this section be denied entrance into the universal regulatory 268

reasons for the recommendation, including why a temporary waiver 270

such harm or expenses. 275

(4) If the applicable agency determines that the 276
consumer's or public's health, safety, or financial well-being 277

agency shall provide a recommendation of how that may be 280
achieved. 281

(5) If an applicable agency fails to deliver a written 282

with the applicant in demonstrating an offering has been 303
convicted, entered a plea of nolo contendere, or entered a plea 304
of guilty or nolo contendere held in abeyance, for any crime 305
involving significant theft, fraud, or dishonesty. 306

(C) (1) The regulatory relief office shall provide all 307
applications received under section 1357.06 of the Revised Code 308
and written reports received under this section, other than 309
those rejected under division (B) of this section, to the 310
universal regulatory sandbox program advisory committee. 311

license or other authorization to the applicant; 329

(2) Whether the applicable agency has previously 330

<u>investigated, sanctioned, or pursued legal action against the</u>	331
<u>applicant;</u>	332
<u>(3) Whether a competitor to the applicant is or has been a</u>	333
<u>universal regulatory sandbox participant;</u>	334
<u>(4) Whether the applicant's plan adequately protects</u>	335
<u>consumers from potential harm;</u>	336
<u>(5) The risk of harm to consumers as compared to the</u>	337
<u>potential benefits of the applicant's participation in the</u>	338
<u>universal regulatory sandbox.</u>	339
<u>(E) (1) Either the regulatory relief office or the director</u>	340
<u>of commerce may deny any application submitted under this</u>	341
<u>chapter for any reason, including if the office or director</u>	342
<u>determines that the preponderance of evidence demonstrates that</u>	343
<u>suspending or waiving enforcement of a law or regulation would</u>	344
<u>cause a significant risk of harm to consumers or residents of</u>	345
<u>the state.</u>	346
<u>(2) If the office or director denies an application under</u>	347
<u>division (E) (1) or (B) of this section, the office shall provide</u>	348
<u>to the applicant a written description of the reasons for not</u>	349
<u>allowing the applicant to participate in the universal</u>	350

<u>application is final.</u>	353
Sec. 1357.08. <u>(A) (1) Subject to division (B) of section</u>	354

suspends a law or regulation does so only with respect to 368
consumers who are residents of this state. 369

(4) An agreement under this section does not restrict a 370
sandbox participant that holds a license or other authorization 371
in another state or jurisdiction from acting in accordance with 372
that license or other authorization. 373

(D) The sandbox participant shall notify the regulatory 493
relief office and each applicable agency of any incidents that 494

a consumer. If a sandbox participant fails to notify the 496
regulatory relief office and each applicable agency of any 497
incidents as described in division (D) (1) of this section, or 498
the regulatory relief office or an applicable agency has 499
evidence that significant harm to a consumer has occurred, the 500
regulatory relief office may immediately remove the sandbox 501
participant from the universal regulatory sandbox. 502

(E) Not later than thirty days after the date on which a 503
sandbox participant exits the regulatory sandbox, the sandbox 504
participant shall submit a written report to the regulatory 505
relief office and each applicable agency describing the sandbox 506
participant's demonstration, including all of the following: 507

(1) Any incidents of harm to consumers; 508

(2) Any legal action filed against the sandbox participant 509
as a result of the participant's demonstration; 510

(3) Any complaints filed with an applicable agency as a 511
result of the sandbox participant's demonstration. 512

(F) Not later than thirty days after the date on which an 513
applicable agency receives a quarterly reporting or written 514
report from a sandbox participant as required by this section, 515
the applicable agency shall provide a written report to the 516
regulatory relief office on the demonstration that describes any 517
statutory or regulatory reform the applicable agency recommends 518
as a result of the demonstration. 519

(G) The regulatory relief office may remove a sandbox 520
participant from the universal regulatory sandbox at any time if 521
the regulatory relief office determines that a sandbox 522
participant has engaged in, is engaging in, or is about to 523
engage in any practice or transaction that is in violation of 524
this chapter or that constitutes a violation of a law or 525
regulation for which suspension or waiver has not been granted. 526

Sec. 1357.13. (A) The regulatory relief office shall 527
create and maintain a publicly accessible page on the department 528
of commerce's web site that invites residents and businesses in 529
this state to make suggestions regarding laws and regulations 530
that could be modified or eliminated to reduce the regulatory 531

burden of residents and businesses in the state. 532

(B) On at least a quarterly basis, the regulatory relief 533
office shall compile the results of suggestions from the web 534
page and provide a written report to the governor and the 535
general assembly, in accordance with section 101.68 of the 536
Revised Code, that describes the most common suggestions. 537

(C) In creating the report, the regulatory relief office 538
and the advisory committee shall ensure that private information 539
of residents and businesses that make suggestions on the web 540
page is not made public. The regulatory relief office may 541
evaluate the suggestions and provide analysis and suggestions 542
regarding which state laws and regulations could be modified or 543
eliminated to reduce the regulatory burden of residents and 544
businesses in the state while still protecting consumers. 545
