months of the statewide next generation 9-1-1 system, the 1553
steering committee shall monitor the accounts where funds are 1554
generated from the next generation 9-1-1 access fee. The 1555
steering committee may reduce the next generation access fee if 1556
it is determined the obligations of the funds can still be met 1557
to avoid over-collection of fees. If the fee is reduced, the 1558

steering committee may increase the fee, not to exceed the 1559
maximum rate of sixty-four cents, to ensure adequate funding 1560
exists to meet the obligations of the funds. 1561

Sec. 128.418. The steering committee shall notify the tax 1562

generation 9-1-1 access fee of five-tenths of one per cent of 1574
the sale price. 1575

(B) For purposes of division (A) of this section, a retail 1576
sale occurs in this state if it is effected by the consumer 1577
appearing in person at a seller's business location in this 1578
state, or if the sale is sourced to this state under division 1579
(E) (3) of section 5739.034 of the Revised Code, except that 1580
under that division, in lieu of sourcing a sale under division 1581
(C) (5) of section 5739.033 of the Revised Code, the seller, 1582
rather than the service provider, may elect to source the sale 1583
to the location associated with the mobile telephone number. 1584

(C) A prepaid wireless calling service priced below a 1585
single fee of less than ten dollars does not constitute a retail 1586

entire nonitemized price, except as provided in divisions (B) (1) 1597
to (3) of this section. 1598

(B) (1) If the amount of the prepaid calling service is 1599
disclosed to the consumer as a dollar amount, the seller may 1600
elect to apply the fee only to that dollar amount. 1601

(2) If the seller can identify the portion of the 1602
nonitemized price that is attributable to the prepaid calling 1603
service, by reasonable and verifiable standards from the 1604
seller's books and records that are kept in the regular course 1605
of business for other purposes, including nontax purposes, the 1606
seller may elect to apply the fee only to that portion. 1607

(3) If a minimal amount of a prepaid calling service is 1608
sold with a prepaid wireless calling device for the single, 1609
nonitemized price, the seller may elect not to collect the fee. 1610

a wireless 9-1-1 charge under section 128.40 of the Revised Code 1624
or the next generation 9-1-1 access fee under section 128.414 or 1625
128.421 of the Revised Code shall keep complete and accurate 1626
records of bills that include the charges and fees, together 1627

department of rehabilitation and correction, the department of 2934
youth services, or a law enforcement agency when the disclosure 2935
of the person's identity or the information provided could 2936
reasonably be expected to threaten or endanger the safety or 2937
property of the person or another person; 2938

(l) Personal information of a person who is not arrested, 2939

cited, charged, or issued a written warning by a peace officer;	2940
(m) Proprietary police contingency plans or tactics that	2941
are intended to prevent crime and maintain public order and	2942
safety;	2943
(n) A personal conversation unrelated to work between	2944
peace officers or between a peace officer and an employee of a	2945
law enforcement agency;	2946
(o) A conversation between a peace officer and a member of	2947
the public that does not concern law enforcement activities;	2948
(p) The interior of a residence, unless the interior of a	2949
residence is the location of an adversarial encounter with, or a	2950
use of force by, a peace officer;	2951
(q) Any portion of the interior of a private business that	2952
is not open to the public, unless an adversarial encounter with,	2953
or a use of force by, a peace officer occurs in that location.	2954
As used in division (A) (17) of this section:	2955
"Grievous bodily harm" has the same meaning as in section	2956
5924.120 of the Revised Code.	2957
"Health care facility" has the same meaning as in section	2958
1337.11 of the Revised Code.	2959
"Protected health information" has the same meaning as in	2960
45 C.F.R. 160.103.	2961
"Law enforcement agency" means a government entity that	2962
employs peace officers to perform law enforcement duties.	2963
"Personal information" means any government-issued	2964
identification number, date of birth, address, financial	2965
information, or criminal justice information from the law	2966

enforcement automated data system or similar databases. 2967

"Sex offense" has the same meaning as in section 2907.10 2968
of the Revised Code. 2969

(B) (1) Upon request by any person and subject to division 2972
(B) (8) of this section, all public records responsive to the 2973
request shall be promptly prepared and made available for 2974
inspection to the requester at all reasonable times during 2975
regular business hours. Subject to division (B) (8) of this 2976
section, upon request by any person, a public office or person 2977
responsible for public records shall make copies of the 2978
requested public record available to the requester at cost and 2979
within a reasonable period of time. If a public record contains 2980
information that is exempt from the duty to permit public 2981
inspection or to copy the public record, the public office or 2982
the person responsible for the public record shall make 2983
available all of the information within the public record that 2984
is not exempt. When making that public record available for 2985
public inspection or copying that public record, the public 2986
office or the person responsible for the public record shall 2987
notify the requester of any redaction or make the redaction 2988
plainly visible. A redaction shall be deemed a denial of a 2989
request to inspect or copy the redacted information, except if 2990
federal or state law authorizes or requires a public office to 2991
make the redaction. 2992

(2) To facilitate broader access to public records, a 2993
public office or the person responsible for public records shall 2994
organize and maintain public records in a manner that they can 2995
be made available for inspection or copying in accordance with 2996

division (B) of this section. A public office also shall have 2997
available a copy of its current records retention schedule at a 2998
location readily available to the public. If a requester makes 2999
an ambiguous or overly broad request or has difficulty in making 3000
a request for copies or inspection of public records under this 3001
section such that the public office or the person responsible 3002
for the requested public record cannot reasonably identify what 3003
public records are being requested, the public office or the 3004
person responsible for the requested public record may deny the 3005
request but shall provide the requester with an opportunity to 3006
revise the request by informing the requester of the manner in 3007
which records are maintained by the public office and accessed 3008
in the ordinary course of the public office's or person's 3009
duties. 3010

(3) If a request is ultimately denied, in part or in 3011
whole, the public office or the person responsible for the 3012
requested public record shall provide the requester with an 3013
explanation, including legal authority, setting forth why the 3014
request was denied. If the initial request was provided in 3015
writing, the explanation also shall be provided to the requester 3016
in writing. The explanation shall not preclude the public office 3017
or the person responsible for the requested public record from 3018
relying upon additional reasons or legal authority in defending 3019
an action commenced under division (C) of this section. 3020

(4) Unless specifically required or authorized by state or 3021
federal law or in accordance with division (B) of this section, 3022
no public office or person responsible for public records may 3023
limit or condition the availability of public records by 3024
requiring disclosure of the requester's identity or the intended 3025
use of the requested public record. Any requirement that the 3026
requester disclose the requester's identity or the intended use 3027

of the requested public record constitutes a denial of the 3028
request. 3029

(5) A public office or person responsible for public 3030
records may ask a requester to make the request in writing, may 3031
ask for the requester's identity, and may inquire about the 3032
intended use of the information requested, but may do so only 3033
after disclosing to the requester that a written request is not 3034
mandatory, that the requester may decline to reveal the 3035
requester's identity or the intended use, and when a written 3036
request or disclosure of the identity or intended use would 3037
benefit the requester by enhancing the ability of the public 3038
office or person responsible for public records to identify, 3039
locate, or deliver the public records sought by the requester. 3040

(6) If any person requests a copy of a public record in 3041
accordance with division (B) of this section, the public office 3042
or person responsible for the public record may require the 3043
requester to pay in advance the cost involved in providing the 3044
copy of the public record in accordance with the choice made by 3045
the requester under this division. The public office or the 3046
person responsible for the public record shall permit the 3047
requester to choose to have the public record duplicated upon 3048
paper, upon the same medium upon which the public office or 3049
person responsible for the public record keeps it, or upon any 3050
other medium upon which the public office or person responsible 3051
for the public record determines that it reasonably can be 3052
duplicated as an integral part of the normal operations of the 3053
public office or person responsible for the public record. When 3054
the requester makes a choice under this division, the public 3055
office or person responsible for the public record shall provide 3056
a copy of it in accordance with the choice made by the 3057
requester. Nothing in this section requires a public office or 3058

person responsible for the public record to allow the requester 3059
of a copy of the public record to make the copies of the public 3060
record. 3061

(7) (a) Upon a request made in accordance with division (B) 3062
of this section and subject to division (B) (6) of this section, 3063
a public office or person responsible for public records shall 3064
transmit a copy of a public record to any person by United 3065
States mail or by any other means of delivery or transmission 3066
within a reasonable period of time after receiving the request 3067
for the copy. The public office or person responsible for the 3068
public record may require the person making the request to pay 3069
in advance the cost of postage if the copy is transmitted by 3070
United States mail or the cost of delivery if the copy is 3071
transmitted other than by United States mail, and to pay in 3072
advance the costs incurred for other supplies used in the 3073
mailing, delivery, or transmission. 3074

(b) Any public office may adopt a policy and procedures 3075
that it will follow in transmitting, within a reasonable period 3076
of time after receiving a request, copies of public records by 3077
United States mail or by any other means of delivery or 3078
transmission pursuant to division (B) (7) of this section. A 3079
public office that adopts a policy and procedures under division 3080
(B) (7) of this section shall comply with them in performing its 3081
duties under that division. 3082

(c) In any policy and procedures adopted under division 3083
(B) (7) of this section: 3084

(i) A public office may limit the number of records 3085
requested by a person that the office will physically deliver by 3086
United States mail or by another delivery service to ten per 3087
month, unless the person certifies to the office in writing that 3088

the person does not intend to use or forward the requested 3089
records, or the information contained in them, for commercial 3090
purposes; 3091

(ii) A public office that chooses to provide some or all 3092
of its public records on a web site that is fully accessible to 3093
and searchable by members of the public at all times, other than 3094
during acts of God outside the public office's control or 3095
maintenance, and that charges no fee to search, access, 3096
download, or otherwise receive records provided on the web site, 3097
may limit to ten per month the number of records requested by a 3098
person that the office will deliver in a digital format, unless 3099
the requested records are not provided on the web site and 3100
unless the person certifies to the office in writing that the 3101
person does not intend to use or forward the requested records, 3102
or the information contained in them, for commercial purposes. 3103

(iii) For purposes of division (B) (7) of this section, 3104
"commercial" shall be narrowly construed and does not include 3105
reporting or gathering news, reporting or gathering information 3106
to assist citizen oversight or understanding of the operation or 3107
activities of government, or nonprofit educational research. 3108

(8) A public office or person responsible for public 3109
records is not required to permit a person who is incarcerated 3110
pursuant to a criminal conviction or a juvenile adjudication to 3111
inspect or to obtain a copy of any public record concerning a 3112
criminal investigation or prosecution or concerning what would 3113
be a criminal investigation or prosecution if the subject of the 3114
investigation or prosecution were an adult, unless the request 3115
to inspect or to obtain a copy of the record is for the purpose 3116
of acquiring information that is subject to release as a public 3117
record under this section and the judge who imposed the sentence 3118

or made the adjudication with respect to the person, or the 3119
judge's successor in office, finds that the information sought 3120
in the public record is necessary to support what appears to be 3121
a justiciable claim of the person. 3122

(9) (a) Upon written request made and signed by a 3123
journalist, a public office, or person responsible for public 3124
records, having custody of the records of the agency employing a 3125
specified designated public service worker shall disclose to the 3126
journalist the address of the actual personal residence of the 3127
designated public service worker and, if the designated public 3128
service worker's spouse, former spouse, or child is employed by 3129
a public office, the name and address of the employer of the 3130
designated public service worker's spouse, former spouse, or 3131
child. The request shall include the journalist's name and title 3132
and the name and address of the journalist's employer and shall 3133
state that disclosure of the information sought would be in the 3134
public interest. 3135

(b) Division (B) (9) (a) of this section also applies to 3136
journalist requests for: 3137

(i) Customer information maintained by a municipally owned 3138
or operated public utility, other than social security numbers 3139
and any private financial information such as credit reports, 3140
payment methods, credit card numbers, and bank account 3141
information; 3142

(ii) Information about minors involved in a school vehicle 3143
accident as provided in division (A) (1) (gg) of this section, 3144
other than personal information as defined in section 149.45 of 3145
the Revised Code. 3146

(c) As used in division (B) (9) of this section, 3147

"journalist" means a person engaged in, connected with, or 3148
employed by any news medium, including a newspaper, magazine, 3149
press association, news agency, or wire service, a radio or 3150
television station, or a similar medium, for the purpose of 3151
gathering, processing, transmitting, compiling, editing, or 3152
disseminating information for the general public. 3153

(10) Upon a request made by a victim, victim's attorney, 3154
or victim's representative, as that term is used in section 3155
2930.02 of the Revised Code, a public office or person 3156
responsible for public records shall transmit a copy of a 3157
depiction of the victim as described in division (A) (1) (ii) of 3158
this section to the victim, victim's attorney, or victim's 3159
representative. 3160

(C) (1) If a person allegedly is aggrieved by the failure 3161
of a public office or the person responsible for public records 3162
to promptly prepare a public record and to make it available to 3163
the person for inspection in accordance with division (B) of 3164
this section or by any other failure of a public office or the 3165
person responsible for public records to comply with an 3166
obligation in accordance with division (B) of this section, the 3167
person allegedly aggrieved may do only one of the following, and 3168
not both: 3169

(a) File a complaint with the clerk of the court of claims 3170
or the clerk of the court of common pleas under section 2743.75 3171
of the Revised Code; 3172

(b) Commence a mandamus action to obtain a judgment that 3173
orders the public office or the person responsible for the 3174
public record to comply with division (B) of this section, that 3175
awards court costs and reasonable attorney's fees to the person 3176
that instituted the mandamus action, and, if applicable, that 3177

includes an order fixing statutory damages under division (C) (2) 3178
of this section. The mandamus action may be commenced in the 3179
court of common pleas of the county in which division (B) of 3180
this section allegedly was not complied with, in the supreme 3181
court pursuant to its original jurisdiction under Section 2 of 3182
Article IV, Ohio Constitution, or in the court of appeals for 3183
the appellate district in which division (B) of this section 3184
allegedly was not complied with pursuant to its original 3185
jurisdiction under Section 3 of Article IV, Ohio Constitution. 3186

(2) If a requester transmits a written request by hand 3187
delivery, electronic submission, or certified mail to inspect or 3188
receive copies of any public record in a manner that fairly 3189
describes the public record or class of public records to the 3190
public office or person responsible for the requested public 3191
records, except as otherwise provided in this section, the 3192
requester shall be entitled to recover the amount of statutory 3193
damages set forth in this division if a court determines that 3194
the public office or the person responsible for public records 3195
failed to comply with an obligation in accordance with division 3196
(B) of this section. 3197

The amount of statutory damages shall be fixed at one 3198
hundred dollars for each business day during which the public 3199
office or person responsible for the requested public records 3200
failed to comply with an obligation in accordance with division 3201
(B) of this section, beginning with the day on which the 3202
requester files a mandamus action to recover statutory damages, 3203
up to a maximum of one thousand dollars. The award of statutory 3204
damages shall not be construed as a penalty, but as compensation 3205
for injury arising from lost use of the requested information. 3206
The existence of this injury shall be conclusively presumed. The 3207
award of statutory damages shall be in addition to all other 3208

remedies authorized by this section. 3209

The court may reduce an award of statutory damages or not 3210
award statutory damages if the court determines both of the 3211
following: 3212

(a) That, based on the ordinary application of statutory 3213
law and case law as it existed at the time of the conduct or 3214
threatened conduct of the public office or person responsible 3215
for the requested public records that allegedly constitutes a 3216
failure to comply with an obligation in accordance with division 3217
(B) of this section and that was the basis of the mandamus 3218
action, a well-informed public office or person responsible for 3219
the requested public records reasonably would believe that the 3220
conduct or threatened conduct of the public office or person 3221
responsible for the requested public records did not constitute 3222
a failure to comply with an obligation in accordance with 3223
division (B) of this section; 3224

(b) That a well-informed public office or person 3225
responsible for the requested public records reasonably would 3226
believe that the conduct or threatened conduct of the public 3227
office or person responsible for the requested public records 3228
would serve the public policy that underlies the authority that 3229
is asserted as permitting that conduct or threatened conduct. 3230

(3) In a mandamus action filed under division (C) (1) of 3231
this section, the following apply: 3232

(a) (i) If the court orders the public office or the person 3233
responsible for the public record to comply with division (B) of 3234
this section, the court shall determine and award to the relator 3235
all court costs, which shall be construed as remedial and not 3236
punitive. 3237

(ii) If the court makes a determination described in 3238
division (C) (3) (b) (iii) of this section, the court shall 3239
determine and award to the relator all court costs, which shall 3240
be construed as remedial and not punitive. 3241

(b) If the court renders a judgment that orders the public 3242
office or the person responsible for the public record to comply 3243
with division (B) of this section or if the court determines any 3244
of the following, the court may award reasonable attorney's fees 3245
to the relator, subject to division (C) (4) of this section: 3246

(i) The public office or the person responsible for the 3247
public records failed to respond affirmatively or negatively to 3248
the public records request in accordance with the time allowed 3249
under division (B) of this section. 3250

(ii) The public office or the person responsible for the 3251
public records promised to permit the relator to inspect or 3252
receive copies of the public records requested within a 3253
specified period of time but failed to fulfill that promise 3254
within that specified period of time. 3255

(iii) The public office or the person responsible for the 3256
public records acted in bad faith when the office or person 3257
voluntarily made the public records available to the relator for 3258
the first time after the relator commenced the mandamus action, 3259
but before the court issued any order concluding whether or not 3260
the public office or person was required to comply with division 3261
(B) of this section. No discovery may be conducted on the issue 3262
of the alleged bad faith of the public office or person 3263
responsible for the public records. This division shall not be 3264
construed as creating a presumption that the public office or 3265
the person responsible for the public records acted in bad faith 3266
when the office or person voluntarily made the public records 3267

available to the relator for the first time after the relator 3268
commenced the mandamus action, but before the court issued any 3269
order described in this division. 3270

(c) The court shall not award attorney's fees to the 3271
relator if the court determines both of the following: 3272

(i) That, based on the ordinary application of statutory 3273
law and case law as it existed at the time of the conduct or 3274
threatened conduct of the public office or person responsible 3275
for the requested public records that allegedly constitutes a 3276
failure to comply with an obligation in accordance with division 3277
(B) of this section and that was the basis of the mandamus 3278
action, a well-informed public office or person responsible for 3279
the requested public records reasonably would believe that the 3280
conduct or threatened conduct of the public office or person 3281
responsible for the requested public records did not constitute 3282
a failure to comply with an obligation in accordance with 3283
division (B) of this section; 3284

(ii) That a well-informed public office or person 3285
responsible for the requested public records reasonably would 3286
believe that the conduct or threatened conduct of the public 3287
office or person responsible for the requested public records 3288
would serve the public policy that underlies the authority that 3289
is asserted as permitting that conduct or threatened conduct. 3290

(4) All of the following apply to any award of reasonable 3291
attorney's fees awarded under division (C) (3) (b) of this 3292
section: 3293

(a) The fees shall be construed as remedial and not 3294
punitive. 3295

(b) The fees awarded shall not exceed the total of the 3296

reasonable attorney's fees incurred before the public record was 3297
made available to the relator and the fees described in division 3298
(C) (4) (c) of this section. 3299

(c) Reasonable attorney's fees shall include reasonable 3300
fees incurred to produce proof of the reasonableness and amount 3301
of the fees and to otherwise litigate entitlement to the fees. 3302

(d) The court may reduce the amount of fees awarded if the 3303
court determines that, given the factual circumstances involved 3304
with the specific public records request, an alternative means 3305
should have been pursued to more effectively and efficiently 3306
resolve the dispute that was subject to the mandamus action 3307
filed under division (C) (1) of this section. 3308

(5) If the court does not issue a writ of mandamus under 3309
division (C) of this section and the court determines at that 3310
time that the bringing of the mandamus action was frivolous 3311
conduct as defined in division (A) of section 2323.51 of the 3312
Revised Code, the court may award to the public office all court 3313
costs, expenses, and reasonable attorney's fees, as determined 3314
by the court. 3315

(D) Chapter 1347. of the Revised Code does not limit the 3316
provisions of this section. 3317

(E) (1) To ensure that all employees of public offices are 3318
appropriately educated about a public office's obligations under 3319
division (B) of this section, all elected officials or their 3320
appropriate designees shall attend training approved by the 3321
attorney general as provided in section 109.43 of the Revised 3322
Code. A future official may satisfy the requirements of this 3323
division by attending the training before taking office, 3324
provided that the future official may not send a designee in the 3325

future official's place. 3326

(2) All public offices shall adopt a public records policy 3327
in compliance with this section for responding to public records 3328
requests. In adopting a public records policy under this 3329
division, a public office may obtain guidance from the model 3330
public records policy developed and provided to the public 3331
office by the attorney general under section 109.43 of the 3332
Revised Code. Except as otherwise provided in this section, the 3333
policy may not limit the number of public records that the 3334
public office will make available to a single person, may not 3335
limit the number of public records that it will make available 3336
during a fixed period of time, and may not establish a fixed 3337
period of time before it will respond to a request for 3338
inspection or copying of public records, unless that period is 3339
less than eight hours. 3340

The public office shall distribute the public records 3341
policy adopted by the public office under this division to the 3342
employee of the public office who is the records custodian or 3343
records manager or otherwise has custody of the records of that 3344
office. The public office shall require that employee to 3345
acknowledge receipt of the copy of the public records policy. 3346
The public office shall create a poster that describes its 3347
public records policy and shall post the poster in a conspicuous 3348
place in the public office and in all locations where the public 3349
office has branch offices. The public office may post its public 3350
records policy on the internet web site of the public office if 3351
the public office maintains an internet web site. A public 3352
office that has established a manual or handbook of its general 3353
policies and procedures for all employees of the public office 3354
shall include the public records policy of the public office in 3355
the manual or handbook. 3356

(F) (1) The bureau of motor vehicles may adopt rules 3357
pursuant to Chapter 119. of the Revised Code to reasonably limit 3358
the number of bulk commercial special extraction requests made 3359
by a person for the same records or for updated records during a 3360
calendar year. The rules may include provisions for charges to 3361
be made for bulk commercial special extraction requests for the 3362
actual cost of the bureau, plus special extraction costs, plus 3363
ten per cent. The bureau may charge for expenses for redacting 3364
information, the release of which is prohibited by law. 3365

(2) As used in division (F) (1) of this section: 3366

(a) "Actual cost" means the cost of depleted supplies, 3367
records storage media costs, actual mailing and alternative 3368
delivery costs, or other transmitting costs, and any direct 3369
equipment operating and maintenance costs, including actual 3370
costs paid to private contractors for copying services. 3371

(b) "Bulk commercial special extraction request" means a 3372
request for copies of a record for information in a format other 3373
than the format already available, or information that cannot be 3374
extracted without examination of all items in a records series, 3375
class of records, or database by a person who intends to use or 3376
forward the copies for surveys, marketing, solicitation, or 3377
resale for commercial purposes. "Bulk commercial special 3378
extraction request" does not include a request by a person who 3379
gives assurance to the bureau that the person making the request 3380
does not intend to use or forward the requested copies for 3381
surveys, marketing, solicitation, or resale for commercial 3382
purposes. 3383

section, "surveys, marketing, solicitation, or resale for 3394
commercial purposes" shall be narrowly construed and does not 3395
include reporting or gathering news, reporting or gathering 3396

(2) If a public office denies a request to release a 3422

person may file a mandamus action pursuant to this section or a 3425
complaint with the clerk of the court of claims pursuant to 3426
section 2743.75 of the Revised Code, requesting the court to 3427
order the release of all or portions of the recording. If the 3428
court considering the request determines that the filing 3429
articulates by clear and convincing evidence that the public 3430
interest in the recording substantially outweighs privacy 3431
interests and other interests asserted to deny release, the 3432
court shall order the public office to release the recording. 3433

that tax, fee, wireless 9-1-1 charge, next generation 9-1-1 3528

taxing jurisdiction. If the amount to be recovered would exceed 3530
twenty-five per cent of the next distribution of that tax, fee, 3531
wireless 9-1-1 charge, next generation 9-1-1 access fee, or 3532
other amount, the commissioner may spread the recovery over more 3533
than one future distribution, taking into account the amount to 3534
be recovered and the amount of the anticipated future 3535
distributions. In no event may the commissioner spread the 3536

(4) "Telephone company" has the same meaning as in section	3554
5727.01 of the Revised Code.	3555
(B) Beginning in tax year 2005, a telephone company shall	3556
be allowed a nonrefundable credit against the tax imposed by	3557
section 5733.06 of the Revised Code equal to the amount of its	3558
eligible nonrecurring 9-1-1 charges. The credit shall be claimed	3559
for the company's taxable year that covers the period in which	3560
the 9-1-1 service for which the credit is claimed becomes	3561

commencing with tax year 2005 plus the sum of the credits 3572
claimed for the current tax year exceeds fifteen million 3573
dollars. If it does, the credits allowed under this section for 3574
the current tax year shall be reduced by a uniform percentage 3575
such that the sum of the credits allowed for the current tax 3576
year do not exceed fifteen million dollars claimed by all 3577
telephone companies for all tax years. Thereafter, no credit 3578
shall be granted under this section, except for the remaining 3579
portions of any credits allowed under division (B) of this 3580

its corporation franchise tax liability under this section. 3588

a credit under this section for any eligible nonrecurring 9-1-1 3590
