Shared planning and financial responsibility shall cease on the first day of the thirty-seventh month after the date that the child's adoption was finalized and, on this date, the custodial agency

shall then assume full planning and financial responsibility. The 150971  
custodial agency and the agency that previously held permanent 150972  
custody of the child may enter into a written agreement for shared 150973

or lease shall be paid into the county treasury. 151015

established by rule. The fee for each such license shall be 153045

applicant has passed both the general examination and each 153066  
applicable pesticide-use category examination as required under 153067  
division (A) of section 921.12 of the Revised Code, the director 153068  
shall issue a commercial applicator license limited to the 153069  
pesticide-use category or categories for which the applicant is 153070  
found to be competent. If the director rejects an application, the 153071  
director may explain why the application was rejected, describe 153072  
the additional requirements necessary for the applicant to obtain 153073  
a license, and return the application. The applicant may resubmit 153074  
the application without payment of any additional fee. 153075

(D)(1) A person who is a commercial applicator shall be 153076

section 921.22 of the Revised Code. 153085

source other than the report may disseminate the information, if 154074  
its dissemination is otherwise permitted by law. 154075

(3) A person who knowingly makes or causes another person to 154076  
make a false report under division (B) of this section that 154077

this section and the child who is the subject of the report dies 154082  
for any reason at any time after the report is made, but before 154083

(13) Through the bureau of criminal identification and 156017

available only to law enforcement representatives as described in 156040  
this division. Information obtained by local law enforcement 156041

specified offender or delinquent child or specified geographical 156047  
notification area made pursuant to division (J) of section 2950.11 156048

the appropriate sheriff; 156052

other states specified in this division each time an offender or 156056  
delinquent child registers a residence, school, institution of 156057

change of address or registers a new address under division (A) or 156060  
(B) of section 2950.05 of the Revised Code. The immediate 156061  
notification by electronic means shall be provided to the 156062  
appropriate officials in each state in which the offender or 156063  
delinquent child is required to register a residence, school, 156064  
institution of higher education, or place of employment address. 156065  
The notification shall contain the offender's or delinquent 156066

child's name and all of the information the bureau receives from 156067  
the sheriff with whom the offender or delinquent child registered 156068

(B) The attorney general in consultation with local law 156071  
enforcement representatives, may adopt rules that establish one or 156072  
more categories of neighbors of an offender or delinquent child 156073  
who, in addition to the occupants of residential premises and 156074  
other persons specified in division (A)(1) of section 2950.11 of 156075  
the Revised Code, must be given the notice described in division 156076  
(B) of that section. 156077

(C) No person, other than a local law enforcement 156078  
representative, shall knowingly do any of the following: 156079

(1) Gain or attempt to gain access to the database 156080  
established and operated by the attorney general, through the 156081  
bureau of criminal identification and investigation, pursuant to 156082  
division (A)(13) of this section. 156083

(2) Permit any person to inspect any information obtained 156084  
through use of the database described in division (C)(1) of this 156085  
section, other than as permitted under that division. 156086

(D) As used in this section, "local law enforcement 156087  
representatives" means representatives of the sheriffs of this 156088  
state, representatives of the municipal chiefs of police and 156089  
marshals of this state, and representatives of the township 156090  
constables and chiefs of police of the township police departments 156091

**Sec. 3109.051.** (A) If a divorce, dissolution, legal 156093  
separation, or annulment proceeding involves a child and if the 156094  
court has not issued a shared parenting decree, the court shall 156095  
consider any mediation report filed pursuant to section 3109.052 156096

of the Revised Code and, in accordance with division (C) of this 156097  
section, shall make a just and reasonable order or decree 156098  
permitting each parent who is not the residential parent to have 156099  
parenting time with the child at the time and under the conditions 156100  
that the court directs, unless the court determines that it would 156101  
not be in the best interest of the child to permit that parent to 156102  
have parenting time with the child and includes in the journal its 156103  
findings of fact and conclusions of law. Whenever possible, the 156104  
order or decree permitting the parenting time shall ensure the 156105  
opportunity for both parents to have frequent and continuing 156106  
contact with the child, unless frequent and continuing contact by 156107  
either parent with the child would not be in the best interest of 156108  
the child. The court shall include in its final decree a specific 156109  
schedule of parenting time for that parent. Except as provided in 156110  
division (E)(6) of section 3113.31 of the Revised Code, if the 156111  
court, pursuant to this section, grants parenting time to a parent 156112  
or companionship or visitation rights to any other person with 156113  
respect to any child, it shall not require the public children 156114  
services agency to provide supervision of or other services 156115  
related to that parent's exercise of parenting time or that 156116  
person's exercise of companionship or visitation rights with 156117  
respect to the child. This section does not limit the power of a 156118  
juvenile court pursuant to Chapter 2151. of the Revised Code to 156119  
issue orders with respect to children who are alleged to be 156120  
abused, neglected, or dependent children or to make dispositions 156121  
of children who are adjudicated abused, neglected, or dependent 156122  
children or of a common pleas court to issue orders pursuant to 156123  
section 3113.31 of the Revised Code. 156124

(B)(1) In a divorce, dissolution of marriage, legal 156125  
separation, annulment, or child support proceeding that involves a 156126  
child, the court may grant reasonable companionship or visitation 156127  
rights to any grandparent, any person related to the child by 156128

consanguinity or affinity, or any other person other than a parent, if all of the following apply:

(a) The grandparent, relative, or other person files a motion with the court seeking companionship or visitation rights.

(b) The court determines that the grandparent, relative, or other person has an interest in the welfare of the child.

(c) The court determines that the granting of the companionship or visitation rights is in the best interest of the child.

(2) A motion may be filed under division (B)(1) of this section during the pendency of the divorce, dissolution of marriage, legal separation, annulment, or child support proceeding or, if a motion was not filed at that time or was filed at that time and the circumstances in the case have changed, at any time after a decree or final order is issued in the case.

(C) When determining whether to grant parenting time rights to a parent pursuant to this section or section 3109.12 of the Revised Code or to grant companionship or visitation rights to a grandparent, relative, or other person pursuant to this section or section 3109.11 or 3109.12 of the Revised Code, when establishing a specific parenting time or visitation schedule, and when determining other parenting time matters under this section or section 3109.12 of the Revised Code or visitation matters under this section or section 3109.11 or 3109.12 of the Revised Code, the court shall consider any mediation report that is filed pursuant to section 3109.052 of the Revised Code and shall consider all other relevant factors, including, but not limited to, all of the factors listed in division (D) of this section. In considering the factors listed in division (D) of this section for purposes of determining whether to grant parenting time or visitation rights, establishing a specific parenting time or

visitation schedule, determining other parenting time matters 156160  
under this section or section 3109.12 of the Revised Code or 156161  
visitation matters under this section or under section 3109.11 or 156162  
3109.12 of the Revised Code, and resolving any issues related to 156163  
the making of any determination with respect to parenting time or 156164  
visitation rights or the establishment of any specific parenting 156165  
time or visitation schedule, the court, in its discretion, may 156166  
interview in chambers any or all involved children regarding their 156167  
wishes and concerns. If the court interviews any child concerning 156168  
the child's wishes and concerns regarding those parenting time or 156169  
visitation matters, the interview shall be conducted in chambers, 156170  
and no person other than the child, the child's attorney, the 156171  
judge, any necessary court personnel, and, in the judge's 156172  
discretion, the attorney of each parent shall be permitted to be 156173  
present in the chambers during the interview. No person shall 156174  
obtain or attempt to obtain from a child a written or recorded 156175  
statement or affidavit setting forth the wishes and concerns of 156176  
the child regarding those parenting time or visitation matters. A 156177  
court, in considering the factors listed in division (D) of this 156178  
section for purposes of determining whether to grant any parenting 156179  
time or visitation rights, establishing a parenting time or 156180  
visitation schedule, determining other parenting time matters 156181  
under this section or section 3109.12 of the Revised Code or 156182  
visitation matters under this section or under section 3109.11 or 156183  
3109.12 of the Revised Code, or resolving any issues related to 156184  
the making of any determination with respect to parenting time or 156185  
visitation rights or the establishment of any specific parenting 156186  
time or visitation schedule, shall not accept or consider a 156187  
written or recorded statement or affidavit that purports to set 156188  
forth the child's wishes or concerns regarding those parenting 156189  
time or visitation matters. 156190

(D) In determining whether to grant parenting time to a 156191  
parent pursuant to this section or section 3109.12 of the Revised 156192

Code or companionship or visitation rights to a grandparent, 156193  
relative, or other person pursuant to this section or section 156194  
3109.11 or 3109.12 of the Revised Code, in establishing a specific 156195  
parenting time or visitation schedule, and in determining other 156196  
parenting time matters under this section or section 3109.12 of 156197  
the Revised Code or visitation matters under this section or 156198  
section 3109.11 or 3109.12 of the Revised Code, the court shall 156199  
consider all of the following factors: 156200

(1) The prior interaction and interrelationships of the child 156201  
with the child's parents, siblings, and other persons related by 156202  
consanguinity or affinity, and with the person who requested 156203  
companionship or visitation if that person is not a parent, 156204  
sibling, or relative of the child; 156205

(2) The geographical location of the residence of each parent 156206  
and the distance between those residences, and if the person is 156207  
not a parent, the geographical location of that person's residence 156208  
and the distance between that person's residence and the child's 156209  
residence; 156210

(3) The child's and parents' available time, including, but 156211  
not limited to, each parent's employment schedule, the child's 156212  
school schedule, and the child's and the parents' holiday and 156213  
vacation schedule; 156214

(4) The age of the child; 156215

(5) The child's adjustment to home, school, and community; 156216

(6) If the court has interviewed the child in chambers, 156217  
pursuant to division (C) of this section, regarding the wishes and 156218  
concerns of the child as to parenting time by the parent who is 156219  
not the residential parent or companionship or visitation by the 156220  
grandparent, relative, or other person who requested companionship 156221  
or visitation, as to a specific parenting time or visitation 156222

(E) The remarriage of a residential parent of a child does 156274  
not affect the authority of a court under this section to grant 156275  
parenting time rights with respect to the child to the parent who 156276  
is not the residential parent or to grant reasonable companionship 156277  
or visitation rights with respect to the child to any grandparent, 156278  
any person related by consanguinity or affinity, or any other 156279  
person. 156280

(F)(1) If the court, pursuant to division (A) of this 156281  
section, denies parenting time to a parent who is not the 156282  
residential parent or denies a motion for reasonable companionship 156283  
or visitation rights filed under division (B) of this section and 156284  
the parent or movant files a written request for findings of fact 156285

and conclusions of law, the court shall state in writing its findings of fact and conclusions of law in accordance with Civil Rule 52.

(2) On or before July 1, 1991, each court of common pleas, by rule, shall adopt standard parenting time guidelines. A court shall have discretion to deviate from its standard parenting time guidelines based upon factors set forth in division (D) of this section.

(G)(1) If the residential parent intends to move to a residence other than the residence specified in the parenting time order or decree of the court, the parent shall file a notice of intent to relocate with the court that issued the order or decree. Except as provided in divisions (G)(2), (3), and (4) of this section, the court shall send a copy of the notice to the parent who is not the residential parent. Upon receipt of the notice, the court, on its own motion or the motion of the parent who is not the residential parent, may schedule a hearing with notice to both parents to determine whether it is in the best interest of the child to revise the parenting time schedule for the child.

(2) When a court grants parenting time rights to a parent who is not the residential parent, the court shall determine whether that parent has been convicted of or pleaded guilty to a violation of section 2919.25 of the Revised Code involving a victim who at the time of the commission of the offense was a member of the family or household that is the subject of the proceeding, has been convicted of or pleaded guilty to any other offense involving a victim who at the time of the commission of the offense was a member of the family or household that is the subject of the proceeding and caused physical harm to the victim in the commission of the offense, or has been determined to be the perpetrator of the abusive act that is the basis of an adjudication that a child is an abused child. If the court

determines that that parent has not been so convicted and has not  
been determined to be the perpetrator of an abusive act that is  
the basis of a child abuse adjudication, the court shall issue an  
order stating that a copy of any notice of relocation that is  
filed with the court pursuant to division (G)(1) of this section  
will be sent to the parent who is given the parenting time rights  
in accordance with division (G)(1) of this section.

If the court determines that the parent who is granted the  
parenting time rights has been convicted of or pleaded guilty to a  
violation of section 2919.25 of the Revised Code involving a  
victim who at the time of the commission of the offense was a  
member of the family or household that is the subject of the  
proceeding, has been convicted of or pleaded guilty to any other  
offense involving a victim who at the time of the commission of  
the offense was a member of the family or household that is the  
subject of the proceeding and caused physical harm to the victim  
in the commission of the offense, or has been determined to be the  
perpetrator of the abusive act that is the basis of an  
adjudication that a child is an abused child, it shall issue an  
order stating that that parent will not be given a copy of any  
notice of relocation that is filed with the court pursuant to  
division (G)(1) of this section unless the court determines that  
it is in the best interest of the children to give that parent a  
copy of the notice of relocation, issues an order stating that  
that parent will be given a copy of any notice of relocation filed  
pursuant to division (G)(1) of this section, and issues specific  
written findings of fact in support of its determination.

(3) If a court, prior to April 11, 1991, issued an order  
granting parenting time rights to a parent who is not the  
residential parent and did not require the residential parent in  
that order to give the parent who is granted the parenting time  
rights notice of any change of address and if the residential

parent files a notice of relocation pursuant to division (G)(1) of 156350  
this section, the court shall determine if the parent who is 156351  
granted the parenting time rights has been convicted of or pleaded 156352  
guilty to a violation of section 2919.25 of the Revised Code 156353  
involving a victim who at the time of the commission of the 156354  
offense was a member of the family or household that is the 156355  
subject of the proceeding, has been convicted of or pleaded guilty 156356  
to any other offense involving a victim who at the time of the 156357  
commission of the offense was a member of the family or household 156358  
that is the subject of the proceeding and caused physical harm to 156359  
the victim in the commission of the offense, or has been 156360  
determined to be the perpetrator of the abusive act that is the 156361  
basis of an adjudication that a child is an abused child. If the 156362  
court determines that the parent who is granted the parenting time 156363  
rights has not been so convicted and has not been determined to be 156364  
the perpetrator of an abusive act that is the basis of a child 156365  
abuse adjudication, the court shall issue an order stating that a 156366  
copy of any notice of relocation that is filed with the court 156367  
pursuant to division (G)(1) of this section will be sent to the 156368  
parent who is granted parenting time rights in accordance with 156369  
division (G)(1) of this section. 156370

If the court determines that the parent who is granted the 156371  
parenting time rights has been convicted of or pleaded guilty to a 156372  
violation of section 2919.25 of the Revised Code involving a 156373  
victim who at the time of the commission of the offense was a 156374  
member of the family or household that is the subject of the 156375  
proceeding, has been convicted of or pleaded guilty to any other 156376  
offense involving a victim who at the time of the commission of 156377  
the offense was a member of the family or household that is the 156378  
subject of the proceeding and caused physical harm to the victim 156379  
in the commission of the offense, or has been determined to be the 156380  
perpetrator of the abusive act that is the basis of an 156381  
adjudication that a child is an abused child, it shall issue an 156382

order stating that that parent will not be given a copy of any notice of relocation that is filed with the court pursuant to division (G)(1) of this section unless the court determines that it is in the best interest of the children to give that parent a copy of the notice of relocation, issues an order stating that that parent will be given a copy of any notice of relocation filed pursuant to division (G)(1) of this section, and issues specific written findings of fact in support of its determination.

(4) If a parent who is granted parenting time rights pursuant to this section or any other section of the Revised Code is authorized by an order issued pursuant to this section or any other court order to receive a copy of any notice of relocation that is filed pursuant to division (G)(1) of this section or pursuant to court order, if the residential parent intends to move to a residence other than the residence address specified in the parenting time order, and if the residential parent does not want the parent who is granted the parenting time rights to receive a copy of the relocation notice because the parent with parenting time rights has been convicted of or pleaded guilty to a violation of section 2919.25 of the Revised Code involving a victim who at the time of the commission of the offense was a member of the family or household that is the subject of the proceeding, has been convicted of or pleaded guilty to any other offense involving a victim who at the time of the commission of the offense was a member of the family or household that is the subject of the proceeding and caused physical harm to the victim in the commission of the offense, or has been determined to be the perpetrator of the abusive act that is the basis of an adjudication that a child is an abused child, the residential parent may file a motion with the court requesting that the parent who is granted the parenting time rights not receive a copy of any notice of relocation. Upon the filing of the motion, the court shall schedule a hearing on the motion and give both parents

notice of the date, time, and location of the hearing. If the 156416  
court determines that the parent who is granted the parenting time 156417  
rights has been so convicted or has been determined to be the 156418  
perpetrator of an abusive act that is the basis of a child abuse 156419  
adjudication, the court shall issue an order stating that the 156420  
parent who is granted the parenting time rights will not be given 156421  
a copy of any notice of relocation that is filed with the court 156422  
pursuant to division (G)(1) of this section or that the 156423  
residential parent is no longer required to give that parent a 156424  
copy of any notice of relocation unless the court determines that 156425  
it is in the best interest of the children to give that parent a 156426  
copy of the notice of relocation, issues an order stating that 156427  
that parent will be given a copy of any notice of relocation filed 156428  
pursuant to division (G)(1) of this section, and issues specific 156429  
written findings of fact in support of its determination. If it 156430

(H)(1) Subject to section 3125.16 and division (F) of section 156432  
3319.321 of the Revised Code, a parent of a child who is not the 156433  
residential parent of the child is entitled to access, under the 156434  
same terms and conditions under which access is provided to the 156435  
residential parent, to any record that is related to the child and 156436  
to which the residential parent of the child legally is provided 156437  
access, unless the court determines that it would not be in the 156438  
best interest of the child for the parent who is not the 156439  
residential parent to have access to the records under those same 156440  
terms and conditions. If the court determines that the parent of a 156441  
child who is not the residential parent should not have access to 156442  
records related to the child under the same terms and conditions 156443  
as provided for the residential parent, the court shall specify 156444  
the terms and conditions under which the parent who is not the 156445  
residential parent is to have access to those records, shall enter 156446  
its written findings of facts and opinion in the journal, and 156447  
shall issue an order containing the terms and conditions to both 156448

the residential parent and the parent of the child who is not the residential parent. The court shall include in every order issued pursuant to this division notice that any keeper of a record who knowingly fails to comply with the order or division (H) of this section is in contempt of court.

(2) Subject to section 3125.16 and division (F) of section 3319.321 of the Revised Code, subsequent to the issuance of an order under division (H)(1) of this section, the keeper of any record that is related to a particular child and to which the residential parent legally is provided access shall permit the parent of the child who is not the residential parent to have access to the record under the same terms and conditions under which access is provided to the residential parent, unless the residential parent has presented the keeper of the record with a copy of an order issued under division (H)(1) of this section that limits the terms and conditions under which the parent who is not the residential parent is to have access to records pertaining to the child and the order pertains to the record in question. If the residential parent presents the keeper of the record with a copy of that type of order, the keeper of the record shall permit the parent who is not the residential parent to have access to the record only in accordance with the most recent order that has been issued pursuant to division (H)(1) of this section and presented to the keeper by the residential parent or the parent who is not the residential parent. Any keeper of any record who knowingly fails to comply with division (H) of this section or with any order issued pursuant to division (H)(1) of this section is in contempt of court.

(3) The prosecuting attorney of any county may file a complaint with the court of common pleas of that county requesting the court to issue a protective order preventing the disclosure pursuant to division (H)(1) or (2) of this section of any

confidential law enforcement investigatory record. The court shall 156481  
schedule a hearing on the motion and give notice of the date, 156482  
time, and location of the hearing to all parties. 156483

(I) A court that issues a parenting time order or decree 156484  
pursuant to this section or section 3109.12 of the Revised Code 156485  
shall determine whether the parent granted the right of parenting 156486  
time is to be permitted access, in accordance with section 156487  
5104.039 of the Revised Code, to any child ~~day-care~~ care center 156488  
that is, or that in the future may be, attended by the children 156489  
with whom the right of parenting time is granted. Unless the court 156490  
determines that the parent who is not the residential parent 156491  
should not have access to the center to the same extent that the 156492  
residential parent is granted access to the center, the parent who 156493  
is not the residential parent and who is granted parenting time 156494  
rights is entitled to access to the center to the same extent that 156495  
the residential parent is granted access to the center. If the 156496  
court determines that the parent who is not the residential parent 156497  
should not have access to the center to the same extent that the 156498  
residential parent is granted such access under section 5104.039 156499  
of the Revised Code, the court shall specify the terms and 156500  
conditions under which the parent who is not the residential 156501  
parent is to have access to the center, provided that the access 156502  
shall not be greater than the access that is provided to the 156503  
residential parent under section 5104.039 of the Revised Code, the 156504  
court shall enter its written findings of fact and opinions in the 156505  
journal, and the court shall include the terms and conditions of 156506  
access in the parenting time order or decree. 156507

(J)(1) Subject to division (F) of section 3319.321 of the 156508  
Revised Code, when a court issues an order or decree allocating 156509  
parental rights and responsibilities for the care of a child, the 156510  
parent of the child who is not the residential parent of the child 156511  
is entitled to access, under the same terms and conditions under 156512

which access is provided to the residential parent, to any student 156513  
activity that is related to the child and to which the residential 156514  
parent of the child legally is provided access, unless the court 156515  
determines that it would not be in the best interest of the child 156516  
to grant the parent who is not the residential parent access to 156517  
the student activities under those same terms and conditions. If 156518  
the court determines that the parent of the child who is not the 156519  
residential parent should not have access to any student activity 156520  
that is related to the child under the same terms and conditions 156521  
as provided for the residential parent, the court shall specify 156522  
the terms and conditions under which the parent who is not the 156523  
residential parent is to have access to those student activities, 156524  
shall enter its written findings of facts and opinion in the 156525  
journal, and shall issue an order containing the terms and 156526  
conditions to both the residential parent and the parent of the 156527  
child who is not the residential parent. The court shall include 156528  
in every order issued pursuant to this division notice that any 156529  
school official or employee who knowingly fails to comply with the 156530  
order or division (J) of this section is in contempt of court. 156531

(2) Subject to division (F) of section 3319.321 of the 156532  
Revised Code, subsequent to the issuance of an order under 156533  
division (J)(1) of this section, all school officials and 156534  
employees shall permit the parent of the child who is not the 156535  
residential parent to have access to any student activity under 156536  
the same terms and conditions under which access is provided to 156537  
the residential parent of the child, unless the residential parent 156538  
has presented the school official or employee, the board of 156539  
education of the school, or the governing body of the chartered 156540  
nonpublic school with a copy of an order issued under division 156541  
(J)(1) of this section that limits the terms and conditions under 156542  
which the parent who is not the residential parent is to have 156543  
access to student activities related to the child and the order 156544  
pertains to the student activity in question. If the residential 156545

parent presents the school official or employee, the board of 156546  
education of the school, or the governing body of the chartered 156547  
nonpublic school with a copy of that type of order, the school 156548  
official or employee shall permit the parent who is not the 156549  
residential parent to have access to the student activity only in 156550  
accordance with the most recent order that has been issued 156551  
pursuant to division (J)(1) of this section and presented to the 156552  
school official or employee, the board of education of the school, 156553  
or the governing body of the chartered nonpublic school by the 156554  
residential parent or the parent who is not the residential 156555  
parent. Any school official or employee who knowingly fails to 156556  
comply with division (J) of this section or with any order issued 156557  
pursuant to division (J)(1) of this section is in contempt of 156558  
court. 156559

(K) If any person is found in contempt of court for failing 156560  
to comply with or interfering with any order or decree granting 156561  
parenting time rights issued pursuant to this section or section 156562  
3109.12 of the Revised Code or companionship or visitation rights 156563  
issued pursuant to this section, section 3109.11 or 3109.12 of the 156564  
Revised Code, or any other provision of the Revised Code, the 156565  
court that makes the finding, in addition to any other penalty or 156566  
remedy imposed, shall assess all court costs arising out of the 156567  
contempt proceeding against the person and require the person to 156568  
pay any reasonable attorney's fees of any adverse party, as 156569  
determined by the court, that arose in relation to the act of 156570  
contempt, and may award reasonable compensatory parenting time or 156571  
visitation to the person whose right of parenting time or 156572  
visitation was affected by the failure or interference if such 156573  
compensatory parenting time or visitation is in the best interest 156574  
of the child. Any compensatory parenting time or visitation 156575  
awarded under this division shall be included in an order issued 156576  
by the court and, to the extent possible, shall be governed by the 156577  
same terms and conditions as was the parenting time or visitation 156578

that was affected by the failure or interference. 156579

(L) Any parent who requests reasonable parenting time rights 156580  
with respect to a child under this section or section 3109.12 of 156581  
the Revised Code or any person who requests reasonable 156582  
companionship or visitation rights with respect to a child under 156583  
this section, section 3109.11 or 3109.12 of the Revised Code, or 156584  
any other provision of the Revised Code may file a motion with the 156585  
court requesting that it waive all or any part of the costs that 156586  
may accrue in the proceedings. If the court determines that the 156587  
movant is indigent and that the waiver is in the best interest of 156588  
the child, the court, in its discretion, may waive payment of all 156589  
or any part of the costs of those proceedings. 156590

(M)(1) A parent who receives an order for active military 156591  
service in the uniformed services and who is subject to a 156592  
parenting time order may apply to the court for any of the 156593  
following temporary orders for the period extending from the date 156594  
of the parent's departure to the date of return: 156595

(a) An order delegating all or part of the parent's parenting 156596  
time with the child to a relative or to another person who has a 156597  
close and substantial relationship with the child if the 156598  
delegation is in the child's best interest; 156599

(b) An order that the other parent make the child reasonably 156600  
available for parenting time with the parent when the parent is on 156601  
leave from active military service; 156602

(c) An order that the other parent facilitate contact, 156603  
including telephone and electronic contact, between the parent and 156604  
child while the parent is on active military service. 156605

(2)(a) Upon receipt of an order for active military service, 156606  
a parent who is subject to a parenting time order and seeks an 156607  
order under division (M)(1) of this section shall notify the other 156608  
parent who is subject to the parenting time order and apply to the 156609

court as soon as reasonably possible after receipt of the order 156610  
for active military service. The application shall include the 156611  
date on which the active military service begins. 156612

(b) The court shall schedule a hearing upon receipt of an 156613  
application under division (M) of this section and hold the 156614  
hearing not later than thirty days after its receipt, except that 156615  
the court shall give the case calendar priority and handle the 156616  
case expeditiously if exigent circumstances exist in the case. No 156617  
hearing shall be required if both parents agree to the terms of 156618  
the requested temporary order and the court determines that the 156619  
order is in the child's best interest. 156620

(c) In determining whether a delegation under division 156621  
(M)(1)(a) of this section is in the child's best interest, the 156622  
court shall consider all relevant factors, including the factors 156623  
set forth in division (D) of this section. 156624

(d) An order delegating all or part of the parent's parenting 156625  
time pursuant to division (M)(1)(a) of this section does not 156626  
create standing on behalf of the person to whom parenting time is 156627  
delegated to assert visitation or companionship rights independent 156628  
of the order. 156629

(3) At the request of a parent who is ordered for active 156630  
military service in the uniformed services and who is a subject of 156631  
a proceeding pertaining to a parenting time order or pertaining to 156632  
a request for companionship rights or visitation with a child, the 156633  
court shall permit the parent to participate in the proceeding and 156634  
present evidence by electronic means, including communication by 156635  
telephone, video, or internet to the extent permitted by rules of 156636  
the supreme court of Ohio. 156637

the orders in any case certified to it from another court. 156639

(b) The amount of the fees or tuition charged;

(c) How many of the students for whom tuition is charged are eligible for free lunches under the "National School Lunch Act," 60 Stat. 230 (1946), 42 U.S.C. 1751, as amended, and the "Child Nutrition Act of 1966," 80 Stat. 885, 42 U.S.C. 1771, as amended, and how many of the students for whom tuition is charged are eligible for reduced price lunches under those acts;

(d) How many students are enrolled in traditional half-day kindergarten rather than all-day kindergarten.

Each district shall report to the department, in the manner 156913  
prescribed by the department, the information described in 156914  
divisions (G)(2)(a) to (d) of this section. 156915

The department shall issue an annual report on the results of 156916  
the survey and shall post the report on its web site. The 156917  
department shall issue the first report not later than April 30, 156918

(B)(1) of this section finds at the hearing required by division 157956

the building previously has not been afforded a reasonable 157959

an opportunity and has not refused or failed to abate the public 157961  
nuisance, and if the complaint of the municipal corporation, 157962  
township, neighbor, tenant, or nonprofit corporation commencing 157963  
the action requested the issuance of an injunction as described in 157964  
this division, then the judge may issue an injunction requiring 157965  
the owner of the building to abate the public nuisance or issue 157966  
any other order that the judge considers necessary or appropriate 157967  
to cause the abatement of the public nuisance. If an injunction is 157968  
issued pursuant to this division, the owner of the building 157969  
involved shall be given no more than thirty days from the date of 157970  
the entry of the judge's order to comply with the injunction, 157971

compliance. 157973

(B)(1) of this section finds at the hearing required by division 157975

nuisance, if the judge additionally determines that the owner of 157977  
the building previously has been afforded a reasonable opportunity 157978  
to abate the public nuisance and has refused or failed to do so, 157979  
and if the complaint of the municipal corporation, township, 157980

neighbor, tenant, or nonprofit corporation commencing the action 157981  
requested relief as described in this division, then the judge 157982  
shall offer any mortgagee, lienholder, or other interested party 157983  
associated with the property on which the building is located, in 157984  
the order of the priority of interest in title, the opportunity to 157985  
undertake the work and to furnish the materials necessary to abate 157986  
the public nuisance. Prior to selecting any interested party, the 157987  
judge shall require the interested party to demonstrate the 157988  
ability to promptly undertake the work and furnish the materials 157989  
required, to provide the judge with a viable financial and 157990  
construction plan for the rehabilitation of the building as 157991

for the performance of the work and the furnishing of the 157993

party is willing or able to undertake the work and to furnish the 157996  
materials necessary to abate the public nuisance, or if the judge 157997  
determines, at any time after the hearing, that any party who is 157998  
undertaking corrective work pursuant to this division cannot or 157999  
will not proceed, or has not proceeded with due diligence, the 158000  
judge may appoint a receiver pursuant to division (C)(3) of this 158001

(3)(a) The judge in a civil action described in division 158003

(b) To be eligible for appointment as a receiver, no part of 158017  
the net earnings of a nonprofit corporation shall inure to the 158018  
benefit of any private shareholder or individual. Membership on 158019  
the board of trustees of a nonprofit corporation appointed as a 158020  
receiver does not constitute the holding of a public office or 158021  
employment within the meaning of sections 731.02 and 731.12 or any 158022  
other section of the Revised Code and does not constitute a direct 158023  
or indirect interest in a contract or expenditure of money by any 158024  
municipal corporation. A member of a board of trustees of a 158025  
nonprofit corporation appointed as a receiver shall not be 158026  
disqualified from holding any public office or employment, and 158027  
shall not forfeit any public office or employment, by reason of 158028  
membership on the board of trustees, notwithstanding any law to 158029  
the contrary. 158030

(D) Prior to ordering any work to be undertaken, or the 158031  
furnishing of any materials, to abate a public nuisance under this 158032  
section, the judge in a civil action described in division (B)(1) 158033  
of this section shall review the submitted financial and 158034  
construction plan for the rehabilitation of the building involved 158035  
and, if it specifies all of the following, shall approve that 158036  
plan: 158037

(1) The estimated cost of the labor, materials, and any other 158038  
development costs that are required to abate the public nuisance; 158039

(2) The estimated income and expenses of the building and the 158040  
property on which it is located after the furnishing of the 158041  
materials and the completion of the repairs and improvements; 158042

(3) The terms, conditions, and availability of any financing 158043

that is necessary to perform the work and to furnish the materials; 158044  
158045

(4) If repair and rehabilitation of the building are found not to be feasible, the cost of demolition of the building or of the portions of the building that constitute the public nuisance. 158046  
158047  
158048

(E) Upon the written request of any of the interested parties to have a building, or portions of a building, that constitute a public nuisance demolished because repair and rehabilitation of the building are found not to be feasible, the judge may order the demolition. However, the demolition shall not be ordered unless the requesting interested parties have paid the costs of demolition and, if any, of the receivership, and, if any, all notes, certificates, mortgages, and fees of the receivership. 158049  
158050  
158051  
158052  
158053  
158054  
158055  
158056

(F) Before proceeding with the duties of receiver, any receiver appointed by the judge in a civil action described in division (B)(1) of this section may be required by the judge to post a bond in an amount fixed by the judge, but not exceeding the value of the building involved as determined by the judge. 158057  
158058  
158059  
158060  
158061

The judge may empower the receiver to do any or all of the following: 158062  
158063

(1) Take possession and control of the building and the property on which it is located, operate and manage the building and the property, establish and collect rents and income, lease and rent the building and the property, and evict tenants; 158064  
158065  
158066  
158067

(2) Pay all expenses of operating and conserving the building and the property, including, but not limited to, the cost of electricity, gas, water, sewerage, heating fuel, repairs and supplies, custodian services, taxes and assessments, and insurance premiums, and hire and pay reasonable compensation to a managing agent; 158068  
158069  
158070  
158071  
158072  
158073

(3) Pay pre-receivership mortgages or installments of them 158074

and other liens; 158075

(4) Perform or enter into contracts for the performance of 158076  
all work and the furnishing of materials necessary to abate, and 158077  
obtain financing for the abatement of, the public nuisance; 158078

(5) Pursuant to court order, remove and dispose of any 158079  
personal property abandoned, stored, or otherwise located in or on 158080  
the building and the property that creates a dangerous or unsafe 158081  
condition or that constitutes a violation of any local building, 158082  
housing, air pollution, sanitation, health, fire, zoning, or 158083  
safety code, ordinance, or regulation; 158084

(6) Obtain mortgage insurance for any receiver's mortgage 158085  
from any agency of the federal government; 158086

(7) Enter into any agreement and do those things necessary to 158087  
maintain and preserve the building and the property and comply 158088  
with all local building, housing, air pollution, sanitation, 158089  
health, fire, zoning, or safety codes, ordinances, resolutions, 158090  
and regulations; 158091

(8) Give the custody of the building and the property, and 158092  
the opportunity to abate the nuisance and operate the property, to 158093  
its owner or any mortgagee or lienholder of record; 158094

(9) Issue notes and secure them by a mortgage bearing 158095  
interest, and upon terms and conditions, that the judge approves. 158096  
When sold or transferred by the receiver in return for valuable 158097  
consideration in money, material, labor, or services, the notes or 158098  
certificates shall be freely transferable. Any mortgages granted 158099  
by the receiver shall be superior to any claims of the receiver. 158100  
Priority among the receiver's mortgages shall be determined by the 158101  
order in which they are recorded. 158102

(G) A receiver appointed pursuant to this section is not 158103  
personally liable except for misfeasance, malfeasance, or 158104  
nonfeasance in the performance of the functions of the office of 158105

receiver. 158106

(H)(1) The judge in a civil action described in division 158107  
(B)(1) of this section may assess as court costs, the expenses 158108  
described in division (F)(2) of this section, and may approve 158109  
receiver's fees to the extent that they are not covered by the 158110  
income from the property. Subject to that limitation, a receiver 158111  
appointed pursuant to divisions (C)(2) and (3) of this section is 158112  
entitled to receive fees in the same manner and to the same extent 158113  
as receivers appointed in actions to foreclose mortgages. 158114

(2)(a) Pursuant to the police powers vested in the state, all 158115  
expenditures of a mortgagee, lienholder, or other interested party 158116  
that has been selected pursuant to division (C)(2) of this section 158117  
to undertake the work and to furnish the materials necessary to 158118  
abate a public nuisance, and any expenditures in connection with 158119  
the foreclosure of the lien created by this division, is a first 158120  
lien upon the building involved and the property on which it is 158121  
located and is superior to all prior and subsequent liens or other 158122  
encumbrances associated with the building or the property, 158123  
including, but not limited to, those for taxes and assessments, 158124  
upon the occurrence of both of the following: 158125

(i) The prior approval of the expenditures by, and the entry 158126  
of a judgment to that effect by, the judge in the civil action 158127  
described in division (B)(1) of this section; 158128

(ii) The recordation of a certified copy of the judgment 158129  
entry and a sufficient description of the property on which the 158130  
building is located with the county recorder in the county in 158131  
which the property is located within sixty days after the date of 158132  
the entry of the judgment. 158133

(b) Pursuant to the police powers vested in the state, all 158134  
expenses and other amounts paid in accordance with division (F) of 158135  
this section by a receiver appointed pursuant to divisions (C)(2) 158136

and (3) of this section, the amounts of any notes issued by the receiver in accordance with division (F) of this section, all mortgages granted by the receiver in accordance with that division, the fees of the receiver approved pursuant to division (H)(1) of this section, and any amounts expended in connection with the foreclosure of a mortgage granted by the receiver in accordance with division (F) of this section or with the foreclosure of the lien created by this division, are a first lien upon the building involved and the property on which it is located and are superior to all prior and subsequent liens or other encumbrances associated with the building or the property, including, but not limited to, those for taxes and assessments, upon the occurrence of both of the following:

(i) The approval of the expenses, amounts, or fees by, and the entry of a judgment to that effect by, the judge in the civil action described in division (B)(1) of this section; or the approval of the mortgages in accordance with division (F)(9) of this section by, and the entry of a judgment to that effect by, that judge;

(ii) The recordation of a certified copy of the judgment entry and a sufficient description of the property on which the building is located, or, in the case of a mortgage, the recordation of the mortgage, a certified copy of the judgment entry, and such a description, with the county recorder of the county in which the property is located within sixty days after the date of the entry of the judgment.

(c) Priority among the liens described in divisions (H)(2)(a) and (b) of this section shall be determined as described in division (I) of this section. Additionally, the creation pursuant to this section of a mortgage lien that is prior to or superior to any mortgage of record at the time the mortgage lien is so created, does not disqualify the mortgage of record as a legal

investment under Chapter 1107. or any other chapter of the Revised Code. 158169  
158170

(I)(1) If a receiver appointed pursuant to divisions (C)(2) 158171  
and (3) of this section files with the judge in the civil action 158172  
described in division (B)(1) of this section a report indicating 158173  
that the public nuisance has been abated, if the judge confirms 158174  
that the receiver has abated the public nuisance, and if the 158175  
receiver or any interested party requests the judge to enter an 158176  
order directing the receiver to sell the building and the property 158177  
on which it is located, the judge may enter that order after 158178  
holding a hearing as described in division (I)(2) of this section 158179  
and otherwise complying with that division. 158180

(2)(a) The receiver or interested party requesting an order 158181  
as described in division (I)(1) of this section shall cause a 158182  
notice of the date and time of a hearing on the request to be 158183  
served on the owner of the building involved and all other 158184  
interested parties in accordance with division (B)(2)(a) of this 158185  
section. The judge in the civil action described in division 158186  
(B)(1) of this section shall conduct the scheduled hearing. At the 158187  
hearing, if the owner or any interested party objects to the sale 158188  
of the building and the property, the burden of proof shall be 158189  
upon the objecting person to establish, by a preponderance of the 158190  
evidence, that the benefits of not selling the building and the 158191  
property outweigh the benefits of selling them. If the judge 158192  
determines that there is no objecting person, or if the judge 158193  
determines that there is one or more objecting persons but no 158194  
objecting person has sustained the burden of proof specified in 158195  
this division, the judge may enter an order directing the receiver 158196  
to offer the building and the property for sale upon terms and 158197  
conditions that the judge shall specify. 158198

(b) In any sale of subsidized housing that is ordered 158199  
pursuant to this section, the judge shall specify that the 158200

subsidized housing not be conveyed unless that conveyance complies 158201  
with applicable federal law and applicable program contracts for 158202  
that housing. Any such conveyance shall be subject to the 158203  
condition that the purchaser enter into a contract with the 158204  
department of housing and urban development or the rural housing 158205  
service of the federal department of agriculture under which the 158206  
property continues to be subsidized housing and the owner 158207  
continues to operate that property as subsidized housing unless 158208  
the secretary of housing and urban development or the 158209  
administrator of the rural housing service terminates that 158210  
property's contract prior to or upon the conveyance of the 158211  
property. 158212

(3) If a sale of a building and the property on which it is 158213  
located is ordered pursuant to divisions (I)(1) and (2) of this 158214  
section and if the sale occurs in accordance with the terms and 158215  
conditions specified by the judge in the judge's order of sale, 158216  
then the receiver shall distribute the proceeds of the sale and 158217  
the balance of any funds that the receiver may possess, after the 158218  
payment of the costs of the sale, in the following order of 158219  
priority and in the described manner: 158220

(a) First, in satisfaction of any notes issued by the 158221  
receiver pursuant to division (F) of this section, in their order 158222  
of priority; 158223

(b) Second, any unreimbursed expenses and other amounts paid 158224  
in accordance with division (F) of this section by the receiver, 158225  
and the fees of the receiver approved pursuant to division (H)(1) 158226  
of this section; 158227

(c) Third, all expenditures of a mortgagee, lienholder, or 158228  
other interested party that has been selected pursuant to division 158229  
(C)(2) of this section to undertake the work and to furnish the 158230  
materials necessary to abate a public nuisance, provided that the 158231  
expenditures were approved as described in division (H)(2)(a) of 158232

this section and provided that, if any such interested party 158233  
subsequently became the receiver, its expenditures shall be paid 158234  
prior to the expenditures of any of the other interested parties 158235  
so selected; 158236

(d) Fourth, the amount due for delinquent taxes, assessments, 158237  
charges, penalties, and interest owed to this state or a political 158238  
subdivision of this state, provided that, if the amount available 158239  
for distribution pursuant to division (I)(3)(d) of this section is 158240  
insufficient to pay the entire amount of those taxes, assessments, 158241  
charges, penalties, and interest, the proceeds and remaining funds 158242  
shall be paid to each claimant in proportion to the amount of 158243  
those taxes, assessments, charges, penalties, and interest that 158244  
each is due. 158245

(e) The amount of any pre-receivership mortgages, liens, or 158246  
other encumbrances, in their order of priority. 158247

(4) Following a distribution in accordance with division 158248  
(I)(3) of this section, the receiver shall request the judge in 158249  
the civil action described in division (B)(1) of this section to 158250  
enter an order terminating the receivership. If the judge 158251  
determines that the sale of the building and the property on which 158252  
it is located occurred in accordance with the terms and conditions 158253  
specified by the judge in the judge's order of sale under division 158254  
(I)(2) of this section and that the receiver distributed the 158255  
proceeds of the sale and the balance of any funds that the 158256  
receiver possessed, after the payment of the costs of the sale, in 158257  
accordance with division (I)(3) of this section, and if the judge 158258  
approves any final accounting required of the receiver, the judge 158259  
may terminate the receivership. 158260

(J)(1) A receiver appointed pursuant to divisions (C)(2) and 158261  
(3) of this section may be discharged at any time in the 158262  
discretion of the judge in the civil action described in division 158263  
(B)(1) of this section. The receiver shall be discharged by the 158264

judge as provided in division (I)(4) of this section, or when all 158265  
of the following have occurred: 158266

(a) The public nuisance has been abated; 158267

(b) All costs, expenses, and approved fees of the 158268  
receivership have been paid; 158269

(c) Either all receiver's notes issued and mortgages granted 158270  
pursuant to this section have been paid, or all the holders of the 158271  
notes and mortgages request that the receiver be discharged. 158272

(2) If a judge in a civil action described in division (B)(1) 158273  
of this section determines that, and enters of record a 158274  
declaration that, a public nuisance has been abated by a receiver, 158275  
and if, within three days after the entry of the declaration, all 158276  
costs, expenses, and approved fees of the receivership have not 158277  
been paid in full, then, in addition to the circumstances 158278  
specified in division (I) of this section for the entry of such an 158279  
order, the judge may enter an order directing the receiver to sell 158280  
the building involved and the property on which it is located. Any 158281  
such order shall be entered, and the sale shall occur, only in 158282  
compliance with division (I) of this section. 158283

(K) The title in any building, and in the property on which 158284  
it is located, that is sold at a sale ordered under division (I) 158285  
or (J)(2) of this section shall be incontestable in the purchaser 158286  
and shall be free and clear of all liens for delinquent taxes, 158287  
assessments, charges, penalties, and interest owed to this state 158288  
or any political subdivision of this state, that could not be 158289  
satisfied from the proceeds of the sale and the remaining funds in 158290  
the receiver's possession pursuant to the distribution under 158291  
division (I)(3) of this section. All other liens and encumbrances 158292  
with respect to the building and the property shall survive the 158293  
sale, including, but not limited to, a federal tax lien notice 158294  
properly filed in accordance with section 317.09 of the Revised 158295

determined to be a public nuisance pursuant to this section. 158330

(4) Nothing in this section shall be construed to limit or 158331  
prohibit a municipal corporation or township that has filed with 158332  
the superintendent of insurance a certified copy of an adopted 158333  
resolution, ordinance, or regulation authorizing the procedures 158334

they shall be safe and sanitary for their intended use and 158344

(B) Sections 3781.06 to 3781.18, 3781.40, and 3791.04 of the 158352  
Revised Code do not apply to any of the following: 158353

(1) Buildings or structures that are incident to the use for 158354  
agricultural purposes of the land on which the buildings or 158355

not used in the business of retail trade. For purposes of this 158357  
division, a building or structure is not considered used in the 158358

device, material, method of manufacture, system, or method of 158516  
construction described in that section of the Revised Code is 158517  
permitted by law. The board shall amend or annul any rule or issue 158518  
an authorization for the use of a new material or manufactured 158519  
unit on any like application. No department, officer, board, or 158520  
commission of the state other than the board of building standards 158521  
or the board of building appeals shall permit the use of any 158522  
fixture, device, material, method of manufacture, newly designed 158523

issues or that is authorized by any section of the Revised Code. 158526

the rules the board of building standards adopts pursuant to 158529  
section 3781.11 of the Revised Code. 158530

(3) The board shall not require a building department, its 158556  
personnel, or any persons that it employs to be certified for 158557

not limited to, the satisfactory completion of an initial 158566  
examination and, to remain certified, the completion of a 158567  
specified number of hours of continuing building code education 158568

(B) Unless expressly authorized by a section of the Revised 159175  
Code, a court may not grant limited driving privileges during any 159176

limited driving privileges during a suspension imposed by the 159178  
bureau, the person under suspension may file a petition in a court 159179  
of record in the county in which the person resides. A person who 159180  
is not a resident of this state shall file any petition for 159181

equipped with restricted license plates of that nature, except as 159199  
provided in division (B) of that section. 159200

(D) When the court grants limited driving privileges under 159201  
section 4510.31 of the Revised Code or any other provision of law 159202  
during the suspension of the temporary instruction permit or 159203  
probationary driver's license of a person who is under eighteen 159204  
years of age, the court may include as a purpose of the privilege 159205  
the person's practicing of driving with the person's parent, 159206  
guardian, or other custodian during the period of the suspension. 159207  
If the court grants limited driving privileges for this purpose, 159208  
the court, in addition to all other conditions it imposes, shall 159209  
impose as a condition that the person exercise the privilege only 159210

current valid driver's or commercial driver's license issued by 159212  
this state actually occupies the seat beside the person in the 159213  
vehicle the person is operating. 159214

(E) Before granting limited driving privileges under this 159215  
section, the court shall require the offender to provide proof of 159216

provided under this section shall be claimed in the order required 163239  
under section 5733.98 or 5747.98 of the Revised Code. The credits, 163240  
to the extent they exceed the taxpayer's aggregate tax liability 163241  
for the taxable year after allowance for any other credits that 163242  
precede the credits under this section in that order, shall be 163243  
carried forward to the next succeeding taxable year or years until 163244

**Sec. 5733.36.** This section applies only to tax years 1999, 163246

taxpayer that enters into an agreement with a child ~~day-care~~ care center pursuant to this section. Under the terms of the agreement, the taxpayer must make one or more support payments to the ~~day-care~~ center on a periodic basis, and the center must agree to serve a child of an employee of the taxpayer for the period covered by each support payment. The center must be licensed under section 5104.03 of the Revised Code. The amount of the support payment must be set forth in the agreement, and cannot exceed a reasonable charge for a child to attend a ~~day-care~~ center in the vicinity of the taxpayer's worksite. The agreement must specify that an employee has the option of refusing to place the employee's child in a ~~day-care~~ center that receives support payments from the taxpayer.

The amount of the credit equals fifty per cent of the total amount of support payments made by the taxpayer during the taxable year. The taxpayer shall not count toward the credit any amount it paid directly or indirectly in connection with a plan or program described in section 125 of the Internal Revenue Code or under section 5733.38 of the Revised Code. The taxpayer shall claim the credit in the order required under section 5733.98 of the Revised Code.

**Sec. 5733.37.** (A) A nonrefundable credit is allowed against the tax imposed by sections 5733.06, 5733.065, and 5733.066 of the Revised Code equal to the lesser of one hundred thousand dollars, or fifty per cent of the amount incurred by a taxpayer for equipment, supplies, labor, and real property, including renovation of real property, used exclusively to establish a child ~~day-care~~ care center. The credit may be claimed only for tax year 1999, 2000, 2001, 2002, or 2003, but may be carried forward pursuant to division (B) of this section.

The center must be licensed under section 5104.03 of the Revised Code, used exclusively by employees of the taxpayer, and located at the employees' worksite. Amounts incurred for supplies that are to be used after the center begins operations may be included only with regard to supplies that are expected to last more than one year under normal usage. To be eligible for the credit, the taxpayer must specify that an employee has the option of refusing to place the employee's child in the ~~day-care~~ center established by the taxpayer.

(B) The taxpayer shall claim the credit in the order required under section 5733.98 of the Revised Code. The taxpayer may carry forward any credit amount in excess of its tax due after allowing for any other credits that precede the credit under this section in the order required under section 5733.98 of the Revised Code, and shall deduct the amount of the excess credit allowed in any such year from the balance carried forward to the next taxable year. The credit may be carried forward for five tax years following the tax year for which the credit is claimed under division (A) of this section. However, if the taxpayer disposes of the ~~day-care~~ center or ceases to operate it at any time during the five-year period, it shall not claim or carry forward any credit in connection with that property in the taxable year of disposal or cessation of operation or in any ensuing taxable year.

The amount of the credit for a tax year shall not exceed seven hundred fifty

The taxpayer shall count toward the credit only 163314  
reimbursements it pays to or for the benefit of employees for 163315  
amounts paid by those employees for child care provided to 163316  
dependents of the employees at child ~~day-care~~ care centers 163317  
licensed under section 5104.03 of the Revised Code. The taxpayer 163318  
shall not count toward the credit any amount it paid directly or 163319  
indirectly in connection with a plan or program described in 163320  
section 125 of the Internal Revenue Code or under section 5733.36 163321  
of the Revised Code. The taxpayer shall claim the credit in the 163322  
order required under section 5733.98 of the Revised Code. 163323

shall issue a commercial applicator license limited to the 163715  
pesticide-use category or categories for which the applicant is 163716  
found to be competent. If the director rejects an application, the 163717  
director may explain why the application was rejected, describe 163718  
the additional requirements necessary for the applicant to obtain 163719  
a license, and return the application. The applicant may resubmit 163720  
the application without payment of any additional fee. 163721

A license issued under this division shall be limited to the 163731  
pesticide-use category or categories for which the applicant is 163732  
licensed in another state or has satisfactory work experience, a 163733  
government certification, or a private certification in that 163734  
state. 163735

revoked according to rules the state fire marshal shall adopt, 163757  
except that the state fire marshal shall grant a certificate in 163758  
accordance with Chapter 4796. of the Revised Code to an applicant 163759  
if either of the following applies: 163760

(1) The applicant holds a license or certificate in another 163761

state that does not issue that certificate. 163767

(D) Establish minimum standards of flammability for consumer goods in any case where the federal government or any department or agency thereof has established, or may from time to time establish standards of flammability for consumer goods. **Sec. 3781.10.** (A)(1) The board of building standards shall formulate and adopt rules governing the erection, construction, repair, alteration, and maintenance of all buildings or classes of buildings specified in section 3781.06 of the Revised Code,

including land area incidental to those buildings, the 163799  
construction of industrialized units, the installation of 163800  
equipment, and the standards or requirements for materials used in 163801  
connection with those buildings. The board shall incorporate those 163802  
rules into separate residential and nonresidential building codes. 163803  
The standards shall relate to the conservation of energy and the 163804  
safety and sanitation of those buildings. 163805

(2) The rules governing nonresidential buildings are the 163806  
lawful minimum requirements specified for those buildings and 163807  
industrialized units, except that no rule other than as provided 163808  
in division (C) of section 3781.108 of the Revised Code that 163809  
specifies a higher requirement than is imposed by any section of 163810  
the Revised Code is enforceable. The rules governing residential 163811  
buildings are uniform requirements for residential buildings in 163812  
any area with a building department certified to enforce the state 163813  
residential building code. In no case shall any local code or 163814  
regulation differ from the state residential building code unless 163815  
that code or regulation addresses subject matter not addressed by 163816  
the state residential building code or is adopted pursuant to 163817  
section 3781.01 of the Revised Code. 163818

(3) The rules adopted pursuant to this section are complete, 163819  
lawful alternatives to any requirements specified for buildings or 163820  
industrialized units in any section of the Revised Code. Except as 163821  
otherwise provided in division (I) of this section, the board 163822  
shall, on its own motion or on application made under sections 163823  
3781.12 and 3781.13 of the Revised Code, formulate, propose, 163824  
adopt, modify, amend, or repeal the rules to the extent necessary 163825  
or desirable to effectuate the purposes of sections 3781.06 to 163826  
3781.18 of the Revised Code. 163827

(B) The board shall report to the general assembly proposals 163828  
for amendments to existing statutes relating to the purposes 163829

declared in section 3781.06 of the Revised Code that public health and safety and the development of the arts require and shall recommend any additional legislation to assist in carrying out fully, in statutory form, the purposes declared in that section. The board shall prepare and submit to the general assembly a summary report of the number, nature, and disposition of the petitions filed under sections 3781.13 and 3781.14 of the Revised Code.

(C) On its own motion or on application made under sections 3781.12 and 3781.13 of the Revised Code, and after thorough testing and evaluation, the board shall determine by rule that any particular fixture, device, material, process of manufacture, manufactured unit or component, method of manufacture, system, or method of construction complies with performance standards adopted pursuant to section 3781.11 of the Revised Code. The board shall make its determination with regard to adaptability for safe and sanitary erection, use, or construction, to that described in any section of the Revised Code, wherever the use of a fixture, device, material, method of manufacture, system, or method of construction described in that section of the Revised Code is permitted by law. The board shall amend or annul any rule or issue an authorization for the use of a new material or manufactured unit on any like application. No department, officer, board, or commission of the state other than the board of building standards or the board of building appeals shall permit the use of any fixture, device, material, method of manufacture, newly designed product, system, or method of construction at variance with what is described in any rule the board of building standards adopts or issues or that is authorized by any section of the Revised Code. Nothing in this section shall be construed as requiring approval, by rule, of plans for an industrialized unit that conforms with the rules the board of building standards adopts pursuant to section 3781.11 of the Revised Code.

(D) The board shall recommend rules, codes, and standards to help carry out the purposes of section 3781.06 of the Revised Code and to help secure uniformity of state administrative rulings and local legislation and administrative action to the bureau of workers' compensation, the director of commerce, any other department, officer, board, or commission of the state, and to legislative authorities and building departments of counties, townships, and municipal corporations, and shall recommend that they audit those recommended rules, codes, and standards by any appropriate action that they are allowed pursuant to law or the constitution.

(E)(1) The board shall certify municipal, township, and county building departments, the personnel of those building departments, persons described in division (E)(7) of this section, and employees of individuals, firms, the state, or corporations described in division (E)(7) of this section to exercise enforcement authority, to accept and approve plans and specifications, and to make inspections, pursuant to sections 3781.03, 3791.04, and 4104.43 of the Revised Code.

(2) The board shall certify departments, personnel, and persons to enforce the state residential building code, to enforce the nonresidential building code, or to enforce both the residential and the nonresidential building codes. Any department, personnel, or person may enforce only the type of building code for which certified.

(3) The board shall not require a building department, its personnel, or any persons that it employs to be certified for residential building code enforcement if that building department does not enforce the state residential building code. The board shall specify, in rules adopted pursuant to Chapter 119. of the Revised Code, the requirements for certification for residential and nonresidential building code enforcement, which shall be

consistent with this division. The requirements for residential 163895  
and nonresidential certification may differ. Except as otherwise 163896  
provided in this division, the requirements shall include, but are 163897  
not limited to, the satisfactory completion of an initial 163898  
examination and, to remain certified, the completion of a 163899  
specified number of hours of continuing building code education 163900  
within each three-year period following the date of certification 163901  
which shall be not less than thirty hours. The rules shall provide 163902  
that continuing education credits and certification issued by the 163903  
council of American building officials, national model code 163904  
organizations, and agencies or entities the board recognizes are 163905  
acceptable for purposes of this division. The rules shall specify 163906  
requirements that are consistent with the provisions of section 163907  
5903.12 of the Revised Code relating to active duty military 163908  
service and are compatible, to the extent possible, with 163909  
requirements the council of American building officials and 163910  
national model code organizations establish. 163911

(4) The board shall establish and collect a certification and 163912  
renewal fee for building department personnel, and persons and 163913  
employees of persons, firms, or corporations as described in this 163914  
section, who are certified pursuant to this division. 163915

(5) Any individual certified pursuant to this division shall 163916  
complete the number of hours of continuing building code education 163917  
that the board requires or, for failure to do so, forfeit 163918  
certification. 163919

(6) This division does not require or authorize the board to 163920  
certify personnel of municipal, township, and county building 163921  
departments, and persons and employees of persons, firms, or 163922  
corporations as described in this section, whose responsibilities 163923  
do not include the exercise of enforcement authority, the approval 163924  
of plans and specifications, or making inspections under the state 163925  
residential and nonresidential building codes. 163926

(7) Enforcement authority for approval of plans and specifications and enforcement authority for inspections may be exercised, and plans and specifications may be approved and inspections may be made on behalf of a municipal corporation, township, or county, by any of the following who the board of building standards certifies:

(d) Officers or employees of the division of industrial compliance in the department of commerce pursuant to a contract authorized by division (B) of section 121.083 of the Revised Code.

(8) Municipal, township, and county building departments have jurisdiction within the meaning of sections 3781.03, 3791.04, and 4104.43 of the Revised Code, only with respect to the types of buildings and subject matters for which they are certified under this section.

(9) A certified municipal, township, or county building department may exercise enforcement authority, accept and approve plans and specifications, and make inspections pursuant to sections 3781.03, 3791.04, and 4104.43 of the Revised Code for a park district created pursuant to Chapter 1545. of the Revised Code upon the approval, by resolution, of the board of park commissioners of the park district requesting the department to exercise that authority and conduct those activities, as

applicable. 163958

(10) Certification shall be granted upon application by the 163959  
municipal corporation, the board of township trustees, or the 163960  
board of county commissioners and approval of that application by 163961

section; 163973

(e) The proposed budget for the operation of the building 163974  
department. 163975

(11) The board of building standards shall adopt rules 163976  
governing all of the following: 163977

(a) The certification of building department personnel and 163978  
persons and employees of persons, firms, or corporations 163979  
exercising authority pursuant to division (E)(7) of this section. 163980  
The rules shall disqualify any employee of the department or 163981  
person who contracts for services with the department from 163982  
performing services for the department when that employee or 163983  
person would have to pass upon, inspect, or otherwise exercise 163984  
authority over any labor, material, or equipment the employee or 163985  
person furnishes for the construction, alteration, or maintenance 163986  
of a building or the preparation of working drawings or 163987

specifications for work within the jurisdictional area of the 163988  
department. The department shall provide other similarly qualified 163989  
personnel to enforce the residential and nonresidential building 163990  
codes as they pertain to that work. 163991

that enforcement or approval of plans, or by the board on its own 163997  
motion. Hearings shall be held and appeals permitted on any 163998  
proceedings for certification or revocation or suspension of 163999  
certification in the same manner as provided in section 3781.101 164000  
of the Revised Code for other proceedings of the board of building 164001  
standards. 164002

(13) Upon certification, and until that authority is revoked, 164003  
any county or township building department shall enforce the 164004  
residential and nonresidential building codes for which it is 164005  
certified without regard to limitation upon the authority of 164006  
boards of county commissioners under Chapter 307. of the Revised 164007  
Code or boards of township trustees under Chapter 505. of the 164008  
Revised Code. 164009

(14) The board shall certify a person to exercise enforcement 164010  
authority, to accept and approve plans and specifications, or to 164011

that does not issue that license or certificate. 164021

(F) In addition to hearings sections 3781.06 to 3781.18 and 164022  
3791.04 of the Revised Code require, the board of building 164023  
standards shall make investigations and tests, and require from 164024  
other state departments, officers, boards, and commissions 164025

it in the discharge of any duty or the exercise of any power 164027

the board shall adopt rules establishing that code as the state 164043

(I)(1) The committee may provide the board with proposed 164045  
rules to update or amend the state residential building code that 164046  
the committee recommends pursuant to division (E) of section 164047  
4740.14 of the Revised Code. 164048

(2) If the board receives a proposed rule to update or amend 164049

the state residential building code as provided in division (I)(1) 164050  
of this section, the board either may accept or reject the 164051

**Sec. 753.19.** (A) If a person who was convicted of or pleaded guilty to an offense or was indicted or otherwise charged with the commission of an offense escapes from a jail or workhouse of a municipal corporation or otherwise escapes from the custody of a municipal corporation, the chief of police or other chief law enforcement officer of that municipal corporation immediately after the escape shall report the escape, by telephone and in writing, to all local law enforcement agencies with jurisdiction over the place where the person escaped from custody, to the state highway patrol, to the department of rehabilitation and correction if the escaped person is a prisoner under the custody of the department who is in the jail or workhouse, to the prosecuting attorney of the county, and to a newspaper of general circulation in the municipal corporation in a newspaper of general circulation in each county in which part of the municipal corporation is located. The written notice may be by either facsimile transmission, electronic mail, or mail. A failure to comply with this requirement is a violation of section 2921.22 of the Revised Code.

(B) Upon the apprehension of the escaped person, the chief law enforcement officer shall give notice of the apprehension of the escaped person by telephone and in writing to the persons notified under division (A) of this section.

**Sec. 1121.38.** (A)(1) An administrative hearing provided for in section 1121.32, 1121.33, 1121.35, or 1121.41 of the Revised Code shall be held in the county in which the principal place of business of the bank or trust company or residence of the regulated person is located, unless the bank, trust company, or regulated person requesting the hearing consents to another place. Within ninety days after the hearing, the superintendent of financial institutions shall render a decision, which shall

include findings of fact upon which the decision is predicated, 164204  
and shall issue and serve on the bank, trust company, or regulated 164205  
person the decision and an order consistent with the decision. 164206  
Judicial review of the order is exclusively as provided in 164207  
division (B) of this section. Unless a notice of appeal is filed 164208  
in a court of common pleas within thirty days after service of the 164209  
superintendent's order as provided in division (B) of this 164210  
section, and until the record of the administrative hearing has 164211  
been filed, the superintendent may, at anytime, upon the notice 164212  
and in the manner the superintendent considers proper, modify, 164213  
terminate, or set aside the superintendent's order. After filing 164214  
the record, the superintendent may modify, terminate, or set aside 164215  
the superintendent's order with permission of the court. 164216

(a) A hearing provided for in section 1121.32, 1121.35, or 164217  
1121.41 of the Revised Code shall be confidential, unless the 164218  
superintendent determines that holding an open hearing would be in 164219  
the public interest. Within twenty days after service of the 164220  
notice of a hearing, a respondent may file a written request for a 164221  
public hearing with the superintendent. A respondent's failure to 164222  
file such a request constitutes a waiver of any objections to a 164223  
confidential hearing. 164224

(b) A hearing provided for in section 1121.33 of the Revised 164225  
Code shall be an open hearing. Within twenty days after service of 164226  
the notice of a hearing, a respondent may file a written request 164227  
for a confidential hearing with the superintendent. If such a 164228  
request is received by the superintendent, the hearing shall be 164229  
confidential unless the superintendent determines that holding an 164230  
open hearing would be in the public interest. 164231

(2) In the course of, or in connection with, an 164232  
administrative hearing governed by this section, the 164233  
superintendent, or a person designated by the superintendent to 164234  
conduct the hearing, may administer oaths and affirmations, take 164235

or cause depositions to be taken, and issue, revoke, quash, or 164236  
modify subpoenas and subpoenas duces tecum. At any administrative 164237  
hearing required by section 1121.32, 1121.33, 1121.35, or 1121.41 164238  
of the Revised Code, the record of which may be the basis of an 164239  
appeal to court, a stenographic record of the testimony and other 164240  
evidence submitted shall be taken at the expense of the division 164241  
of financial institutions. The record shall include all of the 164242  
testimony and other evidence, and any rulings on the admissibility 164243  
thereof, presented at the hearing. The superintendent may adopt 164244  
rules regarding these hearings. The attendance of witnesses and 164245  
the production of documents provided for in this section may be 164246  
required from any place within or outside the state. A party to a 164247  
hearing governed by this section may apply to the court of common 164248  
pleas of Franklin county, or the court of common pleas of the 164249  
county in which the hearing is being conducted or the witness 164250  
resides or carries on business, for enforcement of a subpoena or 164251  
subpoena duces tecum issued pursuant to this section, and the 164252  
courts have jurisdiction and power to order and require compliance 164253  
with the subpoena. Witnesses subpoenaed under this section shall 164254  
be paid the fees and mileage provided for under section 119.094 of 164255  
the Revised Code. 164256

As used in this division, "stenographic record" means a 164257  
record provided by stenographic means or by the use of audio 164258  
electronic recording devices, as the division of financial 164259  
institutions determines. 164260

(B)(1) A bank, trust company, or regulated person against 164261  
whom the superintendent issues an order upon the record of a 164262  
hearing under the authority of section 1121.32, 1121.33, 1121.35, 164263  
or 1121.41 of the Revised Code may obtain a review of the order by 164264  
filing a notice of appeal in the court of common pleas in the 164265  
county in which the principal place of business of the bank, trust 164266  
company, or regulated person, or residence of the regulated 164267

person, is located, or in the court of common pleas of Franklin 164268  
county, within thirty days after the date of service of the 164269  
superintendent's order. The clerk of the court shall promptly 164270  
transmit a copy of the notice of appeal to the superintendent. 164271  
Within thirty days after receiving the notice of appeal, the 164272  
superintendent shall file a certified copy of the record of the 164273  
administrative hearing with the clerk of the court. In the event 164274  
of a private hearing, the record of the administrative hearing 164275  
shall be filed under seal with the clerk of the court. Upon the 164276  
filing of the notice of appeal, the court has jurisdiction, which 164277  
upon the filing of the record of the administrative hearing is 164278  
exclusive, to affirm, modify, terminate, or set aside, in whole or 164279  
in part, the superintendent's order. 164280

(2) The commencement of proceedings for judicial review 164281  
pursuant to division (B) of this section does not, unless 164282  
specifically ordered by the court, operate as a stay of any order 164283  
issued by the superintendent. If it appears to the court an 164284  
unusual hardship to the appellant bank, trust company, or 164285  
regulated person will result from the execution of the 164286  
superintendent's order pending determination of the appeal, and 164287  
the interests of depositors and the public will not be threatened 164288  
by a stay of the order, the court may grant a stay and fix its 164289  
terms. 164290

(C) The superintendent may, in the sole discretion of the 164291  
superintendent, apply to the court of common pleas of the county 164292  
in which the principal place of business of the bank, trust 164293  
company, or regulated person, or residence of the regulated 164294  
person, is located, or the court of common pleas of Franklin 164295  
county, for the enforcement of an effective and outstanding 164296  
superintendent's order issued under section 1121.32, 1121.33, 164297  
1121.34, 1121.35, or 1121.41 of the Revised Code, and the court 164298  
has jurisdiction and power to order and require compliance with 164299

the superintendent's order. In an action by the superintendent 164300  
pursuant to this division to enforce an order assessing a civil 164301  
penalty issued under section 1121.35 of the Revised Code, the 164302  
validity and appropriateness of the civil penalty is not subject 164303  
to review. 164304

(D) No court has jurisdiction to affect, by injunction or 164305  
otherwise, the issuance or enforcement of an order issued under 164306  
section 1121.32, 1121.33, 1121.34, 1121.35, or 1121.41 of the 164307  
Revised Code or to review, modify, suspend, terminate, or set 164308  
aside an order issued under section 1121.32, 1121.33, 1121.34, 164309  
1121.35, or 1121.41 of the Revised Code, except as provided in 164310  
this section, in division (G) of section 1121.32 of the Revised 164311  
Code for an order issued pursuant to division (C)(3) or (4) of 164312  
section 1121.32 of the Revised Code, or in division (A)(3) of 164313  
section 1121.34 of the Revised Code for an order issued pursuant 164314  
to division (A)(1) of section 1121.34 of the Revised Code. 164315

(E) Nothing in this section or in any other section of the 164316  
Revised Code or rules implementing this or any other section of 164317  
the Revised Code shall prohibit or limit the superintendent from 164318  
doing any of the following: 164319

(1) Issuing orders pursuant to section 1121.32, 1121.33, 164320  
1121.34, 1121.35, or 1121.41 of the Revised Code; 164321

(2) Individually or contemporaneously taking any other action 164322  
provided by law or rule with respect to a bank, trust company, or 164323  
regulated person; 164324

(3) Taking any action provided by law or rule with respect to 164325  
a bank, trust company, or regulated person, whether alone or in 164326  
conjunction with another regulatory agency or authority. 164327

Sec. 1509.031. (A) Notwithstanding any other provision of law 164328  
to the contrary and other than a statement of production, the 164329

chief of the division of oil and gas resources management may 164330  
require the electronic submission of any application, report, test 164331  
result, fee, or document that is required to be submitted under 164332  
this chapter. The chief shall require the submission of statements 164333  
of production to be made electronically regardless of well type 164334  
and the number of wells owned. 164335

(B) For good cause, a person may request to be excluded from 164336  
any requirement to make an electronic submission under division 164337  
(A) of this section other than the requirement to submit a 164338  
statement of production electronically. The chief shall establish 164339  
the procedure and form by which a person may request such 164340  
exclusion. 164341

**Sec. 1509.06.** (A) An application for a permit to drill a new 164342  
well, drill an existing well deeper, reopen a well, convert a well 164343  
to any use other than its original purpose, or plug back a well to 164344  
a different source of supply, including associated production 164345  
operations, shall be filed with the chief of the division of oil 164346  
and gas resources management upon such form as the chief 164347

(3) The names and addresses of all persons holding the 164355  
royalty interest in the tract upon which the well is located or is 164356  
to be drilled or within a proposed drilling unit; 164357

proposed total depth of the well; 164363

(b) If the well is for the injection of a liquid, identity of 164364  
the geological formation to be used as the injection zone and the 164365  
composition of the liquid to be injected. 164366

(7) The type of drilling equipment to be used; 164367

(8)(a) An identification, to the best of the owner's 164368  
knowledge, of each proposed source of ground water and surface 164369  
water that will be used in the production operations of the well. 164370  
The identification of each proposed source of water shall indicate 164371  
if the water will be withdrawn from the Lake Erie watershed or the 164372  
Ohio river watershed. In addition, the owner shall provide, to the 164373  
best of the owner's knowledge, the proposed estimated rate and 164374

in accordance with the guidelines established in "Best Management 164390

Practices For Pre-drilling Water Sampling" in effect at the time 164391  
that the application is submitted. The division shall furnish 164392  
those guidelines upon request and shall make them available on the 164393  
division's web site. If the chief determines that conditions at 164394  
the proposed well site warrant a revision, the chief may revise 164395  
the distance established in this division for purposes of 164396  
pre-drilling water sampling. 164397

(c) For an application for a permit to drill a new horizontal 164398

conducted in accordance with the guidelines established in "Best 164405  
Management Practices For Pre-drilling Water Sampling" in effect at 164406  
the time that the application is submitted. The division shall 164407

conditions at the proposed well site warrant a revision, the chief 164410  
may revise the distance established in this division for purposes 164411  
of pre-drilling water sampling. 164412

(9) For an application for a permit to drill a new well 164413  
within an urbanized area, a sworn statement that the applicant has 164414  
provided notice by regular mail of the application to the owner of 164415  
each parcel of real property that is located within five hundred 164416

or regular mail. The identity of the owners of parcels of real 164432  
property shall be determined using the tax records of the 164433  
municipal corporation or county in which a parcel of real property 164434  
is located as of the date of the notice. 164435

drilling operations. The plan shall provide for compliance with 164437  
the restoration requirements of division (A) of section 1509.072 164438  
of the Revised Code and any rules adopted by the chief pertaining 164439  
to that restoration. 164440

(11)(a) A description by name or number of the county, 164441  
township, and municipal corporation roads, streets, and highways 164442  
that the applicant anticipates will be used for access to and 164443  
egress from the well site; 164444

(b) For an application for a permit for a horizontal well, a 164445  
copy of an agreement concerning maintenance and safe use of the 164446  
roads, streets, and highways described in division (A)(11)(a) of 164447  
this section entered into on reasonable terms with the public 164448  
official that has the legal authority to enter into such 164449  
maintenance and use agreements for each county, township, and 164450  
municipal corporation, as applicable, in which any such road, 164451  
street, or highway is located or an affidavit on a form prescribed 164452  
by the chief attesting that the owner attempted in good faith to 164453  
enter into an agreement under division (A)(11)(b) of this section 164454

with the applicable public official of each such county, township, 164455  
or municipal corporation, but that no agreement was executed. 164456

(12) Such other relevant information as the chief prescribes 164457  
by rule. 164458

Each application shall be accompanied by a map, on a scale 164459  
not smaller than four hundred feet to the inch, prepared by an 164460  
Ohio registered surveyor, showing the location of the well and 164461  
containing such other data as may be prescribed by the chief. If 164462  
the well is or is to be located within the excavations and 164463  
workings of a mine, the map also shall include the location of the 164464  
mine, the name of the mine, and the name of the person operating 164465  
the mine. 164466

(B) The chief shall cause a copy of the weekly circular 164467  
prepared by the division to be provided to the county engineer of 164468  
each county that contains active or proposed drilling activity. 164469  
The weekly circular shall contain, in the manner prescribed by the 164470  
chief, the names of all applicants for permits, the location of 164471  
each well or proposed well, the information required by division 164472  
(A)(11) of this section, and any additional information the chief 164473  
prescribes. In addition, the chief promptly shall transfer an 164474  
electronic copy ~~or facsimile~~, or if ~~those methods are~~ that method 164475  
is not available to a municipal corporation or township, a copy 164476  
via regular mail, of a drilling permit application to the clerk of 164477  
the legislative authority of the municipal corporation or to the 164478  
clerk of the township in which the well or proposed well is or is 164479  
to be located if the legislative authority of the municipal 164480  
corporation or the board of township trustees has asked to receive 164481  
copies of such applications and the appropriate clerk has provided 164482  
the chief an accurate, current electronic mailing address ~~or~~ 164483  
~~facsimile number, as applicable.~~ 164484

(C)(1) Except as provided in division (C)(2) of this section, 164485  
the chief shall not issue a permit for at least ten days after the 164486

date of filing of the application for the permit unless, upon 164487  
reasonable cause shown, the chief waives that period or a request 164488  
for expedited review is filed under this section. However, the 164489  
chief shall issue a permit within twenty-one days of the filing of 164490  
the application unless the chief denies the application by order. 164491

(2) If the location of a well or proposed well will be or is 164492  
within an urbanized area, the chief shall not issue a permit for 164493  
at least eighteen days after the date of filing of the application 164494  
for the permit unless, upon reasonable cause shown, the chief 164495  
waives that period or the chief at the chief's discretion grants a 164496  
request for an expedited review. However, the chief shall issue a 164497  
permit for a well or proposed well within an urbanized area within 164498  
thirty days of the filing of the application unless the chief 164499  
denies the application by order. 164500

(D) An applicant may file a request with the chief for 164501  
expedited review of a permit application if the well is not or is 164502  
not to be located in a gas storage reservoir or reservoir 164503  
protective area, as "reservoir protective area" is defined in 164504  
section 1571.01 of the Revised Code. If the well is or is to be 164505  
located in a coal bearing township, the application shall be 164506  
accompanied by the affidavit of the landowner prescribed in 164507  
section 1509.08 of the Revised Code. 164508

In addition to a complete application for a permit that meets 164509  
the requirements of this section and the permit fee prescribed by 164510  
this section, a request for expedited review shall be accompanied 164511  
by a separate nonrefundable filing fee of two hundred fifty 164512  
dollars. Upon the filing of a request for expedited review, the 164513  
chief shall cause the county engineer of the county in which the 164514  
well is or is to be located to be notified of the filing of the 164515  
permit application and the request for expedited review by 164516  
telephone or other means that in the judgment of the chief will 164517  
provide timely notice of the application and request. The chief 164518

shall issue a permit within seven days of the filing of the 164519  
request unless the chief denies the application by order. 164520  
Notwithstanding the provisions of this section governing expedited 164521  
review of permit applications, the chief may refuse to accept 164522  
requests for expedited review if, in the chief's judgment, the 164523  
acceptance of the requests would prevent the issuance, within 164524  
twenty-one days of their filing, of permits for which applications 164525  
are pending. 164526

(E) A well shall be drilled and operated in accordance with 164527  
the plans, sworn statements, and other information submitted in 164528  
the approved application. 164529

(F) The chief shall issue an order denying a permit if the 164530  
chief finds that there is a substantial risk that the operation 164531  
will result in violations of this chapter or rules adopted under 164532  
it that will present an imminent danger to public health or safety 164533  
or damage to the environment, provided that where the chief finds 164534  
that terms or conditions to the permit can reasonably be expected 164535  
to prevent such violations, the chief shall issue the permit 164536  
subject to those terms or conditions, including, if applicable, 164537  
terms and conditions regarding subjects identified in rules 164538  
adopted under section 1509.03 of the Revised Code. The issuance of 164539  
a permit shall not be considered an order of the chief. 164540

The chief shall post notice of each permit that has been 164541  
approved under this section on the division's web site not later 164542  
than two business days after the application for a permit has been 164543  
approved. 164544

(G) Each application for a permit required by section 1509.05 164545  
of the Revised Code, except an application for a well drilled or 164546  
reopened for purposes of section 1509.22 of the Revised Code, also 164547  
shall be accompanied by a nonrefundable fee as follows: 164548

(1) Five hundred dollars for a permit to conduct activities 164549

in a township with a population of fewer than ten thousand; 164550

(2) Seven hundred fifty dollars for a permit to conduct 164551  
activities in a township with a population of ten thousand or 164552  
more, but fewer than fifteen thousand; 164553

(3) One thousand dollars for a permit to conduct activities 164554  
in either of the following: 164555

(a) A township with a population of fifteen thousand or more; 164556

(b) A municipal corporation regardless of population. 164557

(4) If the application is for a permit that requires 164558  
mandatory pooling, an additional five thousand dollars. 164559

For purposes of calculating fee amounts, populations shall be 164560  
determined using the most recent federal decennial census. 164561

Each application for the revision or reissuance of a permit 164562  
shall be accompanied by a nonrefundable fee of two hundred fifty 164563  
dollars. 164564

(H)(1) Prior to the commencement of well pad construction and 164565  
prior to the issuance of a permit to drill a proposed horizontal 164566  
well or a proposed well that is to be located in an urbanized 164567  
area, the division shall conduct a site review to identify and 164568  
evaluate any site-specific terms and conditions that may be 164569  
attached to the permit. At the site review, a representative of 164570  
the division shall consider fencing, screening, and landscaping 164571  
requirements, if any, for similar structures in the community in 164572  
which the well is proposed to be located. The terms and conditions 164573  
that are attached to the permit shall include the establishment of 164574  
fencing, screening, and landscaping requirements for the surface 164575  
facilities of the proposed well, including a tank battery of the 164576  
well. 164577

(2) Prior to the issuance of a permit to drill a proposed 164578  
well, the division shall conduct a review to identify and evaluate 164579

any site-specific terms and conditions that may be attached to the 164580  
permit if the proposed well will be located in a one-hundred-year 164581  
floodplain or within the five-year time of travel associated with 164582  
a public drinking water supply. 164583

(I) A permit shall be issued by the chief in accordance with 164584  
this chapter. A permit issued under this section for a well that 164585  
is or is to be located in an urbanized area shall be valid for 164586  
twelve months, and all other permits issued under this section 164587  
shall be valid for twenty-four months. 164588

(J) An applicant or a permittee, as applicable, shall submit 164589  
to the chief an update of the information that is required under 164590  
division (A)(8)(a) of this section if any of that information 164591  
changes prior to commencement of production operations. 164592

(K) A permittee or a permittee's authorized representative 164593  
shall notify an inspector from the division at least twenty-four 164594  
hours, or another time period agreed to by the chief's authorized 164595  
representative, prior to the commencement of well pad construction 164596  
and of drilling, reopening, converting, well stimulation, or 164597  
plugback operations. 164598

**Sec. 1513.071.** (A) Simultaneously with the filing of an 164599  
application for a permit or significant revision of an existing 164600  
permit under section 1513.07 of the Revised Code, the applicant 164601  
shall submit to the chief of the division of mineral resources 164602  
management a copy of the applicant's advertisement of the 164603  
ownership, precise location, and boundaries of the land to be 164604  
affected. At the time of submission, the advertisement shall be 164605  
placed by the applicant in a newspaper of general circulation in 164606  
the locality of the proposed coal mine at least once a week for 164607  
four consecutive weeks. The chief shall notify, in each county or 164608  
part of a county in which a proposed area to be permitted is 164609  
located, the board of county commissioners, the board of township 164610

trustees, the legislative authorities of municipal corporations, 164611  
private water companies, regional councils of governments, and the 164612  
boards of directors of conservancy districts informing them of the 164613  
operator's intention to conduct a coal mining operation on a 164614  
particularly described tract of land and indicating the permit 164615  
application number and where a copy of the proposed mining and 164616  
reclamation plan may be inspected. The chief shall also notify the 164617  
planning commissions with jurisdiction over all or part of the 164618  
area to be permitted. These agencies, authorities, or companies 164619  
may submit written comments on the application with respect to the 164620  
effects of the proposed operation on the environment that are 164621  
within their area of responsibility in quadruplicate to the chief 164622  
within thirty days after notification by the chief of receipt of 164623  
the application. The chief shall immediately transmit these 164624  
comments to the applicant and make them available to the public at 164625  
the same locations at which the mining application is available 164626  
for inspection. 164627

(B) A person having an interest that is or may be adversely 164628  
affected or the officer or head of any federal, state, or local 164629  
governmental agency or authority may file written objections to 164630  
the proposed initial or revised application for a coal mining and 164631  
reclamation permit with the chief within thirty days after the 164632  
last publication of the notice required by division (A) of this 164633  
section. The objections shall immediately be transmitted to the 164634  
applicant by the chief and shall be made available to the public. 164635  
If written objections are filed and an informal conference 164636  
requested, the chief or the chief's representative shall then hold 164637  
an informal conference on the application for a permit within a 164638  
reasonable time in the county where the largest area of the area 164639  
to be permitted is located. The date, time, and location of the 164640  
informal conference shall be advertised by the chief in a 164641  
newspaper of general circulation in the locality at least two 164642  
weeks prior to the scheduled conference date. The chief may 164643

arrange with the applicant, upon request by any objecting party, 164644  
access to the proposed mining area for the purpose of gathering 164645  
information relevant to the proceeding. An electronic ~~or~~ 164646  
~~stenographic~~ record shall be made of the conference proceeding 164647  
unless waived by all parties. The record shall be maintained and 164648  
shall be accessible to the parties until final release of the 164649  
applicant's performance security. If all parties requesting the 164650  
informal conference stipulate agreement prior to the requested 164651  
informal conference and withdraw their request, the informal 164652  
conference need not be held. 164653

**Sec. 1513.08.** (A) After a coal mining and reclamation permit 164654  
application has been approved, the applicant shall file with the 164655  
chief of the division of mineral resources management, on a form 164656  
prescribed and furnished by the chief, the performance security 164657  
required under this section that shall be payable to the state and 164658  
conditioned on the faithful performance of all the requirements of 164659  
this chapter and rules adopted under it and the terms and 164660  
conditions of the permit. 164661

(B) Using the information contained in the permit 164662  
application; the requirements contained in the approved permit and 164663  
reclamation plan; and, after considering the topography, geology, 164664  
hydrology, and revegetation potential of the area of the approved 164665  
permit, the probable difficulty of reclamation; the chief shall 164666  
determine the estimated cost of reclamation under the initial term 164667  
of the permit if the reclamation has to be performed by the 164668  
division of mineral resources management in the event of 164669  
forfeiture of the performance security by the applicant. The chief 164670  
shall send either written notice by certified mail or electronic 164671  
notice with acknowledgment of receipt of the amount of the 164672  
estimated cost of reclamation ~~by certified mail~~ to the applicant. 164673  
The applicant shall send either written notice or electronic 164674  
notice with acknowledgment of receipt to the chief indicating the 164675

method by which the applicant will provide the performance 164676  
security pursuant to division (C) of this section. 164677

(C) The applicant shall provide the performance security in 164678  
an amount using one of the following: 164679

(1) If the applicant elects to provide performance security 164680  
without reliance on the reclamation forfeiture fund created in 164681  
section 1513.18 of the Revised Code, the amount of the estimated 164682  
cost of reclamation as determined by the chief under division (B) 164683  
of this section for the increments of land on which the operator 164684  
will conduct a coal mining and reclamation operation under the 164685  
initial term of the permit as indicated in the application; 164686

(2) If the applicant elects to provide performance security 164687  
together with reliance on the reclamation forfeiture fund through 164688  
payment of the additional tax on the severance of coal that is 164689  
levied under division (A)(8) of section 5749.02 of the Revised 164690  
Code, an amount of twenty-five hundred dollars per acre of land on 164691  
which the operator will conduct coal mining and reclamation under 164692  
the initial term of the permit as indicated in the application. In 164693  
order for an applicant to be eligible to provide performance 164694  
security in accordance with division (C)(2) of this section, the 164695  
applicant, an owner and controller of the applicant, or an 164696  
affiliate of the applicant shall have held a permit issued under 164697  
this chapter for any coal mining and reclamation operation for a 164698  
period of not less than five years. 164699

If a permit is transferred, assigned, or sold, the transferee 164700  
is not eligible to provide performance security under division 164701  
(C)(2) of this section if the transferee has not held a permit 164702  
issued under this chapter for any coal mining and reclamation 164703  
operation for a period of not less than five years. This 164704  
restriction applies even if the status or name of the permittee 164705  
otherwise remains the same after the transfer, assignment, or 164706  
sale. 164707

In the event of forfeiture of performance security that was 164708  
provided in accordance with division (C)(2) of this section, the 164709  
difference between the amount of that performance security and the 164710  
estimated cost of reclamation as determined by the chief under 164711  
division (B) of this section shall be obtained from money in the 164712  
reclamation forfeiture fund as needed to complete the reclamation. 164713

The performance security provided under division (C) of this 164714  
section for the entire area to be mined under one permit issued 164715  
under this chapter shall not be less than ten thousand dollars. 164716

The performance security shall cover areas of land affected 164717  
by mining within or immediately adjacent to the permitted area, so 164718  
long as the total number of acres does not exceed the number of 164719  
acres for which the performance security is provided. However, the 164720  
authority for the performance security to cover areas of land 164721  
immediately adjacent to the permitted area does not authorize a 164722  
permittee to mine areas outside an approved permit area. As 164723  
succeeding increments of coal mining and reclamation operations 164724  
are to be initiated and conducted within the permit area, the 164725  
permittee shall file with the chief additional performance 164726  
security to cover the increments in accordance with this section. 164727  
If a permittee intends to mine areas outside the approved permit 164728  
area, the permittee shall provide additional performance security 164729  
in accordance with this section to cover the areas to be mined. 164730

If an applicant or permittee is not eligible to provide 164731  
performance security in accordance with division (C)(2) of this 164732  
section, the applicant or permittee shall provide performance 164733  
security in accordance with division (C)(1) of this section in the 164734  
full amount of the estimated cost of reclamation as determined by 164735  
the chief for a permitted coal preparation plant or coal refuse 164736  
disposal area that is not located within a permitted area of a 164737  
mine. If an applicant for a permit for a coal preparation plant or 164738  
coal refuse disposal area or a permittee of a permitted coal 164739

preparation plant or coal refuse disposal area that is not located 164740  
within a permitted area of a mine has held a permit issued under 164741  
this chapter for any coal mining and reclamation operation for a 164742  
period of five years or more, the applicant or permittee may 164743  
provide performance security for the coal preparation plant or 164744  
coal refuse disposal area either in accordance with division 164745  
(C)(1) of this section in the full amount of the estimated cost of 164746  
reclamation as determined by the chief or in accordance with 164747  
division (C)(2) of this section in an amount of twenty-five 164748  
hundred dollars per acre of land with reliance on the reclamation 164749  
forfeiture fund. If a permittee has previously provided 164750  
performance security under division (C)(1) of this section for a 164751  
coal preparation plant or coal refuse disposal area that is not 164752  
located within a permitted area of a mine and elects to provide 164753  
performance security in accordance with division (C)(2) of this 164754  
section, the permittee shall submit written notice to the chief 164755  
indicating that the permittee elects to provide performance 164756  
security in accordance with division (C)(2) of this section. Upon 164757  
receipt of such a written notice, the chief shall release to the 164758  
permittee the amount of the performance security previously 164759  
provided under division (C)(1) of this section that exceeds the 164760  
amount of performance security that is required to be provided 164761  
under division (C)(2) of this section. 164762

(D) A permittee's liability under the performance security 164763  
shall be limited to the obligations established under the permit, 164764  
which include completion of the reclamation plan in order to make 164765  
the land capable of supporting the postmining land use that was 164766  
approved in the permit. The period of liability under the 164767  
performance security shall be for the duration of the coal mining 164768  
and reclamation operation and for a period coincident with the 164769  
operator's responsibility for revegetation requirements under 164770  
section 1513.16 of the Revised Code. 164771

(E) The amount of the estimated cost of reclamation 164772  
determined under division (B) of this section and the amount of a 164773  
permittee's performance security provided in accordance with 164774  
division (C)(1) of this section shall be adjusted by the chief as 164775  
the land that is affected by mining increases or decreases or if 164776  
the cost of reclamation increases or decreases. If the performance 164777  
security was provided in accordance with division (C)(2) of this 164778  
section and the chief has issued a cessation order under division 164779  
(D)(2) of section 1513.02 of the Revised Code for failure to abate 164780  
a violation of the contemporaneous reclamation requirement under 164781  
division (A)(15) of section 1513.16 of the Revised Code, the chief 164782  
may require the permittee to increase the amount of performance 164783  
security from twenty-five hundred dollars per acre of land to five 164784  
thousand dollars per acre of land. 164785

The chief shall notify the permittee, each surety, and any 164786  
person who has a property interest in the performance security and 164787  
who has requested to be notified of any proposed adjustment to the 164788  
performance security. The permittee may request an informal 164789  
conference with the chief concerning the proposed adjustment, and 164790  
the chief shall provide such an informal conference. 164791

If the chief increases the amount of performance security 164792  
under this division, the permittee shall provide additional 164793  
performance security in an amount determined by the chief. If the 164794  
chief decreases the amount of performance security under this 164795  
division, the chief shall determine the amount of the reduction of 164796  
the performance security and send either written notice or 164797  
electronic notice with acknowledgment of receipt of the amount of 164798  
reduction to the permittee. The permittee may reduce the amount of 164799  
the performance security in the amount determined by the chief. 164800

(F) A permittee may request a reduction in the amount of the 164801  
performance security by submitting to the chief documentation 164802  
proving that the amount of the performance security provided by 164803

the permittee exceeds the estimated cost of reclamation if the 164804  
reclamation would have to be performed by the division in the 164805  
event of forfeiture of the performance security. The chief shall 164806  
examine the documentation and determine whether the permittee's 164807  
performance security exceeds the estimated cost of reclamation. If 164808  
the chief determines that the performance security exceeds that 164809  
estimated cost, the chief shall determine the amount of the 164810  
reduction of the performance security and send either written 164811  
notice or electronic notice with acknowledgment of receipt of the 164812  
amount to the permittee. The permittee may reduce the amount of 164813  
the performance security in the amount determined by the chief. 164814  
Adjustments in the amount of performance security under this 164815  
division shall not be considered release of performance security 164816  
and are not subject to section 1513.16 of the Revised Code. 164817

(G) If the performance security is a bond, it shall be 164818  
executed by the operator and a corporate surety licensed to do 164819  
business in this state. If the performance security is a cash 164820  
deposit or negotiable certificates of deposit of a bank or savings 164821  
and loan association, the bank or savings and loan association 164822  
shall be licensed and operating in this state. The cash deposit or 164823  
market value of the securities shall be equal to or greater than 164824  
the amount of the performance security required under this 164825  
section. The chief shall review any documents pertaining to the 164826  
performance security and approve or disapprove the documents. The 164827  
chief shall notify the applicant of the chief's determination. 164828

(H) If the performance security is a bond, the chief may 164829  
accept the bond of the applicant itself without separate surety 164830  
when the applicant demonstrates to the satisfaction of the chief 164831  
the existence of a suitable agent to receive service of process 164832  
and a history of financial solvency and continuous operation 164833  
sufficient for authorization to self-insure or bond the amount. 164834

(I) Performance security provided under this section may be 164835

held in trust, provided that the state is the primary beneficiary 164836  
of the trust and the custodian of the performance security held in 164837  
trust is a bank, trust company, or other financial institution 164838  
that is licensed and operating in this state. The chief shall 164839  
review the trust document and approve or disapprove the document. 164840  
The chief shall notify the applicant of the chief's determination. 164841

(J) If a surety, bank, savings and loan association, trust 164842  
company, or other financial institution that holds the performance 164843  
security required under this section becomes insolvent, the 164844  
permittee shall notify the chief of the insolvency, and the chief 164845  
shall order the permittee to submit a plan for replacement 164846  
performance security within thirty days after receipt of notice 164847  
from the chief. If the permittee provided performance security in 164848  
accordance with division (C)(1) of this section, the permittee 164849  
shall provide the replacement performance security within ninety 164850  
days after receipt of notice from the chief. If the permittee 164851  
provided performance security in accordance with division (C)(2) 164852  
of this section, the permittee shall provide the replacement 164853  
performance security within one year after receipt of notice from 164854  
the chief, and, for a period of one year after the permittee's 164855  
receipt of notice from the chief or until the permittee provides 164856  
the replacement performance security, whichever occurs first, 164857  
money in the reclamation forfeiture fund shall be the permittee's 164858  
replacement performance security in an amount not to exceed the 164859  
estimated cost of reclamation as determined by the chief. 164860

(K) If a permittee provided performance security in 164861  
accordance with division (C)(1) of this section, the permittee's 164862  
responsibility for repairing material damage and replacement of 164863  
water supply resulting from subsidence shall be satisfied by 164864  
either of the following: 164865

(1) The purchase prior to mining of a noncancelable 164866  
premium-prepaid liability insurance policy in lieu of the 164867

permittee's performance security for subsidence damage. The 164868  
insurance policy shall contain terms and conditions that 164869  
specifically provide coverage for repairing material damage and 164870  
replacement of water supply resulting from subsidence. 164871

(2) The provision of additional performance security in the 164872  
amount of the estimated cost to the division of mineral resources 164873  
management to repair material damage and replace water supplies 164874  
resulting from subsidence until the repair or replacement is 164875  
completed. However, if such repair or replacement is completed, or 164876  
compensation for structures that have been damaged by subsidence 164877  
is provided, by the permittee within ninety days of the occurrence 164878  
of the subsidence, additional performance security is not 164879  
required. In addition, the chief may extend the ninety-day period 164880  
for a period not to exceed one year if the chief determines that 164881  
the permittee has demonstrated in writing that subsidence is not 164882  
complete and that probable subsidence-related damage likely will 164883  
occur and, as a result, the completion of repairs of 164884  
subsidence-related material damage to lands or protected 164885  
structures or the replacement of water supply within ninety days 164886  
of the occurrence of the subsidence would be unreasonable. 164887

(L) If the performance security provided in accordance with 164888  
this section exceeds the estimated cost of reclamation, the chief 164889  
may authorize the amount of the performance security that exceeds 164890  
the estimated cost of reclamation together with any interest or 164891  
other earnings on the performance security to be paid to the 164892  
permittee. 164893

(M) A permittee that held a valid coal mining and reclamation 164894  
permit immediately prior to April 6, 2007, shall provide, not 164895  
later than a date established by the chief, performance security 164896  
in accordance with division (C)(1) or (2) of this section, rather 164897  
than in accordance with the law as it existed prior to that date, 164898  
by filing it with the chief on a form that the chief prescribes 164899

and furnishes. Accordingly, for purposes of this section, 164900  
"applicant" is deemed to include such a permittee. 164901

(N) As used in this section: 164902

(1) "Affiliate of the applicant" means an entity that has a 164903  
parent entity in common with the applicant. 164904

(2) "Owner and controller of the applicant" means a person 164905  
that has any relationship with the applicant that gives the person 164906  
authority to determine directly or indirectly the manner in which 164907  
the applicant conducts coal mining operations. 164908

**Sec. 1513.16.** (A) Any permit issued under this chapter to 164909  
conduct coal mining operations shall require that the operations 164910  
meet all applicable performance standards of this chapter and such 164911  
other requirements as the chief of the division of mineral 164912  
resources management shall adopt by rule. General performance 164913  
standards shall apply to all coal mining and reclamation 164914  
operations and shall require the operator at a minimum to do all 164915  
of the following: 164916

(1) Conduct coal mining operations so as to maximize the 164917  
utilization and conservation of the solid fuel resource being 164918  
recovered so that re-affecting the land in the future through coal 164919  
mining can be minimized; 164920

(2) Restore the land affected to a condition capable of 164921  
supporting the uses that it was capable of supporting prior to any 164922  
mining, or higher or better uses of which there is reasonable 164923  
likelihood, so long as the uses do not present any actual or 164924  
probable hazard to public health or safety or pose any actual or 164925  
probable threat of diminution or pollution of the waters of the 164926  
state, and the permit applicants' declared proposed land uses 164927  
following reclamation are not considered to be impractical or 164928  
unreasonable, to be inconsistent with applicable land use policies 164929

and plans, to involve unreasonable delay in implementation, or to 164930  
violate federal, state, or local law; 164931

(3) Except as provided in division (B) of this section, with 164932  
respect to all coal mining operations, backfill, compact where 164933  
advisable to ensure stability or to prevent leaching of toxic 164934  
materials, and grade in order to restore the approximate original 164935  
contour of the land with all highwalls, spoil piles, and 164936  
depressions eliminated unless small depressions are needed in 164937  
order to retain moisture to assist revegetation or as otherwise 164938  
authorized pursuant to this chapter, provided that if the operator 164939  
demonstrates that due to volumetric expansion the amount of 164940  
overburden and the spoil and waste materials removed in the course 164941  
of the mining operation are more than sufficient to restore the 164942  
approximate original contour, the operator shall backfill, grade, 164943  
and compact the excess overburden and other spoil and waste 164944  
materials to attain the lowest grade, but not more than the angle 164945  
of repose, and to cover all acid-forming and other toxic materials 164946  
in order to achieve an ecologically sound land use compatible with 164947  
the surrounding region in accordance with the approved mining 164948  
plan. The overburden or spoil shall be shaped and graded in such a 164949  
way as to prevent slides, erosion, and water pollution and shall 164950  
be revegetated in accordance with this chapter. 164951

(4) Stabilize and protect all surface areas, including spoil 164952  
piles affected by the coal mining and reclamation operation, to 164953  
control erosion and attendant air and water pollution effectively; 164954

(5) Remove the topsoil from the land in a separate layer, 164955  
replace it on the backfill area, or, if not utilized immediately, 164956  
segregate it in a separate pile from the spoil, and when the 164957  
topsoil is not replaced on a backfill area within a time short 164958  
enough to avoid deterioration of the topsoil, maintain a 164959  
successful cover by quick-growing plants or other means thereafter 164960  
so that the topsoil is preserved from wind and water erosion, 164961

remains free of any contamination by acid or other toxic material, 164962  
and is in a usable condition for sustaining vegetation when 164963  
restored during reclamation. If the topsoil is of insufficient 164964  
quantity or of poor quality for sustaining vegetation or if other 164965  
strata can be shown to be more suitable for vegetation 164966  
requirements, the operator shall remove, segregate, and preserve 164967  
in a like manner such other strata as are best able to support 164968  
vegetation. 164969

(6) Restore the topsoil or the best available subsoil that is 164970  
best able to support vegetation; 164971

(7) For all prime farmlands as identified in division 164972  
(B)(1)(p) of section 1513.07 of the Revised Code to be mined and 164973  
reclaimed, perform soil removal, storage, replacement, and 164974  
reconstruction in accordance with specifications established by 164975  
the secretary of the United States department of agriculture under 164976  
the "Surface Mining Control and Reclamation Act of 1977," 91 Stat. 164977  
445, 30 U.S.C.A. 1201. The operator, at a minimum, shall be 164978  
required to do all of the following: 164979

(a) Segregate the A horizon of the natural soil, except where 164980  
it can be shown that other available soil materials will create a 164981  
final soil having a greater productive capacity, and, if not 164982  
utilized immediately, stockpile this material separately from the 164983  
spoil and provide needed protection from wind and water erosion or 164984  
contamination by acid or other toxic material; 164985

(b) Segregate the B horizon of the natural soil, or 164986  
underlying C horizons or other strata, or a combination of such 164987  
horizons or other strata that are shown to be both texturally and 164988  
chemically suitable for plant growth and that can be shown to be 164989  
equally or more favorable for plant growth than the B horizon, in 164990  
sufficient quantities to create in the regraded final soil a root 164991  
zone of comparable depth and quality to that which existed in the 164992  
natural soil, and, if not utilized immediately, stockpile this 164993

material separately from the spoil and provide needed protection 164994  
from wind and water erosion or contamination by acid or other 164995  
toxic material; 164996

(c) Replace and regrade the root zone material described in 164997  
division (A)(7)(b) of this section with proper compaction and 164998  
uniform depth over the regraded spoil material; 164999

(d) Redistribute and grade in a uniform manner the surface 165000  
soil horizon described in division (A)(7)(a) of this section. 165001

(8) Create, if authorized in the approved mining and 165002  
reclamation plan and permit, permanent impoundments of water on 165003  
mining sites as part of reclamation activities only when it is 165004  
adequately demonstrated by the operator that all of the following 165005  
conditions will be met: 165006

(a) The size of the impoundment is adequate for its intended 165007  
purposes. 165008

(b) The impoundment dam construction will be so designed as 165009  
to achieve necessary stability with an adequate margin of safety 165010  
compatible with that of structures constructed under the 165011  
"Watershed Protection and Flood Prevention Act," 68 Stat. 666 165012  
(1954), 16 U.S.C. 1001, as amended. 165013

(c) The quality of impounded water will be suitable on a 165014  
permanent basis for its intended use and discharges from the 165015  
impoundment will not degrade the water quality below water quality 165016  
standards established pursuant to applicable federal and state law 165017  
in the receiving stream. 165018

(d) The level of water will be reasonably stable. 165019

(e) Final grading will provide adequate safety and access for 165020  
proposed water users. 165021

(f) The water impoundments will not result in the diminution 165022  
of the quality or quantity of water utilized by adjacent or 165023

surrounding landowners for agricultural, industrial, recreational, 165024  
or domestic uses. 165025

(9) Conduct any augering operation associated with strip 165026  
mining in a manner to maximize recoverability of mineral reserves 165027  
remaining after the operation and reclamation are complete and 165028  
seal all auger holes with an impervious and noncombustible 165029  
material in order to prevent drainage, except where the chief 165030  
determines that the resulting impoundment of water in such auger 165031  
holes may create a hazard to the environment or the public health 165032  
or safety. The chief may prohibit augering if necessary to 165033  
maximize the utilization, recoverability, or conservation of the 165034  
solid fuel resources or to protect against adverse water quality 165035  
impacts. 165036

(10) Minimize the disturbances to the prevailing hydrologic 165037  
balance at the mine site and in associated offsite areas and to 165038  
the quality and quantity of water in surface and ground water 165039  
systems both during and after coal mining operations and during 165040  
reclamation by doing all of the following: 165041

(a) Avoiding acid or other toxic mine drainage by such 165042  
measures as, but not limited to: 165043

(i) Preventing or removing water from contact with toxic 165044  
producing deposits; 165045

(ii) Treating drainage to reduce toxic content that adversely 165046  
affects downstream water upon being released to water courses in 165047  
accordance with rules adopted by the chief in accordance with 165048  
section 1513.02 of the Revised Code; 165049

(iii) Casing, sealing, or otherwise managing boreholes, 165050  
shafts, and wells, and keeping acid or other toxic drainage from 165051  
entering ground and surface waters. 165052

(b)(i) Conducting coal mining operations so as to prevent, to 165053  
the extent possible using the best technology currently available, 165054

additional contributions of suspended solids to streamflow or 165055  
runoff outside the permit area, but in no event shall 165056  
contributions be in excess of requirements set by applicable state 165057  
or federal laws; 165058

(ii) Constructing any siltation structures pursuant to 165059  
division (A)(10)(b)(i) of this section prior to commencement of 165060  
coal mining operations. The structures shall be certified by 165061  
persons approved by the chief to be constructed as designed and as 165062  
approved in the reclamation plan. 165063

(c) Cleaning out and removing temporary or large settling 165064  
ponds or other siltation structures from drainways after disturbed 165065  
areas are revegetated and stabilized, and depositing the silt and 165066  
debris at a site and in a manner approved by the chief; 165067

(d) Restoring recharge capacity of the mined area to 165068  
approximate premining conditions; 165069

(e) Avoiding channel deepening or enlargement in operations 165070  
requiring the discharge of water from mines; 165071

(f) Such other actions as the chief may prescribe. 165072

(11) With respect to surface disposal of mine wastes, 165073  
tailings, coal processing wastes, and other wastes in areas other 165074  
than the mine working areas or excavations, stabilize all waste 165075  
piles in designated areas through construction in compacted 165076  
layers, including the use of noncombustible and impervious 165077  
materials if necessary, and ensure that the final contour of the 165078  
waste pile will be compatible with natural surroundings and that 165079  
the site can and will be stabilized and revegetated according to 165080  
this chapter; 165081

(12) Refrain from coal mining within five hundred feet of 165082  
active and abandoned underground mines in order to prevent 165083  
breakthroughs and to protect the health or safety of miners. The 165084  
chief shall permit an operator to mine near, through, or partially 165085

through an abandoned underground mine or closer than five hundred feet to an active underground mine if both of the following conditions are met:

(a) The nature, timing, and sequencing of the approximate coincidence of specific strip mine activities with specific underground mine activities are approved by the chief.

(b) The operations will result in improved resource recovery, abatement of water pollution, or elimination of hazards to the health and safety of the public.

(13) Design, locate, construct, operate, maintain, enlarge, modify, and remove or abandon, in accordance with the standards and criteria developed pursuant to rules adopted by the chief, all existing and new coal mine waste piles consisting of mine wastes, tailings, coal processing wastes, or other liquid and solid wastes, and used either temporarily or permanently as dams or embankments;

(14) Ensure that all debris, acid-forming materials, toxic materials, or materials constituting a fire hazard are treated or buried and compacted or otherwise disposed of in a manner designed to prevent contamination of ground or surface waters and that contingency plans are developed to prevent sustained combustion;

(15) Ensure that all reclamation efforts proceed in an environmentally sound manner and as contemporaneously as practicable with the coal mining operations, except that where the applicant proposes to combine strip mining operations with underground mining operations to ensure maximum practical recovery of the mineral resources, the chief may grant a variance for specific areas within the reclamation plan from the requirement that reclamation efforts proceed as contemporaneously as practicable to permit underground mining operations prior to reclamation if:

|                                                                                                                                                                                                                                                                                       |                                                |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------|
| (a) The chief finds in writing that:                                                                                                                                                                                                                                                  | 165117                                         |
| (i) The applicant has presented, as part of the permit application, specific, feasible plans for the proposed underground mining operations.                                                                                                                                          | 165118<br>165119<br>165120                     |
| (ii) The proposed underground mining operations are necessary or desirable to ensure maximum practical recovery of the mineral resource and will avoid multiple disturbance of the surface.                                                                                           | 165121<br>165122<br>165123                     |

| (iv) The areas proposed for the variance have been shown by the applicant to be necessary for the implementing of the proposed underground mining operations.                                                                                                                         | 165129<br>165130<br>165131                     |
| (v) No substantial adverse environmental damage, either on-site or off-site, will result from the delay in completion of reclamation as required by this chapter.                                                                                                                     | 165132<br>165133<br>165134                     |
| (vi) Provisions for the off-site storage of spoil will comply with division (A)(21) of this section.                                                                                                                                                                                  | 165135<br>165136                               |
| (b) The chief has adopted specific rules to govern the granting of such variances in accordance with this division and has imposed such additional requirements as the chief considers necessary.                                                                                     | 165137<br>165138<br>165139<br>165140           |
| (c) Variances granted under this division shall be reviewed by the chief not more than three years from the date of issuance of the permit.                                                                                                                                           | 165141<br>165142<br>165143                     |
| (d) Liability under the performance security filed by the applicant with the chief pursuant to section 1513.08 of the Revised Code shall be for the duration of the underground mining                                                                                                | 165144<br>165145<br>165146                     |

operations and until the requirements of this section and section 165147  
1513.08 of the Revised Code have been fully complied with. 165148

(16) Ensure that the construction, maintenance, and 165149  
postmining conditions of access roads into and across the site of 165150  
operations will control or prevent erosion and siltation, 165151  
pollution of water, and damage to fish or wildlife or their 165152  
habitat, or to public or private property; 165153

(17) Refrain from the construction of roads or other access 165154  
ways up a stream bed or drainage channel or in such proximity to 165155  
the channel as to seriously alter the normal flow of water; 165156

(18) Establish, on the regraded areas and all other lands 165157  
affected, a diverse, effective, and permanent vegetative cover of 165158  
the same seasonal variety native to the area of land to be 165159  
affected and capable of self-regeneration and plant succession at 165160  
least equal in extent of cover to the natural vegetation of the 165161  
area, except that introduced species may be used in the 165162  
revegetation process where desirable and necessary to achieve the 165163  
approved postmining land use plan; 165164

(19)(a) Assume the responsibility for successful 165165  
revegetation, as required by division (A)(18) of this section, for 165166  
a period of five full years after the last year of augmented 165167  
seeding, fertilizing, irrigation, or other work in order to ensure 165168  
compliance with that division, except that when the chief approves 165169  
a long-term intensive agricultural postmining land use, the 165170  
applicable five-year period of responsibility for revegetation 165171  
shall commence at the date of initial planting for that long-term 165172  
intensive agricultural postmining land use, and except that when 165173  
the chief issues a written finding approving a long-term intensive 165174  
agricultural postmining land use as part of the mining and 165175  
reclamation plan, the chief may grant an exception to division 165176  
(A)(18) of this section; 165177

(b) On lands eligible for re-mining, assume the responsibility 165178  
for successful revegetation, as required by division (A)(18) of 165179  
this section, for a period of two full years after the last year 165180  
of augmented seeding, fertilizing, irrigation, or other work in 165181  
order to ensure compliance with that division. 165182

(20) Protect off-site areas from slides or damage occurring 165183  
during the coal mining and reclamation operations and not deposit 165184  
spoil material or locate any part of the operations or waste 165185  
accumulations outside the permit area; 165186

(21) Place all excess spoil material resulting from coal 165187  
mining and reclamation operations in such a manner that all of the 165188  
following apply: 165189

(a) Spoil is transported and placed in a controlled manner in 165190  
position for concurrent compaction and in such a way as to ensure 165191  
mass stability and to prevent mass movement. 165192

(b) The areas of disposal are within the permit areas for 165193  
which performance security has been provided. All organic matter 165194  
shall be removed immediately prior to spoil placement except in 165195  
the zoned concept method. 165196

(c) Appropriate surface and internal drainage systems and 165197  
diversion ditches are used so as to prevent spoil erosion and mass 165198  
movement. 165199

(d) The disposal area does not contain springs, natural 165200  
watercourses, or wet weather seeps unless lateral drains are 165201  
constructed from the wet areas to the main underdrains in such a 165202  
manner that filtration of the water into the spoil pile will be 165203  
prevented unless the zoned concept method is used. 165204

(e) If placed on a slope, the spoil is placed upon the most 165205  
moderate slope among those slopes upon which, in the judgment of 165206  
the chief, the spoil could be placed in compliance with all the 165207  
requirements of this chapter and is placed, where possible, upon, 165208

or above, a natural terrace, bench, or berm if that placement provides additional stability and prevents mass movement. (f) Where the toe of the spoil rests on a downslope, a rock toe buttress of sufficient size to prevent mass movement is constructed. (g) The final configuration is compatible with the natural drainage pattern and surroundings and suitable for intended uses. (h) Design of the spoil disposal area is certified by a qualified registered professional engineer in conformance with professional standards. (i) All other provisions of this chapter are met. (22) Meet such other criteria as are necessary to achieve reclamation in accordance with the purpose of this chapter, taking into consideration the physical, climatological, and other characteristics of the site; (23) To the extent possible, using the best technology currently available, minimize disturbances and adverse impacts of the operation on fish, wildlife, and related environmental values, and achieve enhancement of such resources where practicable; (24) Provide for an undisturbed natural barrier beginning at the elevation of the lowest coal seam to be mined and extending from the outslope for such distance as the chief shall determine to be retained in place as a barrier to slides and erosion; (25) Restore on the permit area streams and wetlands affected by mining operations unless the chief approves restoration off the permit area without a permit required by section 1513.07 or 1513.074 of the Revised Code, instead of restoration on the permit area, of a stream or wetland or a portion of a stream or wetland, provided that the chief first makes all of the following written determinations:

(a) A hydrologic and engineering assessment of the affected lands, submitted by the operator, demonstrates that restoration on the permit area is not possible.

(b) The proposed mitigation plan under which mitigation activities described in division (A)(25)(c) of this section will be conducted is limited to a stream or wetland, or a portion of a stream or wetland, for which restoration on the permit area is not possible.

(c) Mitigation activities off the permit area, including mitigation banking and payment of in-lieu mitigation fees, will be performed pursuant to a permit issued under sections 401 and 404 of the "Federal Water Pollution Control Act" as defined in section 6111.01 of the Revised Code or an isolated wetland permit issued under Chapter 6111. of the Revised Code or pursuant to a no-cost reclamation contract for the restoration of water resources affected by past mining activities pursuant to section 1513.37 of the Revised Code.

(d) The proposed mitigation plan and mitigation activities comply with the standards established in this section.

If the chief approves restoration off the permit area in accordance with this division, the operator shall complete all mitigation construction or other activities required by the mitigation plan.

Performance security for reclamation activities on the permit area shall be released pursuant to division (F) of this section, except that the release of the remaining portion of performance security under division (F)(3)(c) of this section shall not be approved prior to the construction of required mitigation activities off the permit area.

(B)(1) The chief may permit mining operations for the purposes set forth in division (B)(3) of this section.

(2) When an applicant meets the requirements of divisions 165270  
(B)(3) and (4) of this section, a permit without regard to the 165271  
requirement to restore to approximate original contour known as 165272  
mountain top removal set forth in divisions (A)(3) or (C)(2) and 165273  
(3) of this section may be granted for the mining of coal where 165274  
the mining operation will remove an entire coal seam or seams 165275  
running through the upper fraction of a mountain, ridge, or hill, 165276  
except as provided in division (B)(4)(a) of this section, by 165277  
removing all of the overburden and creating a level plateau or a 165278  
gently rolling contour with no highwalls remaining, and capable of 165279  
supporting postmining uses in accordance with this division. 165280

(3) In cases where an industrial, commercial, agricultural, 165281  
residential, or public facility use, including recreational 165282  
facilities, is proposed for the postmining use of the affected 165283  
land, the chief may grant a permit for a mining operation of the 165284  
nature described in division (B)(2) of this section when all of 165285  
the following apply: 165286

(a) After consultation with the appropriate land use planning 165287  
agencies, if any, the proposed postmining land use is considered 165288  
to constitute an equal or better economic or public use of the 165289  
affected land, as compared with premining use. 165290

(b) The applicant presents specific plans for the proposed 165291  
postmining land use and appropriate assurances that the use will 165292  
be all of the following: 165293

(i) Compatible with adjacent land uses; 165294

(ii) Obtainable according to data regarding expected need and 165295  
market; 165296

(iii) Assured of investment in necessary public facilities; 165297

(iv) Supported by commitments from public agencies where 165298  
appropriate; 165299

| (v) Practicable with respect to private financial capability       | 165300 |
| for completion of the proposed use;                                | 165301 |

| reclamation with the postmining land use;                          | 165304 |
| (vii) Designed by a registered engineer in conformity with         | 165305 |
| professional standards established to ensure the stability,        | 165306 |
| drainage, and configuration necessary for the intended use of the  | 165307 |
| site.                                                              | 165308 |
| (c) The proposed use is consistent with adjacent land uses         | 165309 |
| and existing state and local land use plans and programs.          | 165310 |
| (d) The chief provides the governing body of the unit of           | 165311 |
| general-purpose local government in which the land is located, and | 165312 |
| any state or federal agency that the chief, in the chief's         | 165313 |
| discretion, determines to have an interest in the proposed use, an | 165314 |

| the proposed use.                                                  | 165316 |
| (e) All other requirements of this chapter will be met.            | 165317 |
| (4) In granting a permit pursuant to this division, the chief      | 165318 |
| shall require that each of the following is met:                   | 165319 |
| (a) The toe of the lowest coal seam and the overburden             | 165320 |
| associated with it are retained in place as a barrier to slides    | 165321 |
| and erosion.                                                       | 165322 |
| (b) The reclaimed area is stable.                                  | 165323 |
| (c) The resulting plateau or rolling contour drains inward         | 165324 |
| from the out slopes except at specified points.                    | 165325 |
| (d) No damage will be done to natural watercourses.                | 165326 |
| (e) Spoil will be placed on the mountaintop bench as is            | 165327 |
| necessary to achieve the planned postmining land use, except that  | 165328 |
| all excess spoil material not retained on the mountaintop bench    | 165329 |

shall be placed in accordance with division (A)(21) of this section. 165330  
165331

(f) Stability of the spoil retained on the mountaintop bench is ensured and the other requirements of this chapter are met. 165332  
165333

(5) The chief shall adopt specific rules to govern the granting of permits in accordance with divisions (B)(1) to (4) of this section and may impose such additional requirements as the chief considers necessary. 165334  
165335  
165336  
165337

(6) All permits granted under divisions (B)(1) to (4) of this section shall be reviewed not more than three years from the date of issuance of the permit unless the applicant affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the approved schedule and reclamation plan. 165338  
165339  
165340  
165341  
165342  
165343

(C) All of the following performance standards apply to steep-slope coal mining and are in addition to those general performance standards required by this section, except that this division does not apply to those situations in which an operator is mining on flat or gently rolling terrain on which an occasional steep slope is encountered through which the mining operation is to proceed, leaving a plain or predominantly flat area, or where an operator is in compliance with division (B) of this section: 165344  
165345  
165346  
165347  
165348  
165349  
165350  
165351

(1) The operator shall ensure that when performing coal mining on steep slopes, no debris, abandoned or disabled equipment, spoil material, or waste mineral matter is placed on the downslope below the bench or mining cut. Spoil material in excess of that required for the reconstruction of the approximate original contour under division (A)(3) or (C)(2) of this section shall be permanently stored pursuant to division (A)(21) of this section. 165352  
165353  
165354  
165355  
165356  
165357  
165358  
165359

(2) The operator shall complete backfilling with spoil 165360

material to cover completely the highwall and return the site to 165361  
the approximate original contour, which material will maintain 165362  
stability following mining and reclamation. 165363

(3) The operator shall not disturb land above the top of the 165364  
highwall unless the chief finds that the disturbance will 165365  
facilitate compliance with the environmental protection standards 165366  
of this section, except that any such disturbance involving land 165367  
above the highwall shall be limited to that amount of land 165368  
necessary to facilitate compliance. 165369

(D)(1) The chief may permit variances for the purposes set 165370  
forth in division (D)(3) of this section, provided that the 165371  
watershed control of the area is improved and that complete 165372  
backfilling with spoil material shall be required to cover 165373  
completely the highwall, which material will maintain stability 165374  
following mining and reclamation. 165375

(2) Where an applicant meets the requirements of divisions 165376  
(D)(3) and (4) of this section, a variance from the requirement to 165377  
restore to approximate original contour set forth in division 165378  
(C)(2) of this section may be granted for the mining of coal when 165379  
the owner of the surface knowingly requests in writing, as a part 165380  
of the permit application, that such a variance be granted so as 165381  
to render the land, after reclamation, suitable for an industrial, 165382  
commercial, residential, or public use, including recreational 165383  
facilities, in accordance with divisions (D)(3) and (4) of this 165384  
section. 165385

(3) A variance pursuant to division (D)(2) of this section 165386  
may be granted if: 165387

(a) After consultation with the appropriate land use planning 165388  
agencies, if any, the potential use of the affected land is 165389  
considered to constitute an equal or better economic or public 165390  
use. 165391

(b) The postmining land condition is designed and certified 165392  
by a registered professional engineer in conformity with 165393  
professional standards established to ensure the stability, 165394  
drainage, and configuration necessary for the intended use of the 165395  
site. 165396

(c) After approval of the appropriate state environmental 165397  
agencies, the watershed of the affected land is considered to be 165398  
improved. 165399

(4) In granting a variance pursuant to division (D) of this 165400  
section, the chief shall require that only such amount of spoil 165401  
will be placed off the mine bench as is necessary to achieve the 165402  
planned postmining land use, ensure stability of the spoil 165403  
retained on the bench, and meet all other requirements of this 165404  
chapter. All spoil placement off the mine bench shall comply with 165405  
division (A)(21) of this section. 165406

(5) The chief shall adopt specific rules to govern the 165407  
granting of variances under division (D) of this section and may 165408  
impose such additional requirements as the chief considers 165409  
necessary. 165410

(6) All variances granted under division (D) of this section 165411  
shall be reviewed not more than three years from the date of 165412  
issuance of the permit unless the permittee affirmatively 165413  
demonstrates that the proposed development is proceeding in 165414  
accordance with the terms of the reclamation plan. 165415

(E) The chief shall establish standards and criteria 165416  
regulating the design, location, construction, operation, 165417  
maintenance, enlargement, modification, removal, and abandonment 165418  
of new and existing coal mine waste piles referred to in division 165419  
(A)(13) of this section and division (A)(5) of section 1513.35 of 165420  
the Revised Code. The standards and criteria shall conform to the 165421  
standards and criteria used by the chief of the United States army 165422

corps of engineers to ensure that flood control structures are 165423  
safe and effectively perform their intended function. In addition 165424  
to engineering and other technical specifications, the standards 165425  
and criteria developed pursuant to this division shall include 165426  
provisions for review and approval of plans and specifications 165427  
prior to construction, enlargement, modification, removal, or 165428  
abandonment; performance of periodic inspections during 165429  
construction; issuance of certificates of approval upon completion 165430  
of construction; performance of periodic safety inspections; and 165431  
issuance of notices for required remedial or maintenance work. 165432

(F)(1) The permittee may file a request with the chief for 165433  
release of a part of a performance security under division (F)(3) 165434  
of this section. Within thirty days after any request for 165435  
performance security release under this section has been filed 165436  
with the chief, the operator shall submit a copy of an 165437  
advertisement placed at least once a week for four successive 165438  
weeks in a newspaper of general circulation in the locality of the 165439  
coal mining operation. The advertisement shall be considered part 165440  
of any performance security release application and shall contain 165441  
a notification of the precise location of the land affected, the 165442  
number of acres, the permit number and the date approved, the 165443  
amount of the performance security filed and the portion sought to 165444  
be released, the type and appropriate dates of reclamation work 165445  
performed, and a description of the results achieved as they 165446  
relate to the operator's approved reclamation plan and, if 165447  
applicable, the operator's pollution abatement plan. In addition, 165448  
as part of any performance security release application, the 165449  
applicant shall submit copies of the letters sent to adjoining 165450  
property owners, local governmental bodies, planning agencies, and 165451  
sewage and water treatment authorities or water companies in the 165452  
locality in which the coal mining and reclamation activities took 165453  
place, notifying them of the applicant's intention to seek release 165454  
from the performance security. 165455

(2) Upon receipt of a copy of the advertisement and request for release of a performance security under division (F)(3)(c) of this section, the chief, within thirty days, shall conduct an inspection and evaluation of the reclamation work involved. The evaluation shall consider, among other things, the degree of difficulty to complete any remaining reclamation, whether pollution of surface and subsurface water is occurring, the probability of continuation or future occurrence of the pollution, and the estimated cost of abating the pollution. The chief shall notify the permittee in writing of the decision to release or not to release all or part of the performance security within sixty days after the filing of the request if no public hearing is held pursuant to division (F)(6) of this section or, if there has been a public hearing held pursuant to division (F)(6) of this section, within thirty days thereafter.

(3) The chief may release the performance security if the reclamation covered by the performance security or portion thereof has been accomplished as required by this chapter and rules adopted under it according to the following schedule:

(a) When the operator completes the backfilling, regrading, and drainage control of an area for which performance security has been provided in accordance with the approved reclamation plan, and, if the area covered by the performance security is one for which an authorization was made under division (E)(7) of section 1513.07 of the Revised Code, the operator has complied with the approved pollution abatement plan and all additional requirements established by the chief in rules adopted under section 1513.02 of the Revised Code governing coal mining and reclamation operations on pollution abatement areas, the chief shall grant a release of fifty per cent of the performance security for the applicable permit area.

(b) After resoiling and revegetation have been established on

the regraded mined lands in accordance with the approved 165488  
reclamation plan, the chief shall grant a release in an amount not 165489  
exceeding thirty-five per cent of the original performance 165490  
security for all or part of the affected area under the permit. 165491  
When determining the amount of performance security to be released 165492  
after successful revegetation has been established, the chief 165493  
shall retain that amount of performance security for the 165494  
revegetated area that would be sufficient for a third party to 165495  
cover the cost of reestablishing revegetation for the period 165496  
specified for operator responsibility in this section for 165497  
reestablishing revegetation. No part of the performance security 165498  
shall be released under this division so long as the lands to 165499  
which the release would be applicable are contributing suspended 165500  
solids to streamflow or runoff outside the permit area in excess 165501  
of the requirements of this section or until soil productivity for 165502  
prime farmlands has returned to equivalent levels of yield as 165503  
nonmined land of the same soil type in the surrounding area under 165504  
equivalent management practices as determined from the soil survey 165505  
performed pursuant to section 1513.07 of the Revised Code. If the 165506  
area covered by the performance security is one for which an 165507  
authorization was made under division (E)(7) of section 1513.07 of 165508  
the Revised Code, no part of the performance security shall be 165509  
released under this division until the operator has complied with 165510  
the approved pollution abatement plan and all additional 165511  
requirements established by the chief in rules adopted under 165512  
section 1513.02 of the Revised Code governing coal mining and 165513  
reclamation operations on pollution abatement areas. Where a silt 165514  
dam is to be retained as a permanent impoundment pursuant to 165515  
division (A)(10) of this section, the portion of performance 165516  
security may be released under this division so long as provisions 165517  
for sound future maintenance by the operator or the landowner have 165518  
been made with the chief. 165519

(c) When the operator has completed successfully all coal 165520

mining and reclamation activities, including, if applicable, all 165521  
additional requirements established in the pollution abatement 165522  
plan approved under division (E)(7) of section 1513.07 of the 165523  
Revised Code and all additional requirements established by the 165524  
chief in rules adopted under section 1513.02 of the Revised Code 165525  
governing coal mining and reclamation operations on pollution 165526  
abatement areas, the chief shall release all or any of the 165527  
remaining portion of the performance security for all or part of 165528  
the affected area under a permit, but not before the expiration of 165529  
the period specified for operator responsibility in this section, 165530  
except that the chief may adopt rules for a variance to the 165531  
operator period of responsibility considering vegetation success 165532  
and probability of continued growth and consent of the landowner, 165533  
provided that no performance security shall be fully released 165534  
until all reclamation requirements of this chapter are fully met. 165535

(4) If the chief disapproves the application for release of 165536  
the performance security or portion thereof, the chief shall 165537  
notify the permittee, in writing, stating the reasons for 165538  
disapproval and recommending corrective actions necessary to 165539  
secure the release, and allowing the opportunity for a public 165540  
adjudicatory hearing. 165541

(5) When any application for total or partial performance 165542  
security release is filed with the chief under this section, the 165543  
chief shall notify the municipal corporation in which the coal 165544  
mining operation is located by certified mail at least thirty days 165545  
prior to the release of all or a portion of the performance 165546  
security. 165547

(6) A person with a valid legal interest that might be 165548  
adversely affected by release of a performance security under this 165549  
section or the responsible officer or head of any federal, state, 165550  
or local government agency that has jurisdiction by law or special 165551  
expertise with respect to any environmental, social, or economic 165552

impact involved in the operation or is authorized to develop and 165553  
enforce environmental standards with respect to such operations 165554  
may file written objections to the proposed release from the 165555  
performance security with the chief within thirty days after the 165556  
last publication of the notice required by division (F)(1) of this 165557  
section. If written objections are filed and an informal 165558  
conference is requested, the chief shall inform all interested 165559  
parties of the time and place of the conference. The date, time, 165560  
and location of the informal conference shall be advertised by the 165561  
chief in a newspaper of general circulation in the locality of the 165562  
coal mining operation proposed for performance security release 165563  
for at least once a week for two consecutive weeks. The informal 165564  
conference shall be held in the locality of the coal mining 165565  
operation proposed for performance security release or in Franklin 165566  
county, at the option of the objector, within thirty days after 165567  
the request for the conference. An electronic ~~or stenographic~~ 165568  
record shall be made of the conference proceeding unless waived by 165569  
all parties. The record shall be maintained and shall be 165570  
accessible to the parties until final release of the performance 165571  
security at issue. In the event all parties requesting the 165572  
informal conference stipulate agreement prior to the requested 165573  
informal conference and withdraw their request, the informal 165574  
conference need not be held. 165575

(7) If an informal conference has been held pursuant to 165576  
division (F)(6) of this section, the chief shall issue and furnish 165577  
the applicant and persons who participated in the conference with 165578  
the written decision regarding the release within sixty days after 165579  
the conference. Within thirty days after notification of the final 165580  
decision of the chief regarding the performance security release, 165581  
the applicant or any person with an interest that is or may be 165582  
adversely affected by the decision may appeal the decision to the 165583  
reclamation commission pursuant to section 1513.13 of the Revised 165584  
Code. 165585

(8)(a) If the chief determines that a permittee is responsible for mine drainage that requires water treatment after reclamation is completed under the terms of the permit or that a permittee must provide an alternative water supply after reclamation is completed under the terms of the permit, the permittee shall provide alternative financial security in an amount determined by the chief prior to the release of the remaining portion of performance security under division (F)(3)(c) of this section. The alternative financial security shall be in an amount that is equal to or greater than the present value of the estimated cost over time to develop and implement mine drainage plans and provide water treatment or in an amount that is necessary to provide and maintain an alternative water supply, as applicable. The alternative financial security shall include a contract, trust, or other agreement or mechanism that is enforceable under law to provide long-term water treatment or a long-term alternative water supply, or both. The contract, trust, or other agreement or mechanism included with the alternative financial security may provide for the funding of the alternative financial security incrementally over a period of time, not to exceed five years, with reliance on guarantees or other collateral provided by the permittee and approved by the chief for the balance of the alternative financial security required until the alternative financial security has been fully funded by the permittee.

(b) The chief shall adopt rules in accordance with Chapter 119. of the Revised Code that are necessary for the administration of division (F)(8)(a) of this section.

(c) If the chief determines that a permittee must provide alternative financial security under division (F)(8)(a) of this section and the performance security for the permit was provided under division (C)(2) of section 1513.08 of the Revised Code, the

permittee may fund the alternative financial security 165618  
incrementally over a period of time, not to exceed five years, 165619  
with reliance on the reclamation forfeiture fund created in 165620  
section 1513.18 of the Revised Code for the balance of the 165621  
alternative financial security required until the alternative 165622  
financial security has been fully funded by the permittee. The 165623  
permittee semiannually shall pay to the division of mineral 165624  
resources management a fee that is equal to seven and one-half per 165625  
cent of the average balance of the alternative financial security 165626  
that is being provided by reliance on the reclamation forfeiture 165627  
fund over the previous six months. All money received from the fee 165628  
shall be credited to the reclamation forfeiture fund. 165629

(9) Final release of the performance security in accordance 165630  
with division (F)(3)(c) of this section terminates the 165631  
jurisdiction of the chief under this chapter over the reclaimed 165632  
site of a surface coal mining and reclamation operation or 165633  
applicable portion of an operation. However, the chief shall 165634  
reassert jurisdiction over such a site if the release was based on 165635  
fraud, collusion, or misrepresentation of a material fact and the 165636  
chief, in writing, demonstrates evidence of the fraud, collusion, 165637  
or misrepresentation. Any person with an interest that is or may 165638  
be adversely affected by the chief's determination may appeal the 165639  
determination to the reclamation commission in accordance with 165640  
section 1513.13 of the Revised Code. 165641

(G) The chief shall adopt rules governing the criteria for 165642  
forfeiture of performance security, the method of determining the 165643  
forfeited amount, and the procedures to be followed in the event 165644  
of forfeiture. Cash received as the result of such forfeiture is 165645  
the property of the state. 165646

**Sec. 1565.12.** When a loss of life is occasioned by accident 165647  
in any mine, the operator thereof shall forthwith give notice 165648

thereof to the chief of the division of mineral resources 165649  
management, and to the deputy mine inspector in charge of the 165650  
district. Such notice shall be given by telephone or ~~telegraph~~ 165651  
electronic format. The operator of such mine shall, within 165652  
twenty-four hours after such accident causing loss of life, send a 165653  
written report of the accident to the chief. Such written report 165654  
shall specify the character and cause of the accident, the names 165655  
of the persons killed, and the nature of the injuries that caused 165656  
death. In the case of injury thereafter resulting in death, the 165657  
operator shall send a written notice thereof to the chief, and to 165658  
the deputy mine inspector of such district, at such time as such 165659  
death comes to the operator's knowledge. 165660

No operator of a mine shall refuse or neglect to comply with 165661  
this section. 165662

**Sec. 1571.05.** (A) Whenever any part of a gas storage 165663  
reservoir or any part of its protective area underlies any part of 165664  
a coal mine, or is, or within nine months is expected or intended 165665  
to be, within two thousand linear feet of the boundary of a coal 165666  
mine that is operating in a coal seam any part of which extends 165667  
over any part of the storage reservoir or its protective area, the 165668  
operator of the reservoir, if the reservoir operator or some other 165669  
reservoir operator has not theretofore done so, shall: 165670

(1) Use every known method that is reasonable under the 165671  
circumstance for discovering and locating all wells drilled within 165672  
the area of the reservoir or its protective area that underlie any 165673  
part of the coal mine or its protective area; 165674

(2) Plug or recondition all known wells drilled within the 165675  
area of the reservoir or its protective area that underlie any 165676  
part of the coal mine. 165677

(B) Whenever an operator of a gas storage reservoir is 165678  
notified by the operator of a coal mine, as provided in division 165679

(B) of section 1571.03 of the Revised Code, that the coal mine operator believes that part of the boundary of the mine is within two thousand linear feet of a well that is drilled through the horizon of the coal mine and into or through the storage stratum or strata of the reservoir within the boundary of the reservoir or within its protective area, the reservoir operator shall plug or recondition the well as in this section prescribed, unless it is agreed in a conference or is ordered by the chief of the division of oil and gas resources management after a hearing, as provided in section 1571.10 of the Revised Code, that the well referred to in the notice is not such a well as is described in division (B) of section 1571.03 of the Revised Code.

Whenever an operator of a gas storage reservoir is notified by the operator of a coal mine as provided in division (C) or (D) of section 1571.03 of the Revised Code, that part of the boundary of the mine is, or within nine months is intended or expected to be, within two thousand linear feet of a well that is drilled through the horizon of the mine and into or through the storage stratum or strata of the reservoir within the boundary of the reservoir or within its protective area, the reservoir operator shall plug or recondition the well as in this section prescribed.

Whenever the operator of a coal mine considers that the use of a well such as in this section described, if used for injecting gas into, or storing gas in, or removing gas from, a gas storage reservoir, would be hazardous to the safety of persons or property on or in the vicinity of the premises of the coal mine or the reservoir or well, the coal mine operator may file with the division objections to the use of the well for such purposes, and a request that a conference be held as provided in section 1571.10 of the Revised Code, to discuss and endeavor to resolve by mutual agreement whether or not the well shall or shall not be used for such purposes, and whether or not the well shall be reconditioned,

inactivated, or plugged. The request shall set forth the mine operator's reasons for such objections. If no approved agreement is reached in the conference, the gas storage well inspector shall within ten days after the termination of the conference, file with the chief a request that the chief hear and determine the matters considered at the conference as provided in section 1571.10 of the Revised Code. Upon conclusion of the hearing, the chief shall find and determine whether or not the safety of persons or of the property on or in the vicinity of the premises of the coal mine, or the reservoir, or the well requires that the well be reconditioned, inactivated, or plugged, and shall make an order consistent with that determination, provided that the chief shall not order a well plugged unless the chief first finds that there is underground leakage of gas therefrom.

The plugging or reconditioning of each well described in a notice from a coal mine operator to a reservoir operator as provided in division (B) of section 1571.03 of the Revised Code, which must be plugged or reconditioned, shall be completed within such time as the gas storage well inspector may fix in the case of each such well. The plugging or reconditioning of each well described in a notice from a coal mine operator to a reservoir operator as provided in division (C) of section 1571.03 of the Revised Code, which must be plugged or reconditioned, shall be completed by the time the well, by reason of the extension of the boundary of the coal mine, is within two thousand linear feet of any part of the boundary of the mine. The plugging or reconditioning of each well described in a notice from a coal mine operator to a reservoir operator, as provided in division (D) of section 1571.03 of the Revised Code, which must be plugged or reconditioned, shall be completed by the time the well, by reason of the opening of the new mine, is within two thousand linear feet of any part of the boundary of the new mine. A reservoir operator who is required to complete the plugging or reconditioning of a

well within a period of time fixed as in this division prescribed, 165745  
may prior to the end of that period of time, notify the division 165746  
and the mine operator from whom the reservoir operator received a 165747  
notice as provided in division (B), (C), or (D) of section 1571.03 165748  
of the Revised Code, in writing by ~~registered~~ certified mail or 165749  
electronic format, that the completion of the plugging or 165750  
reconditioning of the well referred to in the notice will be 165751  
delayed beyond the end of the period of time fixed therefor as in 165752  
this section provided, and that the reservoir operator requests 165753  
that a conference be held for the purpose of endeavoring to reach 165754  
an agreement establishing a date subsequent to the end of that 165755  
period of time, on or before which the reservoir operator may 165756  
complete the plugging or reconditioning without incurring any 165757  
penalties for failure to do so as provided in this chapter. If 165758  
such a reservoir operator sends to such a mine operator and to the 165759  
division a notice and request for a conference as in this division 165760  
provided, the reservoir operator shall not incur any penalties for 165761  
failure to complete the plugging or reconditioning of the well 165762  
within the period of time fixed as in this division prescribed, 165763  
unless the reservoir operator fails to complete the plugging or 165764  
reconditioning of the well within the period of time fixed by an 165765  
approved agreement reached in the conference, or fixed by an order 165766  
by the chief upon a hearing held in the matter in the event of 165767  
failure to reach an approved agreement in the conference. 165768

Whenever, in compliance with this division, a well is to be 165769  
plugged by a reservoir operator, the operator shall give to the 165770  
division notice thereof, as many days in advance as will be 165771  
necessary for the gas storage well inspector or a deputy mine 165772  
inspector to be present at the plugging. The notification shall be 165773  
made on blanks furnished by the division and shall show the 165774  
following information: 165775

(1) Name and address of the applicant; 165776

(2) The location of the well identified by section or lot number, city or village, and township and county; 165777  
165778

(3) The well name and number of each well to be plugged. 165779

(C) The operator shall give written notice at the same time to the owner of the land upon which the well is located, the owners or agents of the adjoining land, and adjoining well owners or agents of the operator's intention to abandon the well, and of the time when the operator will be prepared to commence plugging and filling the same. In addition to giving such notices, the reservoir operator shall also at the same time send a copy of the notice by ~~registered~~ certified mail or electronic format to the coal mine operator, if any, who sent to the reservoir operator the notice as provided in division (B), (C), or (D) of section 1571.03 of the Revised Code, in order that the coal mine operator or the coal mine operator's designated representative may attend and observe the manner in which the plugging of the well is done. 165780  
165781  
165782  
165783  
165784  
165785  
165786  
165787  
165788  
165789  
165790  
165791  
165792

If the reservoir operator plugs the well without the gas storage well inspector or a deputy mine inspector being present to supervise the plugging, the reservoir operator shall send to the division and to the coal mine operator a copy of the report of the plugging of the well, including in the report: 165793  
165794  
165795  
165796  
165797

(1) The date of abandonment; 165798

(2) The name of the owner or operator of the well at the time of abandonment and the well owner's or operator's post office address; 165799  
165800  
165801

(3) The location of the well as to township and county and the name of the owner of the surface upon which the well is drilled, with the address thereof; 165802  
165803  
165804

(4) The date of the permit to drill; 165805

(5) The date when drilled; 165806

(6) Whether the well has been mapped; 165807

(7) The depth of the well; 165808

(8) The depth of the top of the sand to which the well was drilled; 165809  
165810

(9) The depth of each seam of coal drilled through; 165811

(10) A detailed report as to how the well was plugged, giving 165812  
in particular the manner in which the coal and various sands were 165813  
plugged, and the date of the plugging of the well, including 165814  
therein the names of those who witnessed the plugging of the well. 165815

The report shall be signed by the operator or the operator's 165816  
agent who plugged the well and verified by the oath of the party 165817  
so signing. For the purposes of this section, a deputy mine 165818  
inspector may take acknowledgements and administer oaths to the 165819  
parties signing the report. 165820

Whenever, in compliance with this division, a well is to be 165821  
reconditioned by a reservoir operator, the operator shall give to 165822  
the division notice thereof as many days before the reconditioning 165823  
is begun as will be necessary for the gas storage well inspector, 165824  
or a deputy mine inspector, to be present at the reconditioning. 165825  
No well shall be reconditioned if an inspector of the division is 165826  
not present unless permission to do so has been granted by the 165827  
chief. The reservoir operator, at the time of giving notice to the 165828  
division as in this section required, also shall send a copy of 165829  
the notice by ~~registered~~ certified mail or electronic format to 165830  
the coal mine operator, if any, who sent to the reservoir operator 165831  
the notice as provided in division (B), (C), or (D) of section 165832  
1571.03 of the Revised Code, in order that the coal mine operator 165833  
or the coal mine operator's designated representative may attend 165834  
and observe the manner in which the reconditioning of the well is 165835  
done. 165836

If the reservoir operator reconditions the well when the gas 165837

storage well inspector or a deputy mine inspector is not present 165838  
to supervise the reconditioning, the reservoir operator shall make 165839  
written report to the division describing the manner in which the 165840  
reconditioning was done, and shall send to the coal mine operator 165841  
a copy of the report by ~~registered~~ certified mail or electronic 165842  
format. 165843

(D) Wells that are required by this section to be plugged 165844  
shall be plugged in the manner specified in sections 1509.13 to 165845  
1509.17 of the Revised Code, and the operator shall give the 165846  
notifications and reports required by divisions (B) and (C) of 165847  
this section. No such well shall be plugged or abandoned without 165848  
the written approval of the division, and no such well shall be 165849  
mudded, plugged, or abandoned without the gas storage well 165850  
inspector or a deputy mine inspector present unless written 165851  
permission has been granted by the chief or the gas storage well 165852  
inspector. For purposes of this section, the chief of the division 165853  
of mineral resources management has the authority given the chief 165854  
of the division of oil and gas resources management in sections 165855  
1509.15 and 1509.17 of the Revised Code. If such a well has been 165856  
plugged prior to the time plugging thereof is required by this 165857  
section, and, on the basis of the data, information, and other 165858  
evidence available it is determined that the plugging was done in 165859  
the manner required by this section, or was done in accordance 165860  
with statutes prescribing the manner of plugging wells in effect 165861  
at the time the plugging was done, and that there is no evidence 165862  
of leakage of gas from the well either at or below the surface, 165863  
and that the plugging is sufficiently effective to prevent the 165864  
leakage of gas from the well, the obligations imposed upon the 165865  
reservoir operator by this section as to plugging the well shall 165866  
be considered fully satisfied. The operator of a coal mine any 165867  
part of the boundary of which is, or within nine months is 165868  
expected or intended to be, within two thousand linear feet of the 165869  
well may at any time raise a question as to whether the plugging 165870

of the well is sufficiently effective to prevent the leakage of gas therefrom, and the issue so made shall be determined by a conference or hearing as provided in section 1571.10 of the Revised Code.

(E) Wells that are to be reconditioned as required by this section shall be, or shall be made to be:

(1) Cased in accordance with the statutes of this state in effect at the time the wells were drilled, with the casing being, or made to be, sufficiently effective in that there is no evidence of any leakage of gas therefrom;

(2) Equipped with a producing string and well head composed of new pipe, or pipe as good as new, and fittings designed to operate with safety and to contain the stored gas at maximum pressures contemplated.

When a well that is to be reconditioned as required by this section has been reconditioned for use in the operation of the reservoir prior to the time prescribed in this section, and on the basis of the data, information, and other evidence available it is determined that at the time the well was so reconditioned the requirements prescribed in this division were met, and that there is no evidence of underground leakage of gas from the well, and that the reconditioning is sufficiently effective to prevent underground leakage from the well, the obligations imposed upon the reservoir operator by this section as to reconditioning the well shall be considered fully satisfied. Any operator of a coal mine any part of the boundary of which is, or within nine months is expected or intended to be, within two thousand linear feet of the well may at any time raise a question as to whether the reconditioning of the well is sufficiently effective to prevent underground leakage of gas therefrom, and the issue so made shall be determined by a conference or hearing as provided in section 1571.10 of the Revised Code.

If the gas storage well inspector at any time finds that a well that is drilled through the horizon of a coal mine and into or through the storage stratum or strata of a reservoir within the boundary of the reservoir or within its protective area is located within the boundary of the coal mine or within two thousand linear feet of the mine boundary, and was drilled prior to the time the statutes of this state required that wells be cased, and that the well fails to meet the casing and equipping requirements prescribed in this division, the gas storage well inspector shall promptly notify the operator of the reservoir thereof in writing, and the reservoir operator upon receipt of the notice shall promptly recondition the well in the manner prescribed in this division for reconditioning wells, unless, in a conference or hearing as provided in section 1571.10 of the Revised Code, a different course of action is agreed upon or ordered.

(F)(1) When a well within the boundary of a gas storage reservoir or within the reservoir's protective area penetrates the storage stratum or strata of the reservoir, but does not penetrate the coal seam within the boundary of a coal mine, the gas storage well inspector may, upon application of the operator of the storage reservoir, exempt the well from the requirements of this section. Either party affected by the action of the gas storage well inspector may request a conference and hearing with respect to the exemption.

(2) When a well located within the boundary of a storage reservoir or a reservoir's protective area is a producing well in a stratum above or below the storage stratum, the obligations imposed by this section shall not begin until the well ceases to be a producing well.

(G) When retreat mining reaches a point in a coal mine when the operator of the mine expects that within ninety days retreat work will be at the location of a pillar surrounding an active

storage reservoir well, the operator of the mine shall promptly 165935  
send by ~~registered~~ certified mail or electronic format notice to 165936  
that effect to the operator of the reservoir. Thereupon the 165937  
operators may by agreement determine whether it is necessary or 165938  
advisable to temporarily inactivate the well. If inactivated, the 165939  
well shall not be reactivated until a reasonable period of time 165940  
has elapsed, such period of time to be determined by agreement by 165941  
the operators. In the event that the parties cannot agree upon 165942  
either of the foregoing matters, the question shall be submitted 165943  
to the gas storage well inspector for a conference in accordance 165944  
with section 1571.10 of the Revised Code. 165945

(H)(1) The provisions of this section that require the 165946  
plugging or reconditioning of wells shall not apply to such wells 165947  
as are used to inject gas into, store gas in, or remove gas from a 165948  
gas storage reservoir when the sole purpose of the injection, 165949  
storage, or removal is testing. The operator of a gas storage 165950  
reservoir who injects gas into, stores gas in, or removes gas from 165951  
a reservoir for the sole purpose of testing shall be subject to 165952  
all other provisions of this chapter that are applicable to 165953  
operators of reservoirs. 165954

(2) If the injection of gas into, or storage of gas in, a gas 165955  
storage reservoir any part of which, or of the protective area of 165956  
which, is within the boundary of a coal mine is begun after 165957  
September 9, 1957, and if the injection or storage of gas is for 165958  
the sole purpose of testing, the operator of the reservoir shall 165959  
send by ~~registered~~ certified mail or electronic format to the 165960  
operator of the coal mine, the division of oil and gas resources 165961  
management, and the division of mineral resources management at 165962  
least sixty days' notice of the date upon which the testing will 165963  
be begun. 165964

If at any time within the period of time during which testing 165965  
of a reservoir is in progress, any part of the reservoir or of its 165966

protective area comes within any part of the boundary of a coal mine, the operator of the reservoir shall promptly send notice to that effect by ~~registered~~ certified mail or electronic format to the operator of the mine, the division of oil and gas resources management, and the division of mineral resources management.

(3) Any coal mine operator who receives a notice as provided for in division (H)(2) of this section may within thirty days of the receipt thereof file with the division objections to the testing. The gas storage well inspector also may, within the time within which a coal mine operator may file an objection, place in the files of the division objections to the testing. The reservoir operator shall comply throughout the period of the testing operations with all conditions and requirements agreed upon and approved in the conference on such objections conducted as provided in section 1571.10 of the Revised Code, or in an order made by the chief following a hearing in the matter as provided in section 1571.10 of the Revised Code. If in complying with the agreement or order either the reservoir operator or the coal mine operator encounters or discovers conditions that were not known to exist at the time of the conference or hearing and that materially affect the agreement or order, or the ability of the reservoir operator to comply therewith, either operator may apply for a rehearing or modification of the order.

(I) In addition to complying with all other provisions of this chapter and any lawful orders issued thereunder, the operator of each gas storage reservoir shall keep all wells drilled into or through the storage stratum or strata within the boundary of the operator's reservoir or within the reservoir's protective area in such condition, and operate the same in such manner, as to prevent the escape of gas therefrom into any coal mine, and shall operate and maintain the storage reservoir and its facilities in such manner and at such pressures as will prevent gas from escaping

from the reservoir or its facilities into any coal mine. 165999

**Sec. 1571.08.** (A) Whenever in this chapter, the method or 166000  
material to be used in discharging any obligations imposed by this 166001  
chapter is specified, an alternative method or material may be 166002  
used if approved by the gas storage well inspector or the chief of 166003  
the division of oil and gas resources management. A person 166004  
desiring to use such alternative method or material shall file 166005  
with the division of oil and gas resources management an 166006  
application for permission to do so. Such application shall 166007  
describe such alternative method or material in reasonable detail. 166008  
The gas storage well inspector shall promptly send by ~~registered~~ 166009  
certified mail or electronic format notice of the filing of such 166010  
application to any coal mine operator or reservoir operator whose 166011  
mine or reservoir may be directly affected thereby. Any such coal 166012  
mine operator or reservoir operator may within ten days following 166013  
receipt of such notice, file with the division objections to such 166014  
application. The gas storage well inspector may also file with the 166015  
division an objection to such application at any time during which 166016  
coal mine operators or reservoir operators are permitted to file 166017  
objections. If no objections are filed within the ten-day period 166018  
of time, the gas storage well inspector shall thereupon issue a 166019  
permit approving the use of such alternative method or material. 166020  
If any such objections are filed by any coal mine operator or 166021  
reservoir operator, or by the gas storage well inspector, the 166022  
question as to whether or not the use of such alternative method 166023  
or material, or a modification thereof is approved, shall be 166024  
determined by a conference or hearing as provided in section 166025  
1571.10 of the Revised Code. 166026

(B) Whenever in this chapter, provision is made for the 166027  
filing of objections with the division, such objections shall be 166028  
in writing and shall state as definitely as is reasonably possible 166029  
the reasons for such objections. Upon the filing of any such 166030

objection the gas storage well inspector shall promptly fix the 166031  
time and place for holding a conference for the purpose of 166032  
discussing and endeavoring to resolve by mutual agreement the 166033  
issue raised by such objection. The gas storage well inspector 166034  
shall send written notice thereof by ~~registered~~ certified mail or 166035  
electronic format to each person having a direct interest therein. 166036  
Thereupon the issue made by such objection shall be determined by 166037  
a conference or hearing in accordance with the procedures for 166038  
conferences and hearings as provided in section 1571.10 of the 166039  
Revised Code. 166040

**Sec. 1571.10.** (A) The gas storage well inspector or any 166041  
person having a direct interest in the administration of this 166042  
chapter may at any time file with the division of oil and gas 166043  
resources management a written request that a conference be held 166044  
for the purpose of discussing and endeavoring to resolve by mutual 166045  
agreement any question or issue relating to the administration of 166046  
this chapter, or to compliance with its provisions, or to any 166047  
violation thereof. Such request shall describe the matter 166048  
concerning which the conference is requested. Thereupon the gas 166049  
storage well inspector shall promptly fix the time and place for 166050  
the holding of such conference and shall send written notice 166051  
thereof to each person having a direct interest therein. At such 166052  
conference the gas storage well inspector or a representative of 166053  
the division designated by the gas storage well inspector shall be 166054  
in attendance, and shall preside at the conference, and the gas 166055  
storage well inspector or designated representative may make such 166056  
recommendations as the gas storage well inspector or designated 166057  
representative deems proper. Any agreement reached at such 166058  
conference shall be consistent with the requirements of this 166059  
chapter and, if approved by the gas storage well inspector, it 166060  
shall be reduced to writing and shall be effective. Any such 166061  
agreement approved by the gas storage well inspector shall be kept 166062

on file in the division and a copy thereof shall be furnished to 166063  
each of the persons having a direct interest therein. The 166064  
conference shall be deemed terminated as of the date an approved 166065  
agreement is reached or when any person having a direct interest 166066  
therein refuses to confer thereafter. Such a conference shall be 166067  
held in all cases prior to the holding of a hearing as provided in 166068  
this section. 166069

(B) Within ten days after the termination of a conference at 166070  
which no approved agreement is reached, any person who 166071  
participated in such conference and who has a direct interest in 166072  
the subject matter thereof, or the gas storage well inspector, may 166073  
file with the chief of the division of oil and gas resources 166074  
management a request that the chief hear and determine the matter 166075  
or matters, or any part thereof considered at the conference. 166076  
Thereupon the chief shall promptly fix the time and place for the 166077  
holding of such hearing and shall send written notice thereof to 166078  
each person having a direct interest therein. The form of the 166079  
request for such hearing and the conduct of the hearing shall be 166080  
in accordance with rules that the chief adopts under section 166081  
1571.11 of the Revised Code. Consistent with the requirement for 166082  
reasonable notice each such hearing shall be held promptly after 166083  
the filing of the request therefor. Any person having a direct 166084  
interest in the matter to be heard shall be entitled to appear and 166085  
be heard in person or by attorney. The division may present at 166086  
such hearing any evidence that is material to the matter being 166087  
heard and that has come to the division's attention in any 166088  
investigation or inspection made pursuant to this chapter. 166089

(C) For the purpose of conducting such a hearing the chief 166090  
may require the attendance of witnesses and the production of 166091  
books, records, and papers, and the chief may, and at the request 166092  
of any person having a direct interest in the matter being heard, 166093  
the chief shall, issue subpoenas for witnesses or subpoenas duces 166094

tecum to compel the production of any books, records, or papers, 166095  
directed to the sheriffs of the counties where such witnesses are 166096  
found, which subpoenas shall be served and returned in the same 166097  
manner as subpoenas in criminal cases are served and returned. The 166098  
fees of sheriffs shall be the same as those allowed by the court 166099  
of common pleas in criminal cases. Witnesses shall be paid the 166100  
fees and mileage provided for under section 119.094 of the Revised 166101  
Code. Such fee and mileage expenses shall be paid in advance by 166102  
the persons at whose request they are incurred, and the remainder 166103  
of such expenses shall be paid out of funds appropriated for the 166104  
expenses of the division. 166105

In case of disobedience or neglect of any subpoena served on 166106  
any person, or the refusal of any witness to testify to any matter 166107  
regarding which the witness may be lawfully interrogated, the 166108  
court of common pleas of the county in which such disobedience, 166109  
neglect, or refusal occurs, or any judge thereof, on application 166110  
of the chief, shall compel obedience by attachment proceedings for 166111  
contempt as in the case of disobedience of the requirements of a 166112  
subpoena issued from such court or a refusal to testify therein. 166113  
Witnesses at such hearings shall testify under oath, and the chief 166114  
may administer oaths or affirmations to persons who so testify. 166115

(D) With the consent of the chief, the testimony of any 166116  
witness may be taken by deposition at the instance of a party to 166117  
any hearing before the chief at any time after hearing has been 166118  
formally commenced. The chief may, of the chief's own motion, 166119  
order testimony to be taken by deposition at any stage in any 166120  
hearing, proceeding, or investigation pending before the chief. 166121  
Such deposition shall be taken in the manner prescribed by the 166122  
laws of this state for taking depositions in civil cases in courts 166123  
of record. 166124

(E) After the conclusion of a hearing the chief shall make a 166125  
determination and finding of facts. Every adjudication, 166126

determination, or finding by the chief shall be made by written 166127  
order and shall contain a written finding by the chief of the 166128  
facts upon which the adjudication, determination, or finding is 166129  
based. Notice of the making of such order shall be given to the 166130  
persons whose rights, duties, or privileges are affected thereby, 166131  
by sending a certified copy thereof by ~~registered~~ certified mail 166132  
or electronic format to each of such persons. 166133

Adjudications, determinations, findings, and orders made by 166134  
the chief shall not be governed by, or be subject to, Chapter 119. 166135  
of the Revised Code. 166136

**Sec. 1571.14.** Any person claiming to be aggrieved or 166137  
adversely affected by an order of the chief of the division of oil 166138  
and gas resources management made as provided in section 1571.10 166139  
or 1571.16 of the Revised Code may appeal to the director of 166140  
natural resources for an order vacating or modifying such order. 166141  
Upon receipt of the appeal, the director shall appoint an 166142  
individual who has knowledge of the laws and rules regarding the 166143  
underground storage of gas and who shall act as a hearing officer 166144  
in accordance with Chapter 119. of the Revised Code in hearing the 166145  
appeal. 166146

The person appealing to the director shall be known as 166147  
appellant and the chief shall be known as appellee. The appellant 166148  
and the appellee shall be deemed parties to the appeal. 166149

The appeal shall be in writing and shall set forth the order 166150  
complained of and the grounds upon which the appeal is based. The 166151  
appeal shall be filed with the director within thirty days after 166152  
the date upon which appellant received notice by ~~registered~~ 166153  
certified mail or electronic format of the making of the order 166154  
complained of, as required by section 1571.10 of the Revised Code. 166155  
Notice of the filing of such appeal shall be delivered by 166156  
appellant to the chief within three days after the appeal is filed 166157

with the director. 166158

Within seven days after receipt of the notice of appeal the 166159  
chief shall prepare and certify to the director at the expense of 166160  
appellant a complete transcript of the proceedings out of which 166161  
the appeal arises, including a transcript of the testimony 166162  
submitted to the chief. 166163

Upon the filing of the appeal the director shall fix the time 166164  
and place at which the hearing on the appeal will be held, and 166165  
shall give appellant and the chief at least ten days' written 166166  
notice thereof by mail. The director may postpone or continue any 166167  
hearing upon the director's own motion or upon application of 166168  
appellant or of the chief. 166169

The filing of an appeal provided for in this section does not 166170  
automatically suspend or stay execution of the order appealed 166171  
from, but upon application by the appellant the director may 166172  
suspend or stay such execution pending determination of the appeal 166173  
upon such terms as the director deems proper. 166174

The hearing officer appointed by the director shall hear the 166175  
appeal de novo, and either party to the appeal may submit such 166176  
evidence as the hearing officer deems admissible. 166177

For the purpose of conducting a hearing on an appeal, the 166178  
hearing officer may require the attendance of witnesses and the 166179  
production of books, records, and papers, and may, and at the 166180  
request of any party shall, issue subpoenas for witnesses or 166181  
subpoenas duces tecum to compel the production of any books, 166182  
records, or papers, directed to the sheriffs of the counties where 166183  
such witnesses are found, which subpoenas shall be served and 166184  
returned in the same manner as subpoenas in criminal cases are 166185  
served and returned. The fees of sheriffs shall be the same as 166186  
those allowed by the court of common pleas in criminal cases. 166187  
Witnesses shall be paid the fees and mileage provided for under 166188

section 119.094 of the Revised Code. Such fee and mileage expenses 166189  
incurred at the request of appellant shall be paid in advance by 166190  
appellant, and the remainder of such expenses shall be paid out of 166191  
funds appropriated for the expenses of the division of oil and gas 166192  
resources management. 166193

In case of disobedience or neglect of any subpoena served on 166194  
any person, or the refusal of any witness to testify to any matter 166195  
regarding which the witness may be lawfully interrogated, the 166196  
court of common pleas of the county in which such disobedience, 166197  
neglect, or refusal occurs, or any judge thereof, on application 166198  
of the director, shall compel obedience by attachment proceedings 166199  
for contempt as in the case of disobedience of the requirements of 166200  
a subpoena issued from such court or a refusal to testify therein. 166201  
Witnesses at such hearings shall testify under oath, and the 166202  
hearing officer may administer oaths or affirmations to persons 166203  
who so testify. 166204

At the request of any party to the appeal, a record of the 166205  
testimony and other evidence submitted shall be taken by an 166206  
official court reporter at the expense of the party making the 166207  
request for the record. The record shall include all of the 166208  
testimony and other evidence and the rulings on the admissibility 166209  
thereof presented at the hearing. The hearing officer shall pass 166210  
upon the admissibility of evidence, but any party may at the time 166211  
object to the admission of any evidence and except to the ruling 166212  
of the hearing officer thereon, and if the hearing officer refuses 166213  
to admit evidence, the party offering same may make a proffer 166214  
thereof, and such proffer shall be made a part of the record of 166215  
such hearing. 166216

If upon completion of the hearing the hearing officer finds 166217  
that the order appealed from was lawful and reasonable, the 166218  
hearing officer shall make a written order affirming the order 166219  
appealed from. If the hearing officer finds that such order was 166220

unreasonable or unlawful, the hearing officer shall make a written order vacating the order appealed from and making the order that it finds the chief should have made. Every order made by the hearing officer shall contain a written finding by the hearing officer of the facts upon which the order is based. Notice of the making of such order shall be given forthwith to each party to the appeal by mailing a certified copy thereof to each such party by ~~registered~~ certified mail or electronic format.

**Sec. 1571.15.** Any party adversely affected by an order of the hearing officer under section 1571.14 of the Revised Code may appeal to the court of common pleas of any county in which the well, or part of the gas storage reservoir, or part of the coal mine, involved in the order of the hearing officer which is being appealed, is located. Any party desiring to so appeal shall file with the director of natural resources a notice of appeal designating the order appealed from and stating whether the appeal is taken on questions of law or questions of law and fact. A copy of such notice shall also be filed by appellant with the court and shall be mailed or otherwise delivered to appellee. The notice shall be filed and mailed or otherwise delivered within thirty days after the date upon which appellant received notice from the hearing officer by ~~registered~~ certified mail or electronic format of the making of the order appealed from. No appeal bond shall be required to make either an appeal on questions of law or an appeal on questions of law and fact effective.

The filing of a notice of appeal shall not automatically operate as a suspension of the order of the hearing officer. If it appears to the court that an unjust hardship to the appellant will result from the execution of the hearing officer's order pending determination of the appeal, the court may grant a suspension of such order and fix its terms.

Within fifteen days after receipt of the notice of appeal the hearing officer shall prepare and file in the court the complete record of proceedings out of which the appeal arises, including a transcript of the testimony and other evidence which has been submitted before ~~him~~ the hearing officer. The expense of preparing and transcribing such record shall be taxed as a part of the costs of the appeal. Appellant shall provide security for costs satisfactory to the court. Upon demand by a party the director shall furnish at the cost of the party requesting the same a copy of such record. In the event such complete record is not filed in the court within the time provided for in this section either party may apply to the court to have the case docketed, and the court shall order such record filed.

Appeals taken on questions of law shall be heard upon assignments of error filed in the cause or set out in the briefs of the appellant before the hearing. Errors not argued by brief may be disregarded, but the court may consider and decide errors which are not assigned or argued. Failure to file such briefs and assignments of error within the time prescribed by the court's rules shall be a cause for dismissal of such appeal.

In appeals taken on questions of law and fact, the hearing in the court shall be a hearing de novo of the appeal heard by the hearing officer in which the order appealed from was made. In such hearings any party may offer as evidence any part of the record of the proceedings out of which the appeal arises, certified to the court as provided for in this section, and any other evidence which the court deems admissible.

If the court finds that the order of the hearing officer appealed from was lawful and reasonable, it shall affirm such order. If the court finds that such order was unreasonable or unlawful, it shall vacate such order and make the order which it finds the hearing officer should have made. The judgment of the

court is final unless reversed, vacated, or modified on appeal as 166284  
in civil actions. 166285

**Sec. 1571.16.** (A) The gas storage well inspector or any 166286  
person having a direct interest in the subject matter of this 166287  
chapter may file with the division of oil and gas resources 166288  
management a complaint in writing stating that a person is 166289  
violating, or is about to violate, a provision or provisions of 166290  
this chapter, or has done, or is about to do, an act, matter, or 166291  
thing therein prohibited or declared to be unlawful, or has 166292  
failed, omitted, neglected, or refused, or is about to fail, omit, 166293  
neglect, or refuse, to perform a duty enjoined upon the person by 166294  
this chapter. Upon the filing of such a complaint, the chief of 166295  
the division of oil and gas resources management shall promptly 166296  
fix the time for the holding of a hearing on such complaint and 166297  
shall send by ~~registered~~ certified mail or electronic format to 166298  
the person so complained of, a copy of such complaint together 166299  
with at least five days' notice of the time and place at which 166300  
such hearing will be held. Such notice of such hearing shall also 166301  
be given to all persons having a direct interest in the matters 166302  
complained of in such complaint. Such hearing shall be conducted 166303  
in the same manner, and the chief and persons having a direct 166304  
interest in the matter being heard, shall have the same powers, 166305  
rights, and duties as provided in divisions (B), (C), (D), and (E) 166306  
of section 1571.10 of the Revised Code, in connection with 166307  
hearings by the chief, provided that if after conclusion of the 166308  
hearing the chief finds that the charges against the person 166309  
complained of, as stated in such complaint, have not been 166310  
sustained by a preponderance of evidence, the chief shall make an 166311  
order dismissing the complaint, and if the chief finds that the 166312  
charges have been so sustained, the chief shall by appropriate 166313  
order require compliance with those provisions. 166314

(B) Whenever the chief is of the opinion that any person is 166315

violating, or is about to violate, any provision of this chapter, 166316  
or has done, or is about to do, any act, matter, or thing therein 166317  
prohibited or declared to be unlawful, or has failed, omitted, 166318  
neglected, or refused, or is about to fail, omit, neglect, or 166319  
refuse, to perform any duty enjoined upon the person by this 166320  
chapter, or has failed, omitted, neglected, or refused, or is 166321  
about to fail, omit, neglect, or refuse, to obey any lawful 166322  
requirement or order made by the chief, or any final judgment, 166323  
order, or decree made by any court pursuant to this chapter, then 166324  
and in every such case, the chief may institute in a court of 166325  
competent jurisdiction of the county or counties wherein the 166326  
operation is situated, an action to enjoin or restrain such 166327  
violations or to enforce obedience with law or the orders of the 166328  
chief. No injunction bond shall be required to be filed in any 166329  
such proceeding. Such persons or corporations as the court may 166330  
deem necessary or proper to be joined as parties in order to make 166331  
its judgment, order, or writ effective may be joined as parties. 166332  
An appeal may be taken as in other civil actions. 166333

(C) In addition to the other remedies as provided in 166334  
divisions (A) and (B) of this section, any reservoir operator or 166335  
coal mine operator affected by this chapter may proceed by 166336  
injunction or other appropriate remedy to restrain violations or 166337  
threatened violations of this chapter or of orders of the chief, 166338  
or of the hearing officer appointed under section 1571.14 of the 166339  
Revised Code, or the judgments, orders, or decrees of any court or 166340  
to enforce obedience therewith. 166341

(D) Each remedy prescribed in divisions (A), (B), and (C) of 166342  
this section is deemed concurrent or contemporaneous with each 166343  
other remedy prescribed therein, and the existence or exercise of 166344  
any one such remedy shall not prevent the exercise of any other 166345  
such remedy. 166346

(E) The provisions of this chapter providing for conferences, 166347

hearings by the chief, appeals to the hearing officer from orders 166348  
of the chief, and appeals to the court of common pleas from orders 166349  
of the hearing officer, and the remedies prescribed in divisions 166350  
(A), (B), (C), and (D) of this section, do not constitute the 166351  
exclusive procedure that a person, who deems the person's rights 166352  
to be unlawfully affected by any official action taken thereunder, 166353  
must pursue in order to protect and preserve such rights, nor does 166354  
this chapter constitute a procedure that such a person must pursue 166355  
before the person may lawfully proceed by other actions, legal or 166356  
equitable, to protect and preserve such rights. 166357

**Sec. 1707.02.** (A) "Exempt," as used in this section, means 166358  
exempt from sections 1707.08 to 1707.11 and 1707.39 of the Revised 166359  
Code. 166360

(B)(1) Except as provided in division (B)(2) of this section, 166361  
the following securities are exempt, if the issuer or guarantor 166362

the obligation represented by the security, or is in specific 166364  
terms empowered by the laws of the state of issuance to issue 166365  
securities payable as to principal or interest, or as to both, out 166366  
of revenues collected or administered by such issuer: 166367

(a) Any security issued or guaranteed by the United States; 166368

(b) Any security issued or guaranteed by, and recognized, at 166369

government with which the United States is, at the time of sale, 166371  
maintaining diplomatic relations; 166372

(c) Any security issued or guaranteed, and recognized as its 166373  
valid obligation, by any political subdivision or any governmental 166374  
or other public body, corporation, or agency in or of the United 166375  
States, any state, territory, or possession of the United States, 166376  
or any foreign government with which the United States is, at the 166377  
time of sale, maintaining diplomatic relations. 166378

(2) If a security described in division (B)(1) of this section is not payable out of the proceeds of a general tax, the security is exempt only if, at the time of its first sale in this state, there is no default in the payment of any of the interest or principal of the security, and there are no adjudications or pending suits adversely affecting its validity.

(C) Any security issued or guaranteed by a state or nationally chartered bank, savings and loan association, savings bank, or credit union, or a governmental corporation or agency created by or under the laws of the United States or of Canada is exempt, if it is under the supervision of or subject to regulation by the government or state under whose laws it was organized.

(D) Any interim certificate is exempt, if the securities to be delivered therefor are themselves exempt, are the subject matter of an exempt transaction, have been registered by description or registered by qualification, or are the subject matter of a transaction which has been registered by description.

(E)(1) A security is exempt if it meets any of the following requirements:

(a) The security is listed, or authorized for listing, on the New York stock exchange, the American stock exchange, or the national market system of the NASDAQ stock market, or any successor to such entities.

(b) The security is listed, or authorized for listing, on a national securities exchange or system, or on a tier or segment of such exchange or system, designated by the securities and exchange commission in rule 146(b) promulgated under section 18(b)(1) of the Securities Act of 1933.

(c) The security is listed, or authorized for listing, on a national securities exchange or system, or on a tier or segment of such exchange or system, that has listing standards that the

division of securities, on its own initiative or on the basis of 166410  
an application, determines by rule are substantially similar to 166411  
the listing standards applicable to securities described in 166412  
division (E)(1)(a) of this section. 166413

(d) The security is a security of the same issuer that is 166414  
equal in seniority or that is a senior security to a security 166415  
described in division (E)(1)(a), (b), or (c) of this section. 166416

(2) Application for approval of a stock exchange or system 166417  
not approved in this section may be made by any organized stock 166418  
exchange or system, or by any dealer who is a member of such 166419  
exchange, in such manner and upon such forms as are prescribed by 166420  
the division, accompanied by payment of an approval fee of two 166421  
hundred dollars, and the division shall make such investigation 166422  
and may hold such hearings as it deems necessary to determine the 166423  
propriety of giving approval. The cost of such investigation shall 166424  
be borne by the applicant. The division may enter an order of 166425  
approval, and if it does so, it shall notify the applicant of such 166426  
approval. 166427

(3) The division may revoke the approval of an exchange or 166428  
system enumerated in division (E)(1) of this section, provided 166429  
that the exchange or system is not listed in section 18(b)(1) of 166430  
the Securities Act of 1933 or any rule promulgated thereunder. The 166431  
division may effect a revocation after due notice, investigation, 166432  
a hearing, and a finding that the practices or requirements of 166433  
such exchange or system have been so changed or modified, or are, 166434  
in their actual operation, such that the contemplated protection 166435  
is no longer afforded. The principles of res adjudicata ordinarily 166436  
applicable in civil matters shall not be applicable to this 166437  
matter, which is hereby declared to be administrative rather than 166438  
judicial. Notice of the hearing may be given by ~~certified~~ 166439  
electronic mail at least ten days before such hearing. 166440

(4) The division may suspend the exemption of any security 166441

The division may effect a suspension by giving notice, by ~~certified~~ electronic mail, to that effect to the exchange or system upon which such security is listed or designated and to the issuer of such security. After notice and hearing, the division may revoke such exemption if it appears to it that sales of such security have been fraudulent or that future sales of it would be fraudulent. The division shall set such hearing not later than ten days from the date of the order of suspension, but may for good cause continue such hearing upon application of the exchange or system upon which such security is listed or designated or upon application of the issuer of such security.

Equipment-trust securities based on chattel mortgages, leases, or agreements for conditional sale, of cars, locomotives, motor trucks, or other rolling stock or of motor vehicles mortgaged, leased, or sold to, or finished for the use of, a public utility, are exempt; and so are equipment securities where the ownership or title of such equipment is pledged or retained, in accordance with the laws of the United States or of any state, or of Canada or any province thereof, to secure the payment of such securities.

days of the initial filing with the securities and exchange 166633

(3) A statement of the maximum and minimum proposed offering 166637

(D) The issuer shall promptly notify the division by 166647  
telephone ~~or telegram~~ of the date and time when the federal 166648

commission, the division shall promptly advise the issuer or its 166683  
representative by telephone ~~or telegram~~, at the issuer's expense, 166684

division then contemplates the institution of a proceeding under 166686  
section 1707.13 or 1707.23 of the Revised Code, but such advice 166687  
does not preclude the institution of such a proceeding at any 166688  
time. 166689

to the trade. 167285

(E) The president and the treasurer of the board of education 167286  
shall execute and deliver deeds or other necessary instruments of 167287  
conveyance to complete any sale or trade under this section. 167288

(F) When a board of education has identified a parcel of real 167289  
property that it determines is needed for school purposes, the 167290  
board may, upon a majority vote of the members of the board, 167291  
acquire that property by exchanging real property that the board 167292  
owns in its corporate capacity for the identified real property or 167293  
by using real property that the board owns in its corporate 167294  
capacity as part or an entire consideration for the purchase price 167295  
of the identified real property. Any exchange or acquisition made 167296  
pursuant to this division shall be made by a conveyance executed 167297  
by the president and the treasurer of the board. 167298

(G) When a school district board of education has property 167299  
that the board, by resolution, finds is not needed for school 167300  
district use, is obsolete, or is unfit for the use for which it 167301  
was acquired, the board may donate that property in accordance 167302  
with this division if the fair market value of the property is, in 167303  
the opinion of the board, two thousand five hundred dollars or 167304  
less. 167305

The property may be donated to an eligible nonprofit 167306  
organization that is located in this state and is exempt from 167307  
federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). 167308  
Before donating any property under this division, the board shall 167309

adopt a resolution expressing its intent to make unneeded, 167310  
obsolete, or unfit-for-use school district property available to 167311  
these organizations. The resolution shall include guidelines and 167312  
procedures the board considers to be necessary to implement the 167313  
donation program and shall indicate whether the school district 167314  
will conduct the donation program or the board will contract with 167315  
a representative to conduct it. If a representative is known when 167316  
the resolution is adopted, the resolution shall provide contact 167317  
information such as the representative's name, address, and 167318  
telephone number. 167319

The resolution shall include within its procedures a 167320  
requirement that any nonprofit organization desiring to obtain 167321  
donated property under this division shall submit a written notice 167322  
to the board or its representative. The written notice shall 167323  
include evidence that the organization is a nonprofit organization 167324  
that is located in this state and is exempt from federal income 167325  
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 167326  
the organization's primary purpose; a description of the type or 167327  
types of property the organization needs; and the name, address, 167328  
and telephone number of a person designated by the organization's 167329  
governing board to receive donated property and to serve as its 167330  
agent. The written notice may be submitted electronically to the 167331  
board or its representative. 167332

After adoption of the resolution, the board shall ~~publish, in~~ 167333  
~~a newspaper of general circulation in the school district or as~~ 167334  
~~provided in section 7.16 of the Revised Code, notice of its intent~~ 167335  
~~to donate unneeded, obsolete, or unfit for use school district~~ 167336  
~~property to eligible nonprofit organizations. The notice shall~~ 167337  
~~include a summary of the information provided in the resolution~~ 167338  
~~and shall be published twice. The second notice shall be published~~ 167339  
~~not less than ten nor more than twenty days after the previous~~ 167340  
~~notice. A similar notice also shall be posted continually post in~~ 167341

the board's office notice of its intent to donate school district property that is unneeded, obsolete, or unfit for use to eligible nonprofit organizations. If the school district maintains a web site on the internet, the notice shall be posted continually at that web site.

The board or its representatives shall maintain a list of all nonprofit organizations that notify the board or its representative of their desire to obtain donated property under this division and that the board or its representative determines to be eligible, in accordance with the requirements set forth in this section and in the donation program's guidelines and procedures, to receive donated property.

The board or its representative also shall maintain a list of all school district property the board finds to be unneeded, obsolete, or unfit for use and to be available for donation under this division. The list shall be posted continually in a conspicuous location in the board's office, and, if the school district maintains a web site on the internet, the list shall be posted continually at that web site. An item of property on the list shall be donated to the eligible nonprofit organization that first declares to the board or its representative its desire to obtain the item unless the board previously has established, by resolution, a list of eligible nonprofit organizations that shall be given priority with respect to the item's donation. Priority may be given on the basis that the purposes of a nonprofit organization have a direct relationship to specific school district purposes of programs provided or administered by the board. A resolution giving priority to certain nonprofit organizations with respect to the donation of an item of property shall specify the reasons why the organizations are given that priority.

Members of the board shall consult with the Ohio ethics

commission, and comply with Chapters 102. and 2921. of the Revised Code, with respect to any donation under this division to a nonprofit organization of which a board member, any member of a board member's family, or any business associate of a board member is a trustee, officer, board member, or employee.

in the program and ensure that each participating school complies 167416  
with the requirements of this section. 167417

(2) If the board of education of a school district determines 167418  
that, for financial reasons, a school under the board's control 167419  
cannot comply with the requirements of this section or the board 167420  
already has a successful breakfast program or partnership in 167421  
place, the district board may choose not to comply with those 167422  
requirements. 167423

(D) Not later than the thirty-first day of December of each 167424  
school year, the department shall provide statistical reports on 167425  
its web site that specify the number and percentage of students 167426  
participating in school breakfast programs disaggregated by school 167427  
district and individual schools, including community schools, 167428  
established under Chapter 3314. of the Revised Code, and STEM 167429  
schools, established under Chapter 3326. of the Revised Code. 167430

(E) Not later than the thirty-first day of December of each 167431

(2) "Obscene" has the same meaning as in division (F) of section 2907.01 of the Revised Code as that division has been construed by the supreme court of this state.

(3) "Teacher of record" means a teacher who is responsible for the overall academic development and achievement of a student and not merely the student's instruction in any single subject.

(B)(1) It is the intent of the general assembly that teachers employed by internet- or computer-based community schools conduct visits with their students ~~in-person~~ throughout the school year.

(2) Each internet- or computer-based community school shall retain an affiliation with at least one full-time teacher of record licensed in accordance with division (A)(10) of section 3314.03 of the Revised Code.

indicate the number of times teachers will visit each student 167480  
throughout the school year and the manner in which those visits 167481  
will be conducted. The visits may be conducted electronically. 167482

(3) That the school will set up a central base of operation 167483  
and the sponsor will maintain a representative within fifty miles 167484  
of that base of operation to provide monitoring and assistance. 167485

(D)(1) Annually, each internet- or computer-based community 167486

received under division (D)(1) of this section. 167498

**Sec. 3319.081.** Except as otherwise provided in division (G) 167499  
of this section, in all school districts wherein the provisions of 167500  
Chapter 124. of the Revised Code do not apply, the following 167501  
employment contract system shall control for employees whose 167502  
contracts of employment are not otherwise provided by law: 167503

(A) Newly hired regular nonteaching school employees, 167504  
including regular hourly rate and per diem employees, shall enter 167505  
into written contracts for their employment which shall be for a 167506  
period of not more than one year. If such employees are rehired, 167507  
their three subsequent contracts shall be for a period of two 167508  
years each. 167509

(B) After the termination of the third two-year contract 167510  
provided in division (A) of this section, if the contract of a 167511  
nonteaching employee is renewed, the employee shall be continued 167512  
in employment, and the salary provided in the contract may be 167513  
increased but not reduced unless such reduction is a part of a 167514  
uniform plan affecting the nonteaching employees of the entire 167515  
district. 167516

(C) The contracts as provided for in this section may be 167517  
terminated by a majority vote of the board of education. Except as 167518  
provided in sections 3319.0810 and 3319.172 of the Revised Code, 167519  
the contracts may be terminated only for violation of written 167520  
rules and regulations as set forth by the board of education or 167521  
for incompetency, inefficiency, dishonesty, drunkenness, immoral 167522  
conduct, insubordination, discourteous treatment of the public, 167523  
neglect of duty, or any other acts of misfeasance, malfeasance, or 167524  
nonfeasance. In addition to the right of the board of education to 167525

terminate the contract of an employee, the board may suspend an 167526  
employee for a definite period of time or demote the employee for 167527  
the reasons set forth in this division. The action of the board of 167528  
education terminating the contract of an employee or suspending or 167529  
demoting the employee shall be served upon the employee by 167530  
certified mail, regular mail with a certificate of mailing, or 167531  
other form of delivery with proof of delivery, including 167532  
electronic delivery with electronic proof of delivery. Within ten 167533  
days following the receipt of such notice by the employee, the 167534  
employee may file an appeal, in writing, with the court of common 167535  
pleas of the county in which such school board is situated. After 167536  
hearing the appeal the common pleas court may affirm, disaffirm, 167537  
or modify the action of the school board. 167538

A violation of division (A)(7) of section 2907.03 of the 167539  
Revised Code is grounds for termination of employment of a 167540  
nonteaching employee under this division. 167541

(D) All employees who have been employed by a school district 167542  
where the provisions of Chapter 124. of the Revised Code do not 167543  
apply, for a period of at least three years on November 24, 1967, 167544  
shall hold continuing contracts of employment pursuant to this 167545  
section. 167546

(E) Any nonteaching school employee may terminate the 167547  
nonteaching school employee's contract of employment thirty days 167548  
subsequent to the filing of a written notice of such termination 167549  
with the treasurer of the board. 167550

(F) A person hired exclusively for the purpose of replacing a 167551  
nonteaching school employee while such employee is on leave of 167552  
absence granted under section 3319.13 of the Revised Code is not a 167553  
regular nonteaching school employee under this section. 167554

(G) All nonteaching employees employed pursuant to this 167555  
section and Chapter 124. of the Revised Code shall be paid for all 167556

time lost when the schools in which they are employed are closed 167557  
owing to an epidemic or other public calamity. Nothing in this 167558  
division shall be construed as requiring payment in excess of an 167559  
employee's regular wage rate or salary for any time worked while 167560  
the school in which the employee is employed is officially closed 167561  
for the reasons set forth in this division. 167562

**Sec. 3319.11.** (A) As used in this section: 167563

(1) "Evaluation procedures" means the procedures required by 167564  
the policy adopted pursuant to division (A) of section 3319.111 of 167565  
the Revised Code. 167566

(2) "Limited contract" means a limited contract, as described 167567  
in section 3319.08 of the Revised Code, that a school district 167568  
board of education or governing board of an educational service 167569  
center enters into with a teacher who is not eligible for 167570  
continuing service status. 167571

(3) "Extended limited contract" means a limited contract, as 167572  
described in section 3319.08 of the Revised Code, that a board of 167573  
education or governing board enters into with a teacher who is 167574  
eligible for continuing service status. 167575

(B) Teachers eligible for continuing service status in any 167576  
city, exempted village, local, or joint vocational school district 167577  
or educational service center shall be those teachers qualified as 167578  
described in division (D) of section 3319.08 of the Revised Code, 167579  
who within the last five years have taught for at least three 167580  
years in the district or center, and those teachers who, having 167581  
attained continuing contract status elsewhere, have served two 167582  
years in the district or center, but the board, upon the 167583  
recommendation of the superintendent, may at the time of 167584  
employment or at any time within such two-year period, declare any 167585  
of the latter teachers eligible. 167586

(1) Upon the recommendation of the superintendent that a teacher eligible for continuing service status be reemployed, a continuing contract shall be entered into between the board and the teacher unless the board by a three-fourths vote of its full membership rejects the recommendation of the superintendent. If the board rejects by a three-fourths vote of its full membership the recommendation of the superintendent that a teacher eligible for continuing service status be reemployed and the superintendent makes no recommendation to the board pursuant to division (C) of this section, the board may declare its intention not to reemploy the teacher by giving the teacher written notice on or before the first day of June of its intention not to reemploy the teacher. If evaluation procedures have not been complied with pursuant to section 3319.111 of the Revised Code or the board does not give the teacher written notice on or before the first day of June of its intention not to reemploy the teacher, the teacher is deemed reemployed under an extended limited contract for a term not to exceed one year at the same salary plus any increment provided by the salary schedule. The teacher is presumed to have accepted employment under the extended limited contract for a term not to exceed one year unless such teacher notifies the board in writing to the contrary on or before the fifteenth day of June, and an extended limited contract for a term not to exceed one year shall be executed accordingly. Upon any subsequent reemployment of the teacher only a continuing contract may be entered into.

(2) If the superintendent recommends that a teacher eligible for continuing service status not be reemployed, the board may declare its intention not to reemploy the teacher by giving the teacher written notice on or before the first day of June of its intention not to reemploy the teacher. If evaluation procedures have not been complied with pursuant to section 3319.111 of the Revised Code or the board does not give the teacher written notice on or before the first day of June of its intention not to

reemploy the teacher, the teacher is deemed reemployed under an 167620  
extended limited contract for a term not to exceed one year at the 167621  
same salary plus any increment provided by the salary schedule. 167622  
The teacher is presumed to have accepted employment under the 167623  
extended limited contract for a term not to exceed one year unless 167624  
such teacher notifies the board in writing to the contrary on or 167625  
before the fifteenth day of June, and an extended limited contract 167626  
for a term not to exceed one year shall be executed accordingly. 167627  
Upon any subsequent reemployment of a teacher only a continuing 167628  
contract may be entered into. 167629

(3) Any teacher receiving written notice of the intention of 167630  
a board not to reemploy such teacher pursuant to this division is 167631  
entitled to the hearing provisions of division (G) of this 167632  
section. 167633

(C)(1) If a board rejects the recommendation of the 167634  
superintendent for reemployment of a teacher pursuant to division 167635  
(B)(1) of this section, the superintendent may recommend 167636  
reemployment of the teacher, if continuing service status has not 167637  
previously been attained elsewhere, under an extended limited 167638  
contract for a term not to exceed two years, provided that written 167639  
notice of the superintendent's intention to make such 167640  
recommendation has been given to the teacher with reasons directed 167641  
at the professional improvement of the teacher on or before the 167642  
first day of June. Upon subsequent reemployment of the teacher 167643  
only a continuing contract may be entered into. 167644

(2) If a board of education takes affirmative action on a 167645  
superintendent's recommendation, made pursuant to division (C)(1) 167646  
of this section, of an extended limited contract for a term not to 167647  
exceed two years but the board does not give the teacher written 167648  
notice of its affirmative action on the superintendent's 167649  
recommendation of an extended limited contract on or before the 167650  
first day of June, the teacher is deemed reemployed under a 167651

continuing contract at the same salary plus any increment provided 167652  
by the salary schedule. The teacher is presumed to have accepted 167653  
employment under such continuing contract unless such teacher 167654  
notifies the board in writing to the contrary on or before the 167655  
fifteenth day of June, and a continuing contract shall be executed 167656  
accordingly. 167657

(3) A board shall not reject a superintendent's 167658  
recommendation, made pursuant to division (C)(1) of this section, 167659  
of an extended limited contract for a term not to exceed two years 167660  
except by a three-fourths vote of its full membership. If a board 167661  
rejects by a three-fourths vote of its full membership the 167662  
recommendation of the superintendent of an extended limited 167663  
contract for a term not to exceed two years, the board may declare 167664  
its intention not to reemploy the teacher by giving the teacher 167665  
written notice on or before the first day of June of its intention 167666  
not to reemploy the teacher. If evaluation procedures have not 167667  
been complied with pursuant to section 3319.111 of the Revised 167668  
Code or if the board does not give the teacher written notice on 167669  
or before the first day of June of its intention not to reemploy 167670  
the teacher, the teacher is deemed reemployed under an extended 167671  
limited contract for a term not to exceed one year at the same 167672  
salary plus any increment provided by the salary schedule. The 167673  
teacher is presumed to have accepted employment under the extended 167674  
limited contract for a term not to exceed one year unless such 167675  
teacher notifies the board in writing to the contrary on or before 167676  
the fifteenth day of June, and an extended limited contract for a 167677  
term not to exceed one year shall be executed accordingly. Upon 167678  
any subsequent reemployment of the teacher only a continuing 167679  
contract may be entered into. 167680

Any teacher receiving written notice of the intention of a 167681  
board not to reemploy such teacher pursuant to this division is 167682  
entitled to the hearing provisions of division (G) of this 167683

section. 167684

(D) A teacher eligible for continuing contract status 167685  
employed under an extended limited contract pursuant to division 167686  
(B) or (C) of this section, is, at the expiration of such extended 167687  
limited contract, deemed reemployed under a continuing contract at 167688  
the same salary plus any increment granted by the salary schedule, 167689  
unless evaluation procedures have been complied with pursuant to 167690  
section 3319.111 of the Revised Code and the employing board, 167691  
acting on the superintendent's recommendation that the teacher not 167692  
be reemployed, gives the teacher written notice on or before the 167693  
first day of June of its intention not to reemploy such teacher. A 167694  
teacher who does not have evaluation procedures applied in 167695  
compliance with section 3319.111 of the Revised Code or who does 167696  
not receive notice on or before the first day of June of the 167697  
intention of the board not to reemploy such teacher is presumed to 167698  
have accepted employment under a continuing contract unless such 167699  
teacher notifies the board in writing to the contrary on or before 167700  
the fifteenth day of June, and a continuing contract shall be 167701  
executed accordingly. 167702

Any teacher receiving a written notice of the intention of a 167703  
board not to reemploy such teacher pursuant to this division is 167704  
entitled to the hearing provisions of division (G) of this 167705  
section. 167706

(E) The board shall enter into a limited contract with each 167707  
teacher employed by the board who is not eligible to be considered 167708  
for a continuing contract. 167709

Any teacher employed under a limited contract, and not 167710  
eligible to be considered for a continuing contract, is, at the 167711  
expiration of such limited contract, considered reemployed under 167712  
the provisions of this division at the same salary plus any 167713  
increment provided by the salary schedule unless evaluation 167714  
procedures have been complied with pursuant to section 3319.111 of 167715

the Revised Code and the employing board, acting upon the 167716  
superintendent's written recommendation that the teacher not be 167717  
reemployed, gives such teacher written notice of its intention not 167718  
to reemploy such teacher on or before the first day of June. A 167719  
teacher who does not have evaluation procedures applied in 167720  
compliance with section 3319.111 of the Revised Code or who does 167721  
not receive notice of the intention of the board not to reemploy 167722  
such teacher on or before the first day of June is presumed to 167723  
have accepted such employment unless such teacher notifies the 167724  
board in writing to the contrary on or before the fifteenth day of 167725  
June, and a written contract for the succeeding school year shall 167726  
be executed accordingly. 167727

Any teacher receiving a written notice of the intention of a 167728  
board not to reemploy such teacher pursuant to this division is 167729  
entitled to the hearing provisions of division (G) of this 167730  
section. 167731

(F) The failure of a superintendent to make a recommendation 167732  
to the board under any of the conditions set forth in divisions 167733  
(B) to (E) of this section, or the failure of the board to give 167734  
such teacher a written notice pursuant to divisions (C) to (E) of 167735  
this section shall not prejudice or prevent a teacher from being 167736  
deemed reemployed under either a limited or continuing contract as 167737  
the case may be under the provisions of this section. A failure of 167738  
the parties to execute a written contract shall not void any 167739  
automatic reemployment provisions of this section. 167740

(G)(1) Any teacher receiving written notice of the intention 167741  
of a board of education not to reemploy such teacher pursuant to 167742  
division (B), (C)(3), (D), or (E) of this section may, within ten 167743  
days of the date of receipt of the notice, file with the treasurer 167744  
of the board a written demand for a written statement describing 167745  
the circumstances that led to the board's intention not to 167746  
reemploy the teacher. 167747

(2) The treasurer of a board, on behalf of the board, shall, 167748  
within ten days of the date of receipt of a written demand for a 167749  
written statement pursuant to division (G)(1) of this section, 167750  
provide to the teacher a written statement describing the 167751  
circumstances that led to the board's intention not to reemploy 167752  
the teacher. 167753

(3) Any teacher receiving a written statement describing the 167754  
circumstances that led to the board's intention not to reemploy 167755  
the teacher pursuant to division (G)(2) of this section may, 167756  
within five days of the date of receipt of the statement, file 167757  
with the treasurer of the board a written demand for a hearing 167758  
before the board pursuant to divisions (G)(4) to (6) of this 167759  
section. 167760

(4) The treasurer of a board, on behalf of the board, shall, 167761  
within ten days of the date of receipt of a written demand for a 167762  
hearing pursuant to division (G)(3) of this section, provide to 167763  
the teacher a written notice setting forth the time, date, and 167764  
place of the hearing. The board shall schedule and conclude the 167765  
hearing within forty days of the date on which the treasurer of 167766  
the board receives a written demand for a hearing pursuant to 167767  
division (G)(3) of this section. 167768

(5) Any hearing conducted pursuant to this division shall be 167769  
conducted by a majority of the members of the board. The hearing 167770  
shall be held in executive session of the board unless the board 167771  
and the teacher agree to hold the hearing in public. The 167772  
superintendent, assistant superintendent, the teacher, and any 167773  
person designated by either party to take a record of the hearing 167774  
may be present at the hearing. The board may be represented by 167775  
counsel and the teacher may be represented by counsel or a 167776  
designee. A record of the hearing may be taken by either party at 167777  
the expense of the party taking the record. 167778

(6) Within ten days of the conclusion of a hearing conducted 167779

pursuant to this division, the board shall issue to the teacher a written decision containing an order affirming the intention of the board not to reemploy the teacher reported in the notice given to the teacher pursuant to division (B), (C)(3), (D), or (E) of this section or an order vacating the intention not to reemploy and expunging any record of the intention, notice of the intention, and the hearing conducted pursuant to this division.

(7) A teacher may appeal an order affirming the intention of the board not to reemploy the teacher to the court of common pleas of the county in which the largest portion of the territory of the school district or service center is located, within thirty days of the date on which the teacher receives the written decision, on the grounds that the board has not complied with this section or section 3319.111 of the Revised Code.

Notwithstanding section 2506.04 of the Revised Code, the court in an appeal under this division is limited to the determination of procedural errors and to ordering the correction of procedural errors and shall have no jurisdiction to order a board to reemploy a teacher, except that the court may order a board to reemploy a teacher in compliance with the requirements of division (B), (C)(3), (D), or (E) of this section when the court determines that evaluation procedures have not been complied with pursuant to section 3319.111 of the Revised Code or the board has not given the teacher written notice on or before the first day of June of its intention not to reemploy the teacher pursuant to division (B), (C)(3), (D), or (E) of this section. Otherwise, the determination whether to reemploy or not reemploy a teacher is solely a board's determination and not a proper subject of judicial review and, except as provided in this division, no decision of a board whether to reemploy or not reemploy a teacher shall be invalidated by the court on any basis, including that the decision was not warranted by the results of any evaluation or was

not warranted by any statement given pursuant to division (G)(2) 167812  
of this section. 167813

No appeal of an order of a board may be made except as 167814  
specified in this division. 167815

(H)(1) In giving a teacher any notice required by division 167816  
(B), (C), (D), or (E) of this section, the board or the 167817  
superintendent shall do either of the following: 167818

(a) Deliver the notice by personal service upon the teacher; 167819

(b) Deliver the notice by certified mail, return receipt 167820  
requested, regular mail with a certificate of mailing, or other 167821  
form of delivery with proof of delivery, addressed to the teacher 167822  
at the teacher's place of employment and deliver a copy of the 167823  
notice by certified mail, return receipt requested, regular mail 167824  
with a certificate of mailing, or other form of delivery with 167825  
proof of delivery, addressed to the teacher at the teacher's place 167826  
of residence. Delivery of the notice required under division 167827  
(H)(1)(b) of this section may be satisfied by electronic delivery 167828  
with electronic proof of delivery. 167829

(2) In giving a board any notice required by division (B), 167830  
(C), (D), or (E) of this section, the teacher shall do either of 167831  
the following: 167832

(a) Deliver the notice by personal delivery to the office of 167833  
the superintendent during regular business hours; 167834

(b) Deliver the notice by certified mail, return receipt 167835  
requested, regular mail with a certificate of mailing, or other 167836  
form of delivery with proof of delivery, addressed to the office 167837  
of the superintendent and deliver a copy of the notice by 167838  
certified mail, return receipt requested, regular mail with a 167839  
certificate of mailing, or other form of delivery with proof of 167840  
delivery, addressed to the president of the board at the 167841  
president's place of residence. Delivery of the notice required 167842

under division (H)(2)(b) of this section may be satisfied by 167843  
electronic delivery with electronic proof of delivery. 167844

(3) When any notice and copy of the notice are mailed 167845  
pursuant to division (H)(1)(b) or (2)(b) of this section, the 167846  
notice or copy of the notice with the earlier date of receipt 167847  
shall constitute the notice for the purposes of division (B), (C), 167848  
(D), or (E) of this section. 167849

(I) The provisions of this section shall not apply to any 167850  
supplemental written contracts entered into pursuant to section 167851  
3319.08 of the Revised Code. 167852

(J) Notwithstanding any provision to the contrary in Chapter 167853  
4117. of the Revised Code, the dates set forth in this section as 167854  
"on or before the first day of June" or "on or before the 167855  
fifteenth day of June" prevail over any conflicting provisions of 167856  
a collective bargaining agreement entered into on or after ~~the~~ 167857  
~~effective date of this amendment~~ March 22, 2013. 167858

**Sec. 3319.16.** The contract of any teacher employed by the 167859  
board of education of any city, exempted village, local, county, 167860  
or joint vocational school district may not be terminated except 167861  
for good and just cause. Notwithstanding any provision to the 167862  
contrary in Chapter 4117. of the Revised Code, the provisions of 167863  
this section relating to the grounds for termination of the 167864  
contract of a teacher prevail over any conflicting provisions of a 167865  
collective bargaining agreement entered into after ~~the effective~~ 167866  
~~date of this amendment~~ October 16, 2009. 167867

Before terminating any contract, the employing board shall 167868  
furnish the teacher a written notice signed by its treasurer of 167869  
its intention to consider the termination of the teacher's 167870  
contract with full specification of the grounds for such 167871  
consideration. The board shall not proceed with formal action to 167872  
terminate the contract until after the tenth day after receipt of 167873

the notice by the teacher. Within ten days after receipt of the 167874  
notice from the treasurer of the board, the teacher may file with 167875  
the treasurer a written demand for a hearing before the board or 167876  
before a referee, and the board shall set a time for the hearing 167877  
which shall be within thirty days from the date of receipt of the 167878  
written demand, and the treasurer shall give the teacher at least 167879  
twenty days' notice in writing of the time and place of the 167880  
hearing. If a referee is demanded by either the teacher or board, 167881  
the treasurer also shall give twenty days' notice to the 167882  
superintendent of public instruction. No hearing shall be held 167883  
during the summer vacation without the teacher's consent. The 167884  
hearing shall be private unless the teacher requests a public 167885  
hearing. The hearing shall be conducted by a referee appointed 167886  
pursuant to section 3319.161 of the Revised Code, if demanded; 167887  
otherwise, it shall be conducted by a majority of the members of 167888  
the board and shall be confined to the grounds given for the 167889  
termination. The board shall provide for a complete ~~stenographic~~ 167890  
record of the proceedings, a copy of the record to be furnished to 167891  
the teacher. The board may suspend a teacher pending final action 167892  
to terminate the teacher's contract if, in its judgment, the 167893  
character of the charges warrants such action. 167894

Both parties may be present at such hearing, be represented 167895  
by counsel, require witnesses to be under oath, cross-examine 167896  
witnesses, take a record of the proceedings, and require the 167897  
presence of witnesses in their behalf upon subpoena to be issued 167898  
by the treasurer of the board. In case of the failure of any 167899  
person to comply with a subpoena, a judge of the court of common 167900  
pleas of the county in which the person resides, upon application 167901  
of any interested party, shall compel attendance of the person by 167902  
attachment proceedings as for contempt. Any member of the board or 167903  
the referee may administer oaths to witnesses. After a hearing by 167904  
a referee, the referee shall file a report within ten days after 167905  
the termination of the hearing. After consideration of the 167906

referee's report, the board, by a majority vote, may accept or 167907  
reject the referee's recommendation on the termination of the 167908  
teacher's contract. After a hearing by the board, the board, by 167909  
majority vote, may enter its determination upon its minutes. Any 167910  
order of termination of a contract shall state the grounds for 167911  
termination. If the decision, after hearing, is against 167912  
termination of the contract, the charges and the record of the 167913  
hearing shall be physically expunged from the minutes, and, if the 167914  
teacher has suffered any loss of salary by reason of being 167915  
suspended, the teacher shall be paid the teacher's full salary for 167916  
the period of such suspension. 167917

Any teacher affected by an order of termination of contract 167918  
may appeal to the court of common pleas of the county in which the 167919  
school is located within thirty days after receipt of notice of 167920  
the entry of such order. The appeal shall be an original action in 167921  
the court and shall be commenced by the filing of a complaint 167922  
against the board, in which complaint the facts shall be alleged 167923  
upon which the teacher relies for a reversal or modification of 167924  
such order of termination of contract. Upon service or waiver of 167925  
summons in that appeal, the board immediately shall transmit to 167926  
the clerk of the court for filing a transcript of the original 167927  
papers filed with the board, a certified copy of the minutes of 167928  
the board into which the termination finding was entered, and a 167929  
certified transcript of all evidence adduced at the hearing or 167930  
hearings before the board or a certified transcript of all 167931  
evidence adduced at the hearing or hearings before the referee, 167932  
whereupon the cause shall be at issue without further pleading and 167933  
shall be advanced and heard without delay. The court shall examine 167934  
the transcript and record of the hearing and shall hold such 167935  
additional hearings as it considers advisable, at which it may 167936  
consider other evidence in addition to the transcript and record. 167937

Upon final hearing, the court shall grant or deny the relief 167938

prayed for in the complaint as may be proper in accordance with 167939  
the evidence adduced in the hearing. Such an action is a special 167940  
proceeding, and either the teacher or the board may appeal from 167941  
the decision of the court of common pleas pursuant to the Rules of 167942  
Appellate Procedure and, to the extent not in conflict with those 167943  
rules, Chapter 2505. of the Revised Code. 167944

In any court action, the board may utilize the services of 167945  
the prosecuting attorney, village solicitor, city director of law, 167946  
or other chief legal officer of a municipal corporation as 167947  
authorized by section 3313.35 of the Revised Code, or may employ 167948  
other legal counsel. 167949

A violation of division (A)(7) of section 2907.03 of the 167950

(B)(1) Except as otherwise provided in division (B)(2) of this section, the state board shall require each person subject to a criminal records check under this section to submit two complete sets of fingerprints and written permission that authorizes the superintendent of public instruction to forward the fingerprints to the bureau of criminal identification and investigation pursuant to division (F) of section 109.57 of the Revised Code and that authorizes that bureau to forward the fingerprints to the federal bureau of investigation for purposes of obtaining any criminal records that the federal bureau maintains on the person.

(2) If both of the following conditions apply to a person subject to a criminal records check under this section, the state board shall require the person to submit one complete set of fingerprints and written permission that authorizes the superintendent of public instruction to forward the fingerprints to the bureau of criminal identification and investigation so that bureau may forward the fingerprints to the federal bureau of investigation for purposes of obtaining any criminal records that the federal bureau maintains on the person:

(a) Under this section or any former version of this section, the state board or the superintendent of public instruction previously requested the superintendent of the bureau of criminal identification and investigation to determine whether the bureau has any information, gathered pursuant to division (A) of section 109.57 of the Revised Code, on the person.

(C) Except as provided in division (D) of this section, prior 168003

of public instruction shall do one of the following: 168009

(1) If the person is required to submit fingerprints and 168010  
written permission under division (B)(1) of this section, request 168011  
the superintendent of the bureau of criminal identification and 168012  
investigation to determine whether the bureau has any information, 168013  
gathered pursuant to division (A) of section 109.57 of the Revised 168014  
Code, pertaining to the person and to obtain any criminal records 168015  
that the federal bureau of investigation has on the person. 168016

(2) If the person is required to submit fingerprints and 168017  
written permission under division (B)(2) of this section, request 168018  
the superintendent of the bureau of criminal identification and 168019  
investigation to obtain any criminal records that the federal 168020  
bureau of investigation has on the person. 168021

(D) The state board or the superintendent of public 168022  
instruction may choose not to request any information about a 168023  
person required by division (C) of this section if the person 168024  
provides proof that a criminal records check that satisfies the 168025  
requirements of that division was conducted on the person as a 168026  
condition of employment pursuant to section 3319.39 of the Revised 168027  
Code within the immediately preceding year. The state board or the 168028  
superintendent of public instruction may accept a certified copy 168029  
of records that were issued by the bureau of criminal 168030  
identification and investigation and that are presented by the 168031  
person in lieu of requesting that information under division (C) 168032

of this section if the records were issued by the bureau within 168033  
the immediately preceding year. 168034

(E)(1) If a person described in division (A)(3) or (4) of 168035  
this section who is subject to a criminal records check fails to 168036  
submit fingerprints and written permission by the date specified 168037  
in the applicable division, and the state board or the 168038  
superintendent of public instruction does not apply division (D) 168039  
of this section to the person, or if a person who is subject to 168040  
division (G) of this section fails to submit fingerprints and 168041  
written permission by the date prescribed under that division, the 168042  
superintendent shall prepare a written notice to be sent to the 168043  
person by mail or electronically stating that if the person does 168044  
not submit the fingerprints and written permission within fifteen 168045  
days after the date the notice was mailed or sent electronically, 168046  
the person's application will be rejected or the person's 168047  
professional or permanent teaching certificate or license will be 168048  
inactivated. The superintendent shall send the notification by 168049  
regular mail to the person's last known residence address or last 168050  
known place of employment, as indicated in the department of 168051  
education's records, or both. If the notice is sent 168052  
electronically, the notification shall be sent via electronic mail 168053  
to the person's last known electronic mail address. 168054

If the person fails to submit the fingerprints and written 168055  
permission within fifteen days after the date the notice was 168056  
mailed, the superintendent of public instruction, on behalf of the 168057  
state board, shall issue a written order rejecting the application 168058  
or inactivating the person's professional or permanent teaching 168059  
certificate or license. The rejection or inactivation shall remain 168060  
in effect until the person submits the fingerprints and written 168061  
permission. The superintendent shall send the order by regular 168062  
mail or electronic mail to the person's last known residence 168063  
address, last known electronic mail address, or last known place 168064

of employment, as indicated in the department's records, ~~or both.~~ 168065  
The order shall state the reason for the rejection or inactivation 168066  
and shall explain that the rejection or inactivation remains in 168067  
effect until the person submits the fingerprints and written 168068  
permission. 168069

The rejection or inactivation of a professional or permanent 168070  
teaching certificate or license under division (E)(1) of this 168071  
section does not constitute a suspension or revocation of the 168072  
certificate or license by the state board under section 3319.31 of 168073  
the Revised Code and the state board and the superintendent of 168074  
public instruction need not provide the person with an opportunity 168075  
for a hearing with respect to the rejection or inactivation. 168076

(2) If a person whose professional or permanent teaching 168077  
certificate or license has been rejected or inactivated under 168078  
division (E)(1) of this section submits fingerprints and written 168079  
permission as required by division (B) or (G) of this section, the 168080  
superintendent of public instruction, on behalf of the state 168081  
board, shall issue a written order issuing or reactivating the 168082  
certificate or license. The superintendent shall send the order to 168083  
the person by regular mail or electronic mail. 168084

(F) Notwithstanding divisions (A) to (C) of this section, if 168085  
a person holds more than one certificate, license, or permit 168086  
described in division (A)(1) of this section, the following shall 168087  
apply: 168088

(1) If the certificates, licenses, or permits are of 168089  
different durations, the person shall be subject to divisions (A) 168090  
to (C) of this section only when applying for renewal of the 168091  
certificate, license, or permit that is of the longest duration. 168092  
Prior to renewing any certificate, license, or permit with a 168093  
shorter duration, the state board or the superintendent of public 168094  
instruction shall determine whether the department of education 168095  
has received any information about the person pursuant to section 168096

109.5721 of the Revised Code, but the person shall not be subject 168097  
to divisions (A) to (C) of this section as long as the person's 168098  
certificate, license, or permit with the longest duration is 168099  
valid. 168100

(2) If the certificates, licenses, or permits are of the same 168101  
duration but do not expire in the same year, the person shall 168102  
designate one of the certificates, licenses, or permits as the 168103  
person's primary certificate, license, or permit and shall notify 168104  
the department of that designation. The person shall be subject to 168105  
divisions (A) to (C) of this section only when applying for 168106  
renewal of the person's primary certificate, license, or permit. 168107  
Prior to renewing any certificate, license, or permit that is not 168108  
the person's primary certificate, license, or permit, the state 168109  
board or the superintendent of public instruction shall determine 168110  
whether the department has received any information about the 168111  
person pursuant to section 109.5721 of the Revised Code, but the 168112  
person shall not be subject to divisions (A) to (C) of this 168113  
section as long as the person's primary certificate, license, or 168114  
permit is valid. 168115

(3) If the certificates, licenses, or permits are of the same 168116  
duration and expire in the same year and the person applies for 168117  
renewal of the certificates, licenses, or permits at the same 168118  
time, the state board or the superintendent of public instruction 168119  
shall request only one criminal records check of the person under 168120  
division (C) of this section. 168121

(G) If the department is unable to enroll a person who has 168122  
submitted an application for licensure, or to whom the state board 168123  
has issued a license, in the retained applicant fingerprint 168124  
database established under section 109.5721 of the Revised Code 168125  
because the person has not satisfied the requirements for 168126  
enrollment, the department shall require the person to satisfy the 168127  
requirements for enrollment, including requiring the person to 168128

submit, by a date prescribed by the department, one complete set 168129  
of fingerprints and written permission that authorizes the 168130  
superintendent of public instruction to forward the fingerprints 168131  
to the bureau of criminal identification and investigation for the 168132  
purpose of enrolling the person in the database. If the person 168133  
fails to comply by the prescribed date, the department shall 168134  
reject the application or shall take action to inactivate the 168135  
person's license in accordance with division (E) of this section. 168136

**Sec. 3319.311.** (A)(1) The state board of education, or the 168137  
superintendent of public instruction on behalf of the board, may 168138  
investigate any information received about a person that 168139  
reasonably appears to be a basis for action under section 3319.31 168140  
of the Revised Code, including information received pursuant to 168141

of the Ohio attorney general to conduct any investigation of that 168145  
nature. The board shall pay for the costs of the contract only 168146  
from moneys in the state board of education licensure fund 168147  
established under section 3319.51 of the Revised Code. Except as 168148  
provided in division (A)(2) of this section, all information 168149  
received pursuant to section 3314.40, 3319.291, 3319.313, 3326.24, 168150  
3328.19, 5126.253, or 5153.176 of the Revised Code, and all 168151  
information obtained during an investigation is confidential and 168152  
is not a public record under section 149.43 of the Revised Code. 168153  
If an investigation is conducted under this division regarding 168154  
information received about a person and no action is taken against 168155  
the person under this section or section 3319.31 of the Revised 168156  
Code within two years of the completion of the investigation, all 168157  
records of the investigation shall be expunged. 168158

(2) In the case of a person about whom the board has learned 168159

results of each investigation of a person conducted under division 168171  
(A)(1) of this section and shall determine, on behalf of the state 168172  
board, whether the results warrant initiating action under 168173  
division (B) of section 3319.31 of the Revised Code. The 168174  
superintendent shall advise the board of such determination at a 168175  
meeting of the board. Within fourteen days of the next meeting of 168176  
the board, any member of the board may ask that the question of 168177  
initiating action under section 3319.31 of the Revised Code be 168178  
placed on the board's agenda for that next meeting. Prior to 168179  
initiating that action against any person, the person's name and 168180  
any other personally identifiable information shall remain 168181  
confidential. 168182

(C) The board shall take no action against a person under 168183  
division (B) of section 3319.31 of the Revised Code without 168184  
providing the person with written notice of the charges and with 168185  
an opportunity for a hearing in accordance with Chapter 119. of 168186  
the Revised Code. 168187

(D) For purposes of an investigation under division (A)(1) of 168188

child's parent, guardian, or custodian of the new date, time, and 168315  
~~place~~ method. 168316

If the child and the child's parent, guardian, or custodian 168317  
do not appear before the superintendent or a designee on the 168318

scheduled date and ~~at~~ for the scheduled ~~time and place~~ hearing, or 168319  
if the child and the child's parent, guardian, or custodian appear 168320  
before the superintendent or a designee on the scheduled date and 168321  
at the scheduled time ~~and place~~ but the superintendent or a 168322  
designee determines that the information the superintendent 168323  
received indicating that, during the semester or term, the child 168324  
had been absent without legitimate excuse from the school the 168325  
child was supposed to attend for more than sixty consecutive hours 168326  
or for at least ninety total hours, the superintendent shall 168327  
notify the registrar of motor vehicles and the juvenile judge of 168328  
the county in which the district is located that the child has 168329  
been absent for that period of time and that the child does not 168330  
have any legitimate excuse for the habitual absence. A 168331  
notification to the registrar required by this division shall be 168332  
given in the manner the registrar by rule requires and a 168333  
notification to the juvenile judge required by this division shall 168334  
be given in writing. Each notification shall be given within two 168335  
weeks after the receipt of the information of the habitual absence 168336  
from school without legitimate excuse, or, if the child and the 168337  
child's parent, guardian, or custodian appear before the 168338  
superintendent or a designee to challenge the information, within 168339  
two weeks after the ~~appearance~~ hearing. 168340

For purposes of division (B)(2) of this section, a legitimate 168341  
excuse for absence from school includes, but is not limited to, 168342  
the fact that the child in question has enrolled in another school 168343  
or school district in this or another state, the fact that the 168344  
child in question was excused from attendance for any of the 168345  
reasons specified in section 3321.04 of the Revised Code, or the 168346  
fact that the child in question has received an age and schooling 168347  
certificate in accordance with section 3331.01 of the Revised 168348  
Code. 168349

(3) Whenever a pupil is suspended or expelled from school 168350

pursuant to section 3313.66 of the Revised Code and the reason for 168351  
the suspension or expulsion is the use or possession of alcohol, a 168352  
drug of abuse, or alcohol and a drug of abuse, the superintendent 168353  
of schools of that district may notify the registrar and the 168354  
juvenile judge of the county in which the district is located of 168355  
such suspension or expulsion. Any such notification of suspension 168356  
or expulsion shall be given to the registrar, in the manner the 168357  
registrar by rule requires and shall be given to the juvenile 168358  
judge in writing. The notifications shall be given within two 168359  
weeks after the suspension or expulsion. 168360

(4) Whenever a pupil is suspended, expelled, removed, or 168361  
permanently excluded from a school for misconduct included in a 168362  
policy that the board of education of a city, exempted village, or 168363  
local school district has adopted under division (A) of section 168364  
3313.661 of the Revised Code, and the misconduct involves a 168365  
firearm or a knife or other weapon as defined in that policy, the 168366  
superintendent of schools of that district shall notify the 168367  
registrar and the juvenile judge of the county in which the 168368  
district is located of the suspension, expulsion, removal, or 168369  
permanent exclusion. The notification shall be given to the 168370  
registrar in the manner the registrar, by rule, requires and shall 168371  
be given to the juvenile judge in writing. The notifications shall 168372  
be given within two weeks after the suspension, expulsion, 168373  
removal, or permanent exclusion. 168374

(C) A notification of withdrawal, habitual absence without 168375  
legitimate excuse, suspension, or expulsion given to the registrar 168376  
or a juvenile judge under division (B)(1), (2), (3), or (4) of 168377  
this section shall contain the name, address, date of birth, 168378  
school, and school district of the child. If the superintendent 168379  
finds, after giving a notification of withdrawal, habitual absence 168380  
without legitimate excuse, suspension, or expulsion to the 168381  
registrar and the juvenile judge under division (B)(1), (2), (3), 168382

or (4) of this section, that the notification was given in error, 168383  
the superintendent immediately shall notify the registrar and the 168384  
juvenile judge of that fact. 168385

**Sec. 3321.21.** A notice under section 3321.19 or 3321.20 of 168386  
the Revised Code, sent by registered mail, regular mail with a 168387  
certificate of mailing, or other form of delivery with proof of 168388  
delivery, including electronic delivery and electronic proof of 168389  
delivery, is a legal notice. 168390

**Sec. 3704.03.** The director of environmental protection may do 168391  
any of the following: 168392

(A) Develop programs for the prevention, control, and 168393  
abatement of air pollution; 168394

(B) Advise, consult, contract, and cooperate with any 168395  
governmental or private agency in the furtherance of the purposes 168396  
of this chapter; 168397

(C) Encourage, participate in, or conduct studies, 168398  
investigations, and research relating to air pollution, collect 168399  
and disseminate information, and conduct education and training 168400  
programs relating to the causes, prevention, control, and 168401  
abatement of air pollution; 168402

(D) Adopt, modify, and rescind rules prescribing ambient air 168403  
quality standards for the state as a whole or for various areas of 168404  
the state that are consistent with and no more stringent than the 168405  
national ambient air quality standards in effect under the federal 168406  
Clean Air Act; 168407

(E) Adopt, modify, suspend, and rescind rules for the 168408  
prevention, control, and abatement of air pollution, including 168409  
rules prescribing for the state as a whole or for various areas of 168410  
the state emission standards for air contaminants, and other 168411  
necessary rules for the purpose of achieving and maintaining 168412

compliance with ambient air quality standards in all areas within 168413  
the state as expeditiously as practicable, but not later than any 168414  
deadlines applicable under the federal Clean Air Act; rules for 168415  
the prevention or control of the emission of hazardous or toxic 168416  
air contaminants; rules prescribing fugitive dust limitations and 168417  
standards that are related, on an areawide basis, to attainment 168418  
and maintenance of ambient air quality standards; rules 168419  
prescribing shade, density, or opacity limitations and standards 168420  
for emissions, provided that with regard to air contaminant 168421  
sources for which there are particulate matter emission standards 168422  
in addition to a shade, density, or opacity rule, upon 168423  
demonstration by such a source of compliance with those other 168424  
standards, the shade, density, or opacity rule shall provide for 168425  
establishment of a shade, density, or opacity limitation for that 168426  
source that does not require the source to reduce emissions below 168427  
the level specified by those other standards; rules for the 168428  
prevention or control of odors and air pollution nuisances; rules 168429  
that prevent significant deterioration of air quality to the 168430  
extent required by the federal Clean Air Act; rules for the 168431  
protection of visibility as required by the federal Clean Air Act; 168432  
and rules prescribing open burning limitations and standards. In 168433  
adopting, modifying, suspending, or rescinding any such rules, the 168434  
director, to the extent consistent with the federal Clean Air Act, 168435  
shall hear and give consideration to evidence relating to all of 168436  
the following: 168437

(1) Conditions calculated to result from compliance with the 168438  
rules, the overall cost within this state of compliance with the 168439  
rules, and their relation to benefits to the people of the state 168440  
to be derived from that compliance; 168441

(2) The quantity and characteristics of air contaminants, the 168442  
frequency and duration of their presence in the ambient air, and 168443  
the dispersion and dilution of those contaminants; 168444

(3) Topography, prevailing wind directions and velocities, 168445  
physical conditions, and other factors that may or may combine to 168446  
affect air pollution. 168447

Consistent with division (K) of section 3704.036 of the 168448  
Revised Code, the director shall consider alternative emission 168449  
limits proposed by the owner or operator of an air contaminant 168450  
source that is subject to an emission limit established in rules 168451  
adopted under this division and shall accept those alternative 168452  
emission limits that the director determines to be equivalent to 168453  
emission limits established in rules adopted under this division. 168454

(F)(1) Adopt, modify, suspend, and rescind rules consistent 168455  
with the purposes of this chapter prohibiting the location, 168456  
installation, construction, or modification of any air contaminant 168457  
source or any machine, equipment, device, apparatus, or physical 168458  
facility intended primarily to prevent or control the emission of 168459  
air contaminants unless an installation permit therefor has been 168460  
obtained from the director or the director's authorized 168461  
representative. 168462

(2)(a) Applications for installation permits shall be 168463  
accompanied by plans, specifications, construction schedules, and 168464  
such other pertinent information and data, including data on 168465  
ambient air quality impact and a demonstration of best available 168466  
technology, as the director may require. Installation permits 168467  
shall be issued for a period specified by the director and are 168468  
transferable. The director shall specify in each permit the 168469  
applicable emission standards and that the permit is conditioned 168470  
upon payment of the applicable fees as required by section 3745.11 168471  
of the Revised Code and upon the right of the director's 168472  
authorized representatives to enter upon the premises of the 168473  
person to whom the permit has been issued, at any reasonable time 168474  
and subject to safety requirements of the person in control of the 168475  
premises, for the purpose of determining compliance with such 168476

standards, this chapter, the rules adopted thereunder, and the 168477  
conditions of any permit, variance, or order issued thereunder. 168478  
Each proposed new or modified air contaminant source shall provide 168479  
such notice of its proposed installation or modification to other 168480  
states as is required under the federal Clean Air Act. 168481  
Installation permits shall include the authorization to operate 168482  
sources installed and operated in accordance with terms and 168483  
conditions of the installation permits for a period not to exceed 168484  
one year from commencement of operation, which authorization shall 168485  
constitute an operating permit under division (G) of this section 168486  
and rules adopted under it. 168487

No installation permit shall be required for activities that 168488  
are subject to and in compliance with a plant-wide applicability 168489  
limit issued by the director in accordance with rules adopted 168490  
under this section. 168491

No installation permit shall be issued except in accordance 168492  
with all requirements of this chapter and rules adopted 168493  
thereunder. No application shall be denied or permit revoked or 168494  
modified without a written order stating the findings upon which 168495  
denial, revocation, or modification is based. A copy of the order 168496  
shall be sent to the applicant or permit holder by certified mail. 168497

(b) An air contaminant source that is the subject of an 168498  
installation permit shall be installed or modified in accordance 168499  
with the permit not later than eighteen months after the permit's 168500  
effective date at which point the permit shall terminate unless 168501  
one of the following applies: 168502

(i) The owner or operator has undertaken a continuing program 168503  
of installation or modification during the eighteen-month period. 168504

(ii) The owner or operator has entered into a binding 168505  
contractual obligation to undertake and complete within a 168506  
reasonable period of time a continuing program of installation or 168507

modification of the air contaminant source during the 168508  
eighteen-month period. 168509

(iii) The director has extended the date by which the air 168510  
contaminant source that is the subject of the installation permit 168511  
must be installed or modified. 168512

(iv) The installation permit is the subject of an appeal by a 168513  
party other than the owner or operator of the air contaminant 168514  
source that is the subject of the installation permit, in which 168515  
case the date of termination of the permit is not later than 168516  
eighteen months after the effective date of the permit plus the 168517  
number of days between the date in which the permit was appealed 168518  
and the date on which all appeals concerning the permit have been 168519  
resolved. 168520

(v) The installation permit has been superseded by a 168521  
subsequent installation permit, in which case the original 168522  
installation permit terminates on the effective date of the 168523  
superseding installation permit. 168524

Division (F)(2)(b) of this section applies to an installation 168525  
permit that has not terminated as of ~~the effective date of this~~ 168526  
~~amendment~~ October 16, 2009. 168527

The director may adopt rules in accordance with Chapter 119. 168528  
of the Revised Code for the purpose of establishing additional 168529  
requirements that are necessary for the implementation of division 168530  
(F)(2)(b) of this section. 168531

(3) Not later than two years after August 3, 2006, the 168532  
director shall adopt a rule in accordance with Chapter 119. of the 168533  
Revised Code specifying that a permit to install is required only 168534  
for new or modified air contaminant sources that emit any of the 168535  
following air contaminants: 168536

(a) An air contaminant or precursor of an air contaminant for 168537  
which a national ambient air quality standard has been adopted 168538

under the federal Clean Air Act; 168539

(b) An air contaminant for which the air contaminant source 168540  
is regulated under the federal Clean Air Act; 168541

(c) An air contaminant that presents, or may present, through 168542  
inhalation or other routes of exposure, a threat of adverse human 168543  
health effects, including, but not limited to, substances that are 168544  
known to be, or may reasonably be anticipated to be, carcinogenic, 168545  
mutagenic, teratogenic, or neurotoxic, that cause reproductive 168546  
dysfunction, or that are acutely or chronically toxic, or a threat 168547  
of adverse environmental effects whether through ambient 168548  
concentrations, bioaccumulation, deposition, or otherwise, and 168549  
that is identified in the rule by chemical name and chemical 168550  
abstract service number. 168551

The director may modify the rule adopted under division 168552  
(F)(3)(c) of this section for the purpose of adding or deleting 168553  
air contaminants. For each air contaminant that is contained in or 168554  
deleted from the rule adopted under division (F)(3)(c) of this 168555  
section, the director shall include in a notice accompanying any 168556  
proposed or final rule an explanation of the director's 168557  
determination that the air contaminant meets the criteria 168558  
established in that division and should be added to, or no longer 168559  
meets the criteria and should be deleted from, the list of air 168560  
contaminants. The explanation shall include an identification of 168561  
the scientific evidence on which the director relied in making the 168562  
determination. Until adoption of the rule under division (F)(3)(c) 168563  
of this section, nothing shall affect the director's authority to 168564  
issue, deny, modify, or revoke permits to install under this 168565  
chapter and rules adopted under it. 168566

(4)(a) Applications for permits to install new or modified 168567  
air contaminant sources shall contain sufficient information 168568  
regarding air contaminants for which the director may require a 168569  
permit to install to determine conformity with the environmental 168570

protection agency's document entitled "Review of New Sources of  
Air Toxics Emissions, Option A," dated May 1986, which the  
director shall use to evaluate toxic emissions from new or  
modified air contaminant sources. The director shall make copies  
of the document available to the public upon request at no cost  
and post the document on the environmental protection agency's web  
site. Any inconsistency between the document and division (F)(4)  
of this section shall be resolved in favor of division (F)(4) of  
this section.

(b) The maximum acceptable ground level concentration of an  
air contaminant shall be calculated in accordance with the  
document entitled "Review of New Sources of Air Toxics Emissions,  
Option A." Modeling shall be conducted to determine the increase  
in the ground level concentration of an air contaminant beyond the  
facility's boundary caused by the emissions from a new or modified  
source that is the subject of an application for a permit to  
install. Modeling shall be based on the maximum hourly rate of  
emissions from the source using information including, but not  
limited to, any emission control devices or methods, operational  
restrictions, stack parameters, and emission dispersion devices or  
methods that may affect ground level concentrations, either  
individually or in combination. The director shall determine  
whether the activities for which a permit to install is sought  
will cause an increase in the ground level concentration of one or  
more relevant air contaminants beyond the facility's boundary by  
an amount in excess of the maximum acceptable ground level  
concentration. In making the determination as to whether the  
maximum acceptable ground level concentration will be exceeded,  
the director shall give consideration to the modeling conducted  
under division (F)(4)(b) of this section and other relevant  
information submitted by the applicant.

(c) If the modeling conducted under division (F)(4)(b) of

this section with respect to an application for a permit to 168603  
install demonstrates that the maximum ground level concentration 168604  
from a new or modified source will be greater than or equal to 168605  
eighty per cent, but less than one hundred per cent of the maximum 168606  
acceptable ground level concentration for an air contaminant, the 168607  
director may establish terms and conditions in the permit to 168608  
install for the air contaminant source that will require the owner 168609  
or operator of the air contaminant source to maintain emissions of 168610  
that air contaminant commensurate with the modeled level, which 168611  
shall be expressed as allowable emissions per day. In order to 168612  
calculate the allowable emissions per day, the director shall 168613  
multiply the hourly emission rate modeled under division (F)(4)(b) 168614  
of this section to determine the ground level concentration by the 168615  
operating schedule that has been identified in the permit to 168616  
install application. Terms and conditions imposed under division 168617  
(F)(4)(c) of this section are not federally enforceable 168618  
requirements and, if included in a Title V permit, shall be placed 168619  
in the portion of the permit that is only enforceable by the 168620  
state. 168621

(d) If the modeling conducted under division (F)(4)(b) of 168622  
this section with respect to an application for a permit to 168623  
install demonstrates that the maximum ground level concentration 168624  
from a new or modified source will be less than eighty per cent of 168625  
the maximum acceptable ground level concentration, the owner or 168626  
operator of the source annually shall report to the director, on a 168627  
form prescribed by the director, whether operations of the source 168628  
are consistent with the information regarding the operations that 168629  
was used to conduct the modeling with regard to the permit to 168630  
install application. The annual report to the director shall be in 168631  
lieu of an emission limit or other permit terms and conditions 168632  
imposed pursuant to division (F)(4) of this section. The director 168633  
may consider any significant departure from the operations of the 168634  
source described in the permit to install application that results 168635

in greater emissions than the emissions rate modeled to determine 168636  
the ground level concentration as a modification and require the 168637  
owner or operator to submit a permit to install application for 168638  
the increased emissions. The requirements established in division 168639  
(F)(4)(d) of this section are not federally enforceable 168640  
requirements and, if included in a Title V permit, shall be placed 168641  
in the portion of the permit that is only enforceable by the 168642  
state. 168643

(e) Division (F)(4) of this section and the document entitled 168644  
"Review of New Sources of Air Toxics Emissions, Option A" shall 168645  
not be included in the state implementation plan under section 110 168646  
of the federal Clean Air Act and do not apply to an air 168647  
contaminant source that is subject to a maximum achievable control 168648  
technology standard or residual risk standard under section 112 of 168649  
the federal Clean Air Act, to a particular air contaminant 168650  
identified under 40 C.F.R. 51.166, division (b)(23), for which the 168651  
director has determined that the owner or operator of the source 168652  
is required to install best available control technology for that 168653  
particular air contaminant, or to a particular air contaminant for 168654  
which the director has determined that the source is required to 168655  
meet the lowest achievable emission rate, as defined in 40 C.F.R. 168656  
part 51, Appendix S, for that particular air contaminant. 168657

(f)(i) Division (F)(4) of this section and the document 168658  
entitled "Review of New Sources of Air Toxics Emissions, Option A" 168659  
do not apply to parking lots, storage piles, storage tanks, 168660  
transfer operations, grain silos, grain dryers, emergency 168661  
generators, gasoline dispensing operations, air contaminant 168662  
sources that emit air contaminants solely from the combustion of 168663  
fossil fuels, or the emission of wood dust, sand, glass dust, coal 168664  
dust, silica, and grain dust. 168665

(ii) Notwithstanding division (F)(4)(f)(i) of this section, 168666  
the director may require an individual air contaminant source that 168667

is within one of the source categories identified in division 168668  
(F)(4)(f)(i) of this section to submit information in an 168669  
application for a permit to install a new or modified source in 168670  
order to determine the source's conformity to the document if the 168671  
director has information to conclude that the particular new or 168672  
modified source will potentially cause an increase in ground level 168673  
concentration beyond the facility's boundary that exceeds the 168674  
maximum acceptable ground level concentration as set forth in the 168675  
document. 168676

(iii) The director may adopt rules in accordance with Chapter 168677  
119. of the Revised Code that are consistent with the purposes of 168678  
this chapter and that add to or delete from the source category 168679  
exemptions established in division (F)(4)(f)(i) of this section. 168680

(5) Not later than one year after August 3, 2006, the 168681  
director shall adopt rules in accordance with Chapter 119. of the 168682  
Revised Code specifying activities that do not, by themselves, 168683  
constitute beginning actual construction activities related to the 168684  
installation or modification of an air contaminant source for 168685  
which a permit to install is required such as the grading and 168686  
clearing of land, on-site storage of portable parts and equipment, 168687  
and the construction of foundations or buildings that do not 168688  
themselves emit air contaminants. The rules also shall allow 168689  
specified initial activities that are part of the installation or 168690  
modification of an air contaminant source, such as the 168691  
installation of electrical and other utilities for the source, 168692  
prior to issuance of a permit to install, provided that the owner 168693  
or operator of the source has filed a complete application for a 168694  
permit to install, the director or the director's designee has 168695  
determined that the application is complete, and the owner or 168696  
operator of the source has notified the director that this 168697  
activity will be undertaken prior to the issuance of a permit to 168698  
install. Any activity that is undertaken by the source under those 168699

rules shall be at the risk of the owner or operator. The rules 168700  
shall not apply to activities that are precluded prior to permit 168701  
issuance under section 111, section 112, Part C of Title I, and 168702  
Part D of Title I of the federal Clean Air Act. 168703

(G) Adopt, modify, suspend, and rescind rules prohibiting the 168704  
operation or other use of any new, modified, or existing air 168705  
contaminant source unless an operating permit has been obtained 168706  
from the director or the director's authorized representative, or 168707  
the air contaminant source is being operated in compliance with 168708  
the conditions of a variance issued pursuant to division (H) of 168709  
this section. Applications for operating permits shall be 168710  
accompanied by such plans, specifications, and other pertinent 168711  
information as the director may require. Operating permits may be 168712  
issued for a period determined by the director not to exceed ten 168713  
years, are renewable, and are transferable. The director shall 168714  
specify in each operating permit that the permit is conditioned 168715  
upon payment of the applicable fees as required by section 3745.11 168716  
of the Revised Code and upon the right of the director's 168717  
authorized representatives to enter upon the premises of the 168718  
person to whom the permit has been issued, at any reasonable time 168719  
and subject to safety requirements of the person in control of the 168720  
premises, for the purpose of determining compliance with this 168721  
chapter, the rules adopted thereunder, and the conditions of any 168722  
permit, variance, or order issued thereunder. Operating permits 168723  
may be denied or revoked for failure to comply with this chapter 168724  
or the rules adopted thereunder. An operating permit shall be 168725  
issued only upon a showing satisfactory to the director or the 168726  
director's representative that the air contaminant source is being 168727  
operated in compliance with applicable emission standards and 168728  
other rules or upon submission of a schedule of compliance 168729  
satisfactory to the director for a source that is not in 168730  
compliance with all applicable requirements at the time of permit 168731  
issuance, provided that the compliance schedule shall be 168732

consistent with and at least as stringent as that contained in any 168733  
judicial consent decree or administrative order to which the air 168734  
contaminant source is subject. The rules shall provide for the 168735  
issuance of conditional operating permits for such reasonable 168736  
periods as the director may determine to allow the holder of an 168737  
installation permit, who has constructed, installed, located, or 168738  
modified a new air contaminant source in accordance with the 168739  
provisions of an installation permit, to make adjustments or 168740  
modifications necessary to enable the new air contaminant source 168741  
to comply with applicable emission standards and other rules. 168742  
Terms and conditions of operating permits issued pursuant to this 168743  
division shall be federally enforceable for the purpose of 168744  
establishing the potential to emit of a stationary source and 168745  
shall be expressly designated as federally enforceable. Any such 168746  
federally enforceable restrictions on a source's potential to emit 168747  
shall include both an annual limit and a short-term limit of not 168748  
more than thirty days for each pollutant to be restricted together 168749  
with adequate methods for establishing compliance with the 168750  
restrictions. In other respects, operating permits issued pursuant 168751  
to this division are enforceable as state law only. No application 168752  
shall be denied or permit revoked or modified without a written 168753  
order stating the findings upon which denial, revocation, or 168754  
modification is based. A copy of the order shall be sent to the 168755  
applicant or permit holder by certified mail. 168756

(H) Adopt, modify, and rescind rules governing the issuance, 168757  
revocation, modification, or denial of variances that authorize 168758  
emissions in excess of the applicable emission standards. 168759

No variance shall be issued except pursuant to those rules. 168760  
The rules shall prescribe conditions and criteria in furtherance 168761  
of the purposes of this chapter and consistent with the federal 168762  
Clean Air Act governing eligibility for issuance of variances, 168763  
which shall include all of the following: 168764

(1) Provisions requiring consistency of emissions authorized 168765  
by a variance with timely attainment and maintenance of ambient 168766  
air quality standards; 168767

(2) Provisions prescribing the classes and categories of air 168768  
contaminants and air contaminant sources for which variances may 168769  
be issued; 168770

(3) Provisions defining the circumstances under which an 168771  
applicant shall demonstrate that compliance with applicable 168772  
emission standards is technically infeasible, economically 168773  
unreasonable, or impossible because of conditions beyond the 168774  
control of the applicant; 168775

(4) Other provisions prescribed in furtherance of the goals 168776  
of this chapter. 168777

The rules shall prohibit the issuance of variances from any 168778  
emission limitation that was applicable to a source pursuant to an 168779  
installation permit and shall prohibit issuance of variances that 168780  
conflict with the federal Clean Air Act. 168781

Applications for variances shall be accompanied by such 168782  
information as the director may require. In issuing variances, the 168783  
director may order the person to whom a variance is issued to 168784  
furnish plans and specifications and such other information and 168785  
data, including interim reports, as the director may require and 168786  
to proceed to take such action within such time as the director 168787  
may determine to be appropriate and reasonable to prevent, 168788  
control, or abate the person's existing emissions of air 168789  
contaminants. The director shall specify in each variance that the 168790  
variance is conditioned upon payment of the applicable fees as 168791  
required by section 3745.11 of the Revised Code and upon the right 168792  
of the director's authorized representatives to enter upon the 168793  
premises of the person to whom the variance has been issued, at 168794  
any reasonable time and subject to safety requirements of the 168795

person in control of the premises, for the purpose of determining 168796  
compliance with this chapter, the rules adopted thereunder, and 168797  
the conditions of any permit, variance, or order issued 168798  
thereunder. 168799

The director may hold a public hearing on an application for 168800  
a variance or renewal thereof at a location in the county where 168801  
the variance is sought. The director shall give not less than 168802  
twenty days' notice of the hearing to the applicant by certified 168803  
mail or another type of mail accompanied by a receipt and. The 168804  
director also shall cause at least one publication of notice in a 168805  
newspaper with general circulation in the county where the 168806  
variance is sought or may instead provide public notice by 168807  
publication on the environmental protection agency's web site. The 168808  
director shall keep available for public inspection at the 168809  
principal office of the environmental protection agency a current 168810  
schedule of pending applications for variances and a current 168811  
schedule of pending variance hearings. The director shall make a 168812  
complete stenographic record or electronic record of testimony and 168813  
other evidence submitted at the hearing. The director shall make a 168814  
written determination to issue, renew, or deny the variance and 168815  
shall enter the determination and the basis therefor into the 168816  
record of the hearing. The director shall issue, renew, or deny an 168817  
application for a variance or renewal thereof, or issue a proposed 168818  
action upon the application pursuant to section 3745.07 of the 168819  
Revised Code, within six months of the date upon which the 168820  
director receives a complete application with all pertinent 168821  
information and data required by the director. 168822

Any variance granted pursuant to rules adopted under this 168823  
division shall be for a period specified by the director, not to 168824  
exceed three years, and may be renewed from time to time on such 168825  
terms and for such periods, not to exceed three years each, as the 168826  
director determines to be appropriate. A variance may be revoked, 168827

or renewal denied, for failure to comply with conditions specified 168828  
in the variance. No variance shall be issued, denied, revoked, or 168829  
modified without a written order stating the findings upon which 168830  
the issuance, denial, revocation, or modification is based. A copy 168831  
of the order shall be sent to the applicant or variance holder by 168832  
certified mail. 168833

(I) Require the owner or operator of an air contaminant 168834  
source to install, employ, maintain, and operate such emissions, 168835  
ambient air quality, meteorological, or other monitoring devices 168836  
or methods as the director shall prescribe; to sample those 168837  
emissions at such locations, at such intervals, and in such manner 168838  
as the director prescribes; to maintain records and file periodic 168839  
reports with the director containing information as to location, 168840  
size, and height of emission outlets, rate, duration, and 168841  
composition of emissions, and any other pertinent information the 168842  
director prescribes; and to provide such written notice to other 168843  
states as the director shall prescribe. In requiring monitoring 168844  
devices, records, and reports, the director, to the extent 168845  
consistent with the federal Clean Air Act, shall give 168846  
consideration to technical feasibility and economic reasonableness 168847  
and allow reasonable time for compliance. For sources where a 168848  
specific monitoring, record-keeping, or reporting requirement is 168849  
specified for a particular air contaminant from a particular air 168850  
contaminant source in an applicable regulation adopted by the 168851  
United States environmental protection agency under the federal 168852  
Clean Air Act or in an applicable rule adopted by the director, 168853  
the director shall not impose an additional requirement in a 168854  
permit that is a different monitoring, record-keeping, or 168855  
reporting requirement other than the requirement specified in the 168856  
applicable regulation or rule for that air contaminant except as 168857  
otherwise agreed to by the owner or operator of the air 168858  
contaminant source and the director. If two or more regulations or 168859  
rules impose different monitoring, record-keeping, or reporting 168860

requirements for the same air contaminant from the same air 168861  
contaminant source, the director may impose permit terms and 168862  
conditions that consolidate or streamline the monitoring, 168863  
record-keeping, or reporting requirements in a manner that 168864  
conforms with each applicable requirement. To the extent 168865  
consistent with the federal Clean Air Act and except as otherwise 168866  
agreed to by the owner or operator of an air contaminant source 168867  
and the director, the director shall not require an operating 168868  
restriction that has the practical effect of increasing the 168869  
stringency of an existing applicable emission limitation or 168870  
standard. 168871

(J) Establish, operate, and maintain monitoring stations and 168872  
other devices designed to measure air pollution and enter into 168873  
contracts with any public or private agency for the establishment, 168874  
operation, or maintenance of such stations and devices; 168875

(K) By rule adopt procedures for giving reasonable public 168876  
notice and conducting public hearings on any plans for the 168877  
prevention, control, and abatement of air pollution that the 168878  
director is required to submit to the federal government; 168879

(L) Through any employee, agent, or authorized representative 168880  
of the director or the environmental protection agency, enter upon 168881  
private or public property, including improvements thereon, at any 168882  
reasonable time, to make inspections, take samples, conduct tests, 168883  
and examine records or reports pertaining to any emission of air 168884  
contaminants and any monitoring equipment or methods and to 168885  
determine if there are any actual or potential emissions from such 168886  
premises and, if so, to determine the sources, amounts, contents, 168887  
and extent of those emissions, or to ascertain whether there is 168888  
compliance with this chapter, any orders issued or rules adopted 168889  
thereunder, or any other determination of the director. The 168890  
director, at reasonable times, may have access to and copy any 168891  
such records. If entry or inspection authorized by this division 168892

is refused, hindered, or thwarted, the director or the director's 168893  
authorized representative may by affidavit apply for, and any 168894  
judge of a court of record may issue, an appropriate inspection 168895  
warrant necessary to achieve the purposes of this chapter within 168896  
the court's territorial jurisdiction. 168897

(M) Accept and administer gifts or grants from the federal 168898  
government and from any other source, public or private, for 168899  
carrying out any of the functions under this chapter; 168900

(N) Obtain necessary scientific, technical, and laboratory 168901  
services; 168902

(O) Establish advisory boards in accordance with section 168903  
121.13 of the Revised Code; 168904

(P) Delegate to any city or general health district or 168905  
political subdivision of the state any of the director's 168906  
enforcement and monitoring powers and duties, other than 168907  
rule-making powers, as the director elects to delegate, and in 168908  
addition employ, compensate, and prescribe the powers and duties 168909  
of such officers, employees, and consultants as are necessary to 168910  
enable the director to exercise the authority and perform duties 168911  
imposed upon the director by law. Technical and other services 168912  
shall be performed, insofar as practical, by personnel of the 168913  
environmental protection agency. 168914

(Q) Certify to the government of the United States or any 168915  
agency thereof that an industrial air pollution facility is in 168916  
conformity with the state program or requirements for control of 168917  
air pollution whenever such certificate is required for a taxpayer 168918  
pursuant to any federal law or requirements; 168919

(R) Issue, modify, or revoke orders requiring abatement of or 168920  
prohibiting emissions that violate applicable emission standards 168921  
or other requirements of this chapter and rules adopted 168922  
thereunder, or requiring emission control devices or measures in 168923

order to comply with applicable emission standards or other 168924  
requirements of this chapter and rules adopted thereunder. Any 168925  
such order shall require compliance with applicable emission 168926  
standards by a specified date and shall not conflict with any 168927  
requirement of the federal Clean Air Act. In the making of such 168928  
orders, the director, to the extent consistent with the federal 168929  
Clean Air Act, shall give consideration to, and base the 168930  
determination on, evidence relating to the technical feasibility 168931  
and economic reasonableness of compliance with such orders and 168932  
their relation to benefits to the people of the state to be 168933  
derived from such compliance. If, under the federal Clean Air Act, 168934  
any such order shall provide for the posting of a bond or surety 168935  
to secure compliance with the order as a condition of issuance of 168936  
the order, the order shall so provide, but only to the extent 168937  
required by the federal Clean Air Act. 168938

(S) To the extent provided by the federal Clean Air Act, 168939  
adopt, modify, and rescind rules providing for the administrative 168940  
assessment and collection of monetary penalties, not in excess of 168941  
those required pursuant to the federal Clean Air Act, for failure 168942  
to comply with any emission limitation or standard, compliance 168943  
schedule, or other requirement of any rule, order, permit, or 168944  
variance issued or adopted under this chapter or required under 168945  
the applicable implementation plan whether or not the source is 168946  
subject to a federal or state consent decree. The director may 168947  
require the submission of compliance schedules, calculations of 168948  
penalties for noncompliance, and related information. Any orders, 168949  
payments, sanctions, or other requirements imposed pursuant to 168950  
rules adopted under this division shall be in addition to any 168951  
other permits, orders, payments, sanctions, or other requirements 168952  
established under this chapter and shall not affect any civil or 168953  
criminal enforcement proceedings brought under any provision of 168954  
this chapter or any other provision of state or local law. This 168955  
division does not apply to any requirement of this chapter 168956

regarding the prevention or abatement of odors. 168957

(T) Require new or modified air contaminant sources to 168958  
install best available technology, but only in accordance with 168959  
this division. With respect to permits issued pursuant to division 168960  
(F) of this section beginning three years after August 3, 2006, 168961  
best available technology for air contaminant sources and air 168962  
contaminants emitted by those sources that are subject to 168963  
standards adopted under section 112, Part C of Title I, and Part D 168964  
of Title I of the federal Clean Air Act shall be equivalent to and 168965  
no more stringent than those standards. For an air contaminant or 168966  
precursor of an air contaminant for which a national ambient air 168967  
quality standard has been adopted under the federal Clean Air Act, 168968  
best available technology only shall be required to the extent 168969  
required by rules adopted under Chapter 119. of the Revised Code 168970  
for permit to install applications filed three or more years after 168971  
August 3, 2006. 168972

Best available technology requirements established in rules 168973  
adopted under this division shall be expressed only in one of the 168974  
following ways that is most appropriate for the applicable source 168975  
or source categories: 168976

(1) Work practices; 168977

(2) Source design characteristics or design efficiency of 168978  
applicable air contaminant control devices; 168979

(3) Raw material specifications or throughput limitations 168980  
averaged over a twelve-month rolling period; 168981

(4) Monthly allowable emissions averaged over a twelve-month 168982  
rolling period. 168983

Best available technology requirements shall not apply to an 168984  
air contaminant source that has the potential to emit, taking into 168985  
account air pollution controls installed on the source, less than 168986  
ten tons per year of emissions of an air contaminant or precursor 168987

of an air contaminant for which a national ambient air quality 168988  
standard has been adopted under the federal Clean Air Act. In 168989  
addition, best available technology requirements established in 168990  
rules adopted under this division shall not apply to any existing, 168991  
new, or modified air contaminant source that is subject to a 168992  
plant-wide applicability limit that has been approved by the 168993  
director. Further, best available technology requirements 168994  
established in rules adopted under this division shall not apply 168995  
to general permits issued prior to January 1, 2006, under rules 168996  
adopted under this chapter. 168997

For permits to install issued three or more years after 168998  
August 3, 2006, any new or modified air contaminant source that 168999  
has the potential to emit, taking into account air pollution 169000  
controls installed on the source, ten or more tons per year of 169001  
volatile organic compounds or nitrogen oxides shall meet, at a 169002  
minimum, the requirements of any applicable reasonably available 169003  
control technology rule in effect as of January 1, 2006, 169004  
regardless of the location of the source. 169005

(U) Consistent with section 507 of the federal Clean Air Act, 169006  
adopt, modify, suspend, and rescind rules for the establishment of 169007  
a small business stationary source technical and environmental 169008  
compliance assistance program as provided in section 3704.18 of 169009  
the Revised Code; 169010

(V) Provide for emissions trading, marketable permits, 169011  
auctions of emission rights, and economic incentives that would 169012  
reduce the cost or increase the efficiency of achieving a 169013  
specified level of environmental protection; 169014

(W) Provide for the construction of an air contaminant source 169015  
prior to obtaining a permit to install pursuant to division (F) of 169016  
this section if the applicant demonstrates that the source will be 169017  
installed to comply with all applicable emission limits and will 169018  
not adversely affect public health or safety or the environment 169019

and if the director determines that such an action will avoid an 169020  
unreasonable hardship on the owner or operator of the source. Any 169021  
such determination shall be consistent with the federal Clean Air 169022  
Act. 169023

(X) Exercise all incidental powers, including adoption of 169024  
rules, required to carry out this chapter. 169025

The environmental protection agency shall develop a plan to 169026  
control air pollution resulting from state-operated facilities and 169027  
property. 169028

**Sec. 3734.02.** (A) The director of environmental protection, 169029  
in accordance with Chapter 119. of the Revised Code, shall adopt 169030  
and may amend, suspend, or rescind rules having uniform 169031  
application throughout the state governing solid waste facilities 169032  
and the inspections of and issuance of permits and licenses for 169033  
all solid waste facilities in order to ensure that the facilities 169034  
will be located, maintained, and operated, and will undergo 169035  
closure and post-closure care, in a sanitary manner so as not to 169036  
create a nuisance, cause or contribute to water pollution, create 169037  
a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 169038  
257.3-8, as amended. The rules may include, without limitation, 169039  
financial assurance requirements for closure and post-closure care 169040  
and corrective action and requirements for taking corrective 169041  
action in the event of the surface or subsurface discharge or 169042  
migration of explosive gases or leachate from a solid waste 169043  
facility, or of ground water contamination resulting from the 169044  
transfer or disposal of solid wastes at a facility, beyond the 169045  
boundaries of any area within a facility that is operating or is 169046  
undergoing closure or post-closure care where solid wastes were 169047  
disposed of or are being disposed of. The rules shall not concern 169048  
or relate to personnel policies, salaries, wages, fringe benefits, 169049  
or other conditions of employment of employees of persons owning 169050

or operating solid waste facilities. The director, in accordance 169051  
with Chapter 119. of the Revised Code, shall adopt and may amend, 169052  
suspend, or rescind rules governing the issuance, modification, 169053  
revocation, suspension, or denial of variances from the director's 169054  
solid waste rules, including, without limitation, rules adopted 169055  
under this chapter governing the management of scrap tires. 169056

Variances shall be issued, modified, revoked, suspended, or 169057  
rescinded in accordance with this division, rules adopted under 169058  
it, and Chapter 3745. of the Revised Code. The director may order 169059  
the person to whom a variance is issued to take such action within 169060  
such time as the director may determine to be appropriate and 169061  
reasonable to prevent the creation of a nuisance or a hazard to 169062  
the public health or safety or the environment. Applications for 169063  
variances shall contain such detail plans, specifications, and 169064  
information regarding objectives, procedures, controls, and other 169065  
pertinent data as the director may require. The director shall 169066  
grant a variance only if the applicant demonstrates to the 169067  
director's satisfaction that construction and operation of the 169068  
solid waste facility in the manner allowed by the variance and any 169069  
terms or conditions imposed as part of the variance will not 169070  
create a nuisance or a hazard to the public health or safety or 169071  
the environment. In granting any variance, the director shall 169072  
state the specific provision or provisions whose terms are to be 169073  
varied and also shall state specific terms or conditions imposed 169074  
upon the applicant in place of the provision or provisions. 169075

The director may hold a public hearing on an application for 169076  
a variance or renewal of a variance at a location in the county 169077  
where the operations that are the subject of the application for 169078  
the variance are conducted. The director shall give not less than 169079  
twenty days' notice of the hearing to the applicant by certified 169080  
mail or by another type of mail accompanied by a receipt ~~and~~. The 169081  
director shall publish at least one notice of the hearing in a 169082

newspaper with general circulation in the county where the hearing 169083  
is to be held or may instead provide public notice by publication 169084  
on the environmental protection agency's web site. The director 169085  
shall make available for public inspection at the principal office 169086  
of the environmental protection agency a current list of pending 169087  
applications for variances and a current schedule of pending 169088  
variance hearings. The director shall make a complete stenographic 169089  
record or electronic record of testimony and other evidence 169090  
submitted at the hearing. 169091

Within ten days after the hearing, the director shall make a 169092  
written determination to issue, renew, or deny the variance and 169093  
shall enter the determination and the basis for it into the record 169094  
of the hearing. The director shall issue, renew, or deny an 169095  
application for a variance or renewal of a variance within six 169096  
months of the date upon which the director receives a complete 169097  
application with all pertinent information and data required. No 169098  
variance shall be issued, revoked, modified, or denied until the 169099  
director has considered the relative interests of the applicant, 169100  
other persons and property affected by the variance, and the 169101  
general public. Any variance granted under this division shall be 169102  
for a period specified by the director and may be renewed from 169103  
time to time on such terms and for such periods as the director 169104  
determines to be appropriate. No application shall be denied and 169105  
no variance shall be revoked or modified without a written order 169106  
stating the findings upon which the denial, revocation, or 169107  
modification is based. A copy of the order shall be sent to the 169108  
applicant or variance holder by certified mail or by another type 169109  
of mail accompanied by a receipt. 169110

(B) The director shall prescribe and furnish the forms 169111  
necessary to administer and enforce this chapter. The director may 169112  
cooperate with and enter into agreements with other state, local, 169113  
or federal agencies to carry out the purposes of this chapter. The 169114

director may exercise all incidental powers necessary to carry out 169115  
the purposes of this chapter. 169116

(C) Except as provided in this division and divisions (N)(2) 169117  
and (3) of this section, no person shall establish a new solid 169118  
waste facility or infectious waste treatment facility, or modify 169119  
an existing solid waste facility or infectious waste treatment 169120  
facility, without submitting an application for a permit with 169121  
accompanying detail plans, specifications, and information 169122  
regarding the facility and method of operation and receiving a 169123  
permit issued by the director, except that no permit shall be 169124  
required under this division to install or operate a solid waste 169125  
facility for sewage sludge treatment or disposal when the 169126  
treatment or disposal is authorized by a current permit issued 169127  
under Chapter 3704. or 6111. of the Revised Code. 169128

No person shall continue to operate a solid waste facility 169129  
for which the director has disapproved plans and specifications 169130  
required to be filed by an order issued under division (A)(3) of 169131  
section 3734.05 of the Revised Code, after the date prescribed for 169132  
commencement of closure of the facility in the order issued under 169133  
division (A)(4) of that section denying the permit application or 169134  
approval. 169135

On and after the effective date of the rules adopted under 169136  
division (A) of this section and division (D) of section 3734.12 169137  
of the Revised Code governing solid waste transfer facilities, no 169138  
person shall establish a new, or modify an existing, solid waste 169139  
transfer facility without first submitting an application for a 169140  
permit with accompanying engineering detail plans, specifications, 169141  
and information regarding the facility and its method of operation 169142  
to the director and receiving a permit issued by the director. 169143

No person shall establish a new compost facility or continue 169144  
to operate an existing compost facility that accepts exclusively 169145  
source separated yard wastes without submitting a completed 169146

registration for the facility to the director in accordance with 169147  
rules adopted under divisions (A) and (N)(3) of this section. 169148

This division does not apply to a generator of infectious 169149  
wastes that does any of the following: 169150

(1) Treats, by methods, techniques, and practices established 169151  
by rules adopted under division (B)(2)(a) of section 3734.021 of 169152  
the Revised Code, any of the following: 169153

(a) Infectious wastes that are generated on any premises that 169154  
are owned or operated by the generator; 169155

(b) Infectious wastes that are generated by a generator who 169156  
has staff privileges at a hospital as defined in section 3727.01 169157  
of the Revised Code; 169158

(c) Infectious wastes that are generated in providing care to 169159  
a patient by an emergency medical services organization as defined 169160  
in section 4765.01 of the Revised Code. 169161

(2) Holds a license or renewal of a license to operate a 169162  
crematory facility issued under Chapter 4717. and a permit issued 169163  
under Chapter 3704. of the Revised Code; 169164

(3) Treats or disposes of dead animals or parts thereof, or 169165  
the blood of animals, and is subject to any of the following: 169166

(a) Inspection under the "Federal Meat Inspection Act," 81 169167  
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 169168

(b) Chapter 918. of the Revised Code; 169169

(c) Chapter 953. of the Revised Code. 169170

(D) Neither this chapter nor any rules adopted under it apply 169171  
to single-family residential premises; to infectious wastes 169172  
generated by individuals for purposes of their own care or 169173  
treatment; to the temporary storage of solid wastes, other than 169174  
scrap tires, prior to their collection for disposal; to the 169175  
storage of one hundred or fewer scrap tires unless they are stored 169176

in such a manner that, in the judgment of the director or the board of health of the health district in which the scrap tires are stored, the storage causes a nuisance, a hazard to public health or safety, or a fire hazard; or to the collection of solid wastes, other than scrap tires, by a political subdivision or a person holding a franchise or license from a political subdivision of the state; to composting, as defined in section 1511.01 of the Revised Code, conducted in accordance with section 1511.022 of the Revised Code; or to any person who is licensed to transport raw rendering material to a compost facility pursuant to section 953.23 of the Revised Code.

(E)(1) As used in this division:

(a) "On-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated on the premises of the facility.

(b) "Off-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated off the premises of the facility and includes such a facility that is also an on-site facility.

(c) "Satellite facility" means any of the following:

(i) An on-site facility that also receives hazardous waste from other premises owned by the same person who generates the waste on the facility premises;

(ii) An off-site facility operated so that all of the hazardous waste it receives is generated on one or more premises owned by the person who owns the facility;

(iii) An on-site facility that also receives hazardous waste that is transported uninterruptedly and directly to the facility through a pipeline from a generator who is not the owner of the facility.

(2) Except as provided in division (E)(3) of this section, no person shall establish or operate a hazardous waste facility, or use a solid waste facility for the storage, treatment, or disposal of any hazardous waste, without a hazardous waste facility installation and operation permit issued in accordance with section 3734.05 of the Revised Code and subject to the payment of an application fee not to exceed one thousand five hundred dollars, payable upon application for a hazardous waste facility installation and operation permit and upon application for a renewal permit issued under division (H) of section 3734.05 of the Revised Code, to be credited to the hazardous waste facility management fund created in section 3734.18 of the Revised Code. The term of a hazardous waste facility installation and operation permit shall not exceed ten years.

In addition to the application fee, there is hereby levied an annual permit fee to be paid by the permit holder upon the anniversaries of the date of issuance of the hazardous waste facility installation and operation permit and of any subsequent renewal permits and to be credited to the hazardous waste facility management fund. Annual permit fees totaling forty thousand dollars or more for any one facility may be paid on a quarterly basis with the first quarterly payment each year being due on the anniversary of the date of issuance of the hazardous waste facility installation and operation permit and of any subsequent renewal permits. The annual permit fee shall be determined for each permit holder by the director in accordance with the following schedule:

A hazardous waste disposal facility that disposes of 169264  
hazardous waste by deep well injection and that pays the annual 169265  
permit fee established in section 6111.046 of the Revised Code is 169266  
not subject to the permit fee established in this division for 169267  
disposal facilities using deep well injection unless the director 169268  
determines that the facility is not in compliance with applicable 169269  
requirements established under this chapter and rules adopted 169270  
under it. 169271

In determining the annual permit fee required by this section, the director shall not require additional payments for multiple units of the same method of storage, treatment, or disposal or for individual units that are used for both storage and treatment. A facility using more than one method of storage, treatment, or disposal shall pay the permit fee indicated by the schedule for each such method.

The director shall not require the payment of that portion of an annual permit fee of any permit holder that would apply to a hazardous waste management unit for which a permit has been issued, but for which construction has not yet commenced. Once construction has commenced, the director shall require the payment of a part of the appropriate fee indicated by the schedule that bears the same relationship to the total fee that the number of days remaining until the next anniversary date at which payment of the annual permit fee is due bears to three hundred sixty-five.

The director, by rules adopted in accordance with Chapters 119. and 3745. of the Revised Code, shall prescribe procedures for collecting the annual permit fee established by this division and may prescribe other requirements necessary to carry out this division.

(3) The prohibition against establishing or operating a hazardous waste facility without a hazardous waste facility installation and operation permit does not apply to either of the following:

(a) A facility that is operating in accordance with a permit renewal issued under division (H) of section 3734.05 of the Revised Code, a revision issued under division (I) of that section as it existed prior to August 20, 1996, or a modification issued by the director under division (I) of that section on and after August 20, 1996;

(b) Except as provided in division (J) of section 3734.05 of the Revised Code, a facility that will operate or is operating in accordance with a permit by rule, or that is not subject to permit requirements, under rules adopted by the director. In accordance with Chapter 119. of the Revised Code, the director shall adopt, and subsequently may amend, suspend, or rescind, rules for the purposes of division (E)(3)(b) of this section. Any rules so adopted shall be consistent with and equivalent to regulations pertaining to interim status adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise provided in this chapter.

If a modification is requested or proposed for a facility described in division (E)(3)(a) or (b) of this section, division (I)(7) of section 3734.05 of the Revised Code applies.

(F) No person shall store, treat, or dispose of hazardous waste identified or listed under this chapter and rules adopted under it, regardless of whether generated on or off the premises where the waste is stored, treated, or disposed of, or transport or cause to be transported any hazardous waste identified or listed under this chapter and rules adopted under it to any other premises, except at or to any of the following:

(1) A hazardous waste facility operating under a permit issued in accordance with this chapter;

(2) A facility in another state operating under a license or permit issued in accordance with the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended;

(3) A facility in another nation operating in accordance with the laws of that nation;

(4) A facility holding a permit issued pursuant to Title I of the "Marine Protection, Research, and Sanctuaries Act of 1972," 86

Stat. 1052, 33 U.S.C.A. 1401, as amended; 169334

(5) A hazardous waste facility as described in division 169335  
(E)(3)(a) or (b) of this section. 169336

(G) The director, by order, may exempt any person generating, 169337  
collecting, storing, treating, disposing of, or transporting solid 169338  
wastes, infectious wastes, or hazardous waste, or processing solid 169339  
wastes that consist of scrap tires, in such quantities or under 169340  
such circumstances that, in the determination of the director, are 169341  
unlikely to adversely affect the public health or safety or the 169342  
environment from any requirement to obtain a registration 169343  
certificate, permit, or license or comply with the manifest system 169344  
or other requirements of this chapter. Such an exemption shall be 169345  
consistent with and equivalent to any regulations adopted by the 169346  
administrator of the United States environmental protection agency 169347  
under the "Resource Conservation and Recovery Act of 1976," 90 169348  
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 169349  
provided in this chapter. 169350

(H) No person shall engage in filling, grading, excavating, 169351  
building, drilling, or mining on land where a hazardous waste 169352  
facility, or a solid waste facility, was operated without prior 169353  
authorization from the director, who shall establish the procedure 169354  
for granting such authorization by rules adopted in accordance 169355  
with Chapter 119. of the Revised Code. 169356

A public utility that has main or distribution lines above or 169357  
below the land surface located on an easement or right-of-way 169358  
across land where a solid waste facility was operated may engage 169359  
in any such activity within the easement or right-of-way without 169360  
prior authorization from the director for purposes of performing 169361  
emergency repair or emergency replacement of its lines; of the 169362  
poles, towers, foundations, or other structures supporting or 169363  
sustaining any such lines; or of the appurtenances to those 169364  
structures, necessary to restore or maintain existing public 169365

utility service. A public utility may enter upon any such easement 169366  
or right-of-way without prior authorization from the director for 169367  
purposes of performing necessary or routine maintenance of those 169368  
portions of its existing lines; of the existing poles, towers, 169369  
foundations, or other structures sustaining or supporting its 169370  
lines; or of the appurtenances to any such supporting or 169371  
sustaining structure, located on or above the land surface on any 169372  
such easement or right-of-way. Within twenty-four hours after 169373  
commencing any such emergency repair, replacement, or maintenance 169374  
work, the public utility shall notify the director or the 169375  
director's authorized representative of those activities and shall 169376  
provide such information regarding those activities as the 169377  
director or the director's representative may request. Upon 169378  
completion of the emergency repair, replacement, or maintenance 169379  
activities, the public utility shall restore any land of the solid 169380  
waste facility disturbed by those activities to the condition 169381  
existing prior to the commencement of those activities. 169382

(I) No owner or operator of a hazardous waste facility, in 169383  
the operation of the facility, shall cause, permit, or allow the 169384  
emission therefrom of any particulate matter, dust, fumes, gas, 169385  
mist, smoke, vapor, or odorous substance that, in the opinion of 169386  
the director, unreasonably interferes with the comfortable 169387  
enjoyment of life or property by persons living or working in the 169388  
vicinity of the facility, or that is injurious to public health. 169389  
Any such action is hereby declared to be a public nuisance. 169390

(J) Notwithstanding any other provision of this chapter, in 169391  
the event the director finds an imminent and substantial danger to 169392  
public health or safety or the environment that creates an 169393  
emergency situation requiring the immediate treatment, storage, or 169394  
disposal of hazardous waste, the director may issue a temporary 169395  
emergency permit to allow the treatment, storage, or disposal of 169396  
the hazardous waste at a facility that is not otherwise authorized 169397

by a hazardous waste facility installation and operation permit to 169398  
treat, store, or dispose of the waste. The emergency permit shall 169399  
not exceed ninety days in duration and shall not be renewed. The 169400  
director shall adopt, and may amend, suspend, or rescind, rules in 169401  
accordance with Chapter 119. of the Revised Code governing the 169402  
issuance, modification, revocation, and denial of emergency 169403  
permits. 169404

(K) Except for infectious wastes generated by a person who 169405  
produces fewer than fifty pounds of infectious wastes at a 169406  
premises during any one month, no owner or operator of a sanitary 169407  
landfill shall knowingly accept for disposal, or dispose of, any 169408  
infectious wastes that have not been treated to render them 169409  
noninfectious. 169410

(L) The director, in accordance with Chapter 119. of the 169411  
Revised Code, shall adopt, and may amend, suspend, or rescind, 169412  
rules having uniform application throughout the state establishing 169413  
a training and certification program that shall be required for 169414  
employees of boards of health who are responsible for enforcing 169415  
the solid waste and infectious waste provisions of this chapter 169416  
and rules adopted under them and for persons who are responsible 169417  
for the operation of solid waste facilities or infectious waste 169418  
treatment facilities. The rules shall provide all of the 169419  
following, without limitation: 169420

(1) The program shall be administered by the director and 169421  
shall consist of a course on new solid waste and infectious waste 169422  
technologies, enforcement procedures, and rules; 169423

(2) The course shall be offered on an annual basis; 169424

(3) Those persons who are required to take the course under 169425  
division (L) of this section shall do so triennially; 169426

(4) Persons who successfully complete the course shall be 169427  
certified by the director; 169428

(5) Certification shall be required for all employees of boards of health who are responsible for enforcing the solid waste or infectious waste provisions of this chapter and rules adopted under them and for all persons who are responsible for the operation of solid waste facilities or infectious waste treatment facilities;

(6)(a) All employees of a board of health who, on the effective date of the rules adopted under this division, are responsible for enforcing the solid waste or infectious waste provisions of this chapter and the rules adopted under them shall complete the course and be certified by the director not later than January 1, 1995;

(b) All employees of a board of health who, after the effective date of the rules adopted under division (L) of this section, become responsible for enforcing the solid waste or infectious waste provisions of this chapter and rules adopted under them and who do not hold a current and valid certification from the director at that time shall complete the course and be certified by the director within two years after becoming responsible for performing those activities.

No person shall fail to obtain the certification required under this division.

(M) The director shall not issue a permit under section 3734.05 of the Revised Code to establish a solid waste facility, or to modify a solid waste facility operating on December 21, 1988, in a manner that expands the disposal capacity or geographic area covered by the facility, that is or is to be located within the boundaries of a state park established or dedicated under Chapter 1546. of the Revised Code, a state park purchase area established under section 1546.06 of the Revised Code, any unit of the national park system, or any property that lies within the boundaries of a national park or recreation area, but that has not

been acquired or is not administered by the secretary of the 169461  
United States department of the interior, located in this state, 169462  
or any candidate area located in this state and identified for 169463  
potential inclusion in the national park system in the edition of 169464  
the "national park system plan" submitted under paragraph (b) of 169465  
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 169466  
U.S.C.A. 1a-5, as amended, current at the time of filing of the 169467  
application for the permit, unless the facility or proposed 169468  
facility is or is to be used exclusively for the disposal of solid 169469  
wastes generated within the park or recreation area and the 169470  
director determines that the facility or proposed facility will 169471  
not degrade any of the natural or cultural resources of the park 169472  
or recreation area. The director shall not issue a variance under 169473  
division (A) of this section and rules adopted under it, or issue 169474  
an exemption order under division (G) of this section, that would 169475  
authorize any such establishment or expansion of a solid waste 169476  
facility within the boundaries of any such park or recreation 169477  
area, state park purchase area, or candidate area, other than a 169478  
solid waste facility exclusively for the disposal of solid wastes 169479  
generated within the park or recreation area when the director 169480  
determines that the facility will not degrade any of the natural 169481  
or cultural resources of the park or recreation area. 169482

(N)(1) The rules adopted under division (A) of this section, 169483  
other than those governing variances, do not apply to scrap tire 169484  
collection, storage, monocell, monofill, and recovery facilities. 169485  
Those facilities are subject to and governed by rules adopted 169486  
under sections 3734.70 to 3734.73 of the Revised Code, as 169487  
applicable. 169488

(2) Division (C) of this section does not apply to scrap tire 169489  
collection, storage, monocell, monofill, and recovery facilities. 169490  
The establishment and modification of those facilities are subject 169491  
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 169492

Code, as applicable. 169493

(3) The director may adopt, amend, suspend, or rescind rules 169494  
under division (A) of this section creating an alternative system 169495  
for authorizing the establishment, operation, or modification of a 169496  
solid waste compost facility in lieu of the requirement that a 169497  
person seeking to establish, operate, or modify a solid waste 169498  
compost facility apply for and receive a permit under division (C) 169499  
of this section and section 3734.05 of the Revised Code and a 169500  
license under division (A)(1) of that section. The rules may 169501  
include requirements governing, without limitation, the 169502  
classification of solid waste compost facilities, the submittal of 169503  
operating records for solid waste compost facilities, and the 169504  
creation of a registration or notification system in lieu of the 169505  
issuance of permits and licenses for solid waste compost 169506  
facilities. The rules shall specify the applicability of divisions 169507  
(A)(1) and (2)(a) of section 3734.05 of the Revised Code to a 169508  
solid waste compost facility. 169509

(O)(1) As used in this division, "secondary aluminum waste" 169510  
means waste material or byproducts, when disposed of, containing 169511  
aluminum generated from secondary aluminum smelting operations and 169512  
consisting of dross, salt cake, baghouse dust associated with 169513  
aluminum recycling furnace operations, or dry-milled wastes. 169514

(2) The owner or operator of a sanitary landfill shall not 169515  
dispose of municipal solid waste that has been commingled with 169516  
secondary aluminum waste. 169517

(3) The owner or operator of a sanitary landfill may dispose 169518  
of secondary aluminum waste, but only in a monocell or monofill 169519  
that has been permitted for that purpose in accordance with this 169520  
chapter and rules adopted under it. 169521

(P)(1) As used in divisions (P) and (Q) of this section: 169522

(a) "Natural background" means two picocuries per gram or the 169523

actual number of picocuries per gram as measured at an individual 169524  
solid waste facility, subject to verification by the director of 169525  
health. 169526

(b) "Drilling operation" includes a production operation as 169527  
defined in section 1509.01 of the Revised Code. 169528

(2) The owner or operator of a solid waste facility shall not 169529  
accept for transfer or disposal technologically enhanced naturally 169530  
occurring radioactive material if that material contains or is 169531  
contaminated with radium-226, radium-228, or any combination of 169532  
radium-226 and radium-228 at concentrations equal to or greater 169533  
than five picocuries per gram above natural background. 169534

(3) The owner or operator of a solid waste facility may 169535  
receive and process for purposes other than transfer or disposal 169536  
technologically enhanced naturally occurring radioactive material 169537  
that contains or is contaminated with radium-226, radium-228, or 169538  
any combination of radium-226 and radium-228 at concentrations 169539  
equal to or greater than five picocuries per gram above natural 169540  
background, provided that the owner or operator has obtained and 169541  
maintains all other necessary authorizations, including any 169542  
authorization required by rules adopted by the director of health 169543  
under section 3748.04 of the Revised Code. 169544

(4) The director of environmental protection may adopt rules 169545  
in accordance with Chapter 119. of the Revised Code governing the 169546  
receipt, acceptance, processing, handling, management, and 169547  
disposal by solid waste facilities of material that contains or is 169548  
contaminated with radioactive material, including, without 169549  
limitation, technologically enhanced naturally occurring 169550  
radioactive material that contains or is contaminated with 169551  
radium-226, radium-228, or any combination of radium-226 and 169552  
radium-228 at concentrations less than five picocuries per gram 169553  
above natural background. Rules adopted by the director may 169554  
include at a minimum both of the following: 169555

(a) Requirements in accordance with which the owner or operator of a solid waste facility must monitor leachate and ground water for radium-226, radium-228, and other radionuclides;

(b) Requirements in accordance with which the owner or operator of a solid waste facility must develop procedures to ensure that technologically enhanced naturally occurring radioactive material accepted at the facility neither contains nor is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background.

(Q) Notwithstanding any other provision of this section, the owner or operator of a solid waste facility shall not receive, accept, process, handle, manage, or dispose of technologically enhanced naturally occurring radioactive material associated with drilling operations without first obtaining representative analytical results to determine compliance with divisions (P)(2) and (3) of this section and rules adopted under it.

**Sec. 3734.021.** (A) Infectious wastes shall be segregated, managed, treated, and disposed of in accordance with rules adopted under this section.

(B) The director of environmental protection, in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary or appropriate to protect human health or safety or the environment that do both of the following:

(1) Establish standards for generators of infectious wastes that include, without limitation, the following requirements and authorizations that:

(a) All generators of infectious wastes:

(i) Either treat all specimen cultures and cultures of viable infectious agents on the premises where they are generated to

render them noninfectious by methods, techniques, or practices 169586  
prescribed by rules adopted under division (B)(2)(a) of this 169587  
section before they are transported off that premises for disposal 169588  
or ensure that such wastes are treated to render them 169589  
noninfectious at an infectious waste treatment facility off that 169590  
premises prior to disposal of the wastes; 169591

(ii) Transport and dispose of infectious wastes, if a 169592  
generator produces fewer than fifty pounds of infectious wastes 169593  
during any one month that are subject to and packaged and labeled 169594  
in accordance with federal requirements, in the same manner as 169595  
solid wastes. Such generators who treat specimen cultures and 169596  
cultures of viable infectious agents on the premises where they 169597  
are generated shall not be considered treatment facilities as 169598  
"treatment" and "facility" are defined in section 3734.01 of the 169599  
Revised Code. 169600

(iii) Dispose of infectious wastes subject to and treated in 169601  
accordance with rules adopted under division (B)(1)(a)(i) of this 169602  
section in the same manner as solid wastes; 169603

(iv) May take wastes generated in providing care to a patient 169604  
by an emergency medical services organization, as defined in 169605  
section 4765.01 of the Revised Code, to and leave them at a 169606  
hospital, as defined in section 3727.01 of the Revised Code, for 169607  
treatment at a treatment facility owned or operated by the 169608  
hospital or, in conjunction with infectious wastes generated by 169609  
the hospital, at another treatment facility regardless of whether 169610  
the wastes were generated in providing care to the patient at the 169611  
scene of an emergency or during the transportation of the patient 169612  
to a hospital; 169613

(v) May take wastes generated by an individual for purposes 169614  
of the individual's own care or treatment to and leave them at a 169615  
hospital, as defined in section 3727.01 of the Revised Code, for 169616  
treatment at a treatment facility owned or operated by the 169617

hospital or, in conjunction with infectious wastes generated by 169618  
the hospital, at another treatment facility. 169619

(b) Each generator of fifty pounds or more of infectious 169620  
wastes during any one month: 169621

(i) Register with the environmental protection agency as a 169622  
generator of infectious wastes and obtain a registration 169623  
certificate. The fee for issuance of a generator registration 169624  
certificate is one hundred forty dollars payable at the time of 169625  
application. The registration certificate applies to all the 169626  
premises owned or operated by the generator in this state where 169627  
infectious wastes are generated and shall list the address of each 169628  
such premises. If a generator owns or operates facilities for the 169629  
treatment of infectious wastes it generates, the certificate shall 169630  
list the address and method of treatment used at each such 169631  
facility. 169632

A generator registration certificate is valid for three years 169633  
from the date of issuance and shall be renewed for a term of three 169634  
years upon the generator's submission of an application for 169635  
renewal and payment of a one hundred forty dollar renewal fee. 169636

The rules may establish a system of staggered renewal dates 169637  
with approximately one-third of such certificates subject to 169638  
renewal each year. The applicable renewal date shall be prescribed 169639  
on each registration certificate. Registration fees shall be 169640  
prorated according to the time remaining in the registration cycle 169641  
to the nearest year. 169642

The registration and renewal fees collected under division 169643  
(B)(1)(b)(i) of this section shall be deposited in the state 169644  
treasury to the credit of the waste management fund created in 169645  
section 3734.061 of the Revised Code. 169646

(ii) Segregate infectious wastes from other wastes at the 169647  
point of generation. Nothing in this section and rules adopted 169648

under it prohibits a generator of infectious wastes from 169649  
designating and managing any wastes, in addition to those defined 169650  
as infectious wastes under section 3734.01 of the Revised Code, as 169651  
infectious wastes. After designating any such other wastes as 169652  
infectious, the generator shall manage those wastes in compliance 169653  
with the requirements of this chapter and rules adopted under it 169654  
applicable to the management of infectious wastes. 169655

(iii) Either treat the infectious wastes that it generates at 169656  
a facility owned or operated by the generator by methods, 169657  
techniques, or practices prescribed by rules adopted under 169658  
division (B)(2)(a) of this section to render them noninfectious, 169659  
or designate the wastes for treatment off that premises at an 169660  
infectious waste treatment facility holding a license issued under 169661  
division (B) of section 3734.05 of the Revised Code, at an 169662  
infectious waste treatment facility that is located in another 169663  
state that is in compliance with applicable state and federal 169664  
laws, or at a treatment facility authorized by rules adopted under 169665  
division (B)(2)(d) of this section, prior to disposal of the 169666  
wastes. After being treated to render them noninfectious, the 169667  
wastes shall be disposed of at a solid waste disposal facility 169668  
holding a license issued under division (A) of section 3734.05 of 169669  
the Revised Code or at a disposal facility in another state that 169670  
is in compliance with applicable state and federal laws. 169671

(iv) Not compact or grind any type of infectious wastes prior 169672  
to treatment in accordance with rules adopted under division 169673  
(B)(2)(a) of this section; 169674

(v) May discharge untreated liquid or semiliquid infectious 169675  
wastes consisting of blood, blood products, body fluids, and 169676  
excreta into a disposal system, as defined in section 6111.01 of 169677  
the Revised Code, unless the discharge of those wastes into a 169678  
disposal system is inconsistent with the terms and conditions of 169679  
the permit for the system issued under Chapter 6111. of the 169680

Revised Code; 169681

(vi) May transport or cause to be transported infectious 169682  
wastes that have been treated to render them noninfectious in the 169683  
same manner as solid wastes are transported. 169684

(2) Establish standards for owners and operators of 169685  
infectious waste treatment facilities that include, without 169686  
limitation, the following requirements and authorizations that: 169687

(a) Require treatment of all wastes received to be performed 169688  
in accordance with methods, techniques, and practices approved by 169689  
the director; 169690

(b) Govern the location, design, construction, and operation 169691  
of infectious waste treatment facilities. The rules adopted under 169692  
division (B)(2)(b) of this section shall require that a new 169693  
infectious waste incineration facility be located so that the 169694  
incinerator unit and all areas where infectious wastes are handled 169695  
on the premises where the facility is proposed to be located are 169696  
at least three hundred feet inside the property line of the tract 169697  
of land on which the facility is proposed to be located and are at 169698  
least one thousand feet from any domicile, school, prison, or jail 169699  
that is in existence on the date on which the application for the 169700  
permit to establish the incinerator is submitted under division 169701  
(B)(2)(b) of section 3734.05 of the Revised Code. 169702

(c) Establish quality control and testing procedures to 169703  
ensure compliance with the rules adopted under division (B)(2)(b) 169704  
of this section; 169705

(d) Authorize infectious wastes to be treated at a facility 169706  
that holds a license or renewal of a license to operate a 169707  
crematory facility issued under Chapter 4717., and a permit issued 169708  
under Chapter 3704., of the Revised Code to the extent that the 169709  
treatment of those wastes is consistent with that permit and its 169710  
terms and conditions. The rules adopted under divisions (B)(2)(b) 169711

and (c) of this section do not apply to a facility holding such a license and permit.

In adopting the rules required by divisions (B)(2)(a) to (d) of this section, the director shall consider and, to the maximum feasible extent, utilize existing standards and guidelines established by professional and governmental organizations having expertise in the fields of infection control and infectious wastes management.

(e) Require shipping papers to accompany shipments of wastes that have been treated to render them noninfectious. The shipping papers shall include only the following elements:

(i) The name of the owner or operator of the facility where the wastes were treated and the address of the treatment facility;

(ii) A certification by the owner or operator of the treatment facility where the wastes were treated indicating that the wastes have been treated by the methods, techniques, and practices prescribed in rules adopted under division (B)(2)(a) of this section.

(C) This section and rules adopted under it do not apply to the treatment or disposal of wastes consisting of dead animals or parts thereof, or the blood of animals:

(1) By the owner of the animal after slaughter by the owner on the owner's premises to obtain meat for consumption by the owner and the members of the owner's household;

(2) In accordance with Chapter 941. of the Revised Code; or

produces infectious wastes at a specific premises. 169744

(E) Rules adopted under this section shall not concern or 169745  
relate to personnel policies, salaries, wages, fringe benefits, or 169746  
other conditions of employment of employees of persons owning or 169747  
operating infectious waste treatment facilities. 169748

(F)(1) The director, in accordance with Chapter 119. of the 169749  
Revised Code, shall adopt rules governing the issuance, 169750  
modification, revocation, suspension, and denial of variances from 169751  
the rules adopted under division (B) of this section. Variances 169752  
shall be issued, modified, revoked, suspended, or denied in 169753  
accordance with division (F) of this section, rules adopted under 169754  
it, and Chapter 3745. of the Revised Code. 169755

(2) A person who desires to obtain a variance or renew a 169756  
variance from the rules adopted under division (B) of this section 169757  
shall submit to the director an application as prescribed by the 169758  
director. The application shall contain detail plans, 169759  
specifications, and information regarding objectives, procedures, 169760  
controls, and any other information that the director may require. 169761  
The director shall issue, renew, or deny a variance or renewal of 169762  
a variance within six months of the date on which the director 169763  
receives a complete application with all required information and 169764  
data. 169765

(3) The director may hold a public hearing on an application 169766  
submitted under division (F) of this section for a variance at a 169767  
location in the county in which the operations that are the 169768  
subject of the application for a variance or renewal of variance 169769  
are conducted. Not less than twenty days before the hearing, the 169770  
director shall provide to the applicant notice of the hearing by 169771  
certified mail or by another type of mail that is accompanied by a 169772

in a newspaper of general circulation in the county in which the 169774  
hearing is to be held or may instead provide public notice by 169775  
publication on the environmental protection agency's web site. The 169776  
director shall make a complete stenographic record or electronic 169777  
record of testimony and other evidence submitted at the hearing. 169778  
Not later than ten days after the hearing, the director shall make 169779  
a written determination to issue, renew, or deny the variance and 169780  
shall enter the determination and the basis for it into the record 169781  
of the hearing. 169782

(4) A variance shall not be issued, modified, revoked, or 169783  
denied under division (F) of this section until the director has 169784  
considered the relative interests of the applicant, other persons 169785  
and property that will be affected by the variance, and the 169786  
general public. The director shall grant a variance only if the 169787  
applicant demonstrates to the director's satisfaction that the 169788  
requested action will not create a nuisance or a hazard to the 169789  
health or safety of the public or to the environment. In granting 169790  
a variance, the director shall state the specific provision or 169791  
provisions whose terms are to be varied and also shall state 169792  
specific terms or conditions imposed on the applicant in place of 169793  
the provision or provisions. 169794

(5) A variance granted under division (F) of this section 169795  
shall be for a period specified by the director and may be renewed 169796  
from time to time on terms and for periods that the director 169797  
determines to be appropriate. The director may order the person to 169798  
whom a variance has been issued to take action within the time 169799  
that the director determines to be appropriate and reasonable to 169800

safety of the public or to the environment. 169802

(6) An application submitted under division (F) of this 169803  
section shall not be denied and a variance shall not be revoked or 169804

modified under that division without a written order of the 169805  
director stating the findings on which the denial, revocation, or 169806  
modification is based. A copy of the order shall be sent to the 169807  
applicant or holder of a variance by certified mail or by another 169808  
type of mail that is accompanied by a receipt. 169809

(7) The director shall make available for public inspection 169810  
at the principal office of the environmental protection agency a 169811  
current list of pending applications for variances submitted under 169812  
division (F) of this section and a current schedule of pending 169813  
variance hearings under it. 169814

**Sec. 3734.575.** (A) The board of county commissioners of a 169815  
county solid waste management district and the board of directors 169816

capable of documenting the intended recipient's receipt of the 169865

document or notice. 169866

**Sec. 3746.09.** (A) A person who proposes to enter into or who 169867  
is participating in the voluntary action program under this 169868  
chapter and rules adopted under it, in accordance with this 169869  
section and rules adopted under division (B)(10) of section 169870  
3746.04 of the Revised Code, may apply to the director of 169871  
environmental protection for a variance from applicable standards 169872  
otherwise established in this chapter and rules adopted under it. 169873  
The application for a variance shall be prepared by a certified 169874  
professional. The director shall issue a variance from those 169875  
applicable standards only if the application makes all of the 169876  
following demonstrations to the director's satisfaction: 169877

(1) Either or both of the following: 169878

(a) It is technically infeasible to comply with the 169879  
applicable standards otherwise established at the property named 169880  
in the application; 169881

(b) The costs of complying with the applicable standards 169882  
otherwise established at the property substantially exceed the 169883  
economic benefits. 169884

(2) The proposed alternative standard or set of standards and 169885  
terms and conditions set forth in the application will result in 169886  
an improvement of environmental conditions at the property and 169887  
ensure that public health and safety will be protected. 169888

(3) The establishment of and compliance with the alternative 169889  
standard or set of standards and terms and conditions are 169890  
necessary to promote, protect, preserve, or enhance employment 169891  
opportunities or the reuse of the property named in the 169892  
application. 169893

A variance issued under this section shall state the specific 169894  
standard or standards whose terms are being varied and shall set 169895

forth the specific alternative standard or set of standards and 169896  
the terms and conditions imposed on the applicant in their place. 169897

and terms and conditions proposed by the applicant in the 169899  
application, except that the director may impose any additional or 169900  
alternative terms and conditions that the director determines to 169901  
be necessary to ensure that public health and safety will be 169902  
protected. If the director finds that compliance with any standard 169903  
or term or condition proposed by the applicant will not protect 169904  
public health and safety and that the imposition of additional or 169905  
alternative terms and conditions will not ensure that public 169906  
health or safety will be protected, the director shall disapprove 169907  
the application and shall include in the order of denial the 169908  
specific findings on which the denial was based. 169909

(B) Variances shall be issued or denied in accordance with 169910  
this section, rules adopted under division (B)(10) of section 169911  
3746.04 of the Revised Code, and Chapter 3745. of the Revised 169912

complete, the director shall schedule a public meeting on the 169914  
application to be held within ninety days after the director 169915  
determines that the application is complete in the county in which 169916  
is located the property to which the application pertains. 169917

(C) Not less than thirty days before the date scheduled for 169918  
the public meeting on an application for a variance, the director 169919  
shall publish notice of the public meeting and that the director 169920  
will receive written comments on the application for a period of 169921

circulation in the county in which the property is located and, if 169931  
the property is located in close proximity to the boundary of the 169932  
county with an adjacent county, as determined by the director, 169933  
shall be published in a newspaper of general circulation in the 169934  
adjacent county. Concurrently with the publication of the notice 169935  
of the public meeting, the director shall mail notice of the 169936  
application, comment period, and public meeting to the owner of 169937

authorities shall contain the same information as the published 169942  
notice. 169943

(D) At the public meeting on an application for a variance, 169944  
the applicant, or a representative of the applicant who is 169945  
knowledgeable about the affected property and the application, 169946  
shall present information regarding the application and the basis 169947  
of the request for the variance and shall respond to questions 169948  
from the public regarding the affected property and the 169949  
application. A representative of the environmental protection 169950  
agency who is familiar with the affected property and the 169951  
application shall attend the public meeting to hear the public's 169952  
comments and to respond to questions from the public regarding the 169953

electronic record of the proceedings at the public meeting shall 169955  
be kept and shall be made a part of the administrative record 169956  
regarding the application. 169957

an application for a variance under division (D) of this section, 169959

the director shall issue a proposed action to the applicant in 169960  
accordance with section 3745.07 of the Revised Code that indicates 169961  
the director's intent with regard to the issuance or denial of the 169962  
application. When considering whether to issue or deny the 169963  
application or whether to impose terms and conditions of the 169964  
variance that are in addition or alternative to those proposed by 169965  
the applicant, the director shall consider comments on the 169966  
application made by the public at the public meeting and written 169967  
comments on the application received from the public. 169968

not limit the number of speakers who may testify. However, the 170325  
commission may set reasonable time limits on the length of an 170326  
individual's testimony or the total amount of time allotted to 170327

chapter. 170334

(G) Notwithstanding anything to the contrary in this chapter 170335  
or Chapter 3775. of the Revised Code, and except with respect to a 170336

approved, granted, or otherwise authorized by the commission under 170341  
Chapter 3772. or 3775. of the Revised Code or the rules adopted 170342

profits, income, or accruals on that person's investment in the 170349  
casino facility. 170350

this state, another state, or the federal government; 170355

(b) Such an action is necessary to prevent a violation of 170356  
this chapter or Chapter 3775. of the Revised Code or a rule 170357  
adopted thereunder. 170358

(2) An emergency order issued under division (G) of this 170359  
section shall state the reasons for the commission's action, cite 170360

the law or rule directly involved, and state that the party will 170361  
be afforded a hearing if the party requests it within thirty days 170362  
after the time of mailing or personal delivery of the order. 170363

(3)(a) Not later than the next business day after the 170364  
issuance of the emergency order, the order shall be sent by 170365  
registered or certified mail, return receipt requested, or by 170366

If it elects to disclose the information to a medical professional designated by the individual, the insurance institution, agent, or insurance support organization shall notify the individual, at the time of the disclosure, that it has provided the information to the medical professional.

(D) Except for personal information provided under section 3904.10 of the Revised Code, an insurance institution, agent, or insurance support organization may charge a reasonable fee to cover the costs incurred in providing a copy of recorded personal information to individuals.

(E) The obligations imposed by this section upon an insurance institution or agent may be satisfied by another insurance institution or agent authorized to act on its behalf. With respect to the copying and disclosure of recorded personal information pursuant to a request under division (A) of this section, an insurance institution, agent, or insurance support organization may make arrangements with an insurance support organization or a consumer reporting agency to copy and disclose recorded personal information on its behalf.

(F) The rights granted to individuals in this section extend to all natural persons to the extent information about them is collected and maintained by an insurance institution, agent, or insurance support organization in connection with an insurance

transaction. The rights granted to all natural persons by this 171004  
division do not extend to information about them that relates to 171005  
and is collected in connection with or in reasonable anticipation 171006  
of a claim or civil or criminal proceeding involving them. 171007

(G) This section does not apply to a consumer reporting 171008  
agency. 171009

**Sec. 4121.19.** A full and complete record shall be kept of all 171010  
proceedings had before the bureau of workers' compensation on any 171011  
investigation, ~~and all testimony shall be taken down by a~~ 171012

**Sec. 4123.512.** (A) The claimant or the employer may appeal an 171014  
order of the industrial commission made under division (E) of 171015  
section 4123.511 of the Revised Code in any injury or occupational 171016  
disease case, other than a decision as to the extent of disability 171017  
to the court of common pleas of the county in which the injury was 171018  
inflicted or in which the contract of employment was made if the 171019  
injury occurred outside the state, or in which the contract of 171020  
employment was made if the exposure occurred outside the state. If 171021  
no common pleas court has jurisdiction for the purposes of an 171022  
appeal by the use of the jurisdictional requirements described in 171023  
this division, the appellant may use the venue provisions in the 171024  
Rules of Civil Procedure to vest jurisdiction in a court. If the 171025  
claim is for an occupational disease, the appeal shall be to the 171026  
court of common pleas of the county in which the exposure which 171027  
caused the disease occurred. Like appeal may be taken from an 171028  
order of a staff hearing officer made under division (D) of 171029  
section 4123.511 of the Revised Code from which the commission has 171030  
refused to hear an appeal. Except as otherwise provided in this 171031  
division, the appellant shall file the notice of appeal with a 171032  
court of common pleas within sixty days after the date of the 171033  
receipt of the order appealed from or the date of receipt of the 171034

order of the commission refusing to hear an appeal of a staff 171035  
hearing officer's decision under division (D) of section 4123.511 171036  
of the Revised Code. Either the claimant or the employer may file 171037  
a notice of an intent to settle the claim within thirty days after 171038  
the date of the receipt of the order appealed from or of the order 171039  
of the commission refusing to hear an appeal of a staff hearing 171040  
officer's decision. The claimant or employer shall file notice of 171041  
intent to settle with the administrator of workers' compensation, 171042  
and the notice shall be served on the opposing party and the 171043  
party's representative. The filing of the notice of intent to 171044  
settle extends the time to file an appeal to one hundred fifty 171045  
days, unless the opposing party files an objection to the notice 171046  
of intent to settle within fourteen days after the date of the 171047  
receipt of the notice of intent to settle. The party shall file 171048  
the objection with the administrator, and the objection shall be 171049  
served on the party that filed the notice of intent to settle and 171050  
the party's representative. The filing of the notice of the appeal 171051  
with the court is the only act required to perfect the appeal. 171052

If an action has been commenced in a court of a county other 171053  
than a court of a county having jurisdiction over the action, the 171054  
court, upon notice by any party or upon its own motion, shall 171055  
transfer the action to a court of a county having jurisdiction. 171056

Notwithstanding anything to the contrary in this section, if 171057  
the commission determines under section 4123.522 of the Revised 171058  
Code that an employee, employer, or their respective 171059  
representatives have not received written notice of an order or 171060  
decision which is appealable to a court under this section and 171061  
which grants relief pursuant to section 4123.522 of the Revised 171062  
Code, the party granted the relief has sixty days from receipt of 171063  
the order under section 4123.522 of the Revised Code to file a 171064  
notice of appeal under this section. 171065

(B) The notice of appeal shall state the names of the administrator of workers' compensation, the claimant, and the employer; the number of the claim; the date of the order appealed from; and the fact that the appellant appeals therefrom.

The administrator, the claimant, and the employer shall be parties to the appeal and the court, upon the application of the commission, shall make the commission a party. The party filing the appeal shall serve a copy of the notice of appeal on the administrator at the central office of the bureau of workers' compensation in Columbus. The administrator shall notify the employer that if the employer fails to become an active party to the appeal, then the administrator may act on behalf of the employer and the results of the appeal could have an adverse effect upon the employer's premium rates or may result in a recovery from the employer if the employer is determined to be a noncomplying employer under section 4123.75 of the Revised Code.

(C) The attorney general or one or more of the attorney general's assistants or special counsel designated by the attorney general shall represent the administrator and the commission. In the event the attorney general or the attorney general's designated assistants or special counsel are absent, the administrator or the commission shall select one or more of the attorneys in the employ of the administrator or the commission as the administrator's attorney or the commission's attorney in the appeal. Any attorney so employed shall continue the representation during the entire period of the appeal and in all hearings thereof except where the continued representation becomes impractical.

(D) Upon receipt of notice of appeal, the clerk of courts shall provide notice to all parties who are appellees and to the commission.

The claimant shall, within thirty days after the filing of the notice of appeal, file a petition containing a statement of

facts in ordinary and concise language showing a cause of action 1711098  
to participate or to continue to participate in the fund and 1711099  
setting forth the basis for the jurisdiction of the court over the 1711100  
action. Further pleadings shall be had in accordance with the 1711101  
Rules of Civil Procedure, provided that service of summons on such 1711102  
petition shall not be required and provided that the claimant may 1711103  
not dismiss the complaint without the employer's consent if the 1711104  
employer is the party that filed the notice of appeal to court 1711105  
pursuant to this section. The clerk of the court shall, upon 1711106  
receipt thereof, transmit by certified mail a copy thereof to each 1711107  
party named in the notice of appeal other than the claimant. Any 1711108  
party may file with the clerk prior to the trial of the action a 1711109  
deposition of any physician taken in accordance with the 1711110  
provisions of the Revised Code, which deposition may be read in 1711111  
the trial of the action even though the physician is a resident of 1711112  
or subject to service in the county in which the trial is had. The 1711113  
bureau of workers' compensation shall pay the cost of the 1711114  
~~stenographic~~ deposition filed in court and of copies of the 1711115  
~~stenographic~~ deposition for each party from the surplus fund and 1711116  
charge the costs thereof against the unsuccessful party if the 1711117  
claimant's right to participate or continue to participate is 1711118  
finally sustained or established in the appeal. In the event the 1711119  
deposition is taken and filed, the physician whose deposition is 1711120  
taken is not required to respond to any subpoena issued in the 1711121  
trial of the action. The court, or the jury under the instructions 1711122  
of the court, if a jury is demanded, shall determine the right of 1711123  
the claimant to participate or to continue to participate in the 1711124  
fund upon the evidence adduced at the hearing of the action. 1711125

(E) The court shall certify its decision to the commission 1711126  
and the certificate shall be entered in the records of the court. 1711127  
Appeals from the judgment are governed by the law applicable to 1711128  
the appeal of civil actions. 1711129

(F) The cost of any legal proceedings authorized by this section, including an attorney's fee to the claimant's attorney to be fixed by the trial judge, based upon the effort expended, in the event the claimant's right to participate or to continue to participate in the fund is established upon the final determination of an appeal, shall be taxed against the employer or the commission if the commission or the administrator rather than the employer contested the right of the claimant to participate in the fund. The attorney's fee shall not exceed five thousand dollars.

(G) If the finding of the court or the verdict of the jury is in favor of the claimant's right to participate in the fund, the commission and the administrator shall thereafter proceed in the matter of the claim as if the judgment were the decision of the commission, subject to the power of modification provided by section 4123.52 of the Revised Code.

(H)(1) An appeal from an order issued under division (E) of section 4123.511 of the Revised Code or any action filed in court in a case in which an award of compensation or medical benefits has been made shall not stay the payment of compensation or medical benefits under the award, or payment for subsequent periods of total disability or medical benefits during the pendency of the appeal. If, in a final administrative or judicial action, it is determined that payments of compensation or benefits, or both, made to or on behalf of a claimant should not have been made, the amount thereof shall be charged to the surplus fund account under division (B) of section 4123.34 of the Revised Code. In the event the employer is a state risk, the amount shall not be charged to the employer's experience, and the administrator shall adjust the employer's account accordingly. In the event the employer is a self-insuring employer, the self-insuring employer shall deduct the amount from the paid compensation the

self-insuring employer reports to the administrator under division 171162  
(L) of section 4123.35 of the Revised Code. If an employer is a 171163  
state risk and has paid an assessment for a violation of a 171164  
specific safety requirement, and, in a final administrative or 171165  
judicial action, it is determined that the employer did not 171166  
violate the specific safety requirement, the administrator shall 171167  
reimburse the employer from the surplus fund account under 171168  
division (B) of section 4123.34 of the Revised Code for the amount 171169  
of the assessment the employer paid for the violation. 171170

(2)(a) Notwithstanding a final determination that payments of 171171  
benefits made to or on behalf of a claimant should not have been 171172  
made, the administrator or self-insuring employer shall award 171173  
payment of medical or vocational rehabilitation services submitted 171174  
for payment after the date of the final determination if all of 171175  
the following apply: 171176

(i) The services were approved and were rendered by the 171177  
provider in good faith prior to the date of the final 171178  
determination. 171179

(ii) The services were payable under division (I) of section 171180  
4123.511 of the Revised Code prior to the date of the final 171181  
determination. 171182

(iii) The request for payment is submitted within the time 171183  
limit set forth in section 4123.52 of the Revised Code. 171184

(b) Payments made under division (H)(1) of this section shall 171185  
be charged to the surplus fund account under division (B) of 171186  
section 4123.34 of the Revised Code. If the employer of the 171187  
employee who is the subject of a claim described in division 171188  
(H)(2)(a) of this section is a state fund employer, the payments 171189  
made under that division shall not be charged to the employer's 171190  
experience. If that employer is a self-insuring employer, the 171191  
self-insuring employer shall deduct the amount from the paid 171192

compensation the self-insuring employer reports to the 171193  
administrator under division (L) of section 4123.35 of the Revised 171194  
Code. 171195

(c) Division (H)(2) of this section shall apply only to a 171196  
claim under this chapter or Chapter 4121., 4127., or 4131. of the 171197  
Revised Code arising on or after July 29, 2011. 171198

(3) A self-insuring employer may elect to pay compensation 171199  
and benefits under this section directly to an employee or an 171200  
employee's dependents by filing an application with the bureau of 171201  
workers' compensation not more than one hundred eighty days and 171202  
not less than ninety days before the first day of the employer's 171203  
next six-month coverage period. If the self-insuring employer 171204  
timely files the application, the application is effective on the 171205  
first day of the employer's next six-month coverage period, 171206  
provided that the administrator shall compute the employer's 171207  
assessment for the surplus fund account due with respect to the 171208  
period during which that application was filed without regard to 171209  
the filing of the application. On and after the effective date of 171210  
the employer's election, the self-insuring employer shall pay 171211  
directly to an employee or to an employee's dependents 171212  
compensation and benefits under this section regardless of the 171213  
date of the injury or occupational disease, and the employer shall 171214  
receive no money or credits from the surplus fund account on 171215  
account of those payments and shall not be required to pay any 171216  
amounts into the surplus fund account on account of this section. 171217  
The election made under this division is irrevocable. 171218

(I) All actions and proceedings under this section which are 171219  
the subject of an appeal to the court of common pleas or the court 171220  
of appeals shall be preferred over all other civil actions except 171221  
election causes, irrespective of position on the calendar. 171222

This section applies to all decisions of the commission or 171223  
the administrator on November 2, 1959, and all claims filed 171224

thereafter are governed by sections 4123.511 and 4123.512 of the Revised Code. 171225  
171226

Any action pending in common pleas court or any other court on January 1, 1986, under this section is governed by former sections 4123.514, 4123.515, 4123.516, and 4123.519 and section 4123.522 of the Revised Code. 171227

rehabilitation provider shall bill a claimant for services 171263  
rendered if the administrator or commission is prohibited from 171264  
making that payment under this division. 171265

(C) Division (B) of this section does not apply to requests 171266

reimbursement of conditional payments made pursuant to section 171269

application, provided the application is filed within the time 171274

application for modification of award which has been filed with 171278  
the commission after June 1, 1932, and prior to the expiration of 171279  
the applicable period but in respect to which no award has been 171280

compensation fund shall be deposited therein. The treasurer of 171435  
state shall be liable on the treasurer's official bond for the 171436  
faithful performance of the treasurer's duties in connection with 171437  
the unemployment compensation fund, such liability to exist in 171438  
addition to any liability upon any separate bond. 171439

(C) The treasurer of state shall maintain within the 171440

unemployment compensation fund three separate accounts which shall 171441  
be a clearing account, a trust fund account, and a benefit 171442  
account. All moneys payable to the unemployment compensation fund, 171443  
upon receipt by the director, shall be forwarded to the treasurer 171444  
of state, who shall immediately deposit them in the clearing 171445  
account. Refunds of contributions, or payments in lieu of 171446  
contributions, payable pursuant to division (E) of this section 171447  
may be paid from the clearing account upon warrants signed by a 171448  
deputy or other employee of the director charged with the duty of 171449  
keeping the record of the clearing account and with the 171450  
preparation of warrants for the payment of refunds to persons 171451

clearing account shall be deposited with the secretary of the 171453  
treasury of the United States to the credit of the account of this 171454

Act," 53 Stat. 183 (1939), 26 U.S.C.A. 3301, 3304(a)(3), any law 171458  
in this state relating to the deposit, administration, release, or 171459  
disbursement of moneys in the possession or custody of this state 171460  
to the contrary notwithstanding. The benefit account shall consist 171461  
of all moneys requisitioned from this state's account in the 171462  
unemployment trust fund. Federal funds may be deposited, at the 171463  
director's discretion, into the benefit account. Any funds 171464  
deposited into the benefit account shall be disbursed solely for 171465  
payment of benefits under a federal program administered by this 171466  
state and for no other purpose. Moneys in the clearing and benefit 171467  
accounts may be deposited by the treasurer of state, under the 171468  
direction of the director, in any bank or public depository in 171469  
which general funds of the state may be deposited, but no public 171470  
deposit insurance charge or premium shall be paid out of the fund. 171471

(D) Moneys shall be requisitioned from this state's account 171472  
in the unemployment trust fund solely for the payment of benefits 171473

and in accordance with regulations prescribed by the director. The 171474  
director shall requisition from the unemployment trust fund such 171475  
amounts, not exceeding the amount standing to this state's account 171476  
therein, as are deemed necessary for the payment of benefits for a 171477  
reasonable future period. Upon receipt thereof, the treasurer of 171478  
state shall deposit such moneys in the benefit account. 171479  
Expenditures of such money in the benefit account and refunds from 171480  
the clearing account shall not require specific appropriations or 171481  
other formal release by state officers of money in their custody. 171482  
Any balance of moneys requisitioned from the unemployment trust 171483  
fund which remains unclaimed or unpaid in the benefit account 171484  
after the expiration of the period for which such sums were 171485  
requisitioned shall either be deducted from estimates for and may 171486  
be utilized for the payment of benefits during succeeding periods, 171487  
or, in the discretion of the director, shall be redeposited with 171488  
the secretary of the treasury of the United States to the credit 171489  
of this state's account in the unemployment trust fund, as 171490  
provided in division (C) of this section. Unclaimed or unpaid 171491  
federal funds redeposited with the secretary of the treasury of 171492  
the United States shall be credited to the appropriate federal 171493  
account. 171494

(E) No claim for an adjustment or a refund on contribution, 171495  
payment in lieu of contributions, interest, or forfeiture alleged 171496  
to have been erroneously or illegally assessed or collected, or 171497  
alleged to have been collected without authority, and no claim for 171498  
an adjustment or a refund of any sum alleged to have been 171499  
excessive or in any manner wrongfully collected shall be allowed 171500  
unless an application, in writing, therefor is made within four 171501  
years from the date on which such payment was made. If the 171502  
director determines that such contribution, payment in lieu of 171503  
contributions, interest, or forfeiture, or any portion thereof, 171504  
was erroneously collected, the director shall allow such employer 171505  
to make an adjustment thereof without interest in connection with 171506

subsequent contribution payments, or payments in lieu of 171507  
contributions, by the employer, or the director may refund said 171508  
amount, without interest, from the clearing account of the 171509  
unemployment compensation fund, except as provided in division (B) 171510  
of section 4141.11 of the Revised Code. For like cause and within 171511  
the same period, adjustment or refund may be so made on the 171512  
director's own initiative. An overpayment of contribution, payment 171513  
in lieu of contributions, interest, or forfeiture for which an 171514  
employer has not made application for refund prior to the date of 171515  
sale of the employer's business shall accrue to the employer's 171516  
successor in interest. 171517

An application for an adjustment or a refund, or any portion 171518  
thereof, that is rejected is binding upon the employer unless, 171519  
within thirty days after the mailing of a written notice of 171520  
rejection to the employer's last known address, or, in the absence 171521  
of mailing of such notice, within thirty days after the delivery 171522  
of such notice, the employer files an application for a review and 171523  
redetermination setting forth the reasons therefor. The director 171524  
shall promptly examine the application for review and 171525  
redetermination, and if a review is granted, the employer shall be 171526  
promptly notified thereof, and shall be granted an opportunity for 171527  
a prompt hearing. 171528

(F) If the director finds that contributions have been paid 171529  
to the director in error, and that such contributions should have 171530  
been paid to a department of another state or of the United States 171531  
charged with the administration of an unemployment compensation 171532  
law, the director may upon request by such department or upon the 171533  
director's own initiative transfer to such department the amount 171534  
of such contributions, less any benefits paid to claimants whose 171535  
wages were the basis for such contributions. The director may 171536  
request and receive from such department any contributions or 171537  
adjusted contributions paid in error to such department which 171538

should have been paid to the director. 171539

(G) In accordance with section 303(c)(3) of the Social 171540  
Security Act, and section 3304(a)(17) of the Internal Revenue Code 171541  
of 1954 for continuing certification of Ohio unemployment 171542  
compensation laws for administrative grants and for tax credits, 171543  
any interest required to be paid on advances under Title XII of 171544  
the Social Security Act shall be paid in a timely manner and shall 171545  
not be paid, directly or indirectly, by an equivalent reduction in 171546  
the Ohio unemployment taxes or otherwise, by the state from 171547  
amounts in the unemployment compensation fund. 171548

(H) The treasurer of state, under the direction of the 171549

(I) The treasurer of state, under the direction of the 171555  
director, shall deposit federal funds received by the director for 171556

3801, as amended, into the Trade Act training and administration 171563  
account, which is hereby created for the purpose of making 171564  
payments specified under those acts. The treasurer of state, under 171565  
the direction of the director, may transfer funds from the Trade 171566  
Act training and administration account to the benefit account for 171567  
the purpose of making any payments directly to claimants for 171568  
benefits, job search, relocation, transportation, and subsistence 171569  
allowances, as specified by those acts. 171570

procedures for reimbursement of the district from the fund of 171586  
contributions made on wages earned by any auxiliary service 171587

(B) In the event of the termination of the auxiliary services 171589  
program established pursuant to section 3317.06 of the Revised 171590  
Code, and after the director has made reimbursement to school 171591  
districts for all possible unemployment compensation claims of 171592  
persons who were employed pursuant to section 3317.06 of the 171593  
Revised Code, the director shall certify that fact to the 171594  
treasurer of state, who shall then transfer all unexpended moneys 171595  
in the auxiliary services personnel unemployment compensation fund 171596  
to the general revenue fund. In the event the auxiliary services 171597  
personnel unemployment compensation fund contains insufficient 171598  
moneys to pay all valid claims by school districts for 171599

pursuant thereto, the administrator or the administrator's 171761  
designee shall, with reasonable promptness, issue a citation to 171762

the public employer. The citation shall be in writing and describe 171763  
with particularity the nature of the alleged violation, including 171764  
a reference to the provision of law, Ohio employment risk 171765  
reduction standard, rule, or order alleged to have been violated. 171766  
In addition, the citation shall fix a time for the abatement of 171767  
the violation, as provided in division (H) of this section. The 171768  
administrator may prescribe procedures for the issuance of a 171769  
notice with respect to minor violations and for enforcement of 171770  
minor violations that have no direct or immediate relationship to 171771  
safety or health. 171772

(E) Upon receipt of any citation under this section, the 171773  
public employer shall immediately post the citation, or a copy 171774  
thereof, at or near each place an alleged violation referred to in 171775  
the citation occurred. 171776

(F) The administrator may not issue a citation under this 171777  
section after the expiration of six months following the final 171778  
occurrence of any violation. 171779

(G) If the administrator issues a citation pursuant to this 171780  
section, the administrator shall mail the citation to the public 171781  
employer by certified mail, return receipt requested. The public 171782  
employer has fourteen days after receipt of the citation within 171783  
which to notify the administrator that the employer wishes to 171784  
contest the citation. If the employer notifies the administrator 171785  
within the fourteen days that the employer wishes to contest the 171786  
citation, or if within fourteen days after the issuance of a 171787  
citation a public employee or public employee representative files 171788  
notice that the time period fixed in the citation for the 171789  
abatement of the violation is unreasonable, the administrator 171790  
shall hold an adjudication hearing in accordance with Chapter 119. 171791  
of the Revised Code. 171792

(H) In establishing the time limits in which a public 171793  
employer must abate a violation under this section, the 171794

administrator shall consider the costs to the public employer, the 171795  
size and financial resources of the public employer, the severity 171796  
of the violation, the technological feasibility of the public 171797  
employer's ability to comply with requirements of the citation, 171798  
the possible present and future detriment to the health and safety 171799  
of any public employee for failure of the public employer to 171800  
comply with requirements of the citation, and such other factors 171801  
as the administrator determines appropriate. The administrator 171802  
may, after considering the above factors, permit the public 171803  
employer to comply with the citation over a period of up to two 171804  
years and may extend that period an additional one year, as the 171805  
administrator determines appropriate. 171806

(I) Any public employer may request the administrator to 171807  
conduct an employment risk reduction inspection of the public 171808  
employer's place of employment. The administrator or the 171809  
administrator's designee shall conduct the inspection within a 171810  
reasonable amount of time following the request. Neither the 171811  
administrator nor any other person may use any information 171812  
obtained from the inspection for a period not to exceed three 171813  
years in any proceeding for a violation of this chapter or any 171814  
rule or order issued thereunder nor in any other action in any 171815  
court in this state. 171816

**Sec. 4301.17.** (A)(1) Subject to local option as provided in 171817  
sections 4301.32 to 4301.40 of the Revised Code, five state liquor 171818  
stores or agencies may be established in each county. One 171819  
additional store may be established in any county for each twenty 171820  
thousand of population of that county or major fraction thereof in 171821  
excess of the first forty thousand, according to the last 171822  
preceding federal decennial census or according to the population 171823  
estimates certified by the department of development between 171824  
decennial censuses. A person engaged in a mercantile business may 171825  
act as the agent for the division of liquor control for the sale 171826

of spirituous liquor in a municipal corporation, in the 171827  
unincorporated area of a township, or in an area designated and 171828  
approved as a resort area under section 4303.262 of the Revised 171829  
Code. The division shall fix the compensation for such an agent in 171830  
the manner it considers best, but the compensation shall not 171831  
exceed seven per cent of the gross sales made by the agent in any 171832  
one year. 171833

(2) The division shall adopt rules in accordance with Chapter 171834  
119. of the Revised Code governing the allocation and equitable 171835  
distribution of agency store contracts. The division shall comply 171836  
with the rules when awarding a contract under division (A)(1) of 171837  
this section. 171838

(3) Pursuant to an agency store's contract, an agency store 171839  
may be issued a D-1 permit to sell beer, a D-2 permit to sell wine 171840  
and mixed beverages, and a D-5 permit to sell beer, wine, mixed 171841  
beverages, and spirituous liquor. 171842

(4) Pursuant to an agency store's contract, an agency store 171843  
may be issued a D-3 permit to sell spirituous liquor if the agency 171844  
store contains at least ten thousand square feet of sales floor 171845  
area. A D-3 permit issued to an agency store shall not be 171846  
transferred to a new location. The division shall revoke any D-3 171847  
permit issued to an agency store under division (A)(4) of this 171848  
section if the agent no longer operates the agency store. The 171849  
division shall not issue a D-3a permit to an agency store. 171850

(5) An agency store to which a D-8 permit has been issued may 171851  
allow the sale of tasting samples of spirituous liquor in 171852  
accordance with section 4301.171 of the Revised Code. 171853

(6) An agency store may sell beer, wine, mixed beverages, and 171854  
spirituous liquor only between the hours of nine a.m. and eleven 171855  
p.m. 171856

(B) When an agency contract is proposed, when an existing agency contract is assigned, when an existing agency proposes to relocate, or when an existing agency is relocated and assigned, before entering into any contract, consenting to any assignment, or consenting to any relocation, the division shall notify the legislative authority of the municipal corporation in which the agency store is to be located, or the board of county commissioners and the board of township trustees of the county and the township in which the agency store is to be located if the agency store is to be located outside the corporate limits of a municipal corporation, of the proposed contract, assignment, or relocation, and an opportunity shall be provided officials or employees of the municipal corporation or county and township for a complete hearing upon the advisability of entering into the contract or consenting to the assignment or relocation. When the division sends notice to the legislative authority of the political subdivision, the division shall notify, ~~by certified mail or by personal service,~~ the chief peace officer of the political subdivision, who may appear and testify, either in person or through a representative, at any hearing held on the advisability of entering into the contract or consenting to the assignment or relocation.

If the proposed agency store, the assignment of an agency contract, or the relocation of an agency store would be located within five hundred feet of a school, church, library, public playground, or township park, the division shall not enter into an agency contract until it has provided notice of the proposed contract to the authorities in control of the school, church, library, public playground, or township park and has provided those authorities with an opportunity for a complete hearing upon the advisability of entering into the contract. If an agency store so located is operating under an agency contract, the division may consent to relocation of the agency store or to the assignment of

that contract to operate an agency store at the same location. The 171890  
division may also consent to the assignment of an existing agency 171891  
contract simultaneously with the relocation of the agency store. 171892  
In any such assignment or relocation, the assignee and the 171893  
location shall be subject to the same requirements that the 171894  
existing location met at the time that the contract was first 171895  
entered into as well as any additional requirements imposed by the 171896  
division in rules adopted by the superintendent of liquor control. 171897  
The division shall not consent to an assignment or relocation of 171898  
an agency store until it has notified the authorities in control 171899  
of the school, church, library, public playground, or township 171900  
park and has provided those authorities with an opportunity for a 171901  
complete hearing upon the advisability of consenting to the 171902  
assignment or relocation. 171903

Any hearing provided for in this division shall be held in 171904  
the central office of the division, except that upon written 171905  
request of the legislative authority of the municipal corporation, 171906  
the board of county commissioners, the board of township trustees, 171907  
or the authorities in control of the school, church, library, 171908  
public playground, or township park, the hearing shall be held in 171909  
the county seat of the county where the proposed agency store is 171910  
to be located. 171911

(C) All agency contracts entered into by the division 171912  
pursuant to this section shall be in writing and shall contain a 171913  
clause providing for the termination of the contract at will by 171914  
the division upon its giving ninety days' notice in writing to the 171915  
agent of its intention to do so. Any agency contract may include a 171916  
clause requiring the agent to report to the appropriate law 171917  
enforcement agency the name and address of any individual under 171918  
twenty-one years of age who attempts to make an illegal purchase. 171919

The division shall issue a C-1 and C-2 permit to each agent 171920  
who prior to November 1, 1994, had not been issued both of these 171921

permits, notwithstanding the population quota restrictions 171922  
contained in section 4303.29 of the Revised Code or in any rule of 171923  
the liquor control commission and notwithstanding the requirements 171924  
of section 4303.31 of the Revised Code. The location of a C-1 or 171925  
C-2 permit issued to such an agent shall not be transferred. The 171926  
division shall revoke any C-1 or C-2 permit issued to an agent 171927  
under this paragraph if the agent no longer operates an agency 171928  
store. 171929

The division may enter into agreements with the department of 171930  
development to implement a minority loan program to provide 171931  
low-interest loans to minority business enterprises, as defined in 171932  
section 122.71 of the Revised Code, that are awarded liquor agency 171933  
contracts or assignments. 171934

(D) If the division closes a state liquor store and replaces 171935  
that store with an agency store, any employees of the division 171936  
employed at that state liquor store who lose their jobs at that 171937  
store as a result shall be given preference by the agent who 171938  
operates the agency store in filling any vacancies that occur 171939  
among the agent's employees, if that preference does not conflict 171940  
with the agent's obligations pursuant to a collective bargaining 171941  
agreement. 171942

If the division closes a state liquor store and replaces the 171943  
store with an agency store, any employees of the division employed 171944  
at the state liquor store who lose their jobs at that store as a 171945  
result may displace other employees as provided in sections 171946  
124.321 to 124.328 of the Revised Code. If an employee cannot 171947  
displace other employees and is laid off, the employee shall be 171948  
reinstated in another job as provided in sections 124.321 to 171949  
124.328 of the Revised Code, except that the employee's rights of 171950  
reinstatement in a job at a state liquor store shall continue for 171951  
a period of two years after the date of the employee's layoff and 171952  
shall apply to jobs at state liquor stores located in the 171953

employee's layoff jurisdiction and any layoff jurisdiction 171954  
adjacent to the employee's layoff jurisdiction. 171955

(E) The division shall require every agent to give bond with 171956  
surety to the satisfaction of the division, in the amount the 171957  
division fixes, conditioned for the faithful performance of the 171958  
agent's duties as prescribed by the division. 171959

**Sec. 4301.30.** (A) All fees collected by the division of 171960  
liquor control shall be deposited in the state treasury to the 171961  
credit of the undivided liquor permit fund, which is hereby 171962  
created, at the time prescribed under section 4301.12 of the 171963  
Revised Code. Each payment shall be accompanied by a statement 171964  
showing separately the amount collected for each class of permits 171965  
in each municipal corporation and in each township outside the 171966  
limits of any municipal corporation in such township. 171967

(B)(1) An amount equal to forty-five per cent of the fund 171968  
shall be paid from the fund into the state liquor regulatory fund, 171969  
which is hereby created in the state treasury. The state liquor 171970  
regulatory fund shall be used to pay the operating expenses of the 171971  
division of liquor control in administering and enforcing Title 171972  
XLIII of the Revised Code and the operating expenses of the liquor 171973  
control commission. Investment earnings of the fund shall be 171974  
credited to the fund. 171975

(2) Whenever, in the judgment of the director of budget and 171976  
management, the amount of money that is in the state liquor 171977  
regulatory fund is in excess of the amount that is needed to pay 171978  
the operating expenses of the division in administering and 171979  
enforcing Title XLIII of the Revised Code and the operating 171980  
expenses of the commission, the director shall credit the excess 171981  
amount to the general revenue fund. 171982

(C) Twenty per cent of the undivided liquor permit fund shall 171983  
be paid into the statewide treatment and prevention fund, which is 171984

hereby created in the state treasury. This amount shall be 171985  
appropriated by the general assembly, together with an amount 171986  
equal to one and one-half per cent of the gross profit of the 171987  
division of liquor control derived under division (B)(4) of 171988  
section 4301.10 of the Revised Code, to the department of mental 171989  
health and addiction services. In planning for the allocation of 171990  
and in allocating these amounts for the purposes of Chapter 5119. 171991  
of the Revised Code, the department shall comply with the 171992  
nondiscrimination provisions of Title VI of the Civil Rights Act 171993

(D) Thirty-five per cent of the undivided liquor permit fund 171995  
shall be distributed by the superintendent of liquor control at 171996  
quarterly calendar periods as follows: 171997

(1) To each municipal corporation, the aggregate amount shown 171998

(2) To each township, the aggregate amount shown by the 172002  
statements to have been collected from permits in its territory, 172003  
outside the limits of any municipal corporation located in the 172004  
township, for the use of the general fund of the township, or for 172005  
fire protection purposes, including buildings and equipment in the 172006  
township or in an established fire district within the township, 172007  
to the extent that the funds are derived from liquor permits 172008  
within the territory comprising such fire district. 172009

(E) For the purpose of the distribution required by this 172010  
section, E, H, and D permits covering boats or vessels are deemed 172011  
to have been issued in the municipal corporation or township 172012  
wherein the owner or operator of the vehicle, boat, vessel, or 172013  
dining car equipment to which the permit relates has the owner's 172014  
or operator's principal office or place of business within the 172015  
state. 172016

(F) If the ~~liquor control commission~~ division determines that 172017  
the police or other officers of any municipal corporation or 172018  
township entitled to share in distributions under this section are 172019  
refusing or culpably neglecting to enforce this chapter and 172020  
Chapter 4303. of the Revised Code, or the penal laws of this state 172021  
relating to the manufacture, importation, transportation, 172022

Code, the ~~commission~~ division, by certified mail or by electronic 172027  
means as determined by the superintendent to provide proper notice 172028  
under the laws of this state, may notify the chief executive 172029  
officer of the municipal corporation or the board of township 172030  
trustees of the township of the failure and require the immediate 172031  
cooperation of the responsible officers of the municipal 172032  
corporation or township with the division ~~of liquor control~~ in the 172033  
enforcement of those chapters and penal laws. Within thirty days 172034  
after the notice is served, the ~~commission~~ division shall 172035  
determine whether the requirement has been complied with. If the 172036  
~~commission~~ division determines that the requirement has not been 172037  
complied with, it may ~~issue an order to the superintendent to~~ 172038  
withhold the distributive share of the municipal corporation or 172039  
township ~~until further order of the commission~~. This action of the 172040  
~~commission~~ division is reviewable within thirty days thereafter in 172041

into the general revenue fund. 172050

**Sec. 4303.24.** All application processing fees shall be 172051  
remitted to the division of liquor control when applications are 172052  
filed. The pendency, priority, or validity of an application for a 172053  
permit or duplicate permit received by the division shall not be 172054  
affected because the division did not issue the permit applied for 172055  
or the applicant failed to appeal to the liquor control 172056  
commission. 172057

The division, prior to the granting of a permit or duplicate 172058  
permit applied for, shall notify, by certified mail, the applicant 172059

the division shall send another notice, by regular mail or by 172071  
electronic means as determined by the division to provide proper 172072  
notice under the laws of this state, to the applicant or the 172073  
applicant's agent. If the applicant fails to pay the applicable 172074  
amount of that requisite permit fee within ~~these~~ thirty days of 172075  
the mailing of the last notice, the division shall cancel the 172076

(C)(1) If any brochure or other written material approved by 172155  
the committee under division (B) of this section is made available 172156

Nothing in this section shall prohibit an instructor from 172185  
also organizing a classroom presentation and discussion regarding 172186  
anatomical gifts and anatomical gift procedures in accordance with 172187  
this division if the instructor shows an electronic medium to 172188  
students pursuant to division (C)(2) of this section. 172189

(D) No student shall be required to participate in any 172190

or guardian. If a student is excused from such instruction, the 172196  
instructor shall give the student an alternative assignment. 172197

privileges to the person only if the person presents proof of 172236

financial responsibility and has complied with division (A)(5) of 172237  
this section, except that no court may grant limited driving 172238  
privileges for the first thirty days of the suspension. 172239

(d) In addition to the suspension of an owner's license under 172240

the rights of the owner to register the motor vehicle and the 172242  
impoundment of the owner's certificate of registration and license 172243  
plates until the owner complies with division (A)(5) of this 172244  
section. 172245

The clerk of court shall waive the cost of filing a petition 172246  
for limited driving privileges if, pursuant to section 2323.311 of 172247  
the Revised Code, the petitioner applies to be qualified as an 172248  
indigent litigant and the court approves the application. 172249

the person shall be required to verify the existence of proof of 172254

either of the following circumstances: 172257

(a) The person or a motor vehicle owned by the person is 172258

section. 172265

(4) An order of the registrar that suspends and impounds a 172266  
license or registration, or both, shall state the date on or 172267

before which the person is required to surrender the person's 172268  
license or certificate of registration and license plates. The 172269  
person is deemed to have surrendered the license or certificate of 172270

impounded license plates under that section, or reissue a license 172286  
under section 4510.52 of the Revised Code, if the registrar 172287  
destroyed the suspended license under that section, unless the 172288  
rights are not subject to suspension or revocation under any other 172289  
law and unless the person, in addition to complying with all other 172290  
conditions required by law for reinstatement of the operating 172291  
privileges or registration rights, complies with all of the 172292  
following: 172293

hundred dollars for a second violation of that division, and six 172297  
hundred dollars for a third or subsequent violation of that 172298  
division; 172299

(B)(1) Every party required to file an accident report under section 4509.06 of the Revised Code also shall include with the report a document described in division (G)(1)(a) of this section or shall present proof of financial responsibility through use of an electronic wireless communications device as permitted by division (G)(1)(b) of this section.

If the registrar determines, within forty-five days after the report is filed, that an operator or owner has violated division (A)(1) of this section, the registrar shall do all of the following:

(a) Order the impoundment, with respect to the motor vehicle involved, required under division (A)(2)(d) of this section, of the certificate of registration and license plates of any owner who has violated division (A)(1) of this section;

(b) Order the suspension required under division (A)(2)(a), (b), or (c) of this section of the license of any operator or owner who has violated division (A)(1) of this section;

vehicle is used for hire or principally in connection with any  
established business, the person's federal taxpayer identification

becomes a part of the person's permanent record, and assists the  
registrar in monitoring compliance with the orders of suspension  
or impoundment.

(d) Send written notification to every person to whom the  
order pertains, at the person's last known address as shown on the  
records of the bureau. The person, within ten days after the date  
of the mailing of the notification, shall surrender to the  
registrar, in a manner set forth in division (A)(4) of this  
section, any certificate of registration and registration plates  
under an order of impoundment, or any license under an order of  
suspension.

(2) The registrar shall issue any order under division (B)(1)  
of this section without a hearing. Any person adversely affected  
by the order, within ten days after the issuance of the order, may  
request an administrative hearing before the registrar, who shall  
provide the person with an opportunity for a hearing in accordance  
with this paragraph. A request for a hearing does not operate as a  
suspension of the order. The scope of the hearing shall be limited  
to whether the person in fact demonstrated to the registrar proof  
of financial responsibility in accordance with this section. The  
registrar shall determine the date, time, and place of any  
hearing, provided that the hearing shall be held, and an order

issued or findings made, within thirty days after the registrar 172363  
receives a request for a hearing. If requested by the person in 172364  
writing, the registrar may designate as the place of hearing the 172365  
county seat of the county in which the person resides or a place 172366  
within fifty miles of the person's residence. The person shall pay 172367  
the cost of the hearing before the registrar, if the registrar's 172368  
order of suspension or impoundment is upheld. 172369

(C) Any order of suspension or impoundment issued under this 172370  
section or division (B) of section 4509.37 of the Revised Code may 172371  
be terminated at any time if the registrar determines upon a 172372  
showing of proof of financial responsibility that the operator or 172373  
owner of the motor vehicle was in compliance with division (A)(1) 172374  
of this section at the time of the traffic offense, motor vehicle 172375  
inspection, or accident that resulted in the order against the 172376  
person. A determination may be made without a hearing. This 172377  
division does not apply unless the person shows good cause for the 172378  
person's failure to present satisfactory proof of financial 172379  
responsibility to the registrar prior to the issuance of the 172380  
order. 172381

(D)(1)(a) For the purpose of enforcing this section, every 172382  
peace officer is deemed an agent of the registrar. 172383

(b) Any peace officer who, in the performance of the peace 172384  
officer's duties as authorized by law, becomes aware of a person 172385  
whose license is under an order of suspension, or whose 172386  
certificate of registration and license plates are under an order 172387  
of impoundment, pursuant to this section, may confiscate the 172388  
license, certificate of registration, and license plates, and 172389  
return them to the registrar. 172390

(2) A peace officer shall request the owner or operator of a 172391  
motor vehicle to produce proof of financial responsibility in a 172392  
manner described in division (G) of this section at the time the 172393  
peace officer acts to enforce the traffic laws of this state and 172394

during motor vehicle inspections conducted pursuant to section 172395  
4513.02 of the Revised Code. 172396

(3) A peace officer shall indicate on every traffic ticket 172397  
whether the person receiving the traffic ticket produced proof of 172398  
the maintenance of financial responsibility in response to the 172399  
officer's request under division (D)(2) of this section. The peace 172400  
officer shall inform every person who receives a traffic ticket 172401  
and who has failed to produce proof of the maintenance of 172402  
financial responsibility that the person must submit proof to the 172403  
traffic violations bureau with any payment of a fine and costs for 172404  
the ticketed violation or, if the person is to appear in court for 172405  
the violation, the person must submit proof to the court. 172406

(4)(a) If a person who has failed to produce proof of the 172407  
maintenance of financial responsibility appears in court for a 172408  
ticketed violation, the court may permit the defendant to present 172409  
evidence of proof of financial responsibility to the court at such 172410  
time and in such manner as the court determines to be necessary or 172411  
appropriate. In a manner prescribed by the registrar, the clerk of 172412  
courts shall provide the registrar with the identity of any person 172413  
who fails to submit proof of the maintenance of financial 172414  
responsibility pursuant to division (D)(3) of this section. 172415

(b) If a person who has failed to produce proof of the 172416  
maintenance of financial responsibility also fails to submit that 172417  
proof to the traffic violations bureau with payment of a fine and 172418  
costs for the ticketed violation, the traffic violations bureau, 172419  
in a manner prescribed by the registrar, shall notify the 172420  
registrar of the identity of that person. 172421

(5)(a) Upon receiving notice from a clerk of courts or 172422  
traffic violations bureau pursuant to division (D)(4) of this 172423  
section, the registrar shall order the suspension of the license 172424  
of the person required under division (A)(2)(a), (b), or (c) of 172425  
this section and the impoundment of the person's certificate of 172426

registration and license plates required under division (A)(2)(d) 172427  
of this section, effective thirty days after the date of the 172428  
mailing of notification. The registrar also shall notify the 172429  
person that the person must present the registrar with proof of 172430  
financial responsibility in accordance with this section, 172431  
surrender to the registrar the person's certificate of 172432  
registration, license plates, and license, or submit a statement 172433  
subject to section 2921.13 of the Revised Code that the person did 172434  
not operate or permit the operation of the motor vehicle at the 172435  
time of the offense. Notification shall be in writing and shall be 172436  
sent to the person at the person's last known address as shown on 172437  
the records of the bureau of motor vehicles. The person, within 172438  
fifteen days after the date of the mailing of notification, shall 172439  
present proof of financial responsibility, surrender the 172440  
certificate of registration, license plates, and license to the 172441  
registrar in a manner set forth in division (A)(4) of this 172442  
section, or submit the statement required under this section 172443  
together with other information the person considers appropriate. 172444

If the registrar does not receive proof or the person does 172445  
not surrender the certificate of registration, license plates, and 172446  
license, in accordance with this division, the registrar shall 172447  
permit the order for the suspension of the license of the person 172448  
and the impoundment of the person's certificate of registration 172449  
and license plates to take effect. 172450

(b) In the case of a person who presents, within the 172451  
fifteen-day period, proof of financial responsibility, the 172452  
registrar shall terminate the order of suspension and the 172453  
impoundment of the registration and license plates required under 172454  
division (A)(2)(d) of this section and shall send written 172455  
notification to the person, at the person's last known address as 172456  
shown on the records of the bureau. 172457

(c) Any person adversely affected by the order of the 172458

registrar under division (D)(5)(a) or (b) of this section, within 172459  
ten days after the issuance of the order, may request an 172460  
administrative hearing before the registrar, who shall provide the 172461  
person with an opportunity for a hearing in accordance with this 172462  
paragraph. A request for a hearing does not operate as a 172463  
suspension of the order. The scope of the hearing shall be limited 172464  
to whether, at the time of the hearing, the person presents proof 172465  
of financial responsibility covering the vehicle and whether the 172466  
person is eligible for an exemption in accordance with this 172467  
section or any rule adopted under it. The registrar shall 172468  
determine the date, time, and place of any hearing; provided, that 172469  
the hearing shall be held, and an order issued or findings made, 172470  
within thirty days after the registrar receives a request for a 172471  
hearing. If requested by the person, the hearing may be held 172472  
remotely by electronic means. If requested by the person in 172473  
writing, the registrar may designate as the place of hearing the 172474  
county seat of the county in which the person resides or a place 172475  
within fifty miles of the person's residence. Such person shall 172476  
pay the cost of the hearing before the registrar, if the 172477  
registrar's order of suspension or impoundment under division 172478  
(D)(5)(a) or (b) of this section is upheld. 172479

(6) A peace officer may charge an owner or operator of a 172480  
motor vehicle with a violation of section 4510.16 of the Revised 172481  
Code when the owner or operator fails to show proof of the 172482  
maintenance of financial responsibility pursuant to a peace 172483  
officer's request under division (D)(2) of this section, if a 172484  
check of the owner or operator's driving record indicates that the 172485  
owner or operator, at the time of the operation of the motor 172486  
vehicle, is required to file and maintain proof of financial 172487  
responsibility under section 4509.45 of the Revised Code for a 172488  
previous violation of this chapter. 172489

(7) Any forms used by law enforcement agencies in 172490

administering this section shall be prescribed, supplied, and paid 172491  
for by the registrar. 172492

(8) No peace officer, law enforcement agency employing a 172493  
peace officer, or political subdivision or governmental agency 172494  
that employs a peace officer shall be liable in a civil action for 172495  
damages or loss to persons arising out of the performance of any 172496  
duty required or authorized by this section. 172497

(9) As used in this section, "peace officer" has the meaning 172498  
set forth in section 2935.01 of the Revised Code. 172499

(E) All fees, except court costs, fees paid to a deputy 172500  
registrar, and those portions of the financial responsibility 172501  
reinstatement fees as otherwise specified in this division, 172502  
collected under this section shall be paid into the state treasury 172503  
to the credit of the public safety - highway purposes fund 172504  
established in section 4501.06 of the Revised Code and used to 172505  
cover costs incurred by the bureau in the administration of this 172506  
section and sections 4503.20, 4507.212, and 4509.81 of the Revised 172507  
Code, and by any law enforcement agency employing any peace 172508  
officer who returns any license, certificate of registration, and 172509  
license plates to the registrar pursuant to division (C) of this 172510  
section. 172511

Of each financial responsibility reinstatement fee the 172512  
registrar collects pursuant to division (A)(5)(a) of this section 172513  
or receives from a deputy registrar under division (A)(5)(d) of 172514

only to the extent that any provision in that chapter is not 172522  
clearly inconsistent with this section. 172523

(G)(1)(a) The registrar, court, traffic violations bureau, or 172524  
peace officer may require proof of financial responsibility to be 172525  
demonstrated by use of a standard form prescribed by the 172526  
registrar. If the use of a standard form is not required, a person 172527  
may demonstrate proof of financial responsibility under this 172528  
section by presenting to the traffic violations bureau, court, 172529  
registrar, or peace officer any of the following documents or a 172530  
copy of the documents: 172531

(i) A financial responsibility identification card as 172532  
provided in section 4509.103 of the Revised Code; 172533

(ii) A certificate of proof of financial responsibility on a 172534  
form provided and approved by the registrar for the filing of an 172535  
accident report required to be filed under section 4509.06 of the 172536  
Revised Code; 172537

(iii) A policy of liability insurance, a declaration page of 172538  
a policy of liability insurance, or liability bond, if the policy 172539  
or bond complies with section 4509.20 or sections 4509.49 to 172540  
4509.61 of the Revised Code; 172541

(iv) A bond or certification of the issuance of a bond as 172542  
provided in section 4509.59 of the Revised Code; 172543

(v) A certificate of deposit of money or securities as 172544  
provided in section 4509.62 of the Revised Code; 172545

(vi) A certificate of self-insurance as provided in section 172546  
4509.72 of the Revised Code. 172547

(b) A person also may present proof of financial 172548  
responsibility under this section to the traffic violations 172549  
bureau, court, registrar, or peace officer through use of an 172550  
electronic wireless communications device as specified under 172551

section 4509.103 of the Revised Code. 172552

(2) If a person fails to demonstrate proof of financial 172553  
responsibility in a manner described in division (G)(1) of this 172554  
section, the person may demonstrate proof of financial 172555  
responsibility under this section by any other method that the 172556  
court or the bureau, by reason of circumstances in a particular 172557  
case, may consider appropriate. 172558

(3) A motor carrier certificated by the interstate commerce 172559  
commission or by the public utilities commission may demonstrate 172560  
proof of financial responsibility by providing a statement 172561  
designating the motor carrier's operating authority and averring 172562  
that the insurance coverage required by the certificating 172563  
authority is in full force and effect. 172564

(4)(a) A finding by the registrar or court that a person is 172565  
covered by proof of financial responsibility in the form of an 172566  
insurance policy or surety bond is not binding upon the named 172567  
insurer or surety or any of its officers, employees, agents, or 172568  
representatives and has no legal effect except for the purpose of 172569  
administering this section. 172570

(b) The preparation and delivery of a financial 172571  
responsibility identification card or any other document 172572  
authorized to be used as proof of financial responsibility and the 172573  
generation and delivery of proof of financial responsibility to an 172574  
electronic wireless communications device that is displayed on the 172575  
device as text or images does not do any of the following: 172576

(i) Create any liability or estoppel against an insurer or 172577  
surety, or any of its officers, employees, agents, or 172578  
representatives; 172579

(ii) Constitute an admission of the existence of, or of any 172580  
liability or coverage under, any policy or bond; 172581

(iii) Waive any defenses or counterclaims available to an 172582

insurer, surety, agent, employee, or representative in an action 172583  
commenced by an insured or third-party claimant upon a cause of 172584  
action alleged to have arisen under an insurance policy or surety 172585  
bond or by reason of the preparation and delivery of a document 172586  
for use as proof of financial responsibility or the generation and 172587  
delivery of proof of financial responsibility to an electronic 172588  
wireless communications device. 172589

(c) Whenever it is determined by a final judgment in a 172590  
judicial proceeding that an insurer or surety, which has been 172591  
named on a document or displayed on an electronic wireless 172592  
communications device accepted by a court or the registrar as 172593  
proof of financial responsibility covering the operation of a 172594  
motor vehicle at the time of an accident or offense, is not liable 172595  
to pay a judgment for injuries or damages resulting from such 172596  
operation, the registrar, notwithstanding any previous contrary 172597  
finding, shall forthwith suspend the operating privileges and 172598  
registration rights of the person against whom the judgment was 172599  
rendered as provided in division (A)(2) of this section. 172600

(H) In order for any document or display of text or images on 172601  
an electronic wireless communications device described in division 172602  
(G)(1) of this section to be used for the demonstration of proof 172603  
of financial responsibility under this section, the document or 172604  
words or images shall state the name of the insured or obligor, 172605  
the name of the insurer or surety company, and the effective and 172606  
expiration dates of the financial responsibility, and designate by 172607  
explicit description or by appropriate reference all motor 172608  
vehicles covered which may include a reference to fleet insurance 172609  
coverage. 172610

(I) For purposes of this section, "owner" does not include a 172611  
licensed motor vehicle leasing dealer as defined in section 172612  
4517.01 of the Revised Code, but does include a motor vehicle 172613  
renting dealer as defined in section 4549.65 of the Revised Code. 172614

Nothing in this section or in section 4509.51 of the Revised Code 172615  
shall be construed to prohibit a motor vehicle renting dealer from 172616  
entering into a contractual agreement with a person whereby the 172617  
person renting the motor vehicle agrees to be solely responsible 172618  
for maintaining proof of financial responsibility, in accordance 172619  
with this section, with respect to the operation, maintenance, or 172620  
use of the motor vehicle during the period of the motor vehicle's 172621  
rental. 172622

(J) The purpose of this section is to require the maintenance 172623  
of proof of financial responsibility with respect to the operation 172624  
of motor vehicles on the highways of this state, so as to minimize 172625  
those situations in which persons are not compensated for injuries 172626  
and damages sustained in motor vehicle accidents. The general 172627  
assembly finds that this section contains reasonable civil 172628  
penalties and procedures for achieving this purpose. 172629

(K) Nothing in this section shall be construed to be subject 172630  
to section 4509.78 of the Revised Code. 172631

(L)(1) The registrar may terminate any suspension imposed 172632  
under this section and not require the owner to comply with 172633  
divisions (A)(5)(a), (b), and (c) of this section if the registrar 172634  
with or without a hearing determines that the owner of the vehicle 172635  
has established by clear and convincing evidence that all of the 172636  
following apply: 172637

(a) The owner customarily maintains proof of financial 172638  
responsibility. 172639

(b) Proof of financial responsibility was not in effect for 172640  
the vehicle on the date in question for one of the following 172641  
reasons: 172642

(i) The vehicle was inoperable. 172643

(ii) The vehicle is operated only seasonally, and the date in 172644  
question was outside the season of operation. 172645

(iii) A person other than the vehicle owner or driver was at fault for the lapse of proof of financial responsibility through no fault of the owner or driver.

(iv) The lapse of proof of financial responsibility was caused by excusable neglect under circumstances that are not likely to recur and do not suggest a purpose to evade the requirements of this chapter.

(2) The registrar may grant an owner or driver relief for a reason specified in division (L)(1)(b)(iii) or (iv) of this section only if the owner or driver has not previously been granted relief under division (L)(1)(b)(iii) or (iv) of this section.

(M) The registrar shall adopt rules in accordance with Chapter 119. of the Revised Code that are necessary to administer and enforce this section. The rules shall include procedures for the surrender of license plates upon failure to maintain proof of financial responsibility and provisions relating to reinstatement of registration rights, acceptable forms of proof of financial responsibility, the use of an electronic wireless communications device to present proof of financial responsibility, and verification of the existence of financial responsibility during the period of registration.

(N)(1) When a person utilizes an electronic wireless communications device to present proof of financial responsibility, only the evidence of financial responsibility displayed on the device shall be viewed by the registrar, peace officer, employee or official of the traffic violations bureau, or the court. No other content of the device shall be viewed for purposes of obtaining proof of financial responsibility.

(2) When a person provides an electronic wireless communications device to the registrar, a peace officer, an

employee or official of a traffic violations bureau, or the court, 172677  
the person assumes the risk of any resulting damage to the device 172678  
unless the registrar, peace officer, employee, or official, or 172679  
court personnel purposely, knowingly, or recklessly commits an 172680  
action that results in damage to the device. 172681

**Sec. 4510.03.** (A) Every county court judge, mayor of a 172682  
mayor's court, and clerk of a court of record shall keep a full 172683  
record of every case in which a person is charged with any 172684  
violation of any provision of sections 4511.01 to 4511.771 or 172685  
4513.01 to 4513.36 of the Revised Code or of any other law or 172686  
ordinance regulating the operation of vehicles, streetcars, and 172687  
trackless trolleys on highways or streets. 172688

(B) If a person is convicted of or forfeits bail in relation 172689  
to a violation of any section listed in division (A) of this 172690  
section or a violation of any other law or ordinance regulating 172691  
the operation of vehicles, streetcars, and trackless trolleys on 172692  
highways or streets, the county court judge, mayor of a mayor's 172693  
court, or clerk, within seven days after the conviction or bail 172694  
forfeiture, shall prepare and immediately forward to the bureau of 172695  
motor vehicles, in a secure electronic format, an abstract, 172696  
certified by the preparer to be true and correct, of the court 172697  
record covering the case in which the person was convicted or 172698  
forfeited bail. Every court of record also shall forward to the 172699  
bureau of motor vehicles, in a secure electronic format, an 172700  
abstract of the court record as described in division (C) of this 172701  
section upon the conviction of any person of aggravated vehicular 172702  
homicide or vehicular homicide or of a felony in the commission of 172703  
which a vehicle was used. 172704

(C) Each abstract required by this section shall be made upon 172705  
a form approved and furnished by the bureau and shall include the 172706  
name and address of the person charged, the number of the person's 172707

driver's or commercial driver's license, probationary driver's 172708  
license, or temporary instruction permit, the registration number 172709  
of the vehicle involved, the nature of the offense, the date of 172710  
the offense, the date of hearing, the plea, the judgment, or 172711  
whether bail was forfeited, and the amount of the fine or 172712  
forfeiture. 172713

**Sec. 4510.41.** (A) As used in this section: 172714

(1) "Arrested person" means a person who is arrested for a 172715  
violation of section 4510.14 or 4511.203 of the Revised Code, or a 172716  
municipal ordinance that is substantially equivalent to either of 172717  
those sections, and whose arrest results in a vehicle being seized 172718  
under division (B) of this section. 172719

(2) "Vehicle owner" means either of the following: 172720

(a) The person in whose name is registered, at the time of 172721  
the seizure, a vehicle that is seized under division (B) of this 172722  
section; 172723

(b) A person to whom the certificate of title to a vehicle 172724  
that is seized under division (B) of this section has been 172725  
assigned and who has not obtained a certificate of title to the 172726  
vehicle in that person's name, but who is deemed by the court as 172727  
being the owner of the vehicle at the time the vehicle was seized 172728  
under division (B) of this section. 172729

(3) "Interested party" includes the owner of a vehicle seized 172730  
under this section, all lienholders, the arrested person, the 172731  
owner of the place of storage at which a vehicle seized under this 172732  
section is stored, and the person or entity that caused the 172733  
vehicle to be removed. 172734

(B)(1) If a person is arrested for a violation of section 172735  
4510.14 or 4511.203 of the Revised Code or a municipal ordinance 172736  
that is substantially equivalent to either of those sections, the 172737

arresting officer or another officer of the law enforcement agency 172738  
that employs the arresting officer, in addition to any action that 172739  
the arresting officer is required or authorized to take by any 172740  
other provision of law, shall seize the vehicle that the person 172741  
was operating at the time of, or that was involved in, the alleged 172742  
offense if the vehicle is registered in the arrested person's name 172743  
and its license plates. A law enforcement agency that employs a 172744  
law enforcement officer who makes an arrest of a type that is 172745  
described in this division and that involves a rented or leased 172746  
vehicle that is being rented or leased for a period of thirty days 172747  
or less shall notify, within twenty-four hours after the officer 172748  
makes the arrest, the lessor or owner of the vehicle regarding the 172749  
circumstances of the arrest and the location at which the vehicle 172750  
may be picked up. At the time of the seizure of the vehicle, the 172751  
law enforcement officer who made the arrest shall give the 172752  
arrested person written notice that the vehicle and its license 172753  
plates have been seized; that the vehicle either will be kept by 172754  
the officer's law enforcement agency or will be immobilized at 172755  
least until the person's initial appearance on the charge of the 172756  
offense for which the arrest was made; that, at the initial 172757  
appearance, the court in certain circumstances may order that the 172758  
vehicle and license plates be released to the arrested person 172759  
until the disposition of that charge; that, if the arrested person 172760  
is convicted of that charge, the court generally must order the 172761  
immobilization of the vehicle and the impoundment of its license 172762  
plates or the forfeiture of the vehicle; and that the arrested 172763  
person may be charged expenses or charges incurred under this 172764  
section and section 4503.233 of the Revised Code for the removal 172765  
and storage of the vehicle. 172766

(2) The arresting officer or a law enforcement officer of the 172767  
agency that employs the arresting officer shall give written 172768  
notice of the seizure under division (B)(1) of this section to the 172769  
court that will conduct the initial appearance of the arrested 172770

person on the charges arising out of the arrest. Upon receipt of 172771  
the notice, the court promptly shall determine whether the 172772  
arrested person is the vehicle owner. If the court determines that 172773  
the arrested person is not the vehicle owner, it promptly shall 172774  
send by regular mail written notice of the seizure to the 172775  
vehicle's registered owner. The written notice shall contain all 172776  
of the information required by division (B)(1) of this section to 172777  
be in a notice to be given to the arrested person and also shall 172778  
specify the date, time, and place of the arrested person's initial 172779  
appearance. The notice also shall inform the vehicle owner that if 172780  
title to a motor vehicle that is subject to an order for criminal 172781  
forfeiture under this section is assigned or transferred and 172782  
division (B)(2) or (3) of section 4503.234 of the Revised Code 172783  
applies, the court may fine the arrested person the value of the 172784  
vehicle. The notice also shall state that if the vehicle is 172785  
immobilized under division (A) of section 4503.233 of the Revised 172786  
Code, seven days after the end of the period of immobilization a 172787  
law enforcement agency will send the vehicle owner a notice, 172788  
informing the owner that if the release of the vehicle is not 172789  
obtained in accordance with division (D)(3) of section 4503.233 of 172790  
the Revised Code, the vehicle shall be forfeited. The notice also 172791  
shall inform the vehicle owner that the owner may be charged 172792  
expenses or charges incurred under this section and section 172793  
4503.233 of the Revised Code for the removal and storage of the 172794  
vehicle. 172795

The written notice that is given to the arrested person also 172796  
shall state that if the person is convicted of or pleads guilty to 172797  
the offense and the court issues an immobilization and impoundment 172798  
order relative to that vehicle, division (D)(4) of section 172799  
4503.233 of the Revised Code prohibits the vehicle from being sold 172800  
during the period of immobilization without the prior approval of 172801  
the court. 172802

(3) At or before the initial appearance, the vehicle owner 172803  
may file a motion requesting the court to order that the vehicle 172804  
and its license plates be released to the vehicle owner. Except as 172805  
provided in this division and subject to the payment of expenses 172806  
or charges incurred in the removal and storage of the vehicle, the 172807  
court, in its discretion, then may issue an order releasing the 172808  
vehicle and its license plates to the vehicle owner. Such an order 172809  
may be conditioned upon such terms as the court determines 172810  
appropriate, including the posting of a bond in an amount 172811  
determined by the court. If the arrested person is not the vehicle 172812  
owner and if the vehicle owner is not present at the arrested 172813  
person's initial appearance, and if the court believes that the 172814  
vehicle owner was not provided with adequate notice of the initial 172815  
appearance, the court, in its discretion, may allow the vehicle 172816  
owner to file a motion within seven days of the initial 172817  
appearance. If the court allows the vehicle owner to file such a 172818  
motion after the initial appearance, the extension of time granted 172819  
by the court does not extend the time within which the initial 172820  
appearance is to be conducted. If the court issues an order for 172821  
the release of the vehicle and its license plates, a copy of the 172822  
order shall be made available to the vehicle owner. If the vehicle 172823  
owner presents a copy of the order to the law enforcement agency 172824  
that employs the law enforcement officer who arrested the arrested 172825  
person, the law enforcement agency promptly shall release the 172826  
vehicle and its license plates to the vehicle owner upon payment 172827  
by the vehicle owner of any expenses or charges incurred in the 172828  
removal or storage of the vehicle. 172829

(4) A vehicle seized under division (B)(1) of this section 172830  
either shall be towed to a place specified by the law enforcement 172831  
agency that employs the arresting officer to be safely kept by the 172832  
agency at that place for the time and in the manner specified in 172833  
this section or shall be otherwise immobilized for the time and in 172834  
the manner specified in this section. ~~A law enforcement officer of~~ 172835

~~that agency shall remove the identification license plates of the~~ 172836  
~~vehicle, and they shall be safely kept by the agency for the time~~ 172837  
~~and in the manner specified in this section. The license plates~~ 172838  
~~shall remain on the seized vehicle unless otherwise ordered by the~~ 172839  
~~court.~~ No vehicle that is seized and either towed or immobilized 172840  
pursuant to this division shall be considered contraband for 172841  
purposes of Chapter 2981. of the Revised Code. The vehicle shall 172842  
not be immobilized at any place other than a commercially operated 172843  
private storage lot, a place owned by a law enforcement or other 172844  
government agency, or a place to which one of the following 172845  
applies: 172846

(a) The place is leased by or otherwise under the control of 172847  
a law enforcement or other government agency. 172848

(b) The place is owned by the arrested person, the arrested 172849  
person's spouse, or a parent or child of the arrested person. 172850

(c) The place is owned by a private person or entity, and, 172851  
prior to the immobilization, the private entity or person that 172852  
owns the place, or the authorized agent of that private entity or 172853  
person, has given express written consent for the immobilization 172854  
to be carried out at that place. 172855

(d) The place is a public street or highway on which the 172856  
vehicle is parked in accordance with the law. 172857

(C)(1) A vehicle seized under division (B)(1) of this section 172858  
shall be safely kept at the place to which it is towed or 172859  
otherwise moved by the law enforcement agency that employs the 172860  
arresting officer until the initial appearance of the arrested 172861  
person relative to the charge in question. The license plates ~~of~~ 172862  
shall remain on the seized vehicle that are removed pursuant to 172863  
~~division (B)(1) of this section shall be safely kept by the law~~ 172864  
~~enforcement agency that employs the arresting officer until at~~ 172865  
~~least the initial appearance of the arrested person relative to~~ 172866

~~the charge in question unless otherwise ordered by the court.~~ 172867

(2)(a) At the initial appearance or not less than seven days 172868  
prior to the date of final disposition, the court shall notify the 172869  
arrested person that, if title to a motor vehicle that is subject 172870  
to an order for criminal forfeiture under this section is assigned 172871  
or transferred and division (B)(2) or (3) of section 4503.234 of 172872  
the Revised Code applies, the court may fine the arrested person 172873  
the value of the vehicle. If, at the initial appearance, the 172874  
arrested person pleads guilty to the violation of section 4510.14 172875  
or 4511.203 of the Revised Code, or a municipal ordinance that is 172876  
substantially equivalent to either of those sections or pleads no 172877  
contest to and is convicted of the violation, the following 172878  
sentencing provisions apply: 172879

(i) If the person violated section 4510.14 of the Revised 172880  
Code or a municipal ordinance that is substantially equivalent to 172881  
that section, the court shall impose sentence upon the person as 172882  
provided by law or ordinance; the court shall order the 172883  
immobilization of the vehicle the arrested person was operating at 172884  
the time of, or that was involved in, the offense if registered in 172885  
the arrested person's name and the impoundment of its license 172886  
plates under sections 4503.233 and 4510.14 of the Revised Code or 172887  
the criminal forfeiture to the state of the vehicle if registered 172888  
in the arrested person's name under sections 4503.234 and 4510.14 172889  
of the Revised Code, whichever is applicable; and the vehicle and 172890  
its license plates shall not be returned or released to the 172891  
arrested person. 172892

(ii) If the person violated section 4511.203 of the Revised 172893  
Code or a municipal ordinance that is substantially equivalent to 172894  
that section, the court shall impose sentence upon the person as 172895  
provided by law or ordinance; the court may order the 172896  
immobilization of the vehicle the arrested person was operating at 172897  
the time of, or that was involved in, the offense if registered in 172898

the arrested person's name and the impoundment of its license 172899  
plates under section 4503.233 and section 4511.203 of the Revised 172900  
Code or the criminal forfeiture to the state of the vehicle if 172901  
registered in the arrested person's name under section 4503.234 172902  
and section 4511.203 of the Revised Code, whichever is applicable; 172903  
and the vehicle and its license plates shall not be returned or 172904  
released to the arrested person. 172905

(b) If, at any time, the charge that the arrested person 172906  
violated section 4510.14 or 4511.203 of the Revised Code, or a 172907  
municipal ordinance that is substantially equivalent to either of 172908  
those sections is dismissed for any reason, the court shall order 172909  
that the vehicle seized at the time of the arrest and its license 172910  
plates immediately be released to the person. 172911

(D) If a vehicle and its license plates are seized under 172912  
division (B)(1) of this section and are not returned or released 172913  
to the arrested person pursuant to division (C) of this section, 172914  
the vehicle and its license plates shall be retained until the 172915  
final disposition of the charge in question. Upon the final 172916  
disposition of that charge, the court shall do whichever of the 172917  
following is applicable: 172918

(1) If the arrested person is convicted of or pleads guilty 172919  
to the violation of section 4510.14 of the Revised Code or a 172920  
municipal ordinance that is substantially equivalent to that 172921  
section, the court shall impose sentence upon the person as 172922  
provided by law or ordinance and shall order the immobilization of 172923  
the vehicle the person was operating at the time of, or that was 172924  
involved in, the offense if it is registered in the arrested 172925  
person's name and the impoundment of its license plates under 172926  
sections 4503.233 and 4510.14 of the Revised Code or the criminal 172927  
forfeiture of the vehicle if it is registered in the arrested 172928  
person's name under sections 4503.234 and 4510.14 of the Revised 172929  
Code, whichever is applicable. 172930

(2) If the arrested person is convicted of or pleads guilty to the violation of section 4511.203 of the Revised Code, or a municipal ordinance that is substantially equivalent to that section, the court shall impose sentence upon the person as provided by law or ordinance and may order the immobilization of the vehicle the person was operating at the time of, or that was involved in, the offense if it is registered in the arrested person's name and the impoundment of its license plates under section 4503.233 and section 4511.203 of the Revised Code or the criminal forfeiture of the vehicle if it is registered in the arrested person's name under section 4503.234 and section 4511.203 of the Revised Code, whichever is applicable.

(3) If the arrested person is found not guilty of the violation of section 4510.14 or 4511.203 of the Revised Code, or a municipal ordinance that is substantially equivalent to either of those sections, the court shall order that the vehicle and its license plates immediately be released to the arrested person.

(4) If the charge that the arrested person violated section 4510.14 or 4511.203 of the Revised Code, or a municipal ordinance that is substantially equivalent to either of those sections is dismissed for any reason, the court shall order that the vehicle and its license plates immediately be released to the arrested person.

(5) If the impoundment of the vehicle was not authorized under this section, the court shall order that the vehicle and its license plates be returned immediately to the arrested person or, if the arrested person is not the vehicle owner, to the vehicle owner and shall order that the state or political subdivision of the law enforcement agency served by the law enforcement officer who seized the vehicle pay all expenses and charges incurred in its removal and storage.

(E) If a vehicle is seized under division (B)(2) of this

section, the time between the seizure of the vehicle and either 172963  
its release to the arrested person pursuant to division (C) of 172964  
this section or the issuance of an order of immobilization of the 172965  
vehicle under section 4503.233 of the Revised Code shall be 172966  
credited against the period of immobilization ordered by the 172967  
court. 172968

(F)(1) Except as provided in division (D)(4) of this section, 172969  
the arrested person may be charged expenses or charges incurred in 172970  
the removal and storage of the immobilized vehicle. The court with 172971  
jurisdiction over the case, after notice to all interested 172972  
parties, including lienholders, and after an opportunity for them 172973  
to be heard, if the court finds that the arrested person does not 172974  
intend to seek release of the vehicle at the end of the period of 172975  
immobilization under section 4503.233 of the Revised Code or that 172976  
the arrested person is not or will not be able to pay the expenses 172977  
and charges incurred in its removal and storage, may order that 172978  
title to the vehicle be transferred, in order of priority, first 172979  
into the name of the person or entity that removed it, next into 172980  
the name of a lienholder, or lastly into the name of the owner of 172981  
the place of storage. 172982

Any lienholder that receives title under a court order shall 172983  
do so on the condition that it pay any expenses or charges 172984  
incurred in the vehicle's removal and storage. If the person or 172985  
entity that receives title to the vehicle is the person or entity 172986  
that removed it, the person or entity shall receive title on the 172987  
condition that it pay any lien on the vehicle. The court shall not 172988  
order that title be transferred to any person or entity other than 172989  
the owner of the place of storage if the person or entity refuses 172990  
to receive the title. Any person or entity that receives title 172991  
either may keep title to the vehicle or may dispose of the vehicle 172992  
in any legal manner that it considers appropriate, including 172993  
assignment of the certificate of title to the motor vehicle to a 172994

salvage dealer or a scrap metal processing facility. The person or 172995  
entity shall not transfer the vehicle to the person who is the 172996  
vehicle's immediate previous owner. 172997

If the person or entity that receives title assigns the motor 172998  
vehicle to a salvage dealer or scrap metal processing facility, 172999  
the person or entity shall send the assigned certificate of title 173000  
to the motor vehicle to the clerk of the court of common pleas of 173001  
the county in which the salvage dealer or scrap metal processing 173002  
facility is located. The person or entity shall mark the face of 173003  
the certificate of title with the words "FOR DESTRUCTION" and 173004  
shall deliver a photocopy of the certificate of title to the 173005  
salvage dealer or scrap metal processing facility for its records. 173006

(2) Whenever a court issues an order under division (F)(1) of 173007  
this section, the court also shall order removal of the license 173008  
plates from the vehicle and cause them to be sent to the registrar 173009  
if they have not already been sent to the registrar. Thereafter, 173010  
no further proceedings shall take place under this section or 173011  
under section 4503.233 of the Revised Code. 173012

(3) Prior to initiating a proceeding under division (F)(1) of 173013  
this section, and upon payment of the fee under division (B) of 173014  
section 4505.14, any interested party may cause a search to be 173015  
made of the public records of the bureau of motor vehicles or the 173016  
clerk of the court of common pleas, to ascertain the identity of 173017  
any lienholder of the vehicle. The initiating party shall furnish 173018  
this information to the clerk of the court with jurisdiction over 173019  
the case, and the clerk shall provide notice to the arrested 173020  
person, any lienholder, and any other interested parties listed by 173021  
the initiating party, at the last known address supplied by the 173022  
initiating party, by certified mail, or, at the option of the 173023  
initiating party, by personal service or ordinary mail. 173024

**Sec. 4735.13.** (A) Every real estate broker licensed under 173025

this chapter shall have and maintain a definite place of business 173026  
in this state. A post office box address is not a definite place 173027  
of business for purposes of this section. The license of a real 173028  
estate broker shall be prominently displayed in the office or 173029  
place of business of the broker, and no license shall authorize 173030  
the licensee to do business except from the location specified in 173031  
it. If the broker maintains more than one place of business within 173032  
the state, the broker shall apply for and procure a duplicate 173033  
license for each branch office maintained by the broker. Each 173034  
branch office shall be in the charge of a licensed broker or 173035  
salesperson. The branch office license shall be prominently 173036  
displayed at the branch office location. 173037

(B) The license of each real estate salesperson shall be 173038  
electronically mailed to and remain in the possession of the 173039  
licensed broker with whom the salesperson is or is to be 173040  
associated until the licensee places the license on inactive or 173041  
resigned status or until the salesperson leaves the brokerage or 173042  
is terminated. The broker shall keep a copy of each salesperson's 173043  
license in a way that it can, and shall on request, be made 173044  
immediately available for public inspection at the office or place 173045  
of business of the broker. Except as provided in divisions (G) and 173046  
(H) of this section, immediately upon the salesperson's leaving 173047  
the association or termination of the association of a real estate 173048  
salesperson with the broker, the broker shall ~~return the~~ 173049  
~~salesperson's license to~~ notify the superintendent of real estate 173050  
by electronic mail to the division of real estate's general 173051  
electronic mail address. The broker shall keep a copy of the 173052  
written notification for three years after it is sent. 173053

The failure of a broker to ~~return the license~~ notify the 173054  
superintendent of real estate in writing of a real estate 173055  
salesperson or broker who leaves or who is terminated, via 173056  
~~certified~~ electronic mail ~~return receipt requested~~, within three 173057

business days of the receipt of a written request from the 173058  
superintendent for ~~the return of the license~~ such notification, is 173059  
prima-facie evidence of misconduct under division (A)(6) of 173060  
section 4735.18 of the Revised Code. 173061

(C) A licensee shall notify the superintendent in writing 173062  
within fifteen days of any of the following occurrences: 173063

(1) The licensee is convicted of a felony. 173064

(2) The licensee is convicted of a crime involving moral 173065  
turpitude. 173066

(3) The licensee is found to have violated any federal, 173067  
state, or municipal civil rights law pertaining to discrimination 173068  
in housing. 173069

(4) The licensee is found to have engaged in a discriminatory 173070  
practice pertaining to housing accommodations described in 173071  
division (H) of section 4112.02 of the Revised Code. 173072

(5) The licensee is the subject of an order by the department 173073  
of commerce, the department of insurance, or the department of 173074  
agriculture revoking or permanently surrendering any professional 173075  
license, certificate, or registration. 173076

(6) The licensee is the subject of an order by any government 173077  
agency concerning real estate, financial matters, or the 173078  
performance of fiduciary duties with respect to any license, 173079  
certificate, or registration. 173080

If a licensee fails to notify the superintendent within the 173081  
required time, the superintendent immediately may suspend the 173082  
license of the licensee. 173083

Any court that convicts a licensee of a violation of any 173084  
municipal civil rights law pertaining to housing discrimination 173085  
also shall notify the Ohio civil rights commission within fifteen 173086  
days of the conviction. 173087

(D) In case of any change of business location, a broker shall give notice to the superintendent, on a form prescribed by the superintendent, within thirty days after the change of location, whereupon the superintendent shall issue new licenses for the unexpired period without charge. If a broker changes a business location without giving the required notice and without receiving new licenses that action is prima-facie evidence of misconduct under division (A)(6) of section 4735.18 of the Revised Code.

(E) If a real estate broker desires to associate with another real estate broker in the capacity of a real estate salesperson, the broker shall apply to the superintendent to deposit the broker's real estate broker's license with the superintendent and for the issuance of a real estate salesperson's license. The application shall be made on a form prescribed by the superintendent and shall be accompanied by the recommendation of the real estate broker with whom the applicant intends to become associated and a fee of thirty-four dollars for the real estate salesperson's license. One dollar of the fee shall be credited to the real estate education and research fund. If the superintendent is satisfied that the applicant is honest and truthful, has not been convicted of a disqualifying offense as determined in accordance with section 9.79 of the Revised Code, and has not been finally adjudged by a court to have violated any municipal, state, or federal civil rights laws relevant to the protection of purchasers or sellers of real estate, and that the association of the real estate broker and the applicant will be in the public interest, the superintendent shall grant the application and issue a real estate salesperson's license to the applicant. Any license so deposited with the superintendent shall be subject to this chapter. A broker who intends to deposit the broker's license with the superintendent, as provided in this section, shall give written notice of this fact in a format prescribed by the

superintendent to all salespersons associated with the broker when 173121  
applying to place the broker's license on deposit. 173122

(F) If a real estate broker desires to become a member or 173123  
officer of a partnership, association, limited liability company, 173124  
limited liability partnership, or corporation that is or intends 173125  
to become a licensed real estate broker, the broker shall notify 173126  
the superintendent of the broker's intentions. The notice of 173127  
intention shall be on a form prescribed by the superintendent and 173128  
shall be accompanied by a fee of thirty-four dollars. One dollar 173129  
of the fee shall be credited to the real estate education and 173130  
research fund. 173131

A licensed real estate broker who is a member or officer of a 173132  
partnership, association, limited liability company, limited 173133  
liability partnership, or corporation shall only act as a real 173134  
estate broker for such partnership, association, limited liability 173135  
company, limited liability partnership, or corporation. 173136

(G)(1) If a real estate broker or salesperson enters the 173137  
armed forces, the broker or salesperson may place the broker's or 173138  
salesperson's license on deposit with the Ohio real estate 173139  
commission. The licensee shall not be required to renew the 173140  
license until the renewal date that follows the date of discharge 173141  
from the armed forces. Any license deposited with the commission 173142  
shall be subject to this chapter. 173143

Any licensee whose license is on deposit under this division 173144  
and who fails to meet the continuing education requirements of 173145  
section 4735.141 of the Revised Code because the licensee is in 173146  
the armed forces shall satisfy the commission that the licensee 173147  
has complied with the continuing education requirements within 173148  
twelve months of the licensee's first birthday after discharge or 173149  
within the amount of time equal to the total number of months the 173150  
licensee spent on active duty, whichever is greater. The licensee 173151  
shall submit proper documentation of active duty service and the 173152

length of that active duty service to the superintendent. The 173153  
extension shall not exceed the total number of months that the 173154  
licensee served in active duty. The superintendent shall notify 173155  
the licensee of the licensee's obligations under section 4735.141 173156  
of the Revised Code at the time the licensee applies for 173157  
reactivation of the licensee's license. 173158

(2) If a licensee is a spouse of a member of the armed forces 173159  
and the spouse's service resulted in the licensee's absence from 173160  
this state, both of the following apply: 173161

(a) The licensee shall not be required to renew the license 173162  
until the renewal date that follows the date of the spouse's 173163  
discharge from the armed forces. 173164

(b) If the licensee fails to meet the continuing education 173165  
requirements of section 4735.141 of the Revised Code, the licensee 173166  
shall satisfy the commission that the licensee has complied with 173167  
the continuing education requirements within twelve months after 173168  
the licensee's first birthday after the spouse's discharge or 173169  
within the amount of time equal to the total number of months the 173170  
licensee's spouse spent on active duty, whichever is greater. The 173171  
licensee shall submit proper documentation of the spouse's active 173172  
duty service and the length of that active duty service. This 173173  
extension shall not exceed the total number of months that the 173174  
licensee's spouse served in active duty. 173175

(3) In the case of a licensee as described in division (G)(2) 173176  
of this section, who holds the license through a reciprocity 173177  
agreement with another state, the spouse's service shall have 173178  
resulted in the licensee's absence from the licensee's state of 173179  
residence for the provisions of that division to apply. 173180

(4) As used in this division, "armed forces" means the armed 173181  
forces of the United States or reserve component of the armed 173182  
forces of the United States including the Ohio national guard or 173183

the national guard of any other state. 173184

(H) If a licensed real estate salesperson submits an 173185  
application to the superintendent to leave the association of one 173186  
broker to associate with a different broker, the broker possessing 173187  
the licensee's license need not ~~return the salesperson's license~~ 173188  
~~to~~ notify the superintendent pursuant to division (B) of this 173189  
section. The superintendent may process the application regardless 173190  
of whether the licensee's license is returned to the 173191  
superintendent or the superintendent is notified pursuant to 173192  
division (B) of this section. 173193

**Sec. 4735.14.** (A) Each license issued under this chapter, 173194  
shall be valid without further recommendation or examination until 173195  
it is placed in an inactive or resigned status, is revoked or 173196  
suspended, or such license expires by operation of law. 173197

(B) Except for a licensee who has placed the licensee's 173198  
license in resigned status pursuant to section 4735.142 of the 173199  
Revised Code, each licensed broker, brokerage, or salesperson 173200  
shall file, on or before the date the Ohio real estate commission 173201  
has adopted by rule for that licensee in accordance with division 173202  
(A)(2)(f) of section 4735.10 of the Revised Code, a notice of 173203  
renewal on a form prescribed by the superintendent of real estate. 173204  
The notice of renewal shall be ~~mailed~~ sent by the superintendent 173205  
two months prior to the filing deadline to the ~~personal residence~~ 173206  
electronic mail address of each broker or salesperson that is on 173207  
file with the division. If the licensee is a partnership, 173208  
association, limited liability company, limited liability 173209  
partnership, or corporation, the notice of renewal shall be ~~mailed~~ 173210  
sent by the superintendent two months prior to the filing deadline 173211  
to the brokerage's business electronic mail address on file with 173212  
the division. A licensee shall not renew the licensee's license 173213  
any earlier than two months prior to the filing deadline. 173214

(C) Except as otherwise provided in division (B) of this section, the license of any real estate broker, brokerage, or salesperson that fails to file a notice of renewal on or before the filing deadline of each ensuing year shall be suspended automatically without the taking of any action by the superintendent. A suspended license may be reactivated within twelve months of the date of suspension, provided that the renewal fee plus a penalty fee of fifty per cent of the renewal fee is paid to the superintendent. Failure to reactivate the license as provided in this division shall result in automatic revocation of the license without the taking of any action by the superintendent. No person, partnership, association, corporation, limited liability company, or limited partnership shall engage in any act or acts for which a real estate license is required while that entity's license is placed in an inactive or resigned status, or is suspended, or revoked. The commission shall adopt rules in accordance with Chapter 119. of the Revised Code to provide to licensees notice of suspension or revocation or both.

(D) Each licensee shall notify the superintendent of a change in personal residence address within thirty days after the change of location. A licensee's failure to notify the superintendent of a change in personal residence address does not negate the requirement to file the license renewal by the required deadline established by the commission by rule under division (A)(2)(f) of section 4735.10 of the Revised Code. Each licensee shall maintain a valid electronic mail address on file with the division and notify the superintendent of any change in electronic mail address within thirty days after the change.

(E) The superintendent shall not renew a license if the licensee fails to comply with section 4735.141 of the Revised Code or is otherwise not in compliance with this chapter.

(F) The superintendent shall make notice of successful

renewal available electronically to licensees as soon as 173247  
practicable, but not later than thirty days after receipt by the 173248  
division of a complete application and renewal fee. This notice 173249  
shall serve as a notice of renewal for purposes of section 4745.02 173250  
of the Revised Code. 173251

**Sec. 5107.161.** Before a county department of job and family 173252  
services sanctions an assistance group under section 5107.16 of 173253  
the Revised Code, the state department of job and family services 173254  
shall provide the assistance group written notice of the sanction 173255  
in accordance with rules adopted under section 5107.05 of the 173256  
Revised Code. The written notice shall include a provision printed 173257  
in bold type face that informs the assistance group that, not 173258  
later than fifteen calendar days after the state department mailed 173259  
the written notice to the assistance group, the assistance group 173260  
may request, for the purpose of explaining why the assistance 173261  
group believes it should not be sanctioned, a state hearing under 173262  
division (B) of section 5101.35 of the Revised Code which, at the 173263  
assistance group's request, may be preceded by a ~~face-to-face~~ 173264  
county conference with the county department. The written notice 173265  
shall include either the telephone number of an Ohio works first 173266  
ombudsperson provided for under section 329.07 of the Revised Code 173267  
or the toll-free telephone number of the state department of job 173268  
and family services that the assistance group may call to obtain 173269  
the telephone number of an Ohio works first ombudsperson. 173270

**Sec. 5120.14.** (A) If a person who was convicted of or pleaded 173271  
guilty to an offense escapes from a correctional institution in 173272  
this state under the control of the department of rehabilitation 173273  
and correction or otherwise escapes from the custody of the 173274  
department, the department immediately after the escape shall 173275  
report the escape, by telephone and in writing, to all local law 173276  
enforcement agencies with jurisdiction in the county in which the 173277

institution from which the escape was made or to which the person 173278  
was sentenced is located, to all local law enforcement agencies 173279  
with jurisdiction in the county in which the person was convicted 173280  
or pleaded guilty to the offense for which the escaped person was 173281  
sentenced, to the state highway patrol, to the prosecuting 173282  
attorney of the county in which the institution from which the 173283  
escape was made or to which the person was sentenced is located, 173284  
to the prosecuting attorney of the county in which the person was 173285  
convicted or pleaded guilty to the offense for which the escaped 173286  
person was sentenced, to a newspaper of general circulation in the 173287  
county in which the institution from which the escape was made or 173288  
to which the person was sentenced is located, and to a newspaper 173289  
of general circulation in each county in which the escaped person 173290  
was indicted for an offense for which, at the time of the escape, 173291  
the escaped person had been sentenced to that institution. The 173292  
written notice may be by ~~either~~ facsimile transmission, electronic 173293  
mail, or mail. A failure to comply with this requirement is a 173294  
violation of section 2921.22 of the Revised Code. 173295

173296  
(B) Upon the apprehension of the escaped person, the 173297  
department shall give notice of the apprehension by telephone and 173298  
in writing to the persons who were given notice of the escape 173299  
under division (A) of this section. 173300

**Sec. 5165.193.** (A) The department of medicaid may, pursuant 173301  
to rules authorized by this section, conduct an exception review 173302  
of resident assessment data submitted by a nursing facility 173303  
provider under section 5165.191 of the Revised Code. The 173304  
department may conduct an exception review based on the findings 173305  
of a medicaid certification survey conducted by the department of 173306  
health, a risk analysis, or prior performance of the provider. 173307

Exception reviews shall be conducted ~~at the nursing facility~~ 173308

by appropriate health professionals under contract with or 173309  
employed by the department. The professionals may review resident 173310  
assessment forms and supporting documentation, conduct interviews, 173311  
and observe residents to identify any patterns or trends of 173312  
inaccurate resident assessments and resulting inaccurate case-mix 173313  
scores. 173314

(B) If an exception review is conducted before the effective 173315  
date of a nursing facility's rate for direct care costs that is 173316  
based on the resident assessment data being reviewed and the 173317  
review results in findings that exceed tolerance levels specified 173318  
in the rules authorized by this section, the department, in 173319  
accordance with those rules, may use the findings to redetermine 173320  
individual resident case-mix scores, the nursing facility's 173321  
case-mix score for the quarter, and the nursing facility's annual 173322  
average case-mix score. The department may use the nursing 173323  
facility's redetermined quarterly and annual average case-mix 173324  
scores to determine the nursing facility's rate for direct care 173325  
costs for the appropriate calendar quarter or quarters. 173326

(C) The department shall prepare a written summary of any 173327  
exception review finding that is made after the effective date of 173328  
a nursing facility's rate for direct care costs that is based on 173329  
the resident assessment data that was reviewed. Where the provider 173330  
is pursuing judicial or administrative remedies in good faith 173331  
regarding the finding, the department shall not withhold from the 173332  
provider's current payments any amounts the department claims to 173333  
be due from the provider pursuant to section 5165.41 of the 173334  
Revised Code. 173335

(D)(1) The medicaid director shall adopt rules under section 173336  
5165.02 of the Revised Code as necessary to implement this 173337  
section. The rules shall establish an exception review program 173338  
that does all of the following: 173339

(a) Requires each exception review to comply with Title XVIII 173340

and Title XIX; 173341

(b) Requires a written summary for each exception review that 173342  
states whether resident assessment forms have been completed 173343  
accurately; 173344

(c) Prohibits each health professional who conducts an 173345  
exception review from doing either of the following: 173346

(i) During the period of the professional's contract or 173347  
employment with the department, having or being committed to 173348  
acquire any direct or indirect financial interest in the 173349  
ownership, financing, or operation of nursing facilities in this 173350  
state; 173351

(ii) Reviewing any provider that has been a client of the 173352  
professional. 173353

(2) For the purposes of division (D)(1)(c)(i) of this 173354  
section, employment of a member of a health professional's family 173355  
by a nursing facility that the professional does not review does 173356  
not constitute a direct or indirect financial interest in the 173357  
ownership, financing, or operation of the nursing facility. 173358

**Sec. 5165.86.** The department of medicaid, the department of 173359  
health, and any contracting agency shall deliver a written notice, 173360  
statement, or order to a nursing facility under sections 5165.60 173361  
to 5165.66 and 5165.69 to 5165.89 of the Revised Code by certified 173362  
mail ~~or~~, hand delivery, or other means reasonably calculated to 173363  
provide prompt actual notice. If the notice, statement, or order 173364  
is mailed, it shall be addressed to the administrator of the 173365  
facility as indicated in the department's or agency's records. If 173366  
it is hand delivered, it shall be delivered to a person at the 173367  
facility who would appear to the average prudent person to have 173368  
authority to accept it. 173369

Delivery of written notice by a nursing facility to the 173370

department of health, the department of medicaid, or a contracting 173371  
agency under sections 5165.60 to 5165.89 of the Revised Code shall 173372  
be by certified mail ~~or~~, hand delivery, or other means reasonably 173373  
calculated to provide prompt actual notice to the appropriate 173374  
department or the agency. 173375

**Sec. 5166.303.** A home care attendant shall do all of the 173376  
following: 173377

(A) Maintain a clinical record for each consumer to whom the 173378  
attendant provides home care attendant services in a manner that 173379  
protects the consumer's privacy; 173380

(B) Participate in a face-to-face visit every ninety days 173381  
with all of the following to monitor the health and welfare of 173382  
each of the consumers to whom the attendant provides home care 173383  
attendant services: 173384

(1) The consumer; 173385

(2) The consumer's authorized representative, if any; 173386

(3) A registered nurse who agrees to answer any questions 173387  
that the attendant, consumer, or authorized representative has 173388  
about consumer care needs, medications, and other issues. 173389

(C) Document the activities of each visit required by 173390  
division (B) of this section in the consumer's clinical record 173391  
with the assistance of the registered nurse. 173392

(D) The face-to-face visit requirement in division (B) of 173393  
this section may be satisfied by telephone or electronically if 173394  
permitted by rules adopted under section 5166.02 of the Revised 173395  
Code. 173396

**Sec. 5168.08.** (A) Before or during each program year, the 173397  
department of medicaid shall ~~mail~~ issue to each hospital ~~by~~ 173398  
~~certified mail, return receipt requested,~~ the preliminary 173399

determination of the amount that the hospital is assessed under 173400  
section 5168.06 of the Revised Code during the program year. The 173401  
preliminary determination of a hospital's assessment shall be 173402  
calculated for a cost-reporting period that is specified in rules 173403  
adopted under section 5168.02 of the Revised Code. 173404

The department shall consult with hospitals each year when 173405  
determining the date on which it will ~~mail~~ issue the preliminary 173406  
determinations in order to minimize hospitals' cash flow 173407  
difficulties. 173408

If no hospital submits a request for reconsideration under 173409  
division (B) of this section, the preliminary determination 173410  
constitutes the final reconciliation of each hospital's assessment 173411  
under section 5168.06 of the Revised Code. The final 173412  
reconciliation is subject to adjustments under division (D) of 173413  
this section. 173414

(B) Not later than fourteen days after the preliminary 173415  
determinations are ~~mailed~~ issued, any hospital may submit to the 173416  
department a written request to reconsider the preliminary 173417  
determinations. The request shall be accompanied by written 173418  
materials setting forth the basis for the reconsideration. If one 173419  
or more hospitals submit a request, the department shall hold a 173420  
public hearing not later than thirty days after the preliminary 173421  
determinations are ~~mailed~~ issued to reconsider the preliminary 173422  
determinations. The department shall ~~mail~~ issue to each hospital a 173423  
written notice of the date, time, and place of the hearing at 173424  
least ten days prior to the hearing. On the basis of the evidence 173425  
submitted to the department or presented at the public hearing, 173426  
the department shall reconsider and may adjust the preliminary 173427  
determinations. The result of the reconsideration is the final 173428  
reconciliation of the hospital's assessment under section 5168.06 173429  
of the Revised Code. The final reconciliation is subject to 173430  
adjustments under division (D) of this section. 173431

(C) The department shall ~~mail~~ issue to each hospital a written notice of its assessment for the program year under the final reconciliation. A hospital may appeal the final reconciliation of its assessment to the court of common pleas of Franklin county. While a judicial appeal is pending, the hospital shall pay, in accordance with the schedules required by division (B) of section 5168.06 of the Revised Code, any amount of its assessment that is not in dispute into the hospital care assurance program fund created in section 5168.11 of the Revised Code.

(D) In the course of any program year, the department may adjust the assessment rate or rates established in rules pursuant to section 5168.06 of the Revised Code or adjust the amounts of intergovernmental transfers required under section 5168.07 of the Revised Code and, as a result of the adjustment, adjust each hospital's assessment and intergovernmental transfer, to reflect refinements made by the United States centers for medicare and medicaid services during that program year to the limits it prescribed under the "Social Security Act," section 1923(f), 42 U.S.C. 1396r-4(f). When adjusted, the assessment rate or rates must comply with division (A) of section 5168.06 of the Revised Code. An adjusted intergovernmental transfer must comply with division (A) of section 5168.07 of the Revised Code. The department shall notify hospitals of adjustments made under this division and adjust for the remainder of the program year the installments paid by hospitals under sections 5168.06 and 5168.07 of the Revised Code in accordance with rules adopted under section 5168.02 of the Revised Code.

**Sec. 5168.22.** (A) Before or during each assessment program year, the department of medicaid shall ~~mail~~ issue to each hospital ~~by certified mail, return receipt requested,~~ the preliminary determination of the amount that the hospital is assessed under section 5168.21 of the Revised Code for the assessment program

year. Except as provided in division (B) of this section, the preliminary determination becomes the final determination for the assessment program year fifteen days after the preliminary determination is ~~mailed~~ issued to the hospital.

(B) A hospital may request that the department reconsider the preliminary determination ~~mailed~~ issued to the hospital under division (A) of this section by submitting to the department a written request for a reconsideration not later than fourteen days after the hospital's preliminary determination is ~~mailed~~ issued to the hospital. The request must be accompanied by written materials setting forth the basis for the reconsideration. On receipt of the timely request, the department shall reconsider the preliminary determination and may adjust the preliminary determination on the basis of the written materials accompanying the request. The result of the reconsideration is the final determination of the hospital's assessment under section 5168.21 of the Revised Code for the assessment program year.

(C) The department shall ~~mail~~ issue to each hospital a written notice of the final determination of its assessment for the assessment program year. A hospital may appeal the final determination to the court of common pleas of Franklin county. While a judicial appeal is pending, the hospital shall pay, in accordance with section 5168.23 of the Revised Code, any amount of its assessment that is not in dispute.

**Sec. 5168.23.** Each hospital shall pay the amount it is assessed under section 5168.21 of the Revised Code in accordance with a payment schedule the department of medicaid shall establish for each assessment program year. The department shall consult with the Ohio hospital association before establishing the payment schedule for any assessment program year. The department shall include the payment schedule in each preliminary determination

notice the department ~~mail~~ issues to hospitals under division (A) 173495  
of section 5168.22 of the Revised Code. 173496

**Sec. 5525.01.** Before entering into a contract, the director 173497  
of transportation ~~shall~~ may advertise for bids for two consecutive 173498  
weeks in one newspaper of general circulation published in the 173499  
county in which the improvement or part thereof is located, but if 173500  
there is no such newspaper then in one newspaper having general 173501  
circulation in an adjacent county. In the alternative, the 173502  
director may advertise for bids as provided in section 7.16 of the 173503  
Revised Code. The director ~~may~~ shall advertise for bids in such 173504  
other publications as the director considers advisable. Such 173505  
notices shall state that plans and specifications for the 173506  
improvement are on file in the office of the director and the 173507  
district deputy director of the district in which the improvement 173508  
or part thereof is located and the time within which bids therefor 173509  
will be received. 173510

Each bidder shall be required to file with the bidder's bid a 173511  
bid guaranty in the form of a certified check, a cashier's check, 173512  
or an electronic funds transfer to the treasurer of state that is 173513  
evidenced by a receipt or by a certification to the director of 173514  
transportation in a form prescribed by the director that an 173515  
electronic funds transfer has been made to the treasurer of state, 173516  
for an amount equal to five per cent of the bidder's bid, but in 173517  
no event more than fifty thousand dollars, or a bid bond for ten 173518  
per cent of the bidder's bid, payable to the director, which 173519  
check, transferred sum, or bond shall be forthwith returned to the 173520  
bidder in case the contract is awarded to another bidder, or, in 173521  
case of a successful bidder, when the bidder has entered into a 173522  
contract and furnished the bonds required by section 5525.16 of 173523  
the Revised Code. In the event the contract is awarded to a 173524  
bidder, and the bidder fails or refuses to furnish the bonds as 173525

required by section 5525.16 of the Revised Code, the check, 173526  
transferred sum, or bid bond filed with the bidder's bid shall be 173527  
forfeited as liquidated damages. No bidder shall be required 173528  
either to file a signed contract with the bidder's bid, to enter 173529  
into a contract, or to furnish the contract performance bond and 173530  
the payment bond required by that section until the bids have been 173531  
opened and the bidder has been notified by the director that the 173532  
bidder is awarded the contract. 173533

The director shall permit a bidder to withdraw the bidder's 173534  
bid from consideration, without forfeiture of the check, 173535  
transferred sum, or bid bond filed with the bid, providing a 173536  
written request together with a sworn statement of the grounds for 173537  
such withdrawal is delivered within forty-eight hours after the 173538  
time established for the receipt of bids, and if the price bid was 173539  
substantially lower than the other bids, providing the bid was 173540  
submitted in good faith, and the reason for the price bid being 173541  
substantially lower was a clerical mistake evident on the face of 173542  
the bid, as opposed to a judgment mistake, and was actually due to 173543  
an unintentional and substantial arithmetic error or an 173544  
unintentional omission of a substantial quantity of work, labor, 173545  
or material made directly in the compilation of the bid. In the 173546  
event the director decides the conditions for withdrawal have not 173547  
been met, the director may award the contract to such bidder. If 173548  
such bidder does not then enter into a contract and furnish the 173549  
contract bond as required by law, the director may declare 173550  
forfeited the check, transferred sum, or bid bond as liquidated 173551  
damages and award the contract to the next higher bidder or reject 173552  
the remaining bids and readvertise the project for bids. Such 173553  
bidder, within thirty days, may appeal the decision of the 173554  
director to the court of common pleas of Franklin county and the 173555  
court may affirm or reverse the decision of the director and may 173556  
order the director to refund the amount of the forfeiture. At the 173557  
hearing before the common pleas court evidence may be introduced 173558

for and against the decision of the director. The decision of the 173559  
common pleas court may be appealed as in other cases. 173560

There is hereby created the ODOT letting fund, which shall be 173561  
in the custody of the treasurer of state but shall not be part of 173562  
the state treasury. All certified checks and cashiers' checks 173563  
received with bidders' bids, and all sums transferred to the 173564  
treasurer of state by electronic funds transfer in connection with 173565  
bidders' bids, under this section shall be credited to the fund. 173566  
All such bid guaranties shall be held in the fund until a 173567  
determination is made as to the final disposition of the money. If 173568  
the department determines that any such bid guaranty is no longer 173569  
required to be held, the amount of the bid guaranty shall be 173570  
returned to the appropriate bidder. If the department determines 173571  
that a bid guaranty under this section shall be forfeited, the 173572  
amount of the bid guaranty shall be transferred or, in the case of 173573  
money paid on a forfeited bond, deposited into the state treasury, 173574  
to the credit of the highway operating fund. Any investment 173575  
earnings of the ODOT letting fund shall be distributed as the 173576  
treasurer of state considers appropriate. 173577

The director shall require all bidders to furnish the 173578  
director, upon such forms as the director may prescribe, detailed 173579  
information with respect to all pending work of the bidder, 173580  
whether with the department of transportation or otherwise, 173581  
together with such other information as the director considers 173582  
necessary. 173583

In the event a bidder fails to submit anything required to be 173584  
submitted with the bid and then fails or refuses to so submit such 173585  
at the request of the director, the failure or refusal constitutes 173586  
grounds for the director, in the director's discretion, to declare 173587  
as forfeited the bid guaranty submitted with the bid. 173588

The director may reject any or all bids. Except in regard to 173589  
contracts for environmental remediation and specialty work for 173590

which there are no classes of work set out in the rules adopted by 173591  
the director, if the director awards the contract, the director 173592  
shall award it to the lowest competent and responsible bidder as 173593  
defined by rules adopted by the director under section 5525.05 of 173594  
the Revised Code, who is qualified to bid under sections 5525.02 173595  
to 5525.09 of the Revised Code. In regard to contracts for 173596  
environmental remediation and specialty work for which there are 173597  
no classes of work set out in the rules adopted by the director, 173598  
the director shall competitively bid the projects in accordance 173599  
with this chapter and shall award the contracts to the lowest and 173600  
best bidder. 173601

The award for all projects competitively let by the director 173602  
under this section shall be made within ten days after the date on 173603  
which the bids are opened, and the successful bidder shall enter 173604  
into a contract and furnish a contract performance bond and a 173605  
payment bond, as provided for in section 5525.16 of the Revised 173606  
Code, within ten days after the bidder is notified that the bidder 173607  
has been awarded the contract. 173608

The director may insert in any contract awarded under this 173609  
chapter a clause providing for value engineering change proposals, 173610  
under which a contractor who has been awarded a contract may 173611  
propose a change in the plans and specifications of the project 173612  
that saves the department time or money on the project without 173613  
impairing any of the essential functions and characteristics of 173614  
the project such as service life, reliability, economy of 173615  
operation, ease of maintenance, safety, and necessary standardized 173616  
features. If the director adopts the value engineering proposal, 173617  
the savings from the proposal shall be divided between the 173618  
department and the contractor according to guidelines established 173619  
by the director, provided that the contractor shall receive at 173620  
least fifty per cent of the savings from the proposal. The 173621  
adoption of a value engineering proposal does not invalidate the 173622

award of the contract or require the director to rebid the 173623  
project. 173624

**Sec. 5709.83.** (A) Except as otherwise provided in division 173625  
(B) or (C) of this section, prior to taking formal action to adopt 173626  
or enter into any instrument granting a tax exemption under 173627  
section 725.02, 1728.06, 5709.40, 5709.41, 5709.45, 5709.62, 173628  
5709.63, 5709.632, 5709.73, 5709.78, 5709.84, or 5709.88 of the 173629  
Revised Code or formally approving an agreement under section 173630  
3735.671 of the Revised Code, or prior to forwarding an 173631  
application for a tax exemption for residential property under 173632  
section 3735.67 of the Revised Code to the county auditor, the 173633  
legislative authority of the political subdivision or housing 173634  
officer shall notify the board of education of each city, local, 173635  
exempted village, or joint vocational school district in which the 173636  
proposed tax-exempted property is located. The notice shall 173637  
include a copy of the instrument or application. The notice shall 173638  
be delivered not later than fourteen days prior to the day the 173639  
legislative authority takes formal action to adopt or enter into 173640  
the instrument, or not later than fourteen days prior to the day 173641  
the housing officer forwards the application to the county 173642  
auditor. If the board of education comments on the instrument or 173643  
application to the legislative authority or housing officer, the 173644  
legislative authority or housing officer shall consider the 173645  
comments. If the board of education of the city, local, exempted 173646  
village, or joint vocational school district so requests, the 173647  
legislative authority or the housing officer shall meet ~~in person~~ 173648  
with a representative designated by the board of education to 173649  
discuss the terms of the instrument or application. 173650

(B) The notice otherwise required to be provided to boards of 173651  
education under division (A) of this section is not required if 173652  
the board has adopted a resolution waiving its right to receive 173653  
such notices, and that resolution remains in effect. If a board of 173654

education adopts such a resolution, the board shall cause a copy 173655  
of the resolution to be certified to the legislative authority. If 173656  
the board of education rescinds such a resolution, it shall 173657  
certify notice of the rescission to the legislative authority. A 173658  
board of education may adopt such a resolution with respect to any 173659  
one or more counties, townships, or municipal corporations 173660  
situated in whole or in part within the school district. 173661

(C) If a legislative authority is required to provide notice 173662  
to a city, local, or exempted village school district of its 173663  
intent to adopt or enter into any instrument granting a tax 173664  
exemption as required by section 3735.671, 5709.40, 5709.41, 173665  
5709.45, 5709.62, 5709.63, 5709.632, 5709.73, or 5709.78 of the 173666  
Revised Code, the legislative authority, before adopting a 173667  
resolution or ordinance or entering into an agreement under that 173668  
section, shall notify the board of education of each joint 173669  
vocational school district in which the property to be exempted is 173670  
located using the same time requirements for the notice that 173671  
applies to notices to city, local, and exempted village school 173672  
districts. The content of the notice and procedures for responding 173673  
to the notice are the same as required in division (A) of this 173674  
section. 173675

**Sec. 5736.041.** The tax commissioner shall prepare and 173676

canceled under section 5736.07 of the Revised Code. The list shall 173679  
contain the names and addresses of all such suppliers and each 173680  
supplier's account number for the tax imposed under section 173681  
5736.02 of the Revised Code. ~~The list shall be open to public~~ 173682  
~~inspection in the office of the commissioner.~~ The commissioner ~~may~~ 173683

**Sec. 5751.40.** (A) As used in this section and division 173685

(F)(2)(z) of section 5751.01 of the Revised Code: 173686

(1) "Qualifying distribution center receipts" means receipts 173687  
of a supplier from qualified property that is delivered to a 173688  
qualified distribution center, multiplied by a quantity that 173689  
equals one minus the Ohio delivery percentage. If the qualified 173690  
distribution center is a refining facility, "supplier" includes 173691  
all dealers, brokers, processors, sellers, vendors, cosigners, and 173692  
distributors of qualified property. 173693

(2) "Qualified property" means tangible personal property 173694  
delivered to a qualified distribution center that is shipped to 173695  
that qualified distribution center solely for further shipping by 173696  
the qualified distribution center to another location in this 173697  
state or elsewhere or, in the case of gold, silver, platinum, or 173698  
palladium delivered to a refining facility solely for refining to 173699  
a grade and fineness acceptable for delivery to a registered 173700  
commodities exchange. "Further shipping" includes storing and 173701  
repackaging property into smaller or larger bundles, so long as 173702  
the property is not subject to further manufacturing or 173703  
processing. "Refining" is limited to extracting impurities from 173704  
gold, silver, platinum, or palladium through smelting or some 173705  
other process at a refining facility. 173706

(3) "Qualified distribution center" means a warehouse, a 173707  
facility similar to a warehouse, or a refining facility in this 173708  
state that, for the qualifying year, is operated by a person that 173709  
is not part of a combined taxpayer group and that has a qualifying 173710  
certificate. All warehouses or facilities similar to warehouses 173711  
that are operated by persons in the same taxpayer group and that 173712  
are located within one mile of each other shall be treated as one 173713  
qualified distribution center. All refining facilities that are 173714  
operated by persons in the same taxpayer group and that are 173715  
located in the same or adjacent counties may be treated as one 173716

qualified distribution center. 173717

(4) "Qualifying year" means the calendar year to which the 173718  
qualifying certificate applies. 173719

(5) "Qualifying period" means the period of the first day of 173720  
July of the second year preceding the qualifying year through the 173721  
thirtieth day of June of the year preceding the qualifying year. 173722

(6) "Qualifying certificate" means the certificate issued by 173723  
the tax commissioner after the operator of a distribution center 173724  
files an annual application with the commissioner under division 173725  
(B) of this section. 173726

(7) "Ohio delivery percentage" means the proportion of the 173727  
total property delivered to a destination inside Ohio from the 173728  
qualified distribution center during the qualifying period 173729  
compared with total deliveries from such distribution center 173730  
everywhere during the qualifying period. 173731

(8) "Refining facility" means one or more buildings located 173732  
in a county in the Appalachian region of this state as defined by 173733  
section 107.21 of the Revised Code and utilized for refining or 173734  
smelting gold, silver, platinum, or palladium to a grade and 173735  
fineness acceptable for delivery to a registered commodities 173736  
exchange. 173737

(9) "Registered commodities exchange" means a board of trade, 173738  
such as New York mercantile exchange, inc. or commodity exchange, 173739  
inc., designated as a contract market by the commodity futures 173740  
trading commission under the "Commodity Exchange Act," 7 U.S.C. 1 173741  
et seq., as amended. 173742

(10) "Ineligible operator's supplier tax liability" means an 173743  
amount equal to the tax liability of all suppliers of a 173744  
distribution center had the distribution center not been issued a 173745  
qualifying certificate for the qualifying year. Ineligible 173746  
operator's supplier tax liability shall not include interest or 173747

penalties. 173748

(B) For purposes of division (B) of this section, "supplier" 173749  
excludes any person that is part of the consolidated elected 173750  
taxpayer group, if applicable, of the operator of the qualified 173751  
distribution center. 173752

(1) An application for a qualifying certificate to be a 173753  
qualified distribution center shall be filed, and an annual fee 173754  
paid, for each qualified distribution center on or before the 173755  
first day of September before the qualifying year or within 173756  
forty-five days after the distribution center opens, whichever is 173757  
later. The applicant must substantiate to the commissioner's 173758  
satisfaction that, for the qualifying period, all persons 173759  
operating the distribution center have more than fifty per cent of 173760  
the cost of the qualified property shipped to a location such that 173761  
it would be situated outside this state under the provisions of 173762  
division (E) of section 5751.033 of the Revised Code. The 173763  
applicant must also substantiate that the distribution center 173764  
cumulatively had costs from its suppliers equal to or exceeding 173765  
five hundred million dollars during the qualifying period. 173766

The commissioner may require an applicant to have an 173767  
independent certified public accountant certify that the 173768  
calculation of the minimum thresholds required for a qualified 173769  
distribution center by the operator of a distribution center has 173770  
been made in accordance with generally accepted accounting 173771  
principles. The commissioner shall issue or deny the issuance of a 173772  
certificate within sixty days after the receipt of the 173773  
application. A denial is subject to appeal under section 5717.02 173774  
of the Revised Code. If the operator files a timely appeal under 173775  
section 5717.02 of the Revised Code, the operator shall be granted 173776  
a qualifying certificate effective for the remainder of the 173777  
qualifying year or until the appeal is finalized, whichever is 173778  
earlier. If the operator does not prevail in the appeal, the 173779

operator shall pay the ineligible operator's supplier tax liability. 173780  
173781

(2) If the distribution center is new and was not open for 173782  
the entire qualifying period, the operator of the distribution 173783  
center may request that the commissioner grant a qualifying 173784  
certificate. If the certificate is granted and it is later 173785  
determined that more than fifty per cent of the qualified property 173786  
during that year was not shipped to a location such that it would 173787  
be situated outside of this state under the provisions of division 173788  
(E) of section 5751.033 of the Revised Code or if it is later 173789  
determined that the person that operates the distribution center 173790  
had average monthly costs from its suppliers of less than forty 173791  
million dollars during that year, then the operator of the 173792  
distribution center shall pay the ineligible operator's supplier 173793  
tax liability. 173794

(3) The commissioner may grant a qualifying certificate to a 173795  
distribution center that does not qualify as a qualified 173796  
distribution center for an entire qualifying period if the 173797  
operator of the distribution center demonstrates that the business 173798  
operations of the distribution center have changed or will change 173799  
such that the distribution center will qualify as a qualified 173800  
distribution center within thirty-six months after the date the 173801  
operator first applies for a certificate. If, at the end of that 173802  
thirty-six-month period, the business operations of the 173803  
distribution center have not changed such that the distribution 173804  
center qualifies as a qualified distribution center, the operator 173805  
of the distribution center shall pay the ineligible operator's 173806  
supplier tax liability for each year that the distribution center 173807  
received a certificate but did not qualify as a qualified 173808  
distribution center. For each year the distribution center 173809  
receives a certificate under division (B)(3) of this section, the 173810  
distribution center shall pay all applicable fees required under 173811

this section and shall submit an updated business plan showing the progress the distribution center made toward qualifying as a qualified distribution center during the preceding year.

(4) An operator may appeal a determination under division (B)(2) or (3) of this section that the ineligible operator is liable for the operator's supplier tax liability as a result of not qualifying as a qualified distribution center, as provided in section 5717.02 of the Revised Code.

(C)(1) When filing an application for a qualifying certificate under division (B)(1) of this section, the operator of a qualified distribution center also shall provide documentation, as the commissioner requires, for the commissioner to ascertain the Ohio delivery percentage. The commissioner, upon issuing the qualifying certificate, also shall certify the Ohio delivery percentage. The operator of the qualified distribution center may appeal the commissioner's certification of the Ohio delivery percentage in the same manner as an appeal is taken from the denial of a qualifying certificate under division (B)(1) of this section.

(2) In the case where the distribution center is new and not open for the entire qualifying period, the operator shall make a good faith estimate of an Ohio delivery percentage for use by suppliers in their reports of taxable gross receipts for the remainder of the qualifying period. The operator of the facility shall disclose to the suppliers that such Ohio delivery percentage is an estimate and is subject to recalculation. By the due date of the next application for a qualifying certificate, the operator shall determine the actual Ohio delivery percentage for the estimated qualifying period and proceed as provided in division (C)(1) of this section with respect to the calculation and recalculation of the Ohio delivery percentage. The supplier is required to file, within sixty days after receiving notice from

the operator of the qualified distribution center, amended reports 173844  
for the impacted calendar quarter or quarters or calendar year, 173845  
whichever the case may be. Any additional tax liability or tax 173846  
overpayment shall be subject to interest but shall not be subject 173847  
to the imposition of any penalty so long as the amended returns 173848  
are timely filed. 173849

(3) The operator of a distribution center that receives a 173850  
qualifying certificate under division (B)(3) of this section shall 173851  
make a good faith estimate of the Ohio delivery percentage that 173852  
the operator estimates will apply to the distribution center at 173853  
the end of the thirty-six-month period after the operator first 173854  
applied for a qualifying certificate under that division. The 173855  
result of the estimate shall be multiplied by a factor of one and 173856  
seventy-five one-hundredths. The product of that calculation shall 173857  
be the Ohio delivery percentage used by suppliers in their reports 173858  
of taxable gross receipts for each qualifying year that the 173859  
distribution center receives a qualifying certificate under 173860  
division (B)(3) of this section, except that, if the product is 173861  
less than five per cent, the Ohio delivery percentage used shall 173862  
be five per cent and that, if the product exceeds forty-nine per 173863  
cent, the Ohio delivery percentage used shall be forty-nine per 173864  
cent. 173865

(D) Qualifying certificates and Ohio delivery percentages 173866  
issued by the commissioner shall be ~~open to public inspection and~~ 173867  
~~shall be~~ timely published by the commissioner on the department of 173868  
taxation's web site and shall be accessible on that web site for 173869  
at least four years after the date of issuance. A supplier relying 173870  
in good faith on a certificate issued under this section shall not 173871  
be subject to tax on the qualifying distribution center receipts 173872  
under this section and division (F)(2)(z) of section 5751.01 of 173873  
the Revised Code. An operator receiving a qualifying certificate 173874  
is liable for the ineligible operator's supplier tax liability for 173875

each year the operator received a certificate but did not qualify 173876  
as a qualified distribution center. 173877

(E) The tax commissioner shall determine an ineligible 173878  
operator's supplier tax liability based on information that the 173879  
commissioner may request from the operator of the distribution 173880  
center. An operator shall provide a list of all suppliers of the 173881  
distribution center and the corresponding costs of qualified 173882  
property for the qualifying year at issue within sixty days of a 173883  
request by the commissioner under this division. 173884

(F) The annual fee for a qualifying certificate shall be one 173885  
hundred thousand dollars for each qualified distribution center. 173886  
If a qualifying certificate is not issued, the annual fee is 173887  
subject to refund after the exhaustion of all appeals provided for 173888  
in division (B)(1) of this section. The first one hundred thousand 173889  
dollars of the annual application fees collected each calendar 173890  
year shall be credited to the revenue enhancement fund. The 173891  
remainder of the annual application fees collected shall be 173892  
distributed in the same manner required under section 5751.20 of 173893  
the Revised Code. 173894

(G) The tax commissioner may require that adequate security 173895  
be posted by the operator of the distribution center on appeal 173896  
when the commissioner disagrees that the applicant has met the 173897  
minimum thresholds for a qualified distribution center as set 173898  
forth in this section. 173899

3772.131 of the Revised Code that are scheduled to take effect 173943  
December 29, 2023, be amended to read as follows: 173944

**Sec. 3772.13.** (A) No person may be employed as a key employee 173945  
of a casino operator, management company, or holding company 173946  
unless the person is the holder of a valid key employee license 173947  
issued by the commission. 173948

(B) No person may be employed as a key employee of a 173949  
gaming-related vendor unless that person is either the holder of a 173950  
valid key employee license issued by the commission, or the 173951  
person, at least five business days prior to the first day of 173952  
employment as a key employee, has filed a notification of 173953  
employment with the commission and subsequently files a completed 173954  
application for a key employee license within the first thirty 173955  
days of employment as a key employee. 173956

(C) Each applicant shall, before the issuance of any key 173957  
employee license, produce information, documentation, and 173958  
assurances as are required by this chapter and rules adopted 173959  
thereunder. In addition, each applicant shall, in writing, 173960  
authorize the examination of all bank accounts and records as may 173961  
be deemed necessary by the commission. 173962

(D) To be eligible for a key employee license, the applicant 173963  
shall be at least twenty-one years of age and shall meet the 173964  
criteria set forth by rule by the commission. 173965

(E) Each application for a key employee license shall be on a form prescribed by the commission and shall contain all information required by the commission. The applicant shall set forth in the application if the applicant has been issued prior gambling-related licenses; if the applicant has been licensed in any other state under any other name, and, if so, the name under which the license was issued and the applicant's age at the time the license was issued; any criminal conviction the applicant has had; and if a permit or license issued to the applicant in any other state has been suspended, restricted, or revoked, and, if so, the cause and the duration of each action. The applicant also shall complete a cover sheet for the application on which the applicant shall disclose the applicant's name, the business address of the casino operator, management company, holding company, or gaming-related vendor employing the applicant, the business address and telephone number of such employer, and the county, state, and country in which the applicant's residence is located.

(F) Each applicant shall submit with each application, on a form provided by the commission, two sets of fingerprints. The commission shall charge each applicant an application fee set by the commission to cover all actual costs generated by each licensee and all background checks under this section and section 3772.07 of the Revised Code.

(G)(1) The casino operator, management company, or holding company by whom a person is employed as a key employee shall terminate the person's employment in any capacity requiring a license under this chapter and shall not in any manner permit the person to exercise a significant influence over the operation of a casino facility if:

(a) The person does not apply for and receive a key employee license within three months of being issued a provisional license,

as established under commission rule. 173998

(b) The person's application for a key employee license is 173999  
denied by the commission. 174000

(c) The person's key employee license is revoked by the 174001  
commission. 174002

The commission shall notify the casino operator, management 174003  
company, or holding company who employs such a person by certified 174004  
mail, personal service, common carrier service utilizing any form 174005  
of delivery requiring a signed receipt or by an electronic means 174006  
that provides evidence of delivery, of any such finding, denial, 174007  
or revocation. 174008

(2) A casino operator, management company, or holding company 174009  
shall not pay to a person whose employment is terminated under 174010  
division (G)(1) of this section, any remuneration for any services 174011  
performed in any capacity in which the person is required to be 174012  
licensed, except for amounts due for services rendered before 174013  
notice was received under that division. A contract or other 174014  
agreement for personal services or for the conduct of any casino 174015  
gaming at a casino facility between a casino operator, management 174016  
company, or holding company and a person whose employment is 174017  
terminated under division (G)(1) of this section may be terminated 174018  
by the casino operator, management company, or holding company 174019  
without further liability on the part of the casino operator, 174020  
management company, or holding company. Any such contract or other 174021  
agreement is deemed to include a term authorizing its termination 174022  
without further liability on the part of the casino operator, 174023  
management company, or holding company upon receiving notice under 174024  
division (G)(1) of this section. That a contract or other 174025  
agreement does not expressly include such a term is not a defense 174026  
in any action brought to terminate the contract or other 174027  
agreement, and is not grounds for relief in any action brought 174028  
questioning termination of the contract or other agreement. 174029

(3) A casino operator, management company, or holding company, without having obtained the prior approval of the commission, shall not enter into any contract or other agreement with a person who has been found unsuitable, who has been denied a license, or whose license has been revoked under division (G)(1) of this section, or with any business enterprise under the control of such a person, after the date on which the casino operator, management company, or holding company receives notice under that division. 174030  
174031  
174032

final plan that provides for funding of the 9-1-1 system in part 176550  
through charges imposed under section ~~128.22~~128.35 of the Revised 176551  
Code, the board of county commissioners shall not act by 176552

county. The board of county commissioners shall certify a copy of 177079  
the resolution to the board of elections not less than ninety days 177080

at an election held pursuant to this section. 177084

In any year, the board of county commissioners may impose a 177085  
lesser charge than the amount originally approved by the electors. 177086  
The board may change the amount of the charge no more than once a 177087  
year. The board may not impose a charge greater than the amount 177088  
approved by the electors without first holding an election on the 177089  
question of the greater charge. 177090

(D) Money raised from a monthly charge on telephone access 177091  
lines under this section shall be deposited into a special fund 177092

In complying with this division, any county may seek the assistance of the steering committee with regard to operating and maintaining a 9-1-1 system.

**Sec. ~~128.26~~ 128.38.** (A) This section applies only to a county that has a final plan for a countywide 9-1-1 system that either has not been approved in the county under section 128.08 of the Revised Code or has been approved but has not been put into operation because of a lack of funding.

(B) A board of county commissioners may adopt a resolution imposing a monthly charge on telephone access lines to pay for the operating and equipment costs of establishing and maintaining no more than one public safety answering point of a countywide 9-1-1 system. The resolution shall state the amount of the charge, which shall not exceed fifty cents per month, and the month the charge will first be imposed, which shall be no earlier than four months after the special election held pursuant to this section. Each residential and business telephone company customer within the area of the county served by the 9-1-1 system shall pay the monthly charge for each of its residential or business customer

access lines or their equivalent. 177124

Before adopting a resolution under this division, the board 177125  
of county commissioners shall hold at least two public hearings on 177126  
the proposed charge. Before the first hearing, the board shall 177127  
publish notice of the hearings once a week for two consecutive 177128  
weeks in a newspaper of general circulation in the county or as 177129  
provided in section 7.16 of the Revised Code. The notice shall 177130  
state the amount of the proposed charge, an explanation of the 177131  
necessity for the charge, and the date, time, and location of each 177132  
of the hearings. 177133

(C) A resolution adopted under division (B) of this section 177134  
shall direct the board of elections to submit the question of 177135  
imposing the charge to the electors of the county at a special 177136

county. The board of county commissioners shall certify a copy of 177138  
the resolution to the board of elections not less than ninety days 177139  
before the day of the special election. No resolution adopted 177140  
under division (B) of this section shall take effect unless 177141  
approved by a majority of the electors voting upon the resolution 177142  
at an election held pursuant to this section. 177143

In any year, the board of county commissioners may impose a 177144  
lesser charge than the amount originally approved by the electors. 177145  
The board may change the amount of the charge no more than once a 177146  
year. The board shall not impose a charge greater than the amount 177147

(D) Money raised from a monthly charge on telephone access 177150  
lines under this section shall be deposited into a special fund 177151

be used only for the necessary operating and equipment costs of 177154  
establishing and maintaining no more than one public safety 177155

answering point of a countywide 9-1-1 system pursuant to a 177156  
resolution adopted under division (B) of this section. In 177157  
complying with this division, any county may seek the assistance 177158  
of the steering committee with regard to operating and maintaining 177159  
a 9-1-1 system. 177160

(E) Nothing in ~~sections 128.01 to 128.34 of the Revised Code~~ 177161  
this chapter precludes a final plan adopted in accordance with 177162  
those sections from being amended to provide that, by agreement 177163  
included in the plan, a public safety answering point of another 177164  
countywide 9-1-1 system is the public safety answering point of a 177165  
countywide 9-1-1 system funded through a monthly charge imposed in 177166  
accordance with this section. In that event, the county for which 177167  
the public safety answering point is provided shall be deemed the 177168  
subdivision operating the public safety answering point for 177169  
purposes of ~~sections 128.01 to 128.34 of the Revised Code~~ this 177170

128.03 of the Revised Code, the county shall pay only so much of 177172  
the costs associated with establishing, equipping, furnishing, 177173  
operating, or maintaining the public safety answering point 177174  
specified in the agreement included in the final plan. 177175

(F) Pursuant to the voter approval required by division (C) 177176  
of this section, the final plan for a countywide 9-1-1 system that 177177  
will be funded through a monthly charge imposed in accordance with 177178  
this section, or that will be amended to include an agreement 177179  
described in division (E) of this section, shall be amended by the 177180  
existing 9-1-1 ~~planning~~ program review committee, and the 177181  
amendment of such a final plan is not an amendment of a final plan 177182  
for the purpose of division (A) of section 128.12 of the Revised 177183  
Code. 177184

**Sec. ~~128.27~~ 128.39.** (A) As part of its normal monthly billing 177185

charge imposed under section ~~128.25~~ 128.37 or ~~128.26~~ 128.38 of the 177188  
Revised Code. The company may list the charge as a separate entry 177189  
on each bill and may indicate on the bill that the charge is made 177190  
pursuant to approval of a ballot issue by county voters. Any 177191  
customer billed by a company for a charge imposed under section 177192

customer owes the company. The company shall keep complete records 177196  
of charges it bills and collects, and such records shall be open 177197  
during business hours for inspection by the county commissioners 177198  
or their agents or employees. If a company fails to bill any 177199  
customer for the charge, it is liable to the county for the amount 177200  
that was not billed. 177201

(B) A telephone company that collects charges under this 177202  
section shall remit the money to the county on a quarterly basis. 177203  
The company may retain three per cent of any charge it collects as 177204  
compensation for the costs of such collection. If a company 177205  
collects charges under this section and fails to remit the money 177206  
to the county as prescribed, it is liable to the county for any 177207  
amount collected and not remitted. 177208
