to, merger of, or consolidation with a municipal corporation 215
that is a contracting party of any unincorporated territory 216
within a township that is a contracting party during the term of 217
the contract regardless of whether that territory is located 218
within the district. 219

(7) The contract may designate property as a community 220

entertainment district, or may be amended to designate property 221
as a community entertainment district, as prescribed in division 222
(D) of section 4301.80 of the Revised Code. A contract or 223
amendment designating a community entertainment district shall 224
include all information and documentation described in divisions 225
(B) (1) to (6) of section 4301.80 of the Revised Code. The public 226
notice required under division (I) of this section shall specify 227
that the contract designates a community entertainment district 228
and describe the location of that district. Except as provided 229
in division (F) of section 4301.80 of the Revised Code, an area 230
designated as a community entertainment district under a joint 231
economic development district contract shall not lose its 232
designation even if the contract is canceled or terminated. 233

(8) If any part of the district is located either within 234
one-half of one mile of a non-contracting municipal corporation 235
or within an area covered by or subject to a water or sewer 236

after the creation of the district. 249

Except as provided in division (H) of this section, the contract may be amended, renewed, or terminated with the approval of the contracting parties or any parties succeeding to the contracting parties. If the contract is amended to add or remove an area to or from an existing district, the amendment shall be adopted in the manner prescribed under division (L) of this section.

(H) If two or more contracting parties previously have entered into a separate contract for utility services, then amendment, renewal, or termination of the separate contract for utility services shall not constitute any part of the consideration for the contract creating a joint economic development district. A contract creating a joint economic development district shall be rebuttably presumed to violate this division if it is entered into within two years prior or five years subsequent to the amendment, renewal, or termination of a separate contract for utility services that two or more contracting parties previously have entered into. The presumption stated in this division may be rebutted by clear and convincing evidence of both of the following:

(1) That other substantial consideration existed to support the contract creating a joint economic development district;

(2) That the contracting parties entered into the contract creating a joint economic development district freely and without duress or coercion related to the amendment, renewal, or

termination of the separate contract for utility services. 280

A contract creating a joint economic development district 281
that violates this division is void and unenforceable. 282

(I) (1) Before the legislative authority of any of the 283
contracting parties adopts an ordinance or resolution approving 284
a contract to create a district, the legislative authority of 285
each of the contracting parties shall hold a public hearing 286
concerning the contract and district. Each legislative authority 287
shall provide at least thirty days' public notice of the time 288
and place of the public hearing in a newspaper of general 289
circulation in the municipal corporation, township, or county, 290
as applicable. During the thirty-day period prior to the public 291
hearing and until the date that an ordinance or resolution is 292
adopted under division (K) of this section to approve the joint 293
economic development district contract, all of the following 294
documents shall be available for public inspection in the office 295
of the clerk of the legislative authority of a municipal 296
corporation and county that is a contracting party and in the 297
office of the fiscal officer of a township that is a contracting 298
party: 299

(a) A copy of the contract creating the district, 300
including the economic development plan for the district and the 301
schedule for the provision of new, expanded, or additional 302
services, facilities, or improvements described in division (F) 303
(3) of this section; 304

(b) A description of the area or areas to be included in 305
the district, including a map in sufficient detail to denote the 306
specific boundaries of the area or areas and to indicate any 307
zoning restrictions applicable to the area or areas, and the 308
parcel number, provided for under section 319.28 of the Revised 309

Code, of any parcel located within the boundaries of the joint 310
economic development district and excluded from the district 311
under division (E) (2) of this section; 312

(c) If the contract authorizes the board of directors of 313
the district to adopt a resolution to levy an income tax within 314
the district or within portions of the district, a schedule for 315
the collection of the tax. 316

(2) At least thirty days before the first public hearing 317
is to be held by one or more legislative authorities on a 318
proposed district, notice shall be sent in writing to each non- 319
contracting municipal corporation that is located within one- 320
half of one mile of the proposed district or that is identified 321
in a water or sewer service plan or agreement as a future 322
provider of water or sewer services to all or part of the 323
proposed district. 324

(3) A public hearing held under this division shall allow 325
for public comment and recommendations on the contract and 326
district. The contracting parties may include in the contract 327
any of those recommendations prior to approval of the contract. 328

(J) (1) Before any of the contracting parties approves a 329
contract under division (K) of this section, the contracting 330
parties shall circulate one or more petitions to record owners 331
of real property located within the proposed joint economic 332
development district and owners of businesses operating within 333
the proposed district. The petitions shall state that all of the 334
documents described in divisions (I) (1) (a) to (c) of this 335
section are available for public inspection in the office of the 336
clerk of the legislative authority of each municipal corporation 337
and county that is a contracting party or the office of the 338
fiscal officer of each township that is a contracting party. The 339

petitions shall clearly indicate that, by signing the petition, 340
the record owner or owner consents to the proposed joint 341
economic development district. 342

A contracting party may send written notice of the 343
petitions by certified mail with return receipt requested to the 344
last known mailing addresses of any or all of the record owners 345
of real property located within the proposed district or the 346
owners of businesses operating within the proposed district. The 347
contracting parties shall equally share the costs of complying 348
with this division. 349

(2) If any portion of property located within the proposed 350
joint economic development district is also either located 351
within one-half of one mile of a non-contracting municipal 352
corporation or covered by or subject to a water or sewer service 353
plan or agreement under which a non-contracting municipal 354
corporation is identified as a future provider of water or sewer 355
services to all or part of the proposed district, then that 356
property and any property contiguous to that property if owned 357
by the same person shall be excluded from the joint economic 358
development district unless the owner of the property signs the 359
petition. 360

(K) (1) After the public hearings required under division 361
(I) of this section have been held and the petitions described 362
in division (J) of this section have been signed by the majority 363
of the record owners of real property located within the 364
proposed joint economic development district and by a majority 365
of the owners of businesses, if any, operating within the 366
proposed district, each contracting party may adopt an ordinance 367
or resolution approving the contract to create a joint economic 368
development district. Not later than ten days after all of the 369

contracting parties have adopted ordinances or resolutions 370
approving the district contract, each contracting party shall 371
give notice of the proposed district to all of the following: 372

district and in the territory of that contracting party no owner 378
of which signed the petitions described in division (J) of this 379
section. 380

shall specify that the property or business is located within an 382
area to be included in the district and that all of the 383
documents described in divisions (I) (1) (a) to (c) of this 384
section are available for public inspection in the office of the 385
clerk of the legislative authority of each municipal corporation 386
and county that is a contracting party or the office of the 387
fiscal officer of each township that is a contracting party. The 388
contracting parties shall equally share the costs of complying 389
with division (K) of this section. 390

(L) (1) The contracting parties may amend the joint 391
economic development district contract to add any area that was 392
not originally included in the district if the area satisfies 393
the criteria prescribed under division (E) of this section. The 394
contracting parties may also amend the district contract to 395
remove any area originally included in the district or exclude 396
one or more parcels located within the district pursuant to 397
division (E) (2) of this section. 398

(2) An amendment adding an area to a district, removing an area from the district, or excluding one or more parcels from the district may be approved only by a resolution or ordinance adopted by each of the contracting parties. The contracting parties shall conduct public hearings on the amendment and provide notice in the manner required under division (I) of this section for original contracts. The contracting parties shall make available for public inspection a copy of the amendment, a description of the area to be added, removed, or excluded to or from the district, and a map of that area in sufficient detail to denote the specific boundaries of the area and to indicate any zoning restrictions applicable to the area.

The contracting parties may notify such record owners of real property and owners of businesses that the petitions are available for signing in the same manner provided by that division. The contracting parties shall equally share the costs of complying with this division.

(4) The contracting parties to a joint economic development district may vote to approve an amendment to the district contract under this division after the public hearings required under division (L)(2) of this section are completed and, if the amendment adds an area or areas to the district, the petitions required under division (L)(3) of this section have been signed by the majority of record owners of real property located within the area or areas added to the district and by a

majority of the owners of businesses, if any, operating within 430
the proposed addition to the district. 431

(5) Not later than ten days after all of the contracting 432
parties have adopted ordinances or resolutions approving an 433
amendment adding one or more areas to the district, each 434
contracting party shall give notice of the addition to all of 435
the following: 436

the addition to the district and in the territory of that 438
contracting party who did not sign the petitions described in 439
division (L)(3) of this section; 440

addition to the district and in the territory of that 442
contracting party no owner of which signed the petitions 443
described in division (L)(3) of this section. 444

The contracting parties shall equally share the costs of 445
complying with division (L)(5) of this section. 446

(M)(1) Except as provided in division (M)(2) of this 447
section, the designation of a joint economic development 448
district is subject to elector approval in each contracting 449
party that is a township or, if none of the contracting parties 450
are townships, a municipal corporation within which all or part 451
of the territory of the district is located and that does not 452
levy an income tax in accordance with Chapter 718. of the 453
Revised Code at a rate exceeding one per cent. 454

common pleas of the county in which the majority of the 633
territory of the district is located requesting exemption from 634
any income tax imposed by the board of directors of the district 635

comparison to the income tax revenue generated from the net 647
profits of the business and the income of employees of the 648
business. 649

The legislative authority of each contracting party shall 650
be made a party to the proceedings and the business owner filing 651
the complaint shall serve notice of the complaint by certified 652
mail to each such contracting party. The court shall not accept 653
any complaint filed more than six months after the effective 654
date of the district contract. 655

(2) Any or all of the contracting parties may submit a 656

and the evidence thus submitted, or it may conduct a hearing and 667
request the presence of the business owner and the contracting 668
parties to present evidence relevant to the complaint. The court 669
shall make a determination on the complaint not sooner than 670
thirty days but not later than sixty days after the complaint is 671
filed by the business owner. The court may make a determination 672
more than sixty days after the complaint is filed if the 673
business owner and all contracting parties to the district 674
consent. 675

(4) The court shall grant the exemption requested in the 676
complaint if all of the criteria described in divisions (Q) (1) 677
(a) to (c) of this section are met. 678

(5) If all the criteria described in divisions (Q) (1) (a) 679
to (c) of this section are not met, the court shall deny the 680

respect to the complaint to the owner of the business and each 683
contracting party. If the court grants the exemption, the net 684
profits of the business from operations within the district and 685
the income of its employees from employment within the district 686
are exempt from any income tax imposed by the board of directors 687
of the district. If the court denies the exemption, the net 688
profits of the business and the income of its employees shall be 689
taxed according to the terms of the district contract and any 690
taxes, penalties, and interest accrued before the date of the 691

court's determination shall be paid in full. In addition, no 692
owner of the business may submit another complaint under 693
division (Q) (1) of this section for the same district contract. 694

the proceedings described in division (Q) of this section. 698

Revised Code that proposes the annexation to, merger of, or 700
consolidation with a municipal corporation of any unincorporated 701
territory within a joint economic development district may be 702
commenced at any time between the effective date of the contract 703
creating the district and the date the contract expires, 704
terminates, or is otherwise rendered unenforceable. This 705
division does not apply if each board of township trustees whose 706
territory is included within the district and whose territory is 707

resolution with the clerk of the legislative authority of each 711
county within which a contracting party is located. 712

district may prohibit any annexation proceeding by a contracting 714
municipal corporation of any unincorporated territory within the 715
district or zone beyond the period described in division (R) (1) 716
of this section. 717

(3) No contracting party is divested or relieved of its 718
rights or obligations under the contract creating a joint 719
economic development district because of annexation, merger, or 720
consolidation. 721

(S) Contracting parties may enter into agreements pursuant 722
to the contract creating a joint economic development district 723
with respect to the substance and administration of zoning and 724
other land use regulations, building codes, permanent public 725
improvements, and other regulatory and proprietary matters 726
determined to be for a public purpose. No contract, however, 727
shall exempt the territory within the district from the 728
procedures of land use regulation applicable pursuant to 729
municipal corporation, township, and county regulations, 730
including, but not limited to, zoning procedures. 731

(T) The powers granted under this section are in addition 732
to and not in the derogation of all other powers possessed by or 733
granted to municipal corporations, townships, and counties 734
pursuant to law. 735

(1) When exercising a power or performing a function or 736
duty under a contract entered into under this section, a 737
municipal corporation may exercise all the powers of a municipal 738
corporation, and may perform all the functions and duties of a 739
municipal corporation, within the district, pursuant to and to 740
the extent consistent with the contract. 741

(2) When exercising a power or performing a function or 742
duty under a contract entered into under division (D) of this 743
section, a county may exercise all of the powers of a county, 744

the district pursuant to and to the extent consistent with the 746
contract. 747

(3) When exercising a power or performing a function or 748
duty under a contract entered into under this section, a 749
township may exercise all the powers of a township, and may 750
perform all the functions and duties of a township, within the 751

district, pursuant to and to the extent consistent with the 752
contract. 753

(U) No political subdivision shall grant any tax exemption 754
under Chapter 1728. or section 3735.67, 5709.62, 5709.63, or 755
5709.632 of the Revised Code on any property located within the 756
district without the consent of all the contracting parties. The 757
prohibition against granting a tax exemption under this section 758
does not apply to any exemption filed, pending, or approved 759
before the effective date of the contract entered into under 760
this section. 761

Section 2. That existing section 715.72 of the Revised 762
Code is hereby repealed. 763
