the act in question in the prior criminal action against the 440
person that is the basis of the revocation or denial and may 441
continue the revocation or denial, may reinstate the person's 442
license, with or without limits, or may grant the person a new 443
license, with or without limits. The decision of the board shall 444
be based on grounds for revoking, denying, suspending, or 445
limiting a license adopted by rule under division (G) of this 446
section and in accordance with the evidentiary standards the 447
board employs for all other licensure hearings. The decision of 448

119. of the Revised Code. 450

(3) A person whose license is revoked or denied under 451
division (C) of this section shall not apply for any license if 452
the plea of guilty, finding of guilt, or conviction that is the 453

basis of the revocation or denial, upon completion of the 454
criminal appeal, either is upheld or is overturned but the state 455
board continues the revocation or denial under division (E) (2) 456
of this section and that continuation is upheld on final appeal. 457

(F) The state board may take action under division (B) of 458
this section, and the state board or the superintendent shall 459
take the action required under division (C) of this section, on 460

jurisdiction outside this state or occurring before a person 462
applies for or receives any license. 463

(G) The state board may adopt rules in accordance with 464
Chapter 119. of the Revised Code to carry out this section and 465
section 3319.311 of the Revised Code. 466

(H) The state board shall not refuse to issue a license to 467
an applicant because of a conviction of, a plea of guilty to, or 468
a finding of guilt by a jury or court of an offense unless the 469
refusal is in accordance with section 9.79 of the Revised Code. 470

the student's parent and provide a written description of the 630

~~within seventy-two hours after that threat has ceased.~~ 635

(3) In the event that one of the circumstances described 636
in division (B) (4) of this section is triggered and the school 637
district initiates action in response to division (B) (4) of this 638
section or pursuant to section 2151.421, 3313.66, 3313.666, or 639
3313.669 of the Revised Code, the school district shall, within 640

provide a written description of the triggering circumstance, 642
including which features of the device were accessed and a 643

at any time when the notice itself would pose a threat to life 645
or safety. 646

Unless otherwise provided by law, no person shall release, 647
or permit access to, educational support services data 648
concerning any student attending a public school for any 649

devices, shall indicate which entity is responsible for 662
providing notice under this section. 663

Sec. 3320.04. Each school district board of education 664
shall adopt a policy that reasonably accommodates the sincerely 665
held religious beliefs and practices of individual students with 666
regard to all examinations or other academic requirements and 667
absences for reasons of faith or religious or spiritual belief 668
system. The policy shall satisfy all of the following 669
conditions: 670

(A) The policy shall permit a student in any of grades 671
kindergarten through twelve to be absent for up to three 672
religious expression days each school year to take holidays for 673
reasons of faith or religious or spiritual belief system or 674

of a religious denomination, church, or other religious or 676
spiritual organization. The district shall not impose an 677
academic penalty as a result of a student being absent as 678
permitted in the policy. The policy shall also permit students 679
to participate in interscholastic athletics or other 680
extracurricular activities on days in which the student was 681
otherwise absent for a religious expression day. 682

(B) (1) The policy shall require that students be provided 683
with alternative accommodations with regard to examinations and 684
other academic requirements missed due to an absence described 685

in division (A) of this section if not later than fourteen 686
school days after the first day of school, or fourteen school 687
days after the date of enrollment for a student who transfers to 688
or enrolls in the district after the first day of school, the 689
parent or guardian of a student provides the school principal 690
with written notice of up to three specific dates for which 691
alternative accommodations are requested, if an absence approved 692
under division (B)(2) of this section conflicts with an 693
examination or other academic requirement on that date. 694

(2) The school principal shall approve not more than three 695
written requests per school year from a student's parent or 696
guardian for an excused absence under division (A) of this 697
section. The school principal shall approve such requests 698
without inquiry into the sincerity of a student's religious or 699
spiritual belief system. However, the school principal may 700
verify a request received under division (A) of this section by 701
contacting the parent or guardian whose signature appears on the 702
request. If a parent or guardian disputes having signed such a 703
request, the school principal may deny the request. Upon 704
approval of a request that satisfies division (B)(1) of this 705
section, a school principal shall require the appropriate 706
classroom teacher or teachers to schedule a time and date for an 707
alternative examination or other academic requirement if the 708
approved student absence creates a conflict, which may be before 709
or after the time and date the examination or other academic 710
requirement was originally scheduled. 711

(C) The policy shall require the district board to post 712
both of the following in a prominent location on the district's 713
web site: 714

provide further information about the policy; 717

(2) A nonexhaustive list of major religious holidays, 718
festivals, and religious observations, which may include, Eid, 719
Good Friday, Rosh Hashanah, Yom Kippur, and Passover, for which 720
an excused absence under this section shall not be unreasonably 721
withheld or denied. 722

The ~~state superintendent~~ director of education and 723
workforce shall provide each district with a nonexhaustive list 724
of major religious holidays or festivals for the next two school 725
years, including Eid, Good Friday, Rosh Hashanah, Yom Kippur, 726
and Passover, at the beginning of each school year. Each 727
district may adopt the ~~state superintendent's~~ director's list in 728
its entirety or choose which holidays to include on its list. 729

Each time a district's policy is posted, printed, or 730
published, including as described in divisions (C) and (D) of 731
this section, the district shall include a statement that the 732
list is nonexhaustive, and the list may not be used to deny 733
accommodation to a student for a holiday or festival of the 734
student's faith or religious or spiritual belief system that 735
does not appear on the list. 736

Nothing in this section, and no inclusion or exclusion of 737
a religious holiday or festival on the list posted by a 738
district, shall preclude a student from full and reasonable 739
accommodations for any sincerely held religious beliefs and 740
practices with regard to all examinations or other academic 741
requirements and absences for reasons of faith or religious or 742
spiritual belief system provided under this section. 743

(D) The policy shall require school districts annually to 744

convey to parents and guardians the policy adopted under this 745
section, including a description of the general procedure for 746
requesting accommodations. The manner in which the school 747
district conveys the information shall be determined at the 748
discretion of the district. 749

(E) The policy shall include a procedure under which a 750
student, parent, or guardian may notify the district of any 751
grievance with regard to the implementation of the policy 752
required under this section. 753

(F) Any days excused under this section shall not be 754
considered in determining absence hours for the purposes of 755
parental notification under division (C) (1) of section 3321.191 756
of the Revised Code. 757

Sec. 3326.04. (A) The STEM committee shall grant 758
distinctions as STEM programs of excellence to STEM programs 759
operated by joint vocational school districts, comprehensive 760
career-technical education providers, compact career-technical 761
education providers, and educational service centers in 762
accordance with this section. 763

(B) A joint vocational school district, comprehensive 764
career-technical education provider, compact career-technical 765
education provider, or educational service center may submit a 766
proposal to the STEM committee seeking distinction as a STEM 767
program of excellence. The proposal shall demonstrate to the 768
satisfaction of the STEM committee that the program meets at 769
least the following standards: 770

~~(1) Unless the program is designed to serve only students~~ 771
~~identified as gifted under Chapter 3324. of the Revised Code,~~ 772
~~the~~ The program will serve all students enrolled in the grades 773

for ~~which~~ ~~whom~~ the program is designed, which may be limited to 774
certain categories of students such as students identified as 775
gifted under Chapter 3324. of the Revised Code. 776

(2) The program will provide students with the opportunity 777
to innovate, develop an entrepreneurial spirit, engage in 778
inquiry, and collaborate with individual accountability. 779

(3) The program will offer a rigorous, diverse, 780
integrated, and problem- or project-based curriculum to 781
students, with the goal to prepare students for post-secondary 782
learning experiences, the workforce, and citizenship, and that 783
does all of the following: 784

(a) Emphasizes and supports the role of science, 785
technology, engineering, and mathematics in promoting innovation 786
and economic progress; 787

(b) Emphasizes the use of design thinking ~~as a school-wide~~ 788
~~approach;~~ 789

(c) Provides opportunities for students to engage in 790
personalized learning; 791

(d) Includes the arts and humanities. If the proposal is 792
for distinction as a STEAM program of excellence, it also shall 793
include evidence that the curriculum will integrate arts and 794
design into the study of science, technology, engineering, and 795
mathematics to foster creative thinking, problem-solving, and 796
new approaches to scientific invention. 797

(4) The district, provider, or service center leadership 798
supports the curriculum principles of division (B) (3) of this 799
section. 800

(5) The program's leaders participate in regular STEM- 801

focused professional development and share knowledge of best 802
practices. 803

(6) The program has established partnerships with 804
institutions of higher education and businesses. If the proposal 805
is for distinction as a STEAM program of excellence, it also 806
shall include evidence of established partnerships with one or 807
more arts organizations. 808

(7) The program has received commitments of sustained and 809
verifiable fiscal and in-kind support from regional education 810
and business entities. If the proposal is for distinction as a 811
STEAM program of excellence, the program also has received 812
commitments of sustained and verifiable fiscal and in-kind 813
support from arts organizations; 814

(8) The program's curriculum was developed using the 815
principles described in division (B)(3) of this section and 816
approved by a team in accordance with section 3326.09 of the 817
Revised Code. 818

(C)(1) If a joint vocational school district, 819
comprehensive career-technical education provider, compact 820
career-technical education provider, or educational service 821
center receives a distinction as a STEM program of excellence 822
under this section, it shall maintain that distinction for five 823
years unless the STEM committee revokes the distinction during 824
that five-year period under division (E) of this section. At the 825
end of that five-year period, the district, provider, or service 826
center shall reapply to the STEM committee in order to maintain 827
that distinction. The committee shall authorize the continuation 828
of the district's, provider's, or service center's distinction 829
as a STEM program of excellence if the committee finds that the 830
district, provider, or service center is in compliance with this 831

chapter and the provisions of its proposal and any subsequent 832
amendments to that proposal. 833

If a joint vocational school district, comprehensive 834
career-technical education provider, compact career-technical 835
education provider, or educational service center chooses not to 836
reapply for a distinction for a STEM program of excellence under 837
division (C)(1) of this section, the committee shall revoke the 838
district's, provider's, or service center's distinction at the 839
end of its five-year period of distinction. 840

(2) If a joint vocational school district, comprehensive 841
career-technical education provider, compact career-technical 842
education provider, or educational service center reapplies for 843
distinction as a STEM program of excellence under division (C) 844
(1) of this section and the committee has reason to believe that 845
it is not in compliance with this chapter or the provisions of 846
its proposal and any subsequent amendments to that proposal, the 847
committee shall require the district, provider, or service 848
center, in collaboration with the department of education and 849
workforce and the Ohio STEM learning network or its successor, 850
to develop a corrective action plan. The district, provider, or 851
service center shall implement the corrective action plan and 852
demonstrate exemplary STEM pedagogy and practices within one 853
year of the plan's development. If the district, provider, or 854
service center fails to implement the corrective action plan to 855
the satisfaction of the committee at the end of that year, the 856
committee shall revoke the district's, provider's, or service 857
center's distinction. 858

(3) The department shall maintain records of the 859
application status and designation renewal deadlines for each 860
joint vocational school district, comprehensive career-technical 861

education provider, compact career-technical education provider, 862
or educational service center that has received a distinction as 863
a STEM program of excellence under this section. 864

(D) If the STEM committee has reason to believe that a 865
joint vocational school district, comprehensive career-technical 866
education provider, compact career-technical education provider, 867
or educational service center that has received a distinction as 868
a STEM program of excellence under this section is not in 869
compliance with this chapter or the provisions of its proposal 870
and any subsequent amendments to that proposal, it may review 871
the district's, provider's, or service center's distinction 872
prior to the end of the five-year period during which that 873
distinction is effective. If the committee reviews a district's, 874
provider's, or service center's distinction under this division, 875
it must require the district, provider, or service center to 876
develop a corrective action plan in the same manner as specified 877
in division (C) (2) of this section and implement that plan and 878
demonstrate exemplary STEM pedagogy and practices within one 879
year of the plan's development. If the district, provider, or 880
service center fails to implement the corrective action plan to 881
the satisfaction of the committee at the end of that year, the 882
committee shall revoke the district's, provider's, or service 883
center's distinction. 884

(E) If a joint vocational school district, comprehensive 885
career-technical education provider, compact career-technical 886
education provider, or educational service center that has 887
received distinction for a STEM program of excellence instead 888
wishes to receive a distinction for a STEAM program of 889
excellence, it may change its existing proposal to include the 890
items required under divisions (B) (3) (d), (B) (6), and (B) (7) of 891
this section and submit the revised proposal to the STEM 892

committee for approval. 893

Section 2. That existing sections 3314.023, 3319.226, 894
3319.229, 3319.233, 3319.31, 3319.325, 3319.326, 3319.327, 895
3320.04, and 3326.04 of the Revised Code are hereby repealed. 896

Section 3. Section 3319.31 of the Revised Code is 897
presented in this act as a composite of the section as amended 898
by both H.B. 147 and S.B. 29 of the 135th General Assembly. The 899
General Assembly, applying the principle stated in division (B) 900
of section 1.52 of the Revised Code that amendments are to be 901
harmonized if reasonably capable of simultaneous operation, 902
finds that the composite is the resulting version of the section 903
in effect prior to the effective date of the section as 904
presented in this act. 905

Section 4. The amendment by this act of sections 3319.31, 906
3319.325, 3319.326, and 3319.327 of the Revised Code is hereby 907
declared to be an emergency measure necessary for the immediate 908
preservation of the public peace, health, and safety. The reason 909
for such necessity is to ensure that changes made by this act 910
can be incorporated into the provisions enacted in S.B. 29 of 911
the 135th General Assembly and implemented in a timely manner. 912
Therefore, sections 3319.31, 3319.325, 3319.326, and 3319.327 of 913
the Revised Code shall go into immediate effect. 914
