Any state agency that administers an early childhood program 205898  
may use student data contained in the combined data repository to 205899  
conduct research and analysis designed to evaluate the 205900  
effectiveness of and investments in that program, in compliance 205901  
with the Family Educational Rights and Privacy Act and regulations 205902  
promulgated under that act. 205903

**Sec. 3301.948.** Notwithstanding anything in the Revised Code 205904  
to the contrary, the department of education and workforce, any 205905  
school district, any school, or any third party under contract 205906  
with the state, a school district, or a school shall not provide 205907

examinations approved under division (B)(4) of section 3301.0712 205924

of the Revised Code in the subject areas of science, American 205925  
history, and American government. 205926

The department of education and workforce shall assign 205927  
weights such that students who do not take an assessment receive a 205928  
weight of zero and students who take an assessment receive 205929  
progressively larger weights dependent upon the level of skill 205930  
attained on the assessment. The department shall assign additional 205931  
weights to students who have been permitted to pass over a subject 205932

score, prescribed under division (A)(2)(a) of section 3301.0710 of 205939  
the Revised Code, on an assessment, the department shall assign to 205940  
the student an additional proportional weight, ~~as approved by the~~ 205941  
~~state board~~. For each school year that such a student's score is 205942  
included in the performance index score and the student attains 205943  
the proficient score on an assessment, that additional weight 205944  
shall be assigned to the student on a subject-by-subject basis. 205945

Students shall be included in the "performance index score" 205946

of rules under division (D) of section 3301.0712 of the Revised 206009  
Code and at least every sixth year thereafter, ~~upon~~ 206010  
~~recommendations of the superintendent of public instruction,~~ the 206011  
~~state board~~ department of education and workforce shall establish 206012  
all of the following: 206013

(1) A set of performance indicators that considered as a unit 206014  
will be used as one of the performance categories for the report 206015  
cards required by section 3302.03 of the Revised Code. In 206016

establishing these indicators, the ~~superintendent~~ department shall 206017  
consider inclusion of student performance on assessments 206018  
prescribed under section 3301.0710 or 3301.0712 of the Revised 206019  
Code, rates of student improvement on such assessments, the 206020  
breadth of coursework available within the district, and other 206021  
indicators of student success. 206022

Beginning with the report card issued under section 3302.03 206023  
of the Revised Code for the 2021-2022 school year, the performance 206024  
indicators prescribed under division (A)(1) of this section 206025  
regarding student performance on state assessments shall not 206026  
require a school district or building to attain a proficiency 206027  
percentage to meet an indicator. Rather, the performance 206028  
indicators only shall report proficiency percentages, trends, and 206029  
comparisons. 206030

(2) A performance indicator that reflects the level of 206031  
identification and services provided to, and the performance of, 206032  
students identified as gifted under Chapter 3324. of the Revised 206033

Consultation with the state gifted advisory council shall occur 206038  
not less than every three years. 206039

The gifted performance indicator shall include: 206040

(a) The performance of students on state assessments, as 206041  
measured by a performance index score, disaggregated for students 206042  
identified as gifted; 206043

Revised Code, disaggregated for students identified as gifted; 206045

(c) The level of identification as measured by the percentage 206046  
of students in each grade level identified as gifted and 206047

disaggregated by traditionally underrepresented and economically 206048  
disadvantaged students; 206049

(d) The level of services provided to students as measured by 206050  
the percentage of students provided services in each grade level 206051  
and disaggregated by traditionally underrepresented and 206052  
economically disadvantaged students. 206053

(3) A performance indicator that measures chronic 206054  
absenteeism, as determined by the department ~~of education~~, in a 206055  
school district or school building. 206056

Beginning with the report card issued under section 3302.03 206057  
of the Revised Code for the 2021-2022 school year, the performance 206058  
indicators prescribed in divisions (A)(2) and (3) of this section 206059  
shall not be part of the performance indicator unit under division 206060  
(A)(1) of this section. 206061

provided in this section, for any indicator based on the 206063  
percentage of students attaining a proficient score on the 206064  
assessments prescribed by divisions (A) and (B)(1) of section 206065  
3301.0710 of the Revised Code, a school district or building shall 206066  
be considered to have met the indicator if at least eighty per 206067  
cent of the tested students attain a score of proficient or higher 206068  
on the assessment. A school district or building shall be 206069  
considered to have met the indicator for the assessments 206070  
prescribed by division (B)(1) of section 3301.0710 of the Revised 206071  
Code and only as administered to eleventh grade students, if at 206072  
least eighty-five per cent of the tested students attain a score 206073  
of proficient or higher on the assessment. 206074

The ~~state board~~ department shall adopt rules, under Chapter 206075  
119. of the Revised Code, to establish proficiency percentages to 206076  
meet each indicator that is based on a state assessment, 206077  
prescribed under section 3301.0710 or 3301.0712 of the Revised 206078

Code, for the 2014-2015, 2015-2016, 2016-2017, 2017-2018,  
2018-2019, 2019-2020, and 2020-2021 school years by the following  
dates:

year;

(3) Not later than July 1, 2017, for the 2016-2017,  
2017-2018, 2018-2019, 2019-2020, and 2020-2021 school years.

**Sec. 3302.021.** (A) ~~Not earlier than July 1, 2005, and not  
later than July 1, 2007, the~~ The department of education and  
workforce shall implement a value-added progress dimension for  
school districts and buildings and shall incorporate the  
value-added progress dimension into the report cards and  
performance ratings issued for districts and buildings under  
section 3302.03 of the Revised Code.

~~The state board of education~~ department shall adopt rules,  
pursuant to Chapter 119. of the Revised Code, for the  
implementation of the value-added progress dimension. The rules  
adopted under this division shall specify both of the following:

(1) A scale for describing the levels of academic progress in  
reading and mathematics relative to a standard year of academic  
growth in those subjects for each of grades three through eight;

(2) That the department shall maintain the confidentiality of  
individual student test scores and individual student reports in  
accordance with sections 3301.0711, 3301.0714, and 3319.321 of the  
Revised Code and federal law. The department may require school  
districts to use a unique identifier for each student for this  
purpose. Individual student test scores and individual student  
reports shall be made available only to a student's classroom

teacher and other appropriate educational personnel and to the 206109  
student's parent or guardian. 206110

(B) The department shall explore the feasibility of using the 206111  
value-added gain index and effect size to improve differentiation 206112  
and interpretation of the measure. If the department determines 206113  
that it is feasible, ~~the state board~~ it may update the rules 206114  
adopted under division (A) of this section to implement the use of 206115  
gain index and effect size. If rules are adopted under division 206116  
(A) of this section that use the gain index and effect size, any 206117  
prior method used to calculate letter grades or performance 206118  
ratings under section 3302.03 of the Revised Code shall no longer 206119  
apply. Rather, the ~~state board~~ department shall update its rules 206120  
to determine how letter grades or performance ratings for each 206121  
level of performance are calculated under section 3302.03 of the 206122  
Revised Code using gain index and effect size. 206123

(C) The department shall use a system designed for collecting 206124  
necessary data, calculating the value-added progress dimension, 206125  
analyzing data, and generating reports, which system has been used 206126  
previously by a nonprofit organization led by the Ohio business 206127  
community for at least one year in the operation of a pilot 206128  
program in cooperation with school districts to collect and report 206129  
student achievement data via electronic means and to provide 206130  
information to the districts regarding the academic performance of 206131  
individual students, grade levels, school buildings, and the 206132  
districts as a whole. 206133

(D) The department shall not pay more than two dollars per 206134  
student for data analysis and reporting to implement the 206135  
value-added progress dimension in the same manner and with the 206136  
same services as under the pilot program described by division (B) 206137  
of this section. However, nothing in this section shall preclude 206138  
the department or any school district from entering into a 206139  
contract for the provision of more services at a higher fee per 206140

student. Any data analysis conducted under this section by an 206141  
entity under contract with the department shall be completed in 206142  
accordance with timelines established by the ~~superintendent of~~ 206143  
~~public instruction~~director of education and workforce. 206144

(E) The department shall share any aggregate student data and 206145  
any calculation, analysis, or report utilizing aggregate student 206146  
data that is generated under this section with the chancellor of 206147  
~~the Ohio board of regents~~higher education. The department shall 206148  
not share individual student test scores and individual student 206149  
reports with the chancellor. 206150

**Sec. 3302.03.** Not later than the thirty-first day of July of 206151  
each year, the department of education and workforce shall submit 206152  
preliminary report card data for overall academic performance and 206153  
for each separate performance measure for each school district, 206154  
and each school building, in accordance with this section. 206155

Annually, not later than the fifteenth day of September or 206156  
the preceding Friday when that day falls on a Saturday or Sunday, 206157  
the department shall assign a letter grade or performance rating 206158  
for overall academic performance and for each separate performance 206159  
measure for each school district, and each school building in a 206160  
district, in accordance with this section. The ~~state board of~~ 206161  
~~education~~ department shall adopt rules pursuant to Chapter 119. of 206162  
the Revised Code to implement this section. The ~~state board's~~ 206163  
department's rules shall establish performance criteria for each 206164  
letter grade or performance rating and prescribe a method by which 206165  
the department assigns each letter grade or performance rating. 206166  
For a school building to which any of the performance measures do 206167  
not apply, due to grade levels served by the building, the 206168  
department shall designate the performance measures that are 206169  
applicable to the building and that must be calculated separately 206170  
and used to calculate the building's overall grade or performance 206171

rating. The department shall issue annual report cards reflecting 206172  
the performance of each school district, each building within each 206173  
district, and for the state as a whole using the performance 206174  
measures and letter grade or performance rating system described 206175  
in this section. The department shall include on the report card 206176  
for each district and each building within each district the most 206177  
recent two-year trend data in student achievement for each subject 206178  
and each grade. 206179

(A)(1) For the 2012-2013 school year, the department shall 206180  
issue grades as described in division (F) of this section for each 206181  
of the following performance measures: 206182

(a) Annual measurable objectives; 206183

(b) Performance index score for a school district or 206184  
building. Grades shall be awarded as a percentage of the total 206185  
possible points on the performance index system as adopted by the 206186  
~~state board~~department. In adopting benchmarks for assigning letter 206187  
grades under division (A)(1)(b) of this section, the ~~state board~~ 206188  
department shall designate ninety per cent or higher for an "A," 206189  
at least seventy per cent but not more than eighty per cent for a 206190  
"C," and less than fifty per cent for an "F." 206191

(c) The extent to which the school district or building meets 206192  
each of the applicable performance indicators established by the 206193  
~~state board~~ department under section 3302.02 of the Revised Code 206194  
and the percentage of applicable performance indicators that have 206195  
been achieved. In adopting benchmarks for assigning letter grades 206196  
under division (A)(1)(c) of this section, the ~~state board~~ 206197  
department shall designate ninety per cent or higher for an "A." 206198

(d) The four- and five-year adjusted cohort graduation rates. 206199

In adopting benchmarks for assigning letter grades under 206200  
division (A)(1)(d), (B)(1)(d), or (C)(1)(d) of this section, the 206201  
department shall designate a four-year adjusted cohort graduation 206202

rate of ninety-three per cent or higher for an "A" and a five-year cohort graduation rate of ninety-five per cent or higher for an "A."

(e) The overall score under the value-added progress dimension of a school district or building, for which the department shall use up to three years of value-added data as available. The letter grade assigned for this growth measure shall be as follows:

(i) A score that is at least one standard error of measure above the mean score shall be designated as an "A."

(ii) A score that is less than one standard error of measure above but greater than one standard error of measure below the mean score shall be designated as a "B."

(iii) A score that is less than or equal to one standard error of measure below the mean score but greater than two standard errors of measure below the mean score shall be designated as a "C."

(iv) A score that is less than or equal to two standard errors of measure below the mean score but is greater than three standard errors of measure below the mean score shall be designated as a "D."

(v) A score that is less than or equal to three standard errors of measure below the mean score shall be designated as an "F."

Whenever the value-added progress dimension is used as a graded performance measure in this division and divisions (B) and (C) of this section, whether as an overall measure or as a measure of separate subgroups, the grades for the measure shall be calculated in the same manner as prescribed in division (A)(1)(e) of this section.

(f) The value-added progress dimension score for a school district or building disaggregated for each of the following subgroups: students identified as gifted, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis. Each subgroup shall be a separate graded measure.

(2) ~~Not later than April 30, 2013, the state board of education~~ The department shall adopt a resolution describing the performance measures, benchmarks, and grading system for the 2012-2013 school year and, ~~not later than June 30, 2013,~~ shall adopt rules in accordance with Chapter 119. of the Revised Code that prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, including performance benchmarks for each letter grade.

At least forty-five days prior to the ~~state board's~~ department's adoption of rules to prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing such methods, including performance benchmarks.

(3) There shall not be an overall letter grade for a school district or building for the 2012-2013 school year.

(B)(1) For the 2013-2014 school year, the department shall issue grades as described in division (F) of this section for each of the following performance measures:

(a) Annual measurable objectives;

(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total

possible points on the performance index system as created by the department. In adopting benchmarks for assigning letter grades under division (B)(1)(b) of this section, the ~~state board~~ department shall designate ninety per cent or higher for an "A," at least seventy per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F."

(c) The extent to which the school district or building meets each of the applicable performance indicators established by the ~~state board~~ department under section 3302.03 of the Revised Code and the percentage of applicable performance indicators that have been achieved. In adopting benchmarks for assigning letter grades under division (B)(1)(c) of this section, the ~~state board~~ department shall designate ninety per cent or higher for an "A."

(d) The four- and five-year adjusted cohort graduation rates;

(e) The overall score under the value-added progress dimension of a school district or building, for which the department shall use up to three years of value-added data as available.

(f) The value-added progress dimension score for a school district or building disaggregated for each of the following subgroups: students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324. of the Revised Code, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis. Each subgroup shall be a separate graded measure.

(g) Whether a school district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the ~~state board~~ department. The ~~state board~~ department shall adopt rules to prescribe benchmarks and standards for assigning grades to districts and

buildings for purposes of division (B)(1)(g) of this section. In 206295

Each subgroup shall be a separate graded measure.

The ~~state board~~ department may adopt student academic progress measures to be used instead of the value-added progress dimension. If the ~~state board~~ department adopts such measures, it also shall prescribe a method for assigning letter grades for the new measures that is comparable to the method prescribed in division (A)(1)(e) of this section.

(g) Whether a school district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the ~~state board~~ department. the Revised Code. 206454

(h) For a high mobility school district or building, an 206455  
additional value-added progress dimension score. For this measure, 206456  
the department shall use value-added data from the most recent 206457  
school year available and shall use assessment scores for only 206458  
those students to whom the district or building has administered 206459  
the assessments prescribed by section 3301.0710 of the Revised 206460

building who have taken a national standardized test used for 206472  
college admission determinations and the percentage of those 206473  
students who are determined to be remediation-free in accordance 206474  
with the standards adopted under division (F) of section 3345.061 206475  
of the Revised Code; 206476

(b) The percentage of students enrolled in a district or 206477

career-technical courses offered through dual enrollment or 206485  
statewide articulation, that appear on a student's college 206486

Code, notated as a "yes" or "no" answer. 206509

(3) The ~~state board~~ department shall adopt rules pursuant to 206510  
Chapter 119. of the Revised Code that establish a method to assign 206511  
an overall grade for a school district or school building for the 206512  
2017-2018 school year and each school year thereafter. The rules 206513

shall group the performance measures in divisions (C)(1) and (2) 206514

section using the performance measures in divisions (C)(2)(a), 206531  
(b), (c), (d), (e), and (f) of this section. When available, the 206532  
~~state board~~ department may incorporate the performance measure 206533  
under division (C)(2)(g) of this section into the component under 206534  
division (C)(3)(f) of this section. When determining the overall 206535  
grade for the prepared for success component prescribed by 206536  
division (C)(3)(f) of this section, no individual student shall be 206537  
counted in more than one performance measure. However, if a 206538  
student qualifies for more than one performance measure in the 206539  
component, the ~~state board~~ department may, in its method to 206540  
determine a grade for the component, specify an additional weight 206541  
for such a student that is not greater than or equal to 1.0. In 206542  
determining the overall score under division (C)(3)(f) of this 206543  
section, the ~~state board~~ department shall ensure that the pool of 206544

students included in the performance measures aggregated under 206545  
that division are all of the students included in the four- and 206546  
five-year adjusted graduation cohort. 206547

In the rules adopted under division (C)(3) of this section, 206548  
the ~~state board~~ department shall adopt a method for determining a 206549  
grade for each component in divisions (C)(3)(a) to (f) of this 206550  
section. The ~~state board~~ department also shall establish a method 206551  
to assign an overall grade of "A," "B," "C," "D," or "F" using the 206552  
grades assigned for each component. The method the ~~state board~~ 206553  
department adopts for assigning an overall grade shall give equal 206554  
weight to the components in divisions (C)(3)(b) and (c) of this 206555  
section. 206556

At least forty-five days prior to the ~~state board's~~ 206557  
department's adoption of rules to prescribe the methods for 206558  
calculating the overall grade for the report card, as required by 206559  
this division, the department shall conduct a public presentation 206560  
before the standing committees of the house of representatives and 206561  
the senate that consider education legislation describing the 206562  
format for the report card, weights that will be assigned to the 206563  
components of the overall grade, and the method for calculating 206564  
the overall grade. 206565

(D) For the 2021-2022 school year and each school year 206566  
thereafter, all of the following apply: 206567

(1) The department shall include on a school district's or 206568  
building's report card all of the following performance measures 206569

performance indicator under division (A)(2) of section 3302.02 of 206572  
the Revised Code and the extent to which the district or building 206573  
meets gifted indicator performance benchmarks; 206574

(b) The extent to which the district or building meets the 206575

chronic absenteeism indicator under division (A)(3) of section 206576  
3302.02 of the Revised Code; 206577

(c) Performance index score percentage for a district or 206578  
building, which shall be calculated by dividing the district's or 206579  
building's performance index score according to the performance 206580  
index system created by the department by the maximum performance 206581  
index score for a district or building. The maximum performance 206582  
index score shall be as follows: 206583

(i) For a building, the average of the highest two per cent 206584

(ii) For a district, the average of the highest two per cent 206587

year for which a report card is issued. 206589

(d) The overall score under the value-added progress 206590  
dimension of a district or building, for which the department 206591  
shall use three consecutive years of value-added data. In using 206592  
three years of value-added data to calculate the measure 206593  
prescribed under division (D)(1)(d) of this section, the 206594  
department shall assign a weight of fifty per cent to the most 206595  
recent year's data and a weight of twenty-five per cent to the 206596  
data of each of the other years. However, if three consecutive 206597  
years of value-added data is not available, the department shall 206598  
use prior years of value-added data to calculate the measure, as 206599  
follows: 206600

(i) If two consecutive years of value-added data is not 206601  
available, the department shall use one year of value-added data 206602  
to calculate the measure. 206603

(ii) If two consecutive years of value-added data is 206604  
available, the department shall use two consecutive years of 206605  
value-added data to calculate the measure. In using two years of 206606

value-added data to calculate the measure, the department shall 206607  
assign a weight of sixty-seven per cent to the most recent year's 206608  
data and a weight of thirty-three per cent to the data of the 206609  
other year. 206610

(e) The four-year adjusted cohort graduation rate. 206611

(f) The five-year adjusted cohort graduation rate. 206612

(g) The percentage of students in the district or building 206613  
who score proficient or higher on the reading segment of the third 206614  
grade English language arts assessment under section 3301.0710 of 206615  
the Revised Code. 206616

To the extent possible, the department shall include the 206617  
results of the summer administration of the third grade reading 206618  
assessment under section 3301.0710 of the Revised Code in the 206619  
performance measures prescribed under divisions (D)(1)(g) and (h) 206620  
of this section. 206621

(h) Whether a district or building is making progress in 206622  
improving literacy in grades kindergarten through three, as 206623  
determined using a method prescribed by the department. The method 206624  
shall determine progress made based on the reduction in the total 206625  
percentage of students scoring below grade level, or below 206626  
proficient, compared from year to year on the reading segments of 206627  
the diagnostic assessments administered under section 3301.0715 of 206628  
the Revised Code, including the kindergarten readiness assessment, 206629  
and the third grade English language arts assessment under section 206630  
3301.0710 of the Revised Code, as applicable. The method shall not 206631  
include a deduction for students who did not pass the third grade 206632  
English language arts assessment under section 3301.0710 of the 206633  
Revised Code and were not on a reading improvement and monitoring 206634  
plan. 206635

The performance measure prescribed under division (D)(1)(h) 206636  
of this section shall not be included on the report card of a 206637

district or building in which less than ten per cent of students 206638  
have scored below grade level on the diagnostic assessment 206639  
administered to students in kindergarten under division (B)(1) of 206640  
section 3313.608 of the Revised Code. 206641

(i) The percentage of students in a district or building who 206642  
are promoted to the fourth grade and not subject to retention 206643  
under division (A)(2) of section 3313.608 of the Revised Code; 206644

(j) A post-secondary readiness measure. This measure shall be 206645  
calculated by dividing the number of students included in the 206646  
four-year adjusted graduation rate cohort who demonstrate 206647  
post-secondary readiness by the total number of students included 206648  
in the denominator of the four-year adjusted graduation rate 206649  
cohort. Demonstration of post-secondary readiness shall include a 206650  
student doing any of the following: 206651

satisfy this condition with any combination of advanced placement 206661  
or international baccalaureate examinations. 206662

(iii) Earning at least twelve college credits through 206663  
advanced standing programs, such as the college credit plus 206664

enrollment or statewide articulation, that appear on a student's 206668

college transcript issued by the institution of higher education 206669  
from which the student earned the college credit. Earned credits 206670  
reported under division (D)(1)(j)(iii) of this section shall 206671

divisions (D)(2)(b) and (c) of this section; 206911

(d) Graduation, which shall include the performance measures 206912  
in divisions (D)(1)(e) and (f) of this section and the reported 206913  
data in divisions (D)(2)(d) and (j) of this section. The four-year 206914  
adjusted cohort graduation rate shall be assigned a weight of 206915  
sixty per cent and the five-year adjusted cohort graduation rate 206916  
shall be assigned a weight of forty per cent; 206917

(e) Early literacy, which shall include the performance 206918  
measures in divisions (D)(1)(g), (h), and (i) of this section and 206919  
the reported data in divisions (D)(2)(e) and (k) of this section. 206920

If the measure prescribed under division (D)(1)(h) of this 206921  
section is included in a report card, performance ratings for the 206922  
early literacy component shall give a weight of forty per cent to 206923  
the measure prescribed under division (D)(1)(g) of this section, a 206924  
weight of thirty-five per cent to the measure prescribed under 206925  
division (D)(1)(i) of this section, and a weight of twenty-five 206926  
per cent to the measure prescribed under division (D)(1)(h) of 206927  
this section. 206928

If the measure prescribed under division (D)(1)(h) of this 206929  
section is not included in a report card of a district or 206930  
building, performance ratings for the early literacy component 206931  
shall give a weight of sixty per cent to the measure prescribed 206932  
under division (D)(1)(g) of this section and a weight of forty per 206933  
cent to the measure prescribed under division (D)(1)(i) of this 206934  
section. 206935

(f) College, career, workforce, and military readiness, which 206936  
shall include the performance measure in division (D)(1)(j) of 206937  
this section and the reported data in division (D)(2)(f) of this 206938  
section. 206939

For the 2021-2022, 2022-2023, and 2023-2024 school years, the 206940

department only shall report the data for, and not assign a performance rating to, the college, career, workforce, and military readiness component. The reported data shall include the percentage of students who demonstrate post-secondary readiness using any of the options described in division (D)(1)(j) of this section.

The department shall analyze the data included in the performance measure prescribed in division (D)(1)(j) of this section for the 2021-2022, 2022-2023, and 2023-2024 school years. Using that data, the department shall develop and propose rules for a method to assign a performance rating to the college, career, workforce, and military readiness component based on that measure. The method to assign a performance rating shall not include a tiered structure or per student bonuses. The rules shall specify that a district or building shall not receive lower than a performance rating of three stars for the component if the district's or building's performance on the component meets or exceeds a level of improvement set by the department. Notwithstanding division (D)(4)(b) of this section, more than half of the total districts and buildings may earn a performance rating of three stars on this component to account for the districts and buildings that earned a performance rating of three stars because they met or exceeded the level of improvement set by the department.

The department shall submit the rules to the joint committee on agency rule review. The committee shall conduct at least one public hearing on the proposed rules and approve or disapprove the rules. If the committee approves the rules, the ~~state board~~ department shall adopt the rules in accordance with Chapter 119. of the Revised Code. If the rules are adopted, the department shall assign a performance rating to the college, career, workforce, and military readiness component under the rules

beginning with the 2024-2025 school year, and for each school year 206973  
thereafter. If the committee disapproves the rules, the component 206974  
shall be included in the report card only as reported data for the 206975  
2024-2025 school year, and each school year thereafter. 206976

(g)(i) Except as provided for in division (D)(3)(g)(ii) of 206977  
this section, beginning with the 2022-2023 school year, under the 206978  
~~state board's~~ method prescribed under rules adopted in division 206979  
(D)(4) of this section, the department shall use the performance 206980  
ratings assigned for the components prescribed in divisions 206981  
(D)(3)(a) to (e) of this section to determine and assign an 206982  
overall performance rating of "one star," "one and one-half 206983  
stars," "two stars," "two and one-half stars," "three stars," 206984  
"three and one-half stars," "four stars," "four and one-half 206985  
stars," or "five stars" for a district or building. The method 206986  
shall give equal weight to the components in divisions (D)(3)(b) 206987  
and (c) of this section. The method shall give equal weight to the 206988  
components in divisions (D)(3)(a), (d), and (e) of this section. 206989  
The individual weights of each of the components prescribed in 206990  
divisions (D)(3)(a), (d), and (e) of this section shall be equal 206991  
to one-half of the weight given to the component prescribed in 206992  
division (D)(3)(b) of this section. 206993

(ii) If the joint committee on agency rule review approves 206994  
the department's rules regarding the college, career, workforce, 206995  
and military readiness component as described in division 206996  
(D)(3)(f) of this section, for the 2024-2025 school year, and each 206997  
school year thereafter, the ~~state board's~~ department's method 206998  
shall use the components in divisions (D)(3)(a), (b), (c), (d), 206999  
(e), and (f) of this section to calculate the overall performance 207000  
rating. The method shall give equal weight to the components in 207001  
divisions (D)(3)(b) and (c) of this section. The method shall give 207002  
equal weight to the components prescribed in divisions (D)(3)(a), 207003  
(d), (e), and (f) of this section. The individual weights of each 207004

of the components prescribed in divisions (D)(3)(a), (d), (e), and 207005  
(f) of this section shall be equal to one-half the weight given to 207006  
the component prescribed in division (D)(3)(b) of this section. 207007

If the joint committee on agency rule review disapproves the 207008  
department's rules regarding the college, career, workforce, and 207009  
military readiness component as described in division (D)(3)(f) of 207010  
this section, division (D)(3)(g)(ii) of this section does not 207011  
apply. 207012

(4)(a) The ~~state board~~ department shall adopt rules in 207013  
accordance with Chapter 119. of the Revised Code to establish the 207014  
performance criteria, benchmarks, and rating system necessary to 207015  
implement divisions (D) and (F) of this section, including the 207016  
method for the department to assign performance ratings under 207017  
division (D)(3) of this section. 207018

(b) In establishing the performance criteria, benchmarks, and 207019  
rating system, the ~~state board~~ department shall consult with 207020  
stakeholder groups and advocates that represent parents, community 207021  
members, students, business leaders, and educators from different 207022  
school typology regions. The ~~state board~~ department shall use data 207023  
from prior school years and simulations to ensure that there is 207024  
meaningful differentiation among districts and buildings across 207025  
all performance ratings and that, except as permitted in division 207026  
(D)(3)(f) of this section, more than half of all districts or 207027  
buildings do not earn the same performance rating in any component 207028  
or overall performance rating. 207029

(c) The ~~state board~~ department shall adopt the rules 207030  
prescribed by division (D)(4) of this section not later than March 207031  
31, 2022. However, the department shall notify districts and 207032  
buildings of the changes to the report card prescribed in law not 207033  
later than one week after the effective date of this amendment 207034  
September 30, 2021. 207035

(d) Prior to adopting or updating rules under division (D)(4) 207036  
of this section, the ~~president~~ director of the ~~state board~~ 207037  
education and workforce and the department shall conduct a public 207038  
presentation before the standing committees of the house of 207039  
representatives and the senate that consider primary and secondary 207040  
education legislation describing the format for the report card 207041  
and the performance criteria, benchmarks, and rating system, 207042  
including the method to assign performance ratings under division 207043  
(D)(3) of this section. 207044

(E) ~~On or after July 1, 2015, the state board~~ The department 207045  
may develop a measure of student academic progress for high school 207046  
students using only data from assessments in English language arts 207047  
and mathematics. If the ~~state board~~ department develops this 207048  
measure, each school district and applicable school building shall 207049  
be assigned a separate letter grade for it not sooner than the 207050  
2017-2018 school year. The district's or building's grade for that 207051  
measure shall not be included in determining the district's or 207052

(F)(1) The letter grades assigned to a school district or 207054  
building under this section shall be as follows: 207055

(c) "Meets state standards" for a performance rating of three stars or three and one-half stars; 207071  
207072

(d) "Needs support to meet state standards" for a performance rating of two stars or two and one-half stars; 207073

which may include further innovations or measures to increase the 208118  
likelihood that the innovations will result in higher academic 208119  
achievement. The district board may revise the innovation plan 208120  
prior to making formal application for designation as a school 208121  
district of innovation. 208122

modified, renewed, or extended a collective bargaining agreement 208401  
on or after October 15, 2015, that contains provisions 208402  
relinquishing one or more of the rights or responsibilities listed 208403  
in division (C) of section 4117.08 of the Revised Code, those 208404  
provisions are not enforceable and the chief executive officer and 208405  
the district board shall resume holding those rights or 208406  
responsibilities as if the district board had not relinquished 208407  
them in that agreement until such time as both the academic 208408  
distress commission ceases to exist and the district board agrees 208409  
to relinquish those rights or responsibilities in a new collective 208410  
bargaining agreement. For purposes of this section, "collective 208411  
bargaining agreement" shall include any labor contract or 208412

that agreement regardless of whether the district satisfied the 208427  
conditions prescribed in division (A) of this section at the time 208428  
the district entered into that agreement. If the district board 208429  
relinquished one or more of the rights or responsibilities listed 208430  
in division (C) of section 4117.08 of the Revised Code in a 208431

2015, and had resumed holding those rights or responsibilities 208433  
pursuant to division (K) of former section 3302.10 of the Revised 208434  
Code, as it existed prior to that date, the district board shall 208435  
continue to hold those rights or responsibilities until such time 208436  
as both the new academic distress commission appointed under this 208437  
section ceases to exist upon completion of the transition period 208438  
specified in division (N)(1) of this section and the district 208439  
board agrees to relinquish those rights or responsibilities in a 208440  
new collective bargaining agreement. 208441

to support innovative education programs and shall deposit any 208460  
moneys appropriated by the general assembly for the purposes of 208461

2015, provided that the chief executive officer shall not reduce 208484  
any salary or base hourly rate of pay unless such salary or base 208485  
hourly rate reductions are part of a uniform plan affecting all 208486  
district employees and shall not reduce any insurance benefits 208487  
unless such insurance benefit reductions are also applicable 208488  
generally to other employees of the district. 208489

(5) The chief executive officer shall represent the district 208490  
board during any negotiations to modify, renew, or extend a 208491  
collective bargaining agreement entered into by the board under 208492

establish a system under which any parent, or any student who is 210832

149.43 of the Revised Code. 210889

**Sec. 3310.13.** (A) No chartered nonpublic school shall charge 210890

that is subject to this section shall report to the department of 210920  
education and workforce the results of each assessment 210921  
administered to each scholarship student under this section. 210922

Nothing in this section requires a chartered nonpublic school 210923  
to administer any achievement assessment, except for an Ohio 210924

| (1) The application period shall open on the first day of                | 210985 |
| February prior to the first day of July of the school year for           | 210986 |

which a scholarship is sought. Not later than forty-five days 210987  
after an applicant submits to the department of education and 210988  
workforce a completed application, the department ~~of education~~ 210989  
shall determine whether that applicant is eligible for a 210990  
scholarship and notify the applicant whether or not the applicant 210991  
is eligible. The department ~~of education~~ shall award a scholarship 210992  
to each student with an approved application. However, for any 210993  
application submitted after the beginning of the school year, the 210994  
department ~~of education~~ shall prorate the amount of the awarded 210995  
scholarship based on how much of the school year remains. 210996

(2) In each school year, the department ~~of education~~ shall 210997  
accept applications for conditional approval of a scholarship 210998  
sought for that year or the next school year. Not later than five 210999  
days after receiving an application under this division, the 211000  
department ~~of education~~ shall grant conditional approval to an 211001  
applicant who is eligible for a scholarship and notify the 211002  
applicant whether or not conditional approval is granted. 211003

(C) The departments of education and workforce, job and 211008  
family services, and taxation shall enter into a data sharing 211009  
agreement so that, in administering this section, the department 211010  
of education and workforce shall be able to determine, based on 211011  
the address provided in a student's application, whether that 211012  
student is eligible for an educational choice scholarship under 211013  
section 3310.03 of the Revised Code and whether the student meets 211014  
the residency requirements for an educational choice scholarship 211015  
under section 3310.032 of the Revised Code. 211016

(D) No city, local, or exempted village school district shall 211017  
have access to an application submitted under this section. 211018

**Sec. 3310.17.** (A) The ~~state board~~ department of education and workforce shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing procedures for the administration of the educational choice scholarship pilot program.

**Sec. 3310.41.** (A) As used in this section:

(a) A school district that is not the school district in which the child is entitled to attend school;

(b) A public entity other than a school district.

(2) "Entitled to attend school" means entitled to attend school in a school district under section 3313.64 or 3313.65 of the Revised Code.

(3) "Formula ADM" has the same meaning as in section 3317.02 of the Revised Code.

(4) "Preschool child with a disability" and "individualized education program" have the same meanings as in section 3323.01 of the Revised Code.

(5) "Parent" has the same meaning as in section 3313.64 of

the Revised Code, except that "parent" does not mean a parent 211048  
whose custodial rights have been terminated. "Parent" also 211049  
includes the custodian of a qualified special education child, 211050  
when a court has granted temporary, legal, or permanent custody of 211051  
the child to an individual other than either of the natural or 211052  
adoptive parents of the child or to a government agency. 211053

(6) "Qualified special education child" is a child for whom 211054  
all of the following conditions apply: 211055

(a) The school district in which the child is entitled to 211056  
attend school has identified the child as autistic. A child who 211057  
has been identified as having a "pervasive developmental disorder 211058  
- not otherwise specified (PPD-NOS)" shall be considered to be an 211059  
autistic child for purposes of this section. 211060

(b) The school district in which the child is entitled to 211061  
attend school has developed an individualized education program 211062  
under Chapter 3323. of the Revised Code for the child. 211063

(c) The child either: 211064

(i) Was enrolled in the school district in which the child is 211065  
entitled to attend school in any grade from preschool through 211066  
twelve in the school year prior to the year in which a scholarship 211067  
under this section is first sought for the child; or 211068

(ii) Is eligible to enter school in any grade preschool 211069  
through twelve in the school district in which the child is 211070  
entitled to attend school in the school year in which a 211071  
scholarship under this section is first sought for the child. 211072

(7) "Registered private provider" means a nonpublic school or 211073  
other nonpublic entity that has been approved by the department of 211074  
education and workforce to participate in the program established 211075  
under this section. 211076

(8) "Special education program" means a school or facility 211077

that provides special education and related services to children 211078

(B) There is hereby established the autism scholarship 211080  
program. Under the program, the department ~~of education~~ shall pay 211081  
a scholarship under section 3317.022 of the Revised Code to the 211082  
parent of each qualified special education child upon application 211083  
of that parent pursuant to procedures and deadlines established by 211084  
rule of the ~~state board of education~~ department. Each scholarship 211085  
shall be used only to pay tuition for the child on whose behalf 211086  
the scholarship is awarded to attend a special education program 211087  
that implements the child's individualized education program and 211088  
that is operated by an alternative public provider or by a 211089  
registered private provider, and to pay for other services agreed 211090  
to by the provider and the parent of a qualified special education 211091  
child that are not included in the individualized education 211092  
program but are associated with educating the child. Upon 211093  
agreement with the parent of a qualified special education child, 211094  
the alternative public provider or the registered private provider 211095  
may modify the services provided to the child. The purpose of the 211096  
scholarship is to permit the parent of a qualified special 211097  
education child the choice to send the child to a special 211098  
education program, instead of the one operated by or for the 211099  
school district in which the child is entitled to attend school, 211100  
to receive the services prescribed in the child's individualized 211101  
education program once the individualized education program is 211102  
finalized and any other services agreed to by the provider and the 211103  
parent of a qualified special education child. The services 211104  
provided under the scholarship shall include an educational 211105  
component or services designed to assist the child to benefit from 211106  
the child's education. 211107

A scholarship under this section shall not be awarded to the 211108  
parent of a child while the child's individualized education 211109

program is being developed by the school district in which the 211110  
child is entitled to attend school, or while any administrative or 211111  
judicial mediation or proceedings with respect to the content of 211112  
the child's individualized education program are pending. A 211113  
scholarship under this section shall not be used for a child to 211114  
attend a public special education program that operates under a 211115  
contract, compact, or other bilateral agreement between the school 211116  
district in which the child is entitled to attend school and 211117  
another school district or other public provider, or for a child 211118  
to attend a community school established under Chapter 3314. of 211119  
the Revised Code. However, nothing in this section or in any rule 211120  
adopted by the ~~state board~~ department shall prohibit a parent 211121  
whose child attends a public special education program under a 211122  
contract, compact, or other bilateral agreement, or a parent whose 211123  
child attends a community school, from applying for and accepting 211124  
a scholarship under this section so that the parent may withdraw 211125  
the child from that program or community school and use the 211126  
scholarship for the child to attend a special education program 211127  
for which the parent is required to pay for services for the 211128  
child. 211129

Except for development of the child's individualized 211130  
education program, the school district in which a qualified 211131  
special education child is entitled to attend school and the 211132  
child's school district of residence, as defined in section 211133  
3323.01 of the Revised Code, if different, are not obligated to 211134  
provide the child with a free appropriate public education under 211135  
Chapter 3323. of the Revised Code for as long as the child 211136  
continues to attend the special education program operated by 211137  
either an alternative public provider or a registered private 211138  
provider for which a scholarship is awarded under the autism 211139  
scholarship program. If at any time, the eligible applicant for 211140  
the child decides no longer to accept scholarship payments and 211141  
enrolls the child in the special education program of the school 211142

district in which the child is entitled to attend school, that 211143  
district shall provide the child with a free appropriate public 211144  
education under Chapter 3323. of the Revised Code. 211145

A child attending a special education program with a 211146  
scholarship under this section shall continue to be entitled to 211147  
transportation to and from that program in the manner prescribed 211148  
by law. 211149

(C) As prescribed in division (A)(2)(h) of section 3317.03 of 211150  
the Revised Code, a child who is not a preschool child with a 211151  
disability for whom a scholarship is awarded under this section 211152  
shall be counted in the formula ADM of the district in which the 211153  
child is entitled to attend school and not in the formula ADM of 211154  
any other school district. 211155

(D) A scholarship shall not be paid under section 3317.022 of 211156  
the Revised Code to a parent for payment of tuition owed to a 211157  
nonpublic entity unless that entity is a registered private 211158  
provider. The department shall approve entities that meet the 211159  
standards established by rule of the ~~state board~~ department for 211160  
the program established under this section. 211161

(E) The ~~state board~~ department shall adopt rules under 211162  
Chapter 119. of the Revised Code prescribing procedures necessary 211163  
to implement this section, including, but not limited to, 211164  
procedures and deadlines for parents to apply for scholarships, 211165  
standards for registered private providers, and procedures for 211166  
approval of entities as registered private providers. 211167

The rules also shall specify that intervention services under 211168  
the autism scholarship program may be provided by a qualified, 211169  
credentialed provider, including, but not limited to, all of the 211170  
following: 211171

(1) A behavior analyst certified by a nationally recognized 211172  
organization that certifies behavior analysts; 211173

district, it shall advertise a copy of such resolution in a 212106  
newspaper of general circulation in the school district proposing 212107

of joining of the school district to the joint vocational school 212114  
district if such an election is held under division (B) of this 212115

The effect of the resolution shall be stayed until the board 212140  
of elections certifies the validity and sufficiency of the 212141  
signatures on the petition. If the board of elections determines 212142  
that the petition does not contain a sufficient number of valid 212143  
signatures and sixty days have passed since the adoption of the 212144  
resolution, the resolution shall become effective. 212145

If the board of elections certifies that the petition 212146  
contains a sufficient number of valid signatures, the board shall 212147  
submit the question to the qualified electors of the school 212148  
district on the day of the next general or primary election held 212149

months after the board of elections certifies the validity and 212154  
sufficiency of signatures on the petition, the board shall submit 212155  
the question to the electors at a special election to be held on 212156  
the next day specified for special elections in division (D) of 212157  
section 3501.01 of the Revised Code that occurs at least ninety 212158  
days after the board certifies the validity and sufficiency of 212159  
signatures on the petition. The election shall be conducted and 212160  
canvassed and the results shall be certified in the same manner as 212161

in regular elections for the election of members of a board of education. 212162  
212163

If a majority of the electors voting on the question 212164  
disapprove the resolution, the resolution shall not become 212165  
effective. 212166

(C) If the resolution becomes effective, the board of 212167  
education of the joint vocational school district shall notify the 212168  
county auditor of the county in which the school district becoming 212169  
a part of the joint vocational school district is located, who 212170

bond retirement, or current expenses in force in the joint 212172  
vocational school district spread over the territory of the school 212173

governing board of such additional school district or educational 212182  
service center, and the term of each such additional member. On 212183  
the addition of a local school district to the joint vocational 212184  
school district, pursuant to this section, the board of education 212185  
of such joint vocational school district may submit to the ~~state~~ 212186  
~~board of education~~ department a proposal to enlarge the membership 212187  
of such board by the addition of one or more persons who are 212188  
members of the educational service center governing board of such 212189

department of education and workforce, the boards of education of 212194  
any two or more joint vocational school districts may, by the 212195  
adoption of identical resolutions by a majority of the members of 212196  
each such board, propose that one new joint vocational school 212197

each of the districts and dissolving such districts. A copy of 212199  
each resolution shall be filed with the ~~state board of education~~ 212200  
department for its approval or disapproval. The resolutions shall 212201  
include a provision that the board of education of the new 212202

education that composed the membership of the board of each of the 212204  
districts to be dissolved, except that, if an even number of 212205  
districts are to be dissolved, one additional member shall be 212206  
added, who may be from any school district included in the 212207  
territory of any of the districts to be dissolved as designated in 212208  
the resolutions. The members of the new board shall have the same 212209  
terms of office as they had under the respective plans of the 212210  
districts adopting the resolutions, except that, if the new board 212211  
has an additional member, the additional member shall have a term 212212

financial, and management progress and establish accountability 212743  
standards with which to measure the district's progress. 212744

(B)(1) The chief executive officer of a municipal school 212745  
district shall develop, implement, and regularly update a plan to 212746  
measure student academic performance at each school within the 212747  
district. The plan developed by the chief executive officer shall 212748

students who attend the district's schools to attend, prior to the 212750  
fifteenth day of December each year, at least one parent-teacher 212751

conference or similar event held by the school the student attends 212752  
to provide an opportunity for the parents and guardians to meet 212753  
the student's teachers, discuss expectations for the student, 212754  
discuss the student's performance, and foster communication 212755  
between home and school. 212756

particular schools are not achieving, or are not improving their 212758  
achievement levels at an acceptable rate, the plan shall contain 212759  
provisions requiring the chief executive officer, with the 212760  
concurrence of the board, to take corrective action within those 212761  
schools, including, but not limited to, reallocation of academic 212762  
and financial resources, reassignment of staff, redesign of 212763  
academic programs, adjusting the length of the school year or 212764

as a cost savings measure; rather, it is intended to improve 212772  
student performance at targeted schools. 212773

executive officer and the presiding officer of each labor 212775

The chief executive officer and any corrective action team are not bound by the applicable provisions of collective bargaining agreements in developing recommendations for and implementing the corrective plan.

(4) Notwithstanding anything to the contrary in Chapter 4117. of the Revised Code, the content and implementation of the corrective plan prevail over any conflicting provision of a collective bargaining agreement entered into on or after ~~the effective date of this amendment~~ October 1, 2012.

**Sec. 3313.487.** (A) Upon receipt of a copy of a request for a 213743  
determination under section 3313.483 of the Revised Code or upon 213744  
the issuance of written notification under division (B) of section 213745  
3313.489 of the Revised Code, the ~~superintendent of public~~ 213746  
~~instruction~~ department of education and workforce shall analyze 213747  
the district's financial condition and ascertain what elements of 213748  
the district's educational program exceed or fail to meet the 213749  
minimum standards of the ~~state board~~ director of education and 213750  
workforce and requirements set forth in the Revised Code, and 213751  
what, if any, additional revenues or revenue sources may be 213752  
available to the district that are not included in its official 213753  
certificate or amended certificate of estimated resources. The 213754  
~~superintendent~~ director shall make a written report of the 213755  
~~superintendent's~~ director's findings to the school district's 213756  
board of education, and the auditor of state, ~~and the state board~~ 213757  
~~of education~~. The report shall include any recommendations, 213758  
including reductions in programs which exceed minimum standards of 213759  
the ~~state board of education~~ director or requirements set forth in 213760  
the Revised Code, that, if followed, would enable the district to 213761  
reduce its expenses while operating an educational program that is 213762  
responsive to the educational needs of the school district in 213763  
accordance with its adopted school calendar. The ~~superintendent~~ 213764  
director may determine that a responsive educational program 213765  
requires the inclusion of elements exceeding the minimum standards 213766  
of the ~~state board of education~~ director or requirements of the 213767  
Revised Code. If, upon completion of the analysis and findings as 213768  
provided in this division, the ~~superintendent~~ director determines 213769  
that the district will be financially unable to operate its 213770  
educational program in accordance with its adopted school calendar 213771

and pay all obligated expenses, the ~~superintendent~~ director shall 213772  
notify the auditor of state in writing. Upon receipt of such 213773  
notification, the auditor of state shall issue findings pursuant 213774  
to section 3313.483 of the Revised Code. 213775

(B) Upon the receipt of the ~~superintendent of public~~ 213776  
~~instruction's~~ director of education and workforce's report under 213777  
division (A) of this section or a certification from the auditor 213778  
of state under section 3313.483 of the Revised Code, the ~~state~~ 213779  
~~board of education~~ director may, at any time during the next 213780  
ninety days, issue an order making the school district subject to 213781  
section 3313.488 of the Revised Code if it finds the school 213782  
district is not able to operate an educational program from 213783  
existing revenue sources during the current and the ensuing school 213784  
year. Such order shall take immediate effect, and such section 213785  
shall apply to the school district. ~~Prior to the issuance of any~~ 213786  
~~order under this division, the state board of education may~~ 213787  
~~request from the superintendent of public instruction a~~ 213788  
~~recommendation regarding the matter of the issuance of an order~~ 213789  
~~making a school district subject to section 3313.488 of the~~ 213790  
~~Revised Code.~~ A board of education may appeal the order on 213791  
questions of fact to the court of common pleas of Franklin county. 213792

(C) Notwithstanding division (B) of this section, the ~~state~~ 213793  
~~board of education~~ director shall issue an order making a school 213794  
district subject to section 3313.488 of the Revised Code if the 213795  
district fails to enter into a loan agreement with a commercial 213796  
lending institution within forty-five days of the deficit 213797  
certification pursuant to section 3313.483 of the Revised Code. If 213798  
the ~~state board~~ director issues an order under this division, the 213799  
~~superintendent of public instruction~~ director shall apply for a 213800  
loan from a commercial lending institution pursuant to section 213801  
3313.483 of the Revised Code on behalf of the district. The 213802  
~~superintendent~~ director shall have full authority to act on behalf 213803

of the board of education of a school district with respect to the 213804  
making of loan agreements, and any loan agreement made by the 213805  
~~superintendent~~ director shall be fully binding on the school 213806  
district. 213807

(D) This section does not apply to a school district declared 213808  
to be under a fiscal emergency pursuant to division (B) of section 213809  
3316.03 of the Revised Code. 213810

**Sec. 3313.488.** (A) Within fifteen days after the date the 213811  
~~state board~~ director of education and workforce issues an order 213812

district subject to this section, the district's board of 213814  
education shall prepare a fiscal statement of expenses and 213815  
expenditures for the remainder of the current fiscal year. The 213816  
fiscal statement shall be submitted to the ~~superintendent of~~ 213817  
~~public instruction~~ department of education and workforce and shall 213818  
set forth all revenues to be received by the district during the 213819  
remainder of the fiscal year and their sources, the expenses to be 213820  
incurred by the district during the remainder of the fiscal year, 213821  
the outstanding and unpaid expenses at the time the fiscal 213822  
statement is prepared and the date or dates by which such expenses 213823  
must be paid, and such other information as the ~~superintendent~~ 213824  
director requires to enable the ~~superintendent~~ department of 213825  
education and workforce to ensure that during the remainder of the 213826  
fiscal year, the district will not incur any expenses that will 213827  
further impair its ability to operate an instructional program 213828  
that meets or exceeds the minimum standards of the ~~state board of~~ 213829  
~~education~~ director and requirements of the Revised Code during the 213830  
current and ensuing fiscal years with the revenue available to it 213831  
from existing revenue sources. The fiscal statement shall be 213832  
presented in such detail and form as the ~~superintendent~~ department 213833  
prescribes. Beginning the tenth day after the fiscal statement is 213834  
submitted and for the remainder of the fiscal year, the board 213835

shall not make any expenditure of money, make any employment, 213836  
purchase, or rental contract, give any order involving the 213837  
expenditure of money, or increase any wage or salary schedule 213838  
unless the ~~superintendent of public instruction~~ director has 213839  
approved the fiscal statement in writing and the expenditure, 213840  
contract, order, or schedule has been approved in writing by the 213841  
~~superintendent~~ director as being in conformity with the fiscal 213842  
statement. 213843

Any contract or expenditure made, order given, or schedule 213844  
adopted or put into effect without the written approval of the 213845  
~~superintendent of public instruction~~ director is void, and no 213846  
warrant shall be issued in payment of any amount due thereon. 213847

(B) A board of education subject to division (A) of this 213848  
section shall prepare a fiscal statement of expenses and 213849  
expenditures for the ensuing fiscal year. The fiscal statement 213850  
shall be submitted to the ~~superintendent of public instruction~~ 213851  
director and shall set forth all revenues to be received by the 213852  
district during such year and their source, the expenses to be 213853  
incurred by the district during such year, the outstanding and 213854  
unpaid expenses on the first day of such fiscal year, the date or 213855  
dates by which such expenses must be paid, and such other 213856  
information as the ~~superintendent~~ department requires to enable 213857  
the ~~superintendent~~ department to ensure that during such year, the 213858  
district will not incur any expenses that will further impair its 213859  
ability to operate an instructional program that meets or exceeds 213860  
the minimum standards of the ~~state board of education~~ director and 213861  
requirements of the Revised Code during such year with the revenue 213862  
available to it from existing revenue sources. The fiscal 213863  
statement shall be presented at the time and in such detail and 213864  
form as the ~~superintendent~~ department prescribes. During the 213865  
fiscal year following the year in which a board of education first 213866  
becomes subject to division (A) of this section it shall not make 213867

any expenditure of money, make any employment, purchase, or rental 213868  
contract, give any order involving the expenditure of money, or 213869  
increase any wage or salary schedule unless the ~~superintendent of~~ 213870  
~~public instruction~~ director has approved the fiscal statement 213871  
submitted under this division in writing and has approved the 213872  
expenditure, contract, order, or schedule in writing as being in 213873  
conformity with the fiscal statement. 213874

Any contract or expenditure made, order given, or schedule 213875  
adopted or put into effect without the written approval of the 213876  
~~superintendent of public instruction~~ director is void, and no 213877  
warrant shall be issued in payment of any amount due thereon. 213878

(C) The ~~state board of education~~ department shall examine any 213879  
fiscal statement presented to and approved by ~~the superintendent~~ 213880  
~~of public instruction~~ it under division (B) of this section and 213881  
shall determine whether the data set forth in the fiscal statement 213882  
are factual and based upon assumptions that in its judgment are 213883  
reasonable expectations consistent with acceptable governmental 213884  
budget and accounting practices. If the ~~state board~~ department so 213885  
determines and finds that the revenues and expenditures in the 213886  
fiscal statement are in balance for the fiscal year and the fiscal 213887  
statement will enable the district to operate during such year 213888  
without interrupting its school calendar, it shall certify its 213889  
determination and finding to the district at least thirty days 213890  
prior to the beginning of the fiscal year, and the district shall 213891  
thereupon cease to be subject to this section. If the ~~state board~~ 213892  
department does not make such a determination and finding, the 213893  
board of education and school district are subject to this 213894  
division and division (B) of this section in the ensuing fiscal 213895  
year and each fiscal year thereafter until the ~~state board~~ 213896  
department makes a determination, finding, and certification under 213897  
this division. 213898

(D) Any officer, employee, or other person who knowingly 213899

expends or authorizes the expenditure of any public funds or 213900  
knowingly authorizes or executes any contract, order, or schedule 213901  
contrary to division (A) or (B) of this section or who knowingly 213902  
expends or authorizes the expenditure of any public funds on any 213903  
such void contract, order, or schedule is jointly and severally 213904  
liable in person and upon any official bond that the officer, 213905  
employee, or other person has given to such school district to the 213906  
extent of any payments on the void claim, not to exceed twenty 213907  
thousand dollars. The attorney general at the written request of 213908  
the ~~superintendent of public instruction~~ department shall enforce 213909  
this liability by civil action brought in any court of appropriate 213910  
jurisdiction in the name of and on behalf of the school district. 213911

(E) This section does not apply to a school district declared 213912  
to be under a fiscal emergency pursuant to division (B) of section 213913  
3316.03 of the Revised Code. 213914

**Sec. 3313.489.** (A) The ~~superintendent of public instruction~~ 213915  
director of education and workforce shall examine each five-year 213916  
projection of revenues and expenditures submitted under section 213917  
5705.391 of the Revised Code and shall determine whether the 213918  
information contained therein, together with any other relevant 213919  
information, indicates that the district may be financially unable 213920  
to operate its instructional program on all days set forth in its 213921  
adopted school calendars and pay all obligated expenses during the 213922  
current fiscal year. If a board of education has not adopted a 213923  
school calendar for the school year beginning on the first day of 213924  
July of the current fiscal year at the time an examination is 213925  
required under this division, the ~~superintendent~~ director shall 213926  
examine the five-year projection and determine whether the 213927  
district may be financially unable to pay all obligated expenses 213928  
and operate its instructional program for the number of days on 213929  
which instruction was held in the preceding fiscal year. 213930

(B) If the ~~superintendent of public instruction~~ director of education and workforce determines pursuant to division (A) of this section that a school district may be financially unable to operate its instructional program on all days required by such division and pay all obligated expenses during the current fiscal year, the ~~superintendent~~ director shall provide written notification of such determination to the president of the district's board of education and the auditor of state.

**Sec. 3313.4810.** Any school district receiving a loan under section 3313.483 of the Revised Code in excess of seven per cent of the general fund expenditures of the district during the fiscal year in which the loan is received and that has received a loan under that section within the last five years is subject to section 3313.488 of the Revised Code for the duration of the fiscal year in which the district receives the loan and during the ensuing two fiscal years. The controlling board may not relieve a school district to which this section applies from any requirements imposed under section 3313.483 of the Revised Code to implement recommendations of the ~~superintendent of public instruction~~ director of education and workforce for expenditure reduction and may not modify any other requirements imposed under such section upon such a district as a condition for receiving the loan unless expressly authorized to do so by law. The ~~superintendent of public instruction~~ director shall, among any recommendations the ~~superintendent~~ director makes for expenditure reduction under section 3313.483 of the Revised Code affecting the number of employees of a school district to which this section applies, provide wherever possible for the retention of teachers who are actually involved in the daily teaching of students in the

education and workforce sets standards pursuant to section 3301.07 213969  
of the Revised Code. Such programs are limited to courses for 213970

diploma. 213972

(B) The board of education of any school district may 213973  
establish and operate an adult high school continuation program. 213974  
Two or more boards of education may jointly establish and operate 213975  
such a program. The resolution establishing an adult high school 213976  
continuation program may specify the contribution and expenditure 213977

In the case of a jointly operated program, the resolutions 213980  
establishing such program shall also designate one of the 213981  
participating boards to be responsible for receiving and 213982  
disbursing funds, and administering the program for the benefit of 213983  
all participating boards of education. 213984

(C) A board of education that operates an adult high school 213985  
continuation program alone or jointly with another board may, by 213986  
resolution, authorize the district's superintendent to assign to 213987  
such program in accordance with this section, any student who has 213988  
not received a high school diploma, who is at least eighteen years 213989

designee shall meet with the student to determine whether ~~he~~ the 213993

student should be so assigned, and shall prepare a report on ~~his~~ 213994  
the superintendent's or designee's findings and determination. If 213995  
based on ~~his~~ the meeting or ~~his~~ the designee's report the 213996  
superintendent finds that the pupil should be placed in a program 213997  
under this section, the superintendent shall make the assignment. 213998  
Once assigned to the program, the student shall remain in it until 213999  
~~he~~ the student is reassigned by the superintendent or leaves 214000  
school. At least once in each academic term, the superintendent or 214001  
~~his~~ the superintendent's designee shall review the progress of 214002  
each student assigned to the program under this division and the 214003  
superintendent shall, based on the review, make a determination of 214004  
whether the student should remain in the program or be reassigned. 214005  
Tuition shall not be charged for the attendance of any student 214006  
assigned to a program pursuant to this division who is entitled 214007  
under section 3313.64 of the Revised Code to attend the schools of 214008  
the district without payment of tuition. 214009

(D) The ~~state board~~ department of education and workforce 214010  
shall adopt rules and standards governing the operations of adult 214011  
high school continuation programs. Any school district or 214012

**Sec. 3313.532.** (A) Any person twenty-two or more years of age 214019  
and enrolled in an adult high school continuation program 214020  
established pursuant to section 3313.531 of the Revised Code may 214021  
request the board of education operating the program to conduct an 214022  
evaluation in accordance with division (C) of this section. 214023

(B) Any applicant to a board of education for a diploma of 214024

adult education under division (B) of section 3313.611 of the Revised Code may request the board to conduct an evaluation in accordance with division (C) of this section.

(C) Upon the request of any person pursuant to division (A) or (B) of this section, the board of education to which the request is made shall evaluate the person to determine whether the person is disabled, in accordance with rules adopted by the ~~state board~~ department of education and workforce. If the evaluation indicates that the person is disabled, the board shall determine whether to excuse the person from taking any of the assessments required by section 3313.618 of the Revised Code as a requirement for receiving a diploma under section 3313.611 of the Revised Code. | two half units, chosen from among the areas of                   | 214693 |
| business/technology, fine arts, and/or foreign language.         | 214694 |
| (C) Beginning with students who enter ninth grade for the        | 214695 |
| first time on or after July 1, 2010, except as provided in       | 214696 |
| divisions (D) to (F) of this section, the requirements for       | 214697 |
| graduation from every public and chartered nonpublic high school | 214698 |

shall include twenty units that are designed to prepare students 214699  
for the workforce and college. The units shall be distributed as 214700  
follows: 214701

(1) English language arts, four units; 214702

(2) Health, one-half unit, which shall include instruction in 214703  
nutrition and the benefits of nutritious foods and physical 214704  
activity for overall health; 214705

(3) Mathematics, four units, which shall include one unit of 214706  
algebra II or the equivalent of algebra II, or one unit of 214707  
advanced computer science as described in the standards adopted 214708  
pursuant to division (A)(4) of section 3301.079 of the Revised 214709  
Code. However, students who enter ninth grade for the first time 214710  
on or after July 1, 2015, and who are pursuing a career-technical 214711  
instructional track shall not be required to take algebra II or 214712  
advanced computer science, and instead may complete a career-based 214713  
pathway mathematics course approved by the department of education 214714  
and workforce as an alternative. 214715

For students who choose to take advanced computer science in 214716  
lieu of algebra II under division (C)(3) of this section, the 214717  
school shall communicate to those students that some institutions 214718  
of higher education may require algebra II for the purpose of 214719  
college admission. Also, the parent, guardian, or legal custodian 214720  
of each student who chooses to take advanced computer science in 214721  
lieu of algebra II shall sign and submit to the school a document 214722  
containing a statement acknowledging that not taking algebra II 214723  
may have an adverse effect on college admission decisions. 214724

A student may fulfill one unit of mathematics under division 214725  
(C)(3) of this section by completing one-half unit of financial 214726  
literacy instruction to satisfy the requirement prescribed under 214727  
division (C)(9) of this section and one-half unit of a mathematics 214728  
course. The one-half unit course in mathematics shall not be in 214729

algebra II, or its equivalent, or a course for which the ~~state~~ 214730  
~~board~~ department requires an end-of-course examination under 214731  
section 3301.0712 of the Revised Code. 214732

Students who choose to take one unit of advanced computer 214733  
science in lieu of algebra II, as described in division (C)(3) of 214734  
this section, shall not be permitted to complete one-half unit of 214735  
financial literacy instruction to satisfy the mathematics unit 214736  
requirements of that division. Instead, those students shall be 214737  
required to complete the one-half unit of financial literacy 214738  
instruction under division (C)(8) of this section. 214739

(4) Physical education, one-half unit; 214740

(5) Science, three units with inquiry-based laboratory 214741  
experience that engages students in asking valid scientific 214742  
questions and gathering and analyzing information, which shall 214743  
include the following, or their equivalent: 214744

(a) Physical sciences, one unit; 214745

(b) Life sciences, one unit; 214746

(c) Advanced study in one or more of the following sciences, 214747  
one unit: 214748

(i) Chemistry, physics, or other physical science; 214749

(ii) Advanced biology or other life science; 214750

(iii) Astronomy, physical geology, or other earth or space 214751  
science; 214752

(iv) Computer science. 214753

No student shall substitute a computer science course for a 214754  
life sciences or biology course under division (C)(5) of this 214755  
section. 214756

(6) History and government, one unit, which shall comply with 214757  
division (M) of this section and shall include both of the 214758

| (9)(a) Except as provided in division (C)(9)(b) of this            | 214779 |
| section, for students who enter ninth grade for the first time on  | 214780 |
| or after July 1, 2022, financial literacy, one-half unit. Each     | 214781 |
| student shall elect to complete the one-half unit of instruction   | 214782 |
| in financial literacy either in lieu of one-half unit of           | 214783 |
| instruction in mathematics under division (C)(3) of this section   | 214784 |
| or an elective under division (C)(8) of this section.              | 214785 |
| (b) A student attending a nonpublic school accredited through      | 214786 |
| the independent schools association of the central states or any   | 214787 |
| other chartered nonpublic school shall not be required to complete | 214788 |

the one-half unit of financial literacy instruction prescribed in 214789  
division (C)(9)(a) of this section, unless that student is 214790  
attending the school under a state scholarship program as defined 214791  
in section 3301.0711 of the Revised Code. 214792

The study and instruction of financial literacy required 214793  
under division (C)(9) of this section shall align with the 214794  
academic content standards for financial literacy and 214795  
entrepreneurship adopted under division (A)(2) of section 3301.079 214796  
of the Revised Code. In developing the curriculum for the study 214797  
and instruction of financial literacy, schools may use available 214798  
public-private partnerships and resources and materials that exist 214799  
in business, industry, and through the centers for economics 214800  
education at institutions of higher education. 214801

Ohioans must be prepared to apply increased knowledge and 214802  
skills in the workplace and to adapt their knowledge and skills 214803  
quickly to meet the rapidly changing conditions of the 214804  
twenty-first century. National studies indicate that all high 214805  
school graduates need the same academic foundation, regardless of 214806  
the opportunities they pursue after graduation. The goal of Ohio's 214807  
system of elementary and secondary education is to prepare all 214808  
students for and seamlessly connect all students to success in 214809  
life beyond high school graduation, regardless of whether the next 214810  
step is entering the workforce, beginning an apprenticeship, 214811  
engaging in post-secondary training, serving in the military, or 214812  
pursuing a college degree. 214813

The requirements for graduation prescribed in division (C) of 214814  
this section are the standard expectation for all students 214815  
entering ninth grade for the first time at a public or chartered 214816  
nonpublic high school on or after July 1, 2010. A student may 214817  
satisfy this expectation through a variety of methods, including, 214818  
but not limited to, integrated, applied, career-technical, and 214819  
traditional coursework. 214820

Stronger coordination between high schools and institutions 214821  
of higher education is necessary to prepare students for more 214822  
challenging academic endeavors and to lessen the need for academic 214823  
remediation in college, thereby reducing the costs of higher 214824  
education for Ohio's students, families, and the state. The ~~state~~ 214825  
~~board~~ department and the chancellor of higher education shall 214826  
develop policies to ensure that only in rare instances will 214827  
students who complete the requirements for graduation prescribed 214828  
in division (C) of this section require academic remediation after 214829  
high school. 214830

School districts, community schools, and chartered nonpublic 214831  
schools shall integrate technology into learning experiences 214832  
across the curriculum in order to maximize efficiency, enhance 214833  
learning, and prepare students for success in the 214834  
technology-driven twenty-first century. Districts and schools 214835  
shall use distance and web-based course delivery as a method of 214836  
providing or augmenting all instruction required under this 214837  
division, including laboratory experience in science. Districts 214838  
and schools shall utilize technology access and electronic 214839  
learning opportunities provided by the broadcast educational media 214840  
commission, chancellor, the Ohio learning network, education 214841  
technology centers, public television stations, and other public 214842  
and private providers. 214843

(D) Except as provided in division (E) of this section, a 214844  
student who enters ninth grade on or after July 1, 2010, and 214845  
before July 1, 2016, may qualify for graduation from a public or 214846  
chartered nonpublic high school even though the student has not 214847  
completed the requirements for graduation prescribed in division 214848  
(C) of this section if all of the following conditions are 214849  
satisfied: 214850

(1) During the student's third year of attending high school, 214851  
as determined by the school, the student and the student's parent, 214852

guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the requirements for graduation prescribed in division (C) of this section and acknowledging that one consequence of not completing those requirements is ineligibility to enroll in most state universities in Ohio without further coursework.

(2) The student and parent, guardian, or custodian fulfill any procedural requirements the school stipulates to ensure the student's and parent's, guardian's, or custodian's informed consent and to facilitate orderly filing of statements under division (D)(1) of this section. Annually, each district or school shall notify the department of the number of students who choose to qualify for graduation under division (D) of this section and the number of students who complete the student's success plan and graduate from high school.

(3) The student and the student's parent, guardian, or custodian and a representative of the student's high school jointly develop a student success plan for the student in the manner described in division (C)(1) of section 3313.6020 of the Revised Code that specifies the student matriculating to a two-year degree program, acquiring a business and industry-recognized credential, or entering an apprenticeship.

(4) The student's high school provides counseling and support for the student related to the plan developed under division (D)(3) of this section during the remainder of the student's high school experience.

(5)(a) Except as provided in division (D)(5)(b) of this section, the student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section.

(b) Beginning with students who enter ninth grade for the

first time on or after July 1, 2014, a student shall be required 214884  
to complete successfully, at the minimum, the curriculum 214885  
prescribed in division (B) of this section, except as follows: 214886

(i) Mathematics, four units, one unit which shall be one of 214887  
the following: 214888

(I) Probability and statistics; 214889

(II) Computer science; 214890

(III) Applied mathematics or quantitative reasoning; 214891

(IV) Any other course approved by the department using 214892  
standards established by the superintendent not later than October 214893  
1, 2014. 214894

(ii) Elective units, five units; 214895

(iii) Science, three units as prescribed by division (B) of 214896  
this section which shall include inquiry-based laboratory 214897  
experience that engages students in asking valid scientific 214898  
questions and gathering and analyzing information. 214899

(E) Each school district and chartered nonpublic school 214900  
retains the authority to require an even more challenging minimum 214901  
curriculum for high school graduation than specified in division 214902  
(B) or (C) of this section. A school district board of education, 214903  
through the adoption of a resolution, or the governing authority 214904  
of a chartered nonpublic school may stipulate any of the 214905  
following: 214906

(1) A minimum high school curriculum that requires more than 214907  
twenty units of academic credit to graduate; 214908

(2) An exception to the district's or school's minimum high 214909  
school curriculum that is comparable to the exception provided in 214910  
division (D) of this section but with additional requirements, 214911  
which may include a requirement that the student successfully 214912  
complete more than the minimum curriculum prescribed in division 214913

(B) of this section; 214914

(3) That no exception comparable to that provided in division 214915  
(D) of this section is available. 214916

If a school district or chartered nonpublic school requires a 214917  
foreign language as an additional graduation requirement under 214918  
division (E) of this section, a student may apply one unit of 214919  
instruction in computer coding to satisfy one unit of foreign 214920  
language. If a student applies more than one computer coding 214921  
course to satisfy the foreign language requirement, the courses 214922  
shall be sequential and progressively more difficult. 214923

(F) A student enrolled in a dropout prevention and recovery 214924  
program, which program has received a waiver from the department, 214925  
may qualify for graduation from high school by successfully 214926  
completing a competency-based instructional program administered 214927  
by the dropout prevention and recovery program in lieu of 214928  
completing the requirements for graduation prescribed in division 214929  
(C) of this section. The department shall grant a waiver to a 214930  
dropout prevention and recovery program, within sixty days after 214931  
the program applies for the waiver, if the program meets all of 214932  
the following conditions: 214933

(1) The program serves only students not younger than sixteen 214934  
years of age and not older than twenty-one years of age. 214935

(2) The program enrolls students who, at the time of their 214936  
initial enrollment, either, or both, are at least one grade level 214937  
behind their cohort age groups or experience crises that 214938  
significantly interfere with their academic progress such that 214939  
they are prevented from continuing their traditional programs. 214940

(3) The program requires students to attain at least the 214941  
applicable score designated for each of the assessments prescribed 214942  
under division (B)(1) of section 3301.0710 of the Revised Code or, 214943  
to the extent prescribed by rule of the ~~state board~~ department 214944

under division (D)(5) of section 3301.0712 of the Revised Code, 214945  
division (B)(2) of that section. 214946

(4) The program develops a student success plan for the 214947  
student in the manner described in division (C)(1) of section 214948  
3313.6020 of the Revised Code that specifies the student's 214949  
matriculating to a two-year degree program, acquiring a business 214950  
and industry-recognized credential, or entering an apprenticeship. 214951

(5) The program provides counseling and support for the 214952  
student related to the plan developed under division (F)(4) of 214953  
this section during the remainder of the student's high school 214954  
experience. 214955

(6) The program requires the student and the student's 214956  
parent, guardian, or custodian to sign and file, in accordance 214957  
with procedural requirements stipulated by the program, a written 214958  
statement asserting the parent's, guardian's, or custodian's 214959  
consent to the student's graduating without completing the 214960  
requirements for graduation prescribed in division (C) of this 214961  
section and acknowledging that one consequence of not completing 214962  
those requirements is ineligibility to enroll in most state 214963  
universities in Ohio without further coursework. 214964

(7) Prior to receiving the waiver, the program has submitted 214965  
to the department an instructional plan that demonstrates how the 214966  
academic content standards adopted by the ~~state board~~ department 214967  
under section 3301.079 of the Revised Code will be taught and 214968  
assessed. 214969

(8) Prior to receiving the waiver, the program has submitted 214970  
to the department a policy on career advising that satisfies the 214971  
requirements of section 3313.6020 of the Revised Code, with an 214972  
emphasis on how every student will receive career advising. 214973

(9) Prior to receiving the waiver, the program has submitted 214974  
to the department a written agreement outlining the future 214975

cooperation between the program and any combination of local job 214976  
training, postsecondary education, nonprofit, and health and 214977  
social service organizations to provide services for students in 214978  
the program and their families. 214979

Divisions (F)(8) and (9) of this section apply only to 214980  
waivers granted on or after July 1, 2015. 214981

If the department does not act either to grant the waiver or 214982  
to reject the program application for the waiver within sixty days 214983  
as required under this section, the waiver shall be considered to 214984  
be granted. 214985

(G) Every high school may permit students below the ninth 214986  
grade to take advanced work. If a high school so permits, it shall 214987  
award high school credit for successful completion of the advanced 214988  
work and shall count such advanced work toward the graduation 214989  
requirements of division (B) or (C) of this section if the 214990  
advanced work was both: 214991

(1) Taught by a person who possesses a license or certificate 214992  
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 214993  
Code that is valid for teaching high school; 214994

(2) Designated by the board of education of the city, local, 214995  
or exempted village school district, the board of the cooperative 214996  
education school district, or the governing authority of the 214997  
chartered nonpublic school as meeting the high school curriculum 214998  
requirements. 214999

Each high school shall record on the student's high school 215000  
transcript all high school credit awarded under division (G) of 215001  
this section. In addition, if the student completed a seventh- or 215002  
eighth-grade fine arts course described in division (K) of this 215003  
section and the course qualified for high school credit under that 215004  
division, the high school shall record that course on the 215005  
student's high school transcript. 215006

(H) The department shall make its individual academic career plan available through its Ohio career information system web site for districts and schools to use as a tool for communicating with and providing guidance to students and families in selecting high school courses.

(I) A school district or chartered nonpublic school may integrate academic content in a subject area for which the ~~state board~~ department has adopted standards under section 3301.079 of the Revised Code into a course in a different subject area, including a career-technical education course, in accordance with guidance for integrated coursework developed by the department. Upon successful completion of an integrated course, a student may receive credit for both subject areas that were integrated into the course. Units earned for subject area content delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section.

For purposes of meeting graduation requirements, if an end-of-course examination has been prescribed under section 3301.0712 of the Revised Code for the subject area delivered through integrated instruction, the school district or school may administer the related subject area examinations upon the student's completion of the integrated course.

Nothing in division (I) of this section shall be construed to excuse any school district, chartered nonpublic school, or student from any requirement in the Revised Code related to curriculum, assessments, or the awarding of a high school diploma.

(J)(1) The ~~state board~~ department, in consultation with the chancellor, shall adopt a statewide plan implementing methods for students to earn units of high school credit based on a demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction. ~~The~~

~~state board shall adopt the plan not later than March 31, 2009,~~ 215039  
~~and commence phasing in the plan during the 2009-2010 school year.~~ 215040  
The plan shall include a standard method for recording 215041  
demonstrated proficiency on high school transcripts. Each school 215042  
district and community school shall comply with the ~~state board's~~ 215043  
department's plan adopted under this division and award units of 215044  
high school credit in accordance with the plan. The ~~state board~~ 215045  
department may adopt existing methods for earning high school 215046  
credit based on a demonstration of subject area competency as 215047  
necessary prior to the 2009-2010 school year. 215048

(2) ~~Not later than December 31, 2015, the state board~~ The 215049  
department shall update the statewide plan adopted pursuant to 215050  
division (J)(1) of this section to also include methods for 215051  
students enrolled in seventh and eighth grade to meet curriculum 215052  
requirements based on a demonstration of subject area competency, 215053  
instead of or in combination with completing hours of classroom 215054  
instruction. Beginning with the 2017-2018 school year, each school 215055  
district and community school also shall comply with the updated 215056  
plan adopted pursuant to this division and permit students 215057  
enrolled in seventh and eighth grade to meet curriculum 215058  
requirements based on subject area competency in accordance with 215059  
the plan. 215060

(3) ~~Not later than December 31, 2017, the~~ The department 215061  
shall develop a framework for school districts and community 215062  
schools to use in granting units of high school credit to students 215063  
who demonstrate subject area competency through work-based 215064  
learning experiences, internships, or cooperative education. 215065  
Beginning with the 2018-2019 school year, each district and 215066  
community school shall comply with the framework. Each district 215067  
and community school also shall review any policy it has adopted 215068  
regarding the demonstration of subject area competency to identify 215069  
ways to incorporate work-based learning experiences, internships, 215070

and cooperative education into the policy in order to increase 215071  
student engagement and opportunities to earn units of high school 215072  
credit. 215073

(K) This division does not apply to students who qualify for 215074  
graduation from high school under division (D) or (F) of this 215075  
section, or to students pursuing a career-technical instructional 215076  
track as determined by the school district board of education or 215077  
the chartered nonpublic school's governing authority. 215078  
Nevertheless, the general assembly encourages such students to 215079  
consider enrolling in a fine arts course as an elective. 215080

Beginning with students who enter ninth grade for the first 215081  
time on or after July 1, 2010, each student enrolled in a public 215082  
or chartered nonpublic high school shall complete two semesters or 215083  
the equivalent of fine arts to graduate from high school. The 215084  
coursework may be completed in any of grades seven to twelve. Each 215085  
student who completes a fine arts course in grade seven or eight 215086  
may elect to count that course toward the five units of electives 215087  
required for graduation under division (C)(8) of this section, if 215088  
the course satisfied the requirements of division (G) of this 215089  
section. In that case, the high school shall award the student 215090  
high school credit for the course and count the course toward the 215091  
five units required under division (C)(8) of this section. If the 215092  
course in grade seven or eight did not satisfy the requirements of 215093  
division (G) of this section, the high school shall not award the 215094  
student high school credit for the course but shall count the 215095  
course toward the two semesters or the equivalent of fine arts 215096  
required by this division. 215097

(L) Notwithstanding anything to the contrary in this section, 215098  
the board of education of each school district and the governing 215099  
authority of each chartered nonpublic school may adopt a policy to 215100  
excuse from the high school physical education requirement each 215101  
student who, during high school, has participated in 215102

interscholastic athletics, marching band, show choir, or 215103  
cheerleading for at least two full seasons or in the junior 215104  
reserve officer training corps for at least two full school years. 215105  
If the board or authority adopts such a policy, the board or 215106  
authority shall not require the student to complete any physical 215107  
education course as a condition to graduate. However, the student 215108  
shall be required to complete one-half unit, consisting of at 215109  
least sixty hours of instruction, in another course of study. In 215110  
the case of a student who has participated in the junior reserve 215111  
officer training corps for at least two full school years, credit 215112  
received for that participation may be used to satisfy the 215113  
requirement to complete one-half unit in another course of study. 215114

(M) It is important that high school students learn and 215115  
understand United States history and the governments of both the 215116  
United States and the state of Ohio. Therefore, beginning with 215117  
students who enter ninth grade for the first time on or after July 215118  
1, 2012, the study of American history and American government 215119  
required by divisions (B)(6) and (C)(6) of this section shall 215120  
include the study of all of the following documents: 215121

(1) The Declaration of Independence; 215122

(2) The Northwest Ordinance; 215123

(3) The Constitution of the United States with emphasis on 215124  
the Bill of Rights; 215125

(4) The Ohio Constitution. 215126

The study of each of the documents prescribed in divisions 215127  
(M)(1) to (4) of this section shall include study of that document 215128  
in its original context. 215129

The study of American history and government required by 215130  
divisions (B)(6) and (C)(6) of this section shall include the 215131  
historical evidence of the role of documents such as the 215132  
Federalist Papers and the Anti-Federalist Papers to firmly 215133

establish the historical background leading to the establishment 215134  
of the provisions of the Constitution and Bill of Rights. 215135

(N) A student may apply one unit of instruction in computer 215136  
science to satisfy one unit of mathematics or one unit of science 215137  
under division (C) of this section as the student chooses, 215138  
regardless of the field of certification of the teacher who 215139  
teaches the course, so long as that teacher meets the licensure 215140  
requirements prescribed by section 3319.236 of the Revised Code 215141  
and, prior to teaching the course, completes a professional 215142  
development program determined to be appropriate by the district 215143  
board. 215144

If a student applies more than one computer science course to 215145  
satisfy curriculum requirements under that division, the courses 215146  
shall be sequential and progressively more difficult or cover 215147  
different subject areas within computer science. 215148

**Sec. 3313.605.** (A) As used in this section: 215149

(1) "Civic responsibility" means the patriotic and ethical 215150  
duties of all citizens to take an active role in society and to 215151  
consider the interests and concerns of other individuals in the 215152  
community. 215153

(2) "Volunteerism" means nonprofit activity in the United 215154

(3) "Community service" means a service performed through 215158  
educational institutions, government agencies, nonprofit 215159  
organizations, social service agencies, and philanthropies and 215160  
generally designed to provide direct experience with people or 215161  
project planning, with the goal of improving the quality of life 215162

(B) The board of education of each city, local, exempted 215170  
village, and joint vocational school district, the governing 215171  
authority of each community school established under Chapter 3314. 215172  
of the Revised Code, and the governing body of each STEM school 215173  
established under Chapter 3326. of the Revised Code may include 215174  
community service education in its educational program. A 215175  
governing board of an educational service center, upon the request 215176  
of a local school district board of education, may provide a 215177  
community service education program for the local district 215178  
pursuant to this section. If a board, governing authority, or 215179  
governing body includes community service education in its 215180  
education program, the board, governing authority, or governing 215181  
body shall do both of the following: 215182

(1) Establish a community service advisory committee. The 215183  
committee shall provide recommendations to the board, governing 215184  
authority, or governing body regarding a community service plan 215185  
for students and shall oversee and assist in the implementation of 215186  
the plan adopted by the board, governing authority, or governing 215187  
body under division (B)(2) of this section. Each board, governing 215188  
authority, or governing body shall determine the membership and 215189

in establishing its plan, the board, governing authority, or 215203  
governing body shall consult with and may contract with one or 215204  
more local or regional organizations with experience in volunteer 215205  
program development and management. Each community service plan 215206  
adopted under this division shall be based upon the 215207  
recommendations of the advisory committee and shall provide for 215208  
all of the following: 215209

(a) Education of students in the value of community service 215210  
and its contributions to the history of this state and this 215211  
nation; 215212

(b) Identification of opportunities for students to provide 215213  
community service; 215214

(c) Encouragement of students to provide community service; 215215

(d) Integration of community service opportunities into the 215216

including strategies for the teaching of community service 215219  
education, for the discovery of community service opportunities, 215220  
and for the motivation of students to become involved in community 215221  
service. 215222

Plans shall be reviewed periodically by the advisory 215223  
committee and, if necessary, revised by the board, governing 215224  
authority, or governing body at least once every five years. 215225

Plans shall provide for students to perform services under 215226  
the plan that will not supplant the hiring of, result in the 215227  
displacement of, or impair any existing employment contract of any 215228  
particular employee of any private or governmental entity for 215229  
which the services are performed. The plan shall provide for any 215230  
entity utilizing a student to perform community service under the 215231  
plan to verify to the board that the student does not supplant the 215232  
hiring of, displace, or impair the employment contract of any 215233  
particular employee of the entity. 215234

Upon adoption, a board, governing authority, or governing 215235  
body shall submit a copy of its plan to the department of 215236  
education and workforce. Each city and exempted village board of 215237  
education and each governing board of a service center shall 215238  
include a copy of its plan in any course of study adopted under 215239  
section 3313.60 of the Revised Code that is required to be 215240  
submitted for approval to the ~~state board~~ department for review. A 215241  
joint vocational school district board of education shall submit a 215242

required to do so by the ~~state board~~ department. A local board 215244  
shall forward its plan to the educational service center governing 215245  
board for inclusion in the governing board's course of study. The 215246  
department periodically shall review all plans and publish those 215247  
plans that could serve as models for other school districts, 215248  
educational service centers, community schools, or STEM schools. 215249

(C) Under this section, a board, governing authority, or 215250  
governing body may only grant high school credit for a community 215251  
service education course if approximately half of the course is 215252  
devoted to classroom study of such matters as civic 215253  
responsibility, the history of volunteerism, and community service 215254  
training and approximately half of the course is devoted to 215255  
community service. 215256

Each board, governing authority, or governing body shall 215257

determine which specific activities will serve to fulfill the 215258  
required hours of community service. 215259

(D) The ~~superintendent of public instruction~~ department of 215260  
education and workforce shall develop guidelines for the 215261  
development and implementation of a rubric to evaluate and rate 215262  
community service education projects for use by districts, 215263  
governing authorities, and governing boards that adopt a community 215264  
service education plan. 215265

(E) The ~~state superintendent~~ department shall adopt rules for 215266  
granting a student special certification, special recognition on a 215267  
diploma, or special notification in the student's record upon the 215268  
student's successful completion of an approved community service 215269  
project. 215270

The district board, governing authority, or governing body 215271  
shall use a rubric developed in accordance with division (D) of 215272  
this section to determine whether a community service project 215273  
warrants recognition on a student's diploma under this division. 215274

**Sec. 3313.608.** (A)(1) Beginning with students who enter third 215275

reading below grade level. The assessment may be administered 215358  
electronically using live, two-way video and audio connections 215359  
whereby the teacher administering the assessment may be in a 215360

exempt under division (A) of this section. The notification shall 215380

specify that the assessment under section 3301.0710 of the Revised Code is not the sole determinant of promotion and that additional evaluations and assessments are available to the student to assist parents and the district in knowing when a student is reading at or above grade level and ready for promotion.

(b) Provide intensive reading instruction services and regular diagnostic assessments to the student immediately following identification of a reading deficiency until the development of the reading improvement and monitoring plan required by division (C) of this section. (4) For each student retained under division (A) of this section who has demonstrated proficiency in a specific academic ability field, each district shall provide instruction commensurate with student achievement levels in that specific academic ability field. As used in this division, "specific academic ability field" has the same meaning as in section 3324.01 of the Revised Code. (C) For each student required to be provided intervention services under this section, the district shall develop a reading improvement and monitoring plan within sixty days after receiving the student's results on the diagnostic assessment or comparable tool administered under division (B)(1) of this section. The district shall involve the student's parent or guardian and classroom teacher in developing the plan. (b) Provides scientifically based and reliable assessment; 215453

(c) Provides initial and ongoing analysis of each student's reading progress. 215454  
215455

(6) A statement that if the student does not attain at least the equivalent level of achievement designated under division (A)(3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected by the end of third grade, the student may be retained in third grade. 215456  
215457  
215458  
215459  
215460  
215461

required to pay any tuition while the parent was in such facility 217243  
or placement; 217244

(e) If the department of education and workforce has 217245  
determined, pursuant to division (A)(2) of section 2151.362 of the 217246  
Revised Code, that a school district other than the one named in 217247  
the court's initial order, or in a prior determination of the 217248  
department, is responsible to bear the cost of educating the 217249  
child, the district so determined shall be responsible for that 217250  
cost. 217251

(3) If the child is not in the permanent or legal custody of a government agency or person other than the child's parent and the child resides in a home, tuition shall be paid by one of the following:

(a) The school district in which the child's parent resides;

(b) If the child's parent is not a resident of this state, the home in which the child resides.

(4) Division (C)(4) of this section applies to any child who is admitted to a school district under division (B)(2) of this section, resides in a home that is not a foster home, a home maintained by the department of youth services, a detention facility established under section 2152.41 of the Revised Code, or a juvenile facility established under section 2151.65 of the Revised Code, and receives educational services at the home or facility in which the child resides pursuant to a contract between the home or facility and the school district providing those services.

If a child to whom division (C)(4) of this section applies is a special education student, a district may choose whether to receive a tuition payment for that child under division (C)(4) of this section or to receive a payment for that child under section 3323.14 of the Revised Code. If a district chooses to receive a payment for that child under section 3323.14 of the Revised Code, it shall not receive a tuition payment for that child under division (C)(4) of this section.

If a child to whom division (C)(4) of this section applies is not a special education student, a district shall receive a tuition payment for that child under division (C)(4) of this section.

In the case of a child to which division (C)(4) of this section applies, the total educational cost to be paid for the

child shall be determined by a formula approved by the department 217283  
of education and workforce, which formula shall be designed to 217284  
calculate a per diem cost for the educational services provided to 217285  
the child for each day the child is served and shall reflect the 217286  
total actual cost incurred in providing those services. The 217287  
department shall certify the total educational cost to be paid for 217288  
the child to both the school district providing the educational 217289  
services and, if different, the school district that is 217290  
responsible to pay tuition for the child. The department shall 217291  
deduct the certified amount from the state basic aid funds payable 217292  
under Chapter 3317. of the Revised Code to the district 217293  
responsible to pay tuition and shall pay that amount to the 217294  
district providing the educational services to the child. 217295

(3)(a) of this section shall be computed in accordance with 217297  
section 3317.08 of the Revised Code. Tuition required to be paid 217298  
under division (C)(3)(b) of this section shall be computed in 217299  
accordance with section 3317.081 of the Revised Code. If a home 217300  
fails to pay the tuition required by division (C)(3)(b) of this 217301  
section, the board of education providing the education may 217302  
recover in a civil action the tuition and the expenses incurred in 217303  
prosecuting the action, including court costs and reasonable 217304  
attorney's fees. If the prosecuting attorney or city director of 217305  
law represents the board in such action, costs and reasonable 217306  
attorney's fees awarded by the court, based upon the prosecuting 217307  
attorney's, director's, or one of their designee's time spent 217308  
preparing and presenting the case, shall be deposited in the 217309  
county or city general fund. 217310

(E) A board of education may enroll a child free of any 217311  
tuition obligation for a period not to exceed sixty days, on the 217312  
sworn statement of an adult resident of the district that the 217313  
resident has initiated legal proceedings for custody of the child. 217314

(F) In the case of any individual entitled to attend school 217315  
under this division, no tuition shall be charged by the school 217316  
district of attendance and no other school district shall be 217317  
required to pay tuition for the individual's attendance. 217318

the parent shall provide the district superintendent with the 217362  
following: 217363

(a) A sworn statement explaining the situation, revealing the 217364  
location of the house being built, and stating the parent's 217365

of time in the district where the house is being purchased. In 217375  
order to be entitled to such attendance, the parent shall provide 217376

the district superintendent with the following: 217377

district where the student's parent resides, by a formal action, 217393  
releases the student to participate in interscholastic athletics 217394  
at the school where the student is attending, and provided the 217395  
student receives any authorization required by a public agency or 217396  
private organization of which the school district is a member 217397  
exercising authority over interscholastic sports. 217398

(8) A child whose parent is a full-time employee of a city, 217399  
local, or exempted village school district, or of an educational 217400  
service center, may be admitted to the schools of the district 217401  
where the child's parent is employed, or in the case of a child 217402  
whose parent is employed by an educational service center, in the 217403  
district that serves the location where the parent's job is 217404  
primarily located, provided the district board of education 217405  
establishes such an admission policy by resolution adopted by a 217406  
majority of its members. Any such policy shall take effect on the 217407  
first day of the school year and the effective date of any 217408

amendment or repeal may not be prior to the first day of the 217409  
subsequent school year. The policy shall be uniformly applied to 217410  
all such children and shall provide for the admission of any such 217411  
child upon request of the parent. No child may be admitted under 217412  
this policy after the first day of classes of any school year. 217413

(9) A child who is with the child's parent under the care of 217414  
a shelter for victims of domestic violence, as defined in section 217415  
3113.33 of the Revised Code, is entitled to attend school free in 217416  
the district in which the child is with the child's parent, and no 217417  
other school district shall be required to pay tuition for the 217418  
child's attendance in that school district. 217419

The enrollment of a child in a school district under this 217420  
division shall not be denied due to a delay in the school 217421  
district's receipt of any records required under section 3313.672 217422  
of the Revised Code or any other records required for enrollment. 217423  
Any days of attendance and any credits earned by a child while 217424  
enrolled in a school district under this division shall be 217425  
transferred to and accepted by any school district in which the 217426  
child subsequently enrolls. The ~~state board~~ department of 217427  
education and workforce shall adopt rules to ensure compliance 217428  
with this division. 217429

(10) Any child under the age of twenty-two years whose parent 217430  
has moved out of the school district after the commencement of 217431  
classes in the child's senior year of high school is entitled, 217432  
subject to the approval of that district board, to attend school 217433  
in the district in which the child attended school at the time of 217434  
the parental move for the remainder of the school year and for one 217435  
additional semester or equivalent term. A district board may also 217436  
adopt a policy specifying extenuating circumstances under which a 217437  
student may continue to attend school under division (F)(10) of 217438  
this section for an additional period of time in order to 217439  
successfully complete the high school curriculum for the 217440

individualized education program developed for the student by the 217441  
high school pursuant to section 3323.08 of the Revised Code. 217442

(11) As used in this division, "grandparent" means a parent 217443  
of a parent of a child. A child under the age of twenty-two years 217444  
who is in the custody of the child's parent, resides with a 217445  
grandparent, and does not require special education is entitled to 217446  
attend the schools of the district in which the child's 217447  
grandparent resides, provided that, prior to such attendance in 217448  
any school year, the board of education of the school district in 217449  
which the child's grandparent resides and the board of education 217450  
of the school district in which the child's parent resides enter 217451  
into a written agreement specifying that good cause exists for 217452  
such attendance, describing the nature of this good cause, and 217453  
consenting to such attendance. 217454

In lieu of a consent form signed by a parent, a board of 217455  
education may request the grandparent of a child attending school 217456  
in the district in which the grandparent resides pursuant to 217457  
division (F)(11) of this section to complete any consent form 217458  
required by the district, including any authorization required by 217459  
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 217460  
Code. Upon request, the grandparent shall complete any consent 217461  
form required by the district. A school district shall not incur 217462  
any liability solely because of its receipt of a consent form from 217463  
a grandparent in lieu of a parent. 217464

Division (F)(11) of this section does not create, and shall 217465  
not be construed as creating, a new cause of action or substantive 217466  
legal right against a school district, a member of a board of 217467  
education, or an employee of a school district. This section does 217468  
not affect, and shall not be construed as affecting, any 217469  
immunities from defenses to tort liability created or recognized 217470  
by Chapter 2744. of the Revised Code for a school district, 217471  
member, or employee. 217472

(12) A child under the age of twenty-two years is entitled to attend school in a school district other than the district in which the child is entitled to attend school under division (B), (C), or (E) of this section provided that, prior to such attendance in any school year, both of the following occur:

(a) The superintendent of the district in which the child is entitled to attend school under division (B), (C), or (E) of this section contacts the superintendent of another district for purposes of this division;

(b) The superintendents of both districts enter into a written agreement that consents to the attendance and specifies that the purpose of such attendance is to protect the student's physical or mental well-being or to deal with other extenuating circumstances deemed appropriate by the superintendents.

While an agreement is in effect under this division for a student who is not receiving special education under Chapter 3323. of the Revised Code and notwithstanding Chapter 3327. of the Revised Code, the board of education of neither school district involved in the agreement is required to provide transportation for the student to and from the school where the student attends.

A student attending a school of a district pursuant to this division shall be allowed to participate in all student activities, including interscholastic athletics, at the school where the student is attending on the same basis as any student who has always attended the schools of that district while of compulsory school age.

(13) All school districts shall comply with the "McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for the education of homeless children. Each city, local, and exempted village school district shall comply with the requirements of that act governing the provision of a free,

appropriate public education, including public preschool, to each 217504  
homeless child. 217505

When a child loses permanent housing and becomes a homeless 217506  
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 217507  
such a homeless person changes temporary living arrangements, the 217508  
child's parent or guardian shall have the option of enrolling the 217509  
child in either of the following: 217510

11432(g)(3)(C); 217512

(b) The school that is operated by the school district in 217513  
which the shelter where the child currently resides is located and 217514  
that serves the geographic area in which the shelter is located. 217515

(14) A child under the age of twenty-two years who resides 217516  
with a person other than the child's parent is entitled to attend 217517  
school in the school district in which that person resides if both 217518  
of the following apply: 217519

(a) That person has been appointed, through a military power 217520  
of attorney executed under section 574(a) of the "National Defense 217521  
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 217522  
U.S.C. 1044b, or through a comparable document necessary to 217523  
complete a family care plan, as the parent's agent for the care, 217524  
custody, and control of the child while the parent is on active 217525  
duty as a member of the national guard or a reserve unit of the 217526  
armed forces of the United States or because the parent is a 217527  
member of the armed forces of the United States and is on a duty 217528  
assignment away from the parent's residence. 217529

(b) The military power of attorney or comparable document 217530  
includes at least the authority to enroll the child in school. 217531

The entitlement to attend school in the district in which the 217532  
parent's agent under the military power of attorney or comparable 217533  
document resides applies until the end of the school year in which 217534

the military power of attorney or comparable document expires. 217535

(G) A board of education, after approving admission, may 217536  
waive tuition for students who will temporarily reside in the 217537  
district and who are either of the following: 217538

(1) Residents or domiciliaries of a foreign nation who 217539  
request admission as foreign exchange students; 217540

(2) Residents or domiciliaries of the United States but not 217541  
of Ohio who request admission as participants in an exchange 217542  
program operated by a student exchange organization. 217543

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 217544  
3327.04, and 3327.06 of the Revised Code, a child may attend 217545  
school or participate in a special education program in a school 217546  
district other than in the district where the child is entitled to 217547  
attend school under division (B) of this section. 217548

(I)(1) Notwithstanding anything to the contrary in this 217549  
section or section 3313.65 of the Revised Code, a child under 217550  
twenty-two years of age may attend school in the school district 217551  
in which the child, at the end of the first full week of October 217552  
of the school year, was entitled to attend school as otherwise 217553  
provided under this section or section 3313.65 of the Revised 217554  
Code, if at that time the child was enrolled in the schools of the 217555  
district but since that time the child or the child's parent has 217556  
relocated to a new address located outside of that school district 217557  
and within the same county as the child's or parent's address 217558  
immediately prior to the relocation. The child may continue to 217559  
attend school in the district, and at the school to which the 217560  
child was assigned at the end of the first full week of October of 217561  
the current school year, for the balance of the school year. 217562  
Division (I)(1) of this section applies only if both of the 217563  
following conditions are satisfied: 217564

(a) The board of education of the school district in which 217565

the child was entitled to attend school at the end of the first 217566  
full week in October and of the district to which the child or 217567  
child's parent has relocated each has adopted a policy to enroll 217568  
children described in division (I)(1) of this section. 217569

(b) The child's parent provides written notification of the 217570  
relocation outside of the school district to the superintendent of 217571  
each of the two school districts. 217572

(2) At the beginning of the school year following the school 217573  
year in which the child or the child's parent relocated outside of 217574  
the school district as described in division (I)(1) of this 217575  
section, the child is not entitled to attend school in the school 217576  
district under that division. 217577

(3) Any person or entity owing tuition to the school district 217578  
on behalf of the child at the end of the first full week in 217579  
October, as provided in division (C) of this section, shall 217580  
continue to owe such tuition to the district for the child's 217581  
attendance under division (I)(1) of this section for the lesser of 217582  
the balance of the school year or the balance of the time that the 217583  
child attends school in the district under division (I)(1) of this 217584  
section. 217585

(4) A pupil who may attend school in the district under 217586  
division (I)(1) of this section shall be entitled to 217587  
transportation services pursuant to an agreement between the 217588  
district and the district in which the child or child's parent has 217589  
relocated unless the districts have not entered into such 217590  
agreement, in which case the child shall be entitled to 217591  
transportation services in the same manner as a pupil attending 217592  
school in the district under interdistrict open enrollment as 217593  
described in division (E) of section 3313.981 of the Revised Code, 217594  
regardless of whether the district has adopted an open enrollment 217595  
policy as described in division (B)(1)(b) or (c) of section 217596  
3313.98 of the Revised Code. 217597

(J) This division does not apply to a child receiving special 217598  
education. 217599

A school district required to pay tuition pursuant to 217600  
division (C)(2) or (3) of this section or section 3313.65 of the 217601  
Revised Code shall have an amount deducted under division (C) of 217602  
section 3317.023 of the Revised Code equal to its own tuition rate 217603  
for the same period of attendance. A school district entitled to 217604  
receive tuition pursuant to division (C)(2) or (3) of this section 217605  
or section 3313.65 of the Revised Code shall have an amount 217606  
credited under division (C) of section 3317.023 of the Revised 217607  
Code equal to its own tuition rate for the same period of 217608  
attendance. If the tuition rate credited to the district of 217609  
attendance exceeds the rate deducted from the district required to 217610  
pay tuition, the department of education and workforce shall pay 217611  
the district of attendance the difference from amounts deducted 217612  
from all districts' payments under division (C) of section 217613  
3317.023 of the Revised Code but not credited to other school 217614  
districts under such division and from appropriations made for 217615

(1) If the child's parent is in a juvenile residential placement, by the district in which the child's parent resided at the time the parent became subject to the jurisdiction of the juvenile court;

(2) If the child's parent is in a correctional facility, by the district in which the child's parent resided at the time the sentence was imposed;

(3) If the child's parent is in a residential facility, by the district in which the parent resided at the time the parent was admitted to the residential facility, except that if the parent was transferred from another residential facility, tuition shall be paid by the district in which the parent resided at the time the parent was admitted to the facility from which the parent first was transferred;

(4) In the event of a disagreement as to which school district is liable for tuition under division (C)(1), (2), or (3) of this section, the ~~superintendent of public instruction~~ director

of education and workforce shall determine which district shall 217996  
pay tuition. 217997

(E) If a child covered by division (D) of this section 217998  
receives special education in accordance with Chapter 3323. of the 217999  
Revised Code, the tuition shall be paid in accordance with section 218000  
3323.13 or 3323.14 of the Revised Code. Tuition for children who 218001  
do not receive special education shall be paid in accordance with 218002  
division (J) of section 3313.64 of the Revised Code. 218003

**Sec. 3313.66.** (A)(1) Except as provided under division (B)(2) 218004  
of this section, and subject to section 3313.668 of the Revised 218005  
Code, the superintendent of schools of a city, exempted village, 218006  
or local school district, or the principal of a public school may 218007  
suspend a pupil from school for not more than ten school days. The 218008  
board of education of a city, exempted village, or local school 218009  
district may adopt a policy granting assistant principals and 218010  
other administrators the authority to suspend a pupil from school 218011  
for a period of time as specified in the policy of the board of 218012  
education, not to exceed ten school days. If at the time an 218013  
out-of-school suspension is imposed there are fewer than ten 218014  
school days remaining in the school year in which the incident 218015  
that gives rise to the suspension takes place, the superintendent 218016  
shall not apply any remaining part of the period of the suspension 218017  
to the following school year. The superintendent may instead 218018  
require the pupil to participate in a community service program or 218019  
another alternative consequence for a number of hours equal to the 218020  
remaining part of the period of the suspension. The pupil shall be 218021  
required to begin the pupil's community service or alternative 218022  
consequence during the first full week day of summer break. Each 218023  
school district, in its discretion, may develop an appropriate 218024  
list of alternative consequences. In the event that a pupil fails 218025  
to complete community service or the assigned alternative 218026  
consequence, the school district may determine the next course of 218027

action, which shall not include requiring the pupil to serve the 218028  
remaining time of the out-of-school suspension at the beginning of 218029  
the following school year. 218030

No pupil shall be issued an out-of-school suspension unless 218031  
prior to the suspension the superintendent or principal does both 218032  
of the following: 218033

(a) Gives the pupil written notice of the intention to 218034  
suspend the pupil and the reasons for the intended suspension and, 218035  
if the proposed suspension is based on a violation listed in 218036  
division (A) of section 3313.662 of the Revised Code and if the 218037  
pupil is sixteen years of age or older, includes in the notice a 218038  
statement that the superintendent may seek to permanently exclude 218039  
the pupil if the pupil is convicted of or adjudicated a delinquent 218040  
child for that violation; 218041

(b) Provides the pupil an opportunity to appear at an 218042  
informal hearing before the principal, assistant principal, 218043  
superintendent, or superintendent's designee and challenge the 218044  
reason for the intended suspension or otherwise to explain the 218045  
pupil's actions. 218046

(2) If a pupil is issued an in-school suspension, the 218047  
superintendent or principal shall ensure the pupil is serving the 218048  
suspension in a supervised learning environment. 218049

(3) Each school district board shall adopt a policy 218050  
establishing parameters for completing and grading assignments 218051  
missed because of a pupil's suspension. 218052

(a) The policy shall provide the pupil an opportunity to do 218053  
both of the following: 218054

(i) Complete any classroom assignments missed because of the 218055  
suspension; 218056

(ii) Receive at least partial credit for a completed 218057

assignment. 218058

(b) The policy may permit grade reductions on account of the pupil's suspension. 218059  
218060

(c) The policy shall prohibit the receipt of a failing grade on a completed assignment solely on account of the pupil's suspension. 218061  
218062  
218063

(B)(1) Except as provided under division (B)(2), (3), or (4) of this section, and subject to section 3313.668 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district may expel a pupil from school for a period not to exceed the greater of eighty school days or the number of school days remaining in the semester or term in which the incident that gives rise to the expulsion takes place, unless the expulsion is extended pursuant to division (F) of this section. If at the time an expulsion is imposed there are fewer than eighty school days remaining in the school year in which the incident that gives rise to the expulsion takes place, the superintendent may apply any remaining part or all of the period of the expulsion to the following school year. 218064  
218065  
218066  
218067  
218068  
218069  
218070  
218071  
218072  
218073  
218074  
218075  
218076

(2)(a) Unless a pupil is permanently excluded pursuant to section 3313.662 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district shall expel a pupil from school for a period of one year for bringing a firearm to a school operated by the board of education of the district or onto any other property owned or controlled by the board, except that the superintendent may reduce this requirement on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the Revised Code. 218077  
218078  
218079  
218080  
218081  
218082  
218083  
218084  
218085

(b) The superintendent of schools of a city, exempted village, or local school district may expel a pupil from school for a period of one year for bringing a firearm to an 218086  
218087  
218088

interscholastic competition, an extracurricular event, or any 218089  
other school program or activity that is not located in a school 218090  
or on property that is owned or controlled by the district. The 218091  
superintendent may reduce this disciplinary action on a 218092  
case-by-case basis in accordance with the policy adopted by the 218093  
board under section 3313.661 of the Revised Code. 218094

(c) Any expulsion pursuant to division (B)(2) of this section 218095  
shall extend, as necessary, into the school year following the 218096  
school year in which the incident that gives rise to the expulsion 218097  
takes place. As used in this division, "firearm" has the same 218098  
meaning as provided pursuant to the "Gun-Free Schools Act," 115 218099  
Stat. 1762, 20 U.S.C. 7151. 218100

(3) The board of education of a city, exempted village, or 218101  
local school district may adopt a resolution authorizing the 218102  
superintendent of schools to expel a pupil from school for a 218103  
period not to exceed one year for bringing a knife capable of 218104  
causing serious bodily injury to a school operated by the board, 218105  
onto any other property owned or controlled by the board, or to an 218106  
interscholastic competition, an extracurricular event, or any 218107  
other program or activity sponsored by the school district or in 218108  
which the district is a participant, or for possessing a firearm 218109  
or knife capable of serious bodily injury, at a school, on any 218110  
other property owned or controlled by the board, or at an 218111  
interscholastic competition, an extracurricular event, or any 218112  
other school program or activity, which firearm or knife was 218113  
initially brought onto school board property by another person. 218114  
The resolution may authorize the superintendent to extend such an 218115  
expulsion, as necessary, into the school year following the school 218116  
year in which the incident that gives rise to the expulsion takes 218117  
place. 218118

(4) The board of education of a city, exempted village, or 218119  
local school district may adopt a resolution establishing a policy 218120

under section 3313.661 of the Revised Code that authorizes the 218121  
superintendent of schools to expel a pupil from school for a 218122  
period not to exceed one year for committing an act that is a 218123  
criminal offense when committed by an adult and that results in 218124  
serious physical harm to persons as defined in division (A)(5) of 218125  
section 2901.01 of the Revised Code or serious physical harm to 218126  
property as defined in division (A)(6) of section 2901.01 of the 218127  
Revised Code while the pupil is at school, on any other property 218128  
owned or controlled by the board, or at an interscholastic 218129  
competition, an extracurricular event, or any other school program 218130  
or activity. Any expulsion under this division shall extend, as 218131  
necessary, into the school year following the school year in which 218132  
the incident that gives rise to the expulsion takes place. 218133

(5) The board of education of any city, exempted village, or 218134  
local school district may adopt a resolution establishing a policy 218135  
under section 3313.661 of the Revised Code that authorizes the 218136  
superintendent of schools to expel a pupil from school for a 218137  
period not to exceed one year for making a bomb threat to a school 218138  
building or to any premises at which a school activity is 218139  
occurring at the time of the threat. Any expulsion under this 218140  
division shall extend, as necessary, into the school year 218141  
following the school year in which the incident that gives rise to 218142  
the expulsion takes place. 218143

(6) No pupil shall be expelled under division (B)(1), (2), 218144  
(3), (4), or (5) of this section unless, prior to the pupil's 218145  
expulsion, the superintendent does both of the following: 218146

(a) Gives the pupil and the pupil's parent, guardian, or 218147  
custodian written notice of the intention to expel the pupil; 218148

(b) Provides the pupil and the pupil's parent, guardian, 218149  
custodian, or representative an opportunity to appear in person 218150  
before the superintendent or the superintendent's designee to 218151  
challenge the reasons for the intended expulsion or otherwise to 218152

explain the pupil's actions. 218153

The notice required in this division shall include the 218154  
reasons for the intended expulsion, notification of the 218155  
opportunity of the pupil and the pupil's parent, guardian, 218156  
custodian, or representative to appear before the superintendent 218157  
or the superintendent's designee to challenge the reasons for the 218158  
intended expulsion or otherwise to explain the pupil's action, and 218159  
notification of the time and place to appear. The time to appear 218160  
shall not be earlier than three nor later than five school days 218161  
after the notice is given, unless the superintendent grants an 218162  
extension of time at the request of the pupil or the pupil's 218163  
parent, guardian, custodian, or representative. If an extension is 218164  
granted after giving the original notice, the superintendent shall 218165  
notify the pupil and the pupil's parent, guardian, custodian, or 218166  
representative of the new time and place to appear. If the 218167  
proposed expulsion is based on a violation listed in division (A) 218168  
of section 3313.662 of the Revised Code and if the pupil is 218169  
sixteen years of age or older, the notice shall include a 218170  
statement that the superintendent may seek to permanently exclude 218171  
the pupil if the pupil is convicted of or adjudicated a delinquent 218172  
child for that violation. 218173

(7) A superintendent of schools of a city, exempted village, 218174  
or local school district shall initiate expulsion proceedings 218175  
pursuant to this section with respect to any pupil who has 218176  
committed an act warranting expulsion under the district's policy 218177  
regarding expulsion even if the pupil has withdrawn from school 218178  
for any reason after the incident that gives rise to the hearing 218179  
but prior to the hearing or decision to impose the expulsion. If, 218180  
following the hearing, the pupil would have been expelled for a 218181  
period of time had the pupil still been enrolled in the school, 218182  
the expulsion shall be imposed for the same length of time as on a 218183  
pupil who has not withdrawn from the school. 218184

(C)(1) Subject to division (C)(2) of this section, if a pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either within a classroom or elsewhere on the school premises, the superintendent or a principal or assistant principal may remove a pupil from curricular activities or from the school premises, and a teacher may remove a pupil from curricular activities under the teacher's supervision, without the notice and hearing requirements of division (A) or (B) of this section. As soon as practicable after making such a removal, the teacher shall submit in writing to the principal the reasons for such removal.

(2) A pupil in any of grades pre-kindergarten through three may be removed pursuant to division (C)(1) of this section only for the remainder of the school day and shall be permitted to return to curricular and extracurricular activities on the school day following the day in which the student was removed.

(a) A school district or school that returns a student in any of grades pre-kindergarten through three to curricular and extracurricular activities on the next school day shall not be required to follow division (C)(3) of this section with regard to that student.

(b) A school district shall not initiate a suspension or expulsion proceeding against a student in any of grades pre-kindergarten through three who was removed from a curricular or extracurricular activity under division (C) of this section unless the student has committed an act described in division (B)(1)(a) or (b) of section 3313.668 of the Revised Code.

(3) If a pupil is removed under division (C)(1) or (2) of this section from a curricular activity or from the school premises, written notice of the hearing and of the reason for the removal shall be given to the pupil as soon as practicable prior to the hearing, which shall be held on the next school day after

the initial removal is ordered. The hearing shall be held in 218217  
accordance with division (A) of this section unless it is probable 218218  
that the pupil may be subject to expulsion, in which case a 218219  
hearing in accordance with division (B) of this section shall be 218220  
held, except that the hearing shall be held on the next school day 218221  
after the date of the initial removal. The individual who ordered, 218222  
caused, or requested the removal to be made shall be present at 218223  
the hearing. 218224

(4) If the superintendent or the principal reinstates a pupil 218225  
in a curricular activity under the teacher's supervision prior to 218226  
the hearing following a removal under this division, the teacher, 218227  
upon request, shall be given in writing the reasons for such 218228  
reinstatement. 218229

(D) The superintendent or principal, within one school day 218230  
after the time of a pupil's expulsion or suspension, shall notify 218231  
in writing the parent, guardian, or custodian of the pupil of the 218232  
expulsion or suspension. In the case of an expulsion, the 218233  
superintendent or principal, within one school day after the time 218234  
of a pupil's expulsion, also shall notify in writing the treasurer 218235  
of the board of education. Each notice shall include the reasons 218236  
for the expulsion or suspension, notification of the right of the 218237  
pupil or the pupil's parent, guardian, or custodian to appeal the 218238  
expulsion or suspension to the board of education or to its 218239  
designee, to be represented in all appeal proceedings, to be 218240  
granted a hearing before the board or its designee in order to be 218241  
heard against the suspension or expulsion, and to request that the 218242  
hearing be held in executive session, notification that the 218243  
expulsion may be subject to extension pursuant to division (F) of 218244  
this section if the pupil is sixteen years of age or older, and 218245  
notification that the superintendent may seek the pupil's 218246  
permanent exclusion if the suspension or expulsion was based on a 218247  
violation listed in division (A) of section 3313.662 of the 218248

Revised Code that was committed when the child was sixteen years 218249  
of age or older and if the pupil is convicted of or adjudicated a 218250  
delinquent child for that violation. 218251

In accordance with the policy adopted by the board of 218252  
education under section 3313.661 of the Revised Code, the notice 218253  
provided under this division shall specify the manner and date by 218254  
which the pupil or the pupil's parent, guardian, or custodian 218255  
shall notify the board of the pupil's, parent's, guardian's, or 218256  
custodian's intent to appeal the expulsion or suspension to the 218257  
board or its designee. 218258

Any superintendent expelling a pupil under this section for 218259  
more than twenty school days or for any period of time if the 218260  
expulsion will extend into the following semester or school year 218261  
shall, in the notice required under this division, provide the 218262  
pupil and the pupil's parent, guardian, or custodian with 218263  
information about services or programs offered by public and 218264  
private agencies that work toward improving those aspects of the 218265  
pupil's attitudes and behavior that contributed to the incident 218266  
that gave rise to the pupil's expulsion. The information shall 218267  
include the names, addresses, and phone numbers of the appropriate 218268  
public and private agencies. 218269

(E) A pupil or the pupil's parent, guardian, or custodian may 218270  
appeal the pupil's expulsion by a superintendent or suspension by 218271  
a superintendent, principal, assistant principal, or other 218272  
administrator to the board of education or to its designee. If the 218273  
pupil or the pupil's parent, guardian, or custodian intends to 218274  
appeal the expulsion or suspension to the board or its designee, 218275  
the pupil or the pupil's parent, guardian, or custodian shall 218276  
notify the board in the manner and by the date specified in the 218277  
notice provided under division (D) of this section. The pupil or 218278  
the pupil's parent, guardian, or custodian may be represented in 218279  
all appeal proceedings and shall be granted a hearing before the 218280

board or its designee in order to be heard against the suspension 218281  
or expulsion. At the request of the pupil or of the pupil's 218282  
parent, guardian, custodian, or attorney, the board or its 218283  
designee may hold the hearing in executive session but shall act 218284  
upon the suspension or expulsion only at a public meeting. The 218285  
board, by a majority vote of its full membership or by the action 218286  
of its designee, may affirm the order of suspension or expulsion, 218287  
reinstate the pupil, or otherwise reverse, vacate, or modify the 218288  
order of suspension or expulsion. 218289

The board or its designee shall make a verbatim record of 218290  
hearings held under this division. The decisions of the board or 218291  
its designee may be appealed under Chapter 2506. of the Revised 218292  
Code. 218293

This section shall not be construed to require notice and 218294  
hearing in accordance with division (A), (B), or (C) of this 218295  
section in the case of normal disciplinary procedures in which a 218296  
pupil is removed from a curricular activity for a period of less 218297  
than one school day and is not subject to suspension or expulsion. 218298

(F)(1) If a pupil is expelled pursuant to division (B) of 218299  
this section for committing any violation listed in division (A) 218300  
of section 3313.662 of the Revised Code and the pupil was sixteen 218301  
years of age or older at the time of committing the violation, if 218302  
a complaint, indictment, or information is filed alleging that the 218303  
pupil is a delinquent child based upon the commission of the 218304  
violation or the pupil is prosecuted as an adult for the 218305  
commission of the violation, and if the resultant juvenile court 218306  
or criminal proceeding is pending at the time that the expulsion 218307  
terminates, the superintendent of schools that expelled the pupil 218308  
may file a motion with the court in which the proceeding is 218309  
pending requesting an order extending the expulsion for the lesser 218310  
of an additional eighty days or the number of school days 218311  
remaining in the school year. Upon the filing of the motion, the 218312

court immediately shall schedule a hearing and give written notice 218313  
of the time, date, and location of the hearing to the 218314  
superintendent and to the pupil and the pupil's parent, guardian, 218315  
or custodian. At the hearing, the court shall determine whether 218316  
there is reasonable cause to believe that the pupil committed the 218317  
alleged violation that is the basis of the expulsion and, upon 218318  
determining that reasonable cause to believe the pupil committed 218319  
the violation does exist, shall grant the requested extension. 218320

(2) If a pupil has been convicted of or adjudicated a 218321  
delinquent child for a violation listed in division (A) of section 218322  
3313.662 of the Revised Code for an act that was committed when 218323  
the child was sixteen years of age or older, if the pupil has been 218324  
expelled pursuant to division (B) of this section for that 218325  
violation, and if the board of education of the school district of 218326  
the school from which the pupil was expelled has adopted a 218327  
resolution seeking the pupil's permanent exclusion, the 218328  
superintendent may file a motion with the court that convicted the 218329  
pupil or adjudicated the pupil a delinquent child requesting an 218330  
order to extend the expulsion until an adjudication order or other 218331  
determination regarding permanent exclusion is issued by the 218332  
~~superintendent of public instruction~~ director of education and 218333  
workforce pursuant to section 3301.121 and division (D) of section 218334  
3313.662 of the Revised Code. Upon the filing of the motion, the 218335  
court immediately shall schedule a hearing and give written notice 218336  
of the time, date, and location of the hearing to the 218337  
superintendent of the school district, the pupil, and the pupil's 218338  
parent, guardian, or custodian. At the hearing, the court shall 218339  
determine whether there is reasonable cause to believe the pupil's 218340  
continued attendance in the public school system may endanger the 218341  
health and safety of other pupils or school employees and, upon 218342  
making that determination, shall grant the requested extension. 218343

(G) The failure of the superintendent or the board of 218344

education to provide the information regarding the possibility of 218345  
permanent exclusion in the notice required by divisions (A), (B), 218346  
and (D) of this section is not jurisdictional, and the failure 218347  
shall not affect the validity of any suspension or expulsion 218348  
procedure that is conducted in accordance with this section or the 218349  
validity of a permanent exclusion procedure that is conducted in 218350  
accordance with sections 3301.121 and 3313.662 of the Revised 218351  
Code. 218352

(H) With regard to suspensions and expulsions pursuant to 218353  
divisions (A) and (B) of this section by the board of education of 218354  
any city, exempted village, or local school district, this section 218355  
shall apply to any student, whether or not the student is enrolled 218356  
in the district, attending or otherwise participating in any 218357

(F)(1)(a) Upon determining that the school attendance of a 218558  
pupil who has been permanently excluded from public school 218559

students or school employees, the superintendent of any city, 218561  
local, exempted village, or joint vocational school district in 218562  
which the pupil desires to attend school may issue to the board of 218563

education of the school district a recommendation, including the 218564  
reasons for the recommendation, that the permanent exclusion of a 218565  
pupil be revoked and the pupil be allowed to return to the public 218566  
schools of the state. 218567

If any violation which in whole or in part gave rise to the 218568  
permanent exclusion of any pupil involved the pupil's bringing a 218569  
firearm to a school operated by the board of education of a school 218570  
district or onto any other property owned or operated by such a 218571

exclusion that is less than one year after the date on which the 218574  
last such firearm incident occurred. However, on a case-by-case 218575  
basis, a superintendent may recommend an earlier effective date 218576  
for such a revocation for any of the reasons for which the 218577  
superintendent may reduce the one-year expulsion requirement in 218578  
division (B)(2) of section 3313.66 of the Revised Code. 218579

(b) Upon receipt of the recommendation of the superintendent 218580

members requesting the ~~superintendent of public instruction~~ 218584  
director of education and workforce to revoke the permanent 218585  
exclusion of the pupil. Upon adoption of the resolution, the board 218586  
of education shall forward a copy of the resolution, the reasons 218587

requesting the revocation of a permanent exclusion of a pupil, the 218591  
~~superintendent of public instruction~~ director, in accordance with 218592  
the adjudication procedures of Chapter 119. of the Revised Code, 218593  
shall issue an adjudication order that revokes the permanent 218594  
exclusion of the pupil from public school attendance or that 218595

(2)(a) A pupil who has been permanently excluded pursuant to 218597  
this section and section 3301.121 of the Revised Code may request 218598  
the superintendent of any city, local, exempted village, or joint 218599  
vocational school district in which the pupil desires to attend 218600  
school to admit the pupil on a probationary basis for a period not 218601  
to exceed ninety school days. Upon receiving the request, the 218602  
superintendent may enter into discussions with the pupil and with 218603  
the pupil's parent, guardian, or custodian or a person designated 218604  
by the pupil's parent, guardian, or custodian to develop a 218605  
probationary admission plan designed to assist the pupil's 218606  
probationary admission to the school. The plan may include a 218607  
treatment program, a behavioral modification program, or any other 218608  
program reasonably designed to meet the educational needs of the 218609  
child and the disciplinary requirements of the school. 218610

If any violation which in whole or in part gave rise to the 218611  
permanent exclusion of the pupil involved the pupil's bringing a 218612  
firearm to a school operated by the board of education of any 218613  
school district or onto any other property owned or operated by 218614  
such a board, no plan developed under this division for the pupil 218615  
shall include an effective date for the probationary admission of 218616  
the pupil that is less than one year after the date on which the 218617  
last such firearm incident occurred except that on a case-by-case 218618  
basis, a plan may include an earlier effective date for such an 218619  
admission for any of the reasons for which the superintendent of 218620  
the district may reduce the one-year expulsion requirement in 218621  
division (B)(2) of section 3313.66 of the Revised Code. 218622

(b) If the superintendent of a school district, a pupil, and 218623  
the pupil's parent, guardian, or custodian or a person designated 218624  
by the pupil's parent, guardian, or custodian agree upon a 218625  
probationary admission plan prepared pursuant to division 218626  
(F)(2)(a) of this section, the superintendent of the school 218627

district a recommendation that the pupil be allowed to attend 218629  
school within the school district under probationary admission, 218630  
the reasons for the recommendation, and a copy of the agreed upon 218631  
probationary admission plan. Within fourteen days after the board 218632  
of education receives the recommendation, reasons, and plan, the 218633  
board may adopt the recommendation by a majority vote of its 218634  
members. If the board adopts the recommendation, the pupil may 218635  
attend school under probationary admission within that school 218636  
district for a period not to exceed ninety days or any additional 218637  
probationary period permitted under divisions (F)(2)(d) and (e) of 218638  
this section in accordance with the probationary admission plan 218639  
prepared pursuant to division (F)(2)(a) of this section. 218640

(c) If a pupil who is permitted to attend school under 218641  
probationary admission pursuant to division (F)(2)(b) of this 218642  
section fails to comply with the probationary admission plan 218643  
prepared pursuant to division (F)(2)(a) of this section, the 218644  
superintendent of the school district immediately may remove the 218645  
pupil from the school and issue to the board of education of the 218646  
school district a recommendation that the probationary admission 218647  
be revoked. Within five days after the board of education receives 218648  
the recommendation, the board may adopt the recommendation to 218649  
revoke the pupil's probationary admission by a majority vote of 218650  
its members. If a majority of the board does not adopt the 218651  
recommendation to revoke the pupil's probationary admission, the 218652  
pupil shall continue to attend school in compliance with the 218653  
pupil's probationary admission plan. 218654

(d) If a pupil who is permitted to attend school under 218655  
probationary admission pursuant to division (F)(2)(b) of this 218656  
section complies with the probationary admission plan prepared 218657  
pursuant to division (F)(2)(a) of this section, the pupil or the 218658  
pupil's parent, guardian, or custodian, at any time before the 218659

expiration of the ninety-day probationary admission period, may 218660  
request the superintendent of the school district to extend the 218661  
terms and period of the pupil's probationary admission for a 218662  
period not to exceed ninety days or to issue a recommendation 218663  
pursuant to division (F)(1) of this section that the pupil's 218664  
permanent exclusion be revoked and the pupil be allowed to return 218665  
to the public schools of this state. 218666

(e) If a pupil is granted an extension of the pupil's 218667  
probationary admission pursuant to division (F)(2)(d) of this 218668  
section, the pupil or the pupil's parent, guardian, or custodian, 218669  
in the manner described in that division, may request, and the 218670  
superintendent and board, in the manner described in that 218671  
division, may recommend and grant, subsequent probationary 218672  
admission periods not to exceed ninety days each. If a pupil who 218673  
is permitted to attend school under an extension of a probationary 218674  
admission plan complies with the probationary admission plan 218675  
prepared pursuant to the extension, the pupil or the pupil's 218676  
parent, guardian, or custodian may request a revocation of the 218677  
pupil's permanent exclusion in the manner described in division 218678  
(F)(2)(d) of this section. 218679

(f) Any extension of a probationary admission requested by a 218680  
pupil or a pupil's parent, guardian, or custodian pursuant to 218681  
divisions (F)(2)(d) or (e) of this section shall be subject to the 218682  
adoption and approval of a probationary admission plan in the 218683  
manner described in divisions (F)(2)(a) and (b) of this section 218684  
and may be terminated as provided in division (F)(2)(c) of this 218685  
section. 218686

(g) If the pupil has complied with any probationary admission 218687  
plan and the superintendent issues a recommendation that seeks 218688  
revocation of the pupil's permanent exclusion pursuant to division 218689  
(F)(1) of this section, the pupil's compliance with any 218690  
probationary admission plan may be considered along with other 218691

relevant factors in any determination or adjudication conducted 218692  
pursuant to division (F)(1) of this section. 218693

(G)(1) Except as provided in division (G)(2) of this section, 218694  
any information regarding the permanent exclusion of a pupil shall 218695  
be included in the pupil's official records and shall be included 218696  
in any records sent to any school district that requests the 218697  
pupil's records. 218698

(2) When a pupil who has been permanently excluded from 218699  
public school attendance reaches the age of twenty-two or when the 218700  
permanent exclusion of a pupil has been revoked, all school 218701  
districts that maintain records regarding the pupil's permanent 218702  
exclusion shall remove all references to the exclusion from the 218703  
pupil's file and shall destroy them. 218704

A pupil who has reached the age of twenty-two or whose 218705  
permanent exclusion has been revoked may send a written notice to 218706  
the superintendent of any school district maintaining records of 218707  
the pupil's permanent exclusion requesting the superintendent to 218708  
ensure that the records are removed from the pupil's file and 218709  
destroyed. Upon receipt of the request and a determination that 218710  
the pupil is twenty-two years of age or older or that the pupil's 218711  
permanent exclusion has been revoked, the superintendent shall 218712

If the board or governing authority provides the screenings itself or contracts with another entity for provision of the screenings, the board or governing authority shall protect student privacy by ensuring that each student is screened alone and not in the presence of other students or staff.

(C) Each school year, each board or governing authority electing to require the screening shall provide the parent or guardian of each student subject to the screening with information about the screening program. If the board or governing authority requests parents and guardians to obtain a screening from a provider of their choosing, the board or governing authority shall provide them with a list of providers and information about screening services available in the community to parents and guardians who cannot afford a private provider.

(D) If the parent or guardian of a student subject to the screening signs and submits to the board or governing authority a written statement indicating that the parent or guardian does not wish to have the student undergo the screening, the board or governing authority shall not require the student to be screened.

(E) The board or governing authority shall notify the parent or guardian of each student screened under this section of any health risks associated with the student's results and shall provide the parent or guardian with information about appropriately addressing the risks. For this purpose, the department of health, in consultation with the department of education and workforce, shall develop a list of documents, pamphlets, or other resources that may be distributed to parents and guardians under this division.

In the case of a chartered nonpublic school, data shall be aggregated for the school as a whole. The department annually may publish the data reported under this division, aggregated by county. For each county in which a district, community school, STEM school, or chartered nonpublic school has elected not to require the screening for a school year for which data is published, the department shall note that the data for the county in which the district or school is located is incomplete. The department may share data reported under this division with other governmental entities for the purpose of monitoring population health, making reports, or public health promotional activities.

and all positive reactions and x-ray findings shall be reported 218946  
promptly to the county record bureau of tuberculosis cases 218947  
provided for in section 339.74 of the Revised Code. Boards shall 218948  
waive the required test where a pupil presents a written statement 218949  
from the pupil's family physician certifying that such test has 218950  
been given and that such pupil is free from tuberculosis in a 218951  
communicable stage, or that such test is inadvisable for medical 218952  
reasons, or from the pupil's parent or guardian objecting to such 218953  
test because of religious convictions. 218954

Whenever a pupil, teacher, or other school employee is found 218955  
to be ill or have tuberculosis in a communicable stage or other 218956  
communicable disease, the school physician shall promptly send 218957  
such pupil, teacher, or other school employee home, with a 218958  
statement, in the case of a pupil, to the pupil's parents or 218959  
guardian, briefly setting forth the discovered facts, and advising 218960

pupil or any teacher or other school employee, after notice from 218967  
the board of education, furnishes within two weeks thereafter the 218968  
written certificate of any reputable physician that the pupil, 218969  
teacher, or other school employee has been examined, in such cases 218970  
the service of the school physician shall be dispensed with, and 218971  
such certificate shall be furnished by such parent or guardian, as 218972

required by the board of education. Such individual records shall 218973  
not be open to the public and shall be solely for the use of the 218974  
boards of education and boards of health officer. If any teacher 218975  
or other school employee is found to have tuberculosis in a 218976  
communicable stage or other communicable disease, the teacher's or 218977  
employee's employment shall be discontinued or suspended upon such 218978  
terms as to salary as the board deems just until the school 218979  
physician has certified to a recovery from such disease. The 218980  
methods of making the tuberculin tests and chest x-rays required 218981  
by this section shall be such as are approved by the director of 218982

constitutes willful or wanton misconduct. 219350

This section does not eliminate, limit, or reduce any other 219351

assistance in the provision of special accommodations and classes 220105  
for students with disabilities; or any other services the district 220106  
board and service center governing board agree can be better 220107

(2) If the school district that terminates an agreement for 220133  
services under division (D)(1) of this section is also subject to 220134

(2) Purchases made by a school district or political subdivision that has entered into an agreement with the service center as described in this division are exempt from competitive

bidding required by law for the purchase of supplies, materials, 220198  
equipment, or services. No political subdivision shall make any 220199  
purchase under this division when the political subdivision has 220200

such purchase under this division. 220203

(J) Any school district, community school, or STEM school 220204

approval of the ~~superintendent of public instruction~~ director of 221703  
education and workforce under division (B)(2) of this section. 221704

(2) The ~~superintendent of public instruction~~ director shall 221705  
approve applications for new internet- or computer-based community 221706  
schools from only those applicants demonstrating experience and 221707  
quality. 221708

The ~~state board~~ department of education and workforce shall 221709  
adopt rules prescribing measures to determine experience and 221710  
quality of applicants in accordance with Chapter 119. of the 221711  
Revised Code. The measures shall include, but not be limited to, 221712  
the following considerations: 221713

(a) The sponsor's experience with online schools; 221714

(b) The operator's experience with online schools; 221715

(c) The sponsor's and operator's previous record for student 221716  
performance; 221717

(d) A preference for operators with previous experience in 221718  
Ohio. 221719

~~The state board shall adopt the rules so that they are 221720  
effective May 22, 2013.~~ 221721

(3) The department ~~of education~~ shall notify any new 221722  
internet- or computer-based community school governed by division 221723  
(B) of this section of whether the ~~superintendent~~ director has 221724  
approved or disapproved the school's application to open for the 221725

2013-2014 school year not later than July 1, 2013. Notwithstanding 221726  
the dates prescribed for adoption and signing on sponsor contracts 221727  
in division (D) of section 3314.02 of the Revised Code, or the 221728  
date for opening a school for instruction required by division 221729  
(A)(25) of section 3314.03 of the Revised Code, a new internet- or 221730  
computer-based community school approved for opening for the 221731  
2013-2014 school year under division (B) of this section may open 221732  
and operate in that school year regardless of whether it has 221733  
complied with those contract and opening dates. For each school 221734  
year thereafter, the school shall comply with all applicable 221735  
provisions of this chapter. 221736

(4) Notwithstanding divisions (B)(1) and (2) of this section, 221737  
a sponsor rated "exemplary" on its most recent evaluation 221738  
conducted under section 3314.016 of the Revised Code is permitted 221739  
to open up to two new internet- or computer-based community 221740  
schools that will primarily serve students enrolled in a dropout 221741  
prevention and recovery program each year, not to exceed six new 221742  
schools in a five-year period. 221743

(C) Nothing in division (A) or (B) of this section prohibits 221744  
an internet- or computer-based community school from increasing 221745  
the number of grade levels it offers. 221746

**Sec. 3314.015.** (A) The department of education and workforce 221747  
shall be responsible for the oversight of any and all sponsors of 221748  
the community schools established under this chapter and shall 221749  
provide technical assistance to schools and sponsors in their 221750  
compliance with applicable laws and the terms of the contracts 221751  
entered into under section 3314.03 of the Revised Code and in the 221752  
development and start-up activities of those schools. In carrying 221753  
out its duties under this section, the department shall do all of 221754  
the following: 221755

(1) In providing technical assistance to proposing parties, 221756

governing authorities, and sponsors, conduct training sessions and 221757  
distribute informational materials; 221758

(2) Approve entities to be sponsors of community schools; 221759

(3) Monitor and evaluate, as required under section 3314.016 221760  
of the Revised Code, the effectiveness of any and all sponsors in 221761  
their oversight of the schools with which they have contracted; 221762

(4) By December thirty-first of each year, issue a report to 221763  
the governor, the speaker of the house of representatives, the 221764  
president of the senate, and the chairpersons of the house and 221765  
senate committees principally responsible for education matters 221766  
regarding the effectiveness of academic programs, operations, and 221767  
legal compliance and of the financial condition of all community 221768  
schools established under this chapter and on the performance of 221769  
community school sponsors; 221770

(5) From time to time, make legislative recommendations to 221771  
the general assembly designed to enhance the operation and 221772  
performance of community schools. 221773

(B)(1) Except as provided in sections 3314.021 and 3314.027 221774  
of the Revised Code, no entity shall enter into a preliminary 221775  
agreement under division (C)(2) of section 3314.02 of the Revised 221776  
Code or renew an existing contract to sponsor a community school 221777  
until it has received approval from the department ~~of education~~ to 221778  
sponsor community schools under this chapter and has entered into 221779  
a written agreement with the department regarding the manner in 221780  
which the entity will conduct such sponsorship. 221781

On and after July 1, 2017, each entity that sponsors a 221782  
community school in this state, except for an entity described in 221783  
sections 3314.021 and 3314.027 of the Revised Code, shall attain 221784  
approval from the department in order to continue sponsoring 221785  
schools regardless of whether that entity intends to enter into a 221786  
preliminary agreement or renew an existing contract. 221787

All new and renewed agreements between the department and a sponsor shall contain specific language addressing the parameters under which the department can intervene and potentially revoke sponsorship authority in the event that the sponsor is unwilling or unable to fulfill its obligations. Additionally, each agreement shall set forth any territorial restrictions and limits on the number of schools that entity may sponsor, provide for an annual evaluation process, and include a stipulation permitting the department to modify the agreement under the following circumstances:

(a) Poor fiscal management;

(b) Lack of academic progress.

(2) The initial term of a sponsor's agreement with the department shall be for up to five years.

(a) An agreement entered into with the department pursuant to this section may be renewed for a term of up to ten years using the following criteria:

(i) The academic performance of students enrolled in each community school the entity sponsors, as determined by the department pursuant to division (B)(1)(a) of section 3314.016 of the Revised Code;

(ii) The sponsor's adherence to quality practices, as determined by the department pursuant to division (B)(1)(b) of section 3314.016 of the Revised Code;

(iii) The sponsor's compliance with all applicable laws and administrative rules.

(b) Each agreement between the department and a sponsor shall specify that entities with an overall rating of "exemplary" for at least two consecutive years shall not be subject to the limit on the number of community schools the entity may sponsor or any

territorial restrictions on sponsorship, for so long as that 221818  
entity continues to be rated "exemplary." 221819

(c) The ~~state board of education~~ department shall adopt in 221820  
accordance with Chapter 119. of the Revised Code rules containing 221821  
criteria, procedures, and deadlines for processing applications 221822  
for approval of sponsors, for oversight of sponsors, for notifying 221823  
a sponsor of noncompliance with applicable laws and administrative 221824  
rules under division (F) of this section, for revocation of the 221825  
approval of sponsors under division (C) of this section, and for 221826  
entering into written agreements with sponsors. The rules shall 221827  
require an entity to submit evidence of the entity's ability and 221828  
willingness to comply with the provisions of division (D) of 221829  
section 3314.03 of the Revised Code. The rules also shall require 221830  
all entities approved as sponsors to demonstrate a record of 221831  
financial responsibility and successful implementation of 221832  
educational programs. If an entity seeking approval to sponsor 221833  
community schools in this state sponsors or operates schools in 221834  
another state, at least one of the schools sponsored or operated 221835  
by the entity must be comparable to or better than the performance 221836  
of Ohio schools in need of continuous improvement under section 221837  
3302.03 of the Revised Code, as determined by the department. 221838

Subject to section 3314.016 of the Revised Code, an entity 221839  
that sponsors community schools may enter into preliminary 221840  
agreements and sponsor up to one hundred schools, provided each 221841  
school and the contract for sponsorship meets the requirements of 221842  
this chapter. 221843

(3) The ~~state board of education~~ department shall determine, 221844  
pursuant to criteria specified in rules adopted in accordance with 221845  
Chapter 119. of the Revised Code, whether the mission proposed to 221846  
be specified in the contract of a community school to be sponsored 221847  
by a state university board of trustees or the board's designee 221848  
under division (C)(1)(e) of section 3314.02 of the Revised Code 221849

complies with the requirements of that division. Such 221850  
determination of the ~~state board~~ department is final. 221851

(4) The ~~state board of education~~ department shall determine, 221852  
pursuant to criteria specified in rules adopted in accordance with 221853  
Chapter 119. of the Revised Code, if any tax-exempt entity under 221854  
section 501(c)(3) of the Internal Revenue Code that is proposed to 221855  
be a sponsor of a community school is an education-oriented entity 221856  
for purpose of satisfying the condition prescribed in division 221857  
(C)(1)(f)(iii) of section 3314.02 of the Revised Code. Such 221858  
determination of the ~~state board~~ department is final. 221859

(C) If at any time the ~~state board of education~~ department 221860  
finds that a sponsor is not in compliance or is no longer willing 221861  
to comply with its contract with any community school or with the 221862  
department's rules for sponsorship, the ~~state board or designee~~ 221863  
department shall conduct a hearing in accordance with Chapter 119. 221864  
of the Revised Code on that matter. If after the hearing, the 221865  
~~state board or designee~~ department has confirmed the original 221866  
finding, ~~the department of education~~ it may revoke the sponsor's 221867  
approval to sponsor community schools. In that case, the 221868  
department's office of Ohio school sponsorship, established under 221869  
section 3314.029 of the Revised Code, may assume the sponsorship 221870  
of any schools with which the sponsor has contracted until the 221871  
earlier of the expiration of two school years or until a new 221872  
sponsor as described in division (C)(1) of section 3314.02 of the 221873  
Revised Code is secured by the school's governing authority. The 221874  
office of Ohio school sponsorship may extend the term of the 221875  
contract in the case of a school for which it has assumed 221876  
sponsorship under this division as necessary to accommodate the 221877  
term of the department's authorization to sponsor the school 221878  
specified in this division. Community schools sponsored under this 221879  
division shall not apply to the limit on directly authorized 221880  
community schools under division (A)(3) of section 3314.029 of the 221881

Revised Code. However, nothing in this division shall preclude a 221882  
community school affected by this division from applying for 221883  
sponsorship under that section. 221884

(D) The decision of the department to disapprove an entity 221885  
for sponsorship of a community school or to revoke approval for 221886  
such sponsorship under division (C) of this section, may be 221887  
appealed by the entity in accordance with section 119.12 of the 221888  
Revised Code. 221889

(E) The department shall adopt procedures for use by a 221890  
community school governing authority and sponsor when the school 221891  
permanently closes and ceases operation, which shall include at 221892  
least procedures for data reporting to the department, handling of 221893  
student records, distribution of assets in accordance with section 221894  
3314.074 of the Revised Code, and other matters related to ceasing 221895  
operation of the school. 221896

(F)(1) In lieu of revoking a sponsor's authority to sponsor 221897  
community schools under division (C) of this section, if the 221898  
department finds that a sponsor is not in compliance with 221899  
applicable laws and administrative rules, the department shall 221900  
declare in a written notice to the sponsor the specific laws or 221901  
rules, or both, for which the sponsor is noncompliant. A sponsor 221902  
notified under division (F)(1) of this section shall respond to 221903  
the department not later than fourteen days after the notification 221904  
with a proposed plan to remedy the conditions for which the 221905  
sponsor was found to be noncompliant. The department shall approve 221906  
or disapprove the plan not later than fourteen days after 221907  
receiving it. If the plan is disapproved, the sponsor may submit a 221908  
revised plan to the department not later than fourteen days after 221909  
receiving notification of disapproval from the department or not 221910  
later than sixty days after the date the sponsor received 221911  
notification of noncompliance from the department, whichever is 221912  
earlier. The department shall approve or disapprove the revised 221913

plan not later than fourteen days after receiving it or not later 221914  
than sixty days after the date the sponsor received notification 221915  
of noncompliance from the department, whichever is earlier. A 221916  
sponsor may continue to make revisions by the deadlines prescribed 221917  
in division (F)(1) of this section to any revised plan that is 221918  
disapproved by the department until the sixtieth day after the 221919  
date the sponsor received notification of noncompliance from the 221920  
department. 221921

If a plan or a revised plan is approved, the sponsor shall 221922  
implement it not later than sixty days after the date the sponsor 221923  
received notification of noncompliance from the department or not 221924  
later than thirty days after the plan is approved, whichever is 221925  
later. If a sponsor does not respond to the department or 221926  
implement an approved compliance plan by the deadlines prescribed 221927  
by division (F)(1) of this section, or if a sponsor does not 221928  
receive approval of a compliance plan on or before the sixtieth 221929  
day after the date the sponsor received notification of 221930  
noncompliance from the department, the department shall declare in 221931  
written notice to the sponsor that the sponsor is in probationary 221932  
status, and may limit the sponsor's ability to sponsor additional 221933  
schools. 221934

(2) A sponsor that has been placed on probationary status 221935  
under division (F)(1) of this section may apply to the department 221936  
for its probationary status to be lifted. The application for a 221937  
sponsor's probationary status to be lifted shall include evidence, 221938  
occurring after the initial notification of noncompliance, of the 221939  
sponsor's compliance with applicable laws and administrative 221940  
rules. Not later than fourteen days after receiving an application 221941  
from the sponsor, the department shall decide whether or not to 221942  
remove the sponsor's probationary status. 221943

(G) In carrying out its duties under this chapter, the 221944  
department shall not impose requirements on community schools or 221945

their sponsors that are not permitted by law or duly adopted 221946  
rules. 221947

(H) This section applies to entities that sponsor conversion 221948  
community schools and new start-up schools. 221949

(I) Nothing in divisions (C) to (F) of this section prohibits 221950  
the department from taking any action permitted or required under 221951  
the written agreement between the department and a sponsoring 221952  
entity without a hearing on the matter, in the event that the 221953  
sponsor is unwilling or unable to fulfill its obligations. 221954

**Sec. 3314.016.** This section applies to any entity that 221955  
sponsors a community school, regardless of whether section 221956  
3314.021 or 3314.027 of the Revised Code exempts the entity from 221957  
the requirement to be approved for sponsorship under divisions 221958  
(A)(2) and (B)(1) of section 3314.015 of the Revised Code. The 221959  
office of Ohio school sponsorship established under section 221960  
3314.029 of the Revised Code shall be rated under division (B) of 221961  
this section, but divisions (A) and (C) of this section do not 221962  
apply to the office. 221963

(A) An entity that sponsors a community school shall be 221964  
permitted to enter into contracts under section 3314.03 of the 221965  
Revised Code to sponsor additional community schools only if the 221966  
entity meets all of the following criteria: 221967

(1) The entity is in compliance with all provisions of this 221968  
chapter requiring sponsors of community schools to report data or 221969  
information to the department of education and workforce. 221970

(2) The entity is not rated as "ineffective" under division 221971  
(B)(6) of this section. 221972

(3) Except as set forth in sections 3314.021 and 3314.027 of 221973  
the Revised Code, the entity has received approval from and 221974  
entered into an agreement with the department ~~of education~~ 221975

pursuant to section 3314.015 of the Revised Code. 221976

(B)(1) The department shall develop and implement an 221977  
evaluation system that annually rates and assigns an overall 221978  
rating to each entity that sponsors a community school. The 221979  
department, not later than the first day of February of each year, 221980  
shall post on the department's web site the framework for the 221981  
evaluation system, including technical documentation that the 221982  
department intends to use to rate sponsors for the next school 221983  
year. The department shall solicit public comment on the 221984  
evaluation system for thirty consecutive days. Not later than the 221985  
first day of April of each year, the department shall compile and 221986  
post on the department's web site all public comments that were 221987  
received during the public comment period. The evaluation system 221988  
shall be posted on the department's web site by the fifteenth day 221989  
of July of each school year. Any changes to the evaluation system 221990  
after that date shall take effect the following year. The 221991  
evaluation system shall be based on the following components: 221992

(a) Academic performance of students enrolled in community 221993  
schools sponsored by the same entity. The academic performance 221994  
component shall be derived from the performance measures 221995  
prescribed for the state report cards under section 3302.03 or 221996  
3314.017 of the Revised Code, and shall be based on the 221997  
performance of the schools for the school year for which the 221998  
evaluation is conducted. In addition to the academic performance 221999  
for a specific school year, the academic performance component 222000  
shall also include year-to-year changes in the overall sponsor 222001  
portfolio. For a community school for which no graded performance 222002  
measures are applicable or available, the department shall use 222003  
nonreport card performance measures specified in the contract 222004  
between the community school and the sponsor under division (A)(4) 222005  
of section 3314.03 of the Revised Code. 222006

(b) Adherence by a sponsor to the quality practices 222007

prescribed by the department under division (B)(3) of this section. For a sponsor that was rated "effective" or "exemplary" on its most recent rating, the department may evaluate that sponsor's adherence to quality practices once over a period of three years. If the department elects to evaluate a sponsor once over a period of three years, the most recent rating for a sponsor's adherence to quality practices shall be used when determining an annual overall rating conducted under this section.

(c) Compliance with all applicable laws and administrative rules by an entity that sponsors a community school.

Under the evaluation system prescribed under division (B)(1) of this section, the department shall not assign an overall rating of "ineffective" or lower to an entity that sponsors a community school solely because that entity received no points on one of the components prescribed under that division.

(2) In calculating an academic performance component, the department shall exclude all community schools that have been in operation for not more than two full school years and all community schools described in division (A)(4)(b) of section 3314.35 of the Revised Code. However, the academic performance of the community schools described in division (A)(4)(b) of section 3314.35 of the Revised Code shall be reported, but shall not be used as a factor when determining a sponsoring entity's rating under this section.

(3) The department, in consultation with entities that sponsor community schools, shall prescribe quality practices for community school sponsors and develop an instrument to measure adherence to those quality practices. The quality practices shall be based on standards developed by the national association of charter school authorizers or any other nationally organized community school organization.

(4)(a) The department may permit peer review of a sponsor's adherence to the quality practices prescribed under division (B)(3) of this section. Peer reviewers shall be limited to individuals employed by sponsors rated "effective" or "exemplary" on the most recent ratings conducted under this section.

(b) The department shall require individuals participating in peer review under division (B)(4)(a) of this section to complete training approved or established by the department.

(c) The department may enter into an agreement with another entity to provide training to individuals conducting peer review of sponsors. Prior to entering into an agreement with an entity, the department shall review and approve of the entity's training program.

(5) The ~~state board~~ director of education and workforce shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing standards for measuring compliance with applicable laws and rules under division (B)(1)(c) of this section.

(6) The department annually shall rate all entities that sponsor community schools as either "exemplary," "effective," "ineffective," or "poor," based on the components prescribed by division (B) of this section, where each component is weighted equally. A separate rating shall be given by the department for each component of the evaluation system.

The department shall publish the ratings between the first day of October and the fifteenth day of November.

Prior to the publication of the final ratings, the department shall designate and provide notice of a period of at least ten business days during which each sponsor may review the information used by the department to determine the sponsor's rating on the components prescribed by division (B)(1) of this section. If the sponsor believes there is an error in the department's evaluation,

the sponsor may request adjustments to the rating of any of those 222070  
components based on documentation previously submitted as part of 222071  
an evaluation. The sponsor shall provide to the department any 222072  
necessary evidence or information to support the requested 222073  
adjustments. The department shall review the evidence and 222074  
information, determine whether an adjustment is valid, and 222075  
promptly notify the sponsor of its determination and reasons. If 222076  
any adjustments to the data could result in a change to the rating 222077  
on the applicable component or to the overall rating, the 222078  
department shall recalculate the ratings prior to publication. 222079

The department shall provide training on an annual basis 222080  
regarding the evaluation system prescribed under this section. The 222081  
training shall, at a minimum, describe methodology, timelines, and 222082  
data required for the evaluation system. The first training 222083  
session shall occur not later than March 2, 2016. Beginning in 222084  
2018, the training shall be made available to each entity that 222085  
sponsors a community school by the fifteenth day of July of each 222086  
year and shall include guidance on any changes made to the 222087  
evaluation system. 222088

(7)(a) Entities with an overall rating of "exemplary" for the 222089  
two most recent years in which the entity was evaluated may take 222090  
advantage of the following incentives: 222091

(i) Renewal of the written agreement with the department, not 222092  
to exceed ten years, provided that the entity consents to 222093  
continued evaluation of adherence to quality practices as 222094  
described in division (B)(1)(b) of this section; 222095

(ii) The ability to extend the term of the contract between 222096  
the sponsoring entity and the community school beyond the term 222097  
described in the written agreement with the department; 222098

(iii) An exemption from the preliminary agreement and 222099  
contract adoption and execution deadline requirements prescribed 222100

in division (D) of section 3314.02 of the Revised Code; 222101

(iv) An exemption from the automatic contract expiration 222102  
requirement, should a new community school fail to open by the 222103  
thirtieth day of September of the calendar year in which the 222104  
community school contract is executed; 222105

(v) No limit on the number of community schools the entity 222106  
may sponsor; 222107

(vi) No territorial restrictions on sponsorship. 222108

who are the children of full-time staff members employed by the 223914  
school, provided the total number of students receiving this 223915  
preference is less than five per cent of the school's total 223916  
enrollment. 223917

Notwithstanding divisions (A) to (H) of this section, in the 223918  
event the racial composition of the enrollment of the community 223919  
school is violative of a federal desegregation order, the 223920  
community school shall take any and all corrective measures to 223921  
comply with the desegregation order. 223922

**Sec. 3314.072.** The provisions of this section are enacted to 223923  
promote the public health, safety, and welfare by establishing 223924  
procedures under which the governing authorities of community 223925  
schools established under this chapter will be held accountable 223926  
for their compliance with the terms of the contracts they enter 223927  
into with their school's sponsors and the law relating to the 223928  
school's operation. Suspension of the operation of a school 223929  
imposed under this section is intended to encourage the governing 223930  
authority's compliance with the terms of the school's contract and 223931  
the law and is not intended to be an alteration of the terms of 223932

that contract. 223933

(A) If a sponsor of a community school established under this 223934  
chapter suspends the operation of that school pursuant to 223935  
procedures set forth in this section, the governing authority 223936  
shall not operate that school while the suspension is in effect. 223937  
Any such suspension shall remain in effect until the sponsor 223938  
notifies the governing authority that it is no longer in effect. 223939  
The contract of a school of which operation is suspended under 223940  
this section also may be subject to termination or nonrenewal 223941  
under section 3314.07 of the Revised Code. 223942

(B) If at any time conditions at the school do not comply 223943  
with a health and safety standard established by law for school 223944  
buildings, the sponsor shall immediately suspend the operation of 223945  
the school pursuant to procedures set forth in division (D) of 223946  
this section. If the sponsor fails to take action to suspend the 223947  
operation of a school to which this division applies, the 223948  
department of education and workforce may take such action. 223949

(C)(1) For any of the reasons prescribed in ~~division~~ 223950  
divisions (B)(1)(a) to (d) of section 3314.07 of the Revised Code, 223951  
the sponsor of a community school established under this chapter 223952  
may suspend the operation of the school only if it first issues to 223953  
the governing authority notice of the sponsor's intent to suspend 223954  
the operation of the contract. Such notice shall explain the 223955  
reasons for the sponsor's intent to suspend operation of the 223956  
contract and shall provide the school's governing authority with 223957  
five business days to submit to the sponsor a proposal to remedy 223958  
the conditions cited as reasons for the suspension. 223959

(2) The sponsor shall promptly review any proposed remedy 223960  
timely submitted by the governing authority and either approve or 223961  
disapprove the remedy. If the sponsor disapproves the remedy 223962  
proposed by the governing authority, if the governing authority 223963  
fails to submit a proposed remedy in the manner prescribed by the 223964

sponsor, or if the governing authority fails to implement the 223965  
remedy as approved by the sponsor, the sponsor may suspend 223966  
operation of the school pursuant to procedures set forth in 223967  
division (D) of this section. 223968

(D)(1) If division (B) of this section applies or if the 223969  
sponsor of a community school established under this chapter 223970  
decides to suspend the operation of a school as permitted in 223971  
division (C)(2) of this section, the sponsor shall promptly send 223972  
written notice to the governing authority stating that the 223973  
operation of the school is immediately suspended, and explaining 223974  
the specific reasons for the suspension. The notice shall state 223975  
that the governing authority has five business days to submit a 223976  
proposed remedy to the conditions cited as reasons for the 223977  
suspension or face potential contract termination. 223978

(2) Upon receipt of the notice of suspension prescribed under 223979  
division (D)(1) of this section, the governing authority shall 223980  
immediately notify the employees of the school and the parents of 223981  
the students enrolled in the school of the suspension and the 223982  
reasons therefore, and shall cease all school operations on the 223983  
next business day. 223984

(E)(1) Beginning with the 2013-2014 school year, if the 223985  
sponsor of a community school suspends the operation of that 223986  
school pursuant to procedures set forth in this section, the 223987  
school's contract with the sponsor under section 3314.03 of the 223988  
Revised Code shall become void, if the governing authority of the 223989  
school fails to provide a proposal to remedy the conditions cited 223990  
by the sponsor as reasons for the suspension, to the satisfaction 223991  
of the sponsor, by the thirtieth day of September of the school 223992  
year immediately following the school year in which the operation 223993  
of school was suspended. 223994

(2) If, prior to ~~the effective date of this amendment~~ 223995  
September 29, 2013, the sponsor of a community school has 223996

suspended the operation of the school, the contract with the 223997  
sponsor under section 3314.03 of the Revised Code shall become 223998  
void if the governing authority of the school fails to provide by 223999  
September 30, 2014, a proposal to remedy the conditions cited by 224000  
the sponsor as reasons for the suspension, to the satisfaction of 224001  
the sponsor. 224002

**Sec. 3314.074.** Divisions (A) and (B) of this section apply 224003  
only to the extent permitted under Chapter 1702. of the Revised 224004  
Code. 224005

(A) If any community school established under this chapter 224006  
permanently closes and ceases its operation as a community school, 224007  
the assets of that school shall be distributed first to the 224008  
retirement funds of employees of the school, employees of the 224009  
school, and private creditors who are owed compensation, and then 224010  
any remaining funds shall be paid to the department of education 224011  
and workforce for redistribution to the school districts in which 224012  
the students who were enrolled in the school at the time it ceased 224013  
operation were entitled to attend school under section 3313.64 or 224014  
3313.65 of the Revised Code. The amount distributed to each school 224015  
district shall be proportional to the district's share of the 224016  
total enrollment in the community school. For any community school 224017  
that closes after fiscal year 2021, any remaining funds shall be 224018  
paid to the department ~~of education~~ and deposited into the state 224019  
general revenue fund. 224020

(B) If a community school closes and ceases to operate as a 224021  
community school and the school has received computer hardware or 224022  
software from the former Ohio SchoolNet commission or the former 224023  
eTech Ohio commission, such hardware or software shall be turned 224024  
over to the department ~~of education~~, which shall redistribute the 224025  
hardware and software, to the extent such redistribution is 224026  
possible, to school districts in conformance with the provisions 224027

of the programs as they were operated and administered by the 224028  
former eTech Ohio commission. 224029

(C) If the assets of the school are insufficient to pay all 224030  
persons or entities to whom compensation is owed, the 224031  
prioritization of the distribution of the assets to individual 224032  
persons or entities within each class of payees may be determined 224033  
by decree of a court in accordance with this section and Chapter 224034  
1702. of the Revised Code. 224035

Revised Code and becomes a single public benefit corporation shall 224038  
not be required to distribute assets pursuant to divisions (A), 224039  
(B), and (C) of this section, provided that the governing 224040  
authority of the community school created by the merger or 224041  
consolidation enters into a contract for sponsorship under section 224042  
3314.03 of the Revised Code with an entity rated "effective" or 224043  
higher by the department ~~of education~~ pursuant to section 3314.016 224044

~~within ninety days after April 8, 2003,~~ department shall adopt in 224193

Revised Code. For purposes of this division: 224199

(1) A student shall be considered enrolled in the community 224200  
school for any portion of the school year the student is 224201  
participating at a college under Chapter 3365. of the Revised 224202  
Code. 224203

(2) A student shall be considered to be enrolled in a 224204  
community school for the period of time beginning on the later of 224205  
the date on which the school both has received documentation of 224206  
the student's enrollment from a parent and the student has 224207  
commenced participation in learning opportunities as defined in 224208  
the contract with the sponsor, or thirty days prior to the date on 224209  
which the student is entered into the education management 224210  
information system established under section 3301.0714 of the 224211  
Revised Code. For purposes of applying this division and divisions 224212  
(H)(3) and (4) of this section to a community school student, 224213

"learning opportunities" shall be defined in the contract, which 224214  
shall describe both classroom-based and non-classroom-based 224215  
learning opportunities and shall be in compliance with criteria 224216  
and documentation requirements for student participation which 224217  
shall be established by the department. Any student's instruction 224218  
time in non-classroom-based learning opportunities shall be 224219  
certified by an employee of the community school. A student's 224220  
enrollment shall be considered to cease on the date on which any 224221

(a) The community school receives documentation from a parent 224223  
terminating enrollment of the student. 224224

(b) The community school is provided documentation of a 224225  
student's enrollment in another public or private school. 224226

(c) The community school ceases to offer learning 224227  
opportunities to the student pursuant to the terms of the contract 224228  
with the sponsor or the operation of any provision of this 224229  
chapter. 224230

Except as otherwise specified in this paragraph, beginning in 224231  
the 2011-2012 school year, any student who completed the prior 224232  
school year in an internet- or computer-based community school 224233  
shall be considered to be enrolled in the same school in the 224234  
subsequent school year until the student's enrollment has ceased 224235  
as specified in division (H)(2) of this section. The department 224236  
shall continue paying amounts for the student under section 224237  
3317.022 of the Revised Code without interruption at the start of 224238  
the subsequent school year. However, if the student without a 224239  
legitimate excuse fails to participate in the first seventy-two 224240  
consecutive hours of learning opportunities offered to the student 224241  
in that subsequent school year, the student shall be considered 224242  
not to have re-enrolled in the school for that school year and the 224243  
department shall recalculate the payments to the school for that 224244  
school year to account for the fact that the student is not 224245

enrolled. 224246

(3) The department shall determine each community school 224247  
student's percentage of full-time equivalency based on the 224248  
percentage of learning opportunities offered by the community 224249  
school to that student, reported either as number of hours or 224250  
number of days, is of the total learning opportunities offered by 224251  
the community school to a student who attends for the school's 224252  
entire school year. However, no internet- or computer-based 224253  
community school shall be credited for any time a student spends 224254  
participating in learning opportunities beyond ten hours within 224255  
any period of twenty-four consecutive hours. Whether it reports 224256  
hours or days of learning opportunities, each community school 224257  
shall offer not less than nine hundred twenty hours of learning 224258  
opportunities during the school year. 224259

(4) With respect to the calculation of full-time equivalency 224260  
under division (H)(3) of this section, the department shall waive 224261  
the number of hours or days of learning opportunities not offered 224262  
to a student because the community school was closed during the 224263  
school year due to disease epidemic, hazardous weather conditions, 224264  
law enforcement emergencies, inoperability of school buses or 224265  
other equipment necessary to the school's operation, damage to a 224266  
school building, or other temporary circumstances due to utility 224267  
failure rendering the school building unfit for school use, so 224268  
long as the school was actually open for instruction with students 224269  
in attendance during that school year for not less than the 224270  
minimum number of hours required by this chapter. The department 224271  
shall treat the school as if it were open for instruction with 224272

the conclusion of the hearing. 224335

(c) ~~If the board has enlisted a designee to conduct the~~ 224336

**Sec. 3314.083.** If the department of education and workforce 224379  
pays a joint vocational school district under division (C)(3) of 224380  
section 3317.16 of the Revised Code for excess costs of providing 224381  
special education and related services to a student with a 224382  
disability who is enrolled in a community school, as calculated 224383

**Sec. 3314.087.** (A) As used in this section: 224388

(1) "Career-technical program" means career-technical 224389  
programs or classes described in division (A)(1), (2), (3), (4), 224390  
or (5) of section 3317.014 of the Revised Code in which a student 224391  
is enrolled. 224392

(2) "Category one through five career-technical education 224393  
ADM," and "FTE basis" have the same meanings as in section 3317.02 224394  
of the Revised Code. 224395

(3) "Resident school district" means the city, exempted 224396  
village, or local school district in which a student is entitled 224397  
to attend school under section 3313.64 or 3313.65 of the Revised 224398  
Code. 224399

(B) Notwithstanding anything to the contrary in this chapter 224400  
or Chapter 3317. of the Revised Code, a student enrolled in a 224401  
community school may simultaneously enroll in the career-technical 224402  
program operated by the career-technical planning district to 224403  
which the student's resident district belongs. On an FTE basis, 224404  
the student's resident school district shall count the student in 224405

the proportion of the time the student is enrolled in a 224407

Revised Code in proportion to the fraction of the time on an FTE 224419  
basis that the student attends classes at the community school. 224420  
"Full-time equivalency" for a community school student, as defined 224421  
in division (H) of section 3314.08 of the Revised Code, does not 224422  
apply to the student. 224423

**Sec. 3314.091.** (A) A school district is not required to 224424

community school if the district board of education has entered 224426  
into an agreement with the community school's governing authority 224427  
that designates the community school as responsible for providing 224428  
or arranging for the transportation of the district's native 224429

(2) In accordance with divisions (C)(1) and (2) of this 224437  
section, it specifies qualifications, such as residing a minimum 224438  
distance from the school, for students to have their 224439  
transportation provided or arranged. 224440

(3) The transportation provided by the community school is 224441  
subject to all provisions of the Revised Code and all rules 224442  
adopted under the Revised Code pertaining to pupil transportation. 224443

(4) The sponsor of the community school also has signed the 224444  
agreement. 224445

(B)(1) For the school year that begins on July 1, 2007, a 224446  
school district is not required to provide transportation for any 224447  
native student enrolled in a community school, if the community 224448  
school during the previous school year transported the students 224449  
enrolled in the school or arranged for the students' 224450  
transportation, even if that arrangement consisted of having 224451  
parents transport their children to and from the school, but did 224452  
not enter into an agreement to transport or arrange for 224453  
transportation for those students under division (A) of this 224454  
section, and if the governing authority of the community school by 224455  
July 15, 2007, submits written notification to the district board 224456

July 1, 2007, a school district is not required to provide 224463  
transportation for any native student enrolled in a community 224464

community school. If the governing authority of the community 224470  
school has previously accepted responsibility for providing or 224471  
arranging for the transportation of a district's native students 224472  
to and from the community school, under division (B)(1) or (2) of 224473  
this section, and has since relinquished that responsibility under 224474  
division (B)(3) of this section, the governing authority shall not 224475  
accept that responsibility again unless the district board 224476  
consents to the governing authority's acceptance of that 224477  
responsibility. 224478

(3) A governing authority's acceptance of responsibility 224479  
under division (B)(1) or (2) of this section shall cover an entire 224480  
school year, and shall remain in effect for subsequent school 224481  
years unless the governing authority submits written notification 224482  
to the district board that the governing authority is 224483

shall not relinquish responsibility for transportation before the 224485  
end of a school year, and shall submit the notice relinquishing 224486  
responsibility by the thirty-first day of January, in order to 224487  
allow the school district reasonable time to prepare 224488  
transportation for its native students enrolled in the school. 224489

(4)(a) For any school year that begins on or after July 1, 224490  
2014, a school district is not required to provide transportation 224491  
for any native student enrolled in a community school scheduled to 224492  
open for operation in the current school year, if the governing 224493

authority of the community school, by the fifteenth day of April 224494  
of the previous school year, submits written notification to the 224495  
district board of education stating that the governing authority 224496  
is accepting responsibility for providing or arranging for the 224497  
transportation of the district's native students to and from the 224498  
community school. 224499

(b) The governing authority of a community school that 224500  
accepts responsibility for transporting its students under 224501  
division (B)(4)(a) of this section shall comply with divisions 224502  
(B)(2) and (3) of this section to renew or relinquish that 224503  
authority for subsequent school years. 224504

provide or arrange transportation free of any charge for each of 224508  
its enrolled students who is required to be transported under 224509  
section 3327.01 of the Revised Code. The governing authority shall 224510  
report to the department of education and workforce the number of 224511  
students transported or for whom transportation is arranged under 224512  
this section in accordance with rules adopted by the ~~state board~~ 224513  
~~of education~~ department. 224514

(2) The governing authority may provide or arrange 224515  
transportation for any other enrolled student who is not eligible 224516  
for transportation in accordance with division (C)(1) of this 224517  
section and may charge a fee for such service up to the actual 224518  
cost of the service. 224519

(3) Notwithstanding anything to the contrary in division 224520  
(C)(1) or (2) of this section, a community school governing 224521  
authority shall provide or arrange transportation free of any 224522  
charge for any disabled student enrolled in the school for whom 224523  
the student's individualized education program developed under 224524

pay the costs of providing or arranging for the transportation of 224528  
students who are eligible as specified in section 3327.01 of the 224529  
Revised Code and division (C)(1) of this section, which may 224530  
include payments to a parent, guardian, or other person in charge 224531  
of a child in lieu of transportation. 224532

(E) Except when arranged through payment to a parent, 224533  
guardian, or person in charge of a child, transportation provided 224534  
or arranged for by a community school pursuant to an agreement 224535  
under this section is subject to all provisions of the Revised 224536  
Code, and all rules adopted under the Revised Code, pertaining to 224537  
the construction, design, equipment, and operation of school buses 224538  
and other vehicles transporting students to and from school. The 224539

Revised Code, pertaining to drivers and mechanics of such 224542  
vehicles. The community school also shall comply with sections 224543  
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 224544  
of section 3327.16 of the Revised Code and, subject to division 224545  
(C)(1) of this section, sections 3327.01 and 3327.02 of the 224546  
Revised Code, as if it were a school district. 224547

**Sec. 3314.10.** (A)(1) The governing authority of any community 224548  
school established under this chapter may employ teachers and 224549  
nonteaching employees necessary to carry out its mission and 224550  
fulfill its contract. 224551

(2) Except as provided under division (A)(3) of this section, 224552  
employees hired under this section may organize and collectively 224553  
bargain pursuant to Chapter 4117. of the Revised Code. 224554  
Notwithstanding division (D)(1) of section 4117.06 of the Revised 224555  
Code, a unit containing teaching and nonteaching employees 224556

employed under this section shall be considered an appropriate 224557  
unit. Except as provided in divisions (B)(2)(b) and (c) of section 224558  
3307.01 of the Revised Code and in section 3309.013 of the Revised 224559

Revised Code, the board of education of a school district and not 224580

(B)(1) The board of education of each city, local, and 224653  
exempted village school district sponsoring a community school and 224654  
the governing board of each educational service center in which a 224655  
community school is located shall adopt a policy that provides a 224656  
leave of absence of at least three years to each teacher or 224657

employed by a conversion or new start-up community school 224659  
sponsored by the district or located in the district or center for 224660  
the period during which the teacher or employee is continuously 224661  
employed by the community school. The policy shall also provide 224662  
that any teacher or nonteaching employee may return to employment 224663  
by the district or service center if the teacher or employee 224664  
leaves or is discharged from employment with the community school 224665  
for any reason, unless, in the case of a teacher, the board of the 224666  
district or service center determines that the teacher was 224667  
discharged for a reason for which the board would have sought to 224668  
discharge the teacher under section 3311.82 or 3319.16 of the 224669  
Revised Code, in which case the board may proceed to discharge the 224670

of such a leave of absence, any seniority that is applicable to 224672  
the person shall be calculated to include all of the following: 224673  
all employment by the district or service center prior to the 224674  
leave of absence; all employment by the community school during 224675  
the leave of absence; and all employment by the district or 224676  
service center after the leave of absence. The policy shall also 224677  
provide that if any teacher holding valid certification returns to 224678  
employment by the district or service center upon termination of 224679  
such a leave of absence, the teacher shall be restored to the 224680  
previous position and salary or to a position and salary similar 224681

termination of such leaves of absence, a school district or 224683  
educational service center reduces the number of teachers it 224684

employs, it shall make such reductions in accordance with section 224685  
3319.171 of the Revised Code. 224686

Unless a collective bargaining agreement providing otherwise 224687

entire cost associated with such benefits, except that personal 224694  
leave and vacation leave cannot be accrued for use as an employee 224695  
of a school district or service center while in the employ of a 224696  
community school unless the district or service center board 224697

of this section, a conversion community school shall permit a 224700  
teacher to use sick leave accrued while in the employ of the 224701  
school district from which the leave of absence was taken and 224702

leave of absence uses sick leave so accrued, the cost of any 224704  
salary paid by the community school to the teacher for that time 224705  
shall be reported to the department of education and workforce. 224706  
The cost of employing a substitute teacher for that time shall be 224707  
paid by the community school. The department of education and 224708  
workforce shall add amounts to the payments made to a community 224709  
school under this chapter as necessary to cover the cost of salary 224710  
reported by a community school as paid to a teacher using sick 224711  
leave so accrued pursuant to this section. The department shall 224712  
subtract the amounts of any payments made to community schools 224713  
under this division from payments made to such sponsoring school 224714  
district under Chapter 3317. of the Revised Code. 224715

(3) "Teacher of record" means a teacher who is responsible 225171  
for the overall academic development and achievement of a student 225172  
and not merely the student's instruction in any single subject. 225173

(B)(1) It is the intent of the general assembly that teachers 225174  
employed by internet- or computer-based community schools conduct 225175  
visits with their students in person throughout the school year. 225176

(2) Each internet- or computer-based community school shall 225177  
retain an affiliation with at least one full-time teacher of 225178  
record licensed in accordance with division (A)(10) of section 225179  
3314.03 of the Revised Code. 225180

(3) Each student enrolled in an internet- or computer-based 225181  
community school shall be assigned to at least one teacher of 225182  
record. No teacher of record shall be primarily responsible for 225183  
the academic development and achievement of more than one hundred 225184

(C) For any internet- or computer-based community school, the 225187

school described in section 3314.03 of the Revised Code shall 225189  
specify each of the following: 225190

(1) A requirement that the school use a filtering device or 225191  
install filtering software that protects against internet access 225192  
to materials that are obscene or harmful to juveniles on each 225193  
computer provided to students for instructional use. The school 225194  
shall provide such device or software at no cost to any student 225195  
who works primarily from the student's residence on a computer 225196  
obtained from a source other than the school. 225197

(2) A plan for fulfilling the intent of the general assembly 225198  
specified in division (B)(1) of this section. The plan shall 225199  
indicate the number of times teachers will visit each student 225200

throughout the school year and the manner in which those visits will be conducted. 225201  
225202

(3) That the school will set up a central base of operation and the sponsor will maintain a representative within fifty miles of that base of operation to provide monitoring and assistance. 225203

225205

(D)(1) Annually, each internet- or computer-based community school shall prepare and submit to the department of education and workforce, in a time and manner prescribed by the department, a report that contains information about all of the following: 225206

(b) The ratio of teachers to students per classroom; 225211

(c) The number of student-teacher meetings conducted in person or by video conference; 225212  
225213

(d) Any other information determined necessary by the department. 225214  
225215

(2) The department annually shall prepare and ~~submit to the state board of education~~ issue a report that contains the information received under division (D)(1) of this section. 225216  
225217

**Sec. 3314.22.** (A)(1) Each child enrolled in an internet- or computer-based community school is entitled to a computer supplied by the school; however, the parent of any child enrolled in the school may waive this entitlement in the manner specified in division (A)(3) of this section. In no case shall an internet- or computer-based community school provide a stipend or other substitute to an enrolled child or the child's parent in lieu of supplying a computer to the child. The prohibition contained in the preceding sentence is intended to clarify the meaning of this division as it existed prior to September 29, 2005, and is not intended to change that meaning in any way. 225219

225223  
225224  
225225  
225226  
225227  
225228  
225229

(2) Notwithstanding division (A)(1) of this section, if more 225230

than one child living in a single residence is enrolled in an 225231  
internet- or computer-based community school, at the option of the 225232  
parent of those children, the school may supply less than one 225233  
computer per child, as long as at least one computer is supplied 225234  
to the residence. An internet- or computer-based community school 225235  
may supply no computer at all only if the parent has waived the 225236  
entitlement prescribed in division (A)(1) of this section in the 225237  
manner specified in division (A)(3) of this section. The parent 225238  
may amend the decision to accept less than one computer per child 225239  
anytime during the school year, and, in such case, within thirty 225240  
days after the parent notifies the school of such amendment, the 225241  
school shall provide any additional computers requested by the 225242  
parent up to the number necessary to comply with division (A)(1) 225243  
of this section. 225244

(3) The parent of any child enrolled in an internet- or 225245  
computer-based community school may waive the entitlement to one 225246  
computer per child, and have no computer at all supplied by the 225247  
school, if the school and parent set forth that waiver in writing 225248  
with both parties attesting that there is a computer available to 225249  
the child in the child's residence with sufficient hardware, 225250  
software, programming, and connectivity so that the child may 225251  
fully participate in all of the learning opportunities offered to 225252  
the child by the school. The parent may amend the decision to 225253  
waive the entitlement at any time during the school year and, in 225254  
such case, within thirty days after the parent notifies the school 225255  
of that decision, the school shall provide any additional 225256  
computers requested by the parent up to the number necessary to 225257  
comply with division (A)(1) of this section, regardless of whether 225258  
there is any change in the conditions attested to in the waiver. 225259

(4) A copy of a waiver executed under division (A)(3) of this 225260  
section shall be retained by the internet- or computer-based 225261  
community school and the parent who attested to the conditions 225262

prescribed in that division. The school shall submit a copy of the 225263  
waiver to the department of education and workforce immediately 225264  
upon execution of the waiver. 225265

(5) The school shall notify the department ~~of education~~, in 225266  
the manner specified by the department, of any parent's decision 225267  
under division (A)(2) of this section to accept less than one 225268  
computer per child or the parent's amendment to that decision, and 225269  
of any parent's decision to amend the waiver executed under 225270  
division (A)(3) of this section. 225271

(B) Each internet- or computer-based community school shall 225272  
provide to each parent who is considering enrolling the parent's 225273  
child in the school and to the parent of each child already 225274  
enrolled in the school a written notice of the provisions 225275  
prescribed in division (A) of this section. 225276

(C) If a community school that is not an internet- or 225277  
computer-based community school provides any of its enrolled 225278  
students with nonclassroom-based learning opportunities provided 225279  
via an internet- or other computer-based instructional method and 225280  
requires such students to participate in any of those learning 225281  
opportunities from their residences, the school shall be subject 225282  
to this section and division (C)(1) of section 3314.21 of the 225283  
Revised Code relative to each such student in the same manner as 225284  
an internet- or computer-based community school, unless both of 225285  
the following conditions apply to the student: 225286

(1) The nonclassroom-based learning opportunities in which 225287  
the student is required to participate from the student's 225288  
residence are supplemental in nature or do not constitute a 225289  
significant portion of the total classroom-based and 225290  
nonclassroom-based learning opportunities provided to the student 225291  
by the school; 225292

(2) The student's residence is equipped with a computer 225293

available for the student's use. 225294

**Sec. 3314.232.** The ~~superintendent of public instruction~~ 225295  
department of education and workforce shall establish by rule 225296  
adopted in accordance with Chapter 119. of the Revised Code 225297  
standards for learning management software to be used by internet- 225298  
and computer-based community schools. 225299

**Sec. 3314.24.** (A) On or after July 1, 2004, no internet- or 225300  
computer-based community school shall enter into a contract with a 225301  
nonpublic school to use or rent any facility space at the 225302  
nonpublic school for the provision of instructional services to 225303  
students enrolled in the internet- or computer-based community 225304  
school. 225305

(B) If an internet- or computer-based community school has a 225306  
contract with a nonpublic school as described in division (A) of 225307  
this section, the department of education and workforce shall not 225308  
make any payments under section 3317.022 of the Revised Code to 225309  
the internet- or computer-based community school for any student 225310  
who is enrolled in the internet- or computer-based community 225311  
school and receives any instructional services from the internet- 225312  
or computer-based community school at the nonpublic school. 225313

**Sec. 3314.26.** (A) Each internet- or computer-based community 225314  
school shall withdraw from the school any student who, for two 225315  
consecutive school years of enrollment in the school, has failed 225316  
to participate in the spring administration of any assessment 225317  
prescribed under section 3301.0710 or 3301.0712 of the Revised 225318  
Code for the student's grade level and was not excused from the 225319  
assessment pursuant to division (C)(1) or (3) of section 3301.0711 225320  
of the Revised Code, regardless of whether a waiver was granted 225321  
for the student under division (L)(3) of section 3314.08 of the 225322  
Revised Code. The school shall report any such student's data 225323

verification code, as assigned pursuant to section 3301.0714 of 225324  
the Revised Code, to the department of education and workforce. 225325  
The department shall maintain a list of all data verification 225326  
codes reported under this division and section 3313.6410 of the 225327  
Revised Code and provide that list to each internet- or 225328  
computer-based community school and to each school to which 225329  
section 3313.6410 of the Revised Code applies. 225330

(B) No internet- or computer-based community school shall 225331  
receive any state funds under this chapter for any enrolled 225332  
student whose data verification code appears on the list 225333  
maintained by the department under division (A) of this section. 225334

Notwithstanding any provision of the Revised Code to the 225335  
contrary, the parent of any such student shall pay tuition to the 225336  
internet- or computer-based community school in an amount equal to 225337  
the state funds the school otherwise would receive for that 225338  
student, as determined by the department. An internet- or 225339  
computer-based community school may withdraw any student for whom 225340  
the parent does not pay tuition as required by this division. 225341

**Sec. 3314.27.** No student enrolled in an internet- or 225342  
computer-based community school may participate in more than ten 225343  
hours of learning opportunities in any period of twenty-four 225344  
consecutive hours. Any time such a student participates in 225345  
learning opportunities beyond the limit prescribed in this section 225346  
shall not count toward the annual minimum number of hours required 225347  
to be provided to that student as prescribed in division 225348  
(A)(11)(a) of section 3314.03 of the Revised Code. If any 225349  
internet- or computer-based community school requires its students 225350  
to participate in learning opportunities on the basis of days 225351  
rather than hours, one day shall consist of a minimum of five 225352  
hours of such participation. 225353

Each internet- or computer-based community school shall keep 225354

an accurate record of each individual student's participation in 225355  
learning opportunities each day. The record shall be kept in such 225356  
a manner that the information contained within it easily can be 225357  
submitted to the department of education and workforce, upon 225358  
request by the department or the auditor of state. 225359

**Sec. 3314.271.** (A) Each internet- or computer-based community 225360  
school shall offer a student orientation course and shall notify 225361  
each student who enrolls in that school of that student's 225362  
opportunity to participate in the student orientation course. 225363  
225364

(B) The department of education and workforce shall provide 225365  
guidance to internet- or computer-based community schools for 225366  
developing and delivering the orientation course. 225367

(C) Each internet- or computer-based community school may, at 225368  
the time of a particular student's enrollment in that school, ask 225369  
the student's parent or guardian to estimate the length of time 225370  
the student will attend the school. Any information collected 225371  
pursuant to this division shall be included in an aggregated 225372  
format in the school's annual report required by division 225373  
(A)(11)(g) of section 3314.03 of the Revised Code. 225374

(D) Each internet- or computer-based community school, on a 225375  
periodic basis throughout each school year, shall communicate with 225376  
each student's parent, guardian, or custodian regarding the 225377  
performance and progress of that student. Each internet- or 225378  
computer-based community school also shall provide opportunities 225379  
for parent-teacher conferences, shall document the school's 225380  
requests for such conferences, and may permit students to 225381  
participate in the conferences. Parent-teacher conferences may be 225382  
conducted through electronic means. 225383

**Sec. 3314.28.** (A) Each internet- or computer-based community 225384

school established under this chapter shall submit to the school's 225385  
sponsor a plan for providing special education and related 225386  
services to disabled students enrolled in the school in accordance 225387  
with division (A)(1) or (2) of this section. 225388

(1) If the school was established prior to ~~the effective date~~ 225389  
~~of this section~~ June 30, 2005, the plan shall be submitted to the 225390  
sponsor on or before September 1, 2005, and on or before the first 225391  
day of September in each year thereafter that the school is in 225392  
operation. 225393

(2) If the school is established after ~~the effective date of~~ 225394  
~~this section~~ June 30, 2005, the plan shall be submitted to the 225395  
sponsor prior to the school's receipt of its first payment under 225396  
this chapter and on or before the first day of September in each 225397  
year thereafter that the school is in operation. 225398

(B) Within thirty days after receiving the plan prescribed in 225399  
division (A) of this section, the sponsor of each internet- or 225400  
computer-based community school shall certify all of the following 225401  
to the department of education and workforce: 225402

(1) A statement of whether the plan received is satisfactory 225403  
to the sponsor; 225404

(2) If the plan received is not satisfactory to the sponsor, 225405  
the sponsor's assurance that it will promptly assist the school in 225406  
developing a plan that is satisfactory to the sponsor; 225407

(3) The sponsor's assurance that it will monitor the 225408  
implementation of the plan; 225409

(4) The sponsor's assurance that it will take any necessary 225410  
corrective action to ensure that the school's plan is properly and 225411  
fully implemented. 225412

(C) The department shall develop guidelines for the content 225413  
and format of the plan required under this section. 225414

division (A) of this section, the department annually shall pay 225765  
the community school up to \$5,000, as determined by the department 225766  
based on the extent of the individual's successful completion of 225767  
the graduation requirements prescribed under division (A)(11)(f) 225768  
of section 3314.03 of the Revised Code. 225769

(C) A community school that enrolls individuals under 225770  
division (A) of this section shall be subject to the program 225771  
administration standards adopted by the department under section 225772  
3317.231 of the Revised Code, as applicable. 225773

**Sec. 3314.50.** No community school shall initiate operation, 225774  
on or after ~~the effective date of this amendment~~ February 1, 2016, 225775  
unless the governing authority of the school has posted a bond in 225776  
the amount of fifty thousand dollars with the auditor of state. 225777  
The bond or cash guarantee shall be used, in the event the school 225778  
closes, to pay the auditor of state any moneys owed or that become 225779

owed by the school for the costs of audits conducted by the 225780  
auditor of state or a public accountant under Chapter 117. of the 225781  
Revised Code. 225782

The department of education and workforce shall notify the 225783  
auditor of state of the proposed initiation of operations of any 225784  
community school and shall provide the auditor of state with the 225785  
certification of the sponsor of the community school of the 225786  
compliance by the community school with all legal preconditions to 225787  
the initiation of its operations, including compliance with this 225788  
section. 225789

In lieu of the bond, the governing authority of the school, 225790  
the school's sponsor, or an operator that has a contract with the 225791  
school may deposit with the auditor of state cash in the amount of 225792  
fifty thousand dollars as guarantee of payment under the 225793  
provisions of this section. In lieu of a bond or a cash deposit, 225794  
the school's sponsor or an operator that has a contract with the 225795  
school may provide a written guarantee of payment, which shall 225796  
obligate the school's sponsor or the operator that provides the 225797  
written guarantee to pay the cost of audits of the school under 225798  
this section up to the amount of fifty thousand dollars. Any such 225799  
written guarantee shall be binding upon any successor entity that 225800  
enters into a contract to sponsor or to operate the school, and 225801  
any such entity, as a condition of its undertaking shall 225802  
acknowledge and accept such obligation. 225803

In the event that a sponsor or operator has provided a 225804  
written guarantee under this section, and, subsequent to the 225805  
provision of the guarantee, the governing authority of the school 225806  
posts a bond under this section, or the governing authority of the 225807  
school, a sponsor, or an operator provides a cash deposit of fifty 225808  
thousand dollars as required, the written guarantee shall cease to 225809  
be of further effect. 225810

As soon as it is practicable to do so after the filing of a 225811  
bond or the deposit of cash, the auditor of state shall deliver 225812  
the bond or cash to the treasurer of state, who shall hold it in 225813  
trust for the purposes prescribed in this section. The treasurer 225814  
of state shall be responsible for the safekeeping of all bonds 225815  
filed or cash deposited under this section. The auditor of state 225816  
shall notify the department of ~~education~~ when the school's 225817  
governing authority has filed the bond, deposited the cash 225818  
guarantee, or submitted a written guarantee of payment. 225819

When the auditor of state conducts an audit of a community 225820  
school that has closed and is subject to the requirements of this 225821  
section, the auditor of state shall certify the amount of 225822  
forfeiture to the treasurer of state, who shall assess the bond 225823  
for the costs of the audit or shall pay money from the named 225824  
insurer or from the school's cash deposit for the costs of the 225825  
audit to reimburse the auditor of state or public accountant for 225826  
costs incurred in conducting audits of the school. 225827

To the extent that the amount of the bond or the cash deposit 225828  
is not needed to cover audit costs, the bond shall be of no 225829  
further effect, and any cash balance shall be refunded by the 225830  
treasurer of state to the entity which provided the bond. When the 225831  
auditor of state conducts an audit of a community school that has 225832  
closed and is subject to the requirements of this section, and, as 225833  
to which, a written guarantee has been given under this section, 225834  
the entity that provided the guarantee shall be solely and fully 225835  
liable for any such audit costs, and shall promptly pay the costs 225836  
of the audit up to fifty thousand dollars. 225837

No community school that is subject to the provisions of this 225838  
section shall maintain or continue its operations absent the 225839  
ongoing provision of a bond, a cash deposit, or a written 225840  
guarantee as required by this section. 225841

Sec. 3314.51. (A) If the auditor of state or a public 225842  
accountant, under section 117.41 of the Revised Code, declares a 225843  
community school to be unauditabile, the auditor of state shall 225844  
provide written notification of that declaration to the school, 225845  
the school's sponsor, and the department of education and 225846  
workforce. The auditor of state also shall post the notification 225847  
on the auditor of state's web site. 225848

(B) If the community school's current fiscal officer held 225849  
that position during the period for which the school is 225850  
unauditabile, upon receipt of the notification under division (A) 225851  
of this section, the governing authority of the school shall 225852  
suspend the fiscal officer until the auditor of state or a public 225853  
accountant has completed an audit of the school, except that if 225854  
the school has an operator and the operator employs the fiscal 225855  
officer, the operator shall suspend the fiscal officer for that 225856  
period. Suspension of the fiscal officer may be with or without 225857  
pay, as determined by the entity imposing the suspension based on 225858  
the circumstances that prompted the auditor of state's 225859  
declaration. The entity imposing the suspension shall appoint a 225860  
person to assume the duties of the fiscal officer during the 225861  
period of the suspension. If the appointee is not licensed as a 225862  
treasurer under section 3301.074 of the Revised Code, the 225863  
appointee shall be approved by the ~~superintendent of public~~ 225864  
~~instruction~~ director of education and workforce before assuming 225865  
the duties of the fiscal officer. The state board of education may 225866  
take action under section 3319.31 of the Revised Code to suspend, 225867  
revoke, or limit the license of a fiscal officer who has been 225868  
suspended under this division. 225869

(C) Notwithstanding any provision to the contrary in this 225870  
chapter or in any other provision of law, the sponsor of the 225871  
community school shall not enter into contracts with any 225872  
additional community schools under section 3314.03 of the Revised 225873

Code between ninety days after the date of the declaration under 225874  
division (A) of this section and the date the auditor of state or 225875  
a public accountant has completed a financial audit of the school. 225876

(D) Not later than forty-five days after receiving the 225877  
notification under division (A) of this section, the sponsor of 225878  
the community school shall provide a written response to the 225879  
auditor of state. The sponsor shall provide a copy of the response 225880  
to the community school. The response shall include the following: 225881

(1) An overview of the process the sponsor will use to review 225882  
and understand the circumstances that led to the community school 225883  
becoming unauditabile; 225884

(2) A plan for providing the auditor of state with the 225885  
documentation necessary to complete an audit of the community 225886  
school and for ensuring that all financial documents are available 225887  
in the future; 225888

(3) The actions the sponsor will take to ensure that the plan 225889  
described in division (D)(2) of this section is implemented. 225890

(E) If the community school fails to make reasonable efforts 225891  
and continuing progress to bring its accounts, records, files, or 225892  
reports into an auditable condition within ninety days after being 225893  
declared unauditabile, the auditor of state, in addition to 225894  
requesting legal action under sections 117.41 and 117.42 of the 225895  
Revised Code, shall notify the school's sponsor and the department 225896  
of the school's failure. If the auditor of state or a public 225897  
accountant subsequently is able to complete a financial audit of 225898  
the school, the auditor of state shall notify the school's sponsor 225899  
and the department that the audit has been completed. 225900

(F) Notwithstanding any provision to the contrary in this 225901  
chapter or in any other provision of law, upon notification by the 225902  
auditor of state under division (E) of this section that the 225903  
community school has failed to make reasonable efforts and 225904

continuing progress to bring its accounts, records, files, or 225905  
reports into an auditable condition, the department shall 225906  
immediately cease all payments to the school under this chapter 225907  
and any other provision of law. Upon subsequent notification from 225908  
the auditor of state under that division that the auditor of state 225909  
or a public accountant was able to complete a financial audit of 225910  
the community school, the department shall release all funds 225911  
withheld from the school under this section. 225912

**Sec. 3315.18.** (A) The board of education of each city, 225913  
exempted village, local, and joint vocational school district 225914  
shall establish a capital and maintenance fund. Each board 225915  
annually shall deposit into that fund an amount derived from 225916  
revenues received by the district that would otherwise have been 225917  
deposited in the general fund that is equal to three per cent of 225918  
the statewide average base cost per pupil for the preceding fiscal 225919  
year, as defined in section 3317.02 of the Revised Code, or 225920  
another percentage if established by the auditor of state under 225921  
division (B) of this section, multiplied by the district's student 225922  
population for the preceding fiscal year, except that money 225923  
received from a permanent improvement levy authorized by section 225924  
5705.21 of the Revised Code may replace general revenue moneys in 225925  
meeting the requirements of this section. Money in the fund shall 225926  
be used solely for acquisition, replacement, enhancement, 225927  
maintenance, or repair of permanent improvements, as that term is 225928  
defined in section 5705.01 of the Revised Code. Any money in the 225929  
fund that is not used in any fiscal year shall carry forward to 225930  
the next fiscal year. 225931

(B) The ~~state superintendent of public instruction~~ director 225932  
of education and workforce and the auditor of state jointly shall 225933  
adopt rules in accordance with Chapter 119. of the Revised Code 225934  
defining what constitutes expenditures permitted by division (A) 225935  
of this section. The auditor of state may designate a percentage, 225936

other than three per cent, of the statewide average base cost per pupil multiplied by the district's student population that must be deposited into the fund.

(C) Within its capital and maintenance fund, a school district board of education may establish a separate account solely for the purpose of depositing funds transferred from the district's reserve balance account established under former division (H) of section 5705.29 of the Revised Code. After April 10, 2001, a board may deposit all or part of the funds formerly included in such reserve balance account in the separate account established under this section. Funds deposited in this separate account and interest on such funds shall be utilized solely for the purpose of providing the district's portion of the basic project costs of any project undertaken in accordance with Chapter 3318. of the Revised Code.

(D)(1) Notwithstanding division (A) of this section, in any year a district is in fiscal emergency status as declared pursuant to section 3316.03 of the Revised Code, the district may deposit an amount less than required by division (A) of this section, or make no deposit, into the district capital and maintenance fund for that year.

(2) Notwithstanding division (A) of this section, in any fiscal year that a school district is either in fiscal watch status, as declared pursuant to section 3316.03 of the Revised Code, or in fiscal caution status, as declared pursuant to section 3316.031 of the Revised Code, the district may apply to the ~~superintendent of public instruction~~ director of education and workforce for a waiver from the requirements of division (A) of this section, under which the district may be permitted to deposit an amount less than required by that division or permitted to make no deposit into the district capital and maintenance fund for that year. The ~~superintendent~~ director may grant a waiver under

division (D)(2) of this section if the district demonstrates to 225969  
the satisfaction of the ~~superintendent~~ director that compliance 225970  
with division (A) of this section that year will create an undue 225971  
financial hardship on the district. 225972

(3) Notwithstanding division (A) of this section, not more 225973  
often than one fiscal year in every three consecutive fiscal 225974  
years, any school district that does not satisfy the conditions 225975  
for the exemption described in division (D)(1) of this section or 225976  
the conditions to apply for the waiver described in division 225977  
(D)(2) of this section may apply to the ~~superintendent of public~~ 225978  
~~instruction~~ director for a waiver from the requirements of 225979  
division (A) of this section, under which the district may be 225980  
permitted to deposit an amount less than required by that division 225981  
or permitted to make no deposit into the district capital and 225982  
maintenance fund for that year. The ~~superintendent~~ director may 225983  
grant a waiver under division (D)(3) of this section if the 225984  
district demonstrates to the satisfaction of the ~~superintendent~~ 225985  
director that compliance with division (A) of this section that 225986  
year will necessitate the reduction or elimination of a program 225987  
currently offered by the district that is critical to the academic 225988  
success of students of the district and that no reasonable 225989  
alternatives exist for spending reductions in other areas of 225990  
operation within the district that negate the necessity of the 225991  
reduction or elimination of that program. 225992

(E) Notwithstanding any provision to the contrary in Chapter 225993  
4117. of the Revised Code, the requirements of this section 225994  
prevail over any conflicting provisions of agreements between 225995  
employee organizations and public employers entered into after 225996  
November 21, 1997. 225997

(F) As used in this section, "student population" means the 225998  
average, daily, full-time equivalent number of students in 225999  
kindergarten through twelfth grade receiving any educational 226000

services from the school district during the first full school week in October, excluding students enrolled in adult education classes, but including all of the following:

(1) Adjacent or other district students enrolled in the district under an open enrollment policy pursuant to section 3313.98 of the Revised Code;

(2) Students receiving services in the district pursuant to a compact, cooperative education agreement, or a contract, but who are entitled to attend school in another district pursuant to section 3313.64 or 3313.65 of the Revised Code;

(3) Students for whom tuition is payable pursuant to sections 3317.081 and 3323.141 of the Revised Code.

The department of education and workforce shall determine a district's student population using data reported to it under section 3317.03 of the Revised Code for the applicable fiscal year.

**Sec. 3315.181.** As used in this section, "securities" has the same meaning as in section 133.01 of the Revised Code.

Notwithstanding division (A) of section 3315.18 of the Revised Code, the board of education of a city, exempted village, local, or joint vocational school district, in meeting the amount required by that division to be deposited in the district's capital and maintenance fund, may replace general fund revenues with proceeds received from a permanent improvement levy authorized by section 5705.21 of the Revised Code only to the extent the proceeds are available to be used for the acquisition, replacement, enhancement, maintenance, or repair of permanent improvements as defined in section 5705.01 of the Revised Code. In addition, the board may replace general fund revenues with proceeds received from any of the following sources in meeting the

amount required by that division to be deposited in the fund: 226031

(A) Proceeds received from any securities whose use is 226032  
limited to the acquisition, replacement, enhancement, maintenance, 226033  
or repair of permanent improvements; 226034

(B) Insurance proceeds received as a result of the damage to 226035  
or theft or destruction of a permanent improvement to the extent a 226036  
board of education places the proceeds in a separate fund for the 226037  
acquisition, replacement, enhancement, maintenance, or repair of 226038  
permanent improvements; 226039

(C) Proceeds received from the sale of a permanent 226040  
improvement to the extent the proceeds are paid into a separate 226041  
fund for the construction or acquisition of permanent 226042  
improvements; 226043

(D) Proceeds received from a tax levy authorized by section 226044  
3318.06 of the Revised Code to the extent the proceeds are 226045  
available to be used for the maintenance of capital facilities; 226046

(E) Proceeds of certificates of participation issued as part 226047  
of a lease-purchase agreement entered into under section 3313.375 226048  
of the Revised Code; 226049

(F) Proceeds of any school district income tax levied under 226050  
Chapter 5748. of the Revised Code for permanent improvements, to 226051  
the extent the proceeds are available for the acquisition, 226052  
replacement, enhancement, maintenance, or repair of permanent 226053  
improvements; 226054

(G) Any other revenue source identified by the auditor of 226055  
state, in consultation with the department of education and 226056  
workforce, in rules adopted by the auditor of state. 226057

**Sec. 3315.33.** There is hereby established a fund to be known 226058  
as the Ohio scholarship fund for teacher trainees for the public 226059  
purpose of relieving the existing teacher shortage in public 226060

schools, to be administered and expended as prescribed in sections 226061  
3315.33 to 3315.35 of the Revised Code. Appropriations by the 226062  
general assembly for the purpose of scholarships for teacher 226063  
trainees shall be paid into this fund. 226064

Each scholarship for a teacher trainee shall have a maximum 226065  
value of five hundred dollars annually and shall be awarded as 226066  
follows: 226067

(A) The ~~state board~~ department of education and workforce 226068  
shall prescribe standards and requirements which shall be met by 226069  
persons who are eligible for such scholarships. Scholarships shall 226070  
be allocated among the counties of the state on an equitable basis 226071  
by the ~~state board of education~~ department, provided that not less 226072  
than three such scholarships shall be available annually to 226073  
residents of each county of the state. If, on the first day of 226074  
September in each year, the ~~state board of education~~ department 226075  
finds that the number of eligible persons recommended from any 226076  
county is less than the number of scholarships allocated to that 226077  
county, it may reallocate the remaining scholarships among the 226078  
counties in which the number of eligible persons exceeds the 226079  
number of scholarships allocated. Such reallocation as may affect 226080  
a county in one year shall not prejudice in any way the allocation 226081  
to it in succeeding years. 226082

(B) In accordance with the requirements of sections 3315.33, 226083  
3315.34, and 3315.35 of the Revised Code, the educational service 226084  
center superintendent in each educational service center as 226085  
committee chairperson shall appoint a committee consisting of one 226086  
high school principal, one elementary school principal, and one 226087  
classroom teacher. This committee shall select and recommend, on 226088  
the basis of merit, a number of high school graduates, not to 226089  
exceed the number allocated to each county by the ~~state board of~~ 226090  
~~education~~ department, who are interested in teaching and whose 226091  
work and qualifications are such as to indicate that they possess 226092

the qualities which should be possessed by a successful teacher. 226093  
Such persons shall not have previously been enrolled in any 226094  
college of education or have majored in education in any college 226095  
or university. Such other college training shall be considered in 226096  
determining such person's qualifications to become a successful 226097  
teacher. 226098

(C) The scholarship fund for teacher trainees shall be 226099  
disbursed to scholarship holders upon their application as 226100  
approved by the ~~state board of education~~ department upon vouchers 226101  
for that purpose. Such scholarships shall be paid in equal 226102  
installments at the beginning of each quarter or semester while 226103  
college is in session to each person who has been awarded such a 226104  
scholarship when the following requirements are met: 226105

(2) Such person shall pursue a course of study in elementary 226109  
education in said college of education or department of teacher 226110  
training approved by the ~~state board of education~~ department of 226111  
education and workforce. 226112

**Sec. 3315.34.** Each person who receives a scholarship shall 226113  
execute a promissory note which shall be endorsed by some 226114  
responsible citizen, and shall deliver said note to the ~~state~~ 226115  
~~board~~ department of education and workforce or to its 226116  
representative. Each such note shall be made payable to the 226117  
treasurer of state for the amount of the quarterly or semi-annual 226118  
payment, and shall bear interest at the rate of five per cent per 226119  
annum from the date of the note. The ~~state board of education~~ 226120  
department shall hold said note until it has been paid or 226121  
cancelled as prescribed in section 3315.35 of the Revised Code. 226122

Each person awarded a scholarship under the terms of sections 226123

3315.33 to 3315.35 of the Revised Code shall be eligible upon the 226124  
completion of satisfactory work during the first year, under rules 226125  
and regulations promulgated by the ~~state board of education~~ 226126  
department, to have the scholarship renewed for a period not to 226127  
exceed one additional year. 226128

**Sec. 3315.35.** At the expiration of each school year of 226129  
service as a teacher in the public schools of Ohio by a person who 226130  
has benefited from a scholarship granted under sections 3315.33 to 226131  
3315.35 of the Revised Code, such person shall submit to the ~~state~~ 226132  
~~board~~ department of education and workforce a statement of service 226133  
on a form provided for that purpose and certified by the 226134  
superintendent of the school district in which the person has 226135  
taught. Upon receipt of such statement in proper form, the board 226136  
shall cancel the oldest notes given by such person covering the 226137  
scholarship for one year and the interest accrued thereon. If for 226138  
any reason a recipient of a scholarship ceases or, after 226139  
licensure, fails to teach in the public schools of Ohio, except 226140  
for death or total disability, or fails to file with the board by 226141  
July first of each year a statement concerning the recipient's 226142  
previous year's employment and address for the ensuing year, any 226143  
and all unpaid or uncanceled notes and interest thereon shall 226144  
become due and payable and the board shall transmit all such notes 226145  
promptly to the treasurer of state and the treasurer of state 226146  
shall enforce collection of the principal amount of any 226147  
uncanceled or unpaid notes held by the treasurer of state and the 226148

general revenue fund. 226150

**Sec. 3316.03.** (A) The existence of a fiscal watch shall be 226151

(a) An operating deficit has been certified for the current 226162  
fiscal year by the auditor of state, and the certified operating 226163

fund revenue for the preceding fiscal year; 226165

(b) A majority of the voting electors have not voted in favor 226166  
of levying a tax under section 5705.194, 5705.199, or 5705.21 or 226167  
Chapter 5748. of the Revised Code that the auditor of state 226168

year. 226172

(2) The auditor of state shall declare a school district to 226173  
be in a state of fiscal watch if the auditor of state determines 226174

are satisfied: 226181

(a) The ~~superintendent of public instruction~~ director has 226182  
reported to the auditor of state that the ~~superintendent~~ director 226183  
has declared the district under section 3316.031 of the Revised 226184

Code to be under a fiscal caution, has found that the district has 226185  
not acted reasonably to eliminate or correct practices or 226186  
conditions that prompted the declaration, and has determined the 226187  
declaration of a state of fiscal watch necessary to prevent 226188  
further fiscal decline; 226189

(b) The auditor of state determines that the decision of the 226190

If the auditor of state determines that the decision of the 226192  
~~superintendent~~ director is not reasonable, the auditor of state 226193

Chapter 5748. of the Revised Code that the auditor of state 226206  
expects will raise enough additional revenue in the next 226207  
succeeding fiscal year that division (A)(4)(a) of this section 226208  
will not apply to the district in the next succeeding fiscal year; 226209

(c) The auditor of state determines that there is no 226210  
reasonable cause for the deficit or that the declaration of fiscal 226211  
watch is necessary to prevent further fiscal decline in the 226212  
district. 226213

(B)(1) The auditor of state shall issue an order declaring a 226214  
school district to be in a state of fiscal emergency if the 226215

are satisfied with respect to the school district: 226217

(a) An operating deficit has been certified for the current 226218

year. 226228

(2) The auditor of state shall issue an order declaring a 226229

Code, to submit a plan acceptable to the ~~state superintendent of~~ 226232  
~~public instruction~~ director of education and workforce within one 226233  
hundred twenty days of the auditor of state's declaration under 226234

(3) The auditor of state shall issue an order declaring a 226237

of fiscal emergency necessary to prevent further fiscal decline; 226246

(b) The auditor of state finds that the determination of the ~~superintendent~~ director is reasonable. 226247  
226248

If the auditor of state determines that the decision of the ~~superintendent~~ director is not reasonable, the auditor of state 226249  
226250 shall provide the ~~superintendent~~ director a written explanation of 226251  
226252 that determination.

(4) The auditor of state shall issue an order declaring a 226253  
226254 school district to be in a state of fiscal emergency if a 226255

(5) The auditor of state may issue an order declaring a 226257  
226258 school district to be in a state of fiscal emergency if all of the 226259  
226259 following conditions are satisfied:

(a) An operating deficit has been certified for the current 226260  
226261 fiscal year by the auditor of state, and the certified operating 226262  
226262 deficit exceeds ten per cent, but does not exceed fifteen per 226263  
226263 cent, of the school district's general fund revenue for the 226264  
226264 preceding fiscal year;

(b) A majority of the voting electors have not voted in favor 226265  
226266 of levying a tax under section 5705.194, 5705.199, or 5705.21 or 226267  
226267 Chapter 5748. of the Revised Code that the auditor of state 226268  
226268 expects will raise enough additional revenue in the next 226269  
226269 succeeding fiscal year that division (B)(5)(a) of this section 226270  
226270 will not apply to the district in the next succeeding fiscal year;

(c) The auditor of state determines that a declaration of 226271  
226272 fiscal emergency is necessary to correct the district's fiscal 226273  
226273 problems and to prevent further fiscal decline.

(C) In making the determinations under this section, the 226274  
226275 auditor of state may use financial reports required under section 226276  
226276 117.43 of the Revised Code; tax budgets, certificates of estimated 226277  
226277 resources and amendments thereof, annual appropriating measures

and (B) of this section. 226282

(D) The auditor of state shall certify the action taken under 226283  
division (A) or (B) of this section to the board of education of 226284

~~superintendent of public instruction~~ director of education and 226288  
workforce. 226289

(E) A determination by the auditor of state under this 226290  
section that a fiscal emergency condition does not exist is final 226291  
and conclusive and not appealable. A determination by the auditor 226292  
of state under this section that a fiscal emergency exists is 226293  
final, except that the board of education of the school district 226294  
affected by such a determination may appeal the determination of 226295  
the existence of a fiscal emergency condition to the court of 226296  
appeals having territorial jurisdiction over the school district. 226297  
The appeal shall be heard expeditiously by the court of appeals 226298  
and for good cause shown shall take precedence over all other 226299  
civil matters except earlier matters of the same character. Notice 226300  
of such appeal must be filed with the auditor of state and such 226301  
court within thirty days after certification by the auditor of 226302  
state to the board of education of the school district provided 226303  
for in division (D) of this section. In such appeal, 226304  
determinations of the auditor of state shall be presumed to be 226305  
valid and the board of education shall have the burden of proving, 226306  
by clear and convincing evidence, that each of the determinations 226307  
made by the auditor of state as to the existence of a fiscal 226308  
emergency condition under this section was in error. If the board 226309

of education fails, upon presentation of its case, to prove by 226310  
clear and convincing evidence that each such determination by the 226311  
auditor of state was in error, the court shall dismiss the appeal. 226312  
The board of education and the auditor of state may introduce any 226313  
evidence relevant to the existence or nonexistence of such fiscal 226314  
emergency conditions. The pendency of any such appeal shall not 226315  
affect or impede the operations of this chapter; no restraining 226316  
order, temporary injunction, or other similar restraint upon 226317  
actions consistent with this chapter shall be imposed by the court 226318  
or any court pending determination of such appeal; and all things 226319  
may be done under this chapter that may be done regardless of the 226320  
pendency of any such appeal. Any action taken or contract executed 226321  
pursuant to this chapter during the pendency of such appeal is 226322  
valid and enforceable among all parties, notwithstanding the 226323  
decision in such appeal. If the court of appeals reverses the 226324  
determination of the existence of a fiscal emergency condition by 226325  
the auditor of state, the determination no longer has any effect, 226326  
and any procedures undertaken as a result of the determination 226327  
shall be terminated. 226328

**Sec. 3316.031.** (A) The ~~state superintendent of public~~ 226329  
~~instruction~~ director of education and workforce, in consultation 226330  
with the auditor of state, shall develop guidelines for 226331  
identifying fiscal practices and budgetary conditions that, if 226332  
uncorrected, could result in a future declaration of a fiscal 226333  
watch or fiscal emergency within a school district. 226334

The guidelines shall not include a requirement that a school 226335  
district submit financial statements according to generally 226336  
accepted accounting principles. 226337

(B)(1) If the ~~state superintendent~~ director determines from a 226338  
school district's five-year forecast submitted under section 226339  
5705.391 of the Revised Code that a district is engaging in any of 226340

those practices or that any of those conditions exist within the 226341  
district, after consulting with the district board of education 226342  
concerning the practices or conditions, the ~~state superintendent~~ 226343  
director may declare the district to be under a fiscal caution. 226344

(2) If the auditor of state finds that a district is engaging 226345  
in any of those practices or that any of those conditions exist 226346  
within the district, the auditor of state shall report that 226347  
finding to the ~~state superintendent~~ director and, after consulting 226348  
with the district board of education concerning the practices or 226349  
conditions, the ~~state superintendent~~ director may declare the 226350  
district to be under a fiscal caution. 226351

(3) Unless the auditor of state has elected to declare a 226352  
state of fiscal watch under division (A)(4) of section 3316.03 of 226353  
the Revised Code, the ~~state superintendent~~ director shall declare 226354  
a school district to be under a fiscal caution if the conditions 226355  
described in divisions (A)(4)(a) and (b) of that section are both 226356  
satisfied with respect to the school district. 226357

(C) When the ~~state superintendent~~ director declares a 226358  
district to be under fiscal caution, the ~~state superintendent~~ 226359  
director shall promptly notify the district board of education of 226360  
that declaration and shall request the board to provide written 226361  
proposals for discontinuing or correcting the fiscal practices or 226362  
budgetary conditions that prompted the declaration and for 226363  
preventing the district from experiencing further fiscal 226364  
difficulties that could result in the district being declared to 226365  
be in a state of fiscal watch or fiscal emergency. 226366

(D) The ~~state superintendent~~ director, or a designee, may 226367  
visit and inspect any district that is declared to be under a 226368  
fiscal caution. The department of education and workforce shall 226369  
provide technical assistance to the district board in implementing 226370  
proposals to eliminate the practices or budgetary conditions that 226371  
prompted the declaration of fiscal caution and may make 226372

recommendations concerning the board's proposals. 226373

(E) If the ~~state superintendent~~ director finds that a school 226374  
district declared to be under a fiscal caution has not made 226375  
reasonable proposals or otherwise taken action to discontinue or 226376  
correct the fiscal practices or budgetary conditions that prompted 226377  
the declaration of fiscal caution, and if the ~~state superintendent~~ 226378  
director considers it necessary to prevent further fiscal decline, 226379  
the ~~state superintendent~~ director may determine that the district 226380  
should be in a state of fiscal watch. As provided in division 226381  
(A)(3) of section 3316.03 of the Revised Code, the auditor of 226382  
state shall declare the district to be in a state of fiscal watch 226383  
if the auditor of state finds the ~~superintendent's~~ director's 226384  
determination to be reasonable. 226385

**Sec. 3316.04.** (A) Within sixty days of the auditor's 226386  
declaration under division (A) of section 3316.03 of the Revised 226387  
Code, the board of education of the school district shall prepare 226388  
and submit to the ~~superintendent of public instruction~~ director of 226389  
education and workforce a financial plan delineating the steps the 226390  
board will take to eliminate the district's current operating 226391  
deficit and avoid incurring operating deficits in ensuing years, 226392  
including the implementation of spending reductions. The financial 226393  
plan also shall evaluate the feasibility of entering into shared 226394  
services agreements with other political subdivisions for the 226395  
joint exercise of any power, performance of any function, or 226396  
rendering of any service, if so authorized by statute. The 226397  
~~superintendent of public instruction~~ director shall evaluate the 226398  
initial financial plan, and either approve or disapprove it within 226399  
thirty calendar days from the date of its submission. If the 226400  
initial financial plan is disapproved, the ~~state superintendent~~ 226401  
director shall recommend modifications that will render the 226402  
financial plan acceptable. No school district board shall 226403  
implement a financial plan submitted to the ~~superintendent of~~ 226404

~~public instruction~~ director under this section unless the 226405  
~~superintendent~~ director has approved the plan. 226406

district declared to be in a state of fiscal watch, the auditor of 226408  
state and ~~superintendent of public instruction~~ director shall 226409  
provide technical assistance to the board in resolving the fiscal 226410  
problems that gave rise to the declaration, including assistance 226411  
in drafting the board's financial plan. 226412

(C) A financial plan adopted under this section may be 226413  
amended at any time with the approval of the ~~superintendent~~ 226414  
director. The board of education of the school district shall 226415  
submit an updated financial plan to the ~~superintendent~~ director, 226416  
for the ~~superintendent's~~ director's approval, every year that the 226417  
district is in a state of fiscal watch. The updated plan shall be 226418  
submitted in a form acceptable to the ~~superintendent~~ director. The 226419  
~~superintendent~~ director shall approve or disapprove each updated 226420  
plan no later than the anniversary of the date on which the first 226421  
such plan was approved. 226422

(D) A school district that has restructured or refinanced a 226423  
loan under section 3316.041 of the Revised Code shall be declared 226424  
to be in a state of fiscal emergency if any of the following 226425  
occurs: 226426

(1) An operating deficit is certified for the district under 226427  
section 3313.483 of the Revised Code for any year prior to the 226428  
repayment of the restructured or refinanced loan; 226429

(2) The ~~superintendent~~ director determines, in consultation 226430  
with the auditor of state, that the school district is not 226431  
satisfactorily complying with the terms of the financial plan 226432  
required by this section; 226433

(3) The board of education of the school district fails to 226434  
submit an updated plan that is acceptable to the ~~superintendent~~ 226435

director under division (C) of this section. 226436

**Sec. 3316.041.** (A) Notwithstanding any provision of Chapter 226437  
133. or sections 3313.483 to 3313.4810 of the Revised Code, and 226438  
subject to the approval of the ~~superintendent of public~~ 226439  
~~instruction~~ director of education and workforce, a school district 226440  
that is in a state of fiscal watch declared under section 3316.03 226441  
of the Revised Code may restructure or refinance loans obtained or 226442

general revenue fund for the fiscal year preceding the year for 226448  
which the certification of the operating deficit is made. 226449

(2) The school district voters have, during the period of the 226450

that is not a renewal or replacement levy, or a levy under section 226453  
5705.199 of the Revised Code, and that will provide new operating 226454  
revenue. 226455

(3) The board of education of the school district has adopted 226456  
or amended the financial plan required by section 3316.04 of the 226457

and at equal intervals over the term of the debt and are not 226475  
eligible to be included in any subsequent proposal to restructure 226476  
or refinance. 226477

state's initiative, may conduct a performance audit of a school 226484  
district that is under a fiscal caution under section 3316.031 of 226485  
the Revised Code, in a state of fiscal watch, or in a state of 226486

include a proposal to restructure or refinance outstanding debt 226713  
obligations incurred by the board under section 3313.483 of the 226714

commission. A fiscal arbitrator appointed under this section has 226774  
all of the rights, powers, and duties given by this chapter to the 226775

to either submit a ballot question proposing a tax levy or not to 226815

The department shall pay the lead district in each career technical planning district as follows:

(a) For fiscal years 2022 and 2023, an amount equal to the following product:

The sum of enrolled ADM for all districts and schools within the career technical planning district X \$2.50, for fiscal year 2022, or \$5, for fiscal year 2023

(b) For fiscal year 2024 and each fiscal year thereafter, an amount calculated in a manner determined by the general assembly, if the general assembly authorizes such a payment to city, local, exempted village, and joint vocational school districts, community schools, and STEM schools.

(2) The lead district of a career technical planning district shall use career awareness and exploration funds in accordance with division (H) of this section.

(F)(1) In any fiscal year, a school district receiving funds calculated under division (C) of this section shall spend those funds only for the purposes that the department designates as approved for career-technical education expenses. Career-technical education expenses approved by the department shall include only

expenses connected to the delivery of career-technical programming 227877  
to career-technical students. The department shall require the 227878  
school district to report data annually so that the department may 227879  
monitor the district's compliance with the requirements regarding 227880  
the manner in which funding calculated under division (C) of this 227881  
section may be spent. 227882

(2) All funds received under division (C) of this section 227883  
shall be spent in the following manner: 227884

(a) At least seventy-five per cent of the funds shall be 227885  
spent on curriculum development, purchase, and implementation; 227886  
instructional resources and supplies; industry-based program 227887  
certification; student assessment, credentialing, and placement; 227888  
curriculum specific equipment purchases and leases; 227889  
career-technical student organization fees and expenses; home and 227890  
agency linkages; work-based learning experiences; professional 227891  
development; and other costs directly associated with 227892  
career-technical education programs including development of new 227893  
programs. 227894

(b) Not more than twenty-five per cent of the funds shall be 227895

education associated services expenses, which may include such 227902  
purposes as apprenticeship coordinators, coordinators for other 227903  
career-technical education services, career-technical evaluation, 227904  
and other purposes designated by the department. The department 227905  
may deny payment of funds calculated under division (D) of this 227906  
section to any district that the department determines is not 227907  
operating those services or is using funds calculated under 227908

division (D) of this section, or through a transfer of funds 227909  
pursuant to division (I) of section 3317.023 of the Revised Code, 227910

career technical planning district in a manner that is consistent 227916  
with the career-technical planning district's plan that is on file 227917  
with the department ~~of education~~. The lead district that receives 227918  
funds under this division shall spend those funds only for the 227919  
following purposes: 227920

(1) Delivery of career awareness programs to students 227921  
enrolled in grades kindergarten through twelve; 227922

(2) Provision of a common, consistent curriculum to students 227923  
throughout their primary and secondary education; 227924

(3) Assistance to teachers in providing a career development 227925  
curriculum to students; 227926

(5) Provision of opportunities for students to engage in 227930  
activities, such as career fairs, hands-on experiences, and job 227931  
shadowing, across all career pathways at each grade level. 227932

The department may deny payment under this division to any 227933  
district or school that the department determines is using funds 227934  
paid under this division for other purposes. 227935

budget and management under division (A) of section 3317.021 of 227938

the Revised Code, the tax commissioner shall, at the same time, 227939  
certify the following information to the department and the office 227940  
of budget and management for each city, exempted village, and 227941  
local school district to be used for the same purposes as 227942  
described under that division: 227943

(1) The taxable value of the school district's carryover 227944  
property, as defined in section 319.301 of the Revised Code, for 227945  
the preceding tax year; 227946

(1) For a school district located in a county in which a 227954  
reappraisal or triennial update occurred in the preceding tax 227955  
year, the recognized valuation equals the district's total taxable 227956  
value for the preceding tax year minus two-thirds times the 227957  
increase in the carryover value from the second preceding tax year 227958  
to the preceding tax year. 227959

(2) For a school district located in a county in which a 227960  
reappraisal or triennial update occurred in the second preceding 227961  
tax year, the recognized valuation equals the district's total 227962  
taxable value for the preceding tax year minus one-third times the 227963  
increase in the carryover value from the third preceding tax year 227964  
to the second preceding tax year. 227965

(3) For a school district located in a county in which a 227966  
reappraisal or triennial update occurred in the third preceding 227967  
tax year, the recognized valuation equals the district's total 227968  
taxable value for the preceding tax year. 227969

made and the district's taxable value for the most recent tax year 227979  
for which data is available; 227980

(b) Divide the amount determined under division (A)(1)(a) of 227981  
this section by the district's base cost enrolled ADM for the 227982  
fiscal year for which the calculation is made. 227983

district's residents for the most recent tax year for which data 227992  
is available, as certified under section 3317.021 of the Revised 227993  
Code. 227994

(b) Divide the amount determined under division (A)(2)(a) of 227995

(B) The department shall compute a city, local, or exempted 228068  
village school district's state share for a fiscal year as 228069  
follows: 228070

(1) If the district's per-pupil local capacity amount for 228071  
that fiscal year divided by the district's base cost per pupil for 228072  
that fiscal year is greater than 0.95, then the district's state 228073  
share shall be equal to (the district's base cost per pupil for 228074  
that fiscal year X 0.05 X the district's enrolled ADM for that 228075  
fiscal year). 228076

(2) If the district's per-pupil local capacity amount for 228077  
that fiscal year divided by the district's base cost per pupil for 228078  
that fiscal year is less than or equal to 0.95, then the 228079  
district's state share for that fiscal year shall be equal to 228080  
[(the district's base cost per pupil for that fiscal year - the 228081  
district's per-pupil local capacity amount for that fiscal year) X 228082  
the district's enrolled ADM for that fiscal year]. 228083

(C) The department shall compute a city, local, or exempted 228084  
village school district's state share percentage for a fiscal year 228085  
as follows: 228086

(the district's base cost per pupil amount for that fiscal year - 228087  
the district's per pupil local capacity amount for that fiscal 228088  
year)/(the district's base cost per pupil amount for that fiscal 228089  
year). 228090

If the result is less than 0.05, the state share percentage 228091

shall be 0.05. 228092

**Sec. 3317.019.** (A)(1) Subject to division (C) of this 228093  
section, for fiscal years 2022 and 2023, the department of 228094  
education and workforce shall pay temporary transitional aid to 228095  
each city, local, and exempted village school district according 228096  
to the following formula: 228097

(The district's funding base, as that term is defined in section 228098  
3317.02 of the Revised Code) - (the district's payment under 228099  
section 3317.022 of the Revised Code - the district's payment for 228100  
supplemental targeted assistance under section 3317.0218 of the 228101  
Revised Code for the fiscal year for which each payment is 228102  
computed) 228103

If the computation made under division (A)(1) of this section 228104  
results in a negative number, the district's funding under 228105  
division (A)(1) of this section shall be zero. 228106

(2) For fiscal years 2022 and 2023, the department shall pay 228107  
temporary transitional transportation aid to that district 228108  
according to the following formula: 228109

(The amount calculated for the district for fiscal year 2020 under 228110  
division (A)(2) of Section 265.220 of H.B. 166 of the 133rd 228111  
general assembly, prior to any funding reductions authorized by 228112  
Executive Order 2020-19D, "Implementing Additional Spending 228113  
Controls to Balance the State Budget" issued on May 7, 2020) - 228114  
(the district's payment for fiscal year 2019 under division (D)(2) 228115  
of section 3314.091 of the Revised Code as that division existed 228116  
prior to September 30, 2021) - (the district's payment under 228117  
section 3317.0212 of the Revised Code for the fiscal year for 228118  
which the payment is computed) 228119

If the computation made under division (A)(2) of this section 228120  
results in a negative number, the district's funding under 228121  
division (A)(2) of this section shall be zero. 228122

(B) If a local school district participates in the establishment of a joint vocational school district that begins receiving payments under section 3317.16 of the Revised Code for fiscal year 2022 or fiscal year 2023, but does not receive payments for the fiscal year immediately preceding that fiscal year, the department shall adjust, as necessary, the district's funding base, as that term is defined in section 3317.02 of the Revised Code, according to the amounts received by the district in the immediately preceding fiscal year for career-technical education students who attend the newly established joint vocational school district.

(C)(1) For purposes of division (C) of this section, a district's "decrease threshold" for a fiscal year is the greater of the following:

(a) Twenty;

(b) Ten per cent of the number of the district's students counted under division (A)(1)(b) of section 3317.03 of the Revised Code for the previous fiscal year.

(2) For fiscal years 2022 and 2023, if a district has fewer students counted under division (A)(1)(b) of section 3317.03 of the Revised Code for that fiscal year than for the previous fiscal year and the positive difference between those two student counts is greater than or equal to the district's decrease threshold for that fiscal year, the amount paid to the district under division (A) of this section shall be reduced by the following amount:

The statewide average base cost per pupil X [(the positive difference between the number of the district's students counted under division (A)(1)(b) of section 3317.03 of the Revised Code for that fiscal year and the number of the district's students counted under that division for the previous fiscal year) - the district's decrease threshold for that fiscal year]

At no time, however, shall the amount paid to a district 228154  
under division (A) of this section be less than zero. 228155

**Sec. 3317.02.** As used in this chapter: 228156

(A) "Alternative school" has the same meaning as in section 228157  
3313.974 of the Revised Code. 228158

(B) "Autism scholarship unit" means a unit that consists of 228159  
all of the students for whom autism scholarships are awarded under 228160  
section 3310.41 of the Revised Code. 228161

(C) For fiscal years 2022 and 2023, a district's "base cost 228162

district's transportation base payment calculated under division 230175  
(E) of this section 230176

(c) If the district's efficiency index is less than 1.0, the 230177

3317.024 of the Revised Code. The rules shall include provisions 230185  
for school district reporting of such students. 230186

(H)(1) For purposes of division (H) of this section, a school 230187  
district's "transportation supplement percentage" means the 230188  
following: 230189

(a) For fiscal years 2022 and 2023, the following quotient: 230190  
$$(28 - \text{the district's rider density}) / 100$$
 230191

If the result of the calculation for a district under 230192  
division (H)(1)(a) of this section is less than zero, the 230193  
district's transportation supplement percentage shall be zero. 230194

(b) For fiscal year 2024 and each fiscal year thereafter, a 230195  
percentage calculated in a manner determined by the general 230196  
assembly. 230197

(2) The department shall pay each district a transportation 230198  
supplement calculated according to the following formula: 230199

The district's transportation supplement percentage X the amount 230200  
calculated for the district under division (E)(1)(b) of this 230201  
section X 0.55 230202

(I)(1) If a school district board and a community school 230203  
governing authority elect to enter into an agreement under 230204  
division (A) of section 3314.091 of the Revised Code, the 230205  
department shall make payments to the community school according 230206  
to the terms of the agreement for each student actually 230207  
transported under division (C)(1) of that section. If a community 230208  
school governing authority accepts transportation responsibility 230209

under division (B) of that section, the department shall make 230210  
payments to the community school for each student actually 230211  
transported or for whom transportation is arranged by the 230212  
community school under division (C)(1) of that section, calculated 230213  
as follows: 230214

(a) For any fiscal year which the general assembly has 230215  
specified that transportation payments to school districts be 230216  
based on an across-the-board percentage of the district's payment 230217  
for the previous school year, the per pupil payment to the 230218  
community school shall be the following quotient: 230219

(i) The total amount calculated for the school district in 230220  
which the child is entitled to attend school for student 230221  
transportation other than transportation of children with 230222  
disabilities; divided by 230223

(ii) The number of students included in the district's 230224  
transportation ADM for the current fiscal year, as calculated 230225  
under section 3317.03 of the Revised Code, plus the number of 230226  
students enrolled in the community school not counted in the 230227  
district's transportation ADM who are transported under division 230228  
(B)(1) or (2) of section 3314.091 of the Revised Code. 230229

(b) For any fiscal year which the general assembly has 230230  
specified that the transportation payments to school districts be 230231  
calculated in accordance with this section and any rules of the 230232  
~~state board of education~~ department implementing this section, the 230233  
payment to the community school shall be the following: 230234

(i) For fiscal years 2022 and 2023, either of the following: 230235

(I) If the school district in which the student is entitled 230236  
to attend school would have used a method of transportation for 230237  
the student for which payments are computed and paid under 230238  
division (E) of this section, 1.0 times the statewide 230239  
transportation cost per student, as calculated in division (C) of 230240

this section; 230241

(II) If the school district in which the student is entitled 230242  
to attend school would have used a method of transportation for 230243  
the student for which payments are computed and paid in a manner 230244  
described in division (G) of this section, the amount that would 230245  
otherwise be computed for and paid to the district. 230246

(ii) For fiscal year 2024 and each fiscal year thereafter, an 230247  
amount calculated in a manner determined by the general assembly. 230248

The community school, however, is not required to use the 230249  
same method to transport the student. 230250

As used in this division, "entitled to attend school" means 230251  
entitled to attend school under section 3313.64 or 3313.65 of the 230252  
Revised Code. 230253

(2) A community school shall be paid under division (I)(2) of 230254  
this section only for students who are eligible as specified in 230255  
section 3327.01 of the Revised Code and division (C)(1) of section 230256  
3314.091 of the Revised Code, and whose transportation to and from 230257  
school is actually provided, who actually utilized transportation 230258  
arranged, or for whom a payment in lieu of transportation is made 230259  
by the community school's governing authority. To qualify for the 230260  
payments, the community school shall report to the department, in 230261  
the form and manner required by the department, data on the number 230262  
of students transported or whose transportation is arranged, the 230263  
number of miles traveled, cost to transport, and any other 230264  
information requested by the department. 230265

**Sec. 3317.0213.** (A) The department of education and workforce 230266  
shall compute and pay in accordance with this section additional 230267  
state aid for preschool children with disabilities to each city, 230268

institution, as defined in section 3323.091 of the Revised Code. 230270

Funding shall be provided for children who are not enrolled in 230271  
kindergarten and who are under age six on the thirtieth day of 230272  
September of the academic year, or on the first day of August of 230273  
the academic year if the school district in which the child is 230274  
enrolled has adopted a resolution under division (A)(3) of section 230275  
3321.01 of the Revised Code, but not less than age three on the 230276  
first day of December of the academic year. 230277

For fiscal years 2022 and 2023, the additional state aid 230278  
shall be calculated under the following formula: 230279

(\$4,000 X the number of students who are preschool children 230280  
with disabilities) + the sum of the following: 230281

(1) The district's or institution's category one special 230282  
education students who are preschool children with disabilities X 230283  
the multiple specified in division (A) of section 3317.013 of the 230284  
Revised Code X the statewide average base cost per pupil for that 230285  
fiscal year X the district's state share percentage X 0.50; 230286

(2) The district's or institution's category two special 230287  
education students who are preschool children with disabilities X 230288  
the multiple specified in division (B) of section 3317.013 of the 230289  
Revised Code X the statewide average base cost per pupil for that 230290  
fiscal year X the district's state share percentage X 0.50; 230291

(3) The district's or institution's category three special 230292  
education students who are preschool children with disabilities X 230293  
the multiple specified in division (C) of section 3317.013 of the 230294  
Revised Code X the statewide average base cost per pupil for that 230295  
fiscal year X the district's state share percentage X 0.50; 230296

(4) The district's or institution's category four special 230297  
education students who are preschool children with disabilities X 230298  
the multiple specified in division (D) of section 3317.013 of the 230299  
Revised Code X the statewide average base cost per pupil for that 230300

fiscal year X the district's state share percentage X 0.50; 230301

(5) The district's or institution's category five special 230302  
education students who are preschool children with disabilities X 230303  
the multiple specified in division (E) of section 3317.013 of the 230304  
Revised Code X the statewide average base cost per pupil for that 230305  
fiscal year X the district's state share percentage X 0.50; 230306

the multiple specified in division (F) of section 3317.013 of the 230309  
Revised Code X the statewide average base cost per pupil for that 230310  
fiscal year X the district's state share percentage X 0.50. 230311

For fiscal year 2024 and each fiscal year thereafter, the 230312  
additional state aid shall be calculated for each category of 230313  
special education students who are preschool children with 230314  
disabilities using a formula specified by the general assembly. 230315

The special education disability categories for preschool 230316  
children used in this section are the same categories prescribed 230317  
in section 3317.013 of the Revised Code. 230318

As used in division (A) of this section, the state share 230319  
percentage of a student enrolled in an institution is the state 230320  
share percentage of the school district in which the student is 230321  
entitled to attend school under section 3313.64 or 3313.65 of the 230322  
Revised Code. 230323

(B) If an educational service center is providing services to 230324  
students who are preschool children with disabilities under 230325  
agreement with the city, local, or exempted village school 230326  
district in which the students are entitled to attend school, that 230327  
district may authorize the department to transfer funds computed 230328  
under this section to the service center providing those services. 230329

(C) If a county DD board is providing services to students 230330  
who are preschool children with disabilities under agreement with 230331

the city, local, or exempted village school district in which the 230332  
students are entitled to attend school, the department shall 230333  
deduct from the district's payment computed under division (A) of 230334  
this section the total amount of those funds that are attributable 230335  
to the students served by the county DD board and pay that amount 230336  
to that board. 230337

**Sec. 3317.0214.** (A) The department of education and workforce 230338  
shall compute and pay in accordance with this section additional 230339  
state aid to school districts for students in categories two 230340  
through six special education ADM. If a district's costs for the 230341  
fiscal year for a student in its categories two through six 230342  
special education ADM exceed the threshold catastrophic cost for 230343  
serving the student, the district may submit to the ~~superintendent~~ 230344  
~~of public instruction~~ department documentation, as prescribed by 230345  
the ~~superintendent~~ department, of all its costs for that student. 230346  
Upon submission of documentation for a student of the type and in 230347  
the manner prescribed, the department shall pay to the district an 230348  
amount equal to the sum of the following: 230349

(1) One-half of the district's costs for the student in 230350  
excess of the threshold catastrophic cost; 230351

(2) The product of one-half of the district's costs for the 230352  
student in excess of the threshold catastrophic cost multiplied by 230353  
the district's state share percentage. 230354

(B) For purposes of division (A) of this section, the 230355  
threshold catastrophic cost for serving a student equals: 230356

(1) For a student in the school district's category two, 230357  
three, four, or five special education ADM, twenty-seven thousand 230358  
three hundred seventy-five dollars; 230359

(2) For a student in the district's category six special 230360  
education ADM, thirty-two thousand eight hundred fifty dollars. 230361

(C) The district shall report under division (A) of this section, and the department shall pay for, only the costs of educational expenses and the related services provided to the student in accordance with the student's individualized education program. Any legal fees, court costs, or other costs associated with any cause of action relating to the student may not be included in the amount.

(A) For each fiscal year, the department of education and 230414  
workforce shall compute targeted assistance funds for city, local, 230415  
and exempted village school districts, in accordance with the 230416  
following formula: 230417

A district's capacity amount for that fiscal year calculated under 230418

following formula: 230459

{[0.95 X (the district's enrolled ADM for that fiscal year - 230460  
400)/200] + 0.05} X the amount computed under division 230461  
(B)(4)(b)(i) of this section 230462

under division (B)(1) of this section/ (the district's enrolled 230472  
ADM for that fiscal year - the students described in division 230473  
(A)(1)(b) of section 3317.03 of the Revised Code + the students 230474  
described in division (A)(2)(d) of section 3317.03 of the Revised 230475  
Code) 230476

(2) Determine the median weighted wealth per pupil of all 230477  
school districts in this state for that fiscal year; 230478

(3) Compute each district's wealth index for that fiscal year 230479  
by dividing the median weighted wealth per pupil of all school 230480  
districts in this state for that fiscal year by the district's 230481  
weighted wealth per pupil for that fiscal year; 230482

(4) Compute each district's wealth amount for that fiscal 230483

year, as follows: 230484

Notwithstanding section 3317.01 of the Revised Code, payments shall be made under this section to any city, local, or exempted village school district within which is located one or more nonpublic elementary or high schools described in division (E)(1) of section 3317.024 of the Revised Code and any payments made to school districts under division (E)(1) of section 3317.024 of the Revised Code for purposes of this section may be disbursed without submission to and approval of the controlling board.

The allocation of payments for materials, equipment, textbooks, digital texts, health services, and remedial services to city, local, and exempted village school districts shall be on the basis of the ~~state board of education's~~ department's estimated annual average daily membership in nonpublic elementary and high schools located in the district described in division (E)(1) of section 3317.024 of the Revised Code.

Payments made to city, local, and exempted village school districts under this section shall be equal to specific appropriations made for the purpose. All interest earned by a school district on such payments shall be used by the district for the same purposes and in the same manner as the payments may be used.

The department ~~of education~~ shall adopt guidelines and procedures under which such programs and services shall be provided, under which districts shall be reimbursed for administrative costs incurred in providing such programs and

services, and under which any unexpended balance of the amounts 231538  
appropriated by the general assembly to implement this section may 231539  
be transferred to the auxiliary services personnel unemployment 231540

department all moneys paid to it under division (E)(1) of section 231549  
3317.024 of the Revised Code and any interest earned on those 231550  
moneys that are not required to pay expenses incurred under this 231551  
section during the biennium for which the money was appropriated 231552  
and during which the interest was earned. If a board of education 231553  
subsequently determines that the remittal of moneys leaves the 231554  
board with insufficient money to pay all valid expenses incurred 231555  
under this section during the biennium for which the remitted 231556  
money was appropriated, the board may apply to the department of 231557  
~~education~~ for a refund of money, not to exceed the amount of the 231558  
insufficiency. If the department determines the expenses were 231559  
lawfully incurred and would have been lawful expenditures of the 231560  
refunded money, it shall certify its determination and the amount 231561  
of the refund to be made to the director of job and family 231562  
services who shall make a refund as provided in section 4141.47 of 231563  
the Revised Code. 231564

account the amount and timing of anticipated distributions of 232657  
funds to the district under Chapter 3317. of the Revised Code. 232658

department that it has not timely received from a school district 232679

because of the failure to collect property taxes levied for the 232714

(G) The department may make payments under this section to 232721  
paying agents or fiscal agents only from and to the extent that 232722  
money is appropriated by the general assembly for Chapter 3317. of 232723

it relates to the withholding and depositing of payments under 232743  
Chapter 3317. of the Revised Code to secure payment of debt 232744

the obligation for the purpose of paying debt charges or 232748  
reimbursing credit enhancement facilities of funds otherwise to be 232749

(J) The authority granted by this section is in addition to 232751  
and not a limitation on any other authorizations granted by or 232752  
pursuant to law for the same or similar purposes. 232753
