the child's release or discharge, the health care professional may 34910

accordance with requirements specified under division (B)(6) of 34937

under section 2151.428 of the Revised Code relative to that 34957
center; 34958

concerning the possible abuse or neglect of a child or the 34961
possible threat of abuse or neglect of a child, and in accordance 34962
with requirements specified under division (B)(6) of section 34963

memorandum is not grounds for, and shall not result in, the 35005
dismissal of any charges or complaint arising from the report or 35006
the suppression of any evidence obtained as a result of the report 35007

and does not give, and shall not be construed as giving, any 35008

(b) Immunity under division (H)(1)(a)(ii) of this section 35039
shall not apply when a health care provider has deviated from the 35040
standard of care applicable to the provider's profession. 35041

(c) Notwithstanding section 4731.22 of the Revised Code, the 35042

proceeding resulting from a report submitted pursuant to this 35046
section. 35047

judicial proceeding resulting from a report made under this 35051
section was not in good faith, the court shall award the 35052
prevailing party reasonable attorney's fees and costs and, if a 35053

proceeding brought pursuant to division (M) of this section 35066
against a person who is alleged to have violated division (A)(1) 35067
of this section, provided that any information in a report that 35068
would identify the child who is the subject of the report or the 35069
maker of the report, if the maker of the report is not the 35070

defendant or an agent or employee of the defendant, has been 35071
redacted. In a criminal proceeding, the report is admissible in 35072
evidence in accordance with the Rules of Evidence and is subject 35073
to discovery in accordance with the Rules of Criminal Procedure. 35074

(2)(a) Except as provided in division (I)(2)(b) of this 35075
section, no person shall permit or encourage the unauthorized 35076

section. 35078

source other than the report may disseminate the information, if 35081
its dissemination is otherwise permitted by law. 35082

(3) A person who knowingly makes or causes another person to 35083

this section and the child who is the subject of the report dies 35089
for any reason at any time after the report is made, but before 35090
the child attains eighteen years of age, the public children 35091
services agency or peace officer to which the report was made or 35092
referred, on the request of the child fatality review board, the 35093

board, review committee, or director, the agency or peace officer 35100

of understanding that creates the center as being within the 35106
center's jurisdiction, the agency or center shall perform the 35107
duties and functions specified in this division in accordance with 35108
the interagency agreement entered into under section 2151.428 of 35109

private provider, state, or political subdivision may do any of 37963

(3) Obtain an order for the assignment of wages of the 37988
judgment debtor under section 1321.33 of the Revised Code. 37989

(E) A court that imposes a financial sanction upon an 37990
offender may hold a hearing if necessary to determine whether the 37991
offender is able to pay the sanction or is likely in the future to 37992
be able to pay it. 37993

(F) Each court imposing a financial sanction upon an offender 37994

under this section or under section 2929.32 of the Revised Code 37995
may designate the clerk of the court or another person to collect 37996

the collection of, amounts due under the financial sanction 38000
imposed pursuant to this section or section 2929.32 of the Revised 38001
Code. Before entering into a contract for the collection of 38002
amounts due from an offender pursuant to any financial sanction 38003
imposed pursuant to this section or section 2929.32 of the Revised 38004
Code, a court shall comply with sections 307.86 to 307.92 of the 38005
Revised Code. 38006

(G) If a court that imposes a financial sanction under 38007
division (A) or (B) of this section finds that an offender 38008
satisfactorily has completed all other sanctions imposed upon the 38009
offender and that all restitution that has been ordered has been 38010
paid as ordered, the court may suspend any financial sanctions 38011
imposed pursuant to this section or section 2929.32 of the Revised 38012
Code that have not been paid. 38013

(H) No financial sanction imposed under this section or 38014
section 2929.32 of the Revised Code shall preclude a victim from 38015
bringing a civil action against the offender. 38016

(I) If the court imposes restitution, fines, fees, or 38017
incarceration costs on a business or corporation, it is the duty 38018
of the person authorized to make disbursements from the assets of 38019
the business or corporation to pay the restitution, fines, fees, 38020
or incarceration costs from those assets. 38021

(J) If an offender is sentenced to pay restitution, a fine, 38022
fee, or incarceration costs, the clerk of the sentencing court, on 38023
request, shall make the offender's payment history available to 38024
the prosecutor, victim, victim's representative, victim's 38025
attorney, if applicable, the probation department, and the court 38026

without cost. 38027

Sec. 2929.28. (A) In addition to imposing court costs 38028
pursuant to section 2947.23 of the Revised Code, the court 38029

a minor misdemeanor, may sentence the offender to any financial 38031
sanction or combination of financial sanctions authorized under 38032
this section and, if the offender is being sentenced for a 38033
criminal offense as defined in section 2930.01 of the Revised 38034
Code, shall sentence the offender to make restitution pursuant to 38035
this section and section 2929.281 of the Revised Code. If the 38036
court, in its discretion or as required by this section, imposes 38037
one or more financial sanctions, the financial sanctions that may 38038
be imposed pursuant to this section include, but are not limited 38039
to, the following: 38040

(1) Unless the misdemeanor offense could be disposed of by 38041
the traffic violations bureau serving the court under Traffic Rule 38042
13, restitution by the offender to the victim of the offender's 38043
crime or the victim's estate, in an amount based on the victim's 38044
economic loss. The court may not impose restitution as a sanction 38045
pursuant to this division if the offense could be disposed of by 38046
the traffic violations bureau serving the court under Traffic Rule 38047
13. If the court requires restitution, the court shall order that 38048
the restitution be made to the victim in open court or to the 38049
adult probation department that serves the jurisdiction or the 38050
clerk of the court on behalf of the victim. 38051

The court shall determine the amount of restitution to be 38052
paid by the offender. The victim, victim's representative, 38053
victim's attorney, if applicable, the prosecutor or the 38054

relevant to the determination of the amount of restitution. The 38056
amount the court orders as restitution shall not exceed the amount 38057

of the economic loss suffered by the victim as a direct and 38058
proximate result of the commission of the offense. If the court 38059
imposes restitution for the cost of accounting or auditing done to 38060
determine the extent of economic loss, the court may order 38061
restitution for any amount of the victim's costs of accounting or 38062
auditing provided that the amount of restitution is reasonable and 38063
does not exceed the value of property or services stolen or 38064
damaged as a result of the offense. If the court decides to or is 38065
required to impose restitution, the court shall hold an 38066
evidentiary hearing on restitution if the offender, victim, 38067

shall determine the amount of full restitution by a preponderance 38070
of the evidence. 38071

All restitution payments shall be credited against any 38072
recovery of economic loss in a civil action brought by the victim 38073
or the victim's estate against the offender. No person may 38074
introduce evidence of an award of restitution under this section 38075
in a civil action for purposes of imposing liability against an 38076
insurer under section 3937.18 of the Revised Code. 38077

The court may order that the offender pay a surcharge, of not 38078
more than five per cent of the amount of the restitution otherwise 38079
ordered, to the entity responsible for collecting and processing 38080
restitution payments. 38081

The victim, victim's attorney, if applicable, or the attorney 38082
for the victim's estate may request that the prosecutor in the 38083
case file a motion, or the offender may file a motion, for 38084
modification of the payment terms of any restitution ordered. If 38085
the court grants the motion, it may modify the payment terms as it 38086
determines appropriate but shall not reduce the amount of 38087

the amounts deposited in the fund to pay the costs incurred by the 38162
county pursuant to any sanction imposed under this section or 38163
section 2929.26 or 2929.27 of the Revised Code or in operating a 38164

Revised Code or in operating a facility used to confine offenders 38171

section or section 2929.26 or 2929.27 of the Revised Code or in 38178
operating a facility used to confine offenders pursuant to a 38179
sanction imposed under section 2929.26 of the Revised Code. 38180

(3) The offender shall pay reimbursements imposed pursuant to 38181
division (A)(3) of this section for the costs incurred by a 38182
private provider pursuant to a sanction imposed under this section 38183

or section 2929.26 or 2929.27 of the Revised Code to the provider. 38184

~~(D)~~(D)(1) In addition to any other fine that is or may be 38185
imposed under this section, the court imposing sentence upon an 38186
offender for misdemeanor domestic violence or menacing by stalking 38187
may impose a fine of not less than seventy nor more than five 38188
hundred dollars, which shall, except as provided in divisions 38189
(D)(2) and (3) of this section, be transmitted to the treasurer of 38190
state to be credited to the address confidentiality program fund 38191
created by section 111.48 of the Revised Code. 38192

(2) A court that imposes a fine under division (D)(1) of this 38193
section may retain up to twenty-five per cent of amounts collected 38194
in satisfaction of the fine to cover administrative costs. 38195

(3) A court that imposes a fine under division (D)(1) of this 38196
section may assign up to twenty-five per cent of amounts collected 38197
in satisfaction of the fine to reimburse the prosecuting attorney 38198
for costs associated with prosecution of the offense. 38199

(E) Except as otherwise provided in this division, a 38200
financial sanction imposed under division (A) of this section is a 38201
judgment in favor of the state or the political subdivision that 38202
operates the court that imposed the financial sanction, and the 38203
offender subject to the financial sanction is the judgment debtor. 38204
A financial sanction of reimbursement imposed pursuant to division 38205
(A)(3)(a)(i) of this section upon an offender is a judgment in 38206
favor of the entity administering the community control sanction, 38207
and the offender subject to the financial sanction is the judgment 38208
debtor. A financial sanction of reimbursement imposed pursuant to 38209
division (A)(3)(a)(ii) of this section upon an offender confined 38210
in a jail or other residential facility is a judgment in favor of 38211
the entity operating the jail or other residential facility, and 38212
the offender subject to the financial sanction is the judgment 38213
debtor. A financial sanction of restitution imposed pursuant to 38214
division (A)(1) of this section is an order in favor of the victim 38215

of the offender's criminal act that can be collected through a 38216
certificate of judgment as described in division (E)(1) of this 38217
section, through execution as described in division (E)(2) of this 38218
section, or through an order as described in division (E)(3) of 38219
this section, and the offender shall be considered for purposes of 38220
the collection as the judgment debtor. 38221

Once the financial sanction is imposed as a judgment or order 38222
under this division, the victim, private provider, state, or 38223
political subdivision may do any of the following: 38224

(1) Obtain from the clerk of the court in which the judgment 38225
was entered, at no charge, a certificate of judgment that shall be 38226
in the same manner and form as a certificate of judgment issued in 38227
a civil action; 38228

(2) Obtain execution of the judgment or order through any 38229
available procedure, including any of the procedures identified in 38230
divisions (D)(1) and (2) of section 2929.18 of the Revised Code. 38231

(3) Obtain an order for the assignment of wages of the 38232
judgment debtor under section 1321.33 of the Revised Code. 38233

(F) The civil remedies authorized under division (E) of this 38234
section for the collection of the financial sanction supplement, 38235
but do not preclude, enforcement of the criminal sentence. 38236

(G) Each court imposing a financial sanction upon an offender 38237
under this section may designate the clerk of the court or another 38238
person to collect the financial sanction. The clerk, or another 38239
person authorized by law or the court to collect the financial 38240
sanction may do the following: 38241

(1) Enter into contracts with one or more public agencies or 38242

imposed pursuant to this section, a court shall comply with 38246

sections 307.86 to 307.92 of the Revised Code. 38247

(2) Permit payment of all or any portion of the sanction in 38248
installments, by financial transaction device if the court is a 38249
county court or a municipal court operated by a county, by credit 38250
or debit card or by another electronic transfer if the court is a 38251
municipal court not operated by a county, or by any other 38252
reasonable method, in any time, and on any terms that court 38253
considers just, except that the maximum time permitted for payment 38254
shall not exceed five years. If the court is a county court or a 38255
municipal court operated by a county, the acceptance of payments 38256
by any financial transaction device shall be governed by the 38257
policy adopted by the board of county commissioners of the county 38258
pursuant to section 301.28 of the Revised Code. If the court is a 38259
municipal court not operated by a county, the clerk may pay any 38260
fee associated with processing an electronic transfer out of 38261
public money or may charge the fee to the offender. 38262

(3) To defray administrative costs, charge a reasonable fee 38263
to an offender who elects a payment plan rather than a lump sum 38264
payment of any financial sanction. 38265

(H) No financial sanction imposed under this section shall 38266
preclude a victim from bringing a civil action against the 38267
offender. 38268

(I) If the court imposes restitution, fines, fees, or 38269
incarceration costs on a business or corporation, it is the duty 38270
of the person authorized to make disbursements from assets of the 38271
business or corporation to pay the restitution, fines, fees, or 38272
incarceration costs from those assets. 38273

(J) If an offender is sentenced to pay restitution, a fine, 38274
fee, or incarceration costs, the clerk of the sentencing court, on 38275
request, shall make the offender's payment history available to 38276
the victim, victim's representative, victim's attorney, if 38277

applicable, the prosecutor, the probation department, and the 38278
court without cost. 38279

Sec. 2929.34. (A) A person who is convicted of or pleads 38280
guilty to aggravated murder, murder, or an offense punishable by 38281
life imprisonment and who is sentenced to a term of life 38282
imprisonment or a prison term pursuant to that conviction shall 38283
serve that term in an institution under the control of the 38284
department of rehabilitation and correction. 38285

(B)(1) A person who is convicted of or pleads guilty to a 38286
felony other than aggravated murder, murder, or an offense 38287
punishable by life imprisonment and who is sentenced to a term of 38288
imprisonment or a prison term pursuant to that conviction shall 38289
serve that term as follows: 38290

(a) Subject to divisions (B)(1)(b), (B)(2), and (B)(3) of 38291
this section, in an institution under the control of the 38292
department of rehabilitation and correction if the term is a 38293

pursuant to section 2929.16 of the Revised Code if the term is not 38295
a prison term; 38296

(b) In a facility of a type described in division (G)(1) of 38297
section 2929.13 of the Revised Code, if the offender is sentenced 38298
pursuant to that division. 38299

(2) If the term is a prison term, the person may be 38300
imprisoned in a jail that is not a minimum security jail pursuant 38301
to agreement under section 5120.161 of the Revised Code between 38302
the department of rehabilitation and correction and the local 38303
authority that operates the jail. 38304

(3)(a) As used in divisions (B)(3)(a) to (d) of this section, 38305
"voluntary county" means any county in which the board of county 38306
commissioners of the county and the administrative judge of the 38307

general division of the court of common pleas of the county enter 38308
into an agreement of the type described in division (B)(3)(b) of 38309
this section and in which the agreement has not been terminated as 38310
described in that division. 38311

~~(b)(b)(i)~~ In any voluntary county, the board of county 38312
commissioners of the county and the administrative judge of the 38313
general division of the court of common pleas of the county may 38314
agree to having the county participate in the ~~procedures regarding~~ 38315
~~local and state confinement established~~ targeted community 38316
alternatives to prison (T-CAP) program for prisoners who serve a 38317
term in a facility under pursuant to division (B)(3)(c) of this 38318

5149.38 of the Revised Code. A board of county commissioners and 38322
an administrative judge of a court of common pleas that enter into 38323
an agreement of the type described in this division may terminate 38324
the agreement, but a termination under this division shall take 38325
effect only at the end of the state fiscal biennium in which the 38326
termination decision is made. 38327

(ii) The department of rehabilitation and correction shall 38328
establish deadlines for a voluntary county to indicate the 38329
voluntary county's participation in the targeted community 38330
alternatives to prison (T-CAP) program before each state fiscal 38331
biennium. 38332

(iii) In reviewing a submitted memorandum of understanding 38333
for approval, the department of rehabilitation and correction 38334
shall prioritize a voluntary county that has previously been a 38335
voluntary county. The department of rehabilitation and correction 38336
may review a memorandum of understanding for a new voluntary 38337
county if the general assembly has appropriated sufficient funds 38338
for that purpose. 38339

(c) Except as provided in division (B)(3)(d) of this section, 38340

court of common pleas of a voluntary county to a prison term for a 38344
felony of the fifth degree shall serve the term in an institution 38345
under the control of the department of rehabilitation and 38346

(ii) On and after September 1, 2022, no person sentenced by 38350
the court of common pleas of a voluntary county to a prison term 38351
for a felony of the fourth degree shall serve the term in an 38352
institution under the control of the department of rehabilitation 38353
and correction. The person shall instead serve the sentence as a 38354
term of confinement in a facility of a type described in division 38355
(C) or (D) of this section. 38356

Nothing in this division relieves the state of its obligation 38357
to pay for the cost of confinement of the person in a 38358
community-based correctional facility under division (D) of this 38359
section. 38360

(d) Division (B)(3)(c) of this section does not apply to any 38361

(ii) The person previously has been convicted of or pleaded 38368
guilty to any felony offense of violence, as defined in section 38369
2901.01 of the Revised Code, unless the felony of the fifth degree 38370

(I)(1) of section 2903.43 of the Revised Code. 38372

(iii) The person previously has been convicted of or pleaded 38373

concurrently to any other sentence imposed upon the person for a 38377
felony that is required to be served in an institution under the 38378
control of the department of rehabilitation and correction. 38379

(C) A person who is convicted of or pleads guilty to one or 38380
more misdemeanors and who is sentenced to a jail term or term of 38381
imprisonment pursuant to the conviction or convictions shall serve 38382
that term in a county, multicounty, municipal, municipal-county, 38383
or multicounty-municipal jail or workhouse; in a community 38384
alternative sentencing center or district community alternative 38385
sentencing center when authorized by section 307.932 of the 38386
Revised Code; or, if the misdemeanor or misdemeanors are not 38387

(D) Nothing in this section prohibits the commitment, 38389
referral, or sentencing of a person who is convicted of or pleads 38390
guilty to a felony to a community-based correctional facility. 38391

Sec. 2930.11. (A) Except as otherwise provided in this 38392
section or in Chapter 2981. of the Revised Code, the law 38393
enforcement agency responsible for investigating a criminal 38394
offense or delinquent act shall promptly return to the victim of 38395
the criminal offense or delinquent act any property of the victim 38396
that was taken in the course of the investigation, and the victim 38397
shall not be compelled to pay any charge as a condition of 38398
retrieving that property. In accordance with Criminal Rule 26 or 38399
an applicable Juvenile Rule, the law enforcement agency may take 38400
photographs of the property for use as evidence. If the ownership 38401

of the property is in dispute, the agency shall not return the 38402
property until the dispute is resolved. 38403

(B) The law enforcement agency responsible for investigating 38404
a criminal offense or delinquent act shall retain any property of 38405
the victim of the criminal offense or delinquent act that is 38406
needed as evidence in the case, including any weapon used in the 38407
commission of the criminal offense or delinquent act, if the 38408
prosecutor certifies to the court a need to retain the property in 38409
lieu of a photograph of the property or of another evidentiary 38410
substitute for the property itself, pursuant to Ohio Rules of 38411
Appellate Procedure. 38412

(C) If the defendant or alleged juvenile offender in a case 38413
files a motion requesting the court to order the law enforcement 38414
agency to retain property of the victim because the property is 38415
needed for the defense in the case, the agency shall retain the 38416
property until the court rules on the motion. The court, in making 38417
a determination on the motion, shall weigh the victim's need for 38418
the property against the defendant's or alleged juvenile 38419
offender's assertion that the property has evidentiary value for 38420
the defense. The court shall rule on the motion in a timely 38421
fashion. 38422

Sec. 2930.16. (A) If a defendant is incarcerated, a victim or 38423
victim's representative who has requested to receive notice under 38424
this section shall be given notice of the incarceration of the 38425
defendant. If an alleged juvenile offender is committed to the 38426
temporary custody of a school, camp, institution, or other 38427
facility operated for the care of delinquent children or to the 38428
legal custody of the department of youth services, a victim or 38429
victim's representative who has requested to receive notice under 38430
this section shall be given notice of the commitment. Promptly 38431
after sentence is imposed upon the defendant or the commitment of 38432

the alleged juvenile offender is ordered, the court or the court's 38433
designee shall notify the prosecutor in the case and the 38434
prosecutor shall notify the victim and the victim's 38435
representative, if applicable, of the date on which the defendant 38436
will be released, or initially will be eligible for release, from 38437
confinement or the prosecutor's reasonable estimate of that date 38438
or the date on which the alleged juvenile offender will have 38439
served the minimum period of commitment or the prosecutor's 38440
reasonable estimate of that date. The prosecutor also shall notify 38441
the victim and the victim's representative of the name of the 38442
custodial agency of the defendant or alleged juvenile offender and 38443
tell the victim and the victim's representative how to contact 38444
that custodial agency. If the custodial agency is the department 38445
of rehabilitation and correction, the prosecutor shall notify the 38446
victim and the victim's representative of the services offered by 38447
the office of victims' services pursuant to section 5120.60 of the 38448
Revised Code. If the custodial agency is the department of youth 38449
services, the prosecutor shall notify the victim and the victim's 38450
representative of the services provided by the office of victims' 38451
services within the release authority of the department pursuant 38452
to section 5139.55 of the Revised Code and the victim's right 38453
pursuant to section 5139.56 of the Revised Code to submit a 38454
written request to the release authority to be notified of actions 38455
the release authority takes with respect to the alleged juvenile 38456
offender. The victim and the victim's representative shall keep 38457
the custodial agency informed of the victim's or victim's 38458
representative's current contact information. 38459

(B)(1) Upon the victim's or victim's representative's request 38460
or in accordance with division (D) of this section, the court or 38461
the court's designee shall notify the prosecutor in the case and 38462
the prosecutor promptly, but not later than seven days after the 38463
hearing is scheduled or the application is filed, shall notify the 38464

victim and the victim's representative, if applicable, of any application or hearing for judicial release of the defendant pursuant to section 2929.20 of the Revised Code or of any hearing for judicial release or early release of the alleged juvenile offender pursuant to section 2151.38 of the Revised Code and of the victim's and victim's representative's right to make a statement under those sections. If the court does not hold a hearing or if the victim and victim's representative, if applicable, do not attend the hearing or make a statement, the court shall notify the victim and victim's representative of its ruling in each of those hearings and on each of those applications.

(2) If an offender is sentenced to a prison term pursuant to division (A)(3) or (B) of section 2971.03 of the Revised Code, on the request of the victim or victim's representative or in accordance with division (D) of this section, the court or the court's designee shall notify the prosecutor in the case and the prosecutor promptly shall notify the victim and the victim's representative, if applicable, of any hearing to be conducted pursuant to section 2971.05 of the Revised Code to determine whether to modify the requirement that the offender serve the entire prison term in a state correctional facility in accordance with division (C) of that section, whether to continue, revise, or revoke any existing modification of that requirement, or whether to terminate the prison term in accordance with division (D) of that section. If the court does not hold a hearing or if the victim and victim's representative, if applicable, do not attend the hearing or make a statement, the court shall notify the victim and the victim's representative of any order issued at the conclusion of the hearing.

(C)(1) On first contact with a victim, the custodial agency of a defendant or delinquent child shall verify with the victim

and victim's representative, if applicable, that all information 38497
and requests are current. If a victim's rights request form was 38498
not provided by the prosecutor, the custodial agency shall give 38499

(2) If the governmental evidence-retention entity is a 38987

exceed the maximum prison term or term of imprisonment that the 39067
person could have received for the offense in question had the 39068
person been convicted of the offense instead of being found 39069
incompetent to stand trial on the charge of the offense or being 39070
found not guilty by reason of insanity relative to the offense. 39071

(7) "Licensed clinical psychologist," "person with a mental 39072

raise the issue of the defendant's competence to stand trial. If 39082
the issue is raised before the trial has commenced, the court 39083
shall hold a hearing on the issue as provided in this section. If 39084
the issue is raised after the trial has commenced, the court shall 39085
hold a hearing on the issue only for good cause shown or on the 39086
court's own motion. 39087

(C) The court shall conduct the hearing required or 39088
authorized under division (B) of this section within thirty days 39089
after the issue is raised, unless the defendant has been referred 39090
for evaluation in which case the court shall conduct the hearing 39091
within ten days after the filing of the report of the evaluation 39092

or, in the case of a defendant who is ordered by the court 39093
pursuant to division (I) of section 2945.371 of the Revised Code 39094
to undergo a separate intellectual disability evaluation conducted 39095
by a psychologist designated by the director of developmental 39096
disabilities, within ten days after the filing of the report of 39097
the separate intellectual disability evaluation under that 39098
division. A hearing may be continued for good cause. 39099

(D) The defendant shall be represented by counsel at the 39100
hearing conducted under division (C) of this section. If the 39101
defendant is unable to obtain counsel, the court shall appoint 39102
counsel under Chapter 120. of the Revised Code or under the 39103
authority recognized in division (C) of section 120.06, division 39104
(E) of section 120.16, division (E) of section 120.26, or section 39105
2941.51 of the Revised Code before proceeding with the hearing. 39106

(E) The prosecutor and defense counsel may submit evidence on 39107
the issue of the defendant's competence to stand trial. A written 39108
report of the evaluation of the defendant may be admitted into 39109
evidence at the hearing by stipulation, but, if either the 39110
prosecution or defense objects to its admission, the report may be 39111
admitted under sections 2317.36 to 2317.38 of the Revised Code or 39112
any other applicable statute or rule. 39113

(F) The court shall not find a defendant incompetent to stand 39114
trial solely because the defendant is receiving or has received 39115
treatment as a voluntary or involuntary patient with a mental 39116
illness under Chapter 5122. or a voluntary or involuntary resident 39117
with an intellectual disability under Chapter 5123. of the Revised 39118
Code or because the defendant is receiving or has received 39119
psychotropic drugs or other medication, even if the defendant 39120
might become incompetent to stand trial without the drugs or 39121
medication. 39122

(G) A defendant is presumed to be competent to stand trial. 39123
If, after a hearing, the court finds by a preponderance of the 39124

evidence that, because of the defendant's present mental 39125
condition, the defendant is incapable of understanding the nature 39126
and objective of the proceedings against the defendant or of 39127
assisting in the defendant's defense, the court shall find the 39128
defendant incompetent to stand trial and shall enter an order 39129
authorized by section 2945.38 of the Revised Code. 39130

(H) Municipal courts shall follow the procedures set forth in 39131
sections 2945.37 to 2945.402 of the Revised Code. Except as 39132
provided in section 2945.371 of the Revised Code, a municipal 39133
court shall not order an evaluation of the defendant's competence 39134
to stand trial or the defendant's mental condition at the time of 39135
the commission of the offense to be conducted at any hospital 39136
operated by the department of mental health and addiction 39137
services. Those evaluations shall be performed through community 39138
resources including, but not limited to, certified forensic 39139
centers, court probation departments, and community mental health 39140
services providers. All expenses of the evaluations shall be borne 39141
by the legislative authority of the municipal court, as defined in 39142
section 1901.03 of the Revised Code, and shall be taxed as costs 39143
in the case. If a defendant is found incompetent to stand trial or 39144
not guilty by reason of insanity, a municipal court may commit the 39145
defendant as provided in sections 2945.38 to 2945.402 of the 39146
Revised Code. 39147

Sec. 2945.38. (A) If the issue of a defendant's competence to 39148
stand trial is raised and if the court, upon conducting the 39149
hearing provided for in section 2945.37 of the Revised Code, finds 39150
that the defendant is competent to stand trial, the defendant 39151
shall be proceeded against as provided by law. If the court finds 39152
the defendant competent to stand trial and the defendant is 39153
receiving psychotropic drugs or other medication, the court may 39154
authorize the continued administration of the drugs or medication 39155
or other appropriate treatment in order to maintain the 39156

defendant's competence to stand trial, unless the defendant's 39157
attending physician advises the court against continuation of the 39158
drugs, other medication, or treatment. 39159

(B)(1)(a)(i) If the defendant has been charged with a felony 39160
offense or a misdemeanor offense of violence for which the 39161
prosecutor has not recommended the procedures under division 39162
(B)(1)(a)(vi) of this section and if, after taking into 39163
consideration all relevant reports, information, and other 39164
evidence, the court finds that the defendant is incompetent to 39165
stand trial and that there is a substantial probability that the 39166
defendant will become competent to stand trial within one year if 39167
the defendant is provided with a course of treatment, the court 39168
shall order the defendant to undergo treatment. 39169

(ii) If the defendant has been charged with a felony offense 39170
and if, after taking into consideration all relevant reports, 39171
information, and other evidence, the court finds that the 39172
defendant is incompetent to stand trial, but the court is unable 39173
at that time to determine whether there is a substantial 39174
probability that the defendant will become competent to stand 39175
trial within one year if the defendant is provided with a course 39176
of treatment, the court shall order continuing evaluation and 39177
treatment of the defendant for a period not to exceed four months 39178
to determine whether there is a substantial probability that the 39179
defendant will become competent to stand trial within one year if 39180
the defendant is provided with a course of treatment. 39181

(iii) If the defendant has not been charged with a felony 39182
offense but has been charged with a misdemeanor offense of 39183
violence and if, after taking into consideration all relevant 39184
reports, information, and other evidence, the court finds that the 39185
defendant is incompetent to stand trial, but the court is unable 39186
at that time to determine whether there is a substantial 39187

probability that the defendant will become competent to stand trial within the time frame permitted under division (C)(1) of this section, the court may order continuing evaluation and treatment of the defendant for a period not to exceed the maximum period permitted under that division.

(iv) If the defendant has not been charged with a felony offense or a misdemeanor offense of violence, but has been charged with a misdemeanor offense that is not a misdemeanor offense of violence and if, after taking into consideration all relevant reports, information, and other evidence, the court finds that the defendant is incompetent to stand trial, but the court is unable at that time to determine whether there is a substantial probability that the defendant will become competent to stand trial within the time frame permitted under division (C)(1) of this section, the court shall dismiss the charges and follow the process outlined in division (B)(1)(a)(v)(I) of this section.

(v) If the defendant has not been charged with a felony offense or a misdemeanor offense of violence, or if the defendant has been charged with a misdemeanor offense of violence and the prosecutor has recommended the procedures under division (B)(1)(a)(vi) of this section, and if, after taking into consideration all relevant reports, information, and other evidence, the trial court finds that the defendant is incompetent to stand trial, the trial court shall do one of the following:

(I) Dismiss the charges pending against the defendant. A dismissal under this division is not a bar to further prosecution based on the same conduct. Upon dismissal of the charges, the trial court shall discharge the defendant unless the court or prosecutor, after consideration of the requirements of section 5122.11 of the Revised Code, files an affidavit in probate court alleging that the defendant is a mentally ill person subject to court order or a person with an intellectual disability subject to

institutionalization by court order. If an affidavit is filed in 39220
probate court, the trial court may detain the defendant for ten 39221
days pending a hearing in the probate court and shall send to the 39222
probate court copies of all written reports of the defendant's 39223
mental condition that were prepared pursuant to section 2945.371 39224
of the Revised Code. The trial court or prosecutor shall specify 39225
in the appropriate space on the affidavit that the defendant is a 39226
person described in this subdivision. 39227

(II) Order the defendant to undergo outpatient competency 39228
restoration treatment at a facility operated or certified by the 39229
department of mental health and addiction services as being 39230
qualified to treat mental illness, at a public or community mental 39231
health facility, at a jail that employs or contracts with an 39232
individual or entity listed in division (B)(1)(b)(i) of this 39233
section to provide treatment or continuing evaluation and 39234
treatment at a jail, or in the care of a psychiatrist or other 39235
mental health professional. If a defendant who has been released 39236
on bail or recognizance refuses to comply with court-ordered 39237
outpatient treatment under this division, the court may dismiss 39238
the charges pending against the defendant and proceed under 39239
division (B)(1)(a)(v)(I) of this section or may amend the 39240
conditions of bail or recognizance and order the sheriff to take 39241
the defendant into custody and deliver the defendant to a center,~~7~~ 39242
~~program,~~ or facility operated or certified by the department of 39243
mental health and addiction services for treatment. 39244

(vi) If the defendant has not been charged with a felony 39245
offense but has been charged with a misdemeanor offense of 39246
violence and after taking into consideration all relevant reports, 39247
information, and other evidence, the court finds that the 39248
defendant is incompetent to stand trial, the prosecutor in the 39249
case may recommend that the court follow the procedures prescribed 39250
in division (B)(1)(a)(v) of this section. If the prosecutor does 39251

not make such a recommendation, the court shall follow the 39252
procedures in division (B)(1)(a)(i) of this section. 39253

~~(b)(b)(i)~~ The court order for the defendant to undergo 39254
treatment or continuing evaluation and treatment under division 39255
(B)(1)(a) of this section shall specify that the defendant, if 39256
determined to require mental health treatment or continuing 39257
evaluation and treatment, ~~either~~ shall be committed to ~~the one of~~ 39258
the following: 39259

(I) The department of mental health and addiction services 39260
for treatment or continuing evaluation and treatment at a 39261
hospital, facility, or agency, as determined to be clinically 39262
appropriate by the department ~~of mental health and addiction~~ 39263
~~services or shall be committed to a;~~ 39264

(II) A facility certified by the department of mental health 39265
and addiction services as being qualified to treat mental illness, 39266
~~to a;~~ 39267

(III) A public or community mental health facility, ~~or to a;~~ 39268

(IV) A jail that employs or contracts with an entity or 39269
individual listed in division (B)(1)(b)(i) of this section to 39270
provide treatment or continuing evaluation and treatment at a 39271
jail; 39272

(V) A psychiatrist or another mental health professional for 39273
treatment or continuing evaluation and treatment. ~~Prior~~ 39274

(ii) Prior to placing the defendant, the department of mental 39275
health and addiction services shall obtain court approval for that 39276
placement following a hearing. The court order for the defendant 39277
to undergo treatment or continuing evaluation and treatment under 39278
division (B)(1)(a) of this section shall specify that the 39279
defendant, if determined to require treatment or continuing 39280
evaluation and treatment for an intellectual disability, shall 39281
receive treatment or continuing evaluation and treatment at an 39282

institution or facility operated by the department of 39283
developmental disabilities, at a facility certified by the 39284
department of developmental disabilities as being qualified to 39285
treat intellectual disabilities, at a public or private 39286
intellectual disabilities facility, or by a psychiatrist or 39287
another intellectual disabilities professional. In any case, the 39288
order may restrict the defendant's freedom of movement as the 39289
court considers necessary. The prosecutor in the defendant's case 39290
shall send to the chief clinical officer of the hospital, 39291
facility, or agency where the defendant is placed by the 39292
department of mental health and addiction services, or to the 39293
managing officer or director of the institution, ~~the director of~~ 39294
~~the program or~~ facility, or jail, or the person to which the 39295
defendant is committed, copies of relevant police reports and 39296
other background information that pertains to the defendant and is 39297
available to the prosecutor unless the prosecutor determines that 39298
the release of any of the information in the police reports or any 39299
of the other background information to unauthorized persons would 39300
interfere with the effective prosecution of any person or would 39301
create a substantial risk of harm to any person. 39302

(iii) In determining the place of commitment, the court shall 39303
consider the extent to which the person is a danger to the person 39304
and to others, the need for security, the availability of housing 39305
and supportive services, including outpatient mental health 39306
services in the community, and the type of crime involved and 39307
shall order the least restrictive alternative available that is 39308
consistent with public safety and treatment goals. In weighing 39309
these factors, the court shall give preference to protecting 39310
public safety and the availability of housing and supportive 39311
services. 39312

(c) If the defendant is found incompetent to stand trial, if 39313
the chief clinical officer of the hospital, facility, or agency 39314

where the defendant is placed, or the managing officer or director 39315
of the institution, ~~the director of the program or~~ facility, or 39316
jail, or the person to which the defendant is committed for 39317
treatment or continuing evaluation and treatment under division 39318
(B)(1)(b) of this section determines that medication is necessary 39319
to restore the defendant's competency to stand trial, and if the 39320
defendant lacks the capacity to give informed consent or refuses 39321
medication, the chief clinical officer of the hospital, facility, 39322
or agency where the defendant is placed, or the managing officer 39323
or director of the institution, ~~the director of the program or~~ 39324
facility, or jail, or the person to which the defendant is 39325
committed for treatment or continuing evaluation and treatment may 39326
petition the court for authorization for the involuntary 39327
administration of medication. The court shall hold a hearing on 39328
the petition within five days of the filing of the petition if the 39329
petition was filed in a municipal court or a county court 39330
regarding an incompetent defendant charged with a misdemeanor or 39331
within ten days of the filing of the petition if the petition was 39332
filed in a court of common pleas regarding an incompetent 39333

substantial probability that the defendant will become capable of 39438
understanding the nature and objective of the proceedings against 39439
the defendant or of assisting in the defendant's defense even if 39440

the defendant is provided with a course of treatment. 39441

(G) A report under division (F) of this section shall contain 39442

defendant's defense. If, in the examiner's opinion, the defendant 39447
remains incapable of understanding the nature and objective of the 39448
proceedings against the defendant and of assisting in the 39449
defendant's defense and there is a substantial probability that 39450
the defendant will become capable of understanding the nature and 39451

substantial probability that the defendant will become capable of 39467
understanding the nature and objective of the proceedings against 39468
the defendant or of assisting in the defendant's defense even if 39469
the defendant is provided with a course of treatment, within ten 39470
days after the expiration of the maximum time for treatment as 39471
specified in division (C) of this section, within ten days after 39472

the expiration of the maximum time for continuing evaluation and 39473
treatment as specified in division (B)(1)(a) of this section, 39474

stand trial, the defendant shall be proceeded against as provided 39483
by law. 39484

(2) If the court finds that the defendant is incompetent to 39485
stand trial, but that there is a substantial probability that the 39486
defendant will become competent to stand trial if the defendant is 39487
provided with a course of treatment, and the maximum time for 39488
treatment as specified in division (C) of this section has not 39489
expired, the court, after consideration of the examiner's 39490

to be continued, and shall specify whether the treatment is to be 39493
continued at the same or a different facility or ~~program~~ location. 39494

(3) If the court finds that the defendant is incompetent to 39495
stand trial, if the defendant is charged with an offense listed in 39496
division (C)(1) of this section, and if the court finds that there 39497
is not a substantial probability that the defendant will become 39498
competent to stand trial even if the defendant is provided with a 39499
course of treatment, or if the maximum time for treatment relative 39500
to that offense as specified in division (C) of this section has 39501
expired, further proceedings shall be as provided in sections 39502
2945.39, 2945.401, and 2945.402 of the Revised Code. 39503

(4) If the court finds that the defendant is incompetent to 39504

stand trial, if the most serious offense with which the defendant 39505
is charged is a misdemeanor or a felony other than a felony listed 39506
in division (C)(1) of this section, and if the court finds that 39507
there is not a substantial probability that the defendant will 39508
become competent to stand trial even if the defendant is provided 39509
with a course of treatment, or if the maximum time for treatment 39510
relative to that offense as specified in division (C) of this 39511
section has expired, the court shall dismiss the indictment, 39512
information, or complaint against the defendant. A dismissal under 39513
this division is not a bar to further prosecution based on the 39514
same conduct. The court shall discharge the defendant unless the 39515
court or prosecutor files an affidavit in probate court for civil 39516
commitment pursuant to Chapter 5122. or 5123. of the Revised Code. 39517
If an affidavit for civil commitment is filed, the court may 39518
detain the defendant for ten days pending civil commitment and 39519
shall send to the probate court copies of all written reports of 39520
the defendant's mental condition prepared pursuant to section 39521
2945.371 of the Revised Code. 39522

qualification for employment if the court that receives the 39762
individual's petition under division (B)(2) of this section or 39763
that is forwarded a petition under division (B)(5)(a) of this 39764
section finds all of the following: 39765

(a) The application was filed after the expiration of the 39766
applicable waiting period prescribed in division (B)(4) of this 39767
section; 39768

(b) If the offense that resulted in the collateral sanction 39769
from which the individual seeks relief is a felony, at least three 39770
years have elapsed since the date of release of the individual 39771
from any period of incarceration in a state or local correctional 39772
facility that was imposed for that offense and all periods of 39773
supervision imposed after release from the period of incarceration 39774
or, if the individual was not incarcerated for that offense, at 39775
least three years have elapsed since the date of the individual's 39776
final release from all other sanctions imposed for that offense; 39777

(c) If the offense that resulted in the collateral sanction 39778
from which the individual seeks relief is a misdemeanor, at least 39779
one year has elapsed since the date of release of the individual 39780
from any period of incarceration in a local correctional facility 39781
that was imposed for that offense and all periods of supervision 39782
imposed after release from the period of incarceration or, if the 39783
individual was not incarcerated for that offense, at least one 39784
year has elapsed since the date of the final release of the 39785
individual from all sanctions imposed for that offense including 39786

any period of supervision. 39787

(6) An application that meets all of the requirements for the 39788
presumption under division (C)(5) of this section shall be denied 39789
only if the court that receives the petition finds that the 39790
evidence reviewed under division (C)(1) of this section rebuts the 39791
presumption of eligibility for issuance by establishing, by clear 39792
and convincing evidence, that the applicant has not been 39793
rehabilitated. 39794

(7) A certificate of qualification for employment shall not 39795
create relief from any of the following collateral sanctions: 39796

(a) Requirements imposed by Chapter 2950. of the Revised Code 39797
and rules adopted under sections 2950.13 and 2950.132 of the 39798
Revised Code; 39799

(b) A driver's license, commercial driver's license, or 39800

pursuant to section 4510.037, 4510.07, 4511.19, or 4511.191 of the 39802
Revised Code if the relief sought is available pursuant to section 39803
4510.021 or division (B) of section 4510.13 of the Revised Code; 39804

(c) Restrictions on employment as a prosecutor or law 39805
enforcement officer; 39806

(d) The denial, ineligibility, or automatic suspension of a 39807
license that is imposed upon an individual applying for or holding 39808
a license as a health care professional under Title XLVII of the 39809
Revised Code if the individual is convicted of, pleads guilty to, 39810
is subject to a judicial finding of eligibility for intervention 39811
in lieu of conviction in this state under section 2951.041 of the 39812
Revised Code, or is subject to treatment or intervention in lieu 39813
of conviction for a violation of section 2903.01, 2903.02, 39814
2903.03, 2903.11, 2905.01, 2907.02, 2907.03, 2907.05, 2909.02, 39815
2911.01, 2911.11, 2919.123, or 2919.124 of the Revised Code; 39816

(e) The immediate suspension of a license, certificate, or 39817

evidence of registration that is imposed upon an individual 39818

of the Revised Code; 39821

(f) The denial or ineligibility for employment in a pain 39822
clinic under division (B)(4) of section 4729.552 of the Revised 39823
Code; 39824

(g) The mandatory suspension of a license that is imposed on 39825
an individual applying for or holding a license as a health care 39826
professional under Title XLVII of the Revised Code pursuant to 39827
section 3123.43 of the Revised Code. 39828

(8) If a court that receives an individual's petition for a 39829
certificate of qualification for employment under division (B)(2) 39830
of this section or that is forwarded a petition for such a 39831
certificate under division (B)(5)(a) of this section denies the 39832
petition, the court shall provide written notice to the individual 39833
of the court's denial. The court may place conditions on the 39834
individual regarding the individual's filing of any subsequent 39835
petition for a certificate of qualification for employment. The 39836
written notice must notify the individual of any conditions placed 39837
on the individual's filing of a subsequent petition for a 39838
certificate of qualification for employment. 39839

If a court of common pleas that receives an individual's 39840
petition for a certificate of qualification for employment under 39841
division (B)(2) of this section or that is forwarded a petition 39842
for such a certificate under division (B)(5)(a) of this section 39843
denies the petition, the individual may appeal the decision to the 39844
court of appeals only if the individual alleges that the denial 39845
was an abuse of discretion on the part of the court of common 39846
pleas. 39847

(D)(1) A certificate of qualification for employment issued 39848

to an individual lifts the automatic bar of a collateral sanction, 39849
and a decision-maker shall consider on a case-by-case basis 39850
whether to grant or deny the issuance or restoration of an 39851
occupational license or an employment opportunity, notwithstanding 39852
the individual's possession of the certificate, without, however, 39853
reconsidering or rejecting any finding made by a designee or court 39854
under division (C)(3) of this section. 39855

(2) The certificate constitutes a rebuttable presumption that 39856
the person's criminal convictions are insufficient evidence that 39857
the person is unfit for the license, employment opportunity, or 39858
certification in question. Notwithstanding the presumption 39859
established under this division, the agency may deny the license 39860
or certification for the person if it determines that the person 39861
is unfit for issuance of the license. 39862

(3) If an employer that has hired a person who has been 39863
issued a certificate of qualification for employment applies to a 39864
licensing agency for a license or certification and the person has 39865
a conviction or guilty plea that otherwise would bar the person's 39866
employment with the employer or licensure for the employer because 39867
of a mandatory civil impact, the agency shall give the person 39868
individualized consideration, notwithstanding the mandatory civil 39869
impact, the mandatory civil impact shall be considered for all 39870
purposes to be a discretionary civil impact, and the certificate 39871
constitutes a rebuttable presumption that the person's criminal 39872
convictions are insufficient evidence that the person is unfit for 39873
the employment, or that the employer is unfit for the license or 39874
certification, in question. 39875

(E) A certificate of qualification for employment does not 39876
grant the individual to whom the certificate was issued relief 39877
from the mandatory civil impacts identified in division (A)(1) of 39878
section 2961.01 or division (B) of section 2961.02 of the Revised 39879
Code. 39880

(F) A petition for a certificate of qualification for employment filed by an individual under division (B)(1) or (2) of this section shall include all of the following:	39881
	39882
	39883
(1) The individual's name, date of birth, and social security number;	39884
	39885
(2) All aliases of the individual and all social security numbers associated with those aliases;	39886
	39887
(3) The individual's residence address, including the city, county, and state of residence and zip code;	39888
	39889
(4) The length of time that the individual has resided in the individual's current state of residence, expressed in years and months of residence;	39890
	39891
	39892
(5) A general statement as to why the individual has filed the petition and how the certificate of qualification for employment would assist the individual;	39893
	39894
	39895
(6) A summary of the individual's criminal history, except for information contained in any record that has been sealed or expunged under section 2953.32 or 2953.39 of the Revised Code, with respect to each offense that is a disqualification from employment or licensing in an occupation or profession, including the years of each conviction or plea of guilty for each of those offenses;	39896
	39897
	39898
	39899
	39900
	39901
	39902
(7) A summary of the individual's employment history, specifying the name of, and dates of employment with, each employer;	39903
	39904
	39905
(8) Verifiable references and endorsements;	39906
(9) The name of one or more immediate family members of the individual, or other persons with whom the individual has a close relationship, who support the individual's reentry plan;	39907
	39908
	39909
(10) A summary of the reason the individual believes the	39910

certificate of qualification for employment should be granted; 39911

(11) Any other information required by rule by the department 39912
of rehabilitation and correction. 39913

(G)(1) In a judicial or administrative proceeding alleging 39914
negligence or other fault, a certificate of qualification for 39915
employment issued to an individual under this section may be 39916
introduced as evidence of a person's due care in hiring, 39917
retaining, licensing, leasing to, admitting to a school or 39918
program, or otherwise transacting business or engaging in activity 39919
with the individual to whom the certificate of qualification for 39920
employment was issued if the person knew of the certificate at the 39921
time of the alleged negligence or other fault. 39922

(2) In any proceeding on a claim against an employer for 39923
negligent hiring, a certificate of qualification for employment 39924
issued to an individual under this section shall provide immunity 39925
for the employer as to the claim if the employer knew of the 39926
certificate at the time of the alleged negligence. 39927

(3) If an employer hires an individual who has been issued a 39928
certificate of qualification for employment under this section, if 39929
the individual, after being hired, subsequently demonstrates 39930
dangerousness or is convicted of or pleads guilty to a felony, and 39931
if the employer retains the individual as an employee after the 39932
demonstration of dangerousness or the conviction or guilty plea, 39933
the employer may be held liable in a civil action that is based on 39934
or relates to the retention of the individual as an employee only 39935
if it is proved by a preponderance of the evidence that the person 39936
having hiring and firing responsibility for the employer had 39937
actual knowledge that the employee was dangerous or had been 39938
convicted of or pleaded guilty to the felony and was willful in 39939
retaining the individual as an employee after the demonstration of 39940
dangerousness or the conviction or guilty plea of which the person 39941
has actual knowledge. 39942

(H) A certificate of qualification for employment issued 39943
under this section shall be revoked if the individual to whom the 39944
certificate of qualification for employment was issued is 39945
convicted of or pleads guilty to a felony offense committed 39946
subsequent to the issuance of the certificate of qualification for 39947
employment. The department of rehabilitation and correction shall 39948
periodically review the certificates listed in the database 39949
described in division (K) of this section to identify those that 39950
are subject to revocation under this division. Upon identifying a 39951
certificate of qualification for employment that is subject to 39952
revocation, the department shall note in the database that the 39953
certificate has been revoked, the reason for revocation, and the 39954
effective date of revocation, which shall be the date of the 39955
conviction or plea of guilty subsequent to the issuance of the 39956
certificate. 39957

(I) A designee's forwarding, or failure to forward, a 39958
petition for a certificate of qualification for employment to a 39959
court or a court's issuance, or failure to issue, a petition for a 39960
certificate of qualification for employment to an individual under 39961
division (B) of this section does not give rise to a claim for 39962
damages against the department of rehabilitation and correction or 39963
court. 39964

(J) The division of parole and community services shall adopt 39965
rules in accordance with Chapter 119. of the Revised Code for the 39966
implementation and administration of this section and shall 39967
prescribe the form for the petition to be used under division 39968
(B)(1) or (2) of this section. The form for the petition shall 39969
include places for all of the information specified in division 39970
(F) of this section. 39971

(K) The department of rehabilitation and correction shall 39972
maintain a database that identifies granted certificates and 39973
revoked certificates and tracks the number of certificates granted 39974

and revoked, the industries, occupations, and professions with 39975
respect to which the certificates have been most applicable, and 39976
the types of employers that have accepted the certificates. The 39977
department shall annually create a report that summarizes the 39978
information maintained in the database and shall make the report 39979
available to the public on its internet web site. 39980

(B)(1) Except as provided in section 2953.61 of the Revised 40001
Code or as otherwise provided in division (B)(1)(a)(iii) of this 40002
section, an eligible offender may apply to the sentencing court if 40003
convicted in this state, or to a court of common pleas if 40004

convicted in another state or in a federal court, for the sealing 40005
or expungement of the record of the case that pertains to the 40006
conviction, except for convictions listed in division (A) of this 40007
section. Application may be made at whichever of the following 40008
times is applicable regarding the offense: 40009

of six months after the offender's final discharge; 40044

(iii) If the offense is a felony, at the expiration of ten 40045

(2) Any person who has been arrested for any misdemeanor 40049
offense and who has effected a bail forfeiture for the offense 40050

after the expiration of three years from the date on which the 40061

(C) Upon the filing of an application under this section, the 40064
court shall set a date for a hearing and shall notify the 40065

prosecutor for the case of the hearing on the application not less 40066
than sixty days prior to the hearing. The prosecutor shall provide 40067
timely notice to a victim and victim's representative, if 40068
applicable, if the victim or victim's representative requested 40069
notice of the proceedings in the underlying case. The court shall 40070
hold the hearing not less than forty-five days and not more than 40071
ninety days from the date of the filing of the application. The 40072
prosecutor may object to the granting of the application by filing 40073
a written objection with the court not later than thirty days 40074
prior to the date set for the hearing. The prosecutor shall 40075
specify in the objection the reasons for believing a denial of the 40076
application is justified. The prosecutor shall provide notice of 40077
the application and the date and time of the hearing to the victim 40078
of the offense in the case pursuant to the Ohio Constitution. The 40079
victim, victim's representative, and victim's attorney, if 40080
applicable, may be present and heard orally, in writing, or both 40081
at any hearing under this section. The court shall direct its 40082
regular probation officer, a state probation officer, or the 40083
department of probation of the county in which the applicant 40084
resides to make inquiries and written reports as the court 40085
requires concerning the applicant. The probation officer or county 40086
department of probation that the court directs to make inquiries 40087
and written reports as the court requires concerning the applicant 40088
shall determine whether or not the applicant was fingerprinted at 40089
the time of arrest or under section 109.60 of the Revised Code. If 40090
the applicant was so fingerprinted, the probation officer or 40091
county department of probation shall include with the written 40092
report a record of the applicant's fingerprints. If the applicant 40093
was convicted of or pleaded guilty to a violation of division 40094
(A)(2) or (B) of section 2919.21 of the Revised Code, the 40095
probation officer or county department of probation that the court 40096
directed to make inquiries concerning the applicant shall contact 40097
the child support enforcement agency enforcing the applicant's 40098

obligations under the child support order to inquire about the 40099
offender's compliance with the child support order. 40100

(D)(1) At the hearing held under division (C) of this 40101
section, the court shall do each of the following: 40102

(a) Determine whether the applicant is pursuing sealing or 40103
expunging a conviction of an offense that is prohibited under 40104
division (A) of this section or whether the forfeiture of bail was 40105
agreed to by the applicant and the prosecutor in the case, and 40106
determine whether the application was made at the time specified 40107
in division (B)(1)(a) or (b) or division (B)(2)(a) or (b) of this 40108
section that is applicable with respect to the application and the 40109
subject offense; 40110

(b) Determine whether criminal proceedings are pending 40111
against the applicant; 40112

(c) Determine whether the applicant has been rehabilitated to 40113
the satisfaction of the court; 40114

(d) If the prosecutor has filed an objection in accordance 40115
with division (C) of this section, consider the reasons against 40116
granting the application specified by the prosecutor in the 40117
objection; 40118

(e) If the victim objected, pursuant to the Ohio 40119
Constitution, consider the reasons against granting the 40120
application specified by the victim in the objection; 40121

(f) Weigh the interests of the applicant in having the 40122
records pertaining to the applicant's conviction or bail 40123
forfeiture sealed or expunged against the legitimate needs, if 40124
any, of the government to maintain those records; 40125

(g) Consider the oral or written statement of any victim, 40126
victim's representative, and victim's attorney, if applicable; 40127

(h) If the applicant was an eligible offender of the type 40128

described in division (A)(3) of section 2953.36 of the Revised Code as it existed prior to the effective date of this amendment, determine whether the offender has been rehabilitated to a satisfactory degree. In making the determination, the court may consider all of the following:

(i) The age of the offender;

(ii) The facts and circumstances of the offense;

(iii) The cessation or continuation of criminal behavior;

(iv) The education and employment of the offender;

(v) Any other circumstances that may relate to the offender's rehabilitation.

(2) If the court determines, after complying with division (D)(1) of this section, that the offender is not pursuing sealing or expunging a conviction of an offense that is prohibited under division (A) of this section or that the forfeiture of bail was agreed to by the applicant and the prosecutor in the case, that the application was made at the time specified in division (B)(1)(a) or (b) or division (B)(2)(a) or (b) of this section that is applicable with respect to the application and the subject offense, that no criminal proceeding is pending against the applicant, that the interests of the applicant in having the records pertaining to the applicant's conviction or bail forfeiture sealed or expunged are not outweighed by any legitimate governmental needs to maintain those records, and that the rehabilitation of the applicant has been attained to the satisfaction of the court, both of the following apply:

(a) The court, except as provided in division (D)(4) or (5) of this section or division (D), (F), or (G) of section 2953.34 of the Revised Code, shall order all official records of the case that pertain to the conviction or bail forfeiture sealed if the application was for sealing or expunged if the application was for

expungement and, except as provided in division (C) of section 40160
2953.34 of the Revised Code, all index references to the case that 40161
pertain to the conviction or bail forfeiture deleted and, in the 40162
case of bail forfeitures, shall dismiss the charges in the case. 40163

(b) The proceedings in the case that pertain to the 40164
conviction or bail forfeiture shall be considered not to have 40165
occurred and the conviction or bail forfeiture of the person who 40166
is the subject of the proceedings shall be sealed if the 40167
application was for sealing or expunged if the application was for 40168
expungement, except that upon conviction of a subsequent offense, 40169
a sealed record of prior conviction or bail forfeiture may be 40170
considered by the court in determining the sentence or other 40171
appropriate disposition, including the relief provided for in 40172
sections 2953.31, 2953.32, and 2953.34 of the Revised Code. 40173

(3) An applicant may request the sealing or expungement of 40174
the records of more than one case in a single application under 40175

(b) Persons described in division (B)(8)(b) of this section.

Any assessment of students pursuant to such an agreement shall be in lieu of any assessment of such students or persons pursuant to this section.

(K)(1)(a) Except as otherwise provided in division (K)(1) or (2) of this section, each chartered nonpublic school for which at least sixty-five per cent of its total enrollment is made up of students who are participating in state scholarship programs shall administer the assessments prescribed by division (A) of section 3301.0710 of the Revised Code or an alternative standardized assessment determined by the department. In accordance with procedures and deadlines prescribed by the department, the parent or guardian of a student enrolled in the school who is not participating in a state scholarship program may submit notice to the chief administrative officer of the school that the parent or guardian does not wish to have the student take the assessments prescribed for the student's grade level under division (A) of section 3301.0710 of the Revised Code. If a parent or guardian submits an opt-out notice, the school shall not administer the assessments to that student. This option does not apply to any assessment required for a high school diploma under section 3313.612 of the Revised Code.

(b) Any chartered nonpublic school that enrolls students who are participating in state scholarship programs may administer an alternative standardized assessment determined by the department instead of the assessments prescribed by division (A) of section 3301.0710 of the Revised Code.

Each chartered nonpublic school subject to division (K)(1)(a) or (b) of this section shall report the results of each assessment administered under those divisions to the department.

(2) A chartered nonpublic school may submit to the superintendent of public instruction a request for a waiver from administering the elementary assessments prescribed by division (A) of section 3301.0710 of the Revised Code. The state superintendent shall approve or disapprove a request for a waiver submitted under division (K)(2) of this section. No waiver shall be approved for any school year prior to the 2015-2016 school year.

To be eligible to submit a request for a waiver, a chartered nonpublic school shall meet the following conditions:

(a) At least ninety-five per cent of the students enrolled in the school are children with disabilities, as defined under section 3323.01 of the Revised Code, or have received a diagnosis by a school district or from a physician, including a neuropsychiatrist or psychiatrist, or a psychologist who is authorized to practice in this or another state as having a condition that impairs academic performance, such as dyslexia, dyscalculia, attention deficit hyperactivity disorder, or Asperger's syndrome.

(b) The school has solely served a student population described in division (K)(1)(a) of this section for at least ten years.

(c) The school provides to the department at least five years

of records of internal testing conducted by the school that 42933
affords the department data required for accountability purposes, 42934
including diagnostic assessments and nationally standardized 42935
norm-referenced achievement assessments that measure reading and 42936
math skills. 42937

(3) Any chartered nonpublic school that is not subject to 42938
division (K)(1) of this section may participate in the assessment 42939
program by administering any of the assessments prescribed by 42940
division (A) of section 3301.0710 of the Revised Code. The chief 42941
administrator of the school shall specify which assessments the 42942
school will administer. Such specification shall be made in 42943
writing to the superintendent of public instruction prior to the 42944
first day of August of any school year in which assessments are 42945
administered and shall include a pledge that the nonpublic school 42946
will administer the specified assessments in the same manner as 42947
public schools are required to do under this section and rules 42948
adopted by the department. 42949

(4) The department of education shall furnish the assessments 42950

scholarship program, the student shall either take all of the 42961
assessments prescribed by division (B) of section 3301.0712 of the 42962
Revised Code or take an alternative assessment approved by the 42963
department under section 3313.619 of the Revised Code. However, a 42964

student who is excused from taking an assessment under division 42965
(C) of this section or has presented evidence to the chartered 42966
nonpublic school of having satisfied the condition prescribed by 42967
division (A)(1) of section 3313.618 of the Revised Code to qualify 42968
for a high school diploma prior to the date of the administration 42969
of the assessment prescribed under division (B)(1) of section 42970
3301.0712 of the Revised Code shall not be required to take that 42971
assessment. No governing authority of a chartered nonpublic school 42972
shall prohibit a student who is not required to take such 42973
assessment from taking the assessment. 42974

(2) For a student who is enrolled in a chartered nonpublic 42975
school that is accredited through the independent schools 42976
association of the central states, and who is not attending the 42977
school under a state scholarship program, the student shall not be 42978
required to take any assessment prescribed under section 3301.0712 42979
or 3313.619 of the Revised Code. 42980

(3)(a) Except as provided in divisions (L)(3)(b) and (4) of 42981
this section, for a student who is enrolled in a chartered 42982
nonpublic school that is not accredited through the independent 42983
schools association of the central states, regardless of whether 42984
the student is attending or is not attending the school under a 42985
state scholarship program, the student shall do one of the 42986

section 3301.0712 of the Revised Code; 42989

(ii) Take only the assessment prescribed by division (B)(1) 42990
of section 3301.0712 of the Revised Code, provided that the 42991
student's school publishes the results of that assessment for each 42992
graduating class. The published results of that assessment shall 42993
include the overall composite scores, mean scores, twenty-fifth 42994
percentile scores, and seventy-fifth percentile scores for each 42995
subject area of the assessment. 42996

(iii) Take an alternative assessment approved by the department under section 3313.619 of the Revised Code. 42997
42998

the thirty-first day of July following the school year that the 43062

assessments to ensure that different versions of the same 43068
assessment are of comparable difficulty. 43069

Field test questions and anchor questions shall not be 43070

section or the annual statewide report required under division (H) 43507
of this section. 43508

any person not entitled under law to have access to such 43570

the rules adopted under division (L)(10) of this section, the 43574
department of education may sanction any school district that 43575
reports incomplete or inaccurate data, reports data that does not 43576
conform to data requirements and descriptions published by the 43577
department, fails to report data in a timely manner, or otherwise 43578
does not make a good faith effort to report data as required by 43579
this section. 43580

(2) If the department decides to sanction a school district 43581
under this division, the department shall take the following 43582
sequential actions: 43583

(a) Notify the district in writing that the department has 43584
determined that data has not been reported as required under this 43585
section and require the district to review its data submission and 43586
submit corrected data by a deadline established by the department. 43587

The department also may require the district to develop a corrective action plan, which shall include provisions for the district to provide mandatory staff training on data reporting procedures.

(b) Withhold up to ten per cent of the total amount of state funds due to the district for the current fiscal year and, if not previously required under division (L)(2)(a) of this section, require the district to develop a corrective action plan in accordance with that division;

required by this section; 43619

(viii) If the district is issued a report card under section 43620

(ix) Any other action designed to correct the district's data 43625

conduct an audit of a school district's data reporting practices 43647
any time the department has reason to believe the district has not 43648

made a good faith effort to report data as required by this 43649
section. If any audit conducted by an outside entity under 43650
division (L)(2)(d)(i) or (5) of this section confirms that a 43651
district has not made a good faith effort to report data as 43652
required by this section, the district shall reimburse the 43653
department for the full cost of the audit. The department may 43654
withhold state funds due to the district for this purpose. 43655

(6) Prior to issuing a revised report card for a school 43656
district under division (L)(2)(d)(viii) of this section, the 43657
department may hold a hearing to provide the district with an 43658
opportunity to demonstrate that it made a good faith effort to 43659
report data as required by this section. The hearing shall be 43660
conducted by a referee appointed by the department. Based on the 43661
information provided in the hearing, the referee shall recommend 43662
whether the department should issue a revised report card for the 43663
district. If the referee affirms the department's contention that 43664
the district did not make a good faith effort to report data as 43665
required by this section, the district shall bear the full cost of 43666
conducting the hearing and of issuing any revised report card. 43667

(7) If the department determines that any inaccurate data 43668
reported under this section caused a school district to receive 43669
excess state funds in any fiscal year, the district shall 43670
reimburse the department an amount equal to the excess funds, in 43671
accordance with a payment schedule determined by the department. 43672
The department may withhold state funds due to the district for 43673
this purpose. 43674

(8) Any school district that has funds withheld under 43675
division (L)(2) of this section may appeal the withholding in 43676
accordance with Chapter 119. of the Revised Code. 43677

(9) In all cases of a disagreement between the department and 43678
a school district regarding the appropriateness of an action taken 43679
under division (L)(2) of this section, the burden of proof shall 43680

be on the district to demonstrate that it made a good faith effort 43681
to report data as required by this section. 43682

(10) The state board of education shall adopt rules under 43683
Chapter 119. of the Revised Code to implement division (L) of this 43684

acquire, change, or update its student administration software 43687
package to manage and report data required to be reported to the 43688
department unless it converts to a student software package that 43689
is certified by the department. 43690

(N) The state board of education, in accordance with sections 43691
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 43692
license as defined under division (A) of section 3319.31 of the 43693
Revised Code that has been issued to any school district employee 43694
found to have willfully reported erroneous, inaccurate, or 43695
incomplete data to the education management information system. 43696

(O) No person shall release or maintain any information about 43697
any student in violation of this section. Whoever violates this 43698
division is guilty of a misdemeanor of the fourth degree. 43699

(P) The department shall disaggregate the data collected 43700
under division (B)(1)(n) of this section according to the race and 43701
socioeconomic status of the students assessed. 43702

(Q) If the department cannot compile any of the information 43703
required by division (I) of section 3302.03 of the Revised Code 43704
based upon the data collected under this section, the department 43705
shall develop a plan and a reasonable timeline for the collection 43706
of any data necessary to comply with that division. 43707

division shall specify both of the following: 44177

(1) A scale for describing the levels of academic progress in 44178
reading and mathematics relative to a standard year of academic 44179
growth in those subjects for each of grades three through eight; 44180

(2) That the department shall maintain the confidentiality of 44181
individual student test scores and individual student reports in 44182
accordance with sections 3301.0711, 3301.0714, and 3319.321 of the 44183
Revised Code and federal law. The department may require school 44184
districts to use a unique identifier for each student for this 44185
purpose. Individual student test scores and individual student 44186
reports shall be made available only to a student's classroom 44187
teacher and other appropriate educational personnel and to the 44188
student's parent or guardian. 44189

(B) The department shall explore the feasibility of using the 44190
value-added gain index and effect size to improve differentiation 44191
and interpretation of the measure. If the department determines 44192
that it is feasible, the state board may update the rules adopted 44193
under division (A) of this section to implement the use of gain 44194
index and effect size. If rules are adopted under division (A) of 44195
this section that use the gain index and effect size, any prior 44196
method used to calculate letter grades or performance ratings 44197
under section 3302.03 of the Revised Code shall no longer apply. 44198
Rather, the state board shall update its rules to determine how 44199
letter grades or performance ratings for each level of performance 44200

are calculated under section 3302.03 of the Revised Code using 44201
gain index and effect size. 44202

(C) The department shall use a system designed for collecting 44203
necessary data, calculating the value-added progress dimension, 44204
analyzing data, and generating reports, which system has been used 44205
previously by a nonprofit organization led by the Ohio business 44206
community for at least one year in the operation of a pilot 44207
program in cooperation with school districts to collect and report 44208
student achievement data via electronic means and to provide 44209
information to the districts regarding the academic performance of 44210
individual students, grade levels, school buildings, and the 44211
districts as a whole. 44212

(D) The department shall not pay more than two dollars per 44213
student for data analysis and reporting to implement the 44214
value-added progress dimension in the same manner and with the 44215
same services as under the pilot program described by division (B) 44216
of this section. However, nothing in this section shall preclude 44217
the department or any school district from entering into a 44218
contract for the provision of more services at a higher fee per 44219
student. Any data analysis conducted under this section by an 44220
entity under contract with the department shall be completed in 44221
accordance with timelines established by the superintendent of 44222
public instruction. 44223

(E) The department shall share any aggregate student data and 44224
any calculation, analysis, or report utilizing aggregate student 44225
data that is generated under this section with the chancellor of 44226
~~the Ohio board of regents~~ higher education. The department shall 44227
not share individual student test scores and individual student 44228
reports with the chancellor. 44229

(F) The department shall make individual student performance 44230
data reports available to districts and schools that have an 44231
overall score under the value-added progress dimension calculated 44232

under division (D)(1)(d) of section 3302.03 of the Revised Code. 44233
The reports shall include data regarding student level 44234
percentiles, normal curve equivalents, unique identifiers, and 44235
other data for each school year a district or school has an 44236
overall score calculated under that division. The department also 44237
shall make available the data used to calculate the district's or 44238
school's overall growth rating. The reports shall be made 44239
available in an electronic spreadsheet form, as soon as 44240
practicable each school year, to appropriate educational personnel 44241
in each district or school for all the individual students who are 44242
administered assessments by, or who are enrolled in, the district 44243
or school. 44244

Division (F) of this section is subject to section 3319.321 44245
of the Revised Code and the "Family Educational Rights and Privacy 44246
Act of 1974," 20 U.S.C. 1232g. 44247

Sec. 3302.03. Not later than the thirty-first day of July of 44248
each year, the department of education shall submit preliminary 44249
report card data for overall academic performance and for each 44250
separate performance measure for each school district, and each 44251
school building, in accordance with this section. 44252

Annually, not later than the fifteenth day of September or 44253
the preceding Friday when that day falls on a Saturday or Sunday, 44254
the department shall assign a letter grade or performance rating 44255
for overall academic performance and for each separate performance 44256
measure for each school district, and each school building in a 44257
district, in accordance with this section. The state board of 44258
education shall adopt rules pursuant to Chapter 119. of the 44259
Revised Code to implement this section. The state board's rules 44260
shall establish performance criteria for each letter grade or 44261
performance rating and prescribe a method by which the department 44262
assigns each letter grade or performance rating. For a school 44263

building to which any of the performance measures do not apply, 44264
due to grade levels served by the building, the department shall 44265
designate the performance measures that are applicable to the 44266
building and that must be calculated separately and used to 44267
calculate the building's overall grade or performance rating. The 44268
department shall issue annual report cards reflecting the 44269
performance of each school district, each building within each 44270
district, and for the state as a whole using the performance 44271
measures and letter grade or performance rating system described 44272
in this section. The department shall include on the report card 44273
for each district and each building within each district the most 44274
recent two-year trend data in student achievement for each subject 44275
and each grade. 44276

(A)(1) For the 2012-2013 school year, the department shall 44277

(b) Performance index score for a school district or 44281
building. Grades shall be awarded as a percentage of the total 44282
possible points on the performance index system as adopted by the 44283
state board. In adopting benchmarks for assigning letter grades 44284
under division (A)(1)(b) of this section, the state board shall 44285
designate ninety per cent or higher for an "A," at least seventy 44286
per cent but not more than eighty per cent for a "C," and less 44287
than fifty per cent for an "F." 44288

(c) The extent to which the school district or building meets 44289
each of the applicable performance indicators established by the 44290
state board under section 3302.02 of the Revised Code and the 44291
percentage of applicable performance indicators that have been 44292
achieved. In adopting benchmarks for assigning letter grades under 44293
division (A)(1)(c) of this section, the state board shall 44294
designate ninety per cent or higher for an "A." 44295

(d) The four- and five-year adjusted cohort graduation rates.	44296
In adopting benchmarks for assigning letter grades under	44297
division (A)(1)(d), (B)(1)(d), or (C)(1)(d) of this section, the	44298
department shall designate a four-year adjusted cohort graduation	44299
rate of ninety-three per cent or higher for an "A" and a five-year	44300
cohort graduation rate of ninety-five per cent or higher for an	44301
"A."	44302
(e) The overall score under the value-added progress	44303
dimension of a school district or building, for which the	44304
department shall use up to three years of value-added data as	44305
available. The letter grade assigned for this growth measure shall	44306
be as follows:	44307
(i) A score that is at least one standard error of measure	44308
above the mean score shall be designated as an "A."	44309
(ii) A score that is less than one standard error of measure	44310
above but greater than one standard error of measure below the	44311
mean score shall be designated as a "B."	44312
(iii) A score that is less than or equal to one standard	44313
error of measure below the mean score but greater than two	44314
standard errors of measure below the mean score shall be	44315

errors of measure below the mean score but is greater than three	44318
standard errors of measure below the mean score shall be	44319
designated as a "D."	44320
(v) A score that is less than or equal to three standard	44321
errors of measure below the mean score shall be designated as an	44322

Whenever the value-added progress dimension is used as a	44324
graded performance measure in this division and divisions (B) and	44325

(C) of this section, whether as an overall measure or as a measure of separate subgroups, the grades for the measure shall be calculated in the same manner as prescribed in division (A)(1)(e) of this section.

(f) The value-added progress dimension score for a school district or building disaggregated for each of the following subgroups: students identified as gifted, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis. Each subgroup shall be a separate graded measure.

(2) Not later than April 30, 2013, the state board of education shall adopt a resolution describing the performance measures, benchmarks, and grading system for the 2012-2013 school year and, not later than June 30, 2013, shall adopt rules in accordance with Chapter 119. of the Revised Code that prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, including performance benchmarks for each letter grade.

At least forty-five days prior to the state board's adoption of rules to prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing such methods, including performance benchmarks.

(3) There shall not be an overall letter grade for a school district or building for the 2012-2013 school year.

(B)(1) For the 2013-2014 school year, the department shall issue grades as described in division (F) of this section for each of the following performance measures:

(a) Annual measurable objectives;

(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total possible points on the performance index system as created by the department. In adopting benchmarks for assigning letter grades under division (B)(1)(b) of this section, the state board shall designate ninety per cent or higher for an "A," at least seventy per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F."

(c) The extent to which the school district or building meets each of the applicable performance indicators established by the state board under section 3302.03 of the Revised Code and the percentage of applicable performance indicators that have been achieved. (f) The value-added progress dimension score for a school district or building disaggregated for each of the following subgroups: students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324. of the Revised Code, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis. Each subgroup shall be a separate graded measure.

(g) Whether a school district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the state board. The state

board shall adopt rules to prescribe benchmarks and standards for 44388
assigning grades to districts and buildings for purposes of 44389
division (B)(1)(g) of this section. In adopting benchmarks for 44390
assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of 44391
this section, the state board shall determine progress made based 44392
on the reduction in the total percentage of students scoring below 44393
grade level, or below proficient, compared from year to year on 44394
the reading and writing diagnostic assessments administered under 44395
section 3301.0715 of the Revised Code and the third grade English 44396
language arts assessment under section 3301.0710 of the Revised 44397
Code, as applicable. The state board shall designate for a "C" 44398

for this measure. No grade shall be issued under divisions 44400
(B)(1)(g) and (C)(1)(g) of this section for a district or building 44401
in which less than five per cent of students have scored below 44402
grade level on the diagnostic assessment administered to students 44403

additional value-added progress dimension score. For this measure, 44407
the department shall use value-added data from the most recent 44408
school year available and shall use assessment scores for only 44409
those students to whom the district or building has administered 44410
the assessments prescribed by section 3301.0710 of the Revised 44411
Code for each of the two most recent consecutive school years. 44412

As used in this division, "high mobility school district or 44413
building" means a school district or building where at least 44414
twenty-five per cent of its total enrollment is made up of 44415
students who have attended that school district or building for 44416
less than one year. 44417

(2) In addition to the graded measures in division (B)(1) of 44418

percentage of those students who received a score of three or 44424
better on advanced placement examinations; 44425

(b) The number of a district's or building's students who 44426
have earned at least three college credits through dual enrollment 44427
or advanced standing programs, such as the post-secondary 44428
enrollment options program under Chapter 3365. of the Revised Code 44429
and state-approved career-technical courses offered through dual 44430
enrollment or statewide articulation, that appear on a student's 44431
transcript or other official document, either of which is issued 44432
by the institution of higher education from which the student 44433
earned the college credit. The credits earned that are reported 44434
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 44435
include any that are remedial or developmental and shall include 44436
those that count toward the curriculum requirements established 44437
for completion of a degree. 44438

(c) The percentage of students enrolled in a district or 44439
building who have taken a national standardized test used for 44440
college admission determinations and the percentage of those 44441
students who are determined to be remediation-free in accordance 44442
with standards adopted under division (F) of section 3345.061 of 44443
the Revised Code; 44444

(f) The percentage of the district's or building's students 44452
who receive an honors diploma under division (B) of section 44453
3313.61 of the Revised Code. 44454

(3) Not later than December 31, 2013, the state board shall 44455
adopt rules in accordance with Chapter 119. of the Revised Code 44456
that prescribe the methods by which the performance measures under 44457
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 44458
and assigned a letter grade, including performance benchmarks for 44459
each grade. 44460

At least forty-five days prior to the stateboard's adoption 44461
of rules to prescribe the methods by which the performance 44462
measures under division (B)(1) of this section shall be assessed 44463
and assigned a letter grade, the department shall conduct a public 44464
presentation before the standing committees of the house of 44465
representatives and the senate that consider education legislation 44466
describing such methods, including performance benchmarks. 44467

(4) There shall not be an overall letter grade for a school 44468
district or building for the 2013-2014, 2014-2015, 2015-2016, and 44469

year, the department shall not include any subgroup data in the 44477
annual measurable objectives that includes data from fewer than 44478
twenty-five students. For the 2018-2019 school year, the 44479
department shall not include any subgroup data in the annual 44480
measurable objectives that includes data from fewer than twenty 44481

students. Beginning with the 2019-2020 school year, the department 44482
shall not include any subgroup data in the annual measurable 44483
objectives that includes data from fewer than fifteen students. 44484

(b) Performance index score for a school district or 44485
building. Grades shall be awarded as a percentage of the total 44486
possible points on the performance index system as created by the 44487
department. In adopting benchmarks for assigning letter grades 44488
under division (C)(1)(b) of this section, the state board shall 44489
designate ninety per cent or higher for an "A," at least seventy 44490
per cent but not more than eighty per cent for a "C," and less 44491
than fifty per cent for an "F." 44492

(c) The extent to which the school district or building meets 44493
each of the applicable performance indicators established by the 44494
state board under section 3302.03 of the Revised Code and the 44495

which the department shall use up to three years of value-added 44504
data as available. 44505

In adopting benchmarks for assigning letter grades for 44506
overall score on value-added progress dimension under division 44507
(C)(1)(e) of this section, the state board shall prohibit the 44508

"C" or higher. 44512

For the metric prescribed by division (C)(1)(e) of this section, the state board may adopt a student academic progress measure to be used instead of the value-added progress dimension. If the state board adopts such a measure, it also shall prescribe a method for assigning letter grades for the new measure that is comparable to the method prescribed in division (A)(1)(e) of this section.

(f) The value-added progress dimension score of a school district or building disaggregated for each of the following subgroups: students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324. of the Revised Code, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis, as determined by a method prescribed by the state board. Each subgroup shall be a separate graded measure.

The state board may adopt student academic progress measures to be used instead of the value-added progress dimension. If the state board adopts such measures, it also shall prescribe a method for assigning letter grades for the new measures that is comparable to the method prescribed in division (A)(1)(e) of this section.

(g) Whether a school district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the state board. The state board shall adopt rules to prescribe benchmarks and standards for assigning grades to a district or building for purposes of division (C)(1)(g) of this section. The state board shall designate for a "C" grade a value that is not lower than the statewide average value for this measure. No grade shall be issued under division (C)(1)(g) of this section for a district or building in which less than five per cent of students have scored

below grade level on the kindergarten diagnostic assessment under 44545
division (B)(1) of section 3313.608 of the Revised Code. 44546

(h) For a high mobility school district or building, an 44547
additional value-added progress dimension score. For this measure, 44548
the department shall use value-added data from the most recent 44549
school year available and shall use assessment scores for only 44550
those students to whom the district or building has administered 44551
the assessments prescribed by section 3301.0710 of the Revised 44552
Code for each of the two most recent consecutive school years. 44553

As used in this division, "high mobility school district or 44554
building" means a school district or building where at least 44555
twenty-five per cent of its total enrollment is made up of 44556
students who have attended that school district or building for 44557
less than one year. 44558

(2) In addition to the graded measures in division (C)(1) of 44559
this section, the department shall include on a school district's 44560
or building's report card all of the following without an assigned 44561
letter grade: 44562

(a) The percentage of students enrolled in a district or 44563
building who have taken a national standardized test used for 44564
college admission determinations and the percentage of those 44565
students who are determined to be remediation-free in accordance 44566
with the standards adopted under division (F) of section 3345.061 44567
of the Revised Code; 44568

(b) The percentage of students enrolled in a district or 44569
building participating in advanced placement classes and the 44570
percentage of those students who received a score of three or 44571
better on advanced placement examinations; 44572

(c) The percentage of a district's or building's students who 44573
have earned at least three college credits through advanced 44574
standing programs, such as the college credit plus program under 44575

Chapter 3365. of the Revised Code and state-approved 44576
career-technical courses offered through dual enrollment or 44577
statewide articulation, that appear on a student's college 44578
transcript issued by the institution of higher education from 44579
which the student earned the college credit. The credits earned 44580
that are reported under divisions (B)(2)(b) and (C)(2)(c) of this 44581
section shall not include any that are remedial or developmental 44582
and shall include those that count toward the curriculum 44583
requirements established for completion of a degree. 44584

(d) The percentage of the district's or building's students 44585
who receive an honor's diploma under division (B) of section 44586

program and the percentage of those students who receive a score 44593
of four or better on the international baccalaureate examinations; 44594

(g) The results of the college and career-ready assessments 44595
administered under division (B)(1) of section 3301.0712 of the 44596
Revised Code; 44597

(h) Whether the school district or building has implemented a 44598
positive behavior intervention and supports framework in 44599
compliance with the requirements of section 3319.46 of the Revised 44600
Code, notated as a "yes" or "no" answer. 44601

(3) The state board shall adopt rules pursuant to Chapter 44602
119. of the Revised Code that establish a method to assign an 44603
overall grade for a school district or school building for the 44604
2017-2018 school year and each school year thereafter. The rules 44605
shall group the performance measures in divisions (C)(1) and (2) 44606

of this section into the following components: 44607

(a) Gap closing, which shall include the performance measure 44608
in division (C)(1)(a) of this section; 44609

section; 44618

(f) Prepared for success, which shall include the performance 44619
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 44620
this section. The state board shall develop a method to determine 44621
a grade for the component in division (C)(3)(f) of this section 44622
using the performance measures in divisions (C)(2)(a), (b), (c), 44623
(d), (e), and (f) of this section. When available, the state board 44624
may incorporate the performance measure under division (C)(2)(g) 44625
of this section into the component under division (C)(3)(f) of 44626
this section. When determining the overall grade for the prepared 44627
for success component prescribed by division (C)(3)(f) of this 44628
section, no individual student shall be counted in more than one 44629
performance measure. However, if a student qualifies for more than 44630
one performance measure in the component, the state board may, in 44631
its method to determine a grade for the component, specify an 44632
additional weight for such a student that is not greater than or 44633
equal to 1.0. In determining the overall score under division 44634
(C)(3)(f) of this section, the state board shall ensure that the 44635
pool of students included in the performance measures aggregated 44636
under that division are all of the students included in the four- 44637

and five-year adjusted graduation cohort. 44638

In the rules adopted under division (C)(3) of this section, 44639
the state board shall adopt a method for determining a grade for 44640
each component in divisions (C)(3)(a) to (f) of this section. The 44641
state board also shall establish a method to assign an overall 44642
grade of "A," "B," "C," "D," or "F" using the grades assigned for 44643
each component. The method the state board adopts for assigning an 44644
overall grade shall give equal weight to the components in 44645
divisions (C)(3)(b) and (c) of this section. 44646

At least forty-five days prior to the state board's adoption 44647
of rules to prescribe the methods for calculating the overall 44648
grade for the report card, as required by this division, the 44649
department shall conduct a public presentation before the standing 44650
committees of the house of representatives and the senate that 44651
consider education legislation describing the format for the 44652
report card, weights that will be assigned to the components of 44653
the overall grade, and the method for calculating the overall 44654
grade. 44655

(D) For the 2021-2022 school year and each school year 44656
thereafter, all of the following apply: 44657

(1) The department shall include on a school district's or 44658
building's report card all of the following performance measures 44659
without an assigned performance rating: 44660

(a) Whether the district or building meets the gifted 44661
performance indicator under division (A)(2) of section 3302.02 of 44662
the Revised Code and the extent to which the district or building 44663
meets gifted indicator performance benchmarks; 44664

(b) The extent to which the district or building meets the 44665
chronic absenteeism indicator under division (A)(3) of section 44666
3302.02 of the Revised Code; 44667

(c) Performance index score percentage for a district or 44668

building, which shall be calculated by dividing the district's or 44669
building's performance index score according to the performance 44670
index system created by the department by the maximum performance 44671
index score for a district or building. The maximum performance 44672
index score shall be as follows: 44673

(i) For a building, the average of the highest two per cent 44674
of performance index scores achieved by a building for the school 44675
year for which a report card is issued; 44676

(ii) For a district, the average of the highest two per cent 44677
of performance index scores achieved by a district for the school 44678
year for which a report card is issued. 44679

(d) The overall score under the value-added progress 44680
dimension of a district or building, for which the department 44681
shall use three consecutive years of value-added data. In using 44682
three years of value-added data to calculate the measure 44683
prescribed under division (D)(1)(d) of this section, the 44684
department shall assign a weight of fifty per cent to the most 44685
recent year's data and a weight of twenty-five per cent to the 44686
data of each of the other years. However, if three consecutive 44687
years of value-added data is not available, the department shall 44688
use prior years of value-added data to calculate the measure, as 44689
follows: 44690

(i) If two consecutive years of value-added data is not 44691
available, the department shall use one year of value-added data 44692
to calculate the measure. 44693

(ii) If two consecutive years of value-added data is 44694
available, the department shall use two consecutive years of 44695
value-added data to calculate the measure. In using two years of 44696
value-added data to calculate the measure, the department shall 44697
assign a weight of sixty-seven per cent to the most recent year's 44698
data and a weight of thirty-three per cent to the data of the 44699

other year. 44700

(e) The four-year adjusted cohort graduation rate. 44701

(f) The five-year adjusted cohort graduation rate. 44702

(g) The percentage of students in the district or building 44703
who score proficient or higher on the reading segment of the third 44704
grade English language arts assessment under section 3301.0710 of 44705
the Revised Code. 44706

To the extent possible, the department shall include the 44707
results of the summer administration of the third grade reading 44708
assessment under section 3301.0710 of the Revised Code in the 44709
performance measures prescribed under divisions (D)(1)(g) and (h) 44710
of this section. 44711

(h) Whether a district or building is making progress in 44712
improving literacy in grades kindergarten through three, as 44713
determined using a method prescribed by the department. The method 44714
shall determine progress made based on the reduction in the total 44715
percentage of students scoring below grade level, or below 44716
proficient, compared from year to year on the reading segments of 44717
the diagnostic assessments administered under section 3301.0715 of 44718
the Revised Code, including the kindergarten readiness assessment, 44719
and the third grade English language arts assessment under section 44720
3301.0710 of the Revised Code, as applicable. The method shall not 44721
include a deduction for students who did not pass the third grade 44722
English language arts assessment under section 3301.0710 of the 44723
Revised Code and were not on a reading improvement and monitoring 44724
plan. 44725

The performance measure prescribed under division (D)(1)(h) 44726
of this section shall not be included on the report card of a 44727
district or building in which less than ten per cent of students 44728
have scored below grade level on the diagnostic assessment 44729
administered to students in kindergarten under division (B)(1) of 44730

section 3313.608 of the Revised Code. 44731

(i) The percentage of students in a district or building who 44732
are promoted to the fourth grade and not subject to retention 44733
under division (A)(2) of section 3313.608 of the Revised Code; 44734

(j) A post-secondary readiness measure. This measure shall be 44735
calculated by dividing the number of students included in the 44736
four-year adjusted graduation rate cohort who demonstrate 44737
post-secondary readiness by the total number of students included 44738
in the denominator of the four-year adjusted graduation rate 44739
cohort. Demonstration of post-secondary readiness shall include a 44740
student doing any of the following: 44741

(i) Attaining a remediation-free score, in accordance with 44742

from which the student earned the college credit. Earned credits 44760
reported under division (D)(1)(j)(iii) of this section shall 44761

include credits that count toward the curriculum requirements	44762
established for completion of a degree, but shall not include any	44763

under division (B) of section 3313.61 of the Revised Code;	44766

The department shall not include any subgroup data in this measure that includes data from fewer than fifteen students. measures in divisions (D)(1)(g), (h), and (i) of this section and 45009
the reported data in divisions (D)(2)(e) and (k) of this section. 45010

If the measure prescribed under division (D)(1)(h) of this 45011
section is included in a report card, performance ratings for the 45012
early literacy component shall give a weight of forty per cent to 45013
the measure prescribed under division (D)(1)(g) of this section, a 45014
weight of thirty-five per cent to the measure prescribed under 45015
division (D)(1)(i) of this section, and a weight of twenty-five 45016
per cent to the measure prescribed under division (D)(1)(h) of 45017
this section. 45018

If the measure prescribed under division (D)(1)(h) of this 45019
section is not included in a report card of a district or 45020
building, performance ratings for the early literacy component 45021
shall give a weight of sixty per cent to the measure prescribed 45022

cent to the measure prescribed under division (D)(1)(i) of this 45024
section. 45025

shall include the performance measure in division (D)(1)(j) of 45027
this section and the reported data in division (D)(2)(f) of this 45028
section. 45029

For the 2021-2022, 2022-2023, and 2023-2024 school years, the 45030
department only shall report the data for, and not assign a 45031
performance rating to, the college, career, workforce, and 45032
military readiness component. The reported data shall include the 45033
percentage of students who demonstrate post-secondary readiness 45034

using any of the options described in division (D)(1)(j) of this 45035
section. 45036

The department shall analyze the data included in the 45037
performance measure prescribed in division (D)(1)(j) of this 45038
section for the 2021-2022, 2022-2023, and 2023-2024 school years. 45039
Using that data, the department shall develop and propose rules 45040
for a method to assign a performance rating to the college, 45041
career, workforce, and military readiness component based on that 45042
measure. The method to assign a performance rating shall not 45043
include a tiered structure or per student bonuses. The rules shall 45044
specify that a district or building shall not receive lower than a 45045
performance rating of three stars for the component if the 45046
district's or building's performance on the component meets or 45047
exceeds a level of improvement set by the department. 45048
Notwithstanding division (D)(4)(b) of this section, more than half 45049
of the total districts and buildings may earn a performance rating 45050
of three stars on this component to account for the districts and 45051
buildings that earned a performance rating of three stars because 45052
they met or exceeded the level of improvement set by the 45053
department. 45054

The department shall submit the rules to the joint committee 45055
on agency rule review. The committee shall conduct at least one 45056
public hearing on the proposed rules and approve or disapprove the 45057
rules. If the committee approves the rules, the state board shall 45058
adopt the rules in accordance with Chapter 119. of the Revised 45059
Code. If the rules are adopted, the department shall assign a 45060
performance rating to the college, career, workforce, and military 45061
readiness component under the rules beginning with the 2024-2025 45062
school year, and for each school year thereafter. If the committee 45063
disapproves the rules, the component shall be included in the 45064
report card only as reported data for the 2024-2025 school year, 45065
and each school year thereafter. 45066

(g)(i) Except as provided for in division (D)(3)(g)(ii) of 45067
this section, beginning with the 2022-2023 school year, under the 45068
state board's method prescribed under rules adopted in division 45069
(D)(4) of this section, the department shall use the performance 45070
ratings assigned for the components prescribed in divisions 45071
(D)(3)(a) to (e) of this section to determine and assign an 45072
overall performance rating of "one star," "one and one-half 45073
stars," "two stars," "two and one-half stars," "three stars," 45074
"three and one-half stars," "four stars," "four and one-half 45075
stars," or "five stars" for a district or building. The method 45076
shall give equal weight to the components in divisions (D)(3)(b) 45077
and (c) of this section. The method shall give equal weight to the 45078
components in divisions (D)(3)(a), (d), and (e) of this section. 45079
The individual weights of each of the components prescribed in 45080
divisions (D)(3)(a), (d), and (e) of this section shall be equal 45081
to one-half of the weight given to the component prescribed in 45082
division (D)(3)(b) of this section. 45083

(ii) If the joint committee on agency rule review approves 45084
the department's rules regarding the college, career, workforce, 45085
and military readiness component as described in division 45086
(D)(3)(f) of this section, for the 2024-2025 school year, and each 45087
school year thereafter, the state board's method shall use the 45088
components in divisions (D)(3)(a), (b), (c), (d), (e), and (f) of 45089
this section to calculate the overall performance rating. The 45090
method shall give equal weight to the components in divisions 45091
(D)(3)(b) and (c) of this section. The method shall give equal 45092
weight to the components prescribed in divisions (D)(3)(a), (d), 45093
(e), and (f) of this section. The individual weights of each of 45094
the components prescribed in divisions (D)(3)(a), (d), (e), and 45095
(f) of this section shall be equal to one-half the weight given to 45096
the component prescribed in division (D)(3)(b) of this section. 45097

If the joint committee on agency rule review disapproves the 45098

department's rules regarding the college, career, workforce, and 45099
military readiness component as described in division (D)(3)(f) of 45100
this section, division (D)(3)(g)(ii) of this section does not 45101
apply. 45102

(4)(a) The state board shall adopt rules in accordance with 45103
Chapter 119. of the Revised Code to establish the performance 45104
criteria, benchmarks, and rating system necessary to implement 45105
divisions (D) and (F) of this section, including the method for 45106
the department to assign performance ratings under division (D)(3) 45107
of this section. 45108

(b) In establishing the performance criteria, benchmarks, and 45109
rating system, the state board shall consult with stakeholder 45110
groups and advocates that represent parents, community members, 45111
students, business leaders, and educators from different school 45112
typology regions. The state board shall use data from prior school 45113
years and simulations to ensure that there is meaningful 45114
differentiation among districts and buildings across all 45115
performance ratings and that, except as permitted in division 45116
(D)(3)(f) of this section, more than half of all districts or 45117
buildings do not earn the same performance rating in any component 45118
or overall performance rating. 45119

(c) The state board shall adopt the rules prescribed by 45120
division (D)(4) of this section not later than March 31, 2022. 45121
However, the department shall notify districts and buildings of 45122
the changes to the report card prescribed in law not later than 45123
one week after ~~the effective date of this amendment~~ September 30, 45124
2021. 45125

(d) Prior to adopting or updating rules under division (D)(4) 45126
of this section, the president of the state board and the 45127
department shall conduct a public presentation before the standing 45128
committees of the house of representatives and the senate that 45129
consider primary and secondary education legislation describing 45130

the format for the report card and the performance criteria, 45131
benchmarks, and rating system, including the method to assign 45132
performance ratings under division (D)(3) of this section. 45133

(E) On or after July 1, 2015, the state board may develop a 45134
measure of student academic progress for high school students 45135
using only data from assessments in English language arts and 45136
mathematics. If the state board develops this measure, each school 45137
district and applicable school building shall be assigned a 45138
separate letter grade for it not sooner than the 2017-2018 school 45139
year. The district's or building's grade for that measure shall 45140
not be included in determining the district's or building's 45141
overall letter grade. 45142

(F)(1) The letter grades assigned to a school district or 45143
building under this section shall be as follows: 45144

(a) "A" for a district or school making excellent progress; 45145

(b) "B" for a district or school making above average 45146
progress; 45147

(c) "C" for a district or school making average progress; 45148

(d) "D" for a district or school making below average 45149
progress; 45150

(e) "F" for a district or school failing to meet minimum 45151
progress. 45152

(2) For the overall performance rating under division (D)(3) 45153
of this section, the department shall include a descriptor for 45154
each performance rating as follows: 45155

(a) "Significantly exceeds state standards" for a performance 45156
rating of five stars; 45157

(b) "Exceeds state standards" for a performance rating of 45158
four stars or four and one-half stars; 45159

(c) "Meets state standards" for a performance rating of three 45160

stars or three and one-half stars; 45161

(d) "Needs support to meet state standards" for a performance 45162
rating of two stars or two and one-half stars; 45163

(e) "Needs significant support to meet state standards" for a 45164
performance rating of one star or one and one-half stars. 45165

(3) For performance ratings for each component under 45166
divisions (D)(3)(a) to (f) of this section, the state board shall 45167
include a description of each component and performance rating. 45168
The description shall include component-specific context to each 45169
performance rating earned, estimated comparisons to other school 45170
districts and buildings if appropriate, and any other information 45171
determined by the state board. The descriptions shall be not 45172
longer than twenty-five words in length when possible. In addition 45173
to such descriptions, the state board shall include the 45174
descriptors in division (F)(2) of this section for component 45175
performance ratings. 45176

(4) Each report card issued under this section shall include 45177
all of the following: 45178

(a) A graphic that depicts the performance ratings of a 45179
district or school on a color scale. The color associated with a 45180
performance rating of three stars shall be green and the color 45181
associated with a performance rating of one star shall be red. 45182

(b) An arrow graphic that shows data trends for performance 45183
ratings for school districts or buildings. The state board shall 45184
determine the data to be used for this graphic, which shall 45185
include at least the three most recent years of data. 45186

(c) A description regarding the weights that are assigned to 45187
each component and used to determine an overall performance 45188
rating, as prescribed under division (D)(3)(g) of this section, 45189
which shall be included in the presentation of the overall 45190
performance rating on each report card. 45191

(G) When reporting data on student achievement and progress,	45192
the department shall disaggregate that data according to the	45193
following categories:	45194
(1) Performance of students by grade-level;	45195
(2) Performance of students by race and ethnic group;	45196
(3) Performance of students by gender;	45197
(4) Performance of students grouped by those who have been	45198
enrolled in a district or school for three or more years;	45199
(5) Performance of students grouped by those who have been	45200
enrolled in a district or school for more than one year and less	45201

(6) Performance of students grouped by those who have been	45203
enrolled in a district or school for one year or less;	45204
(7) Performance of students grouped by those who are	45205
economically disadvantaged;	45206
(8) Performance of students grouped by those who are enrolled	45207
in a conversion community school established under Chapter 3314.	45208
of the Revised Code;	45209
(9) Performance of students grouped by those who are	45210
classified as English learners;	45211
(10) Performance of students grouped by those who have	45212
disabilities;	45213
(11) Performance of students grouped by those who are	45214
classified as migrants;	45215
(12) Performance of students grouped by those who are	45216
identified as gifted in superior cognitive ability and the	45217
specific academic ability fields of reading and math pursuant to	45218
Chapter 3324. of the Revised Code. In disaggregating specific	45219
academic ability fields for gifted students, the department shall	45220

use data for those students with specific academic ability in math 45221
and reading. If any other academic field is assessed, the 45222
department shall also include data for students with specific 45223
academic ability in that field as well. 45224

(13) Performance of students grouped by those who perform in 45225
the lowest quintile for achievement on a statewide basis, as 45226
determined by a method prescribed by the state board. 45227

The department may disaggregate data on student performance 45228
according to other categories that the department determines are 45229
appropriate. To the extent possible, the department shall 45230
disaggregate data on student performance according to any 45231
combinations of two or more of the categories listed in divisions 45232
(G)(1) to (13) of this section that it deems relevant. 45233

In reporting data pursuant to division (G) of this section, 45234
the department shall not include in the report cards any data 45235
statistical in nature that is statistically unreliable or that 45236
could result in the identification of individual students. For 45237
this purpose, the department shall not report student performance 45238
data for any group identified in division (G) of this section that 45239
contains less than ten students. If the department does not report 45240
student performance data for a group because it contains less than 45241
ten students, the department shall indicate on the report card 45242
that is why data was not reported. 45243

(H) The department may include with the report cards any 45244
additional education and fiscal performance data it deems 45245
valuable. 45246

(I) The department shall include on each report card a list 45247
of additional information collected by the department that is 45248
available regarding the district or building for which the report 45249
card is issued. When available, such additional information shall 45250
include student mobility data disaggregated by race and 45251

socioeconomic status, college enrollment data, and the reports 45252
prepared under section 3302.031 of the Revised Code. 45253

The department shall maintain a site on the world wide web. 45254
The report card shall include the address of the site and shall 45255

public at that site. The department shall also provide a copy of 45257
each item on the list to the superintendent of each school 45258
district. The district superintendent shall provide a copy of any 45259
item on the list to anyone who requests it. 45260

(J)(1)(a) Except as provided in division (J)(1)(b) of this 45261
section, for any district that sponsors a conversion community 45262
school under Chapter 3314. of the Revised Code, the department 45263
shall combine data regarding the academic performance of students 45264
enrolled in the community school with comparable data from the 45265
schools of the district for the purpose of determining the 45266
performance of the district as a whole on the report card issued 45267
for the district under this section or section 3302.033 of the 45268
Revised Code. 45269

(b) The department shall not combine data from any conversion 45270
community school that a district sponsors if a majority of the 45271
students enrolled in the conversion community school are enrolled 45272
in a dropout prevention and recovery program that is operated by 45273
the school, as described in division (A)(4)(a) of section 3314.35 45274
of the Revised Code. The department shall include as an addendum 45275
to the district's report card the ratings and performance measures 45276
that are required under section 3314.017 of the Revised Code for 45277
any community school to which division (J)(1)(b) of this section 45278

3314.017 of the Revised Code. 45281

(2) Any district that leases a building to a community school 45282
located in the district or that enters into an agreement with a 45283

community school located in the district whereby the district and 45284
the school endorse each other's programs may elect to have data 45285
regarding the academic performance of students enrolled in the 45286
community school combined with comparable data from the schools of 45287
the district for the purpose of determining the performance of the 45288
district as a whole on the district report card. Any district that 45289
so elects shall annually file a copy of the lease or agreement 45290
with the department. 45291

(3) Any municipal school district, as defined in section 45292
3311.71 of the Revised Code, that sponsors a community school 45293
located within the district's territory, or that enters into an 45294
agreement with a community school located within the district's 45295
territory whereby the district and the community school endorse 45296
each other's programs, may exercise either or both of the 45297
following elections: 45298

(a) To have data regarding the academic performance of 45299
students enrolled in that community school combined with 45300
comparable data from the schools of the district for the purpose 45301
of determining the performance of the district as a whole on the 45302
district's report card; 45303

(b) To have the number of students attending that community 45304
school noted separately on the district's report card. 45305

The election authorized under division (J)(3)(a) of this 45306
section is subject to approval by the governing authority of the 45307
community school. 45308

Any municipal school district that exercises an election to 45309
combine or include data under division (J)(3) of this section, by 45310

department documentation indicating eligibility for that election, 45312
as required by the department. 45313

(K) The department shall include on each report card the 45314

percentage of teachers in the district or building who are 45315
properly certified or licensed teachers, as defined in section 45316
3319.074 of the Revised Code, and a comparison of that percentage 45317
with the percentages of such teachers in similar districts and 45318
buildings. 45319

(L)(1) In calculating English language arts, mathematics, 45320
science, American history, or American government assessment 45321
passage rates used to determine school district or building 45322
performance under this section, the department shall include all 45323
students taking an assessment with accommodation or to whom an 45324
alternate assessment is administered pursuant to division (C)(1) 45325
or (3) of section 3301.0711 of the Revised Code and all students 45326
who take substitute examinations approved under division (B)(4) of 45327
section 3301.0712 of the Revised Code in the subject areas of 45328
science, American history and American government. 45329

(2) In calculating performance index scores, rates of 45330
achievement on the performance indicators established by the state 45331
board under section 3302.02 of the Revised Code, and annual 45332
measurable objectives for determining adequate yearly progress for 45333
school districts and buildings under this section, the department 45334
shall do all of the following: 45335

(a) Include for each district or building only those students 45336
who are included in the ADM certified for the first full school 45337
week of October and are continuously enrolled in the district or 45338
building through the time of the spring administration of any 45339
assessment prescribed by division (A)(1) or (B)(1) of section 45340
3301.0710 or division (B) of section 3301.0712 of the Revised Code 45341
that is administered to the student's grade level; 45342

(b) Include cumulative totals from both the fall and spring 45343

(c) ~~Except as required by the No Child Left Behind Act of 2001, exclude~~ Include for each district or building any English learner ~~who has been enrolled in United States schools for less than one full school year~~ in accordance with the department's plan, as approved by the United States secretary of education, to comply with the "Elementary and Secondary Education Act of 1965," 20 U.S.C. 6311 to 6339.

As used in this section, "English learner" has the same meaning as in section 3301.0731 of the Revised Code.

(M) Beginning with the 2015-2016 school year and at least once every three years thereafter, the state board of education shall review and may adjust the benchmarks for assigning letter grades or performance ratings to the performance measures and components prescribed under divisions (C)(3), (D), and (E) of this section.

The department shall calculate the modified graduation rate in the same manner as the four-year adjusted cohort graduation rate, except that the department only shall include graduation eligible students in the modified graduation rate's calculation. The department shall not include in the modified graduation rate calculation a graduation eligible student who is automatically withdrawn from an online high school pursuant to division (A)(6)(b) of section 3314.03 of the Revised Code and who does not re-enroll in a school.

(C) Except as necessary to comply with federal law, but notwithstanding anything to the contrary in the Revised Code, beginning with the report card for the 2023-2024 school year, the department shall report an online high school's modified graduation rate as data without an assigned performance rating.

The waiver shall apply only to the school or schools participating in the innovation plan and shall not apply to the district as a whole, unless each of the district's schools is a participating school. The waiver shall cease to apply to a school if the school's designation as an innovation school is revoked or the innovation school zone in which the school participates has its designation revoked under section 3302.065 of the Revised Code, or if the school is removed from an innovation school zone under that section or section 3302.064 of the Revised Code.

Code shall be granted only pursuant to a waiver granted by the 45459
superintendent of public instruction under division (O) of that 45460
section. 45461

(B) The state board of education shall accept any application 45462
submitted in accordance with division (A) of this section. The 45463
superintendent of public instruction shall approve or disapprove 45464

the retirement allowance a member may receive. 45506

(B) Based on the advice of an actuary appointed by the board, 45507
the board shall designate a number as the CBBC factor. The board 45508
may, from time to time, revise the factor pursuant to advice from 45509
an actuary appointed by the board. 45510

(C) Beginning on and after August 1, 2024, before paying a 45511
retirement allowance, the board shall make all of the following 45512

section is the member's CBBC. Beginning on and after August 1, 45528

2024, if the retirement allowance the member would receive exceeds 45529
the member's CBBC, the board shall reduce the retirement allowance 45530
to an amount equal to the member's CBBC. 45531

(E) If a member's retirement allowance is reduced under this 45532
section, the reduced retirement allowance is the member's single 45533
lifetime allowance for purposes of sections 3309.36, 3309.381, and 45534
3309.45 of the Revised Code. 45535

parent to submit a partial federal income tax return, or a return 45879
filed under section 5747.08 of the Revised Code, that only 45880

educational choice scholarship pilot program shall require the 45884
parent of a student to disclose, as part of the school's admission 45885

of the Revised Code and the regular tuition charge of the school, 45892
as well as for any fees regularly charged by the school." 45893

educational choice scholarships shall submit to the department of 45896

required under divisions (A) and (B) of this section on its web 45929
site and, by the first day of February each year, shall distribute 45930
that data to the parent of each eligible student. In reporting 45931
student performance data under this division, the department shall 45932

this purpose, the department shall not report performance data for 45935
any group that contains less than ten students. 45936

(D) The department shall provide the parent of each 45945

department shall consider age, grade, race and ethnicity, gender, 45952
and socioeconomic status. 45953

Sec. 3310.16. (A) For the 2020-2021 school year and each 45954

3310.032 of the Revised Code, as follows: 45958

(1) The application period shall open on the first day of 45959
February prior to the first day of July of the school year for 45960
which a scholarship is sought. Not later than forty-five days 45961

whether that applicant is eligible for a scholarship and notify 45964
the applicant whether or not the applicant is eligible. The 45965
department of education shall award a scholarship to each student 45966
with an approved application. However, for any application 45967
submitted on or after the beginning the fifteenth day of October 45968
of the school year for which a scholarship is sought, the 45969
department of education shall prorate the amount of the awarded 45970
scholarship based on how much of the school year remains after the 45971
date of the student's enrollment in the chartered nonpublic 45972
school. 45973

(2) In each school year, the department of education shall 45974
accept applications for conditional approval of a scholarship 45975
sought for that year or the next school year. Not later than five 45976
days after receiving an application under this division, the 45977
department of education shall grant conditional approval to an 45978
applicant who is eligible for a scholarship and notify the 45979
applicant whether or not conditional approval is granted. 45980

(B) If the department determines an application submitted 45981
under this section contains an error or deficiency, the department 45982
shall notify the applicant who submitted that application not 45983
later than fourteen days after the application is submitted. 45984

(C) The departments of education, job and family services, 45985
and taxation shall enter into a data sharing agreement so that, in 45986

administering this section, the department of education shall be 45987
able to determine, based on the address provided in a student's 45988
application, whether that student is eligible for an educational 45989
choice scholarship under section 3310.03 of the Revised Code and 45990
whether the student meets the residency requirements for an 45991

Under the program, the department of education shall pay a scholarship under section 3317.022 of the Revised Code to the parent of each qualified special education child upon application of that parent pursuant to procedures and deadlines established by rule of the state board of education. Each scholarship shall be used only to pay tuition for the child on whose behalf the scholarship is awarded to attend a special education program that implements the child's individualized education program or education plan and that is operated by an alternative public provider or by a registered private provider, and to pay for other services agreed to by the provider and the parent of a qualified special education child that are not included in the individualized education program or education plan but are associated with educating the child. Upon agreement with the parent of a qualified special education child, the alternative public provider or the registered private provider may modify the services provided to the child. The purpose of the scholarship is to permit the parent of a qualified special education child the choice to send the child to a special education program, instead of the one operated by or for the school district in which the child is entitled to attend school, to receive the services prescribed in the child's individualized education program or education plan once the individualized education program or education plan is finalized and any other services agreed to by

district in which the child is entitled to attend school and 46093
another school district or other public provider, or for a child 46094
to attend a community school established under Chapter 3314. of 46095

compact, or other bilateral agreement, or a parent whose child 46099
attends a community school, from applying for and accepting a 46100
scholarship under this section so that the parent may withdraw the 46101
child from that program or community school and use the 46102
scholarship for the child to attend a special education program 46103
for which the parent is required to pay for services for the 46104
child. 46105

Except for development of the child's individualized 46106
education program or education plan, the school district in which 46107
a qualified special education child is entitled to attend school 46108
and the child's school district of residence, as defined in 46109
section 3323.01 of the Revised Code, if different, are not 46110

the child continues to attend the special education program 46113
operated by either an alternative public provider or a registered 46114
private provider for which a scholarship is awarded under the 46115
autism scholarship program. If at any time, the eligible applicant 46116
for the child decides no longer to accept scholarship payments and 46117
enrolls the child in the special education program of the school 46118
district in which the child is entitled to attend school, that 46119
district shall provide the child with a free appropriate public 46120
education under Chapter 3323. of the Revised Code. 46121

A child attending a special education program with a 46122
scholarship under this section shall continue to be entitled to 46123
transportation to and from that program in the manner prescribed 46124
by law. 46125

the Revised Code, a child who is not a preschool child with a 46127
disability for whom a scholarship is awarded under this section 46128
shall be counted in the formula ADM of the district in which the 46129
child is entitled to attend school and not in the formula ADM of 46130
any other school district. 46131

(D) A scholarship shall not be paid under section 3317.022 of 46132
the Revised Code to a parent for payment of tuition owed to a 46133
nonpublic entity unless that entity is a registered private 46134
provider. The department shall approve entities that meet the 46135
standards established by rule of the state board for the program 46136
established under this section. 46137

(E) The state board shall adopt rules under Chapter 119. of 46138
the Revised Code prescribing procedures necessary to implement 46139
this section, including, but not limited to, procedures and 46140
deadlines for parents to apply for scholarships, standards for 46141
registered private providers, and procedures for approval of 46142
entities as registered private providers. 46143

The rules also shall specify that intervention services under the autism scholarship program may be provided by a qualified, credentialed provider, including, but not limited to, all of the following:

(1) A behavior analyst certified by a nationally recognized organization that certifies behavior analysts;

(2) A psychologist licensed to practice in this state under Chapter 4732. of the Revised Code;

(8) Any other qualified individual as determined by the state 46174
board. 46175

(F) The department shall provide reasonable notice to all 46176
parents of children receiving a scholarship under the autism 46177
scholarship program, alternative public providers, and registered 46178
private providers of any amendment to a rule governing, or change 46179
in the administration of, the autism scholarship program. 46180

(G) If a child qualifies for the autism scholarship program 46181
pursuant to a diagnosis under division (A)(6)(c) of this section 46182
and does not have an individualized education program that 46183
includes services related to autism, the school district in which 46184
the child is entitled to attend school shall develop an education 46185
plan for the child. 46186

(H) Not later than the thirtieth day of June each year, each 46187
alternative public provider and registered private provider 46188
enrolling students receiving autism scholarships shall submit to 46189
the department, in a form and manner prescribed by the department, 46190
the tuition rates charged by the provider for the following school 46191
year. 46192

(I) The department shall not require the parent of a student 46193
who applies for or receives a scholarship under this section to 46194
complete any kind of income verification regarding the student's 46195
family income. 46196

registered private provider, qualifying that individual to provide 46204

the individual is subject to adequate training and supervision. 46224
The state board shall adopt rules, pursuant to Chapter 119. of the 46225
Revised Code, regarding how providers will demonstrate this 46226

provide services to a child, including in-home services, under the 46233

(E) The board of directors of a career-technical cooperative education district shall procure a policy or policies of insurance insuring the board, the fiscal officer, and the legal representative against liability on account of damage or injury to persons and property. Before procuring such insurance the board shall adopt a resolution setting forth the amount of insurance to be purchased, the necessity of the insurance, and a statement of its estimated premium cost. Insurance procured pursuant to this section shall be from one or more recognized insurance companies authorized to do business in this state. The cost of the insurance shall be paid from the district's special fund.

A career-technical cooperative education district is a 47643
political subdivision within the meaning of section 2744.01 of the 47644
Revised Code. 47645

(F)(1) The board of education of a school district may join 47646
an existing career-technical cooperative education district by 47647
adopting a resolution requesting to join as a party to the 47648
agreement and upon approval by the boards of education that 47649
currently are parties to the agreement. If a tax is levied in the 47650
career-technical cooperative education district under section 47651
5705.2114 of the Revised Code, a board of education may join the 47652
district only after a majority of qualified electors in the school 47653
district voting on the question vote in favor of levying the tax 47654
throughout the school district. A board of education joining an 47655
existing district shall have the same powers, rights, and 47656
obligations under the agreement as other boards of education that 47657
are parties to the agreement. 47658

(2) A board of education that is a party to an agreement 47659
under this section may withdraw the school district from a 47660
career-technical cooperative education district by adopting a 47661
resolution. The withdrawal shall take effect on the date provided 47662
in the resolution. If a tax is levied in the career-technical 47663
cooperative education district under section 5705.2114 of the 47664
Revised Code, the resolution shall take effect not later than the 47665
first day of January following adoption of the resolution. 47666
Beginning with the first day of January following adoption of the 47667
resolution, any tax levied under section 5705.2114 of the Revised 47668
Code shall not be levied within the territory of the withdrawing 47669
school district. Any collection of tax levied in the territory of 47670

shall be credited to the district's special fund. 47673

(G) An agreement entered into under this section shall 47674

provide for the manner of the career-technical cooperative education district's dissolution. The district shall cease to exist when not more than one school district remains in the district, and the levy of any tax under section 5705.2114 of the Revised Code shall not be extended on the tax lists in any tax year beginning after the dissolution of the district. The agreement shall provide that, upon dissolution of the district, any unexpended balance in the district's special fund shall be divided among the school districts that are parties to the agreement immediately before dissolution in proportion to the taxable valuation of taxable property in the districts, and credited to their respective general funds.

(H)(1) A career-technical cooperative education district is not a joint vocational school district. Rather, a career-technical cooperative education district shall be considered a compact career-technical education provider, as defined in section 3326.01 of the Revised Code, for the purposes of Title XXXIII of the Revised Code.

(2) The career-technical cooperative education district shall be the lead district as defined in section 3317.023 of the Revised Code to provide primary career-technical education leadership to the member districts. The department of education and workforce shall compute and make payments under Chapter 3317. of the Revised Code to a career-technical cooperative education district in the same manner as a lead district of a career-technical planning district under that chapter.

(I) The department shall create an internal retrieval number for each career-technical cooperative education district established under this section.

high school in which the student is enrolled, \$7,500. 47758

(E) A district and an Ohio technical center may enter into an 47759
agreement under this section to establish alternate amounts than 47760
those prescribed under division (D) of this section that the 47761

received under division (C) of section 3317.014 of the Revised 47764
Code to pay for any costs incurred by students enrolling in 47765
courses at an Ohio technical center under this section. The 47766

department shall consider that cost as an approved 47767
career-technical education expense under division (F) of section 47768
3317.014 of the Revised Code. 47769

(G) Notwithstanding anything to the contrary in the Revised 47770

Sec. 3313.975. As used in this section and in sections 47918
3313.976 to 3313.979 of the Revised Code, "the pilot project 47919
school district" or "the district" means any school district 47920
included in the pilot project scholarship program pursuant to this 47921
section. 47922

(A) The superintendent of public instruction shall establish 47923
a pilot project scholarship program and shall include in such 47924
program any school districts that are or have ever been under 47925

program shall provide for a number of students residing in any 47928
such district to receive scholarships to attend alternative 47929
schools, and for an equal number of students to receive tutorial 47930
assistance grants while attending public school in any such 47931
district. 47932

(B) The state superintendent shall establish an application 47933

tutorial assistance grants as can be funded given the amount 47940
appropriated for the program. 47941

completed grade twelve. 47948

(2) If the general assembly discontinues the scholarship program, all students who are attending an alternative school under the pilot project shall be entitled to continued admittance to that specific school through all grades that are provided in such school, under the same conditions as when they were participating in the pilot project. The state superintendent shall continue to make scholarship payments in accordance with section 3317.022 of the Revised Code for students who remain enrolled in an alternative school under this provision in any year that funds have been appropriated for this purpose.

(D) Notwithstanding sections 124.39 and 3311.83 of the Revised Code, if the pilot project school district experiences a decrease in enrollment due to participation in a state-sponsored scholarship program pursuant to sections 3313.974 to 3313.979 of the Revised Code, the district board of education may enter into an agreement with any teacher it employs to provide to that teacher severance pay or early retirement incentives, or both, if the teacher agrees to terminate the employment contract with the district board, provided any collective bargaining agreement in force pursuant to Chapter 4117. of the Revised Code does not prohibit such an agreement for termination of a teacher's employment contract.

(E) Except as provided for in division (C)(2) of section 3365.07 of the Revised Code, the director shall not require the

parent of a student who applies for or receives a scholarship 47981

law enforcement emergencies, inoperability of school buses or 49165
other equipment necessary to the school's operation, damage to a 49166
school building, or other temporary circumstances due to utility 49167

in attendance during that school year for not less than the 49170
minimum number of hours required by this chapter. The department 49171
shall treat the school as if it were open for instruction with 49172

by division (A)(23) of section 3314.03 of the Revised Code; 49189

materials have not been delivered, installed, and activated for 49198
each such student in a timely manner or other educational 49199

academic accountability for such schools. 49209

(K)(1) If the department determines that a review of a 49210
community school's enrollment is necessary, such review shall be 49211
completed and written notice of the findings shall be provided to 49212
the governing authority of the community school and its sponsor 49213
within ninety days of the end of the community school's fiscal 49214

thirty days of the written notice. If the review results in a 49223
finding that the community school owes moneys to the state, the 49224
following procedure shall apply: 49225

the state, the department shall deduct such amount from the 49240
school's future payments in accordance with guidelines issued by 49241
the superintendent of public instruction. 49242

riders per assigned bus as adjusted to reflect the district's 52418
density in comparison to the density of all other districts. The 52419
department shall post on the department's web site each district's 52420
target number of riders per assigned bus and a description of how 52421
the target number was determined. 52422

(2) The department shall determine each school district's 52423
efficiency index by dividing the district's number of riders per 52424
assigned bus by its target number of riders per assigned bus. 52425

(3) The department shall determine each city, local, and 52426
exempted village school district's efficiency adjustment payment 52427
as follows: 52428

(a) If the district's efficiency index is equal to or greater 52429
than 1.5, the efficiency adjustment payment shall be calculated 52430
according to the following formula: 52431

0.15 X the district's transportation base payment calculated under 52432
division (E) of this section 52433

(b) If the district's efficiency index is less than 1.5 but 52434
greater than or equal to 1.0, the efficiency adjustment payment 52435
shall be calculated according to the following formula: 52436

{[(The district's efficiency index - 1) X 0.15]/0.5} X the 52437
district's transportation base payment calculated under division 52438
(E) of this section 52439

(c) If the district's efficiency index is less than 1.0, the 52440
efficiency adjustment payment shall be zero. 52441

(G) In addition to funds paid under divisions (E), (F), and 52442
(H) of this section, each city, local, and exempted village 52443
district shall receive in accordance with rules adopted by the 52444
state board of education a payment for students transported by 52445
means other than school bus service and whose transportation is 52446
not funded under division (C) of section 3317.024 of the Revised 52447
Code. The rules shall include provisions for school district 52448

reporting of such students. 52449

(H)(1) For purposes of division (H) of this section, a school 52450
district's "transportation supplement percentage" means the 52451
following: 52452

(a) For fiscal years ~~2022~~ 2024 and ~~2023~~ 2025, the following 52453
quotient: 52454

(28 - the district's rider density) / 100 52455

If the result of the calculation for a district under 52456
division (H)(1)(a) of this section is less than zero, the 52457
district's transportation supplement percentage shall be zero. 52458

(b) For fiscal year ~~2024~~ 2026 and each fiscal year 52459
thereafter, a percentage calculated in a manner determined by the 52460
general assembly. 52461

(2) The department shall pay each district a transportation 52462
supplement calculated according to the following formula: 52463

The district's transportation supplement percentage X the amount 52464
calculated for the district under division (E)(1)(b) of this 52465
section X 0.55 52466

(I)(1) If a school district board and a community school 52467
governing authority elect to enter into an agreement under 52468
division (A) of section 3314.091 of the Revised Code, the 52469
department shall make payments to the community school according 52470
to the terms of the agreement for each student actually 52471
transported under division (C)(1) of that section. If a community 52472
school governing authority accepts transportation responsibility 52473
under division (B) of that section, the department shall make 52474
payments to the community school for each student actually 52475
transported or for whom transportation is arranged by the 52476
community school under division (C)(1) of that section, calculated 52477
as follows: 52478

(a) For any fiscal year which the general assembly has 52479

specified that transportation payments to school districts be 52480
based on an across-the-board percentage of the district's payment 52481
for the previous school year, the per pupil payment to the 52482
community school shall be the following quotient: 52483

(i) The total amount calculated for the school district in 52484
which the child is entitled to attend school for student 52485
transportation other than transportation of children with 52486
disabilities; divided by 52487

(ii) The number of students included in the district's 52488
transportation ADM for the current fiscal year, as calculated 52489
under section 3317.03 of the Revised Code, plus the number of 52490
students enrolled in the community school not counted in the 52491
district's transportation ADM who are transported under division 52492
(B)(1) or (2) of section 3314.091 of the Revised Code. 52493

(b) For any fiscal year which the general assembly has 52494
specified that the transportation payments to school districts be 52495
calculated in accordance with this section and any rules of the 52496
state board of education implementing this section, the payment to 52497
the community school shall be the following: 52498

(i) For fiscal years ~~2022~~ 2024 and ~~2023~~ 2025, either of the 52499
following: 52500

(I) If the school district in which the student is entitled 52501
to attend school would have used a method of transportation for 52502
the student for which payments are computed and paid under 52503
division (E) of this section, 1.0 times the statewide 52504
transportation cost per student, as calculated in division (C) of 52505
this section; 52506

(II) If the school district in which the student is entitled 52507
to attend school would have used a method of transportation for 52508
the student for which payments are computed and paid in a manner 52509
described in division (G) of this section, the amount that would 52510

otherwise be computed for and paid to the district. 52511

(ii) For fiscal year ~~2024~~ 2026 and each fiscal year 52512
thereafter, an amount calculated in a manner determined by the 52513
general assembly. 52514

The community school, however, is not required to use the 52515
same method to transport the student. 52516

As used in this division, "entitled to attend school" means 52517
entitled to attend school under section 3313.64 or 3313.65 of the 52518
Revised Code. 52519

(2) A community school shall be paid under division (I)(2) of 52520
this section only for students who are eligible as specified in 52521
section 3327.01 of the Revised Code and division (C)(1) of section 52522
3314.091 of the Revised Code, and whose transportation to and from 52523
school is actually provided, who actually utilized transportation 52524
arranged, or for whom a payment in lieu of transportation is made 52525
by the community school's governing authority. To qualify for the 52526
payments, the community school shall report to the department, in 52527
the form and manner required by the department, data on the number 52528
of students transported or whose transportation is arranged, the 52529
number of miles traveled, cost to transport, and any other 52530
information requested by the department. 52531

Sec. 3317.0213. (A) The department of education shall compute 52532
and pay in accordance with this section additional state aid for 52533
preschool children with disabilities to each city, local, and 52534
exempted village school district and to each institution, as 52535
defined in section 3323.091 of the Revised Code. Funding shall be 52536
provided for children who are not enrolled in kindergarten and who 52537
are under age six on the thirtieth day of September of the 52538
academic year, or on the first day of August of the academic year 52539
if the school district in which the child is enrolled has adopted 52540
a resolution under division (A)(3) of section 3321.01 of the 52541

Revised Code, but not less than age three on the first day of 52542
December of the academic year. 52543

For fiscal years ~~2022~~ 2024 and ~~2023~~ 2025, the additional 52544
state aid shall be calculated under the following formula: 52545

(\$4,000 X the number of students who are preschool children 52546
with disabilities) + the sum of the following: 52547

(1) The district's or institution's category one special 52548
education students who are preschool children with disabilities X 52549
the multiple specified in division (A) of section 3317.013 of the 52550
Revised Code X the statewide average base cost per pupil for that 52551
fiscal year X the district's state share percentage X 0.50; 52552

(2) The district's or institution's category two special 52553
education students who are preschool children with disabilities X 52554
the multiple specified in division (B) of section 3317.013 of the 52555

(3) The district's or institution's category three special 52558
education students who are preschool children with disabilities X 52559
the multiple specified in division (C) of section 3317.013 of the 52560
Revised Code X the statewide average base cost per pupil for that 52561
fiscal year X the district's state share percentage X 0.50; 52562

(4) The district's or institution's category four special 52563
education students who are preschool children with disabilities X 52564
the multiple specified in division (D) of section 3317.013 of the 52565
Revised Code X the statewide average base cost per pupil for that 52566
fiscal year X the district's state share percentage X 0.50; 52567

(5) The district's or institution's category five special 52568
education students who are preschool children with disabilities X 52569
the multiple specified in division (E) of section 3317.013 of the 52570
Revised Code X the statewide average base cost per pupil for that 52571

fiscal year X the district's state share percentage X 0.50; 52572

(6) The district's or institution's category six special 52573
education students who are preschool children with disabilities X 52574
the multiple specified in division (F) of section 3317.013 of the 52575
Revised Code X the statewide average base cost per pupil for that 52576
fiscal year X the district's state share percentage X 0.50. 52577

For fiscal year ~~2024~~ 2026 and each fiscal year thereafter, 52578
the additional state aid shall be calculated for each category of 52579
special education students who are preschool children with 52580
disabilities using a formula specified by the general assembly. 52581

The special education disability categories for preschool 52582
children used in this section are the same categories prescribed 52583
in section 3317.013 of the Revised Code. 52584

As used in division (A) of this section, the state share 52585
percentage of a student enrolled in an institution is the state 52586
share percentage of the school district in which the student is 52587
entitled to attend school under section 3313.64 or 3313.65 of the 52588
Revised Code. 52589

(B) If an educational service center is providing services to 52590
students who are preschool children with disabilities under 52591
agreement with the city, local, or exempted village school 52592
district in which the students are entitled to attend school, that 52593
district may authorize the department to transfer funds computed 52594
under this section to the service center providing those services. 52595

(C) If a county DD board is providing services to students 52596
who are preschool children with disabilities under agreement with 52597
the city, local, or exempted village school district in which the 52598
students are entitled to attend school, the department shall 52599
deduct from the district's payment computed under division (A) of 52600
this section the total amount of those funds that are attributable 52601
to the students served by the county DD board and pay that amount 52602

to that board. 52603

Sec. 3317.0214. (A) The department shall compute and pay in 52604
accordance with this section additional state aid to school 52605
districts for students in categories two through six special 52606
education ADM. If a district's costs for the fiscal year for a 52607
student in its categories two through six special education ADM 52608
exceed the threshold ~~catastrophic~~ cost for serving the student, 52609
the district may submit to the superintendent of public 52610
instruction documentation, as prescribed by the superintendent, of 52611
all its costs for that student. Upon submission of documentation 52612
for a student of the type and in the manner prescribed, the 52613
department shall pay to the district an amount equal to the sum of 52614
the following: 52615

(1) One-half of the district's costs for the student in 52616
excess of the threshold ~~catastrophic~~ cost; 52617

(2) The product of one-half of the district's costs for the 52618
student in excess of the threshold ~~catastrophic~~ cost multiplied by 52619
the district's state share percentage. 52620

(B) For purposes of division (A) of this section, the 52621
threshold ~~catastrophic~~ cost for serving a student equals: 52622

three, four, or five special education ADM, twenty-seven thousand 52624
three hundred seventy-five dollars; 52625

(2) For a student in the district's category six special 52626
education ADM, thirty-two thousand eight hundred fifty dollars. 52627

(C) The district shall report under division (A) of this 52628
section, and the department shall pay for, only the costs of 52629
educational expenses and the related services provided to the 52630
student in accordance with the student's individualized education 52631
program. Any legal fees, court costs, or other costs associated 52632

with any cause of action relating to the student may not be 52633
included in the amount. 52634

to the district under division (A)(3) of section 3317.022 of the 52645
Revised Code times 0.10, subject to any funding limitations 52646
enacted by the general assembly to the computation. 52647

(b) In the case of a community school or STEM school, the 52648
aggregate amount of special education funding paid to the school 52649
under division (A)(1)(b) of section 3317.026 of the Revised Code 52650
times 0.10, subject to any funding limitations enacted by the 52651
general assembly to the computation. 52652

(c) In the case of a joint vocational school district, the 52653
aggregate amount of special education funding paid to the school 52654
under division (A)(2) of section 3317.16 of the Revised Code times 52655
0.10, subject to any funding limitations enacted by the general 52656
assembly to the computation. 52657

(2) For fiscal year ~~2024~~ 2026 and each fiscal year 52658
thereafter, the department of education shall withhold from the 52659
aggregate amount paid for a fiscal year to each city, local, 52660
exempted village, and joint vocational school district, community 52661
school, and science, technology, engineering, and mathematics 52662
school an amount determined by the general assembly, if any, for 52663

purposes of this section. 52664

(B) For fiscal years ~~2022~~ 2024 and ~~2023~~ 2025, the department 52665

Revised Code, section 3317.0214 of the Revised Code, division (B) 52668
of section 3317.16 of the Revised Code, and section 3326.34 of the 52669
Revised Code. 52670

For fiscal year ~~2024~~ 2026 and each fiscal year thereafter, 52671
the department shall use the amount of funds withheld under 52672
division (A) of this section, if any, for purposes determined by 52673
the general assembly. 52674

Sec. 3317.0217. This section shall apply only for fiscal 52675
years ~~2022~~ 2024 and ~~2023~~ 2025. 52676

Payment of the amount calculated for a school district under 52677
this section shall be made under division (A) of section 3317.022 52678
of the Revised Code. 52679

(A) For each fiscal year, the department of education shall 52680
compute targeted assistance funds for city, local, and exempted 52681
village school districts, in accordance with the following 52682
formula: 52683

(2) Determine the median weighted wealth of all school	52696
districts in this state for that fiscal year;	52697
(3) Compute each district's capacity index for that fiscal	52698
year by dividing the median weighted wealth of all school	52699
districts in this state for that fiscal year by the district's	52700
weighted wealth for that fiscal year;	52701
(4) Compute each district's capacity amount for that fiscal	52702

fiscal year:	52706
(i) The district's capacity index is less than 1.	52707

for that fiscal year shall be calculated in accordance with the 52724
following formula: 52725

{[0.95 X (the district's enrolled ADM for that fiscal year - 52726
400)/200] + 0.05} X the amount computed under division 52727
(B)(4)(b)(i) of this section 52728

(iv) If the district's enrolled ADM for that fiscal year is 52729
greater than or equal to 600, the district's capacity amount for 52730
that fiscal year shall be equal to the amount computed under 52731
division (B)(4)(b)(i) of this section. 52732

(C) The department shall calculate each district's wealth 52733
amount for a fiscal year as follows: 52734

(1) Calculate each district's weighted wealth per pupil for 52735
that fiscal year, which equals the following quotient: 52736

The district's weighted wealth for that fiscal year calculated 52737
under division (B)(1) of this section/ (the district's enrolled 52738
ADM for that fiscal year - the students described in division 52739
(A)(1)(b) of section 3317.03 of the Revised Code + the students 52740
described in division (A)(2)(d) of section 3317.03 of the Revised 52741
Code) 52742

(2) Determine the median weighted wealth per pupil of all 52743
school districts in this state for that fiscal year; 52744

(3) Compute each district's wealth index for that fiscal year 52745
by dividing the median weighted wealth per pupil of all school 52746
districts in this state for that fiscal year by the district's 52747
weighted wealth per pupil for that fiscal year; 52748

(4) Compute each district's wealth amount for that fiscal 52749
year, as follows: 52750

(a) If the district's wealth index computed under division 52751
(C)(3) of this section for that fiscal year is less than 0.8, the 52752
district's wealth amount for that fiscal year shall be zero. 52753

(b) If the district's wealth index computed under division 52754
(C)(3) of this section for that fiscal year is greater than or 52755
equal to 0.8, the district's wealth amount for that fiscal year 52756
shall be calculated in accordance with the following formula: 52757
[(The median weighted wealth per pupil of all school districts in 52758
this state for that fiscal year X 0.014) - (the district's 52759
weighted wealth per pupil for that fiscal year X 0.0112)] X the 52760
district's enrolled ADM for that fiscal year 52761

Sec. 3317.0218. This section shall apply only for fiscal 52762

Code as it existed prior to ~~the effective date of this section~~ 52778
September 30, 2021, for all districts that satisfy both of the 52779
criteria specified under division (A) of this section; 52780

(C) If the district satisfies both of the criteria specified 52781
under division (A) of this section, compute the district's 52782
supplemental amount as the product of the following: 52783

(1) {[(The number specified under division (A)(1) of this section - 1.6) / (the number determined under division (B) of this section - 1.6)] X 675} + 75; 52784
52785
52786

basic project cost less the amount of the proceeds of any 53992
securities authorized or to be authorized under division (J) of 53993
section 133.06 of the Revised Code and dedicated by the school 53994
district board to payment of the district's portion of the basic 53995
project cost; and 53996

(B) On the question of levying a tax the proceeds of which shall be used to pay the cost of maintaining or upgrading the classroom facilities included in the project. Such tax shall be at the rate of not less than one-half mill for each dollar of valuation for a period of twenty-three years, subject to any extension approved under section 3318.061 of the Revised Code.

(C) If a school district has in place a tax levied under section 5705.21 of the Revised Code for general permanent improvements for a continuing period of time and the proceeds of such tax can be used for maintenance or upgrades, or if a district agrees to the transfers described in section 3318.051 of the Revised Code, the school district need not levy the additional tax required under division (B) of this section, provided the school district board includes in the agreement entered into under section 3318.08 of the Revised Code provisions either:

(1) Earmarking an amount from the proceeds of that permanent improvement tax for maintenance or upgrades of classroom facilities equivalent to the amount of the additional tax and for the equivalent number of years otherwise required under this section;

(2) Requiring the transfer of money in accordance with section 3318.051 of the Revised Code.

The district board subsequently may rescind the agreement to make the transfers under section 3318.051 of the Revised Code only so long as the electors of the district have approved, in accordance with section 3318.063 of the Revised Code, the levy of a tax for the maintenance or upgrades of the classroom facilities acquired under the district's project and that levy continues to be collected as approved by the electors.

(D) Proceeds of the tax to be used for maintenance or upgrade of the classroom facilities under either division (B) or (C)(1) of

this section, and transfers of money in accordance with section 54028
3318.051 of the Revised Code shall be deposited into a separate 54029
fund established by the school district for such purpose. 54030

(E) Proceeds of the tax to be used for maintenance or 54031
upgrades of the classroom facilities under either division (B) or 54032
(C)(1) of this section shall not be used to upgrade classroom 54033
facilities, unless the district board submits to the Ohio 54034
facilities construction commission a proposal regarding the use of 54035
those proceeds for upgrades and the commission approves the 54036
proposal. 54037

Sec. 3318.054. (A) If conditional approval of a city, 54038
exempted village, or local school district's project lapses as 54039
provided in section 3318.05 of the Revised Code, or if conditional 54040
approval of a joint vocational school district's project lapses as 54041
provided in division (D) of section 3318.41 of the Revised Code, 54042
because the district's electors have not approved the ballot 54043
measures necessary to generate the district's portion of the basic 54044
project cost, and if the district board desires to seek a new 54045
conditional approval of the project, the district board shall 54046
request that the Ohio facilities construction commission set the 54047
scope, basic project cost, and school district portion of the 54048
basic project cost prior to resubmitting the ballot measures to 54049
the electors. To do so, the commission shall use the district's 54050
current assessed tax valuation and the district's percentile for 54051
the prior fiscal year. For a district that has entered into an 54052
agreement under section 3318.36 of the Revised Code and desires to 54053
proceed with a project under sections 3318.01 to 3318.20 of the 54054
Revised Code, the district's portion of the basic project cost 54055
shall be the percentage specified in that agreement. The project 54056
scope and basic costs established under this division shall be 54057
valid for ~~thirteen~~ sixteen months from the date the commission 54058
approves them. 54059

(B) Upon the commission's approval under division (A) of this section, the district board may submit the ballot measures to the district's electors for approval of the project based on the new project scope and estimated costs. Upon electoral approval of those measures, the district shall be given first priority for project funding as such funds become available.

(C) When the commission determines that funds are available for the district's project, the commission shall do all of the following:

(1) Determine the school district portion of the basic project cost under section 3318.032 of the Revised Code, in the case of a city, exempted village, or local school district, or under section 3318.42 of the Revised Code, in the case of a joint vocational school district;

(2) Conditionally approve the project and submit it to the controlling board for approval pursuant to section 3318.04 of the Revised Code;

(3) Encumber funds for the project under section 3318.11 of the Revised Code;

(4) Enter into an agreement with the district board under section 3318.08 of the Revised Code.

Sec. 3318.41. (A)(1) The Ohio facilities construction commission annually shall assess the classroom facilities needs of the number of joint vocational school districts that the commission reasonably expects to be able to provide assistance to in a fiscal year, based on the amount set aside for that fiscal year under division (B) of section 3318.40 of the Revised Code and the order of priority prescribed in division (B) of section 3318.42 of the Revised Code, except that in fiscal year 2004 the commission shall conduct at least the five assessments prescribed

in division (E) of section 3318.40 of the Revised Code. 54090

Upon conducting an assessment of the classroom facilities 54091
needs of a school district, the commission shall make a 54092
determination of all of the following: 54093

(a) The number of classroom facilities to be included in a 54094
project and the basic project cost of acquiring the classroom 54095
facilities included in the project. The number of facilities and 54096
basic project cost shall be determined in accordance with the 54097
specifications adopted under section 3318.311 of the Revised Code 54098
except to the extent that compliance with such specifications is 54099
waived by the commission pursuant to the rule of the commission 54100
adopted under division (F) of section 3318.40 of the Revised Code. 54101

(b) The school district's portion of the basic project cost 54102
as determined under division (C) of section 3318.42 of the Revised 54103
Code; 54104

(c) The remaining portion of the basic project cost that 54105
shall be supplied by the state; 54106

(d) The amount of the state's portion of the basic project 54107
cost to be encumbered in accordance with section 3318.11 of the 54108
Revised Code in the current and subsequent fiscal years from funds 54109
set aside under division (B) of section 3318.40 of the Revised 54110
Code. 54111

(2) Divisions (A), (C), and (D) of section 3318.03 of the 54112
Revised Code apply to any project under sections 3318.40 to 54113
3318.45 of the Revised Code. 54114

(B)(1) If the commission makes a determination under division 54115
(A) of this section in favor of the acquisition of classroom 54116
facilities for a project under sections 3318.40 to 3318.45 of the 54117
Revised Code, such project shall be conditionally approved. Such 54118
conditional approval shall be submitted to the controlling board 54119
for approval. The controlling board shall immediately approve or 54120

reject the commission's determination, conditional approval, the 54121
amount of the state's portion of the basic project cost, and the 54122
amount of the state's portion of the basic project cost to be 54123
encumbered in the current fiscal year. In the event of approval by 54124
the controlling board, the commission shall certify the 54125
conditional approval to the joint vocational school district board 54126
of education and shall encumber the approved funds for the current 54127
fiscal year. 54128

(2) No school district that receives assistance under 54129
sections 3318.40 to 3318.45 of the Revised Code shall have another 54130
such project conditionally approved until the expiration of twenty 54131
years after the school district's prior project was conditionally 54132
approved, unless the school district board demonstrates to the 54133
satisfaction of the commission that the school district has 54134
experienced since conditional approval of its prior project an 54135
exceptional increase in enrollment or program requirements 54136
significantly above the school district's design capacity under 54137
that prior project as determined by rule of the commission. Any 54138
rule adopted by the commission to implement this division shall be 54139
tailored to address the classroom facilities needs of joint 54140
vocational school districts. 54141

(C) In addition to generating the amount of the school 54142
district's portion of the basic project cost as determined under 54143
division (C) of section 3318.42 of the Revised Code, in order for 54144
a school district to receive assistance under sections 3318.40 to 54145
3318.45 of the Revised Code, the school district board shall set 54146
aside school district moneys for the maintenance of the classroom 54147
facilities included in the school district's project in the amount 54148
and manner prescribed in section 3318.43 of the Revised Code. 54149

(D)(1) The conditional approval for a project certified under 54150
division (B)(1) of this section shall lapse and the amount 54151
reserved and encumbered for such project shall be released unless 54152

both of the following conditions are satisfied: 54153

(a) Within one hundred twenty days following the date of 54154
certification of the conditional approval to the joint vocational 54155
school district board, the school district board accepts the 54156
conditional approval and certifies to the commission the school 54157
district board's plan to generate the school district's portion of 54158
the basic project cost, as determined under division (C) of 54159
section 3318.42 of the Revised Code, and to set aside moneys for 54160
maintenance of the classroom facilities acquired under the 54161
project, as prescribed in section 3318.43 of the Revised Code. 54162

(b) Within ~~thirteen~~ sixteen months following the date of 54163
certification of the conditional approval to the school district 54164
board, the electors of the school district vote favorably on any 54165
ballot measures proposed by the school district board to generate 54166
the school district's portion of the basic project cost. 54167

(2) If the school district board or electors fail to satisfy 54168
the conditions prescribed in division (D)(1) of this section and 54169
the amount reserved and encumbered for the school district's 54170
project is released, the school district shall be given first 54171
priority over other joint vocational school districts for project 54172
funding under sections 3318.40 to 3318.45 of the Revised Code as 54173
such funds become available, subject to section 3318.054 of the 54174
Revised Code. 54175

(E) If the conditions prescribed in division (D)(1) of this 54176
section are satisfied, the commission and the school district 54177
board shall enter into an agreement as prescribed in section 54178
3318.08 of the Revised Code and shall proceed with the development 54179
of plans, cost estimates, designs, drawings, and specifications as 54180
prescribed in section 3318.091 of the Revised Code. 54181

(F) Costs in excess of those approved by the commission under 54182
section 3318.091 of the Revised Code shall be payable only as 54183

provided in sections 3318.042 and 3318.083 of the Revised Code. 54184

(G) Advertisement for bids and the award of contracts for 54185
construction of any project under sections 3318.40 to 3318.45 of 54186
the Revised Code shall be conducted in accordance with section 54187
3318.10 of the Revised Code. 54188

(H) In accordance with division (R) of section 3318.08 of the 54189
Revised Code, the state funds reserved and encumbered and the 54190
funds provided by the school district to pay the basic project 54191
cost of a project under sections 3318.40 to 3318.45 of the Revised 54192
Code shall be spent simultaneously in proportion to the state's 54193
and the school district's respective portions of that basic 54194
project cost. 54195

(I) Sections 3318.13, 3318.14, and 3318.16 of the Revised 54196
Code apply to projects under sections 3318.40 to 3318.45 of the 54197
Revised Code. 54198

services rendered as an educational assistant in violation of this 54366
provision. 54367

~~teacher in a school district. Such students shall not be~~ 54377
~~compensated for such services.~~ 54378

description of an educational assistant and subject to supervision 54380
by the teacher's immediate administrative officer, a teacher to 54381
whom an educational assistant is assigned shall make all final 54382
determinations of the duties to be assigned to such assistant. 54383
Teachers shall not be required to hold a license designated for 54384
being a supervisor or administrator in order to perform the 54385
necessary supervision of educational assistants. 54386

(E) No person who is, or who has been employed as an 54387
educational assistant shall divulge, except to the teacher to whom 54388
assigned, or the administrator of the school in the absence of the 54389
teacher to whom assigned, or when required to testify in a court 54390
or proceedings, any personal information concerning any pupil in 54391
the school district which was obtained or obtainable by the 54392
educational assistant while so employed. Violation of this 54393
provision is grounds for disciplinary action or dismissal, or 54394
both. 54395

(F) Notwithstanding anything to the contrary in this section, 54396
the superintendent of a school district may allow an employee who 54397
does not hold a permit or license issued under this section to 54398
work as a substitute for an educational assistant who is absent on 54399
account of illness or on a leave of absence, or to fill a 54400
temporary position created by an emergency, provided that the 54401

superintendent believes the employee's application materials 54402
indicate that the employee is qualified to obtain a permit or 54403
license under this section. 54404

An employee shall begin work as a substitute under this 54405
division not earlier than on the date on which the employee files 54406
an application with the state board for a permit or license under 54407
this section. An employee shall cease working as a substitute 54408
under this division on the earliest of the following: 54409

(2) The date on which the employee is denied a permit or 54412
license under this section; 54413

(3) Sixty days following the date on which the employee began 54414
work as a substitute under this division. 54415

The superintendent shall ensure that an employee assigned to 54416
work as a substitute under division (F) of this section has 54417
undergone a criminal records check in accordance with section 54418

employees that the committee structure is to be modified. 54628
Professional development committees may have a district-level or 54629
building-level scope of operations, and may be established with 54630
regard to particular grade or age levels for which an educator 54631
license is designated. 54632

Each professional development committee shall consist of at 54633

teachers of the district, and the principal member shall be 54642
elected by a majority vote of the principals of the district, 54643

such committee shall be classroom teachers employed by the 54662
district. Any member appointed to fill a vacancy occurring prior 54663

term. 54666

chairperson or upon the filing of a petition with the district 54674
superintendent signed by a majority of the committee members 54675

representative has been established pursuant to Chapter 4117. of 54678
the Revised Code, professional development committees shall be 54679
established in accordance with any collective bargaining agreement 54680
in effect in the district that includes provisions for such 54681

committees. 54682

If the collective bargaining agreement does not specify a 54683
different method for the selection of teacher members of the 54684
committees, the exclusive representative of the district's 54685
teachers shall select the teacher members. 54686

If the collective bargaining agreement does not specify a 54687
different structure for the committees, the board of education of 54688
the school district shall establish the structure, including the 54689
number of committees and the number of teacher and administrative 54690
members on each committee; the specific administrative members to 54691
be part of each committee; whether the scope of the committees 54692
will be district levels, building levels, or by type of grade or 54693
age levels for which educator licenses are designated; the lengths 54694
of terms for members; the manner of filling vacancies on the 54695
committees; and the frequency and time and place of meetings. 54696
However, in all cases, except as provided in division (F)(4) of 54697
this section, there shall be a majority of teacher members of any 54698
professional development committee, there shall be at least five 54699
total members of any professional development committee, and the 54700
exclusive representative shall designate replacement members in 54701
the case of vacancies among teacher members, unless the collective 54702
bargaining agreement specifies a different method of selecting 54703
such replacements. 54704

(4) Whenever an administrator's coursework plan is being 54705
discussed or voted upon, the local professional development 54706
committee shall, at the request of one of its administrative 54707
members, cause a majority of the committee to consist of 54708
administrative members by reducing the number of teacher members 54709
voting on the plan. 54710

(G)(1) The department of education, educational service 54711
centers, county boards of developmental disabilities, college and 54712

development committees shall be structured in a manner comparable 54740
to the structures prescribed for school districts in divisions 54741

instructional and general fees charged by the institutional 57068
sector. The department of higher education shall publish on its 57069
web site an annual Ohio college opportunity award table. Except as 57070
provided for in section 3333.126 of the Revised Code, in no case 57071

toward the total state cost of attendance and the student's 57094
housing costs and living expenses. Living expenses shall include 57095
reasonable costs for room and board. 57096

(E) No grant shall be made to any student in a course of 57097
study in theology, religion, or other field of preparation for a 57098

The chancellor shall adopt rules requiring any such appellant to provide information to the chancellor regarding an appeal.

state. These policies and procedures shall require state 57276

about the application of transfer credits. Coursework completed 57286
within such a system at one state institution of higher education 57287
and transferred to another institution shall be applied to the 57288
student's degree objective in the same manner as equivalent 57289

period of time, in which event the board shall preserve those 60634
ballots for that longer period of time. 60635

them an opportunity to have a representative present, shall open 60642
the compartments of the machines and, without unlocking the 60643
machines, shall recanvass the vote cast in them as if a recount 60644
were being held. The results shall be certified by the board, and 60645
this certification shall be filed in the board's office and 60646
retained for the remainder of the period for which ballots must be 60647

kept. After preparation of the certificate, the counters may be 60648
turned back to zero, and the machines may be used for the 60649
election. 60650

The board shall carefully preserve the pollbook, poll list or 60651
signature pollbook, and tally sheet delivered to it from each 60652

entitled to vote at an election, and has prepared and certified 60655
the abstracts of election returns, as required by law. The board 60656
shall not break, or permit anyone to break, the seals upon the 60657
pollbook, poll list or signature pollbook, and tally sheet, or 60658
make, or permit any one to make, any changes or notations in these 60659
items, while they are in its custody, except as provided by 60660
section 3505.32 of the Revised Code. 60661

be carefully preserved by it for two years after the day of 60664
election in which they were used, and shall then be disposed of by 60665
the board in a manner that the board orders. 60666

Pollbooks, poll lists or signature pollbooks, tally sheets, 60667
summary statements, and other records and returns of an election 60668
delivered to it from polling places shall be carefully preserved 60669
by the board for two years after the day of the election in which 60670
they were used, and shall then be disposed of by the board in a 60671
manner that the board orders. 60672

Sec. 3505.32. (A) Except as otherwise provided in division 60673
(D) of this section, not earlier than the ~~eleventh~~ fifth day or 60674

the board of elections shall begin to canvass the election returns 60676
from the precincts in which electors were entitled to vote at that 60677
election. It shall continue the canvass daily until it is 60678

completed and the results of the voting in that election in each 60679

The board shall complete the canvass not later than the 60681
twenty-first day after the day of the election. Eighty-one days 60682
after the day of the election, the canvass of election returns 60683
shall be deemed final, and no amendments to the canvass may be 60684
made after that date. The secretary of state may specify an 60685
earlier date upon which the canvass of election returns shall be 60686
deemed final, and after which amendments to the final canvass may 60687

may observe the making of the official canvass. 60699

(C) The board shall first open all envelopes containing 60700
uncounted ballots and shall count and tally them. 60701

In connection with its investigation of any apparent or 60702
suspected error or defect in the election returns from a polling 60703
place, the board may cause subpoenas to be issued and served 60704
requiring the attendance before it of the election officials of 60705
that polling place, and it may examine them under oath regarding 60706
the manner in which the votes were cast and counted in that 60707
polling place, or the manner in which the returns were prepared 60708
and certified, or as to any other matters bearing upon the voting 60709
and the counting of the votes in that polling place at that 60710

election. 60711

Finally, the board shall open the sealed container containing 60712
the ballots that were counted in the polling place at the election 60713
and count those ballots, during the official canvass, in the 60714
presence of all of the members of the board and any other persons 60715
who are entitled to witness the official canvass. 60716

special election, the board may examine the pollbooks, poll lists, 60718
and tally sheets received from each polling place for its files 60719
and may compare the results of the voting in any polling place 60720
with the summary statement received from the polling place. If the 60721
board finds that any of these records or any portion of them is 60722
missing, or that they are incomplete, not properly certified, or 60723
ambiguous, or that the results of the voting in the polling place 60724
as shown on the summary statement from the polling place are 60725
different from the results of the voting in the polling place as 60726
shown by the pollbook, poll list, or tally sheet from the polling 60727
place, or that there is any other defect in the records, the board 60728
may make whatever changes to the pollbook, poll list, or tally 60729

which only electors of a subdivision located partly within the 60892
county voted to the board of the county in which the major portion 60893

the governor, the auditor of state, and the attorney general, who 60908
at the request of the secretary of state shall assemble to witness 60909
the drawing of the lot. The declaration of results by the 60910
secretary of state shall be in writing and shall be signed by the 60911
secretary of state. It shall bear the date of the day upon which 60912
it is made, and a copy of it shall be posted by the secretary of 60913
state in a conspicuous place in the secretary of state's office. 60914
The secretary of state shall keep the copy posted for a period of 60915
at least five days. 60916

(2) When certified copies of parts of abstracts are received 60917
by the board of the most populous county in a district from the 60918
boards of all of the counties in the district, the board receiving 60919
those abstracts shall canvass them and determine and declare the 60920
results of the elections in which only electors of the district 60921
voted. If more than the number of persons to be nominated for or 60922
elected to an office received the largest and equal number of 60923
votes, the tie shall be resolved by lot by the chairperson of the 60924
board in the presence of a majority of the members of the board. 60925
The declaration of results by the board shall be in writing and 60926
shall be signed by at least a majority of the members of the 60927
board. It shall bear the date of the day upon which it is made, 60928

and a copy of it shall be posted by the board in a conspicuous 60929
place in its office. The board shall keep the copy posted for a 60930
period of at least five days. 60931

(3) When certified copies of parts of abstracts are received 60932
by the board of a county in which the major portion of the 60933
population of a subdivision located in more than one county is 60934
located from the boards of each county in which other portions of 60935
that subdivision are located, the board receiving those abstracts 60936
shall canvass them and determine and declare the results of the 60937
elections in which only electors of that subdivision voted. If 60938
more than the number of persons to be nominated for or elected to 60939
an office received the largest and an equal number of votes, the 60940
tie shall be resolved by lot by the chairperson of the board in 60941
the presence of a majority of the members of the board. The 60942
declaration of results by the board shall be in writing and shall 60943
be signed by at least a majority of the members of the board. It 60944
shall bear the date of the day upon which it is made, and a copy 60945
of it shall be posted by the board in a conspicuous place in its 60946
office. The board shall keep the copy posted for a period of at 60947
least five days. 60948

(E) Election officials, who are required to declare the 60949
results of primary elections, shall issue to each person declared 60950
nominated for or elected to an office, an appropriate certificate 60951
of nomination or election, provided that the boards required to 60952
determine and declare the results of the elections for candidates 60953
for nomination to the office of representative to congress from a 60954
congressional district shall, in lieu of issuing a certificate of 60955
nomination, certify to the secretary of state the names of the 60956
candidates nominated, and the secretary of state, upon receipt of 60957
that certification, shall issue a certificate of nomination to 60958
each person whose name is so certified. Certificates of nomination 60959
or election issued by boards to candidates and certifications to 60960

the secretary of state shall not be issued before the expiration 60961
of the time within which applications for recounts of votes may be 60962
filed or before recounts of votes, which have been applied for, 60963
are completed. 60964

Sec. 3517.10. (A) Except as otherwise provided in this 60965
division, every campaign committee, political action committee, 60966
legislative campaign fund, political party, and political 60967
contributing entity that made or received a contribution or made 60968
an expenditure in connection with the nomination or election of 60969
any candidate or in connection with any ballot issue or question 60970
at any election held or to be held in this state shall file, on a 60971
form prescribed under this section or by electronic means of 60972

A campaign committee shall only be required to file the 60998
statements prescribed under divisions (A)(1) and (2) of this 60999
section in connection with the nomination or election of the 61000

division (A)(2) of this section. 61010

If an election to select candidates to appear on the general 61011

election, the campaign committee of a successful candidate in the 61013
earlier election may file the statement required by division 61014
(A)(1) of this section for the general election instead of the 61015

earlier election if the pregeneral election statement reflects the 61017
status of contributions and expenditures for the period twenty 61018
days before the earlier election to twenty days before the general 61019

file the statement required by division (A)(1) of this section. 61023

No statement under division (A)(3) of this section shall be 61024

Except as otherwise provided in this paragraph and in the 61038
next paragraph of this section, the only campaign committees 61039
required to file a statement under division (A)(4) of this section 61040
are the campaign committee of a statewide candidate and the 61041
campaign committee of a candidate for county office. The campaign 61042

if that campaign committee receives, during that period, 61045
contributions exceeding ten thousand dollars. 61046

No statement under division (A)(4) of this section shall be 61047

reflected in its last previously filed statement. However, the 61063
campaign committee, political action committee, legislative 61064
campaign fund, political party, or political contributing entity 61065
shall file a statement to that effect, on a form prescribed under 61066
this section and made under penalty of election falsification, on 61067
the date required in division (A)(3) or (4) of this section, as 61068
applicable. 61069

The campaign committee of a statewide candidate shall file a 61070

election in which the candidate seeks office. The campaign 61073
committee of a statewide candidate shall file the monthly 61074
statement not later than three business days after the last day of 61075
the month covered by the statement. During the period beginning on 61076
the nineteenth day before the general election in which a 61077
statewide candidate seeks election to office and extending through 61078
the day of that general election, each time the campaign committee 61079
of the joint candidates for the offices of governor and lieutenant 61080
governor or of a candidate for the office of secretary of state, 61081
auditor of state, treasurer of state, or attorney general receives 61082
a contribution from a contributor that causes the aggregate amount 61083
of contributions received from that contributor during that period 61084
to equal or exceed ten thousand dollars and each time the campaign 61085
committee of a candidate for the office of chief justice or 61086

justice of the supreme court receives a contribution from a 61087
contributor that causes the aggregate amount of contributions 61088
received from that contributor during that period to exceed ten 61089
thousand dollars, the campaign committee shall file a 61090
two-business-day statement reflecting that contribution. 61091
Contributions reported on a two-business-day statement required to 61092
be filed by a campaign committee of a statewide candidate in a 61093
primary election shall also be included in the postprimary 61094
election statement required to be filed by that campaign committee 61095
under division (A)(2) of this section. A two-business-day 61096
statement required by this paragraph shall be filed not later than 61097

electronic means of transmission, a campaign committee of a 61106
statewide candidate shall file a two-business-day statement under 61107
the preceding paragraph by electronic means of transmission if the 61108
campaign committee is required to file a pre-election, 61109
postelection, or monthly statement of contributions and 61110
expenditures by electronic means of transmission under this 61111
section or section 3517.106 of the Revised Code. 61112

If a campaign committee or political action committee has no 61113
balance on hand and no outstanding obligations and desires to 61114
terminate itself, it shall file a statement to that effect, on a 61115
form prescribed under this section and made under penalty of 61116
election falsification, with the official with whom it files a 61117
statement under division (A) of this section after filing a final 61118

statement of contributions and a final statement of expenditures, 61119
if contributions have been received or expenditures made since the 61120
period reflected in its last previously filed statement. 61121

(B) Except as otherwise provided in division (C)(7) of this 61122
section, each statement required by division (A) of this section 61123

contributions are received and the registration number assigned to 61143
the political action committee under division (D)(1) of this 61144
section. The requirement of filing the full address does not apply 61145
to any statement filed by a state or local committee of a 61146
political party, to a finance committee of such committee, or to a 61147
committee recognized by a state or local committee as its 61148

the political action committee or political contributing entity 61361
acts on behalf of or represents a county political party, unless 61362
the designation is accompanied by a written statement, signed by 61363
the chairperson of the county political party's executive 61364
