subsequently determines that the remittal of moneys leaves the 223624
board with insufficient money to pay all valid expenses incurred 223625
under this section during the biennium for which the remitted 223626
money was appropriated, the board may apply to the department of 223627

industry shall be recognized by ~~such board~~ the department for the 223665
purpose of complying with the requirements of recognized college 223666

biennium for which the remitted moneys were appropriated, the 223743
school may apply to the department for a refund of money, not to 223744
exceed the amount of the insufficiency. If the department 223745

lawful expenditures of the refunded money, the department shall 223747
make a refund in the necessary amount. 223748

school may dispose of that property in accordance with the 223758

(1) Whether approval of the request will enhance the marketability of the securities for which the request is made;

224711
224712

(2) Any other pertinent factors or limitations established in rules made under division (I) of this section, including:

224713
224714

(a) Current and projected obligations of funds due to the

224715

requesting school district under Chapter 3317. of the Revised Code 224716
including obligations of those funds to public obligations or 224717
relevant credit enhancement facilities under this section, Chapter 224718
133. and section 3313.483 of the Revised Code, and under any other 224719
similar provisions of law; 224720

(b) Whether the department of education and workforce or the 224721
office of budget and management has any reason to believe the 224722
requesting school district will be unable to pay when due the debt 224723
charges on the securities for which the request is made. 224724

The department may require a school district to establish 224725
schedules for the payment of all debt charges that take into 224726
account the amount and timing of anticipated distributions of 224727
funds to the district under Chapter 3317. of the Revised Code. 224728

(C) If the department approves the request of a school 224729
district to withhold and deposit funds pursuant to this section, 224730
the department shall enter into a written agreement with the 224731
district and the primary paying agent or fiscal agent for the 224732
securities which shall provide for the withholding of funds 224733
pursuant to this section for the payment of debt charges on those 224734
securities, and may include both of the following: 224735

(1) Provisions for certification by the district to the 224736

(2) Requirements that the district deposit amounts for the 224740
payment of debt charges on the securities with the primary paying 224741
agent or fiscal agent for the securities prior to the date on 224742
which those debt charge payments are due to the owners or holders 224743
of the securities. 224744

(D) Whenever a district notifies the department ~~of education~~ 224745
that it will be unable to pay debt charges when they are due, 224746

subject to the withholding provisions of this section, or whenever 224747
the applicable paying agent or fiscal agent notifies the 224748
department that it has not timely received from a school district 224749
the full amount needed for the payment when due of those debt 224750
charges to the holders or owners of such securities, the 224751
department shall immediately contact the school district and the 224752
paying agent or fiscal agent to confirm or determine whether the 224753
district is unable to make the required payment by the date on 224754
which it is due. 224755

Upon demand of the treasurer of state while holding a school 224756
district obligation purchased under division (G)(1) of section 224757

without a request of the school district, shall withhold and 224759
deposit funds pursuant to this section for payment of debt service 224760
charges on that obligation. 224761

If the department confirms or determines that the district 224762
will be unable to make such payment and payment will not be made 224763
pursuant to a credit enhancement facility, the department shall 224764
promptly pay to the applicable primary paying agent or fiscal 224765
agent the lesser of the amount due for debt charges or the amount 224766
due the district for the remainder of the fiscal year under 224767
Chapter 3317. of the Revised Code. If this amount is insufficient 224768
to pay the total amount then due the agent for the payment of debt 224769
charges, the department shall pay to the agent each fiscal year 224770
thereafter, and until the full amount due the agent for unpaid 224771
debt charges is paid in full, the lesser of the remaining amount 224772
due the agent for debt charges or the amount due the district for 224773
the fiscal year under Chapter 3317. of the Revised Code. 224774

(E) The ~~state~~ department may make any payments under this 224775
division by direct deposit of funds by electronic transfer. 224776

Any amount received by a paying agent or fiscal agent under 224777
this section shall be applied only to the payment of debt charges 224778

on the securities of the school district subject to this section 224779
or to the reimbursement to the provider of a credit enhancement 224780
facility that has paid such debt charges. 224781

(F) To the extent a school district whose securities are 224782
subject to this section is unable to pay applicable debt charges 224783
because of the failure to collect property taxes levied for the 224784
payment of those debt charges, the district may transfer to or 224785
deposit into any fund that would have received payments under 224786
Chapter 3317. of the Revised Code that were withheld under this 224787
section any such delinquent property taxes when later collected, 224788
provided that transfer or deposit shall be limited to the amounts 224789
withheld from that fund under this section. 224790

(G) The department may make payments under this section to 224791
paying agents or fiscal agents only from and to the extent that 224792
money is appropriated by the general assembly for Chapter 3317. of 224793
the Revised Code or for the purposes of this section. No 224794
securities of a school district to which this section is made 224795
applicable constitute an obligation or a debt or a pledge of the 224796
faith, credit, or taxing power of the state, and the holders or 224797
owners of such securities have no right to have taxes levied or 224798
appropriations made by the general assembly for the payment of 224799
debt charges on those securities, and those securities, if the 224800
department requires, shall contain a statement to that effect. The 224801
agreement for or the actual withholding and payment of moneys 224802
under this section does not constitute the assumption by the state 224803
of any debt of a school district. 224804

(H) In the case of securities subject to the withholding 224805
provisions of this section, the issuing board of education shall 224806
appoint a paying agent or fiscal agent who is not an officer or 224807
employee of the school district. 224808

(I) The department ~~of education~~, with the advice of the 224809
office of budget and management, may adopt reasonable rules not 224810

inconsistent with this section for the implementation of this 224811
section and division (B) of section 133.25 of the Revised Code as 224812
it relates to the withholding and depositing of payments under 224813
Chapter 3317. of the Revised Code to secure payment of debt 224814
charges on school district securities. Those rules shall include 224815
criteria for the evaluation and approval or denial of school 224816
district requests for withholding under this section and limits on 224817
the obligation for the purpose of paying debt charges or 224818
reimbursing credit enhancement facilities of funds otherwise to be 224819
paid to school districts under Chapter 3317. of the Revised Code. 224820

(J) The authority granted by this section is in addition to 224821
and not a limitation on any other authorizations granted by or 224822
pursuant to law for the same or similar purposes. 224823

Sec. 3317.19. The ~~state board~~ department of education and 224824

(C) Rank all such districts in order of adjusted valuation per pupil from the district with the lowest three-year average adjusted valuation per pupil to the district with the highest three-year average adjusted valuation per pupil;

(D) Divide such ranking into percentiles with the first percentile containing the one per cent of school districts having the lowest three-year average adjusted valuations per pupil and the one-hundredth percentile containing the one per cent of school districts having the highest three-year average adjusted valuations per pupil;

(E) Determine the school districts that have three-year average adjusted valuations per pupil that are greater than the median three-year average adjusted valuation per pupil for all school districts in the state;

(F) On or before the first day of September, certify the information described in divisions (A) to (E) of this section to the Ohio facilities construction commission.

Sec. 3318.033. (A) As used in this section:

(1) "Formula ADM" has the same meaning as in section 3317.02 of the Revised Code.

(2) "Open enrollment net gain" has the same meaning as in section 3318.011 of the Revised Code.

(B) This section applies to each school district that meets the following criteria:

(1) The Ohio facilities construction commission certified its conditional approval of the district's project under sections 3318.01 to 3318.20 of the Revised Code after July 1, 2006, and

prior to September 29, 2007, and the project had not been 225264
completed as of September 29, 2007. 225265

(2) Within one year after the date of the commission's 225266
certification of its conditional approval, the district's electors 225267
approved a bond issue to pay the district's portion of the basic 225268
project cost or the district board of education complied with 225269
section 3318.052 of the Revised Code. 225270

(3) In the fiscal year prior to the fiscal year in which the 225271
district's project was conditionally approved, the district had an 225272
open enrollment net gain that was ten per cent or more of its 225273
formula ADM. 225274

(C) For each school district to which this section applies, 225275
the department of education and workforce shall recalculate the 225276
district's percentile ranking under section 3318.011 of the 225277
Revised Code for the fiscal year prior to the fiscal year in which 225278
the district's project was conditionally approved and shall report 225279
the recalculated percentile ranking to the commission. For this 225280
purpose, the department shall recalculate every school district's 225281
percentile ranking for that fiscal year using the district's 225282
"valuation per pupil" as that term is defined in section 3318.011 225283
of the Revised Code on and after September 29, 2007. 225284

(D) For each school district to which this section applies, 225285
the commission shall use the recalculated percentile ranking 225286
reported under division (C) of this section to determine the 225287
district's portion of the basic project cost under section 225288
3318.032 of the Revised Code. The commission shall not use the 225289
recalculated percentile ranking for any other purpose, and the 225290
recalculated ranking shall not affect any other district's portion 225291
of the basic project cost under section 3318.032 of the Revised 225292
Code or any district's eligibility for assistance under sections 225293
3318.01 to 3318.20 of the Revised Code. The commission shall 225294
revise the agreement entered into under section 3318.08 of the 225295

Revised Code to reflect the district's new portion of the basic 225296
project cost as determined under this division. 225297

Sec. 3318.051. (A) Any city, exempted village, or local 225298
school district that commences a project under sections 3318.01 to 225299
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 225300
after September 5, 2006, need not levy the tax otherwise required 225301
under division (B) of section 3318.05 of the Revised Code, if the 225302
district board of education adopts a resolution petitioning the 225303
Ohio facilities construction commission to approve the transfer of 225304
money in accordance with this section and the commission approves 225305
that transfer. If so approved, the commission and the district 225306
board shall enter into an agreement under which the board, in each 225307
of twenty-three consecutive years beginning in the year in which 225308
the board and the commission enter into the project agreement 225309
under section 3318.08 of the Revised Code, shall transfer into the 225310
maintenance fund required by division (D) of section 3318.05 of 225311
the Revised Code not less than an amount equal to one-half mill 225312
for each dollar of the district's valuation unless and until the 225313
agreement to make those transfers is rescinded by the district 225314
board pursuant to division (F) of this section. 225315

(B) On the first day of July each year, or on an alternative 225316
date prescribed by the commission, the district treasurer shall 225317
certify to the commission and the auditor of state that the amount 225318
required for the year has been transferred. The auditor of state 225319
shall include verification of the transfer as part of any audit of 225320
the district under section 117.11 of the Revised Code. If the 225321
auditor of state finds that less than the required amount has been 225322
deposited into a district's maintenance fund, the auditor of state 225323
shall notify the district board of education in writing of that 225324
fact and require the board to deposit into the fund, within ninety 225325
days after the date of the notice, the amount by which the fund is 225326
deficient for the year. If the district board fails to demonstrate 225327

to the auditor of state's satisfaction that the board has made the 225328
deposit required in the notice, the auditor of state shall notify 225329
the department of education and workforce. At that time, the 225330
department shall withhold an amount equal to ten per cent of the 225331
district's funds calculated for the current fiscal year under 225332
Chapter 3317. of the Revised Code until the auditor of state 225333
notifies the department that the auditor of state is satisfied 225334
that the board has made the required transfer. 225335

(C) Money transferred to the maintenance fund shall be used 225336
for the maintenance or, upon approval of the Ohio facilities 225337
construction commission, upgrade of the facilities acquired under 225338
the district's project. 225339

(D) The transfers to the maintenance fund under this section 225340
does not affect a district's obligation to establish and maintain 225341
a capital and maintenance fund under section 3315.18 of the 225342
Revised Code. 225343

(E) Any decision by the commission to approve or not approve 225344
the transfer of money under this section is final and not subject 225345
to appeal. The commission shall not be responsible for errors or 225346
miscalculations made in deciding whether to approve a petition to 225347
make transfers under this section. 225348

(F) If the district board determines that it no longer can 225349
continue making the transfers agreed to under this section, the 225350
board may rescind the agreement only so long as the electors of 225351
the district have approved, in accordance with section 3318.063 of 225352
the Revised Code, the levy of a tax for the maintenance of the 225353
classroom facilities acquired under the district's project and 225354
that levy continues to be collected as approved by the electors. 225355
That levy shall be for a number of years that is equal to the 225356
difference between twenty-three years and the number of years that 225357
the district made transfers under this section and shall be at the 225358
rate of not less than one-half mill for each dollar of the 225359

district's valuation. The district board shall continue to make 225360
the transfers agreed to under this section until that levy has 225361
been approved by the electors. 225362

Sec. 3318.08. Except in the case of a joint vocational school 225363
district that receives assistance under sections 3318.40 to 225364
3318.45 of the Revised Code, if the requisite favorable vote on 225365
the election is obtained, or if the school district board has 225366
resolved to apply the proceeds of a property tax levy or the 225367
proceeds of an income tax, or a combination of proceeds from such 225368
taxes, as authorized in section 3318.052 of the Revised Code, the 225369
Ohio facilities construction commission, upon certification to it 225370
of either the results of the election or the resolution under 225371
section 3318.052 of the Revised Code, shall enter into a written 225372
agreement with the school district board for the construction and 225373
sale of the project. In the case of a joint vocational school 225374
district that receives assistance under sections 3318.40 to 225375
3318.45 of the Revised Code, if the school district board of 225376
education and the school district electors have satisfied the 225377
conditions prescribed in division (D)(1) of section 3318.41 of the 225378
Revised Code, the commission shall enter into an agreement with 225379
the school district board for the construction and sale of the 225380
project. In either case, the agreement shall include, but need not 225381
be limited to, the following provisions: 225382

(A) The sale and issuance of bonds or notes in anticipation 225383
thereof, as soon as practicable after the execution of the 225384
agreement, in an amount equal to the school district's portion of 225385
the basic project cost, including any securities authorized under 225386
division (J) of section 133.06 of the Revised Code and dedicated 225387
by the school district board to payment of the district's portion 225388
of the basic project cost of the project; provided, that if at 225389
that time the county treasurer of each county in which the school 225390
district is located has not commenced the collection of taxes on 225391

the general duplicate of real and public utility property for the 225392
year in which the controlling board approved the project, the 225393
school district board shall authorize the issuance of a first 225394
installment of bond anticipation notes in an amount specified by 225395
the agreement, which amount shall not exceed an amount necessary 225396
to raise the net bonded indebtedness of the school district as of 225397
the date of the controlling board's approval to within five 225398
thousand dollars of the required level of indebtedness for the 225399
preceding year. In the event that a first installment of bond 225400
anticipation notes is issued, the school district board shall, as 225401
soon as practicable after the county treasurer of each county in 225402
which the school district is located has commenced the collection 225403
of taxes on the general duplicate of real and public utility 225404
property for the year in which the controlling board approved the 225405
project, authorize the issuance of a second and final installment 225406
of bond anticipation notes or a first and final issue of bonds. 225407

The combined value of the first and second installment of 225408
bond anticipation notes or the value of the first and final issue 225409
of bonds shall be equal to the school district's portion of the 225410
basic project cost. The proceeds of any such bonds shall be used 225411
first to retire any bond anticipation notes. Otherwise, the 225412
proceeds of such bonds and of any bond anticipation notes, except 225413
the premium and accrued interest thereon, shall be deposited in 225414
the school district's project construction fund. In determining 225415
the amount of net bonded indebtedness for the purpose of fixing 225416
the amount of an issue of either bonds or bond anticipation notes, 225417
gross indebtedness shall be reduced by moneys in the bond 225418
retirement fund only to the extent of the moneys therein on the 225419
first day of the year preceding the year in which the controlling 225420
board approved the project. Should there be a decrease in the tax 225421
valuation of the school district so that the amount of 225422
indebtedness that can be incurred on the tax duplicates for the 225423
year in which the controlling board approved the project is less 225424

than the amount of the first installment of bond anticipation 225425
notes, there shall be paid from the school district's project 225426
construction fund to the school district's bond retirement fund to 225427
be applied against such notes an amount sufficient to cause the 225428
net bonded indebtedness of the school district, as of the first 225429
day of the year following the year in which the controlling board 225430
approved the project, to be within five thousand dollars of the 225431
required level of indebtedness for the year in which the 225432
controlling board approved the project. The maximum amount of 225433
indebtedness to be incurred by any school district board as its 225434
share of the cost of the project is either an amount that will 225435
cause its net bonded indebtedness, as of the first day of the year 225436
following the year in which the controlling board approved the 225437
project, to be within five thousand dollars of the required level 225438
of indebtedness, or an amount equal to the required percentage of 225439
the basic project costs, whichever is greater. All bonds and bond 225440
anticipation notes shall be issued in accordance with Chapter 133. 225441
of the Revised Code, and notes may be renewed as provided in 225442
section 133.22 of the Revised Code. 225443

(B) The transfer of such funds of the school district board 225444
available for the project, together with the proceeds of the sale 225445
of the bonds or notes, except premium, accrued interest, and 225446
interest included in the amount of the issue, to the school 225447
district's project construction fund; 225448

(C) For all school districts except joint vocational school 225449
districts that receive assistance under sections 3318.40 to 225450
3318.45 of the Revised Code, the following provisions as 225451
applicable: 225452

(1) If section 3318.052 of the Revised Code applies, the 225453
earmarking of the proceeds of a tax levied under section 5705.21 225454
of the Revised Code for general permanent improvements or under 225455
section 5705.218 of the Revised Code for the purpose of permanent 225456

improvements, or the proceeds of a school district income tax 225457
levied under Chapter 5748. of the Revised Code, or the proceeds 225458
from a combination of those two taxes, in an amount to pay all or 225459
part of the service charges on bonds issued to pay the school 225460
district portion of the project and an amount equivalent to all or 225461
part of the tax required under division (B) of section 3318.05 of 225462
the Revised Code; 225463

(2) If section 3318.052 of the Revised Code does not apply, 225464
one of the following: 225465

(a) The levy of the tax authorized at the election for the 225466
payment of maintenance costs, as specified in division (B) of 225467
section 3318.05 of the Revised Code; 225468

(b) If the school district electors have approved a 225469
continuing tax for general permanent improvements under section 225470
5705.21 of the Revised Code and that tax can be used for 225471
maintenance, the earmarking of an amount of the proceeds from such 225472
tax for maintenance of classroom facilities as specified in 225473
division (B) of section 3318.05 of the Revised Code; 225474

(c) If, in lieu of the tax otherwise required under division 225475
(B) of section 3318.05 of the Revised Code, the commission has 225476
approved the transfer of money to the maintenance fund in 225477
accordance with section 3318.051 of the Revised Code, a 225478
requirement that the district board comply with the provisions of 225479
that section. The district board may rescind the provision 225480
prescribed under division (C)(2)(c) of this section only so long 225481
as the electors of the district have approved, in accordance with 225482
section 3318.063 of the Revised Code, the levy of a tax for the 225483
maintenance of the classroom facilities acquired under the 225484
district's project and that levy continues to be collected as 225485
approved by the electors. 225486

(D) For joint vocational school districts that receive 225487

assistance under sections 3318.40 to 3318.45 of the Revised Code, 225488
provision for deposit of school district moneys dedicated to 225489
maintenance of the classroom facilities acquired under those 225490
sections as prescribed in section 3318.43 of the Revised Code; 225491

(E) Dedication of any local donated contribution as provided 225492
for under section 3318.084 of the Revised Code, including a 225493
schedule for depositing such moneys applied as an offset of the 225494
district's obligation to levy the tax described in division (B) of 225495
section 3318.05 of the Revised Code as required under division 225496
(D)(2) of section 3318.084 of the Revised Code; 225497

(F) Ownership of or interest in the project during the period 225498
of construction, which shall be divided between the commission and 225499
the school district board in proportion to their respective 225500
contributions to the school district's project construction fund; 225501

(G) Maintenance of the state's interest in the project until 225502
any obligations issued for the project under section 3318.26 of 225503
the Revised Code are no longer outstanding; 225504

(H) The insurance of the project by the school district from 225505
the time there is an insurable interest therein and so long as the 225506
state retains any ownership or interest in the project pursuant to 225507
division (F) of this section, in such amounts and against such 225508
risks as the commission shall require; provided, that the cost of 225509
any required insurance until the project is completed shall be a 225510
part of the basic project cost; 225511

(I) The certification by the director of budget and 225512
management that funds are available and have been set aside to 225513
meet the state's share of the basic project cost as approved by 225514
the controlling board pursuant to either section 3318.04 or 225515
division (B)(1) of section 3318.41 of the Revised Code; 225516

(J) Authorization of the school district board to advertise 225517
for and receive construction bids for the project, for and on 225518

behalf of the commission, and to award contracts in the name of 225519
the state subject to approval by the commission; 225520

(K) Provisions for the disbursement of moneys from the school 225521
district's project account upon issuance by the commission or the 225522
commission's designated representative of vouchers for work done 225523
to be certified to the commission by the treasurer of the school 225524
district board; 225525

(L) Disposal of any balance left in the school district's 225526
project construction fund upon completion of the project; 225527

(M) Limitations upon use of the project or any part of it so 225528
long as any obligations issued to finance the project under 225529
section 3318.26 of the Revised Code are outstanding; 225530

(N) Provision for vesting the state's interest in the project 225531
to the school district board when the obligations issued to 225532
finance the project under section 3318.26 of the Revised Code are 225533
outstanding; 225534

(O) Provision for deposit of an executed copy of the 225535
agreement in the office of the commission; 225536

(P) Provision for termination of the contract and release of 225537
the funds encumbered at the time of the conditional approval, if 225538
the proceeds of the sale of the bonds of the school district board 225539
are not paid into the school district's project construction fund 225540
and if bids for the construction of the project have not been 225541
taken within such period after the execution of the agreement as 225542
may be fixed by the commission; 225543

(Q) A provision that requires the school district to adhere 225544
to a facilities maintenance plan approved by the commission; 225545

(R) Provision that all state funds reserved and encumbered to 225546
pay the state share of the cost of the project and the funds 225547
provided by the school district to pay for its share of the 225548

project cost, including the respective shares of the cost of a 225549
segment if the project is divided into segments, be spent on the 225550
construction and acquisition of the project or segment 225551
simultaneously in proportion to the state's and the school 225552
district's respective shares of that basic project cost as 225553
determined under section 3318.032 of the Revised Code or, if the 225554
district is a joint vocational school district, under section 225555
3318.42 of the Revised Code. However, if the school district 225556
certifies to the commission that expenditure by the school 225557
district is necessary to maintain the federal tax status or 225558
tax-exempt status of notes or bonds issued by the school district 225559
to pay for its share of the project cost or to comply with 225560
applicable temporary investment periods or spending exceptions to 225561
rebate as provided for under federal law in regard to those notes 225562
or bonds, the school district may commit to spend, or spend, a 225563
greater portion of the funds it provides during any specific 225564
period than would otherwise be required under this division. 225565

(S) A provision stipulating that the commission may prohibit 225566
the district from proceeding with any project if the commission 225567
determines that the site is not suitable for construction 225568
purposes. The commission may perform soil tests in its 225569
determination of whether a site is appropriate for construction 225570
purposes. 225571

(T) A provision stipulating that, unless otherwise authorized 225572
by the commission, any contingency reserve portion of the 225573
construction budget prescribed by the commission shall be used 225574
only to pay costs resulting from unforeseen job conditions, to 225575
comply with rulings regarding building and other codes, to pay 225576
costs related to design clarifications or corrections to contract 225577
documents, and to pay the costs of settlements or judgments 225578
related to the project as provided under section 3318.086 of the 225579
Revised Code; 225580

(U) A provision stipulating that for continued release of project funds the school district board shall comply with sections 3313.41, 3313.411, and 3313.413 of the Revised Code throughout the project and shall notify the department of education and workforce and the Ohio community school association when the board plans to dispose of facilities by sale under that section;

(V) A provision stipulating that the commission shall not approve a contract for demolition of a facility until the school district board has complied with sections 3313.41, 3313.411, and 3313.413 of the Revised Code relative to that facility, unless demolition of that facility is to clear a site for construction of a replacement facility included in the district's project.

Sec. 3318.084. (A) Notwithstanding anything to the contrary in Chapter 3318. of the Revised Code, a school district board may apply any local donated contribution toward any of the following:

(1) The district's portion of the basic project cost of a project under either sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the Revised Code to reduce the amount of bonds the district otherwise must issue in order to receive state assistance under those sections;

(2) If the school district is not a joint vocational school district proceeding under sections 3318.40 to 3318.45 of the Revised Code, an offset of all or part of a district's obligation to levy the tax described in division (B) of section 3318.05 of the Revised Code, which shall be applied only in the manner prescribed in division (B) of this section;

(3) If the school district is a joint vocational school district proceeding under sections 3318.40 to 3318.45 of the Revised Code, all or part of the amount the school district is obligated to set aside for maintenance of the classroom facilities acquired under that project pursuant to section 3318.43 of the

Revised Code. 225612

(B) No school district board shall apply any local donated 225613
contribution under division (A)(2) of this section unless the Ohio 225614
facilities construction commission first approves that 225615
application. 225616

Upon the request of the school district board to apply local 225617
donated contribution under division (A)(2) of this section, the 225618
commission in consultation with the department of taxation shall 225619
determine the amount of total revenue that likely would be 225620
generated by one-half mill of the tax described in division (B) of 225621
section 3318.05 of the Revised Code over the entire 225622
twenty-three-year period required under that section and shall 225623
deduct from that amount any amount of local donated contribution 225624
that the board has committed to apply under division (A)(2) of 225625
this section. The commission then shall determine in consultation 225626
with the department of taxation the rate of tax over twenty-three 225627
years necessary to generate the amount of a one-half mill tax not 225628
offset by the local donated contribution. Notwithstanding anything 225629
to the contrary in section 3318.06, 3318.061, or 3318.361 of the 225630
Revised Code, the rate determined by the commission shall be the 225631
rate for which the district board shall seek elector approval 225632
under those sections to meet its obligation under division (B) of 225633
section 3318.05 of the Revised Code. In the case of a complete 225634
offset of the district's obligation under division (B) of section 225635
3318.05 of the Revised Code, the district shall not be required to 225636
levy the tax otherwise required under that section. At the end of 225637
the twenty-three-year period of the tax required under division 225638
(B) of section 3318.05 of the Revised Code, whether or not the tax 225639
is actually levied, the commission in consultation of the 225640
department of taxation shall recalculate the amount that would 225641
have been generated by the tax if it had been levied at one-half 225642
mill. If the total amount actually generated over that period from 225643

both the tax that was actually levied and any local donated 225644
contribution applied under division (A)(2) of this section is less 225645
than the amount that would have been raised by a one-half mill 225646
tax, the district shall pay any difference. If the total amount 225647
actually raised in such manner is greater than the amount that 225648
would have been raised by a one-half mill tax the difference shall 225649
be zero and no payments shall be made by either the district or 225650
the commission. 225651

(C) As used in this section, "local donated contribution" 225652
means any of the following: 225653

(1) Any moneys irrevocably donated or granted to a school 225654
district board by a source other than the state which the board 225655
has the authority to apply to the school district's project under 225656
sections 3318.01 to 3318.20 of the Revised Code and which the 225657
board has pledged for that purpose by resolution adopted by a 225658
majority of its members; 225659

(2) Any irrevocable letter of credit issued on behalf of a 225660
school district which the school district board has encumbered for 225661
payment of the school district's share of its project under 225662
sections 3318.01 to 3318.20 of the Revised Code that has been 225663
approved by the commission in consultation with the department of 225664
education and workforce; 225665

(3) Any cash a school district has on hand that the school 225666
district board has encumbered for payment of the school district's 225667
share of its project under sections 3318.01 to 3318.20 of the 225668
Revised Code that has been approved by the commission in 225669
consultation with the department ~~of education~~, including the 225670
following: 225671

(a) Any year-end operating fund balances that can be spent 225672
for classroom facilities; 225673

(b) Any cash resulting from a lease-purchase agreement that 225674

the school district board has entered into under section 3313.375 225675
of the Revised Code, provided that the agreement and the related 225676
financing documents contain provisions protecting the state's 225677
superior interest in the project. 225678

(4) Any moneys spent by a source other than the school 225679
district or the state for construction or renovation of specific 225680
classroom facilities that have been approved by the commission as 225681
part of the basic project cost of the district's project. The 225682
school district, the commission, and the entity providing the 225683
local donated contribution under division (C)(4) of this section 225684
shall enter into an agreement identifying the classroom facilities 225685
to be acquired by the expenditures made by that entity. The 225686
agreement shall include, but not be limited to, stipulations that 225687
require an audit by the commission of such expenditures made on 225688
behalf of the district and that specify the maximum amount of 225689
credit to be allowed for those expenditures. Upon completion of 225690
the construction or renovation, the commission shall determine the 225691
actual amount that the commission will credit, at the request of 225692
the district board, toward the district's portion of the basic 225693
project cost, any project cost overruns, or the basic project cost 225694
of future segments if the project has been divided into segments 225695
under section 3318.38 of the Revised Code. The actual amount of 225696
the credit shall not exceed the lesser of the amount specified in 225697
the agreement or the actual cost of the construction or 225698
renovation. 225699

(D) No state moneys shall be released for a project to which 225700
this section applies until: 225701

(1) Any local donated contribution authorized under division 225702
(A)(1) of this section is first deposited into the school 225703
district's project construction fund. 225704

(2) The school district board and the commission have 225705
included a stipulation in their agreement entered into under 225706

section 3318.08 of the Revised Code under which the board will 225707
deposit into a fund approved by the commission according to a 225708
schedule that does not extend beyond the anticipated completion 225709
date of the project the total amount of any local donated 225710
contribution authorized under division (A)(2) or (3) of this 225711
section and dedicated by the board for that purpose. 225712

However, if any local donated contribution as described in 225713
division (C)(4) of this section has been approved under this 225714
section, the state moneys may be released even if the entity 225715
providing that local donated contribution has not spent the moneys 225716
so dedicated as long as the agreement required under that section 225717
has been executed. 225718

Sec. 3318.18. (A) As used in this section: 225719

(1) "Valuation" of a school district means the sum of the 225720
amounts described in divisions (A)(1) and (2) of section 3317.021 225721
of the Revised Code as most recently certified for the district 225722
before the annual computation is made under division (B) of this 225723
section. 225724

(2) "Valuation per pupil" of a school district means the 225725
district's valuation divided by the district's formula ADM as most 225726
recently calculated under section 3317.03 of the Revised Code 225727
before the annual computation is made under division (B) of this 225728
section. 225729

(3) "Statewide average valuation per pupil" means the total 225730
of the valuations of all school districts divided by the total of 225731
the formula ADMs of all school districts as most recently 225732
calculated under section 3317.03 of the Revised Code before the 225733
annual computation is made under division (C) of this section. 225734

(4) "Maintenance levy requirement" means the tax required to 225735
be levied pursuant to division (C)(2)(a) of section 3318.08 and 225736

division (B) of section 3318.05 of the Revised Code or the 225737
application of proceeds of another levy to paying the costs of 225738
maintaining classroom facilities pursuant to division (A)(2) of 225739
section 3318.052, division (C)(1) or (C)(2)(b) of section 3318.08, 225740
or division (D)(2) of section 3318.36 of the Revised Code, or a 225741
combination thereof. 225742

(5) "Project agreement" means an agreement between a school 225743
district and the Ohio facilities construction commission under 225744
section 3318.08 or division (B)(1) of section 3318.36 of the 225745
Revised Code. 225746

(B) ~~On or before July 1, 2006, the department of education~~ 225747
~~shall compute the statewide average valuation per pupil and the~~ 225748
~~valuation per pupil of each school district, and provide them to~~ 225749
~~the Ohio facilities construction commission.~~ On or before the 225750
first day of July each year beginning in 2007, the department of 225751
education and workforce shall compute the statewide average 225752
valuation per pupil and the valuation per pupil of each school 225753
district that has not already entered into a project agreement, 225754
and provide the results of those computations to the commission. 225755

(C)(1) At the time the Ohio facilities construction 225756
commission enters into a project agreement with a school district, 225757
the commission shall compute the difference between the district's 225758
valuation per pupil and the statewide average valuation per pupil 225759
as most recently provided to the commission under division (B) of 225760
this section. If the school district's valuation per pupil is less 225761
than the average statewide valuation per pupil, the commission 225762
shall multiply the difference between those amounts by one-half 225763
mill times the formula ADM of the district as most recently 225764
reported to the department ~~of education~~ for October under division 225765
(A) of section 3317.03 of the Revised Code. The commission shall 225766
certify the resulting product to the department ~~of education~~, 225767
along with the date on which the maintenance levy requirement 225768

terminates as provided in the project agreement between the school district board and the commission. 225769
225770

(2) In the case of a school district that entered into a project agreement after July 1, 1997, but before July 1, 2006, the commission shall make the computation described in division (C)(1) of this section on the basis of the district's valuation per pupil and the statewide average valuation per pupil computed as of September 1, 2006, and the district's formula ADM reported for October 2005. 225771
225772
225773
225774
225775
225776
225777

(3) The amount computed for a school district under division (C)(1) or (2) of this section shall not change for the period during which payments are made to the district under division (D) of this section. 225778
225779
225780
225781

(4) A computation need not be made under division (C)(1) or (2) of this section for a school district that certified a resolution to the commission under division (D)(3) of section 3318.36 of the Revised Code until the district becomes eligible for state assistance as provided in that division. 225782
225783
225784
225785
225786

(D) In the fourth quarter of each fiscal year, for each school district for which a computation has been made under division (C) of this section, the department ~~of education~~ shall pay the amount computed to each such school district. Payments shall be made to a school district each year until and including the tax year in which the district's maintenance levy requirement terminates. Payments shall be paid from the half-mill equalization fund, subject to appropriation by the general assembly. However, the department shall make no payments under this section to any district that elects the procedure authorized by section 3318.051 of the Revised Code. 225787
225788
225789
225790
225791
225792
225793
225794
225795
225796
225797

(E) Payments made to a school district under this section shall be credited to the district's classroom facilities 225798
225799

maintenance fund and shall be used only for the purpose of 225800
maintaining facilities constructed or renovated under the project 225801
agreement. 225802

(F) There is hereby created in the state treasury the 225803
half-mill equalization fund. The fund shall receive transfers 225804
pursuant to section 5727.85 of the Revised Code. The fund shall be 225805
used first to make annual payments under division (D) of this 225806
section. If a balance remains in the fund after such payments are 225807
made in full for a year, the Ohio facilities construction 225808
commission may request the controlling board to transfer a 225809
reasonable amount from such remaining balance to the public school 225810
building fund created under section 3318.15 of the Revised Code 225811
for the purposes of this chapter. 225812

All investment earnings arising from investment of money in 225813
the half-mill equalization fund shall be credited to the fund. 225814

Sec. 3318.363. (A) This section applies beginning in fiscal 225815
year 2003 and only to a school district participating in the 225816
school building assistance expedited local partnership program 225817
under section 3318.36 of the Revised Code. 225818

(B) If there is a decrease in the tax valuation of a school 225819
district to which this section applies by ten per cent or greater 225820
from one tax year to the next due to a decrease in the assessment 225821
rate of the taxable property of an electric company that owns 225822
property in the district, as provided for in section 5727.111 of 225823
the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd 225824
General Assembly, the Ohio facilities construction commission 225825
shall calculate or recalculate the state and school district 225826
portions of the basic project cost of the school district's 225827
project by determining the percentile rank in which the district 225828
would be located if such ranking were made using the adjusted 225829
valuation per pupil calculated under division (C) of this section 225830

rather than the three-year average adjusted valuation per pupil, 225831
calculated under division (B) of section 3318.011 of the Revised 225832
Code. For such district, the required percentage of the basic 225833
project cost used to determine the state and school district 225834
shares of that cost under division (C) of section 3318.36 of the 225835
Revised Code shall be based on the percentile rank as calculated 225836
under this section rather than as otherwise provided in division 225837
(C)(1) of section 3318.36 of the Revised Code. If the commission 225838
has determined the state and school district portion of the basic 225839
project cost of such a district's project under section 3318.36 of 225840
the Revised Code prior to that decrease in tax valuation, the 225841
commission shall adjust the state and school district shares of 225842
the basic project cost of such project in accordance with this 225843
section. 225844

(C)(1) As used in divisions (C) and (D) of this section, 225845
"total taxable value" and "formula ADM" have the same meanings as 225846
in section 3317.02 of the Revised Code, and "income factor" has 225847
the same meaning as in section 3318.011 of the Revised Code. 225848

(2) The adjusted valuation per pupil for a school district to 225849
which this section applies shall be calculated using the following 225850
formula: 225851

(The district's total taxable value for the tax year 225852
preceding the calendar year in which the current fiscal year 225853
begins / the district's formula ADM for the previous fiscal year) 225854
- [\$30,000 x (1 - the district's income factor)]. 225855

(D) At the request of the Ohio facilities construction 225856
commission, the department of education and workforce shall report 225857
a district's total taxable value for the tax year preceding the 225858
calendar year in which the current fiscal year begins for any 225859
district to which this section applies as that information has 225860
been certified to the department by the tax commissioner pursuant 225861
to section 3317.021 of the Revised Code. 225862

Sec. 3318.42. (A) Not later than the sixty-first day after 225863
March 14, 2003, and subsequently not later than the sixty-first 225864
day after the first day of each ensuing fiscal year, the 225865
department of education and workforce shall do all of the 225866
following: 225867

(1) Calculate the valuation per pupil of each joint 225868
vocational school district according to the following formula: 225869
The school district's average taxable value divided by the 225870
school district's formula ADM calculated under section 225871
3317.03 of the Revised Code for the previous fiscal year. 225872

For purposes of this calculation: 225873

(a) "Average taxable value" means the average of the amounts 225874
certified for a school district in the second, third, and fourth 225875

contract expires and that the employee may request a meeting with 226060
the board. Upon request by such an employee, the board shall grant 226061
the employee a meeting in executive session. In that meeting, the 226062
board shall discuss its reasons for considering renewal or 226063
nonrenewal of the contract. The employee shall be permitted to 226064
have a representative, chosen by the employee, present at the 226065
meeting. 226066

(5) The establishment of an evaluation procedure shall not 226067
create an expectancy of continued employment. Nothing in division 226068
(D) of this section shall prevent a board from making the final 226069
determination regarding the renewal or nonrenewal of the contract 226070
of any assistant superintendent, principal, assistant principal, 226071
or other administrator. However, if a board fails to provide 226072

been employed by the district or service center as an assistant 226079
superintendent, principal, assistant principal, or other 226080

pursuant to section 3319.16 of the Revised Code. Any supervisor 226087
employed pursuant to this division may terminate the contract of 226088
employment at the end of any school year after giving the board at 226089
least thirty days' written notice prior to such termination. On 226090
the recommendation of the superintendent the contract or contracts 226091
of any supervisor employed pursuant to this division may be 226092
suspended for the remainder of the term of any such contract 226093
pursuant to section 3319.17 or 3319.171 of the Revised Code. 226094

(F) A board may establish vacation leave for any individuals 226095
employed under this section. Upon such an individual's separation 226096
from employment, a board that has such leave may compensate such 226097
an individual at the individual's current rate of pay for all 226098
lawfully accrued and unused vacation leave credited at the time of 226099

Assault leave granted under rules adopted by a board of 226614

investigation, that a school employee who holds a license , as 226635
defined in section 3319.31 of the Revised Code, has violated 226636
division (B) of this section, the state board shall take any 226637

Before terminating any contract, the employing board shall 226660

contract with full specification of the grounds for such 226663

The board shall provide for a complete stenographic record of the proceedings, a copy of the record to be furnished to the teacher. The board may suspend a teacher pending final action to terminate the teacher's contract if, in its judgment, the character of the charges warrants such action.

Both parties may be present at such hearing, be represented by counsel, require witnesses to be under oath, cross-examine witnesses, take a record of the proceedings, and require the presence of witnesses in their behalf upon subpoena to be issued by the treasurer of the board. In case of the failure of any person to comply with a subpoena, a judge of the court of common pleas of the county in which the person resides, upon application of any interested party, shall compel attendance of the person by attachment proceedings as for contempt. Any member of the board or

the referee may administer oaths to witnesses. After a hearing by 226697
a referee, the referee shall file a report within ten days after 226698
the termination of the hearing. After consideration of the 226699
referee's report, the board, by a majority vote, may accept or 226700
reject the referee's recommendation on the termination of the 226701
teacher's contract. After a hearing by the board, the board, by 226702
majority vote, may enter its determination upon its minutes. Any 226703
order of termination of a contract shall state the grounds for 226704
termination. If the decision, after hearing, is against 226705
termination of the contract, the charges and the record of the 226706
hearing shall be physically expunged from the minutes, and, if the 226707
teacher has suffered any loss of salary by reason of being 226708
suspended, the teacher shall be paid the teacher's full salary for 226709
the period of such suspension. 226710

Any teacher affected by an order of termination of contract 226711
may appeal to the court of common pleas of the county in which the 226712
school is located within thirty days after receipt of notice of 226713
the entry of such order. The appeal shall be an original action in 226714
the court and shall be commenced by the filing of a complaint 226715
against the board, in which complaint the facts shall be alleged 226716
upon which the teacher relies for a reversal or modification of 226717
such order of termination of contract. Upon service or waiver of 226718
summons in that appeal, the board immediately shall transmit to 226719
the clerk of the court for filing a transcript of the original 226720
papers filed with the board, a certified copy of the minutes of 226721
the board into which the termination finding was entered, and a 226722
certified transcript of all evidence adduced at the hearing or 226723
hearings before the board or a certified transcript of all 226724
evidence adduced at the hearing or hearings before the referee, 226725
whereupon the cause shall be at issue without further pleading and 226726
shall be advanced and heard without delay. The court shall examine 226727
the transcript and record of the hearing and shall hold such 226728
additional hearings as it considers advisable, at which it may 226729

consider other evidence in addition to the transcript and record. 226730

Upon final hearing, the court shall grant or deny the relief 226731
prayed for in the complaint as may be proper in accordance with 226732
the evidence adduced in the hearing. Such an action is a special 226733
proceeding, and either the teacher or the board may appeal from 226734
the decision of the court of common pleas pursuant to the Rules of 226735
Appellate Procedure and, to the extent not in conflict with those 226736
rules, Chapter 2505. of the Revised Code. 226737

the prosecuting attorney, village solicitor, city director of law, 226739
or other chief legal officer of a municipal corporation as 226740
authorized by section 3313.35 of the Revised Code, or may employ 226741
other legal counsel. 226742

A violation of division (A)(7) of section 2907.03 of the 226743
Revised Code is grounds for termination of a teacher contract 226744
under this section. 226745

Sec. 3319.161. For the purpose of providing referees for the 226746

that the ~~superintendent~~ department shall solicit annually from the 226750

Upon receipt of notice that a referee has been demanded by a 226752
teacher or by a board of education, the ~~superintendent of public~~ 226753
~~instruction~~ department shall immediately designate three persons 226754
from such list, from whom the referee to hear the matter shall be 226755
chosen, and the ~~superintendent~~ department shall immediately notify 226756
the designees, the teacher, and the board of the school district 226757
involved. If within five days of receipt of the notice, the 226758
teacher and board are unable to select a mutually agreeable 226759
designee to serve as referee, the ~~superintendent of public~~ 226760

~~instruction department~~ shall appoint one of the three designees to 226761
serve as referee. The appointment of the referee shall be entered 226762
in the minutes of the board. The referee appointed shall be paid 226763

which shall be paid from the school district general fund upon 226765
vouchers approved by the ~~superintendent of public instruction~~ 226766

committee structure so established by a district board shall 226919
remain in effect unless within thirty days prior to an anniversary 226920
of the date upon which the current committee structure was 226921
established, the board provides notice to all affected district 226922
employees that the committee structure is to be modified. 226923
Professional development committees may have a district-level or 226924
building-level scope of operations, and may be established with 226925
regard to particular grade or age levels for which an educator 226926
license is designated. 226927

Each professional development committee shall consist of at 226928
least three classroom teachers employed by the district, one 226929

teachers of the district, and the principal member shall be 226937

classroom teachers holding such a license and the principal shall 226944
be elected by all principals serving in buildings where any such 226945

be prescribed by the district board establishing the committees. 226952
The conduct of elections for members of professional development 226953
committees shall be prescribed by the district board establishing 226954
the committees. A professional development committee may include 226955
additional members, except that the majority of members on each 226956
such committee shall be classroom teachers employed by the 226957
district. Any member appointed to fill a vacancy occurring prior 226958
to the expiration date of the term for which a predecessor was 226959
appointed shall hold office as a member for the remainder of that 226960
term. 226961

The initial meeting of any professional development 226962
committee, upon election and appointment of all committee members, 226963
shall be called by a member designated by the district 226964
superintendent. At this initial meeting, the committee shall 226965
select a chairperson and such other officers the committee deems 226966
necessary, and shall adopt rules for the conduct of its meetings. 226967
Thereafter, the committee shall meet at the call of the 226968
chairperson or upon the filing of a petition with the district 226969
superintendent signed by a majority of the committee members 226970
calling for the committee to meet. 226971

(3) In the case of a school district in which an exclusive 226972
representative has been established pursuant to Chapter 4117. of 226973
the Revised Code, professional development committees shall be 226974
established in accordance with any collective bargaining agreement 226975
in effect in the district that includes provisions for such 226976
committees. 226977

If the collective bargaining agreement does not specify a 226978
different method for the selection of teacher members of the 226979

committees, the exclusive representative of the district's 226980
teachers shall select the teacher members. 226981

If the collective bargaining agreement does not specify a 226982
different structure for the committees, the board of education of 226983
the school district shall establish the structure, including the 226984
number of committees and the number of teacher and administrative 226985
members on each committee; the specific administrative members to 226986
be part of each committee; whether the scope of the committees 226987
will be district levels, building levels, or by type of grade or 226988
age levels for which educator licenses are designated; the lengths 226989
of terms for members; the manner of filling vacancies on the 226990
committees; and the frequency and time and place of meetings. 226991
However, in all cases, except as provided in division (F)(4) of 226992
this section, there shall be a majority of teacher members of any 226993
professional development committee, there shall be at least five 226994
total members of any professional development committee, and the 226995
exclusive representative shall designate replacement members in 226996
the case of vacancies among teacher members, unless the collective 226997
bargaining agreement specifies a different method of selecting 226998
such replacements. 226999

(4) Whenever an administrator's coursework plan is being 227000
discussed or voted upon, the local professional development 227001
committee shall, at the request of one of its administrative 227002
members, cause a majority of the committee to consist of 227003
administrative members by reducing the number of teacher members 227004
voting on the plan. 227005

(G)(1) The department of education and workforce, educational 227006
service centers, county boards of developmental disabilities, 227007
college and university departments of education, head start 227008
programs, and the Ohio education computer network may establish 227009
local professional development committees to determine whether the 227010
coursework proposed by their employees who are licensed or 227011

certificated under this section or section 3319.222 of the Revised Code, or under the former version of either section as it existed prior to October 16, 2009, meet the requirements of the rules adopted under this section. (b) The individual is not currently employed as an educator 227046
or is not currently employed by an entity that operates a local 227047

shall work to determine whether the proposed coursework, 227050
continuing education units, or other equivalent activities meet 227051
the requirements of the rules adopted by the state board under 227052
this section. 227053

(3) Any public agency that is not specified in division 227054
(G)(1) or (2) of this section but provides educational services 227055
and employs or contracts for services of classroom teachers 227056
licensed or certificated under this section or section 3319.222 of 227057
the Revised Code, or under the former version of either section as 227058

the superintendent of the bureau of criminal identification and 227591
investigation to determine whether the bureau has any information, 227592
gathered pursuant to division (A) of section 109.57 of the Revised 227593
Code, pertaining to the person and to obtain any criminal records 227594
that the federal bureau of investigation has on the person. 227595

(2) If the person is required to submit fingerprints and written permission under division (B)(2) of this section, request the superintendent of the bureau of criminal identification and investigation to obtain any criminal records that the federal bureau of investigation has on the person.

(D) The state board or the superintendent of public instruction may choose not to request any information about a person required by division (C) of this section if the person provides proof that a criminal records check that satisfies the requirements of that division was conducted on the person as a condition of employment pursuant to section 3319.39 of the Revised Code within the immediately preceding year. The state board or the superintendent of public instruction may accept a certified copy of records that were issued by the bureau of criminal identification and investigation and that are presented by the person in lieu of requesting that information under division (C) of this section if the records were issued by the bureau within the immediately preceding year.

(E)(1) If a person described in division (A)(3) or (4) of this section who is subject to a criminal records check fails to submit fingerprints and written permission by the date specified in the applicable division, and the state board or the superintendent of public instruction does not apply division (D) of this section to the person, or if a person who is subject to division (G) of this section fails to submit fingerprints and written permission by the date prescribed under that division, the superintendent shall prepare a written notice stating that if the person does not submit the fingerprints and written permission within fifteen days after the date the notice was mailed, the person's application will be rejected or the person's professional or permanent teaching certificate or license will be inactivated. The superintendent shall send the notification by regular mail to

the person's last known residence address or last known place of 227628
employment, as indicated in the ~~department of education's~~ state 227629
board's records, or both. 227630

If the person fails to submit the fingerprints and written 227631

mailed, the superintendent of public instruction, on behalf of the 227633
state board, shall issue a written order rejecting the application 227634
or inactivating the person's professional or permanent teaching 227635
certificate or license. The rejection or inactivation shall remain 227636
in effect until the person submits the fingerprints and written 227637
permission. The superintendent shall send the order by regular 227638
mail to the person's last known residence address or last known 227639
place of employment, as indicated in the ~~department's~~ state 227640
board's records, or both. The order shall state the reason for the 227641
rejection or inactivation and shall explain that the rejection or 227642
inactivation remains in effect until the person submits the 227643
fingerprints and written permission. 227644

The rejection or inactivation of a professional or permanent 227645
teaching certificate or license under division (E)(1) of this 227646
section does not constitute a suspension or revocation of the 227647
certificate or license by the state board under section 3319.31 of 227648
the Revised Code and the state board and the superintendent of 227649
public instruction need not provide the person with an opportunity 227650
for a hearing with respect to the rejection or inactivation. 227651

(2) If a person whose professional or permanent teaching 227652
certificate or license has been rejected or inactivated under 227653
division (E)(1) of this section submits fingerprints and written 227654

certificate or license. The superintendent shall send the order to 227658
the person by regular mail. 227659

(F) Notwithstanding divisions (A) to (C) of this section, if a person holds more than one certificate, license, or permit described in division (A)(1) of this section, the following shall apply:

(1) If the certificates, licenses, or permits are of different durations, the person shall be subject to divisions (A) to (C) of this section only when applying for renewal of the certificate, license, or permit that is of the longest duration. Prior to renewing any certificate, license, or permit with a shorter duration, the state board or the superintendent of public instruction shall determine whether the ~~department of~~ education state board has received any information about the person pursuant to section 109.5721 of the Revised Code, but the person shall not be subject to divisions (A) to (C) of this section as long as the person's certificate, license, or permit with the longest duration is valid.

(2) If the certificates, licenses, or permits are of the same duration but do not expire in the same year, the person shall designate one of the certificates, licenses, or permits as the person's primary certificate, license, or permit and shall notify the ~~department~~ state board of that designation. The person shall be subject to divisions (A) to (C) of this section only when applying for renewal of the person's primary certificate, license, or permit. (3) If the certificates, licenses, or permits are of the same

duration and expire in the same year and the person applies for 227692
renewal of the certificates, licenses, or permits at the same 227693
time, the state board or the superintendent of public instruction 227694
shall request only one criminal records check of the person under 227695
division (C) of this section. 227696

person who has submitted an application for licensure, or to whom 227698
the state board has issued a license, in the retained applicant 227699
fingerprint database established under section 109.5721 of the 227700
Revised Code because the person has not satisfied the requirements 227701
for enrollment, the ~~department~~ board shall require the person to 227702
satisfy the requirements for enrollment, including requiring the 227703
person to submit, by a date prescribed by the ~~department~~state 227704

that authorizes the superintendent of public instruction to 227706
forward the fingerprints to the bureau of criminal identification 227707
and investigation for the purpose of enrolling the person in the 227708
database. If the person fails to comply by the prescribed date, 227709
the ~~department~~ state board shall reject the application or shall 227710
take action to inactivate the person's license in accordance with 227711
division (E) of this section. 227712

with respect to the offense bears a direct and substantial 227723
relationship to the issuance or renewal of the license or to the 227724
position in which the applicant will work under the license. 227725

Any questions regarding a record of a conviction, plea of 227726
guilty, bail forfeiture, or other disposition of a criminal 227727

the child. A copy thereof shall be sent to the person in charge of 228923
the child. 228924

(C) The board of education of the school district or the 228925

Sec. 3321.12. Notwithstanding division (D) of section 3311.19 228999
and division (D) of section 3311.52 of the Revised Code, the 229000
provisions of this section that require reporting to the treasurer 229001

that they may have before the superintendent or a designee. The 229083
date scheduled for the appearance shall be no earlier than three 229084
and no later than five days after the notification is given, 229085
provided that an extension may be granted upon request of the 229086
child or the child's parent, guardian, or custodian. If an 229087
extension is granted, the superintendent shall schedule a new 229088

scheduled date and at the scheduled time and place, or if the 229094
child and the child's parent, guardian, or custodian appear before 229095
the superintendent or a designee on the scheduled date and at the 229096

absent without legitimate excuse from the school the child was 229100
supposed to attend for more than sixty consecutive hours or for at 229101
least ninety total hours, the superintendent shall notify the 229102
registrar of motor vehicles and the juvenile judge of the county 229103
in which the district is located that the child has been absent 229104
for that period of time and that the child does not have any 229105
legitimate excuse for the habitual absence. A notification to the 229106
registrar required by this division shall be given in the manner 229107
the registrar by rule requires and a notification to the juvenile 229108
judge required by this division shall be given in writing. Each 229109
notification shall be given within two weeks after the receipt of 229110
the information of the habitual absence from school without 229111

legitimate excuse, or, if the child and the child's parent, 229112
guardian, or custodian appear before the superintendent or a 229113
designee to challenge the information, within two weeks after the 229114
appearance. 229115

question has received an age and schooling certificate in 229123
accordance with section 3331.01 of the Revised Code. 229124

pursuant to section 3313.66 of the Revised Code and the reason for 229126
the suspension or expulsion is the use or possession of alcohol, a 229127
drug of abuse, or alcohol and a drug of abuse, the superintendent 229128
of schools of that district may notify the registrar and the 229129
juvenile judge of the county in which the district is located of 229130
such suspension or expulsion. Any such notification of suspension 229131
or expulsion shall be given to the registrar, in the manner the 229132
registrar by rule requires and shall be given to the juvenile 229133
judge in writing. The notifications shall be given within two 229134
weeks after the suspension or expulsion. 229135

(4) Whenever a pupil is suspended, expelled, removed, or 229136
permanently excluded from a school for misconduct included in a 229137
policy that the board of education of a city, exempted village, or 229138
local school district has adopted under division (A) of section 229139
3313.661 of the Revised Code, and the misconduct involves a 229140
firearm or a knife or other weapon as defined in that policy, the 229141
superintendent of schools of that district shall notify the 229142
registrar and the juvenile judge of the county in which the 229143

district is located of the suspension, expulsion, removal, or 229144
permanent exclusion. The notification shall be given to the 229145
registrar in the manner the registrar, by rule, requires and shall 229146
be given to the juvenile judge in writing. The notifications shall 229147
be given within two weeks after the suspension, expulsion, 229148
removal, or permanent exclusion. 229149

(C) A notification of withdrawal, habitual absence without 229150
legitimate excuse, suspension, or expulsion given to the registrar 229151
or a juvenile judge under division (B)(1), (2), (3), or (4) of 229152
this section shall contain the name, address, date of birth, 229153
school, and school district of the child. If the superintendent 229154
finds, after giving a notification of withdrawal, habitual absence 229155
without legitimate excuse, suspension, or expulsion to the 229156
registrar and the juvenile judge under division (B)(1), (2), (3), 229157
or (4) of this section, that the notification was given in error, 229158
the superintendent immediately shall notify the registrar and the 229159
juvenile judge of that fact. 229160

Sec. 3321.18. The attendance officer provided for by section 229161
3321.14 or 3321.15 of the Revised Code shall institute proceedings 229162
against any officer, parent, guardian, or other person violating 229163
laws relating to compulsory education and the employment of 229164
minors, and otherwise discharge the duties described in sections 229165

and shall report to the superintendent discrepancies between these 229174

lists and the enumeration. 229175

The attendance officer and assistants shall cooperate with 229176
the director of commerce in enforcing the laws relating to the 229177
employment of minors. The attendance officer shall furnish upon 229178
request any data that the attendance officer and the attendance 229179
officer's assistants have collected in their reports of children 229180

the director and upon request to the ~~state board~~ department of 229182

(B) When a board of education of any city, exempted village, 229195
local, joint vocational, or cooperative education school district 229196
or the governing board of any educational service center 229197
determines that a student in its district has been truant and the 229198
parent, guardian, or other person having care of the child has 229199
failed to cause the student's attendance at school, the board may 229200
require the parent, guardian, or other person having care of the 229201
child pursuant to division (B) of this section to attend an 229202
educational program established pursuant to rules adopted by the 229203
~~state board~~ department of education and workforce for the purpose 229204

truant, and the child's parent, guardian, or other person having 229221
care of the child, in writing, of the legal consequences of being 229222
truant. When any child of compulsory school age, in violation of 229223
law, is not attending school, the attendance or other appropriate 229224
officer shall notify the parent, guardian, or other person having 229225
care of that child of the fact, and require the parent, guardian, 229226
or other person to cause the child to attend school immediately. 229227
The parent, guardian, or other person having care of the child 229228

to any of those attempts, but is unable to participate for any 229380
reason, the representative of the school district shall inform the 229381
parent of the parent's right to appear by designee. If seven 229382

section 2151.421 of the Revised Code; 229390

Sec. 3323.02. As used in this section, "IDEIA" means the 229704
"Individuals with Disabilities Education Improvement Act of 2004," 229705

It is the purpose of this chapter to ensure that all children 229707
with disabilities residing in this state who are at least three 229708
years of age and less than twenty-two years of age, including 229709
children with disabilities who have been suspended or expelled 229710

~~board of education department~~ may impose requirements that are not 229731
required by IDEIA or related provisions of the Code of Federal 229732
Regulations. The school district of residence is responsible, in 229733

IDEIA are met for every eligible child in its jurisdiction, 229735
regardless of whether services are provided by another school 229736
district, other educational agency, or other agency, department, 229737
or entity, unless IDEIA or related provisions of the Code of 229738
Federal Regulations, another section of this chapter, or a rule 229739
adopted by the ~~state board of education department~~ specifies that 229740
another school district, other educational agency, or other 229741
agency, department, or entity is responsible for ensuring 229742

The ~~superintendent of public instruction department~~ may 229752
require any state or local agency to provide documentation that 229753
special education and related services for children with 229754
disabilities provided by the agency are in compliance with the 229755
requirements of this chapter. 229756

Not later than the first day of February of each year the 229757
~~superintendent of public instruction department~~ shall furnish the 229758
chairpersons of the education committees of the house of 229759
representatives and the senate with a report on the status of 229760

(A) When a school district, educational service center, or 229774
participating county board of developmental disabilities enters 229775
into an agreement or contract with another school district, 229776

children with disabilities residing in the state, including 229827
children with disabilities who are homeless children or are wards 229828

~~board~~ department of education and workforce shall develop and 229832
implement a practical method to determine which children with 229833

related services. 229835

In conducting the evaluation, the board of education of each 229836
school district shall use a variety of assessment tools and 229837
strategies to gather relevant functional, developmental, and 229838

to division (D)(2) of section 3301.0714 of the Revised Code and 230473

the name of the child's school district of residence. Within sixty 230474
days after receipt of such statement, the department of education 230475
and workforce shall perform one of the following: 230476

(1) For any child except a preschool child with a disability 230477
described in division (C)(2) of this section, pay to the 230478
institution submitting the statement an amount equal to the 230479
tuition calculated under division (A) of section 3317.08 of the 230480
Revised Code for the period covered by the statement, and deduct 230481
the same from the amount of state funds, if any, payable under 230482
Chapter 3317. of the Revised Code, to the child's school district 230483
of residence or, if the amount of such state funds is 230484
insufficient, require the child's school district of residence to 230485
pay the institution submitting the statement an amount equal to 230486
the amount determined under this division. 230487

(2) For any preschool child with a disability, perform the 230488
following: 230489

(a) Pay to the institution submitting the statement an amount 230490
equal to the tuition calculated under division (B) of section 230491
3317.08 of the Revised Code for the period covered by the 230492
statement, except that in calculating the tuition under that 230493
section the operating expenses of the institution submitting the 230494
statement under this section shall be used instead of the 230495
operating expenses of the school district of residence; 230496

(b) Deduct from the amount of state funds, if any, payable 230497
under Chapter 3317. of the Revised Code to the child's school 230498
district of residence an amount equal to the amount paid under 230499
division (C)(2)(a) of this section. 230500

Sec. 3323.13. (A) If a child who is a school resident of one 230501
school district receives special education from another district, 230502
the board of education of the district providing the education, 230503
subject to division (C) of this section, may require the payment 230504

by the board of education of the district of residence of a sum 230505
not to exceed one of the following, as applicable: 230506

(1) For any child except a preschool child with a disability 230507
described in division (A)(2) of this section, the tuition of the 230508
district providing the education for a child of normal needs of 230509
the same school grade. The determination of the amount of such 230510
tuition shall be in the manner provided for by division (A) of 230511
section 3317.08 of the Revised Code. 230512

(2) For any preschool child with a disability, the tuition of 230513
the district providing the education for the child as calculated 230514
under division (B) of section 3317.08 of the Revised Code. 230515

(B) The board of the district of residence may contract with 230516
the board of another district for the transportation of such child 230517
into any school in such other district, on terms agreed upon by 230518
such boards. Upon direction of the ~~state board~~ department of 230519
education and workforce, the board of the district of residence 230520
shall pay for the child's transportation and the tuition. 230521

(C) The board of education of a district providing the 230522
education for a child shall be entitled to require payment from 230523
the district of residence under this section or section 3323.14 of 230524
the Revised Code only if the district providing the education has 230525
done at least one of the following: 230526

to attend the meetings of the team developing the child's 230528
individualized education program; 230529

(2) Received from the district of residence a copy of the 230530
individualized education program or a multifactored evaluation 230531
developed for the child by the district of residence; 230532

(3) Informed the district of residence in writing that the 230533
district is providing the education for the child. 230534

As used in division (C)(2) of this section, "multifaceted
evaluation" means an evaluation, conducted by a multidisciplinary
team, of more than one area of the child's functioning so that no
single procedure shall be the sole criterion for determining an
appropriate educational program placement for the child.

Sec. 3323.14. (A) Where a child who is a school resident of
one school district receives special education from another
district and the per capita cost to the educating district for
that child exceeds the sum of the amount received by the educating
district for that child under division (A) of section 3317.08 of
the Revised Code and the amount received by the district from the
~~state board~~ department of education and workforce for that child,
then the board of education of the district of residence shall pay
to the board of the school district that is providing the special
education such excess cost as is determined by using a formula
approved by the department ~~of education~~ and agreed upon in
contracts entered into by the boards of the districts concerned at
the time the district providing such special education accepts the
child for enrollment. The department shall certify the amount of
the payments under Chapter 3317. of the Revised Code for such
pupils with disabilities for each school year ending on the
thirtieth day of July.

(B) In the case of a child described in division (A) of this
section who has been placed in a home, as defined in section
3313.64 of the Revised Code, pursuant to the order of a court and
who is not subject to section 3323.141 of the Revised Code, the
district providing the child with special education and related
services may charge to the child's district of residence the
excess cost determined by formula approved by the department,
regardless of whether the district of residence has entered into a
contract with the district providing the services. If the district
providing the services chooses to charge excess costs, the

district may report the amount calculated under this division to 230567
the department. 230568

(C) If a district providing special education for a child 230569
reports an amount for the excess cost of those services, as 230570
authorized and calculated under division (A) or (B) of this 230571
section, the department shall pay that amount of excess cost to 230572
the district providing the services and shall deduct that amount 230573
from the child's district of residence in accordance with division 230574
(K) of section 3317.023 of the Revised Code. 230575

(D) If a district providing special education to a child to 230576
whom division (C)(4) of section 3313.64 of the Revised Code 230577
applies chooses to receive a tuition payment for that child under 230578
that division, that district shall not receive any payments under 230579
this section. 230580

Sec. 3323.141. (A) When a child who is not in the legal or 230581
permanent custody of an Ohio resident or a government agency in 230582

have been residents of this state subsequent to the child's birth 230584
is a resident of a home as defined in section 3313.64 of the 230585
Revised Code and receives special education and related services 230586
from a school district or county board of developmental 230587
disabilities, the home shall pay tuition to the board providing 230588
the special education. 230589

(B) In the case of a child described in division (A) of this 230590
section who receives special education and related services from a 230591
school district, tuition shall be the amount determined under 230592
division (B)(1) or (2) of this section. 230593

(1) For a child other than a child described in division 230594
(B)(2) of this section the tuition shall be an amount equal to the 230595
sum of the following: 230596

(a) Tuition as determined in the manner provided for by 230597
division (B) of section 3317.081 of the Revised Code for the 230598
district that provides the special education; 230599

(b) Such excess cost as is determined by using a formula 230600
established by rule of the department of education and workforce. 230601
The excess cost computed in this section shall not be used as 230602
excess cost computed under section 3323.14 of the Revised Code. 230603

(2) For a child who is a preschool child with a disability, 230604
the tuition shall be computed as follows: 230605

(a) Determine the amount of the tuition of the district 230606
providing the education for the child as calculated under division 230607
(B) of section 3317.08 of the Revised Code; 230608

(b) For each type of special education service included in 230609
the computation of the amount of tuition under division (B)(2)(a) 230610
of this section, divide the amount determined for that computation 230611
under division (B)(2) of section 3317.08 of the Revised Code by 230612
the total number of preschool children with disabilities used for 230613
that computation under division (B)(3) of section 3317.08 of the 230614
Revised Code; 230615

(c) Determine the sum of the quotients obtained under 230616
division (B)(2)(b) of this section; 230617

(d) Determine the sum of the amounts determined under 230618
divisions (B)(2)(a) and (c) of this section. 230619

(C) In the case of a child described in division (A) of this 230620
section who receives special education and related services from a 230621
county board of developmental disabilities, tuition shall be the 230622
amount determined under division (C)(1) or (2) of this section. 230623

(1) For a child other than a child described in division 230624
(C)(2) of this section, the tuition shall be an amount equal to 230625
such board's per capita cost of providing special education and 230626

related services for children at least three but less than 230627
twenty-two years of age as determined by using a formula 230628
established by rule of the department of developmental 230629
disabilities. 230630

(2) For a child who is a preschool child with a disability, 230631
the tuition shall equal the sum of the amounts of each such 230632
board's per capita cost of providing each of the special education 230633
or related service that the child receives. The calculation of 230634
tuition shall be made by using a formula established by rule of 230635
the department of developmental disabilities. The formula for the 230636
calculation of per capita costs under division (C)(2) of this 230637
section shall be based only on each such county board's cost of 230638
providing each type of special education or related service to 230639
preschool children with disabilities. 230640

(D) If a home fails to pay the tuition required under this 230641
section, the board of education or county board of developmental 230642
disabilities providing the education may recover in a civil action 230643
the tuition and the expenses incurred in prosecuting the action, 230644
including court costs and reasonable attorney's fees. If the 230645
prosecuting attorney or city director of law represents the board 230646
in such action, costs and reasonable attorney's fees awarded by 230647
the court, based upon the time spent preparing and presenting the 230648
case by the prosecuting attorney, director, or a designee of 230649
either, shall be deposited in the county or city general fund. 230650

Sec. 3323.142. As used in this section, "per pupil amount" 230651
for a preschool child with a disability included in such an 230652
approved unit means the amount determined by dividing the amount 230653
received for the classroom unit in which the child has been placed 230654
by the number of children in the unit. For any other child, "per 230655
pupil amount" means the amount paid for the child under section 230656
3317.20 of the Revised Code. 230657

When a school district places or has placed a child with a county board of developmental disabilities for special education, but another district is responsible for tuition under section 3313.64 or 3313.65 of the Revised Code and the child is not a resident of the territory served by the county board of developmental disabilities, the board may charge the district responsible for tuition with the educational costs in excess of the per pupil amount received by the board under Chapter 3317. of the Revised Code. The amount of the excess cost shall be determined by the formula established by rule of the department of education and workforce under section 3323.14 of the Revised Code, and the payment for such excess cost shall be made by the school district directly to the county board of developmental disabilities.

A school district board of education and the county board of developmental disabilities that serves the school district may negotiate and contract, at or after the time of placement, for payments by the board of education to the county board for additional services provided to a child placed with the county board and whose individualized education program established pursuant to section 3323.08 of the Revised Code requires additional services that are not routinely provided children in the county board's program but are necessary to maintain the child's enrollment and participation in the program. Additional services may include, but are not limited to, specialized supplies and equipment for the benefit of the child and instruction, training, or assistance provided by staff members other than staff members for which funding is received under Chapter 3317. of the Revised Code.

improve their skills. 230712

Sec. 3323.19. (A) Within three months after a student 230713
identified with disabilities begins receiving services for the 230714
first time under an individualized education program, the school 230715
district in which that student is enrolled shall require the 230716
student to undergo a comprehensive eye examination performed 230717
either by an optometrist licensed under Chapter 4725. of the 230718
Revised Code or by a physician authorized under Chapter 4731. of 230719

the Revised Code to practice medicine and surgery or osteopathic 230720

(G) If a STEM school wishes to become a STEAM school, it may 231803
change its existing proposal to include the items required under 231804
divisions (C)(5)(d), (C)(9), and (C)(10) of this section and 231805
submit the revised proposal to the STEM committee for approval. 231806

(H) Notwithstanding division (B)(1) of this section, on and 231807
~~after the effective date of this amendment~~ September 30, 2021, a 231808
school operated by a joint vocational school district that was 231809
designated as a STEM school prior to that date may maintain that 231810
designation provided the school continues to comply with this 231811
chapter and all provisions of its proposal and any subsequent 231812
amendments to that proposal. However, nothing shall prohibit that 231813
school from electing to apply for a designation of STEM school 231814
equivalent or distinction as a STEM program of excellence under 231815
section 3326.032 or 3326.04 of the Revised Code, respectively. 231816

(4) A community school established under Chapter 3314. of the 231826
Revised Code; 231827

(5) A chartered nonpublic school. 231828

In order to be eligible for this designation, a school shall 231829
submit a proposal that satisfies the requirements of this section. 231830

The committee shall determine the criteria for proposals, 231831
establish procedures for the submission of proposals, accept and 231832
evaluate proposals, and choose which proposals warrant a school to 231833
be designated as a STEM school equivalent. 231834

(B) A proposal for designation as a STEM school equivalent 231835
shall include at least the following: 231836

(1) A statement of which of grades kindergarten through 231837
twelve will be offered by the school; 231838

(2) Assurances that the school will operate in compliance 231839
with this section and the provisions of the proposal as accepted 231840
by the committee and that the school will maintain the STEM 231841

a STEAM school equivalent, it also shall include evidence that the 231859
curriculum will integrate arts and design into the study of 231860

science, technology, engineering, and mathematics to foster 231861
creative thinking, problem-solving, and new approaches to 231862
scientific invention. 231863
231864

(5) Evidence that the school leadership supports the 231865
curriculum principles of division (B)(4) of this section; 231866

organizations. 231877

(9) Assurances that the school has received commitments of 231878
sustained and verifiable fiscal and in-kind support from regional 231879

(C)(1) If a school is designated as a STEM school equivalent 231884
under this section, it shall maintain that designation for five 231885

that five-year period under division (D) of this section. At the 231887
end of that five-year period, the school shall reapply to the STEM 231888
committee in order to maintain that designation. The committee 231889
shall authorize the continuation of the school's designation as a 231890
STEM school equivalent if the committee finds that the school is 231891

in compliance with this chapter and the provisions of its proposal 231892
and any subsequent amendments to that proposal. 231893

If a school chooses not to reapply for designation as a STEM 231894
school equivalent under division (C)(1) of this section, the 231895
committee shall revoke the school's designation at the end of its 231896
five-year designation period. 231897

(2) If a school reapplies for its designation as a STEM 231898
school equivalent under division (C)(1) of this section and the 231899
committee has reason to believe that it is not in compliance with 231900
this chapter or the provisions of its proposal and any subsequent 231901
amendments to that proposal, the committee shall require the 231902
school, in collaboration with the department of education and 231903
workforce and the Ohio STEM learning network or its successor, to 231904
develop a corrective action plan. The school shall implement the 231905
corrective action plan and demonstrate exemplary STEM pedagogy and 231906
practices within one year of the plan's development. If the school 231907
fails to implement the corrective action plan to the satisfaction 231908
of the committee at the end of that year, the committee shall 231909
revoke the school's designation. 231910

(3) The department shall maintain records of the application 231911
status and designation renewal deadlines for each school that has 231912
been designated as a STEM school equivalent under this section. 231913

(D) If the STEM committee has reason to believe that a school 231914
that is designated as a STEM school equivalent under this section 231915
is not in compliance with this chapter or the provisions of its 231916
proposal and any subsequent amendments to that proposal, it may 231917
review the school's designation prior to the end of its five-year 231918
designation period. If the committee reviews a school's 231919
designation under this division, it must require the school to 231920
develop a corrective action plan in the same manner as specified 231921
in division (C)(2) of this section and implement that plan and 231922
demonstrate exemplary STEM pedagogy and practices within one year 231923

of the plan's development. If the school fails to implement the 231924
corrective action plan to the satisfaction of the committee at the 231925
end of that year, the committee shall revoke the school's 231926
designation. 231927

(E) A school that is designated as a STEM school equivalent 231928
under this section shall not be subject to the requirements of 231929
Chapter 3326. of the Revised Code, except that the school shall be 231930
subject to the requirements of this section and to the curriculum 231931
requirements of section 3326.09 of the Revised Code. 231932

Nothing in this section, however, shall relieve a community 231933
school of the applicable requirements of Chapter 3314. of the 231934
Revised Code. Nor shall anything in this section relieve a school 231935
operated by a joint vocational school district, a school operated 231936
by a comprehensive career-technical education provider, a school 231937
operated by a compact career-technical education provider, or a 231938

this chapter that are applicable to such schools. 231940

(2) A school that is designated as a STEM school equivalent 231941
under this section shall not be eligible for operating funding 231942
under sections 3326.31 to 3326.37, 3326.39 to 3326.40, and 3326.51 231943
of the Revised Code. 231944

(3) A school that is designated as a STEM school equivalent 231945
under this section may apply for any of the grants and additional 231946
funds described in section 3326.38 of the Revised Code for which 231947
the school is eligible. 231948

(F) If a school that is designated as a STEM school 231949
equivalent under this section intends to close or intends to no 231950
longer be designated as a STEM school equivalent, it shall notify 231951
the STEM committee of that fact. 231952

(G) If a school that is designated as a STEM school 231953
equivalent wishes to be designated as a STEAM school equivalent, 231954

it may change its existing proposal to include the items required 231955
under divisions (B)(4)(d), (B)(8), and (B)(9) of this section and 231956
submit the revised proposal to the STEM committee for approval. 231957

Sec. 3326.04. (A) The STEM committee shall grant distinctions 231958
as STEM programs of excellence to STEM programs operated by joint 231959
vocational school districts, comprehensive career-technical 231960
education providers, compact career-technical education providers, 231961
and educational service centers in accordance with this section. 231962

(B) A joint vocational school district, comprehensive 231963
career-technical education provider, compact career-technical 231964
education provider, or educational service center may submit a 231965
proposal to the STEM committee seeking distinction as a STEM 231966
program of excellence. The proposal shall demonstrate to the 231967
satisfaction of the STEM committee that the program meets at least 231968
the following standards: 231969

(1) Unless the program is designed to serve only students 231970
identified as gifted under Chapter 3324. of the Revised Code, the 231971
program will serve all students enrolled in the grades for which 231972
the program is designed. 231973

(2) The program will provide students with the opportunity to 231974
innovate, develop an entrepreneurial spirit, engage in inquiry, 231975

(3) The program will offer a rigorous, diverse, integrated, 231977
and problem- or project-based curriculum to students, with the 231978
goal to prepare students for post-secondary learning experiences, 231979
the workforce, and citizenship, and that does all of the 231980
following: 231981

(a) Emphasizes and supports the role of science, technology, 231982
engineering, and mathematics in promoting innovation and economic 231983
progress; 231984

(b) Emphasizes the use of design thinking as a school-wide approach;	231985 231986

(d) Includes the arts and humanities. If the proposal is for distinction as a STEAM program of excellence, it also shall include evidence that the curriculum will integrate arts and design into the study of science, technology, engineering, and mathematics to foster creative thinking, problem-solving, and new approaches to scientific invention.	231989 231990 231991 231992 231993 231994
(4) The district, provider, or service center leadership supports the curriculum principles of division (B)(3) of this section.	231995 231996 231997
(5) The program's leaders participate in regular STEM-focused professional development and share knowledge of best practices.	231998 231999
(6) The program has established partnerships with institutions of higher education and businesses. If the proposal is for distinction as a STEAM program of excellence, it also shall include evidence of established partnerships with one or more arts organizations.	232000 232001 232002 232003 232004
(7) The program has received commitments of sustained and verifiable fiscal and in-kind support from regional education and business entities. (C)(1) If a joint vocational school district, comprehensive 232015
career-technical education provider, compact career-technical 232016
education provider, or educational service center receives a 232017
distinction as a STEM program of excellence under this section, it 232018
shall maintain that distinction for five years unless the STEM 232019
committee revokes the distinction during that five-year period 232020
under division (E) of this section. At the end of that five-year 232021
period, the district, provider, or service center shall reapply to 232022
the STEM committee in order to maintain that distinction. The 232023
committee shall authorize the continuation of the district's, 232024
provider's, or service center's distinction as a STEM program of 232025
excellence if the committee finds that the district, provider, or 232026
service center is in compliance with this chapter and the 232027
provisions of its proposal and any subsequent amendments to that 232028
proposal. 232029

If a joint vocational school district, comprehensive 232030
career-technical education provider, compact career-technical 232031
education provider, or educational service center chooses not to 232032
reapply for a distinction for a STEM program of excellence under 232033
division (C)(1) of this section, the committee shall revoke the 232034
district's, provider's, or service center's distinction at the end 232035
of its five-year period of distinction. 232036

(2) If a joint vocational school district, comprehensive 232037
career-technical education provider, compact career-technical 232038
education provider, or educational service center reapplies for 232039
distinction as a STEM program of excellence under division (C)(1) 232040
of this section and the committee has reason to believe that it is 232041
not in compliance with this chapter or the provisions of its 232042

and the Ohio STEM learning network or its successor, to develop a 232046

corrective action plan. The district, provider, or service center 232047
shall implement the corrective action plan and demonstrate 232048
exemplary STEM pedagogy and practices within one year of the 232049
plan's development. If the district, provider, or service center 232050

educational service center that has received a distinction as a 232059
STEM program of excellence under this section. 232060

(D) If the STEM committee has reason to believe that a joint 232061
vocational school district, comprehensive career-technical 232062

STEM program of excellence under this section is not in compliance 232065
with this chapter or the provisions of its proposal and any 232066
subsequent amendments to that proposal, it may review the 232067
district's, provider's, or service center's distinction prior to 232068
the end of the five-year period during which that distinction is 232069
effective. If the committee reviews a district's, provider's, or 232070
service center's distinction under this division, it must require 232071
the district, provider, or service center to develop a corrective 232072
action plan in the same manner as specified in division (C)(2) of 232073
this section and implement that plan and demonstrate exemplary 232074
STEM pedagogy and practices within one year of the plan's 232075
development. If the district, provider, or service center fails to 232076
implement the corrective action plan to the satisfaction of the 232077
committee at the end of that year, the committee shall revoke the 232078

district's, provider's, or service center's distinction. 232079

(E) If a joint vocational school district, comprehensive 232080
career-technical education provider, compact career-technical 232081
education provider, or educational service center that has 232082
received distinction for a STEM program of excellence instead 232083
wishes to receive a distinction for a STEAM program of excellence, 232084
it may change its existing proposal to include the items required 232085
under divisions (B)(3)(d), (B)(6), and (B)(7) of this section and 232086
submit the revised proposal to the STEM committee for approval. 232087

Sec. 3326.08. (A) The governing body of each science, 232088
technology, engineering, and mathematics school shall engage the 232089
services of administrative officers, teachers, and nonteaching 232090
employees of the STEM school necessary for the school to carry out 232091
its mission and shall oversee the operations of the school. The 232092
governing body of each STEM school shall engage the services of a 232093
chief administrative officer to serve as the school's 232094
instructional and administrative leader. The chief administrative 232095
officer shall be granted the authority to oversee the recruitment, 232096
retention, and employment of teachers and nonteaching employees. 232097

(B) The department of education and workforce shall monitor 232098

chapter and with the proposal for the establishment of the school 232101
as it was approved by the STEM committee under section 3326.03 of 232102
the Revised Code. Except in the case of a STEM school that is 232103
governed and controlled by a school district in accordance with 232104
section 3326.51 of the Revised Code, if the department finds that 232105
the school is not in compliance with this chapter or with the 232106
proposal and the STEM committee has revoked the school's STEM 232107
designation under division (E)(1) or (2) or (F) of section 3326.03 232108
of the Revised Code, the department shall consult with the STEM 232109

committee, and the committee shall order the school to close on 232110
the last day of the school year in which the committee issues its 232111
order. 232112

(C) The governing body of each STEM school shall comply with 232113
sections 121.22 and 149.43 of the Revised Code. 232114

Sec. 3326.081. (A) As used in this section, "license" has the 232115
same meaning as in section 3319.31 of the Revised Code. 232116

(B) If a person who is employed by a science, technology, 232117
engineering, and mathematics school established under this chapter 232118
is arrested, summoned, or indicted for an alleged violation of an 232119
offense listed in division (C) of section 3319.31 of the Revised 232120
Code, if the person holds a license, or an offense listed in 232121
division (B)(1) of section 3319.39 of the Revised Code, if the 232122
person does not hold a license, the chief administrative officer 232123
of the school shall suspend that person from all duties that 232124
require the care, custody, or control of a child during the 232125
pendency of the criminal action against the person. If the person 232126
who is arrested, summoned, or indicted for an alleged violation of 232127
an offense listed in division (C) of section 3319.31 or division 232128
(B)(1) of section 3319.39 of the Revised Code is the chief 232129
administrative officer of the school, the governing body of the 232130
school shall suspend the chief administrative officer from all 232131
duties that require the care, custody, or control of a child. 232132

(C) When a person who holds a license is suspended in 232133
accordance with this section, the chief administrative officer or 232134
governing body that imposed the suspension promptly shall report 232135
the person's suspension to the department of education and 232136
workforce and to the state board of education. The report shall 232137
include the offense for which the person was arrested, summoned, 232138
or indicted. 232139

Sec. 3326.15. Each science, technology, engineering, and mathematics school and its governing body shall comply with sections 3313.603 and 3313.6027 of the Revised Code as if it were a school district. However, a STEM school may permit a student to earn units of high school credit based on a demonstration of subject area competency instead of or in combination with completing hours of classroom instruction prior to the adoption by the ~~state board~~ department of education and workforce of the plan for granting high school credit based on competency, as required by division (J) of that section. Upon adoption of the plan, each STEM school shall comply with that plan and award units of high school credit in accordance with the plan.

Sec. 3326.17. (A) The department of education and workforce shall issue an annual report card for each science, technology, engineering, and mathematics school that includes all information applicable to school buildings under section 3302.03 of the Revised Code.

(B) Beginning with the report cards issued for the 2020-2021 school year, for each student enrolled in a STEM school that is not a STEM school governed by a STEM school sponsoring district, as defined in section 3326.51 of the Revised Code, the department shall combine data regarding the academic performance of that student with comparable data from the school district in which the student is entitled to attend school pursuant to section 3313.64 or 3313.65 of the Revised Code for the purpose of calculating the performance of the district as a whole on the report card issued for the district under section 3302.03 of the Revised Code.

(C) The department also shall compute a rating for each group of STEM schools that is under the direction of the same governing body, as authorized under section 3326.031 of the Revised Code, and issue a distinct report card for the group as a whole.

(D) Each STEM school and its governing body shall comply with sections 3302.04 and 3302.041 of the Revised Code, except that any action required to be taken by a school district pursuant to those sections shall be taken by the school. ~~However, the school shall not be required to take any action described in division (F) of section 3302.04 of the Revised Code.~~

Sec. 3326.211. (A) If the auditor of state or a public accountant, pursuant to section 117.41 of the Revised Code, declares a science, technology, engineering, and mathematics school to be unauditabile, the auditor of state shall provide written notification of that declaration to the school and the department of education and workforce. The auditor of state also shall post the notification on the auditor of state's web site.

(B) If the STEM school's current treasurer held that position during the period for which the school is unauditabile, upon receipt of the notification under division (A) of this section, the governing body of the school shall suspend the treasurer until the auditor of state or a public accountant has completed an audit of the school. Suspension of the treasurer may be with or without pay, as determined by the governing body based on the circumstances that prompted the auditor of state's declaration. Sec. 3327.012. Payments to school districts for 232697
transportation of school pupils shall be made on a current basis 232698
according to an estimate which shall be filed with the ~~state board~~ 232699
department of education and workforce by respective school 232700

subdivisions under this section, the buses must be operated by 232726
individuals holding certificates issued by either the educational 232727
service center governing board that has entered into an agreement 232728
with the school district under section 3313.843 or 3313.845 of the 232729

under this section shall procure liability and property damage 232738
insurance, as provided in section 3327.09 of the Revised Code, 232739
covering all vehicles used and passengers transported under this 232740

Sec. 3327.02. (A) After considering each of the following 232744
factors, the board of education of a city, exempted village, or 232745
local school district, or a community school governing authority 232746
providing transportation pursuant to section 3314.091 of the 232747
Revised Code, may determine that it is impractical to transport a 232748

pupil who is eligible for transportation to and from a school	232749
under section 3327.01 of the Revised Code:	232750
(1) The time and distance required to provide the	232751
transportation;	232752
(2) The number of pupils to be transported;	232753
(3) The cost of providing transportation in terms of	232754
equipment, maintenance, personnel, and administration;	232755
(4) Whether similar or equivalent service is provided to	232756
other pupils eligible for transportation;	232757
(5) Whether and to what extent the additional service	232758
unavoidably disrupts current transportation schedules;	232759
(6) Whether other reimbursable types of transportation are	232760
available.	232761
(B) Based on its consideration of the factors established in	232762
division (A) of this section, the board or governing authority may	232763
pass a resolution declaring the impracticality of transportation.	232764
The resolution shall include each pupil's name and the reason for	232765
impracticality. Such determination shall be made not later than	232766
thirty calendar days prior to the district's or school's first day	232767
of instruction, or in the case of a student who enrolls within	232768
thirty calendar days prior to the first day of instruction or on	232769
or after the first day of instruction, not later than fourteen	232770
calendar days after the student's enrollment. The determination	232771
may be made by the superintendent and formalized at the next	232772
following meeting of the board or governing authority.	232773
The board or governing authority shall report its	232774
determination to the state board <u>department</u> of education and	232775
<u>workforce</u> in a manner determined by the state board <u>department</u> .	232776
In addition, the board or governing authority shall issue a	232777
letter to the pupil's parent, guardian, or other person in charge	232778

of the pupil, the nonpublic or community school in which the pupil 232779
is enrolled, and to the ~~state board~~ department with a detailed 232780
description of the reasons for which such determination was made. 232781

(C) After passing the resolution declaring the impracticality 232782
of transportation, the district board or governing authority shall 232783
offer to provide payment in lieu of transportation by doing the 232784
following: 232785

(1) In accordance with guidelines established by the 232786
department ~~of education~~, informing the pupil's parent, guardian, 232787
or other person in charge of the pupil of both of the following: 232788

(a) The resolution; 232789

(b) The right of the pupil's parent, guardian, or other 232790
person in charge of the pupil to accept the offer of payment in 232791
lieu of transportation or to reject the offer and instead request 232792
the department to initiate mediation procedures. 232793

(2) Issuing the pupil's parent, guardian, or other person in 232794
charge of the pupil a contract or other form on which the parent, 232795
guardian, or other person in charge of the pupil is given the 232796
option to accept or reject the board's offer of payment in lieu of 232797
transportation. 232798

(D) If the parent, guardian, or other person in charge of the 232799
pupil accepts the offer of payment in lieu of providing 232800
transportation, the board or governing authority shall pay the 232801
parent, guardian, or other person in charge of the pupil an amount 232802
that shall be not less than fifty per cent, and not more than the 232803
amount determined by the department ~~of education~~ as the average 232804
cost of pupil transportation for the previous school year. Payment 232805
may be prorated if the time period involved is only a part of the 232806
school year. 232807

(E)(1)(a) Upon the request of a parent, guardian, or other 232808
person in charge of the pupil who rejected the payment in lieu of 232809

transportation, the department shall conduct mediation procedures. 232810
A parent, guardian, or other person in charge of the pupil may 232811
authorize the nonpublic or community school in which the pupil is 232812
enrolled to act on the parent's, guardian's, or other person's 232813
behalf during the mediation proceedings. 232814

(b) If the mediation does not resolve the dispute, the ~~state~~ 232815
~~board~~ department shall conduct a hearing in accordance with 232816
Chapter 119. of the Revised Code. The ~~state board~~ department may 232817
approve the payment in lieu of transportation or may order the 232818
district board of education or governing authority to provide 232819
transportation. The decision of the ~~state board~~ department is 232820
binding in subsequent years and on future parties in interest 232821
provided the facts of the determination remain comparable. 232822

(2) The school district or governing authority shall provide 232823
transportation for the pupil from the time the parent, guardian, 232824
or other person in charge of the pupil requests mediation until 232825
the matter is resolved under division (E)(1)(a) or (b) of this 232826
section. 232827

(F)(1) If the department determines that a school district 232828
board or governing authority has failed or is failing to provide 232829
transportation as required by division (E)(2) of this section or 232830
as ordered by the ~~state board~~ department under division (E)(1)(b) 232831
of this section, the department shall order the school district 232832
board or governing authority to pay to the pupil's parent, 232833
guardian, or other person in charge of the pupil, an amount equal 232834
to fifty per cent of the cost of providing transportation as 232835
determined by the board or governing authority under division 232836
(A)(3) of this section, and not more than two thousand five 232837
hundred dollars. The school district board or governing authority 232838
shall make payments on a schedule ordered by the department. 232839

(2) If the department subsequently finds that a school 232840
district board is not in compliance with an order issued under 232841

division (F)(1) of this section and the affected pupils are 232842
enrolled in a nonpublic or community school, the department shall 232843
deduct the amount that the board is required to pay under that 232844
order from any pupil transportation payments the department makes 232845
to the school district board under section 3317.0212 of the 232846
Revised Code or other provisions of law. The department shall use 232847
the moneys so deducted to make payments to the nonpublic or 232848
community school attended by the pupil. The department shall 232849
continue to make the deductions and payments required under this 232850
division until the school district board either complies with the 232851
department's order issued under division (F)(1) of this section or 232852
begins providing transportation. 232853

(G) A nonpublic or community school that receives payments 232854
from the department under division (F)(2) of this section shall do 232855
either of the following: 232856

(1) Disburse the entire amount of the payments to the parent, 232857
guardian, or other person in charge of the pupil affected by the 232858
failure of the school district of residence to provide 232859
transportation; 232860

(2) Use the entire amount of the payments to provide 232861
acceptable transportation for the affected pupil. 232862

(H) At any time after a parent, guardian, or other person in 232863
charge of a pupil requests transportation for a pupil, that 232864
parent, guardian, or other person may authorize the nonpublic or 232865
community school in which the pupil is enrolled to act on the 232866
parent's, guardian's, or other person's behalf for purposes of 232867
this section. 232868

Sec. 3327.021. The department of education and workforce 232869
shall monitor each city, local, or exempted village school 232870
district's compliance with sections 3327.01 and 3327.016 and 232871
division (B) of section 3327.017 of the Revised Code. If the 232872

department determines a consistent or prolonged period of 232873
noncompliance on the part of the school district to provide 232874
transportation as required under those sections, the department 232875
shall deduct from the district's payment for student 232876
transportation under Chapter 3317. of the Revised Code the total 232877
daily amount of that payment, as computed by the department, for 232878
each day that the district is not in compliance. 232879

This section does not affect the authority of a school 232880
district to provide payment in lieu of transportation in 232881
accordance with section 3327.02 of the Revised Code. 232882

Sec. 3327.05. (A) Except as provided in division (B) of this 232883
section, no board of education of any school district shall 232884
provide transportation for any pupil who is a school resident of 232885
another school district unless the pupil is enrolled pursuant to 232886
section 3313.98 of the Revised Code or the board of the other 232887
district has given its written consent thereto. If the board of 232888
any school district files with the ~~state board~~ department of 232889
education and workforce a written complaint that transportation 232890
for resident pupils is being provided by the board of another 232891
school district contrary to this division, the ~~state board of~~ 232892
~~education~~ department shall make an investigation of such 232893
complaint. If the ~~state board of education~~ department finds that 232894
transportation is being provided contrary to this section, it may 232895
withdraw from state funds due the offending district any part of 232896
the amount that has been approved for transportation pursuant to 232897
section 3317.0212 of the Revised Code or other provisions of law. 232898

(B) Notwithstanding division (D) of section 3311.19 and 232899
division (D) of section 3311.52 of the Revised Code, this division 232900
does not apply to any joint vocational or cooperative education 232901
school district. 232902

A board of education may provide transportation to and from the nonpublic school of attendance if both of the following apply:

(1) The parent, guardian, or other person in charge of the pupil agrees to pay the board for all costs incurred in providing the transportation that are not reimbursed pursuant to Chapter 3317. of the Revised Code;

(2) The pupil's school district of residence does not provide transportation for public school pupils of the same grade as the pupil being transported under this division, or that district is not required under section 3327.01 of the Revised Code to transport the pupil to and from the nonpublic school because the direct travel time to the nonpublic school is more than thirty minutes.

Upon receipt of the request to provide transportation, the board shall review the request and determine whether the board will accommodate the request. If the board agrees to transport the pupil, the board may transport the pupil to and from the nonpublic school and a collection point in the district, as determined by the board. If the board transports the pupil, the board may include the pupil in the district's enrollment reported to the department of ~~education~~ for purposes of calculating the district's transportation ADM under section 3317.03 of the Revised Code and, accordingly, may receive a state payment under section 3317.0212 of the Revised Code or other provisions of law for transporting the pupil.

If the board declines to transport the pupil, the board, in a written communication to the parent, guardian, or other person in charge of the pupil, shall state the reasons for declining the request.

equipment used in transporting children to and from school and to 232937
other functions as authorized by the boards, or the boards, at 232938
their discretion, may purchase the buses and equipment through any 232939
system of centralized purchasing established by the ~~state~~ 232940
department of education and workforce for that purpose, provided 232941
that state subsidy payments shall be based on the amount of the 232942
lowest price available to the boards by either method of purchase. 232943
No board shall be deprived of any form of state assistance in the 232944
purchase of buses and equipment by reason of purchases of buses 232945
and equipment on an individual contract. 232946

The purchase of school buses shall be made only after 232947
competitive bidding in accordance with section 3313.46 of the 232948
Revised Code. All bids shall state that the buses, prior to 232949
delivery, will comply with the safety rules of the department of 232950
public safety adopted pursuant to section 4511.76 of the Revised 232951
Code and all other pertinent provisions of law. 232952

At no time shall bid bonds be required for the purchase of 232953
school buses, unless the district board or educational service 232954
center governing board requests that bid bonds be part of the 232955
competitive bidding process for a specified purchase. 232956

Sec. 3327.10. (A) No person shall be employed as driver of a 232957

position. The service center governing board or the 232967
superintendent, as the case may be, shall provide for an annual 232968
physical examination that conforms with rules adopted by the ~~state~~ 232969
~~board~~ department of education and workforce of each driver to 232970
ascertain the driver's physical fitness for such employment. The 232971
examination shall be performed by one of the following: 232972

with division (D)(1) of this section, or upon a conviction or a 232986
guilty plea for a violation, or any other action, that results in 232987
a loss or suspension of driving rights. Failure to comply with 232988
such division may be cause for disciplinary action or termination 232989
of employment under division (C) of section 3319.081, or section 232990
124.34 of the Revised Code. 232991

(B) No person shall be employed as driver of a school bus or 232992

department. 233685

(2) Notwithstanding division (A) of this section, if, in any 233686

described in division (C)(2) of this section is implemented. 233754

state, in addition to requesting legal action under sections 233759

audit of the school, the auditor of state shall notify the school 233763
and the department that the audit has been completed. 233764

school may require the student to return or pay for any textbooks 236010
and materials it provided the student free of charge. 236011

student to return or pay for any textbooks and materials it 236024
provided the student free of charge. 236025

governs the wages, hours, and terms and conditions of public 238215
employment covered by the agreement. If the agreement provides for 238216
a final and binding arbitration of grievances, public employers, 238217
employees, and employee organizations are subject solely to that 238218
grievance procedure and the state personnel board of review or 238219

public employer and public employees are subject to all applicable 238224
state or local laws or ordinances pertaining to the wages, hours, 238225

(a) Civil rights;	238230
(b) Affirmative action;	238231
(c) Unemployment compensation;	238232

(i) The minimum standards promulgated by the state board	238243
<u>director</u> of education <u>and workforce</u> pursuant to division (D) of	238244
section 3301.07 of the Revised Code.	238245
(2) The law pertaining to the leave of absence and	238246
compensation provided under section 5923.05 of the Revised Code,	238247
if the terms of the agreement contain benefits which are less than	238248
those contained in that section or the agreement contains no such	238249
terms and the public authority is the state or any agency,	238250
authority, commission, or board of the state or if the public	238251
authority is another entity listed in division (B) of section	238252
4117.01 of the Revised Code that elects to provide leave of	238253
absence and compensation as provided in section 5923.05 of the	238254
Revised Code;	238255

(3) The law pertaining to the leave established under section 238256

the Revised Code; 238259

(4) The law pertaining to excess benefits prohibited under 238260
section 3345.311 of the Revised Code with respect to an agreement 238261
between an employee organization and a public employer entered 238262
into on or after ~~the effective date of this amendment~~ September 238263
29, 2015. 238264

Except for sections 306.08, 306.12, 306.35, and 4981.22 of 238265
the Revised Code and arrangements entered into thereunder, and 238266
section 4981.21 of the Revised Code as necessary to comply with 238267
section 13(c) of the "Urban Mass Transportation Act of 1964," 87 238268
Stat. 295, 49 U.S.C.A. 1609(c), as amended, and arrangements 238269
entered into thereunder, this chapter prevails over any and all 238270
other conflicting laws, resolutions, provisions, present or 238271
future, except as otherwise specified in this chapter or as 238272
otherwise specified by the general assembly. Nothing in this 238273
section prohibits or shall be construed to invalidate the 238274
provisions of an agreement establishing supplemental workers' 238275
compensation or unemployment compensation benefits or exceeding 238276
minimum requirements contained in the Revised Code pertaining to 238277
public education or the minimum standards promulgated by the ~~state~~ 238278

(B) The public employer shall submit a request for funds 238281
necessary to implement an agreement and for approval of any other 238282
matter requiring the approval of the appropriate legislative body 238283
to the legislative body within fourteen days of the date on which 238284
the parties finalize the agreement, unless otherwise specified, 238285
but if the appropriate legislative body is not in session at the 238286
time, then within fourteen days after it convenes. The legislative 238287

body must approve or reject the submission as a whole, and the 238288
submission is deemed approved if the legislative body fails to act 238289
within thirty days after the public employer submits the 238290
agreement. The parties may specify that those provisions of the 238291
agreement not requiring action by a legislative body are effective 238292
and operative in accordance with the terms of the agreement, 238293
provided there has been compliance with division (C) of this 238294
section. If the legislative body rejects the submission of the 238295
public employer, either party may reopen all or part of the entire 238296
agreement. 238297

As used in this section, "legislative body" includes the 238298
governing board of a municipal corporation, school district, 238299
college or university, village, township, or board of county 238300
commissioners or any other body that has authority to approve the 238301
budget of their public jurisdiction and, with regard to the state, 238302
"legislative body" means the controlling board. 238303

(C) The chief executive officer, or the chief executive 238304
officer's representative, of each municipal corporation, the 238305

authority to approve the budget of their public jurisdiction, the 238308
designated representative of the board of county commissioners and 238309
of each elected officeholder of the county whose employees are 238310
covered by the collective negotiations, and the designated 238311
representative of the village or the board of township trustees of 238312
each township is responsible for negotiations in the collective 238313
bargaining process; except that the legislative body may accept or 238314
reject a proposed collective bargaining agreement. When the 238315
matters about which there is agreement are reduced to writing and 238316
approved by the employee organization and the legislative body, 238317
the agreement is binding upon the legislative body, the employer, 238318
and the employee organization and employees covered by the 238319

agreement. 238320

(D) There is hereby established an office of collective 238321
bargaining in the department of administrative services for the 238322
purpose of negotiating with and entering into written agreements 238323
between state agencies, departments, boards, and commissions and 238324
the exclusive representative on matters of wages, hours, terms and 238325
other conditions of employment and the continuation, modification, 238326
or deletion of an existing provision of a collective bargaining 238327
agreement. Nothing in any provision of law to the contrary shall 238328
be interpreted as excluding the bureau of workers' compensation 238329
and the industrial commission from the preceding sentence. This 238330

education who shall be considered as separate public employers for 238333
the purposes of this chapter; however, the office may negotiate on 238334
behalf of these officials or trustees where authorized by the 238335
officials or trustees. The staff of the office of collective 238336
bargaining are in the unclassified service. The director of 238337
administrative services shall fix the compensation of the staff. 238338

The office of collective bargaining shall: 238339

philosophy for public collective bargaining as well as planning 238341
bargaining strategies; 238342

(2) Conduct negotiations with the exclusive representatives 238343
of each employee organization; 238344

agreements for the purpose of contract negotiations; 238349

implementation of this chapter and its impact upon state 238354
government. 238355

Sec. 4117.102. The state employment relations board shall 238356
compile a list of the school districts in the state that have 238357
filed with the board agreements entered into with teacher employee 238358

the list to reflect, for each district, for the current fiscal 238360
year, the starting salary in the district for teachers with no 238361
prior teaching experience who hold bachelors degrees. The board 238362
shall send a copy of each annually updated list to the ~~state board~~ 238363
department of education and workforce. 238364

wage information, which are systematically accessible, the 239084
director may, consistent with the provisions of section 4141.28 of 239085
the Revised Code, base the determination of eligibility for 239086
benefits on the affidavit of the claimant with respect to weeks 239087
and wages for that calendar quarter. The claimant shall furnish 239088
payroll documentation, where available, in support of the 239089
affidavit. The determination based upon the alternate base period 239090
as it relates to the claimant's benefit rights, shall be amended 239091
when the quarterly report of wage information from the employer is 239092
timely received and that information causes a change in the 239093
determination. As provided in division (B) of section 4141.28 of 239094
the Revised Code, any benefits paid and charged to an employer's 239095
account, based upon a claimant's affidavit, shall be adjusted 239096

ending at midnight Saturday within the calendar quarter shall be 239106
utilized. 239107

(R)(1) "Benefit year" with respect to an individual means the 239108
fifty-two week period beginning with the first day of that week 239109
with respect to which the individual first files a valid 239110
application for determination of benefit rights, and thereafter 239111
the fifty-two week period beginning with the first day of that 239112
week with respect to which the individual next files a valid 239113
application for determination of benefit rights after the 239114
termination of the individual's last preceding benefit year, 239115
except that the application shall not be considered valid unless 239116
the individual has had employment in six weeks that is subject to 239117
this chapter or the unemployment compensation act of another 239118
state, or the United States, and has, since the beginning of the 239119
individual's previous benefit year, in the employment earned three 239120
times the average weekly wage determined for the previous benefit 239121
year. The "benefit year" of a combined wage claim, as described in 239122
division (H) of section 4141.43 of the Revised Code, shall be the 239123
benefit year prescribed by the law of the state in which the claim 239124
is allowed. Any application for determination of benefit rights 239125
made in accordance with section 4141.28 of the Revised Code is 239126
valid if the individual filing such application is unemployed, has 239127
been employed by an employer or employers subject to this chapter 239128

in at least twenty qualifying weeks within the individual's base 239129
period, and has earned or been paid remuneration at an average 239130
weekly wage of not less than twenty-seven and one-half per cent of 239131
the statewide average weekly wage for such weeks. For purposes of 239132
determining whether an individual has had sufficient employment 239133
since the beginning of the individual's previous benefit year to 239134
file a valid application, "employment" means the performance of 239135
services for which remuneration is payable. 239136

(2) Effective for benefit years beginning on and after 239137
December 26, 2004, but before July 1, 2022, any application for 239138
determination of benefit rights made in accordance with section 239139
4141.28 of the Revised Code is valid if the individual satisfies 239140
the criteria described in division (R)(1) of this section, and if 239141
the reason for the individual's separation from employment is not 239142
disqualifying pursuant to division (D)(2) of section 4141.29 or 239143
section 4141.291 of the Revised Code. A disqualification imposed 239144
pursuant to division (D)(2) of section 4141.29 or section 4141.291 239145
of the Revised Code must be removed as provided in those sections 239146
as a requirement of establishing a valid application for benefit 239147
years beginning on and after December 26, 2004, but before July 1, 239148
2022. Effective for benefit years beginning on and after July 1, 239149
2022, any application for determination of benefit rights made in 239150
accordance with section 4141.28 of the Revised Code is valid if 239151
the individual satisfies the criteria described in division (R)(1) 239152
of this section. A disqualification imposed pursuant to division 239153
(D)(2) of section 4141.29 or section 4141.291 of the Revised Code 239154
does not affect the validity of an application. 239155

(3) The statewide average weekly wage shall be calculated by 239156
the director once a year based on the twelve-month period ending 239157
the thirtieth day of June, as set forth in division (B)(3) of 239158
section 4141.30 of the Revised Code, rounded down to the nearest 239159
dollar. Increases or decreases in the amount of remuneration 239160

required to have been earned or paid in order for individuals to 239161
have filed valid applications shall become effective on Sunday of 239162
the calendar week in which the first day of January occurs that 239163
follows the twelve-month period ending the thirtieth day of June 239164
upon which the calculation of the statewide average weekly wage 239165
was based. 239166

(4) As used in this division, an individual is "unemployed" 239167
if, with respect to the calendar week in which such application is 239168
filed, the individual is "partially unemployed" or "totally 239169
unemployed" as defined in this section or if, prior to filing the 239170
application, the individual was separated from the individual's 239171

(5) Fifty-five miles per hour on highways outside municipal corporations, other than highways within island jurisdictions as provided in division (B)(8) of this section, highways as provided in divisions (B)(9) and (10) of this section, and highways, expressways, and freeways as provided in divisions (B)(12), (13), (14), and (16) of this section;	240024 240025 240026 240027 240028 240029
(6) Fifty miles per hour on state routes within municipal corporations outside urban districts unless a lower prima-facie speed is established as further provided in this section;	240030 240031 240032
(7) Fifteen miles per hour on all alleys within the municipal corporation;	240033 240034
(8) Thirty-five miles per hour on highways outside municipal corporations that are within an island jurisdiction;	240035 240036
(9) Thirty-five miles per hour on through highways, except state routes, that are outside municipal corporations and that are within a national park with boundaries extending through two or more counties;	240037 240038 240039 240040
(10) Sixty miles per hour on two-lane state routes outside municipal corporations as established by the director under division (H)(2) of this section;	240041 240042 240043
(11) Fifty-five miles per hour on freeways with paved shoulders inside municipal corporations, other than freeways as provided in divisions (B)(14) and (16) of this section;	240044 240045 240046
(12) Sixty miles per hour on rural expressways with traffic control signals and on all portions of rural divided highways, except as provided in divisions (B)(13) and (14) of this section;	240047 240048 240049
(13) Sixty-five miles per hour on all rural expressways without traffic control signals;	240050 240051
(14) Seventy miles per hour on all rural freeways;	240052
(15) Fifty-five miles per hour on all portions of freeways or	240053

expressways in congested areas as determined by the director and 240054
that are located within a municipal corporation or within an 240055
interstate freeway outerbelt, except as provided in division 240056
(B)(16) of this section; 240057

(16) Sixty-five miles per hour on all portions of freeways or 240058
expressways without traffic control signals in urbanized areas. 240059

(C) It is prima-facie unlawful for any person to exceed any 240060
of the speed limitations in divisions (B)(1)(a), (2), (3), (4), 240061
(6), (7), (8), and (9) of this section, or any declared or 240062
established pursuant to this section by the director or local 240063
authorities and it is unlawful for any person to exceed any of the 240064
speed limitations in division (D) of this section. No person shall 240065
be convicted of more than one violation of this section for the 240066
same conduct, although violations of more than one provision of 240067
this section may be charged in the alternative in a single 240068
affidavit. 240069

(D) No person shall operate a motor vehicle, trackless 240070
trolley, or streetcar upon a street or highway as follows: 240071

(1) At a speed exceeding fifty-five miles per hour, except 240072
upon a two-lane state route as provided in division (B)(10) of 240073
this section and upon a highway, expressway, or freeway as 240074
provided in divisions (B)(12), (13), (14), and (16) of this 240075
section; 240076

(2) At a speed exceeding sixty miles per hour upon a two-lane 240077
state route as provided in division (B)(10) of this section and 240078
upon a highway as provided in division (B)(12) of this section; 240079

(3) At a speed exceeding sixty-five miles per hour upon an 240080
expressway as provided in division (B)(13) or upon a freeway as 240081
provided in division (B)(16) of this section, except upon a 240082
freeway as provided in division (B)(14) of this section; 240083

(4) At a speed exceeding seventy miles per hour upon a 240084

freeway as provided in division (B)(14) of this section; 240085

(5) At a speed exceeding the posted speed limit upon a 240086
highway, expressway, or freeway for which the director has 240087
determined and declared a speed limit pursuant to division (I)(2) 240088
or (L)(2) of this section. 240089

(E) In every charge of violation of this section the 240090
affidavit and warrant shall specify the time, place, and speed at 240091
which the defendant is alleged to have driven, and in charges made 240092
in reliance upon division (C) of this section also the speed which 240093
division (B)(1)(a), (2), (3), (4), (6), (7), (8), or (9) of, or a 240094
limit declared or established pursuant to, this section declares 240095
is prima-facie lawful at the time and place of such alleged 240096
violation, except that in affidavits where a person is alleged to 240097
have driven at a greater speed than will permit the person to 240098
bring the vehicle to a stop within the assured clear distance 240099
ahead the affidavit and warrant need not specify the speed at 240100
which the defendant is alleged to have driven. 240101

(F) When a speed in excess of both a prima-facie limitation 240102
and a limitation in division (D) of this section is alleged, the 240103
defendant shall be charged in a single affidavit, alleging a 240104
single act, with a violation indicated of both division (B)(1)(a), 240105
(2), (3), (4), (6), (7), (8), or (9) of this section, or of a 240106
limit declared or established pursuant to this section by the 240107
director or local authorities, and of the limitation in division 240108
(D) of this section. If the court finds a violation of division 240109
(B)(1)(a), (2), (3), (4), (6), (7), (8), or (9) of, or a limit 240110
declared or established pursuant to, this section has occurred, it 240111
shall enter a judgment of conviction under such division and 240112
dismiss the charge under division (D) of this section. If it finds 240113
no violation of division (B)(1)(a), (2), (3), (4), (6), (7), (8), 240114
or (9) of, or a limit declared or established pursuant to, this 240115
section, it shall then consider whether the evidence supports a 240116

conviction under division (D) of this section. 240117

(G) Points shall be assessed for violation of a limitation 240118
under division (D) of this section in accordance with section 240119
4510.036 of the Revised Code. 240120

(H)(1) Whenever the director determines upon the basis of 240121
criteria established by an engineering study, as defined by the 240122
director, that any speed limit set forth in divisions (B)(1)(a) to 240123
(D) of this section is greater or less than is reasonable or safe 240124
under the conditions found to exist at any portion of a street or 240125
highway under the jurisdiction of the director, the director shall 240126
determine and declare a reasonable and safe prima-facie speed 240127
limit, which shall be effective when appropriate signs giving 240128
notice of it are erected at the location. 240129

(2) Whenever the director determines upon the basis of 240130
criteria established by an engineering study, as defined by the 240131
director, that the speed limit of fifty-five miles per hour on a 240132
two-lane state route outside a municipal corporation is less than 240133
is reasonable or safe under the conditions found to exist at that 240134
portion of the state route, the director may determine and declare 240135
a speed limit of sixty miles per hour for that portion of the 240136
state route, which shall be effective when appropriate signs 240137
giving notice of it are erected at the location. 240138

(3)(a) For purposes of the safe and orderly movement of 240139
traffic upon any portion of a street or highway under the 240140
jurisdiction of the director, the director may establish a 240141
variable speed limit that is different than the speed limit 240142
established by or under this section on all or portions of 240143
interstate six hundred seventy, interstate two hundred 240144
seventy-five, and interstate ninety commencing at the intersection 240145
of that interstate with interstate seventy-one and continuing to 240146
the border of the state of Ohio with the state of Pennsylvania. 240147
The director shall establish criteria for determining the 240148

appropriate use of variable speed limits and shall establish 240149
variable speed limits in accordance with the criteria. The 240150
director may establish variable speed limits based upon the time 240151
of day, weather conditions, traffic incidents, or other factors 240152
that affect the safe speed on a street or highway. The director 240153
shall not establish a variable speed limit that is based on a 240154
particular type or class of vehicle. A variable speed limit 240155
established by the director under this section is effective when 240156
appropriate signs giving notice of the speed limit are displayed 240157
at the location. 240158

(b) Except for variable speed limits established under 240159
division (H)(3)(a) of this section, the director shall establish a 240160
variable speed limit under the authority granted to the director 240161
by this section on not more than two additional highways and only 240162
pursuant to criteria established in rules adopted in accordance 240163
with Chapter 119. of the Revised Code. The rules shall be based on 240164
the criteria described in division (H)(3)(a) of this section. The 240165
rules also shall establish the parameters of any engineering study 240166
necessary for determining when variable speed limits are 240167
appropriate. 240168

(4) Nothing in this section shall be construed to limit the 240169
authority of the director to establish speed limits within a 240170
construction zone as authorized under section 4511.98 of the 240171
Revised Code. 240172

(I)(1) Except as provided in divisions (I)(2), (J), (K), and 240173
(N) of this section, whenever local authorities determine upon the 240174
basis of criteria established by an engineering study, as defined 240175
by the director, that the speed permitted by divisions (B)(1)(a) 240176
to (D) of this section, on any part of a highway under their 240177
jurisdiction, is greater than is reasonable and safe under the 240178
conditions found to exist at such location, the local authorities 240179
may by resolution request the director to determine and declare a 240180

reasonable and safe prima-facie speed limit. Upon receipt of such 240181
request the director may determine and declare a reasonable and 240182
safe prima-facie speed limit at such location, and if the director 240183
does so, then such declared speed limit shall become effective 240184
only when appropriate signs giving notice thereof are erected at 240185
such location by the local authorities. The director may withdraw 240186
the declaration of a prima-facie speed limit whenever in the 240187
director's opinion the altered prima-facie speed limit becomes 240188
unreasonable. Upon such withdrawal, the declared prima-facie speed 240189
limit shall become ineffective and the signs relating thereto 240190
shall be immediately removed by the local authorities. 240191

(2) A local authority may determine on the basis of criteria 240192
established by an engineering study, as defined by the director, 240193
that the speed limit of sixty-five or seventy miles per hour on a 240194
portion of a freeway under its jurisdiction is greater than is 240195
reasonable or safe under the conditions found to exist at that 240196
portion of the freeway. If the local authority makes such a 240197
determination, the local authority by resolution may request the 240198
director to determine and declare a reasonable and safe speed 240199
limit of not less than fifty-five miles per hour for that portion 240200
of the freeway. If the director takes such action, the declared 240201
speed limit becomes effective only when appropriate signs giving 240202
notice of it are erected at such location by the local authority. 240203

(J) Local authorities in their respective jurisdictions may 240204
authorize by ordinance higher prima-facie speeds than those stated 240205
in this section upon through highways, or upon highways or 240206
portions thereof where there are no intersections, or between 240207
widely spaced intersections, provided signs are erected giving 240208
notice of the authorized speed, but local authorities shall not 240209
modify or alter the basic rule set forth in division (A) of this 240210
section or in any event authorize by ordinance a speed in excess 240211
of the maximum speed permitted by division (D) of this section for 240212

the specified type of highway. 240213

Alteration of prima-facie limits on state routes by local 240214
authorities shall not be effective until the alteration has been 240215
approved by the director. The director may withdraw approval of 240216
any altered prima-facie speed limits whenever in the director's 240217
opinion any altered prima-facie speed becomes unreasonable, and 240218
upon such withdrawal, the altered prima-facie speed shall become 240219
ineffective and the signs relating thereto shall be immediately 240220
removed by the local authorities. 240221

(K)(1) As used in divisions (K)(1), (2), (3), and (4) of this 240222
section, "unimproved highway" means a highway consisting of any of 240223
the following: 240224

(a) Unimproved earth; 240225

(b) Unimproved graded and drained earth; 240226

(c) Gravel. 240227

(2) Except as otherwise provided in divisions (K)(4) and (5) 240228
of this section, whenever a board of township trustees determines 240229
upon the basis of criteria established by an engineering study, as 240230
defined by the director, that the speed permitted by division 240231
(B)(5) of this section on any part of an unimproved highway under 240232
its jurisdiction and in the unincorporated territory of the 240233
township is greater than is reasonable or safe under the 240234
conditions found to exist at the location, the board may by 240235
resolution declare a reasonable and safe prima-facie speed limit 240236
of fifty-five but not less than twenty-five miles per hour. An 240237
altered speed limit adopted by a board of township trustees under 240238
this division becomes effective when appropriate traffic control 240239
devices, as prescribed in section 4511.11 of the Revised Code, 240240
giving notice thereof are erected at the location, which shall be 240241
no sooner than sixty days after adoption of the resolution. 240242

(3)(a) Whenever, in the opinion of a board of township 240243

trustees, any altered prima-facie speed limit established by the 240244
board under this division becomes unreasonable, the board may 240245
adopt a resolution withdrawing the altered prima-facie speed 240246
limit. Upon the adoption of such a resolution, the altered 240247
prima-facie speed limit becomes ineffective and the traffic 240248
control devices relating thereto shall be immediately removed. 240249

(b) Whenever a highway ceases to be an unimproved highway and 240250
the board has adopted an altered prima-facie speed limit pursuant 240251
to division (K)(2) of this section, the board shall, by 240252
resolution, withdraw the altered prima-facie speed limit as soon 240253
as the highway ceases to be unimproved. Upon the adoption of such 240254
a resolution, the altered prima-facie speed limit becomes 240255
ineffective and the traffic control devices relating thereto shall 240256
be immediately removed. 240257

(4)(a) If the boundary of two townships rests on the 240258
centerline of an unimproved highway in unincorporated territory 240259
and both townships have jurisdiction over the highway, neither of 240260
the boards of township trustees of such townships may declare an 240261
altered prima-facie speed limit pursuant to division (K)(2) of 240262
this section on the part of the highway under their joint 240263
jurisdiction unless the boards of township trustees of both of the 240264
townships determine, upon the basis of criteria established by an 240265
engineering study, as defined by the director, that the speed 240266
permitted by division (B)(5) of this section is greater than is 240267
reasonable or safe under the conditions found to exist at the 240268
location and both boards agree upon a reasonable and safe 240269
prima-facie speed limit of less than fifty-five but not less than 240270
twenty-five miles per hour for that location. If both boards so 240271
agree, each shall follow the procedure specified in division 240272
(K)(2) of this section for altering the prima-facie speed limit on 240273
the highway. Except as otherwise provided in division (K)(4)(b) of 240274
this section, no speed limit altered pursuant to division 240275

(K)(4)(a) of this section may be withdrawn unless the boards of township trustees of both townships determine that the altered prima-facie speed limit previously adopted becomes unreasonable and each board adopts a resolution withdrawing the altered prima-facie speed limit pursuant to the procedure specified in division (K)(3)(a) of this section.

(b) Whenever a highway described in division (K)(4)(a) of this section ceases to be an unimproved highway and two boards of township trustees have adopted an altered prima-facie speed limit pursuant to division (K)(4)(a) of this section, both boards shall, by resolution, withdraw the altered prima-facie speed limit as soon as the highway ceases to be unimproved. Upon the adoption of the resolution, the altered prima-facie speed limit becomes ineffective and the traffic control devices relating thereto shall be immediately removed.

(5) As used in division (K)(5) of this section:

(a) "Commercial subdivision" means any platted territory outside the limits of a municipal corporation and fronting a highway where, for a distance of three hundred feet or more, the frontage is improved with buildings in use for commercial purposes, or where the entire length of the highway is less than three hundred feet long and the frontage is improved with buildings in use for commercial purposes.

(b) "Residential subdivision" means any platted territory outside the limits of a municipal corporation and fronting a highway, where, for a distance of three hundred feet or more, the frontage is improved with residences or residences and buildings in use for business, or where the entire length of the highway is less than three hundred feet long and the frontage is improved with residences or residences and buildings in use for business.

Whenever a board of township trustees finds upon the basis of

criteria established by an engineering study, as defined by the 240307
director, that the prima-facie speed permitted by division (B)(5) 240308
of this section on any part of a highway under its jurisdiction 240309
that is located in a commercial or residential subdivision, except 240310
on highways or portions thereof at the entrances to which 240311
vehicular traffic from the majority of intersecting highways is 240312
required to yield the right-of-way to vehicles on such highways in 240313
obedience to stop or yield signs or traffic control signals, is 240314
greater than is reasonable and safe under the conditions found to 240315
exist at the location, the board may by resolution declare a 240316
reasonable and safe prima-facie speed limit of less than 240317
fifty-five but not less than twenty-five miles per hour at the 240318
location. An altered speed limit adopted by a board of township 240319
trustees under this division shall become effective when 240320
appropriate signs giving notice thereof are erected at the 240321
location by the township. Whenever, in the opinion of a board of 240322
township trustees, any altered prima-facie speed limit established 240323
by it under this division becomes unreasonable, it may adopt a 240324
resolution withdrawing the altered prima-facie speed, and upon 240325
such withdrawal, the altered prima-facie speed shall become 240326
ineffective, and the signs relating thereto shall be immediately 240327
removed by the township. 240328

(L)(1) The director of transportation, based upon an 240329
engineering study, as defined by the director, of a highway, 240330
expressway, or freeway described in division (B)(12), (13), (14), 240331
(15), or (16) of this section, in consultation with the director 240332
of public safety and, if applicable, the local authority having 240333
jurisdiction over the studied highway, expressway, or freeway, may 240334
determine and declare that the speed limit established on such 240335
highway, expressway, or freeway under division (B)(12), (13), 240336
(14), (15), or (16) of this section either is reasonable and safe 240337
or is more or less than that which is reasonable and safe. 240338

(2) If the established speed limit for a highway, expressway, or freeway studied pursuant to division (L)(1) of this section is determined to be more or less than that which is reasonable and safe, the director of transportation, in consultation with the director of public safety and, if applicable, the local authority having jurisdiction over the studied highway, expressway, or freeway, shall determine and declare a reasonable and safe speed limit for that highway, expressway, or freeway.

(M)(1)(a) If the boundary of two local authorities rests on the centerline of a highway and both authorities have jurisdiction over the highway, the speed limit for the part of the highway within their joint jurisdiction shall be either one of the following as agreed to by both authorities:

(i) Either prima-facie speed limit permitted by division (B) of this section;

(ii) An altered speed limit determined and posted in accordance with this section.

(b) If the local authorities are unable to reach an agreement, the speed limit shall remain as established and posted under this section.

(2) Neither local authority may declare an altered prima-facie speed limit pursuant to this section on the part of the highway under their joint jurisdiction unless both of the local authorities determine, upon the basis of criteria established by an engineering study, as defined by the director, that the speed permitted by this section is greater than is reasonable or safe under the conditions found to exist at the location and both authorities agree upon a uniform reasonable and safe prima-facie speed limit of less than fifty-five but not less than twenty-five miles per hour for that location. If both authorities so agree, each shall follow the procedure specified in

this section for altering the prima-facie speed limit on the highway, and the speed limit for the part of the highway within their joint jurisdiction shall be uniformly altered. No altered speed limit may be withdrawn unless both local authorities determine that the altered prima-facie speed limit previously adopted becomes unreasonable and each adopts a resolution withdrawing the altered prima-facie speed limit pursuant to the procedure specified in this section.

(N) The legislative authority of a municipal corporation or township in which a boarding school is located, by resolution or ordinance, may establish a boarding school zone. The legislative authority may alter the speed limit on any street or highway within the boarding school zone and shall specify the hours during which the altered speed limit is in effect. For purposes of determining the boundaries of the boarding school zone, the altered speed limit within the boarding school zone, and the hours the altered speed limit is in effect, the legislative authority shall consult with the administration of the boarding school and with the county engineer or other appropriate engineer, as applicable. A boarding school zone speed limit becomes effective only when appropriate signs giving notice thereof are erected at the appropriate locations.

(O) As used in this section:

(1) "Interstate system" has the same meaning as in 23 U.S.C. 101.

(2) "Commercial bus" means a motor vehicle designed for carrying more than nine passengers and used for the transportation of persons for compensation.

(3) "Noncommercial bus" includes but is not limited to a school bus or a motor vehicle operated solely for the transportation of persons associated with a charitable or

nonprofit organization. 240401

(4) "Outerbelt" means a portion of a freeway that is part of 240402
the interstate system and is located in the outer vicinity of a 240403
major municipal corporation or group of municipal corporations, as 240404
designated by the director. 240405

(5) "Rural" means an area outside urbanized areas and outside 240406
of a business or urban district, and areas that extend within 240407
urbanized areas where the roadway characteristics remain mostly 240408
unchanged from those outside the urbanized areas. 240409

(6) "Urbanized area" has the same meaning as in 23 U.S.C. 240410
101. 240411

(7) "Divided" means a roadway having two or more travel lanes 240412
for vehicles moving in opposite directions and that is separated 240413
by a median of more than four feet, excluding turn lanes. 240414

(P)(1) A violation of any provision of this section is one of 240415
the following: 240416

(a) Except as otherwise provided in divisions (P)(1)(b), 240417
(1)(c), (2), and (3) of this section, a minor misdemeanor; 240418

(b) If, within one year of the offense, the offender 240419
previously has been convicted of or pleaded guilty to two 240420
violations of any provision of this section or of any provision of 240421
a municipal ordinance that is substantially similar to any 240422
provision of this section, a misdemeanor of the fourth degree; 240423

(c) If, within one year of the offense, the offender 240424
previously has been convicted of or pleaded guilty to three or 240425
more violations of any provision of this section or of any 240426
provision of a municipal ordinance that is substantially similar 240427
to any provision of this section, a misdemeanor of the third 240428
degree. 240429

(2) If the offender operated a motor vehicle faster than 240430

thirty-five miles an hour in a business district of a municipal corporation, faster than fifty miles an hour in other portions of a municipal corporation, or faster than thirty-five miles an hour in a school zone during recess or while children are going to or leaving school during the school's opening or closing hours, a misdemeanor of the fourth degree. Division (P)(2) of this section does not apply if penalties may be imposed under division (P)(1)(b) or (c) of this section.

(3) Notwithstanding division (P)(1) of this section, if the offender operated a motor vehicle in a construction zone where a sign was then posted in accordance with section 4511.98 of the Revised Code, the court, in addition to all other penalties provided by law, shall impose upon the offender a fine of two times the usual amount imposed for the violation. No court shall impose a fine of two times the usual amount imposed for the violation upon an offender if the offender alleges, in an affidavit filed with the court prior to the offender's sentencing, that the offender is indigent and is unable to pay the fine imposed pursuant to this division and if the court determines that the offender is an indigent person and unable to pay the fine.

occupancy to an individual or family which has been displaced by 244072
governmental action or which occupies substandard housing as 244073
certified by such political subdivision, without advertising for 244074

(B)(1) Notwithstanding section 5705.41 of the Revised Code, no school district shall adopt any appropriation measure, make any qualifying contract, or increase during any school year any wage or salary schedule unless there is attached thereto a certificate, signed as required by this section, that the school district has

(a) A certificate attached to an appropriation measure under this section shall cover only the fiscal year in which the appropriation measure is effective and shall not consider the renewal or replacement of an existing levy as the authority to levy taxes that are subject to appropriation in the current fiscal year unless the renewal or replacement levy has been approved by the electors and is subject to appropriation in the current fiscal year.

(b) A certificate attached, in accordance with this section, to any qualifying contract shall cover the term of the contract.

(c) A certificate attached under this section to a wage or salary schedule shall cover the term of the schedule.

(b) The multi-year contract demonstrates savings over the 244487
duration of the contract as compared to costs that otherwise would 244488

will allow the district to reduce the deficit it is currently 244490
facing in future years as demonstrated in its five-year forecast 244491
adopted in accordance with section 5705.391 of the Revised Code. 244492

The certificate shall be signed by the treasurer and 244493
president of the board of education and the superintendent of the 244494
school district, unless the district is in a state of fiscal 244495
emergency declared under Chapter 3316. of the Revised Code. In 244496
that case, the certificate shall be signed by a member of the 244497
district's financial planning and supervision commission who is 244498
designated by the commission for this purpose. 244499

(C) Every qualifying contract made or wage or salary schedule 244500
adopted or put into effect without such a certificate shall be 244501
void, and no payment of any amount due thereon shall be made. 244502

(D) The department of education and workforce and the auditor 244503
of state jointly shall adopt rules governing the methods by which 244504
treasurers, presidents of boards of education, superintendents, 244505

and members of financial planning and supervision commissions 244506

whether school districts are in compliance with this section. At 244511
the time a school district is audited pursuant to section 117.11 244512
of the Revised Code, the auditor of state shall review each 244513
certificate issued under this section since the district's last 244514
audit, and the appropriation measure, contract, or wage and salary 244515
schedule to which such certificate was attached. If the auditor of 244516
state determines that a school district has not complied with this 244517
section with respect to any qualifying contract or wage or salary 244518
schedule, the auditor of state shall notify the prosecuting 244519
attorney for the county, the city director of law, or other chief 244520
law officer of the school district. That officer may file a civil 244521
action in any court of appropriate jurisdiction to seek a 244522
declaration that the contract or wage or salary schedule is void, 244523

from the auditor of state, any taxpayer may institute the action 244530
in the taxpayer's own name on behalf of the school district. 244531

does not exceed the amount required to be paid to be in compliance 244536
with such division. 244537

officer, employee, or other person shall be liable for a mistaken 244550

found to have complied with rules jointly adopted by the 244553
department of education and workforce and the auditor of state 244554
under this section governing methods by which revenue shall be 244555
estimated and determined sufficient to provide necessary operating 244556
revenue for the purpose of making certifications required by this 244557
section, the officer, employee, or other person shall not be 244558
liable under this section if the estimates and determinations made 244559

committees. 246096

If the collective bargaining agreement does not specify a 246097
different method for the selection of teacher members of the 246098
committees, the exclusive representative of the district's 246099
teachers shall select the teacher members. 246100

If the collective bargaining agreement does not specify a 246101
different structure for the committees, the board of education of 246102
the school district shall establish the structure, including the 246103
number of committees and the number of teacher and administrative 246104

members on each committee; the specific administrative members to 246105

discussed or voted upon, the local professional development 246120
committee shall, at the request of one of its administrative 246121

(3) A clear statement that the surcharge or convenience fee 247587
is nonrefundable. 247588

(F) If a person elects to make a payment by a financial 247589
transaction device and a surcharge or convenience fee is imposed, 247590
the payment of the surcharge or convenience fee is not refundable. 247591

(G) If a person makes payment by a financial transaction 247592
device and the payment is returned or dishonored for any reason, 247593
the person is liable to the state for the state expense and any 247594
reimbursable costs for collection, including banking charges, 247595
legal fees, or other expenses incurred by the state in collecting 247596
the returned or dishonored payment. The remedies and procedures 247597

permissive authority in the award of deposits; limits the	248176
authority of the governing board to the award of federal funds;	248177

establishment, development, and stability of minority banks by	248185
facilitating their access to the award of federal funds, while	248186
ensuring the protection of the general public and the banking	248187

set forth in divisions (B)(1) to (7) of this section shall be 248457
construed to authorize any investment in a derivative, and no 248458
treasurer or governing board shall invest in a derivative. For 248459
purposes of this division, "derivative" means a financial 248460
instrument or contract or obligation whose value or return is 248461
based upon or linked to another asset or index, or both, separate 248462
from the financial instrument, contract, or obligation itself. Any 248463

created from both is considered a derivative instrument. An 248467

in division (B)(1) or (2) of this section, is not a derivative, 248471
provided that such variable rate investment has a maximum maturity 248472
of two years. 248473

(D) Except as provided in division (B)(4) or (E) of this 248474
section, any investment made pursuant to this section must mature 248475
within five years from the date of settlement, unless the 248476

investment is matched to a specific obligation or debt of the 248477
subdivision. 248478

(E) The treasurer or governing board may also enter into a 248479
written repurchase agreement with any eligible institution 248480
mentioned in section 135.03 of the Revised Code or any eligible 248481
dealer pursuant to division (M) of this section, under the terms 248482
of which agreement the treasurer or governing board purchases, and 248483
such institution or dealer agrees unconditionally to repurchase 248484
any of the securities listed in divisions (D)(1) to (5), except 248485
letters of credit described in division (D)(2), of section 135.18 248486
of the Revised Code. The market value of securities subject to an 248487
overnight written repurchase agreement must exceed the principal 248488
value of the overnight written repurchase agreement by at least 248489

the written repurchase agreement by at least two per cent and be 248493
marked to market daily. All securities purchased pursuant to this 248494
division shall be delivered into the custody of the treasurer or 248495
governing board or an agent designated by the treasurer or 248496
governing board. A written repurchase agreement with an eligible 248497
securities dealer shall be transacted on a delivery versus payment 248498
basis. The agreement shall contain the requirement that for each 248499
transaction pursuant to the agreement the participating 248500
institution or dealer shall provide all of the following 248501
information: 248502

(1) The par value of the securities; 248503

(2) The type, rate, and maturity date of the securities; 248504

(3) A numerical identifier generally accepted in the 248505
securities industry that designates the securities. 248506

No treasurer or governing board shall enter into a written 248507

repurchase agreement under the terms of which the treasurer or 248508
governing board agrees to sell securities owned by the subdivision 248509
to a purchaser and agrees with that purchaser to unconditionally 248510
repurchase those securities. 248511

(F) No treasurer or governing board shall make an investment 248512
under this section, unless the treasurer or governing board, at 248513
the time of making the investment, reasonably expects that the 248514
investment can be held until its maturity. 248515

(G) No treasurer or governing board shall pay interim moneys 248516
into a fund established by another subdivision, treasurer, 248517
governing board, or investing authority, if that fund was 248518
established for the purpose of investing the public moneys of 248519
other subdivisions. This division does not apply to the payment of 248520
public moneys into either of the following: 248521

(1) The Ohio subdivision's fund pursuant to division (B)(6) 248522
of this section; 248523

(2) A fund created solely for the purpose of acquiring, 248524
constructing, owning, leasing, or operating municipal utilities 248525
pursuant to the authority provided under section 715.02 of the 248526
Revised Code or Section 4 of Article XVIII, Ohio Constitution. 248527

For purposes of division (G) of this section, "subdivision" 248528
includes a county. 248529

(H) The use of leverage, in which the treasurer or governing 248530
board uses its current investment assets as collateral for the 248531
purpose of purchasing other assets, is prohibited. The issuance of 248532
taxable notes for the purpose of arbitrage is prohibited. 248533
Contracting to sell securities that have not yet been acquired by 248534
the treasurer or governing board, for the purpose of purchasing 248535
such securities on the speculation that bond prices will decline, 248536
is prohibited. 248537

(I) Whenever, during a period of designation, the treasurer 248538

classifies public moneys as interim moneys, the treasurer shall 248539
notify the governing board of such action. The notification shall 248540
be given within thirty days after such classification and in the 248541
event the governing board does not concur in such classification 248542
or in the investments or deposits made under this section, the 248543
governing board may order the treasurer to sell or liquidate any 248544
of such investments or deposits, and any such order shall 248545
specifically describe the investments or deposits and fix the date 248546
upon which they are to be sold or liquidated. Investments or 248547
deposits so ordered to be sold or liquidated shall be sold or 248548
liquidated for cash by the treasurer on the date fixed in such 248549
order at the then current market price. Neither the treasurer nor 248550
the members of the board shall be held accountable for any loss 248551
occasioned by sales or liquidations of investments or deposits at 248552
prices lower than their cost. Any loss or expense incurred in 248553
making such sales or liquidations is payable as other expenses of 248554
the treasurer's office. 248555

(J) If any investments or deposits purchased under the 248556
authority of this section are issuable to a designated payee or to 248557
the order of a designated payee, the name of the treasurer and the 248558
title of the treasurer's office shall be so designated. If any 248559
such securities are registrable either as to principal or 248560
interest, or both, then such securities shall be registered in the 248561
name of the treasurer as such. 248562

(K) The treasurer is responsible for the safekeeping of all 248563
documents evidencing a deposit or investment acquired by the 248564
treasurer under this section. Any securities may be deposited for 248565
safekeeping with a qualified trustee as provided in section 135.18 248566
of the Revised Code, except the delivery of securities acquired 248567
under any repurchase agreement under this section shall be made to 248568
a qualified trustee, provided, however, that the qualified trustee 248569
shall be required to report to the treasurer, governing board, 248570

auditor of state, or an authorized outside auditor at any time 248571
upon request as to the identity, market value, and location of the 248572
document evidencing each security, and that if the participating 248573
institution is a designated depository of the subdivision for the 248574
current period of designation, the securities that are the subject 248575
of the repurchase agreement may be delivered to the treasurer or 248576
held in trust by the participating institution on behalf of the 248577
subdivision. Interest earned on any investments or deposits 248578
authorized by this section shall be collected by the treasurer and 248579
credited by the treasurer to the proper fund of the subdivision. 248580

Upon the expiration of the term of office of a treasurer or 248581
in the event of a vacancy in the office of treasurer by reason of 248582
death, resignation, removal from office, or otherwise, the 248583
treasurer or the treasurer's legal representative shall transfer 248584
and deliver to the treasurer's successor all documents evidencing 248585
a deposit or investment held by the treasurer. For the investments 248586
and deposits so transferred and delivered, such treasurer shall be 248587
credited with and the treasurer's successor shall be charged with 248588
the amount of money held in such investments and deposits. 248589

(L) Whenever investments or deposits acquired under this 248590
section mature and become due and payable, the treasurer shall 248591
present them for payment according to their tenor, and shall 248592
collect the moneys payable thereon. The moneys so collected shall 248593
be treated as public moneys subject to sections 135.01 to 135.21 248594
of the Revised Code. 248595

(M)(1) All investments, except for investments in securities 248596
described in divisions (B)(5) and (6) of this section and for 248597
investments by a municipal corporation in the issues of such 248598
municipal corporation, shall be made only through a member of the 248599
financial industry regulatory authority (FINRA), through a bank, 248600
savings bank, or savings and loan association regulated by the 248601
superintendent of financial institutions, or through an 248602

institution regulated by the comptroller of the currency, federal 248603
deposit insurance corporation, or board of governors of the 248604
federal reserve system. 248605

(2) Payment for investments shall be made only upon the 248606
delivery of securities representing such investments to the 248607
treasurer, governing board, or qualified trustee. If the 248608
securities transferred are not represented by a certificate, 248609
payment shall be made only upon receipt of confirmation of 248610
transfer from the custodian by the treasurer, governing board, or 248611
qualified trustee. 248612

(N) In making investments authorized by this section, a 248613
treasurer or governing board may retain the services of an 248614
investment advisor, provided the advisor is licensed by the 248615
division of securities under section 1707.141 of the Revised Code 248616
or is registered with the securities and exchange commission, and 248617
possesses experience in public funds investment management, 248618
specifically in the area of state and local government investment 248619
portfolios, or the advisor is an eligible institution mentioned in 248620
section 135.03 of the Revised Code. 248621

(O)(1) Except as otherwise provided in divisions (O)(2) and 248622
(3) of this section, no treasurer or governing board shall make an 248623
investment or deposit under this section, unless there is on file 248624
with the auditor of state a written investment policy approved by 248625
the treasurer or governing board. The policy shall require that 248626
all entities conducting investment business with the treasurer or 248627
governing board shall sign the investment policy of that 248628
subdivision. All brokers, dealers, and financial institutions, 248629
described in division (M)(1) of this section, initiating 248630
transactions with the treasurer or governing board by giving 248631
advice or making investment recommendations shall sign the 248632
treasurer's or governing board's investment policy thereby 248633
acknowledging their agreement to abide by the policy's contents. 248634

All brokers, dealers, and financial institutions, described in 248635
division (M)(1) of this section, executing transactions initiated 248636
by the treasurer or governing board, having read the policy's 248637
contents, shall sign the investment policy thereby acknowledging 248638
their comprehension and receipt. 248639

(2) If a written investment policy described in division 248640
(O)(1) of this section is not filed on behalf of the subdivision 248641
with the auditor of state, the treasurer or governing board of 248642
that subdivision shall invest the subdivision's interim moneys 248643
only in interim deposits pursuant to division (B)(3) of this 248644
section or interim deposits pursuant to section 135.145 of the 248645

(3) Divisions (O)(1) and (2) of this section do not apply to 248650
a treasurer or governing board of a subdivision whose average 248651
annual portfolio of investments held pursuant to this section is 248652
one hundred thousand dollars or less, provided that the treasurer 248653
or governing board certifies, on a form prescribed by the auditor 248654
of state, that the treasurer or governing board will comply and is 248655
in compliance with the provisions of sections 135.01 to 135.21 of 248656
the Revised Code. 248657

(P) A treasurer or governing board may enter into a written 248658
investment or deposit agreement that includes a provision under 248659
which the parties agree to submit to nonbinding arbitration to 248660
settle any controversy that may arise out of the agreement, 248661
including any controversy pertaining to losses of public moneys 248662
resulting from investment or deposit. The arbitration provision 248663
shall be set forth entirely in the agreement, and the agreement 248664
shall include a conspicuous notice to the parties that any party 248665
to the arbitration may apply to the court of common pleas of the 248666

county in which the arbitration was held for an order to vacate, 248667
modify, or correct the award. Any such party may also apply to the 248668
court for an order to change venue to a court of common pleas 248669

settle any controversy that may arise out of the agreement, 249612
including any controversy pertaining to losses of public moneys 249613
resulting from investment or deposit. The arbitration provision 249614

in the package, the amount of individual loans in the package, and 250000
the amount of state funds to be deposited with an eligible lending 250001
institution. 250002

(B) Upon acceptance of the linked deposit loan package or any 250003
portion of it, the treasurer of state may place, purchase, or 250004
designate a linked deposit with the eligible lending institution 250005
at the discount interest rate, and in accordance with the deposit 250006
agreement required under section 135.623 of the Revised Code and 250007

Sec. 135.624. (A) Upon the treasurer of state placing, 250021
purchasing, or designating a linked deposit, the eligible lending 250022
institution shall lend the corresponding funds to each approved 250023
eligible borrower listed in the accepted linked deposit loan 250024
package, and in accordance with the deposit agreement required by 250025
section 135.623 of the Revised Code. Unless otherwise specified in 250026
the deposit agreement, the interest rates on the loans to such 250027
eligible borrowers shall be at a rate equal to or greater than the 250028
present borrowing rate applicable to each specific eligible 250029
borrower in the accepted linked deposit loan package minus the 250030
difference between the prevailing interest rate and the discount 250031
interest rate at which the linked deposits were placed, made, or 250032

designated. 250033

(B) The eligible lending institution shall provide to the 250034

(C) Upon the conclusion of the maturity period, the treasurer 250038

Sec. 135.625. (A) The state and the treasurer of state are 250055
not liable to any eligible lending institution or any eligible 250056
borrower in any manner for payment of the principal or interest on 250057
a loan to an eligible borrower. Any delay in payments, default on 250058
the part of an eligible borrower, or misuse or misconduct on the 250059
part of an eligible lending institution or eligible borrower does 250060
not in any manner affect the deposit agreement required by section 250061
135.623 of the Revised Code between the eligible lending 250062

institution and the treasurer of state. 250063

(B) If an eligible lending institution changes the terms of a 250064
loan to an eligible borrower because of a delay in payments or 250065

shall be returned to the treasurer of state by the eligible 250068
lending institution in a timely manner as prescribed by the 250069
treasurer of state. 250070

Sec. 135.63. (A) The general assembly finds that 250071
strengthening families across Ohio is critical toward ensuring the 250072
long-term prosperity of the state. However, the upfront financial 250073
costs associated with adoption often deter families from pursuing 250074
the adoption process. Accordingly, it is declared to be the public 250075
policy of the state through the adoption linked deposit program to 250076
create the availability of reduced rate loans to reduce the 250077
financial burden of adoption and to strengthen families in this 250078
state. 250079

(B) An eligible borrower for the adoption linked deposit 250080
program is an individual who is a resident of this state and to 250081
whom either of the following applies: 250082

(1) The individual completes a home study pursuant to section 250083
3107.031 of the Revised Code and is approved to adopt. 250084

(2) The individual is pursuing an adoption through the public 250085
foster care system and meets the requirements set by the 250086
department of job and family services. 250087

(C) An eligible lending institution for the adoption linked 250088
deposit program must be able to make secured or unsecured personal 250089
loans. 250090

(D) An eligible borrower shall certify on the loan 250091
application that the reduced rate loan will be used exclusively to 250092

pay for qualifying adoption expenses. 250093

Sec. 135.64. (A) The general assembly finds that Ohio's 250094
agricultural industry has long served as a critical component of 250095
the state's overall economy. However, an inadequate supply of 250096
affordable financing options that meet the needs of Ohio's 250097
agricultural community and other various economic pressures pose 250098
an ongoing challenge for farmers, agribusiness, and agricultural 250099
cooperatives as they work to grow or maintain sufficient 250100
operations throughout the year. Accordingly, it is declared to be 250101
the public policy of the state through the agricultural linked 250102
deposit program to create the availability of reduced rate loans 250103
to inject needed capital into the agricultural community, sustain 250104
or improve agricultural economic growth and profitability, and 250105
protect a core driver of the state's economy. 250106

(B) An eligible borrower for the agricultural linked deposit 250107
program is any person engaged in agriculture that has all the 250108
following characteristics: 250109

(1) Is headquartered or domiciled in this state; 250110

(2) Maintains land or facilities for agricultural purposes in 250111
this state, provided that the land or facilities within this state 250112
comprise not less than fifty-one per cent of the total of all 250113
lands or facilities maintained by the person; 250114

(3) Is either organized for profit or as an agricultural 250115
cooperative as defined in section 1729.01 of the Revised Code. 250116

(C) An eligible lending institution for the agricultural 250117
linked deposit program must be able to make commercial loans. 250118

(D) An eligible borrower shall certify on the loan 250119
application that the reduced rate loan will be used exclusively 250120
for agricultural purposes on land or in facilities owned or 250121
operated by the eligible borrower in this state and that the loan 250122

will materially contribute to the preservation or growth of the 250123
business. 250124

Sec. 135.65. (A) The general assembly finds that small 250125
businesses make significant contributions to the state's economic 250126
well-being. However, various economic challenges, such as 250127
tightened capital availability, inflationary pressures, or rising 250128
interest rates, can cause disproportionate harm to small 250129
businesses and discourage aspiring job creators from taking root 250130
in Ohio. Accordingly, it is declared to be the public policy of 250131
the state through the small business linked deposit program to 250132
create the availability of reduced rate loans to inject needed 250133
capital into the business community, sustain or improve small 250134
business growth profitability, protect the jobs of residents, and 250135
foster economic growth and development within Ohio's small 250136
businesses. 250137

(B) An eligible borrower for the small business linked 250138
deposit program is any person, including a person engaged in 250139
agriculture, that has all the following characteristics: 250140

(1) Is headquartered or domiciled in this state; 250141

(2) Maintains offices or operating facilities in this state, 250142
provided that the offices or operating facilities within the state 250143
comprise not less than fifty-one per cent of the total of all 250144
offices and operating facilities maintained by the business; 250145

(3) Employs fewer than one hundred fifty employees, not less 250146
than fifty-one per cent of whom are residents of this state; 250147

(4) Is organized for profit. 250148

(C) An eligible lending institution for the small business 250149
linked deposit program must be able to make commercial loans. 250150

(D) An eligible borrower shall certify on the loan 250151
application that the reduced rate loan will be used exclusively in 250152

this state to create new jobs, preserve existing jobs and 250153
employment opportunities, or materially contribute to the 250154
preservation or growth of the business. 250155

Sec. 135.66. (A) The general assembly finds that making 250156
homeownership and maintenance costs more affordable is an 250157
important part of fostering a robust and lasting population across 250158
the state. However, homeowners often struggle to find adequate and 250159
affordable financing options to pursue home improvement, home 250160
restoration, or similar types of projects and upgrades aimed at 250161
maintaining or increasing the livability and value of a home. 250162
Accordingly, it is declared to be the public policy of the state 250163
through the home improvement linked deposit program to create the 250164
availability of reduced rate loans to improve, maintain, or 250165
restore an existing homestead. 250166

(B) An eligible borrower for the home improvement linked 250167
deposit program is any individual who is a resident of this state 250168
and to whom both of the following apply: 250169

(1) The individual is the owner of an existing homestead 250170
located in this state. 250171

(2) The loan will be used to improve or maintain that 250172
existing homestead. 250173

(C) An eligible lending institution for the home improvement 250174
linked deposit program must be able to make residential or secured 250175
or unsecured personal loans. 250176

(D) An eligible borrower shall certify on the loan 250177
application that the reduced rate loan will be used exclusively to 250178
improve, maintain, or restore the eligible borrower's existing 250179
homestead, in accordance with the program goals outlined in 250180
division (A) of this section. 250181

(E) An eligible borrower shall include in the loan 250182

application official estimates or receipts for the total amount of 250183
the loan. 250184

<u>(1) It has matured, been called and defeased, or otherwise</u> <u>become due and payable.</u>	250407 250408
<u>(2) Either the treasurer of state or the trustee bank is the</u> <u>paying agent.</u>	250409 250410
<u>(3) The owner has neither registered the bond or interest</u> <u>coupon nor claimed the bond's principal or interest.</u>	250411 250412
<u>(B) Notwithstanding any provision of the Revised Code to the</u> <u>contrary, state of Ohio coupon bonds held by any person, business,</u> <u>or state or other government, political subdivision, agency, or</u> <u>instrumentality, and all proceeds thereof, shall be presumed</u> <u>abandoned in this state and constitute unclaimed funds under this</u> <u>chapter if both of the following apply:</u>	250413 250414 250415 250416 250417 250418
<u>(1) The owner of the state of Ohio coupon bond or interest</u> <u>coupon is unknown to the treasurer of state.</u>	250419 250420

(2) The state of Ohio coupon bond's principal or interest has 250421
remained unclaimed and unredeemed for three years after final 250422
maturity, call date, interest payment date, or other payment date. 250423

(C) State of Ohio coupon bonds that are presumed abandoned 250424
and constitute unclaimed funds under division (B) of this section, 250425
including bonds in the possession of the director of commerce, 250426
shall escheat to the state three years after becoming abandoned 250427
and unclaimed property. All property rights and legal title to and 250428
ownership of such bonds or interest coupons or proceeds from such 250429
bonds or interest coupons, including all rights, powers, and 250430
privileges of survivorship of any owner, co-owner, or beneficiary, 250431
shall vest solely in this state as provided in divisions (D) to 250432
(H) of this section. 250433

(D) If, within one hundred eighty days after the three-year 250434
period prescribed under division (C) of this section, no claim has 250435
been filed under this chapter for the bond, the director shall 250436
commence a civil action in a court of competent jurisdiction for a 250437
determination that the bond escheats to the state. The director 250438
may postpone the commencement of an action until a sufficient 250439
number of bonds have accumulated in the director's custody to 250440
justify the expense of the proceedings. 250441

(E) Service by publication shall be made in accordance with 250442
Rule 4.4 of the Rules of Civil Procedure. 250443

(F) If no person files a claim or appears at the hearing to 250444
substantiate a claim or if the court determines that a claimant is 250445
not entitled to the property claimed, and if the court is 250446
satisfied by the evidence that the director has substantially 250447
complied with the laws of this state, the court shall enter a 250448
judgment that the bonds have escheated to the state and all 250449
property rights and legal title to and ownership of the bonds or 250450
the proceeds from the bonds, including all rights, powers, and 250451
privileges of survivorship of any owner, co-owner, or beneficiary, 250452

have vested solely in the state. 250453

(G) The director shall redeem the state of Ohio coupon bonds 250454
escheated to the state by judgment of the court. When the proceeds 250455
that have escheated have been recovered by the director, the 250456
director shall pay all costs incident to the collection and 250457
recovery of the proceeds from the redemption of the bonds and 250458
disburse the remaining balance of the proceeds in the manner 250459
provided under section 169.05 of the Revised Code for all other 250460
unclaimed funds. 250461

(H) Notwithstanding section 169.08 of the Revised Code, any 250462
person claiming a state of Ohio coupon bond that has escheated to 250463
the state under this section, or for the proceeds from the bond, 250464
may file a claim with the director. Upon providing sufficient 250465
proof of the validity of the person's claim, the director may, in 250466
the director's discretion, pay the claim less any expenses and 250467
costs incurred by the state in securing full title and ownership 250468
of the property by escheat. If payment has been made to a 250469
claimant, no action thereafter may be maintained by any other 250470
claimant against the state or any officer of the state, for or on 250471
account of the payment of the claim. 250472

Sec. 718.01. Any term used in this chapter that is not 250473
otherwise defined in this chapter has the same meaning as when 250474
used in a comparable context in laws of the United States relating 250475
to federal income taxation or in Title LVII of the Revised Code, 250476
unless a different meaning is clearly required. Except as provided 250477
in section 718.81 of the Revised Code, if a term used in this 250478
chapter that is not otherwise defined in this chapter is used in a 250479
comparable context in both the laws of the United States relating 250480
to federal income tax and in Title LVII of the Revised Code and 250481
the use is not consistent, then the use of the term in the laws of 250482
the United States relating to federal income tax shall control 250483

over the use of the term in Title LVII of the Revised Code.	250484
Except as otherwise provided in section 718.81 of the Revised Code, as used in this chapter:	250485
(A)(1) "Municipal taxable income" means the following:	250486
(a) For a person other than an individual, income apportioned or situated to the municipal corporation under section 718.02 of the Revised Code, as applicable, reduced by any pre-2017 net operating loss carryforward available to the person for the municipal corporation.	250487

otherwise included in income and then, as applicable, apportioned 250515
or situated to the municipal corporation under section 718.02 of 250516
the Revised Code, then reduced as provided in division (A)(2) of 250517
this section, and further reduced by any pre-2017 net operating 250518
loss carryforward available to the individual for the municipal 250519
corporation. 250520

(2) In computing the municipal taxable income of a taxpayer 250521
who is an individual, the taxpayer may subtract, as provided in 250522
division (A)(1)(b)(i) or (c) of this section, the amount of the 250523
individual's employee business expenses reported on the 250524
individual's form 2106 that the individual deducted for federal 250525
income tax purposes for the taxable year, subject to the 250526
limitation imposed by section 67 of the Internal Revenue Code. For 250527
the municipal corporation in which the taxpayer is a resident, the 250528
taxpayer may deduct all such expenses allowed for federal income 250529
tax purposes. For a municipal corporation in which the taxpayer is 250530
not a resident, the taxpayer may deduct such expenses only to the 250531
extent the expenses are related to the taxpayer's performance of 250532
personal services in that nonresident municipal corporation. 250533

(B) "Income" means the following: 250534

(1)(a) For residents, all income, salaries, qualifying wages, 250535
commissions, and other compensation from whatever source earned or 250536
received by the resident, including the resident's distributive 250537
share of the net profit of pass-through entities owned directly or 250538
indirectly by the resident and any net profit of the resident, 250539
except as provided in division (D)(5) of this section. 250540

(b) For the purposes of division (B)(1)(a) of this section: 250541

(i) Any net operating loss of the resident incurred in the 250542
taxable year and the resident's distributive share of any net 250543
operating loss generated in the same taxable year and attributable 250544

to the resident's ownership interest in a pass-through entity 250545
shall be allowed as a deduction, for that taxable year and the 250546
following five taxable years, against any other net profit of the 250547
resident or the resident's distributive share of any net profit 250548
attributable to the resident's ownership interest in a 250549
pass-through entity until fully utilized, subject to division 250550
(B)(1)(d) of this section; 250551

(ii) The resident's distributive share of the net profit of 250552
each pass-through entity owned directly or indirectly by the 250553
resident shall be calculated without regard to any net operating 250554
loss that is carried forward by that entity from a prior taxable 250555
year and applied to reduce the entity's net profit for the current 250556
taxable year. 250557

(c) Division (B)(1)(b) of this section does not apply with 250558
respect to any net profit or net operating loss attributable to an 250559
ownership interest in an S corporation unless shareholders' 250560
distributive shares of net profits from S corporations are subject 250561
to tax in the municipal corporation as provided in division 250562
(C)(14)(b) or (c) of this section. 250563

(d) Any amount of a net operating loss used to reduce a 250564
taxpayer's net profit for a taxable year shall reduce the amount 250565
of net operating loss that may be carried forward to any 250566
subsequent year for use by that taxpayer. In no event shall the 250567
cumulative deductions for all taxable years with respect to a 250568
taxpayer's net operating loss exceed the original amount of that 250569
net operating loss available to that taxpayer. 250570

(2) In the case of nonresidents, all income, salaries, 250571
qualifying wages, commissions, and other compensation from 250572
whatever source earned or received by the nonresident for work 250573
done, services performed or rendered, or activities conducted in 250574
the municipal corporation, including any net profit of the 250575
nonresident, but excluding the nonresident's distributive share of 250576

the net profit or loss of only pass-through entities owned	250577
directly or indirectly by the nonresident.	250578
(3) For taxpayers that are not individuals, net profit of the taxpayer;	250579 250580

(b) A municipal corporation that taxed any type of intangible income on March 29, 1988, pursuant to Section 3 of S.B. 238 of the 116th general assembly, may continue to tax that type of income if a majority of the electors of the municipal corporation voting on the question of whether to permit the taxation of that type of intangible income after 1988 voted in favor thereof at an election held on November 8, 1988.	250593 250594 250595 250596 250597 250598 250599

Revised Code to a person serving as a precinct election official 250616
to the extent that such compensation does not exceed one thousand 250617
dollars for the taxable year. Such compensation in excess of one 250618
thousand dollars for the taxable year may be subject to taxation 250619
by a municipal corporation. A municipal corporation shall not 250620
require the payer of such compensation to withhold any tax from 250621
that compensation. 250622

(6) Dues, contributions, and similar payments received by 250623
charitable, religious, educational, or literary organizations or 250624

(c) If, on December 6, 2002, a municipal corporation was 250668

(18) Compensation paid to a person for personal services 250754

(21) Income the taxation of which is prohibited by the 250786
constitution or laws of the United States. 250787

Any item of income that is exempt income of a pass-through 250788

~~state~~ chief the cost thereof. 251761

All money collected as a result of forfeitures of bonds, 251762

contributions received pursuant to section 4503.574 of the Revised 251797
Code; or for forest management projects associated with federal 251798
lands in the case of revenues received pursuant to agreements 251799
entered into under section 1503.271 of the Revised Code. 251800

(E) All money received from the sale of standing timber taken 251801
from state forest lands and state forest nurseries shall be 251802
deposited into the state treasury to the credit of the forestry 251803
holding account redistribution fund, which is hereby created. The 251804
money shall remain in the fund until they are redistributed in 251805
accordance with this division. 251806

The redistribution shall occur at least once each year. To 251807
begin the redistribution, the chief first shall determine the 251808
amount of all standing timber sold from state forest lands and 251809
state forest nurseries, together with the amount of the total sale 251810
proceeds, in each county, in each township within the county, and 251811
in each school district within the county. The chief next shall 251812
determine the amount of the direct costs that the division of 251813
forestry incurred in association with the sale of that standing 251814
timber. The amount of the direct costs shall be subtracted from 251815
the amount of the total sale proceeds and shall be transferred 251816
from the forestry holding account redistribution fund to the state 251817
forest fund. 251818

The remaining amount of the total sale proceeds equals the 251819

net value of the standing timber that was sold. The chief shall 251820
determine the net value of standing timber sold from state forest 251821
lands and state forest nurseries in each county, in each township 251822
within the county, and in each school district within the county 251823
and shall send to each county treasurer a copy of the 251824
determination at the time that money is paid to the county 251825
treasurer under this division. 251826

Thirty-five per cent of the net value of standing timber sold 251827
from state forest lands and state forest nurseries located in a 251828
county shall be transferred from the forestry holding account 251829
redistribution fund to the state forest fund. The remaining 251830
sixty-five per cent of the net value shall be transferred from the 251831
forestry holding account redistribution fund and paid to the 251832
county treasurer for the use of the general fund of that county. 251833

The county auditor shall do all of the following: 251834

(1) Retain for the use of the general fund of the county 251835
one-fourth of the amount received by the county under division (E) 251836
of this section; 251837

(2) Pay into the general fund of any township located within 251838
the county and containing such lands and nurseries one-fourth of 251839
the amount received by the county from standing timber sold from 251840
lands and nurseries located in the township; 251841

(3) Request the board of education of any school district 251842
located within the county and containing such lands and nurseries 251843
to identify which fund or funds of the district should receive the 251844
money available to the school district under division (E)(3) of 251845
this section. After receiving notice from the board, the county 251846
auditor shall pay into the fund or funds so identified one-half of 251847
the amount received by the county from standing timber sold from 251848
lands and nurseries located in the school district, distributed 251849
proportionately as identified by the board. 251850

The division of forestry shall not supply logs, lumber, or other forest products or minerals, taken from the state forest lands or state forest nurseries, to any other agency or subdivision of the state unless payment is made therefor in the amount of the actual prevailing value thereof. This section is applicable to the money so received.

(F) The chief may enter into a personal service contract for consulting services to assist the chief with the sale of timber or other forest products and related inventory. Compensation for consulting services shall be paid from the proceeds of the sale of timber or other forest products and related inventory that are the subject of the personal service contract.

the requirements established under section 2744.081 of the Revised 251883
Code. Nothing in division (A)(1)(b) of this section shall be 251884
construed to allow an entity, other than a county or township, to 251885
participate in a joint self-insurance pool to satisfy the 251886
liability coverage requirements specified in division (A)(1)(a) of 251887
this section. 251888

(2) An owner of a horizontal well shall obtain liability 251889
insurance coverage from an insurer authorized to write such 251890
insurance in this state or from an insurer approved to write such 251891
insurance in this state under section 3905.33 of the Revised Code 251892
in an amount of not less than five million dollars bodily injury 251893
coverage and property damage coverage to pay damages for injury to 251894
persons or damage to property caused by the production operations 251895
of all the owner's wells in this state. The insurance policy shall 251896
include a reasonable level of coverage available for an 251897
environmental endorsement. 251898

(3) An owner shall maintain the coverage required under 251899
division (A)(1) or (2) of this section until all the owner's wells 251900
are plugged and abandoned or are transferred to an owner who has 251901
obtained insurance as required under this section and who is not 251902
under a notice of material and substantial violation or under a 251903
suspension order. The owner shall provide proof of liability 251904
insurance coverage to the chief of the division of oil and gas 251905
resources management upon request. Upon failure of the owner to 251906
provide that proof when requested, the chief may order the 251907
suspension of any outstanding permits and operations of the owner 251908
until the owner provides proof of the required insurance coverage. 251909

(B)(1) Except as otherwise provided in this section, an owner 251910
of any well, before being issued a permit under section 1509.06 of 251911
the Revised Code or before operating or producing from a well, 251912
shall execute and file with the division of oil and gas resources 251913

1509.13 of the Revised Code, and all rules and orders of the chief 251917
relating thereto, in an amount set by rule of the chief. 251918

(2) The owner may deposit with the chief, instead of a surety 251919
bond, cash in an amount equal to the surety bond as prescribed 251920
pursuant to this section or negotiable certificates of deposit or 251921
irrevocable letters of credit, issued by any bank organized or 251922
transacting business in this state, having a cash value equal to 251923
or greater than the amount of the surety bond as prescribed 251924
pursuant to this section. Cash or certificates of deposit shall be 251925
deposited upon the same terms as those upon which surety bonds may 251926
be deposited. If the owner deposits cash, the cash shall be 251927
credited to the performance cash bond refunds fund created in 251928
section 1501.04 of the Revised Code. If the owner deposits 251929

by ~~any of the agencies and instrumentalities created under the~~ 251934
~~"Federal Deposit Insurance Act," 64 Stat. 873 (1950), 12 U.S.C.~~ 251935

trust for the purposes for which they have been deposited. 251942

(3) Instead of a surety bond, the chief may accept proof of 251943
financial responsibility consisting of a sworn financial statement 251944
showing a net financial worth within this state equal to twice the 251945

amount of the bond for which it substitutes and, as may be 251946

that may be required by rule of the chief. The owner of an exempt 251950
Mississippian well is not required to file scheduled updates of 251951
the financial documents, but shall file updates of those documents 251952
if requested to do so by the chief. The owner of a nonexempt 251953

execute and file a bond or deposit cash, certificates of deposit, 251959
or irrevocable letters of credit as required by this section for 251960
the wells specified in the order within ten days of receipt of the 251961
order. If the order is not complied with, all wells of the owner 251962
that are specified in the order and for which no bond is filed or 251963
cash, certificates of deposit, or letters of credit are deposited 251964
shall be plugged. No owner shall fail or refuse to plug such a 251965
well. Each day on which such a well remains unplugged thereafter 251966
constitutes a separate offense. 251967

(4) The surety bond provided for in this section shall be 251968
executed by a surety company authorized to do business in this 251969
state. 251970

The chief shall not approve any bond until it is personally 251971
signed and acknowledged by both principal and surety, or as to 251972
either by the principal's or surety's attorney in fact, with a 251973
certified copy of the power of attorney attached thereto. The 251974
chief shall not approve a bond unless there is attached a 251975
certificate of the superintendent of insurance that the company is 251976
authorized to transact a fidelity and surety business in this 251977

state. 251978

All bonds shall be given in a form to be prescribed by the 251979
chief and shall run to the state as obligee. 251980

(5) An owner of an exempt Mississippian well or an exempt 251981

letters of credit, or a sworn financial statement, may file a 251984
one-time fee of fifty dollars, which shall be deposited in the oil 251985
and gas well plugging fund created in section 1509.071 of the 251986
Revised Code. 251987

(C) An owner, operator, producer, or other person shall not 251988
operate a well or produce from a well at any time if the owner, 251989
operator, producer, or other person has not satisfied the 251990
requirements established in this section. 251991

Sec. 1509.225. (A) Before being issued a registration 251992
certificate under section 1509.222 of the Revised Code, an 251993
applicant shall execute and file with the division of oil and gas 251994
resources management a surety bond for fifteen thousand dollars to 251995

transporters' violations of sections 1509.22, 1509.222, and 251997
1509.223 of the Revised Code, all rules and orders of the chief of 251998
the division of oil and gas resources management relating thereto, 251999
and all terms and conditions of the registration certificate 252000
imposed thereunder. The applicant may deposit with the chief, in 252001
lieu of a surety bond, cash in an amount equal to the surety bond 252002
as prescribed in this section, or negotiable certificates of 252003
deposit issued by any bank organized or transacting business in 252004
this state having a cash value equal to or greater than the amount 252005
of the surety bond as prescribed in this section. Cash or 252006
certificates of deposit shall be deposited upon the same terms as 252007
those upon which surety bonds may be deposited, and the chief 252008

shall hold them in trust for the purposes for which they have been 252009
deposited. If the applicant deposits cash, the cash shall be 252010
