approval shall be adopted not later than the first Monday of 124845  
August of the year preceding the calendar year in which 124846  
distributions are to be made under an alternative method of 124847  
apportionment. 124848

A motion granting or denying approval of an alternative 124849  
method of apportionment under this division shall be adopted by a 124850  
majority vote of the members of the board of county commissioners 124851  
and by a majority vote of a majority of the boards of township 124852  
trustees and legislative authorities of the municipal corporations 124853  
located wholly or partially in the county, other than the city, 124854  
located wholly or partially in the county, with the greatest 124855  
population, shall take effect immediately, and need not be 124856  
published. The alternative method of apportionment under this 124857  
division shall be adopted and approved annually, not later than 124858  
the first Monday of August of the year preceding the calendar year 124859  
in which distributions are to be made under it. A motion granting 124860  
approval of an alternative method of apportionment under this 124861

division repeals any existing alternative method of apportionment, 124862  
effective with distributions to be made from the fund in the 124863  
ensuing calendar year. An alternative method of apportionment 124864  
under this division shall not be revised or amended after the 124865  
first Monday of August of the year preceding the calendar year in 124866  
which distributions are to be made under it. 124867

(D) In determining an alternative method of apportionment 124868  
authorized by this section, the county budget commission may 124869  
include in the method any factor considered to be appropriate and 124870  
reliable, in the sole discretion of the county budget commission. 124871

(E) The limitations set forth in section 5747.51 of the 124872  
Revised Code, stating the maximum amount that the county may 124873  
receive from the undivided local government fund and the minimum 124874  
amount the townships in counties having a population of less than 124875  
one hundred thousand may receive from the fund, are applicable to 124876  
any alternative method of apportionment authorized under this 124877  
section. 124878

(F) On the basis of any alternative method of apportionment 124879  
adopted and approved as authorized by this section, as certified 124880  
by the auditor to the county treasurer, the county treasurer shall 124881  
make distribution of the money in the undivided local government 124882  
fund to each subdivision eligible to participate in the fund, and 124883  
the auditor, when the amount of those shares is in the custody of 124884  
the treasurer in the amounts so computed to be due the respective 124885  
subdivisions, shall at the same time certify to the tax 124886  
commissioner the percentage share of the county as a subdivision. 124887  
All money received into the treasury of a subdivision from the 124888  
undivided local government fund in a county treasury shall be paid 124889  
into the general fund and used for the current operating expenses 124890  
of the subdivision. If a municipal corporation maintains a 124891  
municipal university, the university, when the board of trustees 124892  
so requests the legislative authority of the municipal 124893

corporation, shall participate in the money apportioned to the 124894  
municipal corporation from the total local government fund, 124895  
however created and constituted, in the amount requested by the 124896  
board of trustees, provided that amount does not exceed nine per 124897  
cent of the total amount paid to the municipal corporation. 124898

(G) The actions of the county budget commission taken 124899  
pursuant to this section are final and may not be appealed to the 124900  
board of tax appeals, except on the issues of abuse of discretion 124901  
and failure to comply with the formula. 124902

Sec. 5747.67. (A) Any term used in this section has the same 124903  
meaning as in section 122.852 of the Revised Code. 124904

(B) There is allowed a credit against a taxpayer's aggregate 124905  
tax liability under section 5747.02 of the Revised Code for any 124906  
individual who, on the last day of the individual's taxable year, 124907  
is the certificate owner of a tax credit certificate issued under 124908  
section 122.852 of the Revised Code. The credit shall be claimed 124909  
for the taxpayer's taxable year that includes the date the 124910  
certificate was issued by the director of development. The credit 124911  
amount equals the amount stated in the certificate or the portion 124912  
of that amount owned by the certificate owner. The credit shall be 124913  
claimed in the order required under section 5747.98 of the Revised 124914  
Code. If the credit amount exceeds the aggregate amount of tax 124915  
otherwise due under section 5747.02 of the Revised Code after 124916  
deducting all other credits in that order, the excess shall be 124917  
refunded. 124918

(C) Nothing in this section limits or disallows pass-through 124919  
treatment of the credit. 124920

**Sec. 5747.73.** (A) As used in this section, "scholarship 124921  
granting organization" means an entity that is certified as such 124922  
by the attorney general under division (C) of this section. 124923

(B) There is hereby allowed a nonrefundable credit against a taxpayer's aggregate tax liability under section 5747.02 of the Revised Code for a taxpayer that donates cash to scholarship granting organizations during the taxable year or on or before the due date, unextended under division (G) of section 5747.08 of the Revised Code, for filing the tax return for the taxable year as described in that division. A credit may not be claimed for two taxable years on the basis of the same contribution. The credit shall equal the amount of cash donations made by the taxpayer and, if filing a joint return, the taxpayer's spouse, except that the credit shall not exceed, for any taxable year, one thousand five hundred dollars for spouses filing a joint return or seven hundred fifty dollars for all other taxpayers. If a taxpayer files a joint return, the credit amount attributable to donations made by each spouse shall not exceed seven hundred fifty dollars. The credit shall be claimed in the order required under section 5747.98 of the Revised Code.

If the taxpayer is a direct or indirect investor in a pass-through entity that donates cash to scholarship granting organizations during the taxable year, the taxpayer may claim its proportionate or distributive share of the credit allowed under this section, except that the share that may be claimed by all such investors may not exceed seven hundred fifty dollars for any taxable year.

The credit authorized by this section is not allowed unless the taxpayer claiming the credit provides to the tax commissioner, in the form and manner required by the commissioner, a copy of a receipt or other document issued by the scholarship granting organization acknowledging the taxpayer's contribution to the organization and the amount of the contribution. The commissioner may require a taxpayer to furnish any other information necessary to support a claim for the credit. No credit shall be allowed

unless a copy of such document or other required information is 124956  
provided. 124957

(C) An entity may apply to the attorney general, on forms and 124958  
in the manner prescribed by the attorney general, to be certified 124959  
so that contributions to the entity qualify for the tax credit 124960  
authorized under this section. The attorney general shall certify 124961  
an entity as a scholarship granting organization if the entity 124962  
submits information and documentation, to the attorney general's 124963  
satisfaction, establishing that the entity satisfies the 124964  
following: 124965

(1) It is a religious or nonreligious nonprofit organization 124966  
exempt from federal taxation under section 501(a) of the Internal 124967  
Revenue Code as an organization described in section 501(c)(3) of 124968  
the Internal Revenue Code. 124969

(2) It primarily awards academic scholarships for primary and 124970  
secondary school students. 124971

(3) It prioritizes awarding its scholarships to low-income 124972  
primary and secondary school students. 124973

The attorney general shall notify the applicant of the 124974  
attorney general's determination within thirty days after the 124975  
attorney general receives the application. The attorney general 124976  
shall maintain a list of all scholarship granting organizations. 124977  
As soon as is practicable after compiling or updating this list, 124978  
the attorney general shall furnish the list to the tax 124979  
commissioner, who shall post the list or updated list to the 124980  
department of taxation's web site. 124981

The attorney general shall adopt rules necessary to determine 124982  
eligibility for and administer the credit authorized under this 124983  
section. 124984

**Sec. 5747.75.** A nonrefundable credit is allowed against a 124985

taxpayer's aggregate liability under section 5747.02 of the 124986  
Revised Code for taxpayers with one or more dependents who attend 124987  
a nonchartered nonpublic school. ~~To qualify for the credit, the~~ 124988  
~~total federal adjusted gross income of the taxpayer and, if filing~~ 124989

~~less than one hundred thousand dollars.~~ The amount of the credit 124991  
shall equal the lesser of the total tuition paid by the taxpayer 124992  
and, if filing a joint return, the taxpayer's spouse during the 124993  
taxable year for all of the taxpayer's dependents to attend such a 124994  
school or the following amount, as applicable: 124995

(A) If the taxpayer's or, if filing a joint return, the 124996  
taxpayer's and the taxpayer's spouses' total federal adjusted 124997  
gross income is less than fifty thousand dollars for the taxable 124998  
year, ~~five hundred~~ one thousand dollars; 124999

(B) If the taxpayer's or, if filing a joint return, the 125000  
taxpayer's and the taxpayer's spouses' total federal adjusted 125001  
gross income equals or exceeds fifty thousand dollars ~~but is less~~ 125002  
~~than one hundred thousand dollars for the taxable year,~~ one 125003  
thousand five hundred dollars. 125004

The credit shall be claimed in the order prescribed by 125005  
section 5747.98 of the Revised Code. 125006

Revised Code for a taxpayer that is allocated a credit issued by 125011  
the executive director of the Ohio housing finance agency under 125012  
section 175.16 of the Revised Code. The credit equals the amount 125013  
allocated to such taxpayer for the taxable year that begins in the 125014  
calendar year for which the designated reporter files the form 125015  
prescribed by division (I) of section 175.16 of the Revised Code. 125016

The credit shall be claimed in the order required under 125017  
section 5747.98 of the Revised Code. If the credit exceeds the 125018  
taxpayer's aggregate tax due under section 5747.02 of the Revised 125019  
Code for that taxable year after allowing for credits that precede 125020  
the credit under this section in that order, such excess shall be 125021  
allowed as a credit in each of the ensuing five taxable years, but 125022  
the amount of any excess credit allowed in any such taxable year 125023  
shall be deducted from the balance carried forward to the ensuing 125024  
taxable year. 125025

No credit shall be claimed under this section to the extent 125026  
the credit was claimed under section 5725.36, 5726.58, or 5729.19 125027

taxpayer's aggregate tax liability under section 5747.02 of the 125032  
Revised Code for a taxpayer that is allocated a credit issued by 125033  
the executive director of the Ohio housing finance agency under 125034  
section 175.17 of the Revised Code. The credit equals the amount 125035  
allocated to such taxpayer for the taxable year that begins in the 125036

prescribed by division (H) of section 175.17 of the Revised Code 125038  
that allocates the credit to the taxpayer. 125039

The credit shall be claimed in the order required under 125040

Code for taxes levied under section 5747.38 of the Revised Code 125196  
paid by an electing pass-through entity. 125197

(B) For any credit, except the refundable credits enumerated 125198  
in this section and the credit granted under division (H) of 125199  
section 5747.08 of the Revised Code, the amount of the credit for 125200  
a taxable year shall not exceed the taxpayer's aggregate amount of 125201  
tax due under section 5747.02 of the Revised Code, after allowing 125202  
for any other credit that precedes it in the order required under 125203  
this section. Any excess amount of a particular credit may be 125204  
carried forward if authorized under the section creating that 125205  
credit. Nothing in this chapter shall be construed to allow a 125206  
taxpayer to claim, directly or indirectly, a credit more than once 125207  
for a taxable year. 125208

**Sec. 5749.06.** (A)(1) Each severer liable for the tax imposed 125209  
by section 5749.02 of the Revised Code and each severer or owner 125210  
liable for the amounts due under section 1509.50 of the Revised 125211  
Code, except for any amount due under division (B)(2) of that 125212  
section, shall make and file returns with the tax commissioner in 125213  
the prescribed form and at the prescribed times, computing and 125214  
reflecting therein the tax as required by this chapter and amounts 125215  
due under section 1509.50 of the Revised Code. 125216

(2) The returns shall be filed for every calendar quarter, as 125217  
required by this section, unless a different return period is 125218  
prescribed for a taxpayer by the commissioner. 125219

(B)(1) A separate return shall be filed for each calendar 125220  
quarter, or other period, or any part thereof, during which the 125221  
severer holds a permit or has registered as provided by section 125222  
5749.04 of the Revised Code, or is required to hold the permit or 125223  
registration, or during which an owner is required to file a 125224  
return. The return shall be filed on or before the fifteenth day 125225  
of the second month following the end of each return period. The 125226

tax due is payable along with the return. All such returns shall 125227  
contain such information as the commissioner may require to fairly 125228  
administer the tax. 125229

(2) All returns shall be signed by the severer or owner, as 125230  
applicable, shall contain the full and complete information 125231  
requested, and shall be made under penalty of perjury. 125232

(C) If the commissioner believes that quarterly payments of 125233  
tax would result in a delay that might jeopardize the collection 125234  
of such tax payments, the commissioner may order that such 125235  
payments be made weekly, or more frequently if necessary, such 125236  
payments to be made not later than seven days following the close 125237  
of the period for which the jeopardy payment is required. Such an 125238  
order shall be delivered to the taxpayer ~~personally or by~~ 125239  
~~certified mail~~ in the manner provided in section 5703.37 of the 125240  
Revised Code and shall remain in effect until the commissioner 125241  
notifies the taxpayer to the contrary. 125242

(D) Upon good cause the commissioner may extend for thirty 125243  
days the period for filing any notice or return required to be 125244  
filed under this section, and may remit all or a part of penalties 125245  
that may become due under this chapter. 125246

(E) Any tax and any amount due under section 1509.50 of the 125247  
Revised Code not paid by the day the tax or amount is due shall 125248  
bear interest computed at the rate per annum prescribed by section 125249  
5703.47 of the Revised Code on that amount due from the day that 125250  
the amount was originally required to be paid to the day of actual 125251  
payment or to the day an assessment was issued under section 125252  
5749.07 or 5749.10 of the Revised Code, whichever occurs first. 125253

(F) A severer or owner, as applicable, that fails to file a 125254  
complete return or pay the full amount due under this chapter 125255  
within the time prescribed, including any extensions of time 125256  
granted by the commissioner, shall be subject to a penalty not to 125257

exceed the greater of fifty dollars or ten per cent of the amount 125258  
due for the period. 125259

(G)(1) A severer or owner, as applicable, shall remit 125260  
payments electronically and, if required by the commissioner, file 125261  
each return electronically. The commissioner may require that the 125262  
severer or owner use the Ohio business gateway, as defined in 125263  
section 718.01 of the Revised Code, or another electronic means to 125264  
file returns and remit payments electronically. 125265

(2) A severer or owner that is required to remit payments 125266  
electronically under this section may apply to the commissioner, 125267  
in the manner prescribed by the commissioner, to be excused from 125268  
that requirement. The commissioner may excuse a severer or owner 125269  
from the requirements of division (G) of this section for good 125270  
cause. 125271

(3) If a severer or owner that is required to remit payments 125272  
or file returns electronically under this section fails to do so, 125273  
the commissioner may impose a penalty on the severer or owner not 125274  
to exceed the following: 125275

(a) For the first or second payment or return the severer or 125276  
owner fails to remit or file electronically, the greater of five 125277  
per cent of the amount of the payment that was required to be 125278  
remitted or twenty-five dollars; 125279

(b) For every payment or return after the second that the 125280  
severer or owner fails to remit or file electronically, the 125281  
greater of ten per cent of the amount of the payment that was 125282  
required to be remitted or fifty dollars. 125283

(H)(1) All amounts that the commissioner receives under this 125284  
section shall be deemed to be revenue from taxes imposed under 125285  
this chapter or from the amount due under section 1509.50 of the 125286  
Revised Code, as applicable, and shall be deposited in the 125287  
severance tax receipts fund, which is hereby created in the state 125288

treasury. 125289

(2) The director of budget and management shall transfer from 125290  
the severance tax receipts fund, as necessary, to the tax refund 125291  
fund amounts equal to the refunds certified by the commissioner 125292  
under section 5749.08 of the Revised Code. Any amount transferred 125293  
under division (H)(2) of this section shall be derived from 125294  
receipts of the same tax or other amount from which the refund 125295  
arose. 125296

(3) After the director of budget and management makes any 125297  
transfer required by division (H)(2) of this section, but not 125298  
later than the twenty-fifth day of each month, the commissioner 125299  
shall certify to the director the total amount remaining in the 125300  
severance tax receipts fund organized according to the amount 125301  
attributable to each natural resource and according to the amount 125302  
attributable to a tax imposed by this chapter and the amounts due 125303  
under section 1509.50 of the Revised Code, and shall provide for 125304  
payment to the funds specified in division (B) of section 5749.02 125305  
of the Revised Code. 125306

(I) Penalties imposed under this section are in addition to 125307  
any other penalty imposed under this chapter and shall be 125308  
considered as revenue arising from the tax levied under this 125309  
chapter or the amount due under section 1509.50 of the Revised 125310  
Code, as applicable. The commissioner may collect any penalty or 125311  
interest imposed under this section in the same manner as provided 125312  
for the making of an assessment in section 5749.07 of the Revised 125313  
Code. The commissioner may abate all or a portion of such interest 125314  
or penalties and may adopt rules governing such abatements. 125315

126082

~~(C)~~ The tax commissioner may grant written approval for a ~~calendar quarter~~ taxpayer to use an alternative reporting schedule or estimate the amount of tax due for a calendar quarter if the taxpayer demonstrates to the commissioner the need for such a 126083  
126084  
126085  
126086

deviation. The commissioner may adopt a rule to apply this 126087  
division ~~(C) of this section~~ to a group of taxpayers without the 126088  
taxpayers having to receive written approval from the 126089  
commissioner. 126090

**Sec. 5751.051.** ~~(A)(1)(A)~~ Not later than the tenth day of the 126091  
second month after the end of each calendar quarter, every 126092  
taxpayer ~~other than a calendar year taxpayer~~ shall file with the 126093  
tax commissioner a tax return in such form as the commissioner 126094  
prescribes. The return shall include, but is not limited to, the 126095  
amount of the taxpayer's taxable gross receipts for the calendar 126096  
quarter and shall indicate the amount of tax due under section 126097  
5751.03 of the Revised Code for the calendar quarter. 126098

~~(2)(a)(B)(1)~~ Subject to division ~~(C)(B)~~ of section 5751.05 of 126099  
the Revised Code, a ~~calendar quarter~~ taxpayer shall report the 126100  
taxable gross receipts for that calendar quarter. 126101

~~(b)(2)~~ With respect to taxable gross receipts incorrectly 126102  
reported in a calendar quarter that has a lower tax rate, the tax 126103  
shall be computed at the tax rate in effect for the quarterly 126104  
return in which such receipts should have been reported. Nothing 126105  
in division ~~(A)(2)(b)(B)(2)~~ of this section prohibits a taxpayer 126106  
from filing an application for refund under section 5751.08 of the 126107  
Revised Code with regard to the incorrect reporting of taxable 126108  
gross receipts discovered after filing the annual return described 126109  
in division ~~(A)(3)(C)~~ of this section. 126110

A tax return shall not be deemed to be an incorrect reporting 126111  
of taxable gross receipts for the purposes of division 126112  
~~(A)(2)(b)(B)(2)~~ of this section if the return reflects between 126113  
ninety-five and one hundred five per cent of the actual taxable 126114  
gross receipts for the calendar quarter. 126115

~~(3)(C)~~ For the purposes of division ~~(A)(2)(b)(B)(2)~~ of this 126116  
section, the tax return filed for the fourth calendar quarter of a 126117

calendar year is the annual return for the privilege tax imposed 126118  
by this chapter. Such return shall report any additional taxable 126119  
gross receipts not previously reported in the calendar year and 126120  
shall adjust for any over-reported taxable gross receipts in the 126121  
calendar year. If the taxpayer ceases to be a taxpayer before the 126122  
end of the calendar year, the last return the taxpayer is required 126123  
to file shall be the annual return for the taxpayer and the 126124  
taxpayer shall report any additional taxable gross receipts not 126125  
previously reported in the calendar year and shall adjust for any 126126  
over-reported taxable gross receipts in the calendar year. 126127

~~(4)(D)~~ Because the tax imposed by this chapter is a privilege 126128  
tax, the tax rate with respect to taxable gross receipts for a 126129  
calendar quarter is not fixed until the end of the measurement 126130  
period for each calendar quarter. Subject to division 126131  
~~(A)(2)(b)(B)(2)~~ of this section, the total amount of taxable gross 126132  
receipts reported for a given calendar quarter shall be subject to 126133  
the tax rate in effect in that quarter. 126134

~~(5) Not later than the tenth day of May following the end of 126135  
each calendar year, every calendar year taxpayer shall file with 126136  
the tax commissioner a tax return in such form as the commissioner 126137  
prescribes. The return shall include, but is not limited to, the 126138  
amount of the taxpayer's taxable gross receipts for the calendar 126139  
year and shall indicate the amount of tax due under section 126140  
5751.03 of the Revised Code for the calendar year. 126141~~

~~(B)(1) A person that first becomes subject to the tax imposed 126142  
under this chapter shall pay the minimum tax imposed under 126143  
division (B) of section 5751.03 of the Revised Code on or before 126144  
the day the return is required to be filed for that quarter under 126145  
division (A)(1) of this section, regardless of whether the person 126146  
registers as a calendar year taxpayer under section 5751.05 of the 126147  
Revised Code. 126148~~

~~(2) The amount of the minimum tax for a person subject to 126149~~

~~division (B)(1) of this section shall be reduced by one half if 126150  
the registration is timely filed after the first day of May and 126151  
before the first day of January of the following calendar year. 126152~~

**Sec. 5751.06.** (A) Any taxpayer that fails to file a return or 126153  
pay the full amount of the tax due within the period prescribed 126154  
therefor under this chapter shall pay a penalty in an amount not 126155  
exceeding the greater of fifty dollars or ten per cent of the tax 126156  
required to be paid for the tax period. 126157

(B)(1) If any additional tax is found to be due, the tax 126158  
commissioner may impose an additional penalty of up to fifteen per 126159  
cent on the additional tax found to be due. 126160

(2) Any delinquent payments of the tax made after a taxpayer 126161  
is notified of an audit or a tax discrepancy by the commissioner 126162  
is subject to the penalty imposed by division (B) of this section. 126163  
If an assessment is issued under section 5751.09 of the Revised 126164  
Code in connection with such delinquent payments, the payments 126165  
shall be credited to the assessment. 126166

~~(C) After calendar year 2008, the tax commissioner may impose 126167  
an additional penalty against a taxpayer that fails to switch to 126168  
being a calendar quarter taxpayer at the time it had over two 126169  
million in taxable gross receipts in the calendar year, as 126170  
required under section 5751.04 of the Revised Code. The penalty 126171  
may be imposed in an amount not to exceed ten per cent of the tax 126172  
due above two million dollars in taxable gross receipts for the 126173  
calendar year. Any penalty imposed under this division is in 126174  
addition to any other penalties imposed under this section. 126175~~

~~(D)~~ If the tax commissioner notifies a person required to 126176  
register under section 5751.05 of the Revised Code of such 126177  
requirement and of the requirement to remit the tax due under this 126178  
chapter, and the person fails to so register and remit the tax 126179  
within sixty days after such notice, the tax commissioner may 126180

impose an additional penalty of up to thirty-five per cent of the 126181  
tax due. The penalty imposed under this division is in addition to 126182  
any other penalties imposed under this section. 126183

~~(E)~~(D) The tax commissioner may collect any penalty or 126184  
interest imposed by this section in the same manner as the tax 126185  
imposed under this chapter. Penalties and interest so collected 126186  
shall be considered as revenue arising from the tax imposed under 126187  
this chapter. 126188

~~(F)~~(E) The tax commissioner may abate all or a portion of any 126189  
penalties imposed under this section and may adopt rules governing 126190  
such abatements. 126191

~~(G)~~(F) If any tax due is not timely paid in accordance with 126192  
this chapter, the taxpayer shall pay interest, calculated at the 126193  
rate per annum prescribed by section 5703.47 of the Revised Code, 126194  
from the date the tax payment was due to the date of payment or to 126195  
the date an assessment was issued, whichever occurs first. 126196

~~(H)~~(G) The tax commissioner may impose a penalty of up to ten 126197  
per cent for any additional tax that is due under division 126198  
~~(A)(2)(b)~~(B)(2) of section 5751.051 of the Revised Code from a 126199  
taxpayer incorrectly reporting its taxable gross receipts. 126200

~~(I)~~(H) If the tax commissioner discovers that a taxpayer has 126201  
billed or invoiced another person for the tax imposed under this 126202  
chapter in violation of division (B) of section 5751.02 of the 126203  
Revised Code, the tax commissioner shall notify the taxpayer of 126204  
the violation ~~by certified mail~~ in the manner provided in section 126205  
5703.37 of the Revised Code and may impose a penalty of up to five 126206  
hundred dollars. If the taxpayer subsequently bills or invoices a 126207  
person for the tax imposed under this chapter, the tax 126208  
commissioner shall impose a penalty of five hundred dollars. 126209

**Sec. 5751.08.** (A) An application for refund to the taxpayer 126210

of amounts imposed under this chapter that are overpaid, paid 126211  
illegally or erroneously, or paid on any illegal or erroneous 126212  
assessment shall be filed by the reporting person with the tax 126213  
commissioner, on the form prescribed by the commissioner, within 126214  
four years after the date of the illegal or erroneous payment, or 126215  
within any additional period allowed under division (F) of section 126216  
5751.09 of the Revised Code. The applicant shall provide the 126217  
amount of the requested refund along with the claimed reasons for, 126218  
and documentation to support, the issuance of a refund. 126219

(B) On the filing of the refund application, the tax 126220  
commissioner shall determine the amount of refund to which the 126221  
applicant is entitled. If the amount is not less than that 126222  
claimed, the commissioner shall certify the amount to the director 126223  
of budget and management and treasurer of state for payment from 126224  
the tax refund fund created under section 5703.052 of the Revised 126225  
Code. If the amount is less than that claimed, the commissioner 126226  
shall proceed in accordance with section 5703.70 of the Revised 126227  
Code. 126228

(C) Interest on a refund applied for under this section, 126229  
computed at the rate provided for in section 5703.47 of the 126230  
Revised Code, shall be allowed from the later of the date the 126231  
amount was paid or when the amount was due. 126232

~~(D) A calendar quarter taxpayer with more than one million 126233  
dollars in taxable gross receipts in a calendar year other than 126234  
calendar year 2005 and that is not able to exclude one million 126235  
dollars in taxable gross receipts because of the operation of the 126236  
taxpayer's business in that calendar year may file for a refund 126237  
under this section to obtain the full exclusion of one million 126238  
dollars in taxable gross receipts for that calendar year. 126239~~

~~(E)~~ Except as provided in section 5751.081 of the Revised 126240  
Code, the tax commissioner may, with the consent of the taxpayer, 126241

provide for the crediting against tax due for a tax period the 126242  
amount of any refund due the taxpayer under this chapter for a 126243  
preceding tax period. 126244

**Sec. 5751.091.** (A) If a taxpayer excludes from its taxable 126245  
gross receipts amounts described under division (F)(2)(oo) or (pp) 126246  
of section 5751.01 of the Revised Code for a tax period in which 126247  
the taxpayer does not qualify for that exclusion for any portion 126248  
of that tax period, the taxpayer shall remit to the tax 126249  
commissioner a payment equal to the product of the following: (a) 126250  
the cost of all property received in this state by a megaproject 126251  
operator from the taxpayer during that tax period, multiplied by 126252  
(b) the tax rate prescribed in ~~division (A)~~ of section 5751.03 of 126253  
the Revised Code. The charge shall be levied and collected as a 126254  
tax imposed under this chapter. 126255

(B) A taxpayer required to remit a payment under division (A) 126256  
of this section for three consecutive calendar years may not 126257  
exclude from the taxpayer's taxable gross receipts any amounts 126258  
described in division (F)(2)(oo) or (pp) of section 5751.01 of the 126259  
Revised Code for any tax period in any following calendar year. 126260

**Sec. 5751.51.** (A) As used in this section, "qualified 126261  
research expenses" has the same meaning as in section 41 of the 126262  
Internal Revenue Code. 126263

(B)(1) For calendar years beginning on or after January 1, 126264  
2008, a nonrefundable credit may be claimed under this chapter 126265  
equal to seven per cent of the excess of (a) qualified research 126266  
expenses incurred in this state by the taxpayer in the calendar 126267  
year for which the credit is claimed over (b) the taxpayer's 126268  
average annual qualified research expenses incurred in this state 126269  
for the three preceding calendar years. 126270

(2) The taxpayer shall claim the credit allowed under 126271

division (B)(1) of this section in the order required by section 126272  
5751.98 of the Revised Code. A credit claimed in calendar year 126273  
2008 may not be applied against the tax otherwise due under this 126274  
chapter for a tax period beginning before July 1, 2008. Any credit 126275  
amount in excess of the tax due under section 5751.03 of the 126276  
Revised Code, after allowing for any other credits that precede 126277  
the credit under this section in the order required under that 126278  
section, may be carried forward for seven years, but the amount of 126279  
the excess credit claimed against the tax for any tax period shall 126280  
be deducted from the balance carried forward to the next tax 126281  
period. 126282

(3) No credit shall be allowed under this chapter if the 126283  
credit was available against the tax imposed by section 5733.06 of 126284  
the Revised Code, except to the extent the credit was not applied 126285  
against such tax. 126286

(C) In the case of a taxpayer that is a consolidated elected 126287  
taxpayer or combined taxpayer, each person in the taxpayer's group 126288  
shall separately calculate the credit claimed under this section 126289  
using the qualified research expenses incurred by that person on a 126290  
form prescribed by the tax commissioner, which shall be used by 126291  
the taxpayer to claim the credit. 126292

Such a taxpayer may only claim the credit with respect to 126293  
persons included in the taxpayer's group as of the thirty-first 126294  
day of December of the calendar year in which the qualified 126295  
research expenses are incurred. Such a taxpayer may only claim any 126296  
excess credit carried forward under division (B)(2) of this 126297  
section with respect to persons included in that group as of the 126298  
last day of the tax period for which the return claiming the 126299  
credit is filed. 126300

(D) A taxpayer that claims a credit under this section shall 126301  
retain records to substantiate the claim. Required records include 126302  
those relating to any expenses used in calculating the credit and 126303

incurred in the current calendar year and in the three preceding 126304  
calendar years. 126305

The taxpayer shall retain the required records until the date 126306  
that is four years after the due date for the return on which the 126307  
credit was claimed or four years after the date the return was 126308  
actually filed, whichever is later. 126309

(E) The tax commissioner may audit a sample of the taxpayer's 126310  
qualified research expenses over a representative period to 126311  
ascertain the amount of tax credit the taxpayer may claim under 126312  
this section and may issue an assessment under section 5751.09 of 126313  
the Revised Code based on the audit. The commissioner shall make a 126314  
good faith effort to reach an agreement with the taxpayer in 126315  
selecting a representative sample. The commissioner is not, 126316  
however, precluded from proceeding under this division if an 126317  
agreement is not made. 126318

**Sec. 5751.55.** (A) Any term used in this section has the same 126319  
meaning as in section 122.852 of the Revised Code. 126320

(B) There is allowed a refundable credit against the tax 126321  
imposed by section 5751.02 of the Revised Code for any person that 126322  
is the certificate owner of a tax credit certificate issued under 126323  
section 122.852 of the Revised Code. The credit shall be claimed 126324  
for the tax period in which the certificate is issued by the 126325  
director of development. The credit amount equals the amount 126326  
stated in the certificate or the portion of that amount owned by 126327  
the certificate owner. The credit shall be claimed in the order 126328  
required under section 5751.98 of the Revised Code. If the credit 126329  
amount exceeds the tax otherwise due under section 5751.02 of the 126330  
Revised Code after deducting all other credits in that order, the 126331  
excess shall be refunded. 126332

**Sec. 5751.98.** (A) To provide a uniform procedure for 126333

calculating the amount of tax due under this chapter, a taxpayer 126334  
shall claim any credits to which it is entitled in the following 126335  
order: 126336

The nonrefundable jobs retention credit under division (B) of 126337  
section 5751.50 of the Revised Code; 126338

The nonrefundable credit for qualified research expenses 126339  
under division (B) of section 5751.51 of the Revised Code; 126340

The nonrefundable credit for a borrower's qualified research 126341  
and development loan payments under division (B) of section 126342  
5751.52 of the Revised Code; 126343

The nonrefundable credit for calendar years 2010 to 2029 for 126344  
unused net operating losses under division (B) of section 5751.53 126345  
of the Revised Code; 126346

The refundable motion picture and Broadway theatrical 126347  
production credit under section 5751.54 of the Revised Code; 126348

The refundable credit for film and theater capital 126349  
improvement projects under section 5751.55 of the Revised Code; 126350

The refundable jobs creation credit or job retention credit 126351  
under division (A) of section 5751.50 of the Revised Code; 126352

The refundable credit for calendar year 2030 for unused net 126353  
operating losses under division (C) of section 5751.53 of the 126354  
Revised Code. 126355

(B) For any credit except the refundable credits enumerated 126356  
in this section, the amount of the credit for a tax period shall 126357  
not exceed the tax due after allowing for any other credit that 126358  
precedes it in the order required under this section. Any excess 126359  
amount of a particular credit may be carried forward if authorized 126360  
under the section creating the credit. 126361

**Sec. 5753.021.** For the purposes of funding the education 126362

needs of this state, ~~funding interscholastic athletics and other~~ 126363  
~~extracurricular activities for youth,~~ funding efforts to alleviate 126364  
problem sports gaming, and defraying the costs of enforcing and 126365  
administering the law governing sports gaming and the tax levied 126366  
by this section, a tax is hereby levied on the sports gaming 126367  
receipts of a sports gaming proprietor at the rate of ~~ten~~ twenty 126368

The tax imposed under this section is in addition to any 126371  
other taxes or fees imposed under the Revised Code. 126372

distributing, and accounting for, revenue received from the tax 126374  
levied by section 5753.021 of the Revised Code and from fines 126375  
imposed under Chapter 3775. of the Revised Code, the following 126376  
funds are created in the state treasury: 126377

(1) The sports gaming revenue fund; 126378

(2) The sports gaming tax administration fund, which the tax 126379  
commissioner shall use to defray the costs incurred in 126380  
administering the tax levied by section 5753.021 of the Revised 126381  
Code; 126382

(3) The sports gaming profits education fund. ~~Fifty per cent~~ 126383

(4) The problem sports gaming fund. 126392

provided in this section. For the purposes of the competitive 126677  
bidding requirements of this section, the board shall not sever a 126678  
contract for supplies or materials and labor into separate 126679  
contracts for labor, supplies, or materials if the contracts are 126680  
in fact a part of a single contract required to be bid 126681  
competitively under this section. 126682

**Sec. 6121.02.** There is hereby created the Ohio water 126683  
development authority. Such authority is a body both corporate and 126684  
politic in this state, and the carrying out of its purposes and 126685  
the exercise by it of the powers conferred by this chapter shall 126686  
be held to be, and are hereby determined to be, essential 126687  
governmental functions and public purposes of the state, but the 126688  
authority is not immune from liability by reason thereof. The 126689  
authority is subject to all provisions of law generally applicable 126690  
to state agencies that do not conflict with this chapter. 126691

The authority shall consist of eight members as follows: five 126692  
members appointed by the governor, with the advice and consent of 126693  
the senate, no more than three of whom shall be members of the 126694  
same political party, and the directors of natural resources, 126695  
environmental protection, and development, who shall be members ex 126696  
officio without compensation. The director of development may 126697  
designate a person in the unclassified civil service to serve in 126698  
the director's place as a member of the authority notwithstanding 126699

section 121.05 of the Revised Code. The appointive members shall 126700  
be residents of the state, and shall have been qualified electors 126701  
therein for a period of at least five years next preceding their 126702  
appointment. Appointed members' terms of office shall be for eight 126703  
years, commencing on the second day of July and ending on the 126704  
first day of July. Each member shall hold office from the date of 126705  
appointment until the end of the term for which the member was 126706  
appointed. Any member appointed to fill a vacancy occurring prior 126707  
to the expiration of the term for which the member's predecessor 126708  
was appointed shall hold office for the remainder of such term. 126709  
Any appointed member shall continue in office subsequent to the 126710  
expiration date of the member's term until the member's successor 126711  
takes office, or until a period of sixty days has elapsed, 126712  
whichever occurs first. A member of the authority is eligible for 126713  
reappointment. Each appointed member of the authority, before 126714  
entering upon the performance of the duties of the office, shall 126715  
take an oath as provided by Section 7 of Article XV, Ohio 126716  
Constitution. The governor may at any time remove any member of 126717  
the authority for misfeasance, nonfeasance, or malfeasance in 126718  
office. 126719

The authority shall elect one of its appointed members as 126720  
chairperson and another as vice-chairperson, and shall appoint a 126721  
secretary-treasurer who need not be a member of the authority. 126722  
Four members of the authority shall constitute a quorum, and the 126723  
affirmative vote of four members shall be necessary for any action 126724  
taken by vote of the authority. No vacancy in the membership of 126725  
the authority shall impair the rights of a quorum by such vote to 126726  
exercise all the rights and perform all the duties of the 126727  
authority. 126728

Before the issuance of any water development revenue bonds 126729  
under this chapter, each appointed member of the authority shall 126730  
give a surety bond to the state in the penal sum of twenty-five 126731

thousand dollars and the secretary-treasurer shall give such a 126732  
bond in the penal sum of fifty thousand dollars, each such surety 126733  
bond to be conditioned upon the faithful performance of the duties 126734  
of the office, to be executed by a surety company authorized to 126735  
transact business in this state, and to be approved by the 126736  
governor and filed in the office of the secretary of state. Each 126737  
appointed member of the authority shall receive an annual salary 126738  
of ~~five~~ seven thousand five hundred dollars, payable in monthly 126739  
installments, and is entitled to health care benefits comparable 126740  
to those generally available to state officers and employees under 126741  
section 124.82 of the Revised Code. If Section 20 of Article II, 126742  
Ohio Constitution, prohibits the Ohio water development authority 126743  
from paying all or a part of the cost of health care benefits on 126744  
behalf of a member of the authority for the remainder of an 126745  
existing term, the member may receive these benefits by paying 126746  
their total cost from the member's own financial resources, 126747  
including paying by means of deductions from the member's salary. 126748  
Each member shall be reimbursed for actual expenses necessarily 126749  
incurred in the performance of official duties. All expenses 126750  
incurred in carrying out this chapter shall be payable solely from 126751  
funds provided under this chapter, or appropriated for such 126752  
purpose by the general assembly and no liability or obligation 126753  
shall be incurred by the authority beyond the extent to which 126754  
moneys have been provided under this chapter or such 126755  
appropriations. 126756

**Sec. 6131.43.** (A) Upon the completion of the work and the 126757  
approval of it by the county engineer, the board of county 126758  
commissioners shall order the county auditor to reduce pro rata 126759  
the assessments confirmed by it by the difference between the 126760  
estimated cost of the construction and the final cost as certified 126761  
by the county engineer. The assessments so reduced, including the 126762  
cost of location, engineering, compensation, damages, and 126763

contingency and the assessment for maintenance for one year, shall 126764  
be levied upon each parcel of land, each public corporation, and 126765  
each department, office, or institution of the state as stated in 126766  
the schedules as of the date of the order of the board approving 126767  
the contracts and ordering the levying of the assessments. 126768

(B) The auditor shall notify the owners of all assessed lands 126769  
of the amount of the actual assessment, which shall be not less 126770  
than ten dollars, and of the payment plan for the collection of 126771  
the assessments. The auditor shall immediately place the 126772  
assessments so levied upon the duplicates of the county, and the 126773  
assessments shall be a lien upon the several parcels of land 126774  
respectively from and after the date of the order of the board 126775  
approving and levying the assessments. The auditor shall be liable 126776  
on the auditor's bond for any damages sustained by any person by 126777  
reason of the auditor's failure to place promptly the assessments 126778  
upon the proper duplicates of the county. 126779

(C) The county auditor shall transmit to the governing body 126780  
of any political subdivision affected by an improvement the 126781  
assessments levied against it. The governing body shall authorize 126782  
payment to be made to the county treasurer of the county in which 126783  
the improvement is located from the general fund of the political 126784  
subdivision, except as otherwise provided by law. 126785

(D) The county auditor shall also transmit to the director of 126786  
any department, office, or institution of the state, affected by 126787  
an improvement the assessments levied against any department, 126788  
office, or institution of the state. Payment shall be made to the 126789  
county treasurer of the county in which the improvement is located 126790  
~~from the drainage assessment fund in the manner provided by~~ 126791  
~~section 6133.15 of the Revised Code. In presenting their proposed~~ 126792

~~authorized or constructed under this chapter and Chapters 6133.~~ 126799  
~~and 6135. of the Revised Code and all unpaid assessments for~~ 126800  
~~maintenance as provided by Chapter 6137. of the Revised Code. The~~ 126801  
~~assessments so listed shall be included in the state budget~~ 126802  
~~estimates of revenues and expenditures for each state fund and~~ 126803  
~~budget estimates for each state agency prepared and submitted to~~ 126804

| <b>Sec. 3702.52.</b> The director of health shall administer a state certificate of need program in accordance with sections 3702.51 to 3702.62 of the Revised Code and rules adopted under those sections. Administration of the program shall include both a standard review process and an expedited review process.                                                                                                                                                                                                                                                                                                                                                                                           | 127400<br>127401<br>127402<br>127403<br>127404                                                             |

(A) The director shall issue rulings on whether a particular proposed project is a reviewable activity. The director shall issue a ruling not later than forty-five days after receiving a request for a ruling accompanied by the information needed to make the ruling, except that if an expedited review is requested, the ruling shall be issued not later than thirty days after receiving the request for a ruling accompanied by the information needed to make the ruling. If the director does not issue a ruling in the required time, the project shall be considered to have been ruled not a reviewable activity.

(B)(1) Each application for a certificate of need shall be submitted to the director on forms and in the manner prescribed by the director. An application for which expedited review is requested must meet the same requirements as all other applications.

Each application shall include a plan for obligating the capital expenditures or implementing the proposed project on a timely basis in accordance with section 3702.524 of the Revised Code. Each application shall also include all other information required by rules adopted under division (B) of section 3702.57 of the Revised Code.

(2) Each application shall be accompanied by the application fee established in rules adopted under division ~~(G)~~(F) of section 3702.57 of the Revised Code. Application fees received by the director under this division shall be deposited into the state treasury to the credit of the certificate of need fund, which is hereby created. The director shall use the fund only to pay the costs of administering sections 3702.30 and 3702.51 to 3702.62 of the Revised Code and rules adopted under those sections. An application fee is nonrefundable unless the director determines that the application cannot be accepted.

(3) The director shall review applications for certificates

of need. As part of a review, the director shall determine whether 127437  
an application is complete. The director shall not consider an 127438  
application to be complete unless the application meets all 127439  
criteria for a complete application specified in rules adopted 127440  
under section 3702.57 of the Revised Code. For an application 127441  
being considered under the standard review process, the director 127442  
shall mail to the applicant a written notice that the application 127443  
is complete, or a written request for additional information, not 127444  
later than thirty days after receiving an application or a 127445  
response to an earlier request for information. For an application 127446  
for which expedited review is requested, the director's notice or 127447  
request shall be mailed not later than fourteen days after the 127448  
director receives the application or a response to an earlier 127449  
request for information. Except as provided in section 3702.522 of 127450  
the Revised Code, the director shall not make more than two 127451  
requests for additional information. For either the standard or 127452  
expedited review process, the director shall make a final 127453  
determination regarding an application's completeness and issue a 127454  
notice of the determination not later than one hundred eighty days 127455  
after the date the director received the initial application. 127456

The director's determination that an application is not 127457  
complete is final and not subject to appeal. 127458

(4) Except as necessary to comply with a subpoena issued 127459  
under division (F) of this section, after a notice of completeness 127460  
has been received, no person shall make revisions to information 127461  
that was submitted to the director before the director mailed the 127462  
notice of completeness or knowingly discuss in person or by 127463  
telephone the merits of the application with the director. A 127464  
person may supplement an application after a notice of 127465  
completeness has been received by submitting clarifying 127466  
information to the director. 127467

(C) All of the following apply to the process of granting or 127468

denying a certificate of need: 127469

(1) If the project proposed in a certificate of need 127470  
application meets all of the applicable certificate of need 127471  
criteria for approval under sections 3702.51 to 3702.62 of the 127472  
Revised Code and the rules adopted under those sections, the 127473  
director shall grant a certificate of need for all or part of the 127474  
project that is the subject of the application by the applicable 127475  
deadline specified in division (C)(4) of this section or any 127476  
extension of it under division (C)(5) of this section. 127477

(2) The director's grant of a certificate of need does not 127478  
affect, and sets no precedent for, the director's decision to 127479  
grant or deny other applications for similar reviewable 127480  
activities. 127481

(3) Any affected person may submit written comments regarding 127482  
an application. The director shall consider all written comments 127483  
received by the forty-fifth day after the application is submitted 127484  
to the director, except that to be considered in an expedited 127485  
review, written comments must be received by the twenty-first day 127486  
after the application is submitted. 127487

(4) Except as provided in division (C)(5) of this section, 127488  
the director shall grant or deny certificate of need applications 127489  
not later than sixty days after mailing the notice of completeness 127490  
unless the application is receiving expedited review. If the 127491  
application is receiving expedited review, the director shall 127492  
grant or deny the application not later than forty-five days after 127493  
mailing the notice of completeness. 127494

(5) Except as provided in division (C)(6) of this section, 127495  
the director or the applicant may extend the deadline prescribed 127496  
in division (C)(4) of this section once, for no longer than thirty 127497  
days, by written notice before the end of the deadline prescribed 127498  
by division (C)(4) of this section. An extension by the director 127499

under division (C)(5) of this section shall apply to all 127500  
applications that are in comparative review. 127501

(6) No applicant in a comparative review may extend the 127502  
deadline specified in division (C)(4) of this section. 127503

(7) If the director does not grant or deny the certificate by 127504  
the applicable deadline specified in division (C)(4) of this 127505  
section or any extension of it under division (C)(5) of this 127506  
section, the certificate shall be considered to have been granted. 127507

~~(8) In granting a certificate of need, the director shall 127508  
specify as the maximum capital expenditure the certificate holder 127509  
may obligate under the certificate a figure equal to one hundred 127510  
ten per cent of the approved project cost. 127511~~

~~(9) In granting a certificate of need, the director may grant 127512  
the certificate with conditions that must be met by the holder of 127513  
the certificate. 127514~~

(D) When a certificate of need is granted for a project under 127515  
which beds are to be relocated, upon completion of the project for 127516  
which the certificate of need was granted a number of beds equal 127517  
to the number of beds relocated shall cease to be operated in the 127518  
long-term care facility from which they are relocated, except that 127519  
the beds may continue to be operated for not more than fifteen 127520  
days to allow relocation of residents to the facility to which the 127521  
beds have been relocated. Notwithstanding section 3721.03 of the 127522  
Revised Code, if the relocated beds are in a home licensed under 127523  
Chapter 3721. of the Revised Code, the facility's license is 127524  
automatically reduced by the number of beds relocated effective 127525  
fifteen days after the beds are relocated. If the beds are in a 127526  
facility that is certified as a skilled nursing facility or 127527  
nursing facility under Title XVIII or XIX of the "Social Security 127528  
Act," the certification for the beds shall be surrendered. If the 127529  
beds are reported in an application submitted under section 127530

3722.03 of the Revised Code as skilled nursing beds or long-term care beds, the director shall remove the beds from registration not later than fifteen days after the beds are relocated.

(E) During the period beginning with the granting of a certificate of need and ending five years after implementation of the reviewable activity for which the certificate was granted, the director shall monitor the activities of the person granted the certificate to determine whether the reviewable activity is conducted in substantial accordance with the certificate. A reviewable activity shall not be determined to be not in substantial accordance with the certificate of need solely because of either of the following:

(1) A decrease in bed capacity;

(2) A change in the owner or operator of the facility unless any of the circumstances specified in division (B) of section 3702.59 of the Revised Code apply to the new owner or operator.

(F) When reviewing applications for certificates of need, considering appeals under section 3702.60 of the Revised Code, or monitoring activities of persons granted certificates of need, the director may issue and enforce, in the manner provided in section 119.09 of the Revised Code, subpoenas and subpoenas duces tecum to compel a person to testify and produce documents relevant to review of the application, consideration of the appeal, or monitoring of the activities. In addition, the director or the director's designee may visit the sites where the activities are or will be conducted.

(G) The director may withdraw certificates of need.

(H) All long-term care facilities shall submit to the director, upon request, any information prescribed by rules adopted under division ~~(H)~~(G) of section 3702.57 of the Revised Code that is necessary to conduct reviews of certificate of need

applications and to develop criteria for reviews. 127562

(I) Any decision to grant or deny a certificate of need shall 127563  
consider the special needs and circumstances resulting from moral 127564  
and ethical values and the free exercise of religious rights of 127565  
long-term care facilities administered by religious organizations, 127566  
and the special needs and circumstances of inner city and rural 127567  
communities. 127568

(F) If the department does not hold hearings when any condition described in division (E) of this section applies, the department shall send a notice to the provider describing a decision not to certify the provider under division (A)(1) of this section or the disciplinary action the department is taking under divisions (A)(2)(e) to (h) of this section. The notice shall be sent to the provider's address that is on record with the department and may be sent by regular mail.

of the applicant command the confidence of the public and warrant 128151  
the belief that the business will be operated honestly and fairly 128152  
in compliance with the purposes of sections 1321.62 to 1321.702 of 128153  
the Revised Code and the rules adopted thereunder, and that the 128154

section 1321.65 of the Revised Code, the superintendent shall 128156  
issue a license to the applicant. The license shall be valid until 128157

promptly notify the applicant of the denial, the grounds for the 128164  
denial, and the applicant's reasonable opportunity to be heard on 128165  
the action in accordance with Chapter 119. of the Revised Code. 128166

(G) Notwithstanding any provision of this section to the 128167

certificates. 128241

**Sec. 3319.088.** As used in this section, "educational 128242  
assistant" means any nonteaching employee in a school district who 128243  
directly assists a teacher as defined in section 3319.09 of the 128244  
Revised Code, by performing duties for which a license issued 128245  
pursuant to sections 3319.22 to 3319.30 of the Revised Code is not 128246  
required. 128247

(A) Except as provided in division (G) of this section, the 128248  
state board of education shall issue educational aide permits and 128249  
educational paraprofessional licenses for educational assistants 128250  
and shall adopt rules for the issuance and renewal of such permits 128251  
and licenses which shall be consistent with the provisions of this 128252  
section. Educational aide permits and educational paraprofessional 128253  
licenses may be of several types and the rules shall prescribe the 128254  
minimum qualifications of education and health for the service to 128255  
be authorized under each type. The prescribed minimum 128256  
qualifications may require special training or educational courses 128257  
designed to qualify a person to perform effectively the duties 128258  
authorized under an educational aide permit or educational 128259  
paraprofessional license. 128260

(B)(1) Except as provided in division (G) of this section, 128261  
any application for a permit or license, or a renewal or duplicate 128262  
of a permit or license, under this section shall be accompanied by 128263

the payment of a fee in the amount established under division (A) 128264  
of section 3319.51 of the Revised Code. Any fees received under 128265  
this division shall be paid into the state treasury to the credit 128266  
of the state board of education licensure fund established under 128267  
division (B) of section 3319.51 of the Revised Code. 128268

(2) Any person applying for or holding a permit or license 128269  
pursuant to this section is subject to sections 3123.41 to 3123.50 128270  
of the Revised Code and any applicable rules adopted under section 128271  
3123.63 of the Revised Code and sections 3319.31 and 3319.311 of 128272  
the Revised Code. 128273

(C) Educational assistants shall at all times while in the 128274  
performance of their duties be under the supervision and direction 128275  
of a teacher as defined in section 3319.09 of the Revised Code. 128276  
Educational assistants may assist a teacher to whom assigned in 128277  
the supervision of pupils, in assisting with instructional tasks, 128278  
and in the performance of duties which, in the judgment of the 128279  
teacher to whom the assistant is assigned, may be performed by a 128280  
person not licensed pursuant to sections 3319.22 to 3319.30 of the 128281  
Revised Code and for which a teaching license, issued pursuant to 128282  
sections 3319.22 to 3319.30 of the Revised Code is not required. 128283  
The duties of an educational assistant shall not include the 128284  
assignment of grades to pupils. The duties of an educational 128285  
assistant need not be performed in the physical presence of the 128286  
teacher to whom assigned, but the activity of an educational 128287  
assistant shall at all times be under the direction of the teacher 128288  
to whom assigned. The assignment of an educational assistant need 128289  
not be limited to assisting a single teacher. In the event an 128290  
educational assistant is assigned to assist more than one teacher 128291

the educational assistant shall never be subject to simultaneous 128293  
supervision or direction by more than one teacher. 128294

Educational assistants may not be used in place of classroom 128299  
teachers or other employees and any payment of compensation by 128300  
boards of education to educational assistants for such services is 128301  
prohibited. The ratio between the number of licensed teachers and 128302  
the pupils in a school district may not be decreased by 128303  
utilization of educational assistants and no grouping, or other 128304  
organization of pupils, for utilization of educational assistants 128305  
shall be established which is inconsistent with sound educational 128306  
practices and procedures. A school district may employ up to one 128307  
full time equivalent educational assistant for each six full time 128308  
equivalent licensed employees of the district. Educational 128309  
assistants shall not be counted as licensed employees for purposes 128310  
of state support in the school foundation program and no grouping 128311  
or regrouping of pupils with educational assistants may be counted 128312  
as a class or unit for school foundation program purposes. Neither 128313  
special courses required by the regulations of the state board of 128314  
education, prescribing minimum qualifications of education for an 128315  
educational assistant, nor years of service as an educational 128316  
assistant shall be counted in any way toward qualifying for a 128317  
teacher license, for a teacher contract of any type, or for 128318  
determining placement on a salary schedule in a school district as 128319  
a teacher. 128320

(D) Educational assistants employed by a board of education 128321  
shall have all rights, benefits, and legal protection available to 128322  
other nonteaching employees in the school district, except that 128323  
provisions of Chapter 124. of the Revised Code shall not apply to 128324  
any person employed as an educational assistant, and shall be 128325  
members of the school employees retirement system. Educational 128326  
assistants shall be compensated according to a salary plan adopted 128327

annually by the board. 128328

Except as provided in this section nonteaching employees 128329  
shall not serve as educational assistants without first obtaining 128330  
an appropriate educational aide permit or educational 128331  
paraprofessional license from the state board of education. A 128332  
nonteaching employee who is the holder of a valid educational aide 128333  
permit or educational paraprofessional license shall neither 128334  
render nor be required to render services inconsistent with the 128335  
type of services authorized by the permit or license held. No 128336  
person shall receive compensation from a board of education for 128337  
services rendered as an educational assistant in violation of this 128338  
provision. 128339

Nonteaching employees whose functions are solely 128340  
secretarial-clerical and who do not perform any other duties as 128341  
educational assistants, even though they assist a teacher and work 128342  
under the direction of a teacher shall not be required to hold a 128343  
permit or license issued pursuant to this section. ~~Students~~ 128344  
~~preparing to become licensed teachers or educational assistants~~ 128345  
~~shall not be required to hold an educational aide permit or~~ 128346  
~~paraprofessional license for such periods of time as such students~~ 128347  
~~are assigned, as part of their training program, to work with a~~ 128348  
~~teacher in a school district. Such students shall not be~~ 128349  
~~compensated for such services.~~ 128350

Following the determination of the assignment and general job 128351  
description of an educational assistant and subject to supervision 128352  
by the teacher's immediate administrative officer, a teacher to 128353  
whom an educational assistant is assigned shall make all final 128354  
determinations of the duties to be assigned to such assistant. 128355  
Teachers shall not be required to hold a license designated for 128356  
being a supervisor or administrator in order to perform the 128357  
necessary supervision of educational assistants. 128358

(E) No person who is, or who has been employed as an 128359

educational assistant shall divulge, except to the teacher to whom 128360  
assigned, or the administrator of the school in the absence of the 128361  
teacher to whom assigned, or when required to testify in a court 128362  
or proceedings, any personal information concerning any pupil in 128363  
the school district which was obtained or obtainable by the 128364  
educational assistant while so employed. Violation of this 128365  
provision is grounds for disciplinary action or dismissal, or 128366  
both. 128367

(F) Notwithstanding anything to the contrary in this section, 128368  
the superintendent of a school district may allow an employee who 128369  
does not hold a permit or license issued under this section to 128370  
work as a substitute for an educational assistant who is absent on 128371  
account of illness or on a leave of absence, or to fill a 128372  
temporary position created by an emergency, provided that the 128373  
superintendent believes the employee's application materials 128374  
indicate that the employee is qualified to obtain a permit or 128375  
license under this section. 128376

An employee shall begin work as a substitute under this 128377  
division not earlier than on the date on which the employee files 128378  
an application with the state board for a permit or license under 128379  
this section. An employee shall cease working as a substitute 128380  
under this division on the earliest of the following: 128381

(1) Notwithstanding division (E) of section 119.03 and division (A)(1) of section 119.04 of the Revised Code, in the case 128512

of the adoption of any rule or the amendment or rescission of any 128514

for educators and other school personnel that are approved by the 128516

Revised Code to revise the curriculum of those programs, the 128518  
effective date shall not be as prescribed in division (E) of 128519  
section 119.03 and division (A)(1) of section 119.04 of the 128520  
Revised Code. Instead, the effective date of such rules, or the 128521  
amendment or rescission of such rules, shall be the date 128522  
prescribed by section 3333.048 of the Revised Code. 128523

(2) Notwithstanding the authority to adopt, amend, or rescind 128524

(F)(1) The rules adopted under this section establishing 128528  
standards requiring additional coursework for the renewal of any 128529  
educator license shall require a school district and a chartered 128530  
nonpublic school to establish local professional development 128531  
committees. In a nonpublic school, the chief administrative 128532  
officer shall establish the committees in any manner acceptable to 128533  
such officer. The committees established under this division shall 128534  
determine whether coursework that a district or chartered 128535  
nonpublic school teacher proposes to complete meets the 128536  
requirement of the rules. The department of education shall 128537  
provide technical assistance and support to committees as the 128538  
committees incorporate the professional development standards 128539  
adopted by the state board of education pursuant to section 128540  
3319.61 of the Revised Code into their review of coursework that 128541  
is appropriate for license renewal. The rules shall establish a 128542  
procedure by which a teacher may appeal the decision of a local 128543  
professional development committee. 128544

(2) In any school district in which there is no exclusive 128545

representative established under Chapter 4117. of the Revised 128546  
Code, the professional development committees shall be established 128547  
as described in division (F)(2) of this section. 128548

Not later than the effective date of the rules adopted under 128549  
this section, the board of education of each school district shall 128550  
establish the structure for one or more local professional 128551  
development committees to be operated by such school district. The 128552  
committee structure so established by a district board shall 128553  
remain in effect unless within thirty days prior to an anniversary 128554  
of the date upon which the current committee structure was 128555  
established, the board provides notice to all affected district 128556  
employees that the committee structure is to be modified. 128557  
Professional development committees may have a district-level or 128558  
building-level scope of operations, and may be established with 128559  
regard to particular grade or age levels for which an educator 128560  
license is designated. 128561

Each professional development committee shall consist of at 128562  
least three classroom teachers employed by the district, one 128563  
principal employed by the district, and one other employee of the 128564  
district appointed by the district superintendent. For committees 128565  
with a building-level scope, the teacher and principal members 128566  
shall be assigned to that building, and the teacher members shall 128567  
be elected by majority vote of the classroom teachers assigned to 128568  
that building. For committees with a district-level scope, the 128569  
teacher members shall be elected by majority vote of the classroom 128570  
teachers of the district, and the principal member shall be 128571  
elected by a majority vote of the principals of the district, 128572  
unless there are two or fewer principals employed by the district, 128573  
in which case the one or two principals employed shall serve on 128574  
the committee. If a committee has a particular grade or age level 128575  
scope, the teacher members shall be licensed to teach such grade 128576  
or age levels, and shall be elected by majority vote of the 128577

classroom teachers holding such a license and the principal shall 128578  
be elected by all principals serving in buildings where any such 128579  
teachers serve. The district superintendent shall appoint a 128580  
replacement to fill any vacancy that occurs on a professional 128581  
development committee, except in the case of vacancies among the 128582  
elected classroom teacher members, which shall be filled by vote 128583  
of the remaining members of the committee so selected. 128584

Terms of office on professional development committees shall 128585  
be prescribed by the district board establishing the committees. 128586  
The conduct of elections for members of professional development 128587  
committees shall be prescribed by the district board establishing 128588  
the committees. A professional development committee may include 128589  
additional members, except that the majority of members on each 128590  
such committee shall be classroom teachers employed by the 128591  
district. Any member appointed to fill a vacancy occurring prior 128592  
to the expiration date of the term for which a predecessor was 128593  
appointed shall hold office as a member for the remainder of that 128594  
term. 128595

The initial meeting of any professional development 128596  
committee, upon election and appointment of all committee members, 128597  
shall be called by a member designated by the district 128598  
superintendent. At this initial meeting, the committee shall 128599  
select a chairperson and such other officers the committee deems 128600  
necessary, and shall adopt rules for the conduct of its meetings. 128601  
Thereafter, the committee shall meet at the call of the 128602  
chairperson or upon the filing of a petition with the district 128603  
superintendent signed by a majority of the committee members 128604  
calling for the committee to meet. 128605

(3) In the case of a school district in which an exclusive 128606  
representative has been established pursuant to Chapter 4117. of 128607  
the Revised Code, professional development committees shall be 128608  
established in accordance with any collective bargaining agreement 128609

in effect in the district that includes provisions for such 128610  
committees. 128611

If the collective bargaining agreement does not specify a 128612  
different method for the selection of teacher members of the 128613  
committees, the exclusive representative of the district's 128614  
teachers shall select the teacher members. 128615

If the collective bargaining agreement does not specify a 128616  
different structure for the committees, the board of education of 128617  
the school district shall establish the structure, including the 128618  
number of committees and the number of teacher and administrative 128619  
members on each committee; the specific administrative members to 128620  
be part of each committee; whether the scope of the committees 128621  
will be district levels, building levels, or by type of grade or 128622  
age levels for which educator licenses are designated; the lengths 128623  
of terms for members; the manner of filling vacancies on the 128624  
committees; and the frequency and time and place of meetings. 128625  
However, in all cases, except as provided in division (F)(4) of 128626  
this section, there shall be a majority of teacher members of any 128627  
professional development committee, there shall be at least five 128628  
total members of any professional development committee, and the 128629  
exclusive representative shall designate replacement members in 128630  
the case of vacancies among teacher members, unless the collective 128631  
bargaining agreement specifies a different method of selecting 128632  
such replacements. 128633

(4) Whenever an administrator's coursework plan is being 128634  
discussed or voted upon, the local professional development 128635  
committee shall, at the request of one of its administrative 128636  
members, cause a majority of the committee to consist of 128637  
administrative members by reducing the number of teacher members 128638  
voting on the plan. 128639

(G)(1) The department of education, educational service 128640  
centers, county boards of developmental disabilities, college and 128641

university departments of education, head start programs, and the 128642  
Ohio education computer network may establish local professional 128643  
development committees to determine whether the coursework 128644  
proposed by their employees who are licensed or certificated under 128645  
this section or section 3319.222 of the Revised Code, or under the 128646  
former version of either section as it existed prior to October 128647  
16, 2009, meet the requirements of the rules adopted under this 128648  
section. They may establish local professional development 128649  
committees on their own or in collaboration with a school district 128650  
or other agency having authority to establish them. 128651

Local professional development committees established by 128652  
county boards of developmental disabilities shall be structured in 128653  
a manner comparable to the structures prescribed for school 128654  
districts in divisions (F)(2) and (3) of this section, as shall 128655  
the committees established by any other entity specified in 128656  
division (G)(1) of this section that provides educational services 128657  
by employing or contracting for services of classroom teachers 128658  
licensed or certificated under this section or section 3319.222 of 128659  
the Revised Code, or under the former version of either section as 128660  
it existed prior to October 16, 2009. All other entities specified 128661  
in division (G)(1) of this section shall structure their 128662  
committees in accordance with guidelines which shall be issued by 128663  
the state board. 128664

(2) Educational service centers may establish local 128665  
professional development committees to serve educators who are not 128666  
employed in schools in this state, including pupil services 128667  
personnel who are licensed under this section. Local professional 128668  
development committees shall be structured in a manner comparable 128669  
to the structures prescribed for school districts in divisions 128670  
(F)(2) and (3) of this section. 128671

These committees may agree to review the coursework, 128672  
continuing education units, or other equivalent activities related 128673

to classroom teaching or the area of licensure that is proposed by 128674

(b) The individual is not currently employed as an educator 128679  
or is not currently employed by an entity that operates a local 128680  
professional development committee under this section. 128681

Any committee that agrees to work with such an individual 128682  
shall work to determine whether the proposed coursework, 128683  
continuing education units, or other equivalent activities meet 128684  
the requirements of the rules adopted by the state board under 128685  
this section. 128686

(3) Any public agency that is not specified in division 128687  
(G)(1) or (2) of this section but provides educational services 128688  
and employs or contracts for services of classroom teachers 128689

professional development committee, subject to the approval of the 128693  
department of education. The committee shall be structured in 128694

(G)(1) Not earlier than the date of issue of a real estate 129785  
broker's license to a licensee, but not later than twelve months 129786

enters into an agreement with a national testing service to 129861  
administer the real estate salesperson's examination, the 129862  
superintendent may require an applicant to pay the testing 129863

violation has occurred, the physical therapy section may 130210  
discipline the person in the same manner as the physical therapy 130211  
section disciplines licensees under section 4755.47 of the Revised 130212  
Code. The physical therapy section's determination is an order 130213  
that the person may appeal in accordance with section 119.12 of 130214  
the Revised Code. 130215

If a person who allegedly committed a violation of this 130216  
section fails to appear for a hearing, the physical therapy 130217  
section may request the court of common pleas of the county where 130218  
the alleged violation occurred to compel the person to appear 130219  
before the physical therapy section for a hearing. If the physical 130220  
therapy section assesses a person a civil penalty for a violation 130221  
of this section and the person fails to pay that civil penalty 130222  
within the time period prescribed by the physical therapy section, 130223  
the physical therapy section shall forward to the attorney general 130224  
the name of the person and the amount of the civil penalty for the 130225  
purpose of collecting that civil penalty. In addition to the civil 130226  
penalty assessed pursuant to this section, the person also shall 130227  
pay any fee assessed by the attorney general for collection of the 130228  
civil penalty. 130229

| (B)(1) The board shall investigate evidence that appears to show that a person has violated any provision of this chapter or                                                                                                                                                                                                                                                                                                                                  | 130268<br>130269                                                   |

any rule adopted under it. Any person may report to the board in a signed writing any information that the person may have that appears to show a violation of any provision of this chapter or any rule adopted under it. In the absence of bad faith, any person who reports information of that nature or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable in damages in a civil action as a result of the report or testimony. Each complaint or allegation of a violation received by the board shall be assigned a case number and shall be recorded by the board.

(2) Investigations of alleged violations of this chapter or any rule adopted under it shall be supervised by the supervising member elected by the board in accordance with section 4731.02 of the Revised Code and by the secretary as provided in section 4759.012 of the Revised Code. The president may designate another member of the board to supervise the investigation in place of the supervising member. No member of the board who supervises the investigation of a case shall participate in further adjudication of the case.

(3) In investigating a possible violation of this chapter or any rule adopted under this chapter, the board may issue subpoenas, question witnesses, conduct interviews, administer oaths, order the taking of depositions, inspect and copy any books, accounts, papers, records, or documents, and compel the attendance of witnesses and the production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary ~~and supervising member~~ of the board.

Before issuance of a subpoena for patient record information, the secretary ~~and supervising member~~ shall determine whether there is probable cause to believe that the complaint filed alleges a

violation of this chapter or any rule adopted under it and that 130302  
the records sought are relevant to the alleged violation and 130303  
material to the investigation. The subpoena may apply only to 130304  
records that cover a reasonable period of time surrounding the 130305  
alleged violation. 130306

On failure to comply with any subpoena issued by the board 130307  
and after reasonable notice to the person being subpoenaed, the 130308  
board may move for an order compelling the production of persons 130309  
or records pursuant to the Rules of Civil Procedure. 130310

A subpoena issued by the board may be served by a sheriff, 130311  
the sheriff's deputy, or a board employee or agent designated by 130312  
the board. Service of a subpoena issued by the board may be made 130313  
by delivering a copy of the subpoena to the person named therein, 130314  
reading it to the person, or leaving it at the person's usual 130315  
place of residence, usual place of business, or address on file 130316  
with the board. When serving a subpoena to an applicant for or the 130317  
holder of a license or limited permit issued under this chapter, 130318  
service of the subpoena may be made by certified mail, return 130319  
receipt requested, and the subpoena shall be deemed served on the 130320  
date delivery is made or the date the person refuses to accept 130321  
delivery. If the person being served refuses to accept the 130322  
subpoena or is not located, service may be made to an attorney who 130323  
notifies the board that the attorney is representing the person. 130324

A sheriff's deputy who serves a subpoena shall receive the 130325  
same fees as a sheriff. Each witness who appears before the board 130326  
in obedience to a subpoena shall receive the fees and mileage 130327  
provided for under section 119.094 of the Revised Code. 130328

(4) All hearings, investigations, and inspections of the 130329  
board shall be considered civil actions for the purposes of 130330  
section 2305.252 of the Revised Code. 130331

(5) A report required to be submitted to the board under this 130332

chapter, a complaint, or information received by the board 130333  
pursuant to an investigation is confidential and not subject to 130334  
discovery in any civil action. 130335

The board shall conduct all investigations or inspections and 130336  
proceedings in a manner that protects the confidentiality of 130337  
patients and persons who file complaints with the board. The board 130338  
shall not make public the names or any other identifying 130339  
information about patients or complainants unless proper consent 130340  
is given. 130341

The board may share any information it receives pursuant to 130342  
an investigation or inspection, including patient records and 130343  
patient record information, with law enforcement agencies, other 130344  
licensing boards, and other governmental agencies that are 130345  
prosecuting, adjudicating, or investigating alleged violations of 130346  
statutes or administrative rules. An agency or board that receives 130347  
the information shall comply with the same requirements regarding 130348  
confidentiality as those with which the state medical board must 130349  
comply, notwithstanding any conflicting provision of the Revised 130350  
Code or procedure of the agency or board that applies when it is 130351  
dealing with other information in its possession. In a judicial 130352  
proceeding, the information may be admitted into evidence only in 130353  
accordance with the Rules of Evidence, but the court shall require 130354  
that appropriate measures are taken to ensure that confidentiality 130355  
is maintained with respect to any part of the information that 130356  
contains names or other identifying information about patients or 130357  
complainants whose confidentiality was protected by the state 130358  
medical board when the information was in the board's possession. 130359  
Measures to ensure confidentiality that may be taken by the court 130360  
include sealing its records or deleting specific information from 130361  
its records. 130362

(6) On a quarterly basis, the board shall prepare a report 130363  
that documents the disposition of all cases during the preceding 130364

2004," 118 Stat. 2744, 20 U.S.C.A. 1400, as amended. 131457

(4) The cabinet council shall develop and implement the 131458  
following: 131459

(a) An interagency process to select the indicators that will 131460  
be used to measure progress toward increasing child well-being in 131461  
the state and to update the indicators on an annual basis. The 131462

including those involving the funding of joint projects and those 131535  
outlined in the county's service coordination mechanism 131536  
implemented pursuant to division (C) of this section. 131537

The cabinet council shall establish a state appeals process 131538  
to resolve disputes among the members of a county council 131539  
concerning whether reasonable responsibilities as members are 131540  
being shared. The appeals process may be accessed only by a 131541  
majority vote of the council members who are required to serve on 131542  
the council. Upon appeal, the cabinet council may order that state 131543

county's board of county commissioners. 131545

The county's juvenile court judge senior in service or 131546

or programs assist the court in its administration of justice. 131554  
Service of a judge as a judicial advisor pursuant to this section 131555  
is a judicial function. 131556

(2) The purpose of the county council is to streamline and 131557  
coordinate existing government services for families seeking 131558  
services for their children. In seeking to fulfill its purpose, a 131559  
county council shall provide for the following: 131560

whom the county council cannot provide adequate services; 131562

(b) Development and implementation of a process that annually 131563  
evaluates and prioritizes services, fills service gaps where 131564  
possible, and invents new approaches to achieve better results for 131565  
families and children; 131566

(c) Participation in the development of a countywide, 131567  
comprehensive, coordinated, multi-disciplinary, interagency system 131568

for infants and toddlers with developmental disabilities or delays 131569  
and their families, as established pursuant to federal grants 131570  
received and administered by the department of health for early 131571  
intervention services under the "Individuals with Disabilities 131572  
Education Act of 2004"; 131573

county council's progress in achieving results for families and 131575  
children; 131576

(e) Establishment of a mechanism to ensure ongoing input from 131577  
a broad representation of families who are receiving services 131578  
within the county system. 131579

(3) A county council shall develop and implement the 131580  
following: 131581

(a) An interagency process to establish local indicators and 131582  
monitor the county's progress toward increasing child well-being 131583  
in the county; 131584

(b) An interagency process to identify local priorities to 131585  
increase child well-being. The local priorities shall focus on 131586  
expectant parents and newborns thriving; infants and toddlers 131587  
thriving; children being ready for school; children and youth 131588  
succeeding in school; youth choosing healthy behaviors; and youth 131589  
successfully transitioning into adulthood and take into account 131590  
the indicators established by the cabinet council under division 131591  
(A)(4)(a) of this section. 131592

(c) An annual plan that identifies the county's interagency 131593  
efforts to increase child well-being in the county. 131594

On an annual basis, the county council shall submit a report 131595  
on the status of efforts by the county to increase child 131596  
well-being in the county to the county's board of county 131597  
commissioners and the cabinet council. This report shall be made 131598  
available to any other person on request. 131599

(4)(a) Except as provided in division (B)(4)(b) of this section, a county council shall comply with the policies, procedures, and activities prescribed by the rules or interagency agreements of a state department participating on the cabinet council whenever the county council performs a function subject to those rules or agreements.

(b) On application of a county council, the cabinet council may grant an exemption from any rules or interagency agreements of a state department participating on the council if an exemption is necessary for the council to implement an alternative program or approach for service delivery to families and children. The application shall describe the proposed program or approach and specify the rules or interagency agreements from which an exemption is necessary. The cabinet council shall approve or disapprove the application in accordance with standards and procedures it shall adopt. If an application is approved, the exemption is effective only while the program or approach is being implemented, including a reasonable period during which the program or approach is being evaluated for effectiveness.

(5)(a) Each county council shall designate an administrative agent for the council from among the following public entities: the board of alcohol, drug addiction, and mental health services, including a board of alcohol and drug addiction or a community mental health board if the county is served by separate boards; the board of county commissioners; any board of health of the county's city and general health districts; the county department of job and family services; the county agency responsible for the administration of children services pursuant to section 5153.15 of the Revised Code; the county board of developmental disabilities; any of the county's boards of education or governing boards of educational service centers; or the county's juvenile court. Any of the foregoing public entities, other than the board of county

commissioners, may decline to serve as the council's 131632  
administrative agent. 131633

A county council's administrative agent shall serve as the 131634  
council's appointing authority for any employees of the council. 131635  
The council shall file an annual budget with its administrative 131636  
agent, with copies filed with the county auditor and with the 131637  
board of county commissioners, unless the board is serving as the 131638  
council's administrative agent. The council's administrative agent 131639  
shall ensure that all expenditures are handled in accordance with 131640  
policies, procedures, and activities prescribed by state 131641  
departments in rules or interagency agreements that are applicable 131642  
to the council's functions. 131643

The administrative agent of a county council shall send 131644  
notice of a member's absence if a member listed in division (B)(1) 131645  
of this section has been absent from either three consecutive 131646  
meetings of the county council or a county council subcommittee, 131647  
or from one-quarter of such meetings in a calendar year, whichever 131648  
is less. The notice shall be sent to the board of county 131649  
commissioners that establishes the county council and, for the 131650  
members listed in divisions (B)(1)(b), (c), (e), and (l) of this 131651  
section, to the governing board overseeing the respective entity; 131652  
for the member listed in division (B)(1)(f) of this section, to 131653  
the county board of developmental disabilities that employs the 131654  
superintendent; for a member listed in division (B)(1)(g) or (h) 131655  
of this section, to the school board that employs the 131656  
superintendent; for the member listed in division (B)(1)(i) of 131657  
this section, to the mayor of the municipal corporation; for the 131658  
member listed in division (B)(1)(k) of this section, to the 131659  
director of youth services; and for the member listed in division 131660  
(B)(1)(n) of this section, to that member's board of trustees. 131661

The administrative agent for a county council may do any of 131662  
the following on behalf of the council: 131663

(i) Enter into agreements or administer contracts with public or private entities to fulfill specific council business. Such agreements and contracts are exempt from the competitive bidding requirements of section 307.86 of the Revised Code if they have been approved by the county council and they are for the purchase of family and child welfare or child protection services or other social or job and family services for families and children. The approval of the county council is not required to exempt agreements or contracts entered into under section 5139.34, 5139.41, or 5139.43 of the Revised Code from the competitive bidding requirements of section 307.86 of the Revised Code.

(ii) As determined by the council, provide financial stipends, reimbursements, or both, to family representatives for expenses related to council activity;

(iii) Receive by gift, grant, devise, or bequest any moneys, lands, or other property for the purposes for which the council is established. The agent shall hold, apply, and dispose of the moneys, lands, or other property according to the terms of the gift, grant, devise, or bequest. Any interest or earnings shall be treated in the same manner and are subject to the same terms as the gift, grant, devise, or bequest from which it accrues.

(b)(i) If the county council designates the board of county commissioners as its administrative agent, the board may, by resolution, delegate any of its powers and duties as administrative agent to an executive committee the board establishes from the membership of the county council. The board shall name to the executive committee at least the individuals described in divisions (B)(1)(b) to (h) of this section and may appoint the president of the board or another individual as the chair of the executive committee. The executive committee must include at least one family county council representative who does not have a family member employed by an agency represented on the

council. 131696

(ii) The executive committee may, with the approval of the 131697  
board, hire an executive director to assist the county council in 131698  
administering its powers and duties. The executive director shall 131699  
serve in the unclassified civil service at the pleasure of the 131700  
executive committee. The executive director may, with the approval 131701  
of the executive committee, hire other employees as necessary to 131702  
properly conduct the county council's business. 131703

(iii) The board may require the executive committee to submit 131704  
an annual budget to the board for approval and may amend or repeal 131705  
the resolution that delegated to the executive committee its 131706  
authority as the county council's administrative agent. 131707

(6) Two or more county councils may enter into an agreement 131708  
to administer their county councils jointly by creating a regional 131709  
family and children first council. A regional council possesses 131710  
the same duties and authority possessed by a county council, 131711  
except that the duties and authority apply regionally rather than 131712  
to individual counties. Prior to entering into an agreement to 131713  
create a regional council, the members of each county council to 131714  
be part of the regional council shall meet to determine whether 131715  
all or part of the members of each county council will serve as 131716  
members of the regional council. 131717

(7) A board of county commissioners may approve a resolution 131718  
by a majority vote of the board's members that requires the county 131719  
council to submit a statement to the board each time the council 131720  
proposes to enter into an agreement, adopt a plan, or make a 131721  
decision, other than a decision pursuant to section 121.38 of the 131722  
Revised Code, that requires the expenditure of funds for two or 131723  
more families. The statement shall describe the proposed 131724  
agreement, plan, or decision. 131725

Not later than fifteen days after the board receives the 131726

statement, it shall, by resolution approved by a majority of its members, approve or disapprove the agreement, plan, or decision. Failure of the board to pass a resolution during that time period shall be considered approval of the agreement, plan, or decision.

An agreement, plan, or decision for which a statement is required to be submitted to the board shall be implemented only if it is approved by the board.

(C) Each county shall develop a county service coordination mechanism. The county service coordination mechanism shall serve as the guiding document for coordination of services in the county. For children who also receive services under the help me grow program, the service coordination mechanism shall be consistent with rules adopted by the department of health under section 3701.61 of the Revised Code. All family service coordination plans shall be developed in accordance with the county service coordination mechanism. The mechanism shall be developed and approved with the participation of the county entities representing child welfare; developmental disabilities; alcohol, drug addiction, and mental health services; health; juvenile judges; education; the county family and children first council; and the county early intervention collaborative established pursuant to the federal early intervention program operated under the "Individuals with Disabilities Education Act of 2004." The county shall establish an implementation schedule for the mechanism. The cabinet council may monitor the implementation and administration of each county's service coordination mechanism.

Each mechanism shall include all of the following:

(1) A procedure for an agency, including a juvenile court, or a family voluntarily seeking service coordination, to refer the child and family to the county council for service coordination in accordance with the mechanism;

(2) A procedure ensuring that a family and all appropriate staff from involved agencies, including a representative from the appropriate school district, are notified of and invited to participate in all family service coordination plan meetings;

(3) A procedure that permits a family to initiate a meeting to develop or review the family's service coordination plan and allows the family to invite a family advocate, mentor, or support person of the family's choice to participate in any such meeting;

(4) A procedure for ensuring that a family service coordination plan meeting is conducted for each child who receives service coordination under the mechanism and for whom an emergency out-of-home placement has been made or for whom a nonemergency out-of-home placement is being considered. The meeting shall be conducted within ten days of an emergency out-of-home placement. The meeting shall be conducted before a nonemergency out-of-home placement. The family service coordination plan shall outline how the county council members will jointly pay for services, where applicable, and provide services in the least restrictive environment.

(5) A procedure for monitoring the progress and tracking the outcomes of each service coordination plan requested in the county including monitoring and tracking children in out-of-home placements to assure continued progress, appropriateness of placement, and continuity of care after discharge from placement with appropriate arrangements for housing, treatment, and education;

(6) A procedure for protecting the confidentiality of all personal family information disclosed during service coordination meetings or contained in the comprehensive family service coordination plan;

(7) A procedure for assessing the needs and strengths of any

child or family that has been referred to the council for service 131790  
coordination, including a child whose parent or custodian is 131791  
voluntarily seeking services, and for ensuring that parents and 131792  
custodians are afforded the opportunity to participate; 131793

(8) A procedure for development of a family service 131794  
coordination plan described in division (D) of this section; 131795

(9) A local dispute resolution process to serve as the 131796  
process that must be used first to resolve disputes among the 131797  
agencies represented on the county council concerning the 131798  
provision of services to children, including children who are 131799  
abused, neglected, dependent, unruly, alleged unruly, or 131800  
delinquent children and under the jurisdiction of the juvenile 131801  
court and children whose parents or custodians are voluntarily 131802  
seeking services. The local dispute resolution process shall 131803  
comply with sections 121.38, 121.381, and 121.382 of the Revised 131804  
Code. The local dispute resolution process shall be used to 131805  
resolve disputes between a child's parents or custodians and the 131806  
county council regarding service coordination. The county council 131807  
shall inform the parents or custodians of their right to use the 131808  
dispute resolution process. Parents or custodians shall use 131809  
existing local agency grievance procedures to address disputes not 131810  
involving service coordination. The dispute resolution process is 131811  
in addition to and does not replace other rights or procedures 131812  
that parents or custodians may have under other sections of the 131813  
Revised Code. 131814

The cabinet council shall adopt rules in accordance with 131815  
Chapter 119. of the Revised Code establishing an administrative 131816  
review process to address problems that arise concerning the 131817  
operation of a local dispute resolution process. 131818

Nothing in division (C)(4) of this section shall be 131819  
interpreted as overriding or affecting decisions of a juvenile 131820  
court regarding an out-of-home placement, long-term placement, or 131821

emergency out-of-home placement. 131822

(D) Each county shall develop a family service coordination 131823  
plan that does all of the following: 131824

(1) Designates service responsibilities among the various 131825  
state and local agencies that provide services to children and 131826  
their families, including children who are abused, neglected, 131827  
dependent, unruly, or delinquent children and under the 131828  
jurisdiction of the juvenile court and children whose parents or 131829  
custodians are voluntarily seeking services; 131830

The council shall file an annual budget with its administrative 133001  
agent, with copies filed with the county auditor and with the 133002  
board of county commissioners, unless the board is serving as the 133003  
council's administrative agent. The council's administrative agent 133004  
shall ensure that all expenditures are handled in accordance with 133005

to the council's functions. 133008

The administrative agent of a county council shall send 133009  
notice of a member's absence if a member listed in division (B)(1) 133010  
of this section has been absent from either three consecutive 133011  
meetings of the county council or a county council subcommittee, 133012  
or from one-quarter of such meetings in a calendar year, whichever 133013

commissioners that establishes the county council and, for the 133015  
members listed in divisions (B)(1)(b), (c), (e), and (l) of this 133016  
section, to the governing board overseeing the respective entity; 133017  
for the member listed in division (B)(1)(f) of this section, to 133018  
the county board of developmental disabilities that employs the 133019  
superintendent; for a member listed in division (B)(1)(g) or (h) 133020  
of this section, to the school board that employs the 133021  
superintendent; for the member listed in division (B)(1)(i) of 133022  
this section, to the mayor of the municipal corporation; for the 133023  
member listed in division (B)(1)(k) of this section, to the 133024  
director of youth services; and for the member listed in division 133025  
(B)(1)(n) of this section, to that member's board of trustees. 133026

The administrative agent for a county council may do any of 133027  
the following on behalf of the council: 133028

(i) Enter into agreements or administer contracts with public 133029  
or private entities to fulfill specific council business. Such 133030  
agreements and contracts are exempt from the competitive bidding 133031  
requirements of section 307.86 of the Revised Code if they have 133032  
been approved by the county council and they are for the purchase 133033  
of family and child welfare or child protection services or other 133034  
social or job and family services for families and children. The 133035  
approval of the county council is not required to exempt 133036  
agreements or contracts entered into under section 5139.34, 133037  
5139.41, or 5139.43 of the Revised Code from the competitive 133038

bidding requirements of section 307.86 of the Revised Code. 133039

(ii) As determined by the council, provide financial 133040  
stipends, reimbursements, or both, to family representatives for 133041  
expenses related to council activity; 133042

(iii) Receive by gift, grant, devise, or bequest any moneys, 133043  
lands, or other property for the purposes for which the council is 133044  
established. The agent shall hold, apply, and dispose of the 133045  
moneys, lands, or other property according to the terms of the 133046  
gift, grant, devise, or bequest. Any interest or earnings shall be 133047  
treated in the same manner and are subject to the same terms as 133048  
the gift, grant, devise, or bequest from which it accrues. 133049

(b)(i) If the county council designates the board of county 133050  
commissioners as its administrative agent, the board may, by 133051  
resolution, delegate any of its powers and duties as 133052  
administrative agent to an executive committee the board 133053  
establishes from the membership of the county council. The board 133054  
shall name to the executive committee at least the individuals 133055  
described in divisions (B)(1)(b) to (h) of this section and may 133056  
appoint the president of the board or another individual as the 133057  
chair of the executive committee. The executive committee must 133058  
include at least one family county council representative who does 133059  
not have a family member employed by an agency represented on the 133060  
council. 133061

(ii) The executive committee may, with the approval of the 133062  
board, hire an executive director to assist the county council in 133063  
administering its powers and duties. The executive director shall 133064  
serve in the unclassified civil service at the pleasure of the 133065  
executive committee. The executive director may, with the approval 133066  
of the executive committee, hire other employees as necessary to 133067  
properly conduct the county council's business. 133068

(iii) The board may require the executive committee to submit 133069

an annual budget to the board for approval and may amend or repeal 133070  
the resolution that delegated to the executive committee its 133071  
authority as the county council's administrative agent. 133072

(6) Two or more county councils may enter into an agreement 133073  
to administer their county councils jointly by creating a regional 133074  
family and children first council. A regional council possesses 133075  
the same duties and authority possessed by a county council, 133076  
except that the duties and authority apply regionally rather than 133077  
to individual counties. Prior to entering into an agreement to 133078  
create a regional council, the members of each county council to 133079  
be part of the regional council shall meet to determine whether 133080  
all or part of the members of each county council will serve as 133081  
members of the regional council. 133082

(7) A board of county commissioners may approve a resolution 133083  
by a majority vote of the board's members that requires the county 133084  
council to submit a statement to the board each time the council 133085  
proposes to enter into an agreement, adopt a plan, or make a 133086  
decision, other than a decision pursuant to section 121.38 of the 133087  
Revised Code, that requires the expenditure of funds for two or 133088  
more families. The statement shall describe the proposed 133089  
agreement, plan, or decision. 133090

Not later than fifteen days after the board receives the 133091  
statement, it shall, by resolution approved by a majority of its 133092  
members, approve or disapprove the agreement, plan, or decision. 133093  
Failure of the board to pass a resolution during that time period 133094  
shall be considered approval of the agreement, plan, or decision. 133095

An agreement, plan, or decision for which a statement is 133096  
required to be submitted to the board shall be implemented only if 133097  
it is approved by the board. 133098

(C) Each county shall develop a county service coordination 133099

mechanism. 133118

Each mechanism shall include all of the following: 133119

(3) A procedure that permits a family to initiate a meeting 133128  
to develop or review the family's service coordination plan and 133129  
allows the family to invite a family advocate, mentor, or support 133130  
person of the family's choice to participate in any such meeting; 133131

(4) A procedure for ensuring that a family service 133132  
coordination plan meeting is conducted for each child who receives 133133  
service coordination under the mechanism and for whom an emergency 133134  
out-of-home placement has been made or for whom a nonemergency 133135  
out-of-home placement is being considered. The meeting shall be 133136

placement. The family service coordination plan shall outline how 133139  
the county council members will jointly pay for services, where 133140  
applicable, and provide services in the least restrictive 133141  
environment. 133142

(5) A procedure for monitoring the progress and tracking the 133143  
outcomes of each service coordination plan requested in the county 133144

education; 133149

(8) A procedure for development of a family service 133159  
coordination plan described in division (D) of this section; 133160

(9) A local dispute resolution process to serve as the 133161

provision of services to children, including children who are 133164  
abused, neglected, dependent, unruly, alleged unruly, or 133165

shall inform the parents or custodians of their right to use the 133173  
dispute resolution process. Parents or custodians shall use 133174  
existing local agency grievance procedures to address disputes not 133175

in addition to and does not replace other rights or procedures 133177  
that parents or custodians may have under other sections of the 133178  
Revised Code. 133179

The cabinet council shall adopt rules in accordance with 133180  
Chapter 119. of the Revised Code establishing an administrative 133181  
review process to address problems that arise concerning the 133182

Nothing in division (C)(4) of this section shall be 133184  
interpreted as overriding or affecting decisions of a juvenile 133185  
court regarding an out-of-home placement, long-term placement, or 133186  
emergency out-of-home placement. 133187

(D) Each county shall develop a family service coordination 133188

(c) The child has been counseled on the permanent placement 134177  
options available to the child, and is unwilling to accept or 134178

shall be placed in an independent living setting or in a family 134197

prayer requesting permanent custody, temporary custody, or the 134221  
placement of the child in a planned permanent living arrangement 134222  
as desired, the summons served on the parents of the child 134223  
contains as is appropriate a full explanation that the granting of 134224  
an order for permanent custody permanently divests them of their 134225  
parental rights, a full explanation that an adjudication that the 134226  
child is an abused, neglected, or dependent child may result in an 134227  
order of temporary custody that will cause the removal of the 134228  
child from their legal custody until the court terminates the 134229

order of temporary custody or permanently divests the parents of 134230  
their parental rights, or a full explanation that the granting of 134231  
an order for a planned permanent living arrangement will result in 134232  
the removal of the child from their legal custody if any of the 134233  
conditions listed in divisions (A)(5)(a) to (c) of this section 134234

to the movant in accordance with section 2151.414 of the Revised 134242

guardian, or custodian, or any other person, including, but not 134247  
limited to, any of the following: 134248

journalize a case plan for the child. The journalized case plan 134259

(F)(1) The court shall retain jurisdiction over any child for 134262  
whom the court issues an order of disposition pursuant to division 134263  
(A) of this section or pursuant to section 2151.414 or 2151.415 of 134264  
the Revised Code until the child attains the age of eighteen years 134265  
if the child does not have a developmental disability or physical 134266  
impairment, the child attains the age of twenty-one years if the 134267  
child has a developmental disability or physical impairment, or 134268  
the child is adopted and a final decree of adoption is issued, 134269  
except that the court may retain jurisdiction over the child and 134270  
continue any order of disposition under division (A) of this 134271  
section or under section 2151.414 or 2151.415 of the Revised Code 134272  
for a specified period of time to enable the child to graduate 134273  
from high school or vocational school. The court shall make an 134274  
entry continuing its jurisdiction under this division in the 134275

placing agency, the department of ~~job children~~ and ~~family services~~ 134278  
youth, or any party, other than any parent whose parental rights 134279  
with respect to the child have been terminated pursuant to an 134280  
order issued under division (A)(4) of this section, by filing a 134281  
motion with the court, may at any time request the court to modify 134282  
or terminate any order of disposition issued pursuant to division 134283  
(A) of this section or section 2151.414 or 2151.415 of the Revised 134284  
Code. The court shall hold a hearing upon the motion as if the 134285  
hearing were the original dispositional hearing and shall give all 134286  
parties to the action and the guardian ad litem notice of the 134287  
hearing pursuant to the Juvenile Rules. If applicable, the court 134288  
shall comply with section 2151.42 of the Revised Code. 134289

(G) Any temporary custody order issued pursuant to division 134290

of a motion pursuant to section 2151.415 of the Revised Code, the 134294  
temporary custody order shall continue and not terminate until the 134295  
court issues a dispositional order under that section. In 134296  
resolving the motion, the court shall not order an existing 134297  
temporary custody order to continue beyond two years after the 134298  
date on which the complaint was filed or the child was first 134299  
placed into shelter care, whichever date is earlier, regardless of 134300  
whether any extensions have been previously ordered pursuant to 134301  
division (D) of section 2151.415 of the Revised Code. 134302

(H)(1) No later than one year after the earlier of the date 134303  
the complaint in the case was filed or the child was first placed 134304

party requesting extension or termination of the order shall file 134307  
a written request for the extension or termination with the court 134308  
and give notice of the proposed extension or termination in 134309  
writing before the end of the day after the day of filing it to 134310  
all parties and the child's guardian ad litem. If a public 134311  
children services agency or private child placing agency requests 134312  
termination of the order, the agency shall file a written status 134313  
report setting out the facts supporting termination of the order 134314  
at the time it files the request with the court. If no party 134315  
requests extension or termination of the order, the court shall 134316  
notify the parties that the court will extend the order for six 134317  
months or terminate it and that it may do so without a hearing 134318  
unless one of the parties requests a hearing. All parties and the 134319  
guardian ad litem shall have seven days from the date a notice is 134320  
sent pursuant to this division to object to and request a hearing 134321  
on the proposed extension or termination. 134322

(a) If it receives a timely request for a hearing, the court 134323  
shall schedule a hearing to be held no later than thirty days 134324

after the request is received by the court. The court shall give notice of the date, time, and location of the hearing to all parties and the guardian ad litem. At the hearing, the court shall determine whether extension or termination of the order is in the child's best interest. If termination is in the child's best interest, the court shall terminate the order. If extension is in the child's best interest, the court shall extend the order for six months.

(b) If it does not receive a timely request for a hearing, the court may extend the order for six months or terminate it without a hearing and shall journalize the order of extension or termination not later than fourteen days after receiving the request for extension or termination or after the date the court notifies the parties that it will extend or terminate the order. If the court does not extend or terminate the order, it shall schedule a hearing to be held no later than thirty days after the expiration of the applicable fourteen-day time period and give notice of the date, time, and location of the hearing to all parties and the child's guardian ad litem. At the hearing, the court shall determine whether extension or termination of the order is in the child's best interest. If termination is in the child's best interest, the court shall terminate the order. If extension is in the child's best interest, the court shall issue an order extending the order for protective supervision six months.

(2) If the court grants an extension of the order for protective supervision pursuant to division (H)(1) of this section, a party may, prior to termination of the extension, file with the court a request for an additional extension of six months or for termination of the order. The court and the parties shall comply with division (H)(1) of this section with respect to extending or terminating the order.

(3) If a court grants an extension pursuant to division 134357  
(H)(2) of this section, the court shall terminate the order for 134358  
protective supervision at the end of the extension. 134359

(I) The court shall not issue a dispositional order pursuant 134360  
to division (A) of this section that removes a child from the 134361  
child's home unless the court complies with section 2151.419 of 134362  
the Revised Code and includes in the dispositional order the 134363  
findings of fact required by that section. 134364

(J) If a motion or application for an order described in 134365  
division (A)(6) of this section is made, the court shall not issue 134366  
the order unless, prior to the issuance of the order, it provides 134367

(1) Notice and a copy of the motion or application; 134369

(2) The grounds for the motion or application; 134370

hearing regarding the motion or application; 134372

(4) An opportunity to be represented by counsel at the 134373  
hearing. 134374

(K) The jurisdiction of the court shall terminate one year 134375  
after the date of the award or, if the court takes any further 134376  
action in the matter subsequent to the award, the date of the 134377  
latest further action subsequent to the award, if the court awards 134378  
legal custody of a child to either of the following: 134379

custody, resides in a county of this state other than the county 134381

(2) A legal custodian who resides in the county in which the 134383  
court is located at the time of the award of legal custody, but 134384  
moves to a different county of this state prior to one year after 134385  
the date of the award or, if the court takes any further action in 134386

the matter subsequent to the award, one year after the date of the 134387  
latest further action subsequent to the award. 134388

The court in the county in which the legal custodian resides 134389  
then shall have jurisdiction in the matter. 134390

dispositional order. If the agency cannot obtain an agreement upon 134574  
the contents of the case plan or the court does not approve it, 134575

with the court and give notice of the proposed change in writing 134590

parties and the child's guardian ad litem. All parties and the 134592  
guardian ad litem shall have seven days from the date the notice 134593

necessary to prevent immediate or threatened physical or emotional 134621  
harm, to believe that a child is in immediate danger from the 134622  
child's surroundings and that an immediate change in the child's 134623  
case plan is necessary to prevent immediate or threatened physical 134624  
or emotional harm to the child, or to believe that a parent, 134625  
guardian, custodian, or other member of the child's household has 134626  
abused or neglected the child and that the child is in danger of 134627  
immediate or threatened physical or emotional harm from that 134628  
person unless the agency makes an appropriate change in the 134629  
child's case plan, it may implement the change without prior 134630  
agreement or a court hearing and, before the end of the next day 134631  
after the change is made, give all parties, the guardian ad litem 134632  
of the child, and the court notice of the change. Before the end 134633  
of the third day after implementing the change in the case plan, 134634  
the agency shall file a statement of the change with the court and 134635  
give notice of the filing accompanied by a copy of the statement 134636

to all parties and the guardian ad litem. All parties and the 134637  
guardian ad litem shall have ten days from the date the notice is 134638  
sent to object to and request a hearing on the change. 134639

(a) If it receives a timely request for a hearing, the court 134640  
shall schedule a hearing pursuant to section 2151.417 of the 134641  
Revised Code to be held no later than thirty days after the 134642  
request is received by the court. The court shall give notice of 134643  
the date, time, and location of the hearing to all parties and the 134644  
guardian ad litem. The agency shall continue to administer the 134645  
case plan with the change after the hearing, if the court approves 134646  
the change. If the court does not approve the change, the court 134647

journalize the case plan. 134649

(b) If it does not receive a timely request for a hearing, 134650  
the court may approve the change without a hearing. If the court 134651  
approves the change without a hearing, it shall journalize the 134652

to division (A) of this section. The assessor shall not include on 137617  
the forms identifying information about the biological parents or 137618  
other ancestors of the minor. 137619

(C) A social history shall describe and identify the age; 137620

any available records if a biological parent or any legal guardian 137632  
of a biological parent consents to the release of information 137633  
contained in a record. An assessor who considers it necessary may 137634  
request that a biological parent undergo a medical examination. In 137635  
obtaining social and medical histories of a biological parent, an 137636  
assessor shall inform the biological parent, or a person other 137637  
than a biological parent who provides information pursuant to this 137638  
section, of the purpose and use of the histories and of the 137639  
biological parent's or other person's right to correct or expand 137640  
the histories at any time. 137641

(D) A biological parent, or another person who provided 137642  
information in the preparation of the social and medical histories 137643  
of the biological parents of a minor, may cause the histories to 137644

of information. The biological parent or other person may cause 137646  
the histories to be corrected or expanded at any time prior or 137647  
subsequent to the adoption of the minor, including any time after 137648  
the minor becomes an adult. A biological parent may cause the 137649  
histories to be corrected or expanded even if the biological 137650  
parent did not provide any information to the assessor at the time 137651  
the histories were prepared. 137652

To cause the histories to be corrected or expanded, a 137653  
biological parent or other person who provided information shall 137654  
provide the information to be included or specify the information 137655  
to be corrected to whichever of the following is appropriate under 137656  
the circumstances: 137657

(1) Subject to divisions (D)(2) and (3) of this section, to 137658  
the assessor who prepared the histories if the biological parent 137659  
or other person knows the assessor; 137660

(2) Subject to division (D)(3) of this section, to the court 137661  
involved in the adoption or, if that court is not known, to the 137662  
department of health, if the biological parent or person does not 137663  
know the assessor or finds that the assessor has ceased to perform 137664  
assessments; 137665

(3) To the department of health, if the histories were 137666  
originally completed by the biological parent pursuant to section 137667  
3107.393 of the Revised Code or, regardless of whether the 137668  
histories were originally completed pursuant to this section or 137669  
section 3107.091 or 3107.393 of the Revised Code, the biological 137670  
parent seeks to correct or expand the histories at the same time 137671  
the biological parent completes a contact preference form pursuant 137672  
to section 3107.39 of the Revised Code or a biological parent's 137673  
name redaction request form pursuant to section 3107.391 of the 137674  
Revised Code. 137675

An assessor who receives information from a biological parent 137676

or other person pursuant to division (D)(1) of this section shall 137677  
determine whether the information is of a type that divisions (B) 137678  
and (C) of this section permit to be included in the histories. If 137679  
the assessor determines the information is of a permissible type, 137680  
the assessor shall cause the histories to be corrected or expanded 137681  
to reflect the information. If, at the time the information is 137682  
received, the histories have been filed with the court as required 137683  
by division (E) of this section, the court shall cooperate with 137684  
the assessor in correcting or expanding the histories. 137685

If the department of health or a court receives information 137686  
from a biological parent or other person pursuant to division 137687  
(D)(2) of this section or the department receives information from 137688  
a biological parent pursuant to division (D)(3) of this section, 137689  
it shall determine whether the information is of a type that 137690  
divisions (B) and (C) of this section permit to be included in the 137691  
histories. If a court determines the information is of a 137692  
permissible type, the court shall cause the histories to be 137693  
corrected or expanded to reflect the information. If the 137694  
department of health so determines, the court involved shall 137695  
cooperate with the department in the correcting or expanding of 137696  
the histories. 137697

An assessor or the department of health shall notify a 137698  
biological parent or other person in writing if the assessor or 137699  
department determines that information the biological parent or 137700  
other person provided or specified for inclusion in a history is 137701  
not of a type that may be included in a history. On receipt of the 137702  
notice, the biological parent or other person may petition the 137703  
court involved in the adoption to make a finding as to whether the 137704  
information is of a type that may be included in a history. On 137705  
receipt of the petition, the court shall issue its finding without 137706  
holding a hearing. If the court finds that the information is of a 137707  
type that may be included in a history, it shall cause the history 137708

to be corrected or expanded to reflect the information. 137709

(E) An assessor shall file the social and medical histories 137710  
of the biological parents prepared pursuant to divisions (B) and 137711  
(C) of this section with the court with which a petition to adopt 137712  
the biological parents' child is filed. The court promptly shall 137713  
provide a copy of the social and medical histories filed with it 137714  
to the petitioner. In a case involving the adoption of a minor by 137715  
any person other than the minor's stepparent or grandparent, a 137716  
court may refuse to issue an interlocutory order or final decree 137717  
of adoption if the histories of the biological parents have not 137718  
been so filed, unless the assessor certifies to the court that 137719  
information needed to prepare the histories is unavailable for 137720  
reasons beyond the assessor's control. 137721

**Sec. 3107.091.** (A) As used in this section, "biological 137722  
parent" means a biological parent whose offspring, as a minor, was 137723  
adopted and with respect to whom a medical and social history was 137724  
not prepared prior or subsequent to the adoption. 137725

(B) A biological parent may request the department of ~~job~~ 137726  
children and family services youth to provide the biological 137727  
parent with a copy of the social and medical history forms 137728  
prescribed by the department pursuant to section 3107.09 of the 137729  
Revised Code. The department, upon receipt of such a request, 137730  
shall provide the forms to the biological parent, if the 137731  
biological parent indicates that the forms are being requested so 137732  
that the adoption records of the biological parent's offspring 137733  
will include a social and medical history of the biological 137734  
parent. 137735

In completing the forms, the biological parent may include 137736  
information described in division (C) of section 3107.09 of the 137737  
Revised Code, but shall not include identifying information. When 137738  
the biological parent has completed the forms to the extent the 137739

biological parent wishes to provide information, the biological 137740  
parent shall return them to the department. The department shall 137741  
review the completed forms, and shall determine whether the 137742  
information included by the biological parent is of a type 137743  
permissible under divisions (B) and (C) of section 3107.09 of the 137744  
Revised Code and, to the best of its ability, whether the 137745  
information is accurate. If it determines that the forms contain 137746  
accurate, permissible information, the department, after excluding 137747  
from the forms any information the department deems impermissible, 137748  
shall file them with the court that entered the interlocutory 137749  
order or final decree of adoption in the adoption case. If the 137750  
department needs assistance in determining that court, the 137751  
department of health, upon request, shall assist it. 137752

The department of ~~job children~~ and ~~family services~~ youth 137753  
shall notify the biological parent in writing if it excludes from 137754  
the biological parent's social and medical history forms 137755  
information deemed impermissible. On receipt of the notice, the 137756  
biological parent may petition the court with which the forms were 137757  
filed to make a finding as to whether the information is 137758  
permissible. On receipt of the petition, the court shall issue its 137759  
finding without holding a hearing. If the court finds the 137760  
information is permissible, it shall cause the information to be 137761  
included on the forms. 137762

Upon receiving social and medical history forms pursuant to 137763  
this section, a court shall cause them to be filed in the records 137764  
pertaining to the adoption case. 137765

Social and medical history forms completed by a biological 137766  
parent pursuant to this section may be corrected or expanded by 137767  
the biological parent in accordance with division (D) of section 137768  
3107.09 of the Revised Code. 137769

Access to the histories shall be granted in accordance with 137770  
division (D) of section 3107.17 of the Revised Code. 137771

(C) This section does not preclude a biological parent from 137772  
completing a social and medical history in accordance with section 137773  
3107.393 of the Revised Code instead of this section. 137774

(2) If the department decides to sanction a school district 138938  
under this division, the department shall take the following 138939  
sequential actions: 138940

The department also may require the district to develop a 138945  
corrective action plan, which shall include provisions for the 138946  
district to provide mandatory staff training on data reporting 138947  
procedures. 138948

(b) Withhold up to ten per cent of the total amount of state 138949  
funds due to the district for the current fiscal year and, if not 138950

district has been sanctioned for failing to report data as 138975  
required by this section; 138976

(viii) If the district is issued a report card under section 138977

(ix) Any other action designed to correct the district's data 138982

shall make a report of the circumstances that prompted the action. 138986  
The department shall send a copy of the report to the district 138987  
superintendent or chief administrator and maintain a copy of the 138988  
report in its files. 138989

(4) If any action taken under division (L)(2) of this section 138990  
resolves a school district's data reporting problems to the 138991  
department's satisfaction, the department shall not take any 138992  
further actions described by that division. If the department 138993  
withheld funds from the district under that division, the 138994

shall not release the funds withheld under division (L)(2)(b) or 139000  
(c) of this section. 139001

(5) Notwithstanding anything in this section to the contrary, 139002  
the department may use its own staff or an outside entity to 139003

conduct an audit of a school district's data reporting practices 139004  
any time the department has reason to believe the district has not 139005  
made a good faith effort to report data as required by this 139006  
section. If any audit conducted by an outside entity under 139007  
division (L)(2)(d)(i) or (5) of this section confirms that a 139008  
district has not made a good faith effort to report data as 139009  
required by this section, the district shall reimburse the 139010  
department for the full cost of the audit. The department may 139011  
withhold state funds due to the district for this purpose. 139012

(6) Prior to issuing a revised report card for a school 139013  
district under division (L)(2)(d)(viii) of this section, the 139014  
department may hold a hearing to provide the district with an 139015  
opportunity to demonstrate that it made a good faith effort to 139016  
report data as required by this section. The hearing shall be 139017  
conducted by a referee appointed by the department. Based on the 139018  
information provided in the hearing, the referee shall recommend 139019  
whether the department should issue a revised report card for the 139020  
district. If the referee affirms the department's contention that 139021  
the district did not make a good faith effort to report data as 139022  
required by this section, the district shall bear the full cost of 139023  
conducting the hearing and of issuing any revised report card. 139024

(7) If the department determines that any inaccurate data 139025  
reported under this section caused a school district to receive 139026  
excess state funds in any fiscal year, the district shall 139027  
reimburse the department an amount equal to the excess funds, in 139028  
accordance with a payment schedule determined by the department. 139029  
The department may withhold state funds due to the district for 139030  
this purpose. 139031

(8) Any school district that has funds withheld under 139032  
division (L)(2) of this section may appeal the withholding in 139033  
accordance with Chapter 119. of the Revised Code. 139034

(9) In all cases of a disagreement between the department and 139035

a school district regarding the appropriateness of an action taken 139036  
under division (L)(2) of this section, the burden of proof shall 139037  
be on the district to demonstrate that it made a good faith effort 139038  
to report data as required by this section. 139039

(10) The state board of education shall adopt rules under 139040  
Chapter 119. of the Revised Code to implement division (L) of this 139041  
section. 139042

acquire, change, or update its student administration software 139044  
package to manage and report data required to be reported to the 139045  
department unless it converts to a student software package that 139046  
is certified by the department. 139047

(N) The state board of education, in accordance with sections 139048  
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 139049  
license as defined under division (A) of section 3319.31 of the 139050  
Revised Code that has been issued to any school district employee 139051  
found to have willfully reported erroneous, inaccurate, or 139052  
incomplete data to the education management information system. 139053

(O) No person shall release or maintain any information about 139054  
any student in violation of this section. Whoever violates this 139055  
division is guilty of a misdemeanor of the fourth degree. 139056

(P) The department shall disaggregate the data collected 139057  
under division (B)(1)(n) of this section according to the race and 139058  
socioeconomic status of the students assessed. 139059

(Q) If the department cannot compile any of the information 139060  
required by division (I) of section 3302.03 of the Revised Code 139061  
based upon the data collected under this section, the department 139062  
shall develop a plan and a reasonable timeline for the collection 139063  
of any data necessary to comply with that division. 139064

student has taken any applicable diagnostic assessment in the 139078  
current school year, the district or school may administer the 139079  
diagnostic assessment to the student. However, if a student 139080

for the purpose of combining those records with the data reported 139880  
to the education management information system established under 139881  
section 3301.0714 of the Revised Code to establish an education 139882

(9) A child who is with the child's parent under the care of 140280

a shelter for victims of domestic violence, as defined in section 140281  
3113.33 of the Revised Code, is entitled to attend school free in 140282  
the district in which the child is with the child's parent, and no 140283  
other school district shall be required to pay tuition for the 140284  
child's attendance in that school district. 140285

The enrollment of a child in a school district under this 140286  
division shall not be denied due to a delay in the school 140287  
district's receipt of any records required under section 3313.672 140288  
of the Revised Code or any other records required for enrollment. 140289  
Any days of attendance and any credits earned by a child while 140290  
enrolled in a school district under this division shall be 140291  
transferred to and accepted by any school district in which the 140292  
child subsequently enrolls. The state board of education shall 140293  
adopt rules to ensure compliance with this division. 140294

(10) Any child under the age of twenty-two years whose parent 140295  
has moved out of the school district after the commencement of 140296  
classes in the child's senior year of high school is entitled, 140297  
subject to the approval of that district board, to attend school 140298  
in the district in which the child attended school at the time of 140299  
the parental move for the remainder of the school year and for one 140300  
additional semester or equivalent term. A district board may also 140301  
adopt a policy specifying extenuating circumstances under which a 140302  
student may continue to attend school under division (F)(10) of 140303  
this section for an additional period of time in order to 140304  
successfully complete the high school curriculum for the 140305  
individualized education program developed for the student by the 140306  
high school pursuant to section 3323.08 of the Revised Code. 140307

(11) As used in this division, "grandparent" means a parent 140308  
of a parent of a child. A child under the age of twenty-two years 140309  
who is in the custody of the child's parent, resides with a 140310  
grandparent, and does not require special education is entitled to 140311  
attend the schools of the district in which the child's 140312

grandparent resides, provided that, prior to such attendance in 140313  
any school year, the board of education of the school district in 140314  
which the child's grandparent resides and the board of education 140315  
of the school district in which the child's parent resides enter 140316  
into a written agreement specifying that good cause exists for 140317  
such attendance, describing the nature of this good cause, and 140318  
consenting to such attendance. 140319

In lieu of a consent form signed by a parent, a board of 140320  
education may request the grandparent of a child attending school 140321  
in the district in which the grandparent resides pursuant to 140322  
division (F)(11) of this section to complete any consent form 140323  
required by the district, including any authorization required by 140324  
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 140325  
Code. Upon request, the grandparent shall complete any consent 140326  
form required by the district. A school district shall not incur 140327  
any liability solely because of its receipt of a consent form from 140328  
a grandparent in lieu of a parent. 140329

Division (F)(11) of this section does not create, and shall 140330  
not be construed as creating, a new cause of action or substantive 140331  
legal right against a school district, a member of a board of 140332  
education, or an employee of a school district. This section does 140333  
not affect, and shall not be construed as affecting, any 140334  
immunities from defenses to tort liability created or recognized 140335  
by Chapter 2744. of the Revised Code for a school district, 140336  
member, or employee. 140337

(12) A child under the age of twenty-two years is entitled to 140338  
attend school in a school district other than the district in 140339  
which the child is entitled to attend school under division (B), 140340  
(C), or (E) of this section provided that, prior to such 140341  
attendance in any school year, both of the following occur: 140342

(a) The superintendent of the district in which the child is 140343  
entitled to attend school under division (B), (C), or (E) of this 140344

section contacts the superintendent of another district for 140345  
purposes of this division; 140346

(b) The superintendents of both districts enter into a 140347  
written agreement that consents to the attendance and specifies 140348  
that the purpose of such attendance is to protect the student's 140349  
physical or mental well-being or to deal with other extenuating 140350  
circumstances deemed appropriate by the superintendents. 140351

While an agreement is in effect under this division for a 140352  
student who is not receiving special education under Chapter 3323. 140353  
of the Revised Code and notwithstanding Chapter 3327. of the 140354  
Revised Code, the board of education of neither school district 140355  
involved in the agreement is required to provide transportation 140356  
for the student to and from the school where the student attends. 140357

A student attending a school of a district pursuant to this 140358  
division shall be allowed to participate in all student 140359  
activities, including interscholastic athletics, at the school 140360  
where the student is attending on the same basis as any student 140361  
who has always attended the schools of that district while of 140362  
compulsory school age. 140363

(13) All school districts shall comply with the 140364  
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 140365  
seq., for the education of homeless children. Each city, local, 140366  
and exempted village school district shall comply with the 140367  
requirements of that act governing the provision of a free, 140368  
appropriate public education, including public preschool, to each 140369  
homeless child. 140370

When a child loses permanent housing and becomes a homeless 140371  
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 140372  
such a homeless person changes temporary living arrangements, the 140373  
child's parent or guardian shall have the option of enrolling the 140374  
child in either of the following: 140375

(a) The child's school of origin, as defined in 42 U.S.C.A. 140376  
11432(g)(3)(C); 140377

(b) The school that is operated by the school district in 140378  
which the shelter where the child currently resides is located and 140379  
that serves the geographic area in which the shelter is located. 140380

(14) A child under the age of twenty-two years who resides 140381  
with a person other than the child's parent is entitled to attend 140382  
school in the school district in which that person resides if both 140383  
of the following apply: 140384

(a) That person has been appointed, through a military power 140385  
of attorney executed under section 574(a) of the "National Defense 140386  
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 140387  
U.S.C. 1044b, or through a comparable document necessary to 140388  
complete a family care plan, as the parent's agent for the care, 140389  
custody, and control of the child while the parent is on active 140390  
duty as a member of the national guard or a reserve unit of the 140391  
armed forces of the United States or because the parent is a 140392  
member of the armed forces of the United States and is on a duty 140393  
assignment away from the parent's residence. 140394

(b) The military power of attorney or comparable document 140395  
includes at least the authority to enroll the child in school. 140396

The entitlement to attend school in the district in which the 140397  
parent's agent under the military power of attorney or comparable 140398  
document resides applies until the end of the school year in which 140399  
the military power of attorney or comparable document expires. 140400

(G) A board of education, after approving admission, may 140401  
waive tuition for students who will temporarily reside in the 140402  
district and who are either of the following: 140403

(1) Residents or domiciliaries of a foreign nation who 140404  
request admission as foreign exchange students; 140405

(2) Residents or domiciliaries of the United States but not of Ohio who request admission as participants in an exchange program operated by a student exchange organization.

140406  
140407  
140408

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 3327.04, and 3327.06 of the Revised Code, a child may attend school or participate in a special education program in a school district other than in the district where the child is entitled to attend school under division (B) of this section.

140410  
140411  
140412  
140413

(I)(1) Notwithstanding anything to the contrary in this section or section 3313.65 of the Revised Code, a child under twenty-two years of age may attend school in the school district in which the child, at the end of the first full week of October of the school year, was entitled to attend school as otherwise provided under this section or section 3313.65 of the Revised Code, if at that time the child was enrolled in the schools of the district but since that time the child or the child's parent has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

140414  
140415  
140416  
140417  
140418  
140419  
140420  
140421  
140422  
140423  
140424  
140425  
140426  
140427  
140428  
140429

(a) The board of education of the school district in which the child was entitled to attend school at the end of the first full week in October and of the district to which the child or child's parent has relocated each has adopted a policy to enroll children described in division (I)(1) of this section.

140430  
140431  
140432  
140433  
140434

(b) The child's parent provides written notification of the relocation outside of the school district to the superintendent of each of the two school districts.

140435  
140436  
140437

(2) At the beginning of the school year following the school year in which the child or the child's parent relocated outside of the school district as described in division (I)(1) of this section, the child is not entitled to attend school in the school district under that division.

(3) Any person or entity owing tuition to the school district on behalf of the child at the end of the first full week in October, as provided in division (C) of this section, shall continue to owe such tuition to the district for the child's attendance under division (I)(1) of this section for the lesser of the balance of the school year or the balance of the time that the child attends school in the district under division (I)(1) of this section.

(4) A pupil who may attend school in the district under division (I)(1) of this section shall be entitled to transportation services pursuant to an agreement between the district and the district in which the child or child's parent has relocated unless the districts have not entered into such agreement, in which case the child shall be entitled to transportation services in the same manner as a pupil attending school in the district under interdistrict open enrollment as described in division (E) of section 3313.981 of the Revised Code, regardless of whether the district has adopted an open enrollment policy as described in division (B)(1)(b) or (c) of section 3313.98 of the Revised Code.

(J) This division does not apply to a child receiving special education.

A school district required to pay tuition pursuant to division (C)(2) or (3) of this section or section 3313.65 of the Revised Code shall have an amount deducted under division (C) of section 3317.023 of the Revised Code equal to its own tuition rate for the same period of attendance. A school district entitled to

receive tuition pursuant to division (C)(2) or (3) of this section 140470  
or section 3313.65 of the Revised Code shall have an amount 140471  
credited under division (C) of section 3317.023 of the Revised 140472  
Code equal to its own tuition rate for the same period of 140473  
attendance. If the tuition rate credited to the district of 140474  
attendance exceeds the rate deducted from the district required to 140475  
pay tuition, the department of education shall pay the district of 140476  
attendance the difference from amounts deducted from all 140477  
districts' payments under division (C) of section 3317.023 of the 140478  
Revised Code but not credited to other school districts under such 140479  
division and from appropriations made for such purpose. The 140480  
treasurer of each school district shall, by the fifteenth day of 140481  
January and July, furnish the superintendent of public instruction 140482  
a report of the names of each child who attended the district's 140483  
schools under divisions (C)(2) and (3) of this section or section 140484

months, the duration of the attendance of those children, the 140486  
school district responsible for tuition on behalf of the child, 140487

Upon receipt of the report the superintendent, pursuant to 140489  
division (C) of section 3317.023 of the Revised Code, shall deduct 140490  
each district's tuition obligations under divisions (C)(2) and (3) 140491  
of this section or section 3313.65 of the Revised Code and pay to 140492  
the district of attendance that amount plus any amount required to 140493  
be paid by the state. 140494

(K) In the event of a disagreement, the superintendent of 140495  
public instruction shall determine the school district in which 140496  
the parent resides. 140497

(L) Nothing in this section requires or authorizes, or shall 140498  
be construed to require or authorize, the admission to a public 140499  
school in this state of a pupil who has been permanently excluded 140500  
from public school attendance by the superintendent of public 140501

instruction pursuant to sections 3301.121 and 3313.662 of the Revised Code. 140502  
140503

(M) In accordance with division (B)(1) of this section, a child whose parent is a member of the national guard or a reserve unit of the armed forces of the United States and is called to active duty, or a child whose parent is a member of the armed forces of the United States and is ordered to a temporary duty assignment outside of the district, may continue to attend school in the district in which the child's parent lived before being called to active duty or ordered to a temporary duty assignment outside of the district, as long as the child's parent continues to be a resident of that district, and regardless of where the child lives as a result of the parent's active duty status or temporary duty assignment. However, the district is not responsible for providing transportation for the child if the child lives outside of the district as a result of the parent's active duty status or temporary duty assignment. 140504

facilities to the preschool provider or to furnish transportation, 140557  
utilities, or staff for the preschool program. 140558

(E) The treasurer of any board of education operating a 140559  
preschool program pursuant to this section shall keep an account 140560  
of all funds used to operate the program in the same manner as the 140561

facilities and opportunities may be offered for each sex at 140977  
separate locations. 140978

(b) The governing authority may establish a school that 140979  
simultaneously serves a group of students identified as autistic 140980  
and a group of students who are not disabled, as authorized in 140981  
section 3314.061 of the Revised Code. However, unless the total 140982  
capacity established for the school has been filled, no student 140983  
with any disability shall be denied admission on the basis of that 140984  
disability. 140985

(2) That upon admission of any student with a disability, the 140986  
community school will comply with all federal and state laws 140987

(F) That the community school will admit the number of students that does not exceed the capacity of the school's programs, classes, grade levels, or facilities.

(G) That the purpose of single-gender schools that are established shall be to take advantage of the academic benefits some students realize from single-gender instruction and facilities and to offer students and parents residing in the district the option of a single-gender education.

(H) That, except as otherwise provided under division (B) of this section or section 3314.061 of the Revised Code, if the number of applicants exceeds the capacity restrictions of division (F) of this section, students shall be admitted by lot from all those submitting applications, except preference shall be given to students attending the school the previous year and to students who reside in the district in which the school is located. Preference may be given to siblings of students attending the school the previous year. Preference also may be given to students who are the children of full-time staff members employed by the school, provided the total number of students receiving this preference is less than five per cent of the school's total enrollment.

Notwithstanding divisions (A) to (H) of this section, in the event the racial composition of the enrollment of the community school is violative of a federal desegregation order, the community school shall take any and all corrective measures to comply with the desegregation order.

(b) The community school shall report under division 141090

Career-technical education expenses approved by the department 141101  
shall include only expenses connected to the delivery of 141102  
career-technical programming to career-technical students. The 141103  
department shall require the school to report data annually so 141104  
that the department may monitor the school's compliance with the 141105  
requirements regarding the manner in which funding received under 141106  
division (A)(7) of section 3317.022 of the Revised Code may be 141107  
spent. 141108

(3) Notwithstanding anything to the contrary in section 141109  
3313.90 of the Revised Code, except as provided in division (C)(5) 141110  
of this section, all funds received under division (A)(7) of 141111  
section 3317.022 of the Revised Code shall be spent in the 141112  
following manner: 141113

(a) At least seventy-five per cent of the funds shall be 141114

spent on curriculum development, purchase, and implementation; 141115  
instructional resources and supplies; industry-based program 141116  
certification; student assessment, credentialing, and placement; 141117  
curriculum specific equipment purchases and leases; 141118  
career-technical student organization fees and expenses; home and 141119  
agency linkages; work-based learning experiences; professional 141120  
development; and other costs directly associated with 141121  
career-technical education programs including development of new 141122  
programs. 141123

(b) Not more than twenty-five per cent of the funds shall be 141124  
used for personnel expenditures. 141125

(4) A community school shall spend the funds it receives 141126  
under division (A)(4) of section 3317.022 of the Revised Code in 141127  
accordance with section 3317.25 of the Revised Code. 141128

(5) The department may waive the requirement in division 141129  
(C)(3) of this section for any community school that exclusively 141130  
provides one or more career-technical workforce development 141131  
programs in arts and communications that are not 141132  
equipment-intensive, as determined by the department. 141133

(6) For fiscal years 2022 and 2023, a community school shall 141134  
spend the funds it receives under division (A)(5) of section 141135  
3317.022 of the Revised Code only for services for English 141136  
learners. 141137

(D) A board of education sponsoring a community school may 141138  
utilize local funds to make enhancement grants to the school or 141139  
may agree, either as part of the contract or separately, to 141140  
provide any specific services to the community school at no cost 141141  
to the school. 141142

(E) A community school may not levy taxes or issue bonds 141143  
secured by tax revenues. 141144

(F) No community school shall charge tuition for the 141145

enrollment of any student who is a resident of this state. A 141146  
community school may charge tuition for the enrollment of any 141147  
student who is not a resident of this state. 141148

(G)(1)(a) A community school may borrow money to pay any 141149  
necessary and actual expenses of the school in anticipation of the 141150  
receipt of any portion of the payments to be received by the 141151  
school pursuant to section 3317.022 of the Revised Code. The 141152  
school may issue notes to evidence such borrowing. The proceeds of 141153  
the notes shall be used only for the purposes for which the 141154  
anticipated receipts may be lawfully expended by the school. 141155

(b) A school may also borrow money for a term not to exceed 141156  
fifteen years for the purpose of acquiring facilities. 141157

(2) Except for any amount guaranteed under section 3318.50 of 141158  
the Revised Code, the state is not liable for debt incurred by the 141159  
governing authority of a community school. 141160

(H) The department of education shall adjust the amounts paid 141161  
under section 3317.022 of the Revised Code to reflect any 141162  
enrollment of students in community schools for less than the 141163  
equivalent of a full school year. The state board of education 141164  
within ninety days after April 8, 2003, shall adopt in accordance 141165  
with Chapter 119. of the Revised Code rules governing the payments 141166  
to community schools under section 3317.022 of the Revised Code 141167  
including initial payments in a school year and adjustments and 141168  
reductions made in subsequent periodic payments to community 141169  
schools as provided under section 3317.022 of the Revised Code. 141170  
For purposes of this division: 141171

(1) A student shall be considered enrolled in the community 141172  
school for any portion of the school year the student is 141173  
participating at a college under Chapter 3365. of the Revised 141174  
Code. 141175

(2) A student shall be considered to be enrolled in a 141176

community school for the period of time beginning on the later of 141177  
the date on which the school both has received documentation of 141178  
the student's enrollment from a parent and the student has 141179  
commenced participation in learning opportunities as defined in 141180  
the contract with the sponsor, or thirty days prior to the date on 141181  
which the student is entered into the education management 141182  
information system established under section 3301.0714 of the 141183  
Revised Code. For purposes of applying this division and divisions 141184  
(H)(3) and (4) of this section to a community school student, 141185  
"learning opportunities" shall be defined in the contract, which 141186  
shall describe both classroom-based and non-classroom-based 141187  
learning opportunities and shall be in compliance with criteria 141188  
and documentation requirements for student participation which 141189  
shall be established by the department. Any student's instruction 141190  
time in non-classroom-based learning opportunities shall be 141191  
certified by an employee of the community school. A student's 141192  
enrollment shall be considered to cease on the date on which any 141193  
of the following occur: 141194

(a) The community school receives documentation from a parent 141195  
terminating enrollment of the student. 141196

(b) The community school is provided documentation of a 141197  
student's enrollment in another public or private school. 141198

(c) The community school ceases to offer learning 141199  
opportunities to the student pursuant to the terms of the contract 141200  
with the sponsor or the operation of any provision of this 141201  
chapter. 141202

Except as otherwise specified in this paragraph, beginning in 141203  
the 2011-2012 school year, any student who completed the prior 141204  
school year in an internet- or computer-based community school 141205  
shall be considered to be enrolled in the same school in the 141206  
subsequent school year until the student's enrollment has ceased 141207  
as specified in division (H)(2) of this section. The department 141208

shall continue paying amounts for the student under section 141209  
3317.022 of the Revised Code without interruption at the start of 141210  
the subsequent school year. However, if the student without a 141211  
legitimate excuse fails to participate in the first seventy-two 141212  
consecutive hours of learning opportunities offered to the student 141213  
in that subsequent school year, the student shall be considered 141214  
not to have re-enrolled in the school for that school year and the 141215  
department shall recalculate the payments to the school for that 141216  
school year to account for the fact that the student is not 141217  
enrolled. 141218

(3) The department shall determine each community school 141219  
student's percentage of full-time equivalency based on the 141220  
percentage of learning opportunities offered by the community 141221  
school to that student, reported either as number of hours or 141222  
number of days, is of the total learning opportunities offered by 141223  
the community school to a student who attends for the school's 141224  
entire school year. However, no internet- or computer-based 141225  
community school shall be credited for any time a student spends 141226  
participating in learning opportunities beyond ten hours within 141227  
any period of twenty-four consecutive hours. Whether it reports 141228  
hours or days of learning opportunities, each community school 141229  
shall offer not less than nine hundred twenty hours of learning 141230  
opportunities during the school year. 141231

(4) With respect to the calculation of full-time equivalency 141232  
under division (H)(3) of this section, the department shall waive 141233  
the number of hours or days of learning opportunities not offered 141234  
to a student because the community school was closed during the 141235  
school year due to disease epidemic, hazardous weather conditions, 141236  
law enforcement emergencies, inoperability of school buses or 141237  
other equipment necessary to the school's operation, damage to a 141238  
school building, or other temporary circumstances due to utility 141239  
failure rendering the school building unfit for school use, so 141240

long as the school was actually open for instruction with students 141241  
in attendance during that school year for not less than the 141242  
minimum number of hours required by this chapter. The department 141243  
shall treat the school as if it were open for instruction with 141244  
students in attendance during the hours or days waived under this 141245  
division. 141246

(I) The department of education shall reduce the amounts paid 141247  
under section 3317.022 of the Revised Code to reflect payments 141248  
made to colleges under section 3365.07 of the Revised Code. 141249

(J)(1) No student shall be considered enrolled in any 141250  
internet- or computer-based community school or, if applicable to 141251  
the student, in any community school that is required to provide 141252  
the student with a computer pursuant to division (C) of section 141253  
3314.22 of the Revised Code, unless both of the following 141254  
conditions are satisfied: 141255

(a) The student possesses or has been provided with all 141256  
required hardware and software materials and all such materials 141257  
are operational so that the student is capable of fully 141258  
participating in the learning opportunities specified in the 141259  
contract between the school and the school's sponsor as required 141260  
by division (A)(23) of section 3314.03 of the Revised Code; 141261

(b) The school is in compliance with division (A) of section 141262  
3314.22 of the Revised Code, relative to such student. 141263

(2) In accordance with policies adopted by the superintendent 141264  
of public instruction, in consultation with the auditor of state, 141265  
the department shall reduce the amounts otherwise payable under 141266  
section 3317.022 of the Revised Code to any community school that 141267  
includes in its program the provision of computer hardware and 141268  
software materials to any student, if such hardware and software 141269  
materials have not been delivered, installed, and activated for 141270  
each such student in a timely manner or other educational 141271

materials or services have not been provided according to the 141272  
contract between the individual community school and its sponsor. 141273

The superintendent of public instruction and the auditor of 141274  
state shall jointly establish a method for auditing any community 141275  
school to which this division pertains to ensure compliance with 141276  
this section. 141277

The superintendent, auditor of state, and the governor shall 141278  
jointly make recommendations to the general assembly for 141279  
legislative changes that may be required to assure fiscal and 141280  
academic accountability for such schools. 141281

(K)(1) If the department determines that a review of a 141282  
community school's enrollment is necessary, such review shall be 141283  
completed and written notice of the findings shall be provided to 141284  
the governing authority of the community school and its sponsor 141285  
within ninety days of the end of the community school's fiscal 141286  
year, unless extended for a period not to exceed thirty additional 141287  
days for one of the following reasons: 141288

(a) The department and the community school mutually agree to 141289  
the extension. 141290

(b) Delays in data submission caused by either a community 141291  
school or its sponsor. 141292

(2) If the review results in a finding that additional 141293  
funding is owed to the school, such payment shall be made within 141294  
thirty days of the written notice. If the review results in a 141295  
finding that the community school owes moneys to the state, the 141296  
following procedure shall apply: 141297

(a) Within ten business days of the receipt of the notice of 141298  
findings, the community school may appeal the department's 141299  
determination to the state board of education or its designee. 141300

(b) The board or its designee shall conduct an informal 141301

hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

(c) If the board has enlisted a designee to conduct the hearing, the designee shall certify its decision to the board. The board may accept the decision of the designee or may reject the decision of the designee and issue its own decision on the matter.

(d) Any decision made by the board under this division is final.

(3) If it is decided that the community school owes moneys to the state, the department shall deduct such amount from the school's future payments in accordance with guidelines issued by the superintendent of public instruction.

(L) The department shall not pay to a community school under section 3317.022 of the Revised Code any amount for any of the following:

(1) Any student who has graduated from the twelfth grade of a public or nonpublic high school;

(2) Any student who is not a resident of the state;

(3) Any student who was enrolled in the community school during the previous school year when assessments were administered under section 3301.0711 of the Revised Code but did not take one or more of the assessments required by that section and was not excused pursuant to division (C)(1) or (3) of that section, unless the superintendent of public instruction grants the student a waiver from the requirement to take the assessment and a parent is not paying tuition for the student pursuant to section 3314.26 of the Revised Code. The superintendent may grant a waiver only for good cause in accordance with rules adopted by the state board of education.

(4) Any student who has attained the age of twenty-two years, 141332  
except for veterans of the armed services whose attendance was 141333  
interrupted before completing the recognized twelve-year course of 141334

rules into separate residential and nonresidential building codes. 141975  
The standards shall relate to the conservation of energy and the 141976

fully, in statutory form, the purposes declared in that section. 142005  
The board shall prepare and submit to the general assembly a 142006

particular fixture, device, material, process of manufacture, 142013

method of construction complies with performance standards adopted 142015  
pursuant to section 3781.11 of the Revised Code. The board shall 142016  
make its determination with regard to adaptability for safe and 142017  
sanitary erection, use, or construction, to that described in any 142018  
section of the Revised Code, wherever the use of a fixture, 142019  
device, material, method of manufacture, system, or method of 142020  
construction described in that section of the Revised Code is 142021  
permitted by law. The board shall amend or annul any rule or issue 142022  
an authorization for the use of a new material or manufactured 142023  
unit on any like application. No department, officer, board, or 142024  
commission of the state other than the board of building standards 142025  
or the board of building appeals shall permit the use of any 142026  
fixture, device, material, method of manufacture, newly designed 142027

is described in any rule the board of building standards adopts or 142029  
issues or that is authorized by any section of the Revised Code. 142030  
Nothing in this section shall be construed as requiring approval, 142031  
by rule, of plans for an industrialized unit that conforms with 142032  
the rules the board of building standards adopts pursuant to 142033  
section 3781.11 of the Revised Code. 142034

(D) The board shall recommend rules, codes, and standards to 142035

local legislation and administrative action to the bureau of 142038  
workers' compensation, the director of commerce, any other 142039  
department, officer, board, or commission of the state, and to 142040  
legislative authorities and building departments of counties, 142041  
townships, and municipal corporations, and shall recommend that 142042  
they audit those recommended rules, codes, and standards by any 142043  
appropriate action that they are allowed pursuant to law or the 142044  
constitution. 142045

(E)(1) The board shall certify municipal, township, and 142046  
county building departments, the personnel of those building 142047

persons to enforce the state residential building code, to enforce 142055  
the nonresidential building code, or to enforce both the 142056

personnel, or person may enforce only the type of building code 142058  
for which certified. 142059

(3) The board shall not require a building department, its personnel, or any persons that it employs to be certified for residential building code enforcement if that building department does not enforce the state residential building code. The board shall specify, in rules adopted pursuant to Chapter 119. of the Revised Code, the requirements for certification for residential and nonresidential building code enforcement, which shall be consistent with this division. The requirements for residential and nonresidential certification may differ. Except as otherwise provided in this division, the requirements shall include, but are not limited to, the satisfactory completion of an initial examination and, to remain certified, the completion of a specified number of hours of continuing building code education within each three-year period following the date of certification which shall be not less than thirty hours. (5) Any individual certified pursuant to this division shall complete the number of hours of continuing building code education that the board requires or, for failure to do so, forfeit certification.

(6) This division does not require or authorize the board to certify personnel of municipal, township, and county building departments, and persons and employees of persons, firms, or corporations as described in this section, whose responsibilities do not include the exercise of enforcement authority, the approval of plans and specifications, or making inspections under the state residential and nonresidential building codes.

eligibility. 149823

The director of ~~job~~ children and ~~family services~~ youth shall 149824  
adopt rules in accordance with Chapter 119. of the Revised Code 149825  
for monitoring the eligibility determination process. In 149826  
accordance with those rules, the state department shall monitor 149827  
eligibility determinations made by county departments of job and 149828  
family services and shall direct any entity that is not in 149829  
compliance with this division or any rule adopted under this 149830  
division to implement corrective action specified by the 149831  
department. 149832

(2)(a) All eligibility determinations for publicly funded 149833  
child care shall be made in accordance with rules adopted pursuant 149834  
to division (A) of section 5104.38 of the Revised Code. Except as 149835  
otherwise provided in this section, all of the following apply: 149836

(i) Publicly funded child care may be provided only to 149837  
eligible infants, toddlers, preschool-age children, school-age 149838  
children under age thirteen, or children receiving special needs 149839  
child care. 149840

(ii) For an applicant to be eligible for publicly funded 149841  
child care, the caretaker parent must be employed or participating 149842  
in a program of education or training for an amount of time 149843

reasonably related to the time that the parent's children are 149844  
receiving publicly funded child care. This restriction does not 149845  
apply to families whose children are eligible for protective child 149846  
care. 149847

(iii) The eligibility period for publicly funded child care 149848  
shall be at least twelve months. 149849

(b) In accordance with rules adopted under division (B) of 149850  
section 5104.38 of the Revised Code, an applicant may receive 149851  
publicly funded child care while the county department determines 149852  
eligibility. An applicant may receive publicly funded child care 149853  
while a county department determines eligibility only once during 149854  
a twelve-month period. If the county department determines that an 149855  
applicant is not eligible for publicly funded child care, the 149856  
child care provider shall be paid for providing publicly funded 149857  
child care for up to five days after that determination if the 149858  
county department received a completed application with all 149859  
required documentation. A program may appeal a denial of payment 149860  
under this division. 149861

(c) If a caretaker parent who has been determined eligible to 149862  
receive publicly funded child care no longer meets the 149863  
requirements of division (A)(2)(a)(ii) of this section, the 149864  
caretaker parent may continue to receive publicly funded child 149865  
care for a period of at least three but not more than four months 149866  
not to extend beyond the caretaker parent's eligibility period. 149867

(d) If a child turns thirteen, or if a child receiving 149868  
special needs child care turns eighteen, during the eligibility 149869  
period, the caretaker parent may continue to receive publicly 149870  
funded child care until the end of that eligibility period. 149871

Subject to available funds, the department of ~~job~~ children 149872  
and ~~family services~~ youth shall allow a family to receive publicly 149873  
funded child care unless the family's income exceeds the maximum 149874

income eligibility limit. Initial and continued eligibility for 149875  
publicly funded child care is subject to available funds unless 149876  
the family is receiving child care pursuant to division (A)(1), 149877  
(2), (3), or (4) of section 5104.30 of the Revised Code. If the 149878  
department must limit eligibility due to lack of available funds, 149879  
it shall give first priority for publicly funded child care to an 149880  
assistance group whose income is not more than the maximum income 149881  
eligibility limit that received transitional child care in the 149882  
previous month but is no longer eligible because the eligibility 149883  
period has expired. Such an assistance group shall continue to 149884  
receive priority for publicly funded child care until its income 149885  
exceeds the maximum income eligibility limit. 149886

(3) An assistance group that ceases to participate in the 149887  
Ohio works first program established under Chapter 5107. of the 149888  
Revised Code is eligible for transitional child care at any time 149889  
during the immediately following twelve-month period that both of 149890  
the following apply: 149891

(a) The assistance group requires child care due to 149892  
employment; 149893

(b) The assistance group's income is not more than one 149894  
hundred fifty per cent of the federal poverty line. 149895

An assistance group ineligible to participate in the Ohio 149896  
works first program pursuant to section 5101.83 or section 5107.16 149897  
of the Revised Code is not eligible for transitional child care. 149898

(B) To the extent permitted by federal law, the department of 149899  
~~job children and family services~~ youth may require a caretaker 149900  
parent determined to be eligible for publicly funded child care to 149901  
pay a fee according to the schedule of fees established in rules 149902  
adopted under section 5104.38 of the Revised Code. The department 149903  
shall make protective child care services and homeless child care 149904  
services available to children without regard to the income or 149905

assets of the caretaker parent of the child. 149906

(C) A caretaker parent receiving publicly funded child care 149907  
shall report to the entity that determined eligibility any changes 149908  
in status with respect to employment or participation in a program 149909  
of education or training not later than ten calendar days after 149910  
the change occurs. 149911

(D) If the department of ~~job children and family services~~ 149912  
youth determines that available resources are not sufficient to 149913  
provide publicly funded child care to all eligible families who 149914  
request it, the department may establish a waiting list. The 149915  
department may establish separate waiting lists within the waiting 149916  
list based on income. 149917

(E) A caretaker parent shall not receive publicly funded 149918  
child care from more than one child care provider per child during 149919  
a week, unless a county department grants the family an exemption 149920  
for one of the following reasons: 149921

(1) The child needs additional care during non-traditional 149922  
hours; 149923

(2) The child needs to change providers in the middle of the 149924  
week and the hours of care provided by the providers do not 149925  
overlap; 149926

(3) The child's provider is closed on scheduled school days 149927  
off or on calamity days. 149928

(F) As used in this section, "maximum income eligibility 149929  
limit" means the amount of income specified in rules adopted under 149930  
division (A) of section 5104.38 of the Revised Code. 149931

**Sec. 5104.36.** The licensee or administrator of a child 149932

family day-care home, an in-home aide providing child care 149934  
services, the director or administrator of an approved child day 149935

camp, and a border state child care provider shall keep a record 149936

department of job and family services or the department of ~~job~~ 149938
