and protected in accordance with reasonable security standards	275
broadly available and cannot be intercepted while being	276
transmitted from the bureau;	277

(E) Procedures that apply when a licensee or cardholder's	278
driver's license or identification card is expired, suspended,	279
or revoked;	280
(F) Any other procedures or requirements that the	281
registrar determines are necessary to implement and administer	282
this section and ensure the general privacy, security, and	283
safety of the data and images exchanged through the program.	284
Notwithstanding any provision of section 121.95 of the	285
Revised Code to the contrary, a regulatory restriction contained	286
in a rule adopted under this section is not subject to sections	287
121.95 to 121.953 of the Revised Code.	288
Sec. 4507.62. (A) At any time that a person is requested	289
to provide proof of identity, including requests made by a state	290
employee, a state official, or a peace officer, the person may	291
provide the proof of identity through a digital license or	292
identification, if all of the following apply:	293
(1) The person's driver's license or identification card	294
is valid and not expired, revoked, or suspended.	295
(2) One of the following has occurred:	296
(a) For an Ohio driver's license or identification card,	297
the registrar of motor vehicles has provided any identification	298
verification services required by the mobile application entity	299
prior to use of the digital license or identification in	300
accordance with section 4507.61 of the Revised Code.	301
(b) For a driver's license or identification card issued	302
by another state, the state agency responsible for verifying the	303
person's identity prior to use of the digital license or	304
identification has performed all identification verification	305
services required by that state.	306

(3) The requestor of the proof of identity has the means	307
and authorization to accept and validate the digital license or	308
identification.	309
(B) (1) When a person utilizes an electronic wireless	310
communications device to present proof of identity, only the	311
evidence of that person's proof of identity displayed on the	312
device shall be viewed by the requestor. No other content of the	313
device shall be viewed for purposes of obtaining proof of	314
identity or for any other purpose.	315
(2) When a person provides an electronic wireless	316
communications device to the requestor of the proof of identity,	317
the person assumes the risk of any resulting damage to the	318
device unless the requestor purposely, knowingly, or recklessly	319
commits an action that results in damage to the device.	320
Section 2. That existing section 3501.01 of the Revised	321
Code is hereby repealed.	322
