(c) The school's rating under section 3302.03 of the 32011  
Revised Code does not fall below a combination of any of the 32012  
following for two or more consecutive years: 32013

(i) A rating of "in need of continuous improvement" under 32014  
section 3302.03 of the Revised Code, as that section existed 32015  
prior to March 22, 2013; 32016

(ii) For the 2012-2013, 2013-2014, 2014-2015, and 2015- 32017  
2016 school years, a rating of "C" for both the performance 32018  
index score under division (A) (1) (b) or (B) (1) (b) and the value- 32019  
added dimension under division (A) (1) (e) or (B) (1) (e) of section 32020  
3302.03 of the Revised Code; or if the building serves only 32021  
grades ten through twelve, the building received a grade of "C" 32022

for the performance index score under division (A) (1) (b) or (B) 32023  
(1) (b) of section 3302.03 of the Revised Code; 32024

(iii) For the 2016-2017, 2017-2018, 2018-2019, 2019-2020, 32025

(3) (e) of section 3314.017 of the Revised Code; 32029

(iv) For the 2021-2022 school year and any school year 32030

overall performance designation of "meets standards" under 32033  
division (E) (3) (e) of section 3314.017 of the Revised Code. 32034

(3) On and after September 30, 2021, a new start-up 32035  
community school may be established in two school districts 32036  
under the same contract regardless of the proposed location of 32037  
either district if both of the following apply: 32038

(a) The school operates not more than one facility in each 32039  
school district and, in accordance with division (B) (1) of this 32040  
section, the school does not offer the same grade level 32041  
classrooms in both facilities; and 32042

(b) Transportation between the two facilities does not 32043  
require more than thirty minutes of direct travel time as 32044  
measured by school bus. 32045

(4) A community school may be located in multiple 32046  
facilities under the same contract and, notwithstanding division 32047  
(B) (1) of this section, may assign students in the same grade 32048  
level to multiple facilities, as long as both of the following 32049  
apply: 32050

(a) The facilities are all located in the same county or 32051

in any county adjacent to the county in which the community 32052  
school's primary facility is located. 32053

(b) Either of the following conditions are satisfied: 32054

(i) The community school is sponsored by a board of 32055  
education of a city, local, or exempted village school district 32056  
having territory in the same county where the facilities of the 32057  
community school are located or in any county adjacent to the 32058  
county in which the community school's primary facility is 32059  
located; 32060

(ii) The community school is managed by an operator. 32061

In the case of a community school to which division (B) (4) 32062  
of this section applies and that maintains facilities in more 32063  
than one school district, the school's governing authority shall 32064  
designate one of those districts to be considered the school's 32065  
primary location and the district in which the school is located 32066  
for the purposes of division (A) (19) of section 3314.03 and 32067  
divisions (C) and (H) of section 3314.06 of the Revised Code and 32068  
for all other purposes of this chapter and shall notify the 32069  
department of that designation. 32070

(5) Any facility used for a community school shall meet 32071  
all health and safety standards established by law for school 32072  
buildings. 32073

(C) In the case where a community school is proposed to be 32074  
located in a facility owned by a school district or educational 32075  
service center, the facility may not be used for such community 32076  
school unless the district or service center board owning the 32077  
facility enters into an agreement for the community school to 32078  
utilize the facility. Use of the facility may be under any terms 32079  
and conditions agreed to by the district or service center board 32080

and the school. 32081

(D) Two or more separate community schools may be located 32082  
in the same facility. 32083

(E) In the case of a community school that is located in 32084  
multiple facilities, beginning July 1, 2012, the department 32085  
shall assign a unique identification number to the school and to 32086  
each facility maintained by the school. Each number shall be 32087  
used for identification purposes only. Nothing in this division 32088  
shall be construed to require the department to calculate the 32089  
amount of funds paid under this chapter, or to compute any data 32090  
required for the report cards issued under section 3314.012 of 32091  
the Revised Code, for each facility separately. The department 32092  
shall make all such calculations or computations for the school 32093  
as a whole. 32094

(F) (1) In the case of a community school that exists prior 32095  
to September 30, 2021, to which division (B) (3) of this section 32096  
applies, if only one of the school districts in which the school 32097  
is established was located in a challenged school district prior 32098  
to September 30, 2021, that district continues to be considered 32099  
the school's primary location and the district in which the 32100  
school is located for the purposes of division (A) (19) of 32101  
section 3314.03 and divisions (C) and (H) of section 3314.06 of 32102  
the Revised Code and for all other purposes of this chapter 32103  
unless and until the school's governing authority designates a 32104  
different school district as the school's primary location in 32105  
accordance with division (F) (2) of this section. If both of the 32106  
school districts in which the school is established were 32107  
challenged school districts on that date, and the primary 32108  
location was already designated by the school's governing 32109  
authority pursuant to the requirements of this section as it 32110

existed prior to ~~the~~ September 30, 2021, that designation 32111  
remains unless and until the school's governing authority 32112  
designates a different primary location. 32113

(2) (a) On and after September 30, 2021, when a new start- 32114  
up community school is established in two school districts under 32115  
the same contract, the school's governing authority shall 32116  
designate one of those districts to be considered the school's 32117  
primary location and the district in which the school is located 32118  
for the purposes of division (A) (19) of section 3314.03 and 32119  
divisions (C) and (H) of section 3314.06 of the Revised Code and 32120  
for all other purposes of this chapter and shall notify the 32121  
department of education and workforce of that designation. 32122

(b) A community school governing authority that elects to 32123  
modify a community school's primary location, whether in 32124  
accordance with division (F) (1) of this section or otherwise, 32125  
shall notify the department of that modification. 32126

**Sec. 3314.06.** The governing authority of each community 32127  
school established under this chapter shall adopt admission 32128  
procedures that specify the following: 32129

(A) That, except as otherwise provided in this section, 32130  
admission to the school shall be open to any individual age five 32131  
to twenty-two entitled to attend school pursuant to section 32132  
3313.64 or 3313.65 of the Revised Code in a school district in 32133  
the state. 32134

Additionally, except as otherwise provided in this 32135  
section, admission to the school may be open on a tuition basis 32136  
to any individual age five to twenty-two who is not a resident 32137  
of this state. The school shall not receive state funds under 32138  
section 3317.022 of the Revised Code for any student who is not 32139

a resident of this state. 32140

An individual younger than five years of age may be 32141  
admitted to the school in accordance with division (A)(2) of 32142  
section 3321.01 of the Revised Code. The school shall receive 32143  
funds for an individual admitted under that division in the 32144  
manner provided under section 3317.022 of the Revised Code. 32145

If the school operates a program that uses the Montessori 32146  
method endorsed by the American Montessori society, the 32147  
Montessori accreditation council for teacher education, or the 32148  
association Montessori internationale as its primary method of 32149  
instruction, admission to the school may be open to individuals 32150  
younger than five years of age but the school shall not receive 32151  
funds under section 3317.022 of the Revised Code for those 32152  
individuals. Notwithstanding anything to the contrary in this 32153  
chapter, individuals younger than five years of age who are 32154  
enrolled in a Montessori program shall be offered at least four 32155  
hundred fifty-five hours of learning opportunities per school 32156  
year. 32157

If the school operates a preschool program that is 32158  
licensed by the department of education and workforce under 32159  
sections 3301.52 to 3301.59 of the Revised Code, admission to 32160  
the school may be open to individuals who are younger than five 32161  
years of age, but the school shall not receive funds under this 32162  
chapter for those individuals. 32163

(B)(1) That admission to the school may be limited to 32164  
students who have attained a specific grade level or are within 32165  
a specific age group; to students that meet a definition of "at- 32166  
risk," as defined in the contract; to residents of a specific 32167  
geographic area within the district, as defined in the contract; 32168  
or to separate groups of autistic students and nondisabled 32169

students, as authorized in section 3314.061 of the Revised Code 32170  
and as defined in the contract. 32171

(2) For purposes of division (B)(1) of this section, "at- 32172  
risk" students may include those students identified as gifted 32173  
students under section 3324.03 of the Revised Code. 32174

(C) Whether enrollment is limited to students who reside 32175  
in the district in which the school is located or is open to 32176  
residents of other districts, as provided in the policy adopted 32177  
pursuant to the contract. 32178

(D)(1) That there will be no discrimination in the 32179  
admission of students to the school on the basis of race, creed, 32180  
color, disability, or sex except that: 32181

(a) The governing authority may do either of the following 32182  
for the purpose described in division (G) of this section: 32183

(i) Establish a single-gender school for either sex; 32184

(ii) Establish single-gender schools for each sex under 32185  
the same contract, provided substantially equal facilities and 32186  
learning opportunities are offered for both boys and girls. Such 32187  
facilities and opportunities may be offered for each sex at 32188  
separate locations. 32189

(b) The governing authority may establish a school that 32190  
simultaneously serves a group of students identified as autistic 32191  
and a group of students who are not disabled, as authorized in 32192  
section 3314.061 of the Revised Code. However, unless the total 32193  
capacity established for the school has been filled, no student 32194  
with any disability shall be denied admission on the basis of 32195  
that disability. 32196

(2) That upon admission of any student with a disability, 32197

the community school will comply with all federal and state laws 32198  
regarding the education of students with disabilities. 32199

(E) That the school may not limit admission to students on 32200  
the basis of intellectual ability, measures of achievement or 32201  
aptitude, or athletic ability, except that a school may limit 32202  
its enrollment to students as described in division (B) of this 32203  
section. 32204

(F) That the community school will admit the number of 32205  
students that does not exceed the capacity of the school's 32206  
programs, classes, grade levels, or facilities. 32207

(G) That the purpose of single-gender schools that are 32208  
established shall be to take advantage of the academic benefits 32209  
some students realize from single-gender instruction and 32210  
facilities and to offer students and parents residing in the 32211  
district the option of a single-gender education. 32212

(H) That, except as otherwise provided under division (B) 32213  
of this section or section 3314.061 of the Revised Code, if the 32214  
number of applicants exceeds the capacity restrictions of 32215  
division (F) of this section, students shall be admitted by lot 32216  
from all those submitting applications, except preference shall 32217  
be given to students attending the school the previous year and 32218  
to students who reside in the district in which the school is 32219  
located. Preference may be given to siblings of students 32220  
attending the school the previous year. Preference also may be 32221  
given to students who are the children of full-time staff 32222  
members employed by the school, provided the total number of 32223  
students receiving this preference is less than five per cent of 32224  
the school's total enrollment. 32225

Notwithstanding divisions (A) to (H) of this section, in 32226

the event the racial composition of the enrollment of the 32227  
community school is violative of a federal desegregation order, 32228  
the community school shall take any and all corrective measures 32229  
to comply with the desegregation order. 32230

**Sec. 3314.072.** The provisions of this section are enacted 32231  
to promote the public health, safety, and welfare by 32232  
establishing procedures under which the governing authorities of 32233  
community schools established under this chapter will be held 32234  
accountable for their compliance with the terms of the contracts 32235  
they enter into with their school's sponsors and the law 32236  
relating to the school's operation. Suspension of the operation 32237  
of a school imposed under this section is intended to encourage 32238  
the governing authority's compliance with the terms of the 32239  
school's contract and the law and is not intended to be an 32240  
alteration of the terms of that contract. 32241

(A) If a sponsor of a community school established under 32242  
this chapter suspends the operation of that school pursuant to 32243  
procedures set forth in this section, the governing authority 32244  
shall not operate that school while the suspension is in effect. 32245  
Any such suspension shall remain in effect until the sponsor 32246  
notifies the governing authority that it is no longer in effect. 32247  
The contract of a school of which operation is suspended under 32248  
this section also may be subject to termination or nonrenewal 32249  
under section 3314.07 of the Revised Code. 32250

(B) If at any time conditions at the school do not comply 32251  
with a health and safety standard established by law for school 32252  
buildings, the sponsor shall immediately suspend the operation 32253  
of the school pursuant to procedures set forth in division (D) 32254  
of this section. If the sponsor fails to take action to suspend 32255  
the operation of a school to which this division applies, the 32256

department of education and workforce may take such action. 32257

(C) (1) For any of the reasons prescribed in ~~division\_~~ 32258  
divisions (B) (1) (a) to (d) of section 3314.07 of the Revised 32259  
Code, the sponsor of a community school established under this 32260  
chapter may suspend the operation of the school only if it first 32261  
issues to the governing authority notice of the sponsor's intent 32262  
to suspend the operation of the contract. Such notice shall 32263  
explain the reasons for the sponsor's intent to suspend 32264  
operation of the contract and shall provide the school's 32265  
governing authority with five business days to submit to the 32266  
sponsor a proposal to remedy the conditions cited as reasons for 32267  
the suspension. 32268

(2) The sponsor shall promptly review any proposed remedy 32269  
timely submitted by the governing authority and either approve 32270  
or disapprove the remedy. If the sponsor disapproves the remedy 32271  
proposed by the governing authority, if the governing authority 32272  
fails to submit a proposed remedy in the manner prescribed by 32273  
the sponsor, or if the governing authority fails to implement 32274  
the remedy as approved by the sponsor, the sponsor may suspend 32275  
operation of the school pursuant to procedures set forth in 32276  
division (D) of this section. 32277

(D) (1) If division (B) of this section applies or if the 32278  
sponsor of a community school established under this chapter 32279  
decides to suspend the operation of a school as permitted in 32280  
division (C) (2) of this section, the sponsor shall promptly send 32281  
written notice to the governing authority stating that the 32282  
operation of the school is immediately suspended, and explaining 32283  
the specific reasons for the suspension. The notice shall state 32284  
that the governing authority has five business days to submit a 32285  
proposed remedy to the conditions cited as reasons for the 32286

suspension or face potential contract termination. 32287

(2) Upon receipt of the notice of suspension prescribed 32288  
under division (D) (1) of this section, the governing authority 32289  
shall immediately notify the employees of the school and the 32290  
parents of the students enrolled in the school of the suspension 32291  
and the reasons therefore, and shall cease all school operations 32292  
on the next business day. 32293

(E) (1) Beginning with the 2013-2014 school year, if the 32294  
sponsor of a community school suspends the operation of that 32295  
school pursuant to procedures set forth in this section, the 32296  
school's contract with the sponsor under section 3314.03 of the 32297  
Revised Code shall become void, if the governing authority of 32298  
the school fails to provide a proposal to remedy the conditions 32299  
cited by the sponsor as reasons for the suspension, to the 32300  
satisfaction of the sponsor, by the thirtieth day of September 32301  
of the school year immediately following the school year in 32302  
which the operation of school was suspended. 32303

(2) If, prior to ~~the effective date of this amendment~~ 32304  
September 29, 2013, the sponsor of a community school has 32305  
suspended the operation of the school, the contract with the 32306  
sponsor under section 3314.03 of the Revised Code shall become 32307  
void if the governing authority of the school fails to provide 32308  
by September 30, 2014, a proposal to remedy the conditions cited 32309  
by the sponsor as reasons for the suspension, to the 32310  
satisfaction of the sponsor. 32311

**Sec. 3314.074.** Divisions (A) and (B) of this section apply 32312  
only to the extent permitted under Chapter 1702. of the Revised 32313  
Code. 32314

(A) If any community school established under this chapter 32315

permanently closes and ceases its operation as a community 32316  
school, the assets of that school shall be distributed first to 32317  
the retirement funds of employees of the school, employees of 32318  
the school, and private creditors who are owed compensation, and 32319  
then any remaining funds shall be paid to the department of 32320  
education and workforce for redistribution to the school 32321  
districts in which the students who were enrolled in the school 32322  
at the time it ceased operation were entitled to attend school 32323  
under section 3313.64 or 3313.65 of the Revised Code. The amount 32324  
distributed to each school district shall be proportional to the 32325  
district's share of the total enrollment in the community 32326  
school. For any community school that closes after fiscal year 32327  
2021, any remaining funds shall be paid to the department ~~of~~ 32328  
~~education~~ and deposited into the state general revenue fund. 32329

(B) If a community school closes and ceases to operate as 32330  
a community school and the school has received computer hardware 32331  
or software from the former Ohio SchoolNet commission or the 32332  
former eTech Ohio commission, such hardware or software shall be 32333  
turned over to the department ~~of education~~, which shall 32334  
redistribute the hardware and software, to the extent such 32335  
redistribution is possible, to school districts in conformance 32336  
with the provisions of the programs as they were operated and 32337  
administered by the former eTech Ohio commission. 32338

(C) If the assets of the school are insufficient to pay 32339  
all persons or entities to whom compensation is owed, the 32340  
prioritization of the distribution of the assets to individual 32341  
persons or entities within each class of payees may be 32342  
determined by decree of a court in accordance with this section 32343  
and Chapter 1702. of the Revised Code. 32344

(D) A community school that engages in a merger or 32345

consolidation pursuant to division (B) of section 1702.41 of the Revised Code and becomes a single public benefit corporation shall not be required to distribute assets pursuant to divisions (A), (B), and (C) of this section, provided that the governing authority of the community school created by the merger or consolidation enters into a contract for sponsorship under section 3314.03 of the Revised Code with an entity rated "effective" or higher by the department ~~of education~~ pursuant to section 3314.016 of the Revised Code.

**Sec. 3314.08.** (A) As used in this section:

(1) "IEP" has the same meaning as in section 3323.01 of the Revised Code.

(2) "Resident district" means the school district in which a student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

(B) The ~~state board~~ department of education and workforce shall adopt rules requiring the governing authority of each community school established under this chapter to annually report all of the following:

(1) The number of students enrolled in grades one through twelve and the full-time equivalent number of students enrolled in kindergarten in the school who are not receiving special education and related services pursuant to an IEP;

(2) The number of enrolled students in grades one through twelve and the full-time equivalent number of enrolled students in kindergarten, who are receiving special education and related services pursuant to an IEP;

divisions (A) to (F) of section 3317.013 of the Revised Code;	32376
(4) The full-time equivalent number of students reported	32377
under divisions (B)(1) and (2) of this section who are enrolled	32378
in career-technical education programs or classes described in	32379
each of divisions (A)(1) to (5) of section 3317.014 of the	32380
Revised Code that are provided by the community school;	32381
(5) The number of students reported under divisions (B)(1)	32382
and (2) of this section who are not reported under division (B)	32383
(4) of this section but who are enrolled in career-technical	32384
education programs or classes described in each of divisions (A)	32385
(1) to (5) of section 3317.014 of the Revised Code at a joint	32386
vocational school district or another district in the career-	32387
technical planning district to which the school is assigned;	32388

student, "learning opportunities" shall be defined in the 32523  
contract, which shall describe both classroom-based and non- 32524  
classroom-based learning opportunities and shall be in 32525  
compliance with criteria and documentation requirements for 32526  
student participation which shall be established by the 32527  
department. Any student's instruction time in non-classroom- 32528  
based learning opportunities shall be certified by an employee 32529  
of the community school. A student's enrollment shall be 32530  
considered to cease on the date on which any of the following 32531

(a) The community school receives documentation from a 32533  
parent terminating enrollment of the student. 32534

(b) The community school is provided documentation of a 32535

Except as otherwise specified in this paragraph, beginning 32541  
in the 2011-2012 school year, any student who completed the 32542  
prior school year in an internet- or computer-based community 32543  
school shall be considered to be enrolled in the same school in 32544  
the subsequent school year until the student's enrollment has 32545  
ceased as specified in division (H) (2) of this section. The 32546  
department shall continue paying amounts for the student under 32547  
section 3317.022 of the Revised Code without interruption at the 32548  
start of the subsequent school year. However, if the student 32549  
without a legitimate excuse fails to participate in the first 32550  
seventy-two consecutive hours of learning opportunities offered 32551  
to the student in that subsequent school year, the student shall 32552

be considered not to have re-enrolled in the school for that 32553  
school year and the department shall recalculate the payments to 32554  
the school for that school year to account for the fact that the 32555  
student is not enrolled. 32556

(3) The department shall determine each community school 32557  
student's percentage of full-time equivalency based on the 32558  
percentage of learning opportunities offered by the community 32559  
school to that student, reported either as number of hours or 32560  
number of days, is of the total learning opportunities offered 32561

school's entire school year. However, no internet- or computer- 32563  
based community school shall be credited for any time a student 32564

within any period of twenty-four consecutive hours. Whether it 32566  
reports hours or days of learning opportunities, each community 32567  
school shall offer not less than nine hundred twenty hours of 32568  
learning opportunities during the school year. 32569

(4) With respect to the calculation of full-time 32570  
equivalency under division (H) (3) of this section, the 32571  
department shall waive the number of hours or days of learning 32572  
opportunities not offered to a student because the community 32573  
school was closed during the school year due to disease 32574  
epidemic, hazardous weather conditions, law enforcement 32575  
emergencies, inoperability of school buses or other equipment 32576  
necessary to the school's operation, damage to a school 32577  
building, or other temporary circumstances due to utility 32578  
failure rendering the school building unfit for school use, so 32579  
long as the school was actually open for instruction with 32580  
students in attendance during that school year for not less than 32581  
the minimum number of hours required by this chapter. The 32582  
department shall treat the school as if it were open for 32583

instruction with students in attendance during the hours or days 32584  
waived under this division. 32585

(I) The department of education and workforce shall reduce 32586  
the amounts paid under section 3317.022 of the Revised Code to 32587  
reflect payments made to colleges under section 3365.07 of the 32588  
Revised Code. 32589

(J) (1) No student shall be considered enrolled in any 32590  
internet- or computer-based community school or, if applicable 32591  
to the student, in any community school that is required to 32592  
provide the student with a computer pursuant to division (C) of 32593  
section 3314.22 of the Revised Code, unless both of the 32594  
following conditions are satisfied: 32595

(a) The student possesses or has been provided with all 32596  
required hardware and software materials and all such materials 32597  
are operational so that the student is capable of fully 32598  
participating in the learning opportunities specified in the 32599  
contract between the school and the school's sponsor as required 32600  
by division (A) (23) of section 3314.03 of the Revised Code; 32601

(b) The school is in compliance with division (A) of 32602  
section 3314.22 of the Revised Code, relative to such student. 32603

(2) In accordance with policies adopted by the 32604  
~~superintendent of public instruction~~department of education and 32605  
workforce, in consultation with the auditor of state, the 32606  
department shall reduce the amounts otherwise payable under 32607  
section 3317.022 of the Revised Code to any community school 32608  
that includes in its program the provision of computer hardware 32609  
and software materials to any student, if such hardware and 32610  
software materials have not been delivered, installed, and 32611  
activated for each such student in a timely manner or other 32612

educational materials or services have not been provided 32613  
according to the contract between the individual community 32614  
school and its sponsor. 32615

The ~~superintendent of public instruction~~ director and the 32616  
auditor of state shall jointly establish a method for auditing 32617  
any community school to which this division pertains to ensure 32618  
compliance with this section. 32619

The ~~superintendent~~ director, auditor of state, and the 32620  
governor shall jointly make recommendations to the general 32621  
assembly for legislative changes that may be required to assure 32622  
fiscal and academic accountability for such schools. 32623

(K) (1) If the department determines that a review of a 32624  
community school's enrollment is necessary, such review shall be 32625  
completed and written notice of the findings shall be provided 32626  
to the governing authority of the community school and its 32627  
sponsor within ninety days of the end of the community school's 32628  
fiscal year, unless extended for a period not to exceed thirty 32629  
additional days for one of the following reasons: 32630

(a) The department and the community school mutually agree 32631  
to the extension. 32632

(b) Delays in data submission caused by either a community 32633  
school or its sponsor. 32634

(2) If the review results in a finding that additional 32635  
funding is owed to the school, such payment shall be made within 32636  
thirty days of the written notice. If the review results in a 32637  
finding that the community school owes moneys to the state, the 32638  
following procedure shall apply: 32639

(a) Within ten business days of the receipt of the notice 32640  
of findings, the community school may appeal the department's 32641

determination to the ~~state board of education or its designee\_~~ 32642  
director. 32643

(b) The ~~board or its designee~~ director shall conduct an 32644  
informal hearing on the matter within thirty days of receipt of 32645  
such an appeal and shall issue a decision within fifteen days of 32646  
the conclusion of the hearing. 32647

(c) ~~If the board has enlisted a designee to conduct the~~ 32648  
~~hearing, the designee shall certify its decision to the board.~~ 32649  
~~The board may accept the decision of the designee or may reject~~ 32650  
~~the decision of the designee and issue its own decision on the~~ 32651  
~~matter.~~ 32652

~~(d)~~ Any decision made by the ~~board~~ director under this 32653  
division is final. 32654

(3) If it is decided that the community school owes moneys 32655  
to the state, the department shall deduct such amount from the 32656  
school's future payments in accordance with guidelines issued by 32657  
the ~~superintendent of public instruction~~ director. 32658

(L) The department shall not pay to a community school 32659  
under section 3317.022 of the Revised Code any amount for any of 32660

not take one or more of the assessments required by that section 32668  
and was not excused pursuant to division (C) (1) or (3) of that 32669

section, unless the ~~superintendent of public instruction~~ 32670  
director grants the student a waiver from the requirement to 32671  
take the assessment and a parent is not paying tuition for the 32672  
student pursuant to section 3314.26 of the Revised Code. The 32673  
~~superintendent~~ director may grant a waiver only for good cause 32674  
in accordance with rules adopted by the ~~state board of education~~ 32675  
department. 32676

(4) Any student who has attained the age of twenty-two 32677  
years, except for veterans of the armed services whose 32678  
attendance was interrupted before completing the recognized 32679  
twelve-year course of the public schools by reason of induction 32680  
or enlistment in the armed forces and who apply for enrollment 32681  
in a community school not later than four years after 32682  
termination of war or their honorable discharge. If, however, 32683

for veterans for whom tuition is paid under federal law, or 32685  
otherwise, the department shall not pay to a community school 32686  
under section 3317.022 of the Revised Code any amount for that 32687

**Sec. 3314.081.** To the extent permitted by federal law, the 32689

of providing special education and related services to a student 32697  
with a disability who is enrolled in a community school, as 32698  
calculated under division (C) (1) of that section, the department 32699

shall deduct the amount of that payment from the amount 32700  
calculated for payment to the community school under section 32701  
3317.022 of the Revised Code. 32702

**Sec. 3314.087.** (A) As used in this section: 32703

(1) "Career-technical program" means career-technical 32704

(B) (1) For the school year that begins on July 1, 2007, a 32763

community school during the previous school year transported the 32766  
students enrolled in the school or arranged for the students' 32767  
transportation, even if that arrangement consisted of having 32768  
parents transport their children to and from the school, but did 32769  
not enter into an agreement to transport or arrange for 32770  
transportation for those students under division (A) of this 32771

(E) Except when arranged through payment to a parent, 32850

3309.013 of the Revised Code, employment under this section is 32878

subject to either Chapter 3307. or 3309. of the Revised Code. 32879

(3) If a school is created by converting all or part of an 32880  
existing public school rather than by establishment of a new 32881  
start-up school, at the time of conversion, the employees of the 32882  
community school shall remain part of any collective bargaining 32883  
unit in which they were included immediately prior to the 32884  
conversion and shall remain subject to any collective bargaining 32885  
agreement for that unit in effect on the first day of July of 32886  
the year in which the community school initially begins 32887

that unit unless a petition is certified as sufficient under 32895  
division (A) (6) of this section with regard to those employees. 32896

the "public employer" of the employees of a conversion community 32901  
school subject to a collective bargaining agreement pursuant to 32902  
division (A) (3) of this section unless a petition is certified 32903  
under division (A) (6) of this section with regard to those 32904  
employees. Only on and after the effective date of a petition 32905  
certified as sufficient under division (A) (6) of this section 32906  
shall division (A) (2) of this section apply to those employees 32907  
of that community school and only on and after the effective 32908  
date of that petition shall Chapter 4117. of the Revised Code 32909

community school who are subject to a collective bargaining 32915  
agreement pursuant to division (A)(3) of this section shall 32916  
cease to be subject to that agreement and all subsequent 32917  
agreements pursuant to that division and shall cease to be part 32918  
of the collective bargaining unit that is subject to that and 32919  
all subsequent agreements, if a majority of the employees of 32920  
that community school who are subject to that collective 32921  
bargaining agreement sign and submit to the state employment 32922  
relations board a petition requesting all of the following: 32923

(a) That all the employees of the community school who are 32924

that is subject to that agreement and be designated by the state 32926  
employment relations board as a new and separate bargaining unit 32927  
for purposes of Chapter 4117. of the Revised Code; 32928

(b) That the employee organization certified as the 32929  
exclusive representative of the employees of the bargaining unit 32930  
from which the employees are to be removed be certified as the 32931  
exclusive representative of the new and separate bargaining unit 32932  
for purposes of Chapter 4117. of the Revised Code; 32933

(c) That the governing authority of the community school 32934

(5) Notwithstanding sections 4117.03 to 4117.18 of the 32937  
Revised Code and Section 4 of Amended Substitute Senate Bill No. 32938

133 of the 115th general assembly, the employees of a conversion 32939  
community school who are subject to a collective bargaining 32940  
agreement pursuant to division (A) (3) of this section shall 32941  
cease to be subject to that agreement and all subsequent 32942  
agreements pursuant to that division, shall cease to be part of 32943  
the collective bargaining unit that is subject to that and all 32944  
subsequent agreements, and shall cease to be represented by any 32945  
exclusive representative of that collective bargaining unit, if 32946  
a majority of the employees of the community school who are 32947  
subject to that collective bargaining agreement sign and submit 32948  
to the state employment relations board a petition requesting 32949  
all of the following: 32950

(a) That all the employees of the community school who are 32951  
subject to that agreement be removed from the bargaining unit 32952  
that is subject to that agreement; 32953

(b) That any employee organization certified as the 32954  
exclusive representative of the employees of that bargaining 32955  
unit be decertified as the exclusive representative of the 32956  
employees of the community school who are subject to that 32957  
agreement; 32958

(c) That the governing authority of the community school 32959  
be regarded as the "public employer" of these employees for 32960  
purposes of Chapter 4117. of the Revised Code. 32961

(6) Upon receipt of a petition under division (A) (4) or 32962  
(5) of this section, the state employment relations board shall 32963  
check the sufficiency of the signatures on the petition. If the 32964  
signatures are found sufficient, the board shall certify the 32965  
sufficiency of the petition and so notify the parties involved, 32966  
including the board of education, the governing authority of the 32967  
community school, and any exclusive representative of the 32968

bargaining unit. The changes requested in a certified petition 32969  
shall take effect on the first day of the month immediately 32970  
following the date on which the sufficiency of the petition is 32971  
certified under division (A) (6) of this section. 32972

(B) (1) The board of education of each city, local, and 32973  
exempted village school district sponsoring a community school 32974  
and the governing board of each educational service center in 32975  
which a community school is located shall adopt a policy that 32976  
provides a leave of absence of at least three years to each 32977  
teacher or nonteaching employee of the district or service 32978  
center who is employed by a conversion or new start-up community 32979  
school sponsored by the district or located in the district or 32980  
center for the period during which the teacher or employee is 32981  
continuously employed by the community school. The policy shall 32982  
also provide that any teacher or nonteaching employee may return 32983  
to employment by the district or service center if the teacher 32984  
or employee leaves or is discharged from employment with the 32985  
community school for any reason, unless, in the case of a 32986  
teacher, the board of the district or service center determines 32987  
that the teacher was discharged for a reason for which the board 32988  
would have sought to discharge the teacher under section 3311.82 32989  
or 3319.16 of the Revised Code, in which case the board may 32990  
proceed to discharge the teacher utilizing the procedures of 32991  
that section. Upon termination of such a leave of absence, any 32992  
seniority that is applicable to the person shall be calculated 32993  
to include all of the following: all employment by the district 32994  
or service center prior to the leave of absence; all employment 32995  
by the community school during the leave of absence; and all 32996  
employment by the district or service center after the leave of 32997  
absence. The policy shall also provide that if any teacher 32998  
holding valid certification returns to employment by the 32999

district or service center upon termination of such a leave of 33000  
absence, the teacher shall be restored to the previous position 33001  
and salary or to a position and salary similar thereto. If, as a 33002  
result of teachers returning to employment upon termination of 33003  
such leaves of absence, a school district or educational service 33004  
center reduces the number of teachers it employs, it shall make 33005  
such reductions in accordance with section 3319.171 of the 33006  
Revised Code. 33007

Unless a collective bargaining agreement providing 33008  
otherwise is in effect for an employee of a conversion community 33009  
school pursuant to division (A)(3) of this section, an employee 33010  
on a leave of absence pursuant to this division shall remain 33011  
eligible for any benefits that are in addition to benefits under 33012  
Chapter 3307. or 3309. of the Revised Code provided by the 33013  
district or service center to its employees provided the 33014  
employee pays the entire cost associated with such benefits, 33015  
except that personal leave and vacation leave cannot be accrued 33016  
for use as an employee of a school district or service center 33017  
while in the employ of a community school unless the district or 33018  
service center board adopts a policy expressly permitting this 33019  
accrual. 33020

(2) While on a leave of absence pursuant to division (B) 33021  
(1) of this section, a conversion community school shall permit 33022  
a teacher to use sick leave accrued while in the employ of the 33023  
school district from which the leave of absence was taken and 33024  
prior to commencing such leave. If a teacher who is on such a 33025  
leave of absence uses sick leave so accrued, the cost of any 33026  
salary paid by the community school to the teacher for that time 33027  
shall be reported to the department of education and workforce. 33028  
The cost of employing a substitute teacher for that time shall 33029  
be paid by the community school. The department of education and 33030

workforce shall add amounts to the payments made to a community school under this chapter as necessary to cover the cost of salary reported by a community school as paid to a teacher using sick leave so accrued pursuant to this section. The department shall subtract the amounts of any payments made to community schools under this division from payments made to such sponsoring school district under Chapter 3317. of the Revised Code.

A school district providing a leave of absence and employee benefits to a person pursuant to this division is not liable for any action of that person while the person is on such leave and employed by a community school.

report the person's suspension to the department of education\_ 33065

section 3317.23 of the Revised Code may enroll for up to two 34102  
consecutive school years in a dropout prevention and recovery 34103  
program operated by a community school that is designed to allow 34104  
enrollees to earn a high school diploma. An individual enrolled 34105  
under this division may elect to satisfy the requirements to 34106  
earn a high school diploma by successfully completing a 34107  
competency-based educational program, as defined in section 34108  
3317.23 of the Revised Code, that complies with the standards 34109  
adopted by the department of education and workforce under 34110  
section 3317.231 of the Revised Code. The community school shall 34111  
report that individual's enrollment on a full-time equivalency 34112  
basis to the department. This report shall be in addition to the 34113  
report required under division (B) of section 3314.08 of the 34114

shall certify the enrollment and attendance, on a full-time 34120  
equivalency basis, of each individual reported by the school 34121  
under that division. 34122

(2) For each individual enrolled in a community school 34123  
under division (A) of this section, the department annually 34124  
shall pay the community school up to \$5,000, as determined by 34125  
the department based on the extent of the individual's 34126  
successful completion of the graduation requirements prescribed 34127  
under division (A) (11) (f) of section 3314.03 of the Revised 34128  
Code. 34129

(C) A community school that enrolls individuals under 34130  
division (A) of this section shall be subject to the program 34131

administration standards adopted by the department under section 34132  
3317.231 of the Revised Code, as applicable. 34133

**Sec. 3314.50.** No community school shall initiate 34134  
operation, on or after the effective date of this amendment, 34135  
unless the governing authority of the school has posted a bond 34136  
in the amount of fifty thousand dollars with the auditor of 34137  
state. The bond shall be used, in the event the school closes, 34138  
to pay the auditor of state any moneys owed or that become owed 34139  
by the school for the costs of audits conducted by the auditor 34140  
of state or a public accountant under Chapter 117. of the 34141  
Revised Code. 34142

The department of education and workforce shall notify the 34143  
auditor of state of the proposed initiation of operations of any 34144  
community school and shall provide the auditor of state with the 34145  
certification of the sponsor of the community school of the 34146  
compliance by the community school with all legal preconditions 34147  
to the initiation of its operations, including compliance with 34148  
this section. 34149

In lieu of the bond, the governing authority of the 34150  
school, the school's sponsor, or an operator that has a contract 34151  
with the school may deposit with the auditor of state cash in 34152  
the amount of fifty thousand dollars as guarantee of payment 34153  
under the provisions of this section. In lieu of a bond or a 34154  
cash deposit, the school's sponsor or an operator that has a 34155  
contract with the school may provide a written guarantee of 34156  
payment, which shall obligate the school's sponsor or the 34157  
operator that provides the written guarantee to pay the cost of 34158  
audits of the school under this section up to the amount of 34159  
fifty thousand dollars. Any such written guarantee shall be 34160  
binding upon any successor entity that enters into a contract to 34161

sponsor or to operate the school, and any such entity, as a 34162  
condition of its undertaking shall acknowledge and accept such 34163  
obligation. 34164

In the event that a sponsor or operator has provided a 34165  
written guarantee under this section, and, subsequent to the 34166  
provision of the guarantee, the governing authority of the 34167  
school posts a bond under this section, or the governing 34168  
authority of the school, a sponsor, or an operator provides a 34169  
cash deposit of fifty thousand dollars as required, the written 34170  
guarantee shall cease to be of further effect. 34171

As soon as it is practicable to do so after the filing of 34172  
a bond or the deposit of cash, the auditor of state shall 34173  
deliver the bond or cash to the treasurer of state, who shall 34174  
hold it in trust for the purposes prescribed in this section. 34175  
The treasurer of state shall be responsible for the safekeeping 34176  
of all bonds filed or cash deposited under this section. The 34177  
auditor of state shall notify the ~~department of education~~ when 34178  
the school's governing authority has filed the bond, deposited 34179  
the cash guarantee, or submitted a written guarantee of payment. 34180

When the auditor of state conducts an audit of a community 34181  
school that has closed and is subject to the requirements of 34182  
this section, the auditor of state shall certify the amount of 34183  
forfeiture to the treasurer of state, who shall assess the bond 34184  
for the costs of the audit or shall pay money from the named 34185  
insurer or from the school's cash deposit for the costs of the 34186  
audit to reimburse the auditor of state or public accountant for 34187  
costs incurred in conducting audits of the school. 34188

To the extent that the amount of the bond or the cash 34189  
deposit is not needed to cover audit costs, the bond shall be of 34190  
no further effect, and any cash balance shall be refunded by the 34191

treasurer of state to the entity which provided the bond. When 34192  
the auditor of state conducts an audit of a community school 34193  
that has closed and is subject to the requirements of this 34194  
section, and, as to which, a written guarantee has been given 34195  
under this section, the entity that provided the guarantee shall 34196  
be solely and fully liable for any such audit costs, and shall 34197  
promptly pay the costs of the audit up to fifty thousand 34198  
dollars. 34199

No community school that is subject to the provisions of 34200  
this section shall maintain or continue its operations absent 34201  
the ongoing provision of a bond, a cash deposit, or a written 34202  
guarantee as required by this section. 34203

**Sec. 3314.51.** (A) If the auditor of state or a public 34204  
accountant, under section 117.41 of the Revised Code, declares a 34205  
community school to be unauditabile, the auditor of state shall 34206  
provide written notification of that declaration to the school, 34207  
the school's sponsor, and the department of education and 34208  
workforce. The auditor of state also shall post the notification 34209  
on the auditor of state's web site. 34210

(B) If the community school's current fiscal officer held 34211  
that position during the period for which the school is 34212  
unauditabile, upon receipt of the notification under division (A) 34213  
of this section, the governing authority of the school shall 34214  
suspend the fiscal officer until the auditor of state or a 34215  
public accountant has completed an audit of the school, except 34216  
that if the school has an operator and the operator employs the 34217  
fiscal officer, the operator shall suspend the fiscal officer 34218  
for that period. Suspension of the fiscal officer may be with or 34219  
without pay, as determined by the entity imposing the suspension 34220  
based on the circumstances that prompted the auditor of state's 34221

declaration. The entity imposing the suspension shall appoint a 34222  
person to assume the duties of the fiscal officer during the 34223  
period of the suspension. If the appointee is not licensed as a 34224  
treasurer under section 3301.074 of the Revised Code, the 34225  
appointee shall be approved by the ~~superintendent of public~~ 34226  
~~instruction~~ director of education and workforce before assuming 34227  
the duties of the fiscal officer. The state board of education 34228  
may take action under section 3319.31 of the Revised Code to 34229  
suspend, revoke, or limit the license of a fiscal officer who 34230  
has been suspended under this division. 34231

(C) Notwithstanding any provision to the contrary in this 34232  
chapter or in any other provision of law, the sponsor of the 34233  
community school shall not enter into contracts with any 34234  
additional community schools under section 3314.03 of the 34235  
Revised Code between ninety days after the date of the 34236  
declaration under division (A) of this section and the date the 34237  
auditor of state or a public accountant has completed a 34238  
financial audit of the school. 34239

(D) Not later than forty-five days after receiving the 34240  
notification under division (A) of this section, the sponsor of 34241  
the community school shall provide a written response to the 34242  
auditor of state. The sponsor shall provide a copy of the 34243  
response to the community school. The response shall include the 34244  
following: 34245

(1) An overview of the process the sponsor will use to 34246  
review and understand the circumstances that led to the 34247  
community school becoming unauditabile; 34248

(2) A plan for providing the auditor of state with the 34249  
documentation necessary to complete an audit of the community 34250  
school and for ensuring that all financial documents are 34251

available in the future; 34252

(3) The actions the sponsor will take to ensure that the 34253  
plan described in division (D) (2) of this section is 34254  
implemented. 34255

(E) If the community school fails to make reasonable 34256  
efforts and continuing progress to bring its accounts, records, 34257  
files, or reports into an auditable condition within ninety days 34258  
after being declared unauditable, the auditor of state, in 34259  
addition to requesting legal action under sections 117.41 and 34260  
117.42 of the Revised Code, shall notify the school's sponsor 34261  
and the department of the school's failure. If the auditor of 34262  
state or a public accountant subsequently is able to complete a 34263  
financial audit of the school, the auditor of state shall notify 34264  
the school's sponsor and the department that the audit has been 34265  
completed. 34266

(F) Notwithstanding any provision to the contrary in this 34267  
chapter or in any other provision of law, upon notification by 34268  
the auditor of state under division (E) of this section that the 34269  
community school has failed to make reasonable efforts and 34270  
continuing progress to bring its accounts, records, files, or 34271  
reports into an auditable condition, the department shall 34272  
immediately cease all payments to the school under this chapter 34273  
and any other provision of law. Upon subsequent notification 34274  
from the auditor of state under that division that the auditor 34275  
of state or a public accountant was able to complete a financial 34276  
audit of the community school, the department shall release all 34277  
funds withheld from the school under this section. 34278

**Sec. 3315.18.** (A) The board of education of each city, 34279  
exempted village, local, and joint vocational school district 34280  
shall establish a capital and maintenance fund. Each board 34281

annually shall deposit into that fund an amount derived from 34282  
revenues received by the district that would otherwise have been 34283  
deposited in the general fund that is equal to three per cent of 34284  
the statewide average base cost per pupil for the preceding 34285  
fiscal year, as defined in section 3317.02 of the Revised Code, 34286  
or another percentage if established by the auditor of state 34287  
under division (B) of this section, multiplied by the district's 34288  
student population for the preceding fiscal year, except that 34289  
money received from a permanent improvement levy authorized by 34290  
section 5705.21 of the Revised Code may replace general revenue 34291  
moneys in meeting the requirements of this section. Money in the 34292  
fund shall be used solely for acquisition, replacement, 34293  
enhancement, maintenance, or repair of permanent improvements, 34294  
as that term is defined in section 5705.01 of the Revised Code. 34295  
Any money in the fund that is not used in any fiscal year shall 34296  
carry forward to the next fiscal year. 34297

(B) ~~The state superintendent of public instruction~~ 34298  
director of education and workforce and the auditor of state 34299  
jointly shall adopt rules in accordance with Chapter 119. of the 34300  
Revised Code defining what constitutes expenditures permitted by 34301  
division (A) of this section. The auditor of state may designate 34302  
a percentage, other than three per cent, of the statewide 34303  
average base cost per pupil multiplied by the district's student 34304  
population that must be deposited into the fund. 34305

(C) Within its capital and maintenance fund, a school 34306  
district board of education may establish a separate account 34307  
solely for the purpose of depositing funds transferred from the 34308  
district's reserve balance account established under former 34309  
division (H) of section 5705.29 of the Revised Code. After April 34310  
10, 2001, a board may deposit all or part of the funds formerly 34311  
included in such reserve balance account in the separate account 34312

established under this section. Funds deposited in this separate 34313  
account and interest on such funds shall be utilized solely for 34314  
the purpose of providing the district's portion of the basic 34315  
project costs of any project undertaken in accordance with 34316  
Chapter 3318. of the Revised Code. 34317

(D) (1) Notwithstanding division (A) of this section, in 34318  
any year a district is in fiscal emergency status as declared 34319  
pursuant to section 3316.03 of the Revised Code, the district 34320  
may deposit an amount less than required by division (A) of this 34321  
section, or make no deposit, into the district capital and 34322  
maintenance fund for that year. 34323

(2) Notwithstanding division (A) of this section, in any 34324  
fiscal year that a school district is either in fiscal watch 34325  
status, as declared pursuant to section 3316.03 of the Revised 34326  
Code, or in fiscal caution status, as declared pursuant to 34327  
section 3316.031 of the Revised Code, the district may apply to 34328  
the ~~superintendent of public instruction~~ director of education 34329  
and workforce for a waiver from the requirements of division (A) 34330  
of this section, under which the district may be permitted to 34331  
deposit an amount less than required by that division or 34332  
permitted to make no deposit into the district capital and 34333  
maintenance fund for that year. The ~~superintendent~~ director may 34334  
grant a waiver under division (D) (2) of this section if the 34335  
district demonstrates to the satisfaction of the ~~superintendent~~ 34336  
director that compliance with division (A) of this section that 34337  
year will create an undue financial hardship on the district. 34338

(3) Notwithstanding division (A) of this section, not more 34339  
often than one fiscal year in every three consecutive fiscal 34340  
years, any school district that does not satisfy the conditions 34341  
for the exemption described in division (D) (1) of this section 34342

or the conditions to apply for the waiver described in division 34343  
(D) (2) of this section may apply to the ~~superintendent of public~~ 34344  
~~instruction director~~ for a waiver from the requirements of 34345  
division (A) of this section, under which the district may be 34346  
permitted to deposit an amount less than required by that 34347  
division or permitted to make no deposit into the district 34348  
capital and maintenance fund for that year. The ~~superintendent-~~ 34349  
~~director~~ may grant a waiver under division (D) (3) of this 34350  
section if the district demonstrates to the satisfaction of the 34351  
~~superintendent director~~ that compliance with division (A) of 34352  
this section that year will necessitate the reduction or 34353  
elimination of a program currently offered by the district that 34354  
is critical to the academic success of students of the district 34355  
and that no reasonable alternatives exist for spending 34356  
reductions in other areas of operation within the district that 34357  
negate the necessity of the reduction or elimination of that 34358  
program. 34359

(E) Notwithstanding any provision to the contrary in 34360  
Chapter 4117. of the Revised Code, the requirements of this 34361  
section prevail over any conflicting provisions of agreements 34362  
between employee organizations and public employers entered into 34363  
after November 21, 1997. 34364

(F) As used in this section, "student population" means 34365  
the average, daily, full-time equivalent number of students in 34366  
kindergarten through twelfth grade receiving any educational 34367  
services from the school district during the first full school 34368  
week in October, excluding students enrolled in adult education 34369  
classes, but including all of the following: 34370

(1) Adjacent or other district students enrolled in the 34371  
district under an open enrollment policy pursuant to section 34372

3313.98 of the Revised Code;	34373
(2) Students receiving services in the district pursuant to a compact, cooperative education agreement, or a contract, but who are entitled to attend school in another district pursuant to section 3313.64 or 3313.65 of the Revised Code;	34374 34375 34376 34377
(3) Students for whom tuition is payable pursuant to sections 3317.081 and 3323.141 of the Revised Code.	34378 34379
The department of education <u>and workforce</u> shall determine a district's student population using data reported to it under section 3317.03 of the Revised Code for the applicable fiscal year.	34380 34381 34382 34383

recommended from any county is less than the number of 34446  
scholarships allocated to that county, it may reallocate the 34447  
remaining scholarships among the counties in which the number of 34448  
eligible persons exceeds the number of scholarships allocated. 34449  
Such reallocation as may affect a county in one year shall not 34450

qualifications are such as to indicate that they possess the 34462  
qualities which should be possessed by a successful teacher. 34463  
Such persons shall not have previously been enrolled in any 34464  
college of education or have majored in education in any college 34465  
or university. Such other college training shall be considered 34466  
in determining such person's qualifications to become a 34467  
successful teacher. 34468

(C) The scholarship fund for teacher trainees shall be 34469  
disbursed to scholarship holders upon their application as 34470

~~education department~~ shall hold said note until it has been paid 34491  
or cancelled as prescribed in section 3315.35 of the Revised 34492  
Code. 34493

Each person awarded a scholarship under the terms of 34494

certified by the superintendent of the school district in which 34506  
the person has taught. Upon receipt of such statement in proper 34507  
form, the board shall cancel the oldest notes given by such 34508  
person covering the scholarship for one year and the interest 34509  
accrued thereon. If for any reason a recipient of a scholarship 34510  
ceases or, after licensure, fails to teach in the public schools 34511  
of Ohio, except for death or total disability, or fails to file 34512  
with the board by July first of each year a statement concerning 34513  
the recipient's previous year's employment and address for the 34514  
ensuing year, any and all unpaid or uncanceled notes and 34515  
interest thereon shall become due and payable and the board 34516  
shall transmit all such notes promptly to the treasurer of state 34517  
and the treasurer of state shall enforce collection of the 34518  
principal amount of any uncanceled or unpaid notes held by the 34519

**Sec. 3316.03.** (A) The existence of a fiscal watch shall be 34522  
declared by the auditor of state. The auditor of state may make 34523  
a determination on the auditor of state's initiative, or upon 34524  
receipt of a written request for such a determination, which may 34525  
be filed by the governor, the ~~superintendent of public~~ 34526

the members of the board of education of the school district. 34528

(1) The auditor of state shall declare a school district 34529  
to be in a state of fiscal watch if the auditor of state 34530

district's general fund revenue for the preceding fiscal year; 34536

(b) A majority of the voting electors have not voted in 34537

Revised Code to be under a fiscal caution, has found that the 34556  
district has not acted reasonably to eliminate or correct 34557  
practices or conditions that prompted the declaration, and has 34558  
determined the declaration of a state of fiscal watch necessary 34559  
to prevent further fiscal decline; 34560

(b) The auditor of state determines that the decision of 34561  
the ~~superintendent~~ director is reasonable. 34562

If the auditor of state determines that the decision of 34563  
the ~~superintendent~~ director is not reasonable, the auditor of 34564  
state shall provide the ~~superintendent~~ director with a written 34565

eight per cent, of the school district's general fund revenue 34573  
for the preceding fiscal year; 34574

(b) A majority of the voting electors have not voted in 34575  
favor of levying a tax under section 5705.194, 5705.199, or 34576  
5705.21 or Chapter 5748. of the Revised Code that the auditor of 34577  
state expects will raise enough additional revenue in the next 34578  
succeeding fiscal year that division (A) (4) (a) of this section 34579

will not apply to the district in the next succeeding fiscal year; 34580  
34581

(c) The auditor of state determines that there is no reasonable cause for the deficit or that the declaration of fiscal watch is necessary to prevent further fiscal decline in the district. 34582  
34583  
34584  
34585

(B) (1) The auditor of state shall issue an order declaring a school district to be in a state of fiscal emergency if the auditor of state determines that both of the following conditions are satisfied with respect to the school district: 34586  
34587

34595  
34596  
34597  
34598  
34599  
34600

(2) The auditor of state shall issue an order declaring a school district to be in a state of fiscal emergency if the school district board fails, pursuant to section 3316.04 of the Revised Code, to submit a plan acceptable to the ~~state~~ superintendent of public instruction director of education and workforce within one hundred twenty days of the auditor of state's declaration under division (A) of this section or an updated plan when one is required by division (C) of section 34601  
34602  
34603  
34604  
34605  
34606  
34607  
34608

3316.04 of the Revised Code; 34609

(3) The auditor of state shall issue an order declaring a 34610

decline; 34620

(b) The auditor of state finds that the determination of 34621  
the ~~superintendent~~ director is reasonable. 34622

If the auditor of state determines that the decision of 34623  
the ~~superintendent~~ director is not reasonable, the auditor of 34624  
state shall provide the ~~superintendent~~ director a written 34625  
explanation of that determination. 34626

(4) The auditor of state shall issue an order declaring a 34627  
school district to be in a state of fiscal emergency if a 34628  
declaration of fiscal emergency is required by division (D) of 34629

school district to be in a state of fiscal emergency if all of 34632  
the following conditions are satisfied: 34633

(a) An operating deficit has been certified for the 34634  
current fiscal year by the auditor of state, and the certified 34635

(b) A majority of the voting electors have not voted in 34639  
favor of levying a tax under section 5705.194, 5705.199, or 34640  
5705.21 or Chapter 5748. of the Revised Code that the auditor of 34641  
state expects will raise enough additional revenue in the next 34642  
succeeding fiscal year that division (B) (5) (a) of this section 34643  
will not apply to the district in the next succeeding fiscal 34644  
year; 34645

(c) The auditor of state determines that a declaration of 34646  
fiscal emergency is necessary to correct the district's fiscal 34647  
problems and to prevent further fiscal decline. 34648

(C) In making the determinations under this section, the 34649  
auditor of state may use financial reports required under 34650  
section 117.43 of the Revised Code; tax budgets, certificates of 34651

in divisions (A) and (B) of this section. 34657

(D) The auditor of state shall certify the action taken 34658  
under division (A) or (B) of this section to the board of 34659  
education of the school district, the director of budget and 34660

~~instruction~~ director of education and workforce. 34664

(E) A determination by the auditor of state under this 34665  
section that a fiscal emergency condition does not exist is 34666

final and conclusive and not appealable. A determination by the auditor of state under this section that a fiscal emergency exists is final, except that the board of education of the school district affected by such a determination may appeal the determination of the existence of a fiscal emergency condition to the court of appeals having territorial jurisdiction over the school district. The appeal shall be heard expeditiously by the court of appeals and for good cause shown shall take precedence over all other civil matters except earlier matters of the same character. Notice of such appeal must be filed with the auditor of state and such court within thirty days after certification by the auditor of state to the board of education of the school district provided for in division (D) of this section. In such appeal, determinations of the auditor of state shall be presumed to be valid and the board of education shall have the burden of proving, by clear and convincing evidence, that each of the determinations made by the auditor of state as to the existence of a fiscal emergency condition under this section was in error. If the board of education fails, upon presentation of its case, to prove by clear and convincing evidence that each such determination by the auditor of state was in error, the court shall dismiss the appeal. The board of education and the auditor of state may introduce any evidence relevant to the existence or nonexistence of such fiscal emergency conditions. The pendency of any such appeal shall not affect or impede the operations of this chapter; no restraining order, temporary injunction, or other similar restraint upon actions consistent with this chapter shall be imposed by the court or any court pending determination of such appeal; and all things may be done under this chapter that may be done regardless of the pendency of any such appeal. Any action taken or contract executed pursuant to this chapter during the pendency of such appeal is valid and

enforceable among all parties, notwithstanding the decision in 34699  
such appeal. If the court of appeals reverses the determination 34700  
of the existence of a fiscal emergency condition by the auditor 34701  
of state, the determination no longer has any effect, and any 34702  
procedures undertaken as a result of the determination shall be 34703  
terminated. 34704

**Sec. 3316.031.** (A) The ~~state superintendent of public~~ 34705  
~~instruction~~director of education and workforce, in consultation 34706  
with the auditor of state, shall develop guidelines for 34707  
identifying fiscal practices and budgetary conditions that, if 34708  
uncorrected, could result in a future declaration of a fiscal 34709  
watch or fiscal emergency within a school district. 34710

The guidelines shall not include a requirement that a 34711  
school district submit financial statements according to 34712  
generally accepted accounting principles. 34713

(B) (1) If the ~~state superintendent~~director determines 34714  
from a school district's five-year forecast submitted under 34715  
section 5705.391 of the Revised Code that a district is engaging 34716  
in any of those practices or that any of those conditions exist 34717  
within the district, after consulting with the district board of 34718  
education concerning the practices or conditions, the ~~state~~ 34719  
~~superintendent~~director may declare the district to be under a 34720  
fiscal caution. 34721

(2) If the auditor of state finds that a district is 34722  
engaging in any of those practices or that any of those 34723  
conditions exist within the district, the auditor of state shall 34724  
report that finding to the ~~state superintendent~~director and, 34725  
after consulting with the district board of education concerning 34726  
the practices or conditions, the ~~state superintendent~~director 34727  
may declare the district to be under a fiscal caution. 34728

(3) Unless the auditor of state has elected to declare a state of fiscal watch under division (A) (4) of section 3316.03 of the Revised Code, the ~~state superintendent~~ director shall declare a school district to be under a fiscal caution if the conditions described in divisions (A) (4) (a) and (b) of that section are both satisfied with respect to the school district.

(C) When the ~~state superintendent~~ director declares a district to be under fiscal caution, the ~~state superintendent~~ director shall promptly notify the district board of education of that declaration and shall request the board to provide written proposals for discontinuing or correcting the fiscal practices or budgetary conditions that prompted the declaration and for preventing the district from experiencing further fiscal difficulties that could result in the district being declared to be in a state of fiscal watch or fiscal emergency.

(D) The ~~state superintendent~~ director, or a designee, may visit and inspect any district that is declared to be under a fiscal caution. The department of education and workforce shall provide technical assistance to the district board in implementing proposals to eliminate the practices or budgetary conditions that prompted the declaration of fiscal caution and may make recommendations concerning the board's proposals.

(E) If the ~~state superintendent~~ director finds that a school district declared to be under a fiscal caution has not made reasonable proposals or otherwise taken action to discontinue or correct the fiscal practices or budgetary conditions that prompted the declaration of fiscal caution, and if the ~~state superintendent~~ director considers it necessary to prevent further fiscal decline, the ~~state superintendent~~ director may determine that the district should be in a state of

fiscal watch. As provided in division (A) (3) of section 3316.03 34759  
of the Revised Code, the auditor of state shall declare the 34760  
district to be in a state of fiscal watch if the auditor of 34761  
state finds the ~~superintendent's~~ director's determination to be 34762  
reasonable. 34763

**Sec. 3316.04.** (A) Within sixty days of the auditor's 34764  
declaration under division (A) of section 3316.03 of the Revised 34765  
Code, the board of education of the school district shall 34766  
prepare and submit to the ~~superintendent of public instruction~~ 34767  
director of education and workforce a financial plan delineating 34768  
the steps the board will take to eliminate the district's 34769  
current operating deficit and avoid incurring operating deficits 34770  
in ensuing years, including the implementation of spending 34771  
reductions. The financial plan also shall evaluate the 34772  
feasibility of entering into shared services agreements with 34773  
other political subdivisions for the joint exercise of any 34774  
power, performance of any function, or rendering of any service, 34775  
if so authorized by statute. The ~~superintendent of public~~ 34776  
~~instruction~~ director shall evaluate the initial financial plan, 34777  
and either approve or disapprove it within thirty calendar days 34778  
from the date of its submission. If the initial financial plan 34779  
is disapproved, the ~~state superintendent~~ director shall 34780  
recommend modifications that will render the financial plan 34781  
acceptable. No school district board shall implement a financial 34782  
plan submitted to the ~~superintendent of public instruction~~ 34783  
director under this section unless the ~~superintendent~~ director 34784  
has approved the plan. 34785

(B) Upon request of the board of education of a school 34786  
district declared to be in a state of fiscal watch, the auditor 34787  
of state and ~~superintendent of public instruction~~ director shall 34788  
provide technical assistance to the board in resolving the 34789

fiscal problems that gave rise to the declaration, including 34790  
assistance in drafting the board's financial plan. 34791

(C) A financial plan adopted under this section may be 34792  
amended at any time with the approval of the 34793

repayments, interest or other financing charges, and other terms 35103  
of agreements under which the debt originally was contracted, at 35104  
the discretion of the commission, provided that any loans 35105  
received pursuant to section 3313.483 of the Revised Code shall 35106

under division (A) (4) (b) of this section for the district with 36421  
the fortieth highest ratio as determined under division (A) (4) 36422  
(c) of this section - 1)} + 0.0225 36423

(iii) If the ratio calculated for the district under 36424

(1) If the district's per-pupil local capacity amount for 36446  
that fiscal year divided by the district's base cost per pupil 36447  
for that fiscal year is greater than 0.95, then the district's 36448  
state share shall be equal to (the district's base cost per 36449  
pupil for that fiscal year X 0.05 X the district's enrolled ADM 36450

year, the department shall adjust, as necessary, the district's 36503  
funding base, as that term is defined in section 3317.02 of the 36504

(2) For fiscal years 2022 and 2023, if a district has 36516

fewer students counted under division (A) (1) (b) of section 3317.03 of the Revised Code for that fiscal year than for the previous fiscal year and the positive difference between those two student counts is greater than or equal to the district's decrease threshold for that fiscal year, the amount paid to the district under division (A) of this section shall be reduced by the following amount:

but greater than or equal to 1.0, the efficiency adjustment 38619  
payment shall be calculated according to the following formula: 38620

{[(The district's efficiency index - 1) X 0.15]/0.5} X the 38621  
district's transportation base payment calculated under division 38622  
(E) of this section 38623

(c) If the district's efficiency index is less than 1.0, 38624  
the efficiency adjustment payment shall be zero. 38625

(G) In addition to funds paid under divisions (E), (F), 38626  
and (H) of this section, each city, local, and exempted village 38627  
district shall receive in accordance with rules adopted by the 38628  
~~state board of education department~~ a payment for students 38629

If the result of the calculation for a district under 38640  
division (H) (1) (a) of this section is less than zero, the 38641  
district's transportation supplement percentage shall be zero. 38642

(b) For fiscal year 2024 and each fiscal year thereafter, 38643  
a percentage calculated in a manner determined by the general 38644  
assembly. 38645

(2) The department shall pay each district a 38646  
transportation supplement calculated according to the following 38647  
formula: 38648

section 3314.091 of the Revised Code, and whose transportation 38710

to and from school is actually provided, who actually utilized 38711  
transportation arranged, or for whom a payment in lieu of 38712  
transportation is made by the community school's governing 38713  
authority. To qualify for the payments, the community school 38714  
shall report to the department, in the form and manner required 38715  
by the department, data on the number of students transported or 38716  
whose transportation is arranged, the number of miles traveled, 38717

41749  
41750  
41751

been completed as of September 29, 2007. 41776

(2) Within one year after the date of the commission's 41777

fiscal year using the district's "valuation per pupil" as that 41794  
term is defined in section 3318.011 of the Revised Code on and 41795

after September 29, 2007. 41796

(D) For each school district to which this section 41797  
applies, the commission shall use the recalculated percentile 41798  
ranking reported under division (C) of this section to determine 41799  
the district's portion of the basic project cost under section 41800  
3318.032 of the Revised Code. The commission shall not use the 41801  
recalculated percentile ranking for any other purpose, and the 41802  
recalculated ranking shall not affect any other district's 41803  
portion of the basic project cost under section 3318.032 of the 41804  
Revised Code or any district's eligibility for assistance under 41805  
sections 3318.01 to 3318.20 of the Revised Code. The commission 41806  
shall revise the agreement entered into under section 3318.08 of 41807  
the Revised Code to reflect the district's new portion of the 41808  
basic project cost as determined under this division. 41809

**Sec. 3318.051.** (A) Any city, exempted village, or local 41810  
school district that commences a project under sections 3318.01 41811  
to 3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on 41812  
or after September 5, 2006, need not levy the tax otherwise 41813  
required under division (B) of section 3318.05 of the Revised 41814  
Code, if the district board of education adopts a resolution 41815  
petitioning the Ohio facilities construction commission to 41816  
approve the transfer of money in accordance with this section 41817  
and the commission approves that transfer. If so approved, the 41818  
commission and the district board shall enter into an agreement 41819  
under which the board, in each of twenty-three consecutive years 41820  
beginning in the year in which the board and the commission 41821  
enter into the project agreement under section 3318.08 of the 41822  
Revised Code, shall transfer into the maintenance fund required 41823  
by division (D) of section 3318.05 of the Revised Code not less 41824  
than an amount equal to one-half mill for each dollar of the 41825  
district's valuation unless and until the agreement to make 41826

those transfers is rescinded by the district board pursuant to 41827  
division (F) of this section. 41828

(B) On the first day of July each year, or on an 41829  
alternative date prescribed by the commission, the district 41830  
treasurer shall certify to the commission and the auditor of 41831  
state that the amount required for the year has been 41832  
transferred. The auditor of state shall include verification of 41833  
the transfer as part of any audit of the district under section 41834  
117.11 of the Revised Code. If the auditor of state finds that 41835  
less than the required amount has been deposited into a 41836  
district's maintenance fund, the auditor of state shall notify 41837  
the district board of education in writing of that fact and 41838  
require the board to deposit into the fund, within ninety days 41839  
after the date of the notice, the amount by which the fund is 41840  
deficient for the year. If the district board fails to 41841  
demonstrate to the auditor of state's satisfaction that the 41842  
board has made the deposit required in the notice, the auditor 41843  
of state shall notify the department of education and workforce. 41844  
At that time, the department shall withhold an amount equal to 41845  
ten per cent of the district's funds calculated for the current 41846  
fiscal year under Chapter 3317. of the Revised Code until the 41847  
auditor of state notifies the department that the auditor of 41848  
state is satisfied that the board has made the required 41849  
transfer. 41850

(C) Money transferred to the maintenance fund shall be 41851  
used for the maintenance or, upon approval of the Ohio 41852  
facilities construction commission, upgrade of the facilities 41853  
acquired under the district's project. 41854

(D) The transfers to the maintenance fund under this 41855  
section does not affect a district's obligation to establish and 41856

maintain a capital and maintenance fund under section 3315.18 of 41857  
the Revised Code. 41858

(E) Any decision by the commission to approve or not 41859  
approve the transfer of money under this section is final and 41860  
not subject to appeal. The commission shall not be responsible 41861  
for errors or miscalculations made in deciding whether to 41862  
approve a petition to make transfers under this section. 41863

(F) If the district board determines that it no longer can 41864  
continue making the transfers agreed to under this section, the 41865  
board may rescind the agreement only so long as the electors of 41866  
the district have approved, in accordance with section 3318.063 41867  
of the Revised Code, the levy of a tax for the maintenance of 41868  
the classroom facilities acquired under the district's project 41869  
and that levy continues to be collected as approved by the 41870  
electors. That levy shall be for a number of years that is equal 41871  
to the difference between twenty-three years and the number of 41872  
years that the district made transfers under this section and 41873  
shall be at the rate of not less than one-half mill for each 41874  
dollar of the district's valuation. The district board shall 41875  
continue to make the transfers agreed to under this section 41876  
until that levy has been approved by the electors. 41877

**Sec. 3318.08.** Except in the case of a joint vocational 41878  
school district that receives assistance under sections 3318.40 41879  
to 3318.45 of the Revised Code, if the requisite favorable vote 41880  
on the election is obtained, or if the school district board has 41881  
resolved to apply the proceeds of a property tax levy or the 41882  
proceeds of an income tax, or a combination of proceeds from 41883  
such taxes, as authorized in section 3318.052 of the Revised 41884  
Code, the Ohio facilities construction commission, upon 41885  
certification to it of either the results of the election or the 41886

resolution under section 3318.052 of the Revised Code, shall 41887  
enter into a written agreement with the school district board 41888  
for the construction and sale of the project. In the case of a 41889  
joint vocational school district that receives assistance under 41890  
sections 3318.40 to 3318.45 of the Revised Code, if the school 41891  
district board of education and the school district electors 41892  
have satisfied the conditions prescribed in division (D)(1) of 41893  
section 3318.41 of the Revised Code, the commission shall enter 41894  
into an agreement with the school district board for the 41895  
construction and sale of the project. In either case, the 41896  
agreement shall include, but need not be limited to, the 41897  
following provisions: 41898

(A) The sale and issuance of bonds or notes in 41899  
anticipation thereof, as soon as practicable after the execution 41900  
of the agreement, in an amount equal to the school district's 41901  
portion of the basic project cost, including any securities 41902  
authorized under division (J) of section 133.06 of the Revised 41903  
Code and dedicated by the school district board to payment of 41904  
the district's portion of the basic project cost of the project; 41905  
provided, that if at that time the county treasurer of each 41906  
county in which the school district is located has not commenced 41907  
the collection of taxes on the general duplicate of real and 41908  
public utility property for the year in which the controlling 41909  
board approved the project, the school district board shall 41910  
authorize the issuance of a first installment of bond 41911  
anticipation notes in an amount specified by the agreement, 41912  
which amount shall not exceed an amount necessary to raise the 41913  
net bonded indebtedness of the school district as of the date of 41914  
the controlling board's approval to within five thousand dollars 41915  
of the required level of indebtedness for the preceding year. In 41916  
the event that a first installment of bond anticipation notes is 41917

issued, the school district board shall, as soon as practicable 41918  
after the county treasurer of each county in which the school 41919  
district is located has commenced the collection of taxes on the 41920  
general duplicate of real and public utility property for the 41921  
year in which the controlling board approved the project, 41922  
authorize the issuance of a second and final installment of bond 41923  
anticipation notes or a first and final issue of bonds. 41924

The combined value of the first and second installment of 41925  
bond anticipation notes or the value of the first and final 41926  
issue of bonds shall be equal to the school district's portion 41927  
of the basic project cost. The proceeds of any such bonds shall 41928  
be used first to retire any bond anticipation notes. Otherwise, 41929  
the proceeds of such bonds and of any bond anticipation notes, 41930  
except the premium and accrued interest thereon, shall be 41931  
deposited in the school district's project construction fund. In 41932  
determining the amount of net bonded indebtedness for the 41933  
purpose of fixing the amount of an issue of either bonds or bond 41934  
anticipation notes, gross indebtedness shall be reduced by 41935  
moneys in the bond retirement fund only to the extent of the 41936  
moneys therein on the first day of the year preceding the year 41937  
in which the controlling board approved the project. Should 41938  
there be a decrease in the tax valuation of the school district 41939  
so that the amount of indebtedness that can be incurred on the 41940  
tax duplicates for the year in which the controlling board 41941  
approved the project is less than the amount of the first 41942  
installment of bond anticipation notes, there shall be paid from 41943  
the school district's project construction fund to the school 41944  
district's bond retirement fund to be applied against such notes 41945  
an amount sufficient to cause the net bonded indebtedness of the 41946  
school district, as of the first day of the year following the 41947  
year in which the controlling board approved the project, to be 41948

within five thousand dollars of the required level of 41949  
indebtedness for the year in which the controlling board 41950  
approved the project. The maximum amount of indebtedness to be 41951  
incurred by any school district board as its share of the cost 41952  
of the project is either an amount that will cause its net 41953  
bonded indebtedness, as of the first day of the year following 41954  
the year in which the controlling board approved the project, to 41955  
be within five thousand dollars of the required level of 41956  
indebtedness, or an amount equal to the required percentage of 41957  
the basic project costs, whichever is greater. All bonds and 41958  
bond anticipation notes shall be issued in accordance with 41959  
Chapter 133. of the Revised Code, and notes may be renewed as 41960  
provided in section 133.22 of the Revised Code. 41961

(B) The transfer of such funds of the school district 41962  
board available for the project, together with the proceeds of 41963  
the sale of the bonds or notes, except premium, accrued 41964  
interest, and interest included in the amount of the issue, to 41965  
the school district's project construction fund; 41966

(C) For all school districts except joint vocational 41967  
school districts that receive assistance under sections 3318.40 41968  
to 3318.45 of the Revised Code, the following provisions as 41969  
applicable: 41970

(1) If section 3318.052 of the Revised Code applies, the 41971  
earmarking of the proceeds of a tax levied under section 5705.21 41972  
of the Revised Code for general permanent improvements or under 41973  
section 5705.218 of the Revised Code for the purpose of 41974  
permanent improvements, or the proceeds of a school district 41975  
income tax levied under Chapter 5748. of the Revised Code, or 41976  
the proceeds from a combination of those two taxes, in an amount 41977  
to pay all or part of the service charges on bonds issued to pay 41978

the school district portion of the project and an amount 41979  
equivalent to all or part of the tax required under division (B) 41980  
of section 3318.05 of the Revised Code; 41981

(2) If section 3318.052 of the Revised Code does not 41982  
apply, one of the following: 41983

(a) The levy of the tax authorized at the election for the 41984  
payment of maintenance costs, as specified in division (B) of 41985  
section 3318.05 of the Revised Code; 41986

(b) If the school district electors have approved a 41987  
continuing tax for general permanent improvements under section 41988  
5705.21 of the Revised Code and that tax can be used for 41989  
maintenance, the earmarking of an amount of the proceeds from 41990  
such tax for maintenance of classroom facilities as specified in 41991  
division (B) of section 3318.05 of the Revised Code; 41992

(c) If, in lieu of the tax otherwise required under 41993  
division (B) of section 3318.05 of the Revised Code, the 41994  
commission has approved the transfer of money to the maintenance 41995  
fund in accordance with section 3318.051 of the Revised Code, a 41996  
requirement that the district board comply with the provisions 41997  
of that section. The district board may rescind the provision 41998  
prescribed under division (C) (2) (c) of this section only so long 41999  
as the electors of the district have approved, in accordance 42000  
with section 3318.063 of the Revised Code, the levy of a tax for 42001  
the maintenance of the classroom facilities acquired under the 42002  
district's project and that levy continues to be collected as 42003  
approved by the electors. 42004

(D) For joint vocational school districts that receive 42005  
assistance under sections 3318.40 to 3318.45 of the Revised 42006  
Code, provision for deposit of school district moneys dedicated 42007

to maintenance of the classroom facilities acquired under those 42008  
sections as prescribed in section 3318.43 of the Revised Code; 42009

(E) Dedication of any local donated contribution as 42010  
provided for under section 3318.084 of the Revised Code, 42011  
including a schedule for depositing such moneys applied as an 42012  
offset of the district's obligation to levy the tax described in 42013  
division (B) of section 3318.05 of the Revised Code as required 42014  
under division (D) (2) of section 3318.084 of the Revised Code; 42015

(F) Ownership of or interest in the project during the 42016  
period of construction, which shall be divided between the 42017  
commission and the school district board in proportion to their 42018  
respective contributions to the school district's project 42019  
construction fund; 42020

(G) Maintenance of the state's interest in the project 42021  
until any obligations issued for the project under section 42022  
3318.26 of the Revised Code are no longer outstanding; 42023

(H) The insurance of the project by the school district 42024  
from the time there is an insurable interest therein and so long 42025  
as the state retains any ownership or interest in the project 42026  
pursuant to division (F) of this section, in such amounts and 42027  
against such risks as the commission shall require; provided, 42028  
that the cost of any required insurance until the project is 42029  
completed shall be a part of the basic project cost; 42030

(I) The certification by the director of budget and 42031  
management that funds are available and have been set aside to 42032  
meet the state's share of the basic project cost as approved by 42033  
the controlling board pursuant to either section 3318.04 or 42034  
division (B) (1) of section 3318.41 of the Revised Code; 42035

(J) Authorization of the school district board to 42036

advertise for and receive construction bids for the project, for 42037  
and on behalf of the commission, and to award contracts in the 42038  
name of the state subject to approval by the commission; 42039

(K) Provisions for the disbursement of moneys from the 42040  
school district's project account upon issuance by the 42041  
commission or the commission's designated representative of 42042  
vouchers for work done to be certified to the commission by the 42043  
treasurer of the school district board; 42044

(L) Disposal of any balance left in the school district's 42045  
project construction fund upon completion of the project; 42046

(M) Limitations upon use of the project or any part of it 42047  
so long as any obligations issued to finance the project under 42048  
section 3318.26 of the Revised Code are outstanding; 42049

(N) Provision for vesting the state's interest in the 42050  
project to the school district board when the obligations issued 42051  
to finance the project under section 3318.26 of the Revised Code 42052  
are outstanding; 42053

(O) Provision for deposit of an executed copy of the 42054  
agreement in the office of the commission; 42055

(P) Provision for termination of the contract and release 42056  
of the funds encumbered at the time of the conditional approval, 42057  
if the proceeds of the sale of the bonds of the school district 42058  
board are not paid into the school district's project 42059  
construction fund and if bids for the construction of the 42060  
project have not been taken within such period after the 42061  
execution of the agreement as may be fixed by the commission; 42062

(Q) A provision that requires the school district to 42063  
adhere to a facilities maintenance plan approved by the 42064  
commission; 42065

(R) Provision that all state funds reserved and encumbered 42066  
to pay the state share of the cost of the project and the funds 42067  
provided by the school district to pay for its share of the 42068  
project cost, including the respective shares of the cost of a 42069  
segment if the project is divided into segments, be spent on the 42070  
construction and acquisition of the project or segment 42071  
simultaneously in proportion to the state's and the school 42072  
district's respective shares of that basic project cost as 42073  
determined under section 3318.032 of the Revised Code or, if the 42074  
district is a joint vocational school district, under section 42075  
3318.42 of the Revised Code. However, if the school district 42076  
certifies to the commission that expenditure by the school 42077  
district is necessary to maintain the federal tax status or tax- 42078  
exempt status of notes or bonds issued by the school district to 42079  
pay for its share of the project cost or to comply with 42080  
applicable temporary investment periods or spending exceptions 42081  
to rebate as provided for under federal law in regard to those 42082  
notes or bonds, the school district may commit to spend, or 42083  
spend, a greater portion of the funds it provides during any 42084  
specific period than would otherwise be required under this 42085  
division. 42086

(S) A provision stipulating that the commission may 42087  
prohibit the district from proceeding with any project if the 42088  
commission determines that the site is not suitable for 42089  
construction purposes. The commission may perform soil tests in 42090  
its determination of whether a site is appropriate for 42091  
construction purposes. 42092

(T) A provision stipulating that, unless otherwise 42093  
authorized by the commission, any contingency reserve portion of 42094  
the construction budget prescribed by the commission shall be 42095  
used only to pay costs resulting from unforeseen job conditions, 42096

to comply with rulings regarding building and other codes, to 42097  
pay costs related to design clarifications or corrections to 42098  
contract documents, and to pay the costs of settlements or 42099  
judgments related to the project as provided under section 42100  
3318.086 of the Revised Code; 42101

(U) A provision stipulating that for continued release of 42102  
project funds the school district board shall comply with 42103  
sections 3313.41, 3313.411, and 3313.413 of the Revised Code 42104  
throughout the project and shall notify the department of 42105  
education and workforce and the Ohio community school 42106  
association when the board plans to dispose of facilities by 42107  
sale under that section; 42108

(V) A provision stipulating that the commission shall not 42109  
approve a contract for demolition of a facility until the school 42110  
district board has complied with sections 3313.41, 3313.411, and 42111  
3313.413 of the Revised Code relative to that facility, unless 42112  
demolition of that facility is to clear a site for construction 42113  
of a replacement facility included in the district's project. 42114

**Sec. 3318.084.** (A) Notwithstanding anything to the 42115  
contrary in Chapter 3318. of the Revised Code, a school district 42116  
board may apply any local donated contribution toward any of the 42117  
following: 42118

(1) The district's portion of the basic project cost of a 42119  
project under either sections 3318.01 to 3318.20 or sections 42120  
3318.40 to 3318.45 of the Revised Code to reduce the amount of 42121  
bonds the district otherwise must issue in order to receive 42122  
state assistance under those sections; 42123

(2) If the school district is not a joint vocational 42124  
school district proceeding under sections 3318.40 to 3318.45 of 42125

the Revised Code, an offset of all or part of a district's 42126  
obligation to levy the tax described in division (B) of section 42127  
3318.05 of the Revised Code, which shall be applied only in the 42128  
manner prescribed in division (B) of this section; 42129

(3) If the school district is a joint vocational school 42130  
district proceeding under sections 3318.40 to 3318.45 of the 42131  
Revised Code, all or part of the amount the school district is 42132  
obligated to set aside for maintenance of the classroom 42133  
facilities acquired under that project pursuant to section 42134  
3318.43 of the Revised Code. 42135

(B) No school district board shall apply any local donated 42136  
contribution under division (A) (2) of this section unless the 42137  
Ohio facilities construction commission first approves that 42138  
application. 42139

Upon the request of the school district board to apply 42140  
local donated contribution under division (A) (2) of this 42141  
section, the commission in consultation with the department of 42142  
taxation shall determine the amount of total revenue that likely 42143  
would be generated by one-half mill of the tax described in 42144  
division (B) of section 3318.05 of the Revised Code over the 42145  
entire twenty-three-year period required under that section and 42146  
shall deduct from that amount any amount of local donated 42147  
contribution that the board has committed to apply under 42148  
division (A) (2) of this section. The commission then shall 42149  
determine in consultation with the department of taxation the 42150  
rate of tax over twenty-three years necessary to generate the 42151  
amount of a one-half mill tax not offset by the local donated 42152  
contribution. Notwithstanding anything to the contrary in 42153  
section 3318.06, 3318.061, or 3318.361 of the Revised Code, the 42154  
rate determined by the commission shall be the rate for which 42155

the district board shall seek elector approval under those 42156  
sections to meet its obligation under division (B) of section 42157  
3318.05 of the Revised Code. In the case of a complete offset of 42158  
the district's obligation under division (B) of section 3318.05 42159  
of the Revised Code, the district shall not be required to levy 42160  
the tax otherwise required under that section. At the end of the 42161  
twenty-three-year period of the tax required under division (B) 42162  
of section 3318.05 of the Revised Code, whether or not the tax 42163  
is actually levied, the commission in consultation of the 42164  
department of taxation shall recalculate the amount that would 42165  
have been generated by the tax if it had been levied at one-half 42166  
mill. If the total amount actually generated over that period 42167  
from both the tax that was actually levied and any local donated 42168  
contribution applied under division (A) (2) of this section is 42169  
less than the amount that would have been raised by a one-half 42170  
mill tax, the district shall pay any difference. If the total 42171  
amount actually raised in such manner is greater than the amount 42172  
that would have been raised by a one-half mill tax the 42173  
difference shall be zero and no payments shall be made by either 42174  
the district or the commission. 42175

(C) As used in this section, "local donated contribution" 42176  
means any of the following: 42177

(1) Any moneys irrevocably donated or granted to a school 42178  
district board by a source other than the state which the board 42179  
has the authority to apply to the school district's project 42180  
under sections 3318.01 to 3318.20 of the Revised Code and which 42181  
the board has pledged for that purpose by resolution adopted by 42182  
a majority of its members; 42183

(2) Any irrevocable letter of credit issued on behalf of a 42184  
school district which the school district board has encumbered 42185

for payment of the school district's share of its project under 42186  
sections 3318.01 to 3318.20 of the Revised Code that has been 42187  
approved by the commission in consultation with the department 42188  
of education and workforce; 42189

(3) Any cash a school district has on hand that the school 42190  
district board has encumbered for payment of the school 42191  
district's share of its project under sections 3318.01 to 42192  
3318.20 of the Revised Code that has been approved by the 42193  
commission in consultation with the department ~~of education~~, 42194  
including the following: 42195

(a) Any year-end operating fund balances that can be spent 42196  
for classroom facilities; 42197

(b) Any cash resulting from a lease-purchase agreement 42198  
that the school district board has entered into under section 42199  
3313.375 of the Revised Code, provided that the agreement and 42200  
the related financing documents contain provisions protecting 42201  
the state's superior interest in the project. 42202

(4) Any moneys spent by a source other than the school 42203  
district or the state for construction or renovation of specific 42204  
classroom facilities that have been approved by the commission 42205  
as part of the basic project cost of the district's project. The 42206  
school district, the commission, and the entity providing the 42207  
local donated contribution under division (C) (4) of this section 42208  
shall enter into an agreement identifying the classroom 42209  
facilities to be acquired by the expenditures made by that 42210  
entity. The agreement shall include, but not be limited to, 42211  
stipulations that require an audit by the commission of such 42212  
expenditures made on behalf of the district and that specify the 42213  
maximum amount of credit to be allowed for those expenditures. 42214  
Upon completion of the construction or renovation, the 42215

commission shall determine the actual amount that the commission 42216  
will credit, at the request of the district board, toward the 42217  
district's portion of the basic project cost, any project cost 42218  
overruns, or the basic project cost of future segments if the 42219  
project has been divided into segments under section 3318.38 of 42220  
the Revised Code. The actual amount of the credit shall not 42221  
exceed the lesser of the amount specified in the agreement or 42222  
the actual cost of the construction or renovation. 42223

(D) No state moneys shall be released for a project to 42224  
which this section applies until: 42225

(1) Any local donated contribution authorized under 42226  
division (A) (1) of this section is first deposited into the 42227  
school district's project construction fund. 42228

(2) The school district board and the commission have 42229  
included a stipulation in their agreement entered into under 42230  
section 3318.08 of the Revised Code under which the board will 42231  
deposit into a fund approved by the commission according to a 42232  
schedule that does not extend beyond the anticipated completion 42233  
date of the project the total amount of any local donated 42234  
contribution authorized under division (A) (2) or (3) of this 42235  
section and dedicated by the board for that purpose. 42236

However, if any local donated contribution as described in 42237  
division (C) (4) of this section has been approved under this 42238  
section, the state moneys may be released even if the entity 42239  
providing that local donated contribution has not spent the 42240  
moneys so dedicated as long as the agreement required under that 42241  
section has been executed. 42242

**Sec. 3318.18.** (A) As used in this section: 42243

(1) "Valuation" of a school district means the sum of the 42244

amounts described in divisions (A) (1) and (2) of section 42245  
3317.021 of the Revised Code as most recently certified for the 42246  
district before the annual computation is made under division 42247  
(B) of this section. 42248

(2) "Valuation per pupil" of a school district means the 42249  
district's valuation divided by the district's formula ADM as 42250  
most recently calculated under section 3317.03 of the Revised 42251  
Code before the annual computation is made under division (B) of 42252  
this section. 42253

(3) "Statewide average valuation per pupil" means the 42254  
total of the valuations of all school districts divided by the 42255  
total of the formula ADMs of all school districts as most 42256  
recently calculated under section 3317.03 of the Revised Code 42257  
before the annual computation is made under division (C) of this 42258  
section. 42259

(4) "Maintenance levy requirement" means the tax required 42260  
to be levied pursuant to division (C) (2) (a) of section 3318.08 42261  
and division (B) of section 3318.05 of the Revised Code or the 42262  
application of proceeds of another levy to paying the costs of 42263  
maintaining classroom facilities pursuant to division (A) (2) of 42264  
section 3318.052, division (C) (1) or (C) (2) (b) of section 42265  
3318.08, or division (D) (2) of section 3318.36 of the Revised 42266  
Code, or a combination thereof. 42267

(5) "Project agreement" means an agreement between a 42268  
school district and the Ohio facilities construction commission 42269  
under section 3318.08 or division (B) (1) of section 3318.36 of 42270  
the Revised Code. 42271

~~(B) On or before July 1, 2006, the department of education 42272~~  
~~shall compute the statewide average valuation per pupil and the 42273~~

~~valuation per pupil of each school district, and provide them to~~ 42274  
~~the Ohio facilities construction commission.~~ On or before the 42275  
first day of July each year beginning in 2007, the department of 42276  
education and workforce shall compute the statewide average 42277  
valuation per pupil and the valuation per pupil of each school 42278  
district that has not already entered into a project agreement, 42279  
and provide the results of those computations to the commission. 42280

(C) (1) At the time the Ohio facilities construction 42281  
commission enters into a project agreement with a school 42282  
district, the commission shall compute the difference between 42283  
the district's valuation per pupil and the statewide average 42284  
valuation per pupil as most recently provided to the commission 42285  
under division (B) of this section. If the school district's 42286  
valuation per pupil is less than the average statewide valuation 42287  
per pupil, the commission shall multiply the difference between 42288  
those amounts by one-half mill times the formula ADM of the 42289  
district as most recently reported to the department ~~of~~ 42290  
~~education~~ for October under division (A) of section 3317.03 of 42291  
the Revised Code. The commission shall certify the resulting 42292  
product to the department ~~of education~~, along with the date on 42293  
which the maintenance levy requirement terminates as provided in 42294  
the project agreement between the school district board and the 42295  
commission. 42296

(2) In the case of a school district that entered into a 42297  
project agreement after July 1, 1997, but before July 1, 2006, 42298  
the commission shall make the computation described in division 42299  
(C) (1) of this section on the basis of the district's valuation 42300  
per pupil and the statewide average valuation per pupil computed 42301  
as of September 1, 2006, and the district's formula ADM reported 42302  
for October 2005. 42303

(3) The amount computed for a school district under 42304  
division (C) (1) or (2) of this section shall not change for the 42305  
period during which payments are made to the district under 42306  
division (D) of this section. 42307

(4) A computation need not be made under division (C) (1) 42308  
or (2) of this section for a school district that certified a 42309  
resolution to the commission under division (D) (3) of section 42310  
3318.36 of the Revised Code until the district becomes eligible 42311  
for state assistance as provided in that division. 42312

(D) In the fourth quarter of each fiscal year, for each 42313  
school district for which a computation has been made under 42314  
division (C) of this section, the department ~~of education~~ shall 42315  
pay the amount computed to each such school district. Payments 42316  
shall be made to a school district each year until and including 42317  
the tax year in which the district's maintenance levy 42318  
requirement terminates. Payments shall be paid from the half- 42319  
mill equalization fund, subject to appropriation by the general 42320  
assembly. However, the department shall make no payments under 42321  
this section to any district that elects the procedure 42322  
authorized by section 3318.051 of the Revised Code. 42323

(E) Payments made to a school district under this section 42324  
shall be credited to the district's classroom facilities 42325  
maintenance fund and shall be used only for the purpose of 42326  
maintaining facilities constructed or renovated under the 42327  
project agreement. 42328

(F) There is hereby created in the state treasury the 42329  
half-mill equalization fund. The fund shall receive transfers 42330  
pursuant to section 5727.85 of the Revised Code. The fund shall 42331  
be used first to make annual payments under division (D) of this 42332  
section. If a balance remains in the fund after such payments 42333

are made in full for a year, the Ohio facilities construction 42334  
commission may request the controlling board to transfer a 42335  
reasonable amount from such remaining balance to the public 42336  
school building fund created under section 3318.15 of the 42337  
Revised Code for the purposes of this chapter. 42338

All investment earnings arising from investment of money 42339  
in the half-mill equalization fund shall be credited to the 42340  
fund. 42341

**Sec. 3318.363.** (A) This section applies beginning in 42342  
fiscal year 2003 and only to a school district participating in 42343  
the school building assistance expedited local partnership 42344  
program under section 3318.36 of the Revised Code. 42345

(B) If there is a decrease in the tax valuation of a 42346  
school district to which this section applies by ten per cent or 42347  
greater from one tax year to the next due to a decrease in the 42348  
assessment rate of the taxable property of an electric company 42349  
that owns property in the district, as provided for in section 42350  
5727.111 of the Revised Code as amended by Am. Sub. S.B. 3 of 42351  
the 123rd General Assembly, the Ohio facilities construction 42352  
commission shall calculate or recalculate the state and school 42353  
district portions of the basic project cost of the school 42354  
district's project by determining the percentile rank in which 42355  
the district would be located if such ranking were made using 42356  
the adjusted valuation per pupil calculated under division (C) 42357  
of this section rather than the three-year average adjusted 42358  
valuation per pupil, calculated under division (B) of section 42359  
3318.011 of the Revised Code. For such district, the required 42360  
percentage of the basic project cost used to determine the state 42361  
and school district shares of that cost under division (C) of 42362  
section 3318.36 of the Revised Code shall be based on the 42363

percentile rank as calculated under this section rather than as 42364  
otherwise provided in division (C) (1) of section 3318.36 of the 42365  
Revised Code. If the commission has determined the state and 42366  
school district portion of the basic project cost of such a 42367  
district's project under section 3318.36 of the Revised Code 42368  
prior to that decrease in tax valuation, the commission shall 42369  
adjust the state and school district shares of the basic project 42370  
cost of such project in accordance with this section. 42371

(C) (1) As used in divisions (C) and (D) of this section, 42372  
"total taxable value" and "formula ADM" have the same meanings 42373  
as in section 3317.02 of the Revised Code, and "income factor" 42374  
has the same meaning as in section 3318.011 of the Revised Code. 42375

(2) The adjusted valuation per pupil for a school district 42376  
to which this section applies shall be calculated using the 42377  
following formula: 42378

(The district's total taxable value for the tax year 42379  
preceding the calendar year in which the current fiscal year 42380  
begins / the district's formula ADM for the previous fiscal 42381  
year) - [\$30,000 x (1 - the district's income factor)]. 42382

(D) At the request of the Ohio facilities construction 42383  
commission, the department of education and workforce shall 42384  
report a district's total taxable value for the tax year 42385  
preceding the calendar year in which the current fiscal year 42386  
begins for any district to which this section applies as that 42387  
information has been certified to the department by the tax 42388  
commissioner pursuant to section 3317.021 of the Revised Code. 42389

**Sec. 3318.42.** (A) Not later than the sixty-first day after 42390  
March 14, 2003, and subsequently not later than the sixty-first 42391  
day after the first day of each ensuing fiscal year, the 42392

department of education and workforce shall do all of the 42393  
following: 42394

(1) Calculate the valuation per pupil of each joint 42395  
vocational school district according to the following formula: 42396

The school district's average taxable value divided by the 42397  
school district's formula ADM calculated under section 3317.03 42398  
of the Revised Code for the previous fiscal year. For purposes 42399  
of this calculation: 42400

(a) "Average taxable value" means the average of the 42401  
amounts certified for a school district in the second, third, 42402  
and fourth preceding tax years under divisions (A) (1) and (2) of 42403  
section 3317.021 of the Revised Code. 42404

(b) "Formula ADM" has the same meaning as defined in 42405  
section 3317.02 of the Revised Code. 42406

(2) Calculate for each school district the three-year 42407  
average of the valuations per pupil calculated for the school 42408  
district for the current and two preceding fiscal years; 42409

(3) Rank all joint vocational school districts in order 42410  
from the school district with the lowest three-year average 42411  
valuation per pupil to the school district with the highest 42412  
three-year average valuation per pupil; 42413

(4) Divide the ranking under division (A) (3) of this 42414  
section into percentiles with the first percentile containing 42415  
the one per cent of school districts having the lowest three- 42416  
year average valuations per pupil and the one-hundredth 42417  
percentile containing the one per cent of school districts 42418  
having the highest three-year average valuations per pupil; 42419

(5) Certify the information described in divisions (A) (1) 42420

to (4) of this section to the Ohio facilities construction 42421  
commission. 42422

(B) The commission annually shall select school districts 42423  
for assistance under sections 3318.40 to 3318.45 of the Revised 42424  
Code in the order of the school districts' three-year average 42425  
valuations per pupil such that the school district with the 42426  
lowest three-year average valuation per pupil shall be given the 42427  
highest priority for assistance. 42428

(C) Each joint vocational school district's portion of the 42429  
basic project cost of the school district's project under 42430  
sections 3318.40 to 3318.45 of the Revised Code shall be one per 42431  
cent times the percentile in which the district ranks, except 42432  
that no school district's portion shall be less than twenty-five 42433  
per cent or greater than ninety-five per cent of the basic 42434  
project cost. 42435

**Sec. 3319.02.** (A) (1) As used in this section, "other 42436  
administrator" means any of the following: 42437

(a) Except as provided in division (A) (2) of this section, 42438  
any employee in a position for which a board of education 42439  
requires a license designated by rule of the ~~department~~state 42440  
board of education for being an administrator issued under 42441  
section 3319.22 of the Revised Code, including a professional 42442  
pupil services employee or administrative specialist or an 42443  
equivalent of either one who is not employed as a school 42444  
counselor and spends less than fifty per cent of the time 42445  
employed teaching or working with students; 42446

(b) Any nonlicensed employee whose job duties enable such 42447  
employee to be considered as either a "supervisor" or a 42448  
"management level employee," as defined in section 4117.01 of 42449

the Revised Code; 42450

(c) A business manager appointed under section 3319.03 of 42451  
the Revised Code. 42452

(2) As used in this section, "other administrator" does 42453  
not include a superintendent, assistant superintendent, 42454  
principal, or assistant principal. 42455

(B) The board of education of each school district and the 42456  
governing board of an educational service center may appoint one 42457  
or more assistant superintendents and such other administrators 42458  
as are necessary. An assistant educational service center 42459  
superintendent or service center supervisor employed on a part- 42460  
time basis may also be employed by a local board as a teacher. 42461  
The board of each city, exempted village, and local school 42462  
district shall employ principals for all high schools and for 42463  
such other schools as the board designates, and those boards may 42464  
appoint assistant principals for any school that they designate. 42465

(C) In educational service centers and in city, exempted 42466  
village, and local school districts, assistant superintendents, 42467  
principals, assistant principals, and other administrators shall 42468  
only be employed or reemployed in accordance with nominations of 42469  
the superintendent, except that a board of education of a school 42470  
district or the governing board of a service center, by a three- 42471  
fourths vote of its full membership, may reemploy any assistant 42472  
superintendent, principal, assistant principal, or other 42473  
administrator whom the superintendent refuses to nominate. 42474

The board of education or governing board shall execute a 42475  
written contract of employment with each assistant 42476  
superintendent, principal, assistant principal, and other 42477  
administrator it employs or reemploys. The term of such contract 42478

shall not exceed three years except that in the case of a person 42479  
who has been employed as an assistant superintendent, principal, 42480  
assistant principal, or other administrator in the district or 42481  
center for three years or more, the term of the contract shall 42482  
be for not more than five years and, unless the superintendent 42483  
of the district recommends otherwise, not less than two years. 42484  
If the superintendent so recommends, the term of the contract of 42485  
a person who has been employed by the district or service center 42486  
as an assistant superintendent, principal, assistant principal, 42487  
or other administrator for three years or more may be one year, 42488  
but all subsequent contracts granted such person shall be for a 42489  
term of not less than two years and not more than five years. 42490  
When a teacher with continuing service status becomes an 42491  
assistant superintendent, principal, assistant principal, or 42492  
other administrator with the district or service center with 42493  
which the teacher holds continuing service status, the teacher 42494  
retains such status in the teacher's nonadministrative position 42495  
as provided in sections 3311.77, 3319.08, and 3319.09 of the 42496  
Revised Code. 42497

A board of education or governing board may reemploy an 42498  
assistant superintendent, principal, assistant principal, or 42499  
other administrator at any regular or special meeting held 42500  
during the period beginning on the first day of January of the 42501  
calendar year immediately preceding the year of expiration of 42502  
the employment contract and ending on the first day of June of 42503  
the year the employment contract expires. 42504

Except by mutual agreement of the parties thereto, no 42505  
assistant superintendent, principal, assistant principal, or 42506  
other administrator shall be transferred during the life of a 42507  
contract to a position of lesser responsibility. No contract may 42508  
be terminated by a board except pursuant to section 3319.16 of 42509

the Revised Code. No contract may be suspended except pursuant 42510  
to section 3319.17 or 3319.171 of the Revised Code. The salaries 42511  
and compensation prescribed by such contracts shall not be 42512  
reduced by a board unless such reduction is a part of a uniform 42513  
plan affecting the entire district or center. The contract shall 42514  
specify the employee's administrative position and duties as 42515  
included in the job description adopted under division (D) of 42516  
this section, the salary and other compensation to be paid for 42517  
performance of duties, the number of days to be worked, the 42518  
number of days of vacation leave, if any, and any paid holidays 42519  
in the contractual year. 42520

An assistant superintendent, principal, assistant 42521  
principal, or other administrator is, at the expiration of the 42522  
current term of employment, deemed reemployed at the same salary 42523  
plus any increments that may be authorized by the board, unless 42524  
such employee notifies the board in writing to the contrary on 42525  
or before the fifteenth day of June, or unless such board, on or 42526  
before the first day of June of the year in which the contract 42527  
of employment expires, either reemploys such employee for a 42528  
succeeding term or gives written notice of its intention not to 42529  
reemploy the employee. The term of reemployment of a person 42530  
reemployed under this paragraph shall be one year, except that 42531  
if such person has been employed by the school district or 42532  
service center as an assistant superintendent, principal, 42533  
assistant principal, or other administrator for three years or 42534  
more, the term of reemployment shall be two years. 42535

(D) (1) Each board shall adopt procedures for the 42536  
evaluation of all assistant superintendents, principals, 42537  
assistant principals, and other administrators and shall 42538  
evaluate such employees in accordance with those procedures. The 42539  
procedures for the evaluation of principals and assistant 42540

principals shall be based on principles comparable to the 42541  
teacher evaluation policy adopted by the board under section 42542  
3319.111 of the Revised Code, but shall be tailored to the 42543  
duties and responsibilities of principals and assistant 42544  
principals and the environment in which they work. An evaluation 42545  
based upon procedures adopted under this division shall be 42546

update its standards-based framework for the evaluation of 43047  
teachers employed by those agencies. Each state agency that 43048

the ~~department~~ state board permit or require that the name or 43133

reported to the ~~department~~ state board under this division. 43135

(F) Notwithstanding any provision to the contrary in 43136  
Chapter 4117. of the Revised Code, the requirements of this 43137  
section prevail over any conflicting provision of a collective 43138  
bargaining agreement entered into on or after September 29, 43139  
2015. 43140

**Sec. 3319.143.** Notwithstanding section 3319.141 of the 43141  
Revised Code, the board of education of a city, exempted 43142  
village, local or joint vocational school district may adopt a 43143  
policy of assault leave by which an employee who is absent due 43144  
to physical disability resulting from an assault which occurs in 43145  
the course of board employment will be maintained on full pay 43146  
status during the period of such absence. A board of education 43147  
electing to effect such a policy of assault leave shall 43148  
establish rules for the entitlement, crediting, and use of 43149

assault leave and file a copy of same with the ~~state board-~~ 43150  
department of education and workforce. A board of education 43151  
adopting this policy shall require an employee to furnish a 43152  
signed statement on forms prescribed by such board to justify 43153  
the use of assault leave. If medical attention is required, a 43154  
certificate from a licensed physician stating the nature of the 43155  
disability and its duration shall be required before assault 43156  
leave can be approved for payment. Falsification of either a 43157  
signed statement or a physician's certificate is ground for 43158  
suspension or termination of employment under section 3311.82 or 43159  
3319.16 of the Revised Code. 43160

Assault leave granted under rules adopted by a board of 43161  
education pursuant to this section shall not be charged against 43162  
sick leave earned or earnable under section 3319.141 of the 43163  
Revised Code or leave granted under rules adopted by a board of 43164  
education pursuant to section 3311.77 or 3319.08 of the Revised 43165  
Code. This section shall be uniformly administered in those 43166  
districts where such policy is adopted. 43167

**Sec. 3319.151.** (A) As used in this section, "assessment" 43168  
means an assessment administered under section 3301.0711 of the 43169  
Revised Code. 43170

(B) No person shall do any of the following: 43171

(1) Reveal to any student any specific question that the 43172  
person knows is part of an assessment or in any other way assist 43173  
a pupil to cheat on an assessment; 43174

(2) Obtain prior knowledge of the contents of an 43175  
assessment; 43176

(3) Use prior knowledge of the contents of an assessment 43177  
to assist students in preparing for the assessment; 43178

(4) Fail to comply with any rule adopted by the department 43179  
of education and workforce regarding security protocols for an 43180  
assessment. 43181

(C) On a finding by the state board of education, after 43182  
investigation, that a school employee who holds a license, as 43183  
defined in section 3319.31 of the Revised Code, has violated 43184  
division (B) of this section, the state board shall take any 43185  
action against the employee under section 3319.31 of the Revised 43186  
Code that it considers appropriate, based on the nature and 43187  
extent of the violation. The state board shall give the employee 43188  
notice of the allegation upon commencing an investigation and 43189  
shall give the employee an opportunity to respond prior to 43190  
taking any disciplinary action. 43191

(D) (1) Violation of division (B) of this section is 43192  
grounds for termination of employment of a nonteaching employee 43193  
under division (C) of section 3319.081 or section 124.34 of the 43194  
Revised Code. 43195

(2) Violation of division (B) of this section is grounds 43196  
for termination of a teacher contract under section 3311.82 or 43197  
3319.16 of the Revised Code. 43198

**Sec. 3319.16.** The contract of any teacher employed by the 43199  
board of education of any city, exempted village, local, county, 43200  
or joint vocational school district may not be terminated except 43201  
for good and just cause. Notwithstanding any provision to the 43202  
contrary in Chapter 4117. of the Revised Code, the provisions of 43203  
this section relating to the grounds for termination of the 43204  
contract of a teacher prevail over any conflicting provisions of 43205  
a collective bargaining agreement entered into after ~~the~~ 43206  
~~effective date of this amendment~~ October 16, 2009. 43207

Before terminating any contract, the employing board shall 43208  
furnish the teacher a written notice signed by its treasurer of 43209  
its intention to consider the termination of the teacher's 43210  
contract with full specification of the grounds for such 43211  
consideration. The board shall not proceed with formal action to 43212  
terminate the contract until after the tenth day after receipt 43213  
of the notice by the teacher. Within ten days after receipt of 43214  
the notice from the treasurer of the board, the teacher may file 43215  
with the treasurer a written demand for a hearing before the 43216  
board or before a referee, and the board shall set a time for 43217  
the hearing which shall be within thirty days from the date of 43218  
receipt of the written demand, and the treasurer shall give the 43219  
teacher at least twenty days' notice in writing of the time and 43220  
place of the hearing. If a referee is demanded by either the 43221  
teacher or board, the treasurer also shall give twenty days' 43222  
notice to the ~~superintendent of public instruction~~ department of 43223  
education and workforce. No hearing shall be held during the 43224  
summer vacation without the teacher's consent. The hearing shall 43225  
be private unless the teacher requests a public hearing. The 43226  
hearing shall be conducted by a referee appointed pursuant to 43227  
section 3319.161 of the Revised Code, if demanded; otherwise, it 43228  
shall be conducted by a majority of the members of the board and 43229  
shall be confined to the grounds given for the termination. The 43230  
board shall provide for a complete stenographic record of the 43231  
proceedings, a copy of the record to be furnished to the 43232  
teacher. The board may suspend a teacher pending final action to 43233  
terminate the teacher's contract if, in its judgment, the 43234  
character of the charges warrants such action. 43235

Both parties may be present at such hearing, be 43236  
represented by counsel, require witnesses to be under oath, 43237  
cross-examine witnesses, take a record of the proceedings, and 43238

require the presence of witnesses in their behalf upon subpoena 43239  
to be issued by the treasurer of the board. In case of the 43240  
failure of any person to comply with a subpoena, a judge of the 43241  
court of common pleas of the county in which the person resides, 43242  
upon application of any interested party, shall compel 43243  
attendance of the person by attachment proceedings as for 43244  
contempt. Any member of the board or the referee may administer 43245  
oaths to witnesses. After a hearing by a referee, the referee 43246  
shall file a report within ten days after the termination of the 43247  
hearing. After consideration of the referee's report, the board, 43248  
by a majority vote, may accept or reject the referee's 43249  
recommendation on the termination of the teacher's contract. 43250  
After a hearing by the board, the board, by majority vote, may 43251  
enter its determination upon its minutes. Any order of 43252  
termination of a contract shall state the grounds for 43253  
termination. If the decision, after hearing, is against 43254  
termination of the contract, the charges and the record of the 43255  
hearing shall be physically expunged from the minutes, and, if 43256  
the teacher has suffered any loss of salary by reason of being 43257  
suspended, the teacher shall be paid the teacher's full salary 43258  
for the period of such suspension. 43259

Any teacher affected by an order of termination of 43260  
contract may appeal to the court of common pleas of the county 43261  
in which the school is located within thirty days after receipt 43262  
of notice of the entry of such order. The appeal shall be an 43263  
original action in the court and shall be commenced by the 43264  
filing of a complaint against the board, in which complaint the 43265  
facts shall be alleged upon which the teacher relies for a 43266  
reversal or modification of such order of termination of 43267  
contract. Upon service or waiver of summons in that appeal, the 43268  
board immediately shall transmit to the clerk of the court for 43269

filing a transcript of the original papers filed with the board, 43270  
a certified copy of the minutes of the board into which the 43271  
termination finding was entered, and a certified transcript of 43272  
all evidence adduced at the hearing or hearings before the board 43273  
or a certified transcript of all evidence adduced at the hearing 43274  
or hearings before the referee, whereupon the cause shall be at 43275  
issue without further pleading and shall be advanced and heard 43276  
without delay. The court shall examine the transcript and record 43277  
of the hearing and shall hold such additional hearings as it 43278  
considers advisable, at which it may consider other evidence in 43279  
addition to the transcript and record. 43280

Upon final hearing, the court shall grant or deny the 43281  
relief prayed for in the complaint as may be proper in 43282  
accordance with the evidence adduced in the hearing. Such an 43283  
action is a special proceeding, and either the teacher or the 43284  
board may appeal from the decision of the court of common pleas 43285  
pursuant to the Rules of Appellate Procedure and, to the extent 43286  
not in conflict with those rules, Chapter 2505. of the Revised 43287  
Code. 43288

In any court action, the board may utilize the services of 43289  
the prosecuting attorney, village solicitor, city director of 43290  
law, or other chief legal officer of a municipal corporation as 43291  
authorized by section 3313.35 of the Revised Code, or may employ 43292  
other legal counsel. 43293

A violation of division (A) (7) of section 2907.03 of the 43294  
Revised Code is grounds for termination of a teacher contract 43295  
under this section. 43296

**Sec. 3319.161.** For the purpose of providing referees for 43297  
the hearings required by section 3319.16 of the Revised Code, 43298  
the ~~superintendent of public instruction~~ department of education 43299

and workforce shall compile a list of resident electors from 43300  
names that the ~~superintendent~~ department shall solicit annually 43301  
from the state bar association. 43302

Upon receipt of notice that a referee has been demanded by 43303  
a teacher or by a board of education, the ~~superintendent of~~ 43304  
~~public instruction~~ department shall immediately designate three 43305  
persons from such list, from whom the referee to hear the matter 43306  
shall be chosen, and the ~~superintendent~~ department shall 43307  
immediately notify the designees, the teacher, and the board of 43308  
the school district involved. If within five days of receipt of 43309  
the notice, the teacher and board are unable to select a 43310  
mutually agreeable designee to serve as referee, the 43311  
~~superintendent of public instruction~~ department shall appoint 43312  
one of the three designees to serve as referee. The appointment 43313  
of the referee shall be entered in the minutes of the board. The 43314  
referee appointed shall be paid the referee's usual and 43315  
customary fee for attending the hearing which shall be paid from 43316  
the school district general fund upon vouchers approved by the 43317  
~~superintendent of public instruction~~ department and presented to 43318  
the treasurer of the district. No referee shall be a member of, 43319  
an employee of, or teacher employed by the board of education 43320  
nor related to any such person by consanguinity or marriage. 43321

**Sec. 3319.22.** (A) (1) The state board of education shall 43322  
issue the following educator licenses: 43323

(a) A resident educator license, which shall be valid for 43324  
two years and shall be renewable for reasons specified by rules 43325  
adopted by the state board pursuant to division (A) (3) of this 43326  
section. The state board, on a case-by-case basis, may extend 43327  
the license's duration as necessary to enable the license holder 43328  
to complete the Ohio teacher residency program established under 43329

section 3319.223 of the Revised Code; 43330

(b) A professional educator license, which shall be valid 43331

Not later than the effective date of the rules adopted under this section, the board of education of each school district shall establish the structure for one or more local professional development committees to be operated by such school district. prior to an anniversary of the date upon which the current 43475  
committee structure was established, the board provides notice 43476  
to all affected district employees that the committee structure 43477  
is to be modified. Professional development committees may have 43478  
a district-level or building-level scope of operations, and may 43479

with a district-level scope, the teacher members shall be 43490  
elected by majority vote of the classroom teachers of the 43491  
district, and the principal member shall be elected by a 43492

case the one or two principals employed shall serve on the 43495  
committee. If a committee has a particular grade or age level 43496  
scope, the teacher members shall be licensed to teach such grade 43497  
or age levels, and shall be elected by majority vote of the 43498

professional development committee, except in the case of 43503  
vacancies among the elected classroom teacher members, which 43504  
shall be filled by vote of the remaining members of the 43505

committee so selected. 43506

teachers employed by the district. Any member appointed to fill 43514  
a vacancy occurring prior to the expiration date of the term for 43515  
which a predecessor was appointed shall hold office as a member 43516  
for the remainder of that term. 43517

The initial meeting of any professional development 43518  
committee, upon election and appointment of all committee 43519  
members, shall be called by a member designated by the district 43520  
superintendent. At this initial meeting, the committee shall 43521  
select a chairperson and such other officers the committee deems 43522  
necessary, and shall adopt rules for the conduct of its 43523  
meetings. Thereafter, the committee shall meet at the call of 43524  
the chairperson or upon the filing of a petition with the 43525  
district superintendent signed by a majority of the committee 43526  
members calling for the committee to meet. 43527

(3) In the case of a school district in which an exclusive 43528  
representative has been established pursuant to Chapter 4117. of 43529  
the Revised Code, professional development committees shall be 43530  
established in accordance with any collective bargaining 43531  
agreement in effect in the district that includes provisions for 43532  
such committees. 43533

If the collective bargaining agreement does not specify a 43534  
different method for the selection of teacher members of the 43535

committees, the exclusive representative of the district's 43536  
teachers shall select the teacher members. 43537

If the collective bargaining agreement does not specify a 43538  
different structure for the committees, the board of education 43539  
of the school district shall establish the structure, including 43540  
the number of committees and the number of teacher and 43541  
administrative members on each committee; the specific 43542  
administrative members to be part of each committee; whether the 43543  
scope of the committees will be district levels, building 43544  
levels, or by type of grade or age levels for which educator 43545  
licenses are designated; the lengths of terms for members; the 43546  
manner of filling vacancies on the committees; and the frequency 43547  
and time and place of meetings. However, in all cases, except as 43548  
provided in division (F) (4) of this section, there shall be a 43549  
majority of teacher members of any professional development 43550  
committee, there shall be at least five total members of any 43551  
professional development committee, and the exclusive 43552  
representative shall designate replacement members in the case 43553  
of vacancies among teacher members, unless the collective 43554  
bargaining agreement specifies a different method of selecting 43555  
such replacements. 43556

(4) Whenever an administrator's coursework plan is being 43557  
discussed or voted upon, the local professional development 43558  
committee shall, at the request of one of its administrative 43559  
members, cause a majority of the committee to consist of 43560  
administrative members by reducing the number of teacher members 43561  
voting on the plan. 43562

(G) (1) The department of education and workforce, 43563  
educational service centers, county boards of developmental 43564  
disabilities, college and university departments of education, 43565

or in collaboration with a school district or other agency 43574  
having authority to establish them. 43575

Local professional development committees established by 43576

either section as it existed prior to October 16, 2009. All 43585

(E) (1) If a person described in division (A) (3) or (4) of 44193  
this section who is subject to a criminal records check fails to 44194  
submit fingerprints and written permission by the date specified 44195

of this section to the person, or if a person who is subject to 44198  
division (G) of this section fails to submit fingerprints and 44199  
written permission by the date prescribed under that division, 44200  
the superintendent shall prepare a written notice stating that 44201  
if the person does not submit the fingerprints and written 44202

The rejection or inactivation of a professional or 44226

of this section does not constitute a suspension or revocation 44228  
of the certificate or license by the state board under section 44229  
3319.31 of the Revised Code and the state board and the 44230  
superintendent of public instruction need not provide the person 44231

person shall not be subject to divisions (A) to (C) of this 44271  
section as long as the person's primary certificate, license, or 44272  
permit is valid. 44273

(3) If the certificates, licenses, or permits are of the same duration and expire in the same year and the person applies for renewal of the certificates, licenses, or permits at the same time, the state board or the superintendent of public instruction shall request only one criminal records check of the person under division (C) of this section.

a notification of the type described in division (B) (2) of this 45628

section shall set forth the information received by the 45652  
superintendent and shall inform the child and the child's 45653

custodian do not appear before the superintendent or a designee 45665  
on the scheduled date and at the scheduled time and place, or if 45666  
the child and the child's parent, guardian, or custodian appear 45667  
before the superintendent or a designee on the scheduled date 45668  
and at the scheduled time and place but the superintendent or a 45669

had been absent without legitimate excuse from the school the 45672  
child was supposed to attend for more than sixty consecutive 45673  
hours or for at least ninety total hours, the superintendent 45674  
shall notify the registrar of motor vehicles and the juvenile 45675  
judge of the county in which the district is located that the 45676  
child has been absent for that period of time and that the child 45677  
does not have any legitimate excuse for the habitual absence. A 45678  
notification to the registrar required by this division shall be 45679  
given in the manner the registrar by rule requires and a 45680  
notification to the juvenile judge required by this division 45681

before the superintendent or a designee to challenge the 45686  
information, within two weeks after the appearance. 45687

the Revised Code, or the fact that the child in question has  
received an age and schooling certificate in accordance with  
section 3331.01 of the Revised Code.

alcohol, a drug of abuse, or alcohol and a drug of abuse, the  
superintendent of schools of that district may notify the  
registrar and the juvenile judge of the county in which the  
district is located of such suspension or expulsion. Any such  
notification of suspension or expulsion shall be given to the  
registrar, in the manner the registrar by rule requires and  
shall be given to the juvenile judge in writing. The  
notifications shall be given within two weeks after the  
suspension or expulsion.

(4) Whenever a pupil is suspended, expelled, removed, or  
permanently excluded from a school for misconduct included in a  
policy that the board of education of a city, exempted village,

section 3313.661 of the Revised Code, and the misconduct  
involves a firearm or a knife or other weapon as defined in that  
policy, the superintendent of schools of that district shall  
notify the registrar and the juvenile judge of the county in  
which the district is located of the suspension, expulsion,  
removal, or permanent exclusion. The notification shall be given

to the registrar in the manner the registrar, by rule, requires 45719  
and shall be given to the juvenile judge in writing. The 45720  
notifications shall be given within two weeks after the 45721  
suspension, expulsion, removal, or permanent exclusion. 45722

(C) A notification of withdrawal, habitual absence without 45723  
legitimate excuse, suspension, or expulsion given to the 45724  
registrar or a juvenile judge under division (B) (1), (2), (3), 45725  
or (4) of this section shall contain the name, address, date of 45726  
birth, school, and school district of the child. If the 45727  
superintendent finds, after giving a notification of withdrawal, 45728  
habitual absence without legitimate excuse, suspension, or 45729  
expulsion to the registrar and the juvenile judge under division 45730  
(B) (1), (2), (3), or (4) of this section, that the notification 45731  
was given in error, the superintendent immediately shall notify 45732  
the registrar and the juvenile judge of that fact. 45733

school shall notify the child's parent, guardian, or custodian 45884

the time notice is given, the school also may take any 45887  
appropriate action as an intervention strategy contained in the 45888  
policy developed by the board pursuant to division (A) of this 45889  
section. 45890

(2) (a) If the absences of a student surpass the threshold 45891

Revised Code, the principal or chief administrator of the school 45893

satisfactory progress on, the intervention plan or an 45904  
alternative to adjudication under division (C)(2)(b) of section 45905

make reasonable efforts to provide the student's parent, 45908

and ask to have a student informally enrolled in any alternative 45914  
to adjudication described in division (G) of section 2151.27 of 45915  
the Revised Code. If the school district or school chooses to 45916  
have students informally enrolled in an alternative to 45917  
adjudication, the school district or school shall develop a 45918  
written policy regarding the use of, and selection process for, 45919  
offering alternatives to adjudication to ensure fairness. 45920

(c) The superintendent of each school district, or the 45921  
superintendent's designee, shall establish an absence 45922  
intervention team for the district to be used by any schools of 45923  
the district that do not establish their own absence 45924  
intervention team as permitted under division (C)(2)(d) of this 45925  
section. Membership of each absence intervention team may vary 45926  
based on the needs of each individual student but shall include 45927

may establish an absence intervention team or series of teams to 45937  
be used in lieu of the district team established pursuant to 45938

intervention team may vary based on the needs of each individual 45940  
student but shall include a representative from the child's 45941  
school district or school, another representative from the 45942  
child's school district or school who knows the child, and the 45943

the members of an absence intervention team within seven school 45953  
days of the triggering event described in division (C) (2) (a) of 45954  
this section. The superintendent, principal, or chief 45955  
administrator, within the same period of seven school days, 45956  
shall make at least three meaningful, good faith attempts to 45957  
secure the participation of the student's parent, guardian, 45958  
custodian, guardian ad litem, or temporary custodian on that 45959

team. If the student's parent responds to any of those attempts, 45960  
but is unable to participate for any reason, the representative 45961  
of the school district shall inform the parent of the parent's 45962  
right to appear by designee. If seven school days elapse and the 45963  
student's parent, guardian, custodian, guardian ad litem, or 45964  
temporary custodian fails to respond to the attempts to secure 45965  
participation, the school district or school shall do both of 45966  
the following: 45967

(i) Investigate whether the failure to respond triggers 45968  
mandatory reporting to the public children services agency for 45969  
the county in which the child resides in the manner described in 45970  
section 2151.421 of the Revised Code; 45971

(ii) Instruct the absence intervention team to develop an 45972  
intervention plan for the child notwithstanding the absence of 45973  
the child's parent, guardian, custodian, guardian ad litem, or 45974  
temporary custodian. 45975

(f) In the event that a student becomes habitually truant 45976  
within twenty-one school days prior to the last day of 45977  
instruction of a school year, the school district or school may, 45978  
in its discretion, assign one school official to work with the 45979  
child's parent, guardian, custodian, guardian ad litem, or 45980  
temporary custodian to develop an absence intervention plan 45981  
during the summer. If the school district or school selects this 45982  
method, the plan shall be implemented not later than seven days 45983  
prior to the first day of instruction of the next school year. 45984  
In the alternative, the school district or school may toll the 45985  
time periods to accommodate for the summer months and reconvene 45986  
the absence intervention process upon the first day of 45987  
instruction of the next school year. 45988

(3) For purposes of divisions (C) (2) (c) and (d) of this 45989

section, the ~~state board department~~ of education and workforce 45990

(4) When an absence intervention plan has been implemented 46013  
for a child under this section. 46014

governing body of an educational service center to develop other 46017  
policies related to truancy or to limit the duty or authority of 46018

least three years of age and less than twenty-two years of age, 46300  
including children with disabilities who have been suspended or 46301

public education. No school district, county board of 46303

developmental disabilities, or other educational agency shall 46304  
receive state or federal funds for special education and related 46305  
services unless those services for children with disabilities 46306

rules and standards adopted by the ~~state board department of~~ 46309  
~~education and workforce~~, and any procedures or guidelines issued 46310  
by the ~~superintendent of public instruction~~director of education 46311

ensuring that the requirements of Part B of IDEIA are met for 46326  
every eligible child in its jurisdiction, regardless of whether 46327  
services are provided by another school district, other 46328  
educational agency, or other agency, department, or entity, 46329  
unless IDEIA or related provisions of the Code of Federal 46330  
Regulations, another section of this chapter, or a rule adopted 46331  
by the ~~state board of education department~~ specifies that 46332  
another school district, other educational agency, or other 46333

The ~~superintendent of public instruction department~~ may 46344  
require any state or local agency to provide documentation that 46345  
special education and related services for children with 46346  
disabilities provided by the agency are in compliance with the 46347

program of excellence. The proposal shall demonstrate to the 48662  
satisfaction of the STEM committee that the program meets at 48663  
least the following standards: 48664

(1) Unless the program is designed to serve only students 48665  
identified as gifted under Chapter 3324. of the Revised Code, 48666  
the program will serve all students enrolled in the grades for 48667  
which the program is designed. 48668

(2) The program will provide students with the opportunity 48669  
to innovate, develop an entrepreneurial spirit, engage in 48670

inquiry, and collaborate with individual accountability. 48671

(3) The program will offer a rigorous, diverse, 48672

mathematics to foster creative thinking, problem-solving, and 48688  
new approaches to scientific invention. 48689

(4) The district, provider, or service center leadership 48690

more arts organizations. 48700

(7) The program has received commitments of sustained and 48701

comprehensive career-technical education provider, compact 48712  
career-technical education provider, or educational service 48713  
center receives a distinction as a STEM program of excellence 48714  
under this section, it shall maintain that distinction for five 48715  
years unless the STEM committee revokes the distinction during 48716  
that five-year period under division (E) of this section. At the 48717  
end of that five-year period, the district, provider, or service 48718  
center shall reapply to the STEM committee in order to maintain 48719  
that distinction. The committee shall authorize the continuation 48720  
of the district's, provider's, or service center's distinction 48721  
as a STEM program of excellence if the committee finds that the 48722  
district, provider, or service center is in compliance with this 48723  
chapter and the provisions of its proposal and any subsequent 48724  
amendments to that proposal. 48725

If a joint vocational school district, comprehensive 48726  
career-technical education provider, compact career-technical 48727  
education provider, or educational service center chooses not to 48728

reapply for a distinction for a STEM program of excellence under 48729  
division (C)(1) of this section, the committee shall revoke the 48730  
district's, provider's, or service center's distinction at the 48731

(2) If a joint vocational school district, comprehensive 48733  
career-technical education provider, compact career-technical 48734  
education provider, or educational service center reapplies for 48735  
distinction as a STEM program of excellence under division (C) 48736  
(1) of this section and the committee has reason to believe that 48737  
it is not in compliance with this chapter or the provisions of 48738  
its proposal and any subsequent amendments to that proposal, the 48739  
committee shall require the district, provider, or service 48740  
center, in collaboration with the department of education and 48741  
workforce and the Ohio STEM learning network or its successor, 48742  
to develop a corrective action plan. The district, provider, or 48743  
service center shall implement the corrective action plan and 48744

committee shall revoke the district's, provider's, or service 48749  
center's distinction. 48750

application status and designation renewal deadlines for each 48752  
joint vocational school district, comprehensive career-technical 48753  
education provider, compact career-technical education provider, 48754  
or educational service center that has received a distinction as 48755  
a STEM program of excellence under this section. 48756

(D) If the STEM committee has reason to believe that a 48757  
joint vocational school district, comprehensive career-technical 48758

education provider, compact career-technical education provider, 48759  
or educational service center that has received a distinction as 48760  
a STEM program of excellence under this section is not in 48761  
compliance with this chapter or the provisions of its proposal 48762  
and any subsequent amendments to that proposal, it may review 48763  
the district's, provider's, or service center's distinction 48764  
prior to the end of the five-year period during which that 48765  
distinction is effective. If the committee reviews a district's, 48766  
provider's, or service center's distinction under this division, 48767  
it must require the district, provider, or service center to 48768  
develop a corrective action plan in the same manner as specified 48769  
in division (C) (2) of this section and implement that plan and 48770  
demonstrate exemplary STEM pedagogy and practices within one 48771  
year of the plan's development. If the district, provider, or 48772  
service center fails to implement the corrective action plan to 48773  
the satisfaction of the committee at the end of that year, the 48774  
committee shall revoke the district's, provider's, or service 48775  
center's distinction. 48776

(E) If a joint vocational school district, comprehensive 48777  
career-technical education provider, compact career-technical 48778  
education provider, or educational service center that has 48779  
received distinction for a STEM program of excellence instead 48780  
wishes to receive a distinction for a STEAM program of 48781  
excellence, it may change its existing proposal to include the 48782  
items required under divisions (B) (3) (d), (B) (6), and (B) (7) of 48783

the case of a STEM school that is governed and controlled by a 48803  
school district in accordance with section 3326.51 of the 48804  
Revised Code, if the department finds that the school is not in 48805  
compliance with this chapter or with the proposal and the STEM 48806  
committee has revoked the school's STEM designation under 48807  
division (E) (1) or (2) or (F) of section 3326.03 of the Revised 48808

Any board of education of a city, local, or exempted 49453

property damage insurance, as provided in section 3327.09 of the 49456

recover expenses from contracting entities, not to exceed the 49459  
costs of operation and insurance coverage. 49460

**Sec. 3327.02.** (A) After considering each of the following 49461  
factors, the board of education of a city, exempted village, or 49462  
local school district, or a community school governing authority 49463  
providing transportation pursuant to section 3314.091 of the 49464  
Revised Code, may determine that it is impractical to transport 49465

a pupil who is eligible for transportation to and from a school	49466
under section 3327.01 of the Revised Code:	49467
(1) The time and distance required to provide the	49468
transportation;	49469
(2) The number of pupils to be transported;	49470
(3) The cost of providing transportation in terms of	49471
equipment, maintenance, personnel, and administration;	49472
(4) Whether similar or equivalent service is provided to	49473
other pupils eligible for transportation;	49474
(5) Whether and to what extent the additional service	49475
unavoidably disrupts current transportation schedules;	49476
(6) Whether other reimbursable types of transportation are	49477
available.	49478
(B) Based on its consideration of the factors established	49479
in division (A) of this section, the board or governing	49480
authority may pass a resolution declaring the impracticality of	49481
transportation. The resolution shall include each pupil's name	49482
and the reason for impracticality. Such determination shall be	49483
made not later than thirty calendar days prior to the district's	49484
or school's first day of instruction, or in the case of a	49485
student who enrolls within thirty calendar days prior to the	49486
first day of instruction or on or after the first day of	49487
instruction, not later than fourteen calendar days after the	49488
student's enrollment. The determination may be made by the	49489
superintendent and formalized at the next following meeting of	49490
the board or governing authority.	49491
The board or governing authority shall report its	49492
determination to the <del>state board</del> <u>department of education and</u>	49493

workforce in a manner determined by the ~~state board~~ department. 49494

In addition, the board or governing authority shall issue 49495  
a letter to the pupil's parent, guardian, or other person in 49496  
charge of the pupil, the nonpublic or community school in which 49497  
the pupil is enrolled, and to the ~~state board~~ department with a 49498  
detailed description of the reasons for which such determination 49499  
was made. 49500

(C) After passing the resolution declaring the 49501  
impracticality of transportation, the district board or 49502  
governing authority shall offer to provide payment in lieu of 49503  
transportation by doing the following: 49504

(1) In accordance with guidelines established by the 49505  
~~department of education~~, informing the pupil's parent, guardian, 49506  
or other person in charge of the pupil of both of the following: 49507

(a) The resolution; 49508

(b) The right of the pupil's parent, guardian, or other 49509  
person in charge of the pupil to accept the offer of payment in 49510  
lieu of transportation or to reject the offer and instead 49511  
request the department to initiate mediation procedures. 49512

(2) Issuing the pupil's parent, guardian, or other person 49513  
in charge of the pupil a contract or other form on which the 49514  
parent, guardian, or other person in charge of the pupil is 49515  
given the option to accept or reject the board's offer of 49516  
payment in lieu of transportation. 49517

(D) If the parent, guardian, or other person in charge of 49518  
the pupil accepts the offer of payment in lieu of providing 49519  
transportation, the board or governing authority shall pay the 49520  
parent, guardian, or other person in charge of the pupil an 49521  
amount that shall be not less than fifty per cent, and not more 49522

than the amount determined by the department ~~of education~~ as the 49523  
average cost of pupil transportation for the previous school 49524  
year. Payment may be prorated if the time period involved is 49525  
only a part of the school year. 49526

(E) (1) (a) Upon the request of a parent, guardian, or other 49527  
person in charge of the pupil who rejected the payment in lieu 49528  
of transportation, the department shall conduct mediation 49529  
procedures. A parent, guardian, or other person in charge of the 49530  
pupil may authorize the nonpublic or community school in which 49531  
the pupil is enrolled to act on the parent's, guardian's, or 49532  
other person's behalf during the mediation proceedings. 49533

(b) If the mediation does not resolve the dispute, the 49534  
~~state board department~~ shall conduct a hearing in accordance 49535  
with Chapter 119. of the Revised Code. The ~~state board~~ 49536  
~~department~~ may approve the payment in lieu of transportation or 49537  
may order the district board of education or governing authority 49538  
to provide transportation. The decision of the ~~state board~~ 49539  
~~department~~ is binding in subsequent years and on future parties 49540  
in interest provided the facts of the determination remain 49541  
comparable. 49542

(2) The school district or governing authority shall 49543  
provide transportation for the pupil from the time the parent, 49544  
guardian, or other person in charge of the pupil requests 49545  
mediation until the matter is resolved under division (E) (1) (a) 49546  
or (b) of this section. 49547

(F) (1) If the department determines that a school district 49548  
board or governing authority has failed or is failing to provide 49549  
transportation as required by division (E) (2) of this section or 49550  
as ordered by the ~~state board department~~ under division (E) (1) 49551  
(b) of this section, the department shall order the school 49552

district board or governing authority to pay to the pupil's 49553  
parent, guardian, or other person in charge of the pupil, an 49554  
amount equal to fifty per cent of the cost of providing 49555  
transportation as determined by the board or governing authority 49556  
under division (A) (3) of this section, and not more than two 49557  
thousand five hundred dollars. The school district board or 49558  
governing authority shall make payments on a schedule ordered by 49559  
the department. 49560

(2) If the department subsequently finds that a school 49561  
district board is not in compliance with an order issued under 49562  
division (F) (1) of this section and the affected pupils are 49563  
enrolled in a nonpublic or community school, the department 49564  
shall deduct the amount that the board is required to pay under 49565  
that order from any pupil transportation payments the department 49566  
makes to the school district board under section 3317.0212 of 49567  
the Revised Code or other provisions of law. The department 49568  
shall use the moneys so deducted to make payments to the 49569  
nonpublic or community school attended by the pupil. The 49570  
department shall continue to make the deductions and payments 49571  
required under this division until the school district board 49572  
either complies with the department's order issued under 49573  
division (F) (1) of this section or begins providing 49574  
transportation. 49575

(G) A nonpublic or community school that receives payments 49576  
from the department under division (F) (2) of this section shall 49577  
do either of the following: 49578

(1) Disburse the entire amount of the payments to the 49579  
parent, guardian, or other person in charge of the pupil 49580  
affected by the failure of the school district of residence to 49581  
provide transportation; 49582

(2) Use the entire amount of the payments to provide 49583  
acceptable transportation for the affected pupil. 49584

(H) At any time after a parent, guardian, or other person 49585  
in charge of a pupil requests transportation for a pupil, that 49586  
parent, guardian, or other person may authorize the nonpublic or 49587  
community school in which the pupil is enrolled to act on the 49588  
parent's, guardian's, or other person's behalf for purposes of 49589  
this section. 49590

**Sec. 3327.021.** The department of education and workforce 49591  
shall monitor each city, local, or exempted village school 49592  
district's compliance with sections 3327.01 and 3327.016 and 49593  
division (B) of section 3327.017 of the Revised Code. If the 49594  
department determines a consistent or prolonged period of 49595  
noncompliance on the part of the school district to provide 49596  
transportation as required under those sections, the department 49597  
shall deduct from the district's payment for student 49598  
transportation under Chapter 3317. of the Revised Code the total 49599  
daily amount of that payment, as computed by the department, for 49600  
each day that the district is not in compliance. 49601

This section does not affect the authority of a school 49602  
district to provide payment in lieu of transportation in 49603  
accordance with section 3327.02 of the Revised Code. 49604

**Sec. 3327.05.** (A) Except as provided in division (B) of 49605  
this section, no board of education of any school district shall 49606  
provide transportation for any pupil who is a school resident of 49607  
another school district unless the pupil is enrolled pursuant to 49608  
section 3313.98 of the Revised Code or the board of the other 49609  
district has given its written consent thereto. If the board of 49610  
any school district files with the ~~state board~~ department of 49611  
education and workforce a written complaint that transportation 49612

for resident pupils is being provided by the board of another 49613  
school district contrary to this division, the ~~state board of~~ 49614  
~~education department~~ shall make an investigation of such 49615  
complaint. If the ~~state board of education department~~ finds that 49616  
transportation is being provided contrary to this section, it 49617  
may withdraw from state funds due the offending district any 49618  
part of the amount that has been approved for transportation 49619  
pursuant to section 3317.0212 of the Revised Code or other 49620  
provisions of law. 49621

(B) Notwithstanding division (D) of section 3311.19 and 49622  
division (D) of section 3311.52 of the Revised Code, this 49623  
division does not apply to any joint vocational or cooperative 49624  
education school district. 49625

A board of education may provide transportation to and 49626  
from the nonpublic school of attendance if both of the following 49627  
apply: 49628

(1) The parent, guardian, or other person in charge of the 49629  
pupil agrees to pay the board for all costs incurred in 49630  
providing the transportation that are not reimbursed pursuant to 49631  
Chapter 3317. of the Revised Code; 49632

(2) The pupil's school district of residence does not 49633  
provide transportation for public school pupils of the same 49634  
grade as the pupil being transported under this division, or 49635  
that district is not required under section 3327.01 of the 49636  
Revised Code to transport the pupil to and from the nonpublic 49637  
school because the direct travel time to the nonpublic school is 49638  
more than thirty minutes. 49639

Upon receipt of the request to provide transportation, the 49640  
board shall review the request and determine whether the board 49641

will accommodate the request. If the board agrees to transport 49642  
the pupil, the board may transport the pupil to and from the 49643  
nonpublic school and a collection point in the district, as 49644  
determined by the board. If the board transports the pupil, the 49645  
board may include the pupil in the district's enrollment 49646  
reported to the department ~~of education~~ for purposes of 49647  
calculating the district's transportation ADM under section 49648  
3317.03 of the Revised Code and, accordingly, may receive a 49649  
state payment under section 3317.0212 of the Revised Code or 49650  
other provisions of law for transporting the pupil. 49651

If the board declines to transport the pupil, the board, 49652  
in a written communication to the parent, guardian, or other 49653  
person in charge of the pupil, shall state the reasons for 49654  
declining the request. 49655

service centers may purchase on individual contract school buses 49660  
and other equipment used in transporting children to and from 49661  
school and to other functions as authorized by the boards, or 49662

form of state assistance in the purchase of buses and equipment 49669  
by reason of purchases of buses and equipment on an individual 49670  
contract. 49671

The purchase of school buses shall be made only after 49672  
competitive bidding in accordance with section 3313.46 of the 49673  
Revised Code. All bids shall state that the buses, prior to 49674  
delivery, will comply with the safety rules of the department of 49675  
public safety adopted pursuant to section 4511.76 of the Revised 49676  
Code and all other pertinent provisions of law. 49677

At no time shall bid bonds be required for the purchase of 49678  
school buses, unless the district board or educational service 49679  
center governing board requests that bid bonds be part of the 49680  
competitive bidding process for a specified purchase. 49681

students remaining after the deduction of the federal funds 50425  
shall be paid by the department to the school from state funds 50426  
appropriated to the department. 50427

(2) Notwithstanding division (A) of this section, if, in 50428

any fiscal year, the department receives federal funds for the 50429  
purpose of supporting the operations of a college-preparatory 50430  
boarding school, the department shall use those federal funds, 50431  
not including any portion of those funds designated for 50432  
administration, to pay the school the total per-pupil boarding 50433  
amount for all enrolled students for that fiscal year. Any 50434  
portion of the total per-pupil boarding amount for all enrolled 50435  
students remaining after the use of the federal funds shall be 50436  
paid by the department to the school from state funds 50437

school, except that if the fiscal officer is employed by the 50468  
school's operator, the operator shall suspend the fiscal officer 50469  
for that period. Suspension of the fiscal officer may be with or 50470  
without pay, as determined by the entity imposing the suspension 50471  
based on the circumstances that prompted the auditor of state's 50472  
declaration. The entity imposing the suspension shall appoint a 50473  
person to assume the duties of the fiscal officer during the 50474  
period of the suspension. If the appointee is not licensed as a 50475

(3) The actions the board will take to ensure that the 50495  
plan described in division (C) (2) of this section is 50496

make reasonable efforts and continuing progress to bring its 50499  
accounts, records, files, or reports into an auditable condition 50500

or secondary school may require the student to return or pay for 52885  
any textbooks and materials it provided the student free of 52886  
charge. 52887

secondary school may require the student to return or pay for 52900  
any textbooks and materials it provided the student free of 52901  
charge. 52902

entered into on or after ~~the effective date of this amendment-~~ 55209  
September 29, 2015. 55210

Except for sections 306.08, 306.12, 306.35, and 4981.22 of 55211  
the Revised Code and arrangements entered into thereunder, and 55212  
section 4981.21 of the Revised Code as necessary to comply with 55213  
section 13(c) of the "Urban Mass Transportation Act of 1964," 87 55214  
Stat. 295, 49 U.S.C.A. 1609(c), as amended, and arrangements 55215  
entered into thereunder, this chapter prevails over any and all 55216  
other conflicting laws, resolutions, provisions, present or 55217  
future, except as otherwise specified in this chapter or as 55218

otherwise specified by the general assembly. Nothing in this 55219  
section prohibits or shall be construed to invalidate the 55220  
provisions of an agreement establishing supplemental workers' 55221  
compensation or unemployment compensation benefits or exceeding 55222  
minimum requirements contained in the Revised Code pertaining to 55223  
public education or the minimum standards promulgated by the 55224  
~~state board~~ director of education and workforce pursuant to 55225  
division (D) of section 3301.07 of the Revised Code. 55226

(B) The public employer shall submit a request for funds 55227  
necessary to implement an agreement and for approval of any 55228  
other matter requiring the approval of the appropriate 55229  
legislative body to the legislative body within fourteen days of 55230  
the date on which the parties finalize the agreement, unless 55231  
otherwise specified, but if the appropriate legislative body is 55232  
not in session at the time, then within fourteen days after it 55233  
convenes. The legislative body must approve or reject the 55234  
submission as a whole, and the submission is deemed approved if 55235  
the legislative body fails to act within thirty days after the 55236  
public employer submits the agreement. The parties may specify 55237  
that those provisions of the agreement not requiring action by a 55238  
legislative body are effective and operative in accordance with 55239  
the terms of the agreement, provided there has been compliance 55240  
with division (C) of this section. If the legislative body 55241  
rejects the submission of the public employer, either party may 55242  
reopen all or part of the entire agreement. 55243

As used in this section, "legislative body" includes the 55244  
governing board of a municipal corporation, school district, 55245  
college or university, village, township, or board of county 55246  
commissioners or any other body that has authority to approve 55247  
the budget of their public jurisdiction and, with regard to the 55248  
state, "legislative body" means the controlling board. 55249

(C) The chief executive officer, or the chief executive officer's representative, of each municipal corporation, the designated representative of the board of education of each school district, college or university, or any other body that has authority to approve the budget of their public jurisdiction, the designated representative of the board of county commissioners and of each elected officeholder of the county whose employees are covered by the collective negotiations, and the designated representative of the village or the board of township trustees of each township is responsible for negotiations in the collective bargaining process; except that the legislative body may accept or reject a proposed collective bargaining agreement. (D) There is hereby established an office of collective bargaining in the department of administrative services for the purpose of negotiating with and entering into written agreements between state agencies, departments, boards, and commissions and the exclusive representative on matters of wages, hours, terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of a collective bargaining agreement. Nothing in any provision of law to the contrary shall be interpreted as excluding the bureau of workers' compensation and the industrial commission from the preceding sentence. This office shall not negotiate on behalf of other statewide elected officials or boards of trustees of state institutions of higher education who shall be considered as

separate public employers for the purposes of this chapter; 55281  
however, the office may negotiate on behalf of these officials 55282  
or trustees where authorized by the officials or trustees. The 55283  
staff of the office of collective bargaining are in the 55284  
unclassified service. The director of administrative services 55285  
shall fix the compensation of the staff. 55286

(6) Prepare and submit an annual report and other reports 55300  
as requested to the governor and the general assembly on the 55301  
implementation of this chapter and its impact upon state 55302  
government. 55303

**Sec. 4117.102.** The state employment relations board shall 55304  
compile a list of the school districts in the state that have 55305

annually update the list to reflect, for each district, for the 55308

current fiscal year, the starting salary in the district for 55309  
teachers with no prior teaching experience who hold bachelors 55310  
degrees. The board shall send a copy of each annually updated 55311

executive, managerial, or manual in nature, and without regard 55446  
to whether such officer is a stockholder or a member of the 55447

during which the individual performs no services and with 56015  
respect to such week no remuneration is payable to the 56016  
individual. 56017

(N) An individual is "partially unemployed" in any week 56018  
if, due to involuntary loss of work, the total remuneration 56019  
payable to the individual for such week is less than the 56020  
individual's weekly benefit amount. 56021

(O) "Week" means the calendar week ending at midnight 56022  
Saturday unless an equivalent week of seven consecutive calendar 56023  
days is prescribed by the director. 56024

(1) "Qualifying week" means any calendar week in an 56025  
individual's base period with respect to which the individual 56026  
earns or is paid remuneration in employment subject to this 56027  
chapter. A calendar week with respect to which an individual 56028  
earns remuneration but for which payment was not made within the 56029  
base period, when necessary to qualify for benefit rights, may 56030  
be considered to be a qualifying week. The number of qualifying 56031  
weeks which may be established in a calendar quarter shall not 56032  
exceed the number of calendar weeks in the quarter. 56033

(2) "Average weekly wage" means the amount obtained by 56034  
dividing an individual's total remuneration for all qualifying 56035  
weeks during the base period by the number of such qualifying 56036

weeks, provided that if the computation results in an amount 56037  
that is not a multiple of one dollar, such amount shall be 56038  
rounded to the next lower multiple of one dollar. 56039

(P) "Weekly benefit amount" means the amount of benefits 56040  
an individual would be entitled to receive for one week of total 56041  
unemployment. 56042

(Q) (1) "Base period" means the first four of the last five 56043  
completed calendar quarters immediately preceding the first day 56044  
of an individual's benefit year, except as provided in division 56045  
(Q) (2) of this section. 56046

(2) If an individual does not have sufficient qualifying 56047  
weeks and wages in the base period to qualify for benefit 56048  
rights, the individual's base period shall be the four most 56049  
recently completed calendar quarters preceding the first day of 56050  
the individual's benefit year. Such base period shall be known 56051  
as the "alternate base period." If information as to weeks and 56052  
wages for the most recent quarter of the alternate base period 56053  
is not available to the director from the regular quarterly 56054  
reports of wage information, which are systematically 56055  
accessible, the director may, consistent with the provisions of 56056  
section 4141.28 of the Revised Code, base the determination of 56057  
eligibility for benefits on the affidavit of the claimant with 56058  
respect to weeks and wages for that calendar quarter. The 56059  
claimant shall furnish payroll documentation, where available, 56060  
in support of the affidavit. The determination based upon the 56061  
alternate base period as it relates to the claimant's benefit 56062  
rights, shall be amended when the quarterly report of wage 56063  
information from the employer is timely received and that 56064  
information causes a change in the determination. As provided in 56065  
division (B) of section 4141.28 of the Revised Code, any 56066

benefits paid and charged to an employer's account, based upon a 56067  
claimant's affidavit, shall be adjusted effective as of the 56068  
beginning of the claimant's benefit year. No calendar quarter in 56069  
a base period or alternate base period shall be used to 56070  
establish a subsequent benefit year. 56071

(3) The "base period" of a combined wage claim, as 56072  
described in division (H) of section 4141.43 of the Revised 56073  
Code, shall be the base period prescribed by the law of the 56074  
state in which the claim is allowed. 56075

(4) For purposes of determining the weeks that comprise a 56076  
completed calendar quarter under this division, only those weeks 56077  
ending at midnight Saturday within the calendar quarter shall be 56078  
utilized. 56079

(R)(1) "Benefit year" with respect to an individual means 56080  
the fifty-two week period beginning with the first day of that 56081  
week with respect to which the individual first files a valid 56082  
application for determination of benefit rights, and thereafter 56083  
the fifty-two week period beginning with the first day of that 56084  
week with respect to which the individual next files a valid 56085  
application for determination of benefit rights after the 56086  
termination of the individual's last preceding benefit year, 56087  
except that the application shall not be considered valid unless 56088  
the individual has had employment in six weeks that is subject 56089  
to this chapter or the unemployment compensation act of another 56090  
state, or the United States, and has, since the beginning of the 56091  
individual's previous benefit year, in the employment earned 56092  
three times the average weekly wage determined for the previous 56093  
benefit year. The "benefit year" of a combined wage claim, as 56094  
described in division (H) of section 4141.43 of the Revised 56095  
Code, shall be the benefit year prescribed by the law of the 56096

state in which the claim is allowed. Any application for 56097  
determination of benefit rights made in accordance with section 56098  
4141.28 of the Revised Code is valid if the individual filing 56099  
such application is unemployed, has been employed by an employer 56100  
or employers subject to this chapter in at least twenty 56101  
qualifying weeks within the individual's base period, and has 56102  
earned or been paid remuneration at an average weekly wage of 56103  
not less than twenty-seven and one-half per cent of the 56104  
statewide average weekly wage for such weeks. For purposes of 56105  
determining whether an individual has had sufficient employment 56106  
since the beginning of the individual's previous benefit year to 56107  
file a valid application, "employment" means the performance of 56108  
services for which remuneration is payable. 56109

(2) Effective for benefit years beginning on and after 56110  
December 26, 2004, but before July 1, 2022, any application for 56111  
determination of benefit rights made in accordance with section 56112  
4141.28 of the Revised Code is valid if the individual satisfies 56113  
the criteria described in division (R) (1) of this section, and 56114  
if the reason for the individual's separation from employment is 56115  
not disqualifying pursuant to division (D) (2) of section 4141.29 56116  
or section 4141.291 of the Revised Code. A disqualification 56117  
imposed pursuant to division (D) (2) of section 4141.29 or 56118  
section 4141.291 of the Revised Code must be removed as provided 56119  
in those sections as a requirement of establishing a valid 56120  
application for benefit years beginning on and after December 56121  
26, 2004, but before July 1, 2022. Effective for benefit years 56122  
beginning on and after July 1, 2022, any application for 56123  
determination of benefit rights made in accordance with section 56124  
4141.28 of the Revised Code is valid if the individual satisfies 56125  
the criteria described in division (R) (1) of this section. A 56126  
disqualification imposed pursuant to division (D) (2) of section 56127

4141.29 or section 4141.291 of the Revised Code does not affect 56128  
the validity of an application. 56129

(3) The statewide average weekly wage shall be calculated 56130  
by the director once a year based on the twelve-month period 56131  
ending the thirtieth day of June, as set forth in division (B) 56132  
(3) of section 4141.30 of the Revised Code, rounded down to the 56133  
nearest dollar. Increases or decreases in the amount of 56134  
remuneration required to have been earned or paid in order for 56135  
individuals to have filed valid applications shall become 56136  
effective on Sunday of the calendar week in which the first day 56137  
of January occurs that follows the twelve-month period ending 56138  
the thirtieth day of June upon which the calculation of the 56139  
statewide average weekly wage was based. 56140

(4) As used in this division, an individual is 56141  
"unemployed" if, with respect to the calendar week in which such 56142

to filing the application, the individual was separated from the 56145  
individual's most recent work for any reason which terminated 56146

indefinitely or for a definite period of seven or more days. 56148

31317. The rules shall establish requirements for the 56375  
qualification and testing of persons applying for a commercial 56376

department, or instrumentality of local government. Each party 56388  
authorized under this division to administer the skills test may 56389  
charge a maximum divisible fee of one hundred fifteen dollars 56390

license examination. The fee shall consist of not more than 56392  
twenty-seven dollars for the pre-trip inspection portion of the 56393  
test, not more than twenty-seven dollars for the off-road 56394  
maneuvering portion of the test, and not more than sixty-one 56395  
dollars for the on-road portion of the test. Each such party may 56396  
require an appointment fee in the same manner provided in 56397  
division (E)(2) of this section, except that the maximum amount 56398  
such a party may require as an appointment fee is one hundred 56399  
fifteen dollars. The skills test administered by another party 56400  
under this division shall be the same as otherwise would be 56401  
administered by this state. The other party shall enter into an 56402  
agreement with the director that, without limitation, does all 56403  
of the following: 56404

(1) Allows the director or the director's representative 56405  
and the federal motor carrier safety administration or its 56406

appointment. If the applicant appears at the time and location 56565

specified for the appointment and takes all the portions of the 56566

more, but not all, portions of the skills test and fails to 56570  
appear at the time and location specified for the appointment, 56571

to the time of the appointment time, the applicant shall not 56580  
forfeit the appointment fee. 56581

(3) The department of public safety shall deposit all fees 56582  
it collects under division (E) of this section in the public 56583  
safety - highway purposes fund established in section 4501.06 of 56584

training provider registry, that an applicant has completed the 56601  
required training under 49 C.F.R. 380, subpart F. 56602

(2) The training required under 49 C.F.R. 380, subpart F, 56603

driver's license training in this state but seeks a commercial 56612  
driver's license in another state where the person is domiciled 56613

state and shall pay the appropriate appointment fee. Upon the 56615  
person's completion of the skills test, this state shall 56616  
electronically transmit the applicant's results to the state 56617

district or in a district served by the educational service 56876  
center. 56877

(D) "Instructor" means any person, whether acting for self 56878  
as operator of a driver training school or for such a school for 56879

demonstrations to, or supervises practice of, persons learning 56881  
to operate or drive motor vehicles. 56882

(E) "Lead school district" means a school district, 56883  
including a joint vocational school district, designated by the 56884  
department of education and workforce as either a vocational 56885  
education planning district itself or as responsible for 56886  
providing primary vocational education leadership within a 56887

is a school district or group of school districts designated by 56890  
the department as responsible for planning and providing 56891  
vocational education services to students within the district or 56892  
group of districts. 56893

**Sec. 4511.21.** (A) No person shall operate a motor vehicle, 56894  
trackless trolley, or streetcar at a speed greater or less than 56895  
is reasonable or proper, having due regard to the traffic, 56896  
surface, and width of the street or highway and any other 56897  
conditions, and no person shall drive any motor vehicle, 56898  
trackless trolley, or streetcar in and upon any street or 56899  
highway at a greater speed than will permit the person to bring 56900  
it to a stop within the assured clear distance ahead. 56901

(B) It is prima-facie lawful, in the absence of a lower 56902  
limit declared or established pursuant to this section by the 56903  
director of transportation or local authorities, for the 56904  
operator of a motor vehicle, trackless trolley, or streetcar to 56905  
operate the same at a speed not exceeding the following: 56906

(1) (a) Twenty miles per hour in school zones during school 56907  
recess and while children are going to or leaving school during 56908  
the opening or closing hours, and when twenty miles per hour 56909  
school speed limit signs are erected; except that, on 56910  
controlled-access highways and expressways, if the right-of-way 56911  
line fence has been erected without pedestrian opening, the 56912  
speed shall be governed by division (B) (4) of this section and 56913  
on freeways, if the right-of-way line fence has been erected 56914  
without pedestrian opening, the speed shall be governed by 56915  
divisions (B) (10) and (11) of this section. The end of every 56916  
school zone may be marked by a sign indicating the end of the 56917

zone. Nothing in this section or in the manual and 56918  
specifications for a uniform system of traffic control devices 56919  
shall be construed to require school zones to be indicated by 56920  
signs equipped with flashing or other lights, or giving other 56921  
special notice of the hours in which the school zone speed limit 56922  
is in effect. 56923

(b) As used in this section and in section 4511.212 of the 56924  
Revised Code, "school" means all of the following: 56925

(i) Any school chartered under section 3301.16 of the 56926  
Revised Code; 56927

(ii) Any nonchartered school that during the preceding 56928  
year filed with the department of education and workforce in 56929  
compliance with rule 3301-35-08 of the Ohio Administrative Code, 56930  
a copy of the school's report for the parents of the school's 56931  
pupils certifying that the school meets Ohio minimum standards 56932  
for nonchartered, nontax-supported schools and presents evidence 56933  
of this filing to the jurisdiction from which it is requesting 56934  
the establishment of a school zone; 56935

(iii) Any special elementary school that in writing 56936  
requests the county engineer of the county in which the special 56937  
elementary school is located to create a school zone at the 56938  
location of that school. Upon receipt of such a written request, 56939  
the county engineer shall create a school zone at that location 56940  
by erecting the appropriate signs. 56941

(iv) Any preschool education program operated by an 56942  
educational service center that is located on a street or 56943  
highway with a speed limit of forty-five miles per hour or more, 56944  
when the educational service center in writing requests that the 56945  
county engineer of the county in which the program is located 56946

create a school zone at the location of that program. Upon 56947  
receipt of such a written request, the county engineer shall 56948  
create a school zone at that location by erecting the 56949  
appropriate signs. 56950

(c) As used in this section, "school zone" means that 56951  
portion of a street or highway passing a school fronting upon 56952  
the street or highway that is encompassed by projecting the 56953  
school property lines to the fronting street or highway, and 56954  
also includes that portion of a state highway. Upon request from 56955  
local authorities for streets and highways under their 56956  
jurisdiction and that portion of a state highway under the 56957  
jurisdiction of the director of transportation or a request from 56958  
a county engineer in the case of a school zone for a special 56959  
elementary school, the director may extend the traditional 56960  
school zone boundaries. The distances in divisions (B) (1) (c) (i), 56961  
(ii), and (iii) of this section shall not exceed three hundred 56962  
feet per approach per direction and are bounded by whichever of 56963  
the following distances or combinations thereof the director 56964  
approves as most appropriate: 56965

(i) The distance encompassed by projecting the school 56966  
building lines normal to the fronting highway and extending a 56967  
distance of three hundred feet on each approach direction; 56968

(ii) The distance encompassed by projecting the school 56969  
property lines intersecting the fronting highway and extending a 56970  
distance of three hundred feet on each approach direction; 56971

(iii) The distance encompassed by the special marking of 56972  
the pavement for a principal school pupil crosswalk plus a 56973  
distance of three hundred feet on each approach direction of the 56974  
highway. 56975

Nothing in this section shall be construed to invalidate 56976  
the director's initial action on August 9, 1976, establishing 56977  
all school zones at the traditional school zone boundaries 56978  
defined by projecting school property lines, except when those 56979  
boundaries are extended as provided in divisions (B) (1) (a) and 56980  
(c) of this section. 56981

(d) As used in this division, "crosswalk" has the meaning 56982  
given that term in division (LL) (2) of section 4511.01 of the 56983  
Revised Code. 56984

The director may, upon request by resolution of the 56985  
legislative authority of a municipal corporation, the board of 56986  
trustees of a township, or a county board of developmental 56987  
disabilities created pursuant to Chapter 5126. of the Revised 56988  
Code, and upon submission by the municipal corporation, 56989  
township, or county board of such engineering, traffic, and 56990  
other information as the director considers necessary, designate 56991  
a school zone on any portion of a state route lying within the 56992  
municipal corporation, lying within the unincorporated territory 56993  
of the township, or lying adjacent to the property of a school 56994  
that is operated by such county board, that includes a crosswalk 56995  
customarily used by children going to or leaving a school during 56996  
recess and opening and closing hours, whenever the distance, as 56997  
measured in a straight line, from the school property line 56998  
nearest the crosswalk to the nearest point of the crosswalk is 56999  
no more than one thousand three hundred twenty feet. Such a 57000  
school zone shall include the distance encompassed by the 57001  
crosswalk and extending three hundred feet on each approach 57002  
direction of the state route. 57003

(e) As used in this section, "special elementary school" 57004  
means a school that meets all of the following criteria: 57005

(i) It is not chartered and does not receive tax revenue from any source.	57006 57007
(ii) It does not educate children beyond the eighth grade.	57008
(iii) It is located outside the limits of a municipal corporation.	57009 57010
(iv) A majority of the total number of students enrolled at the school are not related by blood.	57011 57012
(v) The principal or other person in charge of the special elementary school annually sends a report to the superintendent of the school district in which the special elementary school is located indicating the total number of students enrolled at the school, but otherwise the principal or other person in charge does not report any other information or data to the superintendent.	57013 57014 57015 57016 57017 57018 57019
(2) Twenty-five miles per hour in all other portions of a municipal corporation, except on state routes outside business districts, through highways outside business districts, and alleys;	57020 57021 57022 57023
(3) Thirty-five miles per hour on all state routes or through highways within municipal corporations outside business districts, except as provided in divisions (B) (4) and (6) of this section;	57024 57025 57026 57027
(4) Fifty miles per hour on controlled-access highways and expressways within municipal corporations, except as provided in divisions (B) (12), (13), (14), (15), and (16) of this section;	57028 57029 57030
(5) Fifty-five miles per hour on highways outside municipal corporations, other than highways within island jurisdictions as provided in division (B) (8) of this section,	57031 57032 57033

highways as provided in divisions (B) (9) and (10) of this	57034
section, and highways, expressways, and freeways as provided in	57035
divisions (B) (12), (13), (14), and (16) of this section;	57036
(6) Fifty miles per hour on state routes within municipal	57037
corporations outside urban districts unless a lower prima-facie	57038
speed is established as further provided in this section;	57039
(7) Fifteen miles per hour on all alleys within the	57040
municipal corporation;	57041
(8) Thirty-five miles per hour on highways outside	57042
municipal corporations that are within an island jurisdiction;	57043
(9) Thirty-five miles per hour on through highways, except	57044
state routes, that are outside municipal corporations and that	57045
are within a national park with boundaries extending through two	57046
or more counties;	57047
(10) Sixty miles per hour on two-lane state routes outside	57048
municipal corporations as established by the director under	57049
division (H) (2) of this section;	57050
(11) Fifty-five miles per hour on freeways with paved	57051
shoulders inside municipal corporations, other than freeways as	57052
provided in divisions (B) (14) and (16) of this section;	57053
(12) Sixty miles per hour on rural expressways with	57054
traffic control signals and on all portions of rural divided	57055
highways, except as provided in divisions (B) (13) and (14) of	57056
this section;	57057
(13) Sixty-five miles per hour on all rural expressways	57058
without traffic control signals;	57059
(14) Seventy miles per hour on all rural freeways;	57060

(15) Fifty-five miles per hour on all portions of freeways 57061  
or expressways in congested areas as determined by the director 57062  
and that are located within a municipal corporation or within an 57063  
interstate freeway outerbelt, except as provided in division (B) 57064  
(16) of this section; 57065

(16) Sixty-five miles per hour on all portions of freeways 57066  
or expressways without traffic control signals in urbanized 57067  
areas. 57068

(C) It is prima-facie unlawful for any person to exceed 57069  
any of the speed limitations in divisions (B) (1) (a), (2), (3), 57070  
(4), (6), (7), (8), and (9) of this section, or any declared or 57071  
established pursuant to this section by the director or local 57072  
authorities and it is unlawful for any person to exceed any of 57073  
the speed limitations in division (D) of this section. No person 57074  
shall be convicted of more than one violation of this section 57075  
for the same conduct, although violations of more than one 57076  
provision of this section may be charged in the alternative in a 57077  
single affidavit. 57078

(D) No person shall operate a motor vehicle, trackless 57079  
trolley, or streetcar upon a street or highway as follows: 57080

(1) At a speed exceeding fifty-five miles per hour, except 57081  
upon a two-lane state route as provided in division (B) (10) of 57082  
this section and upon a highway, expressway, or freeway as 57083  
provided in divisions (B) (12), (13), (14), and (16) of this 57084  
section; 57085

(2) At a speed exceeding sixty miles per hour upon a two- 57086  
lane state route as provided in division (B) (10) of this section 57087  
and upon a highway as provided in division (B) (12) of this 57088  
section; 57089

(3) At a speed exceeding sixty-five miles per hour upon an expressway as provided in division (B) (13) or upon a freeway as provided in division (B) (16) of this section, except upon a freeway as provided in division (B) (14) of this section;

(4) At a speed exceeding seventy miles per hour upon a freeway as provided in division (B) (14) of this section;

(5) At a speed exceeding the posted speed limit upon a highway, expressway, or freeway for which the director has determined and declared a speed limit pursuant to division (I) (2) or (L) (2) of this section.

(E) In every charge of violation of this section the affidavit and warrant shall specify the time, place, and speed at which the defendant is alleged to have driven, and in charges made in reliance upon division (C) of this section also the speed which division (B) (1) (a), (2), (3), (4), (6), (7), (8), or (9) of, or a limit declared or established pursuant to, this section declares is prima-facie lawful at the time and place of such alleged violation, except that in affidavits where a person is alleged to have driven at a greater speed than will permit the person to bring the vehicle to a stop within the assured clear distance ahead the affidavit and warrant need not specify the speed at which the defendant is alleged to have driven.

(F) When a speed in excess of both a prima-facie limitation and a limitation in division (D) of this section is alleged, the defendant shall be charged in a single affidavit, alleging a single act, with a violation indicated of both division (B) (1) (a), (2), (3), (4), (6), (7), (8), or (9) of this section, or of a limit declared or established pursuant to this section by the director or local authorities, and of the limitation in division (D) of this section. If the court finds a

violation of division (B) (1) (a), (2), (3), (4), (6), (7), (8), 57120  
or (9) of, or a limit declared or established pursuant to, this 57121  
section has occurred, it shall enter a judgment of conviction 57122  
under such division and dismiss the charge under division (D) of 57123  
this section. If it finds no violation of division (B) (1) (a), 57124  
(2), (3), (4), (6), (7), (8), or (9) of, or a limit declared or 57125  
established pursuant to, this section, it shall then consider 57126  
whether the evidence supports a conviction under division (D) of 57127  
this section. 57128

(G) Points shall be assessed for violation of a limitation 57129  
under division (D) of this section in accordance with section 57130  
4510.036 of the Revised Code. 57131

(H) (1) Whenever the director determines upon the basis of 57132  
criteria established by an engineering study, as defined by the 57133  
director, that any speed limit set forth in divisions (B) (1) (a) 57134  
to (D) of this section is greater or less than is reasonable or 57135  
safe under the conditions found to exist at any portion of a 57136  
street or highway under the jurisdiction of the director, the 57137  
director shall determine and declare a reasonable and safe 57138  
prima-facie speed limit, which shall be effective when 57139  
appropriate signs giving notice of it are erected at the 57140  
location. 57141

(2) Whenever the director determines upon the basis of 57142  
criteria established by an engineering study, as defined by the 57143  
director, that the speed limit of fifty-five miles per hour on a 57144  
two-lane state route outside a municipal corporation is less 57145  
than is reasonable or safe under the conditions found to exist 57146  
at that portion of the state route, the director may determine 57147  
and declare a speed limit of sixty miles per hour for that 57148  
portion of the state route, which shall be effective when 57149

appropriate signs giving notice of it are erected at the 57150  
location. 57151

(3) (a) For purposes of the safe and orderly movement of 57152  
traffic upon any portion of a street or highway under the 57153  
jurisdiction of the director, the director may establish a 57154  
variable speed limit that is different than the speed limit 57155  
established by or under this section on all or portions of 57156  
interstate six hundred seventy, interstate two hundred seventy- 57157  
five, and interstate ninety commencing at the intersection of 57158  
that interstate with interstate seventy-one and continuing to 57159  
the border of the state of Ohio with the state of Pennsylvania. 57160  
The director shall establish criteria for determining the 57161  
appropriate use of variable speed limits and shall establish 57162  
variable speed limits in accordance with the criteria. The 57163  
director may establish variable speed limits based upon the time 57164  
of day, weather conditions, traffic incidents, or other factors 57165  
that affect the safe speed on a street or highway. The director 57166  
shall not establish a variable speed limit that is based on a 57167  
particular type or class of vehicle. A variable speed limit 57168  
established by the director under this section is effective when 57169  
appropriate signs giving notice of the speed limit are displayed 57170  
at the location. 57171

(b) Except for variable speed limits established under 57172  
division (H) (3) (a) of this section, the director shall establish 57173  
a variable speed limit under the authority granted to the 57174  
director by this section on not more than two additional 57175  
highways and only pursuant to criteria established in rules 57176  
adopted in accordance with Chapter 119. of the Revised Code. The 57177  
rules shall be based on the criteria described in division (H) 57178  
(3) (a) of this section. The rules also shall establish the 57179  
parameters of any engineering study necessary for determining 57180

when variable speed limits are appropriate. 57181

(4) Nothing in this section shall be construed to limit 57182  
the authority of the director to establish speed limits within a 57183  
construction zone as authorized under section 4511.98 of the 57184  
Revised Code. 57185

(I) (1) Except as provided in divisions (I) (2), (J), (K), 57186  
and (N) of this section, whenever local authorities determine 57187  
upon the basis of criteria established by an engineering study, 57188  
as defined by the director, that the speed permitted by 57189  
divisions (B) (1) (a) to (D) of this section, on any part of a 57190  
highway under their jurisdiction, is greater than is reasonable 57191  
and safe under the conditions found to exist at such location, 57192  
the local authorities may by resolution request the director to 57193  
determine and declare a reasonable and safe prima-facie speed 57194  
limit. Upon receipt of such request the director may determine 57195  
and declare a reasonable and safe prima-facie speed limit at 57196  
such location, and if the director does so, then such declared 57197  
speed limit shall become effective only when appropriate signs 57198  
giving notice thereof are erected at such location by the local 57199  
authorities. The director may withdraw the declaration of a 57200  
prima-facie speed limit whenever in the director's opinion the 57201  
altered prima-facie speed limit becomes unreasonable. Upon such 57202  
withdrawal, the declared prima-facie speed limit shall become 57203  
ineffective and the signs relating thereto shall be immediately 57204  
removed by the local authorities. 57205

(2) A local authority may determine on the basis of 57206  
criteria established by an engineering study, as defined by the 57207  
director, that the speed limit of sixty-five or seventy miles 57208  
per hour on a portion of a freeway under its jurisdiction is 57209  
greater than is reasonable or safe under the conditions found to 57210

exist at that portion of the freeway. If the local authority 57211  
makes such a determination, the local authority by resolution 57212  
may request the director to determine and declare a reasonable 57213  
and safe speed limit of not less than fifty-five miles per hour 57214  
for that portion of the freeway. If the director takes such 57215  
action, the declared speed limit becomes effective only when 57216  
appropriate signs giving notice of it are erected at such 57217  
location by the local authority. 57218

(J) Local authorities in their respective jurisdictions 57219  
may authorize by ordinance higher prima-facie speeds than those 57220  
stated in this section upon through highways, or upon highways 57221  
or portions thereof where there are no intersections, or between 57222  
widely spaced intersections, provided signs are erected giving 57223  
notice of the authorized speed, but local authorities shall not 57224  
modify or alter the basic rule set forth in division (A) of this 57225  
section or in any event authorize by ordinance a speed in excess 57226  
of the maximum speed permitted by division (D) of this section 57227  
for the specified type of highway. 57228

Alteration of prima-facie limits on state routes by local 57229  
authorities shall not be effective until the alteration has been 57230  
approved by the director. The director may withdraw approval of 57231  
any altered prima-facie speed limits whenever in the director's 57232  
opinion any altered prima-facie speed becomes unreasonable, and 57233  
upon such withdrawal, the altered prima-facie speed shall become 57234  
ineffective and the signs relating thereto shall be immediately 57235  
removed by the local authorities. 57236

(K) (1) As used in divisions (K) (1), (2), (3), and (4) of 57237  
this section, "unimproved highway" means a highway consisting of 57238  
any of the following: 57239

(a) Unimproved earth; 57240

(b) Unimproved graded and drained earth;	57241
(c) Gravel.	57242
(2) Except as otherwise provided in divisions (K) (4) and	57243
(5) of this section, whenever a board of township trustees	57244
determines upon the basis of criteria established by an	57245
engineering study, as defined by the director, that the speed	57246
permitted by division (B) (5) of this section on any part of an	57247
unimproved highway under its jurisdiction and in the	57248
unincorporated territory of the township is greater than is	57249
reasonable or safe under the conditions found to exist at the	57250
location, the board may by resolution declare a reasonable and	57251
safe prima-facie speed limit of fifty-five but not less than	57252
twenty-five miles per hour. An altered speed limit adopted by a	57253
board of township trustees under this division becomes effective	57254
when appropriate traffic control devices, as prescribed in	57255
section 4511.11 of the Revised Code, giving notice thereof are	57256
erected at the location, which shall be no sooner than sixty	57257
days after adoption of the resolution.	57258
(3) (a) Whenever, in the opinion of a board of township	57259
trustees, any altered prima-facie speed limit established by the	57260
board under this division becomes unreasonable, the board may	57261
adopt a resolution withdrawing the altered prima-facie speed	57262
limit. Upon the adoption of such a resolution, the altered	57263
prima-facie speed limit becomes ineffective and the traffic	57264
control devices relating thereto shall be immediately removed.	57265
(b) Whenever a highway ceases to be an unimproved highway	57266
and the board has adopted an altered prima-facie speed limit	57267
pursuant to division (K) (2) of this section, the board shall, by	57268
resolution, withdraw the altered prima-facie speed limit as soon	57269
as the highway ceases to be unimproved. Upon the adoption of	57270

such a resolution, the altered prima-facie speed limit becomes 57271  
ineffective and the traffic control devices relating thereto 57272  
shall be immediately removed. 57273

(4) (a) If the boundary of two townships rests on the 57274  
centerline of an unimproved highway in unincorporated territory 57275  
and both townships have jurisdiction over the highway, neither 57276  
of the boards of township trustees of such townships may declare 57277  
an altered prima-facie speed limit pursuant to division (K) (2) 57278  
of this section on the part of the highway under their joint 57279  
jurisdiction unless the boards of township trustees of both of 57280  
the townships determine, upon the basis of criteria established 57281  
by an engineering study, as defined by the director, that the 57282  
speed permitted by division (B) (5) of this section is greater 57283  
than is reasonable or safe under the conditions found to exist 57284  
at the location and both boards agree upon a reasonable and safe 57285  
prima-facie speed limit of less than fifty-five but not less 57286  
than twenty-five miles per hour for that location. If both 57287  
boards so agree, each shall follow the procedure specified in 57288  
division (K) (2) of this section for altering the prima-facie 57289  
speed limit on the highway. Except as otherwise provided in 57290  
division (K) (4) (b) of this section, no speed limit altered 57291  
pursuant to division (K) (4) (a) of this section may be withdrawn 57292  
unless the boards of township trustees of both townships 57293  
determine that the altered prima-facie speed limit previously 57294  
adopted becomes unreasonable and each board adopts a resolution 57295  
withdrawing the altered prima-facie speed limit pursuant to the 57296  
procedure specified in division (K) (3) (a) of this section. 57297

(b) Whenever a highway described in division (K) (4) (a) of 57298  
this section ceases to be an unimproved highway and two boards 57299  
of township trustees have adopted an altered prima-facie speed 57300  
limit pursuant to division (K) (4) (a) of this section, both 57301

boards shall, by resolution, withdraw the altered prima-facie 57302  
speed limit as soon as the highway ceases to be unimproved. Upon 57303  
the adoption of the resolution, the altered prima-facie speed 57304  
limit becomes ineffective and the traffic control devices 57305  
relating thereto shall be immediately removed. 57306

(5) As used in division (K) (5) of this section: 57307

(a) "Commercial subdivision" means any platted territory 57308  
outside the limits of a municipal corporation and fronting a 57309  
highway where, for a distance of three hundred feet or more, the 57310  
frontage is improved with buildings in use for commercial 57311  
purposes, or where the entire length of the highway is less than 57312  
three hundred feet long and the frontage is improved with 57313  
buildings in use for commercial purposes. 57314

(b) "Residential subdivision" means any platted territory 57315  
outside the limits of a municipal corporation and fronting a 57316  
highway, where, for a distance of three hundred feet or more, 57317  
the frontage is improved with residences or residences and 57318  
buildings in use for business, or where the entire length of the 57319  
highway is less than three hundred feet long and the frontage is 57320  
improved with residences or residences and buildings in use for 57321  
business. 57322

Whenever a board of township trustees finds upon the basis 57323  
of criteria established by an engineering study, as defined by 57324  
the director, that the prima-facie speed permitted by division 57325  
(B) (5) of this section on any part of a highway under its 57326  
jurisdiction that is located in a commercial or residential 57327  
subdivision, except on highways or portions thereof at the 57328  
entrances to which vehicular traffic from the majority of 57329  
intersecting highways is required to yield the right-of-way to 57330  
vehicles on such highways in obedience to stop or yield signs or 57331

traffic control signals, is greater than is reasonable and safe 57332  
under the conditions found to exist at the location, the board 57333  
may by resolution declare a reasonable and safe prima-facie 57334  
speed limit of less than fifty-five but not less than twenty- 57335  
five miles per hour at the location. An altered speed limit 57336  
adopted by a board of township trustees under this division 57337  
shall become effective when appropriate signs giving notice 57338  
thereof are erected at the location by the township. Whenever, 57339  
in the opinion of a board of township trustees, any altered 57340  
prima-facie speed limit established by it under this division 57341  
becomes unreasonable, it may adopt a resolution withdrawing the 57342  
altered prima-facie speed, and upon such withdrawal, the altered 57343  
prima-facie speed shall become ineffective, and the signs 57344  
relating thereto shall be immediately removed by the township. 57345

(L) (1) The director of transportation, based upon an 57346  
engineering study, as defined by the director, of a highway, 57347  
expressway, or freeway described in division (B) (12), (13), 57348  
(14), (15), or (16) of this section, in consultation with the 57349  
director of public safety and, if applicable, the local 57350  
authority having jurisdiction over the studied highway, 57351  
expressway, or freeway, may determine and declare that the speed 57352  
limit established on such highway, expressway, or freeway under 57353  
division (B) (12), (13), (14), (15), or (16) of this section 57354  
either is reasonable and safe or is more or less than that which 57355  
is reasonable and safe. 57356

(2) If the established speed limit for a highway, 57357  
expressway, or freeway studied pursuant to division (L) (1) of 57358  
this section is determined to be more or less than that which is 57359  
reasonable and safe, the director of transportation, in 57360  
consultation with the director of public safety and, if 57361  
applicable, the local authority having jurisdiction over the 57362

studied highway, expressway, or freeway, shall determine and 57363  
declare a reasonable and safe speed limit for that highway, 57364  
expressway, or freeway. 57365

(M) (1) (a) If the boundary of two local authorities rests 57366  
on the centerline of a highway and both authorities have 57367  
jurisdiction over the highway, the speed limit for the part of 57368  
the highway within their joint jurisdiction shall be either one 57369  
of the following as agreed to by both authorities: 57370

(i) Either prima-facie speed limit permitted by division 57371  
(B) of this section; 57372

(ii) An altered speed limit determined and posted in 57373  
accordance with this section. 57374

(b) If the local authorities are unable to reach an 57375  
agreement, the speed limit shall remain as established and 57376  
posted under this section. 57377

(2) Neither local authority may declare an altered prima- 57378  
facie speed limit pursuant to this section on the part of the 57379  
highway under their joint jurisdiction unless both of the local 57380  
authorities determine, upon the basis of criteria established by 57381  
an engineering study, as defined by the director, that the speed 57382  
permitted by this section is greater than is reasonable or safe 57383  
under the conditions found to exist at the location and both 57384  
authorities agree upon a uniform reasonable and safe prima-facie 57385  
speed limit of less than fifty-five but not less than twenty- 57386  
five miles per hour for that location. If both authorities so 57387  
agree, each shall follow the procedure specified in this section 57388  
for altering the prima-facie speed limit on the highway, and the 57389  
speed limit for the part of the highway within their joint 57390  
jurisdiction shall be uniformly altered. No altered speed limit 57391

may be withdrawn unless both local authorities determine that 57392  
the altered prima-facie speed limit previously adopted becomes 57393  
unreasonable and each adopts a resolution withdrawing the 57394  
altered prima-facie speed limit pursuant to the procedure 57395  
specified in this section. 57396

(N) The legislative authority of a municipal corporation 57397  
or township in which a boarding school is located, by resolution 57398  
or ordinance, may establish a boarding school zone. The 57399  
legislative authority may alter the speed limit on any street or 57400  
highway within the boarding school zone and shall specify the 57401  
hours during which the altered speed limit is in effect. For 57402  
purposes of determining the boundaries of the boarding school 57403  
zone, the altered speed limit within the boarding school zone, 57404  
and the hours the altered speed limit is in effect, the 57405  
legislative authority shall consult with the administration of 57406  
the boarding school and with the county engineer or other 57407  
appropriate engineer, as applicable. A boarding school zone 57408  
speed limit becomes effective only when appropriate signs giving 57409  
notice thereof are erected at the appropriate locations. 57410

(O) As used in this section: 57411

(1) "Interstate system" has the same meaning as in 23 57412  
U.S.C. 101. 57413

carrying more than nine passengers and used for the 57415  
transportation of persons for compensation. 57416

(3) "Noncommercial bus" includes but is not limited to a 57417  
school bus or a motor vehicle operated solely for the 57418

(5) "Rural" means an area outside urbanized areas and outside of a business or urban district, and areas that extend within urbanized areas where the roadway characteristics remain mostly unchanged from those outside the urbanized areas.

(6) "Urbanized area" has the same meaning as in 23 U.S.C. 101.

(7) "Divided" means a roadway having two or more travel lanes for vehicles moving in opposite directions and that is separated by a median of more than four feet, excluding turn lanes.

(P) (1) A violation of any provision of this section is one of the following:

(a) Except as otherwise provided in divisions (P) (1) (b), (1) (c), (2), and (3) of this section, a minor misdemeanor;

(b) If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to two violations of any provision of this section or of any provision of a municipal ordinance that is substantially similar to any provision of this section, a misdemeanor of the fourth degree;

Division (P) (2) of this section does not apply if penalties may be imposed under division (P) (1) (b) or (c) of this section.

(3) Notwithstanding division (P) (1) of this section, if the offender operated a motor vehicle in a construction zone where a sign was then posted in accordance with section 4511.98 of the Revised Code, the court, in addition to all other penalties provided by law, shall impose upon the offender a fine of two times the usual amount imposed for the violation. No court shall impose a fine of two times the usual amount imposed for the violation upon an offender if the offender alleges, in an affidavit filed with the court prior to the offender's sentencing, that the offender is indigent and is unable to pay the fine imposed pursuant to this division and if the court determines that the offender is an indigent person and unable to pay the fine.

(4) If the offender commits the offense while distracted and the distracting activity is a contributing factor to the commission of the offense, the offender is subject to the additional fine established under section 4511.991 of the Revised Code.

**Sec. 4511.75.** (A) The driver of a vehicle, streetcar, or trackless trolley upon meeting or overtaking from either direction any school bus stopped for the purpose of receiving or

discharging any school child, person attending programs offered 57480  
by community boards of mental health and county boards of 57481  
developmental disabilities, or child attending a program offered 57482  
by a head start agency, shall stop at least ten feet from the 57483  
front or rear of the school bus and shall not proceed until such 57484  
school bus resumes motion, or until signaled by the school bus 57485  
driver to proceed. 57486

It is no defense to a charge under this division that the 57487  
school bus involved failed to display or be equipped with an 57488  
automatically extended stop warning sign as required by division 57489  
(B) of this section. 57490

(B) Every school bus shall be equipped with amber and red 57491  
visual signals meeting the requirements of section 4511.771 of 57492  
the Revised Code, and an automatically extended stop warning 57493  
sign of a type approved by the ~~state board~~ department of 57494  
education and workforce, which shall be actuated by the driver 57495  
of the bus whenever but only whenever the bus is stopped or 57496  
stopping on the roadway for the purpose of receiving or 57497  
discharging school children, persons attending programs offered 57498  
by community boards of mental health and county boards of 57499  
developmental disabilities, or children attending programs 57500  
offered by head start agencies. A school bus driver shall not 57501  
actuate the visual signals or the stop warning sign in 57502  
designated school bus loading areas where the bus is entirely 57503  
off the roadway or at school buildings when children or persons 57504  
attending programs offered by community boards of mental health 57505  
and county boards of developmental disabilities are loading or 57506  
unloading at curbside or at buildings when children attending 57507  
programs offered by head start agencies are loading or unloading 57508  
at curbside. The visual signals and stop warning sign shall be 57509  
synchronized or otherwise operated as required by rule of the 57510

board. 57511

(C) Where a highway has been divided into four or more 57512  
traffic lanes, a driver of a vehicle, streetcar, or trackless 57513  
trolley need not stop for a school bus approaching from the 57514  
opposite direction which has stopped for the purpose of 57515  
receiving or discharging any school child, persons attending 57516  
programs offered by community boards of mental health and county 57517

who violates this section a class seven suspension of the 57545  
offender's driver's license, commercial driver's license, 57546  
temporary instruction permit, probationary license, or 57547

fee. 57628

(B) In order to take the required barber examination and 57629

eligible offender for placement in a program of that nature, the 59925  
department shall screen the offender and determine if the 59926  
offender is suited for the program of shock incarceration. If 59927  
the offender is suited for the program of shock incarceration, 59928

a period of post-release control described in division (B) (2) (b) 59954

**Sec. 5705.412.** (A) As used in this section, "qualifying 61587  
contract" means any agreement for the expenditure of money under 61588  
which aggregate payments from the funds included in the school 61589  
district's five-year forecast under section 5705.391 of the 61590

the current fiscal year to the district's general fund, as 61594  
specified in the district's most recent certificate of estimated 61595  
resources certified under section 5705.36 of the Revised Code. 61596

(B) (1) Notwithstanding section 5705.41 of the Revised 61597  
Code, no school district shall adopt any appropriation measure, 61598  
make any qualifying contract, or increase during any school year 61599  
any wage or salary schedule unless there is attached thereto a 61600  
certificate, signed as required by this section, that the school 61601  
district has in effect the authorization to levy taxes including 61602  
the renewal or replacement of existing levies which, when 61603  
combined with the estimated revenue from all other sources 61604  
available to the district at the time of certification, are 61605  
sufficient to provide the operating revenues necessary to enable 61606  
the district to maintain all personnel and programs for all the 61607  
days set forth in its adopted school calendars for the current 61608  
fiscal year and for a number of days in succeeding fiscal years 61609

equal to the number of days instruction was held or is scheduled 61610  
for the current fiscal year, as follows: 61611

(a) A certificate attached to an appropriation measure 61612  
under this section shall cover only the fiscal year in which the 61613  
appropriation measure is effective and shall not consider the 61614  
renewal or replacement of an existing levy as the authority to 61615  
levy taxes that are subject to appropriation in the current 61616  
fiscal year unless the renewal or replacement levy has been 61617  
approved by the electors and is subject to appropriation in the 61618  
current fiscal year. 61619

(b) A certificate attached, in accordance with this 61620  
section, to any qualifying contract shall cover the term of the 61621  
contract. 61622

(c) A certificate attached under this section to a wage or 61623  
salary schedule shall cover the term of the schedule. 61624

If the board of education has not adopted a school 61625  
calendar for the school year beginning on the first day of the 61626  
fiscal year in which a certificate is required, the certificate 61627  
attached to an appropriation measure shall include the number of 61628  
days on which instruction was held in the preceding fiscal year 61629  
and other certificates required under this section shall include 61630  
that number of days for the fiscal year in which the certificate 61631  
is required and any succeeding fiscal years that the certificate 61632  
must cover. 61633

The certificate shall be signed by the treasurer and 61634  
president of the board of education and the superintendent of 61635  
the school district, unless the district is in a state of fiscal 61636  
emergency declared under Chapter 3316. of the Revised Code. In 61637  
that case, the certificate shall be signed by a member of the 61638

district's financial planning and supervision commission who is 61639  
designated by the commission for this purpose. 61640

(2) In lieu of the certificate required under division (B) 61641  
of this section, an alternative certificate stating the 61642  
following may be attached: 61643

(a) The contract is a multi-year contract for materials, 61644  
equipment, or nonpayroll services essential to the education 61645  
program of the district; 61646

(b) The multi-year contract demonstrates savings over the 61647  
duration of the contract as compared to costs that otherwise 61648  
would have been demonstrated in a single year contract, and the 61649  
terms will allow the district to reduce the deficit it is 61650  
currently facing in future years as demonstrated in its five- 61651  
year forecast adopted in accordance with section 5705.391 of the 61652  
Revised Code. 61653

The certificate shall be signed by the treasurer and 61654  
president of the board of education and the superintendent of 61655  
the school district, unless the district is in a state of fiscal 61656  
emergency declared under Chapter 3316. of the Revised Code. In 61657  
that case, the certificate shall be signed by a member of the 61658  
district's financial planning and supervision commission who is 61659  
designated by the commission for this purpose. 61660

(C) Every qualifying contract made or wage or salary 61661  
schedule adopted or put into effect without such a certificate 61662  
shall be void, and no payment of any amount due thereon shall be 61663  
made. 61664

(D) The department of education and workforce and the 61665  
auditor of state jointly shall adopt rules governing the methods 61666  
by which treasurers, presidents of boards of education, 61667

superintendents, and members of financial planning and 61668  
supervision commissions shall estimate revenue and determine 61669  
whether such revenue is sufficient to provide necessary 61670  
operating revenue for the purpose of making certifications 61671  
required by this section. 61672

(E) The auditor of state shall be responsible for 61673  
determining whether school districts are in compliance with this 61674  
section. At the time a school district is audited pursuant to 61675  
section 117.11 of the Revised Code, the auditor of state shall 61676  
review each certificate issued under this section since the 61677  
district's last audit, and the appropriation measure, contract, 61678  
or wage and salary schedule to which such certificate was 61679  
attached. If the auditor of state determines that a school 61680  
district has not complied with this section with respect to any 61681  
qualifying contract or wage or salary schedule, the auditor of 61682  
state shall notify the prosecuting attorney for the county, the 61683  
city director of law, or other chief law officer of the school 61684  
district. That officer may file a civil action in any court of 61685  
appropriate jurisdiction to seek a declaration that the contract 61686  
or wage or salary schedule is void, to recover for the school 61687  
district from the payee the amount of payments already made 61688  
under it, or both, except that the officer shall not seek to 61689  
recover payments made under any collective bargaining agreement 61690  
entered into under Chapter 4117. of the Revised Code. If the 61691  
officer does not file such an action within one hundred twenty 61692  
days after receiving notice of noncompliance from the auditor of 61693  
state, any taxpayer may institute the action in the taxpayer's 61694  
own name on behalf of the school district. 61695

(F) This section does not apply to any contract or 61696  
increase in any wage or salary schedule that is necessary in 61697  
order to enable a board of education to comply with division (B) 61698

of section 3317.13 of the Revised Code, provided the contract or 61699  
increase does not exceed the amount required to be paid to be in 61700  
compliance with such division. 61701

(G) Any officer, employee, or other person who expends or 61702  
authorizes the expenditure of any public funds or authorizes or 61703  
executes any contract or schedule contrary to this section, 61704

school district for the full amount paid from the district's 61708  
funds on the contract or schedule. The officer, employee, or 61709  
other person is jointly and severally liable in person and upon 61710  
any official bond that the officer, employee, or other person 61711  
has given to the school district to the extent of any payments 61712  
on the void claim, not to exceed ten thousand dollars. However, 61713  
no officer, employee, or other person shall be liable for a 61714  
mistaken estimate of available resources made in good faith and 61715  
based upon reasonable grounds. If an officer, employee, or other 61716  
person is found to have complied with rules jointly adopted by 61717  
the department of education and workforce and the auditor of 61718  
state under this section governing methods by which revenue 61719  
shall be estimated and determined sufficient to provide 61720  
necessary operating revenue for the purpose of making 61721  
certifications required by this section, the officer, employee, 61722  
or other person shall not be liable under this section if the 61723  
estimates and determinations made according to those rules do 61724  
not, in fact, conform with actual revenue. The prosecuting 61725  
attorney of the county, the city director of law, or other chief 61726  
law officer of the district shall enforce this liability by 61727  
civil action brought in any court of appropriate jurisdiction in 61728  
the name of and on behalf of the school district. If the 61729

prosecuting attorney, city director of law, or other chief law officer of the district fails, upon the written request of any taxpayer, to institute action for the enforcement of the liability, the attorney general, or the taxpayer in the taxpayer's own name, may institute the action on behalf of the subdivision.

(2) In any school district in which there is no exclusive representative established under Chapter 4117. of the Revised Code, the professional development committees shall be established as described in division (F) (2) of this section.

Not later than the effective date of the rules adopted under this section, the board of education of each school district shall establish the structure for one or more local professional development committees to be operated by such school district. The committee structure so established by a

district board shall remain in effect unless within thirty days 63249  
prior to an anniversary of the date upon which the current 63250  
committee structure was established, the board provides notice 63251  
to all affected district employees that the committee structure 63252  
is to be modified. Professional development committees may have 63253  
a district-level or building-level scope of operations, and may 63254

at least three classroom teachers employed by the district, one 63258

classroom teachers assigned to that building. For committees 63264  
with a district-level scope, the teacher members shall be 63265

district, and the principal member shall be elected by a 63267

case the one or two principals employed shall serve on the 63270  
committee. If a committee has a particular grade or age level 63271  
scope, the teacher members shall be licensed to teach such grade 63272

vacancies among the elected classroom teacher members, which 63279

shall be filled by vote of the remaining members of the 63280  
committee so selected. 63281

for the remainder of that term. 63292

The initial meeting of any professional development 63293  
committee, upon election and appointment of all committee 63294  
members, shall be called by a member designated by the district 63295  
superintendent. At this initial meeting, the committee shall 63296  
select a chairperson and such other officers the committee deems 63297  
necessary, and shall adopt rules for the conduct of its 63298  
meetings. Thereafter, the committee shall meet at the call of 63299  
the chairperson or upon the filing of a petition with the 63300  
district superintendent signed by a majority of the committee 63301  
members calling for the committee to meet. 63302

(3) In the case of a school district in which an exclusive 63303  
representative has been established pursuant to Chapter 4117. of 63304  
the Revised Code, professional development committees shall be 63305  
established in accordance with any collective bargaining 63306  
agreement in effect in the district that includes provisions for 63307  
such committees. 63308

If the collective bargaining agreement does not specify a 63309

different method for the selection of teacher members of the 63310  
committees, the exclusive representative of the district's 63311  
teachers shall select the teacher members. 63312

If the collective bargaining agreement does not specify a 63313  
different structure for the committees, the board of education 63314  
of the school district shall establish the structure, including 63315  
the number of committees and the number of teacher and 63316  
administrative members on each committee; the specific 63317  
administrative members to be part of each committee; whether the 63318  
scope of the committees will be district levels, building 63319  
levels, or by type of grade or age levels for which educator 63320  
licenses are designated; the lengths of terms for members; the 63321  
manner of filling vacancies on the committees; and the frequency 63322  
and time and place of meetings. However, in all cases, except as 63323  
provided in division (F) (4) of this section, there shall be a 63324  
majority of teacher members of any professional development 63325  
committee, there shall be at least five total members of any 63326  
professional development committee, and the exclusive 63327  
representative shall designate replacement members in the case 63328  
of vacancies among teacher members, unless the collective 63329  
bargaining agreement specifies a different method of selecting 63330  
such replacements. 63331

(4) Whenever an administrator's coursework plan is being 63332  
discussed or voted upon, the local professional development 63333  
committee shall, at the request of one of its administrative 63334  
members, cause a majority of the committee to consist of 63335  
administrative members by reducing the number of teacher members 63336  
voting on the plan. 63337

(G) (1) The department of education and workforce, 63338  
educational service centers, county boards of developmental 63339

disabilities, college and university departments of education, 63340  
head start programs, and the Ohio education computer network may 63341  
establish local professional development committees to determine 63342  
whether the coursework proposed by their employees who are 63343  
licensed or certificated under this section or section 3319.222 63344

having authority to establish them. 63350

Local professional development committees established by 63351  
county boards of developmental disabilities shall be structured 63352  
in a manner comparable to the structures prescribed for school 63353  
districts in divisions (F) (2) and (3) of this section, as shall 63354

3319.222 of the Revised Code, or under the former version of 63359  
either section as it existed prior to October 16, 2009. All 63360  
other entities specified in division (G) (1) of this section 63361  
shall structure their committees in accordance with guidelines 63362  
which shall be issued by the ~~state board~~ department. 63363

(b) The individual is not currently employed as an 63379  
educator or is not currently employed by an entity that operates 63380

In considering a renewal of an individual's trainee 64400  
permit, the board shall not consider any conviction or plea of 64401  
guilty prior to the issuance of the initial trainee permit. 64402  
However, the board may consider a conviction or plea of guilty 64403

granted a full trainee permit. 64412

(C) Each trainee permit issued by the board expires one 64413

before the expiration date of such permit. The board shall issue 64417  
a renewed permit to each applicant upon receipt of a properly 64418  
completed application and payment of a renewal fee set by the 64419  
board in rules adopted under section 4747.04 of the Revised 64420
