(C) ~~Immediately upon~~ Upon a deposit of cash, a letter of 252107
credit, or certificates with the chief, the chief shall ~~deliver it~~ 252108
~~to the treasurer of state who shall~~ hold it in trust for the 252109
purposes for which it has been deposited. The ~~treasurer of state~~ 252110
chief shall be responsible for the safekeeping of such deposits. 252111
An operator making a deposit of cash, a letter of credit, or 252112
certificates of deposit may withdraw and receive, from the 252113
~~treasurer of state, on the written order of the~~ chief, all or any 252114
part of the cash, letter of credit, or certificates in the 252115
possession of the ~~treasurer of state,~~ chief upon depositing with 252116
the ~~treasurer of state cash, or~~ chief an irrevocable letter of 252117
credit or negotiable certificates of deposit issued by any bank 252118
organized or transacting business in this state, equal in value to 252119
the value of the cash, letter of credit, or certificates 252120
withdrawn. An operator may demand and receive from the ~~treasurer~~ 252121
~~of state~~ chief all interest or other income from any certificates 252122
as it becomes due. If certificates deposited with and in the 252123
possession of the ~~treasurer of state~~ chief mature or are called 252124
for payment by the issuer thereof, the ~~treasurer of state~~ chief, 252125
at the request of the operator who deposited them, shall convert 252126
the proceeds of the redemption or payment of the certificates into 252127
such other negotiable certificates of deposit issued by any bank 252128
organized or transacting business in this state or cash, as may be 252129
designated by the operator. 252130

(D) A governmental agency, as defined in division (A) of 252131
section 1514.022 of the Revised Code, or a board or commission 252132
that derives its authority from a governmental agency shall not 252133
require a surface or in-stream mining operator to file a surety 252134
bond or any other form of financial assurance for the reclamation 252135
of land to be affected by a surface or in-stream mining operation 252136

authorized under this chapter. 252137

Sec. 1514.05. (A) At any time within the period allowed an 252138
operator by section 1514.02 of the Revised Code to reclaim an area 252139
of land affected by surface or in-stream mining, the operator may 252140
file a request, on a form provided by the chief of the division of 252141
mineral resources management, for inspection of the area of land 252142
upon which the reclamation, other than any required planting, is 252143
completed. The request shall include all of the following: 252144

(1) The location of the area and number of acres; 252145

(2) The permit number; 252146

(3) A map showing the location of the acres reclaimed, 252147
prepared and certified in accordance with division (A)(11) or (12) 252148
of section 1514.02 of the Revised Code, as appropriate. In the 252149
case of an in-stream mining operation, the map also shall include, 252150
as applicable, the information required under division (A)(18) of 252151
section 1514.02 of the Revised Code. 252152

The chief shall make an inspection and evaluation of the 252153
reclamation of the area of land for which the request was 252154
submitted within ninety days after receipt of the request or, if 252155
the operator fails to complete the reclamation or file the request 252156
as required, as soon as the chief learns of the default. 252157
Thereupon, if the chief approves the reclamation, other than any 252158
required planting, as meeting the requirements of this chapter, 252159
rules adopted thereunder, any orders issued during the mining or 252160
reclamation, and the specifications of the plan for mining and 252161
reclaiming, the chief shall issue an order to the operator and the 252162
operator's surety releasing them from liability for one-half of 252163
the total amount of their surety bond on deposit to ensure 252164
reclamation for the area upon which reclamation is completed. If 252165
the operator has deposited cash, an irrevocable letter of credit, 252166
or certificates of deposit in lieu of a surety bond to ensure 252167

reclamation, the chief shall ~~issue an order~~ deliver to the 252168
operator ~~releasing or the operator's authorized agent~~ one-half of 252169
the amount so held ~~and promptly shall transmit a certified copy of~~ 252170
~~the order to the treasurer of state. Upon presentation of the~~ 252171
~~order to the treasurer of state by the operator to whom it was~~ 252172
~~issued, or by the operator's authorized agent, the treasurer of~~ 252173
~~state shall deliver to the operator or the operator's authorized~~ 252174
~~agent the cash, irrevocable letter of credit, or certificates of~~ 252175
~~deposit designated in the order.~~ 252176

If the chief does not approve the reclamation, other than any 252177
required planting, the chief shall notify the operator by 252178
certified mail. The notice shall be an order stating the reasons 252179
for unacceptability, ordering further actions to be taken, and 252180
setting a time limit for compliance. If the operator does not 252181
comply with the order within the time limit specified, the chief 252182
may order an extension of time for compliance after determining 252183
that the operator's noncompliance is for good cause, resulting 252184
from developments partially or wholly beyond the operator's 252185
control. If the operator complies within the time limit or the 252186
extension of time granted for compliance, the chief shall order 252187
release of the performance bond in the same manner as in the case 252188
of approval of reclamation, other than any required planting, by 252189
the chief, and the ~~treasurer of state~~ chief shall proceed as in 252190
that case. If the operator does not comply within the time limit 252191
and the chief does not order an extension, or if the chief orders 252192
an extension of time and the operator does not comply within the 252193
extension of time granted for compliance, the chief shall issue 252194
another order declaring that the operator has failed to reclaim 252195
and, if the operator's permit has not already expired or been 252196
revoked, revoking the operator's permit. The chief shall thereupon 252197
proceed under division (C) of this section. 252198

(B) At any time within the period allowed an operator by 252199

section 1514.02 of the Revised Code to reclaim an area affected by surface mining, the operator may file a request, on a form provided by the chief, for inspection of the area of land on which all reclamation, including the successful establishment of any required planting, is completed. The request shall include all of the following:

- (1) The location of the area and number of acres;
- (2) The permit number;
- (3) The type and date of any required planting of vegetative cover and the degree of success of growth;
- (4) A map showing the location of the acres reclaimed, prepared and certified in accordance with division (A)(11) or (12) of section 1514.02 of the Revised Code, as appropriate. In the case of an in-stream mining operation, the map also shall include the information required under division (A)(18) of section 1514.02 of the Revised Code.

The chief shall make an inspection and evaluation of the reclamation of the area of land for which the request was submitted within ninety days after receipt of the request or, if the operator fails to complete the reclamation or file the request as required, as soon as the chief learns of the default. Thereupon, if the chief finds that the reclamation meets the requirements of this chapter, rules adopted under it, any orders issued during the mining and reclamation, and the specifications of the plan for mining and reclaiming and decides to release any remaining performance bond on deposit to ensure reclamation of the area on which reclamation is completed, within ten days of completing the inspection and evaluation, the chief shall order release of the remaining performance bond in the same manner as in the case of approval of reclamation other than required planting, and the ~~treasurer of state~~ chief shall proceed as in that case.

If the chief does not approve the reclamation performed by the operator, the chief shall notify the operator by certified mail within ninety days of the filing of the application for inspection or of the date when the chief learns of the default. The notice shall be an order stating the reasons for unacceptability, ordering further actions to be taken, and setting a time limit for compliance. If the operator does not comply with the order within the time limit specified, the chief may order an extension of time for compliance after determining that the operator's noncompliance is for good cause, resulting from developments partially or wholly beyond the operator's control. If the operator complies within the time limit or the extension of time granted for compliance, the chief shall order release of the remaining performance bond in the same manner as in the case of approval of reclamation by the chief, and the ~~treasurer of state~~ chief shall proceed as in that case. If the operator does not comply within the time limit and the chief does not order an extension, or if the chief orders an extension of time and the operator does not comply within the extension of time granted for compliance, the chief shall issue another order declaring that the operator has failed to reclaim and, if the operator's permit has not already expired or been revoked, revoking the operator's permit. The chief then shall proceed under division (C) of this section.

(C) Upon issuing an order under division (A) or (B) of this section declaring that the operator has failed to reclaim, the chief shall make a finding as to the number and location of the acres of land that the operator has failed to reclaim in the manner required by this chapter. The chief shall order the release of the performance bond in the amount of five hundred dollars per acre for those acres that the chief finds to have been reclaimed in the manner required by this chapter. The release shall be ordered in the same manner as in the case of other approval of

reclamation by the chief, and the ~~treasurer of state~~ chief shall 252264
proceed as in that case. If the operator has on deposit cash, an 252265
irrevocable letter of credit, or certificates of deposit to ensure 252266
reclamation of the area of the land affected, the chief at the 252267
same time shall issue an order declaring that the remaining cash, 252268
irrevocable letter of credit, or certificates of deposit are the 252269
property of the state and are available for use by the chief in 252270
performing reclamation of the area and shall proceed in accordance 252271
with section 1514.06 of the Revised Code. 252272

If the operator has on deposit a surety bond to ensure 252273
reclamation of the area of land affected, the chief shall notify 252274
the surety in writing of the operator's default and shall request 252275
the surety to perform the surety's obligation and that of the 252276
operator. The surety, within ten days after receipt of the notice, 252277
shall notify the chief as to whether it intends to perform those 252278
obligations. 252279

If the surety chooses to perform, it shall arrange for work 252280
to begin within thirty days of the day on which it notifies the 252281
chief of its decision. If the surety completes the work as 252282
required by this chapter, the chief shall issue an order to the 252283
surety releasing the surety from liability under the bond in the 252284
same manner as if the surety were an operator proceeding under 252285
this section. If, after the surety begins the work, the chief 252286
determines that the surety is not carrying the work forward with 252287
reasonable progress, or that it is improperly performing the work, 252288
or that it has abandoned the work or otherwise failed to perform 252289
its obligation and that of the operator, the chief shall issue an 252290
order terminating the right of the surety to perform the work and 252291
demanding payment of the amount due as required by this chapter. 252292

If the surety chooses not to perform and so notifies the 252293
chief, does not respond to the chief's notice within ten days of 252294
receipt thereof, or fails to begin work within thirty days of the 252295

day it timely notifies the chief of its decision to perform its 252296
obligation and that of the operator, the chief shall issue an 252297
order terminating the right of the surety to perform the work and 252298
demanding payment of the amount due, as required by this chapter. 252299

Upon receipt of an order of the chief demanding payment of 252300
the amount due, the surety immediately shall deposit with the 252301
chief cash in the full amount due under the order for deposit with 252302
the ~~treasurer of state~~ chief. If the surety fails to make an 252303
immediate deposit, the chief shall certify it to the attorney 252304
general for collection. When the chief has issued an order 252305
terminating the right of the surety and has the cash on deposit, 252306
the cash is the property of the state and is available for use by 252307
the chief, who shall proceed in accordance with section 1514.06 of 252308
the Revised Code. 252309

Sec. 1521.061. (A)(1) Except as otherwise provided in this 252310
section, the chief of the division of water resources shall not 252311
issue a construction permit under section 1521.06 of the Revised 252312
Code unless the person or governmental agency applying for the 252313
permit executes and files a surety bond conditioned on completion 252314
of the dam or levee in accordance with the terms of the permit and 252315
the plans and specifications approved by the chief. Except as 252316
provided in division (A)(2) of this section, the surety bond shall 252317
equal: 252318

(a) \$50,000 for the first \$500,000 of the estimated cost of 252319
the project; plus 252320

(b) Twenty-five per cent of the estimated cost for the next 252321
\$4,500,000 of the estimated cost of the project; plus 252322

(c) Ten per cent of the estimated cost that exceeds 252323
\$5,000,000. 252324

(2) The chief may reduce the amount of the required surety 252325

bond to the amount equal to the cost estimate of construction 252326
activities necessary to render the dam nonhazardous if the cost 252327
estimate is provided by the applicant and approved by the chief. 252328

(B) If a permittee requests an extension of the time period 252329
during which a construction permit is valid in accordance with 252330
rules adopted under section 1521.06 of the Revised Code, the chief 252331
shall determine whether the revised construction cost estimate 252332
provided with the request exceeds the original construction cost 252333
estimate that was filed with the chief by more than twenty-five 252334
per cent. If the revised construction cost estimate exceeds the 252335
original construction cost estimate by more than twenty-five per 252336
cent, the chief may require an additional surety bond to be filed 252337
in an amount determined in accordance with division (A) of this 252338
section based on the revised construction cost estimate. 252339

(C) The chief shall not approve any bond until it is 252340
personally signed and acknowledged by both principal and surety, 252341
or as to either by the attorney in fact thereof, with a certified 252342
copy of the power of attorney attached. The chief shall not 252343
approve the bond unless there is attached a certificate of the 252344
superintendent of insurance that the company is authorized to 252345
transact a fidelity and surety business in this state. 252346

All bonds shall be given in a form prescribed by the chief 252347
and shall run to the state as obligee. 252348

(D)(1) The applicant may deposit, in lieu of a bond, cash in 252349
an amount equal to the amount of the bond or ~~United States~~ 252350
~~government securities or~~ negotiable certificates of deposit issued 252351
by any bank organized or transacting business in this state having 252352
a par value equal to or greater than the amount of the bond. Such 252353
cash or securities shall be deposited upon the same terms as 252354
bonds. If one or more certificates of deposit are deposited in 252355
lieu of a bond, the chief shall require the bank that issued any 252356
such certificate to pledge securities of the aggregate market 252357

value equal to the amount of the certificate that is in excess of 252358
the amount insured by the federal deposit insurance corporation. 252359
The securities to be pledged shall be those designated as eligible 252360
under section 135.18 of the Revised Code. The securities shall be 252361
security for the repayment of the certificate of deposit. 252362

(2) ~~Immediately upon~~ Upon a deposit of cash, ~~securities,~~ or 252363
certificates of deposit, the chief shall ~~deliver them to the~~ 252364
~~treasurer of state, who shall~~ hold them in trust for the purposes 252365
for which they have been deposited. ~~The treasurer of state is~~ 252366
~~responsible for the safekeeping of such deposits. If the applicant~~ 252367
deposits cash, the cash shall be credited to the performance cash 252368
bond refunds fund created in section 1501.04 of the Revised Code. 252369
An applicant making a deposit of cash, ~~securities,~~ or certificates 252370
of deposit may withdraw and receive, from the ~~treasurer of state,~~ 252371
~~on the written order of the~~ chief, all or any portion of the cash, 252372
~~securities,~~ or certificates of deposit, upon depositing with the 252373
~~treasurer of state cash,~~ chief other ~~United States government~~ 252374
~~securities,~~ or negotiable certificates of deposit issued by any 252375
bank organized or transacting business in this state equal in par 252376
value to the par value of the cash, ~~securities,~~ or certificates of 252377
deposit withdrawn. An applicant may demand and receive from the 252378
~~treasurer of state~~ chief all interest or other income from any 252379
such ~~securities or~~ certificates as it becomes due. If ~~securities~~ 252380
certificates so deposited with and in the possession of the 252381
~~treasurer of state~~ chief mature or are called for payment by the 252382
issuer thereof, the ~~treasurer of state~~ chief, at the request of 252383
the applicant who deposited them, shall convert the proceeds of 252384
the redemption or payment of the ~~securities~~ certificates into ~~such~~ 252385
other ~~United States government securities,~~ negotiable certificates 252386
of deposit issued by any bank organized or transacting business in 252387
this state, or cash as the applicant designates. 252388

(E)(1) When the chief finds that a person or governmental 252389

agency has failed to comply with the conditions of the person's or 252390
agency's bond, the chief shall make a finding of that fact and 252391
declare the bond, cash, ~~securities~~, or certificates of deposit 252392
forfeited in the amount set by rule of the chief. The chief shall 252393
thereupon certify the total forfeiture to the attorney general, 252394
who shall proceed to collect that amount. 252395

(2) In lieu of total forfeiture, the surety, at its option, 252396
may cause the dam or levee to be completed as required by section 252397
1521.06 of the Revised Code and rules of the chief, or otherwise 252398
rendered nonhazardous, or pay to the ~~treasurer of state~~ chief the 252399
cost thereof. 252400

(F)(1) All moneys collected on account of forfeitures of 252401
bonds, cash, ~~securities~~, and certificates of deposit under this 252402
section shall be credited to the dam safety fund created in 252403
section 1521.06 of the Revised Code. The chief shall make 252404
expenditures from the fund to complete dams and levees for which 252405
bonds have been forfeited or to otherwise render them 252406
nonhazardous. 252407

(2) Expenditures from the fund for those purposes shall be 252408
made pursuant to contracts entered into by the chief with persons 252409
who agree to furnish all of the materials, equipment, work, and 252410
labor as specified and provided in the contract. 252411

(G) A surety bond shall not be required for a permit for a 252412
dam or levee that is to be designed and constructed by an agency 252413
of the United States government, if the agency files with the 252414
chief written assurance of the agency's financial responsibility 252415
for the structure for one year following the chief's approval of 252416
the completed construction provided for under division (E) of 252417
section 1521.06 of the Revised Code. 252418

Sec. 1548.06. (A)(1) Application for a certificate of title 252419
for a watercraft or outboard motor shall be made upon a form 252420

prescribed by the chief of the division of parks and watercraft 252421
and shall be sworn to before a notary public or other officer 252422
empowered to administer oaths. The application shall be filed with 252423
the clerk of any court of common pleas. An application for a 252424
certificate of title may be filed electronically by any electronic 252425
means approved by the chief in any county with the clerk of the 252426
court of common pleas of that county. The application shall be 252427
accompanied by the fee prescribed in section 1548.10 of the 252428
Revised Code. The fee shall be retained by the clerk who issues 252429
the certificate of title and shall be distributed in accordance 252430
with that section. If a clerk of a court of common pleas, other 252431
than the clerk of the court of common pleas of an applicant's 252432
county of residence, issues a certificate of title to the 252433
applicant, the clerk shall transmit data related to the 252434
transaction to the automated title processing system. 252435

(2) If a certificate of title previously has been issued for 252436
the watercraft or outboard motor, the application for a 252437
certificate of title also shall be accompanied by the certificate 252438
of title duly assigned unless otherwise provided in this chapter. 252439
If a certificate of title previously has not been issued for the 252440
watercraft or outboard motor in this state, the application, 252441
unless otherwise provided in this chapter, shall be accompanied by 252442
a manufacturer's or importer's certificate; by a sworn statement 252443
of ownership if the watercraft or outboard motor was purchased by 252444
the applicant on or before October 9, 1963, or if the watercraft 252445
is less than fourteen feet long with a permanently affixed 252446
mechanical means of propulsion and was purchased by the applicant 252447
on or before January 1, 2000; or by a certificate of title, bill 252448
of sale, or other evidence of ownership required by the law of 252449
another state from which the watercraft or outboard motor was 252450
brought into this state. Evidence of ownership of a watercraft or 252451
outboard motor for which an Ohio certificate of title previously 252452
has not been issued and which watercraft or outboard motor does 252453

not have permanently affixed to it a manufacturer's serial number 252454
shall be accompanied by the certificate of assignment of a hull 252455
identification number assigned by the chief as provided in section 252456
1548.07 of the Revised Code. 252457

(3) The clerk shall retain the evidence of title presented by 252458
the applicant and on which the certificate of title is issued, 252459
except that, if an application for a certificate of title is filed 252460
electronically, by a vendor on behalf of a purchaser of a 252461
watercraft or outboard motor, the clerk shall retain the completed 252462
electronic record to which the vendor converted the certificate of 252463
title application and other required documents. The chief, after 252464
consultation with the attorney general, shall adopt rules that 252465
govern the location at which, and the manner in which, are stored 252466
the actual application and all other documents relating to the 252467
sale of a watercraft or outboard motor when a vendor files the 252468
application for a certificate of title electronically on behalf of 252469
a purchaser. 252470

(B) The clerk shall use reasonable diligence in ascertaining 252471
whether the facts in the application are true by checking the 252472
application and documents accompanying it or the electronic record 252473
to which a vendor converted the application and accompanying 252474
documents with the records of watercraft and outboard motors in 252475
the clerk's office. If the clerk is satisfied that the applicant 252476
is the owner of the watercraft or outboard motor and that the 252477
application is in the proper form, the clerk shall issue a 252478
physical certificate of title over the clerk's signature and 252479
sealed with the clerk's seal unless the applicant specifically 252480
requests the clerk not to issue a physical certificate of title 252481
and instead to issue an electronic certificate of title. However, 252482
if the evidence indicates and an investigation shows that one or 252483
more Ohio titles already exist for the watercraft or outboard 252484
motor, the chief may cause the redundant title or titles to be 252485

canceled. 252486

(C) In the case of the sale of a watercraft or outboard motor 252487
by a vendor to a general purchaser or user, the certificate of 252488
title shall be obtained in the name of the purchaser by the vendor 252489
upon application signed by the purchaser. In all other cases, the 252490
certificate shall be obtained by the purchaser. In all cases of 252491
transfer of watercraft or outboard motors, the application for 252492
certificate of title shall be filed within thirty days after the 252493
later of the date of purchase or assignment of ownership of the 252494
watercraft or outboard motor. If the application for certificate 252495
of title is not filed within thirty days after the later of the 252496
date of purchase or assignment of ownership of the watercraft or 252497
outboard motor, the clerk shall charge a late penalty fee of five 252498
dollars in addition to the fee prescribed by section 1548.10 of 252499
the Revised Code. The clerk shall retain the entire amount of each 252500
late penalty fee. 252501

(D) The clerk shall refuse to accept an application for 252502
certificate of title unless the applicant either tenders with the 252503
application payment of all taxes levied by or pursuant to Chapter 252504
5739. or 5741. of the Revised Code based on the applicant's county 252505
of residence less, in the case of a sale by a vendor, any discount 252506
to which the vendor is entitled under section 5739.12 of the 252507
Revised Code, or submits any of the following: 252508

(1) A receipt issued by the tax commissioner or a clerk of 252509
courts showing payment of the tax; 252510

(2) A copy of the unit certificate of exemption completed by 252511

member's intention to withdraw the member's shares. Such advance 252772

(2)(a) The amount of the bond ~~or deposit~~ required shall be 253688
equal to three per cent of the organization's wages paid for 253689
employment as defined in section 4141.01 of the Revised Code that 253690
would have been taxable had the organization been a subject 253691
employer during the four calendar quarters immediately preceding 253692
the effective date of the election, or the amount established by 253693

the director within the limitation provided in division 253694
~~(C)(2)(d)(C)(2)(c)~~ of this section, whichever is the less. The 253695
effective date of the amount of the bond ~~or other collateral~~ 253696
~~security~~ required after the employer initially is determined by 253697
the director to be liable for payments in lieu of contributions 253698
shall be the renewal date ~~in the case of a~~ the bond ~~or the~~ 253699
~~biennial anniversary of the effective date of election in the case~~ 253700
~~of deposit of securities or other forms of collateral security~~ 253701
~~approved by the director, whichever date shall be most recent and~~ 253702
~~applicable.~~ If the nonprofit organization did not pay wages in 253703
each of such four calendar quarters, the amount of the bond or 253704
deposit shall be as determined by the director under regulations 253705
prescribed for this purpose. 253706

(b) Any bond ~~or other form of collateral security approved by~~ 253707
~~the director~~ deposited under this division shall be in force for a 253708
period of not less than two calendar years and shall be renewed 253709
with the approval of the director, at such times as the director 253710
may prescribe, but not less frequently than at two-year intervals 253711
as long as the organization continues to be liable for payments in 253712
lieu of contributions. The director shall require adjustments to 253713
be made in a previously filed bond ~~or other form of collateral~~ 253714
~~security~~ as the director considers appropriate. If the bond ~~or~~ 253715
~~other form of collateral security~~ is to be increased, the adjusted 253716
bond ~~or collateral security~~ shall be filed by the organization 253717
within thirty days of the date that notice of the required 253718
adjustment was mailed or otherwise delivered to it. Failure by any 253719
organization covered by such bond ~~or collateral security~~ to pay 253720
the full amount of payments in lieu of contributions when due, 253721
together with any applicable interest provided for in division 253722
(B)(5) of this section, shall render the surety liable on the bond 253723
~~or collateral security~~ to the extent of the bond ~~or collateral~~ 253724

~~(c) Any securities accepted in lieu of surety bond by the director shall be deposited with the treasurer of state who shall have custody thereof and retain the same in the treasurer of state's possession, or release them, according to conditions prescribed by regulations of the director. Income from the securities, held in custody by the treasurer of state, shall accrue to the benefit of the depositor and shall be distributed to the depositor in the absence of any notification from the director that the depositor is in default on any payment owed to the director. The director may require the sale of any such bonds to the extent necessary to satisfy any unpaid payments in lieu of contributions, together with any applicable interest or forfeitures provided for in division (B)(5) of this section. The director shall require the employer within thirty days following any sale of deposited securities, under this subdivision, to deposit additional securities, surety bond, or combination of both, to make whole the employer's security deposit at the approved level. Any cash remaining from the sale of such securities may, at the discretion of the director, be refunded in whole or in part, or be paid into the unemployment compensation fund to cover future payments required of the organization.~~

~~(d) The required bond or deposit for any nonprofit organization, or group of such organizations approved by the director under division (D) of this section, that is determined by the director to be liable for payments in lieu of contributions effective beginning on and after January 1, 1996, but prior to January 1, 1998, and the required bond or deposit for any renewed elections under division (C)(2)(b) of this section effective during that period shall not exceed one million two hundred fifty thousand dollars. The required bond or deposit for any nonprofit organization, or group of such organizations approved by the director under division (D) of this section, that is determined to be liable for payments in lieu of contributions effective on and~~

~~after January 1, 1998, and the required bond or deposit for any~~ 253759
~~renewed elections effective on and after January 1, 1998, shall~~ 253760
not exceed two million dollars. 253761

(3) If any nonprofit organization fails to file a bond or 253762
~~make a deposit, or to file a bond in an increased amount or to~~ 253763
~~make whole the amount of a previously made deposit,~~ as provided 253764
under this division, the director may terminate the organization's 253765
election to make payments in lieu of contributions effective for 253766
the quarter following such failure and the termination shall 253767
continue for not less than the remainder of that calendar year and 253768
the next calendar year, beginning with the quarter in which the 253769
termination becomes effective; except that the director may extend 253770
for good cause the applicable filing, ~~deposit, or adjustment~~ 253771
period by not more than thirty days. 253772

(D)(1) Two or more nonprofit organizations that have become 253773
liable for payments in lieu of contributions, in accordance with 253774
division (A) of this section, may file a joint application to the 253775
director for the establishment of the group account for the 253776
purpose of sharing the cost of benefits paid that are attributable 253777
to service in the employ of those employers. Notwithstanding 253778
division (E) of section 4141.242 of the Revised Code, hospitals 253779
operated by this state or a political subdivision may participate 253780
in a group account with nonprofit organizations under the 253781
procedures set forth in this section. Each application shall 253782
identify and authorize a group representative to act as the 253783
group's agent for the purposes of this division. 253784

(2) Upon the director's approval of the application, the 253785
director shall establish a group account for the employers 253786
effective as of the beginning of the calendar quarter in which the 253787
director receives the application and shall notify the group's 253788
representative of the effective date of the account. The account 253789
shall remain in effect for not less than two years and thereafter 253790

until terminated by the director or upon application by the group. 253791

(3) Upon establishment of the account, each member of the 253792
group shall be liable, in the event that the group representative 253793
fails to pay any bill issued to it pursuant to division (B) of 253794
this section, for payments in lieu of contributions with respect 253795
to each calendar quarter in the amount that bears the same ratio 253796
to the total benefits paid in the quarter that are attributable to 253797
service performed in the employ of all members of the group as the 253798
total wages paid for service in employment by the member in the 253799
quarter bear to the total wages paid during the quarter for 253800
service performed in the employ of all members of the group. 253801

(4) The director shall adopt regulations as considered 253802
necessary with respect to the following: applications for 253803
establishment, bonding, maintenance, and termination of group 253804
accounts that are authorized by this section; addition of new 253805
members to and withdrawal of active members from such accounts; 253806
and the determination of the amounts that are payable under this 253807
division by the group representative and in the event of default 253808
in payment by the group representative, members of the group, and 253809
the time and manner of payments. 253810

Sec. 4505.06. (A)(1) Application for a certificate of title 253811
shall be made in a form prescribed by the registrar of motor 253812
vehicles and shall be sworn to before a notary public or other 253813
officer empowered to administer oaths. The application shall be 253814
filed with the clerk of any court of common pleas. An application 253815
for a certificate of title may be filed electronically by any 253816
electronic means approved by the registrar in any county with the 253817
clerk of the court of common pleas of that county. Any payments 253818
required by this chapter shall be considered as accompanying any 253819
electronically transmitted application when payment actually is 253820
received by the clerk. Payment of any fee or taxes may be made by 253821

electronic transfer of funds. 253822

(2) The application for a certificate of title shall be 253823
accompanied by the fee prescribed in section 4505.09 of the 253824
Revised Code. The fee shall be retained by the clerk who issues 253825
the certificate of title and shall be distributed in accordance 253826
with that section. If a clerk of a court of common pleas, other 253827
than the clerk of the court of common pleas of an applicant's 253828
county of residence, issues a certificate of title to the 253829
applicant, the clerk shall transmit data related to the 253830
transaction to the automated title processing system. 253831

(3) If a certificate of title previously has been issued for 253832
a motor vehicle in this state, the application for a certificate 253833
of title also shall be accompanied by that certificate of title 253834
duly assigned, unless otherwise provided in this chapter. If a 253835
certificate of title previously has not been issued for the motor 253836
vehicle in this state, the application, unless otherwise provided 253837
in this chapter, shall be accompanied by a manufacturer's or 253838
importer's certificate or by a certificate of title of another 253839
state from which the motor vehicle was brought into this state. If 253840
the application refers to a motor vehicle last previously 253841
registered in another state, the application also shall be 253842
accompanied by the physical inspection certificate required by 253843
section 4505.061 of the Revised Code. If the application is made 253844
by two persons regarding a motor vehicle in which they wish to 253845
establish joint ownership with right of survivorship, they may do 253846
so as provided in section 2131.12 of the Revised Code. If the 253847
applicant requests a designation of the motor vehicle in 253848
beneficiary form so that upon the death of the owner of the motor 253849
vehicle, ownership of the motor vehicle will pass to a designated 253850
transfer-on-death beneficiary or beneficiaries, the applicant may 253851
do so as provided in section 2131.13 of the Revised Code. A person 253852
who establishes ownership of a motor vehicle that is transferable 253853

on death in accordance with section 2131.13 of the Revised Code 253854
may terminate that type of ownership or change the designation of 253855
the transfer-on-death beneficiary or beneficiaries by applying for 253856
a certificate of title pursuant to this section. The clerk shall 253857
retain the evidence of title presented by the applicant and on 253858
which the certificate of title is issued, except that, if an 253859
application for a certificate of title is filed electronically by 253860
an electronic motor vehicle dealer on behalf of the purchaser of a 253861
motor vehicle, the clerk shall retain the completed electronic 253862
record to which the dealer converted the certificate of title 253863
application and other required documents. The registrar, after 253864
consultation with the attorney general, shall adopt rules that 253865
govern the location at which, and the manner in which, are stored 253866
the actual application and all other documents relating to the 253867
transfer of a motor vehicle when an electronic motor vehicle 253868
dealer files the application for a certificate of title 253869
electronically on behalf of the purchaser. Not later than December 253870
31, 2017, the registrar shall arrange for a service that enables 253871
all electronic motor vehicle dealers to file applications for 253872
certificates of title on behalf of purchasers of motor vehicles 253873
electronically by transferring the applications directly from the 253874
computer systems of the dealers to the clerk. 253875

The clerk shall use reasonable diligence in ascertaining 253876
whether or not the facts in the application for a certificate of 253877
title are true by checking the application and documents 253878
accompanying it or the electronic record to which a dealer 253879
converted the application and accompanying documents with the 253880
records of motor vehicles in the clerk's office. If the clerk is 253881
satisfied that the applicant is the owner of the motor vehicle and 253882
that the application is in the proper form, the clerk, within five 253883
business days after the application is filed and except as 253884
provided in section 4505.021 of the Revised Code, shall issue a 253885
physical certificate of title over the clerk's signature and 253886

sealed with the clerk's seal, unless the applicant specifically 253887
requests the clerk not to issue a physical certificate of title 253888
and instead to issue an electronic certificate of title. For 253889
purposes of the transfer of a certificate of title, if the clerk 253890
is satisfied that the secured party has duly discharged a lien 253891
notation but has not canceled the lien notation with a clerk, the 253892
clerk may cancel the lien notation on the automated title 253893
processing system and notify the clerk of the county of origin. 253894

(4) In the case of the sale of a motor vehicle to a general 253895
buyer or user by a dealer, by a motor vehicle leasing dealer 253896
selling the motor vehicle to the lessee or, in a case in which the 253897
leasing dealer subleased the motor vehicle, the sublessee, at the 253898
end of the lease agreement or sublease agreement, or by a 253899
manufactured housing broker, the certificate of title shall be 253900
obtained in the name of the buyer by the dealer, leasing dealer, 253901
or manufactured housing broker, as the case may be, upon 253902
application signed by the buyer. The certificate of title shall be 253903
issued, or the process of entering the certificate of title 253904
application information into the automated title processing system 253905
if a physical certificate of title is not to be issued shall be 253906
completed, within five business days after the application for 253907
title is filed with the clerk. If the buyer of the motor vehicle 253908
previously leased the motor vehicle and is buying the motor 253909
vehicle at the end of the lease pursuant to that lease, the 253910
certificate of title shall be obtained in the name of the buyer by 253911
the motor vehicle leasing dealer who previously leased the motor 253912
vehicle to the buyer or by the motor vehicle leasing dealer who 253913
subleased the motor vehicle to the buyer under a sublease 253914
agreement. 253915

In all other cases, except as provided in section 4505.032 253916
and division (D)(2) of section 4505.11 of the Revised Code, such 253917
certificates shall be obtained by the buyer. 253918

(5)(a)(i) If the certificate of title is being obtained in the name of the buyer by a motor vehicle dealer or motor vehicle leasing dealer and there is a security interest to be noted on the certificate of title, the dealer or leasing dealer shall submit the application for the certificate of title and payment of the applicable tax to a clerk within seven business days after the later of the delivery of the motor vehicle to the buyer or the date the dealer or leasing dealer obtains the manufacturer's or importer's certificate, or certificate of title issued in the name of the dealer or leasing dealer, for the motor vehicle. Submission of the application for the certificate of title and payment of the applicable tax within the required seven business days may be indicated by postmark or receipt by a clerk within that period.

(ii) Upon receipt of the certificate of title with the security interest noted on its face, the dealer or leasing dealer shall forward the certificate of title to the secured party at the location noted in the financing documents or otherwise specified by the secured party.

(iii) A motor vehicle dealer or motor vehicle leasing dealer is liable to a secured party for a late fee of ten dollars per day for each certificate of title application and payment of the applicable tax that is submitted to a clerk more than seven business days but less than twenty-one days after the later of the delivery of the motor vehicle to the buyer or the date the dealer or leasing dealer obtains the manufacturer's or importer's certificate, or certificate of title issued in the name of the dealer or leasing dealer, for the motor vehicle and, from then on, twenty-five dollars per day until the application and applicable tax are submitted to a clerk.

(b) In all cases of transfer of a motor vehicle except the transfer of a manufactured home or mobile home, the application for certificate of title shall be filed within thirty days after

the assignment or delivery of the motor vehicle. 253951

(c) An application for a certificate of title for a new 253952
manufactured home shall be filed within thirty days after the 253953
delivery of the new manufactured home to the purchaser. The date 253954
of the delivery shall be the date on which an occupancy permit for 253955
the manufactured home is delivered to the purchaser of the home by 253956
the appropriate legal authority. 253957

(d) An application for a certificate of title for a used 253958
manufactured home or a used mobile home shall be filed as follows: 253959

(i) If a certificate of title for the used manufactured home 253960
or used mobile home was issued to the motor vehicle dealer prior 253961
to the sale of the manufactured or mobile home to the purchaser, 253962
the application for certificate of title shall be filed within 253963
thirty days after the date on which an occupancy permit for the 253964
manufactured or mobile home is delivered to the purchaser by the 253965
appropriate legal authority. 253966

(ii) If the motor vehicle dealer has been designated by a 253967
secured party to display the manufactured or mobile home for sale, 253968
or to sell the manufactured or mobile home under section 4505.20 253969
of the Revised Code, but the certificate of title has not been 253970
transferred by the secured party to the motor vehicle dealer, and 253971
the dealer has complied with the requirements of division (A) of 253972
section 4505.181 of the Revised Code, the application for 253973
certificate of title shall be filed within thirty days after the 253974
date on which the motor vehicle dealer obtains the certificate of 253975
title for the home from the secured party or the date on which an 253976
occupancy permit for the manufactured or mobile home is delivered 253977
to the purchaser by the appropriate legal authority, whichever 253978
occurs later. 253979

(6) If an application for a certificate of title is not filed 253980
within the period specified in division (A)(5)(b), (c), or (d) of 253981

this section, the clerk shall collect a fee of five dollars for 253982
the issuance of the certificate, except that no such fee shall be 253983
required from a motor vehicle salvage dealer, as defined in 253984
division (A) of section 4738.01 of the Revised Code, who 253985
immediately surrenders the certificate of title for cancellation. 253986
The fee shall be in addition to all other fees established by this 253987
chapter, and shall be retained by the clerk. The registrar shall 253988
provide, on the certificate of title form prescribed by section 253989
4505.07 of the Revised Code, language necessary to give evidence 253990
of the date on which the assignment or delivery of the motor 253991
vehicle was made. 253992

(7) As used in division (A) of this section, "lease 253993
agreement," "lessee," and "sublease agreement" have the same 253994
meanings as in section 4505.04 of the Revised Code and "new 253995
manufactured home," "used manufactured home," and "used mobile 253996
home" have the same meanings as in section 5739.0210 of the 253997
Revised Code. 253998

(B)(1) The clerk, except as provided in this section, shall 253999
refuse to accept for filing any application for a certificate of 254000
title and shall refuse to issue a certificate of title unless the 254001
dealer or the applicant, in cases in which the certificate shall 254002
be obtained by the buyer, submits with the application payment of 254003
the tax levied by or pursuant to Chapters 5739. and 5741. of the 254004
Revised Code based on the purchaser's county of residence. Upon 254005
payment of the tax in accordance with division (E) of this 254006
section, the clerk shall issue a receipt prescribed by the 254007
registrar and agreed upon by the tax commissioner showing payment 254008
of the tax or a receipt issued by the commissioner showing the 254009
payment of the tax. When submitting payment of the tax to the 254010
clerk, a dealer shall retain any discount to which the dealer is 254011
entitled under section 5739.12 of the Revised Code. 254012

(2) For receiving and disbursing such taxes paid to the clerk 254013

by a resident of the clerk's county, the clerk may retain a 254014
poundage fee of one and one one-hundredth per cent, and the clerk 254015
shall pay the poundage fee into the certificate of title 254016
administration fund created by section 325.33 of the Revised Code. 254017
The clerk shall not retain a poundage fee from payments of taxes 254018
by persons who do not reside in the clerk's county. 254019

A clerk, however, may retain from the taxes paid to the clerk 254020
an amount equal to the poundage fees associated with certificates 254021
of title issued by other clerks of courts of common pleas to 254022
applicants who reside in the first clerk's county. The registrar, 254023
in consultation with the tax commissioner and the clerks of the 254024
courts of common pleas, shall develop a report from the automated 254025
title processing system that informs each clerk of the amount of 254026
the poundage fees that the clerk is permitted to retain from those 254027
taxes because of certificates of title issued by the clerks of 254028
other counties to applicants who reside in the first clerk's 254029
county. 254030

(3) In the case of casual sales of motor vehicles, as defined 254031
in section 4517.01 of the Revised Code, the price for the purpose 254032
of determining the tax shall be the purchase price on the assigned 254033
certificate of title, or assignment form prescribed by the 254034
registrar, executed by the seller and filed with the clerk by the 254035
buyer on a form to be prescribed by the registrar, which shall be 254036
prima-facie evidence of the amount for the determination of the 254037
tax. 254038

(4) Each county clerk shall forward to the ~~treasurer of state~~ 254039
registrar of motor vehicles all sales and use tax collections 254040
resulting from sales of motor vehicles, off-highway motorcycles, 254041
and all-purpose vehicles during a calendar week on or before the 254042
Friday following the close of that week. If, on any Friday, the 254043
offices of the clerk of courts or the state are not open for 254044
business, the tax shall be forwarded to the ~~treasurer of state~~ 254045

registrar on or before the next day on which the offices are open. 254046
Every remittance of tax under division (B)(4) of this section 254047
shall be accompanied by a remittance report in such form as the 254048
tax commissioner prescribes. Upon receipt of a tax remittance and 254049
remittance report, the ~~treasurer of state~~ registrar shall date 254050
stamp the report and forward it to the tax commissioner. If the 254051
tax due for any week is not remitted by a clerk of courts as 254052
required under division (B)(4) of this section, the commissioner 254053
may require the clerk to forfeit the poundage fees for the sales 254054
made during that week. The ~~treasurer of state~~ registrar may 254055
require the clerks of courts to transmit tax collections and 254056
remittance reports electronically. 254057

(C)(1) If the transferor indicates on the certificate of 254058
title that the odometer reflects mileage in excess of the designed 254059
mechanical limit of the odometer, the clerk shall enter the phrase 254060
"exceeds mechanical limits" following the mileage designation. If 254061
the transferor indicates on the certificate of title that the 254062
odometer reading is not the actual mileage, the clerk shall enter 254063
the phrase "nonactual: warning - odometer discrepancy" following 254064
the mileage designation. The clerk shall use reasonable care in 254065
transferring the information supplied by the transferor, but is 254066
not liable for any errors or omissions of the clerk or those of 254067
the clerk's deputies in the performance of the clerk's duties 254068
created by this chapter. 254069

The registrar shall prescribe an affidavit in which the 254070
transferor shall swear to the true selling price and, except as 254071
provided in this division, the true odometer reading of the motor 254072
vehicle. The registrar may prescribe an affidavit in which the 254073
seller and buyer provide information pertaining to the odometer 254074
reading of the motor vehicle in addition to that required by this 254075
section, as such information may be required by the United States 254076
secretary of transportation by rule prescribed under authority of 254077

subchapter IV of the "Motor Vehicle Information and Cost Savings Act," 86 Stat. 961 (1972), 15 U.S.C. 1981. 254078
254079

(2) Division (C)(1) of this section does not require the 254080
giving of information concerning the odometer and odometer reading 254081
of a motor vehicle when ownership of a motor vehicle is being 254082
transferred as a result of a bequest, under the laws of intestate 254083
succession, to a survivor pursuant to section 2106.18, 2131.12, or 254084
4505.10 of the Revised Code, to a transfer-on-death beneficiary or 254085
beneficiaries pursuant to section 2131.13 of the Revised Code, in 254086
connection with the creation of a security interest or for a 254087
vehicle with a gross vehicle weight rating of more than sixteen 254088
thousand pounds. 254089

(D) When the transfer to the applicant was made in some other 254090
state or in interstate commerce, the clerk, except as provided in 254091
this section, shall refuse to issue any certificate of title 254092
unless the tax imposed by or pursuant to Chapter 5741. of the 254093
Revised Code based on the purchaser's county of residence has been 254094
paid as evidenced by a receipt issued by the tax commissioner, or 254095
unless the applicant submits with the application payment of the 254096

this section. 254847

If the tax in each of two consecutive years is less than 254848
fifty thousand dollars, the public utility is relieved of the 254849
requirement to remit taxes ~~by electronic funds transfer~~ 254850
electronically for the year that next follows the second of the 254851
consecutive years in which the tax certified is less than fifty 254852
thousand dollars, and is relieved of that requirement for each 254853
succeeding year unless the tax in a subsequent year equals or 254854
exceeds fifty thousand dollars. 254855

(B) The tax commissioner shall notify each public utility 254856
required by this section or section 5727.25 of the Revised Code to 254857
remit taxes ~~by electronic funds transfer~~ electronically of the 254858
public utility's obligation to do so ~~and shall maintain an updated~~ 254859

~~list of those public utilities. Failure by the tax commissioner to~~ 254860
~~notify a public utility subject to this section to remit taxes by~~ 254861
~~electronic funds transfer electronically does not relieve the~~ 254862
~~public utility of its obligation to remit taxes by ~~electronic~~~~ 254863
~~funds transfer in that manner.~~ 254864

(C) Public utilities required by this section or section 254865
5727.25 of the Revised Code to remit periodic payments ~~by~~ 254866
~~electronic funds transfer electronically shall remit such payments~~ 254867
~~to the treasurer of state in the manner prescribed by rules~~ 254868
~~adopted by the treasurer of state under section 113.061 of the~~ 254869
~~Revised Code in the manner prescribed by the tax commissioner. The~~ 254870
~~electronic payment of public utility excise taxes ~~by electronic~~~~ 254871
~~funds transfer does not affect a public utility's obligation to~~ 254872
~~file the annual statement and periodic reports in the manner and~~ 254873
~~at the times prescribed by section 5727.31 of the Revised Code.~~ 254874

A public utility required by this section or section 5727.25 254875
of the Revised Code to remit taxes ~~by electronic funds transfer~~ 254876
~~electronically may apply to the tax commissioner in the manner~~ 254877
~~prescribed by the commissioner to be excused from that~~ 254878
~~requirement. The commissioner may excuse the public utility from~~ 254879
~~electronic remittance ~~by electronic funds transfer~~ for good cause~~ 254880
~~shown for the period of time requested by the public utility or~~ 254881
~~for a portion of that period. The commissioner shall notify the~~ 254882
~~public utility of the commissioner's decision as soon as is~~ 254883
~~practicable.~~ 254884

(D) If a public utility required by this section or section 254885
5727.25 of the Revised Code to remit taxes ~~by electronic funds~~ 254886
~~transfer electronically remits those taxes by some means other~~ 254887
~~than ~~by electronic funds transfer~~ electronically as prescribed by~~ 254888
~~this section and the rules adopted by the treasurer of state, and~~ 254889
~~the tax commissioner determines that the failure to remit taxes as~~ 254890
~~required was not due to reasonable cause or was due to willful~~ 254891

neglect, the commissioner may impose an additional charge on the 254892
public utility equal to five per cent of the amount of the taxes 254893
required to be paid ~~by electronic funds transfer~~ electronically, 254894
but not to exceed five thousand dollars. Any additional charge 254895
imposed under this section is in addition to any other penalty or 254896
charge imposed under this chapter, and shall be considered as 254897
revenue arising from excise taxes imposed by this chapter. 254898

No additional charge shall be assessed under this division 254899
against a public utility that has been notified of its obligation 254900
to remit taxes electronically under this section and that remits 254901
its first two tax payments after such notification by some other 254902
means ~~other than electronic funds transfer~~. The additional charge 254903
may be assessed upon the remittance of any subsequent tax payment 254904
that the public utility remits by some means other than ~~electronic~~ 254905
~~funds transfer~~ electronically. 254906

Sec. 5727.42. (A) ~~The treasurer of state shall notify the tax~~ 254907
~~commissioner of any payment of the excise tax imposed by section~~ 254908
~~5727.30 of the Revised Code. The tax~~ commissioner shall collect 254909
the excise tax imposed by section 5727.30 of the Revised Code and 254910
the taxpayer shall pay all taxes and any penalties thereon. 254911
Payments of the tax may be made by mail, in person, ~~by electronic~~ 254912
~~funds transfer~~ electronically if required to do so by section 254913
5727.311 of the Revised Code, or by any other means authorized by 254914
the commissioner. The commissioner may adopt rules concerning the 254915
methods and timeliness of payment. 254916

(B) Each tax assessment issued pursuant to this section shall 254917
separately reflect the taxes and any penalty due, and any other 254918
information considered necessary. The commissioner shall mail the 254919
assessment to the taxpayer, and the mailing of it shall be 254920
prima-facie evidence of receipt thereof by the taxpayer. 254921

(C) The commissioner shall refund taxes levied and payments 254922

made for the tax imposed by section 5727.30 of the Revised Code as 254923
provided in this section, but no refund shall be made to a 254924
taxpayer having a delinquent claim certified pursuant to this 254925
section that remains unpaid. The commissioner may consult the 254926
attorney general regarding such claims. 254927

(D) After receiving any excise tax annual statement for the 254928
tax imposed by section 5727.30 of the Revised Code, the 254929
commissioner shall: 254930

(1) Ascertain the difference between the total taxes owed and 254931
the sum of all payments made for that year. 254932

(2) If the difference is a deficiency, the commissioner shall 254933
issue an assessment. 254934

(3) If the difference is an excess, the commissioner shall 254935
~~notify the director of budget and management and~~ issue a refund of 254936
that amount to the taxpayer. If the amount of the refund is less 254937
than that claimed by the taxpayer, the taxpayer, within sixty days 254938
of the issuance of the refund, may provide to the commissioner 254939
additional information to support the claim or may request a 254940
hearing. Upon receiving such information or request within that 254941
time, the commissioner shall follow the same procedures set forth 254942
in divisions (C) and (D) of section 5703.70 of the Revised Code 254943
for the determination of refund applications. 254944

If the taxpayer has a deficiency for one tax year and an 254945
excess for another tax year, or any combination thereof for more 254946
than two years, the commissioner may determine the net result and, 254947
depending on such result, proceed to issue an assessment or 254948
certify a refund. 254949

(E) If a taxpayer fails to pay the amount of taxes required 254950
to be paid, or fails to make an estimated payment on or before the 254951
due date prescribed in division (B) of section 5727.31 of the 254952
Revised Code, the commissioner shall impose a penalty in the 254953

amount of fifteen per cent of the unpaid amount, and the 254954
commissioner shall issue an assessment for the unpaid amount and 254955
penalty. Unless a timely petition for reassessment is filed under 254956
section 5727.47 of the Revised Code, the attorney general shall 254957
proceed to collect the delinquent taxes and penalties thereon in 254958
the manner prescribed by law and notify the commissioner of all 254959
collections. 254960

Sec. 5727.47. (A) Notice of each assessment certified or 254961
issued pursuant to section 5727.23 or 5727.38 of the Revised Code 254962
shall be mailed to the public utility, and its mailing shall be 254963
prima-facie evidence of its receipt by the public utility to which 254964
it is addressed. With the notice, the tax commissioner shall 254965
provide instructions on how to petition for reassessment and 254966
request a hearing on the petition. If a public utility objects to 254967
such an assessment, it may file with the commissioner, either 254968
personally or by certified mail, within sixty days after the 254969
mailing of the notice of assessment a written petition for 254970
reassessment signed by the utility's authorized agent having 254971
knowledge of the facts. The date the commissioner receives the 254972
petition shall be considered the date of filing. The petition 254973
shall indicate the utility's objections, but additional objections 254974
may be raised in writing if received by the commissioner prior to 254975
the date shown on the final determination. 254976

In the case of a petition seeking a reduction in taxable 254977
value filed with respect to an assessment certified under section 254978
5727.23 of the Revised Code, the petitioner shall state in the 254979
petition the total amount of reduction in taxable value sought by 254980
the petitioner. If the petitioner objects to the percentage of 254981
true value at which taxable property is assessed by the 254982
commissioner, the petitioner shall state in the petition the total 254983
amount of reduction in taxable value sought both with and without 254984
regard to the objection pertaining to the percentage of true value 254985

at which its taxable property is assessed. If a petitioner objects 254986
to the commissioner's apportionment of the taxable value of the 254987
petitioner's taxable property, the petitioner shall distinctly 254988
state in the petition that the petitioner objects to the 254989
commissioner's apportionment, and, within forty-five days after 254990
filing the petition for reassessment, shall submit the 254991
petitioner's proposed apportionment of the taxable value of its 254992
taxable property among taxing districts. If a petitioner that 254993
objects to the commissioner's apportionment fails to state its 254994
objections to that apportionment in its petition for reassessment 254995
or fails to submit its proposed apportionment within forty-five 254996
days after filing the petition for reassessment, the commissioner 254997
shall dismiss the petitioner's objection to the commissioner's 254998
apportionment, and the taxable value of the petitioner's taxable 254999
property, subject to any adjustment to taxable value pursuant to 255000
the petition or appeal, shall be apportioned in the manner used by 255001
the commissioner in the preliminary or amended preliminary 255002
assessment certified under section 5727.23 of the Revised Code. 255003

If an additional objection seeking a reduction in taxable 255004
value in excess of the reduction stated in the original petition 255005
is properly and timely raised with respect to an assessment issued 255006
under section 5727.23 of the Revised Code, the petitioner shall 255007
state the total amount of the reduction in taxable value sought in 255008
the additional objection both with and without regard to any 255009
reduction in taxable value pertaining to the percentage of true 255010
value at which taxable property is assessed. If a petitioner fails 255011
to state the reduction in taxable value sought in the original 255012
petition or in additional objections properly raised after the 255013
petition is filed, the commissioner shall notify the petitioner of 255014
the failure ~~by certified mail~~ in the manner provided in section 255015
5703.37 of the Revised Code. If the petitioner fails to notify the 255016
commissioner in writing of the reduction in taxable value sought 255017
in the petition or in an additional objection within thirty days 255018

after receiving the commissioner's notice, the commissioner shall 255019
dismiss the petition or the additional objection in which that 255020
reduction is sought. 255021

(B)(1) Subject to divisions (B)(2) and (3) of this section, a 255022
public utility filing a petition for reassessment regarding an 255023
assessment certified or issued under section 5727.23 or 5727.38 of 255024
the Revised Code shall pay the tax with respect to the assessment 255025
objected to as required by law. The acceptance of any tax payment 255026
by the ~~treasurer of state~~, tax commissioner, or any county 255027
treasurer shall not prejudice any claim for taxes on final 255028
determination by the commissioner or final decision by the board 255029
of tax appeals or any court. 255030

(2) If a public utility properly and timely files a petition 255031
for reassessment regarding an assessment certified under section 255032
5727.23 of the Revised Code, the petitioner shall pay the tax as 255033
prescribed by divisions (B)(2)(a), (b), and (c) of this section: 255034

(a) If the petitioner does not object to the commissioner's 255035
apportionment of the taxable value of the petitioner's taxable 255036
property, the petitioner is not required to pay the part of the 255037
tax otherwise due on the taxable value that the petitioner seeks 255038
to have reduced, subject to division (B)(2)(c) of this section. 255039

(b) If the petitioner objects to the commissioner's 255040
apportionment of the taxable value of the petitioner's taxable 255041
property, the petitioner is not required to pay the tax otherwise 255042
due on the part of the taxable value apportioned to any taxing 255043
district that the petitioner objects to, subject to division 255044
(B)(2)(c) of this section. If, pursuant to division (A) of this 255045
section, the petitioner has, in a proper and timely manner, 255046
apportioned taxable value to a taxing district to which the 255047
commissioner did not apportion the petitioner's taxable value, the 255048
petitioner shall pay the tax due on the taxable value that the 255049
petitioner has apportioned to the taxing district, subject to 255050

division (B)(2)(c) of this section. 255051

(c) If a petitioner objects to the percentage of true value 255052
at which taxable property is assessed by the commissioner, the 255053
petitioner shall pay the tax due on the basis of the percentage of 255054
true value at which the public utility's taxable property is 255055
assessed by the commissioner. In any case, the petitioner's 255056
payment of tax shall not be less than the amount of tax due based 255057
on the taxable value reflected on the last appeal notice issued by 255058
the commissioner under division (C) of this section. Until the 255059
county auditor receives notification under division (E) of this 255060
section and proceeds under section 5727.471 of the Revised Code to 255061
issue any refund that is found to be due, the county auditor shall 255062
not issue a refund for any increase in the reduction in taxable 255063
value that is sought by a petitioner later than forty-five days 255064
after the petitioner files the original petition as required under 255065
division (A) of this section. 255066

(3) Any part of the tax that, under division (B)(2)(a) or (b) 255067
of this section, is not paid shall be collected upon receipt of 255068
the notification as provided in section 5727.471 of the Revised 255069
Code with interest thereon computed in the same manner as interest 255070
is computed under division (E) of section 5715.19 of the Revised 255071
Code, subject to any correction of the assessment by the 255072
commissioner under division (E) of this section or the final 255073
judgment of the board of tax appeals or a court to which the 255074
board's final judgment is appealed. The penalty imposed under 255075
section 323.121 of the Revised Code shall apply only to the unpaid 255076
portion of the tax if the petitioner's tax payment is less than 255077
the amount of tax due based on the taxable value reflected on the 255078
last appeal notice issued by the commissioner under division (C) 255079
of this section. 255080

(C) Upon receipt of a properly filed petition for 255081
reassessment with respect to an assessment certified under section 255082

5727.23 of the Revised Code, the tax commissioner shall notify the 255083
treasurer of state or the auditor of each county to which the 255084
assessment objected to has been certified. In the case of a 255085
petition with respect to an assessment certified under section 255086
5727.23 of the Revised Code, the commissioner shall issue an 255087
appeal notice within thirty days after receiving the amount of the 255088
taxable value reduction and apportionment changes sought by the 255089
petitioner in the original petition or in any additional 255090
objections properly and timely raised by the petitioner. The 255091
appeal notice shall indicate the amount of the reduction in 255092
taxable value sought in the petition or in the additional 255093
objections and the extent to which the reduction in taxable value 255094
and any change in apportionment requested by the petitioner would 255095
affect the commissioner's apportionment of the taxable value among 255096
taxing districts in the county as shown in the assessment. If a 255097
petitioner is seeking a reduction in taxable value on the basis of 255098
a lower percentage of true value than the percentage at which the 255099
commissioner assessed the petitioner's taxable property, the 255100
appeal notice shall indicate the reduction in taxable value sought 255101
by the petitioner without regard to the reduction sought on the 255102
basis of the lower percentage and shall indicate that the 255103
petitioner is required to pay tax on the reduced taxable value 255104
determined without regard to the reduction sought on the basis of 255105
a lower percentage of true value, as provided under division 255106
(B)(2)(c) of this section. The appeal notice shall include a 255107
statement that the reduced taxable value and the apportionment 255108
indicated in the notice are not final and are subject to 255109
adjustment by the commissioner or by the board of tax appeals or a 255110
court on appeal. If the commissioner finds an error in the appeal 255111
notice, the commissioner may amend the notice, but the notice is 255112
only for informational and tax payment purposes; the notice is not 255113
subject to appeal by any person. The commissioner also shall mail 255114
a copy of the appeal notice to the petitioner. Upon the request of 255115

a taxing authority, the county auditor may disclose to the taxing 255116
authority the extent to which a reduction in taxable value sought 255117
by a petitioner would affect the apportionment of taxable value to 255118
the taxing district or districts under the taxing authority's 255119
jurisdiction, but such a disclosure does not constitute a notice 255120
required by law to be given for the purpose of section 5717.02 of 255121
the Revised Code. 255122

(D) If the petitioner requests a hearing on the petition, the 255123
tax commissioner shall assign a time and place for the hearing on 255124
the petition and notify the petitioner of such time and place, but 255125
the commissioner may continue the hearing from time to time as 255126
necessary. 255127

(E) The tax commissioner may make corrections to the 255128
assessment as the commissioner finds proper. The commissioner 255129
shall serve a copy of the commissioner's final determination on 255130
the petitioner in the manner provided in section 5703.37 of the 255131
Revised Code. The commissioner's decision in the matter shall be 255132
final, subject to appeal under section 5717.02 of the Revised 255133
Code. With respect to a final determination issued for an 255134
assessment certified under section 5727.23 of the Revised Code, 255135
the commissioner also shall transmit a copy of the final 255136
determination to the applicable county auditor. In the absence of 255137
any further appeal, or when a decision of the board of tax appeals 255138
or of any court to which the decision has been appealed becomes 255139
final, the commissioner shall notify the public utility and, as 255140
appropriate, shall proceed under section 5727.42 of the Revised 255141
Code, or notify the applicable county auditor, who shall proceed 255142
under section 5727.471 of the Revised Code. 255143

The notification made under this division is not subject to 255144
further appeal. 255145

(F) On appeal, no adjustment shall be made in the tax 255146
commissioner's assessment certified under section 5727.23 of the 255147

Revised Code that reduces the taxable value of a petitioner's 255148
taxable property by an amount that exceeds the reduction sought by 255149
the petitioner in its petition for reassessment or in any 255150
additional objections properly and timely raised after the 255151
petition is filed with the commissioner. 255152

Sec. 5727.53. The taxes, fees, and penalties provided by this 255153
chapter that are remitted to the ~~treasurer of state tax~~ 255154
commissioner may be recovered by an action brought in the name of 255155
the state in the court of common pleas of Franklin county, or of 255156
any county in which such public utility is doing business, or in 255157
which the line of any railroad company is located, and such court 255158
of common pleas shall have jurisdiction of the action regardless 255159
of the amount involved. The attorney general, on request of the 255160
tax commissioner, shall institute such action in the court of 255161
common pleas of Franklin county or of any of such counties the 255162
commissioner directs. Sums recovered in any such action shall be 255163
paid into the state treasury in the same manner as the tax. 255164

Sec. 5727.81. (A) For the purpose of raising revenue to fund 255165
the needs of this state and its local governments, an excise tax 255166
is hereby levied and imposed on an electric distribution company 255167
for all electricity distributed by such company at the following 255168
rates per kilowatt hour of electricity distributed in a thirty-day 255169
period by the company through a meter of an end user in this 255170
state: 255171

KILOWATT HOURS DISTRIBUTED	RATE PER	
TO AN END USER	KILOWATT HOUR	
For the first 2,000	\$.00465	255174
For the next 2,001 to 15,000	\$.00419	255175
For 15,001 and above	\$.00363	255176

If no meter is used to measure the kilowatt hours of 255177
electricity distributed by the company, the rates shall apply to 255178

the estimated kilowatt hours of electricity distributed to an 255179
unmetered location in this state. 255180

The electric distribution company shall base the monthly tax 255181
on the kilowatt hours of electricity distributed to an end user 255182
through the meter of the end user that is not measured for a 255183
thirty-day period by dividing the days in the measurement period 255184
into the total kilowatt hours measured during the measurement 255185
period to obtain a daily average usage. The tax shall be 255186
determined by obtaining the sum of divisions (A)(1), (2), and (3) 255187
of this section and multiplying that amount by the number of days 255188
in the measurement period: 255189

(1) Multiplying \$0.00465 per kilowatt hour for the first 255190
sixty-seven kilowatt hours distributed using a daily average; 255191

(2) Multiplying \$0.00419 for the next sixty-eight to five 255192
hundred kilowatt hours distributed using a daily average; 255193

(3) Multiplying \$0.00363 for the remaining kilowatt hours 255194
distributed using a daily average. 255195

Except as provided in division (C) of this section, the 255196
electric distribution company shall pay the tax to the tax 255197
commissioner in accordance with section 5727.82 of the Revised 255198
Code, unless required to remit each tax payment ~~by electronic~~ 255199
~~funds transfer to the treasurer of state~~ electronically in 255200
accordance with section 5727.83 of the Revised Code. 255201

Only the distribution of electricity through a meter of an 255202
end user in this state shall be used by the electric distribution 255203
company to compute the amount or estimated amount of tax due. In 255204
the event a meter is not actually read for a measurement period, 255205
the estimated kilowatt hours distributed by an electric 255206
distribution company to bill for its distribution charges shall be 255207
used. 255208

(B) Except as provided in division (C) of this section, each 255209

electric distribution company shall pay the tax imposed by this section in all of the following circumstances:

(1) The electricity is distributed by the company through a meter of an end user in this state;

(2) The company is distributing electricity through a meter located in another state, but the electricity is consumed in this state in the manner prescribed by the tax commissioner;

(3) The company is distributing electricity in this state without the use of a meter, but the electricity is consumed in this state as estimated and in the manner prescribed by the tax commissioner.

(C)(1) As used in division (C) of this section:

(a) "Total price of electricity" means the aggregate value in money of anything paid or transferred, or promised to be paid or transferred, to obtain electricity or electric service, including but not limited to the value paid or promised to be paid for the transmission or distribution of electricity and for transition costs as described in Chapter 4928. of the Revised Code.

(b) "Package" means the provision or the acquisition, at a combined price, of electricity with other services or products, or any combination thereof, such as natural gas or other fuels; energy management products, software, and services; machinery and equipment acquisition; and financing agreements.

(c) "Single location" means a facility located on contiguous property separated only by a roadway, railway, or waterway.

(2) Division (C) of this section applies to any commercial or industrial purchaser's receipt of electricity through a meter of an end user in this state or through more than one meter at a single location in this state in a quantity that exceeds forty-five million kilowatt hours of electricity over the course

of the preceding calendar year, or any commercial or industrial 255240
purchaser that will consume more than forty-five million kilowatt 255241
hours of electricity over the course of the succeeding twelve 255242
months as estimated by the tax commissioner. The tax commissioner 255243
shall make such an estimate upon the written request by an 255244
applicant for registration as a self-assessing purchaser under 255245
this division. ~~For the meter reading period including July 1,~~ 255246
~~2008, through the meter reading period including December 31,~~ 255247

~~that meter or location equal to three and one half per cent. For~~ 255253
~~the meter reading period including January 1, 2011, and~~ 255254
~~thereafter, such~~ Such a purchaser may elect to self-assess the 255255
excise tax imposed by this section at the rate of \$.00257 per 255256
kilowatt hour for the first five hundred million kilowatt hours, 255257
and \$.001832 per kilowatt hour for each kilowatt hour in excess of 255258
five hundred million kilowatt hours, distributed to that meter or 255259
location during the registration year. 255260

A qualified end user that receives electricity through a 255261
meter of an end user in this state or through more than one meter 255262
at a single location in this state and that consumes, over the 255263
course of the previous calendar year, more than forty-five million 255264
kilowatt hours in other than its qualifying manufacturing process, 255265
may elect to self-assess the tax as allowed by this division with 255266
respect to the electricity used in other than its qualifying 255267
manufacturing process. 255268

Payment of the tax shall be made directly to the tax 255269
commissioner in accordance with divisions (A)(4) and (5) of 255270
section 5727.82 of the Revised Code, or ~~the treasurer of state~~ in 255271

accordance with section 5727.83 of the Revised Code. If the 255272
electric distribution company serving the self-assessing purchaser 255273
is a municipal electric utility and the purchaser is within the 255274
municipal corporation's corporate limits, payment shall be made to 255275
such municipal corporation's general fund and reports shall be 255276
filed in accordance with divisions (A)(4) and (5) of section 255277
5727.82 of the Revised Code, except that "municipal corporation" 255278
shall be substituted for "~~treasurer of state~~" and "tax 255279
commissioner." A self-assessing purchaser that pays the excise tax 255280
as provided in this division shall not be required to pay the tax 255281
to the electric distribution company from which its electricity is 255282
distributed. If a self-assessing purchaser's receipt of 255283
electricity is not subject to the tax as measured under this 255284
division, the tax on the receipt of such electricity shall be 255285
measured and paid as provided in division (A) of this section. 255286

(3) In the case of the acquisition of a package, unless the 255287
elements of the package are separately stated isolating the total 255288
price of electricity from the price of the remaining elements of 255289
the package, the tax imposed under this section applies to the 255290
entire price of the package. If the elements of the package are 255291
separately stated, the tax imposed under this section applies to 255292
the total price of the electricity. 255293

(4) Any electric supplier that sells electricity as part of a 255294
package shall separately state to the purchaser the total price of 255295
the electricity and, upon request by the tax commissioner, the 255296
total price of each of the other elements of the package. 255297

(5) The tax commissioner may adopt rules relating to the 255298
computation of the total price of electricity with respect to 255299
self-assessing purchasers, which may include rules to establish 255300
the total price of electricity purchased as part of a package. 255301

(6) An annual application for registration as a 255302
self-assessing purchaser shall be made for each qualifying meter 255303

or location on a form prescribed by the tax commissioner. The 255304
registration year begins on the first day of May and ends on the 255305
following thirtieth day of April. Persons may apply after the 255306
first day of May for the remainder of the registration year. In 255307
the case of an applicant applying on the basis of an estimated 255308
consumption of forty-five million kilowatt hours over the course 255309
of the succeeding twelve months, the applicant shall provide such 255310
information as the tax commissioner considers to be necessary to 255311
estimate such consumption. At the time of making the application 255312
and by the first day of May of each year, a self-assessing 255313
purchaser shall pay a fee of five hundred dollars to the tax 255314
commissioner, ~~or to the treasurer of state as provided in section~~ 255315
~~5727.83 of the Revised Code,~~ for each qualifying meter or 255316
location. The tax commissioner shall immediately pay to the 255317
treasurer of state all amounts that the tax commissioner receives 255318
under this section. The treasurer of state shall deposit such 255319
amounts into the kilowatt hour excise tax administration fund, 255320
which is hereby created in the state treasury. Money in the fund 255321
shall be used to defray the tax commissioner's cost in 255322
administering the tax owed under section 5727.81 of the Revised 255323
Code by self-assessing purchasers. After the application is 255324
approved by the tax commissioner, the registration shall remain in 255325
effect for the current registration year, or until canceled by the 255326
registrant upon written notification to the commissioner of the 255327
election to pay the tax in accordance with division (A) of this 255328
section, or until canceled by the tax commissioner for not paying 255329
the tax or fee under division (C) of this section or for not 255330
meeting the qualifications in division (C)(2) of this section. The 255331
tax commissioner shall give written notice to the electric 255332
distribution company from which electricity is delivered to a 255333
self-assessing purchaser of the purchaser's self-assessing status, 255334
and the electric distribution company is relieved of the 255335
obligation to pay the tax imposed by division (A) of this section 255336

for electricity distributed to that self-assessing purchaser until 255337
it is notified by the tax commissioner that the self-assessing 255338
purchaser's registration is canceled. Within fifteen days of 255339
notification of the canceled registration, the electric 255340
distribution company shall be responsible for payment of the tax 255341
imposed by division (A) of this section on electricity distributed 255342
to a purchaser that is no longer registered as a self-assessing 255343
purchaser. A self-assessing purchaser with a canceled registration 255344
must file a report and remit the tax imposed by division (A) of 255345
this section on all electricity it receives for any measurement 255346
period prior to the tax being reported and paid by the electric 255347
distribution company. A self-assessing purchaser whose 255348
registration is canceled by the tax commissioner is not eligible 255349
to register as a self-assessing purchaser for two years after the 255350
registration is canceled. 255351

(7) If the tax commissioner cancels the self-assessing 255352
registration of a purchaser registered on the basis of its 255353
estimated consumption because the purchaser does not consume at 255354
least forty-five million kilowatt hours of electricity over the 255355
course of the twelve-month period for which the estimate was made, 255356
the tax commissioner shall assess and collect from the purchaser 255357
the difference between (a) the amount of tax that would have been 255358
payable under division (A) of this section on the electricity 255359
distributed to the purchaser during that period and (b) the amount 255360
of tax paid by the purchaser on such electricity pursuant to 255361
division (C)(2) of this section. The assessment shall be paid 255362
within sixty days after the tax commissioner issues it, regardless 255363
of whether the purchaser files a petition for reassessment under 255364
section 5727.89 of the Revised Code covering that period. If the 255365
purchaser does not pay the assessment within the time prescribed, 255366
the amount assessed is subject to the additional charge and the 255367
interest prescribed by divisions (B) and (C) of section 5727.82 of 255368
the Revised Code, and is subject to assessment under section 255369

5727.89 of the Revised Code. If the purchaser is a qualified end user, division (C)(7) of this section applies only to electricity it consumes in other than its qualifying manufacturing process.

(D) The tax imposed by this section does not apply to:

(1) The distribution or obtaining of any kilowatt hours of electricity to or by any of the following:

(a) The federal government;

(b) An end user located at a federal facility that uses electricity for the enrichment of uranium;

(c) A qualified regeneration meter;

(d) An end user for any day the end user is a qualified end user;

(e) An end user if the electricity is generated by an electric generation facility that is primarily dedicated to providing electricity to the electric-consuming facilities of the end user, that is sized so as to not exceed one hundred per cent of the customer-generator's annual requirements for electric energy at the time of interconnection, that is physically interconnected and integrated with the electric-consuming facilities of the end user, and that is located on the same property on which the end user's electric-consuming facilities are situated or on property that is contiguous to the property on which the end user's electric-consuming facilities are situated.

(2) Kilowatt hours of electricity generated by a self-generator if the electric generating facility is sized so as not to exceed one hundred per cent of the customer-generator's annual requirements for electric energy at the time of interconnection.

The exemption under division (D)(1)(d) of this section for a qualified end user only applies to the manufacturing location

manufacturing process or where the qualified end user uses more 255401
than three million kilowatt hours per day in an electrochemical 255402
manufacturing process. As used in division (D) of this section, 255403
"customer-generator" and "self-generator" have the same meanings 255404
as in section 4928.01 of the Revised Code. 255405

(E) All revenue arising from the tax imposed by this section 255406
shall be credited to the general revenue fund except as provided 255407
by division (C) of this section and section 5727.82 of the Revised 255408
Code. 255409

Sec. 5727.811. (A) For the purpose of raising revenue to fund 255410
the needs of this state and its local governments, an excise tax 255411
is hereby levied on every natural gas distribution company for all 255412
natural gas volumes billed by, or on behalf of, the company 255413
~~beginning with the measurement period that includes July 1, 2001.~~ 255414
Except as provided in divisions (C) or (D) of this section, the 255415
tax shall be levied at the following rates per MCF of natural gas 255416
distributed by the company through a meter of an end user in this 255417
state: 255418

MCF DISTRIBUTED TO AN END USER	RATE PER MCF	
For the first 100 MCF per month	\$.1593	255420
For the next 101 to 2000 MCF per month	\$.0877	255421
For 2001 and above MCF per month	\$.0411	255422

If no meter is used to measure the MCF of natural gas 255423
distributed by the company, the rates shall apply to the estimated 255424
MCF of natural gas distributed to an unmetered location in this 255425
state. 255426

(B) A natural gas distribution company shall base the tax on 255427
the MCF of natural gas distributed to an end user through the 255428
meter of the end user in this state that is estimated to be 255429
consumed by the end user as reflected on the end user's customer 255430

statement from the natural gas distribution company. ~~Until January 1, 2003, the natural gas distribution company shall pay the tax levied by this section to the treasurer of state in accordance with section 5727.82 of the Revised Code. Beginning January 1, 2003, the~~ The natural gas distribution company shall pay the tax levied by this section to the tax commissioner in accordance with section 5727.82 of the Revised Code unless required to remit payment ~~to the treasurer of state~~ in accordance with section 5727.83 of the Revised Code.

(C) A natural gas distribution company with seventy thousand customers or less may elect to apply the rates specified in division (A) of this section to the aggregate of the natural gas distributed by the company through the meter of all its customers in this state, and upon such election, this method shall be used to determine the amount of tax to be paid by such company.

(D) A natural gas distribution company shall pay the tax imposed by this section at the rate of \$.02 per MCF of natural gas distributed by the company through the meter of a flex customer. The natural gas distribution company correspondingly shall reduce the per MCF rate that it charges the flex customer for natural gas distribution services by \$.02 per MCF of natural gas distributed to the flex customer.

(E) Except as provided in division (F) of this section, each natural gas distribution company shall pay the tax imposed by this section in all of the following circumstances:

(1) The natural gas is distributed by the company through a meter of an end user in this state;

(2) The natural gas distribution company is distributing natural gas through a meter located in another state, but the natural gas is consumed in this state in the manner prescribed by the tax commissioner;

(3) The natural gas distribution company is distributing 255462
natural gas in this state without the use of a meter, but the 255463
natural gas is consumed in this state as estimated and in the 255464
manner prescribed by the tax commissioner. 255465

(F) The tax levied by this section does not apply to the 255466
distribution of natural gas to the federal government, or natural 255467
gas produced by an end user in this state that is consumed by that 255468
end user or its affiliates and is not distributed through the 255469
facilities of a natural gas company. 255470

(G) All revenue arising from the tax imposed by this section 255471
shall be credited to the general revenue fund. 255472

Sec. 5727.82. (A)(1) Except as provided in divisions (A)(3) 255473
and (D) of this section, by the twentieth day of each month, each 255474
electric distribution company required to pay the tax imposed by 255475
section 5727.81 of the Revised Code shall file with the tax 255476
commissioner a return as prescribed by the tax commissioner and 255477
shall make payment of the full amount of tax due for the preceding 255478
month. ~~The first payment of this tax shall be made on or before~~ 255479
~~June 20, 2001.~~ The electric distribution company shall make 255480
payment to the tax commissioner unless required to remit ~~each tax~~ 255481
~~the payment by electronic funds transfer to the treasurer of state~~ 255482
~~electronically~~ as provided in section 5727.83 of the Revised Code. 255483

(2) By the twentieth day of May, August, November, and 255484
February, each natural gas distribution company required to pay 255485
the tax imposed by section 5727.811 of the Revised Code shall file 255486
with the tax commissioner a return as prescribed by the tax 255487
commissioner and shall make payment to the tax commissioner, ~~or to~~ 255488
~~the treasurer of state as provided in section 5727.83 of the~~ 255489
~~Revised Code,~~ of the full amount of tax due for the preceding 255490
quarter. ~~The first payment of this tax shall be made on or before~~ 255491
~~November 20, 2001, for the quarter ending September 30, 2001.~~ 255492

(3) If the electric distribution company required to pay the tax imposed by section 5727.81 of the Revised Code is a municipal electric utility, it may retain in its general fund that portion of the tax on the kilowatt hours distributed to end users located within the boundaries of the municipal corporation. However, the municipal electric utility shall make payment in accordance with division (A)(1) of this section of the tax due on the kilowatt hours distributed to end users located outside the boundaries of the municipal corporation.

(4) By the twentieth day of each month, each self-assessing purchaser that under division (C) of section 5727.81 of the Revised Code pays directly to the tax commissioner ~~or the treasurer of state~~ the tax imposed by section 5727.81 of the Revised Code shall file with the tax commissioner a return as prescribed by the tax commissioner and shall make payment of the full amount of the tax due for the preceding month.

(5) As prescribed by the tax commissioner, a return shall be signed by the company or self-assessing purchaser required to file it, or an authorized employee, officer, or agent of the company or purchaser. The return shall be deemed filed when received by the tax commissioner.

(B) Any natural gas distribution company, electric distribution company, or self-assessing purchaser required by this section to file a return who fails to file it and pay the tax within the period prescribed shall pay an additional charge of fifty dollars or ten per cent of the tax required to be paid for the reporting period, whichever is greater. The tax commissioner may collect the additional charge by assessment pursuant to section 5727.89 of the Revised Code. The commissioner may abate all or a portion of the additional charge and may adopt rules governing such abatements.

(C) If any tax due is not paid timely in accordance with this

section, the natural gas distribution company, electric 255525
distribution company, or self-assessing purchaser liable for the 255526
tax shall pay interest, calculated at the rate per annum 255527
prescribed by section 5703.47 of the Revised Code, from the date 255528
the tax payment was due to the date of payment or to the date an 255529
assessment is issued, whichever occurs first. Interest shall be 255530
paid in the same manner as the tax, and the commissioner may 255531
collect the interest by assessment pursuant to section 5727.89 of 255532
the Revised Code. 255533

(D) Not later than the tenth day of each month, a qualified 255534
end user not making the election to self-assess under division (C) 255535
of section 5727.81 of the Revised Code shall report in writing to 255536
the electric distribution company that distributes electricity to 255537
the end user the kilowatt hours that were consumed as a qualified 255538
end user in a qualifying manufacturing process for the prior month 255539
and the number of days, if any, on which the end user was not a 255540
qualified end user. For each calendar day during that month, a 255541
qualified end user shall report the kilowatt hours that were not 255542
used in a qualifying manufacturing process. For each calendar day 255543
the end user was not a qualified end user, the end user shall 255544
report in writing to the electric distribution company the total 255545
number of kilowatt hours used on that day, and the electric 255546
distribution company shall pay the tax imposed under section 255547
5727.81 of the Revised Code on each kilowatt hour that was not 255548
distributed to a qualified end user in a qualifying manufacturing 255549
process. The electric distribution company may rely in good faith 255550
on a qualified end user's report filed under this division. If it 255551
is determined that the end user was not a qualified end user for 255552
any calendar day or the quantity of electricity used by the 255553
qualified end user in a qualifying manufacturing process was 255554
overstated, the tax commissioner shall assess and collect any tax 255555
imposed under section 5727.81 of the Revised Code directly from 255556
the qualified end user. As requested by the commissioner, each end 255557

user reporting to an electric distribution company that it is a 255558
qualified end user shall provide documentation to the commissioner 255559
that establishes the volume of electricity consumed daily by the 255560
qualified end user and the total number of kilowatt hours consumed 255561
in a qualifying manufacturing process. 255562

~~(E) The tax commissioner shall immediately pay to the 255563
treasurer of state all amounts that the tax commissioner receives 255564
under this section. The treasurer of state shall credit such 255565
amounts in accordance with this chapter. 255566~~

Sec. 5727.83. (A) A natural gas distribution company, an 255567
electric distribution company, or a self-assessing purchaser shall 255568
remit each tax payment ~~by electronic funds transfer~~ electronically 255569
as prescribed by divisions (B) and (C) of this section. 255570

The tax commissioner shall notify each natural gas 255571
distribution company, electric distribution company, and 255572
self-assessing purchaser of the obligation to remit taxes ~~by~~ 255573
~~electronic funds transfer, shall maintain an updated list of those 255574
companies and purchasers, and shall timely certify to the 255575
treasurer of state the list and any additions thereto or deletions 255576
therefrom~~ electronically by using the Ohio business gateway, as 255577
defined in section 718.01 of the Revised Code, or another means of 255578
electronic payment. Failure by the ~~tax~~ commissioner to notify a 255579
company or self-assessing purchaser subject to this section to 255580
remit taxes ~~by electronic funds transfer~~ electronically does not 255581
relieve the company or self-assessing purchaser of its obligation 255582
to remit taxes in that manner. 255583

(B) A natural gas distribution company, an electric 255584
distribution company, or a self-assessing purchaser required by 255585
this section to remit payments ~~by electronic funds transfer~~ 255586
electronically shall remit such payments ~~to the treasurer of state 255587
in the manner prescribed by rules adopted by the treasurer of 255588~~

~~state under section 113.061 of the Revised Code, and on or before~~ 255589
~~the dates specified under section 5727.82 of the Revised Code. The~~ 255590
~~payment of taxes by electronic funds transfer~~ electronically does 255591
not affect a company's or self-assessing purchaser's obligation to 255592
file a return as required under section 5727.82 of the Revised 255593
Code. 255594

(C) A natural gas distribution company, an electric 255595
distribution company, or a self-assessing purchaser required by 255596
this section to remit taxes ~~by electronic funds transfer~~ 255597
electronically may apply to the ~~treasurer of state tax~~ 255598
commissioner in the manner prescribed by the ~~treasurer of state~~ 255599
commissioner to be excused from that requirement. The ~~treasurer of~~ 255600
~~state commissioner~~ may excuse the company or self-assessing 255601
purchaser from electronic remittance ~~by electronic funds transfer~~ 255602
for good cause shown for the period of time requested by the 255603
company or self-assessing purchaser or for a portion of that 255604
period. The ~~treasurer of state commissioner~~ shall notify the ~~tax~~ 255605
~~commissioner and the~~ company or self-assessing purchaser of the 255606
~~treasurer of state's~~ commissioner's decision as soon as is 255607
practicable. 255608

(D) If a natural gas distribution company, an electric 255609
distribution company, or a self-assessing purchaser required by 255610
this section to remit taxes ~~by electronic funds transfer~~ 255611
electronically remits those taxes by some means other than ~~by~~ 255612

section ~~and the rules adopted by the treasurer of state, and the~~ 255614
~~treasurer of state tax commissioner~~ determines that such failure 255615
was not due to reasonable cause or was due to willful neglect, the 255616

~~failure to remit by electronic funds transfer and shall provide~~ 255618
~~the commissioner with any information used in making that~~ 255619
~~determination. The tax commissioner may collect an additional~~ 255620

charge by assessment in the manner prescribed by section 5727.89 255621
of the Revised Code. The additional charge shall equal five per 255622
cent of the amount of the taxes required to be paid ~~by electronic~~ 255623
~~funds transfer~~ electronically, but shall not exceed five thousand 255624
dollars. Any additional charge assessed under this section is in 255625
addition to any other penalty or charge imposed under this 255626
chapter, and shall be considered as revenue arising from the tax 255627
imposed under this chapter. The tax commissioner may abate all or 255628
a portion of such a charge and may adopt rules governing such 255629
abatements. 255630

No additional charge shall be assessed under this division 255631
against a natural gas distribution company, an electric 255632
distribution company, or a self-assessing purchaser that has been 255633
notified of its obligation to remit taxes electronically under 255634
this section and that remits its first two tax payments after such 255635
notification by some other means ~~other than electronic funds~~ 255636

remittance of any subsequent tax payment that the company or 255638
purchaser remits by some means other than ~~electronic funds~~ 255639

~~payment for tax year 1994 to the treasurer of state by electronic~~ 255646
~~funds transfer as prescribed by divisions (B) and (C) of this~~ 255647
~~section. Subject to division (C) of this section, if a taxpayer's~~ 255648
~~total liability for taxes, after reduction for all nonrefundable~~ 255649
~~credits allowed the taxpayer, exceeds one hundred thousand dollars~~ 255650
~~for tax year 1993, the taxpayer shall remit each tax payment for~~ 255651
~~tax year 1995 by electronic funds transfer as prescribed by~~ 255652

~~divisions (B) and (C) of this section. If a taxpayer's total~~ 255653
~~liability for taxes, after reduction for all nonrefundable credits~~ 255654
~~allowed the taxpayer, exceeds seventy five thousand dollars for~~ 255655
~~tax year 1994, the taxpayer shall remit each tax payment for tax~~ 255656
~~year 1996 by electronic funds transfer as prescribed by divisions~~ 255657
~~(B) and (C) of this section. For tax year 1997 and any succeeding~~ 255658
~~tax year, if a taxpayer's total liability for taxes, after~~ 255659
~~reduction for all nonrefundable credits allowed the taxpayer,~~ 255660
~~exceeds fifty thousand dollars for the second preceding tax year,~~ 255661
~~the taxpayer shall remit each tax payment for the tax year by~~ 255662
~~electronic funds transfer electronically as prescribed by~~ 255663
~~divisions (B) and (C) of this section.~~ 255664

The tax commissioner shall notify each taxpayer required to 255665
~~remit taxes by electronic funds transfer electronically of the~~ 255666
~~taxpayer's obligation to do so, shall maintain an updated list of~~ 255667
~~those taxpayers, and shall provide the list and any additions~~ 255668
~~thereto or deletions therefrom to the treasurer of state. Failure~~ 255669
~~by the tax commissioner to notify a taxpayer subject to this~~ 255670
~~section to remit taxes by electronic funds transfer electronically~~ 255671
~~does not relieve the taxpayer of its obligation to remit taxes by~~ 255672
~~electronic funds transfer in that manner.~~ 255673

(B) Taxpayers required by this section to remit payments ~~by~~ 255674
~~electronic funds transfer electronically shall remit such payments~~ 255675
~~to the treasurer of state in the manner prescribed by rules~~ 255676
~~adopted by the treasurer under section 113.061 of the Revised Code~~ 255677
~~the tax commissioner.~~ 255678

Except as otherwise provided in this paragraph, the 255679
~~electronic~~ payment of taxes ~~by electronic funds transfer~~ does not 255680
affect a taxpayer's obligation to file the annual corporation 255681
report or the declaration of estimated tax report as required 255682
under sections 5733.02 and 5733.021 of the Revised Code. ~~If the~~ 255683
~~taxpayer remits estimated tax payments in a manner, designated by~~ 255684

~~rule of the treasurer of state, that permits the inclusion of all~~ 255685
~~information necessary for the treasurer of state to process the~~ 255686
~~tax payment, the taxpayer need not file the declaration of~~ 255687
~~estimated tax report as required by section 5733.021 of the~~ 255688
~~Revised Code.~~ 255689

(C) If two or more taxpayers have elected or are required to 255690
file a combined report under section 5733.052 of the Revised Code, 255691
the tax liability of those taxpayers for purposes of division (A) 255692
of this section is the aggregate tax liability of those taxpayers 255693
after reduction for nonrefundable credits allowed the taxpayers. 255694

(D) A taxpayer required by this section to remit taxes ~~by~~ 255695
~~electronic funds transfer~~ electronically may apply to the 255696
~~treasurer of state~~ tax commissioner in the manner prescribed by 255697
the ~~treasurer~~ commissioner to be excused from that requirement. 255698
The ~~treasurer of state~~ commissioner may excuse the taxpayer from 255699
electronic remittance ~~by electronic funds transfer~~ for good cause 255700
shown for the period of time requested by the taxpayer or for a 255701
portion of that period. The ~~treasurer~~ commissioner shall notify 255702
the ~~tax commissioner~~ and the taxpayer of the ~~treasurer's~~ 255703
commissioner's decision as soon as is practicable. 255704

(E) If a taxpayer required by this section to remit taxes ~~by~~ 255705
~~electronic funds transfer~~ electronically remits those taxes by 255706
some means other than ~~by electronic funds transfer~~ electronically 255707
as prescribed by this section ~~and the rules adopted by the~~ 255708
~~treasurer of state~~, and the ~~treasurer~~ tax commissioner determines 255709
that such failure was not due to reasonable cause or was due to 255710
willful neglect, the ~~treasurer shall notify the tax commissioner~~ 255711
~~of the failure to remit by electronic funds transfer and shall~~ 255712
~~provide the commissioner with any information used in making that~~ 255713
~~determination.~~ The tax commissioner may collect an additional 255714
charge by assessment in the manner prescribed by section 5733.11 255715
of the Revised Code. The additional charge shall equal five per 255716

cent of the amount of the taxes or estimated tax payments required 255717
to be paid ~~by electronic funds transfer~~ electronically, but shall 255718
not exceed five thousand dollars. Any additional charge assessed 255719
under this section is in addition to any other penalty or charge 255720
imposed under this chapter, and shall be considered as revenue 255721
arising from the taxes imposed under this chapter. The ~~tax~~ 255722
commissioner may remit all or a portion of such a charge and may 255723
adopt rules governing such remission. 255724

No additional charge shall be assessed under this division 255725
against a taxpayer that has been notified of its obligation to 255726
remit taxes electronically under this section and that remits its 255727
first two tax payments after such notification by some other means 255728
~~other than electronic funds transfer~~. The additional charge may be 255729
assessed upon the remittance of any subsequent tax payment that 255730
the taxpayer remits by some means other than ~~electronic funds~~ 255731
~~transfer~~ electronically. 255732

Sec. 5735.03. Except as provided in division (C)(2) of 255733
section 5735.02 of the Revised Code, every motor fuel dealer shall 255734
file with the tax commissioner a surety bond of not less than five 255735
thousand dollars, but may be required by the tax commissioner to 255736
submit a surety bond equal to three months' average tax liability, 255737
on a form approved by and with a surety satisfactory to the 255738
commissioner, upon which the motor fuel dealer shall be the 255739
principal obligor and the state shall be the obligee, conditioned 255740
upon the prompt filing of true reports and the payment by the 255741
motor fuel dealer to the ~~treasurer of state~~ commissioner of all 255742
motor fuel excise taxes levied by the state, provided that after 255743
notice is received from the state by the surety of the delinquency 255744
of any taxes, if the surety pays the taxes within thirty days 255745
after the receipt of the notice no penalties or interest shall be 255746
charged against the surety. If the surety does not pay the taxes 255747
within thirty days, but does pay within ninety days from the date 255748

of the receipt of notice from the state by the surety, no penalty 255749
shall be assessed against the surety but the surety shall pay 255750
interest at the rate of six per cent per annum on the unpaid taxes 255751
from the date the taxes are due and payable. If the surety does 255752
not pay within ninety days then the surety shall be liable for 255753
interest and penalties, and the tax commissioner may cancel all 255754
bonds issued by the surety. 255755

The commissioner may increase or reduce the amount of the 255756
bond required to be filed by any licensed motor fuel dealer. If 255757
the commissioner finds that it is necessary to increase the bond 255758
to assure payment of the tax, the bond may be increased to an 255759
amount equal to three months/average liability or fifty thousand 255760
dollars, whichever is greater. 255761

If liability upon the bond thus filed by the motor fuel 255762
dealer with the commissioner is discharged or reduced, whether by 255763
judgment rendered, payment made, or otherwise, or if, in the 255764
opinion of the commissioner any surety on the bond theretofore 255765
given has become unsatisfactory or unacceptable, the commissioner 255766
may require the motor fuel dealer to file a new bond with 255767
satisfactory sureties in the same amount, and if a new bond is not 255768
filed the commissioner shall forthwith cancel the license of the 255769
motor fuel dealer. If a new bond is furnished by the motor fuel 255770
dealer, the commissioner shall cancel and surrender the bond of 255771
the motor fuel dealer for which the new bond is substituted. 255772

A surety on a bond furnished by a motor fuel dealer shall be 255773
released from all liability to the state accruing on the bond 255774
after the expiration of sixty days from the date upon which the 255775
surety lodges with the commissioner a written request to be 255776
released. The request shall not operate to release the surety from 255777
any liability already accrued, or which accrues before the 255778
expiration of the sixty-day period. The commissioner shall 255779
promptly on receipt of notice of the request notify the motor fuel 255780

dealer who furnished the bond and, unless the motor fuel dealer on 255781
or before the expiration of the sixty-day period files with the 255782
commissioner a new bond with a surety satisfactory to the 255783
commissioner in the amount and form provided in this section, the 255784
commissioner shall forthwith cancel the license of the motor fuel 255785
dealer. If the new bond is furnished by said motor fuel dealer, 255786
the commissioner shall cancel and surrender the bond of the motor 255787
fuel dealer for which the new bond is substituted. 255788

The commissioner, in lieu of any surety bond required by this 255789
section, may accept a deposit by a motor fuel dealer of cash. Any 255790
cash thus accepted shall be deposited with the ~~treasurer of state~~ 255791
commissioner to be held ~~by the treasurer of state, in the same~~ 255792
~~manner as other cash required to be deposited with the treasurer~~ 255793
~~of state under the laws of the state,~~ for the account of such 255794
motor fuel dealer and subject to any lawful claim of the state for 255795
any excise tax upon motor fuel, and penalties and interest thereon 255796
levied by the laws of this state. The state shall have a lien upon 255797
cash thus deposited for the amount of any motor fuel excise taxes 255798
and penalty and interest due to the state from the motor fuel 255799
dealer in whose behalf they were deposited. The amount of cash to 255800
be thus accepted shall in all respects be determined in the same 255801
manner as provided in this section for the amount of surety bonds. 255802
Any cash deposited shall be subject to levy upon execution to 255803
satisfy any judgment secured in any action by the state to recover 255804
any motor fuel excise taxes, and penalties and interest found to 255805
be due to the state from such motor fuel dealer. The cash shall be 255806
released by the ~~treasurer of state~~ commissioner upon ~~certificate~~ 255807
~~of the commissioner~~ a determination that the license of the motor 255808
fuel dealer in whose behalf they have been deposited has been 255809
canceled or that other security has been accepted in lieu thereof, 255810
and that the state asserts no claim thereto. 255811

Sec. 5735.062. (A) If the tax commissioner so requires, the 255812

dealer shall remit each monthly tax payment electronically as 255813
prescribed by division (B) of this section. 255814

The commissioner shall notify each dealer required to remit 255815
taxes electronically of the dealer's obligation to do so. Failure 255816
by the commissioner to notify a dealer subject to this section to 255817
remit taxes electronically does not relieve the dealer of its 255818
obligation to remit taxes electronically. 255819

(B) Dealers required by division (A) of this section to remit 255820
payments electronically shall remit such payments ~~to the treasurer~~ 255821
~~of state in the manner prescribed by rules adopted by the~~ 255822
~~treasurer under section 113.061 of the Revised Code or through the~~ 255823
~~department of taxation's web site Ohio business gateway, as~~ 255824
~~defined in section 718.01 of the Revised Code, or in another~~ 255825
~~manner as prescribed by the commissioner.~~ Required payments shall 255826
be remitted on or before the dates specified under section 5735.06 255827
of the Revised Code. The payment of taxes electronically does not 255828
affect a dealer's obligation to file the monthly return as 255829
required under section 5735.06 of the Revised Code. 255830

A dealer required by this section to remit taxes 255831
electronically may apply to the commissioner to be excused from 255832
that requirement. The commissioner may excuse the dealer from the 255833
electronic remittance requirement for good cause shown for the 255834
period of time requested by the dealer or for a portion of that 255835
period. 255836

(C) If a dealer required by this section to remit taxes 255837
electronically fails to do so, the commissioner may impose a 255838
penalty on the dealer not to exceed one of the following: 255839

(1) For the first return period the dealer fails to remit 255840
taxes electronically, the greater of twenty-five dollars or five 255841
per cent of the amount of the payment required to be remitted; 255842

(2) For the second or any subsequent return period the dealer 255843

fails to remit taxes electronically, the greater of fifty dollars 255844
or ten per cent of the amount of the payment required to be 255845
remitted. 255846

The penalty imposed under division (C) of this section is in 255847
addition to any other penalty imposed under this chapter and shall 255848
be considered as revenue arising from the taxes imposed under this 255849
chapter. A penalty may be collected by assessment in the manner 255850
prescribed by section 5735.12 of the Revised Code. The 255851
commissioner may abate all or a portion of a penalty. 255852

(D) The commissioner may adopt rules necessary to administer 255853
this section. 255854

Sec. 5739.031. (A) Upon application, the tax commissioner may 255855
issue a direct payment permit that authorizes a consumer to pay 255856
the sales tax levied by or pursuant to section 5739.02, 5739.021, 255857
5739.023, or 5739.026 of the Revised Code or the use tax levied by 255858
or pursuant to section 5741.02, 5741.021, 5741.022, or 5741.023 of 255859
the Revised Code directly to the state and waives the collection 255860
of the tax by the vendor or seller if payment directly to the 255861
state would improve compliance and increase the efficiency of the 255862
administration of the tax. The commissioner may adopt rules 255863
establishing the criteria for the issuance of such permits. 255864

(B) Each permit holder, on or before the twenty-third day of 255865
each month, shall make and file with the ~~treasurer of state tax~~ 255866
commissioner a return for the preceding month in such form as is 255867
prescribed by the ~~tax~~ commissioner and shall pay the tax shown on 255868
the return to be due. The return shall show the sum of the prices 255869
of taxable merchandise used and taxable services received, the 255870
amount of tax due from the permit holder, and such other 255871
information as the commissioner deems necessary. The commissioner, 255872
upon written request by the permit holder, may extend the time for 255873
making and filing returns and paying the tax. If the commissioner 255874

determines that a permit holder's tax liability is not such as to 255875
merit monthly filing, the commissioner may authorize the permit 255876
holder to file returns and pay the tax at less frequent intervals. 255877
~~The treasurer of state shall show on the return the date it was~~ 255878
~~filed and the amount of the payment remitted to the treasurer.~~ 255879
~~Thereafter, the treasurer immediately shall transmit all returns~~ 255880
~~filed under this section to the tax commissioner.~~ 255881

Any permit holder required to file a return and pay the tax 255882
under this section whose total payment for any calendar year 255883
equals or exceeds the amount shown in section 5739.032 of the 255884
Revised Code shall make each payment required by this section in 255885
the second ensuing and each succeeding year ~~by electronic funds~~ 255886
~~transfer~~ electronically as prescribed by, and on or before the 255887
dates specified in, section 5739.032 of the Revised Code, except 255888
as otherwise prescribed by that section. 255889

(C) For purposes of reporting and remitting the tax, the 255890
price of tangible personal property or services purchased by, or 255891
of tangible personal property produced by, the permit holder shall 255892
be determined under division (G) of section 5741.01 of the Revised 255893
Code. Except as otherwise provided in division (E) of section 255894
5739.033 of the Revised Code, the situs of any purchase 255895
transaction made by the permit holder is the location where the 255896
tangible personal property or service is received by the permit 255897
holder. 255898

(D) It shall be the duty of every permit holder required to 255899
make a return and pay its tax under this section to keep and 255900
preserve suitable records of purchases together with invoices of 255901
purchases, bills of lading, asset ledgers, depreciation schedules, 255902
transfer journals, and such other primary and secondary records 255903
and documents in such form as the commissioner requires. All such 255904
records and other documents shall be open during business hours to 255905
the inspection of the tax commissioner, and shall be preserved for 255906

a period of four years, unless the commissioner, in writing, has 255907
authorized their destruction or disposal at an earlier date, or by 255908
order or by reason of a waiver of the four-year time limitation 255909
pursuant to section 5739.16 of the Revised Code requires that they 255910
be kept longer. 255911

(E) A permit granted pursuant to this section shall continue 255912
to be valid until surrendered by the holder or canceled for cause 255913
by the tax commissioner. 255914

(F) Persons who hold a direct payment permit that has not 255915
been canceled shall not be required to issue exemption 255916
certificates and shall not be required to pay the tax as 255917
prescribed in sections 5739.03, 5739.033, and 5741.12 of the 255918
Revised Code. Such persons shall notify vendors and sellers from 255919
whom purchases of tangible personal property or services are made, 255920
of their direct payment permit number and that the tax is being 255921
paid directly to the state. Upon receipt of such notice, such 255922
vendor or seller shall be absolved from all duties and liabilities 255923
imposed by section 5739.03 or 5741.04 of the Revised Code with 255924
respect to sales of tangible personal property or services to such 255925
permit holder. 255926

Vendors and sellers who make sales upon which the tax is not 255927
collected by reason of the provisions of this section shall 255928
maintain records in such manner that the amount involved and 255929
identity of the purchaser may be ascertained. The receipts from 255930
such sales shall not be subject to the tax levied in section 255931
5739.10 of the Revised Code. 255932

Upon the cancellation or surrender of a direct payment 255933
permit, the provisions of sections 5739.03, 5741.04, and 5741.12 255934
of the Revised Code shall immediately apply to all purchases made 255935
subsequent to such cancellation or surrender by the person who 255936
previously held such permit, and such person shall so notify 255937
vendors and sellers from whom purchases of tangible personal 255938

property or services are made, in writing, prior to or at the time 255939
of the first purchase after such cancellation or surrender. Upon 255940
receipt of such notice, the vendor shall be subject to the 255941
provisions of sections 5739.03 and 5739.10 of the Revised Code and 255942
the seller shall be subject to the provisions of section 5741.04 255943
of the Revised Code, with respect to all sales subsequently made 255944
to such person. Failure of any such person to notify vendors or 255945
sellers from whom purchases of tangible personal property or 255946
services are made of the cancellation or surrender of a direct 255947
payment permit shall be considered as a refusal to pay the tax by 255948
the person required to issue such notice. 255949

Sec. 5739.032. (A) If the total amount of tax required to be 255950
paid by a permit holder under section 5739.031 of the Revised Code 255951
for any calendar year equals or exceeds seventy-five thousand 255952
dollars, the permit holder shall remit each monthly tax payment in 255953
the second ensuing and each succeeding year ~~by electronic funds~~ 255954
~~transfer~~ electronically as prescribed by division (B) of this 255955
section. 255956

If a permit holder's tax payment for each of two consecutive 255957
years is less than seventy-five thousand dollars, the permit 255958
holder is relieved of the requirement to remit taxes ~~by electronic~~ 255959
~~funds transfer~~ electronically for the year that next follows the 255960
second of the consecutive years in which the tax payment is less 255961
than that amount, and is relieved of that requirement for each 255962
succeeding year, unless the tax payment in a subsequent year 255963
equals or exceeds seventy-five thousand dollars. 255964

~~The tax commissioner shall notify each permit holder required~~ 255965
~~to remit taxes by electronic funds transfer of the permit holder's~~ 255966
~~obligation to do so, shall maintain an updated list of those~~ 255967
~~permit holders, and shall timely certify the list and any~~ 255968
~~additions thereto or deletions therefrom to the treasurer of~~ 255969

~~state.~~ Failure by the tax commissioner to notify a permit holder 255970
subject to this section to remit taxes ~~by electronic funds~~ 255971
~~transfer~~ electronically does not relieve the permit holder of its 255972
obligation to remit taxes ~~by electronic funds transfer~~ in that 255973
manner. 255974

(B) Permit holders required by division (A) of this section 255975
to remit payments ~~by electronic funds transfer~~ electronically 255976
shall remit such payments ~~to the treasurer of state in the manner~~ 255977
~~prescribed by this section and rules adopted by the treasurer of~~ 255978
~~state under section 113.061 of the Revised Code~~ by using the Ohio 255979
business gateway, as defined in section 718.01 of the Revised 255980
Code, or another means of electronic payment, and as follows: 255981

(1) On or before the twenty-third day of each month, a permit 255982
holder shall remit an amount equal to seventy-five per cent of the 255983
anticipated tax liability for that month. 255984

(2) On or before the twenty-third day of each month, a permit 255985
holder shall report the taxes due for the previous month and shall 255986
remit that amount, less any amounts paid for that month as 255987
required by division (B)(1) of this section. 255988

The electronic payment of taxes ~~by electronic funds transfer~~ 255989
does not affect a permit holder's obligation to file the monthly 255990
return as required under section 5739.031 of the Revised Code. 255991

~~(C) A permit holder required by this section to remit taxes~~ 255992
~~by electronic funds transfer may apply to the treasurer of state~~ 255993
~~in the manner prescribed by the treasurer of state to be excused~~ 255994
~~from that requirement. The treasurer of state may excuse the~~ 255995
~~permit holder from remittance by electronic funds transfer for~~ 255996
~~good cause shown for the period of time requested by the permit~~ 255997
~~holder or for a portion of that period. The treasurer of state~~ 255998
~~shall notify the tax commissioner and the permit holder of the~~ 255999
~~treasurer of state's decision as soon as is practicable.~~ 256000

~~(D)(1)(a)~~(C)(1)(a) If a permit holder that is required to 256001
remit payments under division (B) of this section fails to make a 256002
payment, or makes a payment under division (B)(1) of this section 256003
that is less than seventy-five per cent of the actual liability 256004
for that month, the commissioner may impose an additional charge 256005
not to exceed five per cent of that unpaid amount. 256006

(b) Division ~~(D)(1)(a)~~(C)(1)(a) of this section does not 256007
apply if the permit holder's payment under division (B)(1) of this 256008
section is equal to or greater than seventy-five per cent of the 256009
permit holder's reported liability for the same month in the 256010
immediately preceding calendar year. 256011

(2) If a permit holder required by this section to remit 256012
taxes ~~by electronic funds transfer~~ electronically remits those 256013
taxes by some means other than ~~by electronic funds transfer~~ 256014
electronically as prescribed by this section ~~and the rules adopted~~ 256015
~~by the treasurer of state~~, and the tax commissioner determines 256016
that such failure was not due to reasonable cause or was due to 256017
willful neglect, the commissioner may impose an additional charge 256018
not to exceed the lesser of five per cent of the amount of the 256019
taxes required to be paid ~~by electronic funds transfer~~ 256020
electronically or five thousand dollars. 256021

(3) Any additional charge imposed under division ~~(D)(1)~~(C)(1) 256022
or (2) of this section is in addition to any other penalty or 256023
charge imposed under this chapter, and shall be considered as 256024
revenue arising from taxes imposed under this chapter. An 256025
additional charge may be collected by assessment in the manner 256026
prescribed by section 5739.13 of the Revised Code. The tax 256027
commissioner may waive all or a portion of such a charge and may 256028
adopt rules governing such waiver. 256029

No additional charge shall be imposed under division 256030
~~(D)(2)~~(C)(2) of this section against a permit holder that has been 256031
notified of its obligation to remit taxes electronically under 256032

this section and that remits its first two tax payments after such 256033
notification by some other means ~~other than electronic funds~~ 256034
~~transfer~~. The additional charge may be imposed upon the remittance 256035
of any subsequent tax payment that the permit holder remits by 256036
some means other than ~~electronic funds transfer~~ electronically. 256037

Sec. 5739.07. (A) When, pursuant to this chapter, a vendor 256038
has paid taxes to the ~~treasurer of state or the treasurer of~~ 256039
~~state's agent, or to the~~ tax commissioner or the commissioner's 256040
agent, the commissioner shall refund to the vendor the amount of 256041
taxes paid, and any penalties assessed with respect to such taxes, 256042
if the vendor has refunded to the consumer the full amount of 256043
taxes the consumer paid illegally or erroneously or if the vendor 256044
has illegally or erroneously billed the consumer but has not 256045
collected the taxes from the consumer. 256046

(B) When, pursuant to this chapter, a consumer has paid taxes 256047
directly to the ~~treasurer of state or the treasurer of state's~~ 256048
~~agent, or to the~~ tax commissioner or the commissioner's agent, and 256049
the payment or assessment was illegal or erroneous, the 256050
commissioner shall refund to the consumer the full amount of 256051
illegal or erroneous taxes paid and any penalties assessed with 256052
respect to such taxes. 256053

(C) The commissioner shall refund to the consumer amounts 256054
paid illegally or erroneously to a vendor only if: 256055

(1) The commissioner has not refunded the tax to the vendor 256056
and the vendor has not refunded the tax to the consumer; or 256057

(2) The consumer has received a refund from a manufacturer or 256058
other person, other than the vendor, of the full purchase price, 256059
but not the tax, paid to the vendor in settlement of a complaint 256060
by the consumer about the property or service purchased. 256061

The commissioner may require the consumer to obtain or the 256062

vendor to provide a written statement confirming that the vendor 256063
has not refunded the tax to the consumer and has not filed an 256064
application for refund of the tax with the commissioner. 256065

(D) Subject to division (E) of this section, an application 256066
for refund shall be filed with the tax commissioner on the form 256067
prescribed by the commissioner within four years from the date of 256068
the illegal or erroneous payment, unless the vendor or consumer 256069
waives the time limitation under division (A)(3) of section 256070
5739.16 of the Revised Code. If the time limitation is waived, the 256071
refund application period shall be extended for the same period as 256072
the waiver. 256073

(E) An application for refund shall be filed in accordance 256074
with division (D) of this section unless a person is subject to an 256075
assessment that is subject to the time limit of division (B) of 256076
section 5703.58 of the Revised Code for amounts not reported and 256077
paid between the four-year time limit described in division (D) of 256078
this section and the seven-year limit described in division (B) of 256079
section 5703.58 of the Revised Code, in which case the person may 256080
file an application within six months after the date the 256081
assessment is issued. Any refund allowed under this division shall 256082
not exceed the amount of the assessment due for the same period. 256083

(F) On the filing of an application for a refund, the 256084
commissioner shall determine the amount of refund to which the 256085
applicant is entitled. If the amount is not less than that 256086
claimed, the commissioner shall certify that amount to the 256087
director of budget and management and the treasurer of state for 256088
payment from the tax refund fund created by section 5703.052 of 256089
the Revised Code. If the amount is less than that claimed, the 256090
commissioner shall proceed in accordance with section 5703.70 of 256091
the Revised Code. 256092

(G) When a refund is granted under this section, it shall 256093
include interest thereon as provided by section 5739.132 of the 256094

Revised Code. 256095

Sec. 5743.05. The tax commissioner shall sell all stamps 256096
provided for by section 5743.03 of the Revised Code. Each stamp 256097
that is to be affixed to a package of cigarettes shall be sold for 256098
the amount of tax due on that package, except the commissioner 256099
shall, by rule, authorize the sale of stamps to wholesale dealers 256100
in this state, or to wholesale dealers outside this state, at a 256101
discount of not less than one and eight-tenths per cent or more 256102
than ten per cent of such tax due, as a commission for affixing 256103
and canceling the stamps. 256104

The commissioner, by rule, shall authorize the delivery of 256105
stamps to wholesale dealers in this state and to wholesale dealers 256106
outside this state on credit. If such a dealer has not been in 256107
good credit standing with this state for five consecutive years 256108
preceding the purchase, the commissioner shall require the dealer 256109
to file with the commissioner a bond to the state in the amount 256110
and in the form prescribed by the commissioner, with surety to the 256111
satisfaction of the commissioner, conditioned on payment to the 256112
~~treasurer of state or the~~ commissioner within thirty days or the 256113
following twenty-third day of June, whichever comes first for 256114
stamps delivered within that time. If such a dealer has been in 256115
good credit standing with this state for five consecutive years 256116
preceding the purchase, the commissioner shall not require that 256117
the dealer file such a bond but shall require payment for the 256118
stamps within thirty days after purchase of the stamps or the 256119
following twenty-third day of June, whichever comes first. Each 256120
stamp that is sold to a dealer not required to file a bond shall 256121
be sold for the amount of tax due on that package of cigarettes. 256122
The maximum amount that may be sold on credit to a dealer not 256123
required to file a bond shall equal one hundred ten per cent of 256124
the dealer's average monthly purchases over the preceding calendar 256125
year. The maximum amount shall be adjusted to reflect any changes 256126

in the tax rate and may be adjusted, upon application to the 256127
commissioner by the dealer, to reflect changes in the business 256128
operations of the dealer. The maximum amount shall be applicable 256129
to the period between the first day of July to the following 256130
twenty-third day of June. Payment by a dealer not required to file 256131
a bond shall be remitted by electronic funds transfer as 256132
prescribed by section 5743.051 of the Revised Code. If a dealer 256133
not required to file a bond fails to make the payment in full 256134
within the required payment period, the commissioner shall not 256135
thereafter sell stamps to that dealer until the dealer pays the 256136
outstanding amount, including penalty and interest on that amount 256137
as prescribed in this chapter, and the commissioner thereafter may 256138
require the dealer to file a bond until the dealer is restored to 256139
good standing. The commissioner shall limit delivery of stamps on 256140
credit to the period running from the first day of July of the 256141
fiscal year until the twenty-third day of the following June. Any 256142
discount allowed as a commission for affixing and canceling stamps 256143
shall be allowed with respect to sales of stamps on credit. 256144

The commissioner shall redeem and pay for any destroyed, 256145
unused, or spoiled tax stamps at their net value, and shall refund 256146
to wholesale dealers the net amount of state and county taxes paid 256147
erroneously or paid on cigarettes that have been sold in 256148
interstate or foreign commerce or that have become unsalable, and 256149
the net amount of county taxes that were paid on cigarettes that 256150
have been sold at retail or for retail sale outside a taxing 256151
county. 256152

An application for a refund of tax shall be filed with the 256153
commissioner, on the form prescribed by the commissioner for that 256154
purpose, within three years from the date the tax stamps are 256155
destroyed or spoiled, from the date of the erroneous payment, or 256156
from the date that cigarettes on which taxes have been paid have 256157
been sold in interstate or foreign commerce or have become 256158

unsalable. 256159

On the filing of the application, the commissioner shall 256160
determine the amount of refund to which the applicant is entitled, 256161
payable from receipts of the state tax, and, if applicable, 256162
payable from receipts of a county tax. If the amount is not less 256163
than that claimed, the commissioner shall certify the amount to 256164
the director of budget and management and treasurer of state for 256165
payment from the tax refund fund created by section 5703.052 of 256166
the Revised Code. If the amount is less than that claimed, the 256167
commissioner shall proceed in accordance with section 5703.70 of 256168
the Revised Code. 256169

If a refund is granted for payment of an illegal or erroneous 256170
assessment issued by the department, the refund shall include 256171
interest on the amount of the refund from the date of the 256172
overpayment. The interest shall be computed at the rate per annum 256173
prescribed by section 5703.47 of the Revised Code. 256174

Sec. 5743.051. This section applies to any wholesale or 256175
retail cigarette dealer required by section 5743.05 of the Revised 256176
Code to remit payment for tax stamps ~~by electronic funds transfer~~ 256177
electronically. The tax commissioner shall notify each dealer of 256178
the dealer's obligation to do so and shall maintain an updated 256179
list of those dealers. Failure by the ~~tax~~ commissioner to notify a 256180
dealer subject to this section to remit taxes ~~by electronic funds~~ 256181
~~transfer~~ electronically does not relieve the dealer of its 256182
obligation to remit taxes ~~by electronic funds transfer~~ in that 256183
manner. 256184

A dealer required to remit payments ~~by electronic funds~~ 256185
~~transfer~~ electronically shall remit such payments to the ~~treasurer~~ 256186
~~of state~~ commissioner in the manner ~~prescribed by rules adopted by~~ 256187
~~the treasurer of state under section 113.061 of the Revised Code~~ 256188
approved by the commissioner and within the time prescribed for 256189

such a dealer by section 5743.05 of the Revised Code. 256190

A dealer required to remit taxes ~~by electronic funds transfer~~ 256191
electronically may apply to the ~~tax~~ commissioner in the manner 256192
prescribed by the ~~tax~~ commissioner to be excused from that 256193
requirement. The ~~tax~~ commissioner may excuse the dealer from 256194
electronic remittance ~~by electronic funds transfer~~ for good cause 256195
shown for the period of time requested by the dealer or for a 256196
portion of that period. 256197

If a dealer required to remit taxes ~~by electronic funds~~ 256198
~~transfer~~ electronically remits those taxes by some other means, 256199
~~the treasurer of state shall notify the tax commissioner of the~~ 256200
~~failure to remit by electronic funds transfer. If and~~ the ~~tax~~ 256201
commissioner determines that such failure was not due to 256202
reasonable cause or was due to willful neglect, the ~~tax~~ 256203
commissioner may collect an additional charge by assessment in the 256204
manner prescribed by section 5743.081 of the Revised Code. The 256205
additional charge shall equal five per cent of the amount of the 256206
taxes required to be paid ~~by electronic funds transfer~~ 256207
electronically but shall not exceed five thousand dollars. Any 256208
additional charge assessed under this section is in addition to 256209
any other penalty or charge imposed under this chapter and shall 256210
be considered as revenue arising from taxes imposed under this 256211
chapter. The ~~tax~~ commissioner may abate all or a portion of such a 256212
charge and may adopt rules governing such remissions. 256213

No additional charge shall be assessed under this section 256214
against a dealer that has been notified of its obligation to remit 256215
taxes electronically under this section and that remits its first 256216
two tax payments after such notification by some other means ~~other~~ 256217
~~than electronic funds transfer~~. The additional charge may be 256218
assessed upon the remittance of any subsequent tax payment that 256219
the dealer remits by some means other than ~~electronic funds~~ 256220
~~transfer~~ electronically. 256221

Sec. 5743.15. (A) Except as otherwise provided in this 256222
division, no person shall engage in this state in the wholesale or 256223
retail business of trafficking in cigarettes or in the business of 256224
a manufacturer or importer of cigarettes without having a license 256225
to conduct each such activity issued by a county auditor under 256226
division (B) of this section or the tax commissioner under 256227
divisions (C) and (F) of this section. On dissolution of a 256228
partnership by death, the surviving partner may operate under the 256229
license of the partnership until expiration of the license, and 256230
the heirs or legal representatives of deceased persons, and 256231
receivers and trustees in bankruptcy appointed by any competent 256232
authority, may operate under the license of the person succeeded 256233
in possession by such heir, representative, receiver, or trustee 256234
in bankruptcy if the partner or successor notifies the issuer of 256235
the license of the dissolution or succession within thirty days 256236
after the dissolution or succession. 256237

(B)(1) Each applicant for a license to engage in the retail 256238
business of trafficking in cigarettes under this section, 256239
annually, on or before the ~~fourth Monday of May~~ first day of June, 256240
shall make and deliver to the county auditor of the county in 256241
which the applicant desires to engage in the retail business of 256242
trafficking in cigarettes, upon a blank form furnished by such 256243
auditor for that purpose, a statement showing the name of the 256244
applicant, each physical place in the county where the applicant's 256245
business is conducted, the nature of the business, and any other 256246
information the tax commissioner requires in the form of statement 256247
prescribed by the commissioner. If the applicant is a firm, 256248
partnership, or association other than a corporation, the 256249
application shall state the name and address of each of its 256250
members. If the applicant is a corporation, the application shall 256251
state the name and address of each of its officers. At the time of 256252
making the application required by this section, every person 256253

desiring to engage in the retail business of trafficking in 256254
cigarettes shall pay an application fee in the sum of one hundred 256255
twenty-five dollars for each physical place where the person 256256
proposes to carry on such business. Each place of business shall 256257
be deemed such space, under lease or license to, or under the 256258
control of, or under the supervision of the applicant, as is 256259
contained in one or more contiguous, adjacent, or adjoining 256260
buildings constituting an industrial plant or a place of business 256261
operated by, or under the control of, one person, or under one 256262
roof and connected by doors, halls, stairways, or elevators, which 256263
space may contain any number of points at which cigarettes are 256264
offered for sale, provided that each additional point at which 256265
cigarettes are offered for sale shall be listed in the 256266
application. 256267

(2) Upon receipt of the application and exhibition of the 256268
county treasurer's receipt showing the payment of the application 256269
fee, the county auditor shall issue to the applicant a license for 256270
each place of business designated in the application, authorizing 256271
the applicant to engage in such business at such place for one 256272
year commencing on the ~~fourth Monday of May~~ first day of June. The 256273
form of the license shall be prescribed by the commissioner. A 256274
duplicate license may be obtained from the county auditor upon 256275
payment of a five-dollar fee if the original license is lost, 256276
destroyed, or defaced. When an application is filed after the 256277
~~fourth Monday of May~~ first day of June, the application fee 256278
required to be paid shall be proportioned in amount to the 256279
remainder of the license year, except that it shall not be less 256280
than twenty-five dollars in any one year. 256281

(3) The holder of a retail dealer's cigarette license may 256282
transfer the license to a place of business within the same county 256283
other than that designated on the license on condition that the 256284
licensee's ownership interest and business structure remain 256285

unchanged, and that the licensee applies to the county auditor 256286
therefor, upon forms approved by the commissioner and the payment 256287
of a fee of five dollars into the county treasury. 256288

(C)(1) Each applicant for a license to engage in the 256289
wholesale business of trafficking in cigarettes under this 256290
section, annually, on or before the ~~fourth Monday in May~~ first day 256291
of June, shall make and deliver to the tax commissioner, upon a 256292
blank form furnished by the commissioner for that purpose, a 256293
statement showing the name of the applicant, physical street 256294
address where the applicant's business is conducted, the nature of 256295
the business, and any other information required by the 256296
commissioner. If the applicant is a firm, partnership, or 256297
association other than a corporation, the applicant shall state 256298
the name and address of each of its members. If the applicant is a 256299
corporation, the applicant shall state the name and address of 256300
each of its officers. At the time of making the application 256301
required by this section, every person desiring to engage in the 256302
wholesale business of trafficking in cigarettes shall pay an 256303
application fee of one thousand dollars for each physical place 256304
where the person proposes to carry on such business. Each place of 256305
business shall be deemed such space, under lease or license to, or 256306
under the control of, or under the supervision of the applicant, 256307
as is contained in one or more contiguous, adjacent, or adjoining 256308
buildings constituting an industrial plant or a place of business 256309
operated by, or under the control of, one person, or under one 256310
roof and connected by doors, halls, stairways, or elevators. A 256311
duplicate license may be obtained from the commissioner upon 256312
payment of a twenty-five-dollar fee if the original license is 256313
lost, destroyed, or defaced. 256314

(2) Upon receipt of the application and payment of any 256315
application fee required by this section, the commissioner shall 256316
verify that the applicant is not in violation of any provision of 256317

Chapter 1346. or Title LVII of the Revised Code. The commissioner 256318
shall also verify that the applicant has filed any returns, 256319
submitted any information, and paid any outstanding taxes, 256320
charges, or fees as required for any tax, charge, or fee 256321
administered by the commissioner, to the extent that the 256322
commissioner is aware of the returns, information, or payments at 256323
the time of the application. Upon approval, the commissioner shall 256324
issue to the applicant a license for each physical place of 256325
business designated in the application authorizing the applicant 256326
to engage in business at that location for one year commencing on 256327
the ~~fourth Monday in May~~ first day of June. For licenses issued 256328
after the ~~fourth Monday in May~~ first day of June, the application 256329
fee shall be reduced proportionately by the remainder of the 256330
twelve-month period for which the license is issued, except that 256331
the application fee required to be paid under this section shall 256332
be not less than two hundred dollars in any one year. 256333

(3) The holder of a wholesale dealer cigarette license may 256334
transfer the license to a place of business other than that 256335
designated on the license on condition that the licensee's 256336
ownership or business structure remains unchanged, and that the 256337
licensee applies to the commissioner for such a transfer upon a 256338
form promulgated by the commissioner and pays a fee of twenty-five 256339
dollars, which shall be deposited into the cigarette tax 256340
enforcement fund created in division (E) of this section. 256341

(D)(1) The wholesale cigarette license application fees 256342
collected under this section shall be paid into the cigarette tax 256343
enforcement fund. 256344

(2) The retail cigarette license application fees collected 256345
under this section shall be distributed as follows: 256346

(a) Thirty per cent shall be paid upon the warrant of the 256347
county auditor into the treasury of the municipal corporation or 256348
township in which the places of business for which the tax revenue 256349

was received are located; 256350

(b) Ten per cent shall be credited to the general fund of the 256351
county; 256352

(c) Sixty per cent shall be paid into the cigarette tax 256353
enforcement fund. 256354

(3) The remainder of the revenues and fines collected under 256355
this section and the penal laws relating to cigarettes shall be 256356
distributed as follows: 256357

(a) Three-fourths shall be paid upon the warrant of the 256358
county auditor into the treasury of the municipal corporation or 256359
township in which the place of business, on account of which the 256360
revenues and fines were received, is located; 256361

(b) One-fourth shall be credited to the general fund of the 256362
county. 256363

(E) There is hereby created within the state treasury the 256364
cigarette tax enforcement fund for the purpose of providing funds 256365
to assist in paying the costs of enforcing sections 1333.11 to 256366
1333.21 and Chapter 5743. of the Revised Code. 256367

The portion of cigarette license application fees received by 256368
a county auditor during the annual application period that ends on 256369
the ~~fourth Monday in May~~ first day of June and that is required to 256370
be deposited in the cigarette tax enforcement fund shall be sent 256371
to the ~~treasurer of state~~ tax commissioner by the thirtieth day of 256372
June each year accompanied by the form prescribed by the tax 256373
commissioner. The portion of cigarette license application fees 256374
received by each county auditor after the ~~fourth Monday in May~~ 256375
first day of June and that is required to be deposited in the 256376
cigarette tax enforcement fund shall be sent to the ~~treasurer of~~ 256377
~~state~~ commissioner by the last day of the month following the 256378
month in which such fees were collected. 256379

(F)(1) Every person who desires to engage in the business of a manufacturer or importer of cigarettes shall, annually, on or before the ~~fourth Monday of May~~ first day of June, make and deliver to the tax commissioner, upon a blank form furnished by the commissioner for that purpose, a statement showing the name of the applicant, the nature of the applicant's business, and any other information required by the commissioner. If the applicant is a firm, partnership, or association other than a corporation, the applicant shall state the name and address of each of its members. If the applicant is a corporation, the applicant shall state the name and address of each of its officers.

(2) Upon receipt of the application required under this section, the commissioner shall verify that the applicant is not in violation of any provision of Chapter 1346. of the Revised Code. The commissioner shall also verify that the applicant has filed any returns, submitted any information, and paid any outstanding taxes, charges, or fees as required for any tax, charge, or fee administered by the commissioner, to the extent that the commissioner is aware of the returns, information, taxes, charges, or fees at the time of the application. Upon approval, the commissioner shall issue to the applicant a license authorizing the applicant to engage in the business of manufacturer or importer, whichever the case may be, for one year commencing on the ~~fourth Monday of May~~ first day of June.

(3) The issuing of a license under division (F)(1) of this section to a manufacturer does not excuse a manufacturer from the certification process required under section 1346.05 of the Revised Code. A manufacturer who is issued a license under division (F)(1) of this section and who is not listed on the directory required under section 1346.05 of the Revised Code shall not be permitted to sell cigarettes in this state other than to a licensed cigarette wholesaler for sale outside this state. Such a

manufacturer shall provide documentation to the commissioner 256412
evidencing that the cigarettes are legal for sale in another 256413
state. 256414

(G) The tax commissioner may adopt rules necessary to 256415
administer this section. 256416

Sec. 5745.03. (A) For each taxable year, each taxpayer shall 256417
file an annual report with the tax commissioner not later than the 256418
fifteenth day of the fourth month after the end of the taxpayer's 256419
taxable year, and shall remit with that report the amount of tax 256420
due as shown on the report less the amount paid for the year under 256421
section 5745.04 of the Revised Code. The remittance shall be made 256422
in the form prescribed by the ~~tax~~ commissioner. If the amount 256423
payable with the report exceeds one thousand dollars, the taxpayer 256424
shall remit the amount ~~by electronic funds transfer as~~ 256425
electronically in a manner prescribed by the ~~treasurer of state~~ 256426
commissioner. The ~~tax~~ commissioner shall ~~immediately forward to~~ 256427
~~the treasurer of state all amounts that the tax commissioner~~ 256428
~~receives pursuant to this chapter. The treasurer of state shall~~ 256429
credit ninety-eight and one-half per cent of such remittances to 256430
the municipal income tax fund, which is hereby created in the 256431
state treasury, and credit the remainder to the municipal income 256432
tax administrative fund, which is hereby created in the state 256433
treasury. 256434

(B) Any taxpayer that has been granted an extension for 256435
filing a federal income tax return may request an extension for 256436
filing the return required under this section by filing with the 256437
tax commissioner a copy of the taxpayer's request for the federal 256438
filing extension. The request shall be filed not later than the 256439
last day for filing the return as required under division (A) of 256440
this section. If such a request is properly and timely filed, the 256441
~~tax~~ commissioner shall extend the last day for filing the return 256442

required under this section for the same period for which the 256443
federal filing extension was granted. The ~~tax~~ commissioner may 256444
deny the filing extension request only if the taxpayer fails to 256445
timely file the request, fails to file a copy of the federal 256446
extension request, owes past due taxes, interest, or penalty under 256447
this chapter, or has failed to file a required report or other 256448
document for a prior taxable year. The granting of an extension 256449
under this section does not extend the last day for paying taxes 256450
without penalty pursuant to this chapter unless the ~~tax~~ 256451
commissioner extends the payment date. 256452

(C) The annual report shall include statements of the 256453
following facts as of the last day of the taxpayer's taxable year: 256454

(1) The name of the taxpayer; 256455

(2) The name of the state or country under the laws of which 256456
it is incorporated; 256457

(3) The location of its principal office in this state and, 256458
in the case of a taxpayer organized under the laws of another 256459
state, the principal place of business in this state and the name 256460
and address of the officer or agent of the taxpayer in charge of 256461
the business conducted in this state; 256462

(4) The names of the president, secretary, treasurer, and 256463
statutory agent in this state, with the post-office address of 256464
each; 256465

(5) The date on which the taxpayer's taxable year begins and 256466
ends; 256467

(6) The taxpayer's federal taxable income during the 256468
taxpayer's taxable year; 256469

(7) Any other information the tax commissioner requires for 256470
the proper administration of this chapter. 256471

(D) The tax commissioner may require any reports required 256472

under this chapter to be filed in an electronic format. 256473

(E) A municipal corporation may not require a taxpayer 256474
required to file a report under this section to file a report of 256475
the taxpayer's income, but a municipal corporation may require a 256476
taxpayer to report to the municipal corporation the value of the 256477
taxpayer's real and tangible personal property situated in the 256478
municipal corporation, compensation paid by the taxpayer to its 256479
employees in the municipal corporation, and sales made in the 256480
municipal corporation by the taxpayer, to the extent necessary for 256481
the municipal corporation to compute the taxpayer's municipal 256482
property, payroll, and sales factors for the municipal 256483
corporation. 256484

(F) On or before the thirty-first day of January each year, 256485
each municipal corporation imposing a tax on income shall certify 256486
to the tax commissioner the rate of the tax in effect on the first 256487
day of January of that year. If any municipal corporation fails to 256488
certify its income tax rate as required by this division, the ~~tax~~ 256489
commissioner shall notify the director of budget and management, 256490
who, upon receiving such notification, shall withhold from each 256491
payment made to the municipal corporation under section 5745.05 of 256492
the Revised Code fifty per cent of the amount of the payment 256493
otherwise due the municipal corporation under that section as 256494
computed on the basis of the tax rate most recently certified 256495
until the municipal corporation certifies the tax rate in effect 256496
on the first day of January of that year. 256497

The tax rate used to determine the tax payable to a municipal 256498
corporation under this section for a taxpayer's taxable year shall 256499
be the tax rate in effect in a municipal corporation on the first 256500
day of January in that taxable year. If a taxpayer's taxable year 256501
is for a period less than twelve months that does not include the 256502
first day of January, the tax rate used to determine the tax 256503
payable to a municipal corporation under this section for the 256504

taxpayer's taxable year shall be the tax rate in effect in a 256505
municipal corporation on the first day of January in the preceding 256506
taxable year. 256507

Sec. 5745.04. (A) As used in this section, "combined tax 256508
liability" means the total of a taxpayer's income tax liabilities 256509
to all municipal corporations in this state for a taxable year. 256510

(B) ~~Beginning with its taxable year beginning in 2003, each~~ 256511
Each taxpayer shall file a declaration of estimated tax report 256512
with, and remit estimated taxes to, the tax commissioner, payable 256513
to the treasurer of state, at the times and in the amounts 256514
prescribed in divisions (B)(1) to (4) of this section. ~~This~~ 256515
~~division also applies to a taxpayer having a taxable year~~ 256516
~~consisting of fewer than twelve months, at least one of which is~~ 256517
~~in 2002, that ends before January 1, 2003.~~ The first taxable year 256518
a taxpayer is subject to this chapter, the estimated taxes the 256519
taxpayer is required to remit under this section shall be based 256520
solely on the current taxable year and not on the liability for 256521
the preceding taxable year. 256522

(1) Not less than twenty-five per cent of the combined tax 256523
liability for the preceding taxable year or twenty per cent of the 256524
combined tax liability for the current taxable year shall have 256525
been remitted not later than the fifteenth day of the fourth month 256526
after the end of the preceding taxable year. 256527

(2) Not less than fifty per cent of the combined tax 256528
liability for the preceding taxable year or forty per cent of the 256529
combined tax liability for the current taxable year shall have 256530
been remitted not later than the fifteenth day of the sixth month 256531
after the end of the preceding taxable year. 256532

(3) Not less than seventy-five per cent of the combined tax 256533
liability for the preceding taxable year or sixty per cent of the 256534
combined tax liability for the current taxable year shall have 256535

been remitted not later than the fifteenth day of the ninth month 256536
after the end of the preceding taxable year. 256537

(4) Not less than one hundred per cent of the combined tax 256538
liability for the preceding taxable year or eighty per cent of the 256539
combined tax liability for the current taxable year shall have 256540
been remitted not later than the fifteenth day of the twelfth 256541
month after the end of the preceding taxable year. 256542

(C) Each taxpayer shall report on the declaration of 256543
estimated tax report the portion of the remittance that the 256544
taxpayer estimates that it owes to each municipal corporation for 256545
the taxable year. 256546

(D) Upon receiving a declaration of estimated tax report and 256547
remittance of estimated taxes under this section, the tax 256548
commissioner shall ~~immediately forward to the treasurer of state~~ 256549
~~such remittance. The treasurer of state shall~~ credit ninety-eight 256550
and one-half per cent of the remittance to the municipal income 256551
tax fund and credit the remainder to the municipal income tax 256552
administrative fund. 256553

(E) If any remittance of estimated taxes is for one thousand 256554
dollars or more, the taxpayer shall make the remittance ~~by~~ 256555
~~electronic funds transfer~~ electronically as prescribed by section 256556
~~5745.04~~ 5745.041 of the Revised Code. 256557

(F) Notwithstanding section 5745.08 or 5745.09 of the Revised 256558
Code, no penalty or interest shall be imposed on a taxpayer if the 256559
declaration of estimated tax report is properly filed, and the 256560
estimated tax is paid, within the time prescribed by division (B) 256561
of this section. 256562

Sec. 5745.041. Any taxpayer required by section 5745.03 or 256563
5745.04 of the Revised Code to remit tax payments ~~by electronic~~ 256564
~~funds transfer~~ electronically shall remit such payments ~~to the~~ 256565

~~treasurer of state in the manner prescribed by rules adopted by~~ 256566
~~the treasurer under section 113.061 of the Revised Code in the~~ 256567
~~manner prescribed by the tax commissioner.~~ Except as otherwise 256568
provided in this paragraph, the payment of taxes ~~by electronic~~ 256569
~~funds transfer electronically~~ does not affect a taxpayer's 256570
obligation to file reports under this chapter. ~~If a taxpayer~~ 256571
~~remits estimated tax payments in a manner, designated by rule of~~ 256572
~~the treasurer of state, that permits the inclusion of all~~ 256573
~~information necessary for the treasurer of state to process the~~ 256574
~~payment, the taxpayer is not required to file the declaration of~~ 256575
~~estimated tax report as otherwise required under section 5745.04~~ 256576
~~of the Revised Code.~~ 256577

~~The treasurer of state, in consultation with the tax~~ 256578
~~commissioner, may adopt rules governing the format for reporting~~ 256579
~~and paying estimated taxes by electronic funds transfer.~~ 256580

A taxpayer required to remit taxes ~~by electronic funds~~ 256581
~~transfer electronically~~ may apply to the ~~treasurer of state tax~~ 256582
~~commissioner~~ in the manner prescribed by the ~~treasurer~~ 256583
~~commissioner~~ to be excused from that requirement. The ~~treasurer of~~ 256584
~~state commissioner~~ may excuse the taxpayer from the requirement 256585
for good cause shown for the period of time requested by the 256586
taxpayer or for a portion of that period. ~~The treasurer shall~~ 256587
~~notify the tax commissioner and the taxpayer of the treasurer's~~ 256588
~~decision as soon as is practicable.~~ 256589

If a taxpayer required by this section to remit taxes ~~by~~ 256590
~~electronic funds transfer electronically~~ remits those taxes by 256591
some means other than ~~by electronic funds transfer electronically~~ 256592
as prescribed by this section ~~and the rules adopted by the~~ 256593
~~treasurer of state, and the treasurer commissioner~~ determines that 256594
such failure was not due to reasonable cause or was due to willful 256595
neglect, the ~~treasurer shall notify the tax commissioner of the~~ 256596
~~failure to remit by electronic funds transfer and shall provide~~ 256597

~~the commissioner with any information used in making that~~ 256598
~~determination. The tax~~ commissioner may collect an additional 256599
charge by assessment in the manner prescribed by section 5745.12 256600
of the Revised Code. The additional charge shall equal five per 256601
cent of the amount of the taxes or estimated tax payments required 256602
to be paid ~~by electronic funds transfer~~ electronically, but shall 256603
not exceed five thousand dollars. Any additional charge assessed 256604
under this section is in addition to any other penalty or charge 256605
imposed under this chapter, and shall be considered as revenue 256606
arising from municipal income taxes collected under this chapter. 256607
The ~~tax~~ commissioner may remit all or a portion of such a charge 256608
and may adopt rules governing such remission. 256609

No additional charge shall be assessed under this section 256610
against a taxpayer that has been notified of its obligation to 256611
remit taxes electronically under this section and that remits its 256612
first two tax payments after such notification by some other means 256613
~~other than electronic funds transfer~~. The additional charge may be 256614
assessed upon the remittance of any subsequent tax payment that 256615
the taxpayer remits by some means other than ~~electronic funds~~ 256616
~~transfer~~ electronically. 256617

Sec. 5747.059. (A) This section applies only to reduce a 256618
taxpayer's aggregate tax liability under section 5747.02 of the 256619
Revised Code. 256620

(B) There is hereby allowed a refundable credit against a 256621
taxpayer's aggregate tax liability under section 5747.02 of the 256622
Revised Code. This credit shall be equal to the taxpayer's 256623
proportionate share of the lesser of either the tax due or the tax 256624
paid under section 5733.41 or 5747.41 of the Revised Code by any 256625
qualifying entity as defined in section 5733.40 of the Revised 256626
Code for the qualifying taxable year of the qualifying entity 256627
which ends in the taxable year of the taxpayer. 256628

(C) The taxpayer shall claim the credit for the taxpayer's taxable year in which ends the qualifying entity's qualifying taxable year. For purposes of making tax payments under this chapter, taxes equal to the amount of the credit shall be considered to be paid by the taxpayer to this state on the day that the qualifying entity pays to the ~~treasurer of state tax~~ commissioner the amount due pursuant to section 5733.41 and sections 5747.41 to 5747.453 of the Revised Code with respect to and for the taxpayer.

(D) In claiming the credit and determining the taxpayer's proportionate share of the tax due and the tax paid by any qualifying entity, the taxpayer shall follow the concepts set forth in subchapters J and K of the Internal Revenue Code.

(E) The credit shall be claimed in the order required under section 5747.98 of the Revised Code. If the amount of the credit under this section exceeds the aggregate amount of tax otherwise due under section 5747.02 of the Revised Code after deduction of all other credits in that order, the taxpayer is entitled to a refund of the excess.

Sec. 5747.07. (A) As used in this section:

(1) "Partial weekly withholding period" means a period during which an employer directly, indirectly, or constructively pays compensation to, or credits compensation to the benefit of, an employee, and that consists of a consecutive Saturday, Sunday, Monday, and Tuesday or a consecutive Wednesday, Thursday, and Friday. There are two partial weekly withholding periods each week, except that a partial weekly withholding period cannot extend from one calendar year into the next calendar year; if the first day of January falls on a day other than Saturday or Wednesday, the partial weekly withholding period ends on the thirty-first day of December and there are three partial weekly

withholding periods during that week. 256660

(2) "Undeposited taxes" means the taxes an employer is 256661
required to deduct and withhold from an employee's compensation 256662

~~the treasurer of state pursuant to~~ section 5747.072 of the Revised 256665
Code. 256666

(3) A "week" begins on Saturday and concludes at the end of 256667
the following Friday. 256668

(4) "Professional employer organization," "professional 256669

(5) "Alternate employer organization" and "alternate employer 256673
organization agreement" have the same meanings as in section 256674
4133.01 of the Revised Code. 256675

(6) "Client employer" has the same meaning as in section 256676
4125.01 of the Revised Code in the context of a professional 256677
employer organization or a professional employer organization 256678
reporting entity, or the same meaning as in section 4133.01 of the 256679
Revised Code in the context of an alternate employer organization. 256680

(B) Except as provided in divisions (C) and (D) of this 256681
section and in division (A) of section 5747.072 of the Revised 256682
Code, every employer required to deduct and withhold any amount 256683
under section 5747.06 of the Revised Code shall file a return and 256684
shall pay the amount required by law as follows: 256685

(1) An employer who accumulates or is required to accumulate 256686
undeposited taxes of one hundred thousand dollars or more during a 256687
partial weekly withholding period shall make the payment of the 256688
undeposited taxes by the close of the first banking day after the 256689
day on which the accumulation reaches one hundred thousand 256690

dollars. If required under division (I) of this section, the 256691
payment shall be made ~~by electronic funds transfer~~ electronically 256692
under section 5747.072 of the Revised Code. 256693

(2) Except as required by division (B)(1) of this section, an 256694
employer whose actual or required payments under this section were 256695
at least eighty-four thousand dollars during the twelve-month 256696
period ending on the thirtieth day of June of the preceding 256697
calendar year shall make the payment of undeposited taxes within 256698
three banking days after the close of a partial weekly withholding 256699
period during which the employer was required to deduct and 256700
withhold any amount under this chapter. If required under division 256701
(I) of this section, the payment shall be made ~~by electronic funds~~ 256702
~~transfer~~ electronically under section 5747.072 of the Revised 256703
Code. 256704

(3) Except as required by divisions (B)(1) and (2) of this 256705
section, if an employer's actual or required payments were more 256706
than two thousand dollars during the twelve-month period ending on 256707
the thirtieth day of June of the preceding calendar year, the 256708
employer shall make the payment of undeposited taxes for each 256709
month during which they were required to be withheld no later than 256710
fifteen days following the last day of that month. The employer 256711
shall file the return prescribed by the tax commissioner with the 256712
payment. 256713

(4) Except as required by divisions (B)(1), (2), and (3) of 256714
this section, an employer shall make the payment of undeposited 256715
taxes for each calendar quarter during which they were required to 256716
be withheld no later than the last day of the month following the 256717
last day of March, June, September, and December each year. The 256718
employer shall file the return prescribed by the tax commissioner 256719
with the payment. 256720

(C) The return and payment schedules prescribed by divisions 256721
(B)(1) and (2) of this section do not apply to the return and 256722

payment of undeposited school district income taxes arising from 256723
taxes levied pursuant to Chapter 5748. of the Revised Code. 256724
Undeposited school district income taxes shall be returned and 256725
paid pursuant to divisions (B)(3) and (4) of this section, as 256726
applicable. 256727

(D)(1) The requirements of division (B) of this section are 256728
met if the amount paid is not less than ninety-five per cent of 256729
the actual tax withheld or required to be withheld for the prior 256730
quarterly, monthly, or partial weekly withholding period, and the 256731
underpayment is not due to willful neglect. Any underpayment of 256732
withheld tax shall be paid within thirty days of the date on which 256733
the withheld tax was due without regard to division (D)(1) of this 256734
section. An employer described in division (B)(1) or (2) of this 256735
section shall make the payment ~~by electronic funds transfer~~ 256736
electronically under section 5747.072 of the Revised Code. 256737

(2) If the tax commissioner believes that quarterly or 256738
monthly payments would result in a delay that might jeopardize the 256739
remittance of withholding payments, the commissioner may order 256740
that the payments be made weekly, or more frequently if necessary, 256741
and the payments shall be made no later than three banking days 256742
following the close of the period for which the jeopardy order is 256743
made. An order requiring weekly or more frequent payments shall be 256744
delivered to the employer ~~personally or by certified mail~~ in the 256745
manner provided in section 5703.37 of the Revised Code and remains 256746
in effect until the commissioner notifies the employer to the 256747
contrary. 256748

(3) If compelling circumstances exist concerning the 256749
remittance of undeposited taxes, the commissioner may order the 256750
employer to make payments under any of the payment schedules under 256751
division (B) of this section. The order shall be delivered to the 256752
employer ~~personally or by certified mail~~ in the manner provided in 256753
section 5703.37 of the Revised Code and shall remain in effect 256754

until the commissioner notifies the employer to the contrary. For 256755
purposes of division (D)(3) of this section, "compelling 256756
circumstances" exist if either or both of the following are true: 256757

(a) Based upon annualization of payments made or required to 256758
be made during the preceding calendar year and during the current 256759
calendar year, the employer would be required for the next 256760
calendar year to make payments under division (B)(2) of this 256761
section. 256762

(b) Based upon annualization of payments made or required to 256763
be made during the current calendar year, the employer would be 256764
required for the next calendar year to make payments under 256765
division (B)(2) of this section. 256766

~~(E)(1) An employer described in division (B)(1) or (2) of 256767
this section shall file, not later than the last day of the month 256768
following the end of each calendar quarter, a return covering, but 256769
not limited to, both the actual amount deducted and withheld and 256770
the amount required to be deducted and withheld for the tax 256771
imposed under section 5747.02 of the Revised Code during each 256772
partial weekly withholding period or portion of a partial weekly 256773
withholding period during that quarter. The employer shall file 256774
the quarterly return even if the aggregate amount required to be 256775
deducted and withheld for the quarter is zero dollars. At the time 256776
of filing the return, the employer shall pay any amounts of 256777
undeposited taxes for the quarter, whether actually deducted and 256778
withheld or required to be deducted and withheld, that have not 256779
been previously paid. If required under division (I) of this 256780
section, the payment shall be made by electronic funds transfer. 256781
The tax commissioner shall prescribe the form and other 256782
requirements of the quarterly return. 256783~~

(2) In addition to other returns required to be filed and 256784
payments required to be made under this section, every employer 256785
required to deduct and withhold taxes shall file, not later than 256786

the thirty-first day of January of each year, an annual return 256787
covering, but not limited to, both the aggregate amount deducted 256788
and withheld and the aggregate amount required to be deducted and 256789
withheld during the entire preceding year for the tax imposed 256790
under section 5747.02 of the Revised Code and for each tax imposed 256791
under Chapter 5748. of the Revised Code. At the time of filing 256792
that return, the employer shall pay over any amounts of 256793
undeposited taxes for the preceding year, whether actually 256794
deducted and withheld or required to be deducted and withheld, 256795
that have not been previously paid. The employer shall make the 256796
annual report, to each employee and to the tax commissioner, of 256797
the compensation paid and each tax withheld, as the commissioner 256798
by rule may prescribe. 256799

(2) Each employer required to deduct and withhold any tax is 256800
liable for the payment of that amount required to be deducted and 256801
withheld, whether or not the tax has in fact been withheld, unless 256802
the failure to withhold was based upon the employer's good faith 256803
in reliance upon the statement of the employee as to liability, 256804
and the amount shall be deemed to be a special fund in trust for 256805
the general revenue fund. 256806

(F) Each employer shall file with the employer's annual 256807
return the following items of information on employees for whom 256808
withholding is required under section 5747.06 of the Revised Code: 256809

(1) The full name of each employee, the employee's address, 256810
the employee's school district of residence, and in the case of a 256811
nonresident employee, the employee's principal county of 256812
employment; 256813

(2) The social security number of each employee; 256814

(3) The total amount of compensation paid before any 256815
deductions to each employee for the period for which the annual 256816
return is made; 256817

(4) The amount of the tax imposed by section 5747.02 of the Revised Code and the amount of each tax imposed under Chapter 5748. of the Revised Code withheld from the compensation of the employee for the period for which the annual return is made. The commissioner may extend upon good cause the period for filing any notice or return required to be filed under this section and may adopt rules relating to extensions of time. If the extension results in an extension of time for the payment of the amounts withheld with respect to which the return is filed, the employer shall pay, at the time the amount withheld is paid, an amount of interest computed at the rate per annum prescribed by section 5703.47 of the Revised Code on that amount withheld, from the day that amount was originally required to be paid to the day of actual payment or to the day an assessment is issued under section 5747.13 of the Revised Code, whichever occurs first.

(5) In addition to all other interest charges and penalties imposed, all amounts of taxes withheld or required to be withheld and remaining unpaid after the day the amounts are required to be paid shall bear interest from the date prescribed for payment at the rate per annum prescribed by section 5703.47 of the Revised Code on the amount unpaid, in addition to the amount withheld, until paid or until the day an assessment is issued under section 5747.13 of the Revised Code, whichever occurs first.

(G) An employee of a corporation, limited liability company, or business trust having control or supervision of or charged with the responsibility of filing the report and making payment, or an officer, member, manager, or trustee of a corporation, limited liability company, or business trust who is responsible for the execution of the corporation's, limited liability company's, or business trust's fiscal responsibilities, shall be personally liable for failure to file the report or pay the tax due as required by this section. The dissolution, termination, or

bankruptcy of a corporation, limited liability company, or 256850
business trust does not discharge a responsible officer's, 256851
member's, manager's, employee's, or trustee's liability for a 256852
failure of the corporation, limited liability company, or business 256853
trust to file returns or pay tax due. 256854

(H) If an employer required to deduct and withhold income tax 256855
from compensation and to pay that tax to the state under sections 256856
5747.06 and 5747.07 of the Revised Code sells the employer's 256857
business or stock of merchandise or quits the employer's business, 256858
the taxes required to be deducted and withheld and paid to the 256859
state pursuant to those sections prior to that time, together with 256860
any interest and penalties imposed on those taxes, become due and 256861
payable immediately, and that person shall make a final return 256862
within fifteen days after the date of selling or quitting 256863
business. The employer's successor shall withhold a sufficient 256864
amount of the purchase money to cover the amount of the taxes, 256865
interest, and penalties due and unpaid, until the former owner 256866
produces a receipt from the tax commissioner showing that the 256867
taxes, interest, and penalties have been paid or a certificate 256868
indicating that no such taxes are due. If the purchaser of the 256869
business or stock of merchandise fails to withhold purchase money, 256870
the purchaser shall be personally liable for the payment of the 256871
taxes, interest, and penalties accrued and unpaid during the 256872
operation of the business by the former owner. If the amount of 256873
taxes, interest, and penalties outstanding at the time of the 256874
purchase exceeds the total purchase money, the tax commissioner in 256875
the commissioner's discretion may adjust the liability of the 256876
seller or the responsibility of the purchaser to pay that 256877
liability to maximize the collection of withholding tax revenue. 256878

(I) An employer whose actual or required payments under this 256879
section exceeded eighty-four thousand dollars during the 256880
twelve-month period ending on the thirtieth day of June of the 256881

preceding calendar year shall make all payments required by this 256882
section for the year ~~by electronic funds transfer~~ electronically 256883
under section 5747.072 of the Revised Code. 256884

(J)(1) Every professional employer organization, professional 256885
employer organization reporting entity, and alternate employer 256886
organization shall file a report with the tax commissioner within 256887
thirty days after commencing business in this state that includes 256888
all of the following information: 256889

(a) The name, address, number the employer receives from the 256890
secretary of state to do business in this state, if applicable, 256891
and federal employer identification number of each client employer 256892
of the organization or entity; 256893

(b) The date that each client employer became a client of the 256894
organization or entity; 256895

(c) The names and mailing addresses of the chief executive 256896
officer and the chief financial officer of each client employer 256897
for taxation of the client employer. 256898

(2) Beginning with the calendar quarter ending after a 256899
professional employer organization, professional employer 256900
organization reporting entity, or alternate employer organization 256901
files the report required under division (J)(1) of this section, 256902
and every calendar quarter thereafter, the organization or entity 256903
shall file an updated report with the tax commissioner. The 256904
organization or entity shall file the updated report not later 256905
than the last day of the month following the end of the calendar 256906
quarter and shall include all of the following information in the 256907
report: 256908

(a) If an entity became a client employer of the professional 256909
employer organization, professional employer organization 256910
reporting entity, or alternate employer organization at any time 256911
during the calendar quarter, all of the information required under 256912

division (J)(1) of this section for each new client employer; 256913

(b) If an entity terminated the professional employer 256914
organization agreement or the alternate employer organization 256915
agreement between the entity and the professional employer 256916
organization, professional employer organization reporting entity, 256917
or alternate employer organization, as applicable, at any time 256918
during the calendar quarter, the information described in division 256919
(J)(1)(a) of this section for that entity, the date during the 256920
calendar quarter that the entity ceased being a client of the 256921
organization or reporting entity, if applicable, or the date the 256922
entity ceased business operations in this state, if applicable; 256923

(c) If the name or mailing address of the chief executive 256924
officer or the chief financial officer of a client employer has 256925
changed since the professional employer organization, professional 256926
employer organization reporting entity, or alternate employer 256927
organization previously submitted a report under division (J)(1) 256928
or (2) of this section, the updated name or mailing address, or 256929
both, of the chief executive officer or the chief financial 256930
officer, as applicable; 256931

(d) If none of the events described in divisions (J)(2)(a) to 256932
(c) of this section occurred during the calendar quarter, a 256933
statement of that fact. 256934

Sec. 5747.072. (A) Any employer required by section 5747.07 256935
of the Revised Code to remit undeposited taxes ~~by electronic funds~~ 256936
~~transfer~~ electronically shall do so ~~in the manner prescribed by~~ 256937
~~rules adopted by the treasurer of state under section 113.061 of~~ 256938
~~the Revised Code and by using the Ohio business gateway, as~~ 256939
defined in section 718.01 of the Revised Code, or another means of 256940
electronic payment on or before the dates specified under that 256941
~~division~~ section. The tax commissioner shall notify each such 256942
employer of the employer's obligation to remit undeposited taxes 256943

~~by electronic funds transfer, shall maintain an updated list of~~ 256944
~~those employers, and shall provide the list and any additions~~ 256945
~~thereto or deletions therefrom to the treasurer of state~~ 256946
electronically. Failure by the ~~tax~~ commissioner to notify an 256947
employer subject to this section to remit taxes ~~by electronic~~ 256948
~~funds transfer~~ electronically does not relieve the employer of its 256949
obligation to remit taxes ~~by electronic funds transfer~~ in that 256950
manner. 256951

~~Except as otherwise provided in this paragraph, the~~ 256952
~~The~~ payment of taxes ~~by electronic funds transfer~~ electronically does 256953
not affect an employer's obligation to file the ~~quarterly return~~ 256954
~~as required under division (E)(1) of section 5747.07 of the~~ 256955
~~Revised Code or the annual return as required under divisions~~ 256956
~~(E)(2)(E) and (F) of that section~~ 5747.07 of the Revised Code. ~~If~~ 256957
~~the employer remits estimated tax payments in a manner, designated~~ 256958
~~by the treasurer of state, that permits the inclusion of all~~ 256959
~~information necessary for the treasurer of state to process the~~ 256960
~~tax payment, the employer need not file the return required under~~ 256961
~~division (B) of section 5747.07 of the Revised Code. The treasurer~~ 256962
~~of state, in consultation with the tax commissioner, may adopt~~ 256963
~~rules governing the format for filing the returns under section~~ 256964
~~5747.07 of the Revised Code by employers who remit undeposited~~ 256965
~~taxes by electronic funds transfer. The rules may permit the~~ 256966
~~filing of returns at less frequent intervals than required by that~~ 256967
~~division if the treasurer of state and the tax commissioner~~ 256968
~~determine that remittance by electronic funds transfer warrants~~ 256969
~~less frequent filing of returns.~~ 256970

An employer required by this section to remit taxes ~~by~~ 256971
~~electronic funds transfer~~ electronically may apply to the 256972
~~treasurer of state~~ commissioner to be excused from that 256973
requirement. The ~~treasurer of state~~ commissioner may excuse the 256974
employer from electronic remittance ~~by electronic funds transfer~~ 256975

for good cause shown for the period of time requested by the 256976
employer or a portion of that period. The ~~treasurer~~ commissioner 256977
shall notify the ~~tax commissioner~~ and the employer of the 256978
~~treasurer's~~ commissioner's decision as soon as is practicable. 256979

(B) If an employer required by this section to remit 256980
undeposited taxes ~~by electronic funds transfer~~ electronically 256981
remits those taxes by some other means ~~other than electronic funds~~ 256982
~~transfer as prescribed by the rules adopted by the treasurer of~~ 256983
~~state, and the treasurer~~ tax commissioner determines that such 256984
failure was not due to reasonable cause or was due to willful 256985
neglect, the ~~treasurer shall notify the tax commissioner of the~~ 256986
~~failure to remit by electronic funds transfer and shall provide~~ 256987
~~the commissioner with any information used in making that~~ 256988
~~determination. The tax~~ commissioner may collect an additional 256989
charge by assessment in the manner prescribed by section 5747.13 256990
of the Revised Code. The additional charge shall equal five per 256991
cent of the amount of the undeposited taxes, but shall not exceed 256992
five thousand dollars. Any additional charge assessed under this 256993
section is in addition to any other penalty or charge imposed by 256994
this chapter, and shall be considered as revenue arising from the 256995
taxes imposed by this chapter. The ~~tax~~ commissioner may remit all 256996
or a portion of such a charge and may adopt rules governing such 256997
remission. 256998

No additional charge shall be assessed under this division 256999
against an employer that has been notified of its obligation to 257000
remit taxes electronically under this section and that remits its 257001
first two tax payments after such notification by some other means 257002
~~other than electronic funds transfer~~. The additional charge may be 257003
assessed upon the remittance of any subsequent tax payment that 257004
the employer remits by some means other than ~~electronic funds~~ 257005
~~transfer~~ electronically. 257006

Sec. 5747.42. (A) In addition to the other returns required 257007
to be filed and other remittances required to be made pursuant to 257008
this chapter, every qualifying entity or electing pass-through 257009
entity that is subject to the tax imposed by section 5733.41, 257010
5747.38, or 5747.41 of the Revised Code shall file an annual 257011
return as follows: 257012

(1) For a qualifying entity, on or before the fifteenth day 257013
of the fourth month following the end of the entity's qualifying 257014
taxable year; 257015

(2) For an electing pass-through entity, on or before the 257016
fifteenth day of April following the end of the entity's taxable 257017
year that ends in the preceding calendar year. 257018

Each entity shall also remit to the tax commissioner, with 257019
the remittance made payable to the treasurer of state, the amount 257020
of the taxes shown to be due on the return, less the amount paid 257021
for the taxable year on a declaration of estimated tax report 257022
filed by the taxpayer as provided by section 5747.43 of the 257023
Revised Code. Remittance shall be made in the form prescribed by 257024
the tax commissioner, including ~~electronic funds transfer~~ 257025
electronically if required by section 5747.44 of the Revised Code. 257026

A domestic qualifying entity shall not dissolve, and a 257027
foreign qualifying entity shall not withdraw or retire from 257028
business in this state, without filing the tax returns and paying 257029
the taxes charged for the year in which such dissolution or 257030
withdrawal occurs. 257031

(B) The tax commissioner shall furnish qualifying entities or 257032
electing pass-through entities, upon request, copies of the forms 257033
prescribed by the commissioner for the purpose of making the 257034
returns required by sections 5747.42 to 5747.453 of the Revised 257035
Code. 257036

(C) The annual return required by this section shall be signed by the applicable entity's trustee or other fiduciary, or president, vice-president, secretary, treasurer, general manager, general partner, superintendent, or managing agent in this state. The annual return shall contain the facts, figures, computations, and attachments that result in the tax charged by section 5733.41, 5747.38, or 5747.41 of the Revised Code. Each entity also shall file with its annual return all of the following:

(1) In the case of the tax charged by section 5733.41 or 5747.41 of the Revised Code, the full name and address of each qualifying investor or qualifying beneficiary unless the qualifying entity submits such information in accordance with division (D) of this section;

(2) In the case of the tax charged by section 5733.41 or 5747.41 of the Revised Code, the social security number, federal employer identification number, or other identifying number of each qualifying investor or qualifying beneficiary, unless the taxpayer submits that information in accordance with division (D) of this section;

(3) In the case of the tax charged by section 5747.38 of the Revised Code, the full name and address and the social security number, federal employer identification number, or other identifying number of each owner of the electing pass-through entity, unless the entity submits such information in accordance with division (D) of this section;

(4) The amount of tax imposed by sections 5733.41 and 5747.41 or by section 5747.38 of the Revised Code, and the amount of the tax paid by the entity, for the applicable taxable year covered by the annual return;

(5) The amount of tax imposed by sections 5733.41 and 5747.41 or by section 5747.38 of the Revised Code that is attributable to

each qualifying investor, qualifying beneficiary, or owner, as 257068
applicable, unless the entity submits this information in 257069
accordance with division (D) of this section. 257070

(D) On the date the annual return is due, including 257071
extensions of time, if any, the applicable entity may be required 257072
by rule to transmit electronically or by magnetic media the 257073
information set forth in division (C) of this section. The tax 257074
commissioner may adopt rules governing the format for the 257075
transmission of such information. The tax commissioner may exempt 257076
an entity or a class of entities from the requirements imposed by 257077
this division. 257078

(E) Upon good cause shown, the tax commissioner may extend 257079
the period for filing any return required to be filed under this 257080
section or section 5747.43 or 5747.44 of the Revised Code and for 257081
transmitting any information required to be transmitted under 257082
those sections. The tax commissioner may adopt rules relating to 257083
extensions of time to file and to transmit. At the time an entity 257084
pays any tax imposed under section 5733.41, 5747.38, or 5747.41 of 257085
the Revised Code or estimated tax as required under section 257086
5747.43 of the Revised Code, the entity also shall pay interest 257087
computed at the rate per annum prescribed by section 5703.47 of 257088
the Revised Code on that tax or estimated tax, from the time the 257089
tax or estimated tax originally was required to be paid, without 257090
consideration of any filing extensions, to the time of actual 257091
payment. Nothing in this division shall be construed to abate, 257092
modify, or limit the imposition of any penalties imposed for the 257093
failure to timely pay taxes under this chapter or Chapter 5733. of 257094
the Revised Code without consideration of any filing extensions. 257095

Sec. 5747.44. (A) If a qualifying entity's or an electing 257096
pass-through entity's total liability for taxes imposed under 257097
sections 5733.41 and 5747.41 or under section 5747.38 of the 257098

Revised Code exceeds one hundred eighty thousand dollars for the 257099
second preceding taxable year or qualifying taxable year, as 257100
applicable, the entity shall make all payments required under 257101
sections 5747.42 and 5747.43 or under section 5747.38 of the 257102
Revised Code ~~by electronic funds transfer as~~ electronically in the 257103
manner prescribed by ~~this section and rules adopted by the~~ 257104
~~treasurer of state under section 113.061 of the Revised Code~~ the 257105
tax commissioner. 257106

The tax commissioner shall notify each qualifying entity and 257107
electing pass-through entity required to remit taxes ~~by electronic~~ 257108
~~funds transfer~~ electronically of the entity's obligation to do so, 257109
~~shall maintain an updated list of those entities, and shall~~ 257110
~~provide the list and any additions thereto or deletions therefrom~~ 257111
~~to the treasurer of state.~~ Failure by the ~~tax~~ commissioner to 257112
notify an entity subject to this section to remit taxes ~~by~~ 257113
~~electronic funds transfer~~ electronically does not relieve the 257114
entity of its obligation to remit taxes ~~by electronic funds~~ 257115
~~transfer in that manner.~~ 257116

(B) Except as otherwise provided in this division, the 257117
payment of taxes ~~by electronic funds transfer~~ electronically does 257118
not affect a qualifying entity's or an electing pass-through 257119
entity's obligation to file the returns required under sections 257120
5747.42 and 5747.43 of the Revised Code. ~~The treasurer of state,~~ 257121
~~in consultation with the tax commissioner, may adopt rules in~~ 257122
~~addition to the rules adopted under section 113.061 of the Revised~~ 257123
~~Code governing the format for filing returns by qualifying~~ 257124
~~entities and electing pass through entities that remit taxes by~~ 257125
~~electronic funds transfer. The rules may provide for the filing of~~ 257126
~~returns at less frequent intervals than otherwise required if the~~ 257127
~~treasurer of state and the tax commissioner determine that~~ 257128
~~remittance by electronic funds transfer warrants less frequent~~ 257129
~~filing of returns.~~ 257130

(C) A qualifying entity or an electing pass-through entity 257131
required by this section to remit taxes ~~by electronic funds~~ 257132
~~transfer~~ electronically may apply to the ~~treasurer of state tax~~ 257133
commissioner in the manner prescribed by the ~~treasurer of state~~ 257134
commissioner to be excused from that requirement. The ~~treasurer of~~ 257135
~~state commissioner~~ may excuse the entity from electronic 257136
remittance ~~by electronic funds transfer~~ for good cause shown for 257137
the period of time requested by the entity or for a portion of 257138
that period. The ~~treasurer of state commissioner~~ shall notify the 257139
~~tax commissioner and~~ the entity of the ~~treasurer of state's~~ 257140
commissioner's decision as soon as is practicable. 257141

(D) If a qualifying entity or an electing pass-through entity 257142
required by this section to remit taxes ~~by electronic funds~~ 257143
~~transfer~~ electronically remits those taxes by some means other 257144
than ~~by electronic funds transfer~~ electronically as prescribed by 257145
this section ~~and the rules adopted by the treasurer of state, and~~ 257146
the ~~treasurer of state tax commissioner~~ determines that such 257147
failure was not due to reasonable cause or was due to willful 257148
neglect, the ~~treasurer of state shall notify the tax commissioner~~ 257149
~~of the failure to remit by electronic funds transfer and shall~~ 257150
~~provide the commissioner with any information used in making that~~ 257151
~~determination. The tax~~ commissioner may collect an additional 257152
charge by assessment in the manner prescribed by section 5747.13 257153
of the Revised Code. The additional charge shall equal five per 257154
cent of the amount of the taxes required to be paid ~~by electronic~~ 257155
~~funds transfer~~ electronically, but shall not exceed five thousand 257156
dollars. Any additional charge assessed under this section is in 257157
addition to any other penalty or charge imposed under this chapter 257158
or Chapter 5733. of the Revised Code, and shall be considered as 257159
revenue arising from the taxes imposed under sections 5733.41 and 257160
5747.41 or under section 5747.38 of the Revised Code. The ~~tax~~ 257161
commissioner may remit all or a portion of such a charge and may 257162
adopt rules governing such remission. 257163

No additional charge shall be assessed under this division 257164
against a qualifying entity or an electing pass-through entity 257165
that has been notified of its obligation to remit taxes 257166
electronically under this section and that remits its first two 257167
tax payments after such notification by some other means ~~other~~ 257168
~~than electronic funds transfer~~. The additional charge may be 257169
assessed upon the remittance of any subsequent tax payment that 257170
the entity remits by some means other than ~~electronic funds~~ 257171
~~transfer~~ electronically. 257172

Sec. 5747.451. (A) The mere retirement from business or 257173
voluntary dissolution of a domestic or foreign qualifying entity 257174
or electing pass-through entity does not exempt it from the 257175
requirements to make reports as required under sections 5747.42 to 257176
5747.44 or to pay the taxes imposed under section 5733.41, 257177
5747.38, or 5747.41 of the Revised Code. If any qualifying entity 257178
or electing pass-through entity subject to the taxes imposed under 257179
section 5733.41, 5747.38, or 5747.41 of the Revised Code sells its 257180
business or stock of merchandise or quits its business, the taxes 257181
required to be paid prior to that time, together with any interest 257182
or penalty thereon, become due and payable immediately, and the 257183
entity shall make a final return within fifteen days after the 257184
date of selling or quitting business. The successor of the 257185
qualifying entity or electing pass-through entity shall withhold a 257186
sufficient amount of the purchase money to cover the amount of 257187
such taxes, interest, and penalties due and unpaid until the 257188
entity produces a receipt from the tax commissioner showing that 257189
the taxes, interest, and penalties have been paid, or a 257190
certificate indicating that no taxes are due. If the purchaser of 257191
the business or stock of goods fails to withhold purchase money, 257192
the purchaser is personally liable for the payment of the taxes, 257193
interest, and penalties accrued and unpaid during the operation of 257194
the business by the entity. If the amount of those taxes, 257195

interest, and penalty unpaid at the time of the purchase exceeds 257196
the total purchase money, the tax commissioner may adjust the 257197
entity's liability for those taxes, interest, and penalty, or 257198
adjust the responsibility of the purchaser to pay that liability, 257199
in a manner calculated to maximize the collection of those 257200
liabilities. 257201

(B) Annually, on the last day of each qualifying taxable year 257202
of a qualifying entity or taxable year of an electing pass-through 257203
entity, the taxes imposed under section 5733.41, 5747.38, or 257204
5747.41 of the Revised Code, together with any penalties 257205
subsequently accruing thereon, become a lien on all property in 257206
this state of the entity, whether such property is employed by the 257207
entity in the prosecution of its business or is in the hands of an 257208
assignee, trustee, or receiver for the benefit of the entity's 257209
creditors and investors. The lien shall continue until those 257210
taxes, together with any penalties subsequently accruing, are 257211
paid. 257212

Upon failure of such a qualifying entity or an electing 257213
pass-through entity to pay those taxes on the day fixed for 257214
payment, ~~the treasurer of state shall thereupon notify the tax~~ 257215
~~commissioner, and the~~ tax commissioner may file, in the office of 257216
the county recorder in each county in this state in which the 257217
entity owns or has a beneficial interest in real estate, notice of 257218

fee shall be charged for such a filing. The lien is not valid as 257220
against any mortgagee, purchaser, or judgment creditor whose 257221
rights have attached prior to the time the notice is so filed in 257222
the county in which the real estate which is the subject of such 257223
mortgage, purchase, or judgment lien is located. The notice shall 257224
be recorded in the official records kept by the county recorder 257225
and indexed under the name of the entity charged with the tax. 257226
When the tax, together with any penalties subsequently accruing 257227

thereon, have been paid, the tax commissioner shall furnish to the 257228
entity an acknowledgment of such payment that the entity may 257229
record with the county recorder of each county in which notice of 257230
such lien has been filed, for which recording the county recorder 257231
shall charge and receive a fee of two dollars. 257232

(C) In addition to all other remedies for the collection of 257233
any taxes or penalties due under law, whenever any taxes, 257234
interest, or penalties due from any qualifying entity or electing 257235
pass-through entity under section 5733.41 of the Revised Code or 257236
this chapter have remained unpaid for a period of ninety days, or 257237
whenever any qualifying entity or electing pass-through entity has 257238
failed for a period of ninety days to make any report or return 257239
required by law, or to pay any penalty for failure to make or file 257240
such report or return, the attorney general, upon the request of 257241
the tax commissioner, shall file a petition in the court of common 257242
pleas in the county of the state in which such entity has its 257243
principal place of business for a judgment for the amount of the 257244
taxes, interest, or penalties appearing to be due, the enforcement 257245
of any lien in favor of the state, and an injunction to restrain 257246
such entity and its officers, directors, and managing agents from 257247
the transaction of any business within this state, other than such 257248
acts as are incidental to liquidation or winding up, until the 257249
payment of such taxes, interest, and penalties, and the costs of 257250
the proceeding fixed by the court, or the making and filing of 257251
such report or return. 257252

The petition shall be in the name of the state. Any of the 257253
qualifying entities or electing pass-through entities having its 257254
principal places of business in the county may be joined in one 257255
suit. On the motion of the attorney general, the court of common 257256
pleas shall enter an order requiring all defendants to answer by a 257257
day certain, and may appoint a special master commissioner to take 257258
testimony, with such other power and authority as the court 257259

confers, and permitting process to be served by registered mail 257260
and by publication in a newspaper of general circulation in the 257261
county, which publication need not be made more than once, setting 257262
forth the name of each delinquent entity, the matter in which the 257263
entity is delinquent, the names of its officers, directors, and 257264
managing agents, if set forth in the petition, and the amount of 257265
any taxes, fees, or penalties claimed to be owing by the entity. 257266

All or any of the trustees or other fiduciaries, officers, 257267
directors, investors, beneficiaries, or managing agents of any 257268
qualifying entity or electing pass-through entity may be joined as 257269
defendants with such entity. 257270

If it appears to the court upon hearing that any qualifying 257271
entity or electing pass-through entity that is a party to the 257272
proceeding is indebted to the state for taxes imposed under 257273
section 5733.41, 5747.38, or 5747.41 of the Revised Code, or 257274
interest or penalties thereon, judgment shall be entered therefor 257275
with interest; and if it appears that any qualifying entity or 257276
electing pass-through entity has failed to make or file any report 257277
or return, a mandatory injunction may be issued against the 257278
entity, its trustees or other fiduciaries, officers, directors, 257279
and managing agents, enjoining them from the transaction of any 257280
business within this state, other than acts incidental to 257281
liquidation or winding up, until the making and filing of all 257282
proper reports or returns and until the payment in full of all 257283
taxes, interest, and penalties. 257284

If the trustees or other fiduciaries, officers, directors, 257285
investors, beneficiaries, or managing agents of a qualifying 257286
entity or an electing pass-through entity are not made parties in 257287
the first instance, and a judgment or an injunction is rendered or 257288
issued against the entity, those officers, directors, investors, 257289
or managing agents may be made parties to such proceedings upon 257290
the motion of the attorney general, and, upon notice to them of 257291

the form and terms of such injunction, they shall be bound thereby 257292
as fully as if they had been made parties in the first instance. 257293

In any action authorized by this division, a statement of the 257294
tax commissioner, or the secretary of state, when duly certified, 257295
shall be prima-facie evidence of the amount of taxes, interest, or 257296
penalties due from any qualifying entity or electing pass-through 257297
entity, or of the failure of any such entity to file with the 257298
commissioner or the secretary of state any report required by law, 257299
and any such certificate of the commissioner or the secretary of 257300
state may be required in evidence in any such proceeding. 257301

On the application of any defendant and for good cause shown, 257302
the court may order a separate hearing of the issues as to any 257303
defendant. 257304

The costs of the proceeding shall be apportioned among the 257305
parties as the court deems proper. 257306

The court in such proceeding may make, enter, and enforce 257307
such other judgments and orders and grant such other relief as is 257308
necessary or incidental to the enforcement of the claims and lien 257309
of the state. 257310

In the performance of the duties enjoined upon the attorney 257311
general by this division, the attorney general may direct any 257312
prosecuting attorney to bring an action, as authorized by this 257313
division, in the name of the state with respect to any delinquent 257314
qualifying entities or delinquent electing pass-through entities 257315
within the prosecuting attorney's county, and like proceedings and 257316
orders shall be had as if such action were instituted by the 257317
attorney general. 257318

(D) If any qualifying entity or electing pass-through entity 257319
fails to make and file the reports or returns required under this 257320
chapter, or to pay the penalties provided by law for failure to 257321
make and file such reports or returns for a period of ninety days 257322

after the time prescribed by this chapter, the attorney general, 257323
on the request of the tax commissioner, shall commence an action 257324
in quo warranto in the court of appeals of the county in which 257325
that entity has its principal place of business to forfeit and 257326
annul its privileges and franchises. If the court is satisfied 257327
that any such entity is in default, it shall render judgment 257328
ousting such entity from the exercise of its privileges and 257329
franchises within this state, and shall otherwise proceed as 257330
provided in sections 2733.02 to 2733.39 of the Revised Code. 257331

(2) The loan proceeds will be delivered to the trustee of the trust or will otherwise be principally used for the benefit of one or more beneficiaries of the trust.

(3) The interest in the real property is reconveyed back to one or more trustees of the trust within a reasonable time after the reconveying beneficiary acquired actual notice that the lender has perfected the lender's collateral rights in and to the interest in the real property.

(4) The lender in question is any of the following:

(a) A bank, thrift, savings bank, savings and loan association, credit union, or any other similar financial institution if the activities of the other similar financial institution are subject to supervision by the Ohio superintendent of financial institutions, the federal deposit insurance corporation, the comptroller of the currency, ~~the office of thrift supervision,~~ any other comparable state or federal regulatory agency or entity, or a successor of any of them;

(B) If a temporary conveyance and reconveyance of an interest 257477
in real property is made for the principal purpose of allowing a 257478
lender to acquire, perfect, foreclose on, or exercise collateral 257479
rights in and to the real property interest in question, the 257480
temporary conveyance to a beneficiary shall be disregarded for all 257481
other purposes, and the reconveyance back to a trustee shall 257482
relate back to the date immediately preceding that reconveyance on 257483
which the interest in the real property was transferred to any 257484
trustee of the trust in a transaction other than a loan 257485
transaction described in division (A)(1) of this section. 257486

(C) In connection with any temporary conveyance and 257487
reconveyance of an interest in real property pursuant to division 257488
(A) of this section, the following shall survive unimpaired after 257489

(A)(3) of this section: 257491

(1) The rights, duties, and obligations of a lender under the 257492
documents governing the loan transaction, including, but not 257493
limited to, any of the following to the extent they are provided 257494

the interest being reconveyed, including, but not limited to, a 257501
lender's right to foreclose on that interest in real property; 257502

(c) The lender's obligations to make loans or advances or to 257503
provide any person with any notice called for by the documents 257504
governing the loan transaction. 257505

(2) The rights, duties, and obligations of any debtor under 257506

any documents governing the loan transaction, including, but not 257507
limited to, the following to the extent they are provided for in 257508
those documents: 257509

(a) The duty to repay the lender or any other person who is 257510
entitled to receive payments under the documents governing the 257511

transaction. 257517

(D) The following apply for purposes of division (A)(1) of 257518
this section: 257519

(1) A court shall liberally construe the temporary conveyance 257520
to a beneficiary of the trust in question in determining whether 257521
the principal purpose of the temporary conveyance is to enable 257522
some or all of the interest in the real property to be used as 257523
collateral in a loan transaction. 257524

(2) An interest in real property shall be considered to be 257525
used as collateral if, as part of a lending transaction, that 257526
interest is wholly or partially made subject to a mortgage, deed 257527
of trust, lien, encumbrance, or any other similar or comparable 257528
instrument or arrangement used to give the lender collateral 257529
rights in and to that interest. 257530

(E) A court shall liberally construe division (A)(2) of this 257531
section in determining whether the loan proceeds referred to in 257532
that division will be principally used for the benefit of one or 257533
more beneficiaries of the trust in question. 257534

(F) For purposes of division (A)(3) of this section, any 257535
reconveyance to a trustee shall be considered to have occurred 257536

within a reasonable time if it is made within one hundred twenty 257537
days of the date on which the reconveying beneficiary acquired 257538
actual notice that the lender has perfected the lender's 257539
collateral rights in and to the interest in the real property. In 257540
all other cases, a court shall consider all relevant facts and 257541
circumstances in determining whether a beneficiary has reconveyed 257542
the interest in the real property back to a trustee within a 257543
reasonable time after the reconveying beneficiary acquired that 257544
actual notice. 257545

(G)(1) A court shall liberally construe division (A)(4) of 257546
this section in determining whether a corporation, limited 257547
liability company, partnership, or other similar or comparable 257548
entity qualifies as a lender within the meaning of that division. 257549

(2) Subject to the rule of liberal interpretation set forth 257550
in division (G)(1) of this section, the Ohio superintendent of 257551
financial institutions may from time to time issue regulations 257552
setting forth a nonexhaustive list of entities that qualify as a 257553
lender within the meaning of division (A)(4) of this section and 257554
also may from time to time issue regulations setting forth 257555
specific entities or classes of entities that do not qualify as a 257556
lender within the meaning of that division. 257557

(H) An interest in real property may be subject to or 257558
involved in more than one loan transaction undertaken pursuant to 257559
this section. 257560

substance addiction services provider or a recovering addict, 259494
trafficking in a fentanyl-related compound is a felony of the 259495
first degree, the offender is a major drug offender, and the court 259496
shall impose as a mandatory prison term the maximum prison term 259497
prescribed for a felony of the first degree. 259498

(10) If the drug involved in the violation is a compound, 259499
mixture, preparation, or substance that is a combination of a 259500
fentanyl-related compound and marihuana, one of the following 259501
applies: 259502

(a) Except as otherwise provided in division (C)(10)(b) of 259503
this section, the offender is guilty of trafficking in marihuana 259504
and shall be punished under division (C)(3) of this section. The 259505
offender is not guilty of trafficking in a fentanyl-related 259506
compound and shall not be charged with, convicted of, or punished 259507
under division (C)(9) of this section for trafficking in a 259508
fentanyl-related compound. 259509

(b) If the offender knows or has reason to know that the 259510
compound, mixture, preparation, or substance that is the drug 259511
involved contains a fentanyl-related compound, the offender is 259512
guilty of trafficking in a fentanyl-related compound and shall be 259513
punished under division (C)(9) of this section. 259514

(D) In addition to any prison term authorized or required by 259515
division (C) of this section and sections 2929.13 and 2929.14 of 259516
the Revised Code, and in addition to any other sanction imposed 259517
for the offense under this section or sections 2929.11 to 2929.18 259518
of the Revised Code, the court that sentences an offender who is 259519

convicted of or pleads guilty to a violation of division (A) of 259520
this section may suspend the driver's or commercial driver's 259521
license or permit of the offender in accordance with division (G) 259522
of this section. However, if the offender pleaded guilty to or was 259523
convicted of a violation of section 4511.19 of the Revised Code or 259524
a substantially similar municipal ordinance or the law of another 259525
state or the United States arising out of the same set of 259526
circumstances as the violation, the court shall suspend the 259527
offender's driver's or commercial driver's license or permit in 259528
accordance with division (G) of this section. If applicable, the 259529
court also shall do the following: 259530

(1) If the violation of division (A) of this section is a 259531
felony of the first, second, or third degree, the court shall 259532
impose upon the offender the mandatory fine specified for the 259533
offense under division (B)(1) of section 2929.18 of the Revised 259534
Code unless, as specified in that division, the court determines 259535
that the offender is indigent. Except as otherwise provided in 259536
division (H)(1) of this section, a mandatory fine or any other 259537
fine imposed for a violation of this section is subject to 259538
division (F) of this section. If a person is charged with a 259539
violation of this section that is a felony of the first, second, 259540
or third degree, posts bail, and forfeits the bail, the clerk of 259541
the court shall pay the forfeited bail pursuant to divisions 259542
(D)(1) and (F) of this section, as if the forfeited bail was a 259543
fine imposed for a violation of this section. If any amount of the 259544
forfeited bail remains after that payment and if a fine is imposed 259545
under division (H)(1) of this section, the clerk of the court 259546
shall pay the remaining amount of the forfeited bail pursuant to 259547
divisions (H)(2) and (3) of this section, as if that remaining 259548
amount was a fine imposed under division (H)(1) of this section. 259549

(2) If the offender is a professionally licensed person, the 259550
court immediately shall comply with section 2925.38 of the Revised 259551

Code. 259552

(E) When a person is charged with the sale of or offer to 259553
sell a bulk amount or a multiple of a bulk amount of a controlled 259554
substance, the jury, or the court trying the accused, shall 259555
determine the amount of the controlled substance involved at the 259556
time of the offense and, if a guilty verdict is returned, shall 259557
return the findings as part of the verdict. In any such case, it 259558
is unnecessary to find and return the exact amount of the 259559
controlled substance involved, and it is sufficient if the finding 259560
and return is to the effect that the amount of the controlled 259561
substance involved is the requisite amount, or that the amount of 259562
the controlled substance involved is less than the requisite 259563
amount. 259564

(F)(1) Notwithstanding any contrary provision of section 259565
3719.21 of the Revised Code and except as provided in division (H) 259566
of this section, the clerk of the court shall pay any mandatory 259567
fine imposed pursuant to division (D)(1) of this section and any 259568
fine other than a mandatory fine that is imposed for a violation 259569
of this section pursuant to division (A) or (B)(5) of section 259570
2929.18 of the Revised Code to the county, township, municipal 259571
corporation, park district, as created pursuant to section 511.18 259572
or 1545.04 of the Revised Code, or state law enforcement agencies 259573
in this state that primarily were responsible for or involved in 259574
making the arrest of, and in prosecuting, the offender. However, 259575
the clerk shall not pay a mandatory fine so imposed to a law 259576
enforcement agency unless the agency has adopted a written 259577
internal control policy under division (F)(2) of this section that 259578
addresses the use of the fine moneys that it receives. Each agency 259579
shall use the mandatory fines so paid to subsidize the agency's 259580
law enforcement efforts that pertain to drug offenses, in 259581
accordance with the written internal control policy adopted by the 259582
recipient agency under division (F)(2) of this section. 259583

(2) Prior to receiving any fine moneys under division (F)(1) 259584
of this section or division (B) of section 2925.42 of the Revised 259585
Code, a law enforcement agency shall adopt a written internal 259586
control policy that addresses the agency's use and disposition of 259587
all fine moneys so received and that provides for the keeping of 259588
detailed financial records of the receipts of those fine moneys, 259589
the general types of expenditures made out of those fine moneys, 259590
and the specific amount of each general type of expenditure. The 259591
policy shall not provide for or permit the identification of any 259592
specific expenditure that is made in an ongoing investigation. All 259593
financial records of the receipts of those fine moneys, the 259594
general types of expenditures made out of those fine moneys, and 259595
the specific amount of each general type of expenditure by an 259596
agency are public records open for inspection under section 149.43 259597
of the Revised Code. Additionally, a written internal control 259598
policy adopted under this division is such a public record, and 259599
the agency that adopted it shall comply with it. 259600

(3) As used in division (F) of this section: 259601

(a) "Law enforcement agencies" includes, but is not limited 259602
to, the state board of pharmacy and the office of a prosecutor. 259603

(b) "Prosecutor" has the same meaning as in section 2935.01 259604
of the Revised Code. 259605

(G)(1) If the sentencing court suspends the offender's 259606
driver's or commercial driver's license or permit under division 259607
(D) of this section or any other provision of this chapter, the 259608
court shall suspend the license, by order, for not more than five 259609
years. If an offender's driver's or commercial driver's license or 259610
permit is suspended pursuant to this division, the offender, at 259611
any time after the expiration of two years from the day on which 259612
the offender's sentence was imposed or from the day on which the 259613
offender finally was released from a prison term under the 259614
sentence, whichever is later, may file a motion with the 259615

sentencing court requesting termination of the suspension; upon 259616
the filing of such a motion and the court's finding of good cause 259617
for the termination, the court may terminate the suspension. 259618

(2) Any offender who received a mandatory suspension of the 259619
offender's driver's or commercial driver's license or permit under 259620
this section prior to September 13, 2016, may file a motion with 259621
the sentencing court requesting the termination of the suspension. 259622
However, an offender who pleaded guilty to or was convicted of a 259623
violation of section 4511.19 of the Revised Code or a 259624
substantially similar municipal ordinance or law of another state 259625
or the United States that arose out of the same set of 259626
circumstances as the violation for which the offender's license or 259627
permit was suspended under this section shall not file such a 259628
motion. 259629

Upon the filing of a motion under division (G)(2) of this 259630
section, the sentencing court, in its discretion, may terminate 259631
the suspension. 259632

(H)(1) In addition to any prison term authorized or required 259633
by division (C) of this section and sections 2929.13 and 2929.14 259634
of the Revised Code, in addition to any other penalty or sanction 259635
imposed for the offense under this section or sections 2929.11 to 259636
2929.18 of the Revised Code, and in addition to the forfeiture of 259637
property in connection with the offense as prescribed in Chapter 259638
2981. of the Revised Code, the court that sentences an offender 259639
who is convicted of or pleads guilty to a violation of division 259640
(A) of this section may impose upon the offender an additional 259641
fine specified for the offense in division (B)(4) of section 259642
2929.18 of the Revised Code. A fine imposed under division (H)(1) 259643
of this section is not subject to division (F) of this section and 259644
shall be used solely for the support of one or more eligible 259645
community addiction services providers in accordance with 259646
divisions (H)(2) and (3) of this section. 259647

(2) The court that imposes a fine under division (H)(1) of this section shall specify in the judgment that imposes the fine one or more eligible community addiction services providers for the support of which the fine money is to be used. No community addiction services provider shall receive or use money paid or collected in satisfaction of a fine imposed under division (H)(1) of this section unless the services provider is specified in the judgment that imposes the fine. No community addiction services provider shall be specified in the judgment unless the services provider is an eligible community addiction services provider and, except as otherwise provided in division (H)(2) of this section, unless the services provider is located in the county in which the court that imposes the fine is located or in a county that is immediately contiguous to the county in which that court is located. If no eligible community addiction services provider is located in any of those counties, the judgment may specify an eligible community addiction services provider that is located anywhere within this state.

(3) Notwithstanding any contrary provision of section 3719.21 of the Revised Code, the clerk of the court shall pay any fine imposed under division (H)(1) of this section to the eligible community addiction services provider specified pursuant to division (H)(2) of this section in the judgment. The eligible community addiction services provider that receives the fine moneys shall use the moneys only for the alcohol and drug addiction services identified in the application for certification of services under section 5119.36 of the Revised Code or in the application for a license under section 5119.37 of the Revised Code filed with the department of mental health and addiction services by the community addiction services provider specified in the judgment.

(4) Each community addiction services provider that receives

in a calendar year any fine moneys under division (H)(3) of this section shall file an annual report covering that calendar year with the court of common pleas and the board of county commissioners of the county in which the services provider is located, with the court of common pleas and the board of county commissioners of each county from which the services provider received the moneys if that county is different from the county in which the services provider is located, and with the attorney general. The community addiction services provider shall file the report no later than the first day of March in the calendar year following the calendar year in which the services provider received the fine moneys. The report shall include statistics on the number of persons served by the community addiction services provider, identify the types of alcohol and drug addiction services provided to those persons, and include a specific accounting of the purposes for which the fine moneys received were used. No information contained in the report shall identify, or enable a person to determine the identity of, any person served by the community addiction services provider. Each report received by a court of common pleas, a board of county commissioners, or the attorney general is a public record open for inspection under section 149.43 of the Revised Code.

Sec. 4731.07. (A) The state medical board shall keep a record 262341
of its proceedings. The minutes of a meeting of the board shall, 262342
on approval by the board, constitute an official record of its 262343
proceedings. 262344

(B) The board shall keep a register of applicants for 262345
licenses and certificates issued under this chapter; licenses 262346
issued under Chapters 4730., 4760., 4762., 4772., 4774., and 262347
4778.; and licenses and limited permits issued under Chapters 262348
4759. and 4761. of the Revised Code. The register shall show the 262349
name of the applicant and whether the applicant was granted or 262350
refused the license, certificate, or limited permit being sought. 262351

With respect to applicants to practice medicine and surgery 262352
or osteopathic medicine and surgery, the register shall show the 262353
name of the institution that granted the applicant the degree of 262354
doctor of medicine or osteopathic medicine. With respect to 262355
applicants to practice respiratory care, the register shall show 262356
the addresses of the person's last known place of business and 262357
residence, the effective date and identification number of the 262358
license or limited permit, and, if applicable, the name and 262359
location of the institution that granted the person's degree or 262360
certificate of completion of respiratory care educational 262361
requirements and the date the degree or certificate of completion 262362
was issued. 262363

(C) The books and records of the board shall be prima-facie 262364
evidence of matters therein contained. 262365

Sec. 4731.071. The state medical board shall develop and 262366
publish on its internet web site a directory containing the names 262367
of, and contact information for, all persons who hold current, 262368
valid certificates or licenses issued by the board under this 262369

chapter or Chapter 4730., 4759., 4760., 4761., 4762., 4772., 262370
4774., or 4778. of the Revised Code. Except as provided in section 262371
4731.10 of the Revised Code, the directory shall be the sole 262372
source for verifying that a person holds a current, valid 262373
certificate or license issued by the board. 262374

Sec. 4731.22. (A) The state medical board, by an affirmative 262375
vote of not fewer than six of its members, may limit, revoke, or 262376
suspend a license or certificate to practice or certificate to 262377
recommend, refuse to grant a license or certificate, refuse to 262378
renew a license or certificate, refuse to reinstate a license or 262379
certificate, or reprimand or place on probation the holder of a 262380
license or certificate if the individual applying for or holding 262381
the license or certificate is found by the board to have committed 262382
fraud during the administration of the examination for a license 262383
or certificate to practice or to have committed fraud, 262384
misrepresentation, or deception in applying for, renewing, or 262385
securing any license or certificate to practice or certificate to 262386
recommend issued by the board. 262387

(B) Except as provided in division (P) of this section, the 262388
board, by an affirmative vote of not fewer than six members, 262389
shall, to the extent permitted by law, limit, revoke, or suspend a 262390
license or certificate to practice or certificate to recommend, 262391
refuse to issue a license or certificate, refuse to renew a 262392
license or certificate, refuse to reinstate a license or 262393
certificate, or reprimand or place on probation the holder of a 262394
license or certificate for one or more of the following reasons: 262395

(1) Permitting one's name or one's license or certificate to 262396
practice to be used by a person, group, or corporation when the 262397
individual concerned is not actually directing the treatment 262398
given; 262399

(2) Failure to maintain minimal standards applicable to the 262400

selection or administration of drugs, or failure to employ 262401
acceptable scientific methods in the selection of drugs or other 262402
modalities for treatment of disease; 262403

(3) Except as provided in section 4731.97 of the Revised 262404
Code, selling, giving away, personally furnishing, prescribing, or 262405
administering drugs for other than legal and legitimate 262406
therapeutic purposes or a plea of guilty to, a judicial finding of 262407
guilt of, or a judicial finding of eligibility for intervention in 262408
lieu of conviction of, a violation of any federal or state law 262409
regulating the possession, distribution, or use of any drug; 262410

(4) Willfully betraying a professional confidence. 262411

For purposes of this division, "willfully betraying a 262412
professional confidence" does not include providing any 262413
information, documents, or reports under sections 307.621 to 262414
307.629 of the Revised Code to a child fatality review board; does 262415
not include providing any information, documents, or reports under 262416
sections 307.631 to 307.6410 of the Revised Code to a drug 262417
overdose fatality review committee, a suicide fatality review 262418
committee, or hybrid drug overdose fatality and suicide fatality 262419
review committee; does not include providing any information, 262420
documents, or reports under sections 307.651 to 307.659 of the 262421
Revised Code to a domestic violence fatality review board; does 262422
not include providing any information, documents, or reports to 262423
the director of health pursuant to guidelines established under 262424
section 3701.70 of the Revised Code; does not include written 262425
notice to a mental health professional under section 4731.62 of 262426
the Revised Code; and does not include the making of a report of 262427
an employee's use of a drug of abuse, or a report of a condition 262428
of an employee other than one involving the use of a drug of 262429
abuse, to the employer of the employee as described in division 262430
(B) of section 2305.33 of the Revised Code. Nothing in this 262431
division affects the immunity from civil liability conferred by 262432

section 2305.33 or 4731.62 of the Revised Code upon a physician 262433
who makes a report in accordance with section 2305.33 or notifies 262434
a mental health professional in accordance with section 4731.62 of 262435
the Revised Code. As used in this division, "employee," 262436
"employer," and "physician" have the same meanings as in section 262437
2305.33 of the Revised Code. 262438

(5) Making a false, fraudulent, deceptive, or misleading 262439
statement in the solicitation of or advertising for patients; in 262440
relation to the practice of medicine and surgery, osteopathic 262441
medicine and surgery, podiatric medicine and surgery, or a limited 262442
branch of medicine; or in securing or attempting to secure any 262443
license or certificate to practice issued by the board. 262444

As used in this division, "false, fraudulent, deceptive, or 262445
misleading statement" means a statement that includes a 262446
misrepresentation of fact, is likely to mislead or deceive because 262447
of a failure to disclose material facts, is intended or is likely 262448
to create false or unjustified expectations of favorable results, 262449
or includes representations or implications that in reasonable 262450
probability will cause an ordinarily prudent person to 262451
misunderstand or be deceived. 262452

(6) A departure from, or the failure to conform to, minimal 262453
standards of care of similar practitioners under the same or 262454
similar circumstances, whether or not actual injury to a patient 262455
is established; 262456

(7) Representing, with the purpose of obtaining compensation 262457
or other advantage as personal gain or for any other person, that 262458
an incurable disease or injury, or other incurable condition, can 262459
be permanently cured; 262460

(8) The obtaining of, or attempting to obtain, money or 262461
anything of value by fraudulent misrepresentations in the course 262462
of practice; 262463

- (9) A plea of guilty to, a judicial finding of guilt of, or a 262464
judicial finding of eligibility for intervention in lieu of 262465
conviction for, a felony; 262466
- (10) Commission of an act that constitutes a felony in this 262467
state, regardless of the jurisdiction in which the act was 262468
committed; 262469
- (11) A plea of guilty to, a judicial finding of guilt of, or 262470
a judicial finding of eligibility for intervention in lieu of 262471
conviction for, a misdemeanor committed in the course of practice; 262472
- (12) Commission of an act in the course of practice that 262473
constitutes a misdemeanor in this state, regardless of the 262474
jurisdiction in which the act was committed; 262475
- (13) A plea of guilty to, a judicial finding of guilt of, or 262476
a judicial finding of eligibility for intervention in lieu of 262477
conviction for, a misdemeanor involving moral turpitude; 262478
- (14) Commission of an act involving moral turpitude that 262479
constitutes a misdemeanor in this state, regardless of the 262480
jurisdiction in which the act was committed; 262481
- (15) Violation of the conditions of limitation placed by the 262482
board upon a license or certificate to practice; 262483
- (16) Failure to pay license renewal fees specified in this 262484
chapter; 262485
- (17) Except as authorized in section 4731.31 of the Revised 262486
Code, engaging in the division of fees for referral of patients, 262487
or the receiving of a thing of value in return for a specific 262488
referral of a patient to utilize a particular service or business; 262489
- (18) Subject to section 4731.226 of the Revised Code, 262490
violation of any provision of a code of ethics of the American 262491
medical association, the American osteopathic association, the 262492
American podiatric medical association, or any other national 262493

professional organizations that the board specifies by rule. The 262494
state medical board shall obtain and keep on file current copies 262495
of the codes of ethics of the various national professional 262496
organizations. The individual whose license or certificate is 262497
being suspended or revoked shall not be found to have violated any 262498
provision of a code of ethics of an organization not appropriate 262499
to the individual's profession. 262500

For purposes of this division, a "provision of a code of 262501
ethics of a national professional organization" does not include 262502
any provision that would preclude the making of a report by a 262503
physician of an employee's use of a drug of abuse, or of a 262504
condition of an employee other than one involving the use of a 262505
drug of abuse, to the employer of the employee as described in 262506
division (B) of section 2305.33 of the Revised Code. Nothing in 262507
this division affects the immunity from civil liability conferred 262508
by that section upon a physician who makes either type of report 262509
in accordance with division (B) of that section. As used in this 262510
division, "employee," "employer," and "physician" have the same 262511
meanings as in section 2305.33 of the Revised Code. 262512

(19) Inability to practice according to acceptable and 262513
prevailing standards of care by reason of mental illness or 262514
physical illness, including, but not limited to, physical 262515
deterioration that adversely affects cognitive, motor, or 262516
perceptive skills. 262517

In enforcing this division, the board, upon a showing of a 262518
possible violation, may compel any individual authorized to 262519
practice by this chapter or who has submitted an application 262520
pursuant to this chapter to submit to a mental examination, 262521
physical examination, including an HIV test, or both a mental and 262522
a physical examination. The expense of the examination is the 262523
responsibility of the individual compelled to be examined. Failure 262524
to submit to a mental or physical examination or consent to an HIV 262525

test ordered by the board constitutes an admission of the 262526
allegations against the individual unless the failure is due to 262527
circumstances beyond the individual's control, and a default and 262528
final order may be entered without the taking of testimony or 262529
presentation of evidence. If the board finds an individual unable 262530
to practice because of the reasons set forth in this division, the 262531
board shall require the individual to submit to care, counseling, 262532
or treatment by physicians approved or designated by the board, as 262533
a condition for initial, continued, reinstated, or renewed 262534
authority to practice. An individual affected under this division 262535
shall be afforded an opportunity to demonstrate to the board the 262536
ability to resume practice in compliance with acceptable and 262537
prevailing standards under the provisions of the individual's 262538
license or certificate. For the purpose of this division, any 262539
individual who applies for or receives a license or certificate to 262540
practice under this chapter accepts the privilege of practicing in 262541
this state and, by so doing, shall be deemed to have given consent 262542
to submit to a mental or physical examination when directed to do 262543
so in writing by the board, and to have waived all objections to 262544
the admissibility of testimony or examination reports that 262545
constitute a privileged communication. 262546

(20) Except as provided in division (F)(1)(b) of section 262547
4731.282 of the Revised Code or when civil penalties are imposed 262548
under section 4731.225 of the Revised Code, and subject to section 262549
4731.226 of the Revised Code, violating or attempting to violate, 262550
directly or indirectly, or assisting in or abetting the violation 262551
of, or conspiring to violate, any provisions of this chapter or 262552
any rule promulgated by the board. 262553

This division does not apply to a violation or attempted 262554
violation of, assisting in or abetting the violation of, or a 262555
conspiracy to violate, any provision of this chapter or any rule 262556
adopted by the board that would preclude the making of a report by 262557

a physician of an employee's use of a drug of abuse, or of a 262558
condition of an employee other than one involving the use of a 262559
drug of abuse, to the employer of the employee as described in 262560
division (B) of section 2305.33 of the Revised Code. Nothing in 262561
this division affects the immunity from civil liability conferred 262562
by that section upon a physician who makes either type of report 262563
in accordance with division (B) of that section. As used in this 262564
division, "employee," "employer," and "physician" have the same 262565
meanings as in section 2305.33 of the Revised Code. 262566

(21) The violation of section 3701.79 of the Revised Code or 262567
of any abortion rule adopted by the director of health pursuant to 262568
section 3701.341 of the Revised Code; 262569

(22) Any of the following actions taken by an agency 262570
responsible for authorizing, certifying, or regulating an 262571
individual to practice a health care occupation or provide health 262572
care services in this state or another jurisdiction, for any 262573
reason other than the nonpayment of fees: the limitation, 262574
revocation, or suspension of an individual's license to practice; 262575
acceptance of an individual's license surrender; denial of a 262576
license; refusal to renew or reinstate a license; imposition of 262577
probation; or issuance of an order of censure or other reprimand; 262578

(23) The violation of section 2919.12 of the Revised Code or 262579
the performance or inducement of an abortion upon a pregnant woman 262580
with actual knowledge that the conditions specified in division 262581
(B) of section 2317.56 of the Revised Code have not been satisfied 262582
or with a heedless indifference as to whether those conditions 262583
have been satisfied, unless an affirmative defense as specified in 262584
division (H)(2) of that section would apply in a civil action 262585
authorized by division (H)(1) of that section; 262586

(24) The revocation, suspension, restriction, reduction, or 262587
termination of clinical privileges by the United States department 262588
of defense or department of veterans affairs or the termination or 262589

suspension of a certificate of registration to prescribe drugs by 262590
the drug enforcement administration of the United States 262591
department of justice; 262592

(25) Termination or suspension from participation in the 262593
medicare or medicaid programs by the department of health and 262594
human services or other responsible agency; 262595

(26) Impairment of ability to practice according to 262596
acceptable and prevailing standards of care because of habitual or 262597
excessive use or abuse of drugs, alcohol, or other substances that 262598
impair ability to practice. 262599

For the purposes of this division, any individual authorized 262600
to practice by this chapter accepts the privilege of practicing in 262601
this state subject to supervision by the board. By filing an 262602
application for or holding a license or certificate to practice 262603
under this chapter, an individual shall be deemed to have given 262604
consent to submit to a mental or physical examination when ordered 262605
to do so by the board in writing, and to have waived all 262606
objections to the admissibility of testimony or examination 262607
reports that constitute privileged communications. 262608

If it has reason to believe that any individual authorized to 262609
practice by this chapter or any applicant for licensure or 262610
certification to practice suffers such impairment, the board may 262611
compel the individual to submit to a mental or physical 262612
examination, or both. The expense of the examination is the 262613
responsibility of the individual compelled to be examined. Any 262614
mental or physical examination required under this division shall 262615
be undertaken by a treatment provider or physician who is 262616
qualified to conduct the examination and who is chosen by the 262617
board. 262618

Failure to submit to a mental or physical examination ordered 262619
by the board constitutes an admission of the allegations against 262620

the individual unless the failure is due to circumstances beyond 262621
the individual's control, and a default and final order may be 262622
entered without the taking of testimony or presentation of 262623
evidence. If the board determines that the individual's ability to 262624
practice is impaired, the board shall suspend the individual's 262625
license or certificate or deny the individual's application and 262626
shall require the individual, as a condition for initial, 262627
continued, reinstated, or renewed licensure or certification to 262628
practice, to submit to treatment. 262629

Before being eligible to apply for reinstatement of a license 262630
or certificate suspended under this division, the impaired 262631
practitioner shall demonstrate to the board the ability to resume 262632
practice in compliance with acceptable and prevailing standards of 262633
care under the provisions of the practitioner's license or 262634
certificate. The demonstration shall include, but shall not be 262635
limited to, the following: 262636

(a) Certification from a treatment provider approved under 262637
section 4731.25 of the Revised Code that the individual has 262638
successfully completed any required inpatient treatment; 262639

(b) Evidence of continuing full compliance with an aftercare 262640
contract or consent agreement; 262641

(c) Two written reports indicating that the individual's 262642
ability to practice has been assessed and that the individual has 262643
been found capable of practicing according to acceptable and 262644
prevailing standards of care. The reports shall be made by 262645
individuals or providers approved by the board for making the 262646
assessments and shall describe the basis for their determination. 262647

The board may reinstate a license or certificate suspended 262648
under this division after that demonstration and after the 262649
individual has entered into a written consent agreement. 262650

When the impaired practitioner resumes practice, the board 262651

shall require continued monitoring of the individual. The 262652
monitoring shall include, but not be limited to, compliance with 262653
the written consent agreement entered into before reinstatement or 262654
with conditions imposed by board order after a hearing, and, upon 262655
termination of the consent agreement, submission to the board for 262656
at least two years of annual written progress reports made under 262657
penalty of perjury stating whether the individual has maintained 262658
sobriety. 262659

(27) A second or subsequent violation of section 4731.66 or 262660
4731.69 of the Revised Code; 262661

(28) Except as provided in division (N) of this section: 262662

(a) Waiving the payment of all or any part of a deductible or 262663
copayment that a patient, pursuant to a health insurance or health 262664
care policy, contract, or plan that covers the individual's 262665
services, otherwise would be required to pay if the waiver is used 262666
as an enticement to a patient or group of patients to receive 262667
health care services from that individual; 262668

(b) Advertising that the individual will waive the payment of 262669
all or any part of a deductible or copayment that a patient, 262670
pursuant to a health insurance or health care policy, contract, or 262671
plan that covers the individual's services, otherwise would be 262672
required to pay. 262673

(29) Failure to use universal blood and body fluid 262674
precautions established by rules adopted under section 4731.051 of 262675
the Revised Code; 262676

(30) Failure to provide notice to, and receive acknowledgment 262677
of the notice from, a patient when required by section 4731.143 of 262678
the Revised Code prior to providing nonemergency professional 262679
services, or failure to maintain that notice in the patient's 262680
medical record; 262681

(31) Failure of a physician supervising a physician assistant 262682

to maintain supervision in accordance with the requirements of 262683
Chapter 4730. of the Revised Code and the rules adopted under that 262684
chapter; 262685

(32) Failure of a physician or podiatrist to enter into a 262686
standard care arrangement with a clinical nurse specialist, 262687
certified nurse-midwife, or certified nurse practitioner with whom 262688
the physician or podiatrist is in collaboration pursuant to 262689
section 4731.27 of the Revised Code or failure to fulfill the 262690
responsibilities of collaboration after entering into a standard 262691
care arrangement; 262692

(33) Failure to comply with the terms of a consult agreement 262693
entered into with a pharmacist pursuant to section 4729.39 of the 262694
Revised Code; 262695

(34) Failure to cooperate in an investigation conducted by 262696
the board under division (F) of this section, including failure to 262697
comply with a subpoena or order issued by the board or failure to 262698
answer truthfully a question presented by the board in an 262699
investigative interview, an investigative office conference, at a 262700
deposition, or in written interrogatories, except that failure to 262701
cooperate with an investigation shall not constitute grounds for 262702
discipline under this section if a court of competent jurisdiction 262703
has issued an order that either quashes a subpoena or permits the 262704
individual to withhold the testimony or evidence in issue; 262705

(35) Failure to supervise an acupuncturist in accordance with 262706
Chapter 4762. of the Revised Code and the board's rules for 262707
providing that supervision; 262708

(36) Failure to supervise an anesthesiologist assistant in 262709
accordance with Chapter 4760. of the Revised Code and the board's 262710
rules for supervision of an anesthesiologist assistant; 262711

(37) Assisting suicide, as defined in section 3795.01 of the 262712
Revised Code; 262713

(38) Failure to comply with the requirements of section 2317.561 of the Revised Code;	262714 262715
(39) Failure to supervise a radiologist assistant in accordance with Chapter 4774. of the Revised Code and the board's rules for supervision of radiologist assistants;	262716 262717 262718
(40) Performing or inducing an abortion at an office or facility with knowledge that the office or facility fails to post the notice required under section 3701.791 of the Revised Code;	262719 262720 262721
(41) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for the operation of or the provision of care at a pain management clinic;	262722 262723 262724 262725
(42) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for providing supervision, direction, and control of individuals at a pain management clinic;	262726 262727 262728 262729

(55) Failure of a physician supervising a certified mental 262780
health assistant to maintain supervision in accordance with the 262781
requirements of Chapter 4772. of the Revised Code and the rules 262782
adopted under that chapter. 262783

(C) Disciplinary actions taken by the board under divisions 262784
(A) and (B) of this section shall be taken pursuant to an 262785
adjudication under Chapter 119. of the Revised Code, except that 262786
in lieu of an adjudication, the board may enter into a consent 262787
agreement with an individual to resolve an allegation of a 262788
violation of this chapter or any rule adopted under it. A consent 262789
agreement, when ratified by an affirmative vote of not fewer than 262790
six members of the board, shall constitute the findings and order 262791
of the board with respect to the matter addressed in the 262792
agreement. If the board refuses to ratify a consent agreement, the 262793
admissions and findings contained in the consent agreement shall 262794
be of no force or effect. 262795

A telephone conference call may be utilized for ratification 262796
of a consent agreement that revokes or suspends an individual's 262797
license or certificate to practice or certificate to recommend. 262798
The telephone conference call shall be considered a special 262799
meeting under division (F) of section 121.22 of the Revised Code. 262800

If the board takes disciplinary action against an individual 262801
under division (B) of this section for a second or subsequent plea 262802
of guilty to, or judicial finding of guilt of, a violation of 262803
section 2919.123 or 2919.124 of the Revised Code, the disciplinary 262804
action shall consist of a suspension of the individual's license 262805

or certificate to practice for a period of at least one year or, 262806
if determined appropriate by the board, a more serious sanction 262807
involving the individual's license or certificate to practice. Any 262808
consent agreement entered into under this division with an 262809
individual that pertains to a second or subsequent plea of guilty 262810
to, or judicial finding of guilt of, a violation of that section 262811
shall provide for a suspension of the individual's license or 262812
certificate to practice for a period of at least one year or, if 262813
determined appropriate by the board, a more serious sanction 262814
involving the individual's license or certificate to practice. 262815

(D) For purposes of divisions (B)(10), (12), and (14) of this 262816
section, the commission of the act may be established by a finding 262817
by the board, pursuant to an adjudication under Chapter 119. of 262818
the Revised Code, that the individual committed the act. The board 262819
does not have jurisdiction under those divisions if the trial 262820
court renders a final judgment in the individual's favor and that 262821
judgment is based upon an adjudication on the merits. The board 262822
has jurisdiction under those divisions if the trial court issues 262823
an order of dismissal upon technical or procedural grounds. 262824

(E) The sealing or expungement of conviction records by any 262825
court shall have no effect upon a prior board order entered under 262826
this section or upon the board's jurisdiction to take action under 262827
this section if, based upon a plea of guilty, a judicial finding 262828
of guilt, or a judicial finding of eligibility for intervention in 262829
lieu of conviction, the board issued a notice of opportunity for a 262830
hearing prior to the court's order to seal or expunge the records. 262831
The board shall not be required to seal, expunge, destroy, redact, 262832
or otherwise modify its records to reflect the court's sealing of 262833
conviction records. 262834

(F)(1) The board shall investigate evidence that appears to 262835
show that a person has violated any provision of this chapter or 262836
any rule adopted under it. Any person may report to the board in a 262837

signed writing any information that the person may have that 262838
appears to show a violation of any provision of this chapter or 262839
any rule adopted under it. In the absence of bad faith, any person 262840
who reports information of that nature or who testifies before the 262841
board in any adjudication conducted under Chapter 119. of the 262842
Revised Code shall not be liable in damages in a civil action as a 262843
result of the report or testimony. Each complaint or allegation of 262844
a violation received by the board shall be assigned a case number 262845
and shall be recorded by the board. 262846

(2) Investigations of alleged violations of this chapter or 262847
any rule adopted under it shall be supervised by the supervising 262848
member elected by the board in accordance with section 4731.02 of 262849
the Revised Code and by the secretary as provided in section 262850
4731.39 of the Revised Code. The president may designate another 262851
member of the board to supervise the investigation in place of the 262852
supervising member. No member of the board who supervises the 262853
investigation of a case shall participate in further adjudication 262854
of the case. 262855

(3) In investigating a possible violation of this chapter or 262856
any rule adopted under this chapter, or in conducting an 262857
inspection under division (E) of section 4731.054 of the Revised 262858
Code, the board may question witnesses, conduct interviews, 262859
administer oaths, order the taking of depositions, inspect and 262860
copy any books, accounts, papers, records, or documents, issue 262861
subpoenas, and compel the attendance of witnesses and production 262862
of books, accounts, papers, records, documents, and testimony, 262863
except that a subpoena for patient record information shall not be 262864
issued without consultation with the attorney general's office and 262865
approval of the secretary and supervising member of the board. 262866

(a) Before issuance of a subpoena for patient record 262867
information, the secretary and supervising member shall determine 262868
whether there is probable cause to believe that the complaint 262869

filed alleges a violation of this chapter or any rule adopted 262870
under it and that the records sought are relevant to the alleged 262871
violation and material to the investigation. The subpoena may 262872
apply only to records that cover a reasonable period of time 262873
surrounding the alleged violation. 262874

(b) On failure to comply with any subpoena issued by the 262875
board and after reasonable notice to the person being subpoenaed, 262876
the board may move for an order compelling the production of 262877
persons or records pursuant to the Rules of Civil Procedure. 262878

(c) A subpoena issued by the board may be served by a 262879
sheriff, the sheriff's deputy, or a board employee or agent 262880
designated by the board. Service of a subpoena issued by the board 262881
may be made by delivering a copy of the subpoena to the person 262882
named therein, reading it to the person, or leaving it at the 262883
person's usual place of residence, usual place of business, or 262884
address on file with the board. When serving a subpoena to an 262885
applicant for or the holder of a license or certificate issued 262886
under this chapter, service of the subpoena may be made by 262887
certified mail, return receipt requested, and the subpoena shall 262888
be deemed served on the date delivery is made or the date the 262889
person refuses to accept delivery. If the person being served 262890
refuses to accept the subpoena or is not located, service may be 262891
made to an attorney who notifies the board that the attorney is 262892
representing the person. 262893

(d) A sheriff's deputy who serves a subpoena shall receive 262894
the same fees as a sheriff. Each witness who appears before the 262895
board in obedience to a subpoena shall receive the fees and 262896
mileage provided for under section 119.094 of the Revised Code. 262897

(4) All hearings, investigations, and inspections of the 262898
board shall be considered civil actions for the purposes of 262899
section 2305.252 of the Revised Code. 262900

(5) A report required to be submitted to the board under this chapter, a complaint, or information received by the board pursuant to an investigation or pursuant to an inspection under division (E) of section 4731.054 of the Revised Code is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations or inspections and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given or, in the case of a patient, a waiver of the patient privilege exists under division (B) of section 2317.02 of the Revised Code, except that consent or a waiver of that nature is not required if the board possesses reliable and substantial evidence that no bona fide physician-patient relationship exists.

The board may share any information it receives pursuant to an investigation or inspection, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state

medical board when the information was in the board's possession. 262933
Measures to ensure confidentiality that may be taken by the court 262934
include sealing its records or deleting specific information from 262935
its records. 262936

(6) On a quarterly basis, the board shall prepare a report 262937
that documents the disposition of all cases during the preceding 262938
three months. The report shall contain the following information 262939
for each case with which the board has completed its activities: 262940

(a) The case number assigned to the complaint or alleged 262941
violation; 262942

(b) The type of license or certificate to practice, if any, 262943
held by the individual against whom the complaint is directed; 262944

(c) A description of the allegations contained in the 262945
complaint; 262946

(d) The disposition of the case. 262947

The report shall state how many cases are still pending and 262948
shall be prepared in a manner that protects the identity of each 262949
person involved in each case. The report shall be a public record 262950
under section 149.43 of the Revised Code. 262951

(G) If the secretary and supervising member determine both of 262952
the following, they may recommend that the board suspend an 262953
individual's license or certificate to practice or certificate to 262954
recommend without a prior hearing: 262955

(1) That there is clear and convincing evidence that an 262956
individual has violated division (B) of this section; 262957

(2) That the individual's continued practice presents a 262958
danger of immediate and serious harm to the public. 262959

Written allegations shall be prepared for consideration by 262960
the board. The board, upon review of those allegations and by an 262961
affirmative vote of not fewer than six of its members, excluding 262962

the secretary and supervising member, may suspend a license or 262963
certificate without a prior hearing. A telephone conference call 262964
may be utilized for reviewing the allegations and taking the vote 262965
on the summary suspension. 262966

The board shall issue a written order of suspension by 262967
certified mail or in person in accordance with section 119.07 of 262968
the Revised Code. The order shall not be subject to suspension by 262969
the court during pendency of any appeal filed under section 119.12 262970
of the Revised Code. If the individual subject to the summary 262971
suspension requests an adjudicatory hearing by the board, the date 262972
set for the hearing shall be within fifteen days, but not earlier 262973
than seven days, after the individual requests the hearing, unless 262974
otherwise agreed to by both the board and the individual. 262975

Any summary suspension imposed under this division shall 262976
remain in effect, unless reversed on appeal, until a final 262977
adjudicative order issued by the board pursuant to this section 262978
and Chapter 119. of the Revised Code becomes effective. The board 262979
shall issue its final adjudicative order within seventy-five days 262980
after completion of its hearing. A failure to issue the order 262981
within seventy-five days shall result in dissolution of the 262982
summary suspension order but shall not invalidate any subsequent, 262983
final adjudicative order. 262984

(H) If the board takes action under division (B)(9), (11), or 262985
(13) of this section and the judicial finding of guilt, guilty 262986
plea, or judicial finding of eligibility for intervention in lieu 262987
of conviction is overturned on appeal, upon exhaustion of the 262988
criminal appeal, a petition for reconsideration of the order may 262989
be filed with the board along with appropriate court documents. 262990
Upon receipt of a petition of that nature and supporting court 262991
documents, the board shall reinstate the individual's license or 262992
certificate to practice. The board may then hold an adjudication 262993
under Chapter 119. of the Revised Code to determine whether the 262994

individual committed the act in question. Notice of an opportunity 262995
for a hearing shall be given in accordance with Chapter 119. of 262996
the Revised Code. If the board finds, pursuant to an adjudication 262997
held under this division, that the individual committed the act or 262998
if no hearing is requested, the board may order any of the 262999
sanctions identified under division (B) of this section. 263000

(I) The license or certificate to practice issued to an 263001
individual under this chapter and the individual's practice in 263002
this state are automatically suspended as of the date of the 263003
individual's second or subsequent plea of guilty to, or judicial 263004
finding of guilt of, a violation of section 2919.123 or 2919.124 263005
of the Revised Code. In addition, the license or certificate to 263006
practice or certificate to recommend issued to an individual under 263007
this chapter and the individual's practice in this state are 263008
automatically suspended as of the date the individual pleads 263009
guilty to, is found by a judge or jury to be guilty of, or is 263010
subject to a judicial finding of eligibility for intervention in 263011
lieu of conviction in this state or treatment or intervention in 263012
lieu of conviction in another jurisdiction for any of the 263013
following criminal offenses in this state or a substantially 263014
equivalent criminal offense in another jurisdiction: aggravated 263015
murder, murder, voluntary manslaughter, felonious assault, 263016
kidnapping, rape, sexual battery, gross sexual imposition, 263017
aggravated arson, aggravated robbery, or aggravated burglary. 263018
Continued practice after suspension shall be considered practicing 263019
without a license or certificate. 263020

The board shall notify the individual subject to the 263021
suspension by certified mail or in person in accordance with 263022
section 119.07 of the Revised Code. If an individual whose license 263023
or certificate is automatically suspended under this division 263024
fails to make a timely request for an adjudication under Chapter 263025
119. of the Revised Code, the board shall do whichever of the 263026

following is applicable: 263027

(1) If the automatic suspension under this division is for a 263028
second or subsequent plea of guilty to, or judicial finding of 263029
guilt of, a violation of section 2919.123 or 2919.124 of the 263030
Revised Code, the board shall enter an order suspending the 263031
individual's license or certificate to practice for a period of at 263032
least one year or, if determined appropriate by the board, 263033
imposing a more serious sanction involving the individual's 263034
license or certificate to practice. 263035

(2) In all circumstances in which division (I)(1) of this 263036
section does not apply, enter a final order permanently revoking 263037
the individual's license or certificate to practice. 263038

(J) If the board is required by Chapter 119. of the Revised 263039
Code to give notice of an opportunity for a hearing and if the 263040
individual subject to the notice does not timely request a hearing 263041
in accordance with section 119.07 of the Revised Code, the board 263042
is not required to hold a hearing, but may adopt, by an 263043
affirmative vote of not fewer than six of its members, a final 263044
order that contains the board's findings. In that final order, the 263045
board may order any of the sanctions identified under division (A) 263046
or (B) of this section. 263047

(K) Any action taken by the board under division (B) of this 263048
section resulting in a suspension from practice shall be 263049
accompanied by a written statement of the conditions under which 263050
the individual's license or certificate to practice may be 263051
reinstated. The board shall adopt rules governing conditions to be 263052
imposed for reinstatement. Reinstatement of a license or 263053
certificate suspended pursuant to division (B) of this section 263054
requires an affirmative vote of not fewer than six members of the 263055
board. 263056

(L) When the board refuses to grant or issue a license or 263057

certificate to practice to an applicant, revokes an individual's 263058
license or certificate to practice, refuses to renew an 263059
individual's license or certificate to practice, or refuses to 263060
reinstate an individual's license or certificate to practice, the 263061
board may specify that its action is permanent. An individual 263062
subject to a permanent action taken by the board is forever 263063
thereafter ineligible to hold a license or certificate to practice 263064
and the board shall not accept an application for reinstatement of 263065
the license or certificate or for issuance of a new license or 263066
certificate. 263067

(M) Notwithstanding any other provision of the Revised Code, 263068
all of the following apply: 263069

(1) The surrender of a license or certificate issued under 263070
this chapter shall not be effective unless or until accepted by 263071
the board. A telephone conference call may be utilized for 263072
acceptance of the surrender of an individual's license or 263073
certificate to practice. The telephone conference call shall be 263074
considered a special meeting under division (F) of section 121.22 263075
of the Revised Code. Reinstatement of a license or certificate 263076
surrendered to the board requires an affirmative vote of not fewer 263077
than six members of the board. 263078

(2) An application for a license or certificate made under 263079
the provisions of this chapter may not be withdrawn without 263080
approval of the board. 263081

(3) Failure by an individual to renew a license or 263082
certificate to practice in accordance with this chapter or a 263083
certificate to recommend in accordance with rules adopted under 263084
section 4731.301 of the Revised Code shall not remove or limit the 263085
board's jurisdiction to take any disciplinary action under this 263086
section against the individual. 263087

(4) At the request of the board, a license or certificate 263088

holder shall immediately surrender to the board a license or 263089
certificate that the board has suspended, revoked, or permanently 263090
revoked. 263091

(N) Sanctions shall not be imposed under division (B)(28) of 263092
this section against any person who waives deductibles and 263093
copayments as follows: 263094

(1) In compliance with the health benefit plan that expressly 263095
allows such a practice. Waiver of the deductibles or copayments 263096
shall be made only with the full knowledge and consent of the plan 263097
purchaser, payer, and third-party administrator. Documentation of 263098
the consent shall be made available to the board upon request. 263099

(2) For professional services rendered to any other person 263100
authorized to practice pursuant to this chapter, to the extent 263101
allowed by this chapter and rules adopted by the board. 263102

(O) Under the board's investigative duties described in this 263103
section and subject to division (F) of this section, the board 263104
shall develop and implement a quality intervention program 263105
designed to improve through remedial education the clinical and 263106
communication skills of individuals authorized under this chapter 263107
to practice medicine and surgery, osteopathic medicine and 263108
surgery, and podiatric medicine and surgery. In developing and 263109
implementing the quality intervention program, the board may do 263110
all of the following: 263111

(1) Offer in appropriate cases as determined by the board an 263112
educational and assessment program pursuant to an investigation 263113
the board conducts under this section; 263114

(2) Select providers of educational and assessment services, 263115
including a quality intervention program panel of case reviewers; 263116

(3) Make referrals to educational and assessment service 263117
providers and approve individual educational programs recommended 263118
by those providers. The board shall monitor the progress of each 263119

individual undertaking a recommended individual educational program. 263120
263121

(4) Determine what constitutes successful completion of an individual educational program and require further monitoring of the individual who completed the program or other action that the board determines to be appropriate; 263122
263123
263124
263125

(5) Adopt rules in accordance with Chapter 119. of the Revised Code to further implement the quality intervention program. 263126
263127
263128

An individual who participates in an individual educational program pursuant to this division shall pay the financial obligations arising from that educational program. 263129
263130
263131

reviewed the case or by the governing board of the facility. As 263151
used in this division, "formal disciplinary action" means any 263152
action resulting in the revocation, restriction, reduction, or 263153
termination of clinical privileges for violations of professional 263154
ethics, or for reasons of medical incompetence or medical 263155
malpractice. "Formal disciplinary action" includes a summary 263156
action, an action that takes effect notwithstanding any appeal 263157
rights that may exist, and an action that results in an individual 263158
surrendering clinical privileges while under investigation and 263159
during proceedings regarding the action being taken or in return 263160
for not being investigated or having proceedings held. "Formal 263161
disciplinary action" does not include any action taken for the 263162
sole reason of failure to maintain records on a timely basis or 263163
failure to attend staff or section meetings. 263164

The filing or nonfiling of a report with the board, 263165
investigation by the board, or any disciplinary action taken by 263166
the board, shall not preclude any action by a health care facility 263167
to suspend, restrict, or revoke the individual's clinical 263168
privileges. 263169

In the absence of fraud or bad faith, no individual or entity 263170
that provides patient records to the board shall be liable in 263171
damages to any person as a result of providing the records. 263172

(B)(1) Except as provided in division (B)(2) of this section, 263173
if any individual authorized to practice under this chapter or any 263174
professional association or society of such individuals believes 263175
that a violation of any provision of this chapter, Chapter 4730., 263176
4759., 4760., 4761., 4762., 4772., 4774., or 4778. of the Revised 263177
Code, or any rule of the board has occurred, the individual, 263178
association, or society shall report to the board the information 263179
upon which the belief is based. 263180

(2) If any individual authorized to practice under this 263181

chapter or any professional association or society of such 263182
individuals believes that a violation of division (B)(26) of 263183
section 4731.22 of the Revised Code has occurred, the individual, 263184
association, or society shall report the information upon which 263185
the belief is based to the monitoring organization conducting the 263186
program established by the board under section 4731.251 of the 263187
Revised Code. If any such report is made to the board, it shall be 263188
referred to the monitoring organization unless the board is aware 263189
that the individual who is the subject of the report does not meet 263190
the program eligibility requirements of section 4731.252 of the 263191
Revised Code. 263192

(C) Any professional association or society composed 263193
primarily of doctors of medicine and surgery, doctors of 263194
osteopathic medicine and surgery, doctors of podiatric medicine 263195
and surgery, or practitioners of limited branches of medicine that 263196
suspends or revokes an individual's membership for violations of 263197
professional ethics, or for reasons of professional incompetence 263198
or professional malpractice, within sixty days after a final 263199
decision shall report to the board, on forms prescribed and 263200
provided by the board, the name of the individual, the action 263201
taken by the professional organization, and a summary of the 263202
underlying facts leading to the action taken. 263203

The filing of a report with the board or decision not to file 263204
a report, investigation by the board, or any disciplinary action 263205
taken by the board, does not preclude a professional organization 263206
from taking disciplinary action against an individual. 263207

(D) Any insurer providing professional liability insurance to 263208
an individual authorized to practice under this chapter, or any 263209
other entity that seeks to indemnify the professional liability of 263210
such an individual, shall notify the board within thirty days 263211
after the final disposition of any written claim for damages where 263212
such disposition results in a payment exceeding twenty-five 263213

thousand dollars. The notice shall contain the following information: 263214
263215

(1) The name and address of the person submitting the notification; 263216

263223

(E) The board may investigate possible violations of this chapter or the rules adopted under it that are brought to its attention as a result of the reporting requirements of this section, except that the board shall conduct an investigation if a possible violation involves repeated malpractice. As used in this division, "repeated malpractice" means three or more claims for medical malpractice within the previous five-year period, each resulting in a judgment or settlement in excess of twenty-five thousand dollars in favor of the claimant, and each involving negligent conduct by the practicing individual. 263224

(F) All summaries, reports, and records received and maintained by the board pursuant to this section shall be held in confidence and shall not be subject to discovery or introduction in evidence in any federal or state civil action involving a health care professional or facility arising out of matters that are the subject of the reporting required by this section. The board may use the information obtained only as the basis for an investigation, as evidence in a disciplinary hearing against an individual whose practice is regulated under this chapter, or in any subsequent trial or appeal of a board action or order. 263234

recredentialing the individual or in reviewing the individual's 263247
clinical privileges. The board shall indicate whether or not the 263248
information has been verified. Information transmitted by the 263249
board shall be subject to the same confidentiality provisions as 263250
when maintained by the board. 263251

(G) Except for reports filed by an individual pursuant to 263252
division (B) of this section, the board shall send a copy of any 263253
reports or summaries it receives pursuant to this section to the 263254
individual who is the subject of the reports or summaries. The 263255
individual shall have the right to file a statement with the board 263256
concerning the correctness or relevance of the information. The 263257
statement shall at all times accompany that part of the record in 263258
contention. 263259

(H) An individual or entity that, pursuant to this section, 263260
reports to the board, reports to the monitoring organization 263261

enforcement of this chapter and Chapters 4730., 4759., 4760., 263287
4761., 4762., 4772., 4774., and 4778. of the Revised Code by the 263288
board. 263289

Sec. 4731.25. The state medical board, in accordance with 263290
Chapter 119. of the Revised Code, shall adopt and may amend and 263291
rescind rules establishing standards for approval of physicians 263292
and facilities as treatment providers for practitioners suffering 263293
or showing evidence of suffering impairment as described in 263294
division (B)(5) of section 4730.25, division (B)(26) of section 263295
4731.22, division (A)(18) of section 4759.07, division (B)(6) of 263296

4778.14 of the Revised Code. The rules shall include standards for 263300
both inpatient and outpatient treatment and for care and 263301
monitoring that continues after treatment. The rules shall provide 263302
that in order to be approved, a treatment provider must have the 263303
capability of making an initial examination to determine what type 263304
of treatment an impaired practitioner requires. Subject to the 263305
rules, the board shall review and approve treatment providers on a 263306

regular basis. The board, at its discretion, may withdraw or deny approval subject to the rules. 263307
263308

identity to the president or other designated member of the county 263347
medical society, osteopathic academy, or podiatric medical 263348
association. 263349

(I) Report to the board the identity of any practitioner who 263350
suffers a relapse at any time during or following aftercare. 263351

Any individual authorized to practice under this chapter who 263352
enters into treatment by an approved treatment provider shall be 263353
deemed to have waived any confidentiality requirements that would 263354
otherwise prevent the treatment provider from making reports 263355
required under this section. 263356

In the absence of fraud or bad faith, no person or 263357
organization that conducts an approved impaired practitioner 263358
treatment program, no member of such an organization, and no 263359
employee, representative, or agent of the treatment provider shall 263360
be held liable in damages to any person by reason of actions taken 263361

<u>(D) Disciplinary actions taken by the board under divisions</u>	264853
<u>(A) and (B) of this section shall be taken pursuant to an</u>	264854
<u>adjudication under Chapter 119. of the Revised Code, except that</u>	264855
<u>in lieu of an adjudication, the board may enter into a consent</u>	264856
<u>agreement with a certified mental health assistant or applicant to</u>	264857
<u>resolve an allegation of a violation of this chapter or any rule</u>	264858
<u>adopted under it. A consent agreement, when ratified by an</u>	264859

<u>constitute the findings and order of the board with respect to the</u>	264861
<u>matter addressed in the agreement. If the board refuses to ratify</u>	264862
<u>a consent agreement, the admissions and findings contained in the</u>	264863
<u>consent agreement shall be of no force or effect.</u>	264864
<u>(E) For purposes of divisions (B)(11), (14), and (15) of this</u>	264865
<u>section, the commission of the act may be established by a finding</u>	264866

by the board, pursuant to an adjudication under Chapter 119. of 264867
the Revised Code, that the applicant or license holder committed 264868
the act in question. The board shall have no jurisdiction under 264869
these divisions in cases where the trial court renders a final 264870
judgment in the license holder's favor and that judgment is based 264871
upon an adjudication on the merits. The board shall have 264872
jurisdiction under these divisions in cases where the trial court 264873
issues an order of dismissal on technical or procedural grounds. 264874

(F) The sealing or expungement of conviction records by any 264875
court shall have no effect on a prior board order entered under 264876
the provisions of this section or on the board's jurisdiction to 264877
take action under the provisions of this section if, based upon a 264878
plea of guilty, a judicial finding of guilt, or a judicial finding 264879
of eligibility for intervention in lieu of conviction, the board 264880
issued a notice of opportunity for a hearing prior to the court's 264881
order to seal or expunge the records. The board shall not be 264882
required to seal, destroy, redact, or otherwise modify its records 264883
to reflect the court's sealing or expungement of conviction 264884
records. 264885

(G) For purposes of this division, any individual who holds a 264886
license to practice as a certified mental health assistant issued 264887
under this chapter, or applies for a license, shall be deemed to 264888
have given consent to submit to a mental or physical examination 264889
when directed to do so in writing by the board and to have waived 264890
all objections to the admissibility of testimony or examination 264891
reports that constitute a privileged communication. 264892

(1) In enforcing division (B)(5) of this section, the board, 264893
on a showing of a possible violation, may compel any individual 264894
who holds a license to practice as a certified mental health 264895
assistant issued under this chapter or who has applied for a 264896
license to submit to a mental or physical examination, or both. A 264897
physical examination may include an HIV test. The expense of the 264898

examination is the responsibility of the individual compelled to 264899
be examined. Failure to submit to a mental or physical examination 264900
or consent to an HIV test ordered by the board constitutes an 264901
admission of the allegations against the individual unless the 264902
failure is due to circumstances beyond the individual's control, 264903
and a default and final order may be entered without the taking of 264904
testimony or presentation of evidence. If the board finds a 264905
certified mental health assistant unable to practice because of 264906
the reasons set forth in division (B)(5) of this section, the 264907
board shall require the certified mental health assistant to 264908
submit to care, counseling, or treatment by physicians approved or 264909
designated by the board, as a condition for an initial, continued, 264910
reinstated, or renewed license. An individual affected by this 264911
division shall be afforded an opportunity to demonstrate to the 264912
board the ability to resume practicing in compliance with 264913
acceptable and prevailing standards of care. 264914

(2) For purposes of division (B)(6) of this section, if the 264915
board has reason to believe that any individual who holds a 264916
license to practice as a certified mental health assistant issued 264917
under this chapter or any applicant for a license suffers such 264918
impairment, the board may compel the individual to submit to a 264919
mental or physical examination, or both. The expense of the 264920
examination is the responsibility of the individual compelled to 264921
be examined. Any mental or physical examination required under 264922
this division shall be undertaken by a treatment provider or 264923
physician qualified to conduct such examination and chosen by the 264924
board. 264925

Failure to submit to a mental or physical examination ordered 264926
by the board constitutes an admission of the allegations against 264927
the individual unless the failure is due to circumstances beyond 264928
the individual's control, and a default and final order may be 264929
entered without the taking of testimony or presentation of 264930

evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or deny the individual's application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed license to practice, to submit to treatment. 264931
264932
264933
264934
264935

Before being eligible to apply for reinstatement of a license suspended under this division, the certified mental health assistant shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care. The demonstration shall include the following: 264936
264937
264938
264939
264940

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment; 264941
264942
264943

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement; 264944
264945

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination. 264946
264947
264948
264949
264950
264951

The board may reinstate a license suspended under this division after such demonstration and after the individual has entered into a written consent agreement. 264952
264953
264954

When the impaired certified mental health assistant resumes practice, the board shall require continued monitoring of the certified mental health assistant. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, on termination of the consent agreement, submission to the board for at least two years of 264955
264956
264957
264958
264959
264960
264961

annual written progress reports made under penalty of 264962
falsification stating whether the certified mental health 264963
assistant has maintained sobriety. 264964

(H) If the secretary and supervising member determine that 264965
there is clear and convincing evidence that a certified mental 264966
health assistant has violated division (B) of this section and 264967
that the individual's continued practice presents a danger of 264968
immediate and serious harm to the public, they may recommend that 264969
the board suspend the individual's license to practice without a 264970
prior hearing. Written allegations shall be prepared for 264971
consideration by the board. 264972

The board, on review of the allegations and by an affirmative 264973
vote of not fewer than six of its members, excluding the secretary 264974
and supervising member, may suspend a license without a prior 264975
hearing. A telephone conference call may be utilized for reviewing 264976
the allegations and taking the vote on the summary suspension. 264977

The board shall issue a written order of suspension by 264978
certified mail or in person in accordance with section 119.07 of 264979
the Revised Code. The order shall not be subject to suspension by 264980
the court during pendency of any appeal filed under section 119.12 264981
of the Revised Code. If the certified mental health assistant 264982
requests an adjudicatory hearing by the board, the date set for 264983
the hearing shall be within fifteen days, but not earlier than 264984
seven days, after the certified mental health assistant requests 264985
the hearing, unless otherwise agreed to by both the board and the 264986
license holder. 264987

A summary suspension imposed under this division shall remain 264988
in effect, unless reversed on appeal, until a final adjudicative 264989
order issued by the board pursuant to this section and Chapter 264990
119. of the Revised Code becomes effective. The board shall issue 264991
its final adjudicative order within sixty days after completion of 264992
its hearing. Failure to issue the order within sixty days shall 264993

result in dissolution of the summary suspension order, but shall 264994
not invalidate any subsequent, final adjudicative order. 264995

(I) If the board takes action under division (B)(10), (12), 264996
or (13) of this section, and the judicial finding of guilt, guilty 264997
plea, or judicial finding of eligibility for intervention in lieu 264998
of conviction is overturned on appeal, on exhaustion of the 264999
criminal appeal, a petition for reconsideration of the order may 265000
be filed with the board along with appropriate court documents. On 265001
receipt of a petition and supporting court documents, the board 265002
shall reinstate the license to practice as a certified mental 265003
health assistant. The board may then hold an adjudication under 265004
Chapter 119. of the Revised Code to determine whether the 265005
individual committed the act in question. Notice of opportunity 265006
for hearing shall be given in accordance with Chapter 119. of the 265007
Revised Code. If the board finds, pursuant to an adjudication held 265008
under this division, that the individual committed the act, or if 265009
no hearing is requested, it may order any of the sanctions 265010
specified in division (B) of this section. 265011

(J) The license to practice of a certified mental health 265012
assistant and the assistant's practice in this state are 265013
automatically suspended as of the date the certified mental health 265014
assistant pleads guilty to, is found by a judge or jury to be 265015
guilty of, or is subject to a judicial finding of eligibility for 265016
intervention in lieu of conviction in this state or treatment of 265017
intervention in lieu of conviction in another jurisdiction for any 265018
of the following criminal offenses in this state or a 265019
substantially equivalent criminal offense in another jurisdiction: 265020
aggravated murder, murder, voluntary manslaughter, felonious 265021
assault, kidnapping, rape, sexual battery, gross sexual 265022
imposition, aggravated arson, aggravated robbery, or aggravated 265023
burglary. Continued practice after the suspension shall be 265024
considered practicing without a license. 265025

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license.

(K) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(L) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the certified mental health assistant's license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(M) When the board refuses to grant or issue a license to practice as a certified mental health assistant to an applicant, revokes an individual's license, refuses to renew an individual's license, or refuses to reinstate an individual's license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license to practice as a certified

mental health assistant and the board shall not accept an 265058
application for reinstatement of the license or for issuance of a 265059
new license. 265060

(N) Notwithstanding any other provision of the Revised Code, 265061
all of the following apply: 265062

(1) The surrender of a license to practice as a certified 265063
mental health assistant issued under this chapter is not effective 265064
unless or until accepted by the board. Reinstatement of a license 265065
surrendered to the board requires an affirmative vote of not fewer 265066
than six members of the board. 265067

(2) An application made under this chapter for a license to 265068
practice may not be withdrawn without approval of the board. 265069

(3) Failure by an individual to renew a license to practice 265070
in accordance with section 4772.08 of the Revised Code shall not 265071
remove or limit the board's jurisdiction to take disciplinary 265072
action under this section against the individual. 265073

Sec. 4772.201. On receipt of a notice pursuant to section 265074
3123.43 of the Revised Code, the state medical board shall comply 265075
with sections 3123.41 to 3123.50 of the Revised Code and any 265076
applicable rules adopted under section 3123.63 of the Revised Code 265077
with respect to a license to practice as a certified mental health 265078
assistant issued under this chapter. 265079

Sec. 4772.202. If the state medical board has reason to 265080
believe that any person who has been granted a license to practice 265081
as a certified mental health assistant under this chapter is 265082
mentally ill or mentally incompetent, it may file in the probate 265083
court of the county in which the person has a legal residence an 265084
affidavit in the form prescribed in section 5122.11 of the Revised 265085
Code and signed by the board secretary or a member of the board 265086
secretary's staff, whereupon the same proceedings shall be had as 265087

provided in Chapter 5122. of the Revised Code. The attorney 265088
general may represent the board in any proceeding commenced under 265089
this section. 265090

If any person who has been granted a license is adjudged by a 265091
probate court to be mentally ill or mentally incompetent, the 265092
person's license shall be automatically suspended until the person 265093
has filed with the state medical board a certified copy of an 265094
adjudication by a probate court of the person's subsequent 265095
restoration to competency or has submitted to the board proof, 265096
satisfactory to the board, that the person has been discharged as 265097
having a restoration to competency in the manner and form provided 265098
in section 5122.38 of the Revised Code. The judge of the probate 265099
court shall forthwith notify the state medical board of an 265100
adjudication of mental illness or mental incompetence, and shall 265101
note any suspension of a license in the margin of the court's 265102
record of such license. 265103

Sec. 4772.203. (A)(1) If a certified mental health assistant 265104
violates any section of this chapter or any rule adopted under 265105
this chapter, the state medical board may, pursuant to an 265106
adjudication under Chapter 119. of the Revised Code and an 265107
affirmative vote of not fewer than six of its members, impose a 265108
civil penalty. The amount of the civil penalty shall be determined 265109
by the board in accordance with the guidelines adopted under 265110
division (A)(2) of this section. The civil penalty may be in 265111
addition to any other action the board may take under section 265112
4772.20 of the Revised Code. 265113

(2) The board shall adopt and may amend guidelines regarding 265114
the amounts of civil penalties to be imposed under this section. 265115
Adoption or amendment of the guidelines requires the approval of 265116
not fewer than six board members. 265117

Under the guidelines, no civil penalty amount shall exceed 265118
twenty thousand dollars. 265119

(B) Amounts received from payment of civil penalties imposed 265120
under this section shall be deposited by the board in accordance 265121
with section 4731.24 of the Revised Code. Amounts received from 265122
payment of civil penalties imposed for violations of division 265123
(B)(6) of section 4772.20 of the Revised Code shall be used by the 265124
board solely for investigations, enforcement, and compliance 265125
monitoring. 265126

Sec. 4772.21. (A) The state medical board shall investigate 265127
evidence that appears to show that any person has violated this 265128
chapter or the rules adopted under it. Any person may report to 265129
the board in a signed writing any information the person has that 265130
appears to show a violation of any provision of this chapter or 265131
the rules adopted under it. In the absence of bad faith, a person 265132
who reports such information or testifies before the board in an 265133
adjudication conducted under Chapter 119. of the Revised Code 265134
shall not be liable for civil damages as a result of reporting the 265135
information or providing testimony. Each complaint or allegation 265136
of a violation received by the board shall be assigned a case 265137
number and be recorded by the board. 265138

(B) Investigations of alleged violations of this chapter or 265139
rules adopted under it shall be supervised by the supervising 265140
member elected by the board in accordance with section 4731.02 of 265141
the Revised Code and by the secretary as provided in section 265142
4772.24 of the Revised Code. The board's president may designate 265143
another member of the board to supervise the investigation in 265144
place of the supervising member. A member of the board who 265145
supervises the investigation of a case shall not participate in 265146
further adjudication of the case. 265147

(C) In investigating a possible violation of this chapter or 265148

the rules adopted under it, the board may administer oaths, order 265149
the taking of depositions, issue subpoenas, and compel the 265150
attendance of witnesses and production of books, accounts, papers, 265151
records, documents, and testimony, except that a subpoena for 265152
patient record information shall not be issued without 265153
consultation with the attorney general's office and approval of 265154
the secretary and supervising member of the board. Before issuance 265155
of a subpoena for patient record information, the secretary and 265156
supervising member shall determine whether there is probable cause 265157
to believe that the complaint filed alleges a violation of this 265158
chapter or the rules adopted under it and that the records sought 265159
are relevant to the alleged violation and material to the 265160
investigation. The subpoena may apply only to records that cover a 265161
reasonable period of time surrounding the alleged violation. 265162

On failure to comply with any subpoena issued by the board 265163
and after reasonable notice to the person being subpoenaed, the 265164
board may move for an order compelling the production of persons 265165
or records pursuant to the Rules of Civil Procedure. 265166

A subpoena issued by the board may be served by a sheriff, 265167
the sheriff's deputy, or a board employee designated by the board. 265168
Service of a subpoena issued by the board may be made by 265169
delivering a copy of the subpoena to the person named therein, 265170
reading it to the person, or leaving it at the person's usual 265171
place of residence. When the person being served is a certified 265172
mental health assistant, service of the subpoena may be made by 265173
certified mail, restricted delivery, return receipt requested, and 265174
the subpoena shall be deemed served on the date delivery is made 265175
or the date the person refuses to accept delivery. 265176

A sheriff's deputy who serves a subpoena shall receive the 265177
same fees as a sheriff. Each witness who appears before the board 265178
in obedience to a subpoena shall receive the fees and mileage 265179
provided for witnesses in civil cases in the courts of common 265180

pleas. 265181

(D) All hearings and investigations of the board shall be 265182
considered civil actions for the purposes of section 2305.252 of 265183
the Revised Code. 265184

(E) Information received by the board pursuant to an 265185
investigation is confidential and not subject to discovery in any 265186
civil action. 265187

The board shall conduct all investigations and proceedings in 265188
a manner that protects the confidentiality of patients and persons 265189
who file complaints with the board. The board shall not make 265190
public the names or any other identifying information about 265191
patients or complainants unless proper consent is given. 265192

The board may share any information it receives pursuant to 265193
an investigation, including patient records and patient record 265194
information, with law enforcement agencies, other licensing 265195
boards, and other governmental agencies that are prosecuting, 265196
adjudicating, or investigating alleged violations of statutes or 265197
administrative rules. An agency or board that receives the 265198
information shall comply with the same requirements regarding 265199
confidentiality as those with which the state medical board must 265200
comply, notwithstanding any conflicting provision of the Revised 265201
Code or procedure of the agency or board that applies when it is 265202
dealing with other information in its possession. In a judicial 265203
proceeding, the information may be admitted into evidence only in 265204
accordance with the Rules of Evidence, but the court shall require 265205
that appropriate measures are taken to ensure that confidentiality 265206
is maintained with respect to any part of the information that 265207
contains names or other identifying information about patients or 265208
complainants whose confidentiality was protected by the state 265209
medical board when the information was in the board's possession. 265210
Measures to ensure confidentiality that may be taken by the court 265211
include sealing its records or deleting specific information from 265212

<u>its records.</u>	265213
<u>(F) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:</u>	265214 265215 265216 265217

(B) <u>Whenever any person holding a valid license to practice as a certified mental health assistant issued under this chapter pleads guilty to, is subject to a judicial finding of guilt of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction for a violation of Chapter 2907., 2925., or 3719. of the Revised Code or of any substantively comparable ordinance of a municipal corporation in connection with the person's practice, the prosecutor in the case, on forms prescribed and provided by the state medical board, shall promptly notify the board of the conviction. (1) A plea of guilty to, a finding of guilt by a jury or 265248
court of, or judicial finding of eligibility for intervention in 265249

court issues an order of dismissal upon technical or procedural 265251
grounds of a felony charge; 265252

(2) A plea of guilty to, a finding of guilt by a jury or 265253
court of, or judicial finding of eligibility for intervention in 265254
lieu of conviction for a misdemeanor committed in the course of 265255
practice, or a case in which the trial court issues an order of 265256
dismissal upon technical or procedural grounds of a charge of a 265257
misdemeanor, if the alleged act was committed in the course of 265258
practice; 265259

(3) A plea of guilty to, a finding of guilt by a jury or 265260
court of, or judicial finding of eligibility for intervention in 265261
lieu of conviction for a misdemeanor involving moral turpitude, or 265262

The report shall include the name and address of the license 265266
holder, the nature of the offense for which the action was taken, 265267
and the certified court documents recording the action. 265268

Sec. 4772.23. (A) Within sixty days after the imposition of 265269
any formal disciplinary action taken by any health care facility, 265270
including a hospital, health care facility operated by a health 265271
insuring corporation, ambulatory surgical facility, or similar 265272

facility, against any individual holding a valid license to practice as a certified mental health assistant, the chief administrator or executive officer of the facility shall report to the state medical board the name of the individual, the action taken by the facility, and a summary of the underlying facts leading to the action taken. On request, the board shall be provided certified copies of the patient records that were the basis for the facility's action. Prior to release to the board, the summary shall be approved by the peer review committee that reviewed the case or by the governing board of the facility.

The filing of a report with the board or decision not to file a report, investigation by the board, or any disciplinary action taken by the board, does not preclude a health care facility from taking disciplinary action against a certified mental health assistant.

In the absence of fraud or bad faith, no individual or entity that provides patient records to the board shall be liable in damages to any person as a result of providing the records.

(B)(1) Except as provided in division (B)(2) of this section, a certified mental health assistant, professional association or society of certified mental health assistants, physician, or professional association or society of physicians that believes a violation of any provision of this chapter, Chapter 4731. of the Revised Code, or rule of the board has occurred shall report to the board the information on which the belief is based.

conducting the program established by the board under section 265304
4731.251 of the Revised Code. If any such report is made to the 265305
board, it shall be referred to the monitoring organization unless 265306
the board is aware that the individual who is the subject of the 265307
report does not meet the program eligibility requirements of 265308
section 4731.252 of the Revised Code. 265309

(C) Any professional association or society composed 265310
primarily of certified mental health assistants that suspends or 265311
revokes an individual's membership for violations of professional 265312
ethics, or for reasons of professional incompetence or 265313
professional malpractice, within sixty days after a final 265314
decision, shall report to the board, on forms prescribed and 265315
provided by the board, the name of the individual, the action 265316
taken by the professional organization, and a summary of the 265317
underlying facts leading to the action taken. 265318

The filing of a report with the board or decision not to file 265319
a report, investigation by the board, or any disciplinary action 265320
taken by the board, does not preclude a professional organization 265321
from taking disciplinary action against a certified mental health 265322
assistant. 265323

(D) Any insurer providing professional liability insurance to 265324
any person holding a valid license to practice as a certified 265325
mental health assistant or any other entity that seeks to 265326
indemnify the professional liability of a certified mental health 265327
assistant shall notify the board within thirty days after the 265328

As used in this division, "repeated malpractice" means three or more claims for malpractice within the previous five-year period, each resulting in a judgment or settlement in excess of twenty-five thousand dollars in favor of the claimant, and each involving negligent conduct by the certified mental health assistant. 265340

FIRE DEPARTMENT GRANTS 267287

(A) The foregoing appropriation item 800639, Fire Department 267288
Grants, shall be used to make annual grants to the following 267289
eligible recipients: volunteer fire departments, fire departments 267290
that serve one or more small municipalities or small townships, 267291
joint fire districts comprised of fire departments that primarily 267292
serve small municipalities or small townships, local units of 267293
government responsible for such fire departments, and local units 267294
of government responsible for the provision of fire protection 267295
services for small municipalities or small townships. For the 267296
purposes of these grants, a private fire company, as that phrase 267297
is defined in section 9.60 of the Revised Code, that is providing 267298
fire protection services under a contract to a political 267299
subdivision of the state, is an additional eligible recipient for 267300
a training grant. 267301

Eligible recipients that consist of small municipalities or 267302
small townships that all intend to contract with the same fire 267303
department or private fire company for fire protection services 267304
may jointly apply and be considered for a grant. If a joint 267305

applicant is awarded a grant, the State Fire Marshal shall, if 267306
feasible, proportionately award the grant and any equipment 267307
purchased with grant funds to each of the joint applicants based 267308
upon each applicant's contribution to and demonstrated need for 267309
fire protection services. For the purpose of this grant program, 267310
an eligible recipient or any firefighting entity that is 267311
contracted to serve an eligible recipient may only file, be listed 267312
as joint applicant, or be designated as a service provider on one 267313
grant application per fiscal year. 267314

If the grant awarded to joint applicants is an equipment 267315
grant and the equipment to be purchased cannot be readily 267316
distributed or possessed by multiple recipients, each of the joint 267317
applicants shall be awarded by the State Fire Marshal an ownership 267318
interest in the equipment so purchased in proportion to each 267319
applicant's contribution to and demonstrated need for fire 267320
protection services. The joint applicants shall then mutually 267321
agree on how the equipment is to be maintained, operated, stored, 267322
or disposed of. If, for any reason, the joint applicants cannot 267323
agree as to how jointly owned equipment is to be maintained, 267324
operated, stored, or disposed of or any of the joint applicants no 267325
longer maintain a contract with the same fire protection service 267326
provider as the other applicants, then the joint applicants shall, 267327
with the assistance of the State Fire Marshal, mutually agree as 267328
to how the jointly owned equipment is to be maintained, operated, 267329
stored, disposed of, or owned. If the joint applicants cannot 267330
agree how the grant equipment is to be maintained, operated, 267331
stored, disposed of, or owned, the State Fire Marshal may, in its 267332
discretion, require all of the equipment acquired by the joint 267333
applicants with grant funds to be returned to the State Fire 267334
Marshal. The State Fire Marshal may then award the returned 267335
equipment to any eligible recipients. For this paragraph only, an 267336
"equipment grant" also includes a MARCS Grant. 267337

(B) Except as otherwise provided in this section, the grants shall be used by recipients to purchase firefighting or rescue equipment or gear or similar items, to provide full or partial reimbursement for the documented costs of firefighter training, or, at the discretion of the State Fire Marshal, to cover fire department costs for providing fire protection services in that grant recipient's jurisdiction.

(1) Of the foregoing appropriation item 800639, Fire Department Grants, up to \$1,300,000 per fiscal year may be used to pay for the State Fire Marshal's costs of providing firefighter I certification classes or other firefighter classes approved by the State Fire Marshal at no cost to selected students attending the Ohio Fire Academy or other class providers approved by the State Fire Marshal. The State Fire Marshal may establish the qualifications and selection processes for students to attend such classes by written policy, and such students shall be considered eligible recipients of fire department grants for the purposes of this portion of the grant program.

(2) Of the foregoing appropriation item 800639, Fire Department Grants, up to \$4,000,000 in each fiscal year may be used for MARCS Grants. MARCS Grants may be used for the payment of user access fees by the eligible recipient to cover costs for accessing MARCS.

For purposes of this section, a MARCS Grant is a grant for systems, equipment, or services that are a part of, integrated into, or otherwise interoperable with the Multi-Agency Radio Communication System (MARCS) operated by the state.

MARCS Grant awards may be up to \$50,000 in each fiscal year per eligible recipient. Each eligible recipient may apply, as a separate entity or as a part of a joint application, for only one MARCS Grant per fiscal year. The State Fire Marshal may give a preference to MARCS Grants that will enhance the overall

interoperability and effectiveness of emergency communication 267370
networks in the geographic region that includes and that is 267371
adjacent to the applicant. 267372

Eligible recipients that are or were awarded fire department 267373
grants that are not MARCS Grants may also apply for and receive 267374
MARCS Grants in accordance with criteria for the awarding of grant 267375
funds established by the State Fire Marshal. 267376

(3) Grant awards for firefighting or rescue equipment or gear 267377
or for fire department costs of providing fire protection services 267378
shall be up to \$15,000 per fiscal year, or up to \$25,000 per 267379
fiscal year if an eligible entity serves a jurisdiction in which 267380
the Governor declared a natural disaster during the preceding or 267381
current fiscal year in which the grant was awarded. In addition to 267382
any grant funds awarded for rescue equipment or gear, or for fire 267383
department costs associated with the provision of fire protection 267384
services, an eligible entity may receive a grant for up to \$15,000 267385
per fiscal year for full or partial reimbursement of the 267386
documented costs of firefighter training. For each fiscal year, 267387
the State Fire Marshal shall determine the total amounts to be 267388
allocated for each eligible purpose. 267389

(C) The grants shall be administered by the State Fire 267390
Marshal in accordance with rules the State Fire Marshal adopts as 267391
part of the state fire code adopted pursuant to section 3737.82 of 267392
the Revised Code that are necessary for the administration and 267393
operation of the grant program. The rules may further define the 267394
entities eligible to receive grants and establish criteria for the 267395
awarding and expenditure of grant funds, including methods the 267396
State Fire Marshal may use to verify the proper use of grant funds 267397
or to obtain reimbursement for or the return of equipment for 267398
improperly used grant funds. To the extent consistent with this 267399
section and until the rules are updated, the existing rules in the 267400
state fire code adopted pursuant to section 3737.82 of the Revised 267401

Code for fire department grants under this section apply to MARCS 267402
Grants. Any amounts in appropriation item 800639, Fire Department 267403
Grants, in excess of the amount allocated for these grants may be 267404
used for the administration of the grant program. 267405

DIVISION OF MARIJUANA CONTROL 267406

The foregoing appropriation item 800650, Medical Marijuana 267407
Control Program, shall be used by the Department of Commerce to 267408
support the operation of the Division of Marijuana Control, 267409
including expenditures related to the transfer of the medical 267410
marijuana control program into the Department. 267411

improve the efficiency of network activities, the Department and 268790
information technology centers may jointly purchase equipment, 268791
materials, and services from funds provided under this 268792
appropriation for use by the network and, when considered 268793
practical by the Department, may utilize the services of 268794
appropriate state purchasing agencies. 268795

and 3301.0712 of the Revised Code and for similar purposes as 268813

required by section 3301.27 of the Revised Code. The funds may 268814
also be used to update and develop diagnostic assessments 268815
administered under sections 3301.079, 3301.0715, and 3313.608 of 268816
the Revised Code and to support readiness assessments for students 268817
in grades three and higher that assist districts and schools with 268818
identifying and benchmarking student progress. 268819

DEPARTMENT OF EDUCATION AND WORKFORCE APPROPRIATION TRANSFERS 268820
FOR STUDENT ASSESSMENT 268821

In fiscal year 2024 and fiscal year 2025, if the Director of 268822
Education and Workforce determines that additional funds are 268823
needed to fully fund the requirements of sections 3301.0710, 268824

to the Director of Budget and Management the reallocation of 268827
unexpended and unencumbered General Revenue Fund appropriations 268828
within the Department of Education and Workforce to appropriation 268829
item 200437, Student Assessment. If the Director of Budget and 268830
Management determines that such a reallocation is required, the 268831
Director may transfer unexpended and unencumbered appropriations 268832
within the Department of Education and Workforce as necessary to 268833
appropriation item 200437, Student Assessment. 268834

Section 265.100. ACCOUNTABILITY/REPORT CARDS 268835

educators in the use of the value-added progress dimension and in 268839
the use of data as it relates to improving student achievement. 268840
This training may include teacher and administrator professional 268841

teacher value-added reports and how they can be used as a 268844

component in measuring teacher and administrator effectiveness. A 268845
portion of this funding shall be provided to educational service 268846
centers to support training and professional development under 268847
this section consistent with section 3312.01 of the Revised Code. 268848

The remainder of appropriation item 200439, 268849

Section 265.550. PUPIL TRANSPORTATION PILOT PROGRAM 270458

(A) The Department of Education and Workforce shall establish 270459
a pilot program under which two educational service centers shall 270460
provide transportation to students enrolled in community schools 270461
established under Chapter 3314. of the Revised Code and chartered 270462
nonpublic schools, in lieu of the students receiving 270463
transportation from their resident school district. Not later than 270464
October 15, 2023, the Department shall select one service center 270465
that is in a county located in central Ohio with a population of 270466
1,323,807, according to the 2020 United States census, and one 270467
service center that is in a county located in southwest Ohio with 270468
a population of 537,309, according to the 2020 United States 270469
census, to participate in the pilot program. The Department and 270470
each participating service center jointly shall identify a school 270471
district served by the service center and community schools and 270472
chartered nonpublic schools that enroll students from the district 270473
for whom the service center will provide transportation during the 270474
2024-2025 school year. No community school or chartered nonpublic 270475
school shall be required to participate in the pilot program. 270476

(B) During the 2023-2024 school year, each participating 270477
educational service center shall do all of the following: 270478

(1) Arrange for the use of a sufficient number of school 270479
buses and bus drivers to transport all students from participating 270480
schools who qualify for transportation under section 3327.01 of 270481
the Revised Code and the school district's transportation policy. 270482
However, nothing shall preclude the service center from providing 270483
transportation to other students enrolled in the schools, so long 270484
as that transportation is provided equally to all students who are 270485
similarly situated. 270486

(2) Collaborate with participating schools to designate daily 270487
start and end times for the 2024-2025 school year that will enable 270488

timely and efficient transportation of the schools' students; 270489

(3) On behalf of participating schools, notify the school 270490
district that those schools will not require transportation for 270491
the 2024-2025 school year. 270492

(C) For each participating community school and chartered 270493
nonpublic school, the Department shall deduct from the school 270494
district's transportation payment under section 3317.0212 of the 270495
Revised Code and pay to the educational service center the amount 270496
the district would receive for each student transported by the 270497
service center, including the additional weight specified under 270498
division (E) of that section. 270499

(D) The educational service centers and the school districts 270500
shall not be subject to section 3327.021 of the Revised Code 270501
during the 2024-2025 school year with regard to students enrolled 270502
in participating schools. Notwithstanding section 3314.46 of the 270503
Revised Code, the service centers may provide transportation to 270504
any participating community school they sponsor. 270505

(E) The educational service centers shall comply with all 270506
transportation requirements for students with disabilities as 270507
specified in the individualized education programs developed for 270508
the students pursuant to Chapter 3323. of the Revised Code. 270509

(F) The Department shall evaluate the pilot program and issue 270510
a report of its findings not later than September 15, 2025. The 270511
educational service centers and participating schools shall submit 270512
data and other information to the Department, in a manner 270513
determined by the Department, for the purpose of conducting the 270514
evaluation. 270515

Section 265.560. (A) Notwithstanding any provision of the 270516
Revised Code to the contrary, if a county auditor has determined 270517
that an abstract filed for tax year 2021 contained incorrect 270518

information due to a correcting certification of public utility 270519
personal property value in excess of fourteen million dollars, the 270520
auditor may file a corrected abstract with respect to such 270521
property for that tax year. The county auditor shall submit the 270522
corrected abstract to the Tax Commissioner within fifteen days 270523
after the effective date of this section. Within fifteen days 270524
after receipt of the corrected abstract, the Commissioner shall 270525
recertify the information described in divisions (A)(1) to (4) of 270526

adjusted according to the corrected abstract, to the Department of 270528
Education and the Office of Budget and Management. 270529

(B) Notwithstanding anything in Chapter 3317. of the Revised 270530
Code to the contrary, with respect to any school district for 270531
which a county auditor submits a corrected abstract under division 270532
(A) of this section, the Department of Education and Workforce 270533
shall use the information recertified for tax year 2021 under that 270534
division to compute state foundation aid under Chapter 3317. of 270535
the Revised Code. 270536

(C) Any correction of an abstract made pursuant to this 270537
section shall be used solely to compute a school district's state 270538
foundation aid and shall not affect any property taxes charged and 270539
payable for tax year 2021. 270540

Section 265.570. Notwithstanding anything to the contrary in 270541
sections 3310.13, 3310.41, 3310.581, and 3313.976 of the Revised 270542

(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA			275795
ENTITLEMENTS AND ADJUSTMENTS FOR UNIVERSITIES			275796
(1) Of the foregoing appropriation item 235501, State Share			275797
of Instruction, 50 per cent of the appropriation for universities,			275798
as established in division (A)(2) of the section of this act			275799
entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2024 AND			275800
2025," in each fiscal year shall be reserved for support of			275801
associate, baccalaureate, master's, and professional level degree			275802
attainment.			275803
The degree attainment funding shall be allocated to			275804
universities in proportion to each campus's share of the total			275805
statewide degrees granted, weighted by the cost of the degree			275806
programs. The degree cost calculations shall include the model			275807
cost weights for the science, technology, engineering,			275808
mathematics, and medicine models as established in division (C) of			275809
this section.			275810
For degrees including credits earned at multiple			275811
institutions, degree attainment funding shall be allocated to			275812

universities in proportion to each campus's share of the 275813
student-specific cost of earned credits for the degree. Each 275814
institution shall receive its prorated share of degree funding for 275815
credits earned at that institution. Cost of credits not earned at 275816
a university main or regional campus shall be credited to the 275817
degree-granting institution for the first degree earned by a 275818
student at each degree level. The cost credited to the 275819
degree-granting institution shall not be eligible for at-risk 275820
weights and shall be limited to 12.5 per cent of the 275821
student-specific degree costs. However, the 12.5 per cent 275822
limitation shall not apply if the student transferred 12 or fewer 275823
credits into the degree granting institution. 275824

In calculating the subsidy entitlements for degree attainment 275825
for universities, the Chancellor shall use the following count of 275826
degrees and degree costs: 275827

(a) The subsidy eligible undergraduate degrees shall be 275828
defined as follows: 275829

(i) The subsidy eligible degrees conferred to students 275830
identified as residents of the state of Ohio in any term of their 275831
studies, as reported through the Higher Education Information 275832
(HEI) system student enrollment file, shall be weighted by a 275833
factor of 1. 275834

(ii) The subsidy eligible degrees conferred to students 275835
identified as out-of-state residents during all terms of their 275836
studies, as reported through the Higher Education Information 275837
(HEI) system student enrollment file, who remain in the state of 275838
Ohio at least one year after graduation, as calculated based on 275839
the three-year average in-state residency rate using the 275840
Unemployment Wage data for out-of-state graduates at each 275841
institution, shall be weighted by a factor of 50 per cent. 275842

(iii) Subsidy eligible associate degrees are defined as those 275843

earned by students attending any state-supported university main 275844
or regional campus. 275845

(b) In calculating each campus's count of degrees, the 275846
Chancellor shall use the three-year average associate, 275847
baccalaureate, master's, and professional degrees awarded for the 275848
most recent completed three-year period that is practicable as 275849
agreed to by the Inter-University Council and the Chancellor. 275850

(i) If a student is awarded an associate degree and, 275851
subsequently, is awarded a baccalaureate degree, the amount funded 275852
for the baccalaureate degree shall be limited to either the 275853
difference in cost between the cost of the baccalaureate degree 275854
and the cost of the associate degree paid previously, or if the 275855
associate degree has a higher cost than the baccalaureate degree, 275856
the cost of the credits earned by the student after the associate 275857
degree was awarded. 275858

(ii) If a student earns an associate degree then, 275859
subsequently, earns a baccalaureate degree, the associate degree 275860
granting institution shall only receive the prorated share of the 275861
baccalaureate degree funding for the credits earned at that 275862
institution after the associate degree is awarded. 275863

(iii) If a student earns more than one degree at the same 275864
institution at the same degree level in the same fiscal year, the 275865
funding for the highest cost degree shall be prorated among 275866
institutions based on where the credits were earned and additional 275867
degrees shall be funded at 25 per cent of the cost of the degrees. 275868

(c) Associate degrees and baccalaureate degrees earned by a 275869
student defined as at-risk based on academic under-preparation, 275870
age, minority status, financial status, or first generation 275871
post-secondary status based on neither parent completing any 275872
education beyond high school, shall be defined as degrees earned 275873
by an at-risk student and shall be weighted by the following: 275874

A student-specific degree completion weight, where the weight is calculated based on the at-risk factors of the individual student, determined by calculating the difference between the percentage of students with each risk factor who earned a degree and the percentage of non-at-risk students who earned a degree.

(2) Of the foregoing appropriation item 235501, State Share of Instruction, up to 11.78 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2024 AND 2025," in each fiscal year shall be reserved for support of doctoral programs to implement the funding recommendations made by representatives of the universities. The amount so reserved shall be referred to as the doctoral set-aside.

In each fiscal year, the doctoral set-aside funding allocation shall be allocated to universities as follows:

(a) 25 per cent of the doctoral set-aside shall be allocated to universities in proportion to their share of the statewide total earnings of each state institution's three-year average course completions. The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file. Course completion earnings shall be determined by multiplying the amounts listed above in divisions (B) and (C) of this section by the subsidy-eligible FTEs for the most recent completed three-year period that is practicable as agreed to by the Inter-University Council and the Chancellor for all doctoral enrollments in graduate-level models.

(b) 50 per cent of the doctoral set-aside shall be allocated to universities in proportion to each campus's share of the total statewide doctoral degrees, weighted by the cost of the doctoral discipline. In calculating each campus's doctoral degrees the

Chancellor shall use the three-year average doctoral degrees 275907
awarded for the most recent completed three-year period that is 275908
practicable as agreed to by the Inter-University Council and the 275909
Chancellor. 275910

(c) 25 per cent of the doctoral set-aside shall be allocated 275911
to universities in proportion to their share of research grant 275912
activity. Funding for this component shall be allocated to 275913
eligible universities in proportion to their share of research 275914
grant activity published by the National Science Foundation. Grant 275915
awards from the Department of Health and Human Services shall be 275916
weighted at 50 per cent. 275917

(3) Of the foregoing appropriation item 235501, State Share 275918
of Instruction, 6.41 per cent of the appropriation for 275919
universities, as established in division (A)(2) of the section of 275920
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 275921
2024 AND 2025," in each fiscal year shall be reserved for support 275922
of Medical II FTEs. The amount so reserved shall be referred to as 275923
the medical II set-aside. 275924

The medical II set-aside shall be allocated to universities 275925
in proportion to their share of the statewide total of each state 275926
institution's three-year average Medical II FTEs as calculated in 275927
division (A) of this section. 275928

In calculating the core subsidy entitlements for Medical II 275929
models only, students repeating terms may be no more than five per 275930
cent of current year enrollment. 275931

(4) Of the foregoing appropriation item 235501, State Share 275932
of Instruction, 1.69 per cent of the appropriation for 275933
universities, as established in division (A)(2) of the section of 275934
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 275935
2024 AND 2025," in each fiscal year shall be reserved for support 275936
of Medical I FTEs. The amount so reserved shall be referred to as 275937

the medical I set-aside. 275938

In each fiscal year, the medical I set-aside shall be 275939
allocated to universities as follows: 275940

(a) 12.34 per cent of the medical I set-aside shall be 275941
allocated to universities in proportion to their share of the 275942
statewide total of each state institution's three-year average 275943
Medical I FTEs, as calculated in division (A) of this section, 275944
enrolled in public colleges of podiatric medicine. 275945

(b) 87.66 per cent of the medical I set-aside shall be 275946
allocated to universities in proportion to their share of the 275947
statewide total of each state institution's three-year average 275948
Medical I FTEs, as calculated in division (A) of this section, 275949
enrolled in public colleges of dentistry and veterinary medicine. 275950

(5) In calculating the course completion funding for 275951
universities, the Chancellor shall use the following count of FTE 275952
students: 275953

(a) The subsidy eligible enrollments by model shall equal 275954
only those FTE students who successfully complete the course as 275955
defined and reported through the Higher Education Information 275956
(HEI) system course enrollment file; 275957

(b) Those undergraduate FTE students with successful course 275958
completions, identified in division (D)(5)(a) of this section, 275959
that are defined as at-risk based on academic under-preparation or 275960
financial status shall have their eligible completions weighted by 275961
the following: 275962

(i) Institution-specific course completion indexes, where the 275963
indexes are calculated based upon the number of at-risk students 275964
enrolled during the 2019-2020, 2020-2021, and 2021-2022 academic 275965
years; and 275966

(ii) A statewide average at-risk course completion weight 275967

determined for each subsidy model. The statewide average at-risk course completion weight shall be determined by calculating the difference between the percentage of traditional students who complete a course and the percentage of at-risk students who complete the same course.

(c) The course completion earnings shall be determined by multiplying the amounts listed above in divisions (B) and (C) of this section by the subsidy-eligible FTEs for the most recent completed three-year period that is practicable as agreed to by the Inter-University Council and the Chancellor for all models except Medical I and Medical II.

(d) For universities, the Chancellor shall compute the course completion earnings by dividing the appropriation for universities, established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2024 AND 2025," less the degree attainment funding as calculated in division (D)(1) of this section, less the doctoral set-aside, less the medical I set-aside, and less the medical II set-aside, by the sum of all campuses' instructional costs as calculated in division (D)(5) of this section.

(E) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA ENTITLEMENTS AND ADJUSTMENTS FOR COMMUNITY COLLEGES

(1) Of the foregoing appropriation item 235501, State Share of Instruction, 50 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2024 AND 2025," in each fiscal year shall be reserved for course completion FTEs as aggregated by the subsidy models defined in division (B) of this section.

The course completion funding shall be allocated to campuses

in proportion to each campus's share of the total sector's course 275999
completions, weighted by the instructional cost of the subsidy 276000
models. 276001

To calculate the subsidy entitlements for course completions 276002
at community colleges, state community colleges, and technical 276003
colleges, the Chancellor shall use the following calculations: 276004

(a) In calculating each campus's count of FTE course 276005
completions, the Chancellor shall use a three-year average for 276006
course completions for the three-year period ending in the prior 276007
year for students identified as residents of the state of Ohio in 276008
any term of their studies, as reported through the Higher 276009
Education Information (HEI) system student enrollment file. 276010

(b) The subsidy eligible enrollments by model shall equal 276011
only those FTE students who successfully complete the course as 276012
defined and reported through the Higher Education Information 276013
(HEI) system course enrollment file. 276014

(c) Those students with successful course completions, that 276015
are defined as access students based on financial status, minority 276016
status, age, or academic under-preparation shall have their 276017
eligible course completions weighted by a statewide access weight. 276018
The weight given to any student that meets any access factor shall 276019
be 15 per cent for all course completions. 276020

(d) The model costs as used in the calculation shall be 276021
augmented by the model weights for science, technology, 276022
engineering, mathematics, and medicine models as established in 276023
division (C) of this section. 276024

(2) Of the foregoing appropriation item 235501, State Share 276025
of Instruction, 25 per cent of the appropriation for 276026
state-supported community colleges, state community colleges, and 276027
technical colleges as established in division (A)(1) of the 276028
section of this act entitled "STATE SHARE OF INSTRUCTION FOR 276029

FISCAL YEARS 2024 AND 2025," in each fiscal year shall be reserved 276030
for colleges in proportion to their share of college student 276031
success factors. 276032

Student success factors shall be awarded at the institutional 276033
level for each subsidy-eligible student that successfully: 276034

(a) Completes a college-level math course within the first 30 276035
hours of completed coursework. 276036

(b) Completes a college-level English course within the first 276037
30 hours of completed coursework. 276038

(c) Completes 12 semester credit hours of college-level 276039
coursework. 276040

(d) Completes 24 semester credit hours of college-level 276041
coursework. 276042

(e) Completes 36 semester credit hours of college-level 276043
coursework. 276044

(3) Of the foregoing appropriation item 235501, State Share 276045
of Instruction, 25 per cent of the appropriation for 276046
state-supported community colleges, state community colleges, and 276047
technical colleges as established in division (A)(1) of the 276048
section of this act entitled "STATE SHARE OF INSTRUCTION FOR 276049
FISCAL YEARS 2024 AND 2025," in each fiscal year shall be reserved 276050
for completion milestones. 276051

Completion milestones shall include baccalaureate degrees, 276052
associate degrees, technical certificates over 30 credit hours as 276053
designated by the Department of Higher Education, and students 276054
transferring to any four-year institution with at least 12 credit 276055
hours of college-level coursework earned at that community 276056
college, state community college, or technical college. 276057

The completion milestone funding shall be allocated to 276058
colleges in proportion to each institution's share of the sector's 276059

total completion milestones, weighted by the instructional cost of 276060
the degree, certificate, or transfer models. Costs for technical 276061
certificates over 30 hours shall be weighted at one-half of the 276062
associate degree model costs and transfers with at least 12 credit 276063
hours of college-level coursework shall be weighted at one-fourth 276064
of the average cost for all associate degree model costs. 276065

(4) To calculate the subsidy entitlements for completions at 276066
community colleges, state community colleges, and technical 276067
colleges, the Chancellor shall use the following calculations: 276068

(a) In calculating each campus's count of completions, the 276069
Chancellor shall use a three-year average for completion 276070
milestones awarded to students identified as subsidy eligible in 276071
any term of their studies, as reported through the Higher 276072
Education Information (HEI) system student enrollment file. 276073

(b) The subsidy eligible completion milestones by model shall 276074
equal only those students who successfully complete a 276075
baccalaureate or an associate degree, or technical certificate 276076
over 30 credit hours, or transfer to any four-year institution 276077
with at least 12 credit hours of college-level coursework as 276078
defined and reported in the Higher Education Information (HEI) 276079
system. Student completions reported in HEI shall have an 276080
accompanying course enrollment record in order to be subsidy 276081
eligible. 276082

(c) Those students with successful completions for 276083
baccalaureate or associate degrees, technical certificates over 30 276084
credit hours, or transfer to any four-year institution with at 276085
least 12 credit hours of college-level coursework, identified in 276086
division (E)(3) of this section, that are defined as access 276087
students based on financial status, minority status, age, or 276088
academic under-preparation shall have their eligible completions 276089
weighted by a statewide access weight. The weight shall be 25 per 276090
cent for students with one access factor, 66 per cent for students 276091

with two access factors, 150 per cent for students with three 276092
access factors, and 200 per cent for students with four access 276093
factors. 276094

(d) For those students who complete more than one completion 276095
milestone, funding for each additional degree or technical 276096
certificate over 30 credit hours designated as such by the 276097
Department of Higher Education shall be funded at 50 per cent of 276098
the model costs as defined in division (E)(3) of this section. 276099

(5) For purposes of the calculations made in division (E) of 276100
this section, the Chancellor shall only include subsidy-eligible 276101
students identified as residents of the state of Ohio in any term 276102
of their studies, as reported through the Higher Education 276103
Information (HEI) system student enrollment file. The Chancellor 276104
shall be prohibited from including nonresident students as 276105
subsidy-eligible except for those students otherwise identified as 276106
subsidy-eligible in division (A)(2) of this section. 276107

(F) CAPITAL COMPONENT DEDUCTION 276108

After all other adjustments have been made, state share of 276109
instruction earnings shall be reduced for each campus by the 276110
amount, if any, by which debt service charged in H.B. 16 of the 276111
126th General Assembly, H.B. 699 of the 126th General Assembly, 276112
H.B. 496 of the 127th General Assembly, and H.B. 562 of the 127th 276113
General Assembly for that campus exceeds that campus's capital 276114
component earnings. The sum of the amounts deducted shall be 276115
transferred to appropriation item 235552, Capital Component, in 276116
each fiscal year. 276117

(G) EXCEPTIONAL CIRCUMSTANCES 276118

Adjustments may be made to the state share of instruction 276119
payments and other subsidies distributed by the Chancellor to 276120
state colleges and universities for exceptional circumstances. No 276121
adjustments for exceptional circumstances may be made without the 276122

recommendation of the Chancellor and the approval of the 276123
Controlling Board. 276124

(H) APPROPRIATION REDUCTIONS TO THE STATE SHARE OF 276125
INSTRUCTION 276126

The standard provisions of the state share of instruction 276127
calculation as described in the preceding sections of temporary 276128
law shall apply to any reductions made to appropriation item 276129
235501, State Share of Instruction, before the Chancellor has 276130
formally approved the final allocation of the state share of 276131
instruction funds for any fiscal year. 276132

Any reductions made to appropriation item 235501, State Share 276133
of Instruction, after the Chancellor has formally approved the 276134
final allocation of the state share of instruction funds for any 276135
fiscal year, shall be uniformly applied to each campus in 276136
proportion to its share of the final allocation. 276137

(I) DISTRIBUTION OF STATE SHARE OF INSTRUCTION 276138

The state share of instruction payments to the institutions 276139
shall be in substantially equal monthly amounts during the fiscal 276140
year, unless otherwise determined by the Director of Budget and 276141
Management pursuant to section 126.09 of the Revised Code. 276142
Payments during the first six months of the fiscal year may be 276143
based upon the state share of instruction appropriation estimates 276144
made for the various institutions of higher education, and 276145
payments during the last six months of the fiscal year may be 276146
based on the final data from the Chancellor. If agreed to by the 276147
Chancellor and the Inter-University Council, payments to 276148
universities in each month of a fiscal year shall be based on 276149
final data in the higher education information system for the 276150
selected three-year period that is acceptable to both parties. 276151

Section 381.260. RESTRICTION ON FEE INCREASES	276180
(A) In fiscal years 2024 and 2025, the boards of trustees of	276181

state institutions of higher education shall restrain increases in 276182
in-state undergraduate instructional, general, and any other 276183
mandatory fees. 276184

(1) For the 2023-2024 and 2024-2025 academic years, all of 276185
the following shall apply: 276186

(a) Each state university or college, as defined in section 276187
3345.12 of the Revised Code, and university regional campus shall 276188
not increase its in-state undergraduate instructional and general 276189
fees over what the institution charged for the previous academic 276190
year. 276191

(b) Each community college established under Chapter 3354., 276192
state community college established under Chapter 3358., or 276193
technical college established under Chapter 3357. of the Revised 276194
Code may increase its in-state undergraduate instructional and 276195
general fees by not more than five dollars per credit hour over 276196
what the institution charged for the previous academic year. 276197

(c) For state institutions of higher education, as defined in 276198
section 3345.011 of the Revised Code, increases for all other 276199
special fees, including the creation of new special fees, shall be 276200
subject to the approval of the Chancellor of Higher Education. 276201

(2) The limitations under division (A)(1) of this section do 276202
not apply to student health insurance, fees for auxiliary goods or 276203
services provided to students at the cost incurred to the 276204
institution, fees assessed to students as a pass-through for 276205
licensure and certification examinations, fees in elective courses 276206
associated with travel experiences, elective service charges, 276207
fines, and voluntary sales transactions. 276208

(B) The limitations under this section shall not apply to 276209
increases required to comply with institutional covenants related 276210
to their obligations or to meet unfunded legal mandates or legally 276211
binding obligations incurred or commitments made prior to the 276212

effective date of this section with respect to which the 276213
institution had identified such fee increases as the source of 276214
funds. Any increase required by such covenants and any such 276215
mandates, obligations, or commitments shall be reported by the 276216
Chancellor to the Controlling Board. These limitations may also be 276217
modified by the Chancellor, with the approval of the Controlling 276218
Board, to respond to exceptional circumstances as identified by 276219
the Chancellor. 276220

(C) Institutions offering an undergraduate tuition guarantee 276221
pursuant to section 3345.48 of the Revised Code may increase 276222
instructional and general fees pursuant to that section. 276223

Section 381.270. HIGHER EDUCATION - BOARD OF TRUSTEES 276224

(A) Funds appropriated for instructional subsidies at 276225
colleges and universities may be used to provide such branch or 276226
other off-campus undergraduate courses of study and such master's 276227
degree courses of study as may be approved by the Chancellor of 276228
Higher Education. 276229

(B) In providing instructional and other services to 276230
students, boards of trustees of state institutions of higher 276231
education shall supplement state subsidies with income from 276232
charges to students. Except as otherwise provided in this act, 276233
each board shall establish the fees to be charged to all students, 276234
including an instructional fee for educational and associated 276235
operational support of the institution and a general fee for 276236
noninstructional services, including locally financed student 276237
services facilities used for the benefit of enrolled students. The 276238
instructional fee and the general fee shall encompass all charges 276239
for services assessed uniformly to all enrolled students. Each 276240
board may also establish special purpose fees, service charges, 276241
and fines as required; such special purpose fees and service 276242
charges shall be for services or benefits furnished individual 276243

students or specific categories of students and shall not be 276244
applied uniformly to all enrolled students. A tuition surcharge 276245
shall be paid by all students who are not residents of Ohio. 276246

The board of trustees of a state institution of higher 276247
education shall not authorize a waiver or nonpayment of 276248
instructional fees or general fees for any particular student or 276249
any class of students other than waivers specifically authorized 276250
by law or approved by the Chancellor. This prohibition is not 276251
intended to limit the authority of boards of trustees to provide 276252
for payments to students for services rendered the institution, 276253
nor to prohibit the budgeting of income for staff benefits or for 276254
student assistance in the form of payment of such instructional 276255
and general fees. 276256

Each board may authorize a lower differential tuition rate of 276257
instructional or general fees equal to the default rate options 276258
provided under the College Credit Plus Program pursuant to Chapter 276259
3365. of the Revised Code or equal to rates established pursuant 276260
to an agreement for an alternative payment structure pursuant to 276261
section 3365.07 of the Revised Code for nonpublic and home 276262
schooled students participating in that program that are not 276263
publicly funded. Each board may establish a lower differential 276264
tuition rate for in-state undergraduate instructional fees or 276265
general fees for students enrolled exclusively in online courses, 276266
as well as a lower differential tuition rate for the surcharge for 276267
nonresidents enrolled exclusively in online courses, provided a 276268
surcharge is still assessed. 276269

Each state institution of higher education in its statement 276270
of charges to students shall separately identify the instructional 276271
fee, the general fee, the tuition charge, and the tuition 276272
surcharge. Fee charges to students for instruction shall not be 276273
considered to be a price of service but shall be considered to be 276274
an integral part of the state government financing program in 276275

support of higher educational opportunity for students. 276276

(C) The boards of trustees of state institutions of higher 276277
education shall ensure that faculty members devote a proper and 276278
judicious part of their work week to the actual instruction of 276279
students. Total class credit hours of production per academic term 276280
per full-time faculty member is expected to meet the standards set 276281
forth in the budget data submitted by the Chancellor. 276282

(D) The authority of government vested by law in the boards 276283
of trustees of state institutions of higher education shall in 276284
fact be exercised by those boards. Boards of trustees may consult 276285
extensively with appropriate student and faculty groups. 276286

The approved corrective action plan shall be signed by the chief executive officer and the executive of the official governing body of the provider. The corrective action plan shall include a schedule for monitoring by the Department. Such monitoring may include monthly reports, inspections, a timeline for correction of deficiencies, and technical assistance to be provided by the Department or obtained by the early childhood education program. (H)(1) If the early childhood education program is not highly rated, as determined by the Director of Children and Youth, under the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code, the program shall do all of the following:

(d) Require teachers, except teachers enrolled and working to obtain a degree pursuant to section 3301.311 of the Revised Code, to attend a minimum of twenty hours every two years of professional development as prescribed by the Department;	278172 278173 278174 278175
(e) Document and report child progress as prescribed by the Department;	278176 278177

(g) Participate in the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code.	278180 278181
(2) If the program is highly rated, as determined by the Director of Children and Youth, under the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code, the program shall comply with the requirements of that program.	278182 278183 278184 278185 278186
(I) Per-pupil funding for programs subject to this section shall be sufficient to provide eligible children with services for a standard early childhood schedule which shall be defined in this section as a minimum of twelve and one-half hours per school week as defined in section 3313.62 of the Revised Code for the minimum school year as defined in sections 3313.48, 3313.481, and 3313.482 of the Revised Code. Nothing in this section shall be construed to prohibit program providers from utilizing other funds to serve eligible children in programs that exceed the twelve and one-half hours per week or that exceed the minimum school year. For any provider for which a standard early childhood education schedule creates a hardship or for which the provider shows evidence that the provider is working in collaboration with a preschool special	278187 278188 278189 278190 278191 278192 278193 278194 278195 278196 278197 278198 278199

education program, the provider may submit a waiver to the 278200
Department requesting an alternate schedule. If the Department 278201
approves a waiver for an alternate schedule that provides services 278202
for less time than the standard early childhood education 278203
schedule, the Department may reduce the provider's annual 278204
allocation proportionately. Under no circumstances shall an annual 278205
allocation be increased because of the approval of an alternate 278206
schedule. 278207

(J) Each provider shall develop a sliding fee scale based on 278208
family incomes and shall charge families who earn more than two 278209
hundred per cent of the federal poverty guidelines, as defined in 278210
division (A)(3) of section 5101.46 of the Revised Code, for the 278211
early childhood education program. 278212

The Department shall conduct an annual survey of each 278213
provider to determine whether the provider charges families 278214
tuition or fees, the amount families are charged relative to 278215
family income levels, and the number of families and students 278216
charged tuition and fees for the early childhood program. 278217

(K) If an early childhood education program voluntarily 278218
waives its right for funding, or has its funding eliminated for 278219
not meeting financial standards or the early learning program 278220
standards, the provider shall transfer control of title to 278221
property, equipment, and remaining supplies obtained through the 278222
program to providers designated by the Department and return any 278223
unexpended funds to the Department along with any reports 278224
prescribed by the Department. The funding made available from a 278225
program that waives its right for funding or has its funding 278226
eliminated or reduced may be used by the Department for new grant 278227
awards or expansion grants. The Department may award new grants or 278228
expansion grants to eligible providers who apply. The eligible 278229
providers who apply must do so in accordance with the selection 278230
process established by the Department. 278231

(L) Eligible expenditures for the Early Childhood Education Program shall be claimed each fiscal year to help meet the state's TANF maintenance of effort requirement. The Director of Education and Workforce, Director of Children and Youth, and the Director of Job and Family Services shall enter into an interagency agreement to carry out the requirements under this division, which shall include developing reporting guidelines for these expenditures.

(M)(1) The Department of Children and Youth and the Department of Job and Family Services shall continue to work toward establishing the following in common between early childhood education programs and publicly funded child care:

- (a) An application;
- (b) Program eligibility;

The directors shall enter into a memorandum of understanding 278457
with the Director of the Department of Children and Youth to 278458

2025, within the departments identified in division (B) of this 278462
section that is planned to be transferred pursuant to this section 278463
shall be completed by the Department of Children and Youth or its 278464
Director in the same manner and with the same effect as if 278465

(D) The Director of Children and Youth and the Directors of 278467
the Departments of Job and Family Services, Education and 278468

to the Department of Children and Youth. Division (B) of section 278474
127.16 of the Revised Code does not apply to contracts entered 278475

departments under division (B) of this section. Subject to the 278481
lay-off provisions of sections 124.321 to 124.381 of the Revised 278482
Code, employees who are transferred retain their same positions 278483
and all benefits accruing thereto. Once transferred to the 278484
Department of Children and Youth, changes to positions or benefits 278485
for employees not subject to Chapter 4117. of the Revised Code 278486

(3) Actions taken under division (E) of this section are not subject to appeal to the State Personnel Board of Review.

(F) Notwithstanding sections 4117.08 and 4117.10 of the Revised Code, the creation of the Department of Children and Youth, the transfer of programs and employees under this section, and the reassignment of certain functions and duties, are not appropriate subjects for collective bargaining under Chapter 4117. of the Revised Code.

(H) No validation, cure, right, privilege, remedy, obligation, or liability is lost or impaired by reason of the transfer required by this section but shall be administered by the Department of Children and Youth. No action or proceeding pending on the effective date of the transfer of duties, functions, and programs to the Department is affected by the transfer, and shall

be prosecuted or defended in the name of the Department or 278534
Director, as appropriate. In all such actions for those 278535
transferred duties, functions, and programs, the Department or 278536
Director shall be substituted as a party. 278537

(I) Effective January 1, 2025, or on an earlier date 278538
determined by the directors under division (B) of this section, 278539
all records, documents, files, equipment, assets, and other 278540
materials of the programs and staff resources transferred under 278541
this section are transferred to the Department of Children and 278542
Youth. 278543

(J) All rules, orders, and determinations made or undertaken 278544
related to children's services programs transferred to the 278545
Department of Children and Youth shall continue in effect as 278546
rules, orders, and determinations of the Department until modified 278547
or rescinded by the Department of Children and Youth. On and after 278548
January 1, 2025, if necessary to ensure the integrity of the 278549
numbering of the Administrative Code, the Director of the 278550
Legislative Service Commission shall renumber the rules related to 278551
children's services programs transferred to the Department of 278552
Children and Youth to reflect this transfer. 278553

(K) Notwithstanding any provision of sections 121.95 to 278554
121.953 of the Revised Code to the contrary, all of the following 278555
apply: 278556

(1) Before January 1, 2025, the Directors of Job and Family 278557
Services, Education and Workforce, Health, Developmental 278558
Disabilities, Medicaid, Mental Health and Addiction Services, and 278559

services programs, reduce the total number of regulatory 278561
restrictions identified in their base inventories prepared under 278562
section 121.95 of the Revised Code by the percentage reduction the 278563
state agency is required to achieve under section 121.951 of the 278564
Revised Code, subject to any lessened required reductions under 278565

section 121.952 of the Revised Code. 278566

(2) With respect to all rules transferred to the Department 278567
of Children and Youth on and after January 1, 2025, and all rules 278568
adopted by the Department thereafter, the Department shall comply 278569
with sections 121.95 to 121.953 of the Revised Code. 278570

(3) The Joint Committee on Agency Rule Review shall include 278571
regulatory restrictions in rules transferred to or adopted by the 278572
Department of Children and Youth, minus any reductions achieved by 278573
the Department between January 1, 2025, and June 30, 2025, when 278574
calculating the number of regulatory restrictions permitted in 278575
this state under section 121.953 of the Revised Code. 278576

(4) The Directors of Job and Family Services, Education and 278577
Workforce, Health, Developmental Disabilities, Medicaid, Mental 278578
Health and Addiction Services, and Development shall not treat the 278579
transfer of a rule containing a regulatory restriction to the 278580
Department of Children and Youth as a reduction in regulatory 278581
restrictions for purposes of satisfying the reduction requirements 278582
in sections 121.95 to 121.953 of the Revised Code. 278583

(L) Notwithstanding any provision of law to the contrary, on 278584

AGAINST THE STATE 278630

Except as otherwise provided in this section, an 278631
appropriation in this act may be used for the purpose of 278632
satisfying judgments, settlements, or administrative awards 278633

to the state in any suit against it. 278650

Section 503.30. CAPITAL PROJECT SETTLEMENTS 278651

This section specifies an additional and supplemental 278652

rendered against the state or a state agency, including the 278658
settlement of a claim approved by a court, in an action upon and 278659

increase in appropriation or new appropriation approved by the 278669
Controlling Board is hereby appropriated from the applicable 278670
capital projects fund and made available for the payment of the 278671
judgment or settlement. 278672

(B) Any operating appropriations for which unexpended 278715
balances are reappropriated in fiscal year 2024 or fiscal year 278716

than the end of the weekend following the expiration of the 278727
reappropriation period. 278728

(D) If the Controlling Board approved a purchase, that 278729

The Commissioner, in consultation with the Director of Budget 278950

shall determine the number of days for which the sales tax holiday 278952
will be held, which shall be at least fourteen days, and may 278953
include additional days if the Tax Commissioner and Director 278954
determine that the amount transferred to the Expanded Sales Tax 278955

Holiday Fund under Section 513.10 of this act is sufficient to 278956
reimburse the General Revenue Fund, Local Government Fund, Public 278957
Library Fund, and Permissive Tax Distribution Fund for the revenue 278958

applicable, for the purposes of determining the length of a sales 278974
tax holiday held in August 2025 pursuant to division (B)(2) of 278975
section 131.44 of the Revised Code, the Commissioner shall 278976
multiply the expected annual growth percentage in nonauto sales 278977
tax receipts expected by the Office of Budget and Management for 278978
fiscal year 2024 by the total sales tax receipts of taxpayers that 278979
filed returns for August 2023; add that product to the total sales 278980
tax receipts for returns filed for August 2023; and subtract from 278981
that sum the total sales tax receipts of taxpayers that filed 278982
returns for August 2024. 278983

Upon receipt of the certification from the Tax Commissioner, 278984
the Director of Budget and Management shall transfer from the 278985
