state may also conduct performance audits of state institutions 2457  
of higher education. The offices of the attorney general, 2458  
auditor of state, governor, secretary of state, and treasurer of 2459  
state and agencies of the legislative and judicial branches are 2460  
not subject to an audit under this section. 2461

The auditor shall select each agency or institution to be 2462  
audited and shall determine whether to audit the entire agency 2463  
or institution or a portion of the agency or institution by 2464  
auditing one or more programs, offices, boards, councils, or 2465  
other entities within that agency or institution. The auditor 2466  
shall make the selection and determination in consultation with 2467  
the governor and the speaker and minority leader of the house of 2468  
representatives and president and minority leader of the senate. 2469

An audit of a portion of an agency or institution shall be considered an audit of one agency or institution. The authority to audit a portion of an agency or institution in no way limits the auditor's ability to audit an entire agency or institution if it is in the best interest of the state.

The performance audits under this section shall be conducted pursuant to sections 117.01 and 117.13 of the Revised Code. In conducting a performance audit, the auditor of state shall determine the scope of the audit, but shall consider, if appropriate, supervisory and subordinate level operations in the agency or institution. A performance audit under this section shall not include review or evaluation of an institution's academic performance.

As used in this section and in sections 117.461, 117.462, 117.463, 117.47, 117.471, and 147.472 of the Revised Code, "state institution of higher education" has the meaning defined in section 3345.011 of the Revised Code.

available to any other person on request. 2811

(4) (a) Except as provided in division (B) (4) (b) of this 2812  
section, a county council shall comply with the policies, 2813

the cabinet council whenever the county council performs a 2816  
function subject to those rules or agreements. 2817

(b) On application of a county council, the cabinet 2818  
council may grant an exemption from any rules or interagency 2819

alternative program or approach for service delivery to families 2822  
and children. The application shall describe the proposed 2823  
program or approach and specify the rules or interagency 2824

Any of the foregoing public entities, other than the board of county commissioners, may decline to serve as the council's administrative agent.

A county council's administrative agent shall serve as the council's appointing authority for any employees of the council. The council shall file an annual budget with its administrative agent, with copies filed with the county auditor and with the board of county commissioners, unless the board is serving as the council's administrative agent. The council's administrative agent shall ensure that all expenditures are handled in accordance with policies, procedures, and activities prescribed by state departments in rules or interagency agreements that are applicable to the council's functions.

The administrative agent of a county council shall send notice of a member's absence if a member listed in division (B) (1) of this section has been absent from either three consecutive meetings of the county council or a county council subcommittee, or from one-quarter of such meetings in a calendar year, whichever is less. for the member listed in division (B) (1) (n) of this section, to 2874  
that member's board of trustees. 2875

The administrative agent for a county council may do any 2876  
of the following on behalf of the council: 2877

(i) Enter into agreements or administer contracts with 2878  
public or private entities to fulfill specific council business. 2879  
Such agreements and contracts are exempt from the competitive 2880  
bidding requirements of section 307.86 of the Revised Code if 2881  
they have been approved by the county council and they are for 2882  
the purchase of family and child welfare or child protection 2883  
services or other social or job and family services for families 2884  
and children. The approval of the county council is not required 2885  
to exempt agreements or contracts entered into under section 2886  
5139.34, 5139.41, or 5139.43 of the Revised Code from the 2887  
competitive bidding requirements of section 307.86 of the 2888  
Revised Code. 2889

expenses related to council activity; 2892

moneys, lands, or other property for the purposes for which the 2894  
council is established. The agent shall hold, apply, and dispose 2895  
of the moneys, lands, or other property according to the terms 2896  
of the gift, grant, devise, or bequest. Any interest or earnings 2897  
shall be treated in the same manner and are subject to the same 2898  
terms as the gift, grant, devise, or bequest from which it 2899  
accrues. 2900

(b) (i) If the county council designates the board of 2901  
county commissioners as its administrative agent, the board may, 2902  
by resolution, delegate any of its powers and duties as 2903  
administrative agent to an executive committee the board 2904  
establishes from the membership of the county council. The board 2905  
shall name to the executive committee at least the individuals 2906  
described in divisions (B) (1) (b) to (h) of this section and may 2907  
appoint the president of the board or another individual as the 2908  
chair of the executive committee. The executive committee must 2909  
include at least one family county council representative who 2910  
does not have a family member employed by an agency represented 2911  
on the council. 2912

(ii) The executive committee may, with the approval of the 2913  
board, hire an executive director to assist the county council 2914  
in administering its powers and duties. The executive director 2915  
shall serve in the unclassified civil service at the pleasure of 2916  
the executive committee. The executive director may, with the 2917  
approval of the executive committee, hire other employees as 2918  
necessary to properly conduct the county council's business. 2919

(iii) The board may require the executive committee to 2920  
submit an annual budget to the board for approval and may amend 2921  
or repeal the resolution that delegated to the executive 2922

committee its authority as the county council's administrative 2923  
agent. 2924

(6) Two or more county councils may enter into an 2925  
agreement to administer their county councils jointly by 2926  
creating a regional family and children first council. A 2927  
regional council possesses the same duties and authority 2928  
possessed by a county council, except that the duties and 2929  
authority apply regionally rather than to individual counties. 2930  
Prior to entering into an agreement to create a regional 2931  
council, the members of each county council to be part of the 2932  
regional council shall meet to determine whether all or part of 2933  
the members of each county council will serve as members of the 2934

(B) The pay schedule of all employees shall be on a 3349  
biweekly basis, with amounts computed on an hourly basis. 3350

(C) Part-time employees shall be compensated on an hourly 3351  
basis for time worked, at the rates shown in division (A) of 3352  
this section or in section 124.152 of the Revised Code. 3353

(D) The salary and wage rates in division (A) of this 3354  
section or in section 124.152 of the Revised Code represent base 3355  
rates of compensation and may be augmented by the provisions of 3356  
section 124.181 of the Revised Code. In those cases where 3357  
lodging, meals, laundry, or other personal services are 3358

furnished an employee in the service of the state, the actual 3359  
costs or fair market value of the personal services shall be 3360  
paid by the employee in such amounts and manner as determined by 3361  
the director of administrative services and approved by the 3362  
director of budget and management, and those personal services 3363  
shall not be considered as a part of the employee's 3364  
compensation. An appointing authority that appoints employees in 3365  
the service of the state, with the approval of the director of 3366  
administrative services and the director of budget and 3367  
management, may establish payments to employees for uniforms, 3368  
tools, equipment, and other requirements of the department and 3369  
payments for the maintenance of them. 3370

The director of administrative services may review 3371  
collective bargaining agreements entered into under Chapter 3372  
4117. of the Revised Code that cover employees in the service of 3373  
the state and determine whether certain benefits or payments 3374  
provided to the employees covered by those agreements should 3375  
also be provided to employees in the service of the state who 3376  
are exempt from collective bargaining coverage and are paid in 3377  
accordance with section 124.152 of the Revised Code or are 3378  
listed in division (B)(2) or (4) of section 124.14 of the 3379  
Revised Code. On completing the review, the director of 3380  
administrative services, with the approval of the director of 3381  
budget and management, may provide to some or all of these 3382  
employees any payment or benefit, except for salary, contained 3383  
in such a collective bargaining agreement even if it is similar 3384  
to a payment or benefit already provided by law to some or all 3385  
of these employees. Any payment or benefit so provided shall not 3386  
exceed the highest level for that payment or benefit specified 3387  
in such a collective bargaining agreement. The director of 3388  
administrative services shall not provide, and the director of 3389

budget and management shall not approve, any payment or benefit 3390  
to such an employee under this division unless the payment or 3391  
benefit is provided pursuant to a collective bargaining 3392  
agreement to a state employee who is in a position with similar 3393  
duties as, is supervised by, or is employed by the same 3394  
appointing authority as, the employee to whom the benefit or 3395  
payment is to be provided. 3396

As used in this division, "payment or benefit already 3397  
provided by law" includes, but is not limited to, bereavement, 3398  
personal, vacation, administrative, and sick leave, disability 3399  
benefits, holiday pay, and pay supplements provided under the 3400  
Revised Code, but does not include wages or salary. 3401

(E) New employees paid in accordance with schedule B of 3402  
division (A) of this section or schedule E-1 of section 124.152 3403  
of the Revised Code shall be employed at the minimum rate 3404  
established for the range unless otherwise provided. Employees 3405  
with qualifications that are beyond the minimum normally 3406  
required for the position and that are determined by the 3407  
director to be exceptional may be employed in, or may be 3408  
transferred or promoted to, a position at an advanced step of 3409  
the range. Further, in time of a serious labor market condition 3410  
when it is relatively impossible to recruit employees at the 3411  
minimum rate for a particular classification, the entrance rate 3412  
may be set at an advanced step in the range by the director of 3413  
administrative services. This rate may be limited to 3414  
geographical regions of the state. Appointments made to an 3415  
advanced step under the provision regarding exceptional 3416  
qualifications shall not affect the step assignment of employees 3417  
already serving. However, anytime the hiring rate of an entire 3418  
classification is advanced to a higher step, all incumbents of 3419  
that classification being paid at a step lower than that being 3420

used for hiring, shall be advanced beginning at the start of the 3421  
first pay period thereafter to the new hiring rate, and any time 3422  
accrued at the lower step will be used to calculate advancement 3423  
to a succeeding step. If the hiring rate of a classification is 3424  
increased for only a geographical region of the state, only 3425  
incumbents who work in that geographical region shall be 3426  
advanced to a higher step. When an employee in the unclassified 3427  
service changes from one state position to another or is 3428  
appointed to a position in the classified service, or if an 3429  
employee in the classified service is appointed to a position in 3430  
the unclassified service, the employee's salary or wage in the 3431  
new position shall be determined in the same manner as if the 3432  
employee were an employee in the classified service. When an 3433  
employee in the unclassified service who is not eligible for 3434  
step increases is appointed to a classification in the 3435  
classified service under which step increases are provided, 3436  
future step increases shall be based on the date on which the 3437  
employee last received a pay increase. If the employee has not 3438  
received an increase during the previous year, the date of the 3439  
appointment to the classified service shall be used to determine 3440  
the employee's annual step advancement eligibility date. In 3441  
reassigning any employee to a classification resulting in a pay 3442  
range increase or to a new pay range as a result of a promotion, 3443  
an increase pay range adjustment, or other classification change 3444  
resulting in a pay range increase, the director shall assign 3445  
such employee to the step in the new pay range that will provide 3446  
an increase of approximately four per cent if the new pay range 3447  
can accommodate the increase. When an employee is being assigned 3448  
to a classification or new pay range as the result of a class 3449  
plan change, if the employee has completed a probationary 3450  
period, the employee shall be placed in a step no lower than 3451  
step two of the new pay range. If the employee has not completed 3452

a probationary period, the employee may be placed in step one of 3453  
the new pay range. Such new salary or wage shall become 3454  
effective on such date as the director determines. 3455

(F) If employment conditions and the urgency of the work 3456  
require such action, the director of administrative services 3457  
may, upon the application of a department head, authorize 3458  
payment at any rate established within the range for the class 3459  
of work, for work of a casual or intermittent nature or on a 3460  
project basis. Payment at such rates shall not be made to the 3461  
same individual for more than three calendar months in any one 3462  
calendar year. Any such action shall be subject to the approval 3463  
of the director of budget and management as to the availability 3464  
of funds. This section and sections 124.14 and 124.152 of the 3465  
Revised Code do not repeal any authority of any department or 3466  
public official to contract with or fix the compensation of 3467  
professional persons who may be employed temporarily for work of 3468  
a casual nature or for work on a project basis. 3469

(G) (1) Except as provided in divisions (G) (2) and (3) of 3470  
this section, each state employee paid in accordance with 3471  
schedule B of this section or schedule E-1 of section 124.152 of 3472  
the Revised Code shall be eligible for advancement to succeeding 3473  
steps in the range for the employee's class or grade according 3474  
to the schedule established in this division. Beginning on the 3475  
first day of the pay period within which the employee completes 3476  
the prescribed probationary period in the employee's 3477  
classification with the state, each employee shall receive an 3478  
automatic salary adjustment equivalent to the next higher step 3479  
within the pay range for the employee's class or grade. 3480

Except as provided in divisions (G) (2) and (3) of this 3481  
section, each employee paid in accordance with schedule E-1 of 3482

section 124.152 of the Revised Code shall be eligible to advance 3483  
to the next higher step until the employee reaches the top step 3484  
in the range for the employee's class or grade, if the employee 3485  
has maintained satisfactory performance in accordance with 3486  
criteria established by the employee's appointing authority. 3487  
Those step advancements shall not occur more frequently than 3488  
once in any twelve-month period. 3489

When an employee is promoted, the step entry date shall be 3490  
set to account for a probationary period. When an employee is 3491  
reassigned to a higher pay range, the step entry date shall be 3492  
set to allow an employee who is not at the highest step of the 3493  
range to receive a step advancement one year from the 3494  
reassignment date. Step advancement shall not be affected by 3495  
demotion. A promoted employee shall advance to the next higher 3496  
step of the pay range on the first day of the pay period in 3497  
which the required probationary period is completed. Step 3498  
advancement shall become effective at the beginning of the pay 3499  
period within which the employee attains the necessary length of 3500  
service. Time spent on authorized leave of absence shall be 3501  
counted for this purpose. 3502

If determined to be in the best interest of the state 3503  
service, the director of administrative services may, either 3504  
statewide or in selected agencies, adjust the dates on which 3505  
annual step advancements are received by employees paid in 3506  
accordance with schedule E-1 of section 124.152 of the Revised 3507  
Code. 3508

(2) (a) There shall be a moratorium on annual step 3509  
advancements under division (G) (1) of this section beginning 3510  
June 21, 2009, through June 20, 2011. Step advancements shall 3511  
resume with the pay period beginning June 21, 2011. Upon the 3512

resumption of step advancements, there shall be no retroactive 3513  
step advancements for the period the moratorium was in effect. 3514  
The moratorium shall not affect an employee's performance 3515  
evaluation schedule. 3516

An employee who begins a probationary period before June 3517  
21, 2009, shall advance to the next step in the employee's pay 3518  
range at the end of probation, and then become subject to the 3519  
moratorium. An employee who is hired, promoted, or reassigned to 3520  
a higher pay range between June 21, 2009, through June 20, 2011, 3521  
shall not advance to the next step in the employee's pay range 3522  
until the next anniversary of the employee's date of hire, 3523  
promotion, or reassignment that occurs on or after June 21, 3524  
2011. 3525

(b) The moratorium under division (G) (2) (a) of this 3526  
section shall apply to the employees of the secretary of state, 3527  
the auditor of state, the treasurer of state, and the attorney 3528  
general, who are subject to this section unless the secretary of 3529  
state, the auditor of state, the treasurer of state, or the 3530  
attorney general decides to exempt the office's employees from 3531  
the moratorium and so notifies the director of administrative 3532  
services in writing on or before July 1, 2009. 3533

(3) Employees in intermittent positions shall be employed 3534  
at the minimum rate established for the pay range for their 3535  
classification and are not eligible for step advancements. 3536

(H) Employees in appointive managerial or professional 3537  
positions paid in accordance with schedule C of this section or 3538  
schedule E-2 of section 124.152 of the Revised Code may be 3539  
appointed at any rate within the appropriate pay range. This 3540  
rate of pay may be adjusted higher or lower within the 3541  
respective pay range at any time the appointing authority so 3542

desires as long as the adjustment is based on the employee's 3543  
ability to successfully administer those duties assigned to the 3544  
employee. Salary adjustments shall not be made more frequently 3545  
than once in any six-month period under this provision to 3546  
incumbents holding the same position and classification. 3547

(I) When an employee is assigned to duty outside this 3548  
state, the employee may be compensated, upon request of the 3549  
department head and with the approval of the director of 3550  
administrative services, at a rate not to exceed fifty per cent 3551  
in excess of the employee's current base rate for the period of 3552  
time spent on that duty. 3553

(J) Unless compensation for members of a board or 3554  
commission is otherwise specifically provided by law, the 3555  
director of administrative services shall establish the rate and 3556  
method of payment for members of boards and commissions pursuant 3557  
to the pay schedules listed in section 124.152 of the Revised 3558  
Code. 3559

(K) Regular full-time employees in positions assigned to 3560  
classes within the instruction and education administration 3561  
series under the job classification plans of the director of 3562  
administrative services, except certificated employees on the 3563  
instructional staff of the state school for the blind or the 3564  
state school for the deaf, whose positions are scheduled to work 3565  
on the basis of an academic year rather than a full calendar 3566  
year, shall be paid according to the pay range assigned by the 3567  
applicable job classification plan, but only during those pay 3568  
periods included in the academic year of the school where the 3569  
employee is located. 3570

(l) Part-time or substitute teachers or those whose period 3571  
of employment is other than the full academic year shall be 3572

compensated for the actual time worked at the rate established 3573  
by this section. 3574

(2) Employees governed by this division are exempt from 3575  
sections 124.13 and 124.19 of the Revised Code. 3576

(3) Length of service for the purpose of determining 3577  
eligibility for step advancements as provided by division (G) of 3578  
this section and for the purpose of determining eligibility for 3579  
longevity pay supplements as provided by division (E) of section 3580  
124.181 of the Revised Code shall be computed on the basis of 3581  
one full year of service for the completion of each academic 3582  
year. 3583

(L) The superintendent of the state school for the deaf 3584  
and the superintendent of the state school for the blind shall, 3585  
subject to the approval of the ~~superintendent of public~~ 3586  
~~instruction~~director of education and workforce, carry out both 3587  
of the following: 3588

(1) Annually, between the first day of April and the last 3589  
day of June, establish for the ensuing fiscal year a schedule of 3590  
hourly rates for the compensation of each certificated employee 3591  
on the instructional staff of that superintendent's respective 3592  
school constructed as follows: 3593

(a) Determine for each level of training, experience, and 3594  
other professional qualification for which an hourly rate is set 3595  
forth in the current schedule, the per cent that rate is of the 3596  
rate set forth in such schedule for a teacher with a bachelor's 3597  
degree and no experience. If there is more than one such rate 3598  
for such a teacher, the lowest rate shall be used to make the 3599  
computation. 3600

(b) Determine which six city, local, and exempted village 3601

school districts with territory in Franklin county have in 3602  
effect on, or have adopted by, the first day of April for the 3603  
school year that begins on the ensuing first day of July, 3604  
teacher salary schedules with the highest minimum salaries for a 3605  
teacher with a bachelor's degree and no experience; 3606

(c) Divide the sum of such six highest minimum salaries by 3607  
ten thousand five hundred sixty; 3608

(d) Multiply each per cent determined in division (L) (1) 3609  
(a) of this section by the quotient obtained in division (L) (1) 3610  
(c) of this section; 3611

(e) One hundred five per cent of each product thus 3612  
obtained shall be the hourly rate for the corresponding level of 3613  
training, experience, or other professional qualification in the 3614  
schedule for the ensuing fiscal year. 3615

(2) Annually, assign each certificated employee on the 3616  
instructional staff of the superintendent's respective school to 3617  
an hourly rate on the schedule that is commensurate with the 3618  
employee's training, experience, and other professional 3619  
qualifications. 3620

If an employee is employed on the basis of an academic 3621  
year, the employee's annual salary shall be calculated by 3622  
multiplying the employee's assigned hourly rate times one 3623  
thousand seven hundred sixty. If an employee is not employed on 3624  
the basis of an academic year, the employee's annual salary 3625  
shall be calculated in accordance with the following formula: 3626

(a) Multiply the number of days the employee is required 3627  
to work pursuant to the employee's contract by eight; 3628

(b) Multiply the product of division (L) (2) (a) of this 3629  
section by the employee's assigned hourly rate. 3630

Each employee shall be paid an annual salary in biweekly 3631  
installments. The amount of each installment shall be calculated 3632  
by dividing the employee's annual salary by the number of 3633  
biweekly installments to be paid during the year. 3634

Sections 124.13 and 124.19 of the Revised Code do not 3635  
apply to an employee who is paid under this division. 3636

As used in this division, "academic year" means the number 3637  
of days in each school year that the schools are required to be 3638  
open for instruction with pupils in attendance. Upon completing 3639  
an academic year, an employee paid under this division shall be 3640  
deemed to have completed one year of service. An employee paid 3641

another shall be credited with the unused balance of the 3743  
employee's accumulated sick leave. 3744

a price less than the price for which the districts could 3860  
purchase the same software services or supplies for themselves, 3861  
the department or network shall certify that fact to the 3862

than one and one-half per cent per year. The findings and 4072  
certification of the ~~superintendent~~director shall be 4073

intended purpose, or that corrections to permanent improvements 4103  
are necessary to remove or prevent health or safety hazards. 4104

(b) Existing fiscal and net indebtedness limitations make 4105  
adequate replacement, additions, or improvements impossible. 4106

(2) Upon the declaration of an emergency, the board of 4107  
education may, by resolution, submit to the electors of the 4108  
district pursuant to section 133.18 of the Revised Code the 4109

the district. The report shall include estimates of all costs of 4144  
such installations, modifications, or remodeling, including 4145  
costs of design, engineering, installation, maintenance, 4146

actual energy consumption data for the preceding three years 4151  
with the utility baseline based on only the actual energy 4152  
consumption data for the preceding twelve months, and estimates 4153  
of the amounts by which energy consumption and resultant 4154  
operational and maintenance costs, as defined by the commission, 4155  
would be reduced. 4156

If the board finds after receiving the report that the amount of money the district would spend on such installations, modifications, or remodeling is not likely to exceed the amount of money it would save in energy and resultant operational and maintenance costs over the ensuing fifteen years, the board may submit to the commission a copy of its findings and a request for approval to incur indebtedness to finance the making or modification of installations or the remodeling of buildings for the purpose of significantly reducing energy consumption.

The facilities construction commission, in consultation with the auditor of state, may deny a request under division (G) (1) of this section by the board of education of any school district that is in a state of fiscal watch pursuant to division (A) of section 3316.03 of the Revised Code, if it determines that the expenditure of funds is not in the best interest of the school district.

alternative fuel vehicles. The report also shall include 4194  
estimates of all costs associated with alternative fuel 4195  
transportation, including facility modifications and vehicle 4196  
purchase costs or conversion costs. 4197

If the board finds after receiving the report that the 4198  
amount of money the district would spend on purchasing 4199  
alternative fuel vehicles or vehicle conversion is not likely to 4200  
exceed the amount of money it would save in fuel and resultant 4201  
operational and maintenance costs over the ensuing five years, 4202  
the board may submit to the commission a copy of its findings 4203  
and a request for approval to incur indebtedness to finance the 4204  
purchase of new alternative fuel vehicles or vehicle conversions 4205  
for the purpose of reducing fuel costs. 4206

The facilities construction commission, in consultation 4207  
with the auditor of state, may deny a request under division (G) 4208

is in a state of fiscal emergency pursuant to division (B) of 4215  
section 3316.03 of the Revised Code shall submit a request 4216

without submitting evidence that the purchase or conversion of 4217

financial planning and supervision commission established under 4219  
section 3316.05 of the Revised Code. 4220

No board of education of a school district for which an 4221  
academic distress commission has been established under section 4222  
3302.10 of the Revised Code shall submit a request without first 4223  
receiving approval to incur indebtedness from the district's 4224  
academic distress commission established under that section, for 4225  
so long as such commission continues to be required for the 4226  
district. 4227

(3) The facilities construction commission shall approve 4228  
the board's request provided that the following conditions are 4229  
satisfied: 4230

(a) The commission determines that the board's findings 4231  
are reasonable. 4232

(b) The request for approval is complete. 4233

(c) If the request was submitted under division (G) (1) of 4234  
this section, the installations, modifications, or remodeling 4235  
are consistent with any project to construct or acquire 4236  
classroom facilities, or to reconstruct or make additions to 4237  
existing classroom facilities under sections 3318.01 to 3318.20 4238  
or sections 3318.40 to 3318.45 of the Revised Code. 4239

may issue securities without a vote of the electors in a 4241  
principal amount not to exceed nine-tenths of one per cent of 4242  
its tax valuation for the purpose specified in division (G) (1) 4243  
or (2) of this section, but the total net indebtedness of the 4244  
district without a vote of the electors incurred under this and 4245

all other sections of the Revised Code, except section 3318.052 4246  
of the Revised Code, shall not exceed one per cent of the 4247  
district's tax valuation. 4248

(4) (a) So long as any securities issued under division (G) 4249  
(1) of this section remain outstanding, the board of education 4250  
shall monitor the energy consumption and resultant operational 4251  
and maintenance costs of buildings in which installations or 4252  
modifications have been made or remodeling has been done 4253  
pursuant to that division. Except as provided in division (G) (4) 4254  
(b) of this section, the board shall maintain and annually 4255  
update a report in a form and manner prescribed by the 4256  
facilities construction commission documenting the reductions in 4257  
energy consumption and resultant operational and maintenance 4258  
cost savings attributable to such installations, modifications, 4259  
or remodeling. The resultant operational and maintenance cost 4260  
savings shall be certified by the school district treasurer. The 4261  
report shall be submitted annually to the commission. 4262

(b) If the facilities construction commission verifies 4263  
that the certified annual reports submitted to the commission by 4264  
a board of education under division (G) (4) (a) of this section 4265  
fulfill the guarantee required under division (B) of section 4266  
3313.372 of the Revised Code for three consecutive years, the 4267  
board of education shall no longer be subject to the annual 4268  
reporting requirements of division (G) (4) (a) of this section. 4269

(5) So long as any securities issued under division (G) (2) 4270  
of this section remain outstanding, the board of education shall 4271  
monitor the purchase of new alternative fuel vehicles or vehicle 4272  
conversions pursuant to that division. The board shall maintain 4273  
and annually update a report in a form and manner prescribed by 4274  
the facilities construction commission documenting the purchase 4275

<b>Sec. 319.301.</b> (A) The reductions required by division (D) of this section do not apply to any of the following:	4589 4590
(1) Taxes levied at whatever rate is required to produce a specified amount of tax money, including a tax levied under section 5705.199 or 5748.09 of the Revised Code, or an amount to pay debt charges;	4591 4592 4593 4594
(2) Taxes levied within the one per cent limitation imposed by Section 2 of Article XII, Ohio Constitution;	4595 4596

(3) Taxes provided for by the charter of a municipal corporation.	4597 4598
(B) As used in this section:	4599
(1) "Real property" includes real property owned by a railroad.	4600 4601
(2) "Carryover property" means all real property on the current year's tax list except:	4602 4603
(a) Land and improvements that were not taxed by the district in both the preceding year and the current year;	4604 4605
(b) Land and improvements that were not in the same class in both the preceding year and the current year.	4606 4607
(3) "Effective tax rate" means with respect to each class of property:	4608 4609
(a) The sum of the total taxes that would have been charged and payable for current expenses against real property in that class if each of the district's taxes were reduced for the current year under division (D) (1) of this section without regard to the application of division (E) (3) of this section divided by	4610 4611 4612 4613 4614 4615
(b) The taxable value of all real property in that class.	4616
(4) "Taxes charged and payable" means the taxes charged and payable prior to any reduction required by section 319.302 of the Revised Code.	4617 4618 4619
(C) The tax commissioner shall make the determinations required by this section each year, without regard to whether a taxing district has territory in a county to which section 5715.24 of the Revised Code applies for that year. Separate	4620 4621 4622 4623

determinations shall be made for each of the two classes 4624  
established pursuant to section 5713.041 of the Revised Code. 4625

(D) With respect to each tax authorized to be levied by 4626  
each taxing district, the tax commissioner, annually, shall do 4627  
both of the following: 4628

(1) Determine by what percentage, if any, the sums levied 4629  
by such tax against the carryover property in each class would 4630  
have to be reduced for the tax to levy the same number of 4631  
dollars against such property in that class in the current year 4632  
as were charged against such property by such tax in the 4633  
preceding year subsequent to the reduction made under this 4634  
section but before the reduction made under section 319.302 of 4635  
the Revised Code. In the case of a tax levied for the first time 4636  
that is not a renewal of an existing tax, the commissioner shall 4637  
determine by what percentage the sums that would otherwise be 4638  
levied by such tax against carryover property in each class 4639  
would have to be reduced to equal the amount that would have 4640  
been levied if the full rate thereof had been imposed against 4641  
the total taxable value of such property in the preceding tax 4642  
year. A tax or portion of a tax that is designated a replacement 4643  
levy under section 5705.192 of the Revised Code is not a renewal 4644  
of an existing tax for purposes of this division. 4645

(2) Certify each percentage determined in division (D) (1) 4646  
of this section, as adjusted under division (E) of this section, 4647  
and the class of property to which that percentage applies to 4648  
the auditor of each county in which the district has territory. 4649  
The auditor, after complying with section 319.30 of the Revised 4650  
Code, shall reduce the sum to be levied by such tax against each 4651  
parcel of real property in the district by the percentage so 4652  
certified for its class. Certification shall be made by the 4653

first day of September except in the case of a tax levied for 4654  
the first time, in which case certification shall be made within 4655  
fifteen days of the date the county auditor submits the 4656  
information necessary to make the required determination. 4657

(E) (1) As used in division (E) (2) of this section, "pre- 4658  
1982 joint vocational taxes" means, with respect to a class of 4659  
property, the difference between the following amounts: 4660

(a) The taxes charged and payable in tax year 1981 against 4661  
the property in that class for the current expenses of the joint 4662  
vocational school district of which the school district is a 4663  
part after making all reductions under this section; 4664

(b) Two-tenths of one per cent of the taxable value of all 4665  
real property in that class. 4666

If the amount in division (E) (1) (b) of this section 4667  
exceeds the amount in division (E) (1) (a) of this section, the 4668  
pre-1982 joint vocational taxes shall be zero. 4669

As used in divisions (E) (2) and (3) of this section, 4670  
"taxes charged and payable" has the same meaning as in division 4671  
(B) (4) of this section and excludes any tax charged and payable 4672  
in 1985 or thereafter under sections 5705.194 to 5705.197 or 4673  
section 5705.199, 5705.213, 5705.219, or 5748.09 of the Revised 4674  
Code. 4675

(2) If in the case of a school district other than a joint 4676  
vocational or cooperative education school district any 4677  
percentage required to be used in division (D) (2) of this 4678  
section for either class of property could cause the total taxes 4679  
charged and payable for current expenses to be less than two per 4680  
cent of the taxable value of all real property in that class 4681  
that is subject to taxation by the district, the commissioner 4682

shall determine what percentages would cause the district's 4683  
total taxes charged and payable for current expenses against 4684  
that class, after all reductions that would otherwise be made 4685  
under this section, to equal, when combined with the pre-1982 4686  
joint vocational taxes against that class, the lesser of the 4687  
following: 4688

(a) The sum of the rates at which those taxes are 4689  
authorized to be levied; 4690

(b) Two per cent of the taxable value of the property in 4691  
that class. The auditor shall use such percentages in making the 4692  
reduction required by this section for that class. 4693

(3) If in the case of a joint vocational school district 4694  
any percentage required to be used in division (D) (2) of this 4695  
section for either class of property could cause the total taxes 4696  
charged and payable for current expenses for that class to be 4697  
less than two-tenths of one per cent of the taxable value of 4698  
that class, the commissioner shall determine what percentages 4699  
would cause the district's total taxes charged and payable for 4700  
current expenses for that class, after all reductions that would 4701  
otherwise be made under this section, to equal that amount. The 4702  
auditor shall use such percentages in making the reductions 4703  
required by this section for that class. 4704

(F) No reduction shall be made under this section in the 4705  
rate at which any tax is levied. 4706

(G) The commissioner may order a county auditor to furnish 4707  
any information the commissioner needs to make the 4708  
determinations required under division (D) or (E) of this 4709  
section, and the auditor shall supply the information in the 4710  
form and by the date specified in the order. If the auditor 4711

fails to comply with an order issued under this division, except 4712  
for good cause as determined by the commissioner, the 4713  
commissioner shall withhold from such county or taxing district 4714  
therein fifty per cent of state revenues to local governments 4715  
pursuant to section 5747.50 of the Revised Code or shall direct 4716  
the department of education and workforce to withhold therefrom 4717  
fifty per cent of state revenues to school districts pursuant to 4718  
Chapter 3317. of the Revised Code. The commissioner shall 4719  
withhold the distribution of such revenues until the county 4720  
auditor has complied with this division, and the department 4721  
shall withhold the distribution of such revenues until the 4722  
commissioner has notified the department that the county auditor 4723  
has complied with this division. 4724

(H) If the commissioner is unable to certify a tax 4725  
reduction factor for either class of property in a taxing 4726  
district located in more than one county by the last day of 4727  
November because information required under division (G) of this 4728  
section is unavailable, the commissioner may compute and certify 4729  
an estimated tax reduction factor for that district for that 4730  
class. The estimated factor shall be based upon an estimate of 4731  
the unavailable information. Upon receipt of the actual 4732  
information for a taxing district that received an estimated tax 4733  
reduction factor, the commissioner shall compute the actual tax 4734  
reduction factor and use that factor to compute the taxes that 4735  
should have been charged and payable against each parcel of 4736  
property for the year for which the estimated reduction factor 4737  
was used. The amount by which the estimated factor resulted in 4738  
an overpayment or underpayment in taxes on any parcel shall be 4739  
added to or subtracted from the amount due on that parcel in the 4740  
ensuing tax year. 4741

A percentage or a tax reduction factor determined or 4742

computed by the commissioner under this section shall be used 4743  
solely for the purpose of reducing the sums to be levied by the 4744  
tax to which it applies for the year for which it was determined 4745  
or computed. It shall not be used in making any tax computations 4746  
for any ensuing tax year. 4747

(I) In making the determinations under division (D)(1) of 4748  
this section, the tax commissioner shall take account of changes 4749  
in the taxable value of carryover property resulting from 4750  
complaints filed under section 5715.19 of the Revised Code for 4751  
determinations made for the tax year in which such changes are 4752  
reported to the commissioner. Such changes shall be reported to 4753  
the commissioner on the first abstract of real property filed 4754  
with the commissioner under section 5715.23 of the Revised Code 4755  
following the date on which the complaint is finally determined 4756  
by the board of revision or by a court or other authority with 4757  
jurisdiction on appeal. The tax commissioner shall account for 4758  
such changes in making the determinations only for the tax year 4759  
in which the change in valuation is reported. Such a valuation 4760  
change shall not be used to recompute the percentages determined 4761  
under division (D)(1) of this section for any prior tax year. 4762

**Sec. 901.71.** (A) There is hereby created the advisory 4763

appointment until the end of the term for which the member was 4802  
appointed. Vacancies shall be filled in the same manner as the 4803  
original appointment. Any member appointed to fill a vacancy 4804  
occurring prior to the expiration of the term for which the 4805  
member's predecessor was appointed shall hold office for the 4806  
remainder of the unexpired term. Any member shall continue in 4807  
office subsequent to the expiration date of the member's term 4808  
until the member's successor takes office or until a period of 4809  
ninety days has elapsed, whichever occurs first. 4810

Members may be removed from the committee only for 4811  
misfeasance, malfeasance, or nonfeasance. A vacancy on the 4812

The director or the director's designee shall serve as 4823  
chairperson of the committee. The director shall designate an 4824

of the committee. The secretary shall keep the minutes of the 4826  
committee's meetings and a permanent journal of all meetings, 4827  
proceedings, findings, determinations, and recommendations of 4828

allowed to each member of the committee under this section. The 4830

will cause the removal of the child from their legal custody 5451  
until the court terminates the order of temporary custody or 5452  
permanently divests the parents of their parental rights, or a 5453  
full explanation that the granting of an order for a planned 5454  
permanent living arrangement will result in the removal of the 5455

in divisions (A) (5) (a) to (c) of this section are found to 5457  
exist, and the summons served on the parents contains a full 5458  
explanation of their right to be represented by counsel and to 5459  
have counsel appointed pursuant to Chapter 120. of the Revised 5460  
Code if they are indigent. 5461

If after making disposition as authorized by division (A) 5462

custody of the child, the court may grant permanent custody of 5464

the child to the movant in accordance with section 2151.414 of 5465  
the Revised Code. 5466

(D) If the court issues an order for protective 5467

court may place any reasonable restrictions upon the child, the 5469  
child's parents, guardian, or custodian, or any other person, 5470  
including, but not limited to, any of the following: 5471

(2) Order a party, a parent of the child, or a physical 5475  
custodian of the child to prevent any particular person from 5476  
having contact with the child; 5477

the conduct of any person which conduct would not be in the best 5479  
interest of the child. 5480

(E) As part of its dispositional order, the court shall 5481  
journalize a case plan for the child. The journalized case plan 5482

twenty-one years if the child has a developmental disability or 5491  
physical impairment, or the child is adopted and a final decree 5492  
of adoption is issued, except that the court may retain 5493

jurisdiction over the child and continue any order of 5494  
disposition under division (A) of this section or under section 5495  
2151.414 or 2151.415 of the Revised Code for a specified period 5496  
of time to enable the child to graduate from high school or 5497  
vocational school. The court shall make an entry continuing its 5498  
jurisdiction under this division in the journal. 5499

(2) Any public children services agency, any private child 5500

issued under division (A) (4) of this section, by filing a motion 5504  
with the court, may at any time request the court to modify or 5505  
terminate any order of disposition issued pursuant to division 5506  
(A) of this section or section 2151.414 or 2151.415 of the 5507  
Revised Code. The court shall hold a hearing upon the motion as 5508  
if the hearing were the original dispositional hearing and shall 5509  
give all parties to the action and the guardian ad litem notice 5510  
of the hearing pursuant to the Juvenile Rules. If applicable, 5511  
the court shall comply with section 2151.42 of the Revised Code. 5512

(G) Any temporary custody order issued pursuant to 5513  
division (A) of this section shall terminate one year after the 5514  
earlier of the date on which the complaint in the case was filed 5515  
or the child was first placed into shelter care, except that, 5516  
upon the filing of a motion pursuant to section 2151.415 of the 5517  
Revised Code, the temporary custody order shall continue and not 5518  
terminate until the court issues a dispositional order under 5519  
that section. In resolving the motion, the court shall not order 5520  
an existing temporary custody order to continue beyond two years 5521  
after the date on which the complaint was filed or the child was 5522  
first placed into shelter care, whichever date is earlier, 5523  
regardless of whether any extensions have been previously 5524

ordered pursuant to division (D) of section 2151.415 of the Revised Code.

(H) (1) No later than one year after the earlier of the date the complaint in the case was filed or the child was first placed in shelter care, a party may ask the court to extend an order for protective supervision for six months or to terminate the order. A party requesting extension or termination of the order shall file a written request for the extension or termination with the court and give notice of the proposed extension or termination in writing before the end of the day after the day of filing it to all parties and the child's guardian ad litem. If a public children services agency or private child placing agency requests termination of the order, the agency shall file a written status report setting out the facts supporting termination of the order at the time it files the request with the court. If no party requests extension or termination of the order, the court shall notify the parties that the court will extend the order for six months or terminate it and that it may do so without a hearing unless one of the parties requests a hearing. All parties and the guardian ad litem shall have seven days from the date a notice is sent pursuant to this division to object to and request a hearing on the proposed extension or termination.

(a) If it receives a timely request for a hearing, the court shall schedule a hearing to be held no later than thirty days after the request is received by the court. The court shall give notice of the date, time, and location of the hearing to all parties and the guardian ad litem. At the hearing, the court shall determine whether extension or termination of the order is in the child's best interest. If termination is in the child's best interest, the court shall terminate the order. If extension

is in the child's best interest, the court shall extend the 5556  
order for six months. 5557

(b) If it does not receive a timely request for a hearing, 5558  
the court may extend the order for six months or terminate it 5559  
without a hearing and shall journalize the order of extension or 5560  
termination not later than fourteen days after receiving the 5561  
request for extension or termination or after the date the court 5562  
notifies the parties that it will extend or terminate the order. 5563  
If the court does not extend or terminate the order, it shall 5564  
schedule a hearing to be held no later than thirty days after 5565  
the expiration of the applicable fourteen-day time period and 5566  
give notice of the date, time, and location of the hearing to 5567  
all parties and the child's guardian ad litem. At the hearing, 5568  
the court shall determine whether extension or termination of 5569  
the order is in the child's best interest. If termination is in 5570  
the child's best interest, the court shall terminate the order. 5571  
If extension is in the child's best interest, the court shall 5572  
issue an order extending the order for protective supervision 5573  
six months. 5574

(2) If the court grants an extension of the order for 5575  
protective supervision pursuant to division (H) (1) of this 5576  
section, a party may, prior to termination of the extension, 5577  
file with the court a request for an additional extension of six 5578  
months or for termination of the order. The court and the 5579  
parties shall comply with division (H) (1) of this section with 5580  
respect to extending or terminating the order. 5581

(3) If a court grants an extension pursuant to division 5582  
(H) (2) of this section, the court shall terminate the order for 5583  
protective supervision at the end of the extension. 5584

(I) The court shall not issue a dispositional order 5585

pursuant to division (A) of this section that removes a child 5586  
from the child's home unless the court complies with section 5587  
2151.419 of the Revised Code and includes in the dispositional 5588  
order the findings of fact required by that section. 5589

(J) If a motion or application for an order described in 5590  
division (A)(6) of this section is made, the court shall not 5591  
issue the order unless, prior to the issuance of the order, it 5592  
provides to the person all of the following: 5593

(1) Notice and a copy of the motion or application; 5594

(2) The grounds for the motion or application; 5595

(3) An opportunity to present evidence and witnesses at a 5596  
hearing regarding the motion or application; 5597

(4) An opportunity to be represented by counsel at the 5598  
hearing. 5599

(K) The jurisdiction of the court shall terminate one year 5600  
after the date of the award or, if the court takes any further 5601  
action in the matter subsequent to the award, the date of the 5602  
latest further action subsequent to the award, if the court 5603  
awards legal custody of a child to either of the following: 5604

(1) A legal custodian who, at the time of the award of 5605  
legal custody, resides in a county of this state other than the 5606  
county in which the court is located; 5607

(2) A legal custodian who resides in the county in which 5608  
the court is located at the time of the award of legal custody, 5609  
but moves to a different county of this state prior to one year 5610  
after the date of the award or, if the court takes any further 5611  
action in the matter subsequent to the award, one year after the 5612  
date of the latest further action subsequent to the award. 5613

The court in the county in which the legal custodian 5614  
resides then shall have jurisdiction in the matter. 5615

**Sec. 2151.357.** (A) If the court orders the records of a 5616  
person sealed pursuant to section 2151.356 of the Revised Code, 5617  
the person who is subject of the order properly may, and the 5618  
court shall, reply that no record exists with respect to the 5619

from DNA specimens pursuant to section 109.573 of the Revised 5633  
Code, be delivered to the court; 5634

(4) Order each public office or agency, upon the 5635  
delivering of records to the court under division (A) (3) of this 5636  
section, to expunge remaining records of the case that are the 5637  
subject of the sealing order that are maintained by that public 5638  
office or agency, except fingerprints, DNA specimens, and DNA 5639  
records described under division (A) (3) of this section; 5640

(5) Send notice of the order to seal to any public office 5641  
or agency that the court has reason to believe may have a record 5642

of the sealed record including, but not limited to, the bureau 5643  
of criminal identification and investigation; 5644

(6) Seal all of the records delivered to the court under 5645  
division (A) (3) of this section, in a separate file in which 5646  
only sealed records are maintained. 5647

(B) Except as provided in division (D) of this section, an 5648  
order to seal under section 2151.356 of the Revised Code applies 5649  
to every public office or agency that has a record relating to 5650  
the case, regardless of whether it receives notice of the 5651  
hearing on the sealing of the record or a copy of the order. 5652  
Except as provided in division (D) of this section, upon the 5653  
written request of a person whose record has been sealed and the 5654  
presentation of a copy of the order and compliance with division 5655  
(A) (3) of this section, a public office or agency shall expunge 5656  
its record relating to the case, except a record of the 5657  
adjudication or arrest or taking into custody that is maintained 5658  
for compiling statistical data and that does not contain any 5659  
reference to the person who is the subject of the order. 5660

(C) The court that maintains sealed records pursuant to 5661  
this section may maintain a manual or computerized index of the 5662

An order issued under section 2151.356 of the Revised Code to seal the record of an adjudication that an individual is a delinquent child does not revoke the adjudication order of the ~~superintendent of public instruction~~ director of education and workforce to permanently exclude the individual who is the subject of the sealing order. An order to seal the record of an adjudication that an individual is a delinquent child may be presented to a district superintendent as evidence to support the contention that the superintendent should recommend that the permanent exclusion of the individual who is the subject of the sealing order be revoked. not admissible to impeach the credibility of the child in any 5769

repeat violent offender, as defined in section 2929.01 of the 5779  
Revised Code. 5780

**Sec. 2151.362.** (A) (1) In the manner prescribed by division 5781  
(C) (1) or (2) of section 3313.64 of the Revised Code, as 5782  
applicable, the court, at the time of making any order that 5783  
removes a child from the child's own home or that vests legal or 5784  
permanent custody of the child in a person other than the 5785  
child's parent or a government agency, shall determine the 5786  
school district that is to bear the cost of educating the child. 5787  
The court shall make the determination a part of the order that 5788  
provides for the child's placement or commitment. That school 5789  
district shall bear the cost of educating the child unless and 5790  
until the department of education and workforce determines that 5791

a different district shall be responsible for bearing that cost 5792  
pursuant to division (A) (2) of this section. The court's order 5793  
shall state that the determination of which school district is 5794  
responsible to bear the cost of educating the child is subject 5795  
to re-determination by the department pursuant to that division. 5796

(2) If, while the child is in the custody of a person 5797  
other than the child's parent or a government agency, the 5798  
department of education and workforce determines that the place 5799  
of residence of the child's parent has changed since the court 5800  
issued its initial order, the department may name a different 5801  
school district to bear the cost of educating the child. The 5802  
department shall make this new determination, and any future 5803  
determinations, based on evidence received from the school 5804  
district currently responsible to bear the cost of educating the 5805  
child. If the department finds that the evidence demonstrates to 5806  
its satisfaction that the residence of the child's parent has 5807  
changed since the court issued its initial order under division 5808  
(A) (1) of this section, or since the department last made a 5809  
determination under division (A) (2) of this section, the 5810  
department shall name the district in which the child's parent 5811  
currently resides or, if the parent's residence is not known, 5812  
the district in which the parent's last known residence is 5813  
located. If the department cannot determine any Ohio district in 5814  
which the parent currently resides or has resided, the school 5815  
district designated in the initial court order under division 5816  
(A) (1) of this section, or in the most recent determination made 5817  
by the department under division (A) (2) of this section, shall 5818  
continue to bear the cost of educating the child. 5819

(B) Whenever a child is placed in a detention facility 5820  
established under section 2152.41 of the Revised Code or a 5821  
juvenile facility established under section 2151.65 of the 5822

(1) If applicable, use the chartered nonpublic school that 5826  
the facility operates; 5827

(2) Arrange with the school district responsible for 5828  
bearing the cost of educating the child determined under 5829  
division (A) of this section, for the facility to educate the 5830  
child on its own; 5831

(3) Contract with an educational service center for the 5832  
service center to educate the child; 5833

(4) Contract with the school district in which the 5834  
facility is located for that school district to educate the 5835  
child; 5836

(5) If the child is enrolled in an internet- or computer- 5837  
based community school established under Chapter 3314. of the 5838  
Revised Code, and provided that the facility possesses the 5839  
necessary hardware, software, and internet connectivity, permit 5840  
continued instruction of the child by the internet- or computer- 5841  
based community school. 5842

If the facility coordinates the education of the child 5843  
pursuant to division (B) (1), (2), (3), or (4) of this section, 5844  
child's school district as determined by the court or the 5845  
department, in the same manner as prescribed in division (A) of 5846  
this section, shall pay the cost of educating the child based on 5847  
the per capita cost of the educational facility within the 5848  
detention home or juvenile facility. 5849

If the facility coordinates the education of the child 5850  
pursuant to division (B) (5) of this section, payment for the 5851

cost of educating the child shall be made only as provided in 5852  
section 3317.022 of the Revised Code. 5853

(C) Whenever a child is placed by the court in a private 5854  
institution, school, or residential treatment center or any 5855  
other private facility, the state shall pay to the court a 5856  
subsidy to help defray the expense of educating the child in an 5857  
amount equal to the product of the daily per capita educational 5858  
cost of the private facility, as determined pursuant to this 5859  
section, and the number of days the child resides at the private 5860  
facility, provided that the subsidy shall not exceed twenty-five 5861  
hundred dollars per year per child. The daily per capita 5862  
educational cost of a private facility shall be determined by 5863  
dividing the actual program cost of the private facility or 5864  
twenty-five hundred dollars, whichever is less, by three hundred 5865  
sixty-five days or by three hundred sixty-six days for years 5866  
that include February twenty-ninth. The state shall pay seventy- 5867  
five per cent of the total subsidy for each year quarterly to 5868  
the court. The state may adjust the remaining twenty-five per 5869  
cent of the total subsidy to be paid to the court for each year 5870  
to an amount that is less than twenty-five per cent of the total 5871  
subsidy for that year based upon the availability of funds 5872  
appropriated to the department of education and workforce for 5873  
the purpose of subsidizing courts that place a child in a 5874  
private institution, school, or residential treatment center or 5875

the court at the end of the year. 5877

prior to January 1, 2008. In making the determination of whether 7787

consider the following factors: 7790

(a) The offender's or delinquent child's age; 7791

notification under this section, or upon the motion of the 7875  
sentencing judge or that judge's successor in office, the judge 7876  
may schedule a hearing to determine whether the interests of 7877  
justice would be served by suspending the community notification 7878  
requirement under this section in relation to the offender. The 7879  
judge may dismiss the motion without a hearing but may not issue 7880  
an order suspending the community notification requirement 7881  
without a hearing. At the hearing, all parties are entitled to 7882  
be heard, and the judge shall consider all of the factors set 7883

the hearing, the judge finds that the offender has proven by 7885  
clear and convincing evidence that the offender is unlikely to 7886  
commit in the future a sexually oriented offense or a child- 7887

in relation to the offender. The order shall contain both of 7891  
these findings. 7892

and upon the bureau of criminal identification and 7896  
investigation. 7897

An order suspending the community notification requirement 7898  
does not suspend or otherwise alter an offender's duties to 7899

requirement under section 2950.10 of the Revised Code. 7902

After the initial making of a motion under division (H)(1) of this section, thereafter, the prosecutor, judge, and offender may make a subsequent motion under that division upon the expiration of five years after the judge has entered an order denying the initial motion or the most recent motion made under that division.

or been convicted of a sexually oriented offense or child-victim 7946  
oriented offense. 7947

forth in division (B) of this section to the executive director 7964  
of the public children services agency that has jurisdiction 7965  
within the specified geographical notification area and that is 7966  
located within the county served by the sheriff. 7967

(J) Each sheriff shall allow a volunteer organization or 7968  
other organization, company, or individual who wishes to receive 7969  
the notice described in division (A) (10) of this section 7970  
regarding a specific offender or delinquent child or notice 7971  
regarding all offenders and delinquent children who are located 7972  
in the specified geographical notification area to notify the 7973  
sheriff by electronic mail or through the sheriff's web site of 7974  
this election. The sheriff shall promptly inform the bureau of 7975  
criminal identification and investigation of these requests in 7976  
accordance with the forwarding procedures adopted by the 7977  
attorney general pursuant to section 2950.13 of the Revised 7978

dispositional order imposed for the prior offense or act and, if 8002  
the prior offense or act was a sexually oriented offense or a 8003

(10) Any additional behavioral characteristics that 8021  
contribute to the offender's conduct. 8022

(L) As used in this section, "specified geographical 8023

sealed records only for the purposes set forth in divisions (A), 8110  
(B), and (D) of this section. 8111

(D) Notwithstanding any provision of this section or 8112  
section 2953.32 of the Revised Code that requires otherwise, a 8113  
board of education of a city, local, exempted village, or joint 8114  
vocational school district that maintains records of an 8115  
individual who has been permanently excluded under sections 8116  
3301.121 and 3313.662 of the Revised Code is permitted to 8117  
maintain records regarding a conviction that was used as the 8118  
basis for the individual's permanent exclusion, regardless of a 8119  
court order to seal or expunge the record. An order issued under 8120  
this section to seal or expunge the record of a conviction does 8121  
not revoke the adjudication order of the ~~superintendent of~~ 8122  
~~public instruction~~ director of education and workforce to 8123  
permanently exclude the individual who is the subject of the 8124  
sealing or expungement order. An order issued under this section 8125  
to seal or expunge the record of a conviction of an individual 8126  
may be presented to a district superintendent as evidence to 8127  
support the contention that the superintendent should recommend 8128  
that the permanent exclusion of the individual who is the 8129  
subject of the sealing or expungement order be revoked. Except 8130  
as otherwise authorized by this division and sections 3301.121 8131

of this section. 8136

(E) Notwithstanding any provision of this section or 8137  
section 2953.32 of the Revised Code that requires otherwise, if 8138

the auditor of state or a prosecutor maintains records, reports, 8139  
or audits of an individual who has been forever disqualified 8140  
from holding public office, employment, or a position of trust 8141  
in this state under sections 2921.41 and 2921.43 of the Revised 8142  
Code, or has otherwise been convicted of an offense based upon 8143  
the records, reports, or audits of the auditor of state, the 8144  
auditor of state or prosecutor is permitted to maintain those 8145  
records to the extent they were used as the basis for the 8146  
individual's disqualification or conviction, and shall not be 8147  
compelled by court order to seal or expunge those records. 8148

(F) For purposes of sections 2953.31 and 2953.34 of the 8149  
Revised Code, DNA records collected in the DNA database and 8150  
fingerprints filed for record by the superintendent of the 8151  
bureau of criminal identification and investigation shall not be 8152  
sealed or expunged unless the superintendent receives a 8153  
certified copy of a final court order establishing that the 8154  
offender's conviction has been overturned. For purposes of this 8155  
section, a court order is not "final" if time remains for an 8156  
appeal or application for discretionary review with respect to 8157  
the order. 8158

(G) The sealing of a record under this section does not 8159  
affect the assessment of points under section 4510.036 of the 8160  
Revised Code and does not erase points assessed against a person 8161  
as a result of the sealed record. 8162

(H) (1) The court shall send notice of any order to seal 8163  
official records issued pursuant to division (B) (3) of section 8164  
2953.33 of the Revised Code to the bureau of criminal 8165  
identification and investigation and shall send notice of any 8166  
order issued pursuant to division (B) (4) of that section to any 8167  
public office or agency that the court knows or has reason to 8168

believe may have any record of the case, whether or not it is an official record, that is the subject of the order.

(2) A person whose official records have been sealed pursuant to an order issued pursuant to section 2953.33 of the Revised Code may present a copy of that order and a written request to comply with it, to a public office or agency that has a record of the case that is the subject of the order.

(2) The department ~~of education~~ shall furnish the 9800

assessments described by sections 3301.0710 and 3301.0712 of the Revised Code to each superintendent.

(N) Notwithstanding division (E) of this section, a school district may use a student's failure to attain a score in at least the proficient range on the mathematics assessment described by division (A)(1)(a) of section 3301.0710 of the Revised Code or on an assessment described by division (A)(1)(b), (c), (d), (e), or (f) of section 3301.0710 of the Revised Code as a factor in retaining that student in the current grade level.

(O)(1) In the manner specified in divisions (O)(3), (4), (6), and (7) of this section, the assessments required by division (A)(1) of section 3301.0710 of the Revised Code shall become public records pursuant to section 149.43 of the Revised Code on the thirty-first day of July following the school year that the assessments were administered.

(2) The department may field test proposed questions with samples of students to determine the validity, reliability, or appropriateness of questions for possible inclusion in a future year's assessment. The department also may use anchor questions on assessments to ensure that different versions of the same assessment are of comparable difficulty.

Field test questions and anchor questions shall not be considered in computing scores for individual students. Field test questions and anchor questions may be included as part of the administration of any assessment required by division (A)(1) or (B) of section 3301.0710 and division (B) of section 3301.0712 of the Revised Code.

(3) Any field test question or anchor question

administered under division (O) (2) of this section shall not be 9830  
a public record. Such field test questions and anchor questions 9831  
shall be redacted from any assessments which are released as a 9832  
public record pursuant to division (O) (1) of this section. 9833

(4) This division applies to the assessments prescribed by 9834  
division (A) of section 3301.0710 of the Revised Code. 9835

(a) The first administration of each assessment, as 9836  
specified in former section 3301.0712 of the Revised Code, shall 9837  
be a public record. 9838

(b) For subsequent administrations of each assessment 9839  
prior to the 2011-2012 school year, not less than forty per cent 9840  
of the questions on the assessment that are used to compute a 9841  
student's score shall be a public record. The department shall 9842  
determine which questions will be needed for reuse on a future 9843  
assessment and those questions shall not be public records and 9844  
shall be redacted from the assessment prior to its release as a 9845  
public record. However, for each redacted question, the 9846  
department shall inform each city, local, and exempted village 9847  
school district of the statewide academic standard adopted ~~by~~ 9848  
~~the state board~~ under section 3301.079 of the Revised Code and 9849  
the corresponding benchmark to which the question relates. The 9850  
preceding sentence does not apply to field test questions that 9851  
are redacted under division (O) (3) of this section. 9852

(c) The administrations of each assessment in the 2011- 9853  
2012, 2012-2013, and 2013-2014 school years shall not be a 9854  
public record. 9855

(5) Each assessment prescribed by division (B) (1) of 9856  
section 3301.0710 of the Revised Code shall not be a public 9857  
record. 9858

(6) (a) Except as provided in division (O) (6) (b) of this section, for the administrations in the 2014-2015, 2015-2016, and 2016-2017 school years, questions on the assessments prescribed under division (A) of section 3301.0710 and division (B) (2) of section 3301.0712 of the Revised Code and the corresponding preferred answers that are used to compute a student's score shall become a public record as follows:

(i) Forty per cent of the questions and preferred answers on the assessments on the thirty-first day of July following the administration of the assessment;

(ii) Twenty per cent of the questions and preferred answers on the assessment on the thirty-first day of July one year after the administration of the assessment;

(iii) The remaining forty per cent of the questions and preferred answers on the assessment on the thirty-first day of July two years after the administration of the assessment.

The entire content of an assessment shall become a public record within three years of its administration.

The department shall make the questions that become a public record under this division readily accessible to the public on the department's web site. Questions on the spring administration of each assessment shall be released on an annual basis, in accordance with this division.

(b) No questions and corresponding preferred answers shall become a public record under division (O) (6) of this section after July 31, 2017.

(7) Division (O) (7) of this section applies to the assessments prescribed by division (A) of section 3301.0710 and division (B) (2) of section 3301.0712 of the Revised Code.

Beginning with the assessments administered in the spring 9888  
of the 2017-2018 school year, not less than forty per cent of 9889  
the questions on each assessment that are used to compute a 9890  
student's score shall be a public record. The department shall 9891  
determine which questions will be needed for reuse on a future 9892  
assessment and those questions shall not be public records and 9893  
shall be redacted from the assessment prior to its release as a 9894  
public record. However, for each redacted question, the 9895  
department shall inform each city, local, and exempted village 9896  
school district of the corresponding statewide academic standard 9897  
~~adopted by the state board~~ under section 3301.079 of the Revised 9898  
Code and the corresponding benchmark to which the question 9899  
relates. The department is not required to provide corresponding 9900  
standards and benchmarks to field test questions that are 9901  
redacted under division (O)(3) of this section. 9902

student upon graduating from high school is ready to enter 9939  
college or the workforce. Beginning with students who enter the 9940  
ninth grade for the first time on or after July 1, 2014, the 9941  
system shall replace the Ohio graduation tests prescribed in 9942  
division (B)(1) of section 3301.0710 of the Revised Code as a 9943

~~superintendent~~ department and the chancellor, and one of which 9954  
shall be selected by each school district or school to 9955  
administer to its students. The assessments prescribed under 9956  
division (B) (1) of this section shall be administered to all 9957  
eleventh-grade students in the spring of the school year. 9958

(b) Beginning with students who enter the ninth grade for 9959  
the first time on or after ~~the first day of July immediately~~ 9960  
~~following the effective date of this amendment 1, 2022,~~ the 9961

this section. 9985

(b) Beginning with students who enter ninth grade for the 9986  
first time on or after July 1, 2019, five end-of-course 9987

conducted by a referee appointed by the department. Based on the 10743  
information provided in the hearing, the referee shall recommend 10744

data as required by this section, the district shall bear the 10748  
full cost of conducting the hearing and of issuing any revised 10749  
report card. 10750

reported under this section caused a school district to receive 10752  
excess state funds in any fiscal year, the district shall 10753  
reimburse the department an amount equal to the excess funds, in 10754  
accordance with a payment schedule determined by the department. 10755

(9) In all cases of a disagreement between the department 10761  
and a school district regarding the appropriateness of an action 10762  
taken under division (L)(2) of this section, the burden of proof 10763

faith effort to report data as required by this section. 10765

sections 3319.31 and 3319.311 of the Revised Code, may suspend 10775

science, American history, and American government. 13782

The department of education and workforce shall assign 13783  
weights such that students who do not take an assessment receive 13784  
a weight of zero and students who take an assessment receive 13785  
progressively larger weights dependent upon the level of skill 13786  
attained on the assessment. The department shall assign 13787  
additional weights to students who have been permitted to pass 13788  
over a subject in accordance with a student acceleration policy 13789

The rules shall group the performance measures in divisions (C) 14388

determining a grade for each component in divisions (C) (3) (a) to 14425  
(f) of this section. The ~~state board department~~ also shall 14426  
establish a method to assign an overall grade of "A," "B," "C," 14427

and the method for calculating the overall grade. 14440

(D) For the 2021-2022 school year and each school year 14441  
thereafter, all of the following apply: 14442

However, if three consecutive years of value-added data is not available, the department shall use prior years of value-added data to calculate the measure, as follows:

the total percentage of students scoring below grade level, or 14501  
below proficient, compared from year to year on the reading 14502  
segments of the diagnostic assessments administered under 14503  
section 3301.0715 of the Revised Code, including the 14504  
kindergarten readiness assessment, and the third grade English 14505  
language arts assessment under section 3301.0710 of the Revised 14506

were not on a reading improvement and monitoring plan. 14510

The performance measure prescribed under division (D) (1) 14511  
(h) of this section shall not be included on the report card of 14512  
a district or building in which less than ten per cent of 14513

four-year adjusted graduation rate cohort who demonstrate post- 14523

secondary readiness by the total number of students included in 14524  
the denominator of the four-year adjusted graduation rate 14525

offered prior to the fourth grade in the district or building. 14738

(3) Except as provided in division (D) (3) (f) of this 14739  
section, the department shall use the ~~state board's~~ method 14740  
prescribed under rules adopted under division (D) (4) of this 14741  
section to assign performance ratings of "one star," "two 14742  
stars," "three stars," "four stars," or "five stars," as 14743  
described in division (F) of this section, for a district or 14744  
building for the individual components prescribed under division 14745  
(D) (3) of this section. The department also shall assign an 14746  
overall performance rating for a district or building in 14747  
accordance with division (D) (3) (g) of this section. The method 14748  
shall use the performance measures prescribed under division (D) 14749  
(1) of this section to calculate performance ratings for 14750

components. The method may report data under division (D) (2) of 14751  
this section with corresponding components, but shall not use 14752  
the data to calculate performance ratings for that component. 14753  
The performance measures and reported data shall be grouped 14754  
together into components as follows: 14755

(a) Gap closing. In addition to other criteria determined 14756  
appropriate by the department, performance ratings for the gap 14757  
closing component shall reflect whether each of the following 14758  
performance measures are met or not met: 14759

(i) The gifted performance indicator as described in 14760  
division (D) (1) (a) of this section; 14761

(ii) The chronic absenteeism indicator as described in 14762  
division (D) (1) (b) of this section; 14763

(iii) For English learners, an English language 14764  
proficiency improvement indicator established by the department; 14765

(iv) The subgroup graduation targets; 14766

(v) The subgroup achievement targets in both mathematics 14767  
and English language arts; 14768

(vi) The subgroup progress targets in both mathematics and 14769  
English language arts. 14770

Achievement and progress targets under division (D) (3) (a) 14771  
of this section shall be calculated individually, and districts 14772  
and buildings shall receive a status of met or not met on each 14773  
measure. The department shall not require a subgroup of a 14774  
district or building to meet both the achievement and progress 14775  
targets at the same time to receive a status of met. 14776

The department shall not include any subgroup data in this 14777  
measure that includes data from fewer than fifteen students. Any 14778

penalty for failing to meet the required assessment 14779  
participation rate must be partially in proportion to how close 14780  
the district or building was to meeting the rate requirement. 14781

(b) Achievement, which shall include the performance 14782  
measure in division (D) (1) (c) of this section and the reported 14783  
data in division (D) (2) (a) of this section. Performance ratings 14784  
for the achievement component shall be awarded as a percentage 14785  
of the maximum performance index score described in division (D) 14786  
(1) (c) of this section. 14787

(c) Progress, which shall include the performance measure 14788  
in division (D) (1) (d) of this section and the reported data in 14789  
divisions (D) (2) (b) and (c) of this section; 14790

(d) Graduation, which shall include the performance 14791  
measures in divisions (D) (1) (e) and (f) of this section and the 14792  
reported data in divisions (D) (2) (d) and (j) of this section. 14793  
The four-year adjusted cohort graduation rate shall be assigned 14794  
a weight of sixty per cent and the five-year adjusted cohort 14795  
graduation rate shall be assigned a weight of forty per cent; 14796

(e) Early literacy, which shall include the performance 14797  
measures in divisions (D) (1) (g), (h), and (i) of this section 14798  
and the reported data in divisions (D) (2) (e) and (k) of this 14799  
section. 14800

If the measure prescribed under division (D) (1) (h) of this 14801  
section is included in a report card, performance ratings for 14802  
the early literacy component shall give a weight of forty per 14803  
cent to the measure prescribed under division (D) (1) (g) of this 14804  
section, a weight of thirty-five per cent to the measure 14805  
prescribed under division (D) (1) (i) of this section, and a 14806  
weight of twenty-five per cent to the measure prescribed under 14807

division (D) (1) (h) of this section. 14808

If the measure prescribed under division (D) (1) (h) of this 14809  
section is not included in a report card of a district or 14810  
building, performance ratings for the early literacy component 14811  
shall give a weight of sixty per cent to the measure prescribed 14812  
under division (D) (1) (g) of this section and a weight of forty 14813  
per cent to the measure prescribed under division (D) (1) (i) of 14814  
this section. 14815

(f) College, career, workforce, and military readiness, 14816  
which shall include the performance measure in division (D) (1) 14817  
(j) of this section and the reported data in division (D) (2) (f) 14818  
of this section. 14819

For the 2021-2022, 2022-2023, and 2023-2024 school years, 14820  
the department only shall report the data for, and not assign a 14821  
performance rating to, the college, career, workforce, and 14822  
military readiness component. The reported data shall include 14823  
the percentage of students who demonstrate post-secondary 14824  
readiness using any of the options described in division (D) (1) 14825  
(j) of this section. 14826

The department shall analyze the data included in the 14827  
performance measure prescribed in division (D) (1) (j) of this 14828  
section for the 2021-2022, 2022-2023, and 2023-2024 school 14829  
years. Using that data, the department shall develop and propose 14830  
rules for a method to assign a performance rating to the 14831  
college, career, workforce, and military readiness component 14832  
based on that measure. The method to assign a performance rating 14833  
shall not include a tiered structure or per student bonuses. The 14834  
rules shall specify that a district or building shall not 14835  
receive lower than a performance rating of three stars for the 14836  
component if the district's or building's performance on the 14837

component meets or exceeds a level of improvement set by the 14838  
department. Notwithstanding division (D) (4) (b) of this section, 14839  
more than half of the total districts and buildings may earn a 14840  
performance rating of three stars on this component to account 14841  
for the districts and buildings that earned a performance rating 14842  
of three stars because they met or exceeded the level of 14843  
improvement set by the department. 14844

The department shall submit the rules to the joint 14845  
committee on agency rule review. The committee shall conduct at 14846  
least one public hearing on the proposed rules and approve or 14847  
disapprove the rules. If the committee approves the rules, the 14848  
~~state board~~ department shall adopt the rules in accordance with 14849  
Chapter 119. of the Revised Code. If the rules are adopted, the 14850  
department shall assign a performance rating to the college, 14851  
career, workforce, and military readiness component under the 14852  
rules beginning with the 2024-2025 school year, and for each 14853  
school year thereafter. If the committee disapproves the rules, 14854  
the component shall be included in the report card only as 14855  
reported data for the 2024-2025 school year, and each school 14856  
year thereafter. 14857

(g) (i) Except as provided for in division (D) (3) (g) (ii) of 14858  
this section, beginning with the 2022-2023 school year, under 14859  
the ~~state board's~~ method prescribed under rules adopted in 14860  
division (D) (4) of this section, the department shall use the 14861  
performance ratings assigned for the components prescribed in 14862  
divisions (D) (3) (a) to (e) of this section to determine and 14863  
assign an overall performance rating of "one star," "one and 14864  
one-half stars," "two stars," "two and one-half stars," "three 14865  
stars," "three and one-half stars," "four stars," "four and one- 14866  
half stars," or "five stars" for a district or building. The 14867  
method shall give equal weight to the components in divisions 14868

(D) (3) (b) and (c) of this section. The method shall give equal 14869  
weight to the components in divisions (D) (3) (a), (d), and (e) of 14870  
this section. The individual weights of each of the components 14871  
prescribed in divisions (D) (3) (a), (d), and (e) of this section 14872  
shall be equal to one-half of the weight given to the component 14873  
prescribed in division (D) (3) (b) of this section. 14874

(ii) If the joint committee on agency rule review approves 14875  
the department's rules regarding the college, career, workforce, 14876  
and military readiness component as described in division (D) (3) 14877  
(f) of this section, for the 2024-2025 school year, and each 14878  
school year thereafter, the ~~state board's~~ department's method 14879  
shall use the components in divisions (D) (3) (a), (b), (c), (d), 14880  
(e), and (f) of this section to calculate the overall 14881  
performance rating. The method shall give equal weight to the 14882  
components in divisions (D) (3) (b) and (c) of this section. The 14883  
method shall give equal weight to the components prescribed in 14884  
divisions (D) (3) (a), (d), (e), and (f) of this section. The 14885  
individual weights of each of the components prescribed in 14886  
divisions (D) (3) (a), (d), (e), and (f) of this section shall be 14887  
equal to one-half the weight given to the component prescribed 14888  
in division (D) (3) (b) of this section. 14889

If the joint committee on agency rule review disapproves 14890  
the department's rules regarding the college, career, workforce, 14891  
and military readiness component as described in division (D) (3) 14892  
(f) of this section, division (D) (3) (g) (ii) of this section does 14893  
not apply. 14894

(4) (a) The ~~state board~~ department shall adopt rules in 14895  
accordance with Chapter 119. of the Revised Code to establish 14896  
the performance criteria, benchmarks, and rating system 14897  
necessary to implement divisions (D) and (F) of this section, 14898

including the method for the department to assign performance ratings under division (D) (3) of this section. 14899  
14900

(b) In establishing the performance criteria, benchmarks, and rating system, the ~~state board~~ department shall consult with stakeholder groups and advocates that represent parents, community members, students, business leaders, and educators from different school typology regions. The ~~state board~~ department shall use data from prior school years and simulations to ensure that there is meaningful differentiation among districts and buildings across all performance ratings and that, except as permitted in division (D) (3) (f) of this section, more than half of all districts or buildings do not earn the same performance rating in any component or overall performance rating. 14901  
14902  
14903  
14904  
14905  
14906  
14907  
14908  
14909  
14910  
14911  
14912

(c) The ~~state board~~ department shall adopt the rules prescribed by division (D) (4) of this section not later than March 31, 2022. However, the department shall notify districts and buildings of the changes to the report card prescribed in law not later than one week after the effective date of this amendment September 30, 2021. 14913  
14914  
14915  
14916  
14917  
14918

(d) Prior to adopting or updating rules under division (D) (4) of this section, the ~~president~~ director of the state board of education and workforce and the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider primary and secondary education legislation describing the format for the report card and the performance criteria, benchmarks, and rating system, including the method to assign performance ratings under division (D) (3) of this section. 14919  
14920  
14921  
14922  
14923  
14924  
14925  
14926  
14927

(E) ~~On or after July 1, 2015, the state board~~ The 14928

department may develop a measure of student academic progress 14929  
for high school students using only data from assessments in 14930  
English language arts and mathematics. If the ~~state board~~ 14931  
department develops this measure, each school district and 14932  
applicable school building shall be assigned a separate letter 14933  
grade for it not sooner than the 2017-2018 school year. The 14934  
district's or building's grade for that measure shall not be 14935  
included in determining the district's or building's overall 14936  
letter grade. 14937

(F) (1) The letter grades assigned to a school district or 14938  
building under this section shall be as follows: 14939

(a) "A" for a district or school making excellent 14940  
progress; 14941

(b) "B" for a district or school making above average 14942  
progress; 14943

(c) "C" for a district or school making average progress; 14944

(d) "D" for a district or school making below average 14945  
progress; 14946

(e) "F" for a district or school failing to meet minimum 14947  
progress. 14948

(2) For the overall performance rating under division (D) 14949

(3) of this section, the department shall include a descriptor 14950  
for each performance rating as follows: 14951

(a) "Significantly exceeds state standards" for a 14952

and at least some grade level determined appropriate by the 17210  
district board. 17211

(C) Notwithstanding anything to the contrary in the 17248  
Revised Code, noncompliance with any of the requirements listed 17249

school district that qualifies under division (D) of this 17251  
section from receiving funds under Chapter 3317. of the Revised 17252  
Code. 17253

17276  
17277

However, for any application submitted after the beginning of 19154

(2) In each school year, the department ~~of education~~ shall 19158

five days after receiving an application under this division, 19161  
the department ~~of education~~ shall grant conditional approval to 19162

is submitted. 19169

student is eligible for an educational choice scholarship under 19175

section 3310.03 of the Revised Code and whether the student 19176

scholarship under section 3310.032 of the Revised Code. 19178

(D) No city, local, or exempted village school district 19179

whose custodial rights have been terminated. "Parent" also 19213  
includes the custodian of a qualified special education child, 19214  
when a court has granted temporary, legal, or permanent custody 19215  
of the child to an individual other than either of the natural 19216

in any rule adopted by the ~~state board~~ department shall prohibit 19286  
a parent whose child attends a public special education program 19287  
under a contract, compact, or other bilateral agreement, or a 19288

and accepting a scholarship under this section so that the 19290  
parent may withdraw the child from that program or community 19291  
school and use the scholarship for the child to attend a special 19292

education program for which the parent is required to pay for 19293  
services for the child. 19294

Except for development of the child's individualized 19295  
education program, the school district in which a qualified 19296

either an alternative public provider or a registered private 19303  
provider for which a scholarship is awarded under the autism 19304  
scholarship program. If at any time, the eligible applicant for 19305  
the child decides no longer to accept scholarship payments and 19306  
enrolls the child in the special education program of the school 19307  
district in which the child is entitled to attend school, that 19308  
district shall provide the child with a free appropriate public 19309  
education under Chapter 3323. of the Revised Code. 19310

A child attending a special education program with a 19311  
scholarship under this section shall continue to be entitled to 19312

by law. 19314

disability for whom a scholarship is awarded under this section 19317  
shall be counted in the formula ADM of the district in which the 19318  
child is entitled to attend school and not in the formula ADM of 19319  
any other school district. 19320

(D) A scholarship shall not be paid under section 3317.022 19321  
of the Revised Code to a parent for payment of tuition owed to a 19322

nonpublic entity unless that entity is a registered private 19323  
provider. The department shall approve entities that meet the 19324  
standards established by rule of the ~~state board~~ department for 19325  
the program established under this section. 19326

(E) The ~~state board~~ department shall adopt rules under 19327  
Chapter 119. of the Revised Code prescribing procedures 19328  
necessary to implement this section, including, but not limited 19329  
to, procedures and deadlines for parents to apply for 19330  
scholarships, standards for registered private providers, and 19331  
procedures for approval of entities as registered private 19332  
providers. 19333

panel shall meet as necessary to make nominations at the call of 20679

the chairperson. All members of the panel shall serve at the pleasure of the appointing authority. Vacancies on the panel shall be filled in the same manner as the initial appointments.

(D) No individual shall be appointed by the mayor pursuant to division (B) or (F) of this section unless the individual has been nominated by the nominating panel, resides in the school district, and holds no elected public office. At any given time, four of the nine members appointed by the mayor to serve on the board pursuant to either division (B) or (F) of this section shall have displayed, prior to appointment, significant expertise in either the education field, finance, or business management. At all times at least one member of the board shall be an individual who resides in the municipal school district but not in the municipal corporation containing the greatest portion of the district's territory.

(E) The terms of office of all members appointed by the mayor pursuant to division (B) of this section shall expire on the next thirtieth day of June following the referendum election required by section 3311.73 of the Revised Code. The mayor may, with the advice and consent of the nominating panel, remove any member appointed pursuant to that division or division (F) of this section for cause.

(F) If the voters of the district approve the continuation of an appointed board at the referendum election required by section 3311.73 of the Revised Code, the mayor shall appoint the members of a new board from a slate prepared by the nominating panel in the same manner as the initial board was appointed pursuant to divisions (B), (C), and (D) of this section. Five of the members of the new board shall be appointed to four-year terms and the other four shall be appointed to two-year terms,

each term beginning on the first day of July. Thereafter, the mayor shall appoint members to four-year terms in the same manner as described in divisions (B), (C), and (D) of this section. The minimum number of individuals who shall be on the slate prepared by the nominating panel for this purpose shall be at least twice the number of members to be appointed, including at least two who reside in the municipal school district but not in the municipal corporation containing the greatest portion of the district's territory.

(G) In addition to the nine members appointed by the mayor, the boards appointed pursuant to divisions (B) and (F) of this section shall include the following nonvoting ex officio members:

(1) If the main campus of a state university specified in section 3345.011 of the Revised Code is located within the municipal school district, the president of the university or the president's designee;

(2) If any community college has its main branch located within the district, the president of the community college that has the largest main branch within the district, or the president's designee.

**Sec. 3311.74.** (A) The board of education of a municipal school district, in consultation with the department of education and workforce, shall set goals for the district's educational, financial, and management progress and establish accountability standards with which to measure the district's progress.

(B) (1) The chief executive officer of a municipal school district shall develop, implement, and regularly update a plan

to measure student academic performance at each school within 20739  
the district. The plan developed by the chief executive officer 20740  
shall include a component that requires the parents or guardians 20741  
of students who attend the district's schools to attend, prior 20742  
to the fifteenth day of December each year, at least one parent- 20743  
teacher conference or similar event held by the school the 20744  
student attends to provide an opportunity for the parents and 20745  
guardians to meet the student's teachers, discuss expectations 20746  
for the student, discuss the student's performance, and foster 20747  
communication between home and school. 20748

(2) Where measurements demonstrate that students in 20749  
particular schools are not achieving, or are not improving their 20750  
achievement levels at an acceptable rate, the plan shall contain 20751  
provisions requiring the chief executive officer, with the 20752  
concurrence of the board, to take corrective action within those 20753  
schools, including, but not limited to, reallocation of academic 20754  
and financial resources, reassignment of staff, redesign of 20755  
academic programs, adjusting the length of the school year or 20756  
school day, and deploying additional assistance to students. 20757

(3) Prior to taking corrective action pursuant to the 20758  
plan, the chief executive officer shall first identify which 20759  
schools are in need of corrective action, what corrective action 20760  
is warranted at each school, and when the corrective action 20761  
should be implemented. Collectively, these items shall be known 20762  
as the "corrective plan." The corrective plan is not intended to 20763  
be used as a cost savings measure; rather, it is intended to 20764  
improve student performance at targeted schools. 20765

Immediately after developing the corrective plan, the 20766  
chief executive officer and the presiding officer of each labor 20767  
organization whose members will be affected by the corrective 20768

plan shall each appoint up to four individuals to form one or more corrective action teams. The corrective action teams, within the timelines set by the chief executive officer for implementation of the corrective plan, shall collaborate with the chief executive officer and, where there are overlapping or mutual concerns, with other corrective action teams to make recommendations to the chief executive officer on implementation of the corrective plan.

If the chief executive officer disagrees with all or part of the recommendations of a corrective action team, or if a corrective action team fails to make timely recommendations on the implementation of all or part of the corrective plan, the chief executive officer may implement the corrective plan in the manner in which the chief executive officer determines to be in the best interest of the students, consistent with the timelines originally established.

The chief executive officer and any corrective action team are not bound by the applicable provisions of collective bargaining agreements in developing recommendations for and implementing the corrective plan.

(4) Notwithstanding anything to the contrary in Chapter 4117. of the Revised Code, the content and implementation of the corrective plan prevail over any conflicting provision of a collective bargaining agreement entered into on or after ~~the effective date of this amendment~~ October 1, 2012.

(C) Annually the chief executive officer shall issue a report to residents of the district that includes results of achievement measurements made under division (B)(1) of this section and delineates the nature of any reforms and corrective actions being taken in response to any failure to achieve at an

acceptable level or rate. The report shall also contain 20799  
descriptions of efforts undertaken to improve the overall 20800  
quality or efficiency of operation of the district, shall list 20801  
the source of all district revenues, and shall contain a 20802  
description of all district expenditures during the preceding 20803  
fiscal year. 20804

(D) The chief executive officer shall implement a public 20805  
awareness campaign to keep the parents and guardians of the 20806  
district's students informed of the changes being implemented 20807  
within the district. The campaign may include such methods as 20808  
community forums, letters, and brochures. It shall include 20809  
annual distribution to all parents and guardians of an 20810  
information card specifying the names and business addresses and 20811  
telephone numbers of the ombudspersons appointed under section 20812  
3311.72 of the Revised Code and other employees of the district 20813  
board of education who may serve as information resources for 20814  
parents and guardians. 20815

education of each municipal school district to which this 20819  
section applies shall submit to the ~~superintendent of public~~ 20820

progress over time of each of the applicable categories of 20825  
students described in division (G) of section 3302.03 of the 20826  
Revised Code, and college and career readiness. The ~~state~~ 20827

(C) Beginning with the 2012-2013 school year, the board 20832  
annually shall establish goals for improvement on each of the 20833  
measures approved under division (B) of this section. The school 20834  
district's performance data for the 2011-2012 school year shall 20835  
be used as a baseline for determining improvement. 20836

(D) Not later than October 1, 2013, and by the first day 20837  
of October each year thereafter, the board shall issue a report 20838  
describing the school district's performance for the previous 20839  
school year on each of the measures approved under division (B) 20840  
of this section and whether the district has met each of the 20841

exemption or the application of funds requested and the reasons 20860  
for the request. The ~~state superintendent~~ director shall approve 20861  
the request if the ~~superintendent~~ director finds the requested 20862  
exemption or application of funds is in the best interest of the 20863  
district's students. The ~~superintendent~~ director shall approve 20864  
or disapprove the request within thirty days and shall notify 20865  
the district board and the district chief executive officer of 20866  
approval or reasons for disapproving the request. 20867

(B) The board of education of a municipal school district 20868  
may apply for an exemption from specific statutory provisions or 20869  
rules under section 3302.07 of the Revised Code. 20870

established under Chapter 3314. of the Revised Code that is 20885  
located within the territory of a municipal school district and 20886  
that either is sponsored by the district or is a party to an 20887

agreement with the district whereby the district and the 20888  
community school endorse each other's programs. 20889

(4) "Transformation alliance education plan" means a plan 20890  
prepared by the mayor, and confirmed by the alliance, to 20891

partnering community schools that will be held to the highest 20894  
standards of school performance and student achievement. 20895

(B) If one or more partnering community schools are 20896  
located in a municipal school district, the mayor may initiate 20897  
proceedings to establish a municipal school district 20898  
transformation alliance as a nonprofit corporation under Chapter 20899

the board of directors, of any alliance created under this 20913  
section. If the proceedings are initiated, the mayor shall 20914

which an executive session of a public body is permitted under 20926  
division (G) of section 121.22 of the Revised Code, 20927

envelopes provided by the person. 20938

(2) All records of the alliance shall be organized and 20939  
maintained by the alliance and also filed with the department of 20940

records were public records for purposes of Chapter 149. of the 20943  
Revised Code. The department shall promptly notify the alliance 20944  
upon the department's receipt of any requests for records 20945

(b) Confirm and monitor implementation of the transformation alliance education plan;

(c) Suggest national education models for and provide input in the development of new municipal school district schools and partnering community schools.

If the alliance makes comments, those comments shall be considered by the department prior to making its decision whether to grant, renew, or extend the agreement.

For purposes of division (D) (2) of this section, comments by the alliance shall be based on the criteria established under division (A) of section 3311.87 of the Revised Code.

(E) Divisions (E) (1) to (3) of this section apply to each community school sponsor that is subject to approval by the department under section 3314.015 of the Revised Code whose approval under that section is granted, renewed, or extended on or after October 1, 2012. Divisions (E) (1) to (3) of this section do not apply to a sponsor that has been approved by the department prior to that date, until the sponsor's approval is renewed, granted anew, or extended on or after that date.

(1) Before a sponsor to which this section applies may sponsor new community schools in an alliance municipal school district, the sponsor shall request recommendation from the alliance to sponsor community schools in the district.

(2) The alliance shall review the sponsor's request and shall make a recommendation to the department based on the standards for sponsors developed under division (A) (2) of section 3311.87 of the Revised Code.

(3) The department shall use the standards developed under division (A) (2) of section 3311.87 of the Revised Code, in addition to any other requirements of the Revised Code, to review a sponsor's request and make a final determination, on recommendation of the alliance, of whether the sponsor may sponsor new community schools in the alliance municipal school district.

No sponsor shall be required to receive authorization to sponsor new community schools under division (E) (3) of this section more than one time.

(F) Directors, officers, and employees of an alliance are not public employees or public officials, are not subject to Chapters 124., 145., and 4117. of the Revised Code, and are not

"public officials" or "public servants" as defined in section 21006  
2921.01 of the Revised Code. Membership on the board of 21007  
directors of an alliance does not constitute the holding of an 21008  
incompatible public office or employment in violation of any 21009  
statutory or common law prohibition against the simultaneous 21010  
holding of more than one public office or employment. Members of 21011  
the board of directors of an alliance are not disqualified from 21012  
holding any public office by reason of that membership, and do 21013  
not forfeit by reason of that membership the public office or 21014  
employment held when appointed to the board, notwithstanding any 21015  
contrary disqualification or forfeiture requirement under the 21016  
Revised Code or the common law of this state. 21017

**Sec. 3311.87.** The department of education and workforce, 21018  
in conjunction with the municipal school district transformation 21019  
alliance established under section 3311.86 of the Revised Code, 21020  
if such an alliance is established under that section, and a 21021

members sponsor the majority of start-up community schools in 21024  
the state, shall do all of the following: 21025

community school that opens after July 1, 2013, each sponsor 21031  
shall use the criteria established under this division to 21032  
determine whether to sponsor a community school in the municipal 21033  
district. 21034

(2) Criteria for assessing the ability of a sponsor to 21035

successfully sponsor a community school in a municipal school district. 21036  
21037

The criteria adopted under divisions (A)(1) and (2) of this section shall be based on standards issued by the national association of charter school authorizers or any other nationally organized community or charter school organization. 21038  
21039  
21040  
21041

(B) Not later than April 30, 2013, establish a comprehensive framework to assess the efficacy of district schools and community schools located in the municipal school district. ~~superintendent~~director, utilize the financial plan required by 21658  
section 3316.04 of the Revised Code, or applicable parts 21659  
thereof, as the plan required under this division. The board of 21660  
education of a school district declared to be under a fiscal 21661  
emergency pursuant to division (B) of section 3316.03 of the 21662  
Revised Code may utilize the financial recovery plan for the 21663

expenditures of the district during the fiscal year shall repay 21697  
the loan no later than the fifteenth day of June of the tenth 21698  
fiscal year following the approval of the loan. In deciding 21699  
whether to approve or disapprove a proposed loan, the 21700  
controlling board shall consider the deficit certified by the 21701  
auditor of state pursuant to this section. A board of education 21702  
that has an outstanding loan approved pursuant to this section 21703  
with a repayment date of more than two fiscal years after the 21704

board of education under the loan constitutes an obligation nor 21721  
a debt or a pledge of the faith, credit, or taxing power of the 21722  
state, and the holder or owner of such note or obligation has no 21723  
right to have taxes levied by the general assembly for the 21724  
payment of such note or obligation, and such note or obligation 21725  
shall contain a statement to that effect. 21726

(4) Pursuant to the terms of such a loan, a board of 21727

and the otherwise applicable provisions of Chapter 133. of the 21733  
Revised Code are not inconsistent with this section, provided 21734  
that in any event sections 133.24 and 5705.21 and divisions (A), 21735  
(B), (C), and (E) (2) of section 133.10 of the Revised Code do 21736

section of the Revised Code, or any other provision of law, a 21739  
board of education that has received a loan under this section 21740  
may not declare bankruptcy, so long as any portion of such loan 21741

remains unpaid. 21742

(F) Under this section and section 3313.4810, "board of 21743  
education" or "district board" includes the financial planning 21744  
and supervision commission of a school district under a fiscal 21745  
emergency pursuant to Chapter 3316. of the Revised Code where 21746  
such commission chooses to exercise the powers and duties 21747

every school district that during the current fiscal year paid 21754  
and was obligated to pay interest on a loan under sections 21755  
3313.483 to 3313.4810 of the Revised Code in excess of two per 21756  
cent simple interest. The amount of the subsidy shall equal the 21757  
difference between the amount of interest the district paid and 21758  
was obligated to pay during the year and the interest that the 21759  
district would have been obligated to pay if the interest rate 21760  
on the loan had been two per cent per year. 21761

**Sec. 3313.487.** (A) Upon receipt of a copy of a request for 21762  
a determination under section 3313.483 of the Revised Code or 21763  
upon the issuance of written notification under division (B) of 21764  
section 3313.489 of the Revised Code, the ~~superintendent of~~ 21765  
~~public instruction~~ department of education and workforce shall 21766  
analyze the district's financial condition and ascertain what 21767  
elements of the district's educational program exceed or fail to 21768  
meet the minimum standards of the ~~state board~~ director of 21769  
education and workforce and requirements set forth in the 21770

recommendations, including reductions in programs which exceed 21778  
minimum standards of the ~~state board of education~~ director or 21779  
requirements set forth in the Revised Code, that, if followed, 21780  
would enable the district to reduce its expenses while operating 21781  
an educational program that is responsive to the educational 21782  
needs of the school district in accordance with its adopted 21783  
school calendar. The ~~superintendent~~ director may determine that 21784  
a responsive educational program requires the inclusion of 21785  
elements exceeding the minimum standards of the ~~state board of~~ 21786  
~~education~~ director or requirements of the Revised Code. If, upon 21787  
completion of the analysis and findings as provided in this 21788  
division, the ~~superintendent~~ director determines that the 21789  
district will be financially unable to operate its educational 21790  
program in accordance with its adopted school calendar and pay 21791

the auditor of state in writing. Upon receipt of such 21793  
notification, the auditor of state shall issue findings pursuant 21794

existing revenue sources during the current and the ensuing 21804  
school year. Such order shall take immediate effect, and such 21805  
section shall apply to the school district. ~~Prior to the~~ 21806  
~~issuance of any order under this division, the state board of~~ 21807  
~~education may request from the superintendent of public~~ 21808  
~~instruction a recommendation regarding the matter of the~~ 21809  
~~issuance of an order making a school district subject to section~~ 21810  
~~3313.488 of the Revised Code.~~ A board of education may appeal 21811  
the order on questions of fact to the court of common pleas of 21812  
Franklin county. 21813

(C) Notwithstanding division (B) of this section, the 21814  
~~state board of education~~ director shall issue an order making a 21815  
school district subject to section 3313.488 of the Revised Code 21816

this division, the ~~superintendent of public instruction~~ director 21821  
shall apply for a loan from a commercial lending institution 21822  
pursuant to section 3313.483 of the Revised Code on behalf of 21823  
the district. The ~~superintendent~~ director shall have full 21824  
authority to act on behalf of the board of education of a school 21825  
district with respect to the making of loan agreements, and any 21826  
loan agreement made by the ~~superintendent~~ director shall be 21827  
fully binding on the school district. 21828

(D) This section does not apply to a school district 21829

the fiscal statement is prepared and the date or dates by which 21844  
such expenses must be paid, and such other information as the 21845  
~~superintendent~~ director requires to enable the ~~superintendent~~ 21846  
department of education and workforce to ensure that during the 21847  
remainder of the fiscal year, the district will not incur any 21848  
expenses that will further impair its ability to operate an 21849  
instructional program that meets or exceeds the minimum 21850  
standards of the ~~state board of education~~ director and 21851  
requirements of the Revised Code during the current and ensuing 21852  
fiscal years with the revenue available to it from existing 21853

fiscal statement in writing and the expenditure, contract, 21862  
order, or schedule has been approved in writing by the 21863  
~~superintendent~~ director as being in conformity with the fiscal 21864

Any contract or expenditure made, order given, or schedule 21866  
adopted or put into effect without the written approval of the 21867

the ~~superintendent~~ department to ensure that during such year, 21880  
the district will not incur any expenses that will further 21881

acceptable governmental budget and accounting practices. If the 21908  
~~state board~~ department so determines and finds that the revenues 21909

district at least thirty days prior to the beginning of the 21914  
fiscal year, and the district shall thereupon cease to be 21915

make such a determination and finding, the board of education 21917  
and school district are subject to this division and division 21918  
(B) of this section in the ensuing fiscal year and each fiscal 21919  
year thereafter until the ~~state board~~ department makes a 21920  
determination, finding, and certification under this division. 21921

Students who choose to take one unit of advanced computer 22747  
science in lieu of algebra II, as described in division (C) (3) 22748  
of this section, shall not be permitted to complete one-half 22749  
unit of financial literacy instruction to satisfy the 22750  
mathematics unit requirements of that division. Instead, those 22751  
students shall be required to complete the one-half unit of 22752  
financial literacy instruction under division (C) (8) of this 22753  
section. 22754

(4) Physical education, one-half unit; 22755

(5) Science, three units with inquiry-based laboratory 22756  
experience that engages students in asking valid scientific 22757  
questions and gathering and analyzing information, which shall 22758  
include the following, or their equivalent: 22759

(a) Physical sciences, one unit; 22760

(b) Life sciences, one unit; 22761

(c) Advanced study in one or more of the following 22762  
sciences, one unit: 22763

(i) Chemistry, physics, or other physical science; 22764

(ii) Advanced biology or other life science; 22765

(iii) Astronomy, physical geology, or other earth or space 22766  
science; 22767

(iv) Computer science. 22768

No student shall substitute a computer science course for 22769  
a life sciences or biology course under division (C) (5) of this 22770  
section. 22771

(6) History and government, one unit, which shall comply with division (M) of this section and shall include both of the following: 22772  
22773  
22774

(a) American history, one-half unit; 22775

(b) American government, one-half unit. 22776

(7) Social studies, two units. 22777

Beginning with students who enter ninth grade for the first time on or after July 1, 2017, the two units of instruction prescribed by division (C) (7) of this section shall include at least one-half unit of instruction in the study of world history and civilizations. 22778  
22779  
22780  
22781  
22782

(8) Five units consisting of one or any combination of foreign language, fine arts, business, career-technical education, family and consumer sciences, technology which may include computer science, agricultural education, a junior reserve officer training corps (JROTC) program approved by the congress of the United States under title 10 of the United States Code, or English language arts, mathematics, science, or social studies courses not otherwise required under division (C) of this section. 22783  
22784  
22785  
22786  
22787  
22788  
22789  
22790  
22791

One-half unit of instruction under division (C) (8) of this section may be instruction in financial literacy to satisfy the requirement under division (C) (9) of this section. 22792  
22793  
22794

(9) (a) Except as provided in division (C) (9) (b) of this section, for students who enter ninth grade for the first time on or after July 1, 2022, financial literacy, one-half unit. 22795  
22796  
22797  
Each student shall elect to complete the one-half unit of instruction in financial literacy either in lieu of one-half unit of instruction in mathematics under division (C) (3) of this 22798  
22799  
22800

section or an elective under division (C) (8) of this section. 22801

(b) A student attending a nonpublic school accredited 22802  
through the independent schools association of the central 22803  
states or any other chartered nonpublic school shall not be 22804  
required to complete the one-half unit of financial literacy 22805  
instruction prescribed in division (C) (9) (a) of this section, 22806  
unless that student is attending the school under a state 22807  
scholarship program as defined in section 3301.0711 of the 22808  
Revised Code. 22809

The study and instruction of financial literacy required 22810  
under division (C) (9) of this section shall align with the 22811  
academic content standards for financial literacy and 22812  
entrepreneurship adopted under division (A) (2) of section 22813  
3301.079 of the Revised Code. In developing the curriculum for 22814  
the study and instruction of financial literacy, schools may use 22815  
available public-private partnerships and resources and 22816  
materials that exist in business, industry, and through the 22817  
centers for economics education at institutions of higher 22818  
education. 22819

Ohioans must be prepared to apply increased knowledge and 22820  
skills in the workplace and to adapt their knowledge and skills 22821  
quickly to meet the rapidly changing conditions of the twenty- 22822  
first century. National studies indicate that all high school 22823  
graduates need the same academic foundation, regardless of the 22824  
opportunities they pursue after graduation. The goal of Ohio's 22825  
system of elementary and secondary education is to prepare all 22826  
students for and seamlessly connect all students to success in 22827  
life beyond high school graduation, regardless of whether the 22828  
next step is entering the workforce, beginning an 22829  
apprenticeship, engaging in post-secondary training, serving in 22830

the military, or pursuing a college degree. 22831

The requirements for graduation prescribed in division (C) 22832  
of this section are the standard expectation for all students 22833  
entering ninth grade for the first time at a public or chartered 22834  
nonpublic high school on or after July 1, 2010. A student may 22835  
satisfy this expectation through a variety of methods, 22836  
including, but not limited to, integrated, applied, career- 22837  
technical, and traditional coursework. 22838

Stronger coordination between high schools and 22839  
institutions of higher education is necessary to prepare 22840  
students for more challenging academic endeavors and to lessen 22841  
the need for academic remediation in college, thereby reducing 22842  
the costs of higher education for Ohio's students, families, and 22843  
the state. The ~~state board~~ department and the chancellor of 22844  
higher education shall develop policies to ensure that only in 22845  
rare instances will students who complete the requirements for 22846  
graduation prescribed in division (C) of this section require 22847  
academic remediation after high school. 22848

School districts, community schools, and chartered 22849  
nonpublic schools shall integrate technology into learning 22850  
experiences across the curriculum in order to maximize 22851  
efficiency, enhance learning, and prepare students for success 22852  
in the technology-driven twenty-first century. Districts and 22853  
schools shall use distance and web-based course delivery as a 22854  
method of providing or augmenting all instruction required under 22855  
this division, including laboratory experience in science. 22856  
Districts and schools shall utilize technology access and 22857  
electronic learning opportunities provided by the broadcast 22858  
educational media commission, chancellor, the Ohio learning 22859  
network, education technology centers, public television 22860

stations, and other public and private providers. 22861

(D) Except as provided in division (E) of this section, a 22862  
student who enters ninth grade on or after July 1, 2010, and 22863  
before July 1, 2016, may qualify for graduation from a public or 22864  
chartered nonpublic high school even though the student has not 22865  
completed the requirements for graduation prescribed in division 22866  
(C) of this section if all of the following conditions are 22867  
satisfied: 22868

(1) During the student's third year of attending high 22869  
school, as determined by the school, the student and the 22870  
student's parent, guardian, or custodian sign and file with the 22871  
school a written statement asserting the parent's, guardian's, 22872  
or custodian's consent to the student's graduating without 22873  
completing the requirements for graduation prescribed in 22874  
division (C) of this section and acknowledging that one 22875  
consequence of not completing those requirements is 22876  
ineligibility to enroll in most state universities in Ohio 22877  
without further coursework. 22878

(2) The student and parent, guardian, or custodian fulfill 22879  
any procedural requirements the school stipulates to ensure the 22880  
student's and parent's, guardian's, or custodian's informed 22881  
consent and to facilitate orderly filing of statements under 22882  
division (D)(1) of this section. Annually, each district or 22883  
school shall notify the department of the number of students who 22884  
choose to qualify for graduation under division (D) of this 22885  
section and the number of students who complete the student's 22886  
success plan and graduate from high school. 22887

(3) The student and the student's parent, guardian, or 22888  
custodian and a representative of the student's high school 22889  
jointly develop a student success plan for the student in the 22890

manner described in division (C) (1) of section 3313.6020 of the Revised Code that specifies the student matriculating to a two-year degree program, acquiring a business and industry-recognized credential, or entering an apprenticeship.

(4) The student's high school provides counseling and support for the student related to the plan developed under division (D) (3) of this section during the remainder of the student's high school experience.

(5) (a) Except as provided in division (D) (5) (b) of this section, the student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section.

(b) Beginning with students who enter ninth grade for the first time on or after July 1, 2014, a student shall be required to complete successfully, at the minimum, the curriculum prescribed in division (B) of this section, except as follows:

(i) Mathematics, four units, one unit which shall be one of the following:

(I) Probability and statistics;

(II) Computer science;

(III) Applied mathematics or quantitative reasoning;

(IV) Any other course approved by the department using standards established by the superintendent not later than October 1, 2014.

(ii) Elective units, five units;

(iii) Science, three units as prescribed by division (B) of this section which shall include inquiry-based laboratory experience that engages students in asking valid scientific

questions and gathering and analyzing information. 22918

(E) Each school district and chartered nonpublic school 22919  
retains the authority to require an even more challenging 22920  
minimum curriculum for high school graduation than specified in 22921  
division (B) or (C) of this section. A school district board of 22922  
education, through the adoption of a resolution, or the 22923  
governing authority of a chartered nonpublic school may 22924  
stipulate any of the following: 22925

(1) A minimum high school curriculum that requires more 22926  
than twenty units of academic credit to graduate; 22927

(2) An exception to the district's or school's minimum 22928  
high school curriculum that is comparable to the exception 22929  
provided in division (D) of this section but with additional 22930  
requirements, which may include a requirement that the student 22931  
successfully complete more than the minimum curriculum 22932  
prescribed in division (B) of this section; 22933

(3) That no exception comparable to that provided in 22934  
division (D) of this section is available. 22935

If a school district or chartered nonpublic school 22936  
requires a foreign language as an additional graduation 22937  
requirement under division (E) of this section, a student may 22938  
apply one unit of instruction in computer coding to satisfy one 22939  
unit of foreign language. If a student applies more than one 22940  
computer coding course to satisfy the foreign language 22941  
requirement, the courses shall be sequential and progressively 22942  
more difficult. 22943

(F) A student enrolled in a dropout prevention and 22944  
recovery program, which program has received a waiver from the 22945  
department, may qualify for graduation from high school by 22946

successfully completing a competency-based instructional program 22947  
administered by the dropout prevention and recovery program in 22948  
lieu of completing the requirements for graduation prescribed in 22949  
division (C) of this section. The department shall grant a 22950  
waiver to a dropout prevention and recovery program, within 22951  
sixty days after the program applies for the waiver, if the 22952  
program meets all of the following conditions: 22953

(1) The program serves only students not younger than 22954  
sixteen years of age and not older than twenty-one years of age. 22955

(2) The program enrolls students who, at the time of their 22956  
initial enrollment, either, or both, are at least one grade 22957  
level behind their cohort age groups or experience crises that 22958  
significantly interfere with their academic progress such that 22959  
they are prevented from continuing their traditional programs. 22960

(3) The program requires students to attain at least the 22961  
applicable score designated for each of the assessments 22962  
prescribed under division (B) (1) of section 3301.0710 of the 22963  
Revised Code or, to the extent prescribed by rule of the ~~state-~~ 22964  
~~board-department~~ under division (D) (5) of section 3301.0712 of 22965  
the Revised Code, division (B) (2) of that section. 22966

(4) The program develops a student success plan for the 22967  
student in the manner described in division (C) (1) of section 22968  
3313.6020 of the Revised Code that specifies the student's 22969  
matriculating to a two-year degree program, acquiring a business 22970  
and industry-recognized credential, or entering an 22971  
apprenticeship. 22972

(5) The program provides counseling and support for the 22973  
student related to the plan developed under division (F) (4) of 22974  
this section during the remainder of the student's high school 22975

experience. 22976

(6) The program requires the student and the student's 22977  
parent, guardian, or custodian to sign and file, in accordance 22978  
with procedural requirements stipulated by the program, a 22979  
written statement asserting the parent's, guardian's, or 22980  
custodian's consent to the student's graduating without 22981  
completing the requirements for graduation prescribed in 22982  
division (C) of this section and acknowledging that one 22983  
consequence of not completing those requirements is 22984  
ineligibility to enroll in most state universities in Ohio 22985  
without further coursework. 22986

(7) Prior to receiving the waiver, the program has 22987  
submitted to the department an instructional plan that 22988  
demonstrates how the academic content standards adopted by the 22989  
~~state board~~ department under section 3301.079 of the Revised 22990  
Code will be taught and assessed. 22991

(8) Prior to receiving the waiver, the program has 22992  
submitted to the department a policy on career advising that 22993  
satisfies the requirements of section 3313.6020 of the Revised 22994  
Code, with an emphasis on how every student will receive career 22995  
advising. 22996

(9) Prior to receiving the waiver, the program has 22997  
submitted to the department a written agreement outlining the 22998  
future cooperation between the program and any combination of 22999  
local job training, postsecondary education, nonprofit, and 23000  
health and social service organizations to provide services for 23001  
students in the program and their families. 23002

Divisions (F) (8) and (9) of this section apply only to 23003  
waivers granted on or after July 1, 2015. 23004

If the department does not act either to grant the waiver 23005  
or to reject the program application for the waiver within sixty 23006  
days as required under this section, the waiver shall be 23007  
considered to be granted. 23008

(G) Every high school may permit students below the ninth 23009  
grade to take advanced work. If a high school so permits, it 23010  
shall award high school credit for successful completion of the 23011  
advanced work and shall count such advanced work toward the 23012  
graduation requirements of division (B) or (C) of this section 23013  
if the advanced work was both: 23014

(1) Taught by a person who possesses a license or 23015  
certificate issued under section 3301.071, 3319.22, or 3319.222 23016  
of the Revised Code that is valid for teaching high school; 23017

(2) Designated by the board of education of the city, 23018  
local, or exempted village school district, the board of the 23019  
cooperative education school district, or the governing 23020  
authority of the chartered nonpublic school as meeting the high 23021  
school curriculum requirements. 23022

Each high school shall record on the student's high school 23023  
transcript all high school credit awarded under division (G) of 23024  
this section. In addition, if the student completed a seventh- 23025  
or eighth-grade fine arts course described in division (K) of 23026  
this section and the course qualified for high school credit 23027  
under that division, the high school shall record that course on 23028  
the student's high school transcript. 23029

(H) The department shall make its individual academic 23030  
career plan available through its Ohio career information system 23031  
web site for districts and schools to use as a tool for 23032  
communicating with and providing guidance to students and 23033

families in selecting high school courses. 23034

(I) A school district or chartered nonpublic school may 23035  
integrate academic content in a subject area for which the ~~state-~~ 23036  
~~board-department~~ has adopted standards under section 3301.079 of 23037  
the Revised Code into a course in a different subject area, 23038  
including a career-technical education course, in accordance 23039  
with guidance for integrated coursework developed by the 23040  
department. Upon successful completion of an integrated course, 23041  
a student may receive credit for both subject areas that were 23042  
integrated into the course. Units earned for subject area 23043  
content delivered through integrated academic and career- 23044  
technical instruction are eligible to meet the graduation 23045  
requirements of division (B) or (C) of this section. 23046

For purposes of meeting graduation requirements, if an 23047  
end-of-course examination has been prescribed under section 23048  
3301.0712 of the Revised Code for the subject area delivered 23049  
through integrated instruction, the school district or school 23050  
may administer the related subject area examinations upon the 23051  
student's completion of the integrated course. 23052

Nothing in division (I) of this section shall be construed 23053  
to excuse any school district, chartered nonpublic school, or 23054  
student from any requirement in the Revised Code related to 23055  
curriculum, assessments, or the awarding of a high school 23056  
diploma. 23057

(J) (1) ~~The state board department,~~ in consultation with 23058  
the chancellor, shall adopt a statewide plan implementing 23059  
methods for students to earn units of high school credit based 23060  
on a demonstration of subject area competency, instead of or in 23061  
combination with completing hours of classroom instruction. ~~The~~ 23062  
~~state board shall adopt the plan not later than March 31, 2009,~~ 23063

~~and commence phasing in the plan during the 2009-2010 school-~~ 23064  
~~year.~~ The plan shall include a standard method for recording 23065  
demonstrated proficiency on high school transcripts. Each school 23066  
district and community school shall comply with the ~~state-~~ 23067  
~~board's department's~~ plan adopted under this division and award 23068  
units of high school credit in accordance with the plan. The 23069  
~~state board department~~ may adopt existing methods for earning 23070  
high school credit based on a demonstration of subject area 23071  
competency as necessary prior to the 2009-2010 school year. 23072

(2) ~~Not later than December 31, 2015, the state board~~ The 23073  
department shall update the statewide plan adopted pursuant to 23074  
division (J) (1) of this section to also include methods for 23075  
students enrolled in seventh and eighth grade to meet curriculum 23076  
requirements based on a demonstration of subject area 23077  
competency, instead of or in combination with completing hours 23078  
of classroom instruction. Beginning with the 2017-2018 school 23079  
year, each school district and community school also shall 23080  
comply with the updated plan adopted pursuant to this division 23081  
and permit students enrolled in seventh and eighth grade to meet 23082  
curriculum requirements based on subject area competency in 23083  
accordance with the plan. 23084

(3) ~~Not later than December 31, 2017, the~~ The department 23085  
shall develop a framework for school districts and community 23086  
schools to use in granting units of high school credit to 23087  
students who demonstrate subject area competency through work- 23088  
based learning experiences, internships, or cooperative 23089  
education. Beginning with the 2018-2019 school year, each 23090  
district and community school shall comply with the framework. 23091  
Each district and community school also shall review any policy 23092  
it has adopted regarding the demonstration of subject area 23093  
competency to identify ways to incorporate work-based learning 23094

experiences, internships, and cooperative education into the 23095  
policy in order to increase student engagement and opportunities 23096  
to earn units of high school credit. 23097

(K) This division does not apply to students who qualify 23098  
for graduation from high school under division (D) or (F) of 23099  
this section, or to students pursuing a career-technical 23100  
instructional track as determined by the school district board 23101  
of education or the chartered nonpublic school's governing 23102  
authority. Nevertheless, the general assembly encourages such 23103  
students to consider enrolling in a fine arts course as an 23104  
elective. 23105

Beginning with students who enter ninth grade for the 23106  
first time on or after July 1, 2010, each student enrolled in a 23107  
public or chartered nonpublic high school shall complete two 23108  
semesters or the equivalent of fine arts to graduate from high 23109  
school. The coursework may be completed in any of grades seven 23110  
to twelve. Each student who completes a fine arts course in 23111  
grade seven or eight may elect to count that course toward the 23112  
five units of electives required for graduation under division 23113  
(C) (8) of this section, if the course satisfied the requirements 23114  
of division (G) of this section. In that case, the high school 23115  
shall award the student high school credit for the course and 23116  
count the course toward the five units required under division 23117  
(C) (8) of this section. If the course in grade seven or eight 23118  
did not satisfy the requirements of division (G) of this 23119  
section, the high school shall not award the student high school 23120  
credit for the course but shall count the course toward the two 23121  
semesters or the equivalent of fine arts required by this 23122  
division. 23123

(L) Notwithstanding anything to the contrary in this 23124

section, the board of education of each school district and the 23125  
governing authority of each chartered nonpublic school may adopt 23126  
a policy to excuse from the high school physical education 23127  
requirement each student who, during high school, has 23128  
participated in interscholastic athletics, marching band, show 23129  
choir, or cheerleading for at least two full seasons or in the 23130  
junior reserve officer training corps for at least two full 23131  
school years. If the board or authority adopts such a policy, 23132  
the board or authority shall not require the student to complete 23133  
any physical education course as a condition to graduate. 23134  
However, the student shall be required to complete one-half 23135  
unit, consisting of at least sixty hours of instruction, in 23136  
another course of study. In the case of a student who has 23137  
participated in the junior reserve officer training corps for at 23138  
least two full school years, credit received for that 23139  
participation may be used to satisfy the requirement to complete 23140  
one-half unit in another course of study. 23141

(M) It is important that high school students learn and 23142  
understand United States history and the governments of both the 23143  
United States and the state of Ohio. Therefore, beginning with 23144  
students who enter ninth grade for the first time on or after 23145  
July 1, 2012, the study of American history and American 23146  
government required by divisions (B)(6) and (C)(6) of this 23147  
section shall include the study of all of the following 23148  
documents: 23149

(1) The Declaration of Independence; 23150

(2) The Northwest Ordinance; 23151

section to measure skill in English language arts expected at 23411  
the end of third grade, the student shall be retained unless the 23412  
student is exempt under division (A) of this section. The 23413  
notification shall specify that the assessment under section 23414  
3301.0710 of the Revised Code is not the sole determinant of 23415

(3) A board of education issues its determination under section 3313.611 of the Revised Code that the person qualifies as having successfully completed the curriculum required by the district.	24440 24441 24442 24443
(B) This division specifies the assessment requirements that must be fulfilled as a condition toward granting high school diplomas under sections 3313.61, 3313.611, 3313.612, and 3325.08 of the Revised Code.	24444 24445 24446 24447
(1) A person who fulfills the curriculum requirement for a diploma before September 15, 2000, is not required to pass any proficiency test or achievement test in science as a condition to receiving a diploma.	24448 24449 24450 24451

proficiency test in that subject as a condition to receiving a 24463

but does not pass a ninth grade proficiency test or the Ohio 24467

2008, and passage of a test in that subject is a condition for 24469

graduation test instead of the ninth grade proficiency test in 24471  
that subject to receive a diploma. 24472

(3) (a) Except as provided in division (B) (3) (b) of this 24473  
section, a person who begins ninth grade for the first time on 24474  
or after July 1, 2003, in a school district, community school, 24475

such person who begins ninth grade prior to July 1, 2014, must 24478  
pass Ohio graduation tests to meet the assessment requirements 24479  
applicable to that person as a condition to receiving a diploma 24480  
or satisfy one of the conditions prescribed in division (B) (3) 24481  
(b) of this section. 24482

(b) A person who began ninth grade for the first time 24483  
prior to July 1, 2014, shall be eligible to receive a diploma if 24484

prior to July 1, 2014, and who has not attained at least the 24488  
applicable scores designated under division (B) (1) of section 24489  
3301.0710 of the Revised Code on all the assessments required by 24490  
that division shall be eligible to receive a diploma if the 24491

person meets the requirement prescribed by rule of the ~~state-~~ 24492  
~~board department~~ of education and workforce as prescribed under 24493  
division (B) (3) (d) of this section. 24494

time prior to July 1, 2014, may be eligible for a high school 24498  
diploma by combining the requirement prescribed by section 24499  
3313.618 or 3313.619 of the Revised Code and the requirement to 24500  
attain at least the applicable scores designated under division 24501  
(B) (1) of section 3301.0710 of the Revised Code on the 24502  
assessments required by that division. The rules shall ensure 24503  
that the combined requirements require a demonstration of 24504  
mastery that is equivalent or greater to the expectations of the 24505  
assessments prescribed by division (B) (1) of section 3301.0710 24506  
of the Revised Code. The rules shall include the following: 24507

(i) The date by which a person who began ninth grade for 24508

(4) Except as provided in division (B) (3) (b) of this 24517  
section, a person who begins ninth grade on or after July 1, 24518  
2014, is not eligible to receive a diploma based on passage of 24519  
the Ohio graduation tests. Each such person must meet the 24520

requirement prescribed by section 3313.618 or 3313.619 of the Revised Code. 24521  
24522

(C) This division specifies the curriculum requirement 24523  
that shall be completed as a condition toward granting high 24524  
school diplomas under sections 3313.61, 3313.611, 3313.612, and 24525  
3325.08 of the Revised Code. 24526

(1) A person who is under twenty-two years of age when the 24527  
person fulfills the curriculum requirement for a diploma shall 24528  
complete the curriculum required by the school district or 24529  
school issuing the diploma for the first year that the person 24530

to take the five Ohio graduation tests prescribed by division 24545  
(B) (1) of section 3301.0710 of the Revised Code. This section 24546  
does not apply to any student who enters ninth grade for the 24547

(C), or (E) of this section provided that, prior to such 25582  
attendance in any school year, both of the following occur: 25583

(a) The superintendent of the district in which the child 25584  
is entitled to attend school under division (B), (C), or (E) of 25585

that the purpose of such attendance is to protect the student's 25590  
physical or mental well-being or to deal with other extenuating 25591  
circumstances deemed appropriate by the superintendents. 25592

While an agreement is in effect under this division for a 25593  
student who is not receiving special education under Chapter 25594  
3323. of the Revised Code and notwithstanding Chapter 3327. of 25595  
the Revised Code, the board of education of neither school 25596  
district involved in the agreement is required to provide 25597  
transportation for the student to and from the school where the 25598

student attends. 25599

A student attending a school of a district pursuant to 25600  
this division shall be allowed to participate in all student 25601  
activities, including interscholastic athletics, at the school 25602

section or section 3313.65 of the Revised Code, a child under 25659

of the school year, was entitled to attend school as otherwise 25662  
provided under this section or section 3313.65 of the Revised 25663  
Code, if at that time the child was enrolled in the schools of 25664  
the district but since that time the child or the child's parent 25665  
has relocated to a new address located outside of that school 25666  
district and within the same county as the child's or parent's 25667  
address immediately prior to the relocation. The child may 25668  
continue to attend school in the district, and at the school to 25669  
which the child was assigned at the end of the first full week 25670  
of October of the current school year, for the balance of the 25671

children described in division (I) (1) of this section. 25678

(b) The child's parent provides written notification of 25679  
the relocation outside of the school district to the 25680  
superintendent of each of the two school districts. 25681

(2) At the beginning of the school year following the 25682  
school year in which the child or the child's parent relocated 25683  
outside of the school district as described in division (I) (1) 25684  
of this section, the child is not entitled to attend school in 25685  
the school district under that division. 25686

(3) Any person or entity owing tuition to the school 25687  
district on behalf of the child at the end of the first full 25688  
week in October, as provided in division (C) of this section, 25689  
shall continue to owe such tuition to the district for the 25690  
child's attendance under division (I) (1) of this section for the 25691  
lesser of the balance of the school year or the balance of the 25692  
time that the child attends school in the district under 25693

(4) A pupil who may attend school in the district under 25695  
division (I) (1) of this section shall be entitled to 25696  
transportation services pursuant to an agreement between the 25697  
district and the district in which the child or child's parent 25698  
has relocated unless the districts have not entered into such 25699  
agreement, in which case the child shall be entitled to 25700  
transportation services in the same manner as a pupil attending 25701  
school in the district under interdistrict open enrollment as 25702  
described in division (E) of section 3313.981 of the Revised 25703  
Code, regardless of whether the district has adopted an open 25704  
enrollment policy as described in division (B) (1) (b) or (c) of 25705  
section 3313.98 of the Revised Code. 25706

(J) This division does not apply to a child receiving 25707  
special education. 25708

A school district required to pay tuition pursuant to 25709  
division (C) (2) or (3) of this section or section 3313.65 of the 25710  
Revised Code shall have an amount deducted under division (C) of 25711  
section 3317.023 of the Revised Code equal to its own tuition 25712  
rate for the same period of attendance. A school district 25713  
entitled to receive tuition pursuant to division (C) (2) or (3) 25714  
of this section or section 3313.65 of the Revised Code shall 25715  
have an amount credited under division (C) of section 3317.023 25716

of the Revised Code equal to its own tuition rate for the same 25717  
period of attendance. If the tuition rate credited to the 25718  
district of attendance exceeds the rate deducted from the 25719  
district required to pay tuition, the department of education\_ 25720  
and workforce shall pay the district of attendance the 25721  
difference from amounts deducted from all districts' payments 25722  
under division (C) of section 3317.023 of the Revised Code but 25723

school district shall, by the fifteenth day of January and July, 25726  
furnish the ~~superintendent of public instruction~~ director of 25727

of this section or section 3313.65 of the Revised Code during 25730  
the preceding six calendar months, the duration of the 25731  
attendance of those children, the school district responsible 25732  
for tuition on behalf of the child, and any other information 25733  
that the ~~superintendent~~ director requires. 25734

Upon receipt of the report the ~~superintendent~~ director, 25735  
pursuant to division (C) of section 3317.023 of the Revised 25736  
Code, shall deduct each district's tuition obligations under 25737  
divisions (C) (2) and (3) of this section or section 3313.65 of 25738  
the Revised Code and pay to the district of attendance that 25739  
amount plus any amount required to be paid by the state. 25740

(K) In the event of a disagreement, the ~~superintendent of~~ 25741  
~~public instruction~~ director of education and workforce shall 25742  
determine the school district in which the parent resides. 25743

(L) Nothing in this section requires or authorizes, or 25744  
shall be construed to require or authorize, the admission to a 25745  
public school in this state of a pupil who has been permanently 25746

excluded from public school attendance by the ~~superintendent of~~ 25747  
~~public instruction director~~ pursuant to sections 3301.121 and 25748  
3313.662 of the Revised Code. 25749

called to active duty, or a child whose parent is a member of 25753  
the armed forces of the United States and is ordered to a 25754  
temporary duty assignment outside of the district, may continue 25755  
to attend school in the district in which the child's parent 25756  
lived before being called to active duty or ordered to a 25757  
temporary duty assignment outside of the district, as long as 25758  
the child's parent continues to be a resident of that district, 25759  
and regardless of where the child lives as a result of the 25760  
parent's active duty status or temporary duty assignment. 25761  
However, the district is not responsible for providing 25762  
transportation for the child if the child lives outside of the 25763  
district as a result of the parent's active duty status or 25764  
temporary duty assignment. 25765

alleging that the pupil is an abused, neglected, or dependent 25812  
child or if the pupil has been adjudicated an abused, neglected, 25813

A board shall require that the grades, credits, official 25815  
transcripts, IEPs, or 504 plan of a pupil described in this 25816

The ~~state board of education department~~ shall adopt rules 25989  
for the adoption of a policy under this section and for the 25990  
additional education program described under this section. 25991

instructional method. 25996

(A) Any school to which this section applies shall 25997  
withdraw from the school any student who, for two consecutive 25998  
school years of enrollment in the school, has failed to 25999  
participate in the spring administration of any assessment 26000  
prescribed under section 3301.0710 or 3301.0712 of the Revised 26001

to the contrary, the parent of any such student shall pay 26016  
tuition to the school district that operates the school in an 26017  
amount equal to the state funds the district otherwise would 26018  
receive for that student, as determined by the department. A 26019

**Sec. 3313.66.** (A) (1) Except as provided under division (B) 26126

(2) of this section, and subject to section 3313.668 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district, or the principal of a public school may suspend a pupil from school for not more than ten school days. The board of education of a city, exempted village, or local school district may adopt a policy granting assistant principals and other administrators the authority to suspend a pupil from school for a period of time as specified in the policy of the board of education, not to exceed ten school days. If at the time an out-of-school suspension is imposed there are fewer than ten school days remaining in the school year in which the incident that gives rise to the suspension takes place, the superintendent shall not apply any remaining part of the period of the suspension to the following school year. The superintendent may instead require the pupil to participate in a community service program or another alternative consequence for a number of hours equal to the remaining part of the period of the suspension. The pupil shall be required to begin the pupil's community service or alternative consequence during the first full week day of summer break. Each school district, in its discretion, may develop an appropriate list of alternative consequences. In the event that a pupil fails to complete community service or the assigned alternative consequence, the school district may determine the next course of action, which shall not include requiring the pupil to serve the remaining time of the out-of-school suspension at the beginning of the following school year.

No pupil shall be issued an out-of-school suspension unless prior to the suspension the superintendent or principal does both of the following:

(a) Gives the pupil written notice of the intention to

suspend the pupil and the reasons for the intended suspension 26158  
and, if the proposed suspension is based on a violation listed 26159  
in division (A) of section 3313.662 of the Revised Code and if 26160  
the pupil is sixteen years of age or older, includes in the 26161  
notice a statement that the superintendent may seek to 26162  
permanently exclude the pupil if the pupil is convicted of or 26163  
adjudicated a delinquent child for that violation; 26164

(b) Provides the pupil an opportunity to appear at an 26165  
informal hearing before the principal, assistant principal, 26166  
superintendent, or superintendent's designee and challenge the 26167  
reason for the intended suspension or otherwise to explain the 26168  
pupil's actions. 26169

(2) If a pupil is issued an in-school suspension, the 26170  
superintendent or principal shall ensure the pupil is serving 26171  
the suspension in a supervised learning environment. 26172

(3) Each school district board shall adopt a policy 26173  
establishing parameters for completing and grading assignments 26174  
missed because of a pupil's suspension. 26175

(a) The policy shall provide the pupil an opportunity to 26176  
do both of the following: 26177

(i) Complete any classroom assignments missed because of 26178  
the suspension; 26179

(ii) Receive at least partial credit for a completed 26180  
assignment. 26181

(b) The policy may permit grade reductions on account of 26182  
the pupil's suspension. 26183

(c) The policy shall prohibit the receipt of a failing 26184  
grade on a completed assignment solely on account of the pupil's 26185

suspension. 26186

(B) (1) Except as provided under division (B) (2), (3), or 26187  
(4) of this section, and subject to section 3313.668 of the 26188  
Revised Code, the superintendent of schools of a city, exempted 26189  
village, or local school district may expel a pupil from school 26190  
for a period not to exceed the greater of eighty school days or 26191  
the number of school days remaining in the semester or term in 26192  
which the incident that gives rise to the expulsion takes place, 26193  
unless the expulsion is extended pursuant to division (F) of 26194  
this section. If at the time an expulsion is imposed there are 26195  
fewer than eighty school days remaining in the school year in 26196  
which the incident that gives rise to the expulsion takes place, 26197  
the superintendent may apply any remaining part or all of the 26198  
period of the expulsion to the following school year. 26199

(2) (a) Unless a pupil is permanently excluded pursuant to 26200  
section 3313.662 of the Revised Code, the superintendent of 26201  
schools of a city, exempted village, or local school district 26202  
shall expel a pupil from school for a period of one year for 26203  
bringing a firearm to a school operated by the board of 26204  
education of the district or onto any other property owned or 26205  
controlled by the board, except that the superintendent may 26206  
reduce this requirement on a case-by-case basis in accordance 26207  
with the policy adopted by the board under section 3313.661 of 26208  
the Revised Code. 26209

(b) The superintendent of schools of a city, exempted 26210  
village, or local school district may expel a pupil from school 26211  
for a period of one year for bringing a firearm to an 26212  
interscholastic competition, an extracurricular event, or any 26213  
other school program or activity that is not located in a school 26214  
or on property that is owned or controlled by the district. The 26215

superintendent may reduce this disciplinary action on a case-by- 26216  
case basis in accordance with the policy adopted by the board 26217  
under section 3313.661 of the Revised Code. 26218

(c) Any expulsion pursuant to division (B)(2) of this 26219  
section shall extend, as necessary, into the school year 26220  
following the school year in which the incident that gives rise 26221  
to the expulsion takes place. As used in this division, 26222  
"firearm" has the same meaning as provided pursuant to the "Gun- 26223  
Free Schools Act," 115 Stat. 1762, 20 U.S.C. 7151. 26224

(3) The board of education of a city, exempted village, or 26225  
local school district may adopt a resolution authorizing the 26226  
superintendent of schools to expel a pupil from school for a 26227  
period not to exceed one year for bringing a knife capable of 26228  
causing serious bodily injury to a school operated by the board, 26229  
onto any other property owned or controlled by the board, or to 26230  
an interscholastic competition, an extracurricular event, or any 26231  
other program or activity sponsored by the school district or in 26232  
which the district is a participant, or for possessing a firearm 26233  
or knife capable of serious bodily injury, at a school, on any 26234  
other property owned or controlled by the board, or at an 26235  
interscholastic competition, an extracurricular event, or any 26236  
other school program or activity, which firearm or knife was 26237  
initially brought onto school board property by another person. 26238  
The resolution may authorize the superintendent to extend such 26239  
an expulsion, as necessary, into the school year following the 26240  
school year in which the incident that gives rise to the 26241  
expulsion takes place. 26242

(4) The board of education of a city, exempted village, or 26243  
local school district may adopt a resolution establishing a 26244  
policy under section 3313.661 of the Revised Code that 26245

authorizes the superintendent of schools to expel a pupil from 26246  
school for a period not to exceed one year for committing an act 26247  
that is a criminal offense when committed by an adult and that 26248  
results in serious physical harm to persons as defined in 26249  
division (A) (5) of section 2901.01 of the Revised Code or 26250  
serious physical harm to property as defined in division (A) (6) 26251  
of section 2901.01 of the Revised Code while the pupil is at 26252  
school, on any other property owned or controlled by the board, 26253  
or at an interscholastic competition, an extracurricular event, 26254  
or any other school program or activity. Any expulsion under 26255  
this division shall extend, as necessary, into the school year 26256  
following the school year in which the incident that gives rise 26257  
to the expulsion takes place. 26258

(5) The board of education of any city, exempted village, 26259  
or local school district may adopt a resolution establishing a 26260  
policy under section 3313.661 of the Revised Code that 26261  
authorizes the superintendent of schools to expel a pupil from 26262  
school for a period not to exceed one year for making a bomb 26263  
threat to a school building or to any premises at which a school 26264  
activity is occurring at the time of the threat. Any expulsion 26265  
under this division shall extend, as necessary, into the school 26266  
year following the school year in which the incident that gives 26267  
rise to the expulsion takes place. 26268

(6) No pupil shall be expelled under division (B) (1), (2), 26269  
(3), (4), or (5) of this section unless, prior to the pupil's 26270  
expulsion, the superintendent does both of the following: 26271

(a) Gives the pupil and the pupil's parent, guardian, or 26272  
custodian written notice of the intention to expel the pupil; 26273

(b) Provides the pupil and the pupil's parent, guardian, 26274  
custodian, or representative an opportunity to appear in person 26275

before the superintendent or the superintendent's designee to 26276  
challenge the reasons for the intended expulsion or otherwise to 26277  
explain the pupil's actions. 26278

The notice required in this division shall include the 26279  
reasons for the intended expulsion, notification of the 26280  
opportunity of the pupil and the pupil's parent, guardian, 26281  
custodian, or representative to appear before the superintendent 26282  
or the superintendent's designee to challenge the reasons for 26283  
the intended expulsion or otherwise to explain the pupil's 26284  
action, and notification of the time and place to appear. The 26285  
time to appear shall not be earlier than three nor later than 26286  
five school days after the notice is given, unless the 26287  
superintendent grants an extension of time at the request of the 26288  
pupil or the pupil's parent, guardian, custodian, or 26289  
representative. If an extension is granted after giving the 26290  
original notice, the superintendent shall notify the pupil and 26291  
the pupil's parent, guardian, custodian, or representative of 26292  
the new time and place to appear. If the proposed expulsion is 26293  
based on a violation listed in division (A) of section 3313.662 26294  
of the Revised Code and if the pupil is sixteen years of age or 26295  
older, the notice shall include a statement that the 26296  
superintendent may seek to permanently exclude the pupil if the 26297  
pupil is convicted of or adjudicated a delinquent child for that 26298  
violation. 26299

(7) A superintendent of schools of a city, exempted 26300  
village, or local school district shall initiate expulsion 26301  
proceedings pursuant to this section with respect to any pupil 26302  
who has committed an act warranting expulsion under the 26303  
district's policy regarding expulsion even if the pupil has 26304  
withdrawn from school for any reason after the incident that 26305  
gives rise to the hearing but prior to the hearing or decision 26306

to impose the expulsion. If, following the hearing, the pupil 26307  
would have been expelled for a period of time had the pupil 26308  
still been enrolled in the school, the expulsion shall be 26309  
imposed for the same length of time as on a pupil who has not 26310  
withdrawn from the school. 26311

(C) (1) Subject to division (C) (2) of this section, if a 26312  
pupil's presence poses a continuing danger to persons or 26313  
property or an ongoing threat of disrupting the academic process 26314  
taking place either within a classroom or elsewhere on the 26315  
school premises, the superintendent or a principal or assistant 26316  
principal may remove a pupil from curricular activities or from 26317  
the school premises, and a teacher may remove a pupil from 26318  
curricular activities under the teacher's supervision, without 26319  
the notice and hearing requirements of division (A) or (B) of 26320  
this section. As soon as practicable after making such a 26321  
removal, the teacher shall submit in writing to the principal 26322  
the reasons for such removal. 26323

(2) A pupil in any of grades pre-kindergarten through 26324  
three may be removed pursuant to division (C) (1) of this section 26325  
only for the remainder of the school day and shall be permitted 26326  
to return to curricular and extracurricular activities on the 26327  
school day following the day in which the student was removed. 26328

(a) A school district or school that returns a student in 26329  
any of grades pre-kindergarten through three to curricular and 26330  
extracurricular activities on the next school day shall not be 26331  
required to follow division (C) (3) of this section with regard 26332  
to that student. 26333

(b) A school district shall not initiate a suspension or 26334  
expulsion proceeding against a student in any of grades pre- 26335  
kindergarten through three who was removed from a curricular or 26336

extracurricular activity under division (C) of this section 26337  
unless the student has committed an act described in division 26338  
(B) (1) (a) or (b) of section 3313.668 of the Revised Code. 26339

(3) If a pupil is removed under division (C) (1) or (2) of 26340  
this section from a curricular activity or from the school 26341  
premises, written notice of the hearing and of the reason for 26342  
the removal shall be given to the pupil as soon as practicable 26343  
prior to the hearing, which shall be held on the next school day 26344  
after the initial removal is ordered. The hearing shall be held 26345  
in accordance with division (A) of this section unless it is 26346  
probable that the pupil may be subject to expulsion, in which 26347  
case a hearing in accordance with division (B) of this section 26348  
shall be held, except that the hearing shall be held on the next 26349  
school day after the date of the initial removal. The individual 26350  
who ordered, caused, or requested the removal to be made shall 26351  
be present at the hearing. 26352

(4) If the superintendent or the principal reinstates a 26353  
pupil in a curricular activity under the teacher's supervision 26354  
prior to the hearing following a removal under this division, 26355  
the teacher, upon request, shall be given in writing the reasons 26356  
for such reinstatement. 26357

(D) The superintendent or principal, within one school day 26358  
after the time of a pupil's expulsion or suspension, shall 26359  
notify in writing the parent, guardian, or custodian of the 26360  
pupil of the expulsion or suspension. In the case of an 26361  
expulsion, the superintendent or principal, within one school 26362  
day after the time of a pupil's expulsion, also shall notify in 26363  
writing the treasurer of the board of education. Each notice 26364  
shall include the reasons for the expulsion or suspension, 26365  
notification of the right of the pupil or the pupil's parent, 26366

guardian, or custodian to appeal the expulsion or suspension to 26367  
the board of education or to its designee, to be represented in 26368  
all appeal proceedings, to be granted a hearing before the board 26369  
or its designee in order to be heard against the suspension or 26370  
expulsion, and to request that the hearing be held in executive 26371  
session, notification that the expulsion may be subject to 26372  
extension pursuant to division (F) of this section if the pupil 26373  
is sixteen years of age or older, and notification that the 26374  
superintendent may seek the pupil's permanent exclusion if the 26375  
suspension or expulsion was based on a violation listed in 26376  
division (A) of section 3313.662 of the Revised Code that was 26377  
committed when the child was sixteen years of age or older and 26378  
if the pupil is convicted of or adjudicated a delinquent child 26379  
for that violation. 26380

In accordance with the policy adopted by the board of 26381  
education under section 3313.661 of the Revised Code, the notice 26382  
provided under this division shall specify the manner and date 26383  
by which the pupil or the pupil's parent, guardian, or custodian 26384  
shall notify the board of the pupil's, parent's, guardian's, or 26385

that gave rise to the pupil's expulsion. The information shall 26396  
include the names, addresses, and phone numbers of the 26397

appropriate public and private agencies. 26398

(E) A pupil or the pupil's parent, guardian, or custodian 26399  
may appeal the pupil's expulsion by a superintendent or 26400  
suspension by a superintendent, principal, assistant principal, 26401

otherwise reverse, vacate, or modify the order of suspension or 26418  
expulsion. 26419

The board or its designee shall make a verbatim record of 26420

section in the case of normal disciplinary procedures in which a 26426  
pupil is removed from a curricular activity for a period of less 26427

than one school day and is not subject to suspension or 26428  
expulsion. 26429

(F) (1) If a pupil is expelled pursuant to division (B) of 26430  
this section for committing any violation listed in division (A) 26431  
of section 3313.662 of the Revised Code and the pupil was 26432  
sixteen years of age or older at the time of committing the 26433  
violation, if a complaint, indictment, or information is filed 26434  
alleging that the pupil is a delinquent child based upon the 26435  
commission of the violation or the pupil is prosecuted as an 26436  
adult for the commission of the violation, and if the resultant 26437  
juvenile court or criminal proceeding is pending at the time 26438  
that the expulsion terminates, the superintendent of schools 26439  
that expelled the pupil may file a motion with the court in 26440  
which the proceeding is pending requesting an order extending 26441  
the expulsion for the lesser of an additional eighty days or the 26442  
number of school days remaining in the school year. Upon the 26443  
filing of the motion, the court immediately shall schedule a 26444  
hearing and give written notice of the time, date, and location 26445  
of the hearing to the superintendent and to the pupil and the 26446  
pupil's parent, guardian, or custodian. At the hearing, the 26447  
court shall determine whether there is reasonable cause to 26448  
believe that the pupil committed the alleged violation that is 26449  
the basis of the expulsion and, upon determining that reasonable 26450  
cause to believe the pupil committed the violation does exist, 26451  
shall grant the requested extension. 26452

(2) If a pupil has been convicted of or adjudicated a 26453  
delinquent child for a violation listed in division (A) of 26454  
section 3313.662 of the Revised Code for an act that was 26455  
committed when the child was sixteen years of age or older, if 26456  
the pupil has been expelled pursuant to division (B) of this 26457  
section for that violation, and if the board of education of the 26458

school district of the school from which the pupil was expelled 26459  
has adopted a resolution seeking the pupil's permanent 26460  
exclusion, the superintendent may file a motion with the court 26461  
that convicted the pupil or adjudicated the pupil a delinquent 26462  
child requesting an order to extend the expulsion until an 26463  
adjudication order or other determination regarding permanent 26464

the filing of the motion, the court immediately shall schedule a 26468  
hearing and give written notice of the time, date, and location 26469  
of the hearing to the superintendent of the school district, the 26470  
pupil, and the pupil's parent, guardian, or custodian. At the 26471  
hearing, the court shall determine whether there is reasonable 26472  
cause to believe the pupil's continued attendance in the public 26473  
school system may endanger the health and safety of other pupils 26474  
or school employees and, upon making that determination, shall 26475  
grant the requested extension. 26476

failure shall not affect the validity of any suspension or 26481  
expulsion procedure that is conducted in accordance with this 26482  
section or the validity of a permanent exclusion procedure that 26483  
is conducted in accordance with sections 3301.121 and 3313.662 26484

participating in any curricular program provided in a school 26491  
operated by the board or provided on any other property owned or 26492  
controlled by the board. 26493

(I) Whenever a student is expelled under this section, the 26494  
expulsion shall result in removal of the student from the 26495  
student's regular school setting. However, during the period of 26496  
the expulsion, the board of education of the school district 26497  
that expelled the student or any board of education admitting 26498

expulsion that the pupil would have received under the policy 26533  
adopted by the district under section 3313.661 of the Revised 26534

division for the pupil shall include an effective date for the 26757  
probationary admission of the pupil that is less than one year 26758  
after the date on which the last such firearm incident occurred 26759  
except that on a case-by-case basis, a plan may include an 26760  
earlier effective date for such an admission for any of the 26761  
reasons for which the superintendent of the district may reduce 26762  
the one-year expulsion requirement in division (B) (2) of section 26763  
3313.66 of the Revised Code. 26764

(b) If the superintendent of a school district, a pupil, 26765  
and the pupil's parent, guardian, or custodian or a person 26766  
designated by the pupil's parent, guardian, or custodian agree 26767  
upon a probationary admission plan prepared pursuant to division 26768  
(F) (2) (a) of this section, the superintendent of the school 26769  
district shall issue to the board of education of the school 26770  
district a recommendation that the pupil be allowed to attend 26771  
school within the school district under probationary admission, 26772  
the reasons for the recommendation, and a copy of the agreed 26773  
upon probationary admission plan. Within fourteen days after the 26774  
board of education receives the recommendation, reasons, and 26775  
plan, the board may adopt the recommendation by a majority vote 26776  
of its members. If the board adopts the recommendation, the 26777  
pupil may attend school under probationary admission within that 26778  
school district for a period not to exceed ninety days or any 26779  
additional probationary period permitted under divisions (F) (2) 26780

admission plan prepared pursuant to division (F) (2) (a) of this 26782  
section. 26783

(c) If a pupil who is permitted to attend school under 26784  
probationary admission pursuant to division (F) (2) (b) of this 26785

section fails to comply with the probationary admission plan 26786  
prepared pursuant to division (F) (2) (a) of this section, the 26787  
superintendent of the school district immediately may remove the 26788  
pupil from the school and issue to the board of education of the 26789  
school district a recommendation that the probationary admission 26790  
be revoked. Within five days after the board of education 26791  
receives the recommendation, the board may adopt the 26792  
recommendation to revoke the pupil's probationary admission by a 26793  
majority vote of its members. If a majority of the board does 26794  
not adopt the recommendation to revoke the pupil's probationary 26795  
admission, the pupil shall continue to attend school in 26796  
compliance with the pupil's probationary admission plan. 26797

(d) If a pupil who is permitted to attend school under 26798  
probationary admission pursuant to division (F) (2) (b) of this 26799  
section complies with the probationary admission plan prepared 26800  
pursuant to division (F) (2) (a) of this section, the pupil or the 26801  
pupil's parent, guardian, or custodian, at any time before the 26802  
expiration of the ninety-day probationary admission period, may 26803  
request the superintendent of the school district to extend the 26804  
terms and period of the pupil's probationary admission for a 26805  
period not to exceed ninety days or to issue a recommendation 26806  
pursuant to division (F) (1) of this section that the pupil's 26807  
permanent exclusion be revoked and the pupil be allowed to 26808  
return to the public schools of this state. 26809

(e) If a pupil is granted an extension of the pupil's 26810  
probationary admission pursuant to division (F) (2) (d) of this 26811  
section, the pupil or the pupil's parent, guardian, or 26812  
custodian, in the manner described in that division, may 26813  
request, and the superintendent and board, in the manner 26814  
described in that division, may recommend and grant, subsequent 26815  
probationary admission periods not to exceed ninety days each. 26816

If a pupil who is permitted to attend school under an extension 26817  
of a probationary admission plan complies with the probationary 26818  
admission plan prepared pursuant to the extension, the pupil or 26819  
the pupil's parent, guardian, or custodian may request a 26820  
revocation of the pupil's permanent exclusion in the manner 26821  
described in division (F) (2) (d) of this section. 26822

(f) Any extension of a probationary admission requested by 26823  
a pupil or a pupil's parent, guardian, or custodian pursuant to 26824  
divisions (F) (2) (d) or (e) of this section shall be subject to 26825  
the adoption and approval of a probationary admission plan in 26826  
the manner described in divisions (F) (2) (a) and (b) of this 26827  
section and may be terminated as provided in division (F) (2) (c) 26828  
of this section. 26829

(g) If the pupil has complied with any probationary 26830  
admission plan and the superintendent issues a recommendation 26831  
that seeks revocation of the pupil's permanent exclusion 26832  
pursuant to division (F) (1) of this section, the pupil's 26833  
compliance with any probationary admission plan may be 26834  
considered along with other relevant factors in any 26835  
determination or adjudication conducted pursuant to division (F) 26836  
(1) of this section. 26837

(G) (1) Except as provided in division (G) (2) of this 26838  
section, any information regarding the permanent exclusion of a 26839  
pupil shall be included in the pupil's official records and 26840  
shall be included in any records sent to any school district 26841  
that requests the pupil's records. 26842

(2) When a pupil who has been permanently excluded from 26843  
public school attendance reaches the age of twenty-two or when 26844  
the permanent exclusion of a pupil has been revoked, all school 26845  
districts that maintain records regarding the pupil's permanent 26846

exclusion shall remove all references to the exclusion from the 26847  
pupil's file and shall destroy them. 26848

A pupil who has reached the age of twenty-two or whose 26849  
permanent exclusion has been revoked may send a written notice 26850  
to the superintendent of any school district maintaining records 26851  
of the pupil's permanent exclusion requesting the superintendent 26852  
to ensure that the records are removed from the pupil's file and 26853  
destroyed. Upon receipt of the request and a determination that 26854  
the pupil is twenty-two years of age or older or that the 26855  
pupil's permanent exclusion has been revoked, the superintendent 26856  
shall ensure that the records are removed from the pupil's file 26857  
and destroyed. 26858

to remain in school for more than fourteen days unless the pupil 26923

has been immunized by a department of health-approved method of 26951

the occurrence of cases of chicken pox in numbers greater than 26991  
expected in the school's population or for a particular period 26992

of time. 26993

Notwithstanding division (B) of this section, a school may 26994  
deny admission to a pupil otherwise exempted from the chicken 26995  
pox immunization requirement if the director of the state 26996  
department of health notifies the school's principal or chief 26997  
administrative officer that a chicken pox epidemic exists in the 26998  
school's population. The denial of admission shall cease when 26999  
the director notifies the principal or officer that the epidemic 27000  
no longer exists. 27001

The board of education or governing body of each school 27002  
subject to this section shall adopt a policy that prescribes 27003  
methods whereby the academic standing of a pupil who is denied 27004  
admission during a chicken pox epidemic may be preserved. 27005

(D) Boards of health, legislative authorities of municipal 27006  
corporations, and boards of township trustees on application of 27007  
the board of education of the district or proper authority of 27008  
any school affected by this section, shall provide at the public 27009  
expense, without delay, the means of immunization against mumps, 27010  
poliomyelitis, rubeola, rubella, diphtheria, pertussis, tetanus, 27011  
and hepatitis B to pupils who are not so provided by their 27012  
parents or guardians. 27013

(E) The department of health shall specify the age at 27014  
which immunization against meningococcal disease, as required by 27015  
division (A)(3) of this section, is recommended, and approve a 27016  
method of immunization against meningococcal disease. 27017

**Sec. 3313.674.** (A) Except as provided in division (D) of 27018  
this section, the board of education of each city, exempted 27019  
village, or local school district and the governing authority of 27020  
each chartered nonpublic school may require each student 27021

enrolled in kindergarten, third grade, fifth grade, and ninth 27022  
grade to undergo a screening for body mass index and weight 27023  
status category. 27024

(B) The board or governing authority may provide any 27025  
screenings authorized by this section itself, contract with 27026  
another entity for provision of the screenings, or request the 27027  
parent or guardian of each student subject to the screening to 27028  
obtain the screening from a provider selected by the parent or 27029  
guardian and to submit the results to the board or governing 27030  
authority. If the board or governing authority provides the 27031  
screenings itself or contracts with another entity for provision 27032  
of the screenings, the board or governing authority shall 27033  
protect student privacy by ensuring that each student is 27034  
screened alone and not in the presence of other students or 27035  
staff. 27036

(C) Each school year, each board or governing authority 27037  
electing to require the screening shall provide the parent or 27038  
guardian of each student subject to the screening with 27039  
information about the screening program. If the board or 27040  
governing authority requests parents and guardians to obtain a 27041  
screening from a provider of their choosing, the board or 27042  
governing authority shall provide them with a list of providers 27043  
and information about screening services available in the 27044  
community to parents and guardians who cannot afford a private 27045  
provider. 27046

(D) If the parent or guardian of a student subject to the 27047  
screening signs and submits to the board or governing authority 27048  
a written statement indicating that the parent or guardian does 27049  
not wish to have the student undergo the screening, the board or 27050  
governing authority shall not require the student to be 27051

screened. 27052

(E) The board or governing authority shall notify the 27053  
parent or guardian of each student screened under this section 27054  
of any health risks associated with the student's results and 27055  
shall provide the parent or guardian with information about 27056  
appropriately addressing the risks. For this purpose, the 27057  
department of health, in consultation with the department of 27058  
education and workforce, shall develop a list of documents, 27059  
pamphlets, or other resources that may be distributed to parents 27060  
and guardians under this division. 27061

(F) The board or governing authority shall maintain the 27062  
confidentiality of each student's individual screening results 27063  
at all times. No board or governing authority shall report a 27064  
student's individual screening results to any person other than 27065  
the student's parent or guardian. 27066

(G) In a manner prescribed by rule of the director of 27067  
health, each board or governing authority electing to require 27068  
the screening shall report aggregated body mass index and weight 27069  
status category data collected under this section, and any other 27070  
demographic data required by the director, to the department of 27071  
health. In the case of a school district, data shall be 27072  
aggregated for the district as a whole and not for individual 27073  
schools within the district, unless the district operates only 27074  
one school. In the case of a chartered nonpublic school, data 27075  
shall be aggregated for the school as a whole. The department 27076  
annually may publish the data reported under this division, 27077  
aggregated by county. For each county in which a district, 27078  
community school, STEM school, or chartered nonpublic school has 27079  
elected not to require the screening for a school year for which 27080  
data is published, the department shall note that the data for 27081

the county in which the district or school is located is 27082  
incomplete. The department may share data reported under this 27083  
division with other governmental entities for the purpose of 27084  
monitoring population health, making reports, or public health 27085  
promotional activities. 27086

**Sec. 3313.71.** School physicians may make examinations, 27087  
which shall include tests to determine the existence of hearing 27088  
defects, and diagnoses of all children referred to them. They 27089  
may make such examination of teachers and other school employees 27090  
and inspection of school buildings as in their opinion the 27091  
protection of health of the pupils, teachers, and other school 27092  
employees requires. 27093

Boards of education shall require and provide, in 27094  
accordance with section 3313.67 of the Revised Code, such tests 27095  
and examinations for tuberculosis of pupils in selected grades 27096  
and of school employees as may be required by the director of 27097  
health. 27098

Boards may require annual tuberculin tests of any grades. 27099  
All pupils with positive reactions to the test shall have chest 27100  
x-rays and all positive reactions and x-ray findings shall be 27101  
reported promptly to the county record bureau of tuberculosis 27102  
cases provided for in section 339.74 of the Revised Code. Boards 27103  
shall waive the required test where a pupil presents a written 27104  
statement from the pupil's family physician certifying that such 27105  
test has been given and that such pupil is free from 27106  
tuberculosis in a communicable stage, or that such test is 27107  
inadvisable for medical reasons, or from the pupil's parent or 27108  
guardian objecting to such test because of religious 27109  
convictions. 27110

Whenever a pupil, teacher, or other school employee is 27111

found to be ill or suffering from tuberculosis in a communicable 27112  
stage or other communicable disease, the school physician shall 27113  
promptly send such pupil, teacher, or other school employee 27114  
home, with a statement, in the case of a pupil, to the pupil's 27115  
parents or guardian, briefly setting forth the discovered facts, 27116  
and advising that the family physician be consulted. School 27117  
physicians shall keep accurate card-index records of all 27118  
examinations, and said records, that they may be uniform 27119  
throughout the state, shall be according to the form prescribed 27120  
by the ~~state board~~ department of education and workforce, and 27121  
the reports shall be made according to the method of ~~said that~~ 27122  
form. If the parent or guardian of any pupil or any teacher or 27123  
other school employee, after notice from the board of education, 27124  
furnishes within two weeks thereafter the written certificate of 27125  
any reputable physician that the pupil, teacher, or other school 27126  
employee has been examined, in such cases the service of the 27127  
school physician shall be dispensed with, and such certificate 27128  
shall be furnished by such parent or guardian, as required by 27129  
the board of education. Such individual records shall not be 27130  
open to the public and shall be solely for the use of the boards 27131  
of education and boards of health officer. If any teacher or 27132  
other school employee is found to have tuberculosis in a 27133  
communicable stage or other communicable disease, the teacher's 27134  
or employee's employment shall be discontinued or suspended upon 27135  
such terms as to salary as the board deems just until the school 27136  
physician has certified to a recovery from such disease. The 27137  
methods of making the tuberculin tests and chest x-rays required 27138  
by this section shall be such as are approved by the director of 27139  
health. 27140

This section shall apply to all elementary and high 27141  
schools for which the ~~state board~~ director of education and 27142

**Sec. 3313.90.** As used in this section, "formula ADM" has 28468  
the same meaning as in section 3317.02 of the Revised Code. 28469

requirement alone, through a cooperative arrangement pursuant to 28516  
section 3313.92 of the Revised Code, through school district 28517  
consolidation, by membership in a joint vocational school 28518  
district, by contract with a school district, by contract with a 28519

sparsity of population or other factors indicating that 28529  
comprehensive educational and career-technical education 28530  
programs as required by this section can be provided through an 28531  
alternate plan. 28532

(B) If the board of education of a city, local, or 28533  
exempted village school district adopts a resolution that 28534  
specifies the district's intent not to provide career-technical 28535  
education to students enrolled in grades seven and eight for a 28536

plan and the district board may implement it during the next 29833  
ensuing school year. 29834

(2) If the governing authority adopts a resolution 29871  
pursuant to division (D) (1) of this section, the school's 29872  
designated fiscal officer annually shall meet with the governing 29873

The ratings a community school receives under section 3302.03 of the Revised Code for its first two full school years shall not be considered toward automatic closure of the school under section 3314.35 of the Revised Code or any other matter that is based on report card ratings.

(C) Upon receipt of a copy of a contract between a sponsor

and a community school entered into under this chapter, the 29905  
department of education shall notify the community school of the 29906  
specific model report card that will be used for that school. 29907

(D) Report cards shall be distributed to the parents of 29908  
all students in the community school, to the members of the 29909

(1) The entity may renew a contract that the entity 29920

operation as of that date. 29923

(2) The entity may assume sponsorship of an existing 29924  
internet- or computer-based community school that was formerly 29925  
sponsored by another entity and may enter into a contract with 29926  
that community school in accordance with section 3314.03 of the 29927  
Revised Code. 29928

If a sponsor entered into a contract with an internet- or 29929  
computer-based community school, including a conversion school, 29930  
but the school was not open for operation as of May 1, 2005, the 29931  
contract shall be void and the entity shall not enter into 29932  
another contract with the school until May 22, 2013. 29933

(B) (1) Beginning on July 1, 2013, up to five new internet- 29934

The ~~state board~~ department of education and workforce 29943  
shall adopt rules prescribing measures to determine experience 29944  
and quality of applicants in accordance with Chapter 119. of the 29945

Ohio. 29953

~~The state board shall adopt the rules so that they are~~ 29954  
~~effective May 22, 2013.~~ 29955

(3) The ~~department of education~~ shall notify any new 29956  
internet- or computer-based community school governed by 29957  
division (B) of this section of whether the ~~superintendent~~ 29958  
director has approved or disapproved the school's application to 29959  
open for the 2013-2014 school year not later than July 1, 2013. 29960  
Notwithstanding the dates prescribed for adoption and signing on 29961

For each school year thereafter, the school shall comply with all applicable provisions of this chapter.

(4) Notwithstanding divisions (B) (1) and (2) of this section, a sponsor rated "exemplary" on its most recent evaluation conducted under section 3314.016 of the Revised Code is permitted to open up to two new internet- or computer-based community schools that will primarily serve students enrolled in a dropout prevention and recovery program each year, not to exceed six new schools in a five-year period.

(C) Nothing in division (A) or (B) of this section prohibits an internet- or computer-based community school from increasing the number of grade levels it offers.

**Sec. 3314.015.** (A) The department of education and workforce shall be responsible for the oversight of any and all sponsors of the community schools established under this chapter and shall provide technical assistance to schools and sponsors in their compliance with applicable laws and the terms of the contracts entered into under section 3314.03 of the Revised Code and in the development and start-up activities of those schools. in sections 3314.021 and 3314.027 of the Revised Code, shall	30020

attain approval from the department in order to continue 30021  
sponsoring schools regardless of whether that entity intends to 30022

All new and renewed agreements between the department and 30025  
a sponsor shall contain specific language addressing the 30026

sponsor is unwilling or unable to fulfill its obligations. 30029  
Additionally, each agreement shall set forth any territorial 30030

(iii) The sponsor's compliance with all applicable laws and administrative rules. 30049  
30050

(b) Each agreement between the department and a sponsor shall specify that entities with an overall rating of "exemplary" for at least two consecutive years shall not be subject to the limit on the number of community schools the entity may sponsor or any territorial restrictions on sponsorship, for so long as that entity continues to be rated "exemplary." 30051

30075  
30076  
30077

Subject to section 3314.016 of the Revised Code, an entity 30078

that sponsors community schools may enter into preliminary 30079  
agreements and sponsor up to one hundred schools, provided each 30080  
school and the contract for sponsorship meets the requirements 30081  
of this chapter. 30082

(3) The ~~state board of education~~ department shall 30083  
determine, pursuant to criteria specified in rules adopted in 30084  
accordance with Chapter 119. of the Revised Code, whether the 30085  
mission proposed to be specified in the contract of a community 30086  
school to be sponsored by a state university board of trustees 30087  
or the board's designee under division (C)(1)(e) of section 30088

that division. Such determination of the ~~state board~~ department 30090  
is final. 30091

(4) The ~~state board of education~~ department shall 30092  
determine, pursuant to criteria specified in rules adopted in 30093  
accordance with Chapter 119. of the Revised Code, if any tax- 30094  
exempt entity under section 501(c)(3) of the Internal Revenue 30095  
Code that is proposed to be a sponsor of a community school is 30096  
an education-oriented entity for purpose of satisfying the 30097  
condition prescribed in division (C)(1)(f)(iii) of section 30098  
3314.02 of the Revised Code. Such determination of the ~~state-~~ 30099  
~~board~~ department is final. 30100

(C) If at any time the ~~state board of education~~ department 30101  
finds that a sponsor is not in compliance or is no longer 30102  
willing to comply with its contract with any community school or 30103  
with the department's rules for sponsorship, the ~~state board or-~~ 30104  
~~designee~~ department shall conduct a hearing in accordance with 30105  
Chapter 119. of the Revised Code on that matter. If after the 30106  
hearing, the ~~state board or designee~~ department has confirmed 30107  
the original finding, ~~the department of education~~ it may revoke 30108

the sponsor's approval to sponsor community schools. In that 30109  
case, the department's office of Ohio school sponsorship, 30110  
established under section 3314.029 of the Revised Code, may 30111  
assume the sponsorship of any schools with which the sponsor has 30112  
contracted until the earlier of the expiration of two school 30113  
years or until a new sponsor as described in division (C) (1) of 30114  
section 3314.02 of the Revised Code is secured by the school's 30115  
governing authority. The office of Ohio school sponsorship may 30116  
extend the term of the contract in the case of a school for 30117  
which it has assumed sponsorship under this division as 30118  
necessary to accommodate the term of the department's 30119  
authorization to sponsor the school specified in this division. 30120  
Community schools sponsored under this division shall not apply 30121  
to the limit on directly authorized community schools under 30122  
division (A) (3) of section 3314.029 of the Revised Code. 30123  
However, nothing in this division shall preclude a community 30124  
school affected by this division from applying for sponsorship 30125  
under that section. 30126

(D) The decision of the department to disapprove an entity 30127  
for sponsorship of a community school or to revoke approval for 30128  
such sponsorship under division (C) of this section, may be 30129  
appealed by the entity in accordance with section 119.12 of the 30130  
Revised Code. 30131

(E) The department shall adopt procedures for use by a 30132  
community school governing authority and sponsor when the school 30133  
permanently closes and ceases operation, which shall include at 30134  
least procedures for data reporting to the department, handling 30135  
of student records, distribution of assets in accordance with 30136  
section 3314.074 of the Revised Code, and other matters related 30137  
to ceasing operation of the school. 30138

(F) (1) In lieu of revoking a sponsor's authority to sponsor community schools under division (C) of this section, if the department finds that a sponsor is not in compliance with applicable laws and administrative rules, the department shall declare in a written notice to the sponsor the specific laws or rules, or both, for which the sponsor is noncompliant. A sponsor notified under division (F) (1) of this section shall respond to the department not later than fourteen days after the notification with a proposed plan to remedy the conditions for which the sponsor was found to be noncompliant. The department shall approve or disapprove the plan not later than fourteen days after receiving it. If the plan is disapproved, the sponsor may submit a revised plan to the department not later than fourteen days after receiving notification of disapproval from the department or not later than sixty days after the date the sponsor received notification of noncompliance from the department, whichever is earlier. The department shall approve or disapprove the revised plan not later than fourteen days after receiving it or not later than sixty days after the date the sponsor received notification of noncompliance from the department, whichever is earlier. A sponsor may continue to make revisions by the deadlines prescribed in division (F) (1) of this section to any revised plan that is disapproved by the department until the sixtieth day after the date the sponsor received notification of noncompliance from the department.

If a plan or a revised plan is approved, the sponsor shall implement it not later than sixty days after the date the sponsor received notification of noncompliance from the department or not later than thirty days after the plan is approved, whichever is later. If a sponsor does not respond to the department or implement an approved compliance plan by the

deadlines prescribed by division (F) (1) of this section, or if a sponsor does not receive approval of a compliance plan on or before the sixtieth day after the date the sponsor received notification of noncompliance from the department, the department shall declare in written notice to the sponsor that the sponsor is in probationary status, and may limit the sponsor's ability to sponsor additional schools.

(2) A sponsor that has been placed on probationary status under division (F) (1) of this section may apply to the department for its probationary status to be lifted. The application for a sponsor's probationary status to be lifted shall include evidence, occurring after the initial notification of noncompliance, of the sponsor's compliance with applicable laws and administrative rules. Not later than fourteen days after receiving an application from the sponsor, the department shall decide whether or not to remove the sponsor's probationary status.

(G) In carrying out its duties under this chapter, the department shall not impose requirements on community schools or their sponsors that are not permitted by law or duly adopted rules.

(H) This section applies to entities that sponsor conversion community schools and new start-up schools.

(I) Nothing in divisions (C) to (F) of this section prohibits the department from taking any action permitted or required under the written agreement between the department and a sponsoring entity without a hearing on the matter, in the event that the sponsor is unwilling or unable to fulfill its obligations.

**Sec. 3314.016.** This section applies to any entity that 30199  
sponsors a community school, regardless of whether section 30200  
3314.021 or 3314.027 of the Revised Code exempts the entity from 30201  
the requirement to be approved for sponsorship under divisions 30202  
(A) (2) and (B) (1) of section 3314.015 of the Revised Code. The 30203  
office of Ohio school sponsorship established under section 30204  
3314.029 of the Revised Code shall be rated under division (B) 30205  
of this section, but divisions (A) and (C) of this section do 30206  
not apply to the office. 30207

(A) An entity that sponsors a community school shall be 30208  
permitted to enter into contracts under section 3314.03 of the 30209  
Revised Code to sponsor additional community schools only if the 30210  
entity meets all of the following criteria: 30211

(1) The entity is in compliance with all provisions of 30212  
this chapter requiring sponsors of community schools to report 30213  
data or information to the department of education and 30214  
workforce. 30215

(2) The entity is not rated as "ineffective" under 30216  
division (B) (6) of this section. 30217

(3) Except as set forth in sections 3314.021 and 3314.027 30218  
of the Revised Code, the entity has received approval from and 30219  
entered into an agreement with the department ~~of education~~ 30220  
pursuant to section 3314.015 of the Revised Code. 30221

(B) (1) The department shall develop and implement an 30222  
evaluation system that annually rates and assigns an overall 30223  
rating to each entity that sponsors a community school. The 30224  
department, not later than the first day of February of each 30225  
year, shall post on the department's web site the framework for 30226  
the evaluation system, including technical documentation that 30227

the department intends to use to rate sponsors for the next 30228  
school year. The department shall solicit public comment on the 30229  
evaluation system for thirty consecutive days. Not later than 30230  
the first day of April of each year, the department shall 30231  
compile and post on the department's web site all public 30232  
comments that were received during the public comment period. 30233  
The evaluation system shall be posted on the department's web 30234  
site by the fifteenth day of July of each school year. Any 30235  
changes to the evaluation system after that date shall take 30236  
effect the following year. The evaluation system shall be based 30237  
on the following components: 30238

(a) Academic performance of students enrolled in community 30239  
schools sponsored by the same entity. The academic performance 30240  
component shall be derived from the performance measures 30241  
prescribed for the state report cards under section 3302.03 or 30242  
3314.017 of the Revised Code, and shall be based on the 30243  
performance of the schools for the school year for which the 30244  
evaluation is conducted. In addition to the academic performance 30245  
for a specific school year, the academic performance component 30246  
shall also include year-to-year changes in the overall sponsor 30247  
portfolio. For a community school for which no graded 30248  
performance measures are applicable or available, the department 30249  
shall use nonreport card performance measures specified in the 30250  
contract between the community school and the sponsor under 30251  
division (A) (4) of section 3314.03 of the Revised Code. 30252

(b) Adherence by a sponsor to the quality practices 30253  
prescribed by the department under division (B) (3) of this 30254  
section. For a sponsor that was rated "effective" or "exemplary" 30255  
on its most recent rating, the department may evaluate that 30256  
sponsor's adherence to quality practices once over a period of 30257  
three years. If the department elects to evaluate a sponsor once 30258

over a period of three years, the most recent rating for a 30259  
sponsor's adherence to quality practices shall be used when 30260  
determining an annual overall rating conducted under this 30261  
section. 30262

(c) Compliance with all applicable laws and administrative 30263  
rules by an entity that sponsors a community school. 30264

Under the evaluation system prescribed under division (B) 30265  
(1) of this section, the department shall not assign an overall 30266  
rating of "ineffective" or lower to an entity that sponsors a 30267  
community school solely because that entity received no points 30268  
on one of the components prescribed under that division. 30269

(2) In calculating an academic performance component, the 30270  
department shall exclude all community schools that have been in 30271  
operation for not more than two full school years and all 30272  
community schools described in division (A) (4) (b) of section 30273  
3314.35 of the Revised Code. However, the academic performance 30274  
of the community schools described in division (A) (4) (b) of 30275  
section 3314.35 of the Revised Code shall be reported, but shall 30276  
not be used as a factor when determining a sponsoring entity's 30277  
rating under this section. 30278

(3) The department, in consultation with entities that 30279  
sponsor community schools, shall prescribe quality practices for 30280  
community school sponsors and develop an instrument to measure 30281  
adherence to those quality practices. The quality practices 30282  
shall be based on standards developed by the national 30283  
association of charter school authorizers or any other 30284  
nationally organized community school organization. 30285

(4) (a) The department may permit peer review of a 30286  
sponsor's adherence to the quality practices prescribed under 30287

division (B) (3) of this section. Peer reviewers shall be limited 30288  
to individuals employed by sponsors rated "effective" or 30289  
"exemplary" on the most recent ratings conducted under this 30290  
section. 30291

(b) The department shall require individuals participating 30292  
in peer review under division (B) (4) (a) of this section to 30293  
complete training approved or established by the department. 30294

(c) The department may enter into an agreement with 30295  
another entity to provide training to individuals conducting 30296  
peer review of sponsors. Prior to entering into an agreement 30297  
with an entity, the department shall review and approve of the 30298  
entity's training program. 30299

(5) The ~~state board~~ director of education and workforce 30300  
shall adopt rules in accordance with Chapter 119. of the Revised 30301  
Code prescribing standards for measuring compliance with 30302  
applicable laws and rules under division (B) (1) (c) of this 30303  
section. 30304

(6) The department annually shall rate all entities that 30305  
sponsor community schools as either "exemplary," "effective," 30306  
"ineffective," or "poor," based on the components prescribed by 30307  
division (B) of this section, where each component is weighted 30308  
equally. A separate rating shall be given by the department for 30309  
each component of the evaluation system. 30310

The department shall publish the ratings between the first 30311  
day of October and the fifteenth day of November. 30312

Prior to the publication of the final ratings, the 30313  
department shall designate and provide notice of a period of at 30314  
least ten business days during which each sponsor may review the 30315  
information used by the department to determine the sponsor's 30316

rating on the components prescribed by division (B) (1) of this 30317  
section. If the sponsor believes there is an error in the 30318  
department's evaluation, the sponsor may request adjustments to 30319  
the rating of any of those components based on documentation 30320  
previously submitted as part of an evaluation. The sponsor shall 30321  
provide to the department any necessary evidence or information 30322  
to support the requested adjustments. The department shall 30323  
review the evidence and information, determine whether an 30324  
adjustment is valid, and promptly notify the sponsor of its 30325  
determination and reasons. If any adjustments to the data could 30326  
result in a change to the rating on the applicable component or 30327  
to the overall rating, the department shall recalculate the 30328  
ratings prior to publication. 30329

The department shall provide training on an annual basis 30330  
regarding the evaluation system prescribed under this section. 30331  
The training shall, at a minimum, describe methodology, 30332  
timelines, and data required for the evaluation system. The 30333  
first training session shall occur not later than March 2, 2016. 30334  
Beginning in 2018, the training shall be made available to each 30335  
entity that sponsors a community school by the fifteenth day of 30336  
July of each year and shall include guidance on any changes made 30337  
to the evaluation system. 30338

(7) (a) Entities with an overall rating of "exemplary" for 30339  
the two most recent years in which the entity was evaluated may 30340  
take advantage of the following incentives: 30341

(i) Renewal of the written agreement with the department, 30342  
not to exceed ten years, provided that the entity consents to 30343  
continued evaluation of adherence to quality practices as 30344  
described in division (B) (1) (b) of this section; 30345

(ii) The ability to extend the term of the contract 30346

between the sponsoring entity and the community school beyond 30347  
the term described in the written agreement with the department; 30348

(iii) An exemption from the preliminary agreement and 30349  
contract adoption and execution deadline requirements prescribed 30350  
in division (D) of section 3314.02 of the Revised Code; 30351

(iv) An exemption from the automatic contract expiration 30352  
requirement, should a new community school fail to open by the 30353  
thirtieth day of September of the calendar year in which the 30354  
community school contract is executed; 30355

(v) No limit on the number of community schools the entity 30356  
may sponsor; 30357

(vi) No territorial restrictions on sponsorship. 30358

An entity may continue to sponsor any community schools 30359  
with which it entered into agreements under division (B) (7) (a) 30360  
(v) or (vi) of this section while rated "exemplary," 30361  
notwithstanding the fact that the entity later receives a lower 30362  
overall rating. 30363

(b) Entities with an overall rating of "exemplary" or 30364  
"effective" for the three most recent years in which the entity 30365  
was evaluated shall be evaluated by the department once every 30366  
three years. 30367

(c) (i) Entities that receive an overall rating of 30368  
"ineffective" shall be prohibited from sponsoring any new or 30369  
additional community schools during the time in which the 30370  
sponsor is rated as "ineffective" and shall be subject to a 30371  
quality improvement plan based on correcting the deficiencies 30372  
that led to the "ineffective" rating, with timelines and 30373  
benchmarks that have been established by the department. 30374

(ii) Entities that receive an overall rating of "ineffective" on their three most recent ratings shall have all sponsorship authority revoked. Within thirty days after receiving its third rating of "ineffective," the entity may appeal the revocation of its sponsorship authority to the ~~superintendent of public instruction~~ director, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of the Revised Code. The hearing shall be conducted within thirty days after receipt of the notice of appeal. Within forty-five days after the hearing is completed, the ~~state board of education~~ director shall determine whether the revocation is appropriate based on the hearing conducted by the independent hearing officer, and if determined appropriate, the revocation shall be confirmed.

(d) Entities that receive an overall rating of "poor" shall have all sponsorship authority revoked. Within thirty days after receiving a rating of "poor," the entity may appeal the revocation of its sponsorship authority to the ~~superintendent of public instruction~~ director, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of the Revised Code. The hearing shall be conducted within thirty days after receipt of the notice of appeal. Within forty-five days after the hearing is completed, the ~~state board of education~~ director shall determine whether the revocation is appropriate based on the hearing conducted by the independent hearing officer, and if determined appropriate, the revocation shall be confirmed.

(8) For the 2014-2015 school year and each school year thereafter, student academic performance prescribed under division (B)(1)(a) of this section shall include student academic performance data from community schools that primarily

serve students enrolled in a dropout prevention and recovery program. 30406  
30407

(C) If the governing authority of a community school enters into a contract with a sponsor prior to the date on which the sponsor is prohibited from sponsoring additional schools under division (A) of this section and the school has not opened for operation as of that date, that contract shall be void and the school shall not open until the governing authority secures a new sponsor by entering into a contract with the new sponsor under section 3314.03 of the Revised Code. However, the department's office of Ohio school sponsorship, established under section 3314.029 of the Revised Code, may assume the sponsorship of the school until the earlier of the expiration of two school years or until a new sponsor is secured by the school's governing authority. A community school sponsored by the department under this division shall not be included when calculating the maximum number of directly authorized community schools permitted under division (A) (3) of section 3314.029 of the Revised Code. 30408  
30409  
30410  
30411  
30412  
30413  
30414

30419  
30420  
30421  
30422  
30423  
30424

(D) When an entity's authority to sponsor schools is revoked pursuant to division (B) (7) (c) or (d) of this section, the office of Ohio school sponsorship shall assume sponsorship of any schools with which the original sponsor has contracted for the remainder of that school year. The office may continue sponsoring those schools until the earlier of: 30425  
30426  
30427  
30428

(2) When a new sponsor is secured by the governing authority pursuant to division (C) (1) of section 3314.02 of the Revised Code. 30433  
30434  
30435

Any community school sponsored under this division shall 30436  
not be counted for purposes of directly authorized community 30437  
schools under division (A) (3) of section 3314.029 of the Revised 30438

enrolled in dropout prevention and recovery programs as 30449  
described in division (A) (4) (a) of section 3314.35 of the 30450  
Revised Code, to be used in lieu of the system prescribed under 30451  
sections 3302.03 and 3314.012 of the Revised Code beginning with 30452

(B) Nothing in this section shall at any time relieve a 30456  
school from its obligations under the "No Child Left Behind Act 30457  
of 2001" to make "adequate yearly progress," as both that act 30458  
and that term are defined in section 3302.01 of the Revised 30459  
Code, or a school's amenability to the provisions of section 30460

(C) The rules adopted by the ~~state board~~ department shall 30465

prescribe the following performance indicators for the rating	30466

(a) The number of students who graduate in four years or	30470
