(C) Rank all such districts in order of adjusted valuation per pupil from the district with the lowest three-year average adjusted valuation per pupil to the district with the highest three-year average adjusted valuation per pupil;

(D) Divide such ranking into percentiles with the first percentile containing the one per cent of school districts having the lowest three-year average adjusted valuations per pupil and the one-hundredth percentile containing the one per cent of school districts having the highest three-year average adjusted valuations per pupil;

(E) Determine the school districts that have three-year average adjusted valuations per pupil that are greater than the median three-year average adjusted valuation per pupil for all school districts in the state;

(F) On or before the first day of September, certify the information described in divisions (A) to (E) of this section to the Ohio facilities construction commission.

**Sec. 3318.033.** (A) As used in this section:

(1) "Formula ADM" has the same meaning as in section 3317.02 of the Revised Code.

(2) "Open enrollment net gain" has the same meaning as in section 3318.011 of the Revised Code.

(B) This section applies to each school district that meets the following criteria:

(1) The Ohio facilities construction commission certified its conditional approval of the district's project under sections 3318.01 to 3318.20 of the Revised Code after July 1, 2006, and

prior to September 29, 2007, and the project had not been 233194  
completed as of September 29, 2007. 233195

(2) Within one year after the date of the commission's 233196  
certification of its conditional approval, the district's electors 233197  
approved a bond issue to pay the district's portion of the basic 233198  
project cost or the district board of education complied with 233199  
section 3318.052 of the Revised Code. 233200

(3) In the fiscal year prior to the fiscal year in which the 233201  
district's project was conditionally approved, the district had an 233202  
open enrollment net gain that was ten per cent or more of its 233203  
formula ADM. 233204

(C) For each school district to which this section applies, 233205  
the department of education and workforce shall recalculate the 233206  
district's percentile ranking under section 3318.011 of the 233207  
Revised Code for the fiscal year prior to the fiscal year in which 233208  
the district's project was conditionally approved and shall report 233209  
the recalculated percentile ranking to the commission. For this 233210  
purpose, the department shall recalculate every school district's 233211  
percentile ranking for that fiscal year using the district's 233212  
"valuation per pupil" as that term is defined in section 3318.011 233213  
of the Revised Code on and after September 29, 2007. 233214

(D) For each school district to which this section applies, 233215  
the commission shall use the recalculated percentile ranking 233216  
reported under division (C) of this section to determine the 233217  
district's portion of the basic project cost under section 233218  
3318.032 of the Revised Code. The commission shall not use the 233219  
recalculated percentile ranking for any other purpose, and the 233220  
recalculated ranking shall not affect any other district's portion 233221  
of the basic project cost under section 3318.032 of the Revised 233222  
Code or any district's eligibility for assistance under sections 233223  
3318.01 to 3318.20 of the Revised Code. The commission shall 233224  
revise the agreement entered into under section 3318.08 of the 233225

Revised Code to reflect the district's new portion of the basic 233226  
project cost as determined under this division. 233227

**Sec. 3318.051.** (A) Any city, exempted village, or local 233228  
school district that commences a project under sections 3318.01 to 233229  
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 233230  
after September 5, 2006, need not levy the tax otherwise required 233231  
under division (B) of section 3318.05 of the Revised Code, if the 233232  
district board of education adopts a resolution petitioning the 233233  
Ohio facilities construction commission to approve the transfer of 233234  
money in accordance with this section and the commission approves 233235  
that transfer. If so approved, the commission and the district 233236  
board shall enter into an agreement under which the board, in each 233237  
of twenty-three consecutive years beginning in the year in which 233238  
the board and the commission enter into the project agreement 233239  
under section 3318.08 of the Revised Code, shall transfer into the 233240  
maintenance fund required by division (D) of section 3318.05 of 233241  
the Revised Code not less than an amount equal to one-half mill 233242  
for each dollar of the district's valuation unless and until the 233243  
agreement to make those transfers is rescinded by the district 233244  
board pursuant to division (F) of this section. 233245

(B) On the first day of July each year, or on an alternative 233246  
date prescribed by the commission, the district treasurer shall 233247  
certify to the commission and the auditor of state that the amount 233248  
required for the year has been transferred. The auditor of state 233249  
shall include verification of the transfer as part of any audit of 233250  
the district under section 117.11 of the Revised Code. If the 233251  
auditor of state finds that less than the required amount has been 233252  
deposited into a district's maintenance fund, the auditor of state 233253  
shall notify the district board of education in writing of that 233254  
fact and require the board to deposit into the fund, within ninety 233255  
days after the date of the notice, the amount by which the fund is 233256  
deficient for the year. If the district board fails to demonstrate 233257

to the auditor of state's satisfaction that the board has made the 233258  
deposit required in the notice, the auditor of state shall notify 233259  
the department of education and workforce. At that time, the 233260  
department shall withhold an amount equal to ten per cent of the 233261  
district's funds calculated for the current fiscal year under 233262  
Chapter 3317. of the Revised Code until the auditor of state 233263  
notifies the department that the auditor of state is satisfied 233264  
that the board has made the required transfer. 233265

(C) Money transferred to the maintenance fund shall be used 233266  
for the maintenance or, upon approval of the Ohio facilities 233267  
construction commission, upgrade of the facilities acquired under 233268  
the district's project. 233269

(D) The transfers to the maintenance fund under this section 233270  
does not affect a district's obligation to establish and maintain 233271  
a capital and maintenance fund under section 3315.18 of the 233272  
Revised Code. 233273

(E) Any decision by the commission to approve or not approve 233274  
the transfer of money under this section is final and not subject 233275  
to appeal. The commission shall not be responsible for errors or 233276  
miscalculations made in deciding whether to approve a petition to 233277  
make transfers under this section. 233278

(F) If the district board determines that it no longer can 233279  
continue making the transfers agreed to under this section, the 233280  
board may rescind the agreement only so long as the electors of 233281  
the district have approved, in accordance with section 3318.063 of 233282  
the Revised Code, the levy of a tax for the maintenance of the 233283  
classroom facilities acquired under the district's project and 233284  
that levy continues to be collected as approved by the electors. 233285  
That levy shall be for a number of years that is equal to the 233286  
difference between twenty-three years and the number of years that 233287  
the district made transfers under this section and shall be at the 233288  
rate of not less than one-half mill for each dollar of the 233289

district's valuation. The district board shall continue to make 233290  
the transfers agreed to under this section until that levy has 233291  
been approved by the electors. 233292

**Sec. 3318.08.** Except in the case of a joint vocational school 233293  
district that receives assistance under sections 3318.40 to 233294  
3318.45 of the Revised Code, if the requisite favorable vote on 233295  
the election is obtained, or if the school district board has 233296  
resolved to apply the proceeds of a property tax levy or the 233297  
proceeds of an income tax, or a combination of proceeds from such 233298  
taxes, as authorized in section 3318.052 of the Revised Code, the 233299  
Ohio facilities construction commission, upon certification to it 233300  
of either the results of the election or the resolution under 233301  
section 3318.052 of the Revised Code, shall enter into a written 233302  
agreement with the school district board for the construction and 233303  
sale of the project. In the case of a joint vocational school 233304  
district that receives assistance under sections 3318.40 to 233305  
3318.45 of the Revised Code, if the school district board of 233306  
education and the school district electors have satisfied the 233307  
conditions prescribed in division (D)(1) of section 3318.41 of the 233308  
Revised Code, the commission shall enter into an agreement with 233309  
the school district board for the construction and sale of the 233310  
project. In either case, the agreement shall include, but need not 233311  
be limited to, the following provisions: 233312

(A) The sale and issuance of bonds or notes in anticipation 233313  
thereof, as soon as practicable after the execution of the 233314  
agreement, in an amount equal to the school district's portion of 233315  
the basic project cost, including any securities authorized under 233316  
division (J) of section 133.06 of the Revised Code and dedicated 233317  
by the school district board to payment of the district's portion 233318  
of the basic project cost of the project; provided, that if at 233319  
that time the county treasurer of each county in which the school 233320  
district is located has not commenced the collection of taxes on 233321

the general duplicate of real and public utility property for the 233322  
year in which the controlling board approved the project, the 233323  
school district board shall authorize the issuance of a first 233324  
installment of bond anticipation notes in an amount specified by 233325  
the agreement, which amount shall not exceed an amount necessary 233326  
to raise the net bonded indebtedness of the school district as of 233327  
the date of the controlling board's approval to within five 233328  
thousand dollars of the required level of indebtedness for the 233329  
preceding year. In the event that a first installment of bond 233330  
anticipation notes is issued, the school district board shall, as 233331  
soon as practicable after the county treasurer of each county in 233332  
which the school district is located has commenced the collection 233333  
of taxes on the general duplicate of real and public utility 233334  
property for the year in which the controlling board approved the 233335  
project, authorize the issuance of a second and final installment 233336  
of bond anticipation notes or a first and final issue of bonds. 233337

The combined value of the first and second installment of 233338  
bond anticipation notes or the value of the first and final issue 233339  
of bonds shall be equal to the school district's portion of the 233340  
basic project cost. The proceeds of any such bonds shall be used 233341  
first to retire any bond anticipation notes. Otherwise, the 233342  
proceeds of such bonds and of any bond anticipation notes, except 233343  
the premium and accrued interest thereon, shall be deposited in 233344  
the school district's project construction fund. In determining 233345  
the amount of net bonded indebtedness for the purpose of fixing 233346  
the amount of an issue of either bonds or bond anticipation notes, 233347  
gross indebtedness shall be reduced by moneys in the bond 233348  
retirement fund only to the extent of the moneys therein on the 233349  
first day of the year preceding the year in which the controlling 233350  
board approved the project. Should there be a decrease in the tax 233351  
valuation of the school district so that the amount of 233352  
indebtedness that can be incurred on the tax duplicates for the 233353  
year in which the controlling board approved the project is less 233354

than the amount of the first installment of bond anticipation 233355  
notes, there shall be paid from the school district's project 233356  
construction fund to the school district's bond retirement fund to 233357  
be applied against such notes an amount sufficient to cause the 233358  
net bonded indebtedness of the school district, as of the first 233359  
day of the year following the year in which the controlling board 233360  
approved the project, to be within five thousand dollars of the 233361  
required level of indebtedness for the year in which the 233362  
controlling board approved the project. The maximum amount of 233363  
indebtedness to be incurred by any school district board as its 233364  
share of the cost of the project is either an amount that will 233365  
cause its net bonded indebtedness, as of the first day of the year 233366  
following the year in which the controlling board approved the 233367  
project, to be within five thousand dollars of the required level 233368  
of indebtedness, or an amount equal to the required percentage of 233369  
the basic project costs, whichever is greater. All bonds and bond 233370  
anticipation notes shall be issued in accordance with Chapter 133. 233371  
of the Revised Code, and notes may be renewed as provided in 233372  
section 133.22 of the Revised Code. 233373

(B) The transfer of such funds of the school district board 233374  
available for the project, together with the proceeds of the sale 233375  
of the bonds or notes, except premium, accrued interest, and 233376  
interest included in the amount of the issue, to the school 233377  
district's project construction fund; 233378

(C) For all school districts except joint vocational school 233379  
districts that receive assistance under sections 3318.40 to 233380  
3318.45 of the Revised Code, the following provisions as 233381  
applicable: 233382

(1) If section 3318.052 of the Revised Code applies, the 233383  
earmarking of the proceeds of a tax levied under section 5705.21 233384  
of the Revised Code for general permanent improvements or under 233385  
section 5705.218 of the Revised Code for the purpose of permanent 233386

improvements, or the proceeds of a school district income tax 233387  
levied under Chapter 5748. of the Revised Code, or the proceeds 233388  
from a combination of those two taxes, in an amount to pay all or 233389  
part of the service charges on bonds issued to pay the school 233390  
district portion of the project and an amount equivalent to all or 233391  
part of the tax required under division (B) of section 3318.05 of 233392  
the Revised Code; 233393

(2) If section 3318.052 of the Revised Code does not apply, 233394  
one of the following: 233395

(a) The levy of the tax authorized at the election for the 233396  
payment of maintenance costs, as specified in division (B) of 233397  
section 3318.05 of the Revised Code; 233398

(b) If the school district electors have approved a 233399  
continuing tax for general permanent improvements under section 233400  
5705.21 of the Revised Code and that tax can be used for 233401  
maintenance, the earmarking of an amount of the proceeds from such 233402  
tax for maintenance of classroom facilities as specified in 233403  
division (B) of section 3318.05 of the Revised Code; 233404

(c) If, in lieu of the tax otherwise required under division 233405  
(B) of section 3318.05 of the Revised Code, the commission has 233406  
approved the transfer of money to the maintenance fund in 233407  
accordance with section 3318.051 of the Revised Code, a 233408  
requirement that the district board comply with the provisions of 233409  
that section. The district board may rescind the provision 233410  
prescribed under division (C)(2)(c) of this section only so long 233411  
as the electors of the district have approved, in accordance with 233412  
section 3318.063 of the Revised Code, the levy of a tax for the 233413  
maintenance of the classroom facilities acquired under the 233414  
district's project and that levy continues to be collected as 233415  
approved by the electors. 233416

(D) For joint vocational school districts that receive 233417

assistance under sections 3318.40 to 3318.45 of the Revised Code, 233418  
provision for deposit of school district moneys dedicated to 233419  
maintenance of the classroom facilities acquired under those 233420  
sections as prescribed in section 3318.43 of the Revised Code; 233421

(E) Dedication of any local donated contribution as provided 233422  
for under section 3318.084 of the Revised Code, including a 233423  
schedule for depositing such moneys applied as an offset of the 233424  
district's obligation to levy the tax described in division (B) of 233425  
section 3318.05 of the Revised Code as required under division 233426  
(D)(2) of section 3318.084 of the Revised Code; 233427

(F) Ownership of or interest in the project during the period 233428  
of construction, which shall be divided between the commission and 233429  
the school district board in proportion to their respective 233430  
contributions to the school district's project construction fund; 233431

(G) Maintenance of the state's interest in the project until 233432  
any obligations issued for the project under section 3318.26 of 233433  
the Revised Code are no longer outstanding; 233434

(H) The insurance of the project by the school district from 233435  
the time there is an insurable interest therein and so long as the 233436  
state retains any ownership or interest in the project pursuant to 233437  
division (F) of this section, in such amounts and against such 233438  
risks as the commission shall require; provided, that the cost of 233439  
any required insurance until the project is completed shall be a 233440  
part of the basic project cost; 233441

(I) The certification by the director of budget and 233442  
management that funds are available and have been set aside to 233443  
meet the state's share of the basic project cost as approved by 233444  
the controlling board pursuant to either section 3318.04 or 233445  
division (B)(1) of section 3318.41 of the Revised Code; 233446

(J) Authorization of the school district board to advertise 233447  
for and receive construction bids for the project, for and on 233448

behalf of the commission, and to award contracts in the name of 233449  
the state subject to approval by the commission; 233450

(K) Provisions for the disbursement of moneys from the school 233451  
district's project account upon issuance by the commission or the 233452  
commission's designated representative of vouchers for work done 233453  
to be certified to the commission by the treasurer of the school 233454  
district board; 233455

(L) Disposal of any balance left in the school district's 233456  
project construction fund upon completion of the project; 233457

(M) Limitations upon use of the project or any part of it so 233458  
long as any obligations issued to finance the project under 233459  
section 3318.26 of the Revised Code are outstanding; 233460

(N) Provision for vesting the state's interest in the project 233461  
to the school district board when the obligations issued to 233462  
finance the project under section 3318.26 of the Revised Code are 233463  
outstanding; 233464

(O) Provision for deposit of an executed copy of the 233465  
agreement in the office of the commission; 233466

(P) Provision for termination of the contract and release of 233467  
the funds encumbered at the time of the conditional approval, if 233468  
the proceeds of the sale of the bonds of the school district board 233469  
are not paid into the school district's project construction fund 233470  
and if bids for the construction of the project have not been 233471  
taken within such period after the execution of the agreement as 233472  
may be fixed by the commission; 233473

(Q) A provision that requires the school district to adhere 233474  
to a facilities maintenance plan approved by the commission; 233475

(R) Provision that all state funds reserved and encumbered to 233476  
pay the state share of the cost of the project and the funds 233477  
provided by the school district to pay for its share of the 233478

project cost, including the respective shares of the cost of a 233479  
segment if the project is divided into segments, be spent on the 233480  
construction and acquisition of the project or segment 233481  
simultaneously in proportion to the state's and the school 233482  
district's respective shares of that basic project cost as 233483  
determined under section 3318.032 of the Revised Code or, if the 233484  
district is a joint vocational school district, under section 233485  
3318.42 of the Revised Code. However, if the school district 233486  
certifies to the commission that expenditure by the school 233487  
district is necessary to maintain the federal tax status or 233488  
tax-exempt status of notes or bonds issued by the school district 233489  
to pay for its share of the project cost or to comply with 233490  
applicable temporary investment periods or spending exceptions to 233491  
rebate as provided for under federal law in regard to those notes 233492  
or bonds, the school district may commit to spend, or spend, a 233493  
greater portion of the funds it provides during any specific 233494  
period than would otherwise be required under this division. 233495

(S) A provision stipulating that the commission may prohibit 233496  
the district from proceeding with any project if the commission 233497  
determines that the site is not suitable for construction 233498  
purposes. The commission may perform soil tests in its 233499  
determination of whether a site is appropriate for construction 233500  
purposes. 233501

(T) A provision stipulating that, unless otherwise authorized 233502  
by the commission, any contingency reserve portion of the 233503  
construction budget prescribed by the commission shall be used 233504  
only to pay costs resulting from unforeseen job conditions, to 233505  
comply with rulings regarding building and other codes, to pay 233506  
costs related to design clarifications or corrections to contract 233507  
documents, and to pay the costs of settlements or judgments 233508  
related to the project as provided under section 3318.086 of the 233509  
Revised Code; 233510

(U) A provision stipulating that for continued release of project funds the school district board shall comply with sections 3313.41, 3313.411, and 3313.413 of the Revised Code throughout the project and shall notify the department of education and workforce and the Ohio community school association when the board plans to dispose of facilities by sale under that section;

(V) A provision stipulating that the commission shall not approve a contract for demolition of a facility until the school district board has complied with sections 3313.41, 3313.411, and 3313.413 of the Revised Code relative to that facility, unless demolition of that facility is to clear a site for construction of a replacement facility included in the district's project.

**Sec. 3318.084.** (A) Notwithstanding anything to the contrary in Chapter 3318. of the Revised Code, a school district board may apply any local donated contribution toward any of the following:

(1) The district's portion of the basic project cost of a project under either sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the Revised Code to reduce the amount of bonds the district otherwise must issue in order to receive state assistance under those sections;

(2) If the school district is not a joint vocational school district proceeding under sections 3318.40 to 3318.45 of the Revised Code, an offset of all or part of a district's obligation to levy the tax described in division (B) of section 3318.05 of the Revised Code, which shall be applied only in the manner prescribed in division (B) of this section;

(3) If the school district is a joint vocational school district proceeding under sections 3318.40 to 3318.45 of the Revised Code, all or part of the amount the school district is obligated to set aside for maintenance of the classroom facilities acquired under that project pursuant to section 3318.43 of the

Revised Code. 233542

(B) No school district board shall apply any local donated 233543  
contribution under division (A)(2) of this section unless the Ohio 233544  
facilities construction commission first approves that 233545  
application. 233546

Upon the request of the school district board to apply local 233547  
donated contribution under division (A)(2) of this section, the 233548  
commission in consultation with the department of taxation shall 233549  
determine the amount of total revenue that likely would be 233550  
generated by one-half mill of the tax described in division (B) of 233551  
section 3318.05 of the Revised Code over the entire 233552  
twenty-three-year period required under that section and shall 233553  
deduct from that amount any amount of local donated contribution 233554  
that the board has committed to apply under division (A)(2) of 233555  
this section. The commission then shall determine in consultation 233556  
with the department of taxation the rate of tax over twenty-three 233557  
years necessary to generate the amount of a one-half mill tax not 233558  
offset by the local donated contribution. Notwithstanding anything 233559  
to the contrary in section 3318.06, 3318.061, or 3318.361 of the 233560  
Revised Code, the rate determined by the commission shall be the 233561  
rate for which the district board shall seek elector approval 233562  
under those sections to meet its obligation under division (B) of 233563  
section 3318.05 of the Revised Code. In the case of a complete 233564  
offset of the district's obligation under division (B) of section 233565  
3318.05 of the Revised Code, the district shall not be required to 233566  
levy the tax otherwise required under that section. At the end of 233567  
the twenty-three-year period of the tax required under division 233568  
(B) of section 3318.05 of the Revised Code, whether or not the tax 233569  
is actually levied, the commission in consultation of the 233570  
department of taxation shall recalculate the amount that would 233571  
have been generated by the tax if it had been levied at one-half 233572  
mill. If the total amount actually generated over that period from 233573

both the tax that was actually levied and any local donated 233574  
contribution applied under division (A)(2) of this section is less 233575  
than the amount that would have been raised by a one-half mill 233576  
tax, the district shall pay any difference. If the total amount 233577  
actually raised in such manner is greater than the amount that 233578  
would have been raised by a one-half mill tax the difference shall 233579  
be zero and no payments shall be made by either the district or 233580  
the commission. 233581

(C) As used in this section, "local donated contribution" 233582  
means any of the following: 233583

(1) Any moneys irrevocably donated or granted to a school 233584  
district board by a source other than the state which the board 233585  
has the authority to apply to the school district's project under 233586  
sections 3318.01 to 3318.20 of the Revised Code and which the 233587  
board has pledged for that purpose by resolution adopted by a 233588  
majority of its members; 233589

(2) Any irrevocable letter of credit issued on behalf of a 233590  
school district which the school district board has encumbered for 233591  
payment of the school district's share of its project under 233592  
sections 3318.01 to 3318.20 of the Revised Code that has been 233593  
approved by the commission in consultation with the department of 233594  
education and workforce; 233595

(3) Any cash a school district has on hand that the school 233596  
district board has encumbered for payment of the school district's 233597  
share of its project under sections 3318.01 to 3318.20 of the 233598  
Revised Code that has been approved by the commission in 233599  
consultation with the department ~~of education~~, including the 233600  
following: 233601

(a) Any year-end operating fund balances that can be spent 233602  
for classroom facilities; 233603

(b) Any cash resulting from a lease-purchase agreement that 233604

the school district board has entered into under section 3313.375 233605  
of the Revised Code, provided that the agreement and the related 233606  
financing documents contain provisions protecting the state's 233607  
superior interest in the project. 233608

(4) Any moneys spent by a source other than the school 233609  
district or the state for construction or renovation of specific 233610  
classroom facilities that have been approved by the commission as 233611  
part of the basic project cost of the district's project. The 233612  
school district, the commission, and the entity providing the 233613  
local donated contribution under division (C)(4) of this section 233614  
shall enter into an agreement identifying the classroom facilities 233615  
to be acquired by the expenditures made by that entity. The 233616  
agreement shall include, but not be limited to, stipulations that 233617  
require an audit by the commission of such expenditures made on 233618  
behalf of the district and that specify the maximum amount of 233619  
credit to be allowed for those expenditures. Upon completion of 233620  
the construction or renovation, the commission shall determine the 233621  
actual amount that the commission will credit, at the request of 233622  
the district board, toward the district's portion of the basic 233623  
project cost, any project cost overruns, or the basic project cost 233624  
of future segments if the project has been divided into segments 233625  
under section 3318.38 of the Revised Code. The actual amount of 233626  
the credit shall not exceed the lesser of the amount specified in 233627  
the agreement or the actual cost of the construction or 233628  
renovation. 233629

(D) No state moneys shall be released for a project to which 233630  
this section applies until: 233631

(1) Any local donated contribution authorized under division 233632  
(A)(1) of this section is first deposited into the school 233633  
district's project construction fund. 233634

(2) The school district board and the commission have 233635  
included a stipulation in their agreement entered into under 233636

section 3318.08 of the Revised Code under which the board will 233637  
deposit into a fund approved by the commission according to a 233638  
schedule that does not extend beyond the anticipated completion 233639  
date of the project the total amount of any local donated 233640  
contribution authorized under division (A)(2) or (3) of this 233641  
section and dedicated by the board for that purpose. 233642

However, if any local donated contribution as described in 233643  
division (C)(4) of this section has been approved under this 233644  
section, the state moneys may be released even if the entity 233645  
providing that local donated contribution has not spent the moneys 233646  
so dedicated as long as the agreement required under that section 233647  
has been executed. 233648

**Sec. 3318.18.** (A) As used in this section: 233649

(1) "Valuation" of a school district means the sum of the 233650  
amounts described in divisions (A)(1) and (2) of section 3317.021 233651  
of the Revised Code as most recently certified for the district 233652  
before the annual computation is made under division (B) of this 233653  
section. 233654

(2) "Valuation per pupil" of a school district means the 233655  
district's valuation divided by the district's formula ADM as most 233656  
recently calculated under section 3317.03 of the Revised Code 233657  
before the annual computation is made under division (B) of this 233658  
section. 233659

(3) "Statewide average valuation per pupil" means the total 233660  
of the valuations of all school districts divided by the total of 233661  
the formula ADMs of all school districts as most recently 233662  
calculated under section 3317.03 of the Revised Code before the 233663  
annual computation is made under division (C) of this section. 233664

(4) "Maintenance levy requirement" means the tax required to 233665  
be levied pursuant to division (C)(2)(a) of section 3318.08 and 233666

division (B) of section 3318.05 of the Revised Code or the application of proceeds of another levy to paying the costs of maintaining classroom facilities pursuant to division (A)(2) of section 3318.052, division (C)(1) or (C)(2)(b) of section 3318.08, or division (D)(2) of section 3318.36 of the Revised Code, or a combination thereof.

(5) "Project agreement" means an agreement between a school district and the Ohio facilities construction commission under section 3318.08 or division (B)(1) of section 3318.36 of the Revised Code.

~~(B) On or before July 1, 2006, the department of education shall compute the statewide average valuation per pupil and the valuation per pupil of each school district, and provide them to the Ohio facilities construction commission.~~ On or before the first day of July each year beginning in 2007, the department of education and workforce shall compute the statewide average valuation per pupil and the valuation per pupil of each school district that has not already entered into a project agreement, and provide the results of those computations to the commission.

(C)(1) At the time the Ohio facilities construction commission enters into a project agreement with a school district, the commission shall compute the difference between the district's valuation per pupil and the statewide average valuation per pupil as most recently provided to the commission under division (B) of this section. If the school district's valuation per pupil is less than the average statewide valuation per pupil, the commission shall multiply the difference between those amounts by one-half mill times the formula ADM of the district as most recently reported to the department ~~of education~~ for October under division (A) of section 3317.03 of the Revised Code. The commission shall certify the resulting product to the department ~~of education~~, along with the date on which the maintenance levy requirement

terminates as provided in the project agreement between the school district board and the commission. 233699  
233700

(2) In the case of a school district that entered into a project agreement after July 1, 1997, but before July 1, 2006, the commission shall make the computation described in division (C)(1) of this section on the basis of the district's valuation per pupil and the statewide average valuation per pupil computed as of September 1, 2006, and the district's formula ADM reported for October 2005. 233701  
233702  
233703

233705  
233706  
233707

(3) The amount computed for a school district under division (C)(1) or (2) of this section shall not change for the period during which payments are made to the district under division (D) of this section. 233708  
233709  
233710  
233711

(4) A computation need not be made under division (C)(1) or (2) of this section for a school district that certified a resolution to the commission under division (D)(3) of section 3318.36 of the Revised Code until the district becomes eligible for state assistance as provided in that division. 233712  
233713  
233714  
233715  
233716

(D) In the fourth quarter of each fiscal year, for each school district for which a computation has been made under division (C) of this section, the department ~~of education~~ shall pay the amount computed to each such school district. Payments shall be made to a school district each year until and including the tax year in which the district's maintenance levy requirement terminates. Payments shall be paid from the half-mill equalization fund, subject to appropriation by the general assembly. However, the department shall make no payments under this section to any district that elects the procedure authorized by section 3318.051 of the Revised Code. 233717  
233718  
233719  
233720  
233721  
233722  
233723  
233724  
233725  
233726  
233727

(E) Payments made to a school district under this section shall be credited to the district's classroom facilities 233728  
233729

maintenance fund and shall be used only for the purpose of 233730  
maintaining facilities constructed or renovated under the project 233731  
agreement. 233732

(F) There is hereby created in the state treasury the 233733  
half-mill equalization fund. The fund shall receive transfers 233734  
pursuant to section 5727.85 of the Revised Code. The fund shall be 233735  
used first to make annual payments under division (D) of this 233736  
section. If a balance remains in the fund after such payments are 233737  
made in full for a year, the Ohio facilities construction 233738  
commission may request the controlling board to transfer a 233739  
reasonable amount from such remaining balance to the public school 233740  
building fund created under section 3318.15 of the Revised Code 233741  
for the purposes of this chapter. 233742

All investment earnings arising from investment of money in 233743  
the half-mill equalization fund shall be credited to the fund. 233744

**Sec. 3318.363.** (A) This section applies beginning in fiscal 233745  
year 2003 and only to a school district participating in the 233746  
school building assistance expedited local partnership program 233747  
under section 3318.36 of the Revised Code. 233748

(B) If there is a decrease in the tax valuation of a school 233749  
district to which this section applies by ten per cent or greater 233750  
from one tax year to the next due to a decrease in the assessment 233751  
rate of the taxable property of an electric company that owns 233752  
property in the district, as provided for in section 5727.111 of 233753  
the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd 233754  
General Assembly, the Ohio facilities construction commission 233755  
shall calculate or recalculate the state and school district 233756  
portions of the basic project cost of the school district's 233757  
project by determining the percentile rank in which the district 233758  
would be located if such ranking were made using the adjusted 233759  
valuation per pupil calculated under division (C) of this section 233760

rather than the three-year average adjusted valuation per pupil, 233761  
calculated under division (B) of section 3318.011 of the Revised 233762  
Code. For such district, the required percentage of the basic 233763  
project cost used to determine the state and school district 233764  
shares of that cost under division (C) of section 3318.36 of the 233765  
Revised Code shall be based on the percentile rank as calculated 233766  
under this section rather than as otherwise provided in division 233767  
(C)(1) of section 3318.36 of the Revised Code. If the commission 233768  
has determined the state and school district portion of the basic 233769  
project cost of such a district's project under section 3318.36 of 233770  
the Revised Code prior to that decrease in tax valuation, the 233771  
commission shall adjust the state and school district shares of 233772  
the basic project cost of such project in accordance with this 233773  
section. 233774

(C)(1) As used in divisions (C) and (D) of this section, 233775  
"total taxable value" and "formula ADM" have the same meanings as 233776  
in section 3317.02 of the Revised Code, and "income factor" has 233777  
the same meaning as in section 3318.011 of the Revised Code. 233778

(2) The adjusted valuation per pupil for a school district to 233779  
which this section applies shall be calculated using the following 233780  
formula: 233781

(The district's total taxable value for the tax year 233782  
preceding the calendar year in which the current fiscal year 233783  
begins / the district's formula ADM for the previous fiscal year) 233784  
- [\$30,000 x (1 - the district's income factor)]. 233785

(D) At the request of the Ohio facilities construction 233786  
commission, the department of education and workforce shall report 233787  
a district's total taxable value for the tax year preceding the 233788  
calendar year in which the current fiscal year begins for any 233789  
district to which this section applies as that information has 233790  
been certified to the department by the tax commissioner pursuant 233791  
to section 3317.021 of the Revised Code. 233792

Sec. 3318.42. (A) Not later than the sixty-first day after 233793  
March 14, 2003, and subsequently not later than the sixty-first 233794  
day after the first day of each ensuing fiscal year, the 233795  
department of education and workforce shall do all of the 233796  
following: 233797

(1) Calculate the valuation per pupil of each joint 233798  
vocational school district according to the following formula: 233799

The school district's average taxable value divided by the 233800  
school district's formula ADM calculated under section 233801  
3317.03 of the Revised Code for the previous fiscal year. 233802

For purposes of this calculation: 233803

(a) "Average taxable value" means the average of the amounts 233804  
certified for a school district in the second, third, and fourth 233805  
preceding tax years under divisions (A)(1) and (2) of section 233806  
3317.021 of the Revised Code. 233807

(b) "Formula ADM" has the same meaning as defined in section 233808  
3317.02 of the Revised Code. 233809

(2) Calculate for each school district the three-year average 233810  
of the valuations per pupil calculated for the school district for 233811  
the current and two preceding fiscal years; 233812

(3) Rank all joint vocational school districts in order from 233813  
the school district with the lowest three-year average valuation 233814  
per pupil to the school district with the highest three-year 233815  
average valuation per pupil; 233816

(4) Divide the ranking under division (A)(3) of this section 233817  
into percentiles with the first percentile containing the one per 233818  
cent of school districts having the lowest three-year average 233819  
valuations per pupil and the one-hundredth percentile containing 233820  
the one per cent of school districts having the highest three-year 233821  
average valuations per pupil; 233822

(5) Certify the information described in divisions (A)(1) to 233823  
(4) of this section to the Ohio facilities construction 233824  
commission. 233825

(B) The commission annually shall select school districts for 233826  
assistance under sections 3318.40 to 3318.45 of the Revised Code 233827  
in the order of the school districts' three-year average 233828  
valuations per pupil such that the school district with the lowest 233829  
three-year average valuation per pupil shall be given the highest 233830  
priority for assistance. 233831

(C) Each joint vocational school district's portion of the 233832  
basic project cost of the school district's project under sections 233833  
3318.40 to 3318.45 of the Revised Code shall be one per cent times 233834  
the percentile in which the district ranks, except that no school 233835  
district's portion shall be less than twenty-five per cent or 233836  
greater than ninety-five per cent of the basic project cost. 233837

**Sec. 3319.02.** (A)(1) As used in this section, "other 233838  
administrator" means any of the following: 233839

(a) Except as provided in division (A)(2) of this section, 233840  
any employee in a position for which a board of education requires 233841  
a license designated by rule of the ~~department~~ state board of 233842  
education for being an administrator issued under section 3319.22 233843  
of the Revised Code, including a professional pupil services 233844  
employee or administrative specialist or an equivalent of either 233845  
one who is not employed as a school counselor and spends less than 233846  
fifty per cent of the time employed teaching or working with 233847  
students; 233848

(b) Any nonlicensed employee whose job duties enable such 233849  
employee to be considered as either a "supervisor" or a 233850  
"management level employee," as defined in section 4117.01 of the 233851  
Revised Code; 233852

(c) A business manager appointed under section 3319.03 of the Revised Code. 233853  
233854

(2) As used in this section, "other administrator" does not include a superintendent, assistant superintendent, principal, or assistant principal. 233855  
233856  
233857

(B) The board of education of each school district and the governing board of an educational service center may appoint one or more assistant superintendents and such other administrators as are necessary. An assistant educational service center superintendent or service center supervisor employed on a part-time basis may also be employed by a local board as a teacher. The board of each city, exempted village, and local school district shall employ principals for all high schools and for such other schools as the board designates, and those boards may appoint assistant principals for any school that they designate. 233858  
233859  
233860  
233861  
233862  
233863  
233864  
233865  
233866  
233867  
233868

(C) In educational service centers and in city, exempted village, and local school districts, assistant superintendents, principals, assistant principals, and other administrators shall only be employed or reemployed in accordance with nominations of the superintendent, except that a board of education of a school district or the governing board of a service center, by a three-fourths vote of its full membership, may reemploy any assistant superintendent, principal, assistant principal, or other administrator whom the superintendent refuses to nominate. 233869  
233870  
233871  
233872  
233873  
233874  
233875  
233876  
233877

The board of education or governing board shall execute a written contract of employment with each assistant superintendent, principal, assistant principal, and other administrator it employs or reemploys. The term of such contract shall not exceed three years except that in the case of a person who has been employed as an assistant superintendent, principal, assistant principal, or other administrator in the district or center for three years or 233878  
233879  
233880  
233881  
233882  
233883  
233884

more, the term of the contract shall be for not more than five 233885  
years and, unless the superintendent of the district recommends 233886  
otherwise, not less than two years. If the superintendent so 233887  
recommends, the term of the contract of a person who has been 233888  
employed by the district or service center as an assistant 233889  
superintendent, principal, assistant principal, or other 233890  
administrator for three years or more may be one year, but all 233891  
subsequent contracts granted such person shall be for a term of 233892  
not less than two years and not more than five years. When a 233893  
teacher with continuing service status becomes an assistant 233894  
superintendent, principal, assistant principal, or other 233895  
administrator with the district or service center with which the 233896  
teacher holds continuing service status, the teacher retains such 233897  
status in the teacher's nonadministrative position as provided in 233898  
sections 3311.77, 3319.08, and 3319.09 of the Revised Code. 233899

A board of education or governing board may reemploy an 233900  
assistant superintendent, principal, assistant principal, or other 233901  
administrator at any regular or special meeting held during the 233902  
period beginning on the first day of January of the calendar year 233903  
immediately preceding the year of expiration of the employment 233904  
contract and ending on the first day of June of the year the 233905  
employment contract expires. 233906

Except by mutual agreement of the parties thereto, no 233907  
assistant superintendent, principal, assistant principal, or other 233908  
administrator shall be transferred during the life of a contract 233909  
to a position of lesser responsibility. No contract may be 233910  
terminated by a board except pursuant to section 3319.16 of the 233911  
Revised Code. No contract may be suspended except pursuant to 233912  
section 3319.17 or 3319.171 of the Revised Code. The salaries and 233913  
compensation prescribed by such contracts shall not be reduced by 233914  
a board unless such reduction is a part of a uniform plan 233915  
affecting the entire district or center. The contract shall 233916

specify the employee's administrative position and duties as 233917  
included in the job description adopted under division (D) of this 233918  
section, the salary and other compensation to be paid for 233919  
performance of duties, the number of days to be worked, the number 233920  
of days of vacation leave, if any, and any paid holidays in the 233921  
contractual year. 233922

An assistant superintendent, principal, assistant principal, 233923  
or other administrator is, at the expiration of the current term 233924  
of employment, deemed reemployed at the same salary plus any 233925  
increments that may be authorized by the board, unless such 233926  
employee notifies the board in writing to the contrary on or 233927  
before the fifteenth day of June, or unless such board, on or 233928  
before the first day of June of the year in which the contract of 233929  
employment expires, either reemploys such employee for a 233930  
succeeding term or gives written notice of its intention not to 233931  
reemploy the employee. The term of reemployment of a person 233932  
reemployed under this paragraph shall be one year, except that if 233933  
such person has been employed by the school district or service 233934  
center as an assistant superintendent, principal, assistant 233935  
principal, or other administrator for three years or more, the 233936  
term of reemployment shall be two years. 233937

(D)(1) Each board shall adopt procedures for the evaluation 233938  
of all assistant superintendents, principals, assistant 233939  
principals, and other administrators and shall evaluate such 233940  
employees in accordance with those procedures. The procedures for 233941  
the evaluation of principals and assistant principals shall be 233942  
based on principles comparable to the teacher evaluation policy 233943  
adopted by the board under section 3319.111 of the Revised Code, 233944  
but shall be tailored to the duties and responsibilities of 233945  
principals and assistant principals and the environment in which 233946  
they work. An evaluation based upon procedures adopted under this 233947  
division shall be considered by the board in deciding whether to 233948

renew the contract of employment of an assistant superintendent, 233949  
principal, assistant principal, or other administrator. 233950

(2) The evaluation shall measure each assistant 233951  
superintendent's, principal's, assistant principal's, and other 233952  
administrator's effectiveness in performing the duties included in 233953

the employee an opportunity to respond prior to taking any 234572

**Sec. 3319.16.** The contract of any teacher employed by the 234581  
board of education of any city, exempted village, local, county, 234582  
or joint vocational school district may not be terminated except 234583

this section relating to the grounds for termination of the 234586  
contract of a teacher prevail over any conflicting provisions of a 234587  
collective bargaining agreement entered into after ~~the effective~~ 234588  
~~date of this amendment~~ October 16, 2009. 234589

Before terminating any contract, the employing board shall 234590  
furnish the teacher a written notice signed by its treasurer of 234591  
its intention to consider the termination of the teacher's 234592  
contract with full specification of the grounds for such 234593

consideration. The board shall not proceed with formal action to terminate the contract until after the tenth day after receipt of the notice by the teacher. Within ten days after receipt of the notice from the treasurer of the board, the teacher may file with the treasurer a written demand for a hearing before the board or before a referee, and the board shall set a time for the hearing which shall be within thirty days from the date of receipt of the written demand, and the treasurer shall give the teacher at least twenty days' notice in writing of the time and place of the hearing. If a referee is demanded by either the teacher or board, the treasurer also shall give twenty days' notice to the ~~superintendent of public instruction~~ department of education and workforce. No hearing shall be held during the summer vacation without the teacher's consent. The hearing shall be private unless the teacher requests a public hearing. The hearing shall be conducted by a referee appointed pursuant to section 3319.161 of the Revised Code, if demanded; otherwise, it shall be conducted by a majority of the members of the board and shall be confined to the grounds given for the termination. The board shall provide for a complete stenographic record of the proceedings, a copy of the record to be furnished to the teacher. The board may suspend a teacher pending final action to terminate the teacher's contract if, in its judgment, the character of the charges warrants such action.

Both parties may be present at such hearing, be represented by counsel, require witnesses to be under oath, cross-examine witnesses, take a record of the proceedings, and require the presence of witnesses in their behalf upon subpoena to be issued by the treasurer of the board. In case of the failure of any person to comply with a subpoena, a judge of the court of common pleas of the county in which the person resides, upon application of any interested party, shall compel attendance of the person by attachment proceedings as for contempt. Any member of the board or

the referee may administer oaths to witnesses. After a hearing by 234627  
a referee, the referee shall file a report within ten days after 234628  
the termination of the hearing. After consideration of the 234629  
referee's report, the board, by a majority vote, may accept or 234630  
reject the referee's recommendation on the termination of the 234631  
teacher's contract. After a hearing by the board, the board, by 234632  
majority vote, may enter its determination upon its minutes. Any 234633  
order of termination of a contract shall state the grounds for 234634  
termination. If the decision, after hearing, is against 234635  
termination of the contract, the charges and the record of the 234636  
hearing shall be physically expunged from the minutes, and, if the 234637  
teacher has suffered any loss of salary by reason of being 234638  
suspended, the teacher shall be paid the teacher's full salary for 234639  
the period of such suspension. 234640

Any teacher affected by an order of termination of contract 234641  
may appeal to the court of common pleas of the county in which the 234642  
school is located within thirty days after receipt of notice of 234643  
the entry of such order. The appeal shall be an original action in 234644  
the court and shall be commenced by the filing of a complaint 234645  
against the board, in which complaint the facts shall be alleged 234646  
upon which the teacher relies for a reversal or modification of 234647  
such order of termination of contract. Upon service or waiver of 234648  
summons in that appeal, the board immediately shall transmit to 234649  
the clerk of the court for filing a transcript of the original 234650  
papers filed with the board, a certified copy of the minutes of 234651  
the board into which the termination finding was entered, and a 234652  
certified transcript of all evidence adduced at the hearing or 234653  
hearings before the board or a certified transcript of all 234654  
evidence adduced at the hearing or hearings before the referee, 234655  
whereupon the cause shall be at issue without further pleading and 234656  
shall be advanced and heard without delay. The court shall examine 234657  
the transcript and record of the hearing and shall hold such 234658  
additional hearings as it considers advisable, at which it may 234659

consider other evidence in addition to the transcript and record. 234660

Upon final hearing, the court shall grant or deny the relief 234661  
prayed for in the complaint as may be proper in accordance with 234662  
the evidence adduced in the hearing. Such an action is a special 234663  
proceeding, and either the teacher or the board may appeal from 234664  
the decision of the court of common pleas pursuant to the Rules of 234665  
Appellate Procedure and, to the extent not in conflict with those 234666  
rules, Chapter 2505. of the Revised Code. 234667

In any court action, the board may utilize the services of 234668  
the prosecuting attorney, village solicitor, city director of law, 234669  
or other chief legal officer of a municipal corporation as 234670  
authorized by section 3313.35 of the Revised Code, or may employ 234671  
other legal counsel. 234672

A violation of division (A)(7) of section 2907.03 of the 234673  
Revised Code is grounds for termination of a teacher contract 234674  
under this section. 234675

**Sec. 3319.161.** For the purpose of providing referees for the 234676  
hearings required by section 3319.16 of the Revised Code, the 234677

workforce shall compile a list of resident electors from names 234679  
that the ~~superintendent~~ department shall solicit annually from the 234680  
state bar association. 234681

Upon receipt of notice that a referee has been demanded by a 234682  
teacher or by a board of education, the ~~superintendent of public~~ 234683  
~~instruction~~ department shall immediately designate three persons 234684  
from such list, from whom the referee to hear the matter shall be 234685  
chosen, and the ~~superintendent~~ department shall immediately notify 234686  
the designees, the teacher, and the board of the school district 234687  
involved. If within five days of receipt of the notice, the 234688  
teacher and board are unable to select a mutually agreeable 234689  
designee to serve as referee, the ~~superintendent of public~~ 234690

~~instruction department~~ shall appoint one of the three designees to 234691  
serve as referee. The appointment of the referee shall be entered 234692

the referee's usual and customary fee for attending the hearing 234694  
which shall be paid from the school district general fund upon 234695  
vouchers approved by the ~~superintendent of public instruction~~ 234696

The ~~department of education~~ state board shall provide technical assistance and support to committees as the committees incorporate the professional development standards adopted ~~by the state board of education~~ pursuant to section 3319.61 of the Revised Code into their review of coursework that is appropriate for license renewal. The rules shall establish a procedure by which a teacher may appeal the decision of a local professional development committee.

(2) In any school district in which there is no exclusive representative established under Chapter 4117. of the Revised Code, the professional development committees shall be established as described in division (F)(2) of this section.

Not later than the effective date of the rules adopted under 234845  
this section, the board of education of each school district shall 234846  
establish the structure for one or more local professional 234847  
development committees to be operated by such school district. The 234848  
committee structure so established by a district board shall 234849  
remain in effect unless within thirty days prior to an anniversary 234850  
of the date upon which the current committee structure was 234851  
established, the board provides notice to all affected district 234852  
employees that the committee structure is to be modified. 234853  
Professional development committees may have a district-level or 234854  
building-level scope of operations, and may be established with 234855  
regard to particular grade or age levels for which an educator 234856  
license is designated. 234857

Each professional development committee shall consist of at 234858  
least three classroom teachers employed by the district, one 234859  
principal employed by the district, and one other employee of the 234860  
district appointed by the district superintendent. For committees 234861  
with a building-level scope, the teacher and principal members 234862  
shall be assigned to that building, and the teacher members shall 234863  
be elected by majority vote of the classroom teachers assigned to 234864  
that building. For committees with a district-level scope, the 234865  
teacher members shall be elected by majority vote of the classroom 234866  
teachers of the district, and the principal member shall be 234867  
elected by a majority vote of the principals of the district, 234868  
unless there are two or fewer principals employed by the district, 234869  
in which case the one or two principals employed shall serve on 234870  
the committee. If a committee has a particular grade or age level 234871  
scope, the teacher members shall be licensed to teach such grade 234872  
or age levels, and shall be elected by majority vote of the 234873  
classroom teachers holding such a license and the principal shall 234874  
be elected by all principals serving in buildings where any such 234875  
teachers serve. The district superintendent shall appoint a 234876  
replacement to fill any vacancy that occurs on a professional 234877

development committee, except in the case of vacancies among the 234878  
elected classroom teacher members, which shall be filled by vote 234879  
of the remaining members of the committee so selected. 234880

Terms of office on professional development committees shall 234881  
be prescribed by the district board establishing the committees. 234882  
The conduct of elections for members of professional development 234883  
committees shall be prescribed by the district board establishing 234884  
the committees. A professional development committee may include 234885  
additional members, except that the majority of members on each 234886  
such committee shall be classroom teachers employed by the 234887  
district. Any member appointed to fill a vacancy occurring prior 234888  
to the expiration date of the term for which a predecessor was 234889  
appointed shall hold office as a member for the remainder of that 234890  
term. 234891

The initial meeting of any professional development 234892  
committee, upon election and appointment of all committee members, 234893  
shall be called by a member designated by the district 234894  
superintendent. At this initial meeting, the committee shall 234895  
select a chairperson and such other officers the committee deems 234896  
necessary, and shall adopt rules for the conduct of its meetings. 234897  
Thereafter, the committee shall meet at the call of the 234898  
chairperson or upon the filing of a petition with the district 234899  
superintendent signed by a majority of the committee members 234900  
calling for the committee to meet. 234901

(3) In the case of a school district in which an exclusive 234902  
representative has been established pursuant to Chapter 4117. of 234903  
the Revised Code, professional development committees shall be 234904  
established in accordance with any collective bargaining agreement 234905  
in effect in the district that includes provisions for such 234906  
committees. 234907

If the collective bargaining agreement does not specify a 234908  
different method for the selection of teacher members of the 234909

committees, the exclusive representative of the district's 234910  
teachers shall select the teacher members. 234911

If the collective bargaining agreement does not specify a 234912  
different structure for the committees, the board of education of 234913  
the school district shall establish the structure, including the 234914  
number of committees and the number of teacher and administrative 234915  
members on each committee; the specific administrative members to 234916  
be part of each committee; whether the scope of the committees 234917  
will be district levels, building levels, or by type of grade or 234918  
age levels for which educator licenses are designated; the lengths 234919  
of terms for members; the manner of filling vacancies on the 234920  
committees; and the frequency and time and place of meetings. 234921  
However, in all cases, except as provided in division (F)(4) of 234922  
this section, there shall be a majority of teacher members of any 234923  
professional development committee, there shall be at least five 234924  
total members of any professional development committee, and the 234925  
exclusive representative shall designate replacement members in 234926  
the case of vacancies among teacher members, unless the collective 234927  
bargaining agreement specifies a different method of selecting 234928  
such replacements. 234929

(4) Whenever an administrator's coursework plan is being 234930  
discussed or voted upon, the local professional development 234931  
committee shall, at the request of one of its administrative 234932  
members, cause a majority of the committee to consist of 234933  
administrative members by reducing the number of teacher members 234934  
voting on the plan. 234935

(G)(1) The department of education and workforce, educational 234936  
service centers, county boards of developmental disabilities, 234937  
college and university departments of education, head start 234938  
programs, and the Ohio education computer network may establish 234939  
local professional development committees to determine whether the 234940  
coursework proposed by their employees who are licensed or 234941

certificated under this section or section 3319.222 of the Revised Code, or under the former version of either section as it existed prior to October 16, 2009, meet the requirements of the rules adopted under this section. Local professional development committees established by county boards of developmental disabilities shall be structured in a manner comparable to the structures prescribed for school districts in divisions (F)(2) and (3) of this section, as shall the committees established by any other entity specified in division (G)(1) of this section that provides educational services by employing or contracting for services of classroom teachers licensed or certificated under this section or section 3319.222 of the Revised Code, or under the former version of either section as it existed prior to October 16, 2009. All other entities specified in division (G)(1) of this section shall structure their committees in accordance with guidelines which shall be issued by the ~~state board~~ department.

(2) Educational service centers may establish local professional development committees to serve educators who are not employed in schools in this state, including pupil services personnel who are licensed under this section. Local professional development committees shall be structured in a manner comparable to the structures prescribed for school districts in divisions (F)(2) and (3) of this section.

(b) The individual is not currently employed as an educator 234976  
or is not currently employed by an entity that operates a local 234977  
professional development committee under this section. 234978

Any committee that agrees to work with such an individual 234979  
shall work to determine whether the proposed coursework, 234980  
continuing education units, or other equivalent activities meet 234981  
the requirements of the rules adopted by the state board under 234982  
this section. 234983

(3) Any public agency that is not specified in division 234984  
(G)(1) or (2) of this section but provides educational services 234985  
and employs or contracts for services of classroom teachers 234986  
licensed or certificated under this section or section 3319.222 of 234987  
the Revised Code, or under the former version of either section as 234988  
it existed prior to October 16, 2009, may establish a local 234989  
professional development committee, subject to the approval of the 234990  
department of education and workforce. The committee shall be 234991  
structured in accordance with guidelines issued by the ~~state board~~ 234992  
department. 234993

(H) Not later than July 1, 2016, the state board, in 234994  
accordance with Chapter 119. of the Revised Code, shall adopt 234995  
rules pursuant to division (A)(3) of this section that do both of 234996  
the following: 234997

(1) Exempt consistently high-performing teachers from the 234998  
requirement to complete any additional coursework for the renewal 234999  
of an educator license issued under this section or section 235000

fee of one hundred fifty dollars each for the initial registration 235058  
and one hundred fifty dollars for renewal of the registration. 235059

Code, a school district or educational service center may contract 235061  
with a provider licensed under Chapter 4753. of the Revised Code 235062

any state. 235077

(B)(1) Not later than July 1, 2012, the superintendent of 235078  
public instruction shall develop a list of states that the 235079  
superintendent considers to have standards for teacher licensure 235080  
that are inadequate to ensure that a person to whom this section 235081  
applies and who was most recently licensed to teach in that state 235082  
is qualified for a professional educator license issued under 235083  
section 3319.22 of the Revised Code. 235084

(2) Following development of the list, the superintendent 235085

and who was most recently licensed to teach in that state is 235100  
qualified for a professional educator license issued under section 235101  
3319.22 of the Revised Code. 235102

(C) Except as otherwise provided in division (E)(1) of this 235103  
section, until the date on which the state board approves a final 235104  
list of states with inadequate teacher licensure standards under 235105  
division (B)(2) of this section, the state board shall issue a 235106

requires the state board to issue a person to whom this section 235111  
applies any type of professional educator license on the basis of 235112  
the person's licensure and teaching experience in that state. 235113

(D) Upon the expiration of a provisional license issued to a 235114  
person under division (C) of this section, the state board shall 235115  
issue the person a professional educator license, if the person 235116  
satisfies either of the following conditions: 235117

bureau may forward the fingerprints to the federal bureau of 235499

to issuing or renewing any certificate, license, or permit for a 235513  
person described in division (A)(1) or (2) of this section who is 235514  
subject to a criminal records check and in the case of a person 235515  
described in division (A)(3) or (4) of this section who is subject 235516  
to a criminal records check, the state board or the superintendent 235517  
of public instruction shall do one of the following: 235518

(1) If the person is required to submit fingerprints and 235519  
written permission under division (B)(1) of this section, request 235520  
the superintendent of the bureau of criminal identification and 235521  
investigation to determine whether the bureau has any information, 235522  
gathered pursuant to division (A) of section 109.57 of the Revised 235523  
Code, pertaining to the person and to obtain any criminal records 235524  
that the federal bureau of investigation has on the person. 235525

(2) If the person is required to submit fingerprints and written permission under division (B)(2) of this section, request the superintendent of the bureau of criminal identification and investigation to obtain any criminal records that the federal bureau of investigation has on the person.

(D) The state board or the superintendent of public instruction may choose not to request any information about a person required by division (C) of this section if the person provides proof that a criminal records check that satisfies the requirements of that division was conducted on the person as a condition of employment pursuant to section 3319.39 of the Revised Code within the immediately preceding year. The state board or the superintendent of public instruction may accept a certified copy of records that were issued by the bureau of criminal identification and investigation and that are presented by the person in lieu of requesting that information under division (C) of this section if the records were issued by the bureau within the immediately preceding year.

(E)(1) If a person described in division (A)(3) or (4) of this section who is subject to a criminal records check fails to submit fingerprints and written permission by the date specified in the applicable division, and the state board or the superintendent of public instruction does not apply division (D) of this section to the person, or if a person who is subject to division (G) of this section fails to submit fingerprints and written permission by the date prescribed under that division, the superintendent shall prepare a written notice stating that if the person does not submit the fingerprints and written permission within fifteen days after the date the notice was mailed, the person's application will be rejected or the person's professional or permanent teaching certificate or license will be inactivated. The superintendent shall send the notification by regular mail to

the person's last known residence address or last known place of 235558  
employment, as indicated in the ~~department of education's~~ state 235559  
board's records, or both. 235560

If the person fails to submit the fingerprints and written 235561  
permission within fifteen days after the date the notice was 235562  
mailed, the superintendent of public instruction, on behalf of the 235563  
state board, shall issue a written order rejecting the application 235564  
or inactivating the person's professional or permanent teaching 235565  
certificate or license. The rejection or inactivation shall remain 235566  
in effect until the person submits the fingerprints and written 235567  
permission. The superintendent shall send the order by regular 235568  
mail to the person's last known residence address or last known 235569  
place of employment, as indicated in the ~~department's~~ state 235570  
board's records, or both. The order shall state the reason for the 235571  
rejection or inactivation and shall explain that the rejection or 235572  
inactivation remains in effect until the person submits the 235573  
fingerprints and written permission. 235574

The rejection or inactivation of a professional or permanent 235575  
teaching certificate or license under division (E)(1) of this 235576  
section does not constitute a suspension or revocation of the 235577  
certificate or license by the state board under section 3319.31 of 235578  
the Revised Code and the state board and the superintendent of 235579  
public instruction need not provide the person with an opportunity 235580  
for a hearing with respect to the rejection or inactivation. 235581

(2) If a person whose professional or permanent teaching 235582  
certificate or license has been rejected or inactivated under 235583  
division (E)(1) of this section submits fingerprints and written 235584  
permission as required by division (B) or (G) of this section, the 235585  
superintendent of public instruction, on behalf of the state 235586  
board, shall issue a written order issuing or reactivating the 235587  
certificate or license. The superintendent shall send the order to 235588  
the person by regular mail. 235589

(F) Notwithstanding divisions (A) to (C) of this section, if a person holds more than one certificate, license, or permit described in division (A)(1) of this section, the following shall apply:

(1) If the certificates, licenses, or permits are of different durations, the person shall be subject to divisions (A) to (C) of this section only when applying for renewal of the certificate, license, or permit that is of the longest duration. Prior to renewing any certificate, license, or permit with a shorter duration, the state board or the superintendent of public instruction shall determine whether the ~~department of~~ education state board has received any information about the person pursuant to section 109.5721 of the Revised Code, but the person shall not be subject to divisions (A) to (C) of this section as long as the person's certificate, license, or permit with the longest duration is valid.

(2) If the certificates, licenses, or permits are of the same duration but do not expire in the same year, the person shall designate one of the certificates, licenses, or permits as the person's primary certificate, license, or permit and shall notify the ~~department~~ state board of that designation. The person shall be subject to divisions (A) to (C) of this section only when applying for renewal of the person's primary certificate, license, or permit. Prior to renewing any certificate, license, or permit that is not the person's primary certificate, license, or permit, the state board or the superintendent of public instruction shall determine whether the ~~department~~ state board has received any information about the person pursuant to section 109.5721 of the Revised Code, but the person shall not be subject to divisions (A) to (C) of this section as long as the person's primary certificate, license, or permit is valid.

(3) If the certificates, licenses, or permits are of the same

duration and expire in the same year and the person applies for 235622  
renewal of the certificates, licenses, or permits at the same 235623  
time, the state board or the superintendent of public instruction 235624  
shall request only one criminal records check of the person under 235625  
division (C) of this section. 235626

(G) If the ~~department~~ state board is unable to enroll a 235627  
person who has submitted an application for licensure, or to whom 235628  
the state board has issued a license, in the retained applicant 235629  
fingerprint database established under section 109.5721 of the 235630  
Revised Code because the person has not satisfied the requirements 235631  
for enrollment, the ~~department~~ board shall require the person to 235632  
satisfy the requirements for enrollment, including requiring the 235633  
person to submit, by a date prescribed by the ~~department~~state 235634  
board, one complete set of fingerprints and written permission 235635  
that authorizes the superintendent of public instruction to 235636  
forward the fingerprints to the bureau of criminal identification 235637  
and investigation for the purpose of enrolling the person in the 235638  
database. If the person fails to comply by the prescribed date, 235639  
the ~~department~~ state board shall reject the application or shall 235640  
take action to inactivate the person's license in accordance with 235641  
division (E) of this section. 235642

**Sec. 3319.292.** As used in this section, "license" has the 235643  
same meaning as in section 3319.31 of the Revised Code. 235644

The state board of education ~~and the department of education~~ 235645  
may question an applicant for issuance or renewal of any license 235646  
with respect to any criminal offense committed or alleged to have 235647  
been committed by the applicant. If the record of a conviction, 235648  
plea of guilty, bail forfeiture, or other disposition of a 235649  
criminal offense committed or alleged to have been committed by 235650  
the applicant has been sealed or expunged, the state board ~~and the~~ 235651  
~~department~~ need not assert or demonstrate that its questioning 235652

with respect to the offense bears a direct and substantial 235653  
relationship to the issuance or renewal of the license or to the 235654

indicating that, during the semester or term, the child had been 237029  
absent without legitimate excuse from the school the child was 237030  
supposed to attend for more than sixty consecutive hours or for at 237031  
least ninety total hours, the superintendent shall notify the 237032  
registrar of motor vehicles and the juvenile judge of the county 237033  
in which the district is located that the child has been absent 237034  
for that period of time and that the child does not have any 237035  
legitimate excuse for the habitual absence. A notification to the 237036  
registrar required by this division shall be given in the manner 237037  
the registrar by rule requires and a notification to the juvenile 237038  
judge required by this division shall be given in writing. Each 237039  
notification shall be given within two weeks after the receipt of 237040  
the information of the habitual absence from school without 237041

legitimate excuse, or, if the child and the child's parent, 237042  
guardian, or custodian appear before the superintendent or a 237043  
designee to challenge the information, within two weeks after the 237044  
appearance. 237045

For purposes of division (B)(2) of this section, a legitimate 237046  
excuse for absence from school includes, but is not limited to, 237047  
the fact that the child in question has enrolled in another school 237048  
or school district in this or another state, the fact that the 237049  
child in question was excused from attendance for any of the 237050  
reasons specified in section 3321.04 or exempt under section 237051  
3321.042 of the Revised Code, or the fact that the child in 237052  
question has received an age and schooling certificate in 237053  
accordance with section 3331.01 of the Revised Code. 237054

(3) Whenever a pupil is suspended or expelled from school 237055  
pursuant to section 3313.66 of the Revised Code and the reason for 237056  
the suspension or expulsion is the use or possession of alcohol, a 237057  
drug of abuse, or alcohol and a drug of abuse, the superintendent 237058  
of schools of that district may notify the registrar and the 237059  
juvenile judge of the county in which the district is located of 237060  
such suspension or expulsion. Any such notification of suspension 237061  
or expulsion shall be given to the registrar, in the manner the 237062  
registrar by rule requires and shall be given to the juvenile 237063  
judge in writing. The notifications shall be given within two 237064  
weeks after the suspension or expulsion. 237065

(4) Whenever a pupil is suspended, expelled, removed, or 237066  
permanently excluded from a school for misconduct included in a 237067  
policy that the board of education of a city, exempted village, or 237068  
local school district has adopted under division (A) of section 237069  
3313.661 of the Revised Code, and the misconduct involves a 237070  
firearm or a knife or other weapon as defined in that policy, the 237071  
superintendent of schools of that district shall notify the 237072  
registrar and the juvenile judge of the county in which the 237073

district is located of the suspension, expulsion, removal, or 237074  
permanent exclusion. The notification shall be given to the 237075  
registrar in the manner the registrar, by rule, requires and shall 237076  
be given to the juvenile judge in writing. The notifications shall 237077  
be given within two weeks after the suspension, expulsion, 237078  
removal, or permanent exclusion. 237079

(C) A notification of withdrawal, habitual absence without 237080  
legitimate excuse, suspension, or expulsion given to the registrar 237081  
or a juvenile judge under division (B)(1), (2), (3), or (4) of 237082  
this section shall contain the name, address, date of birth, 237083  
school, and school district of the child. If the superintendent 237084  
finds, after giving a notification of withdrawal, habitual absence 237085  
without legitimate excuse, suspension, or expulsion to the 237086  
registrar and the juvenile judge under division (B)(1), (2), (3), 237087  
or (4) of this section, that the notification was given in error, 237088  
the superintendent immediately shall notify the registrar and the 237089  
juvenile judge of that fact. 237090

**Sec. 3321.18.** The attendance officer provided for by section 237091  
3321.14 or 3321.15 of the Revised Code shall institute proceedings 237092  
against any officer, parent, guardian, or other person violating 237093  
laws relating to compulsory education and the employment of 237094  
minors, and otherwise discharge the duties described in sections 237095  
3321.14 to 3321.21 of the Revised Code, and perform any other 237096  
service that the superintendent of schools or board of education 237097  
of the district by which the attendance officer is employed 237098  
considers necessary to preserve the morals and secure the good 237099  
conduct of school children, and to enforce those laws. 237100

The attendance officer shall be furnished with copies of the 237101  
enumeration in each school district in which the attendance 237102  
officer serves and of the lists of pupils enrolled in the schools 237103  
and shall report to the superintendent discrepancies between these 237104

lists and the enumeration. 237105

The attendance officer and assistants shall cooperate with 237106  
the director of commerce in enforcing the laws relating to the 237107  
employment of minors. The attendance officer shall furnish upon 237108  
request any data that the attendance officer and the attendance 237109  
officer's assistants have collected in their reports of children 237110  
from six to eighteen years of age and also concerning employers to 237111  
the director and upon request to the ~~state board~~ department of 237112  
education and workforce. The attendance officer shall keep a 237113  
record of the attendance officer's transactions for the inspection 237114  
and information of the superintendent of schools and the board of 237115  
education; and shall make reports to the superintendent of schools 237116  
as often as required by the superintendent. The ~~state board of~~ 237117  
~~education~~ department may prescribe forms for the use of attendance 237118  
officers in the performance of their duties. The blank forms and 237119  
record books or indexes shall be furnished to the attendance 237120  
officers by the boards of education by which they are employed. 237121

**Sec. 3321.19.** (A) As used in this section and section 237122  
3321.191 of the Revised Code, "habitual truant" has the same 237123  
meaning as in section 2151.011 of the Revised Code. 237124

(B) When a board of education of any city, exempted village, 237125  
local, joint vocational, or cooperative education school district 237126  
or the governing board of any educational service center 237127  
determines that a student in its district has been truant and the 237128  
parent, guardian, or other person having care of the child has 237129  
failed to cause the student's attendance at school, the board may 237130  
require the parent, guardian, or other person having care of the 237131  
child pursuant to division (B) of this section to attend an 237132  
educational program established pursuant to rules adopted by the 237133  
~~state board~~ department of education and workforce for the purpose 237134  
of encouraging parental involvement in compelling the attendance 237135

of the child at school. 237136

No parent, guardian, or other person having care of a child 237137  
shall fail without good cause to attend an educational program 237138  
described in this division if the parent, guardian, or other 237139  
person has been served notice pursuant to division (C) of this 237140  
section. 237141

(C) On the request of the superintendent of schools, the 237142  
superintendent of any educational service center, the board of 237143  
education of any city, exempted village, local, joint vocational, 237144  
or cooperative education school district, or the governing board 237145  
of any educational service center or when it otherwise comes to 237146  
the notice of the attendance officer or other appropriate officer 237147  
of the school district, the attendance officer or other 237148  
appropriate officer shall examine into any case of supposed 237149  
truancy within the district and shall warn the child, if found 237150  
truant, and the child's parent, guardian, or other person having 237151  
care of the child, in writing, of the legal consequences of being 237152  
truant. When any child of compulsory school age, in violation of 237153  
law, is not attending school, the attendance or other appropriate 237154  
officer shall notify the parent, guardian, or other person having 237155  
care of that child of the fact, and require the parent, guardian, 237156  
or other person to cause the child to attend school immediately. 237157  
The parent, guardian, or other person having care of the child 237158  
shall cause the child's attendance at school. Upon the failure of 237159  
the parent, guardian, or other person having care of the child to 237160  
do so, the attendance officer or other appropriate officer, if so 237161  
directed by the superintendent, the district board, or the 237162  
educational service center governing board, shall send notice 237163  
requiring the attendance of that parent, guardian, or other person 237164  
at a parental education program established pursuant to division 237165  
(B) of this section and, subject to divisions (D) and (E) of this 237166  
section, may file a complaint against the parent, guardian, or 237167

other person having care of the child in any court of competent jurisdiction. 237168  
237169

(D)(1) Upon the failure of the parent, guardian, or other person having care of the child to cause the child's attendance at school, if the child is considered an habitual truant, the board of education of the school district or the governing board of the educational service center, within ten days, subject to division (E) of this section, shall assign the student to an absence intervention team as described in division (C) of section 3321.191 of the Revised Code. 237170  
237171  
237172  
237173  
237174  
237175  
237176  
237177

(2) The attendance officer shall file a complaint in the juvenile court of the county in which the child has a residence or legal settlement or in which the child is supposed to attend school jointly against the child and the parent, guardian, or other person having care of the child, in accordance with the timelines and conditions set forth in division (B) of section 3321.16 of the Revised Code. A complaint filed in the juvenile court under this division shall allege that the child is an unruly child for being an habitual truant and that the parent, guardian, or other person having care of the child has violated section 3321.38 of the Revised Code. 237178

237181  
237182  
237183  
237184  
237185  
237186  
237187  
237188

(E) A school district with a chronic absenteeism percentage that is less than five per cent, as displayed on the district's most recent report card issued under section 3302.03 of the Revised Code, and the school buildings within that district, shall be exempt from the requirement to assign habitually truant students to an absence intervention team for the following school year and shall instead take any appropriate action as an intervention strategy contained in the policy developed by the district board pursuant to divisions (A) and (B) of section 3321.191 of the Revised Code. In the event that those intervention strategies fail, within sixty-one days after their implementation, 237189

237192  
237193

the attendance officer shall file a complaint, provided that the 237200  
conditions described in division (B) of section 3321.16 of the 237201  
Revised Code are satisfied. 237202

**Sec. 3321.191.** (A) Effective beginning with the 2017-2018 237203  
school year, the board of education of each city, exempted 237204  
village, local, joint vocational, and cooperative education school 237205  
district and the governing board of each educational service 237206  
center shall adopt a new or amended policy to guide employees of 237207  
the school district or service center in addressing and 237208  
ameliorating student absences. In developing the policy, the 237209  
appropriate board shall consult with the judge of the juvenile 237210  
court of the county or counties in which the district or service 237211  
center is located, with the parents, guardians, or other persons 237212  
having care of the pupils attending school in the district, and 237213  
with appropriate state and local agencies. 237214

(B) The policy developed under division (A) of this section 237215  
shall include as an intervention strategy all of the following 237216  
actions, if applicable: 237217

(1) Providing a truancy intervention plan for any student who 237218  
is excessively absent from school, as described in the first 237219  
paragraph of division (C) of this section; 237220

(2) Providing counseling for an habitual truant; 237221

(3) Requesting or requiring a parent, guardian, or other 237222  
person having care of an habitual truant to attend parental 237223  
involvement programs, including programs adopted under section 237224  
3313.472 or 3313.663 of the Revised Code; 237225

(4) Requesting or requiring a parent, guardian, or other 237226  
person having care of an habitual truant to attend truancy 237227

(5) Notification of the registrar of motor vehicles under 237229

section 3321.13 of the Revised Code; 237230

(6) Taking legal action under section 2919.222, 3321.20, or 237231  
3321.38 of the Revised Code. 237232

(C)(1) In the event that a child of compulsory school age is 237233  
absent with a nonmedical excuse or without legitimate excuse from 237234  
the public school the child is supposed to attend for thirty-eight 237235  
or more hours in one school month, or sixty-five or more hours in 237236  
a school year, the attendance officer of that school shall notify 237237  
the child's parent, guardian, or custodian of the child's 237238  
absences, in writing, within seven days after the date after the 237239  
absence that triggered the notice requirement. At the time notice 237240  
is given, the school also may take any appropriate action as an 237241  
intervention strategy contained in the policy developed by the 237242  
board pursuant to division (A) of this section. 237243

(2)(a) If the absences of a student surpass the threshold for 237244  
an habitual truant as set forth in section 2151.011 of the Revised 237245  
Code, the principal or chief administrator of the school or the 237246  
superintendent of the school district shall assign the student to 237247  
an absence intervention team. Within fourteen school days after 237248  
the assignment of a student to an absence intervention team, the 237249  
team shall develop an intervention plan for that student in an 237250  
effort to reduce or eliminate further absences. Each intervention 237251  
plan shall vary based on the individual needs of the student, but 237252  
the plan shall state that the attendance officer shall file a 237253  
complaint not later than sixty-one days after the date the plan 237254  
was implemented, if the child has refused to participate in, or 237255  
failed to make satisfactory progress on, the intervention plan or 237256  
an alternative to adjudication under division (C)(2)(b) of section 237257  
3321.191 of the Revised Code. Within seven days after the 237258  
development of the plan, the school district or school shall make 237259  
reasonable efforts to provide the student's parent, guardian, 237260  
custodian, guardian ad litem, or temporary custodian with written 237261

notice of the plan. 237262

(b) As part of the absence intervention plan described in 237263  
division (C)(2) of this section, the school district or school, in 237264  
its discretion, may contact the appropriate juvenile court and ask 237265  
to have a student informally enrolled in any alternative to 237266  
adjudication described in division (G) of section 2151.27 of the 237267  
Revised Code. If the school district or school chooses to have 237268  
students informally enrolled in an alternative to adjudication, 237269  
the school district or school shall develop a written policy 237270  
regarding the use of, and selection process for, offering 237271  
alternatives to adjudication to ensure fairness. 237272

(c) The superintendent of each school district, or the 237273  
superintendent's designee, shall establish an absence intervention 237274  
team for the district to be used by any schools of the district 237275  
that do not establish their own absence intervention team as 237276  
permitted under division (C)(2)(d) of this section. Membership of 237277  
each absence intervention team may vary based on the needs of each 237278  
individual student but shall include a representative from the 237279  
child's school district or school, another representative from the 237280  
child's school district or school who knows the child, and the 237281  
child's parent or parent's designee, or the child's guardian, 237282  
custodian, guardian ad litem, or temporary custodian. The team 237283  
also may include a school psychologist, counselor, social worker, 237284  
or representative of a public or nonprofit agency designed to 237285  
assist students and their families in reducing absences. 237286

(d) The principal or chief administrator of each school may 237287  
establish an absence intervention team or series of teams to be 237288  
used in lieu of the district team established pursuant to division 237289  
(C)(2)(c) of this section. Membership of each absence intervention 237290  
team may vary based on the needs of each individual student but 237291  
shall include a representative from the child's school district or 237292  
school, another representative from the child's school district or 237293

school who knows the child, and the child's parent or parent's 237294  
designee, or the child's guardian, custodian, guardian ad litem, 237295  
or temporary custodian. The team also may include a school 237296  
psychologist, counselor, social worker, or representative of a 237297  
public or nonprofit agency designed to assist students and their 237298  
families in reducing absences. 237299

(e) A superintendent, as described in division (C)(2)(c) of 237300  
this section, or principal or chief administrator, as described in 237301  
division (C)(2)(d) of this section, shall select the members of an 237302  
absence intervention team within seven school days of the 237303  
triggering event described in division (C)(2)(a) of this section. 237304  
The superintendent, principal, or chief administrator, within the 237305  
same period of seven school days, shall make at least three 237306  
meaningful, good faith attempts to secure the participation of the 237307  
student's parent, guardian, custodian, guardian ad litem, or 237308  
temporary custodian on that team. If the student's parent responds 237309  
to any of those attempts, but is unable to participate for any 237310  
reason, the representative of the school district shall inform the 237311  
parent of the parent's right to appear by designee. If seven 237312  
school days elapse and the student's parent, guardian, custodian, 237313  
guardian ad litem, or temporary custodian fails to respond to the 237314  
attempts to secure participation, the school district or school 237315  
shall do both of the following: 237316

(i) Investigate whether the failure to respond triggers 237317  
mandatory reporting to the public children services agency for the 237318  
county in which the child resides in the manner described in 237319  
section 2151.421 of the Revised Code; 237320

(ii) Instruct the absence intervention team to develop an 237321  
intervention plan for the child notwithstanding the absence of the 237322  
child's parent, guardian, custodian, guardian ad litem, or 237323  
temporary custodian. 237324

(f) In the event that a student becomes habitually truant 237325

within twenty-one school days prior to the last day of instruction 237326  
of a school year, the school district or school may, in its 237327  
discretion, assign one school official to work with the child's 237328  
parent, guardian, custodian, guardian ad litem, or temporary 237329  
custodian to develop an absence intervention plan during the 237330  
summer. If the school district or school selects this method, the 237331  
plan shall be implemented not later than seven days prior to the 237332  
first day of instruction of the next school year. In the 237333  
alternative, the school district or school may toll the time 237334  
periods to accommodate for the summer months and reconvene the 237335  
absence intervention process upon the first day of instruction of 237336  
the next school year. 237337

(3) For purposes of divisions (C)(2)(c) and (d) of this 237338  
section, the ~~state board~~ department of education and workforce 237339  
shall develop a format for parental permission to ensure 237340  
compliance with the "Family Educational Rights and Privacy Act of 237341  
1974," 88 Stat. 571, 20 U.S.C. 1232g, as amended, and any 237342  
regulations promulgated under that act, and section 3319.321 of 237343  
the Revised Code. 237344

(D) Each school district or school may consult or partner 237345  
with public and nonprofit agencies to provide assistance as 237346  
appropriate to students and their families in reducing absences. 237347

(E) Beginning with the 2017-2018 school year, each school 237348  
district shall report to the department ~~of education~~, as soon as 237349  
practicable, and in a format and manner determined by the 237350  
department, any of the following occurrences: 237351

(1) When a notice required by division (C)(1) of this section 237352  
is submitted to a parent, guardian, or custodian; 237353

(2) When a child of compulsory school age has been absent 237354  
without legitimate excuse from the public school the child is 237355  
supposed to attend for thirty or more consecutive hours, forty-two 237356

or more hours in one school month, or seventy-two or more hours in 237357  
a school year; 237358

(3) When a child of compulsory school age who has been 237359  
adjudicated an unruly child for being an habitual truant violates 237360  
the court order regarding that adjudication; 237361

(4) When an absence intervention plan has been implemented 237362  
for a child under this section. 237363

(F) Nothing in this section shall be construed to limit the 237364  
duty or authority of a district board of education or governing 237365  
body of an educational service center to develop other policies 237366  
related to truancy or to limit the duty or authority of any 237367  
employee of the school district or service center to respond to 237368  
pupil truancy. However, a board shall be subject to the 237369  
prohibition against suspending, expelling, or otherwise preventing 237370  
a student from attending school for excessive absences as 237371  
prescribed by section 3313.668 of the Revised Code. 237372

revoke the school's designation. 239840

(3) The department shall maintain records of the application 239841

At the end of that five-year period, the district, provider, or service center shall reapply to the STEM committee in order to maintain that distinction. The committee shall authorize the continuation of the district's, provider's, or service center's distinction as a STEM program of excellence if the committee finds that the district, provider, or service center is in compliance with this chapter and the provisions of its proposal and any subsequent amendments to that proposal.

If a joint vocational school district, comprehensive career-technical education provider, compact career-technical education provider, or educational service center chooses not to reapply for a distinction for a STEM program of excellence under division (C)(1) of this section, the committee shall revoke the district's, provider's, or service center's distinction at the end of its five-year period of distinction.

(2) If a joint vocational school district, comprehensive career-technical education provider, compact career-technical education provider, or educational service center reapplies for distinction as a STEM program of excellence under division (C)(1) of this section and the committee has reason to believe that it is not in compliance with this chapter or the provisions of its proposal and any subsequent amendments to that proposal, the committee shall require the district, provider, or service center, in collaboration with the department of education and workforce and the Ohio STEM learning network or its successor, to develop a

corrective action plan. The district, provider, or service center 239977  
shall implement the corrective action plan and demonstrate 239978  
exemplary STEM pedagogy and practices within one year of the 239979  
plan's development. If the district, provider, or service center 239980  
fails to implement the corrective action plan to the satisfaction 239981  
of the committee at the end of that year, the committee shall 239982  
revoke the district's, provider's, or service center's 239983

provider, compact career-technical education provider, or 239988  
educational service center that has received a distinction as a 239989  
STEM program of excellence under this section. 239990

(D) If the STEM committee has reason to believe that a joint 239991  
vocational school district, comprehensive career-technical 239992  
education provider, compact career-technical education provider, 239993  
or educational service center that has received a distinction as a 239994  
STEM program of excellence under this section is not in compliance 239995  
with this chapter or the provisions of its proposal and any 239996  
subsequent amendments to that proposal, it may review the 239997  
district's, provider's, or service center's distinction prior to 239998  
the end of the five-year period during which that distinction is 239999  
effective. If the committee reviews a district's, provider's, or 240000  
service center's distinction under this division, it must require 240001  
the district, provider, or service center to develop a corrective 240002  
action plan in the same manner as specified in division (C)(2) of 240003  
this section and implement that plan and demonstrate exemplary 240004  
STEM pedagogy and practices within one year of the plan's 240005  
development. If the district, provider, or service center fails to 240006  
implement the corrective action plan to the satisfaction of the 240007  
committee at the end of that year, the committee shall revoke the 240008

district's, provider's, or service center's distinction. 240009

(E) If a joint vocational school district, comprehensive 240010  
career-technical education provider, compact career-technical 240011  
education provider, or educational service center that has 240012  
received distinction for a STEM program of excellence instead 240013  
wishes to receive a distinction for a STEAM program of excellence, 240014  
it may change its existing proposal to include the items required 240015  
under divisions (B)(3)(d), (B)(6), and (B)(7) of this section and 240016  
submit the revised proposal to the STEM committee for approval. 240017

(D) If the parent, guardian, or other person in charge of the 240729

binding in subsequent years and on future parties in interest 240751  
provided the facts of the determination remain comparable. 240752

(2) The school district or governing authority shall provide 240753  
transportation for the pupil from the time the parent, guardian, 240754  
or other person in charge of the pupil requests mediation until 240755

(2) If the department subsequently finds that a school 240770  
district board is not in compliance with an order issued under 240771

division (F)(1) of this section and the affected pupils are 240772  
enrolled in a nonpublic or community school, the department shall 240773  
deduct the amount that the board is required to pay under that 240774  
order from any pupil transportation payments the department makes 240775  
to the school district board under section 3317.0212 of the 240776  
Revised Code or other provisions of law. The department shall use 240777  
the moneys so deducted to make payments to the nonpublic or 240778  
community school attended by the pupil. The department shall 240779  
continue to make the deductions and payments required under this 240780

failure of the school district of residence to provide 240789  
transportation; 240790

(2) Use the entire amount of the payments to provide 240791  
acceptable transportation for the affected pupil. 240792

(H) At any time after a parent, guardian, or other person in 240793  
charge of a pupil requests transportation for a pupil, that 240794  
parent, guardian, or other person may authorize the nonpublic or 240795  
community school in which the pupil is enrolled to act on the 240796  
parent's, guardian's, or other person's behalf for purposes of 240797

district's compliance with sections 3327.01 and 3327.016 and 240801  
division (B) of section 3327.017 of the Revised Code. If the 240802

shall deduct from the district's payment for student 240806

another school district unless the pupil is enrolled pursuant to 240816

district has given its written consent thereto. If the board of 240818

~~education~~ department shall make an investigation of such 240823

Upon receipt of the request to provide transportation, the board shall review the request and determine whether the board will accommodate the request. If the board agrees to transport the pupil, the board may transport the pupil to and from the nonpublic school and a collection point in the district, as determined by the board. This division does not eliminate, limit, or reduce any other immunity or defense that a college-preparatory boarding school or board of trustees, member of a college-preparatory boarding school board of trustees, or college-preparatory boarding school employee or contractor may be entitled to under Chapter 2744. or any other provision of the Revised Code or under the common law of this state.

(D) A college-preparatory boarding school may accept donations of inhalers from a wholesale distributor of dangerous drugs or a manufacturer of dangerous drugs, as defined in section 4729.01 of the Revised Code, and may accept donations of money from any person to purchase inhalers.

(E) A college-preparatory boarding school that elects to procure inhalers under this section shall report to the department of education and workforce each procurement and occurrence in which an inhaler is used from a school's supply of inhalers.

**Sec. 3328.31.** Each college-preparatory boarding school established under this chapter shall report to the department of education and workforce, in the form and manner prescribed by the department, the following information:

(A) The total number of students enrolled in the school;

(B) The number of students enrolled in the school who are receiving special education and related services pursuant to an IEP;

(C) The city, exempted village, or local school district in which each student reported under division (A) of this section is entitled to attend school;

(D) Any additional information the department determines necessary to make payments to the school under this chapter.

**Sec. 3328.34.** (A) For each child enrolled in a 241564  
college-preparatory boarding school, as reported under section 241565  
3328.31 of the Revised Code, the department of education and 241566  
workforce shall pay to the school the sum of the amount 241567  
eighty-five per cent of the operating expenditure per pupil of the 241568  
city, local, or exempted village school district in which the 241569  
child is entitled to attend school plus the per-pupil boarding 241570  
amount specified in division (B) of this section. 241571

As used in this division, a district's "operating expenditure 241572  
per pupil" is the total amount of state payments and other 241573  
nonfederal revenue spent by the district for operating expenses 241574  
during the previous fiscal year, divided by the district's 241575  
enrolled ADM, as that term is defined in section 3317.02 of the 241576  
Revised Code, for the previous fiscal year. 241577

(B) For the first fiscal year in which a college-preparatory 241578  
boarding school may be established under this chapter, the 241579  
"per-pupil boarding amount" is twenty-five thousand dollars. For 241580  
each fiscal year thereafter, that amount shall be adjusted by the 241581  
rate of inflation, as measured by the consumer price index (all 241582  
urban consumers, all items) prepared by the bureau of labor 241583  
statistics of the United States department of labor, for the 241584  
previous twelve-month period. 241585

(C) The ~~state board of education~~department may accept funds 241586  
from federal and state noneducation support services programs for 241587  
the purpose of funding the per pupil boarding amount prescribed in 241588  
division (B) of this section. Notwithstanding any other provision 241589  
of the Revised Code, the ~~state board~~ department shall coordinate 241590  
and streamline any noneducation program requirements in order to 241591  
eliminate redundant or conflicting requirements, licensing 241592  
provisions, and oversight by government programs or agencies. The 241593  
applicable regulatory entities shall, to the maximum extent 241594

possible, use reports and financial audits provided by the auditor 241595  
of state and coordinated by the department ~~of education~~ to 241596  
eliminate or reduce contract and administrative reviews. 241597  
Regulatory entities other than the ~~state board~~ department may 241598  
suggest reasonable additional items to be included in such reports 241599  
and financial audits to meet any requirements of federal law. 241600  
Reporting paperwork prepared for the ~~state board~~ department shall 241601  
be shared with and accepted by other state and local entities to 241602  
the maximum extent feasible. 241603

(D)(1) Notwithstanding division (A) of this section, if, in 241604  
any fiscal year, a college-preparatory boarding school receives 241605  
federal funds for the purpose of supporting the school's 241606  
operations, the amount of those federal funds shall be deducted 241607  
from the total per-pupil boarding amount for all enrolled students 241608  
paid by the department to the school for that fiscal year, unless 241609  
the school's board of trustees and the department determine 241610  
otherwise in a written agreement. Any portion of the total 241611  
per-pupil boarding amount for all enrolled students remaining 241612  
after the deduction of the federal funds shall be paid by the 241613  
department to the school from state funds appropriated to the 241614  
department. 241615

(2) Notwithstanding division (A) of this section, if, in any 241616  
fiscal year, the department receives federal funds for the purpose 241617  
of supporting the operations of a college-preparatory boarding 241618  
school, the department shall use those federal funds, not 241619  
including any portion of those funds designated for 241620  
administration, to pay the school the total per-pupil boarding 241621  
amount for all enrolled students for that fiscal year. Any portion 241622  
of the total per-pupil boarding amount for all enrolled students 241623  
remaining after the use of the federal funds shall be paid by the 241624  
department to the school from state funds appropriated to the 241625  
department. 241626

(3) If any federal funds are used for the purpose prescribed 241627  
in division (D)(1) or (2) of this section, the department shall 241628  
comply with all requirements upon which the acceptance of the 241629  
federal funds is conditioned, including any requirements set forth 241630  
in the funding application submitted by the school or the 241631  
department and, to the extent sufficient funds are appropriated by 241632  
the general assembly, any requirements regarding maintenance of 241633  
effort in expenditures. 241634

**Sec. 3328.35.** To the extent permitted by federal law, the 241635  
department of education and workforce shall include 241636  
college-preparatory boarding schools established under this 241637  
chapter in its annual allocation of federal moneys under Title I 241638  
of the "Elementary and Secondary Education Act of 1965," 20 U.S.C. 241639  
6301, et seq. The department may apply for any other federal 241640  
moneys that may be used to support the operations of 241641  
college-preparatory boarding schools established under this 241642  
chapter. 241643

**Sec. 3328.37.** (A) If the auditor of state or a public 241644  
accountant, under section 117.41 of the Revised Code, declares a 241645  
college-preparatory boarding school established under this chapter 241646  
to be unauditabile, the auditor of state shall provide written 241647  
notification of that declaration to the school and the department 241648  
of education and workforce. The auditor of state also shall post 241649  
the notification on the auditor of state's web site. 241650

(B) If the college-preparatory boarding school's current 241651  
fiscal officer held that position during the period for which the 241652  
school is unauditabile, upon receipt of the notification under 241653  
division (A) of this section, the board of trustees of the school 241654  
shall suspend the fiscal officer until the auditor of state or a 241655  
public accountant has completed an audit of the school, except 241656  
that if the fiscal officer is employed by the school's operator, 241657

the operator shall suspend the fiscal officer for that period. 241658  
Suspension of the fiscal officer may be with or without pay, as 241659  
determined by the entity imposing the suspension based on the 241660  
circumstances that prompted the auditor of state's declaration. 241661  
The entity imposing the suspension shall appoint a person to 241662  
assume the duties of the fiscal officer during the period of the 241663  
suspension. If the appointee is not licensed as a treasurer under 241664  
section 3301.074 of the Revised Code, the appointee shall be 241665  
approved by the ~~superintendent of public instruction~~ director of 241666  
education and workforce before assuming the duties of the fiscal 241667  
officer. The state board of education may take action under 241668  
section 3319.31 of the Revised Code to suspend, revoke, or limit 241669  
the license of a fiscal officer who has been suspended under this 241670  
division. 241671

(C) Not later than forty-five days after receiving the 241672  
notification under division (A) of this section, the board of 241673  
trustees of the college-preparatory boarding school shall provide 241674  
a written response to the auditor of state. The response shall 241675  
include the following: 241676

(1) An overview of the process the board will use to review 241677  
and understand the circumstances that led to the school becoming 241678  
unauditable; 241679

(2) A plan for providing the auditor of state with the 241680  
documentation necessary to complete an audit of the school and for 241681  
ensuring that all financial documents are available in the future; 241682

(3) The actions the board will take to ensure that the plan 241683  
described in division (C)(2) of this section is implemented. 241684

(D) If the college-preparatory boarding school fails to make 241685  
reasonable efforts and continuing progress to bring its accounts, 241686  
records, files, or reports into an auditable condition within 241687  
ninety days after being declared unauditabile, the auditor of 241688

state, in addition to requesting legal action under sections 241689  
117.41 and 117.42 of the Revised Code, shall notify the school and 241690  
the department of the school's failure. If the auditor of state or 241691  
a public accountant subsequently is able to complete a financial 241692  
audit of the school, the auditor of state shall notify the school 241693  
and the department that the audit has been completed. 241694

(E) Notwithstanding any provision to the contrary in this 241695  
chapter or in any other provision of law, upon notification by the 241696  
auditor of state under division (D) of this section that the 241697  
college-preparatory boarding school has failed to make reasonable 241698  
efforts and continuing progress to bring its accounts, records, 241699  
files, or reports into an auditable condition, the department 241700  
shall immediately cease all payments to the school under this 241701  
chapter and any other provision of law. Upon subsequent 241702  
notification from the auditor of state under that division that 241703  
the auditor of state or a public accountant was able to complete a 241704  
financial audit of the school, the department shall release all 241705  
funds withheld from the school under this section. 241706

**Sec. 3328.38.** (A) With the approval of its board of trustees, 241707  
a college-preparatory boarding school established under this 241708  
chapter may procure injectable or nasally administered glucagon in 241709  
the manner prescribed by section 3313.7115 of the Revised Code. A 241710  
college-preparatory boarding school that elects to do so shall 241711  
comply with all provisions of that section as if it were a school 241712  
district. 241713

(B)(1) The following are not liable in damages in a civil 241714  
action for injury, death, or loss to person or property that 241715  
allegedly arises from an act or omission associated with 241716  
procuring, maintaining, accessing, or using injectable or nasally 241717  
administered glucagon under this section, unless the act or 241718  
omission constitutes willful or wanton misconduct: 241719

**Sec. 3333.162.** (A) As used in this section, "state 242545  
institution of higher education" means an institution of higher 242546  
education as defined in section 3345.12 of the Revised Code. 242547

(B) ~~By April 15, 2007, the~~ The chancellor of higher 242548

workforce, public adult and secondary career-technical education 242550  
institutions, ~~and~~ state institutions of higher education, shall 242551  
establish criteria, policies, and procedures that enable students 242552  
to transfer agreed upon technical courses completed through an 242553

adult career-technical education institution, a public secondary 242554  
career-technical institution, or a state institution of higher 242555  
education to a state institution of higher education without 242556  
unnecessary duplication or institutional barriers. The courses to 242557  
which the criteria, policies, and procedures apply shall be those 242558  
that adhere to recognized industry standards and equivalent 242559  
coursework common to the secondary career pathway and adult 242560  
career-technical education system and regionally accredited state 242561  
institutions of higher education. Where applicable, the policies 242562  
and procedures shall build upon the articulation agreement and 242563  
transfer initiative course equivalency system required by section 242564  
3333.16 of the Revised Code. 242565

**Sec. 3333.21.** As used in sections 3333.21 to 3333.23 of the 242566  
Revised Code, "term" and "academic year" mean "term" and "academic 242567

The chancellor shall establish and administer an academic 242569  
scholarship program. Under the program, a total of one thousand 242570  
new scholarships shall be awarded annually in the amount of not 242571  
less than two thousand dollars per award. At least one such new 242572  
scholarship shall be awarded annually to a student in each public 242573  
high school and joint vocational school and each nonpublic high 242574  
school for which the ~~state board~~ director of education and 242575  
workforce prescribes minimum standards in accordance with section 242576  
3301.07 of the Revised Code. 242577

To be eligible for the award of a scholarship, a student 242578  
shall be a resident of Ohio and shall be enrolled as a full-time 242579  
undergraduate student in an Ohio institution of higher education 242580

registration and program authorization issued under section 242587  
3332.05 of the Revised Code and awards an associate or bachelor's 242588

of registration shall be enrolled in a program leading to an 242590  
associate or bachelor's degree for which associate or bachelor's 242591  
degree program the institution has program authorization to offer 242592  
the program issued under section 3332.05 of the Revised Code. 242593

"Resident" and "full-time student" shall be defined in rules 242594  
adopted by the chancellor. 242595

The chancellor shall award the scholarships on the basis of a 242596  
formula designed by the chancellor to identify students with the 242597  
highest capability for successful college study. The formula shall 242598  
weigh the factor of achievement, as measured by grade point 242599  
average, and the factor of ability, as measured by performance on 242600  
a competitive examination specified by the chancellor. Students 242601  
receiving scholarships shall be known as "Ohio academic scholars." 242602

**Sec. 3333.31.** (A) For state subsidy and tuition surcharge 242603  
purposes, status as a resident of Ohio shall be defined by the 242604  
chancellor of higher education by rule promulgated pursuant to 242605  
Chapter 119. of the Revised Code. No adjudication as to the status 242606  
of any person under such rule, however, shall be required to be 242607  
made pursuant to Chapter 119. of the Revised Code. The term 242608  
"resident" for these purposes shall not be equated with the 242609  
definition of that term as it is employed elsewhere under the laws 242610  
of this state and other states, and shall not carry with it any of 242611  
the legal connotations appurtenant thereto. Rather, except as 242612  
provided in divisions (B), (C), (D), (F), and (G) of this section, 242613  
for such purposes, the rule promulgated under this section shall 242614  
have the objective of excluding from treatment as residents those 242615

who are present in the state primarily for the purpose of 242616  
attending a state-supported or state-assisted institution of 242617  
higher education, and may prescribe presumptive rules, rebuttable 242618  
or conclusive, as to such purpose based upon the source or sources 242619  
of support of the student, residence prior to first enrollment, 242620  
evidence of intention to remain in the state after completion of 242621  
studies, or such other factors as the chancellor deems relevant. 242622

(B) The rules of the chancellor for determining student 242623  
residency shall grant residency status to a veteran and to the 242624  
veteran's spouse and any dependent of the veteran, if both of the 242625  
following conditions are met: 242626

(1) The veteran either: 242627

(b) Was killed while serving on active military duty or has 242631  
been declared to be missing in action or a prisoner of war. 242632

(2) If the veteran seeks residency status for tuition 242633  
surcharge purposes, the veteran has established domicile in this 242634  
state as of the first day of a term of enrollment in an 242635  
institution of higher education. If the spouse or a dependent of 242636  
the veteran seeks residency status for tuition surcharge purposes, 242637  
the veteran and the spouse or dependent seeking residency status 242638  
have established domicile in this state as of the first day of a 242639  
term of enrollment in an institution of higher education, except 242640  
that if the veteran was killed while serving on active military 242641  
duty, has been declared to be missing in action or a prisoner of 242642  
war, or is deceased after discharge, only the spouse or dependent 242643  
seeking residency status shall be required to have established 242644  
domicile in accordance with this division. 242645

section, the rules shall require the student seeking in-state 242678  
tuition rates to live in the state as of the first day of a term 242679

who, as of the first day of a term of enrollment in an institution 242688  
of higher education, has accepted full-time employment and 242689

(1) A sworn statement from the employer or the employer's 242694

owner of the residence in which the parent or spouse has 242703  
established domicile, a letter from the owner of the residence 242704  
certifying that the parent or spouse resides at that residence. 242705

Residency officers may also evaluate, in accordance with the 242706

chancellor's rule, requests for immediate residency status from 242707  
dependent students whose parents are not living and whose domicile 242708  
follows that of a legal guardian who has accepted full-time 242709  
employment and established domicile in the state for reasons other 242710  
than gaining the benefit of favorable tuition rates. 242711

(F)(1) The rules of the chancellor for determining student 242712  
residency shall grant residency status to a person who enrolls in 242713  
an institution of higher education and establishes domicile in 242714  
this state, regardless of the student's residence prior to that 242715

under the college credit plus program during an expulsion" means 243890  
the following: 243891

(a) For a public secondary school that is a school operated 243892

superintendent, or equivalent, shall send a written notice of the 243906  
expulsion to any college in which the expelled student is enrolled 243907  
under section 3365.03 of the Revised Code at the time the 243908  
expulsion is imposed. The notice shall indicate the date the 243909  
expulsion is scheduled to expire. The notice also shall indicate 243910  
whether the school has adopted a policy to deny high school credit 243911  
for courses taken under the college credit plus program during an 243912  
expulsion. If the expulsion is extended, the superintendent, or 243913

(C) A college may withdraw its acceptance under section 243915  
3365.03 of the Revised Code of a student who is expelled from 243916  
school. As provided in section 3365.03 of the Revised Code, 243917  
regardless of whether the college withdraws its acceptance of the 243918  
student for the college term in which the student is expelled, the 243919  
student is ineligible to enroll in a college under that section 243920

Revised Code, the public school shall not award high school credit 243932  
for the college courses in which the student was enrolled at the 243933  
time the college withdrew its acceptance, and any reimbursement 243934

attendance prior to the withdrawal shall be the same as would be 243936  
paid for a student who voluntarily withdrew from the college at 243937  
the same time in the term. If the withdrawal results in the 243938  
college's receiving no reimbursement, the college or secondary 243939  
school may require the student to return or pay for any textbooks 243940  
and materials it provided the student free of charge. 243941

(D) When a student who elected the option of division (B) of 243942

expulsion, that election is automatically revoked for all college 243946  
courses in which the student is enrolled during the college term 243947  
in which the expulsion is imposed. Any reimbursement under section 243948  
3365.07 of the Revised Code for the student's attendance prior to 243949  
the expulsion shall be the same as would be paid for a student who 243950  
voluntarily withdrew from the college at the same time in the 243951  
term. If the revocation results in the college's receiving no 243952  
reimbursement, the college or secondary school may require the 243953  
student to return or pay for any textbooks and materials it 243954  
provided the student free of charge. 243955

Not later than five days after receiving an expulsion notice 243956  
from the superintendent, or equivalent, of a public school that 243957

has adopted a policy to deny high school credit for courses taken 243958  
under the college credit plus program during an expulsion, the 243959  
college shall send a written notice to the expelled student that 243960  
the student's election of division (B) of section 3365.06 of the 243961  
Revised Code is revoked. If the college elects not to withdraw its 243962  
acceptance of the student, the student shall pay all applicable 243963  
tuition and fees for the college courses and shall pay for any 243964  
textbooks and materials that the college or secondary school 243965

the parties finalize the agreement, unless otherwise specified, 246215  
but if the appropriate legislative body is not in session at the 246216  
time, then within fourteen days after it convenes. The legislative 246217

body must approve or reject the submission as a whole, and the 246218  
submission is deemed approved if the legislative body fails to act 246219  
within thirty days after the public employer submits the 246220

and operative in accordance with the terms of the agreement, 246223  
provided there has been compliance with division (C) of this 246224  
section. If the legislative body rejects the submission of the 246225  
public employer, either party may reopen all or part of the entire 246226  
agreement. 246227

As used in this section, "legislative body" includes the 246228  
governing board of a municipal corporation, school district, 246229

of each elected officeholder of the county whose employees are 246240  
covered by the collective negotiations, and the designated 246241  
representative of the village or the board of township trustees of 246242  
each township is responsible for negotiations in the collective 246243  
bargaining process; except that the legislative body may accept or 246244  
reject a proposed collective bargaining agreement. When the 246245  
matters about which there is agreement are reduced to writing and 246246  
approved by the employee organization and the legislative body, 246247  
the agreement is binding upon the legislative body, the employer, 246248  
and the employee organization and employees covered by the 246249

agreement. 246250

(D) There is hereby established an office of collective 246251  
bargaining in the department of administrative services for the 246252

agreement. Nothing in any provision of law to the contrary shall 246258  
be interpreted as excluding the bureau of workers' compensation 246259  
and the industrial commission from the preceding sentence. This 246260  
office shall not negotiate on behalf of other statewide elected 246261  
officials or boards of trustees of state institutions of higher 246262  
education who shall be considered as separate public employers for 246263  
the purposes of this chapter; however, the office may negotiate on 246264  
behalf of these officials or trustees where authorized by the 246265  
officials or trustees. The staff of the office of collective 246266  
bargaining are in the unclassified service. The director of 246267  
administrative services shall fix the compensation of the staff. 246268

the list to reflect, for each district, for the current fiscal 246290  
year, the starting salary in the district for teachers with no 246291  
prior teaching experience who hold bachelors degrees. The board 246292

(G) "Wages" means remuneration paid to an employee by each of 246910

after January 1, 1995; nine thousand five hundred dollars on and 246916  
after January 1, 2018; and nine thousand dollars on and after 246917  
January 1, 2020. Remuneration in excess of such amounts shall be 246918

only cash remuneration. Gratuities customarily received by an 246932  
individual in the course of the individual's employment from 246933

persons other than the individual's employer and which are 246934  
accounted for by such individual to the individual's employer are 246935  
taxable wages. 246936

The reasonable cash value of compensation paid in any medium 246937  
other than cash shall be estimated and determined in accordance 246938  
with rules prescribed by the director, provided that 246939  
"remuneration" does not include: 246940

(a) Payments as provided in divisions (b)(2) to (b)(20) of 246941  
section 3306 of the "Federal Unemployment Tax Act," 84 Stat. 713, 246942

three annual payrolls of an employer, provided that if, as of any 246960

the annual payrolls which the employer has had as of such date. 246963

(M) An individual is "totally unemployed" in any week during which the individual performs no services and with respect to such week no remuneration is payable to the individual.

(N) An individual is "partially unemployed" in any week if, due to involuntary loss of work, the total remuneration payable to the individual for such week is less than the individual's weekly benefit amount.

(O) "Week" means the calendar week ending at midnight Saturday unless an equivalent week of seven consecutive calendar days is prescribed by the director.

(1) "Qualifying week" means any calendar week in an individual's base period with respect to which the individual earns or is paid remuneration in employment subject to this chapter. A calendar week with respect to which an individual earns remuneration but for which payment was not made within the base period, when necessary to qualify for benefit rights, may be considered to be a qualifying week. The number of qualifying weeks which may be established in a calendar quarter shall not exceed the number of calendar weeks in the quarter.

(2) "Average weekly wage" means the amount obtained by dividing an individual's total remuneration for all qualifying

weeks during the base period by the number of such qualifying 246995  
weeks, provided that if the computation results in an amount that 246996  
is not a multiple of one dollar, such amount shall be rounded to 246997  
the next lower multiple of one dollar. 246998

(P) "Weekly benefit amount" means the amount of benefits an 246999  
individual would be entitled to receive for one week of total 247000

the individual's base period shall be the four most recently 247008  
completed calendar quarters preceding the first day of the 247009  
individual's benefit year. Such base period shall be known as the 247010  
"alternate base period." If information as to weeks and wages for 247011  
the most recent quarter of the alternate base period is not 247012  
available to the director from the regular quarterly reports of 247013  
wage information, which are systematically accessible, the 247014  
director may, consistent with the provisions of section 4141.28 of 247015  
the Revised Code, base the determination of eligibility for 247016  
benefits on the affidavit of the claimant with respect to weeks 247017  
and wages for that calendar quarter. The claimant shall furnish 247018  
payroll documentation, where available, in support of the 247019  
affidavit. The determination based upon the alternate base period 247020  
as it relates to the claimant's benefit rights, shall be amended 247021  
when the quarterly report of wage information from the employer is 247022  
timely received and that information causes a change in the 247023  
determination. As provided in division (B) of section 4141.28 of 247024  
the Revised Code, any benefits paid and charged to an employer's 247025  
account, based upon a claimant's affidavit, shall be adjusted 247026

effective as of the beginning of the claimant's benefit year. No 247027  
calendar quarter in a base period or alternate base period shall 247028  
be used to establish a subsequent benefit year. 247029

(3) The "base period" of a combined wage claim, as described 247030  
in division (H) of section 4141.43 of the Revised Code, shall be 247031  
the base period prescribed by the law of the state in which the 247032  
claim is allowed. 247033

(4) For purposes of determining the weeks that comprise a 247034  
completed calendar quarter under this division, only those weeks 247035  
ending at midnight Saturday within the calendar quarter shall be 247036  
utilized. 247037

(R)(1) "Benefit year" with respect to an individual means the 247038  
fifty-two week period beginning with the first day of that week 247039

application for determination of benefit rights, and thereafter 247041  
the fifty-two week period beginning with the first day of that 247042  
week with respect to which the individual next files a valid 247043  
application for determination of benefit rights after the 247044  
termination of the individual's last preceding benefit year, 247045  
except that the application shall not be considered valid unless 247046  
the individual has had employment in six weeks that is subject to 247047  
this chapter or the unemployment compensation act of another 247048  
state, or the United States, and has, since the beginning of the 247049  
individual's previous benefit year, in the employment earned three 247050  
times the average weekly wage determined for the previous benefit 247051  
year. The "benefit year" of a combined wage claim, as described in 247052  
division (H) of section 4141.43 of the Revised Code, shall be the 247053  
benefit year prescribed by the law of the state in which the claim 247054  
is allowed. Any application for determination of benefit rights 247055  
made in accordance with section 4141.28 of the Revised Code is 247056  
valid if the individual filing such application is unemployed, has 247057  
been employed by an employer or employers subject to this chapter 247058

in at least twenty qualifying weeks within the individual's base 247059  
period, and has earned or been paid remuneration at an average 247060  
weekly wage of not less than twenty-seven and one-half per cent of 247061  
the statewide average weekly wage for such weeks. For purposes of 247062  
determining whether an individual has had sufficient employment 247063  
since the beginning of the individual's previous benefit year to 247064  
file a valid application, "employment" means the performance of 247065  
services for which remuneration is payable. 247066

(2) Effective for benefit years beginning on and after 247067  
December 26, 2004, but before July 1, 2022, any application for 247068  
determination of benefit rights made in accordance with section 247069  
4141.28 of the Revised Code is valid if the individual satisfies 247070  
the criteria described in division (R)(1) of this section, and if 247071  
the reason for the individual's separation from employment is not 247072  
disqualifying pursuant to division (D)(2) of section 4141.29 or 247073  
section 4141.291 of the Revised Code. A disqualification imposed 247074  
pursuant to division (D)(2) of section 4141.29 or section 4141.291 247075  
of the Revised Code must be removed as provided in those sections 247076  
as a requirement of establishing a valid application for benefit 247077  
years beginning on and after December 26, 2004, but before July 1, 247078  
2022. Effective for benefit years beginning on and after July 1, 247079  
2022, any application for determination of benefit rights made in 247080  
accordance with section 4141.28 of the Revised Code is valid if 247081  
the individual satisfies the criteria described in division (R)(1) 247082  
of this section. A disqualification imposed pursuant to division 247083  
(D)(2) of section 4141.29 or section 4141.291 of the Revised Code 247084  
does not affect the validity of an application. 247085

the director once a year based on the twelve-month period ending 247087  
the thirtieth day of June, as set forth in division (B)(3) of 247088  
section 4141.30 of the Revised Code, rounded down to the nearest 247089  
dollar. Increases or decreases in the amount of remuneration 247090

required to have been earned or paid in order for individuals to 247091  
have filed valid applications shall become effective on Sunday of 247092  
the calendar week in which the first day of January occurs that 247093  
follows the twelve-month period ending the thirtieth day of June 247094  
upon which the calculation of the statewide average weekly wage 247095  
was based. 247096

application, the individual was separated from the individual's 247101  
most recent work for any reason which terminated the individual's 247102

districts that are charged and have paid for unemployment benefits 247260  
as reimbursing employers pursuant to this chapter for personnel 247261  
employed pursuant to section 3317.06 of the Revised Code may apply 247262  
for and receive reimbursement for those payments under this 247263  
section. School districts are not entitled to reimbursement for 247264  
any delinquency charges, except as otherwise provided by law. In 247265  
the case of school districts electing to pay contributions under 247266  
section 4141.242 of the Revised Code, the director shall establish 247267  
procedures for reimbursement of the district from the fund of 247268  
contributions made on wages earned by any auxiliary service 247269  
personnel. 247270

(B) In the event of the termination of the auxiliary services 247271  
program established pursuant to section 3317.06 of the Revised 247272  
Code, and after the director has made reimbursement to school 247273  
districts for all possible unemployment compensation claims of 247274

persons who were employed pursuant to section 3317.06 of the Revised Code, the director shall certify that fact to the treasurer of state, who shall then transfer all unexpended moneys in the auxiliary services personnel unemployment compensation fund to the general revenue fund. In the event the auxiliary services personnel unemployment compensation fund contains insufficient moneys to pay all valid claims by school districts for reimbursement pursuant to this section, the director shall estimate the total additional amount necessary to meet the liabilities of the fund and submit a request to the general assembly for an appropriation of that amount of money from the general revenue fund to the auxiliary services personnel unemployment compensation fund.

(C) All disbursements from the auxiliary services personnel unemployment compensation fund shall be paid by the treasurer of state on warrants drawn by the director. The warrants may bear the facsimile signature of the director printed thereon or that of a deputy or other employee of the director charged with the duty of keeping the account of the fund. Moneys in the fund shall be maintained in a separate account on the books of the depository bank. The money shall be secured by the depository bank to the same extent and in the same manner as required by Chapter 135. of the Revised Code. All sums recovered for losses sustained by the fund shall be deposited therein. The treasurer of state is liable on the treasurer of state's official bond for the faithful performance of the treasurer of state's duties in connection with the fund.

(D) All necessary and proper expenses incurred in administering this section shall be paid to the director from the auxiliary services personnel unemployment compensation fund. For this purpose, there is hereby created in the state treasury the auxiliary services program administrative fund. The treasurer of

state, pursuant to the warrant procedures specified in division 247307  
(C) of this section, shall advance moneys as requested by the 247308  
director from the auxiliary services personnel unemployment 247309  
compensation fund to the auxiliary services program administrative 247310  
fund. The director periodically may request the advance of such 247311  
moneys as in the treasurer of state's opinion are needed to meet 247312  
anticipated administrative expenses and may make disbursements 247313  
from the auxiliary services program administrative fund to pay 247314  
those expenses. 247315

(E) Upon receipt of a certification from the department of 247316  
education and workforce regarding a refund to a board of education 247317  
pursuant to section 3317.06 of the Revised Code, the director 247318  
shall issue a refund in the amount certified to the board from the 247319  
auxiliary services personnel unemployment compensation fund. 247320

**Sec. 4506.09.** (A) The registrar of motor vehicles, subject to 247321  
approval by the director of public safety, shall adopt rules 247322  
conforming with applicable standards adopted by the federal motor 247323  
carrier safety administration as regulations under Pub. L. No. 247324  
103-272, 108 Stat. 1014 to 1029 (1994), 49 U.S.C.A. 31301 to 247325  
31317. The rules shall establish requirements for the 247326  
qualification and testing of persons applying for a commercial 247327  
driver's license, which are in addition to other requirements 247328  
established by this chapter. Except as provided in division (B) of 247329  
this section, the highway patrol or any other employee of the 247330  
department of public safety the registrar authorizes shall 247331  
supervise and conduct the testing of persons applying for a 247332  
commercial driver's license. 247333

(B) The director may adopt rules, in accordance with Chapter 247334  
119. of the Revised Code and applicable requirements of the 247335  
federal motor carrier safety administration, authorizing the 247336  
skills test specified in this section to be administered by any 247337

person, by an agency of this or another state, or by an agency, 247338  
department, or instrumentality of local government. Each party 247339  
authorized under this division to administer the skills test may 247340  
charge a maximum divisible fee of one hundred fifteen dollars for 247341  
each skills test given as part of a commercial driver's license 247342  
examination. The fee shall consist of not more than twenty-seven 247343  
dollars for the pre-trip inspection portion of the test, not more 247344  
than twenty-seven dollars for the off-road maneuvering portion of 247345  
the test, and not more than sixty-one dollars for the on-road 247346  
portion of the test. Each such party may require an appointment 247347  
fee in the same manner provided in division (E)(2) of this 247348  
section, except that the maximum amount such a party may require 247349  
as an appointment fee is one hundred fifteen dollars. The skills 247350  
test administered by another party under this division shall be 247351  
the same as otherwise would be administered by this state. The 247352  
other party shall enter into an agreement with the director that, 247353  
without limitation, does all of the following: 247354

(1) Allows the director or the director's representative and 247355  
the federal motor carrier safety administration or its 247356

audits of the other party, whether covert or overt, without prior 247358  
notice; 247359

(2) Requires the director or the director's representative to 247360  
conduct on-site inspections of the other party at least annually; 247361

(3) Requires that all examiners of the other party meet the 247362  
same qualification and training standards as examiners of the 247363  
department of public safety, including criminal background checks, 247364  
to the extent necessary to conduct skills tests in the manner 247365  
required by 49 C.F.R. 383.110 through 383.135. In accordance with 247366  
federal guidelines, any examiner employed on July 1, 2017, shall 247367  
have a criminal background check conducted at least once, and any 247368  
examiner hired after July 1, 2015, shall have a criminal 247369

background check conducted after the examiner is initially hired. 247370

(4) Requires either that state employees take, at least 247371  
annually and as though the employees were test applicants, the 247372  
tests actually administered by the other party, that the director 247373  
test a sample of drivers who were examined by the other party to 247374  
compare the test results, or that state employees accompany a test 247375  
applicant during an actual test; 247376

(5) Unless the other party is a governmental entity, requires 247377  
the other party to initiate and maintain a bond in an amount 247378  
determined by the director to sufficiently pay for the retesting 247379  
of drivers in the event that the other party or its skills test 247380  
examiners are involved in fraudulent activities related to skills 247381  
testing; 247382

(6) Requires the other party to use only skills test 247383  
examiners who have successfully completed a commercial driver's 247384  
license examiner training course as prescribed by the director, 247385  
and have been certified by the state as a commercial driver's 247386  
license skills test examiner qualified to administer skills tests; 247387

(7) Requires the other party to use designated road test 247388  
routes that have been approved by the director; 247389

(8) Requires the other party to submit a schedule of skills 247390  
test appointments to the director not later than two business days 247391  
prior to each skills test; 247392

(9) Requires the other party to maintain copies of the 247393  
following records at its principal place of business: 247394

(a) The other party's commercial driver's license skills 247395  
testing program certificate; 247396

(b) Each skills test examiner's certificate of authorization 247397  
to administer skills tests for the classes and types of commercial 247398  
motor vehicles listed in the certificate; 247399

(c) Each completed skills test scoring sheet for the current 247400  
calendar year as well as the prior two calendar years; 247401

(d) A complete list of the test routes that have been 247402  
approved by the director; 247403

(e) A complete and accurate copy of each examiner's training 247404  
record. 247405

(10) If the other party also is a driver training school, 247406  
prohibits its skills test examiners from administering skills 247407  
tests to applicants that the examiner personally trained; 247408

(11) Requires each skills test examiner to administer a 247409  
complete skills test to a minimum of thirty-two different 247410  
individuals per calendar year; 247411

(12) Reserves to this state the right to take prompt and 247412  
appropriate remedial action against the other party and its skills 247413  
test examiners if the other party or its skills test examiners 247414  
fail to comply with standards of this state or federal standards 247415  
for the testing program or with any other terms of the contract. 247416

(C) The director shall enter into an agreement with the 247417  
department of education and workforce authorizing the skills test 247418  
specified in this section to be administered by the department at 247419  
any location operated by the department for purposes of training 247420  
and testing school bus drivers, provided that the agreement 247421  
between the director and the department complies with the 247422  
requirements of division (B) of this section. Skills tests 247423  
administered by the department shall be limited to persons 247424  
applying for a commercial driver's license with a school bus 247425  
endorsement. 247426

(D)(1) The director shall adopt rules, in accordance with 247427  
Chapter 119. of the Revised Code, authorizing waiver of the skills 247428  
test specified in this section for any applicant for a commercial 247429

all portions of the skills test and fails to appear at the time 247492  
and location specified for the appointment, the director shall not 247493  
refund any portion of the appointment fee. If the applicant 247494

and appears at the time and location specified for the 247496  
appointment, but declines or is unable to take all portions of the 247497  
skills test, the director shall not refund any portion of the 247498  
appointment fee. If the applicant cancels a scheduled appointment 247499

time, the applicant shall not forfeit the appointment fee. 247522

(3) The department of public safety shall deposit all fees it collects under division (E) of this section in the public safety - highway purposes fund established in section 4501.06 of the Revised Code.

completion of the skills test, this state shall electronically 247557  
transmit the applicant's results to the state where the person is 247558  
domiciled. If a person who is domiciled in this state takes a 247559  
skills test in another state, this state shall accept the results 247560  
of the skills test from the other state. If the person passed the 247561  
other state's skills test and meets all of the other licensing 247562  
requirements set forth in this chapter and rules adopted under 247563

the director or the director's representative shall take prompt 247573  
and appropriate remedial action against the party and its skills 247574

or such other restrictions applicable to the licensee as the 247651  
registrar determines to be necessary. 247652

The registrar may either issue a special restricted license 247653  
or may set forth upon the usual license form the restrictions 247654  
imposed. 247655

a joint vocational school district, designated by the department 247814  
of education and workforce as either a vocational education 247815  
planning district itself or as responsible for providing primary 247816  
vocational education leadership within a vocational education 247817  
planning district that is composed of a group of districts. A 247818  
"vocational education planning district" is a school district or 247819  
group of school districts designated by the department as 247820  
responsible for planning and providing vocational education 247821  
services to students within the district or group of districts. 247822

**Sec. 4511.21.** (A) No person shall operate a motor vehicle, 247823  
trackless trolley, or streetcar at a speed greater or less than is 247824  
reasonable or proper, having due regard to the traffic, surface, 247825  
and width of the street or highway and any other conditions, and 247826  
no person shall drive any motor vehicle, trackless trolley, or 247827  
streetcar in and upon any street or highway at a greater speed 247828  
than will permit the person to bring it to a stop within the 247829

assured clear distance ahead. 247830

(B) It is prima-facie lawful, in the absence of a lower limit 247831  
declared or established pursuant to this section by the director 247832  
of transportation or local authorities, for the operator of a 247833  
motor vehicle, trackless trolley, or streetcar to operate the same 247834  
at a speed not exceeding the following: 247835

(1)(a) Twenty miles per hour in school zones during school 247836  
recess and while children are going to or leaving school during 247837  
the opening or closing hours, and when twenty miles per hour 247838  
school speed limit signs are erected; except that, on 247839  
controlled-access highways and expressways, if the right-of-way 247840  
line fence has been erected without pedestrian opening, the speed 247841  
shall be governed by division (B)(4) of this section and on 247842  
freeways, if the right-of-way line fence has been erected without 247843  
pedestrian opening, the speed shall be governed by divisions 247844  
(B)(10) and (11) of this section. The end of every school zone may 247845  
be marked by a sign indicating the end of the zone. Nothing in 247846  
this section or in the manual and specifications for a uniform 247847  
system of traffic control devices shall be construed to require 247848  
school zones to be indicated by signs equipped with flashing or 247849  
other lights, or giving other special notice of the hours in which 247850  
the school zone speed limit is in effect. 247851

(b) As used in this section and in section 4511.212 of the 247852  
Revised Code, "school" means all of the following: 247853

(i) Any school chartered under section 3301.16 of the Revised 247854  
Code; 247855

(ii) Any nonchartered school that during the preceding year 247856  
filed with the department of education and workforce in compliance 247857  
with rule 3301-35-08 of the Ohio Administrative Code, a copy of 247858  
the school's report for the parents of the school's pupils 247859  
certifying that the school meets Ohio minimum standards for 247860

nonchartered, nontax-supported schools and presents evidence of 247861  
this filing to the jurisdiction from which it is requesting the 247862  
establishment of a school zone; 247863

(iii) Any special elementary school that in writing requests 247864  
the county engineer of the county in which the special elementary 247865  
school is located to create a school zone at the location of that 247866  
school. Upon receipt of such a written request, the county 247867  
engineer shall create a school zone at that location by erecting 247868  
the appropriate signs. 247869

(iv) Any preschool education program operated by an 247870  
educational service center that is located on a street or highway 247871  
with a speed limit of forty-five miles per hour or more, when the 247872  
educational service center in writing requests that the county 247873  
engineer of the county in which the program is located create a 247874  
school zone at the location of that program. Upon receipt of such 247875  
a written request, the county engineer shall create a school zone 247876  
at that location by erecting the appropriate signs. 247877

(c) As used in this section, "school zone" means that portion 247878  
of a street or highway passing a school fronting upon the street 247879  
or highway that is encompassed by projecting the school property 247880  
lines to the fronting street or highway, and also includes that 247881  
portion of a state highway. Upon request from local authorities 247882  
for streets and highways under their jurisdiction and that portion 247883  
of a state highway under the jurisdiction of the director of 247884  
transportation or a request from a county engineer in the case of 247885  
a school zone for a special elementary school, the director may 247886  
extend the traditional school zone boundaries. The distances in 247887  
divisions (B)(1)(c)(i), (ii), and (iii) of this section shall not 247888  
exceed three hundred feet per approach per direction and are 247889  
bounded by whichever of the following distances or combinations 247890  
thereof the director approves as most appropriate: 247891

(i) The distance encompassed by projecting the school 247892

building lines normal to the fronting highway and extending a 247893  
distance of three hundred feet on each approach direction; 247894

(ii) The distance encompassed by projecting the school 247895  
property lines intersecting the fronting highway and extending a 247896  
distance of three hundred feet on each approach direction; 247897

(iii) The distance encompassed by the special marking of the 247898  
pavement for a principal school pupil crosswalk plus a distance of 247899  
three hundred feet on each approach direction of the highway. 247900

Nothing in this section shall be construed to invalidate the 247901  
director's initial action on August 9, 1976, establishing all 247902  
school zones at the traditional school zone boundaries defined by 247903  
projecting school property lines, except when those boundaries are 247904  
extended as provided in divisions (B)(1)(a) and (c) of this 247905  
section. 247906

(d) As used in this division, "crosswalk" has the meaning 247907  
given that term in division (LL)(2) of section 4511.01 of the 247908  
Revised Code. 247909

The director may, upon request by resolution of the 247910  
legislative authority of a municipal corporation, the board of 247911  
trustees of a township, or a county board of developmental 247912  
disabilities created pursuant to Chapter 5126. of the Revised 247913  
Code, and upon submission by the municipal corporation, township, 247914  
or county board of such engineering, traffic, and other 247915  
information as the director considers necessary, designate a 247916  
school zone on any portion of a state route lying within the 247917  
municipal corporation, lying within the unincorporated territory 247918  
of the township, or lying adjacent to the property of a school 247919  
that is operated by such county board, that includes a crosswalk 247920  
customarily used by children going to or leaving a school during 247921  
recess and opening and closing hours, whenever the distance, as 247922  
measured in a straight line, from the school property line nearest 247923

the crosswalk to the nearest point of the crosswalk is no more 247924  
than one thousand three hundred twenty feet. Such a school zone 247925  
shall include the distance encompassed by the crosswalk and 247926  
extending three hundred feet on each approach direction of the 247927  
state route. 247928

(e) As used in this section, "special elementary school" 247929  
means a school that meets all of the following criteria: 247930

(i) It is not chartered and does not receive tax revenue from 247931  
any source. 247932

(ii) It does not educate children beyond the eighth grade. 247933

(iii) It is located outside the limits of a municipal 247934

school, but otherwise the principal or other person in charge does 247942  
not report any other information or data to the superintendent. 247943

(2) Twenty-five miles per hour in all other portions of a 247944  
municipal corporation, except on state routes outside business 247945

(3) Thirty-five miles per hour on all state routes or through 247948  
highways within municipal corporations outside business districts, 247949  
except as provided in divisions (B)(4) and (6) of this section; 247950

(4) Fifty miles per hour on controlled-access highways and 247951  
expressways within municipal corporations, except as provided in 247952  
divisions (B)(12), (13), (14), (15), and (16) of this section; 247953

and a limitation in division (D) of this section is alleged, the 248033  
defendant shall be charged in a single affidavit, alleging a 248034

limit declared or established pursuant to this section by the 248037  
director or local authorities, and of the limitation in division 248038  
(D) of this section. If the court finds a violation of division 248039  
(B)(1)(a), (2), (3), (4), (6), (7), (8), or (9) of, or a limit 248040  
declared or established pursuant to, this section has occurred, it 248041  
shall enter a judgment of conviction under such division and 248042  
dismiss the charge under division (D) of this section. If it finds 248043  
no violation of division (B)(1)(a), (2), (3), (4), (6), (7), (8), 248044  
or (9) of, or a limit declared or established pursuant to, this 248045  
section, it shall then consider whether the evidence supports a 248046

conviction under division (D) of this section. 248047

(G) Points shall be assessed for violation of a limitation 248048  
under division (D) of this section in accordance with section 248049  
4510.036 of the Revised Code. 248050

(H)(1) Whenever the director determines upon the basis of 248051  
criteria established by an engineering study, as defined by the 248052  
director, that any speed limit set forth in divisions (B)(1)(a) to 248053  
(D) of this section is greater or less than is reasonable or safe 248054  
under the conditions found to exist at any portion of a street or 248055  
highway under the jurisdiction of the director, the director shall 248056  
determine and declare a reasonable and safe prima-facie speed 248057  
limit, which shall be effective when appropriate signs giving 248058  
notice of it are erected at the location. 248059

(2) Whenever the director determines upon the basis of 248060  
criteria established by an engineering study, as defined by the 248061  
director, that the speed limit of fifty-five miles per hour on a 248062  
two-lane state route outside a municipal corporation is less than 248063  
is reasonable or safe under the conditions found to exist at that 248064  
portion of the state route, the director may determine and declare 248065  
a speed limit of sixty miles per hour for that portion of the 248066  
state route, which shall be effective when appropriate signs 248067  
giving notice of it are erected at the location. 248068

(3)(a) For purposes of the safe and orderly movement of 248069  
traffic upon any portion of a street or highway under the 248070  
jurisdiction of the director, the director may establish a 248071  
variable speed limit that is different than the speed limit 248072  
established by or under this section on all or portions of 248073  
interstate six hundred seventy, interstate two hundred 248074  
seventy-five, and interstate ninety commencing at the intersection 248075  
of that interstate with interstate seventy-one and continuing to 248076  
the border of the state of Ohio with the state of Pennsylvania. 248077  
The director shall establish criteria for determining the 248078

appropriate use of variable speed limits and shall establish 248079  
variable speed limits in accordance with the criteria. The 248080  
director may establish variable speed limits based upon the time 248081  
of day, weather conditions, traffic incidents, or other factors 248082  
that affect the safe speed on a street or highway. The director 248083  
shall not establish a variable speed limit that is based on a 248084  
particular type or class of vehicle. A variable speed limit 248085  
established by the director under this section is effective when 248086  
appropriate signs giving notice of the speed limit are displayed 248087  
at the location. 248088

(b) Except for variable speed limits established under 248089  
division (H)(3)(a) of this section, the director shall establish a 248090  
variable speed limit under the authority granted to the director 248091  
by this section on not more than two additional highways and only 248092  
pursuant to criteria established in rules adopted in accordance 248093  
with Chapter 119. of the Revised Code. The rules shall be based on 248094  
the criteria described in division (H)(3)(a) of this section. The 248095  
rules also shall establish the parameters of any engineering study 248096  
necessary for determining when variable speed limits are 248097  
appropriate. 248098

(4) Nothing in this section shall be construed to limit the 248099  
authority of the director to establish speed limits within a 248100  
construction zone as authorized under section 4511.98 of the 248101  
Revised Code. 248102

(I)(1) Except as provided in divisions (I)(2), (J), (K), and 248103  
(N) of this section, whenever local authorities determine upon the 248104  
basis of criteria established by an engineering study, as defined 248105  
by the director, that the speed permitted by divisions (B)(1)(a) 248106  
to (D) of this section, on any part of a highway under their 248107  
jurisdiction, is greater than is reasonable and safe under the 248108  
conditions found to exist at such location, the local authorities 248109  
may by resolution request the director to determine and declare a 248110

reasonable and safe prima-facie speed limit. Upon receipt of such 248111  
request the director may determine and declare a reasonable and 248112  
safe prima-facie speed limit at such location, and if the director 248113  
does so, then such declared speed limit shall become effective 248114  
only when appropriate signs giving notice thereof are erected at 248115  
such location by the local authorities. The director may withdraw 248116  
the declaration of a prima-facie speed limit whenever in the 248117  
director's opinion the altered prima-facie speed limit becomes 248118  
unreasonable. Upon such withdrawal, the declared prima-facie speed 248119  
limit shall become ineffective and the signs relating thereto 248120  
shall be immediately removed by the local authorities. 248121

(2) A local authority may determine on the basis of criteria 248122  
established by an engineering study, as defined by the director, 248123  
that the speed limit of sixty-five or seventy miles per hour on a 248124  
portion of a freeway under its jurisdiction is greater than is 248125  
reasonable or safe under the conditions found to exist at that 248126  
portion of the freeway. If the local authority makes such a 248127  
determination, the local authority by resolution may request the 248128  
director to determine and declare a reasonable and safe speed 248129  
limit of not less than fifty-five miles per hour for that portion 248130  
of the freeway. If the director takes such action, the declared 248131  
speed limit becomes effective only when appropriate signs giving 248132  
notice of it are erected at such location by the local authority. 248133

(J) Local authorities in their respective jurisdictions may 248134  
authorize by ordinance higher prima-facie speeds than those stated 248135  
in this section upon through highways, or upon highways or 248136  
portions thereof where there are no intersections, or between 248137  
widely spaced intersections, provided signs are erected giving 248138  
notice of the authorized speed, but local authorities shall not 248139  
modify or alter the basic rule set forth in division (A) of this 248140  
section or in any event authorize by ordinance a speed in excess 248141  
of the maximum speed permitted by division (D) of this section for 248142

the specified type of highway. 248143

Alteration of prima-facie limits on state routes by local 248144  
authorities shall not be effective until the alteration has been 248145  
approved by the director. The director may withdraw approval of 248146  
any altered prima-facie speed limits whenever in the director's 248147  
opinion any altered prima-facie speed becomes unreasonable, and 248148  
upon such withdrawal, the altered prima-facie speed shall become 248149  
ineffective and the signs relating thereto shall be immediately 248150  
removed by the local authorities. 248151

(K)(1) As used in divisions (K)(1), (2), (3), and (4) of this 248152  
section, "unimproved highway" means a highway consisting of any of 248153  
the following: 248154

(a) Unimproved earth; 248155

(b) Unimproved graded and drained earth; 248156

(c) Gravel. 248157

(2) Except as otherwise provided in divisions (K)(4) and (5) 248158  
of this section, whenever a board of township trustees determines 248159  
upon the basis of criteria established by an engineering study, as 248160  
defined by the director, that the speed permitted by division 248161  
(B)(5) of this section on any part of an unimproved highway under 248162  
its jurisdiction and in the unincorporated territory of the 248163  
township is greater than is reasonable or safe under the 248164  
conditions found to exist at the location, the board may by 248165  
resolution declare a reasonable and safe prima-facie speed limit 248166  
of fifty-five but not less than twenty-five miles per hour. An 248167  
altered speed limit adopted by a board of township trustees under 248168  
this division becomes effective when appropriate traffic control 248169  
devices, as prescribed in section 4511.11 of the Revised Code, 248170  
giving notice thereof are erected at the location, which shall be 248171  
no sooner than sixty days after adoption of the resolution. 248172

(3)(a) Whenever, in the opinion of a board of township 248173

trustees, any altered prima-facie speed limit established by the board under this division becomes unreasonable, the board may adopt a resolution withdrawing the altered prima-facie speed limit. Upon the adoption of such a resolution, the altered prima-facie speed limit becomes ineffective and the traffic control devices relating thereto shall be immediately removed.

(b) Whenever a highway ceases to be an unimproved highway and the board has adopted an altered prima-facie speed limit pursuant to division (K)(2) of this section, the board shall, by resolution, withdraw the altered prima-facie speed limit as soon as the highway ceases to be unimproved. Upon the adoption of such a resolution, the altered prima-facie speed limit becomes ineffective and the traffic control devices relating thereto shall be immediately removed.

(4)(a) If the boundary of two townships rests on the centerline of an unimproved highway in unincorporated territory and both townships have jurisdiction over the highway, neither of the boards of township trustees of such townships may declare an altered prima-facie speed limit pursuant to division (K)(2) of this section on the part of the highway under their joint jurisdiction unless the boards of township trustees of both of the townships determine, upon the basis of criteria established by an engineering study, as defined by the director, that the speed permitted by division (B)(5) of this section is greater than is reasonable or safe under the conditions found to exist at the location and both boards agree upon a reasonable and safe prima-facie speed limit of less than fifty-five but not less than twenty-five miles per hour for that location. If both boards so agree, each shall follow the procedure specified in division (K)(2) of this section for altering the prima-facie speed limit on the highway. Except as otherwise provided in division (K)(4)(b) of this section, no speed limit altered pursuant to division

(K)(4)(a) of this section may be withdrawn unless the boards of township trustees of both townships determine that the altered prima-facie speed limit previously adopted becomes unreasonable and each board adopts a resolution withdrawing the altered prima-facie speed limit pursuant to the procedure specified in division (K)(3)(a) of this section.

(b) Whenever a highway described in division (K)(4)(a) of this section ceases to be an unimproved highway and two boards of township trustees have adopted an altered prima-facie speed limit pursuant to division (K)(4)(a) of this section, both boards shall, by resolution, withdraw the altered prima-facie speed limit as soon as the highway ceases to be unimproved. Upon the adoption of the resolution, the altered prima-facie speed limit becomes ineffective and the traffic control devices relating thereto shall be immediately removed.

(5) As used in division (K)(5) of this section:

(a) "Commercial subdivision" means any platted territory outside the limits of a municipal corporation and fronting a highway where, for a distance of three hundred feet or more, the frontage is improved with buildings in use for commercial purposes, or where the entire length of the highway is less than three hundred feet long and the frontage is improved with buildings in use for commercial purposes.

(b) "Residential subdivision" means any platted territory outside the limits of a municipal corporation and fronting a highway, where, for a distance of three hundred feet or more, the frontage is improved with residences or residences and buildings in use for business, or where the entire length of the highway is less than three hundred feet long and the frontage is improved with residences or residences and buildings in use for business.

Whenever a board of township trustees finds upon the basis of

criteria established by an engineering study, as defined by the 248237  
director, that the prima-facie speed permitted by division (B)(5) 248238  
of this section on any part of a highway under its jurisdiction 248239  
that is located in a commercial or residential subdivision, except 248240  
on highways or portions thereof at the entrances to which 248241  
vehicular traffic from the majority of intersecting highways is 248242  
required to yield the right-of-way to vehicles on such highways in 248243  
obedience to stop or yield signs or traffic control signals, is 248244  
greater than is reasonable and safe under the conditions found to 248245  
exist at the location, the board may by resolution declare a 248246  
reasonable and safe prima-facie speed limit of less than 248247  
fifty-five but not less than twenty-five miles per hour at the 248248  
location. An altered speed limit adopted by a board of township 248249  
trustees under this division shall become effective when 248250  
appropriate signs giving notice thereof are erected at the 248251  
location by the township. Whenever, in the opinion of a board of 248252  
township trustees, any altered prima-facie speed limit established 248253  
by it under this division becomes unreasonable, it may adopt a 248254  
resolution withdrawing the altered prima-facie speed, and upon 248255  
such withdrawal, the altered prima-facie speed shall become 248256  
ineffective, and the signs relating thereto shall be immediately 248257  
removed by the township. 248258

(L)(1) The director of transportation, based upon an 248259  
engineering study, as defined by the director, of a highway, 248260  
expressway, or freeway described in division (B)(12), (13), (14), 248261  
(15), or (16) of this section, in consultation with the director 248262  
of public safety and, if applicable, the local authority having 248263  
jurisdiction over the studied highway, expressway, or freeway, may 248264  
determine and declare that the speed limit established on such 248265  
highway, expressway, or freeway under division (B)(12), (13), 248266  
(14), (15), or (16) of this section either is reasonable and safe 248267  
or is more or less than that which is reasonable and safe. 248268

(2) If the established speed limit for a highway, expressway, or freeway studied pursuant to division (L)(1) of this section is determined to be more or less than that which is reasonable and safe, the director of transportation, in consultation with the director of public safety and, if applicable, the local authority having jurisdiction over the studied highway, expressway, or freeway, shall determine and declare a reasonable and safe speed limit for that highway, expressway, or freeway.

(M)(1)(a) If the boundary of two local authorities rests on the centerline of a highway and both authorities have jurisdiction over the highway, the speed limit for the part of the highway within their joint jurisdiction shall be either one of the following as agreed to by both authorities:

(i) Either prima-facie speed limit permitted by division (B) of this section;

(ii) An altered speed limit determined and posted in accordance with this section.

(b) If the local authorities are unable to reach an agreement, the speed limit shall remain as established and posted under this section.

(2) Neither local authority may declare an altered prima-facie speed limit pursuant to this section on the part of the highway under their joint jurisdiction unless both of the local authorities determine, upon the basis of criteria established by an engineering study, as defined by the director, that the speed permitted by this section is greater than is reasonable or safe under the conditions found to exist at the location and both authorities agree upon a uniform reasonable and safe prima-facie speed limit of less than fifty-five but not less than twenty-five miles per hour for that location. If both authorities so agree, each shall follow the procedure specified in

this section for altering the prima-facie speed limit on the highway, and the speed limit for the part of the highway within their joint jurisdiction shall be uniformly altered. No altered speed limit may be withdrawn unless both local authorities determine that the altered prima-facie speed limit previously adopted becomes unreasonable and each adopts a resolution withdrawing the altered prima-facie speed limit pursuant to the procedure specified in this section.

(N) The legislative authority of a municipal corporation or township in which a boarding school is located, by resolution or ordinance, may establish a boarding school zone. The legislative authority may alter the speed limit on any street or highway within the boarding school zone and shall specify the hours during which the altered speed limit is in effect. For purposes of determining the boundaries of the boarding school zone, the altered speed limit within the boarding school zone, and the hours the altered speed limit is in effect, the legislative authority shall consult with the administration of the boarding school and with the county engineer or other appropriate engineer, as applicable. A boarding school zone speed limit becomes effective only when appropriate signs giving notice thereof are erected at the appropriate locations.

(O) As used in this section:

(1) "Interstate system" has the same meaning as in 23 U.S.C. 101.

(2) "Commercial bus" means a motor vehicle designed for carrying more than nine passengers and used for the transportation of persons for compensation.

(3) "Noncommercial bus" includes but is not limited to a school bus or a motor vehicle operated solely for the transportation of persons associated with a charitable or

nonprofit organization. 248331

(4) "Outerbelt" means a portion of a freeway that is part of 248332  
the interstate system and is located in the outer vicinity of a 248333  
major municipal corporation or group of municipal corporations, as 248334  
designated by the director. 248335

(5) "Rural" means an area outside urbanized areas and outside 248336  
of a business or urban district, and areas that extend within 248337  
urbanized areas where the roadway characteristics remain mostly 248338  
unchanged from those outside the urbanized areas. 248339

(6) "Urbanized area" has the same meaning as in 23 U.S.C. 248340  
101. 248341

(7) "Divided" means a roadway having two or more travel lanes 248342  
for vehicles moving in opposite directions and that is separated 248343  
by a median of more than four feet, excluding turn lanes. 248344

(P)(1) A violation of any provision of this section is one of 248345  
the following: 248346

(a) Except as otherwise provided in divisions (P)(1)(b), 248347  
(1)(c), (2), and (3) of this section, a minor misdemeanor; 248348

(b) If, within one year of the offense, the offender 248349  
previously has been convicted of or pleaded guilty to two 248350  
violations of any provision of this section or of any provision of 248351  
a municipal ordinance that is substantially similar to any 248352  
provision of this section, a misdemeanor of the fourth degree; 248353

(c) If, within one year of the offense, the offender 248354  
previously has been convicted of or pleaded guilty to three or 248355

degree. 248359

(2) If the offender operated a motor vehicle faster than 248360

thirty-five miles an hour in a business district of a municipal corporation, faster than fifty miles an hour in other portions of a municipal corporation, or faster than thirty-five miles an hour in a school zone during recess or while children are going to or leaving school during the school's opening or closing hours, a misdemeanor of the fourth degree. Division (P)(2) of this section does not apply if penalties may be imposed under division (P)(1)(b) or (c) of this section.

(3) Notwithstanding division (P)(1) of this section, if the offender operated a motor vehicle in a construction zone where a sign was then posted in accordance with section 4511.98 of the Revised Code, the court, in addition to all other penalties provided by law, shall impose upon the offender a fine of two times the usual amount imposed for the violation. No court shall impose a fine of two times the usual amount imposed for the violation upon an offender if the offender alleges, in an affidavit filed with the court prior to the offender's sentencing, that the offender is indigent and is unable to pay the fine imposed pursuant to this division and if the court determines that the offender is an indigent person and unable to pay the fine.

(4) If the offender commits the offense while distracted and the distracting activity is a contributing factor to the commission of the offense, the offender is subject to the additional fine established under section 4511.991 of the Revised Code.

**Sec. 4511.75.** (A) The driver of a vehicle, streetcar, or trackless trolley upon meeting or overtaking from either direction any school bus stopped for the purpose of receiving or discharging any school child, person attending programs offered by community boards of mental health and county boards of developmental disabilities, or child attending a program offered by a head start

agency, shall stop at least ten feet from the front or rear of the 248392  
school bus and shall not proceed until such school bus resumes 248393  
motion, or until signaled by the school bus driver to proceed. 248394

It is no defense to a charge under this division that the 248395  
school bus involved failed to display or be equipped with an 248396  
automatically extended stop warning sign as required by division 248397  
(B) of this section. 248398

(B) Every school bus shall be equipped with amber and red 248399  
visual signals meeting the requirements of section 4511.771 of the 248400  
Revised Code, and an automatically extended stop warning sign of a 248401  
type approved by the ~~state board~~ department of education and 248402  
workforce, which shall be actuated by the driver of the bus 248403  
whenever but only whenever the bus is stopped or stopping on the 248404  
roadway for the purpose of receiving or discharging school 248405  
children, persons attending programs offered by community boards 248406  
of mental health and county boards of developmental disabilities, 248407  
or children attending programs offered by head start agencies. A 248408  
school bus driver shall not actuate the visual signals or the stop 248409  
warning sign in designated school bus loading areas where the bus 248410  
is entirely off the roadway or at school buildings when children 248411  
or persons attending programs offered by community boards of 248412  
mental health and county boards of developmental disabilities are 248413  
loading or unloading at curbside or at buildings when children 248414  
attending programs offered by head start agencies are loading or 248415  
unloading at curbside. The visual signals and stop warning sign 248416  
shall be synchronized or otherwise operated as required by rule of 248417  
the board. 248418

(C) Where a highway has been divided into four or more 248419  
traffic lanes, a driver of a vehicle, streetcar, or trackless 248420  
trolley need not stop for a school bus approaching from the 248421  
opposite direction which has stopped for the purpose of receiving 248422  
or discharging any school child, persons attending programs 248423

offered by community boards of mental health and county boards of 248424  
developmental disabilities, or children attending programs offered 248425  
by head start agencies. The driver of any vehicle, streetcar, or 248426  
trackless trolley overtaking the school bus shall comply with 248427  
division (A) of this section. 248428

(D) School buses operating on divided highways or on highways 248429  
with four or more traffic lanes shall receive and discharge all 248430  
school children, persons attending programs offered by community 248431  
boards of mental health and county boards of developmental 248432  
disabilities, and children attending programs offered by head 248433  
start agencies on their residence side of the highway. 248434

(E) No school bus driver shall start the driver's bus until 248435  
after any child, person attending programs offered by community 248436  
boards of mental health and county boards of developmental 248437  
disabilities, or child attending a program offered by a head start 248438  
agency who may have alighted therefrom has reached a place of 248439  
safety on the child's or person's residence side of the road. 248440

(F)(1) Whoever violates division (A) of this section may be 248441  
fined an amount not to exceed five hundred dollars. A person who 248442  
is issued a citation for a violation of division (A) of this 248443  
section is not permitted to enter a written plea of guilty and 248444  
waive the person's right to contest the citation in a trial but 248445  
instead must appear in person in the proper court to answer the 248446  
charge. 248447

(2) In addition to and independent of any other penalty 248448  
provided by law, the court or mayor may impose upon an offender 248449  
who violates this section a class seven suspension of the 248450  
offender's driver's license, commercial driver's license, 248451  
temporary instruction permit, probationary license, or nonresident 248452  
operating privilege from the range specified in division (A)(7) of 248453  
section 4510.02 of the Revised Code. When a license is suspended 248454  
under this section, the court or mayor shall cause the offender to 248455

deliver the license to the court, and the court or clerk of the 248456  
court immediately shall forward the license to the registrar of 248457  
motor vehicles, together with notice of the court's action. 248458

(G) As used in this section: 248459

(1) "Head start agency" has the same meaning as in section 248460  
3301.32 of the Revised Code. 248461

(2) "School bus," as used in relation to children who attend 248462  
a program offered by a head start agency, means a bus that is 248463  
owned and operated by a head start agency, is equipped with an 248464  
automatically extended stop warning sign of a type approved by the 248465  
~~state board of education~~ department, is painted the color and 248466  
displays the markings described in section 4511.77 of the Revised 248467  
Code, and is equipped with amber and red visual signals meeting 248468

(3) If an eligible offender's stated prison term expires at any time during the eligible offender's participation in the shock incarceration program, the adult parole authority shall terminate the eligible offender's participation in the program and shall issue to the eligible offender a certificate of expiration of the stated prison term.

(D) The director shall keep sentencing courts informed of the performance of eligible offenders serving their sentences of imprisonment as a sentence of shock incarceration, including, but

**Sec. 5513.04.** (A) Notwithstanding sections 125.12, 125.13, 251944  
and 125.14 of the Revised Code, the director of transportation may 251945  
sell, transfer, or otherwise dispose of any item of personal 251946  
property that is not needed by the department of transportation. 251947  
The director may exchange any such item, in the manner provided 251948  
for in this chapter, and pay the balance of the cost of such new 251949  
item from funds appropriated to the department. The director also 251950  
may accept a credit voucher or cash in an amount mutually agreed 251951  
upon between a vendor and the department. The director shall apply 251952  
the amount of any credit voucher to future purchases from that 251953  
vendor and shall deposit any cash into the state treasury to the 251954  
credit of the highway operating fund created in section 5735.051 251955  
of the Revised Code. 251956

(B)(1) The director may sell or transfer any structure, 251957  
machinery, tools, equipment, parts, material, office furniture, or 251958  
supplies unfit for use or not needed by the department of 251959  
transportation to any agency of the state or a political 251960  
subdivision of the state without notice of the proposed disposal 251961  
and upon any mutually agreed upon terms. 251962

(2) Before selling any passenger vehicle, van, truck, 251963  
trailer, or other heavy equipment, the director shall notify each 251964  
county, municipal corporation, township, and school district of 251965  
the sale. The director shall similarly notify the board of 251966  
trustees of any regional water and sewer district established 251967  
under Chapter 6119. of the Revised Code, when the board has 251968

forwarded to the director the district's name and current business 251969  
address. For the purposes of this division, the name and current 251970  
business address of a regional water and sewer district shall be 251971  
forwarded to the director once each year during any year in which 251972  
the board wishes the notification to be given. The notice required 251973  
by this division may be given by the most economical means 251974  
considered to be effective. If after seven days following mailing 251975  
or other issuance of the director's notice, no county, municipal 251976  
corporation, township, regional water and sewer district, 251977  
educational service center, or school district has notified the 251978  
director that it wishes to purchase any such vehicle or other 251979  
heavy equipment, the director may proceed with the sale under 251980  
division (C) of this section. 251981

In the discretion of the director, the director may transfer 251982  
any vehicle or other heavy equipment that is unfit for use or not 251983  
needed by the department to any agency of the state or political 251984  
subdivision of the state without advertising for bids and upon 251985  
mutually agreed upon terms. 251986

(3) The director may sell or otherwise dispose of any 251987  
structure or structural materials salvaged on the state highway 251988  
system that in the director's judgment are no longer needed by the 251989  
department, or that, through wear or obsolescence, have become 251990  
unfit for use. The director may transfer the structure or 251991  
materials to counties, municipal corporations, school districts, 251992  
or other political subdivisions without advertising for bids and 251993  
upon mutually agreed upon terms. The director may transfer the 251994  
structure or structural materials to a nonprofit corporation upon 251995  
being furnished a copy of a contract between the nonprofit 251996  
corporation and a county, municipal corporation, or other 251997  
political subdivision to which the structure is to be moved 251998  
pursuant to which the nonprofit corporation must make the 251999  
structure or structural materials available for rent or sale 252000

within a period of three months after becoming available for 252001  
occupancy to an individual or family which has been displaced by 252002  
governmental action or which occupies substandard housing as 252003  
certified by such political subdivision, without advertising for 252004  
bids. Any such transfers shall be for such consideration as shall 252005  
be determined by the director to be fair and reasonable, and shall 252006  
be upon such terms and specifications with respect to performance 252007  
and indemnity as shall be determined necessary by the director. 252008

When, in carrying out an improvement that replaces any 252009  
structure or structural materials, it is advantageous to dispose 252010  
of the structure or structural materials by providing in the 252011  
contract for the improvement that the structure or structural 252012  
materials, or any part thereof, shall become the property of the 252013  
contractor, the director may so proceed. 252014

(C)(1) Any item that has not been sold or transferred as 252015  
provided in division (B) of this section may be sold at a public 252016  
sale, as determined by the director. The director may authorize 252017  
such sale by the deputy directors of transportation, and the 252018  
proceedings of such sale shall be conducted in the same manner as 252019  
provided for sales by the director. The director may establish a 252020  
minimum price for any item to be sold and may establish any other 252021  
terms, conditions, and manner for the sale of a particular item, 252022  
which may be on any basis the director determines to be most 252023  
advantageous to the department. The director may reject any offer 252024  
or bid for an item. The director may remove any item from a sale 252025  
if it develops that a public authority has a use for the item. In 252026  
any notice of a sale, the director shall include a brief 252027  
description of the item to be sold, the terms and conditions of 252028  
the sale, and a statement of the time, place, and manner of the 252029  
sale. 252030

(2)(a) If, in the opinion of the director, any item to be 252031  
sold has an estimated fair market value in excess of one thousand 252032

dollars, the director shall post a notice of the sale, for not 252033  
less than ten days, on the official web site of the department. If 252034  
the district where the property is located maintains a web site, 252035  
notice of the sale also shall be posted on that web site. At least 252036  
ten days before the sale, the director also shall publish one 252037  
notice of the sale in a periodical or newspaper of general 252038  
circulation in the region in which the items are located. A sale 252039  
under division (C)(2)(a) of this section shall be made to the 252040  
highest responsible bidder. 252041

(b) If, in the opinion of the director, any item to be sold 252042  
has an estimated fair market value of one thousand dollars or 252043  
less, the director is not required to advertise the proposed sale 252044  
except by notice posted on the official web site of the 252045  
department. The notice shall be posted for at least five working 252046  
days. A sale under division (C)(2)(b) of this section shall be 252047  
made to the highest responsible bidder. 252048

(D) Proceeds of any sale described in this section shall be 252049  
paid into the state treasury to the credit of the highway 252050  
operating fund or any other fund of the department as determined 252051  
by the director. 252052

(E) Once each year, the ~~state board~~ department of education 252053  
and workforce shall provide the director with a current list of 252054  
the addresses of all school districts and educational service 252055  
centers in the state. 252056

expected and that additional notes should not be issued, the 252318  
~~superintendent~~ director may deny the application and give written 252319  
notice of the denial to the president of the district's board of 252320

**Sec. 5705.391.** (A) The department of education and workforce 252324  
and the auditor of state shall jointly adopt rules requiring 252325  
boards of education to submit five-year projections of operational 252326  
revenues and expenditures. The rules shall provide for the auditor 252327  
of state or the department to examine the five-year projections 252328  
and to determine whether any further fiscal analysis is needed to 252329  
ascertain whether a district has the potential to incur a deficit 252330  
during the first three years of the five-year period. 252331

The auditor of state or the department may conduct any 252332  
further audits or analyses necessary to assess any district's 252333  
fiscal condition. If further audits or analyses are conducted by 252334  
the auditor of state, the auditor of state shall notify the 252335  
department of the district's fiscal condition, and the department 252336  
shall immediately notify the district of any potential to incur a 252337  
deficit in the current fiscal year or of any strong indications 252338  
that a deficit will be incurred in either of the ensuing two 252339  
years. If such audits or analyses are conducted by the department, 252340  
the department shall immediately notify the district and the 252341  
auditor of state of such potential deficit or strong indications 252342  
thereof. 252343

A district notified under this section shall take immediate steps to eliminate any deficit in the current fiscal year and shall begin to plan to avoid the projected future deficits.

(B) The state board of education, in accordance with sections 3319.31 and 3319.311 of the Revised Code, may limit, suspend, or revoke a license as defined under section 3319.31 of the Revised Code that has been issued to any school employee found to have willfully contributed erroneous, inaccurate, or incomplete data required for the submission of the five-year projection required by this section.

(C) The department and the auditor of state, in their joint adoption of rules under division (A) of this section, shall not require a board of education to submit its five-year projection of operational revenues and expenditures prior to the thirtieth day of November of any fiscal year.

**Sec. 5705.412.** (A) As used in this section, "qualifying contract" means any agreement for the expenditure of money under which aggregate payments from the funds included in the school district's five-year forecast under section 5705.391 of the Revised Code will exceed the lesser of the following amounts:

(1) Five hundred thousand dollars;

(2) One per cent of the total revenue to be credited in the current fiscal year to the district's general fund, as specified in the district's most recent certificate of estimated resources certified under section 5705.36 of the Revised Code.

(B)(1) Notwithstanding section 5705.41 of the Revised Code, no school district shall adopt any appropriation measure, make any qualifying contract, or increase during any school year any wage or salary schedule unless there is attached thereto a certificate, signed as required by this section, that the school district has

in effect the authorization to levy taxes including the renewal or replacement of existing levies which, when combined with the estimated revenue from all other sources available to the district at the time of certification, are sufficient to provide the operating revenues necessary to enable the district to maintain all personnel and programs for all the days set forth in its adopted school calendars for the current fiscal year and for a number of days in succeeding fiscal years equal to the number of days instruction was held or is scheduled for the current fiscal year, as follows:

(a) A certificate attached to an appropriation measure under this section shall cover only the fiscal year in which the appropriation measure is effective and shall not consider the renewal or replacement of an existing levy as the authority to levy taxes that are subject to appropriation in the current fiscal year unless the renewal or replacement levy has been approved by the electors and is subject to appropriation in the current fiscal year.

(b) A certificate attached, in accordance with this section, to any qualifying contract shall cover the term of the contract.

(c) A certificate attached under this section to a wage or salary schedule shall cover the term of the schedule.

If the board of education has not adopted a school calendar for the school year beginning on the first day of the fiscal year in which a certificate is required, the certificate attached to an appropriation measure shall include the number of days on which instruction was held in the preceding fiscal year and other certificates required under this section shall include that number of days for the fiscal year in which the certificate is required and any succeeding fiscal years that the certificate must cover.

The certificate shall be signed by the treasurer and

president of the board of education and the superintendent of the 252405  
school district, unless the district is in a state of fiscal 252406  
emergency declared under Chapter 3316. of the Revised Code. In 252407  
that case, the certificate shall be signed by a member of the 252408  
district's financial planning and supervision commission who is 252409  
designated by the commission for this purpose. 252410

(2) In lieu of the certificate required under division (B) of 252411  
this section, an alternative certificate stating the following may 252412  
be attached: 252413

(a) The contract is a multi-year contract for materials, 252414  
equipment, or nonpayroll services essential to the education 252415  
program of the district; 252416

(b) The multi-year contract demonstrates savings over the 252417  
duration of the contract as compared to costs that otherwise would 252418  
have been demonstrated in a single year contract, and the terms 252419  
will allow the district to reduce the deficit it is currently 252420  
facing in future years as demonstrated in its five-year forecast 252421  
adopted in accordance with section 5705.391 of the Revised Code. 252422

The certificate shall be signed by the treasurer and 252423  
president of the board of education and the superintendent of the 252424  
school district, unless the district is in a state of fiscal 252425  
emergency declared under Chapter 3316. of the Revised Code. In 252426  
that case, the certificate shall be signed by a member of the 252427  
district's financial planning and supervision commission who is 252428  
designated by the commission for this purpose. 252429

(C) Every qualifying contract made or wage or salary schedule 252430  
adopted or put into effect without such a certificate shall be 252431  
void, and no payment of any amount due thereon shall be made. 252432

(D) The department of education and workforce and the auditor 252433  
of state jointly shall adopt rules governing the methods by which 252434  
treasurers, presidents of boards of education, superintendents, 252435

and members of financial planning and supervision commissions 252436  
shall estimate revenue and determine whether such revenue is 252437  
sufficient to provide necessary operating revenue for the purpose 252438  
of making certifications required by this section. 252439

(E) The auditor of state shall be responsible for determining 252440  
whether school districts are in compliance with this section. At 252441  
the time a school district is audited pursuant to section 117.11 252442  
of the Revised Code, the auditor of state shall review each 252443  
certificate issued under this section since the district's last 252444  
audit, and the appropriation measure, contract, or wage and salary 252445  
schedule to which such certificate was attached. If the auditor of 252446  
state determines that a school district has not complied with this 252447  
section with respect to any qualifying contract or wage or salary 252448  
schedule, the auditor of state shall notify the prosecuting 252449  
attorney for the county, the city director of law, or other chief 252450  
law officer of the school district. That officer may file a civil 252451  
action in any court of appropriate jurisdiction to seek a 252452  
declaration that the contract or wage or salary schedule is void, 252453  
to recover for the school district from the payee the amount of 252454  
payments already made under it, or both, except that the officer 252455  
shall not seek to recover payments made under any collective 252456  
bargaining agreement entered into under Chapter 4117. of the 252457  
Revised Code. If the officer does not file such an action within 252458  
one hundred twenty days after receiving notice of noncompliance 252459  
from the auditor of state, any taxpayer may institute the action 252460  
in the taxpayer's own name on behalf of the school district. 252461

(F) This section does not apply to any contract or increase 252462  
in any wage or salary schedule that is necessary in order to 252463  
enable a board of education to comply with division (B) of section 252464  
3317.13 of the Revised Code, provided the contract or increase 252465  
does not exceed the amount required to be paid to be in compliance 252466  
with such division. 252467

(G) Any officer, employee, or other person who expends or 252468  
authorizes the expenditure of any public funds or authorizes or 252469  
executes any contract or schedule contrary to this section, 252470

void contract or schedule, or issues a certificate under this 252472  
section which contains any false statements is liable to the 252473  
school district for the full amount paid from the district's funds 252474  
on the contract or schedule. The officer, employee, or other 252475  
person is jointly and severally liable in person and upon any 252476  
official bond that the officer, employee, or other person has 252477  
given to the school district to the extent of any payments on the 252478  
void claim, not to exceed ten thousand dollars. However, no 252479  
officer, employee, or other person shall be liable for a mistaken 252480  
estimate of available resources made in good faith and based upon 252481  
reasonable grounds. If an officer, employee, or other person is 252482  
found to have complied with rules jointly adopted by the 252483  
department of education and workforce and the auditor of state 252484  
under this section governing methods by which revenue shall be 252485  
estimated and determined sufficient to provide necessary operating 252486  
revenue for the purpose of making certifications required by this 252487  
section, the officer, employee, or other person shall not be 252488  
liable under this section if the estimates and determinations made 252489  
according to those rules do not, in fact, conform with actual 252490  
revenue. The prosecuting attorney of the county, the city director 252491  
of law, or other chief law officer of the district shall enforce 252492  
this liability by civil action brought in any court of appropriate 252493  
jurisdiction in the name of and on behalf of the school district. 252494  
If the prosecuting attorney, city director of law, or other chief 252495  
law officer of the district fails, upon the written request of any 252496  
taxpayer, to institute action for the enforcement of the 252497  
liability, the attorney general, or the taxpayer in the taxpayer's 252498  
own name, may institute the action on behalf of the subdivision. 252499

employment with, any employees or officers of the school district. 252503

(2) The measure will not be in effect on or after the 252510  
thirtieth day following the earliest date on which the district 252511  
may pass an annual appropriation measure; 252512

(3) An amended official certificate of estimated resources 252513  
for the current year, if required, has not been certified to the 252514

adopted by the board of deposit, shall clearly post a notice in 255504  
the entity's office, and shall notify each person making a payment 255505  
by such a device, about the surcharge or fee. Notice to each 255506

device and the payment is returned or dishonored for any reason, 255522  
the person is liable to the state for the state expense and any 255523  
reimbursable costs for collection, including banking charges, 255524  
legal fees, or other expenses incurred by the state in collecting 255525  
the returned or dishonored payment. The remedies and procedures 255526  
provided in this section are in addition to any other available 255527  
civil or criminal remedies provided by law. 255528

transaction device issuer or other guarantor of payment in the 255534  
transaction, the underlying obligation survives and the state 255535  
shall retain all remedies for enforcement that would have applied 255536

by the governing board, said board may designate as a public 256076  
depository of the active deposits of the public moneys of the 256077  
subdivision, one or more institutions of the kind mentioned in 256078  
section 135.03 of the Revised Code, subject to the requirements of 256079

or 135.182 of the Revised Code, Chapter 135. of the Revised Code 256085

(c) Minority banks have been unsuccessful in competing under Chapter 135. of the Revised Code for the award of federal funds; 256100  
256101

(d) This division contains safeguards for the protection of the general public and the banking industry, since it provides the governing board of the state or political subdivision with permissive authority in the award of deposits; limits the authority of the governing board to the award of federal funds; and subjects minority banks to certain limitations of Chapter 135. of the Revised Code, including the requirement that, as in the case of every financial institution subject to Chapter 135. of the Revised Code, a minority bank pledge certain securities for repayment of the deposits. 256102  
256103  
256104

256106  
256107  
256108  
256109  
256110  
256111

(3) The purpose of this division is to recognize that the state has a substantial and compelling interest in encouraging the establishment, development, and stability of minority banks by facilitating their access to the award of federal funds, while ensuring the protection of the general public and the banking industry. 256112

of which agreement the treasurer or governing board purchases, and 256412  
such institution or dealer agrees unconditionally to repurchase 256413  
any of the securities listed in divisions (D)(1) to (5), except 256414

basis. The agreement shall contain the requirement that for each 256428  
transaction pursuant to the agreement the participating 256429  
institution or dealer shall provide all of the following 256430  
information: 256431

(1) The par value of the securities; 256432

(3) A numerical identifier generally accepted in the 256434  
securities industry that designates the securities. 256435

No treasurer or governing board shall enter into a written 256436  
repurchase agreement under the terms of which the treasurer or 256437  
governing board agrees to sell securities owned by the subdivision 256438  
to a purchaser and agrees with that purchaser to unconditionally 256439  
repurchase those securities. 256440

(F) No treasurer or governing board shall make an investment 256441  
under this section, unless the treasurer or governing board, at 256442  
the time of making the investment, reasonably expects that the 256443  
investment can be held until its maturity. 256444

(G) No treasurer or governing board shall pay interim moneys 256445  
into a fund established by another subdivision, treasurer, 256446  
governing board, or investing authority, if that fund was 256447  
established for the purpose of investing the public moneys of 256448  
other subdivisions. This division does not apply to the payment of 256449  
public moneys into either of the following: 256450

(1) The Ohio subdivision's fund pursuant to division (B)(6) 256451  
of this section; 256452

(2) A fund created solely for the purpose of acquiring, 256453  
constructing, owning, leasing, or operating municipal utilities 256454  
pursuant to the authority provided under section 715.02 of the 256455  
Revised Code or Section 4 of Article XVIII, Ohio Constitution. 256456

For purposes of division (G) of this section, "subdivision" 256457  
includes a county. 256458

(H) The use of leverage, in which the treasurer or governing 256459  
board uses its current investment assets as collateral for the 256460  
purpose of purchasing other assets, is prohibited. The issuance of 256461  
taxable notes for the purpose of arbitrage is prohibited. 256462  
Contracting to sell securities that have not yet been acquired by 256463  
the treasurer or governing board, for the purpose of purchasing 256464  
such securities on the speculation that bond prices will decline, 256465  
is prohibited. 256466

(I) Whenever, during a period of designation, the treasurer 256467  
classifies public moneys as interim moneys, the treasurer shall 256468  
notify the governing board of such action. The notification shall 256469  
be given within thirty days after such classification and in the 256470  
event the governing board does not concur in such classification 256471

or in the investments or deposits made under this section, the 256472  
governing board may order the treasurer to sell or liquidate any 256473  
of such investments or deposits, and any such order shall 256474  
specifically describe the investments or deposits and fix the date 256475  
upon which they are to be sold or liquidated. Investments or 256476  
deposits so ordered to be sold or liquidated shall be sold or 256477  
liquidated for cash by the treasurer on the date fixed in such 256478  
order at the then current market price. Neither the treasurer nor 256479  
the members of the board shall be held accountable for any loss 256480  
occasioned by sales or liquidations of investments or deposits at 256481  
prices lower than their cost. Any loss or expense incurred in 256482  
making such sales or liquidations is payable as other expenses of 256483  
the treasurer's office. 256484

(J) If any investments or deposits purchased under the 256485  
authority of this section are issuable to a designated payee or to 256486  
the order of a designated payee, the name of the treasurer and the 256487  
title of the treasurer's office shall be so designated. If any 256488  
such securities are registrable either as to principal or 256489  
interest, or both, then such securities shall be registered in the 256490  
name of the treasurer as such. 256491

(K) The treasurer is responsible for the safekeeping of all 256492  
documents evidencing a deposit or investment acquired by the 256493  
treasurer under this section. Any securities may be deposited for 256494  
safekeeping with a qualified trustee as provided in section 135.18 256495  
of the Revised Code, except the delivery of securities acquired 256496  
under any repurchase agreement under this section shall be made to 256497  
a qualified trustee, provided, however, that the qualified trustee 256498  
shall be required to report to the treasurer, governing board, 256499  
auditor of state, or an authorized outside auditor at any time 256500  
upon request as to the identity, market value, and location of the 256501  
document evidencing each security, and that if the participating 256502  
institution is a designated depository of the subdivision for the 256503

current period of designation, the securities that are the subject 256504  
of the repurchase agreement may be delivered to the treasurer or 256505  
held in trust by the participating institution on behalf of the 256506  
subdivision. Interest earned on any investments or deposits 256507  
authorized by this section shall be collected by the treasurer and 256508  
credited by the treasurer to the proper fund of the subdivision. 256509

Upon the expiration of the term of office of a treasurer or 256510  
in the event of a vacancy in the office of treasurer by reason of 256511  
death, resignation, removal from office, or otherwise, the 256512  
treasurer or the treasurer's legal representative shall transfer 256513  
and deliver to the treasurer's successor all documents evidencing 256514  
a deposit or investment held by the treasurer. For the investments 256515  
and deposits so transferred and delivered, such treasurer shall be 256516  
credited with and the treasurer's successor shall be charged with 256517  
the amount of money held in such investments and deposits. 256518

(L) Whenever investments or deposits acquired under this 256519  
section mature and become due and payable, the treasurer shall 256520  
present them for payment according to their tenor, and shall 256521  
collect the moneys payable thereon. The moneys so collected shall 256522  
be treated as public moneys subject to sections 135.01 to 135.21 256523  
of the Revised Code. 256524

(M)(1) All investments, except for investments in securities 256525  
described in divisions (B)(5) and (6) of this section and for 256526  
investments by a municipal corporation in the issues of such 256527  
municipal corporation, shall be made only through a member of the 256528  
financial industry regulatory authority (FINRA), through a bank, 256529  
savings bank, or savings and loan association regulated by the 256530  
superintendent of financial institutions, or through an 256531  
institution regulated by the comptroller of the currency, federal 256532  
deposit insurance corporation, or board of governors of the 256533  
federal reserve system. 256534

(2) Payment for investments shall be made only upon the 256535

delivery of securities representing such investments to the 256536  
treasurer, governing board, or qualified trustee. If the 256537  
securities transferred are not represented by a certificate, 256538  
payment shall be made only upon receipt of confirmation of 256539  
transfer from the custodian by the treasurer, governing board, or 256540  
qualified trustee. 256541

(N) In making investments authorized by this section, a 256542  
treasurer or governing board may retain the services of an 256543  
investment advisor, provided the advisor is licensed by the 256544  
division of securities under section 1707.141 of the Revised Code 256545  
or is registered with the securities and exchange commission, and 256546  
possesses experience in public funds investment management, 256547  
specifically in the area of state and local government investment 256548  
portfolios, or the advisor is an eligible institution mentioned in 256549  
section 135.03 of the Revised Code. 256550

(O)(1) Except as otherwise provided in divisions (O)(2) and 256551  
(3) of this section, no treasurer or governing board shall make an 256552  
investment or deposit under this section, unless there is on file 256553  
with the auditor of state a written investment policy approved by 256554  
the treasurer or governing board. The policy shall require that 256555  
all entities conducting investment business with the treasurer or 256556  
governing board shall sign the investment policy of that 256557  
subdivision. All brokers, dealers, and financial institutions, 256558  
described in division (M)(1) of this section, initiating 256559  
transactions with the treasurer or governing board by giving 256560  
advice or making investment recommendations shall sign the 256561  
treasurer's or governing board's investment policy thereby 256562  
acknowledging their agreement to abide by the policy's contents. 256563  
All brokers, dealers, and financial institutions, described in 256564  
division (M)(1) of this section, executing transactions initiated 256565  
by the treasurer or governing board, having read the policy's 256566  
contents, shall sign the investment policy thereby acknowledging 256567

their comprehension and receipt. 256568

(2) If a written investment policy described in division 256569  
(O)(1) of this section is not filed on behalf of the subdivision 256570  
with the auditor of state, the treasurer or governing board of 256571  
that subdivision shall invest the subdivision's interim moneys 256572  
only in interim deposits pursuant to division (B)(3) of this 256573  
section or interim deposits pursuant to section 135.145 of the 256574  
Revised Code and approved by the treasurer of state, no-load money 256575  
market mutual funds pursuant to division (B)(5) of this section, 256576  
or the Ohio subdivision's fund pursuant to division (B)(6) of this 256577  
section. 256578

a treasurer or governing board of a subdivision whose average 256580  
annual portfolio of investments held pursuant to this section is 256581  
one hundred thousand dollars or less, provided that the treasurer 256582  
or governing board certifies, on a form prescribed by the auditor 256583

settle any controversy that may arise out of the agreement, 256590  
including any controversy pertaining to losses of public moneys 256591  
resulting from investment or deposit. The arbitration provision 256592  
shall be set forth entirely in the agreement, and the agreement 256593  
shall include a conspicuous notice to the parties that any party 256594  
to the arbitration may apply to the court of common pleas of the 256595  
county in which the arbitration was held for an order to vacate, 256596  
modify, or correct the award. Any such party may also apply to the 256597  
court for an order to change venue to a court of common pleas 256598  
located more than one hundred miles from the county in which the 256599

frequency as determined by the treasurer of state. 257074

(D) In order for a public depository to receive public moneys 257075  
under this section, the public depository and the treasurer of 257076  
state shall first execute an agreement that sets forth the entire 257077  
arrangement among the parties and that meets the requirements 257078  
described in 12 U.S.C. 1823(e). In addition, the agreement shall 257079  
authorize the treasurer of state to obtain control of the 257080  
collateral pursuant to division (D) of section 1308.24 of the 257081  
Revised Code. 257082

(E) The securities or other obligations described in division 257083  
(D) of section 135.18 of the Revised Code shall be eligible as 257084

(F) Any federal reserve bank or branch thereof located in 257088  
this state or federal home loan bank, without compliance with 257089  
Chapter 1111. of the Revised Code and without becoming subject to 257090

(G) The public depository may substitute, exchange, or 257102  
release eligible securities deposited with the qualified trustee 257103  
pursuant to this section, provided that such substitution, 257104  
exchange, or release is effectuated pursuant to written 257105  
authorization from the treasurer of state, and such action does 257106  
not reduce the total market value of the securities to an amount 257107  
that is less than the amount established pursuant to division (B) 257108  
of this section. 257109

(H) Notwithstanding the fact that a public depository is 257110  
required to pledge eligible securities in certain amounts to 257111  
secure public deposits, a qualified trustee has no duty or 257112  
obligation to determine the eligibility, market value, or face 257113  
value of any securities deposited with the trustee by a public 257114  
depository. This applies in all situations including, but not 257115

which the trustee agrees to comply with entitlement orders 257122  
originated by the treasurer of state without further consent by 257123

public depository in an account at a federal reserve bank, the 257125  
treasurer of state shall have the treasurer's security interest 257126

to pay over any part of the public deposits made therein as 257129

provided by law and secured pursuant to division (B) of this 257130  
section, the treasurer of state shall give written notice of this 257131  
failure to the qualified trustee holding the pool of securities 257132  
pledged against the public deposits, and at the same time shall 257133  
send a copy of this notice to the public depository. Upon receipt 257134  
of this notice, the trustee shall transfer to the treasurer of 257135  
state for sale, the pooled securities that are necessary to 257136  
produce an amount equal to the public deposits made by the public 257137  
depositor and not paid over, less the portion of the deposits 257138  
covered by any federal deposit insurance, plus any accrued 257139  
interest due on the deposits. The treasurer of state shall sell 257140  
any of the bonds or other securities so transferred. When a sale 257141  
of bonds or other securities has been so made and upon payment to 257142  
the public depositor of the purchase money, the treasurer of state 257143  
shall transfer such bonds or securities whereupon the absolute 257144  
ownership of such bonds or securities shall pass to the 257145  
purchasers. Any surplus after deducting the amount due to the 257146  
public depositor and expenses of sale shall be paid to the public 257147  
depository. 257148

acting as such under this section shall be paid by the public 257150  
depository and in no event shall be chargeable to the public 257151  
depositor or to any officer of the public depositor. The charges 257152  
or compensation shall not be a lien or charge upon the securities 257153  
deposited for safekeeping prior or superior to the rights to and 257154  
interests in the securities of the public depositor. The treasurer 257155  
and the treasurer's bonders or surety shall be relieved from any 257156  
liability to the public depositor or to the public depository for 257157  
the loss or destruction of any securities deposited with a 257158  
qualified trustee pursuant to this section. 257159

(K) A public depositor, treasurer, or the public depositor's 257160

All such fees collected by the treasurer shall be deposited into the state treasury to the credit of the administrative fund created in section 113.20 of the Revised Code.

(N) The treasurer of state may adopt rules necessary for the implementation of this section and sections 135.18 and 135.181 of the Revised Code. Such rules shall be adopted in accordance with Chapter 119. of the Revised Code.

the same county as the investing authority. 257348

(B) Nothing in the classifications of eligible obligations 257349  
and securities set forth in divisions (A)(1) to (10) of this 257350  
section shall be construed to authorize investment in a 257351  
derivative, and no investing authority shall invest any county 257352  
inactive moneys or any moneys in a county public library fund in a 257353  
derivative. For purposes of this division, "derivative" means a 257354  
financial instrument or contract or obligation whose value or 257355  
return is based upon or linked to another asset or index, or both, 257356  
separate from the financial instrument, contract, or obligation 257357  
itself. Any security, obligation, trust account, or other 257358  
instrument that is created from an issue of the United States 257359  
treasury or is created from an obligation of a federal agency or 257360  
instrumentality or is created from both is considered a derivative 257361  
instrument. An eligible investment described in this section with 257362  
a variable interest rate payment, based upon a single interest 257363  
payment or single index comprised of other eligible investments 257364  
provided for in division (A)(1) or (2) of this section, is not a 257365  
derivative, provided that such variable rate investment has a 257366  
maximum maturity of two years. A treasury inflation-protected 257367  
security shall not be considered a derivative, provided the 257368  
security matures not later than five years after purchase. 257369

(C) Except as provided in division (A)(4) or (D) of this 257370  
section, any investment made pursuant to this section must mature 257371  
within five years from the date of settlement, unless the 257372  
investment is matched to a specific obligation or debt of the 257373  
county or to a specific obligation or debt of a political 257374  
subdivision of this state, and the investment is specifically 257375  
approved by the investment advisory committee. 257376

(D) The investing authority may also enter into a written repurchase agreement with any eligible institution mentioned in section 135.32 of the Revised Code or any eligible securities dealer pursuant to division (J) of this section, under the terms of which agreement the investing authority purchases and the eligible institution or dealer agrees unconditionally to repurchase any of the securities listed in divisions (D)(1) to (5), except letters of credit described in division (D)(2), of section 135.18 of the Revised Code. The market value of securities subject to an overnight written repurchase agreement must exceed the principal value of the overnight written repurchase agreement by at least two per cent. A written repurchase agreement must exceed the principal value of the overnight written repurchase agreement, by at least two per cent. A written repurchase agreement shall not exceed thirty days, and the market value of securities subject to a written repurchase agreement must exceed the principal value of the written repurchase agreement by at least two per cent and be marked to market daily. All securities purchased pursuant to this division shall be delivered into the custody of the investing authority or the qualified custodian of the investing authority or an agent designated by the investing authority. A written repurchase agreement with an eligible securities dealer shall be transacted on a delivery versus payment basis. The agreement shall contain the requirement that for each transaction pursuant to the agreement the participating institution shall provide all of the following information:

- (1) The par value of the securities;
- (2) The type, rate, and maturity date of the securities;
- (3) A numerical identifier generally accepted in the securities industry that designates the securities.

No investing authority shall enter into a written repurchase agreement under the terms of which the investing authority agrees

to sell securities owned by the county to a purchaser and agrees 257409  
with that purchaser to unconditionally repurchase those 257410  
securities. 257411

(E) No investing authority shall make an investment under 257412  
this section, unless the investing authority, at the time of 257413  
making the investment, reasonably expects that the investment can 257414  
be held until its maturity. The investing authority's written 257415  
investment policy shall specify the conditions under which an 257416  
investment may be redeemed or sold prior to maturity. 257417

(F) No investing authority shall pay a county's inactive 257418  
moneys or moneys of a county public library fund into a fund 257419  
established by another subdivision, treasurer, governing board, or 257420  
investing authority, if that fund was established by the 257421  
subdivision, treasurer, governing board, or investing authority 257422  
for the purpose of investing or depositing the public moneys of 257423  
other subdivisions. This division does not apply to the payment of 257424  
public moneys into either of the following: 257425

(1) The Ohio subdivision's fund pursuant to division (A)(6) 257426  
of this section; 257427

(2) A fund created solely for the purpose of acquiring, 257428  
constructing, owning, leasing, or operating municipal utilities 257429  
pursuant to the authority provided under section 715.02 of the 257430  
Revised Code or Section 4 of Article XVIII, Ohio Constitution. 257431

For purposes of division (F) of this section, "subdivision" 257432  
includes a county. 257433

(G) The use of leverage, in which the county uses its current 257434  
investment assets as collateral for the purpose of purchasing 257435  
other assets, is prohibited. The issuance of taxable notes for the 257436  
purpose of arbitrage is prohibited. Contracting to sell securities 257437  
not owned by the county, for the purpose of purchasing such 257438  
securities on the speculation that bond prices will decline, is 257439

prohibited. 257440

(H) Any securities, certificates of deposit, deposit 257441  
accounts, or any other documents evidencing deposits or 257442  
investments made under authority of this section shall be issued 257443  
in the name of the county with the county treasurer or investing 257444  
authority as the designated payee. If any such deposits or 257445  
investments are registrable either as to principal or interest, or 257446  
both, they shall be registered in the name of the treasurer. 257447

(I) The investing authority shall be responsible for the 257448  
safekeeping of all documents evidencing a deposit or investment 257449  
acquired under this section, including, but not limited to, 257450  
safekeeping receipts evidencing securities deposited with a 257451  
qualified trustee, as provided in section 135.37 of the Revised 257452  
Code, and documents confirming the purchase of securities under 257453  
any repurchase agreement under this section shall be deposited 257454  
with a qualified trustee, provided, however, that the qualified 257455  
trustee shall be required to report to the investing authority, 257456  
auditor of state, or an authorized outside auditor at any time 257457  
upon request as to the identity, market value, and location of the 257458  
document evidencing each security, and that if the participating 257459  
institution is a designated depository of the county for the 257460  
current period of designation, the securities that are the subject 257461  
of the repurchase agreement may be delivered to the treasurer or 257462  
held in trust by the participating institution on behalf of the 257463  
investing authority. 257464

Upon the expiration of the term of office of an investing 257465  
authority or in the event of a vacancy in the office for any 257466  
reason, the officer or the officer's legal representative shall 257467  
transfer and deliver to the officer's successor all documents 257468  
mentioned in this division for which the officer has been 257469  
responsible for safekeeping. For all such documents transferred 257470  
and delivered, the officer shall be credited with, and the 257471

officer's successor shall be charged with, the amount of moneys 257472  
evidenced by such documents. 257473

(J)(1) All investments, except for investments in securities 257474  
described in divisions (A)(5), (6), and (11) of this section, 257475  
shall be made only through a member of the financial industry 257476  
regulatory authority (FINRA), through a bank, savings bank, or 257477  
savings and loan association regulated by the superintendent of 257478  
financial institutions, or through an institution regulated by the 257479  
comptroller of the currency, federal deposit insurance 257480  
corporation, or board of governors of the federal reserve system. 257481

(2) Payment for investments shall be made only upon the 257482  
delivery of securities representing such investments to the 257483  
treasurer, investing authority, or qualified trustee. If the 257484  
securities transferred are not represented by a certificate, 257485  
payment shall be made only upon receipt of confirmation of 257486  
transfer from the custodian by the treasurer, governing board, or 257487  
qualified trustee. 257488

(K)(1) Except as otherwise provided in division (K)(2) of 257489  
this section, no investing authority shall make an investment or 257490  
deposit under this section, unless there is on file with the 257491  
auditor of state a written investment policy approved by the 257492  
investing authority. The policy shall require that all entities 257493  
conducting investment business with the investing authority shall 257494  
sign the investment policy of that investing authority. All 257495  
brokers, dealers, and financial institutions, described in 257496

investing authority by giving advice or making investment 257498  
recommendations shall sign the investing authority's investment 257499  
policy thereby acknowledging their agreement to abide by the 257500  
policy's contents. All brokers, dealers, and financial 257501  
institutions, described in division (J)(1) of this section, 257502  
executing transactions initiated by the investing authority, 257503

having read the policy's contents, shall sign the investment 257504  
policy thereby acknowledging their comprehension and receipt. 257505

(2) If a written investment policy described in division 257506  
(K)(1) of this section is not filed on behalf of the county with 257507  
the auditor of state, the investing authority of that county shall 257508  
invest the county's inactive moneys and moneys of the county 257509  
public library fund only in time certificates of deposits or 257510  
savings or deposit accounts pursuant to division (A)(3) of this 257511  
section, no-load money market mutual funds pursuant to division 257512

an inventory of all obligations and securities acquired by the 257516  
investing authority pursuant to this section. The inventory shall 257517

inventory, any income received from the obligations and 257529  
securities, and any investment expenses paid, and stating the 257530  
names of any persons effecting transactions on behalf of the 257531  
investing authority. 257532

(4) The monthly portfolio report shall be a public record and 257533  
available for inspection under section 149.43 of the Revised Code. 257534

division (A)(6) of section 135.35 of the Revised Code if the pool 257583

**Sec. 135.63.** (A) The general assembly finds that 258000  
strengthening families across Ohio is critical toward ensuring the 258001  
long-term prosperity of the state. However, the upfront financial 258002  
costs associated with adoption often deter families from pursuing 258003  
the adoption process. Accordingly, it is declared to be the public 258004  
policy of the state through the adoption linked deposit program to 258005

**Sec. 135.64.** (A) The general assembly finds that Ohio's 258023  
agricultural industry has long served as a critical component of 258024  
the state's overall economy. However, an inadequate supply of 258025  
affordable financing options that meet the needs of Ohio's 258026  
agricultural community and other various economic pressures pose 258027

an ongoing challenge for farmers, agribusiness, and agricultural 258028  
cooperatives as they work to grow or maintain sufficient 258029  
operations throughout the year. Accordingly, it is declared to be 258030  
the public policy of the state through the agricultural linked 258031  
deposit program to create the availability of reduced rate loans 258032  
to inject needed capital into the agricultural community, sustain 258033

lands or facilities maintained by the person; 258043

(3) Is either organized for profit or as an agricultural 258044  
cooperative as defined in section 1729.01 of the Revised Code. 258045

(C) An eligible lending institution for the agricultural 258046  
linked deposit program must be able to make commercial loans. 258047

(D) An eligible borrower shall certify on the loan 258048  
application that the reduced rate loan will be used exclusively 258049  
for agricultural purposes on land or in facilities owned or 258050  
operated by the eligible borrower in this state and that the loan 258051  
will materially contribute to the preservation or growth of the 258052  
business. 258053

**Sec. 135.65.** (A) The general assembly finds that small 258054  
businesses make significant contributions to the state's economic 258055  
well-being. However, various economic challenges, such as 258056  
tightened capital availability, inflationary pressures, or rising 258057

interest rates, can cause disproportionate harm to small 258058  
businesses and discourage aspiring job creators from taking root 258059  
in Ohio. Accordingly, it is declared to be the public policy of 258060  
the state through the small business linked deposit program to 258061  
create the availability of reduced rate loans to inject needed 258062

businesses. 258066

(B) An eligible borrower for the small business linked 258067  
deposit program is any person, including a person engaged in 258068  
agriculture, that has all the following characteristics: 258069

(1) Is headquartered or domiciled in this state; 258070

(2) Maintains offices or operating facilities in this state, 258071  
provided that the offices or operating facilities within the state 258072  
comprise not less than fifty-one per cent of the total of all 258073  
offices and operating facilities maintained by the business; 258074

(3) Employs fewer than one hundred fifty employees, not less 258075  
than fifty-one per cent of whom are residents of this state; 258076

(4) Is organized for profit. 258077

(C) An eligible lending institution for the small business 258078  
linked deposit program must be able to make commercial loans. 258079

(D) An eligible borrower shall certify on the loan 258080  
application that the reduced rate loan will be used exclusively in 258081  
this state to create new jobs, preserve existing jobs and 258082  
employment opportunities, or materially contribute to the 258083  
preservation or growth of the business. 258084

**Sec. 135.66.** (A) The general assembly finds that making 258085  
homeownership and maintenance costs more affordable is an 258086

important part of fostering a robust and lasting population across 258087  
the state. However, homeowners often struggle to find adequate and 258088  
affordable financing options to pursue home improvement, home 258089  
restoration, or similar types of projects and upgrades aimed at 258090  
maintaining or increasing the livability and value of a home. 258091  
Accordingly, it is declared to be the public policy of the state 258092  
through the home improvement linked deposit program to create the 258093  
availability of reduced rate loans to improve, maintain, or 258094  
restore an existing homestead. 258095

(B) An eligible borrower for the home improvement linked 258096  
deposit program is any individual who is a resident of this state 258097  
and to whom both of the following apply: 258098

(C) An eligible lending institution for the home improvement 258103  
linked deposit program must be able to make residential or secured 258104  
or unsecured personal loans. 258105

(D) An eligible borrower shall certify on the loan 258106  
application that the reduced rate loan will be used exclusively to 258107  
improve, maintain, or restore the eligible borrower's existing 258108  
homestead, in accordance with the program goals outlined in 258109  
division (A) of this section. 258110

(E) An eligible borrower shall include in the loan 258111  
application official estimates or receipts for the total amount of 258112  
the loan. 258113

Revised Code: 258115

at the discount interest rate, and in accordance with the deposit 258236  
agreement required under section 135.703 of the Revised Code and 258237  
the procedures established by the treasurer of state. 258238

(C) Eligible savings institutions shall fully comply with 258239  
this chapter. 258240

**Sec. 135.703.** (A) An eligible savings institution shall enter 258241  
into a deposit agreement with the treasurer of state, which shall 258242  
include the requirements necessary to carry out the purposes of 258243  
sections 135.70 to 135.71 of the Revised Code. 258244

(B) The deposit agreement shall specify the maturity period 258245  
of the linked deposit considered appropriate by the treasurer of 258246  
state, which shall not exceed the length of the program period, as 258247  
well as any other information, terms, or conditions the treasurer 258248  
of state may require. Interest shall be paid by the eligible 258249  
savings institution at the times determined by the treasurer of 258250  
state. 258251

**Sec. 135.704.** (A)(1) Upon the treasurer of state placing, 258252  
purchasing, or designating a linked deposit, the eligible savings 258253  
institution shall offer the premium savings rate on a linked 258254  
deposit savings account to each approved eligible participant 258255  
listed in the accepted linked deposit savings package, and in 258256  
accordance with the deposit agreement required by section 135.703 258257  
of the Revised Code. The premium savings rate shall apply to a 258258  
linked deposit savings account as determined by the treasurer of 258259  
state. Unless otherwise specified in the deposit agreement, the 258260  
premium savings rate shall be at a rate equal to or greater than 258261  
the present savings rate applicable to each specific eligible 258262  
participant in the accepted linked deposit savings package plus 258263  
the difference between the prevailing interest rate and the 258264  
discount interest rate at which the linked deposits were placed, 258265

made, or designated . 258266

(2) The premium savings rate shall only apply to a linked 258267  
deposit savings account for the duration of the program period. 258268  
After such time, the eligible participant's savings account is no 258269  
longer a linked deposit savings account, and the eligible savings 258270  
institution may determine and apply a market interest rate to the 258271  
account. 258272

(B) The eligible savings institution shall provide to the 258273  
treasurer of state a certificate of compliance with division (A) 258274  
of this section in the form and manner prescribed by the treasurer 258275  
of state. 258276

(C) At the time of maturity, the eligible savings institution 258277  
shall return the amount of the corresponding linked deposit to the 258278  
treasurer of state in a timely manner, as prescribed by the 258279  
treasurer of state. 258280

(D) The treasurer of state shall take any and all steps 258281  
necessary to implement and administer the linked deposit programs, 258282  
including the development of any guidelines as necessary. 258283

**Sec. 135.705.** (A) The state and the treasurer of state are 258284  
not liable to any eligible savings institution or any eligible 258285  
participant in any manner for the terms associated with a linked 258286  
deposit savings account. Any misuse or misconduct on the part of 258287  
an eligible savings institution or eligible participant does not 258288  
in any manner affect the deposit agreement required by section 258289  
135.703 of the Revised Code between the eligible savings 258290  
institution and the treasurer of state. 258291

(B) If an eligible savings institution changes the terms of 258292  
an eligible participant's linked deposit savings account, the 258293  
amount of the linked deposit associated with the linked deposit 258294  
savings account plus applicable interest and without early 258295

withdrawal penalties shall be returned to the treasurer of state 258296  
by the eligible savings institution in a timely manner, as 258297  
prescribed by the treasurer of state. 258298

Sec. 135.71. (A) The general assembly finds that making 258299  
homeownership more attainable is an important part of fostering a 258300  
robust and lasting population across the state. However, 258301  
individuals often struggle to accumulate the financial resources 258302  
needed to purchase a home. Accordingly, it is declared to be the 258303  
public policy of the state through the homeownership savings 258304  
linked deposit program to make available premium rate savings 258305  
accounts for the down payment and closing costs associated with 258306  
the purchase of a home. 258307

(B) An eligible participant for the homeownership savings 258308  
linked deposit program is an individual who is a resident of this 258309  
state and has applied for a homeownership savings account at an 258310  
eligible savings institution. 258311

(C) An eligible participant shall certify on the application 258312  
that the funds in the homeownership savings account shall be used 258313  
exclusively for eligible home costs. 258314

(D) A homeownership savings account shall be owned by not 258315  
more than one eligible participant and an eligible participant 258316  
shall hold not more than one homeownership savings account per 258317  
program period at any eligible savings institution. 258318

(E) Not later than January 31, 2027, the treasurer of state 258319  
and the tax commissioner shall issue a report regarding the 258320  
efficacy of the homeownership savings linked deposit program. The 258321  
report shall include all of the following: 258322

(1) The number of homeownership savings accounts created; 258323

(2) The number of participating eligible savings 258324  
institutions; 258325

including bonds in the possession of the director of commerce, 258355  
shall escheat to the state three years after becoming abandoned 258356  
and unclaimed property. All property rights and legal title to and 258357  
ownership of such bonds or interest coupons or proceeds from such 258358  
bonds or interest coupons, including all rights, powers, and 258359  
privileges of survivorship of any owner, co-owner, or beneficiary, 258360  
shall vest solely in this state as provided in divisions (D) to 258361  
(H) of this section. 258362

(D) If, within one hundred eighty days after the three-year 258363  
period prescribed under division (C) of this section, no claim has 258364  
been filed under this chapter for the bond, the director shall 258365  
commence a civil action in a court of competent jurisdiction for a 258366  
determination that the bond escheats to the state. The director 258367  
may postpone the commencement of an action until a sufficient 258368  
number of bonds have accumulated in the director's custody to 258369  
justify the expense of the proceedings. 258370

(E) Service by publication shall be made in accordance with 258371  
Rule 4.4 of the Rules of Civil Procedure. 258372

(F) If no person files a claim or appears at the hearing to 258373  
substantiate a claim or if the court determines that a claimant is 258374  
not entitled to the property claimed, and if the court is 258375  
satisfied by the evidence that the director has substantially 258376  
complied with the laws of this state, the court shall enter a 258377  
judgment that the bonds have escheated to the state and all 258378  
property rights and legal title to and ownership of the bonds or 258379  
the proceeds from the bonds, including all rights, powers, and 258380  
privileges of survivorship of any owner, co-owner, or beneficiary, 258381  
have vested solely in the state. 258382

(G) The director shall redeem the state of Ohio coupon bonds 258383  
escheated to the state by judgment of the court. When the proceeds 258384  
that have escheated have been recovered by the director, the 258385  
director shall pay all costs incident to the collection and 258386

recovery of the proceeds from the redemption of the bonds and 258387  
disburse the remaining balance of the proceeds in the manner 258388  
provided under section 169.05 of the Revised Code for all other 258389  
unclaimed funds. 258390

(H) Notwithstanding section 169.08 of the Revised Code, any 258391  
person claiming a state of Ohio coupon bond that has escheated to 258392  
the state under this section, or for the proceeds from the bond, 258393  
may file a claim with the director. Upon providing sufficient 258394  
proof of the validity of the person's claim, the director may, in 258395  
the director's discretion, pay the claim less any expenses and 258396  
costs incurred by the state in securing full title and ownership 258397  
of the property by escheat. If payment has been made to a 258398  
claimant, no action thereafter may be maintained by any other 258399  
claimant against the state or any officer of the state, for or on 258400  
account of the payment of the claim. 258401

unless a different meaning is clearly required. Except as provided 258406  
in section 718.81 of the Revised Code, if a term used in this 258407  
chapter that is not otherwise defined in this chapter is used in a 258408  
comparable context in both the laws of the United States relating 258409  
to federal income tax and in Title LVII of the Revised Code and 258410  
the use is not consistent, then the use of the term in the laws of 258411  
the United States relating to federal income tax shall control 258412  
over the use of the term in Title LVII of the Revised Code. 258413

Except as otherwise provided in section 718.81 of the Revised 258414  
Code, as used in this chapter: 258415

(A)(1) "Municipal taxable income" means the following: 258416

(a) For a person other than an individual, income apportioned 258417

or situated to the municipal corporation under section 718.02 of 258418  
the Revised Code, as applicable, reduced by any pre-2017 net 258419  
operating loss carryforward available to the person for the 258420  
municipal corporation. 258421

(b)(i) For an individual who is a resident of a municipal 258422  
corporation other than a qualified municipal corporation, income 258423  
reduced by exempt income to the extent otherwise included in 258424  
income, then reduced as provided in division (A)(2) of this 258425  
section, and further reduced by any pre-2017 net operating loss 258426  
carryforward available to the individual for the municipal 258427  
corporation. 258428

(ii) For an individual who is a resident of a qualified 258429  
municipal corporation, Ohio adjusted gross income reduced by 258430  
income exempted, and increased by deductions excluded, by the 258431  
qualified municipal corporation from the qualified municipal 258432  
corporation's tax. If a qualified municipal corporation, on or 258433  
before December 31, 2013, exempts income earned by individuals who 258434  
are not residents of the qualified municipal corporation and net 258435  
profit of persons that are not wholly located within the qualified 258436  
municipal corporation, such individual or person shall have no 258437  
municipal taxable income for the purposes of the tax levied by the 258438  
qualified municipal corporation and may be exempted by the 258439  
qualified municipal corporation from the requirements of section 258440  
718.03 of the Revised Code. 258441

(c) For an individual who is a nonresident of a municipal 258442  
corporation, income reduced by exempt income to the extent 258443  
otherwise included in income and then, as applicable, apportioned 258444  
or situated to the municipal corporation under section 718.02 of 258445  
the Revised Code, then reduced as provided in division (A)(2) of 258446  
this section, and further reduced by any pre-2017 net operating 258447  
loss carryforward available to the individual for the municipal 258448  
corporation. 258449

(2) In computing the municipal taxable income of a taxpayer 258450  
who is an individual, the taxpayer may subtract, as provided in 258451  
division (A)(1)(b)(i) or (c) of this section, the amount of the 258452  
individual's employee business expenses reported on the 258453  
individual's form 2106 that the individual deducted for federal 258454  
income tax purposes for the taxable year, subject to the 258455  
limitation imposed by section 67 of the Internal Revenue Code. For 258456  
the municipal corporation in which the taxpayer is a resident, the 258457  
taxpayer may deduct all such expenses allowed for federal income 258458  
tax purposes. For a municipal corporation in which the taxpayer is 258459  
not a resident, the taxpayer may deduct such expenses only to the 258460  
extent the expenses are related to the taxpayer's performance of 258461  
personal services in that nonresident municipal corporation. 258462

(B) "Income" means the following: 258463

(1)(a) For residents, all income, salaries, qualifying wages, 258464  
commissions, and other compensation from whatever source earned or 258465  
received by the resident, including the resident's distributive 258466  
share of the net profit of pass-through entities owned directly or 258467  
indirectly by the resident and any net profit of the resident, 258468  
except as provided in division (D)(5) of this section. 258469

(b) For the purposes of division (B)(1)(a) of this section: 258470

(i) Any net operating loss of the resident incurred in the 258471  
taxable year and the resident's distributive share of any net 258472  
operating loss generated in the same taxable year and attributable 258473  
to the resident's ownership interest in a pass-through entity 258474  
shall be allowed as a deduction, for that taxable year and the 258475  
following five taxable years, against any other net profit of the 258476  
resident or the resident's distributive share of any net profit 258477  
attributable to the resident's ownership interest in a 258478  
pass-through entity until fully utilized, subject to division 258479  
(B)(1)(d) of this section; 258480

(ii) The resident's distributive share of the net profit of each pass-through entity owned directly or indirectly by the resident shall be calculated without regard to any net operating loss that is carried forward by that entity from a prior taxable year and applied to reduce the entity's net profit for the current taxable year. 258481

(c) Division (B)(1)(b) of this section does not apply with respect to any net profit or net operating loss attributable to an ownership interest in an S corporation unless shareholders' distributive shares of net profits from S corporations are subject to tax in the municipal corporation as provided in division (C)(14)(b) or (c) of this section. 258487  
258488  
258489  
258490  
258491  
258492

(d) Any amount of a net operating loss used to reduce a taxpayer's net profit for a taxable year shall reduce the amount of net operating loss that may be carried forward to any subsequent year for use by that taxpayer. In no event shall the cumulative deductions for all taxable years with respect to a taxpayer's net operating loss exceed the original amount of that net operating loss available to that taxpayer. 258493

258495  
258496  
258497  
258498

(2) In the case of nonresidents, all income, salaries, qualifying wages, commissions, and other compensation from whatever source earned or received by the nonresident for work done, services performed or rendered, or activities conducted in the municipal corporation, including any net profit of the nonresident, but excluding the nonresident's distributive share of the net profit or loss of only pass-through entities owned directly or indirectly by the nonresident. 258500

(3) For taxpayers that are not individuals, net profit of the taxpayer; 258508

purposes, the taxpayer may deduct related wagering losses and 258513  
expenses to the extent authorized under the Internal Revenue Code 258514  
and claimed against such winnings. 258515

(C) "Exempt income" means all of the following: 258516

(1) The military pay or allowances of members of the armed 258517  
forces of the United States or members of their reserve 258518  
components, including the national guard of any state; 258519

section, intangible income; 258521

(b) A municipal corporation that taxed any type of intangible 258522  
income on March 29, 1988, pursuant to Section 3 of S.B. 238 of the 258523  
116th general assembly, may continue to tax that type of income if 258524  
a majority of the electors of the municipal corporation voting on 258525  
the question of whether to permit the taxation of that type of 258526  
intangible income after 1988 voted in favor thereof at an election 258527

3402(o)(2) of the Internal Revenue Code. 258539

(4) The income of religious, fraternal, charitable, 258540

continue after December 31, 2004, to impose the tax on such 258612  
distributive shares only to the extent such shares would be so 258613

(d) A municipal corporation shall be deemed to have elected 258615

corporation under either of those divisions. 258632

(b) The exemption provided in division (C)(16)(a) of this 258633  
section does not apply with respect to the municipal corporation 258634  
in which the employee resided at the time the employee earned the 258635

(ii) The individual is a professional athlete, professional entertainer, or public figure, and the compensation is paid for the performance of services in the individual's capacity as a

"professional athlete," "professional entertainer," and "public 258670  
figure" have the same meanings as in section 718.011 of the 258671  
Revised Code. 258672

(c) Compensation to which division (C)(17) of this section 258673  
applies shall be treated as earned or received at the individual's 258674  
base of operation. If the individual does not have a base of 258675
