maintain a dock, the property owner shall apply for a dock permit 31914
to the chief. The chief shall issue such a permit after 31915
application is so made on forms prescribed by the chief unless the 31916
dock does not meet standards the chief establishes for docks under 31917
the program. 31918

(2) The chief shall allow adjoining property owners to submit 31919
an application to construct one dock with multiple watercraft 31920

Upon installation of the electric service, the dock permittee 31947
shall return the state park property to its original condition 31948
prior to such installation, ensuring that the trench is filled and 31949
level to the surrounding area and that the disturbed area is 31950
seeded and covered with a material to reduce possible erosion. 31951
Only one electric service shall be installed per dock location. 31952

access the dock. Such a motor vehicle shall weigh not more than 31962
two thousand five hundred pounds and shall have a power source of 31963
not more than 899cc. The chief shall approve and issue an annual 31964

on forms prescribed by the chief. The property owner shall include 31986

site that indicates the area the property owner seeks to mow. The 31988
chief may deny mowing access in areas that currently show signs of 31989
substantial soil erosion that impacts the state park lake. A 31990
mowing permit does not grant any authority to remove live trees on 31991
the state park land. Each mowing permit is valid for one year. 31992

The chief shall charge an annual mowing permit fee in the 31993
amount of twenty-five dollars. 31994

state park land, the property owner may apply to the chief for an 32013
undergrowth and invasive species removal permit. The chief shall 32014
issue such a permit after application is so made on forms 32015
prescribed by the chief. If a property owner makes an application 32016
for an undergrowth and invasive species removal permit, a park 32017

official shall, prior to the chief issuing such permit, inspect 32018
the proposed area to determine which trees or plants shall be 32019
removed under the terms of the permit. The permittee shall pay all 32020
costs associated with the removal and disposal of undergrowth or 32021
invasive trees or plants. 32022

invasive species removal permit issued to such permittee. 32027

(3) The chief shall not charge an applicant for the issuance 32028
of an undergrowth and invasive species removal permit. 32029

apply for a mowing permit in accordance with division (D) of this 32032
section to maintain the area to prevent the undergrowth or the 32033
invasive tree or plant from growing back. 32034

(G) Any fees or fines collected by the chief under this 32035
section shall be deposited into the state park fund created in 32036
section 1546.21 of the Revised Code. 32037

(H)(1) No property owner whose property is adjacent to state 32038
park land may purposely alter, modify, or destroy state park land 32039
that abuts a state park lake, except in accordance with the 32040
permits authorized under this section. 32041

(2) The chief may fine any property owner who violates 32042
division (H)(1) of this section in an amount equal to the amount 32043

price at which all those securities are sold by or on behalf of 32916
the issuer, without deduction for any additional commission, 32917
directly or indirectly, and without liability to pay any 32918
additional sum as commission; 32919

(11) If the division so permits with respect to a security, 32920
an applicant may file with the division, in lieu of the division's 32921
prescribed forms, a copy of the registration statement relating to 32922
the security, with all amendments to that statement, previously 32923
filed with the securities and exchange commission of the United 32924
States under the "Securities Act of 1933," as amended, together 32925
with all additional data, information, and documents that the 32926
division requires. 32927

(C) If the division finds that it is not necessary in the 32928
public interest and for the protection of investors to require all 32929
the information specified in divisions (B)(1) to (10) of this 32930
section, it may permit the filing of applications for 32931
qualification that contain the information that it considers 32932
necessary and appropriate in the public interest and for the 32933
protection of investors, but this provision applies only in the 32934
case of applications for qualification of securities previously 32935
issued and outstanding that may not be made the subject matter of 32936
transactions exempt under division (M) of section 1707.03 of the 32937
Revised Code by reason of the fact that those securities within 32938

one year were purchased outside this state or within one year were 32939
transported into this state. 32940

(D) All the statements, exhibits, and documents required by 32941
the division under this section, except properly certified public 32942
documents, shall be verified by the oath of the applicant for 32943
qualification, of the issuer, or of any individual having 32944
knowledge of the facts, and in the manner and form that may be 32945
required by the division. Failure or refusal to comply with the 32946
requests of the division shall be sufficient reason for a refusal 32947
by the division to register securities. 32948

(E) If it appears to the division that substantially the only 32949
consideration to be paid for any of the securities to be qualified 32950
is to be intangible property of doubtful value, the division may 32951
require that the securities be delivered in escrow to a bank in 32952
this state under the terms that the division may reasonably 32953
prescribe or require to prevent a deceitful misrepresentation or 32954
sale of the securities; that the securities be subordinated in 32955
favor of those sold for sound value until they have a value 32956
bearing a reasonable relation to the value of those sold for sound 32957
value; or that a legend of warning specifying the considerations 32958
paid or to be paid for the securities be stamped or printed on all 32959
advertisements, circulars, pamphlets, or subscription blanks used 32960
in connection with the sale of any securities of the same issuer; 32961
or it may impose a combination of any two or more of these 32962
requirements. 32963

(F) At the time of filing the information prescribed in this 32964
section, the applicant shall pay to the division a filing fee of 32965
one hundred dollars. 32966

(G)(1) The division, at any time, as a prerequisite to 32967
qualification, may make an examination of the issuer of securities 32968
sought to be qualified. The applicant for qualification of any 32969
securities may be required by the division to advance sufficient 32970

funds to pay all or any part of the actual expenses of that 32971
examination, an itemized statement of which shall be furnished the 32972
applicant. 32973

(2) If the division finds that the business of the issuer is 32974
not fraudulently conducted, that the proposed offer or disposal of 32975
securities is not on grossly unfair terms, that the plan of 32976
issuance and sale of the securities referred to in the proposed 32977
offer or disposal would not defraud or deceive, or tend to defraud 32978
or deceive, purchasers, and that division (B)(10) of this section 32979
applies and has been complied with, the division shall notify the 32980
applicant of its findings, and, upon payment of a registration fee 32981
of one-tenth of one per cent of the aggregate price at which the 32982
securities are to be sold to the public in this state, which fee, 32983
however, shall in no case be less than one hundred or more than 32984
one thousand dollars, the division shall register the 32985
qualification of the securities. 32986

(H) An application for qualification of securities may be 32987
amended by the person filing it at any time prior to the 32988
division's action on it either in registering the securities for 32989
qualification or in refusing to do so. Subsequent to any such 32990
action by the division, the person who filed the application may 32991
file with the consent of the division one or more amendments to it 32992
that shall become effective upon the making by the division of the 32993
findings enumerated in division (G) of this section; the giving of 32994
notice of those findings to the applicant by the division; and the 32995
payment by the applicant of the additional fee that would have 32996
been payable had the application, as it previously became 32997
effective, contained the amendment. 32998

(I) When any securities have been qualified and the fees for 32999
the qualification have been paid as provided in this section, any 33000
licensed dealer subsequently may sell the securities under the 33001
qualification, so long as the qualification remains in full force, 33002

and any dealer of that nature that desires may file with the 33003
division a written notice of intention to sell the securities or 33004
any designated portion of them. For that filing, no fee need be 33005
paid. 33006

Sec. 1707.091. (A) Any security for which a registration 33007
statement has been filed pursuant to Section 6 of the Securities 33008
Act of 1933 or for which a notification form and offering circular 33009
has been filed pursuant to regulation A of the general rules and 33010
regulations of the securities and exchange commission, 17 C.F.R. 33011
sections 230.251 to 230.256 and 230.258 to 230.263, as amended 33012
before or after the effective date of this section, in connection 33013
with the same offering ~~may~~ shall be registered by coordination 33014
rather than by qualification under section 1707.09 of the Revised 33015
Code or any other method of registration. 33016

(B) A registration statement filed by or on behalf of the 33017
issuer under this section with the division of securities shall 33018
contain the following information and be accompanied by the 33019
following items in addition to the consent to service of process 33020
required by section 1707.11 of the Revised Code: 33021

(1) One copy of the latest form of prospectus or offering 33022
circular and notification filed with the securities and exchange 33023
commission; 33024

(2) If the division of securities by rule or otherwise 33025
requires, a copy of the articles of incorporation and code of 33026
regulations or bylaws, or their substantial equivalents, as 33027
currently in effect, a copy of any agreements with or among 33028
underwriters, a copy of any indenture or other instrument 33029
governing the issuance of the security to be registered, and a 33030
specimen or copy of the security; 33031

(3) If the division of securities requests, any other 33032
information, or copies of any other documents, filed with the 33033

securities and exchange commission; 33034

(4) An undertaking by the issuer to forward to the division, 33035
promptly and in any event not later than the first business day 33036
after the day they are forwarded to or thereafter are filed with 33037
the securities and exchange commission, whichever occurs first, 33038
all amendments to the federal prospectus, offering circular, 33039
notification form, or other documents filed with the securities 33040
and exchange commission, other than an amendment that merely 33041
delays the effective date; 33042

(5) A filing fee of one hundred dollars. 33043

(C) A registration statement filed under this section becomes 33044
effective, without delay or waiver of any condition by the 33045
division or issuer, either at the moment the federal registration 33046
statement becomes effective or at the time the offering may 33047
otherwise be commenced in accordance with the rules, regulations, 33048
or orders of the securities and exchange commission, if all of the 33049
following conditions are satisfied: 33050

(1) No stop order is in effect, no proceeding is pending 33051
under section 1707.13 of the Revised Code, and no cease and desist 33052
order has been issued pursuant to section 1707.23 of the Revised 33053
Code; 33054

(2) The registration statement has been on file with the 33055
division for at least fifteen days or for such shorter period as 33056
the division by rule or otherwise permits; provided, that if the 33057
registration statement is not filed with the division within five 33058
days of the initial filing with the securities and exchange 33059
commission, the registration statement must be on file with the 33060
division for thirty days or for such shorter period as the 33061
division by rule or otherwise permits. 33062

(3) A statement of the maximum and minimum proposed offering 33063
prices and the maximum underwriting discounts and commissions has 33064

been on file with the division for two full business days or for 33065
such shorter period as the division by rule or otherwise permits 33066
and the offering is made within those limitations; 33067

(4) The division has received a registration fee of one-tenth 33068
of one per cent of the aggregate price at which the securities are 33069
to be sold to the public in this state, which fee, however, shall 33070
in no case be less than one hundred or more than one thousand 33071
dollars. 33072

(D) The issuer shall promptly notify the division by 33073
telephone or telegram of the date and time when the federal 33074
registration statement became effective, or when the offering may 33075
otherwise be commenced in accordance with the rules, regulations, 33076
or orders of the securities and exchange commission, and of the 33077
contents of the price amendment, if any, and shall promptly file 33078
the price amendment. 33079

"Price amendment" for the purpose of this division, means the 33080
final federal registration statement amendment that includes a 33081
statement of the offering price, underwriting and selling 33082
discounts or commissions, amount of proceeds, conversion rates, 33083
call prices, and other matters dependent upon the offering price. 33084

If the division fails to receive the required notice and 33085
required copies of the price amendment, the division may enter a 33086
provisional stop order retroactively denying effectiveness to the 33087
registration statement or suspending its effectiveness until there 33088
is compliance with this division, provided the division promptly 33089
notifies the issuer or its representative by telephone or 33090
telegram, and promptly confirms by letter or telegram when it 33091
notifies by telephone, of the entry of the order. If the issuer or 33092
its representative proves compliance with the requirements of this 33093
division as to notice and price amendment filing, the stop order 33094
is void as of the time of its entry. The division may by rule or 33095
otherwise waive either or both of the conditions specified in 33096

divisions (C)(2) and (3) of this section. If the federal 33097
registration statement becomes effective, or if the offering may 33098
otherwise be commenced in accordance with the rules, regulations, 33099
or orders of the securities and exchange commission, before all of 33100
the conditions specified in divisions (C) and (D) of this section 33101
are satisfied and they are not waived by the division the 33102
registration statement becomes effective as soon as all of the 33103
conditions are satisfied. 33104

If the issuer advises the division of the date when the 33105
federal registration statement is expected to become effective, or 33106
when the offering may otherwise be commenced in accordance with 33107
the rules, regulations, or orders of the securities and exchange 33108
commission, the division shall promptly advise the issuer or its 33109
representative by telephone or telegram, at the issuer's expense, 33110
whether all of the conditions have been satisfied or whether the 33111
division then contemplates the institution of a proceeding under 33112
section 1707.13 or 1707.23 of the Revised Code, but such advice 33113
does not preclude the institution of such a proceeding at any 33114
time. 33115

(8) The area of each district shall be contiguous; except 33321

improvement thereon. 33325

(B) Subject to division (A)(2) of this section, all of the 33326

official under section 2921.42 of the Revised Code. District 33350

Revised Code, except that directors and their designees shall not 33357
be entitled to the indemnification provided in section 2744.07 of 33358
the Revised Code unless the director or designee is an employee or 33359
official of a participating political subdivision of the district 33360
and is acting within the scope of the director's or designee's 33361
employment or official responsibilities. 33362

under section 102.01 and public officials under section 2921.42 of 33366
the Revised Code by virtue of their positions with the corporation 33367
only when they act with respect to a purpose for which the 33368
district is created, and not when they act with respect to any 33369
other purpose for which the corporation is organized. 33370

(D) Except as otherwise provided in this section, the 33371
nonprofit corporation that governs a district shall be organized 33372
in the manner described in Chapter 1702. of the Revised Code. 33373
Except in the case of a district created by an existing qualified 33374

nonprofit corporation, the corporation's articles of incorporation 33375
are required to be approved, as provided in division (E) of this 33376
section, by resolution of the legislative authority of each 33377
participating political subdivision of the district. A copy of 33378
that resolution shall be filed along with the articles of 33379

(3) A description of the procedure by which the articles of 33393
incorporation may be amended. The procedure shall include 33394

governing a district created under this chapter and amendments to 33403
them shall be submitted to the municipal executive, if any, and 33404
the legislative authority of each municipal corporation or 33405

township in which the proposed district is to be located. Except 33406
in the case of a district created by an existing qualified 33407
nonprofit corporation, the articles or amendments shall be 33408

a church, county, township, ~~or~~ municipal corporation, or park 33416
district has specifically requested in writing that the property 33417
be included in the district, or by the owners of at least 33418

within the proposed district, excluding church property or 33420
property owned by the state, county, township, municipal, park 33421
district, or federal government, unless a church, county, 33422
township, ~~or~~ municipal corporation, or park district has 33423
specifically requested in writing that the property be included in 33424
the district. Pursuant to Section 2o of Article VIII, Ohio 33425
Constitution, the petition required under this division may be for 33426
the purpose of developing and implementing plans for special 33427
energy improvement projects or shoreline improvement projects, 33428
and, in such case, is determined to be in furtherance of the 33429
purposes set forth in Section 2o of Article VIII, Ohio 33430
Constitution. Except as provided in division (H) of this section, 33431
if a special improvement district is being created under this 33432
chapter for the purpose of developing and implementing plans for 33433
special energy improvement projects or shoreline improvement 33434
projects, the petition required under this division shall be 33435

Each municipal corporation or township with which the 33450
petition is filed has sixty days to approve or disapprove, by 33451
resolution, the petition, including the articles of incorporation. 33452
In the case of a district created by an existing qualified 33453
nonprofit corporation, each municipal corporation or township has 33454
sixty days to approve or disapprove the creation of the district 33455
after the corporation submits the articles of incorporation or 33456
amendments thereto. This chapter does not prohibit or restrict the 33457
rights of municipal corporations under Article XVIII of the Ohio 33458
Constitution or the right of the municipal legislative authority 33459
to impose reasonable conditions in a resolution of approval. The 33460
acquisition, installation, equipping, and improvement of a special 33461
energy improvement project under this chapter shall not supersede 33462
any local zoning, environmental, or similar law or regulation. In 33463
addition, all activities associated with a shoreline improvement 33464
project that is implemented under this chapter shall comply with 33465
all applicable local zoning requirements, all local, state, and 33466

organize the district and the nonprofit corporation to govern the 33484
district; 33485

(6) A plan for public improvements or public services that 33486
benefit all or part of the district, which plan shall comply with 33487

provisions described in the fourth sentence of that division or 33490
listed in divisions (A)(1) to (7) of that section; 33491

(7) If the special improvement district is being created 33492
under this chapter for the purpose of developing and implementing 33493
plans for special energy improvement projects or shoreline 33494

corporations and townships to which it is submitted for approval 33498
and the district is created, each participating subdivision shall 33499
levy a special assessment within its boundaries to pay for the 33500

costs of the initial plan. The levy shall be for no more than ten 33501
years from the date of the approval of the initial plan; except 33502
that if the proceeds of the levy are to be used to pay the costs 33503
of a special energy improvement project or shoreline improvement 33504
project, the levy of a special assessment shall be for no more 33505
than thirty years from the date of approval of the initial plan. 33506
In the event that additional territory is added to a special 33507
improvement district, the special assessment to be levied with 33508
respect to such additional territory shall commence not earlier 33509
than the date such territory is added and shall be for no more 33510
than thirty years from such date. For purposes of levying an 33511
assessment for this initial plan, the services or improvements 33512
included in the initial plan shall be deemed a special benefit to 33513
property owners within the district. 33514

implement plans for public improvements or public services within 33526
the district; 33527

(4) Contract and pay for insurance for the district and for 33528
directors, officers, agents, contractors, employees, or members of 33529
the district for any consequences of the implementation of any 33530
plan adopted by the district or any actions of the district. 33531

The board of directors of a special improvement district may, 33532
acting as agent and on behalf of a participating political 33533
subdivision, sell, transfer, lease, or convey any special energy 33534
improvement project owned by the participating political 33535
subdivision upon a determination by the legislative authority 33536
thereof that the project is not required to be owned exclusively 33537
by the participating political subdivision for its purposes, for 33538
uses determined by the legislative authority thereof as those that 33539
will promote the welfare of the people of such participating 33540
political subdivision; improve the quality of life and the general 33541
and economic well-being of the people of the participating 33542
political subdivision; better ensure the public health, safety, 33543

The legislative authority of each participating political 33551
subdivision shall specify the consideration for such sale, 33552
transfer, lease, or conveyance and any other terms thereof. Any 33553
determinations made by a legislative authority of a participating 33554
political subdivision under this division shall be conclusive. 33555

Any sale, transfer, lease, or conveyance of a special energy 33556
improvement project by a participating political subdivision or 33557
the board of directors of the special improvement district may be 33558
made without advertising, receipt of bids, or other competitive 33559
bidding procedures applicable to the participating political 33560
subdivision or the special improvement district under Chapter 153. 33561
or 735. or section 1710.11 of the Revised Code or other 33562
representative provisions of the Revised Code. 33563

(H) The owner of real property that is part of a planned 33564
community or a condominium development is deemed to have signed 33565
the petitions required under division (E) of this section and 33566
division (B) of section 1710.06 of the Revised Code with respect 33567
to a special improvement district that is being created for the 33568
purpose of developing and implementing plans for shoreline 33569
improvement projects if the district and the projects have been 33570
approved through an alternative process prescribed by the bylaws, 33571
declarations, covenants, and restrictions governing the planned 33572
community or condominium development. Such an alternative process 33573

a district created by an existing qualified nonprofit corporation, 33592
the church is a member of the corporation at the time the district 33593
is created. A county, township, ~~or~~ municipal corporation, or park 33594
district owning real property in the district is not a member of 33595

the district unless such entity specifically requested in writing 33596
that its property be included in the district. 33597

The identity and address of the owners shall be determined 33598
for any particular action of the nonprofit corporation that 33599
governs the district, including notice of meetings of the 33600
district, no more than sixty days prior to the date of the action, 33601
from the most current records available at the county auditor's 33602
office. For purposes of this chapter, the persons shown on such 33603
records as having common or joint ownership interests in a parcel 33604
of real property collectively shall constitute the owner of the 33605
real property. 33606

(B) A member may file a written statement with the district's 33607
secretary at least three days prior to any meeting of the entire 33608
membership of the district to appoint a proxy to carry out the 33609
member's rights and responsibilities under this chapter at that 33610
meeting. 33611

(C) A member also may appoint a designee to carry out the 33612
member's rights and responsibilities under this chapter by filing 33613
a written designation form with the district's secretary. This 33614
form shall include the name and address of the member, the name 33615
and address of the designee, and the expiration date, if any, of 33616
the designation and may authorize the designee to vote at any 33617
meeting of the district. 33618

(D) A proxy or designee need not be an elector or resident of 33619
any participating political subdivision of the district or a 33620
member of the district. The appointment of a proxy or a designee 33621
may be changed by filing a new form with the district's secretary. 33622
The most current form filed with the secretary is the valid 33623
appointment. Service of any notice upon a proxy or designee at the 33624
proxy's or designee's address as shown on that form satisfies any 33625
requirements for notification of the member. 33626

Sec. 1710.06. (A) The board of directors of a special 33627
improvement district may develop and adopt one or more written 33628
plans for public improvements or public services that benefit all 33629
or any part of the district. Each plan shall set forth the 33630
specific public improvements or public services that are to be 33631
provided, identify the area in which they will be provided, and 33632
specify the method of assessment to be used. Each plan for public 33633
improvements or public services shall indicate the period of time 33634
the assessments are to be levied for the improvements and services 33635
and, if public services are included in the plan, the period of 33636
time the services are to remain in effect. Plans for public 33637
improvements may include the planning, design, construction, 33638
reconstruction, enlargement, or alteration of any public 33639
improvements and the acquisition of land for the improvements. 33640
Plans for public improvements or public services may also include, 33641
but are not limited to, provisions for the following: 33642

(1) Creating and operating the district and the nonprofit 33643
corporation under this chapter, including hiring employees and 33644
professional services, contracting for insurance, and purchasing 33645
or leasing office space and office equipment and other 33646
requirements of the district; 33647

(2) Planning, designing, and implementing a public 33648
improvements or public services plan, including hiring 33649
architectural, engineering, legal, appraisal, insurance, 33650
consulting, energy auditing, and planning services, and, for 33651
public services, managing, protecting, and maintaining public and 33652
private facilities, including public improvements; 33653

(3) Conducting court proceedings to carry out this chapter; 33654

(4) Paying damages resulting from the provision of public 33655
improvements or public services and implementing the plans; 33656

(5) Paying the costs of issuing, paying interest on, and 33657

redeeming notes and bonds issued for funding public improvements 33658
and public services plans; 33659

(6) Sale, lease, lease with an option to purchase, conveyance 33660
of other interests in, or other contracts for the acquisition, 33661
construction, maintenance, repair, furnishing, equipping, 33662
operation, or improvement of any special energy improvement 33663
project by the special improvement district, between a 33664
participating political subdivision and the special improvement 33665
district, and between the special improvement district and any 33666
owner of real property in the special improvement district on 33667
which a special energy improvement project has been acquired, 33668
installed, equipped, or improved; and 33669

(7) Aggregating the renewable energy credits generated by one 33670
or more special energy improvement projects within a special 33671
improvement district, upon the consent of the owners of the 33672
credits and for the purpose of negotiating and completing the sale 33673
of such credits. 33674

(B) Once the board of directors of the special improvement 33675
district adopts a plan, it shall submit the plan to the 33676
legislative authority of each participating political subdivision 33677
and the municipal executive of each municipal corporation in which 33678
the district is located, if any. The legislative authorities and 33679
municipal executives shall review the plan and, within sixty days 33680
after receiving it, may submit their comments and recommendations 33681
about it to the district. After reviewing these comments and 33682
recommendations, the board of directors may amend the plan. It may 33683
then submit the plan, amended or otherwise, in the form of a 33684
petition to members of the district whose property may be assessed 33685
for the plan. Once the petition is signed by those members who own 33686
at least sixty per cent of the front footage of property that is 33687
to be assessed and that abuts upon a street, alley, public road, 33688
place, boulevard, parkway, park entrance, easement, or other 33689

public improvement, or those members who own at least seventy-five 33690
per cent of the area to be assessed for the improvement or 33691
service, the petition may be submitted to each legislative 33692
authority for approval. Except as provided in division (H) of 33693
section 1710.02 of the Revised Code, if the special improvement 33694
district was created for the purpose of developing and 33695
implementing plans for special energy improvement projects or 33696
shoreline improvement projects, the petition required under this 33697
division shall be signed by one hundred per cent of the owners of 33698
the area of all real property located within the area to be 33699
assessed for the special energy improvement project or shoreline 33700
improvement project. 33701

Each legislative authority shall, by resolution, approve or 33702
reject the petition within sixty days after receiving it. If the 33703
petition is approved by the legislative authority of each 33704
participating political subdivision, the plan contained in the 33705
petition shall be effective at the earliest date on which a 33706
nonemergency resolution of the legislative authority with the 33707
latest effective date may become effective. A plan may not be 33708
resubmitted to the legislative authorities and municipal 33709
executives more than three times in any twelve-month period. 33710

(C) Each participating political subdivision shall levy, by 33711
special assessment upon specially benefited property located 33712
within the district, the costs of any public improvements or 33713
public services plan contained in a petition approved by the 33714
participating political subdivisions under this section or 33715
division (F) of section 1710.02 of the Revised Code. The levy 33716
shall be made in accordance with the procedures set forth in 33717
Chapter 727. of the Revised Code, except that: 33718

(1) The assessment for each improvements or services plan may 33719
be levied by any one or any combination of the methods of 33720
assessment listed in section 727.01 of the Revised Code, provided 33721

that the assessment is uniformly applied. 33722

(2) For the purpose of levying an assessment, the board of 33723
directors may combine one or more improvements or services plans 33724
or parts of plans and levy a single assessment against specially 33725
benefited property. 33726

(3) For purposes of special assessments levied by a township 33727
pursuant to this chapter, references in Chapter 727. of the 33728
Revised Code to the municipal corporation shall be deemed to refer 33729
to the township, and references to the legislative authority of 33730
the municipal corporation shall be deemed to refer to the board of 33731
township trustees. 33732

(4) Revenue collected from the levy of a special assessment 33733
for the cost of a special energy improvement project may be 33734
assigned and remitted to the Ohio air quality development 33735
authority pursuant to an agreement entered into under section 33736
3706.12 of the Revised Code. 33737

Church property or property owned by a political subdivision, 33738
including any participating political subdivision in which a 33739
special improvement district is located, shall be included in and 33740
be subject to special assessments made pursuant to a plan adopted 33741
under this section or division (F) of section 1710.02 of the 33742
Revised Code, if the church or political subdivision has 33743
specifically requested in writing that its property be included 33744
within the special improvement district and the church or 33745
political subdivision is a member of the district or, in the case 33746
of a district created by an existing qualified nonprofit 33747
corporation, if the church is a member of the corporation. 33748

For tax years 2020 to 2024, qualifying real property, as 33749
defined in section 727.031 of the Revised Code, is exempt from 33750
special assessments levied under division (C) of this section, 33751
provided no delinquent special assessments and related interest 33752

and penalties are levied or assessed against any property owned by 33753
the owner and operator of the qualifying real property for that 33754
tax year. 33755

(D) All rights and privileges of property owners who are 33756
assessed under Chapter 727. of the Revised Code shall be granted 33757
to property owners assessed under this chapter, including those 33758
rights and privileges specified in sections 727.15 to 727.17 and 33759
727.18 to 727.22 of the Revised Code and the right to notice of 33760
the resolution of necessity and the filing of the estimated 33761
assessment under section 727.13 of the Revised Code. Property 33762
owners assessed for public services under this chapter shall have 33763
the same rights and privileges as property owners assessed for 33764
public improvements under this chapter. 33765

Sec. 1710.13. This section does not apply to a special 33766
improvement district created by an existing qualified nonprofit 33767
corporation. 33768

The process for dissolving a special improvement district or 33769
repealing an improvements or services plan may be initiated by a 33770
petition signed by members of the district who own at least twenty 33771
per cent of the appraised value of the real property located in 33772
the district, excluding church property or real property owned by 33773
the federal government, the state, or a county, township, ~~or~~ 33774
municipal corporation, or park district, unless the church, 33775
county, township, ~~or~~ municipal corporation, or park district has 33776
specifically requested in writing that the property be included in 33777
the district, and filed with the municipal executive, if any, and 33778
the legislative authorities of all the participating political 33779
subdivisions of the district. As used in this section, "appraised 33780
value" means the taxable value established by the county auditor 33781
for purposes of real estate taxation. 33782

No later than forty-five days after such a petition is filed, 33783

the members of the district shall meet to consider it. Notice of 33784
the meeting shall be given as provided in section 1710.05 of the 33785
Revised Code. Upon the affirmative vote of members who 33786
collectively own more than fifty per cent of the appraised value 33787
of the real property in the district that may be subject to 33788
assessment under division (C) of section 1710.06 of the Revised 33789
Code, the district shall be dissolved, or the plan shall be 33790
repealed, as applicable. 33791

No rights or obligations of any person under any contract, or 33792
in relation to any bonds, notes, or assessments made under this 33793
chapter, shall be affected by the dissolution of the district or 33794
the repeal of a plan, except with the consent of that person or by 33795
order of a court with jurisdiction over the matter. Upon 33796
dissolution of a district, any assets or rights of the district, 33797
after payment of all bonds, notes, or other obligations of the 33798
district, shall be deposited in a special account in the treasury 33799
of each participating political subdivision, prorated among all 33800
participating political subdivisions to reflect the percentage of 33801
the district's territory within that political subdivision, to be 33802
used for the benefit of the territory that made up the district. 33803

Once the members have approved the repeal of a plan, all 33804
bonds, notes, and other obligations of the district associated 33805
with the plan shall be paid. Thereafter, the plan shall be 33806
repealed. Upon receipt of proof that all bonds, notes, and other 33807
obligations have been paid and that the plan has been repealed, 33808
the participating political subdivisions shall terminate any 33809
levies imposed to pay for costs of the plan. 33810

Sec. 1715.551. (A) As used in this section: 33811

(1)(a) "Benefactor representative" means either of the 33812
following: 33813

(i) The administrator or executor of the estate of a person 33814

who signed a qualified endowment agreement as donor; 33815

(ii) A person designated in a qualified endowment agreement, 33816
whether or not born or existing at the time of such designation, 33817
to act in place of a party to the agreement for the purpose of 33818
resolving disputes about the agreement, including without 33819
limitation, its validity, interpretation, performance, 33820
enforcement, and any action that it contemplates. 33821

(b) "Benefactor representative" does not mean the state 33822
institution of higher education receiving or administering 33823
property under a qualified endowment agreement or any person 33824
designated by such state institution of higher education for any 33825
purpose. 33826

(c) A benefactor representative named in a qualified 33827
endowment agreement shall be the only benefactor representative 33828
for purposes of this section, regardless of the existence of an 33829
administrator or executor of the estate of a person who signed a 33830
qualified endowment agreement as donor. 33831

(2) "Qualified endowment agreement" means a gift instrument, 33832
signed by a person and a state institution of higher education 33833
prior to the effective date of this section, under which the 33834
person commits to transfer property, the aggregate value of which 33835
is at least three million dollars, to that or another state 33836
institution of higher education and the state institution of 33837
higher education commits that it or another state institution of 33838
higher education will hold or administer the property as an 33839
endowment fund, subject to any restrictions on management, 33840
investment, spending, or purpose contained in the gift instrument. 33841

(3) "Aggregate value" includes the full value of all property 33842
transferred by the donor pursuant to the gift instrument, 33843
regardless of whether the state institution of higher education 33844
holds and administers such property as one endowment fund or 33845

divides the property into multiple endowment funds. 33846

(4) "State institution of higher education" has the same 33847
meaning as in section 3345.011 of the Revised Code but also 33848
includes foundations, the corporate purpose of which is solely to 33849
benefit an identified state institution of higher education, as 33850
defined in that section, and that receive, hold, or administer 33851
charitable transfers of property for that state institution of 33852
higher education. 33853

(B) If a state institution of higher education violates a 33854
restriction contained in a qualified endowment agreement on the 33855
management, investment, spending, or purpose of the endowment 33856
fund, the person who signed the qualified endowment agreement as 33857
donor, or the benefactor representative of such person, may notify 33858
the charitable law section of the office of the attorney general 33859
in writing of the violation. 33860

(C)(1) If, within one hundred eighty days after receiving the 33861
notice, the attorney general has not obtained full compliance with 33862
the restriction, and restitution to the endowment fund of property 33863
approximately equal to any value lost due to the violated 33864
restriction, the person who notified the attorney general, or the 33865
benefactor representative of such person, may file a complaint: 33866

(a) For breach of the qualified endowment agreement; or 33867

(b) To obtain a declaration of rights and duties expressed in 33868
the qualified endowment agreement and as to all of the actions it 33869
contemplates, including, without limitation, the interpretation, 33870
performance, and enforcement of the qualified endowment agreement 33871
and determination of its validity. 33872

(2) Each of the following applies to the complaint: 33873

(a) It may be filed regardless of whether the qualified 33874
endowment agreement expressly reserves a right to sue or enforce. 33875

(b) It shall not seek a judgment awarding to the plaintiff damages, court costs, attorney's fees, or any other award of money or other property. 33876
33877
33878

(c) It shall seek only one or both of the following: 33879

(i) Declaratory relief; 33880

(ii) Equitable relief consistent with the charitable purposes expressed in the qualified endowment agreement and consistent with the charitable purposes of the state institution of higher education. 33881
33882
33883
33884

(D) The attorney general may enforce the interests of the beneficiaries of a qualified endowment agreement by filing a complaint for breach or to obtain a declaration of rights and duties expressed in the qualified endowment agreement and as to all of the actions it contemplates, including, without limitation, the interpretation, performance, and enforcement of the qualified endowment agreement and determination of its validity. 33885
33886
33887
33888
33889
33890
33891

(E) A state institution of higher education may obtain a judicial declaration of rights and duties expressed in a qualified endowment agreement and as to all of the actions it contemplates, including, without limitation, the interpretation, performance, and enforcement of the qualified endowment agreement and determination of its validity. The state institution of higher education shall seek such declaration in any suit brought under this section or by filing a complaint. 33892
33893
33894
33895
33896
33897
33898
33899

(F) Every complaint authorized by this section shall be filed in a court of general jurisdiction in the county where the state institution of higher education named as a party has its principal office or principal place of carrying out its charitable purpose, or in a court of the United States whose district includes such county. Every such complaint shall: 33900
33901
33902
33903
33904
33905

(1) Name the attorney general as a party; 33906

(2) Name as parties the state institution of higher education 33907
that signed the qualified endowment agreement or its successor, 33908
and each state institution of higher education that currently 33909
administers property subject to the qualified endowment agreement; 33910

(3) If the attorney general or state institution of higher 33911
education files the complaint within twenty-five years after the 33912
date of the first transfer of property to the state institution of 33913
higher education pursuant to the qualified endowment agreement, 33914
name as a party the person who signed the qualified endowment 33915
agreement as donor, or the benefactor representative of each such 33916
person, if the person or benefactor representative can be located 33917
and identified after diligent inquiry. 33918

(G) The failure to name or join as a party a person who 33919
signed the qualified endowment agreement as donor, or the 33920
benefactor representative of such person, is not jurisdictional. 33921
The court, however, shall not act on the merits of the complaint 33922
or on any motion for an order to address its merits without first 33923
ensuring that the plaintiff has acted diligently to notify such 33924
person or the benefactor representative of such person of the 33925
complaint and, if the person or benefactor representative is 33926
located and identified, affords such person or benefactor 33927
representative an opportunity to be heard or to intervene. 33928

(H) The interest of a person who signed a qualified endowment 33929
agreement as donor, and the interest represented by the benefactor 33930
representative of such person, shall not be presumed to be 33931
identical to the interest of either the attorney general or the 33932
state institution of higher education. 33933

(I)(1) Subject to division (I)(2) of this section, a person 33934
who signed a qualified endowment agreement as donor, or the 33935
benefactor representative of such person, shall file a complaint 33936
authorized by this section within six years after discovery of the 33937
accrual of the cause of action, but in no event shall such a 33938

person or the benefactor representative of such person file a 33939
complaint authorized by this section more than twenty-five years 33940
after the date of the first transfer of property under the 33941
qualified endowment agreement. 33942

(2) If, during the sixth year after discovery of the accrual 33943
of the cause of action, a person who signed a qualified endowment 33944
agreement as donor, or the benefactor representative of such 33945
person, notifies the charitable law section of the office of the 33946
attorney general in writing of a violation by a state institution 33947
of higher education of a restriction contained in the qualified 33948
endowment agreement as authorized by this section, the period 33949
within which such person or benefactor representative must file a 33950
complaint authorized by this section shall be extended 33951
automatically by two hundred ten days. 33952

(J) This section applies only to breaches of qualified 33953
endowment agreements, if those breaches are alleged to have 33954
occurred on or after the effective date of this section. 33955

Sec. 1724.11. (A) When a community improvement corporation is 33956
acting as an agent of a political subdivision designated pursuant 33957
to section 1724.10 of the Revised Code and at all times as a 33958
county land reutilization corporation, both of the following 33959
apply: 33960

(1) Any financial and proprietary information, including 33961
trade secrets, submitted by or on behalf of an entity to the 33962
community improvement corporation in connection with the 33963
relocation, location, expansion, improvement, or preservation of 33964
the business of that entity, or in the pursuit of any one or more 33965
of the purposes under division (B) of section 1724.01 of the 33966
Revised Code for which a county land reutilization corporation is 33967
organized, held or kept by the community improvement corporation, 33968
or by any political subdivision for which the community 33969

improvement corporation is acting as agent, is confidential 33970
information and is not a public record subject to section 149.43 33971
of the Revised Code. 33972

(2) Any other information submitted by or on behalf of an 33973
entity to the community improvement corporation in connection with 33974
the relocation, location, expansion, improvement, or preservation 33975
of the business of that entity held or kept by the community 33976
improvement corporation, or by any political subdivision for which 33977
the community improvement corporation is acting as agent, is 33978
confidential information and is not a public record subject to 33979
section 149.43 of the Revised Code, until the entity commits in 33980
writing to proceed with the relocation, location, expansion, 33981
improvement, preservation of its business, or other purpose under 33982
division (B) of section 1724.01 of the Revised Code. 33983

(B)(1) When the board of directors of a community improvement 33984
corporation or any committee or subcommittee of such a board meets 33985
to consider information that is not a public record pursuant to 33986
division (A) of this section, the board, committee, or 33987
subcommittee, by majority vote of all members present, may close 33988
the meeting during consideration of the confidential information. 33989
The board, committee, or subcommittee shall consider no other 33990
information during the closed session. 33991

(2) Any meeting at which a decision or determination of the 33992
board is required in connection with the relocation, location, 33993
expansion, improvement, or preservation of the business of the 33994
entity or is required in pursuit of any purpose under division (B) 33995
of section 1724.01 of the Revised Code for which a county land 33996
reutilization corporation is organized shall be open to the public 33997
and may be held by interactive video conference or by 33998
teleconference in accordance with division (C) of this section. 33999

(C) The board of directors of a community improvement 34000
corporation may hold a meeting by interactive video conference or 34001

by teleconference in the following manner: 34002

(1) The board establishes a primary meeting location that is 34003
open and accessible to the public. 34004

(2) Meeting-related materials that are available before the 34005
meeting are sent via electronic mail, facsimile, hand-delivery, or 34006
United States postal service to each board member. 34007

(3) In the case of an interactive video conference, the board 34008
causes a clear video and audio connection to be established that 34009
enables all meeting participants at the primary meeting location 34010
to see and hear each board member. 34011

(4) In the case of a teleconference, the board causes a clear 34012
audio connection to be established that enables all meeting 34013
participants at the primary meeting location to hear each board 34014
member. 34015

(5) All board members have the capability to receive 34016
meeting-related materials that are distributed during a board 34017
meeting. 34018

(6) A roll call voice vote is recorded for each vote taken. 34019

(7) The minutes of the board meeting identify which board 34020
members remotely attended the meeting by interactive video 34021

(b) In determining for purposes of division (F)(4)(a)(i) of this section whether a youth is a threat to the safety and

security of the facility, evidence that the youth is a threat to 35833
the safety and security of the facility may include, but is not 35834
limited to, whether the youth has done any of the following: 35835

this section or if the court submits its own motion, the juvenile 35847
court shall hold a hearing within five days of the filing of the 35848
motion, and, in determining whether a place other than those 35849
specified in division (B) of this section is the appropriate place 35850
of confinement for the person, the court shall consider the 35851
following factors: 35852

(i) The age of the person; 35853

(ii) Whether the person would be deprived of contact with 35854
other people for a significant portion of the day or would not 35855
have access to recreational facilities or age-appropriate 35856
educational opportunities in order to provide physical separation 35857
from adults; 35858

(iii) The person's current emotional state, intelligence, and 35859
developmental maturity, including any emotional and psychological 35860
trauma, and the risk to the person in an adult facility, which may 35861
be evidenced by mental health or psychological assessments or 35862
screenings made available to the prosecuting attorney and the 35863

defense counsel;	35864
(iv) Whether detention in a juvenile facility would	35865
adequately serve the need for community protection pending the	35866
outcome of the criminal proceeding;	35867
(v) The relative ability of the available adult and juvenile	35868
detention facilities to meet the needs of the person, including	35869
the person's need for age-appropriate mental health and	35870
educational services delivered by individuals specifically trained	35871
to deal with youth;	35872

self-inflicted harm or an imminent risk of harm to others within a	35874
juvenile facility;	35875
(vii) Any other factors the juvenile court considers to be	35876
relevant.	35877
(d) If the juvenile court determines that a place other than	35878
those specified in division (B) of this section is the appropriate	35879
place for confinement of a person pursuant to division (F)(4)(a)	35880
of this section, the person may petition the juvenile court for a	35881
review hearing thirty days after the initial confinement decision,	35882
thirty days after any subsequent review hearing, or at any time	35883
after the initial confinement decision upon an emergency petition	35884
by the youth due to the youth facing an imminent danger from	35885
others or the youth's self. Upon receipt of the petition, the	35886
juvenile court has discretion over whether to conduct the review	35887
hearing and may set the matter for a review hearing if the youth	35888
has alleged facts or circumstances that, if true, would warrant	35889
reconsideration of the youth's placement in a place other than	35890
those specified in division (B) of this section based on the	35891
factors listed in division (F)(4)(c) of this section.	35892
(e) Upon the admission of a person described in division	35893
(F)(4)(a) of this section to a place other than those specified in	35894

division (B) of this section, the facility shall advise the person 35895
of the person's right to request a review hearing as described in 35896
division (F)(4)(d) of this section. 35897

(f) Any person transferred under division (F)(4)(a) of this 35898
section to a place other than those specified in division (B) of 35899
this section shall be confined in a manner that keeps those under 35900
eighteen years of age beyond sight and sound of all adult 35901

at all times during the detention. 35903

(G)(1) If a person who is alleged to be or has been 35904

Code, the offender shall pay reimbursements imposed upon the 37324
offender pursuant to division (A)(5)(a) of this section to pay the 37325
costs incurred by a municipal corporation pursuant to any sanction 37326
imposed under this section or section 2929.16 or 2929.17 of the 37327
Revised Code or in operating a facility used to confine offenders 37328
pursuant to a sanction imposed under section 2929.16 of the 37329
Revised Code to the treasurer of the municipal corporation. The 37330
treasurer shall deposit the reimbursements in a special fund that 37331
shall be established in the treasury of each municipal 37332
corporation. The municipal corporation shall use the amounts 37333
deposited in the fund to pay the costs incurred by the municipal 37334
corporation pursuant to any sanction imposed under this section or 37335
section 2929.16 or 2929.17 of the Revised Code or in operating a 37336
facility used to confine offenders pursuant to a sanction imposed 37337
under section 2929.16 of the Revised Code. 37338

(3) Except as provided in section 2951.021 of the Revised 37339
Code, the offender shall pay reimbursements imposed pursuant to 37340
division (A)(5)(a) of this section for the costs incurred by a 37341
private provider pursuant to a sanction imposed under this section 37342
or section 2929.16 or 2929.17 of the Revised Code to the provider. 37343

(D) Except as otherwise provided in this division, a 37344
financial sanction imposed pursuant to division (A) or (B) of this 37345
section is a judgment in favor of the state or a political 37346

division (D)(1) of this section, through execution as described in 37367
division (D)(2) of this section, or through an order as described 37368
in division (D)(3) of this section, and the offender shall be 37369
considered for purposes of the collection as the judgment debtor. 37370
Imposition of a financial sanction and execution on the judgment 37371
does not preclude any other power of the court to impose or 37372
enforce sanctions on the offender. Once the financial sanction is 37373
imposed as a judgment or order under this division, the victim, 37374
private provider, state, or political subdivision may do any of 37375
the following: 37376

imposed pursuant to this section or section 2929.32 of the Revised 37416
Code, a court shall comply with sections 307.86 to 307.92 of the 37417
Revised Code. 37418

(G) If a court that imposes a financial sanction under 37419
division (A) or (B) of this section finds that an offender 37420
satisfactorily has completed all other sanctions imposed upon the 37421
offender and that all restitution that has been ordered has been 37422
paid as ordered, the court may suspend any financial sanctions 37423
imposed pursuant to this section or section 2929.32 of the Revised 37424
Code that have not been paid. 37425

(H) No financial sanction imposed under this section or 37426
section 2929.32 of the Revised Code shall preclude a victim from 37427
bringing a civil action against the offender. 37428

(I) If the court imposes restitution, fines, fees, or 37429
incarceration costs on a business or corporation, it is the duty 37430
of the person authorized to make disbursements from the assets of 37431
the business or corporation to pay the restitution, fines, fees, 37432
or incarceration costs from those assets. 37433

(J) If an offender is sentenced to pay restitution, a fine, 37434
fee, or incarceration costs, the clerk of the sentencing court, on 37435
request, shall make the offender's payment history available to 37436
the prosecutor, victim, victim's representative, victim's 37437
attorney, if applicable, the probation department, and the court 37438
without cost. 37439

Sec. 2929.28. (A) In addition to imposing court costs 37440
pursuant to section 2947.23 of the Revised Code, the court 37441

a minor misdemeanor, may sentence the offender to any financial 37443
sanction or combination of financial sanctions authorized under 37444
this section and, if the offender is being sentenced for a 37445
criminal offense as defined in section 2930.01 of the Revised 37446
Code, shall sentence the offender to make restitution pursuant to 37447
this section and section 2929.281 of the Revised Code. If the 37448
court, in its discretion or as required by this section, imposes 37449
one or more financial sanctions, the financial sanctions that may 37450
be imposed pursuant to this section include, but are not limited 37451
to, the following: 37452

(1) Unless the misdemeanor offense could be disposed of by 37453
the traffic violations bureau serving the court under Traffic Rule 37454

crime or the victim's estate, in an amount based on the victim's 37456
economic loss. The court may not impose restitution as a sanction 37457
pursuant to this division if the offense could be disposed of by 37458
the traffic violations bureau serving the court under Traffic Rule 37459
13. If the court requires restitution, the court shall order that 37460
the restitution be made to the victim in open court or to the 37461
adult probation department that serves the jurisdiction or the 37462
clerk of the court on behalf of the victim. 37463

The court shall determine the amount of restitution to be 37464
paid by the offender. The victim, victim's representative, 37465
victim's attorney, if applicable, the prosecutor or the 37466
prosecutor's designee, and the offender may provide information 37467
relevant to the determination of the amount of restitution. The 37468
amount the court orders as restitution shall not exceed the amount 37469
of the economic loss suffered by the victim as a direct and 37470
proximate result of the commission of the offense. If the court 37471
imposes restitution for the cost of accounting or auditing done to 37472
determine the extent of economic loss, the court may order 37473

restitution for any amount of the victim's costs of accounting or 37474
auditing provided that the amount of restitution is reasonable and 37475
does not exceed the value of property or services stolen or 37476
damaged as a result of the offense. If the court decides to or is 37477
required to impose restitution, the court shall hold an 37478
evidentiary hearing on restitution if the offender, victim, 37479
victim's representative, victim's attorney, if applicable, or 37480
victim's estate disputes the amount of restitution. The court 37481
shall determine the amount of full restitution by a preponderance 37482
of the evidence. 37483

All restitution payments shall be credited against any 37484
recovery of economic loss in a civil action brought by the victim 37485
or the victim's estate against the offender. No person may 37486
introduce evidence of an award of restitution under this section 37487
in a civil action for purposes of imposing liability against an 37488
insurer under section 3937.18 of the Revised Code. 37489

The court may order that the offender pay a surcharge, of not 37490
more than five per cent of the amount of the restitution otherwise 37491
ordered, to the entity responsible for collecting and processing 37492
restitution payments. 37493

The victim, victim's attorney, if applicable, or the attorney 37494
for the victim's estate may request that the prosecutor in the 37495
case file a motion, or the offender may file a motion, for 37496
modification of the payment terms of any restitution ordered. If 37497
the court grants the motion, it may modify the payment terms as it 37498

pay the financial sanction imposed pursuant to this section or 37547
court costs or is likely in the future to be able to pay the 37548
sanction or costs. 37549

If the court determines that the offender is indigent and 37550
unable to pay the financial sanction or court costs, the court 37551

Revised Code in lieu of or in addition to imposing a financial 37561
sanction under this section and in addition to imposing court 37562

the entity operating the jail or other residential facility, and 37624
the offender subject to the financial sanction is the judgment 37625

division (A)(1) of this section is an order in favor of the victim 37627
of the offender's criminal act that can be collected through a 37628
certificate of judgment as described in division (E)(1) of this 37629
section, through execution as described in division (E)(2) of this 37630

section, or through an order as described in division (E)(3) of 37631
this section, and the offender shall be considered for purposes of 37632

municipal court not operated by a county, or by any other 37664
reasonable method, in any time, and on any terms that court 37665
considers just, except that the maximum time permitted for payment 37666
shall not exceed five years. If the court is a county court or a 37667
municipal court operated by a county, the acceptance of payments 37668
by any financial transaction device shall be governed by the 37669
policy adopted by the board of county commissioners of the county 37670
pursuant to section 301.28 of the Revised Code. If the court is a 37671
municipal court not operated by a county, the clerk may pay any 37672
fee associated with processing an electronic transfer out of 37673
public money or may charge the fee to the offender. 37674

(3) To defray administrative costs, charge a reasonable fee 37675
to an offender who elects a payment plan rather than a lump sum 37676
payment of any financial sanction. 37677

(H) No financial sanction imposed under this section shall 37678
preclude a victim from bringing a civil action against the 37679
offender. 37680

(I) If the court imposes restitution, fines, fees, or 37681

incarceration costs from those assets. 37685

(J) If an offender is sentenced to pay restitution, a fine, 37686

(B) The law enforcement agency responsible for investigating 37816

a criminal offense or delinquent act shall retain any property of 37817
the victim of the criminal offense or delinquent act that is 37818

the victim and the victim's representative of the name of the 37854
custodial agency of the defendant or alleged juvenile offender and 37855
tell the victim and the victim's representative how to contact 37856
that custodial agency. If the custodial agency is the department 37857

division (A)(3) or (B) of section 2971.03 of the Revised Code, on 37890
the request of the victim or victim's representative or in 37891
accordance with division (D) of this section, the court or the 37892
court's designee shall notify the prosecutor in the case and the 37893
prosecutor promptly shall notify the victim and the victim's 37894
representative, if applicable, of any hearing to be conducted 37895

with division (C) of that section, whether to continue, revise, or 37899
revoke any existing modification of that requirement, or whether 37900
to terminate the prison term in accordance with division (D) of 37901
that section. If the court does not hold a hearing or if the 37902
victim and victim's representative, if applicable, do not attend 37903

after commitment, of the defendant's or alleged juvenile 37963
offender's absence without leave from a mental health or 37964

(D)(1) If a defendant is incarcerated for the commission of 37980
aggravated murder, murder, or an offense of violence that is a 37981
felony of the first, second, or third degree or is under a 37982
sentence of life imprisonment or if an alleged juvenile offender 37983
has been charged with the commission of an act that would be 37984

felony of the first, second, or third degree or be subject to a 37986
sentence of life imprisonment if committed by an adult, except as 37987
otherwise provided in this division, the notices described in 37988
divisions (B) and (C) of this section shall be given regardless of 37989
whether the victim or victim's representative has requested the 37990
notification. The notices described in divisions (B) and (C) of 37991
this section shall not be given under this division to a victim or 37992
victim's representative if the victim or victim's representative 37993
has requested pursuant to division (B)(2) of section 2930.03 of 37994
the Revised Code that the victim or victim's representative not be 37995

representative has requested that the notices described in 37997
division (C) of this section be provided or not be provided, the 37998
custodial agency shall give notice similar to those notices to the 37999
prosecutor in the case, to the sentencing court, to the law 38000
enforcement agency that arrested the defendant or alleged juvenile 38001
offender if any officer of that agency was a victim of the 38002
offense, and to any member of the victim's immediate family who 38003
requests notification. If the notice given under this division to 38004
the victim and victim's representative is based on an offense 38005
committed prior to March 22, 2013, and if the prosecutor or 38006
custodial agency has not previously successfully provided any 38007
notice to the victim and victim's representative under this 38008

division or division (B) or (C) of this section with respect to 38009
that offense and the offender who committed it, the notice also 38010
shall inform the victim and victim's representative that the 38011
victim or victim's representative may request that the victim or 38012
victim's representative not be provided any further notices with 38013
respect to that offense and the offender who committed it and 38014
shall describe the procedure for making that request. If the 38015

and shall provide an explanation of a victim conference. 38022

The prosecutor or custodial agency may give the notices to 38023
which this division applies by any reasonable means, including, 38024
but not limited to, regular mail, telephone, and electronic mail. 38025
If the prosecutor or custodial agency attempts to provide notice 38026
to a victim or victim's representative under this division but the 38027
attempt is unsuccessful because the prosecutor or custodial agency 38028
is unable to locate the victim or victim's representative, is 38029
unable to provide the notice by its chosen method because it 38030
cannot determine the mailing address, telephone number, or 38031
electronic mail address at which to provide the notice, or, if the 38032
notice is sent by mail, the notice is returned, the prosecutor or 38033
custodial agency shall make another attempt to provide the notice 38034
to the victim or victim's representative. If the second attempt is 38035
unsuccessful, the prosecutor or custodial agency shall make at 38036
least one more attempt to provide the notice. If the notice is 38037
based on an offense committed prior to March 22, 2013, in each 38038
attempt to provide the notice to the victim or victim's 38039
representative, the notice shall include the opt-out information 38040
described in the preceding paragraph. The prosecutor or custodial 38041

agency, in accordance with division (D)(2) of this section, shall 38042
keep a record of all attempts to provide the notice, and of all 38043
notices provided, under this division. 38044

Division (D)(1) of this section, and the notice-related 38045
provisions of divisions (E)(2) and (K) of section 2929.20, 38046
division (H) of section 2967.12, division (E)(1)(b) of section 38047
2967.19 as it existed prior to the effective date of this 38048
amendment, division (A)(3)(b) of section 2967.26, division (D)(1) 38049
of section 2967.28, and division (A)(2) of section 5149.101 of the 38050
Revised Code enacted in the act in which division (D)(1) of this 38051
section was enacted, shall be known as "Roberta's Law." 38052

(2) Each prosecutor and custodial agency that attempts to 38053
give any notice to which division (D)(1) of this section applies 38054
shall keep a record of all attempts to give the notice. The record 38055
shall indicate the person who was to be the recipient of the 38056
notice, the date on which the attempt was made, the manner in 38057
which the attempt was made, and the person who made the attempt. 38058
If the attempt is successful and the notice is given, the record 38059
shall indicate that fact. The record shall be kept in a manner 38060
that allows public inspection of attempts and notices given to 38061
persons other than victims or victims' representatives without 38062
revealing the names, addresses, or other identifying information 38063
relating to victims or victims' representatives. The record of 38064
attempts and notices given to victims or victims' representatives 38065
is not a public record, but the prosecutor or custodial agency 38066
shall provide upon request a copy of that record to a prosecuting 38067
attorney, judge, law enforcement agency, or member of the general 38068
assembly. The record of attempts and notices given to persons 38069
other than victims or victims' representatives is a public record. 38070
A record kept under this division may be indexed by offender name, 38071
or in any other manner determined by the prosecutor or the 38072
custodial agency. Each prosecutor or custodial agency that is 38073

required to keep a record under this division shall determine the 38074
procedures for keeping the record and the manner in which it is to 38075
be kept, subject to the requirements of this division. 38076

(E) The adult parole authority shall adopt rules under 38077
Chapter 119. of the Revised Code providing for a victim 38078
conference, upon request of the victim, a member of the victim's 38079
immediate family, or the victim's representative, prior to a 38080
parole hearing in the case of a prisoner who is incarcerated for 38081
the commission of aggravated murder, murder, or an offense of 38082
violence that is a felony of the first, second, or third degree or 38083
is under a sentence of life imprisonment. The rules shall provide 38084

(2) Allotment of up to one hour for the conference; 38089

(3) A specification of the number of persons specified in 38090
division (E)(1) of this section who may be present at any single 38091
victim conference, if limited by the department pursuant to 38092
division (F) of this section. 38093

(F) The department may limit the number of persons specified 38094
in division (E)(1) of this section who may be present at any 38095
single victim conference, provided that the department shall not 38096
limit the number of persons who may be present at any single 38097
conference to fewer than three. If the department limits the 38098
number of persons who may be present at any single victim 38099
conference, the department shall permit and schedule, upon request 38100
of the victim, a member of the victim's immediate family, or the 38101
victim's representative, multiple victim conferences for the 38102
persons specified in division (E)(1) of this section. 38103

the Revised Code: 38190

found not guilty by reason of insanity lives and receives 38230
treatment in the community for a period of time that does not 38231
exceed the maximum prison term or term of imprisonment that the 38232
person could have received for the offense in question had the 38233
person been convicted of the offense instead of being found 38234
incompetent to stand trial on the charge of the offense or being 38235
found not guilty by reason of insanity relative to the offense. 38236

(7) "Licensed clinical psychologist," "person with a mental 38237

court, or a municipal court, the court, prosecutor, or defense may 38246
raise the issue of the defendant's competence to stand trial. If 38247
the issue is raised before the trial has commenced, the court 38248
shall hold a hearing on the issue as provided in this section. If 38249
the issue is raised after the trial has commenced, the court shall 38250
hold a hearing on the issue only for good cause shown or on the 38251
court's own motion. 38252

(C) The court shall conduct the hearing required or 38253
authorized under division (B) of this section within thirty days 38254
after the issue is raised, unless the defendant has been referred 38255
for evaluation in which case the court shall conduct the hearing 38256
within ten days after the filing of the report of the evaluation 38257
or, in the case of a defendant who is ordered by the court 38258
pursuant to division (I) of section 2945.371 of the Revised Code 38259
to undergo a separate intellectual disability evaluation conducted 38260

by a psychologist designated by the director of developmental 38261
disabilities, within ten days after the filing of the report of 38262
the separate intellectual disability evaluation under that 38263
division. A hearing may be continued for good cause. 38264

(D) The defendant shall be represented by counsel at the 38265
hearing conducted under division (C) of this section. If the 38266
defendant is unable to obtain counsel, the court shall appoint 38267
counsel under Chapter 120. of the Revised Code or under the 38268
authority recognized in division (C) of section 120.06, division 38269

2941.51 of the Revised Code before proceeding with the hearing. 38271

(E) The prosecutor and defense counsel may submit evidence on 38272
the issue of the defendant's competence to stand trial. A written 38273
report of the evaluation of the defendant may be admitted into 38274
evidence at the hearing by stipulation, but, if either the 38275
prosecution or defense objects to its admission, the report may be 38276
admitted under sections 2317.36 to 2317.38 of the Revised Code or 38277
any other applicable statute or rule. 38278

(F) The court shall not find a defendant incompetent to stand 38279
trial solely because the defendant is receiving or has received 38280
treatment as a voluntary or involuntary patient with a mental 38281
illness under Chapter 5122. or a voluntary or involuntary resident 38282
with an intellectual disability under Chapter 5123. of the Revised 38283
Code or because the defendant is receiving or has received 38284
psychotropic drugs or other medication, even if the defendant 38285
might become incompetent to stand trial without the drugs or 38286
medication. 38287

(G) A defendant is presumed to be competent to stand trial. 38288
If, after a hearing, the court finds by a preponderance of the 38289
evidence that, because of the defendant's present mental 38290
condition, the defendant is incapable of understanding the nature 38291
and objective of the proceedings against the defendant or of 38292

assisting in the defendant's defense, the court shall find the 38293
defendant incompetent to stand trial and shall enter an order 38294
authorized by section 2945.38 of the Revised Code. 38295

(H) Municipal courts shall follow the procedures set forth in 38296
sections 2945.37 to 2945.402 of the Revised Code. Except as 38297
provided in section 2945.371 of the Revised Code, a municipal 38298
court shall not order an evaluation of the defendant's competence 38299
to stand trial or the defendant's mental condition at the time of 38300
the commission of the offense to be conducted at any hospital 38301
operated by the department of mental health and addiction 38302
services. Those evaluations shall be performed through community 38303
resources including, but not limited to, certified forensic 38304
centers, court probation departments, and community mental health 38305
services providers. All expenses of the evaluations shall be borne 38306
by the legislative authority of the municipal court, as defined in 38307
section 1901.03 of the Revised Code, and shall be taxed as costs 38308
in the case. If a defendant is found incompetent to stand trial or 38309
not guilty by reason of insanity, a municipal court may commit the 38310
defendant as provided in sections 2945.38 to 2945.402 of the 38311
Revised Code. 38312

Sec. 2945.38. (A) If the issue of a defendant's competence to 38313
stand trial is raised and if the court, upon conducting the 38314
hearing provided for in section 2945.37 of the Revised Code, finds 38315
that the defendant is competent to stand trial, the defendant 38316
shall be proceeded against as provided by law. If the court finds 38317
the defendant competent to stand trial and the defendant is 38318
receiving psychotropic drugs or other medication, the court may 38319
authorize the continued administration of the drugs or medication 38320
or other appropriate treatment in order to maintain the 38321
defendant's competence to stand trial, unless the defendant's 38322
attending physician advises the court against continuation of the 38323
drugs, other medication, or treatment. 38324

(B)(1)(a)(i) If the defendant has been charged with a felony 38325
offense or a misdemeanor offense of violence for which the 38326
prosecutor has not recommended the procedures under division 38327
(B)(1)(a)(vi) of this section and if, after taking into 38328
consideration all relevant reports, information, and other 38329
evidence, the court finds that the defendant is incompetent to 38330
stand trial and that there is a substantial probability that the 38331
defendant will become competent to stand trial within one year if 38332
the defendant is provided with a course of treatment, the court 38333
shall order the defendant to undergo treatment. 38334

(ii) If the defendant has been charged with a felony offense 38335
and if, after taking into consideration all relevant reports, 38336
information, and other evidence, the court finds that the 38337
defendant is incompetent to stand trial, but the court is unable 38338
at that time to determine whether there is a substantial 38339
probability that the defendant will become competent to stand 38340
trial within one year if the defendant is provided with a course 38341
of treatment, the court shall order continuing evaluation and 38342
treatment of the defendant for a period not to exceed four months 38343
to determine whether there is a substantial probability that the 38344
defendant will become competent to stand trial within one year if 38345
the defendant is provided with a course of treatment. 38346

(iii) If the defendant has not been charged with a felony 38347
offense but has been charged with a misdemeanor offense of 38348
violence and if, after taking into consideration all relevant 38349
reports, information, and other evidence, the court finds that the 38350
defendant is incompetent to stand trial, but the court is unable 38351
at that time to determine whether there is a substantial 38352
probability that the defendant will become competent to stand 38353
trial within the time frame permitted under division (C)(1) of 38354
this section, the court may order continuing evaluation and 38355
treatment of the defendant for a period not to exceed the maximum 38356

period permitted under that division. 38357

(iv) If the defendant has not been charged with a felony 38358
offense or a misdemeanor offense of violence, but has been charged 38359
with a misdemeanor offense that is not a misdemeanor offense of 38360
violence and if, after taking into consideration all relevant 38361
reports, information, and other evidence, the court finds that the 38362
defendant is incompetent to stand trial, but the court is unable 38363
at that time to determine whether there is a substantial 38364
probability that the defendant will become competent to stand 38365
trial within the time frame permitted under division (C)(1) of 38366
this section, the court shall dismiss the charges and follow the 38367
process outlined in division (B)(1)(a)(v)(I) of this section. 38368

(v) If the defendant has not been charged with a felony 38369
offense or a misdemeanor offense of violence, or if the defendant 38370
has been charged with a misdemeanor offense of violence and the 38371
prosecutor has recommended the procedures under division 38372
(B)(1)(a)(vi) of this section, and if, after taking into 38373
consideration all relevant reports, information, and other 38374
evidence, the trial court finds that the defendant is incompetent 38375
to stand trial, the trial court shall do one of the following: 38376

(I) Dismiss the charges pending against the defendant. A 38377
dismissal under this division is not a bar to further prosecution 38378
based on the same conduct. Upon dismissal of the charges, the 38379
trial court shall discharge the defendant unless the court or 38380
prosecutor, after consideration of the requirements of section 38381
5122.11 of the Revised Code, files an affidavit in probate court 38382
alleging that the defendant is a mentally ill person subject to 38383
court order or a person with an intellectual disability subject to 38384
institutionalization by court order. If an affidavit is filed in 38385
probate court, the trial court may detain the defendant for ten 38386
days pending a hearing in the probate court and shall send to the 38387
probate court copies of all written reports of the defendant's 38388

mental condition that were prepared pursuant to section 2945.371 38389
of the Revised Code. The trial court or prosecutor shall specify 38390
in the appropriate space on the affidavit that the defendant is a 38391
person described in this subdivision. 38392

(II) Order the defendant to undergo outpatient competency 38393
restoration treatment at a facility operated or certified by the 38394
department of mental health and addiction services as being 38395
qualified to treat mental illness, at a public or community mental 38396
health facility, at a jail that employs or contracts with an 38397
individual or entity listed in division (B)(1)(b)(i) of this 38398
section to provide treatment or continuing evaluation and 38399
treatment at a jail, or in the care of a psychiatrist or other 38400
mental health professional. If a defendant who has been released 38401
on bail or recognizance refuses to comply with court-ordered 38402
outpatient treatment under this division, the court may dismiss 38403
the charges pending against the defendant and proceed under 38404
division (B)(1)(a)(v)(I) of this section or may amend the 38405
conditions of bail or recognizance and order the sheriff to take 38406
the defendant into custody and deliver the defendant to a center, 38407
~~program,~~ or facility operated or certified by the department of 38408
mental health and addiction services for treatment. 38409

(vi) If the defendant has not been charged with a felony 38410
offense but has been charged with a misdemeanor offense of 38411
violence and after taking into consideration all relevant reports, 38412
information, and other evidence, the court finds that the 38413
defendant is incompetent to stand trial, the prosecutor in the 38414
case may recommend that the court follow the procedures prescribed 38415
in division (B)(1)(a)(v) of this section. If the prosecutor does 38416
not make such a recommendation, the court shall follow the 38417
procedures in division (B)(1)(a)(i) of this section. 38418

~~(b)(b)(i)~~ The court order for the defendant to undergo 38419
treatment or continuing evaluation and treatment under division 38420

(B)(1)(a) of this section shall specify that the defendant, if 38421
determined to require mental health treatment or continuing 38422
evaluation and treatment, ~~either~~ shall be committed to ~~the one of~~ 38423
the following: 38424

(I) The department of mental health and addiction services 38425
for treatment or continuing evaluation and treatment at a 38426
hospital, facility, or agency, as determined to be clinically 38427
appropriate by the department ~~of mental health and addiction~~ 38428
~~services or shall be committed to a;~~ 38429

(II) A facility certified by the department of mental health 38430
and addiction services as being qualified to treat mental illness, 38431
~~to a;~~ 38432

(III) A public or community mental health facility, ~~or to a;~~ 38433

(IV) A jail that employs or contracts with an entity or 38434
individual listed in division (B)(1)(b)(i) of this section to 38435
provide treatment or continuing evaluation and treatment at a 38436
jail; 38437

(V) A psychiatrist or another mental health professional for 38438
treatment or continuing evaluation and treatment. ~~Prior~~ 38439

(ii) Prior to placing the defendant, the department of mental 38440
health and addiction services shall obtain court approval for that 38441
placement following a hearing. The court order for the defendant 38442
to undergo treatment or continuing evaluation and treatment under 38443
division (B)(1)(a) of this section shall specify that the 38444
defendant, if determined to require treatment or continuing 38445
evaluation and treatment for an intellectual disability, shall 38446
receive treatment or continuing evaluation and treatment at an 38447
institution or facility operated by the department of 38448
developmental disabilities, at a facility certified by the 38449
department of developmental disabilities as being qualified to 38450
treat intellectual disabilities, at a public or private 38451

intellectual disabilities facility, or by a psychiatrist or 38452
another intellectual disabilities professional. In any case, the 38453
order may restrict the defendant's freedom of movement as the 38454
court considers necessary. The prosecutor in the defendant's case 38455
shall send to the chief clinical officer of the hospital, 38456
facility, or agency where the defendant is placed by the 38457
department of mental health and addiction services, or to the 38458
managing officer or director of the institution, ~~the director of~~ 38459
~~the program or~~ facility, or jail, or the person to which the 38460
defendant is committed, copies of relevant police reports and 38461
other background information that pertains to the defendant and is 38462
available to the prosecutor unless the prosecutor determines that 38463
the release of any of the information in the police reports or any 38464
of the other background information to unauthorized persons would 38465
interfere with the effective prosecution of any person or would 38466
create a substantial risk of harm to any person. 38467

(iii) In determining the place of commitment, the court shall 38468
consider the extent to which the person is a danger to the person 38469
and to others, the need for security, the availability of housing 38470
and supportive services, including outpatient mental health 38471
services in the community, and the type of crime involved and 38472
shall order the least restrictive alternative available that is 38473
consistent with public safety and treatment goals. In weighing 38474
these factors, the court shall give preference to protecting 38475
public safety and the availability of housing and supportive 38476
services. 38477

(c) If the defendant is found incompetent to stand trial, if 38478
the chief clinical officer of the hospital, facility, or agency 38479
where the defendant is placed, or the managing officer or director 38480
of the institution, ~~the director of the program or~~ facility, or 38481
jail, or the person to which the defendant is committed for 38482
treatment or continuing evaluation and treatment under division 38483

(B)(1)(b) of this section determines that medication is necessary 38484
to restore the defendant's competency to stand trial, and if the 38485
defendant lacks the capacity to give informed consent or refuses 38486
medication, the chief clinical officer of the hospital, facility, 38487
or agency where the defendant is placed, or the managing officer 38488
or director of the institution, ~~the director of the program or~~ 38489
facility, or jail, or the person to which the defendant is 38490
committed for treatment or continuing evaluation and treatment may 38491
petition the court for authorization for the involuntary 38492
administration of medication. The court shall hold a hearing on 38493
the petition within five days of the filing of the petition if the 38494
petition was filed in a municipal court or a county court 38495
regarding an incompetent defendant charged with a misdemeanor or 38496
within ten days of the filing of the petition if the petition was 38497
filed in a court of common pleas regarding an incompetent 38498
defendant charged with a felony offense. Following the hearing, 38499
the court may authorize the involuntary administration of 38500
medication or may dismiss the petition. 38501

(2) If the court finds that the defendant is incompetent to 38502
stand trial and that, even if the defendant is provided with a 38503
course of treatment, there is not a substantial probability that 38504
the defendant will become competent to stand trial within one 38505
year, the court shall order the discharge of the defendant, unless 38506
upon motion of the prosecutor or on its own motion, the court 38507
either seeks to retain jurisdiction over the defendant pursuant to 38508
section 2945.39 of the Revised Code or files an affidavit in the 38509
probate court for the civil commitment of the defendant pursuant 38510
to Chapter 5122. or 5123. of the Revised Code alleging that the 38511
defendant is a person with a mental illness subject to court order 38512
or a person with an intellectual disability subject to 38513
institutionalization by court order. If an affidavit is filed in 38514
the probate court, the trial court shall send to the probate court 38515
copies of all written reports of the defendant's mental condition 38516

that were prepared pursuant to section 2945.371 of the Revised Code. 38517
38518

The trial court may issue the temporary order of detention that a probate court may issue under section 5122.11 or 5123.71 of the Revised Code, to remain in effect until the probable cause or initial hearing in the probate court. Further proceedings in the probate court are civil proceedings governed by Chapter 5122. or 5123. of the Revised Code. 38519
38520
38521
38522
38523
38524

(C) No defendant shall be required to undergo treatment, including any continuing evaluation and treatment, under division (B)(1) of this section for longer than whichever of the following periods is applicable: 38525
38526
38527
38528

(1) One year, if the most serious offense with which the defendant is charged is one of the following offenses: 38529
38530

(a) Aggravated murder, murder, or an offense of violence for which a sentence of death or life imprisonment may be imposed; 38531
38532

(b) An offense of violence that is a felony of the first or second degree; 38533
38534

(c) A conspiracy to commit, an attempt to commit, or complicity in the commission of an offense described in division (C)(1)(a) or (b) of this section if the conspiracy, attempt, or complicity is a felony of the first or second degree. 38535
38536
38537
38538

(2) Six months, if the most serious offense with which the defendant is charged is a felony other than a felony described in division (C)(1) of this section; 38539
38540

(3) Sixty days, if the most serious offense with which the defendant is charged is a misdemeanor of the first or second degree; 38542
38543
38544

(4) Thirty days, if the most serious offense with which the defendant is charged is a misdemeanor of the third or fourth 38545
38546

degree, a minor misdemeanor, or an unclassified misdemeanor. 38547

(D) Any defendant who is committed pursuant to this section 38548
shall not voluntarily admit the defendant or be voluntarily 38549
admitted to a hospital or institution pursuant to section 5122.02, 38550

the continuing evaluation and treatment of the defendant ordered 38562
under division (B)(1)(a) of this section informs the court that 38563
the treatment or continuing evaluation and treatment cannot be 38564
provided at the hospital or facility where the defendant is placed 38565
by the department of mental health and addiction services or the 38566
institution ~~or~~, facility, or jail to which the defendant is 38567

defendant is committed, or a designee of any of those persons, may 38572
grant a defendant movement to a medical facility for an emergency 38573
medical situation with appropriate supervision to ensure the 38574
safety of the defendant, staff, and community during that 38575
emergency medical situation. The chief clinical officer of the 38576
hospital or facility where the defendant is placed by the 38577
department of mental health and addiction services or the managing 38578

officer or director of the institution ~~or director of the~~, 38579

the court within twenty-four hours of the defendant's movement to 38581
the medical facility for an emergency medical situation under this 38582
division. 38583

(F) The person who supervises the treatment or continuing 38584
evaluation and treatment of a defendant ordered to undergo 38585
treatment or continuing evaluation and treatment under division 38586
(B)(1)(a) of this section shall file a written report with the 38587
court at the following times: 38588

(1) Whenever the person believes the defendant is capable of 38589
understanding the nature and objective of the proceedings against 38590
the defendant and of assisting in the defendant's defense; 38591

(2) For a felony offense, fourteen days before expiration of 38592
the maximum time for treatment as specified in division (C) of 38593
this section and fourteen days before the expiration of the 38594
maximum time for continuing evaluation and treatment as specified 38595
in division (B)(1)(a) of this section, and, for a misdemeanor 38596
offense, ten days before the expiration of the maximum time for 38597
treatment, as specified in division (C) of this section; 38598

(3) At a minimum, after each six months of treatment; 38599

(4) Whenever the person who supervises the treatment or 38600
continuing evaluation and treatment of a defendant ordered under 38601
division (B)(1)(a) of this section believes that there is not a 38602
substantial probability that the defendant will become capable of 38603
understanding the nature and objective of the proceedings against 38604
the defendant or of assisting in the defendant's defense even if 38605
the defendant is provided with a course of treatment. 38606

(G) A report under division (F) of this section shall contain 38607
the examiner's findings, the facts in reasonable detail on which 38608
the findings are based, and the examiner's opinion as to the 38609

defendant's capability of understanding the nature and objective 38610
of the proceedings against the defendant and of assisting in the 38611
defendant's defense. If, in the examiner's opinion, the defendant 38612
remains incapable of understanding the nature and objective of the 38613
proceedings against the defendant and of assisting in the 38614
defendant's defense and there is a substantial probability that 38615
the defendant will become capable of understanding the nature and 38616
objective of the proceedings against the defendant and of 38617
assisting in the defendant's defense if the defendant is provided 38618
with a course of treatment, if in the examiner's opinion the 38619
defendant continues to have a mental illness or an intellectual 38620
disability, and if the maximum time for treatment as specified in 38621
division (C) of this section has not expired, the report also 38622

restrictive placement or commitment alternative that is consistent 38624

and with the safety of the community. The court shall provide 38626
copies of the report to the prosecutor and defense counsel. 38627

(H) If a defendant is committed pursuant to division (B)(1) 38628

the defendant or the examiner of the defendant who is employed or 38630
retained by the treating facility advises that there is not a 38631
substantial probability that the defendant will become capable of 38632
understanding the nature and objective of the proceedings against 38633
the defendant or of assisting in the defendant's defense even if 38634
the defendant is provided with a course of treatment, within ten 38635
days after the expiration of the maximum time for treatment as 38636
specified in division (C) of this section, within ten days after 38637
the expiration of the maximum time for continuing evaluation and 38638
treatment as specified in division (B)(1)(a) of this section, 38639
within thirty days after a defendant's request for a hearing that 38640
is made after six months of treatment, or within thirty days after 38641
being advised by the treating physician or examiner that the 38642

defendant is competent to stand trial, whichever is the earliest, 38643
the court shall conduct another hearing to determine if the 38644
defendant is competent to stand trial and shall do whichever of 38645
the following is applicable: 38646

(1) If the court finds that the defendant is competent to 38647
stand trial, the defendant shall be proceeded against as provided 38648
by law. 38649

(2) If the court finds that the defendant is incompetent to 38650
stand trial, but that there is a substantial probability that the 38651
defendant will become competent to stand trial if the defendant is 38652
provided with a course of treatment, and the maximum time for 38653
treatment as specified in division (C) of this section has not 38654
expired, the court, after consideration of the examiner's 38655
recommendation, shall order that treatment be continued, may 38656
change the facility or ~~program~~ location at which the treatment is 38657
to be continued, and shall specify whether the treatment is to be 38658
continued at the same or a different facility or ~~program~~ location. 38659

(3) If the court finds that the defendant is incompetent to 38660
stand trial, if the defendant is charged with an offense listed in 38661
division (C)(1) of this section, and if the court finds that there 38662
is not a substantial probability that the defendant will become 38663
competent to stand trial even if the defendant is provided with a 38664
course of treatment, or if the maximum time for treatment relative 38665
to that offense as specified in division (C) of this section has 38666
expired, further proceedings shall be as provided in sections 38667
2945.39, 2945.401, and 2945.402 of the Revised Code. 38668

(4) If the court finds that the defendant is incompetent to 38669
stand trial, if the most serious offense with which the defendant 38670
is charged is a misdemeanor or a felony other than a felony listed 38671
in division (C)(1) of this section, and if the court finds that 38672
there is not a substantial probability that the defendant will 38673
become competent to stand trial even if the defendant is provided 38674

with a course of treatment, or if the maximum time for treatment 38675
relative to that offense as specified in division (C) of this 38676
section has expired, the court shall dismiss the indictment, 38677
information, or complaint against the defendant. A dismissal under 38678
this division is not a bar to further prosecution based on the 38679
same conduct. The court shall discharge the defendant unless the 38680
court or prosecutor files an affidavit in probate court for civil 38681
commitment pursuant to Chapter 5122. or 5123. of the Revised Code. 38682
If an affidavit for civil commitment is filed, the court may 38683
detain the defendant for ten days pending civil commitment and 38684
shall send to the probate court copies of all written reports of 38685
the defendant's mental condition prepared pursuant to section 38686
2945.371 of the Revised Code. 38687

All of the following provisions apply to persons charged with 38688
a misdemeanor or a felony other than a felony listed in division 38689

the defendant is committed or admitted shall do all of the 38696
following: 38697

(i) Notify the prosecutor, in writing, of the discharge of 38698

(ii) Notify the prosecutor, in writing, when the defendant is 38702
absent without leave or is granted unsupervised, off-grounds 38703
movement, and send this notice promptly after the discovery of the 38704
absence without leave or prior to the granting of the 38705
unsupervised, off-grounds movement, whichever is applicable; 38706

(iii) Notify the prosecutor, in writing, of the change of the defendant's commitment or admission to voluntary status, send the notice promptly upon learning of the change to voluntary status, and state in the notice the date on which the defendant was committed or admitted on a voluntary status.

not classify the termination of post-release control as 38758
unfavorable, the offender's conduct and compliance with the 38759
conditions of post-release control shall be not considered as an 38760
unfavorable termination under this division by a court when the 38761
court, at a future sentencing hearing, is considering the factors 38762
described in division (D)(1) of section 2929.12 of the Revised 38763

action pursuant to section 3111.13 of the Revised Code that 39933

order for fewer than all of the children should be redirected, the 40665
agency shall determine the amount of child support to be 40666
redirected, which amount shall equal the pro rata share of the 40667
child support amounts for each such child under the child support 40668
order. The agency also shall make, in relation to the 40669
determination of the amount of child support that may be 40670
redirected, a determination regarding the health care coverage and 40671

existed prior to September 11, 2001, are administered to any 41251
student, the board of education of any school district in which 41252
the student is enrolled in that year shall provide to the student 41253
intervention services commensurate with the student's performance, 41254
including any intensive intervention required under section 41255

3313.608 of the Revised Code, in any skill in which the student 41256
failed to demonstrate at least a score at the proficient level on 41257
the assessment. 41258

(2) Following any administration of the assessments 41259
prescribed by division (D) of section 3301.0710 of the Revised 41260
Code to ninth grade students, each school district that has a 41261
three-year average graduation rate of not more than seventy-five 41262
per cent shall determine for each high school in the district 41263
whether the school shall be required to provide intervention 41264
services to any students who took the assessments. In determining 41265
which high schools shall provide intervention services based on 41266
the resources available, the district shall consider each school's 41267
graduation rate and scores on the practice assessments. The 41268
district also shall consider the scores received by ninth grade 41269
students on the English language arts and mathematics assessments 41270
prescribed under division (A)(1)(f) of section 3301.0710 of the 41271
Revised Code in the eighth grade in determining which high schools 41272
shall provide intervention services. 41273

Each high school selected to provide intervention services 41274
under this division shall provide intervention services to any 41275
student whose results indicate that the student is failing to make 41276
satisfactory progress toward being able to attain scores at the 41277
proficient level on the Ohio graduation tests. Intervention 41278
services shall be provided in any skill in which a student 41279
demonstrates unsatisfactory progress and shall be commensurate 41280
with the student's performance. Schools shall provide the 41281
intervention services prior to the end of the school year, during 41282
the summer following the ninth grade, in the next succeeding 41283
school year, or at any combination of those times. 41284

(E) Except as provided in section 3313.608 of the Revised 41285
Code and division (N) of this section, no school district board of 41286
education shall utilize any student's failure to attain a 41287

specified score on an assessment administered under this section 41288
as a factor in any decision to deny the student promotion to a 41289
higher grade level. However, a district board may choose not to 41290
promote to the next grade level any student who does not take an 41291
assessment administered under this section or make up an 41292
assessment as provided by division (C)(2) of this section and who 41293
is not exempt from the requirement to take the assessment under 41294
division (C)(3) of this section. 41295

(F) No person shall be charged a fee for taking any 41296
assessment administered under this section. 41297

(G)(1) Each school district board shall designate one 41298
location for the collection of assessments administered in the 41299
spring under division (B)(1) of this section and those 41300
administered under divisions (B)(2) to (7) of this section. Each 41301
district board shall submit the assessments to the entity with 41302
which the department contracts for the scoring of the assessments 41303
as follows: 41304

(a) If the district's total enrollment in grades kindergarten 41305
through twelve during the first full school week of October was 41306
less than two thousand five hundred, not later than the Friday 41307
after all of the assessments have been administered; 41308

(b) If the district's total enrollment in grades kindergarten 41309
through twelve during the first full school week of October was 41310
two thousand five hundred or more, but less than seven thousand, 41311
not later than the Monday after all of the assessments have been 41312
administered; 41313

(c) If the district's total enrollment in grades kindergarten 41314
through twelve during the first full school week of October was 41315
seven thousand or more, not later than the Tuesday after all of 41316
the assessments have been administered. 41317

However, any assessment that a student takes during the 41318

make-up period described in division (C)(2) of this section shall 41319
be submitted not later than the Friday following the day the 41320
student takes the assessment. 41321

(2) The department or an entity with which the department 41322
contracts for the scoring of the assessment shall send to each 41323
school district board a list of the individual scores of all 41324
persons taking a state achievement assessment as follows: 41325

(a) Except as provided in division (G)(2)(b) or (c) of this 41326
section, within forty-five days after the administration of the 41327
assessments prescribed by sections 3301.0710 and 3301.0712 of the 41328
Revised Code, but in no case shall the scores be returned later 41329
than the thirtieth day of June following the administration; 41330

(b) In the case of the third-grade English language arts 41331
assessment, within forty-five days after the administration of 41332
that assessment, but in no case shall the scores be returned later 41333
than the fifteenth day of June following the administration; 41334

(c) In the case of the writing component of an assessment or 41335
end-of-course examination in the area of English language arts, 41336
except for the third-grade English language arts assessment, the 41337
results may be sent after forty-five days of the administration of 41338
the writing component, but in no case shall the scores be returned 41339
later than the thirtieth day of June following the administration. 41340

(3) For assessments administered under this section by a 41341
joint vocational school district, the department or entity shall 41342
also send to each city, local, or exempted village school district 41343
a list of the individual scores of any students of such city, 41344
local, or exempted village school district who are attending 41345
school in the joint vocational school district. 41346

(4) Beginning with the 2019-2020 school year, a school 41347
district, other public school, or chartered nonpublic school may 41348
administer the third-grade English language arts or mathematics 41349

assessment, or both, in a paper format in any school year for 41350
which the district board of education or school governing body 41351
adopts a resolution indicating that the district or school chooses 41352
to administer the assessment in a paper format. The board or 41353
governing body shall submit a copy of the resolution to the 41354
department of education not later than the first day of May prior 41355
to the school year for which it will apply. If the resolution is 41356
submitted, the district or school shall administer the assessment 41357
in a paper format to all students in the third grade, except that 41358
any student whose individualized education program or plan 41359
developed under section 504 of the "Rehabilitation Act of 1973," 41360
87 Stat. 355, 29 U.S.C. 794, as amended, specifies that taking the 41361
assessment in an online format is an appropriate accommodation for 41362
the student may take the assessment in an online format. 41363

(H) Individual scores on any assessments administered under 41364
this section shall be released by a district board only in 41365
accordance with section 3319.321 of the Revised Code and the rules 41366
adopted under division (A) of this section. No district board or 41367
its employees shall utilize individual or aggregate results in any 41368
manner that conflicts with rules for the ethical use of 41369
assessments adopted pursuant to division (A) of this section. 41370

(I) Except as provided in division (G) of this section, the 41371
department or an entity with which the department contracts for 41372
the scoring of the assessment shall not release any individual 41373
scores on any assessment administered under this section. The 41374
state board shall adopt rules to ensure the protection of student 41375
confidentiality at all times. The rules may require the use of the 41376
data verification codes assigned to students pursuant to division 41377
(D)(2) of section 3301.0714 of the Revised Code to protect the 41378
confidentiality of student scores. 41379

(J) Notwithstanding division (D) of section 3311.52 of the 41380
Revised Code, this section does not apply to the board of 41381

education of any cooperative education school district except as 41382
provided under rules adopted pursuant to this division. 41383

(1) In accordance with rules that the state board shall 41384
adopt, the board of education of any city, exempted village, or 41385
local school district with territory in a cooperative education 41386
school district established pursuant to divisions (A) to (C) of 41387
section 3311.52 of the Revised Code may enter into an agreement 41388
with the board of education of the cooperative education school 41389
district for administering any assessment prescribed under this 41390
section to students of the city, exempted village, or local school 41391
district who are attending school in the cooperative education 41392
school district. 41393

(2) In accordance with rules that the state board shall 41394
adopt, the board of education of any city, exempted village, or 41395
local school district with territory in a cooperative education 41396
school district established pursuant to section 3311.521 of the 41397
Revised Code shall enter into an agreement with the cooperative 41398
district that provides for the administration of any assessment 41399
prescribed under this section to both of the following: 41400

(a) Students who are attending school in the cooperative 41401
district and who, if the cooperative district were not 41402
established, would be entitled to attend school in the city, 41403
local, or exempted village school district pursuant to section 41404
3313.64 or 3313.65 of the Revised Code; 41405

(b) Persons described in division (B)(8)(b) of this section. 41406

Any assessment of students pursuant to such an agreement 41407
shall be in lieu of any assessment of such students or persons 41408
pursuant to this section. 41409

(K)(1)(a) Except as otherwise provided in division (K)(1) or 41410
(2) of this section, each chartered nonpublic school for which at 41411
least sixty-five per cent of its total enrollment is made up of 41412

students who are participating in state scholarship programs shall 41413
administer the assessments prescribed by division (A) of section 41414
3301.0710 of the Revised Code or an alternative standardized 41415
assessment determined by the department. In accordance with 41416
procedures and deadlines prescribed by the department, the parent 41417
or guardian of a student enrolled in the school who is not 41418
participating in a state scholarship program may submit notice to 41419
the chief administrative officer of the school that the parent or 41420
guardian does not wish to have the student take the assessments 41421
prescribed for the student's grade level under division (A) of 41422
section 3301.0710 of the Revised Code. If a parent or guardian 41423
submits an opt-out notice, the school shall not administer the 41424
assessments to that student. This option does not apply to any 41425
assessment required for a high school diploma under section 41426
3313.612 of the Revised Code. 41427

(b) Any chartered nonpublic school that enrolls students who 41428
are participating in state scholarship programs may administer an 41429
alternative standardized assessment determined by the department 41430
instead of the assessments prescribed by division (A) of section 41431
3301.0710 of the Revised Code. 41432

Each chartered nonpublic school subject to division (K)(1)(a) 41433
or (b) of this section shall report the results of each assessment 41434
administered under those divisions to the department. 41435

(2) A chartered nonpublic school may submit to the 41436
superintendent of public instruction a request for a waiver from 41437
administering the elementary assessments prescribed by division 41438
(A) of section 3301.0710 of the Revised Code. The state 41439
superintendent shall approve or disapprove a request for a waiver 41440
submitted under division (K)(2) of this section. No waiver shall 41441
be approved for any school year prior to the 2015-2016 school 41442
year. 41443

To be eligible to submit a request for a waiver, a chartered 41444

nonpublic school shall meet the following conditions: 41445

(a) At least ninety-five per cent of the students enrolled in 41446
the school are children with disabilities, as defined under 41447
section 3323.01 of the Revised Code, or have received a diagnosis 41448
by a school district or from a physician, including a 41449
neuropsychiatrist or psychiatrist, or a psychologist who is 41450
authorized to practice in this or another state as having a 41451
condition that impairs academic performance, such as dyslexia, 41452
dyscalculia, attention deficit hyperactivity disorder, or 41453
Asperger's syndrome. 41454

(b) The school has solely served a student population 41455
described in division (K)(1)(a) of this section for at least ten 41456
years. 41457

(c) The school provides to the department at least five years 41458
of records of internal testing conducted by the school that 41459
affords the department data required for accountability purposes, 41460
including diagnostic assessments and nationally standardized 41461
norm-referenced achievement assessments that measure reading and 41462
math skills. 41463

(3) Any chartered nonpublic school that is not subject to 41464
division (K)(1) of this section may participate in the assessment 41465
program by administering any of the assessments prescribed by 41466
division (A) of section 3301.0710 of the Revised Code. The chief 41467
administrator of the school shall specify which assessments the 41468
school will administer. Such specification shall be made in 41469
writing to the superintendent of public instruction prior to the 41470
first day of August of any school year in which assessments are 41471
administered and shall include a pledge that the nonpublic school 41472
will administer the specified assessments in the same manner as 41473
public schools are required to do under this section and rules 41474
adopted by the department. 41475

(4) The department of education shall furnish the assessments prescribed by section 3301.0710 of the Revised Code to each chartered nonpublic school that is subject to division (K)(1) of this section or participates under division (K)(3) of this section.

(L) If a chartered nonpublic school is educating students in grades nine through twelve, the following shall apply:

(1) Except as provided in division (L)(4) of this section, for a student who is enrolled in a chartered nonpublic school that is accredited through the independent schools association of the central states and who is attending the school under a state scholarship program, the student shall either take all of the assessments prescribed by division (B) of section 3301.0712 of the Revised Code or take an alternative assessment approved by the department under section 3313.619 of the Revised Code. However, a student who is excused from taking an assessment under division (C) of this section or has presented evidence to the chartered nonpublic school of having satisfied the condition prescribed by division (A)(1) of section 3313.618 of the Revised Code to qualify for a high school diploma prior to the date of the administration of the assessment prescribed under division (B)(1) of section 3301.0712 of the Revised Code shall not be required to take that assessment. No governing authority of a chartered nonpublic school shall prohibit a student who is not required to take such assessment from taking the assessment.

(2) For a student who is enrolled in a chartered nonpublic school that is accredited through the independent schools association of the central states, and who is not attending the school under a state scholarship program, the student shall not be required to take any assessment prescribed under section 3301.0712 or 3313.619 of the Revised Code.

(3)(a) Except as provided in divisions (L)(3)(b) and (4) of

this section, for a student who is enrolled in a chartered 41508
nonpublic school that is not accredited through the independent 41509
schools association of the central states, regardless of whether 41510
the student is attending or is not attending the school under a 41511
state scholarship program, the student shall do one of the 41512
following: 41513

(i) Take all of the assessments prescribed by division (B) of 41514
section 3301.0712 of the Revised Code; 41515

(ii) Take only the assessment prescribed by division (B)(1) 41516
of section 3301.0712 of the Revised Code, provided that the 41517
student's school publishes the results of that assessment for each 41518
graduating class. The published results of that assessment shall 41519
include the overall composite scores, mean scores, twenty-fifth 41520
percentile scores, and seventy-fifth percentile scores for each 41521
subject area of the assessment. 41522

(iii) Take an alternative assessment approved by the 41523
department under section 3313.619 of the Revised Code. 41524

(b) A student who is excused from taking an assessment under 41525
division (C) of this section or has presented evidence to the 41526
chartered nonpublic school of having satisfied the condition 41527
prescribed by division (A)(1) of section 3313.618 of the Revised 41528
Code to qualify for a high school diploma prior to the date of the 41529
administration of the assessment prescribed under division (B)(1) 41530
of section 3301.0712 of the Revised Code shall not be required to 41531
take that assessment. No governing authority of a chartered 41532
nonpublic school shall prohibit a student who is not required to 41533
take such assessment from taking the assessment. 41534

(4) The assessments prescribed by sections 3301.0712 and 41535
3313.619 of the Revised Code shall not be administered to any 41536
student attending the school, if the school meets all of the 41537
following conditions: 41538

(a) At least ninety-five per cent of the students enrolled in the school are children with disabilities, as defined under section 3323.01 of the Revised Code, or have received a diagnosis by a school district or from a physician, including a neuropsychologist or psychiatrist, or a psychologist who is authorized to practice in this or another state as having a condition that impairs academic performance, such as dyslexia, dyscalculia, attention deficit hyperactivity disorder, or Asperger's syndrome.

(b) The school has solely served a student population described in division (L)(4)(a) of this section for at least ten years.

(c) The school makes available to the department at least five years of records of internal testing conducted by the school that affords the department data required for accountability purposes, including growth in student achievement in reading or mathematics, or both, as measured by nationally norm-referenced assessments that have developed appropriate standards for students.

Division (L)(4) of this section applies to any student attending such school regardless of whether the student receives special education or related services and regardless of whether the student is attending the school under a state scholarship program.

(M)(1) The superintendent of ~~the state school for the blind and the superintendent of the state school for the deaf~~ Ohio deaf and blind education services shall administer the assessments described by sections 3301.0710 and 3301.0712 of the Revised Code for the state school for the blind and the state school for the deaf. ~~Each~~ The superintendent of Ohio deaf and blind education services shall administer the assessments in the same manner as district boards are required to do under this section and rules

adopted by the department of education and in conformity with 41571
division (C)(1)(a) of this section. 41572

(2) The department of education shall furnish the assessments 41573
described by sections 3301.0710 and 3301.0712 of the Revised Code 41574
to ~~each~~ the superintendent of Ohio deaf and blind education 41575
services. 41576

(N) Notwithstanding division (E) of this section, a school 41577
district may use a student's failure to attain a score in at least 41578
the proficient range on the mathematics assessment described by 41579
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 41580
an assessment described by division (A)(1)(b), (c), (d), (e), or 41581
(f) of section 3301.0710 of the Revised Code as a factor in 41582
retaining that student in the current grade level. 41583

(O)(1) In the manner specified in divisions (O)(3), (4), (6), 41584
and (7) of this section, the assessments required by division 41585
(A)(1) of section 3301.0710 of the Revised Code shall become 41586
public records pursuant to section 149.43 of the Revised Code on 41587
the thirty-first day of July following the school year that the 41588
assessments were administered. 41589

(2) The department may field test proposed questions with 41590
samples of students to determine the validity, reliability, or 41591
appropriateness of questions for possible inclusion in a future 41592
year's assessment. The department also may use anchor questions on 41593
assessments to ensure that different versions of the same 41594
assessment are of comparable difficulty. 41595

Field test questions and anchor questions shall not be 41596
considered in computing scores for individual students. Field test 41597
questions and anchor questions may be included as part of the 41598
administration of any assessment required by division (A)(1) or 41599
(B) of section 3301.0710 and division (B) of section 3301.0712 of 41600
the Revised Code. 41601

(3) Any field test question or anchor question administered under division (O)(2) of this section shall not be a public record. Such field test questions and anchor questions shall be redacted from any assessments which are released as a public record pursuant to division (O)(1) of this section.

(4) This division applies to the assessments prescribed by division (A) of section 3301.0710 of the Revised Code.

(a) The first administration of each assessment, as specified in former section 3301.0712 of the Revised Code, shall be a public record.

(b) For subsequent administrations of each assessment prior to the 2011-2012 school year, not less than forty per cent of the questions on the assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The preceding sentence does not apply to field test questions that are redacted under division (O)(3) of this section.

(c) The administrations of each assessment in the 2011-2012, 2012-2013, and 2013-2014 school years shall not be a public record.

(5) Each assessment prescribed by division (B)(1) of section 3301.0710 of the Revised Code shall not be a public record.

(6)(a) Except as provided in division (O)(6)(b) of this section, for the administrations in the 2014-2015, 2015-2016, and

2016-2017 school years, questions on the assessments prescribed 41633
under division (A) of section 3301.0710 and division (B)(2) of 41634
section 3301.0712 of the Revised Code and the corresponding 41635
preferred answers that are used to compute a student's score shall 41636
become a public record as follows: 41637

(i) Forty per cent of the questions and preferred answers on 41638
the assessments on the thirty-first day of July following the 41639
administration of the assessment; 41640

(ii) Twenty per cent of the questions and preferred answers 41641
on the assessment on the thirty-first day of July one year after 41642
the administration of the assessment; 41643

(iii) The remaining forty per cent of the questions and 41644
preferred answers on the assessment on the thirty-first day of 41645
July two years after the administration of the assessment. 41646

The entire content of an assessment shall become a public 41647
record within three years of its administration. 41648

The department shall make the questions that become a public 41649
record under this division readily accessible to the public on the 41650
department's web site. Questions on the spring administration of 41651
each assessment shall be released on an annual basis, in 41652
accordance with this division. 41653

(b) No questions and corresponding preferred answers shall 41654
become a public record under division (O)(6) of this section after 41655
July 31, 2017. 41656

(7) Division (O)(7) of this section applies to the 41657
assessments prescribed by division (A) of section 3301.0710 and 41658
division (B)(2) of section 3301.0712 of the Revised Code. 41659

Beginning with the assessments administered in the spring of 41660
the 2017-2018 school year, not less than forty per cent of the 41661
questions on each assessment that are used to compute a student's 41662

score shall be a public record. The department shall determine 41663
which questions will be needed for reuse on a future assessment 41664
and those questions shall not be public records and shall be 41665
redacted from the assessment prior to its release as a public 41666
record. However, for each redacted question, the department shall 41667
inform each city, local, and exempted village school district of 41668
the corresponding statewide academic standard adopted by the state 41669
board under section 3301.079 of the Revised Code and the 41670
corresponding benchmark to which the question relates. The 41671
department is not required to provide corresponding standards and 41672
benchmarks to field test questions that are redacted under 41673
division (O)(3) of this section. 41674

(P) As used in this section: 41675

(1) "Three-year average" means the average of the most recent 41676
consecutive three school years of data. 41677

(2) "Dropout" means a student who withdraws from school 41678
before completing course requirements for graduation and who is 41679
not enrolled in an education program approved by the state board 41680
of education or an education program outside the state. "Dropout" 41681
does not include a student who has departed the country. 41682

(3) "Graduation rate" means the ratio of students receiving a 41683
diploma to the number of students who entered ninth grade four 41684
years earlier. Students who transfer into the district are added 41685
to the calculation. Students who transfer out of the district for 41686
reasons other than dropout are subtracted from the calculation. If 41687
a student who was a dropout in any previous year returns to the 41688
same school district, that student shall be entered into the 41689

When, after investigation and inspection, the department of education is satisfied that sections 3301.52 to 3301.59 of the Revised Code and any rules adopted under 42523
42524
42525
42526
42527
42528
42529
42530
42531

those sections are complied with by the applicant, the department 42532
of education and workforce shall issue the program a provisional 42533
license as soon as practicable in the form and manner prescribed 42534
by the rules of the department. The provisional license shall be 42535
valid for one year from the date of issuance unless revoked. 42536

(D) The department of education and workforce shall 42537
investigate and inspect a preschool program or school child 42538
program that has been issued a provisional license at least once 42539
during operation under the provisional license. If, after the 42540
investigation and inspection, the department of education and 42541
workforce determines that the requirements of sections 3301.52 to 42542
3301.59 of the Revised Code and any rules adopted under those 42543
sections are met by the provisional licensee, the department of 42544
education and workforce shall issue the program a license. The 42545
license shall remain valid unless revoked or the program ceases 42546
operations. 42547

(E) The department of education and workforce annually shall 42548
investigate and inspect each preschool program or school child 42549
program licensed under division (D) of this section to determine 42550
if the requirements of sections 3301.52 to 3301.59 of the Revised 42551
Code and any rules adopted under those sections are met by the 42552
program, and shall notify the program of the results. 42553

(F) The license or provisional license shall state the name 42554
of the school district board of education, county board of 42555
developmental disabilities, community school, authorized private 42556
before and after school care program, or eligible nonpublic school 42557
that operates the preschool program or school child program and 42558
the license capacity of the program. 42559

(G) The department of education and workforce may revoke the 42560
license of any preschool program or school child program that is 42561
not in compliance with the requirements of sections 3301.52 to 42562
3301.59 of the Revised Code and any rules adopted under those 42563

sections. 42564

(H) If the department of education and workforce revokes a 42565
license, the department shall not issue a license to the program 42566
within two years from the date of the revocation. All actions of 42567
the department with respect to licensing preschool programs and 42568
school child programs shall be in accordance with Chapter 119. of 42569
the Revised Code. 42570

Sec. 3301.85. (A) The department of education and workforce 42571
shall submit to the joint committee on agency rule review, created 42572
in section 101.35 of the Revised Code, any proposed changes to the 42573
manual containing the standards and procedures the department uses 42574
to review or audit the full-time equivalency student enrollment 42575
reporting by community schools established under Chapter 3314. of 42576
the Revised Code. 42577

(B) When the department submits the proposed changes to the 42578
manual, the joint committee on agency rule review shall hold one 42579
or more public hearings at which community schools may present 42580
testimony on their ability and capacity to comply with the 42581
proposed changes. 42582

(C) The joint committee on agency rule review shall consider 42583
any testimony provided at the public hearings required under 42584
division (B) of this section and vote to determine whether 42585
community schools can reasonably comply with the proposed changes. 42586

(D) The department shall not implement any changes to the 42587
manual that may affect community schools without the joint 42588
committee on agency rule review's determination that community 42589
schools can reasonably comply with those changes. 42590

Sec. 3302.021. (A) Not earlier than July 1, 2005, and not 42591
later than July 1, 2007, the department of education shall 42592
implement a value-added progress dimension for school districts 42593

and buildings and shall incorporate the value-added progress 42594
dimension into the report cards and performance ratings issued for 42595
districts and buildings under section 3302.03 of the Revised Code. 42596

The state board of education shall adopt rules, pursuant to 42597
Chapter 119. of the Revised Code, for the implementation of the 42598
value-added progress dimension. The rules adopted under this 42599
division shall specify both of the following: 42600

(1) A scale for describing the levels of academic progress in 42601
reading and mathematics relative to a standard year of academic 42602
growth in those subjects for each of grades three through eight; 42603

(2) That the department shall maintain the confidentiality of 42604
individual student test scores and individual student reports in 42605
accordance with sections 3301.0711, 3301.0714, and 3319.321 of the 42606
Revised Code and federal law. The department may require school 42607
districts to use a unique identifier for each student for this 42608
purpose. Individual student test scores and individual student 42609
reports shall be made available only to a student's classroom 42610
teacher and other appropriate educational personnel and to the 42611
student's parent or guardian. 42612

(B) The department shall explore the feasibility of using the 42613
value-added gain index and effect size to improve differentiation 42614
and interpretation of the measure. If the department determines 42615
that it is feasible, the state board may update the rules adopted 42616
under division (A) of this section to implement the use of gain 42617
index and effect size. If rules are adopted under division (A) of 42618
this section that use the gain index and effect size, any prior 42619
method used to calculate letter grades or performance ratings 42620
under section 3302.03 of the Revised Code shall no longer apply. 42621
Rather, the state board shall update its rules to determine how 42622
letter grades or performance ratings for each level of performance 42623
are calculated under section 3302.03 of the Revised Code using 42624

gain index and effect size. 42625

(C) The department shall use a system designed for collecting 42626
necessary data, calculating the value-added progress dimension, 42627
analyzing data, and generating reports, which system has been used 42628
previously by a nonprofit organization led by the Ohio business 42629
community for at least one year in the operation of a pilot 42630
program in cooperation with school districts to collect and report 42631
student achievement data via electronic means and to provide 42632
information to the districts regarding the academic performance of 42633
individual students, grade levels, school buildings, and the 42634
districts as a whole. 42635

(D) The department shall not pay more than two dollars per 42636
student for data analysis and reporting to implement the 42637
value-added progress dimension in the same manner and with the 42638
same services as under the pilot program described by division (B) 42639
of this section. However, nothing in this section shall preclude 42640
the department or any school district from entering into a 42641
contract for the provision of more services at a higher fee per 42642
student. Any data analysis conducted under this section by an 42643
entity under contract with the department shall be completed in 42644
accordance with timelines established by the superintendent of 42645
public instruction. 42646

(E) The department shall share any aggregate student data and 42647
any calculation, analysis, or report utilizing aggregate student 42648
data that is generated under this section with the chancellor of 42649
the Ohio board of regents. The department shall not share 42650
individual student test scores and individual student reports with 42651
the chancellor. 42652

(F) The department shall make individual student performance 42653
data reports available to districts and schools that have an 42654
overall score under the value-added progress dimension calculated 42655
under division (D)(1)(d) of section 3302.03 of the Revised Code. 42656

The reports shall include data regarding student level 42657
percentiles, normal curve equivalents, unique identifiers, and 42658
other data for each school year a district or school has an 42659
overall score calculated under that division. The department also 42660
shall make available the data used to calculate the district's or 42661
school's overall growth rating. The reports shall be made 42662
available in an electronic spreadsheet form, as soon as 42663
practicable each school year, to appropriate educational personnel 42664
in each district or school for all the individual students who are 42665
administered assessments by, or who are enrolled in, the district 42666
or school. 42667

Division (F) of this section is subject to section 3319.321 42668
of the Revised Code and the "Family Educational Rights and Privacy 42669
Act of 1974," 20 U.S.C. 1232g. 42670

Sec. 3302.03. Not later than the thirty-first day of July of 42671
each year, the department of education shall submit preliminary 42672
report card data for overall academic performance and for each 42673
separate performance measure for each school district, and each 42674
school building, in accordance with this section. 42675

Annually, not later than the fifteenth day of September or 42676
the preceding Friday when that day falls on a Saturday or Sunday, 42677
the department shall assign a letter grade or performance rating 42678
for overall academic performance and for each separate performance 42679
measure for each school district, and each school building in a 42680
district, in accordance with this section. The state board of 42681
education shall adopt rules pursuant to Chapter 119. of the 42682
Revised Code to implement this section. The state board's rules 42683
shall establish performance criteria for each letter grade or 42684
performance rating and prescribe a method by which the department 42685
assigns each letter grade or performance rating. For a school 42686
building to which any of the performance measures do not apply, 42687

due to grade levels served by the building, the department shall 42688
designate the performance measures that are applicable to the 42689
building and that must be calculated separately and used to 42690
calculate the building's overall grade or performance rating. The 42691
department shall issue annual report cards reflecting the 42692
performance of each school district, each building within each 42693
district, and for the state as a whole using the performance 42694
measures and letter grade or performance rating system described 42695
in this section. The department shall include on the report card 42696
for each district and each building within each district the most 42697
recent two-year trend data in student achievement for each subject 42698
and each grade. 42699

(A)(1) For the 2012-2013 school year, the department shall 42700
issue grades as described in division (F) of this section for each 42701
of the following performance measures: 42702

(a) Annual measurable objectives; 42703

(b) Performance index score for a school district or 42704
building. Grades shall be awarded as a percentage of the total 42705
possible points on the performance index system as adopted by the 42706
state board. In adopting benchmarks for assigning letter grades 42707
under division (A)(1)(b) of this section, the state board shall 42708
designate ninety per cent or higher for an "A," at least seventy 42709
per cent but not more than eighty per cent for a "C," and less 42710
than fifty per cent for an "F." 42711

(c) The extent to which the school district or building meets 42712
each of the applicable performance indicators established by the 42713
state board under section 3302.02 of the Revised Code and the 42714
percentage of applicable performance indicators that have been 42715
achieved. In adopting benchmarks for assigning letter grades under 42716
division (A)(1)(c) of this section, the state board shall 42717
designate ninety per cent or higher for an "A." 42718

(d) The four- and five-year adjusted cohort graduation rates. 42719

In adopting benchmarks for assigning letter grades under 42720
division (A)(1)(d), (B)(1)(d), or (C)(1)(d) of this section, the 42721
department shall designate a four-year adjusted cohort graduation 42722
rate of ninety-three per cent or higher for an "A" and a five-year 42723
cohort graduation rate of ninety-five per cent or higher for an 42724
"A." 42725

(e) The overall score under the value-added progress 42726
dimension of a school district or building, for which the 42727
department shall use up to three years of value-added data as 42728
available. The letter grade assigned for this growth measure shall 42729
be as follows: 42730

(i) A score that is at least one standard error of measure 42731
above the mean score shall be designated as an "A." 42732

(ii) A score that is less than one standard error of measure 42733
above but greater than one standard error of measure below the 42734
mean score shall be designated as a "B." 42735

(iii) A score that is less than or equal to one standard 42736
error of measure below the mean score but greater than two 42737
standard errors of measure below the mean score shall be 42738
designated as a "C." 42739

(iv) A score that is less than or equal to two standard 42740
errors of measure below the mean score but is greater than three 42741
standard errors of measure below the mean score shall be 42742
designated as a "D." 42743

(v) A score that is less than or equal to three standard 42744
errors of measure below the mean score shall be designated as an 42745
"F." 42746

Whenever the value-added progress dimension is used as a 42747
graded performance measure in this division and divisions (B) and 42748

(C) of this section, whether as an overall measure or as a measure of separate subgroups, the grades for the measure shall be calculated in the same manner as prescribed in division (A)(1)(e) of this section.

(f) The value-added progress dimension score for a school district or building disaggregated for each of the following subgroups: students identified as gifted, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis. Each subgroup shall be a separate graded measure.

(2) Not later than April 30, 2013, the state board of education shall adopt a resolution describing the performance measures, benchmarks, and grading system for the 2012-2013 school year and, not later than June 30, 2013, shall adopt rules in accordance with Chapter 119. of the Revised Code that prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, including performance benchmarks for each letter grade.

At least forty-five days prior to the state board's adoption of rules to prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing such methods, including performance benchmarks.

(3) There shall not be an overall letter grade for a school district or building for the 2012-2013 school year.

(B)(1) For the 2013-2014 school year, the department shall issue grades as described in division (F) of this section for each of the following performance measures:

(a) Annual measurable objectives;

(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total possible points on the performance index system as created by the department. In adopting benchmarks for assigning letter grades under division (B)(1)(b) of this section, the state board shall designate ninety per cent or higher for an "A," at least seventy per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F."

(c) The extent to which the school district or building meets each of the applicable performance indicators established by the state board under section 3302.03 of the Revised Code and the percentage of applicable performance indicators that have been achieved. In adopting benchmarks for assigning letter grades under division (B)(1)(c) of this section, the state board shall designate ninety per cent or higher for an "A."

(d) The four- and five-year adjusted cohort graduation rates;

(e) The overall score under the value-added progress dimension of a school district or building, for which the department shall use up to three years of value-added data as available.

(f) The value-added progress dimension score for a school district or building disaggregated for each of the following subgroups: students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324. of the Revised Code, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis. Each subgroup shall be a separate graded measure.

(g) Whether a school district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the state board. The state

board shall adopt rules to prescribe benchmarks and standards for 42811
assigning grades to districts and buildings for purposes of 42812
division (B)(1)(g) of this section. In adopting benchmarks for 42813
assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of 42814
this section, the state board shall determine progress made based 42815
on the reduction in the total percentage of students scoring below 42816
grade level, or below proficient, compared from year to year on 42817
the reading and writing diagnostic assessments administered under 42818
section 3301.0715 of the Revised Code and the third grade English 42819
language arts assessment under section 3301.0710 of the Revised 42820
Code, as applicable. The state board shall designate for a "C" 42821
grade a value that is not lower than the statewide average value 42822
for this measure. No grade shall be issued under divisions 42823
(B)(1)(g) and (C)(1)(g) of this section for a district or building 42824
in which less than five per cent of students have scored below 42825
grade level on the diagnostic assessment administered to students 42826
in kindergarten under division (B)(1) of section 3313.608 of the 42827
Revised Code. 42828

(h) For a high mobility school district or building, an 42829
additional value-added progress dimension score. For this measure, 42830
the department shall use value-added data from the most recent 42831
school year available and shall use assessment scores for only 42832
those students to whom the district or building has administered 42833
the assessments prescribed by section 3301.0710 of the Revised 42834
Code for each of the two most recent consecutive school years. 42835

As used in this division, "high mobility school district or 42836
building" means a school district or building where at least 42837
twenty-five per cent of its total enrollment is made up of 42838
students who have attended that school district or building for 42839
less than one year. 42840

(2) In addition to the graded measures in division (B)(1) of 42841
this section, the department shall include on a school district's 42842

or building's report card all of the following without an assigned 42843
letter grade: 42844

(a) The percentage of students enrolled in a district or 42845
building participating in advanced placement classes and the 42846
percentage of those students who received a score of three or 42847
better on advanced placement examinations; 42848

(b) The number of a district's or building's students who 42849
have earned at least three college credits through dual enrollment 42850
or advanced standing programs, such as the post-secondary 42851
enrollment options program under Chapter 3365. of the Revised Code 42852
and state-approved career-technical courses offered through dual 42853
enrollment or statewide articulation, that appear on a student's 42854
transcript or other official document, either of which is issued 42855
by the institution of higher education from which the student 42856
earned the college credit. The credits earned that are reported 42857
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 42858
include any that are remedial or developmental and shall include 42859
those that count toward the curriculum requirements established 42860
for completion of a degree. 42861

(c) The percentage of students enrolled in a district or 42862
building who have taken a national standardized test used for 42863
college admission determinations and the percentage of those 42864
students who are determined to be remediation-free in accordance 42865
with standards adopted under division (F) of section 3345.061 of 42866
the Revised Code; 42867

(d) The percentage of the district's or the building's 42868
students who receive industry-recognized credentials as approved 42869
under section 3313.6113 of the Revised Code. 42870

(e) The percentage of students enrolled in a district or 42871
building who are participating in an international baccalaureate 42872
program and the percentage of those students who receive a score 42873

of four or better on the international baccalaureate examinations. 42874

(f) The percentage of the district's or building's students 42875
who receive an honors diploma under division (B) of section 42876
3313.61 of the Revised Code. 42877

(3) Not later than December 31, 2013, the state board shall 42878
adopt rules in accordance with Chapter 119. of the Revised Code 42879
that prescribe the methods by which the performance measures under 42880
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 42881
and assigned a letter grade, including performance benchmarks for 42882
each grade. 42883

At least forty-five days prior to the stateboard's adoption 42884
of rules to prescribe the methods by which the performance 42885
measures under division (B)(1) of this section shall be assessed 42886
and assigned a letter grade, the department shall conduct a public 42887
presentation before the standing committees of the house of 42888
representatives and the senate that consider education legislation 42889
describing such methods, including performance benchmarks. 42890

(4) There shall not be an overall letter grade for a school 42891
district or building for the 2013-2014, 2014-2015, 2015-2016, and 42892
2016-2017 school years. 42893

(C)(1) For the 2014-2015, 2015-2016, 2016-2017, 2017-2018, 42894
2018-2019, 2019-2020, and 2020-2021 school years, the department 42895
shall issue grades as described in division (F) of this section 42896
for each of the performance measures prescribed in division (C)(1) 42897
of this section. The graded measures are as follows: 42898

(a) Annual measurable objectives. For the 2017-2018 school 42899
year, the department shall not include any subgroup data in the 42900
annual measurable objectives that includes data from fewer than 42901
twenty-five students. For the 2018-2019 school year, the 42902
department shall not include any subgroup data in the annual 42903
measurable objectives that includes data from fewer than twenty 42904

students. Beginning with the 2019-2020 school year, the department shall not include any subgroup data in the annual measurable objectives that includes data from fewer than fifteen students.

(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total possible points on the performance index system as created by the department. In adopting benchmarks for assigning letter grades under division (C)(1)(b) of this section, the state board shall designate ninety per cent or higher for an "A," at least seventy per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F."

(c) The extent to which the school district or building meets each of the applicable performance indicators established by the state board under section 3302.03 of the Revised Code and the percentage of applicable performance indicators that have been achieved. In adopting benchmarks for assigning letter grades under division (C)(1)(c) of this section, the state board shall designate ninety per cent or higher for an "A."

(d) The four- and five-year adjusted cohort graduation rates;

(e) The overall score under the value-added progress dimension, or another measure of student academic progress if adopted by the state board, of a school district or building, for which the department shall use up to three years of value-added data as available.

In adopting benchmarks for assigning letter grades for overall score on value-added progress dimension under division (C)(1)(e) of this section, the state board shall prohibit the assigning of a grade of "A" for that measure unless the district's or building's grade assigned for value-added progress dimension for all subgroups under division (C)(1)(f) of this section is a "C" or higher.

For the metric prescribed by division (C)(1)(e) of this section, the state board may adopt a student academic progress measure to be used instead of the value-added progress dimension. If the state board adopts such a measure, it also shall prescribe a method for assigning letter grades for the new measure that is comparable to the method prescribed in division (A)(1)(e) of this section.

(f) The value-added progress dimension score of a school district or building disaggregated for each of the following subgroups: students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324. of the Revised Code, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis, as determined by a method prescribed by the state board. Each subgroup shall be a separate graded measure.

The state board may adopt student academic progress measures to be used instead of the value-added progress dimension. If the state board adopts such measures, it also shall prescribe a method for assigning letter grades for the new measures that is comparable to the method prescribed in division (A)(1)(e) of this section.

(g) Whether a school district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the state board. The state board shall adopt rules to prescribe benchmarks and standards for assigning grades to a district or building for purposes of division (C)(1)(g) of this section. The state board shall designate for a "C" grade a value that is not lower than the statewide average value for this measure. No grade shall be issued under division (C)(1)(g) of this section for a district or building in which less than five per cent of students have scored

below grade level on the kindergarten diagnostic assessment under 42968
division (B)(1) of section 3313.608 of the Revised Code. 42969

(h) For a high mobility school district or building, an 42970
additional value-added progress dimension score. For this measure, 42971
the department shall use value-added data from the most recent 42972
school year available and shall use assessment scores for only 42973
those students to whom the district or building has administered 42974
the assessments prescribed by section 3301.0710 of the Revised 42975
Code for each of the two most recent consecutive school years. 42976

As used in this division, "high mobility school district or 42977
building" means a school district or building where at least 42978
twenty-five per cent of its total enrollment is made up of 42979
students who have attended that school district or building for 42980
less than one year. 42981

(2) In addition to the graded measures in division (C)(1) of 42982

which the student earned the college credit. The credits earned 43003
that are reported under divisions (B)(2)(b) and (C)(2)(c) of this 43004

(3) The state board shall adopt rules pursuant to Chapter 43025
119. of the Revised Code that establish a method to assign an 43026
overall grade for a school district or school building for the 43027
2017-2018 school year and each school year thereafter. The rules 43028
shall group the performance measures in divisions (C)(1) and (2) 43029

of this section into the following components:	43030
(a) Gap closing, which shall include the performance measure in division (C)(1)(a) of this section;	43031 43032
(b) Achievement, which shall include the performance measures in divisions (C)(1)(b) and (c) of this section;	43033 43034
(c) Progress, which shall include the performance measures in divisions (C)(1)(e) and (f) of this section;	43035 43036
(d) Graduation, which shall include the performance measure in division (C)(1)(d) of this section;	43037 43038
(e) Kindergarten through third-grade literacy, which shall include the performance measure in division (C)(1)(g) of this section;	43039 43040 43041
(f) Prepared for success, which shall include the performance measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of this section. The state board shall develop a method to determine a grade for the component in division (C)(3)(f) of this section using the performance measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of this section. When available, the state board may incorporate the performance measure under division (C)(2)(g) of this section into the component under division (C)(3)(f) of this section. When determining the overall grade for the prepared for success component prescribed by division (C)(3)(f) of this section, no individual student shall be counted in more than one performance measure. However, if a student qualifies for more than one performance measure in the component, the state board may, in its method to determine a grade for the component, specify an additional weight for such a student that is not greater than or equal to 1.0. In determining the overall score under division (C)(3)(f) of this section, the state board shall ensure that the pool of students included in the performance measures aggregated under that division are all of the students included in the four-	43042 43043 43044 43045 43046 43047 43048 43049 43050 43051 43052 43053 43054 43055 43056 43057 43058 43059 43060

and five-year adjusted graduation cohort. 43061

In the rules adopted under division (C)(3) of this section, 43062
the state board shall adopt a method for determining a grade for 43063
each component in divisions (C)(3)(a) to (f) of this section. The 43064
state board also shall establish a method to assign an overall 43065
grade of "A," "B," "C," "D," or "F" using the grades assigned for 43066
each component. The method the state board adopts for assigning an 43067
overall grade shall give equal weight to the components in 43068
divisions (C)(3)(b) and (c) of this section. 43069

At least forty-five days prior to the state board's adoption 43070
of rules to prescribe the methods for calculating the overall 43071
grade for the report card, as required by this division, the 43072
department shall conduct a public presentation before the standing 43073
committees of the house of representatives and the senate that 43074
consider education legislation describing the format for the 43075
report card, weights that will be assigned to the components of 43076
the overall grade, and the method for calculating the overall 43077
grade. 43078

(D) For the 2021-2022 school year and each school year 43079
thereafter, all of the following apply: 43080

(1) The department shall include on a school district's or 43081
building's report card all of the following performance measures 43082
without an assigned performance rating: 43083

(a) Whether the district or building meets the gifted 43084
performance indicator under division (A)(2) of section 3302.02 of 43085
the Revised Code and the extent to which the district or building 43086
meets gifted indicator performance benchmarks; 43087

(b) The extent to which the district or building meets the 43088
chronic absenteeism indicator under division (A)(3) of section 43089
3302.02 of the Revised Code; 43090

(c) Performance index score percentage for a district or 43091

building, which shall be calculated by dividing the district's or 43092
building's performance index score according to the performance 43093
index system created by the department by the maximum performance 43094
index score for a district or building. The maximum performance 43095
index score shall be as follows: 43096

(i) For a building, the average of the highest two per cent 43097
of performance index scores achieved by a building for the school 43098
year for which a report card is issued; 43099

(ii) For a district, the average of the highest two per cent 43100
of performance index scores achieved by a district for the school 43101
year for which a report card is issued. 43102

(d) The overall score under the value-added progress 43103
dimension of a district or building, for which the department 43104
shall use three consecutive years of value-added data. In using 43105
three years of value-added data to calculate the measure 43106
prescribed under division (D)(1)(d) of this section, the 43107
department shall assign a weight of fifty per cent to the most 43108
recent year's data and a weight of twenty-five per cent to the 43109
data of each of the other years. However, if three consecutive 43110
years of value-added data is not available, the department shall 43111
use prior years of value-added data to calculate the measure, as 43112
follows: 43113

(i) If two consecutive years of value-added data is not 43114
available, the department shall use one year of value-added data 43115
to calculate the measure. 43116

(ii) If two consecutive years of value-added data is 43117
available, the department shall use two consecutive years of 43118
value-added data to calculate the measure. In using two years of 43119
value-added data to calculate the measure, the department shall 43120
assign a weight of sixty-seven per cent to the most recent year's 43121
data and a weight of thirty-three per cent to the data of the 43122

other year.	43123
(e) The four-year adjusted cohort graduation rate.	43124
(f) The five-year adjusted cohort graduation rate.	43125
(g) The percentage of students in the district or building	43126
who score proficient or higher on the reading segment of the third	43127
grade English language arts assessment under section 3301.0710 of	43128
the Revised Code.	43129
To the extent possible, the department shall include the	43130

assessment under section 3301.0710 of the Revised Code in the	43132
performance measures prescribed under divisions (D)(1)(g) and (h)	43133
of this section.	43134
(h) Whether a district or building is making progress in	43135
improving literacy in grades kindergarten through three, as	43136
determined using a method prescribed by the department. The method	43137
shall determine progress made based on the reduction in the total	43138
percentage of students scoring below grade level, or below	43139
proficient, compared from year to year on the reading segments of	43140
the diagnostic assessments administered under section 3301.0715 of	43141
the Revised Code, including the kindergarten readiness assessment,	43142
and the third grade English language arts assessment under section	43143
3301.0710 of the Revised Code, as applicable. The method shall not	43144
include a deduction for students who did not pass the third grade	43145
English language arts assessment under section 3301.0710 of the	43146
Revised Code and were not on a reading improvement and monitoring	43147
plan.	43148
The performance measure prescribed under division (D)(1)(h)	43149
of this section shall not be included on the report card of a	43150
district or building in which less than ten per cent of students	43151

are promoted to the fourth grade and not subject to retention 43156
under division (A)(2) of section 3313.608 of the Revised Code; 43157

(j) A post-secondary readiness measure. This measure shall be 43158
calculated by dividing the number of students included in the 43159
four-year adjusted graduation rate cohort who demonstrate 43160
post-secondary readiness by the total number of students included 43161
in the denominator of the four-year adjusted graduation rate 43162
cohort. Demonstration of post-secondary readiness shall include a 43163
student doing any of the following: 43164

(i) Attaining a remediation-free score, in accordance with 43165

from which the student earned the college credit. Earned credits 43183
reported under division (D)(1)(j)(iii) of this section shall 43184

include credits that count toward the curriculum requirements	43185
established for completion of a degree, but shall not include any	43186
remedial or developmental credits.	43187

under division (B) of section 3313.61 of the Revised Code;	43189

(iv) The subgroup graduation targets;	43402
(v) The subgroup achievement targets in both mathematics and English language arts;	43403 43404
(vi) The subgroup progress targets in both mathematics and English language arts.	43405 43406
Achievement and progress targets under division (D)(3)(a) of this section shall be calculated individually, and districts and buildings shall receive a status of met or not met on each measure. The department shall not require a subgroup of a district or building to meet both the achievement and progress targets at the same time to receive a status of met.	43407 43408 43409 43410 43411 43412
The department shall not include any subgroup data in this measure that includes data from fewer than fifteen students. Any penalty for failing to meet the required assessment participation rate must be partially in proportion to how close the district or building was to meeting the rate requirement.	43413 43414 43415 43416 43417
(b) Achievement, which shall include the performance measure in division (D)(1)(c) of this section and the reported data in division (D)(2)(a) of this section. Performance ratings for the achievement component shall be awarded as a percentage of the maximum performance index score described in division (D)(1)(c) of this section.	43418 43419 43420 43421 43422 43423
(c) Progress, which shall include the performance measure in division (D)(1)(d) of this section and the reported data in	43424 43425

divisions (D)(2)(b) and (c) of this section; 43426

(d) Graduation, which shall include the performance measures 43427
in divisions (D)(1)(e) and (f) of this section and the reported 43428
data in divisions (D)(2)(d) and (j) of this section. The four-year 43429
adjusted cohort graduation rate shall be assigned a weight of 43430
sixty per cent and the five-year adjusted cohort graduation rate 43431
shall be assigned a weight of forty per cent; 43432

(e) Early literacy, which shall include the performance 43433
measures in divisions (D)(1)(g), (h), and (i) of this section and 43434
the reported data in divisions (D)(2)(e) and (k) of this section. 43435

If the measure prescribed under division (D)(1)(h) of this 43436
section is included in a report card, performance ratings for the 43437
early literacy component shall give a weight of forty per cent to 43438
the measure prescribed under division (D)(1)(g) of this section, a 43439
weight of thirty-five per cent to the measure prescribed under 43440
division (D)(1)(i) of this section, and a weight of twenty-five 43441
per cent to the measure prescribed under division (D)(1)(h) of 43442
this section. 43443

If the measure prescribed under division (D)(1)(h) of this 43444
section is not included in a report card of a district or 43445
building, performance ratings for the early literacy component 43446
shall give a weight of sixty per cent to the measure prescribed 43447
under division (D)(1)(g) of this section and a weight of forty per 43448
cent to the measure prescribed under division (D)(1)(i) of this 43449
section. 43450

(f) College, career, workforce, and military readiness, which 43451
shall include the performance measure in division (D)(1)(j) of 43452
this section and the reported data in division (D)(2)(f) of this 43453
section. 43454

For the 2021-2022, 2022-2023, and 2023-2024 school years, the 43455
department only shall report the data for, and not assign a 43456

performance rating to, the college, career, workforce, and 43457
military readiness component. The reported data shall include the 43458
percentage of students who demonstrate post-secondary readiness 43459
using any of the options described in division (D)(1)(j) of this 43460
section. 43461

The department shall analyze the data included in the 43462
performance measure prescribed in division (D)(1)(j) of this 43463
section for the 2021-2022, 2022-2023, and 2023-2024 school years. 43464
Using that data, the department shall develop and propose rules 43465
for a method to assign a performance rating to the college, 43466
career, workforce, and military readiness component based on that 43467
measure. The method to assign a performance rating shall not 43468
include a tiered structure or per student bonuses. The rules shall 43469
specify that a district or building shall not receive lower than a 43470
performance rating of three stars for the component if the 43471
district's or building's performance on the component meets or 43472
exceeds a level of improvement set by the department. 43473
Notwithstanding division (D)(4)(b) of this section, more than half 43474
of the total districts and buildings may earn a performance rating 43475
of three stars on this component to account for the districts and 43476
buildings that earned a performance rating of three stars because 43477
they met or exceeded the level of improvement set by the 43478
department. 43479

The department shall submit the rules to the joint committee 43480
on agency rule review. The committee shall conduct at least one 43481
public hearing on the proposed rules and approve or disapprove the 43482
rules. If the committee approves the rules, the state board shall 43483
adopt the rules in accordance with Chapter 119. of the Revised 43484
Code. If the rules are adopted, the department shall assign a 43485
performance rating to the college, career, workforce, and military 43486
readiness component under the rules beginning with the 2024-2025 43487
school year, and for each school year thereafter. If the committee 43488

disapproves the rules, the component shall be included in the 43489
report card only as reported data for the 2024-2025 school year, 43490
and each school year thereafter. 43491

(g)(i) Except as provided for in division (D)(3)(g)(ii) of 43492
this section, beginning with the 2022-2023 school year, under the 43493
state board's method prescribed under rules adopted in division 43494
(D)(4) of this section, the department shall use the performance 43495
ratings assigned for the components prescribed in divisions 43496
(D)(3)(a) to (e) of this section to determine and assign an 43497
overall performance rating of "one star," "one and one-half 43498
stars," "two stars," "two and one-half stars," "three stars," 43499
"three and one-half stars," "four stars," "four and one-half 43500
stars," or "five stars" for a district or building. The method 43501
shall give equal weight to the components in divisions (D)(3)(b) 43502
and (c) of this section. The method shall give equal weight to the 43503
components in divisions (D)(3)(a), (d), and (e) of this section. 43504
The individual weights of each of the components prescribed in 43505
divisions (D)(3)(a), (d), and (e) of this section shall be equal 43506
to one-half of the weight given to the component prescribed in 43507
division (D)(3)(b) of this section. 43508

(ii) If the joint committee on agency rule review approves 43509
the department's rules regarding the college, career, workforce, 43510
and military readiness component as described in division 43511
(D)(3)(f) of this section, for the 2024-2025 school year, and each 43512
school year thereafter, the state board's method shall use the 43513
components in divisions (D)(3)(a), (b), (c), (d), (e), and (f) of 43514
this section to calculate the overall performance rating. The 43515
method shall give equal weight to the components in divisions 43516
(D)(3)(b) and (c) of this section. The method shall give equal 43517
weight to the components prescribed in divisions (D)(3)(a), (d), 43518
(e), and (f) of this section. The individual weights of each of 43519
the components prescribed in divisions (D)(3)(a), (d), (e), and 43520

(f) of this section shall be equal to one-half the weight given to 43521
the component prescribed in division (D)(3)(b) of this section. 43522

If the joint committee on agency rule review disapproves the 43523
department's rules regarding the college, career, workforce, and 43524
military readiness component as described in division (D)(3)(f) of 43525
this section, division (D)(3)(g)(ii) of this section does not 43526
apply. 43527

(4)(a) The state board shall adopt rules in accordance with 43528
Chapter 119. of the Revised Code to establish the performance 43529
criteria, benchmarks, and rating system necessary to implement 43530
divisions (D) and (F) of this section, including the method for 43531
the department to assign performance ratings under division (D)(3) 43532
of this section. 43533

(b) In establishing the performance criteria, benchmarks, and 43534
rating system, the state board shall consult with stakeholder 43535
groups and advocates that represent parents, community members, 43536
students, business leaders, and educators from different school 43537
typology regions. The state board shall use data from prior school 43538
years and simulations to ensure that there is meaningful 43539
differentiation among districts and buildings across all 43540
performance ratings and that, except as permitted in division 43541
(D)(3)(f) of this section, more than half of all districts or 43542
buildings do not earn the same performance rating in any component 43543
or overall performance rating. 43544

(c) The state board shall adopt the rules prescribed by 43545
division (D)(4) of this section not later than March 31, 2022. 43546
However, the department shall notify districts and buildings of 43547
the changes to the report card prescribed in law not later than 43548
one week after ~~the effective date of this amendment~~ September 30, 43549
2021. 43550

(d) Prior to adopting or updating rules under division (D)(4) 43551

of this section, the president of the state board and the 43552
department shall conduct a public presentation before the standing 43553
committees of the house of representatives and the senate that 43554
consider primary and secondary education legislation describing 43555
the format for the report card and the performance criteria, 43556
benchmarks, and rating system, including the method to assign 43557
performance ratings under division (D)(3) of this section. 43558

(E) On or after July 1, 2015, the state board may develop a 43559
measure of student academic progress for high school students 43560
using only data from assessments in English language arts and 43561
mathematics. If the state board develops this measure, each school 43562
district and applicable school building shall be assigned a 43563
separate letter grade for it not sooner than the 2017-2018 school 43564
year. The district's or building's grade for that measure shall 43565
not be included in determining the district's or building's 43566
overall letter grade. 43567

(F)(1) The letter grades assigned to a school district or 43568
building under this section shall be as follows: 43569

(a) "A" for a district or school making excellent progress; 43570

(b) "B" for a district or school making above average 43571
progress; 43572

(c) "C" for a district or school making average progress; 43573

(d) "D" for a district or school making below average 43574
progress; 43575

(e) "F" for a district or school failing to meet minimum 43576
progress. 43577

(2) For the overall performance rating under division (D)(3) 43578
of this section, the department shall include a descriptor for 43579
each performance rating as follows: 43580

(a) "Significantly exceeds state standards" for a performance 43581

rating of five stars; 43582

(b) "Exceeds state standards" for a performance rating of 43583
four stars or four and one-half stars; 43584

(c) "Meets state standards" for a performance rating of three 43585
stars or three and one-half stars; 43586

(d) "Needs support to meet state standards" for a performance 43587
rating of two stars or two and one-half stars; 43588

(e) "Needs significant support to meet state standards" for a 43589
performance rating of one star or one and one-half stars. 43590

(3) For performance ratings for each component under 43591
divisions (D)(3)(a) to (f) of this section, the state board shall 43592
include a description of each component and performance rating. 43593
The description shall include component-specific context to each 43594
performance rating earned, estimated comparisons to other school 43595
districts and buildings if appropriate, and any other information 43596
determined by the state board. The descriptions shall be not 43597
longer than twenty-five words in length when possible. In addition 43598
to such descriptions, the state board shall include the 43599
descriptors in division (F)(2) of this section for component 43600
performance ratings. 43601

(4) Each report card issued under this section shall include 43602
all of the following: 43603

(a) A graphic that depicts the performance ratings of a 43604
district or school on a color scale. The color associated with a 43605
performance rating of three stars shall be green and the color 43606
associated with a performance rating of one star shall be red. 43607

(b) An arrow graphic that shows data trends for performance 43608
ratings for school districts or buildings. The state board shall 43609
determine the data to be used for this graphic, which shall 43610
include at least the three most recent years of data. 43611

(c) A description regarding the weights that are assigned to 43612
each component and used to determine an overall performance 43613
rating, as prescribed under division (D)(3)(g) of this section, 43614
which shall be included in the presentation of the overall 43615
performance rating on each report card. 43616

(G) When reporting data on student achievement and progress, 43617
the department shall disaggregate that data according to the 43618
following categories: 43619

(1) Performance of students by grade-level; 43620

(2) Performance of students by race and ethnic group; 43621

(3) Performance of students by gender; 43622

(4) Performance of students grouped by those who have been 43623
enrolled in a district or school for three or more years; 43624

(5) Performance of students grouped by those who have been 43625
enrolled in a district or school for more than one year and less 43626
than three years; 43627

(6) Performance of students grouped by those who have been 43628
enrolled in a district or school for one year or less; 43629

(7) Performance of students grouped by those who are 43630
economically disadvantaged; 43631

(8) Performance of students grouped by those who are enrolled 43632
in a conversion community school established under Chapter 3314. 43633
of the Revised Code; 43634

(9) Performance of students grouped by those who are 43635
classified as English learners; 43636

(10) Performance of students grouped by those who have 43637
disabilities; 43638

(11) Performance of students grouped by those who are 43639
classified as migrants; 43640

(12) Performance of students grouped by those who are 43641
identified as gifted in superior cognitive ability and the 43642
specific academic ability fields of reading and math pursuant to 43643
Chapter 3324. of the Revised Code. In disaggregating specific 43644
academic ability fields for gifted students, the department shall 43645
use data for those students with specific academic ability in math 43646
and reading. If any other academic field is assessed, the 43647
department shall also include data for students with specific 43648
academic ability in that field as well. 43649

(13) Performance of students grouped by those who perform in 43650
the lowest quintile for achievement on a statewide basis, as 43651
determined by a method prescribed by the state board. 43652

The department may disaggregate data on student performance 43653
according to other categories that the department determines are 43654
appropriate. To the extent possible, the department shall 43655
disaggregate data on student performance according to any 43656
combinations of two or more of the categories listed in divisions 43657
(G)(1) to (13) of this section that it deems relevant. 43658

In reporting data pursuant to division (G) of this section, 43659
the department shall not include in the report cards any data 43660
statistical in nature that is statistically unreliable or that 43661
could result in the identification of individual students. For 43662
this purpose, the department shall not report student performance 43663
data for any group identified in division (G) of this section that 43664
contains less than ten students. If the department does not report 43665
student performance data for a group because it contains less than 43666
ten students, the department shall indicate on the report card 43667
that is why data was not reported. 43668

(H) The department may include with the report cards any 43669
additional education and fiscal performance data it deems 43670
valuable. 43671

(I) The department shall include on each report card a list of additional information collected by the department that is available regarding the district or building for which the report card is issued. When available, such additional information shall include student mobility data disaggregated by race and socioeconomic status, college enrollment data, and the reports prepared under section 3302.031 of the Revised Code.

The department shall maintain a site on the world wide web. The report card shall include the address of the site and shall specify that such additional information is available to the public at that site. The department shall also provide a copy of each item on the list to the superintendent of each school district. The district superintendent shall provide a copy of any item on the list to anyone who requests it.

(J)(1)(a) Except as provided in division (J)(1)(b) of this section, for any district that sponsors a conversion community school under Chapter 3314. of the Revised Code, the department shall combine data regarding the academic performance of students enrolled in the community school with comparable data from the schools of the district for the purpose of determining the performance of the district as a whole on the report card issued for the district under this section or section 3302.033 of the Revised Code.

(b) The department shall not combine data from any conversion community school that a district sponsors if a majority of the students enrolled in the conversion community school are enrolled in a dropout prevention and recovery program that is operated by the school, as described in division (A)(4)(a) of section 3314.35 of the Revised Code. The department shall include as an addendum to the district's report card the ratings and performance measures that are required under section 3314.017 of the Revised Code for any community school to which division (J)(1)(b) of this section

applies. This addendum shall include, at a minimum, the data 43704
specified in divisions (C)(1)(a), (C)(2), and (C)(3) of section 43705
3314.017 of the Revised Code. 43706

(2) Any district that leases a building to a community school 43707
located in the district or that enters into an agreement with a 43708
community school located in the district whereby the district and 43709
the school endorse each other's programs may elect to have data 43710
regarding the academic performance of students enrolled in the 43711
community school combined with comparable data from the schools of 43712
the district for the purpose of determining the performance of the 43713
district as a whole on the district report card. Any district that 43714
so elects shall annually file a copy of the lease or agreement 43715
with the department. 43716

(3) Any municipal school district, as defined in section 43717
3311.71 of the Revised Code, that sponsors a community school 43718
located within the district's territory, or that enters into an 43719
agreement with a community school located within the district's 43720
territory whereby the district and the community school endorse 43721
each other's programs, may exercise either or both of the 43722
following elections: 43723

(a) To have data regarding the academic performance of 43724
students enrolled in that community school combined with 43725
comparable data from the schools of the district for the purpose 43726
of determining the performance of the district as a whole on the 43727
district's report card; 43728

(b) To have the number of students attending that community 43729
school noted separately on the district's report card. 43730

The election authorized under division (J)(3)(a) of this 43731
section is subject to approval by the governing authority of the 43732
community school. 43733

Any municipal school district that exercises an election to 43734

combine or include data under division (J)(3) of this section, by 43735
the first day of October of each year, shall file with the 43736
department documentation indicating eligibility for that election, 43737
as required by the department. 43738

(K) The department shall include on each report card the 43739
percentage of teachers in the district or building who are 43740
properly certified or licensed teachers, as defined in section 43741
3319.074 of the Revised Code, and a comparison of that percentage 43742
with the percentages of such teachers in similar districts and 43743
buildings. 43744

(L)(1) In calculating English language arts, mathematics, 43745
science, American history, or American government assessment 43746
passage rates used to determine school district or building 43747
performance under this section, the department shall include all 43748
students taking an assessment with accommodation or to whom an 43749
alternate assessment is administered pursuant to division (C)(1) 43750
or (3) of section 3301.0711 of the Revised Code and all students 43751
who take substitute examinations approved under division (B)(4) of 43752
section 3301.0712 of the Revised Code in the subject areas of 43753
science, American history and American government. 43754

(2) In calculating performance index scores, rates of 43755
achievement on the performance indicators established by the state 43756
board under section 3302.02 of the Revised Code, and annual 43757
measurable objectives for determining adequate yearly progress for 43758
school districts and buildings under this section, the department 43759
shall do all of the following: 43760

(a) Include for each district or building only those students 43761
who are included in the ADM certified for the first full school 43762

building through the time of the spring administration of any 43764
assessment prescribed by division (A)(1) or (B)(1) of section 43765
3301.0710 or division (B) of section 3301.0712 of the Revised Code 43766

that is administered to the student's grade level; 43767

(b) Include cumulative totals from both the fall and spring 43768
administrations of the third grade English language arts 43769

administration of that assessment; 43771

(c) ~~Except as required by the No Child Left Behind Act of~~ 43772
~~2001, exclude~~ Include for each district or building any English 43773

plan, as approved by the United States secretary of education, to 43776
comply with the "Elementary and Secondary Education Act of 1965," 43777
20 U.S.C. 6311 to 6339. 43778

The department shall calculate the modified graduation rate in the same manner as the four-year adjusted cohort graduation rate, except that the department only shall include graduation eligible students in the modified graduation rate's calculation. The department shall not include in the modified graduation rate calculation a graduation eligible student who is automatically withdrawn from an online high school pursuant to division (A)(6)(b) of section 3314.03 of the Revised Code and who does not re-enroll in a school. 43799

~~Sec. 3310.13. (A) No chartered nonpublic school shall charge~~ 44229
~~any student whose family income is at or below two hundred per~~ 44230

~~(B)~~ A chartered nonpublic school may charge any other student 44235
who is paid a scholarship under ~~that~~ section 3317.022 of the 44236
Revised Code up to the difference between the amount of the 44237
scholarship and the regular tuition charge of the school. Each 44238
chartered nonpublic school may permit such an eligible student's 44239
family to provide volunteer services in lieu of cash payment to 44240
pay all or part of the amount of the school's tuition not covered 44241
by the scholarship paid under section 3317.022 of the Revised 44242
Code. 44243

~~(C)~~(B) Each chartered nonpublic school that charges a 44244
scholarship student an additional amount as authorized under 44245
division ~~(B)~~(A) of this section shall annually report to the 44246
department of education in the manner prescribed by the department 44247
the following: 44248

(1) The number of students charged; 44249

(2) The average of the amounts charged to such students. 44250

(C) On and after July 1, 2024, the department shall not 44251
require the parent of a student to submit a complete copy of the 44252
parent's federal income tax return, or a return filed under 44253

section 5747.08 of the Revised Code, to determine a student's 44254
family income for the purposes of the educational choice 44255
scholarship pilot program. Rather, the department may require a 44256
parent to submit a partial federal income tax return, or a return 44257
filed under section 5747.08 of the Revised Code, that only 44258
contains the minimum amount of information necessary to determine 44259
a student's family income. 44260

(D) No chartered nonpublic school participating in the 44261
educational choice scholarship pilot program shall require the 44262
parent of a student to disclose, as part of the school's admission 44263
procedure, whether the student's family income is at or below two 44264
hundred per cent of the federal poverty guidelines. 44265

(E) A chartered nonpublic school may accept scholarships 44266
issued by a scholarship granting organization authorized under 44267
section 5747.73 of the Revised Code as payment for the difference 44268
between the amount of the scholarship paid under section 3317.022 44269
of the Revised Code and the regular tuition charge of the school, 44270
as well as for any fees regularly charged by the school." 44271

(F) Not later than the thirtieth day of June of each year, 44272
each chartered nonpublic school that enrolls students who receive 44273
educational choice scholarships shall submit to the department of 44274
education and workforce, in a form and manner prescribed by the 44275
department, the tuition rates charged by the school for the 44276
following school year. 44277

Sec. 3310.16. (A) For the 2020-2021 school year and each 44278
school year thereafter, the department of education shall accept, 44279
process, and award scholarships each year for the educational 44280
choice scholarship pilot program under sections 3310.03 and 44281
3310.032 of the Revised Code, as follows: 44282

(1) The application period shall open on the first day of 44283
February prior to the first day of July of the school year for 44284

which a scholarship is sought. Not later than forty-five days 44285
after an applicant submits to the department of education a 44286
completed application, the department of education shall determine 44287
whether that applicant is eligible for a scholarship and notify 44288
the applicant whether or not the applicant is eligible. The 44289
department of education shall award a scholarship to each student 44290
with an approved application. However, for any application 44291
submitted on or after the beginning the fifteenth day of October 44292
of the school year for which a scholarship is sought, the 44293
department of education shall prorate the amount of the awarded 44294
scholarship based on how much of the school year remains after the 44295
date of the student's enrollment in the chartered nonpublic 44296
school. 44297

(2) In each school year, the department of education shall 44298
accept applications for conditional approval of a scholarship 44299
sought for that year or the next school year. Not later than five 44300
days after receiving an application under this division, the 44301
department of education shall grant conditional approval to an 44302
applicant who is eligible for a scholarship and notify the 44303
applicant whether or not conditional approval is granted. 44304

(B) If the department determines an application submitted 44305
under this section contains an error or deficiency, the department 44306
shall notify the applicant who submitted that application not 44307
later than fourteen days after the application is submitted. 44308

(C) The departments of education, job and family services, 44309
and taxation shall enter into a data sharing agreement so that, in 44310
administering this section, the department of education shall be 44311
able to determine, based on the address provided in a student's 44312
application, whether that student is eligible for an educational 44313
choice scholarship under section 3310.03 of the Revised Code and 44314
whether the student meets the residency requirements for an 44315
educational choice scholarship under section 3310.032 of the 44316

Revised Code.	44317
(D) No city, local, or exempted village school district shall have access to an application submitted under this section.	44318 44319
Sec. 3310.41. (A) As used in this section:	44320
(1) "Alternative public provider" means either of the following providers that agrees to enroll a child in the provider's special education program to implement the child's individualized education program <u>or an education plan developed by the school district under division (G) of this section</u> and to which the child's parent owes fees for the services provided to the child:	44321 44322 44323 44324 44325 44326 44327
(a) A school district that is not the school district in which the child is entitled to attend school;	44328 44329
(b) A public entity other than a school district.	44330
(2) "Entitled to attend school" means entitled to attend school in a school district under section 3313.64 or 3313.65 of the Revised Code.	44331 44332 44333
(3) "Formula ADM" has the same meaning as in section 3317.02 of the Revised Code.	44334 44335
(4) "Preschool child with a disability" and "individualized education program" have the same meanings as in section 3323.01 of the Revised Code.	44336 44337 44338
(5) "Parent" has the same meaning as in section 3313.64 of the Revised Code, except that "parent" does not mean a parent whose custodial rights have been terminated. "Parent" also includes the custodian of a qualified special education child, when a court has granted temporary, legal, or permanent custody of the child to an individual other than either of the natural or adoptive parents of the child or to a government agency.	44339 44340 44341 44342 44343 44344 44345

(6) "Qualified special education child" is a child who was either enrolled in or eligible to enter school in the school district in which the child is entitled to attend school in any grade from preschool through twelve in the school year prior to the year in which a scholarship under this section is first sought and for whom ~~all~~ any of the following conditions apply:

(a) The school district in which the child is entitled to attend school has identified the child as autistic. A child who has been identified as having a "pervasive developmental disorder - not otherwise specified (PPD-NOS)" shall be considered to be an autistic child for purposes of this section.

(b) The school district in which the child is entitled to attend school has developed an individualized education program under Chapter 3323. of the Revised Code for the child that includes services related to autism.

~~(c) The child either:~~

~~(i) Was enrolled in the school district in which the child is entitled to attend school in any grade from preschool through twelve in the school year prior to the year in which a scholarship under this section is first sought for the child; or~~

~~(ii) Is eligible to enter school in any grade preschool through twelve in the school district in which the child is entitled to attend school in the school year in which a scholarship under this section is first sought for the child. The child has been diagnosed as autistic by a physician or psychologist.~~

(7) "Registered private provider" means a nonpublic school or other nonpublic entity that has been approved by the department of education to participate in the program established under this section.

(8) "Special education program" means a school or facility

that provides special education and related services to children 44377
with disabilities. 44378

(B) There is hereby established the autism scholarship 44379
program. Under the program, the department of education shall pay 44380
a scholarship under section 3317.022 of the Revised Code to the 44381
parent of each qualified special education child upon application 44382
of that parent pursuant to procedures and deadlines established by 44383
rule of the state board of education. Each scholarship shall be 44384
used only to pay tuition for the child on whose behalf the 44385
scholarship is awarded to attend a special education program that 44386
implements the child's individualized education program or 44387
education plan and that is operated by an alternative public 44388
provider or by a registered private provider, and to pay for other 44389
services agreed to by the provider and the parent of a qualified 44390
special education child that are not included in the 44391
individualized education program or education plan but are 44392
associated with educating the child. Upon agreement with the 44393
parent of a qualified special education child, the alternative 44394
public provider or the registered private provider may modify the 44395
services provided to the child. The purpose of the scholarship is 44396
to permit the parent of a qualified special education child the 44397
choice to send the child to a special education program, instead 44398
of the one operated by or for the school district in which the 44399
child is entitled to attend school, to receive the services 44400
prescribed in the child's individualized education program or 44401
education plan once the individualized education program or 44402
education plan is finalized and any other services agreed to by 44403
the provider and the parent of a qualified special education 44404
child. The services provided under the scholarship shall include 44405
an educational component or services designed to assist the child 44406
to benefit from the child's education. 44407

A scholarship under this section shall not be awarded to the 44408

parent of a child while the child's individualized education 44409
program is being developed by the school district in which the 44410
child is entitled to attend school, or while any administrative or 44411
judicial mediation or proceedings with respect to the content of 44412
the child's individualized education program are pending. A 44413
scholarship under this section shall not be used for a child to 44414
attend a public special education program that operates under a 44415
contract, compact, or other bilateral agreement between the school 44416
district in which the child is entitled to attend school and 44417
another school district or other public provider, or for a child 44418
to attend a community school established under Chapter 3314. of 44419
the Revised Code. However, nothing in this section or in any rule 44420
adopted by the state board shall prohibit a parent whose child 44421
attends a public special education program under a contract, 44422
compact, or other bilateral agreement, or a parent whose child 44423
attends a community school, from applying for and accepting a 44424
scholarship under this section so that the parent may withdraw the 44425
child from that program or community school and use the 44426
scholarship for the child to attend a special education program 44427
for which the parent is required to pay for services for the 44428
child. 44429

Except for development of the child's individualized 44430
education program or education plan, the school district in which 44431
a qualified special education child is entitled to attend school 44432
and the child's school district of residence, as defined in 44433
section 3323.01 of the Revised Code, if different, are not 44434
obligated to provide the child with a free appropriate public 44435
education under Chapter 3323. of the Revised Code for as long as 44436
the child continues to attend the special education program 44437
operated by either an alternative public provider or a registered 44438
private provider for which a scholarship is awarded under the 44439
autism scholarship program. If at any time, the eligible applicant 44440
for the child decides no longer to accept scholarship payments and 44441

enrolls the child in the special education program of the school 44442
district in which the child is entitled to attend school, that 44443
district shall provide the child with a free appropriate public 44444
education under Chapter 3323. of the Revised Code. 44445

A child attending a special education program with a 44446
scholarship under this section shall continue to be entitled to 44447
transportation to and from that program in the manner prescribed 44448
by law. 44449

(C) As prescribed in division (A)(2)(h) of section 3317.03 of 44450
the Revised Code, a child who is not a preschool child with a 44451
disability for whom a scholarship is awarded under this section 44452
shall be counted in the formula ADM of the district in which the 44453
child is entitled to attend school and not in the formula ADM of 44454
any other school district. 44455

(D) A scholarship shall not be paid under section 3317.022 of 44456
the Revised Code to a parent for payment of tuition owed to a 44457
nonpublic entity unless that entity is a registered private 44458
provider. The department shall approve entities that meet the 44459
standards established by rule of the state board for the program 44460
established under this section. 44461

(E) The state board shall adopt rules under Chapter 119. of 44462
the Revised Code prescribing procedures necessary to implement 44463
this section, including, but not limited to, procedures and 44464
deadlines for parents to apply for scholarships, standards for 44465
registered private providers, and procedures for approval of 44466
entities as registered private providers. 44467

The rules also shall specify that intervention services under 44468
the autism scholarship program may be provided by a qualified, 44469
credentialed provider, including, but not limited to, all of the 44470
following: 44471

(1) A behavior analyst certified by a nationally recognized 44472

organization that certifies behavior analysts; 44473

(2) A psychologist licensed to practice in this state under 44474
Chapter 4732. of the Revised Code; 44475

(3) An independent school psychologist or school psychologist 44476
licensed to practice in this state under Chapter 4732. of the 44477
Revised Code; 44478

(4) Any person employed by a licensed psychologist, licensed 44479
independent school psychologist, or licensed school psychologist, 44480
while carrying out specific tasks, under the licensee's 44481
supervision, as an extension of the licensee's legal and ethical 44482
authority as specified under Chapter 4732. of the Revised Code who 44483
is ascribed as "psychology trainee," "psychology assistant," 44484
"psychology intern," or other appropriate term that clearly 44485
implies their supervised or training status; 44486

(5) Unlicensed persons holding a doctoral degree in 44487
psychology or special education from a program approved by the 44488
state board; 44489

(6) A "registered behavior technician" as described under 44490
rule 5123-9-41 of the Administrative Code working under the 44491
supervision and following the intervention plan of a certified 44492
Ohio behavior analyst or a behavior analyst certified by a 44493
nationally recognized organization that certifies behavior 44494
analysts; 44495

(7) A "certified Ohio behavior analyst" under Chapter 4783. 44496
of the Revised Code; 44497

(8) Any other qualified individual as determined by the state 44498
board. 44499

(F) The department shall provide reasonable notice to all 44500
parents of children receiving a scholarship under the autism 44501
scholarship program, alternative public providers, and registered 44502

private providers of any amendment to a rule governing, or change 44503
in the administration of, the autism scholarship program. 44504

(G) If a child qualifies for the autism scholarship program 44505
pursuant to a diagnosis under division (A)(6)(c) of this section 44506
and does not have an individualized education program that 44507
includes services related to autism, the school district in which 44508
the child is entitled to attend school shall develop an education 44509
plan for the child. 44510

(H) Not later than the thirtieth day of June each year, each 44511
alternative public provider and registered private provider 44512
enrolling students receiving autism scholarships shall submit to 44513
the department, in a form and manner prescribed by the department, 44514
the tuition rates charged by the provider for the following school 44515
year. 44516

(I) The department shall not require the parent of a student 44517
who applies for or receives a scholarship under this section to 44518
complete any kind of income verification regarding the student's 44519
family income. 44520

Sec. 3310.43. (A) As used in this section: 44521

(1) "Registered private provider" has the same meaning as in 44522
section 3310.41 of the Revised Code. 44523

(2) "Two years of study" means the equivalent of forty-eight 44524
semester hours or seventy-two quarter hours. 44525

(B) The state board of education may issue an instructional 44526
assistant permit to an individual, upon the request of a 44527
registered private provider, qualifying that individual to provide 44528
services to a child under the autism scholarship program under 44529
section 3310.41 of the Revised Code. The permit shall be valid for 44530
one year from the date of issue and shall be renewable. 44531

For an individual to qualify for a permit under this section, 44532

the registered private provider shall assure to the state board 44533
all of the following: 44534

(1) The individual possesses the appropriate skills necessary 44535
to perform the duties of an instructional assistant, including the 44536
supervision of children and assistance with instructional tasks. 44537

(2) The individual demonstrates the potential to benefit from 44538
and consents to participating in in-service training, as required 44539
by the registered private provider. 44540

(3) The individual either: 44541

(a) Has an associate degree or higher from an accredited 44542
institution of higher education; 44543

(b) Has completed at least two years of study at an 44544
accredited institution of higher education. 44545

(C) An individual issued a permit under this section may 44546
provide instructional services in the home of a child so long as 44547
the individual is subject to adequate training and supervision. 44548
The state board shall adopt rules, pursuant to Chapter 119. of the 44549
Revised Code, regarding how providers will demonstrate this 44550
supervision. 44551

(D) An individual issued a permit under this section shall be 44552
subject to the requirements of sections 3319.291, 3319.31, 44553
3319.311, and 3319.313 of the Revised Code. 44554

(E) The state board shall not require any of the following 44555

provide services to a child, including in-home services, under the 44557
autism scholarship program: 44558

(1) A registered behavior technician as described under rule 44559
5123-9-41 of the Administrative Code; 44560

Under the program, beginning with the 2012-2013 school year, subject to division (B) of this section, the department of education annually shall pay a scholarship under section 3317.022 of the Revised Code to an eligible applicant for services provided by an alternative public provider or a registered private provider for a qualified special education child. The scholarship shall be used only to pay all or part of the fees for the child to attend the special education program operated by the alternative public provider or registered private provider to implement the child's individualized education program, in lieu of the child's attending the special education program operated by the school district in which the child is entitled to attend school, and other services agreed to by the provider and eligible applicant that are not included in the individualized education program but are associated with educating the child. Beginning in the 2014-2015 school year, if the child is receiving special education services for a disability specified in division (A) of section 3317.013 of the Revised Code, the scholarship shall be used only to pay for related services that are included in the child's individualized education program. Upon agreement with the eligible applicant, the alternative public provider or registered private provider may modify the services provided to the child.

(B) The number of scholarships awarded under the program in any fiscal year shall not exceed five per cent of the total number of students residing in the state identified as children with disabilities during the previous fiscal year.

(C) The department shall pay a scholarship under section 3317.022 of the Revised Code to the parent of each qualified special education child, unless the parent authorizes a direct payment to the child's provider, upon application of that parent

in the manner prescribed by the department. However, the 44595
department shall not adopt specific dates for application 44596
deadlines for scholarships under the program. 44597

(D) The department shall not require the parent of a student 44598
who applies for or receives a scholarship under this section to 44599
complete any kind of income verification regarding the student's 44600

Sec. 3310.581. Not later than the thirtieth day of June each 44602
year, each alternative public provider and registered private 44603
provider enrolling students receiving a scholarship shall submit 44604
to the department of education and workforce, in a form and manner 44605
prescribed by the department, the tuition rates charged by the 44606
provider for the following school year. 44607

Sec. 3313.33. (A) Conveyances made by a board of education 44608
shall be executed by the president and treasurer thereof. 44609

(B) Except as provided in division (C) of this section, no 44610
member of the board shall have, directly or indirectly, any 44611
pecuniary interest in any contract of the board or be employed in 44612
any manner for compensation by the board of which the person is a 44613
member. No contract shall be binding upon any board unless it is 44614
made or authorized at a regular or special meeting of such board. 44615

(C) A member of the board may have a pecuniary interest in a 44616
contract of the board if all of the following apply: 44617

(1) The member's pecuniary interest in that contract is that 44618
the member is employed by a political subdivision, 44619
instrumentality, or agency of the state or a private institution 44620
of higher education that is contracting with the board; 44621

(2) The member does not participate in any discussion or 44622
debate regarding the contract or vote on the contract; 44623

(3) The member files with the school district treasurer an affidavit stating the member's exact employment status with the political subdivision, instrumentality, or agency or private institution of higher education contracting with the board.

(D) This section does not apply where a member of the board, being a shareholder of a corporation but not being an officer or director thereof, owns not in excess of five per cent of the stock of such corporation. If a stockholder desires to avail self of the exception, before entering upon such contract such person shall first file with the treasurer an affidavit stating the stockholder's exact status and connection with said corporation.

This section does not apply where a member of the board elects to be covered by a health care plan under section 3313.202 of the Revised Code.

Sec. 3313.41. (A) Except as provided in divisions (C), (D), and (F) of this section and in sections 3313.412 and 3313.413 of the Revised Code, when a board of education decides to dispose of real or personal property that it owns in its corporate capacity and that exceeds in value ten thousand dollars, it shall sell the property at public auction, after giving at least thirty days' notice of the auction by publication in a newspaper of general circulation in the school district, by publication as provided in section 7.16 of the Revised Code, or by posting notices in five of the most public places in the school district in which the property, if it is real property, is situated, or, if it is personal property, in the school district of the board of education that owns the property. Not less than thirty days before the auction, the board shall advertise an auction for real property on a major commercial real estate web site. The board may offer real property for sale as an entire tract or in parcels.

In an auction for real property, the board may set a minimum

amount that the board will accept as a winning bid, provided that 44655
amount is disclosed to all auction participants and is not greater 44656
than the appraised fair market value of the property as determined 44657
by an appraisal, as defined in section 3313.411 of the Revised 44658
Code, of the property. 44659

In evaluating bids, a board shall not reject the bid of a 44660
qualified party, as defined in section 3313.411 of the Revised 44661
Code, or a private person that proposes to lease or otherwise make 44662

property for sale at public auction at least once pursuant to 44668
division (A) of this section, and the property has not been sold, 44669
the board may sell it at a private sale. Regardless of how it was 44670
offered at public auction, at a private sale, the board shall, as 44671
it considers best, sell real property as an entire tract or in 44672
parcels, and personal property in a single lot or in several lots. 44673

(C) ~~If~~ Subject to section 3313.411 of the Revised Code, if a 44674
board of education decides to dispose of real or personal property 44675
that it owns in its corporate capacity and that exceeds in value 44676
ten thousand dollars, it may sell the property to the adjutant 44677
general; to any subdivision or taxing authority as respectively 44678

board of education. 44694

(D) When a board of education decides to trade as a part or 44695
an entire consideration, an item of personal property on the 44696
purchase price of an item of similar personal property, it may 44697

to the trade. 44699

(E) The president and the treasurer of the board of education 44700
shall execute and deliver deeds or other necessary instruments of 44701
conveyance to complete any sale or trade under this section. 44702

(F) When a board of education has identified a parcel of real 44703

board may, upon a majority vote of the members of the board and 44705
subject to the board's obligation to comply with section 3313.411 44706
of the Revised Code, acquire that property by exchanging real 44707
property that the board owns in its corporate capacity for the 44708

made by a conveyance executed by the president and the treasurer 44713
of the board. 44714

(G) When a school district board of education has property 44715
that the board, by resolution, finds is not needed for school 44716
district use, is obsolete, or is unfit for the use for which it 44717
was acquired, the board may donate that property in accordance 44718

with this division if the fair market value of the property is, in 44719
the opinion of the board, two thousand five hundred dollars or 44720
less. 44721

The property may be donated to an eligible nonprofit 44722
organization that is located in this state and is exempt from 44723
federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). 44724
Before donating any property under this division, the board shall 44725
adopt a resolution expressing its intent to make unneeded, 44726
obsolete, or unfit-for-use school district property available to 44727
these organizations. The resolution shall include guidelines and 44728
procedures the board considers to be necessary to implement the 44729
donation program and shall indicate whether the school district 44730
will conduct the donation program or the board will contract with 44731
a representative to conduct it. If a representative is known when 44732
the resolution is adopted, the resolution shall provide contact 44733
information such as the representative's name, address, and 44734
telephone number. 44735

The resolution shall include within its procedures a 44736
requirement that any nonprofit organization desiring to obtain 44737
donated property under this division shall submit a written notice 44738
to the board or its representative. The written notice shall 44739
include evidence that the organization is a nonprofit organization 44740
that is located in this state and is exempt from federal income 44741
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 44742
the organization's primary purpose; a description of the type or 44743
types of property the organization needs; and the name, address, 44744
and telephone number of a person designated by the organization's 44745
governing board to receive donated property and to serve as its 44746
agent. 44747

After adoption of the resolution, the board shall publish, in 44748
a newspaper of general circulation in the school district or as 44749
provided in section 7.16 of the Revised Code, notice of its intent 44750

to donate unneeded, obsolete, or unfit-for-use school district 44751
property to eligible nonprofit organizations. The notice shall 44752
include a summary of the information provided in the resolution 44753
and shall be published twice. The second notice shall be published 44754
not less than ten nor more than twenty days after the previous 44755
notice. A similar notice also shall be posted continually in the 44756
board's office. If the school district maintains a web site on the 44757
internet, the notice shall be posted continually at that web site. 44758

The board or its representatives shall maintain a list of all 44759
nonprofit organizations that notify the board or its 44760
representative of their desire to obtain donated property under 44761
this division and that the board or its representative determines 44762
to be eligible, in accordance with the requirements set forth in 44763
this section and in the donation program's guidelines and 44764
procedures, to receive donated property. 44765

The board or its representative also shall maintain a list of 44766
all school district property the board finds to be unneeded, 44767
obsolete, or unfit for use and to be available for donation under 44768
this division. The list shall be posted continually in a 44769
conspicuous location in the board's office, and, if the school 44770
district maintains a web site on the internet, the list shall be 44771
posted continually at that web site. An item of property on the 44772
list shall be donated to the eligible nonprofit organization that 44773
first declares to the board or its representative its desire to 44774
obtain the item unless the board previously has established, by 44775
resolution, a list of eligible nonprofit organizations that shall 44776
be given priority with respect to the item's donation. Priority 44777
may be given on the basis that the purposes of a nonprofit 44778
organization have a direct relationship to specific school 44779
district purposes of programs provided or administered by the 44780
board. A resolution giving priority to certain nonprofit 44781
organizations with respect to the donation of an item of property 44782

shall specify the reasons why the organizations are given that 44783
priority. 44784

Members of the board shall consult with the Ohio ethics 44785
commission, and comply with Chapters 102. and 2921. of the Revised 44786
Code, with respect to any donation under this division to a 44787
nonprofit organization of which a board member, any member of a 44788
board member's family, or any business associate of a board member 44789
is a trustee, officer, board member, or employee. 44790

exempted village, local, and joint vocational school district	45060
shall provide for the free education of the youth of school age	45061

within the district under its jurisdiction, at such places as will 45062
be most convenient for the attendance of the largest number 45063
thereof. Each school so provided and each chartered nonpublic 45064
school shall be open for instruction with pupils in attendance, 45065
including scheduled classes, supervised activities, and approved 45066
education options but excluding lunch and breakfast periods and 45067
extracurricular activities, for not less than four hundred 45068
fifty-five hours in the case of pupils in kindergarten unless such 45069
pupils are provided all-day kindergarten, as defined in section 45070
3321.05 of the Revised Code, in which case the pupils shall be in 45071
attendance for nine hundred ten hours; nine hundred ten hours in 45072
the case of pupils in grades one through six; and one thousand one 45073
hours in the case of pupils in grades seven through twelve in each 45074
school year, which may include all of the following: 45075

(1) Up to the equivalent of two school days per year during 45076
which pupils would otherwise be in attendance but are not required 45077
to attend for the purpose of individualized parent-teacher 45078
conferences and reporting periods; 45079

(2) Up to the equivalent of two school days per year during 45080
which pupils would otherwise be in attendance but are not required 45081
to attend for professional meetings of teachers; 45082

(3) Morning and afternoon recess periods of not more than 45083
fifteen minutes duration per period for pupils in grades 45084

(B) Not later than thirty days prior to adopting a school 45086
calendar, the board of education of each city, exempted village, 45087
and local school district shall hold a public hearing on the 45088
school calendar, addressing topics that include, but are not 45089
limited to, the total number of hours in a school year, length of 45090
school day, and beginning and end dates of instruction. 45091

(C) No school operated by a city, exempted village, local, or 45092

joint vocational school district shall reduce the number of hours 45093
in each school year that the school is scheduled to be open for 45094
instruction from the number of hours per year the school was open 45095
for instruction during the previous school year unless the 45096
reduction is approved by a resolution adopted by the district 45097
board of education. Any reduction so approved shall not result in 45098
fewer hours of instruction per school year than the applicable 45099
number of hours required under division (A) of this section. 45100

~~(D) Prior to making any change in the hours or days in which 45101
a high school under its jurisdiction is open for instruction, the 45102
board of education of each city, exempted village, and local 45103
school district shall consider the compatibility of the proposed 45104
change with the scheduling needs of any joint vocational school 45105
district in which any of the high school's students are also 45106
enrolled. The board shall consider the impact of the proposed 45107
change on student access to the instructional programs offered by 45108
the joint vocational school district, incentives for students to 45109
participate in career technical education, transportation, and the 45110
timing of graduation. The board shall provide the joint vocational 45111
school district board with advance notice of the proposed change 45112
and the two boards shall enter into a written agreement 45113
prescribing reasonable accommodations to meet the scheduling needs 45114
of the joint vocational school district prior to implementation of 45115
the change. 45116~~

~~(E) Subject to section 3327.016 of the Revised Code, prior to 45117
making any change in the hours or days in which a school under its 45118
jurisdiction is open for instruction, the board of education of 45119
each city, exempted village, and local school district shall 45120
consider the compatibility of the proposed change with the 45121
scheduling needs of any community school established under Chapter 45122
3314. of the Revised Code to which the district is required to 45123
transport students under sections 3314.09 and 3327.01 of the 45124~~

~~Revised Code. The board shall consider the impact of the proposed 45125
change on student access to the instructional programs offered by 45126
the community school, transportation, and the timing of 45127
graduation. The board shall provide the sponsor, governing 45128
authority, and operator of the community school with advance 45129
notice of the proposed change, and the board and the governing 45130
authority, or operator if such authority is delegated to the 45131
operator, shall enter into a written agreement prescribing 45132
reasonable accommodations to meet the scheduling needs of the 45133
community school prior to implementation of the change. 45134~~

~~(F) Subject to section 3327.016 of the Revised Code, prior to 45135
making any change in the hours or days in which the schools under 45136
its jurisdiction are open for instruction, the board of education 45137
of each city, exempted village, and local school district shall 45138
consult with the chartered nonpublic schools to which the district 45139
is required to transport students under section 3327.01 of the 45140
Revised Code and shall consider the effect of the proposed change 45141
on the schedule for transportation of those students to their 45142
nonpublic schools. The governing authority of a chartered 45143
nonpublic school shall consult with each school district board of 45144
education that transports students to the chartered nonpublic 45145
school under section 3327.01 of the Revised Code prior to making 45146
any change in the hours or days in which the nonpublic school is 45147
open for instruction. Subject to section 3327.016 of the Revised 45148
Code, the board of each city, exempted village, and local school 45149
district shall not make any changes in the hours or days in which 45150
the schools under its jurisdiction are open for instruction unless 45151
the school district receives approval from each joint vocational 45152
school district, community school, and chartered nonpublic school 45153
to which the district is required to transport students under 45154
section 3314.09 or 3327.01 of the Revised Code. If a community or 45155
chartered nonpublic school has students that receive 45156
transportation from different districts, the school district 45157~~

providing transportation to the greatest number of students 45158
enrolled at the community or chartered nonpublic school shall be 45159
responsible for coordinating school hours or days with the other 45160
school districts. 45161

~~(G)~~(E) The state board of education shall not adopt or 45162
enforce any rule or standard that imposes on chartered nonpublic 45163
schools the procedural requirements imposed on school districts by 45164
divisions (B), (C), and (D), ~~and~~ ~~(E)~~ of this section. 45165

(2) "School-affiliated event" means an athletic event, play, 45258

cash for a ticket to a school-affiliated event. If a qualifying 45266

pathway mathematics course approved by the department of education 45335
as an alternative. 45336

For students who choose to take advanced computer science in 45337
lieu of algebra II under division (C)(3) of this section, the 45338

school shall communicate to those students that some institutions 45339
of higher education may require algebra II for the purpose of 45340
college admission. Also, the parent, guardian, or legal custodian 45341
of each student who chooses to take advanced computer science in 45342
lieu of algebra II shall sign and submit to the school a document 45343
containing a statement acknowledging that not taking algebra II 45344
may have an adverse effect on college admission decisions. 45345

A student may fulfill one unit of mathematics under division 45346
(C)(3) of this section by completing one-half unit of financial 45347
literacy instruction to satisfy the requirement prescribed under 45348
division (C)(9) of this section and one-half unit of a mathematics 45349
course. The one-half unit course in mathematics shall not be in 45350

instruction under division (C)(8) of this section. 45360

(4) Physical education, one-half unit; 45361

(a) Physical sciences, one unit; 45366

(b) Life sciences, one unit; 45367

(c) Advanced study in one or more of the following sciences, 45368

One-half unit of instruction under division (C)(8) of this 45400
section may be instruction in financial literacy to satisfy the 45401
requirement under division (C)(9) of this section. 45402

(9)(a) Except as provided in division (C)(9)(b) of this 45403
section, for students who enter ninth grade for the first time on 45404
or after July 1, 2022, financial literacy, one-half unit. Each 45405
student shall elect to complete the one-half unit of instruction 45406
in financial literacy either in lieu of one-half unit of 45407
instruction in mathematics under division (C)(3) of this section 45408
or an elective under division (C)(8) of this section, social 45409
studies under division (C)(7) of this section. 45410

(b) A student attending a nonpublic school accredited through 45411
the independent schools association of the central states or any 45412
other chartered nonpublic school shall not be required to complete 45413
the one-half unit of financial literacy instruction prescribed in 45414
division (C)(9)(a) of this section, unless that student is 45415
attending the school under a state scholarship program as defined 45416
in section 3301.0711 of the Revised Code. 45417

The study and instruction of financial literacy required 45418
under division (C)(9) of this section shall align with the 45419
academic content standards for financial literacy and 45420
entrepreneurship adopted under division (A)(2) of section 3301.079 45421
of the Revised Code. In developing the curriculum for the study 45422
and instruction of financial literacy, schools may use available 45423
public-private partnerships and resources and materials that exist 45424
in business, industry, and through the centers for economics 45425
education at institutions of higher education. 45426

Ohioans must be prepared to apply increased knowledge and 45427
skills in the workplace and to adapt their knowledge and skills 45428
quickly to meet the rapidly changing conditions of the 45429
twenty-first century. National studies indicate that all high 45430
school graduates need the same academic foundation, regardless of 45431

the opportunities they pursue after graduation. The goal of Ohio's 45432
system of elementary and secondary education is to prepare all 45433
students for and seamlessly connect all students to success in 45434
life beyond high school graduation, regardless of whether the next 45435
step is entering the workforce, beginning an apprenticeship, 45436
engaging in post-secondary training, serving in the military, or 45437
pursuing a college degree. 45438

The requirements for graduation prescribed in division (C) of 45439
this section are the standard expectation for all students 45440
entering ninth grade for the first time at a public or chartered 45441
nonpublic high school on or after July 1, 2010. A student may 45442
satisfy this expectation through a variety of methods, including, 45443
but not limited to, integrated, applied, career-technical, and 45444
traditional coursework. 45445

Stronger coordination between high schools and institutions 45446
of higher education is necessary to prepare students for more 45447
challenging academic endeavors and to lessen the need for academic 45448
remediation in college, thereby reducing the costs of higher 45449
education for Ohio's students, families, and the state. The state 45450
board and the chancellor of higher education shall develop 45451
policies to ensure that only in rare instances will students who 45452
complete the requirements for graduation prescribed in division 45453
(C) of this section require academic remediation after high 45454
school. 45455

School districts, community schools, and chartered nonpublic 45456
schools shall integrate technology into learning experiences 45457
across the curriculum in order to maximize efficiency, enhance 45458
learning, and prepare students for success in the 45459
technology-driven twenty-first century. Districts and schools 45460
shall use distance and web-based course delivery as a method of 45461
providing or augmenting all instruction required under this 45462
division, including laboratory experience in science. Districts 45463

and schools shall utilize technology access and electronic 45464
learning opportunities provided by the broadcast educational media 45465
commission, chancellor, the Ohio learning network, education 45466
technology centers, public television stations, and other public 45467
and private providers. 45468

(D) Except as provided in division (E) of this section, a 45469
student who enters ninth grade on or after July 1, 2010, and 45470
before July 1, 2016, may qualify for graduation from a public or 45471
chartered nonpublic high school even though the student has not 45472
completed the requirements for graduation prescribed in division 45473
(C) of this section if all of the following conditions are 45474
satisfied: 45475

(1) During the student's third year of attending high school, 45476
as determined by the school, the student and the student's parent, 45477
guardian, or custodian sign and file with the school a written 45478
statement asserting the parent's, guardian's, or custodian's 45479
consent to the student's graduating without completing the 45480
requirements for graduation prescribed in division (C) of this 45481
section and acknowledging that one consequence of not completing 45482
those requirements is ineligibility to enroll in most state 45483
universities in Ohio without further coursework. 45484

(2) The student and parent, guardian, or custodian fulfill 45485
any procedural requirements the school stipulates to ensure the 45486
student's and parent's, guardian's, or custodian's informed 45487
consent and to facilitate orderly filing of statements under 45488
division (D)(1) of this section. Annually, each district or school 45489
shall notify the department of the number of students who choose 45490
to qualify for graduation under division (D) of this section and 45491
the number of students who complete the student's success plan and 45492
graduate from high school. 45493

(3) The student and the student's parent, guardian, or 45494
custodian and a representative of the student's high school 45495

jointly develop a student success plan for the student in the 45496
manner described in division (C)(1) of section 3313.6020 of the 45497
Revised Code that specifies the student matriculating to a 45498
two-year degree program, acquiring a business and 45499
industry-recognized credential, or entering an apprenticeship. 45500

(4) The student's high school provides counseling and support 45501
for the student related to the plan developed under division 45502
(D)(3) of this section during the remainder of the student's high 45503
school experience. 45504

(5)(a) Except as provided in division (D)(5)(b) of this 45505
section, the student successfully completes, at a minimum, the 45506
curriculum prescribed in division (B) of this section. 45507

(b) Beginning with students who enter ninth grade for the 45508
first time on or after July 1, 2014, a student shall be required 45509
to complete successfully, at the minimum, the curriculum 45510
prescribed in division (B) of this section, except as follows: 45511

(i) Mathematics, four units, one unit which shall be one of 45512
the following: 45513

(I) Probability and statistics; 45514

(II) Computer science; 45515

(III) Applied mathematics or quantitative reasoning; 45516

(IV) Any other course approved by the department using 45517
standards established by the superintendent not later than October 45518
1, 2014. 45519

(ii) Elective units, five units; 45520

(iii) Science, three units as prescribed by division (B) of 45521
this section which shall include inquiry-based laboratory 45522
experience that engages students in asking valid scientific 45523
questions and gathering and analyzing information. 45524

(E) Each school district and chartered nonpublic school 45525

retains the authority to require an even more challenging minimum 45526
curriculum for high school graduation than specified in division 45527
(B) or (C) of this section. A school district board of education, 45528
through the adoption of a resolution, or the governing authority 45529
of a chartered nonpublic school may stipulate any of the 45530
following: 45531

(1) A minimum high school curriculum that requires more than 45532
twenty units of academic credit to graduate; 45533

(2) An exception to the district's or school's minimum high 45534
school curriculum that is comparable to the exception provided in 45535
division (D) of this section but with additional requirements, 45536
which may include a requirement that the student successfully 45537
complete more than the minimum curriculum prescribed in division 45538
(B) of this section; 45539

(3) That no exception comparable to that provided in division 45540
(D) of this section is available. 45541

If a school district or chartered nonpublic school requires a 45542
foreign language as an additional graduation requirement under 45543
division (E) of this section, a student may apply one unit of 45544
instruction in computer coding to satisfy one unit of foreign 45545
language. If a student applies more than one computer coding 45546
course to satisfy the foreign language requirement, the courses 45547
shall be sequential and progressively more difficult. 45548

(F) A student enrolled in a dropout prevention and recovery 45549
program, which program has received a waiver from the department, 45550
may qualify for graduation from high school by successfully 45551
completing a competency-based instructional program administered 45552
by the dropout prevention and recovery program in lieu of 45553
completing the requirements for graduation prescribed in division 45554
(C) of this section. The department shall grant a waiver to a 45555
dropout prevention and recovery program, within sixty days after 45556

the program applies for the waiver, if the program meets all of 45557
the following conditions: 45558

(1) The program serves only students not younger than sixteen 45559
years of age and not older than twenty-one years of age. 45560

(2) The program enrolls students who, at the time of their 45561
initial enrollment, either, or both, are at least one grade level 45562
behind their cohort age groups or experience crises that 45563
significantly interfere with their academic progress such that 45564
they are prevented from continuing their traditional programs. 45565

(3) The program requires students to attain at least the 45566
applicable score designated for each of the assessments prescribed 45567
under division (B)(1) of section 3301.0710 of the Revised Code or, 45568
to the extent prescribed by rule of the state board under division 45569
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 45570
of that section. 45571

(4) The program develops a student success plan for the 45572
student in the manner described in division (C)(1) of section 45573
3313.6020 of the Revised Code that specifies the student's 45574
matriculating to a two-year degree program, acquiring a business 45575
and industry-recognized credential, or entering an apprenticeship. 45576

(5) The program provides counseling and support for the 45577
student related to the plan developed under division (F)(4) of 45578
this section during the remainder of the student's high school 45579
experience. 45580

(6) The program requires the student and the student's 45581
parent, guardian, or custodian to sign and file, in accordance 45582
with procedural requirements stipulated by the program, a written 45583
statement asserting the parent's, guardian's, or custodian's 45584
consent to the student's graduating without completing the 45585
requirements for graduation prescribed in division (C) of this 45586
section and acknowledging that one consequence of not completing 45587

those requirements is ineligibility to enroll in most state 45588
universities in Ohio without further coursework. 45589

(7) Prior to receiving the waiver, the program has submitted 45590
to the department an instructional plan that demonstrates how the 45591
academic content standards adopted by the state board under 45592
section 3301.079 of the Revised Code will be taught and assessed. 45593

(8) Prior to receiving the waiver, the program has submitted 45594
to the department a policy on career advising that satisfies the 45595
requirements of section 3313.6020 of the Revised Code, with an 45596
emphasis on how every student will receive career advising. 45597

(9) Prior to receiving the waiver, the program has submitted 45598
to the department a written agreement outlining the future 45599
cooperation between the program and any combination of local job 45600
training, postsecondary education, nonprofit, and health and 45601
social service organizations to provide services for students in 45602
the program and their families. 45603

Divisions (F)(8) and (9) of this section apply only to 45604
waivers granted on or after July 1, 2015. 45605

If the department does not act either to grant the waiver or 45606
to reject the program application for the waiver within sixty days 45607
as required under this section, the waiver shall be considered to 45608
be granted. 45609

(G) Every high school may permit students below the ninth 45610
grade to take advanced work. If a high school so permits, it shall 45611
award high school credit for successful completion of the advanced 45612
work and shall count such advanced work toward the graduation 45613
requirements of division (B) or (C) of this section if the 45614
advanced work was both: 45615

(1) Taught by a person who possesses a license or certificate 45616
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 45617
Code that is valid for teaching high school; 45618

(2) Designated by the board of education of the city, local, 45619
or exempted village school district, the board of the cooperative 45620
education school district, or the governing authority of the 45621
chartered nonpublic school as meeting the high school curriculum 45622
requirements. 45623

Each high school shall record on the student's high school 45624
transcript all high school credit awarded under division (G) of 45625
this section. In addition, if the student completed a seventh- or 45626
eighth-grade fine arts course described in division (K) of this 45627
section and the course qualified for high school credit under that 45628
division, the high school shall record that course on the 45629
student's high school transcript. 45630

(H) The department shall make its individual academic career 45631
plan available through its Ohio career information system web site 45632
for districts and schools to use as a tool for communicating with 45633
and providing guidance to students and families in selecting high 45634
school courses. 45635

(I) A school district or chartered nonpublic school may 45636
integrate academic content in a subject area for which the state 45637
board has adopted standards under section 3301.079 of the Revised 45638
Code into a course in a different subject area, including a 45639
career-technical education course, in accordance with guidance for 45640
integrated coursework developed by the department. Upon successful 45641
completion of an integrated course, a student may receive credit 45642
for both subject areas that were integrated into the course. Units 45643
earned for subject area content delivered through integrated 45644
academic and career-technical instruction are eligible to meet the 45645
graduation requirements of division (B) or (C) of this section. 45646

For purposes of meeting graduation requirements, if an 45647
end-of-course examination has been prescribed under section 45648
3301.0712 of the Revised Code for the subject area delivered 45649
through integrated instruction, the school district or school may 45650

administer the related subject area examinations upon the 45651
student's completion of the integrated course. 45652

Nothing in division (I) of this section shall be construed to 45653
excuse any school district, chartered nonpublic school, or student 45654
from any requirement in the Revised Code related to curriculum, 45655
assessments, or the awarding of a high school diploma. 45656

(J)(1) The state board, in consultation with the chancellor, 45657
shall adopt a statewide plan implementing methods for students to 45658
earn units of high school credit based on a demonstration of 45659
subject area competency, instead of or in combination with 45660
completing hours of classroom instruction. The state board shall 45661
adopt the plan not later than March 31, 2009, and commence phasing 45662
in the plan during the 2009-2010 school year. The plan shall 45663
include a standard method for recording demonstrated proficiency 45664
on high school transcripts. Each school district and community 45665
school shall comply with the state board's plan adopted under this 45666
division and award units of high school credit in accordance with 45667
the plan. The state board may adopt existing methods for earning 45668
high school credit based on a demonstration of subject area 45669
competency as necessary prior to the 2009-2010 school year. 45670

(2) Not later than December 31, 2015, the state board shall 45671
update the statewide plan adopted pursuant to division (J)(1) of 45672
this section to also include methods for students enrolled in 45673
seventh and eighth grade to meet curriculum requirements based on 45674
a demonstration of subject area competency, instead of or in 45675
combination with completing hours of classroom instruction. 45676
Beginning with the 2017-2018 school year, each school district and 45677
community school also shall comply with the updated plan adopted 45678
pursuant to this division and permit students enrolled in seventh 45679
and eighth grade to meet curriculum requirements based on subject 45680
area competency in accordance with the plan. 45681

(3) Not later than December 31, 2017, the department shall 45682

develop a framework for school districts and community schools to 45683
use in granting units of high school credit to students who 45684
demonstrate subject area competency through work-based learning 45685
experiences, internships, or cooperative education. Beginning with 45686
the 2018-2019 school year, each district and community school 45687
shall comply with the framework. Each district and community 45688
school also shall review any policy it has adopted regarding the 45689
demonstration of subject area competency to identify ways to 45690
incorporate work-based learning experiences, internships, and 45691
cooperative education into the policy in order to increase student 45692
engagement and opportunities to earn units of high school credit. 45693

(K) This division does not apply to students who qualify for 45694
graduation from high school under division (D) or (F) of this 45695
section, or to students pursuing a career-technical instructional 45696
track as determined by the school district board of education or 45697
the chartered nonpublic school's governing authority. 45698
Nevertheless, the general assembly encourages such students to 45699
consider enrolling in a fine arts course as an elective. 45700

Beginning with students who enter ninth grade for the first 45701
time on or after July 1, 2010, each student enrolled in a public 45702
or chartered nonpublic high school shall complete two semesters or 45703
the equivalent of fine arts to graduate from high school. The 45704
coursework may be completed in any of grades seven to twelve. Each 45705
student who completes a fine arts course in grade seven or eight 45706
may elect to count that course toward the five units of electives 45707
required for graduation under division (C)(8) of this section, if 45708
the course satisfied the requirements of division (G) of this 45709
section. In that case, the high school shall award the student 45710
high school credit for the course and count the course toward the 45711
five units required under division (C)(8) of this section. If the 45712
course in grade seven or eight did not satisfy the requirements of 45713
division (G) of this section, the high school shall not award the 45714

student high school credit for the course but shall count the 45715
course toward the two semesters or the equivalent of fine arts 45716
required by this division. 45717

(L) Notwithstanding anything to the contrary in this section, 45718
the board of education of each school district and the governing 45719
authority of each chartered nonpublic school may adopt a policy to 45720
excuse from the high school physical education requirement each 45721
student who, during high school, has participated in 45722
interscholastic athletics, marching band, show choir, or 45723
cheerleading for at least two full seasons or in the junior 45724
reserve officer training corps for at least two full school years. 45725
If the board or authority adopts such a policy, the board or 45726
authority shall not require the student to complete any physical 45727
education course as a condition to graduate. However, the student 45728
shall be required to complete one-half unit, consisting of at 45729
least sixty hours of instruction, in another course of study. In 45730
the case of a student who has participated in the junior reserve 45731
officer training corps for at least two full school years, credit 45732
received for that participation may be used to satisfy the 45733
requirement to complete one-half unit in another course of study. 45734

(M) It is important that high school students learn and 45735
understand United States history and the governments of both the 45736
United States and the state of Ohio. Therefore, beginning with 45737
students who enter ninth grade for the first time on or after July 45738
1, 2012, the study of American history and American government 45739
required by divisions (B)(6) and (C)(6) of this section shall 45740
include the study of all of the following documents: 45741

(1) The Declaration of Independence; 45742

(2) The Northwest Ordinance; 45743

(3) The Constitution of the United States with emphasis on 45744
the Bill of Rights; 45745

(4) The Ohio Constitution. 45746

The study of each of the documents prescribed in divisions 45747
(M)(1) to (4) of this section shall include study of that document 45748
in its original context. 45749

The study of American history and government required by 45750
divisions (B)(6) and (C)(6) of this section shall include the 45751
historical evidence of the role of documents such as the 45752
Federalist Papers and the Anti-Federalist Papers to firmly 45753
establish the historical background leading to the establishment 45754
of the provisions of the Constitution and Bill of Rights. 45755

(N) A student may apply one unit of instruction in computer 45756
science to satisfy one unit of mathematics or one unit of science 45757
under division (C) of this section as the student chooses, 45758
regardless of the field of certification of the teacher who 45759
teaches the course, so long as that teacher meets the licensure 45760
requirements prescribed by section 3319.236 of the Revised Code 45761
and, prior to teaching the course, completes a professional 45762
development program determined to be appropriate by the district 45763
board. 45764

If a student applies more than one computer science course to 45765
satisfy curriculum requirements under that division, the courses 45766
shall be sequential and progressively more difficult or cover 45767
different subject areas within computer science. 45768

Sec. 3313.6028. (A)(1) As used in Title XXXIII of the Revised 45769
Code, "science of reading" means an interdisciplinary body of 45770
scientific evidence that: 45771

(a) Informs how students learn to read and write 45772
proficiently; 45773

(b) Explains why some students have difficulty with reading 45774
and writing; 45775

(c) Indicates that all students benefit from explicit and systematic instruction in phonemic awareness, phonics, vocabulary, fluency, comprehension, and writing to become effective readers; 45776
45777
45778

(d) Does not rely on any model of teaching students to read based on meaning, structure and syntax, and visual cues, including a three-cueing approach. 45779
45780
45781

(2) As used in this section, "three-cueing approach" means any model of teaching students to read based on meaning, structure and syntax, and visual cues. 45782
45783
45784

(B) The department of education and workforce shall establish a list of high-quality core curriculum and instructional materials in English language arts, and a list of evidence-based reading intervention programs, that are aligned with the science of reading and strategies for effective literacy instruction. 45785
45786
45787
45788
45789

(C) Beginning not later than the 2024-2025 school year, each school district, community school established under Chapter 3314. of the Revised Code, and STEM school established under Chapter 3326. of the Revised Code, shall use core curriculum and instructional materials in English language arts and evidence-based reading intervention programs only from the lists established under division (B) of this section. Except as provided in division (D) of this section, no district or school shall use any core curriculum, instructional materials, or intervention program in grades pre-kindergarten to five that use the three-cueing approach to teach students to read. 45790
45791
45792
45793
45794
45795
45796
45797
45798
45799
45800

(D) A district or school may apply to the department for a waiver on an individual student basis to use curriculum, instructional materials, or an intervention program in grades pre-kindergarten through five that uses the three-cueing approach to teach students to read, except as follows: 45801
45802
45803
45804
45805

(1) No student for whom a reading improvement and monitoring 45806

plan has been developed under division (C) of section 3313.608 of 45807
the Revised Code shall be eligible for a waiver. 45808

(2) If a student has an individualized education program that 45809
explicitly indicates the three-cueing approach is appropriate for 45810
the student's learning needs, the student shall not be required to 45811
have a waiver. 45812

In determining whether to approve a waiver requested under 45813
this section, the department shall consider the performance of the 45814
student's district or school on the state report card issued under 45815
section 3302.03 of the Revised Code, including on the early 45816
literacy component prescribed under division (D)(3)(e) of that 45817
section. 45818

(E)(1) The department shall identify vendors that provide 45819
professional development to educators, including pre-service 45820
teachers and faculty employed by educator preparation programs, on 45821
the use of high-quality core curriculum and instructional 45822
materials and reading intervention programs on the lists 45823
established under division (B) of this section. 45824

(2) A professional development committee established under 45825
section 3319.22 of the Revised Code shall qualify any completed 45826
professional development coursework provided by a vendor described 45827
in division (E)(1) of this section to count towards professional 45828
development coursework requirements for teacher licensure renewal. 45829

(3) A professional development committee shall permit a 45830
teacher to apply any hours earned over the minimum amount of hours 45831
required for professional development coursework for teacher 45832
licensure renewal under division (E)(2) of this section to the 45833
next renewal period for that license. 45834

Sec. 3313.6029. (A) As used in this section: 45835

(1) "Parent" has the same meaning as in section 3313.98 of 45836

the Revised Code. 45837

(2) "State assessment" means an achievement assessment 45838
prescribed under section 3301.0710 of the Revised Code or an 45839
end-of-course examination under section 3301.0712 of the Revised 45840
Code. 45841

(B) Not later than the thirtieth day of June each school 45842
year, each school district and chartered nonpublic school shall 45843

(1) Sending the scores to the parent by mail or electronic 45847
mail; 45848

(2) Posting the scores in a secure portal on the district's 45849

(2) "State assessment" means an achievement assessment 45855
prescribed under section 3301.0710 of the Revised Code or an 45856
end-of-course examination prescribed under section 3301.0712 of 45857
the Revised Code. 45858

(B) Each school district, community school established 45859
pursuant to Chapter 3314., and STEM school established pursuant to 45860
Chapter 3326. of the Revised Code shall provide academic 45861
intervention services, free of cost, to each qualifying student. 45862
The district or school shall provide those services directly or 45863
through a contracted vendor. A district or school shall not refer 45864
a qualifying student for tutoring or informally recommend that 45865
such student receive some other form of support without actually 45866

providing those services. 45867

(C) Academic intervention services provided to a student 45868
under this section may encompass a wide and open-ended variety of 45869
supports, including tutoring, additional instruction time, 45870
participation in a learning support program, or any other 45871
academically centered support service that the district or school 45872
determines will improve the student's academic performance. 45873

(D) Each district and school annually shall provide the 45874
department of education and workforce, in a form and manner 45875
prescribed by the department, any information the department 45876
determines is necessary for it to track and monitor the academic 45877
progress of students receiving intervention services under this 45878
section. The department shall track and monitor those students and 45879
may index diagnostic assessments provided to them to determine 45880
whether each student makes progress toward demonstrating grade 45881
level proficiency and no longer needs intervention services. 45882

(E) The department annually shall administer a self-reporting 45883
survey to all districts and schools with students receiving 45884
intervention services pursuant to this section. The department 45885
shall prepare a report of that information, which shall include at 45886
least all of the following: 45887

(1) A list of districts and schools that the department has 45888
determined are providing academic intervention services pursuant 45889
to this section; 45890

(2) A list of districts and schools that are not providing 45891
academic intervention services pursuant to this section; 45892

(3) A list of districts and schools that failed to respond to 45893
the survey. 45894

(F) Not later than the fifteenth day of November each year, 45895
the department shall present the report required under division 45896
(E) of this section to the standing committees of the house of 45897

A career-technical cooperative education district is a 46733
political subdivision within the meaning of section 2744.01 of the 46734
Revised Code. 46735

(F)(1) The board of education of a school district may join 46736
an existing career-technical cooperative education district by 46737
adopting a resolution requesting to join as a party to the 46738
agreement and upon approval by the boards of education that 46739
currently are parties to the agreement. If a tax is levied in the 46740
career-technical cooperative education district under section 46741

(G) An agreement entered into under this section shall 46764

education district's dissolution. The district shall cease to 46766

(H)(1) A career-technical cooperative education district is 46777

the member districts. The department of education and workforce 46786
shall compute and make payments under Chapter 3317. of the Revised 46787

same manner as a lead district of a career-technical planning 46789
district under that chapter. 46790

(I) The department shall create an internal retrieval number 46791

(4) Any other reason determined by the department. 46811

(C) School districts shall apply to the department for approval to contract with an Ohio technical center under this section. Applicants shall submit a plan to the department describing how the district and the Ohio technical center will establish a collaborative partnership to provide career-technical education to students. Prior to approval, the department shall consider the extent to which the partnership will increase access to career-technical education courses for students. 46812

time outside of normal school hours; 46835

(4) Pay the Ohio technical center for each student taking a 46836
course at the technical center. The payment amount shall be the 46837

high school in which the student is enrolled, \$7,500. 46848

career-technical education expense under division (F) of section 46858
3317.014 of the Revised Code. 46859

(G) Notwithstanding anything to the contrary in the Revised 46860

section. 47012

(A) The superintendent of public instruction shall establish 47013
a pilot project scholarship program and shall include in such 47014
program any school districts that are or have ever been under 47015

program shall provide for a number of students residing in any 47018
such district to receive scholarships to attend alternative 47019
schools, and for an equal number of students to receive tutorial 47020
assistance grants while attending public school in any such 47021
district. 47022

(B) The state superintendent shall establish an application 47023

appropriated for the program. 47031

(C)(1) The pilot project program shall continue in effect 47032
each year that the general assembly has appropriated sufficient 47033
money to fund scholarships and tutorial assistance grants. In each 47034

completed grade twelve. 47038

(2) If the general assembly discontinues the scholarship 47039
program, all students who are attending an alternative school 47040
under the pilot project shall be entitled to continued admittance 47041
to that specific school through all grades that are provided in 47042
such school, under the same conditions as when they were 47043

scholarship program pursuant to sections 3313.974 to 3313.979 of 47060
the Revised Code, the district board of education may enter into 47061
an agreement with any teacher it employs to provide to that 47062
teacher severance pay or early retirement incentives, or both, if 47063
the teacher agrees to terminate the employment contract with the 47064
district board, provided any collective bargaining agreement in 47065
force pursuant to Chapter 4117. of the Revised Code does not 47066
prohibit such an agreement for termination of a teacher's 47067
employment contract. 47068

(E) Except as provided for in division (C)(2) of section 47069

3365.07 of the Revised Code, the director shall not require the 47070

payments from parents pursuant to section 3317.022 of the Revised 47075

(3) The department shall post the student performance data required under divisions (G)(1) and (2) of this section on its web site and shall include that data in the information about the scholarship program provided to students under division (A) of this section. In reporting student performance data under this division, the department shall not include any data that is statistically unreliable or that could result in the identification of individual students. For this purpose, the department shall not report performance data for any group that contains less than ten students.	47331 47332 47333 47334 47335 47336 47337 47338 47339 47340
(4) The department shall provide the parent of each scholarship student enrolled in a registered private school with	47341 47342

information comparing the student's performance on the assessments 47343
administered pursuant to division ~~(A)(11)~~(A)(9) of section 47344
3313.976 of the Revised Code with the average performance of 47345
similar students enrolled in the building operated by the pilot 47346
project school district that the scholarship student would 47347
otherwise attend. In calculating the performance of similar 47348
students, the department shall consider age, grade, race and 47349
ethnicity, gender, and socioeconomic status. 47350

(H) The department shall open the application period on the 47351
first day of February prior to the first day of July of the school 47352
year for which a scholarship is sought. Not later than forty-five 47353
days after an applicant submits to the department of education a 47354
completed application, the department of education shall determine 47355
whether that applicant is eligible for a scholarship and notify 47356
the applicant whether or not the applicant is eligible. The 47357
department of education shall award a scholarship to each student 47358
with an approved application. However, for any application 47359
submitted on or after the beginning fifteenth day of October of 47360
the school year for which the scholarship is sought, the 47361
department of education shall prorate the amount of the awarded 47362
scholarship based on how much of the school year remains after the 47363
date of the student's enrollment in the private school. 47364

Sec. 3313.984. (A) Each school district shall report to the 47365
department of education and workforce, in the manner prescribed by 47366
the department, the number of students who attend a school 47367
building other than the one assigned by the board or district 47368
superintendent. 47369

(B) A school district that conducts an enrollment lottery for 47370
students through an intradistrict open enrollment policy under 47371
this section shall conduct that lottery on the second Monday of 47372
June prior to the school year for which the student is seeking 47373

enrollment. 47374

Sec. 3314.016. This section applies to any entity that 47375
sponsors a community school, regardless of whether section 47376
3314.021 or 3314.027 of the Revised Code exempts the entity from 47377
the requirement to be approved for sponsorship under divisions 47378
(A)(2) and (B)(1) of section 3314.015 of the Revised Code. The 47379
office of Ohio school sponsorship established under section 47380
3314.029 of the Revised Code shall be rated under division (B) of 47381
this section, but divisions (A) and (C) of this section do not 47382
apply to the office. 47383

(A) An entity that sponsors a community school shall be 47384
permitted to enter into contracts under section 3314.03 of the 47385
Revised Code to sponsor additional community schools only if the 47386
entity meets all of the following criteria: 47387

(1) The entity is in compliance with all provisions of this 47388
chapter requiring sponsors of community schools to report data or 47389
information to the department of education. 47390

(2) The entity is not rated as "ineffective" under division 47391
(B)(6) of this section. 47392

(3) Except as set forth in sections 3314.021 and 3314.027 of 47393
the Revised Code, the entity has received approval from and 47394
entered into an agreement with the department of education 47395
pursuant to section 3314.015 of the Revised Code. 47396

(B)(1) The department shall develop and implement an 47397
evaluation system that annually rates and assigns an overall 47398
rating to each entity that sponsors a community school. The 47399
department, not later than the first day of February of each year, 47400
shall post on the department's web site the framework for the 47401
evaluation system, including technical documentation that the 47402
department intends to use to rate sponsors for the next school 47403

year. The department shall solicit public comment on the 47404
evaluation system for thirty consecutive days. Not later than the 47405
first day of April of each year, the department shall compile and 47406
post on the department's web site all public comments that were 47407
received during the public comment period. The evaluation system 47408
shall be posted on the department's web site by the fifteenth day 47409
of July of each school year. Any changes to the evaluation system 47410
after that date shall take effect the following year. The 47411
evaluation system shall be based on the following components: 47412

(a) Academic performance of students enrolled in community 47413
schools sponsored by the same entity. The academic performance 47414
component shall be derived from the performance measures 47415
prescribed for the state report cards under section 3302.03 or 47416
3314.017 of the Revised Code, and shall be based on the 47417
performance of the schools for the school year for which the 47418
evaluation is conducted. In addition to the academic performance 47419
for a specific school year, the academic performance component 47420
shall also include year-to-year changes in the overall sponsor 47421
portfolio. For a community school for which no graded performance 47422
measures are applicable or available, the department shall use 47423
nonreport card performance measures specified in the contract 47424
between the community school and the sponsor under division (A)(4) 47425
of section 3314.03 of the Revised Code. For the purpose of 47426
calculating the academic component of the evaluation for each 47427
sponsor, the department shall use the higher of the sponsor's 47428
score for the schools in the sponsor's portfolio as determined by 47429
weighting each school based on enrollment or by weighting each 47430
school equally. 47431

(b) Adherence by a sponsor to the quality practices 47432
prescribed by the department under division (B)(3) of this 47433
section. For a sponsor that was rated "effective" or "exemplary" 47434
on its most recent rating, the department may evaluate that 47435

sponsor's adherence to quality practices once over a period of 47436
three years. If the department elects to evaluate a sponsor once 47437
over a period of three years, the most recent rating for a 47438
sponsor's adherence to quality practices shall be used when 47439
determining an annual overall rating conducted under this section. 47440
Each sponsor shall submit documentation of the sponsor's adherence 47441
to quality practices to the department not later than the 47442
fifteenth day of May each year. A sponsor may participate in an 47443
interview with the party contracted by the department to assess 47444
the quality practices of sponsors and may submit to the department 47445
additional documentation as evidence of the sponsor's adherence to 47446
quality practices following the interview. 47447

(c) Compliance with all applicable laws and administrative 47448
rules by an entity that sponsors a community school. 47449

Under the evaluation system prescribed under division (B)(1) 47450
of this section, the department shall not assign an overall rating 47451
of "ineffective" or lower to an entity that sponsors a community 47452
school solely because that entity received no points on one of the 47453
components prescribed under that division. 47454

(2) In calculating an academic performance component, the 47455
department shall exclude all community schools that have been in 47456
operation for not more than two full school years and all 47457
community schools described in division (A)(4)(b) of section 47458
3314.35 of the Revised Code. However, the academic performance of 47459
the community schools described in division (A)(4)(b) of section 47460
3314.35 of the Revised Code shall be reported, but shall not be 47461
used as a factor when determining a sponsoring entity's rating 47462
under this section. 47463

(3) The department, in consultation with entities that 47464
sponsor community schools, shall prescribe quality practices for 47465
community school sponsors and develop an instrument to measure 47466
adherence to those quality practices. The quality practices shall 47467

be based on standards developed by the national association of 47468
charter school authorizers or any other nationally organized 47469
community school organization. 47470

(4)(a) The department may permit peer review of a sponsor's 47471
adherence to the quality practices prescribed under division 47472
(B)(3) of this section. Peer reviewers shall be limited to 47473
individuals employed by sponsors rated "effective" or "exemplary" 47474
on the most recent ratings conducted under this section. 47475

(b) The department shall require individuals participating in 47476
peer review under division (B)(4)(a) of this section to complete 47477
training approved or established by the department. 47478

(c) The department may enter into an agreement with another 47479
entity to provide training to individuals conducting peer review 47480
of sponsors. Prior to entering into an agreement with an entity, 47481
the department shall review and approve of the entity's training 47482
program. 47483

(5) The state board of education shall adopt rules in 47484
accordance with Chapter 119. of the Revised Code prescribing 47485
standards for measuring compliance with applicable laws and rules 47486
under division (B)(1)(c) of this section. 47487

(6) The department annually shall rate all entities that 47488
sponsor community schools as either "exemplary," "effective," 47489
"ineffective," or "poor," based on the components prescribed by 47490
division (B) of this section, where each component is weighted 47491
equally. A separate rating shall be given by the department for 47492
each component of the evaluation system. 47493

The department shall publish the ratings between the first 47494
day of October and the fifteenth day of November. 47495

Prior to the publication of the final ratings, the department 47496
shall designate and provide notice of a period of at least ten 47497
business days during which each sponsor may review the information 47498

used by the department to determine the sponsor's rating on the 47499
components prescribed by division (B)(1) of this section. If the 47500
sponsor believes there is an error in the department's evaluation, 47501
the sponsor may request adjustments to the rating of any of those 47502
components based on documentation previously submitted as part of 47503
an evaluation. The sponsor shall provide to the department any 47504
necessary evidence or information to support the requested 47505
adjustments. The department shall review the evidence and 47506
information, determine whether an adjustment is valid, and 47507
promptly notify the sponsor of its determination and reasons. If 47508
any adjustments to the data could result in a change to the rating 47509
on the applicable component or to the overall rating, the 47510
department shall recalculate the ratings prior to publication. 47511

The department shall provide training on an annual basis 47512
regarding the evaluation system prescribed under this section. The 47513
training shall, at a minimum, describe methodology, timelines, and 47514
data required for the evaluation system. The first training 47515
session shall occur not later than March 2, 2016. Beginning in 47516
2018, the training shall be made available to each entity that 47517
sponsors a community school by the fifteenth day of July of each 47518
year and shall include guidance on any changes made to the 47519
evaluation system. 47520

(7)(a) Entities with an overall rating of "exemplary" ~~for the~~ 47521
~~two most recent years in which the entity was evaluated~~ may take 47522
advantage of the following incentives: 47523

(i) Renewal of the written agreement with the department, not 47524
to exceed ten years, provided that the entity consents to 47525
continued evaluation of adherence to quality practices as 47526
described in division (B)(1)(b) of this section; 47527

(ii) The ability to extend the term of the contract between 47528
the sponsoring entity and the community school beyond the term 47529
described in the written agreement with the department; 47530

(iii) An exemption from the preliminary agreement and contract adoption and execution deadline requirements prescribed in division (D) of section 3314.02 of the Revised Code; 47531
47532
47533

(iv) An exemption from the automatic contract expiration requirement, should a new community school fail to open by the thirtieth day of September of the calendar year in which the community school contract is executed; 47534
47535
47536
47537

(v) No limit on the number of community schools the entity may sponsor; 47538
47539

(vi) No territorial restrictions on sponsorship. 47540

An entity may continue to sponsor any community schools with which it entered into agreements under division (B)(7)(a)(v) or (vi) of this section while rated "exemplary," notwithstanding the fact that the entity later receives a lower overall rating. 47541
47542
47543
47544

(b) Entities with an overall rating of "exemplary" or "effective" for the three most recent years in which the entity was evaluated shall be evaluated by the department once every three years. 47545
47546

the student's enrollment from a parent and the student has 48453
commenced participation in learning opportunities as defined in 48454
the contract with the sponsor, or thirty days prior to the date on 48455
which the student is entered into the education management 48456

the subsequent school year. However, if the student without a 48485

shall offer not less than nine hundred twenty hours of learning 48504
opportunities during the school year. 48505

(4) With respect to the calculation of full-time equivalency 48506
under division (H)(3) of this section, the department shall waive 48507
the number of hours or days of learning opportunities not offered 48508
to a student because the community school was closed during the 48509
school year due to disease epidemic, hazardous weather conditions, 48510
law enforcement emergencies, inoperability of school buses or 48511
other equipment necessary to the school's operation, damage to a 48512
school building, or other temporary circumstances due to utility 48513
failure rendering the school building unfit for school use, so 48514
long as the school was actually open for instruction with students 48515

in attendance during that school year for not less than the 48516
minimum number of hours required by this chapter. The department 48517

contract between the school and the school's sponsor as required 48534
by division (A)(23) of section 3314.03 of the Revised Code; 48535

(b) The school is in compliance with division (A) of section 48536

materials have not been delivered, installed, and activated for 48544
each such student in a timely manner or other educational 48545

legislative changes that may be required to assure fiscal and 48554
academic accountability for such schools. 48555

(K)(1) If the department determines that a review of a 48556
community school's enrollment is necessary, such review shall be 48557
completed and written notice of the findings shall be provided to 48558
the governing authority of the community school and its sponsor 48559
within ninety days of the end of the community school's fiscal 48560
year, unless extended for a period not to exceed thirty additional 48561
days for one of the following reasons: 48562

(a) The department and the community school mutually agree to 48563
the extension. 48564

(b) Delays in data submission caused by either a community 48565
school or its sponsor. 48566

(2) If the review results in a finding that additional 48567
funding is owed to the school, such payment shall be made within 48568
thirty days of the written notice. If the review results in a 48569
finding that the community school owes moneys to the state, the 48570
following procedure shall apply: 48571

(a) Within ten business days of the receipt of the notice of 48572
findings, the community school may appeal the department's 48573

final. 48584

(3) If it is decided that the community school owes moneys to 48585
the state, the department shall deduct such amount from the 48586
school's future payments in accordance with guidelines issued by 48587
the superintendent of public instruction. 48588

(L) The department shall not pay to a community school under 48589
section 3317.022 of the Revised Code any amount for any of the 48590

year, the department shall adjust, as necessary, the district's 49900
funding base, as that term is defined in section 3317.02 of the 49901
Revised Code, according to the amounts received by the district in 49902
the immediately preceding fiscal year for career technical 49903
education students who attend the newly established joint 49904

the Revised Code for that fiscal year than for the previous fiscal 49915
year and the positive difference between those two student counts 49916
is greater than or equal to the district's decrease threshold for 49917
that fiscal year, the amount paid to the district under division 49918
(A) of this section shall be reduced by the following amount: 49919~~

~~The statewide average base cost per pupil X [(the positive 49920
difference between the number of the district's students counted 49921

community school shall be the following quotient: 51829

(i) The total amount calculated for the school district in 51830
which the child is entitled to attend school for student 51831

to attend school would have used a method of transportation for 51854
the student for which payments are computed and paid in a manner 51855
described in division (G) of this section, the amount that would 51856
otherwise be computed for and paid to the district. 51857

section 3317.024 of the Revised Code. 52327

No school district shall provide health or remedial services 52328
to nonpublic school pupils as authorized by this section unless 52329
such services are available to pupils attending the public schools 52330
within the district. 52331

The allocation of payments for materials, equipment, textbooks, digital texts, health services, and remedial services to city, local, and exempted village school districts shall be on the basis of the state board of education's estimated annual average daily membership in nonpublic elementary and high schools located in the district described in division (E)(1) of section 3317.024 of the Revised Code.

Payments made to city, local, and exempted village school districts under this section shall be equal to specific appropriations made for the purpose. All interest earned by a school district on such payments shall be used by the district for the same purposes and in the same manner as the payments may be used.

The department of education shall adopt guidelines and procedures under which such programs and services shall be provided, under which districts and educational service centers with which districts contract to provide auxiliary services shall

be reimbursed for administrative costs incurred in providing such 52369
programs and services, and under which any unexpended balance of 52370
the amounts appropriated by the general assembly to implement this 52371
section may be transferred to the auxiliary services personnel 52372

under division (E)(1) of section 3317.024 of the Revised Code and 52384
any interest earned on those moneys that are not required to pay 52385
expenses incurred under this section during the biennium for which 52386
the money was appropriated and during which the interest was 52387
earned. If a board of education subsequently determines that the 52388
remittal of moneys leaves the board with insufficient money to pay 52389
all valid expenses incurred under this section during the biennium 52390
for which the remitted money was appropriated, the board may apply 52391
to the department of education for a refund of money, not to 52392
exceed the amount of the insufficiency. If the department 52393
determines the expenses were lawfully incurred and would have been 52394
lawful expenditures of the refunded money, it shall certify its 52395
determination and the amount of the refund to be made to the 52396

teachers or other employees and any payment of compensation by 53522
boards of education to educational assistants for such services is 53523
prohibited. The ratio between the number of licensed teachers and 53524
the pupils in a school district may not be decreased by 53525
utilization of educational assistants and no grouping, or other 53526
organization of pupils, for utilization of educational assistants 53527
shall be established which is inconsistent with sound educational 53528
practices and procedures. A school district may employ up to one 53529

shall not serve as educational assistants without first obtaining 53552
an appropriate educational aide permit or educational 53553
paraprofessional license from the state board of education. A 53554
nonteaching employee who is the holder of a valid educational aide 53555
permit or educational paraprofessional license shall neither 53556
render nor be required to render services inconsistent with the 53557
type of services authorized by the permit or license held. No 53558
person shall receive compensation from a board of education for 53559
services rendered as an educational assistant in violation of this 53560
provision. 53561

teacher in a school district. Such students shall not be 53571
compensated for such services. 53572~~

by the teacher's immediate administrative officer, a teacher to 53575
whom an educational assistant is assigned shall make all final 53576
determinations of the duties to be assigned to such assistant. 53577
Teachers shall not be required to hold a license designated for 53578
being a supervisor or administrator in order to perform the 53579
necessary supervision of educational assistants. 53580

(E) No person who is, or who has been employed as an 53581
educational assistant shall divulge, except to the teacher to whom 53582
assigned, or the administrator of the school in the absence of the 53583
teacher to whom assigned, or when required to testify in a court 53584
or proceedings, any personal information concerning any pupil in 53585
the school district which was obtained or obtainable by the 53586

If the collective bargaining agreement does not specify a 53877
different method for the selection of teacher members of the 53878
committees, the exclusive representative of the district's 53879
teachers shall select the teacher members. 53880

If the collective bargaining agreement does not specify a 53881

discussed or voted upon, the local professional development 53900
committee shall, at the request of one of its administrative 53901
members, cause a majority of the committee to consist of 53902

development committees shall be structured in a manner comparable 53934
to the structures prescribed for school districts in divisions 53935

(1) If the person is required to submit fingerprints and written permission under division (B)(1) of this section, request the superintendent of the bureau of criminal identification and investigation to determine whether the bureau has any information, gathered pursuant to division (A) of section 109.57 of the Revised Code, pertaining to the person and to obtain any criminal records that the federal bureau of investigation has on the person.

(2) If the person is required to submit fingerprints and written permission under division (B)(2) of this section, request the superintendent of the bureau of criminal identification and investigation to obtain any criminal records that the federal bureau of investigation has on the person.

(D) The state board or the superintendent of public instruction may choose not to request any information about a person required by division (C) of this section if the person provides proof that a criminal records check that satisfies the requirements of that division was conducted on the person as a condition of employment pursuant to section 3319.39 of the Revised Code within the immediately preceding year. The state board or the superintendent of public instruction may accept a certified copy

of records that were issued by the bureau of criminal 54468
identification and investigation and that are presented by the 54469
person in lieu of requesting that information under division (C) 54470
of this section if the records were issued by the bureau within 54471
the immediately preceding year. 54472

(E)(1) If a person described in division (A)(3) ~~or~~ (4), or 54473
(5) of this section who is subject to a criminal records check 54474
fails to submit fingerprints and written permission by the date 54475
specified in the applicable division, and the state board or the 54476
superintendent of public instruction does not apply division (D) 54477
of this section to the person, or if a person who is subject to 54478
division (G) of this section fails to submit fingerprints and 54479
written permission by the date prescribed under that division, the 54480
superintendent shall prepare a written notice stating that if the 54481
person does not submit the fingerprints and written permission 54482
within fifteen days after the date the notice was mailed, the 54483
person's application will be rejected or the person's professional 54484
or permanent teaching certificate or license will be inactivated. 54485
The superintendent shall send the notification by regular mail to 54486
the person's last known residence address or last known place of 54487
employment, as indicated in the department of education's records, 54488
or both. 54489

If the person fails to submit the fingerprints and written 54490
permission within fifteen days after the date the notice was 54491
mailed, the superintendent of public instruction, on behalf of the 54492
state board, shall issue a written order rejecting the application 54493
or inactivating the person's professional or permanent teaching 54494
certificate or license. The rejection or inactivation shall remain 54495
in effect until the person submits the fingerprints and written 54496
permission. The superintendent shall send the order by regular 54497
mail to the person's last known residence address or last known 54498
place of employment, as indicated in the department's records, or 54499

both. The order shall state the reason for the rejection or 54500
inactivation and shall explain that the rejection or inactivation 54501
remains in effect until the person submits the fingerprints and 54502
written permission. 54503

The rejection or inactivation of a professional or permanent 54504
teaching certificate or license under division (E)(1) of this 54505
section does not constitute a suspension or revocation of the 54506
certificate or license by the state board under section 3319.31 of 54507
the Revised Code and the state board and the superintendent of 54508
public instruction need not provide the person with an opportunity 54509
for a hearing with respect to the rejection or inactivation. 54510

(2) If a person whose professional or permanent teaching 54511
certificate or license has been rejected or inactivated under 54512
division (E)(1) of this section submits fingerprints and written 54513
permission as required by division (B) or (G) of this section, the 54514
superintendent of public instruction, on behalf of the state 54515
board, shall issue a written order issuing or reactivating the 54516
certificate or license. The superintendent shall send the order to 54517
the person by regular mail. 54518

(F) Notwithstanding divisions (A) to (C) of this section, if 54519
a person holds more than one certificate, license, or permit 54520
described in division (A)(1) of this section, the following shall 54521
apply: 54522

(1) If the certificates, licenses, or permits are of 54523
different durations, the person shall be subject to divisions (A) 54524
to (C) of this section only when applying for renewal of the 54525
certificate, license, or permit that is of the longest duration. 54526
Prior to renewing any certificate, license, or permit with a 54527
shorter duration, the state board or the superintendent of public 54528
instruction shall determine whether the department of education 54529
has received any information about the person pursuant to section 54530
109.5721 of the Revised Code, but the person shall not be subject 54531

to divisions (A) to (C) of this section as long as the person's 54532
certificate, license, or permit with the longest duration is 54533
valid. 54534

(2) If the certificates, licenses, or permits are of the same 54535
duration but do not expire in the same year, the person shall 54536
designate one of the certificates, licenses, or permits as the 54537
person's primary certificate, license, or permit and shall notify 54538
the department of that designation. The person shall be subject to 54539
divisions (A) to (C) of this section only when applying for 54540
renewal of the person's primary certificate, license, or permit. 54541
Prior to renewing any certificate, license, or permit that is not 54542
the person's primary certificate, license, or permit, the state 54543
board or the superintendent of public instruction shall determine 54544
whether the department has received any information about the 54545
person pursuant to section 109.5721 of the Revised Code, but the 54546
person shall not be subject to divisions (A) to (C) of this 54547
section as long as the person's primary certificate, license, or 54548
permit is valid. 54549

(3) If the certificates, licenses, or permits are of the same 54550
duration and expire in the same year and the person applies for 54551
renewal of the certificates, licenses, or permits at the same 54552
time, the state board or the superintendent of public instruction 54553
shall request only one criminal records check of the person under 54554
division (C) of this section. 54555

(G) If the department is unable to enroll a person who has 54556
submitted an application for licensure, or to whom the state board 54557
has issued a license, in the retained applicant fingerprint 54558
database established under section 109.5721 of the Revised Code 54559
because the person has not satisfied the requirements for 54560
enrollment, the department shall require the person to satisfy the 54561
requirements for enrollment, including requiring the person to 54562
submit, by a date prescribed by the department, one complete set 54563

of fingerprints and written permission that authorizes the 54564
superintendent of public instruction to forward the fingerprints 54565
to the bureau of criminal identification and investigation for the 54566
purpose of enrolling the person in the database. If the person 54567
fails to comply by the prescribed date, the department shall 54568
reject the application or shall take action to inactivate the 54569
person's license in accordance with division (E) of this section. 54570

Sec. 3319.316. ~~The department of education, on behalf of the~~ 54571
state board of education, shall be a participating public office 54572
for purposes of the retained applicant fingerprint database 54573
established under section 109.5721 of the Revised Code and shall 54574
receive notification from the bureau of criminal identification 54575
and investigation of the arrest or conviction of the following 54576
persons: 54577

(A) Persons to whom the state board has issued a license, as 54578
defined in section 3319.31 of the Revised Code; 54579

(B) On behalf of employers described in section 3319.391 or 54580
3327.10 of the Revised Code, persons who are not required to hold 54581
a license issued by the state board, including persons who operate 54582
a school bus or motor van. Notwithstanding anything to the 54583
contrary in division (E) of section 109.5721 of the Revised Code, 54584
the state board is authorized to and promptly shall transmit any 54585
notification received regarding a person under this division to 54586
the person's employer. 54587

Sec. 3322.20. (A) The Ohio computer science promise program 54588
is hereby established. Beginning with the 2024-2025 school year, 54589
under the program, a student in any of grades seven through twelve 54590
who is a resident of this state may, at no cost to the student, 54591
enroll in and receive high school credit for one computer science 54592
course per academic year that is not offered by the student's 54593

public or nonpublic secondary school, provided the student is 54594
accepted into an eligible course offered by an approved provider 54595
and there are sufficient funds to support enrollment. 54596

(B) All Ohio computer science promise program eligible 54597
courses and providers shall be approved by the department of 54598
education and workforce in consultation with the chancellor of 54599
higher education to be eligible for funding. The department 54600
annually shall publish a list of approved providers and courses. 54601

(C)(1) Any student enrolled in a public secondary school may 54602
participate in the program if the student meets the applicable 54603
eligibility criteria. 54604

(2) Any student enrolled in a nonpublic secondary school may 54605

chancellor of higher education if the nonpublic school chooses to 54607
participate in the program. 54608

(D) Governing entities shall grant high school credit for 54609
courses approved to receive funding through the Ohio computer 54610
science promise program. 54611

(E) All public secondary schools shall participate in the 54612
program and are subject to the requirements of this chapter. Any 54613
nonpublic secondary school that chooses to participate in the 54614
program shall also be subject to the requirements of this chapter. 54615

(F) The chancellor of higher education, in accordance with 54616

successfully completed under this chapter for high school credit 54621
toward the graduation requirements and subject area requirements 54622
of the governing entity. If a course comparable to one a 54623

participant completed with an approved provider is offered by the 54624
governing entity, the governing entity shall award comparable 54625
credit. If no comparable course is offered, the governing entity 54626
shall grant an appropriate number of elective credits to the 54627
participant. 54628

(B) If there is a dispute between the governing entity of a 54629
participant's school and a participant regarding high school 54630
credits granted for a course, the participant may appeal the 54631
decision to the department of education. The department's decision 54632
regarding any high school credits granted under this section is 54633
final. 54634

(C) Evidence of successful completion of each course and the 54635
high school credits awarded by the school shall be included in the 54636
student's record. The record shall indicate that the credits were 54637
earned as a participant under this chapter and shall include the 54638
name of the educational provider at which the credits were earned. 54639

Sec. 3319.391. This section applies to any person hired by a 54640

nonpublic school and any contractor or person hired by a 54642
contractor engaged in providing services to a school district, 54643
educational service center, or chartered nonpublic school in any 54644

board of education, as defined in section 3319.31 of the Revised 54646
Code, or a registration issued by the state board of education 54647
under Chapter 3319. of the Revised Code, and is not for the 54648

not apply to any person who volunteers at a school building within 54650
a district, educational service center, or chartered nonpublic 54651

(A)(A)(1) For each person to whom this section applies who is 54653

hired on or after November 14, 2007, the employer shall request a 54654
criminal records check in accordance with section 3319.39 of the 54655
Revised Code and shall request a subsequent criminal records check 54656
by the fifth day of September every fifth year thereafter. ~~For~~ 54657

(2) ~~For~~ each person to whom this ~~division~~ section applies who 54658

criminal records check by a date prescribed by the ~~department of~~ 54660
~~education~~ state board and shall request a subsequent criminal 54661
records check by the fifth day of September every fifth year 54662
thereafter. 54663

(3) If, on the effective date of this amendment, the most 54664
recent criminal records check requested for a person under 54665
division (A)(1) or (2) of this section was completed more than one 54666
year prior to that date or does not include information gathered 54667
pursuant to division (A) of section 109.57 of the Revised Code, 54668
the employer shall request a new criminal records check that 54669
includes information gathered pursuant to division (A) of section 54670
109.57 of the Revised Code by a date prescribed by the state board 54671
and shall request a subsequent criminal records check by the fifth 54672

(b) The person presents proof that the person has been a 54688

to the date upon which the person becomes subject to a criminal 54690

(2) Upon receipt of a request under division (B)(1) of this 54692
section, the superintendent of the bureau of criminal 54693
identification and investigation shall conduct the criminal 54694
records check in accordance with section 109.572 of the Revised 54695
Code as if the request had been made under section 3319.39 of the 54696
Revised Code. However, as specified in division (B)(2) of section 54697

enroll the person in the retained applicant fingerprint database 54713
because the person has not satisfied the requirements for 54714
enrollment, the state board shall notify the employer that the 54715
person has not satisfied the requirements for enrollment. However, 54716
the bureau shall not be required to make available to the state 54717

board the criminal records check of any person who is already 54718
enrolled in the retained applicant fingerprint database on the 54719
date the person's employer requests a records check of the person 54720
under division (A) of this section. 54721

If the state board receives notification of the arrest, 54722

In all city, local, and exempted village school districts where resident school pupils in grades kindergarten through eight live more than two miles from the school for which the state board of education prescribes minimum standards pursuant to division (D) of section 3301.07 of the Revised Code and to which they are assigned by the board of education of the district of residence or to and from the nonpublic or community school which they attend, the board of education shall provide transportation for such pupils to and from that school except as provided in section 3327.02 of the Revised Code.

In all city, local, and exempted village school districts where pupil transportation is required under a career-technical plan approved by the state board of education under section 3313.90 of the Revised Code, for any student attending a career-technical program operated by another school district,

including a joint vocational school district, as prescribed under 55384
that section, the board of education of the student's district of 55385
residence shall provide transportation from the public high school 55386
operated by that district to which the student is assigned to the 55387
career-technical program. 55388

In all city, local, and exempted village school districts, 55389
the board may provide transportation for resident school pupils in 55390
grades nine through twelve to and from the high school to which 55391
they are assigned by the board of education of the district of 55392
residence or to and from the nonpublic or community high school 55393
which they attend for which the state board of education 55394
prescribes minimum standards pursuant to division (D) of section 55395
3301.07 of the Revised Code. 55396

A board of education shall not be required to transport 55397
elementary or high school pupils to and from a nonpublic or 55398
community school where such transportation would require more than 55399
thirty minutes of direct travel time as measured by school bus 55400
from the public school building to which the pupils would be 55401
assigned if attending the public school designated by the district 55402
of residence. 55403

Where it is impractical to transport a pupil by school 55404
conveyance, a board of education may offer payment, in lieu of 55405
providing such transportation in accordance with section 3327.02 55406
of the Revised Code. 55407

A board of education shall provide transportation to students 55408
enrolled in a community school or nonpublic school in accordance 55409
with this section on each day in which that school is open for 55410
operation with students in attendance, regardless of whether the 55411
district's own schools are open for operation with students in 55412
attendance on that day. However, a board of education shall not be 55413
required to transport elementary or high school pupils to and from 55414
a nonpublic or community school on Saturday or Sunday, unless a 55415

board of education and a nonpublic or community school have an 55416
agreement in place to do so before the first day of July of the 55417
school year in which the agreement takes effect. 55418

In all city, local, and exempted village school districts, 55419
the board shall provide transportation for all children who are so 55420
disabled that they are unable to walk to and from the school for 55421
which the state board of education prescribes minimum standards 55422
pursuant to division (D) of section 3301.07 of the Revised Code 55423
and which they attend. In case of dispute whether the child is 55424
able to walk to and from the school, the health commissioner shall 55425
be the judge of such ability. In all city, exempted village, and 55426
local school districts, the board shall provide transportation to 55427
and from school or special education classes for mentally disabled 55428
children in accordance with standards adopted by the state board 55429
of education. 55430

When transportation of pupils is provided the conveyance 55431
shall be run on a time schedule that shall be adopted and put in 55432
force by the board not later than ten days after the beginning of 55433
the school term. The operator of every school bus or motor van 55434
owned and operated by any school district or educational service 55435
center or privately owned and operated under contract with any 55436
school district or service center in this state shall deliver 55437
students enrolled in preschool through twelfth grades to their 55438
respective public and nonpublic schools not sooner than thirty 55439
minutes prior to the beginning of school and to be available to 55440
pick them up not later than thirty minutes after the close of 55441
their respective schools each day. Further, operators shall not 55442
deliver students late to school. 55443

The cost of any transportation service authorized by this 55444
section shall be paid first out of federal funds, if any, 55445
available for the purpose of pupil transportation, and secondly 55446
out of state appropriations, in accordance with regulations 55447

adopted by the state board of education. 55448

No transportation of any pupils shall be provided by any 55449
board of education to or from any school which in the selection of 55450
pupils, faculty members, or employees, practices discrimination 55451
against any person on the grounds of race, color, religion, or 55452
national origin. 55453

A board of education shall provide transportation as a 55454
related service for all children with disabilities living in the 55455
school district who are enrolled in a nonpublic school if the 55456
school district is provided with supporting documentation from the 55457
child's individual education program developed pursuant to Chapter 55458
3323. of the Revised Code, individual service plan developed 55459
pursuant to section 5126.41 of the Revised Code, or academic 55460
support plan. 55461

Sec. 3327.016. (A) As used in this section, "eligible 55462
student" means a student entitled to transportation services from 55463
the city, local, or exempted village school district pursuant to 55464
section 3327.01 of the Revised Code. 55465

(B) Each community school established under Chapter 3314. of 55466
the Revised Code or chartered nonpublic school shall ~~establish the 55467
school's start and end times for a particular school year not 55468
later than the first day of April prior to that school year. Each 55469
community or chartered nonpublic school shall provide such start 55470
and end times to each city, local, or exempted village school 55471
district that the school expects will be responsible for providing 55472
transportation services to eligible students enrolled in the 55473
school for that school year~~ do all of the following: 55474

(1) Not later than the first day of April of each year, 55475
establish the school's start and end times for the upcoming school 55476
year and provide such times to each city, local, or exempted 55477
village school district that the school expects will be 55478

responsible to provide transportation services for its students; 55479

(2) Not later than the first day of April of each year, 55480
provide the school's contact names, telephone numbers, and 55481
electronic mail addresses for the summer and upcoming school year 55482
and the home addresses of enrolled students to each city, local, 55483
or exempted village school district that the school expects will 55484
be responsible to provide transportation services for its 55485
students; 55486

(3) Not later than the first day of May each year, provide 55487
lists of students requiring transportation services to the 55488
appropriate school districts; 55489

(4) Not later than the first day of July of each year, 55490
provide updated lists of students requiring transportation 55491
services to the appropriate school districts; 55492

(5) Not later than the first day of September of each year, 55493
provide updated lists of students requiring transportation 55494

(6) On the first day of September, December, March, and June, 55496
or within ten days of a new student enrolling in the school, 55497
provide updated lists of students requiring transportation to the 55498
appropriate school districts. 55499

(C) Each city, local, or exempted village school district 55500
that receives start and end times as prescribed under division (B) 55501
of this section shall use those start and end times to develop a 55502
transportation plan, including transportation routes and 55503
schedules, for eligible students who enrolled in a community or 55504
chartered nonpublic school and shall provide such transportation 55505
plan to the community or chartered nonpublic school ~~within sixty~~ 55506
~~days after receiving the information described in that division~~ 55507
not later than the first day of August of each year. If a school 55508
provides the start and end times to the school district after the 55509

first day of April but before the first day of July, the district 55510
shall attempt to provide a transportation plan to the school by 55511
the first day of August of that school year. For any eligible 55512
student who enrolls in a community or chartered nonpublic school 55513
after the first day of July prior to that school year, a district 55514
shall develop a transportation plan, including transportation 55515
routes and schedules, for that student within fourteen business 55516
days of receiving a request for transportation services from the 55517
student's parent or guardian. 55518

Sec. 3327.02. (A) After considering each of the following 55519
factors, the board of education of a city, exempted village, or 55520
local school district, or a community school governing authority 55521
providing transportation pursuant to section 3314.091 of the 55522
Revised Code, may determine that it is impractical to transport a 55523
pupil who is eligible for transportation to and from a school 55524
under section 3327.01 of the Revised Code: 55525

(1) The time and distance required to provide the 55526
transportation; 55527

(2) The number of pupils to be transported; 55528

(3) The cost of providing transportation in terms of 55529
equipment, maintenance, personnel, and administration; 55530

(4) Whether similar or equivalent service is provided to 55531
other pupils eligible for transportation; 55532

(5) Whether and to what extent the additional service 55533
unavoidably disrupts current transportation schedules; 55534

(6) Whether other reimbursable types of transportation are 55535
available. 55536

(B) Based on its consideration of the factors established in 55537
division (A) of this section, the board or governing authority may 55538
pass a resolution declaring the impracticality of transportation. 55539

The resolution shall include each pupil's name and the reason for impracticality. Such determination shall be made not later than thirty calendar days prior to the district's or school's first day of instruction, or in the case of a student who enrolls within thirty calendar days prior to the first day of instruction or on or after the first day of instruction, not later than fourteen calendar days after the student's enrollment. The determination may be made by the superintendent and formalized at the next following meeting of the board or governing authority.

The board or governing authority shall report its determination to the state board of education in a manner determined by the state board.

In addition, the board or governing authority shall issue a letter to the pupil's parent, guardian, or other person in charge of the pupil, the nonpublic or community school in which the pupil is enrolled, and to the state board with a detailed description of the reasons for which such determination was made.

The board or governing authority shall reevaluate determinations of impracticality made under division (B) of this section at least every other year. However, the board or governing authority shall reconsider a determination in each year that a parent, guardian, or other person in charge of the pupil has a change of circumstance and requests transportation.

(C) After passing the resolution declaring the impracticality of transportation, the district board or governing authority shall offer to provide payment in lieu of transportation by doing the following:

(1) In accordance with guidelines established by the department of education, informing the pupil's parent, guardian, or other person in charge of the pupil of both of the following:

(a) The resolution;

(b) The right of the pupil's parent, guardian, or other person in charge of the pupil to accept the offer of payment in lieu of transportation or to reject the offer and instead request the department to initiate mediation procedures.

(2) Issuing the pupil's parent, guardian, or other person in charge of the pupil a contract or other form on which the parent, guardian, or other person in charge of the pupil is given the option to accept or reject the board's offer of payment in lieu of transportation.

(D) If the parent, guardian, or other person in charge of the pupil accepts the offer of payment in lieu of providing transportation, the board or governing authority shall pay the parent, guardian, or other person in charge of the pupil an amount that shall be not less than fifty per cent of the amount determined under division (C) of section 3317.0212 of the Revised Code of the average cost of pupil transportation for the previous year, and not more than ~~the amount determined by the department of education as the average cost of pupil transportation for the previous school year~~ two thousand five hundred dollars. Payment may be prorated if the time period involved is only a part of the school year.

(E)(1)(a) Upon the request of a parent, guardian, or other person in charge of the pupil who rejected the payment in lieu of transportation, the department shall conduct mediation procedures. A parent, guardian, or other person in charge of the pupil may authorize the nonpublic or community school in which the pupil is enrolled to act on the parent's, guardian's, or other person's behalf during the mediation proceedings.

Beginning with requests for mediation received after December 1, 2023, the department shall take initial action on the mediation within thirty days of receiving the request. The department may delay the initial action to within forty-five days of receiving a

request if the department notifies all affected parties in advance 55603
of the delay. 55604

(b) If the mediation does not resolve the dispute, the state 55605
board shall conduct a hearing in accordance with Chapter 119. of 55606
the Revised Code. The state board may approve the payment in lieu 55607
of transportation or may order the district board of education or 55608
governing authority to provide transportation. The decision of the 55609
state board is binding in subsequent years and on future parties 55610
in interest provided the facts of the determination remain 55611
comparable. 55612

(2) The school district or governing authority shall provide 55613
transportation for the pupil from the time the parent, guardian, 55614
or other person in charge of the pupil requests mediation until 55615
the matter is resolved under division (E)(1)(a) or (b) of this 55616
section. 55617

(F)(1) If the department determines that a school district 55618
board or governing authority has failed or is failing to provide 55619
transportation as required by division (E)(2) of this section or 55620
as ordered by the state board under division (E)(1)(b) of this 55621
section, the department shall order the school district board or 55622
governing authority to pay to the pupil's parent, guardian, or 55623
other person in charge of the pupil, an amount equal to fifty per 55624
cent of the cost of providing transportation as determined by the 55625
board or governing authority under division (A)(3) of this 55626
section, and not more than two thousand five hundred dollars. The 55627
school district board or governing authority shall make payments 55628
on a schedule ordered by the department. 55629

(2) If the department subsequently finds that a school 55630
district board is not in compliance with an order issued under 55631
division (F)(1) of this section and the affected pupils are 55632
enrolled in a nonpublic or community school, the department shall 55633
deduct the amount that the board is required to pay under that 55634

order from any pupil transportation payments the department makes 55635
to the school district board under section 3317.0212 of the 55636
Revised Code or other provisions of law. The department shall use 55637
the moneys so deducted to make payments to the nonpublic or 55638
community school attended by the pupil. The department shall 55639
continue to make the deductions and payments required under this 55640
division until the school district board either complies with the 55641
department's order issued under division (F)(1) of this section or 55642
begins providing transportation. 55643

(G) A nonpublic or community school that receives payments 55644
from the department under division (F)(2) of this section shall do 55645
either of the following: 55646

(1) Disburse the entire amount of the payments to the parent, 55647
guardian, or other person in charge of the pupil affected by the 55648
failure of the school district of residence to provide 55649
transportation; 55650

(2) Use the entire amount of the payments to provide 55651
acceptable transportation for the affected pupil. 55652

(H) At any time after a parent, guardian, or other person in 55653
charge of a pupil requests transportation for a pupil, that 55654
parent, guardian, or other person may authorize the nonpublic or 55655
community school in which the pupil is enrolled to act on the 55656
parent's, guardian's, or other person's behalf for purposes of 55657
this section. 55658

Sec. 3327.021. (A) As used in this section, "out of 55659
compliance" means that, for a period of five consecutive school 55660
days or ten school days within a school year, at least one of the 55661
following has occurred on each of those days: 55662

(1) Students transported to and from school by a school bus 55663
arrive more than thirty minutes late to school; 55664

(2) Students transported to and from school by a school bus 55665
are picked up more than thirty minutes after the end of the school 55666
day; 55667

(3) Students scheduled to be transported to and from school 55668
by a school bus are not transported by school bus at all due to 55669

(d) A comprehensive transition and postsecondary program that 56566
is certified by the United States department of education. For 56567
purposes of this section, a "comprehensive transition and 56568

independent living instruction at an institution of higher 56572
education in order to prepare for gainful employment as defined in 56573
20 U.S.C. 1140. 56574

(C)(1) The chancellor shall establish and administer a 56575
needs-based financial aid grants program based on the United 56576
States department of education's method of determining financial 56577
need. The program shall be known as the Ohio college opportunity 56578

(c) Use an alternate formula for such grants that addresses 56592

(2) The needs-based financial aid grant shall be paid to the 56595
eligible student through the institution in which the student is 56596

(2) Subject to divisions (D)(1), (3), (4), and (5) of this section, the chancellor shall determine the maximum per student award amount for each institutional sector by subtracting the sum of the maximum Pell grant and maximum expected family contribution amounts, as determined by the chancellor, from the average instructional and general fees charged by the institutional sector. The department of higher education shall publish on its web site an annual Ohio college opportunity award table. Except as provided for in section 3333.126 of the Revised Code, in no case shall the grant amount for such a student exceed any maximum that the chancellor may set by rule.

(3) For a student enrolled for a semester or quarter in addition to the portion of the academic year covered by a grant under this section, the maximum grant amount shall be a percentage of the maximum specified in any table established in rules adopted by the chancellor as provided in division (A) of this section. The maximum grant for a fourth quarter shall be one-third of the maximum amount so prescribed. The maximum grant for a third semester shall be one-half of the maximum amount so prescribed.

(4) If a student is enrolled in a two-year institution of higher education and is eligible for an education and training voucher through the Ohio education and training voucher program that receives federal funding under the John H. Chafee foster care independence program, 42 U.S.C. 677, the amount of a grant awarded under this section may exceed the total state cost of attendance to additionally cover housing costs.

(5) For a student who is receiving federal veterans' benefits under the "All-Volunteer Force Educational Assistance Program," 38 U.S.C. 3001 et seq., or "Post-9/11 Veterans Educational Assistance

Program," 38 U.S.C. 3301 et seq., or any successor program, the 56651
amount of a grant awarded under this section shall be applied 56652
toward the total state cost of attendance and the student's 56653
housing costs and living expenses. Living expenses shall include 56654
reasonable costs for room and board. 56655

(E) No grant shall be made to any student in a course of 56656
study in theology, religion, or other field of preparation for a 56657
religious profession unless such course of study leads to an 56658
accredited bachelor of arts, bachelor of science, associate of 56659
arts, or associate of science degree. 56660

(F)(1) Except as provided in division (F)(2) of this section, 56661
no grant shall be made to any student for enrollment during a 56662
fiscal year in an institution with a cohort default rate 56663
determined by the United States secretary of education pursuant to 56664
the "Higher Education Amendments of 1986," 100 Stat. 1278, 1408, 56665
20 U.S.C.A. 1085, as amended, as of the fifteenth day of June 56666
preceding the fiscal year, equal to or greater than thirty per 56667
cent for each of the preceding two fiscal years. 56668

(2) Division (F)(1) of this section does not apply in the 56669
case of either of the following: 56670

(a) The institution pursuant to federal law appeals its loss 56671
of eligibility for federal financial aid and the United States 56672
secretary of education determines its cohort default rate after 56673
recalculation is lower than the rate specified in division (F)(1) 56674
of this section or the secretary determines due to mitigating 56675
circumstances that the institution may continue to participate in 56676
federal financial aid programs. The chancellor shall adopt rules 56677
requiring any such appellant to provide information to the 56678
chancellor regarding an appeal. 56679

(b) Any student who has previously received a grant pursuant 56680
to any provision of this section, including prior to the section's 56681

amendment by H.B. 1 of the 128th general assembly, effective July 17, 2009, and who meets all other eligibility requirements of this section.

(3) The chancellor shall adopt rules for the notification of all institutions whose students will be ineligible to participate in the grant program pursuant to division (F)(1) of this section.

(4) A student's attendance at any institution whose students are ineligible for grants due to division (F)(1) of this section shall not affect that student's eligibility to receive a grant when enrolled in another institution.

(G) Institutions of higher education that enroll students receiving needs-based financial aid grants under this section shall report to the chancellor all students who have received such needs-based financial aid grants but are no longer eligible for all or part of those grants and shall refund any moneys due the state within thirty days after the beginning of the quarter or term immediately following the quarter or term in which the student was no longer eligible to receive all or part of the student's grant. There shall be an interest charge of one per cent per month on all moneys due and payable after such thirty-day period. The chancellor shall immediately notify the office of budget and management and the legislative service commission of all refunds so received.

qualifying institution or an institution of higher education in 56714
another state prior to applying for a grant under this section. 56715

qualifying institution and did not transfer to a qualifying 56717
institution or an institution of higher education in another state 56718
in the two semesters or eight months immediately following the 56719
student's disenrollment. For the purposes of this division, "good 56720
standing" includes being in good academic standing and not having 56721
a record of disciplinary issues, including being suspended or 56722
expelled from the qualifying institution. 56723

Qualifying institutions that do not use a semester calendar 56724
shall use eight months as the metric for determining a student's 56725
disenrollment period. 56726

(d) Subject to division (A)(2)(c) of this section, the 56727
student enrolls in a qualifying institution within five years of 56728

(e) The student is not enrolled in the college credit plus 56730
program established under Chapter 3365. of the Revised Code. 56731

grant of not more than ~~two~~ three thousand dollars to each eligible 56750
student approved to participate in the program. 56751

(C) Eligible students shall apply to participate in the 56752
program in a form and manner prescribed by the chancellor. The 56753
chancellor shall approve each applicant who is enrolled in a 56754
qualifying institution and who has a cost of attendance remaining 56755

cost of attendance for that academic year. If any amount of the 56765
grant remains after it is applied to the participant's cost of 56766
attendance for that year, the qualifying institution shall apply 56767
that remaining amount to the participant's cost of attendance for 56768
any other academic year in which the student is enrolled in the 56769
institution. The qualifying institution shall return to the 56770
chancellor any grant amount remaining after a participant 56771

(E) In each academic year, the chancellor shall submit to the general assembly, in accordance with section 101.68 of the Revised Code, a report that contains all of the following:

(3) An alternative resident educator licensure pathway for 56804
industry experts and other nonteachers; 56805

(4) A continuing education program that offers professional 56806

pre-kindergarten to twelve who are generalists and those seeking 56808
advanced content knowledge. 56809

The chancellor of higher education shall administer the 56810
program. 56811

(B) The chancellor, in consultation with the department of 56812
education and workforce, shall develop an application process and 56813
criteria for awards. Priority may be given to education consortia 56814
that include economically disadvantaged schools in which there are 56815
limited computer science courses offered or where there is an 56816
unmet need for teachers credentialed to teach computer science 56817
courses, as determined by the chancellor. 56818

Sec. 3333.16. (A) As used in this section: 56819

institution of higher education as defined in section 3345.12 of 56821
the Revised Code. 56822

(2) "State university" has the same meaning as in section 56823
3345.011 of the Revised Code. 56824

(B) The chancellor of higher education shall do all of the 56825

(1) Establish policies and procedures applicable to all state 56827
institutions of higher education that ensure that students can 56828
begin higher education at any state institution of higher 56829
education and transfer coursework and degrees to any other state 56830
institution of higher education without unnecessary duplication or 56831

institutional barriers. The purpose of this requirement is to 56832
allow students to attain their highest educational aspirations in 56833
the most efficient and effective manner for the students and the 56834
state. These policies and procedures shall require state 56835
institutions of higher education to make changes or modifications, 56836
as needed, to strengthen course content so as to ensure 56837
equivalency for that course at any state institution of higher 56838
education. 56839

(2) Develop and implement a universal course equivalency 56840
classification system for state institutions of higher education 56841
so that the transfer of students and the transfer and articulation 56842
of equivalent courses or specified learning modules or units 56843
completed by students are not inhibited by inconsistent judgment 56844
about the application of transfer credits. Coursework completed 56845
within such a system at one state institution of higher education 56846
and transferred to another institution shall be applied to the 56847
student's degree objective in the same manner as equivalent 56848
coursework completed at the receiving institution. 56849

(3) Develop an electronic equivalency management tool to 56850
assist in the transfer of coursework and degrees between state 56851
institutions of higher education without unnecessary duplication 56852
or institutional barriers, to help minimize inconsistent judgment 56853
about the application of transfer credits, and to assist in 56854
allowing transfer credits to be applied to a student's degree 56855
objective in the same manner at each state institution of higher 56856
education. The electronic equivalency management tool shall 56857
include the universal documentation of course and program 56858
equivalencies statewide. Additionally, the electronic equivalency 56859
management tool shall be incorporated into a web site. 56860

(4) Develop a system of transfer policies that ensure that 56861
graduates with associate degrees which include completion of 56862
approved transfer modules shall be admitted to a state institution 56863

of higher education, shall be able to compete for admission to 56864
specific programs on the same basis as students native to the 56865
institution, and shall have priority over out-of-state associate 56866
degree graduates and transfer students. To assist a student in 56867
advising and transferring, all state institutions of higher 56868
education shall fully implement the information system for 56869
advising and transferring selected by, contracted for, or 56870
developed by the chancellor. 56871

(5) Examine the feasibility of developing a transfer 56872
marketing agenda that includes materials and interactive 56873
technology to inform the citizens of Ohio about the availability 56874
of transfer options at state institutions of higher education and 56875
to encourage adults to return to colleges and universities for 56876
additional education; 56877

(6) Study, in consultation with the state board of career 56878
colleges and schools, and in light of existing criteria and any 56879
other criteria developed by the articulation and transfer advisory 56880
council, the feasibility of credit recognition and transferability 56881
to state institutions of higher education for graduates who have 56882
received associate degrees from a career college or school with a 56883
certificate of registration from the state board of career 56884
colleges and schools under Chapter 3332. of the Revised Code. 56885

(C) All provisions of the existing articulation and transfer 56886
policy developed by the chancellor shall remain in effect except 56887
where amended by this section. 56888

(D) ~~Not later than December 1, 2018, the~~ The chancellor shall 56889
update and implement the policies and procedures established 56890
pursuant to this section to ensure that any associate degree 56891
offered at a state institution of higher education may be 56892
transferred and applied to a bachelor degree program in an 56893
equivalent field at any other state institution of higher 56894
education without unnecessary duplication or institutional 56895

barriers. The policies and procedures shall ensure that each 56896
transferred associate degree applies to the student's degree 56897
objective in the same manner as equivalent coursework completed by 56898
the student at the receiving institution. 56899

When updating and implementing the policies and procedures 56900
pursuant to this division, the chancellor shall seek input from 56901
faculty and academic leaders in each academic field or discipline. 56902

(E) If a state university refuses to accept and grant credit 56903
for any general education coursework that is both completed at a 56904
different state institution of higher education and subject to the 56905
policies, procedures, or systems prescribed under division (B) of 56906
this section, the state university shall provide the student that 56907
did not receive college credit for the completed general education 56908
coursework information to utilize the institution's transfer 56909
appeal process and information to utilize the department of higher 56910
education's student complaint portal. 56911

~~(F) The Ohio articulation and transfer network oversight 56912
board established by the chancellor shall conduct a study of 56913
current rules regarding the transfer of college credit between 56914
state institutions of higher education. Not later than one year 56915
after the effective date of this amendment, the board shall issue 56916
a report to the general assembly, in accordance with section 56917
101.68 of the Revised Code, that includes the findings of the 56918
board's study, as well as any recommendations regarding changes to 56919
the rules. 56920~~

Sec. 3333.163. (A) As used in this section, "state 56921
institution of higher education" has the same meaning as in 56922
section 3345.011 of the Revised Code. 56923

(B) Not later than April 15, 2008, the articulation and 56924
transfer advisory council of the chancellor of higher education 56925
shall recommend to the chancellor standards for awarding course 56926

credit toward degree requirements at state institutions of higher 56927
education based on scores attained on advanced placement 56928
examinations. The recommended standards shall include a score on 56929
each advanced placement examination that the council considers to 56930
be a passing score for which course credit may be awarded. Upon 56931
adoption of the standards by the chancellor, each state 56932
institution of higher education shall comply with the standards in 56933
awarding course credit to any student enrolled in the institution 56934
who has attained a passing score on an advanced placement 56935
examination. 56936

(C) Not later than April 15, 2025, the articulation and 56937
transfer advisory council of the chancellor of higher education 56938
shall recommend to the chancellor standards for awarding course 56939
credit toward degree requirements at state institutions of higher 56940
education based on scores attained on international baccalaureate 56941
examinations. The recommended standards shall include a score on 56942
each international baccalaureate examination that the council 56943
considers to be a passing score for which course credit may be 56944
awarded. Upon adoption of the standards by the chancellor, each 56945
state institution of higher education shall comply with the 56946
standards in awarding course credit to any student enrolled in the 56947
institution who has attained a passing score on an international 56948
baccalaureate examination. 56949

(D) Each state institution of higher education shall make 56950
available to the public in an electronic format the standards and 56951
policies adopted and implemented under divisions (B) and (C) of 56952
this section and section 3345.38 of the Revised Code. 56953

population or overall funding, a change to institutional missions 58642
or programs, or other fiscal pressures or emergencies facing the 58643
institution. 58644

(B) In addition to the policies described in sections 3345.45 to 3345.454 of the Revised Code, each state institution of higher education board of trustees shall develop policies on tenure and retrenchment. Each state institution shall submit those policies to the chancellor of higher education. Each state institution's board of trustees shall update those policies every five years.

(B) Notwithstanding division (A) of section 4117.10 of the Revised Code, the standards, policies, and systems prevail over any conflicting provision of a collective bargaining agreement.

Sec. 3345.47. (A) No state university shall require a student to live in on-campus student housing, ~~if the student lives within twenty five miles of the campus~~ unless the student is a first-year student. A state university may require only first-year students who live more than twenty-five miles away from the campus to live in on-campus student housing.

(B) As used in this section:

(1) "On-campus student housing" has the same meaning as in section 3345.85 of the Revised Code.

(B) The board of trustees of each state university shall establish an undergraduate tuition guarantee program that allows eligible students in the same cohort to pay a fixed rate for general and instructional fees for four years. A board of trustees may include room and board and any additional fees in the program.

The board shall adopt rules for the program that include, but are not limited to, all of the following:

(1) The number of credit hours required to earn an undergraduate degree in each major;

(2) A guarantee that the general and instructional fees for each student in the cohort shall remain constant for four years so long as the student complies with the requirements of the program, except that, notwithstanding any law to the contrary, the board may increase the guaranteed amount by up to six per cent above what has been charged in the previous academic year one time for the first cohort enrolled under the tuition guarantee program. If the board of trustees determines that economic conditions or other

circumstances require an increase for the first cohort of above 58704
six per cent, the board shall submit a request to increase the 58705
amount by a specified percentage to the chancellor. The 58706
chancellor, based on information the chancellor requires from the 58707
board of trustees, shall approve or disapprove such a request. 58708
Thereafter, except as provided in division (F) of this section, 58709

(b) The percentage amount the general assembly restrains 58717
increases on in-state undergraduate instructional and general fees 58718
for the applicable fiscal year. If the general assembly does not 58719
enact a limit on the increase of in-state undergraduate 58720
instructional and general fees, then no limit shall apply under 58721
this division for the cohort that first enrolls in any academic 58722
year for which the general assembly does not prescribe a limit. 58723

If, beginning with the academic year that starts four years 58724
after September 29, 2013, the board of trustees determines that 58725
the general and instructional fees charged under the tuition 58726
guarantee have fallen significantly lower than those of other 58727
state universities, the board of trustees may submit a request to 58728
increase the amount charged to a cohort by a specified percentage 58729
to the chancellor, who shall approve or disapprove such a request. 58730

change to the benchmark shall be subject to approval of the 58733
chancellor. 58734

(c) For a student who did not complete the program in four years for any other reason, as determined by the board of trustees, the university shall provide the necessary course or courses for completion to the student at a rate determined through a method established by the board under division (B)(7) of this section.	58750 58751 58752 58753 58754 58755
(7) Guidelines for adjusting a student's annual charges if the student, due to circumstances under the student's control, is unable to complete a degree program within four years;	58756 58757 58758
(8) A requirement that the rules adopted under division (B) of this section be published or posted in the university handbook, course catalog, and web site.	58759 58760 58761
(C) The board shall submit the rules adopted under division (B) of this section to the chancellor for approval before beginning implementation of the program.	58762 58763 58764

The chancellor shall not unreasonably withhold approval of a program if the program conforms in principle with the parameters and guidelines of this section.

(D) A board of trustees of a state university may establish an undergraduate tuition guarantee program for nonresident students.

(E) Except as provided in this section, no other limitation on the increase of in-state undergraduate instructional and general fees shall apply to a state university that has established an undergraduate tuition guarantee program under this section.

(F) Notwithstanding anything in this section to the contrary, the board of trustees of a state university shall not charge the cohort entering in the 2023-2024 or 2024-2025 academic year a guaranteed amount of general and instructional fees that is more than three per cent above what was charged to the cohort that entered the university in the previous academic year.

(B)(1) The initial appointees to the board shall serve until the first Monday in February, 1977. Thereafter, terms of office shall be for four years, each term ending on the first Monday in February. The term of the secretary of state on the board shall coincide with the secretary of state's term of office. Except as otherwise provided in division (B)(2) of this section, division (B)(2) of section 3505.063, and division (B)(2) of section 3519.03 of the Revised Code, each appointed member shall hold office from the date of appointment until the end of the term for which the member was appointed. Except as otherwise provided in those divisions, any member appointed to fill a vacancy occurring prior

to the expiration of the term for which the member's predecessor 61223
was appointed shall hold office for the remainder of that term. 61224
Except as otherwise provided in those divisions, any member shall 61225
continue in office subsequent to the expiration date of the 61226
member's term until the member's successor takes office or a 61227
period of sixty days has elapsed, whichever occurs first. Any 61228
vacancy occurring on the board shall be filled in the manner 61229
provided for original appointments. A member appointed to fill a 61230
vacancy shall be of the same political party as that required of 61231
the member whom the member replaces. 61232

(2) The term of office of a member of the board who also is a 61233
member of the general assembly and who was appointed to the board 61234
by the president of the senate, the minority leader of the senate, 61235
the speaker of the house of representatives, or the minority 61236
leader of the house of representatives shall end on the earlier of 61237
the following dates: 61238

(a) The ending date of the ballot board term for which the 61239
member was appointed; 61240

(b) The ending date of the member's term as a member of the 61241
general assembly. 61242

(C) Members of the board shall serve without compensation but 61243
shall be reimbursed for expenses actually and necessarily incurred 61244
in the performance of their duties. 61245

(D) The secretary of state shall be the chairperson of the 61246
board, and the secretary of state or the secretary of state's 61247
representative shall have a vote equal to that of any other 61248
member. The vice-chairperson shall act as chairperson in the 61249
absence or disability of the chairperson, or during a vacancy in 61250
that office. The board shall meet after notice of at least seven 61251
days at a time and place determined by the chairperson. At its 61252
first meeting, the board shall elect a vice-chairperson from among 61253

its members for a term of two years, and it shall adopt rules for 61254
its procedures. After the first meeting, the board shall meet at 61255
the call of the chairperson or upon the written request of three 61256
other members. Three members constitute a quorum. No action shall 61257
be taken without the concurrence of three members. 61258

(E) The secretary of state shall provide technical, 61259
professional, and clerical employees as necessary for the board to 61260
carry out its duties. 61261

Sec. 3505.31. When the results of the voting in a polling 61262
place on the day of an election have been determined and entered 61263
upon the proper forms and the certifications of those results have 61264
been signed by the precinct officials, those officials, before 61265
leaving the polling place, shall place all ballots that they have 61266
counted in containers provided for that purpose by the board of 61267
elections, and shall seal each container in a manner that it 61268
cannot be opened without breaking the seal or the material of 61269
which the container is made. They shall also seal the pollbook, 61270
poll list or signature pollbook, and tally sheet in a manner that 61271
the data contained in these items cannot be seen without breaking 61272
the seals. On the outside of these items shall be a plain 61273
indication that they are to be filed with the board. The voting 61274
location manager and an employee or appointee of the board of 61275
elections who has taken an oath to uphold the laws and 61276
constitution of this state, including an oath that the person will 61277
promptly and securely perform the duties required under this 61278
section and who is a member of a different political party than 61279
the voting location manager, shall then deliver to the board the 61280
containers of ballots and the sealed pollbook, poll list, and 61281
tally sheet, together with all other election reports, materials, 61282
and supplies required to be delivered to the board. 61283

The board shall carefully preserve all ballots prepared and 61284

provided by it for use in an election, whether used or unused, 61285
including any electronic images of ballots, for ~~sixty~~ at least 61286
eighty-one days after the day of the election, except that, if an 61287
election includes the nomination or election of candidates for any 61288
of the offices of president, vice-president, presidential elector, 61289
member of the senate of the congress of the United States, or 61290
member of the house of representatives of the congress of the 61291
United States, the board shall carefully preserve all ballots 61292
prepared and provided by it for use in that election, whether used 61293
or unused, for twenty-two months after the day of the election. If 61294
an election is held within that ~~sixty-day~~ eighty-one-day period, 61295
the board shall have authority to transfer those ballots to other 61296
containers to preserve them until the ~~sixty-day~~ eighty-one-day 61297
period has expired. After that ~~sixty-day~~ eighty-one-day period, 61298
the ballots shall be disposed of by the board in a manner that the 61299
board orders, or where voting machines have been used the counters 61300
may be turned back to zero; provided that the secretary of state, 61301
within that ~~sixty-day~~ eighty-one-day period, may order the board 61302
to preserve the ballots or any part of the ballots for a longer 61303
period of time, in which event the board shall preserve those 61304
ballots for that longer period of time. 61305

In counties where voting machines are used, if an election is 61306
to be held within the ~~sixty~~ eighty-one days immediately following 61307
a primary, general, or special election or within any period of 61308
time within which the ballots have been ordered preserved by the 61309
secretary of state or a court of competent jurisdiction, the 61310
board, after giving notice to all interested parties and affording 61311
them an opportunity to have a representative present, shall open 61312
the compartments of the machines and, without unlocking the 61313
machines, shall recanvass the vote cast in them as if a recount 61314
were being held. The results shall be certified by the board, and 61315
this certification shall be filed in the board's office and 61316
retained for the remainder of the period for which ballots must be 61317

kept. After preparation of the certificate, the counters may be 61318
turned back to zero, and the machines may be used for the 61319
election. 61320

The board shall carefully preserve the pollbook, poll list or 61321
signature pollbook, and tally sheet delivered to it from each 61322
polling place until it has completed the official canvass of the 61323
election returns from all precincts in which electors were 61324
entitled to vote at an election, and has prepared and certified 61325
the abstracts of election returns, as required by law. The board 61326
shall not break, or permit anyone to break, the seals upon the 61327
pollbook, poll list or signature pollbook, and tally sheet, or 61328
make, or permit any one to make, any changes or notations in these 61329
items, while they are in its custody, except as provided by 61330
section 3505.32 of the Revised Code. 61331

Pollbooks and poll lists or signature pollbooks of a party 61332
primary election delivered to the board from polling places shall 61333
be carefully preserved by it for two years after the day of 61334
election in which they were used, and shall then be disposed of by 61335
the board in a manner that the board orders. 61336

Pollbooks, poll lists or signature pollbooks, tally sheets, 61337
summary statements, and other records and returns of an election 61338
delivered to it from polling places shall be carefully preserved 61339
by the board for two years after the day of the election in which 61340
they were used, and shall then be disposed of by the board in a 61341
manner that the board orders. 61342

Sec. 3505.32. (A) Except as otherwise provided in division 61343
(D) of this section, not earlier than the ~~eleventh~~ fifth day or 61344
later than the fifteenth day after a general or special election, 61345
the board of elections shall begin to canvass the election returns 61346
from the precincts in which electors were entitled to vote at that 61347
election. It shall continue the canvass daily until it is 61348

completed and the results of the voting in that election in each 61349
of the precincts are determined. 61350

The board shall complete the canvass not later than the 61351
twenty-first day after the day of the election. Eighty-one days 61352
after the day of the election, the canvass of election returns 61353
shall be deemed final, and no amendments to the canvass may be 61354
made after that date. The secretary of state may specify an 61355
earlier date upon which the canvass of election returns shall be 61356
deemed final, and after which amendments to the final canvass may 61357
not be made, if so required by federal law. 61358

(B) The county executive committee of each political party, 61359
each committee designated in a petition nominating an independent 61360
or nonpartisan candidate for election at an election, each 61361
committee designated in a petition to represent the petitioners 61362
pursuant to which a question or issue was submitted at an 61363
election, and any committee opposing a question or issue submitted 61364
at an election that was permitted by section 3505.21 of the 61365
Revised Code to have a qualified elector serve as an observer 61366
during the counting of the ballots at each polling place at an 61367
election may designate a qualified elector who may be present and 61368
may observe the making of the official canvass. 61369

(C) The board shall first open all envelopes containing 61370
uncounted ballots and shall count and tally them. 61371

In connection with its investigation of any apparent or 61372
suspected error or defect in the election returns from a polling 61373
place, the board may cause subpoenas to be issued and served 61374
requiring the attendance before it of the election officials of 61375
that polling place, and it may examine them under oath regarding 61376
the manner in which the votes were cast and counted in that 61377
polling place, or the manner in which the returns were prepared 61378
and certified, or as to any other matters bearing upon the voting 61379
and the counting of the votes in that polling place at that 61380

election. 61381

Finally, the board shall open the sealed container containing 61382
the ballots that were counted in the polling place at the election 61383
and count those ballots, during the official canvass, in the 61384
presence of all of the members of the board and any other persons 61385
who are entitled to witness the official canvass. 61386

(D) Prior to the tenth day after a primary, general, or 61387
special election, the board may examine the pollbooks, poll lists, 61388
and tally sheets received from each polling place for its files 61389
and may compare the results of the voting in any polling place 61390
with the summary statement received from the polling place. If the 61391
board finds that any of these records or any portion of them is 61392
missing, or that they are incomplete, not properly certified, or 61393
ambiguous, or that the results of the voting in the polling place 61394
as shown on the summary statement from the polling place are 61395
different from the results of the voting in the polling place as 61396
shown by the pollbook, poll list, or tally sheet from the polling 61397
place, or that there is any other defect in the records, the board 61398
may make whatever changes to the pollbook, poll list, or tally 61399
sheet it determines to be proper in order to correct the errors or 61400
defects. 61401

Sec. 3513.22. (A) Not earlier than the ~~eleventh~~ fifth day or 61402
later than the fifteenth day after a primary election, the board 61403
of elections shall begin to canvass the election returns from the 61404
precincts in which electors were entitled to vote at that election 61405
and shall continue the canvass daily until it is completed. 61406

The board shall complete the canvass not later than the 61407
twenty-first day after the day of the election. Eighty-one days 61408
after the day of the election, the canvass of election returns 61409
shall be deemed final, and no amendments to the canvass may be 61410
made after that date. The secretary of state may specify an 61411

earlier date upon which the canvass of election returns shall be 61412
deemed final, and after which amendments to the final canvass may 61413
not be made, if so required by federal law. 61414

(B) The county executive committee of each political party 61415
that participated in the election, and each committee designated 61416
in a petition to represent the petitioners pursuant to which a 61417
question or issue was submitted at the election, may designate a 61418
qualified elector who may be present at and may observe the making 61419
of the canvass. Each person for whom votes were cast in the 61420
election may also be present at and observe the making of the 61421
canvass. 61422

(C) When the canvass of the election returns from all of the 61423
precincts in the county in which electors were entitled to vote at 61424
the election has been completed, the board shall determine and 61425
declare the results of the elections determined by the electors of 61426
the county or of a district or subdivision within the county. If 61427
more than the number of persons to be nominated for or elected to 61428
an office received the largest and an equal number of votes, the 61429
tie shall be resolved by lot by the chairperson of the board in 61430
the presence of a majority of the members of the board. The 61431
declaration shall be in writing and shall be signed by at least a 61432
majority of the members of the board. It shall bear the date of 61433
the day upon which it is made, and a copy of it shall be posted by 61434
the board in a conspicuous place in its office. The board shall 61435
keep the copy posted for a period of at least five days. 61436

The board shall promptly certify abstracts of the results of 61437
the elections within its county upon forms the secretary of state 61438
prescribes. One certified copy of each abstract shall be kept in 61439
the office of the board, and one certified copy of each abstract 61440
shall promptly be sent to the secretary of state. The board shall 61441
also promptly send a certified copy of that part of an abstract 61442
that pertains to an election in which only electors of a district 61443

comprised of more than one county but less than all of the 61444
counties of the state voted to the board of the most populous 61445
county in the district. It shall also promptly send a certified 61446
copy of that part of an abstract that pertains to an election in 61447
which only electors of a subdivision located partly within the 61448
county voted to the board of the county in which the major portion 61449
of the population of the subdivision is located. 61450

If, after certifying and sending abstracts and parts of 61451
abstracts, a board finds that any abstract or part of any abstract 61452
is incorrect, it shall promptly prepare, certify, and send a 61453
corrected abstract or part of an abstract to take the place of 61454
each incorrect abstract or part of an abstract previously 61455
certified and sent. 61456

(D)(1) When certified copies of abstracts are received by the 61457
secretary of state, the secretary of state shall canvass those 61458
abstracts and determine and declare the results of all elections 61459
in which electors throughout the entire state voted. If more than 61460
the number of persons to be nominated for or elected to an office 61461
received the largest and an equal number of votes, the tie shall 61462
be resolved by lot by the secretary of state in the presence of 61463
the governor, the auditor of state, and the attorney general, who 61464
at the request of the secretary of state shall assemble to witness 61465
the drawing of the lot. The declaration of results by the 61466
secretary of state shall be in writing and shall be signed by the 61467
secretary of state. It shall bear the date of the day upon which 61468
it is made, and a copy of it shall be posted by the secretary of 61469
state in a conspicuous place in the secretary of state's office. 61470
The secretary of state shall keep the copy posted for a period of 61471
at least five days. 61472

(2) When certified copies of parts of abstracts are received 61473
by the board of the most populous county in a district from the 61474
boards of all of the counties in the district, the board receiving 61475

those abstracts shall canvass them and determine and declare the 61476
results of the elections in which only electors of the district 61477
voted. If more than the number of persons to be nominated for or 61478
elected to an office received the largest and equal number of 61479
votes, the tie shall be resolved by lot by the chairperson of the 61480
board in the presence of a majority of the members of the board. 61481
The declaration of results by the board shall be in writing and 61482
shall be signed by at least a majority of the members of the 61483
board. It shall bear the date of the day upon which it is made, 61484
and a copy of it shall be posted by the board in a conspicuous 61485
place in its office. The board shall keep the copy posted for a 61486
period of at least five days. 61487

(3) When certified copies of parts of abstracts are received 61488
by the board of a county in which the major portion of the 61489
population of a subdivision located in more than one county is 61490
located from the boards of each county in which other portions of 61491
that subdivision are located, the board receiving those abstracts 61492
shall canvass them and determine and declare the results of the 61493
elections in which only electors of that subdivision voted. If 61494
more than the number of persons to be nominated for or elected to 61495
an office received the largest and an equal number of votes, the 61496
tie shall be resolved by lot by the chairperson of the board in 61497
the presence of a majority of the members of the board. The 61498
declaration of results by the board shall be in writing and shall 61499
be signed by at least a majority of the members of the board. It 61500
shall bear the date of the day upon which it is made, and a copy 61501
of it shall be posted by the board in a conspicuous place in its 61502
office. The board shall keep the copy posted for a period of at 61503
least five days. 61504

(E) Election officials, who are required to declare the 61505
results of primary elections, shall issue to each person declared 61506
nominated for or elected to an office, an appropriate certificate 61507

of nomination or election, provided that the boards required to 61508
determine and declare the results of the elections for candidates 61509
for nomination to the office of representative to congress from a 61510
congressional district shall, in lieu of issuing a certificate of 61511
nomination, certify to the secretary of state the names of the 61512
candidates nominated, and the secretary of state, upon receipt of 61513
that certification, shall issue a certificate of nomination to 61514
each person whose name is so certified. Certificates of nomination 61515
or election issued by boards to candidates and certifications to 61516
the secretary of state shall not be issued before the expiration 61517
of the time within which applications for recounts of votes may be 61518
filed or before recounts of votes, which have been applied for, 61519
are completed. 61520

Sec. 3517.10. (A) Except as otherwise provided in this 61521
division, every campaign committee, political action committee, 61522
legislative campaign fund, political party, and political 61523
contributing entity that made or received a contribution or made 61524
an expenditure in connection with the nomination or election of 61525
any candidate or in connection with any ballot issue or question 61526
at any election held or to be held in this state shall file, on a 61527
form prescribed under this section or by electronic means of 61528
transmission as provided in this section and section 3517.106 of 61529
the Revised Code, a full, true, and itemized statement, made under 61530
penalty of election falsification, setting forth in detail the 61531
contributions and expenditures, not later than four p.m. of the 61532
following dates: 61533

(1) The twelfth day before the election to reflect 61534
contributions received and expenditures made from the close of 61535
business on the last day reflected in the last previously filed 61536
statement, if any, to the close of business on the twentieth day 61537
before the election; 61538

(2) The thirty-eighth day after the election to reflect the 61539
contributions received and expenditures made from the close of 61540
business on the last day reflected in the last previously filed 61541
statement, if any, to the close of business on the seventh day 61542
before the filing of the statement; 61543

(3) The last business day of January of every year to reflect 61544
the contributions received and expenditures made from the close of 61545
business on the last day reflected in the last previously filed 61546
statement, if any, to the close of business on the last day of 61547
December of the previous year; 61548

(4) The last business day of July of every year to reflect 61549
the contributions received and expenditures made from the close of 61550
business on the last day reflected in the last previously filed 61551
statement, if any, to the close of business on the last day of 61552
June of that year. 61553

A campaign committee shall only be required to file the 61554
statements prescribed under divisions (A)(1) and (2) of this 61555
section in connection with the nomination or election of the 61556
committee's candidate. 61557

The statement required under division (A)(1) of this section 61558
shall not be required of any campaign committee, political action 61559
committee, legislative campaign fund, political party, or 61560
political contributing entity that has received contributions of 61561
less than one thousand dollars and has made expenditures of less 61562
than one thousand dollars at the close of business on the 61563
twentieth day before the election. Those contributions and 61564
expenditures shall be reported in the statement required under 61565
division (A)(2) of this section. 61566

If an election to select candidates to appear on the general 61567
election ballot is held within sixty days before a general 61568
election, the campaign committee of a successful candidate in the 61569

earlier election may file the statement required by division 61570
(A)(1) of this section for the general election instead of the 61571
statement required by division (A)(2) of this section for the 61572
earlier election if the pregeneral election statement reflects the 61573
status of contributions and expenditures for the period twenty 61574
days before the earlier election to twenty days before the general 61575
election. 61576

If a person becomes a candidate less than twenty days before 61577
an election, the candidate's campaign committee is not required to 61578
file the statement required by division (A)(1) of this section. 61579

No statement under division (A)(3) of this section shall be 61580
required for any year in which a campaign committee, political 61581
action committee, legislative campaign fund, political party, or 61582
political contributing entity is required to file a postgeneral 61583
election statement under division (A)(2) of this section. However, 61584
a statement under division (A)(3) of this section may be filed, at 61585
the option of the campaign committee, political action committee, 61586
legislative campaign fund, political party, or political 61587
contributing entity. 61588

No campaign committee of a candidate for the office of chief 61589
justice or justice of the supreme court, and no campaign committee 61590
of a candidate for the office of judge of any court in this state, 61591
shall be required to file a statement under division (A)(4) of 61592
this section. 61593

Except as otherwise provided in this paragraph and in the 61594
next paragraph of this section, the only campaign committees 61595
required to file a statement under division (A)(4) of this section 61596
are the campaign committee of a statewide candidate and the 61597
campaign committee of a candidate for county office. The campaign 61598
committee of a candidate for any other nonjudicial office is 61599
required to file a statement under division (A)(4) of this section 61600
if that campaign committee receives, during that period, 61601

contributions exceeding ten thousand dollars. 61602

No statement under division (A)(4) of this section shall be 61603
required of a campaign committee, a political action committee, a 61604
legislative campaign fund, a political party, or a political 61605
contributing entity for any year in which the campaign committee, 61606
political action committee, legislative campaign fund, political 61607
party, or political contributing entity is required to file a 61608
postprimary election statement under division (A)(2) of this 61609
section. However, a statement under division (A)(4) of this 61610
section may be filed at the option of the campaign committee, 61611
political action committee, legislative campaign fund, political 61612
party, or political contributing entity. 61613

No statement under division (A)(3) or (4) of this section 61614
shall be required if the campaign committee, political action 61615
committee, legislative campaign fund, political party, or 61616
political contributing entity has no contributions that it has 61617

balance on hand and no outstanding obligations and desires to 61670
terminate itself, it shall file a statement to that effect, on a 61671
form prescribed under this section and made under penalty of 61672

(2) The person filing the statement, under penalty of election falsification, shall include with it a list of each anonymous contribution, the circumstances under which it was received, and the reason it cannot be attributed to a specific donor.

(3) Each statement of a campaign committee of a candidate who holds public office shall contain a designation of each contributor who is an employee in any unit or department under the candidate's direct supervision and control. In a space provided in the statement, the person filing the statement shall affirm that each such contribution was voluntarily made.

(4) A campaign committee that did not receive contributions or make expenditures in connection with the nomination or election of its candidate shall file a statement to that effect, on a form prescribed under this section and made under penalty of election falsification, on the date required in division (A)(2) of this section.

of state under division (B) of section 3517.106 of the Revised 61856

considers necessary to enable the secretary of state to store the 61858
information contained in the statements on computer. Any such 61859
format shall be of a type and nature that is readily available to 61860
whoever is required to file the statements in that format. 61861

(c) The secretary of state shall assess the need for training 61862
regarding the filing of campaign finance statements by electronic 61863
means of transmission and regarding associated technologies for 61864
candidates, campaign committees, political action committees, 61865

or section 3517.105, 3517.106, 3517.1011, 3517.1012, 3517.1013, or 61872
3517.1014 of the Revised Code. If, in the opinion of the secretary 61873
of state, training in these areas is necessary, the secretary of 61874
state shall arrange for the provision of voluntary training 61875
programs for candidates, campaign committees, political action 61876
committees, legislative campaign funds, political parties, or 61877

action committee, legislative campaign fund, political party, or 61897
political contributing entity is required to file statements under 61898
section 3517.11 of the Revised Code. The name of a campaign 61899
committee shall include at least the last name of the campaign 61900

section 3517.081 of the Revised Code, the name of the campaign 61903
committee shall include at least the last name of each candidate 61904
who is a beneficiary of that campaign committee. The secretary of 61905
state shall assign a registration number to each political action 61906

secretary of state. 61911

(b) The secretary of state shall not accept for filing a 61912
designation of treasurer of a political action committee or 61913
political contributing entity if, in the opinion of the secretary 61914
of state, the name of the political action committee or political 61915
contributing entity would lead a reasonable person to believe that 61916
the political action committee or political contributing entity 61917
acts on behalf of or represents a county political party, unless 61918
the designation is accompanied by a written statement, signed by 61919

the chairperson of the county political party's executive 61920
committee, granting the political action committee or political 61921
contributing entity permission to act on behalf of or represent 61922
the county political party. 61923

contributions received by the committee into an account separate 61933
from all other funds. 61934

any amounts of monetary contributions that are made to or accepted 61938
by the political party subject to the applicable limitations, if 61939
any, prescribed in section 3517.102 of the Revised Code. A state 61940
or county political party shall deposit all other monetary 61941
contributions received by the party into one or more accounts that 61942
are separate from its state candidate fund. 61943

legislative campaign fund for each house of the general assembly. 61945
Each such fund shall be separate from any other funds or accounts 61946
of that state party. A legislative campaign fund is authorized to 61947
receive contributions and make expenditures for the primary 61948
purpose of furthering the election of candidates who are members 61949
of that political party to the house of the general assembly with 61950

which that legislative campaign fund is associated. Each 61951

a manner designated by the caucus. As used in this division, 61953
"caucus" has the same meaning as in section 3517.01 of the Revised 61954
Code and includes, as an ex officio member, the chairperson of the 61955
state political party with which the caucus is associated or that 61956
chairperson's designee. 61957

be vouched for by a receipted bill, stating the purpose of the 61959
expenditure, that shall be filed with the statement of 61960
expenditures. A canceled check with a notation of the purpose of 61961
the expenditure is a receipted bill for purposes of division 61962
(D)(4) of this section. 61963

(5) The secretary of state or the board of elections, as the 61964
case may be, shall issue a receipt for each statement filed under 61965
this section and shall preserve a copy of the receipt for a period 61966
of at least six years. All statements filed under this section 61967
shall be open to public inspection in the office where they are 61968
filed and shall be carefully preserved for a period of at least 61969
six years after the year in which they are filed. 61970

(6) The secretary of state, by rule adopted pursuant to 61971
section 3517.23 of the Revised Code, shall prescribe both of the 61972
following: 61973

(a) The manner of immediately acknowledging, with date and 61974
time received, and preserving the receipt of statements that are 61975

deposit and disbursement, gift and disbursement, or donation and 61986
disbursement information in those statements for at least ten 61987
years after the year in which they are filed by electronic means 61988
of transmission. 61989
