sent by first class mail or delivered in person 112145
at a public hearing held by the board under division (B)(2)(a) of 112146

this section. The response shall conform to any content 112147
requirements that may be established by the board and included in 112148
the notice provided under division (B)(2)(a) of this section. In 112149
the response, property owners may identify a parcel by street 112150
address, by the manner in which it is identified in the 112151
resolution, or by other means allowing the identity of the parcel 112152
to be ascertained. 112153

(c) Before adopting a resolution under division (B)(1) of 112154
this section, the board shall amend the resolution to exclude any 112155
parcel for which a written response has been submitted under 112156
division (B)(2)(b) of this section. A county shall not apply for 112157
exemptions from taxation under section 5709.911 of the Revised 112158
Code for any such parcel, and service payments may not be required 112159
from the owner of the parcel. Improvements to a parcel excluded 112160
from an incentive district under this division may be exempted 112161
from taxation under division (A) of this section pursuant to a 112162
resolution adopted under that division or under any other section 112163
of the Revised Code under which the parcel qualifies. 112164

(3)(a) A resolution adopted under division (B)(1) of this 112165
section shall specify the life of the incentive district and the 112166
percentage of the improvements to be exempted, shall designate the 112167
public infrastructure improvements made, to be made, or in the 112168
process of being made, that benefit or serve, or, once made, will 112169
benefit or serve parcels in the district. The resolution also 112170
shall identify one or more specific projects being, or to be, 112171
undertaken in the district that place additional demand on the 112172
public infrastructure improvements designated in the resolution. 112173
The project identified may, but need not be, the project under 112174
division (B)(3)(b) of this section that places real property in 112175
use for commercial or industrial purposes. 112176

A resolution adopted under division (B)(1) of this section on 112177
or after March 30, 2006, shall not designate police or fire 112178

equipment as public infrastructure improvements, and no service 112179
payment provided for in section 5709.79 of the Revised Code and 112180
received by the county under the resolution shall be used for 112181
police or fire equipment. 112182

(b) A resolution adopted under division (B)(1) of this 112183
section may authorize the use of service payments provided for in 112184
section 5709.79 of the Revised Code for the purpose of housing 112185
renovations within the incentive district, provided that the 112186
resolution also designates public infrastructure improvements that 112187
benefit or serve the district, and that a project within the 112188
district places real property in use for commercial or industrial 112189
purposes. Service payments may be used to finance or support 112190
loans, deferred loans, and grants to persons for the purpose of 112191
housing renovations within the district. The resolution shall 112192
designate the parcels within the district that are eligible for 112193
housing renovations. The resolution shall state separately the 112194
amount or the percentages of the expected aggregate service 112195
payments that are designated for each public infrastructure 112196
improvement and for the purpose of housing renovations. 112197

(4) Except with the approval of the board of education of 112198
each city, local, or exempted village school district within the 112199
territory of which the incentive district is or will be located, 112200
and subject to division (D) of this section, the life of an 112201
incentive district shall not exceed ten years, and the percentage 112202
of improvements to be exempted shall not exceed seventy-five per 112203
cent. With approval of the board of education, the life of a 112204
district may be not more than thirty years, and the percentage of 112205
improvements to be exempted may be not more than one hundred per 112206
cent. The approval of a board of education shall be obtained in 112207
the manner provided in division (C) of this section. 112208

(C)(1) Improvements with respect to a parcel may be exempted 112209
from taxation under division (A) of this section, and improvements 112210

to parcels within an incentive district may be exempted from 112211
taxation under division (B) of this section, for up to ten years 112212
or, with the approval of the board of education of each city, 112213
local, or exempted village school district within which the parcel 112214
or district is located, for up to thirty years. The percentage of 112215
the improvements exempted from taxation may, with such approval, 112216
exceed seventy-five per cent, but shall not exceed one hundred per 112217
cent. Not later than forty-five business days prior to adopting a 112218
resolution under this section declaring improvements to be a 112219
public purpose that is subject to the approval of a board of 112220
education under this division, the board of county commissioners 112221
shall deliver to the board of education a notice stating its 112222
intent to adopt a resolution making that declaration. The notice 112223
regarding improvements with respect to a parcel under division (A) 112224
of this section shall identify the parcels for which improvements 112225
are to be exempted from taxation, provide an estimate of the true 112226
value in money of the improvements, specify the period for which 112227
the improvements would be exempted from taxation and the 112228
percentage of the improvements that would be exempted, and 112229
indicate the date on which the board of county commissioners 112230
intends to adopt the resolution. The notice regarding improvements 112231
to parcels within an incentive district under division (B) of this 112232
section shall delineate the boundaries of the district, 112233
specifically identify each parcel within the district, identify 112234
each anticipated improvement in the district, provide an estimate 112235
of the true value in money of each such improvement, specify the 112236
life of the district and the percentage of improvements that would 112237
be exempted, and indicate the date on which the board of county 112238
commissioners intends to adopt the resolution. The board of 112239
education, by resolution adopted by a majority of the board, may 112240
approve the exemption for the period or for the exemption 112241
percentage specified in the notice; may disapprove the exemption 112242
for the number of years in excess of ten, may disapprove the 112243

exemption for the percentage of the improvements to be exempted in 112244
excess of seventy-five per cent, or both; or may approve the 112245
exemption on the condition that the board of county commissioners 112246
and the board of education negotiate an agreement providing for 112247
compensation to the school district equal in value to a percentage 112248
of the amount of taxes exempted in the eleventh and subsequent 112249
years of the exemption period or, in the case of exemption 112250
percentages in excess of seventy-five per cent, compensation equal 112251
in value to a percentage of the taxes that would be payable on the 112252
portion of the improvements in excess of seventy-five per cent 112253
were that portion to be subject to taxation, or other mutually 112254
agreeable compensation. 112255

(2) The board of education shall certify its resolution to 112256
the board of county commissioners not later than fourteen days 112257
prior to the date the board of county commissioners intends to 112258
adopt its resolution as indicated in the notice. If the board of 112259
education and the board of county commissioners negotiate a 112260
mutually acceptable compensation agreement, the resolution of the 112261
board of county commissioners may declare the improvements a 112262
public purpose for the number of years specified in that 112263
resolution or, in the case of exemption percentages in excess of 112264
seventy-five per cent, for the exemption percentage specified in 112265
the resolution. In either case, if the board of education and the 112266
board of county commissioners fail to negotiate a mutually 112267
acceptable compensation agreement, the resolution may declare the 112268
improvements a public purpose for not more than ten years, and 112269
shall not exempt more than seventy-five per cent of the 112270
improvements from taxation. If the board of education fails to 112271
certify a resolution to the board of county commissioners within 112272
the time prescribed by this section, the board of county 112273
commissioners thereupon may adopt the resolution and may declare 112274
the improvements a public purpose for up to thirty years or, in 112275
the case of exemption percentages proposed in excess of 112276

seventy-five per cent, for the exemption percentage specified in 112277
the resolution. The board of county commissioners may adopt the 112278
resolution at any time after the board of education certifies its 112279
resolution approving the exemption to the board of county 112280
commissioners, or, if the board of education approves the 112281
exemption on the condition that a mutually acceptable compensation 112282
agreement be negotiated, at any time after the compensation 112283
agreement is agreed to by the board of education and the board of 112284
county commissioners. If a mutually acceptable compensation 112285
agreement is negotiated between the board of county commissioners 112286
and the board of education, including agreements for payments in 112287
lieu of taxes under section 5709.79 of the Revised Code, the board 112288
of county commissioners shall compensate the joint vocational 112289
school district within which the parcel or district is located at 112290
the same rate and under the same terms received by the city, 112291
local, or exempted village school district. 112292

(3) If a board of education has adopted a resolution waiving 112293
its right to approve exemptions from taxation under this section 112294
and the resolution remains in effect, approval of such exemptions 112295
by the board of education is not required under division (C) of 112296
this section. If a board of education has adopted a resolution 112297
allowing a board of county commissioners to deliver the notice 112298
required under division (C) of this section fewer than forty-five 112299
business days prior to approval of the resolution by the board of 112300
county commissioners, the board of county commissioners shall 112301
deliver the notice to the board of education not later than the 112302
number of days prior to such approval as prescribed by the board 112303
of education in its resolution. If a board of education adopts a 112304
resolution waiving its right to approve exemptions or shortening 112305
the notification period, the board of education shall certify a 112306
copy of the resolution to the board of county commissioners. If 112307
the board of education rescinds such a resolution, it shall 112308
certify notice of the rescission to the board of county 112309

commissioners. 112310

(4) Nothing in division (C) of this section prohibits the 112311
board of county commissioners from amending the resolution under 112312
section 5709.51 of the Revised Code to extend the term of the 112313
exemption. 112314

(D)(1) If a proposed resolution under division (B)(1) of this 112315
section exempts improvements with respect to a parcel within an 112316
incentive district for more than ten years, or the percentage of 112317
the improvement exempted from taxation exceeds seventy-five per 112318
cent, not later than forty-five business days prior to adopting 112319
the resolution the board of county commissioners shall deliver to 112320
the board of township trustees of any township within which the 112321
incentive district is or will be located a notice that states its 112322
intent to adopt a resolution creating an incentive district. The 112323
notice shall include a copy of the proposed resolution, identify 112324
the parcels for which improvements are to be exempted from 112325
taxation, provide an estimate of the true value in money of the 112326
improvements, specify the period of time for which the 112327
improvements would be exempted from taxation, specify the 112328
percentage of the improvements that would be exempted from 112329
taxation, and indicate the date on which the board intends to 112330
adopt the resolution. 112331

(2) The board of township trustees, by resolution adopted by 112332
a majority of the board, may object to the exemption for the 112333
number of years in excess of ten, may object to the exemption for 112334
the percentage of the improvement to be exempted in excess of 112335
seventy-five per cent, or both. If the board of township trustees 112336
objects, the board of township trustees may negotiate a mutually 112337
acceptable compensation agreement with the board of county 112338
commissioners. In no case shall the compensation provided to the 112339
board of township trustees exceed the property taxes forgone due 112340
to the exemption. If the board of township trustees objects, and 112341

the board of township trustees and the board of county 112342
commissioners fail to negotiate a mutually acceptable compensation 112343
agreement, the resolution adopted under division (B)(1) of this 112344
section shall provide to the board of township trustees 112345
compensation in the eleventh and subsequent years of the exemption 112346
period equal in value to not more than fifty per cent of the taxes 112347
that would be payable to the township or, if the board of township 112348
trustee's objection includes an objection to an exemption 112349
percentage in excess of seventy-five per cent, compensation equal 112350
in value to not more than fifty per cent of the taxes that would 112351
be payable to the township on the portion of the improvement in 112352
excess of seventy-five per cent, were that portion to be subject 112353
to taxation. The board of township trustees shall certify its 112354
resolution to the board of county commissioners not later than 112355
thirty days after receipt of the notice. 112356

(3) If the board of township trustees does not object or 112357
fails to certify a resolution objecting to an exemption within 112358
thirty days after receipt of the notice, the board of county 112359
commissioners may adopt its resolution, and no compensation shall 112360
be provided to the board of township trustees. If the board of 112361
township trustees certifies its resolution objecting to the 112362
commissioners' resolution, the board of county commissioners may 112363
adopt its resolution at any time after a mutually acceptable 112364
compensation agreement is agreed to by the board of county 112365
commissioners and the board of township trustees. If the board of 112366
township trustees certifies a resolution objecting to the 112367
commissioners' resolution, the board of county commissioners may 112368
adopt its resolution at any time after a mutually acceptable 112369
compensation agreement is agreed to by the board of county 112370
commissioners and the board of township trustees, or, if no 112371
compensation agreement is negotiated, at any time after the board 112372
of county commissioners in the proposed resolution to provide 112373
compensation to the board of township trustees of fifty per cent 112374

of the taxes that would be payable to the township in the eleventh 112375
and subsequent years of the exemption period or on the portion of 112376
the improvement in excess of seventy-five per cent, were that 112377
portion to be subject to taxation. 112378

(E) Service payments in lieu of taxes that are attributable 112379
to any amount by which the effective tax rate of either a renewal 112380
levy with an increase or a replacement levy exceeds the effective 112381
tax rate of the levy renewed or replaced, or that are attributable 112382
to an additional levy, for a levy authorized by the voters for any 112383
of the following purposes on or after January 1, 2006, and which 112384
are provided pursuant to a resolution creating an incentive 112385
district under division (B)(1) of this section that is adopted on 112386
or after January 1, 2006, shall be distributed to the appropriate 112387
taxing authority as required under division (D) of section 5709.79 112388
of the Revised Code in an amount equal to the amount of taxes from 112389
that additional levy or from the increase in the effective tax 112390
rate of such renewal or replacement levy that would have been 112391
payable to that taxing authority from the following levies were it 112392
not for the exemption authorized under division (B) of this 112393
section: 112394

(1) A tax levied under division (L) of section 5705.19 or 112395
section 5705.191 or 5705.222 of the Revised Code for community 112396
developmental disabilities programs and services pursuant to 112397
Chapter 5126. of the Revised Code; 112398

(2) A tax levied under division (Y) of section 5705.19 of the 112399
Revised Code for providing or maintaining senior citizens services 112400
or facilities; 112401

(3) A tax levied under section 5705.22 of the Revised Code 112402
for county hospitals; 112403

(4) A tax levied by a joint-county district or by a county 112404
under section 5705.19, 5705.191, or 5705.221 of the Revised Code 112405

for alcohol, drug addiction, and mental health services or facilities;	112406 112407
(5) A tax levied under section 5705.23 of the Revised Code for library purposes;	112408 112409
(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;	112410 112411 112412
(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;	112413 112414 112415
(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;	112416 112417 112418
(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;	112419 112420 112421 112422
(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;	112423 112424
(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;	112425 112426 112427 112428
(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.	112429 112430
(F) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or	112431 112432 112433 112434 112435

specifies no year whatsoever, the exemption commences with the tax 112436
year in which an exempted improvement first appears on the tax 112437
list and duplicate of real and public utility property and that 112438
commences after the effective date of the resolution. In lieu of 112439
stating a specific year, the resolution may provide that the 112440
exemption commences in the tax year in which the value of an 112441
improvement exceeds a specified amount or in which the 112442
construction of one or more improvements is completed, provided 112443
that such tax year commences after the effective date of the 112444
resolution. With respect to the exemption of improvements to 112445
parcels under division (A) of this section, the resolution may 112446
allow for the exemption to commence in different tax years on a 112447
parcel-by-parcel basis, with a separate exemption term specified 112448
for each parcel. 112449

Except as otherwise provided in this division, the exemption 112450
ends on the date specified in the resolution as the date the 112451
improvement ceases to be a public purpose or the incentive 112452
district expires, or ends on the date on which the county can no 112453
longer require annual service payments in lieu of taxes under 112454
section 5709.79 of the Revised Code, whichever occurs first. The 112455
exemption of an improvement with respect to a parcel or within an 112456
incentive district may end on a later date, as specified in the 112457
resolution, if the board of commissioners and the board of 112458
education of the city, local, or exempted village school district 112459
within which the parcel or district is located have entered into a 112460
compensation agreement under section 5709.82 of the Revised Code 112461
with respect to the improvement, and the board of education has 112462
approved the term of the exemption under division (C)(1) of this 112463
section, but in no case shall the improvement be exempted from 112464
taxation for more than thirty years. Exemptions shall be claimed 112465
and allowed in the same or a similar manner as in the case of 112466
other real property exemptions. If an exemption status changes 112467
during a tax year, the procedure for the apportionment of the 112468

taxes for that year is the same as in the case of other changes in 112469
tax exemption status during the year. 112470

(G) If the board of county commissioners is not required by 112471
this section to notify the board of education of the board of 112472
county commissioners' intent to declare improvements to be a 112473
public purpose, the board of county commissioners shall comply 112474
with the notice requirements imposed under section 5709.83 of the 112475
Revised Code before taking formal action to adopt the resolution 112476
making that declaration, unless the board of education has adopted 112477
a resolution under that section waiving its right to receive such 112478
a notice. 112479

(H) The county, not later than fifteen days after the 112480
adoption of a resolution under this section, shall submit to the 112481
director of development ~~services~~ a copy of the resolution. On or 112482
before the thirty-first day of March of each year, the county 112483
shall submit a status report to the director ~~of development~~ 112484
~~services~~. The report shall indicate, in the manner prescribed by 112485
the director, the progress of the project during each year that an 112486
exemption remains in effect, including a summary of the receipts 112487
from service payments in lieu of taxes; expenditures of money from 112488
the fund created under section 5709.80 of the Revised Code; a 112489
description of the public infrastructure improvements and housing 112490
renovations financed with such expenditures; and a quantitative 112491
summary of changes in employment and private investment resulting 112492
from each project. 112493

(I) Nothing in this section shall be construed to prohibit a 112494
board of county commissioners from declaring to be a public 112495
purpose improvements with respect to more than one parcel. 112496

(J) If a parcel is located in a new community district in 112497
which the new community authority imposes a community development 112498
charge on the basis of rentals received from leases of real 112499
property as described in division (L)(2) of section 349.01 of the 112500

Revised Code, the parcel may not be exempted from taxation under 112501
this section. 112502

Sec. 5709.83. (A) Except as otherwise provided in division 112503
(B) or (C) of this section, prior to taking formal action to adopt 112504
or enter into any instrument granting a tax exemption under 112505
section 725.02, 1728.06, 5709.40, 5709.41, 5709.45, 5709.48, 112506
5709.62, 5709.63, 5709.632, 5709.73, 5709.78, 5709.84, or 5709.88 112507
of the Revised Code or formally approving an agreement under 112508
section 3735.671 of the Revised Code, or prior to forwarding an 112509
application for a tax exemption for residential property under 112510
section 3735.67 of the Revised Code to the county auditor, the 112511
legislative authority of the political subdivision, governing 112512
board of a regional transportation improvement project, or housing 112513
officer shall notify the board of education of each city, local, 112514
exempted village, or joint vocational school district in which the 112515
proposed tax-exempted property is located. The notice shall 112516
include a copy of the instrument or application. The notice shall 112517
be delivered not later than fourteen days prior to the day the 112518
legislative authority or governing board takes formal action to 112519
adopt or enter into the instrument, or not later than fourteen 112520
days prior to the day the housing officer forwards the application 112521
to the county auditor. If the board of education comments on the 112522
instrument or application to the legislative authority, governing 112523
board, or housing officer, the legislative authority, governing 112524
board, or housing officer shall consider the comments. If the 112525
board of education of the city, local, exempted village, or joint 112526
vocational school district so requests, the legislative authority, 112527
governing board, or the housing officer shall meet in person with 112528
a representative designated by the board of education to discuss 112529
the terms of the instrument or application. 112530

(B) The notice otherwise required to be provided to boards of 112531
education under division (A) of this section is not required if 112532

the board has adopted a resolution waiving its right to receive 112533
such notices, and that resolution remains in effect. If a board of 112534
education adopts such a resolution, the board shall cause a copy 112535
of the resolution to be certified to the legislative authority or 112536
governing board. If the board of education rescinds such a 112537
resolution, it shall certify notice of the rescission to the 112538
legislative authority or governing board. A board of education may 112539
adopt such a resolution with respect to any one or more counties, 112540
townships, or municipal corporations situated in whole or in part 112541
within the school district. 112542

(C) If a legislative authority or governing board is required 112543
to provide notice to a city, local, or exempted village school 112544
district of its intent to adopt or enter into any instrument 112545
granting a tax exemption as required by section 3735.671, 5709.40, 112546
5709.41, 5709.45, 5709.48, 5709.62, 5709.63, 5709.632, 5709.73, or 112547
5709.78 of the Revised Code, the legislative authority, before 112548
adopting a resolution or ordinance or entering into an agreement 112549
under that section, shall notify the board of education of each 112550
joint vocational school district in which the property to be 112551
exempted is located using the same time requirements for the 112552
notice that applies to notices to city, local, and exempted 112553
village school districts. The content of the notice and procedures 112554
for responding to the notice are the same as required in division 112555
(A) of this section. 112556

Sec. 5711.29. If any corporation uses the rights and powers 112557
granted by its charter to prevent the assessment of the shares of 112558
its resident shareholders on the basis of income yield, as 112559
provided in sections 5711.01 to 5711.36 of the Revised Code, by 112560
permitting its gains and profits to accumulate instead of being 112561
distributed, or by paying exorbitant salaries to its officers and 112562
employees, the tax commissioner, upon finding such to be the fact, 112563
shall assess the amount representing the aggregate assessments of 112564

the shares of such resident shareholders in the names of such 112565
resident shareholders and certify such assessments, together with 112566
the penalty provided in such sections, to the proper county 112567
auditor who shall place the same on the classified tax list and 112568
duplicate in the names of such shareholders, as investments 112569
assessed on the basis of income yield for the year for which such 112570
assessments are made; and taxes shall be collected thereon the 112571
same as on other like assessments. The commissioner shall give 112572
notice of such assessment to the corporation ~~by personal service~~ 112573
~~or certified mail,~~ in the manner provided in section 5703.37 of 112574
the Revised Code, and such assessment shall be subject to a 112575
petition for reassessment and an appeal as provided in sections 112576
5711.31 and 5717.02 of the Revised Code. 112577

If any such corporation is a holding or investment company, 112578
or if the gains or profits are permitted to accumulate beyond the 112579
reasonable needs of the business, such fact shall be prima-facie 112580
evidence of a purpose to prevent the assessment of the shares of 112581
its resident stockholders on such basis. 112582

If any trust, under the terms of which the trustee is 112583
required or authorized to withhold and accumulate all or any part 112584
of the income, is created or used for the purpose of preventing 112585
the assessment of the equitable interests of the resident 112586
beneficiaries on the basis of income yield, as provided in 112587
sections 5711.01 to 5711.36 of the Revised Code, the commissioner, 112588
upon finding such to be the fact, shall assess the amount 112589
representing the aggregate assessment of such equitable shares in 112590
the manner provided in this section. If the creator of such trust 112591
reserved a power of revocation, or if the trustee has discretion 112592
to pay and distribute the income of the trust property to or for 112593
the benefit of such resident beneficiary, such fact shall be 112594
prima-facie evidence of a purpose to prevent the assessment of the 112595
equitable shares of the resident beneficiaries upon such basis. 112596

The assessment imposed by this action shall not be made 112597
against any resident shareholder of such corporation or 112598
beneficiary of such trust who in filing ~~his~~ the shareholder's or 112599
beneficiary's return lists as the income yield of ~~his~~ the shares 112600
or beneficial interest the entire distributive share or beneficial 112601
interest, whether distributed or not, of the net income of such 112602
corporation or trust for such year, in which event any subsequent 112603
distribution made by such corporation or trust out of the earnings 112604
or profits of such year shall, if distributed to any shareholder 112605
or beneficiary who has so included in the income yield of ~~his~~ the 112606
shareholder's or beneficiary's shares the distributive share 112607
thereof, be deducted from the income yield of such shares for the 112608
year in which the same is made. 112609

Sec. 5713.03. (A) The county auditor, from the best sources 112610
of information available, shall determine, as nearly as 112611
practicable, the true value of the fee simple estate, as if 112612
unencumbered but subject to any effects from the exercise of 112613
police powers or from other governmental actions, of each separate 112614
tract, lot, or parcel of real property and of buildings, 112615
structures, and improvements located thereon and the current 112616
agricultural use value of land valued for tax purposes in 112617
accordance with section 5713.31 of the Revised Code, in every 112618
district, according to the rules prescribed by this chapter and 112619
section 5715.01 of the Revised Code, and in accordance with the 112620
uniform rules and methods of valuing and assessing real property 112621
as adopted, prescribed, and promulgated by the tax commissioner. 112622
The auditor shall determine the taxable value of all real property 112623
by reducing its true or current agricultural use value by the 112624
percentage ordered by the commissioner. In determining the true 112625
value of any tract, lot, or parcel of real estate under this 112626
section, if such tract, lot, or parcel has been the subject of an 112627
arm's length sale between a willing seller and a willing buyer 112628

within a reasonable length of time, either before or after the tax
lien date, the auditor may consider the sale price of such tract,
lot, or parcel to be the true value for taxation purposes.
However, the sale price in an arm's length transaction between a
willing seller and a willing buyer shall not be considered the
true value of the property sold if subsequent to the sale:

(1) The tract, lot, or parcel of real estate loses value due
to some casualty;

(2) An improvement is added to the property.

Nothing in this section or section 5713.01 of the Revised
Code and no rule adopted under section 5715.01 of the Revised Code
shall require the county auditor to change the true value in money
of any property in any year except a year in which the tax
commissioner is required to determine under section 5715.24 of the
Revised Code whether the property has been assessed as required by
law.

(B) Pursuant to division (A) of this section, the county
auditor may determine the true value of ~~real property that is part
of a qualified low income housing tax credit project~~ federally
subsidized residential rental property through use of one or more
of the market-data approach, the income approach, or the cost
approach.

As used in division (B) of this section, ~~"low income housing
tax credit project" means a qualified low income housing project
during its compliance period, as those terms are defined by
section 42 of the Internal Revenue Code~~ "federally subsidized
residential rental property" means property to which one or more
of the following apply:

(1) It is part of a qualified low-income housing project,
through its compliance and extended use period, as those terms are

defined in section 42 of the Internal Revenue Code, or any other 112659
period during which it is similarly restricted under section 42 of 112660
the Internal Revenue Code; 112661

(2) It receives assistance pursuant to section 202 of the 112662
"Housing Act of 1959," 12 U.S.C. 1701g, and remains restricted 112663
pursuant to that section; 112664

(3) Property that receives assistance pursuant to Section 811 112665
of the "Cranston-Gonzalez National Affordable Housing Act," 42 112666
U.S.C. 8013, and remains restricted pursuant to that section; 112667

(4) Property that receives project-based assistance pursuant 112668
to section 8 of the "United States Housing Act of 1937," 42 U.S.C. 112669
1437f, and remains restricted pursuant to that section; 112670

(5) Property that receives assistance pursuant to section 515 112671
of the "Housing Act of 1949," 42 U.S.C. 1485, and remains 112672
restricted pursuant to that section; 112673

(6) Property that receives assistance pursuant to section 538 112674
of the "Housing Act of 1949," 42 U.S.C. 1490p-2, and remains 112675
restricted pursuant to that section; 112676

(7) Property that receives assistance pursuant to section 521 112677
of the "Housing Act of 1949," 42 U.S.C. 1490a, and remains 112678
restricted pursuant to that section. 112679

(C) The county auditor shall adopt and use a real property 112680
record approved by the commissioner for each tract, lot, or parcel 112681
of real property, setting forth the true and taxable value of land 112682
and, in the case of land valued in accordance with section 5713.31 112683
of the Revised Code, its current agricultural use value, the 112684
number of acres of arable land, permanent pasture land, woodland, 112685
and wasteland in each tract, lot, or parcel. The auditor shall 112686
record pertinent information and the true and taxable value of 112687
each building, structure, or improvement to land, which value 112688
shall be included as a separate part of the total value of each 112689

tract, lot, or parcel of real property. 112690

Sec. 5715.01. (A) The tax commissioner shall direct and 112691
supervise the assessment for taxation of all real property. The 112692
commissioner shall adopt, prescribe, and promulgate rules for the 112693
determination of true value and taxable value of real property by 112694
uniform rule for such values and for the determination of the 112695
current agricultural use value of land devoted exclusively to 112696
agricultural use. 112697

(1) The uniform rules shall prescribe methods of determining 112698
the true value and taxable value of real property. The rules shall 112699
provide that in determining the true value of lands or 112700
improvements thereon for tax purposes, all facts and circumstances 112701
relating to the value of the property, its availability for the 112702
purposes for which it is constructed or being used, its obsolete 112703
character, if any, the income capacity of the property, if any, 112704
and any other factor that tends to prove its true value shall be 112705
used. In determining the true value of minerals or rights to 112706
minerals for the purpose of real property taxation, the tax 112707
commissioner shall not include in the value of the minerals or 112708
rights to minerals the value of any tangible personal property 112709
used in the recovery of those minerals. 112710

(2) The uniform rules shall prescribe the method for 112711
determining the current agricultural use value of land devoted 112712
exclusively to agricultural use, which method shall reflect 112713
standard and modern appraisal techniques that take into 112714
consideration the productivity of the soil under normal management 112715
practices, typical cropping and land use patterns, the average 112716
price patterns of the crops and products produced and the typical 112717
production costs to determine the net income potential to be 112718
capitalized, and other pertinent factors. 112719

In determining the agricultural land capitalization rate to 112720

be applied to the net income potential from agricultural use, the 112721
commissioner shall use standard and modern appraisal techniques. 112722
In calculating the capitalization rate for any year, the 112723
commissioner shall comply with both of the following requirements: 112724

(a) The commissioner shall use an equity yield rate equal to 112725
the greater of (i) the average of the total rates of return on 112726
farm equity for the twenty-five most recent years for which those 112727
rates have been calculated and published by the United States 112728
department of agriculture economic research service or another 112729
published source or (ii) the loan interest rate the commissioner 112730
uses for that year to calculate the capitalization rate; 112731

(b) The commissioner shall assume that the holding period for 112732
agricultural land is twenty-five years for the purpose of 112733
computing buildup of equity or appreciation with respect to that 112734
land. 112735

The commissioner shall add to the overall capitalization rate 112736
a tax additur. The sum of the overall capitalization rate and the 112737
tax additur shall represent as nearly as possible the rate of 112738
return a prudent investor would expect from an average or typical 112739
farm in this state considering only agricultural factors. 112740

The commissioner shall annually determine and announce the 112741
overall capitalization rate, tax additur, agricultural land 112742
capitalization rate, and the individual components used in 112743
computing such amounts in a determination, finding, computation, 112744
or order of the commissioner published simultaneously with the 112745
commissioner's annual publication of the per-acre agricultural use 112746
values for each soil type. 112747

(3) Notwithstanding any other provision of this chapter and 112748
Chapter 5713. of the Revised Code, the current agricultural use 112749
value of land devoted exclusively to agricultural use shall equal 112750
the following amounts for the years specified: 112751

this section; 112785~~

~~(ii) One half of the amount, if any, by which the value of 112786
the land for the 2017 tax year, as determined under this section, 112787

pursuant those sections and issued by the tax commissioner for 112789

~~(iii) The current agricultural use value of the land for the 112795

years shall equal the ~~sum~~ average of the following amounts 112801
determined under this section and section 5713.31 of the Revised 112802
Code, and rules adopted pursuant to those sections: 112803~~

without regard to the adjustment under division (A)(3)(c)(ii) of 112807
this section; 112808~~

~~(ii) One half of the amount, if any, by which the value of 112809

(B) The taxable value shall be that per cent of true value in 112821

commissioner by rule establishes, but it shall not exceed 112824
thirty-five per cent. The uniform rules shall also prescribe 112825
methods of making the appraisals set forth in section 5713.03 of 112826
the Revised Code. The taxable value of each tract, lot, or parcel 112827
of real property and improvements thereon, determined in 112828

shall be the taxable value of the tract, lot, or parcel for all 112830
purposes of sections 5713.01 to 5713.26, 5715.01 to 5715.51, and 112831
5717.01 to 5717.06 of the Revised Code. County auditors shall, 112832
under the direction and supervision of the commissioner, be the 112833
chief assessing officers of their respective counties, and shall 112834
list and value the real property within their respective counties 112835
for taxation in accordance with this section and sections 5713.03 112836
and 5713.31 of the Revised Code and with such rules of the 112837
commissioner. There shall also be a board in each county, known as 112838
the county board of revision, which shall hear complaints and 112839

(C) The commissioner shall neither adopt nor enforce any rule 112841
that requires true value for any tax year to be any value other 112842
than the true value in money on the tax lien date of such tax year 112843
or that requires taxable value to be obtained in any way other 112844
than by reducing the true value, or in the case of land valued in 112845

accordance with section 5713.31 of the Revised Code, its current 112846
agricultural use value, by a specified, uniform percentage. 112847

Sec. 5715.012. The tax commissioner shall make 112848
sales-assessment ratio studies of sales and assessments of real 112849
property for the purpose of determining the common level of 112850
assessment of real property within the counties pursuant to 112851
section 5715.19 of the Revised Code and for the purpose of 112852
equalization. Such studies shall be based on a ~~representative~~ 112853
~~sampling during the three years prior to the tax year to which the~~ 112854
~~sample is applied of~~ all open market arms' length sales ~~by~~ during 112855
the three calendar years prior to the tax year to which the study 112856
is applied between a willing seller ~~to~~ and a willing buyer for a 112857
current like use within the class or classes of real property 112858

conducting such studies, the commissioner shall not give more 112860
weight to sales occurring in any particular year during that 112861
three-year period. The commissioner shall confirm the sales data 112862
with data collected by county auditors. If the number of arms' 112863
length sales ~~to constitute a representative sampling for such~~ 112864
~~studies for a like use within a class of property in a county~~ 112865
during that three-year period does not equal at least five per 112866
cent of the total number of properties in the county within a that 112867
class, the commissioner may also require that the county auditor 112868
conduct appraisals of real property in that class, which shall be 112869
a part of such studies. ~~Such~~ The commissioner shall use such 112870
studies and other information ~~of the commissioner may be used by~~ 112871
~~the commissioner as guidelines, where applicable, including~~ 112872
current economic conditions, in the equalization of a class or 112873
classes of real property. Such studies or other information of the 112874
commissioner or a county auditor shall not be applied by the 112875
commissioner on a taxing district, countywide, or statewide basis 112876
for the purpose of equalization unless the commissioner first 112877

finds there are sufficient arms' length sales for a like use 112878
included in the sample in a class, or arms' length sales and 112879
appraisals conducted by ~~the commissioner~~ an auditor for a like use 112880
included in the sample in a class, to provide an indication that 112881
said sales or sales and appraisals in the class are representative 112882
of all parcels in the class. 112883

In addition, the commissioner shall collaborate with county 112884
auditors to collect data and make other studies of the value of 112885
real property within the counties, which may be used as 112886
guidelines, where applicable, in the equalization of a class or 112887
classes of real property. 112888

Sec. 5721.14. Subject to division (A)(2) of this section, on 112889
receipt of a delinquent vacant land tax certificate or a master 112890
list of delinquent vacant tracts, a county prosecuting attorney 112891
shall institute a foreclosure proceeding under section 323.25, 112892
sections 323.65 to 323.79, or section 5721.18 of the Revised Code, 112893
or a foreclosure and forfeiture proceeding under this section. If 112894
the delinquent vacant land tax certificate or a master list of 112895
delinquent vacant tracts lists minerals or rights to minerals 112896
listed pursuant to sections 5713.04, 5713.05, and 5713.06 of the 112897
Revised Code, the county prosecuting attorney may institute a 112898
foreclosure proceeding under section 323.25, sections 323.65 to 112899
323.79, or section 5721.18 of the Revised Code or a foreclosure 112900
and forfeiture proceeding under this section against such minerals 112901
or rights to minerals. 112902

(A)(1) The prosecuting attorney shall institute a proceeding 112903
under this section by filing, in the name of the county treasurer 112904
and with the clerk of a court with jurisdiction, a complaint that 112905
requests that the lien of the state on the property identified in 112906
the certificate or master list be foreclosed and that the property 112907
be forfeited to the state. The prosecuting attorney shall 112908

prosecute the proceeding to final judgment and satisfaction. 112909

(2) If the delinquent taxes, assessments, charges, penalties, 112910
and interest are paid prior to the time a complaint is filed, the 112911
prosecuting attorney shall not institute a proceeding under this 112912
section. If there is a copy of a written delinquent tax contract 112913
attached to the certificate or an asterisk next to an entry on the 112914
master list, or if a copy of a delinquent tax contract is received 112915
from the county auditor prior to the commencement of the 112916
proceeding under this section, the prosecuting attorney shall not 112917
institute the proceeding under this section unless the prosecuting 112918
attorney receives a certification of the county treasurer that the 112919
delinquent tax contract has become void. 112920

(B) Foreclosure and forfeiture proceedings instituted under 112921
this section constitute an action in rem. Prior to filing such an 112922
action in rem, the county prosecuting attorney shall cause a title 112923
search to be conducted for the purpose of identifying any 112924
lienholders or other persons with interests in the property that 112925
is subject to foreclosure and forfeiture. Following the title 112926
search, the action in rem shall be instituted by filing in the 112927
office of the clerk of a court with jurisdiction a complaint 112928
bearing a caption substantially in the form set forth in division 112929
(A) of section 5721.15 of the Revised Code. 112930

Any number of parcels may be joined in one action. Each 112931
separate parcel included in a complaint shall be given a serial 112932
number and shall be separately indexed and docketed by the clerk 112933
of the court in a book kept by the clerk for such purpose. A 112934
complaint shall contain the permanent parcel number of each parcel 112935
included in it, the full street address of the parcel when 112936
available, a description of the parcel as set forth in the 112937
certificate or master list, the name and address of the last known 112938
owner of the parcel if they appear on the general tax list, the 112939
name and address of each lienholder and other person with an 112940

interest in the parcel identified in the title search relating to 112941
the parcel that is required by this division, and the amount of 112942
taxes, assessments, charges, penalties, and interest due and 112943
unpaid with respect to the parcel. It is sufficient for the county 112944
treasurer to allege in the complaint that the certificate or 112945
master list has been duly filed by the county auditor with respect 112946
to each parcel listed, that the amount of money with respect to 112947
each parcel appearing to be due and unpaid is due and unpaid, and 112948
that there is a lien against each parcel, without setting forth 112949
any other or special matters. The prayer of the complaint shall be 112950
that the court issue an order that the lien of the state on each 112951
of the parcels included in the complaint be foreclosed, that the 112952
property be forfeited to the state, and that the land be offered 112953
for sale in the manner provided in section 5723.06 of the Revised 112954
Code. 112955

(C) Within thirty days after the filing of a complaint, the 112956
clerk of the court in which the complaint was filed shall cause a 112957
notice of foreclosure and forfeiture substantially in the form of 112958
the notice set forth in division (B) of section 5721.15 of the 112959
Revised Code to be published either (1) once a week for three 112960
consecutive weeks in a newspaper of general circulation in the 112961
county or (2) once in a newspaper of general circulation in the 112962
county and, beginning one week thereafter, on a web site of the 112963
county or of the court, as selected by the clerk. Publication on 112964
the web site shall continue until one year after the date a 112965
judgment is rendered under section 5721.16 of the Revised Code 112966
with respect to such property. Any notice published on a web site 112967
shall identify the date the notice is first published on the web 112968
site. In lieu of the form prescribed in division (B) of section 112969
5721.15 of the Revised Code, the second and third publication of 112970
the notice, if proceeding under division (C)(1) of this section, 112971
may be abbreviated as authorized under section 7.16 of the Revised 112972
Code. In any county that has adopted a permanent parcel number 112973

system, the parcel may be described in the notice by parcel number 112974
only, instead of also with a complete legal description, if the 112975
county prosecuting attorney determines that the publication of the 112976
complete legal description is not necessary to provide reasonable 112977
notice of the foreclosure and forfeiture proceeding to the 112978
interested parties. If the complete legal description is not 112979
published, the notice shall indicate where the complete legal 112980
description may be obtained. 112981

After the ~~third~~ final newspaper publication, the publisher 112982
shall file with the clerk of the court an affidavit stating the 112983
fact of the publication and including a copy of the notice of 112984

Nothing in this section or section 5721.03 of the Revised 113088
Code prohibits the prosecuting attorney from instituting a 113089
proceeding under this section before the delinquent tax list or 113090
delinquent vacant land tax list that includes the parcel is 113091
published pursuant to division (B) of section 5721.03 of the 113092
Revised Code if the list is not published within the time 113093
prescribed by that division. The prosecuting attorney shall 113094
prosecute the proceeding to final judgment and satisfaction. 113095
Within ten days after obtaining a judgment, the prosecuting 113096
attorney shall notify the treasurer in writing that judgment has 113097
been rendered. If there is a copy of a written delinquent tax 113098
contract attached to the certificate or an asterisk next to an 113099

contract is received from the auditor prior to the commencement of 113101

the proceeding under this section, the prosecuting attorney shall 113102
not institute the proceeding under this section, unless the 113103
prosecuting attorney receives a certification of the treasurer 113104
that the delinquent tax contract has become void. 113105

(A) This division applies to all foreclosure proceedings not 113106
instituted and prosecuted under section 323.25 of the Revised Code 113107
or division (B) or (C) of this section. The foreclosure 113108
proceedings shall be instituted and prosecuted in the same manner 113109
as is provided by law for the foreclosure of mortgages on land, 113110
except that, if service by publication is necessary, such 113111
publication, instead of as provided by the Rules of Civil 113112
Procedure, shall either be made (1) once a week for three 113113
consecutive weeks instead of as provided by the Rules of Civil 113114
Procedure, and the service in a newspaper of general circulation 113115
in the county or (2) once in a newspaper of general circulation in 113116
the county and, beginning one week thereafter, on a web site of 113117
the county or of the court, as selected by the clerk of the court. 113118
Publication on the web site shall continue until one year after 113119
the date a judgment is rendered under section 5721.19 of the 113120
Revised Code with respect to such property. Any notices published 113121
on a web site shall identify the date the notice is first 113122
published on the web site. If proceeding under division (A)(1) of 113123
this section, the second and third publication of the notice may 113124
be abbreviated as authorized under section 7.16 of the Revised 113125
Code. 113126

Service shall be complete, if proceeding under division 113127
(A)(1) of this section, at the expiration of three weeks after the 113128
date of the first publication or, if proceeding under division 113129
(A)(2) of this section, the date that is two weeks after the clerk 113130
causes the notice to be published on the selected web site. In any 113131
proceeding prosecuted under this section, if the prosecuting 113132
attorney determines that service upon a defendant may be obtained 113133

ultimately only by publication, the prosecuting attorney may cause 113134
service to be made simultaneously by certified mail, return 113135
receipt requested, ordinary mail, and publication. 113136

In any county that has adopted a permanent parcel number 113137
system, the parcel may be described in the notice by parcel number 113138
only, instead of also with a complete legal description, if the 113139
prosecuting attorney determines that the publication of the 113140
complete legal description is not necessary to provide reasonable 113141
notice of the foreclosure proceeding to the interested parties. If 113142
the complete legal description is not published, the notice shall 113143
indicate where the complete legal description may be obtained. 113144

It is sufficient, having been made a proper party to the 113145
foreclosure proceeding, for the treasurer to allege in the 113146
treasurer's complaint that the certificate or master list has been 113147
duly filed by the auditor, that the amount of money appearing to 113148
be due and unpaid is due and unpaid, and that there is a lien 113149
against the property described in the certificate or master list, 113150
without setting forth in the complaint any other or special matter 113151
relating to the foreclosure proceeding. The prayer of the 113152
complaint shall be that the court or the county board of revision 113153
with jurisdiction pursuant to section 323.66 of the Revised Code 113154
issue an order that the property be sold or conveyed by the 113155
sheriff or otherwise be disposed of, and the equity of redemption 113156
be extinguished, according to the alternative redemption 113157
procedures prescribed in sections 323.65 to 323.79 of the Revised 113158
Code, or if the action is in the municipal court by the bailiff, 113159
in the manner provided in section 5721.19 of the Revised Code. 113160

In the foreclosure proceeding, the treasurer may join in one 113161
action any number of lots or lands, but the decree shall be 113162
rendered separately, and any proceedings may be severed, in the 113163
discretion of the court or board of revision, for the purpose of 113164
trial or appeal, and the court or board of revision shall make 113165

such order for the payment of costs as is considered proper. The 113166
certificate or master list filed by the auditor with the 113167
prosecuting attorney is prima-facie evidence at the trial of the 113168
foreclosure action of the amount and validity of the taxes, 113169
assessments, charges, penalties, and interest appearing due and 113170
unpaid and of their nonpayment. 113171

(B) Foreclosure proceedings constituting an action in rem may 113172
be commenced by the filing of a complaint after the end of the 113173
second year from the date on which the delinquency was first 113174
certified by the auditor. Prior to filing such an action in rem, 113175
the prosecuting attorney shall cause a title search to be 113176
conducted for the purpose of identifying any lienholders or other 113177
persons with interests in the property subject to foreclosure. 113178
Following the title search, the action in rem shall be instituted 113179
by filing in the office of the clerk of a court with jurisdiction 113180
a complaint bearing a caption substantially in the form set forth 113181
in division (A) of section 5721.181 of the Revised Code. 113182

Any number of parcels may be joined in one action. Each 113183
separate parcel included in a complaint shall be given a serial 113184
number and shall be separately indexed and docketed by the clerk 113185
of the court in a book kept by the clerk for such purpose. A 113186
complaint shall contain the permanent parcel number of each parcel 113187
included in it, the full street address of the parcel when 113188
available, a description of the parcel as set forth in the 113189
certificate or master list, the name and address of the last known 113190
owner of the parcel if they appear on the general tax list, the 113191
name and address of each lienholder and other person with an 113192
interest in the parcel identified in the title search relating to 113193
the parcel that is required by this division, and the amount of 113194
taxes, assessments, charges, penalties, and interest due and 113195
unpaid with respect to the parcel. It is sufficient for the 113196
treasurer to allege in the complaint that the certificate or 113197

master list has been duly filed by the auditor with respect to 113198
each parcel listed, that the amount of money with respect to each 113199
parcel appearing to be due and unpaid is due and unpaid, and that 113200
there is a lien against each parcel, without setting forth any 113201
other or special matters. The prayer of the complaint shall be 113202
that the court issue an order that the land described in the 113203
complaint be sold in the manner provided in section 5721.19 of the 113204
Revised Code. 113205

(1) Within thirty days after the filing of a complaint, the 113206
clerk of the court in which the complaint was filed shall cause a 113207

a newspaper of general circulation in the county or (b) once in a 113211

week thereafter, on a web site of the county or of the court, as 113213
selected by the clerk. Publication on the web site shall continue 113214
until one year after the date a judgment is rendered under section 113215
5721.19 of the Revised Code with respect to such property. The 113216
newspaper shall meet the requirements of section 7.12 of the 113217
Revised Code. Any notice published on a web site shall identify 113218
the date the notice is first published on that web site. In lieu 113219
of the form prescribed in division (B) of section 5721.181 of the 113220
Revised Code, the second and third publication of the notice, if 113221
proceeding under division (B)(1)(a) of this section, may be 113222
abbreviated as authorized under section 7.16 of the Revised Code. 113223
In any county that has adopted a permanent parcel number system, 113224
the parcel may be described in the notice by parcel number only, 113225
instead of also with a complete legal description, if the 113226
prosecuting attorney determines that the publication of the 113227
complete legal description is not necessary to provide reasonable 113228
notice of the foreclosure proceeding to the interested parties. If 113229
the complete legal description is not published, the notice shall 113230

indicate where the complete legal description may be obtained. 113231

After the ~~third~~ final newspaper publication, the publisher 113232
shall file with the clerk of the court an affidavit stating the 113233
fact of the publication and including a copy of the notice of 113234
foreclosure as published. Two weeks after the clerk causes the 113235

shall file with the clerk an affidavit stating the fact of the 113238

~~last~~ third newspaper publication or the date that is two weeks 113242
after the clerk causes the notice to be published on the selected 113243
web site, as applicable. 113244

Within thirty days after the filing of a complaint and before 113245
the ~~final date of publication of the notice of foreclosure service~~ 113246

within such time, a default judgment may be taken as to any parcel 113275
included in a complaint as to which no answer has been filed. A 113276
default judgment is valid and effective with respect to all 113277

(B) A taxpayer may claim a nonrefundable credit against the tax imposed under this chapter equal to seven per cent of the excess of (1) the qualified research expenses incurred by the taxpayer in this state in a taxable year over (2) the average annual qualified research expenses incurred by the taxpayer in this state in the three previous taxable years. For the purposes of this division, "qualified research expenses incurred by the taxpayer" includes the qualified research expenses incurred by all persons included in the annual report of the taxpayer and by any insurance company subject to the tax levied under section 5725.18 or Chapter 5729. of the Revised Code that has more than fifty per cent of its ownership interests directly or indirectly owned or controlled by a person included in the annual report of the taxpayer, even though such an insurance company is not subject to the tax imposed under this chapter.

(C) A taxpayer shall claim the credit allowed under this section in the order prescribed by section 5726.98 of the Revised Code. If the amount of the credit exceeds the amount of tax otherwise due after deducting all other credits preceding the credit in the order prescribed in section 5726.98 of the Revised Code, the excess may be carried forward for not more than seven ensuing tax years. The amount of the excess credit claimed in any such year shall be deducted from the balance carried forward to the next tax year.

(D) A taxpayer may claim against the tax imposed under this chapter any unused portion of a credit authorized under section 5733.351 of the Revised Code but only to the extent of the remaining portion of the seven-year carry-forward period authorized by that section.

(E) In the case of a taxpayer that includes more than one person, each person in the financial institution group shall separately calculate the credit claimed under this section using the qualified research expenses incurred by that person on a form prescribed by the tax commissioner, which shall be used by the taxpayer to claim the credit.

A taxpayer may only claim the credit with respect to persons included in the financial institution group as of the thirty-first day of December of the taxable year in which the qualified research expenses are incurred. A taxpayer may only claim any excess credit carried forward under division (C) of this section with respect to persons included in that group as of the last day of the taxable year for which the return claiming the credit is filed.

(F) A taxpayer that claims a credit under this section shall retain records to substantiate the claim. Required records include those relating to any expenses used in calculating the credit and incurred in the current taxable year and in the three preceding taxable years.

The taxpayer shall retain the required records until the date that is four years after the due date for the return on which the credit was claimed or four years after the date the return was actually filed, whichever is later.

(G) The tax commissioner may audit a sample of the taxpayer's qualified research expenses over a representative period to ascertain the amount of tax credit the taxpayer may claim under

this section and may issue an assessment under section 5726.20 of 113819
the Revised Code based on the audit. The commissioner shall make a 113820
good faith effort to reach an agreement with the taxpayer in 113821
selecting a representative sample. The commissioner is not, 113822
however, precluded from proceeding under this division if an 113823
agreement is not made. 113824

Sec. 5726.59. (A) Any term used in this section has the same 113825
meaning as in section 122.852 of the Revised Code. 113826

(B) A taxpayer may claim a refundable credit against the tax 113827
imposed under this chapter for each person included in the annual 113828
report of the taxpayer that is a certificate owner of a tax credit 113829
certificate issued under section 122.852 of the Revised Code. The 113830
credit shall be claimed for the taxable year in which the 113831
certificate is issued by the director of development. The credit 113832
amount equals the amount stated on the certificate or the portion 113833
of that amount owned by the certificate owner. The credit shall be 113834
claimed in the order required under section 5726.98 of the Revised 113835
Code. If the credit amount exceeds the tax otherwise due under 113836
section 5726.02 of the Revised Code after deducting all other 113837
credits preceding the credit in the order prescribed in section 113838
5726.98 of the Revised Code, the excess shall be refunded to the 113839
taxpayer. 113840

Sec. 5726.60. (A) Terms used in this section have the same 113841
meanings as in section 175.17 of the Revised Code. 113842

(B) A taxpayer may claim a nonrefundable tax credit against 113843
the tax imposed under this chapter for each person included in the 113844
annual report of the taxpayer that is allocated a credit issued by 113845
the director of the governor's office of housing transformation 113846
under section 175.17 of the Revised Code. The credit equals the 113847
amount allocated to such person for the taxable year as provided 113848

by the designated reporter on the form prescribed by division (H) of section 175.17 of the Revised Code.

The credit authorized in this section shall be claimed in the order required under section 5726.98 of the Revised Code. If the amount of a credit exceeds the tax otherwise due under section 5726.02 of the Revised Code after deducting all other credits preceding the credit in the order prescribed in section 5726.98 of the Revised Code, the excess may be carried forward for not more than five ensuing tax years. The amount of the excess credit claimed in any such year shall be deducted from the balance carried forward to the next tax year.

No credit shall be claimed under this section to the extent the credit was claimed under section 5725.37, 5729.20, or 5747.84 of the Revised Code.

Sec. 5726.98. (A) To provide a uniform procedure for calculating the amount of tax due under section 5726.02 of the Revised Code, a taxpayer shall claim any credits to which the taxpayer is entitled under this chapter in the following order:

The nonrefundable job retention credit under division (B) of section 5726.50 of the Revised Code;

The nonrefundable credit for purchases of qualified low-income community investments under section 5726.54 of the Revised Code;

The nonrefundable credit for qualified research expenses under section 5726.56 of the Revised Code;

The nonrefundable credit for qualifying dealer in intangibles taxes under section 5726.57 of the Revised Code;

The nonrefundable Ohio low-income housing tax credit under section 5726.58 of the Revised Code;

The nonrefundable affordable single-family home credit under

<u>section 5726.60 of the Revised Code;</u>	113879
<u>The nonrefundable welcome home Ohio (WHO) program credit</u>	113880
<u>under section 122.633 of the Revised Code;</u>	113881
The refundable credit for rehabilitating an historic building	113882
under section 5726.52 of the Revised Code;	113883
The refundable job retention or job creation credit under	113884
division (A) of section 5726.50 of the Revised Code;	113885
The refundable credit under section 5726.53 of the Revised	113886
Code for losses on loans made under the Ohio venture capital	113887
program under sections 150.01 to 150.10 of the Revised Code;	113888
The refundable motion picture and Broadway theatrical	113889
production credit under section 5726.55 of the Revised Code;	113890
<u>The refundable credit for film and theater capital</u>	113891
<u>improvement projects under section 5726.59 of the Revised Code.</u>	113892
(B) For any credit except the refundable credits enumerated	113893
in this section, the amount of the credit for a taxable year shall	113894
not exceed the tax due after allowing for any other credit that	113895
precedes it in the order required under this section. Any excess	113896
amount of a particular credit may be carried forward if authorized	113897
under the section creating that credit. Nothing in this chapter	113898
shall be construed to allow a taxpayer to claim, directly or	113899
indirectly, a credit more than once for a taxable year.	113900
Sec. 5727.28. (A) The tax commissioner shall refund to a	113901
natural gas company or combined company subject to the tax imposed	113902
by section 5727.24 of the Revised Code amounts paid illegally or	113903
erroneously, or paid on an illegal or erroneous assessment.	113904
Applications for a refund shall be filed with the tax	113905
commissioner, on a form prescribed by the commissioner, within	113906
four years of the illegal or erroneous payment.	113907
On the filing of the application, the commissioner shall	113908

determine the amount of refund to which the applicant is entitled. 113909
If the amount is not less than that claimed, the commissioner 113910
shall ~~notify the director of budget and management and~~ issue the 113911
refund from the tax refund fund under section 5703.052 of the 113912
Revised Code. If the amount is less than that claimed, the 113913
commissioner shall proceed in accordance with section 5703.70 of 113914
the Revised Code. 113915

If the application for refund is for payment of an illegal or 113916
erroneous assessment, the commissioner shall include in the 113917
certified amount interest calculated at the rate per annum 113918
prescribed by section 5703.47 of the Revised Code from the date of 113919
overpayment to the date of the commissioner's certification. 113920

(B) If a natural gas company or combined company entitled to 113921
a refund under this section, or section 5703.70 of the Revised 113922
Code, is indebted to the state for any tax or fee administered by 113923
the tax commissioner that is paid to the state, or any charge, 113924
penalty, or interest arising from such a tax or fee, the amount 113925
refundable may be applied in satisfaction of that debt. If the 113926
amount refundable is less than the amount of the debt, it may be 113927
applied in partial satisfaction of the debt. If the amount 113928
refundable is greater than the amount of the debt, the amount 113929
remaining after satisfaction of the debt shall be refunded. 113930

(C) In lieu of granting a refund under division (A) or (B) of 113931
this section, the tax commissioner may allow a natural gas company 113932
or combined company to claim a credit of the amount of the tax 113933
refund on the return for the period during which the tax became 113934
refundable. The commissioner may require the company to submit 113935
information to support a claim for a credit under this division, 113936
and the commissioner may disallow the credit if the information is 113937
not provided. 113938

Sec. 5727.30. (A) Except as provided in divisions (B), (C), 113939

and (D), and (E) of this section, each public utility, except 113940
railroad companies, shall be subject to an annual excise tax, as 113941
provided by sections 5727.31 to 5727.62 of the Revised Code, for 113942
the privilege of owning property in this state or doing business 113943
in this state during the twelve-month period next succeeding the 113944
period upon which the tax is based. The tax shall be imposed 113945
against each such public utility that, on the first day of such 113946
twelve-month period, owns property in this state or is doing 113947
business in this state, and the lien for the tax, including any 113948
penalties and interest accruing thereon, shall attach on such day 113949
to the property of the public utility in this state. 113950

(B) Gross receipts of an electric company, rural electric 113951
company, or energy company received after April 30, 2001, are not 113952
subject to the annual excise tax imposed by this section. 113953

(C) A natural gas company's gross receipts received after 113954
April 30, 2000, are not subject to the annual excise tax imposed 113955
by this section. 113956

(D) A telephone company's gross receipts derived from amounts 113957
billed to customers after June 30, 2004, are not subject to the 113958
annual excise tax imposed by this section. Notwithstanding any 113959
other provision of law, gross receipts derived from amounts billed 113960
by a telephone company to customers prior to July 1, 2004, shall 113961
be included in the telephone company's annual statement filed on 113962
or before August 1, 2004, which shall be the last statement or 113963
report filed under section 5727.31 of the Revised Code by a 113964
telephone company. A telephone company shall not deduct from its 113965
gross receipts included in that last statement any receipts it was 113966
unable to collect from its customers for the period of July 1, 113967
2003, to June 30, 2004. 113968

(E) A heating company's gross receipts, and the gross 113969
receipts of a combined company from operating as a heating 113970
company, are not subject to the annual excise tax imposed by this 113971

section. 113972

Sec. 5727.42. (A) The treasurer of state shall notify the tax commissioner of any payment of the excise tax imposed by section 5727.30 of the Revised Code. The commissioner shall collect and the taxpayer shall pay all taxes and any penalties thereon. Payments of the tax may be made by mail, in person, by electronic funds transfer if required to do so by section 5727.311 of the Revised Code, or by any other means authorized by the commissioner. The commissioner may adopt rules concerning the methods and timeliness of payment.

(B) Each tax assessment issued pursuant to this section shall separately reflect the taxes and any penalty due, and any other information considered necessary. The commissioner shall mail the assessment to the taxpayer, and the mailing of it shall be prima-facie evidence of receipt thereof by the taxpayer.

(C) The commissioner shall refund taxes levied and payments made for the tax imposed by section 5727.30 of the Revised Code as provided in this section, but no refund shall be made to a taxpayer having a delinquent claim certified pursuant to this section that remains unpaid. The commissioner may consult the attorney general regarding such claims.

(D) After receiving any excise tax annual statement for the tax imposed by section 5727.30 of the Revised Code, the commissioner shall:

(1) Ascertain the difference between the total taxes owed and the sum of all payments made for that year.

(2) If the difference is a deficiency, the commissioner shall issue an assessment.

(3) If the difference is an excess, the commissioner shall ~~notify the director of budget and management and~~ issue a refund of

that amount to the taxpayer. If the amount of the refund is less 114002
than that claimed by the taxpayer, the taxpayer, within sixty days 114003
of the issuance of the refund, may provide to the commissioner 114004
additional information to support the claim or may request a 114005
hearing. Upon receiving such information or request within that 114006
time, the commissioner shall follow the same procedures set forth 114007
in divisions (C) and (D) of section 5703.70 of the Revised Code 114008
for the determination of refund applications. 114009

If the taxpayer has a deficiency for one tax year and an 114010
excess for another tax year, or any combination thereof for more 114011
than two years, the commissioner may determine the net result and, 114012
depending on such result, proceed to issue an assessment or 114013
certify a refund. 114014

(E) If a taxpayer fails to pay the amount of taxes required 114015
to be paid, or fails to make an estimated payment on or before the 114016
due date prescribed in division (B) of section 5727.31 of the 114017
Revised Code, the commissioner shall impose a penalty in the 114018
amount of fifteen per cent of the unpaid amount, and the 114019
commissioner shall issue an assessment for the unpaid amount and 114020
penalty. Unless a timely petition for reassessment is filed under 114021
section 5727.47 of the Revised Code, the attorney general shall 114022
proceed to collect the delinquent taxes and penalties thereon in 114023
the manner prescribed by law and notify the commissioner of all 114024
collections. 114025

Sec. 5727.47. (A) Notice of each assessment certified or 114026
issued pursuant to section 5727.23 or 5727.38 of the Revised Code 114027
shall be mailed to the public utility, and its mailing shall be 114028
prima-facie evidence of its receipt by the public utility to which 114029
it is addressed. With the notice, the tax commissioner shall 114030
provide instructions on how to petition for reassessment and 114031
request a hearing on the petition. If a public utility objects to 114032

such an assessment, it may file with the commissioner, either 114033
personally or by certified mail, within sixty days after the 114034
mailing of the notice of assessment a written petition for 114035
reassessment signed by the utility's authorized agent having 114036
knowledge of the facts. The date the commissioner receives the 114037
petition shall be considered the date of filing. The petition 114038
shall indicate the utility's objections, but additional objections 114039
may be raised in writing if received by the commissioner prior to 114040
the date shown on the final determination. 114041

In the case of a petition seeking a reduction in taxable 114042
value filed with respect to an assessment certified under section 114043
5727.23 of the Revised Code, the petitioner shall state in the 114044
petition the total amount of reduction in taxable value sought by 114045
the petitioner. If the petitioner objects to the percentage of 114046
true value at which taxable property is assessed by the 114047
commissioner, the petitioner shall state in the petition the total 114048
amount of reduction in taxable value sought both with and without 114049
regard to the objection pertaining to the percentage of true value 114050
at which its taxable property is assessed. If a petitioner objects 114051
to the commissioner's apportionment of the taxable value of the 114052
petitioner's taxable property, the petitioner shall distinctly 114053
state in the petition that the petitioner objects to the 114054
commissioner's apportionment, and, within forty-five days after 114055
filing the petition for reassessment, shall submit the 114056
petitioner's proposed apportionment of the taxable value of its 114057
taxable property among taxing districts. If a petitioner that 114058
objects to the commissioner's apportionment fails to state its 114059
objections to that apportionment in its petition for reassessment 114060
or fails to submit its proposed apportionment within forty-five 114061
days after filing the petition for reassessment, the commissioner 114062
shall dismiss the petitioner's objection to the commissioner's 114063
apportionment, and the taxable value of the petitioner's taxable 114064
property, subject to any adjustment to taxable value pursuant to 114065

the petition or appeal, shall be apportioned in the manner used by 114066
the commissioner in the preliminary or amended preliminary 114067
assessment certified under section 5727.23 of the Revised Code. 114068

If an additional objection seeking a reduction in taxable 114069
value in excess of the reduction stated in the original petition 114070
is properly and timely raised with respect to an assessment issued 114071
under section 5727.23 of the Revised Code, the petitioner shall 114072
state the total amount of the reduction in taxable value sought in 114073
the additional objection both with and without regard to any 114074
reduction in taxable value pertaining to the percentage of true 114075
value at which taxable property is assessed. If a petitioner fails 114076
to state the reduction in taxable value sought in the original 114077
petition or in additional objections properly raised after the 114078
petition is filed, the commissioner shall notify the petitioner of 114079
the failure ~~by certified mail~~ in the manner provided in section 114080
5703.37 of the Revised Code. If the petitioner fails to notify the 114081
commissioner in writing of the reduction in taxable value sought 114082
in the petition or in an additional objection within thirty days 114083
after receiving the commissioner's notice, the commissioner shall 114084
dismiss the petition or the additional objection in which that 114085
reduction is sought. 114086

(B)(1) Subject to divisions (B)(2) and (3) of this section, a 114087
public utility filing a petition for reassessment regarding an 114088
assessment certified or issued under section 5727.23 or 5727.38 of 114089
the Revised Code shall pay the tax with respect to the assessment 114090
objected to as required by law. The acceptance of any tax payment 114091
by the treasurer of state, tax commissioner, or any county 114092
treasurer shall not prejudice any claim for taxes on final 114093
determination by the commissioner or final decision by the board 114094
of tax appeals or any court. 114095

(2) If a public utility properly and timely files a petition 114096
for reassessment regarding an assessment certified under section 114097

5727.23 of the Revised Code, the petitioner shall pay the tax as 114098
prescribed by divisions (B)(2)(a), (b), and (c) of this section: 114099

(a) If the petitioner does not object to the commissioner's 114100
apportionment of the taxable value of the petitioner's taxable 114101
property, the petitioner is not required to pay the part of the 114102
tax otherwise due on the taxable value that the petitioner seeks 114103
to have reduced, subject to division (B)(2)(c) of this section. 114104

(b) If the petitioner objects to the commissioner's 114105
apportionment of the taxable value of the petitioner's taxable 114106
property, the petitioner is not required to pay the tax otherwise 114107
due on the part of the taxable value apportioned to any taxing 114108
district that the petitioner objects to, subject to division 114109
(B)(2)(c) of this section. If, pursuant to division (A) of this 114110
section, the petitioner has, in a proper and timely manner, 114111
apportioned taxable value to a taxing district to which the 114112
commissioner did not apportion the petitioner's taxable value, the 114113
petitioner shall pay the tax due on the taxable value that the 114114
petitioner has apportioned to the taxing district, subject to 114115
division (B)(2)(c) of this section. 114116

(c) If a petitioner objects to the percentage of true value 114117
at which taxable property is assessed by the commissioner, the 114118
petitioner shall pay the tax due on the basis of the percentage of 114119
true value at which the public utility's taxable property is 114120
assessed by the commissioner. In any case, the petitioner's 114121
payment of tax shall not be less than the amount of tax due based 114122
on the taxable value reflected on the last appeal notice issued by 114123
the commissioner under division (C) of this section. Until the 114124
county auditor receives notification under division (E) of this 114125
section and proceeds under section 5727.471 of the Revised Code to 114126
issue any refund that is found to be due, the county auditor shall 114127
not issue a refund for any increase in the reduction in taxable 114128
value that is sought by a petitioner later than forty-five days 114129

after the petitioner files the original petition as required under 114130
division (A) of this section. 114131

(3) Any part of the tax that, under division (B)(2)(a) or (b) 114132
of this section, is not paid shall be collected upon receipt of 114133
the notification as provided in section 5727.471 of the Revised 114134
Code with interest thereon computed in the same manner as interest 114135
is computed under division (E) of section 5715.19 of the Revised 114136
Code, subject to any correction of the assessment by the 114137
commissioner under division (E) of this section or the final 114138
judgment of the board of tax appeals or a court to which the 114139
board's final judgment is appealed. The penalty imposed under 114140
section 323.121 of the Revised Code shall apply only to the unpaid 114141
portion of the tax if the petitioner's tax payment is less than 114142
the amount of tax due based on the taxable value reflected on the 114143
last appeal notice issued by the commissioner under division (C) 114144
of this section. 114145

(C) Upon receipt of a properly filed petition for 114146
reassessment with respect to an assessment certified under section 114147
5727.23 of the Revised Code, the tax commissioner shall notify the 114148
treasurer of state or the auditor of each county to which the 114149
assessment objected to has been certified. In the case of a 114150
petition with respect to an assessment certified under section 114151
5727.23 of the Revised Code, the commissioner shall issue an 114152
appeal notice within thirty days after receiving the amount of the 114153
taxable value reduction and apportionment changes sought by the 114154
petitioner in the original petition or in any additional 114155
objections properly and timely raised by the petitioner. The 114156
appeal notice shall indicate the amount of the reduction in 114157
taxable value sought in the petition or in the additional 114158
objections and the extent to which the reduction in taxable value 114159
and any change in apportionment requested by the petitioner would 114160
affect the commissioner's apportionment of the taxable value among 114161

taxing districts in the county as shown in the assessment. If a 114162
petitioner is seeking a reduction in taxable value on the basis of 114163
a lower percentage of true value than the percentage at which the 114164
commissioner assessed the petitioner's taxable property, the 114165
appeal notice shall indicate the reduction in taxable value sought 114166
by the petitioner without regard to the reduction sought on the 114167
basis of the lower percentage and shall indicate that the 114168
petitioner is required to pay tax on the reduced taxable value 114169
determined without regard to the reduction sought on the basis of 114170
a lower percentage of true value, as provided under division 114171
(B)(2)(c) of this section. The appeal notice shall include a 114172
statement that the reduced taxable value and the apportionment 114173
indicated in the notice are not final and are subject to 114174
adjustment by the commissioner or by the board of tax appeals or a 114175
court on appeal. If the commissioner finds an error in the appeal 114176
notice, the commissioner may amend the notice, but the notice is 114177
only for informational and tax payment purposes; the notice is not 114178
subject to appeal by any person. The commissioner also shall mail 114179
a copy of the appeal notice to the petitioner. Upon the request of 114180
a taxing authority, the county auditor may disclose to the taxing 114181
authority the extent to which a reduction in taxable value sought 114182
by a petitioner would affect the apportionment of taxable value to 114183
the taxing district or districts under the taxing authority's 114184
jurisdiction, but such a disclosure does not constitute a notice 114185
required by law to be given for the purpose of section 5717.02 of 114186
the Revised Code. 114187

(D) If the petitioner requests a hearing on the petition, the 114188
tax commissioner shall assign a time and place for the hearing on 114189
the petition and notify the petitioner of such time and place, but 114190
the commissioner may continue the hearing from time to time as 114191
necessary. 114192

(E) The tax commissioner may make corrections to the 114193

assessment as the commissioner finds proper. The commissioner 114194
shall serve a copy of the commissioner's final determination on 114195
the petitioner in the manner provided in section 5703.37 of the 114196
Revised Code. The commissioner's decision in the matter shall be 114197
final, subject to appeal under section 5717.02 of the Revised 114198
Code. With respect to a final determination issued for an 114199
assessment certified under section 5727.23 of the Revised Code, 114200
the commissioner also shall transmit a copy of the final 114201
determination to the applicable county auditor. In the absence of 114202
any further appeal, or when a decision of the board of tax appeals 114203
or of any court to which the decision has been appealed becomes 114204
final, the commissioner shall notify the public utility and, as 114205
appropriate, shall proceed under section 5727.42 of the Revised 114206
Code, or notify the applicable county auditor, who shall proceed 114207
under section 5727.471 of the Revised Code. 114208

The notification made under this division is not subject to 114209
further appeal. 114210

(F) On appeal, no adjustment shall be made in the tax 114211
commissioner's assessment certified under section 5727.23 of the 114212
Revised Code that reduces the taxable value of a petitioner's 114213
taxable property by an amount that exceeds the reduction sought by 114214
the petitioner in its petition for reassessment or in any 114215
additional objections properly and timely raised after the 114216
petition is filed with the commissioner. 114217

Sec. 5727.75. (A) For purposes of this section: 114218

(1) "Qualified energy project" means an energy project 114219
certified by the director of development pursuant to this section. 114220

(2) "Energy project" means a project to provide electric 114221
power through the construction, installation, and use of an energy 114222
facility. 114223

(3) "Alternative energy zone" means a county declared as such 114224
by the board of county commissioners under division (E)(1)(b) or 114225
(c) of this section. 114226

(4) "Full-time equivalent employee" means the total number of 114227
employee-hours for which compensation was paid to individuals 114228
employed at a qualified energy project for services performed at 114229
the project during the calendar year divided by two thousand 114230
eighty hours. 114231

(5) "Solar energy project" means an energy project composed 114232
of an energy facility using solar panels to generate electricity. 114233

(6) "Internet identifier of record" has the same meaning as 114234
in section 9.312 of the Revised Code. 114235

(B)(1) Tangible personal property of a qualified energy 114236
project using renewable energy resources is exempt from taxation 114237
for tax years 2011 through ~~2025~~2029 if all of the following 114238
conditions are satisfied: 114239

(a) On or before December 31, ~~2024~~2028, the owner or a lessee 114240
pursuant to a sale and leaseback transaction of the project 114241
submits an application to the power siting board for a certificate 114242
under section 4906.20 of the Revised Code, or if that section does 114243
not apply, submits an application for any approval, consent, 114244
permit, or certificate or satisfies any condition required by a 114245
public agency or political subdivision of this state for the 114246
construction or initial operation of an energy project. 114247

(b) Construction or installation of the energy facility 114248
begins on or after January 1, 2009, and before January 1, 114249
~~2025~~2029. For the purposes of this division, construction begins 114250
on the earlier of the date of application for a certificate or 114251
other approval or permit described in division (B)(1)(a) of this 114252
section, or the date the contract for the construction or 114253
installation of the energy facility is entered into. 114254

(c) For a qualified energy project with a nameplate capacity of twenty megawatts or greater, a board of county commissioners of a county in which property of the project is located has adopted a resolution under division (E)(1)(b) or (c) of this section to approve the application submitted under division (E) of this section to exempt the property located in that county from taxation. A board's adoption of a resolution rejecting an application or its failure to adopt a resolution approving the application does not affect the tax-exempt status of the qualified energy project's property that is located in another county.

(2) If tangible personal property of a qualified energy project using renewable energy resources was exempt from taxation under this section beginning in any of tax years 2011 through ~~2025~~2029, and the certification under division (E)(2) of this section has not been revoked, the tangible personal property of the qualified energy project is exempt from taxation for tax year ~~2026~~2030 and all ensuing tax years if the property was placed into service before January 1, ~~2026~~2030, as certified in the construction progress report required under division (F)(2) of this section. Tangible personal property that has not been placed into service before that date is taxable property subject to taxation. An energy project for which certification has been revoked is ineligible for further exemption under this section. Revocation does not affect the tax-exempt status of the project's tangible personal property for the tax year in which revocation occurs or any prior tax year.

(C) Tangible personal property of a qualified energy project using clean coal technology, advanced nuclear technology, or cogeneration technology is exempt from taxation for the first tax year that the property would be listed for taxation and all subsequent years if all of the following circumstances are met:

(1) The property was placed into service before January 1,

2021. Tangible personal property that has not been placed into service before that date is taxable property subject to taxation.

(2) For such a qualified energy project with a nameplate capacity of twenty megawatts or greater, a board of county commissioners of a county in which property of the qualified energy project is located has adopted a resolution under division (E)(1)(b) or (c) of this section to approve the application submitted under division (E) of this section to exempt the property located in that county from taxation. A board's adoption of a resolution rejecting the application or its failure to adopt a resolution approving the application does not affect the tax-exempt status of the qualified energy project's property that is located in another county.

(3) The certification for the qualified energy project issued under division (E)(2) of this section has not been revoked. An energy project for which certification has been revoked is ineligible for exemption under this section. Revocation does not affect the tax-exempt status of the project's tangible personal property for the tax year in which revocation occurs or any prior tax year.

(D) Except as otherwise provided in this section, real property of a qualified energy project is exempt from taxation for any tax year for which the tangible personal property of the qualified energy project is exempted under this section.

(E)(1)(a) A person may apply to the director of development for certification of an energy project as a qualified energy project on or before the following dates:

(i) December 31, ~~2024~~2028, for an energy project using renewable energy resources;

(ii) December 31, 2017, for an energy project using clean coal technology, advanced nuclear technology, or cogeneration

technology. 114318

(b) The director shall forward a copy of each application for 114319
certification of an energy project with a nameplate capacity of 114320
twenty megawatts or greater to the board of county commissioners 114321
of each county in which the project is located and to each taxing 114322
unit with territory located in each of the affected counties. Any 114323
board that receives from the director a copy of an application 114324
submitted under this division shall adopt a resolution approving 114325
or rejecting the application unless it has adopted a resolution 114326
under division (E)(1)(c) of this section. A resolution adopted 114327
under division (E)(1)(b) or (c) of this section may require an 114328
annual service payment to be made in addition to the service 114329
payment required under division (G) of this section. The sum of 114330
the service payment required in the resolution and the service 114331
payment required under division (G) of this section shall not 114332
exceed nine thousand dollars per megawatt of nameplate capacity 114333
located in the county. The resolution shall specify the time and 114334
manner in which the payments required by the resolution shall be 114335
paid to the county treasurer. The county treasurer shall deposit 114336
the payment to the credit of the county's general fund to be used 114337
for any purpose for which money credited to that fund may be used. 114338

The board shall send copies of the resolution to the owner of 114339
the facility and the director by certified mail or, if the board 114340
has record of an internet identifier of record associated with the 114341
owner or director, by ordinary mail and by that internet 114342
identifier of record. The board shall send such notice within 114343
thirty days after receipt of the application, or a longer period 114344
of time if authorized by the director. 114345

(c) A board of county commissioners may adopt a resolution 114346
declaring the county to be an alternative energy zone and 114347
declaring all applications submitted to the director of 114348
development under this division after the adoption of the 114349

resolution, and prior to its repeal, to be approved by the board. 114350

All tangible personal property and real property of an energy 114351
project with a nameplate capacity of twenty megawatts or greater 114352
is taxable if it is located in a county in which the board of 114353
county commissioners adopted a resolution rejecting the 114354
application submitted under this division or failed to adopt a 114355
resolution approving the application under division (E)(1)(b) or 114356
(c) of this section. 114357

(2) The director shall certify an energy project if all of 114358
the following circumstances exist: 114359

(a) The application was timely submitted. 114360

(b) For an energy project with a nameplate capacity of twenty 114361
megawatts or greater, a board of county commissioners of at least 114362
one county in which the project is located has adopted a 114363
resolution approving the application under division (E)(1)(b) or 114364
(c) of this section. 114365

(c) No portion of the project's facility was used to supply 114366
electricity before December 31, 2009. 114367

(3) The director shall deny a certification application if 114368
the director determines the person has failed to comply with any 114369
requirement under this section. The director may revoke a 114370
certification if the director determines the person, or subsequent 114371
owner or lessee pursuant to a sale and leaseback transaction of 114372
the qualified energy project, has failed to comply with any 114373
requirement under this section. Upon certification or revocation, 114374
the director shall notify the person, owner, or lessee, the tax 114375
commissioner, and the county auditor of a county in which the 114376
project is located of the certification or revocation. Notice 114377
shall be provided in a manner convenient to the director. 114378

(F) The owner or a lessee pursuant to a sale and leaseback 114379
transaction of a qualified energy project shall do each of the 114380

following: 114381

(1) Comply with all applicable regulations; 114382

(2) File with the director of development a certified 114383
construction progress report before the first day of March of each 114384
year during the energy facility's construction or installation 114385
indicating the percentage of the project completed, and the 114386
project's nameplate capacity, as of the preceding thirty-first day 114387
of December. Unless otherwise instructed by the director of 114388
development, the owner or lessee of an energy project shall file a 114389
report with the director on or before the first day of March each 114390
year after completion of the energy facility's construction or 114391
installation indicating the project's nameplate capacity as of the 114392
preceding thirty-first day of December. Not later than sixty days 114393
after June 17, 2010, the owner or lessee of an energy project, the 114394
construction of which was completed before June 17, 2010, shall 114395
file a certificate indicating the project's nameplate capacity. 114396

(3) File with the director of development, in a manner 114397
prescribed by the director, a report of the total number of 114398
full-time equivalent employees, and the total number of full-time 114399
equivalent employees domiciled in Ohio, who are employed in the 114400
construction or installation of the energy facility; 114401

(4) For energy projects with a nameplate capacity of twenty 114402
megawatts or greater, repair all roads, bridges, and culverts 114403
affected by construction as reasonably required to restore them to 114404
their preconstruction condition, as determined by the county 114405
engineer in consultation with the local jurisdiction responsible 114406
for the roads, bridges, and culverts. In the event that the county 114407
engineer deems any road, bridge, or culvert to be inadequate to 114408
support the construction or decommissioning of the energy 114409
facility, the road, bridge, or culvert shall be rebuilt or 114410
reinforced to the specifications established by the county 114411
engineer prior to the construction or decommissioning of the 114412

facility. The owner or lessee of the facility shall post a bond in 114413
an amount established by the county engineer and to be held by the 114414
board of county commissioners to ensure funding for repairs of 114415
roads, bridges, and culverts affected during the construction. The 114416
bond shall be released by the board not later than one year after 114417
the date the repairs are completed. The energy facility owner or 114418
lessee pursuant to a sale and leaseback transaction shall post a 114419
bond, as may be required by the Ohio power siting board in the 114420
certificate authorizing commencement of construction issued 114421
pursuant to section 4906.10 of the Revised Code, to ensure funding 114422
for repairs to roads, bridges, and culverts resulting from 114423
decommissioning of the facility. The energy facility owner or 114424
lessee and the county engineer may enter into an agreement 114425
regarding specific transportation plans, reinforcements, 114426
modifications, use and repair of roads, financial security to be 114427
provided, and any other relevant issue. 114428

(5) Provide or facilitate training for fire and emergency 114429
responders for response to emergency situations related to the 114430
energy project and, for energy projects with a nameplate capacity 114431
of twenty megawatts or greater, at the person's expense, equip the 114432
fire and emergency responders with proper equipment as reasonably 114433
required to enable them to respond to such emergency situations; 114434

(6) Maintain a ratio of Ohio-domiciled full-time equivalent 114435
employees employed in the construction or installation of the 114436
energy project to total full-time equivalent employees employed in 114437
the construction or installation of the energy project of not less 114438
than eighty per cent in the case of a solar energy project, and 114439
not less than fifty per cent in the case of any other energy 114440
project. In the case of an energy project for which certification 114441
from the power siting board is required under section 4906.20 of 114442
the Revised Code, the number of full-time equivalent employees 114443
employed in the construction or installation of the energy project 114444

equals the number actually employed or the number projected to be employed in the certificate application, if such projection is required under regulations adopted pursuant to section 4906.03 of the Revised Code, whichever is greater. For all other energy projects, the number of full-time equivalent employees employed in the construction or installation of the energy project equals the number actually employed or the number projected to be employed by the director of development, whichever is greater. To estimate the number of employees to be employed in the construction or installation of an energy project, the director shall use a generally accepted job-estimating model in use for renewable energy projects, including but not limited to the job and economic development impact model. The director may adjust an estimate produced by a model to account for variables not accounted for by the model.

(7) For energy projects with a nameplate capacity in excess of twenty megawatts, establish a relationship with any of the following to educate and train individuals for careers in the wind or solar energy industry:

(a) A member of the university system of Ohio as defined in section 3345.011 of the Revised Code;

(b) A person offering an apprenticeship program registered with the employment and training administration within the United States department of labor or with the apprenticeship council created by section 4139.02 of the Revised Code;

(c) A career-technical center, joint vocational school district, comprehensive career-technical center, or compact career-technical center;

(d) A training center operated by a labor organization, or with a training center operated by a for-profit or nonprofit organization.

The relationship may include endowments, cooperative programs, internships, apprenticeships, research and development projects, and curriculum development.

(8) Offer to sell power or renewable energy credits from the energy project to electric distribution utilities or electric service companies subject to renewable energy resource requirements under section 4928.64 of the Revised Code that have issued requests for proposal for such power or renewable energy credits. If no electric distribution utility or electric service company issues a request for proposal on or before December 31, 2010, or accepts an offer for power or renewable energy credits within forty-five days after the offer is submitted, power or renewable energy credits from the energy project may be sold to other persons. Division (F)(8) of this section does not apply if:

(a) The owner or lessee is a rural electric company or a municipal power agency as defined in section 3734.058 of the Revised Code.

(b) The owner or lessee is a person that, before completion of the energy project, contracted for the sale of power or renewable energy credits with a rural electric company or a municipal power agency.

(c) The owner or lessee contracts for the sale of power or renewable energy credits from the energy project before June 17, 2010.

(9) Make annual service payments as required by division (G) of this section and as may be required in a resolution adopted by a board of county commissioners under division (E) of this section.

(G) The owner or a lessee pursuant to a sale and leaseback transaction of a qualified energy project shall make annual service payments in lieu of taxes to the county treasurer on or

before the final dates for payments of taxes on public utility 114507
personal property on the real and public utility personal property 114508
tax list for each tax year for which property of the energy 114509
project is exempt from taxation under this section. The county 114510
treasurer shall allocate the payment on the basis of the project's 114511
physical location. Upon receipt of a payment, or if timely payment 114512
has not been received, the county treasurer shall certify such 114513
receipt or non-receipt to the director of development and tax 114514
commissioner in a form determined by the director and 114515
commissioner, respectively. Each payment shall be in the following 114516
amount: 114517

(1) In the case of a solar energy project, seven thousand 114518
dollars per megawatt of nameplate capacity located in the county 114519
as of the thirty-first-day of December of the preceding tax year; 114520

(2) In the case of any other energy project using renewable 114521
energy resources, the following: 114522

(a) If the project maintains during the construction or 114523
installation of the energy facility a ratio of Ohio-domiciled 114524
full-time equivalent employees to total full-time equivalent 114525
employees of not less than seventy-five per cent, six thousand 114526
dollars per megawatt of nameplate capacity located in the county 114527

(b) If the project maintains during the construction or 114529
installation of the energy facility a ratio of Ohio-domiciled 114530
full-time equivalent employees to total full-time equivalent 114531
employees of less than seventy-five per cent but not less than 114532
sixty per cent, seven thousand dollars per megawatt of nameplate 114533

December of the preceding tax year; 114535

(c) If the project maintains during the construction or 114536
installation of the energy facility a ratio of Ohio-domiciled 114537

full-time equivalent employees to total full-time equivalent 114538
employees of less than sixty per cent but not less than fifty per 114539
cent, eight thousand dollars per megawatt of nameplate capacity 114540
located in the county as of the thirty-first day of December of 114541
the preceding tax year. 114542

(3) In the case of an energy project using clean coal 114543
technology, advanced nuclear technology, or cogeneration 114544
technology, the following: 114545

(a) If the project maintains during the construction or 114546
installation of the energy facility a ratio of Ohio-domiciled 114547
full-time equivalent employees to total full-time equivalent 114548
employees of not less than seventy-five per cent, six thousand 114549

sixty per cent, seven thousand dollars per megawatt of nameplate 114556
capacity located in the county as of the thirty-first day of 114557
December of the preceding tax year; 114558

(c) If the project maintains during the construction or 114559
installation of the energy facility a ratio of Ohio-domiciled 114560
full-time equivalent employees to total full-time equivalent 114561
employees of less than sixty per cent but not less than fifty per 114562
cent, eight thousand dollars per megawatt of nameplate capacity 114563
located in the county as of the thirty-first day of December of 114564
the preceding tax year. 114565

(H) The director of development in consultation with the tax 114566

Revised Code that was paid illegally or erroneously, or paid on an 114571
illegal or erroneous assessment, or any penalty assessed with 114572
respect to such taxes. A natural gas distribution company, an 114573
electric distribution company, or a self-assessing purchaser shall 114574
file an application for a refund with the tax commissioner on a 114575
form prescribed by the commissioner, within four years of the 114576
illegal or erroneous payment. 114577

On the filing of the application, the commissioner shall 114578
determine the amount of refund to which the applicant is entitled. 114579
If the amount is not less than that claimed, the commissioner 114580
shall certify that amount to ~~the director of budget and management~~ 114581
~~and~~ the treasurer of state for payment from the tax refund fund 114582
under section 5703.052 of the Revised Code. If the amount is less 114583

date of the commissioner's certification. 114589

(B) If a natural gas distribution company or an electric 114590
distribution company entitled to a refund under this section, or 114591
section 5703.70 of the Revised Code, is indebted to the state for 114592
any tax or fee administered by the tax commissioner that is paid 114593

satisfaction of the debt. If the amount refundable is less than 114596
the amount of the debt, it may be applied in partial satisfaction 114597
of the debt. If the amount refundable is greater than the amount 114598
of the debt, the amount remaining after satisfaction of the debt 114599

shall be refunded. If the natural gas distribution company or 114600
electric distribution company has more than one such debt, any 114601
debt subject to section 5739.33 or division (G) of section 5747.07 114602
of the Revised Code shall be satisfied first. This section applies 114603
only to debts that have become final. 114604

(C)(1) Any electric distribution company that can 114605
substantiate to the tax commissioner that the tax imposed by 114606
section 5727.81 of the Revised Code was paid on electricity 114607
distributed via wires and consumed at a location outside of this 114608
state may claim a refund in the manner and within the time period 114609

substantiate to the tax commissioner that the tax imposed by 114612
section 5727.811 of the Revised Code was paid on natural gas 114613
distributed via its facilities and consumed at a location outside 114614
of this state may claim a refund in the manner and within the time 114615
period prescribed in division (A) of this section. 114616

(3) If the commissioner certifies a refund based on an 114617
application filed under division (C)(1) or (2) of this section, 114618
the commissioner shall include in the certified amount interest 114619
calculated at the rate per annum prescribed by section 5703.47 of 114620
the Revised Code from the date of overpayment to the date of the 114621
commissioner's certification. 114622

5703.70 of the Revised Code, a natural gas company or an electric 114624
distribution company shall certify, as prescribed by the tax 114625
commissioner, that it either did not include the tax imposed by 114626

ending on the date immediately preceding the date of commencement 114795
of the corporation's annual accounting period that includes the 114796
first day of January of the tax year. Except as otherwise 114797
provided, a corporation's taxable year is the same as the 114798
corporation's taxable year for federal income tax purposes. If a 114799
corporation's taxable year is changed for federal income tax 114800
purposes, the taxable year for purposes of this chapter is changed 114801
accordingly but may consist of an aggregation of more than one 114802
taxable year for federal income tax purposes. The tax commissioner 114803
may prescribe by rule, an appropriate period as the taxable year 114804
for a corporation that has had a change of its taxable year for 114805
federal income tax purposes, for a corporation that has two or 114806
more short taxable years for federal income tax purposes as the 114807
result of a change of ownership, or for a new taxpayer that would 114808
otherwise have no taxable year. 114809

calculated under division (B) of section 5733.05 of the Revised 114811
Code shall be the same as its method of accounting for federal 114812
income tax purposes. In the absence of any method of accounting 114813
for federal income tax purposes, income shall be computed under 114814

such method as in the opinion of the tax commissioner clearly 114815
reflects income. 114816

If a corporation's method of accounting is changed for 114817
federal income tax purposes, its method of accounting for purposes 114818
of this chapter shall be changed accordingly. 114819

(C) ~~If~~ Except as provided in division (C)(3) of this section, 114820
any of the facts, figures, computations, or attachments required 114821
in a corporation's annual report to determine the tax imposed by 114822
section 5733.06 of the Revised Code must be altered as the result 114823
of an adjustment to the corporation's federal income tax return, 114824
whether the adjustment is initiated by the corporation or the 114825
internal revenue service, and such alteration affects the 114826
corporation's liability for the tax imposed by section 5733.06 of 114827
the Revised Code, the corporation shall file an amended report 114828
with the tax commissioner in such form as the commissioner 114829
requires. The amended report shall be filed not later than one 114830
year after the adjustment has been agreed to or finally determined 114831
for federal income tax purposes or any federal income tax 114832
deficiency or refund, or the abatement or credit resulting 114833
therefrom, has been assessed or paid, whichever occurs first. 114834

(1) In the case of an underpayment, the amended report shall 114835
be accompanied by payment of an additional tax and interest due 114836
and is a report subject to assessment under section 5733.11 of the 114837
Revised Code for the purpose of assessing any additional tax due 114838
under this division, together with any applicable penalty and 114839
interest. It shall not reopen those facts, figures, computations, 114840
or attachments from a previously filed report no longer subject to 114841
assessment that are not affected, either directly or indirectly, 114842
by the adjustment to the corporation's federal income tax return. 114843

(2) In the case of an overpayment, an application for refund 114844
may be filed under this division within the one-year period 114845
prescribed for filing the amended report even if it is filed 114846

beyond the period prescribed in division (B) of section 5733.12 of 114847
the Revised Code if it otherwise conforms to the requirements of 114848
such section. An application filed under this division shall claim 114849
refund of overpayments resulting from alterations to only those 114850
facts, figures, computations, or attachments required in the 114851
corporation's annual report that are affected, either directly or 114852
indirectly, by the adjustment to the corporation's federal income 114853
tax return unless it is also filed within the time prescribed in 114854
division (B) of section 5733.12 of the Revised Code. It shall not 114855
reopen those facts, figures, computations, or attachments that are 114856
not affected, either directly or indirectly, by the adjustment to 114857
the corporation's federal income tax return. 114858

(3) A taxpayer is not required to file an amended report, and 114859

(B) The failure to register with the commissioner as an 114866
aviation fuel dealer does not relieve a person from the 114867
requirement to file returns under this title. 114868

(C) No person shall make a false or fraudulent statement on 114869
the application required by this section. 114870

in business when the true object of the transaction is the receipt 115039
by the consumer of automatic data processing, computer services, 115040
or electronic information services rather than the receipt of 115041
personal or professional services to which automatic data 115042
processing, computer services, or electronic information services 115043

event the consumer's motor vehicle suffers a total loss under the 115159

not include transfers of interest in leased property where the 115187
original lessee and the terms of the original lease agreement 115188
remain unchanged, or professional, insurance, or personal service 115189

engaged in selling tangible personal property as received from 115202
others, such as eyeglasses, mouthwashes, dentifrices, or similar 115203

(H)(1)(a) "Price," except as provided in divisions (H)(2), 115285
(3), and (4) of this section, means the total amount of 115286
consideration, including cash, credit, property, and services, for 115287
which tangible personal property or services are sold, leased, or 115288
rented, valued in money, whether received in money or otherwise, 115289

(i) The vendor's cost of the property sold; 115291

(ii) The cost of materials used, labor or service costs, 115292
interest, losses, all costs of transportation to the vendor, all 115293

consideration is directly related to a price reduction or discount 115309
on the sale; the vendor has an obligation to pass the price 115310
reduction or discount through to the consumer; the amount of the 115311
consideration attributable to the sale is fixed and determinable 115312
by the vendor at the time of the sale of the item to the consumer; 115313
and one of the following criteria is met: 115314

(i) The consumer presents a coupon, certificate, or other 115315
document to the vendor to claim a price reduction or discount 115316
where the coupon, certificate, or document is authorized, 115317

that the third party will reimburse any vendor to whom the coupon, 115319
certificate, or document is presented; 115320

(ii) The consumer identifies the consumer's self to the 115321
seller as a member of a group or organization entitled to a price 115322

organization. 115325

(iii) The price reduction or discount is identified as a 115326
third party price reduction or discount on the invoice received by 115327

(ii) Interest, financing, and carrying charges from credit 115334
extended on the sale of tangible personal property or services, if 115335
the amount is separately stated on the invoice, bill of sale, or 115336
similar document given to the purchaser; 115337

(iii) Any taxes legally imposed directly on the consumer that 115338
are separately stated on the invoice, bill of sale, or similar 115339

document given to the consumer. For the purpose of this division, 115340
the tax imposed under Chapter 5751. of the Revised Code is not a 115341
tax directly on the consumer, even if the tax or a portion thereof 115342
is separately stated. 115343

(iv) Notwithstanding divisions (H)(1)(b)(i) to (iii) of this 115344
section, any discount allowed by an automobile manufacturer to its 115345
employee, or to the employee of a supplier, on the purchase of a 115346
new motor vehicle from a new motor vehicle dealer in this state. 115347

(v) The dollar value of a gift card that is not sold by a 115348
vendor or purchased by a consumer and that is redeemed by the 115349
consumer in purchasing tangible personal property or services if 115350
the vendor is not reimbursed and does not receive compensation 115351
from a third party to cover all or part of the gift card value. 115352
For the purposes of this division, a gift card is not sold by a 115353
vendor or purchased by a consumer if it is distributed pursuant to 115354
an awards, loyalty, or promotional program. Past and present 115355
purchases of tangible personal property or services by the 115356
consumer shall not be treated as consideration exchanged for a 115357
gift card. 115358

(2) In the case of a sale of any new motor vehicle by a new 115359
motor vehicle dealer, as defined in section 4517.01 of the Revised 115360
Code, in which another motor vehicle is accepted by the dealer as 115361
part of the consideration received, "price" has the same meaning 115362
as in division (H)(1) of this section, reduced by the credit 115363
afforded the consumer by the dealer for the motor vehicle received 115364
in trade. 115365

(3) In the case of a sale of any watercraft or outboard motor 115366
by a watercraft dealer licensed in accordance with section 115367
1547.543 of the Revised Code, in which another watercraft, 115368
watercraft and trailer, or outboard motor is accepted by the 115369
dealer as part of the consideration received, "price" has the same 115370
meaning as in division (H)(1) of this section, reduced by the 115371

credit afforded the consumer by the dealer for the watercraft, 115372
watercraft and trailer, or outboard motor received in trade. As 115373
used in this division, "watercraft" includes an outdrive unit 115374
attached to the watercraft. 115375

(4) In the case of transactions for health care services 115376
under division (B)(11) of this section, "price" means the amount 115377
of managed care premiums received each month by a medicaid health 115378
insuring corporation. 115379

(I) "Receipts" means the total amount of the prices of the 115380
sales of vendors, provided that the dollar value of gift cards 115381
distributed pursuant to an awards, loyalty, or promotional 115382
program, and cash discounts allowed and taken on sales at the time 115383
they are consummated are not included, minus any amount deducted 115384
as a bad debt pursuant to section 5739.121 of the Revised Code. 115385
"Receipts" does not include the sale price of property returned or 115386
services rejected by consumers when the full sale price and tax 115387
are refunded either in cash or by credit. 115388

(J) "Place of business" means any location at which a person 115389
engages in business. 115390

(K) "Premises" includes any real property or portion thereof 115391
upon which any person engages in selling tangible personal 115392
property at retail or making retail sales and also includes any 115393
real property or portion thereof designated for, or devoted to, 115394
use in conjunction with the business engaged in by such person. 115395

(L) "Casual sale" means a sale of an item of tangible 115396
personal property that was obtained by the person making the sale, 115397
through purchase or otherwise, for the person's own use and was 115398
previously subject to any state's taxing jurisdiction on its sale 115399
or use, and includes such items acquired for the seller's use that 115400
are sold by an auctioneer employed directly by the person for such 115401
purpose, provided the location of such sales is not the 115402

auctioneer's permanent place of business. As used in this 115403
division, "permanent place of business" includes any location 115404
where such auctioneer has conducted more than two auctions during 115405
the year. 115406

(M) "Hotel" means every establishment kept, used, maintained, 115407

accommodations are offered to guests, in which five or more rooms 115409
are used for the accommodation of such guests, whether the rooms 115410
are in one or several structures, except as otherwise provided in 115411
section 5739.091 of the Revised Code. 115412

(N) "Transient guests" means persons occupying a room or 115413
rooms for sleeping accommodations for less than thirty consecutive 115414
days. 115415

(O) "Making retail sales" means the effecting of transactions 115416
wherein one party is obligated to pay the price and the other 115417
party is obligated to provide a service or to transfer title to or 115418
possession of the item sold. "Making retail sales" does not 115419
include the preliminary acts of promoting or soliciting the retail 115420
sales, other than the distribution of printed matter which 115421
displays or describes and prices the item offered for sale, nor 115422
does it include delivery of a predetermined quantity of tangible 115423
personal property or transportation of property or personnel to or 115424
from a place where a service is performed. 115425

(P) "Used directly in the rendition of a public utility 115426
service" means that property that is to be incorporated into and 115427
will become a part of the consumer's production, transmission, 115428
transportation, or distribution system and that retains its 115429
classification as tangible personal property after such 115430
incorporation; fuel or power used in the production, transmission, 115431
transportation, or distribution system; and tangible personal 115432
property used in the repair and maintenance of the production, 115433
transmission, transportation, or distribution system, including 115434

only such motor vehicles as are specially designed and equipped 115435
for such use. Tangible personal property and services used 115436
primarily in providing highway transportation for hire are not 115437
used directly in the rendition of a public utility service. In 115438
this definition, "public utility" includes a citizen of the United 115439

as the tax commissioner prescribes. 116981

(b) A vendor that obtains a fully completed exemption 116982
certificate from a consumer is relieved of liability for 116983
collecting and remitting tax on any sale covered by that 116984

claimed, the consumer shall be liable for any tax due on that sale 116986
under section 5739.02, 5739.021, 5739.023, or 5739.026 or Chapter 116987
5741. of the Revised Code. Relief under this division from 116988

(ii) A vendor that solicits consumers to participate in the 116991
unlawful claim of an exemption; 116992

received by the consumer at a location operated by the vendor in 116997

certificate form that clearly and affirmatively indicates that the 116999
claimed exemption is not available in this state; 117000

purchased is tangible personal property, other than prewritten 117004

(2) The vendor shall maintain records, including exemption 117006
certificates, of all sales on which a consumer has claimed an 117007
exemption, and provide them to the tax commissioner on request. 117008

(3) The tax commissioner may establish an identification 117009
system whereby the commissioner issues an identification number to 117010

a consumer that is exempt from payment of the tax. The consumer 117011
must present the number to the vendor, if any sale is claimed to 117012
be exempt as provided in this section. 117013

(4) If no certificate is provided or obtained within ninety 117014
days after the date on which such sale is consummated, it shall be 117015
presumed that the tax applies. Failure to have so provided or 117016
obtained a certificate shall not preclude a vendor, within one 117017
hundred twenty days after the tax commissioner gives written 117018
notice of intent to levy an assessment, from either establishing 117019
that the sale is not subject to the tax, or obtaining, in good 117020
faith, a fully completed exemption certificate. 117021

(5) Certificates need not be obtained nor provided where the 117022
identity of the consumer is such that the transaction is never 117023
subject to the tax imposed or where the item of tangible personal 117024
property sold or the service provided is never subject to the tax 117025
imposed, regardless of use, or when the sale is in interstate 117026
commerce. 117027

(6) If a transaction is claimed to be exempt under division 117028
(B)(13) of section 5739.02 of the Revised Code, the contractor 117029
shall obtain certification of the claimed exemption from the 117030
contractee. This certification shall be in addition to an 117031
exemption certificate provided by the contractor to the vendor. A 117032
contractee that provides a certification under this division shall 117033
be deemed to be the consumer of all items purchased by the 117034
contractor under the claim of exemption, if it is subsequently 117035
determined that the exemption is not properly claimed. The 117036
certification shall be in such form as the tax commissioner 117037
prescribes. 117038

(C) As used in this division, "contractee" means a person who 117039
seeks to enter or enters into a contract or agreement with a 117040
contractor or vendor for the construction of real property or for 117041
the sale and installation onto real property of tangible personal 117042

property. 117043

Any contractor or vendor may request from any contractee a 117044
certification of what portion of the property to be transferred 117045
under such contract or agreement is to be incorporated into the 117046
realty and what portion will retain its status as tangible 117047
personal property after installation is completed. The contractor 117048
or vendor shall request the certification by certified mail 117049
delivered to the contractee, return receipt requested. Upon 117050
receipt of such request and prior to entering into the contract or 117051
agreement, the contractee shall provide to the contractor or 117052
vendor a certification sufficiently detailed to enable the 117053
contractor or vendor to ascertain the resulting classification of 117054
all materials purchased or fabricated by the contractor or vendor 117055
and transferred to the contractee. This requirement applies to a 117056
contractee regardless of whether the contractee holds a direct 117057
payment permit under section 5739.031 of the Revised Code or 117058
provides to the contractor or vendor an exemption certificate as 117059
provided under this section. 117060

For the purposes of the taxes levied by this chapter and 117061
Chapter 5741. of the Revised Code, the contractor or vendor may in 117062
good faith rely on the contractee's certification. Notwithstanding 117063
division (B) of section 5739.01 of the Revised Code, if the tax 117064
commissioner determines that certain property certified by the 117065
contractee as tangible personal property pursuant to this division 117066
is, in fact, real property, the contractee shall be considered to 117067
be the consumer of all materials so incorporated into that real 117068
property and shall be liable for the applicable tax, and the 117069
contractor or vendor shall be excused from any liability on those 117070
materials. 117071

If a contractee fails to provide such certification upon the 117072
request of the contractor or vendor, the contractor or vendor 117073
shall comply with the provisions of this chapter and Chapter 5741. 117074

of the Revised Code without the certification. If the tax 117075
commissioner determines that such compliance has been performed in 117076
good faith and that certain property treated as tangible personal 117077
property by the contractor or vendor is, in fact, real property, 117078
the contractee shall be considered to be the consumer of all 117079
materials so incorporated into that real property and shall be 117080
liable for the applicable tax, and the construction contractor or 117081
vendor shall be excused from any liability on those materials. 117082

This division does not apply to any contract or agreement 117083
where the tax commissioner determines as a fact that a 117084
certification under this division was made solely on the decision 117085
or advice of the contractor or vendor. 117086

(D) Notwithstanding division (B) of section 5739.01 of the 117087
Revised Code, whenever the total rate of tax imposed under this 117088
chapter is increased after the date after a construction contract 117089
is entered into, the contractee shall reimburse the construction 117090
contractor for any additional tax paid on tangible property 117091
consumed or services received pursuant to the contract. 117092

(E) A vendor who files a petition for reassessment contesting 117093
the assessment of tax on sales for which the vendor obtained no 117094
valid exemption certificates and for which the vendor failed to 117095
establish that the sales were properly not subject to the tax 117096
during the one-hundred-twenty-day period allowed under division 117097
(B) of this section, may present to the tax commissioner 117098
additional evidence to prove that the sales were properly subject 117099
to a claim of exception or exemption. The vendor shall file such 117100
evidence within ninety days of the receipt by the vendor of the 117101
notice of assessment, except that, upon application and for 117102
reasonable cause, the period for submitting such evidence shall be 117103
extended thirty days. 117104

The commissioner shall consider such additional evidence in 117105
reaching the final determination on the assessment and petition 117106

for reassessment. 117107

(F) Whenever a vendor refunds the price, minus any separately 117108
stated delivery charge, of an item of tangible personal property 117109
on which the tax imposed under this chapter has been paid, the 117110
vendor shall also refund the amount of tax paid, minus the amount 117111
of tax attributable to the delivery charge. 117112

Sec. 5739.05. (A)(1) The tax commissioner shall enforce and 117113
administer sections 5739.01 to 5739.31 of the Revised Code, which 117114
are hereby declared to be sections which the commissioner is 117115
required to administer within the meaning of sections 5703.17 to 117116
5703.37, 5703.39, 5703.41, and 5703.45 of the Revised Code. The 117117
commissioner may adopt and promulgate, in accordance with sections 117118
119.01 to 119.13 of the Revised Code, such rules as the 117119
commissioner deems necessary to administer sections 5739.01 to 117120
5739.31 of the Revised Code. 117121

(2) On or before the first day of May of each year, the 117122
commissioner shall make available to vendors a notice explaining 117123
the three-day exemption period required under division (B)(55) of 117124
section 5739.02 of the Revised Code. 117125

(B) Upon application, the commissioner may authorize a vendor 117126
to pay on a predetermined basis the tax levied by or pursuant to 117127
section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised 117128
Code upon sales of things produced or distributed or services 117129
provided by such vendor, and the commissioner may waive the 117130
collection of the tax from the consumer. The commissioner shall 117131
not grant such authority unless the commissioner finds that the 117132
granting of the authority would improve compliance and increase 117133
the efficiency of the administration of the tax. The person to 117134
whom such authority is granted shall post a notice, if required by 117135
the commissioner, at the location where the product is offered for 117136
sale that the tax is included in the selling price. The 117137

commissioner may adopt rules to administer this division. 117138

(C) Upon application, the commissioner may authorize a vendor 117139
to remit, on the basis of a prearranged agreement under this 117140
division, the tax levied by section 5739.02 or pursuant to section 117141
5739.021, 5739.023, or 5739.026 of the Revised Code. The 117142
proportions and ratios in a prearranged agreement shall be 117143
determined either by a test check conducted by the commissioner 117144
under terms and conditions agreed to by the commissioner and the 117145
vendor or by any other method agreed upon by the vendor and the 117146
commissioner. If the parties are unable to agree to the terms and 117147
conditions of the test check or other method, the application 117148
shall be denied. 117149

If used, the test check shall determine the proportion that 117150
taxable retail sales bear to all of the vendor's retail sales and 117151
the ratio which the tax required to be collected under sections 117152
5739.02, 5739.021, 5739.023, and 5739.026 of the Revised Code 117153
bears to the receipts from the vendor's taxable retail sales. 117154

The vendor's liability for remitting the tax shall be based 117155
solely upon the proportions and ratios established in the 117156
agreement until such time that the vendor or the commissioner 117157
believes that the nature of the vendor's business has so changed 117158
as to make the agreement no longer representative. The 117159
commissioner may give notice to the vendor at any time that the 117160
authorization is revoked or the vendor may notify the commissioner 117161
that the vendor no longer elects to report under the 117162
authorization. Such notice shall be delivered to the other party 117163
~~or~~ in the manner provided in section 5703.37 of the Revised Code. 117164
The revocation or cancellation is effective the last day of the 117165
month in which the vendor or the commissioner receives the notice. 117166

Sec. 5739.08. (A) A municipal corporation or township may 117167
levy an excise tax for any lawful purpose not to exceed three per 117168

cent on transactions by which lodging by a hotel is or is to be 117169
furnished to transient guests in addition to the tax levied by 117170
section 5739.02 of the Revised Code. If a municipal corporation or 117171
township repeals a tax imposed under division (A) of this section, 117172
and a county in which the municipal corporation or township has 117173
territory has a tax imposed under division (M) of section 5739.09 117174
of the Revised Code in effect, the municipal corporation or 117175
township may not reimpose its tax as long as that county tax 117176
remains in effect. A municipal corporation or township in which a 117177
tax is levied under division (B)(2) of section 351.021 of the 117178
Revised Code may not increase the rate of its tax levied under 117179
division (A) of this section to any rate that would cause the 117180
total taxes levied under both of those divisions to exceed three 117181
per cent on any lodging transaction within the municipal 117182
corporation or township. 117183

(B) The legislative authority of a municipal corporation or 117184
the board of trustees of a township that is not wholly or partly 117185
located in a county that has in effect a resolution levying an 117186
excise tax pursuant to division (A) of section 5739.09 of the 117187
Revised Code may, by ordinance or resolution, levy an additional 117188
excise tax not to exceed three per cent on transactions by which 117189
lodging by a hotel is or is to be furnished to transient guests. 117190
The legislative authority of the municipal corporation or the 117191
board of trustees of the township shall deposit at least fifty per 117192
cent of the revenue from the tax levied pursuant to this division 117193
into a separate fund, which shall be spent solely to make 117194
contributions to convention and visitors' bureaus operating within 117195
the county in which the municipal corporation or township is 117196
wholly or partly located, and the balance of that revenue shall be 117197
deposited in the general fund. The municipal corporation or 117198
township shall establish all regulations necessary to provide for 117199
the administration and allocation of the tax. The regulations may 117200

prescribe the time for payment of the tax, and may provide for the 117201
imposition of a penalty or interest, or both, for late payments, 117202
provided that the penalty does not exceed ten per cent of the 117203
amount of tax due, and the rate at which interest accrues does not 117204
exceed the rate per annum prescribed pursuant to section 5703.47 117205
of the Revised Code. The levy of a tax under this division is in 117206
addition to any tax imposed on the same transaction by a municipal 117207
corporation or a township under division (A) of this section. 117208

(C)(1) As used in division (C) of this section, "cost" has 117209
the same meaning as in section 351.01 of the Revised Code, and 117210
"convention center" has the same meaning as in section 307.695 of 117211
the Revised Code. 117212

(2) The legislative authority of the most populous municipal 117213
corporation located wholly or partly in a county in which the 117214
board of county commissioners has levied a tax under division (D) 117215
of section 5739.09 of the Revised Code may amend, on or before 117216
September 30, 2002, that municipal corporation's ordinance or 117217
resolution that levies an excise tax on transactions by which 117218
lodging by a hotel is or is to be furnished to transient guests, 117219
to provide for all of the following: 117220

(a) That the rate of the tax shall be increased by not more 117221
than an additional one per cent on each transaction; 117222

(b) That all of the revenue from the increase in rate shall 117223
be pledged and contributed to a convention facilities authority 117224
established by the board of county commissioners under Chapter 117225
351. of the Revised Code on or before May 15, 2002, and be used to 117226
pay costs of constructing, expanding, maintaining, operating, or 117227
promoting a convention center in the county, including paying 117228
bonds, or notes issued in anticipation of bonds, as provided by 117229
that chapter; 117230

(c) That the increase in rate shall not be subject to 117231

diminution by initiative or referendum or by law while any bonds, 117232
or notes in anticipation of bonds, issued by the authority under 117233
Chapter 351. of the Revised Code to which the revenue is pledged, 117234
remain outstanding in accordance with their terms, unless 117235
provision is made by law, by the board of county commissioners, or 117236
by the legislative authority, for an adequate substitute therefor 117237
that is satisfactory to the trustee if a trust agreement secures 117238
the bonds. 117239

(3) The legislative authority of a municipal corporation 117240
that, pursuant to division (C)(2) of this section, has amended its 117241
ordinance or resolution to increase the rate of the tax authorized 117242
by division (B) of this section may further amend the ordinance or 117243
resolution to provide that the revenue referred to in division 117244
(C)(2)(b) of this section shall be pledged and contributed both to 117245
a convention facilities authority to pay the costs of 117246
constructing, expanding, maintaining, or operating one or more 117247
convention centers in the county, including paying bonds, or notes 117248
issued in anticipation of bonds, as provided in Chapter 351. of 117249
the Revised Code, and to a convention and visitors' bureau to pay 117250
the costs of promoting one or more convention centers in the 117251
county. 117252

(D) As used in division (D) of this section, "eligible 117253
municipal corporation" means a municipal corporation that, on 117254
September 29, 2017, levied a tax under division (B) of this 117255
section at a rate of three per cent and that is located in a 117256
county that, on that date, levied a tax under division (A) of 117257
section 5739.09 of the Revised Code at a rate of three per cent 117258
and that has, according to the most recent federal decennial 117259
census, a population exceeding three hundred thousand but not 117260
greater than three hundred fifty thousand. 117261

The legislative authority of an eligible municipal 117262
corporation may amend, on or before December 31, 2017, that 117263

municipal corporation's ordinance or resolution that levies an excise tax on transactions by which lodging by a hotel is or is to be furnished to transient guests, to provide for the following:

(1) That the rate of the tax shall be increased by not more than an additional three per cent on each transaction;

(2) That all of the revenue from the increase in rate shall be used by the municipal corporation for economic development and tourism-related purposes.

(E)(1) As used in division (E) of this section, "cost" and "facility" have the same meanings as in section 351.01 of the Revised Code, except that "facility" does not include a "sports facility," as that term is defined in that section, other than a facility intended to house a major league soccer team.

(2) The legislative authority of a municipal corporation that has a population exceeding three hundred thousand but less than three hundred fifty thousand and that has adopted a resolution or ordinance levying a tax authorized by division (A) of this section may amend the resolution or ordinance to provide that all or a portion of the revenue referred to in division (A) of this section may be pledged and contributed to a convention facilities authority or a port authority to pay the costs of acquiring, constructing, renovating, expanding, maintaining, or operating one or more facilities in the county, including paying bonds, or notes issued in anticipation of bonds, or paying the expenses of maintaining, operating, or promoting one or more facilities.

(3) The legislative authority of any municipal corporation that, pursuant to division (C)(2) of this section, has amended a resolution or ordinance levying the tax authorized by division (D) of section 5739.09 of the Revised Code may further amend the resolution or ordinance to provide that all or a portion of the revenue referred to in division (C)(2)(b) of this section may be

pledged and contributed to an issuing authority, as defined in 117295
section 5739.093 of the Revised Code, to pay the costs of 117296
acquiring, constructing, renovating, expanding, maintaining, or 117297
operating one or more facilities in the county, including paying 117298
bonds, or notes issued in anticipation of bonds, or paying the 117299
expenses of maintaining, operating, or promoting one or more 117300
facilities. 117301

regulations may prescribe the time for payment of the tax, and may 117308
provide for the imposition of a penalty or interest, or both, for 117309
late payments, provided that the penalty does not exceed ten per 117310
cent of the amount of tax due, and the rate at which interest 117311
accrues does not exceed the rate per annum prescribed pursuant to 117312
section 5703.47 of the Revised Code. Except as otherwise provided 117313

to each municipal corporation or township that does not levy an 117316
excise tax on the transactions, a uniform percentage of the tax 117317

(3) Any board of county commissioners that, pursuant to 117491
division (D)(2) of this section, has amended a resolution levying 117492
the tax authorized by division (A) of this section may further 117493
amend the resolution to provide that the revenue referred to in 117494
division (D)(2)(b) of this section shall be pledged and 117495
contributed both to a convention facilities authority to pay the 117496
costs of constructing, expanding, maintaining, or operating one or 117497
more convention centers in the county, including paying bonds, or 117498
notes issued in anticipation of bonds, as provided in Chapter 351. 117499
of the Revised Code, and to a convention and visitors' bureau to 117500
pay the costs of promoting one or more convention centers in the 117501
county. 117502

(E)(1) As used in division (E) of this section: 117503

(a) "Port authority" means a port authority created under 117504
Chapter 4582. of the Revised Code. 117505

(b) "Port authority military-use facility" means port 117506

which is made available for use, for consideration, by the armed 117510
forces of the United States, a reserve component thereof, or the 117511
national guard. 117512

(2) For the purpose of contributing revenue to pay operating 117513
expenses of a port authority that operates a port authority 117514
military-use facility, the board of county commissioners of a 117515

county that created, participated in the creation of, or has 117516
joined such a port authority may do one or both of the following: 117517

(a) Amend a resolution previously adopted under division (A) 117518
of this section to designate some or all of the revenue from the 117519
tax levied under the resolution to be used for that purpose, 117520
notwithstanding that division; 117521

(b) Amend a resolution previously adopted under division (A) 117522
of this section to increase the rate of the tax by not more than 117523
an additional two per cent and use the revenue from the increase 117524
exclusively for that purpose. 117525

(3) If a board of county commissioners amends a resolution to 117526
increase the rate of a tax as authorized in division (E)(2)(b) of 117527
this section, the board also may amend the resolution to specify 117528
that the increase in rate of the tax does not apply to "hotels," 117529
as otherwise defined in section 5739.01 of the Revised Code, 117530
having fewer rooms used for the accommodation of guests than a 117531
number of rooms specified by the board. 117532

(F)(1) A board of county commissioners of a county organized 117533

Ohio Constitution, and that levies an excise tax under division 117535
(A) of this section at a rate of three per cent and levies an 117536
additional excise tax under division (O) of this section at a rate 117537
of one and one-half per cent may, by resolution adopted not later 117538
than January 1, 2008, by a majority of the members of the board, 117539
amend the resolution levying a tax under division (A) of this 117540
section to provide for an increase in the rate of that tax by not 117541
more than an additional one per cent on transactions by which 117542
lodging by a hotel is or is to be furnished to transient guests. 117543
Notwithstanding divisions (A) and (O) of this section, the 117544
resolution shall provide that all of the revenue from the increase 117545
in rate, after deducting the real and actual costs of 117546
administering the tax, shall be used to pay the costs of 117547

improving, expanding, equipping, financing, or operating a 117548
convention center by a convention and visitors' bureau in the 117549
county. 117550

(2) The increase in rate shall remain in effect for the 117551
period specified in the resolution, not to exceed ten years, and 117552
may be extended for an additional period of time not to exceed ten 117553
years thereafter by a resolution adopted by a majority of the 117554
members of the board. 117555

(3) The increase in rate shall be subject to the regulations 117556
adopted under division (A) of this section, except that the 117557
resolution may provide that no portion of the revenue from the 117558
increase in the rate shall be returned to townships or municipal 117559
corporations as would otherwise be required under that division. 117560

(G)(1) Division (G) of this section applies only to a county 117561
with a population greater than sixty-five thousand and less than 117562
seventy thousand according to the most recent federal decennial 117563
census and in which, on December 31, 2006, an excise tax is levied 117564
under division (A) of this section at a rate not less than and not 117565
greater than three per cent, and in which the most recent increase 117566
in the rate of that tax was enacted or took effect in November 117567
1984. 117568

(2) The board of county commissioners of a county to which 117569
division (G) of this section applies, by resolution adopted by a 117570
majority of the members of the board, may increase the rate of the 117571
tax by not more than one per cent on transactions by which lodging 117572
by a hotel is or is to be furnished to transient guests. The 117573
increase in rate shall be for the purpose of paying expenses 117574
deemed necessary by the convention and visitors' bureau operating 117575
in the county to promote travel and tourism. 117576

(3) The increase in rate shall remain in effect for the 117577
period specified in the resolution, not to exceed twenty years, 117578

provided that the increase in rate may not continue beyond the 117579
time when the purpose for which the increase is levied ceases to 117580
exist. If revenue from the increase in rate is pledged to the 117581
payment of debt charges on securities, the increase in rate is not 117582
subject to diminution by initiative or referendum or by law for so 117583
long as the securities are outstanding, unless provision is made 117584
by law or by the board of county commissioners for an adequate 117585
substitute for that revenue that is satisfactory to the trustee if 117586
a trust agreement secures payment of the debt charges. 117587

(4) The increase in rate shall be subject to the regulations 117588
adopted under division (A) of this section, except that the 117589
resolution may provide that no portion of the revenue from the 117590
increase in the rate shall be returned to townships or municipal 117591
corporations as would otherwise be required under division (A) of 117592
this section. 117593

(5) A resolution adopted under division (G) of this section 117594
is subject to referendum under sections 305.31 to 305.99 of the 117595
Revised Code. 117596

(H)(1) Division (H) of this section applies only to a county 117597
satisfying all of the following: 117598

(a) The population of the county is greater than one hundred 117599
seventy-five thousand and less than two hundred twenty-five 117600
thousand according to the most recent federal decennial census. 117601

(b) An amusement park with an average yearly attendance in 117602
excess of two million guests is located in the county. 117603

(c) On December 31, 2014, an excise tax was levied in the 117604
county under division (A) of this section at a rate of three per 117605
cent. 117606

(2) The board of county commissioners of a county to which 117607
division (H) of this section applies, by resolution adopted by a 117608
majority of the members of the board, may increase the rate of the 117609

tax by not more than one per cent on transactions by which lodging 117610
by a hotel is or is to be furnished to transient guests. The 117611
increase in rate shall be used to pay the costs of constructing 117612
and maintaining facilities owned by the county or by a port 117613
authority created under Chapter 4582. of the Revised Code, and 117614
designed to host sporting events and expenses deemed necessary by 117615
the convention and visitors' bureau operating in the county to 117616
promote travel and tourism with reference to the sports 117617
facilities, and to pay or pledge to the payment of debt service on 117618
securities issued to pay the costs of constructing, operating, and 117619
maintaining the sports facilities. 117620

(3) The increase in rate shall remain in effect for the 117621
period specified in the resolution. If revenue from the increase 117622
in rate is pledged to the payment of debt charges on securities, 117623
the increase in rate is not subject to diminution by initiative or 117624
referendum or by law for so long as the securities are 117625
outstanding, unless provision is made by law or by the board of 117626
county commissioners for an adequate substitute for that revenue 117627
that is satisfactory to the trustee if a trust agreement secures 117628
payment of the debt charges. 117629

(4) The increase in rate shall be subject to the regulations 117630
adopted under division (A) of this section, except that the 117631
resolution may provide that no portion of the revenue from the 117632
increase in the rate shall be returned to townships or municipal 117633
corporations as would otherwise be required under division (A) of 117634
this section. 117635

(I)(1) The board of county commissioners of a county with a 117636
population greater than seventy-five thousand and less than 117637
seventy-eight thousand, by resolution adopted by a majority of the 117638
members of the board not later than October 15, 2015, may increase 117639
the rate of the tax by not more than one per cent on transactions 117640
by which lodging by a hotel is or is to be furnished to transient 117641

guests. The increase in rate shall be for the purposes described 117642
in section 307.679 of the Revised Code or for the promotion of 117643
travel and tourism in the county, including travel and tourism to 117644
sports facilities. 117645

(2) The increase in rate shall remain in effect for the 117646
period specified in the resolution and as necessary to fulfill the 117647
county's obligations under a cooperative agreement entered into 117648
under section 307.679 of the Revised Code. If the resolution is 117649
adopted by the board before September 29, 2015, but after that 117650
enactment becomes law, the increase in rate shall become effective 117651
beginning on September 29, 2015. If revenue from the increase in 117652
rate is pledged to the payment of debt charges on securities, or 117653
to substitute for other revenues pledged to the payment of such 117654
debt, the increase in rate is not subject to diminution by 117655
initiative or referendum or by law for so long as the securities 117656
are outstanding, unless provision is made by law or by the board 117657
of county commissioners for an adequate substitute for that 117658
revenue that is satisfactory to the trustee if a trust agreement 117659
secures payment of the debt charges. 117660

(3) The increase in rate shall be subject to the regulations 117661
adopted under division (A) of this section, except that no portion 117662
of the revenue from the increase in the rate shall be returned to 117663
townships or municipal corporations as would otherwise be required 117664
under division (A) of this section. 117665

(J)(1) Division (J) of this section applies only to counties 117666
satisfying either of the following: 117667

(a) A county that, on July 1, 2015, does not levy an excise 117668
tax under division (A) of this section and that has a population 117669
of at least thirty-nine thousand but not more than forty thousand 117670
according to the 2010 federal decennial census; 117671

(b) A county that, on July 1, 2015, levies an excise tax 117672

under division (A) of this section at a rate of three per cent and 117673
that has a population of at least seventy-one thousand but not 117674
more than seventy-five thousand according to 2010 federal 117675
decennial census. 117676

(2) The board of county commissioners of a county to which 117677
division (J) of this section applies, by resolution adopted by a 117678
majority of the members of the board, may levy an excise tax at a 117679
rate not to exceed three per cent on transactions by which lodging 117680
by a hotel is or is to be furnished to transient guests for the 117681
purpose of acquiring, constructing, equipping, or repairing 117682
permanent improvements, as defined in section 133.01 of the 117683
Revised Code. 117684

(3) If the board does not levy a tax under division (A) of 117685
this section, the board shall establish regulations necessary to 117686
provide for the administration of the tax, which may prescribe the 117687
time for payment of the tax and the imposition of penalty or 117688
interest subject to the limitations on penalty and interest 117689
provided in division (A) of this section. No portion of the 117690
revenue shall be returned to townships or municipal corporations 117691
in the county unless otherwise provided by resolution of the 117692
board. 117693

(4) The tax shall apply throughout the territory of the 117694
county, including in any township or municipal corporation levying 117695
an excise tax under division (A) or (B) of section 5739.08 of the 117696
Revised Code. The levy of the tax is subject to referendum as 117697
provided under section 305.31 of the Revised Code. 117698

(5) The tax shall remain in effect for the period specified 117699
in the resolution. If revenue from the increase in rate is pledged 117700
to the payment of debt charges on securities, the increase in rate 117701
is not subject to diminution by initiative or referendum or by law 117702
for so long as the securities are outstanding unless provision is 117703
made by law or by the board for an adequate substitute for that 117704

revenue that is satisfactory to the trustee if a trust agreement 117705
secures payment of the debt charges. 117706

(K)(1) The board of county commissioners of an eligible 117707
county, as defined in section 307.678 of the Revised Code, that 117708
levies an excise tax under division (A) of this section on July 1, 117709
2017, at a rate of three per cent may, by resolution adopted by a 117710
majority of the members of the board, amend the resolution levying 117711
the tax to increase the rate of the tax by not more than an 117712
additional three per cent on each transaction. 117713

(2) No portion of the revenue shall be returned to townships 117714
or municipal corporations in the county unless otherwise provided 117715
by resolution of the board. Otherwise, the revenue from the 117716
increase in the rate shall be distributed and used in the same 117717
manner described under division (A) of this section or distributed 117718
or used to provide credit enhancement facilities as authorized 117719
under section 307.678 of the Revised Code. 117720

(3) The increase in rate shall remain in effect for the 117721
period specified in the resolution. If revenue from the increase 117722
in rate is pledged to the payment of debt charges on securities, 117723
the increase in rate is not subject to diminution by initiative or 117724
referendum or by law for so long as the securities are outstanding 117725
unless provision is made by law or by the board for an adequate 117726
substitute for that revenue that is satisfactory to the trustee if 117727
a trust agreement secures payment of the debt charges. 117728

(L)(1) As used in division (L) of this section: 117729

(a) "Eligible county" means a county that has a population 117730
greater than one hundred ninety thousand and less than two hundred 117731
thousand according to the 2010 federal decennial census and that 117732
levies an excise tax under division (A) of this section at a rate 117733
of three per cent. 117734

(b) "Professional sports facility" means a sports facility 117735

that is intended to house major or minor league professional 117736
athletic teams, including a stadium, together with all parking 117737
facilities, walkways, and other auxiliary facilities, real and 117738
personal property, property rights, easements, and interests that 117739
may be appropriate for, or used in connection with, the operation 117740
of the facility. 117741

(2) Subject to division (L)(3) of this section, the board of 117742
county commissioners of an eligible county, by resolution adopted 117743
by a majority of the members of the board, may increase the rate 117744
of the tax by not more than one per cent on transactions by which 117745
lodging by a hotel is or is to be furnished to transient guests. 117746
Revenue from the increase in rate shall be used for the purposes 117747
of paying the costs of constructing, improving, and maintaining a 117748
professional sports facility in the county and paying expenses 117749
considered necessary by the convention and visitors' bureau 117750
operating in the county to promote travel and tourism with respect 117751
to that professional sports facility. The tax shall take effect 117752
only after the convention and visitors' bureau enters into a 117753
contract for the construction, improvement, or maintenance of a 117754
professional sports facility that is or will be located on 117755
property acquired, in whole or in part, with revenue from the 117756
increased rate, and thereafter shall remain in effect for the 117757
period specified in the resolution. If revenue from the increase 117758
in rate is pledged to the payment of debt charges on securities, 117759
the increase in rate is not subject to diminution by initiative or 117760
referendum or by law for so long as the securities are 117761
outstanding, unless a provision is made by law or by the board of 117762
county commissioners for an adequate substitute for that revenue 117763
that is satisfactory to the trustee if a trust agreement secures 117764
payment of the debt charges. The increase in rate shall be subject 117765
to the regulations adopted under division (A) of this section, 117766
except that the resolution may provide that no portion of the 117767
revenue from the increase in the rate shall be returned to 117768

townships or municipal corporations as would otherwise be required 117769
under division (A) of this section. 117770

(3) If, on December 31, 2019, the convention and visitors' 117771
bureau has not entered into a contract for the construction, 117772
improvement, or maintenance of a professional sports facility that 117773
is or will be located on property acquired, in whole or in part, 117774
with revenue from the increased rate, the authority to levy the 117775
tax under division (L)(2) of this section is hereby repealed on 117776
that date. 117777

(M)(1) For the purposes described in section 307.695 of the 117778
Revised Code and to cover the costs of administering the tax, a 117779
board of county commissioners of a county where a tax imposed 117780
under division (A) of this section is in effect may, by resolution 117781
adopted within ninety days after July 15, 1985, by a majority of 117782
the members of the board, levy an additional excise tax not to 117783
exceed three per cent on transactions by which lodging by a hotel 117784
is or is to be furnished to transient guests. The tax authorized 117785
by division (M) of this section shall be in addition to any tax 117786
that is levied pursuant to divisions (A) to (L) of this section, 117787
but it shall not apply to transactions subject to a tax levied by 117788
a municipal corporation or township pursuant to section 5739.08 of 117789
the Revised Code. 117790

(2) The board shall establish all regulations necessary to 117791
provide for the administration and allocation of the tax. The 117792
regulations may prescribe the time for payment of the tax, and may 117793
provide for the imposition of a penalty or interest, or both, for 117794
late payments, provided that the penalty does not exceed ten per 117795
cent of the amount of tax due, and the rate at which interest 117796
accrues does not exceed the rate per annum prescribed pursuant to 117797
section 5703.47 of the Revised Code. 117798

(3) All revenues arising from the tax shall be expended in 117799
accordance with section 307.695 of the Revised Code. The board of 117800

county commissioners of an eligible county as defined in section 117801
307.695 of the Revised Code may, by resolution adopted by a 117802
majority of the members of the board, amend the resolution levying 117803
a tax under this division to provide that the revenue from the tax 117804
shall be used by the board as described in division (H) of section 117805
307.695 of the Revised Code. 117806

(4) A tax imposed under this division shall remain in effect 117807
at the rate at which it is imposed for the duration of the period 117808
during which any agreement entered into by the board under section 117809
307.695 of the Revised Code is in effect, the duration of the 117810
period during which any securities issued by the board under 117811
division (I) of section 307.695 of the Revised Code are 117812
outstanding, or the duration of the period during which the board 117813
owns a project as defined in section 307.695 of the Revised Code, 117814
whichever duration is longest. 117815

(N)(1) For the purpose of providing contributions under 117816
division (B)(1) of section 307.671 of the Revised Code to enable 117817
the acquisition, construction, and equipping of a port authority 117818
educational and cultural facility in the county and, to the extent 117819
provided for in the cooperative agreement authorized by that 117820
section, for the purpose of paying debt service charges on bonds, 117821
or notes in anticipation of bonds, described in division (B)(1)(b) 117822
of that section, a board of county commissioners, by resolution 117823
adopted within ninety days after December 22, 1992, by a majority 117824
of the members of the board, may levy an additional excise tax not 117825
to exceed one and one-half per cent on transactions by which 117826
lodging by a hotel is or is to be furnished to transient guests. 117827
The excise tax authorized by division (N) of this section shall be 117828
in addition to any tax that is levied pursuant to divisions (A) to 117829
(M) of this section, to any excise tax levied pursuant to section 117830
5739.08 of the Revised Code, and to any excise tax levied pursuant 117831
to section 351.021 of the Revised Code. 117832

(2) The board of county commissioners shall establish all 117833
regulations necessary to provide for the administration and 117834
allocation of the tax that are not inconsistent with this section 117835
or section 307.671 of the Revised Code. The regulations may 117836
prescribe the time for payment of the tax, and may provide for the 117837
imposition of a penalty or interest, or both, for late payments, 117838
provided that the penalty does not exceed ten per cent of the 117839
amount of tax due, and the rate at which interest accrues does not 117840
exceed the rate per annum prescribed pursuant to section 5703.47 117841
of the Revised Code. 117842

(3) All revenues arising from the tax shall be expended in 117843
accordance with section 307.671 of the Revised Code and division 117844
(N) of this section. The levy of a tax imposed under division (N) 117845
of this section may not commence prior to the first day of the 117846
month next following the execution of the cooperative agreement 117847
authorized by section 307.671 of the Revised Code by all parties 117848
to that agreement. 117849

(4) The tax shall remain in effect at the rate at which it is 117850
imposed for the period of time described in division (C) of 117851
section 307.671 of the Revised Code for which the revenue from the 117852
tax has been pledged by the county to the corporation pursuant to 117853
that section, but, to any extent provided for in the cooperative 117854
agreement, for no lesser period than the period of time required 117855
for payment of the debt service charges on bonds, or notes in 117856
anticipation of bonds, described in division (B)(1)(b) of that 117857
section. 117858

(O)(1) For the purpose of paying the costs of acquiring, 117859
constructing, equipping, and improving a municipal educational and 117860
cultural facility, including debt service charges on bonds 117861
provided for in division (B) of section 307.672 of the Revised 117862
Code, and for any additional purposes determined by the county in 117863
the resolution levying the tax or amendments to the resolution, 117864

including subsequent amendments providing for paying costs of 117865
acquiring, constructing, renovating, rehabilitating, equipping, 117866
and improving a port authority educational and cultural performing 117867
arts facility, as defined in section 307.674 of the Revised Code, 117868
and including debt service charges on bonds provided for in 117869
division (B) of section 307.674 of the Revised Code, the 117870

Revised Code. The commissioner may extend the time for making and 119090
filing returns and may remit all or any part of amounts of 119091
penalties that may become due under sections 5743.01 to 5743.20 of 119092
the Revised Code. The wholesale dealer shall deliver the return 119093
together with a remittance of the tax deficiency reported thereon 119094
to the commissioner. 119095

(E) Any wholesale dealer who fails to file a return under 119096
this section and the rules of the commissioner, other than a 119097
report required pursuant to division (F) of this section, may be 119098
required, for each day the dealer so fails, to forfeit and pay 119099
into the state treasury the sum of one dollar as revenue arising 119100
from the tax imposed by sections 5743.01 to 5743.20 of the Revised 119101
Code and such sum may be collected by assessment in the manner 119102
provided in section 5743.081 of the Revised Code. If the 119103
commissioner finds it necessary in order to insure the payment of 119104
the tax imposed by sections 5743.01 to 5743.20 of the Revised 119105
Code, the commissioner may require returns and payments to be made 119106
other than monthly. The returns shall be signed by the wholesale 119107
dealer or an authorized agent thereof. 119108

(F) Except as otherwise provided in this division, each 119109
person required to file a tax return under section 5743.03, 119110
5743.52, or 5743.62 of the Revised Code shall report to the 119111
commissioner the quantity of all cigarettes, ~~packages of~~ 119112
~~cigarettes,~~ and roll-your-own cigarette tobacco sold in Ohio for 119113
each brand not covered by the tobacco master settlement agreement 119114

for which the person is liable for the taxes levied under section 119115
5743.02, 5743.51, or 5743.62 of the Revised Code. A vapor 119116
distributor licensed to engage solely in the distribution of vapor 119117
products under section 5743.61 of the Revised Code is not required 119118
to file the report. 119119

As used in this division, "tobacco master settlement 119120
agreement" has the same meaning as in section 183.01 of the 119121
Revised Code. 119122

(G) The report required by division (F) of this section shall 119123
be made on a form prescribed by the commissioner and shall be 119124
filed not later than the last day of each month for the previous 119125
month, except that if the commissioner determines that the 119126
quantity reported by a person does not warrant monthly reporting, 119127
the commissioner may authorize reporting at less frequent 119128
intervals. The commissioner may assess a penalty of not more than 119129
two hundred fifty dollars for each month or portion thereof that a 119130
person fails to timely file a required report, and such sum may be 119131
collected by assessment in the manner provided in section 5743.081 119132
of the Revised Code. All money collected under this division shall 119133
be considered as revenue arising from the taxes imposed by 119134
sections 5743.01 to 5743.20 of the Revised Code. 119135

(H) The commissioner may sell tax stamps only to a licensed 119136
wholesale dealer, except as otherwise authorized by the 119137
commissioner. The commissioner may charge the costs associated 119138
with the shipment of tax stamps to the licensed wholesale dealer. 119139
Amounts collected from such charges shall be credited to the 119140
cigarette tax enforcement fund created under section 5743.15 of 119141
the Revised Code. 119142

Sec. 5743.05. The tax commissioner shall sell all stamps 119143
provided for by section 5743.03 of the Revised Code. ~~Each stamp~~ 119144
~~that is to be affixed to a package of cigarettes~~ The stamps shall 119145

be sold ~~for the amount of tax due on that package~~ at their face 119146
value, except the commissioner shall, by rule, authorize the sale 119147
of stamps to wholesale dealers in this state, or to wholesale 119148
dealers outside this state, at a discount of not less than one and 119149
eight-tenths per cent or more than ten per cent of ~~such tax due,~~ 119150
their face value, as a commission for affixing and canceling the 119151
stamps. 119152

The commissioner, by rule, shall authorize the delivery of 119153
stamps to wholesale dealers in this state and to wholesale dealers 119154
outside this state on credit. If such a dealer has not been in 119155
good credit standing with this state for five consecutive years 119156
preceding the purchase, the commissioner shall require the dealer 119157
to file with the commissioner a bond to the state in the amount 119158
and in the form prescribed by the commissioner, with surety to the 119159
satisfaction of the commissioner, conditioned on payment to the 119160
treasurer of state or the commissioner within thirty days or the 119161
following twenty-third day of June, whichever comes first for 119162
stamps delivered within that time. If such a dealer has been in 119163
good credit standing with this state for five consecutive years 119164
preceding the purchase, the commissioner shall not require that 119165
the dealer file such a bond but shall require payment for the 119166
stamps within thirty days after purchase of the stamps or the 119167
following twenty-third day of June, whichever comes first. ~~Each~~ 119168
~~stamp that is~~ Stamps sold to a dealer not required to file a bond 119169
shall be sold ~~for the amount of tax due on that package of~~ 119170
~~cigarettes~~ at face value. The maximum amount that may be sold on 119171
credit to a dealer not required to file a bond shall equal one 119172
hundred ten per cent of the dealer's average monthly purchases 119173
over the preceding calendar year. The maximum amount shall be 119174
adjusted to reflect any changes in the tax rate and may be 119175
adjusted, upon application to the commissioner by the dealer, to 119176
reflect changes in the business operations of the dealer. The 119177
maximum amount shall be applicable to the period between the first 119178

day of July to the following twenty-third day of June. Payment by 119179
a dealer not required to file a bond shall be remitted by 119180
electronic funds transfer as prescribed by section 5743.051 of the 119181
Revised Code. If a dealer not required to file a bond fails to 119182
make the payment in full within the required payment period, the 119183
commissioner shall not thereafter sell stamps to that dealer until 119184
the dealer pays the outstanding amount, including penalty and 119185
interest on that amount as prescribed in this chapter, and the 119186
commissioner thereafter may require the dealer to file a bond 119187
until the dealer is restored to good standing. The commissioner 119188
shall limit delivery of stamps on credit to the period running 119189
from the first day of July of the fiscal year until the 119190
twenty-third day of the following June. Any discount allowed as a 119191
commission for affixing and canceling stamps shall be allowed with 119192
respect to sales of stamps on credit. 119193

The commissioner shall redeem and pay for any destroyed, 119194
unused, or spoiled tax stamps at their net value, and shall refund 119195
to wholesale dealers the net amount of state and county taxes paid 119196
erroneously or paid on cigarettes that have been sold in 119197
interstate or foreign commerce or that have become unsalable, and 119198
the net amount of county taxes that were paid on cigarettes that 119199
have been sold at retail or for retail sale outside a taxing 119200
county. 119201

An application for a refund of tax shall be filed with the 119202
commissioner, on the form prescribed by the commissioner for that 119203
purpose, within three years from the date the tax stamps are 119204
destroyed or spoiled, from the date of the erroneous payment, or 119205
from the date that cigarettes on which taxes have been paid have 119206
been sold in interstate or foreign commerce or have become 119207
unsalable. 119208

On the filing of the application, the commissioner shall 119209
determine the amount of refund to which the applicant is entitled, 119210

payable from receipts of the state tax, and, if applicable, 119211
payable from receipts of a county tax. If the amount is not less 119212
than that claimed, the commissioner shall certify the amount to 119213
the director of budget and management and treasurer of state for 119214
payment from the tax refund fund created by section 5703.052 of 119215
the Revised Code. If the amount is less than that claimed, the 119216
commissioner shall proceed in accordance with section 5703.70 of 119217
the Revised Code. 119218

If a refund is granted for payment of an illegal or erroneous 119219
assessment issued by the department, the refund shall include 119220
interest on the amount of the refund from the date of the 119221
overpayment. The interest shall be computed at the rate per annum 119222
prescribed by section 5703.47 of the Revised Code. 119223

Sec. 5743.06. (A) As used in this section, "bad debt" means 119224
any debt that arises from the sale by a wholesale dealer of 119225
cigarettes properly stamped under section 5743.03, 5743.031, or 119226
5743.04 of the Revised Code, that has become worthless or 119227
uncollectible, that has been uncollected for at least six months, 119228
and that may be claimed as a deduction pursuant to the "Internal 119229
Revenue Code of 1954," 26 U.S.C. 166, and regulations adopted 119230
pursuant thereto, or that could be claimed as such a deduction if 119231
the wholesale dealer kept accounts on an accrual basis. "Bad debt" 119232
does not include any interest or financing charges on the debt, 119233
expenses incurred in attempting to collect the debt or for any 119234
portion of the debt recovered, any accounts receivable that have 119235
been sold or assigned to a third party, or repossessed property. 119236

(B) A wholesale dealer may apply to the tax commissioner for 119237
a refund of the value of cigarette tax stamps, less any discounts 119238
provided under section 5743.05 of the Revised Code, that are part 119239
of bad debt of the dealer. The commissioner shall not refund any 119240
amount for bad debt under this section unless the dealer has 119241

charged off the bad debt on its books as uncollectible. If a 119242
purchaser or other person pays all or part of a bad debt with 119243
respect to which a wholesale dealer received a refund under this 119244
section, the dealer is liable for the prorated amount of taxes 119245
refunded in connection with that portion of the debt for which 119246
such payment was received and shall remit such taxes to the 119247
commissioner in the manner the commissioner prescribes. Any 119248
request for refund under this section shall be supported by such 119249
evidence the commissioner requires, including, but not limited to, 119250
all of the following: 119251

(1) A copy of the original invoice; 119252

(2) Evidence that the cigarettes described in the invoice 119253
were delivered to the person that ordered them; 119254

(3) Evidence that the person who ordered and received such 119255
cigarettes did not pay the wholesale dealer for the cigarettes and 119256
that the dealer used reasonable collection practices in attempting 119257
to collect the debt. 119258

(C) A request for refund under this section shall be filed 119259
within three years after the date the bad debt became 119260
uncollectible. For each request, the commissioner shall determine 119261
the amount of refund to which the applicant is entitled. If the 119262
amount is not less than that claimed, the commissioner shall 119263
certify the amount to the director of budget and management and 119264
treasurer of state for payment from the tax refund fund created by 119265
section 5703.052 of the Revised Code. If the amount is less than 119266
that claimed, the commissioner shall proceed in accordance with 119267
section 5703.70 of the Revised Code. 119268

(D) The commissioner may adopt any rules necessary to 119269
administer this section. 119270

(E) No person other than the wholesaler that purchased the 119271
tax stamps and generated the bad debt may claim the refund 119272

authorized under this section. 119273

Sec. 5743.15. (A) Except as otherwise provided in this 119274
division, no person shall engage in this state in the wholesale or 119275
retail business of trafficking in cigarettes or in the business of 119276
a manufacturer or importer of cigarettes without having a license 119277
to conduct each such activity issued by a county auditor under 119278
division (B) of this section or the tax commissioner under 119279
divisions (C) and (F) of this section. On dissolution of a 119280
partnership by death, the surviving partner may operate under the 119281
license of the partnership until expiration of the license, and 119282
the heirs or legal representatives of deceased persons, and 119283
receivers and trustees in bankruptcy appointed by any competent 119284
authority, may operate under the license of the person succeeded 119285
in possession by such heir, representative, receiver, or trustee 119286
in bankruptcy if the partner or successor notifies the issuer of 119287
the license of the dissolution or succession within thirty days 119288
after the dissolution or succession. 119289

(B)(1) Each applicant for a license to engage in the retail 119290
business of trafficking in cigarettes under this section, 119291
annually, on or before the ~~fourth Monday of May~~ first day of June, 119292
shall make and deliver to the county auditor of the county in 119293
which the applicant desires to engage in the retail business of 119294
trafficking in cigarettes, upon a blank form furnished by such 119295
auditor for that purpose, a statement showing the name of the 119296
applicant, each physical place in the county where the applicant's 119297
business is conducted, the nature of the business, and any other 119298
information the tax commissioner requires in the form of statement 119299
prescribed by the commissioner. If the applicant is a firm, 119300
partnership, or association other than a corporation, the 119301
application shall state the name and address of each of its 119302
members. If the applicant is a corporation, the application shall 119303
state the name and address of each of its officers. At the time of 119304

making the application required by this section, every person 119305
desiring to engage in the retail business of trafficking in 119306
cigarettes shall pay an application fee in the sum of one hundred 119307
twenty-five dollars for each physical place where the person 119308
proposes to carry on such business. Each place of business shall 119309
be deemed such space, under lease or license to, or under the 119310
control of, or under the supervision of the applicant, as is 119311
contained in one or more contiguous, adjacent, or adjoining 119312
buildings constituting an industrial plant or a place of business 119313
operated by, or under the control of, one person, or under one 119314
roof and connected by doors, halls, stairways, or elevators, which 119315
space may contain any number of points at which cigarettes are 119316
offered for sale, provided that each additional point at which 119317
cigarettes are offered for sale shall be listed in the 119318
application. 119319

(2) Upon receipt of the application and exhibition of the 119320
county treasurer's receipt showing the payment of the application 119321
fee, the county auditor shall issue to the applicant a license for 119322
each place of business designated in the application, authorizing 119323
the applicant to engage in such business at such place for one 119324
year commencing on the ~~fourth Monday of May~~ first day of June. The 119325
form of the license shall be prescribed by the commissioner. A 119326
duplicate license may be obtained from the county auditor upon 119327
payment of a five-dollar fee if the original license is lost, 119328
destroyed, or defaced. When an application is filed after the 119329
~~fourth Monday of May~~ first day of June, the application fee 119330
required to be paid shall be proportioned in amount to the 119331
remainder of the license year, except that it shall not be less 119332
than twenty-five dollars in any one year. 119333

(3) The holder of a retail dealer's cigarette license may 119334
transfer the license to a place of business within the same county 119335
other than that designated on the license on condition that the 119336

licensee's ownership interest and business structure remain 119337
unchanged, and that the licensee applies to the county auditor 119338
therefor, upon forms approved by the commissioner and the payment 119339
of a fee of five dollars into the county treasury. 119340

(C)(1) Each applicant for a license to engage in the 119341
wholesale business of trafficking in cigarettes under this 119342
section, annually, on or before the ~~fourth Monday in May~~ first day 119343
of June, shall make and deliver to the tax commissioner, upon a 119344
blank form furnished by the commissioner for that purpose, a 119345
statement showing the name of the applicant, physical street 119346
address where the applicant's business is conducted, the nature of 119347
the business, and any other information required by the 119348
commissioner. If the applicant is a firm, partnership, or 119349
association other than a corporation, the applicant shall state 119350
the name and address of each of its members. If the applicant is a 119351
corporation, the applicant shall state the name and address of 119352
each of its officers. At the time of making the application 119353
required by this section, every person desiring to engage in the 119354
wholesale business of trafficking in cigarettes shall pay an 119355
application fee of one thousand dollars for each physical place 119356
where the person proposes to carry on such business. Each place of 119357
business shall be deemed such space, under lease or license to, or 119358
under the control of, or under the supervision of the applicant, 119359
as is contained in one or more contiguous, adjacent, or adjoining 119360
buildings constituting an industrial plant or a place of business 119361
operated by, or under the control of, one person, or under one 119362
roof and connected by doors, halls, stairways, or elevators. A 119363
duplicate license may be obtained from the commissioner upon 119364
payment of a twenty-five-dollar fee if the original license is 119365
lost, destroyed, or defaced. 119366

(2) Upon receipt of the application and payment of any 119367
application fee required by this section, the commissioner shall 119368

verify that the applicant is not in violation of any provision of Chapter 1346. or Title LVII of the Revised Code. The commissioner shall also verify that the applicant has filed any returns, submitted any information, and paid any outstanding taxes, charges, or fees as required for any tax, charge, or fee administered by the commissioner, to the extent that the commissioner is aware of the returns, information, or payments at the time of the application. Upon approval, the commissioner shall issue to the applicant a license for each physical place of business designated in the application authorizing the applicant to engage in business at that location for one year commencing on the ~~fourth Monday in May~~ first day of June. For licenses issued after the ~~fourth Monday in May~~ first day of June, the application fee shall be reduced proportionately by the remainder of the twelve-month period for which the license is issued, except that the application fee required to be paid under this section shall be not less than two hundred dollars in any one year.

(3) The holder of a wholesale dealer cigarette license may transfer the license to a place of business other than that designated on the license on condition that the licensee's ownership or business structure remains unchanged, and that the licensee applies to the commissioner for such a transfer upon a form promulgated by the commissioner and pays a fee of twenty-five dollars, which shall be deposited into the cigarette tax enforcement fund created in division (E) of this section.

(D)(1) The wholesale cigarette license application fees collected under this section shall be paid into the cigarette tax enforcement fund.

(2) The retail cigarette license application fees collected under this section shall be distributed as follows:

(B) The treasurer of state shall place to the credit of the 119526
tax refund fund created by section 5703.052 of the Revised Code, 119527
out of the receipts from the tax levied by this section, amounts 119528
equal to the refunds certified by the tax commissioner pursuant to 119529
section 5743.53 of the Revised Code. The balance of the taxes 119530
collected under this section shall be paid into the general 119531
revenue fund. 119532

(C) The commissioner may adopt rules as are necessary to 119533
assist in the enforcement and administration of sections 5743.51 119534
to 5743.66 of the Revised Code, including rules providing for the 119535
remission of penalties imposed. 119536

(D) A manufacturer is not liable for payment of the tax 119537
imposed by this section for sales of tobacco products or vapor 119538
products to a retail dealer that has filed a signed statement with 119539
the manufacturer in which the retail dealer agrees to pay and be 119540
liable for the tax, as long as the manufacturer has provided a 119541
copy of the statement to the tax commissioner. 119542

(E) A qualifying vapor manufacturer or importer may agree to 119543

sales of vapor products to a vapor distributor, provided that the 119545
manufacturer or importer has filed a signed statement with the 119546
vapor distributor in which the manufacturer or importer agrees to 119547
pay and be liable for the tax, and provided that the manufacturer 119548
or importer has provided a copy of the statement to the tax 119549
commissioner. 119550

Sec. 5743.52. (A) Each distributor of tobacco products or 119551
vapor distributor subject to the tax levied by section 5743.51 ~~or~~ 119552
~~5743.511~~ of the Revised Code, on or before the twenty-third day of 119553
each month, shall file with the tax commissioner a return for the 119554
preceding month showing any information the tax commissioner finds 119555

necessary for the proper administration of this chapter, together 119556
with remittance of the tax due. The return and payment of the tax 119557
required by this section shall be filed and made electronically on 119558
or before the twenty-third day of the month following the 119559
reporting period. If the return is filed and the amount of tax 119560
shown on the return to be due is paid on or before the date the 119561
return is required to be filed, the distributor or vapor 119562
distributor is entitled to a discount equal to two and five-tenths 119563
per cent of the amount shown on the return to be due. 119564

(B) Any person who fails to timely file the return and make 119565
payment of taxes as required under this section, section 5743.62, 119566
or section 5743.63 of the Revised Code may be required to pay an 119567
additional charge not exceeding the greater of fifty dollars or 119568
ten per cent of the tax due. Any additional charge imposed under 119569
this section may be collected by assessment as provided in section 119570
5743.56 of the Revised Code. 119571

(C) If any tax due is not paid timely in accordance with this 119572
section or section 5743.62 or 5743.63 of the Revised Code, the 119573
person liable for the tax shall pay interest, calculated at the 119574
rate per annum as prescribed by section 5703.47 of the Revised 119575
Code, from the date the tax payment was due to the date of payment 119576
or to the date an assessment is issued under section 5743.56 of 119577
the Revised Code, whichever occurs first. The commissioner may 119578
collect such interest by assessment pursuant to section 5743.56 of 119579
the Revised Code. 119580

(D) The commissioner may authorize the filing of returns and 119581
the payment of the tax required by this section, section 5743.62, 119582
or section 5743.63 of the Revised Code for periods longer than a 119583
calendar month. 119584

(E) The commissioner may order any taxpayer to file with the 119585
commissioner security to the satisfaction of the commissioner 119586
conditioned upon filing the return and paying the taxes required 119587

under this section, section 5743.62, or section 5743.63 of the Revised Code if the commissioner believes that the collection of the tax may be in jeopardy.

Sec. 5743.53. (A) The treasurer of state shall refund to a taxpayer any of the following:

(1) Amounts imposed under this chapter that were paid illegally or erroneously or paid on an illegal or erroneous assessment;

(2) Any tax paid on tobacco products or vapor products that have been sold or shipped to retail dealers, wholesale dealers, or vapor distributors outside this state, returned to the manufacturer, or destroyed by the taxpayer with the prior approval of the tax commissioner;

(3) In accordance with division (E) of this section, any tax paid by a distributor or vapor distributor on tobacco or vapor products, less any discounts provided under section 5743.52 of the Revised Code, that are part of bad debt of the distributor or vapor distributor.

Any application for refund shall be filed with the commissioner on a form prescribed by the commissioner for that purpose. The commissioner may not pay any refund on an application for refund filed with the commissioner more than three years from the date of the payment.

(B) On the filing of the application for refund, the commissioner shall determine the amount of the refund to which the applicant is entitled. If the amount is not less than that claimed, the commissioner shall certify the amount to the director of budget and management and to the treasurer of state for payment from the tax refund fund created by section 5703.052 of the Revised Code. If the amount is less than that claimed, the

commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

If a refund is granted for payment of an illegal or erroneous assessment issued by the department of taxation, the refund shall include interest on the amount of the refund from the date of the overpayment. The interest shall be computed at the rate per annum in the manner prescribed by section 5703.47 of the Revised Code.

(C) If any person entitled to a refund under this section or section 5703.70 of the Revised Code is indebted to the state for any tax administered by the tax commissioner, or any charge, penalties, or interest arising from such tax, the amount allowable on the application for refund first shall be applied in satisfaction of the debt.

(D) In lieu of granting a refund payable under division (A)(2) of this section, the tax commissioner may allow a taxpayer to claim a credit of the amount of refundable tax on the return for the period during which the tax became refundable. The commissioner may require taxpayers to submit any information necessary to support a claim for a credit under this section, and the commissioner shall allow no credit if that information is not provided.

(E)(1) As used in this section, "bad debt" means any debt that arises from the sale by a distributor or vapor distributor of tobacco or vapor products for which the distributor or vapor distributor remitted the tax due under section 5743.51 of the Revised Code, that has become worthless or uncollectible, that has been uncollected for at least six months, and that may be claimed as a deduction pursuant to the "Internal Revenue Code of 1954," 26 U.S.C. 166, and regulations adopted pursuant thereto, or that could be claimed as such a deduction if the distributor or vapor distributor kept account on an accrual basis. "Bad debt" does not include any interest or financing charges on the debt, expenses

incurred in attempting to collect the debt or for any portion of 119650
the debt recovered, any accounts receivable that have been sold or 119651
assigned to a third party, or repossessed property. 119652

(2) The commissioner shall not refund any amount for bad debt 119653
under division (A)(3) of this section unless the distributor or 119654
vapor distributor has charged off the bad debt on its books as 119655
uncollectible. If a purchaser or other person pays all or part of 119656
a bad debt with respect to which a distributor or vapor 119657
distributor received a refund under this section, the distributor 119658
or vapor distributor is liable for the prorated amount of taxes 119659
refunded in connection with that portion of the debt for which 119660
such payment was received and shall remit such taxes to the 119661
commissioner in the manner the commissioner prescribes. Any 119662
request for refund under division (A)(3) of this section shall be 119663
supported by such evidence the commissioner requires, including, 119664
but not limited to, all of the following: 119665

(a) A copy of the original invoice; 119666

(b) Evidence that the tobacco or vapor products described in 119667
the invoice were delivered to the person that ordered them; 119668

(c) Evidence that the person who ordered and received such 119669
tobacco or vapor products did not pay the distributor or vapor 119670
distributor for the tobacco or vapor products and that the 119671
distributor or vapor distributor used reasonable collection 119672
practices in attempting to collect the debt; 119673

(d) Evidence of the wholesale price or vapor volume, as 119674
applicable to the product, at the time the product was subjected 119675
to the tax imposed under section 5743.51 of the Revised Code. 119676

(3) No person other than the distributor or vapor distributor 119677
that paid the tax imposed under section 5743.51 of the Revised 119678
Code to the state and generated the bad debt may claim the bad 119679
debt refund authorized under division (E) of this section. 119680

(F) The commissioner may adopt any rules necessary to 119681
administer this section. 119682

Sec. 5743.54. (A) Each distributor of tobacco products and 119683
each vapor distributor of vapor products shall maintain complete 119684
and accurate records of all purchases and sales of tobacco 119685
products or vapor products, and shall procure and retain all 119686
invoices, bills of lading, and other documents relating to the 119687
purchases and sales of those products. The distributor or vapor 119688
distributor shall keep open records and documents during business 119689
hours for the inspection of the tax commissioner, and shall 119690
preserve them for a period of three years from the date the return 119691
was due or was filed, whichever is later, unless the commissioner, 119692
in writing, consents to their destruction within that period, or 119693
orders that they be kept for a longer period of time. 119694

(B)(1) Each distributor of tobacco products and each vapor 119695
distributor of vapor products subject to the tax levied by section 119696
5743.51 ~~or 5743.511~~ of the Revised Code shall mark on the invoices 119697
of tobacco products or vapor products sold that the tax levied by 119698
that section has been paid and shall indicate the distributor's or 119699
vapor distributor's account number as assigned by the 119700
commissioner. 119701

(2) Each vapor distributor subject to the tax imposed by 119702
section 5743.51 of the Revised Code shall mark on all invoices the 119703
total weight of the vapor product, rounded to the nearest 119704
one-tenth of one gram, if the vapor product is not sold in liquid 119705
form. If the vapor product is sold in liquid form, the invoice 119706
shall instead indicate the total volume of the vapor product, 119707
rounded to the nearest one-tenth of one milliliter. 119708

(C) No person shall make a false entry upon any invoice or 119709
record upon which an entry is required by this section and no 119710
person shall present any false entry for the inspection of the 119711

commissioner with the intent to evade the tax levied under section 119712
5743.51, ~~5743.511~~, 5743.62, ~~5743.621~~, or 5743.63, ~~or 5743.631~~ of 119713
the Revised Code. 119714

Sec. 5743.55. Whenever the tax commissioner discovers any 119715
tobacco products or vapor products, subject to the tax levied 119716
under section 5743.51, ~~5743.511~~, 5743.62, ~~5743.621~~, or 5743.63, ~~or~~ 119717
~~5743.631~~ of the Revised Code upon which the tax has not been paid 119718
or the commissioner has reason to believe the tax is being 119719
avoided, the commissioner may seize and take possession of the 119720
tobacco products or vapor products, which, upon seizure, shall be 119721
forfeited to the state. Within a reasonable time after seizure, 119722
the commissioner may sell the forfeited products. From the 119723
proceeds of this sale, the commissioner shall pay the costs 119724
incurred in the seizure and sale, and any proceeds remaining after 119725
the sale shall be considered as revenue arising from the tax. The 119726
seizure and sale shall not relieve any person from the fine or 119727
imprisonment provided for violation of sections 5743.51 to 5743.66 119728
of the Revised Code. The commissioner shall make the sale where it 119729
is most convenient and economical, but may order the destruction 119730
of the forfeited products if the quantity or quality is not 119731
sufficient to warrant their sale. 119732

Sec. 5743.56. (A) Any person required to pay the tax imposed 119733
by section 5743.51, ~~5743.511~~, 5743.62, ~~5743.621~~, or 5743.63, ~~or~~ 119734
~~5743.631~~ of the Revised Code is personally liable for the tax. The 119735
tax commissioner may make an assessment, based upon any 119736
information in the commissioner's possession, against any person 119737
who fails to file a return or pay any tax, interest, or additional 119738
charge as required by this chapter. The commissioner shall give 119739
the person assessed written notice of such assessment in the 119740
manner provided in section 5703.37 of the Revised Code. With the 119741
notice, the commissioner shall provide instructions on how to 119742

petition for reassessment and request a hearing on the petition. 119743

(B) When the information in the possession of the tax 119744
commissioner indicates that a person liable for the tax imposed by 119745
section 5743.51, ~~5743.511~~, 5743.62, ~~5743.621~~, or 5743.63, ~~or~~ 119746
~~5743.631~~ of the Revised Code has not paid the full amount of tax 119747
due, the commissioner may audit a representative sample of the 119748
person's business and may issue an assessment based on such audit. 119749

(C) A penalty of up to fifteen per cent may be added to all 119750
amounts assessed under this section. The tax commissioner may 119751
adopt rules providing for the imposition and remission of such 119752
penalties. 119753

(D) Unless the person assessed files with the tax 119754
commissioner within sixty days after service of the notice of 119755
assessment, either personally or by certified mail, a written 119756
petition for reassessment signed by the person assessed or that 119757
person's authorized agent having knowledge of the facts, the 119758
assessment becomes final and the amount of the assessment is due 119759
and payable from the person assessed to the treasurer of state. A 119760
petition shall indicate the objections of the person assessed, but 119761
additional objections may be raised in writing if received by the 119762
commissioner prior to the date shown on the final determination. 119763
If the petition has been properly filed, the commissioner shall 119764
proceed under section 5703.60 of the Revised Code. 119765

(E) After an assessment becomes final, if any portion of the 119766
assessment, including accrued interest, remains unpaid, a 119767
certified copy of the tax commissioner's entry making the 119768
assessment final may be filed in the office of the clerk of the 119769
court of common pleas in the county in which the person assessed 119770
resides or in which the person assessed conducts business. If the 119771
person assessed maintains no place of business in this state and 119772
is not a resident of this state, the certified copy of the entry 119773
may be filed in the office of the clerk of the court of common 119774

pleas of Franklin county. 119775

Immediately upon the filing of the entry, the clerk shall 119776
enter a judgment for the state against the person assessed in the 119777
amount shown on the entry. The judgment may be filed by the clerk 119778
in a loose-leaf book entitled "special judgments for state tobacco 119779
products tax," and shall have the same effect as other judgments. 119780
Execution shall issue upon the judgment upon the request of the 119781
commissioner, and all laws applicable to sales on execution shall 119782
apply to sales made under the judgment. 119783

If the assessment is not paid in its entirety within sixty 119784
days after the day the assessment is issued, the portion of the 119785
assessment consisting of tax due shall bear interest at the rate 119786
per annum prescribed by section 5703.47 of the Revised Code from 119787
the day the commissioner issues the assessment until the 119788
assessment is paid or until it is certified to the attorney 119789
general for collection under section 131.02 of the Revised Code, 119790
whichever comes first. If the unpaid portion of the assessment is 119791
certified to the attorney general for collection, the entire 119792
unpaid portion of the assessment shall bear interest at the rate 119793
per annum prescribed by section 5703.47 of the Revised Code from 119794
the date of certification until the date it is paid in its 119795
entirety. Interest shall be paid in the same manner as the tax and 119796
may be collected by issuing an assessment under this section. 119797

(F) If the tax commissioner believes that collection of the 119798
tax will be jeopardized unless proceedings to collect or secure 119799
collection of the tax are instituted without delay, the 119800
commissioner may issue a jeopardy assessment against the person 119801
liable for the tax. Immediately upon the issuance of the jeopardy 119802
assessment, the commissioner shall file an entry with the clerk of 119803
the court of common pleas in the manner prescribed by division (E) 119804
of this section. Notice of the jeopardy assessment shall be served 119805
on the person assessed or the legal representative of the person 119806

assessed, as provided in section 5703.37 of the Revised Code, 119807
within five days of the filing of the entry with the clerk. The 119808
total amount assessed is immediately due and payable, unless the 119809
person assessed files a petition for reassessment in accordance 119810
with division (D) of this section and provides security in a form 119811
satisfactory to the commissioner and in an amount sufficient to 119812
satisfy the unpaid balance of the assessment. Full or partial 119813
payment of the assessment does not prejudice the commissioner's 119814
consideration of the petition for reassessment. 119815

(G) All money collected by the tax commissioner under this 119816
section shall be paid to the treasurer of state as revenue arising 119817
from the tax imposed by sections 5743.51, ~~5743.511~~, 5743.62, 119818
~~5743.621~~, and 5743.63, ~~and 5743.631~~ of the Revised Code. 119819

Sec. 5743.57. (A) If any corporation, limited liability 119820
company, or business trust required to file returns pursuant to 119821
section 5743.52, 5743.62, or 5743.63 of the Revised Code fails to 119822
remit to the state any tax due under section 5743.51, ~~5743.511~~, 119823
~~5743.62~~, ~~5743.621~~, or 5743.63, ~~or 5743.631~~ of the Revised Code, 119824
any of its employees having control or supervision of or charged 119825
with the responsibility of filing returns and making payments, and 119826
any of its officers, members, managers, trustees, or other persons 119827
who are responsible for the execution of the corporation's, 119828
limited liability company's, or business trust's fiscal 119829
responsibilities, is personally liable for the failure to remit 119830
the tax. The dissolution, termination, or bankruptcy of the 119831
corporation, limited liability company, or business trust does not 119832
discharge a responsible person's liability for the corporation's, 119833
limited liability company's, or business trust's failure to remit 119834
the tax due. The tax commissioner may assess a responsible person 119835
under section 5743.56 of the Revised Code. 119836

(B) Except for assessments against responsible persons under 119837

division (A) of this section, no assessment of the tax imposed by 119838
section 5743.51, ~~5743.511~~, 5743.62, ~~5743.621~~, or 5743.63, ~~or~~ 119839
~~5743.631~~ of the Revised Code shall be made by the tax commissioner 119840
more than three years after the date on which the return for the 119841
period assessed was due or was filed, whichever date is later. 119842
This section does not bar an assessment when any of the following 119843
occurs: 119844

(1) The person assessed failed to file a return required by 119845
section 5743.52, 5743.62, or 5743.63 of the Revised Code; 119846

(2) The person assessed knowingly filed a false or fraudulent 119847
return; 119848

(3) The person assessed and the tax commissioner have waived 119849
in writing the time limitation. 119850

Sec. 5743.59. (A) No retail dealer of tobacco products or 119851
vapor products shall have in the retail dealer's possession 119852
tobacco products or vapor products on which the tax imposed by 119853
section 5743.51 ~~and, if applicable, section 5743.511~~ of the 119854
Revised Code has not been paid unless the retail dealer is 119855
licensed under section 5743.61 of the Revised Code. Payment may be 119856
evidenced by invoices from distributors or vapor distributors 119857
stating the tax has been paid. 119858

(B) The tax commissioner may inspect any place where tobacco 119859
products or vapor products subject to the tax levied under section 119860
5743.51 ~~or 5743.511~~ of the Revised Code are sold or stored. 119861

(C) No person shall prevent or hinder the commissioner from 119862
making a full inspection of any place where tobacco products or 119863
vapor products subject to the tax imposed by section 5743.51 or 119864
5743.511 of the Revised Code are sold or stored, or prevent or 119865
hinder the full inspection of invoices, books, or records required 119866
to be kept by section 5743.54 of the Revised Code. 119867

Sec. 5743.60. No person shall prepare for shipment, ship, transport, deliver, prepare for distribution, or distribute tobacco products or vapor products, or otherwise engage or participate in the business of distributing tobacco products or vapor products, with the intent to avoid payment of the tax levied by section 5743.51, ~~5743.511~~, 5743.62, ~~5743.621~~, or 5743.63, ~~or 5743.631~~ of the Revised Code, when the wholesale price of the tobacco products ~~or, in the case of a tax levied under section 5743.511, 5743.621, or 5743.631 of the Revised Code, the vapor products~~ exceeds three hundred dollars, or when the vapor volume of the vapor products exceeds five hundred milliliters or five hundred grams, as applicable, during any twelve-month period.

Sec. 5743.61. ~~(A)(1)(A)~~ No distributor ~~or vapor distributor~~ person shall engage in the business of distributing or selling tobacco products, vapor products, or both within this state without having a license issued by the department of taxation to engage in that business.

~~(2) On the dissolution of a partnership by death, the surviving partner may operate under the license of the partnership until the expiration of the license, and the heirs or legal representatives of deceased persons, and receivers and trustees in bankruptcy appointed by any competent authority, may operate under the license of the person succeeded in possession by the heir, representative, receiver, or trustee in bankruptcy if the partner or successor notifies the department of taxation of the dissolution or succession within thirty days after the dissolution or succession.~~

(B)(1) Each applicant for a license ~~described by division (A)(1) of this section~~ to engage in the business of distributing tobacco products, vapor products, or both tobacco and vapor products, annually, on or before the first day of February, shall

make and deliver to the tax commissioner, upon a form furnished by 119899
the commissioner for that purpose, a statement showing the name of 119900
the applicant, each physical place from which the applicant 119901

(2) At the time of making the application for a license to 119906

vapor products shall be one hundred twenty-five dollars for each 119913

(3) Upon receipt of the application and payment of any 119919
licensing fee required by this section, the commissioner shall 119920
verify that the applicant has filed all returns, submitted all 119921
information, and paid all outstanding taxes, charges, or fees as 119922
required for any taxes, charges, or fees administered by the 119923
commissioner, to the extent the commissioner is aware of the 119924
returns, information, taxes, charges, or fees at the time of the 119925
application. Upon approval, the commissioner shall issue to the 119926
applicant a license for each place of distribution designated in 119927
the application authorizing the applicant to engage in business at 119928
that location for one year commencing on the first day of 119929
February. For licenses issued after the first day of February, the 119930

license application fee shall be reduced proportionately by the 119931
remainder of the twelve-month period for which the license is 119932
issued, except that the application fee required to be paid under 119933
this section shall be not less than two hundred dollars. If the 119934
original license is lost, destroyed, or defaced, a duplicate 119935
license may be obtained from the commissioner upon payment of a 119936
license replacement fee of twenty-five dollars. 119937

~~(C)~~(1) Each applicant for a license to engage in the 119938
retail sale of tobacco products, vapor products, or both, 119939
annually, on or before the first day of February, shall make and 119940
deliver to the tax commissioner, upon a form furnished by the 119941
commissioner for that purpose, a statement showing the name of the 119942
applicant, each place of business from which the applicant 119943

commissioner considers necessary for the administration of 119945
sections 5743.51 to 5743.66 of the Revised Code. 119946

(2) At the time of making the application required by 119947
division (C)(1) of this section, every person desiring to engage 119948
in the retail sale of tobacco products, vapor products, or both, 119949
shall pay an application fee of one hundred twenty-five dollars 119950
for each place of business where the person proposes to engage 119951
such business. 119952

Except as otherwise provided under section 3794.03 of the 119953
Revised Code, each place of business shall be deemed such space, 119954
under lease or license to, or under the control of, or under the 119955
supervision of the applicant, as is contained in one or more 119956
contiguous, adjacent, or adjoining buildings constituting a place 119957
of business operated by, or under the control of, one person, or 119958
under one roof and connected by doors, halls, stairways, or 119959
elevators, which space may contain any number of points at which 119960
tobacco products, vapor products, or both are offered for retail 119961
sale to the public, provided that each additional point at which 119962

tobacco products, vapor products, or both are offered for sale 119963
shall be listed in the application. 119964

(3) Upon receipt and approval of the application and payment 119965
of any licensing fee required by division (C) of this section, the 119966
commissioner shall issue to the applicant a license for each place 119967
of retail sale designated in the application authorizing the 119968
applicant to engage in business at that location for one year 119969
commencing on the first day of February. For licenses issued after 119970
the first day of February, the license application fee shall be 119971
reduced proportionately by the remainder of the twelve-month 119972
period for which the license is issued, except that the 119973
application fee required to be paid under this section shall be 119974
not less than twenty-five dollars. If the original license is 119975
lost, destroyed, or defaced, a duplicate license may be obtained 119976
from the commissioner upon payment of a license replacement fee of 119977
twenty-five dollars. 119978

(4) The tax commissioner may adopt a rule under division (H) 119979
of this section that requires, as a condition of approving a 119980
license to engage in the retail sale of tobacco products, vapor 119981
products, or both, that the applicant demonstrate compliance with 119982
certain taxes, charges, and fees administered by the department of 119983
taxation. 119984

(5) License fees collected pursuant to division (C) of this 119985
section shall be paid into the cigarette tax enforcement fund. 119986

(D) The holder of a ~~tobacco or vapor products~~ license issued 119987
under division (B) or (C) of this section may transfer the license 119988
to a place of business on condition that the licensee's ownership 119989
and business structure remains unchanged and the licensee applies 119990
to the commissioner for the transfer on a form issued by the 119991
commissioner, and pays a transfer fee of twenty-five dollars. 119992

~~(D)~~(E) If a distributor or vapor distributor fails to file 119993

forms as required under Chapter 1346. or section 5743.52 of the 119994
Revised Code or pay the tax due for two consecutive periods or 119995
three periods during any twelve-month period, the commissioner may 119996
suspend the license issued to the distributor or vapor distributor 119997
under division (B) of this section. The suspension is effective 119998
ten days after the commissioner notifies the distributor or vapor 119999
distributor of the suspension in writing ~~personally or by~~ 120000
~~certified mail~~ in the manner provided in section 5703.37 of the 120001
Revised Code. The commissioner shall lift the suspension when the 120002
distributor or vapor distributor files the delinquent forms and 120003
pays the tax due, including any penalties, interest, and 120004
additional charges. The commissioner may refuse to issue the 120005
annual renewal of the license required by this section and may 120006
refuse to issue a new license for a location of the distributor 120007
until all delinquent forms are filed and outstanding taxes are 120008
paid. This division does not apply to any unpaid or underpaid tax 120009
liability that is the subject of a petition or appeal filed 120010
pursuant to section 5743.56, 5717.02, or 5717.04 of the Revised 120011
Code. 120012

~~(E)(1)(F)(1)~~ The tax commissioner may impose a penalty of up 120013
to one thousand dollars on any person found to be engaging in the 120014
business of distributing or selling at retail tobacco products or 120015
vapor products without a license as required by this section. Any 120016
penalty collected under this section shall be credited to the 120017
cigarette tax enforcement fund. 120018

(2) Any person engaging in the business of distributing or 120019
selling at retail tobacco products or vapor products without a 120020
license as required by this section shall comply with divisions 120021
(B)(1) and (2), or divisions (C)(1) and (2) of this section, as 120022
applicable, within ten days after being notified of the 120023
requirement to do so. Failure to comply with division ~~(E)(2)(F)(2)~~ 120024
of this section subjects a person to penalties imposed under 120025

section 5743.99 of the Revised Code. 120026

(G) On the dissolution of a partnership by death, the surviving partner may operate under the license issued to the partnership under this section until the expiration of the license, and the heirs or legal representatives of deceased persons, and receivers and trustees in bankruptcy appointed by any competent authority, may operate under the license of the person succeeded in possession by the heir, representative, receiver, or trustee in bankruptcy if the partner or successor notifies the department of taxation of the dissolution or succession within thirty days after the dissolution or succession. 120027

The tax imposed by this section applies only to sellers 120063
having substantial nexus with this state, as defined in section 120064
5741.01 of the Revised Code. 120065

(B) A seller of tobacco products or vapor products who has 120066

the Revised Code shall register with the tax commissioner and 120068
supply any information concerning the seller's contacts with this 120069
state as may be required by the tax commissioner. A seller who 120070
does not have substantial nexus with this state may voluntarily 120071
register with the tax commissioner. A seller who voluntarily 120072
registers with the tax commissioner is entitled to the same 120073
benefits and is subject to the same duties and requirements as a 120074
seller required to be registered with the tax commissioner under 120075
this division. 120076

required by this section shall be filed in such a manner that it 120085
is received by the tax commissioner on or before the twenty-third 120086
day of the month following the reporting period. If the return is 120087

filed and the amount of the tax shown on the return to be due is 120088
paid on or before the date the return is required to be filed, the 120089
seller is entitled to a discount equal to two and five-tenths per 120090
cent of the amount shown on the return to be due. 120091

(D) The tax commissioner shall immediately forward to the 120092
treasurer of state all money received from the tax levied by this 120093
section, and the treasurer shall credit the amount to the general 120094
revenue fund. 120095

(E) Each seller of tobacco products or vapor products subject 120096
to the tax levied by this section ~~or section 5743.621 of the~~ 120097
~~Revised Code~~ shall mark on the invoices of tobacco products or 120098

(4) For vapor products, one cent multiplied by the vapor 120114
volume of the vapor products. 120115

The tax levied under division (A) of this section is imposed 120116
only if the tax has not been paid by the seller as provided in 120117

section 5743.62 of the Revised Code, or by the distributor ~~or~~, 120118
vapor distributor, or qualifying vapor manufacturer or importer as 120119
provided in section 5743.51 of the Revised Code. 120120

(B) Each person subject to the tax levied by this section ~~or~~ 120121

of state. The return and payment of the tax required by this 120128
section shall be filed in such a manner that it is received by the 120129
commissioner on or before the twenty-third day of the month 120130
following the reporting period. 120131

(C) The tax commissioner shall immediately forward to the 120132
treasurer of state all money received from the tax levied by this 120133
section, and the treasurer shall credit the amount to the general 120134

Sec. 5743.64. No person shall transport within this state 120139
tobacco products that have a wholesale value in excess of three 120140
hundred dollars, or vapor products with a vapor volume in excess 120141
of five hundred milliliters or five hundred grams, as applicable, 120142
unless the person has obtained consent to transport the tobacco 120143
products or vapor products from the tax commissioner prior to 120144
transportation. The consent is not required if the applicable tax 120145
levied under section 5743.51, ~~5743.511~~, 5743.62, ~~5743.621~~, or 120146
5743.63, ~~or 5743.631~~ of the Revised Code has been paid or will be 120147
paid by the distributor, vapor distributor, or seller. The consent 120148

Sec. 5747.01. Except as otherwise expressly provided or clearly appearing from the context, any term used in this chapter that is not otherwise defined in this section has the same meaning as when used in a comparable context in the laws of the United States relating to federal income taxes or if not used in a comparable context in those laws, has the same meaning as in section 5733.40 of the Revised Code. Any reference in this chapter to the Internal Revenue Code includes other laws of the United States relating to federal income taxes.

As used in this chapter:

(A) "Adjusted gross income" or "Ohio adjusted gross income" means federal adjusted gross income, as defined and used in the Internal Revenue Code, adjusted as provided in this section:

(1) Add interest or dividends on obligations or securities of any state or of any political subdivision or authority of any state, other than this state and its subdivisions and authorities.

(2) Add interest or dividends on obligations of any	120179
authority, commission, instrumentality, territory, or possession	120180
of the United States to the extent that the interest or dividends	120181
are exempt from federal income taxes but not from state income	120182
taxes.	120183
(3) Deduct interest or dividends on obligations of the United	120184
States and its territories and possessions or of any authority,	120185
commission, or instrumentality of the United States to the extent	120186
that the interest or dividends are included in federal adjusted	120187
gross income but exempt from state income taxes under the laws of	120188
the United States.	120189
(4) Deduct disability and survivor's benefits to the extent	120190
included in federal adjusted gross income.	120191
(5) Deduct the following, to the extent not otherwise	120192
deducted or excluded in computing federal or Ohio adjusted gross	120193
income:	120194
(a) Benefits under Title II of the Social Security Act and	120195
tier 1 railroad retirement;	120196
(b) Railroad retirement benefits, other than tier 1 railroad	120197
retirement benefits, to the extent such amounts are exempt from	120198
state taxation under federal law.	120199
(6) Deduct the amount of wages and salaries, if any, not	120200
otherwise allowable as a deduction but that would have been	120201
allowable as a deduction in computing federal adjusted gross	120202
income for the taxable year, had the work opportunity tax credit	120203
allowed and determined under sections 38, 51, and 52 of the	120204
Internal Revenue Code not been in effect.	120205
(7) Deduct any interest or interest equivalent on public	120206
obligations and purchase obligations to the extent that the	120207
interest or interest equivalent is included in federal adjusted	120208
gross income.	120209

(8) Add any loss or deduct any gain resulting from the sale, 120210
exchange, or other disposition of public obligations to the extent 120211
that the loss has been deducted or the gain has been included in 120212
computing federal adjusted gross income. 120213

(9) Deduct or add amounts, as provided under section 5747.70 120214
of the Revised Code, related to contributions made to or tuition 120215
units purchased under a qualified tuition program established 120216
pursuant to section 529 of the Internal Revenue Code. 120217

(10)(a) Deduct, to the extent not otherwise allowable as a 120218
deduction or exclusion in computing federal or Ohio adjusted gross 120219
income for the taxable year, the amount the taxpayer paid during 120220
the taxable year for medical care insurance and qualified 120221
long-term care insurance for the taxpayer, the taxpayer's spouse, 120222
and dependents. No deduction for medical care insurance under 120223
division (A)(10)(a) of this section shall be allowed either to any 120224
taxpayer who is eligible to participate in any subsidized health 120225
plan maintained by any employer of the taxpayer or of the 120226
taxpayer's spouse, or to any taxpayer who is entitled to, or on 120227
application would be entitled to, benefits under part A of Title 120228
XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 120229
301, as amended. For the purposes of division (A)(10)(a) of this 120230
section, "subsidized health plan" means a health plan for which 120231
the employer pays any portion of the plan's cost. The deduction 120232
allowed under division (A)(10)(a) of this section shall be the net 120233
of any related premium refunds, related premium reimbursements, or 120234
related insurance premium dividends received during the taxable 120235
year. 120236

(b) Deduct, to the extent not otherwise deducted or excluded 120237
in computing federal or Ohio adjusted gross income during the 120238
taxable year, the amount the taxpayer paid during the taxable 120239
year, not compensated for by any insurance or otherwise, for 120240
medical care of the taxpayer, the taxpayer's spouse, and 120241

dependents, to the extent the expenses exceed seven and one-half 120242
per cent of the taxpayer's federal adjusted gross income. 120243

(c) For purposes of division (A)(10) of this section, 120244
"medical care" has the meaning given in section 213 of the 120245
Internal Revenue Code, subject to the special rules, limitations, 120246
and exclusions set forth therein, and "qualified long-term care" 120247
has the same meaning given in section 7702B(c) of the Internal 120248
Revenue Code. Solely for purposes of division (A)(10)(a) of this 120249
section, "dependent" includes a person who otherwise would be a 120250
"qualifying relative" and thus a "dependent" under section 152 of 120251
the Internal Revenue Code but for the fact that the person fails 120252
to meet the income and support limitations under section 120253
152(d)(1)(B) and (C) of the Internal Revenue Code. 120254

(11)(a) Deduct any amount included in federal adjusted gross 120255
income solely because the amount represents a reimbursement or 120256
refund of expenses that in any year the taxpayer had deducted as 120257
an itemized deduction pursuant to section 63 of the Internal 120258
Revenue Code and applicable United States department of the 120259
treasury regulations. The deduction otherwise allowed under 120260
division (A)(11)(a) of this section shall be reduced to the extent 120261
the reimbursement is attributable to an amount the taxpayer 120262
deducted under this section in any taxable year. 120263

(b) Add any amount not otherwise included in Ohio adjusted 120264
gross income for any taxable year to the extent that the amount is 120265
attributable to the recovery during the taxable year of any amount 120266
deducted or excluded in computing federal or Ohio adjusted gross 120267
income in any taxable year. 120268

(12) Deduct any portion of the deduction described in section 120269
1341(a)(2) of the Internal Revenue Code, for repaying previously 120270
reported income received under a claim of right, that meets both 120271
of the following requirements: 120272

(a) It is allowable for repayment of an item that was 120273
included in the taxpayer's adjusted gross income for a prior 120274
taxable year and did not qualify for a credit under division (A) 120275
or (B) of section 5747.05 of the Revised Code for that year; 120276

(b) It does not otherwise reduce the taxpayer's adjusted 120277
gross income for the current or any other taxable year. 120278

(13) Deduct an amount equal to the deposits made to, and net 120279
investment earnings of, a medical savings account during the 120280
taxable year, in accordance with section 3924.66 of the Revised 120281
Code. The deduction allowed by division (A)(13) of this section 120282
does not apply to medical savings account deposits and earnings 120283
otherwise deducted or excluded for the current or any other 120284
taxable year from the taxpayer's federal adjusted gross income. 120285

(14)(a) Add an amount equal to the funds withdrawn from a 120286
medical savings account during the taxable year, and the net 120287
investment earnings on those funds, when the funds withdrawn were 120288
used for any purpose other than to reimburse an account holder 120289
for, or to pay, eligible medical expenses, in accordance with 120290
section 3924.66 of the Revised Code; 120291

(b) Add the amounts distributed from a medical savings 120292
account under division (A)(2) of section 3924.68 of the Revised 120293
Code during the taxable year. 120294

(17)(a)(i) Subject to divisions (A)(17)(a)(iii), (iv), and 120313
(v) of this section, add five-sixths of the amount of depreciation 120314
expense allowed by subsection (k) of section 168 of the Internal 120315
Revenue Code, including the taxpayer's proportionate or 120316
distributive share of the amount of depreciation expense allowed 120317

indirect ownership interest is equal to or greater than the sum of 120338
(I) the amount of qualifying section 179 depreciation expense and 120339

(v) If a taxpayer directly or indirectly incurs a net 120344

Revenue Code and by qualifying section 179 depreciation expense, 120348
"the entire" shall be substituted for "five-sixths of the" for the 120349

Revised Code, the add-back shall be situated to the same location 120360
as the nonbusiness income or loss generated by the property for 120361
the purpose of determining the credit under division (A) of 120362
section 5747.05 of the Revised Code. Otherwise, the add-back shall 120363
be apportioned, subject to one or more of the four alternative 120364
methods of apportionment enumerated in section 5747.21 of the 120365
Revised Code. 120366

(d) For the purposes of division (A)(17)(a)(v) of this section, net operating loss carryback and carryforward shall not include the allowance of any net operating loss deduction carryback or carryforward to the taxable year to the extent such loss resulted from depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount.

(e) For the purposes of divisions (A)(17) and (18) of this section:

Revenue Code; 120398

(ii) One-half of the amount so added for each of the two 120399
succeeding taxable years if the amount so added was two-thirds of 120400
such depreciation expense; 120401

(iii) One-sixth of the amount so added for each of the six 120402

(b) If the amount deducted under division (A)(18)(a) of this 120405
section is attributable to an add-back allocated under division 120406
(A)(17)(c) of this section, the amount deducted shall be sitused 120407
to the same location. Otherwise, the add-back shall be apportioned 120408
using the apportionment factors for the taxable year in which the 120409
deduction is taken, subject to one or more of the four alternative 120410
methods of apportionment enumerated in section 5747.21 of the 120411
Revised Code. 120412

(c) No deduction is available under division (A)(18)(a) of 120413
this section with regard to any depreciation allowed by section 120414
168(k) of the Internal Revenue Code and by the qualifying section 120415
179 depreciation expense amount to the extent that such 120416
depreciation results in or increases a federal net operating loss 120417
carryback or carryforward. If no such deduction is available for a 120418
taxable year, the taxpayer may carry forward the amount not 120419
deducted in such taxable year to the next taxable year and add 120420
that amount to any deduction otherwise available under division 120421
(A)(18)(a) of this section for that next taxable year. The 120422
carryforward of amounts not so deducted shall continue until the 120423
entire addition required by division (A)(17)(a) of this section 120424

of the Revised Code. 120435

(21) Deduct, to the extent included in federal adjusted gross 120436
income and not otherwise allowable as a deduction or exclusion in 120437
computing federal or Ohio adjusted gross income for the taxable 120438

thereof, or the national guard, or received by the surviving 120466
spouse or former spouse of such a taxpayer under the survivor 120467

includes the distribution of a grant directly to an educational 120510
institution and the crediting of the grant to the enrollee's 120511
account with the institution. 120512

(28) Deduct from the portion of an individual's federal 120513

and to the same extent provided in that section. 121105

(5)(a) Except as set forth in division (AA)(5)(b) of this 121106
section, "qualifying investee" means a person in which a trust has 121107
an equity or ownership interest, or a person or unit of government 121108
the debt obligations of either of which are owned by a trust. For 121109

the purposes of division (AA)(2)(a) of this section and for the 121110
purpose of computing the fraction described in division (AA)(4)(b) 121111
of this section, all of the following apply: 121112

(i) If the qualifying investee is a member of a qualifying 121113
controlled group on the last day of the qualifying investee's 121114
fiscal or calendar year ending immediately prior to the date on 121115
which the trust recognizes the gain or loss, then "qualifying 121116
investee" includes all persons in the qualifying controlled group 121117
on such last day. 121118

(ii) If the qualifying investee, or if the qualifying 121119
investee and any members of the qualifying controlled group of 121120
which the qualifying investee is a member on the last day of the 121121
qualifying investee's fiscal or calendar year ending immediately 121122
prior to the date on which the trust recognizes the gain or loss, 121123
separately or cumulatively own, directly or indirectly, on the 121124
last day of the qualifying investee's fiscal or calendar year 121125
ending immediately prior to the date on which the trust recognizes 121126
the qualifying trust amount, more than fifty per cent of the 121127
equity of a pass-through entity, then the qualifying investee and 121128
the other members are deemed to own the proportionate share of the 121129
pass-through entity's physical assets which the pass-through 121130
entity directly or indirectly owns on the last day of the 121131
pass-through entity's calendar or fiscal year ending within or 121132
with the last day of the qualifying investee's fiscal or calendar 121133
year ending immediately prior to the date on which the trust 121134
recognizes the qualifying trust amount. 121135

(iii) For the purposes of division (AA)(5)(a)(iii) of this 121136
section, "upper level pass-through entity" means a pass-through 121137
entity directly or indirectly owning any equity of another 121138
pass-through entity, and "lower level pass-through entity" means 121139
that other pass-through entity. 121140

An upper level pass-through entity, whether or not it is also 121141

a qualifying investee, is deemed to own, on the last day of the 121142
upper level pass-through entity's calendar or fiscal year, the 121143
proportionate share of the lower level pass-through entity's 121144
physical assets that the lower level pass-through entity directly 121145
or indirectly owns on the last day of the lower level pass-through 121146
entity's calendar or fiscal year ending within or with the last 121147
day of the upper level pass-through entity's fiscal or calendar 121148
year. If the upper level pass-through entity directly and 121149
indirectly owns less than fifty per cent of the equity of the 121150
lower level pass-through entity on each day of the upper level 121151
pass-through entity's calendar or fiscal year in which or with 121152
which ends the calendar or fiscal year of the lower level 121153
pass-through entity and if, based upon clear and convincing 121154
evidence, complete information about the location and cost of the 121155
physical assets of the lower pass-through entity is not available 121156
to the upper level pass-through entity, then solely for purposes 121157
of ascertaining if a gain or loss constitutes a qualifying trust 121158
amount, the upper level pass-through entity shall be deemed as 121159
owning no equity of the lower level pass-through entity for each 121160
day during the upper level pass-through entity's calendar or 121161
fiscal year in which or with which ends the lower level 121162
pass-through entity's calendar or fiscal year. Nothing in division 121163
(AA)(5)(a)(iii) of this section shall be construed to provide for 121164
any deduction or exclusion in computing any trust's Ohio taxable 121165
income. 121166

(b) With respect to a trust that is not a resident for the 121167
taxable year and with respect to a part of a trust that is not a 121168
resident for the taxable year, "qualifying investee" for that 121169
taxable year does not include a C corporation if both of the 121170
following apply: 121171

(i) During the taxable year the trust or part of the trust 121172
recognizes a gain or loss from the sale, exchange, or other 121173

disposition of equity or ownership interests in, or debt obligations of, the C corporation.	121174 121175
(ii) Such gain or loss constitutes nonbusiness income.	121176
(6) "Available" means information is such that a person is able to learn of the information by the due date plus extensions, if any, for filing the return for the taxable year in which the trust recognizes the gain or loss.	121177 121178 121179 121180

(ii) A subsidiary that is wholly owned by any corporation that has made an election under subchapter S, chapter one, subtitle A of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year.	121195 121196 121197 121198
(2) For the purposes of this chapter, unless expressly stated otherwise, no qualifying person indirectly owns any asset directly or indirectly owned by any qualifying corporation.	121199 121200 121201
(EE) For purposes of this chapter and Chapter 5751. of the Revised Code:	121202 121203

The trustee shall notify the tax commissioner in writing of the election on or before April 15, 2006. The election, if timely made, shall be effective on and after January 1, 2006, and shall apply for all tax periods and tax years until revoked by the trustee of the trust. 121209

(HH) "Employer" does not include a franchisor with respect to 121235
the franchisor's relationship with a franchisee or an employee of 121236
a franchisee, unless the franchisor agrees to assume that role in 121237
writing or a court of competent jurisdiction determines that the 121238
franchisor exercises a type or degree of control over the 121239
franchisee or the franchisee's employees that is not customarily 121240
exercised by a franchisor for the purpose of protecting the 121241
franchisor's trademark, brand, or both. For purposes of this 121242

in 16 C.F.R. 436.1. 121244

(II) "Modified adjusted gross income" means Ohio adjusted 121245

Sec. 5747.02. (A) For the purpose of providing revenue for 121253
the support of schools and local government functions, to provide 121254
relief to property taxpayers, to provide revenue for the general 121255

individual, trust, and estate residing in or earning or receiving 121258
income in this state, on every individual, trust, and estate 121259
earning or receiving lottery winnings, prizes, or awards pursuant 121260
to Chapter 3770. of the Revised Code, on every individual, trust, 121261

having nexus with or in this state under the Constitution of the 121264

United States, an annual tax measured as prescribed in divisions 121265
(A)(1) to (4) of this section. 121266

(1) In the case of trusts, the tax imposed by this section 121267
shall be measured by modified Ohio taxable income under division 121268
(D) of this section and levied in the same amount as the tax is 121269
imposed on estates as prescribed in division (A)(2) of this 121270
section. 121271

(2) In the case of estates, the tax imposed by this section 121272
shall be measured by Ohio taxable income. The tax shall be levied 121273
at the rate of 1.38462% for the first ~~twenty-five~~ twenty-six 121274
thousand fifty dollars of such income and, for income in excess of 121275
that amount, the tax shall be levied at the same rates prescribed 121276
in division (A)(3) of this section for individuals. 121277

(3) In the case of individuals, the tax imposed by this 121278
section on income other than taxable business income shall be 121279
measured by Ohio adjusted gross income, less taxable business 121280
income and less an exemption for the taxpayer, the taxpayer's 121281
spouse, and each dependent as provided in section 5747.025 of the 121282
Revised Code. If the balance thus obtained is equal to or less 121283
than ~~twenty-five~~ twenty-six thousand fifty dollars, no tax shall 121284
be imposed on that balance. If the balance thus obtained is 121285
greater than ~~twenty-five~~ twenty-six thousand fifty dollars, the 121286

division (A)(6) of this section, in August of each year, the tax commissioner shall make a new adjustment to the income amounts prescribed in divisions (A)(2) and (3) of this section by multiplying the percentage increase in the gross domestic product deflator computed that year under section 5747.025 of the Revised Code by each of the income amounts resulting from the adjustment under this division in the preceding year, adding the resulting product to the corresponding income amount resulting from the adjustment in the preceding year, and rounding the resulting sum to the nearest multiple of fifty dollars. The tax commissioner also shall recompute each of the tax dollar amounts to the extent necessary to reflect the new adjustment of the income amounts. To recompute the tax dollar amount corresponding to the lowest tax rate in division (A)(3) of this section, the commissioner shall multiply the tax rate prescribed in division (A)(2) of this section by the income amount specified in that division and as adjusted according to this paragraph. The rates of taxation shall not be adjusted.

The adjusted amounts apply to taxable years beginning in the calendar year in which the adjustments are made and to taxable years beginning in each ensuing calendar year until a calendar year in which a new adjustment is made pursuant to this division. The tax commissioner shall not make a new adjustment in any year in which the amount resulting from the adjustment would be less than the amount resulting from the adjustment in the preceding year.

(6) The tax commissioner shall not make the adjustments described in section 5747.025 of the Revised Code or division (A)(5) of this section if the tax rate prescribed in division (A)(2) of this section, as adjusted under this division, is greater than zero. If that tax rate is greater than zero, the tax commissioner, in August of 2025 and each year thereafter, shall

make adjustments to that rate and to the tax dollar amounts 121341
prescribed in division (A)(3) of this section as follows: 121342

(a) The commissioner, in consultation with the director of 121343
budget and management, shall estimate and calculate the difference 121344
between (i) the amount of revenue that would be collected from the 121345
tax levied under this section for taxable years beginning in the 121346
current calendar year, if no adjustments were made under this 121347
division, division (A)(5) of this section, or section 5747.025 of 121348
the Revised Code and (ii) the amount of such revenue that would be 121349
collected for those taxable years, if no adjustment were made 121350
under this division but adjustments were made under section 121351
5747.025 of the Revised Code and division (A)(5) of this section. 121352

(b) If the amount determined under division (A)(6)(a) of this 121353
section is greater than zero, the commissioner shall determine the 121354
amount by which reductions can be made to the tax rate prescribed 121355
in division (A)(2) of this section and the tax dollar amounts 121356
prescribed in division (A)(3) of this section, as described and 121357
previously adjusted under this division, so that the estimated 121358
loss in revenue from the tax levied under this section resulting 121359
from those reductions equals the amount calculated under division 121360
(A)(6)(a) of this section. 121361

Based upon the determination made in division (A)(6)(b) of 121362
this section, the tax commissioner shall compute a new tax rate 121363
under division (A)(2) of this section; recompute the tax dollar 121364
amount corresponding to the lowest tax rate in division (A)(3) of 121365
this section by multiplying that adjusted tax rate by the income 121366
amount specified in division (A)(2) of this section; and recompute 121367
the other tax dollar amounts under division (A)(3) of this section 121368
to the extent necessary to reflect the reduction in the tax dollar 121369
amount corresponding to the lowest tax rate in that division. 121370

The adjusted amounts apply to taxable years beginning in the 121371
calendar year in which the adjustments are made and to taxable 121372

years beginning in each ensuing calendar year until a calendar 121373
year in which a new adjustment is made pursuant to this division. 121374

(B) If the director of budget and management makes a 121375
certification to the tax commissioner under division (B) of 121376
section 131.44 of the Revised Code, the amount of tax as 121377
determined under divisions (A)(1) to (3) of this section shall be 121378
reduced by the percentage prescribed in that certification for 121379
taxable years beginning in the calendar year in which that 121380
certification is made. 121381

(C)(1) The tax imposed by this section on a trust shall be 121382
computed by multiplying the Ohio modified taxable income of the 121383
trust by the rates prescribed by division (A) of this section. 121384

(2) A resident trust may claim a credit against the tax 121385
computed under division (C) of this section equal to the lesser of 121386
(a) the tax paid to another state or the District of Columbia on 121387
the resident trust's modified nonbusiness income, other than the 121388
portion of the resident trust's nonbusiness income that is 121389
qualifying investment income as defined in section 5747.012 of the 121390
Revised Code, or (b) the effective tax rate, based on modified 121391
Ohio taxable income, multiplied by the resident trust's modified 121392
nonbusiness income other than the portion of the resident trust's 121393
nonbusiness income that is qualifying investment income. The 121394
credit applies before any other applicable credits. 121395

(3) Any credit authorized against the tax imposed by this 121396
section applies to a trust subject to division (C) of this section 121397
only if the trust otherwise qualifies for the credit. To the 121398
extent that the trust distributes income for the taxable year for 121399
which a credit is available to the trust, the credit shall be 121400
shared by the trust and its beneficiaries. The tax commissioner 121401
and the trust shall be guided by applicable regulations of the 121402
United States treasury regarding the sharing of credits. 121403

(D) For the purposes of this section, "trust" means any trust 121404
described in Subchapter J of Chapter 1 of the Internal Revenue 121405
Code, excluding trusts that are not irrevocable as defined in 121406
division (I)(3)(b) of section 5747.01 of the Revised Code and that 121407
have no modified Ohio taxable income for the taxable year, 121408
charitable remainder trusts, qualified funeral trusts and preneed 121409
funeral contract trusts established pursuant to sections 4717.31 121410
to 4717.38 of the Revised Code that are not qualified funeral 121411
trusts, endowment and perpetual care trusts, qualified settlement 121412
trusts and funds, designated settlement trusts and funds, and 121413
trusts exempted from taxation under section 501(a) of the Internal 121414
Revenue Code. 121415

(E) Nothing in division (A)(3) of this section shall prohibit 121416
an individual with an Ohio adjusted gross income, less taxable 121417
business income and exemptions, of ~~twenty-five~~ twenty-six thousand 121418
fifty dollars or less from filing a return under this chapter to 121419
receive a refund of taxes withheld or to claim any refundable 121420
credit allowed under this chapter. 121421

Sec. 5747.025. (A) The personal exemption for the taxpayer, 121422
the taxpayer's spouse, and each dependent shall be one of the 121423
following amounts: 121424

(1) Two thousand three hundred fifty dollars if the 121425
taxpayer's modified adjusted gross income for the taxable year as 121426
shown on an individual or joint annual return is less than or 121427
equal to forty thousand dollars; 121428

(2) Two thousand one hundred dollars if the taxpayer's 121429
modified adjusted gross income for the taxable year as shown on an 121430
individual or joint annual return is greater than forty thousand 121431
dollars but less than or equal to eighty thousand dollars; 121432

(3) One thousand eight hundred fifty dollars if the 121433
taxpayer's modified adjusted gross income for the taxable year as 121434

shown on an individual or joint annual return is greater than 121435
eighty thousand dollars. 121436

(B) ~~For taxable years beginning in 2020 and thereafter~~ Except 121437
as provided in division (A)(6) of section 5747.02 of the Revised 121438
Code, the personal exemption amounts prescribed in division (A) of 121439
this section shall be adjusted each year in the manner prescribed 121440
in division (C) of this section. In the case of an individual with 121441
respect to whom an exemption under section 5747.02 of the Revised 121442
Code is allowable to another taxpayer for a taxable year beginning 121443
in the calendar year in which the individual's taxable year 121444
begins, the exemption amount applicable to such individual for 121445
such individual's taxable year shall be zero. 121446

(C) Except as otherwise provided in this division, in August 121447
of each year, the tax commissioner shall determine the percentage 121448
increase in the gross domestic product deflator determined by the 121449
bureau of economic analysis of the United States department of 121450
commerce from the first day of January of the preceding calendar 121451
year to the last day of December of the preceding year, and make a 121452
new adjustment to the personal exemption amount for taxable years 121453
beginning in the current calendar year by multiplying that amount 121454
by the percentage increase in the gross domestic product deflator 121455
for that period; adding the resulting product to the personal 121456
exemption amount for taxable years beginning in the preceding 121457
calendar year; and rounding the resulting sum upward to the 121458
nearest multiple of fifty dollars. The adjusted amount applies to 121459
taxable years beginning in the calendar year in which the 121460
adjustment is made and to taxable years beginning in each ensuing 121461
calendar year until a calendar year in which a new adjustment is 121462
made pursuant to this division. The commissioner shall not make a 121463
new adjustment in any calendar year in which the amount resulting 121464
from the adjustment would be less than the amount resulting from 121465
the adjustment in the preceding calendar year. 121466

Sec. 5747.05. As used in this section, "income tax" includes 121467
both a tax on net income and a tax measured by net income. 121468

The following credits shall be allowed against the aggregate 121469
income tax liability imposed by section 5747.02 of the Revised 121470
Code on individuals and estates: 121471

(A)(1) The amount of tax otherwise due under section 5747.02 121472
of the Revised Code on such portion of the combined adjusted gross 121473
income and business income of any nonresident taxpayer that is not 121474
allocable or apportionable to this state pursuant to sections 121475
5747.20 to 5747.23 of the Revised Code. The credit provided under 121476
this division shall not exceed the total tax due under section 121477
5747.02 of the Revised Code. 121478

(2) The tax commissioner may enter into an agreement with the 121479
taxing authorities of any state or of the District of Columbia 121480
that imposes an income tax to provide that compensation paid in 121481
this state to a nonresident taxpayer shall not be subject to the 121482
tax levied in section 5747.02 of the Revised Code so long as 121483
compensation paid in such other state or in the District of 121484
Columbia to a resident taxpayer shall likewise not be subject to 121485
the income tax of such other state or of the District of Columbia. 121486

(B) The lesser of division (B)(1) or (2) of this section: 121487

(1) The aggregate amount of tax otherwise due under section 121488
5747.02 of the Revised Code on such portion of the combined 121489
adjusted gross income and business income of a resident taxpayer 121490
that in another state or in the District of Columbia is subjected 121491
to an income tax. The credit provided under division (B)(1) of 121492
this section shall not exceed the total tax due under section 121493
5747.02 of the Revised Code. 121494

(2) The amount of income tax liability to another state or 121495
the District of Columbia on the portion of the combined adjusted 121496

gross income and business income of a resident taxpayer that in 121497
another state or in the District of Columbia is subjected to an 121498
income tax. The credit provided under division (B)(2) of this 121499
section shall not exceed the total amount of tax otherwise due 121500
under section 5747.02 of the Revised Code. 121501

(3) For the purpose of divisions (B)(1) and (2) of this 121502
section, a resident taxpayer's combined adjusted gross income and 121503
business income that is subject to an income tax levied in another 121504
state or in the District of Columbia includes income that is 121505
subject to either (a) a tax similar to the tax imposed by division 121506
(D)(1)(a) of section 5747.08 of the Revised Code or (b) a tax 121507
enacted for purposes of complying with internal revenue service 121508
notice 2020-75. In computing a resident taxpayer's income tax paid 121509
or accrued to another state or the District of Columbia, the 121510
deduction authorized by division (A)(28) of section 5747.01 of the 121511
Revised Code shall first be deducted against business income 121512
apportioned to this state. 121513

(4) If the credit provided under division (B) of this section 121514
is affected by a change in either the portion of the combined 121515
adjusted gross income and business income of a resident taxpayer 121516
subjected to an income tax in another state or the District of 121517
Columbia or the amount of income tax liability that has been paid 121518
to another state or the District of Columbia, the taxpayer shall 121519
report the change to the tax commissioner within ninety days of 121520
the change in such form as the commissioner requires. 121521

(a) In the case of an underpayment, the report shall be 121522
accompanied by payment of any additional tax due as a result of 121523
the reduction in credit together with interest on the additional 121524
tax and is a return subject to assessment under section 5747.13 of 121525
the Revised Code solely for the purpose of assessing any 121526
additional tax due under this division, together with any 121527
applicable penalty and interest. It shall not reopen the 121528

computation of the taxpayer's tax liability under this chapter 121529
from a previously filed return no longer subject to assessment 121530
except to the extent that such liability is affected by an 121531
adjustment to the credit allowed by division (B) of this section. 121532

(b) In the case of an overpayment, an application for refund 121533
may be filed under this division within the ninety-day period 121534
prescribed for filing the report even if it is beyond the period 121535
prescribed in section 5747.11 of the Revised Code if it otherwise 121536
conforms to the requirements of such section. An application filed 121537
under this division shall only claim refund of overpayments 121538
resulting from an adjustment to the credit allowed by division (B) 121539
of this section unless it is also filed within the time prescribed 121540
in section 5747.11 of the Revised Code. It shall not reopen the 121541
computation of the taxpayer's tax liability except to the extent 121542
that such liability is affected by an adjustment to the credit 121543
allowed by division (B) of this section. 121544

~~(4)~~(5) No credit shall be allowed under division (B) of this 121545
section: 121546

(a) For income tax paid or accrued to another state or to the 121547
District of Columbia if the taxpayer, when computing federal 121548
adjusted gross income, has directly or indirectly deducted, or was 121549
required to directly or indirectly deduct, the amount of that 121550
income tax; 121551

Division (B)(5)(a) of this section does not apply to income 121552
taxes included in the computation of Ohio adjusted gross income 121553
under division (A)(41) of section 5747.01 of the Revised Code and 121554
not deducted from Ohio adjusted gross income under division 121555
(A)(28) of that section or to income taxes included in Ohio 121556
taxable income under division (S)(16) of section 5747.01 of the 121557
Revised Code. 121558

(b) For compensation that is not subject to the income tax of 121559

another state or the District of Columbia as the result of an 121560
agreement entered into by the tax commissioner under division 121561
(A)(3) of this section; or 121562

(c) For income tax paid or accrued to another state or the 121563
District of Columbia if the taxpayer fails to furnish such proof 121564
as the tax commissioner shall require that such income tax 121565
liability has been paid. 121566

(C) An individual who is a resident for part of a taxable 121567
year and a nonresident for the remainder of the taxable year is 121568
allowed the credits under divisions (A) and (B) of this section in 121569
accordance with rules prescribed by the tax commissioner. In no 121570
event shall the same income be subject to both credits. 121571

(D) The credit allowed under division (A) of this section 121572
shall be calculated based upon the amount of tax due under section 121573
5747.02 of the Revised Code after subtracting any other credits 121574
that precede the credit under that division in the order required 121575
under section 5747.98 of the Revised Code. The credit allowed 121576
under division (B) of this section shall be calculated based upon 121577
the amount of tax due under section 5747.02 of the Revised Code 121578
after subtracting any other credits that precede the credit under 121579
that division in the order required under section 5747.98 of the 121580
Revised Code. 121581

(E)(1) On a joint return filed by a husband and wife, each of 121582
whom had adjusted gross income of at least five hundred dollars, 121583
exclusive of interest, dividends and distributions, royalties, 121584
rent, and capital gains, a credit equal to the lesser of six 121585
hundred fifty dollars or the percentage shown in column B that 121586
corresponds with the taxpayer's modified adjusted gross income, 121587
less exemptions for the taxable year, of the total amount of tax 121588
due after allowing for any other credit that precedes this credit 121589
as required under section 5747.98 of the Revised Code: 121590

More than \$75,000	5%	121596
(2) The credit shall be claimed in the order required under		121597
section 5747.98 of the Revised Code.		121598
(F) No claim for credit under this section shall be allowed		121599
unless the claimant furnishes such supporting information as the		121600
tax commissioner prescribes by rules.		121601
Sec. 5747.06. (A) Except as provided in division (E)(3) of		121602
this section, every employer, including the state and its		121603
political subdivisions, maintaining an office or transacting		121604
business within this state and making payment of any compensation		121605
to an employee who is a taxpayer shall deduct and withhold from		121606
such compensation for each payroll period a tax computed in such		121607
manner as to result, as far as practicable, in withholding from		121608
the employee's compensation during each calendar year an amount		121609
substantially equivalent to the tax reasonably estimated to be due		121610
from the employee under this chapter and Chapter 5748. of the		121611
Revised Code with respect to the amount of such compensation		121612
included in the employee's adjusted gross income during the		121613
calendar year. The employer shall deduct and withhold the tax on		121614
the date that the employer directly, indirectly, or constructively		121615
pays the compensation to, or credits the compensation to the		121616
benefit of, the employee.		121617

~~The method of determining the amount to be withheld shall be 121618
prescribed by rule of the tax commissioner. The rule shall require 121619
that taxes are withheld on a taxpayer's compensation at rates 121620
sufficient to ensure payment of the appropriate amount of tax 121621
reasonably estimated to be due. 121622~~

In addition to any other exclusions from withholding 121623
permitted under this section, no tax shall be withheld by an 121624
employer from the compensation of an employee when such 121625
compensation is paid for: 121626

(1) Agricultural labor as defined in division G of section 121627
3121 of Title 26 of the United States Code; 121628

(2) Domestic service in a private home, local college club, 121629
or local chapter of a college fraternity or sorority; 121630

(3) Service performed in any calendar quarter by an employee 121631
unless the cash remuneration paid for such service is three 121632
hundred dollars or more and such service is performed by an 121633
individual who is regularly employed by such employer to perform 121634
such service; 121635

(4) Services performed for a foreign government or an 121636
international organization; 121637

(5) Services performed by an individual under the age of 121638
eighteen in the delivery or distribution of newspapers or shopping 121639
news, not including delivery or distribution to any point for 121640
subsequent delivery or distribution, or when performed by such 121641
individual under the age of eighteen under an arrangement where 121642
newspapers or magazines are to be sold by the individual at a 121643
fixed price, the individual's compensation being based on the 121644
retention of the excess of such price over the amount at which the 121645
newspapers or magazines are charged to the individual; 121646

(6) Services not in the course of the employer's trade or 121647
business to the extent paid in any medium other than cash. 121648

(B) Every employer required to deduct and withhold tax from 121649
the compensation of an employee under this chapter shall furnish 121650
to each employee, with respect to the compensation paid by such 121651
employer to such employee during the calendar year, on or before 121652
the thirty-first day of January of the succeeding year, or, if the 121653
employee's employment is terminated before the close of such 121654
calendar year, within thirty days from the date on which the last 121655
payment of compensation was made, a written statement as 121656
prescribed by the tax commissioner showing the amount of 121657
compensation paid by the employer to the employee, the amount 121658
deducted and withheld as state income tax, any amount deducted and 121659
withheld as school district income tax for each applicable school 121660
district, and any other information as the commissioner 121661
prescribes. 121662

(C) The failure of an employer to withhold tax as required by 121663
this section does not relieve an employee from the liability for 121664
the tax. The failure of an employer to remit the tax as required 121665
by law does not relieve an employee from liability for the tax if 121666
the tax commissioner ascertains that the employee colluded with 121667
the employer with respect to the failure to remit the tax. 121668

(D) If an employer fails to deduct and withhold any tax as 121669
required, and thereafter the tax is paid, the tax so required to 121670
be deducted and withheld shall not be collected from the employer, 121671
but the employer is not relieved from liability for penalties and 121672
interest otherwise applicable in respect to the failure to deduct 121673
and withhold the tax. 121674

(E) To ensure that taxes imposed pursuant to Chapter 5748. of 121675
the Revised Code are deducted and withheld as provided in this 121676
section: 121677

(1) An employer shall request that each employee furnish the 121678
name of the employee's school district of residence; 121679

(2) Each employee shall furnish the employer with sufficient and correct information to enable the employer to withhold the taxes imposed under Chapter 5748. of the Revised Code. The employee shall provide additional or corrected information whenever information previously provided to the employer becomes insufficient or incorrect.

(3) If the employer complies with the requirements of division (E)(1) of this section and if the employee fails to comply with the requirements of division (E)(2) of this section, the employer is not required to withhold and pay the taxes imposed under Chapter 5748. of the Revised Code and is not subject to any penalties and interest otherwise applicable for failing to deduct and withhold such taxes.

(F)(1) The method of determining the amount to be withheld under this section shall be prescribed by rule of the tax commissioner. Subject to division (F)(2) of this section, the rule shall require that taxes are withheld on a taxpayer's compensation at rates sufficient to ensure payment of the appropriate amount of tax reasonably estimated to be due.

(2) If the director of budget and management certifies an amount to the tax commissioner under section 131.43 of the Revised Code in any year, beginning in fiscal year 2025, the commissioner shall reduce the rates of withholding determined pursuant to division (F)(1) of this section. The commissioner shall estimate the amount that would be withheld during the period beginning on the first day of September of that year and ending on the thirty-first day of August of the following year, before any adjustment under this section, and shall reduce the withholding rates so that the difference between that amount and the estimated amount that would be withheld during that period after the adjustment equals the amount certified.

The adjusted withholding rates apply to amounts withheld on

or after the first day of September of the year in which the 121712
certification was made. 121713

Nothing in division (F)(2) of this section shall be construed 121714
to require the commissioner to reduce the withholding rates to an 121715
amount that would result in payment of less than the amount of tax 121716
reasonably estimated to be due. Division (F)(2) of this section 121717
does not apply to the rates of withholding for taxes imposed 121718
pursuant to Chapter 5748. of the Revised Code. 121719

Sec. 5747.07. (A) As used in this section: 121720

(1) "Partial weekly withholding period" means a period during 121721
which an employer directly, indirectly, or constructively pays 121722
compensation to, or credits compensation to the benefit of, an 121723
employee, and that consists of a consecutive Saturday, Sunday, 121724
Monday, and Tuesday or a consecutive Wednesday, Thursday, and 121725
Friday. There are two partial weekly withholding periods each 121726
week, except that a partial weekly withholding period cannot 121727
extend from one calendar year into the next calendar year; if the 121728
first day of January falls on a day other than Saturday or 121729
Wednesday, the partial weekly withholding period ends on the 121730
thirty-first day of December and there are three partial weekly 121731
withholding periods during that week. 121732

(2) "Undeposited taxes" means the taxes an employer is 121733
required to deduct and withhold from an employee's compensation 121734
pursuant to section 5747.06 of the Revised Code that have not been 121735
remitted to the tax commissioner pursuant to this section or to 121736
the treasurer of state pursuant to section 5747.072 of the Revised 121737
Code. 121738

(3) A "week" begins on Saturday and concludes at the end of 121739
the following Friday. 121740

(4) "Professional employer organization," "professional 121741

employer organization agreement," and "professional employer organization reporting entity" have the same meanings as in section 4125.01 of the Revised Code.

(5) "Alternate employer organization" and "alternate employer organization agreement" have the same meanings as in section 4133.01 of the Revised Code.

(6) "Client employer" has the same meaning as in section 4125.01 of the Revised Code in the context of a professional employer organization or a professional employer organization reporting entity, or the same meaning as in section 4133.01 of the Revised Code in the context of an alternate employer organization.

(B) Except as provided in divisions (C) and (D) of this section and in division (A) of section 5747.072 of the Revised Code, every employer required to deduct and withhold any amount under section 5747.06 of the Revised Code shall file a return and shall pay the amount required by law as follows:

(1) An employer who accumulates or is required to accumulate undeposited taxes of one hundred thousand dollars or more during a partial weekly withholding period shall make the payment of the undeposited taxes by the close of the first banking day after the day on which the accumulation reaches one hundred thousand dollars. If required under division (I) of this section, the payment shall be made by electronic funds transfer under section 5747.072 of the Revised Code.

(2) Except as required by division (B)(1) of this section, an employer whose actual or required payments under this section were at least eighty-four thousand dollars during the twelve-month period ending on the thirtieth day of June of the preceding calendar year shall make the payment of undeposited taxes within three banking days after the close of a partial weekly withholding period during which the employer was required to deduct and

withhold any amount under this chapter. If required under division 121773
(I) of this section, the payment shall be made by electronic funds 121774
transfer under section 5747.072 of the Revised Code. 121775

(3) Except as required by divisions (B)(1) and (2) of this 121776
section, if an employer's actual or required payments were more 121777
than two thousand dollars during the twelve-month period ending on 121778
the thirtieth day of June of the preceding calendar year, the 121779
employer shall make the payment of undeposited taxes for each 121780
month during which they were required to be withheld no later than 121781
fifteen days following the last day of that month. The employer 121782
shall file the return prescribed by the tax commissioner with the 121783
payment. 121784

(4) Except as required by divisions (B)(1), (2), and (3) of 121785
this section, an employer shall make the payment of undeposited 121786
taxes for each calendar quarter during which they were required to 121787
be withheld no later than the last day of the month following the 121788
last day of March, June, September, and December each year. The 121789
employer shall file the return prescribed by the tax commissioner 121790
with the payment. 121791

(C) The return and payment schedules prescribed by divisions 121792
(B)(1) and (2) of this section do not apply to the return and 121793
payment of undeposited school district income taxes arising from 121794
taxes levied pursuant to Chapter 5748. of the Revised Code. 121795
Undeposited school district income taxes shall be returned and 121796
paid pursuant to divisions (B)(3) and (4) of this section, as 121797
applicable. 121798

(D)(1) The requirements of division (B) of this section are 121799
met if the amount paid is not less than ninety-five per cent of 121800
the actual tax withheld or required to be withheld for the prior 121801
quarterly, monthly, or partial weekly withholding period, and the 121802
underpayment is not due to willful neglect. Any underpayment of 121803
withheld tax shall be paid within thirty days of the date on which 121804

the withheld tax was due without regard to division (D)(1) of this 121805
section. An employer described in division (B)(1) or (2) of this 121806
section shall make the payment by electronic funds transfer under 121807
section 5747.072 of the Revised Code. 121808

(2) If the tax commissioner believes that quarterly or 121809
monthly payments would result in a delay that might jeopardize the 121810
remittance of withholding payments, the commissioner may order 121811
that the payments be made weekly, or more frequently if necessary, 121812
and the payments shall be made no later than three banking days 121813
following the close of the period for which the jeopardy order is 121814
made. An order requiring weekly or more frequent payments shall be 121815
delivered to the employer ~~personally or by certified mail~~ in the 121816
manner provided in section 5703.37 of the Revised Code and remains 121817
in effect until the commissioner notifies the employer to the 121818
contrary. 121819

(3) If compelling circumstances exist concerning the 121820
remittance of undeposited taxes, the commissioner may order the 121821
employer to make payments under any of the payment schedules under 121822
division (B) of this section. The order shall be delivered to the 121823
employer ~~personally or by certified mail~~ in the manner provided in 121824
section 5703.37 of the Revised Code and shall remain in effect 121825
until the commissioner notifies the employer to the contrary. For 121826
purposes of division (D)(3) of this section, "compelling 121827
circumstances" exist if either or both of the following are true: 121828

(a) Based upon annualization of payments made or required to 121829
be made during the preceding calendar year and during the current 121830
calendar year, the employer would be required for the next 121831
calendar year to make payments under division (B)(2) of this 121832
section. 121833

(b) Based upon annualization of payments made or required to 121834
be made during the current calendar year, the employer would be 121835
required for the next calendar year to make payments under 121836

division (B)(2) of this section. 121837

~~(E)(1) An employer described in division (B)(1) or (2) of 121838
this section shall file, not later than the last day of the month 121839
following the end of each calendar quarter, a return covering, but 121840
not limited to, both the actual amount deducted and withheld and 121841
the amount required to be deducted and withheld for the tax 121842
imposed under section 5747.02 of the Revised Code during each 121843
partial weekly withholding period or portion of a partial weekly 121844
withholding period during that quarter. The employer shall file 121845
the quarterly return even if the aggregate amount required to be 121846
deducted and withheld for the quarter is zero dollars. At the time 121847
of filing the return, the employer shall pay any amounts of 121848
undeposited taxes for the quarter, whether actually deducted and 121849
withheld or required to be deducted and withheld, that have not 121850
been previously paid. If required under division (I) of this 121851
section, the payment shall be made by electronic funds transfer. 121852
The tax commissioner shall prescribe the form and other 121853
requirements of the quarterly return. 121854~~

~~(2) In addition to other returns required to be filed and 121855
payments required to be made under this section, every employer 121856
required to deduct and withhold taxes shall file, not later than 121857
the thirty-first day of January of each year, an annual return 121858
covering, but not limited to, both the aggregate amount deducted 121859
and withheld and the aggregate amount required to be deducted and 121860
withheld during the entire preceding year for the tax imposed 121861
under section 5747.02 of the Revised Code and for each tax imposed 121862
under Chapter 5748. of the Revised Code. At the time of filing 121863
that return, the employer shall pay over any amounts of 121864
undeposited taxes for the preceding year, whether actually 121865
deducted and withheld or required to be deducted and withheld, 121866
that have not been previously paid. The employer shall make the 121867
annual report, to each employee and to the tax commissioner, of 121868~~

the compensation paid and each tax withheld, as the commissioner 121869
by rule may prescribe. 121870

(2) Each employer required to deduct and withhold any tax is 121871
liable for the payment of that amount required to be deducted and 121872
withheld, whether or not the tax has in fact been withheld, unless 121873
the failure to withhold was based upon the employer's good faith 121874
in reliance upon the statement of the employee as to liability, 121875
and the amount shall be deemed to be a special fund in trust for 121876
the general revenue fund. 121877

(F) Each employer shall file with the employer's annual 121878
return the following items of information on employees for whom 121879
withholding is required under section 5747.06 of the Revised Code: 121880

(1) The full name of each employee, the employee's address, 121881
the employee's school district of residence, and in the case of a 121882
nonresident employee, the employee's principal county of 121883
employment; 121884

(2) The social security number of each employee; 121885

(3) The total amount of compensation paid before any 121886
deductions to each employee for the period for which the annual 121887
return is made; 121888

(4) The amount of the tax imposed by section 5747.02 of the 121889
Revised Code and the amount of each tax imposed under Chapter 121890
5748. of the Revised Code withheld from the compensation of the 121891
employee for the period for which the annual return is made. The 121892
commissioner may extend upon good cause the period for filing any 121893
notice or return required to be filed under this section and may 121894
adopt rules relating to extensions of time. If the extension 121895
results in an extension of time for the payment of the amounts 121896
withheld with respect to which the return is filed, the employer 121897
shall pay, at the time the amount withheld is paid, an amount of 121898
interest computed at the rate per annum prescribed by section 121899

5703.47 of the Revised Code on that amount withheld, from the day 121900
that amount was originally required to be paid to the day of 121901
actual payment or to the day an assessment is issued under section 121902
5747.13 of the Revised Code, whichever occurs first. 121903

(5) In addition to all other interest charges and penalties 121904
imposed, all amounts of taxes withheld or required to be withheld 121905
and remaining unpaid after the day the amounts are required to be 121906
paid shall bear interest from the date prescribed for payment at 121907
the rate per annum prescribed by section 5703.47 of the Revised 121908
Code on the amount unpaid, in addition to the amount withheld, 121909
until paid or until the day an assessment is issued under section 121910
5747.13 of the Revised Code, whichever occurs first. 121911

(G) An employee of a corporation, limited liability company, 121912
or business trust having control or supervision of or charged with 121913
the responsibility of filing the report and making payment, or an 121914
officer, member, manager, or trustee of a corporation, limited 121915
liability company, or business trust who is responsible for the 121916
execution of the corporation's, limited liability company's, or 121917
business trust's fiscal responsibilities, shall be personally 121918
liable for failure to file the report or pay the tax due as 121919
required by this section. The dissolution, termination, or 121920
bankruptcy of a corporation, limited liability company, or 121921
business trust does not discharge a responsible officer's, 121922
member's, manager's, employee's, or trustee's liability for a 121923
failure of the corporation, limited liability company, or business 121924
trust to file returns or pay tax due. 121925

(H) If an employer required to deduct and withhold income tax 121926
from compensation and to pay that tax to the state under sections 121927
5747.06 and 5747.07 of the Revised Code sells the employer's 121928
business or stock of merchandise or quits the employer's business, 121929
the taxes required to be deducted and withheld and paid to the 121930
state pursuant to those sections prior to that time, together with 121931

any interest and penalties imposed on those taxes, become due and payable immediately, and that person shall make a final return within fifteen days after the date of selling or quitting business. The employer's successor shall withhold a sufficient amount of the purchase money to cover the amount of the taxes, interest, and penalties due and unpaid, until the former owner produces a receipt from the tax commissioner showing that the taxes, interest, and penalties have been paid or a certificate indicating that no such taxes are due. If the purchaser of the business or stock of merchandise fails to withhold purchase money, the purchaser shall be personally liable for the payment of the taxes, interest, and penalties accrued and unpaid during the operation of the business by the former owner. If the amount of taxes, interest, and penalties outstanding at the time of the purchase exceeds the total purchase money, the tax commissioner in the commissioner's discretion may adjust the liability of the seller or the responsibility of the purchaser to pay that liability to maximize the collection of withholding tax revenue.

(I) An employer whose actual or required payments under this section exceeded eighty-four thousand dollars during the twelve-month period ending on the thirtieth day of June of the preceding calendar year shall make all payments required by this section for the year by electronic funds transfer under section 5747.072 of the Revised Code.

(J)(1) Every professional employer organization, professional employer organization reporting entity, and alternate employer organization shall file a report with the tax commissioner within thirty days after commencing business in this state that includes all of the following information:

(a) The name, address, number the employer receives from the secretary of state to do business in this state, if applicable, and federal employer identification number of each client employer

of the organization or entity; 121964

(b) The date that each client employer became a client of the 121965
organization or entity; 121966

(c) The names and mailing addresses of the chief executive 121967
officer and the chief financial officer of each client employer 121968
for taxation of the client employer. 121969

(2) Beginning with the calendar quarter ending after a 121970
professional employer organization, professional employer 121971
organization reporting entity, or alternate employer organization 121972
files the report required under division (J)(1) of this section, 121973
and every calendar quarter thereafter, the organization or entity 121974
shall file an updated report with the tax commissioner. The 121975
organization or entity shall file the updated report not later 121976
than the last day of the month following the end of the calendar 121977
quarter and shall include all of the following information in the 121978
report: 121979

(a) If an entity became a client employer of the professional 121980
employer organization, professional employer organization 121981
reporting entity, or alternate employer organization at any time 121982
during the calendar quarter, all of the information required under 121983
division (J)(1) of this section for each new client employer; 121984

(b) If an entity terminated the professional employer 121985
organization agreement or the alternate employer organization 121986
agreement between the entity and the professional employer 121987
organization, professional employer organization reporting entity, 121988
or alternate employer organization, as applicable, at any time 121989
during the calendar quarter, the information described in division 121990
(J)(1)(a) of this section for that entity, the date during the 121991
calendar quarter that the entity ceased being a client of the 121992
organization or reporting entity, if applicable, or the date the 121993
entity ceased business operations in this state, if applicable; 121994

(c) If the name or mailing address of the chief executive officer or the chief financial officer of a client employer has changed since the professional employer organization, professional employer organization reporting entity, or alternate employer organization previously submitted a report under division (J)(1) or (2) of this section, the updated name or mailing address, or both, of the chief executive officer or the chief financial officer, as applicable;

(d) If none of the events described in divisions (J)(2)(a) to (c) of this section occurred during the calendar quarter, a statement of that fact.

Sec. 5747.072. (A) Any employer required by section 5747.07 of the Revised Code to remit undeposited taxes by electronic funds transfer shall do so in the manner prescribed by rules adopted by the treasurer of state under section 113.061 of the Revised Code and on or before the dates specified under that division. The tax commissioner shall notify each such employer of the employer's obligation to remit undeposited taxes by electronic funds transfer, shall maintain an updated list of those employers, and shall provide the list and any additions thereto or deletions therefrom to the treasurer of state. Failure by the tax commissioner to notify an employer subject to this section to remit taxes by electronic funds transfer does not relieve the employer of its obligation to remit taxes by electronic funds transfer.

Except as otherwise provided in this paragraph, the payment of taxes by electronic funds transfer does not affect an employer's obligation to file the ~~quarterly return as required under division (E)(1) of section 5747.07 of the Revised Code or the annual return as required under divisions (E)(2)(E) and (F) of that section 5747.07 of the Revised Code.~~ If the employer remits

estimated tax payments in a manner, designated by the treasurer of 122026
state, that permits the inclusion of all information necessary for 122027
the treasurer of state to process the tax payment, the employer 122028
need not file the return required under division (B) of section 122029
5747.07 of the Revised Code. The treasurer of state, in 122030
consultation with the tax commissioner, may adopt rules governing 122031
the format for filing the returns under section 5747.07 of the 122032
Revised Code by employers who remit undeposited taxes by 122033
electronic funds transfer. The rules may permit the filing of 122034
returns at less frequent intervals than required by that division 122035
if the treasurer of state and the tax commissioner determine that 122036
remittance by electronic funds transfer warrants less frequent 122037
filing of returns. 122038

An employer required by this section to remit taxes by 122039
electronic funds transfer may apply to the treasurer of state to 122040
be excused from that requirement. The treasurer of state may 122041
excuse the employer from remittance by electronic funds transfer 122042
for good cause shown for the period of time requested by the 122043
employer or a portion of that period. The treasurer shall notify 122044
the tax commissioner and the employer of the treasurer's decision 122045
as soon as is practicable. 122046

(B) If an employer required by this section to remit 122047
undeposited taxes by electronic funds transfer remits those taxes 122048
by some means other than electronic funds transfer as prescribed 122049
by the rules adopted by the treasurer of state, and the treasurer 122050
determines that such failure was not due to reasonable cause or 122051
was due to willful neglect, the treasurer shall notify the tax 122052
commissioner of the failure to remit by electronic funds transfer 122053
and shall provide the commissioner with any information used in 122054
making that determination. The tax commissioner may collect an 122055
additional charge by assessment in the manner prescribed by 122056
section 5747.13 of the Revised Code. The additional charge shall 122057

equal five per cent of the amount of the undeposited taxes, but 122058
shall not exceed five thousand dollars. Any additional charge 122059
assessed under this section is in addition to any other penalty or 122060
charge imposed by this chapter, and shall be considered as revenue 122061
arising from the taxes imposed by this chapter. The tax 122062
commissioner may remit all or a portion of such a charge and may 122063
adopt rules governing such remission. 122064

No additional charge shall be assessed under this division 122065
against an employer that has been notified of its obligation to 122066
remit taxes under this section and that remits its first two tax 122067
payments after such notification by some means other than 122068
electronic funds transfer. The additional charge may be assessed 122069
upon the remittance of any subsequent tax payment that the 122070
employer remits by some means other than electronic funds 122071
transfer. 122072

Sec. 5747.11. (A) The tax commissioner shall refund to 122073
employers, qualifying entities, electing pass-through entities, or 122074
taxpayers subject to a tax imposed under section 5733.41, 5747.02, 122075
5747.38, or 5747.41, or Chapter 5748. of the Revised Code amounts 122076
that were overpaid, paid illegally or erroneously, or paid on an 122077
illegal or erroneous assessment. 122078

(B)(1) Except as otherwise provided under divisions (D) and 122079
(E) of this section, applications for refund shall be filed with 122080
the tax commissioner, on the form prescribed by the commissioner, 122081
within four years from the date of the illegal, erroneous, or 122082
excessive payment, or within any additional period allowed by 122083
division ~~(B)(3)(b)~~(B)(4)(b) of section 5747.05, division (E) of 122084
section 5747.10, division (A) of section 5747.13, or division (C) 122085
of section 5747.45 of the Revised Code. 122086

On filing of the refund application, the commissioner shall 122087
determine the amount of refund due and, if that amount exceeds one 122088

dollar, certify such amount to the director of budget and 122089
management and treasurer of state for payment from the tax refund 122090
fund created by section 5703.052 of the Revised Code. Payment 122091
shall be made as provided in division (C) of section 126.35 of the 122092
Revised Code. 122093

(2) If an individual taxpayer is deceased, a refund may be 122094
issued in the name of the decedent and of the executor, 122095
administrator, or other person charged with the decedent's 122096
property, upon the request of that person. Such a request shall 122097
include any documentation, including a copy of the taxpayer's 122098
death certificate and any fiduciary or court documents, that the 122099
tax commissioner considers necessary to prove that the person 122100
making the request is qualified to receive the refund. If the 122101
request is for a refund that was previously issued in only the 122102
decedent's name, the person making the request must also provide 122103
the previously issued payment to the commissioner. 122104

(C)(1) Interest shall be allowed and paid at the rate per 122105
annum prescribed by section 5703.47 of the Revised Code on amounts 122106
refunded with respect to the tax imposed under section 5747.02 or 122107
Chapter 5748. of the Revised Code from the date of the overpayment 122108
until the date of the refund of the overpayment, except that if 122109
any overpayment is refunded within ninety days after the final 122110
filing date of the annual return or ninety days after the return 122111
is filed, whichever is later, no interest shall be allowed on such 122112
overpayment. If the overpayment results from the carryback of a 122113
net operating loss or net capital loss to a previous taxable year, 122114
the overpayment is deemed not to have been made prior to the 122115
filing date, including any extension thereof, for the taxable year 122116
in which the net operating loss or net capital loss arises. For 122117
purposes of the payment of interest on overpayments, no amount of 122118
tax, for any taxable year, shall be treated as having been paid 122119
before the date on which the tax return for that year was due 122120

without regard to any extension of time for filing such return. 122121

(2) Interest shall be allowed at the rate per annum 122122
prescribed by section 5703.47 of the Revised Code on amounts 122123
refunded with respect to the taxes imposed under sections 5733.41 122124
and 5747.41 or under section 5747.38 of the Revised Code. The 122125
interest shall run from whichever of the following days is the 122126
latest until the day the refund is paid: the day the illegal, 122127
erroneous, or excessive payment was made; the ninetieth day after 122128
the final day the annual report was required to be filed under 122129
section 5747.42 of the Revised Code; or the ninetieth day after 122130
the day that report was filed. 122131

(D) "Ninety days" shall be substituted for "four years" in 122132
division (B) of this section if the taxpayer satisfies both of the 122133
following conditions: 122134

(1) The taxpayer has applied for a refund based in whole or 122135
in part upon section 5747.059 of the Revised Code; 122136

(2) The taxpayer asserts that either the imposition or 122137
collection of the tax imposed or charged by this chapter or any 122138
portion of such tax violates the Constitution of the United States 122139
or the Constitution of Ohio. 122140

(E)(1) Division (E)(2) of this section applies only if all of 122141
the following conditions are satisfied: 122142

(a) A qualifying entity pays an amount of the tax imposed by 122143
section 5733.41 or 5747.41 of the Revised Code; 122144

(b) The taxpayer is a qualifying investor as to that 122145
qualifying entity; 122146

(c) The taxpayer did not claim the credit provided for in 122147
section 5747.059 of the Revised Code as to the tax described in 122148
division (E)(1)(a) of this section; 122149

(d) The four-year period described in division (B) of this 122150

section has ended as to the taxable year for which the taxpayer 122151
otherwise would have claimed that credit. 122152

(2) A taxpayer shall file an application for refund pursuant 122153
to division (E) of this section within one year after the date the 122154
payment described in division (E)(1)(a) of this section is made. 122155
An application filed under division (E)(2) of this section shall 122156
claim refund only of overpayments resulting from the taxpayer's 122157
failure to claim the credit described in division (E)(1)(c) of 122158
this section. Nothing in division (E) of this section shall be 122159
construed to relieve a taxpayer from complying with division 122160
(A)(15) of section 5747.01 of the Revised Code. 122161

Sec. 5747.13. (A) If any employer collects the tax imposed by 122162
section 5747.02 or under Chapter 5748. of the Revised Code and 122163
fails to remit the tax as required by law, or fails to collect the 122164
tax, the employer is personally liable for any amount collected 122165
that the employer fails to remit, or any amount that the employer 122166
fails to collect. If any taxpayer fails to file a return or fails 122167
to pay the tax imposed by section 5747.02 or under Chapter 5748. 122168
of the Revised Code, the taxpayer is personally liable for the 122169
amount of the tax. 122170

If any employer, taxpayer, qualifying entity, or electing 122171
pass-through entity required to file a return under this chapter 122172
fails to file the return within the time prescribed, files an 122173
incorrect return, fails to remit the full amount of the taxes due 122174
for the period covered by the return, or fails to remit any 122175
additional tax due as a result of a reduction in the amount of the 122176
credit allowed under division (B) of section 5747.05 of the 122177
Revised Code together with interest on the additional tax within 122178
the time prescribed by that division, the tax commissioner may 122179
make an assessment against any person liable for any deficiency 122180
for the period for which the return is or taxes are due, based 122181

upon any information in the commissioner's possession. 122182

An assessment issued against either the employer or the 122183
taxpayer pursuant to this section shall not be considered an 122184
election of remedies or a bar to an assessment against the other 122185
for failure to report or pay the same tax. No assessment shall be 122186
issued against any person if the tax actually has been paid by 122187
another. 122188

No assessment shall be made or issued against an employer, a 122189
taxpayer, a qualifying entity, or an electing pass-through entity 122190
more than four years after the final date the return subject to 122191
assessment was required to be filed or the date the return was 122192
filed, whichever is later. However, the commissioner may assess 122193
any balance due as the result of a reduction in the credit allowed 122194
under division (B) of section 5747.05 of the Revised Code, 122195
including applicable penalty and interest, within four years of 122196
the date on which the taxpayer reports a change in either the 122197
portion of the taxpayer's adjusted gross income subjected to an 122198
income tax or tax measured by income in another state or the 122199
District of Columbia, or the amount of liability for an income tax 122200
or tax measured by income to another state or the District of 122201
Columbia, as required by division ~~(B)(3)~~(B)(4) of section 5747.05 122202
of the Revised Code. Such time limits may be extended if both the 122203
employer, taxpayer, qualifying entity, or electing pass-through 122204
entity and the commissioner consent in writing to the extension or 122205
if an agreement waiving or extending the time limits has been 122206
entered into pursuant to section 122.171 of the Revised Code. Any 122207
such extension shall extend the four-year time limit in division 122208
(B) of section 5747.11 of the Revised Code for the same period of 122209
time. There shall be no bar or limit to an assessment against an 122210
employer for taxes withheld from employees and not remitted to the 122211
state, against an employer, a taxpayer, a qualifying entity, or an 122212
electing pass-through entity that fails to file a return subject 122213

to assessment as required by this chapter, or against an employer, 122214
a taxpayer, a qualifying entity, or an electing pass-through 122215
entity that files a fraudulent return. 122216

The commissioner shall give the party assessed written notice 122217
of the assessment in the manner provided in section 5703.37 of the 122218
Revised Code. With the notice, the commissioner shall provide 122219
instructions on how to petition for reassessment and request a 122220
hearing on the petition. 122221

(B) Unless the party assessed files with the tax commissioner 122222
within sixty days after service of the notice of assessment, 122223
either personally or by certified mail, a written petition for 122224
reassessment, signed by the party assessed or that party's 122225
authorized agent having knowledge of the facts, the assessment 122226
becomes final, and the amount of the assessment is due and payable 122227
from the party assessed to the commissioner with remittance made 122228
payable to the treasurer of state. The petition shall indicate the 122229
objections of the party assessed, but additional objections may be 122230
raised in writing if received by the commissioner prior to the 122231
date shown on the final determination. If the petition has been 122232
properly filed, the commissioner shall proceed under section 122233
5703.60 of the Revised Code. 122234

(C) After an assessment becomes final, if any portion of the 122235
assessment remains unpaid, including accrued interest, a certified 122236
copy of the tax commissioner's entry making the assessment final 122237
may be filed in the office of the clerk of the court of common 122238
pleas in the county in which the employer's, taxpayer's, 122239
qualifying entity's, or electing pass-through entity's place of 122240
business is located or the county in which the party assessed 122241
resides. If the party assessed is not a resident of this state, 122242
the certified copy of the entry may be filed in the office of the 122243
clerk of the court of common pleas of Franklin county. 122244

Immediately upon the filing of the entry, the clerk shall 122245

enter a judgment against the party assessed in the amount shown on 122246
the entry. The judgment shall be filed by the clerk in one of two 122247
loose-leaf books, one entitled "special judgments for state and 122248
school district income taxes," and the other entitled "special 122249
judgments for qualifying entity and electing pass-through entity 122250
taxes." The judgment shall have the same effect as other 122251
judgments. Execution shall issue upon the judgment upon the 122252
request of the tax commissioner, and all laws applicable to sales 122253
on execution shall apply to sales made under the judgment. 122254

If the assessment is not paid in its entirety within sixty 122255
days after the assessment was issued, the portion of the 122256
assessment consisting of tax due shall bear interest at the rate 122257
per annum prescribed by section 5703.47 of the Revised Code from 122258
the day the tax commissioner issues the assessment until it is 122259
paid or until it is certified to the attorney general for 122260
collection under section 131.02 of the Revised Code, whichever 122261
comes first. If the unpaid portion of the assessment is certified 122262
to the attorney general for collection, the entire unpaid portion 122263
of the assessment shall bear interest at the rate per annum 122264
prescribed by section 5703.47 of the Revised Code from the date of 122265
certification until the date it is paid in its entirety. Interest 122266
shall be paid in the same manner as the tax and may be collected 122267
by the issuance of an assessment under this section. 122268

(D) All money collected under this section shall be 122269
considered as revenue arising from the taxes imposed by this 122270
chapter or Chapter 5733. or 5748. of the Revised Code, as 122271
appropriate. 122272

(E) If the party assessed files a petition for reassessment 122273
under division (B) of this section, the person, on or before the 122274
last day the petition may be filed, shall pay the assessed amount, 122275
including assessed interest and assessed penalties, if any of the 122276
following conditions exists: 122277

(1) The person files a tax return reporting Ohio adjusted gross income, less the exemptions allowed by section 5747.025 of the Revised Code, in an amount less than one cent, and the reported amount is not based on the computations required under division (A) of section 5747.01 or section 5747.025 of the Revised Code. 122278
122279
122280
122281
122282
122283

(2) The person files a tax return that the tax commissioner determines to be incomplete, false, fraudulent, or frivolous. 122284
122285

(3) The person fails to file a tax return, and the basis for this failure is not either of the following: 122286
122287

(a) An assertion that the person has no nexus with this state; 122288
122289

(b) The computations required under division (A) of section 5747.01 of the Revised Code or the application of credits allowed under this chapter has the result that the person's tax liability is less than one dollar and one cent. 122290
122291
122292
122293

(F) Notwithstanding the fact that a petition for reassessment is pending, the petitioner may pay all or a portion of the assessment that is the subject of the petition. Sec. 5747.501. (A) On or before the twenty-fifth day of July 122310
of each year, the tax commissioner shall estimate and certify to 122311
each county auditor the amount to be distributed from the local 122312
government fund to each undivided local government fund during the 122313
following calendar year under section 5747.50 of the Revised Code. 122314
The estimate shall equal the sum of the separate amounts computed 122315
under divisions (B)(1) and (2) of this section. 122316

(B)(1) The product obtained by multiplying the percentage 122317
described in division (B)(1)(a) of this section by the amount 122318
described in division (B)(1)(b) of this section. 122319

(a) Each county's proportionate share of the total amount 122320
distributed to the counties from the local government fund and the 122321
local government revenue assistance fund during calendar year 122322
2007. ~~In fiscal year 2014 and thereafter, the~~ The amount 122323
distributed to any county undivided local government fund shall be 122324
an amount not less than ~~seven~~ eight hundred fifty thousand dollars 122325
~~or the amount distributed to such fund in fiscal year 2013,~~ 122326
~~whichever amount is smaller.~~ To the extent necessary to implement 122327
this minimum distribution requirement, the proportionate shares 122328
computed under this division shall be adjusted accordingly. 122329

(b) The total amount distributed to counties from the local 122330
government fund and the local government revenue assistance fund 122331
during calendar year 2007 adjusted downward if, and to the extent 122332
that, total local government fund distributions to counties for 122333
the following year are projected to be less than what was 122334
distributed to counties from the local government fund and local 122335
government revenue assistance fund during calendar year 2007. 122336

(2) The product obtained by multiplying the percentage 122337
described in division (B)(2)(a) of this section by the amount 122338
described in division (B)(2)(b) of this section. 122339

(a) Each county's proportionate share of the state's population as reflected in the most recent federal decennial census or the federal government's most recent census estimates, whichever represents the most recent year.

(b) The amount by which total estimated distributions from the local government fund during the immediately succeeding calendar year, less the total estimated amount to be distributed from the fund to municipal corporations under division (C) of section 5747.50 of the Revised Code during the immediately succeeding calendar year, exceed the total amount distributed to counties from the local government fund and local government revenue assistance fund during calendar year 2007.

Sec. 5747.53. (A) As used in this section:

(1) "City, located wholly or partially in the county, with the greatest population" means the city, located wholly or partially in the county, with the greatest population residing in the county; however, if the county budget commission on or before January 1, 1998, adopted an alternative method of apportionment that was approved by the legislative authority of the city, located partially in the county, with the greatest population but not the greatest population residing in the county, "city, located wholly or partially in the county, with the greatest population" means the city, located wholly or partially in the county, with the greatest population whether residing in the county or not, if this alternative meaning is adopted by action of the board of county commissioners and a majority of the boards of township trustees and legislative authorities of municipal corporations located wholly or partially in the county.

(2) "Participating political subdivision" means a municipal corporation or township that satisfies all of the following:

(a) It is located wholly or partially in the county.

(b) It is not the city, located wholly or partially in the county, with the greatest population.

(c) Undivided local government fund moneys are apportioned to it under the county's alternative method or formula of apportionment in the current calendar year.

(B) In lieu of the method of apportionment of the undivided local government fund of the county provided by section 5747.51 of the Revised Code, the county budget commission may provide for the apportionment of the fund under an alternative method or on a formula basis as authorized by this section. The commissioner shall reduce or increase the amount of funds from the undivided local government fund to a subdivision required to receive reduced or increased funds under section 5747.502 of the Revised Code.

Except as otherwise provided in division (C) of this section, the alternative method of apportionment shall have first been approved by all of the following governmental units: the board of county commissioners; the legislative authority of the city, located wholly or partially in the county, with the greatest population; and a majority of the boards of township trustees and legislative authorities of municipal corporations, located wholly or partially in the county, excluding the legislative authority of the city, located wholly or partially in the county, with the greatest population. In granting or denying approval for an alternative method of apportionment, the board of county commissioners, boards of township trustees, and legislative authorities of municipal corporations shall act by motion. A motion to approve shall be passed upon a majority vote of the members of a board of county commissioners, board of township trustees, or legislative authority of a municipal corporation, shall take effect immediately, and need not be published.

Any alternative method of apportionment adopted and approved under this division shall be reviewed by the county budget

commission at a public hearing held at least once in the year 122403
following the effective date of this amendment and in every fifth 122404
year thereafter. The county budget commission shall provide 122405
reasonable advance notice of the hearing to all political 122406
subdivisions eligible to participate in the fund and shall take 122407
public testimony from any such political subdivision that wishes 122408
to testify. 122409

Any alternative method of apportionment adopted and approved 122410
under this division may be revised, amended, or repealed in the 122411
same manner as it may be adopted and approved. If an alternative 122412
method of apportionment adopted and approved under this division 122413
is repealed, the undivided local government fund of the county 122414
shall be apportioned among the subdivisions eligible to 122415
participate in the fund, commencing in the ensuing calendar year, 122416
under the apportionment provided in section 5747.52 of the Revised 122417
Code, unless the repeal occurs by operation of division (C) of 122418
this section or a new method for apportionment of the fund is 122419
provided in the action of repeal. 122420

(C) This division applies only in counties in which the city, 122421
located wholly or partially in the county, with the greatest 122422
population has a population of twenty thousand or less and a 122423
population that is less than fifteen per cent of the total 122424
population of the county. In such a county, the legislative 122425
authorities or boards of township trustees of two or more 122426
participating political subdivisions, which together have a 122427
population residing in the county that is a majority of the total 122428
population of the county, each may adopt a resolution to exclude 122429
the approval otherwise required of the legislative authority of 122430
the city, located wholly or partially in the county, with the 122431
greatest population. All of the resolutions to exclude that 122432
approval shall be adopted not later than the first Monday of 122433
August of the year preceding the calendar year in which 122434

distributions are to be made under an alternative method of 122435
apportionment. 122436

A motion granting or denying approval of an alternative 122437
method of apportionment under this division shall be adopted by a 122438
majority vote of the members of the board of county commissioners 122439
and by a majority vote of a majority of the boards of township 122440
trustees and legislative authorities of the municipal corporations 122441
located wholly or partially in the county, other than the city, 122442
located wholly or partially in the county, with the greatest 122443
population, shall take effect immediately, and need not be 122444
published. The alternative method of apportionment under this 122445
division shall be adopted and approved annually, not later than 122446
the first Monday of August of the year preceding the calendar year 122447
in which distributions are to be made under it. A motion granting 122448
approval of an alternative method of apportionment under this 122449
division repeals any existing alternative method of apportionment, 122450
effective with distributions to be made from the fund in the 122451
ensuing calendar year. An alternative method of apportionment 122452
under this division shall not be revised or amended after the 122453
first Monday of August of the year preceding the calendar year in 122454
which distributions are to be made under it. 122455

(D) In determining an alternative method of apportionment 122456
authorized by this section, the county budget commission may 122457
include in the method any factor considered to be appropriate and 122458
reliable, in the sole discretion of the county budget commission. 122459

(E) The limitations set forth in section 5747.51 of the 122460
Revised Code, stating the maximum amount that the county may 122461
receive from the undivided local government fund and the minimum 122462
amount the townships in counties having a population of less than 122463
one hundred thousand may receive from the fund, are applicable to 122464
any alternative method of apportionment authorized under this 122465
section. 122466

(F) On the basis of any alternative method of apportionment 122467
adopted and approved as authorized by this section, as certified 122468
by the auditor to the county treasurer, the county treasurer shall 122469
make distribution of the money in the undivided local government 122470
fund to each subdivision eligible to participate in the fund, and 122471
the auditor, when the amount of those shares is in the custody of 122472
the treasurer in the amounts so computed to be due the respective 122473
subdivisions, shall at the same time certify to the tax 122474
commissioner the percentage share of the county as a subdivision. 122475
All money received into the treasury of a subdivision from the 122476
undivided local government fund in a county treasury shall be paid 122477
into the general fund and used for the current operating expenses 122478
of the subdivision. If a municipal corporation maintains a 122479
municipal university, the university, when the board of trustees 122480
so requests the legislative authority of the municipal 122481
corporation, shall participate in the money apportioned to the 122482
municipal corporation from the total local government fund, 122483
however created and constituted, in the amount requested by the 122484
board of trustees, provided that amount does not exceed nine per 122485
cent of the total amount paid to the municipal corporation. 122486

(G) The actions of the county budget commission taken 122487
pursuant to this section are final and may not be appealed to the 122488
board of tax appeals, except on the issues of abuse of discretion 122489
and failure to comply with the formula. 122490

Sec. 5747.67. (A) Any term used in this section has the same 122491
meaning as in section 122.852 of the Revised Code. 122492

(B) There is allowed a credit against a taxpayer's aggregate 122493
tax liability under section 5747.02 of the Revised Code for any 122494
individual who, on the last day of the individual's taxable year, 122495
is the certificate owner of a tax credit certificate issued under 122496
section 122.852 of the Revised Code. The credit shall be claimed 122497

for the taxpayer's taxable year that includes the date the 122498
certificate was issued by the director of development. The credit 122499
amount equals the amount stated in the certificate or the portion 122500
of that amount owned by the certificate owner. The credit shall be 122501
claimed in the order required under section 5747.98 of the Revised 122502
Code. If the credit amount exceeds the aggregate amount of tax 122503
otherwise due under section 5747.02 of the Revised Code after 122504
deducting all other credits in that order, the excess shall be 122505
refunded. 122506

(C) Nothing in this section limits or disallows pass-through 122507
treatment of the credit. 122508

Sec. 5747.73. (A) As used in this section, "scholarship 122509
granting organization" means an entity that is certified as such 122510
by the attorney general under division (C) of this section. 122511

(B) There is hereby allowed a nonrefundable credit against a 122512
taxpayer's aggregate tax liability under section 5747.02 of the 122513
Revised Code for a taxpayer that donates cash to scholarship 122514
granting organizations during the taxable year or before the date 122515
described in section 6072 of the Internal Revenue Code applicable 122516
to the taxpayer and occurring in the taxpayer's ensuing taxable 122517
year, but a credit may not be claimed for two taxable years on the 122518
basis of the same contribution. The credit shall equal the amount 122519
of cash donations made by the taxpayer and, if filing a joint 122520
return, the taxpayer's spouse, except that the credit shall not 122521
exceed, for any taxable year, one thousand five hundred dollars 122522
for spouses filing a joint return or seven hundred fifty dollars 122523
for all other taxpayers. If a taxpayer files a joint return, the 122524
credit amount attributable to donations made by each spouse shall 122525
not exceed seven hundred fifty dollars. The credit shall be 122526
claimed in the order required under section 5747.98 of the Revised 122527
Code. 122528

If the taxpayer is a direct or indirect investor in a pass-through entity that donates cash to scholarship granting organizations during the taxable year, the taxpayer may claim its proportionate or distributive share of the credit allowed under this section, except that the share that may be claimed by all such investors may not exceed seven hundred fifty dollars for any taxable year.

The credit authorized by this section is not allowed unless the taxpayer claiming the credit provides to the tax commissioner, in the form and manner required by the commissioner, a copy of a receipt or other document issued by the scholarship granting organization acknowledging the taxpayer's contribution to the organization and the amount of the contribution. The commissioner may require a taxpayer to furnish any other information necessary to support a claim for the credit. No credit shall be allowed unless a copy of such document or other required information is provided.

(C) An entity may apply to the attorney general, on forms and in the manner prescribed by the attorney general, to be certified so that contributions to the entity qualify for the tax credit authorized under this section. The attorney general shall certify an entity as a scholarship granting organization if the entity submits information and documentation, to the attorney general's satisfaction, establishing that the entity satisfies the following:

(1) It is a religious or nonreligious nonprofit organization exempt from federal taxation under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) of the Internal Revenue Code.

(2) It primarily awards academic scholarships for primary and secondary school students.

(3) It prioritizes awarding its scholarships to low-income primary and secondary school students. 122560
122561

The attorney general shall notify the applicant of the attorney general's determination within thirty days after the attorney general receives the application. The attorney general shall maintain a list of all scholarship granting organizations. As soon as is practicable after compiling or updating this list, the attorney general shall furnish the list to the tax commissioner, who shall post the list or updated list to the department of taxation's web site. 122562
122563
122564
122565
122566
122567
122568
122569

Revised Code for a taxpayer that is allocated a credit issued by 122599
the director of the governor's office of housing transformation 122600
under section 175.16 of the Revised Code. The credit equals the 122601
amount allocated to such taxpayer for the taxable year that begins 122602
in the calendar year for which the designated reporter files the 122603
form prescribed by division (I) of section 175.16 of the Revised 122604
Code. 122605

The credit shall be claimed in the order required under 122606
section 5747.98 of the Revised Code. If the credit exceeds the 122607
taxpayer's aggregate tax due under section 5747.02 of the Revised 122608
Code for that taxable year after allowing for credits that precede 122609
the credit under this section in that order, such excess shall be 122610
allowed as a credit in each of the ensuing five taxable years, but 122611
the amount of any excess credit allowed in any such taxable year 122612
shall be deducted from the balance carried forward to the ensuing 122613
taxable year. 122614

The credit equals the amount allocated to such taxpayer for the taxable year that begins in the calendar year for which the designated reporter files the form prescribed by division (H) of section 175.17 of the Revised Code that allocates the credit to the taxpayer.

The credit shall be claimed in the order required under section 5747.98 of the Revised Code. If the credit exceeds the taxpayer's aggregate tax due under section 5747.02 of the Revised Code for that taxable year after allowing for credits that precede the credit under this section in that order, such excess shall be allowed as a credit in each of the ensuing five taxable years, but the amount of any excess credit allowed in any such taxable year shall be deducted from the balance carried forward to the ensuing taxable year.

Such an order shall be delivered to the taxpayer ~~personally or by certified mail~~ in the manner provided in section 5703.37 of the Revised Code and shall remain in effect until the commissioner notifies the taxpayer to the contrary.

~~(2)(a)(B)(1)~~ Subject to division ~~(C)(B)~~ of section 5751.05 of the Revised Code, a ~~calendar quarter~~ taxpayer shall report the taxable gross receipts for that calendar quarter. 123688
123689
123690

~~(b)(2)~~ With respect to taxable gross receipts incorrectly 123691

reported in a calendar quarter that has a lower tax rate, the tax 123692
shall be computed at the tax rate in effect for the quarterly 123693
return in which such receipts should have been reported. Nothing 123694
in division ~~(A)(2)(b)~~(B)(2) of this section prohibits a taxpayer 123695
from filing an application for refund under section 5751.08 of the 123696
Revised Code with regard to the incorrect reporting of taxable 123697
gross receipts discovered after filing the annual return described 123698
in division ~~(A)(3)(C)~~ of this section. 123699

A tax return shall not be deemed to be an incorrect reporting 123700
of taxable gross receipts for the purposes of division 123701
~~(A)(2)(b)~~(B)(2) of this section if the return reflects between 123702
ninety-five and one hundred five per cent of the actual taxable 123703
gross receipts for the calendar quarter. 123704

~~(3)(C)~~ For the purposes of division ~~(A)(2)(b)~~(B)(2) of this 123705
section, the tax return filed for the fourth calendar quarter of a 123706
calendar year is the annual return for the privilege tax imposed 123707
by this chapter. Such return shall report any additional taxable 123708
gross receipts not previously reported in the calendar year and 123709
shall adjust for any over-reported taxable gross receipts in the 123710
calendar year. If the taxpayer ceases to be a taxpayer before the 123711
end of the calendar year, the last return the taxpayer is required 123712
to file shall be the annual return for the taxpayer and the 123713
taxpayer shall report any additional taxable gross receipts not 123714
previously reported in the calendar year and shall adjust for any 123715
over-reported taxable gross receipts in the calendar year. 123716

~~(4)(D)~~ Because the tax imposed by this chapter is a privilege 123717
tax, the tax rate with respect to taxable gross receipts for a 123718
calendar quarter is not fixed until the end of the measurement 123719
period for each calendar quarter. Subject to division 123720
~~(A)(2)(b)~~(B)(2) of this section, the total amount of taxable gross 123721
receipts reported for a given calendar quarter shall be subject to 123722
the tax rate in effect in that quarter. 123723

~~(5) Not later than the tenth day of May following the end of each calendar year, every calendar year taxpayer shall file with the tax commissioner a tax return in such form as the commissioner prescribes. The return shall include, but is not limited to, the amount of the taxpayer's taxable gross receipts for the calendar year and shall indicate the amount of tax due under section 5751.03 of the Revised Code for the calendar year.~~

~~(B)(1) A person that first becomes subject to the tax imposed under this chapter shall pay the minimum tax imposed under division (B) of section 5751.03 of the Revised Code on or before the day the return is required to be filed for that quarter under division (A)(1) of this section, regardless of whether the person registers as a calendar year taxpayer under section 5751.05 of the Revised Code.~~

~~(2) The amount of the minimum tax for a person subject to division (B)(1) of this section shall be reduced by one half if the registration is timely filed after the first day of May and before the first day of January of the following calendar year.~~

Sec. 5751.06. (A) Any taxpayer that fails to file a return or pay the full amount of the tax due within the period prescribed therefor under this chapter shall pay a penalty in an amount not exceeding the greater of fifty dollars or ten per cent of the tax required to be paid for the tax period.

(B)(1) If any additional tax is found to be due, the tax commissioner may impose an additional penalty of up to fifteen per cent on the additional tax found to be due.

(2) Any delinquent payments of the tax made after a taxpayer is notified of an audit or a tax discrepancy by the commissioner is subject to the penalty imposed by division (B) of this section. If an assessment is issued under section 5751.09 of the Revised Code in connection with such delinquent payments, the payments

shall be credited to the assessment. 123755

~~(C) After calendar year 2008, the tax commissioner may impose 123756
an additional penalty against a taxpayer that fails to switch to 123757
being a calendar quarter taxpayer at the time it had over two 123758
million in taxable gross receipts in the calendar year, as 123759
required under section 5751.04 of the Revised Code. The penalty 123760
may be imposed in an amount not to exceed ten per cent of the tax 123761
due above two million dollars in taxable gross receipts for the 123762
calendar year. Any penalty imposed under this division is in 123763
addition to any other penalties imposed under this section. 123764~~

~~(D)~~ If the tax commissioner notifies a person required to 123765
register under section 5751.05 of the Revised Code of such 123766
requirement and of the requirement to remit the tax due under this 123767
chapter, and the person fails to so register and remit the tax 123768
within sixty days after such notice, the tax commissioner may 123769
impose an additional penalty of up to thirty-five per cent of the 123770
tax due. The penalty imposed under this division is in addition to 123771
any other penalties imposed under this section. 123772

~~(E)~~(D) The tax commissioner may collect any penalty or 123773
interest imposed by this section in the same manner as the tax 123774
imposed under this chapter. Penalties and interest so collected 123775
shall be considered as revenue arising from the tax imposed under 123776
this chapter. 123777

~~(F)~~(E) The tax commissioner may abate all or a portion of any 123778
penalties imposed under this section and may adopt rules governing 123779
such abatements. 123780

~~(G)~~(F) If any tax due is not timely paid in accordance with 123781
this chapter, the taxpayer shall pay interest, calculated at the 123782
rate per annum prescribed by section 5703.47 of the Revised Code, 123783
from the date the tax payment was due to the date of payment or to 123784
the date an assessment was issued, whichever occurs first. 123785

~~(H)~~(G) The tax commissioner may impose a penalty of up to ten 123786
per cent for any additional tax that is due under division 123787
~~(A)(2)(b)~~(A)(2) of section 5751.051 of the Revised Code from a 123788
taxpayer incorrectly reporting its taxable gross receipts. 123789

~~(I)~~(H) If the tax commissioner discovers that a taxpayer has 123790
billed or invoiced another person for the tax imposed under this 123791
chapter in violation of division (B) of section 5751.02 of the 123792
Revised Code, the tax commissioner shall notify the taxpayer of 123793
the violation ~~by certified mail~~ in the manner provided in section 123794
5703.37 of the Revised Code and may impose a penalty of up to five 123795
hundred dollars. If the taxpayer subsequently bills or invoices a 123796
person for the tax imposed under this chapter, the tax 123797
commissioner shall impose a penalty of five hundred dollars. 123798

Sec. 5751.08. (A) An application for refund to the taxpayer 123799
of amounts imposed under this chapter that are overpaid, paid 123800
illegally or erroneously, or paid on any illegal or erroneous 123801
assessment shall be filed by the reporting person with the tax 123802
commissioner, on the form prescribed by the commissioner, within 123803
four years after the date of the illegal or erroneous payment, or 123804
within any additional period allowed under division (F) of section 123805
5751.09 of the Revised Code. The applicant shall provide the 123806
amount of the requested refund along with the claimed reasons for, 123807
and documentation to support, the issuance of a refund. 123808

(B) On the filing of the refund application, the tax 123809
commissioner shall determine the amount of refund to which the 123810
applicant is entitled. If the amount is not less than that 123811
claimed, the commissioner shall certify the amount to the director 123812
of budget and management and treasurer of state for payment from 123813
the tax refund fund created under section 5703.052 of the Revised 123814
Code. If the amount is less than that claimed, the commissioner 123815
shall proceed in accordance with section 5703.70 of the Revised 123816

Code. 123817

(C) Interest on a refund applied for under this section, 123818
computed at the rate provided for in section 5703.47 of the 123819
Revised Code, shall be allowed from the later of the date the 123820
amount was paid or when the amount was due. 123821

~~(D) A calendar quarter taxpayer with more than one million 123822
dollars in taxable gross receipts in a calendar year other than 123823
calendar year 2005 and that is not able to exclude one million 123824
dollars in taxable gross receipts because of the operation of the 123825
taxpayer's business in that calendar year may file for a refund 123826
under this section to obtain the full exclusion of one million 123827
dollars in taxable gross receipts for that calendar year. 123828~~

~~(E)~~ Except as provided in section 5751.081 of the Revised 123829
Code, the tax commissioner may, with the consent of the taxpayer, 123830
provide for the crediting against tax due for a tax period the 123831
amount of any refund due the taxpayer under this chapter for a 123832
preceding tax period. 123833

Sec. 5751.091. (A) If a taxpayer excludes from its taxable 123834
gross receipts amounts described under division (F)(2)(oo) or (pp) 123835
of section 5751.01 of the Revised Code for a tax period in which 123836
the taxpayer does not qualify for that exclusion for any portion 123837
of that tax period, the taxpayer shall remit to the tax 123838
commissioner a payment equal to the product of the following: (a) 123839
the cost of all property received in this state by a megaproject 123840
operator from the taxpayer during that tax period, multiplied by 123841
(b) the tax rate prescribed in ~~division (A)~~ of section 5751.03 of 123842
the Revised Code. The charge shall be levied and collected as a 123843
tax imposed under this chapter. 123844

(B) A taxpayer required to remit a payment under division (A) 123845
of this section for three consecutive calendar years may not 123846
exclude from the taxpayer's taxable gross receipts any amounts 123847

described in division (F)(2)(oo) or (pp) of section 5751.01 of the Revised Code for any tax period in any following calendar year.

Sec. 5751.51. (A) As used in this section, "qualified research expenses" has the same meaning as in section 41 of the Internal Revenue Code.

(B)(1) For calendar years beginning on or after January 1, 2008, a nonrefundable credit may be claimed under this chapter equal to seven per cent of the excess of (a) qualified research expenses incurred in this state by the taxpayer in the calendar year for which the credit is claimed over (b) the taxpayer's average annual qualified research expenses incurred in this state for the three preceding calendar years.

(2) The taxpayer shall claim the credit allowed under division (B)(1) of this section in the order required by section 5751.98 of the Revised Code. A credit claimed in calendar year 2008 may not be applied against the tax otherwise due under this chapter for a tax period beginning before July 1, 2008. Any credit amount in excess of the tax due under section 5751.03 of the Revised Code, after allowing for any other credits that precede the credit under this section in the order required under that section, may be carried forward for seven years, but the amount of the excess credit claimed against the tax for any tax period shall be deducted from the balance carried forward to the next tax period.

(3) No credit shall be allowed under this chapter if the credit was available against the tax imposed by section 5733.06 of the Revised Code, except to the extent the credit was not applied against such tax.

(C) In the case of a taxpayer that is a consolidated elected taxpayer or combined taxpayer, each person in the taxpayer's group shall separately calculate the credit claimed under this section

using the qualified research expenses incurred by that person on a 123879
form prescribed by the tax commissioner, which shall be used by 123880
the taxpayer to claim the credit. 123881

Such a taxpayer may only claim the credit with respect to 123882
persons included in the taxpayer's group as of the thirty-first 123883
day of December of the calendar year in which the qualified 123884
research expenses are incurred. Such a taxpayer may only claim any 123885
excess credit carried forward under division (B)(2) of this 123886
section with respect to persons included in that group as of the 123887
last day of the tax period for which the return claiming the 123888
credit is filed. 123889

(D) A taxpayer that claims a credit under this section shall 123890
retain records to substantiate the claim. Required records include 123891
those relating to any expenses used in calculating the credit and 123892
incurred in the current calendar year and in the three preceding 123893
calendar years. 123894

The taxpayer shall retain the required records until the date 123895
that is four years after the due date for the return on which the 123896
credit was claimed or four years after the date the return was 123897
actually filed, whichever is later. 123898

(E) The tax commissioner may audit a sample of the taxpayer's 123899
qualified research expenses over a representative period to 123900
ascertain the amount of tax credit the taxpayer may claim under 123901
this section and may issue an assessment under section 5751.09 of 123902
the Revised Code based on the audit. The commissioner shall make a 123903
good faith effort to reach an agreement with the taxpayer in 123904
selecting a representative sample. The commissioner is not, 123905
however, precluded from proceeding under this division if an 123906
agreement is not made. 123907

Sec. 5751.55. (A) Any term used in this section has the same 123908
meaning as in section 122.852 of the Revised Code. 123909

(B) There is allowed a refundable credit against the tax imposed by section 5751.02 of the Revised Code for any person that is the certificate owner of a tax credit certificate issued under section 122.852 of the Revised Code. The credit shall be claimed for the tax period in which the certificate is issued by the director of development. The credit amount equals the amount stated in the certificate or the portion of that amount owned by the certificate owner. The credit shall be claimed in the order required under section 5751.98 of the Revised Code. If the credit amount exceeds the tax otherwise due under section 5751.02 of the Revised Code after deducting all other credits in that order, the excess shall be refunded.

Sec. 5751.98. (A) To provide a uniform procedure for calculating the amount of tax due under this chapter, a taxpayer shall claim any credits to which it is entitled in the following order:

The nonrefundable jobs retention credit under division (B) of section 5751.50 of the Revised Code;

The nonrefundable credit for qualified research expenses under division (B) of section 5751.51 of the Revised Code;

The nonrefundable credit for a borrower's qualified research and development loan payments under division (B) of section 5751.52 of the Revised Code;

The nonrefundable credit for calendar years 2010 to 2029 for unused net operating losses under division (B) of section 5751.53 of the Revised Code;

The refundable motion picture and Broadway theatrical production credit under section 5751.54 of the Revised Code;

The refundable credit for film and theater capital improvement projects under section 5751.55 of the Revised Code;

division, the emergency rule will continue in effect without 125062
interruption for another one hundred twenty-day period. 125063

The adoption of an emergency rule under division (B)(2) of 125064
this section in response to a state of emergency, as defined under 125065
section 107.42 of the Revised Code, may be invalidated by the 125066
general assembly, in whole or in part, by adopting a concurrent 125067
resolution in accordance with section 107.43 of the Revised Code. 125068

(3) An agency shall file a rule under division (B)(1) or (2) 125069

If the director of the legislative service commission or the 125082
director's designee gives an agency notice pursuant to section 125083
103.05 of the Revised Code that a rule filed by the agency is not 125084
in compliance with the rules of the legislative service 125085
commission, the agency shall within thirty days after receipt of 125086
the notice conform the rule to the rules of the commission as 125087
directed in the notice. 125088

(C) All rules filed pursuant to divisions (B)(1)(a) and (2) 125089
of this section shall be recorded by the secretary of state and 125090
the director under the title of the agency adopting the rule and 125091

director. The secretary of state and the director shall preserve 125093
the rules in an accessible manner. Each such rule shall be a 125094
public record open to public inspection and may be transmitted to 125095
any law publishing company that wishes to reproduce it. 125096

(D) At least sixty-five days before a board, commission, 125097
department, division, or bureau of the government of the state 125098
files a rule under division (B)(1) of this section, it shall file 125099
the full text of the proposed rule in electronic form with the 125100
joint committee on agency rule review, and the proposed rule is 125101
subject to legislative review and invalidation under section 125102
106.021 of the Revised Code. If a state board, commission, 125103

rule after it is filed with the joint committee, the state board, 125105
commission, department, division, or bureau shall promptly file 125106

the full text of the proposed rule in its revised form in 125107

the Revised Code in electronic form along with a proposed rule, 125111

form, that is filed under this division. 125119

A proposed rule that is subject to legislative review under 125120
this division may not be adopted and filed in final form under 125121
division (B)(1) of this section unless the proposed rule has been 125122
filed with the joint committee on agency rule review under this 125123
division and the time for the joint committee to review the 125124
proposed rule has expired without recommendation of a concurrent 125125
resolution to invalidate the proposed rule. 125126

If a proposed rule that is subject to legislative review 125127
under this division implements a federal law or rule, the agency 125128
shall provide to the joint committee a citation to the federal law 125129
or rule the proposed rule implements and a statement as to whether 125130
the proposed rule implements the federal law or rule in a manner 125131
that is more or less stringent or burdensome than the federal law 125132
or rule requires. 125133

As used in this division, "commission" includes the public 125134

Administration of the program shall include both a standard review process and an expedited review process.

(A) The director shall issue rulings on whether a particular proposed project is a reviewable activity. The director shall issue a ruling not later than forty-five days after receiving a request for a ruling accompanied by the information needed to make the ruling, except that if an expedited review is requested, the ruling shall be issued not later than thirty days after receiving the request for a ruling accompanied by the information needed to make the ruling. If the director does not issue a ruling in the required time, the project shall be considered to have been ruled not a reviewable activity.

(B)(1) Each application for a certificate of need shall be submitted to the director on forms and in the manner prescribed by the director. An application for which expedited review is requested must meet the same requirements as all other applications.

Each application shall include a plan for obligating the capital expenditures or implementing the proposed project on a timely basis in accordance with section 3702.524 of the Revised Code. Each application shall also include all other information required by rules adopted under division (B) of section 3702.57 of the Revised Code.

(2) Each application shall be accompanied by the application fee established in rules adopted under division ~~(G)~~(F) of section 3702.57 of the Revised Code. Application fees received by the director under this division shall be deposited into the state treasury to the credit of the certificate of need fund, which is hereby created. The director shall use the fund only to pay the costs of administering sections 3702.30 and 3702.51 to 3702.62 of the Revised Code and rules adopted under those sections. An application fee is nonrefundable unless the director determines that the application cannot be accepted.

(3) The director shall review applications for certificates of need. As part of a review, the director shall determine whether an application is complete. The director shall not consider an application to be complete unless the application meets all criteria for a complete application specified in rules adopted under section 3702.57 of the Revised Code. For an application being considered under the standard review process, the director shall mail to the applicant a written notice that the application is complete, or a written request for additional information, not later than thirty days after receiving an application or a response to an earlier request for information. For an application for which expedited review is requested, the director's notice or request shall be mailed not later than fourteen days after the director receives the application or a response to an earlier request for information. Except as provided in section 3702.522 of the Revised Code, the director shall not make more than two

information to the director. 125246

(C) All of the following apply to the process of granting or 125247
denying a certificate of need: 125248

(1) If the project proposed in a certificate of need 125249
application meets all of the applicable certificate of need 125250
criteria for approval under sections 3702.51 to 3702.62 of the 125251
Revised Code and the rules adopted under those sections, the 125252
director shall grant a certificate of need for all or part of the 125253
project that is the subject of the application by the applicable 125254
deadline specified in division (C)(4) of this section or any 125255
extension of it under division (C)(5) of this section. 125256

(2) The director's grant of a certificate of need does not 125257
affect, and sets no precedent for, the director's decision to 125258
grant or deny other applications for similar reviewable 125259
activities. 125260

(3) Any affected person may submit written comments regarding 125261

an application. The director shall consider all written comments 125262
received by the forty-fifth day after the application is submitted 125263
to the director, except that to be considered in an expedited 125264
review, written comments must be received by the twenty-first day 125265
after the application is submitted. 125266

(4) Except as provided in division (C)(5) of this section, 125267
the director shall grant or deny certificate of need applications 125268
not later than sixty days after mailing the notice of completeness 125269
unless the application is receiving expedited review. If the 125270
application is receiving expedited review, the director shall 125271
grant or deny the application not later than forty-five days after 125272
mailing the notice of completeness. 125273

(5) Except as provided in division (C)(6) of this section, 125274
the director or the applicant may extend the deadline prescribed 125275
in division (C)(4) of this section once, for no longer than thirty 125276
days, by written notice before the end of the deadline prescribed 125277
by division (C)(4) of this section. An extension by the director 125278
under division (C)(5) of this section shall apply to all 125279
applications that are in comparative review. 125280

(6) No applicant in a comparative review may extend the 125281
deadline specified in division (C)(4) of this section. 125282

(7) If the director does not grant or deny the certificate by 125283
the applicable deadline specified in division (C)(4) of this 125284
section or any extension of it under division (C)(5) of this 125285
section, the certificate shall be considered to have been granted. 125286

~~(8) In granting a certificate of need, the director shall 125287
specify as the maximum capital expenditure the certificate holder 125288
may obligate under the certificate a figure equal to one hundred 125289
ten per cent of the approved project cost. 125290~~

~~(9) In granting a certificate of need, the director may grant 125291
the certificate with conditions that must be met by the holder of 125292~~

the certificate. 125293

which the certificate of need was granted a number of beds equal 125296
to the number of beds relocated shall cease to be operated in the 125297
long-term care facility from which they are relocated, except that 125298
the beds may continue to be operated for not more than fifteen 125299
days to allow relocation of residents to the facility to which the 125300
beds have been relocated. Notwithstanding section 3721.03 of the 125301
Revised Code, if the relocated beds are in a home licensed under 125302
Chapter 3721. of the Revised Code, the facility's license is 125303
automatically reduced by the number of beds relocated effective 125304
fifteen days after the beds are relocated. If the beds are in a 125305
facility that is certified as a skilled nursing facility or 125306
nursing facility under Title XVIII or XIX of the "Social Security 125307

3722.03 of the Revised Code as skilled nursing beds or long-term 125310
care beds, the director shall remove the beds from registration 125311
not later than fifteen days after the beds are relocated. 125312

(E) During the period beginning with the granting of a 125313
certificate of need and ending five years after implementation of 125314
the reviewable activity for which the certificate was granted, the 125315
director shall monitor the activities of the person granted the 125316
certificate to determine whether the reviewable activity is 125317
conducted in substantial accordance with the certificate. A 125318
reviewable activity shall not be determined to be not in 125319
substantial accordance with the certificate of need solely because 125320
of either of the following: 125321

(1) A decrease in bed capacity; 125322

(2) A change in the owner or operator of the facility unless 125323
any of the circumstances specified in division (B) of section 125324

3702.59 of the Revised Code apply to the new owner or operator. 125325

(F) When reviewing applications for certificates of need, 125326
considering appeals under section 3702.60 of the Revised Code, or 125327

consider the special needs and circumstances resulting from moral 125343
and ethical values and the free exercise of religious rights of 125344
long-term care facilities administered by religious organizations, 125345
and the special needs and circumstances of inner city and rural 125346
communities. 125347

Sec. 3702.55. A person that the director of health determines 125348

conducting the activity that constitutes the violation or 125350

director's determination under section 3702.60 of the Revised 125354
Code, thirty days after the person receives an order upholding the 125355

director's determination that is not subject to further appeal. 125356

If any person determined to have violated section 3702.53 of 125357
the Revised Code fails to cease conducting an activity or using a 125358

seek payment or reimbursement for services rendered or costs 125360
incurred in conducting the activity as prohibited by section 125361
3702.56 of the Revised Code, in addition to the penalties imposed 125362
under section 3702.54 ~~or 3702.541~~ of the Revised Code: 125363

(B) of section 3319.51 of the Revised Code. 126313

(C) A person applying for or holding any certificate pursuant 126314
to this section for purposes of serving in a nonpublic school 126315
chartered by the state board is subject to sections 3123.41 to 126316
3123.50 of the Revised Code and any applicable rules adopted under 126317
section 3123.63 of the Revised Code and sections 3319.31 and 126318
3319.311 of the Revised Code. 126319

(D) Divisions (B) and (C) of this section and sections 126320
3319.291, 3319.31, and 3319.311 of the Revised Code do not apply 126321
to any administrators, supervisors, or teachers in nonchartered, 126322
nontax-supported schools. 126323

(E) The state board shall issue a certificate to serve in a 126324
nonpublic school as an administrator, supervisor, or teacher in 126325
accordance with Chapter 4796. of the Revised Code to an applicant 126326
if either of the following applies: 126327

(1) The applicant holds a certificate in another state. 126328

(2) The applicant has satisfactory work experience, a 126329
government certification, or a private certification as described 126330
in that chapter as a nonpublic school administrator, supervisor, 126331

certificates. 126333

Sec. 3319.088. As used in this section, "educational 126334
assistant" means any nonteaching employee in a school district who 126335
directly assists a teacher as defined in section 3319.09 of the 126336
Revised Code, by performing duties for which a license issued 126337
pursuant to sections 3319.22 to 3319.30 of the Revised Code is not 126338
required. 126339

(A) Except as provided in division (G) of this section, the state board of education shall issue educational aide permits and educational paraprofessional licenses for educational assistants and shall adopt rules for the issuance and renewal of such permits and licenses which shall be consistent with the provisions of this section. Educational aide permits and educational paraprofessional licenses may be of several types and the rules shall prescribe the minimum qualifications of education and health for the service to be authorized under each type. The prescribed minimum qualifications may require special training or educational courses designed to qualify a person to perform effectively the duties authorized under an educational aide permit or educational paraprofessional license.

(B)(1) Except as provided in division (G) of this section, any application for a permit or license, or a renewal or duplicate of a permit or license, under this section shall be accompanied by the payment of a fee in the amount established under division (A) of section 3319.51 of the Revised Code. Any fees received under this division shall be paid into the state treasury to the credit of the state board of education licensure fund established under division (B) of section 3319.51 of the Revised Code.

(2) Any person applying for or holding a permit or license pursuant to this section is subject to sections 3123.41 to 3123.50 of the Revised Code and any applicable rules adopted under section 3123.63 of the Revised Code and sections 3319.31 and 3319.311 of the Revised Code.

(C) Educational assistants shall at all times while in the performance of their duties be under the supervision and direction of a teacher as defined in section 3319.09 of the Revised Code. Educational assistants may assist a teacher to whom assigned in the supervision of pupils, in assisting with instructional tasks, and in the performance of duties which, in the judgment of the

teacher to whom the assistant is assigned, may be performed by a 126372
person not licensed pursuant to sections 3319.22 to 3319.30 of the 126373
Revised Code and for which a teaching license, issued pursuant to 126374
sections 3319.22 to 3319.30 of the Revised Code is not required. 126375
The duties of an educational assistant shall not include the 126376
assignment of grades to pupils. The duties of an educational 126377
assistant need not be performed in the physical presence of the 126378
teacher to whom assigned, but the activity of an educational 126379
assistant shall at all times be under the direction of the teacher 126380
to whom assigned. The assignment of an educational assistant need 126381
not be limited to assisting a single teacher. In the event an 126382
educational assistant is assigned to assist more than one teacher 126383
the assignments shall be clearly delineated and so arranged that 126384
the educational assistant shall never be subject to simultaneous 126385
supervision or direction by more than one teacher. 126386

Educational assistants assigned to supervise children shall, 126387
when the teacher to whom assigned is not physically present, 126388
maintain the degree of control and discipline that would be 126389
maintained by the teacher. 126390

Educational assistants may not be used in place of classroom 126391
teachers or other employees and any payment of compensation by 126392
boards of education to educational assistants for such services is 126393
prohibited. The ratio between the number of licensed teachers and 126394
the pupils in a school district may not be decreased by 126395
utilization of educational assistants and no grouping, or other 126396
organization of pupils, for utilization of educational assistants 126397
shall be established which is inconsistent with sound educational 126398
practices and procedures. A school district may employ up to one 126399
full time equivalent educational assistant for each six full time 126400
equivalent licensed employees of the district. Educational 126401
assistants shall not be counted as licensed employees for purposes 126402
of state support in the school foundation program and no grouping 126403

or regrouping of pupils with educational assistants may be counted 126404
as a class or unit for school foundation program purposes. Neither 126405
special courses required by the regulations of the state board of 126406
education, prescribing minimum qualifications of education for an 126407
educational assistant, nor years of service as an educational 126408
assistant shall be counted in any way toward qualifying for a 126409
teacher license, for a teacher contract of any type, or for 126410
determining placement on a salary schedule in a school district as 126411
a teacher. 126412

(D) Educational assistants employed by a board of education 126413
shall have all rights, benefits, and legal protection available to 126414
other nonteaching employees in the school district, except that 126415
provisions of Chapter 124. of the Revised Code shall not apply to 126416
any person employed as an educational assistant, and shall be 126417
members of the school employees retirement system. Educational 126418
assistants shall be compensated according to a salary plan adopted 126419
annually by the board. 126420

Except as provided in this section nonteaching employees 126421
shall not serve as educational assistants without first obtaining 126422
an appropriate educational aide permit or educational 126423
paraprofessional license from the state board of education. A 126424
nonteaching employee who is the holder of a valid educational aide 126425
permit or educational paraprofessional license shall neither 126426
render nor be required to render services inconsistent with the 126427
type of services authorized by the permit or license held. No 126428
person shall receive compensation from a board of education for 126429
services rendered as an educational assistant in violation of this 126430
provision. 126431

Nonteaching employees whose functions are solely 126432
secretarial-clerical and who do not perform any other duties as 126433
educational assistants, even though they assist a teacher and work 126434
under the direction of a teacher shall not be required to hold a 126435

permit or license issued pursuant to this section. ~~Students~~ 126436
~~preparing to become licensed teachers or educational assistants~~ 126437
~~shall not be required to hold an educational aide permit or~~ 126438
~~paraprofessional license for such periods of time as such students~~ 126439
~~are assigned, as part of their training program, to work with a~~ 126440
~~teacher in a school district. Such students shall not be~~ 126441
~~compensated for such services.~~ 126442

Following the determination of the assignment and general job 126443
description of an educational assistant and subject to supervision 126444
by the teacher's immediate administrative officer, a teacher to 126445
whom an educational assistant is assigned shall make all final 126446
determinations of the duties to be assigned to such assistant. 126447
Teachers shall not be required to hold a license designated for 126448
being a supervisor or administrator in order to perform the 126449
necessary supervision of educational assistants. 126450

(E) No person who is, or who has been employed as an 126451
educational assistant shall divulge, except to the teacher to whom 126452
assigned, or the administrator of the school in the absence of the 126453
teacher to whom assigned, or when required to testify in a court 126454
or proceedings, any personal information concerning any pupil in 126455
the school district which was obtained or obtainable by the 126456
educational assistant while so employed. Violation of this 126457
provision is grounds for disciplinary action or dismissal, or 126458
both. 126459

(F) Notwithstanding anything to the contrary in this section, 126460
the superintendent of a school district may allow an employee who 126461
does not hold a permit or license issued under this section to 126462
work as a substitute for an educational assistant who is absent on 126463
account of illness or on a leave of absence, or to fill a 126464
temporary position created by an emergency, provided that the 126465
superintendent believes the employee's application materials 126466
indicate that the employee is qualified to obtain a permit or 126467

license under this section. 126468

An employee shall begin work as a substitute under this 126469
division not earlier than on the date on which the employee files 126470
an application with the state board for a permit or license under 126471
this section. An employee shall cease working as a substitute 126472
under this division on the earliest of the following: 126473

license issued under this section with the superintendent; 126475

(2) The date on which the employee is denied a permit or 126476
license under this section; 126477

(3) Sixty days following the date on which the employee began 126478
work as a substitute under this division. 126479

The superintendent shall ensure that an employee assigned to 126480
work as a substitute under division (F) of this section has 126481
undergone a criminal records check in accordance with section 126482
3319.391 of the Revised Code. 126483
