(19) Inability to practice according to acceptable and 4917  
prevailing standards of care by reason of mental illness or 4918  
physical illness, including, but not limited to, physical 4919  
deterioration that adversely affects cognitive, motor, or 4920  
perceptive skills. 4921

In enforcing this division, the board, upon a showing of a 4922  
possible violation, shall refer any individual who is authorized 4923  
to practice by this chapter or who has submitted an application 4924  
pursuant to this chapter to the monitoring organization that 4925  
conducts the confidential monitoring program established under 4926  
section 4731.25 of the Revised Code. The board also may compel 4927  
the individual to submit to a mental examination, physical 4928  
examination, including an HIV test, or both a mental and a 4929  
physical examination. The expense of the examination is the 4930  
responsibility of the individual compelled to be examined. 4931  
Failure to submit to a mental or physical examination or consent 4932  
to an HIV test ordered by the board constitutes an admission of 4933  
the allegations against the individual unless the failure is due 4934  
to circumstances beyond the individual's control, and a default 4935  
and final order may be entered without the taking of testimony 4936  
or presentation of evidence. If the board finds an individual 4937  
unable to practice because of the reasons set forth in this 4938  
division, the board shall require the individual to submit to 4939  
care, counseling, or treatment by physicians approved or 4940  
designated by the board, as a condition for initial, continued, 4941

reinstated, or renewed authority to practice. An individual 4942  
affected under this division shall be afforded an opportunity to 4943  
demonstrate to the board the ability to resume practice in 4944  
compliance with acceptable and prevailing standards under the 4945  
provisions of the individual's license or certificate. For the 4946  
purpose of this division, any individual who applies for or 4947  
receives a license or certificate to practice under this chapter 4948  
accepts the privilege of practicing in this state and, by so 4949  
doing, shall be deemed to have given consent to submit to a 4950  
mental or physical examination when directed to do so in writing 4951  
by the board, and to have waived all objections to the 4952  
admissibility of testimony or examination reports that 4953  
constitute a privileged communication. 4954

(20) Except as provided in division (F)(1)(b) of section 4955  
4731.282 of the Revised Code or when civil penalties are imposed 4956  
under section 4731.225 of the Revised Code, and subject to 4957  
section 4731.226 of the Revised Code, violating or attempting to 4958  
violate, directly or indirectly, or assisting in or abetting the 4959  
violation of, or conspiring to violate, any provisions of this 4960  
chapter or any rule promulgated by the board. 4961

This division does not apply to a violation or attempted 4962  
violation of, assisting in or abetting the violation of, or a 4963  
conspiracy to violate, any provision of this chapter or any rule 4964  
adopted by the board that would preclude the making of a report 4965  
by a physician of an employee's use of a drug of abuse, or of a 4966  
condition of an employee other than one involving the use of a 4967  
drug of abuse, to the employer of the employee as described in 4968  
division (B) of section 2305.33 of the Revised Code. Nothing in 4969  
this division affects the immunity from civil liability 4970  
conferred by that section upon a physician who makes either type 4971  
of report in accordance with division (B) of that section. As 4972

used in this division, "employee," "employer," and "physician" 4973  
have the same meanings as in section 2305.33 of the Revised 4974  
Code. 4975

(21) The violation of section 3701.79 of the Revised Code 4976  
or of any abortion rule adopted by the director of health 4977  
pursuant to section 3701.341 of the Revised Code; 4978

(22) Any of the following actions taken by an agency 4979  
responsible for authorizing, certifying, or regulating an 4980  
individual to practice a health care occupation or provide 4981  
health care services in this state or another jurisdiction, for 4982  
any reason other than the nonpayment of fees: the limitation, 4983  
revocation, or suspension of an individual's license to 4984  
practice; acceptance of an individual's license surrender; 4985  
denial of a license; refusal to renew or reinstate a license; 4986  
imposition of probation; or issuance of an order of censure or 4987  
other reprimand; 4988

(23) The violation of section 2919.12 of the Revised Code 4989  
or the performance or inducement of an abortion upon a pregnant 4990  
woman with actual knowledge that the conditions specified in 4991  
division (B) of section 2317.56 of the Revised Code have not 4992  
been satisfied or with a heedless indifference as to whether 4993  
those conditions have been satisfied, unless an affirmative 4994  
defense as specified in division (H) (2) of that section would 4995  
apply in a civil action authorized by division (H) (1) of that 4996  
section; 4997

(24) The revocation, suspension, restriction, reduction, 4998  
or termination of clinical privileges by the United States 4999  
department of defense or department of veterans affairs or the 5000  
termination or suspension of a certificate of registration to 5001  
prescribe drugs by the drug enforcement administration of the 5002

United States department of justice; 5003

(25) Termination or suspension from participation in the 5004  
medicare or medicaid programs by the department of health and 5005  
human services or other responsible agency; 5006

(26) Impairment of ability to practice according to 5007  
acceptable and prevailing standards of care because of substance 5008  
use disorder or excessive use or abuse of drugs, alcohol, or 5009  
other substances that may impair ability to practice. 5010

For the purposes of this division, any individual 5011  
authorized to practice by this chapter accepts the privilege of 5012  
practicing in this state subject to supervision by the board. By 5013  
filing an application for or holding a license or certificate to 5014  
practice under this chapter, an individual shall be deemed to 5015  
have given consent to submit to a mental or physical examination 5016  
when ordered to do so by the board in writing, and to have 5017  
waived all objections to the admissibility of testimony or 5018  
examination reports that constitute privileged communications. 5019

If it has reason to believe that any individual authorized 5020  
to practice by this chapter or any applicant for licensure or 5021  
certification to practice suffers such impairment, the board 5022  
shall refer the individual to the monitoring organization that 5023  
conducts the confidential monitoring program established under 5024  
section 4731.25 of the Revised Code. The board also may compel 5025  
the individual to submit to a mental or physical examination, or 5026  
both. The expense of the examination is the responsibility of 5027  
the individual compelled to be examined. Any mental or physical 5028  
examination required under this division shall be undertaken by 5029  
a treatment provider or physician who is qualified to conduct 5030  
the examination and who is approved under section 4731.251 of 5031  
the Revised Code. 5032

Failure to submit to a mental or physical examination 5033  
ordered by the board constitutes an admission of the allegations 5034  
against the individual unless the failure is due to 5035  
circumstances beyond the individual's control, and a default and 5036  
final order may be entered without the taking of testimony or 5037  
presentation of evidence. If the board determines that the 5038  
individual's ability to practice is impaired, the board shall 5039  
suspend the individual's license or certificate or deny the 5040  
individual's application and shall require the individual, as a 5041  
condition for initial, continued, reinstated, or renewed 5042  
licensure or certification to practice, to submit to treatment. 5043

Before being eligible to apply for reinstatement of a 5044  
license or certificate suspended under this division, the 5045  
impaired practitioner shall demonstrate to the board the ability 5046  
to resume practice in compliance with acceptable and prevailing 5047  
standards of care under the provisions of the practitioner's 5048  
license or certificate. The demonstration shall include, but 5049  
shall not be limited to, the following: 5050

(a) Certification from a treatment provider approved under 5051  
section 4731.251 of the Revised Code that the individual has 5052  
successfully completed any required inpatient treatment; 5053

(b) Evidence of continuing full compliance with an 5054  
aftercare contract or consent agreement; 5055

(c) Two written reports indicating that the individual's 5056  
ability to practice has been assessed and that the individual 5057  
has been found capable of practicing according to acceptable and 5058  
prevailing standards of care. The reports shall be made by 5059  
individuals or providers approved by the board for making the 5060  
assessments and shall describe the basis for their 5061  
determination. 5062

The board may reinstate a license or certificate suspended 5063  
under this division after that demonstration and after the 5064  
individual has entered into a written consent agreement. 5065

When the impaired practitioner resumes practice, the board 5066  
shall require continued monitoring of the individual. The 5067  
monitoring shall include, but not be limited to, compliance with 5068  
the written consent agreement entered into before reinstatement 5069  
or with conditions imposed by board order after a hearing, and, 5070  
upon termination of the consent agreement, submission to the 5071  
board for at least two years of annual written progress reports 5072  
made under penalty of perjury stating whether the individual has 5073  
maintained sobriety. 5074

(27) A second or subsequent violation of section 4731.66 5075  
or 4731.69 of the Revised Code; 5076

(28) Except as provided in division (N) of this section: 5077

(a) Waiving the payment of all or any part of a deductible 5078  
or copayment that a patient, pursuant to a health insurance or 5079  
health care policy, contract, or plan that covers the 5080  
individual's services, otherwise would be required to pay if the 5081  
waiver is used as an enticement to a patient or group of 5082  
patients to receive health care services from that individual; 5083

(b) Advertising that the individual will waive the payment 5084  
of all or any part of a deductible or copayment that a patient, 5085  
pursuant to a health insurance or health care policy, contract, 5086  
or plan that covers the individual's services, otherwise would 5087  
be required to pay. 5088

(29) Failure to use universal blood and body fluid 5089  
precautions established by rules adopted under section 4731.051 5090  
of the Revised Code; 5091

(30) Failure to provide notice to, and receive 5092  
acknowledgment of the notice from, a patient when required by 5093  
section 4731.143 of the Revised Code prior to providing 5094  
nonemergency professional services, or failure to maintain that 5095  
notice in the patient's medical record; 5096

(31) Failure of a physician supervising a physician 5097  
assistant to maintain supervision in accordance with the 5098  
requirements of Chapter 4730. of the Revised Code and the rules 5099  
adopted under that chapter; 5100

(32) Failure of a physician or podiatrist to enter into a 5101  
standard care arrangement with a clinical nurse specialist, 5102  
certified nurse-midwife, or certified nurse practitioner with 5103  
whom the physician or podiatrist is in collaboration pursuant to 5104  
section 4731.27 of the Revised Code or failure to fulfill the 5105  
responsibilities of collaboration after entering into a standard 5106  
care arrangement; 5107

(33) Failure to comply with the terms of a consult 5108  
agreement entered into with a pharmacist pursuant to section 5109  
4729.39 of the Revised Code; 5110

(34) Failure to cooperate in an investigation conducted by 5111  
the board under division (F) of this section, including failure 5112  
to comply with a subpoena or order issued by the board or 5113  
failure to answer truthfully a question presented by the board 5114  
in an investigative interview, an investigative office 5115  
conference, at a deposition, or in written interrogatories, 5116  
except that failure to cooperate with an investigation shall not 5117  
constitute grounds for discipline under this section if a court 5118  
of competent jurisdiction has issued an order that either 5119  
quashes a subpoena or permits the individual to withhold the 5120  
testimony or evidence in issue; 5121

(35) Failure to supervise an anesthesiologist assistant in accordance with Chapter 4760. of the Revised Code and the board's rules for supervision of an anesthesiologist assistant;	5122 5123 5124
(36) Assisting suicide, as defined in section 3795.01 of the Revised Code;	5125 5126
(37) Failure to comply with the requirements of section 2317.561 of the Revised Code;	5127 5128
(38) Failure to supervise a radiologist assistant in accordance with Chapter 4774. of the Revised Code and the board's rules for supervision of radiologist assistants;	5129 5130 5131
(39) Performing or inducing an abortion at an office or facility with knowledge that the office or facility fails to post the notice required under section 3701.791 of the Revised Code;	5132 5133 5134 5135
(40) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for the operation of or the provision of care at a pain management clinic;	5136 5137 5138 5139
(41) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for providing supervision, direction, and control of individuals at a pain management clinic;	5140 5141 5142 5143
(42) Failure to comply with the requirements of section 4729.79 or 4731.055 of the Revised Code, unless the state board of pharmacy no longer maintains a drug database pursuant to section 4729.75 of the Revised Code;	5144 5145 5146 5147
(43) Failure to comply with the requirements of section 2919.171, 2919.202, or 2919.203 of the Revised Code or failure	5148 5149

to submit to the department of health in accordance with a court 5150  
order a complete report as described in section 2919.171 or 5151  
2919.202 of the Revised Code; 5152

(44) Practicing at a facility that is subject to licensure 5153  
as a category III terminal distributor of dangerous drugs with a 5154  
pain management clinic classification unless the person 5155  
operating the facility has obtained and maintains the license 5156  
with the classification; 5157

(45) Owning a facility that is subject to licensure as a 5158  
category III terminal distributor of dangerous drugs with a pain 5159  
management clinic classification unless the facility is licensed 5160  
with the classification; 5161

(46) Failure to comply with any of the requirements 5162  
regarding making or maintaining medical records or documents 5163  
described in division (A) of section 2919.192, division (C) of 5164  
section 2919.193, division (B) of section 2919.195, or division 5165  
(A) of section 2919.196 of the Revised Code; 5166

(47) Failure to comply with the requirements in section 5167  
3719.061 of the Revised Code before issuing for a minor a 5168  
prescription for an opioid analgesic, as defined in section 5169  
3719.01 of the Revised Code; 5170

(48) Failure to comply with the requirements of section 5171  
4731.30 of the Revised Code or rules adopted under section 5172  
4731.301 of the Revised Code when recommending treatment with 5173  
medical marijuana; 5174

division (E) (2) or (3) of section 3963.02 of the Revised Code; 5176

(50) Failure to fulfill the responsibilities of a 5177  
collaboration agreement entered into with an athletic trainer as 5178

described in section 4755.621 of the Revised Code; 5179

(51) Failure to take the steps specified in section 5180  
4731.911 of the Revised Code following an abortion or attempted 5181  
abortion in an ambulatory surgical facility or other location 5182  
that is not a hospital when a child is born alive; 5183

(52) Failure of a physician supervising a certified mental 5184  
health assistant to maintain supervision in accordance with the 5185  
requirements of Chapter 4772. of the Revised Code and the rules 5186  
adopted under that chapter. 5187

(C) Disciplinary actions taken by the board under 5188  
divisions (A) and (B) of this section shall be taken pursuant to 5189  
an adjudication under Chapter 119. of the Revised Code, except 5190  
that in lieu of an adjudication, the board may enter into a 5191  
consent agreement with an individual to resolve an allegation of 5192  
a violation of this chapter or any rule adopted under it. A 5193  
consent agreement, when ratified by an affirmative vote of not 5194  
fewer than six members of the board, shall constitute the 5195  
findings and order of the board with respect to the matter 5196  
addressed in the agreement. If the board refuses to ratify a 5197  
consent agreement, the admissions and findings contained in the 5198  
consent agreement shall be of no force or effect. 5199

A telephone conference call may be utilized for 5200  
ratification of a consent agreement that revokes or suspends an 5201  
individual's license or certificate to practice or certificate 5202  
to recommend. The telephone conference call shall be considered 5203  
a special meeting under division (F) of section 121.22 of the 5204  
Revised Code. 5205

If the board takes disciplinary action against an 5206  
individual under division (B) of this section for a second or 5207

subsequent plea of guilty to, or judicial finding of guilt of, a 5208  
violation of section 2919.123 or 2919.124 of the Revised Code, 5209  
the disciplinary action shall consist of a suspension of the 5210  
individual's license or certificate to practice for a period of 5211  
at least one year or, if determined appropriate by the board, a 5212  
more serious sanction involving the individual's license or 5213  
certificate to practice. Any consent agreement entered into 5214  
under this division with an individual that pertains to a second 5215  
or subsequent plea of guilty to, or judicial finding of guilt 5216  
of, a violation of that section shall provide for a suspension 5217  
of the individual's license or certificate to practice for a 5218  
period of at least one year or, if determined appropriate by the 5219  
board, a more serious sanction involving the individual's 5220  
license or certificate to practice. 5221

(D) For purposes of divisions (B) (10), (12), and (14) of 5222  
this section, the commission of the act may be established by a 5223  
finding by the board, pursuant to an adjudication under Chapter 5224  
119. of the Revised Code, that the individual committed the act. 5225  
The board does not have jurisdiction under those divisions if 5226  
the trial court renders a final judgment in the individual's 5227  
favor and that judgment is based upon an adjudication on the 5228  
merits. The board has jurisdiction under those divisions if the 5229  
trial court issues an order of dismissal upon technical or 5230  
procedural grounds. 5231

(E) The sealing or expungement of conviction records by 5232  
any court shall have no effect upon a prior board order entered 5233  
under this section or upon the board's jurisdiction to take 5234  
action under this section if, based upon a plea of guilty, a 5235  
judicial finding of guilt, or a judicial finding of eligibility 5236  
for intervention in lieu of conviction, the board issued a 5237  
notice of opportunity for a hearing prior to the court's order 5238

to seal or expunge the records. The board shall not be required 5239  
to seal, expunge, destroy, redact, or otherwise modify its 5240  
records to reflect the court's sealing of conviction records. 5241

(F) (1) The board shall investigate evidence that appears 5242  
to show that a person has violated any provision of this chapter 5243  
or any rule adopted under it. Any person may report to the board 5244  
in a signed writing any information that the person may have 5245  
that appears to show a violation of any provision of this 5246  
chapter or any rule adopted under it. In the absence of bad 5247  
faith, any person who reports information of that nature or who 5248  
testifies before the board in any adjudication conducted under 5249  
Chapter 119. of the Revised Code shall not be liable in damages 5250  
in a civil action as a result of the report or testimony. Each 5251  
complaint or allegation of a violation received by the board 5252  
shall be assigned a case number and shall be recorded by the 5253  
board. 5254

(2) Investigations of alleged violations of this chapter 5255  
or any rule adopted under it shall be supervised by the 5256  
supervising member elected by the board in accordance with 5257  
section 4731.02 of the Revised Code and by the secretary as 5258  
provided in section 4731.39 of the Revised Code. The president 5259  
may designate another member of the board to supervise the 5260  
investigation in place of the supervising member. No member of 5261  
the board who supervises the investigation of a case shall 5262  
participate in further adjudication of the case. 5263

(3) In investigating a possible violation of this chapter 5264  
or any rule adopted under this chapter, or in conducting an 5265  
inspection under division (E) of section 4731.054 of the Revised 5266  
Code, the board may question witnesses, conduct interviews, 5267  
administer oaths, order the taking of depositions, inspect and 5268

copy any books, accounts, papers, records, or documents, issue 5269  
subpoenas, and compel the attendance of witnesses and production 5270  
of books, accounts, papers, records, documents, and testimony, 5271  
except that a subpoena for patient record information shall not 5272  
be issued without consultation with the attorney general's 5273  
office and approval of the secretary of the board. 5274

(a) Before issuance of a subpoena for patient record 5275  
information, the secretary shall determine whether there is 5276  
probable cause to believe that the complaint filed alleges a 5277  
violation of this chapter or any rule adopted under it and that 5278  
the records sought are relevant to the alleged violation and 5279  
material to the investigation. The subpoena may apply only to 5280  
records that cover a reasonable period of time surrounding the 5281  
alleged violation. 5282

(b) On failure to comply with any subpoena issued by the 5283  
board and after reasonable notice to the person being 5284  
subpoenaed, the board may move for an order compelling the 5285  
production of persons or records pursuant to the Rules of Civil 5286  
Procedure. 5287

(c) A subpoena issued by the board may be served by a 5288  
sheriff, the sheriff's deputy, or a board employee or agent 5289  
designated by the board. Service of a subpoena issued by the 5290  
board may be made by delivering a copy of the subpoena to the 5291  
person named therein, reading it to the person, or leaving it at 5292  
the person's usual place of residence, usual place of business, 5293  
or address on file with the board. When serving a subpoena to an 5294  
applicant for or the holder of a license or certificate issued 5295  
under this chapter, service of the subpoena may be made by 5296  
certified mail, return receipt requested, and the subpoena shall 5297  
be deemed served on the date delivery is made or the date the 5298

person refuses to accept delivery. If the person being served 5299  
refuses to accept the subpoena or is not located, service may be 5300  
made to an attorney who notifies the board that the attorney is 5301  
representing the person. 5302

(d) A sheriff's deputy who serves a subpoena shall receive 5303  
the same fees as a sheriff. Each witness who appears before the 5304  
board in obedience to a subpoena shall receive the fees and 5305  
mileage provided for under section 119.094 of the Revised Code. 5306

(4) All hearings, investigations, and inspections of the 5307  
board shall be considered civil actions for the purposes of 5308  
section 2305.252 of the Revised Code. 5309

(5) A report required to be submitted to the board under 5310  
this chapter, a complaint, or information received by the board 5311  
pursuant to an investigation or pursuant to an inspection under 5312  
division (E) of section 4731.054 of the Revised Code is 5313  
confidential and not subject to discovery in any civil action. 5314

The board shall conduct all investigations or inspections 5315  
and proceedings in a manner that protects the confidentiality of 5316  
patients and persons who file complaints with the board. The 5317  
board shall not make public the names or any other identifying 5318  
information about patients or complainants unless proper consent 5319  
is given or, in the case of a patient, a waiver of the patient 5320  
privilege exists under division (B) of section 2317.02 of the 5321  
Revised Code, except that consent or a waiver of that nature is 5322  
not required if the board possesses reliable and substantial 5323  
evidence that no bona fide physician-patient relationship 5324  
exists. 5325

The board may share any information it receives pursuant 5326  
to an investigation or inspection, including patient records and 5327

patient record information, with law enforcement agencies, other 5328  
licensing boards, and other governmental agencies that are 5329  
prosecuting, adjudicating, or investigating alleged violations 5330  
of statutes or administrative rules. An agency or board that 5331  
receives the information shall comply with the same requirements 5332  
regarding confidentiality as those with which the state medical 5333  
board must comply, notwithstanding any conflicting provision of 5334  
the Revised Code or procedure of the agency or board that 5335  
applies when it is dealing with other information in its 5336  
possession. In a judicial proceeding, the information may be 5337  
admitted into evidence only in accordance with the Rules of 5338  
Evidence, but the court shall require that appropriate measures 5339  
are taken to ensure that confidentiality is maintained with 5340  
respect to any part of the information that contains names or 5341  
other identifying information about patients or complainants 5342  
whose confidentiality was protected by the state medical board 5343  
when the information was in the board's possession. Measures to 5344  
ensure confidentiality that may be taken by the court include 5345  
sealing its records or deleting specific information from its 5346  
records. 5347

(6) On a quarterly basis, the board shall prepare a report 5348  
that documents the disposition of all cases during the preceding 5349  
three months. The report shall contain the following information 5350  
for each case with which the board has completed its activities: 5351

(a) The case number assigned to the complaint or alleged 5352  
violation; 5353

(b) The type of license or certificate to practice, if 5354  
any, held by the individual against whom the complaint is 5355  
directed; 5356

(c) A description of the allegations contained in the 5357

complaint; 5358

(d) The disposition of the case. 5359

The report shall state how many cases are still pending 5360  
and shall be prepared in a manner that protects the identity of 5361  
each person involved in each case. The report shall be a public 5362  
record under section 149.43 of the Revised Code. 5363

(G) If the secretary and supervising member determine both 5364  
of the following, they may recommend that the board suspend an 5365  
individual's license or certificate to practice or certificate 5366  
to recommend without a prior hearing: 5367

(1) That there is clear and convincing evidence that an 5368  
individual has violated division (B) of this section; 5369

(2) That the individual's continued practice presents a 5370  
danger of immediate and serious harm to the public. 5371

Written allegations shall be prepared for consideration by 5372  
the board. The board, upon review of those allegations and by an 5373  
affirmative vote of not fewer than six of its members, excluding 5374  
the secretary and supervising member, may suspend a license or 5375  
certificate without a prior hearing. A telephone conference call 5376  
may be utilized for reviewing the allegations and taking the 5377  
vote on the summary suspension. 5378

The board shall serve a written order of suspension in 5379  
accordance with sections 119.05 and 119.07 of the Revised Code. 5380  
The order shall not be subject to suspension by the court during 5381  
pendency of any appeal filed under section 119.12 of the Revised 5382  
Code. If the individual subject to the summary suspension 5383  
requests an adjudicatory hearing by the board, the date set for 5384  
the hearing shall be within fifteen days, but not earlier than 5385  
seven days, after the individual requests the hearing, unless 5386

otherwise agreed to by both the board and the individual. 5387

Any summary suspension imposed under this division shall 5388  
remain in effect, unless reversed on appeal, until a final 5389  
adjudicative order issued by the board pursuant to this section 5390  
and Chapter 119. of the Revised Code becomes effective. The 5391  
board shall issue its final adjudicative order within seventy- 5392  
five days after completion of its hearing. A failure to issue 5393  
the order within seventy-five days shall result in dissolution 5394  
of the summary suspension order but shall not invalidate any 5395  
subsequent, final adjudicative order. 5396

(H) If the board takes action under division (B) (9), (11), 5397  
or (13) of this section and the judicial finding of guilt, 5398  
guilty plea, or judicial finding of eligibility for intervention 5399  
in lieu of conviction is overturned on appeal, upon exhaustion 5400  
of the criminal appeal, a petition for reconsideration of the 5401  
order may be filed with the board along with appropriate court 5402  
documents. Upon receipt of a petition of that nature and 5403  
supporting court documents, the board shall reinstate the 5404  
individual's license or certificate to practice. The board may 5405  
then hold an adjudication under Chapter 119. of the Revised Code 5406  
to determine whether the individual committed the act in 5407  
question. Notice of an opportunity for a hearing shall be given 5408  
in accordance with Chapter 119. of the Revised Code. If the 5409  
board finds, pursuant to an adjudication held under this 5410  
division, that the individual committed the act or if no hearing 5411  
is requested, the board may order any of the sanctions 5412  
identified under division (B) of this section. 5413

(I) The license or certificate to practice issued to an 5414  
individual under this chapter and the individual's practice in 5415  
this state are automatically suspended as of the date of the 5416

individual's second or subsequent plea of guilty to, or judicial 5417  
finding of guilt of, a violation of section 2919.123 or 2919.124 5418  
of the Revised Code. In addition, the license or certificate to 5419  
practice or certificate to recommend issued to an individual 5420  
under this chapter and the individual's practice in this state 5421  
are automatically suspended as of the date the individual pleads 5422  
guilty to, is found by a judge or jury to be guilty of, or is 5423  
subject to a judicial finding of eligibility for intervention in 5424  
lieu of conviction in this state or treatment or intervention in 5425  
lieu of conviction in another jurisdiction for any of the 5426  
following criminal offenses in this state or a substantially 5427  
equivalent criminal offense in another jurisdiction: aggravated 5428  
murder, murder, voluntary manslaughter, felonious assault, 5429  
kidnapping, rape, sexual battery, gross sexual imposition, 5430  
aggravated arson, aggravated robbery, or aggravated burglary. 5431  
Continued practice after suspension shall be considered 5432  
practicing without a license or certificate. 5433

The board shall notify the individual subject to the 5434  
suspension in accordance with sections 119.05 and 119.07 of the 5435  
Revised Code. If an individual whose license or certificate is 5436  
automatically suspended under this division fails to make a 5437  
timely request for an adjudication under Chapter 119. of the 5438  
Revised Code, the board shall do whichever of the following is 5439  
applicable: 5440

(1) If the automatic suspension under this division is for 5441  
a second or subsequent plea of guilty to, or judicial finding of 5442  
guilt of, a violation of section 2919.123 or 2919.124 of the 5443  
Revised Code, the board shall enter an order suspending the 5444  
individual's license or certificate to practice for a period of 5445  
at least one year or, if determined appropriate by the board, 5446  
imposing a more serious sanction involving the individual's 5447

license or certificate to practice. 5448

(2) In all circumstances in which division (I)(1) of this 5449  
section does not apply, enter a final order permanently revoking 5450  
the individual's license or certificate to practice. 5451

(J) If the board is required by Chapter 119. of the 5452  
Revised Code to give notice of an opportunity for a hearing and 5453  
if the individual subject to the notice does not timely request 5454  
a hearing in accordance with section 119.07 of the Revised Code, 5455  
the board is not required to hold a hearing, but may adopt, by 5456  
an affirmative vote of not fewer than six of its members, a 5457  
final order that contains the board's findings. In that final 5458  
order, the board may order any of the sanctions identified under 5459  
division (A) or (B) of this section. 5460

(K) Any action taken by the board under division (B) of 5461  
this section resulting in a suspension from practice shall be 5462  
accompanied by a written statement of the conditions under which 5463  
the individual's license or certificate to practice may be 5464  
reinstated. The board shall adopt rules governing conditions to 5465  
be imposed for reinstatement. Reinstatement of a license or 5466  
certificate suspended pursuant to division (B) of this section 5467  
requires an affirmative vote of not fewer than six members of 5468  
the board. 5469

(L) When the board refuses to grant or issue a license or 5470  
certificate to practice to an applicant, revokes an individual's 5471  
license or certificate to practice, refuses to renew an 5472  
individual's license or certificate to practice, or refuses to 5473  
reinstatement an individual's license or certificate to practice, 5474  
the board may specify that its action is permanent. An 5475  
individual subject to a permanent action taken by the board is 5476  
forever thereafter ineligible to hold a license or certificate 5477

to practice and the board shall not accept an application for 5478  
reinstatement of the license or certificate or for issuance of a 5479  
new license or certificate. 5480

(M) Notwithstanding any other provision of the Revised 5481  
Code, all of the following apply: 5482

(1) The surrender of a license or certificate issued under 5483  
this chapter shall not be effective unless or until accepted by 5484  
the board. A telephone conference call may be utilized for 5485  
acceptance of the surrender of an individual's license or 5486  
certificate to practice. The telephone conference call shall be 5487  
considered a special meeting under division (F) of section 5488  
121.22 of the Revised Code. Reinstatement of a license or 5489  
certificate surrendered to the board requires an affirmative 5490  
vote of not fewer than six members of the board. 5491

(2) An application for a license or certificate made under 5492  
the provisions of this chapter may not be withdrawn without 5493  
approval of the board. 5494

(3) Failure by an individual to renew a license or 5495  
certificate to practice in accordance with this chapter or a 5496  
certificate to recommend in accordance with rules adopted under 5497  
section 4731.301 of the Revised Code does not remove or limit 5498  
the board's jurisdiction to take any disciplinary action under 5499  
this section against the individual. 5500

(4) The placement of an individual's license on retired 5501  
status, as described in section 4731.283 of the Revised Code, 5502  
does not remove or limit the board's jurisdiction to take any 5503  
disciplinary action against the individual with regard to the 5504  
license as it existed before being placed on retired status. 5505

(5) At the request of the board, a license or certificate 5506

holder shall immediately surrender to the board a license or 5507  
certificate that the board has suspended, revoked, or 5508  
permanently revoked. 5509

(N) Sanctions shall not be imposed under division (B) (28) 5510  
of this section against any person who waives deductibles and 5511  
copayments as follows: 5512

(1) In compliance with the health benefit plan that 5513  
expressly allows such a practice. Waiver of the deductibles or 5514  
copayments shall be made only with the full knowledge and 5515  
consent of the plan purchaser, payer, and third-party 5516  
administrator. Documentation of the consent shall be made 5517  
available to the board upon request. 5518

(2) For professional services rendered to any other person 5519  
authorized to practice pursuant to this chapter, to the extent 5520  
allowed by this chapter and rules adopted by the board. 5521

(O) Under the board's investigative duties described in 5522  
this section and subject to division (F) of this section, the 5523  
board shall develop and implement a quality intervention program 5524  
designed to improve through remedial education the clinical and 5525  
communication skills of individuals authorized under this 5526  
chapter to practice medicine and surgery, osteopathic medicine 5527  
and surgery, and podiatric medicine and surgery. In developing 5528  
and implementing the quality intervention program, the board may 5529  
do all of the following: 5530

(1) Offer in appropriate cases as determined by the board 5531  
an educational and assessment program pursuant to an 5532  
investigation the board conducts under this section; 5533

(2) Select providers of educational and assessment 5534  
services, including a quality intervention program panel of case 5535

reviewers;	5536
(3) Make referrals to educational and assessment service providers and approve individual educational programs recommended by those providers. The board shall monitor the progress of each individual undertaking a recommended individual educational program.	5537 5538 5539 5540 5541
(4) Determine what constitutes successful completion of an individual educational program and require further monitoring of the individual who completed the program or other action that the board determines to be appropriate;	5542 5543 5544 5545
(5) Adopt rules in accordance with Chapter 119. of the Revised Code to further implement the quality intervention program.	5546 5547 5548
An individual who participates in an individual educational program pursuant to this division shall pay the financial obligations arising from that educational program.	5549 5550 5551
(P) The board shall not refuse to issue a license to an applicant because of a conviction, plea of guilty, judicial finding of guilt, judicial finding of eligibility for intervention in lieu of conviction, or the commission of an act that constitutes a criminal offense, unless the refusal is in accordance with section 9.79 of the Revised Code.	5552 5553 5554 5555 5556 5557
<b>Sec. 4731.224.</b> (A) Within sixty days after the imposition of any formal disciplinary action taken by any health care facility, including a hospital, health care facility operated by a health insuring corporation, ambulatory surgical center, or similar facility, against any individual holding a valid license or certificate to practice issued pursuant to this chapter, the chief administrator or executive officer of the facility shall	5558 5559 5560 5561 5562 5563 5564

report to the state medical board the name of the individual, 5565  
the action taken by the facility, and a summary of the 5566  
underlying facts leading to the action taken. Upon request, the 5567  
board shall be provided certified copies of the patient records 5568  
that were the basis for the facility's action. Prior to release 5569  
to the board, the summary shall be approved by the peer review 5570  
committee that reviewed the case or by the governing board of 5571  
the facility. As used in this division, "formal disciplinary 5572  
action" means any action resulting in the revocation, 5573  
restriction, reduction, or termination of clinical privileges 5574  
for violations of professional ethics, or for reasons of medical 5575  
incompetence or medical malpractice. "Formal disciplinary 5576  
action" includes a summary action, an action that takes effect 5577  
notwithstanding any appeal rights that may exist, and an action 5578  
that results in an individual surrendering clinical privileges 5579  
while under investigation and during proceedings regarding the 5580  
action being taken or in return for not being investigated or 5581  
having proceedings held. "Formal disciplinary action" does not 5582  
include any action taken for the sole reason of failure to 5583  
maintain records on a timely basis or failure to attend staff or 5584  
section meetings. 5585

The filing or nonfiling of a report with the board, 5586  
investigation by the board, or any disciplinary action taken by 5587  
the board, shall not preclude any action by a health care 5588  
facility to suspend, restrict, or revoke the individual's 5589  
clinical privileges. 5590

In the absence of fraud or bad faith, no individual or 5591  
entity that provides patient records to the board shall be 5592  
liable in damages to any person as a result of providing the 5593  
records. 5594

(B) (1) Except as provided in division (B) (2) of this 5595  
section, if any individual authorized to practice under this 5596  
chapter or any professional association or society of such 5597  
individuals believes that a violation of any provision of this 5598  
chapter, Chapter 4730., 4759., 4760., 4761., 4762., 4772., 5599  
4774., or 4778. of the Revised Code, or any rule of the board 5600  
has occurred, the individual, association, or society shall 5601  
report to the board the information upon which the belief is 5602  
based. 5603

(2) If any individual authorized to practice under this 5604  
chapter or any professional association or society of such 5605  
individuals believes that a violation of division (B) (19) or 5606  
(26) of section 4731.22 of the Revised Code has occurred, the 5607  
individual, association, or society shall report the information 5608  
upon which the belief is based to the monitoring organization 5609  
conducting the confidential monitoring program established under 5610  
section 4731.25 of the Revised Code. If any such report is made 5611  
to the board, it shall be referred to the monitoring 5612  
organization unless the board is aware that the individual who 5613  
is the subject of the report does not meet the program 5614  
eligibility requirements of section 4731.252 of the Revised 5615  
Code. 5616

(C) Any professional association or society composed 5617  
primarily of doctors of medicine and surgery, doctors of 5618  
osteopathic medicine and surgery, doctors of podiatric medicine 5619  
and surgery, or practitioners of limited branches of medicine 5620  
that suspends or revokes an individual's membership for 5621  
violations of professional ethics, or for reasons of 5622  
professional incompetence or professional malpractice, within 5623  
sixty days after a final decision shall report to the board, on 5624  
forms prescribed and provided by the board, the name of the 5625

individual, the action taken by the professional organization, 5626  
and a summary of the underlying facts leading to the action 5627  
taken. 5628

The filing of a report with the board or decision not to 5629  
file a report, investigation by the board, or any disciplinary 5630  
action taken by the board, does not preclude a professional 5631  
organization from taking disciplinary action against an 5632  
individual. 5633

(D) Any insurer providing professional liability insurance 5634  
to an individual authorized to practice under this chapter, or 5635  
any other entity that seeks to indemnify the professional 5636  
liability of such an individual, shall notify the board within 5637  
thirty days after the final disposition of any written claim for 5638  
damages where such disposition results in a payment exceeding 5639  
twenty-five thousand dollars. The notice shall contain the 5640  
following information: 5641

(1) The name and address of the person submitting the 5642  
notification; 5643

(2) The name and address of the insured who is the subject 5644  
of the claim; 5645

(3) The name of the person filing the written claim; 5646

(4) The date of final disposition; 5647

(5) If applicable, the identity of the court in which the 5648  
final disposition of the claim took place. 5649

(E) The board may investigate possible violations of this 5650  
chapter or the rules adopted under it that are brought to its 5651  
attention as a result of the reporting requirements of this 5652  
section, except that the board shall conduct an investigation if 5653

a possible violation involves repeated malpractice. As used in 5654  
this division, "repeated malpractice" means three or more claims 5655  
for medical malpractice within the previous five-year period, 5656  
each resulting in a judgment or settlement in excess of twenty- 5657  
five thousand dollars in favor of the claimant, and each 5658  
involving negligent conduct by the practicing individual. 5659

(F) All summaries, reports, and records received and 5660  
maintained by the board pursuant to this section shall be held 5661  
in confidence and shall not be subject to discovery or 5662  
introduction in evidence in any federal or state civil action 5663  
involving a health care professional or facility arising out of 5664  
matters that are the subject of the reporting required by this 5665  
section. The board may use the information obtained only as the 5666  
basis for an investigation, as evidence in a disciplinary 5667  
hearing against an individual whose practice is regulated under 5668  
this chapter, or in any subsequent trial or appeal of a board 5669  
action or order. 5670

The board may disclose the summaries and reports it 5671  
receives under this section only to health care facility 5672  
committees within or outside this state that are involved in 5673  
credentialing or recredentialing the individual or in reviewing 5674  
the individual's clinical privileges. The board shall indicate 5675  
whether or not the information has been verified. Information 5676  
transmitted by the board shall be subject to the same 5677  
confidentiality provisions as when maintained by the board. 5678

(G) Except for reports filed by an individual pursuant to 5679  
division (B) of this section, the board shall send a copy of any 5680  
reports or summaries it receives pursuant to this section to the 5681  
individual who is the subject of the reports or summaries. The 5682  
individual shall have the right to file a statement with the 5683

board concerning the correctness or relevance of the 5684  
information. The statement shall at all times accompany that 5685  
part of the record in contention. 5686

(H) An individual or entity that, pursuant to this 5687  
section, reports to the board, reports to the monitoring 5688  
organization described in section 4731.25 of the Revised Code, 5689  
or refers an impaired practitioner to a treatment provider 5690  
approved by the board under section 4731.251 of the Revised Code 5691  
shall not be subject to suit for civil damages as a result of 5692  
the report, referral, or provision of the information. 5693

(I) In the absence of fraud or bad faith, no professional 5694  
association or society of individuals authorized to practice 5695  
under this chapter that sponsors a committee or program to 5696  
provide peer assistance to practitioners with substance abuse 5697  
problems, no representative or agent of such a committee or 5698  
program, no representative or agent of the monitoring 5699  
organization described in section 4731.25 of the Revised Code, 5700  
and no member of the state medical board shall be held liable in 5701  
damages to any person by reason of actions taken to refer a 5702  
practitioner to a treatment provider approved under section 5703  
4731.251 of the Revised Code for examination or treatment. 5704

**Sec. 4731.24.** Except as provided in sections 4731.281 and 5705  
4731.40 of the Revised Code, all receipts of the state medical 5706  
board, from any source, shall be deposited in the state 5707  
treasury. The funds shall be deposited to the credit of the 5708  
state medical board operating fund, which is hereby created. 5709  
Except as provided in sections 4730.252, 4731.225, 4731.24, 5710  
4759.071, 4760.133, 4761.091, 4762.133, 4772.203, 4774.133, and 5711  
4778.141 of the Revised Code, all funds deposited into the state 5712  
treasury under this section shall be used solely for the 5713

administration and enforcement of this chapter and Chapters 5714  
4730., 4759., 4760., 4761., 4762., 4772., 4774., and 4778. of 5715  
the Revised Code by the board. 5716

**Sec. 4731.25.** (A) As used in this section and in sections 5717  
4731.251 to 4731.255 of the Revised Code: 5718

(1) "Applicant" means an individual who has applied under 5719  
Chapter 4730., 4731., 4759., 4760., 4761., 4762., 4772., 4774., 5720  
or 4778. of the Revised Code for a license, training or other 5721  
certificate, limited permit, or other authority to practice as 5722  
any one of the following practitioners: a physician assistant, 5723  
physician, podiatrist, limited branch of medicine practitioner, 5724  
dietitian, anesthesiologist assistant, respiratory care 5725  
professional, acupuncturist, certified mental health assistant, 5726  
radiologist assistant, or genetic counselor. "Applicant" may 5727  
include an individual who has been granted authority by the 5728  
state medical board to practice as one type of practitioner, but 5729  
has applied for authority to practice as another type of 5730  
practitioner. 5731

(2) "Impaired" or "impairment" means either or both of the 5732  
following: 5733

providing feedback and recommendations, shall reference the 6401  
physician assistant accrediting standards from the accreditation 6402  
review commission on education for the physician assistant. Once 6403

6426  
6427

Renewal applications shall be submitted to the board in a manner prescribed by the board. Each application shall be accompanied by a biennial renewal fee specified by the board in rules adopted under section 4772.19 of the Revised Code. 6428  
6429  
6430  
6431

The applicant shall report any criminal offense that constitutes grounds for refusing to issue a license under section 4772.20 of the Revised Code to which the applicant has pleaded guilty, of which the applicant has been found guilty, or for which the applicant has been found eligible for intervention in lieu of conviction, since last signing an application for a license to practice as a certified mental health assistant. 6432

6436  
6437  
6438

(B) To be eligible for renewal, a certified mental health assistant shall certify to the board that the assistant has complied with the renewal eligibility requirements established under section 4772.081 of the Revised Code that pertain to the applicant. 6439

6441  
6442  
6443

(C) If an applicant submits a renewal application that the board considers to be complete and qualifies for renewal 6444  
6445

pursuant to division (B) of this section, the board shall issue 6446  
to the applicant a renewed license to practice as a certified 6447  
mental health assistant. 6448

(D) The board may require a random sample of license 6449  
holders to submit materials documenting that the continuing 6450  
education requirements of section 4772.081 of the Revised Code, 6451  
and any other continuing education required by the board's 6452

Division (D) of this section does not limit the board's 6454  
authority to conduct investigations pursuant to section 4772.20 6455  
of the Revised Code. 6456

(E) A license that is not renewed on or before its 6457  
expiration date is automatically suspended on its expiration 6458  
date, subject to the provisions of section 119.06 of the Revised 6459  
Code specifying that an applicant who appropriately files a 6460

merely because the board has failed to act on the application. 6462

If a license has been suspended pursuant to this division 6463  
for two years or less, the board shall reinstate the license 6464  
upon an applicant's submission of a renewal application, the 6465  
biennial renewal fee, and the applicable monetary penalty. The 6466  
penalty for reinstatement is fifty dollars. 6467

If a license has been suspended pursuant to this division 6468  
for more than two years, it may be restored. Subject to section 6469

biennial renewal fee, the applicable monetary penalty, and 6472  
compliance with sections 4776.01 to 4776.04 of the Revised Code. 6473  
The board shall not restore a license unless the board, in its 6474

discretion, decides that the results of the criminal records 6475  
check do not make the applicant ineligible for a certificate 6476  
issued pursuant to section 4772.06 of the Revised Code. The 6477  
penalty for restoration is one hundred dollars. 6478

(F) (1) If, through a random sample conducted under 6479  
division (D) of this section or any other means, the board finds 6480  
that an individual who certified completion of the continuing 6481  
education required to renew, reinstate, or restore a license to 6482  
practice did not complete the requisite continuing medical 6483  
education, the board may do either of the following: 6484

to an adjudication under Chapter 119. of the Revised Code and by 6492  
an affirmative vote of not fewer than six of its members. 6493

(3) A civil penalty imposed under division (F) (1) (a) of 6494  
this section or paid under division (F) (1) (b) of this section 6495  
shall be in an amount specified by the board of not more than 6496  
five thousand dollars. The board shall deposit civil penalties 6497  
in accordance with section 4731.24 of the Revised Code. 6498

6529  
6530  
6531  
6532

(B) The state medical board shall provide for pro rata 6533  
reductions by month of the number of hours of continuing 6534

(C) The continuing education required by this section is 6540

board's rules. 6542

(D) If the board chooses to authorize persons to approve 6543  
continuing pharmacology education programs and courses, it shall 6544  
establish standards for granting that authority and grant the 6545  
authority in accordance with the standards. 6546

(B) The board, by an affirmative vote of not fewer than  
six members, shall, except as provided in division (C) of this  
section, and to the extent permitted by law, limit, revoke, or  
suspend an individual's license to practice as a certified  
mental health assistant, refuse to issue a license to an  
applicant, refuse to renew a license, refuse to reinstate a  
license, or reprimand or place on probation the holder of a  
license for any of the following reasons:

7078

7080

7081

statement in securing or attempting to secure a license to  
practice as a certified mental health assistant. 7108  
7109  
7110

As used in this division, "false, fraudulent, deceptive,  
or misleading statement" means a statement that includes a  
misrepresentation of fact, is likely to mislead or deceive  
because of a failure to disclose material facts, is intended or  
is likely to create false or unjustified expectations of  
favorable results, or includes representations or implications  
that in reasonable probability will cause an ordinarily prudent  
person to misunderstand or be deceived. 7111

or a judicial finding of eligibility for intervention in lieu of 7132  
7133

conviction for, a misdemeanor involving moral turpitude; 7134

(14) Commission of an act in the course of practice that 7135  
constitutes a misdemeanor in this state, regardless of the 7136  
jurisdiction in which the act was committed; 7137

(15) Commission of an act involving moral turpitude that 7138  
constitutes a misdemeanor in this state, regardless of the 7139  
jurisdiction in which the act was committed; 7140

(16) A plea of guilty to, a judicial finding of guilt of, 7141  
or a judicial finding of eligibility for intervention in lieu of 7142  
conviction for violating any state or federal law regulating the 7143  
possession, distribution, or use of any drug, including 7144  
trafficking in drugs; 7145

(17) Any of the following actions taken by the state 7146  
agency responsible for regulating the practice of certified 7147  
mental health assistants in another jurisdiction, for any reason 7148  
other than the nonpayment of fees: the limitation, revocation, 7149  
or suspension of an individual's license to practice; acceptance 7150  
of an individual's license surrender; denial of a license; 7151

reprimand; 7154

(18) Violation of the conditions placed by the board on a 7155  
license to practice as a certified mental health assistant; 7156

(19) Failure to use universal blood and body fluid 7157

of the Revised Code; 7159

(20) Failure to cooperate in an investigation conducted by 7160  
the board under section 4772.21 of the Revised Code, including 7161  
failure to comply with a subpoena or order issued by the board 7162

or failure to answer truthfully a question presented by the 7163  
board at a deposition or in written interrogatories, except that 7164  
failure to cooperate with an investigation shall not constitute 7165  
grounds for discipline under this section if a court of 7166  
competent jurisdiction has issued an order that either quashes a 7167  
subpoena or permits the individual to withhold the testimony or 7168  
evidence in issue; 7169

(21) Failure to practice in accordance with the 7170  
supervising physician's supervision agreement with the certified 7171  
mental health assistant; 7172

(22) Administering drugs for purposes other than those 7173  
authorized under this chapter; 7174

(23) Failure to comply with section 4772.13 of the Revised 7175  
Code, unless the board no longer maintains a drug database 7176  
pursuant to section 4729.75 of the Revised Code; 7177

(24) Assisting suicide, as defined in section 3795.01 of 7178  
the Revised Code. 7179

(C) The board shall not refuse to issue a license to an 7180  
applicant because of a plea of guilty to, a judicial finding of 7181  
guilt of, or a judicial finding of eligibility for intervention 7182  
in lieu of conviction for an offense unless the refusal is in 7183  
accordance with section 9.79 of the Revised Code. 7184

(D) Disciplinary actions taken by the board under 7185  
divisions (A) and (B) of this section shall be taken pursuant to 7186  
an adjudication under Chapter 119. of the Revised Code, except 7187  
that in lieu of an adjudication, the board may enter into a 7188  
consent agreement with a certified mental health assistant or 7189  
applicant to resolve an allegation of a violation of this 7190  
chapter or any rule adopted under it. A consent agreement, when 7191

ratified by an affirmative vote of not fewer than six members of 7192  
the board, shall constitute the findings and order of the board 7193  
with respect to the matter addressed in the agreement. If the 7194  
board refuses to ratify a consent agreement, the admissions and 7195  
findings contained in the consent agreement shall be of no force 7196  
or effect. 7197

(E) For purposes of divisions (B) (11), (14), and (15) of 7198  
this section, the commission of the act may be established by a 7199  
finding by the board, pursuant to an adjudication under Chapter 7200  
119. of the Revised Code, that the applicant or license holder 7201  
committed the act in question. The board shall have no 7202  
jurisdiction under these divisions in cases where the trial 7203  
court renders a final judgment in the license holder's favor and 7204  
that judgment is based upon an adjudication on the merits. The 7205  
board shall have jurisdiction under these divisions in cases 7206  
where the trial court issues an order of dismissal on technical 7207  
or procedural grounds. 7208

(F) The sealing or expungement of conviction records by 7209  
any court shall have no effect on a prior board order entered 7210  
under the provisions of this section or on the board's 7211  
jurisdiction to take action under the provisions of this section 7212  
if, based upon a plea of guilty, a judicial finding of guilt, or 7213  
a judicial finding of eligibility for intervention in lieu of 7214  
conviction, the board issued a notice of opportunity for a 7215  
hearing prior to the court's order to seal or expunge the 7216  
records. The board shall not be required to seal, destroy, 7217  
redact, or otherwise modify its records to reflect the court's 7218  
sealing or expungement of conviction records. 7219

(G) For purposes of this division, any individual who 7220  
holds a license to practice as a certified mental health 7221

assistant issued under this chapter, or applies for a license, 7222  
shall be deemed to have given consent to submit to a mental or 7223  
physical examination when directed to do so in writing by the 7224  
board and to have waived all objections to the admissibility of 7225  
testimony or examination reports that constitute a privileged 7226  
communication. 7227

(1) In enforcing division (B)(5) of this section, the 7228  
board, on a showing of a possible violation, may compel any 7229  
individual who holds a license to practice as a certified mental 7230  
health assistant issued under this chapter or who has applied 7231  
for a license to submit to a mental or physical examination, or 7232  
both. A physical examination may include an HIV test. The 7233  
expense of the examination is the responsibility of the 7234  
individual compelled to be examined. Failure to submit to a 7235  
mental or physical examination or consent to an HIV test ordered 7236  
by the board constitutes an admission of the allegations against 7237  
the individual unless the failure is due to circumstances beyond 7238  
the individual's control, and a default and final order may be 7239  
entered without the taking of testimony or presentation of 7240  
evidence. If the board finds a certified mental health assistant 7241  
unable to practice because of the reasons set forth in division 7242  
(B)(5) of this section, the board shall require the certified 7243  
mental health assistant to submit to care, counseling, or 7244  
treatment by physicians approved or designated by the board, as 7245  
a condition for an initial, continued, reinstated, or renewed 7246  
license. An individual affected by this division shall be 7247  
afforded an opportunity to demonstrate to the board the ability 7248  
to resume practicing in compliance with acceptable and 7249  
prevailing standards of care. 7250

(2) For purposes of division (B)(6) of this section, if 7251  
the board has reason to believe that any individual who holds a 7252

license to practice as a certified mental health assistant 7253  
issued under this chapter or any applicant for a license suffers 7254  
such impairment, the board may compel the individual to submit 7255  
to a mental or physical examination, or both. The expense of the 7256  
examination is the responsibility of the individual compelled to 7257  
be examined. Any mental or physical examination required under 7258  
this division shall be undertaken by a treatment provider or 7259  
physician qualified to conduct such examination and chosen by 7260  
the board. 7261

Failure to submit to a mental or physical examination 7262  
ordered by the board constitutes an admission of the allegations 7263  
against the individual unless the failure is due to 7264  
circumstances beyond the individual's control, and a default and 7265  
final order may be entered without the taking of testimony or 7266  
presentation of evidence. If the board determines that the 7267  
individual's ability to practice is impaired, the board shall 7268  
suspend the individual's license or deny the individual's 7269  
application and shall require the individual, as a condition for 7270  
an initial, continued, reinstated, or renewed license to 7271  
practice, to submit to treatment. 7272

Before being eligible to apply for reinstatement of a 7273  
license suspended under this division, the certified mental 7274  
health assistant shall demonstrate to the board the ability to 7275  
resume practice in compliance with acceptable and prevailing 7276  
standards of care. The demonstration shall include the 7277  
following: 7278

(a) Certification from a treatment provider approved under 7279  
section 4731.25 of the Revised Code that the individual has 7280  
successfully completed any required inpatient treatment; 7281

(b) Evidence of continuing full compliance with an 7282

aftercare contract or consent agreement; 7283

(c) Two written reports indicating that the individual's 7284  
ability to practice has been assessed and that the individual 7285  
has been found capable of practicing according to acceptable and 7286  
prevailing standards of care. The reports shall be made by 7287  
individuals or providers approved by the board for making such 7288  
assessments and shall describe the basis for their 7289  
determination. 7290

The board may reinstate a license suspended under this 7291  
division after such demonstration and after the individual has 7292  
entered into a written consent agreement. 7293

When the impaired certified mental health assistant 7294  
resumes practice, the board shall require continued monitoring 7295  
of the certified mental health assistant. The monitoring shall 7296  
include monitoring of compliance with the written consent 7297  
agreement entered into before reinstatement or with conditions 7298  
imposed by board order after a hearing, and, on termination of 7299  
the consent agreement, submission to the board for at least two 7300  
years of annual written progress reports made under penalty of 7301  
falsification stating whether the certified mental health 7302  
assistant has maintained sobriety. 7303

(H) If the secretary and supervising member determine that 7304  
there is clear and convincing evidence that a certified mental 7305  
health assistant has violated division (B) of this section and 7306  
that the individual's continued practice presents a danger of 7307  
immediate and serious harm to the public, they may recommend 7308  
that the board suspend the individual's license to practice 7309  
without a prior hearing. Written allegations shall be prepared 7310  
for consideration by the board. 7311

The board, on review of the allegations and by an 7312  
affirmative vote of not fewer than six of its members, excluding 7313  
the secretary and supervising member, may suspend a license 7314  
without a prior hearing. A telephone conference call may be 7315  
utilized for reviewing the allegations and taking the vote on 7316  
the summary suspension. 7317

The board shall issue a written order of suspension by 7318  
certified mail or in person in accordance with section 119.07 of 7319  
the Revised Code. The order shall not be subject to suspension 7320  
by the court during pendency of any appeal filed under section 7321  
119.12 of the Revised Code. If the certified mental health 7322  
assistant requests an adjudicatory hearing by the board, the 7323  
date set for the hearing shall be within fifteen days, but not 7324  
earlier than seven days, after the certified mental health 7325  
assistant requests the hearing, unless otherwise agreed to by 7326  
both the board and the license holder. 7327

A summary suspension imposed under this division shall 7328  
remain in effect, unless reversed on appeal, until a final 7329  
adjudicative order issued by the board pursuant to this section 7330  
and Chapter 119. of the Revised Code becomes effective. The 7331  
board shall issue its final adjudicative order within sixty days 7332  
after completion of its hearing. Failure to issue the order 7333  
within sixty days shall result in dissolution of the summary 7334  
suspension order, but shall not invalidate any subsequent, final 7335  
adjudicative order. 7336

(I) If the board takes action under division (B) (10), 7337  
(12), or (13) of this section, and the judicial finding of 7338  
guilt, guilty plea, or judicial finding of eligibility for 7339  
intervention in lieu of conviction is overturned on appeal, on 7340  
exhaustion of the criminal appeal, a petition for 7341

reconsideration of the order may be filed with the board along 7342  
with appropriate court documents. On receipt of a petition and 7343  
supporting court documents, the board shall reinstate the 7344  
license to practice as a certified mental health assistant. The 7345  
board may then hold an adjudication under Chapter 119. of the 7346  
Revised Code to determine whether the individual committed the 7347  
act in question. Notice of opportunity for hearing shall be 7348  
given in accordance with Chapter 119. of the Revised Code. If 7349  
the board finds, pursuant to an adjudication held under this 7350  
division, that the individual committed the act, or if no 7351  
hearing is requested, it may order any of the sanctions 7352  
specified in division (B) of this section. 7353

(J) The license to practice of a certified mental health 7354  
assistant and the assistant's practice in this state are 7355  
automatically suspended as of the date the certified mental 7356  
health assistant pleads guilty to, is found by a judge or jury 7357  
to be guilty of, or is subject to a judicial finding of 7358  
eligibility for intervention in lieu of conviction in this state 7359  
or treatment of intervention in lieu of conviction in another 7360  
jurisdiction for any of the following criminal offenses in this 7361  
state or a substantially equivalent criminal offense in another 7362  
jurisdiction: aggravated murder, murder, voluntary manslaughter, 7363  
felonious assault, kidnapping, rape, sexual battery, gross 7364  
sexual imposition, aggravated arson, aggravated robbery, or 7365  
aggravated burglary. Continued practice after the suspension 7366  
shall be considered practicing without a license. 7367

The board shall notify the individual subject to the 7368  
suspension by certified mail or in person in accordance with 7369  
section 119.07 of the Revised Code. If an individual whose 7370  
license is suspended under this division fails to make a timely 7371  
request for an adjudication under Chapter 119. of the Revised 7372

Code, the board shall enter a final order permanently revoking 7373  
the individual's license. 7374

(K) In any instance in which the board is required by 7375  
Chapter 119. of the Revised Code to give notice of opportunity 7376  
for hearing and the individual subject to the notice does not 7377  
timely request a hearing in accordance with section 119.07 of 7378  
the Revised Code, the board is not required to hold a hearing, 7379  
but may adopt, by an affirmative vote of not fewer than six of 7380  
its members, a final order that contains the board's findings. 7381  
In the final order, the board may order any of the sanctions 7382  
identified under division (A) or (B) of this section. 7383

(L) Any action taken by the board under division (B) of 7384  
this section resulting in a suspension shall be accompanied by a 7385  
written statement of the conditions under which the certified 7386  
mental health assistant's license may be reinstated. The board 7387  
shall adopt rules in accordance with Chapter 119. of the Revised 7388  
Code governing conditions to be imposed for reinstatement. 7389  
Reinstatement of a license suspended pursuant to division (B) of 7390  
this section requires an affirmative vote of not fewer than six 7391  
members of the board. 7392

(M) When the board refuses to grant or issue a license to 7393  
practice as a certified mental health assistant to an applicant, 7394  
revokes an individual's license, refuses to renew an 7395  
individual's license, or refuses to reinstate an individual's 7396  
license, the board may specify that its action is permanent. An 7397  
individual subject to a permanent action taken by the board is 7398  
forever thereafter ineligible to hold a license to practice as a 7399  
certified mental health assistant and the board shall not accept 7400  
an application for reinstatement of the license or for issuance 7401  
of a new license. 7402

(N) Notwithstanding any other provision of the Revised Code, all of the following apply: 7403  
7404

(1) The surrender of a license to practice as a certified mental health assistant issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a license surrendered to the board requires an affirmative vote of not fewer than six members of the board. 7405  
7406  
7407  
7408  
7409

(2) An application made under this chapter for a license to practice may not be withdrawn without approval of the board. 7410  
7411

(3) Failure by an individual to renew a license to practice in accordance with section 4772.08 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual. 7412  
7413  
7414  
7415

**Sec. 4772.201.** On receipt of a notice pursuant to section 3123.43 of the Revised Code, the state medical board shall comply with sections 3123.41 to 3123.50 of the Revised Code and any applicable rules adopted under section 3123.63 of the Revised Code with respect to a license to practice as a certified mental health assistant issued under this chapter. 7416

**Sec. 4772.202.** If the state medical board has reason to believe that any person who has been granted a license to practice as a certified mental health assistant under this chapter is mentally ill or mentally incompetent, it may file in the probate court of the county in which the person has a legal residence an affidavit in the form prescribed in section 5122.11 of the Revised Code and signed by the board secretary or a member of the board secretary's staff, whereupon the same proceedings shall be had as provided in Chapter 5122. of the Revised Code. The attorney general may represent the board in 7422

any proceeding commenced under this section. 7432

If any person who has been granted a license is adjudged 7433  
by a probate court to be mentally ill or mentally incompetent, 7434  
the person's license shall be automatically suspended until the 7435  
person has filed with the state medical board a certified copy 7436  
of an adjudication by a probate court of the person's subsequent 7437  
restoration to competency or has submitted to the board proof, 7438  
satisfactory to the board, that the person has been discharged 7439  
as having a restoration to competency in the manner and form 7440  
provided in section 5122.38 of the Revised Code. The judge of 7441  
the probate court shall forthwith notify the state medical board 7442  
of an adjudication of mental illness or mental incompetence, and 7443  
shall note any suspension of a license in the margin of the 7444  
court's record of such license. 7445

**Sec. 4772.203.** (A) (1) If a certified mental health 7446  
assistant violates any section of this chapter or any rule 7447  
adopted under this chapter, the state medical board may, 7448  
pursuant to an adjudication under Chapter 119. of the Revised 7449  
Code and an affirmative vote of not fewer than six of its 7450  
members, impose a civil penalty. The amount of the civil penalty 7451  
shall be determined by the board in accordance with the 7452  
guidelines adopted under division (A) (2) of this section. The 7453  
civil penalty may be in addition to any other action the board 7454  
may take under section 4772.20 of the Revised Code. 7455

(2) The board shall adopt and may amend guidelines 7456  
regarding the amounts of civil penalties to be imposed under 7457  
this section. Adoption or amendment of the guidelines requires 7458  
the approval of not fewer than six board members. 7459

Under the guidelines, no civil penalty amount shall exceed 7460  
twenty thousand dollars. 7461

(B) Amounts received from payment of civil penalties 7462  
imposed under this section shall be deposited by the board in 7463  
accordance with section 4731.24 of the Revised Code. Amounts 7464  
received from payment of civil penalties imposed for violations 7465  
of division (B) (6) of section 4772.20 of the Revised Code shall 7466  
be used by the board solely for investigations, enforcement, and 7467  
compliance monitoring. 7468

**Sec. 4772.21.** (A) The state medical board shall 7469  
investigate evidence that appears to show that any person has 7470  
violated this chapter or the rules adopted under it. Any person 7471  
may report to the board in a signed writing any information the 7472  
person has that appears to show a violation of any provision of 7473  
this chapter or the rules adopted under it. In the absence of 7474  
bad faith, a person who reports such information or testifies 7475  
before the board in an adjudication conducted under Chapter 119. 7476  
of the Revised Code shall not be liable for civil damages as a 7477  
result of reporting the information or providing testimony. Each 7478  
complaint or allegation of a violation received by the board 7479  
shall be assigned a case number and be recorded by the board. 7480

(B) Investigations of alleged violations of this chapter 7481  
or rules adopted under it shall be supervised by the supervising 7482  
member elected by the board in accordance with section 4731.02 7483  
of the Revised Code and by the secretary as provided in section 7484  
4772.24 of the Revised Code. The board's president may designate 7485  
another member of the board to supervise the investigation in 7486  
place of the supervising member. A member of the board who 7487  
supervises the investigation of a case shall not participate in 7488  
further adjudication of the case. 7489

(C) In investigating a possible violation of this chapter 7490  
or the rules adopted under it, the board may administer oaths, 7491

order the taking of depositions, issue subpoenas, and compel the 7492  
attendance of witnesses and production of books, accounts, 7493  
papers, records, documents, and testimony, except that a 7494  
subpoena for patient record information shall not be issued 7495  
without consultation with the attorney general's office and 7496  
approval of the secretary and supervising member of the board. 7497  
Before issuance of a subpoena for patient record information, 7498  
the secretary and supervising member shall determine whether 7499  
there is probable cause to believe that the complaint filed 7500  
alleges a violation of this chapter or the rules adopted under 7501  
it and that the records sought are relevant to the alleged 7502  
violation and material to the investigation. The subpoena may 7503  
apply only to records that cover a reasonable period of time 7504  
surrounding the alleged violation. 7505

On failure to comply with any subpoena issued by the board 7506  
and after reasonable notice to the person being subpoenaed, the 7507  
board may move for an order compelling the production of persons 7508  
or records pursuant to the Rules of Civil Procedure. 7509

A subpoena issued by the board may be served by a sheriff, 7510  
the sheriff's deputy, or a board employee designated by the 7511  
board. Service of a subpoena issued by the board may be made by 7512  
delivering a copy of the subpoena to the person named therein, 7513  
reading it to the person, or leaving it at the person's usual 7514  
place of residence. When the person being served is a certified 7515  
mental health assistant, service of the subpoena may be made by 7516  
certified mail, restricted delivery, return receipt requested, 7517  
and the subpoena shall be deemed served on the date delivery is 7518  
made or the date the person refuses to accept delivery. 7519

A sheriff's deputy who serves a subpoena shall receive the 7520  
same fees as a sheriff. Each witness who appears before the 7521

board in obedience to a subpoena shall receive the fees and 7522  
mileage provided for witnesses in civil cases in the courts of 7523  
common pleas. 7524

(D) All hearings and investigations of the board shall be 7525  
considered civil actions for the purposes of section 2305.252 of 7526  
the Revised Code. 7527

(E) Information received by the board pursuant to an 7528  
investigation is confidential and not subject to discovery in 7529  
any civil action. 7530

The board shall conduct all investigations and proceedings 7531  
in a manner that protects the confidentiality of patients and 7532  
persons who file complaints with the board. The board shall not 7533  
make public the names or any other identifying information about 7534  
patients or complainants unless proper consent is given. 7535

The board may share any information it receives pursuant 7536  
to an investigation, including patient records and patient 7537  
record information, with law enforcement agencies, other 7538  
licensing boards, and other governmental agencies that are 7539  
prosecuting, adjudicating, or investigating alleged violations 7540  
of statutes or administrative rules. An agency or board that 7541  
receives the information shall comply with the same requirements 7542  
regarding confidentiality as those with which the state medical 7543  
board must comply, notwithstanding any conflicting provision of 7544  
the Revised Code or procedure of the agency or board that 7545  
applies when it is dealing with other information in its 7546  
possession. In a judicial proceeding, the information may be 7547  
admitted into evidence only in accordance with the Rules of 7548  
Evidence, but the court shall require that appropriate measures 7549  
are taken to ensure that confidentiality is maintained with 7550  
respect to any part of the information that contains names or 7551

other identifying information about patients or complainants 7552  
whose confidentiality was protected by the state medical board 7553  
when the information was in the board's possession. Measures to 7554  
ensure confidentiality that may be taken by the court include 7555  
sealing its records or deleting specific information from its 7556  
records. 7557

(F) On a quarterly basis, the board shall prepare a report 7558  
that documents the disposition of all cases during the preceding 7559  
three months. The report shall contain the following information 7560  
for each case with which the board has completed its activities: 7561

(1) The case number assigned to the complaint or alleged 7562  
violation; 7563

(2) The type of license, if any, held by the individual 7564  
against whom the complaint is directed; 7565

(3) A description of the allegations contained in the 7566  
complaint; 7567

(4) The disposition of the case. 7568

The report shall state how many cases are still pending, 7569  
and shall be prepared in a manner that protects the identity of 7570  
each person involved in each case. The report is a public record 7571  
for purposes of section 149.43 of the Revised Code. 7572

**Sec. 4772.22.** (A) As used in this section, "prosecutor" 7573  
has the same meaning as in section 2935.01 of the Revised Code. 7574

(B) Whenever any person holding a valid license to 7575  
practice as a certified mental health assistant issued under 7576  
this chapter pleads guilty to, is subject to a judicial finding 7577  
of guilt of, or is subject to a judicial finding of eligibility 7578  
for intervention in lieu of conviction for a violation of 7579

Chapter 2907., 2925., or 3719. of the Revised Code or of any 7580  
substantively comparable ordinance of a municipal corporation in 7581  
connection with the person's practice, the prosecutor in the 7582  
case, on forms prescribed and provided by the state medical 7583  
board, shall promptly notify the board of the conviction. Within 7584  
thirty days of receipt of that information, the board shall 7585  
initiate action in accordance with Chapter 119. of the Revised 7586  
Code to determine whether to suspend or revoke the license under 7587  
section 4772.20 of the Revised Code. 7588

(C) The prosecutor in any case against any person holding 7589  
a valid license issued under this chapter, on forms prescribed 7590  
and provided by the state medical board, shall notify the board 7591  
of any of the following: 7592

(1) A plea of guilty to, a finding of guilt by a jury or 7593  
court of, or judicial finding of eligibility for intervention in 7594  
lieu of conviction for a felony, or a case in which the trial 7595  
court issues an order of dismissal upon technical or procedural 7596  
grounds of a felony charge; 7597

(2) A plea of guilty to, a finding of guilt by a jury or 7598  
court of, or judicial finding of eligibility for intervention in 7599  
lieu of conviction for a misdemeanor committed in the course of 7600  
practice, or a case in which the trial court issues an order of 7601  
dismissal upon technical or procedural grounds of a charge of a 7602  
misdemeanor, if the alleged act was committed in the course of 7603  
practice; 7604

(3) A plea of guilty to, a finding of guilt by a jury or 7605  
court of, or judicial finding of eligibility for intervention in 7606  
lieu of conviction for a misdemeanor involving moral turpitude, 7607  
or a case in which the trial court issues an order of dismissal 7608  
upon technical or procedural grounds of a charge of a 7609

misdemeanor involving moral turpitude. 7610

The report shall include the name and address of the 7611  
license holder, the nature of the offense for which the action 7612  
was taken, and the certified court documents recording the 7613  
action. 7614

**Sec. 4772.23.** (A) Within sixty days after the imposition 7615  
of any formal disciplinary action taken by any health care 7616  
facility, including a hospital, health care facility operated by 7617  
a health insuring corporation, ambulatory surgical facility, or 7618  
similar facility, against any individual holding a valid license 7619  
to practice as a certified mental health assistant, the chief 7620  
administrator or executive officer of the facility shall report 7621  
to the state medical board the name of the individual, the 7622  
action taken by the facility, and a summary of the underlying 7623  
facts leading to the action taken. On request, the board shall 7624  
be provided certified copies of the patient records that were 7625  
the basis for the facility's action. Prior to release to the 7626  
board, the summary shall be approved by the peer review 7627  
committee that reviewed the case or by the governing board of 7628  
the facility. 7629

The filing of a report with the board or decision not to 7630  
file a report, investigation by the board, or any disciplinary 7631  
action taken by the board, does not preclude a health care 7632  
facility from taking disciplinary action against a certified 7633  
mental health assistant. 7634

In the absence of fraud or bad faith, no individual or 7635  
entity that provides patient records to the board shall be 7636  
liable in damages to any person as a result of providing the 7637  
records. 7638

(B) (1) Except as provided in division (B) (2) of this 7639  
section, a certified mental health assistant, professional 7640  
association or society of certified mental health assistants, 7641  
physician, or professional association or society of physicians 7642  
that believes a violation of any provision of this chapter, 7643  
Chapter 4731. of the Revised Code, or rule of the board has 7644  
occurred shall report to the board the information on which the 7645  
belief is based. 7646

(2) A certified mental health assistant, professional 7647  
association or society of certified mental health assistants, 7648  
physician, or professional association or society of physicians 7649  
that believes a violation of division (B) (6) of section 4772.20 7650  
of the Revised Code has occurred shall report the information 7651  
upon which the belief is based to the monitoring organization 7652  
conducting the program established by the board under section 7653  
4731.251 of the Revised Code. If any such report is made to the 7654  
board, it shall be referred to the monitoring organization 7655  
unless the board is aware that the individual who is the subject 7656  
of the report does not meet the program eligibility requirements 7657  
of section 4731.252 of the Revised Code. 7658

(C) Any professional association or society composed 7659  
primarily of certified mental health assistants that suspends or 7660  
revokes an individual's membership for violations of 7661  
professional ethics, or for reasons of professional incompetence 7662  
or professional malpractice, within sixty days after a final 7663  
decision, shall report to the board, on forms prescribed and 7664  
provided by the board, the name of the individual, the action 7665  
taken by the professional organization, and a summary of the 7666  
underlying facts leading to the action taken. 7667

The filing of a report with the board or decision not to 7668

file a report, investigation by the board, or any disciplinary 7669  
action taken by the board, does not preclude a professional 7670  
organization from taking disciplinary action against a certified 7671  
mental health assistant. 7672

(D) Any insurer providing professional liability insurance 7673  
to any person holding a valid license to practice as a certified 7674  
mental health assistant or any other entity that seeks to 7675  
indemnify the professional liability of a certified mental 7676  
health assistant shall notify the board within thirty days after 7677  
the final disposition of any written claim for damages where 7678  
such disposition results in a payment exceeding twenty-five 7679  
thousand dollars. The notice shall contain the following 7680  
information: 7681

(1) The name and address of the person submitting the 7682  
notification; 7683

(2) The name and address of the insured who is the subject 7684  
of the claim; 7685

(3) The name of the person filing the written claim; 7686

(4) The date of final disposition; 7687

(5) If applicable, the identity of the court in which the 7688  
final disposition of the claim took place. 7689

(E) The board may investigate possible violations of this 7690  
chapter or the rules adopted under it that are brought to its 7691  
attention as a result of the reporting requirements of this 7692  
section, except that the board shall conduct an investigation if 7693  
a possible violation involves repeated malpractice. As used in 7694  
this division, "repeated malpractice" means three or more claims 7695  
for malpractice within the previous five-year period, each 7696  
resulting in a judgment or settlement in excess of twenty-five 7697

thousand dollars in favor of the claimant, and each involving 7698  
negligent conduct by the certified mental health assistant. 7699

(F) All summaries, reports, and records received and 7700  
maintained by the board pursuant to this section shall be held 7701  
in confidence and shall not be subject to discovery or 7702  
introduction in evidence in any federal or state civil action 7703  
involving a certified mental health assistant, supervising 7704  
physician, or health care facility arising out of matters that 7705  
are the subject of the reporting required by this section. The 7706  
board may use the information obtained only as the basis for an 7707  
investigation, as evidence in a disciplinary hearing against a 7708  
certified mental health assistant or supervising physician, or 7709  
in any subsequent trial or appeal of a board action or order. 7710

The board may disclose the summaries and reports it 7711  
receives under this section only to health care facility 7712  
committees within or outside this state that are involved in 7713  
credentialing or recredentialing a certified mental health 7714  
assistant or supervising physician, if applicable, or reviewing 7715  
their privilege to practice within a particular facility. The 7716  
board shall indicate whether or not the information has been 7717  
verified. Information transmitted by the board shall be subject 7718  
to the same confidentiality provisions as when maintained by the 7719  
board. 7720

(G) Except for reports filed by an individual pursuant to 7721  
division (B) of this section, the board shall send a copy of any 7722  
reports or summaries it receives pursuant to this section to the 7723  
certified mental health assistant. The certified mental health 7724  
assistant shall have the right to file a statement with the 7725  
board concerning the correctness or relevance of the 7726  
information. The statement shall at all times accompany that 7727

part of the record in contention. 7728

(H) An individual or entity that reports to the board, 7729  
reports to the monitoring organization described in section 7730  
4731.251 of the Revised Code, or refers an impaired certified 7731  
mental health assistant to a treatment provider approved by the 7732  
board under section 4731.25 of the Revised Code shall not be 7733  
subject to suit for civil damages as a result of the report, 7734  
referral, or provision of the information. 7735

(I) In the absence of fraud or bad faith, a professional 7736  
association or society of certified mental health assistants 7737  
that sponsors a committee or program to provide peer assistance 7738  
to a certified mental health assistant with substance abuse 7739  
problems, a representative or agent of such a committee or 7740  
program, a representative or agent of the monitoring 7741  
organization described in section 4731.251 of the Revised Code, 7742  
and a member of the state medical board shall not be held liable 7743  
in damages to any person by reason of actions taken to refer a 7744  
certified mental health assistant to a treatment provider 7745  
approved under section 4731.25 of the Revised Code for 7746  
examination or treatment. 7747

Sec. 4772.24. The secretary of the state medical board 7748  
shall enforce the laws relating to the practice of certified 7749  
mental health assistants. If the secretary has knowledge or 7750  
notice of a violation of this chapter or the rules adopted under 7751  
it, the secretary shall investigate the matter, and, upon 7752  
probable cause appearing, file a complaint and prosecute the 7753  
offender. When requested by the secretary, the prosecuting 7754  
attorney of the proper county shall take charge of and conduct 7755  
the prosecution. 7756

Sec. 4772.25. The attorney general, the prosecuting 7757

attorney of any county in which the offense was committed or the 7758  
offender resides, the state medical board, or any other person 7759  
having knowledge of a person engaged either directly or by 7760  
complicity in practicing as a certified mental health assistant 7761  
without having first obtained under this chapter a license to 7762  
practice as a certified mental health assistant, may, in 7763  
accordance with provisions of the Revised Code governing 7764  
injunctions, maintain an action in the name of the state to 7765  
enjoin any person from engaging either directly or by complicity 7766  
in unlawfully practicing as a certified mental health assistant 7767  
by applying for an injunction in any court of competent 7768  
jurisdiction. 7769

Prior to application for an injunction, the secretary of 7770  
the state medical board shall notify the person allegedly 7771  
engaged either directly or by complicity in the unlawful 7772  
practice by registered mail that the secretary has received 7773  
information indicating that this person is so engaged. The 7774  
person shall answer the secretary within thirty days showing 7775  
that the person is either properly licensed for the stated 7776  
activity or that the person is not in violation of this chapter. 7777  
If the answer is not forthcoming within thirty days after notice 7778  
by the secretary, the secretary shall request that the attorney 7779  
general, the prosecuting attorney of the county in which the 7780  
offense was committed or the offender resides, or the state 7781  
medical board proceed as authorized in this section. 7782

Upon the filing of a verified petition in court, the court 7783  
shall conduct a hearing on the petition and shall give the same 7784  
preference to this proceeding as is given all proceedings under 7785  
Chapter 119. of the Revised Code, irrespective of the position 7786  
of the proceeding on the calendar of the court. 7787

Injunction proceedings shall be in addition to, and not in lieu of, all penalties and other remedies provided in this chapter. 7788  
7789  
7790

Sec. 4772.26. The state medical board, subject to the approval of the controlling board, may establish fees in excess of the amounts specified in this chapter, except that the fees may not exceed the specified amounts by more than fifty per cent. 7791  
7792  
7793  
7794  
7795

All fees, penalties, and other funds received by the board under this chapter shall be deposited in accordance with section 4731.24 of the Revised Code. 7796

7798

Sec. 4772.27. In the absence of fraud or bad faith, the state medical board, a current or former board member, an agent of the board, a person formally requested by the board to be the board's representative, or an employee of the board shall not be held liable in damages to any person as the result of any act, omission, proceeding, conduct, or decision related to official duties undertaken or performed pursuant to this chapter. If any such person asks to be defended by the state against any claim or action arising out of any act, omission, proceeding, conduct, or decision related to the person's official duties, and if the request is made in writing at a reasonable time before trial and the person requesting defense cooperates in good faith in the defense of the claim or action, the state shall provide and pay for the person's defense and shall pay any resulting judgment, compromise, or settlement. At no time shall the state pay any part of a claim or judgment that is for punitive or exemplary damages. 7799
