assessment. 163

(II) The chartered nonpublic school develops a written 164

plan in which the school, in consultation with the student's 165
parents, determines that an assessment or alternative assessment 166
with accommodations does not accurately assess the student's 167
academic performance. The plan shall include an academic profile 168
of the student's academic performance and shall be reviewed 169
annually to determine if the student's needs continue to require 170
excusal from taking the assessment. 171

(ii) A student with significant cognitive disabilities to 172
whom an alternate assessment is administered in accordance with 173
division (C) (1) of this section and a student determined to have 174

taken one or more of the assessments required by this section to 189
the department not later than the thirtieth day of June. 190

(3) No school district board shall excuse any English 191
learner from taking any particular assessment required to be 192
administered under this section, except that any English learner 193
who has been enrolled in United States schools for less than two 194

years and for whom no appropriate accommodations are available 195
based on guidance issued by the department shall not be required 196
to take the assessment prescribed under division (B) (1) of 197
section 3301.0712 of the Revised Code. 198

However, no board shall prohibit an English learner who is 199
not required to take that assessment from taking the assessment. 200

A board may permit any English learner to take an 201
assessment required to be administered under this section with 202

For each English learner, each school district shall 204

with the rules adopted under section 3301.0731 of the Revised 209
Code. 210

(4) (a) The governing authority of a chartered nonpublic 211
school may excuse an English learner from taking any assessment 212
administered under this section. 213

(b) No governing authority shall require an English 214
learner who has been enrolled in United States schools for less 215
than two years and for whom no appropriate accommodations are 216
available based on guidance issued by the department to take the 217
assessment prescribed under division (B) (1) of section 3301.0712 218
of the Revised Code. 219

(c) No governing authority shall prohibit an English 220
learner from taking an assessment from which the student was 221
excused under division (C) (4) of this section. 222

(D) (1) In the school year next succeeding the school year 223
in which the assessments prescribed by division (A) (1) or (B) (1) 224
of section 3301.0710 of the Revised Code or former division (A) 225

the student is enrolled in that year shall provide to the 229
student intervention services commensurate with the student's 230
performance, including any intensive intervention required under 231
section 3313.608 of the Revised Code, in any skill in which the 232
student failed to demonstrate at least a score at the proficient 233
level on the assessment. 234

(2) Following any administration of the assessments 235
prescribed by division (D) of section 3301.0710 of the Revised 236
Code to ninth grade students, each school district that has a 237
three-year average graduation rate of not more than seventy-five 238
per cent shall determine for each high school in the district 239
whether the school shall be required to provide intervention 240
services to any students who took the assessments. In 241
determining which high schools shall provide intervention 242
services based on the resources available, the district shall 243
consider each school's graduation rate and scores on the 244
practice assessments. The district also shall consider the 245
scores received by ninth grade students on the English language 246
arts and mathematics assessments prescribed under division (A) 247
(1) (f) of section 3301.0710 of the Revised Code in the eighth 248
grade in determining which high schools shall provide 249
intervention services. 250

Each high school selected to provide intervention services 251
under this division shall provide intervention services to any 252
student whose results indicate that the student is failing to 253

make satisfactory progress toward being able to attain scores at 254
the proficient level on the Ohio graduation tests. Intervention 255
services shall be provided in any skill in which a student 256
demonstrates unsatisfactory progress and shall be commensurate 257
with the student's performance. Schools shall provide the 258

succeeding school year, or at any combination of those times. 261

Code and division (N) of this section, no school district board 263
of education shall utilize any student's failure to attain a 264
specified score on an assessment administered under this section 265
as a factor in any decision to deny the student promotion to a 266
higher grade level. However, a district board may choose not to 267
promote to the next grade level any student who does not take an 268
assessment administered under this section or make up an 269
assessment as provided by division (C) (2) of this section and 270
who is not exempt from the requirement to take the assessment 271
under division (C) (3) of this section. 272

(F) No person shall be charged a fee for taking any 273
assessment administered under this section. 274

(G) (1) Each school district board shall designate one 275
location for the collection of assessments administered in the 276
spring under division (B) (1) of this section and those 277
administered under divisions (B) (2) to (7) of this section. Each 278
district board shall submit the assessments to the entity with 279
which the department contracts for the scoring of the 280
assessments as follows: 281

(a) If the district's total enrollment in grades 282
kindergarten through twelve during the first full school week of 283

October was less than two thousand five hundred, not later than 284
the Friday after all of the assessments have been administered; 285

(b) If the district's total enrollment in grades 286
kindergarten through twelve during the first full school week of 287
October was two thousand five hundred or more, but less than 288
seven thousand, not later than the Monday after all of the 289
assessments have been administered; 290

(c) If the district's total enrollment in grades 291
kindergarten through twelve during the first full school week of 292
October was seven thousand or more, not later than the Tuesday 293
after all of the assessments have been administered. 294

However, any assessment that a student takes during the 295
make-up period described in division (C) (2) of this section 296
shall be submitted not later than the Friday following the day 297
the student takes the assessment. 298

(2) The department or an entity with which the department 299
contracts for the scoring of the assessment shall send to each 300
school district board a list of the individual scores of all 301
persons taking a state achievement assessment as follows: 302

(a) Except as provided in division (G) (2) (b) or (c) of 303

the assessments prescribed by sections 3301.0710 and 3301.0712 305
of the Revised Code, but in no case shall the scores be returned 306
later than the thirtieth day of June following the 307
administration; 308

(b) In the case of the third-grade English language arts 309

that assessment, but in no case shall the scores be returned 311
later than the fifteenth day of June following the 312

administration; 313

(c) In the case of the writing component of an assessment 314
or end-of-course examination in the area of English language 315
arts, except for the third-grade English language arts 316
assessment, the results may be sent after forty-five days of the 317
administration of the writing component, but in no case shall 318
the scores be returned later than the thirtieth day of June 319
following the administration. 320

(3) For assessments administered under this section by a 321
joint vocational school district, the department or entity shall 322
also send to each city, local, or exempted village school 323
district a list of the individual scores of any students of such 324
city, local, or exempted village school district who are 325
attending school in the joint vocational school district. 326

(4) Beginning with the 2019-2020 school year, a school 327
district, other public school, or chartered nonpublic school may 328
administer the third-grade English language arts or mathematics 329
assessment, or both, in a paper format in any school year for 330
which the district board of education or school governing body 331
adopts a resolution indicating that the district or school 332
chooses to administer the assessment in a paper format. The 333
board or governing body shall submit a copy of the resolution to 334
the department of education and workforce not later than the 335
first day of May prior to the school year for which it will 336
apply. If the resolution is submitted, the district or school 337
shall administer the assessment in a paper format to all 338
students in the third grade, except that any student whose 339
individualized education program or plan developed under section 340
504 of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C. 341
794, as amended, specifies that taking the assessment in an 342

online format is an appropriate accommodation for the student 343

under this section shall be released by a district board only in 346
accordance with section 3319.321 of the Revised Code and the 347
rules adopted under division (A) of this section. No district 348
board or its employees shall utilize individual or aggregate 349
results in any manner that conflicts with rules for the ethical 350
use of assessments adopted pursuant to division (A) of this 351
section. 352

(I) Except as provided in division (G) of this section, 353
the department or an entity with which the department contracts 354
for the scoring of the assessment shall not release any 355
individual scores on any assessment administered under this 356
section. The department shall adopt rules to ensure the 357
protection of student confidentiality at all times. The rules 358
may require the use of the data verification codes assigned to 359
students pursuant to division (D) (2) of section 3301.0714 of the 360
Revised Code to protect the confidentiality of student scores. 361

(J) Notwithstanding division (D) of section 3311.52 of the 362

education of any cooperative education school district except as 364
provided under rules adopted pursuant to this division. 365

established, would be entitled to attend school in the city, 385
local, or exempted village school district pursuant to section 386
3313.64 or 3313.65 of the Revised Code; 387

(b) Persons described in division (B) (8) (b) of this 388

on assessments to ensure that different versions of the same 575
assessment are of comparable difficulty. 576

Field test questions and anchor questions shall not be 577

(a) The first administration of each assessment, as 590
specified in former section 3301.0712 of the Revised Code, shall 591

(b) For subsequent administrations of each assessment 593
prior to the 2011-2012 school year, not less than forty per cent 594

student's score shall be a public record. The department shall 596
determine which questions will be needed for reuse on a future 597
assessment and those questions shall not be public records and 598
shall be redacted from the assessment prior to its release as a 599
public record. However, for each redacted question, the 600
department shall inform each city, local, and exempted village 601
school district of the statewide academic standard adopted under 602
section 3301.079 of the Revised Code and the corresponding 603
benchmark to which the question relates. The preceding sentence 604
does not apply to field test questions that are redacted under 605
division (O) (3) of this section. 606

(c) The administrations of each assessment in the 2011- 607
2012, 2012-2013, and 2013-2014 school years shall not be a 608

prescribed under division (A) of section 3301.0710 and division 616
(B) (2) of section 3301.0712 of the Revised Code and the 617
corresponding preferred answers that are used to compute a 618
student's score shall become a public record as follows: 619

(i) Forty per cent of the questions and preferred answers 620
on the assessments on the thirty-first day of July following the 621
administration of the assessment; 622

(ii) Twenty per cent of the questions and preferred 623
answers on the assessment on the thirty-first day of July one 624
year after the administration of the assessment; 625

(iii) The remaining forty per cent of the questions and 626
preferred answers on the assessment on the thirty-first day of 627
July two years after the administration of the assessment. 628

The entire content of an assessment shall become a public 629
record within three years of its administration. 630

The department shall make the questions that become a 631
public record under this division readily accessible to the 632

of the 2017-2018 school year, not less than forty per cent of 643
the questions on each assessment that are used to compute a 644
student's score shall be a public record. The department shall 645
determine which questions will be needed for reuse on a future 646
assessment and those questions shall not be public records and 647
shall be redacted from the assessment prior to its release as a 648
public record. However, for each redacted question, the 649
department shall inform each city, local, and exempted village 650
school district of the corresponding statewide academic standard 651
adopted under section 3301.079 of the Revised Code and the 652
corresponding benchmark to which the question relates. The 653
department is not required to provide corresponding standards 654
