of this section precludes such an investor from filing the 474
annual return under this section, utilizing the refundable 475
credit equal to the investor's proportionate share of the tax 476
paid by the pass-through entity on behalf of the investor under 477
division (I) of this section, and making the payment of taxes 478
imposed under section 5747.02 of the Revised Code. Nothing in 479
division (D) of this section shall be construed to provide to 480
such an investor or pass-through entity any additional deduction 481
or credit, other than the credit provided by division (I) of 482
this section, solely on account of the entity's filing a return 483
in accordance with this section. Such a pass-through entity also 484
shall make the filing and payment of estimated taxes on behalf 485

of the pass-through entity investors other than an investor that 486
is a person subject to the tax imposed under section 5733.06 of 487
the Revised Code. 488

(2) For the purposes of this section, "business credits" 489
means the credits listed in section 5747.98 of the Revised Code 490
excluding the following credits: 491

(a) The retirement income credit under division (B) of 492
section 5747.055 of the Revised Code; 493

(b) The senior citizen credit under division (F) of 494
section 5747.055 of the Revised Code; 495

(c) The lump sum distribution credit under division (G) of 496

(h) The credit for displaced workers who pay for job 506
training under section 5747.27 of the Revised Code; 507

(i) The twenty-dollar personal exemption credit under 508

5747.05 of the Revised Code;	513
(1) The credit for a resident's out-of-state income under division (B) of section 5747.05 of the Revised Code;	514 515

(p) <u>(o)</u> The credit for tuition paid to a nonchartered nonpublic school under section 5747.75 of the Revised Code.	522 523
(3) The election provided for under division (D) of this section applies only to the taxable year for which the election is made by the pass-through entity. Unless the tax commissioner provides otherwise, this election, once made, is binding and irrevocable for the taxable year for which the election is made. Nothing in this division shall be construed to provide for any deduction or credit that would not be allowable if a nonresident pass-through entity investor were to file an annual return.	524 525 526 527 528 529 530 531
(4) If a pass-through entity makes the election provided for under division (D) of this section, the pass-through entity shall be liable for any additional taxes, interest, interest penalty, or penalties imposed by this chapter if the tax commissioner finds that the single return does not reflect the correct tax due by the pass-through entity investors covered by that return. Nothing in this division shall be construed to limit or alter the liability, if any, imposed on pass-through entity investors for unpaid or underpaid taxes, interest, interest penalty, or penalties as a result of the pass-through	532 533 534 535 536 537 538 539 540 541

entity's making the election provided for under division (D) of 542
this section. For the purposes of division (D) of this section, 543
"correct tax due" means the tax that would have been paid by the 544
pass-through entity had the single return been filed in a manner 545
reflecting the commissioner's findings. Nothing in division (D) 546
of this section shall be construed to make or hold a pass- 547
through entity liable for tax attributable to a pass-through 548
entity investor's income from a source other than the pass- 549
through entity electing to file the single return. 550

(E) If a husband and wife file a joint federal income tax 551
return for a taxable year, they shall file a joint return under 552
this section for that taxable year, and their liabilities are 553
joint and several, but, if the federal income tax liability of 554
either spouse is determined on a separate federal income tax 555
return, they shall file separate returns under this section. 556

If either spouse is not required to file a federal income 557
tax return and either or both are required to file a return 558
pursuant to this chapter, they may elect to file separate or 559
joint returns, and, pursuant to that election, their liabilities 560
are separate or joint and several. If a husband and wife file 561
separate returns pursuant to this chapter, each must claim the 562
taxpayer's own exemption, but not both, as authorized under 563
section 5747.02 of the Revised Code on the taxpayer's own 564
return. 565

(F) Each return or notice required to be filed under this 566
section shall contain the signature of the taxpayer or the 567
taxpayer's duly authorized agent and of the person who prepared 568
the return for the taxpayer, and shall include the taxpayer's 569
social security number. Each return shall be verified by a 570
declaration under the penalties of perjury. The tax commissioner 571

shall prescribe the form that the signature and declaration 572
shall take. 573

(G) Each return or notice required to be filed under this 574
section shall be made and filed as required by section 5747.04 575
of the Revised Code, on or before the fifteenth day of April of 576
each year, on forms that the tax commissioner shall prescribe, 577
together with remittance made payable to the treasurer of state 578
in the combined amount of the state and all school district 579
income taxes shown to be due on the form. 580

Upon good cause shown, the commissioner may extend the 581
period for filing any notice or return required to be filed 582
under this section and may adopt rules relating to extensions. 583
If the extension results in an extension of time for the payment 584
of any state or school district income tax liability with 585
respect to which the return is filed, the taxpayer shall pay at 586
the time the tax liability is paid an amount of interest 587
computed at the rate per annum prescribed by section 5703.47 of 588
the Revised Code on that liability from the time that payment is 589
due without extension to the time of actual payment. Except as 590
provided in section 5747.132 of the Revised Code, in addition to 591
all other interest charges and penalties, all taxes imposed 592
under this chapter or Chapter 5748. of the Revised Code and 593
remaining unpaid after they become due, except combined amounts 594
due of one dollar or less, bear interest at the rate per annum 595
prescribed by section 5703.47 of the Revised Code until paid or 596
until the day an assessment is issued under section 5747.13 of 597
the Revised Code, whichever occurs first. 598

If the commissioner considers it necessary in order to 599
ensure the payment of the tax imposed by section 5747.02 of the 600
Revised Code or any tax imposed under Chapter 5748. of the 601

Revised Code, the commissioner may require returns and payments 602
to be made otherwise than as provided in this section. 603

To the extent that any provision in this division 604
conflicts with any provision in section 5747.026 of the Revised 605
Code, the provision in that section prevails. 606

(H) The amounts withheld pursuant to section 5747.06, 607
5747.062, 5747.063, 5747.064, 5747.065, or 5747.071 of the 608
Revised Code shall be allowed to the ultimate recipient of the 609
income as credits against payment of the appropriate taxes 610
imposed on the ultimate recipient by section 5747.02 and under 611
Chapter 5748. of the Revised Code. As used in this division, 612
"ultimate recipient" means the person who is required to report 613
income from which amounts are withheld pursuant to section 614
5747.06, 5747.062, 5747.063, 5747.064, 5747.065, or 5747.071 of 615
the Revised Code on the annual return required to be filed under 616
this section. 617

(I) If a pass-through entity elects to file a single 618
return under division (D) of this section and if any investor is 619
required to file the annual return and make the payment of taxes 620
required by this chapter on account of the investor's other 621
income that is not included in a single return filed by a pass- 622
through entity or any other investor elects to file the annual 623
return, the investor is entitled to a refundable credit equal to 624
the investor's proportionate share of the tax paid by the pass- 625
through entity on behalf of the investor. The investor shall 626
claim the credit for the investor's taxable year in which or 627
with which ends the taxable year of the pass-through entity. 628
Nothing in this chapter shall be construed to allow any credit 629
provided in this chapter to be claimed more than once. For the 630
purpose of computing any interest, penalty, or interest penalty, 631

the investor shall be deemed to have paid the refundable credit 632
provided by this division on the day that the pass-through 633
entity paid the estimated tax or the tax giving rise to the 634
credit. 635

(J) The tax commissioner shall ensure that each return 636
required to be filed under this section includes a box that the 637
taxpayer may check to authorize a paid tax preparer who prepared 638
the return to communicate with the department of taxation about 639
matters pertaining to the return. The return or instructions 640
accompanying the return shall indicate that by checking the box 641
the taxpayer authorizes the department of taxation to contact 642
the preparer concerning questions that arise during the 643
processing of the return and authorizes the preparer only to 644
provide the department with information that is missing from the 645
return, to contact the department for information about the 646
processing of the return or the status of the taxpayer's refund 647
or payments, and to respond to notices about mathematical 648
errors, offsets, or return preparation that the taxpayer has 649
received from the department and has shown to the preparer. 650

(K) The tax commissioner shall permit individual taxpayers 651
to instruct the department of taxation to cause any refund of 652
overpaid taxes to be deposited directly into a checking account, 653
savings account, or an individual retirement account or 654
individual retirement annuity, or preexisting college savings 655
plan or program account offered by the Ohio tuition trust 656
authority under Chapter 3334. of the Revised Code, as designated 657
by the taxpayer, when the taxpayer files the annual return 658
required by this section electronically. 659

(L) If, for the taxable year, a nonresident or trust that 660
is the owner of an electing pass-through entity, as defined in 661

section 5747.38 of the Revised Code, does not have Ohio adjusted 662
gross income or, in the case of a trust, modified Ohio taxable 663
income other than from one or more electing pass-through 664
entities, the nonresident or trust shall not be required to file 665
an annual return under this section. Nothing in this division 666
precludes such an owner from filing the annual return under this 667
section, utilizing the refundable credit under section 5747.39 668
of the Revised Code equal to the owner's proportionate share of 669
the tax levied under section 5747.38 of the Revised Code and 670
paid by the electing pass-through entity, and making the payment 671
of taxes imposed under section 5747.02 of the Revised Code. 672

(M) The tax commissioner may adopt rules to administer 673
this section. 674

Sec. 5747.26. (A) Terms used in this section have the same 675
meanings as in section 3742.50 of the Revised Code. 676

(B) There is hereby allowed a ~~nonrefundable~~ refundable 677
credit against a taxpayer's aggregate tax liability under 678
section 5747.02 of the Revised Code for a taxpayer to whom a 679
lead abatement tax credit certificate was issued under section 680
3742.50 of the Revised Code. The credit equals the amount listed 681
on the certificate and shall be claimed for the taxable year in 682
which the certificate was issued. 683

The credit shall be claimed in the order required under 684
section 5747.98 of the Revised Code. If the credit exceeds the 685
taxpayer's aggregate tax due under section 5747.02 of the 686
Revised Code for that taxable year after allowing for credits 687
that precede the credit under this section in that order, such 688
excess shall be ~~allowed as a credit in each of the ensuing seven~~ 689
~~taxable years, but the amount of any excess credit allowed in~~ 690
~~any such taxable year shall be deducted from the balance carried~~ 691

~~forward to the ensuing taxable year~~refunded to the taxpayer. 692

(C) ~~The~~If a lead abatement tax credit certificate is 693
issued under section 3742.50 of the Revised Code to a pass- 694
through entity, a taxpayer that is a direct or indirect investor 695
in the entity may claim the taxpayer's proportionate or 696
distributive share of the credit authorized under division (B) 697
of this section. 698

(D) A taxpayer shall provide, upon request of the tax 699
commissioner, any documentation necessary to verify the taxpayer 700
is entitled to the credit under this section. 701

by a local authority during the preceding fiscal year, as	925
reported under division (B) (1) of this section, if such a report	926
is required; plus	927
(b) The residual <u>traffic camera</u> adjustment computed for	928
the local authority under division (B) (4) of this section, if	929
such an adjustment applies.	930
(7) "Local government fund payments" or "LGF payments"	931
means the payments a local authority would receive under	932
sections 5747.50 <u>5747.503</u> , 5747.51, and 5747.53, and division	933
(C) of section 5747.50 of the Revised Code, as applicable, if	934
not for the reductions required by divisions (C) and (D) of this	935
section.	936
(8) "Residual <u>traffic camera</u> adjustment" means the most	937
recent LGF <u>traffic camera</u> adjustment computed for a local	938
authority under division (B) (2) or (3) of this section minus the	939
sum of the reductions applied after that computation under	940
division (C) of this section to the local authority's LGF	941
payments.	942
(9) "Traffic camera fines" means civil fines for any	943
violation of any local ordinance or resolution that are based	944
upon evidence recorded by a traffic law photo-monitoring device.	945
(10) "Qualifying village" has the same meaning as in	946
section 5747.503 of the Revised Code.	947
(B) (1) Annually, on or before the thirty-first day of	948
July, any local authority that directly or indirectly collected	949
traffic camera fines during the preceding fiscal year shall file	950
a report with the tax commissioner that includes a detailed	951

statement of the gross amount of all traffic camera fines the 952
local authority collected during that period and the gross 953
amount of such fines that the local authority collected for 954
violations that occurred within a school zone. 955

(2) Annually, on or before the tenth day of August, the 956
commissioner shall compute a ~~local government fund traffic~~ 957
camera adjustment for each local authority that files a report 958
under division (B) (1) of this section or with respect to which a 959
residual traffic camera adjustment applies. Subject to division 960
(B) (3) of this section, the ~~LGF~~ traffic camera adjustment shall 961
be used by the commissioner to determine the amount of the 962
reductions required under division (C) of this section for each 963
of the next twelve months, starting with the month in which the 964
~~LGF~~ traffic camera adjustment is computed. After those twelve 965
months, the ~~LGF~~ traffic camera adjustment ceases to apply and, 966
if ~~an LGF~~ a traffic camera adjustment continues to be required, 967
the amount of the reductions required under division (C) of this 968
section shall be determined based on an updated ~~LGF~~ traffic 969
camera adjustment computed under this division. 970

(3) Upon receipt of a report described by division (B) (1) 971
of this section that is not timely filed, the commissioner shall 972
do both of the following: 973

(a) If one or more payments to the local authority has 974
been withheld under division (D) of this section because of the 975
local authority's failure to file the report, notify the county 976
auditor and county treasurer of the appropriate county that the 977
report has been received and that, subject to division (C) of 978
this section, payments to the local authority from the undivided 979
local government fund are to resume. 980

(b) Compute the local authority's ~~LGF~~ traffic camera 981

adjustment using the information in the report. ~~An LGF-A traffic~~ 982
~~camera~~ adjustment computed under this division shall be used by 983
the commissioner to determine the amount of the reductions 984
required under division (C) of this section starting with the 985
next required reduction. The ~~LGF-traffic camera~~ adjustment 986
ceases to apply on the thirty-first day of the ensuing July, 987
following which, if ~~an LGF-a traffic camera~~ adjustment continues 988
to be required, the amount of the reductions required under 989
division (C) of this section shall be determined based on an 990
updated ~~LGF-traffic camera~~ adjustment computed under division 991
(B) (2) of this section. 992

(4) Annually, on or before the tenth day of August, the 993
commissioner shall compute a residual traffic camera adjustment 994
for each local authority whose ~~LGF-traffic camera~~ adjustment for 995
the preceding year exceeds the amount by which the local 996
authority's LGF payments were reduced during that year under 997
division (C) of this section. The residual traffic camera 998
adjustment shall be used to compute the ~~LGF-traffic camera~~ 999
adjustment for the ensuing year under division (B) (2) of this 1000
section. 1001

(C) The commissioner shall do the following, as 1002
applicable, respecting any local authority to which ~~an LGF-a~~ 1003
~~traffic camera~~ adjustment computed under division (B) of this 1004
~~section~~ applies: 1005

(1) If the local authority is a municipal corporation with 1006
a population of one thousand or more, reduce payments to the 1007
municipal corporation under division (C) of section 5747.50 of 1008
the Revised Code by one-twelfth of the ~~LGF-traffic camera~~ 1009
adjustment. If one-twelfth of the ~~LGF-traffic camera~~ adjustment 1010
exceeds the amount of money the municipal corporation would 1011

otherwise receive under division (C) of section 5747.50 of the Revised Code, the commissioner also shall reduce payments to the appropriate county undivided local government fund under division (B) of section 5747.50 of the Revised Code by an amount equal to the lesser of (a) one-twelfth of the excess, or (b) the amount of the payment the municipal corporation would otherwise receive from the fund under section 5747.51 or 5747.53 of the Revised Code.

(2) If the local authority is a township or qualifying village, reduce the supplemental payments to the appropriate county undivided local government fund under section 5747.503 of the Revised Code by the lesser of one-twelfth of the ~~LGF-traffic camera~~ adjustment, or the amount of money the township or qualifying village would otherwise receive under that section. If one-twelfth of the ~~LGF-traffic camera~~ adjustment exceeds the amount of money the township or qualifying village would otherwise receive under section 5747.503 of the Revised Code, the commissioner also shall reduce payments to the appropriate county undivided local government fund under division (B) of section 5747.50 of the Revised Code by an amount equal to the lesser of (a) one-twelfth of the excess, or (b) the amount of the payment the township or qualifying village would otherwise receive from the fund under section 5747.51 or 5747.53 of the Revised Code.

(3) If the local authority is a county, reduce payments to the appropriate county undivided local government fund under division (B) of section 5747.50 of the Revised Code by an amount equal to the lesser of (a) one-twelfth of the ~~LGF-traffic camera~~ adjustment, or (b) the amount of the payment the county would otherwise receive from the fund under section 5747.51 or 5747.53 of the Revised Code.

(4) For any local authority, on or before the tenth day of 1043
each month a reduction is made under division (C) (1), (2), or 1044
(3) of this section, make a payment to the local authority in an 1045
amount equal to the lesser of (a) one-twelfth of the gross 1046
amount of traffic camera fines the local authority collected in 1047
the preceding fiscal year for violations that occurred within a 1048
school zone, as indicated on the report filed by the local 1049
authority pursuant to division (B) (1) of this section, or (b) 1050
the amount by which the local authority's LGF payments were 1051
reduced that month pursuant to division (C) (1), (2), or (3) of 1052
this section. Payments received by a local authority under this 1053
division shall be used by the local authority for school safety 1054
purposes. 1055

(D) Upon discovery, based on information in the 1056
commissioner's possession, that a local authority required to 1057
file a report under division (B) (1) of this section has failed 1058
to do so, the commissioner shall do the following, as 1059
applicable: 1060

(1) If the local authority is a municipal corporation with 1061
a population of one thousand or more, cease providing for 1062
payments to the municipal corporation under section 5747.50 of 1063
the Revised Code beginning with the next required payment and 1064
until such time as the report is received by the commissioner; 1065

(2) If the local authority is a township or qualifying 1066
village, reduce the supplemental payments to the appropriate 1067
county undivided local government fund under section 5747.503 of 1068
the Revised Code by an amount equal to the amount of such 1069
payments the local authority would otherwise receive under that 1070
section, beginning with the next required payment and until such 1071
time as the report is received by the commissioner; 1072

(3) For any local authority, reduce payments to the 1073
appropriate county undivided local government fund under 1074
division (B) of section 5747.50 of the Revised Code by an amount 1075
equal to the amount of such payments the local authority would 1076
otherwise receive under section 5747.51 or 5747.53 of the 1077
Revised Code, beginning with the next required payment and until 1078
such time as the report is received by the commissioner; 1079

(4) For any local authority, notify the county auditor and 1080
county treasurer that such payments are to cease until the 1081
commissioner notifies the auditor and treasurer under division 1082
(E) of this section that the payments are to resume. 1083

(E) The commissioner shall notify the county auditor and 1084
county treasurer on or before the day the commissioner first 1085
reduces a county undivided local government fund payment to that 1086
county under division (C) of this section. The notice shall 1087
include the full amount of the reduction, a list of the local 1088
authorities to which the reduction applies, and the amount of 1089
reduction attributed to each such local authority. The 1090
commissioner shall send an updated notice to the county auditor 1091
and county treasurer any time the amount the reduction 1092
attributed to any local authority changes. 1093

A county treasurer that receives a notice from the 1094
commissioner under this division or division (B) (3) (a) or (D) (4) 1095
of this section shall reduce, cease, or resume payments from the 1096
undivided local government fund to the local authority that is 1097
the subject of the notice as specified by the commissioner in 1098
the notice. Unless otherwise specified in the notice, the 1099
payments shall be reduced, ceased, or resumed beginning with the 1100
next required payment. 1101

(F) There is hereby created in the state treasury the Ohio 1102

highway and transportation safety fund. On or before the tenth 1103
day of each month, the commissioner shall deposit in the fund an 1104
amount equal to the total amount by which payments to local 1105
authorities were reduced or ceased under division (C) or (D) of 1106
this section minus the total amount of payments made under 1107
division (C)(4) of this section. The amount deposited with 1108
respect to a local authority shall be credited to an account to 1109
be created in the fund for the transportation district in which 1110
that local authority is located. If the local authority is 1111
located within more than one transportation district, the amount 1112
credited to the account of each such transportation district 1113
shall be prorated on the basis of the number of centerline miles 1114
of public roads and highways in both the local authority and the 1115
respective districts. Amounts credited to a transportation 1116
district's account shall be used by the department of 1117
transportation and the district deputy director exclusively to 1118
enhance public safety on public roads and highways within that 1119
transportation district. 1120

Sec. 5747.504. (A) As used in this section: 1121

(1) "Lead certification delay adjustment" means ten per 1122
cent of a local authority's local government fund payment for a 1123
month. 1124

(2) "Local authority" has the same meaning as in section 1125
5747.502 of the Revised Code. 1126

(3) "Local government fund payments" or "LGF payments" 1127
means the payments a local authority would receive each month 1128
under sections 5747.503, 5747.51, and 5747.53, and division (C) 1129
of section 5747.50 of the Revised Code, as applicable, if not 1130
for the reductions required by this section, but subject to any 1131
reduction under section 5747.502 of the Revised Code for that 1132

month. 1133

(4) "Qualifying village" has the same meaning as in 1134
section 5747.503 of the Revised Code. 1135

(B) (1) On or before the tenth day of each month that 1136
begins after the effective date of this section, the tax 1137
commissioner shall compute a lead certification delay adjustment 1138
for each local authority to which both of the following apply on 1139
or after that effective date: 1140

(a) The legislative authority of the local authority 1141
adopts or has in effect an ordinance or resolution that requires 1142
a person to obtain a certification that indicates that a 1143
property is safe from lead hazards for purposes of rental 1144
registration under the authority of section 5321.19 of the 1145
Revised Code; 1146

(b) In the current fiscal year, the tax commissioner has 1147
received and verified fifty or more notices, on forms prescribed 1148
by the commissioner, describing individual instances in which 1149
the local authority failed to comply with division (A) of 1150
section 3742.47 of the Revised Code. 1151

(2) On or before the tenth day of each month that begins 1152
after the effective date of this section, the tax commissioner 1153
shall compute an additional lead certification delay adjustment 1154
for each local authority for which an adjustment has been 1155
calculated pursuant to division (B) (1) of this section and for 1156
which the tax commissioner receives and verifies an additional 1157
four hundred fifty notices above the fifty notices of the type 1158
described in that division during the same fiscal year the 1159
initial adjustment was calculated. 1160

The commissioner shall subtract the lead certification 1161

delay adjustment or adjustments from the local authority's LGF 1162
payments as described in divisions (C) and (D) of this section. 1163

(C)(1) If the local authority is a municipal corporation 1164

division (C) of section 5747.50 of the Revised Code by the 1167
lesser of any lead certification delay adjustment amounts or the 1168
amount the municipal corporation would otherwise receive under 1169
that division. If the amount of any lead certification delay 1170
adjustments exceeds the amount of money the municipal 1171
corporation would otherwise receive under division (C) of 1172
section 5747.50 of the Revised Code, the commissioner also shall 1173

appropriate county undivided local government fund under section 1179
5747.503 of the Revised Code by the lesser of any lead 1180
certification delay adjustments, or the amount of money the 1181
qualifying village would otherwise receive under that section. 1182
If the amount of any lead certification delay adjustments 1183
exceeds the amount of money the qualifying village would 1184
otherwise receive under section 5747.503 of the Revised Code, 1185
the commissioner also shall reduce payments to the appropriate 1186
county undivided local government fund under division (B) of 1187
section 5747.50 of the Revised Code by the excess lead 1188
certification delay adjustments. 1189

(3) If the local authority is a county or township, the 1190
commissioner shall reduce payments to the appropriate county 1191

undivided local government fund under division (B) of section 1192
5747.50 of the Revised Code by the amount of all lead 1193
certification delay adjustments. 1194

(D) A reduction under division (C) of this section shall 1195
begin to apply for the first LGF payment the local authority 1196
receives after the commissioner computes a lead certification 1197
delay adjustment and continue until and include the last LGF 1198
payment in the fiscal year in which the the adjustment was 1199
computed. 1200

(E) The commissioner shall notify the county auditor and 1201
county treasurer on or before the day the commissioner first 1202
reduces a county undivided local government fund payment to that 1203
county under division (C) of this section. The notice shall 1204
include the full amount of the reduction, a list of the local 1205
authorities to which the reduction applies, and the amount of 1206
reduction attributed to each such local authority. The 1207
commissioner shall send an updated notice to the county auditor 1208
and county treasurer any time the amount the reduction 1209
attributed to any local authority changes or ceases. 1210

A county treasurer that receives a notice from the 1211
commissioner under this division shall reduce, cease, or resume 1212
payments from the undivided local government fund to the local 1213
authority that is the subject of the notice as specified by the 1214
commissioner in the notice. Unless otherwise specified in the 1215
notice, the payments shall be reduced, ceased, or resumed 1216
beginning with the next required payment. 1217

(F) On or before the tenth day of each month, the 1218
commissioner shall transfer from the local government fund to 1219
the general revenue fund the sum of the payments withheld that 1220
month under division (C) of this section. 1221

Sec. 5747.51. (A) On or before the twenty-fifth day of 1222
July of each year, the tax commissioner shall make and certify 1223
to the county auditor of each county an estimate of the amount 1224
of the local government fund to be allocated to the undivided 1225
local government fund of each county for the ensuing calendar 1226
year, adjusting the total as required to account for 1227
subdivisions receiving local government funds under section 1228
5747.502 of the Revised Code. 1229

(B) At each annual regular session of the county budget 1230
commission convened pursuant to section 5705.27 of the Revised 1231
Code, each auditor shall present to the commission the 1232
certificate of the commissioner, the annual tax budget and 1233
estimates, and the records showing the action of the commission 1234
in its last preceding regular session. The commission, after 1235
extending to the representatives of each subdivision an 1236
opportunity to be heard, under oath administered by any member 1237
of the commission, and considering all the facts and information 1238
presented to it by the auditor, shall determine the amount of 1239
the undivided local government fund needed by and to be 1240
apportioned to each subdivision for current operating expenses, 1241
as shown in the tax budget of the subdivision. This 1242
determination shall be made pursuant to divisions (C) to (I) of 1243
this section, unless the commission has provided for a formula 1244
pursuant to section 5747.53 of the Revised Code. The 1245
commissioner shall reduce the amount of funds from the undivided 1246
local government fund to a subdivision required to receive 1247
reduced funds under section 5747.502 or 5747.504 of the Revised 1248
Code. 1249

Nothing in this section prevents the budget commission, 1250
for the purpose of apportioning the undivided local government 1251
fund, from inquiring into the claimed needs of any subdivision 1252

as stated in its tax budget, or from adjusting claimed needs to 1253
reflect actual needs. For the purposes of this section, "current 1254
operating expenses" means the lawful expenditures of a 1255
subdivision, except those for permanent improvements and except 1256
payments for interest, sinking fund, and retirement of bonds, 1257
notes, and certificates of indebtedness of the subdivision. 1258

(C) The commission shall determine the combined total of 1259
the estimated expenditures, including transfers, from the 1260
general fund and any special funds other than special funds 1261
established for road and bridge; street construction, 1262
maintenance, and repair; state highway improvement; and gas, 1263
water, sewer, and electric public utilities operated by a 1264
subdivision, as shown in the subdivision's tax budget for the 1265
ensuing calendar year. 1266

(D) From the combined total of expenditures calculated 1267
pursuant to division (C) of this section, the commission shall 1268
deduct the following expenditures, if included in these funds in 1269
the tax budget: 1270

(1) Expenditures for permanent improvements as defined in 1271
division (E) of section 5705.01 of the Revised Code; 1272

(2) In the case of counties and townships, transfers to 1273
the road and bridge fund, and in the case of municipalities, 1274
transfers to the street construction, maintenance, and repair 1275
fund and the state highway improvement fund; 1276

(3) Expenditures for the payment of debt charges; 1277

(4) Expenditures for the payment of judgments. 1278

(E) In addition to the deductions made pursuant to 1279
division (D) of this section, revenues accruing to the general 1280
fund and any special fund considered under division (C) of this 1281

section from the following sources shall be deducted from the 1282
combined total of expenditures calculated pursuant to division 1283
(C) of this section: 1284

(1) Taxes levied within the ten-mill limitation, as 1285
defined in section 5705.02 of the Revised Code; 1286

(2) The budget commission allocation of estimated county 1287
public library fund revenues to be distributed pursuant to 1288
section 5747.48 of the Revised Code; 1289

(3) Estimated unencumbered balances as shown on the tax 1290
budget as of the thirty-first day of December of the current 1291
year in the general fund, but not any estimated balance in any 1292
special fund considered in division (C) of this section; 1293

(4) Revenue, including transfers, shown in the general 1294
fund and any special funds other than special funds established 1295
for road and bridge; street construction, maintenance, and 1296
repair; state highway improvement; and gas, water, sewer, and 1297
electric public utilities, from all other sources except those 1298
that a subdivision receives from an additional tax or service 1299
charge voted by its electorate or receives from special 1300
assessment or revenue bond collection. For the purposes of this 1301
division, where the charter of a municipal corporation prohibits 1302
the levy of an income tax, an income tax levied by the 1303
legislative authority of such municipal corporation pursuant to 1304
an amendment of the charter of that municipal corporation to 1305
authorize such a levy represents an additional tax voted by the 1306
electorate of that municipal corporation. For the purposes of 1307
this division, any measure adopted by a board of county 1308
commissioners pursuant to section 322.02, 4504.02, or 5739.021 1309
of the Revised Code, including those measures upheld by the 1310
electorate in a referendum conducted pursuant to section 1311

322.021, 4504.021, or 5739.022 of the Revised Code, shall not be 1312
considered an additional tax voted by the electorate. 1313

Subject to division (F) of section 5705.29 of the Revised 1314
Code, money in a reserve balance account established by a 1315
county, township, or municipal corporation under section 5705.13 1316
of the Revised Code shall not be considered an unencumbered 1317
balance or revenue under division (E) (3) or (4) of this section. 1318
Money in a reserve balance account established by a township 1319
under section 5705.132 of the Revised Code shall not be 1320
considered an unencumbered balance or revenue under division (E) 1321
(3) or (4) of this section. 1322

If a county, township, or municipal corporation has 1323
created and maintains a nonexpendable trust fund under section 1324
5705.131 of the Revised Code, the principal of the fund, and any 1325
additions to the principal arising from sources other than the 1326
reinvestment of investment earnings arising from such a fund, 1327
shall not be considered an unencumbered balance or revenue under 1328
division (E) (3) or (4) of this section. Only investment earnings 1329
arising from investment of the principal or investment of such 1330
additions to principal may be considered an unencumbered balance 1331
or revenue under those divisions. 1332

(F) The total expenditures calculated pursuant to division 1333
(C) of this section, less the deductions authorized in divisions 1334
(D) and (E) of this section, shall be known as the "relative 1335
need" of the subdivision, for the purposes of this section. 1336

(G) The budget commission shall total the relative need of 1337
all participating subdivisions in the county, and shall compute 1338
a relative need factor by dividing the total estimate of the 1339
undivided local government fund by the total relative need of 1340
all participating subdivisions. 1341

(H) The relative need of each subdivision shall be 1342
multiplied by the relative need factor to determine the 1343
proportionate share of the subdivision in the undivided local 1344
government fund of the county; provided, that the maximum 1345
proportionate share of a county shall not exceed the following 1346
maximum percentages of the total estimate of the undivided local 1347
government fund governed by the relationship of the percentage 1348
of the population of the county that resides within municipal 1349
corporations within the county to the total population of the 1350
county as reported in the reports on population in Ohio by the 1351
department of development as of the twentieth day of July of the 1352
year in which the tax budget is filed with the budget 1353
commission: 1354

1355

1

2

A	Percentage of municipal population within the county:	Percentage share of the county shall not exceed:
B	Less than forty-one per cent	Sixty per cent
C	Forty-one per cent or more but less than eighty-one per cent	Fifty per cent
D	Eighty-one per cent or more	Thirty per cent

Where the proportionate share of the county exceeds the 1356
limitations established in this division, the budget commission 1357
shall adjust the proportionate shares determined pursuant to 1358
this division so that the proportionate share of the county does 1359
not exceed these limitations, and it shall increase the 1360

proportionate shares of all other subdivisions on a pro rata 1361
basis. In counties having a population of less than one hundred 1362
thousand, not less than ten per cent shall be distributed to the 1363
townships therein. 1364

(I) The proportionate share of each subdivision in the 1365
undivided local government fund determined pursuant to division 1366
(H) of this section for any calendar year shall not be less than 1367
the product of the average of the percentages of the undivided 1368
local government fund of the county as apportioned to that 1369
subdivision for the calendar years 1968, 1969, and 1970, 1370
multiplied by the total amount of the undivided local government 1371
fund of the county apportioned pursuant to former section 1372
5739.23 of the Revised Code for the calendar year 1970. For the 1373
purposes of this division, the total apportioned amount for the 1374
calendar year 1970 shall be the amount actually allocated to the 1375
county in 1970 from the state collected intangible tax as levied 1376
by section 5707.03 of the Revised Code and distributed pursuant 1377
to section 5725.24 of the Revised Code, plus the amount received 1378
by the county in the calendar year 1970 pursuant to division (B) 1379
(1) of former section 5739.21 of the Revised Code, and 1380
distributed pursuant to former section 5739.22 of the Revised 1381
Code. If the total amount of the undivided local government fund 1382
for any calendar year is less than the amount of the undivided 1383
local government fund apportioned pursuant to former section 1384
5739.23 of the Revised Code for the calendar year 1970, the 1385
minimum amount guaranteed to each subdivision for that calendar 1386
year pursuant to this division shall be reduced on a basis 1387
proportionate to the amount by which the amount of the undivided 1388
local government fund for that calendar year is less than the 1389
amount of the undivided local government fund apportioned for 1390
the calendar year 1970. 1391

(J) On the basis of such apportionment, the county auditor shall compute the percentage share of each such subdivision in the undivided local government fund and shall at the same time certify to the tax commissioner the percentage share of the county as a subdivision. No payment shall be made from the undivided local government fund, except in accordance with such percentage shares.

Within ten days after the budget commission has made its apportionment, whether conducted pursuant to section 5747.51 or 5747.53 of the Revised Code, the auditor shall publish a list of the subdivisions and the amount each is to receive from the undivided local government fund and the percentage share of each subdivision, in a newspaper or newspapers of countywide circulation, and send a copy of such allocation to the tax commissioner.

The county auditor shall also send a copy of such allocation by ordinary or electronic mail to the fiscal officer of each subdivision entitled to participate in the allocation of the undivided local government fund of the county. This copy shall constitute the official notice of the commission action referred to in section 5705.37 of the Revised Code.

All money received into the treasury of a subdivision from the undivided local government fund in a county treasury shall be paid into the general fund and used for the current operating expenses of the subdivision.

If a municipal corporation maintains a municipal university, such municipal university, when the board of trustees so requests the legislative authority of the municipal corporation, shall participate in the money apportioned to such municipal corporation from the total local government fund,

however created and constituted, in such amount as requested by 1422
the board of trustees, provided such sum does not exceed nine 1423
per cent of the total amount paid to the municipal corporation. 1424

If any public official fails to maintain the records 1425
required by sections 5747.50 to 5747.55 of the Revised Code or 1426
by the rules issued by the tax commissioner, the auditor of 1427
state, or the treasurer of state pursuant to such sections, or 1428
fails to comply with any law relating to the enforcement of such 1429
sections, the local government fund money allocated to the 1430
county may be withheld until such time as the public official 1431
has complied with such sections or such law or the rules issued 1432
pursuant thereto. 1433

Sec. 5747.53. (A) As used in this section: 1434

(1) "City, located wholly or partially in the county, with 1435
the greatest population" means the city, located wholly or 1436
partially in the county, with the greatest population residing 1437
in the county; however, if the county budget commission on or 1438
before January 1, 1998, adopted an alternative method of 1439
apportionment that was approved by the legislative authority of 1440
the city, located partially in the county, with the greatest 1441
population but not the greatest population residing in the 1442
county, "city, located wholly or partially in the county, with 1443
the greatest population" means the city, located wholly or 1444
partially in the county, with the greatest population whether 1445
residing in the county or not, if this alternative meaning is 1446
adopted by action of the board of county commissioners and a 1447
majority of the boards of township trustees and legislative 1448
authorities of municipal corporations located wholly or 1449
partially in the county. 1450

(2) "Participating political subdivision" means a 1451

municipal corporation or township that satisfies all of the 1452
following: 1453

(a) It is located wholly or partially in the county. 1454

(b) It is not the city, located wholly or partially in the 1455
county, with the greatest population. 1456

(c) Undivided local government fund moneys are apportioned 1457
to it under the county's alternative method or formula of 1458
apportionment in the current calendar year. 1459

(B) In lieu of the method of apportionment of the 1460
undivided local government fund of the county provided by 1461
section 5747.51 of the Revised Code, the county budget 1462
commission may provide for the apportionment of the fund under 1463
an alternative method or on a formula basis as authorized by 1464
this section. The commissioner shall reduce the amount of funds 1465
from the undivided local government fund to a subdivision 1466
required to receive reduced funds under section 5747.502 or 1467
5747.504 of the Revised Code. 1468

Except as otherwise provided in division (C) of this 1469
section, the alternative method of apportionment shall have 1470
first been approved by all of the following governmental units: 1471
the board of county commissioners; the legislative authority of 1472
the city, located wholly or partially in the county, with the 1473
greatest population; and a majority of the boards of township 1474
trustees and legislative authorities of municipal corporations, 1475
located wholly or partially in the county, excluding the 1476
legislative authority of the city, located wholly or partially 1477
in the county, with the greatest population. In granting or 1478
denying approval for an alternative method of apportionment, the 1479
board of county commissioners, boards of township trustees, and 1480

legislative authorities of municipal corporations shall act by 1481
motion. A motion to approve shall be passed upon a majority vote 1482
of the members of a board of county commissioners, board of 1483
township trustees, or legislative authority of a municipal 1484
corporation, shall take effect immediately, and need not be 1485
published. 1486

Any alternative method of apportionment adopted and 1487
approved under this division shall be reviewed by the county 1488
budget commission at a public hearing held at least once in the 1489
year following ~~the effective date of this amendment~~ October 3, 1490
2023, and in every fifth year thereafter. The county budget 1491
commission shall provide reasonable advance notice of the 1492
hearing to all political subdivisions eligible to participate in 1493
the fund and shall take public testimony from any such political 1494
subdivision that wishes to testify. 1495

Any alternative method of apportionment adopted and 1496
approved under this division may be revised, amended, or 1497
repealed in the same manner as it may be adopted and approved. 1498
If an alternative method of apportionment adopted and approved 1499
under this division is repealed, the undivided local government 1500
fund of the county shall be apportioned among the subdivisions 1501
eligible to participate in the fund, commencing in the ensuing 1502
calendar year, under the apportionment provided in section 1503
5747.52 of the Revised Code, unless the repeal occurs by 1504
operation of division (C) of this section or a new method for 1505
apportionment of the fund is provided in the action of repeal. 1506

(C) This division applies only in counties in which the 1507
city, located wholly or partially in the county, with the 1508
greatest population has a population of twenty thousand or less 1509
and a population that is less than fifteen per cent of the total 1510

population of the county. In such a county, the legislative 1511
authorities or boards of township trustees of two or more 1512
participating political subdivisions, which together have a 1513
population residing in the county that is a majority of the 1514
total population of the county, each may adopt a resolution to 1515
exclude the approval otherwise required of the legislative 1516
authority of the city, located wholly or partially in the 1517
county, with the greatest population. All of the resolutions to 1518
exclude that approval shall be adopted not later than the first 1519
Monday of August of the year preceding the calendar year in 1520
which distributions are to be made under an alternative method 1521
of apportionment. 1522

A motion granting or denying approval of an alternative 1523
method of apportionment under this division shall be adopted by 1524
a majority vote of the members of the board of county 1525
commissioners and by a majority vote of a majority of the boards 1526
of township trustees and legislative authorities of the 1527
municipal corporations located wholly or partially in the 1528
county, other than the city, located wholly or partially in the 1529
county, with the greatest population, shall take effect 1530
immediately, and need not be published. The alternative method 1531
of apportionment under this division shall be adopted and 1532
approved annually, not later than the first Monday of August of 1533
the year preceding the calendar year in which distributions are 1534
to be made under it. A motion granting approval of an 1535
alternative method of apportionment under this division repeals 1536
any existing alternative method of apportionment, effective with 1537
distributions to be made from the fund in the ensuing calendar 1538
year. An alternative method of apportionment under this division 1539
shall not be revised or amended after the first Monday of August 1540
of the year preceding the calendar year in which distributions 1541

are to be made under it. 1542

(D) In determining an alternative method of apportionment 1543
authorized by this section, the county budget commission may 1544
include in the method any factor considered to be appropriate 1545
and reliable, in the sole discretion of the county budget 1546
commission. 1547

(E) The limitations set forth in section 5747.51 of the 1548
Revised Code, stating the maximum amount that the county may 1549
receive from the undivided local government fund and the minimum 1550
amount the townships in counties having a population of less 1551
than one hundred thousand may receive from the fund, are 1552
applicable to any alternative method of apportionment authorized 1553
under this section. 1554

(F) On the basis of any alternative method of 1555
apportionment adopted and approved as authorized by this 1556
section, as certified by the auditor to the county treasurer, 1557
the county treasurer shall make distribution of the money in the 1558
undivided local government fund to each subdivision eligible to 1559
participate in the fund, and the auditor, when the amount of 1560
those shares is in the custody of the treasurer in the amounts 1561
so computed to be due the respective subdivisions, shall at the 1562
same time certify to the tax commissioner the percentage share 1563
of the county as a subdivision. All money received into the 1564
treasury of a subdivision from the undivided local government 1565
fund in a county treasury shall be paid into the general fund 1566
and used for the current operating expenses of the subdivision. 1567
If a municipal corporation maintains a municipal university, the 1568
university, when the board of trustees so requests the 1569
legislative authority of the municipal corporation, shall 1570
participate in the money apportioned to the municipal 1571

corporation from the total local government fund, however 1572
created and constituted, in the amount requested by the board of 1573
trustees, provided that amount does not exceed nine per cent of 1574
the total amount paid to the municipal corporation. 1575

(G) The actions of the county budget commission taken 1576
pursuant to this section are final and may not be appealed to 1577
the board of tax appeals, except on the issues of abuse of 1578
discretion and failure to comply with the formula. 1579

Section 2. That existing sections 3742.01, 3742.03, 1682
3742.39, 3742.50, 5747.08, 5747.26, 5747.50, 5747.502, 5747.51, 1683
