A BILL

To amend sections 3319.226 and 3319.229 and to 1
enact section 3319.2212 of the Revised Code 2
regarding the teaching of career-technical 3
education. 4

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 3319.226 and 3319.229 be amended 5
and section 3319.2212 of the Revised Code be enacted to read as 6
follows: 7

Sec. 3319.226. (A) Beginning July 1, 2019, the state board 8
of education shall issue educator licenses for substitute 9
teaching only under this section. 10

(B) Except as provided in division (E) of this section, 11
the state board shall adopt rules establishing standards and 12
requirements for obtaining a license under this section and for 13
renewal of the license. Except as provided in division ~~(F)~~ (G) 14
of section 3319.229 of the Revised Code, the rules shall require 15
an applicant to hold a post-secondary degree, but not in any 16
specified subject area. The rules also shall allow the holder of 17

a license issued under this section to work:	18
(1) For an unlimited number of school days if the license holder has a post-secondary degree in either education or a subject area directly related to the subject of the class the license holder will teach;	19 20 21 22
(2) For one full semester, subject to the approval of the employing school district board of education, if the license holder has a post-secondary degree in a subject area that is not directly related to the subject of the class that the license holder will teach.	23 24 25 26 27
The district superintendent may request that the board approve one or more additional subsequent semester-long periods of teaching for the license holder.	28 29 30
(C) The rules adopted under division (B) of this section shall permit a substitute career-technical teaching license holder to teach outside the license holder's certified career field for up to one semester, subject to approval of the employing school district superintendent.	31 32 33 34 35
(D) Any license issued or renewed under former section 3319.226 of the Revised Code that was still in force on November 2, 2018, shall remain in force for the remainder of the term for which it was issued or renewed. Upon the expiration of that term, the holder of that license shall be subject to licensure under the rules adopted under this section.	36 37 38 39 40 41
(E) The state board shall issue an educator license for substitute teaching in accordance with Chapter 4796. of the Revised Code to an applicant if either of the following applies:	42 43 44
(1) The applicant holds a license in another state.	45

(2) The applicant has satisfactory work experience, a 46
government certification, or a private certification as 47
described in that chapter as a substitute teacher in a state 48
that does not issue that license. 49

Sec. 3319.229. (A) (1) Notwithstanding the repeal of former 50
section 3319.229 of the Revised Code by S.B. 216 of the 132nd 51
general assembly, the state board of education shall accept 52
applications for new, and for renewal of, professional career- 53
technical teaching licenses through June 30, 2019, and issue 54
them on the basis of the applications received by that date in 55
accordance with the rules described in that former section. 56
Except as otherwise provided in section 3319.2212 of the Revised 57
Code, and divisions (A) (2) and (3) of this section, beginning 58
July 1, 2019, the state board shall issue career-technical 59
workforce development educator licenses only under this section. 60

(2) An individual who, on July 1, 2019, holds a 61
professional career-technical teaching license issued under the 62
rules described in former section 3319.229 of the Revised Code, 63
may continue to renew that license in accordance with those 64
rules for the remainder of the individual's teaching career. 65
However, nothing in this division shall be construed to prohibit 66
the individual from applying to the state board for a career- 67
technical workforce development educator license under this 68
section. 69

(3) An individual who, on July 1, 2019, holds an 70
alternative resident educator license for teaching career- 71
technical education issued under section 3319.26 of the Revised 72
Code may, upon the expiration of the license, apply for a 73
professional career-technical teaching license issued under the 74
rules described in former section 3319.229 of the Revised Code. 75

Such an individual may continue to renew the professional 76
license in accordance with those rules for the remainder of the 77
individual's teaching career. However, nothing in this division 78
shall be construed to prohibit the individual from applying to 79
the state board for a career-technical workforce development 80
educator license under this section. 81

(B) Except as provided in division ~~(G)~~(H) of this 82
section, the state board, in collaboration with the chancellor 83
of higher education, shall adopt rules establishing standards 84
and requirements for obtaining a two-year initial career- 85
technical workforce development educator license and a five-year 86
advanced career-technical workforce development educator 87
license. Each license shall be valid for teaching career- 88
technical education or workforce development programs in grades 89
four through twelve. The rules shall require applicants for 90
either license to have a high school diploma or a certificate of 91
high school equivalence as awarded under section 3301.80 of the 92
Revised Code or as recognized as the equivalent of such 93
certificate under division (C) of that section. 94

~~(C)(1)~~(C) Except as provided in division ~~(G)~~(H) of this 95
section, the state board shall issue an initial career-technical 96
workforce development educator license to an applicant upon 97
request from the applicant or the superintendent of a school 98
district that has agreed to employ the applicant. In making the 99
request, the applicant or superintendent shall provide 100
documentation, in accordance with procedures prescribed by the 101
state board, showing that the applicant has at least five years 102
of work experience, or the equivalent, in the subject area in 103
which the applicant will teach. The license requested by a 104
superintendent shall be valid for teaching only in the 105
requesting district. The applicant or superintendent also shall 106

provide documentation, in accordance with procedures prescribed 107
by the state board, that the applicant is enrolled in a program 108
described in division (D) of this section. 109

As a condition of continuing to hold the initial career- 110
technical workforce development license, the holder of the 111
license shall be participating in a program described in 112
division (D) of this section. 113

The state board shall renew an initial career-technical 114
workforce development educator license if the supervisor of the 115
program described in division (D) of this section or the 116
superintendent of the employing school district indicate that 117
the applicant is making sufficient progress in both the program 118
and, if applicable, the teaching position. 119

(D) An applicant for a license under division (C) of this 120
section shall be enrolled in one of the following: 121

(1) A in a career-technical workforce development educator 122
preparation program offered by an institution of higher 123
education that has an existing teacher preparatory program in 124
place that meets all of the following criteria: 125

(a) Is approved by the chancellor of higher education to 126
provide instruction in teaching methods and principles; 127

(b) Provides classroom support to the license holder; 128

(c) Includes at least three semester hours of coursework 129
in the teaching of reading in the subject area; 130

(d) Is aligned with career-technical education and 131
workforce development competencies developed by the department 132
of education and workforce; 133

(e) Uses a summative performance-based assessment 134

developed by the program and aligned to the competencies 135
described in division ~~(C) (1) (d)~~ (D) (1) (d) of this section to 136
evaluate the license holder's knowledge and skills; 137

(f) Consists of not less than twenty-four semester hours 138
of coursework, or the equivalent. 139

~~(2) As a condition of continuing to hold the initial 140
career technical workforce development license, the holder of 141
the license shall be participating in a career technical 142
workforce development educator preparation program described in 143
division (C) (1) of this section. 144~~

~~(3) The state board shall renew an initial career 145
technical workforce development educator license if the 146
supervisor of the program described in division (C) (1) of this 147
section and the superintendent of the employing school district 148
indicate that the applicant is making sufficient progress in 149
both the program and the teaching position. 150~~

~~(D) If the applicant has obtained an offer of employment 151
as a classroom teacher, a modified educator preparation program 152
created by one or more lead districts, as defined in section 153
3317.023 of the Revised Code. The program shall include both of 154
the following: 155~~

~~(a) Not less than nine credit hours or three semester 156
hours of coursework in the area to be taught; 157~~

~~(b) Not less than forty-five hours of local professional 158
development designed by the employing district. 159~~

~~(3) If the applicant has obtained an offer of employment 160
as a classroom teacher, a two-year alternative career-technical 161
licensure program under which an employing district provides a 162
mentoring program that includes all of the following: 163~~

(a) An assigned mentor who holds a license issued under sections 3319.22 to 3319.31 of the Revised Code, or who has served in the capacity of an administrator; 164
165
166

(b) A competency based self-assessment developed and approved by the state board of education, in consultation with individuals in the career-technical education field; 167
168
169

(c) A personal learning plan approved by the lead district, or the district's designee; 170
171

(d) Participation in a structured mentoring program aligned to the individual's personal learning plan and consisting of ninety clock hours of professional development during the initial two-year license period. 172
173
174
175

(E) Except as provided in division ~~(C)~~(H) of this section, the state board shall issue an advanced career-technical workforce development educator license to an applicant who has successfully completed ~~the~~either of the following: 176
177
178
179

(1) A program described in division ~~(C)(1)~~(D)(1) of this section, as indicated by the supervisor of the program, and who demonstrates mastery of the applicable career-technical education and workforce development competencies described in division ~~(C)(1)(d)~~(D)(1)(d) of this section in the teaching position, as indicated by the superintendent of the employing school district; 180
181
182
183
184
185
186

(2) A program described in division (D)(2) or (3) of this section, as indicated by the supervisor of the program, and has taught under the initial career-technical workforce development educator license for four school years. 187
188
189
190

~~(E)~~(F) The holder of an advanced career-technical workforce development educator license shall work with a local 191
192

professional development committee established under section 193
3319.22 of the Revised Code in meeting requirements for renewal 194
of the license. 195

~~(F)~~ (G) Notwithstanding the provisions of section 3319.226 196
of the Revised Code, the state board shall not require any 197
applicant for an educator license for substitute teaching who 198
holds a license issued under this section to hold a post- 199
secondary degree in order to be issued a license under section 200
3319.226 of the Revised Code to work as a substitute teacher for 201
career-technical education classes. 202

~~(G)~~ (H) The state board shall issue a license to practice 203
as an initial career-technical workforce development educator or 204
advanced career-technical workforce development educator in 205
accordance with Chapter 4796. of the Revised Code to an 206
applicant if either of the following applies: 207

(1) The applicant holds a license in another state. 208

(2) The applicant has satisfactory work experience, a 209
government certification, or a private certification as 210
described in that chapter as a career-technical workforce 211
development educator in a state that does not issue one or both 212
of those licenses. 213

Sec. 3319.2212. (A) (1) Notwithstanding anything to the 214
contrary in section 3319.229 of the Revised Code, the state 215
board of education shall issue a two-year career-technical 216
educator license to an individual who meets all of the following 217
conditions: 218

(a) The individual holds a valid educator license issued 219
under sections 3319.22 to 3319.31 of the Revised Code. 220

(b) The individual has at least five years of work 221

experience in the subject area the individual will teach, or the 222
individual's work experience has been affirmed by a panel of 223
experts as required by the state board of education. 224

(c) The superintendent of the employing school district 225
has made an informal recommendation of appointment for the 226
individual to a position as a career-technical educator. 227

(2) Each employing district or school shall assign a 228
mentor to any teacher it employs to teach under this division. 229

A license issued under this section shall be renewable 230
only once to enable the license holder to apply for a 231
professional career-technical workforce development educator 232
license. 233

(B) The state board of education shall issue an advanced 234
career-technical workforce development educator license to a 235
person who holds a license issued under division (A) of this 236
section upon the completion of the four years of teaching 237
experience under that license. A license issued under this 238
division shall be valid for five years and shall be renewable. 239

Section 2. That existing sections 3319.226 and 3319.229 of 240
the Revised Code are hereby repealed. 241
