less than one hundred twenty days per school year, or a person 123
who is employed on an as-needed, seasonal, or intermittent 124
basis. 125

Employees may use sick leave, upon approval of the 126
responsible administrative officer of the employing unit, for 127
absence due to personal illness, pregnancy, injury, exposure to 128
contagious disease that could be communicated to other 129
employees, and illness, injury, or death in the employee's 130
immediate family. Unused sick leave shall be cumulative without 131
limit. When sick leave is used, it shall be deducted from the 132
employee's credit on the basis of one hour for every one hour of 133
absence from previously scheduled work. 134

The previously accumulated sick leave of an employee who 135

has been separated from the public service shall be placed to 136
the employee's credit upon the employee's re-employment in the 137
public service, provided that the re-employment takes place 138

This section does not interfere with existing unused sick 165

leave credit in any agency of government where attendance 166
records are maintained and credit has been given employees for 167
unused sick leave. 168

Notwithstanding this section or any other section of the 169
Revised Code, any appointing authority of a county office, 170
department, commission, board, or body may, upon notification to 171

established an appropriate bargaining unit pursuant to section 175
4117.06 of the Revised Code, as long as the alternative 176
schedules are not inconsistent with the provisions of at least 177
one collective bargaining agreement covering other employees of 178
that appointing authority, if such a collective bargaining 179
agreement exists. If no such collective bargaining agreement 180
exists, an appointing authority may, upon notification to the 181
board of county commissioners, establish an alternative schedule 182
of sick leave for its employees that does not diminish the sick 183
leave benefits granted by this section. 184

Sec. 124.82. (A) Except as provided in division (D) of 185
this section, the department of administrative services, in 186
consultation with the superintendent of insurance, shall, in 187
accordance with competitive selection procedures of Chapter 125. 188
of the Revised Code, contract with an insurance company or a 189
health plan in combination with an insurance company, authorized 190
to do business in this state, for the issuance of a policy or 191

surgical benefits, or any combination of those benefits, 193
covering state employees who are paid directly by warrant of the 194

the plans sponsored by the department; 219

(4) The director of health examines and certifies to the 220
department that the quality and adequacy of care rendered by the 221

The amount, type, and structure of fringe benefits provided under this division is subject to the determination of the board of trustees of the jointly administered trust fund. Notwithstanding any other provision of the Revised Code, competitive bidding does not apply to the purchase of fringe benefits for employees under this division when those benefits are provided through a jointly administered trust fund.	237 238 239 240 241 242 243 244 245 246 247 248 249 250 251 252 253 254 255

(F) Members of state boards or commissions may be covered 256
by any policy, contract, or plan of benefits or services 257
described in division (A) or (B) of this section. Board or 258
commission members who are appointed for a fixed term and who 259
are compensated on a per meeting basis, or paid only for 260
expenses, or receive a combination of per diem payments and 261
expenses shall pay the entire amount of the premiums, costs, or 262
charges for that coverage. 263

Sec. 173.521. (A) The department of aging shall establish 264
a home first component of the PASSPORT program under which 265
eligible individuals may be enrolled in the medicaid-funded 266
component of the PASSPORT program in accordance with this 267
section. An individual is eligible for the PASSPORT program's 268
home first component if both of the following apply: 269

(1) The individual has been determined to be eligible for 270
the medicaid-funded component of the PASSPORT program. 271

(2) At least one of the following applies: 272

(a) The individual has been admitted to a nursing 273
facility. 274

(b) A physician, certified nurse-midwife if authorized as 275
described in section 4723.438 of the Revised Code, clinical 276
nurse specialist, or certified nurse practitioner has determined 277
and documented in writing that the individual has a medical 278
condition that, unless the individual is enrolled in home and 279
community-based services such as the PASSPORT program, will 280
require the individual to be admitted to a nursing facility 281
within thirty days of the physician's or nurse's determination. 282

(c) The individual has been hospitalized and a physician, 283
certified nurse-midwife if authorized as described in section 284

4723.438 of the Revised Code, clinical nurse specialist, or 285
certified nurse practitioner has determined and documented in 286
writing that, unless the individual is enrolled in home and 287

services as defined in section 5101.60 of the Revised Code. 297

(ii) A county department of job and family services and an 298

(B) Each month, each area agency on aging shall identify 303
individuals residing in the area that the agency serves who are 304
eligible for the home first component of the PASSPORT program. 305
When an area agency on aging identifies such an individual, the 306

individual and the individual would rather participate in the 314

PASSPORT program than continue or begin to reside in a nursing 315
facility, the administrator shall so notify the department of 316
aging. On receipt of the notice from the administrator, the 317
department shall approve the individual's enrollment in the 318
medicaid-funded component of the PASSPORT program regardless of 319
the unified waiting list established under section 173.55 of the 320
Revised Code, unless the enrollment would cause the component to 321
exceed any limit on the number of individuals who may be 322
enrolled in the component as set by the United States secretary 323
of health and human services in the PASSPORT waiver. 324

Sec. 173.542. (A) The department of aging shall establish 325
a home first component of the assisted living program under 326

assisted living program is appropriate for the individual and 379
the individual would rather participate in the assisted living 380
program than continue or begin to reside in a nursing facility, 381
the administrator shall so notify the department of aging. On 382
receipt of the notice from the administrator, the department 383
shall approve the individual's enrollment in the medicaid-funded 384
component of the assisted living program regardless of the 385
unified waiting list established under section 173.55 of the 386
Revised Code, unless the enrollment would cause the component to 387
exceed any limit on the number of individuals who may 388
participate in the component as set by the United States 389
secretary of health and human services in the assisted living 390
waiver. 391

Sec. 305.03. (A) (1) Whenever any county officer, except 392
the county auditor or county treasurer, fails to perform the 393
duties of office for ninety consecutive days, except in case of 394
sickness or injury as provided in divisions (B) and (C) of this 395
section, the office shall be deemed vacant. 396

(2) Whenever any county auditor or county treasurer fails 397
to perform the duties of office for thirty consecutive days, 398
except in case of sickness or injury as provided in divisions 399
(B) and (C) of this section, the office shall be deemed vacant. 400

(B) Whenever any county officer is absent because of 401
sickness or injury, the officer shall cause to be filed with the 402

board of county commissioners a ~~physician's~~ certificate from a 403
physician, certified nurse-midwife, clinical nurse specialist, 404
or certified nurse practitioner of the officer's sickness or 405
injury. If the certificate is not filed with the board within 406
ten days after the expiration of thirty consecutive days, in the 407
case of a county auditor or county treasurer, or within ten days 408
after the expiration of ninety consecutive days of absence, in 409
the case of all other county officers, the office shall be 410
deemed vacant. 411

(C) Whenever a county officer files a ~~physician's~~ 412
certificate under division (B) of this section, but continues to 413
be absent for an additional thirty days commencing immediately 414
after the last day on which this certificate may be filed under 415
division (B) of this section, the office shall be deemed vacant. 416

(D) If at any time two county commissioners in a county 417
are absent and have filed a ~~physician's~~ certificate under 418
division (B) of this section, the county coroner, in addition to 419

absent commissioners is deemed vacant under this section and the 423

be paid a per diem rate for the coroner's service as a 425
commissioner. That per diem rate shall be the annual salary 426
specified by law for a county commissioner of that county whose 427
term of office began in the same year as the coroner's term of 428
office began, divided by the number of days in the year. 429

While the coroner is serving as a county commissioner, the 430
coroner shall be considered an acting county commissioner and 431

is deemed vacant. Before assuming the office of acting county 435
commissioner, the coroner shall take an oath of office as 436
provided in sections 3.22 and 3.23 of the Revised Code. The 437
coroner's service as an acting county commissioner does not 438
constitute the holding of an incompatible public office or 439
employment in violation of any statutory or common law 440
prohibition against the simultaneous holding of more than one 441
public office or employment. 442

The coroner shall give a new bond in the same amount and 443
signed and approved as provided in section 305.04 of the Revised 444
Code. The bond shall be conditioned for the faithful discharge 445
of the coroner's duties as acting county commissioner and for 446
the payment of any loss or damage that the county may sustain by 447
reason of the coroner's failure in those duties. The bond, along 448
with the oath of office and approval of the probate judge 449
indorsed on it, shall be deposited and paid for as provided for 450
the bonds in section 305.04 of the Revised Code. 451

(E) Any vacancy declared under this section shall be 452
filled in the manner provided by section 305.02 of the Revised 453

juror fails to provide satisfactory documentation, the court may 2213
deny the request to be excused. 2214

commissioners of jurors. A person is excused from jury service 2224
permanently only when the deciding judge determines that the 2225
underlying grounds for being excused are of a permanent nature. 2226

(F) No person shall be exempted or excused from jury 2227
service or be granted a postponement of jury service by reason 2228
of any financial contribution to any public or private 2229
organization. 2230

(G) The commissioners shall keep a record of all 2231
proceedings before them or in their office, of all persons who 2232
are granted an excuse or postponement, and of the time of and 2233
reasons for each excuse. 2234

Sec. 2317.47. Whenever it is relevant in a civil or 2235
criminal action or proceeding to determine the paternity or 2236
identity of any person, the trial court on motion shall order 2237
any party to the action and any person involved in the 2238
controversy or proceeding to submit to one or more blood- 2239
grouping tests, to be made by qualified physicians, clinical 2240
nurse specialists, or certified nurse practitioners or other 2241
qualified persons, not to exceed three, to be selected by the 2242
court and under such restrictions or directions as the court or 2243
judge deems proper. In cases where exclusion is established, the 2244
results of the tests together with the findings of the experts 2245
of the fact of nonpaternity are receivable in evidence. Such 2246
experts shall be subject to cross-examination by both parties 2247
after the court has caused them to disclose their findings to 2248
the court or to the court and jury. Whenever the court orders 2249
such blood-grouping tests to be taken and one of the parties 2250
refuses to submit to such test, such fact shall be disclosed 2251
upon the trial unless good cause is shown to the contrary. The 2252

court shall determine how and by whom the costs of such 2253
examination shall be paid. 2254

Sec. 3101.05. (A) The parties to a marriage shall make an 2255
application for a marriage license. Each of the persons seeking 2256
a marriage license shall personally appear in the probate court 2257
within the county where either resides, or, if neither is a 2258
resident of this state, where the marriage is expected to be 2259
solemnized. If neither party is a resident of this state, the 2260
marriage may be solemnized only in the county where the license 2261
is obtained. Each party shall make application and shall state 2262
upon oath, the party's name, age, residence, place of birth, 2263
occupation, father's name, and mother's maiden name, if known, 2264
and the name of the person who is expected to solemnize the 2265
marriage. If either party has been previously married, the 2266
application shall include the names of the parties to any 2267
previous marriage and of any minor children, and if divorced the 2268
jurisdiction, date, and case number of the decree. If either 2269
applicant is the age of seventeen years, the judge shall require 2270
the applicants to state that they received marriage counseling 2271
satisfactory to the court. Except as otherwise provided in this 2272
division, the application also shall include each party's social 2273
security number. In lieu of requiring each party's social 2274
security number on the application, the court may obtain each 2275
party's social security number, retain the social security 2276
numbers in a separate record, and allow a number other than the 2277
social security number to be used on the application for 2278
reference purposes. If a court allows the use of a number other 2279
than the social security number to be used on the application 2280
for reference purposes, the record containing the social 2281
security number is not a public record, except that, in any of 2282
the circumstances set forth in divisions (C) (1) to (5) of 2283

section 3101.051 of the Revised Code, the record containing the 2284
social security number shall be made available for inspection 2285
under section 149.43 of the Revised Code. 2286

Immediately upon receipt of an application for a marriage 2287
license, the court shall place the parties' record in a book 2288
kept for that purpose. If the probate judge is satisfied that 2289
there is no legal impediment and if one or both of the parties 2290
are present, the probate judge shall grant the marriage license. 2291

If the judge is satisfied from the affidavit of a 2292
reputable physician, clinical nurse specialist, or certified 2293
nurse practitioner in active practice and residing in the county 2294
where the probate court is located, that one of the parties is 2295
unable to appear in court, by reason of illness or other 2296
physical disability, a marriage license may be granted upon 2297
application and oath of the other party to the contemplated 2298
marriage; but in that case the person who is unable to appear in 2299
court, at the time of making application for a marriage license, 2300
shall make and file in that court, an affidavit setting forth 2301
the information required of applicants for a marriage license. 2302

A probate judge may grant a marriage license under this 2303
section at any time after the application is made. 2304

A marriage license issued shall not display the social 2305
security number of either party to the marriage. 2306

Each person seeking a marriage license shall present 2307
documentary proof of age in the form of any one of the 2308
following: 2309

(1) A copy of a birth record; 2310

(2) A birth certificate issued by the department of 2311
health, a local registrar of vital statistics, or other public 2312

office charged with similar duties by the laws of another state,	2313
territory, or country;	2314
(3) A baptismal record showing the person's date of birth;	2315
(4) A passport;	2316
(5) A license or permit to operate a motor vehicle as	2317
defined under section 4501.01 of the Revised Code;	2318
(6) Any government- or school-issued identification card	2319
showing the person's date of birth;	2320
(7) An immigration record showing the person's date of	2321
birth;	2322
(8) A naturalization record showing the person's date of	2323
birth;	2324
(9) A court record or any other document or record issued	2325
by a governmental entity showing the person's date of birth.	2326
(B) An applicant for a marriage license who knowingly	2327
makes a false statement in an application or affidavit	2328
prescribed by this section is guilty of falsification under	2329
section 2921.13 of the Revised Code.	2330
(C) No licensing officer shall issue a marriage license if	2331
the officer has not received the application, affidavit, or	2332
other statements prescribed by this section or if the officer	2333
has reason to believe that any of the statements in a marriage	2334
license application or in an affidavit prescribed by this	2335
section are false.	2336
(D) Any fine collected for violation of this section shall	2337
be paid to the use of the county together with the costs of	2338
prosecution.	2339

Sec. 3105.091. (A) At any time after thirty days from the 2340
service of summons or first publication of notice in an action 2341
for divorce, annulment, or legal separation, or at any time 2342
after the filing of a petition for dissolution of marriage, the 2343
court of common pleas, upon its own motion or the motion of one 2344
of the parties, may order the parties to undergo conciliation 2345
for the period of time not exceeding ninety days as the court 2346
specifies, and, if children are involved in the proceeding, the 2347
court may order the parties to take part in family counseling 2348
during the course of the proceeding or for any reasonable period 2349
of time as directed by the court. An order requiring 2350
conciliation shall set forth the conciliation procedure and name 2351
the conciliator. The conciliation procedures may include without 2352
limitation referrals to the conciliation judge as provided in 2353
Chapter 3117. of the Revised Code, public or private marriage 2354
counselors, family service agencies, community health services, 2355
physicians, certified nurse-midwives, clinical nurse 2356
specialists, certified nurse practitioners, licensed 2357
psychologists, or ~~clergymen~~ members of the clergy. The court, in 2358
its order requiring the parties to undergo family counseling, 2359
may name the counselor and shall set forth the required type of 2360
counseling, the length of time for the counseling, and any other 2361
specific conditions required by it. The court shall direct and 2362
order the manner in which the costs of any conciliation 2363
procedures and of any family counseling are to be paid. 2364

(B) No action for divorce, annulment, or legal separation, 2365
in which conciliation or family counseling has been ordered, 2366
shall be heard or decided until the conciliation or family 2367
counseling has concluded and been reported to the court. 2368

Sec. 3111.12. (A) In an action under sections 3111.01 to 2369
3111.18 of the Revised Code, the mother of the child and the 2370

alleged father are competent to testify and may be compelled to 2371
testify by subpoena. If a witness refuses to testify upon the 2372
ground that the testimony or evidence of the witness might tend 2373
to incriminate the witness and the court compels the witness to 2374
testify, the court may grant the witness immunity from having 2375
the testimony of the witness used against the witness in 2376
subsequent criminal proceedings. 2377

(B) Testimony of a physician or certified nurse-midwife 2378
concerning the medical circumstances of the mother's pregnancy 2379
and the condition and characteristics of the child upon birth is 2380
not privileged. 2381

(C) Testimony relating to sexual access to the mother by a 2382
man at a time other than the probable time of conception of the 2383
child is inadmissible in evidence, unless offered by the mother. 2384

(D) If, pursuant to section 3111.09 of the Revised Code, a 2385
court orders genetic tests to be conducted, orders disclosure of 2386
information regarding a DNA record stored in the DNA database 2387
pursuant to section 109.573 of the Revised Code, or intends to 2388
use a report of genetic test results obtained from tests 2389
conducted pursuant to former section 3111.21 or 3111.22 or 2390
sections 3111.38 to 3111.54 of the Revised Code, a party may 2391
object to the admission into evidence of any of the genetic test 2392
results or of the DNA record information by filing a written 2393
objection with the court that ordered the tests or disclosure or 2394
intends to use a report of genetic test results. The party shall 2395
file the written objection with the court no later than fourteen 2396
days after the report of the test results or the DNA record 2397
information is mailed to the attorney of record of a party or to 2398
a party. The party making the objection shall send a copy of the 2399
objection to all parties. 2400

If a party files a written objection, the report of the 2401
test results or the DNA record information shall be admissible 2402
into evidence as provided by the Rules of Evidence. If a written 2403
objection is not filed, the report of the test results or the 2404
DNA record information shall be admissible into evidence without 2405
the need for foundation testimony or other proof of authenticity 2406
or accuracy. 2407

(E) If a party intends to introduce into evidence invoices 2408
or other documents showing amounts expended to cover pregnancy 2409
and confinement and genetic testing, the party shall notify all 2410
other parties in writing of that intent and include copies of 2411
the invoices and documents. A party may object to the admission 2412
into evidence of the invoices or documents by filing a written 2413
objection with the court that is hearing the action no later 2414
than fourteen days after the notice and the copies of the 2415
invoices and documents are mailed to the attorney of record of 2416
each party or to each party. 2417

If a party files a written objection, the invoices and 2418
other documents shall be admissible into evidence as provided by 2419
the Rules of Evidence. If a written objection is not filed, the 2420
invoices or other documents are admissible into evidence without 2421
the need for foundation testimony or other evidence of 2422
authenticity or accuracy. 2423

(F) A juvenile court or other court with jurisdiction 2424
under section 2101.022 or 2301.03 of the Revised Code shall give 2425
priority to actions under sections 3111.01 to 3111.18 of the 2426
Revised Code and shall issue an order determining the existence 2427
or nonexistence of a parent and child relationship no later than 2428
one hundred twenty days after the date on which the action was 2429
brought in the juvenile court or other court with jurisdiction. 2430

Sec. 3119.05. When a court computes the amount of child support required to be paid under a court child support order or a child support enforcement agency computes the amount of child support to be paid pursuant to an administrative child support order, all of the following apply:

(A) The parents' current and past income and personal earnings shall be verified by electronic means or with suitable documents, including, but not limited to, paystubs, employer statements, receipts and expense vouchers related to self-generated income, tax returns, and all supporting documentation and schedules for the tax returns.

(B) The annual amount of any court-ordered spousal support actually paid, excluding any ordered payment on arrears, shall be deducted from the annual income of that parent to the extent that payment of that court-ordered spousal support is verified by supporting documentation.

(C) The court or agency shall adjust the amount of child support paid by a parent to give credit for children not included in the current calculation. When calculating the adjusted amount, the court or agency shall use the schedule and do the following:

(1) Determine the amount of child support that each parent would be ordered to pay for all children for whom the parent has the legal duty to support, according to each parent's annual income. If the number of children subject to the order is greater than six, multiply the amount for three children in accordance with division (C)(4) of this section to determine the amount of child support.

(2) Compute a child support credit amount for each

parent's children who are not subject to this order by dividing 2460
the amount determined in division (C) (1) of this section by the 2461
total number of children whom the parent is obligated to support 2462
and multiplying that number by the number of the parent's 2463
children who are not subject to this order. 2464

(3) Determine the adjusted income of the parents by 2465
subtracting the credit for minor children not subject to this 2466
order computed under division (C) (2) of this section, from the 2467
annual income of each parent for the children each has a duty to 2468
support that are not subject to this order. 2469

(4) If the number of children is greater than six, 2470
multiply the amount for three children by: 2471

(a) 1.440 for seven children; 2472

(b) 1.540 for eight children; 2473

(c) 1.638 for nine children; 2474

(d) 1.734 for ten children; 2475

(e) 1.827 for eleven children; 2476

(f) 1.919 for twelve children; 2477

(g) 2.008 for thirteen children; 2478

(h) 2.096 for fourteen children; 2479

(i) 2.182 for more than fourteen children. 2480

(D) When the court or agency calculates the annual income 2481
of a parent, it shall include the lesser of the following as 2482
income from overtime and bonuses: 2483

(1) The yearly average of all overtime, commissions, and 2484
bonuses received during the three years immediately prior to the 2485

time when the person's child support obligation is being	2486
computed;	2487
(2) The total overtime, commissions, and bonuses received	2488
during the year immediately prior to the time when the person's	2489
child support obligation is being computed.	2490
(E) When the court or agency calculates the annual income	2491
of a parent, it shall not include any income earned by the	2492
spouse of that parent.	2493
(F) The court shall issue a separate medical support order	2494
for extraordinary medical expenses, including orthodontia,	2495
dental, optical, and psychological services.	2496
If the court makes an order for payment of private	2497
education, and other appropriate expenses, it shall do so by	2498
issuing a separate order.	2499
The court may consider these expenses in adjusting a child	2500
support order.	2501
(G) When a court or agency calculates the amount of child	2502
support to be paid pursuant to a court child support order or an	2503
administrative child support order, the following shall apply:	2504
(1) The court or agency shall apply the basic child	2505
support schedule to the parents' combined annual incomes and to	2506
each parent's individual income.	2507
(2) If the combined annual income of both parents or the	2508
individual annual income of a parent is an amount that is	2509
between two amounts set forth in the first column of the	2510
schedule, the court or agency may use the basic child support	2511
obligation that corresponds to the higher of the two amounts in	2512
the first column of the schedule, use the basic child support	2513

obligation that corresponds to the lower of the two amounts in 2514
the first column of the schedule, or calculate a basic child 2515
support obligation that is between those two amounts and 2516
corresponds proportionally to the parents' actual combined 2517
annual income or the individual parent's annual income. 2518

(3) If the annual individual income of either or both of 2519
the parents is within the self-sufficiency reserve in the basic 2520
child support schedule, the court or agency shall do both of the 2521
following: 2522

(a) Calculate the basic child support obligation for the 2523
parents using the schedule amount applicable to the combined 2524
annual income and the schedule amount applicable to the income 2525
in the self-sufficiency reserve; 2526

(b) Determine the lesser of the following amounts to be 2527
the applicable basic child support obligation: 2528

(i) The amount that results from using the combined annual 2529
income of the parents not in the self-sufficiency reserve of the 2530
schedule; or 2531

(ii) The amount that results from using the individual 2532
parent's income within the self-sufficiency reserve of the 2533
schedule. 2534

(H) When the court or agency calculates annual income, the 2535
court or agency, when appropriate, may average income over a 2536
reasonable period of years. 2537

(I) Unless it would be unjust or inappropriate and 2538
therefore not in the best interests of the child, a court or 2539
agency shall not determine a parent to be voluntarily unemployed 2540
or underemployed and shall not impute income to that parent if 2541
any of the following conditions exist: 2542

(1) The parent is receiving recurring monetary income from 2543
means-tested public assistance benefits, including cash 2544
assistance payments under the Ohio works first program 2545
established under Chapter 5107. of the Revised Code, general 2546
assistance under former Chapter 5113. of the Revised Code, 2547
supplemental security income, or means-tested veterans' 2548
benefits; 2549

(2) The parent is approved for social security disability 2550
insurance benefits because of a mental or physical disability, 2551
or the court or agency determines that the parent is unable to 2552
work based on medical documentation that includes ~~a physician's~~ 2553
the diagnosis of a physician, certified nurse-midwife, clinical 2554
nurse specialist, or certified nurse practitioner and ~~a the~~ 2555
physician's or nurse's opinion regarding the parent's mental or 2556
physical disability and inability to work. 2557

(3) The parent has proven that the parent has made 2558
continuous and diligent efforts without success to find and 2559
accept employment, including temporary employment, part-time 2560
employment, or employment at less than the parent's previous 2561
salary or wage. 2562

(4) The parent is complying with court-ordered family 2563
reunification efforts in a child abuse, neglect, or dependency 2564
proceeding, to the extent that compliance with those efforts 2565
limits the parent's ability to earn income. 2566

(5) The parent is institutionalized for a period of twelve 2567
months or more with no other available income or assets. 2568

(J) When a court or agency calculates the income of a 2569
parent, it shall not determine a parent to be voluntarily 2570
unemployed or underemployed and shall not impute income to that 2571

parent if the parent is incarcerated. 2572

(K) When a court or agency requires a parent to pay an 2573
amount for that parent's failure to support a child for a period 2574
of time prior to the date the court modifies or issues a court 2575
child support order or an agency modifies or issues an 2576
administrative child support order for the current support of 2577
the child, the court or agency shall calculate that amount using 2578
the basic child support schedule, worksheets, and child support 2579
laws in effect, and the incomes of the parents as they existed, 2580
for that prior period of time. 2581

(L) A court or agency may disregard a parent's additional 2582
income from overtime or additional employment when the court or 2583
agency finds that the additional income was generated primarily 2584
to support a new or additional family member or members, or 2585
under other appropriate circumstances. 2586

(M) If both parents involved in the immediate child 2587
support determination have a prior order for support relative to 2588
a minor child or children born to both parents, the court or 2589
agency shall collect information about the existing order or 2590
orders and consider those together with the current calculation 2591
for support to ensure that the total of all orders for all 2592
children of the parties does not exceed the amount that would 2593
have been ordered if all children were addressed in a single 2594
judicial or administrative proceeding. 2595

(N) A support obligation of a parent with annual income 2596
subject to the self-sufficiency reserve of the basic child 2597
support schedule shall not exceed the support obligation that 2598
would result from application of the schedule without the 2599
reserve. 2600

(O) Any non-means tested benefit received by the child or children subject to the order resulting from the claims of either parent shall be deducted from that parent's annual child support obligation after all other adjustments have been made. If that non-means tested benefit exceeds the child support obligation of the parent from whose claim the benefit is realized, the child support obligation for that parent shall be zero.

(P) As part of the child support calculation, the parents shall be ordered to share the costs of child care. Subject to the limitations in this division, a child support obligor shall pay an amount equal to the obligor's income share of the child care cost incurred for the child or children subject to the order.

(1) The child care cost used in the calculation:

(a) Shall be for the child determined to be necessary to allow a parent to work, or for activities related to employment training;

(b) Shall be verifiable by credible evidence as determined by a court or child support enforcement agency;

(c) Shall exclude any reimbursed or subsidized child care cost, including any state or federal tax credit for child care available to the parent or caretaker, whether or not claimed

(d) Shall not exceed the maximum state-wide average cost estimate as determined in accordance with 45 C.F.R. 98.45.

(2) When the annual income of the obligor is subject to the self-sufficiency reserve of the basic support schedule, the share of the child care cost paid by the obligor shall be equal to the lower of the obligor's income share of the child care

cost, or fifty per cent of the child care cost. 2630

(Q) As used in this section, a parent is considered 2631
"incarcerated" if the parent is confined under a sentence 2632
imposed for an offense or serving a term of imprisonment, jail, 2633
or local incarceration, or other term under a sentence imposed 2634
by a government entity authorized to order such confinement. 2635

Sec. 3119.54. A party to a child support order issued in 2636
accordance with section 3119.30 of the Revised Code shall notify 2637
any physician, clinical nurse specialist, certified nurse 2638
practitioner, hospital, or other provider of medical services 2639
that provides medical services to the child who is the subject 2640
of the child support order of the number of any health insurance 2641
or health care policy, contract, or plan that covers the child 2642
if the child is eligible for medicaid. The party shall include 2643
in the notice the name and address of the insurer. Any 2644
physician, clinical nurse specialist, certified nurse 2645
practitioner, hospital, or other provider of medical services 2646
covered by the medicaid program who is notified under this 2647
section of the existence of a health insurance or health care 2648
policy, contract, or plan with coverage for children who are 2649
eligible for medicaid shall first bill the insurer for any 2650
services provided for those children. If the insurer fails to 2651
pay all or any part of a claim filed under this section and the 2652
services for which the claim is filed are covered by the 2653
medicaid program, the physician, clinical nurse specialist, 2654
certified nurse practitioner, hospital, or other medical 2655
services provider shall bill the remaining unpaid costs of the 2656
services to the medicaid program. 2657

(1) A disability benefit recipient whose benefit effective 2848
date was before ~~the effective date of this amendment~~ January 7, 2849
2013, shall retain membership status and shall be considered on 2850
leave of absence from employment during the first five years 2851
following the effective date of a disability benefit. 2852

(2) A disability benefit recipient whose benefit effective 2853
date is on or after ~~the effective date of this amendment~~ January 2854
7, 2013, shall retain membership status and shall be considered 2855
on leave of absence from employment during the first three years 2856
following the effective date of a disability benefit, except 2857
that, if the school employees retirement board has recommended 2858
medical treatment or vocational rehabilitation and the member is 2859
receiving treatment or rehabilitation acceptable to a physician, 2860

certified nurse-midwife, clinical nurse specialist, or certified 2861
nurse practitioner, or consultant selected by the board, the 2862
board may permit the recipient to retain membership status and 2863
be considered on leave of absence from employment for up to five 2864
years following the effective date of a disability benefit. 2865

(B) The board shall require a disability benefit recipient 2866
to undergo an annual medical examination, except that the board 2867
may waive the medical examination if one or more of the board's 2868
~~physician or physicians,~~ certified nurse-midwives, clinical 2869
nurse specialists, or certified nurse practitioners certify that 2870
the recipient's disability is ongoing. Should any disability 2871
benefit recipient refuse to submit to a medical examination, the 2872
recipient's disability benefit shall be suspended until 2873
withdrawal of the refusal. Should the refusal continue for one 2874
year, all the recipient's rights in and to the disability 2875
benefit shall be terminated as of the effective date of the 2876
original suspension. 2877

(C) On completion of the examination by ~~an examining~~ 2878
~~physician or one or more physicians,~~ certified nurse-midwives, 2879
clinical nurse specialists, or certified nurse practitioners 2880
selected by the board, the physician or ~~physicians~~ nurse shall 2881
report and certify to the board whether the disability benefit 2882
recipient meets the applicable standard for termination of a 2883
disability benefit. If the recipient's benefit effective date is 2884
~~before the effective date of this amendment~~ January 7, 2013, or 2885
the benefit effective date is after ~~the effective date of this~~ 2886
~~amendment~~ January 7, 2013, and the recipient is considered on a 2887
leave of absence under division (A) (2) of this section, the 2888
standard for termination is that the recipient is no longer 2889
physically and mentally incapable of resuming the service from 2890
which the recipient was found disabled. If the recipient's 2891

benefit effective date is on or after ~~the effective date of this~~ 2892
~~amendment~~ January 7, 2013, and the recipient is not considered on 2893
a leave of absence under division (A) (2) of this section, the 2894
standard is that the recipient is not physically or mentally 2895
incapable of performing the duties of a position that meets all 2896
of the following criteria: 2897

(2) Is reasonably to be found in the member's regional job 2904
market; 2905

(3) Is one that the member is qualified for by experience 2906
or education. 2907

If the board concurs in the report that the disability 2908
benefit recipient meets the applicable standard for termination 2909
of a disability benefit, the payment of the disability benefit 2910
shall be terminated not later than three months after the date 2911
of the board's concurrence or upon employment as an employee. If 2912
the leave of absence has not expired, the retirement board shall 2913
certify to the disability benefit recipient's last employer 2914
before being found disabled that the recipient is no longer 2915
physically and mentally incapable of resuming service that is 2916
the same or similar to that from which the recipient was found 2917
disabled. The employer shall restore the recipient to the 2918
recipient's previous position and salary or to a position and 2919
salary similar thereto not later than the first day of the first 2920
month following termination of the disability benefit, unless 2921

the recipient was dismissed or resigned in lieu of dismissal for 2922
dishonesty, misfeasance, malfeasance, or conviction of a felony. 2923

(D) Each disability benefit recipient shall file with the 2924
board an annual statement of earnings, current medical 2925
information on the recipient's condition, and any other 2926
information required in rules adopted by the board. The board 2927
may waive the requirement that a disability benefit recipient 2928
file an annual statement of earnings or current medical 2929
information on the recipient's condition if one or more of the 2930
board's ~~physician or physicians, certified nurse-midwives,~~ 2931
clinical nurse specialists, or certified nurse practitioners 2932
certify that the recipient's disability is ongoing. 2933

The board shall annually examine the information submitted 2934
by the recipient. If a disability benefit recipient refuses to 2935
file the statement or information, the disability benefit shall 2936
be suspended until the statement and information are filed. If 2937
the refusal continues for one year, the recipient's right to the 2938
disability benefit shall be terminated as of the effective date 2939
of the original suspension. 2940

(E) If a disability benefit recipient is employed by an 2941
employer covered by this chapter, the recipient's disability 2942
benefit shall cease. 2943

(F) If disability retirement under section 3309.40 of the 2944
Revised Code is terminated for any reason, the annuity and 2945
pension reserves at that time in the annuity and pension reserve 2946
fund shall be transferred to the employees' savings fund and the 2947
employers' trust fund, respectively. If the total disability 2948
benefit paid is less than the amount of the accumulated 2949
contributions of the member transferred into the annuity and 2950
pension reserve fund at the time of the member's disability 2951

retirement, the difference shall be transferred from the annuity 2952
and pension reserve fund to another fund as may be required. In 2953
determining the amount of a member's account following the 2954
termination of disability retirement for any reason, the amount 2955
paid shall be charged against the member's refundable account. 2956

If a disability allowance paid under section 3309.401 of 2957
the Revised Code is terminated for any reason, the reserve on 2958
the allowance at that time in the annuity and pension reserve 2959
fund shall be transferred from that fund to the employers' trust 2960
fund. 2961

The board may terminate a disability benefit at the 2962
request of the recipient. 2963

(G) If a disability benefit is terminated and a former 2964
disability benefit recipient again becomes a contributor, other 2965
than as an other system retirant as defined in section 3309.341 2966
of the Revised Code, to this system, the public employees 2967
retirement system, or the state teachers retirement system, and 2968
completes an additional two years of service credit after the 2969
termination of the disability benefit, the former disability 2970
benefit recipient shall be entitled to receive up to two years 2971
of service credit for the period as a disability benefit 2972
recipient and may purchase service for the remaining period of 2973
the disability benefit. Total service credit received and 2974
purchased under this section shall not exceed the period of the 2975
disability benefit. 2976

For each year of credit purchased, the member shall pay to 2977
the system for credit to the member's accumulated account the 2978
sum of the following amounts: 2979

(1) The employee contribution rate in effect at the time 2980

the disability benefit commenced multiplied by the member's 2981
annual disability benefit; 2982

(2) The employer contribution rate in effect at the time 2983
the disability benefit commenced multiplied by the member's 2984
annual disability benefit; 2985

(3) Compound interest at a rate established by the board 2986
from the date the member is eligible to purchase the credit to 2987
the date of payment. 2988

The member may choose to purchase only part of such credit 2989
in any one payment, subject to board rules. 2990

(H) If any employer employs any member who is receiving a 2991
disability benefit, the employer shall file notice of employment 2992
with the retirement board, designating the date of employment. 2993
In case the notice is not filed, the total amount of the benefit 2994
paid during the period of employment prior to notice shall be 2995
paid from amounts allocated under Chapter 3317. of the Revised 2996
Code prior to its distribution to the school district in which 2997
the disability benefit recipient was so employed. 2998

Sec. 3309.45. Except as provided in division (C) (1) of 2999
this section, in lieu of accepting the payment of the 3000
accumulated account of a member who dies before service 3001
retirement, the beneficiary, as determined in section 3309.44 of 3002
the Revised Code, may elect to forfeit the accumulated account 3003
and to substitute certain other benefits either under division 3004
(A) or (B) of this section. 3005

(A) (1) If a deceased member was eligible for a service 3006
retirement allowance as provided in section 3309.36 or 3309.381 3007
of the Revised Code, a surviving spouse or other sole dependent 3008
beneficiary may elect to receive a monthly benefit computed as 3009

the joint-survivor allowance designated as "plan D" in section 3010
3309.46 of the Revised Code, which the member would have 3011
received had the member retired on the last day of the month of 3012
death and had the member at that time selected such joint- 3013
survivor plan. Payment shall begin with the month subsequent to 3014
the member's death. 3015

(2) Beginning on a date selected by the school employees 3016
retirement board, which shall be not later than July 1, 2004, a 3017
surviving spouse or other sole dependent beneficiary may elect, 3018
in lieu of a monthly payment under division (A) (1) of this 3019
section, a plan of payment consisting of both of the following: 3020

(a) A lump sum in an amount the surviving spouse or other 3021
sole dependent beneficiary designates that constitutes a portion 3022
of the allowance that would be payable under division (A) (1) of 3023
this section; 3024

(b) The remainder of that allowance in monthly payments. 3025

The total amount paid as a lump sum and a monthly benefit 3026
shall be the actuarial equivalent of the amount that would have 3027
been paid had the lump sum not been selected. 3028

The lump sum amount designated by the surviving spouse or 3029
other sole dependent beneficiary under division (A) (2) (a) of 3030
this section shall be not less than six times and not more than 3031
thirty-six times the monthly amount that would be payable to the 3032
surviving spouse or other sole dependent beneficiary under 3033
division (A) (1) of this section and shall not result in a 3034
monthly benefit that is less than fifty per cent of that monthly 3035
amount. 3036

(B) If the deceased member had completed at least one and 3037
one-half years of credit for Ohio service, with at least one- 3038

quarter year of Ohio contributing service credit within the two 3039
 and one-half years prior to the date of death, or was receiving 3040
 at the time of death a disability benefit as provided in section 3041
 3309.40 or 3309.401 of the Revised Code, qualified survivors who 3042
 elect to receive monthly benefits shall receive the greater of 3043
 the benefits provided in division (B) (1) (a) or (b) as allocated 3044
 in accordance with division (B) (5) of this section. 3045

deceased member who is age sixty-two, or regardless of age if 3051
the deceased member had ten or more years of Ohio service 3052
credit, or regardless of age if caring for a surviving child, or 3053
regardless of age if adjudged physically or mentally 3054
incompetent. 3055

(b) A qualified child whose benefit began before January 3056

married and to whom one of the following applies: 3058

(3) "Physically or mentally incompetent" as used in this section may be determined by a court of jurisdiction, or by a physician, certified nurse-midwife, clinical nurse specialist, or certified nurse practitioner appointed by the retirement board. Incapability of earning a living because of a physically or mentally disabling condition shall meet the qualifications of this division.

(4) Benefits to a qualified survivor shall terminate upon a first marriage, abandonment, adoption, or during active

Benefits to a deceased member's surviving spouse that were terminated under a former version of this section that required termination due to remarriage and were not resumed prior to September 16, 1998, shall resume on the first day of the month immediately following receipt by the board of an application on a form provided by the board.

Upon the death of any subsequent spouse who was a member of the public employees retirement system, state teachers retirement system, or school employees retirement system, the surviving spouse of such member may elect to continue receiving benefits under this division, or to receive survivor's benefits, based upon the subsequent spouse's membership in one or more of the systems, for which such surviving spouse is eligible under this section or section 145.45 or 3307.66 of the Revised Code. If the surviving spouse elects to continue receiving benefits under this division, such election shall not preclude the payment of benefits under this division to any other qualified survivor.

Benefits shall begin or resume on the first day of the month following the attainment of eligibility and shall terminate on the first day of the month following loss of eligibility.

(5) (a) If a benefit is payable under division (B) (1) (a) of this section, benefits to a qualified spouse shall be paid in the amount determined for the first qualifying survivor in division (B) (1) (a) of this section, but shall not be less than one hundred six dollars per month if the deceased member had ten or more years of Ohio service credit. All other qualifying survivors shall share equally in the benefit or remaining portion thereof.

(b) All qualifying survivors shall share equally in a 3118
benefit payable under division (B) (1) (b) of this section, except 3119
that if there is a surviving spouse, the surviving spouse shall 3120
receive no less than the greater of the amount determined for 3121
the first qualifying survivor in division (B) (1) (a) of this 3122
section or one hundred six dollars per month. 3123

(6) The beneficiary of a member who is also a member of 3124
the public employees retirement system, or of the state teachers 3125
retirement system, must forfeit the member's accumulated 3126
contributions in those systems, if the beneficiary takes a 3127
survivor benefit. Such benefit shall be exclusively governed by 3128
section 3309.35 of the Revised Code. 3129

(C) (1) Regardless of whether the member is survived by a 3130
spouse or designated beneficiary, if the school employees 3131
retirement system receives notice that a deceased member 3132
described in division (A) or (B) of this section has one or more 3133
qualified children, all persons who are qualified survivors 3134
under division (B) of this section shall receive monthly 3135
benefits as provided in division (B) of this section. 3136

If, after determining the monthly benefits to be paid 3137
under division (B) of this section, the system receives notice 3138
that there is a qualified survivor who was not considered when 3139
the determination was made, the system shall, notwithstanding 3140
section 3309.661 of the Revised Code, recalculate the monthly 3141
benefits with that qualified survivor included, even if the 3142
benefits to qualified survivors already receiving benefits are 3143
reduced as a result. The benefits shall be calculated as if the 3144
qualified survivor who is the subject of the notice became 3145
eligible on the date the notice was received and shall be paid 3146
to qualified survivors effective on the first day of the first 3147

month following the system's receipt of the notice. 3148

If the retirement system did not receive notice that a 3149
deceased member has one or more qualified children prior to 3150
making payment under section 3309.44 of the Revised Code to a 3151
beneficiary as determined by the retirement system, the payment 3152
is a full discharge and release of the system from any future 3153
claims under this section or section 3309.44 of the Revised 3154
Code. 3155

(2) If benefits under division (C) (1) of this section to 3156
all persons, or to all persons other than a surviving spouse or 3157
other sole beneficiary, terminate, there are no qualified 3158
children, and the surviving spouse or beneficiary qualifies for 3159
benefits under division (A) of this section, the surviving 3160
spouse or beneficiary may elect to receive benefits under 3161
division (A) of this section. Benefits shall be effective on the 3162
first day of the month following receipt by the board of an 3163

benefit payable pursuant to division (A) or (B) of this section 3166
to a survivor or beneficiary of a disability benefit recipient 3167
shall be adjusted for each year between the disability benefit's 3168
effective date and the recipient's date of death by the lesser 3169
of three per cent or the actual average percentage increase in 3170
the consumer price index prepared by the United States bureau of 3171
labor statistics (U.S. City Average for Urban Wage Earners and 3172
Clerical Workers: "All Items 1982-84=100"). 3173

(E) If the survivor benefits due and paid under this 3174
section are in a total amount less than the member's accumulated 3175
account that was transferred from the employees' savings fund, 3176
the state teachers retirement fund, and the public employees 3177

retirement fund to the survivors' benefit fund, then the 3178
difference between the total amount of the benefits paid shall 3179
be paid to the beneficiary under section 3309.44 of the Revised 3180
Code. 3181

(C) A district shall not charge tuition for children admitted under division (B) (1) or (3) of this section. If the district admits a child under division (B) (2) of this section, tuition shall be paid to the district that admits the child as

provided in divisions (C) (1) to (3) of this section, unless 3292
division (C) (4) of this section applies to the child: 3293

tuition shall be paid by the district in which the child resided 3314
at the time the child was removed from home or placed in legal 3315
or permanent custody, whichever occurred first; 3316

(c) If a school district cannot be established under 3317
division (C) (2) (a) or (b) of this section, tuition shall be paid 3318

(d) If at the time the court removed the child from home 3322
or vested legal or permanent custody of the child in the person 3323

in a residential or correctional facility or a juvenile 3325
residential placement and the other parent, if living and not in 3326
such a facility or placement, was not known to reside in this 3327
state, tuition shall be paid by the district determined under 3328
division (D) of section 3313.65 of the Revised Code as the 3329
district required to pay any tuition while the parent was in 3330
such facility or placement; 3331

(e) If the department of education and workforce has 3332
determined, pursuant to division (A) (2) of section 2151.362 of 3333
the Revised Code, that a school district other than the one 3334
named in the court's initial order, or in a prior determination 3335
of the department, is responsible to bear the cost of educating 3336
the child, the district so determined shall be responsible for 3337
that cost. 3338

(3) If the child is not in the permanent or legal custody 3339
of a government agency or person other than the child's parent 3340
and the child resides in a home, tuition shall be paid by one of 3341
the following: 3342

(a) The school district in which the child's parent 3343
resides; 3344

(b) If the child's parent is not a resident of this state, 3345

(4) Division (C) (4) of this section applies to any child 3347

this section, resides in a home that is not a foster home, a 3349

home maintained by the department of youth services, a detention 3350
facility established under section 2152.41 of the Revised Code, 3351
or a juvenile facility established under section 2151.65 of the 3352
Revised Code, and receives educational services at the home or 3353
facility in which the child resides pursuant to a contract 3354
between the home or facility and the school district providing 3355
those services. 3356

If a child to whom division (C) (4) of this section applies 3357
is a special education student, a district may choose whether to 3358
receive a tuition payment for that child under division (C) (4) 3359
of this section or to receive a payment for that child under 3360
section 3323.14 of the Revised Code. If a district chooses to 3361
receive a payment for that child under section 3323.14 of the 3362
Revised Code, it shall not receive a tuition payment for that 3363
child under division (C) (4) of this section. 3364

If a child to whom division (C) (4) of this section applies 3365
is not a special education student, a district shall receive a 3366
tuition payment for that child under division (C) (4) of this 3367
section. 3368

In the case of a child to which division (C) (4) of this 3369
section applies, the total educational cost to be paid for the 3370
child shall be determined by a formula approved by the 3371
department of education and workforce, which formula shall be 3372
designed to calculate a per diem cost for the educational 3373
services provided to the child for each day the child is served 3374
and shall reflect the total actual cost incurred in providing 3375
those services. The department shall certify the total 3376
educational cost to be paid for the child to both the school 3377
district providing the educational services and, if different, 3378
the school district that is responsible to pay tuition for the 3379

child. The department shall deduct the certified amount from the 3380
state basic aid funds payable under Chapter 3317. of the Revised 3381
Code to the district responsible to pay tuition and shall pay 3382
that amount to the district providing the educational services 3383
to the child. 3384

(D) Tuition required to be paid under divisions (C) (2) and 3385
(3) (a) of this section shall be computed in accordance with 3386
section 3317.08 of the Revised Code. Tuition required to be paid 3387
under division (C) (3) (b) of this section shall be computed in 3388
accordance with section 3317.081 of the Revised Code. If a home 3389
fails to pay the tuition required by division (C) (3) (b) of this 3390
section, the board of education providing the education may 3391
recover in a civil action the tuition and the expenses incurred 3392
in prosecuting the action, including court costs and reasonable 3393
attorney's fees. If the prosecuting attorney or city director of 3394
law represents the board in such action, costs and reasonable 3395
attorney's fees awarded by the court, based upon the prosecuting 3396
attorney's, director's, or one of their designee's time spent 3397
preparing and presenting the case, shall be deposited in the 3398
county or city general fund. 3399

(E) A board of education may enroll a child free of any 3400
tuition obligation for a period not to exceed sixty days, on the 3401
sworn statement of an adult resident of the district that the 3402
resident has initiated legal proceedings for custody of the 3403
child. 3404

(F) In the case of any individual entitled to attend 3405
school under this division, no tuition shall be charged by the 3406
school district of attendance and no other school district shall 3407
be required to pay tuition for the individual's attendance. 3408
Notwithstanding division (B), (C), or (E) of this section: 3409

(1) All persons at least eighteen but under twenty-two 3410
years of age who live apart from their parents, support 3411
themselves by their own labor, and have not successfully 3412
completed the high school curriculum or the individualized 3413

(3) A child is entitled to attend school in the district 3420
in which either of the child's parents is employed if the child 3421
has a medical condition that may require emergency medical 3422
attention. The parent of a child entitled to attend school under 3423
division (F)(3) of this section shall submit to the board of 3424
education of the district in which the parent is employed a 3425
statement from the child's physician, certified nurse-midwife, 3426
clinical nurse specialist, or certified nurse practitioner 3427
certifying that the child's medical condition may require 3428
emergency medical attention. The statement shall be supported by 3429
such other evidence as the board may require. 3430

(4) Any child residing with a person other than the 3431
child's parent is entitled, for a period not to exceed twelve 3432
months, to attend school in the district in which that person 3433
resides if the child's parent files an affidavit with the 3434
superintendent of the district in which the person with whom the 3435
child is living resides stating all of the following: 3436

(a) That the parent is serving outside of the state in the 3437
armed services of the United States; 3438

(b) That the parent intends to reside in the district upon 3439
returning to this state; 3440

(c) The name and address of the person with whom the child 3441
is living while the parent is outside the state. 3442

(5) Any child under the age of twenty-two years who, after 3443
the death of a parent, resides in a school district other than 3444
the district in which the child attended school at the time of 3445
the parent's death is entitled to continue to attend school in 3446
the district in which the child attended school at the time of 3447
the parent's death for the remainder of the school year, subject 3448
to approval of that district board. 3449

(6) A child under the age of twenty-two years who resides 3450
with a parent who is having a new house built in a school 3451
district outside the district where the parent is residing is 3452
entitled to attend school for a period of time in the district 3453
where the new house is being built. In order to be entitled to 3454
such attendance, the parent shall provide the district 3455
superintendent with the following: 3456

(a) A sworn statement explaining the situation, revealing 3457
the location of the house being built, and stating the parent's 3458
intention to reside there upon its completion; 3459

(b) A statement from the builder confirming that a new 3460
house is being built for the parent and that the house is at the 3461
location indicated in the parent's statement. 3462

(7) A child under the age of twenty-two years residing 3463
with a parent who has a contract to purchase a house in a school 3464
district outside the district where the parent is residing and 3465
who is waiting upon the date of closing of the mortgage loan for 3466
the purchase of such house is entitled to attend school for a 3467

period of time in the district where the house is being 3468
purchased. In order to be entitled to such attendance, the 3469
parent shall provide the district superintendent with the 3470
following: 3471

(a) A sworn statement explaining the situation, revealing 3472
the location of the house being purchased, and stating the 3473
parent's intent to reside there; 3474

(b) A statement from a real estate broker or bank officer 3475
confirming that the parent has a contract to purchase the house, 3476
that the parent is waiting upon the date of closing of the 3477
mortgage loan, and that the house is at the location indicated 3478
in the parent's statement. 3479

The district superintendent shall establish a period of 3480
time not to exceed ninety days during which the child entitled 3481
to attend school under division (F) (6) or (7) of this section 3482
may attend without tuition obligation. A student attending a 3483
school under division (F) (6) or (7) of this section shall be 3484
eligible to participate in interscholastic athletics under the 3485
auspices of that school, provided the board of education of the 3486
school district where the student's parent resides, by a formal 3487
action, releases the student to participate in interscholastic 3488
athletics at the school where the student is attending, and 3489
provided the student receives any authorization required by a 3490
public agency or private organization of which the school 3491
district is a member exercising authority over interscholastic 3492
sports. 3493

(8) A child whose parent is a full-time employee of a 3494
city, local, or exempted village school district, or of an 3495
educational service center, may be admitted to the schools of 3496
the district where the child's parent is employed, or in the 3497

case of a child whose parent is employed by an educational 3498
service center, in the district that serves the location where 3499
the parent's job is primarily located, provided the district 3500
board of education establishes such an admission policy by 3501
resolution adopted by a majority of its members. Any such policy 3502
shall take effect on the first day of the school year and the 3503
effective date of any amendment or repeal may not be prior to 3504
the first day of the subsequent school year. The policy shall be 3505
uniformly applied to all such children and shall provide for the 3506
admission of any such child upon request of the parent. No child 3507
may be admitted under this policy after the first day of classes 3508
of any school year. 3509

(9) A child who is with the child's parent under the care 3510
of a shelter for victims of domestic violence, as defined in 3511
section 3113.33 of the Revised Code, is entitled to attend 3512
school free in the district in which the child is with the 3513
child's parent, and no other school district shall be required 3514
to pay tuition for the child's attendance in that school 3515
district. 3516

The enrollment of a child in a school district under this 3517
division shall not be denied due to a delay in the school 3518
district's receipt of any records required under section 3519
3313.672 of the Revised Code or any other records required for 3520
enrollment. Any days of attendance and any credits earned by a 3521
child while enrolled in a school district under this division 3522
shall be transferred to and accepted by any school district in 3523
which the child subsequently enrolls. The department of 3524
education and workforce shall adopt rules to ensure compliance 3525
with this division. 3526

(10) Any child under the age of twenty-two years whose 3527

parent has moved out of the school district after the 3528
commencement of classes in the child's senior year of high 3529
school is entitled, subject to the approval of that district 3530
board, to attend school in the district in which the child 3531
attended school at the time of the parental move for the 3532
remainder of the school year and for one additional semester or 3533
equivalent term. A district board may also adopt a policy 3534
specifying extenuating circumstances under which a student may 3535
continue to attend school under division (F)(10) of this section 3536
for an additional period of time in order to successfully 3537
complete the high school curriculum for the individualized 3538
education program developed for the student by the high school 3539
pursuant to section 3323.08 of the Revised Code. 3540

(11) As used in this division, "grandparent" means a 3541
parent of a parent of a child. A child under the age of twenty- 3542
two years who is in the custody of the child's parent, resides 3543
with a grandparent, and does not require special education is 3544
entitled to attend the schools of the district in which the 3545
child's grandparent resides, provided that, prior to such 3546
attendance in any school year, the board of education of the 3547
school district in which the child's grandparent resides and the 3548
board of education of the school district in which the child's 3549
parent resides enter into a written agreement specifying that 3550
good cause exists for such attendance, describing the nature of 3551
this good cause, and consenting to such attendance. 3552

In lieu of a consent form signed by a parent, a board of 3553
education may request the grandparent of a child attending 3554
school in the district in which the grandparent resides pursuant 3555
to division (F)(11) of this section to complete any consent form 3556
required by the district, including any authorization required 3557
by sections 3313.712, 3313.713, 3313.716, and 3313.718 of the 3558

Revised Code. Upon request, the grandparent shall complete any consent form required by the district. A school district shall not incur any liability solely because of its receipt of a consent form from a grandparent in lieu of a parent.

Division (F) (11) of this section does not create, and shall not be construed as creating, a new cause of action or substantive legal right against a school district, a member of a board of education, or an employee of a school district. This section does not affect, and shall not be construed as affecting, any immunities from defenses to tort liability created or recognized by Chapter 2744. of the Revised Code for a school district, member, or employee.

(12) A child under the age of twenty-two years is entitled to attend school in a school district other than the district in which the child is entitled to attend school under division (B), (C), or (E) of this section provided that, prior to such attendance in any school year, both of the following occur:

(a) The superintendent of the district in which the child is entitled to attend school under division (B), (C), or (E) of this section contacts the superintendent of another district for purposes of this division;

(b) The superintendents of both districts enter into a written agreement that consents to the attendance and specifies that the purpose of such attendance is to protect the student's physical or mental well-being or to deal with other extenuating circumstances deemed appropriate by the superintendents.

While an agreement is in effect under this division for a student who is not receiving special education under Chapter 3323. of the Revised Code and notwithstanding Chapter 3327. of

the Revised Code, the board of education of neither school 3588
district involved in the agreement is required to provide 3589
transportation for the student to and from the school where the 3590
student attends. 3591

A student attending a school of a district pursuant to 3592
this division shall be allowed to participate in all student 3593
activities, including interscholastic athletics, at the school 3594
where the student is attending on the same basis as any student 3595
who has always attended the schools of that district while of 3596
compulsory school age. 3597

(13) All school districts shall comply with the "McKinney- 3598
Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for 3599
the education of homeless children. Each city, local, and 3600
exempted village school district shall comply with the 3601
requirements of that act governing the provision of a free, 3602
appropriate public education, including public preschool, to 3603
each homeless child. 3604

When a child loses permanent housing and becomes a 3605
homeless person, as defined in 42 U.S.C.A. 11481(5), or when a 3606
child who is such a homeless person changes temporary living 3607
arrangements, the child's parent or guardian shall have the 3608
option of enrolling the child in either of the following: 3609

(a) The child's school of origin, as defined in 42 3610
U.S.C.A. 11432(g) (3) (C); 3611

(b) The school that is operated by the school district in 3612
which the shelter where the child currently resides is located 3613
and that serves the geographic area in which the shelter is 3614
located. 3615

(14) A child under the age of twenty-two years who resides 3616

with a person other than the child's parent is entitled to 3617
attend school in the school district in which that person 3618
resides if both of the following apply: 3619

(a) That person has been appointed, through a military 3620
power of attorney executed under section 574(a) of the "National 3621
Defense Authorization Act for Fiscal Year 1994," 107 Stat. 1674 3622
(1993), 10 U.S.C. 1044b, or through a comparable document 3623
necessary to complete a family care plan, as the parent's agent 3624
for the care, custody, and control of the child while the parent 3625
is on active duty as a member of the national guard or a reserve 3626
unit of the armed forces of the United States or because the 3627
parent is a member of the armed forces of the United States and 3628
is on a duty assignment away from the parent's residence. 3629

(b) The military power of attorney or comparable document 3630
includes at least the authority to enroll the child in school. 3631

The entitlement to attend school in the district in which 3632
the parent's agent under the military power of attorney or 3633
comparable document resides applies until the end of the school 3634
year in which the military power of attorney or comparable 3635
document expires. 3636

(G) A board of education, after approving admission, may 3637
waive tuition for students who will temporarily reside in the 3638
district and who are either of the following: 3639

(1) Residents or domiciliaries of a foreign nation who 3640
request admission as foreign exchange students; 3641

(2) Residents or domiciliaries of the United States but 3642
not of Ohio who request admission as participants in an exchange 3643
program operated by a student exchange organization. 3644

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3645

3323.04, 3327.04, and 3327.06 of the Revised Code, a child may 3646
attend school or participate in a special education program in a 3647
school district other than in the district where the child is 3648
entitled to attend school under division (B) of this section. 3649

(I) (1) Notwithstanding anything to the contrary in this 3650
section or section 3313.65 of the Revised Code, a child under 3651
twenty-two years of age may attend school in the school district 3652
in which the child, at the end of the first full week of October 3653
of the school year, was entitled to attend school as otherwise 3654
provided under this section or section 3313.65 of the Revised 3655
Code, if at that time the child was enrolled in the schools of 3656
the district but since that time the child or the child's parent 3657
has relocated to a new address located outside of that school 3658
district and within the same county as the child's or parent's 3659
address immediately prior to the relocation. The child may 3660
continue to attend school in the district, and at the school to 3661
which the child was assigned at the end of the first full week 3662
of October of the current school year, for the balance of the 3663
school year. Division (I) (1) of this section applies only if 3664
both of the following conditions are satisfied: 3665

(a) The board of education of the school district in which 3666
the child was entitled to attend school at the end of the first 3667
full week in October and of the district to which the child or 3668
child's parent has relocated each has adopted a policy to enroll 3669
children described in division (I) (1) of this section. 3670

(b) The child's parent provides written notification of 3671
the relocation outside of the school district to the 3672
superintendent of each of the two school districts. 3673

(2) At the beginning of the school year following the 3674
school year in which the child or the child's parent relocated 3675

outside of the school district as described in division (I) (1) 3676
of this section, the child is not entitled to attend school in 3677
the school district under that division. 3678

(3) Any person or entity owing tuition to the school 3679
district on behalf of the child at the end of the first full 3680
week in October, as provided in division (C) of this section, 3681
shall continue to owe such tuition to the district for the 3682
child's attendance under division (I) (1) of this section for the 3683
lesser of the balance of the school year or the balance of the 3684
time that the child attends school in the district under 3685
division (I) (1) of this section. 3686

(4) A pupil who may attend school in the district under 3687
division (I) (1) of this section shall be entitled to 3688
transportation services pursuant to an agreement between the 3689
district and the district in which the child or child's parent 3690
has relocated unless the districts have not entered into such 3691
agreement, in which case the child shall be entitled to 3692
transportation services in the same manner as a pupil attending 3693
school in the district under interdistrict open enrollment as 3694
described in division (E) of section 3313.981 of the Revised 3695
Code, regardless of whether the district has adopted an open 3696
enrollment policy as described in division (B) (1) (b) or (c) of 3697
section 3313.98 of the Revised Code. 3698

(J) This division does not apply to a child receiving 3699
special education. 3700

A school district required to pay tuition pursuant to 3701
division (C) (2) or (3) of this section or section 3313.65 of the 3702
Revised Code shall have an amount deducted under division (C) of 3703
section 3317.023 of the Revised Code equal to its own tuition 3704
rate for the same period of attendance. A school district 3705

entitled to receive tuition pursuant to division (C) (2) or (3) 3706
of this section or section 3313.65 of the Revised Code shall 3707
have an amount credited under division (C) of section 3317.023 3708
of the Revised Code equal to its own tuition rate for the same 3709
period of attendance. If the tuition rate credited to the 3710
district of attendance exceeds the rate deducted from the 3711
district required to pay tuition, the department of education 3712
and workforce shall pay the district of attendance the 3713
difference from amounts deducted from all districts' payments 3714
under division (C) of section 3317.023 of the Revised Code but 3715
not credited to other school districts under such division and 3716
from appropriations made for such purpose. The treasurer of each 3717
school district shall, by the fifteenth day of January and July, 3718
furnish the director of education and workforce a report of the 3719
names of each child who attended the district's schools under 3720
divisions (C) (2) and (3) of this section or section 3313.65 of 3721
the Revised Code during the preceding six calendar months, the 3722
duration of the attendance of those children, the school 3723
district responsible for tuition on behalf of the child, and any 3724
other information that the director requires. 3725

Upon receipt of the report the director, pursuant to 3726
division (C) of section 3317.023 of the Revised Code, shall 3727
deduct each district's tuition obligations under divisions (C) 3728
(2) and (3) of this section or section 3313.65 of the Revised 3729
Code and pay to the district of attendance that amount plus any 3730
amount required to be paid by the state. 3731

(K) In the event of a disagreement, the director of 3732
education and workforce shall determine the school district in 3733
which the parent resides. 3734

(L) Nothing in this section requires or authorizes, or 3735

shall be construed to require or authorize, the admission to a 3736
public school in this state of a pupil who has been permanently 3737
excluded from public school attendance by the director pursuant 3738
to sections 3301.121 and 3313.662 of the Revised Code. 3739

(M) In accordance with division (B)(1) of this section, a 3740
child whose parent is a member of the national guard or a 3741
reserve unit of the armed forces of the United States and is 3742
called to active duty, or a child whose parent is a member of 3743
the armed forces of the United States and is ordered to a 3744
temporary duty assignment outside of the district, may continue 3745
to attend school in the district in which the child's parent 3746
lived before being called to active duty or ordered to a 3747
temporary duty assignment outside of the district, as long as 3748
the child's parent continues to be a resident of that district, 3749
and regardless of where the child lives as a result of the 3750
parent's active duty status or temporary duty assignment. 3751
However, the district is not responsible for providing 3752
transportation for the child if the child lives outside of the 3753
district as a result of the parent's active duty status or 3754
temporary duty assignment. 3755

Sec. 3313.716. (A) Notwithstanding section 3313.713 of the 3756
Revised Code or any policy adopted under that section, a student 3757
of a school operated by a city, local, exempted village, or 3758
joint vocational school district or a student of a chartered 3759
nonpublic school may possess and use a metered dose inhaler or a 3760
dry powder inhaler to alleviate asthmatic symptoms, or before 3761
exercise to prevent the onset of asthmatic symptoms, if both of 3762
the following conditions are satisfied: 3763

(1) The student has the written approval of the student's 3764
physician, clinical nurse specialist, or certified nurse 3765

practitioner and, if the student is a minor, the written 3766
approval of the parent, guardian, or other person having care or 3767
charge of the student. The physician's or nurse's written 3768
approval shall include at least all of the following 3769
information: 3770

(a) The student's name and address; 3771

(b) The names and dose of the medication contained in the 3772
inhaler; 3773

(c) The date the administration of the medication is to 3774
begin; 3775

(d) The date, if known, that the administration of the 3776
medication is to cease; 3777

(e) Written instructions that outline procedures school 3778
personnel should follow in the event that the asthma medication 3779
does not produce the expected relief from the student's asthma 3780
attack; 3781

(f) Any severe adverse reactions that may occur to the 3782
child using the inhaler and that should be reported to the 3783
physician or nurse; 3784

(g) Any severe adverse reactions that may occur to another 3785
child, for whom the inhaler is not prescribed, should such a 3786
child receive a dose of the medication; 3787

(h) At least one emergency telephone number for contacting 3788
the physician or nurse in an emergency; 3789

(i) At least one emergency telephone number for contacting 3790
the parent, guardian, or other person having care or charge of 3791
the student in an emergency; 3792

(j) Any other special instructions from the physician or 3793
nurse. 3794

(2) The school principal and, if a school nurse is 3795
assigned to the student's school building, the school nurse has 3796
received copies of the written approvals required by division 3797
(A) (1) of this section. 3798

If these conditions are satisfied, the student may possess 3799
and use the inhaler at school or at any activity, event, or 3800
program sponsored by or in which the student's school is a 3801
participant. 3802

(B) (1) A school district, member of a school district 3803
board of education, or school district employee is not liable in 3804
damages in a civil action for injury, death, or loss to person 3805
or property allegedly arising from a district employee's 3806
prohibiting a student from using an inhaler because of the 3807
employee's good faith belief that the conditions of divisions 3808
(A) (1) and (2) of this section had not been satisfied. A school 3809
district, member of a school district board of education, or 3810
school district employee is not liable in damages in a civil 3811
action for injury, death, or loss to person or property 3812
allegedly arising from a district employee's permitting a 3813
student to use an inhaler because of the employee's good faith 3814
belief that the conditions of divisions (A) (1) and (2) of this 3815
section had been satisfied. Furthermore, when a school district 3816
is required by this section to permit a student to possess and 3817
use an inhaler because the conditions of divisions (A) (1) and 3818
(2) of this section have been satisfied, the school district, 3819
any member of the school district board of education, or any 3820
school district employee is not liable in damages in a civil 3821
action for injury, death, or loss to person or property 3822

allegedly arising from the use of the inhaler by a student for 3823
whom it was not prescribed. 3824

This section does not eliminate, limit, or reduce any 3825
other immunity or defense that a school district, member of a 3826
school district board of education, or school district employee 3827
may be entitled to under Chapter 2744. or any other provision of 3828
the Revised Code or under the common law of this state. 3829

(2) A chartered nonpublic school or any officer, director, 3830
or employee of the school is not liable in damages in a civil 3831
action for injury, death, or loss to person or property 3832
allegedly arising from a school employee's prohibiting a student 3833
from using an inhaler because of the employee's good faith 3834
belief that the conditions of divisions (A) (1) and (2) of this 3835
section had not been satisfied. A chartered nonpublic school or 3836
any officer, director, or employee of the school is not liable 3837
in damages in a civil action for injury, death, or loss to 3838
person or property allegedly arising from a school employee's 3839
permitting a student to use an inhaler because of the employee's 3840
good faith belief that the conditions of divisions (A) (1) and 3841
(2) of this section had been satisfied. Furthermore, when a 3842
chartered nonpublic school is required by this section to permit 3843
a student to possess and use an inhaler because the conditions 3844
of divisions (A) (1) and (2) of this section have been satisfied, 3845
the chartered nonpublic school or any officer, director, or 3846
employee of the school is not liable in damages in a civil 3847
action for injury, death, or loss to person or property 3848
allegedly arising from the use of the inhaler by a student for 3849
whom it was not prescribed. 3850

Sec. 3313.72. The board of education of a city, exempted 3851
village, or local school district may enter into a contract with 3852

a health district for the purpose of providing the services of a 3853
school physician, dentist, or nurse, including a clinical nurse 3854
specialist or certified nurse practitioner. The board may also 3855
enter into a contract under section 3313.721 of the Revised Code 3856
for the purpose of providing health care services to students. 3857

Sec. 3319.141. Each person who is employed by any board of 3858
education in this state, except for substitutes, adult education 3859
instructors who are scheduled to work the full-time equivalent 3860
of less than one hundred twenty days per school year, or persons 3861
who are employed on an as-needed, seasonal, or intermittent 3862
basis, shall be entitled to fifteen days sick leave with pay, 3863
for each year under contract, which shall be credited at the 3864
rate of one and one-fourth days per month. Teachers and regular 3865
nonteaching school employees, upon approval of the responsible 3866
administrative officer of the school district, may use sick 3867
leave for absence due to personal illness, pregnancy, injury, 3868
exposure to contagious disease which could be communicated to 3869
others, and for absence due to illness, injury, or death in the 3870
employee's immediate family. Unused sick leave shall be 3871
cumulative up to one hundred twenty work days, unless more than 3872
one hundred twenty days are approved by the employing board of 3873
education. The previously accumulated sick leave of a person who 3874
has been separated from public service, whether accumulated 3875
pursuant to section 124.38 of the Revised Code or pursuant to 3876
this section, shall be placed to the person's credit upon re- 3877
employment in the public service, provided that such re- 3878
employment takes place within ten years of the date of the last 3879
termination from public service. A teacher or nonteaching school 3880
employee who transfers from one public agency to another shall 3881
be credited with the unused balance of the teacher's or 3882
nonteaching employee's accumulated sick leave up to the maximum 3883

of the sick leave accumulation permitted in the public agency to 3884
which the employee transfers. Teachers and nonteaching school 3885
employees who render regular part-time, per diem, or hourly 3886
service shall be entitled to sick leave for the time actually 3887
worked at the same rate as that granted like full-time 3888
employees, calculated in the same manner as the ratio of sick 3889
leave granted to hours of service established by section 124.38 3890
of the Revised Code. Each board of education may establish 3891
regulations for the entitlement, crediting and use of sick leave 3892
by those substitute teachers employed by such board pursuant to 3893
section 3319.10 of the Revised Code who are not otherwise 3894
entitled to sick leave pursuant to such section. A board of 3895
education shall require a teacher or nonteaching school employee 3896
to furnish a written, signed statement on forms prescribed by 3897
such board to justify the use of sick leave. If medical 3898
attention is required, the employee's statement shall list the 3899
name and address of the attending physician, certified nurse- 3900
midwife, clinical nurse specialist, or certified nurse 3901
practitioner and the dates when the physician or nurse was 3902
consulted. Nothing in this section shall be construed to waive 3903
the physician-patient or advanced practice registered nurse- 3904
patient privilege provided by section 2317.02 of the Revised 3905
Code. Falsification of a statement is grounds for suspension or 3906
termination of employment under sections 3311.82, 3319.081, and 3907
3319.16 of the Revised Code. No sick leave shall be granted or 3908
credited to a teacher after the teacher's retirement or 3909
termination of employment. 3910

Except to the extent used as sick leave, leave granted 3911
under regulations adopted by a board of education pursuant to 3912
section 3311.77 or 3319.08 of the Revised Code shall not be 3913
charged against sick leave earned or earnable under this 3914

section. Nothing in this section shall be construed to affect in 3915
any other way the granting of leave pursuant to section 3311.77 3916
or 3319.08 of the Revised Code and any granting of sick leave 3917
pursuant to such section shall be charged against sick leave 3918
accumulated pursuant to this section. 3919

This section shall not be construed to interfere with any 3920
unused sick leave credit in any agency of government where 3921
attendance records are maintained and credit has been given for 3922
unused sick leave. Unused sick leave accumulated by teachers and 3923
nonteaching school employees under section 124.38 of the Revised 3924
Code shall continue to be credited toward the maximum 3925
accumulation permitted in accordance with this section. Each 3926
newly hired regular nonteaching and each regular nonteaching 3927
employee of any board of education who has exhausted the 3928
employee's accumulated sick leave shall be entitled to an 3929
advancement of not less than five days of sick leave each year, 3930
as authorized by rules which each board shall adopt, to be 3931
charged against the sick leave the employee subsequently 3932
accumulates under this section. 3933

This section shall be uniformly administered. 3934

Sec. 3319.143. Notwithstanding section 3319.141 of the 3935
Revised Code, the board of education of a city, exempted 3936
village, local or joint vocational school district may adopt a 3937
policy of assault leave by which an employee who is absent due 3938
to physical disability resulting from an assault which occurs in 3939
the course of board employment will be maintained on full pay 3940
status during the period of such absence. A board of education 3941
electing to effect such a policy of assault leave shall 3942
establish rules for the entitlement, crediting, and use of 3943
assault leave and file a copy of same with the department of 3944

education and workforce. A board of education adopting this 3945
policy shall require an employee to furnish a signed statement 3946
on forms prescribed by such board to justify the use of assault 3947
leave. If medical attention is required, a certificate from a 3948
licensed physician, certified nurse-midwife, clinical nurse 3949
specialist, or certified nurse practitioner stating the nature 3950
of the disability and its duration shall be required before 3951
assault leave can be approved for payment. Falsification of 3952
either ~~a signed~~ the statement or ~~a physician's~~ the certificate 3953
is ~~ground~~ grounds for suspension or termination of employment 3954
under section 3311.82 or 3319.16 of the Revised Code. 3955

Assault leave granted under rules adopted by a board of 3956
education pursuant to this section shall not be charged against 3957
sick leave earned or earnable under section 3319.141 of the 3958
Revised Code or leave granted under rules adopted by a board of 3959
education pursuant to section 3311.77 or 3319.08 of the Revised 3960
Code. This section shall be uniformly administered in those 3961
districts where such policy is adopted. 3962

Sec. 3321.04. Notwithstanding division (D) of section 3963
3311.19 and division (D) of section 3311.52 of the Revised Code, 3964
this section does not apply to any joint vocational or 3965
cooperative education school district or its superintendent. 3966

Every parent of any child of compulsory school age who is 3967
not employed under an age and schooling certificate or exempt 3968
under section 3321.042 of the Revised Code must send such child 3969
to a school or a special education program that conforms to the 3970
minimum standards prescribed by the director of education and 3971
workforce, for the full time the school or program attended is 3972
in session, which shall not be for less than thirty-two weeks 3973
per school year. Such attendance must begin within the first 3974

week of the school term or program or within one week of the 3975
date on which the child begins to reside in the district or 3976
within one week after the child's withdrawal from employment. 3977

For the purpose of operating a school or program on a 3978
trimester plan, "full time the school attended is in session," 3979
as used in this section means the two trimesters to which the 3980
child is assigned by the board of education. For the purpose of 3981
operating a school or program on a quarterly plan, "full time 3982
the school attended is in session," as used in this section, 3983
means the three quarters to which the child is assigned by the 3984
board of education. For the purpose of operating a school or 3985
program on a pentamester plan, "full time the school is in 3986
session," as used in this section, means the four pentamesters 3987
to which the child is assigned by the board of education. 3988

Excuses from future attendance at or past absence from 3989
school or a special education program may be granted for the 3990
causes, by the authorities, and under the following conditions: 3991

(A) The superintendent of the school district in which the 3992
child resides may excuse a child enrolled in the district from 3993
attendance for any part of the remainder of the current school 3994
year upon satisfactory showing of either of the following facts: 3995

(1) That the child's bodily or mental condition does not 3996
permit attendance at school or a special education program 3997
during such period; this fact is certified in writing by a 3998
licensed physician, clinical nurse specialist, or certified 3999
nurse practitioner or, in the case of a mental condition, by a 4000
licensed physician, a licensed clinical nurse specialist or 4001
certified nurse practitioner, a licensed psychologist, licensed 4002
school psychologist, or a certificated school psychologist; and 4003
provision is made for appropriate instruction of the child, in 4004

accordance with Chapter 3323. of the Revised Code; 4005

(2) That the child is being instructed at home by a person 4006
qualified to teach the branches in which instruction is 4007
required, and such additional branches, as the advancement and 4008
needs of the child may, in the opinion of such superintendent, 4009
require. In each such case the issuing superintendent shall file 4010
in the superintendent's office, with a copy of the excuse, 4011
papers showing how the inability of the child to attend school 4012
or a special education program or the qualifications of the 4013

Sec. 3701.031. (A) The director of health shall accept and 4162
administer grants received from the federal government or other 4163
sources, public or private, that are made available for use in 4164
monitoring, studying, and preventing pregnancy losses. To the 4165
extent that funding from grants is available, the director shall 4166
do the following: 4167

(1) Establish a population-based pregnancy loss registry 4168
to monitor the incidence of various types of pregnancy losses 4169
that occur in this state, make appropriate epidemiological 4170
studies to determine any causal relations of the pregnancy 4171
losses with occupational, nutritional, environmental, genetic, 4172
or infectious conditions, and determine what can be done to 4173
prevent such losses; 4174

(2) Advise, consult, cooperate with, and assist, by 4175
contract or otherwise, agencies of the state and federal 4176
government, agencies of governments of other states, agencies of 4177
political subdivisions of this state, universities, private 4178
organizations, corporations, and associations for the purpose of 4179
division (A) (1) of this section. 4180

(B) The director may adopt rules pursuant to Chapter 119. 4181
of the Revised Code to specify the reporting requirements for 4182
physicians, certified nurse-midwives, clinical nurse 4183
specialists, or certified nurse practitioners as necessary to 4184
accomplish the purposes of this section. 4185

(C) As used in this section, "~~Pregnancy~~ pregnancy loss" 4186
means a termination of pregnancy within the first twenty weeks 4187
of pregnancy either spontaneously or by means other than the 4188

Sec. 3701.046. The director of health is authorized to 4191
make grants for women's health services from funds appropriated 4192
for that purpose by the general assembly. 4193

None of the funds received through grants for women's 4194
health services shall be used to provide abortion services. None 4195
of the funds received through these grants shall be used for 4196
counseling for or referrals for abortion, except in the case of 4197
a medical emergency. These funds shall be distributed by the 4198
director to programs that the department of health determines 4199
will provide services that are physically and financially 4200
separate from abortion-providing and abortion-promoting 4201
activities, and that do not include counseling for or referrals 4202
for abortion, other than in the case of medical emergency. 4203

These women's health services include and are limited to 4204
the following: pelvic examinations and laboratory testing; 4205
breast examinations and patient education on breast cancer; 4206
screening for cervical cancer; screening and treatment for 4207
sexually transmitted diseases and HIV screening; voluntary 4208
choice of contraception, including abstinence and natural family 4209
planning; patient education and pre-pregnancy counseling on the 4210

dangers of smoking, alcohol, and drug use during pregnancy; 4211
education on sexual coercion and violence in relationships; and 4212
prenatal care or referral for prenatal care. These health care 4213
services shall be provided in a medical clinic setting by 4214
persons authorized under Chapter 4731. of the Revised Code to 4215
practice medicine and surgery or osteopathic medicine and 4216
surgery; authorized under Chapter 4730. of the Revised Code to 4217
practice as a physician assistant; licensed under Chapter 4723. 4218
of the Revised Code as a registered nurse, including an advanced 4219
practice registered nurse, or as a licensed practical nurse; or 4220
licensed under Chapter 4757. of the Revised Code as a social 4221
worker, independent social worker, licensed professional 4222
clinical counselor, or licensed professional counselor. 4223

The director shall adopt rules under Chapter 119. of the 4224
Revised Code specifying reasonable eligibility standards that 4225
must be met to receive the state funding and provide reasonable 4226
methods by which a grantee wishing to be eligible for federal 4227
funding may comply with these requirements for state funding 4228
without losing its eligibility for federal funding. 4229

Each applicant for these funds shall provide sufficient 4230
assurance to the director of all of the following: 4231

(A) The program shall not discriminate in the provision of 4232
services based on an individual's religion, race, national 4233
origin, disability, age, sex, number of pregnancies, or marital 4234
status; 4235

(B) The program shall provide services without subjecting 4236
individuals to any coercion to accept services or to employ any 4237
particular methods of family planning; 4238

(C) Acceptance of services shall be solely on a voluntary 4239

basis and may not be made a prerequisite to eligibility for, or 4240
receipt of, any other service, assistance from, or participation 4241
in, any other program of the service provider; 4242

(D) Any charges for services provided by the program shall 4243
be based on the patient's ability to pay and priority in the 4244
provision of services shall be given to persons from low-income 4245
families. 4246

In distributing these grant funds, the director shall give 4247
priority to grant requests from local departments of health for 4248
women's health services to be provided directly by personnel of 4249
the local department of health. The director shall issue a 4250
single request for proposals for all grants for women's health 4251
services. The director shall send a notification of this request 4252
for proposals to every local department of health in this state 4253
and shall place a notification on the department's web site. The 4254
director shall allow at least thirty days after issuing this 4255
notification before closing the period to receive applications. 4256

After the closing date for receiving grant applications, 4257
the director shall first consider grant applications from local 4258
departments of health that apply for grants for women's health 4259
services to be provided directly by personnel of the local 4260
department of health. Local departments of health that apply for 4261
grants for women's health services to be provided directly by 4262
personnel of the local department of health need not provide all 4263
the listed women's health services in order to qualify for a 4264
grant. However, in prioritizing awards among local departments 4265
of health that qualify for funding under this paragraph, the 4266
director may consider, among other reasonable factors, the 4267
comprehensiveness of the women's health services to be offered, 4268
provided that no local department of health shall be 4269

discriminated against in the process of awarding these grant 4270
funds because the applicant does not provide contraception. 4271

If funds remain after awarding grants to all local 4272
departments of health that qualify for the priority, the 4273
director may make grants to other applicants. Awards to other 4274
applicants may be made to those applicants that will offer all 4275
eight of the listed women's health services or that will offer 4276
all of the services except contraception. No applicant shall be 4277
discriminated against in the process of awarding these grant 4278
funds because the applicant does not provide contraception. 4279

Sec. 3701.144. (A) As used in this section, "cost sharing" 4280
has the same meaning as in section 3923.85 of the Revised Code. 4281

(B) The department of health shall administer the state's 4282
participation in the national breast and cervical cancer early 4283
detection program (NBCCEDP), which shall be known as the Ohio 4284
breast and cervical cancer project. The project shall be 4285
administered in accordance with Title XV of the "Public Health 4286

NBCCEDP grant agreement with the United States centers for 4288
disease control and prevention. 4289

(C) In administering the project, the department shall set 4290
eligibility requirements for services provided through the 4291

(2) One of the following must be the case: 4295

(a) The woman is not covered by health insurance. 4296

(b) The woman is covered by health insurance that does not 4297

include the screening or diagnostic services the woman seeks 4298
through the project. 4299

(c) The woman is covered by health insurance that imposes 4300
cost sharing for the screening or diagnostic services the woman 4301
seeks through the project that exceeds the limit specified ~~by~~ 4302
~~the director of health~~ in rules adopted under division (D) of 4303
this section. 4304

(3) In the case of a woman seeking cervical cancer 4305
screening and diagnostic services through the project, the woman 4306
must be at least twenty-one and less than sixty-five years of 4307
age. 4308

(4) In the case of a woman seeking breast cancer screening 4309
and diagnostic services through the project, either of the 4310
following must be the case: 4311

(a) The woman is at least forty years of age. 4312

(b) The woman is at least twenty-one and less than forty 4313
years of age and has been determined by a physician, certified 4314
nurse-midwife, clinical nurse specialist, or certified nurse 4315
practitioner to need breast cancer screening and diagnostic 4316
services due to the results of a clinical breast examination, 4317
the woman's family history, or other factors. 4318

(D) The director of health shall adopt rules for purposes 4319
of division (C) (2) (c) of this section specifying the cost 4320
sharing limit for each screening and diagnostic service that may 4321
be obtained through the project. The director may adopt other 4322
rules as necessary to implement this section. The rules shall be 4323
adopted in accordance with Chapter 119. of the Revised Code. 4324

specialists, certified nurse practitioners, or other care 4330
providers to whom the director shall refer persons who make 4331
inquiries to the department of health regarding possible 4332
exposure to tuberculosis. 4333

(2) The director shall engage in tuberculosis surveillance 4334
activities, including the collection and analysis of 4335
epidemiological information relative to the frequency of 4336
tuberculosis infection, demographic and geographic distribution 4337
of tuberculosis cases, and trends pertaining to tuberculosis. 4338

(3) The director shall maintain a tuberculosis registry to 4339
record the incidence of tuberculosis in this state. 4340

(4) The director may appoint physicians, certified nurse- 4341
midwives, clinical nurse specialists, or certified nurse 4342
practitioners to serve as tuberculosis consultants for 4343
geographic regions of the state specified by the director. Each 4344
tuberculosis consultant shall act in accordance with rules the 4345
director establishes and shall be responsible for advising and 4346
assisting physicians, certified nurse-midwives, clinical nurse 4347

adopted in accordance with Chapter 119. of the Revised Code and 4368
may be consistent with any recommendations or guidelines on 4369

control and prevention or by the American thoracic society. The 4371
rules shall apply to county or district tuberculosis control 4372
units, physicians, certified nurse-midwives, clinical nurse 4373
specialists, and certified nurse practitioners who examine and 4374
treat individuals for tuberculosis, and laboratories that 4375
perform tests for tuberculosis. 4376

midwife if authorized as described in section 4723.438 of the 4378
Revised Code, clinical nurse specialist, or certified nurse 4379

a health care facility who determines in accordance with the 4462
protocol established by the facility that a disclosure is 4463
authorized by division (B) (2) of this section is immune from 4464
liability to any person in a civil action for damages for 4465
injury, death, or loss to person or property resulting from the 4466
disclosure. 4467

(C) (1) Any person or government agency may seek access to 4468
or authority to disclose the HIV test records of an individual 4469
in accordance with the following provisions: 4470

(a) The person or government agency shall bring an action 4471

in a court of common pleas requesting disclosure of or authority 4472
to disclose the results of an HIV test of a specific individual, 4473
who shall be identified in the complaint by a pseudonym but 4474
whose name shall be communicated to the court confidentially, 4475
pursuant to a court order restricting the use of the name. The 4476
court shall provide the individual with notice and an 4477
opportunity to participate in the proceedings if the individual 4478
is not named as a party. Proceedings shall be conducted in 4479
chambers unless the individual agrees to a hearing in open 4480
court. 4481

(b) The court may issue an order granting the plaintiff 4482
access to or authority to disclose the test results only if the 4483
court finds by clear and convincing evidence that the plaintiff 4484
has demonstrated a compelling need for disclosure of the 4485
information that cannot be accommodated by other means. In 4486
assessing compelling need, the court shall weigh the need for 4487
disclosure against the privacy right of the individual tested 4488
and against any disservice to the public interest that might 4489
result from the disclosure, such as discrimination against the 4490
individual or the deterrence of others from being tested. 4491

(c) If the court issues an order, it shall guard against 4492
unauthorized disclosure by specifying the persons who may have 4493
access to the information, the purposes for which the 4494
information shall be used, and prohibitions against future 4495
disclosure. 4496

(2) A person or government agency that considers it 4497
necessary to disclose the results of an HIV test of a specific 4498
individual in an action in which it is a party may seek 4499
authority for the disclosure by filing an in camera motion with 4500
the court in which the action is being heard. In hearing the 4501

motion, the court shall employ procedures for confidentiality 4502
similar to those specified in division (C) (1) of this section. 4503
The court shall grant the motion only if it finds by clear and 4504
convincing evidence that a compelling need for the disclosure 4505
has been demonstrated. 4506

(3) Except for an order issued in a criminal prosecution 4507
or an order under division (C) (1) or (2) of this section 4508
granting disclosure of the result of an HIV test of a specific 4509
individual, a court shall not compel a blood bank, hospital 4510
blood center, or blood collection facility to disclose the 4511
result of HIV tests performed on the blood of voluntary donors 4512
in a way that reveals the identity of any donor. 4513

(4) In a civil action in which the plaintiff seeks to 4514
recover damages from an individual defendant based on an 4515
allegation that the plaintiff contracted the HIV virus as a 4516
result of actions of the defendant, the prohibitions against 4517
disclosure in this section do not bar discovery of the results 4518
of any HIV test given to the defendant or any diagnosis that the 4519
defendant has AIDS or an AIDS-related condition. 4520

(D) The results of an HIV test or the identity of an 4521
individual on whom an HIV test is performed or who is diagnosed 4522
as having AIDS or an AIDS-related condition may be disclosed to 4523
a federal, state, or local government agency, or the official 4524
representative of such an agency, for purposes of the medicaid 4525
program, the medicare program, or any other public assistance 4526
program. 4527

(E) Any disclosure pursuant to this section shall be in 4528
writing and accompanied by a written statement that includes the 4529
following or substantially similar language: "This information 4530
has been disclosed to you from confidential records protected 4531

from disclosure by state law. You shall make no further 4532
disclosure of this information without the specific, written, 4533
and informed release of the individual to whom it pertains, or 4534
as otherwise permitted by state law. A general authorization for 4535
the release of medical or other information is not sufficient 4536
for the purpose of the release of HIV test results or 4537
diagnoses." 4538

(F) An individual who knows that the individual has 4539
received a positive result on an HIV test or has been diagnosed 4540
as having AIDS or an AIDS-related condition shall disclose this 4541
information to any other person with whom the individual intends 4542
to make common use of a hypodermic needle or engage in sexual 4543
conduct as defined in section 2907.01 of the Revised Code. An 4544
individual's compliance with this division does not prohibit a 4545
prosecution of the individual for a violation of division (B) of 4546
section 2903.11 of the Revised Code. 4547

(G) Nothing in this section prohibits the introduction of 4548

criminal proceeding. 4550

provide services to, any individual solely because ~~he~~ the 4555
individual refuses to consent to an HIV test or to disclose HIV 4556
test results. 4557

(B) The prohibition contained in division (A) of this 4558
section does not prevent a physician, certified nurse-midwife, 4559
clinical nurse specialist, certified nurse practitioner, or a 4560
person licensed to practice dentistry under Chapter 4715. of the 4561

Revised Code from referring an individual ~~to the physician,~~ 4562
nurse, or dentist has reason to believe may have AIDS or an 4563
AIDS-related condition to an appropriate health care provider or 4564
facility, if the referral is based on reasonable professional 4565
judgment and not solely on grounds of the refusal of the 4566
individual to consent to an HIV test or to disclose the result 4567
of an HIV test. 4568

person shall be appointed to a position in the classified 7168
service within the bureau that the director of administrative 7169
services certifies is comparable in compensation to the position 7170
the person previously held in the classified service. Service in 7171
the position in the unclassified service shall be counted as 7172
service in the position in the classified service held by the 7173

unclassified service. When a person is reinstated to a position 7175
in the classified service as provided in this division, the 7176

administrator under this section are transferred to the bureau 7187
in their respective classifications but subject to reassignment 7188

and reclassification of position and compensation as the 7189
administrator determines to be in the interest of efficient 7190
administration. The civil service status of any person employed 7191
by the commission is not affected by this section. Personnel 7192
employed by the bureau or the commission who are subject to 7193
Chapter 4117. of the Revised Code shall retain all of their 7194
rights and benefits conferred pursuant to that chapter as it 7195
presently exists or is hereafter amended and nothing in this 7196
chapter or Chapter 4123. of the Revised Code shall be construed 7197
as eliminating or interfering with Chapter 4117. of the Revised 7198
Code or the rights and benefits conferred under that chapter to 7199
public employees or to any bargaining unit. 7200

(4) Provide offices, equipment, supplies, and other 7201

(14) Manage and operate a data processing system with a	7281
common data base for the use of both the bureau and the	7282
commission and, in consultation with the commission, using	7283
electronic data processing equipment, shall develop a claims	7284
tracking system that is sufficient to monitor the status of a	7285

Sec. 4121.32. (A) The rules covering operating procedure 7410
and criteria for decision-making that the administrator of 7411
workers' compensation and the industrial commission are required 7412
to adopt pursuant to section 4121.31 of the Revised Code shall 7413
be supplemented with operating manuals setting forth the 7414
procedural steps in detail for performing each of the assigned 7415
tasks of each section of the bureau of workers' compensation and 7416
commission. The administrator and commission jointly shall adopt 7417
such manuals. No employee may deviate from manual procedures 7418
without authorization of the section chief. 7419

(B) Manuals shall set forth the procedure for the 7420
assignment and transfer of claims within sections and be 7421
designed to provide performance objectives and may require 7422
employees to record sufficient data to reasonably measure the 7423
efficiency of functions in all sections. The bureau shall 7424

perform periodic cost-effectiveness analyses that shall be made 7425
available to the general assembly, the governor, and to the 7426
public during normal working hours. 7427

(C) The bureau and commission jointly shall develop, 7428
adopt, and use a policy manual setting forth the guidelines and 7429
bases for decision-making for any decision which is the 7430
responsibility of the bureau, district hearing officers, staff 7431
hearing officers, or the commission. Guidelines shall be set 7432

(D) The bureau shall establish, adopt, and implement 7450
policy guidelines and bases for decisions involving 7451

reimbursement issues including, but not limited to, the 7452
adjustment of invoices, the reduction of payments for future 7453
services when an internal audit concludes that a health care 7454
provider was overpaid or improperly paid for past services, 7455
reimbursement fees, or other adjustments to payments. These 7456
policy guidelines and bases for decisions, and any changes to 7457
the guidelines and bases, shall be set forth in a reimbursement 7458
manual and provider bulletins. 7459

Neither the policy guidelines nor the bases set forth in 7460

this division is a rule as defined in section 119.01 of the 7462
Revised Code. 7463

(E) With respect to any determination of disability under 7464
Chapter 4123. of the Revised Code, when the physician, certified 7465
nurse-midwife, clinical nurse specialist, or certified nurse 7466

evidence, the physician or nurse shall clearly indicate this 7469
fact in the physician's or nurse's report. 7470

(F) The administrator shall publish the manuals and make 7471
copies of all manuals available to interested parties at cost. 7472

Sec. 4121.36. (A) The industrial commission shall adopt 7473
rules as to the conduct of all hearings before the commission 7474
and its staff and district hearing officers and the rendering of 7475
a decision and shall focus such rules on managing, directing, 7476
and otherwise ensuring a fair, equitable, and uniform hearing 7477
process. These rules shall provide for at least the following 7478
steps and procedures: 7479

(1) Adequate notice to all parties and their 7480

representatives to ensure that no hearing is conducted unless	7481
all parties have the opportunity to be present and to present	7482
evidence and arguments in support of their positions or in	7483
rebuttal to the evidence or arguments of other parties;	7484
(2) A public hearing;	7485
(3) Written decisions;	7486
(4) Impartial assignment of staff and district hearing	7487
officers and assignment of appeals from a decision of the	7488
administrator of workers' compensation to a district hearing	7489
officer located at the commission service office that is the	7490
closest in geographic proximity to the claimant's residence;	7491
(5) Publication of a docket;	7492
(6) The securing of the attendance or testimony of	7493
witnesses;	7494
(7) Prehearing rules, including rules relative to	7495
discovery, the taking of depositions, and exchange of	7496
information relevant to a claim prior to the conduct of a	7497
hearing;	7498
(8) The issuance of orders by the district or staff	7499
hearing officer who renders the decision.	7500
(B) Every decision by a staff or district hearing officer	7501
or the commission shall be in writing and contain all of the	7502
following elements:	7503
(1) A concise statement of the order or award;	7504
(2) A notation as to notice provided and as to appearance	7505
of parties;	7506
(3) Signatures of each commissioner or appropriate hearing	7507

officer on the original copy of the decision only, verifying the 7508
commissioner's or hearing officer's vote; 7509

(4) Description of the part of the body and nature of the 7510
disability recognized in the claim. 7511

(C) The commission shall adopt rules that require the 7512
regular rotation of district hearing officers with respect to 7513
the types of matters under consideration and that ensure that no 7514
district or staff hearing officer or the commission hears a 7515
claim unless all interested and affected parties have the 7516
opportunity to be present and to present evidence and arguments 7517
in support of their positions or in rebuttal to the evidence or 7518
arguments of other parties. 7519

(D) All matters which, at the request of one of the 7520
parties or on the initiative of the administrator and any 7521
commissioner, are to be expedited, shall require at least forty- 7522
eight hours' notice, a public hearing, and a statement in any 7523
order of the circumstances that justified such expeditious 7524
hearings. 7525

(E) All meetings of the commission and district and staff 7526
hearing officers shall be public with adequate notice, including 7527
if necessary, to the claimant, the employer, their 7528
representatives, and the administrator. Confidentiality of 7529
medical evidence presented at a hearing does not constitute a 7530
sufficient ground to relieve the requirement of a public 7531
hearing, but the presentation of privileged or confidential 7532
evidence shall not create any greater right of public inspection 7533
of evidence than presently exists. 7534

(F) The commission shall compile all of its original 7535
memorandums, orders, and decisions in a journal and make the 7536

journal available to the public with sufficient indexing to 7537
allow orderly review of documents. The journal shall indicate 7538
the vote of each commissioner. 7539

(G) (1) All original orders, rules, and memoranda, and 7540
decisions of the commission shall contain the signatures of two 7541
of the three commissioners and state whether adopted at a 7542
meeting of the commission or by circulation to individual 7543
commissioners. Any facsimile or secretarial signature, initials 7544
of commissioners, and delegated employees, and any printed 7545
record of the "yes" and "no" vote of a commission member or of a 7546
hearing officer on such original is invalid. 7547

(2) Written copies of final decisions of district or staff 7548
hearing officers or the commission that are mailed to the 7549
administrator, employee, employer, and their respective 7550
representatives need not contain the signatures of the hearing 7551
officer or commission members if the hearing officer or 7552
commission members have complied with divisions (B) (3) and (G) 7553
(1) of this section. 7554

(H) The commission shall do both of the following: 7555

is in the unclassified civil service of the state and who serves 7557
at the pleasure of the commission. The trainer shall be an 7558
attorney registered to practice law in this state and have 7559
experience in training or education, and the ability to furnish 7560
the necessary training for district and staff hearing officers. 7561

The hearing officer trainer shall develop and periodically 7562
update a training manual and such other training materials and 7563
courses as will adequately prepare district and staff hearing 7564
officers for their duties under this chapter and Chapter 4123. 7565

of the Revised Code. All district and staff hearing officers 7566
shall undergo the training courses developed by the hearing 7567
officer trainer, the cost of which the commission shall pay. The 7568
commission shall make the hearing officer manual and all 7569
revisions thereto available to the public at cost. 7570

The commission shall have the final right of approval over 7571
all training manuals, courses, and other materials the hearing 7572
officer trainer develops and updates. 7573

classified civil service of the state, for each bureau service 7575

supervision of the hearing administrator. The hearing 7578
administrator shall do all of the following: 7579

(a) Assist the commission in ensuring that district 7580
hearing officers comply with the time limitations for the 7581
holding of hearings and issuance of orders under section 7582
4123.511 of the Revised Code. For that purpose, each hearing 7583
administrator shall prepare a monthly report identifying the 7584
status of all claims in its office and identifying specifically 7585
the claims which have not been decided within the time limits 7586
set forth in section 4123.511 of the Revised Code. The 7587
commission shall submit an annual report of all such reports to 7588
the standing committees of the house of representatives and of 7589
the state to which matters concerning workers' compensation are 7590
normally referred. 7591

(b) Provide information to requesting parties or their 7592
representatives on the status of their claim; 7593

(c) Issue compliance letters, upon a finding of good cause 7594

and without a formal hearing in all of the following areas:	7595
(i) Divisions (B) and (C) of section 4123.651 of the Revised Code;	7596 7597

(iv) The granting or denying of requests for continuances;	7602
(v) Matters involving section 4123.522 of the Revised Code;	7603 7604
(vi) Requests for conducting telephone pre-hearing conferences;	7605 7606
(vii) Any other matter that will cause a free exchange of information prior to the formal hearing.	7607 7608
(d) Ensure that claim files are reviewed by the district hearing officer prior to the hearing to ensure that there is sufficient information to proceed to a hearing;	7609 7610 7611
(e) Ensure that for occupational disease claims under section 4123.68 of the Revised Code that require a medical examination the medical examination is conducted prior to the hearing;	7612 7613 7614 7615
(f) Take the necessary steps to prepare a claim to proceed to a hearing where the parties agree and advise the hearing administrator that the claim is not ready for a hearing.	7616 7617 7618
(I) The commission shall permit any person direct access to information contained in electronic data processing equipment regarding the status of a claim in the hearing process. The	7619 7620 7621

information shall indicate the number of days that the claim has 7622
been in process, the number of days the claim has been in its 7623
current location, and the number of days in the current point of 7624
the process within that location. 7625

(J) (1) The industrial commission may establish an 7626
alternative dispute resolution process for workers' compensation 7627
claims that are within the commission's jurisdiction under 7628
Chapters 4121., 4123., 4127., and 4131. of the Revised Code when 7629
the commission determines that such a process is necessary. 7630
Notwithstanding sections 4121.34 and 4121.35 of the Revised 7631
Code, the commission may enter into personal service contracts 7632
with individuals who are qualified because of their education 7633
and experience to act as facilitators in the commission's 7634
alternative dispute resolution process. 7635

(2) The parties' use of the alternative dispute resolution 7636
process is voluntary, and requires the agreement of all 7637
necessary parties. The use of the alternative dispute resolution 7638
process does not alter the rights or obligations of the parties, 7639
nor does it delay the timelines set forth in section 4123.511 of 7640
the Revised Code. 7641

(3) The commission shall prepare monthly reports and 7642
submit those reports to the governor, the president of the 7643
senate, and the speaker of the house of representatives 7644
describing all of the following: 7645

(a) The names of each facilitator employed under a 7646
personal service contract; 7647

disputed issue. 7657

(4) The commission may adopt rules in accordance with 7658

This manual shall be available to the public at cost but shall 7668
be provided free to all physicians, certified nurse-midwives, 7669
clinical nurse specialists, and certified nurse practitioners 7670
who treat claimants or to whom claimants are referred for 7671
evaluation. The commission shall take steps to ensure that the 7672
manual receives the widest possible distribution to physicians, 7673
certified nurse-midwives, clinical nurse specialists, and 7674
certified nurse practitioners. 7675

(3) Develop a method of peer review of medical reports 7676
prepared by the commission referral ~~doctors~~ physicians; 7677

members who shall be specially trained in medical-legal 7681
analysis. The specialists shall write evaluations of medical- 7682

certified nurse-midwife, clinical nurse specialist, or certified 7688
nurse practitioner to whom a claimant is referred for 7689
examination receives all necessary medical information in the 7690
claim file about the claimant and a complete statement as to the 7691
purpose of the examination. 7692

(B) The commission may establish a medical section within 7693
the commission to perform the duties assigned to the commission 7694

perform their duties effectively. The ombudsperson program shall 7716
be funded out of the budget of the bureau and the chief 7717
ombudsperson and the ombudsperson system staff shall be carried 7718
on the bureau payroll. The chief ombudsperson and the 7719

(5) Not express any opinions as to the merit of a claim or 7740
the correctness of a decision by the various officers or 7741
agencies as the decision relates to a claim for benefits or 7742

For the purpose of carrying out the chief ombudsperson's 7744
duties, the chief ombudsperson or the ombudsperson system staff, 7745
notwithstanding sections 4123.27 and 4123.88 of the Revised 7746
Code, has the right at all reasonable times to examine the 7747
contents of a claim file and discuss with parties in interest 7748
the contents of the file as long as the ombudsperson does not 7749
divulge information that would tend to prejudice the case of 7750
either party to a claim or that would tend to compromise a 7751
privileged attorney-client or doctor-patient relationship, 7752
physician-patient relationship, or advanced practice registered 7753
nurse-patient relationship. 7754

(C) The chief ombudsperson shall: 7755

(1) Represent a claimant or employer in claims pending 7771
before or to be filed with the administrator, a district or 7772
staff hearing officer, the commission, or the courts of the 7773

undertake any such representation for a period of one year after 7775
the ombudsperson's or assistant ombudsperson's employment 7776
terminates or be eligible for employment by the bureau or the 7777
commission or as a district or staff hearing officer for one 7778
year; 7779

(2) Express any opinions as to the merit of a claim or the 7780

shall receive compensation at a level established by the 7784
nominating council commensurate with the individual's 7785

or related fields. The chief ombudsperson and assistant 7787
ombudspersons are full-time permanent employees in the 7788
unclassified service of the state and are entitled to all 7789
benefits that accrue to such employees, including, without 7790
limitation, sick, vacation, and personal leaves. Assistant 7791
ombudspersons serve at the pleasure of the chief ombudsperson. 7792

(F) In the event of a vacancy in the position of chief 7793
ombudsperson, the nominating council may appoint a person to 7794

appointed. The acting chief ombudsperson shall be under the 7796
direction and control of the nominating council and may be 7797
removed by the nominating council with or without just cause. 7798

Sec. 4123.19. The bureau of workers' compensation may make 7799
necessary expenditures to obtain statistical and other 7800
information to establish the classes provided for in section 7801
4123.29 of the Revised Code. 7802

The salaries and compensation of all of the actuaries, 7803
accountants, inspectors, examiners, experts, clerks, physicians, 7804
nurses, stenographers, and other assistants of the bureau, and 7805
all other expenses of the bureau, including the premium to be 7806
paid for the bond to be furnished by the treasurer of state 7807
pursuant to section 4123.42 of the Revised Code, shall be paid 7808
out of the workers' compensation fund pursuant to warrants 7809
signed by the administrator of workers' compensation. 7810

Sec. 4123.511. (A) Within seven days after receipt of any 7811
claim under this chapter, the bureau of workers' compensation 7812
shall notify the claimant and the employer of the claimant of 7813
the receipt of the claim and of the facts alleged therein. If 7814
the bureau receives from a person other than the claimant 7815
written or facsimile information or information communicated 7816
verbally over the telephone indicating that an injury or 7817
occupational disease has occurred or been contracted which may 7818
be compensable under this chapter, the bureau shall notify the 7819
employee and the employer of the information. If the information 7820
is provided verbally over the telephone, the person providing 7821
the information shall provide written verification of the 7822
information to the bureau according to division (E) of section 7823
4123.84 of the Revised Code. The receipt of the information in 7824
writing or facsimile, or if initially by telephone, the 7825

subsequent written verification, and the notice by the bureau 7826
shall be considered an application for compensation under 7827
section 4123.84 or 4123.85 of the Revised Code, provided that 7828
the conditions of division (E) of section 4123.84 of the Revised 7829
Code apply to information provided verbally over the telephone. 7830
Upon receipt of a claim, the bureau shall advise the claimant of 7831
the claim number assigned and the claimant's right to 7832
representation in the processing of a claim or to elect no 7833
representation. If the bureau determines that a claim is 7834
determined to be a compensable lost-time claim, the bureau shall 7835
notify the claimant and the employer of the availability of 7836
rehabilitation services. No bureau or industrial commission 7837
employee shall directly or indirectly convey any information in 7838
derogation of this right. This section shall in no way abrogate 7839
the bureau's responsibility to aid and assist a claimant in the 7840
filing of a claim and to advise the claimant of the claimant's 7841
rights under the law. 7842

The administrator of workers' compensation shall assign 7843
all claims and investigations to the bureau service office from 7844
which investigation and determination may be made most 7845
expeditiously. 7846

The bureau shall investigate the facts concerning an 7847
injury or occupational disease and ascertain such facts in 7848
whatever manner is most appropriate and may obtain statements ~~of~~ 7849
in whatever manner is most appropriate from any of the 7850
following: employee; employer; attending physician, certified 7851
nurse-midwife, clinical nurse specialist, or certified nurse 7852
practitioner; and witnesses ~~in whatever manner is most~~ 7853
appropriate. 7854

The administrator, with the advice and consent of the 7855

bureau of workers' compensation board of directors, may adopt 7856
rules that identify specified medical conditions that have a 7857
historical record of being allowed whenever included in a claim. 7858
The administrator may grant immediate allowance of any medical 7859
condition identified in those rules upon the filing of a claim 7860
involving that medical condition and may make immediate payment 7861
of medical bills for any medical condition identified in those 7862
rules that is included in a claim. If an employer contests the 7863
allowance of a claim involving any medical condition identified 7864
in those rules, and the claim is disallowed, payment for the 7865
medical condition included in that claim shall be charged to and 7866
paid from the surplus fund created under section 4123.34 of the 7867
Revised Code. 7868

(B) (1) Except as provided in division (B) (2) of this 7869
section, in claims other than those in which the employer is a 7870
self-insuring employer, if the administrator determines under 7871
division (A) of this section that a claimant is or is not 7872
entitled to an award of compensation or benefits, the 7873
administrator shall issue an order no later than twenty-eight 7874
days after the sending of the notice under division (A) of this 7875
section, granting or denying the payment of the compensation or 7876
benefits, or both as is appropriate to the claimant. 7877
Notwithstanding the time limitation specified in this division 7878
for the issuance of an order, if a medical examination of the 7879
claimant is required by statute, the administrator promptly 7880
shall schedule the claimant for that examination and shall issue 7881
an order no later than twenty-eight days after receipt of the 7882
report of the examination. The administrator shall notify the 7883
claimant and the employer of the claimant and their respective 7884
representatives in writing of the nature of the order and the 7885
amounts of compensation and benefit payments involved. The 7886

employer or claimant may appeal the order pursuant to division 7887
(C) of this section within fourteen days after the date of the 7888
receipt of the order. The employer and claimant may waive, in 7889
writing, their rights to an appeal under this division. 7890

(2) Notwithstanding the time limitation specified in 7891
division (B)(1) of this section for the issuance of an order, if 7892
the employer certifies a claim for payment of compensation or 7893
benefits, or both, to a claimant, and the administrator has 7894
completed the investigation of the claim, the payment of 7895
benefits or compensation, or both, as is appropriate, shall 7896
commence upon the later of the date of the certification or 7897
completion of the investigation and issuance of the order by the 7898
administrator, provided that the administrator shall issue the 7899
order no later than the time limitation specified in division 7900
(B)(1) of this section. 7901

(3) If an appeal is made under division (B)(1) or (2) of 7902
this section, the administrator shall forward the claim file to 7903
the appropriate district hearing officer within seven days of 7904
the appeal. In contested claims other than state fund claims, 7905
the administrator shall forward the claim within seven days of 7906
the administrator's receipt of the claim to the industrial 7907
commission, which shall refer the claim to an appropriate 7908
district hearing officer for a hearing in accordance with 7909
division (C) of this section. 7910

(C) If an employer or claimant timely appeals the order of 7911
the administrator issued under division (B) of this section or 7912
in the case of other contested claims other than state fund 7913
claims, the commission shall refer the claim to an appropriate 7914
district hearing officer according to rules the commission 7915
adopts under section 4121.36 of the Revised Code. The district 7916

hearing officer shall notify the parties and their respective 7917
representatives of the time and place of the hearing. 7918

The district hearing officer shall hold a hearing on a 7919
disputed issue or claim within forty-five days after the filing 7920
of the appeal under this division and issue a decision within 7921
seven days after holding the hearing. The district hearing 7922
officer shall notify the parties and their respective 7923
representatives in writing of the order. Any party may appeal an 7924
order issued under this division pursuant to division (D) of 7925
this section within fourteen days after receipt of the order 7926
under this division. 7927

(D) Upon the timely filing of an appeal of the order of 7928
the district hearing officer issued under division (C) of this 7929
section, the commission shall refer the claim file to an 7930
appropriate staff hearing officer according to its rules adopted 7931
under section 4121.36 of the Revised Code. The staff hearing 7932
officer shall hold a hearing within forty-five days after the 7933
filing of an appeal under this division and issue a decision 7934
within seven days after holding the hearing under this division. 7935
The staff hearing officer shall notify the parties and their 7936
respective representatives in writing of the staff hearing 7937
officer's order. Any party may appeal an order issued under this 7938
division pursuant to division (E) of this section within 7939
fourteen days after receipt of the order under this division. 7940

(E) Upon the filing of a timely appeal of the order of the 7941
staff hearing officer issued under division (D) of this section, 7942
the commission or a designated staff hearing officer, on behalf 7943
of the commission, shall determine whether the commission will 7944
hear the appeal. If the commission or the designated staff 7945
hearing officer decides to hear the appeal, the commission or 7946

the designated staff hearing officer shall notify the parties 7947
and their respective representatives in writing of the time and 7948
place of the hearing. The commission shall hold the hearing 7949
within forty-five days after the filing of the notice of appeal 7950
and, within seven days after the conclusion of the hearing, the 7951
commission shall issue its order affirming, modifying, or 7952
reversing the order issued under division (D) of this section. 7953
The commission shall notify the parties and their respective 7954
representatives in writing of the order. If the commission or 7955
the designated staff hearing officer determines not to hear the 7956
appeal, within fourteen days after the expiration of the period 7957
in which an appeal of the order of the staff hearing officer may 7958
be filed as provided in division (D) of this section, the 7959
commission or the designated staff hearing officer shall issue 7960
an order to that effect and notify the parties and their 7961
respective representatives in writing of that order. 7962

Except as otherwise provided in this chapter and Chapters 7963
4121., 4127., and 4131. of the Revised Code, any party may 7964
appeal an order issued under this division to the court pursuant 7965
to section 4123.512 of the Revised Code within sixty days after 7966
receipt of the order, subject to the limitations contained in 7967
that section. 7968

(F) Every notice of an appeal from an order issued under 7969
divisions (B), (C), (D), and (E) of this section shall state the 7970
names of the claimant and employer, the number of the claim, the 7971
date of the decision appealed from, and the fact that the 7972
appellant appeals therefrom. 7973

(G) All of the following apply to the proceedings under 7974
divisions (C), (D), and (E) of this section: 7975

(1) The parties shall proceed promptly and without 7976

continuances except for good cause; 7977

(2) The parties, in good faith, shall engage in the free 7978
exchange of information relevant to the claim prior to the 7979
conduct of a hearing according to the rules the commission 7980
adopts under section 4121.36 of the Revised Code; 7981

(3) The administrator is a party and may appear and 7982
participate at all administrative proceedings on behalf of the 7983
state insurance fund. However, in cases in which the employer is 7984
represented, the administrator shall neither present arguments 7985
nor introduce testimony that is cumulative to that presented or 7986
introduced by the employer or the employer's representative. The 7987
administrator may file an appeal under this section on behalf of 7988
the state insurance fund; however, except in cases arising under 7989
section 4123.343 of the Revised Code, the administrator only may 7990
appeal questions of law or issues of fraud when the employer 7991
appears in person or by representative. 7992

(H) Except as provided in section 4121.63 of the Revised 7993
Code and division (K) of this section, payments of compensation 7994
to a claimant or on behalf of a claimant as a result of any 7995
order issued under this chapter shall commence upon the earlier 7996
of the following: 7997

(1) Fourteen days after the date the administrator issues 7998
an order under division (B) of this section, unless that order 7999
is appealed; 8000

(2) The date when the employer has waived the right to 8001
appeal a decision issued under division (B) of this section; 8002

(3) If no appeal of an order has been filed under this 8003
section or to a court under section 4123.512 of the Revised 8004
Code, the expiration of the time limitations for the filing of 8005

an appeal of an order; 8006

(4) The date of receipt by the employer of an order of a 8007
district hearing officer, a staff hearing officer, or the 8008
industrial commission issued under division (C), (D), or (E) of 8009
this section. 8010

(I) Except as otherwise provided in division (B) of 8011
section 4123.66 of the Revised Code, payments of medical 8012
benefits payable under this chapter or Chapter 4121., 4127., or 8013
4131. of the Revised Code shall commence upon the earlier of the 8014
following: 8015

(1) The date of the issuance of the staff hearing 8016
officer's order under division (D) of this section; 8017

(2) The date of the final administrative or judicial 8018
determination. 8019

(J) The administrator shall charge the compensation 8020
payments made in accordance with division (H) of this section or 8021
medical benefits payments made in accordance with division (I) 8022
of this section to an employer's experience immediately after 8023
the employer has exhausted the employer's administrative appeals 8024
as provided in this section or has waived the employer's right 8025
to an administrative appeal under division (B) of this section, 8026
subject to the adjustment specified in division (H) of section 8027
4123.512 of the Revised Code. 8028

(K) Upon the final administrative or judicial 8029
determination under this section or section 4123.512 of the 8030
Revised Code of an appeal of an order to pay compensation, if a 8031
claimant is found to have received compensation pursuant to a 8032
prior order which is reversed upon subsequent appeal, the 8033
claimant's employer, if a self-insuring employer, or the bureau, 8034

shall withhold from any amount to which the claimant becomes 8035
entitled pursuant to any claim, past, present, or future, under 8036
Chapter 4121., 4123., 4127., or 4131. of the Revised Code, the 8037
amount of previously paid compensation to the claimant which, 8038
due to reversal upon appeal, the claimant is not entitled, 8039
pursuant to the following criteria: 8040

(1) No withholding for the first twelve weeks of temporary 8041
total disability compensation pursuant to section 4123.56 of the 8042
Revised Code shall be made; 8043

(2) Forty per cent of all awards of compensation paid 8044
pursuant to sections 4123.56 and 4123.57 of the Revised Code, 8045
until the amount overpaid is refunded; 8046

(3) Twenty-five per cent of any compensation paid pursuant 8047
to section 4123.58 of the Revised Code until the amount overpaid 8048
is refunded; 8049

(4) If, pursuant to an appeal under section 4123.512 of 8050
the Revised Code, the court of appeals or the supreme court 8051
reverses the allowance of the claim, then no amount of any 8052
compensation will be withheld. 8053

The administrator and self-insuring employers, as 8054
appropriate, are subject to the repayment schedule of this 8055
division only with respect to an order to pay compensation that 8056
was properly paid under a previous order, but which is 8057
subsequently reversed upon an administrative or judicial appeal. 8058
The administrator and self-insuring employers are not subject 8059
to, but may utilize, the repayment schedule of this division, or 8060
any other lawful means, to collect payment of compensation made 8061
to a person who was not entitled to the compensation due to 8062
fraud as determined by the administrator or the industrial 8063

commission. 8064

(L) If a staff hearing officer or the commission fails to 8065
issue a decision or the commission fails to refuse to hear an 8066
appeal within the time periods required by this section, 8067
payments to a claimant shall cease until the staff hearing 8068
officer or commission issues a decision or hears the appeal, 8069
unless the failure was due to the fault or neglect of the 8070
employer or the employer agrees that the payments should 8071
continue for a longer period of time. 8072

(M) Except as otherwise provided in this section or 8073
section 4123.522 of the Revised Code, no appeal is timely filed 8074
under this section unless the appeal is filed with the time 8075
limits set forth in this section. 8076

(N) No person who is not an employee of the bureau or 8077
commission or who is not by law given access to the contents of 8078
a claims file shall have a file in the person's possession. 8079

(O) Upon application of a party who resides in an area in 8080
which an emergency or disaster is declared, the industrial 8081
commission and hearing officers of the commission may waive the 8082
time frame within which claims and appeals of claims set forth 8083
in this section must be filed upon a finding that the applicant 8084
was unable to comply with a filing deadline due to an emergency 8085
or a disaster. 8086

As used in this division: 8087

(1) "Emergency" means any occasion or instance for which 8088
the governor of Ohio or the president of the United States 8089
publicly declares an emergency and orders state or federal 8090
assistance to save lives and protect property, the public health 8091
and safety, or to lessen or avert the threat of a catastrophe. 8092

(2) "Disaster" means any natural catastrophe or fire, 8093
flood, or explosion, regardless of the cause, that causes damage 8094
of sufficient magnitude that the governor of Ohio or the 8095
president of the United States, through a public declaration, 8096
orders state or federal assistance to alleviate damage, loss, 8097
hardship, or suffering that results from the occurrence. 8098

Sec. 4123.512. (A) The claimant or the employer may appeal 8099
an order of the industrial commission made under division (E) of 8100
section 4123.511 of the Revised Code in any injury or 8101
occupational disease case, other than a decision as to the 8102
extent of disability to the court of common pleas of the county 8103
in which the injury was inflicted or in which the contract of 8104
employment was made if the injury occurred outside the state, or 8105
in which the contract of employment was made if the exposure 8106
occurred outside the state. If no common pleas court has 8107
jurisdiction for the purposes of an appeal by the use of the 8108
jurisdictional requirements described in this division, the 8109
appellant may use the venue provisions in the Rules of Civil 8110
Procedure to vest jurisdiction in a court. If the claim is for 8111
an occupational disease, the appeal shall be to the court of 8112
common pleas of the county in which the exposure which caused 8113
the disease occurred. Like appeal may be taken from an order of 8114
a staff hearing officer made under division (D) of section 8115
4123.511 of the Revised Code from which the commission has 8116
refused to hear an appeal. Except as otherwise provided in this 8117
division, the appellant shall file the notice of appeal with a 8118
court of common pleas within sixty days after the date of the 8119
receipt of the order appealed from or the date of receipt of the 8120
order of the commission refusing to hear an appeal of a staff 8121
hearing officer's decision under division (D) of section 8122
4123.511 of the Revised Code. Either the claimant or the 8123

employer may file a notice of an intent to settle the claim 8124
within thirty days after the date of the receipt of the order 8125
appealed from or of the order of the commission refusing to hear 8126
an appeal of a staff hearing officer's decision. The claimant or 8127
employer shall file notice of intent to settle with the 8128
administrator of workers' compensation, and the notice shall be 8129
served on the opposing party and the party's representative. The 8130
filing of the notice of intent to settle extends the time to 8131
file an appeal to one hundred fifty days, unless the opposing 8132
party files an objection to the notice of intent to settle 8133
within fourteen days after the date of the receipt of the notice 8134
of intent to settle. The party shall file the objection with the 8135
administrator, and the objection shall be served on the party 8136
that filed the notice of intent to settle and the party's 8137
representative. The filing of the notice of the appeal with the 8138
court is the only act required to perfect the appeal. 8139

If an action has been commenced in a court of a county 8140
other than a court of a county having jurisdiction over the 8141
action, the court, upon notice by any party or upon its own 8142
motion, shall transfer the action to a court of a county having 8143
jurisdiction. 8144

Notwithstanding anything to the contrary in this section, 8145
if the commission determines under section 4123.522 of the 8146
Revised Code that an employee, employer, or their respective 8147
representatives have not received written notice of an order or 8148
decision which is appealable to a court under this section and 8149
which grants relief pursuant to section 4123.522 of the Revised 8150
Code, the party granted the relief has sixty days from receipt 8151
of the order under section 4123.522 of the Revised Code to file 8152
a notice of appeal under this section. 8153

(B) The notice of appeal shall state the names of the administrator of workers' compensation, the claimant, and the employer; the number of the claim; the date of the order appealed from; and the fact that the appellant appeals therefrom.

The administrator, the claimant, and the employer shall be parties to the appeal and the court, upon the application of the commission, shall make the commission a party. The party filing the appeal shall serve a copy of the notice of appeal on the administrator at the central office of the bureau of workers' compensation in Columbus. The administrator shall notify the employer that if the employer fails to become an active party to the appeal, then the administrator may act on behalf of the employer and the results of the appeal could have an adverse effect upon the employer's premium rates or may result in a recovery from the employer if the employer is determined to be a noncomplying employer under section 4123.75 of the Revised Code.

(C) The attorney general or one or more of the attorney general's assistants or special counsel designated by the attorney general shall represent the administrator and the commission. In the event the attorney general or the attorney general's designated assistants or special counsel are absent, the administrator or the commission shall select one or more of the attorneys in the employ of the administrator or the commission as the administrator's attorney or the commission's attorney in the appeal. Any attorney so employed shall continue the representation during the entire period of the appeal and in all hearings thereof except where the continued representation becomes impractical.

(D) Upon receipt of notice of appeal, the clerk of courts

shall provide notice to all parties who are appellees and to the 8184
commission. 8185

The claimant shall, within thirty days after the filing of 8186
the notice of appeal, file a petition containing a statement of 8187
facts in ordinary and concise language showing a cause of action 8188
to participate or to continue to participate in the fund and 8189
setting forth the basis for the jurisdiction of the court over 8190
the action. Further pleadings shall be had in accordance with 8191
the Rules of Civil Procedure, provided that service of summons 8192
on such petition shall not be required and provided that the 8193
claimant may not dismiss the complaint without the employer's 8194
consent if the employer is the party that filed the notice of 8195
appeal to court pursuant to this section. The clerk of the court 8196
shall, upon receipt thereof, transmit by certified mail a copy 8197
thereof to each party named in the notice of appeal other than 8198
the claimant. Any party may file with the clerk prior to the 8199
trial of the action a deposition of any physician, certified 8200
nurse-midwife, clinical nurse specialist, or certified nurse 8201
practitioner taken in accordance with the provisions of the 8202
Revised Code, which deposition may be read in the trial of the 8203
action even though the physician or nurse is a resident of or 8204
subject to service in the county in which the trial is had. The 8205
bureau of workers' compensation shall pay the cost of the 8206
deposition filed in court and of copies of the deposition for 8207
each party from the surplus fund and charge the costs thereof 8208
against the unsuccessful party if the claimant's right to 8209
participate or continue to participate is finally sustained or 8210
established in the appeal. In the event the deposition is taken 8211
and filed, the physician or nurse whose deposition is taken is 8212
not required to respond to any subpoena issued in the trial of 8213
the action. The court, or the jury under the instructions of the 8214

court, if a jury is demanded, shall determine the right of the 8215
claimant to participate or to continue to participate in the 8216
fund upon the evidence adduced at the hearing of the action. 8217

(E) The court shall certify its decision to the commission 8218
and the certificate shall be entered in the records of the 8219
court. Appeals from the judgment are governed by the law 8220
applicable to the appeal of civil actions. 8221

(F) The cost of any legal proceedings authorized by this 8222
section, including an attorney's fee to the claimant's attorney 8223
to be fixed by the trial judge, based upon the effort expended, 8224
in the event the claimant's right to participate or to continue 8225
to participate in the fund is established upon the final 8226
determination of an appeal, shall be taxed against the employer 8227
or the commission if the commission or the administrator rather 8228
than the employer contested the right of the claimant to 8229
participate in the fund. The attorney's fee shall not exceed 8230
five thousand dollars. 8231

(G) If the finding of the court or the verdict of the jury 8232
is in favor of the claimant's right to participate in the fund, 8233
the commission and the administrator shall thereafter proceed in 8234
the matter of the claim as if the judgment were the decision of 8235
the commission, subject to the power of modification provided by 8236
section 4123.52 of the Revised Code. 8237

(H) (1) An appeal from an order issued under division (E) 8238
of section 4123.511 of the Revised Code or any action filed in 8239
court in a case in which an award of compensation or medical 8240
benefits has been made shall not stay the payment of 8241
compensation or medical benefits under the award, or payment for 8242
subsequent periods of total disability or medical benefits 8243
during the pendency of the appeal. If, in a final administrative 8244

or judicial action, it is determined that payments of 8245
compensation or benefits, or both, made to or on behalf of a 8246
claimant should not have been made, the amount thereof shall be 8247
charged to the surplus fund account under division (B) of 8248
section 4123.34 of the Revised Code. In the event the employer 8249
is a state risk, the amount shall not be charged to the 8250
employer's experience, and the administrator shall adjust the 8251
employer's account accordingly. In the event the employer is a 8252
self-insuring employer, the self-insuring employer shall deduct 8253
the amount from the paid compensation the self-insuring employer 8254
reports to the administrator under division (L) of section 8255
4123.35 of the Revised Code. If an employer is a state risk and 8256
has paid an assessment for a violation of a specific safety 8257
requirement, and, in a final administrative or judicial action, 8258
it is determined that the employer did not violate the specific 8259
safety requirement, the administrator shall reimburse the 8260
employer from the surplus fund account under division (B) of 8261
section 4123.34 of the Revised Code for the amount of the 8262
assessment the employer paid for the violation. 8263

(2) (a) Notwithstanding a final determination that payments 8264
of benefits made to or on behalf of a claimant should not have 8265
been made, the administrator or self-insuring employer shall 8266
award payment of medical or vocational rehabilitation services 8267
submitted for payment after the date of the final determination 8268
if all of the following apply: 8269

(i) The services were approved and were rendered by the 8270
provider in good faith prior to the date of the final 8271
determination. 8272

(ii) The services were payable under division (I) of 8273
section 4123.511 of the Revised Code prior to the date of the 8274

final determination. 8275

(iii) The request for payment is submitted within the time 8276
limit set forth in section 4123.52 of the Revised Code. 8277

(b) Payments made under division (H) (1) of this section 8278
shall be charged to the surplus fund account under division (B) 8279
of section 4123.34 of the Revised Code. If the employer of the 8280
employee who is the subject of a claim described in division (H) 8281
(2) (a) of this section is a state fund employer, the payments 8282
made under that division shall not be charged to the employer's 8283
experience. If that employer is a self-insuring employer, the 8284
self-insuring employer shall deduct the amount from the paid 8285
compensation the self-insuring employer reports to the 8286
administrator under division (L) of section 4123.35 of the 8287
Revised Code. 8288

(c) Division (H) (2) of this section shall apply only to a 8289
claim under this chapter or Chapter 4121., 4127., or 4131. of 8290
the Revised Code arising on or after July 29, 2011. 8291

(3) A self-insuring employer may elect to pay compensation 8292
and benefits under this section directly to an employee or an 8293
employee's dependents by filing an application with the bureau 8294
of workers' compensation not more than one hundred eighty days 8295
and not less than ninety days before the first day of the 8296
employer's next six-month coverage period. If the self-insuring 8297
employer timely files the application, the application is 8298
effective on the first day of the employer's next six-month 8299
coverage period, provided that the administrator shall compute 8300
the employer's assessment for the surplus fund account due with 8301
respect to the period during which that application was filed 8302
without regard to the filing of the application. On and after 8303
the effective date of the employer's election, the self-insuring 8304

employer shall pay directly to an employee or to an employee's 8305
dependents compensation and benefits under this section 8306
regardless of the date of the injury or occupational disease, 8307
and the employer shall receive no money or credits from the 8308
surplus fund account on account of those payments and shall not 8309
be required to pay any amounts into the surplus fund account on 8310
account of this section. The election made under this division 8311
is irrevocable. 8312

(I) All actions and proceedings under this section which 8313
are the subject of an appeal to the court of common pleas or the 8314
court of appeals shall be preferred over all other civil actions 8315
except election causes, irrespective of position on the 8316
calendar. 8317

This section applies to all decisions of the commission or 8318
the administrator on November 2, 1959, and all claims filed 8319
thereafter are governed by sections 4123.511 and 4123.512 of the 8320
Revised Code. 8321

Any action pending in common pleas court or any other 8322
court on January 1, 1986, under this section is governed by 8323
former sections 4123.514, 4123.515, 4123.516, and 4123.519 and 8324
section 4123.522 of the Revised Code. 8325

Sec. 4123.54. (A) Except as otherwise provided in this 8326
division or divisions (I) and (K) of this section, every 8327
employee, who is injured or who contracts an occupational 8328
disease, and the dependents of each employee who is killed, or 8329
dies as the result of an occupational disease contracted in the 8330
course of employment, wherever the injury has occurred or 8331
occupational disease has been contracted, is entitled to receive 8332
the compensation for loss sustained on account of the injury, 8333
occupational disease, or death, and the medical, nurse, and 8334

hospital services and medicines, and the amount of funeral 8335
expenses in case of death, as are provided by this chapter. The 8336
compensation and benefits shall be provided, as applicable, 8337
directly from the employee's self-insuring employer as provided 8338
in section 4123.35 of the Revised Code or from the state 8339
insurance fund. An employee or dependent is not entitled to 8340
receive compensation or benefits under this division if the 8341
employee's injury or occupational disease is either of the 8342
following: 8343

(1) Purposely self-inflicted; 8344

(2) Caused by the employee being intoxicated, under the 8345
influence of a controlled substance not prescribed by a 8346
physician, certified nurse-midwife, clinical nurse specialist, 8347
or certified nurse practitioner, or under the influence of 8348
marihuana if being intoxicated, under the influence of a 8349
controlled substance not prescribed by a physician, certified 8350
nurse-midwife, clinical nurse specialist, or certified nurse 8351
practitioner, or under the influence of marihuana was the 8352
proximate cause of the injury. 8353

(B) For the purpose of this section, provided that an 8354
employer has posted written notice to employees that the results 8355
of, or the employee's refusal to submit to, any chemical test 8356
described under this division may affect the employee's 8357
eligibility for compensation and benefits pursuant to this 8358
chapter and Chapter 4121. of the Revised Code, there is a 8359
rebuttable presumption that an employee is intoxicated, under 8360
the influence of a controlled substance not prescribed by the 8361
employee's physician, certified nurse-midwife, clinical nurse 8362
specialist, or certified nurse practitioner, or under the 8363
influence of marihuana and that being intoxicated, under the 8364

influence of a controlled substance not prescribed by the 8365
employee's physician, certified nurse-midwife, clinical nurse 8366
specialist, or certified nurse practitioner, or under the 8367
influence of marihuana is the proximate cause of an injury under 8368
either of the following conditions: 8369

(1) When any one or more of the following is true: 8370

(a) The employee, through a qualifying chemical test 8371
administered within eight hours of an injury, is determined to 8372
have an alcohol concentration level equal to or in excess of the 8373
levels established in divisions (A) (1) (b) to (i) of section 8374
4511.19 of the Revised Code. 8375

(b) The employee, through a qualifying chemical test 8376
administered within thirty-two hours of an injury, is determined 8377
to have a controlled substance not prescribed by the employee's 8378
physician, certified nurse-midwife, clinical nurse specialist, 8379
or certified nurse practitioner or marihuana in the employee's 8380
system at a level equal to or in excess of the cutoff 8381
concentration level for the particular substance as provided in 8382
section 40.87 of Title 49 of the Code of Federal Regulations, 49 8383
C.F.R. 40.87, as amended. 8384

(c) The employee, through a qualifying chemical test 8385
administered within thirty-two hours of an injury, is determined 8386
to have barbiturates, benzodiazepines, or methadone in the 8387
employee's system that tests above levels established by 8388
laboratories certified by the United States department of health 8389
and human services. 8390

(2) When the employee refuses to submit to a requested 8391
chemical test, on the condition that that employee is or was 8392
given notice that the refusal to submit to any chemical test 8393

described in division (B) (1) of this section may affect the 8394
employee's eligibility for compensation and benefits under this 8395
chapter and Chapter 4121. of the Revised Code. 8396

(C) (1) For purposes of division (B) of this section, a 8397
chemical test is a qualifying chemical test if it is 8398
administered to an employee after an injury under at least one 8399
of the following conditions: 8400

(a) When the employee's employer had reasonable cause to 8401
suspect that the employee may be intoxicated, under the 8402
influence of a controlled substance not prescribed by the 8403
employee's physician, certified nurse-midwife, clinical nurse 8404
specialist, or certified nurse practitioner, or under the 8405
influence of marihuana; 8406

(b) At the request of a police officer pursuant to section 8407
4511.191 of the Revised Code, and not at the request of the 8408
employee's employer; 8409

(c) At the request of a licensed physician, certified 8410
nurse-midwife, clinical nurse specialist, or certified nurse 8411
practitioner who is not employed by the employee's employer, and 8412
not at the request of the employer's employer. 8413

(2) As used in division (C) (1) (a) of this section, 8414
"reasonable cause" means, but is not limited to, evidence that 8415
an employee is or was using alcohol, a controlled substance, or 8416
marihuana drawn from specific, objective facts and reasonable 8417
inferences drawn from these facts in light of experience and 8418
training. These facts and inferences may be based on, but are 8419
not limited to, any of the following: 8420

(a) Observable phenomena, such as direct observation of 8421
use, possession, or distribution of alcohol, a controlled 8422

substance, or marihuana, or of the physical symptoms of being 8423
under the influence of alcohol, a controlled substance, or 8424
marihuana, such as but not limited to slurred speech; dilated 8425
pupils; odor of alcohol, a controlled substance, or marihuana; 8426
changes in affect; or dynamic mood swings; 8427

(b) A pattern of abnormal conduct, erratic or aberrant 8428
behavior, or deteriorating work performance such as frequent 8429
absenteeism, excessive tardiness, or recurrent accidents, that 8430
appears to be related to the use of alcohol, a controlled 8431
substance, or marihuana, and does not appear to be attributable 8432
to other factors; 8433

(c) The identification of an employee as the focus of a 8434
criminal investigation into unauthorized possession, use, or 8435
trafficking of a controlled substance or marihuana; 8436

(d) A report of use of alcohol, a controlled substance, or 8437
marihuana provided by a reliable and credible source; 8438

(e) Repeated or flagrant violations of the safety or work 8439
rules of the employee's employer, that are determined by the 8440
employee's supervisor to pose a substantial risk of physical 8441
injury or property damage and that appear to be related to the 8442
use of alcohol, a controlled substance, or marihuana and that do 8443
not appear attributable to other factors. 8444

(D) Nothing in this section shall be construed to affect 8445
the rights of an employer to test employees for alcohol or 8446
controlled substance abuse. 8447

(E) For the purpose of this section, laboratories 8448
certified by the United States department of health and human 8449
services or laboratories that meet or exceed the standards of 8450
that department for laboratory certification shall be used for 8451

processing the test results of a qualifying chemical test. 8452

(F) The written notice required by division (B) of this 8453
section shall be the same size or larger than the proof of 8454
workers' compensation coverage furnished by the bureau of 8455
workers' compensation and shall be posted by the employer in the 8456
same location as the proof of workers' compensation coverage or 8457
the certificate of self-insurance. 8458

(G) If a condition that pre-existed an injury is 8459
substantially aggravated by the injury, and that substantial 8460
aggravation is documented by objective diagnostic findings, 8461
objective clinical findings, or objective test results, no 8462
compensation or benefits are payable because of the pre-existing 8463
condition once that condition has returned to a level that would 8464
have existed without the injury. 8465

(H) (1) Whenever, with respect to an employee of an 8466
employer who is subject to and has complied with this chapter, 8467
there is possibility of conflict with respect to the application 8468
of workers' compensation laws because the contract of employment 8469
is entered into and all or some portion of the work is or is to 8470
be performed in a state or states other than Ohio, the employer 8471
and the employee may agree to be bound by the laws of this state 8472
or by the laws of some other state in which all or some portion 8473
of the work of the employee is to be performed. The agreement 8474
shall be in writing and shall be filed with the bureau of 8475
workers' compensation within ten days after it is executed and 8476
shall remain in force until terminated or modified by agreement 8477
of the parties similarly filed. If the agreement is to be bound 8478
by the laws of this state and the employer has complied with 8479
this chapter, then the employee is entitled to compensation and 8480
benefits regardless of where the injury occurs or the disease is 8481

contracted and the rights of the employee and the employee's 8482
dependents under the laws of this state are the exclusive remedy 8483
against the employer on account of injury, disease, or death in 8484
the course of and arising out of the employee's employment. If 8485
the agreement is to be bound by the laws of another state and 8486
the employer has complied with the laws of that state, the 8487
rights of the employee and the employee's dependents under the 8488
laws of that state are the exclusive remedy against the employer 8489
on account of injury, disease, or death in the course of and 8490
arising out of the employee's employment without regard to the 8491
place where the injury was sustained or the disease contracted. 8492
If an employer and an employee enter into an agreement under 8493
this division, the fact that the employer and the employee 8494
entered into that agreement shall not be construed to change the 8495
status of an employee whose continued employment is subject to 8496
the will of the employer or the employee, unless the agreement 8497
contains a provision that expressly changes that status. 8498

(2) If an employee or the employee's dependents receive an 8499
award of compensation or benefits under this chapter or Chapter 8500
4121., 4127., or 4131. of the Revised Code for the same injury, 8501
occupational disease, or death for which the employee or the 8502
employee's dependents previously pursued or otherwise elected to 8503
accept workers' compensation benefits and received a decision on 8504
the merits as defined in section 4123.542 of the Revised Code 8505
under the laws of another state or recovered damages under the 8506
laws of another state, the claim shall be disallowed and the 8507
administrator or any self-insuring employer, by any lawful 8508
means, may collect from the employee or the employee's 8509
dependents any of the following: 8510

(a) The amount of compensation or benefits paid to or on 8511
behalf of the employee or the employee's dependents by the 8512

administrator or a self-insuring employer pursuant to this 8513
chapter or Chapter 4121., 4127., or 4131. of the Revised Code 8514
for that award; 8515

(b) Any interest, attorney's fees, and costs the 8516
administrator or the self-insuring employer incurs in collecting 8517
that payment. 8518

(3) If an employee or the employee's dependents receive an 8519
award of compensation or benefits under this chapter or Chapter 8520
4121., 4127., or 4131. of the Revised Code and subsequently 8521
pursue or otherwise elect to accept workers' compensation 8522
benefits or damages under the laws of another state for the same 8523
injury, occupational disease, or death the claim under this 8524
chapter or Chapter 4121., 4127., or 4131. of the Revised Code 8525
shall be disallowed. The administrator or a self-insuring 8526
employer, by any lawful means, may collect from the employee or 8527
the employee's dependents or other-states' insurer any of the 8528
following: 8529

(a) The amount of compensation or benefits paid to or on 8530
behalf of the employee or the employee's dependents by the 8531
administrator or the self-insuring employer pursuant to this 8532
chapter or Chapter 4121., 4127., or 4131. of the Revised Code 8533
for that award; 8534

(b) Any interest, costs, and attorney's fees the 8535
administrator or the self-insuring employer incurs in collecting 8536
that payment; 8537

(c) Any costs incurred by an employer in contesting or 8538
responding to any claim filed by the employee or the employee's 8539
dependents for the same injury, occupational disease, or death 8540
that was filed after the original claim for which the employee 8541

or the employee's dependents received a decision on the merits 8542
as described in section 4123.542 of the Revised Code. 8543

(4) If the employee's employer pays premiums into the 8544
state insurance fund, the administrator shall not charge the 8545
amount of compensation or benefits the administrator collects 8546
pursuant to division (H) (2) or (3) of this section to the 8547
employer's experience. If the administrator collects any costs 8548
incurred by an employer in contesting or responding to any claim 8549
pursuant to division (H) (2) or (3) of this section, the 8550
administrator shall forward the amount collected to that 8551
employer. If the employee's employer is a self-insuring 8552
employer, the self-insuring employer shall deduct the amount of 8553
compensation or benefits the self-insuring employer collects 8554
pursuant to this division from the paid compensation the self- 8555
insuring employer reports to the administrator under division 8556
(L) of section 4123.35 of the Revised Code. 8557

(5) If an employee is a resident of a state other than 8558
this state and is insured under the workers' compensation law or 8559
similar laws of a state other than this state, the employee and 8560
the employee's dependents are not entitled to receive 8561
compensation or benefits under this chapter, on account of 8562
injury, disease, or death arising out of or in the course of 8563
employment while temporarily within this state, and the rights 8564
of the employee and the employee's dependents under the laws of 8565
the other state are the exclusive remedy against the employer on 8566
account of the injury, disease, or death. 8567

(6) An employee, or the dependent of an employee, who 8568
elects to receive compensation and benefits under this chapter 8569
or Chapter 4121., 4127., or 4131. of the Revised Code for a 8570
claim may not receive compensation and benefits under the 8571

workers' compensation laws of any state other than this state 8572
for that same claim. For each claim submitted by or on behalf of 8573
an employee, the administrator or, if the employee is employed 8574
by a self-insuring employer, the self-insuring employer, shall 8575
request the employee or the employee's dependent to sign an 8576
election that affirms the employee's or employee's dependent's 8577
acceptance of electing to receive compensation and benefits 8578
under this chapter or Chapter 4121., 4127., or 4131. of the 8579
Revised Code for that claim that also affirmatively waives and 8580
releases the employee's or the employee's dependent's right to 8581
file for and receive compensation and benefits under the laws of 8582
any state other than this state for that claim. The employee or 8583
employee's dependent shall sign the election form within twenty- 8584
eight days after the administrator or self-insuring employer 8585
submits the request or the administrator or self-insuring 8586
employer shall dismiss that claim. 8587

In the event a workers' compensation claim has been filed 8588
in another jurisdiction on behalf of an employee or the 8589
dependents of an employee, and the employee or dependents 8590
subsequently elect to receive compensation, benefits, or both 8591
under this chapter or Chapter 4121., 4127., or 4131. of the 8592
Revised Code, the employee or dependent shall withdraw or refuse 8593
acceptance of the workers' compensation claim filed in the other 8594
jurisdiction in order to pursue compensation or benefits under 8595
the laws of this state. If the employee or dependents were 8596
awarded workers' compensation benefits or had recovered damages 8597
under the laws of the other state, any compensation and benefits 8598
awarded under this chapter or Chapter 4121., 4127., or 4131. of 8599
the Revised Code shall be paid only to the extent to which those 8600
payments exceed the amounts paid under the laws of the other 8601
state. If the employee or dependent fails to withdraw or to 8602

refuse acceptance of the workers' compensation claim in the 8603
other jurisdiction within twenty-eight days after a request made 8604
by the administrator or a self-insuring employer, the 8605
administrator or self-insuring employer shall dismiss the 8606
employee's or employee's dependents' claim made in this state. 8607

(I) If an employee who is covered under the federal 8608
"Longshore and Harbor Workers' Compensation Act," 98 Stat. 1639, 8609
33 U.S.C. 901 et seq., is injured or contracts an occupational 8610
disease or dies as a result of an injury or occupational 8611
disease, and if that employee's or that employee's dependents' 8612
claim for compensation or benefits for that injury, occupational 8613
disease, or death is subject to the jurisdiction of that act, 8614
the employee or the employee's dependents are not entitled to 8615
apply for and shall not receive compensation or benefits under 8616
this chapter and Chapter 4121. of the Revised Code. The rights 8617
of such an employee and the employee's dependents under the 8618
federal "Longshore and Harbor Workers' Compensation Act," 98 8619
Stat. 1639, 33 U.S.C. 901 et seq., are the exclusive remedy 8620
against the employer for that injury, occupational disease, or 8621
death. 8622

(J) Compensation or benefits are not payable to a claimant 8623
or a dependent during the period of confinement of the claimant 8624
or dependent in any state or federal correctional institution, 8625
or in any county jail in lieu of incarceration in a state or 8626
federal correctional institution, whether in this or any other 8627
state for conviction of violation of any state or federal 8628
criminal law. 8629

(K) An employer, upon the approval of the administrator, 8630
may provide for workers' compensation coverage for the 8631
employer's employees who are professional athletes and coaches 8632

by submitting to the administrator proof of coverage under a 8633
league policy issued under the laws of another state under 8634
either of the following circumstances: 8635

(1) The employer administers the payroll and workers' 8636
compensation insurance for a professional sports team subject to 8637
a collective bargaining agreement, and the collective bargaining 8638
agreement provides for the uniform administration of workers' 8639
compensation benefits and compensation for professional 8640
athletes. 8641

(2) The employer is a professional sports league, or is a 8642
member team of a professional sports league, and all of the 8643
following apply: 8644

(a) The professional sports league operates as a single 8645
entity, whereby all of the players and coaches of the sports 8646
league are employees of the sports league and not of the 8647
individual member teams. 8648

(b) The professional sports league at all times maintains 8649
workers' compensation insurance that provides coverage for the 8650
players and coaches of the sports league. 8651

(c) Each individual member team of the professional sports 8652
league, pursuant to the organizational or operating documents of 8653
the sports league, is obligated to the sports league to pay to 8654
the sports league any workers' compensation claims that are not 8655
covered by the workers' compensation insurance maintained by the 8656
sports league. 8657

If the administrator approves the employer's proof of 8658
coverage submitted under division (K) of this section, a 8659
professional athlete or coach who is an employee of the employer 8660
and the dependents of the professional athlete or coach are not 8661

entitled to apply for and shall not receive compensation or 8662
benefits under this chapter and Chapter 4121. of the Revised 8663
Code. The rights of such an athlete or coach and the dependents 8664
of such an athlete or coach under the laws of the state where 8665
the policy was issued are the exclusive remedy against the 8666
employer for the athlete or coach if the athlete or coach 8667
suffers an injury or contracts an occupational disease in the 8668
course of employment, or for the dependents of the athlete or 8669
the coach if the athlete or coach is killed as a result of an 8670
injury or dies as a result of an occupational disease, 8671
regardless of the location where the injury was suffered or the 8672
occupational disease was contracted. 8673

Sec. 4123.56. (A) Except as provided in division (D) of 8674
this section, in the case of temporary disability, an employee 8675
shall receive sixty-six and two-thirds per cent of the 8676
employee's average weekly wage so long as such disability is 8677
total, not to exceed a maximum amount of weekly compensation 8678
which is equal to the statewide average weekly wage as defined 8679
in division (C) of section 4123.62 of the Revised Code, and not 8680
less than a minimum amount of compensation which is equal to 8681
thirty-three and one-third per cent of the statewide average 8682
weekly wage as defined in division (C) of section 4123.62 of the 8683
Revised Code unless the employee's wage is less than thirty- 8684
three and one-third per cent of the minimum statewide average 8685
weekly wage, in which event the employee shall receive 8686
compensation equal to the employee's full wages; provided that 8687
for the first twelve weeks of total disability the employee 8688
shall receive seventy-two per cent of the employee's full weekly 8689
wage, but not to exceed a maximum amount of weekly compensation 8690
which is equal to the lesser of the statewide average weekly 8691
wage as defined in division (C) of section 4123.62 of the 8692

Revised Code or one hundred per cent of the employee's net take-home weekly wage. In the case of a self-insuring employer, payments shall be for a duration based upon the medical reports of the attending physician, certified nurse-midwife, clinical nurse specialist, or certified nurse practitioner. If the employer disputes the attending physician's or attending nurse's report, payments may be terminated only upon application and hearing by a district hearing officer pursuant to division (C) of section 4123.511 of the Revised Code. Payments shall continue pending the determination of the matter, however payment shall not be made for the period when any employee has returned to work, when an employee's treating physician, certified nurse-midwife, clinical nurse specialist, or certified nurse practitioner has made a written statement that the employee is capable of returning to the employee's former position of employment, when work within the physical capabilities of the employee is made available by the employer or another employer, or when the employee has reached the maximum medical improvement. Where the employee is capable of work activity, but the employee's employer is unable to offer the employee any employment, the employee shall register with the director of job and family services, who shall assist the employee in finding suitable employment. The termination of temporary total disability, whether by order or otherwise, does not preclude the commencement of temporary total disability at another point in time if the employee again becomes temporarily totally disabled.

After two hundred weeks of temporary total disability benefits, the bureau of workers' compensation may schedule the claimant for an examination for an evaluation to determine whether or not the temporary disability has become permanent. A self-insuring employer shall notify the bureau immediately after

payment of two hundred weeks of temporary total disability. The 8724
self-insuring employer may request that the bureau schedule the 8725
claimant for an examination to determine whether the temporary 8726
disability has become permanent. 8727

When the employee is awarded compensation for temporary 8728
total disability for a period for which the employee has 8729
received benefits under Chapter 4141. of the Revised Code, the 8730
bureau shall pay an amount equal to the amount received from the 8731
award to the director of job and family services and the 8732
director shall credit the amount to the accounts of the 8733
employers to whose accounts the payment of benefits was charged 8734
or is chargeable to the extent it was charged or is chargeable. 8735

If any compensation under this section has been paid for 8736
the same period or periods for which temporary nonoccupational 8737
accident and sickness insurance is or has been paid pursuant to 8738
an insurance policy or program to which the employer has made 8739
the entire contribution or payment for providing insurance or 8740
under a nonoccupational accident and sickness program fully 8741
funded by the employer, except as otherwise provided in this 8742
division compensation paid under this section for the period or 8743
periods shall be paid only to the extent by which the payment or 8744
payments exceeds the amount of the nonoccupational insurance or 8745
program paid or payable. Offset of the compensation shall be 8746
made only upon the prior order of the bureau or industrial 8747
commission or agreement of the claimant. If an employer provides 8748
supplemental sick leave benefits in addition to temporary total 8749
disability compensation paid under this section, and if the 8750
employer and an employee agree in writing to the payment of the 8751
supplemental sick leave benefits, temporary total disability 8752
benefits may be paid without an offset for those supplemental 8753
sick leave benefits. 8754

As used in this division, "net take-home weekly wage" 8755
means the amount obtained by dividing an employee's total 8756
remuneration, as defined in section 4141.01 of the Revised Code, 8757
paid to or earned by the employee during the first four of the 8758
last five completed calendar quarters which immediately precede 8759
the first day of the employee's entitlement to benefits under 8760
this division, by the number of weeks during which the employee 8761
was paid or earned remuneration during those four quarters, less 8762
the amount of local, state, and federal income taxes deducted 8763
for each such week. 8764

(B) (1) If an employee in a claim allowed under this 8765
chapter suffers a wage loss as a result of returning to 8766
employment other than the employee's former position of 8767
employment due to an injury or occupational disease, the 8768
employee shall receive compensation at sixty-six and two-thirds 8769
per cent of the difference between the employee's average weekly 8770
wage and the employee's present earnings not to exceed the 8771
statewide average weekly wage. The payments may continue for up 8772
to a maximum of two hundred weeks, but the payments shall be 8773
reduced by the corresponding number of weeks in which the 8774
employee receives payments pursuant to division (A) (2) of 8775
section 4121.67 of the Revised Code. 8776

(2) If an employee in a claim allowed under this chapter 8777
suffers a wage loss as a result of being unable to find 8778
employment consistent with the employee's disability resulting 8779
from the employee's injury or occupational disease, the employee 8780
shall receive compensation at sixty-six and two-thirds per cent 8781
of the difference between the employee's average weekly wage and 8782
the employee's present earnings, not to exceed the statewide 8783
average weekly wage. The payments may continue for up to a 8784
maximum of fifty-two weeks. The first twenty-six weeks of 8785

payments under division (B) (2) of this section shall be in 8786
addition to the maximum of two hundred weeks of payments allowed 8787
under division (B) (1) of this section. If an employee in a claim 8788
allowed under this chapter receives compensation under division 8789
(B) (2) of this section in excess of twenty-six weeks, the number 8790
of weeks of compensation allowable under division (B) (1) of this 8791
section shall be reduced by the corresponding number of weeks in 8792
excess of twenty-six, and up to fifty-two, that is allowable 8793
under division (B) (1) of this section. 8794

(3) The number of weeks of wage loss payable to an 8795
employee under divisions (B) (1) and (2) of this section shall 8796
not exceed two hundred and twenty-six weeks in the aggregate. 8797

(C) In the event an employee of a professional sports 8798
franchise domiciled in this state is disabled as the result of 8799
an injury or occupational disease, the total amount of payments 8800
made under a contract of hire or collective bargaining agreement 8801
to the employee during a period of disability is deemed an 8802
advanced payment of compensation payable under sections 4123.56 8803
to 4123.58 of the Revised Code. The employer shall be reimbursed 8804
the total amount of the advanced payments out of any award of 8805
compensation made pursuant to sections 4123.56 to 4123.58 of the 8806
Revised Code. 8807

(D) If an employee receives temporary total disability 8808
benefits pursuant to division (A) of this section and social 8809
security retirement benefits pursuant to the "Social Security 8810
Act," the weekly benefit amount under division (A) of this 8811
section shall not exceed sixty-six and two-thirds per cent of 8812
the statewide average weekly wage as defined in division (C) of 8813
section 4123.62 of the Revised Code. 8814

(E) If an employee is eligible for compensation under 8815

division (A) of this section, but the employee's full weekly 8816
wage has not been determined at the time payments are to 8817
commence under division (H) of section 4123.511 of the Revised 8818
Code, the employee shall receive thirty-three and one-third per 8819
cent of the statewide average weekly wage as defined in division 8820
(C) of section 4123.62 of the Revised Code. On determination of 8821
the employee's full weekly wage, the compensation an employee 8822
receives shall be adjusted pursuant to division (A) of this 8823
section. 8824

If the amount of compensation an employee receives under 8825
this division is greater than the adjusted amount the employee 8826
receives under division (A) of this section that is based on the 8827
employee's full weekly wage, the excess amount shall be 8828
recovered in the manner provided in division (K) of section 8829
4123.511 of the Revised Code. If the amount of compensation an 8830
employee receives under this division is less than the adjusted 8831
amount the employee receives under that division that is based 8832
on the employee's full weekly wage, the employee shall receive 8833
the difference between those two amounts. 8834

(F) If an employee is unable to work or suffers a wage 8835
loss as the direct result of an impairment arising from an 8836
injury or occupational disease, the employee is entitled to 8837
receive compensation under this section, provided the employee 8838
is otherwise qualified. If an employee is not working or has 8839
suffered a wage loss as the direct result of reasons unrelated 8840
to the allowed injury or occupational disease, the employee is 8841
not eligible to receive compensation under this section. It is 8842
the intent of the general assembly to supersede any previous 8843
judicial decision that applied the doctrine of voluntary 8844
abandonment to a claim brought under this section. 8845

Sec. 4123.57. Partial disability compensation shall be 8846
paid as follows. 8847

Except as provided in this section, not earlier than 8848
twenty-six weeks after the date of termination of the latest 8849
period of payments under section 4123.56 of the Revised Code or 8850
twenty-six weeks after the termination of wages in lieu of those 8851
payments, or not earlier than twenty-six weeks after the date of 8852
the injury or contraction of an occupational disease in the 8853
absence of payments under section 4123.56 of the Revised Code or 8854
wages in lieu of those payments, the employee may file an 8855
application with the bureau of workers' compensation for the 8856
determination of the percentage of the employee's permanent 8857
partial disability resulting from an injury or occupational 8858
disease. 8859

Whenever the application is filed, the bureau shall send a 8860
copy of the application to the employee's employer or the 8861
employer's representative and shall schedule the employee for a 8862
medical examination by the bureau medical section. The bureau 8863
shall send a copy of the report of the medical examination to 8864
the employee, the employer, and their representatives. 8865
Thereafter, the administrator of workers' compensation shall 8866
review the employee's claim file and make a tentative order as 8867
the evidence before the administrator at the time of the making 8868
of the order warrants. If the administrator determines that 8869
there is a conflict of evidence, the administrator shall send 8870
the application, along with the claimant's file, to the district 8871
hearing officer who shall set the application for a hearing. 8872

If an employee fails to respond to an attempt to schedule 8873
a medical examination by the bureau medical section, or fails to 8874
attend a medical examination scheduled under this section 8875

without notice or explanation, the employee's application for a 8876
finding shall be dismissed without prejudice. The employee may 8877
refile the application. A dismissed application does not toll 8878
the continuing jurisdiction of the industrial commission under 8879
section 4123.52 of the Revised Code. The administrator shall 8880
adopt rules addressing the manner in which an employee will be 8881
notified of a possible dismissal and how an employee may refile 8882
an application for a determination. 8883

The administrator shall notify the employee, the employer, 8884
and their representatives, in writing, of the tentative order 8885
and of the parties' right to request a hearing. Unless the 8886
employee, the employer, or their representative notifies the 8887
administrator, in writing, of an objection to the tentative 8888
order within twenty days after receipt of the notice thereof, 8889
the tentative order shall go into effect and the employee shall 8890
receive the compensation provided in the order. In no event 8891
shall there be a reconsideration of a tentative order issued 8892
under this division. 8893

If the employee, the employer, or their representatives 8894
timely notify the administrator of an objection to the tentative 8895
order, the matter shall be referred to a district hearing 8896
officer who shall set the application for hearing with written 8897
notices to all interested persons. Upon referral to a district 8898
hearing officer, the employer may obtain a medical examination 8899
of the employee, pursuant to rules of the industrial commission. 8900

(A) The district hearing officer, upon the application, 8901
shall determine the percentage of the employee's permanent 8902
disability, except as is subject to division (B) of this 8903
section, based upon that condition of the employee resulting 8904
from the injury or occupational disease and causing permanent 8905

impairment evidenced by medical or clinical findings reasonably 8906
demonstrable. The employee shall receive sixty-six and two- 8907
thirds per cent of the employee's average weekly wage, but not 8908
more than a maximum of thirty-three and one-third per cent of 8909
the statewide average weekly wage as defined in division (C) of 8910
section 4123.62 of the Revised Code, per week regardless of the 8911
average weekly wage, for the number of weeks which equals the 8912
percentage of two hundred weeks. Except on application for 8913
reconsideration, review, or modification, which is filed within 8914
ten days after the date of receipt of the decision of the 8915
district hearing officer, in no instance shall the former award 8916
be modified unless it is found from medical or clinical findings 8917
that the condition of the claimant resulting from the injury has 8918
so progressed as to have increased the percentage of permanent 8919
partial disability. A staff hearing officer shall hear an 8920
application for reconsideration filed and the staff hearing 8921
officer's decision is final. An employee may file an application 8922
for a subsequent determination of the percentage of the 8923
employee's permanent disability. If such an application is 8924
filed, the bureau shall send a copy of the application to the 8925
employer or the employer's representative. No sooner than sixty 8926
days from the date of the mailing of the application to the 8927
employer or the employer's representative, the administrator 8928
shall review the application. The administrator may require a 8929
medical examination or medical review of the employee. The 8930
administrator shall issue a tentative order based upon the 8931
evidence before the administrator, provided that if the 8932
administrator requires a medical examination or medical review, 8933
the administrator shall not issue the tentative order until the 8934
completion of the examination or review. 8935

The employer may obtain a medical examination of the 8936

employee and may submit medical evidence at any stage of the 8937
process up to a hearing before the district hearing officer, 8938
pursuant to rules of the commission. The administrator shall 8939
notify the employee, the employer, and their representatives, in 8940
writing, of the nature and amount of any tentative order issued 8941
on an application requesting a subsequent determination of the 8942
percentage of an employee's permanent disability. An employee, 8943
employer, or their representatives may object to the tentative 8944
order within twenty days after the receipt of the notice 8945
thereof. If no timely objection is made, the tentative order 8946
shall go into effect. In no event shall there be a 8947
reconsideration of a tentative order issued under this division. 8948
If an objection is timely made, the application for a subsequent 8949
determination shall be referred to a district hearing officer 8950
who shall set the application for a hearing with written notice 8951
to all interested persons. No application for subsequent 8952
percentage determinations on the same claim for injury or 8953
occupational disease shall be accepted for review by the 8954
district hearing officer unless supported by substantial 8955
evidence of new and changed circumstances developing since the 8956
time of the hearing on the original or last determination. 8957

No award shall be made under this division based upon a 8958
percentage of disability which, when taken with all other 8959
percentages of permanent disability, exceeds one hundred per 8960
cent. If the percentage of the permanent disability of the 8961
employee equals or exceeds ninety per cent, compensation for 8962
permanent partial disability shall be paid for two hundred 8963
weeks. 8964

Compensation payable under this division accrues and is 8965
payable to the employee from the date of last payment of 8966
compensation, or, in cases where no previous compensation has 8967

been paid, from the date of the injury or the date of the 8968
diagnosis of the occupational disease. 8969

When an award under this division has been made prior to 8970
the death of an employee, all unpaid installments accrued or to 8971
accrue under the provisions of the award are payable to the 8972
surviving spouse, or if there is no surviving spouse, to the 8973
dependent children of the employee, and if there are no children 8974
surviving, then to other dependents as the administrator 8975
determines. 8976

(B) For purposes of this division, "payable per week" 8977
means the seven-consecutive-day period in which compensation is 8978
paid in installments according to the schedule associated with 8979
the applicable injury as set forth in this division. 8980

Compensation paid in weekly installments according to the 8981
schedule described in this division may only be commuted to one 8982
or more lump sum payments pursuant to the procedure set forth in 8983
section 4123.64 of the Revised Code. 8984

In cases included in the following schedule the 8985
compensation payable per week to the employee is the statewide 8986
average weekly wage as defined in division (C) of section 8987
4123.62 of the Revised Code per week and shall be paid in 8988
installments according to the following schedule: 8989

For the loss of a first finger, commonly known as a thumb, 8990
sixty weeks. 8991

For the loss of a second finger, commonly called index 8992
finger, thirty-five weeks. 8993

For the loss of a third finger, thirty weeks. 8994

For the loss of a fourth finger, twenty weeks. 8995

For the loss of a fifth finger, commonly known as the	8996
little finger, fifteen weeks.	8997
The loss of a second, or distal, phalange of the thumb is	8998
considered equal to the loss of one half of such thumb; the loss	8999
of more than one half of such thumb is considered equal to the	9000
loss of the whole thumb.	9001
The loss of the third, or distal, phalange of any finger	9002
is considered equal to the loss of one-third of the finger.	9003
The loss of the middle, or second, phalange of any finger	9004
is considered equal to the loss of two-thirds of the finger.	9005
The loss of more than the middle and distal phalanges of	9006
any finger is considered equal to the loss of the whole finger.	9007
In no case shall the amount received for more than one finger	9008
exceed the amount provided in this schedule for the loss of a	9009
hand.	9010
For the loss of the metacarpal bone (bones of the palm)	9011
for the corresponding thumb, or fingers, add ten weeks to the	9012
number of weeks under this division.	9013
For ankylosis (total stiffness of) or contractures (due to	9014
scars or injuries) which makes any of the fingers, thumbs, or	9015
parts of either useless, the same number of weeks apply to the	9016
members or parts thereof as given for the loss thereof.	9017
If the claimant has suffered the loss of two or more	9018
fingers by amputation or ankylosis and the nature of the	9019
claimant's employment in the course of which the claimant was	9020
working at the time of the injury or occupational disease is	9021
such that the impairment or disability resulting from the loss	9022
of fingers, or loss of use of fingers, exceeds the normal	9023
impairment or disability resulting from the loss of fingers, or	9024

loss of use of fingers, the administrator may take that fact 9025
into consideration and increase the award of compensation 9026
accordingly, but the award made shall not exceed the amount of 9027
compensation for loss of a hand. 9028

For the loss of a hand, one hundred seventy-five weeks. 9029

For the loss of an arm, two hundred twenty-five weeks. 9030

For the loss of a great toe, thirty weeks. 9031

For the loss of one of the toes other than the great toe, 9032
ten weeks. 9033

The loss of more than two-thirds of any toe is considered 9034
equal to the loss of the whole toe. 9035

The loss of less than two-thirds of any toe is considered 9036
no loss, except as to the great toe; the loss of the great toe 9037
up to the interphalangeal joint is co-equal to the loss of one- 9038
half of the great toe; the loss of the great toe beyond the 9039
interphalangeal joint is considered equal to the loss of the 9040
whole great toe. 9041

For the loss of a foot, one hundred fifty weeks. 9042

For the loss of a leg, two hundred weeks. 9043

For the loss of the sight of an eye, one hundred twenty- 9044
five weeks. 9045

For the permanent partial loss of sight of an eye, the 9046
portion of one hundred twenty-five weeks as the administrator in 9047
each case determines, based upon the percentage of vision 9048
actually lost as a result of the injury or occupational disease, 9049
but, in no case shall an award of compensation be made for less 9050
than twenty-five per cent loss of uncorrected vision. "Loss of 9051

uncorrected vision" means the percentage of vision actually lost 9052
as the result of the injury or occupational disease. 9053

For the permanent and total loss of hearing of one ear, 9054
twenty-five weeks; but in no case shall an award of compensation 9055
be made for less than permanent and total loss of hearing of one 9056
ear. 9057

For the permanent and total loss of hearing, one hundred 9058
twenty-five weeks; but, except pursuant to the next preceding 9059
paragraph, in no case shall an award of compensation be made for 9060
less than permanent and total loss of hearing. 9061

In case an injury or occupational disease results in 9062
serious facial or head disfigurement which either impairs or may 9063
in the future impair the opportunities to secure or retain 9064
employment, the administrator shall make an award of 9065
compensation as it deems proper and equitable, in view of the 9066
nature of the disfigurement, and not to exceed the sum of ten 9067
thousand dollars. For the purpose of making the award, it is not 9068
material whether the employee is gainfully employed in any 9069
occupation or trade at the time of the administrator's 9070
determination. 9071

When an award under this division has been made prior to 9072
the death of an employee all unpaid installments accrued or to 9073
accrue under the provisions of the award shall be payable to the 9074
surviving spouse, or if there is no surviving spouse, to the 9075
dependent children of the employee and if there are no such 9076
children, then to such dependents as the administrator 9077
determines. 9078

When an employee has sustained the loss of a member by 9079
severance, but no award has been made on account thereof prior 9080

to the employee's death, the administrator shall make an award 9081
in accordance with this division for the loss which shall be 9082
payable to the surviving spouse, or if there is no surviving 9083
spouse, to the dependent children of the employee and if there 9084
are no such children, then to such dependents as the 9085
administrator determines. 9086

(C) Compensation for partial impairment under divisions 9087
(A) and (B) of this section is in addition to the compensation 9088
paid the employee pursuant to section 4123.56 of the Revised 9089
Code. A claimant may receive compensation under divisions (A) 9090
and (B) of this section. 9091

In all cases arising under division (B) of this section, 9092
if it is determined by any one of the following: (1) the amputee 9093

opportunities for Ohioans with disabilities agency; (3) an 9095
amputee clinic or prescribing physician, certified nurse- 9096
midwife, clinical nurse specialist, or certified nurse 9097
practitioner approved by the administrator or the 9098
administrator's designee, that an injured or disabled employee 9099
is in need of an artificial appliance, or in need of a repair 9100
thereof, regardless of whether the appliance or its repair will 9101
be serviceable in the vocational rehabilitation of the injured 9102
employee, and regardless of whether the employee has returned to 9103
or can ever again return to any gainful employment, the bureau 9104
shall pay the cost of the artificial appliance or its repair out 9105
of the surplus created by division (B) of section 4123.34 of the 9106
Revised Code. 9107

In those cases where an opportunities for Ohioans with 9108
disabilities agency's recommendation that an injured or disabled 9109
employee is in need of an artificial appliance would conflict 9110

with their state plan, adopted pursuant to the "Rehabilitation 9111
Act of 1973," 87 Stat. 355, 29 U.S.C.A. 701, the administrator 9112
or the administrator's designee or the bureau may obtain a 9113
recommendation from an amputee clinic or prescribing physician, 9114
certified nurse-midwife, clinical nurse specialist, or certified 9115
nurse practitioner that they determine appropriate. 9116

(D) If an employee of a state fund employer makes 9117
application for a finding and the administrator finds that the 9118
employee has contracted silicosis as defined in division (Y), or 9119
coal miners' pneumoconiosis as defined in division (Z), or 9120
asbestosis as defined in division (BB) of section 4123.68 of the 9121
Revised Code, and that a change of such employee's occupation is 9122
medically advisable in order to decrease substantially further 9123
exposure to silica dust, asbestos, or coal dust and if the 9124
employee, after the finding, has changed or shall change the 9125
employee's occupation to an occupation in which the exposure to 9126
silica dust, asbestos, or coal dust is substantially decreased, 9127
the administrator shall allow to the employee an amount equal to 9128
fifty per cent of the statewide average weekly wage per week for 9129
a period of thirty weeks, commencing as of the date of the 9130
discontinuance or change, and for a period of one hundred weeks 9131
immediately following the expiration of the period of thirty 9132
weeks, the employee shall receive sixty-six and two-thirds per 9133
cent of the loss of wages resulting directly and solely from the 9134
change of occupation but not to exceed a maximum of an amount 9135
equal to fifty per cent of the statewide average weekly wage per 9136
week. No such employee is entitled to receive more than one 9137
allowance on account of discontinuance of employment or change 9138
of occupation and benefits shall cease for any period during 9139
which the employee is employed in an occupation in which the 9140
exposure to silica dust, asbestos, or coal dust is not 9141

substantially less than the exposure in the occupation in which 9142
the employee was formerly employed or for any period during 9143
which the employee may be entitled to receive compensation or 9144
benefits under section 4123.68 of the Revised Code on account of 9145
disability from silicosis, asbestosis, or coal miners' 9146
pneumoconiosis. An award for change of occupation for a coal 9147
miner who has contracted coal miners' pneumoconiosis may be 9148
granted under this division even though the coal miner continues 9149
employment with the same employer, so long as the coal miner's 9150
employment subsequent to the change is such that the coal 9151
miner's exposure to coal dust is substantially decreased and a 9152
change of occupation is certified by the claimant as permanent. 9153
The administrator may accord to the employee medical and other 9154
benefits in accordance with section 4123.66 of the Revised Code. 9155

(E) If a firefighter or police officer makes application 9156
for a finding and the administrator finds that the firefighter 9157
or police officer has contracted a cardiovascular and pulmonary 9158
disease as defined in division (W) of section 4123.68 of the 9159
Revised Code, and that a change of the firefighter's or police 9160
officer's occupation is medically advisable in order to decrease 9161
substantially further exposure to smoke, toxic gases, chemical 9162
fumes, and other toxic vapors, and if the firefighter, or police 9163
officer, after the finding, has changed or changes occupation to 9164
an occupation in which the exposure to smoke, toxic gases, 9165
chemical fumes, and other toxic vapors is substantially 9166
decreased, the administrator shall allow to the firefighter or 9167
police officer an amount equal to fifty per cent of the 9168
statewide average weekly wage per week for a period of thirty 9169
weeks, commencing as of the date of the discontinuance or 9170
change, and for a period of seventy-five weeks immediately 9171
following the expiration of the period of thirty weeks the 9172

administrator shall allow the firefighter or police officer 9173
sixty-six and two-thirds per cent of the loss of wages resulting 9174
directly and solely from the change of occupation but not to 9175
exceed a maximum of an amount equal to fifty per cent of the 9176
statewide average weekly wage per week. No such firefighter or 9177
police officer is entitled to receive more than one allowance on 9178
account of discontinuance of employment or change of occupation 9179
and benefits shall cease for any period during which the 9180
firefighter or police officer is employed in an occupation in 9181
which the exposure to smoke, toxic gases, chemical fumes, and 9182
other toxic vapors is not substantially less than the exposure 9183
in the occupation in which the firefighter or police officer was 9184
formerly employed or for any period during which the firefighter 9185
or police officer may be entitled to receive compensation or 9186
benefits under section 4123.68 of the Revised Code on account of 9187
disability from a cardiovascular and pulmonary disease. The 9188
administrator may accord to the firefighter or police officer 9189
medical and other benefits in accordance with section 4123.66 of 9190
the Revised Code. 9191

(F) An order issued under this section is appealable 9192
pursuant to section 4123.511 of the Revised Code but is not 9193
appealable to court under section 4123.512 of the Revised Code. 9194

motor vehicle with the required degree of safety; 9585

(2) Any person who is under the age of eighteen and has
been adjudicated an unruly or delinquent child or a juvenile
traffic offender for having committed any act that if committed

(3) Any person who, in the opinion of the registrar, has a
physical or mental disability or disease that prevents the
person from exercising reasonable and ordinary control over a
motor vehicle while operating the vehicle upon the highways,
except that a restricted license effective for six months may be
issued to any person otherwise qualified who is or has been
subject to any condition resulting in episodic impairment of
consciousness or loss of muscular control and whose condition,
in the opinion of the registrar, is dormant or is sufficiently
under medical control that the person is capable of exercising
reasonable and ordinary control over a motor vehicle. A
restricted license effective for six months shall be issued to
any person who otherwise is qualified and who is subject to any
condition that causes episodic impairment of consciousness or a
loss of muscular control if the person presents a statement from
a licensed physician, certified nurse-midwife if authorized as
described in section 4723.438 of the Revised Code, clinical
nurse specialist, or certified nurse practitioner that the

and, pursuant thereto, cause for denial is found. 9617

A person to whom a six-month restricted license has been 9618
issued shall give notice of the person's medical condition to 9619
the registrar on forms provided by the registrar and signed by 9620

(5) Any person making an application whose driver's 9629
license or driving privileges are under cancellation, 9630
revocation, or suspension in the jurisdiction where issued or 9631
any other jurisdiction, until the expiration of one year after 9632
the license was canceled or revoked or until the period of 9633
suspension ends. Any person whose application is denied under 9634
this division may file a petition in the municipal court or 9635
county court in whose jurisdiction the person resides agreeing 9636
to pay the cost of the proceedings and alleging that the conduct 9637
involved in the offense that resulted in suspension, 9638
cancellation, or revocation in the foreign jurisdiction would 9639
not have resulted in a suspension, cancellation, or revocation 9640
had the offense occurred in this state. If the petition is 9641
granted, the petitioner shall notify the registrar by a 9642
certified copy of the court's findings and a license shall not 9643
be denied under this division. 9644

(6) Any person who is under a class one or two suspension 9645

of this state. 9653

(E) No person whose driver's license or permit has been 9654
suspended under Chapter 4510. of the Revised Code or any other 9655
provision of the Revised Code shall have driving privileges 9656
reinstated if the registrar determines that a warrant has been 9657
issued in this state or any other state for the person's arrest 9658
and that warrant is an active warrant. 9659

Sec. 4507.081. (A) Upon the expiration of a restricted 9660
license issued under division (D) (3) of section 4507.08 of the 9661
Revised Code and submission of a statement as provided in 9662
division (C) of this section, the registrar of motor vehicles 9663
may issue a driver's license to the person to whom the 9664
restricted license was issued. A driver's license issued under 9665
this section, unless otherwise suspended or canceled, shall be 9666
effective for one year. 9667

(B) A driver's license issued under this section may be 9668
renewed annually, for no more than three consecutive years, 9669
whenever the person to whom the license has been issued submits 9670
to the registrar no sooner than thirty days prior to the 9671
expiration date of the license or renewal thereof, a statement 9672
as provided in division (C) of this section. A renewal of a 9673
driver's license, unless the license is otherwise suspended or 9674
canceled, shall be effective for one year following the 9675
expiration date of the license or renewal thereof. 9676

(C) No person may be issued a driver's license under this 9677
section, and no such driver's license may be renewed, unless the 9678
person presents a signed statement from a licensed physician, 9679
certified nurse-midwife if authorized as described in section 9680
4723.438 of the Revised Code, clinical nurse specialist, or 9681
certified nurse practitioner that the person's condition either 9682
is dormant or is under effective medical control, that the 9683
control has been maintained continuously for at least one year 9684
prior to the date on which application for the license is made, 9685
and that, if continued medication is prescribed to control the 9686
condition, the person may be depended upon to take the 9687
medication. 9688

The statement shall be made on a form provided by the 9689
registrar and shall contain any other information the registrar 9690
considers necessary. 9691

(D) Whenever the registrar receives a statement indicating 9692
that the condition of a person to whom a driver's license has 9693
been issued under this section no longer is dormant or under 9694
effective medical control, the registrar shall cancel the 9695
person's driver's license. 9696

(E) Nothing in this section shall require a person 9697
submitting a signed statement from a licensed physician, 9698
certified nurse-midwife, clinical nurse specialist, or certified 9699
nurse practitioner to obtain a medical examination prior to the 9700
submission of the statement. 9701

(F) Any person whose driver's license has been canceled 9702
under this section may apply for a subsequent restricted license 9703
according to the provisions of section 4507.08 of the Revised 9704
Code. 9705

Sec. 4507.141. (A) Any hearing-impaired person may apply 9706
to the registrar of motor vehicles for an identification card 9707
identifying the person as hearing-impaired. The application for 9708
a hearing-impaired identification card shall be accompanied by a 9709
statement, signed ~~statement from~~ by the applicant's personal 9710
physician, certified nurse-midwife if authorized as described in 9711
section 4723.438 of the Revised Code, clinical nurse specialist, 9712

is hearing-impaired. Upon receipt of the application ~~for the~~ 9714
~~identification card and the signed statement from the~~ 9715
~~applicant's personal physician,~~ and upon presentation by the 9716
applicant of the applicant's driver's or commercial driver's 9717

issue the applicant an identification card. A hearing-impaired 9719
person may also apply for a hearing-impaired identification card 9720
at the time the person applies for a driver's or commercial 9721
driver's license or motorcycle operator's license or 9722
endorsement. Every hearing-impaired identification card shall 9723
expire on the same date that the cardholder's driver's or 9724
commercial driver's license or motorcycle operator's license 9725
expires. 9726

(B) The hearing-impaired identification card shall be 9727
rectangular in shape, approximately the same size as an average 9728

a motor vehicle. The identification card shall contain the 9731
heading "Identification Card for the Hearing-impaired Driver" in 9732
boldface type, the name and signature of the hearing-impaired 9733

instructions on the actions the hearing-impaired person should 9735
take and the actions the person should refrain from taking in 9736

the event the person is stopped by a law enforcement officer 9737
while operating the motor vehicle. The registrar shall determine 9738
the preferred manner in which a hearing-impaired motorcycle 9739
operator should carry or display the hearing-impaired 9740
identification card, and the color and composition of, and any 9741
other information to be included on, the identification card. 9742

(C) As used in this section, "hearing-impaired" means a 9743
hearing loss of forty decibels or more in one or both ears. 9744

Sec. 4507.30. No person shall do any of the following: 9745

with seat belts at the time of manufacture or assembly, the 9781
operator of the motor vehicle shall have the child properly 9782
secured in accordance with the manufacturer's instructions in a 9783
child restraint system that meets federal motor vehicle safety 9784
standards: 9785

(1) A child who is less than four years of age; 9786

(2) A child who weighs less than forty pounds. 9787

(B) When any child who is in either or both of the 9788
following categories is being transported in a motor vehicle, 9789
other than a taxicab, that is owned, leased, or otherwise under 9790
the control of a nursery school or child care center, the 9791
operator of the motor vehicle shall have the child properly 9792
secured in accordance with the manufacturer's instructions in a 9793
child restraint system that meets federal motor vehicle safety 9794

standards:	9795
(1) A child who is less than four years of age;	9796
(2) A child who weighs less than forty pounds.	9797
(C) When any child who is less than eight years of age and	9798

by division (A) or (B) of this section to be secured in a child	9800
restraint system, is being transported in a motor vehicle, other	9801
than a taxicab or public safety vehicle as defined in section	9802
4511.01 of the Revised Code or a vehicle that is regulated under	9803
section 5104.015 of the Revised Code, that is required by the	9804
United States department of transportation to be equipped with	9805
seat belts at the time of manufacture or assembly, the operator	9806
of the motor vehicle shall have the child properly secured in	9807
accordance with the manufacturer's instructions on a booster	9808
seat that meets federal motor vehicle safety standards.	9809
(D) When any child who is at least eight years of age but	9810
not older than fifteen years of age, and who is not otherwise	9811
required by division (A), (B), or (C) of this section to be	9812
secured in a child restraint system or booster seat, is being	9813
transported in a motor vehicle, other than a taxicab or public	9814
safety vehicle as defined in section 4511.01 of the Revised	9815
Code, that is required by the United States department of	9816
transportation to be equipped with seat belts at the time of	9817
manufacture or assembly, the operator of the motor vehicle shall	9818
have the child properly restrained either in accordance with the	9819
manufacturer's instructions in a child restraint system that	9820
meets federal motor vehicle safety standards or in an occupant	9821
restraining device as defined in section 4513.263 of the Revised	9822
Code.	9823

(E) Notwithstanding any provision of law to the contrary, 9824
no law enforcement officer shall cause an operator of a motor 9825
vehicle being operated on any street or highway to stop the 9826
motor vehicle for the sole purpose of determining whether a 9827
violation of division (C) or (D) of this section has been or is 9828
being committed or for the sole purpose of issuing a ticket, 9829
citation, or summons for a violation of division (C) or (D) of 9830
this section or causing the arrest of or commencing a 9831
prosecution of a person for a violation of division (C) or (D) 9832
of this section, and absent another violation of law, a law 9833
enforcement officer's view of the interior or visual inspection 9834
of a motor vehicle being operated on any street or highway may 9835
not be used for the purpose of determining whether a violation 9836
of division (C) or (D) of this section has been or is being 9837
committed. 9838

(F) The director of public safety shall adopt such rules 9839
as are necessary to carry out this section. 9840

(G) The failure of an operator of a motor vehicle to 9841
secure a child in a child restraint system, a booster seat, or 9842
an occupant restraining device as required by this section is 9843
not negligence imputable to the child, is not admissible as 9844
evidence in any civil action involving the rights of the child 9845
against any other person allegedly liable for injuries to the 9846
child, is not to be used as a basis for a criminal prosecution 9847
of the operator of the motor vehicle other than a prosecution 9848
for a violation of this section, and is not admissible as 9849
evidence in any criminal action involving the operator of the 9850
motor vehicle other than a prosecution for a violation of this 9851
section. 9852

(H) This section does not apply when an emergency exists 9853

that threatens the life of any person operating or occupying a 9854
motor vehicle that is being used to transport a child who 9855
otherwise would be required to be restrained under this section. 9856
This section does not apply to a person operating a motor 9857
vehicle who has an affidavit signed by a physician licensed to 9858
practice in this state under Chapter 4731. of the Revised Code, 9859
a clinical nurse specialist or certified nurse practitioner 9860
licensed to practice in this state under Chapter 4723. of the 9861
Revised Code, or a chiropractor licensed to practice in this 9862
state under Chapter 4734. of the Revised Code that states that 9863
the child who otherwise would be required to be restrained under 9864
this section has a physical impairment that makes use of a child 9865
restraint system, booster seat, or an occupant restraining 9866
device impossible or impractical, provided that the person 9867
operating the vehicle has safely and appropriately restrained 9868
the child in accordance with any recommendations of the 9869
physician, nurse, or chiropractor as noted on the affidavit. 9870

(I) There is hereby created in the state treasury the 9871
child highway safety fund, consisting of fines imposed pursuant 9872
to division (L) (1) of this section for violations of divisions 9873
(A), (B), (C), and (D) of this section. The money in the fund 9874
shall be used by the department of health only to defray the 9875
cost of designating hospitals as pediatric trauma centers under 9876
section 3727.081 of the Revised Code and to establish and 9877
administer a child highway safety program. The purpose of the 9878
program shall be to educate the public about child restraint 9879
systems and booster seats and the importance of their proper 9880
use. The program also shall include a process for providing 9881
child restraint systems and booster seats to persons who meet 9882
the eligibility criteria established by the department, and a 9883
toll-free telephone number the public may utilize to obtain 9884

information about child restraint systems and booster seats, and 9885
their proper use. 9886

(J) The director of health, in accordance with Chapter 9887
119. of the Revised Code, shall adopt any rules necessary to 9888
carry out this section, including rules establishing the 9889
criteria a person must meet in order to receive a child 9890
restraint system or booster seat under the department's child 9891
highway safety program; provided that rules relating to the 9892
verification of pediatric trauma centers shall not be adopted 9893
under this section. 9894

(K) Nothing in this section shall be construed to require 9895
any person to carry with the person the birth certificate of a 9896
child to prove the age of the child, but the production of a 9897
valid birth certificate for a child showing that the child was 9898
not of an age to which this section applies is a defense against 9899
any ticket, citation, or summons issued for violating this 9900
section. 9901

(L) (1) Whoever violates division (A), (B), (C), or (D) of 9902
this section shall be punished as follows, provided that the 9903
failure of an operator of a motor vehicle to secure more than 9904
one child in a child restraint system, booster seat, or occupant 9905
restraining device as required by this section that occurred at 9906
the same time, on the same day, and at the same location is 9907
deemed to be a single violation of this section: 9908

(a) Except as otherwise provided in division (L) (1) (b) of 9909

confidential. No person shall disclose the contents of any 10939
certificate, application, record, or report of that nature or 10940

clinical nurse specialist, or certified nurse practitioner 10969
determines that disclosure would be in the best interest of the 10970
inmate patient. No disclosure shall be made under this division 10971

not object to the disclosure. 10974

(6) The department of rehabilitation and correction may 10975

activation of a local or regional emergency alert program that 11155
may impose different criteria for the activation of a local or 11156
