A BILL

To amend section 3317.13 of the Revised Code to 1
increase the base teacher salary to \$50,000. 2

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 3317.13 of the Revised Code be 3
amended to read as follows: 4

Sec. 3317.13. (A) As used in this section and section 5
3317.14 of the Revised Code: 6

(1) "Years of service" includes the following: 7

(a) All years of teaching service in the same school 8
district or educational service center, regardless of training 9
level, with each year consisting of at least one hundred twenty 10
days under a teacher's contract; 11

(b) All years of teaching service in a chartered, 12
nonpublic school located in Ohio as a teacher licensed pursuant 13
to section 3319.22 of the Revised Code or in another public 14
school, regardless of training level, with each year consisting 15
of at least one hundred twenty days under a teacher's contract; 16

(c) All years of teaching service in a chartered school or institution or a school or institution that subsequently became chartered or a chartered special education program or a special education program that subsequently became chartered operated by the state or by a subdivision or other local governmental unit of this state as a teacher licensed pursuant to section 3319.22 of the Revised Code, regardless of training level, with each year consisting of at least one hundred twenty days; and

(d) All years of active military service in the armed forces of the United States, as defined in section 3307.75 of the Revised Code, to a maximum of five years. For purposes of this calculation, a partial year of active military service of eight continuous months or more in the armed forces shall be counted as a full year.

(2) "Teacher" means all teachers employed by the board of education of any school district, including any cooperative education or joint vocational school district and all teachers employed by any educational service center governing board.

(B) No teacher shall be paid a salary less than that provided in the schedule set forth in division (C) of this section. In calculating the minimum salary any teacher shall be paid pursuant to this section, years of service shall include the sum of all years of the teacher's teaching service included in divisions (A) (1) (a), (b), (c), and (d) of this section; except that any school district or educational service center employing a teacher new to the district or educational service center shall grant such teacher a total of not more than ten years of service pursuant to divisions (A) (1) (b), (c), and (d) of this section.

Upon written complaint to the director of education and

workforce that the board of education of a district or the governing board of an educational service center governing board has failed or refused to annually adopt a salary schedule or to pay salaries in accordance with the salary schedule set forth in division (C) of this section, the director shall cause to be made an immediate investigation of such complaint. If the director finds that the conditions complained of exist, the director shall order the board to correct such conditions within ten days from the date of the finding. No moneys shall be distributed to the district or educational service center under this chapter until the director has satisfactory evidence of the board of education's full compliance with such order.

Each teacher shall be fully credited with placement in the appropriate academic training level column in the district's or educational service center's salary schedule with years of service properly credited pursuant to this section or section 3317.14 of the Revised Code. No rule shall be adopted or exercised by any board of education or educational service center governing board which restricts the placement or the crediting of annual salary increments for any teacher according to the appropriate academic training level column.

(C) Minimum salaries exclusive of retirement and sick leave for teachers shall be as follows:
