BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 122.17, 122.66, 323.151, 7
3317.021, 3318.011, 5747.02, 5747.10, 5748.01, and 5751.02 of 8
the Revised Code be amended to read as follows: 9

Sec. 122.17. (A) As used in this section: 10

(1) "Payroll" means the total taxable income, or total 11
income that would be taxable if the tax levied under division 12
(A) (3) of section 5747.02 of the Revised Code was still imposed, 13
paid by the employer during the employer's taxable year, or 14
during the calendar year that includes the employer's tax 15
period, to each employee or each home-based employee employed in 16
the project to the extent such payroll is not used to determine 17
the credit under section 122.171 of the Revised Code. "Payroll" 18
excludes amounts paid before the day the taxpayer becomes 19

eligible for the credit and retirement or other benefits paid or 20
contributed by the employer to or on behalf of employees. 21

(2) "Baseline payroll" means Ohio employee payroll, except 22
that the applicable measurement period is the twelve months 23
immediately preceding the date the tax credit authority approves 24
the taxpayer's application or the date the tax credit authority 25
receives the recommendation described in division (C) (2) (a) of 26
this section, whichever occurs first, multiplied by the sum of 27
one plus an annual pay increase factor to be determined by the 28
tax credit authority. 29

(3) "Ohio employee payroll" means the amount of 30
compensation that is used, or would have been used if the tax 31
levied under division (A) (3) of section 5747.02 of the Revised 32
Code was still imposed, to determine the withholding obligations 33
in division (A) of section 5747.06 of the Revised Code and paid 34
by the employer during the employer's taxable year, or during 35
the calendar year that includes the employer's tax period, to 36
the following: 37

(a) An employee employed in the project who is a resident 38
of this state including a qualifying work-from-home employee not 39
designated as a home-based employee by an applicant under 40
division (C) (1) of this section; 41

(b) An employee employed at the project location who is 42
not a resident and whose compensation is not exempt from the tax 43
imposed under division (A) (3) of section 5747.02 of the Revised 44
Code, or would not be exempt if that tax was still imposed, 45
pursuant to a reciprocity agreement with another state under 46
division (A) (3) of section 5747.05 of the Revised Code; 47

(c) A home-based employee employed in the project. 48

"Ohio employee payroll" excludes any such compensation to 49
the extent it is used to determine the credit under section 50
122.171 of the Revised Code, and excludes amounts paid before 51
the day the taxpayer becomes eligible for the credit under this 52
section. 53

(4) "Excess payroll" means Ohio employee payroll minus 54
baseline payroll. 55

(5) "Home-based employee" means an employee whose services 56
are performed primarily from the employee's residence in this 57
state exclusively for the benefit of the project and whose rate 58
of pay is at least one hundred thirty-one per cent of the 59
federal minimum wage under 29 U.S.C. 206. 60

(6) "Full-time equivalent employees" means the quotient 61
obtained by dividing the total number of hours for which 62
employees were compensated for employment in the project by two 63
thousand eighty. "Full-time equivalent employees" excludes hours 64
that are counted for a credit under section 122.171 of the 65
Revised Code. 66

(7) "Metric evaluation date" means the date by which the 67
taxpayer must meet all of the commitments included in the 68
agreement. 69

(8) "Qualifying work-from-home employee" means an employee 70
who is a resident of this state and whose services are 71
supervised from the employer's project location and performed 72
primarily from a residence of the employee located in this 73
state. 74

(9) "Resident" or "resident of this state" means an 75
individual who is a resident as defined in section 5747.01 of 76
the Revised Code. 77

(10) "Reporting period" means a period corresponding to	78
the annual report required under division (D) (6) of this	79
section.	80
(11) "Megaproject" means a project in this state that	81
meets all of the following requirements:	82
(a) At least one of the following applies:	83
(i) The project requires unique sites, extremely robust	84
utility service, and a technically skilled workforce.	85
(ii) The megaproject operator of the project has its	86
corporate headquarters in the United States, incurs more than	87
fifty per cent of its research and development expenses in the	88
United States in the year preceding the date the tax credit	89
authority approves the project for a credit under this section,	90
and builds and operates semiconductor wafer manufacturing	91
factories in this state or intends to do so by the metric	92
evaluation date applicable to the megaproject operator.	93
(b) The megaproject operator of the project agrees, in an	94
agreement with the tax credit authority under division (D) of	95
this section, that, on and after the metric evaluation date	96
applicable to the megaproject operator and until the end of the	97
last year for which the megaproject qualifies for the credit	98
authorized under this section, the megaproject operator will	99
compensate the project's employees at an average hourly wage of	100
at least three hundred per cent of the federal minimum wage	101
under 29 U.S.C. 206, exclusive of employee benefits, as	102
determined at the time the tax credit authority approves the	103
project for a credit under this section.	104
(c) The megaproject operator agrees, in an agreement with	105
the tax credit authority under division (D) of this section, to	106

satisfy either of the following by the metric evaluation date 107
applicable to the project: 108

(i) The megaproject operator makes at least one billion 109
dollars, as adjusted under division (V) (1) of this section, in 110
fixed-asset investments in the project. 111

(ii) The megaproject operator creates at least seventy- 112
five million dollars, as adjusted under division (V) (1) of this 113
section, in Ohio employee payroll at the project. 114

(d) The megaproject operator agrees, in an agreement with 115
the tax credit authority under division (D) of this section, 116
that if the project satisfies division (A) (11) (c) (ii) of this 117
section, then, on and after the metric evaluation date and until 118
the end of the last year for which the megaproject qualifies for 119
the credit authorized under this section, the megaproject 120
operator will maintain at least the amount in Ohio employee 121
payroll at the project required under that division for each 122
year in that period. 123

(12) "Megaproject operator" means a taxpayer that, 124
separately or collectively with other taxpayers, undertakes and 125
operates a megaproject. Such a taxpayer becomes a megaproject 126
operator effective the first day of the calendar year in which 127
the taxpayer and the tax credit authority enter into an 128
agreement under division (D) of this section with respect to the 129
megaproject. More than one taxpayer may be designated by the tax 130
credit authority as a megaproject operator for the same 131
megaproject. 132

(13) "Megaproject supplier" means a supplier in this state 133
that meets either or both of the following requirements: 134

(a) The supplier sells tangible personal property directly 135

to a megaproject operator of a megaproject that satisfies the 136
criteria described in division (A) (11) (a) (ii) of this section 137
for use at a megaproject site, provided that such property was 138
subject to substantial manufacturing, assembly, or processing in 139
this state at a facility owned or operated by the supplier; 140

(b) The supplier sells tangible personal property directly 141
to a megaproject operator for use at a megaproject site, 142
provided that the supplier agrees, in an agreement with the tax 143
credit authority under division (D) of this section, to meet all 144
of the following requirements: 145

(i) By the metric evaluation date applicable to the 146
supplier, makes at least one hundred million dollars, as 147
adjusted under division (V) (2) of this section, in fixed-asset 148
investments in this state; 149

(ii) By the metric evaluation date applicable to the 150
supplier, creates at least ten million dollars, as adjusted 151
under division (V) (2) of this section, in Ohio employee payroll; 152

(iii) On and after the metric evaluation date applicable 153
to the supplier, until the end of the last year for which the 154
supplier qualifies for the credit authorized under this section, 155
maintains at least the amount in Ohio employee payroll required 156
under division (A) (13) (b) (ii) of this section for each year in 157
that period. 158

(B) The tax credit authority may make grants under this 159
section to foster job creation in this state. Such a grant shall 160
take the form of a refundable credit allowed against the tax 161
imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 162
or 5747.02 or levied under Chapter 5751. of the Revised Code. 163
The credit shall be claimed for the taxable years or tax periods 164

specified in the taxpayer's agreement with the tax credit authority under division (D) of this section. With respect to taxes imposed under section 5726.02, 5733.06, or 5747.02 or Chapter 5751. of the Revised Code, the credit shall be claimed in the order required under section 5726.98, 5733.98, 5747.98, or 5751.98 of the Revised Code. The amount of the credit available for a taxable year or for a calendar year that includes a tax period equals the excess payroll for that year multiplied by the percentage specified in the agreement with the tax credit authority.

(C) (1) A taxpayer or potential taxpayer who proposes a project to create new jobs in this state may apply to the tax credit authority to enter into an agreement for a tax credit under this section.

An application shall not propose to include both home-based employees and employees who are not home-based employees in the computation of Ohio employee payroll for the purposes of the same tax credit agreement, except that a qualifying work-from-home employee shall not be considered to be a home-based employee unless so designated by the applicant. If a taxpayer or potential taxpayer employs both home-based employees and employees who are not home-based employees in a project, the taxpayer shall submit separate applications for separate tax credit agreements for the project, one of which shall include home-based employees in the computation of Ohio employee payroll and one of which shall include all other employees in the computation of Ohio employee payroll.

The director of development shall prescribe the form of the application. After receipt of an application, the authority may enter into an agreement with the taxpayer for a credit under

this section if it determines all of the following:	195
(a) The taxpayer's project will increase payroll;	196
(b) The taxpayer's project is economically sound and will benefit the people of this state by increasing opportunities for employment and strengthening the economy of this state;	197 198 199
(c) Receiving the tax credit is a major factor in the taxpayer's decision to go forward with the project.	200 201
(2) (a) A taxpayer that chooses to begin the project prior to receiving the determination of the authority may, upon submitting the taxpayer's application to the authority, request that the chief investment officer of the nonprofit corporation formed under section 187.01 of the Revised Code and the director review the taxpayer's application and recommend to the authority that the taxpayer's application be considered. As soon as possible after receiving such a request, the chief investment officer and the director shall review the taxpayer's application and, if they determine that the application warrants consideration by the authority, make that recommendation to the authority not later than six months after the application is received by the authority.	202 203 204 205 206 207 208 209 210 211 212 213 214
(b) The authority shall consider any taxpayer's application for which it receives a recommendation under division (C) (2) (a) of this section. If the authority determines that the taxpayer does not meet all of the criteria set forth in division (C) (1) of this section, the authority and the department of development shall proceed in accordance with rules adopted by the director pursuant to division (I) of this section.	215 216 217 218 219 220 221 222
(D) An agreement under this section shall include all of	223

the following:	224
(1) A detailed description of the project that is the subject of the agreement;	225 226
(2) (a) The term of the tax credit, which, except as provided in division (D) (2) (b) or (C) of this section, shall not exceed fifteen years, and the first taxable year, or first calendar year that includes a tax period, for which the credit may be claimed;	227 228 229 230 231
(b) If the tax credit is computed on the basis of home- based employees, the term of the credit shall expire on or before the last day of the taxable or calendar year ending before the beginning of the seventh year after September 6, 2012, the effective date of H.B. 327 of the 129th general assembly.	232 233 234 235 236 237
(c) If the taxpayer is a megaproject operator or a megaproject supplier that meets the requirements described in division (A) (13) (b) of this section, the term of the tax credit shall not exceed thirty years.	238 239 240 241
(3) A requirement that the taxpayer shall maintain operations at the project location for at least the greater of seven years or the term of the credit plus three years;	242 243 244
(4) The percentage, as determined by the tax credit authority, of excess payroll that will be allowed as the amount of the credit for each taxable year or for each calendar year that includes a tax period;	245 246 247 248
(5) The pay increase factor to be applied to the taxpayer's baseline payroll;	249 250
(6) A requirement that the taxpayer annually shall report	251

to the director of development full-time equivalent employees, 252
payroll, Ohio employee payroll, investment, the provision of 253
health care benefits and tuition reimbursement if required in 254
the agreement, and other information the director needs to 255
perform the director's duties under this section; 256

(7) A requirement that the director of development 257
annually review the information reported under division (D) (6) 258
of this section and verify compliance with the agreement; if the 259
taxpayer is in compliance, a requirement that the director issue 260
a certificate to the taxpayer stating that the information has 261
been verified and identifying the amount of the credit that may 262
be claimed for the taxable or calendar year. If the taxpayer is 263
a megaproject supplier, the director shall issue such a 264
certificate to the megaproject supplier and to any megaproject 265
operator (a) to which the megaproject supplier directly sells 266
tangible personal property and (b) that is authorized to claim 267
the credit pursuant to division (D) (10) of this section. 268

(8) A provision providing that the taxpayer may not 269
relocate a substantial number of employment positions from 270
elsewhere in this state to the project location unless the 271
director of development determines that the legislative 272
authority of the county, township, or municipal corporation from 273
which the employment positions would be relocated has been 274
notified by the taxpayer of the relocation. 275

For purposes of this section, the movement of an 276
employment position from one political subdivision to another 277
political subdivision shall be considered a relocation of an 278
employment position unless the employment position in the first 279
political subdivision is replaced. The movement of a qualifying 280
work-from-home employee to a different residence located in this 281

state or to the project location shall not be considered a 282
relocation of an employment position. 283

(9) If the tax credit is computed on the basis of home- 284
based employees, that the tax credit may not be claimed by the 285
taxpayer until the taxable year or tax period in which the 286
taxpayer employs at least two hundred employees more than the 287
number of employees the taxpayer employed on June 30, 2011; 288

(10) If the taxpayer is a megaproject supplier, the 289
percentage of the annual tax credit certified under division (D) 290
(7) of this section, up to one hundred per cent, that may be 291
claimed by each megaproject operator to which the megaproject 292
supplier directly sells tangible personal property, rather than 293
by that megaproject supplier, on the condition that the 294
megaproject operator continues to qualify as a megaproject 295
operator; 296

(11) If the taxpayer is a megaproject operator or 297
megaproject supplier, a requirement that the taxpayer meet and 298
maintain compliance with all thresholds and requirements to 299
which the taxpayer agreed, pursuant to division (A) (11) or (13) 300
of this section, respectively, as a condition of the operator's 301
project qualifying as a megaproject or the supplier qualifying 302
as a megaproject supplier until the end of the last year for 303
which the taxpayer qualifies for the credit authorized under 304
this section. In each year that a megaproject operator or 305
megaproject supplier is subject to an agreement with the tax 306
credit authority under this section and meets the requirements 307
of this division, the director of development shall issue a 308
certificate to the megaproject operator or megaproject supplier 309
stating that the megaproject operator or megaproject supplier 310
continues to meet those requirements. 311

(12) If the taxpayer is a megaproject operator, a 312
requirement that the megaproject operator submit, in a form 313
acceptable to the director of development, an economic impact 314
report with respect to each megaproject for which the 315
megaproject operator is designated, summarizing all of the 316
following for the reporting year: 317

(a) The aggregate amount of purchases made by the 318
megaproject operator for such megaproject from megaproject 319
suppliers; 320

(b) The aggregate amount of purchases made by the 321
megaproject operator for such megaproject from suppliers other 322
than megaproject suppliers; 323

(c) A summary of the construction activity for any 324
facilities at the site of the megaproject in that year; 325

(d) The aggregate amount expended by the megaproject 326
operator on research and development at the site of the 327
megaproject in that year; 328

(e) The number of employees working at the site of the 329
megaproject and the counties in which those employees reside; 330

(f) A summary of the supply chain activity in support of 331
the megaproject, including a list of the twenty-five suppliers 332
with a physical presence in Ohio from which the megaproject 333
operator made the most purchases in that year. 334

The economic impact report shall be due on or before the 335
first day of July of each year, beginning in the year specified 336
in the agreement with the tax credit authority. The information 337
required in the report shall be certified as true and correct by 338
an officer of the megaproject operator. If there is more than 339
one megaproject operator designated for a single megaproject, 340

all of the megaproject operators designated for the megaproject 341
may jointly submit a single report. Any information contained in 342
the report is a public record for purposes of section 149.43 of 343
the Revised Code and shall be published on the department of 344
development's web site. 345

(E) (1) If a taxpayer fails to meet or comply with any 346
condition or requirement set forth in a tax credit agreement, 347
the tax credit authority may amend the agreement to reduce the 348
percentage or term of the tax credit. The reduction of the 349
percentage or term may take effect in the current taxable or 350
calendar year. 351

(2) If the tax credit authority determines that a taxpayer 352
that is a megaproject operator of a megaproject described in 353
division (A) (11) (a) (ii) of this section is not fully compliant 354
with the requirements of the agreement, the authority may impose 355
a recoupment payment on the taxpayer in accordance with the 356
following: 357

(a) If, on the metric evaluation date, the taxpayer fails 358
to substantially meet the capital investment, full-time 359
equivalent employee, or payroll requirements included in the 360
agreement, an amount determined at the discretion of the 361
authority, not to exceed the sum of the following for all years 362
prior to the metric evaluation date: (i) the amount of taxes 363
that would have been imposed under Chapters 5739. and 5741. of 364
the Revised Code in the absence of the agreement, and (ii) the 365
amount of taxes that would have been imposed under Chapter 5751. 366
of the Revised Code on receipts realized from sales to the 367
taxpayer in the absence of the agreement; 368

(b) If the taxpayer fails to substantially maintain the 369
capital investment, full-time equivalent employee, or payroll 370

requirements included in the agreement in any year after the 371
metric evaluation date, an amount determined at the discretion 372
of the authority, not to exceed the sum of the following for the 373
calendar year in which taxpayer failed to meet the requirements: 374
(i) the amount of taxes that would have been imposed under 375
Chapters 5739. and 5741. of the Revised Code in the absence of 376
the agreement, and (ii) the amount of taxes that would have been 377
imposed under Chapter 5751. of the Revised Code on receipts 378
realized from sales to the taxpayer in the absence of the 379
agreement. 380

(3) The tax credit authority may, subject to any 381
requirements of the tax credit agreement, take into 382
consideration the taxpayer's prior performance and any market 383
conditions impacting the taxpayer when determining the amount of 384
the recoupment payment described in division (E) (2) of this 385
section. 386

(F) Projects that consist solely of point-of-final- 387
purchase retail facilities are not eligible for a tax credit 388
under this section. If a project consists of both point-of- 389
final-purchase retail facilities and nonretail facilities, only 390
the portion of the project consisting of the nonretail 391
facilities is eligible for a tax credit and only the excess 392
payroll from the nonretail facilities shall be considered when 393
computing the amount of the tax credit. If a warehouse facility 394
is part of a point-of-final-purchase retail facility and 395
supplies only that facility, the warehouse facility is not 396
eligible for a tax credit. Catalog distribution centers are not 397
considered point-of-final-purchase retail facilities for the 398
purposes of this division, and are eligible for tax credits 399
under this section. 400

(G) Financial statements and other information submitted 401
to the department of development or the tax credit authority by 402
an applicant or recipient of a tax credit under this section, 403
and any information taken for any purpose from such statements 404
or information, are not public records subject to section 149.43 405
of the Revised Code. However, the chairperson of the authority 406
may make use of the statements and other information for 407
purposes of issuing public reports or in connection with court 408
proceedings concerning tax credit agreements under this section. 409
Upon the request of the tax commissioner or, if the applicant or 410
recipient is an insurance company, upon the request of the 411
superintendent of insurance, the chairperson of the authority 412
shall provide to the commissioner or superintendent any 413
statement or information submitted by an applicant or recipient 414
of a tax credit in connection with the credit. The commissioner 415
or superintendent shall preserve the confidentiality of the 416
statement or information. 417

(H) A taxpayer claiming a credit under this section shall 418
submit to the tax commissioner or, if the taxpayer is an 419
insurance company, to the superintendent of insurance, a copy of 420
the director of development's certificate of verification under 421
division (D)(7) of this section with the taxpayer's tax report 422
or return for the taxable year or for the calendar year that 423
includes the tax period. Failure to submit a copy of the 424
certificate with the report or return does not invalidate a 425
claim for a credit if the taxpayer submits a copy of the 426
certificate to the commissioner or superintendent within the 427
time prescribed by section 5703.0510 of the Revised Code or 428
within thirty days after the commissioner or superintendent 429
requests it. 430

(I) The director of development, after consultation with 431

the tax commissioner and the superintendent of insurance and in 432
accordance with Chapter 119. of the Revised Code, shall adopt 433
rules necessary to implement this section, including rules that 434
establish a procedure to be followed by the tax credit authority 435
and the department of development in the event the authority 436
considers a taxpayer's application for which it receives a 437
recommendation under division (C) (2) (a) of this section but does 438
not approve it. The rules may provide for recipients of tax 439
credits under this section to be charged fees to cover 440
administrative costs of the tax credit program. For the purposes 441
of these rules, a qualifying work-from-home employee shall be 442
considered to be an employee employed at the applicant's project 443
location. The fees collected shall be credited to the tax 444
incentives operating fund created in section 122.174 of the 445
Revised Code. At the time the director gives public notice under 446
division (A) of section 119.03 of the Revised Code of the 447
adoption of the rules, the director shall submit copies of the 448
proposed rules to the chairpersons of the standing committees on 449
economic development in the senate and the house of 450
representatives. 451

(J) For the purposes of this section, a taxpayer may 452
include a partnership, a corporation that has made an election 453
under subchapter S of chapter one of subtitle A of the Internal 454
Revenue Code, or any other business entity through which income 455
flows as a distributive share to its owners. A partnership, S- 456
corporation, or other such business entity may elect to pass the 457
credit received under this section through to the persons to 458
whom the income or profit of the partnership, S-corporation, or 459
other entity is distributed. The election shall be made on the 460
annual report required under division (D) (6) of this section. 461
The election applies to and is irrevocable for the credit for 462

which the report is submitted. If the election is made, the 463
credit shall be apportioned among those persons in the same 464
proportions as those in which the income or profit is 465
distributed. 466

(K) (1) If the director of development determines that a 467
taxpayer who has received a credit under this section is not 468
complying with the requirements of the agreement, the director 469
shall notify the tax credit authority of the noncompliance. 470
After receiving such a notice, and after giving the taxpayer an 471
opportunity to explain the noncompliance, the tax credit 472
authority may require the taxpayer to refund to this state a 473

(3) In determining the portion of the tax credit to be 502

amount is certified to the superintendent, the superintendent 512
shall make an assessment for that amount against the taxpayer 513
under Chapter 5725. or 5729. of the Revised Code. The time 514

approve any such business, including the election of the vice- 559
chairperson. 560

defined in this section prior to the amendment of this section 585
by H.B. 64 of the 131st general assembly. The report shall 586
include information on the number of such agreements that were 587
entered into in the preceding six years, a description of the 588
projects that were the subjects of such agreements, and an 589
analysis of nationwide home-based employment trends, including 590
the number of home-based jobs created from July 1, 2011, through 591

tax incentives provided by other states during that time. 593

(Q) The director of development may require any agreement 594

basis of home-based employees to contain a provision that the 596
taxpayer makes available health care benefits and tuition 597

(R) Original agreements approved by the tax credit 599
authority under this section in 2014 or 2015 before September 600

(2) In calendar year 2016 and thereafter, the tax credit 615
authority shall annually determine a withholding adjustment 616
factor to be used in the computation of income tax revenue for 617

taking effect on or after June 29, 2013. 623

(3) Except as provided in division (S)(4) of this section, 624
for reporting periods ending in 2015 and thereafter for 625
taxpayers subject to eligible agreements, the tax credit 626
authority shall adjust the income tax revenue reported on the 627
taxpayer's annual report by multiplying the withholding 628
adjustment factor by the taxpayer's income tax revenue and doing 629
one of the following: 630

(a) If the income tax rates prescribed by section 5747.02 631
of the Revised Code have decreased by amendment of that section 632
taking effect on or after June 29, 2013, add the product to the 633
taxpayer's income tax revenue. 634

investment threshold and the Ohio employee payroll threshold for 683
the current year; 684

(c) Add the resulting products to the corresponding fixed- 685
asset investment threshold and Ohio employee payroll threshold 686
for the current year; 687

nearest multiple of ten million dollars and the Ohio employee 689

the director of development and to the tax credit authority not 701

commissioner computes the adjustment. Each certified amount 703
applies to the ensuing calendar year and each calendar year 704
thereafter until the tax commissioner makes a new adjustment. 705

the following formula:	933
The district's valuation per pupil -	934
[\$30,000 X (1 - the district's income factor)].	935
For purposes of this calculation:	936
(1) Except for a district with an open enrollment net gain	937
that is ten per cent or more of its formula ADM, "valuation per	938
pupil" for a district means its average taxable value, divided	939
by its formula ADM for the previous fiscal year. "Valuation per	940
pupil," for a district with an open enrollment net gain that is	941
ten per cent or more of its formula ADM, means its average	942
taxable value, divided by the sum of its formula ADM for the	943
previous fiscal year plus its open enrollment net gain for the	944
previous fiscal year.	945
(2) "Average taxable value" means the average of the sum	946
of the amounts certified for a district under divisions (A) (1)	947
and (2) of section 3317.021 of the Revised Code in the second,	948
third, and fourth preceding fiscal years.	949
(3) "Entitled to attend school" means entitled to attend	950
school in a city, local, or exempted village school district	951
under section 3313.64 or 3313.65 of the Revised Code.	952
(4) "Formula ADM" has the same meaning as in section	953
3317.02 of the Revised Code.	954
(5) "Native student" has the same meaning as in section	955
3313.98 of the Revised Code.	956
(6) "Open enrollment net gain" for a district means (a)	957
the number of the students entitled to attend school in another	958
district but who are enrolled in the schools of the district	959
under its open enrollment policy minus (b) the number of the	960

district's native students who are enrolled in the schools of 961
another district under the other district's open enrollment 962
policy, both numbers as certified to the department under 963
section 3313.981 of the Revised Code. If the difference is a 964
negative number, the district's "open enrollment net gain" is 965
zero. 966

(7) "Open enrollment policy" means an interdistrict open 967
enrollment policy adopted under section 3313.98 of the Revised 968
Code. 969

(8) "District median income" means the median ~~Ohio~~-federal 970
adjusted gross income certified for a school district under 971
section 3317.021 of the Revised Code. 972

(9) "Statewide median income" means the median district 973
median income of all city, exempted village, and local school 974
districts in the state. 975

(10) "Income factor" for a city, exempted village, or 976
local school district means the quotient obtained by dividing 977
that district's median income by the statewide median income. 978

(B) Calculate for each district the three-year average of 979
the adjusted valuations per pupil calculated for the district 980
for the current and two preceding fiscal years; 981

(C) Rank all such districts in order of adjusted valuation 982
per pupil from the district with the lowest three-year average 983
adjusted valuation per pupil to the district with the highest 984
three-year average adjusted valuation per pupil; 985

(D) Divide such ranking into percentiles with the first 986
percentile containing the one per cent of school districts 987
having the lowest three-year average adjusted valuations per 988
pupil and the one-hundredth percentile containing the one per 989

cent of school districts having the highest three-year average 990
adjusted valuations per pupil; 991

(E) Determine the school districts that have three-year 992
average adjusted valuations per pupil that are greater than the 993
median three-year average adjusted valuation per pupil for all 994
school districts in the state; 995

(F) On or before the first day of September, certify the 996
information described in divisions (A) to (E) of this section to 997
the Ohio facilities construction commission. 998
