Revised Code be enacted to read as follows: 1004
1005

Sec. 5.2320. The twenty-sixth day of October is designated as 1006
"Sudden Unexpected Death in Epilepsy Awareness Day." Sudden 1007
unexpected death in epilepsy (SUDEP) is the sudden, unexpected 1008
death of someone with epilepsy who was otherwise healthy. 1009

Sec. 5.55. The month of April is designated as the "Month of 1010
the Military Child." 1011

Sec. 9.17. (A) The amount for purposes of a provision of the 1012
Revised Code that references this section shall be as follows: 1013

(1) Beginning on the effective date of this section through 1014
calendar year 2024, seventy-five thousand dollars; 1015

(2) For each calendar year thereafter, the amount for the 1016
previous calendar year increased by three per cent as determined 1017
and published by the director of commerce. 1018

Sec. 9.681. (A) As used in this section, "tobacco product" 1019
and "alternative nicotine product" have the same meanings as in 1020
section 2927.02 of the Revised Code. 1021

(B) The regulation of tobacco products and alternative 1022
nicotine products is a matter of general statewide concern that 1023
requires statewide regulation. The state has adopted a 1024

comprehensive plan with respect to all aspects of the giveaway, 1025
sale, purchase, distribution, manufacture, use, possession, 1026
licensing, taxation, inspection, and marketing of tobacco products 1027
and alternative nicotine products. No political subdivision may 1028
enact, adopt, renew, maintain, enforce, or continue in existence 1029
any charter provision, ordinance, resolution, rule, or other 1030
measure that conflicts with or preempts any policy of the state 1031
regarding the regulation of tobacco products or alternative 1032
nicotine products, including, without limitation, by: 1033

(1) Setting or imposing standards, requirements, taxes, fees, 1034
assessments, or charges of any kind regarding tobacco products or 1035
alternative nicotine products that are the same as or similar to, 1036
that conflict with, that are different from, or that are in 1037
addition to, any standard, requirement, tax, fee, assessment, or 1038
other charge established or authorized by state law; 1039

(2) Lowering or raising an age requirement provided for in 1040
state law in connection with the giveaway, sale, purchase, 1041
distribution, manufacture, use, possession, licensing, taxation, 1042
inspection, and marketing of tobacco products or alternative 1043
nicotine products; 1044

(3) Prohibiting an employee eighteen years of age or older of 1045
a manufacturer, producer, distributor, wholesaler, or retailer of 1046
tobacco products or alternative nicotine products from selling 1047
tobacco products or alternative nicotine products; 1048

(4) Prohibiting an employee eighteen years of age or older of 1049
a manufacturer, producer, distributor, wholesaler, or retailer of 1050
tobacco products or alternative nicotine products from handling 1051
tobacco products or alternative nicotine products in sealed 1052
containers in connection with manufacturing, storage, warehousing, 1053
placement, stocking, bagging, loading, or unloading. 1054

(C) In addition to any other relief provided, the court shall 1055

award costs and reasonable attorney fees to any person, group, or 1056
entity that prevails in a challenge to an ordinance, resolution, 1057
regulation, local law, or other action as being in conflict with 1058
this section. 1059

(D) The general assembly finds and declares that this section 1060
is part of a statewide and comprehensive legislative enactment 1061
regulating all aspects of the giveaway, sale, purchase, 1062
distribution, manufacture, use, possession, licensing, taxation, 1063
inspection, and marketing of tobacco products and alternative 1064
nicotine products. The general assembly further finds and declares 1065
that the imposition of tobacco product and alternative nicotine 1066
product regulation by any political subdivision is a matter of 1067
statewide concern and would be inconsistent with that statewide, 1068
comprehensive enactment. Therefore, regulation of the giveaway, 1069
sale, purchase, distribution, manufacture, use, possession, 1070
licensing, taxation, inspection, and marketing of tobacco products 1071
and alternative nicotine products is a matter of general statewide 1072
concern that requires uniform statewide regulation. By the 1073
enactment of this section, it is the intent of the general 1074
assembly to preempt political subdivisions from the regulation of 1075
tobacco products and alternative nicotine products. 1076

(E) This section does not prohibit a political subdivision 1077
from levying a tax expressly authorized by state law, including 1078
the taxes authorized under Chapters 5739. and 5741. or sections 1079
5743.021, 5743.024, 5743.026, 5743.321, 5743.323, and 5743.324 of 1080
the Revised Code. 1081

Sec. 101.34. (A) There is hereby created a joint legislative 1082
ethics committee to serve the general assembly. The committee 1083

speaker of the house of representatives shall appoint the 1101

committee, and the president of the senate shall appoint the 1103
vice-chairperson of the committee from among the senate members of 1104
the committee. In the second regular session of each general 1105
assembly, the president of the senate shall appoint the 1106

successors are appointed or until they are no longer members of 1112

law to govern all members and employees of each house of the 1118
general assembly and all candidates for the office of member of 1119
each house; 1120

(2) May receive and hear any complaint that alleges a breach 1121
of any privilege of either house, or misconduct of any member, 1122

assembly; 1133

(5) May recommend legislation to the general assembly 1134
relating to the conduct and ethics of members and employees of and 1135

may employ other staff as the committee determines necessary to 1138
assist it in exercising its powers and duties. The executive 1139
director and staff of the committee shall be known as the office 1140
of legislative inspector general. At least one member of the staff 1141
of the committee shall be an attorney at law licensed to practice 1142
law in this state. The appointment and removal of the executive 1143
director shall require the approval of at least eight members of 1144
the committee. 1145

(7) May employ a special counsel to assist the committee in 1146
exercising its powers and duties. The appointment and removal of a 1147

members of the committee. 1149

the general assembly. When a vacancy occurs among the officers or 1244
members of the committee, it shall be filled in the same manner as 1245
the original appointment. 1246

Notwithstanding section 101.26 of the Revised Code, the 1247

of the general assembly, shall be paid at the per diem rate of one 1250

which shall be paid from the funds appropriated for the payment of 1252

recommendation of a concurrent resolution invalidating a proposed 1257
rule under section 106.021 of the Revised Code. The concurrence of 1258
seven members is required for the recommendation of a concurrent 1259
resolution invalidating an existing rule under section 106.031 of 1260
the Revised Code. 1261

When a member of the committee is absent, the president or 1262
speaker, as the case may be, may designate a substitute from the 1263
same house and political party as the absent member. The 1264
substitute shall serve on the committee in the member's absence, 1265
and is entitled to perform the duties of a member of the 1266

substitute would be entitled to receive if the substitute were a 1269
member of the committee. 1270

The president or speaker shall inform the executive director 1271
of the committee of a substitution. If the executive director 1272
learns of a substitution sufficiently in advance of the meeting of 1273

the committee the substitute is to attend, the executive director 1274
shall publish notice of the substitution on the internet, make 1275
reasonable effort to inform of the substitution persons who are 1276
known to the executive director to be interested in rules that are 1277
scheduled for review at the meeting, and inform of the 1278
substitution persons who inquire of the executive director 1279
concerning the meeting. 1280

The committee may meet during periods in which the general 1281
assembly has adjourned. 1282

At meetings of the committee, the committee may request an 1283
agency, as defined in section 106.01 of the Revised Code, to 1284
provide information relative to the agency's implementation of its 1285
statutory authority. 1286

A member of the committee, and the executive director and 1287
staff of the committee, are entitled in their official capacities 1288
to attend, but not in their official capacities to participate in, 1289
a public hearing conducted by an agency on a proposed rule. 1290

The executive director serves at the pleasure of the 1291
president and speaker by mutual consensus. The executive director 1292
may employ such technical, professional, and clerical employees as 1293
are necessary to carry out the powers and administrative duties of 1294
the committee. 1295

Sec. 101.352. If the joint committee on agency rule review 1296
becomes aware that an agency subject to its jurisdiction is 1297
relying upon a principle of law or policy that, under section 1298
121.93 of the Revised Code, should have been supplanted by its 1299
restatement in a rule, the chairperson of the joint committee 1300
responsible for calling and conducting meetings under section 1301
101.35 of the Revised Code, in ~~the~~ that chairperson's sole 1302
discretion, may request the agency to appear before the joint 1303
committee to address why, notwithstanding section 121.93 of the 1304

Revised Code, it is so relying. The request shall specify the time 1305
and place at which a designee of the agency is to appear before 1306
the joint committee to address, and to answer the joint 1307
committee's questions concerning, the agency's reliance. The date 1308
set for the appearance shall be not earlier than thirty days after 1309
the joint committee transmits the request to the agency. The joint 1310
committee shall transmit the request to the agency electronically. 1311
The joint committee also shall publish the request on its web 1312
site, as part of the relevant meeting agenda, and shall indicate 1313
in conjunction with the published request that any person is 1314
invited to appear before the joint committee when the agency 1315
appears to offer and make comments to the joint committee 1316
concerning the agency's reliance. 1317

Upon receiving the request, the agency shall designate a 1318
suitable agency officer or employee to appear on behalf of the 1319
agency before the joint committee as directed in the request. The 1320
agency electronically shall notify the joint committee of the 1321
name, title, telephone number, and electronic mail address of the 1322
officer or employee who has been designated to appear before the 1323
joint committee in response to the request. 1324

Upon appearing before the joint committee, the agency's 1325
designee shall address why the agency is relying upon a principle 1326
of law or policy that, notwithstanding section 121.93 of the 1327
Revised Code, has not been supplanted by its restatement in a 1328
rule. The members of the joint committee may question the agency's 1329
designee concerning the agency's reliance. Any person may offer 1330
and make comments to the joint committee concerning the agency's 1331
reliance. 1332

After the appearance has concluded, the joint committee, by 1333
vote of a majority of its members, in writing may recommend to the 1334
agency that it supplant the principle of law or policy that it is 1335

relying upon by its restatement in a rule. The joint committee 1336
shall support its recommendation with a brief rationale of why, 1337
under section 121.93 of the Revised Code, the principle of law or 1338
policy should be supplanted by its restatement in a rule. The 1339
joint committee shall transmit the recommendation electronically 1340
to the agency. 1341

After receiving the recommendation from the joint committee, 1342
the agency shall commence the rule-making process as soon as it is 1343
reasonably feasible to do so, but not later than the date that is 1344
six months after the recommendation was received. The principle of 1345
law or policy as it is restated in a rule does not need to be 1346
wholly congruent with the supplanted principle of law or policy. 1347
The agency lawfully may improve or develop further the supplanted 1348
principle of law or policy as it is restated in a rule. 1349

The agency may continue to rely upon the principle of law or 1350
policy, but only while it is complying with the preceding 1351
paragraph. The agency may not rely upon the principle of law or 1352
policy in advising with regard to or in determining the rights or 1353
liabilities of a person if the agency fails to commence the 1354
rule-making process by the deadline specified in the preceding 1355
paragraph, or if, after commencing the rule-making process, the 1356
agency neglects or abandons the rule-making process before it is 1357
completed. 1358

Sec. 101.353. If the joint committee on agency rule review 1359
becomes aware, such as through its own inquiries or by receiving 1360
complaints from interested parties or stakeholders, that an agency 1361
subject to its jurisdiction is required expressly or impliedly by 1362
a statute to adopt a rule but appears neither to have done so nor 1363
to have commenced the rule-making process, the chairperson of the 1364
joint committee responsible for calling and conducting meetings 1365
under section 101.35 of the Revised Code, in the that 1366

chairperson's sole discretion, may request the agency to appear 1367
before the joint committee to address its apparent dereliction. 1368
The request shall specify the time and place at which a designee 1369
of the agency is to appear before the joint committee to address, 1370
and answer the joint committee's questions concerning, the 1371
agency's apparent dereliction. The request shall identify the 1372
statute that expressly or impliedly requires rule-making and that 1373
apparently has not been complied with. The joint committee shall 1374
transmit the request to the agency electronically. The joint 1375
committee also shall publish the request on its web site, and 1376
shall indicate in conjunction with the published request that any 1377
person is invited to appear before the joint committee when the 1378
agency appears to offer and make comments to the joint committee 1379
concerning the agency's apparent dereliction. 1380

Upon receiving the request, the agency shall designate a 1381
suitable agency officer or employee to appear on behalf of the 1382
agency before the joint committee as directed in the request. The 1383
agency electronically shall notify the joint committee of the 1384
name, title, telephone number, and electronic mail address of the 1385
officer or employee who has been designated to appear before the 1386
joint committee in response to the request. 1387

Upon appearing before the joint committee, the agency's 1388
designee shall address why the agency apparently has neither 1389
adopted a rule nor commenced the rule-making process as expressly 1390
or impliedly required by the statute. The members of the joint 1391
committee may question the agency's designee concerning the 1392
agency's apparent dereliction. Any person may offer and make 1393
comments to the joint committee concerning the agency's apparent 1394
dereliction. 1395

After the appearance has concluded, the joint committee, by 1396
vote of a majority of its members, in writing may advise the 1397

agency to commence rule-making proceedings under the statute, as 1398
soon as it is reasonably feasible for the agency to do so. The 1399
joint committee shall transmit the advisory electronically to the 1400
agency. The joint committee also shall publish the advisory on its 1401
web site. 1402

in the first regular session of the following general assembly, 1737
until a member no longer serves as a member of the chamber from 1738
which the member was initially appointed, or until a member is 1739
removed by the speaker or president. No committee member shall be 1740
removed during the member's term during a state of emergency as 1741
defined in section 107.42 of the Revised Code, unless an 1742
extraordinary circumstance exists that prevents a member from 1743
serving on the committee. A vacancy on the committee shall be 1744
filled in the same manner as the original appointment. 1745

(C) In odd-numbered years, the president shall designate one 1746

the committee vice-chairperson and one committee member from the 1757
senate who is a member of the minority party as the committee 1758
ranking minority member. 1759

(D) In appointing members from the minority party, and in 1760
designating ranking minority members, the president and speaker 1761
shall consult with the minority leader of their respective houses. 1762

(E) The Ohio health oversight and advisory committee shall 1763
meet at the call of the chairperson. 1764

(F) The executive director and other employees of the joint 1765
medicaid oversight committee shall serve the Ohio health oversight 1766
and advisory committee to enable the committee to successfully and 1767
efficiently perform its duties. 1768

Sec. 103.71. There is hereby created a correctional 1769
institution inspection committee as a subcommittee of the 1770
legislative service commission. The committee shall consist of 1771
eight persons, four of whom shall be members of the senate 1772
appointed by the president of the senate, not more than two of 1773
whom shall be members of the same political party, and four of 1774
whom shall be members of the house of representatives appointed by 1775
the speaker of the house of representatives, not more than two of 1776
whom shall be members of the same political party. Initial 1777

after July 1, 1993, and in the manner prescribed in this section. 1779
Thereafter, appointments to the committee shall be made within 1780
~~fifteen~~ forty-five days after the commencement of the first 1781
regular session of the general assembly and in the manner 1782
prescribed in this section. A vacancy on the committee shall be 1783
filled for the unexpired term in the same manner as the original 1784
appointment. Members of the committee shall serve on the committee 1785
until the appointments are made in the first regular session of 1786
the following general assembly, unless they cease to be members of 1787
the general assembly. 1788

Sec. 106.02. ~~When~~ (A) Subject to division (B) of this 1789
section, when an agency files a proposed rule and rule summary and 1790
fiscal analysis with the joint committee on agency rule review, 1791
the joint committee shall review the proposed rule and rule 1792
summary and fiscal analysis, and an invalidating concurrent 1793

resolution may be adopted, not later than the sixty-fifth day 1794
after the day on which the proposed rule was filed with the joint 1795
committee. If, after filing the original version of a proposed 1796
rule, the agency makes a revision in the proposed rule, the agency 1797
shall file the revised proposed rule and a revised rule summary 1798
and fiscal analysis with the joint committee. If the revised 1799
proposed rule is filed thirty-five or fewer days after the 1800
original version of the proposed rule was filed, the joint 1801
committee shall review the revised proposed rule and revised rule 1802
summary and fiscal analysis, and an invalidating concurrent 1803
resolution may be adopted, not later than the sixty-fifth day 1804
after the original version of the proposed rule was filed. If, 1805
however, the revised proposed rule is filed more than thirty-five 1806
days after the original version of the proposed rule was filed, 1807
the joint committee shall review the revised proposed rule and 1808
revised rule summary and fiscal analysis, and an invalidating 1809
concurrent resolution may be adopted, not later than the thirtieth 1810
day after the revised proposed rule was filed with the joint 1811
committee. 1812

(B) If, after filing a proposed rule and rule summary and 1813
fiscal analysis with the joint committee, an agency determines 1814
that it needs additional time to consider the proposed rule and 1815
possibly file a revised proposed rule, the agency may notify the 1816
joint committee of the agency's intention to file a revised 1817
proposed rule. When the agency notifies the joint committee of its 1818
intention to file a revised proposed rule, the running of the time 1819
within which an invalidating concurrent resolution may be adopted 1820
is tolled. 1821

If, after notifying the joint committee of the agency's 1822
intention to file a revised proposed rule, the agency makes a 1823
revision in the proposed rule, the agency shall file the revised 1824
proposed rule and a revised rule summary and fiscal analysis with 1825

the joint committee. If the revised proposed rule is filed 1826
thirty-five or fewer days after the agency filed the original 1827
version of the proposed rule, the joint committee shall review the 1828
revised proposed rule and revised rule summary and fiscal 1829
analysis, and an invalidating concurrent resolution may be 1830
adopted, not later than the sixty-fifth day after the agency filed 1831
the original version of the proposed rule. If, however, the 1832
revised proposed rule is filed more than thirty-five days after 1833
the agency filed the original version of the proposed rule, the 1834
joint committee shall review the revised proposed rule and revised 1835
rule summary and fiscal analysis, and an invalidating concurrent 1836
resolution may be adopted, not later than the thirtieth day after 1837
the revised proposed rule is filed with the joint committee. 1838

(C) When ~~the~~ an original or revised version of a proposed 1839
rule and rule summary and fiscal analysis is filed with the joint 1840
committee in December or in the following January before the first 1841
day of the legislative session, the joint committee shall review 1842
the proposed rule and rule summary and fiscal analysis, and an 1843
invalidating concurrent resolution may be adopted, as if the 1844
original version of the proposed rule and rule summary and fiscal 1845
analysis had been filed with the joint committee on the first day 1846
of the legislative session in the following January. If, however, 1847
the original version of a proposed rule and rule summary and 1848
fiscal analysis have been pending before the joint committee for 1849
more than thirty-five days, and the proposed rule and rule summary 1850
and fiscal analysis are revised in December or in the following 1851
January before the first day of the legislative session, the joint 1852
committee shall review the revised proposed rule and revised rule 1853
summary and fiscal analysis, and an invalidating concurrent 1854
resolution may be adopted, not later than the thirtieth day after 1855
the first day of the legislative session in the following January. 1856

(D) A revised proposed rule supersedes each earlier version 1857

of the same proposed rule. 1858

(E) The joint committee shall endeavor not to hold its public 1859
hearing on a proposed rule earlier than the forty-first day after 1860
the proposed rule was filed with the joint committee. The 1861
chairperson of the joint committee responsible for calling and 1862
conducting meetings under section 101.35 of the Revised Code may 1863
select a date for the committee's public hearing on a proposed 1864
rule that is earlier than the forty-first day after the proposed 1865
rule was filed. 1866

Sec. 106.031. If an agency, on the basis of its review of a 1867
rule under section 106.03 of the Revised Code, determines that the 1868
rule does not need to be amended or rescinded, proceedings shall 1869
be had as follows: 1870

(A)(1) If, considering only the standard of review specified 1871
in division (A)(7) of section 106.03 of the Revised Code, the rule 1872
has an adverse impact on businesses, the agency shall prepare a 1873
business impact analysis that describes its review of the rule 1874
under that division and that explains why the regulatory intent of 1875
the rule justifies its adverse impact on businesses. If the rule 1876
does not have an adverse impact on businesses, the agency may 1877
proceed under division (B) of this section. 1878

(2) The agency shall transmit a copy of the full text of the 1879
rule and the business impact analysis electronically to the common 1880
sense initiative office. The office shall make the rule and 1881
analysis available to the public on its web site under section 1882
107.62 of the Revised Code. 1883

(3) The agency shall consider any recommendations made by the 1884
office. 1885

(4) Not earlier than the sixteenth business day after 1886
transmitting the rule and analysis to the office, the agency shall 1887

either (a) proceed under divisions (A)(5) and (B) of this section 1888
or (b) commence, under division (B)(1) of section 106.03 of the 1889
Revised Code, the process of rescinding the rule or of amending 1890
the rule to incorporate into the rule features the recommendations 1891
suggest will eliminate or reduce the adverse impact the rule has 1892
on businesses. If the agency determines to amend or rescind the 1893
rule, the agency is not subject to the time limit specified in 1894
division (B)(1) of section 106.03 of the Revised Code. 1895

(5) If the agency receives recommendations from the office, 1896
and determines not to amend or rescind the rule, the agency shall 1897
prepare a memorandum of response that explains why the rule is not 1898
being rescinded or why the recommendations are not being 1899
incorporated into the rule. 1900

(B) The agency shall assign a new review date to the rule. 1901
The review date assigned shall be not later than five years after 1902
the immediately preceding review date pertaining to the rule. If 1903
the agency assigns a review date that exceeds the five-year 1904
maximum, the review date is five years after the immediately 1905
preceding review date. The immediately preceding review date 1906
includes the date of the review of a rule under section 106.032 of 1907
the Revised Code. 1908

~~(C)(1)~~(C) The agency shall file all the following, in 1909
electronic form, with the joint committee on agency rule review, 1910
the secretary of state, and the director of the legislative 1911
service commission: a copy of the rule specifying its new review 1912
date, a complete and accurate rule summary and fiscal analysis, 1913
and, if relevant, a business impact analysis of the rule, any 1914
recommendations received from the common sense initiative office, 1915
and any memorandum of response. 1916

~~(2) Subject to section 106.05 of the Revised Code, the joint 1917
committee does not have jurisdiction to review, and shall reject, 1918
the filing of a rule under division (C)(1) of this section if, at 1919~~

~~any time while the rule is in its possession, it discovers that 1920
the rule has an adverse impact on businesses and the agency has 1921
not complied with division (A) of this section. The joint 1922
committee shall electronically return a rule that is rejected to 1923
the agency, together with any documents that were part of the 1924
filing. Such a rejection does not preclude the agency from 1925
refiling the rule under division (C)(1) of this section after 1926
complying with division (A) of this section. When the filing of a 1927
rule is rejected under this division, it is as if the filing had 1928
not been made. 1929~~

(D) The joint committee shall publish notice of the agency's 1930
determination not to amend or rescind the rule in the register of 1931
Ohio for four consecutive weeks after the rule is filed under 1932
division (C) of this section. 1933

(E) During the ninety-day period after a rule is filed under 1934
division (C) of this section, but after the four-week notice 1935
period required by division (D) of this section has ended, the 1936
joint committee may recommend to the senate and house of 1937
representatives the adoption of a concurrent resolution 1938
invalidating the rule if the joint committee finds any of the 1939
following: 1940

(1) The agency improperly applied the standards in division 1941
(A) of section 106.03 of the Revised Code in reviewing the rule 1942
and in determining that the rule did not need amendment or 1943
rescission. 1944

(2) The rule has an adverse impact on businesses, and the 1945
agency has failed to demonstrate through a business impact 1946
analysis, recommendations from the common sense initiative office, 1947
and a memorandum of response that the regulatory intent of the 1948
rule justifies its adverse impact on businesses. 1949

(3) If the rule incorporates a text or other material by 1950

reference, any of the following applies: 1951

(a) The citation accompanying the incorporation by reference 1952
is not such as reasonably would enable a reasonable person to whom 1953
the rule applies readily and without charge to find and inspect 1954
the incorporated text or other material; 1955

(b) The citation accompanying the incorporation by reference 1956
is not such as reasonably would enable the joint committee readily 1957
and without charge to find and inspect the incorporated text or 1958
other material; or 1959

(c) The rule has been exempted in whole or in part from 1960
sections 121.71 to 121.74 of the Revised Code on grounds the 1961
incorporated text or other material has one or more of the 1962
characteristics described in division (B) of section 121.75 of the 1963
Revised Code, but the incorporated text or other material actually 1964
does not have any of those characteristics. 1965

(4) If the agency is subject to sections 121.95, 121.951, 1966
121.952, and 121.953 of the Revised Code, the agency has failed to 1967
justify the retention of a rule containing a regulatory 1968
restriction. 1969

(5) The rule implements a federal law or rule in a manner 1970
that is more stringent or burdensome than the federal law or rule 1971
requires. 1972

If the agency fails to comply with section 106.03 or 106.031 1973
of the Revised Code, the joint committee shall afford the agency 1974
an opportunity to appear before the joint committee to show cause 1975
why the agency has not complied with either or both of those 1976
sections. If the agency appears before the joint committee at the 1977
time scheduled for the agency to show cause, and fails to do so, 1978
the joint committee, by vote of a majority of its members present, 1979
may recommend the adoption of a concurrent resolution invalidating 1980
the rule for the agency's failure to show cause. Or if the agency 1981

fails to appear before the joint committee at the time scheduled 1982
for the agency to show cause, the joint committee, by vote of a 1983
majority of its members present, may recommend adoption of a 1984
concurrent resolution invalidating the rule for the agency's 1985
default. 1986

When the joint committee recommends that a rule be 1987
invalidated, the recommendation does not suspend operation of the 1988
rule, and the rule remains operational pending action by the 1989
senate and house of representatives on the concurrent resolution 1990
embodying the recommendation. If the senate and house of 1991
representatives adopt the concurrent resolution, the rule is 1992
invalid. If, however, the senate and house of representatives do 1993
not adopt the resolution, the rule continues in effect, and shall 1994
next be reviewed according to the new review date assigned to the 1995
rule. 1996

Sec. 106.032. If the chairperson of the joint committee on 1997
agency rule review responsible for calling and conducting meetings 1998
under section 101.35 of the Revised Code becomes aware that an 1999
existing rule has had or is having an unintended or unexpected 2000
effect on businesses that is not reasonably within the express or 2001
implied scope of the statute under which the existing rule 2002
purportedly was adopted, ~~the~~ that chairperson may move that the 2003
joint committee order the agency that is administering the 2004
existing rule to submit the existing rule for review under section 2005
106.031 of the Revised Code, the same as if the agency had made a 2006
determination with regard to the existing rule under division 2007
(B)(2) of section 106.03 of the Revised Code. The joint committee 2008
may adopt the motion by vote of a majority of its members. The 2009
joint committee shall not adopt a motion under this paragraph for 2010
a rule if the joint committee previously has adopted a motion 2011
under this paragraph for the same rule within the immediately 2012
preceding five-year period. 2013

The joint committee shall prepare the order in writing, and 2014
shall transmit the order electronically to the agency. The joint 2015
committee also shall transmit a copy of the order electronically 2016
to the director of the legislative service commission and to the 2017
common sense initiative office. The joint committee shall indicate 2018
in the order the date on which the order is transmitted. The 2019
director shall publish the order in the register of Ohio. 2020

Upon receiving the order, the agency shall comply with the 2021
order as soon as reasonably possible, but shall commence 2022
compliance with the order not later than thirty days after the 2023
date on which the order was transmitted. 2024

When an agency complies with the order, proceedings are to be 2025
had with regard to the existing rule under section 106.031 of the 2026
Revised Code, the same as if the agency had made a determination 2027
with regard to the existing rule under division (B)(2) of section 2028
106.03 of the Revised Code. In addition to the standards of review 2029
stated in division (E) of section 106.031 of the Revised Code, the 2030
joint committee may recommend to the senate and house of 2031
representatives the adoption of a concurrent resolution 2032
invalidating the existing rule if the joint committee finds that 2033
the existing rule has an unintended or unexpected effect on 2034
businesses that is not reasonably within the express or implied 2035
scope of the statute under which the agency purportedly adopted 2036
the existing rule. 2037

Sec. 106.04. When the joint committee on agency rule review 2038
recommends invalidation of a proposed or existing rule under 2039
section 106.021 or 106.031 of the Revised Code, the chairperson of 2040
the joint committee responsible for calling and conducting 2041
meetings under section 101.35 of the Revised Code, or another 2042
member of the joint committee designated by ~~the~~ that chairperson, 2043
shall prepare the recommendation of invalidation in writing. The 2044

recommendation shall identify the proposed or existing rule, the 2045
agency that proposed or submitted the proposed or existing rule, 2046
and the finding that caused the joint committee to make the 2047
recommendation. The recommendation briefly shall explain the 2048
finding. 2049

The chairperson of the joint committee responsible for 2050
calling and conducting meetings under section 101.35 of the 2051
Revised Code shall request the legislative service commission to 2052
prepare a concurrent resolution to invalidate the proposed or 2053
existing rule according to the recommendation. The concurrent 2054
resolution shall state the finding that caused the joint committee 2055
to recommend invalidation of the rule. 2056

Sec. 106.041. The chairperson of the joint committee on 2057
agency rule review responsible for calling and conducting meetings 2058
under section 101.35 of the Revised Code, or another member of the 2059
joint committee designated by ~~the~~ that chairperson, shall submit a 2060
concurrent resolution to invalidate a proposed or existing rule to 2061
the clerk of either house of the general assembly. The 2062
recommendation of invalidation and a copy of the proposed or 2063
existing rule also shall be submitted to the clerk along with the 2064
concurrent resolution. 2065

Sec. 107.03. (A) As used in this section, "transportation 2066
budget" means the biennial budget that primarily includes the 2067
following: 2068

(1) Motor fuel excise tax-related appropriations for the 2069
department of transportation, public works commission, and 2070
department of development; 2071

(2) Other appropriations that pertain to transportation and 2072
infrastructure related to transportation. 2073

(B) The governor shall submit a transportation budget to the 2074
general assembly not later than four weeks after the general 2075
assembly's organization. 2076

(C) The governor shall submit to the general assembly, not 2077
later than four weeks after its organization, a state budget 2078
containing a complete financial plan for the ensuing fiscal 2079
biennium, excluding items of revenue and expenditure described in 2080
section 126.022 of the Revised Code. However, in years of a new 2081
governor's inauguration, this budget shall be submitted not later 2082
than the fifteenth day of March. 2083

(D) In years of a new governor's inauguration, only the new 2084
governor shall submit a budget to the general assembly. In 2085
addition to other things required by law, each of the governor's 2086
budgets shall contain: 2087

(1) A general budget summary by function and agency setting 2088
forth the proposed total expenses from each and all funds and the 2089
anticipated resources for meeting such expenses; such resources to 2090
include any available balances in the several funds at the 2091
beginning of the biennium and a classification by totals of all 2092
revenue receipts estimated to accrue during the biennium under 2093
existing law and proposed legislation. 2094

(2) A detailed statement showing the amounts recommended to 2095
be appropriated from each fund for each fiscal year of the 2096
biennium for current expenses, including, but not limited to, 2097
personal services, supplies and materials, equipment, subsidies 2098
and revenue distribution, merchandise for resale, transfers, and 2099
nonexpense disbursements, obligations, interest on debt, and 2100
retirement of debt, and for the biennium for capital outlay, to 2101
the respective departments, offices, institutions, as defined in 2102
section 121.01 of the Revised Code, and all other public purposes; 2103
and, in comparative form, the actual expenses by source of funds 2104
during each fiscal year of the previous two bienniums for each 2105

such purpose. No alterations shall be made in the requests for the 2106
legislative and judicial branches of the state filed with the 2107
director of budget and management under section 126.02 of the 2108
Revised Code. If any amount of federal money is recommended to be 2109
appropriated or has been expended for a purpose for which state 2110
money also is recommended to be appropriated or has been expended, 2111
the amounts of federal money and state money involved shall be 2112
separately identified. 2113

(3) A detailed estimate of the revenue receipts in each fund 2114
from each source under existing laws during each year of the 2115
biennium; and, in comparative form, actual revenue receipts in 2116
each fund from each source for each year of the two previous 2117
bienniums; 2118

(4) The estimated cash balance in each fund at the beginning 2119
of the biennium covered by the budget; the estimated liabilities 2120
outstanding against each such balance; and the estimated net 2121
balance remaining and available for new appropriations; 2122

(5) A detailed estimate of the additional revenue receipts in 2123

during each year of the biennium; 2125

(6) The most recent report prepared by the department of 2126
taxation under section 5703.48 of the Revised Code, which shall be 2127
submitted to the general assembly as an appendix to the governor's 2128
budget; 2129

(7) The most recent TANF spending plan prepared by the 2130
department of job and family services under section 5101.806 of 2131
the Revised Code, which shall be submitted to the general assembly 2132
as an appendix to the governor's budget; 2133

(8) The medicaid caseload and expenditure forecast report 2134
prepared by the office of budget and management, in consultation 2135
with the department of medicaid, under section 126.021 of the 2136

Revised Code. The report shall be submitted to the general assembly as a supplemental budget document to provide an in-depth analysis of the governor's budget recommendations for the medicaid budget as a whole and for each of the major medicaid appropriation items. The report shall clearly distinguish a proposed policy change from continuing law or administrative policy and indicate whether the data used throughout the report is proposed, estimated, or actual data for the current or proposed budget biennium. form, that is filed under this division. 3732

A proposed rule that is subject to legislative review under 3733
this division may not be adopted and filed in final form under 3734
division (B)(1) of this section unless the proposed rule has been 3735
filed with the joint committee on agency rule review under this 3736
division and the time for the joint committee to review the 3737
proposed rule has expired without recommendation of a concurrent 3738
resolution to invalidate the proposed rule. 3739

If a proposed rule that is subject to legislative review 3740
under this division implements a federal law or rule, the agency 3741
shall provide to the joint committee a citation to the federal law 3742
or rule the proposed rule implements and a statement as to whether 3743
the proposed rule implements the federal law or rule in a manner 3744
that is more or less stringent or burdensome than the federal law 3745

cases. Witnesses shall be paid the fees and mileage provided for 4434
under section 119.094 of the Revised Code. Fees and mileage shall 4435
be paid from the fund in the state treasury for the use of the 4436
agency in the same manner as other expenses of the agency are 4437
paid. 4438

An agency may postpone or continue any adjudication hearing 4439
upon the application of any party or upon its own motion. 4440

In any case of disobedience or neglect of any subpoena served 4441
on any person or the refusal of any witness to testify to any 4442
matter regarding which the witness may lawfully be interrogated, 4443
the court of common pleas of any county where such disobedience, 4444
neglect, or refusal occurs or any judge thereof, on application by 4445
the agency shall compel obedience by attachment proceedings for 4446
contempt, as in the case of disobedience of the requirements of a 4447
subpoena issued from such court, or a refusal to testify therein. 4448

At any adjudication hearing required by sections 119.01 to 4449
119.13 of the Revised Code, the record of which may be the basis 4450
of an appeal to court, a stenographic record of the testimony and 4451
other evidence submitted shall be taken at the expense of the 4452
agency. Such record shall include all of the testimony and other 4453
evidence, and rulings on the admissibility thereof presented at 4454
the hearing. This paragraph does not require a stenographic record 4455
at every adjudication hearing. In any situation where an 4456
adjudication hearing is required by sections 119.01 to 119.13 of 4457
the Revised Code, if an adjudication order is made without a 4458
stenographic record of the hearing, the agency shall, on request 4459

of the party, afford a hearing or rehearing for the purpose of 4460
making such a record which may be the basis of an appeal to court. 4461
The rules of an agency may specify the situations in which a 4462
stenographic record will be made only on request of the party; 4463
otherwise such a record shall be made at every adjudication 4464
hearing from which an appeal to court might be taken. 4465

The agency shall pass upon the admissibility of evidence, but 4466
a party may at the time make objection to the rulings of the 4467
agency thereon, and if the agency refuses to admit evidence, the 4468
party offering the same shall make a proffer thereof, and such 4469
proffer shall be made a part of the record of such hearing. 4470

In any adjudication hearing required by sections 119.01 to 4471
119.13 of the Revised Code, the agency may call any party to 4472
testify under oath as upon cross-examination. 4473

The agency, or any one delegated by it to conduct an 4474
adjudication hearing, may administer oaths or affirmations. 4475

In any adjudication hearing required by sections 119.01 to 4476
119.13 of the Revised Code, the agency may appoint a referee or 4477
examiner to conduct the hearing. The referee or examiner shall 4478
have the same powers and authority in conducting the hearing as is 4479
granted to the agency. Such referee or examiner shall have been 4480
admitted to the practice of law in the state and be possessed of 4481
such additional qualifications as the agency requires. The referee 4482
or examiner shall submit to the agency a written report setting 4483
forth the referee's or examiner's findings of fact and conclusions 4484
of law and a recommendation of the action to be taken by the 4485
agency. A copy of such written report and recommendation of the 4486
referee or examiner shall within five days of the date ~~of filing~~ 4487
~~thereof~~ it is submitted to the agency, be served upon the party or 4488
the party's attorney or other representative of record, ~~by~~ 4489
~~certified mail~~ in accordance with section 119.05 of the Revised 4490
Code. The party may, within ten days of ~~receipt of such copy~~ 4491

service of such written report and recommendation, file with the 4492
agency written objections to the report and recommendation, which 4493
objections shall be considered by the agency before approving, 4494
modifying, or disapproving the recommendation. The agency may 4495
grant extensions of time to the party within which to file such 4496
objections. No recommendation of the referee or examiner shall be 4497
approved, modified, or disapproved by the agency until after ten 4498
days after service of such report and recommendation ~~as provided~~ 4499
~~in this section~~. The agency may order additional testimony to be 4500
taken or permit the introduction of further documentary evidence. 4501
The recommendation of the referee or examiner may be approved, 4502
modified, or disapproved by the agency, and the order of the 4503
agency based on such report, recommendation, transcript of 4504
testimony and evidence, or objections of the parties, and 4505
additional testimony and evidence shall have the same effect as if 4506
such hearing had been conducted by the agency. No such 4507
recommendation shall be final until confirmed and approved by the 4508
agency as indicated by the order entered on its record of 4509
proceedings, and if the agency modifies or disapproves the 4510
recommendations of the referee or examiner it shall include in the 4511
record of its proceedings the reasons for such modification or 4512
disapproval. 4513

After such order is entered on its journal, the agency shall, 4514
in accordance with section 119.05 of the Revised Code, serve ~~by~~ 4515
~~certified mail, return receipt requested, upon~~ the party affected 4516
thereby, a certified copy of the order and a statement of the time 4517
and method by which an appeal may be perfected. A copy of such 4518
order shall be ~~mailed~~ provided to the attorneys or other 4519
representatives of record representing the party. 4520

Sec. 119.092. (A) As used in this section: 4521

(1) "Eligible party" means a party to an adjudication hearing 4522

other than the following: 4523

(a) The agency; 4524

(b) An individual whose net worth exceeded one million 4525
dollars at the time ~~he~~ the individual received notification of the 4526
hearing; 4527

(c) A sole owner of an unincorporated business that had, or a 4528
partnership, corporation, association, or organization that had, a 4529
net worth exceeding five million dollars at the time the party 4530
received notification of the hearing, except that an organization 4531
that is described in subsection 501(c)(3) and is tax exempt under 4532
subsection 501(a) of the Internal Revenue Code, shall not be 4533
excluded as an eligible party under this division because of its 4534
net worth; 4535

(d) A sole owner of an unincorporated business that employed, 4536
or a partnership, corporation, association, or organization that 4537
employed, more than five hundred persons at the time the party 4538
received notification of the hearing. 4539

(2) "Fees" means reasonable attorney's fees, in an amount not 4540
to exceed seventy-five dollars per hour or a higher hourly fee 4541
that the agency establishes by rule and that is applicable under 4542
the circumstances. 4543

(3) "Internal Revenue Code" means the "Internal Revenue Code 4544
of 1954," 68A Stat. 3, 26 U.S.C. 1, as amended. 4545

(4) "Prevailing eligible party" means an eligible party that 4546
prevails after an adjudication hearing, as reflected in an order 4547
entered in the journal of the agency. 4548

(B)(1) Except as provided in divisions (B)(2) and (F) of this 4549
section, if an agency conducts an adjudication hearing under this 4550
chapter, the prevailing eligible party is entitled, upon filing a 4551
motion in accordance with this division, to compensation for fees 4552

incurred by that party in connection with the hearing. A 4553
prevailing eligible party that desires an award of compensation 4554
for fees shall file a motion requesting the award with the agency 4555
within thirty days after the date that the order of the agency is 4556
entered in its journal. The motion shall do all of the following: 4557

(a) Identify the party; 4558

(b) Indicate that the party is the prevailing eligible party 4559
and is entitled to receive an award of compensation for fees; 4560

(c) Include a statement that the agency's position in 4561
initiating the matter in controversy was not substantially 4562
justified; 4563

(d) Indicate the amount sought as an award; 4564

(e) Itemize all fees sought in the requested award. This 4565
itemization shall include a statement from any attorney who 4566
represented the prevailing eligible party, that indicates the fees 4567
charged, the actual time expended, and the rate at which the fees 4568
were calculated. 4569

(2) Upon the filing of a motion under this section, the 4570
request for the award shall be reviewed by the referee or examiner 4571
who conducted the adjudication hearing or, if none, by the agency 4572
involved. In the review, the referee, examiner, or agency shall 4573
determine whether the fees incurred by the prevailing eligible 4574
party exceeded one hundred dollars, whether the position of the 4575
agency in initiating the matter in controversy was substantially 4576
justified, whether special circumstances make an award unjust, and 4577
whether the prevailing eligible party engaged in conduct during 4578
the course of the hearing that unduly and unreasonably protracted 4579
the final resolution of the matter in controversy. The referee, 4580
examiner, or agency shall issue a determination, in writing, on 4581
the motion of the prevailing eligible party, which determination 4582
shall include a statement indicating whether an award has been 4583

granted, the findings and conclusions underlying it, the reasons 4584
or bases for the findings and conclusions, and, if an award has 4585
been granted, its amount. The determination shall be entered in 4586
the record of the prevailing eligible party's case, and a copy of 4587
it ~~mailed to~~ served on the prevailing eligible party in accordance 4588
with section 119.05 of the Revised Code. 4589

With respect to a motion under this section, the agency 4590
involved, through any representative it designates, has the burden 4591
of proving that its position in initiating the matter in 4592
controversy was substantially justified, that special 4593
circumstances make an award unjust, or that the prevailing 4594
eligible party engaged in conduct during the course of the hearing 4595
that unduly and unreasonably protracted the final resolution of 4596
the matter in controversy. A referee, examiner, or agency 4597
considering a motion under this section may deny an award 4598
entirely, or reduce the amount of an award that otherwise would be 4599
payable, to a prevailing eligible party only as follows: 4600

(a) If the determination is that the agency has sustained its 4601
burden of proof that its position in initiating the matter in 4602
controversy was substantially justified or that special 4603
circumstances make an award unjust, the motion shall be denied; 4604

(b) If the determination is that the agency has sustained its 4605
burden of proof that the prevailing eligible party engaged in 4606
conduct during the course of the hearing that unduly and 4607
unreasonably protracted the final resolution of the matter in 4608
controversy, the referee, examiner, or agency may reduce the 4609
amount of an award, or deny an award, to that party to the extent 4610
of that conduct; 4611

(c) If the determination is that the fees of the prevailing 4612
eligible party were not in excess of one hundred dollars, the 4613
referee, agency, or examiner shall deny the motion. 4614

(3) For purposes of this section, decisions by referees or examiners upon motions are final and are not subject to review and approval by an agency. These decisions constitute final determinations of the agency for purposes of appeals under division (C) of this section.

(C) A prevailing eligible party that files a motion for an award of compensation for fees under this section and that is denied an award or receives a reduced award may appeal the determination of the referee, examiner, or agency to the same court, as determined under section 119.12 of the Revised Code, as the party could have appealed the adjudication order of the agency had the party been adversely affected by it. An agency may appeal the grant of an award to this same court if a referee or examiner made the final determination pursuant to division (B)(3) of this section. Notices of appeal shall be filed in the manner and within the period specified in section 119.12 of the Revised Code.

Upon the filing of an appeal under this division, the agency shall prepare and certify to the court involved a complete record of the case, and the court shall conduct a hearing on the appeal. The agency and the court shall do so in accordance with the procedures established in section 119.12 of the Revised Code for appeals pursuant to that section, unless otherwise provided in this division.

The court hearing an appeal under this division may modify the determination of the referee, examiner, or agency with respect to the motion for compensation for fees only if the court finds that the failure to grant an award, or the calculation of the amount of an award, involved an abuse of discretion. The judgment of the court is final and not appealable, and a copy of it shall be certified to the agency involved and the prevailing eligible party.

(D) Compensation for fees awarded to a prevailing eligible

party under this section may be paid by an agency from any funds 4647
available to it for payment of such compensation. If an agency 4648
does not pay compensation from such funds or no such funds are 4649
available, upon the filing of a referee's, examiner's, agency's, 4650
or court's determination or judgment in favor of the prevailing 4651
eligible party with the clerk of the court of claims, the 4652
determination or judgment awarding compensation for fees shall be 4653
treated as if it were a judgment under Chapter 2743. of the 4654
Revised Code and be payable in accordance with the procedures 4655
specified in section 2743.19 of the Revised Code, except that 4656
interest shall not be paid in relation to the award. 4657

(E) Each agency that is required to pay compensation for fees 4658
to a prevailing eligible party pursuant to this section during any 4659
fiscal year shall prepare a report for that year. The report shall 4660
be completed no later than the first day of October of the fiscal 4661
year following the fiscal year covered by the report, and copies 4662
of it shall be filed with the general assembly. It shall contain 4663
the following information for the covered fiscal year: 4664

(1) The total amount and total number of the awards of 4665
compensation for fees required to be paid by the agency; 4666

(2) The amount and nature of each individual award that the 4667
agency was required to pay; 4668

(3) Any other relevant information that may aid the general 4669
assembly in evaluating the scope and impact of awards of 4670
compensation for fees. 4671

(F) The provisions of this section do not apply when any of 4672
the following circumstances are involved: 4673

(1) An adjudication hearing was conducted for the purpose of 4674
establishing or fixing a rate; 4675

(2) An adjudication hearing was conducted for the purpose of 4676
determining the eligibility or entitlement of any individual to 4677

benefits; 4678

(3) A prevailing eligible party was represented in an 4679
adjudication hearing by an attorney who was paid pursuant to an 4680
appropriation by the federal or state government or a local 4681
government; 4682

(4) An adjudication hearing was conducted by the state 4683
personnel board of review pursuant to authority conferred by 4684
section 124.03 of the Revised Code, or by the state employment 4685
relations board pursuant to authority conferred by Chapter 4117. 4686
of the Revised Code. 4687

~~Sec. 119.12. (A)(1) Except as provided in division (A)(2) or 4688
(3) of this section, any(A) Any party adversely affected by any 4689
order of an agency issued pursuant to an adjudication denying an 4690
applicant admission to an examination, or denying the issuance or 4691
renewal of a license or registration of a licensee, or revoking or 4692
suspending a license, or allowing the payment of a forfeiture 4693
under section 4301.252 of the Revised Code may appeal from the 4694
order of the agency to the court of common pleas of the county in 4695

county in which the licensee is a resident designated in division 4697
(B) of this section. 4698~~

~~(2)(B) An appeal from an order described in division 4699
(A)(1)(A) of this section shall be filed in the county designated 4700

section, an appeal from an order of an agency issued pursuant to 4703
an adjudication denying an applicant admission to an examination, 4704
denying the issuance or renewal of a license or registration of a 4705
licensee, revoking or suspending a license, or allowing the 4706
payment of a forfeiture under section 4301.252 of the Revised Code 4707
shall be filed in the county in which the place of business of the 4708

licensee is located or the county in which the licensee is a 4709
resident. 4710

(2) An appeal from an order issued by any of the following 4711
agencies shall be made to the court of common pleas of Franklin 4712
county or the court of common pleas in the county in which the 4713
place of business of the licensee is located or the county in 4714
which the licensee is a resident: 4715

(a) The liquor control commission; 4716

~~(3) If any party appealing from an order described in~~ 4724
~~division (A)(1) of this section is not a resident of and has no~~ 4725

~~(B) Any party adversely affected by any order of an agency~~ 4728

Revised Code ~~may~~ shall be to the court of common pleas of the 4732
county in which the building of the aggrieved person is located 4733
~~and except that appeals.~~ 4734

(4) Appeals under division (B) of section 124.34 of the 4735
Revised Code from a decision of the state personnel board of 4736
review or a municipal or civil service township civil service 4737
commission shall be taken to the court of common pleas of the 4738

county in which the appointing authority is located or, in the 4739
case of an appeal by the department of rehabilitation and 4740
correction, to the court of common pleas of Franklin county. 4741

(5) If any party appealing from an order described in 4742
division (B)(1), (2), or (6) of this section is not a resident of 4743

to the court of common pleas of Franklin county. 4745

(6) Any party adversely affected by any order of an agency 4746
issued pursuant to any other adjudication may appeal to the court 4747

the county in which the business of the party is located or in 4749
which the party is a resident. 4750

(C) This section does not apply to appeals from the 4751
department of taxation. 4752

(D) Any party desiring to appeal shall file a notice of 4753
appeal with the agency setting forth the order appealed from and 4754
stating that the agency's order is not supported by reliable, 4755
probative, and substantial evidence and is not in accordance with 4756
law. The notice of appeal may, but need not, set forth the 4757
specific grounds of the party's appeal beyond the statement that 4758
the agency's order is not supported by reliable, probative, and 4759
substantial evidence and is not in accordance with law. The notice 4760
of appeal shall also be filed by the appellant with the court. In 4761
filing a notice of appeal with the agency or court, the notice 4762
that is filed may be either the original notice or a copy of the 4763
original notice. Unless otherwise provided by law relating to a 4764
particular agency, notices of appeal shall be filed within fifteen 4765
days after the ~~mailing~~ service of the notice of the agency's order 4766
as provided in ~~this~~ section 119.05 of the Revised Code. For 4767
purposes of this paragraph, an order includes a determination 4768
appealed pursuant to division (C) of section 119.092 of the 4769
Revised Code. The amendments made to this paragraph by Sub. H.B. 4770

215 of the 128th general assembly are procedural, and this 4771
paragraph as amended by those amendments shall be applied 4772
retrospectively to all appeals pursuant to this paragraph filed 4773
before September 13, 2010, but not earlier than May 7, 2009, which 4774
was the date the supreme court of Ohio released its opinion and 4775
judgment in *Medcorp, Inc. v. Ohio Dep't. of Job and Family Servs.* 4776
(2009), 121 Ohio St.3d 622. 4777

(E) The filing of a notice of appeal shall not automatically 4778
operate as a suspension of the order of an agency. If it appears 4779
to the court that an unusual hardship to the appellant will result 4780
from the execution of the agency's order pending determination of 4781
the appeal, the court may grant a suspension and fix its terms. If 4782
an appeal is taken from the judgment of the court and the court 4783
has previously granted a suspension of the agency's order as 4784
provided in this section, the suspension of the agency's order 4785
shall not be vacated and shall be given full force and effect 4786
until the matter is finally adjudicated. No renewal of a license 4787
or permit shall be denied by reason of the suspended order during 4788
the period of the appeal from the decision of the court of common 4789
pleas. In the case of an appeal from the Ohio casino control 4790
commission, the state medical board, or the state chiropractic 4791
board, the court may grant a suspension and fix its terms if it 4792
appears to the court that an unusual hardship to the appellant 4793
will result from the execution of the agency's order pending 4794
determination of the appeal and the health, safety, and welfare of 4795
the public will not be threatened by suspension of the order. This 4796
provision shall not be construed to limit the factors the court 4797
may consider in determining whether to suspend an order of any 4798
other agency pending determination of an appeal. 4799

(F) The final order of adjudication may apply to any renewal 4800
of a license or permit which has been granted during the period of 4801
the appeal. 4802

(G) Notwithstanding any other provision of this section, any order issued by a court of common pleas or a court of appeals suspending the effect of an order of the liquor control commission issued pursuant to Chapter 4301. or 4303. of the Revised Code that suspends, revokes, or cancels a permit issued under Chapter 4303. of the Revised Code or that allows the payment of a forfeiture under section 4301.252 of the Revised Code shall terminate not more than six months after the date of the filing of the record of the liquor control commission with the clerk of the court of common pleas and shall not be extended. The court of common pleas, or the court of appeals on appeal, shall render a judgment in that matter within six months after the date of the filing of the record of the liquor control commission with the clerk of the court of common pleas. A court of appeals shall not issue an order suspending the effect of an order of the liquor control commission that extends beyond six months after the date on which the record of the liquor control commission is filed with a court of common pleas.

(H) Notwithstanding any other provision of this section, any order issued by a court of common pleas or a court of appeals suspending the effect of an order of the Ohio casino control commission issued under Chapter 3772. of the Revised Code that limits, conditions, restricts, suspends, revokes, denies, not renews, fines, or otherwise penalizes an applicant, licensee, or person excluded or ejected from a casino facility in accordance with section 3772.031 of the Revised Code shall terminate not more than six months after the date of the filing of the record of the Ohio casino control commission with the clerk of the court of common pleas and shall not be extended. The court of common pleas, or the court of appeals on appeal, shall render a judgment in that matter within six months after the date of the filing of the record of the Ohio casino control commission with the clerk of the court of common pleas. A court of appeals shall not issue an order

suspending the effect of an order of the Ohio casino control 4836
commission that extends beyond six months after the date on which 4837
the record of the Ohio casino control commission is filed with the 4838
clerk of a court of common pleas. 4839

(I) Notwithstanding any other provision of this section, any 4840
order issued by a court of common pleas suspending the effect of 4841
an order of the state medical board or state chiropractic board 4842
that limits, revokes, suspends, places on probation, or refuses to 4843
register or reinstate a certificate issued by the board or 4844
reprimands the holder of the certificate shall terminate not more 4845
than fifteen months after the date of the filing of a notice of 4846
appeal in the court of common pleas, or upon the rendering of a 4847
final decision or order in the appeal by the court of common 4848
pleas, whichever occurs first. 4849

~~(I)~~(J) Within thirty days after receipt of a notice of appeal 4850
from an order in any case in which a hearing is required by 4851
sections 119.01 to 119.13 of the Revised Code, the agency shall 4852
prepare and certify to the court a complete record of the 4853
proceedings in the case. Failure of the agency to comply within 4854
the time allowed, upon motion, shall cause the court to enter a 4855
finding in favor of the party adversely affected. Additional time, 4856
however, may be granted by the court, not to exceed thirty days, 4857
when it is shown that the agency has made substantial effort to 4858
comply. The record shall be prepared and transcribed, and the 4859
expense of it shall be taxed as a part of the costs on the appeal. 4860
The appellant shall provide security for costs satisfactory to the 4861
court of common pleas. Upon demand by any interested party, the 4862
agency shall furnish at the cost of the party requesting it a copy 4863
of the stenographic report of testimony offered and evidence 4864
submitted at any hearing and a copy of the complete record. 4865

~~(J)~~(K) Notwithstanding any other provision of this section, 4866
any party desiring to appeal an order or decision of the state 4867

personnel board of review shall, at the time of filing a notice of appeal with the board, provide a security deposit in an amount and manner prescribed in rules that the board shall adopt in accordance with this chapter. In addition, the board is not required to prepare or transcribe the record of any of its proceedings unless the appellant has provided the deposit described above. The failure of the board to prepare or transcribe a record for an appellant who has not provided a security deposit shall not cause a court to enter a finding adverse to the board.

~~(K)~~(L) Unless otherwise provided by law, in the hearing of the appeal, the court is confined to the record as certified to it by the agency. Unless otherwise provided by law, the court may grant a request for the admission of additional evidence when satisfied that the additional evidence is newly discovered and could not with reasonable diligence have been ascertained prior to the hearing before the agency.

~~(L)~~(M) The court shall conduct a hearing on the appeal and shall give preference to all proceedings under sections 119.01 to 119.13 of the Revised Code, over all other civil cases, irrespective of the position of the proceedings on the calendar of the court. The administrative agent for a county council may do any of 5690
the following on behalf of the council: 5691

(i) Enter into agreements or administer contracts with public 5692

agreements and contracts are exempt from the competitive bidding 5694
requirements of section 307.86 of the Revised Code if they have 5695
been approved by the county council and they are for the purchase 5696
of ~~family and child welfare or child protection services or other~~ 5697

bidding requirements of section 307.86 of the Revised Code. 5702

expenses related to council activity; 5705

(iii) Receive by gift, grant, devise, or bequest any moneys, 5706
lands, or other property for the purposes for which the council is 5707
established. The agent shall hold, apply, and dispose of the 5708
moneys, lands, or other property according to the terms of the 5709

gift, grant, devise, or bequest. Any interest or earnings shall be 5710
treated in the same manner and are subject to the same terms as 5711
the gift, grant, devise, or bequest from which it accrues. 5712

(b)(i) If the county council designates the board of county 5713
commissioners as its administrative agent, the board may, by 5714
resolution, delegate any of its powers and duties as 5715
administrative agent to an executive committee the board 5716
establishes from the membership of the county council. The board 5717
shall name to the executive committee at least the individuals 5718

board, hire an executive director to assist the county council in 5726
administering its powers and duties. The executive director shall 5727
serve in the unclassified civil service at the pleasure of the 5728
executive committee. The executive director may, with the approval 5729
of the executive committee, hire other employees as necessary to 5730
properly conduct the county council's business. 5731

(iii) The board may require the executive committee to submit 5732
an annual budget to the board for approval and may amend or repeal 5733
the resolution that delegated to the executive committee its 5734
authority as the county council's administrative agent. 5735

(6) Two or more county councils may enter into an agreement 5736
to administer their county councils jointly by creating a regional 5737
family and children first council. A regional council possesses 5738
the same duties and authority possessed by a county council, 5739
except that the duties and authority apply regionally rather than 5740
to individual counties. Prior to entering into an agreement to 5741

create a regional council, the members of each county council to 5742
be part of the regional council shall meet to determine whether 5743
all or part of the members of each county council will serve as 5744
members of the regional council. 5745

(7) A board of county commissioners may approve a resolution 5746
by a majority vote of the board's members that requires the county 5747
council to submit a statement to the board each time the council 5748
proposes to enter into an agreement, adopt a plan, or make a 5749
decision, other than a decision pursuant to section 121.38 of the 5750
Revised Code, that requires the expenditure of funds for two or 5751
more families. The statement shall describe the proposed 5752
agreement, plan, or decision. 5753

Not later than fifteen days after the board receives the 5754
statement, it shall, by resolution approved by a majority of its 5755
members, approve or disapprove the agreement, plan, or decision. 5756
Failure of the board to pass a resolution during that time period 5757
shall be considered approval of the agreement, plan, or decision. 5758

An agreement, plan, or decision for which a statement is 5759
required to be submitted to the board shall be implemented only if 5760
it is approved by the board. 5761

(C) Each county shall develop a county service coordination 5762
mechanism. The county service coordination mechanism shall serve 5763
as the guiding document for coordination of services in the 5764
county. For children who also receive services under the ~~help-me~~ 5765
~~grow program~~ early intervention program, the main provider of 5766
service coordination ~~mechanism~~ shall be ~~consistent with rules~~ 5767
~~adopted by the department of health under~~ an early intervention 5768
service coordinator to ensure compliance with section ~~3701.61~~ 5769
5123.02 of the Revised Code. All family service coordination plans 5770
shall be developed in accordance with the county service 5771
coordination mechanism. The mechanism shall be developed and 5772
approved with the participation of the county entities 5773

representing child welfare; developmental disabilities; alcohol, 5774
drug addiction, and mental health services; health; juvenile 5775
judges; education; the county family and children first council; 5776
and the county early intervention collaborative established 5777
pursuant to the federal early intervention program operated under 5778
the "Individuals with Disabilities Education Act of 2004." The 5779
county shall establish an implementation schedule for the 5780
mechanism. The cabinet council may monitor the implementation and 5781
administration of each county's service coordination mechanism. 5782

Each mechanism shall include all of the following: 5783

a family voluntarily seeking service coordination, to refer the 5785
child and family to the county council for service coordination in 5786
accordance with the mechanism; 5787

(2) A procedure ensuring that a family and all appropriate 5788
staff from involved agencies, including a representative from the 5789
appropriate school district, are notified of and invited to 5790
participate in all family service coordination plan meetings; 5791

(3) A procedure that permits a family to initiate a meeting 5792
to develop or review the family's service coordination plan and 5793
allows the family to invite a family advocate, mentor, or support 5794
person of the family's choice to participate in any such meeting; 5795

(4) A procedure for ensuring that a family service 5796
coordination plan meeting is conducted for each child who receives 5797
service coordination under the mechanism and for whom an emergency 5798
out-of-home placement has been made or for whom a nonemergency 5799
out-of-home placement is being considered. The meeting shall be 5800
conducted within ten days of an emergency out-of-home placement. 5801
The meeting shall be conducted before a nonemergency out-of-home 5802
placement. The family service coordination plan shall outline how 5803
the county council members will jointly pay for services, where 5804

applicable, and provide services in the least restrictive 5805
environment. 5806

Sections 121.81 to 121.83 <u>121.82</u> and 121.91 of the Revised Code are complementary to sections 107.51 to 107.55 and 107.61 to 107.63 of the Revised Code.	6043 6044 6045

state, secretary of state, treasurer of state, and attorney 6058
general are subject, however, to section 106.05 of the Revised 6059
Code. 6060

Sec. 121.93. (A) ~~An~~ Except as provided in division (E) of 6061
this section, an agency shall review its operations to identify 6062
principles of law or policy that have not been stated in a rule 6063
and that the agency is relying upon in conducting adjudications or 6064
other determinations of rights and liabilities or in issuing 6065
writings and other materials, such as instructions, directives, 6066
policy statements, guidelines, handbooks, manuals, advisories, 6067
notices, circulars, advertisements, forms, letters, and opinions. 6068
An agency is not required to identify principles of law or policy 6069
relied upon in issuing internal management rules as defined n 6070
section 111.15 of the Revised Code. The agency shall complete at 6071
least one of the reviews during a governor's term. 6072

Within ~~three~~ six months after the expiration of a governor's 6073
term, the agency electronically shall transmit a report to the 6074
joint committee on agency rule review containing the following: 6075

(1) A statement that the agency has completed one or more of 6076

the reviews, specifying the exact number of reviews completed	6077
during the governor's expired term;	6078
(2) The principles of law or policies identified under this	6079
division;	6080
(3) The agency's considerations regarding the identified	6081
principles of law or policies under division (B) of this section;	6082
(4) Any principles of law or policies for which the agency	6083
determines rulemaking is indicated or for which the agency has	6084
commenced the rule-making process under division (C) of this	6085
section.	6086
The joint committee on agency rule review shall make the	6087
reports available on its web site.	6088
(B) The agency shall determine whether a principle of law or	6089
policy thus identified has a general and uniform operation and	6090
establishes a legal regulation or standard that would not exist in	6091
its absence. If the principle of law or policy has these	6092
characteristics, the agency shall determine whether the principle	6093
of law or policy should be supplanted by its restatement in a rule	6094
to achieve one or more of the following as they are relevant to	6095
the principle of law or policy:	6096
(1) Assert the general and uniform operation of the principle	6097
of law or policy;	6098
(2) Make the principle of law or policy more readily	6099
available to the public;	6100
(3) Make the principle of law or policy more readily	6101
available to persons who specifically are affected by the	6102
principle of law or policy;	6103
(4) Enable the principle of law or policy to be better known	6104
in advance of its application;	6105
(5) Enable greater public participation in improvement and	6106

further development of the principle of law or policy; 6107

(6) Enable greater participation by persons specifically 6108
affected by the principle of law or policy in the improvement and 6109
further development of the principle of law or policy; 6110

(7) Make the principle of law or policy more easily 6111
understandable; or 6112

(8) Make the principle of law or policy more readily 6113
available to those legally charged with monitoring or reviewing 6114
the agency's operations. 6115

If a principle of law or policy aids in the interpretation of 6116
an existing rule or statute, the agency shall consider whether the 6117
aiding effect clarifies or otherwise resolves an uncertainty in 6118
the existing rule or statute. If the principle of law or policy 6119
can be so characterized, the agency shall consider whether the 6120
principle of law or policy should be supplanted by its restatement 6121
in an interpretive rule. The agency may not presume that a 6122
principle of law or policy that aids in the interpretation of an 6123
existing rule or statute is simply a reiteration of the existing 6124
rule or statute. 6125

(C) If the agency determines, in light of the foregoing 6126
standards, that rulemaking is indicated, the agency shall commence 6127
the rule-making process as soon as it is reasonably feasible to do 6128
so, but not later than the date that is six months after the 6129
determination was made. The principle of law or policy as it is 6130
restated in a rule does not need to be wholly congruent with the 6131
supplanted principle of law or policy. The agency lawfully may 6132
improve or develop further the supplanted principle of law or 6133
policy as it is restated in a rule. 6134

The agency may continue to rely upon the principle of law or 6135
policy, but only while it is complying with the preceding 6136
paragraph. The agency may not rely upon the principle of law or 6137

policy in advising with regard to or in determining the rights or 6138
liabilities of a person if the agency fails to commence the 6139
rule-making process by the deadline specified in the preceding 6140
paragraph, or if, after commencing the rule-making process, the 6141
agency neglects or abandons the rule-making process before it is 6142
completed. 6143

(D) A principle of law or policy that is relied upon directly 6144
or by clear implication from a statute applying to the agency does 6145
not need to be supplanted by rule. 6146

(E) This section does not apply to an agency, commission, or 6147
committee created in the legislative branch of government or to 6148
serve the general assembly including, but not limited to, all of 6149
the following: 6150

corporation has been granted a credit under an agreement entered 6359

certificate to the taxpayer, partnership, or S corporation 6361
indicating the amount of the credit the taxpayer, the partners of 6362
the partnership, or the shareholders of the S corporation may 6363
claim for that year, not including any amount that may be carried 6364
forward from previous years under section 5733.34 of the Revised 6365

relocated from elsewhere in this state if the director of 6378
development determines both of the following: 6379

expansion plans, consolidation plans, or other business 6382
considerations affecting the relocating employer; 6383

(b) That the governing body of the county, township, or 6384
municipal corporation from which the employment positions would be 6385
relocated has been notified of the possible relocation. 6386

For purposes of this section, the movement of an employment 6387
position from one political subdivision to another political 6388
subdivision shall be considered a relocation of an employment 6389
position, but the transfer of an individual employee from one 6390
political subdivision to another political subdivision shall not 6391
be considered a relocation of an employment position as long as 6392
the individual's employment position in the first political 6393
subdivision is refilled. 6394

least seventy-five per cent of the eligible costs associated with 6399
a voluntary action shall not claim any credit amount remaining, 6400
including any amounts carried forward from prior years, beginning 6401
with the taxable year in which the judgment in the lawsuit is 6402
entered or the settlement is finally agreed to. 6403

Any amount of credit that a taxpayer, partnership, or S 6404
corporation may not claim by reason of this division shall not be 6405
considered to have been granted for the purpose of determining the 6406
total amount of credits that may be issued under division (B)(2) 6407
of this section. 6408

(F) Each year for which a taxpayer, partnership, or S 6409
corporation claims a credit under section 5733.34 of the Revised 6410
Code, the taxpayer, partnership, or S corporation shall report the 6411

(4) Any other information the director of development requires to perform the director's duties under this section.	6423 6424
(G) The director of development shall annually certify, by the first day of January of each year during the qualifying period, the eligible areas for the calendar year that includes that first day of January.	6425 6426 6427 6428
(H) The director of development, in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement this section, including rules prescribing forms required for administering this section.	6429 6430 6431 6432

that includes the employer's tax period, to the following: 6455

section 5747.05 of the Revised Code; 6464

(c) A home-based employee employed in the project. 6465

"Ohio employee payroll" excludes any such compensation to the 6466
extent it is used to determine the credit under section 122.171 of 6467
the Revised Code, and excludes amounts paid before the day the 6468
taxpayer becomes eligible for the credit under this section. 6469

(4) "Excess payroll" means Ohio employee payroll minus 6470
baseline payroll. 6471

(5) "Home-based employee" means an employee whose services are performed primarily from the employee's residence in this state exclusively for the benefit of the project and whose rate of pay is at least one hundred thirty-one per cent of the federal minimum wage under 29 U.S.C. 206.

(6) "Full-time equivalent employees" means the quotient obtained by dividing the total number of hours for which employees were compensated for employment in the project by two thousand eighty. (11) "Megaproject" means a project in this state that meets all of the following requirements:

(a) At least one of the following applies:

(i) The project requires unique sites, extremely robust utility service, and a technically skilled workforce.

(ii) The megaproject operator of the project has its corporate headquarters in the United States, incurs more than fifty per cent of its research and development expenses in the

United States in the year preceding the date the tax credit 6502
authority approves the project for a credit under this section, 6503
and builds and operates semiconductor wafer manufacturing 6504
factories in this state or intends to do so by the metric 6505
evaluation date applicable to the megaproject operator. 6506

(b) The megaproject operator of the project agrees, in an 6507
agreement with the tax credit authority under division (D) of this 6508
section, that, on and after the metric evaluation date applicable 6509
to the megaproject operator and until the end of the last year for 6510
which the megaproject qualifies for the credit authorized under 6511
this section, the megaproject operator will compensate the 6512
project's employees at an average hourly wage of at least three 6513
hundred per cent of the federal minimum wage under 29 U.S.C. 206, 6514
exclusive of employee benefits, as determined at the time the tax 6515
credit authority approves the project for a credit under this 6516
section. 6517

tax credit authority under division (D) of this section, that if 6529
the project satisfies division (A)(11)(c)(ii) of this section, 6530
then, on and after the metric evaluation date and until the end of 6531
the last year for which the megaproject qualifies for the credit 6532

authorized under this section, the megaproject operator will 6533
maintain at least the amount in Ohio employee payroll at the 6534
project required under that division for each year in that period. 6535

(12) "Megaproject operator" means a taxpayer that, separately 6536
or collectively with other taxpayers, undertakes and operates a 6537
megaproject. Such a taxpayer becomes a megaproject operator 6538
effective the first day of the calendar year in which the taxpayer 6539
and the tax credit authority enter into an agreement under 6540
division (D) of this section with respect to the megaproject. More 6541

state at a facility owned or operated by the supplier; 6551

(b) The supplier sells tangible personal property directly to 6552
a megaproject operator for use at a megaproject site, provided 6553

(B) The tax credit authority may make grants under this section to foster job creation in this state. Such a grant shall take the form of a refundable credit allowed against the tax imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, or 5747.02 or levied under Chapter 5751. of the Revised Code. The credit shall be claimed for the taxable years or tax periods specified in the taxpayer's agreement with the tax credit authority under division (D) of this section. With respect to taxes imposed under section 5726.02, 5733.06, or 5747.02 or Chapter 5751. of the Revised Code, the credit shall be claimed in the order required under section 5726.98, 5733.98, 5747.98, or 5751.98 of the Revised Code. The amount of the credit available for a taxable year or for a calendar year that includes a tax period equals the excess payroll for that year multiplied by the percentage specified in the agreement with the tax credit authority.

(C)(1) A taxpayer or potential taxpayer who proposes a project to create new jobs in this state may apply to the tax credit authority to enter into an agreement for a tax credit under this section.

An application shall not propose to include both home-based employees and employees who are not home-based employees in the computation of Ohio employee payroll for the purposes of the same tax credit agreement, except that a qualifying work-from-home employee shall not be considered to be a home-based employee unless so designated by the applicant. If a taxpayer or potential

taxpayer employs both home-based employees and employees who are 6596
not home-based employees in a project, the taxpayer shall submit 6597
separate applications for separate tax credit agreements for the 6598
project, one of which shall include home-based employees in the 6599
computation of Ohio employee payroll and one of which shall 6600
include all other employees in the computation of Ohio employee 6601
payroll. 6602

The director of development shall prescribe the form of the 6603
application. After receipt of an application, the authority may 6604
enter into an agreement with the taxpayer for a credit under this 6605
section if it determines all of the following: 6606

(a) The taxpayer's project will increase payroll; 6607

(b) The taxpayer's project is economically sound and will 6608
benefit the people of this state by increasing opportunities for 6609
employment and strengthening the economy of this state; 6610

(c) Receiving the tax credit is a major factor in the 6611
taxpayer's decision to go forward with the project. 6612

(2)(a) A taxpayer that chooses to begin the project prior to 6613
receiving the determination of the authority may, upon submitting 6614
the taxpayer's application to the authority, request that the 6615
chief investment officer of the nonprofit corporation formed under 6616
section 187.01 of the Revised Code and the director review the 6617
taxpayer's application and recommend to the authority that the 6618
taxpayer's application be considered. As soon as possible after 6619
receiving such a request, the chief investment officer and the 6620
director shall review the taxpayer's application and, if they 6621
determine that the application warrants consideration by the 6622
authority, make that recommendation to the authority not later 6623
than six months after the application is received by the 6624
authority. 6625

(b) The authority shall consider any taxpayer's application 6626

for which it receives a recommendation under division (C)(2)(a) of 6627
this section. If the authority determines that the taxpayer does 6628
not meet all of the criteria set forth in division (C)(1) of this 6629
section, the authority and the department of development shall 6630
proceed in accordance with rules adopted by the director pursuant 6631
to division (I) of this section. 6632

(D) An agreement under this section shall include all of the 6633
following: 6634

(1) A detailed description of the project that is the subject 6635
of the agreement; 6636

(2)(a) The term of the tax credit, which, except as provided 6637
in division (D)(2)(b) or (C) of this section, shall not exceed 6638
fifteen years, and the first taxable year, or first calendar year 6639
that includes a tax period, for which the credit may be claimed; 6640

(b) If the tax credit is computed on the basis of home-based 6641
employees, the term of the credit shall expire on or before the 6642
last day of the taxable or calendar year ending before the 6643
beginning of the seventh year after September 6, 2012, the 6644
effective date of H.B. 327 of the 129th general assembly. 6645

(c) If the taxpayer is a megaproject operator or a 6646
megaproject supplier that meets the requirements described in 6647
division (A)(13)(b) of this section, the term of the tax credit 6648
shall not exceed thirty years. 6649

(3) A requirement that the taxpayer shall maintain operations 6650
at the project location for at least the greater of seven years or 6651
the term of the credit plus three years; 6652

(4) The percentage, as determined by the tax credit 6653
authority, of excess payroll that will be allowed as the amount of 6654
the credit for each taxable year or for each calendar year that 6655
includes a tax period; 6656

(5) The pay increase factor to be applied to the taxpayer's 6657
baseline payroll; 6658

(6) A requirement that the taxpayer annually shall report to 6659
the director of development full-time equivalent employees, 6660
payroll, Ohio employee payroll, investment, the provision of 6661
health care benefits and tuition reimbursement if required in the 6662
agreement, and other information the director needs to perform the 6663
director's duties under this section; 6664

(7) A requirement that the director of development annually 6665
review the information reported under division (D)(6) of this 6666
section and verify compliance with the agreement; if the taxpayer 6667
is in compliance, a requirement that the director issue a 6668
certificate to the taxpayer stating that the information has been 6669
verified and identifying the amount of the credit that may be 6670
claimed for the taxable or calendar year. If the taxpayer is a 6671
megaproject supplier, the director shall issue such a certificate 6672
to the megaproject supplier and to any megaproject operator (a) to 6673
which the megaproject supplier directly sells tangible personal 6674
property and (b) that is authorized to claim the credit pursuant 6675
to division (D)(10) of this section. 6676

(8) A provision providing that the taxpayer may not relocate 6677
a substantial number of employment positions from elsewhere in 6678
this state to the project location unless the director of 6679
development determines that the legislative authority of the 6680
county, township, or municipal corporation from which the 6681
employment positions would be relocated has been notified by the 6682
taxpayer of the relocation. 6683

For purposes of this section, the movement of an employment 6684
position from one political subdivision to another political 6685
subdivision shall be considered a relocation of an employment 6686
position unless the employment position in the first political 6687
subdivision is replaced. The movement of a qualifying 6688

work-from-home employee to a different residence located in this 6689
state or to the project location shall not be considered a 6690
relocation of an employment position. 6691

(9) If the tax credit is computed on the basis of home-based 6692
employees, that the tax credit may not be claimed by the taxpayer 6693
until the taxable year or tax period in which the taxpayer employs 6694
at least two hundred employees more than the number of employees 6695
the taxpayer employed on June 30, 2011; 6696

(10) If the taxpayer is a megaproject supplier, the 6697
percentage of the annual tax credit certified under division 6698
(D)(7) of this section, up to one hundred per cent, that may be 6699
claimed by each megaproject operator to which the megaproject 6700
supplier directly sells tangible personal property, rather than by 6701
that megaproject supplier, on the condition that the megaproject 6702
operator continues to qualify as a megaproject operator; 6703

(11) If the taxpayer is a megaproject operator or megaproject 6704
supplier, a requirement that the taxpayer meet and maintain 6705
compliance with all thresholds and requirements to which the 6706
taxpayer agreed, pursuant to division (A)(11) or (13) of this 6707
section, respectively, as a condition of the operator's project 6708
qualifying as a megaproject or the supplier qualifying as a 6709
megaproject supplier until the end of the last year for which the 6710
taxpayer qualifies for the credit authorized under this section. 6711
In each year that a megaproject operator or megaproject supplier 6712
is subject to an agreement with the tax credit authority under 6713
this section and meets the requirements of this division, the 6714
director of development shall issue a certificate to the 6715
megaproject operator or megaproject supplier stating that the 6716
megaproject operator or megaproject supplier continues to meet 6717
those requirements. 6718

(12) If the taxpayer is a megaproject operator, a requirement 6719
that the megaproject operator submit, in a form acceptable to the 6720

director of development, an economic impact report with respect to 6721
each megaproject for which the megaproject operator is designated, 6722
summarizing all of the following for the reporting year: 6723

(a) The aggregate amount of purchases made by the megaproject 6724
operator for such megaproject from megaproject suppliers; 6725

(b) The aggregate amount of purchases made by the megaproject 6726
operator for such megaproject from suppliers other than 6727
megaproject suppliers; 6728

(c) A summary of the construction activity for any facilities 6729
at the site of the megaproject in that year; 6730

(d) The aggregate amount expended by the megaproject operator 6731
on research and development at the site of the megaproject in that 6732
year; 6733

(e) The number of employees working at the site of the 6734
megaproject and the counties in which those employees reside; 6735

(f) A summary of the supply chain activity in support of the 6736
megaproject, including a list of the twenty-five suppliers with a 6737
physical presence in Ohio from which the megaproject operator made 6738
the most purchases in that year. 6739

The economic impact report shall be due on or before the 6740
first day of July of each year, beginning in the year specified in 6741
the agreement with the tax credit authority. The information 6742
required in the report shall be certified as true and correct by 6743
an officer of the megaproject operator. If there is more than one 6744
megaproject operator designated for a single megaproject, all of 6745
the megaproject operators designated for the megaproject may 6746
jointly submit a single report. Any information contained in the 6747
report is a public record for purposes of section 149.43 of the 6748
Revised Code and shall be published on the department of 6749
development's web site. 6750

(E)(1) If a taxpayer fails to meet or comply with any 6751
condition or requirement set forth in a tax credit agreement, the 6752
tax credit authority may amend the agreement to reduce the 6753
percentage or term of the tax credit. The reduction of the 6754
percentage or term may take effect in the current taxable or 6755
calendar year. 6756

(2) If the tax credit authority determines that a taxpayer 6757
that is a megaproject operator of a megaproject described in 6758
division (A)(11)(a)(ii) of this section is not fully compliant 6759
with the requirements of the agreement, the authority may impose a 6760
recoupment payment on the taxpayer in accordance with the 6761
following: 6762

(a) If, on the metric evaluation date, the taxpayer fails to 6763
substantially meet the capital investment, full-time equivalent 6764
employee, or payroll requirements included in the agreement, an 6765
amount determined at the discretion of the authority, not to 6766
exceed the sum of the following for all years prior to the metric 6767
evaluation date: (i) the amount of taxes that would have been 6768
imposed under Chapters 5739. and 5741. of the Revised Code in the 6769
absence of the agreement, and (ii) the amount of taxes that would 6770
have been imposed under Chapter 5751. of the Revised Code on 6771
receipts realized from sales to the taxpayer in the absence of the 6772
agreement; 6773

(b) If the taxpayer fails to substantially maintain the 6774
capital investment, full-time equivalent employee, or payroll 6775
requirements included in the agreement in any year after the 6776
metric evaluation date, an amount determined at the discretion of 6777
the authority, not to exceed the sum of the following for the 6778
calendar year in which taxpayer failed to meet the requirements: 6779
(i) the amount of taxes that would have been imposed under 6780
Chapters 5739. and 5741. of the Revised Code in the absence of the 6781
agreement, and (ii) the amount of taxes that would have been 6782

imposed under Chapter 5751. of the Revised Code on receipts 6783
realized from sales to the taxpayer in the absence of the 6784
agreement. 6785

(3) The tax credit authority may, subject to any requirements 6786
of the tax credit agreement, take into consideration the 6787
taxpayer's prior performance and any market conditions impacting 6788
the taxpayer when determining the amount of the recoupment payment 6789
described in division (E)(2) of this section. 6790

(F) Projects that consist solely of point-of-final-purchase 6791
retail facilities are not eligible for a tax credit under this 6792
section. If a project consists of both point-of-final-purchase 6793
retail facilities and nonretail facilities, only the portion of 6794
the project consisting of the nonretail facilities is eligible for 6795
a tax credit and only the excess payroll from the nonretail 6796
facilities shall be considered when computing the amount of the 6797
tax credit. If a warehouse facility is part of a 6798
point-of-final-purchase retail facility and supplies only that 6799
facility, the warehouse facility is not eligible for a tax credit. 6800
Catalog distribution centers are not considered 6801
point-of-final-purchase retail facilities for the purposes of this 6802
division, and are eligible for tax credits under this section. 6803

(G) Financial statements and other information submitted to 6804
the department of development or the tax credit authority by an 6805
applicant or recipient of a tax credit under this section, and any 6806
information taken for any purpose from such statements or 6807
information, are not public records subject to section 149.43 of 6808
the Revised Code. However, the chairperson of the authority may 6809
make use of the statements and other information for purposes of 6810
issuing public reports or in connection with court proceedings 6811
concerning tax credit agreements under this section. Upon the 6812
request of the tax commissioner or, if the applicant or recipient 6813
is an insurance company, upon the request of the superintendent of 6814

insurance, the chairperson of the authority shall provide to the 6815
commissioner or superintendent any statement or information 6816
submitted by an applicant or recipient of a tax credit in 6817
connection with the credit. The commissioner or superintendent 6818
shall preserve the confidentiality of the statement or 6819
information. 6820

(H) A taxpayer claiming a credit under this section shall 6821
submit to the tax commissioner or, if the taxpayer is an insurance 6822
company, to the superintendent of insurance, a copy of the 6823
director of development's certificate of verification under 6824
division (D)(7) of this section with the taxpayer's tax report or 6825
return for the taxable year or for the calendar year that includes 6826
the tax period. Failure to submit a copy of the certificate with 6827
the report or return does not invalidate a claim for a credit if 6828
the taxpayer submits a copy of the certificate to the commissioner 6829
or superintendent within the time prescribed by section 5703.0510 6830
of the Revised Code or within thirty days after the commissioner 6831
or superintendent requests it. 6832

(I) The director of development, after consultation with the 6833
tax commissioner and the superintendent of insurance and in 6834
accordance with Chapter 119. of the Revised Code, shall adopt 6835
rules necessary to implement this section, including rules that 6836
establish a procedure to be followed by the tax credit authority 6837
and the department of development in the event the authority 6838
considers a taxpayer's application for which it receives a 6839
recommendation under division (C)(2)(a) of this section but does 6840
not approve it. The rules may provide for recipients of tax 6841
credits under this section to be charged fees to cover 6842
administrative costs of the tax credit program. For the purposes 6843
of these rules, a qualifying work-from-home employee shall be 6844
considered to be an employee employed at the applicant's project 6845
location. The fees collected shall be credited to the tax 6846

incentives operating fund created in section 122.174 of the Revised Code. At the time the director gives public notice under division (A) of section 119.03 of the Revised Code of the adoption of the rules, the director shall submit copies of the proposed rules to the chairpersons of the standing committees on economic development in the senate and the house of representatives.

(J) For the purposes of this section, a taxpayer may include a partnership, a corporation that has made an election under subchapter S of chapter one of subtitle A of the Internal Revenue Code, or any other business entity through which income flows as a distributive share to its owners. A partnership, S-corporation, or other such business entity may elect to pass the credit received under this section through to the persons to whom the income or profit of the partnership, S-corporation, or other entity is distributed. The election shall be made on the annual report required under division (D)(6) of this section. The election applies to and is irrevocable for the credit for which the report is submitted. If the election is made, the credit shall be apportioned among those persons in the same proportions as those in which the income or profit is distributed.

(K)(1) If the director of development determines that a taxpayer who has received a credit under this section is not complying with the requirements of the agreement, the director shall notify the tax credit authority of the noncompliance. After receiving such a notice, and after giving the taxpayer an opportunity to explain the noncompliance, the tax credit authority may require the taxpayer to refund to this state a portion of the credit in accordance with the following:

(a) If the taxpayer fails to comply with the requirement under division (D)(3) of this section, an amount determined in accordance with the following:

(i) If the taxpayer maintained operations at the project

location for a period less than or equal to the term of the 6879
credit, an amount not exceeding one hundred per cent of the sum of 6880
any credits allowed and received under this section; 6881

(ii) If the taxpayer maintained operations at the project 6882
location for a period longer than the term of the credit, but less 6883
than the greater of seven years or the term of the credit plus 6884
three years, an amount not exceeding seventy-five per cent of the 6885
sum of any credits allowed and received under this section. 6886

(b) If, on the metric evaluation date, the taxpayer fails to 6887
substantially meet the job creation, payroll, or investment 6888
requirements included in the agreement, an amount determined at 6889
the discretion of the authority; 6890

(c) If the taxpayer fails to substantially maintain the 6891
number of new full-time equivalent employees or amount of payroll 6892
required under the agreement at any time during the term of the 6893
agreement after the metric evaluation date, an amount determined 6894
at the discretion of the authority. 6895

(2) If a taxpayer files for bankruptcy and fails as described 6896
in division (K)(1)(a), (b), or (c) of this section, the director 6897
may immediately commence an action to recoup an amount not 6898
exceeding one hundred per cent of the sum of any credits received 6899
by the taxpayer under this section. 6900

(3) In determining the portion of the tax credit to be 6901
refunded to this state, the tax credit authority shall consider 6902
the effect of market conditions on the taxpayer's project and 6903
whether the taxpayer continues to maintain other operations in 6904
this state. After making the determination, the authority shall 6905
certify the amount to be refunded to the tax commissioner or 6906
superintendent of insurance, as appropriate. If the amount is 6907
certified to the commissioner, the commissioner shall make an 6908
assessment for that amount against the taxpayer under Chapter 6909

5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the amount is certified to the superintendent, the superintendent shall make an assessment for that amount against the taxpayer under Chapter 5725. or 5729. of the Revised Code. The time limitations on assessments under those chapters do not apply to an assessment under this division, but the commissioner or superintendent, as appropriate, shall make the assessment within one year after the date the authority certifies to the commissioner or superintendent the amount to be refunded. Within ninety days after certifying the amount to be refunded, if circumstances have changed, the authority may adjust the amount to be refunded and certify the adjusted amount to the commissioner or superintendent. The authority may only adjust the amount to be refunded one time and only if the amount initially certified by the authority has not been repaid, in whole or in part, by the taxpayer or certified to the attorney general for collection under section 131.02 of the Revised Code.

(L) On or before the first day of August each year, the director of development shall submit a report to the governor, the president of the senate, and the speaker of the house of representatives on the tax credit program under this section. The report shall include information on the number of agreements that were entered into under this section during the preceding calendar year, a description of the project that is the subject of each such agreement, and an update on the status of projects under agreements entered into before the preceding calendar year.

(M) There is hereby created the tax credit authority, which consists of the director of development and four other members appointed as follows: the governor, the president of the senate, and the speaker of the house of representatives each shall appoint one member who shall be a specialist in economic development; the governor also shall appoint a member who is a specialist in

taxation. Terms of office shall be for four years. Each member 6942
shall serve on the authority until the end of the term for which 6943
the member was appointed. Vacancies shall be filled in the same 6944
manner provided for original appointments. Any member appointed to 6945
fill a vacancy occurring prior to the expiration of the term for 6946
which the member's predecessor was appointed shall hold office for 6947
the remainder of that term. Members may be reappointed to the 6948
authority. Members of the authority shall receive their necessary 6949
and actual expenses while engaged in the business of the 6950
authority. The director of development shall serve as chairperson 6951
of the authority, and the members annually shall elect a 6952
vice-chairperson from among themselves. Three members of the 6953
authority constitute a quorum to transact and vote on the business 6954
of the authority. The majority vote of the membership of the 6955
authority is necessary to approve any such business, including the 6956
election of the vice-chairperson. 6957

The director of development may appoint a professional 6958
employee of the department of development to serve as the 6959
director's substitute at a meeting of the authority. The director 6960
shall make the appointment in writing. In the absence of the 6961
director from a meeting of the authority, the appointed substitute 6962
shall serve as chairperson. In the absence of both the director 6963
and the director's substitute from a meeting, the vice-chairperson 6964
shall serve as chairperson. 6965

(N) For purposes of the credits granted by this section 6966
against the taxes imposed under sections 5725.18 and 5729.03 of 6967
the Revised Code, "taxable year" means the period covered by the 6968
taxpayer's annual statement to the superintendent of insurance. 6969

(O) On or before the first day of March of each of the five 6970
calendar years beginning with 2014, each taxpayer subject to an 6971
agreement with the tax credit authority under this section on the 6972
basis of home-based employees shall report the number of 6973

home-based employees and other employees employed by the taxpayer 6974
in this state to the department of development. 6975

(P) On or before the first day of January of 2019, the 6976
director of development shall submit a report to the governor, the 6977
president of the senate, and the speaker of the house of 6978
representatives on the effect of agreements entered into under 6979
this section in which the taxpayer included home-based employees 6980
in the computation of income tax revenue, as that term was defined 6981
in this section prior to the amendment of this section by H.B. 64 6982
of the 131st general assembly. The report shall include 6983
information on the number of such agreements that were entered 6984
into in the preceding six years, a description of the projects 6985
that were the subjects of such agreements, and an analysis of 6986
nationwide home-based employment trends, including the number of 6987
home-based jobs created from July 1, 2011, through June 30, 2017, 6988
and a description of any home-based employment tax incentives 6989
provided by other states during that time. 6990

(Q) The director of development may require any agreement 6991
entered into under this section for a tax credit computed on the 6992
basis of home-based employees to contain a provision that the 6993
taxpayer makes available health care benefits and tuition 6994
reimbursement to all employees. 6995

(R) Original agreements approved by the tax credit authority 6996
under this section in 2014 or 2015 before September 29, 2015, may 6997
be revised at the request of the taxpayer to conform with the 6998
amendments to this section and sections 5733.0610, 5736.50, 6999
5747.058, and 5751.50 of the Revised Code by H.B. 64 of the 131st 7000
general assembly, upon mutual agreement of the taxpayer and the 7001
department of development, and approval by the tax credit 7002
authority. 7003

(S)(1) As used in division (S) of this section: 7004

(a) "Eligible agreement" means an agreement approved by the tax credit authority under this section on or before December 31, 2013.

(b) "Income tax revenue" has the same meaning as under this section as it existed before September 29, 2015, the effective date of the amendment of this section by H.B. 64 of the 131st general assembly.

(2) In calendar year 2016 and thereafter, the tax credit authority shall annually determine a withholding adjustment factor to be used in the computation of income tax revenue for eligible agreements. The withholding adjustment factor shall be a numerical percentage that equals the percentage that employer income tax withholding rates have been increased or decreased as a result of changes in the income tax rates prescribed by section 5747.02 of the Revised Code by amendment of that section taking effect on or after June 29, 2013.

(3) Except as provided in division (S)(4) of this section, for reporting periods ending in 2015 and thereafter for taxpayers subject to eligible agreements, the tax credit authority shall adjust the income tax revenue reported on the taxpayer's annual report by multiplying the withholding adjustment factor by the taxpayer's income tax revenue and doing one of the following:

(a) If the income tax rates prescribed by section 5747.02 of the Revised Code have decreased by amendment of that section taking effect on or after June 29, 2013, add the product to the taxpayer's income tax revenue.

(b) If the income tax rates prescribed by section 5747.02 of the Revised Code have increased by amendment of that section taking effect on or after June 29, 2013, subtract the product from the taxpayer's income tax revenue.

(4) Division (S)(3) of this section shall not apply unless

all of the following apply for the reporting period with respect 7036
to the eligible agreement: 7037

(a) The taxpayer has achieved one hundred per cent of the new 7038
employment commitment identified in the agreement. 7039

(b) If applicable, the taxpayer has achieved one hundred per 7040
cent of the new payroll commitment identified in the agreement. 7041

(c) If applicable, the taxpayer has achieved one hundred per 7042
cent of the investment commitment identified in the agreement. 7043

(5) Failure by a taxpayer to have achieved any of the 7044
applicable commitments described in divisions (S)(4)(a) to (c) of 7045
this section in a reporting period does not disqualify the 7046
taxpayer for the adjustment under division (S) of this section for 7047
an ensuing reporting period. 7048

(T) For reporting periods ending in calendar year 2020 or 7049
thereafter, any taxpayer may include qualifying work-from-home 7050
employees in its report required under division (D)(6) of this 7051
section, and the compensation of such employees shall qualify as 7052
Ohio employee payroll under division (A)(3)(a) of this section, 7053
even if the taxpayer's application to the tax credit authority to 7054
enter into an agreement for a tax credit under this section was 7055
approved before September 29, 2017, the effective date of the 7056
amendment of this section by H.B. 49 of the 132nd general 7057
assembly. 7058

(U) The director of development ~~services~~ shall notify the tax 7059
commissioner if the director determines that a megaproject 7060
operator or megaproject supplier is not in compliance with the 7061
agreement pursuant to a review conducted under division (D)(11) of 7062
this section. 7063

(V) Beginning in 2025 and in each fifth calendar year 7064
thereafter, the tax commissioner shall adjust the following 7065
amounts in September of that year: 7066

division (A)(11)(c)(i) of this section and the Ohio employee 7068
payroll threshold described in division (A)(11)(c)(ii) of this 7069
section by completing the following calculations: 7070

(a) Determine the percentage increase in the gross domestic 7071
product deflator determined by the bureau of economic analysis of 7072
the United States department of commerce from the first day of 7073
January of the fifth preceding calendar year to the last day of 7074
December of the preceding calendar year; 7075

(b) Multiply that percentage increase by the fixed-asset 7076
investment threshold and the Ohio employee payroll threshold for 7077
the current year; 7078

(c) Add the resulting products to the corresponding 7079
fixed-asset investment threshold and Ohio employee payroll 7080
threshold for the current year; 7081

(d) Round the resulting fixed-asset investment sum to the 7082
nearest multiple of ten million dollars and the Ohio employee 7083
payroll sum to the nearest multiple of one million dollars. 7084

(2) The fixed-asset investment threshold described in 7085
division (A)(13)(b)(i) of this section and the Ohio employee 7086
payroll threshold described in division (A)(13)(b)(ii) of this 7087
section by completing the calculations described in divisions 7088
(V)(1)(a) to (c) of this section and rounding the resulting 7089
fixed-asset investment sum to the nearest multiple of one million 7090
dollars and the Ohio employee payroll sum to the nearest multiple 7091
of one hundred thousand dollars. 7092

The commissioner shall certify the amount of the adjustments 7093
under divisions (V)(1) and (2) of this section to the director of 7094
development ~~services~~ and to the tax credit authority not later 7095
than the first day of December of the year the commissioner 7096
computes the adjustment. Each certified amount applies to the 7097

ensuing calendar year and each calendar year thereafter until the 7098
tax commissioner makes a new adjustment. The tax commissioner 7099
shall not calculate a new adjustment in any year in which the 7100
resulting amount from the adjustment would be less than the 7101
corresponding amount for the current year. 7102

business and upon consideration of the determination of the 7181
director of budget and management, tax commissioner, and the 7182
superintendent of insurance in the case of an insurance company, 7183
the recommendation and determination of the director of 7184
development under division (C)(1) of this section, and a review of 7185
the criteria described in division (C)(2) of this section, the tax 7186
credit authority may grant the credit against the tax imposed by 7187
section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 5747.02, or 7188
5751.02 of the Revised Code. 7189

The credit authorized in this section may be granted for a 7190
period up to fifteen taxable years or, in the case of the tax 7191
levied by section 5736.02 or 5751.02 of the Revised Code, for a 7192
period of up to fifteen calendar years. The credit amount for a 7193
taxable year or a calendar year that includes the tax period for 7194
which a credit may be claimed equals the Ohio employee payroll for 7195
that year multiplied by the percentage specified in the agreement 7196
with the tax credit authority. The credit shall be claimed in the 7197
order required under section 5725.98, 5726.98, 5729.98, 5733.98, 7198
5747.98, or 5751.98 of the Revised Code. In determining the 7199
percentage and term of the credit, the tax credit authority shall 7200
consider both the number of full-time equivalent employees and the 7201
value of the capital investment project. The credit amount may not 7202
be based on the Ohio employee payroll for a calendar year before 7203
the calendar year in which the tax credit authority specifies the 7204
tax credit is to begin, and the credit shall be claimed only for 7205
the taxable years or tax periods specified in the eligible 7206
business' agreement with the tax credit authority. In no event 7207
shall the credit be claimed for a taxable year or tax period 7208
terminating before the date specified in the agreement. 7209

If a credit allowed under this section for a taxable year or 7210
tax period exceeds the taxpayer's tax liability for that year or 7211
period, the excess may be carried forward for the three succeeding 7212
taxable or calendar years, but the amount of any excess credit 7213
allowed in any taxable year or tax period shall be deducted from 7214
the balance carried forward to the succeeding year or period. 7215

(C)(1) A taxpayer that proposes a capital investment project 7216
to retain jobs in this state may apply to the tax credit authority 7217
to enter into an agreement for a tax credit under this section. 7218
The director of development shall prescribe the form of the 7219
application. After receipt of an application, the authority shall 7220
forward copies of the application to the director of budget and 7221

management, the tax commissioner, and the superintendent of 7222
insurance in the case of an insurance company, each of whom shall 7223
review the application to determine the economic impact the 7224
proposed project would have on the state and the affected 7225
political subdivisions and shall submit a summary of their 7226
determinations to the authority. The authority shall also forward 7227
a copy of the application to the director of development, who 7228
shall review the application to determine the economic impact the 7229
proposed project would have on the state and the affected 7230
political subdivisions and shall submit a summary of the 7231
director's determinations and recommendations to the authority. 7232

(2) The director of development, in reviewing applications 7233
and making recommendations to the tax credit authority, and the 7234
authority, in selecting taxpayers with which to enter into an 7235
agreement under division (D) of this section, shall give priority 7236
to applications that meet one or more of the following criteria, 7237
with greater priority given to applications that meet more of the 7238
criteria: 7239

(a) Within the preceding five years, the applicant has not 7240
received a credit under this section or section 122.17 of the 7241
Revised Code for a project at the same project site as that 7242
proposed in the application. 7243

(b) The applicant is not currently receiving a credit under 7244
this section or section 122.17 of the Revised Code. 7245

(c) The applicant has operated at the project site for at 7246
least the preceding ten years. 7247

(d) The project involves a significant upgrade of the project 7248
site, rather than only routine maintenance of existing facilities, 7249
such as an increase in capacity of a facility, new product 7250
development, or technology upgrades or other facility 7251
modernization. 7252

(e) The applicant intends to use machinery, equipment, and materials supplied by Ohio businesses in the project when possible.

(D) Upon review and consideration of the determinations, recommendations, and criteria described in division (C) of this section, the tax credit authority may enter into an agreement with the taxpayer for a credit under this section if the authority determines all of the following:

(1) The taxpayer's capital investment project will result in the retention of employment in this state.

(2) The taxpayer is economically sound and has the ability to complete the proposed capital investment project.

(3) The taxpayer intends to and has the ability to maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years.

(4) Receiving the credit is a major factor in the taxpayer's decision to begin, continue with, or complete the project.

(E) An agreement under this section shall include all of the following:

(1) A detailed description of the project that is the subject of the agreement, including the amount of the investment, the period over which the investment has been or is being made, the number of full-time equivalent employees at the project site, and the anticipated Ohio employee payroll to be generated.

(2) The term of the credit, the percentage of the tax credit, the maximum annual value of tax credits that may be allowed each year, and the first year for which the credit may be claimed.

(3) A requirement that the taxpayer maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years.

(4)(a) If the taxpayer is engaged at the project site 7283
primarily in significant corporate administrative functions, a 7284
requirement that the taxpayer either retain at least five hundred 7285
full-time equivalent employees at the project site and within this 7286
state for the entire term of the credit, maintain an annual Ohio 7287
employee payroll of at least thirty-five million dollars for the 7288
entire term of the credit, or remain located in a foreign trade 7289
zone for the entire term of the credit; 7290

(b) If the taxpayer is engaged at the project site primarily 7291
as a manufacturer, a requirement that the taxpayer maintain at 7292
least the number of full-time equivalent employees specified in 7293
the agreement pursuant to division (E)(1) of this section at the 7294
project site and within this state for the entire term of the 7295
credit. 7296

(5) A requirement that the taxpayer annually report to the 7297
director of development full-time equivalent employees, Ohio 7298
employee payroll, capital investment, and other information the 7299
director needs to perform the director's duties under this 7300
section. 7301

(6) A requirement that the director of development annually 7302
review the annual reports of the taxpayer to verify the 7303
information reported under division (E)(5) of this section and 7304
compliance with the agreement. Upon verification, the director 7305
shall issue a certificate to the taxpayer stating that the 7306
information has been verified and identifying the amount of the 7307
credit for the taxable year or calendar year that includes the tax 7308
period. In determining the number of full-time equivalent 7309
employees, no position shall be counted that is filled by an 7310
employee who is included in the calculation of a tax credit under 7311
section 122.17 of the Revised Code. 7312

(7) A provision providing that the taxpayer may not relocate 7313
a substantial number of employment positions from elsewhere in 7314

this state to the project site unless the director of development 7315
determines that the taxpayer notified the legislative authority of 7316
the county, township, or municipal corporation from which the 7317
employment positions would be relocated. 7318

For purposes of this section, the movement of an employment 7319
position from one political subdivision to another political 7320
subdivision shall be considered a relocation of an employment 7321
position unless the movement is confined to the project site. The 7322
transfer of an employment position from one political subdivision 7323
to another political subdivision shall not be considered a 7324
relocation of an employment position if the employment position in 7325
the first political subdivision is replaced by another employment 7326
position. 7327

(8) A waiver by the taxpayer of any limitations periods 7328
relating to assessments or adjustments resulting from the 7329
taxpayer's failure to comply with the agreement. 7330

(F) If a taxpayer fails to meet or comply with any condition 7331
or requirement set forth in a tax credit agreement, the tax credit 7332
authority may amend the agreement to reduce the percentage or term 7333
of the credit. The reduction of the percentage or term may take 7334
effect in the current taxable or calendar year. 7335

(G) Financial statements and other information submitted to 7336
the department of development or the tax credit authority by an 7337
applicant for or recipient of a tax credit under this section, and 7338
any information taken for any purpose from such statements or 7339
information, are not public records subject to section 149.43 of 7340
the Revised Code. However, the chairperson of the authority may 7341
make use of the statements and other information for purposes of 7342
issuing public reports or in connection with court proceedings 7343
concerning tax credit agreements under this section. Upon the 7344
request of the tax commissioner, or the superintendent of 7345
insurance in the case of an insurance company, the chairperson of 7346

the authority shall provide to the commissioner or superintendent 7347
any statement or other information submitted by an applicant for 7348
or recipient of a tax credit in connection with the credit. The 7349
commissioner or superintendent shall preserve the confidentiality 7350
of the statement or other information. 7351

(H) A taxpayer claiming a tax credit under this section shall 7352
submit to the tax commissioner or, in the case of an insurance 7353
company, to the superintendent of insurance, a copy of the 7354
director of development's certificate of verification under 7355
division (E)(6) of this section with the taxpayer's tax report or 7356
return for the taxable year or for the calendar year that includes 7357
the tax period. Failure to submit a copy of the certificate with 7358
the report or return does not invalidate a claim for a credit if 7359
the taxpayer submits a copy of the certificate to the commissioner 7360
or superintendent within the time prescribed by section 5703.0510 7361
of the Revised Code or within thirty days after the commissioner 7362
or superintendent requests it. 7363

(I) For the purposes of this section, a taxpayer may include 7364
a partnership, a corporation that has made an election under 7365
subchapter S of chapter one of subtitle A of the Internal Revenue 7366
Code, or any other business entity through which income flows as a 7367
distributive share to its owners. A partnership, S-corporation, or 7368
other such business entity may elect to pass the credit received 7369
under this section through to the persons to whom the income or 7370
profit of the partnership, S-corporation, or other entity is 7371
distributed. The election shall be made on the annual report 7372
required under division (E)(5) of this section. The election 7373
applies to and is irrevocable for the credit for which the report 7374
is submitted. If the election is made, the credit shall be 7375
apportioned among those persons in the same proportions as those 7376
in which the income or profit is distributed. 7377

(J)(1) If the director of development determines that a 7378

taxpayer that received a certificate under division (E)(6) of this 7379
section is not complying with the requirements of the agreement, 7380
the director shall notify the tax credit authority of the 7381
noncompliance. After receiving such a notice, and after giving the 7382
taxpayer an opportunity to explain the noncompliance, the 7383
authority may terminate the agreement and require the taxpayer, or 7384
any related member or members that claimed the tax credit under 7385
division (N) of this section, to refund to the state all or a 7386
portion of the credit claimed in previous years, as follows: 7387

(a) If the taxpayer fails to comply with the requirement 7388
under division (E)(3) of this section, an amount determined in 7389
accordance with the following: 7390

(i) If the taxpayer maintained operations at the project site 7391
for less than or equal to the term of the credit, an amount not to 7392
exceed one hundred per cent of the sum of any tax credits allowed 7393
and received under this section. 7394

(ii) If the taxpayer maintained operations at the project 7395
site longer than the term of the credit, but less than the greater 7396
of seven years or the term of the credit plus three years, the 7397
amount required to be refunded shall not exceed seventy-five per 7398
cent of the sum of any tax credits allowed and received under this 7399
section. 7400

(b) If the taxpayer fails to substantially, satisfy the 7401
employment, payroll, or location requirements required under the 7402
agreement, as prescribed under division (E)(4)(a) or (b), as 7403
applicable to the taxpayer, at any time during the term of the 7404
agreement or during the post-term reporting period, an amount 7405
determined at the discretion of the authority. 7406

(2) If a taxpayer files for bankruptcy and fails as described 7407
in division (J)(1)(a) or (b) of this section, the director may 7408
immediately commence an action to recoup an amount not exceeding 7409

one hundred per cent of the sum of any credits received by the 7410
taxpayer under this section. 7411

(3) In determining the portion of the credit to be refunded 7412
to this state, the authority shall consider the effect of market 7413
conditions on the taxpayer's project and whether the taxpayer 7414
continues to maintain other operations in this state. After making 7415
the determination, the authority shall certify the amount to be 7416
refunded to the tax commissioner or the superintendent of 7417
insurance. If the taxpayer, or any related member or members who 7418
claimed the tax credit under division (N) of this section, is not 7419
an insurance company, the commissioner shall make an assessment 7420
for that amount against the taxpayer under Chapter 5726., 5733., 7421
5736., 5747., or 5751. of the Revised Code. If the taxpayer, or 7422
any related member or members that claimed the tax credit under 7423
division (N) of this section, is an insurance company, the 7424
superintendent of insurance shall make an assessment under section 7425
5725.222 or 5729.102 of the Revised Code. The time limitations on 7426
assessments under those chapters and sections do not apply to an 7427
assessment under this division, but the commissioner or 7428
superintendent shall make the assessment within one year after the 7429
date the authority certifies to the commissioner or superintendent 7430
the amount to be refunded. Within ninety days after certifying the 7431
amount to be refunded, if circumstances have changed, the 7432
authority may adjust the amount to be refunded and certify the 7433
adjusted amount to the commissioner or superintendent. The 7434
authority may only adjust the amount to be refunded one time and 7435
only if the amount initially certified by the authority has not 7436
been repaid, in whole or in part, by the taxpayer or certified to 7437
the attorney general for collection under section 131.02 of the 7438
Revised Code. 7439

(K) The director of development, after consultation with the 7440
tax commissioner and the superintendent of insurance and in 7441

accordance with Chapter 119. of the Revised Code, shall adopt 7442
rules necessary to implement this section. The rules may provide 7443
for recipients of tax credits under this section to be charged 7444
fees to cover administrative costs of the tax credit program. The 7445
fees collected shall be credited to the tax incentives operating 7446
fund created in section 122.174 of the Revised Code. At the time 7447
the director gives public notice under division (A) of section 7448
119.03 of the Revised Code of the adoption of the rules, the 7449
director shall submit copies of the proposed rules to the 7450
chairpersons of the standing committees on economic development in 7451
the senate and the house of representatives. 7452

(L) On or before the first day of August of each year, the 7453
director of development shall submit a report to the governor, the 7454
president of the senate, and the speaker of the house of 7455
representatives on the tax credit program under this section. The 7456
report shall include information on the number of agreements that 7457
were entered into under this section during the preceding calendar 7458
year, a description of the project that is the subject of each 7459
such agreement, and an update on the status of projects under 7460
agreements entered into before the preceding calendar year. 7461

(M) The aggregate amount of nonrefundable tax credits issued 7462
under this section during any calendar year for capital investment 7463
projects reviewed and approved by the tax credit authority may not 7464
exceed the following amounts: 7465

(1) For 2010, thirteen million dollars; 7466

(2) For 2011 through 2023, the amount of the limit for the 7467
preceding calendar year plus thirteen million dollars; 7468

(3) For 2024 and each year thereafter, one hundred 7469
ninety-five million dollars. 7470

The limitations in division (M) of this section do not apply 7471
to credits for capital investment projects approved by the tax 7472

credit authority before July 1, 2009. 7473

(N) This division applies only to an eligible business that 7474
is part of an affiliated group that includes a diversified savings 7475
and loan holding company or a grandfathered unitary savings and 7476
loan holding company, as those terms are defined in section 7477
5726.01 of the Revised Code. Notwithstanding any contrary 7478
provision of the agreement between such an eligible business and 7479
the tax credit authority, any credit granted under this section 7480
against the tax imposed by section 5725.18, 5729.03, 5733.06, 7481
5747.02, or 5751.02 of the Revised Code to the eligible business, 7482
at the election of the eligible business and without any action by 7483
the tax credit authority, may be shared with any member or members 7484
of the affiliated group that includes the eligible business, which 7485
member or members may claim the credit against the taxes imposed 7486
by section 5725.18, 5726.02, 5729.03, 5733.06, 5747.02, or 5751.02 7487
of the Revised Code. Credits shall be claimed by the eligible 7488
business in sequential order, as applicable, first claiming the 7489
credits to the fullest extent possible against the tax that the 7490
certificate holder is subject to, then against the tax imposed by, 7491
sequentially, section 5729.03, 5725.18, 5747.02, 5751.02, and 7492
lastly 5726.02 of the Revised Code. The credits may be allocated 7493
among the members of the affiliated group in such manner as the 7494
eligible business elects, but subject to the sequential order 7495
required under this division. This division applies to credits 7496
granted before, on, or after March 27, 2013, the effective date of 7497
H.B. 510 of the 129th general assembly. Credits granted before 7498
that effective date that are shared and allocated under this 7499
division may be claimed in those calendar years in which the 7500
remaining taxable years specified in the agreement end. 7501

As used in this division, "affiliated group" means a group of 7502
two or more persons with fifty per cent or greater of the value of 7503

The withholding adjustment factor shall be a numerical percentage that equals the percentage that employer income tax withholding rates have been increased or decreased as a result of changes in the income tax rates prescribed by section 5747.02 of the Revised Code by amendment of that section taking effect on or after June 29, 2013.

(3) Except as provided in division (O)(4) of this section, for reporting periods ending in 2015 and thereafter for taxpayers subject to eligible agreements, the tax credit authority shall adjust the income tax revenue reported on the taxpayer's annual report by multiplying the withholding adjustment factor by the taxpayer's income tax revenue and doing one of the following:

(a) If the income tax rates prescribed by section 5747.02 of

the Revised Code have decreased by amendment of this section 7536
taking effect on or after June 29, 2013, add the product to the 7537
taxpayer's income tax revenue. 7538

(b) If the income tax rates prescribed by section 5747.02 of 7539
the Revised Code have increased by amendment of this section 7540
taking effect on or after June 29, 2013, subtract the product from 7541
the taxpayer's income tax revenue. 7542

(4) Division (O)(3) of this section shall not apply unless 7543
all of the following apply with respect to the eligible agreement: 7544

cent of the job retention commitment identified in the agreement. 7546

(5) Failure by a taxpayer to have achieved any of the 7552
applicable commitments described in divisions (O)(4)(a) to (c) of 7553
this section in a reporting period does not disqualify the 7554
taxpayer for the adjustment under division (O) of this section for 7555
an ensuing reporting period. 7556

machinery and equipment purchased during the calendar year for use 7745

in the eligible areas in the county, provided that the cost 7746

taxpayer shall claim one-seventh of the grant amount for the 7758
taxable year ending in the calendar year in which the new 7759
manufacturing machinery and equipment is purchased for use in the 7760
county by the taxpayer or partnership. One-seventh of the taxpayer 7761
grant amount is allowed for each of the six ensuing taxable years. 7762
Except for carried-forward amounts, the taxpayer is not allowed 7763

a partnership with whom commenced the original use in this state 7774

Revised Code, from another taxpayer with whom commenced the 7782
original use in this state of the manufacturing machinery or 7783
equipment, and that operates the large manufacturing facility so 7784
purchased, is entitled to any remaining or carried-forward grant 7785

considered sold if a pass-through entity transfers to another 7790
pass-through entity substantially all of its assets as part of a 7791
plan of reorganization under which substantially all gain and loss 7792
is not recognized by the pass-through entity that is transferring 7793
the new manufacturing machinery and equipment to the transferee 7794
and under which the transferee's basis in the new manufacturing 7795
machinery and equipment is determined, in whole or in part, by 7796
reference to the basis of the pass-through entity that transferred 7797
the new manufacturing machinery and equipment to the transferee. 7798

(d) Division (C)(5) of this section applies only if the 7799
acquiring taxpayer or transferee does not sell the new 7800
manufacturing machinery and equipment or transfer the new 7801
manufacturing machinery and equipment out of the county before the 7802
end of the seven-year period to which division (C)(4) of this 7803
section refers. 7804

equipment, upon request, timely provides to the tax commissioner 7807
any information that the tax commissioner considers to be 7808
necessary to ascertain any remaining or carried-forward amounts to 7809

which the taxpayer that sold the facility would have been entitled 7810
under this section had the taxpayer not sold the manufacturing 7811
machinery or equipment. Nothing in division (C)(5)(b) or (e) of 7812
this section shall be construed to allow a taxpayer to claim any 7813
grant amount with respect to the acquired manufacturing machinery 7814
or equipment that is greater than the amount that would have been 7815
available to the other taxpayer that sold the manufacturing 7816
machinery or equipment had the other taxpayer not sold the 7817
manufacturing machinery or equipment. 7818

(D) The taxpayer shall claim the grant allowed by this 7819
section in the manner provided by section 122.172 of the Revised 7820

(E) A taxpayer purchasing new manufacturing machinery and 7824
equipment and intending to claim the grant shall file, with the 7825
director of development, a notice of intent to claim the grant on 7826
a form prescribed by the director of development. The director of 7827
development shall inform the tax commissioner of the notice of 7828
intent to claim the grant. No grant may be claimed under this 7829
section for any manufacturing machinery and equipment with respect 7830
to which a notice was not filed by the date of a timely filed 7831
return, including extensions, for the taxable year that includes 7832
September 30, 2005, but a notice filed on or before such date 7833
under division (E) of section 5733.33 of the Revised Code of the 7834
intent to claim the credit under that section also shall be 7835
considered a notice of the intent to claim a grant under this 7836
section. 7837

(F) The director of development shall annually certify, by 7838
the first day of January of each year during the qualifying 7839
period, the eligible areas for the tax grant for the calendar year 7840
that includes that first day of January. The director shall send a 7841

the contrary, in the case of a qualifying controlled group, the 7859
grant available under this section to a taxpayer or taxpayers in 7860
the qualifying controlled group shall be computed as if all 7861
corporations in the group were a single corporation. The grant 7862
shall be allocated to such a taxpayer or taxpayers in the group in 7863
any amount elected for the taxable year by the group. The election 7864
shall be revocable and amendable during the period described in 7865

number to each tax credit certificate and shall record the 9878
certificate in a register devised and maintained by the director 9879
for that purpose. The certificate shall state the amount of the 9880
eligible expenditures on which the credit is based and the amount 9881
of the credit. Upon the issuance of a certificate, the director 9882
shall certify to the tax commissioner the name of the production 9883
company to which the certificate was issued, the amount of 9884
eligible expenditures shown on the certificate, the amount of the 9885
credit, and any other information required by the rules adopted to 9886
administer this section. 9887

(3) The amount of eligible expenditures for which a tax 9888
credit may be claimed is subject to inspection and examination by 9889
the tax commissioner or employees of the commissioner under 9890
section 5703.19 of the Revised Code and any other applicable law. 9891
Once the eligible expenditures are finally determined under 9892
section 5703.19 of the Revised Code and division (D) of this 9893
section, the credit amount is not subject to adjustment unless the 9894
director determines an error was committed in the computation of 9895
the credit amount. 9896

(4) No tax credit certificate may be issued before the 9897
completion of the tax credit-eligible production. ~~Not more than~~ 9898
~~forty million dollars~~ The amount of tax credit ~~may be~~ allowed per 9899
fiscal year ~~provided that, for~~ shall not exceed the sum of (a) 9900
fifty million dollars, (b) the difference between the maximum 9901
credit amount for that fiscal year under section 122.852 of the 9902
Revised Code and the amount the director of development elects to 9903
allow under this section pursuant to division (D)(3) section 9904
122.852 of the Revised Code, and (c) the difference between the 9905
maximum amount of credits that could have been awarded in the 9906
previous fiscal year under this section and the amount actually 9907

awarded. Out of that sum, five million dollars shall be reserved 9908
for Broadway theatrical productions, and the balance may be 9909
allowed for any tax credit-eligible production. any fiscal year in 9910
which the amount of tax credits allowed under this section is less 9911
than that maximum annual amount, the amount not allowed for that 9912
fiscal year shall be added to the maximum annual amount that may 9913
be allowed for the following fiscal year For any fiscal year in 9914
which less than five million dollars of tax credits are allowed 9915
for Broadway theatrical productions, the amount of the five 9916
million dollars not allowed and added to the maximum annual amount 9917
for the following fiscal year shall be reserved for Broadway 9918
theatrical productions in the following fiscal year. 9919

(5) The director shall review and approve applications for 9920
tax credits in two rounds each fiscal year. The first round of 9921
credits shall be awarded not later than the last day of July of 9922
the fiscal year, and the second round of credits shall be awarded 9923
not later than the last day of the ensuing January. The amount of 9924
credits awarded in the first round of applications each fiscal 9925
year shall not exceed ~~twenty million dollars~~ one-half of the 9926
maximum allowance for the fiscal year calculated under division 9927
(D)(4) of this section plus any credit allotment that was not 9928
awarded in the preceding fiscal year and carried over under 9929
division (C)(4) of this section, two million five hundred thousand 9930
dollars of which shall be reserved for Broadway theatrical 9931
productions. For each round, the director shall rank applications 9932
on the basis of the extent of positive economic impact each tax 9933
credit-eligible production is likely to have in this state and the 9934
effect on developing a permanent workforce in motion picture or 9935
theatrical production industries in the state. For the purpose of 9936
such ranking, the director shall give priority to tax-credit 9937
eligible productions that are television series or miniseries due 9938
to the long-term commitment typically associated with such 9939
productions. The economic impact ranking shall be based on the 9940

production company's total expenditures in this state directly 9941
associated with the tax credit-eligible production. The effect on 9942
developing a permanent workforce in the motion picture or 9943
theatrical production industries shall be evaluated first by the 9944
number of new jobs created and second by amount of payroll added 9945
with respect to employees in this state. 9946

The director shall approve productions in the order of their 9947
ranking, from those with the greatest positive economic impact and 9948
workforce development effect to those with the least positive 9949
economic impact and workforce development effect. 9950

(D) A production company whose motion picture or Broadway 9951
theatrical production has been certified as a tax credit-eligible 9952
production shall engage, at the company's expense, an independent 9953
certified public accountant to examine the company's production, 9954
postproduction, and advertising and promotion expenditures to 9955
identify the expenditures that qualify as eligible expenditures. 9956
The certified public accountant shall issue a report to the 9957
company and to the director of development certifying the 9958
company's eligible expenditures and any other information required 9959
by the director. Upon receiving and examining the report, the 9960
director may disallow any expenditure the director determines is 9961
not an eligible expenditure. If the director disallows an 9962
expenditure, the director shall issue a written notice to the 9963
production company stating that the expenditure is disallowed and 9964
the reason for the disallowance. Upon examination of the report 9965
and disallowance of any expenditures, the director shall determine 9966
finally the lesser of the total budgeted eligible expenditures 9967
stated in the application submitted under division (B) of this 9968
section or the actual eligible expenditures for the purpose of 9969
computing the amount of the credit. 9970

(E) No credit shall be allowed under section 5726.55, 9971
5733.59, 5747.66, or 5751.54 of the Revised Code unless the 9972

prescribed by division (D) of this section. 9974

(F) This state reserves the right to refuse the use of this 9975
state's name in the credits of any tax credit-eligible motion 9976

production. 9978

(G)(1) The director of development in consultation with the 9979
tax commissioner shall adopt rules for the administration of this 9980
section, including rules setting forth and governing the criteria 9981
for determining whether a motion picture or Broadway theatrical 9982
production is a tax credit-eligible production; activities that 9983
constitute the production or postproduction of a motion picture or 9984
Broadway theatrical production; reporting sufficient evidence of 9985
reviewable progress; expenditures that qualify as eligible 9986
expenditures; a schedule and deadlines for applications to be 9987
submitted and reviewed; a competitive process for approving 9988
credits based on likely economic impact in this state and 9989
development of a permanent workforce in motion picture or 9990
theatrical production industries in this state; consideration of 9991
geographic distribution of credits; and implementation of the 9992
program described in division (H) of this section. The rules shall 9993
be adopted under Chapter 119. of the Revised Code. 9994

(2) To cover the administrative costs of the program, the 9995
director shall require each applicant to pay an application fee 9996
equal to the lesser of ten thousand dollars or one per cent of the 9997
estimated value of the tax credit as stated in the application. 9998
The fees collected shall be credited to the tax incentives 9999
operating fund created in section 122.174 of the Revised Code. All 10000
grants, gifts, fees, and contributions made to the director for 10001
marketing and promotion of the motion picture industry within this 10002
state shall also be credited to the fund. 10003

(H) The director of development shall establish a program for 10004

the training of Ohio residents who are or wish to be employed in the film or multimedia industry. Under the program, the director shall:

(1) Certify individuals as film and multimedia trainees. In order to receive such a certification, an individual must be an Ohio resident, have participated in relevant on-the-job training or have completed a relevant training course approved by the director, and have met any other requirements established by the director.

(2) Accept applications from production companies that intend to hire and provide on-the-job training to one or more certified film and multimedia trainees who will be employed in the company's tax credit-eligible production-;

(3) Upon completion of a tax-credit eligible production, and upon the receipt of any salary information and other documentation required by the director, authorize a reimbursement payment to each production company whose application was approved under division (H)(2) of this section. The payment shall equal fifty per cent of the salaries paid to film and multimedia trainees employed in the production.

public accountant certified, or an accounting firm registered 10037
under Chapter 4701. of the Revised Code. "Qualified expenditures" 10038

(4) "Production company," "eligible expenditures," "motion 10046
picture," and "broadway theatrical production" have the same 10047
meanings as in section 122.85 of the Revised Code. 10048

(B) For the purpose of encouraging and developing strong film 10049
and theater industries in this state, the director of development 10050
may award a refundable credit against the tax imposed by section 10051
5726.02, 5747.02, or 5751.02 of the Revised Code to a production 10052
company that completes a capital improvement project expected to 10053
have a positive economic impact in this state as a whole, or in 10054
any community in this state in which the facilities or equipment 10055
involved in the project are or will be located. A production 10056
company may apply to the director for a credit on a form and in 10057
the manner prescribed by rules adopted under division (J) of this 10058
section. An application may be submitted before, during, or after 10059
completion of the capital improvement project, but not sooner than 10060

time the application is submitted, a schedule for the progression, 10075
completion, and, if applicable, commencement of the project. 10076

(4) An estimate of the amount of the project's qualified 10077
expenditures that have been or will be incurred by the production 10078
company and, if the project is not complete at the time the 10079
application is submitted, documentation of the company's financial 10080
ability to complete the project, including documentation that 10081
shows the company has secured funding, other than the tax credit 10082
authorized by this section, equal to at least fifty per cent of 10083
the total cost of the project; 10084

(5) The estimated credit amount, which shall equal the lesser 10085
of five million dollars or twenty-five per cent of the production 10086

(7) Any other information considered necessary by the 10092
director. 10093

(C) The director shall review, evaluate, and approve 10094
applications in one round per fiscal year. For each round, the 10095
director shall rank applications on the basis of the capital 10096

improvement project's likely positive economic impact and effect 10097
on developing a permanent workforce in motion picture or 10098
theatrical production industries in the state as a whole, and in 10099
any community in this state in which the facilities or equipment 10100
involved in the project are or will be located. The effect on 10101
developing a permanent workforce in the motion picture or 10102
theatrical production industries shall be evaluated first by the 10103
number of new jobs created and second by amount of payroll added 10104
with respect to employees in this state. Subject to division 10105
(D)(2) of this section, the director shall approve applications in 10106
the order of their ranking, from those with the greatest positive 10107
economic impact and workforce development effect to those with the 10108
least positive economic impact and workforce development effect. 10109
The director shall not approve an application or issue a tax 10110
credit certificate for a capital improvement project that is not 10111
likely to have a positive economic impact or workforce development 10112
impact in either the state as a whole, or any community in this 10113
state in which the facilities or equipment involved in the project 10114
are or will be located. 10115

(D)(1) The director shall not approve more than twenty-five 10116
million dollars in estimated tax credits in total per fiscal year 10117
provided that, for any fiscal year in which the amount of 10118
estimated credits approved under this section is less than the 10119
maximum annual amount, the amount not approved for that fiscal 10120
year shall be added to the maximum annual amount that may be 10121
approved for the following fiscal year. 10122

If the director rescinds approval of a capital improvement 10123
project under division (E)(2) of this section, the estimated 10124
credit amount attributed to that project shall be added back to 10125
the maximum total annual credit amount for that fiscal year. If 10126
the actual credit amount computed under division (H) of this 10127
section is less than the estimated credit amount approved by the 10128

director, the difference shall be added back to the maximum total 10129
annual credit amount for that fiscal year. 10130

In any fiscal year, the director may reduce the maximum 10131
amount calculated under division (D)(1) of this section and 10132
increase the maximum amount calculated under division (D)(4) of 10133
section 122.85 of the Revised Code by the amount of that 10134
reduction. 10135

(2) The director shall not approve more than five million 10136
dollars in estimated tax credits per fiscal year for capital 10137
improvement projects located in any single county. 10138

(E)(1) Within ninety days after the director of development 10139
approves a capital improvement project that was not complete at 10140
the time of the production company's application, the production 10141
company shall submit sufficient evidence of reviewable progress to 10142
the director. The director may request additional updates from the 10143
production company regarding the progression of the project as 10144
often as the director considers necessary until the project is 10145
complete or approval of the project is rescinded. The production 10146
company shall respond to each such request within thirty days. 10147

(2) The director may rescind approval of a capital 10148
improvement project if the production company fails to timely 10149
submit evidence of reviewable progress or respond to the 10150
director's request for a project update, as required by division 10151
(E)(1) of this section, or if the director determines that the 10152
progression of the project is significantly behind the schedule 10153
submitted in the tax credit application. The director shall 10154
rescind approval of a project that does not begin within ninety 10155
days after the date the application is approved unless the 10156
production company shows good cause for the delay, meaning that 10157
the project was delayed due to unforeseeable circumstances beyond 10158
the production company's control or due to action or inaction by a 10159
government agency. 10160

(3) The director shall notify the production company upon rescinding approval of a capital improvement project. Nothing in this section prohibits the production company from reapplying for approval of the same capital improvement project. 10161
10162
10163
10164

(F)(1) A production company whose capital improvement project is approved by the director of development shall engage, at the company's expense, an independent certified public accountant to examine the company's qualified expenditures. Within ninety days after the director approves the project or within ninety days after a project approved by the director is complete, whichever is later, the certified public accountant shall issue a report to the company and to the director that includes all of the following: 10165

10174

(b) Completed copies of all accounting and auditing forms required by the director in connection with the capital improvement project; 10175

10177

(c) An itemized review of all contract and expense items of ten thousand dollars or more that are reported as qualified expenditures; 10178
10179
10180

(d) An itemized review of at least one-half of the contract and expense items of less than ten thousand dollars that are reported as qualified expenditures, both in terms of the total number of such contracts and items and the total amount of qualified expenditures reported for such contracts and items; 10181
10182
10183
10184
10185

(e) Certification that all goods and services reported as qualified expenditures were purchased and consumed in this state. 10186
10187

(2) Upon receiving and examining the report, the director may disallow any expenditure the director determines is not a qualified expenditure. If the director disallows an expenditure, the director shall issue a written notice to the production 10188
10189
10190
10191

company stating that the expenditure is disallowed and the reason 10192
for the disallowance. Upon examination of the report and 10193
disallowance of any expenditures, the director shall determine the 10194
production company's actual qualified expenditures for the purpose 10195
of computing the amount of the credit. 10196

(3) Qualified expenditures reported by the production company 10197
are subject to inspection and examination by the tax commissioner 10198
or employees of the commissioner under section 5703.19 of the 10199
Revised Code and any other applicable law. Once the qualified 10200
expenditures are finally determined under division (F)(2) of this 10201
section, the credit amount is not subject to adjustment unless the 10202
director determines an error was committed in the computation of 10203
the credit amount. 10204

(G) After reviewing the report and making the determination 10205
prescribed by division (F) of this section, the director of 10206
development shall issue a tax credit certificate to the production 10207
company. The director, in consultation with the tax commissioner, 10208
shall prescribe the form and manner of issuing certificates. The 10209
director shall assign a unique identifying number to each tax 10210
credit certificate and shall record the certificate in a register 10211
devised and maintained by the director for that purpose. The 10212
certificate shall state the amount of the credit and the amount of 10213
the qualified expenditures upon which the credit is based. Upon 10214
issuance of a certificate, the director shall certify to the tax 10215
commissioner the name of the production company to which the 10216
certificate was issued, the amount of qualified expenditures shown 10217
on the certificate, the amount of the credit, and any other 10218
information required by the rules adopted to administer this 10219
section. 10220

(H) The credit amount stated on the tax credit certificate 10221
shall equal the lesser of the following: 10222

(1) Twenty-five per cent of the production company's actual 10223

<u>qualified expenditures, as determined by the director of</u>	10224

<u>after a transfer under this division, the production company shall</u>	10236

<u>(2) A transferee may not claim a credit under section</u>	10251
<u>5726.59, 5747.67, or 5751.55 of the Revised Code unless and until</u>	10252

the transferring production company complies with division (I)(1) 10253
of this section. A transferee may claim the transferred amount of 10254
any credit or portion of a credit for the same taxable year or tax 10255
period for which the transferring production company was 10256
authorized to claim the credit or portion of a credit pursuant to 10257
the certificate. A production company shall make no transfer under 10258
division (I)(1) of this section after the last day of the tax 10259
period or taxable year for which the production company is 10260
required to claim the credit pursuant to the certificate. 10261

A production company may make not more than one transfer 10262
under division (I)(1) of this section for each tax credit 10263
certificate, but pursuant to that transaction, may allocate the 10264
authority to claim a portion of the credit to more than one 10265
transferee. A production company may not authorize more than one 10266
transferee to claim the same portion of a credit. No transferee 10267
may transfer the right to claim the credit to another person. 10268

(J) The director of development, in consultation with the tax 10269
commissioner, shall adopt rules in accordance with Chapter 119. of 10270
the Revised Code for the administration of this section, including 10271
rules setting forth and governing the criteria for reporting 10272
sufficient evidence of reviewable progress; expenditures that are 10273
qualified expenditures; a schedule and deadlines for applications 10274
to be submitted and reviewed; a competitive process for approving 10275
credits based on likely economic impact and development of a 10276
permanent workforce in motion picture or theatrical production 10277
industries; and consideration of geographic distribution of 10278
credits. 10279

To cover the administrative costs of the program, the 10280
director shall require each applicant to pay an application fee 10281
equal to the lesser of ten thousand dollars or one per cent of the 10282
estimated value of the tax credit as stated in the application. 10283
The fees collected shall be credited to the tax incentives 10284

operating fund created in section 122.174 of the Revised Code. 10285

Sec. 123.20. (A) There is hereby created the Ohio facilities 10286
construction commission. The commission shall administer the 10287
design and construction of improvements to public facilities of 10288
the state in accordance with this chapter, the provision of 10289
financial assistance to school districts for the acquisition or 10290

the Revised Code. 10293

The commission is a body corporate and politic, an agency of 10294
state government and an instrumentality of the state, performing 10295
essential governmental functions of this state. The carrying out 10296

The commission may, in its own name, sue and be sued, enter into 10299
contracts, and perform all the powers and duties given to it by 10300

the governor shall appoint. Each voting member of the commission 10311
may designate an employee of the member's agency to serve on the 10312
member's behalf. 10313

The nonvoting members shall be two members of the senate 10314
appointed by the president of the senate and two members of the 10315

house of representatives appointed by the speaker of the house of 10316
representatives. The nonvoting members who are senators shall not 10317
be members of the same political party, and the nonvoting members 10318
who are representatives shall not be members of the same political 10319
party. 10320

~~Not later than the thirty first day of January of an~~ 10321
~~odd numbered year, the~~ The president of the senate and the speaker 10322
of the house of representatives shall appoint the nonvoting 10323
members of the commission within forty-five days after the 10324
commencement of the first regular session of each general 10325
assembly, to serve for the duration of that general assembly. A 10326
seat on the commission becomes vacant if the nonvoting member who 10327
held the seat ceases to serve in the chamber of the general 10328
assembly from which the nonvoting member was appointed. A vacancy 10329
in a nonvoting seat on the commission shall be filled in the 10330
manner provided for original appointments not later than the 10331
thirty-first day after the day the seat becomes vacant. 10332

Members of the commission or their designees shall serve 10333
without compensation. 10334

Organizational meetings of the commission shall be held at 10335
the first meeting of each calendar year. At each organizational 10336
meeting, the commission shall elect from among its voting members 10337
a chairperson and vice-chairperson, who shall serve until the next 10338
annual organizational meeting. The commission shall adopt rules 10339
pursuant to Chapter 119. of the Revised Code for the conduct of 10340
its internal business and shall keep a journal of its proceedings. 10341
Including the organizational meeting, the commission shall meet at 10342
least once each calendar year. 10343

Two voting members of the commission constitute a quorum, and 10344
the affirmative vote of two members is necessary for approval of 10345
any action taken by the commission. A vacancy in the membership of 10346
the commission does not impair a quorum from exercising all the 10347

rights and performing all the duties of the commission. Meetings 10348
of the commission may be held anywhere in the state and shall be 10349
held in compliance with section 121.22 of the Revised Code. 10350

(C) The commission shall file an annual report of its 10351
activities and finances, including a report of the expenditures 10352
and progress of the classroom facilities assistance program under 10353
Chapter 3318. of the Revised Code, with the governor, speaker of 10354
the house of representatives, president of the senate, and 10355
chairpersons of the house and senate finance committees. 10356

(D) The commission shall be exempt from the requirements of 10357
sections 101.82 to 101.87 of the Revised Code. 10358

Sec. 123.211. (A) Notwithstanding any contrary provision of 10359

(C) A state agency authorized by the executive director of the Ohio facilities construction commission to administer capital facilities projects pursuant to this section shall comply with the applicable procedures and guidelines established in Chapter 153. of the Revised Code and shall track all project information in the Ohio administrative knowledge system capital improvements application pursuant to Ohio facilities construction commission guidelines.	10389 10390 10391 10392 10393 10394 10395 10396
Sec. 124.136. (A) As used in this section:	10397
(1) "Fetal death" has the same meaning as in section 3705.01 of the Revised Code.	10398 10399
(2) "Stillborn" means that an infant of at least twenty weeks of gestation suffered a fetal death.	10400 10401
(B)(1) Each permanent full-time and permanent part-time employee paid in accordance with section 124.152 of the Revised Code and each employee listed in division (B)(2), (3), or (4) of section 124.14 of the Revised Code who works thirty or more hours	10402 10403 10404 10405

per week, and who meets the requirement of division (B)(2)(a) of 10406
this section is eligible, upon the birth, stillbirth, or adoption 10407
of a child, for a parental leave of absence and parental leave 10408
benefits under this section. If the employee takes leave under 10409
this section for a stillbirth, the employee is ineligible for 10410
leave under section 124.387 of the Revised Code. 10411

(2)(a) To be eligible for leave and benefits under this 10412
section, an employee must be one of the following: 10413

(i) A parent, as listed on the birth certificate, of a newly 10414
born child; 10415

(b) Employees may elect to receive five thousand dollars for 10420
adoption expenses in lieu of receiving the paid leave benefit 10421
provided under this section. Such payment may be requested upon 10422
placement of the child in the employee's home. If the child is 10423
already residing in the home, payment may be requested at the time 10424
the adoption is approved. 10425

(3) The average number of regular hours worked, which shall 10426
include all hours of holiday pay and other types of paid leave, 10427
during the three-month period immediately preceding the day 10428
parental leave of absence begins shall be used to determine 10429
eligibility and benefits under this section for part-time 10430
employees, but such benefits shall not exceed forty hours per 10431
week. If an employee has not worked for a three-month period, the 10432
number of hours for which the employee has been scheduled to work 10433
per week during the employee's period of employment shall be used 10434
to determine eligibility and benefits under this section. 10435

(C) Parental leave granted under this section shall not 10436

exceed ~~six~~ twelve consecutive weeks, which shall include four 10437
~~weeks or one~~ hundred ~~sixty~~ eighty hours of paid leave for 10438
permanent full-time employees and a prorated number of hours of 10439
paid leave for permanent part-time employees. Parental leave shall 10440
be taken within one year of the birth of the child, delivery of 10441
the stillborn child, or placement of the child for adoption. ~~All~~ 10442
~~employees granted parental leave shall serve a waiting period of~~ 10443
~~fourteen days that begins on the day parental leave begins and~~ 10444
~~during which they shall not receive paid leave under this section.~~ 10445
~~Employees may choose to work during the waiting period.~~ During the 10446
~~remaining four weeks of the~~ leave period, employees shall receive 10447
paid leave equal to seventy per cent of their base rate of pay. 10448
All of the following apply to employees granted parental leave: 10449

(1) They remain eligible to receive all employer-paid 10450
benefits and continue to accrue all other forms of paid leave as 10451
if they were in active pay status. 10452

(2) They are ineligible to receive overtime pay, and no 10453
portion of their parental leave shall be included in calculating 10454
their overtime pay. 10455

(3) They are ineligible to receive holiday pay. A holiday 10456
occurring during the leave period shall be counted as one day of 10457
parental leave and be paid as such. 10458

(D) Employees receiving parental leave may utilize available 10459
sick leave, personal leave, vacation leave, or compensatory time 10460
balances in order to ~~be paid during the fourteen-day waiting~~ 10461
~~period and to~~ supplement the seventy per cent of their base rate 10462
of pay received during the ~~remaining part of their~~ parental leave 10463
period, in an amount sufficient to give them up to one hundred per 10464
cent of their pay for time on parental leave. 10465

Use of parental leave does not affect an employee's 10466
eligibility for other forms of paid leave granted under this 10467

chapter and does not prohibit an employee from taking leave under 10468
the "Family and Medical Leave Act of 1993," 107 Stat. 6, 29 10469
U.S.C.A. 2601, except that parental leave shall be included in any 10470
leave time provided under that act. An employee may not receive 10471
parental leave under this section after exhausting leave under the 10472
Family and Medical Leave Act of 1993 for the birth of the child, 10473
delivery of the stillborn child, or placement of the child for 10474
adoption. 10475

(E) Employees receiving disability leave benefits under 10476
section 124.385 of the Revised Code prior to becoming eligible for 10477
parental leave shall continue to receive disability leave benefits 10478
for the duration of their disabling condition or as otherwise 10479
provided under the disability leave benefits program. If an 10480
employee is receiving disability leave benefits because of 10481
pregnancy and these benefits expire prior to the expiration date 10482
of any benefits the employee would have been entitled to receive 10483
under this section, the employee shall receive parental leave for 10484
such additional time ~~without being required to serve an additional~~ 10485
~~waiting period if the parental leave is contiguous to the~~ 10486
~~disability leave.~~ 10487

Sec. 124.14. (A)(1) The director of administrative services 10488
shall establish, and may modify or rescind, a job classification 10489
plan for all positions, offices, and employments in the service of 10490
the state. The director shall group jobs within a classification 10491
so that the positions are similar enough in duties and 10492
responsibilities to be described by the same title, to have the 10493
same pay assigned with equity, and to have the same qualifications 10494
for selection applied. The director shall assign a classification 10495
title to each classification within the classification plan. 10496
However, the director shall consider in establishing 10497
classifications, including classifications with parenthetical 10498
titles, and assigning pay ranges such factors as duties performed 10499

only on one shift, special skills in short supply in the labor 10500
market, recruitment problems, separation rates, comparative salary 10501
rates, the amount of training required, and other conditions 10502
affecting employment. The director shall describe the duties and, 10503
responsibilities, and essential character of the work of the 10504
class; establish the essential knowledge, abilities, skills, and 10505
qualifications for being employed in each position in the class; 10506
and file with the secretary of state a copy of specifications for 10507
all of the classifications. The director shall state the required 10508
qualifications in terms of experience, training, specific 10509
coursework, or other terms, but shall not state qualifications in 10510
terms of academic degrees unless the degrees are required by a 10511
specific statute or rule. The director shall file new, additional, 10512
or revised specifications with the secretary of state before they 10513
are used. 10514

An appointing authority may request position-specific minimum 10515
qualifications for a position that differ from the minimum 10516
qualifications of the classification specification established by 10517
the director, provided that the requested qualifications are not 10518
stated solely in terms of academic degrees. The director must 10519
approve such a request before it may be implemented. 10520

The director shall assign each classification, either on a 10521
statewide basis or in particular counties or state institutions, 10522
to a pay range established under section 124.15 or section 124.152 10523
of the Revised Code. The director may assign a classification to a 10524
pay range on a temporary basis for a period of six months. The 10525
director may establish experimental classification plans for some 10526
or all employees paid directly by warrant of the director of 10527
budget and management. Any such experimental classification plan 10528
shall include specifications for each classification within the 10529
plan and shall specifically address compensation ranges, and 10530
methods for advancing within the ranges, for the classifications, 10531

which may be assigned to pay ranges other than the pay ranges 10532
established under section 124.15 or 124.152 of the Revised Code. 10533

(2) The director of administrative services may reassign to a 10534
proper classification those positions that have been assigned to 10535
an improper classification. If the compensation of an employee in 10536
such a reassigned position exceeds the maximum rate of pay for the 10537
employee's new classification, the employee shall be placed in pay 10538
step X and shall not receive an increase in compensation until the 10539
maximum rate of pay for that classification exceeds the employee's 10540
compensation. 10541

(3) The director may reassign an exempt employee, as defined 10542
in section 124.152 of the Revised Code, to a bargaining unit 10543
classification if the director determines that the bargaining unit 10544
classification is the proper classification for that employee. 10545
Notwithstanding Chapter 4117. of the Revised Code or instruments 10546
and contracts negotiated under it, these placements are at the 10547
director's discretion. 10548

(4) The director shall assign related classifications, which 10549
form a career progression, to a classification series. The 10550
director shall assign each classification in the classification 10551
plan a five-digit number, the first four digits of which shall 10552
denote the classification series to which the classification is 10553
assigned. When a career progression encompasses more than ten 10554
classifications, the director shall identify the additional 10555
classifications belonging to a classification series. The 10556
additional classifications shall be part of the classification 10557
series, notwithstanding the fact that the first four digits of the 10558
number assigned to the additional classifications do not 10559
correspond to the first four digits of the numbers assigned to 10560
other classifications in the classification series. 10561

(B) Division (A) of this section and sections 124.15 and 10562
124.152 of the Revised Code do not apply to the following persons, 10563

positions, offices, and employments:	10564
(1) Elected officials;	10565
(2) Legislative employees, employees of the legislative service commission, employees in the office of the governor, employees who are in the unclassified civil service and exempt from collective bargaining coverage in the office of the secretary of state, auditor of state, treasurer of state, and attorney general, and employees of the supreme court;	10566 10567 10568 10569 10570 10571
(3) Any position for which the authority to determine compensation is given by law to another individual or entity;	10572 10573
(4) Employees of the bureau of workers' compensation whose compensation the administrator of workers' compensation establishes under division (B) of section 4121.121 of the Revised Code.	10574 10575 10576 10577
(C) The director may employ a consulting agency to aid and assist the director in carrying out this section.	10578 10579
(D)(1) When the director proposes to modify a classification or the assignment of classes to appropriate pay ranges, the director shall notify the appointing authorities of the affected employees before implementing the modification. The director's notice shall include the effective date of the modification. The appointing authorities shall notify the affected employees regarding the modification.	10580 10581 10582 10583 10584 10585 10586
(2) When the director proposes to reclassify any employee in the service of the state so that the employee is adversely affected, the director shall give to the employee affected and to the employee's appointing authority a written notice setting forth the proposed new classification, pay range, and salary. Upon the request of any classified employee in the service of the state who is not serving in a probationary period, the director shall perform a job audit to review the classification of the employee's	10587 10588 10589 10590 10591 10592 10593 10594

position to determine whether the position is properly classified. 10595
The director shall give to the employee affected and to the 10596
employee's appointing authority a written notice of the director's 10597
determination whether or not to reclassify the position or to 10598
reassign the employee to another classification. An employee or 10599
appointing authority desiring a hearing shall file a written 10600
request for the hearing with the state personnel board of review 10601
within thirty days after receiving the notice. The board shall set 10602
the matter for a hearing and notify the employee and appointing 10603
authority of the time and place of the hearing. The employee, the 10604
appointing authority, or any authorized representative of the 10605
employee who wishes to submit facts for the consideration of the 10606
board shall be afforded reasonable opportunity to do so. After the 10607
hearing, the board shall consider anew the reclassification and 10608
may order the reclassification of the employee and require the 10609
director to assign the employee to such appropriate classification 10610
as the facts and evidence warrant. As provided in division (A)(1) 10611
of section 124.03 of the Revised Code, the board may determine the 10612
most appropriate classification for the position of any employee 10613
coming before the board, with or without a job audit. The board 10614
shall disallow any reclassification or reassignment classification 10615
of any employee when it finds that changes have been made in the 10616
duties and responsibilities of any particular employee for 10617
political, religious, or other unjust reasons. 10618

(E)(1) Employees of each county department of job and family 10619
services shall be paid a salary or wage established by the board 10620
of county commissioners. The provisions of section 124.18 of the 10621
Revised Code concerning the standard work week apply to employees 10622
of county departments of job and family services. A board of 10623
county commissioners may do either of the following: 10624

(a) Notwithstanding any other section of the Revised Code, 10625
supplement the sick leave, vacation leave, personal leave, and 10626

other benefits of any employee of the county department of job and family services of that county, if the employee is eligible for the supplement under a written policy providing for the supplement;

(b) Notwithstanding any other section of the Revised Code, establish alternative schedules of sick leave, vacation leave, personal leave, or other benefits for employees not inconsistent with the provisions of a collective bargaining agreement covering the affected employees.

(2) Division (E)(1) of this section does not apply to employees for whom the state employment relations board establishes appropriate bargaining units pursuant to section 4117.06 of the Revised Code, except in either of the following situations:

(a) The employees for whom the state employment relations board establishes appropriate bargaining units elect no representative in a board-conducted representation election.

(b) After the state employment relations board establishes appropriate bargaining units for such employees, all employee organizations withdraw from a representation election.

(F)(1) Notwithstanding any contrary provision of sections 124.01 to 124.64 of the Revised Code, the board of trustees of each state university or college, as defined in section 3345.12 of the Revised Code, shall carry out all matters of governance involving the officers and employees of the university or college, including, but not limited to, the powers, duties, and functions of the department of administrative services and the director of administrative services specified in this chapter. Officers and employees of a state university or college shall have the right of appeal to the state personnel board of review as provided in this chapter.

(2) Each board of trustees shall adopt rules under section 10658
111.15 of the Revised Code to carry out the matters of governance 10659
described in division (F)(1) of this section. Until the board of 10660
trustees adopts those rules, a state university or college shall 10661
continue to operate pursuant to the applicable rules adopted by 10662
the director of administrative services under this chapter. 10663

(G)(1) Each board of county commissioners may, by a 10664
resolution adopted by a majority of its members, establish a 10665
county personnel department to exercise the powers, duties, and 10666
functions specified in division (G) of this section. As used in 10667
division (G) of this section, "county personnel department" means 10668
a county personnel department established by a board of county 10669
commissioners under division (G)(1) of this section. 10670

(2)(a) Each board of county commissioners, by a resolution 10671
adopted by a majority of its members, may designate the county 10672
personnel department of the county to exercise the powers, duties, 10673
and functions specified in sections 124.01 to 124.64 and Chapter 10674
325. of the Revised Code with regard to employees in the service 10675
of the county, except for the powers and duties of the state 10676
personnel board of review, which powers and duties shall not be 10677
construed as having been modified or diminished in any manner by 10678
division (G)(2) of this section, with respect to the employees for 10679
whom the board of county commissioners is the appointing authority 10680
or co-appointing authority. 10681

(b) Nothing in division (G)(2) of this section shall be 10682
construed to limit the right of any employee who possesses the 10683
right of appeal to the state personnel board of review to continue 10684
to possess that right of appeal. 10685

(c) Any board of county commissioners that has established a 10686
county personnel department may contract with the department of 10687
administrative services, in accordance with division (H) of this 10688
section, another political subdivision, or an appropriate public 10689

or private entity to provide competitive testing services or other appropriate services. 10690
10691

(3) After the county personnel department of a county has been established as described in division (G)(2) of this section, any elected official, board, agency, or other appointing authority of that county, upon written notification to the county personnel department, may elect to use the services and facilities of the county personnel department. Upon receipt of the notification by the county personnel department, the county personnel department shall exercise the powers, duties, and functions as described in division (G)(2) of this section with respect to the employees of that elected official, board, agency, or other appointing authority. 10692

10695
10696
10697
10698
10699
10700
10701
10702

(4) Each board of county commissioners, by a resolution adopted by a majority of its members, may disband the county personnel department. 10703
10704
10705

(5) Any elected official, board, agency, or appointing authority of a county may end its involvement with a county personnel department upon actual receipt by the department of a certified copy of the notification that contains the decision to no longer participate. 10706
10707
10708
10709
10710

(6) A county personnel department, in carrying out its duties, shall adhere to merit system principles with regard to employees of county departments of job and family services, child support enforcement agencies, and public child welfare agencies so that there is no threatened loss of federal funding for these agencies, and the county is financially liable to the state for any loss of federal funds due to the action or inaction of the county personnel department. 10711
10712
10713
10714
10715
10716
10717
10718

(H) County agencies may contract with the department of administrative services for any human resources services, 10719
10720

including, but not limited to, establishment and modification of 10721
job classification plans, competitive testing services, and 10722
periodic audits and reviews of the county's uniform application of 10723
the powers, duties, and functions specified in sections 124.01 to 10724
124.64 and Chapter 325. of the Revised Code with regard to 10725
employees in the service of the county. Nothing in this division 10726
modifies the powers and duties of the state personnel board of 10727
review with respect to employees in the service of the county. 10728
Nothing in this division limits the right of any employee who 10729
possesses the right of appeal to the state personnel board of 10730
review to continue to possess that right of appeal. 10731

(I) The director of administrative services shall establish 10732
the rate and method of compensation for all employees who are paid 10733
directly by warrant of the director of budget and management and 10734
who are serving in positions that the director of administrative 10735
services has determined impracticable to include in the state job 10736
classification plan. This division does not apply to elected 10737
officials, legislative employees, employees of the legislative 10738
service commission, employees who are in the unclassified civil 10739
service and exempt from collective bargaining coverage in the 10740
office of the secretary of state, auditor of state, treasurer of 10741
state, and attorney general, employees of the courts, employees of 10742
the bureau of workers' compensation whose compensation the 10743
administrator of workers' compensation establishes under division 10744
(B) of section 4121.121 of the Revised Code, or employees of an 10745
appointing authority authorized by law to fix the compensation of 10746

(B) The pay schedule of all employees shall be on a biweekly basis, with amounts computed on an hourly basis. 10876
 10877

(C) Part-time employees shall be compensated on an hourly basis for time worked, at the rates shown in division (A) of this section or in section 124.152 of the Revised Code. 10878
 10879
 10880

(D) The salary and wage rates in division (A) of this section 10881

or in section 124.152 of the Revised Code represent base rates of 10882
compensation and may be augmented by the provisions of section 10883
124.181 of the Revised Code. In those cases where lodging, meals, 10884
laundry, or other personal services are furnished an employee in 10885
the service of the state, the actual costs or fair market value of 10886
the personal services shall be paid by the employee in such 10887
amounts and manner as determined by the director of administrative 10888
services and approved by the director of budget and management, 10889
and those personal services shall not be considered as a part of 10890
the employee's compensation. An appointing authority that appoints 10891
employees in the service of the state, with the approval of the 10892
director of administrative services and the director of budget and 10893
management, may establish payments to employees for uniforms, 10894
tools, equipment, and other requirements of the department and 10895
payments for the maintenance of them. 10896

The director of administrative services may review collective 10897
bargaining agreements entered into under Chapter 4117. of the 10898
Revised Code that cover employees in the service of the state and 10899
determine whether certain benefits or payments provided to the 10900
employees covered by those agreements should also be provided to 10901
employees in the service of the state who are exempt from 10902
collective bargaining coverage and are paid in accordance with 10903
section 124.152 of the Revised Code or are listed in division 10904
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 10905
the review, the director of administrative services, with the 10906
approval of the director of budget and management, may provide to 10907
some or all of these employees any payment or benefit, except for 10908
salary, contained in such a collective bargaining agreement even 10909
if it is similar to a payment or benefit already provided by law 10910
to some or all of these employees. Any payment or benefit so 10911
provided shall not exceed the highest level for that payment or 10912
benefit specified in such a collective bargaining agreement. The 10913
director of administrative services shall not provide, and the 10914

director of budget and management shall not approve, any payment 10915
or benefit to such an employee under this division unless the 10916
payment or benefit is provided pursuant to a collective bargaining 10917
agreement to a state employee who is in a position with similar 10918
duties as, is supervised by, or is employed by the same appointing 10919
authority as, the employee to whom the benefit or payment is to be 10920
provided. 10921

As used in this division, "payment or benefit already 10922
provided by law" includes, but is not limited to, bereavement, 10923
personal, vacation, administrative, and sick leave, disability 10924
benefits, holiday pay, and pay supplements provided under the 10925
Revised Code, but does not include wages or salary. 10926

(E) New employees paid in accordance with schedule B of 10927
division (A) of this section or schedule E-1 of section 124.152 of 10928
the Revised Code shall be employed at the minimum rate established 10929
for the range unless otherwise provided. Employees with 10930
qualifications that are beyond the minimum normally required for 10931
the position and that are determined by the director to be 10932
exceptional may be employed in, or may be transferred or promoted 10933
to, a position at an advanced step of the range. Further, in time 10934
of a serious labor market condition when it is relatively 10935
impossible to recruit employees at the minimum rate for a 10936
particular classification, the entrance rate may be set at an 10937
advanced step in the range by the director of administrative 10938
services. This rate may be limited to geographical regions of the 10939
state. Appointments made to an advanced step under the provision 10940
regarding exceptional qualifications shall not affect the step 10941
assignment of employees already serving. However, anytime the 10942
hiring rate of an entire classification is advanced to a higher 10943
step, all incumbents of that classification being paid at a step 10944
lower than that being used for hiring, shall be advanced beginning 10945
at the start of the first pay period thereafter to the new hiring 10946

rate, and any time accrued at the lower step will be used to 10947
calculate advancement to a succeeding step. If the hiring rate of 10948
a classification is increased for only a geographical region of 10949
the state, only incumbents who work in that geographical region 10950
shall be advanced to a higher step. When an employee in the 10951
unclassified service changes from one state position to another or 10952
is appointed to a position in the classified service, or if an 10953
employee in the classified service is appointed to a position in 10954
the unclassified service, the employee's salary or wage in the new 10955
position shall be determined in the same manner as if the employee 10956
were an employee in the classified service. When an employee in 10957
the unclassified service who is not eligible for step increases is 10958
appointed to a classification in the classified service under 10959
which step increases are provided, future step increases shall be 10960
based on the date on which the employee last received a pay 10961
increase. If the employee has not received an increase during the 10962
previous year, the date of the appointment to the classified 10963
service shall be used to determine the employee's annual step 10964
advancement eligibility date. In reassigning any employee to a 10965
classification resulting in a pay range increase or to a new pay 10966
range as a result of a promotion, an increase pay range 10967
adjustment, or other classification change resulting in a pay 10968
range increase, the director shall assign such employee to the 10969
step in the new pay range that will provide an increase of 10970
approximately four per cent if the new pay range can accommodate 10971
the increase. When an employee is being assigned to a 10972
classification or new pay range as the result of a class plan 10973
change, if the employee has completed a probationary period, the 10974
employee shall be placed in a step no lower than step two of the 10975
new pay range. If the employee has not completed a probationary 10976
period, the employee may be placed in step one of the new pay 10977
range. Such new salary or wage shall become effective on such date 10978
as the director determines. 10979

(F) If employment conditions and the urgency of the work 10980
require such action, the director of administrative services may, 10981
upon the application of a department head, authorize payment at 10982
any rate established within the range for the class of work, for 10983
work of a casual or intermittent nature or on a project basis. 10984
Payment at such rates shall not be made to the same individual for 10985
more than three calendar months in any one calendar year. Any such 10986
action shall be subject to the approval of the director of budget 10987
and management as to the availability of funds. This section and 10988
sections 124.14 and 124.152 of the Revised Code do not repeal any 10989
authority of any department or public official to contract with or 10990
fix the compensation of professional persons who may be employed 10991
temporarily for work of a casual nature or for work on a project 10992
basis. 10993

(G)(1) Except as provided in divisions (G)(2) and (3) of this 10994
section, each state employee paid in accordance with schedule B of 10995
this section or schedule E-1 of section 124.152 of the Revised 10996
Code shall be eligible for advancement to succeeding steps in the 10997
range for the employee's class or grade according to the schedule 10998
established in this division. Beginning on the first day of the 10999
pay period within which the employee completes the prescribed 11000
probationary period in the employee's classification with the 11001
state, each employee shall receive an automatic salary adjustment 11002
equivalent to the next higher step within the pay range for the 11003
employee's class or grade. 11004

Except as provided in divisions (G)(2) and (3) of this 11005
section, each employee paid in accordance with schedule E-1 of 11006
section 124.152 of the Revised Code shall be eligible to advance 11007
to the next higher step until the employee reaches the top step in 11008
the range for the employee's class or grade, if the employee has 11009
maintained satisfactory performance in accordance with criteria 11010
established by the employee's appointing authority. Those step 11011

advancements shall not occur more frequently than once in any 11012
twelve-month period. 11013

When an employee is promoted, the step entry date shall be 11014
set to account for a probationary period. When an employee is 11015
reassigned to a higher pay range, the step entry date shall be set 11016
to allow an employee who is not at the highest step of the range 11017
to receive a step advancement one year from the reassignment date. 11018
Step advancement shall not be affected by demotion. A promoted 11019
employee shall advance to the next higher step of the pay range on 11020
the first day of the pay period in which the required probationary 11021
period is completed. Step advancement shall become effective at 11022
the beginning of the pay period within which the employee attains 11023
the necessary length of service. Time spent on authorized leave of 11024
absence shall be counted for this purpose. 11025

If determined to be in the best interest of the state 11026
service, the director of administrative services may, either 11027
statewide or in selected agencies, adjust the dates on which 11028
annual step advancements are received by employees paid in 11029
accordance with schedule E-1 of section 124.152 of the Revised 11030
Code. 11031

(2)(a) There shall be a moratorium on annual step 11032
advancements under division (G)(1) of this section beginning June 11033
21, 2009, through June 20, 2011. Step advancements shall resume 11034
with the pay period beginning June 21, 2011. Upon the resumption 11035
of step advancements, there shall be no retroactive step 11036
advancements for the period the moratorium was in effect. The 11037
moratorium shall not affect an employee's performance evaluation 11038
schedule. 11039

An employee who begins a probationary period before June 21, 11040
2009, shall advance to the next step in the employee's pay range 11041
at the end of probation, and then become subject to the 11042
moratorium. An employee who is hired, promoted, or reassigned to a 11043

higher pay range between June 21, 2009, through June 20, 2011, 11044
shall not advance to the next step in the employee's pay range 11045
until the next anniversary of the employee's date of hire, 11046
promotion, or reassignment that occurs on or after June 21, 2011. 11047

(b) The moratorium under division (G)(2)(a) of this section 11048
shall apply to the employees of the secretary of state, the 11049
auditor of state, the treasurer of state, and the attorney 11050
general, who are subject to this section unless the secretary of 11051
state, the auditor of state, the treasurer of state, or the 11052
attorney general decides to exempt the office's employees from the 11053
moratorium and so notifies the director of administrative services 11054
in writing on or before July 1, 2009. 11055

(3) Employees in intermittent positions shall be employed at 11056
the minimum rate established for the pay range for their 11057
classification and are not eligible for step advancements. 11058

(H) Employees in appointive managerial or professional 11059
positions paid in accordance with schedule C of this section or 11060
schedule E-2 of section 124.152 of the Revised Code may be 11061
appointed at any rate within the appropriate pay range. This rate 11062
of pay may be adjusted higher or lower within the respective pay 11063
range at any time the appointing authority so desires as long as 11064
the adjustment is based on the employee's ability to successfully 11065
administer those duties assigned to the employee. Salary 11066
adjustments shall not be made more frequently than once in any 11067
six-month period under this provision to incumbents holding the 11068
same position and classification. 11069

(I) When an employee is assigned to duty outside this state, 11070
the employee may be compensated, upon request of the department 11071
head and with the approval of the director of administrative 11072
services, at a rate not to exceed fifty per cent in excess of the 11073
employee's current base rate for the period of time spent on that 11074
duty. 11075

(J) Unless compensation for members of a board or commission 11076
is otherwise specifically provided by law, the director of 11077
administrative services shall establish the rate and method of 11078
payment for members of boards and commissions pursuant to the pay 11079
schedules listed in section 124.152 of the Revised Code. 11080

(K) Regular full-time employees in positions assigned to 11081
classes within the instruction and education administration series 11082
under the job classification plans of the director of 11083
administrative services, except certificated employees on the 11084
instructional staff of ~~the state school for the blind or the state~~ 11085
~~school for the deaf~~ Ohio deaf and blind education services, whose 11086
positions are scheduled to work on the basis of an academic year 11087
rather than a full calendar year, shall be paid according to the 11088
pay range assigned by the applicable job classification plan, but 11089
only during those pay periods included in the academic year of the 11090
school where the employee is located. 11091

(1) Part-time or substitute teachers or those whose period of 11092
employment is other than the full academic year shall be 11093
compensated for the actual time worked at the rate established by 11094
this section. 11095

(2) Employees governed by this division are exempt from 11096
sections 124.13 and 124.19 of the Revised Code. 11097

(3) Length of service for the purpose of determining 11098
eligibility for step advancements as provided by division (G) of 11099
this section and for the purpose of determining eligibility for 11100
longevity pay supplements as provided by division (E) of section 11101
124.181 of the Revised Code shall be computed on the basis of one 11102
full year of service for the completion of each academic year. 11103

(L) The superintendent of ~~the state school for the deaf and~~ 11104
~~the superintendent of the state school for the blind~~ Ohio deaf and 11105
blind education services shall, subject to the approval of the 11106

superintendent of public instruction, carry out both of the 11107
following: 11108

(1) Annually, between the first day of April and the last day 11109
of June, establish for the ensuing fiscal year a schedule of 11110
hourly rates for the compensation of each certificated employee on 11111
the instructional staff of ~~that superintendent's respective school~~ 11112
Ohio deaf and blind education services constructed as follows: 11113

(a) Determine for each level of training, experience, and 11114
other professional qualification for which an hourly rate is set 11115
forth in the current schedule, the per cent that rate is of the 11116
rate set forth in such schedule for a teacher with a bachelor's 11117
degree and no experience. If there is more than one such rate for 11118
such a teacher, the lowest rate shall be used to make the 11119
computation. 11120

(b) Determine which six city, local, and exempted village 11121
school districts with territory in Franklin county have in effect 11122
on, or have adopted by, the first day of April for the school year 11123
that begins on the ensuing first day of July, teacher salary 11124
schedules with the highest minimum salaries for a teacher with a 11125
bachelor's degree and no experience; 11126

(c) Divide the sum of such six highest minimum salaries by 11127
ten thousand five hundred sixty; 11128

(d) Multiply each per cent determined in division (L)(1)(a) 11129
of this section by the quotient obtained in division (L)(1)(c) of 11130
this section; 11131

(e) One hundred five per cent of each product thus obtained 11132
shall be the hourly rate for the corresponding level of training, 11133
experience, or other professional qualification in the schedule 11134
for the ensuing fiscal year. 11135

(2) Annually, assign each certificated employee on the 11136
instructional staff of ~~the superintendent's respective school~~ Ohio 11137

deaf and blind education services to an hourly rate on the 11138
schedule that is commensurate with the employee's training, 11139
experience, and other professional qualifications. 11140

If an employee is employed on the basis of an academic year, 11141
the employee's annual salary shall be calculated by multiplying 11142
the employee's assigned hourly rate times one thousand seven 11143
hundred sixty. If an employee is not employed on the basis of an 11144
academic year, the employee's annual salary shall be calculated in 11145
accordance with the following formula: 11146

(a) Multiply the number of days the employee is required to 11147
work pursuant to the employee's contract by eight; 11148

(b) Multiply the product of division (L)(2)(a) of this 11149
section by the employee's assigned hourly rate. 11150

Each employee shall be paid an annual salary in biweekly 11151
installments. The amount of each installment shall be calculated 11152
by dividing the employee's annual salary by the number of biweekly 11153
installments to be paid during the year. 11154

Sections 124.13 and 124.19 of the Revised Code do not apply 11155
to an employee who is paid under this division. 11156

As used in this division, "academic year" means the number of 11157
days in each school year that the ~~schools~~ state school for the 11158
deaf and the state school for the blind are required to be open 11159
for instruction with pupils in attendance. Upon completing an 11160
academic year, an employee paid under this division shall be 11161
deemed to have completed one year of service. An employee paid 11162
under this division is eligible to receive a pay supplement under 11163
division (L)(1), (2), or (3) of section 124.181 of the Revised 11164
Code for which the employee qualifies, but is not eligible to 11165
receive a pay supplement under division (L)(4) or (5) of that 11166
section. An employee paid under this division is eligible to 11167
receive a pay supplement under division (L)(6) of section 124.181 11168

of the Revised Code for which the employee qualifies, except that 11169
the supplement is not limited to a maximum of five per cent of the 11170
employee's regular base salary in a calendar year. 11171

(M) Division (A) of this section does not apply to "exempt 11172
employees," as defined in section 124.152 of the Revised Code, who 11173
are paid under that section. 11174

Notwithstanding any other provisions of this chapter, when an 11175
employee transfers between bargaining units or transfers out of or 11176
into a bargaining unit, the director of administrative services 11177
shall establish the employee's compensation and adjust the maximum 11178
leave accrual schedule as the director deems equitable. 11179

Sec. 124.34. (A) The tenure of every officer or employee in 11180
the classified service of the state and the counties, civil 11181
service townships, cities, city health districts, general health 11182
districts, and city school districts of the state, holding a 11183
position under this chapter, shall be during good behavior and 11184
efficient service. No officer or employee shall be reduced in pay 11185
or position, fined, suspended, or removed, or have the officer's 11186
or employee's longevity reduced or eliminated, except as provided 11187
in section 124.32 of the Revised Code, and for incompetency, 11188
inefficiency, unsatisfactory performance, dishonesty, drunkenness, 11189
immoral conduct, insubordination, discourteous treatment of the 11190
public, neglect of duty, violation of any policy or work rule of 11191
the officer's or employee's appointing authority, violation of 11192
this chapter or the rules of the director of administrative 11193
services or the commission, any other failure of good behavior, 11194
any other acts of misfeasance, malfeasance, or nonfeasance in 11195
office, or conviction of a felony while employed in the civil 11196
service. The denial of a one-time pay supplement or a bonus to an 11197
officer or employee is not a reduction in pay for purposes of this 11198
section. 11199

This section does not apply to any modifications or 11200
reductions in pay or work week authorized by section 124.392, 11201
124.393, or 124.394 of the Revised Code. 11202

An appointing authority may require an employee who is 11203
suspended to report to work to serve the suspension. An employee 11204
serving a suspension in this manner shall continue to be 11205
compensated at the employee's regular rate of pay for hours 11206
worked. The disciplinary action shall be recorded in the 11207
employee's personnel file in the same manner as other disciplinary 11208
actions and has the same effect as a suspension without pay for 11209
the purpose of recording disciplinary actions. 11210

A finding by the appropriate ethics commission, based upon a 11211
preponderance of the evidence, that the facts alleged in a 11212
complaint under section 102.06 of the Revised Code constitute a 11213
violation of Chapter 102., section 2921.42, or section 2921.43 of 11214
the Revised Code may constitute grounds for dismissal. Failure to 11215
file a statement or falsely filing a statement required by section 11216
102.02 of the Revised Code may also constitute grounds for 11217
dismissal. The tenure of an employee in the career professional 11218
service of the department of transportation is subject to section 11219
5501.20 of the Revised Code. 11220

Conviction of a felony while employed in the civil service is 11221
a separate basis for reducing in pay or position, suspending, or 11222
removing an officer or employee, even if the officer or employee 11223
has already been reduced in pay or position, suspended, or removed 11224
for the same conduct that is the basis of the felony. An officer 11225
or employee may not appeal to the state personnel board of review 11226
or the commission any disciplinary action taken by an appointing 11227
authority as a result of the officer's or employee's conviction of 11228
a felony. If an officer or employee removed under this section is 11229
reinstated as a result of an appeal of the removal, any conviction 11230
of a felony that occurs during the pendency of the appeal is a 11231

basis for further disciplinary action under this section upon the 11232
officer's or employee's reinstatement. 11233

A person convicted of a felony while employed in the civil 11234
service immediately forfeits the person's status as a classified 11235
employee in any public employment on and after the date of the 11236
conviction for the felony. If an officer or employee is removed 11237
under this section as a result of being convicted of a felony or 11238
is subsequently convicted of a felony that involves the same 11239
conduct that was the basis for the removal, the officer or 11240
employee is barred from receiving any compensation after the 11241
removal notwithstanding any modification or disaffirmance of the 11242
removal, unless the conviction for the felony is subsequently 11243
reversed or annulled. 11244

Any person removed for conviction of a felony is entitled to 11245
a cash payment for any accrued but unused sick, personal, and 11246
vacation leave as authorized by law. If subsequently reemployed in 11247
the public sector, the person shall qualify for and accrue these 11248
forms of leave in the manner specified by law for a newly 11249
appointed employee and shall not be credited with prior public 11250
service for the purpose of receiving these forms of leave. 11251

As used in this division, "felony" means any of the 11252
following: 11253

(1) A felony that is an offense of violence as defined in 11254
section 2901.01 of the Revised Code; 11255

(2) A felony that is a felony drug abuse offense as defined 11256
in section 2925.01 of the Revised Code; 11257

(3) A felony under the laws of this or any other state or the 11258
United States that is a crime of moral turpitude; 11259

(4) A felony involving dishonesty, fraud, or theft; 11260

(5) A felony that is a violation of section 2921.05, 2921.32, 11261

or 2921.42 of the Revised Code. 11262

(B) In case of a reduction, a suspension of more than forty 11263
work hours in the case of an employee exempt from the payment of 11264
overtime compensation, a suspension of more than twenty-four work 11265
hours in the case of an employee required to be paid overtime 11266
compensation, a fine of more than forty hours' pay in the case of 11267
an employee exempt from the payment of overtime compensation, a 11268
fine of more than twenty-four hours' pay in the case of an 11269
employee required to be paid overtime compensation, or removal, 11270
except for the reduction or removal of a probationary employee, 11271
the appointing authority shall serve the employee with a copy of 11272
the order of reduction, fine, suspension, or removal, which order 11273
shall state the reasons for the action. 11274

Within ten days following the date on which the order is 11275
served or, in the case of an employee in the career professional 11276
service of the department of transportation, within ten days 11277
following the filing of a removal order, the employee, except as 11278
otherwise provided in this section, may file an appeal of the 11279
order in writing with the state personnel board of review or the 11280
commission. For purposes of this section, the date on which an 11281
order is served is the date of hand delivery of the order or the 11282
date of delivery of the order by certified United States mail, 11283
whichever occurs first. If an appeal is filed, the board or 11284
commission shall forthwith notify the appointing authority and 11285
shall hear, or appoint a trial board to hear, the appeal within 11286
thirty days from and after its filing with the board or 11287
commission. The board, commission, or trial board may affirm, 11288
disaffirm, or modify the judgment of the appointing authority. 11289
However, in an appeal of a removal order based upon a violation of 11290
a last chance agreement, the board, commission, or trial board may 11291
only determine if the employee violated the agreement and thus 11292
affirm or disaffirm the judgment of the appointing authority. 11293

In cases of removal or reduction in pay for disciplinary reasons, either the appointing authority or the officer or employee may appeal from the decision of the state personnel board of review or the commission, and any such appeal shall be to the court of common pleas ~~of the county in which the appointing authority is located, or to the court of common pleas of Franklin county, as provided by section 119.12 of the Revised Code in~~ accordance with section 119.12 of the Revised Code.

(C) In the case of the suspension for any period of time, or a fine, demotion, or removal, of a chief of police, a chief of a fire department, or any member of the police or fire department of a city or civil service township, who is in the classified civil service, the appointing authority shall furnish the chief or member with a copy of the order of suspension, fine, demotion, or removal, which order shall state the reasons for the action. The order shall be filed with the municipal or civil service township civil service commission. Within ten days following the filing of the order, the chief or member may file an appeal, in writing, with the commission. If an appeal is filed, the commission shall forthwith notify the appointing authority and shall hear, or appoint a trial board to hear, the appeal within thirty days from and after its filing with the commission, and it may affirm, disaffirm, or modify the judgment of the appointing authority. An appeal on questions of law and fact may be had from the decision of the commission to the court of common pleas in the county in which the city or civil service township is situated. The appeal shall be taken within thirty days from the finding of the commission.

(D) A violation of division (A)(7) of section 2907.03 of the Revised Code is grounds for termination of employment of a nonteaching employee under this section.

(E) The director shall adopt a rule in accordance with

Chapter 119. of the Revised Code to define the term 11326
"unsatisfactory performance" as it is used in this section with 11327
regard to employees in the service of the state. 11328

(F) As used in this section, "last chance agreement" means an 11329
agreement signed by both an appointing authority and an officer or 11330
employee of the appointing authority that describes the type of 11331
behavior or circumstances that, if it occurs, will automatically 11332
lead to removal of the officer or employee without the right of 11333
appeal to the state personnel board of review or the appropriate 11334
commission. 11335

Sec. 124.387. (A) As used in this section, "stillborn" has 11336
the same meaning as in section 124.136 of the Revised Code. 11337

(B) Each full-time permanent and part-time permanent employee 11338
whose salary or wage is paid directly by warrant of the director 11339
of budget and management shall be granted three days of 11340
bereavement leave with pay ~~upon~~ due to the death of a member of 11341
the employee's immediate family. 11342

employee described in division (B) of this section may use 11344
bereavement leave under this section when the employee is the 11345
parent of a miscarried or stillborn child. An employee using 11346
bereavement leave based on a miscarriage shall provide appropriate 11347
medical documentation of the miscarriage. An employee using 11348
bereavement leave based on a stillbirth shall provide a copy of 11349
the fetal death certificate. 11350

(D) The bereavement leave described in this section begins 11351
within one of the following time periods: 11352

family member's death; 11354

(2) Not more than five days before or five days after the 11355

date of the immediate family member's funeral. 11356

of the requirements of division (B) of section 125.11 of the 11713

those requirements would ~~result in the state agency paying an~~ 11715
~~excessive price for the product or acquiring a disproportionately~~ 11716
~~inferior product not be in the best interest of the state or is~~ 11717
otherwise prohibited; 11718

(7) Criteria for applying a preference to bids and offers 11719
received from a certified veteran-friendly business enterprise; 11720

(8) Such other requirements or procedures reasonably 11721

sureties it prescribes, payable to the state, and conditioned that 11734
the person submitting the bid or proposal, if that person's bid or 11735

The notice shall state that the claim is improperly executed and needs correction or that additional information is necessary to establish the validity of the claim. If the department makes such notification to the provider, the required payment date shall be thirty days after the department receives the corrected claim or such additional information as may be necessary to establish the validity of the claim.

(D) In applying this section to invoices submitted to the bureau of workers' compensation for equipment, materials, goods, supplies, or services provided to employees in connection with an employee's claim against the state insurance fund, the public work-relief employees' compensation fund, the coal-workers pneumoconiosis fund, or the marine industry fund as compensation

for injuries or occupational disease pursuant to Chapter 4123., 12433
4127., or 4131. of the Revised Code, the required payment date 12434
shall be the date on which payment is due under the terms of a 12435
written agreement between the bureau and the provider. If a 12436
specific payment date is not established by a written agreement, 12437
the required payment date shall be thirty days after the bureau 12438
receives a proper invoice for the amount of the payment due or 12439
thirty days after the final adjudication allowing payment of an 12440
award to the employee, whichever is later. Nothing in this section 12441
shall supersede any faster timetable for payments to health care 12442
providers contained in sections 4121.44 and 4123.512 of the 12443
Revised Code. 12444

For purposes of this division, a "proper invoice" includes 12445
the claimant's name, claim number and date of injury, employer's 12446
name, the provider's name and address, the provider's assigned 12447
payee number, a description of the equipment, materials, goods, 12448
supplies, or services provided by the provider to the claimant, 12449
the date provided, and the amount of the charge. If more than one 12450
item of equipment, materials, goods, supplies, or services is 12451
listed by a provider on a single application for payment, each 12452
item shall be considered separately in determining if it is a 12453
proper invoice. 12454

If prior to a final adjudication the bureau determines that 12455
the invoice contains a defect, the bureau shall notify the 12456
provider in writing at least fifteen days prior to what would be 12457
the required payment date if the invoice did not contain a defect. 12458
The notice shall contain a description of the defect and any 12459
additional information necessary to correct the defect. If the 12460
bureau sends a notification to the provider, the required payment 12461
date shall be redetermined in accordance with this division after 12462
the bureau receives a proper invoice. 12463

For purposes of this division, "final adjudication" means the 12464

later of the date of the decision or other action by the bureau, 12465
the industrial commission, or a court allowing payment of the 12466
award to the employee from which there is no further right to 12467
reconsideration or appeal that would require the bureau to 12468
withhold compensation and benefits, or the date on which the 12469
rights to reconsideration or appeal have expired without an 12470
application therefor having been filed or, if later, the date on 12471
which an application for reconsideration or appeal is withdrawn. 12472
If after final adjudication, the administrator of the bureau of 12473
workers' compensation or the industrial commission makes a 12474
modification with respect to former findings or orders, pursuant 12475
to Chapter 4123., 4127., or 4131. of the Revised Code or pursuant 12476
to court order, the adjudication process shall no longer be 12477
considered final for purposes of determining the required payment 12478
date for invoices for equipment, materials, goods, supplies, or 12479
services provided after the date of the modification when the 12480
propriety of the invoices is affected by the modification. 12481

(E) The interest charge on amounts due shall be paid to the 12482
person for the period beginning on the day after the required 12483
payment date and ending on the day that payment of the amount due 12484
is made. The amount of the interest charge that remains unpaid at 12485
the end of any thirty-day period after the required payment date, 12486
including amounts under ten dollars, shall be added to the 12487
principal amount of the debt and thereafter the interest charge 12488
shall accrue on the principal amount of the debt plus the added 12489
interest charge. The interest charge shall be at the rate per 12490
calendar month that equals one-twelfth of the rate per annum 12491
prescribed by section 5703.47 of the Revised Code for the calendar 12492
year that includes the month for which the interest charge 12493
accrues. 12494

(F) No appropriations shall be made for the payment of any 12495
interest charges required by this section. Any state agency 12496

required to pay interest charges under this section shall make the 12497
payments from moneys available for the administration of agency 12498
programs. 12499

If a state agency pays interest charges under this section, 12500
but determines that all or part of the interest charges should 12501
have been paid by another state agency, the state agency that paid 12502
the interest charges may request the attorney general to determine 12503
the amount of the interest charges that each state agency should 12504
have paid under this section. If the attorney general determines 12505
that the state agency that paid the interest charges should have 12506
paid none or only a part of the interest charges, the attorney 12507
general shall notify the state agency that paid the interest 12508
charges, any other state agency that should have paid all or part 12509
of the interest charges, and the director of budget and management 12510
of the attorney general's decision, stating the amount of interest 12511
charges that each state agency should have paid. The director 12512
shall transfer from the appropriate funds of any other state 12513
agency that should have paid all or part of the interest charges 12514
to the appropriate funds of the state agency that paid the 12515
interest charges an amount necessary to implement the attorney 12516
general's decision. 12517

~~(G) Not later than forty five days after the end of each 12518
fiscal year, each state agency shall file with the The director of 12519
budget and management a detailed report concerning the interest 12520
charges the agency paid under this section during the previous 12521
fiscal year. The report shall include the number, amounts, and 12522
frequency of interest charges the agency incurred during the 12523
previous fiscal year and the reasons why the interest charges were 12524
not avoided by payment prior to the required payment date. The 12525
director shall compile a summary of all the reports submitted 12526
under this division interest charges paid under this section 12527
during the previous fiscal year and shall submit a copy of the 12528~~

service. 14859

(2)(a) For a member eligible to retire under division (A) of 14860
section 145.32 of the Revised Code, the member's allowance under 14861
division (B)(1) of this section shall be adjusted by the factors 14862
of attained age or years of service to provide the greater amount 14863
as determined by the following schedule: 14864

<u>Attained</u>	<u>or</u>	<u>Years of Total</u>	<u>Percentage of Base</u>	
<u>Birthday</u>		<u>Service Credit</u>	<u>Amount</u>	
<u>58</u>		<u>25</u>	<u>75</u>	14866
<u>59</u>		<u>26</u>	<u>80</u>	14867
<u>60</u>		<u>27</u>	<u>85</u>	14868
<u>61</u>			<u>88</u>	14869
		<u>28</u>	<u>90</u>	14870

(b) For a member eligible to retire under division (B) or (C) 14876
of section 145.32 of the Revised Code, the member's allowance 14877

under division (B)(1) of this section shall be reduced by a 14878
percentage determined by the public employees retirement board's 14879
actuary based on the number of years the commencement of the 14880
allowance precedes the member's eligibility for an unreduced 14881
allowance. 14882

(c) The actuary may use an actuarially based average 14883
percentage reduction for purposes of division (B)(2)(b) of this 14884
section. 14885

(C) The total annual single lifetime allowance that a member 14886
shall receive under this section shall not exceed the lesser of 14887
the following: 14888

(1) Any limit established under section 145.333 of the 14889
Revised Code; 14890

(2) One hundred per cent of the member's final average 14891
salary; 14892

(3) The limit established by section 415 of the "Internal 14893
Revenue Code of 1986," 26 U.S.C. 415. 14894

(D) Retirement allowances determined under this section shall 14895
be paid as provided in section 145.46 of the Revised Code. 14896

If the monthly amount of a member's annual single lifetime 14897
allowance that is first payable on or after the effective date of 14898
this section under division (B) of this section would be less than 14899
fifty dollars, instead of a monthly payment the retirement system 14900
shall pay an amount determined under section 145.40 of the Revised 14901
Code as a refund of accumulated contributions. 14902

Sec. 145.35. (A) As used in this section and sections 145.362 14903
and 145.363 of the Revised Code: 14904

(1) "Examining physician" means a physician appointed by the 14905
public employees retirement board to conduct a medical examination 14906
of a disability benefit applicant or recipient. 14907

(2) "Medical consultant" means a physician appointed by the board to review a member's application for a disability benefit or an appeal of a denial or termination of a benefit.

(3) "On-duty illness or injury" means an illness or injury that occurred during or resulted from performance of duties under the direct supervision of a public employer.

(B) The public employees retirement system shall provide disability coverage to each member who has at least five years of total service credit and disability coverage for on-duty illness or injury to each member who is a PERS law enforcement officer or PERS public safety officer, regardless of length of service.

The coverage shall extend only to illness or injury that occurs before the member's contributing service terminates or, in the case of illness or injury that results from contributing service, becomes evident not later than two years after the date the contributing service ends. The coverage shall not extend to disability resulting from elective cosmetic surgery other than reconstructive surgery.

Not later than October 16, 1992, the public employees retirement board shall give each person who is a member on July 29, 1992, the opportunity to elect disability coverage either under section 145.36 of the Revised Code or under section 145.361 of the Revised Code. The board shall mail notice of the election, accompanied by an explanation of the coverage under each of the Revised Code sections and a form on which the election is to be made, to each member at the member's last known address. The board shall also provide the explanation and form to any member on request.

Regardless of whether the member actually receives notice of the right to make an election, a member who fails to file a valid election under this section shall be considered to have elected

disability coverage under section 145.36 of the Revised Code. To 14939
be valid, an election must be made on the form provided by the 14940
retirement board, signed by the member, and filed with the board 14941
not later than one hundred eighty days after the date the notice 14942
was mailed, or, in the case of a form provided at the request of a 14943
member, a date specified by rule of the retirement board. Once 14944
made, an election is irrevocable, but if the member ceases to be a 14945
member of the retirement system, the election is void. If a person 14946
who makes an election under this section also makes an election 14947
under section 3307.62 or 3309.39 of the Revised Code, the election 14948
made for the system that pays a disability benefit to that person 14949
shall govern the benefit. 14950

Disability coverage shall be provided under section 145.361 14951
of the Revised Code for persons who become members after July 29, 14952
1992, and for members who elect under this division to be covered 14953
under section 145.361 of the Revised Code. 14954

The retirement board may adopt rules governing elections made 14955
under this division. 14956

(C) Application for a disability benefit may be made by a 14957
member, by a person acting in the member's behalf, or by the 14958
member's employer, provided the member has disability coverage 14959
under section 145.36 or 145.361 of the Revised Code and is not 14960
receiving a disability benefit under any other Ohio state or 14961
municipal retirement program. Application must be made within two 14962
years from the date the member's contributing service under the 14963
PERS defined benefit plan terminated or the date the member ceased 14964
to make contributions to the PERS defined benefit plan under 14965
section 145.814 of the Revised Code, unless the board's medical 14966
consultant determines that the member's medical records 14967
demonstrate conclusively that at the time the two-year period 14968
expired, the member was physically or mentally incapacitated for 14969
duty and unable to make an application. Application may not be 14970

made by or for any person receiving age and service retirement 14971
benefits under section 145.33, 145.331, 145.332, 145.335, or 14972
145.37 or former section 145.34 of the Revised Code or any person 14973
who, pursuant to section 145.40 of the Revised Code, has been paid 14974
the accumulated contributions standing to the credit of the 14975
person's individual account in the employees' savings fund. The 14976
application shall be made on a form provided by the retirement 14977
board. 14978

(D) The benefit payable to any member who is approved for a 14979
disability benefit shall become effective on the first day of the 14980
month immediately following the later of the following: 14981

(1) The last day for which compensation was paid; 14982

(2) The attainment of eligibility for a disability benefit. 14983

(E) Medical examination of a member who has applied for a 14984
disability benefit shall be conducted by a competent disinterested 14985
examining physician to determine whether the member is mentally or 14986
physically incapacitated for the performance of duty by a 14987
disabling condition either permanent or presumed to be permanent. 14988
The disability must have occurred since last becoming a member or 14989
have increased since last becoming a member to such extent as to 14990
make the disability permanent or presumed to be permanent. A 14991
disability is presumed to be permanent if it is expected to last 14992
for a continuous period of not less than twelve months following 14993
the filing of the application. 14994

The standard used to determine whether a member is 14995
incapacitated for duty is that the member is mentally or 14996
physically incapable of performing the duties of the most recent 14997
public position held by the member. 14998

A member shall receive a disability benefit under section 14999
145.36 or 145.361 of the Revised Code if all of the following 15000
apply: 15001

(1) The board's examining physician determines that the member qualifies for a disability benefit and the board's medical consultant concurs with the determination;

(2) The board concurs with the medical consultant's determination;

(3) The member agrees to medical treatment as specified in division (F) of this section.

A disability benefit described in this division may be commenced prior to the board's concurrence with the determination if the conditions specified in divisions (E)(1) and (3) of this section are met.

The action of the board shall be final.

(F) The public employees retirement board shall adopt rules requiring a disability benefit recipient, as a condition of continuing to receive a disability benefit, to agree in writing to obtain any medical treatment recommended by the board's medical consultant and submit medical reports regarding the treatment. If the board determines that a disability benefit recipient is not obtaining the medical treatment or the board does not receive a required medical report, the disability benefit shall be suspended until the treatment is obtained, the report is received by the board, or the board's medical consultant certifies that the treatment is no longer helpful or advisable. Should the recipient's failure to obtain treatment or submit a medical report continue for one year, the recipient's right to the disability benefit shall be terminated as of the effective date of the original suspension.

The board shall require the recipient of a disability benefit who is described in section 145.363 of the Revised Code to comply with that section.

(G) A disability benefit that has been granted a member but

has not commenced shall not be paid if the member continues in or 15033
returns to employment with the same employer in the same position 15034
or in a position with duties similar to those of the position the 15035
member held at the time the benefit was granted. 15036

(H) In the event an employer files an application for a 15037
disability benefit as a result of a member having been separated 15038
from service because the member is considered to be mentally or 15039
physically incapacitated for the performance of the member's 15040
present duty, and the board's medical consultant reports to the 15041
board that the member is physically and mentally capable of 15042
performing service similar to that from which the member was 15043
separated and the board concurs in the report, the board shall so 15044
certify to the employer and the employer shall restore the member 15045
to the member's previous position and salary or to a similar 15046
position and salary. 15047

Sec. 145.361. (A) A member with disability coverage under 15048
this section who is determined by the public employees retirement 15049
board under section 145.35 of the Revised Code to qualify for a 15050
disability benefit shall receive a disability allowance under this 15051
section. The allowance shall be an annual amount equal to the 15052
greater of the following: 15053

(1) Forty-five per cent of the member's final average salary; 15054

(2) The member's total service credit multiplied by two and 15055
two-tenths per cent of the member's final average salary, not 15056
exceeding sixty per cent of the member's final average salary. 15057

(B) Sufficient reserves for payment of the disability 15058
allowance shall be transferred to the annuity and pension reserve 15059
fund from the employers' contribution fund. The accumulated 15060
contributions of the member shall remain in the employees' savings 15061
fund. No part of the allowance paid under this section shall be 15062
charged against the member's accumulated contributions. 15063

(C) A disability allowance paid under this section shall terminate at the earliest of the following:

(1) The effective date of age and service retirement under sections 145.32, 145.33, ~~and~~ 145.332, and 145.335, or section 145.37 or former section 145.34 of the Revised Code;

(2) The date the allowance is terminated under section 145.362 of the Revised Code;

(3) The later of the last day of the month in which the recipient attains the applicable age, or the last day of the month in which the benefit period ends as follows:

Attained Age at		Benefit Period
Effective Date of		
Disability Allowance		
60 or 61	60 months	
62 or 63	48 months	
64 or 65	36 months	
66, 67, or 68	24 months	
69 or older	12 months	

The applicable age is sixty-five if the member is described in division (A) of section 145.32 or division (A) of section 145.332 of the Revised Code. It is sixty-six if the member is described in division (B) of section 145.32 or division (B) of section 145.332 of the Revised Code. It is sixty-seven if the member is described in division (C) of section 145.32 or division (C) of section 145.332 of the Revised Code.

state teachers retirement system.	15112
(B)(1) Subject to this section and section 145.381 of the	15113
Revised Code, a PERS retirant or other system retirant may be	15114
employed by a public employer. If so employed, the PERS retirant	15115

retirement board of the employment or contract not later than the	15123
end of the month in which the employment or contract commences.	15124

Any overpayment of benefits to a PERS retirant by the retirement system resulting from delay or failure of the employer to give the notice shall be repaid to the retirement system by the employer.

(4)(a) A PERS retirant who has received a retirement allowance for less than two months when employment subject to this section commences shall forfeit the retirement allowance for any month the PERS retirant is employed prior to the expiration of the two-month period. Service and contributions for that period shall not be included in calculation of any benefits payable to the PERS retirant, and those contributions shall be refunded on the retirant's death or termination of the employment.

(b) An other system retirant who has received a retirement allowance or disability benefit for less than two months when employment subject to this section commences shall forfeit the retirement allowance or disability benefit for any month the other system retirant is employed prior to the expiration of the two-month period. services as an independent contractor pursuant to a contract with 15164
another public employer, shall forfeit the pension portion of the 15165
retirement benefit for the period beginning the first day of the 15166
month following the month in which the services begin and ending 15167
on the first day of the month following the month in which the 15168
services end. The annuity portion of the retirement allowance 15169
shall be suspended on the day services under the contract begin 15170
and shall accumulate to the credit of the retirant to be paid in a 15171
single payment after services provided under the contract 15172
terminate. A PERS retirant subject to division (B)(6) of this 15173
section shall not contribute to the retirement system and shall 15174
not become a member of the system. 15175

(7) As used in this division, "employment" includes service 15176

(2) A PERS retirant who is subject to this division is a member of the public employees retirement system with all the rights, privileges, and obligations of membership, except that the membership does not include survivor benefits provided pursuant to section 145.45 of the Revised Code or, beginning on the ninetieth day after September 14, 2000, any amount calculated under section 145.401 of the Revised Code. The pension portion of the PERS retirant's retirement allowance shall be forfeited until the first day of the first month following termination of the employment. The annuity portion of the retirement allowance shall accumulate to the credit of the PERS retirant to be paid in a single payment after termination of the employment. (3) This division does not apply to any of the following:	15213
(a) A PERS retirant elected to office who, at the time of the election for the retirant's current term, was not retired but, not less than ninety days prior to the primary election for the term or the date on which a primary for the term would have been held,	15214 15215 15216 15217

filed a written declaration of intent to retire before the end of 15218
the term with the director of the board of elections of the county 15219
in which petitions for nomination or election to the office are 15220
filed; 15221

(b) A PERS retirant elected to office who, at the time of the 15222
election for the retirant's current term, was a retirant and had 15223
been retired for not less than ninety days; 15224

(D)(1) Except as provided in division (C) of this section, a 15229
PERS retirant or other system retirant subject to this section is 15230
not a member of the public employees retirement system, and, 15231
except as specified in this section does not have any of the 15232
rights, privileges, or obligations of membership. Except as 15233
specified in division (D)(2) of this section, the retirant is not 15234
eligible to receive health, medical, hospital, or surgical 15235
benefits under section 145.58 of the Revised Code for employment 15236
subject to this section. 15237

(2) A PERS retirant subject to this section shall receive 15238
primary health, medical, hospital, or surgical insurance coverage 15239
from the retirant's employer, if the employer provides coverage to 15240
other employees performing comparable work. Neither the employer 15241
nor the PERS retirant may waive the employer's coverage, except 15242
that the PERS retirant may waive the employer's coverage if the 15243
retirant has coverage comparable to that provided by the employer 15244
from a source other than the employer or the public employees 15245
retirement system. If a claim is made, the employer's coverage 15246
shall be the primary coverage and shall pay first. The benefits 15247
provided under section 145.58 of the Revised Code shall pay only 15248
those medical expenses not paid through the employer's coverage or 15249

coverage the PERS retirant receives through a source other than 15250

(E) If the disability benefit of an other system retirant 15252
employed under this section is terminated, the retirant shall 15253
become a member of the public employees retirement system, 15254
effective on the first day of the month next following the 15255
termination with all the rights, privileges, and obligations of 15256

disability benefit, earns two years of service credit under this 15258
system or under the Ohio police and fire pension fund, state 15259
teachers retirement system, school employees retirement system, or 15260
state highway patrol retirement system, the person's prior 15261
contributions as an other system retirant under this section shall 15262
be included in the person's total service credit as a public 15263
employees retirement system member, and the person shall forfeit 15264
all rights and benefits of this section. Not more than one year of 15265
credit may be given for any period of twelve months. 15266

(F) This section does not affect the receipt of benefits by 15267
or eligibility for benefits of any person who on August 20, 1976, 15268
was receiving a disability benefit or service retirement pension 15269
or allowance from a state or municipal retirement system in Ohio 15270
and was a member of any other state or municipal retirement system 15271
of this state. 15272

(G) The public employees retirement board may adopt rules to 15273
carry out this section. 15274

Sec. 145.39. Whenever the limits established by section 415 15275
of the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 15276
U.S.C.A. 415, as amended, are raised, the public employees 15277
retirement board shall increase the amount of the pension, 15278
benefit, or allowance of any person whose pension, benefit, or 15279
allowance payable under section 145.323, 145.33, 145.331, 145.332, 15280

145.335, 145.36, or 145.361 or former section 145.34 of the Revised Code was limited by the application of section 415. The amount of the increased pension, benefit, or allowance shall not exceed the lesser of the amount the person would have received if the limits established by section 415 had not been applied or the amount the person is eligible to receive subject to the new limits established by section 415.

Sec. 145.41. Membership shall cease upon refund of accumulated contributions, death, or retirement except as provided in section 145.362 of the Revised Code. A member who separates from service for any reason other than death or retirement or who otherwise ceases to be a public employee for any reason other than death or retirement may leave the member's accumulated contributions on deposit with the public employees retirement board and, for the purposes of the public employees retirement system, be considered on a membership leave of absence. The member's membership rights shall continue until the member has withdrawn the member's accumulated contributions, retired on a retirement allowance as provided in section 145.33, 145.331, ~~or~~ 145.332, or 145.335 of the Revised Code, or died. The account of such a member shall remain in the employees' savings fund, except that the account of a member who has less than five calendar years of contributing service credit or is a member of the state teachers retirement system or the school employees retirement system may be transferred to the income fund if by the end of the fifth calendar year following the calendar year in which the last contribution was received the member has not died, claimed a refund of contributions, or requested the retirement board to continue the member's membership on a leave of absence basis. In case such a member later requests a refund, the member's account shall be restored to the employees' savings account and refunded therefrom. Members on such leaves of absence shall retain all

rights, obligations, and privileges of membership in the public 15313
employees retirement system. A "contributor," as defined in 15314
division (F) of section 145.01 of the Revised Code, who formerly 15315
lost membership through termination of membership leave of absence 15316
and who has not withdrawn the contributor's account shall be 15317
reinstated as a member with all the rights, privileges, and 15318
obligations of membership in the system. In no case shall a member 15319
on leave of absence as provided in this section add to the 15320
member's total number of years of service credit by reason of such 15321
leave of absence, unless such member is eligible to and does make 15322
a payment as provided in section 145.291 of the Revised Code. 15323

Sec. 145.45. Except as provided in division (C)(1) of this 15324
section, in lieu of accepting the payment of the accumulated 15325
account of a member who dies before service retirement, a 15326
beneficiary, as determined in this section or section 145.43 of 15327
the Revised Code, may elect to forfeit the accumulated 15328
contributions and to substitute certain other benefits under 15329
division (A) or (B) of this section. 15330

(A)(1) Except as provided in division (A)(3) of this section, 15331
if a deceased member was eligible for a service retirement benefit 15332
as provided in section 145.33, 145.331, ~~or 145.332,~~ or 145.335 of 15333
the Revised Code, a surviving spouse or other sole dependent 15334
beneficiary may elect to receive a monthly benefit computed as a 15335
joint-life plan under which the spouse or beneficiary receives one 15336
hundred per cent of the actuarial equivalent of the deceased 15337
member's lesser retirement allowance payable for the member's 15338
life, which the member would have received had the member retired 15339
on the last day of the month of death and had the member at that 15340
time selected such a plan. Payment shall begin with the month 15341
subsequent to the member's death, except that a surviving spouse 15342
who is less than sixty-five years old may defer receipt of such 15343
benefit. Upon receipt, the benefit shall be calculated based upon 15344

the spouse's age at the time of first payment, and shall accrue 15345
regular interest during the time of deferral. 15346

(2) Except as provided in division (A)(3) of this section, a 15347
surviving spouse or other sole dependent beneficiary may elect, in 15348
lieu of a monthly payment under division (A)(1) of this section, a 15349
plan of payment consisting of both of the following: 15350

(a) A lump sum in an amount the surviving spouse or other 15351
sole dependent beneficiary designates that constitutes a portion 15352
of the allowance that would be payable under division (A)(1) of 15353
this section; 15354

(b) The remainder of that allowance in monthly payments. 15355

The total amount paid as a lump sum and a monthly benefit 15356
shall be the actuarial equivalent of the amount that would have 15357
been paid had the lump sum not been selected. 15358

The lump sum amount designated by the surviving spouse or 15359
other sole dependent beneficiary under division (A)(2)(a) of this 15360
section shall be not less than six times and not more than 15361
thirty-six times the monthly amount that would be payable to the 15362
surviving spouse or other sole dependent beneficiary under 15363
division (A)(1) of this section and shall not result in a monthly 15364
payment that is less than fifty per cent of that monthly amount. 15365

(3) If the monthly amount of the single lifetime allowance of 15366
a member who dies on or after ~~the effective date of this amendment~~ 15367
March 22, 2019, would be less than fifty dollars, a benefit under 15368
division (A)(1) or (2) of this section shall be the greater of the 15369
following: 15370

(a) The amount payable under section 145.43 of the Revised 15371
Code as a refund of the member's accumulated contributions; 15372

(b) An amount equal to the actuarial present value of the 15373
member's retirement allowance as determined by the public 15374

employees retirement system.			15375
(B) If a deceased member had, except as provided in division			15376
(B)(7) of this section, at least one and one-half years of			15377
contributing service credit, with, except as provided in division			15378
(B)(7) of this section, at least one-quarter year of contributing			15379

of death, or was receiving at the time of death a disability			15381
benefit as provided in section 145.36, 145.361, or 145.37 of the			15382
Revised Code, qualified survivors who elect to receive monthly			15383
benefits shall receive the greater of the benefits provided in			15384
division (B)(1)(a) or (b) and (4) of this section as allocated in			15385

(3) "Physically or mentally incompetent" as used in this section may be determined by a court of jurisdiction, or by a physician appointed by the retirement board. Incapability of making a living because of a physically or mentally disabling condition shall meet the qualifications of this division.

(4) Benefits to a qualified survivor shall terminate upon ceasing to meet eligibility requirements as provided in this division, a first marriage, abandonment, adoption, or during active military service. Benefits to a deceased member's surviving spouse that were terminated under a former version of this section that required termination due to remarriage and were not resumed prior to September 16, 1998, shall resume on the first day of the month immediately following receipt by the board of an application on a form provided by the board.

Benefits to a qualified child who is at least eighteen years of age but under twenty-two years of age that under a former version of this section never commenced or were terminated due to a lack of attendance at an institution of learning or training and not commenced or resumed before April 6, 2017, shall commence or resume on the first day of the month immediately following receipt by the board of an application on a form provided by the board if the application is received on or before the date that is one year after April 6, 2017. These benefits terminate on the child attaining twenty-two years of age.

Upon the death of any subsequent spouse who was a member of the public employees retirement system, state teachers retirement system, or school employees retirement system, the surviving spouse of such member may elect to continue receiving benefits under this division, or to receive survivor's benefits, based upon the subsequent spouse's membership in one or more of the systems, for which such surviving spouse is eligible under this section or section 3307.66 or 3309.45 of the Revised Code. If the surviving

spouse elects to continue receiving benefits under this division, 15469
such election shall not preclude the payment of benefits under 15470
this division to any other qualified survivor. 15471

Benefits shall begin or resume on the first day of the month 15472
following the attainment of eligibility and shall terminate on the 15473

(5)(a) If a benefit is payable under division (B)(1)(a) of 15475
this section, benefits to a qualified spouse shall be paid in the 15476
amount determined for the first qualifying survivor in division 15477
(B)(1)(a) of this section. All other qualifying survivors shall 15478
share equally in the benefit or remaining portion thereof. 15479

(b) All qualifying survivors shall share equally in a benefit 15480
payable under division (B)(1)(b) of this section, except that if 15481
there is a surviving spouse, the surviving spouse shall receive 15482
not less than the amount determined for the first qualifying 15483
survivor in division (B)(1)(a) of this section. 15484

(6) The beneficiary of a member who is also a member of the 15485
state teachers retirement system or of the school employees 15486
retirement system, must forfeit the member's accumulated 15487
contributions in those systems and in the public employees 15488
retirement system, if the beneficiary takes a survivor benefit. 15489
Such benefit shall be exclusively governed by section 145.37 of 15490
the Revised Code. 15491

(7) The following restrictions do not apply if the deceased 15492
member was contributing toward benefits under section 145.332 of 15493
the Revised Code at the time of death: 15494

(a) That the deceased member have had at least one and 15495
one-half years of contributing service credit, with at least 15496
one-quarter year of contributing service within the two and 15497
one-half years prior to the date of death; 15498

(b) If the deceased member was killed in the line of duty, 15499

that the deceased member have had ten or more years of Ohio 15500
service credit as described in division (B)(2)(a)(i) of this 15501
section. 15502

For the purposes of division (B)(7)(b) of this section, 15503
"killed in the line of duty," means either that death occurred in 15504
the line of duty or that death occurred as a result of injury 15505
sustained in the line of duty. 15506

(C)(1) Regardless of whether the member is survived by a 15507
spouse or designated beneficiary, if the public employees 15508
retirement system receives notice that a deceased member described 15509
in division (A) or (B) of this section has one or more qualified 15510
children, all persons who are qualified survivors under division 15511
(B) of this section shall receive monthly benefits as provided in 15512
division (B) of this section. 15513

If, after determining the monthly benefits to be paid under 15514
division (B) of this section, the system receives notice that 15515
there is a qualified survivor who was not considered when the 15516
determination was made, the system shall, notwithstanding section 15517
145.561 of the Revised Code, recalculate the monthly benefits with 15518
that qualified survivor included, even if the benefits to 15519
qualified survivors already receiving benefits are reduced as a 15520
result. The benefits shall be calculated as if the qualified 15521
survivor who is the subject of the notice became eligible on the 15522
date the notice was received and shall be paid to qualified 15523
survivors effective on the first day of the first month following 15524
the system's receipt of the notice. 15525

If the retirement system did not receive notice that a 15526
deceased member has one or more qualified children prior to making 15527
payment under section 145.43 of the Revised Code to a beneficiary 15528
as determined by the retirement system, the payment is a full 15529
discharge and release of the system from any future claims under 15530
this section or section 145.43 of the Revised Code. 15531

(2) If benefits under division (C)(1) of this section to all persons, or to all persons other than a surviving spouse or other sole beneficiary, terminate, there are no children under the age of twenty-two years, and the surviving spouse or beneficiary qualifies for benefits under division (A) of this section, the surviving spouse or beneficiary may elect to receive benefits under division (A) of this section. The benefits shall be effective on the first day of the month immediately following the termination.

(D) The final average salary used in the calculation of a benefit payable pursuant to division (A) or (B) of this section to a survivor or beneficiary of a disability benefit recipient shall be adjusted for each year between the disability benefit's effective date and the recipient's date of death by the lesser of three per cent or the actual average percentage increase in the consumer price index prepared by the United States bureau of labor statistics (U.S. city average for urban wage earners and clerical workers: "all items 1982-84=100").

(E) If the survivor benefits due and paid under this section are in a total amount less than the member's accumulated account that was transferred from the public employees' savings fund to the survivors' benefit fund, then the difference between the total amount of the benefits paid shall be paid to the beneficiary under section 145.43 of the Revised Code.

Sec. 145.46. (A) A retirement allowance calculated under section 145.33, 145.331, ~~or 145.332~~, or 145.335 of the Revised Code shall be paid as provided in this section.

Unless the member is required by division (C) of this section to select a specified plan of payment, a member may elect a plan of payment as provided in division (B)(1), (2), or (3) of this section. An election shall be made at the time the member makes

application for retirement and on a form provided by the public 15563
employees retirement board. A plan of payment elected under this 15564
section shall be effective only if approved by the board, which 15565
shall approve it only if it is certified by an actuary engaged by 15566
the board to be the actuarial equivalent of the retirement 15567
allowance calculated under section 145.33, 145.331, ~~or~~ 145.332, or 15568
145.335 of the Revised Code. 15569

(B) The following plans of payment shall be offered by the 15570
public employees retirement system: 15571

(1) "Joint-life plan," an allowance that consists of the 15572
actuarial equivalent of the member's retirement allowance 15573
determined under section 145.33, 145.331, ~~or~~ 145.332, or 145.335 15574
of the Revised Code in a lesser amount payable for life and 15575
one-half or some other portion equal to ten per cent or more of 15576
the allowance continuing after death to the member's designated 15577
beneficiary for the beneficiary's life. The beneficiary shall be 15578
nominated by written designation filed with the retirement board. 15579
The amount payable to the beneficiary shall not exceed the amount 15580
payable to the member. 15581

(2) "Single-life plan," the member's retirement allowance 15582
determined under section 145.33, 145.331, ~~or~~ 145.332, or 145.335 15583
of the Revised Code; 15584

(3) "Multiple-life plan," an allowance that consists of the 15585
actuarial equivalent of the member's retirement allowance 15586
determined under section 145.33, 145.331, ~~or~~ 145.332, or 145.335 15587
of the Revised Code in a lesser amount payable to the retirant for 15588
life and some portion of the lesser amount continuing after death 15589
to two, three, or four surviving beneficiaries designated at the 15590
time of the member's retirement. Unless required under division 15591
(C) of this section, no portion allocated under this plan of 15592
payment shall be less than ten per cent. The total of the portions 15593
allocated shall not exceed one hundred per cent of the member's 15594

lesser allowance. 15595

(C) A member shall select a plan of payment as follows: 15596

(1) Subject to division (C)(2) of this section, if the member 15597
is married at the time of retirement, the member shall select a 15598
joint-life plan and receive a plan of payment that consists of the 15599
actuarial equivalent of the member's retirement allowance 15600
determined under section 145.33, 145.331, ~~or 145.332~~, or 145.335 15601
of the Revised Code in a lesser amount payable for life and 15602
one-half of such allowance continuing after death to the member's 15603
surviving spouse for the life of the spouse. A married member is 15604
not required to select this plan of payment if the member's spouse 15605
consents in writing to the member's election of a plan of payment 15606
other than described in this division or the board waives the 15607
requirement that the spouse consent; 15608

(2) If prior to the effective date of the member's 15609
retirement, the public employees retirement board receives a copy 15610
of a court order issued under section 3105.171 or 3105.65 of the 15611
Revised Code or the laws of another state regarding division of 15612
marital property the board shall accept the member's election of a 15613
plan of payment under this section only if the member complies 15614
with both of the following: 15615

(a) The member elects a plan of payment that is in accordance 15616
with the order. 15617

(b) If the member is married, the member elects a 15618
multiple-life plan and designates the member's current spouse as a 15619
beneficiary under that plan unless that spouse consents in writing 15620
to not being designated a beneficiary under any plan of payment or 15621
the board waives the requirement that the current spouse consent. 15622

(D) An application for retirement shall include an 15623
explanation of all of the following: 15624

(1) That, if the member is married, unless the spouse 15625

consents to another plan of payment or there is a court order 15626
dividing marital property issued under section 3105.171 or 3105.65 15627
of the Revised Code or the laws of another state regarding the 15628
division of marital property that provides for payment in a 15629
specified amount, the member's retirement allowance will be paid 15630
under a joint-life plan and consist of the actuarial equivalent of 15631
the member's retirement allowance in a lesser amount payable for 15632
life and one-half of the allowance continuing after death to the 15633
surviving spouse for the life of the spouse; 15634

(2) A description of the alternative plans of payment, 15635
including all plans described in division (B) of this section, 15636
available with the consent of the spouse; 15637

(3) That the spouse may consent to another plan of payment 15638
and the procedure for giving consent; 15639

(4) That consent is irrevocable once notice of consent is 15640
filed with the board. 15641

Consent shall be valid only if it is signed, in writing, and 15642
witnessed by a notary public. The board may waive the requirement 15643
of consent if the spouse is incapacitated or cannot be located or 15644
for any other reason specified by the board. Consent or waiver is 15645
effective only with regard to the spouse who is the subject of the 15646
consent or waiver. 15647

(E)(1) Beginning on a date selected by the retirement board, 15648
which shall be not later than July 1, 2004, a member may elect to 15649
receive a retirement allowance under a plan of payment consisting 15650
of both a lump sum in an amount the member designates that 15651
constitutes a portion of the member's retirement allowance under a 15652
plan described in division (B) of this section and the remainder 15653
as a monthly allowance under that plan. 15654

The total amount paid as a lump sum and a monthly benefit 15655
shall be the actuarial equivalent of the amount that would have 15656

been paid had the lump sum not been selected. 15657

(2) The lump sum designated by a member shall be not less 15658
than six times and not more than thirty-six times the monthly 15659
amount that would be payable to the member under the plan of 15660
payment elected under division (B) of this section had the lump 15661
sum not been elected and shall not result in a monthly allowance 15662
that is less than fifty per cent of that monthly amount. 15663

(F) If the retirement allowances, as a single life annuity or 15664
payment plan as provided in this section, due and paid are in a 15665
total amount less than (1) the accumulated contributions, and (2) 15666
other deposits made by the member as provided by this chapter, 15667
standing to the credit of the member at the time of retirement, 15668
then the difference between the total amount of the allowances 15669
paid and the accumulated contributions and other deposits shall be 15670
paid to the beneficiary provided under division (D) of section 15671
145.43 of the Revised Code. 15672

(G)(1) The death of a spouse or any designated beneficiary 15673
following retirement shall cancel the portion of the plan of 15674
payment providing continuing lifetime benefits to the deceased 15675
spouse or deceased designated beneficiary. The retirant shall 15676
receive the actuarial equivalent of the retirant's single lifetime 15677
benefit, as determined by the board, based on the number of 15678
remaining beneficiaries, with no change in the amount payable to 15679
any remaining beneficiary. The change shall be effective the month 15680
following the date of death. 15681

(2) On divorce, annulment, or marriage dissolution, a 15682
retirant receiving a retirement allowance under a plan that 15683
provides for continuation of all or part of the allowance after 15684
death for the lifetime of the retirant's surviving spouse may, 15685
with the written consent of the spouse or pursuant to an order of 15686
the court with jurisdiction over the termination of the marriage, 15687
elect to cancel the portion of the plan providing continuing 15688

lifetime benefits to that spouse. The retirant shall receive the 15689
actuarial equivalent of the retirant's single lifetime benefit as 15690
determined by the retirement board based on the number of 15691
remaining beneficiaries, with no change in amount payable to any 15692
remaining beneficiary. The election shall be made on a form 15693
provided by the board and shall be effective the month following 15694
its receipt by the board. 15695

(H)(1) Following a marriage or remarriage, both of the 15696
following apply: 15697

(a) A retirant who is receiving the retirant's retirement 15698
allowance under a single-life plan may elect a new plan of payment 15699
under division (B)(1) of this section based on the actuarial 15700
equivalent of the retirant's single lifetime benefit as determined 15701
by the board. 15702

(b) A retirant who is receiving a retirement allowance 15703
pursuant to a plan of payment providing for payment to a former 15704
spouse pursuant to a court order described in division (C)(2) of 15705
this section may elect a new plan of payment in the form of a 15706
multiple-life plan based on the actuarial equivalent of the 15707
retirant's single lifetime retirement allowance as determined by 15708
the board if the new plan of payment elected does not reduce the 15709
payment to the former spouse. 15710

(2) If the marriage or remarriage occurs on or after June 6, 15711
2005, the election must be made not later than one year after the 15712
date of the marriage or remarriage. 15713

The plan elected under this division shall become effective 15714
on the date of receipt by the board of an application on a form 15715
approved by the board, but any change in the amount of the 15716
retirement allowance shall commence on the first day of the month 15717
following the effective date of the plan. 15718

(I) Any person who, prior to July 24, 1990, selected an 15719

request shall be promptly prepared and made available for 16402
inspection to the requester at all reasonable times during regular 16403
business hours. Subject to division (B)(8) of this section, upon 16404
request by any person, a public office or person responsible for 16405
public records shall make copies of the requested public record 16406
available to the requester at cost and within a reasonable period 16407
of time. If a public record contains information that is exempt 16408
from the duty to permit public inspection or to copy the public 16409
record, the public office or the person responsible for the public 16410
record shall make available all of the information within the 16411
public record that is not exempt. When making that public record 16412

public office or the person responsible for the public record 16414
shall notify the requester of any redaction or make the redaction 16415
plainly visible. A redaction shall be deemed a denial of a request 16416
to inspect or copy the redacted information, except if federal or 16417
state law authorizes or requires a public office to make the 16418
redaction. When the auditor of state receives a request to inspect 16419
or to make a copy of a record that was provided to the auditor of 16420
state for purposes of an audit, but the original public office has 16421
asserted to the auditor of state that the record is not a public 16422

record, the auditor of state may handle the requests by directing 16423
the requestor to the original public office that provided the 16424
record to the auditor of state. 16425

(2) To facilitate broader access to public records, a public 16426
office or the person responsible for public records shall organize 16427
and maintain public records in a manner that they can be made 16428
available for inspection or copying in accordance with division 16429
(B) of this section. A public office also shall have available a 16430
copy of its current records retention schedule at a location 16431
readily available to the public. If a requester makes an ambiguous 16432
or overly broad request or has difficulty in making a request for 16433
copies or inspection of public records under this section such 16434
that the public office or the person responsible for the requested 16435
public record cannot reasonably identify what public records are 16436
being requested, the public office or the person responsible for 16437
the requested public record may deny the request but shall provide 16438
the requester with an opportunity to revise the request by 16439
informing the requester of the manner in which records are 16440
maintained by the public office and accessed in the ordinary 16441
course of the public office's or person's duties. 16442

the public office or the person responsible for the requested 16444
public record shall provide the requester with an explanation, 16445
including legal authority, setting forth why the request was 16446
denied. If the initial request was provided in writing, the 16447
explanation also shall be provided to the requester in writing. 16448
The explanation shall not preclude the public office or the person 16449
responsible for the requested public record from relying upon 16450
additional reasons or legal authority in defending an action 16451
commenced under division (C) of this section. 16452

(4) Unless specifically required or authorized by state or 16453
federal law or in accordance with division (B) of this section, no 16454

public office or person responsible for public records may limit 16455
or condition the availability of public records by requiring 16456
disclosure of the requester's identity or the intended use of the 16457
requested public record. Any requirement that the requester 16458
disclose the requester's identity or the intended use of the 16459
requested public record constitutes a denial of the request. 16460

(5) A public office or person responsible for public records 16461
may ask a requester to make the request in writing, may ask for 16462
the requester's identity, and may inquire about the intended use 16463
of the information requested, but may do so only after disclosing 16464
to the requester that a written request is not mandatory, that the 16465
requester may decline to reveal the requester's identity or the 16466
intended use, and when a written request or disclosure of the 16467
identity or intended use would benefit the requester by enhancing 16468
the ability of the public office or person responsible for public 16469
records to identify, locate, or deliver the public records sought 16470
by the requester. 16471

(6) If any person requests a copy of a public record in 16472
accordance with division (B) of this section, the public office or 16473
person responsible for the public record may require the requester 16474
to pay in advance the cost involved in providing the copy of the 16475
public record in accordance with the choice made by the requester 16476
under this division. The public office or the person responsible 16477
for the public record shall permit the requester to choose to have 16478
the public record duplicated upon paper, upon the same medium upon 16479
which the public office or person responsible for the public 16480
record keeps it, or upon any other medium upon which the public 16481
office or person responsible for the public record determines that 16482
it reasonably can be duplicated as an integral part of the normal 16483
operations of the public office or person responsible for the 16484
public record. When the requester makes a choice under this 16485
division, the public office or person responsible for the public 16486

record shall provide a copy of it in accordance with the choice 16487
made by the requester. Nothing in this section requires a public 16488
office or person responsible for the public record to allow the 16489
requester of a copy of the public record to make the copies of the 16490
public record. 16491

(7)(a) Upon a request made in accordance with division (B) of 16492
this section and subject to division (B)(6) of this section, a 16493
public office or person responsible for public records shall 16494
transmit a copy of a public record to any person by United States 16495
mail or by any other means of delivery or transmission within a 16496
reasonable period of time after receiving the request for the 16497
copy. The public office or person responsible for the public 16498
record may require the person making the request to pay in advance 16499
the cost of postage if the copy is transmitted by United States 16500
mail or the cost of delivery if the copy is transmitted other than 16501
by United States mail, and to pay in advance the costs incurred 16502
for other supplies used in the mailing, delivery, or transmission. 16503

(b) Any public office may adopt a policy and procedures that 16504
it will follow in transmitting, within a reasonable period of time 16505
after receiving a request, copies of public records by United 16506
States mail or by any other means of delivery or transmission 16507
pursuant to division (B)(7) of this section. A public office that 16508
adopts a policy and procedures under division (B)(7) of this 16509
section shall comply with them in performing its duties under that 16510
division. 16511

(c) In any policy and procedures adopted under division 16512
(B)(7) of this section: 16513

(i) A public office may limit the number of records requested 16514
by a person that the office will physically deliver by United 16515
States mail or by another delivery service to ten per month, 16516
unless the person certifies to the office in writing that the 16517
person does not intend to use or forward the requested records, or 16518

the information contained in them, for commercial purposes; 16519

(ii) A public office that chooses to provide some or all of 16520
its public records on a web site that is fully accessible to and 16521
searchable by members of the public at all times, other than 16522

maintenance, and that charges no fee to search, access, download, 16524
or otherwise receive records provided on the web site, may limit 16525
to ten per month the number of records requested by a person that 16526
the office will deliver in a digital format, unless the requested 16527

certifies to the office in writing that the person does not intend 16529
to use or forward the requested records, or the information 16530
contained in them, for commercial purposes. 16531

investigation or prosecution or concerning what would be a 16541

investigation or prosecution were an adult, unless the request to 16543
inspect or to obtain a copy of the record is for the purpose of 16544
acquiring information that is subject to release as a public 16545
record under this section and the judge who imposed the sentence 16546
or made the adjudication with respect to the person, or the 16547
judge's successor in office, finds that the information sought in 16548
the public record is necessary to support what appears to be a 16549
justiciable claim of the person. 16550

promptly prepare a public record and to make it available to the 16589
person for inspection in accordance with division (B) of this 16590
section or by any other failure of a public office or the person 16591
responsible for public records to comply with an obligation in 16592
accordance with division (B) of this section, the person allegedly 16593
aggrieved may do only one of the following, and not both: 16594

(a) File a complaint with the clerk of the court of claims or 16595
the clerk of the court of common pleas under section 2743.75 of 16596
the Revised Code; 16597

(b) Commence a mandamus action to obtain a judgment that 16598
orders the public office or the person responsible for the public 16599
record to comply with division (B) of this section, that awards 16600
court costs and reasonable attorney's fees to the person that 16601
instituted the mandamus action, and, if applicable, that includes 16602
an order fixing statutory damages under division (C)(2) of this 16603
section. The mandamus action may be commenced in the court of 16604
common pleas of the county in which division (B) of this section 16605
allegedly was not complied with, in the supreme court pursuant to 16606
its original jurisdiction under Section 2 of Article IV, Ohio 16607
Constitution, or in the court of appeals for the appellate 16608
district in which division (B) of this section allegedly was not 16609
complied with pursuant to its original jurisdiction under Section 16610
3 of Article IV, Ohio Constitution. 16611

(2) If a requester transmits a written request by hand 16612
delivery, electronic submission, or certified mail to inspect or 16613

receive copies of any public record in a manner that fairly 16614
describes the public record or class of public records to the 16615
public office or person responsible for the requested public 16616
records, except as otherwise provided in this section, the 16617
requester shall be entitled to recover the amount of statutory 16618
damages set forth in this division if a court determines that the 16619
public office or the person responsible for public records failed 16620
to comply with an obligation in accordance with division (B) of 16621
this section. 16622

The amount of statutory damages shall be fixed at one hundred 16623
dollars for each business day during which the public office or 16624
person responsible for the requested public records failed to 16625
comply with an obligation in accordance with division (B) of this 16626
section, beginning with the day on which the requester files a 16627
mandamus action to recover statutory damages, up to a maximum of 16628
one thousand dollars. The award of statutory damages shall not be 16629
construed as a penalty, but as compensation for injury arising 16630
from lost use of the requested information. The existence of this 16631
injury shall be conclusively presumed. The award of statutory 16632
damages shall be in addition to all other remedies authorized by 16633
this section. 16634

The court may reduce an award of statutory damages or not 16635
award statutory damages if the court determines both of the 16636
following: 16637

(a) That, based on the ordinary application of statutory law 16638
and case law as it existed at the time of the conduct or 16639
threatened conduct of the public office or person responsible for 16640
the requested public records that allegedly constitutes a failure 16641
to comply with an obligation in accordance with division (B) of 16642
this section and that was the basis of the mandamus action, a 16643
well-informed public office or person responsible for the 16644
requested public records reasonably would believe that the conduct 16645

or threatened conduct of the public office or person responsible 16646
for the requested public records did not constitute a failure to 16647
comply with an obligation in accordance with division (B) of this 16648
section; 16649

(b) That a well-informed public office or person responsible 16650
for the requested public records reasonably would believe that the 16651
conduct or threatened conduct of the public office or person 16652
responsible for the requested public records would serve the 16653
public policy that underlies the authority that is asserted as 16654
permitting that conduct or threatened conduct. 16655

(3) In a mandamus action filed under division (C)(1) of this 16656
section, the following apply: 16657

(a)(i) If the court orders the public office or the person 16658
responsible for the public record to comply with division (B) of 16659
this section, the court shall determine and award to the relator 16660
all court costs, which shall be construed as remedial and not 16661
punitive. 16662

(ii) If the court makes a determination described in division 16663
(C)(3)(b)(iii) of this section, the court shall determine and 16664
award to the relator all court costs, which shall be construed as 16665
remedial and not punitive. 16666

(b) If the court renders a judgment that orders the public 16667
office or the person responsible for the public record to comply 16668
with division (B) of this section or if the court determines any 16669
of the following, the court may award reasonable attorney's fees 16670
to the relator, subject to division (C)(4) of this section: 16671

(i) The public office or the person responsible for the 16672
public records failed to respond affirmatively or negatively to 16673
the public records request in accordance with the time allowed 16674
under division (B) of this section. 16675

(ii) The public office or the person responsible for the 16676

public records promised to permit the relator to inspect or 16677
receive copies of the public records requested within a specified 16678
period of time but failed to fulfill that promise within that 16679
specified period of time. 16680

(iii) The public office or the person responsible for the 16681
public records acted in bad faith when the office or person 16682
voluntarily made the public records available to the relator for 16683
the first time after the relator commenced the mandamus action, 16684
but before the court issued any order concluding whether or not 16685
the public office or person was required to comply with division 16686
(B) of this section. No discovery may be conducted on the issue of 16687
the alleged bad faith of the public office or person responsible 16688
for the public records. This division shall not be construed as 16689
creating a presumption that the public office or the person 16690
responsible for the public records acted in bad faith when the 16691
office or person voluntarily made the public records available to 16692
the relator for the first time after the relator commenced the 16693
mandamus action, but before the court issued any order described 16694
in this division. 16695

(c) The court shall not award attorney's fees to the relator 16696
if the court determines both of the following: 16697

(i) That, based on the ordinary application of statutory law 16698
and case law as it existed at the time of the conduct or 16699
threatened conduct of the public office or person responsible for 16700
the requested public records that allegedly constitutes a failure 16701
to comply with an obligation in accordance with division (B) of 16702
this section and that was the basis of the mandamus action, a 16703
well-informed public office or person responsible for the 16704
requested public records reasonably would believe that the conduct 16705
or threatened conduct of the public office or person responsible 16706
for the requested public records did not constitute a failure to 16707
comply with an obligation in accordance with division (B) of this 16708

section; 16709

(ii) That a well-informed public office or person responsible 16710
for the requested public records reasonably would believe that the 16711
conduct or threatened conduct of the public office or person 16712
responsible for the requested public records would serve the 16713
public policy that underlies the authority that is asserted as 16714
permitting that conduct or threatened conduct. 16715

(4) All of the following apply to any award of reasonable 16716
attorney's fees awarded under division (C)(3)(b) of this section: 16717

(a) The fees shall be construed as remedial and not punitive. 16718

(b) The fees awarded shall not exceed the total of the 16719
reasonable attorney's fees incurred before the public record was 16720
made available to the relator and the fees described in division 16721
(C)(4)(c) of this section. 16722

(c) Reasonable attorney's fees shall include reasonable fees 16723
incurred to produce proof of the reasonableness and amount of the 16724
fees and to otherwise litigate entitlement to the fees. 16725

(d) The court may reduce the amount of fees awarded if the 16726
court determines that, given the factual circumstances involved 16727
with the specific public records request, an alternative means 16728
should have been pursued to more effectively and efficiently 16729
resolve the dispute that was subject to the mandamus action filed 16730
under division (C)(1) of this section. 16731

(5) If the court does not issue a writ of mandamus under 16732
division (C) of this section and the court determines at that time 16733
that the bringing of the mandamus action was frivolous conduct as 16734
defined in division (A) of section 2323.51 of the Revised Code, 16735
the court may award to the public office all court costs, 16736
expenses, and reasonable attorney's fees, as determined by the 16737
court. 16738

(D) Chapter 1347. of the Revised Code does not limit the 16739
provisions of this section. 16740

(E)(1) To ensure that all employees of public offices are 16741
appropriately educated about a public office's obligations under 16742
division (B) of this section, all elected officials or their 16743
appropriate designees shall attend training approved by the 16744
attorney general as provided in section 109.43 of the Revised 16745
Code. A future official may satisfy the requirements of this 16746
division by attending the training before taking office, provided 16747
that the future official may not send a designee in the future 16748
official's place. 16749

(2) All public offices shall adopt a public records policy in 16750
compliance with this section for responding to public records 16751
requests. In adopting a public records policy under this division, 16752
a public office may obtain guidance from the model public records 16753
policy developed and provided to the public office by the attorney 16754
general under section 109.43 of the Revised Code. Except as 16755
otherwise provided in this section, the policy may not limit the 16756
number of public records that the public office will make 16757
available to a single person, may not limit the number of public 16758
records that it will make available during a fixed period of time, 16759
and may not establish a fixed period of time before it will 16760
respond to a request for inspection or copying of public records, 16761
unless that period is less than eight hours. 16762

The public office shall distribute the public records policy 16763
adopted by the public office under this division to the employee 16764
of the public office who is the records custodian or records 16765
manager or otherwise has custody of the records of that office. 16766
The public office shall require that employee to acknowledge 16767
receipt of the copy of the public records policy. The public 16768
office shall create a poster that describes its public records 16769
policy and shall post the poster in a conspicuous place in the 16770

public office and in all locations where the public office has 16771
branch offices. The public office may post its public records 16772
policy on the internet web site of the public office if the public 16773
office maintains an internet web site. A public office that has 16774
established a manual or handbook of its general policies and 16775
procedures for all employees of the public office shall include 16776
the public records policy of the public office in the manual or 16777
handbook. 16778

(F)(1) The bureau of motor vehicles may adopt rules pursuant 16779
to Chapter 119. of the Revised Code to reasonably limit the number 16780
of bulk commercial special extraction requests made by a person 16781
for the same records or for updated records during a calendar 16782
year. The rules may include provisions for charges to be made for 16783
bulk commercial special extraction requests for the actual cost of 16784
the bureau, plus special extraction costs, plus ten per cent. The 16785
bureau may charge for expenses for redacting information, the 16786
release of which is prohibited by law. 16787

(2) As used in division (F)(1) of this section: 16788

(a) "Actual cost" means the cost of depleted supplies, 16789
records storage media costs, actual mailing and alternative 16790
delivery costs, or other transmitting costs, and any direct 16791
equipment operating and maintenance costs, including actual costs 16792
paid to private contractors for copying services. 16793

(b) "Bulk commercial special extraction request" means a 16794
request for copies of a record for information in a format other 16795
than the format already available, or information that cannot be 16796
extracted without examination of all items in a records series, 16797
class of records, or database by a person who intends to use or 16798
forward the copies for surveys, marketing, solicitation, or resale 16799
for commercial purposes. "Bulk commercial special extraction 16800
request" does not include a request by a person who gives 16801
assurance to the bureau that the person making the request does 16802

not intend to use or forward the requested copies for surveys, 16803
marketing, solicitation, or resale for commercial purposes. 16804

(c) "Commercial" means profit-seeking production, buying, or 16805
selling of any good, service, or other product. 16806

(d) "Special extraction costs" means the cost of the time 16807
spent by the lowest paid employee competent to perform the task, 16808
the actual amount paid to outside private contractors employed by 16809
the bureau, or the actual cost incurred to create computer 16810
programs to make the special extraction. "Special extraction 16811
costs" include any charges paid to a public agency for computer or 16812
records services. 16813

(3) For purposes of divisions (F)(1) and (2) of this section, 16814
"surveys, marketing, solicitation, or resale for commercial 16815
purposes" shall be narrowly construed and does not include 16816
reporting or gathering news, reporting or gathering information to 16817
assist citizen oversight or understanding of the operation or 16818
activities of government, or nonprofit educational research. 16819

(G) A request by a defendant, counsel of a defendant, or any 16820
agent of a defendant in a criminal action that public records 16821
related to that action be made available under this section shall 16822
be considered a demand for discovery pursuant to the Criminal 16823
Rules, except to the extent that the Criminal Rules plainly 16824
indicate a contrary intent. The defendant, counsel of the 16825
defendant, or agent of the defendant making a request under this 16826
division shall serve a copy of the request on the prosecuting 16827
attorney, director of law, or other chief legal officer 16828
responsible for prosecuting the action. 16829

(H)(1) Any portion of a body-worn camera or dashboard camera 16830
recording described in divisions (A)(17)(b) to (h) of this section 16831
may be released by consent of the subject of the recording or a 16832
representative of that person, as specified in those divisions, 16833

only if either of the following applies: 16834

(a) The recording will not be used in connection with any 16835
probable or pending criminal proceedings; 16836

(b) The recording has been used in connection with a criminal 16837
proceeding that was dismissed or for which a judgment has been 16838
entered pursuant to Rule 32 of the Rules of Criminal Procedure, 16839
and will not be used again in connection with any probable or 16840
pending criminal proceedings. 16841

(2) If a public office denies a request to release a 16842
restricted portion of a body-worn camera or dashboard camera 16843
recording, as defined in division (A)(17) of this section, any 16844
person may file a mandamus action pursuant to this section or a 16845
complaint with the clerk of the court of claims pursuant to 16846
section 2743.75 of the Revised Code, requesting the court to order 16847
the release of all or portions of the recording. If the court 16848
considering the request determines that the filing articulates by 16849
clear and convincing evidence that the public interest in the 16850
recording substantially outweighs privacy interests and other 16851
interests asserted to deny release, the court shall order the 16852
public office to release the recording. 16853

Sec. 151.01. (A) As used in sections 151.01 to 151.11 and 16854

For purposes of sections 122.085 to 122.0820 of the Revised Code, "costs of capital facilities" includes "allowable costs" as defined in section 122.085 of the Revised Code.

(5) "Credit enhancement facilities," "financing costs," and "interest" or "interest equivalent" have the same meanings as in section 133.01 of the Revised Code.

(6) "Debt service" means principal, including any mandatory sinking fund or redemption requirements for retirement of obligations, interest and other accreted amounts, interest equivalent, and any redemption premium, payable on obligations. facility under the laws of this state or granted by the bond 17120
proceedings. Those rights include the right to compel the 17121

issuing authority may, in addition to the authority referred to in 17140
division (B) of this section, authorize and provide for the 17141
issuance of: 17142

(a) Obligations in the form of bond anticipation notes, and 17143

the issuing authority and the state will do all things necessary 17152
for the issuance of bonds or renewal notes in such principal 17153
amount and upon such terms as may be necessary to provide moneys 17154
to pay when due the debt service on the notes, and apply their 17155
proceeds to the extent necessary, to make full and timely payment 17156
of debt service on the notes as provided in the applicable bond 17157
proceedings. In the bond proceedings authorizing the issuance of 17158
bond anticipation notes the issuing authority shall set forth for 17159
the bonds anticipated an estimated schedule of annual principal 17160
payments the latest of which shall be no later than provided in 17161
division (C) of this section. While the notes are outstanding 17162
there shall be deposited, as shall be provided in the bond 17163
proceedings for those notes, from the sources authorized for 17164
payment of debt service on the bonds, amounts sufficient to pay 17165
the principal of the bonds anticipated as set forth in that 17166
estimated schedule during the time the notes are outstanding, 17167
which amounts shall be used solely to pay the principal of those 17168
notes or of the bonds anticipated. 17169

retirement, and advance refunding with or without payment or 17171

including principal amounts maturing prior to the redemption of 17175
the remaining prior obligations, any redemption premium, and 17176
interest accrued or to accrue to the maturity or redemption date 17177
or dates, payable on the prior obligations, and related financing 17178
costs and any expenses incurred or to be incurred in connection 17179
with that issuance and refunding. Subject to the applicable bond 17180
proceedings, the portion of the proceeds of the sale of refunding 17181
obligations issued under division (J)(1)(b) of this section to be 17182
applied to debt service on the prior obligations shall be credited 17183

to an appropriate separate account in the bond service fund and 17184
held in trust for the purpose by the issuing authority or by a 17185
corporate trustee. Obligations authorized under this division 17186
shall be considered to be issued for those purposes for which the 17187
prior obligations were issued. 17188

(2) Except as otherwise provided in sections 151.01 to 151.11 17189
or 151.40 of the Revised Code, bonds or notes authorized pursuant 17190
to division (J) of this section are subject to the provisions of 17191
those sections pertaining to obligations generally. 17192

(3) The principal amount of refunding or renewal obligations 17193
issued pursuant to division (J) of this section shall be in 17194
addition to the amount authorized by the general assembly as 17195
referred to in division (B) of the following sections: section 17196

exemptions from taxation in Ohio as provided for in particular 17214
sections of the Ohio Constitution and section 5709.76 of the 17215

Revised Code apply to the obligations. 17216

(L)(1) Unless otherwise provided or provided for in any 17217
applicable bond proceedings, moneys to the credit of or in a 17218
special fund shall be disbursed on the order of the issuing 17219
authority. No such order is required for the payment, from the 17220

Revised Code. Moneys referred to in Section 5a of Article XII, 17233
Ohio Constitution, may not be pledged or used for the payment of 17234
debt service except on obligations referred to in section 151.06 17235
of the Revised Code. Net state lottery proceeds, as provided for 17236
and referred to in section 3770.06 of the Revised Code, may not be 17237
pledged or used for the payment of debt service except on 17238
obligations referred to in section 151.03 of the Revised Code. The 17239
state covenants, and that covenant shall be controlling 17240

of debt service and financing costs in accordance with sections 17254
151.01 to 151.11 of the Revised Code and the bond proceedings. 17255

(N) The general assembly may from time to time repeal or 17256
reduce any excise, tax, or other source of revenue pledged to the 17257
payment of the debt service pursuant to Section 2k, 2l, 2m, 2n, 17258
2o, 2p, 2q, 2s, or 15 of Article VIII, Ohio Constitution, and 17259
sections 151.01 to 151.11 or 151.40 of the Revised Code, and may 17260
levy, collect and apply any new or increased excise, tax, or 17261

section 151.06 of the Revised Code and except net state lottery 17267
proceeds for other than obligations referred to in section 151.03 17268
of the Revised Code. Nothing in division (N) of this section 17269
authorizes any impairment of the obligation of this state to levy 17270
and collect sufficient excises, taxes, and revenues to pay debt 17271
service on obligations outstanding in accordance with their terms. 17272

pledged to the payment of debt service on the applicable 17274
obligations. Payment of that debt service shall be made or 17275
provided for by the issuing authority in accordance with the bond 17276
proceedings without necessity for any act of appropriation. The 17277
bond proceedings may provide for the establishment of separate 17278
accounts in the bond service fund and for the application of those 17279

accounts only to debt service on specific obligations, and for 17280
other accounts in the bond service fund within the general 17281
purposes of that fund. 17282

(P) Subject to the bond proceedings pertaining to any 17283
obligations then outstanding in accordance with their terms, the 17284
issuing authority may in the bond proceedings pledge all, or such 17285
portion as the issuing authority determines, of the moneys in the 17286
bond service fund to the payment of debt service on particular 17287

service on the respective obligations and any related financing 17294
costs payable from the applicable bond service fund and not from 17295
the proceeds of refunding or renewal obligations. The issuing 17296
authority shall make or cause to be made supplemental 17297
certifications to the office of budget and management for each 17298
debt service payment date and at such other times during each 17299
fiscal year as may be provided in the bond proceedings or 17300
requested by that office. Debt service, costs of credit 17301
enhancement facilities, and other financing costs shall be set 17302
forth separately in each certification. If and so long as the 17303
moneys to the credit of the bond service fund, together with any 17304
other moneys available for the purpose, are insufficient to meet 17305
in full all payments when due of the amount required as stated in 17306
the certificate or otherwise, the office of budget and management 17307
shall at the times as provided in the bond proceedings, and 17308
consistent with any particular provisions in sections 151.03 to 17309
151.11 and 151.40 of the Revised Code, transfer a sufficient 17310
amount to the bond service fund from the pledged revenues in the 17311

case of obligations issued pursuant to section 151.40 of the Revised Code, and in the case of other obligations from the revenues derived from excises, taxes, and other revenues, including net state lottery proceeds in the case of obligations referred to in section 151.03 of the Revised Code.

issuing authority, by a trust agreement between the state and a 17454

owner or its representatives and the bidder whose bid the owner 17499
accepts and with respect to whom the owner subsequently awards and 17500
executes a contract. The public owners referred to in this section 17501
shall include, in the plans and specifications for the project for 17502
which bids are solicited, the estimate of cost. The bid for which 17503
the award is to be made shall be opened at the time and place 17504
named in the advertisement for bids, unless extended by the owner 17505
or its representative or unless, within seventy-two hours prior to 17506

Sundays, and legal holidays, any modification of the plans or 17508
specifications and estimates of cost for the project for which 17509

persons who have obtained plans or specifications for the project, 17511
for which the time for opening of bids shall be extended one week, 17512
with no further advertising of bids required. The contractor, upon 17513
request, is entitled to a notice to proceed with the work by the 17514
owner or its representative upon execution of the contract. No 17515
contract to which this section applies shall be entered into if 17516

contracts where the total price of all contracts for the project, 17518
is in excess of ten per cent, in the case of a contract made by 17519
the state or a public board, commission, authority, or 17520
instrumentality of the state, or twenty per cent, in the case of a 17521
contract made by a county, township, municipal corporation, school 17522
district, special purpose district, or other political subdivision 17523
or a public board, commission, authority, or instrumentality of 17524
the political subdivision, above the entire estimate thereof, nor 17525
shall the entire cost of the construction, reconstruction, repair, 17526
painting, decorating, improvement, alteration, addition, or 17527
installation, including changes and estimates of expenses for 17528
architects or engineers, exceed in the aggregate the amount 17529
authorized by law. 17530

The unit or lump sum price stated in the contract shall be 17531

used in determining the amount to be paid and shall constitute 17532
full and final compensation for all the work. 17533

Partial payment to the contractor for work performed under 17534
the lump sum price shall be based on a schedule prepared by the 17535
contractor and approved by the architect or engineer who shall 17536
apportion the lump sum price to the major components entering into 17537
or forming a part of the work under the lump sum price. 17538

Partial payments to the contractor for labor performed under 17539
either a unit or lump sum price contract shall be made at the rate 17540
of ninety-two per cent of the estimates prepared by the contractor 17541
and approved by the architect or engineer. All labor performed 17542
after the job is fifty per cent completed shall be paid for at the 17543
rate of one hundred per cent of the estimates submitted by the 17544
contractor and approved by the architect or engineer. 17545

The amounts and time of payments of any public improvements 17546
contract made by the state or any county, township, municipal 17547
corporation, school district, or other political subdivision, or 17548
any public board, commission, authority, instrumentality, or 17549
special purpose district of or in the state or a political 17550
subdivision or that is authorized by state law, except as provided 17551
in section 5525.19 of the Revised Code, shall be governed by this 17552
section and sections 153.13 and 153.14 of the Revised Code. If the 17553
time for awarding the contract is extended by mutual consent, or 17554
if the owner or its representative fails to issue a timely notice 17555
to proceed as required by this section, the owner or its 17556
representative shall issue a change order authorizing delay costs 17557
to the contractor, which does not invalidate the contract. The 17558
amount of such a change order to the owner shall be determined in 17559
accordance with the provisions of the contract for change orders 17560
or force accounts or, if no such provision is set forth in the 17561
contract, the cost to the owner shall be the contractor's actual 17562
costs including wages, labor costs other than wages, wage taxes, 17563

materials, equipment costs and rentals, insurance, and 17564
subcontracts attributable to the delay, plus a reasonable sum for 17565
overhead. In the event of a dispute between the owner and the 17566
contractor concerning such change order, procedures shall be 17567
commenced under the applicable terms of the contract, or, if the 17568
contract contains no provision for resolving the dispute, it shall 17569
be resolved pursuant to the procedures for arbitration in Chapter 17570
2711. of the Revised Code, except as provided in division (B) of 17571
this section. Nothing in this division shall be construed as a 17572
limitation upon the authority of the director of transportation 17573
granted in Chapter 5525. of the Revised Code. 17574

(B) If a dispute arises between the state and a contractor 17575
concerning the terms of a public improvement contract let by the 17576
state or concerning a breach of the contract, and after 17577
administrative remedies provided for in such contract and any 17578
alternative dispute resolution procedures provided in accordance 17579
with guidelines established by the executive director of the Ohio 17580
facilities construction commission are exhausted, the contractor 17581
may bring an action to the court of claims in accordance with 17582
Chapter 2743. of the Revised Code. The state or the contractor may 17583
request the chief justice of the supreme court to appoint a 17584
referee or panel of referees in accordance with division (C)(3) of 17585
section 2743.03 of the Revised Code. As used in this division, 17586
"dispute" means a disagreement between the state and the 17587
contractor concerning a public improvement contract let by the 17588
state. 17589

Sec. 153.17. (A) When in the opinion of the owner referred to 17590
in section 153.01 of the Revised Code, the work under any contract 17591
made under any law of the state is neglected by the contractor or 17592
such work is not prosecuted with the diligence and force specified 17593
or intended in the contract, such owner may make requisition upon 17594
the contractor for such additional specific force or materials to 17595

be brought into the work under such contract or to remove improper materials from the grounds as in their judgment the contract and its faithful fulfillment requires.

Not less than five days' notice in writing of such action shall be served upon the contractor or the contractor's agent in charge of the work. If the contractor fails to comply with such requisition within fifteen days, such owner with the written consent of the Ohio facilities construction commission, may employ upon the work the additional force, or supply the special materials or such part of either as is considered proper, and may remove improper materials from the grounds.

(B) When the original contractor has defaulted on a contract and the surety has declined to take over the project, the owner may contract with one or more takeover contractors to complete work that was not finished because of the default of the original contractor. The owner may enter into a contract with a takeover contractor without competitive bidding or controlling board approval. ~~Upon execution of a takeover contract, the owner shall notify the director of budget and management.~~

When the owner has taken over a project after a default has occurred, any moneys that the owner receives from the surety as a settlement for completion of the project shall be deposited in the original fund from which the capital appropriation for the project was made. The executive director, without controlling board approval, may authorize specified additional uses for the moneys related to completion of the project and may increase the appropriation authority in the appropriation line item used to fund the project by an amount equal to the moneys received from the surety.

Sec. 153.54. (A) Except with respect to a contract described in section 9.334 or 153.693 of the Revised Code, each person

bidding for a contract with the state or any political 17627
subdivision, district, institution, or other agency thereof, 17628
excluding therefrom the department of transportation, for any 17629
public improvement shall file with the bid, a bid guaranty in the 17630
form of either: 17631

(1) A bond in accordance with division (B) of this section 17632
for the full amount of the bid; 17633

(2) A certified check, cashier's check, or letter of credit 17634
pursuant to Chapter 1305. of the Revised Code, in accordance with 17635
division (C) of this section. Any such letter of credit is 17636
revocable only at the option of the beneficiary state, political 17637
subdivision, district, institution, or agency. The amount of the 17638
certified check, cashier's check, or letter of credit shall be 17639
equal to ten per cent of the bid. 17640

(B) A bid guaranty filed pursuant to division (A)(1) of this 17641
section shall be conditioned to: 17642

(1) Provide that, if the bid is accepted, the bidder, after 17643
the awarding or the recommendation for the award of the contract, 17644
whichever the contracting authority designates, will enter into a 17645
proper contract in accordance with the bid, plans, details, and 17646
specifications. If for any reason, other than as authorized by 17647
section 9.31 of the Revised Code or division (G) of this section, 17648
the bidder fails to enter into the contract, and the contracting 17649
authority awards the contract to the next lowest bidder, the 17650
bidder and the surety on the bidder's bond are liable to the 17651
state, political subdivision, district, institution, or agency for 17652
the difference between the bid and that of the next lowest bidder, 17653
or for a penal sum not to exceed ten per cent of the amount of the 17654
bond, whichever is less. If the state, political subdivision, 17655
district, institution, or agency does not award the contract to 17656
the next lowest bidder but resubmits the project for bidding, the 17657
bidder failing to enter into the contract and the surety on the 17658

bidder's bond, except as provided in division (G) of this section, 17659
are liable to the state, political subdivision, district, 17660
institution, or agency for a penal sum not to exceed ten per cent 17661
of the amount of the bid or the costs in connection with the 17662
resubmission of printing new contract documents, required 17663
advertising, and printing and mailing notices to prospective 17664
bidders, whichever is less. 17665

(2) Indemnify the state, political subdivision, district, 17666
institution, or agency against all damage suffered by failure to 17667
perform the contract according to its provisions and in accordance 17668
with the plans, details, and specifications therefor and to pay 17669
all lawful claims of subcontractors, material suppliers, and 17670
laborers for labor performed or material furnished in carrying 17671
forward, performing, or completing the contract; and agree and 17672
assent that this undertaking is for the benefit of any 17673
subcontractor, material supplier, or laborer having a just claim, 17674
as well as for the state, political subdivision, district, 17675
institution, or agency. 17676

(C)(1) A bid guaranty filed pursuant to division (A)(2) of 17677
this section shall be conditioned to provide that if the bid is 17678
accepted, the bidder, after the awarding or the recommendation for 17679
the award of the contract, whichever the contracting authority 17680
designates, will enter into a proper contract in accordance with 17681
the bid, plans, details, specifications, and bills of material. If 17682
for any reason, other than as authorized by section 9.31 of the 17683
Revised Code or division (G) of this section, the bidder fails to 17684
enter into the contract, and the contracting authority awards the 17685
contract to the next lowest bidder, the bidder is liable to the 17686
state, political subdivision, district, institution, or agency for 17687
the difference between the bidder's bid and that of the next 17688
lowest bidder, or for a penal sum not to exceed ten per cent of 17689
the amount of the bid, whichever is less. If the state, political 17690

subdivision, district, institution, or agency does not award the 17691
contract to the next lowest bidder but resubmits the project for 17692
bidding, the bidder failing to enter into the contract, except as 17693
provided in division (G) of this section, is liable to the state, 17694
political subdivision, district, institution, or agency for a 17695
penal sum not to exceed ten per cent of the amount of the bid or 17696
the costs in connection with the resubmission, of printing new 17697
contract documents, required advertising, and printing and mailing 17698
notices to prospective bidders, whichever is less. 17699

If the bidder enters into the contract, the bidder, at the 17700
time the contract is entered to, shall file a bond for the amount 17701
of the contract to indemnify the state, political subdivision, 17702
district, institution, or agency against all damage suffered by 17703
failure to perform the contract according to its provisions and in 17704
accordance with the plans, details, and specifications and to pay 17705
all lawful claims of subcontractors, material suppliers, and 17706
laborers for labor performed or material furnished in carrying 17707
forward, performing, or completing the contract; and agree and 17708
assent that this undertaking is for the benefit of any 17709
subcontractor, material supplier, or laborer having a just claim, 17710
as well as for the state, political subdivision, district, 17711
institution, or agency. 17712

(2) A construction manager who enters into a contract 17713
pursuant to sections 9.33 to 9.333 of the Revised Code, if 17714
required by the public authority at the time the construction 17715
manager enters into the contract, shall file a letter of credit 17716
pursuant to Chapter 1305. of the Revised Code, bond, certified 17717
check, or cashier's check, for the value of the construction 17718
management contract to indemnify the state, political subdivision, 17719
district, institution, or agency against all damage suffered by 17720
the construction manager's failure to perform the contract 17721
according to its provisions, and shall agree and assent that this 17722

undertaking is for the benefit of the state, political 17723
subdivision, district, institution, or agency. A letter of credit 17724
provided by the construction manager is revocable only at the 17725
option of the beneficiary state, political subdivision, district, 17726
institution, or agency. 17727

(D) Where the state, political subdivision, district, 17728
institution, or agency accepts a bid but the bidder fails or 17729
refuses to enter into a proper contract in accordance with the 17730
bid, plans, details, and specifications within ten days after the 17731
awarding of the contract, the bidder and the surety on any bond, 17732
except as provided in division (G) of this section, are liable for 17733
the amount of the difference between the bidder's bid and that of 17734
the next lowest bidder, but not in excess of the liability 17735
specified in division (B)(1) or (C) of this section. Where the 17736
state, political subdivision, district, institution, or agency 17737
then awards the bid to such next lowest bidder and such next 17738
lowest bidder also fails or refuses to enter into a proper 17739
contract in accordance with the bid, plans, details, and 17740
specifications within ten days after the awarding of the contract, 17741
the liability of such next lowest bidder, except as provided in 17742
division (G) of this section, is the amount of the difference 17743
between the bids of such next lowest bidder and the third lowest 17744
bidder, but not in excess of the liability specified in division 17745
(B)(1) or (C) of this section. Liability on account of an award to 17746
any lowest bidder beyond the third lowest bidder shall be 17747
determined in like manner. 17748

(E) Notwithstanding division (C) of this section, where the 17749
state, political subdivision, district, institution, or agency 17750
resubmits the project for bidding, each bidder whose bid was 17751
accepted but who failed or refused to enter into a proper 17752
contract, except as provided in division (G) of this section, is 17753
liable for an equal share of a penal sum in connection with the 17754

resubmission, of printing new contract documents, required 17755
advertising, and printing and mailing notices to prospective 17756
bidders, but no bidder's liability shall exceed the amount of the 17757
bidder's bid guaranty. 17758

(F) All bid guaranties filed pursuant to this section shall 17759
be payable to the state, political subdivision, district, 17760
institution, or agency, be for the benefit of the state, political 17761
subdivision, district, institution, or agency or any person having 17762
a right of action thereon, and be deposited with, and held by, the 17763
board, officer, or agent contracting on behalf of the state, 17764
political subdivision, district, institution, or agency. All bonds 17765
filed pursuant to this section shall be issued by a surety company 17766
authorized to do business in this state as surety approved by the 17767
board, officer, or agent awarding the contract on behalf of the 17768
state, political subdivision, district, institution, or agency. 17769

(G) A bidder for a contract with the state or any political 17770
subdivision, district, institution, or other agency thereof, 17771
excluding therefrom the Ohio department of transportation, for a 17772
public improvement costing less than one-half million dollars may 17773
withdraw the bid from consideration if the bidder's bid for some 17774
other contract with the state or any political subdivision, 17775
district, institution, or other agency thereof, excluding 17776
therefrom the department of transportation, for the public 17777
improvement costing less than one-half million dollars has already 17778
been accepted, if the bidder certifies in good faith that the 17779
total amount of all the bidder's current contracts is less than 17780
one-half million dollars, and if the surety certifies in good 17781
faith that the bidder is unable to perform the subsequent contract 17782
because to do so would exceed the bidder's bonding capacity. If a 17783
bid is withdrawn under authority of this division, the contracting 17784
authority may award the contract to the next lowest bidder or 17785
reject all bids and resubmit the project for bidding, and neither 17786

the bidder nor the surety on the bidder's bond are liable for the 17787
difference between the bidder's bid and that of the next lowest 17788
bidder, for a penal sum, or for the costs of printing new contract 17789
documents, required advertising, and printing and mailing notices 17790
to prospective bidders. 17791

(H) Bid guaranties filed pursuant to division (A) of this 17792
section shall be returned to all unsuccessful bidders immediately 17793
after the contract is executed. The bid guaranty filed pursuant to 17794
division (A)(2) of this section shall be returned to the 17795
successful bidder upon filing of the bond required in division (C) 17796
of this section. 17797

~~(I) For the purposes of this section, "next lowest bidder" 17798
means, in the case of a political subdivision that has adopted the 17799
model Ohio and United States preference requirements promulgated 17800
pursuant to division (E) of section 125.11 of the Revised Code, 17801

153.57, and 153.571 of the Revised Code, "public improvement," 17805
"subcontractor," "material supplier," "laborer," and "materials" 17806
have the same meanings as in section 1311.25 of the Revised Code. 17807~~

(c) The individual has been hospitalized and a physician has 18709
determined and documented in writing that, unless the individual 18710
is enrolled in home and community-based services such as the 18711
PASSPORT program, the individual is to be transported directly 18712
from the hospital to a nursing facility and admitted. 18713

(d) Both of the following apply: 18714

(i) The individual is the subject of a report made under 18715
section 5101.63 of the Revised Code regarding abuse, neglect, or 18716
exploitation or such a report referred to a county department of 18717
job and family services under section 5126.31 of the Revised Code 18718
or has made a request to a county department for protective 18719
services as defined in section 5101.60 of the Revised Code. 18720

(ii) A county department of job and family services and an 18721

The administrator shall determine whether the PASSPORT program is 18732
appropriate for the individual and whether the individual would 18733

to reside in a nursing facility. If the administrator determines 18735

that the PASSPORT program is appropriate for the individual and 18736
the individual would rather participate in the PASSPORT program 18737
than continue or begin to reside in a nursing facility, the 18738
administrator shall so notify the department of aging. On receipt 18739
of the notice from the administrator, the department shall approve 18740
the individual's enrollment in the medicaid-funded component of 18741
the PASSPORT program regardless of the unified waiting list 18742
established under section 173.55 of the Revised Code, unless the 18743
enrollment would cause the component to exceed any limit on the 18744
number of individuals who may be enrolled in the component as set 18745
by the United States secretary of health and human services in the 18746
PASSPORT waiver. 18747

Sec. 173.522. (A) The department of aging shall create and 18748
administer the state-funded component of the PASSPORT program. The 18749
state-funded component shall not be administered as part of the 18750

medicaid-funded component of the PASSPORT program ~~(or, if the~~ 18761

terminated under division (C) of section 173.52 of the Revised 18773
Code, the unified long term services and support medicaid waiver 18774

under division (C) of section 173.52 of the Revised Code, the 18778

To maintain eligibility, each personal care aide must 18805
successfully complete six hours of in-service training acceptable 18806

~~section 173.54 of the Revised Code, the~~ The department of aging 18856
shall establish a home first component of the assisted living 18857
program under which eligible individuals may be enrolled in the 18858
medicaid-funded component of the assisted living program in 18859
accordance with this section. An individual is eligible for the 18860
assisted living program's home first component if both of the 18861
following apply: 18862

(1) The individual has been determined to be eligible for the 18863
medicaid-funded component of the assisted living program. 18864

(2) At least one of the following applies: 18865

(a) The individual has been admitted to a nursing facility. 18866

(b) A physician has determined and documented in writing that 18867
the individual has a medical condition that, unless the individual 18868
is enrolled in home and community-based services such as the 18869
assisted living program, will require the individual to be 18870
admitted to a nursing facility within thirty days of the 18871
physician's determination. 18872

(c) The individual has been hospitalized and a physician has 18873
determined and documented in writing that, unless the individual 18874
is enrolled in home and community-based services such as the 18875
assisted living program, the individual is to be transported 18876
directly from the hospital to a nursing facility and admitted. 18877

(d) Both of the following apply: 18878

(i) The individual is the subject of a report made under 18879
section 5101.63 of the Revised Code regarding abuse, neglect, or 18880
exploitation or such a report referred to a county department of 18881
job and family services under section 5126.31 of the Revised Code 18882

services as defined in section 5101.60 of the Revised Code. 18884

(ii) A county department of job and family services and an 18885

area agency on aging have jointly documented in writing that, 18886

should be admitted to a nursing facility. 18889

(B) Each month, each area agency on aging shall identify 18890
individuals residing in the area that the area agency on aging 18891

component of the assisted living program that is acceptable to the 18896
individual, the agency shall notify the long-term care 18897
consultation program administrator serving the area in which the 18898
individual resides. The administrator shall determine whether the 18899
assisted living program is appropriate for the individual and 18900

living program than continue or begin to reside in a nursing 18902
facility. If the administrator determines that the assisted living 18903
program is appropriate for the individual and the individual would 18904

begin to reside in a nursing facility, the administrator shall so 18906
notify the department of aging. On receipt of the notice from the 18907
administrator, the department shall approve the individual's 18908
enrollment in the medicaid-funded component of the assisted living 18909
program regardless of the unified waiting list established under 18910
section 173.55 of the Revised Code, unless the enrollment would 18911
cause the component to exceed any limit on the number of 18912
individuals who may participate in the component as set by the 18913
United States secretary of health and human services in the 18914
assisted living waiver. 18915

the Revised Code, the amount required by the real property or 20970

manufactured or mobile home described in the deed or certificate 20988
of title would bring in the open market and under the then 20989
existing and prevailing market conditions in a sale between a 20990

property and with prevailing general price levels. No person shall 20992
willfully falsify the value of property conveyed. 20993

(D) The auditor shall indorse each conveyance on its face to 20994
indicate the amount of the conveyance fee and compliance with this 20995
section and if the property is residential rental property include 20996
a statement that the grantee shall file with the county auditor 20997
the information required under division (A) or (C) of section 20998
5323.02 of the Revised Code. The auditor shall retain the original 20999

copy of the statement of value, forward to the tax commissioner 21000
one copy on which shall be noted the most recent assessed value of 21001
the property, and furnish one copy to the grantee or the grantee's 21002
representative. 21003

(E) In order to achieve uniform administration and collection 21004
of the transfer fee required by division (G)(3) of section 319.54 21005
of the Revised Code, the tax commissioner shall adopt and 21006
promulgate rules for the administration and enforcement of the 21007
levy and collection of such fee. 21008

has the same meaning as in section 5323.01 of the Revised Code. 21010

Sec. 323.152. In addition to the reduction in taxes required 21011
under section 319.302 of the Revised Code, taxes shall be reduced 21012

division (A)(1) of this section applies shall be reduced for each 21027
year for which an application for the reduction has been approved. 21028
The reduction shall equal one of the following amounts, as 21029

applicable to the person:	21030

of this section for tax year 2006, the greater of the reduction	21032
for that tax year or the amount computed under division (A)(1)(c)	21033
of this section;	21034
(ii) If the person received, for any homestead, a reduction	21035
under division (A)(1) of this section for tax year 2013 or under	21036

date the deceased spouse dies, the amount computed under division	21040
(A)(1)(c) of this section. For purposes of divisions (A)(1)(b)(ii)	21041
and (iii) of this section, a person receives a reduction under	21042
division (A)(1) of this section or under division (A) of section	21043
4503.065 of the Revised Code for tax year 2013 or 2014,	21044
respectively, if the person files a late application for that	21045
respective tax year that is approved by the county auditor under	21046
section 323.153 or 4503.066 of the Revised Code.	21047
(iii) If the person is not described in division (A)(1)(b)(i)	21048
or (ii) of this section and the person's total income does not	21049
exceed thirty thousand dollars, as adjusted under division	21050
(A)(1)(d) of this section, the amount computed under division	21051
(A)(1)(c) of this section.	21052
(c) The amount of the reduction under division (A)(1)(c) of	21053
this section equals the product of the following:	21054

property in money, <u>as adjusted under division (A)(1)(d) of this</u>	21056
<u>section;</u>	21057

(d) ~~Each calendar year, the~~ The tax commissioner shall adjust the total income threshold described in division (A)(1)(b)(iii) and the reduction amounts described in divisions (A)(1)(c)(i), (A)(2), and (A)(3) of this section by completing the following calculations in September of each year:

(i) Determine the percentage increase in the gross domestic product deflator determined by the bureau of economic analysis of the United States department of commerce from the first day of January of the preceding calendar year to the last day of December of the preceding calendar year;

(ii) Multiply that percentage increase by the total income threshold or reduction amount for the current tax year, as applicable;

(iii) Add the resulting product to the total income threshold or the reduction amount, as applicable, for the current tax year;

(iv) Round the resulting sum to the nearest multiple of one hundred dollars.

The commissioner shall certify the amount resulting from ~~the~~ each adjustment to each county auditor not later than the first day of December each year. The certified total income threshold amount applies to the following tax year for persons described in division (A)(1)(b)(iii) of this section. The certified reduction amount applies to the following tax year. The commissioner shall

not make the applicable adjustment in any calendar year in which 21092
the amount resulting from the adjustment would be less than the 21093
total income threshold or the reduction amount for the current tax 21094
year. 21095

(2) Real property taxes on a homestead owned and occupied, or 21096
a homestead in a housing cooperative occupied, by a disabled 21097

(A)(1)(d) of this section, by the amounts described in divisions 21102
(A)(1)(c)(ii) to (iv) of this section. The reduction is in lieu of 21103
any reduction under section 323.158 of the Revised Code or 21104
division (A)(1) or (3) of this section. The reduction applies to 21105
only one homestead owned and occupied by a disabled veteran. 21106

If a homestead qualifies for a reduction in taxes under 21107
division (A)(2) of this section for the year in which the disabled 21108
veteran dies, and the disabled veteran is survived by a spouse who 21109
occupied the homestead when the disabled veteran died and who 21110
acquires ownership of the homestead or, in the case of a homestead 21111
that is a unit in a housing cooperative, continues to occupy the 21112
homestead, the reduction shall continue through the year in which 21113
the surviving spouse dies or remarries. 21114

(3) Real property taxes on a homestead owned and occupied, or 21115
a homestead in a housing cooperative occupied, by the surviving 21116
spouse of a public service officer killed in the line of duty 21117
shall be reduced for each year for which an application for the 21118
reduction has been approved. The reduction shall equal the product 21119
obtained by multiplying fifty thousand dollars of the true value 21120
of the property in money, as adjusted under division (A)(1)(d) of 21121
this section, by the amounts described in divisions (A)(1)(c)(ii) 21122
to (iv) of this section. The reduction is in lieu of any reduction 21123

under section 323.158 of the Revised Code or division (A)(1) or 21124
(2) of this section. The reduction applies to only one homestead 21125
owned and occupied by such a surviving spouse. A homestead 21126
qualifies for a reduction in taxes under division (A)(3) of this 21127
section for the tax year in which the public service officer dies 21128
through the tax year in which the surviving spouse dies or 21129
remarries. 21130

(B) To provide a partial exemption, real property taxes on 21131
any homestead, and manufactured home taxes on any manufactured or 21132
mobile home on which a manufactured home tax is assessed pursuant 21133
to division (D)(2) of section 4503.06 of the Revised Code, shall 21134
be reduced for each year for which an application for the 21135
reduction has been approved. The amount of the reduction shall 21136
equal two and one-half per cent of the amount of taxes to be 21137
levied by qualifying levies on the homestead or the manufactured 21138
or mobile home after applying section 319.301 of the Revised Code. 21139
For the purposes of this division, "qualifying levy" has the same 21140
meaning as in section 319.302 of the Revised Code. 21141

(C) The reductions granted by this section do not apply to 21142
special assessments or respread of assessments levied against the 21143
homestead, and if there is a transfer of ownership subsequent to 21144
the filing of an application for a reduction in taxes, such 21145
reductions are not forfeited for such year by virtue of such 21146
transfer. 21147

(D) The reductions in taxable value referred to in this 21148
section shall be applied solely as a factor for the purpose of 21149
computing the reduction of taxes under this section and shall not 21150
affect the total value of property in any subdivision or taxing 21151
district as listed and assessed for taxation on the tax lists and 21152
duplicates, or any direct or indirect limitations on indebtedness 21153
of a subdivision or taxing district. If after application of 21154
sections 5705.31 and 5705.32 of the Revised Code, including the 21155

allocation of all levies within the ten-mill limitation to debt 21156
charges to the extent therein provided, there would be 21157
insufficient funds for payment of debt charges not provided for by 21158
levies in excess of the ten-mill limitation, the reduction of 21159
taxes provided for in sections 323.151 to 323.159 of the Revised 21160
Code shall be proportionately adjusted to the extent necessary to 21161
provide such funds from levies within the ten-mill limitation. 21162

(E) No reduction shall be made on the taxes due on the 21163
homestead of any person convicted of violating division (D) or (E) 21164
of section 323.153 of the Revised Code for a period of three years 21165
following the conviction. 21166

Sec. 323.25. (A) When taxes charged against an entry on the 21167
tax duplicate, or any part of those taxes, are not paid within 21168
sixty days after delivery of the delinquent land duplicate to the 21169
county treasurer as prescribed by section 5721.011 of the Revised 21170
Code, the county treasurer shall enforce the lien for the taxes by 21171
civil action in the treasurer's official capacity as treasurer, 21172
for the sale of such premises in the same way mortgage liens are 21173
enforced or for the transfer of such premises to an electing 21174
subdivision pursuant to section 323.28 or 323.78 of the Revised 21175
Code, in the court of common pleas of the county, in a municipal 21176
court with jurisdiction, or in the county board of revision with 21177
jurisdiction pursuant to section 323.66 of the Revised Code. 21178
Nothing in this section prohibits the treasurer from instituting 21179
such an action before the delinquent tax list or delinquent vacant 21180
land tax list that includes the premises has been published 21181
pursuant to division (B) of section 5721.03 of the Revised Code if 21182
the list is not published within the time prescribed by that 21183
division. 21184

(B) After the civil action has been instituted, but before 21185
the expiration of the applicable redemption period, any person 21186

entitled to redeem the land may do so by tendering to the county treasurer an amount sufficient, as determined by the court or board of revision, to pay the taxes, assessments, penalties, interest, and charges then due and unpaid, and the costs incurred in the civil action, and by demonstrating that the property is in compliance with all applicable zoning regulations, land use restrictions, and building, health, and safety codes.

(C) If the delinquent land duplicate lists minerals or rights to minerals listed pursuant to sections 5713.04, 5713.05, and 5713.06 of the Revised Code, the county treasurer may enforce the lien for taxes against such minerals or rights to minerals by civil action, in the treasurer's official capacity as treasurer, in the manner prescribed by this section, or proceed as provided under section 5721.46 of the Revised Code.

(D) If service by publication is necessary, instead of as provided by the Rules of Civil Procedure, such publication shall either be made (1) once a week for three consecutive weeks instead of as provided by the Rules of Civil Procedure, and the service in a newspaper of general circulation in the county or (2) once in a newspaper of general circulation in the county and, beginning one week thereafter, on a web site of the county or of the court, as selected by the clerk of the court. Publication on the web site shall continue until one year after the date a finding is entered under section 323.28 of the Revised Code with respect to such property. Any notices published on a web site shall identify the date the notice is first published on the web site. If proceeding under division (D)(1) of this section, the second and third publication of the notice may be abbreviated as authorized under section 7.16 of the Revised Code.

Service shall be complete, if proceeding under division (D)(1) of this section, at the expiration of three weeks after the date of the first publication or, if proceeding under division

(D)(2) of this section, the date that is two weeks after the clerk 21219
causes the notice to be published on the selected web site. If the 21220
prosecuting attorney determines that service upon a defendant may 21221
be obtained ultimately only by publication, the prosecuting 21222
attorney may cause service to be made simultaneously by certified 21223
mail, return receipt requested, ordinary mail, and publication. 21224
The 21225

(E) The county treasurer shall not enforce the lien for taxes 21226
against real property to which any of the following applies: 21227

~~(A)(1)~~ The real property is the subject of an application for 21228

the county treasurer or the county prosecuting attorney from 21239
enforcing the lien of the state and its political subdivisions for 21240

such taxes that at the time of enforcement of such lien are not 21242
the subject of a tax certificate. 21243

(F) Upon application of the plaintiff, the court shall 21244
advance such cause on the docket, so that it may be first heard. 21245

The court may order that the proceeding be transferred to the 21246
county board of revision if so authorized under section 323.691 of 21247
the Revised Code. 21248

Sec. 323.69. (A) Upon the completion of the title search 21249
required by section 323.68 of the Revised Code, the prosecuting 21250
attorney, representing the county treasurer, the county land 21251
reutilization corporation, or the certificate holder may file with 21252
the clerk of court a complaint for the foreclosure of each parcel 21253

the equity of redemption on each parcel. The complaint shall name 21255
all parties having any interest of record in the abandoned land 21256
that was discovered in the title search. The prosecuting attorney, 21257
county land reutilization corporation, or certificate holder may 21258
file such a complaint regardless of whether the parcel has 21259
appeared on a delinquent tax list or delinquent vacant land tax 21260
list published pursuant to division (B) of section 5721.03 of the 21261
Revised Code. 21262

(B)(1) In accordance with Civil Rule 4, the clerk of court 21263
promptly shall serve notice of the summons and the complaint filed 21264
under division (A) of this section to the last known address of 21265
the record owner of the abandoned land and to the last known 21266
address of each lienholder or other person having a legal or 21267
equitable ownership interest or security interest of record 21268
identified by the title search. The notice shall inform the 21269
addressee that delinquent taxes stand charged against the 21270
abandoned land; that the land will be sold at public auction or 21271
otherwise disposed of if not redeemed by the owner or other 21272
addressee; that the sale or transfer will occur at a date, time, 21273
and place, and in the manner prescribed in sections 323.65 to 21274
323.79 of the Revised Code; that the owner or other addressee may 21275
redeem the land by paying the total of the impositions against the 21276
land at any time before confirmation of sale or transfer of the 21277
parcel as prescribed in sections 323.65 to 323.79 of the Revised 21278
Code or before the expiration of the alternative redemption 21279
period, as may be applicable to the proceeding; that the case is 21280

being prosecuted by the prosecuting attorney of the county in the 21281
name of the county treasurer for the county in which the abandoned 21282
land is located or by a certificate holder, whichever is 21283
applicable; of the name, address, and telephone number of the 21284
county board of revision before which the action is pending; of 21285
the board case number for the action, which shall be maintained in 21286
the official file and docket of the clerk of court; and that all 21287
subsequent pleadings, petitions, and papers associated with the 21288
case and filed by any interested party must be filed with the 21289
clerk of court and will become part of the case file for the board 21290
of revision. 21291

(2) The notice required by division (B)(1) of this section 21292
also shall inform the addressee that any owner of record may, at 21293
any time on or before the fourteenth day after service of process 21294
is perfected, file a pleading with the clerk of court requesting 21295
that the board transfer the case to a court of competent 21296
jurisdiction to be conducted in accordance with the applicable 21297
laws. 21298

(C) Subject to division (D) of this section, subsequent 21299
pleadings, motions, or papers associated with the case and filed 21300
with the clerk of court shall be served upon all parties of record 21301
in accordance with Civil Rules 4 and 5, except that service by 21302
publication in any case requiring such service shall require that 21303
any such publication shall be advertised in the manner, and for 21304
the time periods and frequency, prescribed in section 5721.18 of 21305
the Revised Code. Any inadvertent noncompliance with those rules 21306
does not serve to defeat or terminate the case, or subject the 21307
case to dismissal, as long as actual notice or service of filed 21308
papers is shown by a preponderance of the evidence or is 21309
acknowledged by the party charged with notice or service, 21310
including by having made an appearance or filing in relation to 21311
the case. The county board of revision may conduct evidentiary 21312

hearings on the sufficiency of process, service of process, or 21313
sufficiency of service of papers in any proceeding arising from a 21314
complaint filed under this section. Other than the notice and 21315
service provisions contained in Civil Rules 4 and 5, the Rules of 21316
Civil Procedure shall not be applicable to the proceedings of the 21317
board. The board of revision may utilize procedures contained in 21318
the Rules of Civil Procedure to the extent that such use 21319
facilitates the needs of the proceedings, such as vacating orders, 21320
correcting clerical mistakes, and providing notice to parties. To 21321
the extent not otherwise provided in sections 323.65 to 323.79 of 21322
the Revised Code, the board may apply the procedures prescribed by 21323
sections 323.25 to 323.28 or Chapters 5721., 5722., and 5723. of 21324
the Revised Code. Board practice shall be in accordance with the 21325
practice and rules, if any, of the board that are promulgated by 21326
the board under section 323.66 of the Revised Code and are not 21327
inconsistent with sections 323.65 to 323.79 of the Revised Code. 21328

(D)(1) A party shall be deemed to be in default of the 21329
proceedings in an action brought under sections 323.65 to 323.79 21330
of the Revised Code if either of the following occurs: 21331

(a) The party fails to appear at any hearing after being 21332
served with notice of the summons and complaint by certified or 21333
ordinary mail. 21334

(b) For a party upon whom notice of summons and complaint is 21335
required by publication as provided under section 5721.18 of the 21336
Revised Code and has been considered ~~served~~ complete pursuant to 21337
that section, the party fails to appear, move, or plead to the 21338
complaint within twenty-eight days after service by publication is 21339
~~completed~~ considered complete. 21340

(2) If a party is deemed to be in default pursuant to 21341
division (D)(1) of this section, no further service of any 21342
subsequent pleadings, papers, or proceedings is required on the 21343
party by the court or any other party. 21344

(E) At any time after a foreclosure action is filed under 21345
this section, the county board of revision may, upon its own 21346
motion, transfer the case to a court pursuant to section 323.691 21347
of the Revised Code if it determines that, given the complexity of 21348
the case or other circumstances, a court would be a more 21349
appropriate forum for the action. 21350

Sec. 340.01. (A) As used in this chapter: 21351

(1) "Addiction," "addiction services," "alcohol and drug 21352
addiction services," ~~"alcoholism,"~~ "alcohol use disorder," 21353
"certifiable services and supports," "community addiction services 21354

addiction," "gambling addiction services," "included opioid and 21356
co-occurring drug addiction services and recovery supports," 21357
"mental health services," "mental illness," "recovery housing 21358
residence," and "recovery supports" have the same meanings as in 21359
section 5119.01 of the Revised Code. 21360

(2) "Medication-assisted treatment" means alcohol and drug 21361
addiction services that are accompanied by medication approved by 21362
the United States food and drug administration for the treatment 21363
of ~~alcoholism~~ alcohol use disorder or drug addiction, prevention 21364
of relapse of ~~alcoholism or drug addiction~~, or both. 21365

~~(3) "Recovery housing" means housing for individuals 21366
recovering from alcoholism or drug addiction that provides an 21367
alcohol and drug free living environment, peer support, assistance 21368
with obtaining alcohol and drug addiction services, and other 21369
alcoholism and drug addiction recovery assistance. 21370~~

(B) An alcohol, drug addiction, and mental health service 21371
district shall be established in any county or combination of 21372
counties having a population of at least fifty thousand. With the 21373
approval of the director of mental health and addiction services, 21374
any county or combination of counties having a population of less 21375

than fifty thousand may establish such a district. Districts 21376
comprising more than one county shall be known as joint-county 21377
districts. 21378

The board of county commissioners of any county participating 21379
in a joint-county district may submit a resolution requesting 21380
withdrawal from the district together with a comprehensive plan or 21381
plans that are in compliance with rules adopted by the director of 21382
mental health and addiction services under section 5119.22 of the 21383
Revised Code, ~~and that provide for the equitable adjustment and~~ 21384
~~division of all services, assets, property, debts, and~~ 21385
~~obligations, if any, of the joint-county district~~ to the board of 21386
alcohol, drug addiction, and mental health services, to the boards 21387
of county commissioners of each county in the district, and to the 21388
director. The plan or plans shall include all of the following: 21389
proposed bylaws for the operation of the newly established 21390
district; a list of potential board members; a list of the 21391

joint-county district; a plan ensuring no disruption in behavioral 21396
health services in the newly established district; and provision 21397
for the employment of an executive director of the newly 21398
established district. 21399

The director shall approve the plan not later than one year 21400
after the date the resolution was adopted by the board of county 21401
commissioners. No county participating in a joint-county ~~service~~ 21402
district may withdraw from the district without the consent of the 21403
director of mental health and addiction services nor earlier than 21404
one year after the submission of such resolution unless all of the 21405
participating counties agree to an earlier withdrawal. ~~Any~~ 21406

Any county withdrawing from a joint-county district shall 21407

continue to have levied against its tax list and duplicate any tax 21408
levied by the district during the period in which the county was a 21409
member of the district until such time as the levy expires or is 21410
renewed or replaced. 21411

(C) For any tax levied under section 5705.19 of the Revised 21412
Code by a board of a joint-county district formed on or after ~~the~~ 21413
~~effective date of this amendment~~ April 3, 2023, revenue from the 21414
tax shall only be expended for the benefit of the residents of the 21415
county from which the revenue is derived. For the purpose of this 21416
division, a joint-county district is not formed by virtue of a 21417
county joining or withdrawing from a district or if a joint-county 21418
service district merges with another joint-county district. 21419

Sec. 340.02. (A) For each alcohol, drug addiction, and mental 21420
health service district, there shall be appointed a board of 21421
alcohol, drug addiction, and mental health services ~~consisting. As~~ 21422
~~provided in this section, the board shall consist~~ of eighteen 21423
members ~~or, fifteen members, fourteen members, twelve members, or~~ 21424
~~nine members. Should the board of alcohol, drug addiction, and~~ 21425
~~mental health services elect to remain at eighteen members, as~~ 21426
~~provided under section 340.02 of the Revised Code as it existed~~ 21427
~~immediately prior to the date of this amendment, the board of~~ 21428
~~alcohol, drug addiction, and mental health services and the board~~ 21429
~~of county commissioners shall not be required to take any action.~~ 21430
~~Should the board of alcohol, drug addiction, and mental health~~ 21431
~~services elect a recommendation to become a fourteen member board,~~ 21432
~~that recommendation must be approved by the board of county~~ 21433
~~commissioners of the county in which the alcohol, drug addiction,~~ 21434
~~and mental health district is located in order for the transition~~ 21435
~~to a fourteen member board to occur. Not later than September 30,~~ 21436
~~2013, each board of alcohol, drug addiction, and mental health~~ 21437
~~services wishing to become a fourteen member board shall notify~~ 21438
~~the board of county commissioners of that recommendation. Failure~~ 21439

~~of the board of county commissioners to take action within thirty 21440
days after receipt of the recommendation shall be deemed agreement 21441
by the board of county commissioners to transition to a 21442
fourteen member board of alcohol, drug addiction, and mental 21443
health services. Should the board of county commissioners reject 21444
the recommendation, the board of county commissioners shall adopt 21445
a resolution stating that rejection within thirty days after 21446
receipt of the recommendation. Upon adoption of the resolution, 21447
the board of county commissioners shall meet with the board of 21448
alcohol, drug addiction, and mental health services to discuss the 21449
matter. After the meeting, the board of county commissioners shall 21450
notify the department of mental health and addiction services of 21451
its election not later than January 1, 2014. In a joint county 21452
district, a majority of the boards of county commissioners must 21453
not reject the recommendation of a joint county board to become a 21454
fourteen member board in order for the transition to a 21455
fourteen member board to occur. Should the joint county district 21456
have an even number of counties, and the boards of county 21457
commissioners of these counties tie in terms of whether or not to 21458
accept the recommendation of the alcohol, drug addiction, and 21459
mental health services board, the recommendation of the alcohol, 21460
drug addiction, and mental health service board to become a 21461
fourteen member board shall prevail. The election shall be final. 21462
Failure to provide notice of its election to the department on or 21463
before January 1, 2014, shall constitute an election to continue 21464
to operate as an eighteen member board, which election shall also 21465
be final. If an existing board provides timely notice of its 21466
election to transition to operate as a fourteen member board, the 21467
number of board members may decline from eighteen to fourteen by 21468
attrition as current members' terms expire. However, the 21469
composition of the board must reflect the requirements set forth 21470
in this section for fourteen member boards. For all boards, half 21471~~

~~of the members shall be interested in mental health services and 21472
half of the members shall be interested in alcohol, drug, or 21473
gambling addiction services. 21474~~

In a single-county district, the size of the board shall be 21475
determined by the board of county commissioners representing the 21476
county that constitutes the district. In a joint-county district, 21477
the size of the board shall be determined jointly by all of the 21478
boards of county commissioners representing the counties that 21479
constitute the district. 21480

The determination of board size shall be made by selecting 21481
one of the options described in division (B) of this section. 21482
After an option is selected and implemented, a subsequent 21483
determination of board size may be made, except that subsequent 21484
determinations shall not occur more frequently than once every 21485
four calendar years. 21486

If a selected option would result in a change in board size, 21487
before the option may be implemented the board of county 21488
commissioners or boards of county commissioners, as the case may 21489
be, shall send a representative to a meeting of the board of 21490
alcohol, drug addiction, and mental health services to solicit 21491
feedback about the matter. After considering any feedback 21492
received, the board or boards of county commissioners may proceed 21493
with implementing the change in board size. If the change results 21494
in a reduction of board members, the reduction shall be 21495
implemented by not filling vacancies as they occur. 21496

To implement a selected option that would result in the 21497
establishment of a new board of alcohol, drug addiction, and 21498
mental health services or in a change in size of an existing 21499
board, the board or boards of county commissioners, as the case 21500
may be, shall adopt a resolution specifying the board size that 21501
has been selected. The board or boards of county commissioners 21502

also shall notify the department of mental health and addiction services of the board size that has been selected. 21503
21504

(B)(1) In the case of a board of alcohol, drug addiction, and mental health services that is established on or after the effective date of this amendment, any of the following options may be selected for purposes of division (A) of this section: 21505

developer's management capability; 22549

(8) A statement that the development will comply with all 22550
applicable environmental laws and regulations. 22551

Upon the filing of such petition, the organizational board of 22552
commissioners shall determine whether such petition complies with 22553
the requirements of this section as to form and substance. The 22554
board in subsequent proceedings may at any time permit the 22555
petition to be amended in form and substance to conform to the 22556
facts by correcting any errors in the description of the proposed 22557
new community district or in any other particular. 22558

Upon the determination of the organizational board of 22559
commissioners that a sufficient petition has been filed in 22560
accordance with this section, the board shall fix the time and 22561
place of a hearing on the petition for the establishment of the 22562
proposed new community authority. Such hearing shall be held not 22563
less than ninety-five nor more than one hundred fifteen days after 22564
the petition filing date, except that if the petition has been 22565
signed by all proximate ~~cities~~ communities or if the 22566
organizational board of commissioners is the legislative authority 22567
of the only proximate ~~city~~ community for the proposed new 22568
community district, such hearing shall be held not less than 22569
thirty nor more than forty-five days after the petition filing 22570
date. The clerk of the organizational board of commissioners ~~with~~ 22571
~~which the petition was filed~~ shall give notice thereof by 22572

proposed new community district. Except where the organizational 22576
board of commissioners is the legislative authority of the only 22577
proximate ~~city~~ community for the proposed new community district, 22578

such clerk shall also give written notice of the date, time, and 22579
place of the hearing and furnish a certified copy of the petition 22580
to the clerk of the legislative authority of each proximate ~~city~~ 22581
community which has not signed such petition. Except where the 22582
organizational board of commissioners is the legislative authority 22583
of the only proximate ~~city~~ community for the proposed new 22584
community district, in the event that the legislative authority of 22585
a proximate ~~city~~ community which did not sign the petition does 22586
not approve by ordinance, resolution, or motion the establishment 22587
of the proposed new community authority and does not deliver such 22588
ordinance, resolution, or motion to the clerk of the 22589
organizational board of commissioners ~~with which the petition was~~ 22590
~~filed~~ within ninety days following the date of the first 22591
publication of the notice of the public hearing, the 22592
organizational board of commissioners shall cancel such public 22593
hearing and terminate the proceedings for the establishment of the 22594
new community authority. 22595

Upon the hearing, if the organizational board of 22596
commissioners determines by resolution that the proposed new 22597
community district will be conducive to the public health, safety, 22598
convenience, and welfare, and is intended to result in the 22599
development of a new community, the board shall by its resolution, 22600
declare the new community authority to be organized and a body 22601
politic and corporate with the corporate name designated in the 22602
resolution, and define the boundary of the new community district. 22603
In addition, the resolution shall provide the method of selecting 22604
the board of trustees of the new community authority and fix the 22605
surety for their bonds in accordance with section 349.04 of the 22606
Revised Code. 22607

If the organizational board of commissioners finds that the 22608
establishment of the district will not be conducive to the public 22609
health, safety, convenience, or welfare, or is not intended to 22610

result in the development of a new community, it shall reject the 22611
petition thereby terminating the proceedings for the establishment 22612
of the new community authority. 22613

~~(B)~~(B)(1) At any time after the creation of a new community 22614
authority, the developer may file an application with the clerk of 22615
the organizational board of commissioners with which the original 22616
petition was filed, setting forth a general description of 22617
territory it desires to add or to delete from such district, that 22618
such change will be conducive to the public health, safety, 22619
convenience, and welfare, and will be consistent with the 22620
development of a new community and will not jeopardize the plan of 22621
the new community. ~~If~~ 22622

(2) If the territory to be added or deleted from a new 22623
community district meets the criteria described in either division 22624
(F)(3) or (4) of section 349.01 of the Revised Code, and the 22625
original petition was not filed with the municipal or township 22626
organizational board of commissioners described in those 22627
divisions, the developer shall also file the application to the 22628
clerk of that municipal or township organizational board of 22629
commissioners. A municipal or township organizational board of 22630
commissioners that receives an application under division (B)(2) 22631
of this section is the acting organizational board of 22632
commissioners for the purposes of division (B)(4) of this section. 22633
Otherwise, the organizational board of commissioners with which 22634
the original petition was filed is the acting organizational board 22635
of commissioners for the purposes of that division. 22636

(3) If the developer is not a municipal corporation, port 22637
authority, or county, all of such an addition to such a district 22638
shall be owned by, or under the control through leases of at least 22639
seventy-five years' duration, options, or contracts to purchase, 22640
of the developer. ~~Upon~~ 22641

(4) Upon the filing of the application, the acting 22642

organizational board of commissioners shall follow the same 22643
procedure as required by this section in relation to the original 22644
petition for the establishment of the proposed new community. The 22645
acting organizational board of commissioners also may determine by 22646
resolution to add territory to such district, provided that the 22647
owner or other person who controls such territory through leases 22648
of at least forty years' duration, options, or contracts to 22649
purchase files a written consent to the addition of such territory 22650
with the clerk of the acting organizational board of 22651
commissioners, and neither the developer ~~does not object nor, if~~ 22652
applicable, the organizational board of commissioners with which 22653
the original petition was filed objects to the addition of such 22654
territory by filing a written objection ~~to the addition of such~~ 22655
~~territory~~ with the clerk of the acting organizational board of 22656
commissioners before the adoption of the resolution adding such 22657
territory to the district. The acting organizational board of 22658
commissioners shall follow the same procedure as required by this 22659
section in relation to the original petition for the establishment 22660
of the proposed new community when adopting such a resolution. 22661

(C) If all or any part of the new community district is 22662
annexed to one or more existing municipal corporations, their 22663
legislative authorities may appoint persons to replace any 22664
appointed citizen member of the board of trustees. The number of 22665
such trustees to be replaced by the municipal corporation shall be 22666
the number, rounded to the lowest integer, bearing the 22667
proportionate relationship to the number of existing appointed 22668
citizen members as the acreage of the new community district 22669
within such municipal corporation bears to the total acreage of 22670
the new community district. If any such municipal corporation 22671
chooses to replace an appointed citizen member, it shall do so by 22672
ordinance, the term of the trustee being replaced shall terminate 22673
thirty days from the date of passage of such ordinance, and the 22674
trustee to be replaced shall be determined by lot. Each newly 22675

appointed member shall assume the term of the member's 22676
predecessor. 22677

Sec. 349.04. The following method of selecting a board of 22678
trustees is deemed to be a compelling state interest. Within ten 22679
days after the new community authority has been established, as 22680
provided in section 349.03 of the Revised Code, an initial board 22681
of trustees shall be appointed as follows: the organizational 22682
board of commissioners shall appoint by resolution at least three, 22683
but not more than six, citizen members of the board of trustees to 22684
represent the interests of present and future residents and 22685
employers of the new community district and one member to serve as 22686
a representative of local government, and the developer shall 22687
appoint a number of members equal to the number of citizen members 22688
to serve as representatives of the developer. 22689

Members shall serve two-year overlapping terms, with two of 22690
each of the initial citizen and developer members appointed to 22691
serve initial one-year terms. The organizational board of 22692
commissioners shall adopt, by further resolution adopted within 22693
one year of such resolution establishing such initial board of 22694
trustees, a method for selection of successor members thereof 22695
which determines the projected total population of the projected 22696
new community and meets the following criteria: 22697

(A) The appointed citizen members shall be replaced by 22698
elected citizen members according to a schedule established by the 22699
organizational board of commissioners calculated to achieve one 22700
such replacement each time the new community district gains a 22701
proportion, having a numerator of one and a denominator of twice 22702
the number of citizen members, of its projected total population 22703
until such time as all of the appointed citizen members are 22704
replaced. 22705

(B) Representatives of the developer shall be replaced by 22706

elected citizen members according to a schedule established by the 22707
organizational board of commissioners calculated to achieve one 22708
such replacement each time the new community district gains a 22709
proportion, having a numerator of one and a denominator equal to 22710
the number of developer members, of its projected total population 22711
until such time as all of the developer's representatives are 22712
replaced. 22713

(C) The representative of local government shall be replaced 22714
by an elected citizen member at the time the new community 22715
district gains three-quarters of its projected total population. 22716

Elected citizen members of the board of trustees shall be 22717
elected by a majority of the residents of the new community 22718
district voting at elections held at the times and in the manner 22719
provided in a resolution of the organizational board of 22720
commissioners. Each citizen member except an appointed citizen 22721
member shall be a qualified elector who resides within the new 22722
community district. The organizational board of commissioners, by 22723
resolution, may adopt an alternative method of selecting or 22724
electing successor members of the board of trustees provided that 22725
if an alternative method of selection is adopted for a new 22726
community authority organized prior to March 22, 2012, the board 22727
of trustees of that authority shall be limited in the collection 22728
of a community development charge, collected pursuant to division 22729
(Q) of section 349.06 of the Revised Code, and the issuance of 22730
bonds or notes, issued pursuant to section 349.08 of the Revised 22731
Code, to the amount or to the extent otherwise permitted for a 22732
board of trustees whose members are not elected by residents of 22733
the new community district. If the alternative method provides for 22734
the election of citizen members, the elections may be held at the 22735
times and in the manner provided in the petition or in a 22736
resolution of the organizational board of commissioners, and the 22737
elected citizen members shall be qualified electors who reside in 22738

the new community district. 22739

Citizen members shall not be employees of or have financial 22740
interest in the developer. If a vacancy occurs in the office of a 22741
member other than a member appointed by the developer, the 22742
organizational board of commissioners may appoint a successor 22743
member for the remainder of the unexpired term. Any appointed 22744
member of the board of trustees may at any time be removed by the 22745
organizational board of commissioners for misfeasance, 22746
nonfeasance, or malfeasance in office. Members appointed by the 22747
developer may also at any time be removed by the developer without 22748
a showing of cause. 22749

Each member of the board of trustees, before entering upon 22750
official duties, shall take and subscribe to an oath before an 22751
officer authorized to administer oaths in Ohio that the member 22752
will honestly and faithfully perform the duties of the member's 22753
office. Such oath shall be filed in the office of the clerk of the 22754
organizational board of commissioners ~~with which the petition was~~ 22755
~~filed~~. Upon taking the oath, the board of trustees shall elect one 22756
of its number as chairperson and another as vice-chairperson, and 22757
shall appoint suitable persons as secretary and treasurer who need 22758
not be members of the board. The treasurer shall be the fiscal 22759
officer of the authority. The board shall adopt by-laws governing 22760
the administration of the affairs of the new community authority. 22761
Each member of the board shall post a bond for the faithful 22762
performance of official duties and give surety therefor in such 22763
amount, but not less than ten thousand dollars, as the resolution 22764
creating such board shall prescribe. 22765

All of the powers of the new community authority shall be 22766
exercised by its board of trustees, but without relief of such 22767
responsibility, such powers may be delegated to committees of the 22768
board or its officers and employees in accordance with its 22769
by-laws. A majority of the board shall constitute a quorum, and a 22770

concurrence of a majority of a quorum in any matter within the 22771
board's duties is sufficient for its determination, provided a 22772
quorum is present when such concurrence is had and a majority of 22773
those members constituting such quorum are trustees not appointed 22774
by the developer. All trustees shall be empowered to vote on all 22775
matters within the authority of the board of trustees, and no vote 22776
by a member appointed by the developer shall be construed to give 22777
rise to civil or criminal liability for conflict of interest on 22778
the part of public officials. 22779

Sec. 349.14. Except as provided in section 349.03 of the 22780
Revised Code, or as otherwise provided in a resolution adopted by 22781
the organizational board of commissioners of a new community 22782
authority, a new community authority organized under this chapter 22783
may be dissolved only on the vote of a majority of the voters of 22784
the new community district at a special election called by the 22785
board of trustees on the question of dissolution. Such an election 22786
may be called only after the board has determined that the new 22787
community development program has been completed, when no 22788
community authority bonds or notes are outstanding, and other 22789
legal indebtedness of the authority has been discharged or 22790
provided for, and only after there has been filed with the board 22791
of trustees a petition requesting such election, signed by a 22792
number of qualified electors residing in the new community 22793
district equal to not less than eight per cent of the total vote 22794
cast for all candidates for governor in the new community district 22795
at the most recent general election at which a governor was 22796
elected. If a majority of the votes cast favor dissolution, the 22797
board of trustees shall, by resolution, declare the authority 22798
dissolved and thereupon the community authority shall be 22799
dissolved. A certified copy of the resolution shall, within 22800
fifteen days after its adoption, be filed with the clerk of the 22801
organizational board of commissioners ~~of the county~~ with which the 22802

original petition for the organization of the new community 22803
authority was filed and with the clerk of any other organizational 22804
board of commissioners where territory of the new community 22805
district was located. 22806

Upon dissolution of a new community authority, the powers 22807
thereof shall cease to exist. Any property of the new community 22808
authority shall vest with a municipal corporation, county, or 22809
township in which that property is located or with the developer 22810
of the new community authority or the developer's designee, all as 22811
provided in a resolution adopted by the organizational board of 22812
commissioners. Any vesting of property in a municipal corporation, 22813
township, or county shall be subject to acceptance of the property 22814
by resolution of the legislative authority of the municipal 22815
corporation, board of township trustees, or board of county 22816
commissioners, as applicable. If the legislative authority of a 22817
municipal corporation, board of township trustees, or board of 22818
county commissioners declines to accept the property, the property 22819
vests with the developer or the developer's designee. Any funds of 22820
the community authority at the time of dissolution shall be 22821
transferred to the municipal corporation and county or township, 22822
as provided in a resolution, in which the new community district 22823
is located in the proportion to the assessed valuation of taxable 22824
real property of the new community authority within such municipal 22825
corporation and township or county as said valuation appears on 22826
the current assessment rolls. 22827

Sec. 503.59. A board of township trustees that has entered 22828
into an agreement with the Ohio air quality development authority 22829
under section 3706.051 of the Revised Code may levy, in accordance 22830
with that agreement, a special assessment upon real property 22831
located in the township specially benefited by an air quality 22832
facility that is the subject of that agreement. 22833

An assessment levied under this section shall be made in any manner authorized under section 727.01 of the Revised Code and, except as otherwise provided in this section, in accordance with the procedures prescribed for special assessments levied by municipal corporations under Chapter 727. of the Revised Code, except that where that chapter refers to a municipal corporation, it shall be deemed to refer to the township and where that chapter refers to the legislative authority of a municipal corporation, it shall be deemed to refer to the board of township trustees. All rights and privileges of an owner of property subject to an assessment levied under that chapter shall apply to the owner of property assessed under this section.

No special assessment may be levied under this section unless the owner of the property to be assessed files a written statement with the board of township trustees requesting that the assessment be levied.

Sec. 504.12. No resolution and no section or numbered or lettered division of a section shall be revised or amended unless the new resolution contains the entire resolution, section, or division as revised or amended, and the resolution, section, or division so amended shall be repealed. This requirement does not prevent the amendment of a resolution by the addition of a new section, or division, and in this case the full text of the former resolution need not be set forth, nor does this section prevent repeals by implication. Except in the case of a codification or recodification of resolutions, a separate vote shall be taken on each resolution proposed to be amended. Resolutions that have been introduced and have received their first reading or their first and second readings, but have not been voted on for passage, may be amended or revised by a majority vote of the members of the board of township trustees, and the amended or revised resolution need not receive additional readings.

The board of township trustees of a limited home rule township may revise, codify, and publish in book form the resolutions of the township in the ~~same manner as~~ provided in section ~~731.23~~ 504.123 of the Revised Code ~~for municipal corporations~~. Resolutions adopted by the board shall be published in the ~~same manner as~~ provided by sections ~~731.21~~ 504.121, ~~731.22~~ 504.122, ~~731.24~~ 504.124, ~~731.25~~ 504.125, and ~~731.26~~ 504.126 of the Revised Code ~~for municipal corporations, except that they shall be published in a newspaper of general circulation within the township. The fiscal officer of the township shall perform the duties that the clerk of the legislative authority of a municipal corporation is required to perform under those sections.~~

The procedures provided in this section and sections 504.121 to 504.126 of the Revised Code apply only to resolutions adopted pursuant to a township's limited home rule powers as authorized by this chapter.

Sec. 504.121. (A) A succinct summary of each resolution, of all notices to bidders for the construction of public improvements and notices of the sale of bonds, and of all statements, orders, proclamations, notices, and reports required by law or resolution to be published, shall be published in a newspaper of general circulation in the township. Proof of the publication and required circulation of any newspaper used as a medium of publication as provided by this section shall be made by affidavit of the proprietor of the newspaper and shall be filed with the fiscal officer of the township.

(B) The publication shall contain notice that the complete text of each such resolution may be obtained or viewed at the office of the fiscal officer of the township and may be viewed at any other location designated by the board of township trustees. The township law director or the county prosecuting attorney, as

applicable, shall review the summary of a resolution published 22897
under this section before forwarding it to the fiscal officer for 22898
publication, to ensure the summary is legally accurate and 22899
sufficient. 22900

(C) Upon publication of a summary of a resolution in 22901
accordance with this section, the fiscal officer of the township 22902
shall supply a copy of the complete text of each such resolution 22903
to any person, upon request, and may charge a reasonable fee, set 22904
by the board of township trustees, for each copy supplied. The 22905
fiscal officer of the township shall post a copy of the text at 22906
the fiscal officer's office and at every other location designated 22907
by the board of township trustees. 22908

Sec. 504.122. The publication required in section 504.121 of 22909
the Revised Code shall be for the following times: 22910

(A) Summaries of resolutions, and proclamations of elections, 22911
once a week for two consecutive weeks or as provided in section 22912
7.16 of the Revised Code; 22913

(B) Notices, not less than two nor more than four consecutive 22914
weeks or as provided in section 7.16 of the Revised Code; 22915

(C) All other matters shall be published once. 22916

Sec. 504.123. When resolutions are revised, codified, 22917
rearranged, published in book form, and certified as correct by 22918
the fiscal officer of the township and the township administrator, 22919
such publication shall be a sufficient publication, and the 22920
resolutions so published, under appropriate titles, chapters, and 22921
sections, shall be held the same in law as though they had been 22922
published in a newspaper. A new resolution so published in book 22923
form, a summary of which has not been published as required by 22924
sections 504.121 and 504.122 of the Revised Code, and which 22925
contains entirely new matter, shall be published as required by 22926

such sections. If such revision or codification is made by a 22927
township and contains new matter, it shall be a sufficient 22928
publication of such codification, including the new matter, to 22929
publish, in the manner required by such sections, a notice of the 22930
enactment of such codifying resolution, containing the title of 22931
the resolution and a summary of the new matters covered by it. 22932
Such revision and codification may be made under appropriate 22933
titles, chapters, and sections and in one resolution containing 22934
one or more subjects. 22935

Except as provided by this section, a succinct summary of all 22936
resolutions, including emergency resolutions, shall be published 22937
in accordance with section 504.121 of the Revised Code. 22938

Sec. 504.124. Immediately after the expiration of the period 22939
of publication of summaries of resolutions required by section 22940
504.122 of the Revised Code, the fiscal officer of the township 22941
shall enter on the record of resolutions, in a blank to be left 22942
for such purpose under the recorded resolution, a certificate 22943
stating in which newspaper and on what dates such publication was 22944
made, and shall sign the fiscal officer's name thereto officially. 22945
Such certificate shall be prima-facie evidence that legal 22946
publication of the summary of the resolution was made. 22947

Sec. 504.125. In townships in which no newspaper is generally 22948
circulated, publication of summaries of resolutions, and 22949
publication of all statements, orders, proclamations, notices, and 22950
reports, required by law or resolution to be published, shall be 22951
accomplished by posting copies in not less than five of the most 22952
public places in the township, as determined by the board of 22953
township trustees, for a period of not less than fifteen days 22954
before the effective date thereof. 22955

Where such publication is by posting, the fiscal officer of 22956

the township shall make a certificate as to such posting, and as 22957
to the times when and the places where such posting is done, in 22958
the manner provided in section 504.124 of the Revised Code, and 22959
such certificate shall be prima-facie evidence that the copies 22960
were posted as required. 22961

Sec. 504.126. It is a sufficient defense to any suit or 22962
prosecution under a resolution, to show that no publication or 22963
posting was made as required by sections 504.121 to 504.125 of the 22964
Revised Code. 22965

Sec. 505.08. After adopting by a unanimous vote a resolution 22966
declaring a real and present emergency in connection with the 22967
administration of township services or the execution of duties 22968
assigned by law to any officer of a township, the board of 22969
township trustees may, by resolution, enter into a contract, 22970
without bidding or advertising, for the purchase of services, 22971
materials, equipment, or supplies needed to meet the emergency if 22972
the estimated cost of the contract is less than ~~fifty thousand~~ 22973
~~dollars~~ the amount specified in section 9.17 of the Revised Code. 22974

During the period of the emergency declared by Executive 22975
Order 2020-01D, issued on March 9, 2020, the board of township 22976
trustees may, by resolution, enter into a contract, without 22977
bidding or advertising, for the purchase of personal protective 22978
equipment needed to meet the emergency, regardless of the 22979
estimated cost of the contract. 22980

"Personal protective equipment" means equipment worn to 22981
minimize exposure to hazards that cause workplace injuries and 22982
illnesses. 22983

Sec. 505.37. (A) The board of township trustees may establish 22984
all necessary rules to guard against the occurrence of fires and 22985
to protect the property and lives of the citizens against damage 22986

and accidents, and may, with the approval of the specifications by 22987
the prosecuting attorney or, if the township has adopted limited 22988
home rule government under Chapter 504. of the Revised Code, with 22989
the approval of the specifications by the township's law director, 22990
purchase, lease, lease with an option to purchase, or otherwise 22991
provide any fire apparatus, mechanical resuscitators, underwater 22992
rescue and recovery equipment, or other fire equipment, 22993
appliances, materials, fire hydrants, and water supply for 22994
fire-fighting and fire and rescue purposes that seems advisable to 22995
the board. The board shall provide for the care and maintenance of 22996
such fire equipment, and, for these purposes, may purchase, lease, 22997
lease with an option to purchase, or construct and maintain 22998
necessary buildings, and it may establish and maintain lines of 22999
fire-alarm communications within the limits of the township. The 23000
board may employ one or more persons to maintain and operate such 23001
fire equipment, or it may enter into an agreement with a volunteer 23002
fire company for the use and operation of the equipment. The board 23003
may compensate the members of a volunteer fire company on any 23004
basis and in any amount that it considers equitable. 23005

23006

When the estimated cost to purchase fire apparatus, 23007
mechanical resuscitators, underwater rescue and recovery 23008
equipment, or other fire equipment, appliances, materials, fire 23009
hydrants, buildings, or fire-alarm communications equipment or 23010
services exceeds ~~fifty thousand dollars~~ the amount specified in 23011
section 9.17 of the Revised Code, the contract shall be let by 23012
competitive bidding. No purchase or other transaction subject to 23013
this section shall be divided into component parts in order to 23014
avoid the requirements of this section. When competitive bidding 23015
is required, the board shall advertise once a week for not less 23016
than two consecutive weeks in a newspaper of general circulation 23017
within the township. The board may also cause notice to be 23018

inserted in trade papers or other publications designated by it or 23019
to be distributed by electronic means, including posting the 23020
notice on the board's internet web site. If the board posts the 23021
notice on its web site, it may eliminate the second notice 23022
otherwise required to be published in a newspaper of general 23023
circulation within the township, provided that the first notice 23024
published in such newspaper meets all of the following 23025
requirements: 23026

(1) It is published at least two weeks before the opening of 23027
bids. 23028

(2) It includes a statement that the notice is posted on the 23029
board's internet web site. 23030

(3) It includes the internet address of the board's internet 23031
web site. 23032

(4) It includes instructions describing how the notice may be 23033
accessed on the board's internet web site. 23034

The advertisement shall include the time, date, and place 23035
where the clerk of the township, or the clerk's designee, will 23036
read bids publicly. The time, date, and place of bid openings may 23037
be extended to a later date by the board of township trustees, 23038
provided that written or oral notice of the change shall be given 23039
to all persons who have received or requested specifications not 23040
later than ninety-six hours prior to the original time and date 23041
fixed for the opening. The board may reject all the bids or accept 23042
the lowest and best bid, provided that the successful bidder meets 23043
the requirements of section 153.54 of the Revised Code when the 23044
contract is for the construction, demolition, alteration, repair, 23045
or reconstruction of an improvement. 23046

(B) The boards of township trustees of any two or more 23047
townships, or the legislative authorities of any two or more 23048
political subdivisions, or any combination of these, may, through 23049

joint action, unite in the joint purchase, lease, lease with an 23050
option to purchase, maintenance, use, and operation of fire 23051
equipment described in division (A) of this section, or for any 23052
other purpose designated in sections 505.37 to 505.42 of the 23053
Revised Code, and may prorate the expense of the joint action on 23054
any terms that are mutually agreed upon. 23055

(C) The board of township trustees of any township may, by 23056
resolution, whenever it is expedient and necessary to guard 23057
against the occurrence of fires or to protect the property and 23058
lives of the citizens against damages resulting from their 23059
occurrence, create a fire district of any portions of the township 23060
that it considers necessary. The board may purchase, lease, lease 23061
with an option to purchase, or otherwise provide any fire 23062
apparatus, mechanical resuscitators, underwater rescue and 23063
recovery equipment, or other fire equipment, appliances, 23064
materials, fire hydrants, and water supply for fire-fighting and 23065
fire and rescue purposes, or may contract for the fire protection 23066
for the fire district as provided in section 9.60 of the Revised 23067
Code. The fire district so created shall be given a separate name 23068
by which it shall be known. 23069

Additional unincorporated territory of the township may be 23070
added to a fire district upon the board's adoption of a resolution 23071
authorizing the addition. A municipal corporation, or a portion of 23072
a municipal corporation, that is within or adjoining the township 23073
may be added to a fire district upon the board's adoption of a 23074
resolution authorizing the addition and the municipal legislative 23075
authority's adoption of a resolution or ordinance requesting the 23076
addition of the municipal corporation or a portion of the 23077
municipal corporation to the fire district. 23078

If the township fire district imposes a tax, additional 23079
unincorporated territory of the township or a municipal 23080
corporation or a portion of a municipal corporation that is within 23081

or adjoining the township shall become part of the fire district 23082
only after all of the following have occurred: 23083

(1) Adoption by the board of township trustees of a 23084
resolution approving the expansion of the territorial limits of 23085
the district and, if the resolution proposes to add a municipal 23086
corporation or a portion of a municipal corporation, adoption by 23087
the municipal legislative authority of a resolution or ordinance 23088
requesting the addition of the municipal corporation or a portion 23089
of the municipal corporation to the district; 23090

(2) Adoption by the board of township trustees of a 23091
resolution recommending the extension of the tax to the additional 23092
territory; 23093

(3) The board requests and obtains from the county auditor 23094
the information required for a tax levy under section 5705.03 of 23095
the Revised Code, in the manner prescribed in that section, except 23096
that the levy's annual collections shall be estimated assuming 23097
that the additional territory has been added to the fire district. 23098

(4) Approval of the tax by the electors of the territory 23099
proposed for addition to the district. 23100

Each resolution of the board adopted under division (C)(2) of 23101
this section shall state the name of the fire district, a 23102
description of the territory to be added, the rate, expressed in 23103
mills for each one dollar of taxable value, the estimated 23104
effective rate, expressed in dollars for each one hundred thousand 23105
dollars of the county auditor's appraised value, and termination 23106
date of the tax, which shall be the rate, estimated effective 23107
rate, and termination date of the tax currently in effect in the 23108
fire district. 23109

The board of trustees shall certify each resolution adopted 23110
under division (C)(2) of this section and the county auditor's 23111
certification under division (C)(3) of this section to the board 23112

of elections in accordance with section 5705.19 of the Revised 23113
Code. The election required under division (C)(4) of this section 23114
shall be held, canvassed, and certified in the manner provided for 23115
the submission of tax levies under section 5705.25 of the Revised 23116
Code, except that the question appearing on the ballot shall read: 23117

"Shall the territory within _____ 23118
(description of the proposed territory to be added) be added to 23119
_____ (name) fire district, and a property tax, 23120
that the county auditor estimates will collect \$_____ annually, at 23121
a rate not exceeding _____ mills for each \$1 of taxable value, 23122
which amounts to \$_____ (here insert estimated effective rate) 23123
for each \$100,000 of the county auditor's appraised value, be in 23124
effect for _____ (here insert the number of years the tax is 23125
to be in effect or "a continuing period of time," as applicable)?" 23126

If the question is approved by at least a majority of the 23127
electors voting on it, the joinder shall be effective as of the 23128
first day of July of the year following approval, and on that 23129
date, the township fire district tax shall be extended to the 23130
taxable property within the territory that has been added. If the 23131
territory that has been added is a municipal corporation or 23132
portion thereof and if it had adopted a tax levy for fire 23133
purposes, the levy is terminated on the effective date of the 23134
joinder in the area of the municipal corporation added to the 23135
district. 23136

Any municipal corporation may withdraw from a township fire 23137
district created under division (C) of this section by the 23138
adoption by the municipal legislative authority of a resolution or 23139
ordinance ordering withdrawal. On the first day of July of the 23140
year following the adoption of the resolution or ordinance of 23141
withdrawal, the withdrawing municipal corporation or the portion 23142
thereof ceases to be a part of the district, and the power of the 23143
fire district to levy a tax upon taxable property in the 23144

withdrawing municipal corporation or the portion thereof 23145
terminates, except that the fire district shall continue to levy 23146
and collect taxes for the payment of indebtedness within the 23147
territory of the fire district as it was composed at the time the 23148
indebtedness was incurred. 23149

Upon the withdrawal of any municipal corporation from a 23150
township fire district created under division (C) of this section, 23151
the county auditor shall ascertain, apportion, and order a 23152
division of the funds on hand, moneys and taxes in the process of 23153
collection except for taxes levied for the payment of 23154
indebtedness, credits, and real and personal property, either in 23155
money or in kind, on the basis of the valuation of the respective 23156
tax duplicates of the withdrawing municipal corporation and the 23157
remaining territory of the fire district. 23158

A board of township trustees may remove unincorporated 23159
territory of the township from the fire district upon the adoption 23160
of a resolution authorizing the removal. On the first day of July 23161
of the year following the adoption of the resolution, the 23162
unincorporated township territory described in the resolution 23163
ceases to be a part of the district, and the power of the fire 23164
district to levy a tax upon taxable property in that territory 23165
terminates, except that the fire district shall continue to levy 23166
and collect taxes for the payment of indebtedness within the 23167
territory of the fire district as it was composed at the time the 23168
indebtedness was incurred. 23169

As used in this section, "the county auditor's appraised 23170
value" and "estimated effective rate" have the same meanings as in 23171
section 5705.01 of the Revised Code. 23172

(D) The board of township trustees of any township, the board 23173
of fire district trustees of a fire district created under section 23174
505.371 of the Revised Code, or the legislative authority of any 23175
municipal corporation may purchase, lease, or lease with an option 23176

to purchase the necessary fire equipment described in division (A) 23177
of this section, buildings, and sites for the township, fire 23178
district, or municipal corporation and issue securities for that 23179
purpose with maximum maturities as provided in section 133.20 of 23180
the Revised Code. The board of township trustees, board of fire 23181
district trustees, or legislative authority may also construct any 23182
buildings necessary to house fire equipment and issue securities 23183
for that purpose with maximum maturities as provided in section 23184
133.20 of the Revised Code. 23185

The board of township trustees, board of fire district 23186
trustees, or legislative authority may issue the securities of the 23187
township, fire district, or municipal corporation, signed by the 23188
board or designated officer of the municipal corporation and 23189
attested by the signature of the township fiscal officer, fire 23190
district clerk, or municipal clerk, covering any deferred payments 23191
and payable at the times provided, which securities shall bear 23192
interest not to exceed the rate determined as provided in section 23193
9.95 of the Revised Code, and shall not be subject to Chapter 133. 23194
of the Revised Code. The legislation authorizing the issuance of 23195
the securities shall provide for levying and collecting annually 23196
by taxation, amounts sufficient to pay the interest on and 23197
principal of the securities. The securities shall be offered for 23198
sale on the open market or given to the vendor or contractor if no 23199
sale is made. 23200

Section 505.40 of the Revised Code does not apply to any 23201
securities issued, or any lease with an option to purchase entered 23202
into, in accordance with this division. 23203

(E) A board of township trustees of any township or a board 23204
of fire district trustees of a fire district created under section 23205
505.371 of the Revised Code may purchase a policy or policies of 23206
liability insurance for the officers, employees, and appointees of 23207
the fire department, fire district, or joint fire district 23208

governed by the board that includes personal injury liability 23209
coverage as to the civil liability of those officers, employees, 23210
and appointees for false arrest, detention, or imprisonment, 23211
malicious prosecution, libel, slander, defamation or other 23212
violation of the right of privacy, wrongful entry or eviction, or 23213
other invasion of the right of private occupancy, arising out of 23214
the performance of their duties. 23215

When a board of township trustees cannot, by deed of gift or 23216
by purchase and upon terms it considers reasonable, procure land 23217
for a township fire station that is needed in order to respond in 23218
reasonable time to a fire or medical emergency, the board may 23219
appropriate land for that purpose under sections 163.01 to 163.22 23220
of the Revised Code. If it is necessary to acquire additional 23221
adjacent land for enlarging or improving the fire station, the 23222
board may purchase, appropriate, or accept a deed of gift for the 23223
land for these purposes. 23224

(F) As used in this division, "emergency medical service 23225
organization" has the same meaning as in section 4766.01 of the 23226
Revised Code. 23227

A board of township trustees, by adoption of an appropriate 23228
resolution, may choose to have the state board of emergency 23229
medical, fire, and transportation services license any emergency 23230
medical service organization it operates. If the board adopts such 23231
a resolution, Chapter 4766. of the Revised Code, except for 23232
sections 4766.06 and 4766.99 of the Revised Code, applies to the 23233
organization. All rules adopted under the applicable sections of 23234
that chapter also apply to the organization. A board of township 23235
trustees, by adoption of an appropriate resolution, may remove its 23236
emergency medical service organization from the jurisdiction of 23237
the state board of emergency medical, fire, and transportation 23238
services. 23239

Sec. 505.376. When any expenditure of a fire and ambulance 23240
district, other than for the compensation of district employees, 23241
exceeds ~~fifty thousand dollars~~ the amount specified in section 23242
9.17 of the Revised Code, the contract for the expenditure shall 23243
be in writing and made with the lowest and best bidder after 23244
advertising once a week for not less than two consecutive weeks in 23245
a newspaper of general circulation within the district. The board 23246
of trustees of a fire and ambulance district may also cause notice 23247
to be inserted in trade papers or other publications designated by 23248
it or to be distributed by electronic means, including posting the 23249
notice on the board's internet web site. If the board posts the 23250
notice on its web site, it may eliminate the second notice 23251
otherwise required to be published in a newspaper of general 23252
circulation within the district, provided that the first notice 23253
published in such newspaper meets all of the following 23254
requirements: 23255

(A) It is published at least two weeks before the opening of 23256
bids. 23257

(B) It includes a statement that the notice is posted on the 23258
board's internet web site. 23259

(C) It includes the internet address of the board's internet 23260
web site. 23261

(D) It includes instructions describing how the notice may be 23262
accessed on the board's internet web site. 23263

The bids shall be opened and shall be publicly read by the 23264
clerk of the district, or the clerk's designee, at the time, date, 23265
and place specified in the advertisement to bidders or the 23266
specifications. The time, date, and place of bid openings may be 23267
extended to a later date by the board of trustees of the district, 23268
provided that written or oral notice of the change shall be given 23269
to all persons who have received or requested specifications no 23270

later than ninety-six hours prior to the original time and date 23271
fixed for the opening. 23272

Each bid on any contract shall contain the full name of every 23273
person interested in the bid. If the bid is for a contract for the 23274
construction, demolition, alteration, repair, or reconstruction of 23275
an improvement, it shall meet the requirements of section 153.54 23276
of the Revised Code. If the bid is for any other contract, it 23277
shall be accompanied by a sufficient bond or certified check, 23278
cashier's check, or money order on a solvent bank or savings and 23279
loan association that, if the bid is accepted, a contract will be 23280
entered into and the performance of it will be properly secured. 23281
If the bid for work embraces both labor and material, it shall be 23282
separately stated, with the price of the labor and the material. 23283
The board may reject any and all bids. The contract shall be 23284
between the district and the bidder, and the district shall pay 23285
the contract price in cash. When a bonus is offered for completion 23286
of a contract prior to a specified date, the board may exact a 23287
prorated penalty in like sum for each day of delay beyond the 23288
specified date. When there is reason to believe there is collusion 23289
or combination among bidders, the bids of those concerned shall be 23290
rejected. 23291

No expenditure subject to this section shall be divided into 23292
component parts, separate projects, or separate items of work in 23293
order to avoid the requirements of this section. 23294

Sec. 505.38. (A) In each township or fire district that has a 23295
fire department, the head of the department shall be a fire chief, 23296
appointed by the board of township trustees, except that, in a 23297
joint fire district, the fire chief shall be appointed by the 23298
board of fire district trustees. Neither this section nor any 23299
other section of the Revised Code requires, or shall be construed 23300
to require, that the fire chief be a resident of the township or 23301

fire district. 23302

The board shall provide for the employment of firefighters as 23303
it considers best and shall fix their compensation. No person 23304
shall be appointed as a permanent full-time paid member, whose 23305
duties include fire fighting, of the fire department of any 23306
township or fire district unless that person has received a 23307
certificate issued under former section 3303.07 or section 4765.55 23308
of the Revised Code evidencing satisfactory completion of a 23309
firefighter training program. Those appointees shall continue in 23310
office until removed from office as provided by sections 733.35 to 23311
733.39 of the Revised Code. To initiate removal proceedings, and 23312
for that purpose, the board shall designate the fire chief or a 23313
private citizen to investigate the conduct and prepare the 23314
necessary charges in conformity with those sections. 23315

In case of the removal of a fire chief or any member of the 23316
fire department of a township or fire district, an appeal may be 23317
had from the decision of the board to the court of common pleas of 23318
the county in which the township or fire district fire department 23319
is situated to determine the sufficiency of the cause of removal. 23320
The appeal from the findings of the board shall be taken within 23321
ten days. 23322

No person who is appointed as a volunteer firefighter of the 23323
fire department of any township or fire district shall remain in 23324
that position unless either of the following applies: 23325

(1) Within one year of the appointment, the person has 23326
received a certificate issued under former section 3303.07 of the 23327
Revised Code or section 4765.55 of the Revised Code evidencing 23328
satisfactory completion of a firefighter training program. 23329

(2) The person began serving as a permanent full-time paid 23330
firefighter with the fire department of a city or village prior to 23331
July 2, 1970, or as a volunteer firefighter with the fire 23332

department of a city, village, or other township or fire district 23333
prior to July 2, 1979, and receives a certificate issued under 23334
~~division (C)(3) of~~ section 4765.55 of the Revised Code. 23335

No person shall receive an appointment under this section, in 23336
the case of a volunteer firefighter, unless the person has, not 23337
more than sixty days prior to receiving the appointment, passed a 23338
physical examination, given by a licensed physician, a physician 23339
assistant, a clinical nurse specialist, a certified nurse 23340
practitioner, or a certified nurse-midwife, showing that the 23341
person meets the physical requirements necessary to perform the 23342
duties of the position to which the person is appointed as 23343
established by the board of township trustees having jurisdiction 23344
over the appointment. The appointing authority, prior to making an 23345
appointment, shall file with the Ohio police and fire pension fund 23346
or the local volunteer fire fighters' dependents fund board a copy 23347
of the report or findings of that licensed physician, physician 23348
assistant, clinical nurse specialist, certified nurse 23349
practitioner, or certified nurse-midwife. The professional fee for 23350
the physical examination shall be paid for by the board of 23351
township trustees. 23352

(B) In each township not having a fire department, the board 23353
of township trustees shall appoint a fire prevention officer who 23354

provided that the first notice published in such newspaper meets 23521
all of the following requirements: 23522

(A) It is published at least two weeks before the opening of 23523

receiving the deed. Upon the application of a head of a family 23548
living in the township, the board shall, without charge, make and 23549

deliver to the applicant a deed for a suitable lot or right for 23550
the interment of the applicant's family, if, in the opinion of the 23551
board and by reason of the circumstances of the family, the 23552
payment would be oppressive. 23553

The terms of sale and any deed for lots executed after July 23554

executed in compliance with the notification requirements set 23572
forth in divisions (A), (B), and (C) of this section shall state 23573
that the board of township trustees shall have right of reentry to 23574
the cemetery lot or right if the notification requirements are not 23575
met. At least ninety days before establishing reentry, the board 23576
shall publish a notice on the board's internet web site, if 23577
applicable, and shall send a notice by certified mail to the last 23578
known owner at the owner's last known address to inform the owner 23579
that the owner's interest in the lot or right will cease unless 23580

the notification requirements are met. If the owner's address is 23581

publish the notice once in a newspaper of general circulation in 23583
the county. In order to establish reentry, the board shall pass a 23584

board's internet web site, if applicable, and shall send a notice 23598
to the owner to inform the owner that the owner's interest in the 23599
lot or right will cease on the termination date unless the owner 23600
contracts for renewal by that date. The board shall send the 23601
notice by certified mail to the owner if the owner is a resident 23602
of the township or is a nonresident whose address is known. If the 23603
owner's address is unknown and cannot reasonably be obtained, it 23604
is sufficient to publish the notice once in a newspaper of general 23605
circulation in the county. 23606

The terms of sale and any deed for lots or rights conveyed 23607
with a termination date shall state that the board shall have 23608
right of reentry to the lot or right at the end of the specified 23609
time period if the lot, tomb, including a mausoleum, or 23610
columbarium, is not used within this time period or renewed for an 23611
extended period. In order to establish reentry, the board shall 23612

pass a resolution stating that the conditions of the sale or of 23613
the deed have not been fulfilled, and that the board reclaims its 23614
interest in the lot or right. The board shall compensate owners of 23615
unused lots or rights who do not renew the terms of sale or the 23616
deed by offering to pay the owner eighty per cent of the purchase 23617
price or to provide another available lot or right, as applicable, 23618
at no additional cost. The board may repurchase any cemetery lot 23619
or right from its owner at any time at a price that is mutually 23620
agreed upon by the board and the owner. 23621

current tax list. The failure of delivery of that notice shall not 23676
invalidate any such amendment. 23677

ten or fewer parcels of land as listed on the county auditor's 23679
current tax list, the published and mailed notices shall set forth 23680

duplicates of any of these documents, with the office of the 23898

of township trustees to cause such question to be submitted to the 23920
electors shall be certified to the board of elections not later 23921
than ninety days prior to the day of election at which said 23922

question is to be voted upon. In the event a majority of the vote 23923
cast on such question in the township is in favor of repeal of 23924
zoning, then such regulations shall no longer be of any effect. 23925
Not more than one such election shall be held in any two calendar 23926

Sec. 519.26. A final judgment on the merits issued by a court 23928
of competent jurisdiction pursuant to its power of review under 23929
Chapter 2506. of the Revised Code, on claims brought under this 23930
chapter, does not preclude later claims for damages, including 23931
claims brought under 42 U.S.C. 1983, even if the common law 23932
doctrine of res judicata would otherwise bar the claim. 23933

The general assembly intends that this section be construed 23934
to override the federal sixth circuit court of appeals's decision 23935
in the case *Lavon Moore v. Hiram Twp.*, 988 F.3d 353 (6th Cir. 23936

of competent jurisdiction pursuant to its power of review under 23939
Chapter 2506. of the Revised Code, on claims brought under this 23940
chapter, does not preclude later claims for damages, including 23941
claims brought under 42 U.S.C. 1983, even if the common law 23942
doctrine of res judicata would otherwise bar the claim. 23943

The general assembly intends that this section be construed 23944
to override the federal sixth circuit court of appeals's decision 23945
in the case *Lavon Moore v. Hiram Twp.*, 988 F.3d 353 (6th Cir. 23946
2021). 23947

Sec. 715.18. Any municipal corporation may establish and 23948

management of the director of public service, who shall purchase 23951
all material, supplies, tools, machinery, and equipment, and shall 23952

~~thousand dollars~~ the amount specified in section 9.17 of the 23963
Revised Code. 23964

Sec. 715.691. (A) As used in this section: 23965

(1) "Contracting party" means a municipal corporation that 23966
has entered into a joint economic development zone contract or any 23967
party succeeding to the municipal corporation, or a township that 23968
entered into a joint economic development zone contract with a 23969
municipal corporation. 23970

(2) "Zone" means a joint economic development zone designated 23971
under this section. 23972

(3) "Substantial amendment" means an amendment to a joint 23973
economic development zone contract that increases the rate of 23974
municipal income tax that may be imposed within the zone, changes 23975
the purposes for which municipal income tax revenue derived from 23976
the zone may be used, or adds new territory to the zone. 23977

(B) This section provides procedures and requirements for 23978
creating and operating a joint economic development zone. This 23979
section applies only if one of the contracting parties to the zone 23980
does not levy a municipal income tax under Chapter 718. of the 23981
Revised Code. 23982

At any time before January 1, 2015, two or more municipal 23983
corporations or one or more townships and one or more municipal 23984
corporations may enter into a contract whereby they agree to share 23985
in the costs of improvements for an area or areas located in one 23986
or more of the contracting parties that they designate as a joint 23987
economic development zone for the purpose of facilitating new or 23988
expanded growth for commercial or economic development in the 23989
state. The contract and zone shall meet the requirements of 23990
divisions (B) to (J) of this section. 23991

(C) The contract shall set forth each contracting party's 23992
contribution to the joint economic development zone. The 23993
contributions may be in any form that the contracting parties 23994
agree to, and may include, but are not limited to, the provision 23995
of services, money, or equipment. The contract may be amended, 23996
renewed, or terminated with the consent of the contracting 23997
parties, subject to division (K) of this section. The contract 23998
shall continue in existence throughout the term it specifies and 23999
shall be binding on the contracting parties and on any entities 24000
succeeding to the contracting parties. If the contract is approved 24001
by the electors of any contracting party under division (F) of 24002
this section or substantially amended after the effective date of 24003
H.B. 289 of the 130th general assembly, June 5, 2014, the 24004
contracting parties shall include within the contract or the 24005
amendment to the contract an economic development plan for the 24006
zone, a schedule for the implementation or provision of any new, 24007
expanded, or additional services, facilities, or improvements 24008
within the zone or in the area surrounding the zone, and any 24009
provisions necessary for the contracting parties to create a joint 24010
economic development review council in compliance with section 24011
715.692 of the Revised Code. 24012

(D) Before the legislative authority of any of the 24013
contracting parties enacts an ordinance or resolution approving a 24014

contract to designate a joint economic development zone, the 24015
legislative authority of each of the contracting parties shall 24016
hold a public hearing concerning the contract and zone. Each 24017
legislative authority shall provide at least thirty days' public 24018
notice of the time and place of the public hearing in a newspaper 24019
of general circulation in the municipal corporation or township. 24020
During the thirty-day period prior to the public hearing, all of 24021
the following documents shall be available for public inspection 24022
in the office of the clerk of the legislative authority of a 24023
municipal corporation that is a contracting party and in the 24024
office of the fiscal officer of a township that is a contracting 24025
party: 24026

(1) A copy of the contract designating the zone; 24027

(2) A description of the area or areas to be included in the 24028
zone, including a map in sufficient detail to denote the specific 24029
boundaries of the area or areas; 24030

(3) An economic development plan for the zone that includes a 24031
schedule for the provision of any new, expanded, or additional 24032
services, facilities, or improvements. 24033

A public hearing held under division (D) of this section 24034
shall allow for public comment and recommendations on the contract 24035
and zone. The contracting parties may include in the contract any 24036
of those recommendations prior to approval of the contract. 24037

(E) After the public hearings required under division (D) of 24038
this section have been held and the economic development plan has 24039
been approved under division (D) of section 715.692 of the Revised 24040
Code, and before January 1, 2015, each contracting party may enact 24041
an ordinance or resolution approving the contract to designate a 24042
joint economic development zone. After each contracting party has 24043
enacted an ordinance or resolution, the clerk of the legislative 24044
authority of a municipal corporation that is a contracting party 24045

and the fiscal officer of a township that is a contracting party 24046
shall file with the board of elections of each county within which 24047
a contracting party is located a copy of the ordinance or 24048
resolution approving the contract and shall direct the board of 24049
elections to submit the ordinance or resolution to the electors of 24050
the contracting party on the day of the next general, primary, or 24051
special election occurring at least ninety days after the 24052
ordinance or resolution is filed with the board of elections. If 24053
any of the contracting parties is a township, however, then only 24054
the township or townships shall submit the resolution to the 24055
electors. The board of elections shall not submit an ordinance or 24056
resolution filed under this division to the electors at any 24057
election occurring on or after January 1, 2015. 24058

(F)(1) If a vote is required to approve a municipal 24059
corporation as a contracting party to a joint economic development 24060
zone under this section, the ballot shall be in the following 24061
form: 24062

"Shall the ordinance of the legislative authority of the 24063
(city or village) of (name of contracting party) approving the 24064
contract with (name of each other contracting party) for the 24065
designation of a joint economic development zone be approved? 24066

	FOR THE ORDINANCE AND CONTRACT
	AGAINST THE ORDINANCE AND CONTRACT

"

24067
24068
24069
24070
(2) If a vote is required to approve a township as a 24071
contracting party to a joint economic development zone under this 24072
section, the ballot shall be in the following form: 24073

"Shall the resolution of the board of township trustees of 24074

the township of (name of contracting party) approving the contract 24075
 with (name of each other contracting party) for the designation of 24076
 a joint economic development zone be approved? 24077

	FOR THE ORDINANCE AND CONTRACT	
	AGAINST THE ORDINANCE AND CONTRACT	"

24078

24079

24080

24081

If a majority of the electors of each contracting party 24082
 voting on the issue vote for the ordinance or resolution and 24083
 contract, the ordinance or resolution shall become effective 24084
 immediately and the contract shall go into effect immediately or 24085
 in accordance with its terms. 24086

(G)(1) A board of directors shall govern each joint economic 24087
 development zone created under this section. The members of the 24088
 board shall be appointed as provided in the contract. Each of the 24089
 contracting parties shall appoint three members to the board. 24090
 Terms for each member shall be for two years, each term ending on 24091
 the same day of the month of the year as did the term that it 24092
 succeeds. A member may be reappointed to the board. 24093

(2) Membership on the board is not the holding of a public 24094
 office or employment within the meaning of any section of the 24095
 Revised Code or any charter provision prohibiting the holding of 24096
 other public office or employment. Membership on the board is not 24097
 a direct or indirect interest in a contract or expenditure of 24098
 money by a municipal corporation, township, county, or other 24099
 political subdivision with which a member may be affiliated. 24100
 Notwithstanding any provision of law or a charter to the contrary, 24101
 no member of the board shall forfeit or be disqualified from 24102
 holding any public office or employment by reason of membership on 24103

the board. 24104

(3) The board is a public body for the purposes of section 24105
121.22 of the Revised Code. Chapter 2744. of the Revised Code 24106
applies to the board and the zone. 24107

(H) The contract may grant to the board of directors 24108
appointed under division (G) of this section the power to adopt a 24109
resolution to levy an income tax within the zone. The income tax 24110
shall be used for the purposes of the zone and for the purposes of 24111
the contracting parties pursuant to the contract. Not less than 24112
fifty per cent of the revenue from the tax shall be used solely to 24113
provide the new, expanded, or additional services, facilities, or 24114
improvements specified in the economic development plan until all 24115
such services, facilities, or improvements have been completed as 24116
specified in that plan. The income tax may be levied in the zone 24117
based on income earned by persons working within the zone and on 24118
the net profits of businesses located in the zone. The income tax 24119
is subject to Chapter 718. of the Revised Code, except that a vote 24120
shall be required by the electors residing in the zone to approve 24121
the rate of income tax unless a majority of the electors residing 24122
within the zone, as determined by the total number of votes cast 24123
in the zone for the office of governor at the most recent general 24124
election for that office, submit a petition to the board 24125
requesting that the election provided for in division (H)(1) of 24126
this section not be held. If no electors reside within the zone, 24127
then division (H)(3) of this section applies. The rate of the 24128
income tax shall be no higher than the highest rate being levied 24129
by a municipal corporation that is a party to the contract. 24130

(1) The board of directors may levy an income tax at a rate 24131
that is not higher than the highest rate being levied by a 24132
municipal corporation that is a party to the contract, provided 24133
that the rate of the income tax is first submitted to and approved 24134
by the electors of the zone at the succeeding regular or primary 24135

election, or a special election called by the board, occurring 24136
subsequent to ninety days after a certified copy of the resolution 24137
levying the income tax and calling for the election is filed with 24138
the board of elections. If the voters approve the levy of the 24139
income tax, the income tax shall be in force for the full period 24140
of the contract establishing the zone. No election shall be held 24141
under this section if a majority of the electors residing within 24142
the zone, determined as specified in division (H) of this section, 24143
submit a petition to that effect to the board of directors. Any 24144
increase in the rate of an income tax by the board of directors 24145
shall be approved by a vote of the electors of the zone and shall 24146
be in force for the remaining period of the contract establishing 24147
the zone. 24148

(2) Whenever a zone is located in the territory of more than 24149
one contracting party, a majority vote of the electors in each of 24150
the several portions of the territory of the contracting parties 24151
constituting the zone approving the levy of the tax is required 24152
before it may be imposed under division (H) of this section. 24153

(3) If no electors reside in the zone, no election for the 24154
approval or rejection of an income tax shall be held under this 24155
section, provided that where no electors reside in the zone, the 24156
rate of the income tax shall be no higher than the highest rate 24157
being levied by a municipal corporation that is a party to the 24158
contract. 24159

(4) The board of directors of a zone levying an income tax 24160
shall enter into an agreement with one of the municipal 24161
corporations that is a party to the contract to administer, 24162
collect, and enforce the income tax on behalf of the zone. 24163

(5) The board of directors of a zone shall publish or post 24164
public notice ~~within the zone~~ of any resolution adopted levying an 24165
income tax ~~in the same manner required of municipal corporations~~ 24166
~~under sections 731.21 and 731.25 of the Revised Code in a~~ 24167

newspaper of general circulation within the zone once a week for 24168
two consecutive weeks or as provided in section 7.16 of the 24169
Revised Code, before the resolution takes effect. In zones in 24170
which no newspaper is generally circulated, notice shall be 24171
accomplished by posting copies in not less than five of the most 24172
public places in the district, as determined by the board of 24173
directors, for a period of not less than fifteen days before the 24174
effective date of the resolution. 24175

(I)(1) If for any reason a contracting party reverts to or 24176
has its boundaries changed so that it is classified as a township 24177
that is the entity succeeding to that contracting party, the 24178
township is considered to be a municipal corporation for the 24179
purposes of the contract for the full period of the contract 24180
establishing the joint economic development zone, except that if 24181
that contracting party is administering, collecting, and enforcing 24182
the income tax on behalf of the district as provided in division 24183
(H)(4) of this section, the contract shall be amended to allow one 24184
of the other contracting parties to administer, collect, and 24185
enforce that tax. 24186

(2) Notwithstanding any other section of the Revised Code, if 24187
there is any change in the boundaries of a township so that a 24188
municipal corporation once located within the township is no 24189
longer so located, the township shall remain in existence even 24190
though its remaining unincorporated area contains less than 24191
twenty-two square miles, if the township has been or becomes a 24192
party to a contract creating a joint economic development zone 24193
under this section or the contract creating that joint economic 24194
development zone under this section is terminated or repudiated 24195
for any reason by any party or person. The township shall continue 24196
its existing status in all respects, including having the same 24197
form of government and the same elected board of trustees as its 24198
governing body. The township shall continue to receive all of its 24199

tax levies and sources of income as a township in accordance with 24200
any section of the Revised Code, whether the levies and sources of 24201
income generate millage within the ten-mill limitation or in 24202
excess of the ten-mill limitation. The name of the township may be 24203
changed to the name of the contracting party appearing in the 24204
contract creating a joint economic development zone under this 24205
section, so long as the name does not conflict with any other name 24206
in the state that has been certified by the secretary of state. 24207
The township shall have all of the powers set out in sections 24208
715.79, 715.80, and 715.81 of the Revised Code. 24209

(J) If, after creating and operating a joint economic 24210
development zone under this section, a contracting party that did 24211
not levy a municipal income tax under Chapter 718. of the Revised 24212
Code levies such a tax, the tax shall not apply to the zone for 24213
the full period of the contract establishing the zone if the board 24214
of directors of the zone has levied an income tax as provided in 24215
division (H) of this section. 24216

(K) No substantial amendment may be made to any joint 24217
economic development zone contract after December 31, 2014. 24218

Sec. 715.693. (A) The requirement in division (C) of section 24219
121.22 of the Revised Code that a member of a public body be 24220
present in person at a meeting open to the public in order to be 24221
part of a quorum or to vote does not apply to a board of directors 24222
of a joint economic development zone created under section 715.691 24223
of the Revised Code, or a joint economic development review 24224
council created under section 715.692 of the Revised Code, if the 24225
board or council holds the meeting by interactive video conference 24226
or by teleconference in the following manner: 24227

(1) The board or council establishes a primary meeting 24228
location that is open and accessible to the public. 24229

(2) Meeting-related materials that are available before the 24230

meeting are sent via electronic mail, facsimile, hand-delivery, or 24231
United States postal service to each member. 24232

(3) In the case of an interactive video conference, the board 24233
or council causes a clear video and audio connection to be 24234
established that enables all meeting participants at the primary 24235
meeting location to see and hear each member. 24236

(4) In the case of a teleconference, the board or the council 24237
causes a clear audio connection to be established that enables all 24238
meeting participants at the primary meeting location to hear each 24239
member. 24240

(5) All board or council members have the capability to 24241
receive meeting-related materials that are distributed during a 24242
meeting. 24243

(6) A roll call voice vote is recorded for each vote taken. 24244

(7) The minutes of the board or council meeting identify 24245
which members remotely attended the meeting by interactive video 24246
conference or teleconference. 24247

If the board or council proceeds under this section, use of 24248
an interactive video conference is preferred, but nothing in this 24249
section prohibits the council from conducting its meetings by 24250
teleconference or by a combination of interactive video conference 24251
and teleconference at the same meeting. 24252

(B) A board of directors or a joint economic development 24253
review council shall adopt rules necessary to implement this 24254
section. At a minimum, the rules shall do all of the following: 24255

(1) Authorize members to remotely attend a meeting by 24256
interactive video conference or teleconference, or by a 24257
combination thereof, in lieu of attending the meeting in person; 24258

(2) Establish a minimum number of members that must be 24259
physically present in person at the primary meeting location if 24260

Sec. 715.70. (A) This section and section 715.71 of the	24274
Revised Code apply only to:	24275
(1) Municipal corporations and townships within a county that	24276
has adopted a charter under Sections 3 and 4 of Article X, Ohio	24277
Constitution;	24278
(2) Municipal corporations and townships that have created a	24279
joint economic development district comprised entirely of real	24280
property owned by a municipal corporation at the time the district	24281
was created under this section. The real property owned by the	24282
municipal corporation shall include an airport owned by the	24283
municipal corporation and located entirely beyond the municipal	24284
corporation's corporate boundary.	24285
(3) Municipal corporations or townships that are part of or	24286
contiguous to a transportation improvement district created under	24287
Chapter 5540. of the Revised Code and that have created a joint	24288
economic development district under this section or section 715.71	24289
of the Revised Code prior to November 15, 1995;	24290

(4) Municipal corporations that have previously entered into a contract creating a joint economic development district pursuant to division (A)(2) of this section, even if the territory to be included in the district does not meet the requirements of that division.

(B)(1) One or more municipal corporations and one or more townships may enter into a contract approved by the legislative authority of each contracting party pursuant to which they create as a joint economic development district an area or areas for the purpose of facilitating economic development to create or preserve jobs and employment opportunities and to improve the economic welfare of the people in the state and in the area of the contracting parties. A municipal corporation described in division (A)(4) of this section may enter into a contract with other municipal corporations and townships to create a new joint economic development district. In a district that includes a municipal corporation described in division (A)(4) of this section, the territory of each of the contracting parties shall be contiguous to the territory of at least one other contracting party, or contiguous to the territory of a township or municipal corporation that is contiguous to another contracting party, even if the intervening township or municipal corporation is not a contracting party. The area or areas of land to be included in the district shall not include any parcel of land owned in fee by a municipal corporation or a township or parcel of land that is leased to a municipal corporation or a township, unless the municipal corporation or township is a party to the contract or unless the municipal corporation or township has given its consent to have its parcel of land included in the district by the adoption of a resolution. As used in this division, "parcel of land" means any parcel of land owned by a municipal corporation or a township for at least a six-month period within a five-year period prior to the creation of a district, but "parcel of land"

does not include streets or public ways and sewer, water, and 24324
other utility lines whether owned in fee or otherwise. 24325

The district created shall be located within the territory of 24326
one or more of the participating parties and may consist of all or 24327
a portion of such territory. The boundaries of the district shall 24328
be described in the contract or in an addendum to the contract. 24329

(2) Prior to the public hearing to be held pursuant to 24330
division (D)(2) of this section, the participating parties shall 24331
give a copy of the proposed contract to each municipal corporation 24332
located within one-quarter mile of the proposed joint economic 24333
development district and not otherwise a party to the contract, 24334
and afford the municipal corporation the reasonable opportunity, 24335
for a period of thirty days following receipt of the proposed 24336
contract, to make comments and suggestions to the participating 24337
parties regarding elements contained in the proposed contract. 24338

(3) The district shall not exceed two thousand acres in area. 24339
The territory of the district shall not completely surround 24340
territory that is not included within the boundaries of the 24341
district. 24342

(4) Sections 503.07 to 503.12 of the Revised Code do not 24343
apply to territory included within a district created pursuant to 24344
this section as long as the contract creating the district is in 24345
effect, unless the legislative authority of each municipal 24346
corporation and the board of township trustees of each township 24347
included in the district consent, by ordinance or resolution, to 24348
the application of those sections of the Revised Code. 24349

(5) Upon the execution of the contract creating the district 24350
by the parties to the contract, a participating municipal 24351
corporation or township included within the district shall file a 24352
copy of the fully executed contract with the county recorder of 24353
each county within which a party to the contract is located, in 24354

the miscellaneous records of the county. No annexation proceeding 24355
pursuant to Chapter 709. of the Revised Code that proposes the 24356
annexation to, merger, or consolidation with a municipal 24357
corporation of any unincorporated territory within the district 24358
shall be commenced for a period of three years after the contract 24359
is filed with the county recorder of each county within which a 24360
party to the contract is located unless each board of township 24361
trustees whose territory is included, in whole or part, within the 24362
district and the territory proposed to be annexed, merged, or 24363
consolidated adopts a resolution consenting to the commencement of 24364
the proceeding and a copy of the resolution is filed with the 24365
legislative authority of each county within which a party to the 24366
contract is located or unless the contract is terminated during 24367
this period. 24368

The contract entered into between the municipal corporations 24369
and townships pursuant to this section may provide for the 24370
prohibition of any annexation by the participating municipal 24371
corporations of any unincorporated territory within the district 24372
beyond the three-year mandatory prohibition of any annexation 24373
provided for in division (B)(5) of this section. 24374

(C)(1) After the legislative authority of a municipal 24375
corporation and the board of township trustees have adopted an 24376
ordinance and resolution approving a contract to create a joint 24377
economic development district pursuant to this section, and after 24378
a contract has been signed, the municipal corporations and 24379
townships shall jointly file a petition with the legislative 24380
authority of each county within which a party to the contract is 24381
located. 24382

(a) The petition shall contain all of the following: 24383

(i) A statement that the area or areas of the district ~~is~~ are 24384
not greater than two thousand acres and ~~is~~ are located within the 24385
territory of one or more of the contracting parties; 24386

(ii) A brief summary of the services to be provided by each party to the contract or a reference to the portion of the contract describing those services;	24387 24388 24389
(iii) A description of the area or areas to be designated as the district;	24390 24391
(iv) The signature of a representative of each of the contracting parties.	24392 24393
(b) The following documents shall be filed with the petition:	24394
(i) A signed copy of the contract, together with copies of district maps and plans related to or part of the contract;	24395 24396
(ii) A certified copy of the ordinances and resolutions of the contracting parties approving the contract;	24397 24398
(iii) A certificate from each of the contracting parties indicating that the public hearings required by division (D)(2) of this section have been held, the date of the hearings, and evidence of publication of the notice of the hearings;	24399 24400 24401 24402
(iv) One or more signed statements of persons who are owners of property located in whole or in part within the area to be designated as the district, requesting that the property be included within the district, provided that those statements shall represent a majority of the persons owning property located in whole or in part within the district and persons owning a majority of the acreage located within the district. A signature may be withdrawn by the signer up to but not after the time of the public hearing required by division (D)(2) of this section.	24403 24404 24405 24406 24407 24408 24409 24410 24411
(2) The legislative authority of each county within which a party to the contract is located shall adopt a resolution approving the petition for the creation of the district if the petition and other documents have been filed in accordance with the requirements of division (C)(1) of this section. If the	24412 24413 24414 24415 24416

petition and other documents do not substantially meet the 24417
requirements of that division, the legislative authority of any 24418
county within which a party to the contract is located may adopt a 24419
resolution disapproving the petition for the creation of the 24420
district. The legislative authority of each county within which a 24421
party to the contract is located shall adopt a resolution 24422
approving or disapproving the petition within thirty days after 24423
the petition was filed. If the legislative authority of each such 24424
county does not adopt the resolution within the thirty-day period, 24425
the petition shall be deemed approved and the contract shall go 24426
into effect immediately after that approval or at such other time 24427
as the contract specifies. 24428

(D)(1) The contract creating the district shall set forth or 24429
provide for the amount or nature of the contribution of each 24430
municipal corporation and township to the development and 24431
operation of the district and may provide for the sharing of the 24432
costs of the operation of and improvements for the district. The 24433
contributions may be in any form to which the contracting 24434
municipal corporations and townships agree and may include but are 24435
not limited to the provision of services, money, real or personal 24436
property, facilities, or equipment. The contract may provide for 24437
the contracting parties to share revenue from taxes levied on 24438
property by one or more of the contracting parties if those 24439
revenues may lawfully be applied to that purpose under the 24440
legislation by which those taxes are levied. The contract shall 24441
provide for new, expanded, or additional services, facilities, or 24442
improvements, including expanded or additional capacity for or 24443
other enhancement of existing services, facilities, or 24444
improvements, provided that those services, facilities, or 24445
improvements, or expanded or additional capacity for or 24446
enhancement of existing services, facilities, or improvements, 24447
required herein have been provided within the two-year period 24448
prior to the execution of the contract. 24449

(2) Before the legislative authority of a municipal corporation or a board of township trustees passes any ordinance or resolution approving a contract to create a joint economic development district pursuant to this section, the legislative authority of the municipal corporation and the board of township trustees shall each hold a public hearing concerning the joint economic development district contract and shall provide thirty days' public notice of the time and place of the public hearing in a newspaper of general circulation in the municipal corporation and the township. The board of township trustees may provide additional notice to township residents in accordance with section 9.03 of the Revised Code, and any additional notice shall include the public hearing announcement; a summary of the terms of the contract; a statement that the entire text of the contract and district maps and plans are on file for public examination in the office of the township fiscal officer; and information pertaining to any tax changes that will or may occur as a result of the contract.

During the thirty-day period prior to the public hearing, a copy of the text of the contract together with copies of district maps and plans related to or part of the contract shall be on file, for public examination, in the offices of the clerk of the legislative authority of the municipal corporation and of the township fiscal officer. The public hearing provided for in division (D)(2) of this section shall allow for public comment and recommendations from the public on the proposed contract. The contracting parties may include in the contract any of those recommendations prior to the approval of the contract.

(3) Any resolution of the board of township trustees that approves a contract that creates a joint economic development district pursuant to this section shall be subject to a referendum of the electors of the township. When a referendum petition,

signed by ten per cent of the number of electors in the township 24482
who voted for the office of governor at the most recent general 24483
election for the office of governor, is presented to the board of 24484
township trustees within thirty days after the board of township 24485
trustees adopted the resolution, ordering that the resolution be 24486
submitted to the electors of the township for their approval or 24487
rejection, the board of township trustees shall, after ten days 24488
and not later than four p.m. of the ninetieth day before the 24489
election, certify the text of the resolution to the board of 24490
elections. The board of elections shall submit the resolution to 24491
the electors of the township for their approval or rejection at 24492
the next general, primary, or special election occurring 24493
subsequent to ninety days after the certifying of the petition to 24494
the board of elections. 24495

(4) Upon the creation of a district under this section or 24496
section 715.71 of the Revised Code, one of the contracting parties 24497
shall file a copy of the following with the director of 24498
development: 24499

(a) The petition and other documents described in division 24500
(C)(1) of this section, if the district is created under this 24501
section; 24502

(b) The documents described in division (D) of section 715.71 24503
of the Revised Code, if the district is created under this 24504
section. 24505

(E) The district created by the contract shall be governed by 24506
a board of directors that shall be established by or pursuant to 24507
the contract. The board is a public body for the purposes of 24508
section 121.22 of the Revised Code. The provisions of Chapter 24509
2744. of the Revised Code apply to the board and the district. The 24510
members of the board shall be appointed as provided in the 24511
contract from among the elected members of the legislative 24512
authorities and the elected chief executive officers of the 24513

contracting parties, provided that there shall be at least two 24514
members appointed from each of the contracting parties. 24515

(F) The contract shall enumerate the specific powers, duties, 24516
and functions of the board of directors of a district, and the 24517
contract shall provide for the determination of procedures that 24518
are to govern the board of directors. The contract may grant to 24519
the board the power to adopt a resolution to levy an income tax 24520
within the district. The income tax shall be used for the purposes 24521
of the district and for the purposes of the contracting municipal 24522
corporations and townships pursuant to the contract. The income 24523
tax may be levied in the district based on income earned by 24524
persons working or residing within the district and based on the 24525
net profits of businesses located in the district. The income tax 24526
shall follow the provisions of Chapter 718. of the Revised Code, 24527
except that a vote shall be required by the electors residing in 24528
the district to approve the rate of income tax. If no electors 24529
reside within the district, then division (F)(4) of this section 24530
applies. The rate of the income tax shall be no higher than the 24531
highest rate being levied by a municipal corporation that is a 24532
party to the contract. 24533

(1) Within one hundred eighty days after the first meeting of 24534
the board of directors, the board may levy an income tax, provided 24535
that the rate of the income tax is first submitted to and approved 24536
by the electors of the district at the succeeding regular or 24537
primary election, or a special election called by the board, 24538
occurring subsequent to ninety days after a certified copy of the 24539
resolution levying the income tax and calling for the election is 24540
filed with the board of elections. If the voters approve the levy 24541
of the income tax, the income tax shall be in force for the full 24542
period of the contract establishing the district. Any increase in 24543
the rate of an income tax that was first levied within one hundred 24544
eighty days after the first meeting of the board of directors 24545

shall be approved by a vote of the electors of the district, shall 24546
be in force for the remaining period of the contract establishing 24547
the district, and shall not be subject to division (F)(2) of this 24548
section. 24549

(2) Any resolution of the board of directors levying an 24550
income tax that is adopted subsequent to one hundred eighty days 24551
after the first meeting of the board of directors shall be subject 24552
to a referendum as provided in division (F)(2) of this section. 24553
Any resolution of the board of directors levying an income tax 24554
that is adopted subsequent to one hundred eighty days after the 24555
first meeting of the board of directors shall be subject to an 24556
initiative proceeding to amend or repeal the resolution levying 24557
the income tax as provided in division (F)(2) of this section. 24558
When a referendum petition, signed by ten per cent of the number 24559
of electors in the district who voted for the office of governor 24560
at the most recent general election for the office of governor, is 24561
filed with the county auditor of each county within which a party 24562
to the contract is located within thirty days after the resolution 24563
is adopted by the board or when an initiative petition, signed by 24564
ten per cent of the number of electors in the district who voted 24565
for the office of governor at the most recent general election for 24566
the office of governor, is filed with the county auditor of each 24567
such county ordering that a resolution to amend or repeal a prior 24568
resolution levying an income tax be submitted to the electors 24569
within the district for their approval or rejection, the county 24570
auditor of each such county, after ten days and not later than 24571
four p.m. of the ninetieth day before the election, shall certify 24572
the text of the resolution to the board of elections of that 24573
county. The county auditor of each such county shall retain the 24574
petition. The board of elections shall submit the resolution to 24575
such electors, for their approval or rejection, at the next 24576
general, primary, or special election occurring subsequent to 24577
ninety days after the certifying of such petition to the board of 24578

elections. 24579

(3) Whenever a district is located in the territory of more 24580
than one contracting party, a majority vote of the electors, if 24581
any, in each of the several portions of the territory of the 24582
contracting parties constituting the district approving the levy 24583
of the tax is required before it may be imposed pursuant to this 24584
division. 24585

(4) If there are no electors residing in the district, no 24586
election for the approval or rejection of an income tax shall be 24587
held pursuant to this section, provided that where no electors 24588
reside in the district, the maximum rate of the income tax that 24589
may be levied shall not exceed one per cent. 24590

(5) The board of directors of a district levying an income 24591
tax shall enter into an agreement with one of the municipal 24592
corporations that is a party to the contract to administer, 24593
collect, and enforce the income tax on behalf of the district. The 24594
resolution levying the income tax shall provide the same credits, 24595
if any, to residents of the district for income taxes paid to 24596
other such districts or municipal corporations where the residents 24597
work, as credits provided to residents of the municipal 24598
corporation administering the income tax. 24599

(6)(a) The board shall publish or post public notice ~~within~~ 24600
~~the district~~ of any resolution adopted levying an income tax ~~in~~ 24601
~~the same manner required of municipal corporations under sections~~ 24602
~~731.21 and 731.25 of the Revised Code~~ in a newspaper of general 24603
circulation within the district once a week for two consecutive 24604
weeks or as provided in section 7.16 of the Revised Code, before 24605
the resolution takes effect. In districts in which no newspaper is 24606
generally circulated, notice shall be accomplished by posting 24607
copies in not less than five of the most public places in the 24608
district, as determined by the board, for a period of not less 24609
than fifteen days before the effective date of the resolution. 24610

(b) Except as otherwise specified by this division, any referendum or initiative proceeding within a district shall be conducted in the same manner as is required for such proceedings within a municipal corporation pursuant to sections 731.28 to 731.40 of the Revised Code.

(G) Membership on the board of directors does not constitute the holding of a public office or employment within the meaning of any section of the Revised Code or any charter provision prohibiting the holding of other public office or employment, and shall not constitute an interest, either direct or indirect, in a contract or expenditure of money by any municipal corporation, township, county, or other political subdivision with which the member may be connected. No member of a board of directors shall be disqualified from holding any public office or employment, nor shall such member forfeit or be disqualified from holding any such office or employment, by reason of the member's membership on the board of directors, notwithstanding any law or charter provision to the contrary.

(H) The powers and authorizations granted pursuant to this section or section 715.71 of the Revised Code are in addition to and not in derogation of all other powers granted to municipal corporations and townships pursuant to law. When exercising a power or performing a function or duty under a contract authorized pursuant to this section or section 715.71 of the Revised Code, a municipal corporation may exercise all of the powers of a municipal corporation, and may perform all the functions and duties of a municipal corporation, within the district, pursuant to and to the extent consistent with the contract. When exercising a power or performing a function or duty under a contract authorized pursuant to this section or section 715.71 of the Revised Code, a township may exercise all of the powers of a township, and may perform all the functions and duties of a

township, within the district, pursuant to and to the extent 24643
consistent with the contract. The district board of directors has 24644
no powers except those specifically set forth in the contract as 24645
agreed to by the participating parties. No political subdivision 24646
shall authorize or grant any tax exemption pursuant to Chapter 24647
1728. or section 3735.67, 5709.62, 5709.63, or 5709.632 of the 24648
Revised Code on any property located within the district without 24649
the consent of the contracting parties. The prohibition for any 24650
tax exemption pursuant to this division shall not apply to any 24651
exemption filed, pending, or approved, or for which an agreement 24652
has been entered into, before the effective date of the contract 24653
entered into by the parties. 24654

(I) Municipal corporations and townships may enter into 24655
binding agreements pursuant to a contract authorized under this 24656
section or section 715.71 of the Revised Code with respect to the 24657
substance and administration of zoning and other land use 24658
regulations, building codes, public permanent improvements, and 24659
other regulatory and proprietary matters that are determined, 24660
pursuant to the contract, to be for a public purpose and to be 24661
desirable with respect to the operation of the district or to 24662
facilitate new or expanded economic development in the state or 24663
the district, provided that no contract shall exempt the territory 24664
within the district from the procedures and processes of land use 24665
regulation applicable pursuant to municipal corporation, township, 24666
and county regulations, including but not limited to procedures 24667
and processes concerning zoning. 24668

(J) A contract creating a joint economic development district 24669
under this section or section 715.71 of the Revised Code may 24670
designate property as a community entertainment district or may be 24671
amended to designate property as a community entertainment 24672
district as prescribed in division (D) of section 4301.80 of the 24673
Revised Code. A joint economic development district contract or 24674

amendment designating a community entertainment district shall 24675
include all information and documentation described in divisions 24676
(B)(1) through (6) of section 4301.80 of the Revised Code. The 24677
public notice required under division (D)(2) of this section and 24678
division (C) of section 715.71 of the Revised Code shall specify 24679
that the contract designates a community entertainment district 24680
and describe the location of that district. Except as provided in 24681
division (F) of section 4301.80 of the Revised Code, an area 24682
designated as a community entertainment district under a joint 24683
economic development district contract shall not lose its 24684
designation even if the contract is canceled or terminated. 24685

(K) A contract entered into pursuant to this section or 24686
section 715.71 of the Revised Code may be amended and it may be 24687
renewed, canceled, or terminated as provided in or pursuant to the 24688
contract. The contract may be amended to add property owned by one 24689
of the contracting parties to the district, or may be amended to 24690
delete property from the district whether or not one of the 24691
contracting parties owns the deleted property. The contract shall 24692
continue in existence throughout its term and shall be binding on 24693
the contracting parties and on any entities succeeding to such 24694
parties, whether by annexation, merger, or otherwise. The income 24695
tax levied by the board pursuant to this section or section 715.71 24696
of the Revised Code shall apply in the entire district throughout 24697
the term of the contract, notwithstanding that all or a portion of 24698
the district becomes subject to annexation, merger, or 24699
incorporation. No township or municipal corporation is divested of 24700
its rights or obligations under the contract because of 24701
annexation, merger, or succession of interests. 24702

(L) After the creation of a joint economic development 24703
district described in division (A)(2) of this section, a municipal 24704
corporation that is a contracting party may cease to own property 24705
included in the district, but such property shall continue to be 24706

included in the district and subject to the terms of the contract. 24707

Sec. 718.01. Any term used in this chapter that is not 24708
otherwise defined in this chapter has the same meaning as when 24709
used in a comparable context in laws of the United States relating 24710
to federal income taxation or in Title LVII of the Revised Code, 24711
unless a different meaning is clearly required. Except as provided 24712
in section 718.81 of the Revised Code, if a term used in this 24713
chapter that is not otherwise defined in this chapter is used in a 24714
comparable context in both the laws of the United States relating 24715
to federal income tax and in Title LVII of the Revised Code and 24716
the use is not consistent, then the use of the term in the laws of 24717
the United States relating to federal income tax shall control 24718
over the use of the term in Title LVII of the Revised Code. 24719

Except as otherwise provided in section 718.81 of the Revised 24720
Code, as used in this chapter: 24721

municipal corporation. 24727

(b)(i) For an individual who is a resident of a municipal 24728
corporation other than a qualified municipal corporation, income 24729
reduced by exempt income to the extent otherwise included in 24730

corporation's tax. If a qualified municipal corporation, on or 24739
before December 31, 2013, exempts income earned by individuals who 24740
are not residents of the qualified municipal corporation and net 24741
profit of persons that are not wholly located within the qualified 24742
municipal corporation, such individual or person shall have no 24743
municipal taxable income for the purposes of the tax levied by the 24744
qualified municipal corporation and may be exempted by the 24745
qualified municipal corporation from the requirements of section 24746

the Revised Code, then reduced as provided in division (A)(2) of 24752

taxpayer may deduct all such expenses allowed for federal income 24764
tax purposes. For a municipal corporation in which the taxpayer is 24765

the municipal corporation, including any net profit of the 24810
nonresident, but excluding the nonresident's distributive share of 24811

(YY) "Pension" means a retirement benefit plan, regardless of 25512
whether the plan satisfies the qualifications described under 25513
section 401(a) of the Internal Revenue Code, including amounts 25514
that are taxable under the "Federal Insurance Contributions Act," 25515
Chapter 21 of the Internal Revenue Code, excluding employee 25516
contributions and elective deferrals, and regardless of whether 25517
such amounts are paid in the same taxable year in which the 25518
amounts are included in the employee's wages, as defined by 25519
section 3121(a) of the Internal Revenue Code. 25520

(ZZ) "Retirement benefit plan" means an arrangement whereby 25521
an entity provides benefits to individuals either on or after 25522
their termination of service because of retirement or disability. 25523
"Retirement benefit plan" does not include wage continuation 25524
payments, severance payments, or payments made for accrued 25525
personal or vacation time. 25526

Sec. 718.02. This section applies to any taxpayer engaged in 25527
a business or profession in a municipal corporation that imposes 25528
an income tax in accordance with this chapter, unless the taxpayer 25529
is an individual who resides in the municipal corporation or the 25530
taxpayer is an electric company, combined company, or telephone 25531
company that is subject to and required to file reports under 25532
Chapter 5745. of the Revised Code. 25533

(A) Except as otherwise provided in section 718.021 of the 25534
Revised Code and division (B) of this section, net profit from a 25535
business or profession conducted both within and without the 25536
boundaries of a municipal corporation shall be considered as 25537
having a taxable situs in the municipal corporation for purposes 25538
of municipal income taxation in the same proportion as the average 25539
ratio of the following: 25540

(1) The average original cost of the real property and 25541
tangible personal property owned or used by the taxpayer in the 25542
business or profession in the municipal corporation during the 25543
taxable period to the average original cost of all of the real and 25544
tangible personal property owned or used by the taxpayer in the 25545
business or profession during the same period, wherever situated. 25546

As used in the preceding paragraph, tangible personal or real 25547
property shall include property rented or leased by the taxpayer 25548
and the value of such property shall be determined by multiplying 25549
the annual rental thereon by eight; 25550

(2) Wages, salaries, and other compensation paid during the 25551
taxable period to individuals employed in the business or 25552
profession for services performed in the municipal corporation to 25553
wages, salaries, and other compensation paid during the same 25554
period to individuals employed in the business or profession, 25555
wherever the individual's services are performed, excluding 25556
compensation from which taxes are not required to be withheld 25557
under section 718.011 of the Revised Code; 25558

(3) Total gross receipts of the business or profession from 25559
sales and rentals made and services performed during the taxable 25560
period in the municipal corporation to total gross receipts of the 25561
business or profession during the same period from sales, rentals, 25562
and services, wherever made or performed. 25563

(B)(1) If the apportionment factors described in division (A) 25564
of this section do not fairly represent the extent of a taxpayer's 25565
business activity in a municipal corporation, the taxpayer may 25566
request, or the tax administrator of the municipal corporation may 25567
require, that the taxpayer use, with respect to all or any portion 25568
of the income of the taxpayer, an alternative apportionment method 25569
involving one or more of the following: 25570

(a) Separate accounting; 25571

(b) The exclusion of one or more of the factors;	25572
(c) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the municipal corporation;	25573 25574 25575
(d) A modification of one or more of the factors.	25576
(2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. The taxpayer may use the requested alternative method unless the tax administrator denies the request in an assessment issued within the period prescribed by division (A) of section 718.12 of the Revised Code.	25577 25578 25579 25580 25581 25582 25583
(3) A tax administrator may require a taxpayer to use an alternative apportionment method as described in division (B)(1) of this section only by issuing an assessment to the taxpayer within the period prescribed by division (A) of section 718.12 of the Revised Code.	25584 25585 25586 25587 25588
(4) Nothing in division (B) of this section nullifies or otherwise affects any alternative apportionment arrangement approved by a tax administrator or otherwise agreed upon by both the tax administrator and taxpayer before January 1, 2016.	25589 25590 25591 25592
(C) As used in division (A)(2) of this section, "wages, salaries, and other compensation" includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:	25593 25594 25595 25596
(1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:	25597 25598
(a) The employer;	25599
(b) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or	25600 25601

patient; 25602

(c) A vendor, customer, client, or patient of a person 25603
described in division (C)(1)(b) of this section, or a related 25604
member of such a vendor, customer, client, or patient. 25605

(2) Any location at which a trial, appeal, hearing, 25606
investigation, inquiry, review, court-martial, or similar 25607
administrative, judicial, or legislative matter or proceeding is 25608
being conducted, provided that the compensation is paid for 25609
services performed for, or on behalf of, the employer or that the 25610
employee's presence at the location directly or indirectly 25611
benefits the employer; 25612

(3) Any other location, if the tax administrator determines 25613
that the employer directed the employee to perform the services at 25614
the other location in lieu of a location described in division 25615
(C)(1) or (2) of this section solely in order to avoid or reduce 25616
the employer's municipal income tax liability. If a tax 25617
administrator makes such a determination, the employer may dispute 25618
the determination by establishing, by a preponderance of the 25619
evidence, that the tax administrator's determination was 25620
unreasonable. 25621

(D) For the purposes of division (A)(3) of this section, and 25622
except as provided in section 718.021 of the Revised Code, 25623
receipts from sales and rentals made and services performed shall 25624
be situated to a municipal corporation as follows: 25625

(1) Gross receipts from the sale of tangible personal 25626
property shall be situated to the municipal corporation only if, 25627
regardless of where title passes, the property meets either of the 25628
following criteria: 25629

(a) The property is shipped to or delivered within the 25630
municipal corporation from a stock of goods located within the 25631
municipal corporation. 25632

(b) The property is delivered within the municipal corporation from a location outside the municipal corporation, provided the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within such municipal corporation and the sales result from such solicitation or promotion.

(2) Gross receipts from the sale of services shall be situated to the municipal corporation to the extent that such services are performed in the municipal corporation.

(3) To the extent included in income, gross receipts from the sale of real property located in the municipal corporation shall be situated to the municipal corporation.

(4) To the extent included in income, gross receipts from rents and royalties from real property located in the municipal corporation shall be situated to the municipal corporation.

(5) Gross receipts from rents and royalties from tangible personal property shall be situated to the municipal corporation based upon the extent to which the tangible personal property is used in the municipal corporation.

(E) The net profit received by an individual taxpayer from the rental of real estate owned directly by the individual or by a disregarded entity owned by the individual shall be subject to tax only by the municipal corporation in which the property generating the net profit is located and the municipal corporation in which the individual taxpayer that receives the net profit resides.

A municipal corporation shall allow such taxpayers to elect to use separate accounting for the purpose of calculating net profit situated under this division to the municipal corporation in which the property is located.

(F)(1) Except as provided in division (F)(2) of this section, commissions received by a real estate agent or broker relating to

the sale, purchase, or lease of real estate shall be situated to 25664
the municipal corporation in which the real estate is located. Net 25665
profit reported by the real estate agent or broker shall be 25666
allocated to a municipal corporation based upon the ratio of the 25667
commissions the agent or broker received from the sale, purchase, 25668
or lease of real estate located in the municipal corporation to 25669
the commissions received from the sale, purchase, or lease of real 25670
estate everywhere in the taxable year. 25671

(2) An individual who is a resident of a municipal 25672
corporation that imposes a municipal income tax shall report the 25673
individual's net profit from all real estate activity on the 25674
individual's annual tax return for that municipal corporation. The 25675
individual may claim a credit for taxes the individual paid on 25676
such net profit to another municipal corporation to the extent 25677
that such a credit is allowed under the municipal income tax 25678
ordinance, or rules of the municipal corporation of residence. 25679

(G) If, in computing a taxpayer's adjusted federal taxable 25680
income, the taxpayer deducted any amount with respect to a stock 25681
option granted to an employee, and if the employee is not required 25682
to include in the employee's income any such amount or a portion 25683
thereof because it is exempted from taxation under divisions 25684
(C)(12) and (R)(1)(d) of section 718.01 of the Revised Code by a 25685
municipal corporation to which the taxpayer has apportioned a 25686
portion of its net profit, the taxpayer shall add the amount that 25687
is exempt from taxation to the taxpayer's net profit that was 25688
apportioned to that municipal corporation. In no case shall a 25689
taxpayer be required to add to its net profit that was apportioned 25690
to that municipal corporation any amount other than the amount 25691
upon which the employee would be required to pay tax were the 25692
amount related to the stock option not exempted from taxation. 25693

This division applies solely for the purpose of making an 25694
adjustment to the amount of a taxpayer's net profit that was 25695

apportioned to a municipal corporation under this section. 25696

(H) When calculating the ratios described in division (A) of 25697
this section for the purposes of that division or division (B) of 25698
this section, the owner of a disregarded entity shall include in 25699
the owner's ratios the property, payroll, and gross receipts of 25700
such disregarded entity. 25701

Sec. 718.021. (A) As used in this section: 25702

(1) "Qualifying remote employee or owner" means an individual 25703
who is an employee of a taxpayer or who is a partner or member 25704
holding an ownership interest in a taxpayer that is treated as a 25705
partnership for federal income tax purposes, provided that the 25706
individual meets both of the following criteria: 25707

(a) The taxpayer has assigned the individual to a qualifying 25708
reporting location. 25709

(b) The individual is permitted or required to perform 25710
services for the taxpayer at a qualifying remote work location. 25711

(2) "Qualifying remote work location" means a permanent or 25712
temporary location at which an employee or owner chooses or is 25713
required to perform services for the taxpayer, other than a 25714
reporting location of the taxpayer or any other location owned or 25715
controlled by a customer or client of the taxpayer. "Qualifying 25716
remote work location" may include the residence of an employee or 25717
owner and may be located outside of a municipal corporation that 25718
imposes an income tax in accordance with this chapter. An employee 25719
or owner may have more than one qualifying remote work location 25720
during a taxable year. 25721

(3) "Reporting location" means either of the following: 25722

(a) A permanent or temporary place of doing business, such as 25723
an office, warehouse, storefront, construction site, or similar 25724
location, that is owned or controlled directly or indirectly by 25725

the taxpayer; 25726

(b) Any location in this state owned or controlled by a 25727
customer or client of the taxpayer, provided that the taxpayer is 25728
required to withhold taxes under section 718.03 of the Revised 25729
Code on qualifying wages paid to an employee for the performance 25730
of personal services at that location. 25731

(4) "Qualifying reporting location" means one of the 25732
following: 25733

(a) The reporting location in this state at which an employee 25734
or owner performs services for the taxpayer on a regular or 25735
periodic basis during the taxable year; 25736

(b) If no reporting location exists in this state for an 25737
employee or owner under division (A)(4)(a) of this section, the 25738
reporting location in this state at which the employee's or 25739
owner's supervisor regularly or periodically reports during the 25740
taxable year; 25741

(c) If no reporting location exists in this state for an 25742
employee or owner under division (A)(4)(a) or (b) of this section, 25743
the location that the taxpayer otherwise assigns as the employee's 25744
or owner's qualifying reporting location, provided the assignment 25745
is made in good faith and is recorded and maintained in the 25746
taxpayer's business records. A taxpayer may change the qualifying 25747
reporting location designated for an employee or owner under this 25748
division at any time. 25749

(B) A taxpayer may elect to apply the provisions of this 25750
section to the apportionment of its net profit from a business or 25751
profession. For taxpayers that make this election, the provisions 25752
of section 718.02 of the Revised Code apply to such apportionment 25753
except as otherwise provided in this section. 25754

A taxpayer shall make the election allowed under this section 25755
in writing on or with the taxpayer's net profit return or, if 25756

applicable, a timely filed amended net profit return or a timely 25757
filed appeal of an assessment. The election applies to the taxable 25758
year for which that return or appeal is filed and for all 25759
subsequent taxable years, until the taxpayer revokes the election. 25760

The taxpayer shall make the initial election with the tax 25761
administrator of each municipal corporation with which, after 25762
applying the apportionment provisions authorized in this section, 25763
the taxpayer is required to file a net profit tax return for that 25764
taxable year. A taxpayer shall not be required to notify the tax 25765
administrator of a municipal corporation in which a qualifying 25766
remote employee's or owner's qualifying remote work location is 25767
located, unless the taxpayer is otherwise required to file a net 25768
profit return with that municipal corporation due to business 25769
operations that are unrelated to the employee's or owner's 25770
activity at the qualifying remote work location. 25771

After the taxpayer makes the initial election, the election 25772
applies to every municipal corporation in which the taxpayer 25773
conducts business. The taxpayer shall not be required to file a 25774
net profit return with a municipal corporation solely because a 25775
qualifying remote employee's or owner's qualifying remote work 25776
location is located in such municipal corporation. 25777

Nothing in this section prohibits a taxpayer from making a 25778
new election under this section after properly revoking a prior 25779
election. 25780

(C) For the purpose of calculating the ratios described in 25781
division (A) of section 718.02 of the Revised Code, all of the 25782
following apply to a taxpayer that has made the election described 25783
in division (B) of this section: 25784

(1) For the purpose of division (A)(1) of section 718.02 of 25785
the Revised Code, the average original cost of any tangible 25786
personal property used by a qualifying remote employee or owner at 25787

that individual's qualifying remote work location shall be sitused 25788
to that individual's qualifying reporting location. 25789

(2) For the purpose of division (A)(2) of section 718.02 of 25790
the Revised Code, any wages, salaries, and other compensation paid 25791
during the taxable period to a qualifying remote employee or owner 25792
for services performed at that individual's qualifying remote work 25793
location shall be sitused to that individual's qualifying 25794
reporting location. 25795

(3) For the purpose of division (A)(3) of section 718.02 of 25796
the Revised Code, and notwithstanding division (D) of that 25797
section, any gross receipts of the business or profession from 25798
services performed during the taxable period by a qualifying 25799
remote employee or owner for services performed at that 25800
individual's qualifying remote work location shall be sitused to 25801
that individual's qualifying reporting location. 25802

(D) Nothing in this section prevents a taxpayer from 25803
requesting, or a tax administrator from requiring, that the 25804
taxpayer use, with respect to all or a portion of the income of 25805
the taxpayer, an alternative apportionment method as described in 25806
division (B) of section 718.02 of the Revised Code. However, a tax 25807
administrator shall not require an alternative apportionment 25808
method in such a manner that it would require a taxpayer to file a 25809
net profit return with a municipal corporation solely because a 25810
qualifying remote employee's or owner's qualifying remote work 25811
location is located in that municipal corporation. 25812

(E) Except as otherwise provided in this section, nothing in 25813
this section is intended to affect the withholding of taxes on 25814
qualifying wages pursuant to sections 718.011 and 718.03 of the 25815
Revised Code. 25816

Sec. 718.05. (A) An annual return with respect to the income 25817
tax levied by a municipal corporation shall be completed and filed 25818

by every taxpayer for any taxable year for which the taxpayer is 25819
liable for the tax. If the total credit allowed against the tax as 25820
described in division (D) of section 718.04 of the Revised Code 25821
for the year is equal to or exceeds the tax imposed by the 25822
municipal corporation, no return shall be required unless the 25823
municipal ordinance or resolution levying the tax requires the 25824
filing of a return in such circumstances. 25825

(B) If an individual is deceased, any return or notice 25826
required of that individual shall be completed and filed by that 25827
decedent's executor, administrator, or other person charged with 25828
the property of that decedent. 25829

(C) If an individual is unable to complete and file a return 25830
or notice required by a municipal corporation in accordance with 25831
this chapter, the return or notice required of that individual 25832
shall be completed and filed by the individual's duly authorized 25833
agent, guardian, conservator, fiduciary, or other person charged 25834
with the care of the person or property of that individual. 25835

(D) Returns or notices required of an estate or a trust shall 25836
be completed and filed by the fiduciary of the estate or trust. 25837

(E) No municipal corporation shall deny spouses the ability 25838
to file a joint return. 25839

(F)(1) Each return required to be filed under this section 25840
shall contain the signature of the taxpayer or the taxpayer's duly 25841
authorized agent and of the person who prepared the return for the 25842
taxpayer, and shall include the taxpayer's social security number 25843
or taxpayer identification number. Each return shall be verified 25844
by a declaration under penalty of perjury. 25845

(2) A tax administrator may require a taxpayer who is an 25846
individual to include, with each annual return, amended return, or 25847
request for refund required under this section, copies of only the 25848

following documents: all of the taxpayer's Internal Revenue 25849
Service form W-2, "Wage and Tax Statements," including all 25850
information reported on the taxpayer's federal W-2, as well as 25851
taxable wages reported or withheld for any municipal corporation; 25852
the taxpayer's Internal Revenue Service form 1040 or, in the case 25853
of a return or request required by a qualified municipal 25854
corporation, Ohio form IT-1040; and, with respect to an amended 25855
tax return or refund request, any other documentation necessary to 25856
support the refund request or the adjustments made in the amended 25857
return. An individual taxpayer who files the annual return 25858
required by this section electronically is not required to provide 25859
paper copies of any of the foregoing to the tax administrator 25860
unless the tax administrator requests such copies after the return 25861
has been filed. 25862

(3) A tax administrator may require a taxpayer that is not an 25863
individual to include, with each annual net profit return, amended 25864
net profit return, or request for refund required under this 25865
section, copies of only the following documents: the taxpayer's 25866
Internal Revenue Service form 1041, form 1065, form 1120, form 25867
1120-REIT, form 1120F, or form 1120S, and, with respect to an 25868
amended tax return or refund request, any other documentation 25869
necessary to support the refund request or the adjustments made in 25870
the amended return. 25871

A taxpayer that is not an individual and that files an annual 25872
net profit return electronically through the Ohio business gateway 25873
or in some other manner shall either mail the documents required 25874
under this division to the tax administrator at the time of filing 25875
or, if electronic submission is available, submit the documents 25876
electronically through the Ohio business gateway. The department 25877
of taxation shall publish a method of electronically submitting 25878
the documents required under this division through the Ohio 25879
business gateway on or before January 1, 2016. The department 25880

shall transmit all documents submitted electronically under this 25881
division to the appropriate tax administrator. 25882

(4) After a taxpayer files a tax return, the tax 25883
administrator may request, and the taxpayer shall provide, any 25884
information, statements, or documents required by the municipal 25885
corporation to determine and verify the taxpayer's municipal 25886
income tax liability. The requirements imposed under division (F) 25887
of this section apply regardless of whether the taxpayer files on 25888
a generic form or on a form prescribed by the tax administrator. 25889

(G)(1)(a) Except as otherwise provided in this chapter, each 25890
individual income tax return required to be filed under this 25891
section shall be completed and filed as required by the tax 25892
administrator on or before the date prescribed for the filing of 25893
state individual income tax returns under division (G) of section 25894
5747.08 of the Revised Code. The taxpayer shall complete and file 25895
the return or notice on forms prescribed by the tax administrator 25896
or on generic forms, together with remittance made payable to the 25897
municipal corporation or tax administrator. No remittance is 25898
required if the amount shown to be due is ten dollars or less. A 25899
municipal corporation shall not require a qualifying employee 25900
whose income consists exclusively of exempt income described in 25901
division (C)(20)(b) or (c) of section 718.01 of the Revised Code 25902
to file a return under this section. 25903

(b) Except as otherwise provided in this chapter, each annual 25904
net profit return required to be filed under this section by a 25905
taxpayer that is not an individual shall be completed and filed as 25906
required by the tax administrator on or before the fifteenth day 25907
of the fourth month following the end of the taxpayer's taxable 25908
year. The taxpayer shall complete and file the return or notice on 25909
forms prescribed by the tax administrator or on generic forms, 25910
together with remittance made payable to the municipal corporation 25911
or tax administrator. No remittance is required if the amount 25912

shown to be due is ten dollars or less. 25913

(2)(a) Any taxpayer that has duly requested an automatic 25914
six-month extension for filing the taxpayer's federal income tax 25915
return shall automatically receive an extension for the filing of 25916
a municipal income tax return. The extended due date of the 25917
municipal income tax return for a taxpayer that is an individual 25918
shall be the fifteenth day of the tenth month after the last day 25919
of the taxable year to which the return relates. The extended due 25920
date of the municipal income tax return for a taxpayer that is not 25921
an individual shall be the fifteenth day of the eleventh month 25922
after the last day of the taxable year to which the return 25923
relates. 25924

(b) A taxpayer that has not requested or received a six-month 25925
extension for filing the taxpayer's federal income tax return may 25926
request that the tax administrator grant the taxpayer a six-month 25927
extension of the date for filing the taxpayer's municipal income 25928
tax return. If the request is received by the tax administrator on 25929
or before the date the municipal income tax return is due, the tax 25930
administrator shall grant the taxpayer's requested extension. 25931

(c) An extension of time to file under division (G)(2) of 25932
this section is not an extension of the time to pay any tax due 25933
unless the tax administrator grants an extension of that date. 25934

(3) If the tax commissioner extends for all taxpayers the 25935
date for filing state income tax returns under division (G) of 25936
section 5747.08 of the Revised Code, a taxpayer shall 25937
automatically receive an extension for the filing of a municipal 25938
income tax return. The extended due date of the municipal income 25939
tax return shall be the same as the extended due date of the state 25940
income tax return. 25941

(4) If the tax administrator considers it necessary in order 25942
to ensure the payment of the tax imposed by the municipal 25943

corporation in accordance with this chapter, the tax administrator 25944
may require taxpayers to file returns and make payments otherwise 25945
than as provided in this section, including taxpayers not 25946
otherwise required to file annual returns. 25947

(5) If a taxpayer receives an extension for the filing of a 25948
municipal income tax return under division (G)(2), (3), or (4) of 25949
this section, the tax administrator shall not make any inquiry or 25950
send any notice to the taxpayer with regard to the return on or 25951
before the date the taxpayer files the return or on or before the 25952
extended due date to file the return, whichever occurs first. 25953

If a tax administrator violates division (G)(5) of this 25954
section, the municipal corporation shall reimburse the taxpayer 25955
for any reasonable costs incurred to respond to such inquiry or 25956
notice, up to one hundred fifty dollars. 25957

Division (G)(5) of this section does not apply to an 25958
extension received under division (G)(2) of this section if the 25959
tax administrator has actual knowledge that the taxpayer failed to 25960
file for a federal extension as required to receive the extension 25961
under division (G)(2)(a) of this section or failed to file for an 25962
extension under division (G)(2)(b) of this section. 25963

(6) To the extent that any provision in this division 25964
conflicts with any provision in section 718.052 of the Revised 25965
Code, the provision in that section prevails. 25966

(H)(1) For taxable years beginning after 2015, a municipal 25967
corporation shall not require a taxpayer to remit tax with respect 25968
to net profits if the amount due is less than ten dollars. 25969

(2) Except as provided in division (H)(3) of this section, 25970
any taxpayer not required to remit tax to a municipal corporation 25971
for a taxable year pursuant to division (H)(1) of this section 25972
shall file with the municipal corporation an annual net profit 25973
return under division (F)(3) of this section. 25974

(3) A municipal corporation shall not require a person to 25975
file a net profit return under this section if the person's income 25976
consists exclusively of exempt income described in division 25977
(C)(20)(a) of section 718.01 of the Revised Code. 25978

(I)(1) If any report, claim, statement, or other document 25979
required to be filed, or any payment required to be made, within a 25980
prescribed period or on or before a prescribed date under this 25981
chapter is delivered after that period or that date by United 25982
States mail to the tax administrator or other municipal official 25983
with which the report, claim, statement, or other document is 25984
required to be filed, or to which the payment is required to be 25985
made, the date of the postmark stamped on the cover in which the 25986
report, claim, statement, or other document, or payment is mailed 25987
shall be deemed to be the date of delivery or the date of payment. 25988
"The date of postmark" means, in the event there is more than one 25989
date on the cover, the earliest date imprinted on the cover by the 25990
postal service. 25991

(2) If a payment under this chapter is made by electronic 25992
funds transfer, the payment shall be considered to be made on the 25993
date of the timestamp assigned by the first electronic system 25994
receiving that payment. 25995

(J) The amounts withheld by an employer, the agent of an 25996
employer, or an other payer as described in section 718.03 of the 25997
Revised Code shall be allowed to the recipient of the compensation 25998
as credits against payment of the tax imposed on the recipient by 25999
the municipal corporation, unless the amounts withheld were not 26000
remitted to the municipal corporation and the recipient colluded 26001
with the employer, agent, or other payer in connection with the 26002
failure to remit the amounts withheld. 26003

(K) Each return required by a municipal corporation to be 26004
filed in accordance with this section shall include a box that the 26005
taxpayer may check to authorize another person, including a tax 26006

return preparer who prepared the return, to communicate with the 26007
tax administrator about matters pertaining to the return. The 26008
return or instructions accompanying the return shall indicate that 26009
by checking the box the taxpayer authorizes the tax administrator 26010
to contact the preparer or other person concerning questions that 26011
arise during the examination or other review of the return and 26012
authorizes the preparer or other person only to provide the tax 26013
administrator with information that is missing from the return, to 26014
contact the tax administrator for information about the 26015
examination or other review of the return or the status of the 26016
taxpayer's refund or payments, and to respond to notices about 26017
mathematical errors, offsets, or return preparation that the 26018
taxpayer has received from the tax administrator and has shown to 26019
the preparer or other person. 26020

(L) The tax administrator of a municipal corporation shall 26021
accept for filing a generic form of any income tax return, report, 26022
or document required by the municipal corporation in accordance 26023
with this chapter, provided that the generic form, once completed 26024
and filed, contains all of the information required by ordinance, 26025
resolution, or rules adopted by the municipal corporation or tax 26026
administrator, and provided that the taxpayer or tax return 26027
preparer filing the generic form otherwise complies with the 26028
provisions of this chapter and of the municipal corporation 26029
ordinance or resolution governing the filing of returns, reports, 26030
or documents. 26031

(M) When income tax returns, reports, or other documents 26032
require the signature of a tax return preparer, the tax 26033
administrator shall accept a facsimile of such a signature in lieu 26034
of a manual signature. 26035

(N)(1) As used in this division, "worksite location" has the 26036
same meaning as in section 718.011 of the Revised Code. 26037

(2) A person may notify a tax administrator that the person 26038

does not expect to be a taxpayer with respect to the municipal 26039
corporation for a taxable year if both of the following conditions 26040
apply: 26041

(a) The person was required to file a tax return with the 26042
municipal corporation for the immediately preceding taxable year 26043
because the person performed services at a worksite location 26044
within that municipal corporation. 26045

(b) The person no longer provides services in the municipal 26046
corporation and does not expect to be subject to the municipal 26047
corporation's income tax for the taxable year. 26048

The person shall provide the notice in a signed affidavit 26049
that briefly explains the person's circumstances, including the 26050
location of the previous worksite location and the last date on 26051
which the person performed services or made any sales within the 26052
municipal corporation. The affidavit also shall include the 26053
following statement: "The affiant has no plans to perform any 26054
services within the municipal corporation, make any sales in the 26055
municipal corporation, or otherwise become subject to the tax 26056
levied by the municipal corporation during the taxable year. If 26057
the affiant does become subject to the tax levied by the municipal 26058
corporation for the taxable year, the affiant agrees to be 26059
considered a taxpayer and to properly register as a taxpayer with 26060
the municipal corporation if such a registration is required by 26061
the municipal corporation's resolutions, ordinances, or rules." 26062
The person shall sign the affidavit under penalty of perjury. 26063

(c) If a person submits an affidavit described in division 26064
(N)(2) of this section, the tax administrator shall not require 26065
the person to file any tax return for the taxable year unless the 26066
tax administrator possesses information that conflicts with the 26067
affidavit or if the circumstances described in the affidavit 26068
change. Nothing in division (N) of this section prohibits the tax 26069
administrator from performing an audit of the person. 26070

Sec. ~~718.021~~718.17. (A) As used in this section: 26071

(1) "Nonqualified deferred compensation plan" means a 26072
compensation plan described in section 3121(v)(2)(C) of the 26073
Internal Revenue Code. 26074

(2)(a) Except as provided in division (A)(2)(b) of this 26075
section, "qualifying loss" means the excess, if any, of the total 26076
amount of compensation the payment of which is deferred pursuant 26077
to a nonqualified deferred compensation plan over the total amount 26078
of income the taxpayer has recognized for federal income tax 26079
purposes for all taxable years on a cumulative basis as 26080
compensation with respect to the taxpayer's receipt of money and 26081
property attributable to distributions in connection with the 26082
nonqualified deferred compensation plan. 26083

(b) If, for one or more taxable years, the taxpayer has not 26084
paid to one or more municipal corporations income tax imposed on 26085
the entire amount of compensation the payment of which is deferred 26086
pursuant to a nonqualified deferred compensation plan, then the 26087
"qualifying loss" is the product of the amount resulting from the 26088
calculation described in division (A)(2)(a) of this section 26089
computed without regard to division (A)(2)(b) of this section and 26090
a fraction the numerator of which is the portion of such 26091
compensation on which the taxpayer has paid income tax to one or 26092
more municipal corporations and the denominator of which is the 26093
total amount of compensation the payment of which is deferred 26094
pursuant to a nonqualified deferred compensation plan. 26095

(c) With respect to a nonqualified deferred compensation 26096
plan, the taxpayer sustains a qualifying loss only in the taxable 26097
year in which the taxpayer receives the final distribution of 26098
money and property pursuant to that nonqualified deferred 26099
compensation plan. 26100

(3) "Qualifying tax rate" means the applicable tax rate for 26101

the taxable year for which the taxpayer paid income tax to a 26102
municipal corporation with respect to any portion of the total 26103
amount of compensation the payment of which is deferred pursuant 26104
to a nonqualified deferred compensation plan. If different tax 26105
rates applied for different taxable years, then the "qualifying 26106
tax rate" is a weighted average of those different tax rates. The 26107
weighted average shall be based upon the tax paid to the municipal 26108
corporation each year with respect to the nonqualified deferred 26109
compensation plan. 26110

(B)(1) Except as provided in division (D) of this section, a 26111
refundable credit shall be allowed against the income tax imposed 26112
by a municipal corporation for each qualifying loss sustained by a 26113
taxpayer during the taxable year. The amount of the credit shall 26114
be equal to the product of the qualifying loss and the qualifying 26115
tax rate. 26116

(2) A taxpayer shall claim the credit allowed under this 26117
section from each municipal corporation to which the taxpayer paid 26118
municipal income tax with respect to the nonqualified deferred 26119
compensation plan in one or more taxable years. 26120

(3) If a taxpayer has paid tax to more than one municipal 26121
corporation with respect to the nonqualified deferred compensation 26122
plan, the amount of the credit that a taxpayer may claim from each 26123
municipal corporation shall be calculated on the basis of each 26124
municipal corporation's proportionate share of the total municipal 26125
corporation income tax paid by the taxpayer to all municipal 26126
corporations with respect to the nonqualified deferred 26127
compensation plan. 26128

(4) In no case shall the amount of the credit allowed under 26129
this section exceed the cumulative income tax that a taxpayer has 26130
paid to a municipal corporation for all taxable years with respect 26131
to the nonqualified deferred compensation plan. 26132

(C)(1) For purposes of this section, municipal corporation 26133
income tax that has been withheld with respect to a nonqualified 26134
deferred compensation plan shall be considered to have been paid 26135
by the taxpayer with respect to the nonqualified deferred 26136
compensation plan. 26137

(2) Any municipal income tax that has been refunded or 26138
otherwise credited for the benefit of the taxpayer with respect to 26139
a nonqualified deferred compensation plan shall not be considered 26140
to have been paid to the municipal corporation by the taxpayer. 26141

(D) The credit allowed under this section is allowed only to 26142
the extent the taxpayer's qualifying loss is attributable to: 26143

(1) The insolvency or bankruptcy of the employer who had 26144
established the nonqualified deferred compensation plan; or 26145

(2) The employee's failure or inability to satisfy all of the 26146
employer's terms and conditions necessary to receive the 26147
nonqualified deferred compensation. 26148

Sec. 718.27. (A) As used in this section: 26149

(1) "Applicable law" means this chapter, the resolutions, 26150
ordinances, codes, directives, instructions, and rules adopted by 26151
a municipal corporation provided such resolutions, ordinances, 26152
codes, directives, instructions, and rules impose or directly or 26153
indirectly address the levy, payment, remittance, or filing 26154
requirements of a municipal income tax. 26155

(2) "Income tax," "estimated income tax," and "withholding 26156
tax" means any income tax, estimated income tax, and withholding 26157
tax imposed by a municipal corporation pursuant to applicable law, 26158
including at any time before January 1, 2016. 26159

(3) A "return" includes any tax return, report, 26160
reconciliation, schedule, and other document required to be filed 26161
with a tax administrator or municipal corporation by a taxpayer, 26162

to applicable law, including at any time before January 1, 2016. 26164

(4) "Federal short-term rate" means the rate of the average 26165

as determined under section 1274 of the Internal Revenue Code, for 26168
July of the current year. 26169

(5) "Interest rate as described in division (A) of this 26170
section" means the federal short-term rate, rounded to the nearest 26171
whole number per cent, plus five per cent. The rate shall apply 26172
for the calendar year next following the July of the year in which 26173
the federal short-term rate is determined in accordance with 26174
division (A)(4) of this section. 26175

(6) "Unpaid estimated income tax" means estimated income tax 26176
due but not paid by the date the tax is required to be paid under 26177
applicable law. 26178

(7) "Unpaid income tax" means income tax due but not paid by 26179
the date the income tax is required to be paid under applicable 26180
law. 26181

(8) "Unpaid withholding tax" means withholding tax due but 26182
not paid by the date the withholding tax is required to be paid 26183
under applicable law. 26184

(9) "Withholding tax" includes amounts an employer, any agent 26185
of an employer, or any other payer did not withhold in whole or in 26186
part from an employee's qualifying wages, but that, under 26187
applicable law, the employer, agent, or other payer is required to 26188
withhold from an employee's qualifying wages. 26189

(B)(1) This section applies to the following: 26190

(a) Any return required to be filed under applicable law for 26191
taxable years beginning on or after January 1, 2016; 26192

(b) Income tax, estimated income tax, and withholding tax 26193
required to be paid or remitted to the municipal corporation on or 26194
after January 1, 2016. 26195

(2) This section does not apply to returns required to be 26196
filed or payments required to be made before January 1, 2016, 26197
regardless of the filing or payment date. Returns required to be 26198
filed or payments required to be made before January 1, 2016, but 26199
filed or paid after that date shall be subject to the ordinances 26200
or rules, as adopted before January 1, 2016, of the municipal 26201
corporation to which the return is to be filed or the payment is 26202
to be made. 26203

(C) Each municipal corporation levying a tax on income may 26204
impose on a taxpayer, employer, any agent of the employer, and any 26205
other payer, and must attempt to collect, the interest amounts and 26206
penalties prescribed under division (C) of this section when the 26207
taxpayer, employer, any agent of the employer, or any other payer 26208
for any reason fails, in whole or in part, to make to the 26209
municipal corporation timely and full payment or remittance of 26210
income tax, estimated income tax, or withholding tax or to file 26211
timely with the municipal corporation any return required to be 26212
filed. 26213

(1) Interest shall be imposed at the rate described in 26214
division (A) of this section, per annum, on all unpaid income tax, 26215
unpaid estimated income tax, and unpaid withholding tax. 26216

(2)(a) With respect to unpaid income tax and unpaid estimated 26217
income tax, a municipal corporation may impose a penalty equal to 26218
fifteen per cent of the amount not timely paid. 26219

(b) With respect to any unpaid withholding tax, a municipal 26220
corporation may impose a penalty not exceeding fifty per cent of 26221
the amount not timely paid. 26222

(3) With respect to returns other than estimated income tax 26223

returns, a municipal corporation may impose a penalty ~~of not~~ 26224
exceeding twenty-five dollars for each failure to timely file each 26225
return, regardless of the liability shown thereon ~~for each month,~~ 26226
~~or any fraction thereof, during which the return remains unfiled~~ 26227
~~regardless of the liability shown thereon. The penalty shall not~~ 26228
~~exceed one hundred fifty dollars for each failure, except that a~~ 26229
municipal corporation shall abate or refund the penalty assessed 26230
on a taxpayer's first failure to timely file a return after the 26231
taxpayer files that return. 26232

(D)(1) With respect to the income taxes, estimated income 26233
taxes, withholding taxes, and returns, no municipal corporation 26234
shall impose, seek to collect, or collect any penalty, amount of 26235
interest, charges, or additional fees not described in this 26236
section. 26237

(2) With respect to the income taxes, estimated income taxes, 26238
withholding taxes, and returns not described in division (A) of 26239

corporation to refund or credit any penalty, amount of interest, 26241
charges, or additional fees that the municipal corporation has 26242
properly imposed or collected before January 1, 2016. 26243

(E) Nothing in this section limits the authority of a 26244
municipal corporation to abate or partially abate penalties or 26245
interest imposed under this section when the tax administrator 26246
determines, in the tax administrator's sole discretion, that such 26247
abatement is appropriate. 26248

(F) By the thirty-first day of October of each year the 26249
municipal corporation shall publish the rate described in division 26250
(A) of this section applicable to the next succeeding calendar 26251
year. 26252

(G) The municipal corporation may impose on the taxpayer, 26253
employer, any agent of the employer, or any other payer the 26254

municipal corporation's post-judgment collection costs and fees, 26255
including attorney's fees. 26256

Sec. 718.80. (A) A taxpayer may elect to be subject to 26257
sections 718.80 to 718.95 of the Revised Code in lieu of the 26258
provisions set forth in the remainder of this chapter. 26259
Notwithstanding any other provision of this chapter, upon the 26260
taxpayer's election, both of the following shall apply: 26261

(1) The tax commissioner shall serve as the sole 26262
administrator of each municipal income tax for which the taxpayer 26263
is liable for the term of the election; 26264

(2) The commissioner shall administer the tax pursuant to 26265
sections 718.80 to 718.95 of the Revised Code and any applicable 26266
provision of Chapter 5703. of the Revised Code. 26267

(B)(1) A taxpayer shall make the initial election on or 26268
before the fifteenth day of the fourth month after the beginning 26269
of the taxpayer's taxable year by providing to the tax 26270
commissioner a list of all municipal corporations in which the 26271
taxpayer conducted business during the previous taxable year, on a 26272
form prescribed by the tax commissioner. 26273

(2) At least quarterly, the tax commissioner shall notify 26274
each municipal corporation that a taxpayer lists in its election 26275
under division (B)(1) of this section that the taxpayer has made 26276
the election. 26277

(3)(a) The election, once made by the taxpayer, applies to 26278
the taxable year in which the election is made and to each 26279
subsequent taxable year until the taxpayer notifies the tax 26280
commissioner of its termination of the election. 26281

(b) A notification of termination shall be made, on a form 26282
prescribed by the tax commissioner, on or before the fifteenth day 26283
of the fourth month of any taxable year. 26284

(c) Upon a timely and valid termination of the election, the taxpayer is no longer subject to sections 718.80 to 718.95 of the Revised Code, and is instead subject to the provisions set forth in the remainder of this chapter.

(d) At least quarterly, the tax commissioner shall notify each municipal corporation reported on a taxpayer's most recent return or declaration filed with the commissioner of the taxpayer's termination of its election.

(4) The tax commissioner shall provide to all municipal corporations imposing a tax on income on or after January 1, 2018, a list of taxpayers that are subject to sections 718.80 to 718.95 of the Revised Code, including the taxpayers' names, addresses, and federal employee identification numbers. The list shall be made available via the portal created under section 718.841 of the Revised Code.

(C)(1)(a) On or before the thirty-first day of January each year, each municipal corporation imposing a tax on income shall certify to the tax commissioner the rate of the tax in effect on the first day of January of that year.

(b) If, after the thirty-first day of January of any year, ~~the electors of a municipal corporation approve an increase in~~ changes the rate of the municipal corporation's tax on income such that a new rate takes effect within that year, the municipal corporation shall certify to the tax commissioner the new rate of tax not less than sixty days before the effective date of the ~~increase~~ new rate, after which effective date the commissioner shall apply the ~~increased~~ new rate.

(2) A municipal corporation that receives a notification under division (B)(2) of this section shall submit to the tax commissioner, on a form prescribed by the commissioner and within the time prescribed by division (C)(3) of this section, the

(b) The amount of any net operating loss carryforward utilized by the taxpayer in prior years;

(c) Any credits granted by the municipal corporation to which the taxpayer is entitled, the amount of such credits, whether the credits may be carried forward to future tax years, and, if the credits may be carried forward, the duration of any such carryforward;

(d) Any overpayments of tax that the taxpayer has elected to carry forward to a subsequent tax year;

(e) Any other information the municipal corporation deems relevant in order to effectuate the tax commissioner's efficient administration of the tax on the municipal corporation's behalf.

(3) A municipal corporation shall submit the information required under division (C)(2) of this section to the tax commissioner within ninety days after the taxpayer files its final return or within fifteen days after the end of the taxable year for which the taxpayer made the initial election under division (B)(1) of this section, whichever occurs first. For the purposes of this section, "final return" means the return filed with the municipal corporation for the taxable year immediately preceding the taxable year for which the taxpayer made the election under division (B)(1) of this section.

(4) If any municipal corporation fails to timely comply with division (C)(1), (2), or (3) of this section, the tax commissioner may notify the director of budget and management, who, upon receiving such notification, shall withhold a portion of each

payment made to the municipal corporation under section 718.83 of 26347
the Revised Code. The commissioner shall specify the percentage of 26348
the payment to be withheld, not to exceed fifty per cent of the 26349
amount of the payment otherwise due to the municipal corporation 26350
under that section. The director shall compute the withholding on 26351
the basis of the tax rate most recently certified to the tax 26352
commissioner until the municipal corporation complies with 26353
divisions (C)(1), (2), and (3) of this section. 26354

If, after any such withholding, the municipal corporation 26355
complies with divisions (C)(1), (2), and (3) of this section, the 26356
tax commissioner shall notify the director of budget and 26357
management, who shall provide payment to the municipal corporation 26358
under section 718.83 of the Revised Code of such amounts withheld 26359
under this division. 26360

(D) The tax commissioner shall enforce and administer 26361
sections 718.80 to 718.95 of the Revised Code. In addition to any 26362

commissioner may: 26364

(1) Prescribe all forms necessary to administer those 26365
sections; 26366

(2) Adopt such rules as the tax commissioner finds necessary 26367
to carry out those sections; 26368

(3) Appoint and employ such personnel as are necessary to 26369
carry out the duties imposed upon the tax commissioner by those 26370
sections. 26371

(E) No tax administrator shall utilize sections 718.81 to 26372
718.95 of the Revised Code in the administrator's administration 26373
of a municipal income tax, and those sections shall not be applied 26374
to any taxpayer that has not made the election under this section. 26375

(F) Nothing in this chapter shall be construed to make any 26376
section of this chapter, other than sections 718.01 and 718.80 to 26377

718.95 of the Revised Code, applicable to the tax commissioner's administration of a municipal income tax or to any taxpayer that has made the election under this section.

(G) The tax commissioner shall not be considered a tax administrator, as that term is defined in section 718.01 of the Revised Code.

Sec. 718.82. This section applies to any taxpayer that is engaged in a business or profession in a municipal corporation and that has made the election under section 718.80 of the Revised Code.

(A) Except as otherwise provided in section 718.821 of the Revised Code and division (B) of this section, net profit from a business or profession conducted both within and without the boundaries of a municipal corporation shall be considered as having a taxable situs in the municipal corporation for purposes of municipal income taxation in the same proportion as the average ratio of the following:

(1) The average original cost of the real property and tangible personal property owned or used by the taxpayer in the business or profession in the municipal corporation during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.

As used in the preceding paragraph, tangible personal or real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight;

(2) Wages, salaries, and other compensation paid during the taxable period to individuals employed in the business or profession for services performed in the municipal corporation to

wages, salaries, and other compensation paid during the same 26408
period to individuals employed in the business or profession, 26409
wherever the individual's services are performed, excluding 26410
compensation from which taxes are not required to be withheld 26411
under section 718.011 of the Revised Code; 26412

(3) Total gross receipts of the business or profession from 26413
sales and rentals made and services performed during the taxable 26414
period in the municipal corporation to total gross receipts of the 26415
business or profession during the same period from sales, rentals, 26416
and services, wherever made or performed. 26417

(B)(1) If the apportionment factors described in division (A) 26418
of this section do not fairly represent the extent of a taxpayer's 26419
business activity in a municipal corporation, the taxpayer may 26420
request, or the tax commissioner may require, that the taxpayer 26421
use, with respect to all or any portion of the income of the 26422
taxpayer, an alternative apportionment method involving one or 26423
more of the following: 26424

(a) Separate accounting; 26425

(b) The exclusion of one or more of the factors; 26426

(c) The inclusion of one or more additional factors that 26427
would provide for a more fair apportionment of the income of the 26428
taxpayer to the municipal corporation; 26429

(d) A modification of one or more of the factors. 26430

(2) A taxpayer request to use an alternative apportionment 26431
method shall be in writing and shall accompany a tax return, 26432
timely filed appeal of an assessment, or timely filed amended tax 26433
return. The taxpayer may use the requested alternative method 26434
unless the tax commissioner denies the request in an assessment 26435
issued within the period prescribed by division (A) of section 26436
718.90 of the Revised Code. 26437

(3) The tax commissioner may require a taxpayer to use an alternative apportionment method as described in division (B)(1) of this section only by issuing an assessment to the taxpayer within the period prescribed by division (A) of section 718.90 of the Revised Code.

(C) As used in division (A)(2) of this section, "wages, salaries, and other compensation" includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:

(1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:

(a) The employer;

(b) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;

(c) A vendor, customer, client, or patient of a person described in division (C)(1)(b) of this section, or a related member of such a vendor, customer, client, or patient.

(2) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee's presence at the location directly or indirectly benefits the employer;

(3) Any other location, if the tax commissioner determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (C)(1) or (2) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If the tax commissioner makes such a determination, the employer may dispute

the determination by establishing, by a preponderance of the 26469
evidence, that the tax commissioner's determination was 26470
unreasonable. 26471

(D) For the purposes of division (A)(3) of this section, and 26472
except as provided in section 718.821 of the Revised Code, 26473
receipts from sales and rentals made and services performed shall 26474
be sitused to a municipal corporation as follows: 26475

(1) Gross receipts from the sale of tangible personal 26476
property shall be sitused to the municipal corporation only if, 26477
regardless of where title passes, the property meets either of the 26478
following criteria: 26479

(a) The property is shipped to or delivered within the 26480
municipal corporation from a stock of goods located within the 26481
municipal corporation. 26482

(b) The property is delivered within the municipal 26483
corporation from a location outside the municipal corporation, 26484
provided the taxpayer is regularly engaged through its own 26485
employees in the solicitation or promotion of sales within such 26486
municipal corporation and the sales result from such solicitation 26487
or promotion. 26488

(2) Gross receipts from the sale of services shall be sitused 26489
to the municipal corporation to the extent that such services are 26490
performed in the municipal corporation. 26491

(3) To the extent included in income, gross receipts from the 26492
sale of real property located in the municipal corporation shall 26493
be sitused to the municipal corporation. 26494

(4) To the extent included in income, gross receipts from 26495
rents and royalties from real property located in the municipal 26496
corporation shall be sitused to the municipal corporation. 26497

(5) Gross receipts from rents and royalties from tangible 26498

personal property shall be situated to the municipal corporation 26499
based upon the extent to which the tangible personal property is 26500
used in the municipal corporation. 26501

(E) Commissions received by a real estate agent or broker 26502
relating to the sale, purchase, or lease of real estate shall be 26503
situated to the municipal corporation in which the real estate is 26504
located. Net profit reported by the real estate agent or broker 26505
shall be allocated to a municipal corporation based upon the ratio 26506
of the commissions the agent or broker received from the sale, 26507
purchase, or lease of real estate located in the municipal 26508
corporation to the commissions received from the sale, purchase, 26509
or lease of real estate everywhere in the taxable year. 26510

(F) If, in computing a taxpayer's adjusted federal taxable 26511
income, the taxpayer deducted any amount with respect to a stock 26512
option granted to an employee, and if the employee is not required 26513
to include in the employee's income any such amount or a portion 26514
thereof because it is exempted from taxation under divisions 26515
(C)(12) and (R)(1)(d) of section 718.01 of the Revised Code by a 26516
municipal corporation to which the taxpayer has apportioned a 26517
portion of its net profit, the taxpayer shall add the amount that 26518
is exempt from taxation to the taxpayer's net profit that was 26519
apportioned to that municipal corporation. In no case shall a 26520
taxpayer be required to add to its net profit that was apportioned 26521
to that municipal corporation any amount other than the amount 26522
upon which the employee would be required to pay tax were the 26523
amount related to the stock option not exempted from taxation. 26524

This division applies solely for the purpose of making an 26525
adjustment to the amount of a taxpayer's net profit that was 26526
apportioned to a municipal corporation under this section. 26527

(G) When calculating the ratios described in division (A) of 26528
this section for the purposes of that division or division (B) of 26529
this section, the owner of a disregarded entity shall include in 26530

the owner's ratios the property, payroll, and gross receipts of 26531
such disregarded entity. 26532

Sec. 718.821. (A) Terms used in this section have the same 26533
meanings as in section 718.021 of the Revised Code. 26534

(B) A taxpayer may elect to apply the provisions of this 26535
section to the apportionment of its net profit from a business or 26536
profession. For taxpayers that make this election, the provisions 26537
of section 718.82 of the Revised Code apply to such apportionment 26538
except as otherwise provided in this section. 26539

A taxpayer shall make the election allowed under this section 26540
by notifying the tax commissioner in writing on or with the 26541
taxpayer's net profit return or, if applicable, a timely filed 26542
amended net profit return or a timely filed appeal of an 26543
assessment. The election applies to the taxable year for which 26544
that return or appeal is filed and for all subsequent taxable 26545
years, until the taxpayer revokes the election. After the taxpayer 26546
makes the initial election, the election applies to every 26547
municipal corporation in which the taxpayer conducts business. 26548

Nothing in this section prohibits a taxpayer from making a 26549
new election under this section after properly revoking a prior 26550
election. 26551

(C) For the purpose of calculating the ratios described in 26552
division (A) of section 718.82 of the Revised Code, all of the 26553
following apply to a taxpayer that has made the election described 26554
in division (B) of this section: 26555

(1) For the purpose of division (A)(1) of section 718.82 of 26556
the Revised Code, the average original cost of any tangible 26557
personal property used by a qualifying remote employee or owner at 26558
that individual's qualifying remote work location shall be situated 26559
to that individual's qualifying reporting location. 26560

(2) For the purpose of division (A)(2) of section 718.82 of the Revised Code, any wages, salaries, and other compensation paid during the taxable period to a qualifying remote employee or owner for services performed at that individual's qualifying remote work location shall be situated to that individual's qualifying reporting location. 26561
26562
26563
26564
26565
26566

(3) For the purpose of division (A)(3) of section 718.82 of the Revised Code, and notwithstanding division (D) of that section, any gross receipts of the business or profession from services performed during the taxable period by a qualifying remote employee or owner for services performed at that individual's qualifying remote work location shall be situated to that individual's qualifying reporting location. 26567
26568
26569
26570
26571
26572
26573

(D) Nothing in this section prevents a taxpayer from requesting, or the tax commissioner from requiring, that the taxpayer use, with respect to all or a portion of the income of the taxpayer, an alternative apportionment method as described in division (B) of section 718.82 of the Revised Code. However, the commissioner shall not require an alternative apportionment method in such a manner that it would cause a taxpayer to incur tax liability in a municipal corporation solely because a qualifying remote employee's or owner's qualifying remote work location is located in that municipal corporation. 26574
26575
26576
26577
26578
26579
26580
26581
26582
26583

(E) Except as otherwise provided in this section, nothing in this section is intended to affect the withholding of taxes on qualifying wages pursuant to sections 718.011 and 718.03 of the Revised Code. 26584
26585
26586
26587

Sec. 718.84. (A) Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by sections 718.80 to 718.95 of the Revised Code is confidential, and no person shall disclose such information, 26588
26589
26590
26591

except for official purposes, in accordance with a proper judicial 26592
order, or as provided in section 4123.271 or 5703.21 of the 26593
Revised Code. The tax commissioner may furnish the internal 26594
revenue service with copies of returns filed. This section does 26595
not prohibit the publication of statistics in a form which does 26596
not disclose information with respect to particular taxpayers. 26597

(B) In May and ~~November~~ December of each year, the tax 26598
commissioner shall provide each tax administrator with the 26599
following information for every taxpayer that ~~filed~~ had municipal 26600

identification number; 26608

(2) The taxpayer's apportionment ratio for, and amount of 26609
municipal taxable income apportionable to, the municipal 26610
corporation pursuant to section 718.82 of the Revised Code; 26611

(3) The amount of any pre-2017 net operating loss 26612

carried forward to a future taxable year; 26615

(5) The amount of any credit claimed under section 718.94 of 26616

(C) Not later than thirty days after each distribution made 26618
to municipal corporations under section 718.83 of the Revised 26619
Code, the tax commissioner shall provide to each municipal 26620
corporation a report stating the name and federal identification 26621

number of every taxpayer that made estimated payments that are 26622
attributable to the municipal corporation and the amount of each 26623
such taxpayer's estimated payment. 26624

(D) Not later than the thirty-first day of January of each 26625
year, every municipal corporation having taxpayers that have made 26626
the election allowed under section 718.80 of the Revised Code 26627
shall provide to the tax commissioner, in a format prescribed by 26628
the commissioner, the name and mailing address of up to two 26629
persons to whom the municipal corporation requests that the 26630
commissioner send the information described in divisions (B) and 26631
(C) of this section. The commissioner shall not provide such 26632
information to any person other than a person who is designated to 26633
receive the information under this section and who is employed by 26634
the municipal corporation or by a tax administrator, as defined in 26635
section 718.01 of the Revised Code, that administers the municipal 26636
corporation's income tax, except as may otherwise be provided by 26637
law. 26638

(E)(1) The tax commissioner may adopt rules that further 26639
govern the terms and conditions under which tax returns filed with 26640
the commissioner under this chapter, and any other information 26641
gained in the performance of the commissioner's duties prescribed 26642
by this chapter, shall be available for inspection by properly 26643
authorized officers, employees, or agents of the municipal 26644
corporations to which the taxpayer's net profit is apportioned 26645
under section 718.82 of the Revised Code. 26646

(2) As used in this division, "properly authorized officer, 26647
employee, or agent" means an officer, employee, or agent of a 26648
municipal corporation who is authorized by charter or ordinance of 26649
the municipal corporation to view or possess information referred 26650
to in section 718.13 of the Revised Code. 26651

(F)(1) If, upon receiving the information described in 26652
division (B) of section 718.91 of the Revised Code or division (B) 26653

or (C) of this section, a municipal corporation discovers that it 26654
has additional information in its possession that could result in 26655
a change to a taxpayer's tax liability, the municipal corporation 26656
may refer the taxpayer to the tax commissioner for an audit. Such 26657
referral shall be made on a form prescribed by the commissioner 26658
and shall include any information that forms the basis for the 26659
referral. 26660

(2) Upon receipt of a referral under division (F)(1) of this 26661
section, the commissioner shall review the referral and may 26662
conduct an audit of the taxpayer that is the subject of the 26663
referral based on the information in the referral and any other 26664
relevant information available to the commissioner. 26665

(3) Nothing in division (F) of this section shall be 26666
construed as forming the sole basis upon which the commissioner 26667
may conduct an audit of a taxpayer. 26668

(4) Nothing in this chapter shall prohibit a municipal 26669
corporation from filing a writ of mandamus if the municipal 26670
corporation believes that the commissioner has violated the 26671
commissioner's fiduciary duty as the administrator of the tax 26672
levied by the municipal corporation. 26673

Sec. 718.85. (A)(1) For each taxable year, every taxpayer 26674
shall file an annual return. Such return, along with the amount of 26675
tax shown to be due on the return less the amount paid for the 26676
taxable year under section 718.88 of the Revised Code, shall be 26677
submitted to the tax commissioner, on a form and in the manner 26678
prescribed by the commissioner, on or before the fifteenth day of 26679
the fourth month following the end of the taxpayer's taxable year. 26680

(2) The remittance shall be made payable to the treasurer of 26681
state and in the form prescribed by the tax commissioner. If the 26682
amount payable with the tax return is ten dollars or less, no 26683
remittance is required. 26684

(B) The tax commissioner shall immediately forward to the treasurer of state all amounts the commissioner receives pursuant to sections 718.80 to 718.95 of the Revised Code. The treasurer shall credit such amounts to the municipal net profit tax fund which is hereby created in the state treasury.

(C)(1) Each return required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's identification number. Each return shall be verified by a declaration under penalty of perjury.

(2)(a) The tax commissioner may require a taxpayer to include, with each annual tax return, amended return, or request for refund filed with the commissioner under sections 718.80 to 718.95 of the Revised Code, copies of any relevant documents or other information.

(b) A taxpayer that files an annual tax return electronically through the Ohio business gateway or in another manner as prescribed by the tax commissioner shall either submit the documents required under this division electronically as prescribed at the time of filing or, if electronic submission is not available, mail the documents to the tax commissioner. The department of taxation shall publish a method of electronically submitting the documents required under this division on or before January 1, 2019.

(3) After a taxpayer files a tax return, the tax commissioner may request, and the taxpayer shall provide, any information, statements, or documents required to determine and verify the taxpayer's municipal income tax.

(D)(1)(a) Any taxpayer that has duly requested an automatic extension for filing the taxpayer's federal income tax return

shall automatically receive an extension for the filing of a tax 26716
return with the commissioner under this section. The extended due 26717
date of the return shall be the fifteenth day of the ~~tenth~~ 26718
eleventh month after the last day of the taxable year to which the 26719
return relates. 26720

(b) A taxpayer that has not requested or received a six-month 26721
extension for filing the taxpayer's federal income tax return may 26722
request that the commissioner grant the taxpayer a six-month 26723
extension of the date for filing the taxpayer's ~~municipal income~~ 26724
tax return. If the commissioner receives the request on or before 26725
the date the ~~municipal income~~ tax return is due, the commissioner 26726
shall grant the taxpayer's extension request. 26727

(c) An extension of time to file under division (D)(1) of 26728
this section is not an extension of the time to pay any tax due 26729
unless the tax commissioner grants an extension of that date. 26730

(2) If the commissioner considers it necessary in order to 26731
ensure payment of a tax imposed in accordance with section 718.04 26732
of the Revised Code, the commissioner may require taxpayers to 26733
file returns and make payments otherwise than as provided in this 26734
section, including taxpayers not otherwise required to file annual 26735
returns. 26736

(3) If a taxpayer receives an extension for the filing of a 26737
tax return under division (D)(1) or (2) of this section, the 26738
commissioner shall not make any inquiry or send any notice to the 26739
taxpayer with regard to the return on or before the date the 26740
taxpayer files the return or on or before the extended due date to 26741
file the return, whichever occurs first. 26742

Division (D)(3) of this section does not apply to an 26743
extension received under division (D)(1) of this section if the 26744
commissioner has actual knowledge that the taxpayer failed to file 26745
for a federal extension as required to receive the extension under 26746

division (D)(1)(a) of this section or failed to file for an 26747
extension under division (D)(1)(b) of this section. 26748

(E) Each return required to be filed in accordance with this 26749
section shall include a box that the taxpayer may check to 26750
authorize another person, including a tax return preparer who 26751
prepared the return, to communicate with the tax commissioner 26752
about matters pertaining to the return. The return or instructions 26753
accompanying the return shall indicate that by checking the box 26754
the taxpayer authorizes the commissioner to contact the preparer 26755
or other person concerning questions that arise during the 26756
examination or other review of the return and authorizes the 26757
preparer or other person only to provide the commissioner with 26758
information that is missing from the return, to contact the 26759
commissioner for information about the examination or other review 26760
of the return or the status of the taxpayer's refund or payments, 26761
and to respond to notices about mathematical errors, offsets, or 26762
return preparation that the taxpayer has received from the 26763
commissioner and has shown to the preparer or other person. 26764

(F) When income tax returns or other documents require the 26765
signature of a tax return preparer, the tax commissioner shall 26766
accept a facsimile or electronic version of such a signature in 26767
lieu of a manual signature. 26768

Sec. 718.89. (A) In addition to any other penalty imposed by 26769
sections 718.80 to 718.95 or Chapter 5703. of the Revised Code, 26770
the following penalties shall apply: 26771

(1) If a taxpayer required to file a tax return under 26772
sections 718.80 to 718.95 of the Revised Code fails to make and 26773
file the return within the time prescribed, including any 26774
extensions of time granted by the tax commissioner, the 26775
commissioner may impose a penalty not exceeding twenty-five 26776
dollars ~~per month or fraction of a month, for each month or~~ 26777

~~fraction of a month elapsing between the due date, including 26778
extensions of the due date, and the date on which the return is 26779
filed. The aggregate penalty, per instance, under this division 26780
shall not exceed one hundred fifty dollars, except that the 26781
commissioner shall abate or refund the penalty assessed on a 26782
taxpayer's first failure to timely file a return after the 26783
taxpayer files that return. 26784~~

(2) If a person required to file a tax return electronically 26785
under sections 718.80 to 718.95 of the Revised Code fails to do 26786
so, the commissioner may impose a penalty not to exceed the 26787
following: 26788

(a) For each of the first two failures, five per cent of the 26789
amount required to be reported on the return; 26790

(b) For the third and any subsequent failure, ten per cent of 26791
the amount required to be reported on the return. 26792

(3) If a taxpayer that has made the election allowed under 26793
section 718.80 of the Revised Code fails to timely pay an amount 26794
of tax required to be paid under this chapter, the commissioner 26795
may impose a penalty equal to fifteen per cent of the amount not 26796
timely paid. 26797

(4) If a taxpayer files what purports to be a tax return 26798
required by sections 718.80 to 718.95 of the Revised Code that 26799
does not contain information upon which the substantial 26800
correctness of the return may be judged or contains information 26801
that on its face indicates that the return is substantially 26802
incorrect, and the filing of the return in that manner is due to a 26803
position that is frivolous or a desire that is apparent from the 26804
return to delay or impede the administration of sections 718.80 to 26805
718.95 of the Revised Code, a penalty of up to five hundred 26806
dollars may be imposed. 26807

(5) If a taxpayer makes a fraudulent attempt to evade the 26808

reporting or payment of the tax required to be shown on any return 26809
required under sections 718.80 to 718.95 of the Revised Code, a 26810
penalty may be imposed not exceeding the greater of one thousand 26811
dollars or one hundred per cent of the tax required to be shown on 26812
the return. 26813

(6) If any person makes a false or fraudulent claim for a 26814
refund under section 718.91 of the Revised Code, a penalty may be 26815
imposed not exceeding the greater of one thousand dollars or one 26816
hundred per cent of the claim. Any penalty imposed under this 26817
division, any refund issued on the claim, and interest on any 26818
refund from the date of the refund, may be assessed under section 26819
718.90 of the Revised Code without regard to any time limitation 26820
for the assessment imposed by division (A) of that section. 26821

(B) For purposes of this section, the tax required to be 26822
shown on a tax return shall be reduced by the amount of any part 26823
of the tax paid on or before the date, including any extensions of 26824
the date, prescribed for filing the return. 26825

veterinarian, county dog pound, or humane society where it is 27657
being kept, housed, and maintained, provided that the dog has been 27658
spayed or neutered unless there are medical reasons against 27659

rescue for dogs, animal shelter for dogs, boarding kennel, 27661
veterinarian, county dog pound, or humane society may charge a 27662
reasonable adoption fee. The fee shall be at least sufficient to 27663
cover the costs of spaying or neutering the dog unless it is 27664
medically contraindicated. Impounded dogs shall be returned to 27665
persons acquitted of any alleged violations. 27666

Sec. 956.15. (A) The director of agriculture shall deny an 27667
application for a license that is submitted under section 956.04 27668
or 956.05 of the Revised Code for either of the following reasons: 27669

of this chapter or a rule adopted under it if the violation 27671

materially threatens the health or welfare of a dog. 27672

(2) The applicant has been convicted of or pleaded guilty to 27673
a disqualifying offense as determined in accordance with section 27674
9.79 of the Revised Code. 27675

(B) The director may suspend or revoke a license issued under 27676
this chapter for violation of any provision of this chapter or a 27677
rule adopted or order issued under it if the violation materially 27678
threatens the health and welfare of a dog. 27679

(C) An application or a license shall not be denied, 27680
suspended, or revoked under this section without a written order 27681
of the director stating the findings on which the denial, 27682
suspension, or revocation is based. A copy of the order shall be 27683
sent to the applicant or license holder by certified mail or may 27684
be provided to the applicant or license holder by personal 27685
service. In addition, the person to whom a denial, suspension, or 27686
revocation applies may request an adjudication hearing under 27687
Chapter 119. of the Revised Code. The director shall comply with 27688
such a request. The determination of the director at an 27689
adjudication hearing may be appealed in accordance with section 27690
119.12 of the Revised Code, ~~except that the determination may be~~ 27691
~~appealed only to the environmental division of the Franklin county~~ 27692

Sec. 993.04. (A)(1) No person shall operate an amusement ride 27694
within the state without a permit issued by the director of 27695
agriculture under division (A)(2) of this section. The owner of an 27696
amusement ride, whether the ride is a temporary amusement ride or 27697
a permanent amusement ride, who desires to operate the amusement 27698
ride within the state shall, prior to the operation of the 27699
amusement ride and annually thereafter, submit to the department 27700
of agriculture an application for a permit, together with the 27701
appropriate permit and inspection fee, on a form to be furnished 27702

by the department. Prior to issuing any permit the department 27703
shall, within thirty days after the date on which it receives the 27704
application, inspect each amusement ride described in the 27705
application. The owner of an amusement ride shall have the 27706
amusement ride ready for inspection not later than two hours after 27707
the time that is requested by the person for the inspection. 27708

(2) For each amusement ride found to comply with the rules 27709
adopted by the director under division (B) of this section and 27710
division (B) of section 993.08 of the Revised Code, the director 27711
shall issue an annual permit, provided that evidence of liability 27712
insurance coverage for the amusement ride as required by section 27713
993.06 of the Revised Code is on file with the department. 27714

(3) The director shall issue with each permit a decal 27715
indicating that the amusement ride has been issued the permit. The 27716
owner of the amusement ride shall affix the decal on the ride at a 27717
location where the decal is easily visible to the patrons of the 27718
ride. A copy of the permit shall be kept on file at the same 27719
address as the location of the amusement ride identified on the 27720
permit, and shall be made available for inspection, upon 27721
reasonable demand, by any person. An owner may operate an 27722
amusement ride prior to obtaining a permit, provided that the 27723
operation is for the purpose of testing the amusement ride or 27724
training amusement ride operators and other employees of the owner 27725
and the amusement ride is not open to the public. 27726

(B)(1) The director, in accordance with Chapter 119. of the 27727
Revised Code, shall adopt rules providing for both of the 27728
following: 27729

(a) A schedule of fines, with no fine exceeding five thousand 27730
dollars, for violations of this chapter or any rules adopted under 27731
this division; 27732

(b) The classification of amusement rides and rules for the 27733

safe operation and inspection of all amusement rides as are 27734
necessary for amusement ride safety and for the protection of the 27735
general public. The classification of amusement rides must 27736
identify those rides that need more comprehensive inspection and 27737
testing in addition to regular state inspections, taking into 27738
account hidden components integral to the safety of the ride. 27739

(2)(a) Rules adopted by the director for the safe operation 27740
and inspection of amusement rides shall be reasonable and shall be 27741
based upon generally accepted engineering standards and practices. 27742
The rules shall establish a minimum number of inspections to be 27743
conducted on each ride depending on the size, complexity, nature 27744
of the ride, and the number of days the ride is in operation 27745
during the year for which the applicable permit is valid. The 27746
rules also shall require the minimum number of inspectors assigned 27747
to inspect a ride or rides to be reasonable and adequate given the 27748
number, size, complexity, and nature of the ride or rides. 27749

(b) In adopting rules under this section, the director may 27750
adopt by reference, in whole or in part, the national fire code or 27751
the national electrical code (NEC) prepared by the national fire 27752
protection association or the American national standards 27753
institute (ANSI), or any other principles, tests, or standards of 27754
nationally recognized technical or scientific authorities. 27755

(c) In adopting rules under this section, the director shall 27756
adopt, by reference, the following chapters of the American 27757
society for testing and materials (ASTM) international regarding 27758
amusement ride safety standards and any other equivalent national 27759
standard: 27760

(i) ASTM F1193-18; 27761

(ii) ASTM F770-18; 27762

(iii) ASTM F2291-18. 27763

(d) Insofar as is practicable and consistent with this 27764

chapter, rules adopted under this division shall be consistent 27765
with the rules of other states. 27766

(3) The department shall cause this chapter and the rules 27767
adopted in accordance with this division and division (B) of 27768
section 993.08 of the Revised Code to be published in pamphlet 27769
form and a copy to be furnished without charge to each owner of an 27770
amusement ride who holds a current permit or is an applicant 27771
therefor. 27772

(C) With respect to an application for a permit for an 27773
amusement ride, an owner may apply to the director for a waiver or 27774
modification of any rule adopted under division (B) of this 27775
section if there are practical difficulties or unnecessary 27776
hardships for the amusement ride to comply with the rules. Any 27777
application shall set forth the reasons for the request. The 27778
director, with the approval of the advisory council on amusement 27779
ride safety, may waive or modify the application of a rule to any 27780
amusement ride if the public safety is secure. Any authorization 27781
by the director under this division shall be in writing and shall 27782
set forth the conditions under which the waiver or modification is 27783
authorized, and the department shall retain separate records of 27784
all proceedings under this division. 27785

(D)(1) The director shall employ and provide for training of 27786
a chief inspector and additional inspectors and employees as may 27787
be necessary to administer and enforce this chapter. The director 27788
may appoint or contract with other persons to perform inspections 27789
of amusement rides, provided that the persons meet the 27790
qualifications for inspectors established by rules adopted under 27791
division (B) of this section and are not owners, or employees of 27792
owners, of any amusement ride subject to inspection under this 27793
chapter. When employing a new chief inspector or an additional 27794
inspector after November 6, 2019, the director shall give 27795
preference to the following: 27796

(a) An individual holding a level one or higher inspector certification from either the national association of amusement ride safety officials (NAARSO), the amusement industry manufacturers and suppliers (AIMS) international, or another substantially equivalent organization as determined by the director; and

(b) An individual who intends, within one year of being hired as an inspector, to complete the requirements for issuance of a level one or higher inspector certification from NAARSO, AIMS International, or another substantially equivalent organization as determined by the director.

(2) No person shall inspect an amusement ride who, within six months prior to the date of inspection, was an employee of the owner of the ride.

(3) Before the director contracts with other persons to inspect amusement rides, the director shall seek the advice of the advisory council on amusement ride safety on whether to contract with those persons. The advice shall not be binding upon the director. After having received the advice of the council, the director may proceed to contract with inspectors in accordance with the procedures specified in division (E)(2) of section 1711.11 of the Revised Code.

(4) With the advice and consent of the advisory council on amusement ride safety, the director may employ a special consultant to conduct an independent investigation of an amusement ride accident. This consultant need not be in the civil service of the state, but shall have qualifications to conduct the investigation acceptable to the council.

(E)(1) Except as otherwise provided in division (E)(1) of this section, the department shall charge the following amusement ride fees:

1	2	27828
A Permit	\$ 225	27829
B Annual inspection and reinspection per ride:		27830
C Kiddie rides	\$ 100	27831
D Roller coaster	\$ 1,200	27832
E Aerial lifts or bungee jumping facilities	\$ 450	27833

K Failure to have amusement ride ready for inspection per ride	\$ 100	27839
The go kart inspection fee is in addition to the inspection fee for the go kart track.		27840 27841
The director shall adopt rules in accordance with Chapter 119. of the Revised Code establishing an annual fee that is less than one hundred five dollars for an inspection and reinspection of an inflatable ride. In adopting the rules, the director shall ensure that the fee reasonably reflects the costs of inspection and reinspection of an inflatable ride. If the director issues a permit for an inflatable ride for a time period of less than one year, the director shall charge a prorated fee for the permit equal to one-twelfth of the annual permit fee multiplied by the number of full months for which the permit is issued.		27842 27843 27844 27845 27846 27847 27848 27849 27850 27851
The fees for an expedited inspection, failure to cancel a scheduled inspection, and failure to have an amusement ride ready for inspection do not apply to go karts.		27852 27853 27854

As used in division (E)(1) of this section, "expedited inspection" means an inspection of an amusement ride by the department not later than ten days after the owner of the amusement ride files an application for a permit under this section.

(2) All fees and fines collected by the department under this chapter shall be deposited in the state treasury to the credit of the amusement ride inspection fund, which is hereby created, and shall be used only for the purpose of administering and enforcing section 1711.11 of the Revised Code and this chapter.

(3) The owner of an amusement ride shall be required to pay a reinspection fee only if the reinspection is required by division (B)(2) of this section or rules adopted under that division, if the reinspection was conducted at the owner's request under division (F) of this section, if the reinspection is required by division (F) of this section because of an accident, or if the reinspection is required by division (F) of section 993.07 of the Revised Code. If a reinspection is conducted at the request of the chief officer of a fair, festival, or event where the ride is operating, the reinspection fee shall be charged to the fair, festival, or event.

(4) The rules adopted under division (B) of this section shall define "roller coaster," "aerial lifts," "go karts," and "other rides" for purposes of determining the fees under division (E) of this section. The rules shall define "other rides" to include go kart tracks.

(F) A reinspection of an amusement ride shall take place if an accident occurs, if the owner of the ride or the chief officer of the fair, festival, or event where the ride is operating requests a reinspection, if the chief inspector determines reinspection is necessary in accordance with section 993.042 of the Revised Code, or if the reinspection is required by division

(F) of section 993.07 of the Revised Code. 27887

(G) As a supplement to its annual inspection of a temporary 27888
amusement ride, the department may inspect the ride during each 27889
scheduled event, as listed in the schedule of events provided to 27890
the department by the owner pursuant to division (C) of section 27891
993.07 of the Revised Code, at which the ride is operated in this 27892
state. These supplemental inspections are in addition to any other 27893
inspection or reinspection of the ride as may be required under 27894
this chapter or rules adopted under it, and the owner of the 27895
temporary amusement ride is not required to pay an inspection or 27896
reinspection fee for this supplemental inspection unless the 27897
supplemental inspection is being conducted pursuant to division 27898
(B)(2) of this section or rules adopted under that division. 27899
Nothing in this division shall be construed to prohibit the owner 27900
of a temporary amusement ride having a valid permit to operate in 27901
this state from operating the ride at a scheduled event before the 27902
department conducts a supplemental inspection. 27903

(H) The department may annually conduct a midseason 27904
operational inspection of every amusement ride upon which it 27905
conducts an annual inspection pursuant to division (A) of this 27906
section. The midseason operational inspection is in addition to 27907
any other inspection or reinspection of the amusement ride as may 27908
be required pursuant to this chapter. The owner of an amusement 27909
ride shall submit to the department, at the time determined by the 27910
department, the midseason operational inspection fee specified in 27911
division (E) of this section. The director, in accordance with 27912
Chapter 119. of the Revised Code, shall adopt rules specifying the 27913
time period during which the department will conduct midseason 27914
operational inspections. 27915

may extend the conditional approval for not more than ninety days. 27979

Sec. 1321.37. (A) Application for an original or renewal 27980

(1) The financial responsibility, experience, and general 28022
fitness of the applicant are such as to warrant the belief that 28023
the business of making loans will be operated lawfully, honestly, 28024
and fairly under sections 1321.35 to 1321.48 of the Revised Code 28025
and within the purposes of those sections; that the applicant has 28026
fully complied with those sections and any rule or order adopted 28027
or issued pursuant to section 1321.43 of the Revised Code; and 28028
that the applicant is qualified to engage in the business of 28029
making loans under sections 1321.35 to 1321.48 of the Revised 28030
Code. 28031

(2) The applicant is financially sound and has a net worth of 28032
not less than one hundred thousand dollars, or in the case of a 28033
nonprofit corporation that is incorporated under Chapter 1702. of 28034

applicant or any of those other persons has been subject to such a 28050
judgment, the applicant has proven to the superintendent, by a 28051
preponderance of the evidence, that the applicant's or other 28052
person's activities and employment record since the judgment show 28053
that the applicant or other person is honest and truthful and 28054
there is no basis in fact for believing that the applicant or 28055
other person will be subject to such a judgment again. 28056

(C) If the superintendent finds that the applicant does not 28057
meet the requirements of division (B) of this section, or the 28058
superintendent finds that the applicant knowingly or repeatedly 28059
contracts with or employs persons to directly engage in lending 28060
activities who have been convicted of a felony crime listed in 28061
division (B)(5) of this section, the superintendent shall issue an 28062

denial in accordance with Chapter 119. of the Revised Code. The 28065
superintendent shall notify the applicant of the denial, the 28066
grounds for the denial, and the applicant's opportunity for a 28067
hearing. If the application is denied, the superintendent shall 28068
return the annual license fee but shall retain the investigation 28069
fee. 28070

(D) No person licensed under sections 1321.35 to 1321.48 of 28071
the Revised Code shall conduct business in this state unless the 28072
licensee has obtained and maintains in effect at all times a 28073
corporate surety bond issued by a bonding company or insurance 28074
company authorized to do business in this state. The bond shall be 28075

in favor of the superintendent and in the penal sum of at least 28076
one hundred thousand dollars, or in the case of a nonprofit 28077
corporation that is incorporated under Chapter 1702. of the 28078
Revised Code, in the amount of fifty thousand dollars. The term of 28079
the bond shall coincide with the term of the license. The licensee 28080
shall file a copy of the bond with the superintendent. The bond 28081
shall be for the exclusive benefit of any borrower injured by a 28082
violation by a licensee or any employee of a licensee, of any 28083
provision of sections 1321.35 to 1321.48 of the Revised Code. 28084

Sec. 1321.53. (A)(1) An application for a certificate of 28085
registration under sections 1321.51 to 1321.60 of the Revised Code 28086
shall contain an undertaking by the applicant to abide by those 28087
sections. The application shall be in writing, under oath, and in 28088
the form prescribed by the division of financial institutions, and 28089
shall contain any information that the division may require. 28090
Applicants that are foreign corporations shall obtain and maintain 28091
a license pursuant to Chapter 1703. of the Revised Code before a 28092
certificate is issued or renewed. 28093

(2) Upon the filing of the application and the payment by the 28094
applicant of a nonrefundable two-hundred-dollar investigation fee 28095
and a nonrefundable three-hundred-dollar annual registration fee, 28096
the division shall investigate the relevant facts. If the 28097
application involves investigation outside this state, the 28098
applicant may be required by the division to advance sufficient 28099
funds to pay any of the actual expenses of such investigation, 28100
when it appears that these expenses will exceed two hundred 28101
dollars. An itemized statement of any of these expenses which the 28102
applicant is required to pay shall be furnished to the applicant 28103
by the division. No certificate shall be issued unless all the 28104
required fees have been submitted to the division. 28105

(3) The investigation undertaken upon application shall 28106

include both a civil and criminal records check of the applicant 28107
including any individual whose identity is required to be 28108
disclosed in the application. Where the applicant is a business 28109
entity the superintendent shall have the authority to require a 28110
civil and criminal background check of those persons that in the 28111
determination of the superintendent have the authority to direct 28112
and control the operations of the applicant. 28113

(4)(a) Notwithstanding division ~~(K)~~(L) of section 121.08 of 28114
the Revised Code, the superintendent of financial institutions 28115
shall obtain a criminal history records check and, as part of that 28116
records check, request that criminal record information from the 28117
federal bureau of investigation be obtained. To fulfill this 28118
requirement, the superintendent shall request the superintendent 28119
of the bureau of criminal identification and investigation, or a 28120
vendor approved by the bureau, to conduct a criminal records check 28121
based on the applicant's fingerprints or, if the fingerprints are 28122
unreadable, based on the applicant's social security number, in 28123
accordance with section 109.572 of the Revised Code. 28124

(b) Any fee required under division (C)(3) of section 109.572 28125
of the Revised Code shall be paid by the applicant. 28126

(5) If an application for a certificate of registration does 28127
not contain all of the information required under division (A) of 28128
this section, and if such information is not submitted to the 28129
division within ninety days after the superintendent requests the 28130
information in writing, including by electronic transmission or 28131
facsimile, the superintendent may consider the application 28132
withdrawn. 28133

(6) If the division finds that the financial responsibility, 28134
experience, and general fitness of the applicant command the 28135
confidence of the public and warrant the belief that the business 28136
will be operated honestly and fairly in compliance with the 28137
purposes of sections 1321.51 to 1321.60 of the Revised Code and 28138

the rules adopted thereunder, and that the applicant has the 28139
applicable net worth and assets required by division (B) of this 28140
section, the division shall thereupon issue a certificate of 28141
registration to the applicant. The superintendent shall not use a 28142
credit score as the sole basis for a registration denial. 28143

(a)(i) Certificates of registration issued on or after July 28144
1, 2010, shall annually expire on the thirty-first day of 28145
December, unless renewed by the filing of a renewal application 28146
and payment of a three-hundred-dollar nonrefundable annual 28147
registration fee and any assessment as determined by the 28148
superintendent pursuant to division (A)(6)(a)(ii) of this section 28149
on or before the last day of December of each year. No other fee 28150
or assessment shall be required of a registrant by the state or 28151
any political subdivision of this state. 28152

(ii) If the renewal fees billed by the superintendent 28153
pursuant to division (A)(6)(a)(i) of this section are less than 28154
the estimated expenditures of the consumer finance section of the 28155
division of financial institutions, as determined by the 28156
superintendent, for the following fiscal year, the superintendent 28157
may assess each registrant at a rate sufficient to equal in the 28158
aggregate the difference between the renewal fees billed and the 28159
estimated expenditures. Each registrant shall pay the assessed 28160
amount to the superintendent prior to the last day of June. In no 28161
case shall the assessment exceed ten cents per each one hundred 28162
dollars of interest (excluding charge-off recoveries), points, 28163
loan origination charges, and credit line charges collected by 28164
that registrant during the previous calendar year. If such an 28165
assessment is imposed, it shall not be less than two hundred fifty 28166
dollars per registrant and shall not exceed thirty thousand 28167
dollars less the total renewal fees paid pursuant to division 28168
(A)(6)(a)(i) of this section by each registrant. 28169

(b) Registrants shall timely file renewal applications on 28170

forms prescribed by the division and provide any further 28171
information that the division may require. If a renewal 28172
application does not contain all of the information required under 28173
this section, and if that information is not submitted to the 28174
division within ninety days after the superintendent requests the 28175
information in writing, including by electronic transmission or 28176
facsimile, the superintendent may consider the application 28177
withdrawn. 28178

(c) Renewal shall not be granted if the applicant's 28179
certificate of registration is subject to an order of suspension, 28180
revocation, or an unpaid and past due fine imposed by the 28181
superintendent. 28182

(d) If the division finds the applicant does not meet the 28183
conditions set forth in this section, it shall issue a notice of 28184
intent to deny the application, and forthwith notify the applicant 28185
of the denial, the grounds for the denial, and the applicant's 28186
reasonable opportunity to be heard on the action in accordance 28187
with Chapter 119. of the Revised Code. 28188

(7) If there is a change of five per cent or more in the 28189
ownership of a registrant, the division may make any investigation 28190
necessary to determine whether any fact or condition exists that, 28191
if it had existed at the time of the original application for a 28192
certificate of registration, the fact or condition would have 28193
warranted the division to deny the application under division 28194
(A)(6) of this section. If such a fact or condition is found, the 28195
division may, in accordance with Chapter 119. of the Revised Code, 28196
revoke the registrant's certificate. 28197

(B) Each registrant that engages in lending under sections 28198
1321.51 to 1321.60 of the Revised Code shall maintain both of the 28199
following: 28200

(1) A net worth of at least fifty thousand dollars; 28201

(2) For each certificate of registration, assets of at least 28202
fifty thousand dollars either in use or readily available for use 28203
in the conduct of the business. 28204

(C) Not more than one place of business shall be maintained 28205
under the same certificate, but the division may issue additional 28206
certificates to the same registrant upon compliance with sections 28207
1321.51 to 1321.60 of the Revised Code, governing the issuance of 28208
a single certificate. No change in the place of business of a 28209
registrant to a location outside the original municipal 28210
corporation shall be permitted under the same certificate without 28211
the approval of a new application, the payment of the registration 28212
fee and, if required by the superintendent, the payment of an 28213
investigation fee of two hundred dollars. When a registrant wishes 28214
to change its place of business within the same municipal 28215
corporation, it shall give written notice of the change in advance 28216
to the division, which shall provide a certificate for the new 28217
address without cost. If a registrant changes its name, prior to 28218
making loans under the new name it shall give written notice of 28219
the change to the division, which shall provide a certificate in 28220
the new name without cost. Sections 1321.51 to 1321.60 of the 28221
Revised Code do not limit the loans of any registrant to residents 28222
of the community in which the registrant's place of business is 28223
situated. Each certificate shall be kept conspicuously posted in 28224
the place of business of the registrant and is not transferable or 28225
assignable. 28226

(D) Sections 1321.51 to 1321.60 of the Revised Code do not 28227
apply to any of the following: 28228

(1) Entities chartered and lawfully doing business under the 28229
authority of any law of this state, another state, or the United 28230
States as a bank, savings bank, trust company, savings and loan 28231
association, or credit union, or a subsidiary of any such entity, 28232
which subsidiary is regulated by a federal banking agency and is 28233

owned and controlled by such a depository institution;	28234
(2) Life, property, or casualty insurance companies licensed to do business in this state;	28235 28236
(3) Any person that is a lender making a loan pursuant to sections 1321.01 to 1321.19 or sections 1321.62 to 1321.701 of the Revised Code or a business loan as described in division (B)(6) of section 1343.01 of the Revised Code;	28237 28238 28239 28240
(4) Any political subdivision, or any governmental or other public entity, corporation, instrumentality, or agency, in or of the United States or any state of the United States, or any entity described in division (B)(3) of section 1343.01 of the Revised Code;	28241 28242 28243 28244 28245
(5) A college or university, or controlled entity of a college or university, as those terms are defined in section 1713.05 of the Revised Code.	28246 28247 28248
(E) No person engaged in the business of selling tangible goods or services related to tangible goods may receive or retain a certificate under sections 1321.51 to 1321.60 of the Revised Code for such place of business.	28249 28250 28251 28252
Sec. 1321.64. (A) An application for a license shall contain an undertaking by the applicant to abide by those sections. The application shall be in writing, under oath, and in the form prescribed by the superintendent of financial institutions, and shall contain any information that the superintendent may require. Applicants that are foreign corporations shall obtain and maintain a license pursuant to Chapter 1703. of the Revised Code before a license is issued or renewed.	28253 28254 28255 28256 28257 28258 28259 28260
(B) Upon the filing of the application and the payment by the applicant of a nonrefundable investigation fee of two hundred dollars, a nonrefundable annual registration fee of three hundred	28261 28262 28263

dollars, and any additional fee required by the NMLSR, the 28264
division of financial institutions shall investigate the relevant 28265
facts. If the application involves investigation outside this 28266
state, the applicant may be required by the division to advance 28267
sufficient funds to pay any of the actual expenses of the 28268
investigation when it appears that these expenses will exceed two 28269
hundred dollars. An itemized statement of any of these expenses 28270
which the applicant is required to pay shall be furnished to the 28271
applicant by the division. A license shall not be issued unless 28272
all the required fees have been submitted to the division. 28273

(C)(1) The investigation undertaken upon receipt of an 28274
application shall include both a civil and criminal records check 28275
of any control person. 28276

(2)(a) Notwithstanding division ~~(K)~~(L) of section 121.08 of 28277
the Revised Code, the superintendent shall obtain a criminal 28278
records check on each control person and, as part of that records 28279
check, request that criminal records information from the federal 28280
bureau of investigation be obtained. To fulfill this requirement, 28281
the superintendent shall do either of the following: 28282

(i) Request the superintendent of the bureau of criminal 28283
identification and investigation, or a vendor approved by the 28284
bureau, to conduct a criminal records check based on the control 28285
person's fingerprints or, if the fingerprints are unreadable, 28286
based on the control person's social security number, in 28287
accordance with section 109.572 of the Revised Code; 28288

(ii) Authorize the NMLSR to request a criminal records check 28289
of the control person. 28290

(b) Any fee required under division (C)(3) of section 109.572 28291
of the Revised Code or by the NMLSR shall be paid by the 28292
applicant. 28293

(D) If an application for a license does not contain all of 28294

the information required under division (A) of this section, and 28295
if such information is not submitted to the division or to the 28296
NMLSR within ninety days after the superintendent or the NMLSR 28297
requests the information in writing, including by electronic 28298
transmission or facsimile, the superintendent may consider the 28299
application withdrawn. 28300

(E) If the superintendent of financial institutions finds 28301
that the financial responsibility, experience, and general fitness 28302
of the applicant command the confidence of the public and warrant 28303
the belief that the business will be operated honestly and fairly 28304
in compliance with the purposes of sections 1321.62 to 1321.702 of 28305
the Revised Code and the rules adopted thereunder, and that the 28306
applicant has the requisite net worth and assets required under 28307
section 1321.65 of the Revised Code, the superintendent shall 28308
issue a license to the applicant. The license shall be valid until 28309
the thirty-first day of December of the year in which it is 28310
issued. A person may be licensed under both sections 1321.51 to 28311
1321.60 and sections 1321.62 to 1321.702 of the Revised Code. 28312

(F) If the superintendent finds that the applicant does not 28313
meet the conditions set forth in this section, the superintendent 28314
shall issue a notice of intent to deny the application, and 28315
promptly notify the applicant of the denial, the grounds for the 28316
denial, and the applicant's reasonable opportunity to be heard on 28317
the action in accordance with Chapter 119. of the Revised Code. 28318

during the last year the tax to be renewed may be extended on the 29571
tax list, or at any election described in division (A)(1) or (2) 29572

that the renewal, increase, or decrease of the existing levy shall 29574
be extended on the tax list for the tax year specified in the 29575
resolution, which may be the last year the existing levy may be 29576

extended on the list for the ensuing year. If the renewal, 29577

existing levy shall not be extended on the tax list for that last 29580
year unless the question of the renewal, increase, or decrease is 29581
not approved by a majority of electors voting on the question, in 29582

that last year. 29584

Except as otherwise prescribed in division (B) of this 29585
section, the ballot shall set forth the purpose for which the 29586
taxes shall be levied, the levy's estimated annual collections, 29587

the current tax year and shall indicate the first calendar year 29593
the tax will be due. 29594

(B)(1) If the resolution of the board of park commissioners 29595

of the new levy, the board shall request that the county auditor, 29602
in addition to the information the auditor is required to certify 29603
under section 5705.03 of the Revised Code, certify the estimated 29604

ballot must include a statement that: "an existing levy of ___ 29606
mills (stating the original levy millage) for each \$1 of taxable 29607
value, which amounts to \$___ (estimated effective rate) for each 29608

\$100,000 of the county auditor's appraised value, having ___ years 29609
remaining, will be canceled and replaced upon the passage of this 29610
levy." In such case, the ballot may refer to the new levy as a 29611
"replacement levy" if the new millage does not exceed the original 29612
millage of the levy being canceled or as a "replacement and 29613
additional levy" if the new millage exceeds the original millage 29614
of the levy being canceled. ~~±~~ 29615

(C) If a majority of the electors voting upon the question of 29616
such levy vote in favor thereof, such taxes shall be levied and 29617
shall be in addition to the taxes authorized by section 1545.20 of 29618
the Revised Code, and all other taxes authorized by law. The rate 29619
submitted to the electors at any one time shall not exceed two 29620

purpose of the levy includes providing operating revenues for one 29622

of the Revised Code, in which case the rate shall not exceed three 29624

1545.041 of the Revised Code, the board of park commissioners may 29627

anticipation of the collection of such levy, provided that such 29629
bonds shall be issued only for the purpose of acquiring and 29630
improving lands. Such levy, when collected, shall be applied in 29631
payment of the bonds so issued and the interest thereon. The 29632
amount of bonds so issued and outstanding at any time shall not 29633
exceed one per cent of the total taxable value in such district. 29634
Such bonds shall bear interest at a rate not to exceed the rate 29635
determined as provided in section 9.95 of the Revised Code. 29636

(D) As used in this section, "the county auditor's appraised 29637
value" and "estimated effective rate" have the same meanings as in 29638

the proposed area to determine which trees or plants shall be 29773
removed under the terms of the permit. The permittee shall pay all 29774
costs associated with the removal and disposal of undergrowth or 29775
invasive trees or plants. 29776

(9) If the issuer is a corporation, there shall be filed with 30781

price at which all those securities are sold by or on behalf of 30803

the issuer, without deduction for any additional commission, 30804
directly or indirectly, and without liability to pay any 30805
additional sum as commission; 30806

(11) If the division so permits with respect to a security, 30807
an applicant may file with the division, in lieu of the division's 30808
prescribed forms, a copy of the registration statement relating to 30809
the security, with all amendments to that statement, previously 30810
filed with the securities and exchange commission of the United 30811
States under the "Securities Act of 1933," as amended, together 30812
with all additional data, information, and documents that the 30813
division requires. 30814

(C) If the division finds that it is not necessary in the 30815
public interest and for the protection of investors to require all 30816
the information specified in divisions (B)(1) to (10) of this 30817
section, it may permit the filing of applications for 30818
qualification that contain the information that it considers 30819
necessary and appropriate in the public interest and for the 30820
protection of investors, but this provision applies only in the 30821
case of applications for qualification of securities previously 30822
issued and outstanding that may not be made the subject matter of 30823
transactions exempt under division (M) of section 1707.03 of the 30824
Revised Code by reason of the fact that those securities within 30825
one year were purchased outside this state or within one year were 30826
transported into this state. 30827

(D) All the statements, exhibits, and documents required by 30828
the division under this section, except properly certified public 30829
documents, shall be verified by the oath of the applicant for 30830
qualification, of the issuer, or of any individual having 30831
knowledge of the facts, and in the manner and form that may be 30832
required by the division. Failure or refusal to comply with the 30833
requests of the division shall be sufficient reason for a refusal 30834
by the division to register securities. 30835

(E) If it appears to the division that substantially the only consideration to be paid for any of the securities to be qualified is to be intangible property of doubtful value, the division may require that the securities be delivered in escrow to a bank in this state under the terms that the division may reasonably prescribe or require to prevent a deceitful misrepresentation or sale of the securities; that the securities be subordinated in favor of those sold for sound value until they have a value bearing a reasonable relation to the value of those sold for sound value; or that a legend of warning specifying the considerations paid or to be paid for the securities be stamped or printed on all advertisements, circulars, pamphlets, or subscription blanks used in connection with the sale of any securities of the same issuer; or it may impose a combination of any two or more of these requirements.

(F) At the time of filing the information prescribed in this section, the applicant shall pay to the division a filing fee of one hundred dollars.

(G)(1) The division, at any time, as a prerequisite to qualification, may make an examination of the issuer of securities sought to be qualified. The applicant for qualification of any securities may be required by the division to advance sufficient funds to pay all or any part of the actual expenses of that examination, an itemized statement of which shall be furnished the applicant.

(2) If the division finds that the business of the issuer is not fraudulently conducted, that the proposed offer or disposal of securities is not on grossly unfair terms, that the plan of issuance and sale of the securities referred to in the proposed offer or disposal would not defraud or deceive, or tend to defraud or deceive, purchasers, and that division (B)(10) of this section applies and has been complied with, the division shall notify the

applicant of its findings, and, upon payment of a registration fee 30868
of one-tenth of one per cent of the aggregate price at which the 30869
securities are to be sold to the public in this state, which fee, 30870
however, shall in no case be less than one hundred or more than 30871
one thousand dollars, the division shall register the 30872
qualification of the securities. 30873

(H) An application for qualification of securities may be 30874
amended by the person filing it at any time prior to the 30875
division's action on it either in registering the securities for 30876
qualification or in refusing to do so. Subsequent to any such 30877
action by the division, the person who filed the application may 30878
file with the consent of the division one or more amendments to it 30879
that shall become effective upon the making by the division of the 30880
findings enumerated in division (G) of this section; the giving of 30881
notice of those findings to the applicant by the division; and the 30882
payment by the applicant of the additional fee that would have 30883
been payable had the application, as it previously became 30884
effective, contained the amendment. 30885

(I) When any securities have been qualified and the fees for 30886
the qualification have been paid as provided in this section, any 30887
licensed dealer subsequently may sell the securities under the 30888
qualification, so long as the qualification remains in full force, 30889
and any dealer of that nature that desires may file with the 30890
division a written notice of intention to sell the securities or 30891
any designated portion of them. For that filing, no fee need be 30892
paid. 30893

Sec. 1707.091. (A) Any security for which a registration 30894
statement has been filed pursuant to Section 6 of the Securities 30895
Act of 1933 or for which a notification form and offering circular 30896
has been filed pursuant to regulation A of the general rules and 30897
regulations of the securities and exchange commission, 17 C.F.R. 30898

sections 230.251 to 230.256 and 230.258 to 230.263, as amended 30899
before or after the effective date of this section, in connection 30900
with the same offering ~~may~~ shall be registered by coordination 30901
rather than by qualification under section 1707.09 of the Revised 30902
Code or any other method of registration. 30903

(B) A registration statement filed by or on behalf of the 30904
issuer under this section with the division of securities shall 30905
contain the following information and be accompanied by the 30906
following items in addition to the consent to service of process 30907
required by section 1707.11 of the Revised Code: 30908

(1) One copy of the latest form of prospectus or offering 30909
circular and notification filed with the securities and exchange 30910

requires, a copy of the articles of incorporation and code of 30913
regulations or bylaws, or their substantial equivalents, as 30914
currently in effect, a copy of any agreements with or among 30915
underwriters, a copy of any indenture or other instrument 30916
governing the issuance of the security to be registered, and a 30917
specimen or copy of the security; 30918

(3) If the division of securities requests, any other 30919
information, or copies of any other documents, filed with the 30920
securities and exchange commission; 30921

(4) An undertaking by the issuer to forward to the division, 30922
promptly and in any event not later than the first business day 30923
after the day they are forwarded to or thereafter are filed with 30924
the securities and exchange commission, whichever occurs first, 30925
all amendments to the federal prospectus, offering circular, 30926
notification form, or other documents filed with the securities 30927
and exchange commission, other than an amendment that merely 30928
delays the effective date; 30929

(5) A filing fee of one hundred dollars. 30930

(C) A registration statement filed under this section becomes 30931
effective, without delay or waiver of any condition by the 30932
division or issuer, either at the moment the federal registration 30933
statement becomes effective or at the time the offering may 30934
otherwise be commenced in accordance with the rules, regulations, 30935
or orders of the securities and exchange commission, if all of the 30936
following conditions are satisfied: 30937

(1) No stop order is in effect, no proceeding is pending 30938
under section 1707.13 of the Revised Code, and no cease and desist 30939
order has been issued pursuant to section 1707.23 of the Revised 30940
Code; 30941

(2) The registration statement has been on file with the 30942
division for at least fifteen days or for such shorter period as 30943
the division by rule or otherwise permits; provided, that if the 30944
registration statement is not filed with the division within five 30945
days of the initial filing with the securities and exchange 30946
commission, the registration statement must be on file with the 30947
division for thirty days or for such shorter period as the 30948
division by rule or otherwise permits. 30949

(3) A statement of the maximum and minimum proposed offering 30950
prices and the maximum underwriting discounts and commissions has 30951
been on file with the division for two full business days or for 30952
such shorter period as the division by rule or otherwise permits 30953
and the offering is made within those limitations; 30954

(4) The division has received a registration fee of one-tenth 30955
of one per cent of the aggregate price at which the securities are 30956
to be sold to the public in this state, which fee, however, shall 30957
in no case be less than one hundred or more than one thousand 30958
dollars. 30959

(D) The issuer shall promptly notify the division by 30960

telephone or telegram of the date and time when the federal 30961
registration statement became effective, or when the offering may 30962
otherwise be commenced in accordance with the rules, regulations, 30963
or orders of the securities and exchange commission, and of the 30964
contents of the price amendment, if any, and shall promptly file 30965
the price amendment. 30966

"Price amendment" for the purpose of this division, means the 30967
final federal registration statement amendment that includes a 30968
statement of the offering price, underwriting and selling 30969
discounts or commissions, amount of proceeds, conversion rates, 30970
call prices, and other matters dependent upon the offering price. 30971

If the division fails to receive the required notice and 30972
required copies of the price amendment, the division may enter a 30973
provisional stop order retroactively denying effectiveness to the 30974
registration statement or suspending its effectiveness until there 30975
is compliance with this division, provided the division promptly 30976
notifies the issuer or its representative by telephone or 30977
telegram, and promptly confirms by letter or telegram when it 30978
notifies by telephone, of the entry of the order. If the issuer or 30979
its representative proves compliance with the requirements of this 30980
division as to notice and price amendment filing, the stop order 30981
is void as of the time of its entry. The division may by rule or 30982
otherwise waive either or both of the conditions specified in 30983
divisions (C)(2) and (3) of this section. If the federal 30984
registration statement becomes effective, or if the offering may 30985
otherwise be commenced in accordance with the rules, regulations, 30986
or orders of the securities and exchange commission, before all of 30987
the conditions specified in divisions (C) and (D) of this section 30988
are satisfied and they are not waived by the division the 30989
registration statement becomes effective as soon as all of the 30990
conditions are satisfied. 30991

If the issuer advises the division of the date when the 30992

federal registration statement is expected to become effective, or 30993
when the offering may otherwise be commenced in accordance with 30994
the rules, regulations, or orders of the securities and exchange 30995
commission, the division shall promptly advise the issuer or its 30996
representative by telephone or telegram, at the issuer's expense, 30997
whether all of the conditions have been satisfied or whether the 30998
division then contemplates the institution of a proceeding under 30999
section 1707.13 or 1707.23 of the Revised Code, but such advice 31000
does not preclude the institution of such a proceeding at any 31001
time. 31002

Sec. 1707.092. (A) For the purposes of selling securities in 31003
this state, except securities that are the subject matter of 31004

declarations, covenants, and restrictions governing the planned 31459
community or condominium development. Such an alternative process 31460

may consist of a vote of the owners association or unit owners 31461
association, the approval of a specified percentage of property 31462
owners, or any other procedure authorized by the bylaws, 31463
declarations, covenants, and restrictions governing the planned 31464
community or condominium development. 31465

As used in this division, "condominium development" and "unit 31466
owners association" have the same meanings as in section 5311.01 31467
of the Revised Code, and "planned community," "owners 31468
association," "bylaws," and "declaration" have the same meanings 31469
as in section 5312.01 of the Revised Code. 31470

Sec. 1710.03. (A) Except as otherwise provided in this 31471
division, each owner of real property within a special improvement 31472
district other than the state or federal government is a member of 31473
the district, and the real property of each member of the district 31474
is subject to special assessment under division (C) of section 31475
1710.06 of the Revised Code. A church is not a member of the 31476
district unless the church specifically requested in writing that 31477
its property be included in the district or unless, in the case of 31478
a district created by an existing qualified nonprofit corporation, 31479
the church is a member of the corporation at the time the district 31480
is created. A county, township, ~~or~~ municipal corporation, or park 31481
district owning real property in the district is not a member of 31482
the district unless such entity specifically requested in writing 31483
that its property be included in the district. 31484

The identity and address of the owners shall be determined 31485
for any particular action of the nonprofit corporation that 31486
governs the district, including notice of meetings of the 31487
district, no more than sixty days prior to the date of the action, 31488
from the most current records available at the county auditor's 31489
office. For purposes of this chapter, the persons shown on such 31490
records as having common or joint ownership interests in a parcel 31491

of real property collectively shall constitute the owner of the 31492
real property. 31493

(B) A member may file a written statement with the district's 31494
secretary at least three days prior to any meeting of the entire 31495
membership of the district to appoint a proxy to carry out the 31496
member's rights and responsibilities under this chapter at that 31497
meeting. 31498

(C) A member also may appoint a designee to carry out the 31499
member's rights and responsibilities under this chapter by filing 31500
a written designation form with the district's secretary. This 31501
form shall include the name and address of the member, the name 31502
and address of the designee, and the expiration date, if any, of 31503
the designation and may authorize the designee to vote at any 31504
meeting of the district. 31505

(D) A proxy or designee need not be an elector or resident of 31506
any participating political subdivision of the district or a 31507
member of the district. The appointment of a proxy or a designee 31508
may be changed by filing a new form with the district's secretary. 31509
The most current form filed with the secretary is the valid 31510
appointment. Service of any notice upon a proxy or designee at the 31511
proxy's or designee's address as shown on that form satisfies any 31512
requirements for notification of the member. 31513

Sec. 1710.06. (A) The board of directors of a special 31514
improvement district may develop and adopt one or more written 31515
plans for public improvements or public services that benefit all 31516
or any part of the district. Each plan shall set forth the 31517
specific public improvements or public services that are to be 31518
provided, identify the area in which they will be provided, and 31519
specify the method of assessment to be used. Each plan for public 31520
improvements or public services shall indicate the period of time 31521
the assessments are to be levied for the improvements and services 31522

and, if public services are included in the plan, the period of 31523
time the services are to remain in effect. Plans for public 31524
improvements may include the planning, design, construction, 31525
reconstruction, enlargement, or alteration of any public 31526
improvements and the acquisition of land for the improvements. 31527
Plans for public improvements or public services may also include, 31528
but are not limited to, provisions for the following: 31529

(1) Creating and operating the district and the nonprofit 31530
corporation under this chapter, including hiring employees and 31531
professional services, contracting for insurance, and purchasing 31532
or leasing office space and office equipment and other 31533
requirements of the district; 31534

(2) Planning, designing, and implementing a public 31535
improvements or public services plan, including hiring 31536
architectural, engineering, legal, appraisal, insurance, 31537
consulting, energy auditing, and planning services, and, for 31538
public services, managing, protecting, and maintaining public and 31539
private facilities, including public improvements; 31540

(3) Conducting court proceedings to carry out this chapter; 31541

(4) Paying damages resulting from the provision of public 31542
improvements or public services and implementing the plans; 31543

(5) Paying the costs of issuing, paying interest on, and 31544
redeeming notes and bonds issued for funding public improvements 31545
and public services plans; 31546

(6) Sale, lease, lease with an option to purchase, conveyance 31547
of other interests in, or other contracts for the acquisition, 31548
construction, maintenance, repair, furnishing, equipping, 31549
operation, or improvement of any special energy improvement 31550
project by the special improvement district, between a 31551
participating political subdivision and the special improvement 31552

district, and between the special improvement district and any 31553
owner of real property in the special improvement district on 31554
which a special energy improvement project has been acquired, 31555
installed, equipped, or improved; and 31556

(7) Aggregating the renewable energy credits generated by one 31557
or more special energy improvement projects within a special 31558
improvement district, upon the consent of the owners of the 31559
credits and for the purpose of negotiating and completing the sale 31560
of such credits. 31561

(B) Once the board of directors of the special improvement 31562
district adopts a plan, it shall submit the plan to the 31563
legislative authority of each participating political subdivision 31564
and the municipal executive of each municipal corporation in which 31565
the district is located, if any. The legislative authorities and 31566
municipal executives shall review the plan and, within sixty days 31567
after receiving it, may submit their comments and recommendations 31568
about it to the district. After reviewing these comments and 31569
recommendations, the board of directors may amend the plan. It may 31570
then submit the plan, amended or otherwise, in the form of a 31571
petition to members of the district whose property may be assessed 31572
for the plan. Once the petition is signed by those members who own 31573
at least sixty per cent of the front footage of property that is 31574
to be assessed and that abuts upon a street, alley, public road, 31575
place, boulevard, parkway, park entrance, easement, or other 31576
public improvement, or those members who own at least seventy-five 31577
per cent of the area to be assessed for the improvement or 31578
service, the petition may be submitted to each legislative 31579
authority for approval. Except as provided in division (H) of 31580
section 1710.02 of the Revised Code, if the special improvement 31581
district was created for the purpose of developing and 31582
implementing plans for special energy improvement projects or 31583
shoreline improvement projects, the petition required under this 31584

division shall be signed by one hundred per cent of the owners of 31585
the area of all real property located within the area to be 31586
assessed for the special energy improvement project or shoreline 31587
improvement project. 31588

Each legislative authority shall, by resolution, approve or 31589
reject the petition within sixty days after receiving it. If the 31590
petition is approved by the legislative authority of each 31591
participating political subdivision, the plan contained in the 31592
petition shall be effective at the earliest date on which a 31593
nonemergency resolution of the legislative authority with the 31594
latest effective date may become effective. A plan may not be 31595
resubmitted to the legislative authorities and municipal 31596
executives more than three times in any twelve-month period. 31597

(C) Each participating political subdivision shall levy, by 31598
special assessment upon specially benefited property located 31599
within the district, the costs of any public improvements or 31600
public services plan contained in a petition approved by the 31601
participating political subdivisions under this section or 31602
division (F) of section 1710.02 of the Revised Code. The levy 31603
shall be made in accordance with the procedures set forth in 31604
Chapter 727. of the Revised Code, except that: 31605

(1) The assessment for each improvements or services plan may 31606
be levied by any one or any combination of the methods of 31607
assessment listed in section 727.01 of the Revised Code, provided 31608
that the assessment is uniformly applied. 31609

(2) For the purpose of levying an assessment, the board of 31610
directors may combine one or more improvements or services plans 31611
or parts of plans and levy a single assessment against specially 31612
benefited property. 31613

(3) For purposes of special assessments levied by a township 31614
pursuant to this chapter, references in Chapter 727. of the 31615

Revised Code to the municipal corporation shall be deemed to refer 31616
to the township, and references to the legislative authority of 31617
the municipal corporation shall be deemed to refer to the board of 31618
township trustees. 31619

(4) Revenue collected from the levy of a special assessment 31620
for the cost of a special energy improvement project may be 31621
assigned and remitted to the Ohio air quality development 31622
authority pursuant to an agreement entered into under section 31623
3706.12 of the Revised Code. 31624

Church property or property owned by a political subdivision, 31625
including any participating political subdivision in which a 31626
special improvement district is located, shall be included in and 31627
be subject to special assessments made pursuant to a plan adopted 31628
under this section or division (F) of section 1710.02 of the 31629
Revised Code, if the church or political subdivision has 31630
specifically requested in writing that its property be included 31631
within the special improvement district and the church or 31632
political subdivision is a member of the district or, in the case 31633
of a district created by an existing qualified nonprofit 31634
corporation, if the church is a member of the corporation. 31635

For tax years 2020 to 2024, qualifying real property, as 31636
defined in section 727.031 of the Revised Code, is exempt from 31637
special assessments levied under division (C) of this section, 31638
provided no delinquent special assessments and related interest 31639
and penalties are levied or assessed against any property owned by 31640
the owner and operator of the qualifying real property for that 31641
tax year. 31642

(D) All rights and privileges of property owners who are 31643
assessed under Chapter 727. of the Revised Code shall be granted 31644
to property owners assessed under this chapter, including those 31645
rights and privileges specified in sections 727.15 to 727.17 and 31646
727.18 to 727.22 of the Revised Code and the right to notice of 31647

the resolution of necessity and the filing of the estimated 31648
assessment under section 727.13 of the Revised Code. Property 31649
owners assessed for public services under this chapter shall have 31650
the same rights and privileges as property owners assessed for 31651
public improvements under this chapter. 31652

Sec. 1710.13. This section does not apply to a special 31653
improvement district created by an existing qualified nonprofit 31654
corporation. 31655

The process for dissolving a special improvement district or 31656
repealing an improvements or services plan may be initiated by a 31657
petition signed by members of the district who own at least twenty 31658
per cent of the appraised value of the real property located in 31659
the district, excluding church property or real property owned by 31660
the federal government, the state, or a county, township, ~~or~~ 31661
municipal corporation, or park district, unless the church, 31662
county, township, ~~or~~ municipal corporation, or park district has 31663
specifically requested in writing that the property be included in 31664
the district, and filed with the municipal executive, if any, and 31665
the legislative authorities of all the participating political 31666
subdivisions of the district. As used in this section, "appraised 31667
value" means the taxable value established by the county auditor 31668
for purposes of real estate taxation. 31669

No later than forty-five days after such a petition is filed, 31670
the members of the district shall meet to consider it. Notice of 31671
the meeting shall be given as provided in section 1710.05 of the 31672
Revised Code. Upon the affirmative vote of members who 31673
collectively own more than fifty per cent of the appraised value 31674
of the real property in the district that may be subject to 31675
assessment under division (C) of section 1710.06 of the Revised 31676
Code, the district shall be dissolved, or the plan shall be 31677
repealed, as applicable. 31678

No rights or obligations of any person under any contract, or 31679
in relation to any bonds, notes, or assessments made under this 31680
chapter, shall be affected by the dissolution of the district or 31681
the repeal of a plan, except with the consent of that person or by 31682
order of a court with jurisdiction over the matter. Upon 31683
dissolution of a district, any assets or rights of the district, 31684
after payment of all bonds, notes, or other obligations of the 31685
district, shall be deposited in a special account in the treasury 31686
of each participating political subdivision, prorated among all 31687
participating political subdivisions to reflect the percentage of 31688
the district's territory within that political subdivision, to be 31689
used for the benefit of the territory that made up the district. 31690

Once the members have approved the repeal of a plan, all 31691
bonds, notes, and other obligations of the district associated 31692
with the plan shall be paid. Thereafter, the plan shall be 31693
repealed. Upon receipt of proof that all bonds, notes, and other 31694
obligations have been paid and that the plan has been repealed, 31695
the participating political subdivisions shall terminate any 31696
levies imposed to pay for costs of the plan. 31697

expansion, improvement, or preservation of the business of the 31736
entity or is required in pursuit of any purpose under division (B) 31737
of section 1724.01 of the Revised Code for which a county land 31738
